Members Absent: Adam Johnson

Staff Present: City Attorney Clark Joslin, Human Resources/City Clerk Karissa Henning, Police Chief Gene Hill, Economic Development Director Sean Sullivan and City Engineer Brad DeWolf

DRAFT

D. Adopt Agenda

Councilmember Lundeen asked that item L.10 be moved to K.15.

Motion by Lundeen, second by Collison to approve the agenda with the aforementioned modification. Motion carried unanimously.

E. Proclamations/Commendations/Certificate Awards

1. Week of the Child - April 10 through April 16, 2016

Mayor Wimmer read the proclamation and then invited all young guests attending the meeting to receive a small gift and have a group picture taken with the Mayor.

2. **Commendation to Karissa Henning, Human Resources/City Clerk**

Mayor Wimmer read the plaque presented to Henning for her nearly 5 years of service to the City of Isanti and noted that Karissa will be providing guidance to the City as needed following her departure.

F. Approve City Council Minutes

1. March 15, 2016 – Regular Meeting of the City Council

Motion by Lundeen second by Collison to approve the regular City Council Meeting Minutes of March 15, 2016 as presented

G. Citizens Input

None

H. Announcements

Announcements were read

I. Council Committee Reports

The Mayor stated that he, DeWolf and Wood took a walk along Main Street and discussed a number of issues including the condition of the sidewalk in front of Isanti Meats, which seems to have been made of sub grade materials. The City will be looking into costs for having this repaired including the curb and road which is showing significant wear. The Mayor expressed concern that, despite the mild winter, curbs were

showing significant wear. He allowed that the wear may be due to an equipment or training issue, but asked that this be addressed at the next Public Works Committee meeting.

The Mayor stated that the City would be meeting with the Fire District the following day; noting that the Fire District performed a controlled burn of some grasses and there was apparently some confusion as to where the burns should and should not be done. The Mayor stated that there had been a long held understanding that the City would not have open fires apart from backyard camp fires, etc. The Mayor noted that current City Code refers to State Statute, so the City intends to update City code to reflect the long time understanding and practices that have been in place. The Mayor underscored his belief that there is no need to do burns of this type within City limits.

The Mayor updated the Council on where the City is in the process of creating a preliminary Utility Fee Report. Although the report was not ready to be presented at this meeting, the Mayor wanted to give the Council a sense of what is being recommended. Under consideration is the cutting of the City Sanitary Base fee in half and the Water Base Fee being reduced by 25%. This would give all residents a $16.00 per month reduction in their current fees. The Mayor indicated that the process would be to: confirm the preliminary report would take the City to where it wants to be; it will then be presented at the next City Council meeting; and the Council will officially adopt it as it does with all the fees at the end of the year. The Mayor remarked that it may be that another adjustment could be made to the fees; however, he does want the report to be reviewed by the new Finance Director prior to making any determinations.

The Mayor indicated there would have been another item to address at this meeting had Lorsung been available; however, the Mayor still wished to mention to the Council that committees are referred to as committees because they meet on a regular basis. The Personnel and Financial Committees, however, have been meeting more frequently so the City will start counting interviews, meeting negotiations, etc. as meetings. The Council is to receive a per diem for each committee meeting they attend.

Bergley stated that he has been attending the North 65 Trunk Highway meetings and noted that Lorsung has spoken with Carolyn Braun who administrates the coalition meetings and she made it clear that the City of Isanti is not a member of the coalition. Presently Bergley attends these meetings; however, his participation is merely that of an observer and not a voting member. Bergley asked if the Council wanted him to continue to attend those meetings. Bergley also asked if the City has made the statement that it is not happy with the Quorum consisting of such a low number of members. The Mayor responded that he had received a call from one of the supervisor's from Athens Township who indicated that the City of Isanti still needed to attend, that the City is still a member of the coalition and having failed to sign the Joint Powers Agreement does not exclude the City from membership as the coalition. The Mayor responded to the supervisor that this was not what the City had been told and forwarded the written communication to him that Lorsung had received from Ms. Braun stating that the City is not a member. The Mayor indicated that it is now up to the Coalition to determine if the City of Isanti is a member or not. The Mayor remarked that several of the Coalition board members were under the impression that the City is still, or should be, a member and apparently their staff does not agree. The Mayor reiterated that the City wants to be a member of the coalition; however, the City believes that having 40% of the membership represent a quorum is unacceptable. Bergley stated that the Coalition is not recognizing Isanti as long as Isanti does not pay its dues as members. Bergley asked how long it will take the City to determine its stance one way or the other. The Mayor responded that he did not feel Bergley needed to continue to attend the meetings although he allowed that Bergley is free to do so and it would be informative if he chose to continue. The Mayor replied that the supervisor from Athens Township with whom he spoke was surprised by the communication received by the City as it had not been previously discussed at any of the meetings. Bergley expressed his willingness to continue attending the meetings as a number of interesting topics are discussed that pertain to

DRAFT

the area. The Mayor suggested that the City give the coalition one month to make a determination on this issue.

J. Public Hearings - None

K. Business Items

1. **Resolution 2016-095 Approving a Special Event Request for a Run/Walk for the Isanti Intermediate School and School for All Seasons**

Jesse Jennisen, one of the event director's, indicated that any money raised by this event would be given as a scholarship to seniors at Cambridge-Isanti High School.

Motion by Collison second by Bergley to approve Resolution 2016-095 as presented. Motion carried unanimously.

2. **Resolution 2016-096 Approving a Special Event Application for the Cambridge-Isanti Soccer Club Kohl's Cup**

Jenny Nystrom, President of the Cambridge-Isanti Soccer Club, stated that the club was hoping to get approval to host the Kohl's American Cup which would be held on June 11th of this year. Ms. Nystrom indicated that they expect approximately 1,000 players and their families. The Mayor noted that it is one of the big events the Cambridge-Isanti Soccer Club is involved with and that they do a great job. He also remarked that there was a period a few years back where the grounds were not being managed as well as they are today and that the past two presidents of the organization have done a fantastic job.

Motion by Lundeen second by Bergley to approve Resolution 2016-096 as presented. Motion carried unanimously.

3. Consider Rum River BMX Association Special Event Requests
   a. **Resolution 2016-097 Approving a Special Event Application for the Land O' Lakes National Event, May 13 -15, 2016**
   b. **Resolution 2016-098 Approving a Special Event Application for the State Champion Race and Olympic Day Event, June 25-26, 2016**
   c. **Resolution 2016-099 Approving a Special Event Application for the MN State BMX Finals, August 26-28, 2016**
   d. **Resolution 2016-100 Approving a Special Event Application for the Double Point BMX Racing Event and College Scholarship Fundraiser, October 29-30, 2016**

Motion by Lundeen second by Bergley to approve Resolutions 2016-097, 2016-098, 2016-099 and 2016-100 as presented. Motion carried unanimously.

Lundeen asked Track Operator Kevin Riedemann if the person who would follow Riedemann would do as good a job as Track Operator. Riedemann indicated that as the association grows and evolves, systems are being put in place that will solidly sustain the organization. Lundeen has been told by many people who have been involved with the BMX track that Riedemann does an outstanding job and those people are afraid of the day when Riedemann would elect to step down. Lundeen stated his hope that Riedemann is grooming someone to follow in his footsteps. Riedemann noted that it has been a big part of his family's life; having done tremendous things for them, as well as, other members of the organization and community. He stated that it is a passion that you can't turn off and walk away from unless you know it is in good, solid hands and things are running smoothly. Riedemann commented that he had recently attended a track operators' summit, noting it was very flattering to hear from others about what the community of Isanti is doing and

DRAFT

how the partnership between the City and the Track is really blossoming.

4. Consider Resolutions to Accept Bids for River Bluff Preserve Park Improvements for a Parking Lot, Water Line and Trails
   a. **Resolution 2016-101 Awarding the Bid for the Parking Lot For River Bluff Preserve**
   b. **Resolution 2016-102 Awarding the Bid for the Water Line for the Community Garden in River Bluff Preserve**
   c. **Resolution 2016-103 Awarding the Bid for the Trails for River Bluff Preserve**

Bergley raised the question of how long it would be until the Park Dedication Fund would repay the General Fund. The Mayor stated that when the economy had slowed down, the Council approved taking approximately $140,000 out of the Parks & Rec. Fund which was the interest money to help balance the General Fund. The General Fund never paid this back. Park Dedication Funds can only be used for new parkland purchases or new equipment. Although the Mayor could not state exactly when the $27,000 borrowed from the General Fund would be replenished, he anticipated it would be within 5 years.

Collison asked if the parking lot would be large enough for someone pull in with a pickup truck and back up easy enough when they wanted to leave. The Mayor responded that there was parking on the one side. Collison stated that the parking seemed a bit narrow.

Motion by Lundeen second by Collison to approve Resolutions 2016-101, 2016-102 and 2016-103 as presented. Motion carried unanimously .

5. **City of Isanti Organizational Chart 2016- 2020**

The Mayor stated that the Organizational Chart was one of the goals from City Council goal setting. The Mayor remarked that at this time, the City is in flux with a couple positions that are currently open; however, the organizational chart reflected the timeline and how the City sees these positions developing going forward. Bergley asked if the financial impact of position changes from 2016 to 2020 as described in the proposal was known. The Mayor indicated that this Organizational Chart reflected the plan. In planning budgets in subsequent years, the budget would need to address this plan. The Mayor noted that the plan for the organization is not locked, but rather would reflect the economy and growth of a given year.

Motion by Lundeen second by Bergley to approve the City of Isanti Organizational Chart as presented. Motion carried unanimously.

6. **Resolution 2016-104 Approving to Increase the Part-Time Community Events and Parks Coordinator Position to a Full-Time Position; Approving the Amended Job Description, Pay, and Points; and Promoting Part-Time Community Events and Parks Coordinator Katie Everett to the New Full-Time Community Events and Parks Coordinator Position**

Motion by Collison second by Bergley to approve Resolution 2016-104 as presented. Motion carried unanimously..

7. **Resolution 2016-105 Promoting Public Services Director Josi Wood to Public Services Director/ Assistant City Administrator and Approving an Amended Job Description, Pay Range, and Points**

Motion by Lundeen second by Bergley to approve Resolution 2016-105 as presented. Motion carried unanimously

8. **Resolution 2016-106 Removing a City Councilor from City Boards and Commissions**

Motion by Bergley second by Collison to approve Resolution 2016-106 as presented. Motion carried unanimously.

9. **Resolution 2016-107 Authorizing Hiring Recommendations to go to Council Prior to the Completion of Background and Reference Checks to Expedite the Hiring Process**

Motion by Lundeen second by Bergley to approve Resolution 2016-107 as presented. Motion carried unanimously.

10. **Resolution 2016-108 Authorizing the Movement of Certain Fund Balances**

Motion by Lundeen second by Bergley to approve Resolution 2016-108 as presented. Motion carried unanimously.

11. **Resolution 2016-109 Adopting a Fund Balance Policy for Water Fund 601 and Sewer Fund 602**

The Mayor noted that the policy states that, like the General Fund, the City will never go below 50% of the fund balance. This policy relates to maintaining a Bond rating.

Motion by Lundeen second by Bergley to approve Resolution 2016-109 as presented. Motion carried unanimously.

12. **Resolution 2016-110 Approving an Operating Agreement between the City of Isanti and the Cambridge-Isanti School District for the Use of the River Bluff Preserve and the Community Garden**

The Mayor indicated that the school grades Kindergarten through eighth would be working a one acre plot as part of an on-going project.

Motion by Lundeen second by Bergley to approve Resolution 2016-110 as presented. Motion carried unanimously.

13. **Resolution 2016-111 Approving the Purchase of a Server for the Finance Department**

The Mayor explained that this is to take on the new software system for the Finance Department.

Motion by Lundeen second by Bergley to approve Resolution 2016-111 as presented. Motion carried unanimously.

14. **Resolution 2016-112 Approving the Purchase of Employee Replacement Computers**

Five of the computer replacements were budgeted for 2016. A sixth computer was been determined to desperately need replacement as well.

Motion by Lundeen second by Bergley to approve Resolution 2016-112 as presented. Motion carried unanimously.

15. **Resolution 2016-113 Authorizing Staff to Accept a Donation from Allina Health for up to Four Res-Q-CPR System Devices**

The Mayor stated that this item was moved up from the Consent Agenda as it is a significant donation. The recitation devices sell for $1,350 each and Allina Health has donated three to the City of Isanti Police Department. Chief Hill gave a description of the device and its use.

DRAFT

Motion by Lundeen second by Collison to approve Resolution 2016-113 as presented. Motion carried unanimously.

L. Approve Consent Agenda

1. Consider Accounts Payable in the Amount of $302,539.85 and Payroll in the Amount of $93,939.30

Subject: Utility Ordinance Updates

Staff has been working with the Finance Committee to update city code language in Chapter 260, Sewer and Chapter 325, Water to address the charging of base fees to inactive accounts and clarification on the methods of charging for sewer usage.

Water and Sewer Ordinance Updates – Charging of Base Fees for Inactive Accounts

Please find attached an amendment to City Code Chapter 325-9 Right to discontinue service reserved and City Code Chapter 260-8, Availability Charge. The underlined sections in each amended ordinance extends the charging of 50% of the monthly base fee to water and sewer accounts where the owner/user has requested shut-off of their utility connection.

Sanitary Sewer Ordinance Update – Charges for Sewer Usage

Staff has been working on revising the language in City Code Chapter 260-8, Paragraph B (3) (see attached). The code changes would clarify and allow for two methods of charging for sewer usage. It would allow for usage by water consumption, Gallon per Gallon, and Winter Averaging, where sewer charges are based on usage in January, February and March. For accounts that use winter averaging, but are vacant and not using water, an averaged usage of 3,500 gallons would be applied. With either method of billing, the sewer charge will not exceed the actual metered water usage. Election of the method of charging is made when the account is set-up.

Attached are the draft ordinances for your consideration.

ORDINANCE NO.

AN ORDINANCE TO AMEND THE CODE FOR THE CITY OF ISANTI, CHAPTER 325, WATER

THE CITY COUNCIL OF THE CITY OF ISANTI DOES ORDAIN:

Chapter 325, Article II, Section 325-9, Right to discontinue service reserved, Paragraph D, of the Code of the City of Isanti is hereby amended as follows:

§ 325-9. Right to discontinue service reserved, Paragraph D.

D. User/Owner shutoff request. The owner or their authorized agent may request that their water be shutoff. The City will then shut off the water and if necessary remove the water meter for a fee. Turning on the water and reinstalling the meter will cost an additional fee. Fees shall be as set by resolution of the City Council, as specified in City Code Chapter A344, Fee Schedule. ~~While the water is shutoff, the owner/user will not be billed for the monthly water base fee charge~~. While the water is shutoff, the owner/user will be billed a monthly fee equal to 50% of the water base fee. The owner is responsible for the monthly water base fee charge and if unpaid shall be a lien on the property pursuant to Paragraph 325-7 of this Article.

EFFECTIVE DATE:
This ordinance shall take effect upon its adoption and publication in the City's Official Newspaper.

Adopted by the City Council this 5th day of April, 2016.

AN ORDINANCE TO AMEND THE CODE FOR THE CITY OF ISANTI, CHAPTER 260, SEWER

THE CITY COUNCIL OF THE CITY OF ISANTI DOES ORDAIN:

Section 260-8. Paragraph A, Availability Charge.

Section 260-8. Paragraph A, is amended as follows:

A. Availability Charge. The owner of any premises to which the City sewage treatment is reasonably available shall pay a monthly availability charge equivalent to fifty percent of the sewer base fee as provided in Section 260, Attachment A, Sewer Rate Table, unless and until said premises is hooked up to the City treatment system; at such time as said premises is hooked up to the City sewage treatment system, sewage treatment rates for use of the City treatment system shall be paid as provided in this § 260-8 of this article. In the event service is disconnected, the owner will be billed a monthly fee equal to fifty percent of the sewer base fee.

AN ORDINANCE TO AMEND THE CODE FOR THE CITY OF ISANTI, CHAPTER 260, SEWER, SEWER AVAILABILITY AND USAGE CHARGES

THE CITY COUNCIL OF THE CITY OF ISANTI HEREBY ORDAINS AS FOLLOWS:

The Code of the City of Isanti, Chapter 260, Sewers, Article II, Sewage Treatment System, Section 260-8 Sewer availability and usages charges is hereby deleted in its entirety and amended to read as follows:

Section 260-8, Paragraph B (3),

For the purposes of calculating the sewer charge, residential users will have the option of selecting gallon for gallon (actual usage based on water usage) or the winter average method. The winter average is calculated by using the average of water billed for the months of January, February and March of each year. For any month during the averaging period that a property is vacant, that account shall be assigned a minimum usage of 3,500 gallons. Winter averages are updated annually on the April billing statement. Once selected the method of sewer calculation will remain in force until the property is sold. In no case will the sewer charge exceed the actual metered usage.

EFFECTIVE DATE:
This ordinance shall take effect upon its adoption and publication in the City's Official Newspaper.

Request for Council Action

To: Mayor Wimmer
Members of the City Council

From: Roxanne Achman, AICP
Community Development Director

Date: April 19th, 2016

Subject: Request from Prairie Senior Cottages for approval of a Site Plan, Conditional Use Permit and Variance for a second building to be located on the property at 705 6th Ave NE, legally described at Lot 1, Block 1, Bank Site Second Addition, Isanti County, Isanti, Minnesota.

Background

Prairie Senior Cottages was granted site plan and conditional use permit approval 2010 for two buildings on this site with the condition that the second building would need to be constructed within 5 years of site plan approval. That date passed in November 2015.

Prairie Senior Cottages has submitted a request for a second building on their property at 705 6th Ave NE. The proposed building is 16,340sf with an attached garage and contains 24 rooms and a total of 28 beds. A fenced in outdoor area with a gazebo is provided on the south side of the building for the residents similar to the existing building. This building is larger than the first building in that it will accommodate up to 28 residents verses 20 residents in building 1. The layout of building two has also been updated to allow for more efficient use of the outdoor area. Staff has requested that additional trees be planted along the norther border of the property providing more of a buffer between it and the commercial use to the north, this has been reflect on the most recent plans. A request was also made to connect the sidewalk extending south from the bank to the Prairie Senior Cottage property; this has too been reflected on the most recent plans.

The site plan details are outlined below. All elements meet or exceed the zoning ordinance requirements except for the frontyard setback of the building. A variance is being requested to allow for a 10ft frontyard setback rather than the required 30ft setback. In addition to being in a cul-de-sac, which provides for awkward and difficult site development, the majority of the lot is composed of wetlands, leaving very little room for building movement on the site. The building is situated as far south and west as it can go while remaining outside of the wetland. The building has also been designed in a way that promotes an efficient use of the building so that residents can be within the outdoor area and still be viewed by staff. Any other layout would not allow for this type of oversight of the outdoor area. Staff has reviewed the request and feels that it is consistent with the overall feel of the facility and will not impede the safety of vehicles driving into the area. Sight lines are not impacted due to the roadway being a cul-de-sac; in addition, Prairie Senior Cottages owns the only property that would likely gain access from the cul-de-sac.

All of staffs comments and requests for revision have been made to the attached plans. The City Engineers comments have all been addressed and are reflected in the approval letter from Bolton & Menk dated March 28, 2016.

Items meeting requirements:

Building Setbacks:

Frontyard: Variance requested
Sideyard: 15ft

Street side: 20ft
Parking: 10ft

Impervious Surface:

Required: 25%, with 5% within the parking lot
Provided: **91.9%,** with 5% of the green within the parking lot

Parking:

All parking stalls meet the required dimensional standards as do all drive aisles.
Hospital/rest home/nursing home/etc. (1 stall per 4 beds, plus 1 stall per 2 employees)
Total beds: 48 beds/4 = 12 stalls
Total employees: 5 staff/shift x 2 facilities = 10 emp./2 = 5 stalls
17 Required stalls, 4 handicapped
Total Provided: 26 stalls, 6 of which are handicapped

Building Appearance:

- The building matches the existing building. It will have vinyl siding with a shingled roof.

Landscaping plan

Far exceeds requirements of 1 tree per 50ft of lot frontage.

- An underground sprinkler system is provided in landscaped areas.
- All disturbed areas and areas without an established lawn or turf shall be sodded.
- Trees, shrubs and perennials appear to meet the landscaping requirements.
- Additional landscaping is being provided along the north property line to preserve more of a residential area for this facility and to create more of a separation from the bank.

Other items

- Dumpster location is shown and is screened.
- No additional signage is being requested.
- A sidewalk will be installed to connect Prairie Senior Cottages property to the commercial property to the north as is required by the subdivision regulations.

Staff Recommendation:

Staff recommends approval of the site plan/building appearance, conditional use permit and variance.

Comprehensive Plan

The purpose of this (the General Business District) category is to identify portions of Isanti that contain or should be developed for general commercial use. Examples may include highway oriented businesses such as fast food restaurants, convenience stores, gas stations and other auto-oriented businesses. Limited office and service uses are appropriate in these areas as well, depending on scale and location.

Much of this land use is located along the Highway 65 corridor and CSAH 5. General Commercial is the largest commercial land use designation. These uses are predominantly auto-oriented in terms of access and services. Design of both site and buildings are important to maintaining a thriving commercial base. In addition, commercial businesses not located at major intersections should remain small scale, and provide services primarily to the surrounding neighborhood. Also, the architecture and site design of all commercial areas must be compatible with the surrounding neighborhood and landscape. Such issues as building size, location on the lot, building materials, screening and other design issues are important.

Zoning Ordinance Provisions

The property is zoned "B-2" General Business District. It is the intent of this zoning district to promote the development of commercial uses which are predominately auto-oriented in nature. The district caters to

highway-oriented businesses as well as businesses that provide basic shopping and service needs for the community. Compatibility with adjacent uses and buildings is required within the district, as site design, building size and materials, and screening/landscaping are important to the creation and maintenance of a thriving commercial base.

Site Plan Review Requirements

Prior to the construction of any new building or addition to a building that expands or changes the use of the building or parcel of land or modifies a building, accessory structure or site or land feature in any manner which results in a different intensity of use, including the requirement for additional parking or the enlargement of a building by more than 10% of its gross floor area would require a Site Plan/Building Appearance Review. When evaluating a site and building plan; Section 18, Subdivision 7 of the Zoning Ordinances states that City staff and the City Council must consider its compliance with the following:

A. Consistency with the elements and objectives of the City's development guides, including the comprehensive plan.
B. Consistency with City Codes.
C. Preservation of the site in its natural state to the extent practicable by minimizing tree and soil removal and designing grade changes to be in keeping with the general appearance of neighboring developed or developing areas.
D. The amount and location of open space and landscaping.
E. Vehicular and pedestrian circulation, including walkways, interior drives, and parking in terms of location and number of access points to public streets, width of interior drives and access points, general interior circulation, separation of pedestrian and vehicular traffic and arrangement and amount of parking.
F. Protection of adjacent and neighboring properties through reasonable provision for surface water drainage, sound and sight buffers, preservation of views, light and air and those aspects of design not adequately covered by other regulations which may have substantial effects on neighboring land uses.
G. Consistency with the City's Engineering Design Standards as adopted by Resolution of the City Council.

Conditional Use Permit Requirements

Upon review of a Conditional Use Permit request, the Zoning Ordinance provides factors and standards that must be reviewed by the Planning Commission. Section 21, Article 2 Conditional Uses states:

D. The Planning Commission shall hold a public hearing and consider possible adverse effects of the proposed Conditional Use. The judgment of the Planning Commission shall be based upon, but is not limited to the following factors:
    1. The proposed action has been considered in relation to the specific policies and provisions of and has been found to be consistent with the goals and objectives of the Comprehensive Plan, including public facilities and capital improvement plans.
    2. The proposed action meets the purpose and intent of this Ordinance and the underlying zoning district.
    3. The establishment, maintenance or operation of the conditional use will promote and enhance the general public welfare and will not be detrimental or endanger the public health, safety, morals, or comfort.
    4. The conditional use will not be injurious to the use and enjoyment of other property within the immediate vicinity for the purposes already permitted; nor substantially diminish or impair property values within the neighborhood.
    5. The establishment of the conditional use will not impede the normal and orderly development and improvement of surrounding property for uses permitted in the district.
    6. Adequate public facilities and services are available or can be reasonably provided to accommodate the use which is proposed.
    7. The conditional use shall, in all other respects, conform to the applicable regulations of the district in which it is located.

8. The conditional use complies with the general and specific performance standards as specified by within this Article.

Variance

The applicant is requesting a variance to allow for an increase in the amount of permitted impervious surface area. When considering a variance request, the Planning Commission shall hold a public hearing and consider the application and possible adverse effects of the proposed Variance. An application for a variance shall not be approved unless the variance, if permitted, is in harmony with the general purposes and intent of the ordinance and is consistent with the Comprehensive Plan and findings are made that failure to grant the variance would result in practical difficulties on the applicant. Practical difficulties used in connection with the granting of a variance, means that the property owner meets all of the following criteria:

1. The property owner proposes to use the property in a reasonable manner not permitted by the zoning ordinance.
2. The plight of the landowner is due to circumstances unique to the property and has not been caused by the landowner.
3. A variance, if granted, will not alter the essential character of the locality.
4. Practical difficulties include but are not limited to, inadequate access to direct sunlight for solar energy systems.
5. Economic considerations alone do not constitute practical difficulties.

If the variance request meets all of the conditions of items (1) through (5) above, the variance may be granted. Economic considerations alone shall not constitute practical difficulties if reasonable use of the property exists under the terms of the Ordinance. The City Council may not permit as a variance any use which is not permitted within the zone that the property is located.

Certification of Taxes Paid

Prior to approving an application for approval of a site plan, conditional use permit or variance, certification must be provided to the City that there are not any delinquent property taxes, special assessments, penalties, interest, or outstanding municipal utility fees. City staff did verify with Isanti County on Wednesday, March 9th, 2016; that all taxes associated with the property were current.

Public Notice

Notice was published within the Isanti County News on April 6th, 2016. Written notification was provided to property owners located within 350' of the subject site as required by Minnesota State Statute.

Public Comment

To date, no public comment or questions had been received.

Planning Review Committee:

The Planning Review Committee met on April 5th, 2016 to discuss the site plan and building appearance. The committee recommended approval of the site plan/building appearance, conditional use permit and variance.

Planning Commission Recommendation:

Motion by Kennedy second by Bergley to recommend approval of the request from Prairie Senior Cottages for approval of a Site Plan, Conditional Use Permit and Variance for a second building to be located on the property at 705 6th Ave NE, legally described at Lot 1, Block 1, Bank Site Second Addition, Isanti County, Isanti, Minnesota based on the Findings of Fact and Conclusions. Motion carried unanimously.

Deadline for City Council Action

The City of Isanti received a complete application for the Site Plan/ Building Appearance Review, Conditional Use Permit and Variance request on March 9th, 2016. Pursuant to Minnesota State Statute, the City must act on this request by May 6th, 2016 (60 days). The only exception to these deadlines provided would be if the City provides the petitioner with written reasons for an additional 60-day review period.

Options & Proposed Motion Language

1. Recommend Approval with No Conditions: Motion to recommend approval of the request from Prairie Senior Cottages for approval of a Site Plan, Conditional Use Permit and Variance for a second building to be located on the property at 705 6th Ave NE, legally described at Lot 1, Block 1, Bank Site Second Addition, Isanti County, Isanti, Minnesota.
2. Recommend Approval with Conditions: Motion to recommend approval of the request from Prairie Senior Cottages for approval of a Site Plan, Conditional Use Permit and Variance for a second building to be located on the property at 705 6th Ave NE, legally described at Lot 1, Block 1, Bank Site Second Addition, Isanti County, Isanti, Minnesota with the following conditions……
3. Recommend Denial: Motion to recommend denial of the request from Prairie Senior Cottages for approval of a Site Plan, Conditional Use Permit and Variance for a second building to be located on the property at 705 6th Ave NE, legally described at Lot 1, Block 1, Bank Site Second Addition, Isanti County, Isanti, Minnesota for the following reasons…….
4. Table: Motion to table the request from Prairie Senior Cottages for approval of a Site Plan, Conditional Use Permit and Variance for a second building to be located on the property at 705 6th Ave NE, legally described at Lot 1, Block 1, Bank Site Second Addition, Isanti County, Isanti, Minnesota (a specific reason and information request should be included in the motion to table).

RESOLUTION NO. 2016-

A RESOLUTION APPROVING THE SITE PLAN/BUILDING APPEARANCE AND CONDITIONAL USE PERMIT REQUESTED FOR THE CONSTRUCTION OF PRAIRIE SENIOR COTTAGES II AND A VARIANCE TO THE FRONT YARD SETBACK ON THE PROPERTY LEGALLY DESCRIBED AS LOT 1, BLOCK 1, BANK SITE SECOND ADDITION

WHEREAS, Prairie Senior Cottages is requesting Site Plan/Building Appearance, Conditional Use Permit and Variance approval to allow for the construction of Prairie Senior Cottages II and to allow for less than the required front yard setback on the property legally described as Lot 1, Block 1, Bank Site Second Addition; and,

WHEREAS, the property is located within the "B-2" General Business District, which permits senior residential care facilities with approval of a conditional use permit, and;

WHEREAS, the applicant is requesting a variance to the front yard setback from thirty (30) feet to ten (10) feet; and,

WHEREAS, the City of Isanti Planning Commission evaluated the request against the criteria established in Ordinance No. 445 Zoning, Section 21 Administration and Enforcement, Article 5 Variances, Subdivision 4(A), noting that the proposal met all of the criteria noted; and,

WHEREAS, the City of Isanti Planning Commission conducted a public hearing on the requested Site Plan, Conditional Use Permit and Variance on April 12th, 2016; and,

WHEREAS, the City of Isanti Planning Commission recommended approval of the requested Site Plan/Building Appearance, Conditional Use Permit and Variance subject to the conditions as listed below based upon the Findings of Fact and Conclusion as presented; and,

WHEREAS, the City Council reviewed the requested Site Plan/Building Appearance, Conditional Use Permit and Variance at its regularly scheduled meeting on April 19th, 2016; and,

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ISANTI, MINNESOTA, that it adopts the Findings of Fact and Conclusion related to the requested Site Plan/Building Appearance, Conditional Use Permit and Variance and **BE IT FURTHER RESOLVED** that the requested Site Plan/Building Appearance, Conditional Use Permit and Variance for the property legally described herein, be hereby approved.

Adopted by the Isanti City Council on this 19th day of April 2016.

Attest: _____
Mayor George A. Wimmer

_____
Donald C. Lorsung
City Administrator

(SEAL)

FINDINGS OF FACT AND CONCLUSION

Request

Request from Prairie Senior Cottages of Isanti LLC for a Conditional Use Permit and Site Plan / Building Appearance Approval for a Memory Care / Assisted Living Facility to be located on the property at 705 6th Avenue NE.

Findings of Fact

1. The petitioner, Prairie Senior Cottages of Isanti LLC, has a purchase agreement to obtain property legally described as Lot 1, Block 1 Bank Site 2nd Addition.
2. The petitioner is proposing the construction of a second senior residential care facility on this parcel.
3. The property is zoned "B-2" General Business District, in which senior residential care facilities require a Conditional Use Permit.
4. The petitioner submitted a complete Site Plan Review Application, Conditional Use Permit Application and Variance Application on March 9th, 2016. Pursuant to Minnesota State Statute, the City must act on this request by May 6th, 2016 (60-day rule).
6. A public hearing date before the Planning Commission was scheduled for Tuesday, April 12th at 7:00 p.m. at City Hall within the Council Chambers.
7. Notice of the Site Plan/Building Review, Conditional Use Permit and Variance requests were published within the Isanti County News on Wednesday, April 6th, 2016. Notices were sent to all property owners located within 350 feet of the subject property.
8. Section 18, Subdivision 7 of the Zoning Ordinance establishes the standards in evaluating a site and building plan, of which City staff and the City Council shall consider to ensure compliance.
9. Section 21, Article 2: Conditional Uses, Subdivision 3 Procedures (D) of the Zoning Ordinance establishes criteria in which the judgment of the Planning Commission and City Council shall be based upon when reviewing a Conditional Use Permit request. In addition, the Conditional Use Permit Request is subject to general performance standards and criteria as provided within Section 21, Article 2 Conditional Uses, Subdivision 4 General Performance Standards.
10. Section 21 Administration and Enforcement; Article 5 Variances, outline the requirements that must be all met in order to receive variance approval.

Conclusions

1. In review of the standards established in Section 18, Subdivision 7, the following conclusions have been made (*conclusions to each requirement are shown in underlined italics)*:
   - A. Consistency with the elements and objectives of the City's development guides, including the Comprehensive Plan.
     The site has been designed in such a manner as to show consistency with the elements and objectives of the City's comprehensive plan. The buildings have been placed upon the property so as to conserve the wetland or natural area that is located on the south end of the site. The buildings placement and materials have paid close attention to site and building design details. This building is consistent with the site plan that was approved in 2010, but has since expired.
   - B. Consistency with City Codes.
     The site has been designed with City regulations in mind and will require approval of a variance in order to be approved.
   - C. Preservation of the site in its natural state to the extent practicable by minimizing tree and soil removal and designing grade changes to be in keeping with the general appearance of neighboring developed or developing areas.
     Again, the site has been designed so as to maintain the wetland areas located on the south end of the property in their natural state. Additional landscaping will be added to the parcel. Soil removal and the design of grade changes will be monitored by the City

Engineer, to ensure that they are keeping with the general appearance of the adjacent developed and developing areas.

D. The amount and location of open space and landscaping.
The amount of landscaping and open space provided on the property would appear to meet ordinance requirements. Additional landscaping will act as a buffer between this traffic corridor , the bank to the north and a residential use.

E. Vehicular and pedestrian circulation, including walkways, interior drives, and parking in terms of location and number of access points to the public streets, width of interior drives and access points, general interior circulation, separation of pedestrian and vehicular traffic and arrangement and amount of parking.
The proposed vehicular and pedestrian circulation system provided on site would appear to meet ordinance requirements. The sidewalk is being completed from the bank to the facility.

F. Protection of adjacent and neighboring properties through reasonable provision of surface water drainage, sound and light buffers, preservation of views, lights, and air and those aspects of design not adequately covered by other regulations which may have substantial effects on neighboring land uses.
There would appear to be adequate protection of adjacent and neighboring properties. Surface water drainage plans have been reviewed and approved by the City Engineer. All lighting will be constructed in accordance with said plans. Additional landscaping has been requested on the property, so as to buffer this more residential use from the existing and future commercial uses that may be constructed on surrounding parcels as well as to provide a buffer from the TH 65 corridor.

G. Consistency with the City's Engineering and Design standards as adopted by Resolution of the City Council.
The plans are consistent with the City Engineer's design standards.

2. In review of the factors established in Section 21, Article 2 Conditional Uses (D) the following conclusions have been made (*conclusions to each requirement are shown in underlined italics)*:

A. The proposed action has been considered in relation to the specific policies and provisions of and has been found to be consistent with the goals and objectives of the Comprehensive Plan, including public facilities and capital improvement plans.
The use is consistent with the goals and objectives of the Comprehensive Plan.

B. The proposed action meets the purpose and intent of this Ordinance and the underlying zoning district.
Such use meets the purpose and intent of the Ordinance and the underlying zoning district.

C. The establishment, maintenance or operation of the conditional use will promote and enhance the general public welfare and will not be detrimental or endanger the public health, safety, morals, or comfort.
The establishment, maintenance and/or operation of the conditional use does not appear to endanger public health, safety, morals, or comfort; as the proposed use is less intense then other uses that are permitted within this district. The proposed use would cater to residents of the facility, rather than the general public.

D. The conditional use will not be injurious to the use and enjoyment of other property within the immediate vicinity for the purposes already permitted; nor substantially diminish or impair property values within the neighborhood.
The conditional use does not appear to be injurious to the use or enjoyment of other properties within the vicinity for purposes already permitted. Again, the proposed use would be considered less intense than uses that are or could be located on surrounding parcels. The district in which this use would be located is commercial and auto-oriented. The proposed use is more residential in nature and steps have been taken to buffer the use from surrounding properties.

E. The establishment of the conditional use will not impede the normal and orderly development and improvement of surrounding property for uses permitted in the district.

The conditional use would not appear to impede the normal and orderly development and improvement of surrounding properties for uses permitted within the district. The proposed use is located at the end of a dead-end cul-de-sac.

F. Adequate public facilities and services are available or can be reasonably provided to accommodate the use which is proposed.
The use will be placed within an area that has adequate public facilities and services available immediately upon construction of the use on the parcel.

G. The conditional use shall, in all other respects, conform to the applicable regulations of the district in which it is located.
The Planning Commission and City Council have weighed the conditional use against the other applicable regulations of the district. The conditional use would appear to meet those requirements.

H. The conditional use complies with the general and specific performance standards as specified by within this Article.
The proposed conditional use would appear to meet the general; however, a variance is necessary for the buildings front yard setback. The variance request is addressed further in the Findings of Fact.

3. In review of the general performance standards established in Section 21, Article 2 Conditional Uses, Subdivision 4, the following conclusions have been made (*conclusions to each requirement are shown in underlined italics):*

A. The use and the site in question shall be served by a street of sufficient capacity to accommodate the type and volume of traffic which would be generated an adequate public right-of-way shall be provided.
The use shall have access to 6th Avenue NE. The street is a dead end cul-de-sac, on which this use will have access. The type and volume of traffic to be generated by this use is limited. The only vehicles anticipated are those of employees to the facility as well as visitors. Otherwise, residents of the facility are not able to have or drive a motor vehicle. The public right-of-way providing access to the site would appear to be sufficient.

B. The site design for access and parking shall minimize internal as well as external traffic conflicts and shall be in compliance with Section 17 of this Ordinance.
The design of the entrance/exit as well as the parking area would appear to minimize internal and external traffic conflicts. Traffic would appear to flow within the entrance and exit out a separate access point, thus providing a circular flow through the site. The parking area has been provided in the middle of this traffic circle, so as to minimize conflicts between vehicles moving through the site and those utilizing the parking area.

C. If applicable, a pedestrian circulation system shall be clearly defined and appropriate provisions made to protect such areas from encroachment by parked or moving vehicles.
Designated walkways have been provided from each of the buildings to the parking lot located within the middle of the site. Pavement markings notify drivers entering the site, as to where pedestrian crossings are located. Sidewalks have been provided through landscaped islands within the parking lot, to further provide pedestrian access around vehicular traffic.

D. Adequate off-street parking and off-street loading shall be provided in compliance with Section 17 of this Ordinance.
Based upon resident and employee information obtained from the petitioner, approximately 18 parking spaces are required on-site. 26 spaces have been provided, which would meet the requirements of the Ordinance. In addition, adequate handicapped parking facilities have been provided in accordance with ADA requirements.

E. Loading areas and drive-thru facilities shall be positioned so as to minimize internal site access problems and maneuvering conflicts, to avoid visual or noise impacts on any adjacent residential use or district, and provided in compliance with Section 17 of this Ordinance.

The use is residential in nature and no loading areas and drive-thru areas have been provided. Loading of patients near the building entrances may be necessary; however, no specific modifications are required to the buildings.

F. Whenever a non-residential use is adjacent to a residential use or district, a buffer area with screening and landscaping shall be provided in accordance with the provisions of Section 15 of this Ordinance.
As stated, the use is more residential in nature. Landscaping is shown as requested during the first phase of development. Additional trees have been provided on the north side of the property to provide a buffer between Prairie Senior Cottages II and the bank to the north.

G. General site screening and landscaping shall be provided in compliance with Section 15 of this Ordinance.
Overall, the proposed landscape plan would appear to meet the requirements of the Zoning Ordinance.

H. All exterior lighting shall be directed so as not to cast glare toward or onto the public right-of-way or neighboring residential uses or districts, and shall be in compliance with Section 14 of this Ordinance.
Exterior lighting within the parking area as well as on the building has been proposed. Such lighting would need to meet the Ordinance requirements.

I. The site drainage system shall be subject to the review and approval of the City Engineer.
The site drainage/grading plan have been approved by the City Engineer per the letter dated March 28, 2016.

J. The architectural appearance and functional design of the building and site shall not be so dissimilar to the existing and potential buildings and area so as to cause a blighting influence. All sides of the principal and accessory structures are to have essentially the same or coordinated, harmonious exterior finish materials and treatment.
The principal buildings and accessory structures are coordinated and have the same exterior finish materials and treatments throughout the site. Again, the building is more residential in nature than those of the surrounding buildings. However, the appearance and design of the building/site is not so dissimilar as to cause a blighting influence.

K. Provisions shall be made for daily litter control, an interior location for recycling and trash handling and storage or an outdoor, enclosed receptacle area shall be provided in compliance with Section 14 of this Ordinance.
Provisions have been made for daily litter control. A trash enclosure is provided on the southeast corner of the building.

L. All signs and informational or visual communication devices shall be in compliance with Section 16 of this Ordinance.
Signage is existing on site. Any new signage will require approval by the Zoning Administrator.

M. The use and site shall be in compliance with any federal, state, or county laws or regulations that are applicable and any related permits shall be obtained and documented to the City.
The facility will be registered with the Minnesota Department of Health as a "housing with services provider" and will have a class F home care license. The petitioner shall file copies of such licenses with the City.

N. Any applicable business licenses mandated by City Code are approved and obtained.
No additional business licenses are mandated by the City Code for this particular use.

O. The hours of operation may be restricted when there is judged to be an incompatibility with a residential use or district.
The use is not open to the public, as it is a residential care facility that provides services to the residents thereof. The facility will be operational 24-hours a day; however, the operation does not appear to be incompatible with surrounding uses.

P. The use complies with the applicable performance standards of the zoning district in which it is located and where applicable, any non-conformities shall be eliminated.

The proposed use would appear to comply with the performance standards for the zoning district, in terms of parking/loading, landscaping, building materials, etc; however, a variance is necessary for the buildings frontyard setback.

Q. Additional Stipulations. All conditions pertaining to a specific site are subject to change when the City Council, upon investigation in relation to a formal request, finds that the general public health, safety, and welfare, can be served as well or better by modifying or expanding the conditions set forth herein.
No additional stipulations.

1. In review of the standards established within Section 21 Administration and Enforcement, Article 5 Variances, Subdivision 4 Procedures (D), the following conclusions have been made (*conclusions to each requirement are shown in underlined italics)*:

An application for a variance shall not be approved unless the variance, if permitted, is in harmony with the general purposes and intent of the ordinance and is consistent with the Comprehensive Plan and findings are made that failure to grant the variance would result in practical difficulties on the applicant. Practical difficulties used in connection with the granting of a variance, means that the property owner meets all of the following criteria:

A. The property owner proposes to use the property in a reasonable manner not permitted by the zoning ordinance.
The developer would like to construct a small portion of the building within the required front yard setback in a cul-de-sac with minimal traffic and that has one property owner fronting the entire length of the cul-de-sac.

B. The plight of the landowner is due to circumstances unique to the property and has not been caused by the landowner.
The design of the cul-de-sac and amount of property consumed by wetland greatly impedes the development in the northern most portion of the lot. The developer has designed the building to the best of his abilities to meet all city requirements; however, a portion of the building encroaches into the frontyard setback.

C. A variance, if granted, will not alter the essential character of the locality.
The variance does not alter the essential character of the locality. The encroachment does not impede on the safety, privacy or environment protection of the area.

D. Practical difficulties include but are not limited to, inadequate access to direct sunlight for solar energy systems.
Not applicable.

5. Economic considerations alone do not constitute practical difficulties.
Correct. Economic considerations do not play a role in this situation

Decision

The Planning Commission reviewed the request in a public hearing on **April 12th, 2016**. The meeting minutes shall be made a part of the Findings of Fact and Conclusion.

Motion by Kennedy second by Bergley to recommend approval of the request from Prairie Senior Cottages for approval of a Site Plan, Conditional Use Permit and Variance for a second building to be located on the property at 705 6th Ave NE, legally described at Lot 1, Block 1, Bank Site Second Addition, Isanti County, Isanti, Minnesota based on the Findings of Fact and Conclusions. Motion carried unanimously.

MEMORANDUM

Date: March 28, 2016

To: Roxanne Achman, Community Development Director

From: Bradley C. DeWolf, P.E.
City Engineer

Subject: Prairie Senior Cottages Phase II – Hydraulics & Site Plan Review
Isanti, Minnesota

We have reviewed the site plan created by Roshell Engineering, LLC entitled "Prairie Senior Cottages Phase II" with a signature date of March 8, 2016, and a revision date of March 24, 2016.

The site plan includes a proposed building with an onsite parking lot.

We have reviewed the submitted site & grading plan and have the no additional comments.

We have reviewed the hydraulics submitted with the plans and have no additional comments.

We recommend approval of the plan and hydraulics as submitted.

Please contact me if you have any questions.

DESIGNING FOR A BETTER TOMORROW
Bolton & Menk is an equal opportunity employer

City of Isanti
Attention: Mayor George Wimmer
Community Development Director Roxanne Achman
Economic Development Director Director Sean Sullivan

110 1st avenue Northwest
PO Box 428
Isanti, MN 55040

Subject: Request for variance from the required city of Isanti cul de sac setback of 30 feet for Prairie Senior Cottages (Phase II).

On behalf of Prairie Senior Cottages (Phase II) we are requesting a variance from the 30' building setback from the property boundary as it relates to the cul de sac. The purpose of this request is to allow for the proposed building footprint to be sited in a way that makes the best use of the existing parking lot to the west while at the same time maximizing the outdoor spaces that are a big part of our resident's daily activities.

The cul de sac on the north part of the site and the existing retention pond on the south part of the site limit the options available to orient the building in a way that is functional yet still meets the needs of our residents (please refer to civil drawings C1 & C2 for reference). The proposed building location is within all of the other required setbacks and meets or exceeds the required parking totals. At its closest point the building would be 10 feet from the property boundary (refer to Landscape Plan L1.1 for dimensions).

The proposed building orientation will make for an attractive entrance to the site as well as allowing the existing building and parking lot to function effectively with the next phase of the project.

Thank you for taking the time to consider our request.

Respectfully,

Dustin Lee

Request for Council Action

To: Mayor Wimmer
Members of the City Council

From: Roxanne Achman, AICP
Community Development Director

Date: April 19, 2016

Subject: Request from BowDaddy Archery for approval of a Conditional Use Permit to operate an outdoor archery range on the property at 801 Highway 65 NE, legally described as PT SE/4 of SW/4 Described as: commencing at SE corner of quarter; then N 440'; W 600'; S 440' to S line of SE/4 of SW/4; E 600' to POB. old # 05.020.0300

Background

BowDaddy Archery is proposing to setup a 16 lane outdoor archery range behind (west) their building at 801 Highway 65 NE. The range will be a maximum of 100 yards long and 40 feet in width. Shooting will be directed to the south where the land is primarily wetland owned by the City and the nearest structure is roughly one quarter mile away. The majority of land west of the building is designated wetland, thus, requiring that anything located within it be of a temporary (easily removable) nature. BowDaddy has provided specifics (attached) as to the targets, shooting line and bow hangers that will be used to meet temporary (easily removable) stipulation. Signage will be provided identifying the range and state rules and regulations in regards to safety.

Staff has been working with BowDaddy on the concept of an outdoor archery range since last summer (2015). BowDaddy Archery provided the requested NRA Range Source Book, which is named in State Statute as the resource for guidelines pertaining to outdoor archery ranges. Many, if not all, of the guidelines for outdoor archery ranges are very general. Below is a list of a majority of the guidelines outlined in Section II Chapter 16 Outdoor Archery in the NRA Range Source Book:

- Targets should be positioned in a direct line down range.
- Target distances vary from 10 yds to 100 yds.
- Clearance on and behind the shooting line is important.
- Spectator areas should be separated from the range proper.
- Shooting line covers are seldom used.
- Conventional backstops like those found on firearm ranges, other than target backing materials, are not generally used for archer ranges do to the shorter range of arrows. Target materials most commonly used are bales of excelsior which offer sufficient thickness or density to arrest the arrow's flight. – BowDaddy will be using large bales of Styrofoam at least 1ft in thickness.
- Flat land is generally preferred for the target archery range, but a field archery range uses natural terrain features.
- Side berms are not necessary on archery ranges, except where the range may be located close to dwellings – even in these instances the conventional side berms or backstops of firearms ranges may not be necessary. Plywood or sheet metal may be sufficient.
- Baffles may be necessary on archery ranges where space is limited.
- Shooting stations should be no less than 5 feet wide and 6 feet deep.

- A distance of 300 yds should be taken in to consideration for arrow containment (from shooting line); however, most recreational archery targets are 10-40yds.

Staff contacted several operating ranges within the Twin Cities (Eden Prairie, Shakopee and Cottage Grove) to determine whether special restrictions were imposed on their ranges. Cottage Grove uses signage to warn others of the range and to inform users of the rules and hasn't experience any issues or safety concerns in the 20 years it's been in place. Eden Prairie installed walls, netting and backer-board, however, their range is in a park with trails that surround the range. Shakopee has a range in conjunction with a boat access along the Minnesota River and directly adjacent to County Highway 101. They have signage posted around the perimeter of the range and haven't had any issues.

A Conditional Use Permit is required for the outdoor archery range (commercial recreation) within the B-2, General Commercial District. In discussions with the City Engineer, there shall be no permanent structures within the pond area. There appears to be sufficient room west of the building for the archery range to safely operate.

Through extensive research, review of the NRA's Range Source Book, conversations with the City Attorney, Chief of Police, Mayor, City Engineer and City Administrator, and review by the Plan Review Committee, a recommendation is being made to approve an outdoor archery range with the following conditions:

1. There shall be no grading, killing of vegetation or permanent structures within the designated wetland area, the area of the approved range may; however, be mowed.
2. All targets, shooting line markers, tables, bow racks, quivers, distance markers and any other items within the range shall be removable and/or temporary items.
3. All activities are to remain on the property of 801 Highway 65 NE.
4. The area beyond the targets shall be regularly searched for stray arrows.
5. All federal, state and local laws shall be abided by at all times.

Staff Recommendation:
Staff recommends approval of the Conditional Use Permit subject based on the Findings of Fact and Conclusions.

Comprehensive Plan
The 2008 Comprehensive Plan has the area guided for General Commercial Development. The existing uses and the proposed use would appear to meet purpose, goals, and objectives of this land use classification.

Zoning Ordinance Provisions
The property is zoned "B-2" General Business District. It is the intent of this zoning district to promote the development of commercial uses which are predominately auto-oriented in nature. The district caters to highway-oriented businesses as well as businesses that provide basic shopping and service needs for the community. Compatibility with adjacent uses and buildings is required within the district, as site design, building size and materials, and screening/landscaping are important to the creation and maintenance of a

Conditional Use Permit Requirements
Upon review of a Conditional Use Permit request, the Zoning Ordinance provides factors and standards that must be reviewed by the Planning Commission. Section 21, Article 2 Conditional Uses states:

D. The Planning Commission shall hold a public hearing and consider possible adverse effects of the proposed Conditional Use. The judgment of the Planning Commission shall be based upon, but is not limited to the following factors:
   1. The proposed action has been considered in relation to the specific policies and provisions of and has been found to be consistent with the goals and objectives of the Comprehensive Plan, including public facilities and capital improvement plans.

2. The proposed action meets the purpose and intent of this Ordinance and the underlying zoning district.
3. The establishment, maintenance or operation of the conditional use will promote and enhance the general public welfare and will not be detrimental or endanger the public health, safety, morals, or comfort.
4. The conditional use will not be injurious to the use and enjoyment of other property within the immediate vicinity for the purposes already permitted; nor substantially diminish or impair property values within the neighborhood.
5. The establishment of the conditional use will not impede the normal and orderly development and improvement of surrounding property for uses permitted in the district.
6. Adequate public facilities and services are available or can be reasonably provided to accommodate the use which is proposed.
7. The conditional use shall, in all other respects, conform to the applicable regulations of the district in which it is located.
8. The conditional use complies with the general and specific performance standards as specified by within this Article.

Certification of Taxes Paid
Prior to approving an application for approval of a Conditional Use Permit, certification must be provided to the City that there are not any delinquent property taxes, special assessments, penalties, interest, or outstanding municipal utility fees. City staff did verify with Isanti County on Friday, March 25th, 2016; that all taxes associated with the property were current.

Public Notice
Notice was published within the Isanti County News on April 6th, 2016. Written notification was provided to property owners located within 350' of the subject site as required by Minnesota State Statute.

Public Comment
To date, no public comment or questions had been received.

Planning Commission Recommendation:
Motion by Lundeen second by Bergley to recommend approval of the request from BowDaddy Archery for approval of a Conditional Use Permit to operate an outdoor archery range on the property at 801 Highway 65 NE, legally described as PT SE/4 of SW/4 Described as: commencing at SE corner of quarter; then N 440'; W 600'; S 440' to S line of SE/4 of SW/4; E 600' to POB. old # 05.020.0300 based on the Findings of Fact and Conclusion and with the following conditions:

1. There shall be no grading, killing of vegetation or permanent structures within the designated wetland area, the area of the approved range may; however, be mowed.
2. All targets, shooting line markers, tables, bow racks, quivers, distance markers and any other items within the range shall be removable and/or temporary items.
3. All activities are to remain on the property of 801 Highway 65 NE.
4. The area beyond the targets shall be regularly searched for stray arrows.
5. All federal, state and local laws shall be abided by at all times.

Motion carried unanimously.

Deadline for City Council Action
The City of Isanti received a complete application for a Conditional Use Permit on March 23rd, 2016. Pursuant to Minnesota State Statute, the City must act on this request by May 22nd, 2016 (60 days). The 6only exception to these deadlines provided would be if the City provides the petitioner with written reasons for an additional 60-day review period.

Options & Proposed Motion Language

1. Recommend Approval with No Conditions: Motion to recommend approval of the request from BowDaddy Archery for approval of a Conditional Use Permit to operate an outdoor archery range on the property at 801 Highway 65 NE, legally described as PT SE/4 of SW/4 Described as: commencing at SE corner of quarter; then N 440'; W 600'; S 440' to S line of SE/4 of SW/4; E 600' to POB. old # 05.020.0300.
2. Recommend Approval with Conditions: Motion to recommend approval of the request from BowDaddy Archery for approval of a Conditional Use Permit to operate an outdoor archery range on the property at 801 Highway 65 NE, legally described as PT SE/4 of SW/4 Described as: commencing at SE corner of quarter; then N 440'; W 600'; S 440' to S line of SE/4 of SW/4; E 600' to POB. old # 05.020.0300with the following conditions……
3. Recommend Denial: Motion to recommend denial of the request from BowDaddy Archery for approval of a Conditional Use Permit to operate an outdoor archery range on the property at 801 Highway 65 NE, legally described as PT SE/4 of SW/4 Described as: commencing at SE corner of quarter; then N 440'; W 600'; S 440' to S line of SE/4 of SW/4; E 600' to POB. old # 05.020.0300 for the following reasons…….
4. Table: Motion to table the request from BowDaddy Archery for approval of a Conditional Use Permit to operate an outdoor archery range on the property at 801 Highway 65 NE, legally described as PT SE/4 of SW/4 Described as: commencing at SE corner of quarter; then N 440'; W 600'; S 440' to S line of SE/4 of SW/4; E 600' to POB. old # 05.020.0300 (a specific reason and information request should be included in the motion to table).

RESOLUTION NO. 2016-

A RESOLUTION APPROVING A CONDITIONAL USE PERMIT (CUP) FOR BOW DADDY ARCHERY, TO OPERATE AN OUTDOOR ARCHERY RANGE ON THE PROPERTY LOCATED AT 801 HIGHWAY 65 NE

WHEREAS, Critical Mass Investments owns the property located at 801 Highway 65 NE legally described as:

> That part of the Southeast Quarter of the Southwest Quarter of Section 20, Township 35, Range 23, described by metes and bounds as follows: Commencing at the Southeast corner of the SE ¼ of SW ¼ of Section 20, Township 35, Range 23, thence north along the north and south quarter line a distance of 440 feet; thence west and parallel with the south line of said SE ¼ of SW ¼ a distance of 600 feet; thence south and parallel with the east line of said SE ¼ of SW ¼ a distance of 440 feet to the South line of SE ¼ of SW ¼; thence east along the south line of said SE ¼ of SW ¼ a distance of 600 feet to the point of commencement, subject to highway easements of record and mineral reservation of record.

WHEREAS, William Joshua Johnson is requesting to operate an outdoor archery range on the property occupied by Shoppes on the Rum located at 801 Highway 65 NE; and,

WHEREAS, the property is located within the "B-2" General Business District, which requires a Conditional Use Permit (CUP) for commercial recreation within said district; and,

WHEREAS, the outdoor archery range is proposed to be located within a designated wetland area; and,

WHEREAS, there shall be no grading, killing of vegetation or permanent structures within the designated wetland area, the area may; however, be mowed; and,

WHEREAS, the City of Isanti Planning Commission conducted a public hearing on the proposed Conditional Use Permit on April 12th, 2016; and,

WHEREAS, the City of Isanti Planning Commission recommended approval of the proposed Conditional Use Permit subject to the conditions as listed below; and,

WHEREAS, the City Council reviewed the requested Conditional Use Permit at its regularly scheduled meeting on April 19th, 2016; and,

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ISANTI, MINNESOTA, that it adopts the Findings of Fact and Conclusion related to the requested Conditional Use Permit and **BE IT FURTHER RESOLVED** that the requested Conditional Use Permit for an indoor archery range to be located within the building located at 801 Highway 65 NE be hereby approved with the following conditions:

1. There shall be no grading, killing of vegetation or permanent structures within the designated wetland area, the area of the approved range may; however, be mowed.
2. All targets, shooting line markers, tables, bow racks, quivers, distance markers and any other items within the range shall be removable and/or temporary items.
3. All activities are to remain on the property of 801 Highway 65 NE.
4. The area beyond the targets shall be regularly searched for stray arrows.
5. All federal, state and local laws shall be abided by at all times.

Adopted by the Isanti City Council on this 19th day of April 2016.

Attest:

Mayor George A. Wimmer

Donald C. Lorsung
City Administrator

(SEAL)

FINDINGS OF FACT AND CONCLUSION

Request

Request from William Joshua Johnson of Bow Daddy Archery Pro Shop and Range for approval of a Conditional Use Permit to operate an outdoor archery range on the property located at 801 Highway 65 NE.

Findings of Fact

1. The applicant is requesting to operate an indoor archery range in conjunction with an archery retail facility at the property located at 801 Highway 65 NE.
2. The property is zoned "B-2" General District.
3. A Conditional Use Permit is required for Commercial Recreation within the "B-2" General Business District.
4. The petitioner submitted a Conditional Use Permit Application, the required application fee and associated materials on March 23rd, 2016. Staff had reviewed such application and deemed such application complete on March 23rd, 2016. Pursuant to Minnesota State Statute, the City must act on this request by May 22nd, 2016 (60-day rule).
5. A public hearing date before the Planning Commission was scheduled for Tuesday, April 12th, 2016 at 7:00 p.m. at City Hall within the Council Chambers.
6. Notice of the Conditional Use Permit request was published within the Isanti- County News on Wednesday, April 6th, 2016. Notices were sent to all property owners located within 350 feet of the subject property.
7. Section 21, Article 2: Conditional Use Permits, Subdivision 3 (D) of the Zoning Ordinance establishes factors that the judgment of the Planning Commission shall be based upon when reviewing a Conditional Use Permit request as well as Section 21, Article 2: Conditional Use Permits, Subdivision 4 General Performance Standards of the Zoning Ordinance establishes additional general standards that shall be used to evaluate any proposed conditional use permit request.
8. The Planning Commission held a public hearing on the item on April 12th, 2016; and all property owners within 350' of the subject property were invited to attend and provide public comment.

Conclusions

1. In review of the standards established in Section 21, Article 2 Conditional Use (D); the following conclusions have been made (*conclusions to each requirement are shown in underlined italics)*: The Planning Commission shall hold a public hearing and consider possible adverse effects of the proposed Conditional Use. The judgment of the Planning Commission shall be based upon, but is not limited to the following factors:
   A. The proposed action has been considered in relation to the specific policies and provisions of and has been found to be consistent with the goals and objectives of the Comprehensive Plan, including public facilities and capital improvement plans.
   As noted, the proposed use for the site would be consistent with the goals and objectives of the comprehensive plan.
   B. The proposed action meets the purpose and intent of this Ordinance and the underlying zoning district.
   The proposed use is a permitted conditional use. It fits the intent of the ordinance and underlying zoning district ("B-2"General Business District).
   C. The establishment, maintenance or operation of the conditional use will promote and enhance the general public welfare and will not be detrimental or endanger the public health, safety, morals, or comfort.
   All operations of the archery range will occur on the property and follow the NRA Range Source Book's guideline for operating a safe outdoor range. The direction of shooting will be to the south where the nearest building is roughly one quarter mile away, in

addition, wetlands and ponds constitute the space between. The range will be marked with a sign stating the rules and regulations of the range.

D. The conditional use will not be injurious to the use and enjoyment of other property within the immediate vicinity for the purposes already permitted; nor substantially diminish or impair property values within the neighborhood.
The conditional use for an outdoor archery range will not be detrimental to surrounding properties so long as the NRA's Range Source Book guidelines are followed along with all local, state and federal laws. The ranger operators will do everything in their power to run a safe operation.

E. The establishment of the conditional use will not impede the normal and orderly development and improvement of surrounding property for uses permitted in the district.
Archery ranges within in the B-2 district are a conditional use in this district. Several conditions have been outlined below as part of the approval of this operation. This use will not impede development.

F. Adequate public facilities and services are available or can be reasonably provided to accommodate the use which is proposed.
Additional public facilities and services are not necessary for the proposed use.

G. The conditional use shall, in all other respects, conform to the applicable regulations of the district in which it is located.
The requested conditional use permit appears to conform to the applicable regulations required for the district and the performance standards outlined within the zoning ordinance. Conditions will be placed on any approval to ensure that the property is developed in accordance to ordinance requirements and the proposed plan provided by the applicant.

H. The conditional use complies with the general and specific performance standards as specified by within this Article.
These have been evaluated as part of the findings of fact; and can be found within this document.

3. In review of the standards established in Section 21, Article 2 Conditional Use, Subdivision 4 General Performance Standards; the following conclusions have been made (*conclusions to each requirement are shown in underlined italics)*:

A. The use and the site in question shall be served by a street of sufficient capacity to accommodate the type and volume of traffic which would be generated an adequate public right-of-way shall be provided.
This site is currently served by a street of sufficient capacity. The proposed conditional use will not change the type or volume of traffic flow for this site.

B. The site design for access and parking shall minimize internal as well as external traffic conflicts and shall be in compliance with Section 17 of this Ordinance.
Access to the site is existing and had been approved at an earlier date.

C. If applicable, a pedestrian circulation system shall be clearly defined and appropriate provisions made to protect such areas from encroachment by parked or moving vehicles.
Not applicable.

D. Adequate off-street parking and off-street loading shall be provided in compliance with Section 17 of this Ordinance.
Parking exists on site and is sufficient for the proposed use.

E. Loading areas and drive-thru facilities shall be positioned so as to minimize internal site access problems and maneuvering conflicts, to avoid visual or noise impacts on any adjacent residential use or district, and provided in compliance with Section 17 of this Ordinance.
Not applicable.

F. Whenever a non-residential use is adjacent to a residential use or district, a buffer area with screening and landscaping shall be provided in accordance with the provisions of Section 15 of this Ordinance.
Not applicable.

G. General site screening and landscaping shall be provided in compliance with Section 15 of this Ordinance.
Landscaping and screening were established with the original site plan.

H. All exterior lighting shall be directed so as not to cast glare toward or onto the public right-of-way or neighboring residential uses or districts, and shall be in compliance with Section 14 of this Ordinance.
There will be no changes to lighting. Approved as part of the original site plan.

I. The site drainage system shall be subject to the review and approval of the City Engineer.
Not applicable. Approved as part of the original site plan.

J. The architectural appearance and functional design of the building and site shall not be so dissimilar to the existing and potential buildings and area so as to cause a blighting influence. All sides of the principal and accessory structures are to have essentially the same or coordinated, harmonious exterior finish materials and treatment.
Not applicable. Approved as part of the original site plan..

K. Provisions shall be made for daily litter control, an interior location for recycling and trash handling and storage or an outdoor, enclosed receptacle area shall be provided in compliance with Section 14 of this Ordinance.
The refuse container will be in compliance with Section 14. Regular searching of the area beyond the targets will occur to pick up stray arrows.

L. All signs and informational or visual communication devices shall be in compliance with Section 16 of this Ordinance.
All signage will be approved through the Zoning Administrator at the time it is submitted.

M. The use and site shall be in compliance with any federal, state, or county laws or regulations that are applicable and any related permits shall be obtained and documented to the City.
The applicant will need to pull the appropriate permits and any appropriate fees must be paid for these permits and inspections completed by the appropriate staff person prior, during, and following construction.

N. Any applicable business licenses mandated by City Code are approved and obtained.
Not applicable.

O. The hours of operation may be restricted when there is judged to be an incompatibility with a residential use or district.
Not applicable.

P. The use complies with the applicable performance standards of the zoning district in which it is located and where applicable, any non-conformity shall be eliminated.
Not applicable.

Q. Additional Stipulations. All conditions pertaining to a specific site are subject to change when the City Council, upon investigation in relation to a formal request, finds that the general public health, safety, and welfare, can be served as well or better by modifying or expanding the conditions set forth herein. The following are a list of conditions applicable to the approval of this conditional use:

1. There shall be no grading, killing of vegetation or permanent structures within the designated wetland area, the area of the approved range may; however, be mowed.
2. All targets, shooting line markers, tables, bow racks, quivers, distance markers and any other items within the range shall be removable and/or temporary items.
3. All activities are to remain on the property of 801 Highway 65 NE.
4. The area beyond the targets shall be regularly searched for stray arrows.
5. All federal, state and local laws shall be abided by at all times.

Decision

The Planning Commission held a public hearing on the item at the **April 12th, 2016** meeting. The meeting minutes shall be made part of the Findings of Fact.

Motion by Lundeen second by Bergley to recommend approval of the request from BowDaddy Archery for approval of a Conditional Use Permit to operate an outdoor archery range on the property at 801 Highway 65 NE, legally described as PT SE/4 of SW/4 Described as: commencing at SE corner of quarter; then N 440'; W 600'; S 440' to S line of SE/4 of SW/4; E 600' to POB. old # 05.020.0300 based on the Findings of Fact and Conclusion and with the following conditions:

1. There shall be no grading, killing of vegetation or permanent structures within the designated wetland area, the area of the approved range may; however, be mowed.
2. All targets, shooting line markers, tables, bow racks, quivers, distance markers and any other items within the range shall be removable and/or temporary items.
3. All activities are to remain on the property of 801 Highway 65 NE.
4. The area beyond the targets shall be regularly searched for stray arrows.
5. All federal, state and local laws shall be abided by at all times.

Motion carried unanimously.

Request for Council Action

To: Mayor Wimmer
Members of the City Council

From: Roxanne Achman, AICP
Community Development Director

Date: April 19th, 2016

Subject: Request from the City of Isanti for an Amendment to the Zoning Map to Rezone 1107 Rum River Drive SW from R-1(Single Family Residential) to Park and Open Space, legally described as Lot 1, Block 1, Rum River Meadows 2nd Addition, Isanti County, Isanti, Minnesota

---

Background

This parcel was obtained by the City in 2015 for the purpose of providing additional amenities to River Bluff Preserve. The parcel is located on Rum River Drive SW, just north of the existing park zoned lot.

Zoning Ordinance Requirements

The purpose of the "POS" Parks and Open Space Overlay District is to protect and preserve parks, open space, and undevelopable land and areas with valuable environmental qualities from further development and to provide for the recreational use of land and structures within the City.

The Planning Commission shall conduct a public hearing, and report its findings and make recommendations to the City Council. The Planning Commission shall consider possible adverse effects of the proposed amendment. The judgment of the Planning Commission with regard to the application shall be based upon, but is not limited to, the following factors:

1. The proposed action has been considered in relation to the specific policies and provisions of and has been found to be consistent with the City Comprehensive Plan, including public facilities and capital improvement plans.
2. The proposed action meets the purpose and intent of this Ordinance or in the case of a map amendment; it meets the purpose and intent of the individual district.
3. There is adequate infrastructure available to service the proposed action.
4. There is an adequate buffer or transition provided between potentially incompatible districts.

Comprehensive Plan

The purpose of this category is to identify portions of Isanti that contain existing or planned park and open space uses. Examples of park and open space uses include local and state parks, wildlife areas, and other outdoor recreation facilities, as well as passive open space areas that are prioritized as protected on the natural areas map.

In addition to the parks and open space areas designated as such on the Land Use Plan map, new residential developments should incorporate neighborhood parks as they are developed.

Public Notice
Notice of the Map Amendment was published in the official City newspaper, Isanti County News; on Wednesday, April 6th, 2016. Mailed notice was provided to property owners within 350' of the subject property.

Public Comments
No public comments had been received regarding the proposed text amendment prior to the release of the staff memo.

Planning Commission Recommendation:
Motion by Lundeen second by Kennedy to recommend approval of the request from the City of Isanti for an Amendment to the Zoning Map to Rezone 1107 Rum River Drive SW from R-1(Single Family Residential) to Park and Open Space, legally described as Lot 1, Block 1, Rum River Meadows 2nd Addition, Isanti County, Isanti, Minnesota based on the Findings of Fact and Conclusions. Motion carried unanimously.

Deadline for City Council Action
The City of Isanti received a complete application for this request on March 3rd, 2016. Pursuant to Minnesota State Statute, the City must act on this request by May 3rd, 2016 (60-days); unless an extension of the review period has been agreed to by the applicant.

Options and Proposed Motion Language
1. Recommend Approval with No Conditions: Motion to recommend approval of the request from the City of Isanti for an Amendment to the Zoning Map to Rezone 1107 Rum River Drive SW from R-1(Single Family Residential) to Park and Open Space, legally described as Lot 1, Block 1, Rum River Meadows 2nd Addition, Isanti County, Isanti, Minnesota
2. Recommend Approval with Conditions: Motion to recommend approval of the request from the City of Isanti for an Amendment to the Zoning Map to Rezone 1107 Rum River Drive SW from R-1(Single Family Residential) to Park and Open Space, legally described as Lot 1, Block 1, Rum River Meadows 2nd Addition, Isanti County, Isanti, Minnesota with the following changes....
3. Recommend Denial: Motion to recommend denial of the request from the City of Isanti for an Amendment to the Zoning Map to Rezone 1107 Rum River Drive SW from R-1(Single Family Residential) to Park and Open Space, legally described as Lot 1, Block 1, Rum River Meadows 2nd Addition, Isanti County, Isanti, Minnesota for the following reasons....
4. Table: Motion to table the request from the City of Isanti for an Amendment to the Zoning Map to Rezone 1107 Rum River Drive SW from R-1(Single Family Residential) to Park and Open Space, legally described as Lot 1, Block 1, Rum River Meadows 2nd Addition, Isanti County, Isanti, Minnesota (a specific reason and information request should be included in the motion to table).

ORDINANCE NO.

AN ORDINANCE APPROVING AN AMENDMENT TO ORDINANCE NO.445 (ZONING): THE OFFICIAL ZONING MAP

THE CITY OF ISANTI DOES ORDAIN:

WHEREAS, the City of Isanti obtained Parcel 16.111.0010 legally described as Lot 1, Block 1 of Rum River Meadows 2nd Addition for park and open space uses; and,

WHEREAS, such parcel is zoned "R-1" Single Family District; and,

WHEREAS, the City is requesting to amend the zoning map to rezone Lot 1, Block 1, Rum River Meadows 2nd Addition as Park and Open Space; and,

WHEREAS, at their regular meeting on April 12th, 2016, the City of Isanti Planning Commission held a public hearing to take public comments; and

WHEREAS, the Planning Commission voted unanimously to recommend approval of the rezone request; and

NOW THEREFORE BE IT RESOLVED, by the City Council of the City of Isanti that Lot 1, Block 1 of Rum River Meadows 2nd Addition in the City of Isanti, Minnesota, subject to easements, restrictions and reservations of record, approved the re-zone request from "R-1" Single Family Residential to Park and Open Space.

EFFECTIVE DATE
This Ordinance shall take effect the day following its publication in the City's Official Newspaper.

Adopted by the City Council this 19th day of April 2016.

FINDINGS OF FACT AND CONCLUSION

Request

Request from the City of Isanti for an Amendment to the Zoning Map to Rezone 1107 Rum River Drive SW from R-1(Single Family Residential) to Park and Open Space, legally described as Lot 1, Block 1, Rum River Meadows 2nd Addition, Isanti County, Isanti, Minnesota.

Findings of Fact

1. The property owners, the City of Isanti, filed an application to rezone Parcel No. 16.111.0010 from "R-1" Single Family Residential District to "POS" Park and Open Space District.
2. The property is legally described as follows: Lot 1, Block 1 of Rum River Meadows 2nd Addition.
3. The rezoning of the property would permit the property to be slated for park and open space uses.
4. The Comprehensive Plan has a land use encourages the incorporation of neighborhood parks.
5. The request to rezone this property was received on March 3rd, 2016. Pursuant to Minnesota State Statute, the City must act on this request by May 3rd, 2016 (60-day rule).
6. A public hearing date before the Planning Commission was scheduled for Tuesday, April 12th, 2016 at 7:00 p.m. at City Hall within the Council Chambers.
8. Notice of the Rezoning request was published within the Isanti County News on Wednesday, April 6th, 2016. Notices were sent to all property owners located within 350 feet of the subject property.
9. Section 21, Article 1: Amendments (Text and Map), Subdivision 4 (D) of the Zoning Ordinance establishes criteria in which the judgment of the Planning Commission and City Council shall be based upon when reviewing a Rezoning request.

Conclusions

A. In review of the factors established in Section 21, Article 1 Amendments (Text and Map), Subdivision 4 (D) the following conclusions have been made (*conclusions to each requirement are shown in underlined italics)*:

   1. The proposed action has been considered in relation to the specific policies and provisions of and has been found to be consistent with the Comprehensive Plan, including public facilities and capital improvement plans.
      The identified parcels fit within the concept of implementing neighborhood parks. One of the Comprehensive Plan's objectives is to provide passive parkland and open space areas to enhance the quality of life in existing and future neighborhoods
   2. The proposed action meets the purpose and intent of this Ordinance or in the case of a map amendment; it meets the purpose and intent of the individual district.
      The rezoning of the parcel would meet the purpose and intent of the district in which the property is located. Park and open space is suitable and beneficial to residential neighborhoods.
   3. There is adequate infrastructure available to service the proposed action.
      Any necessary infrastructure is already in place in this area should the City need connect to it.
   4. There is an adequate buffer or transition provided between potentially incompatible districts.
      Parks and open space are compatible with residential uses.

Decision

The Planning Commission reviewed the request in a public hearing on **April 12th, 2016**. The meeting minutes, staff memo, and attachments shall be made a part of the Findings of Fact and Conclusion.

Motion by Lundeen second by Kennedy to recommend approval of the request from the City of Isanti for an Amendment to the Zoning Map to Rezone 1107 Rum River Drive SW from R-1(Single Family Residential) to Park and Open Space, legally described as Lot 1, Block 1, Rum River Meadows 2nd Addition, Isanti County, Isanti, Minnesota based on the Findings of Fact and Conclusions. Motion carried unanimously.

Request for City Council Action

To: Mayor Wimmer
Members of the City Council

From: Josi Wood
Assistant City Admin/Public Services Director

Date: April 19, 2016

Subject: Consider Ordinance to Amend City Council Chapter 227 Parking and Storage

---

Background

Currently there is a marked pedestrian walkway along the East side of Railroad Ave SE between Main St E to the intersection of Palomino Road SE. There have been observations by staff and also community members where vehicles have parked along the East side of Railroad Ave SE making the pedestrian walkway unusable by pedestrians without having to walk into the street.

Public Works Committee Recommendation:
The Public Works Committee recommends to place no parking signs along the pedestrian walkway stretch along Railroad Ave SE and have language added to City Code to reflect such action.

It was noticed by Staff that the streets on the East side of Highway 65 along either side of Broadway St SE to 6th Ave NE and along 6th Ave NE to Heritage Blvd NE was posted as no parking, however, this was not reflected in City Code Chapter 227. Staff discussed with the City Engineer, Brad DeWolf, and he confirmed that those streets should not allow for parking on either side of the street.

In order to enforce, amendments are necessary in City Code Chapter 227 and they are as follows:

Sub-paragraph (5), Paragraph C., Parking, Stopping, and Standing Provisions, Section 227-2, Parking Regulations, Article II General Parking Regulations, of Chapter 227 of the Code of the City of Isanti is hereby amended to add the following text:

(b) Along either side of Railroad Ave SE beginning at its intersection with Palomino Road SE to its intersection with Townsedge Road SE. Along the East side of Railroad Ave SE beginning at its intersection with Main Street E to its intersection with Palomino Road SE.

(i) Along either side of Broadway St SE, from Highway 65 NE to 6th Ave NE.

(j) Along either side of 6th Ave NE, from Broadway St SE to Heritage Blvd NE.

Staff Request

City staff is requesting action on this item.

ORDINANCE NO. XXX

AN ORDINANCE AMENDING CHAPTER 227 PARKING AND STORAGE

THE CITY COUNCIL OF THE CITY OF ISANTI DOES ORDAIN:

Sub-paragraph (5), Paragraph C., Parking, Stopping, and Standing Provisions, Section 227-2, Parking Regulations, Article II General Parking Regulations, of Chapter 227 of the Code of the City of Isanti is hereby amended to add the following text:

227-2. Parking regulations.

C. Parking, stopping and standing provisions.

(5) No parking is allowed on any of the following streets or highway:

(a) Along either side of Third Avenue NW beginning at its intersection with Isanti Parkway NW to the point at which the City of Isanti corporate boundary ends and Isanti Township begins (Jackson St NW).

(b) Along either side of Railroad Ave SE~~W~~ beginning at its intersection with Palomino Road SE to its intersection with Townsedge Road SE. Along the East side of Railroad Ave SE beginning at its intersection with Main Street E to its intersection with Palomino Road SE.

(c) Along either side of County Road 5 NE/NW beginning at its intersection with Trunk Highway 65 heading west to its intersection with Whiskey Road NW.

(d) Along either side of Fourth Ave SW from its intersection with Main Street W heading south to its intersection with Elizabeth St SW.

(e) Along either side of Elizabeth St SW from its intersection with Fifth Ave SW heading east to its intersection with Second Ave SW.

(f) Along either side of Fifth Ave SW from its intersection with Elizabeth St SW heading south to its intersection with S Brookview Ln SW.

(g) Along either side of Second Ave SW from its intersection with Main St W heading south to its intersection with Elizabeth St SW.

(h) Along either side of Isanti Parkway NW, from Third Avenue NW to East Dual Boulevard NE.

(i) Along either side of Broadway St SE, from Highway 65 NE to 6th Ave NE.

(j) Along either side of 6th Ave NE, from Broadway St SE to Heritage Blvd NE.

EFFECTIVE DATE

This Ordinance takes effect upon its passage and publication in the official newspaper of the City of Isanti.

RE: Interim Finance Director Services

Please find attached a proposal from Steve McDonald and Jean McGann, Abdo Eick and Meyers (AEM), for interim Finance Director (financial management) services. This firm served in a similar capacity for the City in 2008 and 2012, when we had vacancies in the Finance Director position. They will have their Client Service Manager, Gayle Bauman, provide the interim services for the City. Ms. Bauman has over 17 years of experience in City government finance and has held Finance Director positions in two cities. They would assist with financial management duties as outlined in the proposal, and potentially 2017 budget work (as needed). It is planned that their staff would be our office one and one-half days of the week. The base fee for this service is $11,750 month. The contract period if for April 21st to September 30th, 2016.

RESOLUTION NO. 2016-

A RESOLUTION ACCEPTING PROPOSAL FOR INTERIM FINANCE DIRECTOR SERVICES

WHEREAS, the Finance Director gave notice of resignation as an employee of the City of Isanti, with her last work day April 22, 2016; and

WHEREAS, the Finance Committee recognizes that certain tasks and services must be provided in the interim of filling the position; and

WHEREAS, Abdo Eick & Meyers LLP provides auditing services for the City and has provided interim Finance Director services for the City in 2008 and 2012, and

WHEREAS, Abdo Eick & Meyers LLP submitted a proposal to provide Interim Financial Management Services until such time as the Finance Director position has been filled; and

WHEREAS, the City Council feels it is in the best interest of the citizens of the City of Isanti that quality financial services are provided in the interim of filling the Finance Director position.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, as follows:

1. Hereby accepts Abdo Eick & Meyers LLP proposal to the City of Isanti for Interim Financial Management Services, dated April 13, 2016, for a monthly fee of $11,750, plus hourly rates/fees if necessary as per their proposal.

This Resolution hereby approved by the Isanti City Council this 19th day of April 2016.

Request for City Council Direction

To: Mayor Wimmer and City Council Members

From: Sean M. Sullivan, Economic Development Director

Date: April 19, 2015

Subject: **Consider Resolution for Authorization of Contract with CGI Communication for City Marketing Video**

Background:

City Staff and Officials have been working with Isanti County and CGI Communication to create a county wide video marketing video. City Staff and Mayor Wimmer discussed options with top management at CGI Communications and were given an opportunity to have a video created for City of Isanti in addition to the one being created for Isanti County that will also include the Mayor's Welcome. The four minute video will include segments relating to economic development, a general welcome, park and recreation and another section that would help Isanti market itself. The video will be posted on the City website and will work on mobile applications. There is no cost to the City for this service but CGI Communication does ask that the City sign a letter of introduction supporting the project that can be used to contact businesses in Isanti to see if they want to take advantage of marketing opportunities as well.

Staff Request for Action:

Staff is asking for the City Council to consider adoption of the attached resolution and move forward with the City and County CGI Video projects.

Attachments:

1) **Resolution 2016-____ Authorization of Contract with CGI Communication for City Marketing Video**

RESOLUTION 2015-___

Authorization of Contract with CGI Communications for City Marketing Video

WHEREAS, the City of Isanti EDA is charged with marketing the City of Isanti; and

WHEREAS, the City of Isanti has been working with Isanti County to produce a county-wide marketing video piece by CGI Communications and has provided photos, content and pictures helping market the City of Isanti; and

WHEREAS, Isanti County has asked CGI to contact the City of Isanti and see if the City of Isanti would be willing to sign an intro letter that can be used to contact local businesses to be in the video and to offer marketing options for their businesses; and

WHEREAS, The City of Isanti has been presented an additional opportunity to have a 4 minute video created specifically for the City of Isanti for City use on its website and other materials according to the terms and conditions of contract attached to this resolution; and

WHEREAS, the cost for creation of the video and placement on website to the City of Isanti is $0.00 but will include City Staff and Official time commitment.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota authorize the following:

1) Execution of the attached contract between the City of Isanti and CGI Communications by Mayor George Wimmer.
2) Use of City Letterhead and a signature by a City Official on the attached introduction letter for Isanti business owners.

This Resolution hereby approved by the Isanti City Council this 19th day of April 2016.

(866) 429-8611 fax

Name: George Wimmer
Title: Mayor
Address: 110 1st Avenue NW, P.O. Box 428
City, State, Zip: Isanti, MN 55040
Phone: 763-444-5512
Email: george@georgewimmer.com
Website: http://www.cityofisanti.us/

This agreement is between CGI Communications, Inc. ("CGI") and the City of Isanti (the "City") and shall remain in effect from the date it is signed by both parties until the third anniversary of the date that the completed and approved Community Video Program is made available for viewing via a link on the http://www.cityofisanti.us/ homepage, including any alternate versions of that homepage, for viewer access on different devices.

During the term of this Agreement, CGI shall:

- Produce four 1 minute videos with subject matter that includes but is not limited to: Welcome, Economic Development, Education, Healthy Living, and Homes/Real Estate
- Provide one Community Organizations chapter to promote charities, nonprofits and community development organizations
- Provide script writing and video content consultation
- Have a videographer come to City locations to shoot footage for the videos
- Reserve the right to use still images and photos for video production
- Provide all aspects of video production and editing, from raw footage to final video including professional voiceovers and background music
- Provide a final draft of Community Video Program content subject to your approval (up to 3 sets of revisions allowed). CGI's request for approval of content or revision, including final draft, shall be deemed approved if no response received by us within thirty (30) days of request
- Provide our patented OneClick™ Technology and encode all videos into multiple streaming digital formats to play on all computer systems, browsers, and Internet connection speeds; recognized player formats include WindowsMedia→ and QuickTime→
- Store and stream all videos on CGI's dedicated server
- Be solely responsible for sponsorship fulfillment including all related aspects of marketing, production, printing, and distribution
- Facilitate viewer access of the Community Video Program from City website, including any alternate versions of City's homepage, for different devices, by providing HTML source code for a graphic link to be prominently displayed on the http://www.cityofisanti.us/ website homepage as follows: "Coming Soon" graphic link designed to coordinate with existing website color theme to be provided within 10 business days of execution of this agreement. "Community Video Program" graphic link to be provided to replace the "Coming Soon" link upon completion and approval of videos
- Grant to City a license to use CGI's Line of Code to link to and/or stream the videos
- Own copyrights of the master Community Video Program
- Assume all costs for the Community Video Program
- Honor any request for termination of sales upon 30 day notice and only if the City continues to provide the Community Video Program linkage from its homepage for the duration of this agreement

Program add-ons will include:

- The code to generate the mobile video responsive layer to play your Welcome video

During the term of this Agreement, the City shall:

- Provide a letter of introduction for the program on City's letterhead
- Assist with the content and script for the Community Video Program
- Grant CGI the right to use City's name in connection with the preparation, production, and marketing of the Program
- Display the "Coming Soon" graphic link prominently on the http://www.cityofisanti.us/ homepage within 10 business days of receipt of HTML source code
- Display the "Community Video Program" link prominently on its http://www.cityofisanti.us/ homepage, including any alternate versions of your home page, for viewer access on different devices for the entire term of this agreement
- Feature business sponsors around the perimeter of video panels
- Allow businesses to purchase various digital media products and services from CGI and its affiliates
- Ensure that this agreement remains valid and in force until the agreed upon expiration date, regardless of change in administration
- Grant full and exclusive streaming video rights for CGI and its subsidiaries, affiliates, successors and assigns to stream all video content produced by CGI for the Community Video Program
- Represent and warrant that any and all photographs, videos, and other content it submits to us for use in any video or other production does not infringe on any third party's copyright, trademark or other intellectual property, privacy or publicity rights and shall defend and indemnify us from any such claim or action

This Agreement constitutes the entire agreement of the parties and supersedes any and all prior communications, understandings and agreements, whether oral or written. No modification or claimed waiver of any provision shall be valid except by written amendment signed by the parties herein. City warrants that it is a tax exempt entity. The undersigned, have read and understand the above information and have full authority to sign this agreement.

April 12, 2016

Dear Valued Business Owner:

Isanti is excited to announce a new partnership with CGI Communications, Inc. to create a series of professionally produced online videos to highlight everything our community offers residents, visitors, and business owners.

In addition to creating the videos, CGI is ensuring they are seen. Mobile devices have shifted the landscape of business, making it more important than ever to embrace technology as residents of Isanti are able to stream high quality video on every device. For many businesses, getting noticed online can be a challenge, however, **utilizing video dramatically improves visibility** and **drives more action to your website** than static pages; the demand for video climbing even higher for users on mobile devices.

With an easily viewable interface on the official city website, this video program will encourage viewers to learn more about area attractions, economic development opportunities, quality of life, and the businesses supporting the program. In addition, the city's official website will backlink to CGI's www.elocallink.tv, which hosts the Video Tour.

We are dedicated to highlighting the advantages of living and working in Isanti; advantages that include access to our wonderful business community; and we feel that this video program can be widely successful. We encourage you to consider participating in this city-wide program as it provides an exciting opportunity to showcase your business and utilize the power of video on your own websites and social media pages.

To learn more about sponsorship opportunities or to request an appointment please e-mail BrandonB@cgicommunications.com.

Best Regards,

RE: COPS Office FY 2016 Community Policing Development (CPD) Program Solicitation - Now Open!

Dear Colleague:

The Office of Community Oriented Policing Services (COPS) is pleased to announce that **the application period for the FY 2016 Community Policing Development (CPD) Program is now open.** Applications for this year's CPD solicitation must be completed and submitted by **7:59 PM, EDT on June 1, 2016**. This year's CPD Program has an overarching emphasis on implementing the recommendations of the President's Task Force on 21st Century Policing. The Task Force examined how to strengthen public trust and foster strong relationships between local law enforcement and the communities that they serve, while also promoting effective crime reduction.

Program Details

The FY 2016 CPD Program is a competitive solicitation, open to all public governmental agencies, profit and nonprofit institutions, institutions of higher education, community groups, and faith-based organizations. The program is designed to advance the practice of community policing in law enforcement agencies through training and technical assistance. It also promotes the development of innovative community policing strategies, applied research, guidebooks, and best practices that are national in scope and responsive to the solicitation topic requirements. Up to $8 million is available through this program in FY 2016, and all awards are subject to the availability of funds. Applicants may select from the following topic areas:

- Microgrant Initiative for Law Enforcement
- Critical Response Technical Assistance
- Community Policing Emerging Issues Forums
- Community Policing Training Projects
- Law Enforcement Led 21st Century Policing Demonstration Projects
- 21st Century Policing and Implementation Projects

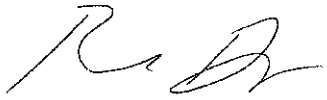
These topic areas share the goal of advancing community policing by addressing many of the recommendations contained in the Final Report of the President's Task Force on 21st Century Policing. **For detailed information on CPD program requirements, application instructions, FAQs and more, please visit the** CPD Program page **on the COPS website.**

We also encourage you to read the "Preparing Your Application" document on our website. This document provides helpful information about preparations your agency can make at this time to ensure a smooth application process and minimize the chance of problems or delays.

Please note that applications for this program must be submitted in two parts. First, applicants must apply online via Grants.gov to complete the SF-424, the government-wide standard form required for competitive grant application packages. Once the SF-424 has been submitted, you will receive an e-mail with instructions on completing the second part of the CPD application through the COPS Office Online Application System, found on the COPS Office website through the "Account Access" link in the upper right hand corner.

Thank you for your time and cooperation during the application process. If you have questions about completing a CPD application, please contact the COPS Office Response Center at 1.800.421.6770.

Sincerely,



Ronald L. Davis
Director

RESOLUTION 2016-_____

RESOLUTION AUTHORIZING STAFF TO APPLY TO THE OFFICE OF COMMUNITY ORIENTED POLICING SERVICES FOR THE COPS HIRING GRANT

WHEREAS, the Office of Community Oriented Policing Services (COPS Office) has announced that they are accepting applications requesting funding under the COPS Hiring Recovery Program (CHRP); and

WHEREAS, the COPS Grant prevents the loss of an officer due to budget cuts; and

WHEREAS, the COPS Grant will pay 75% of the starting salary plus fringe benefits (a 25% match is required) for an officer for up to three (3) years; and should the grant be awarded to the City, the City is required to retain the position for one (1) year after the grant ends; and

WHEREAS, the City of Isanti Police Department feels this is a great opportunity and applying for the grant will keep the City of Isanti in for consideration for future grants if this one grant is not received.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City Of Isanti, Minnesota to hereby authorize staff to apply and provide all necessary signatures required for the submission of an application for the COPS Grant for one officer for a period of three years.

This Resolution is approved by the City of Isanti Council this 19th Day of April, 2016.

Request for City Council Action

To: **Mayor Wimmer and City Council Members**

From: Chief Gene C. Hill **MEMO**

Date: April 13, 2016

Subject: Bureau of Justice Assistance Grant

Background:

The Bureau of Justice Assistance Grant (Bulletproof Vest Partnership 2016 Grant) is open for solicitation for partial reimbursement of officer's bulletproof vests which have a life expectancy of five years, at which time they expire. This grant saves the citizens / taxpayers money at the local government level.

Action:

I am requesting that the City Council review and consider the opportunity to apply for this grant to offset the expenses of ballistic vests that the officers wear.

RESOLUTION NO. 2016-XXXX

RESOLUTION AUTHORIZING STAFF TO APPLY FOR THE BULLETPROOF VEST PARTNERSHIP 2016 GRANT

WHEREAS, the Isanti Police Department has an opportunity to apply for the Bureau of Justice Assistance grant (Bulletproof Vest Partnership 2016 grant); and

WHEREAS, the Isanti Police Department has applied for this grant in years past; and

WHEREAS, the Police Department makes use of grant opportunities to provide better service to the community; and

WHEREAS, the City of Isanti Police Department has requested that funds that are applied for and received from the Bulletproof Vest Partnership 2016 Grant are used to replace the bullet proof vests for its Police Officers which have a five year life expectancy / warranty.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City Of Isanti, Minnesota to authorize the Police Chief to submit an application for the Bulletproof Vest Partnership 2016 Grant with funds received from the grant to replace the bullet proof vests for the Police Department.

This resolution was duly adopted by the Isanti City Council this 19th day of April, 2016.

Economic Development Authority
Regular Meeting Minutes of
March 2, 2016
Isanti City Hall

1. Call to Order

The meeting was called to order by Economic Development Director Sullivan at 7:22 p.m.

a. Pledge of Allegiance

b. Roll Call

Members Present:	Keith Dragisich, Dan Collison, Steve Lundeen, Paul Bergley and George Wimmer
Members Absent:	Tara Hallberg (excused), Adam Johnson
Staff Present:	Economic Development Director Sean Sullivan

c. Agenda Modifications

No modifications to the agenda were presented.

2. Approval of Agenda

Motion to approve Agenda as presented by Collison, second by Lundeen, motion carried unanimously.

3. Approve Minutes of February 2, 2016 Regular Economic Development Meeting

Motion by Lundeen second by Collison to approve the minutes for February 2, 2016. Motion carried unanimously.

4. Other Business / Updates

Economic Development Director Sullivan highlighted the Staff Memo. He shared that a Developer was working on a 24 unit senior memory care project and that he anticipated a site plan to be submitted within the next few months. He also indicated that new hearing aid business (HearsWell) had moved into the former Gental Dental site in Historic downtown Isanti. Sullivan passed out a Local Market Update relating to housing that outlined median and average sales prices and housing inventory in Isanti and Cambridge. The numbers showed a pretty strong marketing in Isanti with values on the rise.

President Wimmer updated the EDA about the progress and methodology of the rate study. He indicated that he was hopeful that rates could be reduced but that more work was needed to be done before a clear picture of the impacts could be reached. He wanted to make sure the plan addressed

the issues now and provided a sustainable path into the future. He echoed the information in the Market report and indicated that values were indeed on the rise and that this was a good document to reference when speaking to taxpayers to show the trend.

Commissioner Lundeen warned against the volatility of the housing market. It said it has up and downs and is unpredictable. Right now it is very strong but it could change quickly. He also referenced the 2 new dental clinics in Cambridge and that we should try to get on here.

Commissioner Dragisich indicated the affordable housing is really the main driver for the investment in Isanti. Gas prices at current levels are helping matters

5. Adjournment

Lundeen motioned, seconded by Bergley to adjourn at 7:40 pm. Motion carried unanimously.

Dated at Isanti, Minnesota, this 2nd day of March, 2016.

Respectively Submitted,

Sean M. Sullivan, Economic Development Director

CITY OF ISANTI
PLANNING COMMISSION
MEETING MINUTES
MARCH 8, 2016

1. Meeting Opening.

A. Call to Order.

Cesafsky called the meeting to order at 7:00 p.m.

B. Pledge of Allegiance.

Everyone rose for the pledge of allegiance.

C. Roll Call.

Members Present: Greg Cesafsky, Paul Bergley, Steve Lundeen, Wayne Traver, and Jim Kennedy.

Members Absent: Jeff Duncan (provided prior notice) and Cindy Lind-Livingston (provided prior notice)

Staff Present: Community Development Director, Roxanne Achman

Others Present: None

D. Agenda Modifications.

Achman stated there were none.

2. Approval of Minutes from February 9, 2016 Planning Commission Meeting.

Cesafsky questioned if there were any comments or changes to the minutes.

Motion by Lundeen second by Bergley to approve the February 9th, 2016 Planning Commission Meeting Minutes. Motion was unanimously approved.

3. Public Hearings.

A. Request from Ron Stawski on behalf of Wintergreen's for a Conditional Use Permit to allow for outdoor volleyball courts on the property legally described as that part of Lot 2, Block 2, Credit Union Addition, lying south of the North 10 feet thereof, as measured at right angles to the north line of said Lot 2, Isanti County, Isanti, Minnesota.

Cesafsky read the item into the minutes.

Achman presented the staff memo.

Cesafsky opened the public hearing.

Bergley asked if the apartments were more than 350 feet away. Achman stated that they were.

Traver stated that the only business close would be the daycare and the lights shouldn't be an issue for them.

Lundeen stated the lights wouldn't be any different than the parking lot lights. Achman confirmed that the same lights that are in the parking lot will be used for the volleyball courts; however, there will be four on one post.

Bergley asked for confirmation that the lights would be hooded. Achman stated they would be. Bergley further described how the lights at Redbird Field tend to spread out all over the place and asked if the lights would be as high as those. Achman stated the lights would be as high as the ones currently in the Wintergreen's parking lot. Bergley asked of the hood on the lights would prevent the light from spilling out to other properties. Achman stated these lights are not like the globed lights without a hood that tend to spill light all over. The hood directs the light downward.

There was no one in the audience to speak on the item. Cesafsky closed public hearing.

Motion by Kennedy second by Lundeen to recommend approval of the request from Ron Stawski on behalf of Wintergreen's for a Conditional Use Permit to allow for outdoor volleyball courts on the property legally described as that part of Lot 2, Block 2, Credit Union Addition, lying south of the North 10 feet thereof, as measured at right angles to the north line of said Lot 2, Isanti County, Isanti, Minnesota. Motion carried unanimously.

4. Other Business.

A. Legal Issues for Planning Commissioners.

A 75 minute webinar offered through the American Planning Association was presented to the Planning Commission.

5. Discussion Items.

A. None.

6. Adjournment

Motion by Lundeen second by Bergley to adjourn the March 8th, 2016 meeting of the Planning Commission. Motion was unanimously approved.

The meeting adjourned at 8:21 p.m.

Dated at Isanti, Minnesota this 8th day of March 2016.

Respectfully submitted,

_____

Roxanne Achman, AICP

City of Isanti: Community Garden Volunteer Policy

1. Individuals and groups may apply to volunteer at the Isanti Community Garden. The City of Isanti does not guarantee that there will be volunteer opportunities for all applicants and reserves the right to deny any application.
2. Seasonal volunteers agree to volunteer for at least 40 hours; one-time volunteer individuals or groups agree to volunteer for at least 5 hours.
3. Community Garden volunteers agree to follow all rules set for garden users and to uphold an inviting and respectful environment in the garden.
4. Volunteers must follow the direction of City Staff and comply with all City policies.
5. Most volunteer activities will occur during City business hours, unless other arrangements have been approved by City staff.
6. Volunteers should plan for activities including but not limited to: weeding, raking, watering, light maintenance/repairs, assisting gardeners, beginning of season set up, end of season take down. Note: volunteering for the community garden may be physically straining; however, requests for accommodations will be reviewed.

If there are questions or concerns regarding this policy or the application process, please contact Katie Everett, Community Events Manager and Parks Coordinator at (763) 444-5512 or via e-mail at isantiparks@cityofisanti.us

RESOLUTION NO. 2016-

L.5.

A RESOLUTION ACCEPTING DONATION FROM PERFORMANCE DOCK AND LIFT TO THE CITY OF ISANTI

WHEREAS, MN Statute 465.03 requires that cities accept donations for the benefit of its citizens in accordance with the terms prescribed by the donor; and,

WHEREAS, April 6, 2016, staff received an offer to donate 2- 4'x6' ramps for the River Bluff Preserve trail crossing dock from Performance Dock and Lift; and,

WHEREAS, the total monetary value of the donation is $1290; and,

WHEREAS, the City of Isanti will post a plaque indicating the donation by Performance Dock and Lift;

NOW, THEREFORE, BE IT RESOLVED that the City Council of the City of Isanti, Minnesota herby accepts the above donation.

This Resolution hereby approved by the Isanti City Council this 19th day of April 2016.

Request for City Council Action

To: Mayor Wimmer and City Council Members

From: Sean M. Sullivan, Economic Development Director

Date: April 19, 2016

Subject: **Consider Resolution Authorizing the Execution of Repayment Agreement with Progressive Homes LLC for Lot 22, Block 1, Isanti Meadows**

On December 1, 2015, the City Council extended the SAC and WAC Deferral program as Resolution No. 2015-289 to help continue to spur development activity. Progressive Homes LLC has requested the City to execute a Repayment Agreement for Lot 22, Block 1, Isanti Meadows for the construction of a 1200 square foot single family residential home at 711 Hickory St SW. The business is in "good standing" upon review of the Minnesota Secretary of State Office as of April 13, 2016. The form of the Repayment Agreement is consistent with the form presented on December 1, 2015. The Repayment Agreement will be dated as of the date that the Building Permit is paid for by the Developer. Staff is asking the City Council to consider adoption of the attached resolution and execution of the Repayment Agreement.

City Council Action:

Consider Adoption of Resolution and Execution of Repayment Agreement

Attachments:

1) Resolution 2016-____ Authorization to Execute Repayment Agreement with Progressive homes LLC for Lot 22, Block 1, Isanti Meadows

RESOLUTION 2016-___

Authorization and Execution of Repayment Agreement with Progressive Homes LLC on Lot 22, Block 1, Isanti Meadows

WHEREAS, the City of Isanti extended the SAC and WAC Deferral program on December 1, 2015 which is documented by Resolution 2015-289; and

WHEREAS, A boiler plate Repayment Agreement was drafted by Development Attorney Deike and the City Council directed Staff to utilize this agreement for parties interested in SAC and WAC Deferral for commercial or residential development; and

WHEREAS, Progressive Homes LLC (the "Developer") has asked the City to enter into a Repayment Agreement for the property legally described as: Lot 22, Block 1, Isanti Meadows (the "Property"); and

WHEREAS, the Developer has stated the it will be the owner of the Property at the time of execution of the Repayment Agreement; and

WHEREAS, the date of the Repayment Agreement will be when the Developer signs prior to payment of the building permit; and

WHEREAS, the Developer is registered, active and is in good standing with the Minnesota Secretary of State Office as of April 13, 2016.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota authorized the Mayor and City Administrator to execute the Repayment Agreement attached hereto contingent upon satisfactory proof of ownership witnessed in a recorded instrument of conveyance to the Developer.

This Resolution hereby approved by the Isanti City Council this 19th day of April 2016.

Attest: Mayor George A. Wimmer

Donald C. Lorsung
City Administrator

(SEAL)

REPAYMENT AGREEMENT

THIS AGREEMENT, made on or as of the ____ day of April, 2016, by and between the City of Isanti, Minnesota, a statutory City under the laws of the state of Minnesota (hereinafter referred to as the "City") having its principal office at 110 First Avenue N.W., Isanti, Minnesota 55040, and Progressive Homes LLC, a limited liability company under the laws of the State of Minnesota (hereinafter referred to as the "Developer"), having its principal office at 16755 205th St N, Scandia, MN 55073.

WITNESSETH:

WHEREAS, the Developer intends to construct a 1200 square foot main floor single family home (the "Improvements") on certain real property (the "Property") in the City; and

WHEREAS, in connection with the construction of the Improvements there are certain water and sanitary sewer charges that are payable by the Developer to the City; and

WHEREAS, the Developer has demonstrated to the satisfaction of the City that the Developer is unable to pay the full amount of the charges now and has asked the City to defer such charges and make them payable at a future point in time; and

WHEREAS, the City believes that the development of the Improvements by the Developer is in the best interests of the City and, therefore, it is willing to defer the charges if doing so will facilitate the development and viability of the Improvements.

NOW, THEREFORE, in consideration of the premises and the mutual obligations of the parties hereto, each of them does hereby covenant and agree with the other as follows:

ARTICLE I

Definitions

Section 1.1. Definitions. In this Agreement, unless a different meaning clearly appears from the context:

"Agreement" means this Agreement, as the same may be from time to time modified, amended, or supplemented.

"City" means the City of Isanti, Minnesota, its successors and assigns.

"County" means Isanti County, Minnesota.

"Deferred Charges" means the utility charges described in Section 3.1 of this Agreement being deferred by the City and which the Developer is obligated to pay in accordance with this Agreement.

"Developer" means Progressive Homes LLC., a Minnesota limited liability company, its successors and assigns.

"Event of Default" means an action by the Developer listed in Article IV of this Agreement.

"Improvements" means the 1200 square foot main floor single family home to be constructed by the Developer on the Property.

"Property" means the real property described on the attached Schedule A to this Agreement.

"State" means the State of Minnesota.

ARTICLE II

Representations

Section 2.1. Representations by the City. The City makes the following representations as the basis for the undertaking on its part herein contained:

(a) The City is a statutory city duly organized and existing under the laws of the State. Under State law, the City has the power to enter into this Agreement and to perform its obligations hereunder.

Section 2.2. Representations by the Developer. The Developer represents that:

(a) The Developer is a limited liability company duly organized and authorized to transact business in the State, is not in violation of any provisions of its Bylaws or the laws of the State, has power to enter into this Agreement and has duly authorized the execution, delivery and performance of this Agreement by proper action of its President.

ARTICLE III

Deferred Charges

Section 3.1. Deferred Charges. The Developer owes to the City the sum of **$7,983.00** in deferred utility charges. The Deferred Charges consist of **$3,677.00** in Water Connection Charges and **$4,306.00** in Sewer Connection Charges. The City has agreed to defer the payment of the Deferred Charges as described in this Agreement.

Section 3.2. Payment of the Deferred Charges. The Developer agrees that it will pay the Deferred Charges to the City on the earliest to occur of the following:

(a) on the date that is one hundred and twenty (120) days after the date of this Agreement;

(b) on the date that the Developer sells or transfers the Property or Improvements, or any portion thereof; or

(c) on the date that the City issues a certificate of occupancy for the Improvements.

Interest shall accrue on the Deferred Charges at the rate of zero percent (0%) from the date hereof and continuing until the Deferred Charges and all accrued interest have been paid in full.

Section 3.3. Payment of Costs. The Developer shall pay all costs incurred by the City in connection with the preparation and implementation of this Agreement and related documents, including, without limitation, fees of attorneys related the preparation of this Agreement and related documents, if the Developer fails to complete construction of the Improvements within one hundred and twenty (120) days after the date of this Agreement.

ARTICLE IV

Events of Default

Section 4.1. Events of Default Defined. The following shall be "Events of Default" under this Agreement and the term "Event of Default" shall mean, whenever it is used in this Agreement (unless the context otherwise provides), any one or more of the following events:

(a) Failure by the Developer to pay when due any payments required to be paid under this Agreement.

(b) The Developer of the following: (i) file any petition in bankruptcy or for any reorganization, arrangement, composition, readjustment, liquidation, dissolution, or similar relief under United States Bankruptcy Laws or any similar Federal or State Laws; or (ii) make an assignment for the benefit of its creditors; or (iii) admits, in writing, its inability to pay its debts generally as they become due; or (iv) be adjudicated, bankrupt or insolvent.

Section 4.2. City's Remedies on Default. Whenever any Event of Default by Developer referred to in Section 4.1 of this Agreement occurs, the City may take any one or more of the following actions after providing ten (10) days written notice to the Developer of the Event of Default, but only if the Event of Default has not been cured within said ten (10) days:

(a) Declare the entire outstanding balance of the Deferred Charges immediately due and payable.

(b) Terminate this Agreement.

(c) Take whatever action, including legal, equitable or administrative action, which may appear necessary or desirable to the City to collect any payments due under this Agreement, or to enforce performance and observance of any obligation, agreement, or covenant of the Developer under this Agreement.

Section 4.3. No Remedy Exclusive. No remedy herein conferred upon or reserved to the City or Developer is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Agreement or now or hereafter existing at law or in equity or by statute. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the City or the Developer to exercise any remedy reserved to it, it shall not be necessary to give notice, other than such notice as may be required in this Article IV.

Section 4.4. No Additional Waiver Implied by One Waiver. In the event any agreement contained in this Agreement should be breached by either party and thereafter waived by the other party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other concurrent, previous or subsequent breach hereunder.

Section 4.5. Costs of Enforcement. Whenever any Event of Default occurs and the City shall employ attorneys or incur other expenses for the collection of payments due or to become due or for the enforcement of performance or observance of any obligation or agreement on the part of the Developer under this Agreement, the Developer agrees that it shall, within ten (10) days of written demand by the City, pay to the City the reasonable fees of such attorneys and such other expenses so incurred by the City.

ARTICLE V

Additional Provisions

Section 5.1. Representatives Not Individually Liable. No member, official, or employee of the City shall be personally liable to the Developer, or any successor in interest, in the event of any default or breach or for any amount which may become due to Developer or successor in interest or on any obligations under the terms of this Agreement.

Section 5.2. Titles of Articles and Sections. Any titles of the several parts, Articles, and Sections of the Agreement are inserted for convenience of reference only and shall be disregarded in construing or interpreting any of its provisions.

Section 5.3. Notices and Demands. Except as otherwise expressly provided in this Agreement, a notice, demand, or other communication under the Agreement by either party to the other shall be sufficiently given or delivered if it is dispatched by registered or certified mail, postage prepaid, return receipt requested, or delivered personally; and

(a) in the case of the Developer, is addressed to or delivered personally to Progressive Homes LLC at 16755 205th St N, Scandia, MN 55073; and

(b) in the case of the City, is addressed to or delivered personally to the City at 110 First Avenue N.W., P.O. Box 428, Isanti, Minnesota 55040,

or at such other address with respect to either such party as that party may, from time to time, designate in writing and forward to the other as provided in this Section.

Section 5.4. Disclaimer of Relationships. The Developer acknowledges that nothing contained in this Agreement nor any act by the City or the Developer shall be deemed or construed by the Developer or by any third person to create any relationship of third-party beneficiary, principal and agent, limited or general partner, or joint venture between the City and the Developer or any third party.

Section 5.5. Modifications. This Agreement may be modified solely through written amendments hereto executed by the Developer and the City.

Section 5.6. Counterparts. This Agreement may be executed in any number of counterparts, each of which shall constitute one and the same instrument.

Section 5.7. Judicial Interpretation. Should any provision of this Agreement require judicial interpretation, the court interpreting or construing the same shall not apply a presumption that the terms hereof shall be more strictly construed against one party by reason of the rule of construction that a document is to be construed more strictly against the party who itself or through its agent or attorney prepared the same, it being agreed that the agents and attorneys of both parties have participated in the preparation hereof.

IN WITNESS WHEREOF, the City has caused this Agreement to be duly executed in its name and behalf and the Developer has caused this Agreement to be duly executed in its name and behalf on or as of the date first above written.

Request for Council Action

To: Mayor Wimmer
Members of the City Council

From: Roxanne Achman, Community Development Director

Date: April 19, 2016

Subject: Parking Exemption on Oakwood St NE

Background

The Coborn's Project Superintendent is requesting to be exempt from the "No Parking" restriction on Oakwood St NE from April 18, 2016 to June 1, 2016. Workers are unable to park on-site during this time period as this is when sewer, water and the parking lot will be installed on site.

There is no on-street parking on 6th Ave NE, Oakwood St NE and Broadway St SE, leaving little, to no options for alternate parking near the site. Oakwood St NE is a cul-de-sac with no access point on it to abutting properties, making it the most reasonable nearby street to grant a temporary parking exemption to. The Project Superintendent estimates up to 20 vehicles may be parked along Oakwood St NE during the temporary exemption period.

Attachments:

- Resolution 2016-XXX
- Request from Jeremy Scheeler, Coborn's Project Superintendent, email dated April 8, 2016

RESOLUTION NO. 2016-XXX

A RESOLUTION APPROVING A PARKING EXEMPTION ALONG OAKWOOD STREET NORTHEAST

WHEREAS, the construction plans for 6th Ave NE, Oakwood St NE and Broadway St SE indicate no parking on either side of the street east of Highway 65 and south of Heritage Boulevard; and,

WHEREAS, the City recognizes that there may limited times that exemptions from the parking requirements may be reasonably necessary; and,

WHEREAS, the construction of the Coborn's grocery store requires off-site parking for a limited time due to construction activities prohibiting on-site parking; and,

WHEREAS, the Coborn's Project Superintendent is requesting an exemption from the "No Parking" restriction on Oakwood St NE for employee parking from April 20, 2016 to June 1, 2016; and,

WHEREAS, Oakwood St NE ends in a cul-de-sac and does not have any existing access points to properties abutting it which will limit any traffic concerns; and,

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City Of Isanti, Minnesota hereby grants an exemption to the "No Parking" restriction on Oakwood St NE from April 20, 2016 to June 1, 2016 for employees working on the Coborn's grocery store project.

This resolution was duly adopted by the Isanti City Council this 19th day of April 2016.

Subject: Re: Parking

Dear Counsel member,

My name is Jeremy Scheeler and I am with Rice Companies. As you have seen I'm sure we are building the new Coborns off Highway 65 and we are going to start our site utilities and bringing the site up to grade. My question for you is can we have workers park on Oakwood St. form 4/18 to 6/1 while we are bringing to site up to grade and getting ready for the parking lot? This may be long than we need and we will park on our lot ASAP.

Thank you for you time!

Sincerely,
Jeremy Scheeler
Project Superintendent

> As you know, Nick is out at a conference today, so I am trying to work through a few of the items with the Coborn's project. I understand you are wondering if parking would be permitted within the Oakwood St cul-de-sac. I will have to verify that the police and public works see no issues with this, however, can you provide me with a little more detail? Will parking occur only during the day (not overnight)? How many days will you need to park in this area? I haven't been out there, so I don't know for sure, but is parking prohibited just on one side of the street, or both? Feel free to give me a call if you'd rather speak over the phone.

MEMORANDUM

Date: April 4, 2016

To: Honorable Mayor Wimmer and Members of the City Council
City of Isanti

From: Bradley C. DeWolf, P.E.
City Engineer

Subject: Isanti Middle School – Utility Easement Agreement
Isanti, Minnesota

We have evaluated options to supply a secondary source of water to the Isanti Middle School, Oakwood Estates apartment complex and the City's main lift station site. A watermain loop connecting the watermain in Wendover Street NW, north of Heritage Boulevard, to the watermain at the Isanti Middle School has been determined to be the most cost effective option. This loop will prevent future water shutdowns in this area should a watermain break occur in the future. The proposed project should improve the available flow to the school and apartments as well.

In order to install this line, the City needs to obtain a utility easement over the new watermain from the Cambridge-Isanti School District. We have contacted the School District and they have agreed to this easement at no cost to the City.

Attached is the proposed utility easement exhibit.

The schedule is set to have the entire project completed this summer, after the regular school year ends and prior to the beginning of the new school year.

Please contact me if you have any questions.

RESOLUTION NO. 2016-XXX

A RESOLUTION AUTHORIZING THE ACQUISITION OF A UTILITY EASEMENT FOR PLACEMENT OF A WATERMAIN ON PROPERTY OWNED BY THE CAMBRIDGE-ISANTI SCHOOL DISTRICT

WHEREAS, the City Council passed Resolution No. 2016-063 approving plans for the school watermain loop; and,

WHEREAS, the most effective route for placement of the watermain loop involved connecting the watermain in Wendover Street NW, north of Heritage Boulevard, to the watermain at the Isanti Middle School; and,

WHEREAS, the City of Isanti requested a utility easement from the Cambridge-Isanti School District for the placement of the watermain on their property; and,

WHEREAS, the Cambridge-Isanti School Board held their regularly scheduled meeting on March 24, 2016 where the School Board granted a utility easement to the City for said purpose as set forth in the minutes as attached and depicted in the attached easement exhibit with the understanding that there shall be no cost to the City for said utility easement; and,

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City Of Isanti, Minnesota hereby authorize the acquisition of a utility easement from the Cambridge-Isanti School District for placement of a watermain as a secondary source of water to said area; and,

BE IT FURTHER RESOLVED by the City Council of the City of Isanti, Minnesota hereby that the Mayor and City Administrator are hereby authorized and directed to sign all easement related documents for the acquisition of said utility easement.

This resolution was duly adopted by the Isanti City Council this 19th day of April 2016.

Cambridge-Isanti Schools
Regular School Board Meeting Minutes
Thursday, March 24, 2016
Education Services Center – 7:00 p.m.

MINUTES

The Regular School Board Meeting of Cambridge-Isanti Schools was held on Thursday, March 24, 2016 - 7:00 p.m. at the Education Services Center in Room 121A and B with Board Chair, Tim Hitchings; members, Gary Hawkins, Lynn Wedlund, Heidi Sprandel, and Kyle Johnson; Absent, Jenni Caulk and Darcy Winsor; and Ex Officio, Superintendent, Dr. Ray Queener.

Pledge of Allegiance was said by all.

Motion made by Gary Hawkins, seconded by Heidi Sprandel to approve the meeting agenda. Motion carried unanimously.

Communications/Recognition: Instructional Assistant, Laura Fredenberg read a letter to the board on behalf of SEIU for Cambridge-Isanti Schools Instructional Assistants, Food Service and Custodial support staff. Chair Hitchings thanked Ms. Fredenberg on behalf of the school board for the letter.

School Board Showcase: Cambridge-Isanti High School Principal, Brenda Lemiani and Assistant Principals, Chad Gerlach and Pam Austad, shared with the board different student engaging activities held at the high school. Three stations were displayed with rotation of the board at each station. The following staff and students were at these stations:

- Blended Learning with Chromebooks: 9th Grade English with Rox Charlson and Dave Hanson. Students: Kenna Peterson, Kiah [illegible]ski, and Ashley Tebben.
- Scaling Innovation through New Course Offerings: CIHS Robotics with John Almos. Student: Josiah [illegible]
- Innovation in Science with Digital Sensors: College Biology with Tricia Hennen. Students; Dylan Bilger and Lydia Godfrey.

At each station, students shared with the board the process of their student engagement activity and gave a demonstration or talked about the activity at hand.

Board Committees/Administration Reports were as follows:

- Student Board Member – No report at this time.
- Community Education – Met on March 14th. Minutes in agenda. There has been a lot of interest shown within the community in regards to Lacrosse.
- Legislative – None
- Oak Land Cooperative Center – No meeting in March
- School Board Member Good News – CPS: First grade choir concert, March 17th; Roller skating is taking place in phy ed with students getting to skate in five class periods; Free movie night was held for families; SRO Officer read books on honesty and video recorded them for families to view; Math Night at Cub Foods – March 29th; Mc Donald's fundraiser – April 14th; Students will be fundraising for Pennies for Patients throughout the month of April. CIS: Teacher, Amanda Hagemeister has created a visually stimulating room with multiple learning stations. Her students

DRAFT

are actively engaged in learning or practicing skills for extended periods of time. IIS/SFAS: Year round is on spring break until April 4th; MCA testing will be taking place in April; April 1st – Bluejacket Pride will be celebrated; Student variety show will be coming in May.

- Board Committee Reports – Negotiations continue for Bus Drivers, Instructional Assistants, Food Service, and Custodians. Policy Review Committee met on March 3; Finance Committee met on March 16th; Communications Advisory Committee met on March 21st to discuss committee purposes and expectations. Subcommittees were formed and will begin to meet regularly to clarify priorities.

- Finance and Operations shared a document with the following updates:
  - Food Service: Administration Review has begun with MDE; working on FY 2016-2017 budget; looking at summer programs.
  - Finance: Working on FY 2016-2017 budget; payroll working to meet all requirements for the ACA regulations. Form 1095 will be sent to all employees qualifying for insurance (even those who qualified, but refused).
  - Building and Grounds: Working on capital budget which will be presented to board in April; Phase II Security project (ESC) is waiting for doors to arrive to move forward with implementation.
  - Transportation: Preparing for many field trips in spring; looking i routing for summer programs; planning for bus purchases for the 2016-2017 sc yea ooking into routing for the 2016-2017 school year; a facilities study is being one. Consultan will be chosen and a committee will be formed according to our strategic p n, St ategy 4, A ion Plan 5.
  - Communications: CAC met on March 21 social med aining of Sch 's Facebook and Twitter page was held with principals on h 15th. Ti training will continue forward on a one-to-one basis. Eventually this will be in egr d with t mobile app; stakeholder survey planning is underway.

- Human Reso es han out oc nt wit he following updates:
  - Director Admin. S vice nd HR, ulia Lines, did a Supershadow with ABM Jennifer Dewey at S. Ms. L es jo Ms. Dewey in many classrooms enjoying different activities with student nd staf "You can really tell RRS cares about their students," she said.
  - The Policy R iew Committee and the School Board have approved updates to 72 of the 177 policies for our district hoping to finish all of them over the next year.
  - STAR reporting will be completed in April. Data is collected and shared with MDE in regards to our licensed and non-licensed staff and stored via the Minnesota Department of Education. Principals are collecting data to determine staff need for the 2016-2017 school year.

- Teaching and Learning distributed a document on the following updates:
  - American Indian Advisory Board met on February 23rd.
  - DILT team met on March 2nd discussing the role of the committee.
  - Mr. Winters shared the wonderful opportunity to serve Green Eggs and Ham at CPS.
  - Last Leadership Academy at Resource Training and Solutions was held in April.
  - Summer planning taking place at ECMECC CIPD (Curriculum Integration and Professional Development Committee). Lake EMECC will be held this year at C-I Schools with Cambridge-Isanti High School hosting.
  - March 11th in-service a huge success.
  - Mr. Winters attended the MAESEP Conference. C-I Schools was very well represented with Rob Swanson, Patrick Marrow and Kristin Daniels presenting on Professional Development.
  - Technology is working on the following:
    - District Website

DRAFT

- State Testing Preparation. WIDA for ELL students will use Chromebooks this year. MCA testing starting in April via computer lab and Chromebooks.
- Collecting bids for infrastructure upgrade at middle schools
- TILT – Members are learning different components of technology to bring back to the buildings.
- Tech Tickets – Katie Casey and Katie Jo Maagard have used theirs.
- Patrick Morrow has developed Google sheets for standards prioritization.
- Blended Learning Think Tanks – Meetings held to discuss strengths, concerns and modifications of plan. Will have more information in April.

Superintendent Dr. Queener shared with the school board the following:

- Dr. Queener gave an update on the Director of Transportation position. Kerri Schibilla will be stepping into the role temporarily until April 29th. There will be first round pre-screening interviews for the position on Thursday, March 31st.
- SEE day at the Capital is April 6 and Dr. Queener along with 4 parents from the PAC team will be attending. Kim will send out information on date and time and when leaving Cambridge to school board members in case anyone is interested in attending.
- 2016 Legislation is in full swing. Lots of discussion is taking place. The Governor's budget is attached in your agenda and in its final stages. More will be coming as continued developments arise.
- Cambridge is doing a community book read "A Man Called Ove." The group is meeting at different locations to discuss the novel and share detail throughout the months of April and May.
- Hwy. 95 Task Force has been meeting about the expansion of Hwy. 95, downtown Cambridge. Please go to the City of Cambridge website for updates and project information.
- Dr. Queener expressed his gratitude about the March 11th in-service. He thanked all those who helped in putting the professional development day together and making it a huge success.
- Dr. Queener thanked Dan Mauer on his detailed work in putting the Business Advisory Committee together. The committee consists of community members who will help in refining experiences in careers and mentorship for our students in order to prepare them for success beyond high school.
- Dr. Queener attended the CPS Green Eggs and Ham breakfast. Great to see all the staff, students and families come together at this annual event.
- On February 23rd, Dr. Queener Supershadowed Dawn Doyle, Academic Interventionist at CPS. She is amazing. He got to participate in activities that included Sea Slide, Mental Math, and What Makes 10. He learned about intervention strategy and received thank you notes from all the students in her class.
- "Let's Talk About It" is a community program developed by SAVE (Suicide Awareness Voices of Education) that was held at CIHS on March 2nd. Dan Reidenberg, along with a youth panel and adult panel of community experts spoke on suicide prevention. Over 400 people attended the event.
- On March 31st, Dr. Queener, along with students from CIHS will be presenting to the Minnesota Design Team their vision and information on the school district and the community 5-10 years into the future. They will be presenting at 8:30 a.m. More information can be found at the City's website.
- Dollars for Scholars Phon-A-Thon will be held on April 4th and 5th with hopes to collect approximately $20,000 in pledges for scholarships from local community members.

Director of Admin Services and HR, Julia Lines, explained to the board the changes on Policy #406 – Public and Private Personnel Data. This policy will come up for approval at next school board meeting.

DRAFT

Director of Admin Services and HR, Julia Lines, explained to the board the changes on Policy #417 – Chemical Use and Abuse (Annual Mandatory Review). This policy will come up for approval at next school board meeting.

Director of Admin Services and HR, Julia Lines, explained to the board the changes on Policy #430 – Staff Leaves and Absences. This policy will come up for approval at next school board meeting.

Motion made Lynn Wedlund, seconded by Gary Hawkins to approve the consent agenda. Motion carried unanimously.

Heidi Sprandel met with Director of Finance and Operations, Kris Crocker, to discuss Cambridge-Isanti Schools' financials and everything looks good. Motion made by Gary Hawkins, seconded by Tim Hitchings to approve the Treasurer's Report subject to audit. Motion carried unanimously.

Kris Crocker read the resolution on gifts and donations and shared with the board the list of donors, nature of gift and amount of donation *(list is in board agenda)*. Motion made by Kyle Johnson, seconded by Heidi Sprandel to adopt the Resolution on Gifts and Donations to accept gifts, grants or devise of real or personal property. Roll call vote was taken: Lynn Wedlund, yes; Gary Hawkins, yes; Tim Hitchings, yes; Kyle Johnson, yes; Heidi Sprandel, yes. Absent: Jenni Caulk and Darcy Winsor. Against: None. Whereupon said resolution was declared duly passed and adopted.

Kris Crocker, Director of Finance and Operations, presented to the board a PowerPoint explaining the recommendations and dollars needed for the General Fund budget assumptions and priorities for the 2016-2017 school year. Motion made by Lynn Wedlund, seconded by Heidi Sprandel to approve the 2016-2017 Preliminary Budget Assumptions with a final Preliminary Budget coming to the board in June. Motion carried unanimously.

Motion made by Kyle Johnson, seconded by Heidi Sprandel to adopt the Resolution Full Parameter Crossover Refunding Series 2016D bonds. Ms. Crocker distributed a handout, Revised Pre-Sale Report to the board and was joined by Ehlers representatives, Andrea Uhl and Joel Sutter. They shared with the board the change in approving the full parameter refunding resolution and giving the authority to Ms. Crocker and one school board member to accept bids on Tuesday, March 29th at the opening bid of the Series 2016D bonds. Roll call vote was taken: Lynn Wedlund, yes; Gary Hawkins, yes; Tim Hitchings, yes; Kyle Johnson, yes; Heidi Sprandel, yes. Absent: Jenni Caulk and Darcy Winsor. Against: None. Whereupon said resolution was declared duly passed and adopted.

Motion made by Gary Hawkins, seconded by Lynn Wedlund to adopt the Resolution on Parent Advisory Committee for American Indian Education. There are approximately 62 students in the Cambridge-Isanti Schools who would access this education. Next week there will be a meeting with the Mille Lacs Band Indians and a liaison to further the process. Revenue at this time is $35,000. Roll call vote was taken: Lynn Wedlund, yes; Gary Hawkins, yes; Tim Hitchings, yes; Kyle Johnson, yes; Heidi Sprandel, yes. Absent: Jenni Caulk and Darcy Winsor. Against: None. Whereupon said resolution was declared duly passed and adopted.

Motion made by Heidi Sprandel, seconded by Kyle Johnson to approve the Washington D. C. Trip for IMS and CMS occurring March 31st to April 2nd, 2016. Sixty students will be attending this trip. Total cost per student is $1,200 with some of the cost of the trip paid through fundraising and the balance paid for by families. Motion carried unanimously.

Motion made by Kyle Johnson, seconded by Gary Hawkins to approve the College Biology Trip to Ecuador and the Galapagos Islands in June, 2017. Currently twelve students are registered to attend this trip. Total cost per student is $3,500 with some of the cost of the trip paid through fundraising and the balance paid for by families. Motion carried unanimously.

DRAFT

Motion made by Lynn Wedlund, seconded by Gary Hawkins to approve the Request for membership into the International Thespian Society. This society allows recognition of students who have met certain requirements that are involved in theatre within the district. Motion carried unanimously.

Motion made by Gary Hawkins, seconded by Tim Hitchings to approve the Quality Compensation Letter of Intent for Q-Comp. This letter is needed to begin the process of application. The proposal/plan will need to be submitted by the May 15th deadline. Motion carried unanimously.

Motion made by Gary Hawkins, seconded by Tim Hitchings to approve the Negotiated Administrative Assistant Contract for 2015-2017. Motion carried unanimously. Mr. Hitchings thanked the administrative assistants for participation in the negotiation process.

Motion made by Lynn Wedlund, seconded by Gary Hawkins to approve the Memorandum of Understanding for Kerry Schibilla for Interim Director of Transportation from March 4th, to April 29th, 2016. Motion carried unanimously.

Motion made by Heidi Sprandel, seconded by Gary Hawkins to adopt the Resolution Relating to the Proposed Expulsion of a student. Roll call vote was taken: Lynn Wedlund, yes; Gary Hawkins, yes; Tim Hitchings, yes; Kyle Johnson, yes; Heidi Sprandel, yes. Absent: Jenni Caulk and Darcy Winsor. Against: None. Whereupon said resolution was declared duly passed and adopted.

Motion made by Heidi Sprandel, seconded by Kyle Johnson to approve the Withdrawal Agreement of a Student. Motion carried unanimously.

Motion made by Lynn Wedlund, seconded by Heidi Sprandel to approve Policy #401 – Equal Employment Opportunity. Motion carried unanimously.

Motion made by Gary Hawkins, seconded by Tim Hitchings to approve Policy #429 – Professional Staff (Teachers), Personnel Staff (Support Staff) Recruiting, Hiring, Assignment, Transfer and Evaluation. Motion carried unanimously.

Motion made by Heidi Sprandel, seconded by Lynn Wedlund to approve Policy #532 – Use of Peace Officer and Crisis Teams to Remove Students with IEPs from School Grounds. Motion carried unanimously.

Motion made by Heidi Sprandel, seconded by Kyle Johnson to approve the City of Isanti Easement Limited Warranty Deed. The deed will accept the proposed plan from the City of Isanti to install a new water main loop, connecting to the existing waterman, to supply a secondary source of water to Isanti Middle school to prevent future water shutdowns should a water main break in the future. This will be at no cost to the district. Motion carried unanimously.

Motion made by Heidi Sprandel, seconded by Kyle Johnson to adjourn meeting at 8:47 p.m. Motion carried unanimously.

From: Roxanne Achman, Community Development Director

Date: April 19, 2016

Subject: Nuisance Weed/Grass Abatement – Quote for Service

Background

The City received 5 quotes for 2016 nuisance residential and large tract weed/grass abatement (lot mowing). Staff evaluated the two lowest quotes for residential mowing. After the evaluation, the low quote for residential abatement this year was submitted by Cory's Complete, LLC. The quote is for $32.00 per residential lot mowed and a $5.00 mobilization charge. The low quote for large tract abatement was submitted by North Country Lawn Care Inc. The quote received was a $50.00 base fee charge that includes the first hour of mowing, plus $25.00 per additional hour after the first hour of mowing.

The specifications allow awarding residential and large tract abatement work to separate qualified contractors. Attached is a summation of the quotes received. A provision is included in the resolution that should the contractor awarded not perform in accordance with the contract; staff has the authority to offer the services to the next lowest quoter.

Staff further recommends that the 2016 fee to be charged for properties abated using a private vendor would be the actual cost charged by the vendor to the City for the service and the $25.00 administrative charge as designated in the City Fee Schedule.

RESOLUTION NO. 2016-

RESOLUTION AWARDING QUOTE FOR OUTSOURCING THE MOWING OF NUISANCE WEED/GRASS ABATEMENT LOTS

WHEREAS, the City of Isanti has determined that is in the City's best interest of the City to accept quotes for the outsourcing of mowing services for nuisance weed/grass abatement lots located within the city; and

WHEREAS, a request for quotes for the services was published in the City's official newspaper; and

WHEREAS, quotes were received and a tally of the quotes is provided on the attached 'Exhibit A';

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota as follows:

1. To hereby award the low quote for mowing services for nuisance residential weed/grass abatement lots as provided within the specifications so posted and published to **Cory's Complete, LLC** for the 2016 mowing season.
2. To hereby award the low quote for mowing services for nuisance large tract weed/grass abatement as provided within the specifications so posted and published to **North Country Lawn Care Inc.** for the 2016 mowing season.
3. That **Cory's Complete, LLC** and **North Country Lawn Care Inc.** provides a Certificate of Compliance as required under the Minnesota Workers' Compensation Law (if required).
4. That **Cory's Complete, LLC** and **North Country Lawn Care Inc.** provides a copy of their liability insurance and names the City as an 'additional insured'.
5. That the quotations as signed by the vendors for the 2016 Growing Season constitutes a contract with the City of Isanti for said services.
6. That City staff is authorized to charge the administrative fee for billing of properties abated as designated in the City Fee Schedule; with the administrative fee, rate charge and any applicable sales tax charged to the responsible party.

FURTHERMORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota that in the event that it is determined that **the Contractors** do not perform in accordance with this resolution, the specifications and the contract entered into; Staff has the authority to offer to said services to the next lowest quoter, as per quotes provided to the City of Isanti.

This resolution was duly adopted by the Isanti City Council this 19th day of April 2016.

CITY OF ISANTI

2016 REQUEST FOR QUOTATION
For Nuisance Weed Abatement on Private Property

Company Name/Address:

_____

_____

_____

_____

Telephone Number:

( )_____

Quotations will be received until 1:00 p.m. on Wednesday, April 6, 2016.
Quotations are requested from commercial mowing firms for furnishing labor and equipment for the abatement/cutting of weeds and tall grass on developed and vacant residential lots within the City of Isanti. Also requested is a base fee plus an hourly mowing rate for large tracts. The City reserves the right to consider the large tract rate fee quote separately from the residential lot mowing fee quote. The properties for which services are being requested will be in violation of the City's weed nuisance ordinance. Generally grass and weeds will be 8" or more in height. The City reserves the right to accept or reject quotes received for these services.

THIS CONTRACT IS FOR THE 2016 GROWING SEASON.

****

Requirements – Minimum:

A. Performance

- The cost per site will include the following: mowing and trimming around structures, posts, fences and objects. Ancillary clearing of loose paper/cardboard debris prior to mowing. Care shall be taken not to damage trees and shrubs.
- Areas must be cut within two working days of date of City request via e-mail Note: There will be a $25 penalty fee for each site not mowed within the two working days (week days), unless there is approval by the Public Works Director to extend this period due to weather or extenuating circumstances.
- In the event the selected contractor cannot mow in the time specified, the City has the right to contact alternate mowing contractors to perform the work.
- Streets, sidewalks and driveways must be free of cutting debris. Bagging and removal of clippings is not required.
- Weeds and grass must be cut and trimmed to 3" height.
- Insurance – must carry a $1 million liability coverage policy and workers compensation insurance (if required). A certificate of insurance with the City of Isanti named as an additional insured will be required. Service providers shall meet all City requirements prior to providing services to the City.

- In the event of non-performance or at the City's discretion, services from the vendor may be terminated by written notice from the City.
- Regarding Large Lot mowing, a 50 foot perimeter is to be mowed around the property where it abuts a street or property line of a developed area. The contractor must have equipment capable of mowing rough larger multi-acre areas. These areas may have weeds, brush and small trees (up to 2 inches) that will need to be removed. It is the contractor's responsibility to check areas prior to mowing for rocks and debris that may damage their equipment. Care should be taken not to mow over the extension of water curb boxes, wood stakes or other property markers. The Contractor should consult with City officials concerning whether only perimeter mowing of the areas is required or if the entire site needs to be mowed.
- Mowing contractors must be available for the entire mowing season which could start as early as April and extend as late as the end of October.
- The selected mowing contractor will meet with City staff prior to the start of the mowing season and shortly after mowing has started to ensure an efficient process.

B. Communication and Billing

- The City will e-mail the address of lots/sites that will require mowing to the contractor.
- The contractor will have two full business days after the date the e-mail is sent to complete the work.
- Once the work is completed on a property, the contractor will notify the City by e-mail that the service has been completed (on the day of service).
- Invoices must be submitted for payment with specific dates that services were performed. At the end of each month, the contractor will submit a statement reflecting all invoices previously submitted for payment. Payment will only be made from invoices.

C. Equipment Required: Please list this equipment below.

- Commercial grade self-propelled walk or rider mower and weed trimmers.
- For Large Lot Mowing – commercial grade equipment capable of mowing rough areas, brush and small trees.

DATE: April 13, 2016

RE: Award Quote and Contract for Refuse Services

A request for quotes was placed in the official newspaper and posted for refuse collection services for the City. The service period is for two years; from June 1, 2016 through May 31, 2018.

Two quotes were received for the service, one from ACE Solid Waste and one from East Central Sanitation. East Central Sanitation's quote came in at $315 /month for all services, $ 175 per roll-off box for Clean-up Day and no charge for park containers and containers for city events. ACE Solid Waste's quote came in at $ 367 /month for all services and they quoted $ 84 /month for park containers, $ 200 per roll off box for Clean-up Days; and $ 5.00 for each container/trash can for city events.

In review of the quotes received, staff recommends awarding the refuse service to East Central Sanitation and to authorize entering into a two-year contract for refuse services. Attached is a resolution and contract for your consideration.

RESOLUTION NO. 2016-

A RESOLUTION AWARDING QUOTE AND AUTHORIZE ENTERING INTO A TWO YEAR CONTRACT FOR REFUSE SERVICE

WHEREAS, the City of Isanti has determined that it is in the City's best interest to seek quotes for refuse services for the Isanti Municipal Facilities, and

WHEREAS, quotes were received as follows:

Quoter	**Quote Amount**
East Central Sanitation	$315.00/mo base quote Additional: Park Containers - $0.00/no charge Park Recycling Containers - $0.00/no charge Clean-up Day: roll-off/s, labor, dumping fees – $175 per roll off Additional Services/City Events per container – $0.00/ no charge container/can
ACE Solid Waste	$367.00/mo base quote Additional: Park Containers – $84.00/mo Park Recycling Containers - $56.00/mo Clean-up Day: roll-off/s, labor, dumping fees - $200 per roll off Additional Services/City Events per container – $5.00/container/can
Two quotes were received	

NOW THEREFORE BE IT RESOLVED by the City Council of the City of Isanti, Minnesota as follows:

1. That the City Council awards the quote to East Central Sanitation as the most responsible quoter for the base quote amount of $315.00 per month, $175.00 per roll off container for City Clean-up Day and a $0.00 'no charge' for the additional quoted items as stated in the above quote tabulation.

2. That the City Administrator is hereby authorized to enter into a two year contract with East Central Sanitation for the provision of refuse services to the Isanti Municipal Facilities for a two year period from June 1, 2016 to May 31, 2018.

3. That a copy of the said contract be attached to this resolution including the responsibilities of both parties for the refuse service.

This resolution was duly adopted by the Isanti City Council this 19st day of April 2016.

Attested:

Mayor George A. Wimmer

Donald C. Lorsung
City Administrator

(SEAL)

CITY OF ISANTI

CONTRACT FOR REFUSE SERVICES

This agreement is made as of the ____ day of April, 2016, between the City of Isanti, a Minnesota Municipal Corporation **("City")**, and East Central Sanitation **("Contractor")**. The **City** and the **Contractor** agree as follows:

SECTION 1. PURPOSE

The purpose of this agreement is to establish a standardized refuse service collection procedure for the Isanti Municipal facilities.

SECTION 2. SERVICES TO BE PERFORMED

A. The **Contractor** shall collect all refuse materials from the municipal facilities listed on Appendix A. The collection shall be on an as needed basis and from the designated containers.

B. The **Contractor** shall not be required to make regular collections on State of Minnesota legal holidays; provided, however, that collection shall occur on the routes reasonably in advance thereof or thereafter as the **City** and **Contractor** may agree so that the schedule can be completed regardless of a holiday.

C. The **Contractor** shall provide the following equipment and labor annually for the City Clean-up day:

1. Two (2) roll-off boxes or equivalent of a size adequate for the intended purpose and dumping fees for collected materials.

2. All required labor for removal of materials collected.

3. Trucking services for the delivery and removal of the roll-off boxes.

The **City**, with the cooperation of the **Contractor**, shall provide a system for the collection of any necessary special fees associated with the collection and disposal of problem materials at the clean-up day (i.e. tires, appliances, fluorescent bulbs).

SECTION 3. TERM OF CONTRACT

A. The term of this **Contract** shall be June 1, 2016 through May 31, 2018.

SECTION 4. PREPARATION FOR COLLECTION

A. All occupants of municipal properties will be directed to prepare and store refuse materials in containers provided by the **Contractor**.

SECTION 5. CONTRACTOR'S EQUIPMENT

A. All vehicles used by the **Contractor** in picking up the materials from the municipal properties shall be painted and marked uniformly and shall be identified on both sides of the cab. Broom and shovel in good usable condition shall be placed and maintained on each vehicle.

B. The **Contractor** shall make all collections of materials in vehicles with closed tops on the load portion so that contents will not spill or leak. All of the **Contractor's** receptacles and vehicles shall be kept clean and as free from offensive odors as possible and shall not be allowed to stand in any street or other place longer than is reasonably necessary to collect materials.

C. The **Contractor** shall keep all equipment used in the performance of the work required by this **Contract** in good operating condition and in a clean, sanitary condition and shall thoroughly wash each vehicle as least twice each month or before each semi-monthly collection unless the same has not been used since the last washing. All of the **Contractor's** equipment is subject to periodic inspection by the **City**.

SECTION 6. CONTRACTOR'S OPERATIONS

A. The **Contractor** shall establish and maintain, in a location approved by the City Administrator, an office staffed and capable of accepting complaints and customer calls. The office shall be in service during the hours of 8:00 a.m. and 5:00 p.m. on all days of collection as specified herein. The address and telephone number of the office shall be given to the **City** in writing. Any changes in address and telephone number of the office shall be given to the **City** in writing at least ten (10) working days prior to such change.

B. Complaints on service will be taken and collected by the **City** in addition to those received at the **Contractor's** office. The **City** will notify the **Contractor** of all complaints it receives. The **Contractor** is responsible for all corrective actions. A record of all such complaints and the action taken thereon shall be kept by the **Contractor** and reported monthly to the City Administrator. All complaints shall be answered by the **Contractor** courteously and promptly.

C. The **City** shall notify the **Contractor** by 12:00 noon on the day following the scheduled pick-up of any missed stops. The **contractor** is required to service such locations before 5:00 p.m. on the date of notification.

D. The **Contractor's** employees shall handle all containers with reasonable care to avoid damage, shall replace all containers in an upright position and shall immediately clean up and dispose of any materials which may have fallen out of a container.

E. The performance of the **Contract** shall be done by the **Contractor** with forces which are adequate to insure the satisfactory collection and disposal of the materials at all times. **Contractor's** failure to perform shall not be excused by adverse conditions of weather, breakdown and similar hindrances, which on other work might be regarded as "acts of providence".

F. The **Contractor** shall certify that any materials collected specially for recycling are delivered to a recycling processing center. Materials, specifically intended to be recycled, found to be landfilled will be in violation of the **Contract** and shall be grounds for termination of the **Contract**.

SECTION 7. COMPENSATION

The **City** will compensate the **Contractor** for the collection of refuse and recycling materials from City facilities a sum of ***$ 315.00*** plus tax per month during the life of the Contract; and the **City** shall compensate the **Contractor** fees in the amount listed on their Refuse Services Bid Sheet (See Attached) for Parks, Clean Up Day, and Additional Services/City Events. There shall be no additional fees for roll offs, labor, and dumping fees for the spring clean-up day (as provided in the specifications).

SECTION 8. LIABILITY INSURANCE / INDEMNIFICATION

The **Contractor** shall indemnify and hold harmless the **City** and its officers, agents and employees from and against all claims, damages, losses or expenses, including attorney fees, for which it may be held liable, arising out of or resulting from the assertion against them of any claims, debts or obligations in consequence of the performance of this **Contract** by the **Contractor**, its employees, agents or subcontractors. **Contractor** will carry, for the duration of this Agreement, liability insurance coverage and shall provide a Certificate of Liability Insurance to the City and shall name the **City of Isanti** as an additional insured, an amount of not less than $500,000.00, insuring against personal injury or property damage for liability to third parties. The **Contractor** shall provide a copy of his license to haul as authorized and approved by Isanti County.

SECTION 9. TERMINATION

The **City** shall have the right to terminate this **Contract** prior to the expiration of its term if in the **City's** opinion, there has been a breach of its terms by the **Contractor**.

SECTION 10. PENALTIES AND DAMAGES

A. Failure by the **Contractor** to perform under this **Contract**, may result in its termination and/or claims by the **City** for damages.
B. In the event of breach of this **Contract** by the **Contractor**, or proven negligence by the **Contractor**, the **Contractor** agrees to pay, in addition to the actual damages sustained by the **city** as a result thereof, the cost, including reasonable attorney's fees incurred by the **City** in pursuing any of its rights under this **Contract**.

SECTION 11. SUCCESSORS AND ASSIGNS

The **Contractor** binds itself, its successors, executors, administrators and assigns to the **City** in respect to all covenants of this **Contract**, except that the **Contractor** shall not assign or transfer any part of its interest in this **Contract** nor shall the **contractor** assign any moneys due, or to become due, without the **City's** written consent.

SECTION 12. AMENDMENT, MODIFICATION OR WAIVER

No amendment, modification, or waiver of any condition, provision, or term of this **Contract** shall be valid or of any effect unless made in writing, signed by the party or parties to be bound or by its duly authorized representative, and specifying with particularity the extent and nature of such amendment, modification, or waiver. Any waiver by any party or any default of another party shall not affect or impair any right arising from any subsequent default.

SECTION 13. SEVERABLE PROVISIONS

Each provision, section, sentence, clause, phrase, and word of this **Contract** is intended to be severable. If any provision, section, sentence, clause, phrase, or word hereof is illegal or invalid for any reason whatsoever, such illegality or invalidity shall not affect the validity of the remainder of this **Contract**.

SECTION 14. ENTIRE CONTRACT

This **Contract** contains the entire understanding of the parties hereto with respect to the transactions contemplated hereby and supersedes all prior agreements and understanding between the parties with respect to such subject matter. No representations, warranties, undertakings, or promises, whether oral, implied, written, or otherwise, have been made by either party hereto to the other unless expressly stated in this **Contract** or unless mutually agreed to in writing between the parties hereto after the date hereof, and neither party has replied on any verbal representations, agreements, or understandings not expressly set forth herein.

SECTION 15. CAPTIONS, HEADINGS OR TITLES

All captions, headings or titles in the paragraphs or sections of this **Contract** are inserted for convenience of reference only and shall not constitute a part of this **Contract** as a limitation of the scope of the particular paragraphs or sections to which they apply.

The representative of East Central Sanitation hereby acknowledges receipt of this **Contract** and has reviewed the conditions of this **Contract** and has agreed that they comply with the terms of this **Contract**.

This contract for refuse service for municipal facilities is hereby entered into on the _____ day of April, 2016, between East Central Sanitation and the City of Isanti for the period from June 1, 2016 through May 31, 2018.

Request for City Council Action

To: **Mayor Wimmer and City Council Members**
From: Chief Gene C. Hill
Date: April 13, 2016
Subject: Squad Rifles

MEMO

Background:

The police department does not specifically own its own police rifles. The patrol rifles that the PD has in use are weapons obtained through the Federal 1033 program. These weapons or owned by the Department of Defense (DOD) and local governments are allowed to use them with many restrictions. One such restriction is that the DOD can request the return of the weapons at any time and we have to comply. This would leave our agency without any patrol rifles/carbines. The DOD has already requested the return of our M-79 Grenade Launcher that was obtained through this very same program

The City of Blaine has replaced their squad rifle fleet with new ones and are offering their used rifles to any Mn. law enforcement agency. The weapon is a Heckler and Koch (H&K) MP5 .40 caliber carbine. New these weapons are approximately $1895.00 each. I can obtain 10 carbines for $1,000.00 ($100.00 each). Ten carbines would allow for each officer to have their own dedicated patrol rifle for duty use. I would fund this purchase with forfeiture dollars.

Lt. Muyres and I are patrol rifle/carbine instructors and we would be more than capable in holding a training session for the officers to be fully trained in their operation.

Action:

The Finance Committee has reviewed this request and supported the idea to be heard by the City Council. I am asking that the City Council to allow this purchase with the use of forfeiture funds and that a check to be made out to the City of Blaine.

Respectfully,

Chief Gene C. Hill

RESOLUTION NO. 2016-_____

A RESOLUTION AUTHORIZING THE PURCHASE OF TEN H&K MP5 SQUAD RIFLES FROM THE CITY OF BLAINE

WHEREAS, the Police Department has a need for squad rifles and that the City does not own any of their own, and;

WHEREAS, the rifles that the city currently uses are on loan from the Department of Defense (DOD) and are subject to many restrictions, one being that they can be requested for return at any time without question, and;

WHEREAS, the City of Blaine is selling their useable H&K MP5 squad rifles for 10 for $1,000 in total, and;

WHEREAS, the weapons have been inspected and are all in working order, and;

WHEREAS, the funding source would be from the police department's forfeiture fund, and;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota as follows:

1. That the City Council authorizes the Chief of Police to purchase the rifles for the City of Blaine, that a check for their purchase made out to the City of Blaine and that the funding source will be the IPD Forfeiture Fund.

Adopted by the Isanti City Council this 19th day of April, 2016.

RESOLUTION NO. 2016-

A RESOLUTION TO DECLARE CERTAIN PROPERTY AS SURPLUS AND AUTHORIZE ITS SALE BY PUBLIC AUCTION

WHEREAS, on occasion the City of Isanti incurs supplies and equipment that is no longer of use for departments within the City; and,

WHEREAS, it has been determined that the Public Works Department has light fixtures that were removed for the facility lighting upgrade that are of no use to the City and is considered surplus property; and,

WHEREAS, Resolution No. 2003-014 provides guidelines for the disposal of surplus property; and,

WHEREAS, the light fixtures will be placed for public auction, the next public auction is June 11, 2016 at Wayne Pike Auction in Princeton, Mn;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City Of Isanti, Minnesota hereby authorizes the following:

1. To declare lighting fixtures from the Public Works Facility that were removed for the lighting upgrade project surplus and post public notice that the items will go to public auction.
2. The Public Services Director shall have the authority to sign all necessary paperwork to allow for the process for auction of the surplus items identified per this Resolution.

This resolution was duly adopted by the Isanti City Council the 19th day of April, 2016.

Request for City Council Action

To: **Mayor Wimmer and City Council persons**

From: Chief Gene C. Hill

Date: April 13, 2016

Subject: Vacation Extension – Officer Barrows

MEMO

Background:

Officer Barrows has been on Administrative Leave since December 16, 2015 with an unknown return date to work. His employment anniversary date is July 1st, 2016. Because of his absence, he potentially will run out of time to use his vacation.

Based on current policy, whatever vacation time you have over your allowed carryover, you would forfeit. So as not to penalize Officer Barrows for something that was out of his control, I recommend to the Personnel Committee that Officer Barrows be given an extension to use his vacation time.

I recommended the following extension to the Personnel Committee and they agreed that Officer Barrow's shou8ld get an extension as follows; the extension period would be equal to the amount of days since December 16th, 2015 until his return to work date.

Action:

For the City Council to review and consider making this extension for Officer Barrows to use his accrued vacation time based on the above criteria.

Thank you for your time and consideration.

Respectfully,

Chief Gene C. Hill

Barrows, Rodrick L.*

As previously communicated, on your anniversary date, you may carry over accrued vacation leave up to a maximum of your allotted accrual rate plus 48 hours. Accrued vacation hours in excess of the allowed amount shall be forfeited by the employee..."

According to the calculation **162.2** hours to use **prior to July 1, 2016** below you have approximately

(If hired prior to March 1, 2007 your anniversary date will be July 1st)

Annual Accrual	=	216
Plus 48 Hours	=	48
Allowed Annual Carryover	=	264
Vacation Balance @ 3/24	=	376.36
Accurals to Anniv Date	=	49.86
Est. Balance @ Anniv Date	=	426.22
Allow Annual Carryover - Approx	=	**162.22**
Vacaction Balance		

RESOLUTION NO. 2016-_____

RESOLUTION AUTHORIZING AN EXTENSION TO OFFICER RODRICK BARROWS TO USE HIS ACCRUED VACATION TIME

WHEREAS, the City has a policy that each employee can carry so much vacation time based on their years of service and that by their anniversary date of hire they need to be down to their minimums or forfeit their remaining time; and

WHEREAS, the City has placed Officer Barrows on administrative leave as of December 16, 2015, thus Officer Barrows has not had the ability to use his accrued vacation time; and

WHEREAS, the Personnel Committee has reviewed and recommended that and extension should be considered; and

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to authorize the extension of Officer Barrows in that his extension period would equal the amount of days from December 16, 2015 until his return to the work schedule.

This resolution was duly adopted by the Isanti City Council this 19h day of April, 2016.

RESOLUTION OFFERING THE POSITION OF HUMAN RESOURCES/ CITY CLERK TO LINDSEY MCINNIS

WHEREAS, the City Council of the City of Isanti is required to approve all new employees; and

WHEREAS, the City advertised and accepted applications for the Human Resources/ City Clerk position; and

WHEREAS, the Personnel Committee has selected Ms. Lindsey McInnis as the most qualified candidate for the position; and

WHEREAS, the hiring will be contingent upon a successful background check, reference checks, and any other new hire testing/exams necessary or applicable to the positon, and final approval by the Personnel Committee.

NOW THEREFORE BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ISANTI, MINNESOTA AS FOLLOWS:

1. That the City Administrator is hereby directed to offer the Human Resources/ City Clerk position to Ms. Lindsey McInnis for the City of Isanti with a start date of May 9, 2016 with conditions as provided in a contract that is to be created between the City of Isanti and Ms. McInnis.
2. Ms. McInnis will start at Step 4 of the City's pay scale for the Human Resources/ City Clerk position at $62,124.70 annually.
3. That the Mayor and City Administrator are authorized to sign said contract upon approval of the Personnel Committee.
4. That the City Administrator is directed to complete all required documentation for the completion of the employment offer upon approval of the Personnel Committee.
5. That the City Administrator is directed to forward an executed copy of this resolution to the employee and place a copy in the employee's personnel file for future reference.
6. That the hiring will be contingent upon a successful background check, reference checks, and any other new hire testing/exams necessary or applicable to the positon, and final approval by the Personnel Committee.

RESOLUTION NO. 2016-

A RESOLUTION AUTHORIZING SIGNATURES AND IDENTIFYING OFFICIAL SIGNATURES ON DOCUMENTS PERTAINING TO CITY MATTERS

WHEREAS, the City of Isanti must apply official signatures to documents on a daily basis; and,

WHEREAS, the Finance Director is required by statute to sign certain documents on behalf of the city; and,

WHEREAS, the City Administrator is authorized to sign certain documents on behalf of the city; and,

WHEREAS, the Human Resources / City Clerk is authorized to sign certain documents on behalf of the city; and,

WHEREAS, the Assistant City Administrator is authorized to sign certain documents on behalf of the city; and,

WHEREAS, on occasion it is necessary for the above individuals to be absent from City Hall;

NOW THEREFORE BE IT RESOLVED by the City Council of the City of Isanti, Minnesota as follows:

1. The City of Isanti recognizes the need for an efficient city government and also recognizes the complexity of the daily schedules the above appointed city officials.

2. The City Administrator is authorized to sign official documents on behalf of the Finance Director, and act as their deputy in their absence. In situations where two signatures are required, the Human Resources / City Clerk or Assistant City Administrator shall sign documents as the second signatory on behalf of the City Administrator.

3. The City Administrator is authorized to sign official documents on behalf of the Human Resources/ City Clerk and act as their deputy in their absence. In situations where two signatures are required, the Finance Director or Assistant City Administrator shall sign documents as the second signatory on behalf of the City Administrator.

4. This resolution is effective April 20, 2016 and its adoption repeals Resolution No. 2015-310 in its entirety.

MEMO

Date: April 15, 2016

Subject: Ordinance Combining the Offices of City Clerk and City Treasurer

---

With the resignations of the HR/City Clerk and Finance Director, the Offices need to be re-combined with the City Administrator's office. The attached draft ordinance combines the offices, with an un-combining of the City Clerk office upon the filling of that position; and eventual designation of a new Finance Director as City Treasurer upon future City Council action.

City Attorney Joslin has reviewed and approved the draft ordinance.

ORDINANCE NO. ____

AN ORDINANCE COMBINING THE OFFICES OF CITY CLERK AND CITY TREASURER

WHEREAS, the City of Isanti is a statutory Plan A city; and

WHEREAS, the Finance Director gave a notice of resignation as an employee of the City of Isanti effective at the end of the day, April 22, 2016; and

WHEREAS, in the past the City Administrator was appointed as interim City Treasurer until such time as a new employee was appointed Finance Director; and

WHEREAS, Minnesota State Statute 412.591, Subd. 2, requires Statutory Plan A Cities to adopt, as applicable, an ordinance to combine the City Clerk and City Treasurer positions. In absence of the City Clerk, the City Administrator, pursuant to past practice serves as City Clerk for the City; and

WHEREAS, the City Council finds it most efficient to combine the City Clerk and City Treasurer positions on a temporary basis until appointment of a new City Clerk.

NOW, THEREFORE, the City Council of the City of Isanti, Isanti County, State of Minnesota hereby ordains as follows:

Section 1. The offices of City Clerk and City Treasurer are combined to a new office known as City Clerk-Treasurer. This combination is temporary due to a vacancy in the City Clerk's office, and upon the first day of employment of a new City Clerk, the offices are un-combined.

Section 2. The City Administrator shall serve as City Treasurer until a new Finance Director is hired and takes office. The City Council shall than consider a resolution to appoint the Finance Director as City Treasurer.

Section 3. Effective Date. This Ordinance shall become effective on April 23, 2016.

Adopted and passed by the Isanti City Council on this 19th day of April, 2016.

RESOLUTION NO. 2016- **L.18.**

RESOLUTION APPROVING A CONTRACT FOR BUILDING OFFICIAL CONSULTING SERVICES

WHEREAS, Building Official Rick Sames gave notice of resignation as an employee of the City of Isanti, with his last work day January 8, 2016; and

WHEREAS, the Personnel Committee recognizes that Building Official Nick Henly may desire to consult with former Building Official Rick Sames on certain tasks and plan reviews during his first few months due to several large scale projects underway; and

WHEREAS, the Personnel Committee finds it would be a smoother transition to have Sames provide consultation services and recommends contracting with Sames for building official consultation services.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, as follows:

1. Hereby enters into the attached contract between the City of Isanti and Rick Sames for building official consolation services, with Sames' hourly rate being as follows:
   - Phone consultation rate: $50.00 per hour, with a minimum of $25.00 billed out.
   - In-house consultation rate: $68.00 per hour, with a minimum of one (1) hour billed out.
   - Travel rate: $34.00 per hour in addition to the federal mileage rate for vehicle miles traveled.
2. Approves and authorizes staff to sign the contract between the City of Isanti and Sames.

This Resolution hereby approved by the Isanti City Council this 19th day of April 2016.

Attest: Mayor George A. Wimmer

Donald C. Lorsung

CONTRACT FOR BUILDING OFFICIAL CONSULTING SERVICES

This agreement is hereby entered into between the City of Isanti (hereinafter "City") and Rick Sames (hereinafter "Consultant") for provision of building official consulting services related to City Building Department matters.

It is understood that Consultant is acting as an independent contractor and the relationship between the parties is merely contractual. Consultant will not be deemed an employee of the City of Isanti.

Consultant hereby agrees to provide the services as Building Official Consultant to the City of Isanti as set forth in Exhibit 'A' attached hereto and made a part hereof.

City agrees to compensate Consultant at a rate of $50.00 per hour for services provided by Consultant via phone call, with a minimum of $25.00 per call. In-house consulting shall be provided by Consultant at a rate of $68.00 per hour, to be billed at a rate of no less than one (1) hour. Travel time shall be compensated at $34.00 per hour in addition to the federal mileage rate for vehicle miles traveled. Services provided to City are pursuant to the provisions of this contract.

Consultant shall submit work logs indicating the tasks performed and hours worked setting forth the billable hours for which payment is requested. City shall have thirty (30) days upon receipt of statements to send out payment to Consultant.

Either party shall have the right to terminate this contract, with or without cause upon not less than thirty (30) days written notice specifying the effective date of termination. The term of this contract shall commence as of March 1, 2016 and shall terminate as of 11:59 p.m. June 30, 2016, unless extended in writing signed by the parties hereto prior to said termination date, and unless sooner terminated as provided above.

This contract for building official consulting services is hereby entered into on the ____ day of April, 2016, between Rick Sames and the City of Isanti for the period from March 1, 2016 through June 30, 2016.

City of Isanti
Economic Development Authority
Regular Meeting Minutes of
April 5, 2016
Isanti City Hall

1. Call to Order

The meeting was called to order by Economic Development Director Sullivan at 7:40 p.m.

a. Pledge of Allegiance

b. Roll Call

Commissioners Present: Keith Dragisich, Dan Collison, Steve Lundeen, Paul Bergley and George Wimmer, Tara Hallberg

Commissioners Absent: Adam Johnson

Staff Present: Economic Development Director Sean Sullivan

c. Agenda Modifications

No modifications to the agenda were presented.

2. Approval of Agenda

Motion to approve Agenda as presented by Lundeen, second by Collison, motion carried unanimously.

3. Approve Minutes of March 2, 2016 Regular Economic Development Meeting

Motion by Collison second by Bergley to approve the minutes for March 2, 2016. Motion carried unanimously.

4. Consider Updating Verbiage on Historic Main Street Sign

Economic Development Director Sullivan presented the staff memo highlighting the history of the sign and the contributions of Ken Drilling and Jill Reller. He indicated that the Chamber had moved to another location in Isanti and that the "Chamber of Commerce" needed to be removed from the sign and that adding the Farmers Market was a good idea. He reviewed three sign options and recommended selecting version 3 which simply had Isanti Farmer's Market without and dates or times. He felt that more information would be too small to read.

Commissioner Dragisich stated that it is hard to read and suggested if the lettering could be made bigger and to remove the train.

Commissioner Collison noted that there was no reference to car show.

DRAFT

Commissioner Lundeen suggested that the City Logo, (tree) be incorporated into sign.

President Wimmer notified the EDA that Ken Drilling passed away on Monday

President Wimmer asked if dates and times were important. Discussion ensued.

Commissioner Bergley thought time was a good idea.

Commissioner Hallberg suggested using "seasonal"

Commissioner Dragisich asked about the condition and effectiveness of the sign.

Economic Development Director Sullivan suggested adding an Isanti Blue logo to sign to complement the existing City Community Bulletin board. He also suggested pulling the second arrow off and reference to 1st Avenue.

Commissioner Collison indicated he liked the idea of a two sided sign.

Motion by Lundeen, second by Hallberg to recommend the following for acceptance by the City Council:

1) Remove the Train logo and lower 1st Avenue and arrow.
2) Rework verbiage on sign to make it larger (more readable) with additional space created by removal of train and 1st Avenue information.
3) Redo Farmer's Market with seasonal verbiage.
4) Incorporate the City logo and potentially the blue city logo into sign to blend with the existing community billboard.
5) Send revised options reviewed by Staff and President Wimmer and cost directly to the City Council for approval to get sign done before farmers market season begins.

Motion passed unanimously.

4. Other Business / Updates / Communications

Economic Development Director Sullivan asked if there were any questions in regards to the staff memo and offered a more detail on each item if requested.

President Wimmer updated the EDA about the status and preliminary finding of the utility rate study. The information has seen is positive and it looks like some reductions could be made to rates. City Staff, Northland Securities and himself are still working with the numbers to make sure that projections and estimated usage are realistic so that projected rates can be sustainable and utility funds maintaining responsible cash balances.

CITY OF ISANTI
PLANNING COMMISSION
MEETING MINUTES
APRIL 12, 2016

1. Meeting Opening.

A. Call to Order.

Cesafsky called the meeting to order at 7:00 p.m.

B. Pledge of Allegiance.

Everyone rose for the pledge of allegiance.

C. Roll Call.

Members Present: Greg Cesafsky, Paul Bergley, Steve Lundeen, Wayne Traver, and Jim Kennedy.

Members Absent: Jeff Duncan (provided prior notice)
Achman informed the Planning Commission that Cindy Lind-Livingston had resigned from the Planning Commission effective April12, 2016.

Staff Present: Community Development Director, Roxanne Achman

Others Present: None

D. Agenda Modifications.

Achman stated there were none.

2. Approval of Minutes from March 8, 2016 Planning Commission Meeting.

Cesafsky questioned if there were any comments or changes to the minutes.

Motion by Lundeen second by Kennedy to approve the March 8th, 2016 Planning Commission Meeting Minutes. Motion was unanimously approved.

3. Public Hearings.

A. Request from Prairie Senior Cottages for approval of a Site Plan, Conditional Use Permit and Variance for a second building to be located on the property at 705 6th Ave NE, legally described at Lot 1, Block 1, Bank Site Second Addition, Isanti County, Isanti, Minnesota.

Cesafsky read the item into the minutes.

Achman presented the staff memo.

Cesafsky opened the public hearing.

Bergley asked where the new building is in relation to the existing building.

Dustin Lee, Chief Operating Officer, Prairie Senior Cottages, approached the podium to explain that the new building will be just to the west of the existing building.

Bergley asked for clarification on the variance.

Achman explained that the building could not be shifted to the south or west due to the wetland.

Lundeen asked when they planned to start construction.

Mr. Lee stated they hoped to start within 90 days. They plan to start this summer.

Traver and Lee discussed the orientation of the building in regards to the highway. It was stated that the secure area would be south of the building and not necessarily facing the highway.

Cesafsky closed the public hearing.

Lundeen asked that staff look into setbacks in cul-de-sacs.

Motion by Kennedy second by Bergley to recommend approval of request from Prairie Senior Cottages for approval of a Site Plan, Conditional Use Permit and Variance for a second building to be located on the property at 705 6th Ave NE, legally described at Lot 1, Block 1, Bank Site Second Addition, Isanti County, Isanti, Minnesota based on the Findings of Fact and Conclusions. Motion carried unanimously.

B. Request from BowDaddy Archery for approval of a Conditional Use Permit to operate an outdoor archery range on the property at 801 Highway 65 NE, legally described as PT SE/4 of SW/4 Described as: commencing at SE corner of quarter; then N 440'; W 600'; S 440' to S line of SE/4 of SW/4; E 600' to POB. old # 05.020.0300.

Cesafsky read the item into the minutes.

Achman presented the staff memo.

Cesafsky opened the public hearing

Bergley asked if there was netting that goes around the range.

Josh Johnson, BowDaddy Archery, stated that based on the NRA guidelines, a backstop is the only thing that is needed behind the target face. The target is roughly 18 inches thick and four foot by four foot dense foam.

Achman stated that there is not a required fencing or backstop that is needed. The targets are quite large and thick.

Bergley stated he just wanted to make sure there were no issues with the stray arrows.

Lundeen stated that anybody shooting where they shouldn't be will be asked to leave.

Mr. Johnson described the location of the range, stating that the area is roughly ten feet lower than the building level. To the south there are thick trees, to the east are trees and the building

and to the west are hundreds of yards of wetland. Nobody should be shooting north. There will be staff on site and signage with the range regulations.

Cesafsky asked if there would be 3-D targets. Johnson stated that was not the plan, but possibly in the future.

Cesafsky closed the public hearing.

Motion by Lundeen second by Bergley to recommend approval of request from BowDaddy Archery for approval of a Conditional Use Permit to operate an outdoor archery range on the property at 801 Highway 65 NE, legally described as PT SE/4 of SW/4 Described as: commencing at SE corner of quarter; then N 440'; W 600'; S 440' to S line of SE/4 of SW/4; E 600' to POB. old # 05.020.0300 based on the Findings of Fact and Conclusion and with the following conditions:

1. There shall be no grading, killing of vegetation or permanent structures within the designated wetland area, the area of the approved range may; however, be mowed.
2. All targets, shooting line markers, tables, bow racks, quivers, distance markers and any other items within the range shall be removable and/or temporary items.
3. All activities are to remain on the property of 801 Highway 65 NE.
4. The area beyond the targets shall be regularly searched for stray arrows.
5. All federal, state and local laws shall be abided by at all times.

Motion carried unanimously.

C. Request from the City of Isanti for an Amendment to the Zoning Map to Rezone 1107 Rum River Drive SW from R-1(Single Family Residential) to Park and Open Space, legally described as Lot 1, Block 1, Rum River Meadows 2nd Addition, Isanti County, Isanti, Minnesota.

Cesafsky read the item into the minutes.

Achman presented the staff memo.

Cesafsky opened the public hearing. There was no one in the audience to speak on the matter. The public hearing was closed.

Motion by Lundeen second by Kennedy to recommend approval of the request from the City of Isanti for an Amendment to the Zoning Map to Rezone 1107 Rum River Drive SW from R-1(Single Family Residential) to Park and Open Space, legally described as Lot 1, Block 1, Rum River Meadows 2nd Addition, Isanti County, Isanti, Minnesota based on the Findings of Fact and Conclusions. Motion carried unanimously.

D. Request from the City of Isanti to Amend Zoning Ordinance 445, Section 14: Performance Standards to include fencing/barricade requirements for swimming pools.

Cesafsky read the item into the minutes.

Achman presented the staff memo.

Cesafsky opened the public hearing

Traver asked if the fencing is required even if the pool is put up and taken down every year.

Achman stated that it depended on whether the pool was 24 inches deep and held 5,000 gallons of water or not.

Cesafsky asked if there was height requirement for the fencing. Achman stated the required fence height was 48 inches. Cesafsky stated that the side of his pool is four feet and questioned what good a four foot fence is on a pool that has four foot sides.

Lundeen stated that anyone with a pool should have a fenced in yard for liability reasons.

Achman stated she will need to get more clarification from the Building Official on specifically how the fencing requirements are interpreted.

Cesafsky has asked if the ordinance could require a six foot fence rather than a four foot fence, or it could state that the fence needs to be 24 inches higher than the pool.

The Planning Commissioners discussed and agreed that more information was needed prior to adopting an amendment to the zoning code.

Cesafsky opened the public hearing. There was no one in the audience to speak on the matter. The public hearing was closed.

Motion by Bergley second by Lundeen to table the request from the City of Isanti to Amend Zoning Ordinance 445, Section 14 Performance Standards to include fencing/barricade requirements for swimming pools until the next meeting and to bring back additional information. Motion carried unanimously.

4. Other Business.

A. None

5. Discussion Items.

A. None.

6. Adjournment

Motion by Lundeen second by Bergley to adjourn the April 12th, 2016 meeting of the Planning Commission. Motion was unanimously approved.

The meeting adjourned at 7:33 p.m.

Dated at Isanti, Minnesota this 12th day of April 2016.

Respectfully submitted,

_____

MEMORANDUM

Date: April 13, 2016

To: Honorable Mayor Wimmer and Members of the City Council
City of Isanti

From: Bradley C. DeWolf, P.E. (BCD)
City Engineer

Jason W. Cook, P.E.
Assistant City Engineer

Subject: Project Status Report
Isanti, Minnesota
BMI Project No: R13.111162

Please find listed below a status report of the current projects in the City of Isanti.

1) **City Hall Parking Lot Expansion**

The Contractor will move forward on the alley work within the railroad easement this spring.

2) **Community Garden Park Improvements**

Construction is anticipated to begin this month. We will perform survey staking and inspection as requested.

3) **Railroad Avenue Pond Improvements**

The contractor will complete the remaining storm sewer work and street patch this spring.

4) **Watermain Loop Improvements**

We have obtained the easement from the school and have obtained the required utility permit from Isanti County. The bid opening is scheduled for May 3, 2016 at 2:00 pm.

5) **Wastewater System Improvements**

We will move forward with obtaining required permits and putting together the bid package. A pre-bid conference is scheduled for Tuesday April 19, 2016 at 10:00 am at the Wastewater Treatment Plant. The bid opening is scheduled for May 3, 2016 at 2:00 pm.

6) **Whiskey Road Walk Infill Study**

We have surveyed the project area and are designing the proposed alignment of the walk.

7) **Coborn's Grocery Store**

The Contractor has installed the sanitary sewer and watermain on the site. They plan to complete the storm sewer this month.

In addition to the current projects listed above we have completed and accepted 42 private developments and 45 city contracts since being selected as your City Engineer in 2008.

Please contact Brad or Jason if you have any questions.

Adjournment

CITY OF ISANTI
CITY COUNCIL MEETING
TUESDAY, APRIL 5, 2016
CITY HALL

Mayor Wimmer called the meeting to order at 7:00 p.m.

The Pledge of Allegiance was recited.

Members Present: Mayor George Wimmer, Councilors: Paul Bergley, Dan Collison and Steve Lundeen

Members Absent: Adam Johnson

Staff Present: City Attorney Clark Joslin, Human Resources/City Clerk Karissa Henning, Police Chief Gene Hill, Economic Development Director Sean Sullivan and City Engineer Brad DeWolf

D. Adopt Agenda

Councilmember Lundeen asked that item L.10 be moved to K.15.

Motion by Lundeen, second by Collison to approve the agenda with the aforementioned modification. Motion carried unanimously.

E. Proclamations/Commendations/Certificate Awards

1. Week of the Child - April 10 through April 16, 2016

Mayor Wimmer read the proclamation and then invited all young guests attending the meeting to receive a small gift and have a group picture taken with the Mayor.

2. **Commendation to Karissa Henning, Human Resources/City Clerk**

Mayor Wimmer read the plaque presented to Henning for her nearly 5 years of service to the City of Isanti and noted that Karissa will be providing guidance to the City as needed following her departure.

F. Approve City Council Minutes

1. March 15, 2016 – Regular Meeting of the City Council

Motion by Lundeen second by Collison to approve the regular City Council Meeting Minutes of March 15, 2016 as presented

G. Citizens Input

None

H. Announcements

Announcements were read

I. Council Committee Reports

The Mayor stated that he, DeWolf and Wood took a walk along Main Street and discussed a number of issues including the condition of the sidewalk in front of Isanti Meats, which seems to have been made of sub grade materials. The City will be looking into costs for having this repaired including the curb and road which is showing significant wear. The Mayor expressed concern that, despite the mild winter, curbs were

DRAFT

showing significant wear. He allowed that the wear may be due to an equipment or training issue, but asked that this be addressed at the next Public Works Committee meeting.

The Mayor stated that the City would be meeting with the Fire District the following day; noting that the Fire District performed a controlled burn of some grasses and there was apparently some confusion as to where the burns should and should not be done. The Mayor stated that there had been a long held understanding that the City would not have open fires apart from backyard camp fires, etc. The Mayor noted that current City Code refers to State Statute, so the City intends to update City code to reflect the long time understanding and practices that have been in place. The Mayor underscored his belief that there is no need to do burns of this type within City limits.

The Mayor updated the Council on where the City is in the process of creating a preliminary Utility Fee Report. Although the report was not ready to be presented at this meeting, the Mayor wanted to give the Council a sense of what is being recommended. Under consideration is the cutting of the City Sanitary Base fee in half and the Water Base Fee being reduced by 25%. This would give all residents a $16.00 per month reduction in their current fees. The Mayor indicated that the process would be to: confirm the preliminary report would take the City to where it wants to be; it will then be presented at the next City Council meeting; and the Council will officially adopt it as it does with all the fees at the end of the year. The Mayor remarked that it may be that another adjustment could be made to the fees; however, he does want the report to be reviewed by the new Finance Director prior to making any determinations.

The Mayor indicated there would have been another item to address at this meeting had Lorsung been available; however, the Mayor still wished to mention to the Council that committees are referred to as committees because they meet on a regular basis. The Personnel and Financial Committees, however, have been meeting more frequently so the City will start counting interviews, meeting negotiations, etc. as meetings. The Council is to receive a per diem for each committee meeting they attend.

Bergley stated that he has been attending the North 65 Trunk Highway meetings and noted that Lorsung has spoken with Carolyn Braun who administrates the coalition meetings and she made it clear that the City of Isanti is not a member of the coalition. Presently Bergley attends these meetings; however, his participation is merely that of an observer and not a voting member. Bergley asked if the Council wanted him to continue to attend those meetings. Bergley also asked if the City has made the statement that it is not happy with the Quorum consisting of such a low number of members. The Mayor responded that he had received a call from one of the supervisor's from Athens Township who indicated that the City of Isanti still needed to attend, that the City is still a member of the coalition and having failed to sign the Joint Powers Agreement does not exclude the City from membership as the coalition. The Mayor responded to the supervisor that this was not what the City had been told and forwarded the written communication to him that Lorsung had received from Ms. Braun stating that the City is not a member. The Mayor indicated that it is now up to the Coalition to determine if the City of Isanti is a member or not. The Mayor remarked that several of the Coalition board members were under the impression that the City is still, or should be, a member and apparently their staff does not agree. The Mayor reiterated that the City wants to be a member of the coalition; however, the City believes that having 40% of the membership represent a quorum is unacceptable. Bergley stated that the Coalition is not recognizing Isanti as long as Isanti does not pay its dues as members. Bergley asked how long it will take the City to determine its stance one way or the other. The Mayor responded that he did not feel Bergley needed to continue to attend the meetings although he allowed that Bergley is free to do so and it would be informative if he chose to continue. The Mayor replied that the supervisor from Athens Township with whom he spoke was surprised by the communication received by the City as it had not been previously discussed at any of the meetings. Bergley expressed his willingness to continue attending the meetings as a number of interesting topics are discussed that pertain to

the area. The Mayor suggested that the City give the coalition one month to make a determination on this issue.

J. Public Hearings - None

K. Business Items

1. **Resolution 2016-095 Approving a Special Event Request for a Run/Walk for the Isanti Intermediate School and School for All Seasons**

Jesse Jennisen, one of the event director's, indicated that any money raised by this event would be given as a scholarship to seniors at Cambridge-Isanti High School.

Motion by Collison second by Bergley to approve Resolution 2016-095 as presented. Motion carried unanimously.

2. **Resolution 2016-096 Approving a Special Event Application for the Cambridge-Isanti Soccer Club Kohl's Cup**

Jenny Nystrom, President of the Cambridge-Isanti Soccer Club, stated that the club was hoping to get approval to host the Kohl's American Cup which would be held on June 11th of this year. Ms. Nystrom indicated that they expect approximately 1,000 players and their families. The Mayor noted that it is one of the big events the Cambridge-Isanti Soccer Club is involved with and that they do a great job. He also remarked that there was a period a few years back where the grounds were not being managed as well as they are today and that the past two presidents of the organization have done a fantastic job.

Motion by Lundeen second by Bergley to approve Resolution 2016-096 as presented. Motion carried unanimously.

3. Consider Rum River BMX Association Special Event Requests
   a. **Resolution 2016-097 Approving a Special Event Application for the Land O' Lakes National Event, May 13 -15, 2016**
   b. **Resolution 2016-098 Approving a Special Event Application for the State Champion Race and Olympic Day Event, June 25-26, 2016**
   c. **Resolution 2016-099 Approving a Special Event Application for the MN State BMX Finals, August 26-28, 2016**
   d. **Resolution 2016-100 Approving a Special Event Application for the Double Point BMX Racing Event and College Scholarship Fundraiser, October 29-30, 2016**

Motion by Lundeen second by Bergley to approve Resolutions 2016-097, 2016-098, 2016-099 and 2016-100 as presented. Motion carried unanimously.

Lundeen asked Track Operator Kevin Riedemann if the person who would follow Riedemann would do as good a job as Track Operator. Riedemann indicated that as the association grows and evolves, systems are being put in place that will solidly sustain the organization. Lundeen has been told by many people who have been involved with the BMX track that Riedemann does an outstanding job and those people are afraid of the day when Riedemann would elect to step down. Lundeen stated his hope that Riedemann is grooming someone to follow in his footsteps. Riedemann noted that it has been a big part of his family's life; having done tremendous things for them, as well as, other members of the organization and community. He stated that it is a passion that you can't turn off and walk away from unless you know it is in good, solid hands and things are running smoothly. Riedemann commented that he had recently attended a track operators' summit, noting it was very flattering to hear from others about what the community of Isanti is doing and

DRAFT

how the partnership between the City and the Track is really blossoming.

4. Consider Resolutions to Accept Bids for River Bluff Preserve Park Improvements for a Parking Lot, Water Line and Trails
   a. **Resolution 2016-101 Awarding the Bid for the Parking Lot For River Bluff Preserve**
   b. **Resolution 2016-102 Awarding the Bid for the Water Line for the Community Garden in River Bluff Preserve**
   c. **Resolution 2016-103 Awarding the Bid for the Trails for River Bluff Preserve**

Bergley raised the question of how long it would be until the Park Dedication Fund would repay the General Fund. The Mayor stated that when the economy had slowed down, the Council approved taking approximately $140,000 out of the Parks & Rec. Fund which was the interest money to help balance the General Fund. The General Fund never paid this back. Park Dedication Funds can only be used for new parkland purchases or new equipment. Although the Mayor could not state exactly when the $27,000 borrowed from the General Fund would be replenished, he anticipated it would be within 5 years.

Collison asked if the parking lot would be large enough for someone pull in with a pickup truck and back up easy enough when they wanted to leave. The Mayor responded that there was parking on the one side. Collison stated that the parking seemed a bit narrow.

Motion by Lundeen second by Collison to approve Resolutions 2016-101, 2016-102 and 2016-103 as presented. Motion carried unanimously .

5. **City of Isanti Organizational Chart 2016- 2020**

The Mayor stated that the Organizational Chart was one of the goals from City Council goal setting. The Mayor remarked that at this time, the City is in flux with a couple positions that are currently open; however, the organizational chart reflected the timeline and how the City sees these positions developing going forward. Bergley asked if the financial impact of position changes from 2016 to 2020 as described in the proposal was known. The Mayor indicated that this Organizational Chart reflected the plan. In planning budgets in subsequent years, the budget would need to address this plan. The Mayor noted that the plan for the organization is not locked, but rather would reflect the economy and growth of a given year.

Motion by Lundeen second by Bergley to approve the City of Isanti Organizational Chart as presented. Motion carried unanimously.

6. **Resolution 2016-104 Approving to Increase the Part-Time Community Events and Parks Coordinator Position to a Full-Time Position; Approving the Amended Job Description, Pay, and Points; and Promoting Part-Time Community Events and Parks Coordinator Katie Everett to the New Full-Time Community Events and Parks Coordinator Position**

Motion by Collison second by Bergley to approve Resolution 2016-104 as presented. Motion carried unanimously..

7. **Resolution 2016-105 Promoting Public Services Director Josi Wood to Public Services Director/ Assistant City Administrator and Approving an Amended Job Description, Pay Range, and Points**

Motion by Lundeen second by Bergley to approve Resolution 2016-105 as presented. Motion carried unanimously

8. **Resolution 2016-106 Removing a City Councilor from City Boards and Commissions**

Motion by Bergley second by Collison to approve Resolution 2016-106 as presented. Motion carried unanimously.

9. **Resolution 2016-107 Authorizing Hiring Recommendations to go to Council Prior to the Completion of Background and Reference Checks to Expedite the Hiring Process**

Motion by Lundeen second by Bergley to approve Resolution 2016-107 as presented. Motion carried unanimously.

10. **Resolution 2016-108 Authorizing the Movement of Certain Fund Balances**

Motion by Lundeen second by Bergley to approve Resolution 2016-108 as presented. Motion carried unanimously.

11. **Resolution 2016-109 Adopting a Fund Balance Policy for Water Fund 601 and Sewer Fund 602**

The Mayor noted that the policy states that, like the General Fund, the City will never go below 50% of the fund balance. This policy relates to maintaining a Bond rating.

Motion by Lundeen second by Bergley to approve Resolution 2016-109 as presented. Motion carried unanimously.

12. **Resolution 2016-110 Approving an Operating Agreement between the City of Isanti and the Cambridge-Isanti School District for the Use of the River Bluff Preserve and the Community Garden**

The Mayor indicated that the school grades Kindergarten through eighth would be working a one acre plot as part of an on-going project.

Motion by Lundeen second by Bergley to approve Resolution 2016-110 as presented. Motion carried unanimously.

13. **Resolution 2016-111 Approving the Purchase of a Server for the Finance Department**

The Mayor explained that this is to take on the new software system for the Finance Department.

Motion by Lundeen second by Bergley to approve Resolution 2016-111 as presented. Motion carried unanimously.

14. **Resolution 2016-112 Approving the Purchase of Employee Replacement Computers**

Five of the computer replacements were budgeted for 2016. A sixth computer was been determined to desperately need replacement as well.

Motion by Lundeen second by Bergley to approve Resolution 2016-112 as presented. Motion carried unanimously.

15. **Resolution 2016-113 Authorizing Staff to Accept a Donation from Allina Health for up to Four Res-Q-CPR System Devices**

The Mayor stated that this item was moved up from the Consent Agenda as it is a significant donation. The recitation devices sell for $1,350 each and Allina Health has donated three to the City of Isanti Police Department. Chief Hill gave a description of the device and its use.

DRAFT

Motion by Lundeen second by Collison to approve Resolution 2016-113 as presented. Motion carried unanimously.

L. Approve Consent Agenda

1. Consider Accounts Payable in the Amount of $302,539.85 and Payroll in the Amount of $93,939.30
2. Final Meeting Minutes of the February 23, 2016 Parks, Recreation and Culture Board Meeting

INDEPENDENT AUDITOR'S REPORT

Honorable Mayor and City Council
City of Isanti, Minnesota

Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the City of Isanti, Minnesota (the City), as of and for the year ended December 31, 2015, and the related notes to the financial statements, which collectively comprise the City's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the City's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the City as of December 31, 2015, and the respective changes in financial position and, where applicable, cash flows thereof and the respective budgetary comparison for the General fund for the year then ended in accordance with accounting principles generally accepted in the United States of America.

INTENTIONALLY

Change in Accounting Standards

As described in Note 7 to the financial statements, the City adopted the provisions of Governmental Accounting Standard Board (GASB) Statement No. 68, *Accounting and Financial Reporting for Pensions - an Amendment of GASB Statement No. 27* and Statement No. 71, *Pension Transition for Contributions Made Subsequent to the Measurement Date - an Amendment of GASB Statement No. 68,* for the year ended December 31, 2015. Adoption of the provisions of these statements results in significant change to the classifications of the components of the financial statements.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the Management's Discussion and Analysis starting on page 15 and the Schedules of Employer's Share of the Net Pension Liability and the Schedules of Employers Contributions on page 74 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquires of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquires, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the City's basic financial statements. The introductory section and combining and individual fund financial statements and schedules are presented for purposes of additional analysis and are not a required part of the financial statements.

The combining and individual fund financial statements and schedules are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to basic the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining and individual fund financial statements and schedules are fairly stated in all material respects in relation to the basic financial statements as a whole.

The introductory section has not been subjected to the auditing procedures applied in the audit of the basic financial statements, and accordingly, we do not express an opinion or provide any assurance on it.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated April 11, 2016 on our consideration of the City's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City's internal control over financial reporting and compliance.

Management's Discussion and Analysis

As management of the City of Isanti, Minnesota, (the City), we offer readers of the City's financial statements this narrative overview and analysis of the financial activities of the City for the fiscal year ended December 31, 2015.

Financial Highlights

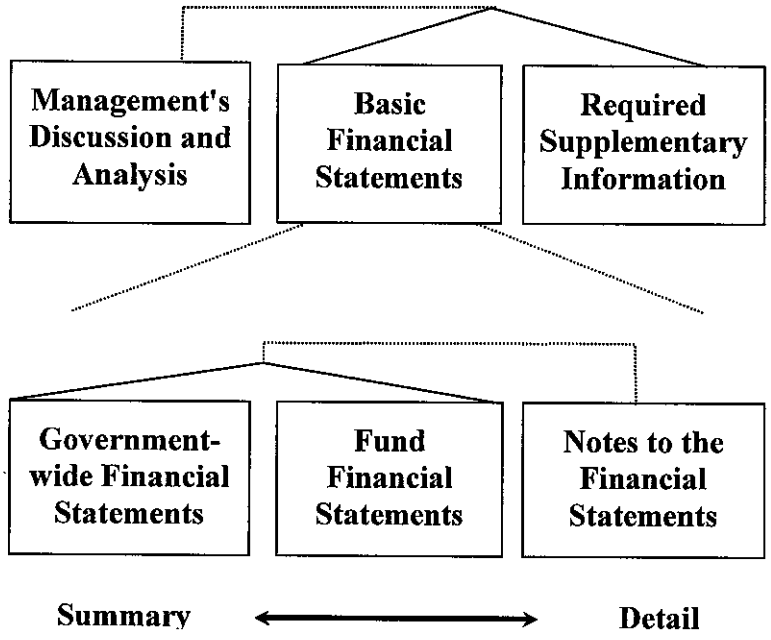
- The beginning unrestricted net position was decreased by $1,968,432 to recognize the effects of GASB Statement No. 68 implementation.
- The assets and deferred outflows of the City exceeded its liabilities and deferred inflows of resources at the close of the most recent fiscal year by $42,206,100. Of this amount, $3,922,607 (unrestricted net position) may be used to meet the City's ongoing obligations to citizens and creditors.
- The City's total net position increased by $629,754. This was largely are result of operating income within business-type activities of $997,439 as well as capital contributions of $788,758.
- As of the close of the current fiscal year, the City's governmental funds reported combined ending fund balances of $3,856,086, a decrease of $698,947, in comparison with the prior year.
- At the end of the current fiscal year, unrestricted fund balance for the General fund was $1,310,488.
- The City's total noncurrent liabilities decreased $172,401 (1.0 percent) during the current fiscal year.

Overview of the Financial Statements

This discussion and analysis is intended to serve as an introduction to the City's basic financial statements. The City's basic financial statements comprise three components: 1) government-wide financial statements, 2) fund financial statements, and 3) notes to the financial statements. This report also contains other supplemental information in addition to the basic financial statements themselves.

The following chart shows how the required parts of this annual report are arranged and relate to one another. In addition to these required elements, we have included a section with combining and individual fund financial statements and schedules that provide details about nonmajor governmental funds, which are added together and presented in single columns in the basic financial statements.

Organization of the City's Annual Financial Report



The following chart summarizes the major features of the City's financial statements, including the portion of the City's activities they cover and the types of information they contain. The remainder of this overview section of management's discussion and analysis explains the structure and contents of each of the statements.

Major features of the Government-wide and Fund Financial Statements

		Fund Financial Statements		
	Government-wide Statements	**Governmental Funds**	**Proprietary Funds**	**Fiduciary Funds**
Scope	Entire City government (except fiduciary funds) and the City's component units	The activities of the City that are not proprietary or fiduciary, such as police, fire and parks	Activities the City operates similar to private businesses, such as the water and sewer system	Instances in which the City administers resources on behalf of someone else, such as developers
Required financial statements	• Statement of Net Position • Statement of Activities	• Balance Sheet • Statement of Revenues, Expenditures and Changes in Fund Balances	• Statements of Net Position • Statements of Revenues, Expenses and Changes in Fund Net Position • Statements of Cash Flows	• Statement of fiduciary net position
Accounting Basis and measurement focus	Accrual accounting and economic resources focus	Modified accrual accounting and current financial resources focus	Accrual accounting and economic resources focus	Accrual accounting and economic resources focus
Type of asset/liability information	All assets and liabilities, both financial and capital, and short-term and long-term	Only assets expected to be used up and liabilities that come due during the year or soon thereafter; no capital assets included	All assets and liabilities, both financial and capital, and short-term and long-term	All assets and liabilities, both short-term and long-term; fund do not currently contain capital assets, although they can
Type of deferred outflows/inflows of resources information	All deferred outflows/inflows of resources, regardless of when cash is received or paid	Only deferred outflows of resources expected to be used up and deferred inflows of resources that come due during the year or soon thereafter; no capital assets included	All deferred outflows/inflows of resources, regardless of when cash is received or paid	
Type of inflow/out flow information	All revenues and expenses during year, regardless of when cash is received or paid	Revenues for which cash is received during or soon after the end of the year; expenditures when goods or services have been received and the related liability is due and payable	All revenues and expenses during the year, regardless of when cash is received or paid	All additions and deductions during the year, regardless of when cash is received or paid

Government-wide financial statements. The *government-wide financial statements* are designed to provide readers with a broad overview of the City's finances, in a manner similar to a private-sector business.

The *statement of net position* presents information on all of the City's assets and deferred inflows and liabilities and deferred outflows, with the difference between the four reported as *net position.* Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the City is improving or deteriorating.

The *statement of activities* presents information showing how the City's net position changed during the most recent fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, *regardless of the timing of related cash flows.* Thus, revenues and expenses are reported in this statement for some items that will only result in cash flows in future fiscal periods (e.g., uncollected taxes and earned but unused vacation leave).

Both of the government-wide financial statements distinguish functions of the City that are principally supported by taxes and intergovernmental revenue (*governmental activities*) from other functions that are intended to recover all or a significant portion of their costs through user fees and charges (*business-type activities*). The governmental activities of the City include general government, public safety, public works, culture and recreation, economic development and interest on long-term debt. The business-type activities of the City include water, sewer, storm water and a liquor store.

The government-wide financial statements start on page 29 of this report.

Fund financial statements. A *fund* is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The City, like other state and local governments, uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. All of the funds of the City can be divided into three categories: governmental funds, proprietary funds and the fiduciary fund.

Governmental funds. *Governmental funds* are used to account for essentially the same functions reported as *governmental activities* in the government-wide financial statements. However, unlike the government-wide financial statements, governmental fund financial statements focus on *near-term inflows and outflows of spendable resources*, as well as on *balances of spendable resources* available at the end of the fiscal year. Such information may be useful in evaluating a City's near-term financing requirements.

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for *governmental funds* with similar information presented for *governmental activities* in the government-wide financial statements. By doing so, readers may better understand the long-term impact by the City's near-term financing decisions. Both the governmental fund balance sheet and the governmental fund statement of revenues, expenditures and changes in fund balances provide a reconciliation to facilitate this comparison between *governmental funds* and *governmental activities*.

The City maintains 31 individual governmental funds, 7 of which are Debt Service funds. Information is presented separately in the governmental fund balance sheet and in the governmental fund statement of revenues, expenditures and changes in fund balances for the General fund and Debt Service fund, both of which are considered to be major funds. Data from the other governmental funds are combined into a single, aggregated presentation. Individual fund data for each of these nonmajor governmental funds is provided in the form of *combining statements or schedules* elsewhere in this report.

The City adopts an annual appropriated budget for its General fund. A budgetary comparison statement has been provided for the General fund to demonstrate compliance with this budget.

The basic governmental fund financial statements start on page 34 of this report.

Proprietary funds. The City maintains one type of proprietary fund. *Enterprise funds* are used to report the same functions presented as *business-type activities* in the government-wide financial statements. The City uses enterprise funds to account for its water, sewer, liquor store, and storm water.

Proprietary funds provide the same type of information as the government-wide financial statements, only in more detail. The proprietary fund financial statements provide separate information for each of the enterprise funds, all of which are considered to be major funds of the City.

The basic proprietary fund financial statements start on page 40 of this report.

Fiduciary fund. The fiduciary fund is used to account for resources held for the benefit of parties outside the City. The fiduciary fund is *not* reflected in the government-wide financial statements because the resources of this fund are not available to support the City's own programs.

The basic fiduciary fund financial statement can be found on page 46 of this report.

Notes to the financial statements. The notes provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements. The notes to the financial statements start on page 47 of this report.

Other information. In addition to the basic financial statements and accompanying notes, this report also presents *required supplementary information* concerning the City's progress in funding its obligation to provide pension benefits to its employees. Required supplementary information can be found on page 74 of this report.

The combining statements referred to earlier in connection with nonmajor governmental funds are presented following the notes to the financial statements. Combining and individual fund financial statements and schedules start on page 76 of this report.

Government-wide Financial Analysis

As noted earlier, net position may serve over time as a useful indicator of a government's financial position. In the case of the City, assets and deferred outflows exceeded liabilities and deferred inflows of resources by $42,206,100 at the close of the most recent fiscal year.

By far, the largest portion of the City's net position (81.6 percent) reflects its investment in capital assets (e.g., land, buildings, machinery and equipment); less any related debt used to acquire those assets that is still outstanding. The City uses these capital assets to provide services to citizens; consequently, these assets are not available for future spending. Although the City's investment in its capital assets is reported net of related debt, it should be noted that the resources needed to repay this debt must be provided from other sources, since the capital assets themselves cannot be used to liquidate these liabilities.

City of Isanti's Summary of Net Position

	Governmental Activities			Business-type Activities		
	2015	2014	Increase (Decrease)	2015	2014	Increase (Decrease)
Assets						
Current and other assets	$ 6,086,913	$ 7,358,596	$ (1,271,683)	$ 5,516,241	$ 5,736,211	$ (219,970)
Capital assets, net of depreciation	20,497,904	20,847,253	(349,349)	27,646,819	27,614,563	32,256
Total assets	26,584,817	28,205,849	(1,621,032)	33,163,060	33,350,774	(187,714)
Deferred outflows of resources						
Deferred pension resource	269,670	-	269,670	46,607	-	46,607
Liabilities						
Noncurrent liabilities outstanding	7,428,919	6,578,087	850,832	8,991,203	10,014,436	(1,023,233)

An additional portion of the City's net position (9.1 percent) represents resources that are subject to external restrictions on how they may be used. The remaining balance of *unrestricted net position,* $3,922,607, may be used to meet the City's ongoing obligations to citizens and creditors.

At the end of the current fiscal year, the City is able to report positive balances in all three categories of net position, both for the City as a whole, as well as for its separate governmental and business-type activities.

Governmental activities. The City's net position increased $629,754 during the current fiscal year. Governmental activities decreased the City's net position by $547,429 thereby accounting for none of the total growth in the net position of the City. Significant changes from the prior year are noted below:

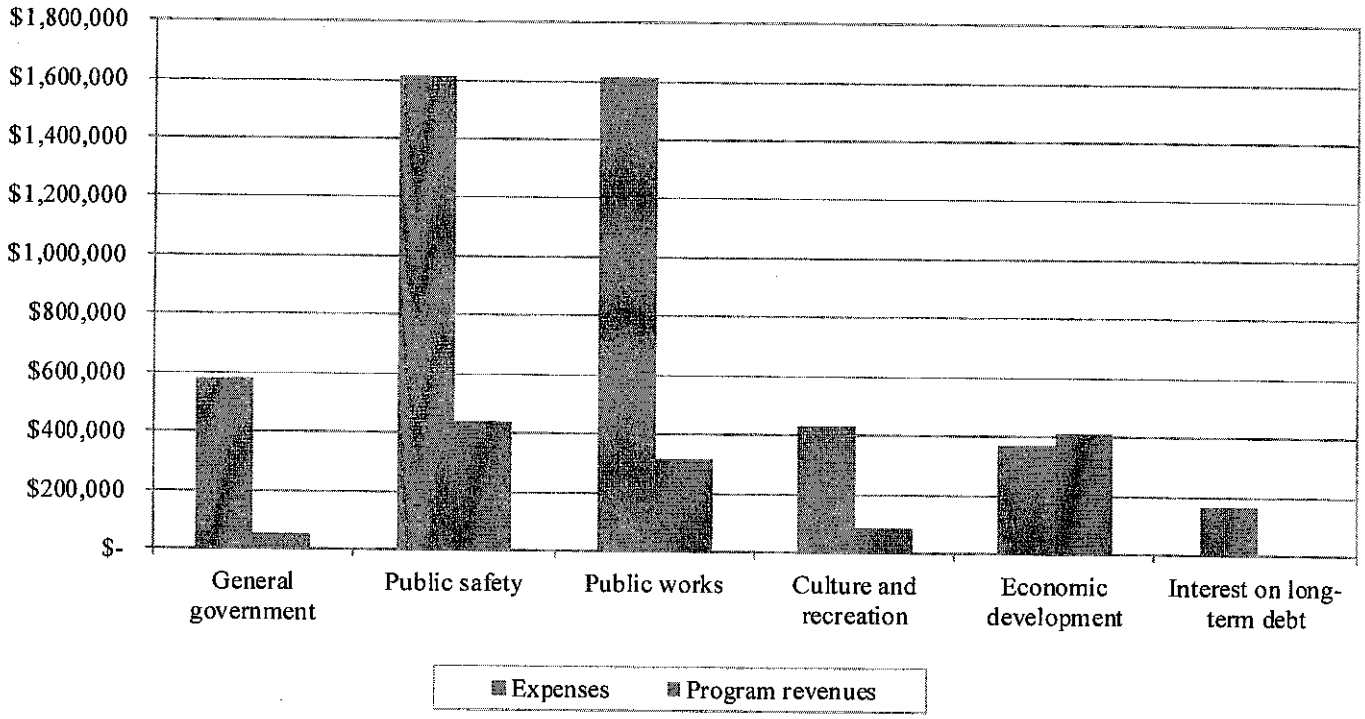
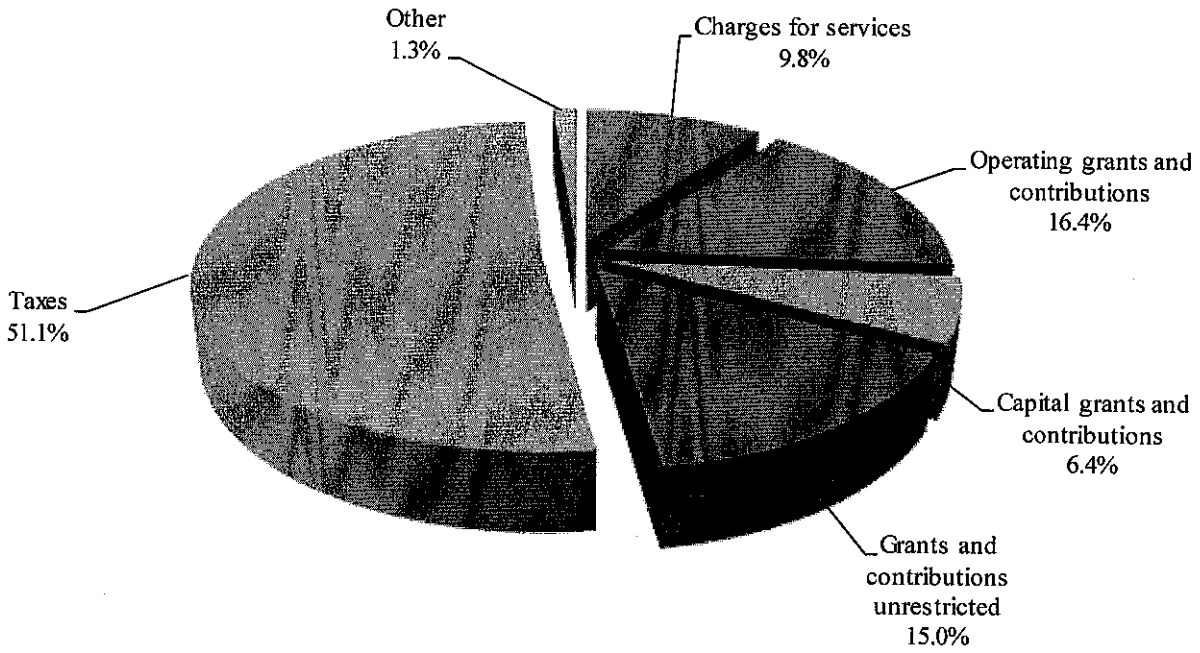
* GASB Statement No. 68 was implemented for the year ended December 31, 2015 and a required $1,968,432 restatement of beginning net position was recorded. Prior year amounts were not restated causing a variance in ending net position at December 31, 2014 and beginning net position on January 1, 2015. See Note 7.

The following graph depicts various governmental activities and shows the revenues and expenses directly related to those activities.

Expenses and Program Revenues - Governmental Activities

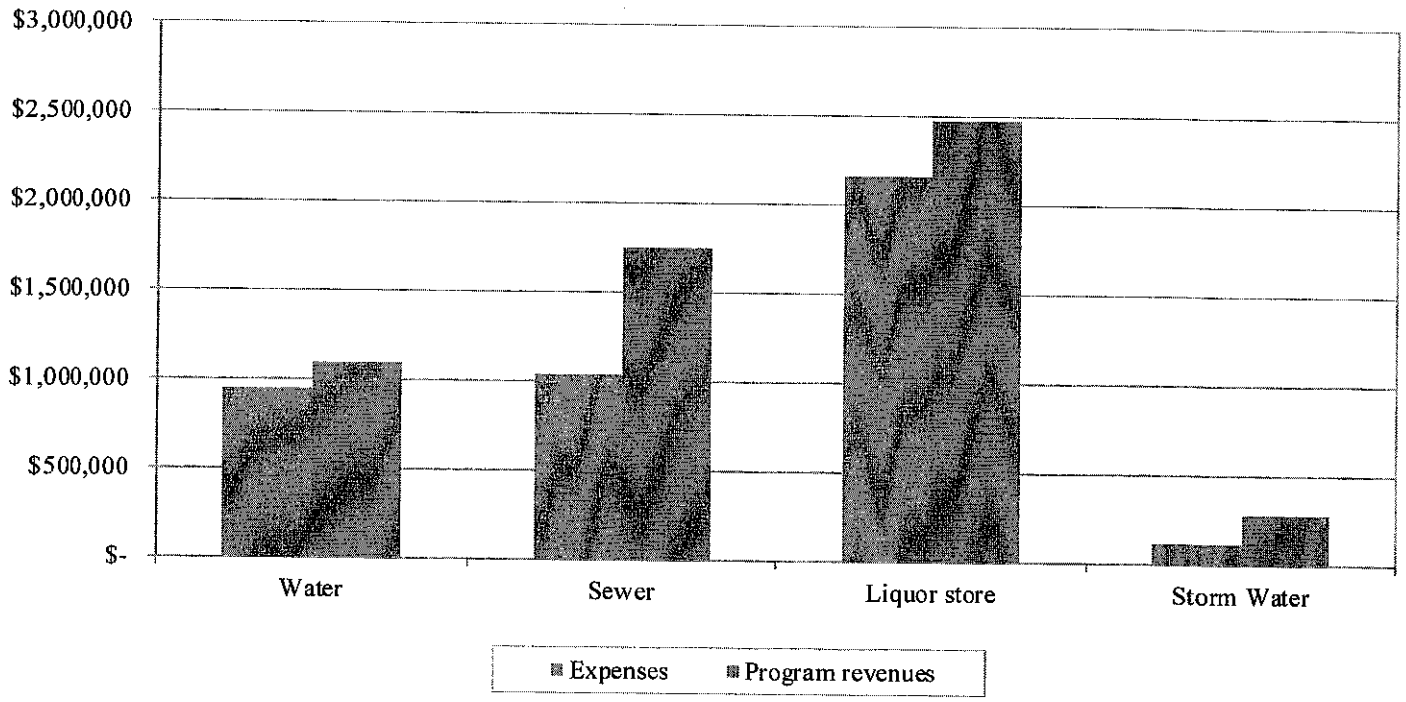


Revenues by Sources - Governmental Activities

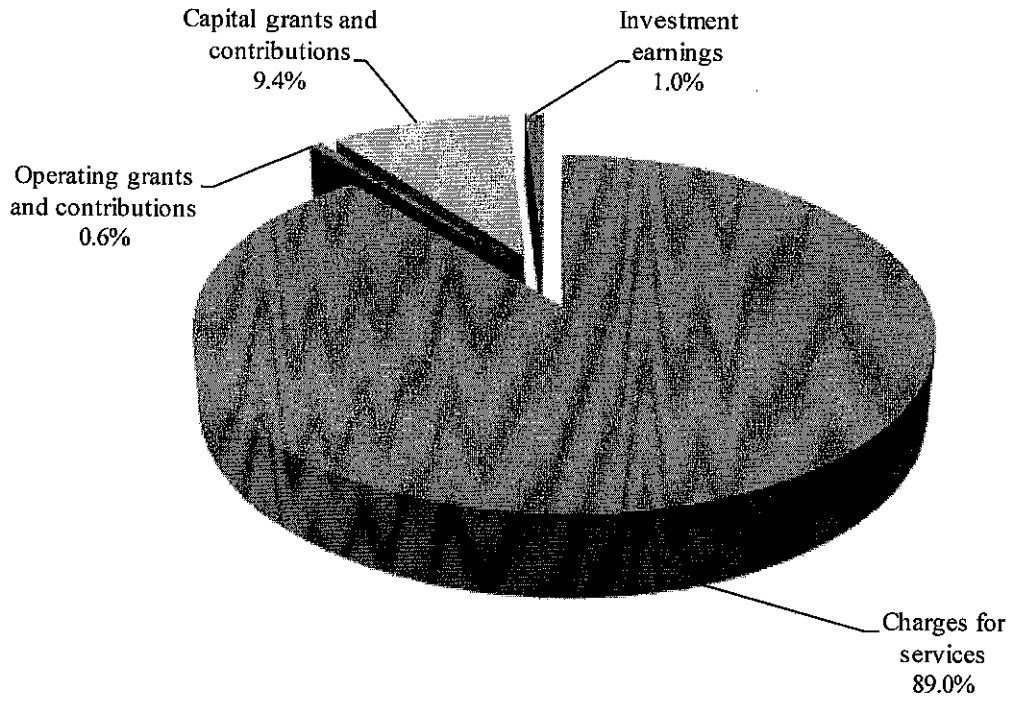


Business-type activities. Business-type activities increased the City's net position by $1,177,183. Key elements of this increase are as follows:

Expenses and Program Revenues - Business-type Activities



Revenues by Source - Business-type Activities



Financial Analysis of the City's Funds

As noted earlier, the City uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements.

Governmental funds. The focus of the City's *governmental funds* is to provide information on near-term inflows, outflows and balances of *spendable* resources. Such information is useful in assessing the City's financing requirements. In particular, *unassigned fund balance* may serve as a useful measure of a government's net resources available for spending at the end of the fiscal year.

As of the end of the current fiscal year, the City's governmental funds reported combined ending fund balances of $3,856,086, a decrease of $698,947 in comparison with the prior year. Of this total amount, 14.1 percent, or $544,700, constitutes unassigned fund balance, which is available for spending at the City's discretion. The remainder of fund balance of $3,311,386 is not available for new spending because it is either 1) nonspendable ($18,352), 2) restricted ($2,285,624), 3) committed ($1,003,045), or 4) assigned ($4,365). For further classification, refer to Note 3F on page 65 of this report.

Major funds	Fund Balance December 31, 2015	Fund Balance December 31, 2014	Increase (Decrease)
General	$ 1,327,361	$ 1,692,234	$ (364,873)
The General fund is the chief operating fund of the City. As a measure of the General fund's liquidity, it may be useful to compare fund balance to total fund expenditures and transfers out. Fund balance represents 40 percent of budgeted 2016 expenditures and transfers out. Of the fund balance, $1,310,488 is unassigned and will be used for cash flow for general operations and will be used to support operations until funds are received in June from the first tax settlement.			
Debt Service	$ 1,507,296	$ 1,441,936	$ 65,360
The Debt Service funds had an increase in fund balance comparable to expectations to meet future scheduled debt payments.			

Proprietary funds. The City's proprietary funds provide the same type of information found in the government-wide financial statements, but in more detail. Unrestricted net position of the enterprise funds at the end of the year amounted to $4,039,856. Other factors concerning the finances of this fund have already been addressed in the discussion of the City's business-type activities.

General Fund Budgetary Highlights

The City's original General fund budget was amended during the year, increasing expenditures $28,414 and identifying a decrease in fund balance of $1,008,219. Revenues were more than budget by $727,370 and expenditures were $126,617 less than budgeted amounts. In addition, transfers out exceeded budget by $257,797.

Capital Assets and Debt Administration

Capital assets. The City's investment in capital assets for its governmental and business type activities as of December 31, 2015, amounts to $48,144,723 (net of accumulated depreciation). This investment in capital assets includes land, structures, improvements, machinery and equipment, park facilities, roads and highways.

Major capital asset events during the current fiscal year included the following:

- Construction projects completed in 2015 include the Railroad Ave Improvements Phase II, the 2014 BMX Building and Site Improvements, the 2014 Public works site improvements, the 2014 Water Treatment Plant Modifications and the 2014 Unity Lift Station Improvements.
- Improvements to the City Hall, Community Center, and Liquor Store parking lots were capitalized.
- 2015 street overlay improvements were recognized as additions to governmental infrastructure.
- During 2015, the City purchased a 2015 Vactor Jetter.

City of Isanti's Capital Asset
(net of depreciation)

	Governmental Activities			Business-type Activities		
	2015	2014	Increase (Decrease)	2015	2014	Increase (Decrease)
Land	$ 2,424,266	$ 2,455,666	$ (31,400)	$ 94,237	$ 73,237	$ 21,000
Construction in progress	63,607	3,276,333	(3,212,726)	191,505	618,795	(427,290)

Vehicles	67,641	63,093	4,548	20,741	4,201	16,540
Total	$20,497,904	$20,847,253	$ (349,349)	$27,646,819	$27,614,563	$ 32,256

Additional information on the City's capital assets can be found in Note 3D starting on page 59 of this report.

Long-term debt. At the end of the current fiscal year, the City had total bonded debt outstanding of $14,241,255. While all of the City's bonds have revenue streams, they are all backed by the full faith and credit of the City.

City of Isanti's Outstanding Debt

	Governmental Activities			Business-type Activities		
	2015	2014	Increase (Decrease)	2015	2014	Increase (Decrease)
G.O. bonds	$ 2,950,000	$ 2,950,000	$ -	$ -	$ -	$ -
G.O. improvement bonds	2,760,000	3,380,000	(620,000)	435,000	1,015,000	(580,000)
G.O. revenue bonds	-	-	-	8,096,255	8,951,215	(854,960)
Bond premium	49,665	53,167	(3,502)	-	-	-
Pension liability	1,429,512	-	1,429,512	409,925	-	409,925
Compensated absences payable	239,742	194,920	44,822	50,023	48,221	1,802
Total	$ 7,428,919	$ 6,578,087	$ 850,832	$ 8,991,203	$10,014,436	$ (1,023,233)

Minnesota statutes limit the amount of net general obligation debt a City may issue to three percent of the market value of taxable property within the City. Net debt is payable solely from ad valorem taxes and, therefore, excludes debt financed partially or entirely by special assessments, enterprise fund revenues, or tax increments. As of December 31, 2015, the market value of property within the City is $269,093,600 for an allowable margin of $8,072,808. There is $2,950,000 of outstanding debt at year end that is applied against the statutory debt limit.

Additional information on the City's long-term debt can be found in Note 3E starting on page 61 of this report.

Economic Factors and Next Year's Budgets and Rates

- Property tax valuations within the City increased in 2015 and have continued to increase for 2016.

- Due to the State deficit and constant discussion at the State level of reducing and/or eliminating Local Government Aid and Market Value Credit, the City Council wanted to take the position that they would not receive any LGA in 2015, and if any LGA was received in 2015, that it would be used in the 2016 budget. The intent was to allow City Council additional time to react to any reduction received. City Council is aware that this could potentially increase the percentage of expenditures in fund balance at year end. The City did not budget for LGA again in 2016, but will utilize the funds received for 2017.

- Franchise fees were implemented in 2016 to offset pavement management costs.

All of these factors were considered in preparing the City's budget for the 2016 fiscal year.

Requests for Information

This financial report is designed to provide a general overview of the City's finances for all those with an interest in the City's finances. Questions concerning any of the information provided in this report or requests for additional financial information should be addressed to the Finance Director, City of Isanti, 110 1st Avenue Northwest, PO Box 428, Isanti, Minnesota 55040.

CITY OF ISANTI, MINNESOTA
RECONCILIATION OF THE BALANCE SHEET
TO THE STATEMENT OF NET POSITION
GOVERNMENTAL FUNDS
DECEMBER 31, 2015

Amounts reported for the governmental activities in the statement of net position are different because

Total fund balances - governmental funds	$ 3,856,086
Capital assets used in governmental activities are not financial resources and therefore are not reported as assets in governmental funds.	
Cost of capital assets	32,650,261
Less: accumulated depreciation	(12,152,357)
Noncurrent liabilities, including bonds payable, are not due and payable in the current period and therefore are not reported as liabilities in the funds.	
Noncurrent liabilities at year-end consist of	
Bond principal payable	(5,710,000)
Plus bond premium	(49,665)
Compensated absences payable	(239,742)
Pension liability	(1,429,512)
Some receivables are not available soon enough to pay for the current period's expenditures, and therefore are reported as unavailable revenue in the funds.	
Delinquent taxes receivable	71,629
Special assessments receivable	1,409,752
Governmental funds do not report long-term amounts related to pensions.	
Deferred outflows of pension resources	269,670
Deferred inflows of pension resources	(364,549)
Governmental funds do not report a liability for accrued interest until due and payable.	(15,861)
Total net position - governmental activities	$ 18,295,712

The notes to the financial statements are an integral part of this statement.

The notes to the financial statements are an integral part of this statement.

CITY OF ISANTI, MINNESOTA
RECONCILIATION OF THE STATEMENT OF REVENUES, EXPENDITURES AND CHANGES IN FUND BALANCES TO THE STATEMENT OF ACTIVITIES
GOVERNMENTAL FUNDS
FOR THE YEAR ENDED DECEMBER 31, 2015

Amounts reported for governmental activities in the statement of activities are different because

Total net change in fund balances - governmental funds	$ (698,947)
Capital outlays are reported in governmental funds as expenditures. However, in the statement of activities, the cost of those assets is allocated over the estimated useful lives as depreciation expense.	
Capital outlays	1,208,703
Depreciation expense	(1,253,166)
Governmental funds report a gain (loss) on sale of capital assets to the extent of cash exchanged, whereas the disposition of the assets book value is included in the total gain (loss) in the statement of activities.	
Disposals	(81,742)
Accumulated depreciation on disposals	5,311
Governmental fund report projects in capital project funds. Some of the capital assets constructed in the project will be maintained from business-type activity funds. The assets are reported as a transfer from the government-activities to the business-type activities.	(228,455)
The issuance of long-term debt provides current financial resources to governmental funds, while the repayment of principal of long-term debt consumes the current financial resources of governmental funds. Neither transaction, however, has any effect on net position.	
Principal repayments	620,000
Amortization of bond premium	3,502
Interest on long-term debt in the statement of activities differs from the amount reported in the governmental funds because interest is recognized as an expenditure in the funds when it is due, and thus requires the use of current financial resources. In the statement of activities, however, interest expense is recognized as the interest accrues, regardless of when it is due.	(4,825)
Long-term pension activity is not reported in governmental funds.	
Pension expense	19,301
Pension revenue from state contributions	5,580
Certain revenues are recognized as soon as they are earned. Under the modified accrual basis of accounting, certain revenues cannot be recognized until they are available to liquidate liabilities of the current period.	
Property taxes	8,625
Special assessments	(106,494)
Some expenses reported in the statement of activities do not require the use of current financial resources and, therefore, are not reported as expenditures in the governmental funds.	
Compensated absences	(44,822)
Change in net position - governmental activities	$ (547,429)

The notes to the financial statements are an integral part of this statement.

FIDUCIARY FUND
DECEMBER 31, 2015

	Agency 505 Escrow
ASSETS	
Cash and temporary investments	$ 72,340
Accounts receivable	6,981
TOTAL ASSETS	$ 79,321
LIABILITIES	
Accounts payable	$ 79,321

The notes to the financial statements are an integral part of this statement.

Note 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Reporting entity

The City of Isanti, Minnesota (the City) operates under "Optional Plan A" form of government as defined in the State of Minnesota statutes. The City is governed by an elected Mayor and four-member City Council. The City Council exercises legislative authority and determines all matters of policy. The City Council appoints personnel responsible for the proper administration of all affairs relating to the City.

The City has considered all potential units for which it is financially accountable, and other organizations for which the nature and significance of their relationship with the City are such that exclusion would cause the City's financial statements to be misleading or incomplete. The Governmental Accounting Standards Board (GASB) has set forth criteria to be considered in determining financial accountability. These criteria include appointing a voting majority of an organization's governing body, and (1) the ability of the primary government to impose its will on that organization or (2) the potential for the organization to provide specific benefits to, or impose specific financial burdens on the primary government. The blended component units, although legally separate entities are, in substance, part of the City's operations and so data from these units are combined with data of the City. The City has the following component unit:

Blended Component Unit. The Economic Development Authority (EDA) of the City was created pursuant to Minnesota statutes 469.090 through 469.108 to carry out economic and industrial development and redevelopment consistent with policies established by the City Council. The City has the authority to approve and modify the EDA's budget, and the City Council has the ability to veto, overrule, or modify the decisions of the EDA Board of Commissioners. The EDA is governed by a total of seven commissioners, two of which are residents and five are City Council members. The EDA activities are blended and reported as a special revenue fund due to substantively the same governing board and due to the City having operation responsibility. Separate financial statements are not issued for this component unit.

B. Government-wide and fund financial statements

The government-wide financial statements (i.e., the statement of net position and the statement of activities) report information on all of the nonfiduciary activities of the primary government. *Governmental activities,* which normally are supported by taxes and intergovernmental revenues, are reported separately from *business-type activities,* which rely to a significant extent on fees and charges for support.

The statement of activities demonstrates the degree to which the direct expenses of a given function or segment are offset by program revenues. *Direct expenses* are those that are clearly identifiable with a specific function or segment. Amounts reported as *program revenues* include 1) charges to customers or applicants who purchase, use, or directly benefit from goods, services, or privileges provided by a given function or segment and 2) grants and contributions that are restricted to meeting the operational or capital requirements of a particular function or segment. Taxes and other items not properly included among program revenues are reported instead as *general revenues.*

Separate financial statements are provided for governmental funds, proprietary funds, and the fiduciary fund, even though the latter are excluded from the government-wide financial statements. Major individual governmental funds and major individual enterprise funds are reported as separate columns in the fund financial statements.

C. Measurement focus, basis of accounting, and financial statement presentation

The government-wide financial statements are reported using the *economic resources measurement focus* and the *accrual basis of accounting,* as are the proprietary fund financial statements. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Property taxes are recognized as revenues in the year for which they are levied. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

Note 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Governmental fund financial statements are reported using the *current financial resources measurement focus* and the *modified accrual basis of accounting.* Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be *available* when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the City considers revenues to be available if they are collected within 60 days of the end of the current fiscal period. Expenditures generally are recorded when a liability is incurred, as under accrual accounting. However, debt service expenditures, as well as expenditures related to compensated absences, and claims and judgments, are recorded only when payment is due.

Property taxes, franchise taxes, licenses and interest associated with the current fiscal period are all considered to be susceptible to accrual and so have been recognized as revenues of the current fiscal period. Only the portion of special assessments receivable due within the current fiscal period is considered to be susceptible to accrual as revenue of the current period. All other revenue items are considered to be measurable and available only when cash is received by the City.

Revenue resulting from exchange transactions, in which each party gives and receives essentially equal value, is recorded on the accrual basis when the exchange takes place. On a modified accrual basis, revenue is recorded in the year in which the resources are measurable and become available.

Non-exchange transactions, in which the City receives value without directly giving equal value in return, include property taxes, grants, entitlement and donations. On an accrual basis, revenue from property taxes is recognized in the year for which the tax is levied. Revenue from grants, entitlements and donations is recognized in the year in which all eligibility requirements have been satisfied. Eligibility requirements include timing requirements, which specify the year when the resources are required to be used or the year when use is first permitted, matching requirements, in which the City must provide local resources to be used for a specified purpose, and expenditure requirements, in which the resources are provided to the City on a reimbursement basis. On a modified accrual basis, revenue from non-exchange transactions must also be available before it can be recognized.

Unearned revenue arises when assets are recognized before revenue recognition criteria have been satisfied. Grants and entitlements received before eligibility requirements are met are also recorded as unearned revenue.

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

The City reports the following major governmental funds:

The *General fund* is the City's primary operating fund. It accounts for all financial resources of the general government, except those required to be accounted for in another fund.

The *Debt Service funds* accounts for the accumulation of resources and payment of general obligation bond principal and interest from governmental resources and special assessment bond principal and interest from special assessment levies when the City is obligated in some manner for the payment.

The City reports the following major proprietary funds:

The *Water fund* accounts for the costs associated with the City's water system and ensure that user charges are sufficient to pay for those costs.

The *Sewer fund* accounts for the costs associated with the City's sewer system and ensure that user charges are sufficient to pay for those costs.

The *Liquor Store fund* accounts for the costs associated with the City's liquor operations.

Note 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Additionally, the City reports the following fund types:

Fiduciary fund accounts for assets held by the City in a trustee capacity or as an agent on behalf of others.

The *agency fund* is custodial in nature and does not present results of operations or have a measurement focus. Agency funds are accounted for using the modified accrual basis of accounting. This fund is used to account for assets that the City holds for others in an agency capacity.

As a general rule the effect of interfund activity has been eliminated from government-wide financial statements.

Proprietary funds distinguish *operating* revenues and expenses from *nonoperating* items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with a proprietary fund's principal ongoing operations. The principal operating revenues of the City's enterprise funds are charges to customers for sales and services. The City also recognizes as operating revenue the portion of tap fees intended to recover the cost of connecting new customers to the system. Operating expenses for enterprise funds include the cost of sales and services, administrative expenses, and depreciation on capital assets. All revenues and expenses not meeting this definition are reported as nonoperating revenues and expenses.

D. Assets, deferred outflows of resources, liabilities, deferred inflows of resources, and net position/fund balance

Deposits and investments

The City's cash and cash equivalents are considered to be cash on hand, demand deposits and short-term investments with original maturities of three months or less from the date of acquisition. The proprietary funds' portion in the government-wide cash and temporary investments pool is considered to be cash and cash equivalents for purposes of the statement of cash flows.

Cash balances from all funds are pooled and invested, to the extent available, in certificates of deposit and other authorized investments. Investments for the City are reported at fair value. It is the City's policy to refrain from investing in banks, savings and loan associations or credit unions whose equity to asset ratio is less than 10 percent. Earnings from such investments are allocated on the basis of applicable participation by each of the funds.

Note 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

The City may invest idle funds as authorized by Minnesota statutes, as follows:

1. Direct obligations or obligations guaranteed by the United States or its agencies.

2. Shares of investment companies registered under the Federal Investment Company Act of 1940 and received the highest credit rating, rated in one of the two highest rating categories by a statistical rating agency, and have a final maturity of thirteen months or less.

3. General obligations of a state or local government with taxing powers rated "A" or better; revenue obligations rated "AA" or better.

4. General obligations of the Minnesota Housing Finance Agency rated "A" or better.

5. Obligation of a school district with an original maturity not exceeding 13 months and (i) rated in the highest category by a national bond rating service or (ii) enrolled in the credit enhancement program pursuant to statute section 126C.55.

6. Bankers' acceptances of United States banks eligible for purchase by the Federal Reserve System.

7. Commercial paper issued by United States banks corporations or their Canadian subsidiaries, of highest quality category by at least two nationally recognized rating agencies, and maturing in 270 days or less.

8. Repurchase or reverse repurchase agreements and securities lending agreements with financial institutions qualified as a "depository" by the government entity, with banks that are members of the Federal Reserve System with capitalization exceeding $10,000,000, a primary reporting dealer in U.S. government securities to the Federal Reserve Bank of New York, or certain Minnesota securities broker-dealers.

9. Guaranteed investment contracts (GIC's) issued or guaranteed by a United States commercial bank, a domestic branch of a foreign bank, a United States insurance company, or its Canadian subsidiary, whose similar debt obligations were rated in one of the top two rating categories by a nationally recognized rating agency.

Restricted assets

Certain proceeds of the City's enterprise fund refunding bonds are classified as restricted assets on the statements of net position.

Property taxes

The City Council annually adopts a tax levy in December and certifies it to the County for collection in the following year. The County is responsible for collecting all property taxes for the City. These taxes attach an enforceable lien on taxable property within the City on January 1 and are payable by the property owners in two installments. The taxes are collected by the County Auditor and tax settlements are made to the City during January, July and December each year.

Delinquent taxes receivable include the past six years' uncollected taxes. Delinquent taxes have been offset by a deferred inflow of resources for taxes not received within 60 days after year end in the governmental fund financial statements.

Accounts receivable

Accounts receivable include amounts billed for services provided before year end. Unbilled utility enterprise fund receivables are also included for services provided in 2015. The City annually certifies delinquent water and sewer accounts to the County for collection in the following year. Therefore, there has been no allowance for doubtful accounts established.

Note 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Special assessments

Special assessments represent the financing for public improvements paid for by benefiting property owners. These assessments are recorded as receivables upon certification to the County. Special assessments are recognized as revenue when they are received in cash or within 60 days after year end. All special assessments receivable are offset by a deferred inflow of resources in the governmental fund financial statements.

Interfund receivables and payables

Activity between funds that are representative of lending/borrowing arrangements outstanding at the end of the fiscal year are referred to as either "due to/from other funds" (i.e., the current portion of interfund loans) or "advances to/from other funds" (i.e., the non-current portion of interfund loans). All other outstanding balances between funds are reported as "due to/from other funds." Any residual balances outstanding between the governmental activities and business-type activities are reported in the government-wide financial statements as "internal balances."

Inventories and prepaid items

Inventories are valued at lower of cost or market, using the first-in, first-out (FIFO) method. Inventories of governmental funds are recorded as expenditures when consumed rather than when purchased.

Certain payments to vendors reflect costs applicable to future accounting periods and are recorded as prepaid items in both government-wide and fund financial statements.

Capital assets

Capital assets, which include property, plant, equipment and infrastructure assets (e.g., roads, bridges, sidewalks, and similar items) are reported in the applicable governmental or business-type activities columns in the government-wide financial statements. Capital assets are defined by the City as assets with an initial, individual cost of more than $5,000 (amount not rounded) and an estimated useful life in excess of one year.

In the case of initial capitalization of general infrastructure assets (i.e., those reported by governmental activities) the City chose to include items dating back to June 30, 1980. The City was able to estimate the historical cost for the initial reporting of these assets through backtrending (i.e., estimating the current replacement cost of the infrastructure to be capitalized and using an appropriate price-level index to deflate the cost to the acquisition year or estimated acquisition year). As the City constructs or acquires capital assets each period, including infrastructure assets, they are capitalized and reported at historical cost. The reported value excludes normal maintenance and repairs which are essentially amounts spent in relation to capital assets that do not increase the capacity or efficiency of the item or extend its useful life beyond the original estimate. In the case of donations the City values these capital assets at the estimated fair value of the item at the date of its donation.

Interest incurred during the construction phase of capital assets of business-type activities is included as part of the capitalized value of the assets constructed.

Property, plant and equipment are depreciated using the straight-line method over the following estimated useful lives:

Assets	Useful Lives in Years
Buildings and structures	40
Infrastructure	10 to 50
Furniture and equipment	3 to 20
Improvements other than buildings	10 to 20

Note 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Deferred outflows of resources

In addition to assets, the statement of financial position will sometimes report a separate section for deferred outflows of resources. This separate financial statement element, deferred outflows of resources, represents a consumption of net position that applies to a future period(s) and so will not be recognized as an outflow of resources (expense/expenditure) until then. The City has only one item that qualifies for reporting in this category. Accordingly, the item, deferred pension resources, is reported only in the statements of net position. This item results from actuarial calculations and current year pension contributions made subsequent to the measurement date.

Pensions

For purposes of measuring the net pension liability, deferred outflows/inflows of resources, and pension expense, information about the fiduciary net position of the Public Employees Retirement Association (PERA) and additions to/deductions from PERA's fiduciary net position have been determined on the same basis as they are reported by PERA except that PERA's fiscal year end is June 30. For this purpose, plan contributions are recognized as of employer payroll paid dates and benefit payments and refunds are recognized when due and payable in accordance with the benefit terms. Investments are reported at fair value.

Compensated absences

It is the City's policy to permit employees to accumulate a limited amount of earned but unused vacation, which is paid to the employee upon separation. A portion of unused sick leave may also be paid upon separation from City service. In governmental fund types the cost of these benefits is recognized when payments are made to the employees. The General fund is typically used to liquidate governmental compensated absences payable.

Long-term obligations

In the government-wide financial statements, and proprietary fund types in the fund financial statements, long-term debt and other long-term obligations are reported as liabilities in the applicable governmental activities, business-type activities, or proprietary fund type statement of net position. The recognition of bond premiums and discounts are amortized over the life of the bonds using the straight-line method. Bonds payable are reported net of the applicable bond premium or discount. Bond issuance costs are reported as an expense in the period incurred.

In the fund financial statements, governmental fund types recognized bond premiums and discounts, as well as bond issuance costs, during the current period. The face amount of debt issued is reported as other financing sources. Premiums received on debt issuances are reported as other financing sources while discounts on debt issuances are reported as other financing uses. Issuance costs, whether or not withheld from the actual debt proceeds received, are reported as debt service expenditures.

Deferred inflows of resources

In addition to liabilities, the statement of financial position and fund financial statements will sometimes report a separate section for deferred inflows of resources. This separate financial statement element, *deferred inflows of resources,* represents an acquisition of net position that applies to a future period(s) and so will not be recognized as an inflow of resources (revenue) until that time. The City has three types of items, *unavailable revenue* and *resources received in advance,* and *deferred pension resources.*

- *Unavailable revenue* arises only under a modified accrual basis of accounting that qualifies as needing to be reported in this category. Accordingly, the item, *unavailable revenue,* is reported only in the governmental funds balance sheet. The governmental funds report unavailable revenues from two sources: property taxes and special assessments. These amounts are deferred and recognized as an inflow of resources in the period that the amounts become available.
- *Resources received in advance* is reported in both the governmental fund financial statements and within the government-wide financial statements. This item is reported for amounts that have been received before time requirements are met, but after all other eligibility requirements have been met.
- *Deferred pension resources* is reported only in the statements of net position and results from actuarial calculations.

Note 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Fund balance

In the fund financial statements, fund balance is divided into five classifications based primarily on the extent to which the City is bound to observe constraints imposed upon the use of resources reported in the governmental funds. These classifications are defined as follows:

Nonspendable - Amounts that cannot be spent because they are not in spendable form, such as prepaid items.

Restricted - Amounts related to externally imposed constraints established by creditors, grantors or contributors; or constraints imposed by state statutory provisions.

Committed - Amounts constrained for specific purposes that are internally imposed by formal action (resolution) of the City Council, which is the City's highest level of decision-making authority. Committed amounts cannot be used for any other purpose unless the City Council modifies or rescinds the commitment by resolution.

Assigned - Amounts constrained for specific purposes that are internally imposed. In governmental funds other than the General fund, assigned fund balance represents all remaining amounts that are not classified as nonspendable and are neither restricted nor committed. In the General fund, assigned amounts represent intended uses established by the City Council itself or by an official to which the governing body delegates the authority. The City Council has adopted a fund balance policy which delegates the authority to assign amounts for specific purposes to the Finance Committee.

Unassigned - The residual classification for the General fund and also negative residual amounts in other funds.

The City considers restricted amounts to be spent first when both restricted and unrestricted fund balance is available. Additionally, the City would first use committed, then assigned, and lastly unassigned amounts of unrestricted fund balance when expenditures are made. The City has formally adopted a fund balance policy for the General fund. The City's policy is to maintain a minimum unassigned fund balance of 50 percent of the following year's budgeted expenditures and transfers out.

Net position

Net position represents the difference between assets and deferred outflows of resources and liabilities and deferred inflows of resources. Net position is displayed in three components:

a. Net investment in capital assets - Consists of capital assets, net of accumulated depreciation reduced by any outstanding debt attributable to acquire capital assets.

b. Restricted net position - Consists of net position balances restricted when there are limitations imposed on their use through external restrictions imposed by creditors, grantors, laws or regulations of other governments.

c. Unrestricted net position - All other net position balances that do not meet the definition of "restricted" or "net investment in capital assets".

When both restricted and unrestricted resources are available for use, it is the City's policy to use restricted resources first, then unrestricted resources as they are needed.

Note 2: STEWARDSHIP, COMPLIANCE AND ACCOUNTABILITY

A. Budgetary information

Annual budgets are adopted on a basis consistent with accounting principles generally accepted in the United States of America for the following funds:

- General
- Economic Development Authority
- Water
- Sewer
- Storm Water
- Liquor

All annual appropriations lapse at year end. The City does not use encumbrance accounting.

In May of each year, all departments of the City submit requests for appropriations to the City Administrator so that a budget may be prepared. Before September 30th, the proposed budget is presented to the City Council for review. The City Council holds public hearings and a final budget is prepared and adopted in early December.

The appropriated budget is prepared by fund, function and department. The City's department heads may make transfers of appropriations within a department. Transfers of appropriations between departments require the approval of the City Council. The legal level of budgetary control is the department level. The original budget was amended in 2015 to increase expenditures $28,414 for a total budgeted decrease in fund balance of $1,008,219.

B. Deficit fund equity

The following funds had deficit fund equity at December 31, 2015.

Fund	Amount
Nonmajor	
Economic Development Authority	$ 251
2013 Railroad Avenue & Walk Improvements	561,065
BMX & Bluebird Improvements	146,872
Public Works 2014 Site Improvements	5,711
City Parking Improvements	50,410

These deficits will be eliminated with future state aid, franchise taxes, and transfers from other funds.

Note 3: DETAILED NOTES ON ALL FUNDS

A. Deposits and investments

Deposits

Custodial credit risk for deposits and investments is the risk that in the event of a bank failure, the City's deposits and investments may not be returned or the City will not be able to recover collateral securities in the possession of an outside party. In accordance with Minnesota statutes and as authorized by the City Council, the City maintains deposits at those depository banks, all of which are members of the Federal Reserve System.

Minnesota statutes require that all City deposits be protected by insurance, surety bond or collateral. The market value of collateral pledged must equal 110 percent of the deposits not covered by insurance, bonds, or irrevocable standby letters of credit from Federal Home Loan Banks. Authorized collateral in lieu of a corporate surety bond includes:

- United States government Treasury bills, Treasury notes, Treasury bonds;
- Issues of United States government agencies and instrumentalities as quoted by a recognized industry quotation service available to the government entity;
- General obligation securities of any state or local government with taxing powers which is rated "A" or better by a national bond rating service, or revenue obligation securities of any state or local government with taxing powers which is rated "AA" or better by a national bond rating service;
- General obligation securities of a local government with taxing powers may be pledged as collateral against funds deposited by that same local government entity;
- Irrevocable standby letters of credit issued by Federal Home Loan Banks to a municipality accompanied by written evidence that the bank's public debt is rated "AA" or better by Moody's Investors Service, Inc., or Standard & Poor's Corporation; and
- Time deposits that are fully insured by any federal agency.

Minnesota statutes require that all collateral shall be placed in safekeeping in a restricted account at a Federal Reserve Bank, or in an account at a trust department of a commercial bank or other financial institution that is not owned or controlled by the financial institution furnishing the collateral. The selection should be approved by the City.

At year end, the City's carrying amount of deposits was $2,979,135 and the bank balance was $3,127,179. Of the bank balance, $358,990 was covered by federal depository insurance and $2,031 was covered by the national credit union share insurance fund. The remaining balance was covered by collateral held by the City's agent in the City's name.

Note 3: DETAILED NOTES ON ALL FUNDS - CONTINUED

Investments

The investments of the City are subject to the following risks:

- *Credit Risk* is the risk that an issuer or other counterparty to an investment will not fulfill its obligations. Ratings provided by various credit rating agencies where applicable indicate associated credit risk. The City's investments in Government Agencies are fully backed by the U.S. Government and are rated AAA.

- *Custodial Credit Risk* for investments is the risk that, in the event of the failure of the counterparty to a transaction, a government will not be able to recover the value of investment or collateral securities that are in the possession of an outside party. The City limits its exposure to custodial credit risk by purchasing insured or registered investments.

- *Interest Rate Risk* is the risk that changes in interest rates will adversely affect the fair value of an investment. Using the segmented time distribution method, the interest rate risk of these investments ranges from less than 6 months to more than 3 years.

- *Concentration of Credit Risk* is the risk of loss attributed to the magnitude of a government's investment in a single issuer. The City places no limit on the amount that may be invested in any one issuer. The City has invested more than 5 percent of investments in the following issuers: Federal Home Loan Bank System – 12.7 percent, U.S. Treasury Securities – 6.9 percent.

At year end, the City's investment balances were as follows:

Types of Investments	Credit Quality/ Ratings (1)	Segmented Time Distribution (2)	Fair Value and Carrying Amount
Pooled investments			
Broker Money Markets	N/A	less than 6 months	$ 1,012,428
Non-pooled investments			
Negotiable CDs	N/A	6 months to 1 year	250,000
Negotiable CDs	N/A	1 to 3 years	1,527,000
Negotiable CDs	N/A	more than 3 years	1,460,851
U.S. Treasury Securities	AAA	1 to 3 years	403,445
U.S. Government Agency Securities	AAA	more than 3 years	1,194,078
Total non-pooled investments			4,835,374
Total investments			$ 5,847,802

(1) Ratings are provided by various credit rating agencies where applicable to indicate associated credit risk.
(2) Interest rate risk is disclosed using the segmented time distribution method.
N/A Indicates not applicable or available.

Note 3: DETAILED NOTES ON ALL FUNDS - CONTINUED

A reconciliation of cash and investments as shown on the statement of net position for the City follows:

	Primary Government	Agency Fund	Totals
Carrying amount of deposits	$ 2,906,795	$ 72,340	$ 2,979,135
Investments	5,847,802	-	5,847,802
Cash on hand	3,224	-	3,224
Total	$ 8,757,821	$ 72,340	$ 8,830,161
Cash and temporary investments			
Unrestricted	$ 8,354,376	$ 72,340	$ 8,426,716
Cash with fiscal agent	403,445	-	403,445
Total	$ 8,757,821	$ 72,340	$ 8,830,161

B. Loans receivables

In 2008, the City's Revolving Loan fund loaned $194,000 to EverCat Fuels for 10 years at 3 percent interest. The monthly payment is $1,873 with the final payment being due in 2018. The loan was originated through the Minnesota Investment Fund and the City has agreed to remit 80 percent of the loan received back to the state. As of December 31, 2015, the loan receivable was $62,703.

In 2011, the City's Revolving Loan fund loaned $50,000 to H.M. Chris, LLC for 10 years at 3 percent interest. The monthly payment is $529. As of December 31, 2015, the loan receivable was $31,691.

In 2012, the City's Revolving Loan fund loaned $22,500 to K & D Investments for 10 years at 3 percent interest. The monthly payment is $298. As of December 31, 2015, the loan receivable was $12,088.

In 2013, the City's Revolving Loan fund loaned $25,000 to JAC Properties for 7 years at 3 percent interest. The monthly payment is $331. As of December 31, 2015, the loan receivable was $17,821.

In 2013, the City's Revolving Loan fund loaned $25,000 to the Isanti Parkway Center for 7 years at 3 percent interest. The monthly payment is $331. As of December 31, 2015, the loan receivable was $16,744.

In 2015, the City's Revolving Loan fund loaned $17,500 to Mom's Food Co-op Inc. for 5 years at 3 percent interest. The monthly payment is $315. As of December 31, 2015, the loan receivable was $14,484.

In 2015, the City's Revolving Loan fund loaned $427,000 to Mom's Food Co-op Inc. for 7 years at zero percent interest. The monthly payment is $321. As of December 31, 2015, the loan receivable was $427,000.

Note 3: DETAILED NOTES ON ALL FUNDS - CONTINUED

C. Interfund receivables, payables and transfers

The Sewer enterprise fund loaned the Municipal Expansion fund $450,000 in 2005 to provide for future costs associated with a new City hall. In 2008, the Sewer enterprise fund loaned another $53,527 to the Municipal Expansion fund. The loan is interest free, is due in 2015, and budgeted payments will be made each year. The loan was paid off in 2015.

In 2009, the Sewer enterprise fund advanced funds to the General fund to cover the City portion of the 2009 Street Improvements. Future General fund property tax levies will be utilized to repay the advance. Repayments will include interest of 3.25 percent. An additional $23,274 was borrowed between the funds in 2010. The outstanding balance at December 31, 2015 is $38,794.

In 2011, the Water and Sewer enterprise funds each loaned $15,897 to the General fund to cover the City portion of the Deer Haven Improvements. General fund property tax levies will be utilized to repay these advances. Repayments are interest free. The outstanding balance at December 31, 2015 is $19,076.

In 2013, General fund loaned $11,459 to the Technology fund to cover costs associated with technology expenses. The loan is interest free, is due in 2016, and budgeted payments will be made each year. The outstanding balance at December 31, 2015 is $3,820.

In 2013, the General fund loaned $87,145 and the Water and Sewer enterprise funds each loaned $43,573 to the 2013 Railroad Ave and Walk Improvement fund to cover the City portion of the 2013 Railroad Avenue and Walk Improvement project. Future Minnesota State Construction Aid will be utilized to repay these advances. Repayments are interest free. The loan was paid off in 2015.

Interfund transfers

The following interfund transfers were made during 2015:

	Transfer in			
Fund	General	Debt Service	Nonmajor Governmental	Total
Transfer out				
General	$ -	$ -	$ 399,818	$ 399,818
Nonmajor Governmental	16,150	-	276,617	292,767
Water	-	4,377	-	4,377
Sewer	-	35,013	-	35,013
Liquor Store	300,000	-	-	300,000
Nonmajor Enterprise - Storm Water	-	-	94,368	94,368
Total transfers in	$ 316,150	$ 39,390	$ 770,803	$ 1,126,343

During the year, transfers are used to 1) move General fund resources to other funds to cover interfund loan payments, 2) move General fund resources to provide an annual contribution for economic development, 3) transfer water and sewer resources to cover a portion of debt payments and 4) move liquor store resources to the General fund for operations. Further, during the year ended December 31, 2015, the City made the following one-time transfers:

1) Transfers of $228,172, $276,617 and $94,368 from the General fund, nonmajor governmental funds and the Storm Water fund, respectively, to various nonmajor governemental funds to provide funding for 2015 capital improvement projects.

2) The General fund transferred $29,627 to the nonmajor governmental funds to pay off an interfund loan.

Total depreciation expense - business-type activities	$ 866,509

Note 3: DETAILED NOTES ON ALL FUNDS - CONTINUED

Construction commitments

As of December 31, 2015, the City has a signed contract in place for the following construction projects. The following summarizes those commitments:

Project	Spent-to-Date	Remaining Commitment
Railroad Avenue Pond	$ 2,803	$ 91,319

E. Long-term debt

General obligation (G.O.) bonds

The City issues G.O. bonds to provide funds for the acquisition and construction of major capital facilities. G.O. bonds have been issued for both general government and business-type activities. These bonds are reported in the proprietary funds if they are expected to be repaid from proprietary fund revenues. In addition, bonds have been issued to refund G.O. bonds.

G.O. bonds are direct obligations and pledge the full faith and credit of the government. G.O. bonds currently outstanding are as follows:

Description	Authorized and Issued	Interest Rate	Issue Date	Maturity Date	Balance at Year End
G.O. Tax Abatement Bonds, Series 2014A	$ 2,560,000	0.50-2.50 %	10/01/14	02/01/30	$ 2,560,000
G.O. Bonds, Series 2014B	1,420,000	0.50-2.50	10/01/14	02/01/24	390,000
Total G.O. bonds					$ 2,950,000

Annual debt service requirements to maturity for the G.O. bonds are as follows:

Year Ending December 31,	Governmental Activities		
	Principal	Interest	Total
2016	$ 170,000	$ 69,093	$ 239,093
2017	195,000	66,003	261,003
2018	195,000	62,573	257,573
2019	200,000	59,013	259,013

2021-2025	1,025,000	210,526	1,235,526
2026-2030	960,000	79,981	1,039,981
Total	$ 2,950,000	$ 602,455	$ 3,552,455

Note 3: DETAILED NOTES ON ALL FUNDS - CONTINUED

G.O. revenue bonds

The following bonds were issued to finance capital improvements in the enterprise funds. They will be repaid from future net revenues pledged from the Water and Sewer funds and are backed by the taxing power of the City. Annual principal and interest payments on the bonds and enterprise G.O. improvement bonds are expected to require over 87 and 51 percent of net revenues from the Water and Sewer funds, respectively. Principal and interest paid for 2015 and total customer net revenues for the Water fund were $796,978 and $916,941, respectively. Principal and interest paid for 2015 and total customer net revenues for the Sewer fund were $702,174 and $1,375,981 respectively.

Description	Authorized and Issued	Interest Rate	Issue Date	Maturity Date	Balance at Year End
MPFA - Sewer Revenue Bonds, Series 1996B	$ 4,682,145	2.63 %	12/21/96	08/20/17	$ 517,524

Total	$ 8,096,255	$ 1,262,254	$ 9,358,509

Note 3: DETAILED NOTES ON ALL FUNDS - CONTINUED

G.O. improvement (special assessment) bonds

The following bonds were issued to finance various improvements and will be repaid from special assessments levied on the properties benefiting from the improvements and/or ad valorem tax levies. All special assessment debt is backed by the full faith and credit of the City. Each year the combined assessment and tax levy equals 105 percent of the amount required for debt service. The excess of 5 percent is to cover any delinquencies in tax or assessment payments. The business-type bonds will be repaid from special assessments and future net revenues pledged from the Water and Sewer funds and are backed by the taxing power of the City.

Description	Authorized and Issued	Interest Rate	Issue Date	Maturity Date	Balance at Year End
G.O. Improvement Bonds, Series 2006A	$ 2,355,000	4.00-4.10 %	07/11/06	01/01/17	$ 285,000
G.O. Improvement Bonds, Series 2008A	1,275,000	2.50-4.25	12/23/08	12/01/18	400,000
G.O. Crossover Refunding Bonds, Series 2009A	610,000	1.75-3.10	02/26/09	12/01/17	165,000

* Includes January 1, 2015 pension liability balance related to GASB Statement No. 68 implementation. See Note 7 for further details.

Conduit debt

The City has issued industrial revenue notes to provide financial assistance to private sector entities for the acquisition and construction of industrial and commercial facilities deemed to be in the public interest. The bonds are secured by the property financed and are payable solely from payment received on the underlying loans. Upon repayment of the notes, ownership of the acquired facilities transfers to the private sector entity served by the note issuance. Neither the City, the State, nor any political subdivision thereof is obligated in any manner for repayment of the notes. Accordingly, the notes are not reported as liabilities in the accompanying financial statements.

As of December 31, 2015, there was one issue of industrial revenue notes outstanding, with a principal amount payable of $88,224.

Note 3: DETAILED NOTES ON ALL FUNDS - CONTINUED

F. Components of fund balance

At December 31, 2015, portions of the City's fund balance are not available for appropriation due to not being in spendable form (Nonspendable), legal restrictions (Restricted), City Council action (Committed), policy and/or intent (Assigned). The following is a summary of the components of fund balance:

	General	Debt Service	BMX & Bluebird Improvements	Other Governmental Funds	Total Governmental Funds
Nonspendable					
Prepaid items	$ 16,873	$ -	$ -	$ 1,479	$ 18,352

Assigned to					
Park improvements	$ -	$ -	$ -	$ 4,365	$ 4,365

Note 4: DEFINED BENEFIT PENSION PLANS - STATEWIDE

A. Plan description

The City participates in the following cost-sharing multiple-employer defined benefit pension plans administered by the Public Employees Retirement Association of Minnesota (PERA). PERA's defined benefit pension plans are established and administered in accordance with Minnesota statutes, chapters 353 and 356. PERA's defined benefit pension plans are tax qualified plans under Section 401 (a) of the Internal Revenue Code.

General Employees Retirement Fund (GERF)

All full-time and certain part-time employees of the City, are covered by the General Employees Retirement Fund (GERF). GERF members belong to either the Coordinated Plan or the Basic Plan. Coordinated Plan members are covered by Social Security and Basic Plan members are not. The Basic Plan was closed to new members in 1967. All new members must participate in the Coordinated Plan.

Public Employees Police and Fire Fund (PEPFF)

The PEPFF, originally established for police officers and firefighters not covered by a local relief association, now covers all police officers and firefighters hired since 1980. Effective July 1, 1999, the PEPFF also covers police officers and firefighters belonging to a local relief association that elected to merge with and transfer assets and administration to PERA.

Note 4: DEFINED BENEFIT PENSION PLANS - STATEWIDE - CONTINUED

B. Benefits provided

PERA provides retirement, disability and death benefits. Benefit provisions are established by Minnesota statute and can only be modified by the state legislature.

Benefit increases are provided to benefit recipients each January. Increases are related to the funding ratio of the plan. Members in plans that are at least 90 percent funded for two consecutive years are given 2.5 percent increases. Members in plans that have not exceeded 90 percent funded, or have fallen below 80 percent, are given 1 percent increases.

The benefit provisions stated in the following paragraphs of this section are current provisions and apply to active plan participants. Vested, terminated employees who are entitled to benefits but are not receiving them yet are bound by the provisions in effect at the time they last terminated their public service.

GERF benefits

Benefits are based on a member's highest average salary for any five successive years of allowable service, age, and years of credit at termination of service. Two methods are used to compute benefits for PERA's Coordinated and Basic Plan members. The retiring member receives the higher of a step-rate benefit accrual formula (Method 1) or a level accrual formula (Method 2). Under Method 1, the annuity accrual rate for a Basic Plan member is 2.2 percent of average salary for each of the first ten years of service and 2.7 percent for each remaining year. The annuity accrual rate for a Coordinated Plan member is 1.2 percent of average salary for each of the first ten years and 1.7 percent for each remaining year. Under Method 2, the annuity accrual rate is 2.7 percent of average salary for Basic Plan members and 1.7 percent for Coordinated Plan members for each year of service. For members hired prior to July 1, 1989, a full annuity is available when age plus years of service equal 90 and normal retirement age is 65. For members hired on or after July 1, 1989, normal retirement age is the age for unreduced Social Security benefits capped at 66.

PEPFF benefits

Benefits for the PEPFF members first hired after June 30, 2010, but before July 1, 2014, vest on a prorated basis from 50 percent after five years up to 100 percent after ten years of credited service. Benefits for PEPFF members first hired after June 30, 2014, vest on a prorated basis from 50 percent after ten years up to 100 percent after twenty years of credited service. The annuity accrual rate is 3 percent of average salary for each year of service.

For PEPFF who were first hired prior to July 1, 1989, a full annuity is available when age plus years of service equal at least 90.

C. Contributions

Minnesota statutes, chapter 353 sets the rates for employer and employee contributions. Contribution rates can only be modified by the state legislature.

GERF contributions

Basic Plan members and Coordinated Plan members were required to contribute 9.10 percent and 6.50 percent, respectively, of their annual covered salary in calendar year 2015. The City was required to contribute 11.78 percent of pay for Basic Plan members and 7.50 percent for Coordinated Plan members in calendar year 2015. The City's contributions to the GERF for the years ending December 31, 2015, 2014 and 2013 were $97,034, $90,186 and $79,524, respectively. The City's contributions were equal to the contractually required contributions for each year as set by Minnesota statute.

Note 4: DEFINED BENEFIT PENSION PLANS - STATEWIDE - CONTINUED

PEPFF contributions

Plan members were required to contribute 10.8 percent of their annual covered salary in calendar year 2015. The City was required to contribute 16.20 percent of pay for PEPFF members in calendar year 2015. The City's contributions to the PEPFF for the years ending December 31, 2015, 2014 and 2013 were $98,214, $83,216 and $80,911, respectively. The City's contributions were equal to the contractually required contributions for each year as set by Minnesota statute.

D. Pension costs

GERF pension costs

At December 31, 2015, the City reported a liability of $1,134,972 for its proportionate share of the GERF's net pension liability. The net pension liability was measured as of June 30, 2015, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of that date. The City's proportion of the net pension liability was based on the City's contributions received by PERA during the measurement period for employer payroll paid dates from July 1, 2014 through June 30, 2015 relative to the total employer contributions received from all of PERA's participating employers. At June 30, 2015, the City's proportionate share was 0.0219 percent which was a decrease of 0.0005 percent from its proportion measured as of June 30, 2014.

For the year ended December 31, 2015, the City recognized pension expense of $115,115 for its proportionate share of GERF's pension expense.

At December 31, 2015, the City reported its proportionate share of GERF's deferred outflows of resources and deferred inflows of resources, and its contributions subsequent to the measurement date, from the following sources:

	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences between expected and actual experience	$ 10,766	$ 57,222
Changes in actuarial assumptions	70,441	-
Net difference between projected and actual earnings on plan investments	-	101,034
Changes in proportion	-	20,289
Contributions to GERF subsequent to the measurement date	47,837	-
Total	$ 129,044	$ 178,545

Deferred outflows of resources totaling $47,837 related to pensions resulting from the City's contributions to GERF subsequent to the measurement date will be recognized as a reduction of the net pension liability in the year ended December 31, 2016. Other amounts reported as deferred outflows and inflows of resources related to GERF pensions will be recognized in pension expense as follows:

2016	$ (27,864)
2017	(27,864)
2018	(68,468)
2019	26,858

Note 4: DEFINED BENEFIT PENSION PLANS - STATEWIDE - CONTINUED

PEPFF pension costs

At December 31, 2015, the City reported a liability of $704,465 for its proportionate share of the PEPFF's net pension liability. The net pension liability was measured as of June 30, 2015, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of that date. The City's proportion of the net pension liability was based on the City's contributions received by PERA during the measurement period for employer payroll paid dates from July 1, 2014 through June 30, 2015 relative to the total employer contributions received from all of PERA's participating employers. At June 30, 2015, the City's proportionate share was 0.0620 percent which was a decrease of 0.001 percent from its proportion measured as of June 30, 2014.

For the year ended December 31, 2015, the City recognized pension expense of $69,474 for its proportionate share of PEPFF's pension expense. The City also recognized $5,580 for the year ended December 31, 2015, as pension revenue for its proportionate share of the State of Minnesota's on-behalf contributions to the PEPFF. Legislation passed in 2013 required the State of Minnesota to begin contributing $9 million to the PEPFF each year, starting in fiscal year 2014.

At December 31, 2015, the City reported its proportionate share of PEPFF's deferred outflows of resources and deferred inflows of resources, and its contributions subsequent to the measurement date, from the following sources:

	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences between expected and actual experience	$ 762	$ 114,241
Changes in actuarial assumptions	133,884	-
Net difference between projected and actual earnings on plan investments	-	125,071
Changes in proportion	-	11,178
Contributions to PEPFF subsequent to the measurement date	52,587	-
Total	$ 187,233	$ 250,490

Deferred outflows of resources totaling $52,587 related to pensions resulting from the City's contributions to PEPFF subsequent to the measurement date will be recognized as a reduction of the net pension liability in the year ended December 31, 2016. Other amounts reported as deferred outflows and inflows of resources related to GERF pensions will be recognized in pension expense as follows:

2016	$ (43,342)
2017	(43,342)
2018	(43,342)
2019	39,262
2020	(25,080)

Note 4: DEFINED BENEFIT PENSION PLANS - STATEWIDE - CONTINUED

E. Actuarial assumptions

The total pension liability in the June 30, 2015 actuarial valuation was determined using the following actuarial assumptions:

Inflation	2.75% per year
Active member payroll growth	3.50% per year
Investment rate of return	7.90%

Salary increases were based on a service-related table. Mortality rates for active members, retirees, survivors and disabilitants were based on RP-2000 tables for males or females, as appropriate, with slight adjustments. Cost of living benefit increases for retirees are assumed to be: 1 percent effective every January 1st until 2034, then 2.5 percent for GERF and PEPFF.

Actuarial assumptions used in the June 30, 2015 valuation were based on the results of actuarial experience studies. The experience study in the GERF was for the period July 1, 2004 through June 30, 2008, with an update of economic assumptions in 2014. The experience study for PEPFF was for the period July 1, 2004, through June 30, 2009.

There were no changes in actuarial assumptions in 2015.

The long-term expected rate of return on pension plan investments is 7.9 percent. The State Board of Investment, which manages the investments of PERA, prepares an analysis of the reasonableness of the long-term expected rate of return on a regular basis using a building-block method in which best-estimate ranges of expected future rates of return are developed for each major asset class. These ranges are combined to produce an expected long-term rate of return by weighting the expected future rates of return by the target asset allocation percentages. The target allocation and best estimates of arithmetic real rates of return for each major asset class are summarized in the following table:

Asset Class	Target Allocation	Long-term Expected Real Rate of Return
Domestic stocks	45.00 %	5.50 %
International stocks	15.00	6.00
Bonds	18.00	1.45
Alternative assets	20.00	6.40
Cash	2.00	0.50
Total	100.00 %	

F. Discount rate

The discount rate used to measure the total pension liability was 7.9 percent. The projection of cash flows used to determine the discount rate assumed that employee and employer contributions will be made at the rate specified in statute. Based on that assumption, each of the pension plan's fiduciary net position was projected to be available to make all projected future benefit payments of current active and inactive employees. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

Note 4: DEFINED BENEFIT PENSION PLANS - STATEWIDE - CONTINUED

G. Pension liability sensitivity

The following presents the City's proportionate share of the net pension liability for all plans it participates in, calculated using the discount rate disclosed in the preceding paragraph, as well as what the City's proportionate share of the net pension liability would be if it were calculated using a discount rate 1 percentage point lower or 1 percentage point higher than the current discount rate:

	City Proportionate Share of NPL		
	1 Percent Decrease (6.90%)	Current (7.90%)	1 Percent Increase (8.90%)
GERF	$ 1,784,579	$ 1,134,972	$ 598,496
PEPFF	1,373,010	704,465	152,131

H. Pension plan fiduciary net position

Detailed information about each defined benefit pension plan's fiduciary net position is available in a separately-issued PERA financial report that includes financial statements and required supplementary information. That report may be obtained on the Internet at www.mnpera.org; by writing to PERA at 60 Empire Drive #200, St. Paul, Minnesota, 55103-2088; or by calling (651) 296-7460 or (800) 652-9026.

Note 5: OTHER INFORMATION

A. Legal debt margin

In accordance with Minnesota statutes, the City may not incur or be subject to net debt in excess of three percent of the estimated market value of taxable property within the City. Net debt is payable solely from ad valorem taxes and, therefore, excludes debt financed partially or entirely by special assessments, enterprise fund revenues, or tax increments. As of December 31, 2015, the market value of property within the City is $269,093,600 for an allowable margin of $8,072,808. There is $2,950,000 of outstanding debt at year end that is applied against the statutory debt limit.

B. Risk management

The City is exposed to various risks of loss related to torts; theft of, damage to and destruction of assets; errors and omissions; injuries to employees; and natural disasters for which the City carries insurance. The City obtains insurance through participation in the League of Minnesota Cities Insurance Trust (LMCIT), which is a risk sharing pool with approximately 800 other governmental units. The City pays an annual premium to LMCIT for its workers compensation and property and casualty insurance. The LMCIT is self-sustaining through member premiums and will reinsure for claims above a prescribed dollar amount for each insurance event. Settled claims have not exceeded the City's coverage in any of the past three fiscal years.

Liabilities are reported when it is probable that a loss has occurred and the amount of the loss can be reasonably estimated. Liabilities, if any, include an amount for claims that have been incurred but not reported (IBNRs). The City's management is not aware of any incurred but not reported claims.

Note 5: OTHER INFORMATION - CONTINUED

C. Isanti Area Joint Operating Fire Board District

In October of 2002, the City and the towns of Athens, Bradford, Isanti, Oxford, Spencer Brook and Stanford, entered a joint powers agreement to acquire and pay for new fire department substations in the townships. The City shall deposit in advance quarterly contributions with the treasurer of the Isanti Area Joint Operating Fire fund. The amount of the quarterly contributions to the fund shall be according to the proportions established in the fire protection contract. Upon termination of the agreement, any real property or buildings owned by the Board shall become the sole property of the City or Township in which the property lies. The City contributed $180,256 to the Board in 2015. The City's equity interest and its share of the net income (loss) of the District is not measurable and it is not explicit; therefore, no equity interest is reported in the government-wide financial statements.

D. Cambridge-Isanti Bike-Walk Trail

On September 8, 2008, the City entered into a joint and cooperative agreement with Isanti County, Isanti Township, and the City of Cambridge for the construction, operation, and maintenance of a bike-walk trail that connects the cities of Cambridge and Isanti. The trail was constructed with Federal and State grants received by Isanti County and the City of Cambridge. Isanti is responsible for maintaining and operating the part of the trail lying south of the centerline of the right of way of 301st Avenue. The agreement will terminate after 20 years. The City contributed $10,840 to the cooperative during 2015.

E. North Trunk Highway 65 Corridor Coalition

On September 19, 2006, the City of Isanti joined the North Trunk Highway 65 Corridor Coalition. The Coalition consists of cities, counties, and towns from Highway 10 in Blaine to the northern reaches of Kanabec County. The agreement states that the City must support the preservation and upgrade of the corridor to meet future transportation needs for various modes including, but not limited to, highway improvements, bus improvements, commuter, freight rail, multi-use paths, and Intelligent Transportation Systems (ITS). The City paid dues of $250 to the Coalition during 2015.

F. Minnesota Department of Transportation Partnership Agreement

On June 3, 2008, the City entered into a partnership agreement with the Minnesota Department of Transportation to undertake collaborative efforts for the design, construction, maintenance, and operation of state and local roads. The agreement allows both parties to write work orders against a master contract without prior City Council consent to ensure the greatest speed and flexibility in responding to identified needs. This agreement was renewed by the City Council on December 18, 2012 and will remain in effect for five years.

Note 6: COMMITMENTS AND CONTINGENCIES

A. Concentrations

The City receives a significant amount of its annual General fund revenue from the State of Minnesota from the Local Government Aid (LGA). The amount received in 2015 was $571,231 for LGA. This accounted for 23 percent of General fund revenues.

B. Tax increment districts

The City's tax increment districts are subject to review by the State of Minnesota Office of the State Auditor (OSA). Any disallowed claims or misuse of tax increments could become a liability of the applicable fund. Management has indicated that they are not aware of any instances of noncompliance which would have a material effect on the financial statements.

Note 7: CHANGE IN ACCOUNTING STANDARDS

During 2015, the City implemented several new accounting pronouncements issued by the Governmental Accounting Standards Board (GASB), including Statement No. 68, *Accounting and Financial Reporting for Pensions - an Amendment of GASB Statement No. 27* and Statement No. 71, *Pension Transition for Contributions Made Subsequent to the Measurement Date - an Amendment of GASB Statement No. 68,* for the year ended December 31, 2015. These standards required a retroactive implementation which resulted in the restatement of beginning balances in the December 31, 2014 financial statements. Changes related to these standards are reflected in the financial statements and schedules and related disclosures are included in Note 4.

As a result of the restatement of beginning balances, the following schedule reconciles the previously reported December 31, 2014 balances to the December 31, 2015 financial statements:

	December 31, 2015		
Fund	Net Position January 1, 2015 as Previously Reported	Prior Period Restatement (1)	Net Position January 1, 2015 as Restated
Governmental activities	$ 20,392,413	$ (1,549,272)	$ 18,843,141
Business-type activities	$ 23,152,365	$ (419,160)	$ 22,733,205
Business-type activities			
Water	$ 7,748,325	$ (111,520)	$ 7,636,805
Sewer	14,037,115	(135,705)	13,901,410
Stormwater	171,380	(27,326)	144,054
Liquor	1,195,545	(144,609)	1,050,936
Total business-type activities	$ 23,152,365	$ (419,160)	$ 22,733,205

(1) To record beginning net pension liability, deferred inflows of resources, and deferred outflow of resources at December 31, 2014.

INDEPENDENT AUDITOR'S REPORT ON MINNESOTA LEGAL COMPLIANCE

Honorable Mayor and City Council
City of Isanti, Minnesota

We have audited, in accordance with auditing standards generally accepted in the United States of America, and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the City of Isanti, Minnesota (the City) as of and for the year ended December 31, 2015, and the related notes to the financial statements, and have issued our report thereon dated April 11, 2016.

The *Minnesota Legal Compliance Audit Guide for Cities*, promulgated by the State Auditor pursuant to Minnesota Statute §6.65, contains seven categories of compliance to be tested: contracting and bidding, deposits and investments, conflicts of interest, public indebtedness, claims and disbursements, miscellaneous provisions, and tax increment financing. Our audit considered all of the listed categories.

In connection with our audit, nothing came to our attention that caused us to believe that the City failed to comply with the provisions of the *Minnesota Legal Compliance Audit Guide for Cities*. However, our audit was not directed primarily toward obtaining knowledge of such noncompliance. Accordingly, had we performed additional procedures, other matters may have come to our attention regarding the City's noncompliance with the above referenced provisions.

The purpose of this report is solely to describe the scope of our testing of compliance and the result of that testing, and not to provide an opinion on compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

Honorable Mayor and City Council
City of Isanti, Minnesota

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the City of Isanti, Minnesota (the City), as of and for the year ended December 31, 2015, and the related notes to the financial statements, which collectively comprise the City's basic financial statements and have issued our report thereon dated April 11, 2016.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the City's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, we do not express an opinion on the effectiveness of the City's internal control.

Our consideration of internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified However, as described in the accompanying Schedule of Findings and Responses, we identified certain deficiencies in internal control that we consider to be a material weakness and a significant deficiency.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. We consider the deficiency described in the accompanying Schedule of Findings and Responses as item 2015-002 to be a material weakness.

A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance. We consider the deficiency described in the accompanying Schedule of Findings and Responses as item 2015-001 to be a significant deficiency.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the City's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards.*

5201 Eden Avenue, Suite 250
Edina, MN 55436
952.835.9090 | Fax 952.835.3261

The City's Responses to the Findings

The City's responses to the findings identified in our audit are described in the accompanying Schedule of Findings and Responses. The City's responses were not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on them.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the City's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

People + Process. Going Beyond the Numbers

CITY OF ISANTI, MINNESOTA
SCHEDULE OF FINDINGS AND RESPONSES
FOR THE YEAR ENDED DECEMBER 31, 2015

Finding | Description

2015-001 Preparation of financial statements

Condition: We were requested to draft the audited financial statements and related footnote disclosures as part of our regular audit services. Ultimately, it is management's responsibility to provide for the preparation of your statements and footnotes, and the responsibility of the auditor to determine the fairness of presentation of those statements. It is our responsibility to inform you that this deficiency could result in a material misstatement to the financial statements that could have been prevented or detected by your management. Essentially, the auditors cannot be part of your internal control process.

Criteria: Internal controls should be in place to provide reasonable assurance over the reliability of financial records and reporting.

Cause: From a practical standpoint, we both prepare your statements and determine the fairness of that presentation at the same time in connection with our audit. This is not unusual for us to do with organizations of your size.

Effect: The effectiveness of the internal control system relies on enforcement by management. The effect of deficiencies in internal controls can result in undetected errors in financial reporting. We have instructed management to review a draft of the auditor prepared financials in detail for accuracy; we have answered any questions that management might have, and have encouraged research of any accounting guidance in connection with the adequacy and appropriateness of classification of disclosures in your statements. We are satisfied that the appropriate steps have been taken to provide you with the completed financial statements.

Recommendation: Under these circumstances, the most effective controls lie in management's knowledge of the City's financial operations. It is the responsibility of management and those charged with governance to make the decision whether to accept the degree of risk associated with this condition because of cost and other considerations. Regarding the specific situations listed above, we would offer the following specific recommendations: 1) Utilize a disclosure checklist to ensure all required disclosures are present and agree to work papers, and 2) Agree your accounting information from your accounting software to the amounts reported in the financial statements.

Management response:

For now, the City accepts the degree of risk associated with this condition and thoroughly reviews a draft of the financial statements.

Finding	Description

2015-002 Material audit adjustments

Condition: During our audit, several material audit adjustments were necessary related to capital asset additions, allocated project costs, and sold properties.

Criteria: The financial statements are the responsibility of the City's management; therefor, the City must be able to prevent or detect a material misstatement in the financial statements including footnote disclosures.

Cause: The year-end trial balance and supporting work papers did not reflect all necessary accounting entries.

Effect: This indicates that a misstatement has occurred and was not detected by the City's system of internal control.

Recommendation: We recommend that management review the final audit work paper and related journal entries, obtain an understanding of why the entries were necessary and modify current procedures to ensure that future corrections are not needed.

Management response:

Management has reviewed the final audit work paper and related journal entries and understands the adjustments made in the audit.

Management, Honorable Mayor and City Council
City of Isanti, Minnesota

We have audited the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the City of Isanti, Minnesota (the City) for the year ended December 31, 2015. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, *Government Auditing Standards*, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated November 12, 2015. Professional standards also require that we communicate to you the following information related to our audit.

Our Responsibility Under Auditing Standards Generally Accepted in the United States of America and *Government Auditing Standards*

As stated in our engagement letter, our responsibility, as described by professional standards, is to express opinions about whether the financial statements prepared by management with your oversight are fairly presented, in all material respects, in conformity with accounting principles generally accepted in the United States of America. Our audit of the financial statements does not relieve you or management of your responsibilities.

Our responsibility is to plan and perform the audit to obtain reasonable, but not absolute, assurance that the financial statements are free of material misstatement. As part of our audit, we considered the internal control over financial reporting (internal control) of the City. Such considerations were solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control. We are responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures specifically to identify such matters.

Significant Audit Findings

In planning and performing our audit of the financial statements, we considered the City's internal control to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, we do not express an opinion on the effectiveness of the City's internal control.

Our consideration of internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified However, as described in the accompanying Schedule of Findings and Responses, we identified certain deficiencies in internal control that we consider to be a material weakness and a significant deficiency.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. We consider the deficiency described on the following pages as item 2015-002 to be a material weakness.

A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance. We consider the deficiency described on the following pages as item 2015-001 to be a significant deficiency.

5201 Eden Avenue, Suite 250
Edina, MN 55436
952.835.9090 | Fax 952.835.3261

2015-001 Preparation of financial statements

Condition: We were requested to draft the audited financial statements and related footnote disclosures as part of our regular audit services. Ultimately, it is management's responsibility to provide for the preparation of your statements and footnotes, and the responsibility of the auditor to determine the fairness of presentation of those statements. It is our responsibility to inform you that this deficiency could result in a material misstatement to the financial statements that could have been prevented or detected by your management. Essentially, the auditors cannot be part of your internal control process.

Criteria: Internal controls should be in place to provide reasonable assurance over the reliability of financial records and reporting.

Cause: From a practical standpoint, we both prepare your statements and determine the fairness of that presentation at the same time in connection with our audit. This is not unusual for us to do with organizations of your size.

Effect: The effectiveness of the internal control system relies on enforcement by management. The effect of deficiencies in internal controls can result in undetected errors in financial reporting. We have instructed management to review a draft of the auditor prepared financials in detail for accuracy; we have answered any questions that management might have, and have encouraged research of any accounting guidance in connection with the adequacy and appropriateness of classification of disclosures in your statements. We are satisfied that the appropriate steps have been taken to provide you with the completed financial statements.

Recommendation: Under these circumstances, the most effective controls lie in management's knowledge of the City's financial operations. It is the responsibility of management and those charged with governance to make the decision whether to accept the degree of risk associated with this condition because of cost and other considerations. Regarding the specific situations listed above, we would offer the following specific recommendations: 1) Utilize a disclosure checklist to ensure all required disclosures are present and agree to work papers, and 2) Agree your accounting information from your accounting software to the amounts reported in the financial statements.

Management response:

For now, the City accepts the degree of risk associated with this condition and thoroughly reviews a draft of the financial statements.

2015-002 Material audit adjustments

Condition: During our audit, several material audit adjustments were necessary related to capital asset additions, allocated project costs, and sold properties.

Criteria: The financial statements are the responsibility of the City's management; therefor, the City must be able to prevent or detect a material misstatement in the financial statements including footnote disclosures.

Cause: The year-end trial balance and supporting work papers did not reflect all necessary accounting entries.

Effect: This indicates that a misstatement has occurred and was not detected by the City's system of internal control.

Recommendation: We recommend that management review the final audit work paper and related journal entries, obtain an understanding of why the entries were necessary and modify current procedures to ensure that future corrections are not needed.

Management response:

Management has reviewed the final audit work paper and related journal entries and understands the adjustments made in the audit.

People + Process. Going Beyond the Numbers

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the City's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. While our audit provides a reasonable basis for our opinion, it does not provide a legal determination on the City's compliance with those requirements. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards* or statutes set forth by the State of Minnesota.

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the City are described in Note 1 to the financial statements. As described in Note 7 to the financial statements, the City changed accounting policies related to accounting and financial reporting for pensions by adopting GASB Statements No. 68 and 71 in 2015. Accordingly, the cumulative effect of the accounting as of the beginning of the year is disclosed in Note 7. We noted no transactions entered into by the City during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimates affecting the financial statements were depreciation on capital assets, allocation of payroll and compensated absences, liability for other post-employment benefit, and the liability of the City's pensions.

- Management's estimate of depreciation is based on estimated useful lives of the assets. Depreciation is calculated using the straight-line method.

- Allocations of gross wages and payroll benefits are approved by City Council within the City's budget and are derived from each employee's estimated time to be spent servicing the respective functions of the City. These allocations are also used in allocating accrued compensated absences payable.

- The City's liability for other post-employment benefits was estimated to be zero primarily based on the assumption that employees, whom participate in the health insurance plan, will retire after the age of 65 and not continue to participate in the plan following retirement.

- Management's estimate of its pension liability is based on several factors including, but not limited to, anticipated investment return rate, retirement age for active employees, life expectancy, salary increases and form of annuity payment upon retirement.

    - The allocation of the pension liability related to Minnesota Public Employee Retirement Association (PERA) is based on the City's proportionate share of employer contributions to the PERA cost-sharing multiple employer Coordinated and Police and Fire pension plans.

We evaluated the key factors and assumptions used to develop these estimates in determining that they are reasonable in relation to the financial statements taken as a whole. The disclosures in the financial statements are neutral, consistent, and clear. Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

People + Process, Going Beyond the Numbers

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements. We proposed the following journal entries that we consider to be audit entries, or corrections of management decisions:

- Capital assets were adjusted as described in finding 2015-002.
- Retainage payable was adjusted to reduce prior year amounts paid as well as record an additional amount for the current year.
- Lease revenue was reclassified between funds and adjusted to unearned revenue for the portion related to 2016 obligations.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated April 11, 2016.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the City's financial statements or determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Matters

We applied certain limited procedures to the required supplementary information (RSI) (Management's Discussion and Analysis, the Schedules of Employer's Share of the Net Pension Liability and the Schedules of Employer's Contributions), which is information that supplements the basic financial statements. Our procedures consisted of inquiries of management regarding the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We did not audit the RSI and do not express an opinion or provide any assurance on the RSI.

We were engaged to report on the supplementary information (combining and individual fund financial statements and schedules), which accompany the financial statements but are not RSI. With respect to this supplementary information, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with accounting principles generally accepted in the United States of America, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

We were not engaged to report on the introductory section, which accompanies the financial statements but are not RSI. We did not audit or perform other procedures on this other information and we do not express an opinion or provide any assurance on it.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the City's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

People + Process. Going Beyond the Numbers

Financial Position and Results of Operations

Our principal observations and recommendations are summarized on the following pages. These recommendations resulted from our observations made in connection with our audit of the City's financial statements for the year ended December 31, 2015.

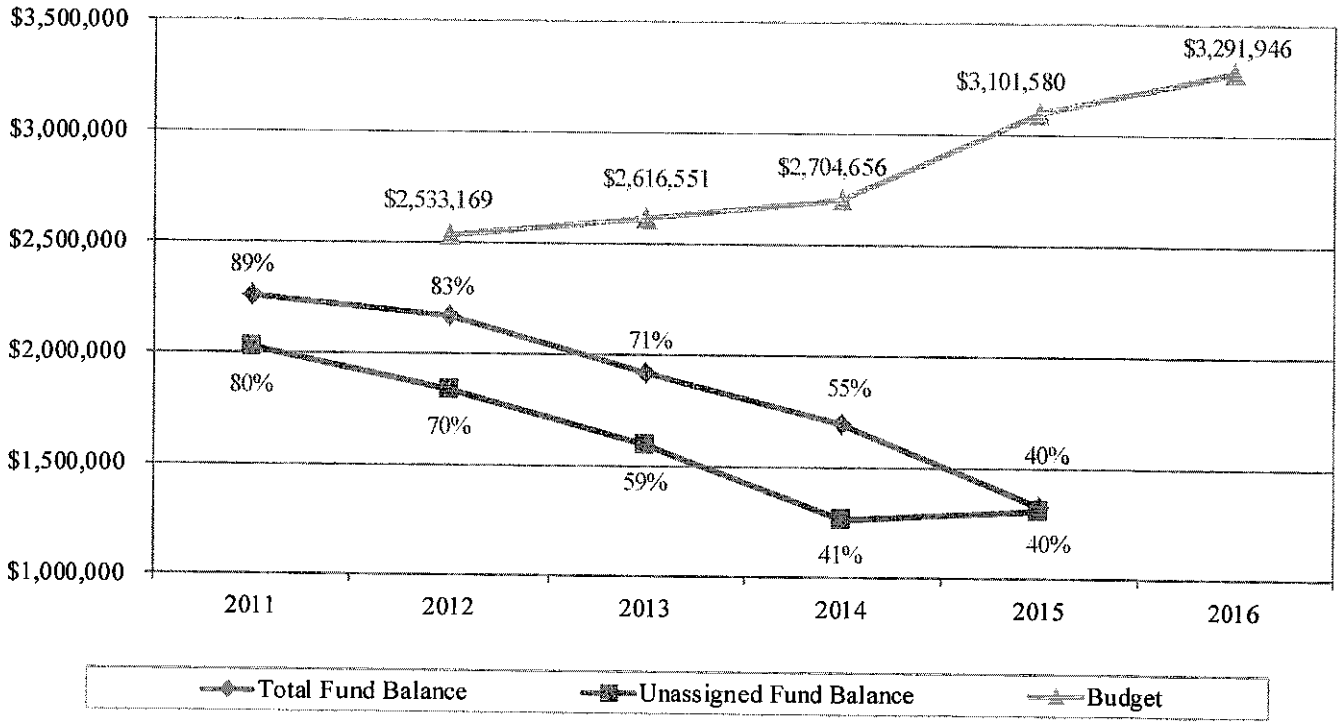
General Fund

The General fund is used to account for resources traditionally associated with government, which are not required legally or by sound principal management to be accounted for in another fund. The fund balance decreased $364,873 from 2014. We recommend the fund balance be maintained at a level sufficient to fund operations until the major revenue sources are received in June. The City's fund balance policy for the General fund identifies a minimum unassigned fund balance of 50 percent of the following year's budgeted expenditures and transfers out. The City's ending unassigned fund balance is below this target level from the policy.

The purposes and benefits of a fund balance are as follows:

- Expenditures are incurred somewhat evenly throughout the year. However, property tax and state aid revenues are not received until the second half of the year. An adequate fund balance will provide the cash flow required to finance the General fund expenditures.
- The City is vulnerable to legislative actions at the state and federal level. The State continually adjusts the local government aid formulas. An adequate fund balance will provide a temporary buffer against aid adjustments.
- Expenditures not anticipated at the time the annual budget was adopted may need immediate City Council action. These would include capital outlay, replacement, lawsuits and other items. An adequate fund balance will provide the financing needed for such expenditures.
- A strong fund balance will assist the City in maintaining, improving or obtaining its bond rating. The result will be better interest rates in future bond sales.

Fund Balance as a Percent of Next Year's Budgeted Expenditures and Transfers Out



People + Process. Going Beyond the Numbers

The 2015 General fund operations are summarized as follows:

	Final Budgeted Amounts	Actual Amounts	Variance with Final Budget
Revenues	$ 1,777,211	$ 2,504,581	$ 727,370
Expenditures	2,959,559	2,832,942	126,617
Deficiency of revenues under expenditures	(1,182,348)	(328,361)	853,987
Other financing sources (uses)			
Sale of capital asset	-	47,156	47,156
Transfers in	316,150	316,150	-
Transfers out	(142,021)	(399,818)	(257,797)
Total other financing sources (uses)	174,129	(36,512)	(210,641)
Net change in fund balances	(1,008,219)	(364,873)	643,346
Fund balances, January 1	1,692,234	1,692,234	-
Fund balances, December 31	$ 684,015	$ 1,327,361	$ 643,346

Some of the line items with significant variances are highlighted below:

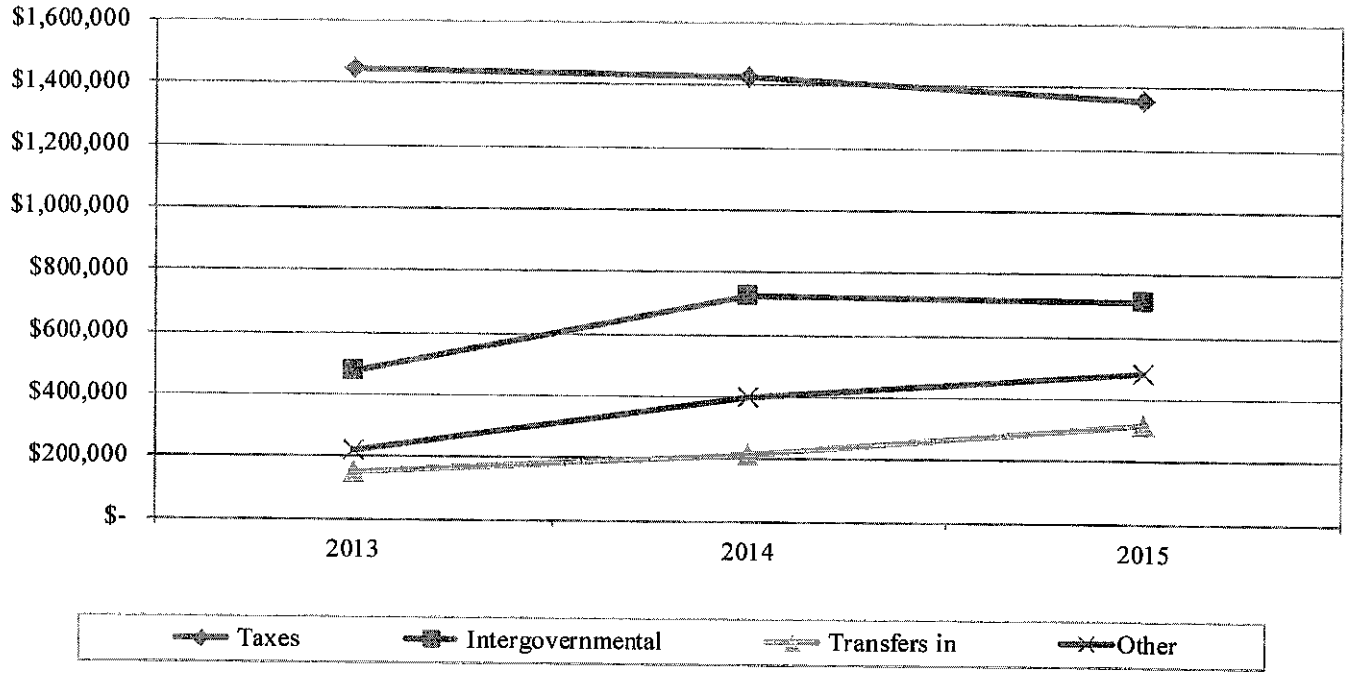
- The largest revenue variance is within intergovernmental revenues, which was $560,901 more than budgeted. This is primarily due to $571,231 received for Local Government Aid (LGA), all of which was unbudgeted. Due to the State budget fluctuations and constant discussion at the State level of reducing and/or eliminating LGA, the City Council wanted to take the position that they would not receive any LGA in 2015, and if any LGA was received in 2015, that it would be used in the 2016 budget. The intent was to allow City Council additional time to react to any reduction received. City Council is aware that this could potentially increase the percentage of expenditures in fund balance at year end. The City did not budget for LGA again in 2016, but will utilize the funds received for 2015.
- Revenues from nonbusiness licenses and permits were $90,209 more than budgeted due to more activity than anticipated.
- Revenues from property taxes were $58,959 more than anticipated. This was largely due to excess TIF received as a result of the partial decertification of TIF district 10.
- In total, expenditures were $126,617 less than anticipated. Significant budget variances were as follows:
    - Current expenditures within each function were less than budgeted: general government $20,479, public safety $59,803, public works $30,296, culture and recreation $57,770, and economic development $423.
        - Note: this was partially offset with capital outlay of $40,602 more than budgeted.
- An additional $257,797 was transferred to capital project funds for current and future projects above what was budgeted.

People + Process. Going Beyond the Numbers

A comparison between General fund 2013, 2014, and 2015 revenues and other sources is presented below:

Source	2013	2014	2015	Percent of Total	Per Capita
Taxes	$ 1,449,759	$ 1,425,810	$ 1,357,265	47.3 %	$ 251
Licenses and permits	92,707	215,544	190,909	6.7	35
Intergovernmental	478,108	725,791	712,120	24.8	132
Charges for services	86,831	80,209	159,409	5.6	29
Fines and forfeitures	27,629	33,771	37,310	1.3	7
Investment earnings	(13,767)	38,436	16,767	0.6	3
Miscellaneous	27,476	30,346	30,801	1.1	6
Transfers in	150,000	216,150	316,150	11.0	58
Sale of capital assets	-	-	47,156	1.6	9
Total revenues and other sources	$ 2,298,743	$ 2,766,057	$ 2,867,887	100.0 %	$ 530

A graphical presentation of 2013, 2014, and 2015 revenues and other sources follows:



Some of the line items with significant changes are highlighted below:

- Although $63,245 was collected for the City's portion of partially decertified TIF 10 distribution to the County, the overall property tax revenue decreased as a result of the decrease in the amount levied compared to 2014.
- The transfer from the Liquor Store increased from $200,000 in 2014 to $300,000 in 2015.
- Other revenues include the increase in charges for services, which includes roughly $32,000 for the lease of the fire station and $30,000 for the lease of the BMX building, neither of which were revenues in 2014. Also, other revenues includes $47,156 allocated to the General fund from the sale of property.

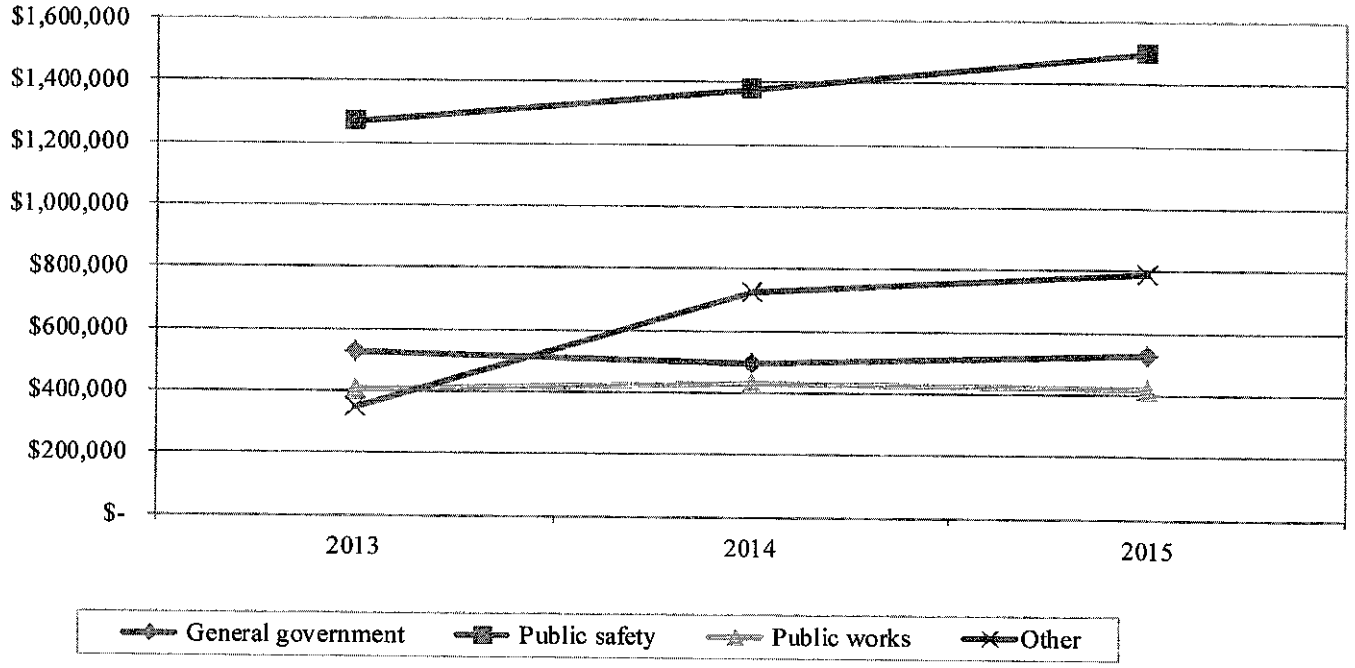
People +Process. Going Beyond the Numbers

A comparison between General fund expenditures and transfers out for 2013, 2014, and 2015 is presented below:

Program	2013	2014	2015	Percent of Total	Per Capita	Peer Group Per Capita
General government	$ 525,098	$ 494,663	$ 529,679	16.4 %	$ 98	$ 130
Public safety	1,267,859	1,379,885	1,495,583	46.3	276	231
Public works	405,159	432,964	417,763	12.9	77	120
Culture and recreation	175,626	281,616	259,295	8.0	48	58
Economic development	120,451	10,238	11,353	0.4	2	4
Capital outlay	1,484	266,474	117,717	3.6	22	32
Debt service	2,106	22,792	1,552	-	-	-
Transfers out	49,255	147,395	399,818	12.4	74	-
Total expenditures and transfers	$ 2,547,038	$ 3,036,027	$ 3,232,760	100.0 %	$ 597	$ 575

The above chart compares the amount the City spends per capita in comparison to a peer group. The peer group average is compiled from 2014 information from the 4th Class Cities (populations 2,500 to 10,000) that we have requested from the Office of the State Auditor.

The expenditures and transfers out summarized above are presented graphically as follows:



Some of the line items with significant changes are highlighted below:

- Although less than budgeted for 2015, public safety expenses have increased $15,698 from 2014. The police department made up the largest portion ($91,631) of the increase from 2014.
- Within other expenditures, the overall increase from 2014 to 2015 is a combination of the decrease in capital outlay offset by the increase in transfers out.

People + Process. Going Beyond the Numbers

Special Revenue Funds

Special revenue funds receive revenue from specific sources and expenditures are for specific purposes. A summary of the special revenue fund balances is shown below:

Fund	Fund Balances December 31, 2014	Fund Balances December 31, 2015	Increase (Decrease)
Nonmajor			
Redbirds Maintenance	$ 5,358	$ 81	$ (5,277)
Economic Development Authority	21,320	(251)	(21,571)
Park	22,341	18,383	(3,958)
Revolving Loan	234,825	619,963	385,138
Forfeiture	4,817	7,679	2,862
Youth Rec Education Safety	932	2,600	1,668
TIF 9	130,977	91,279	(39,698)
TIF 10	215,110	40,715	(174,395)
TIF 11	613	620	7
City Technology Improvement	(3,469)	4,562	8,031
Total	$ 632,824	$ 785,631	$ 152,807

The increase in the Revolving Loan fund is a result of a $400,000 MIF loan granted and reported as loans receivable.

The decrease in the TIF 10 is a result of paying $160,000 to the County related to the partial decertification of the District.

Capital Projects Funds

The fund balances of all capital projects funds are summarized below:

Capital Projects Fund	Fund Balances December 31, 2014	Fund Balances December 31, 2015	Increase (Decrease)
Nonmajor			
Signal Light Improvement	$ 285,950	$ 289,464	$ 3,514
Fairway Blvd/County 5 Signal	152,264	188,197	35,933
Railroad Avenue Improvements	30,989	33,250	2,261
2013 Railroad Avenue and Walk Improvements	(766,009)	(561,065)	204,944
BMX & Bluebird Improvements	323,344	(146,872)	(470,216)
Public Works 2014 Site Improvements	208,025	(5,711)	(213,736)
Municipal Expansion	(49,252)	-	49,252
Pavement Management Improvements	-	30,489	30,489
City Parking Improvements	-	(50,410)	(50,410)
Capital Replacement	602,728	458,456	(144,272)
Total	$ 788,039	$ 235,798	$ (552,241)

The City should monitor funds with deficits to ensure that future revenues will be sufficient to cover all expenditures incurred.

The City budgeted $49,252 in 2015 to eliminate the deficit in the Municipal Expansion fund.

City staff have identified that the deficit in the 2013 Railroad Avenue and Walk Improvements fund will be covered by future Municipal State Construction Aid. Currently, the fund has $561,108 recorded as a deferred inflow. This will be recognized as revenue when the timing requirements are met.

Both the BMX & Bluebird Improvements and Public Works 2014 Site improvements projects were completed in 2015. The City Parking Improvements project is nearly complete. Transfers should be recorded in the future to eliminate these deficits.

People + Process = Going Beyond the Numbers

Debt Service Funds

Debt Service funds are a type of governmental fund to account for the accumulation of resources for the payment of interest and principal on debt (other than enterprise fund debt). Debt Service funds may have one or a combination of the following revenue sources pledged to retire debt as follows:

- Property taxes - Primarily for general City benefit projects such as parks and municipal buildings. Property taxes may also be used to fund special assessment bonds which are not fully assessed.
- Tax increments - Pledged exclusively for tax increment/economic development districts.
- Capitalized interest portion of bond proceeds - After the sale of bonds, the project may not produce revenue (tax increments or special assessments) for a period of one to two years. Bonds are issued with this timing difference considered in the form of capitalized interest.
- Special assessments - Charges to benefited properties for various improvements.

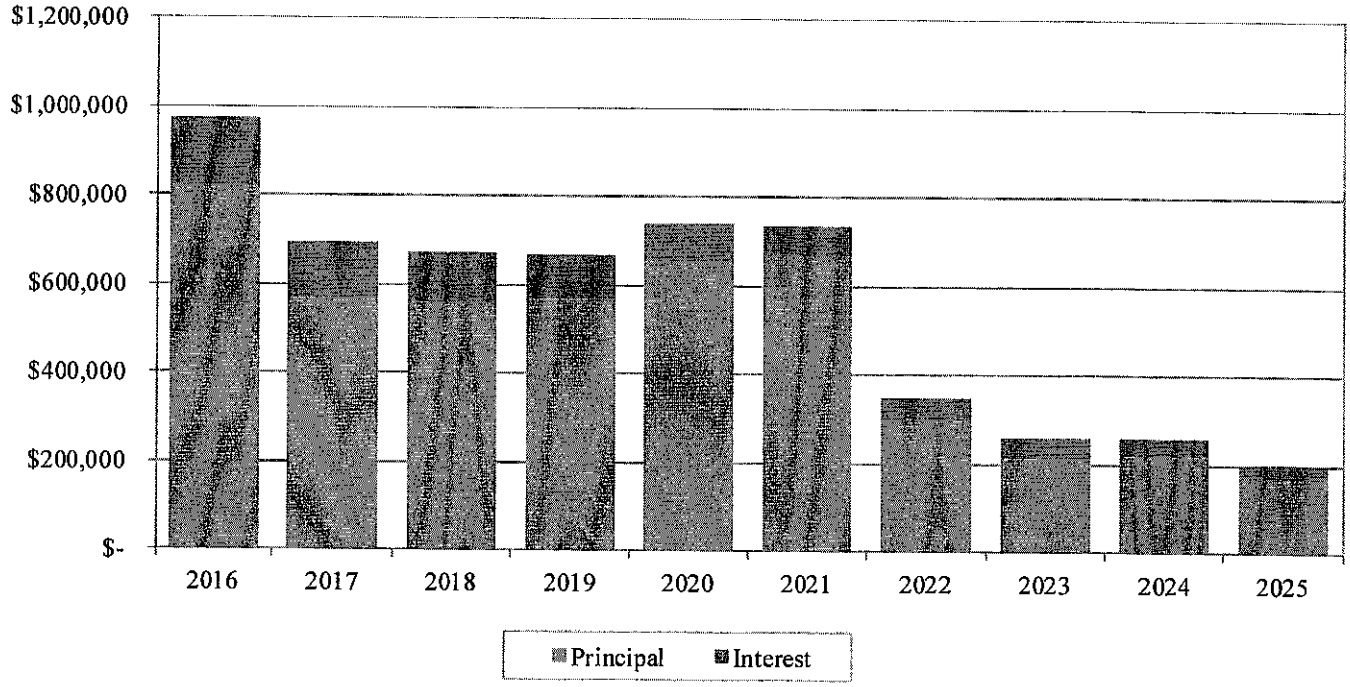
In addition to the above pledged assets, other funding sources may be received by Debt Service funds as follows: residual project proceeds from the related capital projects fund, investment earnings, state or federal grants, and transfers from other funds.

The following is a summary of the cash, total assets and bonds outstanding at year end for the governmental debt service funds:

Debt Service Fund	Cash Balance	Total Assets	Bonds Outstanding	Maturity Date
2006A Improvement Bonds	$ 122,060	$ 313,565	$ 285,000	01/01/17
2008A Improvement Bonds	207,131	603,628	400,000	12/01/18
2009A Crossover Refunding Bonds	109,344	468,432	165,000	12/01/17
2010B G.O. Improvement Refunding Bonds	639,435	953,152	1,335,000	12/01/21
2011A G.O. Improvement Bonds	199,432	348,496	575,000	02/01/22
2014A G.O.Tax Abatement Bonds	165,832	172,768	2,560,000	02/01/30
2014B G.O.Improvement Bonds	44,395	45,967	390,000	02/01/24
Total	$ 1,487,629	$ 2,906,008	$ 5,710,000	

People + Process. Going Beyond the Numbers

Debt Service Scheduled Principal and Interest for the next 10 years



A summary of non-enterprise fund bonds outstanding relative to market value and population follows:

Fiscal Year	Population (1)	Taxable Market Value (2)	Bonds Payable in Debt Service Funds (3)	Less Amount Available (4)	Net Debt	Ratio of Net Debt to Market Value	Net Debt per Capita
2015	5,409	$269,093,600	$ 5,710,000	$ 1,507,296	$ 4,202,704	1.6 %	$ 777
2014	5,385	258,315,600	6,330,000	1,441,936	4,888,064	1.9	908
2013	5,369	271,579,700	4,005,000	1,401,796	2,603,204	1.0	485
2012	5,286	277,719,500	4,640,000	1,307,821	3,332,179	1.2	630
2011	5,320	316,456,600	5,195,000	1,320,660	3,874,340	1.2	728

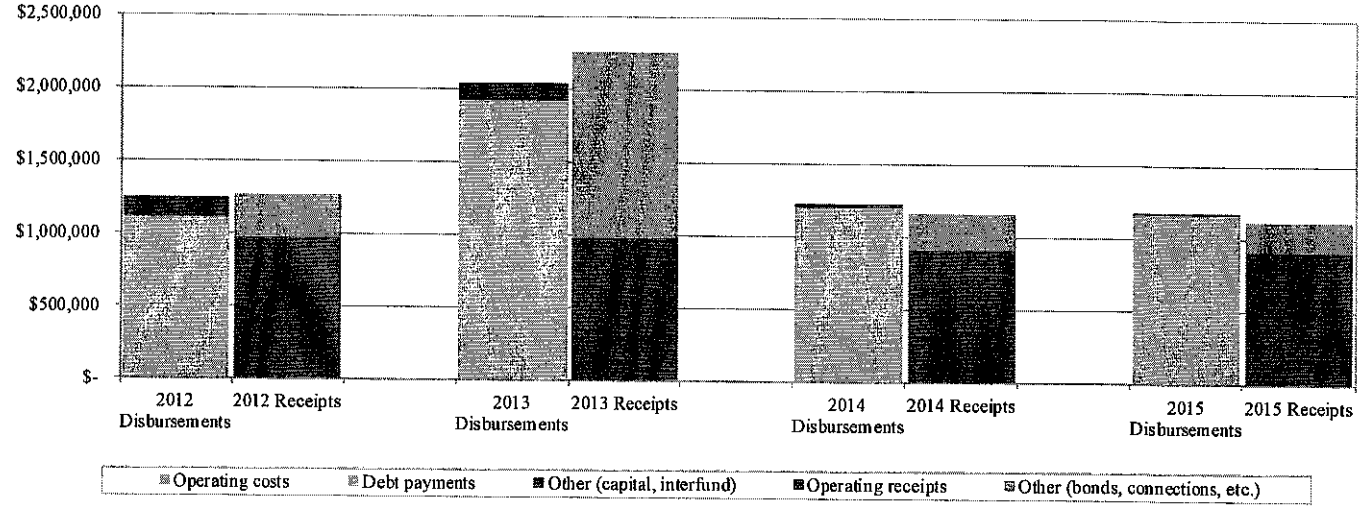
Going Beyond the Numbers

Enterprise Funds

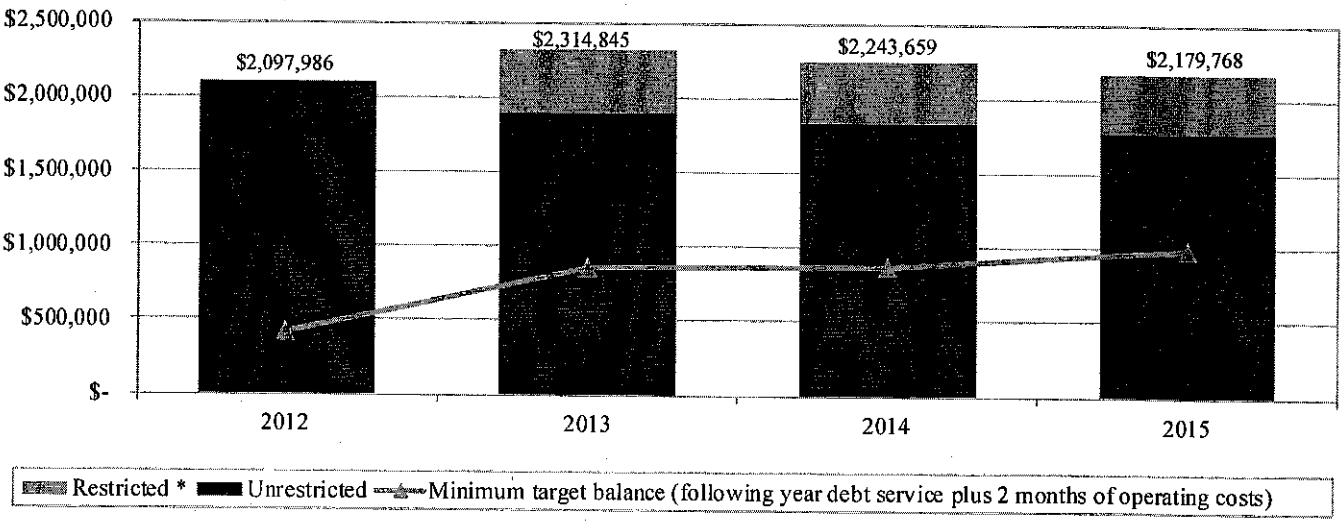
Enterprise funds are used to account for operations that are financed and operated in a manner similar to private business enterprises- where the intent is that the costs of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges.

The results of the operations in terms of cash flow and the breakdown of the cash balances for the past four years are as follows:

Water Utility Fund Cash Flow



Water Utility Fund Cash Balance



* Restricted cash is being held in escrow for future debt payments. For reporting, this is included as cash until called.

	2012	2013	2014	2015
Bonds payable	$ 7,260,681	$ 7,132,806	$ 6,535,056	$ 5,922,056

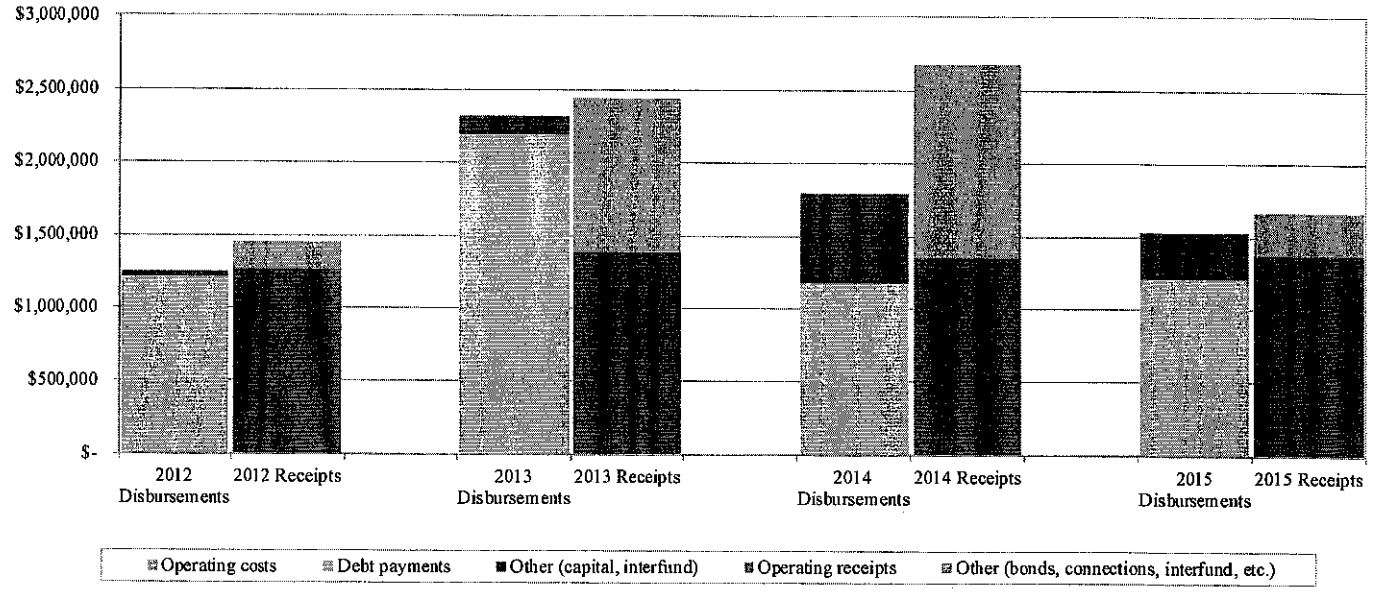
Some of the items with significant changes in the above charts are highlighted below:

- Operating receipts (blue) have not been sufficient alone to cover operating costs (grey) and debt payments (green) in any of the four years presented. This signifies the need for cash from connections ($150,385 in 2015, included in orange) and to utilize cash reserves to cover costs.

We recommend that the rates be reviewed annually to ensure that they are sufficient to cover operating costs, annual scheduled debt payments, and planned project costs.

People + Process. Going Beyond the Numbers

Sewer Utility Fund Cash Flow



Sewer Utility Fund Cash Balance

	2012	2013	2014	2015
Bonds payable	$ 4,757,659	$ 3,213,947	$ 3,431,159	$ 2,609,199

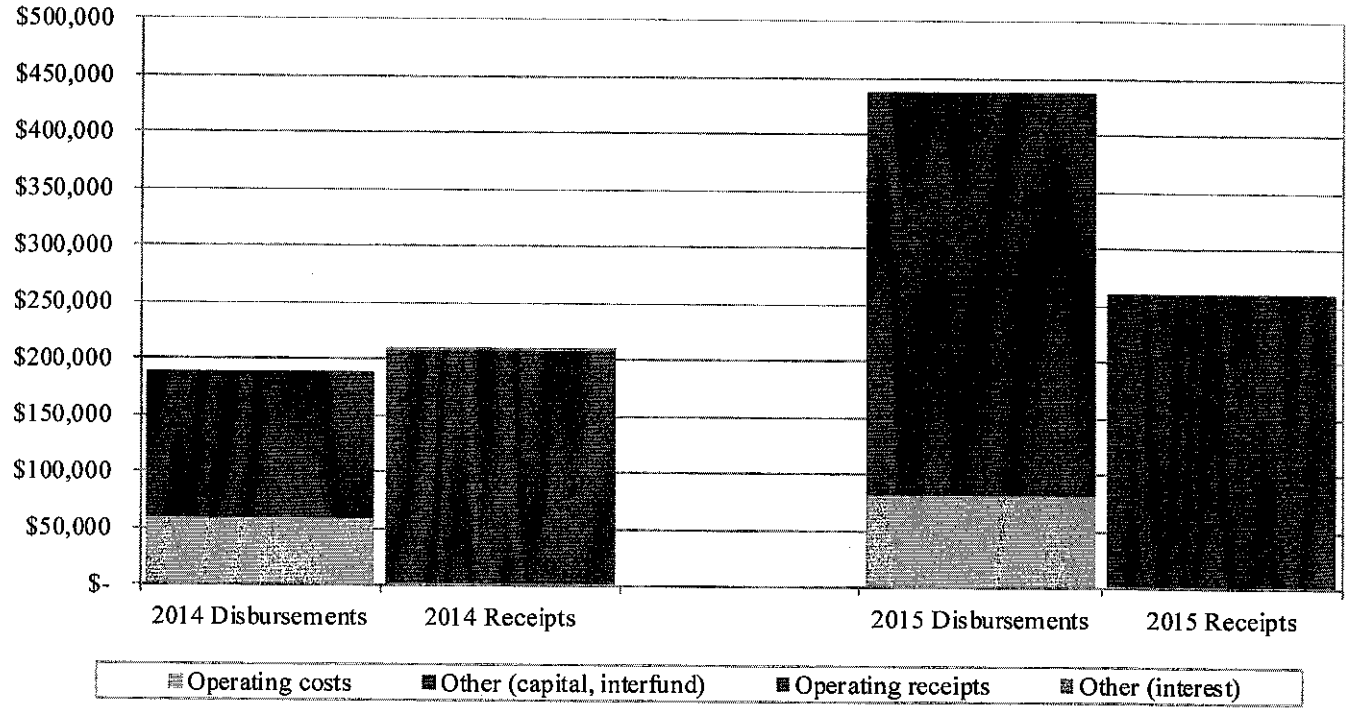
Some of the items with significant changes in the above charts are highlighted below:

- In 2014, $1,030,000 of revenue bonds were issued (included in orange). The bond proceeds have been used to pay for the Lift Station and Public Works improvement projects. Additionally, 2015 Waste Water Treatment Improvement project costs have been applied against these bond proceeds and approximately $172,000 is identified as unspent bond proceeds at year-end.
- For each of the years reported, operating receipts (blue) were sufficient to cover operating costs (grey) and debt payments (green) after factoring out refunded principal paid from bond proceeds in 2013.
- In 2015, receipts from connection fees were $176,479. For the four years presented, receipts from connection fees total $419,314.

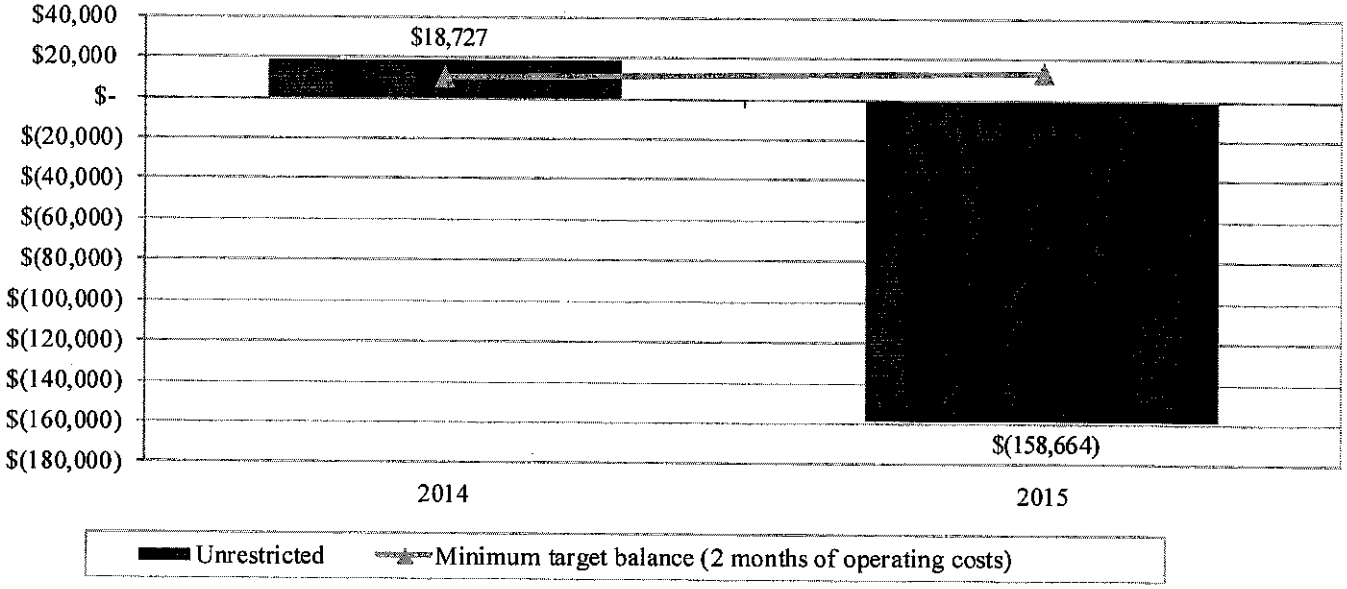
As noted with the Water fund, we recommend that the rates be reviewed annually to ensure that they are sufficient to cover operating costs, annual scheduled debt payments, and planned project costs.

People + Process. Going Beyond the Numbers

Storm Water Utility Fund Cash Flow



Storm Water Utility Fund Cash Balance



2014 was the first year of operations for the storm water fund. For both years presented, operating receipts (blue) were sufficient to cover operating costs (grey); however, there is negative cash of $158,664 at year-end as a result of 2015 capital (maroon). Future receipts in 2016 are anticipated to be sufficient to replenish this deficit.

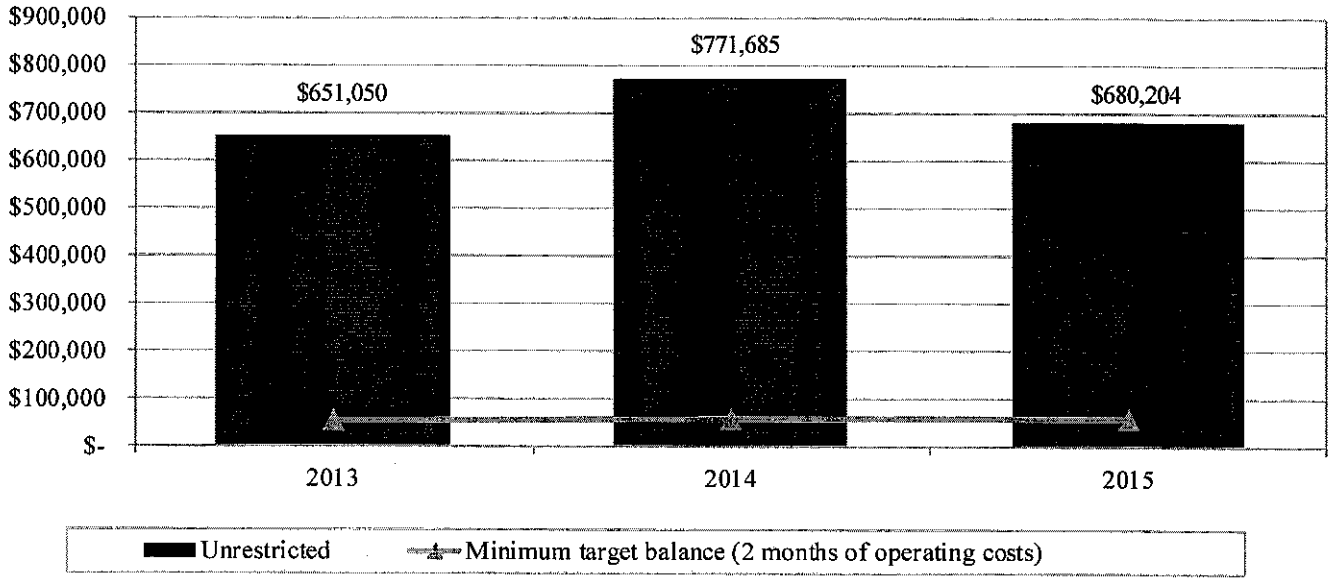
People + Process
Going Beyond the Numbers

Liquor Store Fund

The following is a summary of operations in the Liquor fund for the past three years:

	2013		2014		2015	
	Total	Percent	Total	Percent	Total	Percent
Sales	$ 2,312,602	100.0 %	$ 2,414,876	100.0 %	$ 2,474,708	100.0 %
Cost of sales	1,708,940	73.9	1,751,938	72.5	1,806,637	73.0
Gross profit	603,662	26.1	662,938	27.5	668,071	27.0
Operating expenses	344,778	14.9	358,507	14.8	357,002	14.4
Operating income	258,884	11.2	304,431	12.7	311,069	12.6
Nonoperating revenues (expenses)	(12,634)	(0.5)	14,587	0.6	9,182	0.4
Income before transfers	246,250	10.7	319,018	13.3	320,251	13.0
Transfers out	(150,000)	(6.5)	(200,000)	(8.3)	(300,000)	(12.1)
Change in net position	$ 96,250	4.2 %	$ 119,018	5.0 %	$ 20,251	0.9 %

Liquor Store Fund Cash Balance



Net cash from operations over the last three years have been $301,344, $305,986, and $314,936 for 2015, 2014, and 2013, respectively.

The fund had $100,657 for capital costs primarily related to parking lot improvements. These costs, as well as $300,000 transferred to the General fund, contributed to the overall decrease in cash from 2014.

We recommend that the City continue reviewing gross profit margins as well as operating expenses to achieve profitability at a level sufficient to cover any major repairs, planned capital related projects, and support budgeted transfers to the General fund.

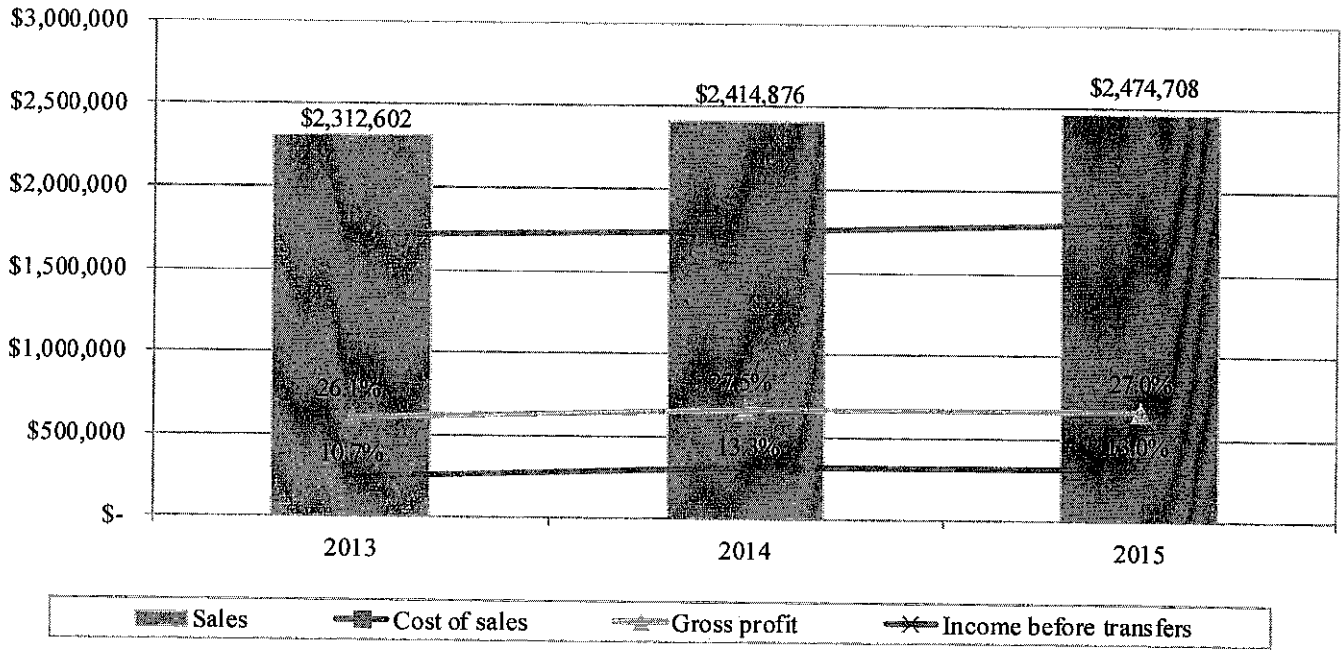
People + Process. Going Beyond the Numbers

The Office of the State Auditor annually publishes a report analyzing the operation of municipal liquor stores in the state. The last most recent year of published information is for the year ended December 31, 2014. The statewide averages for all operations are summarized below.

	Off Sale Only Stores		
	2012	2013	2014
	Percent of Sales	Percent of Sales	Percent of Sales
Sales	100.0 %	100.0 %	100.0 %
Cost of sales	74.2 %	74.0 %	73.9 %
Gross profit	25.8	26.0	26.1
Operating expenses	16.5	16.9	17.1
Operating income	9.3	9.1	9.0
Nonoperating revenue (expense)	(0.2)	(0.3)	-
Income before transfers	9.1 %	8.8 %	9.0 %

Source: Analysis of Municipal Liquor Store Operations, for the year ended December 31, 2014.
Published by the Minnesota Office of the State Auditor

Liquor Fund Operations



Sales have continuously increased over the past three years. The gross profit remained fairly consistent with the previous year.

The City's gross profit percentages of 26.1, 27.5, and 27.0 percent for 2013, 2014 and 2015, respectively, are above the statewide averages. Additionally, the percentage of income before transfers was significantly higher for 2013 - 2015 than the statewide averages.

People + Process. Going Beyond the Numbers

Ratio Analysis

The following captures a few ratios from the City's financial statements that give some additional information for trend and peer group analysis. The peer group average is derived from information we have requested from the Office of the State Auditor. Different peer group averages are used for cities of the 4th class (population 2,500 to 10,000). The majority of these ratios facilitate the use of economic resources focus and accrual basis of accounting at the government-wide level. A combination of liquidity (ability to pay its most immediate obligations), solvency (ability to pay its long-term obligations), funding (comparison of financial amounts and economic indicators to measure changes in financial capacity over time) and common-size (comparison of financial data with other cities regardless of size) ratios are shown below.

Ratio	Calculation	Source	2012	2013	2014	2015
Debt to assets	Total liabilities/total assets	Government-wide	27%	25%	28%	28%
			33%	*32%*	*32%*	*N/A*
Debt service coverage	Net cash provided by operations/ enterprise fund debt payments	Enterprise funds	95%	135%	92%	95%
			106%	*117%*	*114%*	*N/A*
Debt per capita	Bonded debt/population	Government-wide	$3,006	$2,673	$3,026	$2,633
			$ 2,626	*$ 2,656*	*$ 2,506*	*N/A*
Taxes per capita	Tax revenues/population	Government-wide	$ 359	$ 354	$ 348	$ 381
			$ 480	*$ 487*	*$ 484*	*N/A*
Current expenditures per capita	Governmental fund current expenditures / population	Governmental funds	$ 509	$ 492	$ 542	$ 584
			$ 649	*$ 634*	*$ 674*	*N/A*

People + Process. Going Beyond the Numbers

Debt-to-Assets Leverage Ratio (Solvency Ratio)

The debt-to-assets leverage ratio is a comparison of a City's total liabilities to its total assets or the percentage of total assets that are provided by creditors. It indicates the degree to which the City's assets are financed through borrowings and other long-term obligations (i.e. a ratio of 50 percent would indicate half of the assets are financed with outstanding debt).

Debt Service Coverage Ratio (Solvency Ratio)

The debt coverage ratio is a comparison of cash generated by operations to total debt service payments (principal and interest) of enterprise funds. This ratio indicates if there are sufficient cash flows from operations to meet debt service obligations. Except in cases where other nonoperating revenues (i.e. taxes, assessments, transfers from other funds, etc.) are used to fund debt service payments, an acceptable ratio would be above 100 percent.

Bonded Debt per Capita (Funding Ratio)

This dollar amount is arrived at by dividing the total bonded debt by the population of the City and represents the amount of bonded debt obligation for each citizen of the City at the end of the year. The higher the amount, the more resources are needed in the future to retire these obligations through taxes, assessments or user fees.

Taxes per Capita (Funding Ratio)

This dollar amount is arrived at by dividing the total tax revenues by the population of the City and represents the amount of taxes for each citizen of the City for the year. The higher this amount is, the more reliant the City is on taxes to fund its operations.

Current Expenditures per Capita (Funding Ratio)

This dollar amount is arrived at by dividing the total current governmental expenditures by the population of the City and represents the amount of governmental expenditures for each citizen of the City during the year. Since this is generally based on ongoing expenditures, we would expect consistent annual per capita results.

Capital Expenditures per Capita (Funding Ratio)

This dollar amount is arrived at by dividing the total governmental capital outlay expenditures by the population of the City and represents the amount of capital expenditures for each citizen of the City during the year. Since projects are not always recurring, the per capita amount will fluctuate from year to year.

Capital Assets Percentage (Common-size Ratio)

This percentage represents the percent of governmental or business-type capital assets that are left to be depreciated. The lower this percentage, the older the City's capital assets are and may need major repairs or replacements in the near future. A higher percentage may indicate newer assets being constructed or purchased and may coincide with higher debt ratios or bonded debt per capita.

Future Accounting Standard Changes

The following Governmental Accounting Standards Board (GASB) Statements have been issued and may have an impact on future City financial statements: [1]

GASB Statement No. 72 - *Fair Value Measurement and Application*

Summary

This statement addresses accounting and financial reporting issues related to fair value measurements. The definition of fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. This Statement provides guidance for determining a fair value measurement for financial reporting purposes. This Statement also provides guidance for applying fair value to certain investments and disclosures related to all fair value measurements.

Effective Date and Transition

The requirements of this Statement are effective for financial statements for periods beginning after June 15, 2015. Earlier application is encouraged.

How the Changes in This Statement Will Improve Financial Reporting

The requirements of this Statement will enhance comparability of financial statements among governments by requiring measurement of certain assets and liabilities at fair value using a consistent and more detailed definition of fair value and accepted valuation techniques. This Statement also will enhance fair value application guidance and related disclosures in order to provide information to financial statement users about the impact of fair value measurements on a government's financial position.

GASB Statement No. 73 - *Accounting and financial reporting for pension and related assets that are not within the scope of GASB Statement No. 68, and amendments to certain provisions of GASB Statements No. 67 and No. 68*

Summary

The objective of this Statement is to improve the usefulness of information about pensions included in the general purpose external financial reports of state and local governments for making decisions and assessing accountability. This Statement results from a comprehensive review of the effectiveness of existing standards of accounting and financial reporting for all postemployment benefits with regard to providing decision-useful information, supporting assessments of accountability and interperiod equity, and creating additional transparency.

This Statement establishes requirements for defined benefit pensions that are not within the scope of Statement No. 68, Accounting and Financial Reporting for Pensions, as well as for the assets accumulated for purposes of providing those pensions. In addition, it establishes requirements for defined contribution pensions that are not within the scope of Statement 68. It also amends certain provisions of Statement No. 67, Financial Reporting for Pension Plans, and Statement 68 for pension plans and pensions that are within their respective scopes.

The requirements of this Statement extend the approach to accounting and financial reporting established in Statement 68 to all pensions, with modifications as necessary to reflect that for accounting and financial reporting purposes, any assets accumulated for pensions that are provided through pension plans that are not administered through trusts that meet the criteria specified in Statement 68 should not be considered pension plan assets. It also requires that information similar to that required by Statement 68 be included in notes to financial statements and required supplementary information by all similarly situated employers and nonemployer contributing entities.

This Statement also clarifies the application of certain provisions of Statements 67 and 68 with regard to the following issues:

1. Information that is required to be presented as notes to the 10-year schedules of required supplementary information about investment-related factors that significantly affect trends in the amounts reported.

2. Accounting and financial reporting for separately financed specific liabilities of individual employers and nonemployer contributing entities for defined benefit pensions.

Timing of employer recognition of revenue for the support of nonemployer contributing entities not in a special funding situation.

People + Process. Going Beyond the Numbers

Future Accounting Standard Changes - Continued

Effective Date and Transition

The requirements of this Statement that address accounting and financial reporting by employers and governmental nonemployer contributing entities for pensions that are not within the scope of Statement 68 are effective for financial statements for fiscal years beginning after June 15, 2016, and the requirements of this Statement that address financial reporting for assets accumulated for purposes of providing those pensions are effective for fiscal years beginning after June 15, 2015. The requirements of this Statement for pension plans that are within the scope of Statement 67 or for pensions that are within the scope of Statement 68 are effective for fiscal years beginning after June 15, 2015. Earlier application is encouraged.

How the Changes in This Statement Will Improve Financial Reporting

The requirements of this Statement will improve financial reporting by establishing a single framework for the presentation of information about pensions, which will enhance the comparability of pension-related information reported by employers and nonemployer contributing entities.

GASB Statement No. 74 - *Financial Reporting for Postemployment Benefit Plans Other than Pension Plans*

Summary

The objective of this Statement is to improve the usefulness of information about postemployment benefits other than pensions (other postemployment benefits or OPEB) included in the general purpose external financial reports of state and local governmental OPEB plans for making decisions and assessing accountability. This Statement results from a comprehensive review of the effectiveness of existing standards of accounting and financial reporting for all postemployment benefits (pensions and OPEB) with regard to providing decision-useful information, supporting assessments of accountability and interperiod equity, and creating additional transparency.

This Statement replaces Statements No. 43, Financial Reporting for Postemployment Benefit Plans Other Than Pension Plans, as amended, and No. 57, OPEB Measurements by Agent Employers and Agent Multiple-Employer Plans. It also includes requirements for defined contribution OPEB plans that replace the requirements for those OPEB plans in Statement No. 25, Financial Reporting for Defined Benefit Pension Plans and Note Disclosures for Defined Contribution Plans, as amended, Statement 43, and Statement No. 50, Pension Disclosures.

Statement No. 75, Accounting and Financial Reporting for Postemployment Benefits Other than Pensions, establishes new accounting and financial reporting requirements for governments whose employees are provided with OPEB, as well as for certain nonemployer governments that have a legal obligation to provide financial support for OPEB provided to the employees of other entities.

The scope of this Statement includes OPEB plans-defined benefit and defined contribution-administered through trusts that meet the following criteria:

- Contributions from employers and nonemployer contributing entities to the OPEB plan and earnings on those contributions are irrevocable.
- OPEB plan assets are dedicated to providing OPEB to plan members in accordance with the benefit terms.
- OPEB plan assets are legally protected from the creditors of employers, nonemployer contributing entities, and the OPEB plan administrator. If the plan is a defined benefit OPEB plan, plan assets also are legally protected from creditors of the plan members.

This Statement also includes requirements to address financial reporting for assets accumulated for purposes of providing defined benefit OPEB through OPEB plans that are not administered through trusts that meet the specified criteria.

Effective Date and Transition

This Statement is effective for financial statements for fiscal years beginning after June 15, 2016. Earlier application is encouraged.

People + Process, Going Beyond the Numbers

Future Accounting Standard Changes - Continued

How the Changes in This Statement Will Improve Financial Reporting

The requirements of this Statement will improve financial reporting primarily through enhanced note disclosures and schedules of required supplementary information that will be presented by OPEB plans that are administered through trusts that meet the specified criteria. The new information will enhance the decision-usefulness of the financial reports of those OPEB plans, their value for assessing accountability, and their transparency by providing information about measures of net OPEB liabilities and explanations of how and why those liabilities changed from year to year. The net OPEB liability information, including ratios, will offer an up-to-date indication of the extent to which the total OPEB liability is covered by the fiduciary net position of the OPEB plan. The comparability of the reported information for similar types of OPEB plans will be improved by the changes related to the attribution method used to determine the total OPEB liability. The contribution schedule will provide measures to evaluate decisions related to the assessment of contribution rates in comparison with actuarially determined rates, if such rates are determined. In addition, new information about rates of return on OPEB plan investments will inform financial report users about the effects of market conditions on the OPEB plan's assets over time and provide information for users to assess the relative success of the OPEB plan's investment strategy and the relative contribution that investment earnings provide to the OPEB plan's ability to pay benefits to plan members when they come due.

GASB Statement No. 75 - *Accounting and Financial Reporting for Postemployment Benefit Plans Other than Pension*

Summary

The primary objective of this Statement is to improve accounting and financial reporting by state and local governments for postemployment benefits other than pensions (other postemployment benefits or OPEB). It also improves information provided by state and local governmental employers about financial support for OPEB that is provided by other entities. This Statement results from a comprehensive review of the effectiveness of existing standards of accounting and financial reporting for all postemployment benefits (pensions and OPEB) with regard to providing decision-useful information, supporting assessments of accountability and interperiod equity, and creating additional transparency.

This Statement replaces the requirements of Statements No. 45, Accounting and Financial Reporting by Employers for Postemployment Benefits Other than Pensions, as amended, and No. 57, OPEB Measurements by Agent Employers and Agent Multiple-Employer Plans, for OPEB. Statement No. 74, Financial Reporting for Postemployment Benefit Plans Other than Pension Plans, establishes new accounting and financial reporting requirements for OPEB plans.

The scope of this Statement addresses accounting and financial reporting for OPEB that is provided to the employees of state and local governmental employers. This Statement establishes standards for recognizing and measuring liabilities, deferred outflows of resources, deferred inflows of resources, and expense/expenditures. For defined benefit OPEB, this Statement identifies the methods and assumptions that are required to be used to project benefit payments, discount projected benefit payments to their actuarial present value, and attribute that present value to periods of employee service. Note disclosure and required supplementary information requirements about defined benefit OPEB also are addressed.

In addition, this Statement details the recognition and disclosure requirements for employers with payables to defined benefit OPEB plans that are administered through trusts that meet the specified criteria and for employers whose employees are provided with defined contribution OPEB. This Statement also addresses certain circumstances in which a nonemployer entity provides financial support for OPEB of employees of another entity.

In this Statement, distinctions are made regarding the particular requirements depending upon whether the OPEB plans through which the benefits are provided are administered through trusts that meet the following criteria:

- Contributions from employers and nonemployer contributing entities to the OPEB plan and earnings on those contributions are irrevocable.

- OPEB plan assets are dedicated to providing OPEB to plan members in accordance with the benefit terms.

OPEB plan assets are legally protected from the creditors of employers, nonemployer contributing entities, the OPEB plan administrator, and the plan members.

People + Process. Going Beyond the Numbers

Future Accounting Standard Changes - Continued

Effective Date

This Statement is effective for fiscal years beginning after June 15, 2017. Earlier application is encouraged.

How the Changes in This Statement Will Improve Financial Reporting

The requirements of this Statement will improve the decision-usefulness of information in employer and governmental nonemployer contributing entity financial reports and will enhance its value for assessing accountability and interperiod equity by requiring recognition of the entire OPEB liability and a more comprehensive measure of OPEB expense. Decision-usefulness and accountability also will be enhanced through new note disclosures and required supplementary information, as follows:

- More robust disclosures of assumptions will allow for better informed assessments of the reasonableness of OPEB measurements.
- Explanations of how and why the OPEB liability changed from year to year will improve transparency.
- The summary OPEB liability information, including ratios, will offer an indication of the extent to which the total OPEB liability is covered by resources held by the OPEB plan, if any.
- For employers that provide benefits through OPEB plans that are administered through trusts that meet the specified criteria, the contribution schedules will provide measures to evaluate decisions related to contributions.

The consistency, comparability, and transparency of the information reported by employers and governmental nonemployer contributing entities about OPEB transactions will be improved by requiring:

- The use of a discount rate that considers the availability of the OPEB plan's fiduciary net position associated with the OPEB of current active and inactive employees and the investment horizon of those resources, rather than utilizing only the long-term expected rate of return regardless of whether the OPEB plan's fiduciary net position is projected to be sufficient to make projected benefit payments and is expected to be invested using a strategy to achieve that return.
- A single method of attributing the actuarial present value of projected benefit payments to periods of employee service, rather than allowing a choice among six methods with additional variations.
- Immediate recognition in OPEB expense, rather than a choice of recognition periods, of the effects of changes of benefit terms.
- Recognition of OPEB expense that incorporates deferred outflows of resources and deferred inflows of resources related to OPEB over a defined, closed period, rather than a choice between an open or closed period.

GASB Statement No. 76 - *The Hierarchy of Generally Accepted Accounting Principles for State and Local Governments*

Summary

The objective of this Statement is to identify-in the context of the current governmental financial reporting environment-the hierarchy of generally accepted accounting principles (GAAP). The "GAAP hierarchy" consists of the sources of accounting principles used to prepare financial statements of state and local governmental entities in conformity with GAAP and the framework for selecting those principles. This Statement reduces the GAAP hierarchy to two categories of authoritative GAAP and addresses the use of authoritative and nonauthoritative literature in the event that the accounting treatment for a transaction or other event is not specified within a source of authoritative GAAP.

This Statement supersedes Statement No. 55, The Hierarchy of Generally Accepted Accounting Principles for State and Local Governments.

Effective Date

The requirements of this Statement are effective for financial statements for periods beginning after June 15, 2015, and should be applied retroactively. Earlier application is permitted.

People + Process. Going Beyond the Numbers

How the Changes in This Statement Will Improve Financial Reporting

The requirements in this Statement improve financial reporting by (1) raising the category of GASB Implementation Guides in the GAAP hierarchy, thus providing the opportunity for broader public input on implementation guidance; (2) emphasizing the importance of analogies to authoritative literature when the accounting treatment for an event is not specified in authoritative GAAP; and (3) requiring the consideration of consistency with the GASB Concepts Statements when evaluating accounting treatments specified in nonauthoritative literature. As a result, governments will apply financial reporting guidance with less variation, which will improve the usefulness of financial statement information for making decisions and assessing accountability and enhance the comparability of financial statement information among governments.

GASB Statement No. 77 - *Tax Abatement Disclosures*

Summary

Financial statements prepared by state and local governments in conformity with generally accepted accounting principles provide citizens and taxpayers, legislative and oversight bodies, municipal bond analysts, and others with information they need to evaluate the financial health of governments, make decisions, and assess accountability. This information is intended, among other things, to assist these users of financial statements in assessing (1) whether a government's current-year revenues were sufficient to pay for current-year services (known as interperiod equity), (2) whether a government complied with finance-related legal and contractual obligations, (3) where a government's financial resources come from and how it uses them, and (4) a government's financial position and economic condition and how they have changed over time.

Financial statement users need information about certain limitations on a government's ability to raise resources. This includes limitations on revenue-raising capacity resulting from government programs that use tax abatements to induce behavior by individuals and entities that is beneficial to the government or its citizens. Tax abatements are widely used by state and local governments, particularly to encourage economic development. For financial reporting purposes, this Statement defines a tax abatement as resulting from an agreement between a government and an individual or entity in which the government promises to forgo tax revenues and the individual or entity promises to subsequently take a specific action that contributes to economic development or otherwise benefits the government or its citizens.

Although many governments offer tax abatements and provide information to the public about them, they do not always provide the information necessary to assess how tax abatements affect their financial position and results of operations, including their ability to raise resources in the future. This Statement requires disclosure of tax abatement information about (1) a reporting government's own tax abatement agreements and (2) those that are entered into by other governments and that reduce the reporting government's tax revenues.

This Statement requires governments that enter into tax abatement agreements to disclose the following information about the agreements:

- Brief descriptive information, such as the tax being abated, the authority under which tax abatements are provided, eligibility criteria, the mechanism by which taxes are abated, provisions for recapturing abated taxes, and the types of commitments made by tax abatement recipients.
- The gross dollar amount of taxes abated during the period.
- Commitments made by a government, other than to abate taxes, as part of a tax abatement agreement.

Governments should organize those disclosures by major tax abatement program and may disclose information for individual tax abatement agreements within those programs.

People + Process. Going Beyond the Numbers

Tax abatement agreements of other governments should be organized by the government that entered into the tax abatement agreement and the specific tax being abated. Governments may disclose information for individual tax abatement agreements of other governments within the specific tax being abated. For those tax abatement agreements, a reporting government should disclose:

- The names of the governments that entered into the agreements.
- The specific taxes being abated.
- The gross dollar amount of taxes abated during the period.

Effective Date and Transition

The requirements of this Statement are effective for financial statements for periods beginning after December 15, 2015. Earlier application is encouraged.

How the Changes in This Statement Will Improve Financial Reporting

The requirements of this Statement improve financial reporting by giving users of financial statements essential information that is not consistently or comprehensively reported to the public at present. Disclosure of information about the nature and magnitude of tax abatements will make these transactions more transparent to financial statement users. As a result, users will be better equipped to understand (1) how tax abatements affect a government's future ability to raise resources and meet its financial obligations and (2) the impact those abatements have on a government's financial position and economic condition.

GASB Statement No. 78 - *Pension Provided Through Certain Multiple-Employer Defined Benefit Pension Plans*

Summary

The objective of this Statement is to address a practice issue regarding the scope and applicability of Statement No. 68, Accounting and Financial Reporting for Pensions. This issue is associated with pensions provided through certain multiple-employer defined benefit pension plans and to state or local governmental employers whose employees are provided with such pensions.

Prior to the issuance of this Statement, the requirements of Statement 68 applied to the financial statements of all state and local governmental employers whose employees are provided with pensions through pension plans that are administered through trusts that meet the criteria in paragraph 4 of that Statement.

This Statement amends the scope and applicability of Statement 68 to exclude pensions provided to employees of state or local governmental employers through a cost-sharing multiple-employer defined benefit pension plan that (1) is not a state or local governmental pension plan, (2) is used to provide defined benefit pensions both to employees of state or local governmental employers and to employees of employers that are not state or local governmental employers, and (3) has no predominant state or local governmental employer (either individually or collectively with other state or local governmental employers that provide pensions through the pension plan). This Statement establishes requirements for recognition and measurement of pension expense, expenditures, and liabilities; note disclosures; and required supplementary information for pensions that have the characteristics described above.

Effective Date

The requirements of this Statement are effective for reporting periods beginning after December 15, 2015. Earlier application is encouraged.

People + Process. Going Beyond the Numbers

Future Accounting Standard Changes - Continued

GASB Statement No. 79 - *Certain External Investment Pools and Pool Participants*

Summary

This Statement addresses accounting and financial reporting for certain external investment pools and pool participants. Specifically, it establishes criteria for an external investment pool to qualify for making the election to measure all of its investments at amortized cost for financial reporting purposes. An external investment pool qualifies for that reporting if it meets all of the applicable criteria established in this Statement. The specific criteria address (1) how the external investment pool transacts with participants; (2) requirements for portfolio maturity, quality, diversification, and liquidity; and (3) calculation and requirements of a shadow price. Significant noncompliance prevents the external investment pool from measuring all of its investments at amortized cost for financial reporting purposes. Professional judgment is required to determine if instances of noncompliance with the criteria established by this Statement during the reporting period, individually or in the aggregate, were significant.

If an external investment pool does not meet the criteria established by this Statement, that pool should apply the provisions in paragraph 16 of Statement No. 31, Accounting and Financial Reporting for Certain Investments and for External Investment Pools, as amended. If an external investment pool meets the criteria in this Statement and measures all of its investments at amortized cost, the pool's participants also should measure their investments in that external investment pool at amortized cost for financial reporting purposes. If an external investment pool does not meet the criteria in this Statement, the pool's participants should measure their investments in that pool at fair value, as provided in paragraph 11 of Statement 31, as amended.

This Statement establishes additional note disclosure requirements for qualifying external investment pools that measure all of their investments at amortized cost for financial reporting purposes and for governments that participate in those pools. Those disclosures for both the qualifying external investment pools and their participants include information about any limitations or restrictions on participant withdrawals.

Effective Date

The requirements of this Statement are effective for reporting periods beginning after June 15, 2015, except for the provisions in paragraphs 18, 19, 23-26, and 40, which are effective for reporting periods beginning after December 15, 2015.

How the Changes in This Statement Will Improve Financial Reporting

This Statement will enhance comparability of financial statements among governments by establishing specific criteria used to determine whether a qualifying external investment pool may elect to use an amortized cost exception to fair value measurement. Those criteria will provide qualifying external investment pools and participants in those pools with consistent application of an amortized cost-based measurement for financial reporting purposes. That measurement approximates fair value and mirrors the operations of external investment pools that transact with participants at a stable net asset value per share.

GASB Statement No. 80 - *Blending Requirements for Certain Component Units - an Amendment of GASB Statement No. 14*

Summary

The objective of the Statement is to improve financial reporting by clarifying the financial statement presentation requirements for certain component units. This Statement amends the blending requirements established in paragraph 53 of Statement No. 14, *The Financial Reporting Entity, as amended.*

This Statement amends the blending requirements for the financial statement presentation of component units of all state and local governments. The additional criterion requires blending of a component unit incorporated as a not-for-profit corporation in which the primary government is the sole corporate member. The additional criterion does not apply to component units included in the financial reporting entity pursuant to the provisions of Statement No. 39, *Determining Whether Certain Organizations Are Component Units.*

People + Process. Going Beyond the Numbers

Future Accounting Standard Changes - Continued

Effective Date

The requirements of this Statement are effective for reporting periods beginning after June 15, 2016. Earlier application is encouraged.

How the Changes in This Statement Will Improve Financial Reporting

The requirements of this Statement enhance the comparability of financial statements among governments. Greater comparability improves the decision-usefulness of information reported in financial statements and enhances its value for assessing government accountability.

MEMO

Date: April 14, 2016

Subject: Water and Sanitary Sewer Study Report

Jessica Green, Northland Securities, will be presenting the Water and Sanitary Sewer Rate Study at the meeting. The Finance Committee has reviewed the study. Attached for your consideration is a Resolution to accept the Water and Sanitary Sewer Rate Study.

RESOLUTION NO. 2016-

RESOLUTION ACCEPTING THE WATER AND SANITARY SEWER RATE STUDY REPORT

WHEREAS, the City of Isanti, through City Council Resolution No. 2016-020, accepted the proposal from Northland Securities to perform a utility rate study for the water and sanitary sewer utilities; and

WHEREAS, Northland Securities, working with the Finance Committee and staff, has completed the water and sanitary sewer rate study;

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Isanti, Minnesota hereby accepts the Water and Sanitary Sewer Rate Study as prepared by Northland Securities.

This resolution was duly adopted by the Isanti City Council this 19th day of April, 2016.

Attest:

_____
Mayor George A. Wimmer

Executive Summary

This report presents the results of the study of customer rates for water and sanitary sewer utilities operated by the City of Isanti. This study was conducted by Northland Securities working with city staff and the City's Finance Committee. The purpose of the study was to provide the City with information needed to effectively manage rates and maintain the sound financial condition of these utilities.

Northland created a model that projected future revenues based on average consumption, number of customers and rates. The model allowed city officials to explore the financial implications of:

- Growth in the customer base.
- Use of existing reserves.
- Changes in base and consumption rates.

A variety of options were explored through the study process. These options considered alternative rates of growth, changes in rates and use of existing reserves. Through these investigations, the Finance Committee developed the recommendations described in this report for consideration by the City Council.

It is important to note that the projections used in this study are not intended as a detailed financial management plan for the utilities. The projections were designed to provide a framework for highlighting the financial implications related to changes in key assumptions. Ongoing monitoring of the financial condition of each utility is required to assess the outcomes based on actual operations. The assumptions used in the projections are described in Supporting Analysis section.

Water

The combination of existing reserves and projected future income allow the City to reduce user charges. The recommended rate change is a reduction in the base rate from $16.90 to $12.68 (25%). The effective date for the recommended rate change is January 1, 2017. Base and usage rates are proposed to increase annually by 3% in the years 2018 though 2020.

The rationale for the recommendation includes:

- A reduction in the base rate allows all water customers to share in the lower costs.
- The reduction in the base rate conveys the greatest benefit to lower use customers.
- The resulting reduction in revenues provides sufficient revenues to pay for projected operating expenses, planned capital improvements and existing debt service.
- The Water Fund maintains an acceptable "minimum cash balance" through 2020. (The targeted minimum cash balance is explained in the next section of this report.)
- The Water Fund is projected to produce net operating revenue in excess of debt service in 2016 and 2020. In the years 2017, 2018 and 2019, current projections indicate a slight net operating loss will occur after debt service. However, given the significant cash balance within the water fund, a 25% reduction of the base rate is still recommended. Additionally, growth assumptions used for the purposes of this study remain conservative. Actual growth and usage figures, which should be reviewed annually, may eliminate the projected net operating loss after debt service. This is an important factor for a bond rating and should remain a consideration for the City. A history of net revenues exceeding annual debt service allows the rating agency to exclude water revenue supported debt from debt ratio calculations.

Table 1 contains the proposed water rate schedule and water rates for the years 2011-2016. Table 2 contains the base fee schedule for commercial customers (no change in the allocation of base fees is proposed). Table 3 compares the monthly and annual costs under current and proposed rates for residential customers using 3,500, 5,000, 10,000 and 15,000 gallons per month.

Table 1
Historical and Recommended Water Rates

		Usage per 1,000 Gallons		
		Up to 10,000	10,001 to 25,000	Over 25,000
Year	Base Fee	Gallons	Gallons	Gallons
2011	$ 16.90	$ 2.99	$ 3.74	$ 4.67
2012	$ 16.90	$ 2.99	$ 3.74	$ 4.67
2013	$ 16.90	$ 2.99	$ 3.74	$ 4.67
2014	$ 16.90	$ 2.99	$ 3.74	$ 4.67
2015	$ 16.90	$ 2.99	$ 3.75	$ 4.67
2016	$ 16.90	$ 2.99	$ 3.74	$ 4.67
2017	$ 12.68	$ 2.99	$ 3.74	$ 4.67
2018	$ 13.06	$ 3.08	$ 3.85	$ 4.81
2019	$ 13.45	$ 3.17	$ 3.97	$ 4.95
2020	$ 13.85	$ 3.27	$ 4.09	$ 5.10

Table 2
Commercial Base Fee Consumption Schedule

Sanitary Sewer

The combination of existing reserves and projected future income allow the City to reduce user charges. The recommended rate change is a reduction in the base rate from $22.86 to $11.43 (50%). The effective date for the recommended rate change is January 1, 2017. Base and usage rates are proposed to increase annually by 3% in the years 2018 though 2020. Additionally, it is recommended that $850,000 of existing cash be used to pay for 2016 sanitary sewer system improvements, reducing the amount of anticipated debt needed to finance these improvements.

The rationale for the recommendation includes:

- A reduction in the base rate allows all sewer customers to share in the lower costs.
- The reduction in the base rate conveys the greatest benefit to lower use customers.
- The resulting reduction in revenues provides sufficient revenues to pay for projected operating expenses, planned capital improvements and existing debt service.
- The Sewer Fund maintains an acceptable "minimum cash balance" through 2020. (The targeted minimum cash balance is explained in the next section of this report.)
- The Sewer Fund is projected to produce net operating revenue in excess of debt service. This is an important factor for a bond rating. A history of net revenues exceeding annual debt service allows the rating agency to exclude sewer revenue supported debt from debt ratio calculations.

Table 4 contains the proposed sewer rate schedule and water rates for the years 2011-2016. Table 5 contains the base fee schedule for commercial customers (no change in the allocation of base fees is proposed). Table 6 compares the monthly and annual costs under current and proposed rates for residential customers using 3,500, 5,000, 10,000 and 15,000 gallons of water per month.

Table 4
Historical and Recommended Sewer Rates

		Usage per 1,000 Gallons		
		Up to 10,000	10,001 to 25,000	Over 25,000
Year	Base Fee	Gallons	Gallons	Gallons
2011	$ 20.28	$ 6.45	$ 8.06	$ 10.08
2012	$ 20.89	$ 6.64	$ 8.30	$ 10.38
2013	$ 21.53	$ 6.84	$ 8.55	$ 10.69

SAC/WAC

Although this study did not specifically analyze connection charges, it is recommended that the City continue the current policy of 3% annual increases in SAC and WAC.

Other Considerations

The January 1, 2017 effective date for the rate changes allows the City to take a series of verifying actions before final implementation:

1. The preliminary 2015 data used in the projections should be compared with the approved 2015 Audit and adjusted as needed.
2. The Sewer Fund projections should incorporate principal and interest payments from the sale of the 2016 G.O. Sewer Revenue Bonds.
3. The growth projections used in the study should be reviewed based on actual growth in 2016 and proposed development in 2017.
4. Assumptions used in this study should be compared with the 2017 Budget and significant differences should be reconciled.
5. The City should monitor water consumption trends. Declining water use will reduce projected revenues.

Supporting Analysis

This section contains the analysis and other information used in formulating the recommended actions.

Key Assumptions

The results of the study are shaped by underlying assumptions. The following section summarizes the key assumptions used in this study. Changes in these assumptions will alter the projected outcomes.

1. Operating revenues and expenditures for 2012, 2013, and 2014 come from the audited annual financial report.
2. Revenues and expenditures for 2015 are based on unaudited year end financial reports.
3. 2016 data is based on the 2016 Budget with adjustments to Connection Fees, Capital Outlay, Depreciation.
4. Water revenues from consumption are based on average consumption for the period 1/24/2015 to 1/23/2016 as listed in the Consumption Analysis Report. Average consumption is held constant over the five-year term of the projections.
5. All new residential customers are placed in the first tier of the rate schedule.
6. The projections assume that new residential growth only produces 50% of the possible revenue in the year of development to account for the construction period.
7. The projections assume one new commercial customer each year.
8. All new commercial customers are placed in the first tier of the rate schedule.
9. The projections assume one new industrial customer each year.
10. All new industrial customers are placed in the first tier of the rate schedule.
11. No new public customers are included in the projections.
12. No new apartment customers are included in the projections.
13. Annual adjustments in future expenditures use the following factors: Staffing 5%, Utilities 2%, Supplies 2%, Support 2%.
14. Investment income is based on 1% return on the prior year's ending balance.
15. Capital outlay expenditures were provided by the City.
16. The projections include estimated debt service on bonds issued in 2016 in an amount of $2,590,000 to finance sanitary sewer system improvements. The total cost of the improve-

ments is estimated to be $3,360,000. The borrowing need is reduced by a $850,000 cash contribution from the Sewer Fund.

The projections show a "minimum cash balance". This balance represents one-half of annual operating expenses (staffing, supplies, utilities, support services, and depreciation) plus debt service, capital outlay and transfers minus bond proceeds. The minimum cash balance is intended to provide a benchmark for cash reserves retained by each fund. It has been used to protect against excessive rate changes and use of reserves.

Water

Table 7 (on the next page) contains the Water Fund projections using the Key Assumptions and the recommended rate structure.

Sewer

Table 8 (Page 10) contains the Water Fund projections using the Key Assumptions and the recommended rate structure.

Comparable Cities

One means of evaluating utility rates is through a comparison with "comparable" cities. Table 9 on the next page compares current and proposed water and sewer rates in Isanti with published 2015 rates in six other cities. The chart below illustrates the combined monthly water and sewer cost for a household using 3,500 gallons of water per month.

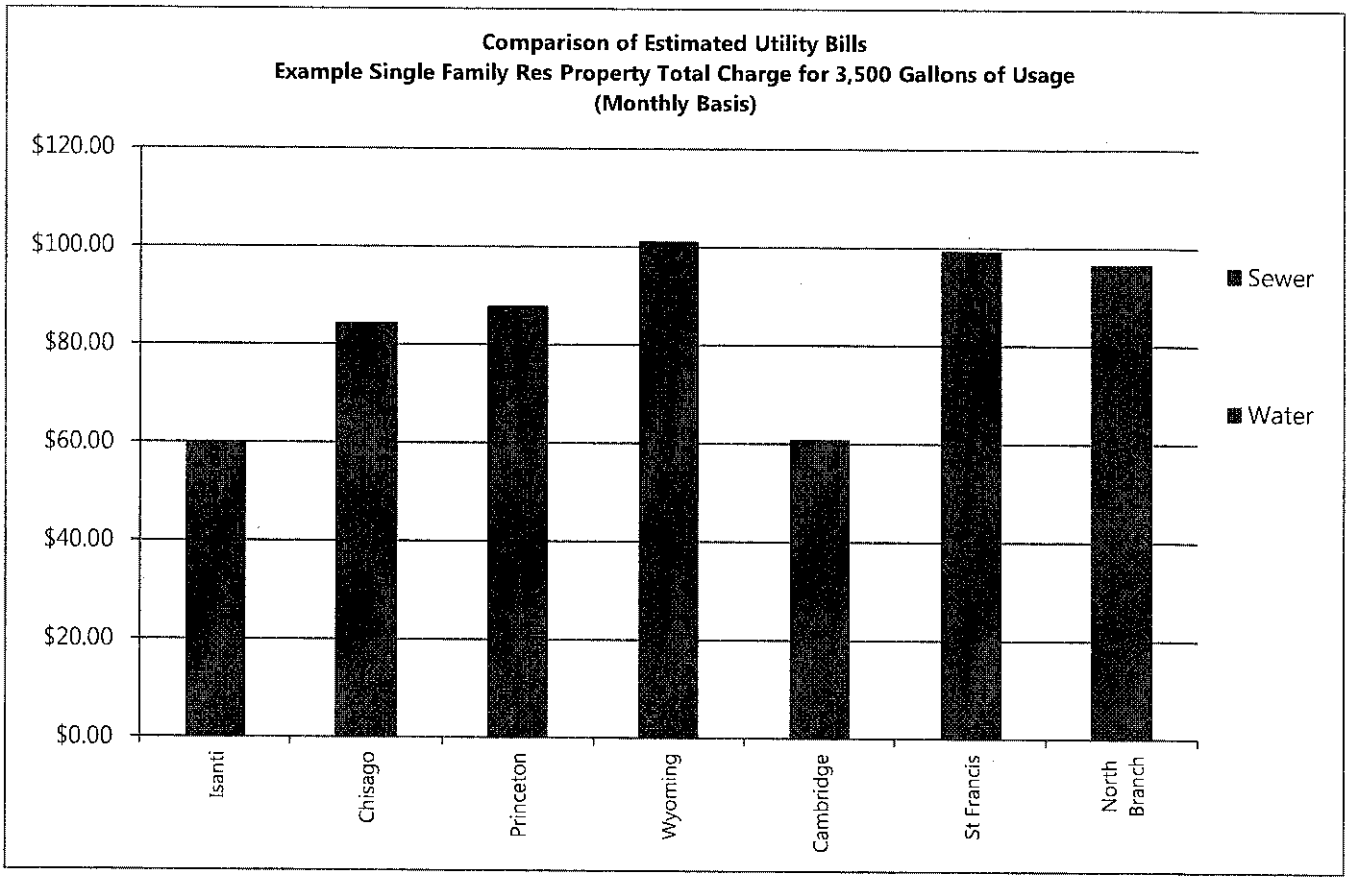

Table 9
Water and Sewer Rates in Comparable Cities

	Isanti Current	Isanti New	Chisago	Princeton	Wyoming	Cambridge	St Francis	North Branch
WATER								
Water Basic Service fee (per meter or per unit/monthly)	$16.90	$12.68	$13.50	$12.00	$27.21	$12.43	$19.80	$20.00
Water (per meter or per unit per 1,000 gallons):								
Water Use Per 1,000 Gallons - No Tier								$7.70
Tier 1: Water usage per first 5,000 gallons			$2.06					
Tier 1: Water usage per first 6,000 gallons						$3.96		
Tier 1: Water usage per first 8,000 gallons				$5.18				
Tier 1: Water usage per first 10,000 gallons	$2.99	$2.99						
Tier 1`: Water usage per first 14,999							$6.12	
Tier 1: Water usage per first 20,000					$2.25			
Tier 2: Water usage 5,001 - 10,000			$2.22					
Tier 2: Water usage 6,001 - 12,000						$4.50		
Tier 2: Water usage 8,001 - 20,000				$5.72				
Tier 2: Water usage 10,001 - 25,000	$3.74	$3.74						
Tier 2: Water usage 15,000 - 29,999							$6.42	
Tier 2: Water usage 20,000+					$2.81			
Tier 3: Water usage 10,001 - 15,000			$2.39					
Tier 3: Water usage 20,001 +				$6.37		$5.03		
Tier 3: Water usage 25,000 +	4.67	4.67						
Tier 3: Water usage 30,000 - 44,999							$7.42	
Tier 4: Water usage 15,001 - 25,000			$2.55					
Tier 4: Water usage 30,000 - 44,999							$8.86	
SEWER								
Sewer Basic Service fee (per meter or per unit/qtr)	$22.86	$11.43	$51.50	$21.00	$26.47	$22.07	$24.50	$15.00
Sewer charge per 1,000 gallons				$10.50	$11.30		$9.60	$9.90
Water Use Per 1,000 Gallons - No Tier								
Tier 1: Sewer usage per first 5,000 gallons			$3.47					
Tier 1: Sewer usage per first 6,000 gallons						$3.57		
Tier 1: Sewer usage per first 8,000 gallons								
Tier 1: Sewer usage per first 10,000 gallons	$7.26	$7.26						
Tier 1`: Sewer usage per first 14,999								
Tier 2: Sewer usage 5,001 - 10,000			$3.59					
Tier 2: Sewer usage 6,001 - 12,000						$3.91		
Tier 2: Sewer usage 8,001 - 20,000								
Tier 2: Sewer usage 10,001 - 25,000	$9.08	$9.08	$3.72					
Tier 2: Sewer usage 15,000 - 29,999								
Tier 3: Sewer usage 10,001 - 15,000								
Tier 3: Sewer usage 20,001 +						$4.46		
Tier 3: Sewer usage 25,000 +	11.34	11.34						
Tier 3: Sewer usage 30,000 - 44,999								
Tier 4: Sewer usage 15,001 - 25,000			$3.99

Comparison of Utility Rates (2015) to Other Communities For Residential Single Family without averaging / smallest available meter / adjusted for monthly billing

A Community For Generations.

Isanti

To: Mayor Wimmer and City Council

From: Don Lorsung, City Administrator

MEMO

Date: March 22, 2016

Subject: Utility Ordinance Updates

Staff has been working with the Finance Committee to update city code language in Chapter 260, Sewer and Chapter 325, Water to address the charging of base fees to inactive accounts and clarification on the methods of charging for sewer usage.

Water and Sewer Ordinance Updates – Charging of Base Fees for Inactive Accounts

Please find attached an amendment to City Code Chapter 325-9 Right to discontinue service reserved and City Code Chapter 260-8, Availability Charge. The underlined sections in each amended ordinance extends the charging of 50% of the monthly base fee to water and sewer accounts where the owner/user has requested shut-off of their utility connection.

Sanitary Sewer Ordinance Update – Charges for Sewer Usage

Staff has been working on revising the language in City Code Chapter 260-8, Paragraph B (3) (see attached). The code changes would clarify and allow for two methods of charging for sewer usage. It would allow for usage by water consumption, Gallon per Gallon, and Winter Averaging, where sewer charges are based on usage in January, February and March. For accounts that use winter averaging, but are vacant and not using water, an averaged usage of 3,500 gallons would be applied. With either method of billing, the sewer charge will not exceed the actual metered water usage. Election of the method of charging is made when the account is set-up.

Attached are the draft ordinances for your consideration.

ORDINANCE NO.

AN ORDINANCE TO AMEND THE CODE FOR THE CITY OF ISANTI, CHAPTER 325, WATER

THE CITY COUNCIL OF THE CITY OF ISANTI DOES ORDAIN:

Chapter 325, Article II, Section 325-9, Right to discontinue service reserved, Paragraph D, of the Code of the City of Isanti is hereby amended as follows:

§ 325-9. Right to discontinue service reserved, Paragraph D.

D. User/Owner shutoff request. The owner or their authorized agent may request that their water be shutoff. The City will then shut off the water and if necessary remove the water meter for a fee. Turning on the water and reinstalling the meter will cost an additional fee. Fees shall be as set by resolution of the City Council, as specified in City Code Chapter A344, Fee Schedule. ~~While the water is shutoff, the owner/user will not be billed for the monthly water base fee charge~~. While the water is shutoff, the owner/user will be billed a monthly fee equal to 50% of the water base fee. The owner is responsible for the monthly water base fee charge and if unpaid shall be a lien on the property pursuant to Paragraph 325-7 of this Article.

EFFECTIVE DATE:
This ordinance shall take effect upon its adoption and publication in the City's Official Newspaper.

Adopted by the City Council this 5th day of April, 2016.

Mayor George A. Wimmer

ORDINANCE NO. **K.3.b.**

AN ORDINANCE TO AMEND THE CODE FOR THE CITY OF ISANTI, CHAPTER 260, SEWER

THE CITY COUNCIL OF THE CITY OF ISANTI DOES ORDAIN:

Section 260-8. Paragraph A, Availability Charge.

Section 260-8. Paragraph A, is amended as follows:

A. Availability Charge. The owner of any premises to which the City sewage treatment is reasonably available shall pay a monthly availability charge equivalent to fifty percent of the sewer base fee as provided in Section 260, Attachment A, Sewer Rate Table, unless and until said premises is hooked up to the City treatment system; at such time as said premises is hooked up to the City sewage treatment system, sewage treatment rates for use of the City treatment system shall be paid as provided in this § 260-8 of this article. In the event service is disconnected, the owner will be billed a monthly fee equal to fifty percent of the sewer base fee.

EFFECTIVE DATE:
This ordinance shall take effect upon its adoption and publication in the City's Official Newspaper.

Adopted by the City Council this 5th day of April, 2016.

ORDINANCE NO. **K.3.c.**

AN ORDINANCE TO AMEND THE CODE FOR THE CITY OF ISANTI, CHAPTER 260, SEWER, SEWER AVAILABILITY AND USAGE CHARGES

THE CITY COUNCIL OF THE CITY OF ISANTI HEREBY ORDAINS AS FOLLOWS:

The Code of the City of Isanti, Chapter 260, Sewers, Article II, Sewage Treatment System, Section 260-8 Sewer availability and usages charges is hereby deleted in its entirety and amended to read as follows:

Section 260-8, Paragraph B (3),

For the purposes of calculating the sewer charge, residential users will have the option of selecting gallon for gallon (actual usage based on water usage) or the winter average method. The winter average is calculated by using the average of water billed for the months of January, February and March of each year. For any month during the averaging period that a property is vacant, that account shall be assigned a minimum usage of 3,500 gallons. Winter averages are updated annually on the April billing statement. Once selected the method of sewer calculation will remain in force until the property is sold. In no case will the sewer charge exceed the actual metered usage.

EFFECTIVE DATE:
This ordinance shall take effect upon its adoption and publication in the City's Official Newspaper.

Adopted by the City Council this 5th day of April, 2016.

Request for Council Action

To: Mayor Wimmer
Members of the City Council

From: Roxanne Achman, AICP
Community Development Director

Date: April 19th, 2016

Subject: Request from Prairie Senior Cottages for approval of a Site Plan, Conditional Use Permit and Variance for a second building to be located on the property at 705 6th Ave NE, legally described at Lot 1, Block 1, Bank Site Second Addition, Isanti County, Isanti, Minnesota.

Background

Prairie Senior Cottages was granted site plan and conditional use permit approval 2010 for two buildings on this site with the condition that the second building would need to be constructed within 5 years of site plan approval. That date passed in November 2015.

Prairie Senior Cottages has submitted a request for a second building on their property at 705 6th Ave NE. The proposed building is 16,340sf with an attached garage and contains 24 rooms and a total of 28 beds. A fenced in outdoor area with a gazebo is provided on the south side of the building for the residents similar to the existing building. This building is larger than the first building in that it will accommodate up to 28 residents verses 20 residents in building 1. The layout of building two has also been updated to allow for more efficient use of the outdoor area. Staff has requested that additional trees be planted along the norther border of the property providing more of a buffer between it and the commercial use to the north, this has been reflect on the most recent plans. A request was also made to connect the sidewalk extending south from the bank to the Prairie Senior Cottage property; this has too been reflected on the most recent plans.

The site plan details are outlined below. All elements meet or exceed the zoning ordinance requirements except for the frontyard setback of the building. A variance is being requested to allow for a 10ft frontyard setback rather than the required 30ft setback. In addition to being in a cul-de-sac, which provides for awkward and difficult site development, the majority of the lot is composed of wetlands, leaving very little room for building movement on the site. The building is situated as far south and west as it can go while remaining outside of the wetland. The building has also been designed in a way that promotes an efficient use of the building so that residents can be within the outdoor area and still be viewed by staff. Any other layout would not allow for this type of oversight of the outdoor area. Staff has reviewed the request and feels that it is consistent with the overall feel of the facility and will not impede the safety of vehicles driving into the area. Sight lines are not impacted due to the roadway being a cul-de-sac; in addition, Prairie Senior Cottages owns the only property that would likely gain access from the cul-de-sac.

All of staffs comments and requests for revision have been made to the attached plans. The City Engineers comments have all been addressed and are reflected in the approval letter from Bolton & Menk dated March 28, 2016.

Items meeting requirements:

Building Setbacks:

Frontyard: Variance requested
Sideyard: 15ft

Street side: 20ft
Parking: 10ft

Impervious Surface:

Required: 25%, with 5% within the parking lot
Provided: **91.9%,** with 5% of the green within the parking lot

Parking:

All parking stalls meet the required dimensional standards as do all drive aisles.
Hospital/rest home/nursing home/etc. (1 stall per 4 beds, plus 1 stall per 2 employees)
Total beds: 48 beds/4 = 12 stalls
Total employees: 5 staff/shift x 2 facilities = 10 emp./2 = 5 stalls
17 Required stalls, 4 handicapped
Total Provided: 26 stalls, 6 of which are handicapped

Building Appearance:

- The building matches the existing building. It will have vinyl siding with a shingled roof.

Landscaping plan

Far exceeds requirements of 1 tree per 50ft of lot frontage.

- An underground sprinkler system is provided in landscaped areas.
- All disturbed areas and areas without an established lawn or turf shall be sodded.
- Trees, shrubs and perennials appear to meet the landscaping requirements.
- Additional landscaping is being provided along the north property line to preserve more of a residential area for this facility and to create more of a separation from the bank.

Other items

- Dumpster location is shown and is screened.
- No additional signage is being requested.
- A sidewalk will be installed to connect Prairie Senior Cottages property to the commercial property to the north as is required by the subdivision regulations.

Staff Recommendation:

Staff recommends approval of the site plan/building appearance, conditional use permit and variance.

Comprehensive Plan

The purpose of this (the General Business District) category is to identify portions of Isanti that contain or should be developed for general commercial use. Examples may include highway oriented businesses such as fast food restaurants, convenience stores, gas stations and other auto-oriented businesses. Limited office and service uses are appropriate in these areas as well, depending on scale and location.

Much of this land use is located along the Highway 65 corridor and CSAH 5. General Commercial is the largest commercial land use designation. These uses are predominantly auto-oriented in terms of access and services. Design of both site and buildings are important to maintaining a thriving commercial base. In addition, commercial businesses not located at major intersections should remain small scale, and provide services primarily to the surrounding neighborhood. Also, the architecture and site design of all commercial areas must be compatible with the surrounding neighborhood and landscape. Such issues as building size, location on the lot, building materials, screening and other design issues are important.

Zoning Ordinance Provisions

The property is zoned "B-2" General Business District. It is the intent of this zoning district to promote the development of commercial uses which are predominately auto-oriented in nature. The district caters to

highway-oriented businesses as well as businesses that provide basic shopping and service needs for the community. Compatibility with adjacent uses and buildings is required within the district, as site design, building size and materials, and screening/landscaping are important to the creation and maintenance of a thriving commercial base.

Site Plan Review Requirements

Prior to the construction of any new building or addition to a building that expands or changes the use of the building or parcel of land or modifies a building, accessory structure or site or land feature in any manner which results in a different intensity of use, including the requirement for additional parking or the enlargement of a building by more than 10% of its gross floor area would require a Site Plan/Building Appearance Review. When evaluating a site and building plan; Section 18, Subdivision 7 of the Zoning Ordinances states that City staff and the City Council must consider its compliance with the following:

A. Consistency with the elements and objectives of the City's development guides, including the comprehensive plan.
B. Consistency with City Codes.
C. Preservation of the site in its natural state to the extent practicable by minimizing tree and soil removal and designing grade changes to be in keeping with the general appearance of neighboring developed or developing areas.
D. The amount and location of open space and landscaping.
E. Vehicular and pedestrian circulation, including walkways, interior drives, and parking in terms of location and number of access points to public streets, width of interior drives and access points, general interior circulation, separation of pedestrian and vehicular traffic and arrangement and amount of parking.
F. Protection of adjacent and neighboring properties through reasonable provision for surface water drainage, sound and sight buffers, preservation of views, light and air and those aspects of design not adequately covered by other regulations which may have substantial effects on neighboring land uses.
G. Consistency with the City's Engineering Design Standards as adopted by Resolution of the City Council.

Conditional Use Permit Requirements

Upon review of a Conditional Use Permit request, the Zoning Ordinance provides factors and standards that must be reviewed by the Planning Commission. Section 21, Article 2 Conditional Uses states:

D. The Planning Commission shall hold a public hearing and consider possible adverse effects of the proposed Conditional Use. The judgment of the Planning Commission shall be based upon, but is not limited to the following factors:
    1. The proposed action has been considered in relation to the specific policies and provisions of and has been found to be consistent with the goals and objectives of the Comprehensive Plan, including public facilities and capital improvement plans.
    2. The proposed action meets the purpose and intent of this Ordinance and the underlying zoning district.
    3. The establishment, maintenance or operation of the conditional use will promote and enhance the general public welfare and will not be detrimental or endanger the public health, safety, morals, or comfort.
    4. The conditional use will not be injurious to the use and enjoyment of other property within the immediate vicinity for the purposes already permitted; nor substantially diminish or impair property values within the neighborhood.
    5. The establishment of the conditional use will not impede the normal and orderly development and improvement of surrounding property for uses permitted in the district.
    6. Adequate public facilities and services are available or can be reasonably provided to accommodate the use which is proposed.
    7. The conditional use shall, in all other respects, conform to the applicable regulations of the district in which it is located.

8. The conditional use complies with the general and specific performance standards as specified by within this Article.

Variance

The applicant is requesting a variance to allow for an increase in the amount of permitted impervious surface area. When considering a variance request, the Planning Commission shall hold a public hearing and consider the application and possible adverse effects of the proposed Variance. An application for a variance shall not be approved unless the variance, if permitted, is in harmony with the general purposes and intent of the ordinance and is consistent with the Comprehensive Plan and findings are made that failure to grant the variance would result in practical difficulties on the applicant. Practical difficulties used in connection with the granting of a variance, means that the property owner meets all of the following criteria:

1. The property owner proposes to use the property in a reasonable manner not permitted by the zoning ordinance.
2. The plight of the landowner is due to circumstances unique to the property and has not been caused by the landowner.
3. A variance, if granted, will not alter the essential character of the locality.
4. Practical difficulties include but are not limited to, inadequate access to direct sunlight for solar energy systems.
5. Economic considerations alone do not constitute practical difficulties.

If the variance request meets all of the conditions of items (1) through (5) above, the variance may be granted. Economic considerations alone shall not constitute practical difficulties if reasonable use of the property exists under the terms of the Ordinance. The City Council may not permit as a variance any use which is not permitted within the zone that the property is located.

Certification of Taxes Paid

Prior to approving an application for approval of a site plan, conditional use permit or variance, certification must be provided to the City that there are not any delinquent property taxes, special assessments, penalties, interest, or outstanding municipal utility fees. City staff did verify with Isanti County on Wednesday, March 9th, 2016; that all taxes associated with the property were current.

Public Notice

Notice was published within the Isanti County News on April 6th, 2016. Written notification was provided to property owners located within 350' of the subject site as required by Minnesota State Statute.

Public Comment

To date, no public comment or questions had been received.

Planning Review Committee:

The Planning Review Committee met on April 5th, 2016 to discuss the site plan and building appearance. The committee recommended approval of the site plan/building appearance, conditional use permit and variance.

Planning Commission Recommendation:

Motion by Kennedy second by Bergley to recommend approval of the request from Prairie Senior Cottages for approval of a Site Plan, Conditional Use Permit and Variance for a second building to be located on the property at 705 6th Ave NE, legally described at Lot 1, Block 1, Bank Site Second Addition, Isanti County, Isanti, Minnesota based on the Findings of Fact and Conclusions. Motion carried unanimously.

Deadline for City Council Action

The City of Isanti received a complete application for the Site Plan/ Building Appearance Review, Conditional Use Permit and Variance request on March 9th, 2016. Pursuant to Minnesota State Statute, the City must act on this request by May 6th, 2016 (60 days). The only exception to these deadlines provided would be if the City provides the petitioner with written reasons for an additional 60-day review period.

Options & Proposed Motion Language

1. Recommend Approval with No Conditions: Motion to recommend approval of the request from Prairie Senior Cottages for approval of a Site Plan, Conditional Use Permit and Variance for a second building to be located on the property at 705 6th Ave NE, legally described at Lot 1, Block 1, Bank Site Second Addition, Isanti County, Isanti, Minnesota.
2. Recommend Approval with Conditions: Motion to recommend approval of the request from Prairie Senior Cottages for approval of a Site Plan, Conditional Use Permit and Variance for a second building to be located on the property at 705 6th Ave NE, legally described at Lot 1, Block 1, Bank Site Second Addition, Isanti County, Isanti, Minnesota with the following conditions……
3. Recommend Denial: Motion to recommend denial of the request from Prairie Senior Cottages for approval of a Site Plan, Conditional Use Permit and Variance for a second building to be located on the property at 705 6th Ave NE, legally described at Lot 1, Block 1, Bank Site Second Addition, Isanti County, Isanti, Minnesota for the following reasons…….
4. Table: Motion to table the request from Prairie Senior Cottages for approval of a Site Plan, Conditional Use Permit and Variance for a second building to be located on the property at 705 6th Ave NE, legally described at Lot 1, Block 1, Bank Site Second Addition, Isanti County, Isanti, Minnesota (a specific reason and information request should be included in the motion to table).

RESOLUTION NO. 2016-

A RESOLUTION APPROVING THE SITE PLAN/BUILDING APPEARANCE AND CONDITIONAL USE PERMIT REQUESTED FOR THE CONSTRUCTION OF PRAIRIE SENIOR COTTAGES II AND A VARIANCE TO THE FRONT YARD SETBACK ON THE PROPERTY LEGALLY DESCRIBED AS LOT 1, BLOCK 1, BANK SITE SECOND ADDITION

WHEREAS, Prairie Senior Cottages is requesting Site Plan/Building Appearance, Conditional Use Permit and Variance approval to allow for the construction of Prairie Senior Cottages II and to allow for less than the required front yard setback on the property legally described as Lot 1, Block 1, Bank Site Second Addition; and,

WHEREAS, the property is located within the "B-2" General Business District, which permits senior residential care facilities with approval of a conditional use permit, and;

WHEREAS, the applicant is requesting a variance to the front yard setback from thirty (30) feet to ten (10) feet; and,

WHEREAS, the City of Isanti Planning Commission evaluated the request against the criteria established in Ordinance No. 445 Zoning, Section 21 Administration and Enforcement, Article 5 Variances, Subdivision 4(A), noting that the proposal met all of the criteria noted; and,

WHEREAS, the City of Isanti Planning Commission conducted a public hearing on the requested Site Plan, Conditional Use Permit and Variance on April 12th, 2016; and,

WHEREAS, the City of Isanti Planning Commission recommended approval of the requested Site Plan/Building Appearance, Conditional Use Permit and Variance subject to the conditions as listed below based upon the Findings of Fact and Conclusion as presented; and,

WHEREAS, the City Council reviewed the requested Site Plan/Building Appearance, Conditional Use Permit and Variance at its regularly scheduled meeting on April 19th, 2016; and,

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ISANTI, MINNESOTA, that it adopts the Findings of Fact and Conclusion related to the requested Site Plan/Building Appearance, Conditional Use Permit and Variance and **BE IT FURTHER RESOLVED** that the requested Site Plan/Building Appearance, Conditional Use Permit and Variance for the property legally described herein, be hereby approved.

Adopted by the Isanti City Council on this 19th day of April 2016.

FINDINGS OF FACT AND CONCLUSION

Request

Request from Prairie Senior Cottages of Isanti LLC for a Conditional Use Permit and Site Plan / Building Appearance Approval for a Memory Care / Assisted Living Facility to be located on the property at 705 6th Avenue NE.

Findings of Fact

1. The petitioner, Prairie Senior Cottages of Isanti LLC, has a purchase agreement to obtain property legally described as Lot 1, Block 1 Bank Site 2nd Addition.
2. The petitioner is proposing the construction of a second senior residential care facility on this parcel.
3. The property is zoned "B-2" General Business District, in which senior residential care facilities require a Conditional Use Permit.
4. The petitioner submitted a complete Site Plan Review Application, Conditional Use Permit Application and Variance Application on March 9th, 2016. Pursuant to Minnesota State Statute, the City must act on this request by May 6th, 2016 (60-day rule).
6. A public hearing date before the Planning Commission was scheduled for Tuesday, April 12th at 7:00 p.m. at City Hall within the Council Chambers.
7. Notice of the Site Plan/Building Review, Conditional Use Permit and Variance requests were published within the Isanti County News on Wednesday, April 6th, 2016. Notices were sent to all property owners located within 350 feet of the subject property.
8. Section 18, Subdivision 7 of the Zoning Ordinance establishes the standards in evaluating a site and building plan, of which City staff and the City Council shall consider to ensure compliance.
9. Section 21, Article 2: Conditional Uses, Subdivision 3 Procedures (D) of the Zoning Ordinance establishes criteria in which the judgment of the Planning Commission and City Council shall be based upon when reviewing a Conditional Use Permit request. In addition, the Conditional Use Permit Request is subject to general performance standards and criteria as provided within Section 21, Article 2 Conditional Uses, Subdivision 4 General Performance Standards.
10. Section 21 Administration and Enforcement; Article 5 Variances, outline the requirements that must be all met in order to receive variance approval.

Conclusions

1. In review of the standards established in Section 18, Subdivision 7, the following conclusions have been made (*conclusions to each requirement are shown in underlined italics)*:
   - A. Consistency with the elements and objectives of the City's development guides, including the Comprehensive Plan.
     The site has been designed in such a manner as to show consistency with the elements and objectives of the City's comprehensive plan. The buildings have been placed upon the property so as to conserve the wetland or natural area that is located on the south end of the site. The buildings placement and materials have paid close attention to site and building design details. This building is consistent with the site plan that was approved in 2010, but has since expired.
   - B. Consistency with City Codes.
     The site has been designed with City regulations in mind and will require approval of a variance in order to be approved.
   - C. Preservation of the site in its natural state to the extent practicable by minimizing tree and soil removal and designing grade changes to be in keeping with the general appearance of neighboring developed or developing areas.
     Again, the site has been designed so as to maintain the wetland areas located on the south end of the property in their natural state. Additional landscaping will be added to the parcel. Soil removal and the design of grade changes will be monitored by the City

Engineer, to ensure that they are keeping with the general appearance of the adjacent developed and developing areas.

D. The amount and location of open space and landscaping.
The amount of landscaping and open space provided on the property would appear to meet ordinance requirements. Additional landscaping will act as a buffer between this traffic corridor , the bank to the north and a residential use.

E. Vehicular and pedestrian circulation, including walkways, interior drives, and parking in terms of location and number of access points to the public streets, width of interior drives and access points, general interior circulation, separation of pedestrian and vehicular traffic and arrangement and amount of parking.
The proposed vehicular and pedestrian circulation system provided on site would appear to meet ordinance requirements. The sidewalk is being completed from the bank to the facility.

F. Protection of adjacent and neighboring properties through reasonable provision of surface water drainage, sound and light buffers, preservation of views, lights, and air and those aspects of design not adequately covered by other regulations which may have substantial effects on neighboring land uses.
There would appear to be adequate protection of adjacent and neighboring properties. Surface water drainage plans have been reviewed and approved by the City Engineer. All lighting will be constructed in accordance with said plans. Additional landscaping has been requested on the property, so as to buffer this more residential use from the existing and future commercial uses that may be constructed on surrounding parcels as well as to provide a buffer from the TH 65 corridor.

G. Consistency with the City's Engineering and Design standards as adopted by Resolution of the City Council.
The plans are consistent with the City Engineer's design standards.

2. In review of the factors established in Section 21, Article 2 Conditional Uses (D) the following conclusions have been made (*conclusions to each requirement are shown in underlined italics)*:

A. The proposed action has been considered in relation to the specific policies and provisions of and has been found to be consistent with the goals and objectives of the Comprehensive Plan, including public facilities and capital improvement plans.
The use is consistent with the goals and objectives of the Comprehensive Plan.

B. The proposed action meets the purpose and intent of this Ordinance and the underlying zoning district.
Such use meets the purpose and intent of the Ordinance and the underlying zoning district.

C. The establishment, maintenance or operation of the conditional use will promote and enhance the general public welfare and will not be detrimental or endanger the public health, safety, morals, or comfort.
The establishment, maintenance and/or operation of the conditional use does not appear to endanger public health, safety, morals, or comfort; as the proposed use is less intense then other uses that are permitted within this district. The proposed use would cater to residents of the facility, rather than the general public.

D. The conditional use will not be injurious to the use and enjoyment of other property within the immediate vicinity for the purposes already permitted; nor substantially diminish or impair property values within the neighborhood.
The conditional use does not appear to be injurious to the use or enjoyment of other properties within the vicinity for purposes already permitted. Again, the proposed use would be considered less intense than uses that are or could be located on surrounding parcels. The district in which this use would be located is commercial and auto-oriented. The proposed use is more residential in nature and steps have been taken to buffer the use from surrounding properties.

E. The establishment of the conditional use will not impede the normal and orderly development and improvement of surrounding property for uses permitted in the district.

The conditional use would not appear to impede the normal and orderly development and improvement of surrounding properties for uses permitted within the district. The proposed use is located at the end of a dead-end cul-de-sac.

F. Adequate public facilities and services are available or can be reasonably provided to accommodate the use which is proposed.
The use will be placed within an area that has adequate public facilities and services available immediately upon construction of the use on the parcel.

G. The conditional use shall, in all other respects, conform to the applicable regulations of the district in which it is located.
The Planning Commission and City Council have weighed the conditional use against the other applicable regulations of the district. The conditional use would appear to meet those requirements.

H. The conditional use complies with the general and specific performance standards as specified by within this Article.
The proposed conditional use would appear to meet the general; however, a variance is necessary for the buildings front yard setback. The variance request is addressed further in the Findings of Fact.

3. In review of the general performance standards established in Section 21, Article 2 Conditional Uses, Subdivision 4, the following conclusions have been made (*conclusions to each requirement are shown in underlined italics):*

A. The use and the site in question shall be served by a street of sufficient capacity to accommodate the type and volume of traffic which would be generated an adequate public right-of-way shall be provided.
The use shall have access to 6th Avenue NE. The street is a dead end cul-de-sac, on which this use will have access. The type and volume of traffic to be generated by this use is limited. The only vehicles anticipated are those of employees to the facility as well as visitors. Otherwise, residents of the facility are not able to have or drive a motor vehicle. The public right-of-way providing access to the site would appear to be sufficient.

B. The site design for access and parking shall minimize internal as well as external traffic conflicts and shall be in compliance with Section 17 of this Ordinance.
The design of the entrance/exit as well as the parking area would appear to minimize internal and external traffic conflicts. Traffic would appear to flow within the entrance and exit out a separate access point, thus providing a circular flow through the site. The parking area has been provided in the middle of this traffic circle, so as to minimize conflicts between vehicles moving through the site and those utilizing the parking area.

C. If applicable, a pedestrian circulation system shall be clearly defined and appropriate provisions made to protect such areas from encroachment by parked or moving vehicles.
Designated walkways have been provided from each of the buildings to the parking lot located within the middle of the site. Pavement markings notify drivers entering the site, as to where pedestrian crossings are located. Sidewalks have been provided through landscaped islands within the parking lot, to further provide pedestrian access around vehicular traffic.

D. Adequate off-street parking and off-street loading shall be provided in compliance with Section 17 of this Ordinance.
Based upon resident and employee information obtained from the petitioner, approximately 18 parking spaces are required on-site. 26 spaces have been provided, which would meet the requirements of the Ordinance. In addition, adequate handicapped parking facilities have been provided in accordance with ADA requirements.

E. Loading areas and drive-thru facilities shall be positioned so as to minimize internal site access problems and maneuvering conflicts, to avoid visual or noise impacts on any adjacent residential use or district, and provided in compliance with Section 17 of this Ordinance.

The use is residential in nature and no loading areas and drive-thru areas have been provided. Loading of patients near the building entrances may be necessary; however, no specific modifications are required to the buildings.

F. Whenever a non-residential use is adjacent to a residential use or district, a buffer area with screening and landscaping shall be provided in accordance with the provisions of Section 15 of this Ordinance.
As stated, the use is more residential in nature. Landscaping is shown as requested during the first phase of development. Additional trees have been provided on the north side of the property to provide a buffer between Prairie Senior Cottages II and the bank to the north.

G. General site screening and landscaping shall be provided in compliance with Section 15 of this Ordinance.
Overall, the proposed landscape plan would appear to meet the requirements of the Zoning Ordinance.

H. All exterior lighting shall be directed so as not to cast glare toward or onto the public right-of-way or neighboring residential uses or districts, and shall be in compliance with Section 14 of this Ordinance.
Exterior lighting within the parking area as well as on the building has been proposed. Such lighting would need to meet the Ordinance requirements.

I. The site drainage system shall be subject to the review and approval of the City Engineer.
The site drainage/grading plan have been approved by the City Engineer per the letter dated March 28, 2016.

J. The architectural appearance and functional design of the building and site shall not be so dissimilar to the existing and potential buildings and area so as to cause a blighting influence. All sides of the principal and accessory structures are to have essentially the same or coordinated, harmonious exterior finish materials and treatment.
The principal buildings and accessory structures are coordinated and have the same exterior finish materials and treatments throughout the site. Again, the building is more residential in nature than those of the surrounding buildings. However, the appearance and design of the building/site is not so dissimilar as to cause a blighting influence.

K. Provisions shall be made for daily litter control, an interior location for recycling and trash handling and storage or an outdoor, enclosed receptacle area shall be provided in compliance with Section 14 of this Ordinance.
Provisions have been made for daily litter control. A trash enclosure is provided on the southeast corner of the building.

L. All signs and informational or visual communication devices shall be in compliance with Section 16 of this Ordinance.
Signage is existing on site. Any new signage will require approval by the Zoning Administrator.

M. The use and site shall be in compliance with any federal, state, or county laws or regulations that are applicable and any related permits shall be obtained and documented to the City.
The facility will be registered with the Minnesota Department of Health as a "housing with services provider" and will have a class F home care license. The petitioner shall file copies of such licenses with the City.

N. Any applicable business licenses mandated by City Code are approved and obtained.
No additional business licenses are mandated by the City Code for this particular use.

O. The hours of operation may be restricted when there is judged to be an incompatibility with a residential use or district.
The use is not open to the public, as it is a residential care facility that provides services to the residents thereof. The facility will be operational 24-hours a day; however, the operation does not appear to be incompatible with surrounding uses.

P. The use complies with the applicable performance standards of the zoning district in which it is located and where applicable, any non-conformities shall be eliminated.

The proposed use would appear to comply with the performance standards for the zoning district, in terms of parking/loading, landscaping, building materials, etc; however, a variance is necessary for the buildings frontyard setback.

Q. Additional Stipulations. All conditions pertaining to a specific site are subject to change when the City Council, upon investigation in relation to a formal request, finds that the general public health, safety, and welfare, can be served as well or better by modifying or expanding the conditions set forth herein.
No additional stipulations.

1. In review of the standards established within Section 21 Administration and Enforcement, Article 5 Variances, Subdivision 4 Procedures (D), the following conclusions have been made (*conclusions to each requirement are shown in underlined italics)*:

An application for a variance shall not be approved unless the variance, if permitted, is in harmony with the general purposes and intent of the ordinance and is consistent with the Comprehensive Plan and findings are made that failure to grant the variance would result in practical difficulties on the applicant. Practical difficulties used in connection with the granting of a variance, means that the property owner meets all of the following criteria:

A. The property owner proposes to use the property in a reasonable manner not permitted by the zoning ordinance.
The developer would like to construct a small portion of the building within the required front yard setback in a cul-de-sac with minimal traffic and that has one property owner fronting the entire length of the cul-de-sac.

B. The plight of the landowner is due to circumstances unique to the property and has not been caused by the landowner.
The design of the cul-de-sac and amount of property consumed by wetland greatly impedes the development in the northern most portion of the lot. The developer has designed the building to the best of his abilities to meet all city requirements; however, a portion of the building encroaches into the frontyard setback.

C. A variance, if granted, will not alter the essential character of the locality.
The variance does not alter the essential character of the locality. The encroachment does not impede on the safety, privacy or environment protection of the area.

D. Practical difficulties include but are not limited to, inadequate access to direct sunlight for solar energy systems.
Not applicable.

5. Economic considerations alone do not constitute practical difficulties.
Correct. Economic considerations do not play a role in this situation

Decision

The Planning Commission reviewed the request in a public hearing on **April 12th, 2016**. The meeting minutes shall be made a part of the Findings of Fact and Conclusion.

Motion by Kennedy second by Bergley to recommend approval of the request from Prairie Senior Cottages for approval of a Site Plan, Conditional Use Permit and Variance for a second building to be located on the property at 705 6th Ave NE, legally described at Lot 1, Block 1, Bank Site Second Addition, Isanti County, Isanti, Minnesota based on the Findings of Fact and Conclusions. Motion carried unanimously.

MEMORANDUM

Date: March 28, 2016

To: Roxanne Achman, Community Development Director

From: Bradley C. DeWolf, P.E.
City Engineer

Subject: Prairie Senior Cottages Phase II – Hydraulics & Site Plan Review
Isanti, Minnesota

We have reviewed the site plan created by Roshell Engineering, LLC entitled "Prairie Senior Cottages Phase II" with a signature date of March 8, 2016, and a revision date of March 24, 2016.

The site plan includes a proposed building with an onsite parking lot.

We have reviewed the submitted site & grading plan and have the no additional comments.

We have reviewed the hydraulics submitted with the plans and have no additional comments.

We recommend approval of the plan and hydraulics as submitted.

Please contact me if you have any questions.

DESIGNING FOR A BETTER TOMORROW
Bolton & Menk is an equal opportunity employer

City of Isanti
Attention: Mayor George Wimmer
Community Development Director Roxanne Achman
Economic Development Director Director Sean Sullivan

110 1st avenue Northwest
PO Box 428
Isanti, MN 55040

Subject: Request for variance from the required city of Isanti cul de sac setback of 30 feet for Prairie Senior Cottages (Phase II).

On behalf of Prairie Senior Cottages (Phase II) we are requesting a variance from the 30' building setback from the property boundary as it relates to the cul de sac. The purpose of this request is to allow for the proposed building footprint to be sited in a way that makes the best use of the existing parking lot to the west while at the same time maximizing the outdoor spaces that are a big part of our resident's daily activities.

The cul de sac on the north part of the site and the existing retention pond on the south part of the site limit the options available to orient the building in a way that is functional yet still meets the needs of our residents (please refer to civil drawings C1 & C2 for reference). The proposed building location is within all of the other required setbacks and meets or exceeds the required parking totals. At its closest point the building would be 10 feet from the property boundary (refer to Landscape Plan L1.1 for dimensions).

The proposed building orientation will make for an attractive entrance to the site as well as allowing the existing building and parking lot to function effectively with the next phase of the project.

Thank you for taking the time to consider our request.

Respectfully,

Dustin Lee

Chief Operating Officer

Request for Council Action

To: Mayor Wimmer
Members of the City Council

From: Roxanne Achman, AICP
Community Development Director

Date: April 19, 2016

Subject: Request from BowDaddy Archery for approval of a Conditional Use Permit to operate an outdoor archery range on the property at 801 Highway 65 NE, legally described as PT SE/4 of SW/4 Described as: commencing at SE corner of quarter; then N 440'; W 600'; S 440' to S line of SE/4 of SW/4; E 600' to POB. old # 05.020.0300

Background

BowDaddy Archery is proposing to setup a 16 lane outdoor archery range behind (west) their building at 801 Highway 65 NE. The range will be a maximum of 100 yards long and 40 feet in width. Shooting will be directed to the south where the land is primarily wetland owned by the City and the nearest structure is roughly one quarter mile away. The majority of land west of the building is designated wetland, thus, requiring that anything located within it be of a temporary (easily removable) nature. BowDaddy has provided specifics (attached) as to the targets, shooting line and bow hangers that will be used to meet temporary (easily removable) stipulation. Signage will be provided identifying the range and state rules and regulations in regards to safety.

Staff has been working with BowDaddy on the concept of an outdoor archery range since last summer (2015). BowDaddy Archery provided the requested NRA Range Source Book, which is named in State Statute as the resource for guidelines pertaining to outdoor archery ranges. Many, if not all, of the guidelines for outdoor archery ranges are very general. Below is a list of a majority of the guidelines outlined in Section II Chapter 16 Outdoor Archery in the NRA Range Source Book:

- Targets should be positioned in a direct line down range.
- Target distances vary from 10 yds to 100 yds.
- Clearance on and behind the shooting line is important.
- Spectator areas should be separated from the range proper.
- Shooting line covers are seldom used.
- Conventional backstops like those found on firearm ranges, other than target backing materials, are not generally used for archer ranges do to the shorter range of arrows. Target materials most commonly used are bales of excelsior which offer sufficient thickness or density to arrest the arrow's flight. – BowDaddy will be using large bales of Styrofoam at least 1ft in thickness.
- Flat land is generally preferred for the target archery range, but a field archery range uses natural terrain features.
- Side berms are not necessary on archery ranges, except where the range may be located close to dwellings – even in these instances the conventional side berms or backstops of firearms ranges may not be necessary. Plywood or sheet metal may be sufficient.
- Baffles may be necessary on archery ranges where space is limited.
- Shooting stations should be no less than 5 feet wide and 6 feet deep.

- A distance of 300 yds should be taken in to consideration for arrow containment (from shooting line); however, most recreational archery targets are 10-40yds.

Staff contacted several operating ranges within the Twin Cities (Eden Prairie, Shakopee and Cottage Grove) to determine whether special restrictions were imposed on their ranges. Cottage Grove uses signage to warn others of the range and to inform users of the rules and hasn't experience any issues or safety concerns in the 20 years it's been in place. Eden Prairie installed walls, netting and backer-board, however, their range is in a park with trails that surround the range. Shakopee has a range in conjunction with a boat access along the Minnesota River and directly adjacent to County Highway 101. They have signage posted around the perimeter of the range and haven't had any issues.

A Conditional Use Permit is required for the outdoor archery range (commercial recreation) within the B-2, General Commercial District. In discussions with the City Engineer, there shall be no permanent structures within the pond area. There appears to be sufficient room west of the building for the archery range to safely operate.

Through extensive research, review of the NRA's Range Source Book, conversations with the City Attorney, Chief of Police, Mayor, City Engineer and City Administrator, and review by the Plan Review Committee, a recommendation is being made to approve an outdoor archery range with the following conditions:

1. There shall be no grading, killing of vegetation or permanent structures within the designated wetland area, the area of the approved range may; however, be mowed.
2. All targets, shooting line markers, tables, bow racks, quivers, distance markers and any other items within the range shall be removable and/or temporary items.
3. All activities are to remain on the property of 801 Highway 65 NE.
4. The area beyond the targets shall be regularly searched for stray arrows.
5. All federal, state and local laws shall be abided by at all times.

Staff Recommendation:
Staff recommends approval of the Conditional Use Permit subject based on the Findings of Fact and Conclusions.

Comprehensive Plan
The 2008 Comprehensive Plan has the area guided for General Commercial Development. The existing uses and the proposed use would appear to meet purpose, goals, and objectives of this land use classification.

Zoning Ordinance Provisions
The property is zoned "B-2" General Business District. It is the intent of this zoning district to promote the development of commercial uses which are predominately auto-oriented in nature. The district caters to highway-oriented businesses as well as businesses that provide basic shopping and service needs for the community. Compatibility with adjacent uses and buildings is required within the district, as site design, building size and materials, and screening/landscaping are important to the creation and maintenance of a

Conditional Use Permit Requirements
Upon review of a Conditional Use Permit request, the Zoning Ordinance provides factors and standards that must be reviewed by the Planning Commission. Section 21, Article 2 Conditional Uses states:

D. The Planning Commission shall hold a public hearing and consider possible adverse effects of the proposed Conditional Use. The judgment of the Planning Commission shall be based upon, but is not limited to the following factors:
   1. The proposed action has been considered in relation to the specific policies and provisions of and has been found to be consistent with the goals and objectives of the Comprehensive Plan, including public facilities and capital improvement plans.

2. The proposed action meets the purpose and intent of this Ordinance and the underlying zoning district.
3. The establishment, maintenance or operation of the conditional use will promote and enhance the general public welfare and will not be detrimental or endanger the public health, safety, morals, or comfort.
4. The conditional use will not be injurious to the use and enjoyment of other property within the immediate vicinity for the purposes already permitted; nor substantially diminish or impair property values within the neighborhood.
5. The establishment of the conditional use will not impede the normal and orderly development and improvement of surrounding property for uses permitted in the district.
6. Adequate public facilities and services are available or can be reasonably provided to accommodate the use which is proposed.
7. The conditional use shall, in all other respects, conform to the applicable regulations of the district in which it is located.
8. The conditional use complies with the general and specific performance standards as specified by within this Article.

Certification of Taxes Paid

Prior to approving an application for approval of a Conditional Use Permit, certification must be provided to the City that there are not any delinquent property taxes, special assessments, penalties, interest, or outstanding municipal utility fees. City staff did verify with Isanti County on Friday, March 25th, 2016; that all taxes associated with the property were current.

Public Notice

Notice was published within the Isanti County News on April 6th, 2016. Written notification was provided to property owners located within 350' of the subject site as required by Minnesota State Statute.

Public Comment

To date, no public comment or questions had been received.

Planning Commission Recommendation:

Motion by Lundeen second by Bergley to recommend approval of the request from BowDaddy Archery for approval of a Conditional Use Permit to operate an outdoor archery range on the property at 801 Highway 65 NE, legally described as PT SE/4 of SW/4 Described as: commencing at SE corner of quarter; then N 440'; W 600'; S 440' to S line of SE/4 of SW/4; E 600' to POB. old # 05.020.0300 based on the Findings of Fact and Conclusion and with the following conditions:

1. There shall be no grading, killing of vegetation or permanent structures within the designated wetland area, the area of the approved range may; however, be mowed.
2. All targets, shooting line markers, tables, bow racks, quivers, distance markers and any other items within the range shall be removable and/or temporary items.
3. All activities are to remain on the property of 801 Highway 65 NE.
4. The area beyond the targets shall be regularly searched for stray arrows.
5. All federal, state and local laws shall be abided by at all times.

Motion carried unanimously.

Deadline for City Council Action

The City of Isanti received a complete application for a Conditional Use Permit on March 23rd, 2016. Pursuant to Minnesota State Statute, the City must act on this request by May 22nd, 2016 (60 days). The 6only exception to these deadlines provided would be if the City provides the petitioner with written reasons for an additional 60-day review period.

Options & Proposed Motion Language

1. Recommend Approval with No Conditions: Motion to recommend approval of the request from BowDaddy Archery for approval of a Conditional Use Permit to operate an outdoor archery range on the property at 801 Highway 65 NE, legally described as PT SE/4 of SW/4 Described as: commencing at SE corner of quarter; then N 440'; W 600'; S 440' to S line of SE/4 of SW/4; E 600' to POB. old # 05.020.0300.
2. Recommend Approval with Conditions: Motion to recommend approval of the request from BowDaddy Archery for approval of a Conditional Use Permit to operate an outdoor archery range on the property at 801 Highway 65 NE, legally described as PT SE/4 of SW/4 Described as: commencing at SE corner of quarter; then N 440'; W 600'; S 440' to S line of SE/4 of SW/4; E 600' to POB. old # 05.020.0300with the following conditions……
3. Recommend Denial: Motion to recommend denial of the request from BowDaddy Archery for approval of a Conditional Use Permit to operate an outdoor archery range on the property at 801 Highway 65 NE, legally described as PT SE/4 of SW/4 Described as: commencing at SE corner of quarter; then N 440'; W 600'; S 440' to S line of SE/4 of SW/4; E 600' to POB. old # 05.020.0300 for the following reasons…….
4. Table: Motion to table the request from BowDaddy Archery for approval of a Conditional Use Permit to operate an outdoor archery range on the property at 801 Highway 65 NE, legally described as PT SE/4 of SW/4 Described as: commencing at SE corner of quarter; then N 440'; W 600'; S 440' to S line of SE/4 of SW/4; E 600' to POB. old # 05.020.0300 (a specific reason and information request should be included in the motion to table).

RESOLUTION NO. 2016-

A RESOLUTION APPROVING A CONDITIONAL USE PERMIT (CUP) FOR BOW DADDY ARCHERY, TO OPERATE AN OUTDOOR ARCHERY RANGE ON THE PROPERTY LOCATED AT 801 HIGHWAY 65 NE

WHEREAS, Critical Mass Investments owns the property located at 801 Highway 65 NE legally described as:

> That part of the Southeast Quarter of the Southwest Quarter of Section 20, Township 35, Range 23, described by metes and bounds as follows: Commencing at the Southeast corner of the SE ¼ of SW ¼ of Section 20, Township 35, Range 23, thence north along the north and south quarter line a distance of 440 feet; thence west and parallel with the south line of said SE ¼ of SW ¼ a distance of 600 feet; thence south and parallel with the east line of said SE ¼ of SW ¼ a distance of 440 feet to the South line of SE ¼ of SW ¼; thence east along the south line of said SE ¼ of SW ¼ a distance of 600 feet to the point of commencement, subject to highway easements of record and mineral reservation of record.

WHEREAS, William Joshua Johnson is requesting to operate an outdoor archery range on the property occupied by Shoppes on the Rum located at 801 Highway 65 NE; and,

WHEREAS, the property is located within the "B-2" General Business District, which requires a Conditional Use Permit (CUP) for commercial recreation within said district; and,

WHEREAS, the outdoor archery range is proposed to be located within a designated wetland area; and,

WHEREAS, there shall be no grading, killing of vegetation or permanent structures within the designated wetland area, the area may; however, be mowed; and,

WHEREAS, the City of Isanti Planning Commission conducted a public hearing on the proposed Conditional Use Permit on April 12th, 2016; and,

WHEREAS, the City of Isanti Planning Commission recommended approval of the proposed Conditional Use Permit subject to the conditions as listed below; and,

WHEREAS, the City Council reviewed the requested Conditional Use Permit at its regularly scheduled meeting on April 19th, 2016; and,

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ISANTI, MINNESOTA, that it adopts the Findings of Fact and Conclusion related to the requested Conditional Use Permit and **BE IT FURTHER RESOLVED** that the requested Conditional Use Permit for an indoor archery range to be located within the building located at 801 Highway 65 NE be hereby approved with the following conditions:

1. There shall be no grading, killing of vegetation or permanent structures within the designated wetland area, the area of the approved range may; however, be mowed.
2. All targets, shooting line markers, tables, bow racks, quivers, distance markers and any other items within the range shall be removable and/or temporary items.
3. All activities are to remain on the property of 801 Highway 65 NE.
4. The area beyond the targets shall be regularly searched for stray arrows.
5. All federal, state and local laws shall be abided by at all times.

Adopted by the Isanti City Council on this 19th day of April 2016.

Attest:

Mayor George A. Wimmer

Donald C. Lorsung
City Administrator

FINDINGS OF FACT AND CONCLUSION

Request

Request from William Joshua Johnson of Bow Daddy Archery Pro Shop and Range for approval of a Conditional Use Permit to operate an outdoor archery range on the property located at 801 Highway 65 NE.

Findings of Fact

1. The applicant is requesting to operate an indoor archery range in conjunction with an archery retail facility at the property located at 801 Highway 65 NE.
2. The property is zoned "B-2" General District.
3. A Conditional Use Permit is required for Commercial Recreation within the "B-2" General Business District.
4. The petitioner submitted a Conditional Use Permit Application, the required application fee and associated materials on March 23rd, 2016. Staff had reviewed such application and deemed such application complete on March 23rd, 2016. Pursuant to Minnesota State Statute, the City must act on this request by May 22nd, 2016 (60-day rule).
5. A public hearing date before the Planning Commission was scheduled for Tuesday, April 12th, 2016 at 7:00 p.m. at City Hall within the Council Chambers.
6. Notice of the Conditional Use Permit request was published within the Isanti- County News on Wednesday, April 6th, 2016. Notices were sent to all property owners located within 350 feet of the subject property.
7. Section 21, Article 2: Conditional Use Permits, Subdivision 3 (D) of the Zoning Ordinance establishes factors that the judgment of the Planning Commission shall be based upon when reviewing a Conditional Use Permit request as well as Section 21, Article 2: Conditional Use Permits, Subdivision 4 General Performance Standards of the Zoning Ordinance establishes additional general standards that shall be used to evaluate any proposed conditional use permit request.
8. The Planning Commission held a public hearing on the item on April 12th, 2016; and all property owners within 350' of the subject property were invited to attend and provide public comment.

Conclusions

1. In review of the standards established in Section 21, Article 2 Conditional Use (D); the following conclusions have been made (*conclusions to each requirement are shown in underlined italics)*: The Planning Commission shall hold a public hearing and consider possible adverse effects of the proposed Conditional Use. The judgment of the Planning Commission shall be based upon, but is not limited to the following factors:
   A. The proposed action has been considered in relation to the specific policies and provisions of and has been found to be consistent with the goals and objectives of the Comprehensive Plan, including public facilities and capital improvement plans.
   As noted, the proposed use for the site would be consistent with the goals and objectives of the comprehensive plan.
   B. The proposed action meets the purpose and intent of this Ordinance and the underlying zoning district.
   The proposed use is a permitted conditional use. It fits the intent of the ordinance and underlying zoning district ("B-2"General Business District).
   C. The establishment, maintenance or operation of the conditional use will promote and enhance the general public welfare and will not be detrimental or endanger the public health, safety, morals, or comfort.
   All operations of the archery range will occur on the property and follow the NRA Range Source Book's guideline for operating a safe outdoor range. The direction of shooting will be to the south where the nearest building is roughly one quarter mile away, in

addition, wetlands and ponds constitute the space between. The range will be marked with a sign stating the rules and regulations of the range.

D. The conditional use will not be injurious to the use and enjoyment of other property within the immediate vicinity for the purposes already permitted; nor substantially diminish or impair property values within the neighborhood.
The conditional use for an outdoor archery range will not be detrimental to surrounding properties so long as the NRA's Range Source Book guidelines are followed along with all local, state and federal laws. The ranger operators will do everything in their power to run a safe operation.

E. The establishment of the conditional use will not impede the normal and orderly development and improvement of surrounding property for uses permitted in the district.
Archery ranges within in the B-2 district are a conditional use in this district. Several conditions have been outlined below as part of the approval of this operation. This use will not impede development.

F. Adequate public facilities and services are available or can be reasonably provided to accommodate the use which is proposed.
Additional public facilities and services are not necessary for the proposed use.

G. The conditional use shall, in all other respects, conform to the applicable regulations of the district in which it is located.
The requested conditional use permit appears to conform to the applicable regulations required for the district and the performance standards outlined within the zoning ordinance. Conditions will be placed on any approval to ensure that the property is developed in accordance to ordinance requirements and the proposed plan provided by the applicant.

H. The conditional use complies with the general and specific performance standards as specified by within this Article.
These have been evaluated as part of the findings of fact; and can be found within this document.

3. In review of the standards established in Section 21, Article 2 Conditional Use, Subdivision 4 General Performance Standards; the following conclusions have been made (*conclusions to each requirement are shown in underlined italics)*:

A. The use and the site in question shall be served by a street of sufficient capacity to accommodate the type and volume of traffic which would be generated an adequate public right-of-way shall be provided.
This site is currently served by a street of sufficient capacity. The proposed conditional use will not change the type or volume of traffic flow for this site.

B. The site design for access and parking shall minimize internal as well as external traffic conflicts and shall be in compliance with Section 17 of this Ordinance.
Access to the site is existing and had been approved at an earlier date.

C. If applicable, a pedestrian circulation system shall be clearly defined and appropriate provisions made to protect such areas from encroachment by parked or moving vehicles.
Not applicable.

D. Adequate off-street parking and off-street loading shall be provided in compliance with Section 17 of this Ordinance.
Parking exists on site and is sufficient for the proposed use.

E. Loading areas and drive-thru facilities shall be positioned so as to minimize internal site access problems and maneuvering conflicts, to avoid visual or noise impacts on any adjacent residential use or district, and provided in compliance with Section 17 of this Ordinance.
Not applicable.

F. Whenever a non-residential use is adjacent to a residential use or district, a buffer area with screening and landscaping shall be provided in accordance with the provisions of Section 15 of this Ordinance.
Not applicable.

G. General site screening and landscaping shall be provided in compliance with Section 15 of this Ordinance.
Landscaping and screening were established with the original site plan.

H. All exterior lighting shall be directed so as not to cast glare toward or onto the public right-of-way or neighboring residential uses or districts, and shall be in compliance with Section 14 of this Ordinance.
There will be no changes to lighting. Approved as part of the original site plan.

I. The site drainage system shall be subject to the review and approval of the City Engineer.
Not applicable. Approved as part of the original site plan.

J. The architectural appearance and functional design of the building and site shall not be so dissimilar to the existing and potential buildings and area so as to cause a blighting influence. All sides of the principal and accessory structures are to have essentially the same or coordinated, harmonious exterior finish materials and treatment.
Not applicable. Approved as part of the original site plan..

K. Provisions shall be made for daily litter control, an interior location for recycling and trash handling and storage or an outdoor, enclosed receptacle area shall be provided in compliance with Section 14 of this Ordinance.
The refuse container will be in compliance with Section 14. Regular searching of the area beyond the targets will occur to pick up stray arrows.

L. All signs and informational or visual communication devices shall be in compliance with Section 16 of this Ordinance.
All signage will be approved through the Zoning Administrator at the time it is submitted.

M. The use and site shall be in compliance with any federal, state, or county laws or regulations that are applicable and any related permits shall be obtained and documented to the City.
The applicant will need to pull the appropriate permits and any appropriate fees must be paid for these permits and inspections completed by the appropriate staff person prior, during, and following construction.

N. Any applicable business licenses mandated by City Code are approved and obtained.
Not applicable.

O. The hours of operation may be restricted when there is judged to be an incompatibility with a residential use or district.
Not applicable.

P. The use complies with the applicable performance standards of the zoning district in which it is located and where applicable, any non-conformity shall be eliminated.
Not applicable.

Q. Additional Stipulations. All conditions pertaining to a specific site are subject to change when the City Council, upon investigation in relation to a formal request, finds that the general public health, safety, and welfare, can be served as well or better by modifying or expanding the conditions set forth herein. The following are a list of conditions applicable to the approval of this conditional use:

1. There shall be no grading, killing of vegetation or permanent structures within the designated wetland area, the area of the approved range may; however, be mowed.
2. All targets, shooting line markers, tables, bow racks, quivers, distance markers and any other items within the range shall be removable and/or temporary items.
3. All activities are to remain on the property of 801 Highway 65 NE.
4. The area beyond the targets shall be regularly searched for stray arrows.
5. All federal, state and local laws shall be abided by at all times.

Decision

The Planning Commission held a public hearing on the item at the **April 12th, 2016** meeting. The meeting minutes shall be made part of the Findings of Fact.

Motion by Lundeen second by Bergley to recommend approval of the request from BowDaddy Archery for approval of a Conditional Use Permit to operate an outdoor archery range on the property at 801 Highway 65 NE, legally described as PT SE/4 of SW/4 Described as: commencing at SE corner of quarter; then N 440'; W 600'; S 440' to S line of SE/4 of SW/4; E 600' to POB. old # 05.020.0300 based on the Findings of Fact and Conclusion and with the following conditions:

1. There shall be no grading, killing of vegetation or permanent structures within the designated wetland area, the area of the approved range may; however, be mowed.
2. All targets, shooting line markers, tables, bow racks, quivers, distance markers and any other items within the range shall be removable and/or temporary items.
3. All activities are to remain on the property of 801 Highway 65 NE.
4. The area beyond the targets shall be regularly searched for stray arrows.
5. All federal, state and local laws shall be abided by at all times.

Motion carried unanimously.

Request for Council Action

To: Mayor Wimmer
Members of the City Council

From: Roxanne Achman, AICP
Community Development Director

Date: April 19th, 2016

Subject: Request from the City of Isanti for an Amendment to the Zoning Map to Rezone 1107 Rum River Drive SW from R-1(Single Family Residential) to Park and Open Space, legally described as Lot 1, Block 1, Rum River Meadows 2nd Addition, Isanti County, Isanti, Minnesota

---

Background

This parcel was obtained by the City in 2015 for the purpose of providing additional amenities to River Bluff Preserve. The parcel is located on Rum River Drive SW, just north of the existing park zoned lot.

Zoning Ordinance Requirements

The purpose of the "POS" Parks and Open Space Overlay District is to protect and preserve parks, open space, and undevelopable land and areas with valuable environmental qualities from further development and to provide for the recreational use of land and structures within the City.

The Planning Commission shall conduct a public hearing, and report its findings and make recommendations to the City Council. The Planning Commission shall consider possible adverse effects of the proposed amendment. The judgment of the Planning Commission with regard to the application shall be based upon, but is not limited to, the following factors:

1. The proposed action has been considered in relation to the specific policies and provisions of and has been found to be consistent with the City Comprehensive Plan, including public facilities and capital improvement plans.
2. The proposed action meets the purpose and intent of this Ordinance or in the case of a map amendment; it meets the purpose and intent of the individual district.
3. There is adequate infrastructure available to service the proposed action.
4. There is an adequate buffer or transition provided between potentially incompatible districts.

Comprehensive Plan

The purpose of this category is to identify portions of Isanti that contain existing or planned park and open space uses. Examples of park and open space uses include local and state parks, wildlife areas, and other outdoor recreation facilities, as well as passive open space areas that are prioritized as protected on the natural areas map.

In addition to the parks and open space areas designated as such on the Land Use Plan map, new residential developments should incorporate neighborhood parks as they are developed.

Public Notice
Notice of the Map Amendment was published in the official City newspaper, Isanti County News; on Wednesday, April 6th, 2016. Mailed notice was provided to property owners within 350' of the subject property.

Public Comments
No public comments had been received regarding the proposed text amendment prior to the release of the staff memo.

Planning Commission Recommendation:
Motion by Lundeen second by Kennedy to recommend approval of the request from the City of Isanti for an Amendment to the Zoning Map to Rezone 1107 Rum River Drive SW from R-1(Single Family Residential) to Park and Open Space, legally described as Lot 1, Block 1, Rum River Meadows 2nd Addition, Isanti County, Isanti, Minnesota based on the Findings of Fact and Conclusions. Motion carried unanimously.

Deadline for City Council Action
The City of Isanti received a complete application for this request on March 3rd, 2016. Pursuant to Minnesota State Statute, the City must act on this request by May 3rd, 2016 (60-days); unless an extension of the review period has been agreed to by the applicant.

Options and Proposed Motion Language
1. Recommend Approval with No Conditions: Motion to recommend approval of the request from the City of Isanti for an Amendment to the Zoning Map to Rezone 1107 Rum River Drive SW from R-1(Single Family Residential) to Park and Open Space, legally described as Lot 1, Block 1, Rum River Meadows 2nd Addition, Isanti County, Isanti, Minnesota
2. Recommend Approval with Conditions: Motion to recommend approval of the request from the City of Isanti for an Amendment to the Zoning Map to Rezone 1107 Rum River Drive SW from R-1(Single Family Residential) to Park and Open Space, legally described as Lot 1, Block 1, Rum River Meadows 2nd Addition, Isanti County, Isanti, Minnesota with the following changes....
3. Recommend Denial: Motion to recommend denial of the request from the City of Isanti for an Amendment to the Zoning Map to Rezone 1107 Rum River Drive SW from R-1(Single Family Residential) to Park and Open Space, legally described as Lot 1, Block 1, Rum River Meadows 2nd Addition, Isanti County, Isanti, Minnesota for the following reasons....
4. Table: Motion to table the request from the City of Isanti for an Amendment to the Zoning Map to Rezone 1107 Rum River Drive SW from R-1(Single Family Residential) to Park and Open Space, legally described as Lot 1, Block 1, Rum River Meadows 2nd Addition, Isanti County, Isanti, Minnesota (a specific reason and information request should be included in the motion to table).

ORDINANCE NO.

AN ORDINANCE APPROVING AN AMENDMENT TO ORDINANCE NO.445 (ZONING): THE OFFICIAL ZONING MAP

THE CITY OF ISANTI DOES ORDAIN:

WHEREAS, the City of Isanti obtained Parcel 16.111.0010 legally described as Lot 1, Block 1 of Rum River Meadows 2nd Addition for park and open space uses; and,

WHEREAS, such parcel is zoned "R-1" Single Family District; and,

WHEREAS, the City is requesting to amend the zoning map to rezone Lot 1, Block 1, Rum River Meadows 2nd Addition as Park and Open Space; and,

WHEREAS, at their regular meeting on April 12th, 2016, the City of Isanti Planning Commission held a public hearing to take public comments; and

WHEREAS, the Planning Commission voted unanimously to recommend approval of the rezone request; and

NOW THEREFORE BE IT RESOLVED, by the City Council of the City of Isanti that Lot 1, Block 1 of Rum River Meadows 2nd Addition in the City of Isanti, Minnesota, subject to easements, restrictions and reservations of record, approved the re-zone request from "R-1" Single Family Residential to Park and Open Space.

EFFECTIVE DATE
This Ordinance shall take effect the day following its publication in the City's Official Newspaper.

Adopted by the City Council this 19th day of April 2016.

FINDINGS OF FACT AND CONCLUSION

Request

Request from the City of Isanti for an Amendment to the Zoning Map to Rezone 1107 Rum River Drive SW from R-1(Single Family Residential) to Park and Open Space, legally described as Lot 1, Block 1, Rum River Meadows 2nd Addition, Isanti County, Isanti, Minnesota.

Findings of Fact

1. The property owners, the City of Isanti, filed an application to rezone Parcel No. 16.111.0010 from "R-1" Single Family Residential District to "POS" Park and Open Space District.
2. The property is legally described as follows: Lot 1, Block 1 of Rum River Meadows 2nd Addition.
3. The rezoning of the property would permit the property to be slated for park and open space uses.
4. The Comprehensive Plan has a land use encourages the incorporation of neighborhood parks.
5. The request to rezone this property was received on March 3rd, 2016. Pursuant to Minnesota State Statute, the City must act on this request by May 3rd, 2016 (60-day rule).
6. A public hearing date before the Planning Commission was scheduled for Tuesday, April 12th, 2016 at 7:00 p.m. at City Hall within the Council Chambers.
8. Notice of the Rezoning request was published within the Isanti County News on Wednesday, April 6th, 2016. Notices were sent to all property owners located within 350 feet of the subject property.
9. Section 21, Article 1: Amendments (Text and Map), Subdivision 4 (D) of the Zoning Ordinance establishes criteria in which the judgment of the Planning Commission and City Council shall be based upon when reviewing a Rezoning request.

Conclusions

A. In review of the factors established in Section 21, Article 1 Amendments (Text and Map), Subdivision 4 (D) the following conclusions have been made (*conclusions to each requirement are shown in underlined italics)*:

   1. The proposed action has been considered in relation to the specific policies and provisions of and has been found to be consistent with the Comprehensive Plan, including public facilities and capital improvement plans.
      The identified parcels fit within the concept of implementing neighborhood parks. One of the Comprehensive Plan's objectives is to provide passive parkland and open space areas to enhance the quality of life in existing and future neighborhoods
   2. The proposed action meets the purpose and intent of this Ordinance or in the case of a map amendment; it meets the purpose and intent of the individual district.
      The rezoning of the parcel would meet the purpose and intent of the district in which the property is located. Park and open space is suitable and beneficial to residential neighborhoods.
   3. There is adequate infrastructure available to service the proposed action.
      Any necessary infrastructure is already in place in this area should the City need connect to it.
   4. There is an adequate buffer or transition provided between potentially incompatible districts.
      Parks and open space are compatible with residential uses.

Decision

The Planning Commission reviewed the request in a public hearing on **April 12th, 2016**. The meeting minutes, staff memo, and attachments shall be made a part of the Findings of Fact and Conclusion.

Motion by Lundeen second by Kennedy to recommend approval of the request from the City of Isanti for an Amendment to the Zoning Map to Rezone 1107 Rum River Drive SW from R-1(Single Family Residential) to Park and Open Space, legally described as Lot 1, Block 1, Rum River Meadows 2nd Addition, Isanti County, Isanti, Minnesota based on the Findings of Fact and Conclusions. Motion carried unanimously.

Request for City Council Action

To: Mayor Wimmer
Members of the City Council

From: Josi Wood
Assistant City Admin/Public Services Director

Date: April 19, 2016

Subject: Consider Ordinance to Amend City Council Chapter 227 Parking and Storage

---

Background

Currently there is a marked pedestrian walkway along the East side of Railroad Ave SE between Main St E to the intersection of Palomino Road SE. There have been observations by staff and also community members where vehicles have parked along the East side of Railroad Ave SE making the pedestrian walkway unusable by pedestrians without having to walk into the street.

Public Works Committee Recommendation:
The Public Works Committee recommends to place no parking signs along the pedestrian walkway stretch along Railroad Ave SE and have language added to City Code to reflect such action.

It was noticed by Staff that the streets on the East side of Highway 65 along either side of Broadway St SE to 6th Ave NE and along 6th Ave NE to Heritage Blvd NE was posted as no parking, however, this was not reflected in City Code Chapter 227. Staff discussed with the City Engineer, Brad DeWolf, and he confirmed that those streets should not allow for parking on either side of the street.

In order to enforce, amendments are necessary in City Code Chapter 227 and they are as follows:

Sub-paragraph (5), Paragraph C., Parking, Stopping, and Standing Provisions, Section 227-2, Parking Regulations, Article II General Parking Regulations, of Chapter 227 of the Code of the City of Isanti is hereby amended to add the following text:

(b) Along either side of Railroad Ave SE beginning at its intersection with Palomino Road SE to its intersection with Townsedge Road SE. Along the East side of Railroad Ave SE beginning at its intersection with Main Street E to its intersection with Palomino Road SE.

(i) Along either side of Broadway St SE, from Highway 65 NE to 6th Ave NE.

(j) Along either side of 6th Ave NE, from Broadway St SE to Heritage Blvd NE.

Staff Request

City staff is requesting action on this item.

RE: Interim Finance Director Services

Please find attached a proposal from Steve McDonald and Jean McGann, Abdo Eick and Meyers (AEM), for interim Finance Director (financial management) services. This firm served in a similar capacity for the City in 2008 and 2012, when we had vacancies in the Finance Director position. They will have their Client Service Manager, Gayle Bauman, provide the interim services for the City. Ms. Bauman has over 17 years of experience in City government finance and has held Finance Director positions in two cities. They would assist with financial management duties as outlined in the proposal, and potentially 2017 budget work (as needed). It is planned that their staff would be our office one and one-half days of the week. The base fee for this service is $11,750 month. The contract period if for April 21st to September 30th, 2016.

RESOLUTION NO. 2016-

A RESOLUTION ACCEPTING PROPOSAL FOR INTERIM FINANCE DIRECTOR SERVICES

WHEREAS, the Finance Director gave notice of resignation as an employee of the City of Isanti, with her last work day April 22, 2016; and

WHEREAS, the Finance Committee recognizes that certain tasks and services must be provided in the interim of filling the position; and

WHEREAS, Abdo Eick & Meyers LLP provides auditing services for the City and has provided interim Finance Director services for the City in 2008 and 2012, and

WHEREAS, Abdo Eick & Meyers LLP submitted a proposal to provide Interim Financial Management Services until such time as the Finance Director position has been filled; and

WHEREAS, the City Council feels it is in the best interest of the citizens of the City of Isanti that quality financial services are provided in the interim of filling the Finance Director position.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, as follows:

1. Hereby accepts Abdo Eick & Meyers LLP proposal to the City of Isanti for Interim Financial Management Services, dated April 13, 2016, for a monthly fee of $11,750, plus hourly rates/fees if necessary as per their proposal.

This Resolution hereby approved by the Isanti City Council this 19th day of April 2016.

LETTER OF TRANSMITTAL

Don Lorsung
City of Isanti
110 1st Avenue North
Isanti, Minnesota 55040

Dear Mr. Lorsung,

Thank you for the opportunity to submit this proposal to the City of Isanti, Minnesota (the City) for interim financial management services. Based on our past experience with Cities of comparable size and complexity, we believe our structured contract with defined outcomes offered through AEM Financial Solutions, LLC (AEMFS) would provide the City with excellent financial management services.

We believe our solution will continue to result in the City receiving high level information, continual improvement of processes and allow the City to keep overall costs stable. Our proposal is based on the past work we have done, the needs of the City, and the experiences we have had working with other cities. The proposal outlines the scope of services we believe will address the needs of the City.

The term of this contract shall be from April 21, 2016 through September 30, 2016.

An AEMFS representative will be in the City offices as necessary to perform responsibilities as noted on the Scope of Services page. Services will also be performed remotely as necessary.

Investment by the City for services is indicated in the financial page.

AEMFS would like to thank the City for the opportunity. We look forward to exceeding your expectations and continuing our long-term, mutually beneficial relationship.

Sincerely,

AEM Financial Solutions, LLC

Welcome to ABDO, EICK & MEYERS, LLP

"The investments into our People and Process make a difference for you, our valued client. We focus on the challenges and needs that are relevant to your business or government agency. This allows us to be thoughtful in our approach in providing you with the best solutions, and leaves you assured in the value of our deliverable."

Steve McDonald - Managing Partner

People + Process®
Going Beyond the Numbers

People

Hire

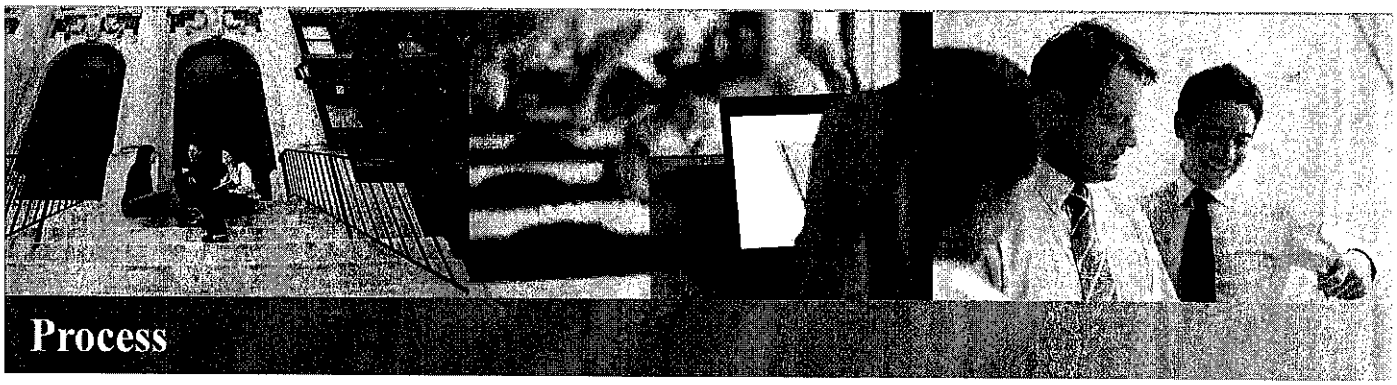
We focus recruiting efforts on Minnesota state colleges and universities. Innovative recruiting strategies, including a strong social media presence, allow us to attract top talent.

Train

We've invested in a state-of-the-art, on-site training facility and a full-time Learning Director to ensure our team is prepared to exceed your expectations.

Reward

We focus on client results and reward our team based on specific goals, not hours billed.



Process

Listen

Our process begins with listening. We invest time to better understand your goals and challenges.

Engage

Active engagement with DFK International and domestic industry associations allows us to provide maximum value to your organization.

Deliver

Combing our internal expertise and technological resources with what we've learned about you allows us to deliver a solution that exceeds your expectations.

DFK 35th ANNIVERSARY
INTERNATIONAL/USA 1978-2013

Going Beyond the Numbers

Firm Qualifications and Experience

For over 50 years, we've helped local governments throughout Minnesota serve their communities more efficiently. As the leading governmental auditing firm in the state, we provide accounting, financial, and audit services to over 200 governmental entities. In 2009, we established AEM Financial Solutions, LLC (AEMFS) a company dedicated to providing day-to-day accounting and financial management services for local governments. The success of AEMFS stems from having over 17 years of government finance and audit experience, six years of Big Four accounting Firm, and over 50 years of providing governmental services in Minnesota.

As an integral part of your team, we work with you to deliver one-of-a-kind solutions for improving best practices in your entire organization. You can expect to work with our partners and managers to resolve issues ranging from operational effectiveness to long term planning and workflow.

AEMFS is a division of Abdo, Eick & Meyers, LLP (the Firm). Overall the Firm has a professional staff of more than 131 in its Edina and Mankato offices. AEMFS specializes in the governmental industry. The following summarizes the type of services we provide.

Governmental Client Services

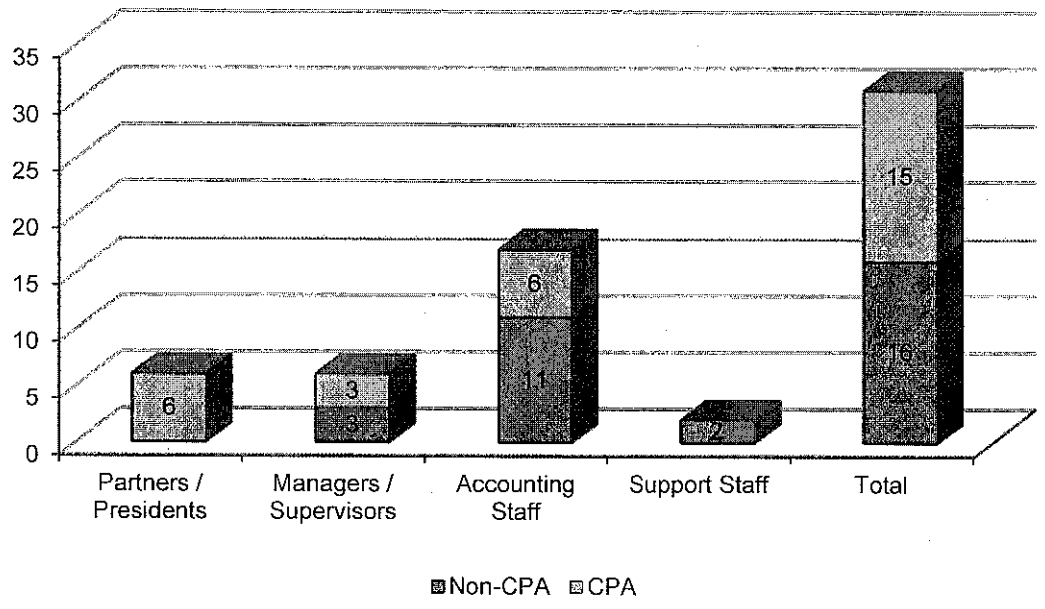
Our governmental client base is composed of cities, municipalities and other public entities. They are as follows:

- Finance director services for approximately 17 cities.
    - 2 municipal clients receive the GFOA's certificate of achievement for excellence in financial reporting
- Process evaluation studies and recommendations
- Operational effectiveness
- Work flow implementation
- Request for proposal development
- Project feasibility analysis
- Rate studies, long term strategic planning and capital improvement planning
- Budget development and analysis

Personnel

AEMFS has a tremendous level of expertise and experience in providing Governmental services. Detailed biographies can be found in Appendix A. This detail will demonstrate that when combined, we have over 55 years of providing solutions to governmental entities along with over 25 years of private sector experience.

Our substantial governmental client base and commitment of staff to governmental services has provided our firm with the competence to serve your professionally and efficiently.



People + Process. Going Beyond the Numbers

AGREEMENT FOR FINANCIAL SERVICES

THIS AGREEMENT, is made and entered into on April 13, 2016 by and between the City of Isanti, Minnesota (hereinafter referred to as the "City"), and AEM Financial Solutions LLC (hereinafter referred to as the "Contractor").

Articles of Agreement & Recitals

WHEREAS, the City is authorized and empowered to secure from time to time certain professional services through contracts with qualified consultants; and

WHEREAS, the Contractor understands and agrees that:

1. The Contractor will act as an Independent Contractor in the performance of all duties under this Agreement. Accordingly, the Contractor shall be responsible for payment of all taxes, including federal, state and local taxes and professional/business license fees arising out of the Contractor's activities;

2. The Contractor shall have no authority to bind the City for the performance of any services or to obligate the City. The Contractor is not an agent, servant, or employee of the City and shall not make any such representations or hold himself/herself out as such;

3. The Contractor shall be the exclusive outsourced accounting service provider for the City during the term of this Agreement;

4. The Contractor shall perform all professional services in a competent and professional manner, acting in the best interests of the City at all times.

5. The Contractor shall not accrue any continuing contract rights for the services performed under this contract.

NOW THEREFORE, in consideration of the mutual covenants and promises contained herein, it is agreed as follows:

ARTICLE I

INCORPORATION OF RECITALS

The recitals and agreement set forth above are hereby incorporated into this Agreement.

ARTICLE II

LIABILITY INSURANCE

Section 1 Liability Insurance: The Contractor shall obtain professional liability insurance, at their expense with liability insurance coverage minimums in the amount of $2,000,000, which Contractor must secure and maintain during the term of this Agreement. Contractor will provide City with proof of liability insurance coverage under this Agreement in writing upon request by the City.

People + Process. Going Beyond the Numbers

ARTICLE III

DURATION OF THE AGREEMENT

Section 1 Duration: This Agreement shall commence upon date of execution by all parties and will remain in effect until September 30, 2016 unless earlier terminated as provided in Sections 2 and 3.

Section 2 City's Termination Rights: City may terminate this Agreement upon sixty (60) days written notice in the event the City determines in its sole discretion that it is not in the City's best interest to continue using Contractor's services. The City may terminate on ten (10) days written notice of the Contractor fails to perform its obligations under this Agreement.

Section 3 Contractor's Termination Rights: Contractor may terminate this Agreement upon thirty (30) days written notice to City in the event City does not pay Contractor compensation as required under Article 5, Section 9 within fifteen (15) days after invoice is received by City. In the event of non-payment within thirty (30) days, Contractor shall give City an opportunity to cure the default by giving a notice of such non-payment and an additional five (5) days after the City's receipt of the notice to remit such payment, prior to giving a notice of termination. Contractor can also terminate the Agreement with one hundred twenty (120) days written notice if the Contractor believes it is in its best interests to terminate the Agreement.

ARTICLE IV

RENEWAL OF THE AGREEMENT

Section 1 Renewal Period: Not less than ninety (90) days prior to the expiration of this Agreement, the City may provide written notice of intent to renew this Agreement for an additional term of up to three years upon terms and conditions agreed upon by both parties to the Agreement. If no such renewal agreement is executed by the parties, the Agreement terminates without further action of either party on September 30, 2016.

ARTICLE V

GENERAL

Section 1 Authorized City Agent: The City's authorized agent for the purpose of administration of this Agreement is the City Administrator. Said agent shall have final authority for approval and acceptance of the Contractor's services performed under this Agreement and shall further have responsibility for administration of the terms and conditions of this Agreement. All notices under this Agreement shall be sent to the person and address indicated below on the signature lines.

Section 2 Amendments: No amendments or variations of the terms and conditions of this Agreement shall be valid unless in writing and signed by the parties.

Section 3 Assignability: The Contractor's rights and obligations under this Agreement are not assignable or transferable.

Section 4 Data: Any data or materials, including, but not limited to, reports, studies, photographs, negatives, or any and all other documents prepared by the Contractor or its outside consultants in the performance of the Contractor's obligations under this Agreement shall be the exclusive property of the City, and any such data and materials shall be remitted to the City by the Contractor upon completion, expiration, or termination of this Agreement. Further, any such data and materials shall be treated and maintained by the Contractor and its outside consultants in accordance with applicable federal, state and local. Further, Contractor will have access to data collected or maintained by the City to the extent necessary to perform Contractor's obligations under this Agreement. Contractor agrees to maintain all data obtained from the City in the same manner as the City is required under the Minnesota Government Data Practices Act, Minnesota Statutes Chapter 13 or other applicable law (hereinafter referred to as the "Act"). Contractor will not release or disclose the contents of data classified as not public to any person except at the written direction of the City. Upon receipt of a request to obtain and/or review data as defined in the Act, Contractor will immediately notify the City. The City shall provide written direction to Contractor regarding the request within a reasonable time, not to exceed fifteen (15) days. The City agrees to indemnify, hold harmless and defend Contractor for any liability, expense, cost, damages, claim, and action, including attorneys' fees, arising out of or related to Contractor's complying with the City's direction. Subject to the aforementioned, Contractor agrees to defend and indemnify the City from any claim, liability, damage or loss asserted against the City as a result of Contractor's failure to comply with the requirements of the Act. Upon termination and/or completion of this Agreement, Contractor agrees to return all data to the City, as requested by the City.

People + Process. Going Beyond the Numbers

ARTICLE V - CONTINUED

GENERAL - CONTINUED

Section 5 Entire Agreement: This Agreement is the entire agreement between the City and the Contractor and it supersedes all prior written or oral agreements. There are no other covenants, promises, undertakings, or understandings outside of this Agreement other than those specifically set forth. Any term, condition, prior course of dealing, course of performance, usage of trade, understanding, or agreement purporting to modify, vary, supplement, or explain any provision of this Agreement is null and void and of no effect unless in writing and signed by representatives of both parties authorized to amend this Agreement.

Section 6 Severability: All terms and covenants contained in this Agreement are severable. In the event any provision of this Agreement shall be held invalid by any court of competent jurisdiction, this Agreement shall be interpreted as if such invalid terms or covenants were not contained herein and such holding shall not invalidate or render unenforceable any other provision hereof.

Section 7 Contractor Fiscal Decision Waiver: Contractor is responsible for providing the City with timely and accurate financial recommendations and information that allows City Council the ability to make final financial decisions. Contractor will provide final financial recommendations, but is not responsible for the final decisions made regarding financial matters.

Section 8 City Employment of Contractors Employees; Should the City desire to employ the Contractors employee that is assigned to the City during the term of this Agreement, it must have the written consent of the Contractor to enter into a City employee contract with the Contractors employee. Should the Contractor agree to such arrangement, the agreement will include a payment equal to 50% of the annual contracted cost, in addition to the annual contracted cost already paid to the Contractor. This restriction on employment applies only during the term of this agreement.

Section 9 Compensation: The parties agree that the Contractor shall be paid compensation for the services provided hereunder, payable for work performed in accordance with this Agreement, based on the fees indicated in Table 1 and under the attached scope of services. Additional fees will not be incurred without prior approval of the City.

Table 1

Services Period	Monthly Fee
April 21, 2016 - September 30, 2016	$ 11,750

Initial invoice will be sent within 10 days of the execution of this agreement. Monthly installment fees will be invoiced throughout the remainder of this contract.

Section 10 Additional Services: Should the City request additional services in addition to the Contracted Services, the Contractor will provide the City with proposed fees for the services to be provided. The City shall provide a written or electronic confirmation prior to the proposed services implementation.

Section 11 Outside Contractors: It shall be the responsibility of Contractor to compensate any other outside consultants retained or hired by Contractor to fulfill their obligations under this Agreement and shall be responsible for their work and Contractor, by using outside contractors, shall not be relieved of its obligations under this Agreement.

People +Process. Going Beyond the Numbers

SCOPE OF SERVICES

Contract Task	City Responsibility	Planned Time Frame
1. Cash and Investment monitoring		
Reconcile cash and investments	City Administrator to review and approve	Monthly
Review Monthly to ensure timely and accurately balance		Monthly
Verify bank has proper amount of collateral pledged to City's account	Request monthly collateral statement from the bank	Monthly
Review cash flow to ensure proper amounts are available for operations		Monthly
Review cash flow to ensure proper amounts are available for operations	City Administrator to review and approve	
2. Monthly/Quarterly Reporting		
Complete quarterly dashboard of key indicators		Quarterly
Provide narrative to quarterly financial report	City Administrator to review and approve	Quarterly

ACCOUNTANT'S COMPILATION REPORT

Honorable Mayor and City Council
City of Sample
Sample, Minnesota

We have compiled the accompanying statement of revenues and expenditures for the General Fund and statements of revenues and expenses for the enterprise funds of the City of Sample as of March 31, 20XX, for the quarter then ended. We have not audited or reviewed the accompanying financial statements and, accordingly, do not express an opinion or provide any assurance about whether the financial statements are in accordance with accounting principles generally accepted in the United States of America.

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for designing, implementing, and maintaining internal control relevant to the preparation and fair presentation of the financial statements.

Our responsibility is to conduct the compilation in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. The objective of a compilation is to assist management in presenting financial information in the form of financial statements without undertaking to obtain or provide any assurance that there are no material modifications that should be made to the financial statements.

SAMPLE

Management has elected to omit substantially all of the disclosures and the statement of cash flows required by accounting principles generally accepted in the United States of America. If the omitted disclosures and the statement of cash flows were included in the financial statements, they might influence the user's conclusions about the Company's financial position, results of operations, and cash flows. Accordingly, the financial statements are not designed for those who are not informed about such matters.

Sincerely,

AEM FINANCIAL SOLUTIONS, LLC

Isanti

Request for City Council Direction

To: Mayor Wimmer and City Council Members

From: Sean M. Sullivan, Economic Development Director

Date: April 19, 2015

Subject: **Consider Resolution for Authorization of Contract with CGI Communication for City Marketing Video**

Background:

City Staff and Officials have been working with Isanti County and CGI Communication to create a county wide video marketing video. City Staff and Mayor Wimmer discussed options with top management at CGI Communications and were given an opportunity to have a video created for City of Isanti in addition to the one being created for Isanti County that will also include the Mayor's Welcome. The four minute video will include segments relating to economic development, a general welcome, park and recreation and another section that would help Isanti market itself. The video will be posted on the City website and will work on mobile applications. There is no cost to the City for this service but CGI Communication does ask that the City sign a letter of introduction supporting the project that can be used to contact businesses in Isanti to see if they want to take advantage of marketing opportunities as well.

Staff Request for Action:

Staff is asking for the City Council to consider adoption of the attached resolution and move forward with the City and County CGI Video projects.

Attachments:

1) **Resolution 2016-____ Authorization of Contract with CGI Communication for City Marketing Video**

RESOLUTION 2015-___

Authorization of Contract with CGI Communications for City Marketing Video

WHEREAS, the City of Isanti EDA is charged with marketing the City of Isanti; and

WHEREAS, the City of Isanti has been working with Isanti County to produce a county-wide marketing video piece by CGI Communications and has provided photos, content and pictures helping market the City of Isanti; and

WHEREAS, Isanti County has asked CGI to contact the City of Isanti and see if the City of Isanti would be willing to sign an intro letter that can be used to contact local businesses to be in the video and to offer marketing options for their businesses; and

WHEREAS, The City of Isanti has been presented an additional opportunity to have a 4 minute video created specifically for the City of Isanti for City use on its website and other materials according to the terms and conditions of contract attached to this resolution; and

WHEREAS, the cost for creation of the video and placement on website to the City of Isanti is $0.00 but will include City Staff and Official time commitment.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota authorize the following:

1) Execution of the attached contract between the City of Isanti and CGI Communications by Mayor George Wimmer.
2) Use of City Letterhead and a signature by a City Official on the attached introduction letter for Isanti business owners.

This Resolution hereby approved by the Isanti City Council this 19th day of April 2016.

Attest: _____ Mayor George A. Wimmer

_____
Donald C. Lorsung
City Administrator

(SEAL)

2016 Community Video Program

CGI Communications, Inc.
130 East Main Street, 5th Floor
Rochester, NY 14604
(800) 398-3029 phone
(866) 429-8611 fax

Name: George Wimmer
Title: Mayor
Address: 110 1st Avenue NW, P.O. Box 428
City, State, Zip: Isanti, MN 55040
Phone: 763-444-5512
Email: george@georgewimmer.com
Website: http://www.cityofisanti.us/

This agreement is between CGI Communications, Inc. ("CGI") and the City of Isanti (the "City") and shall remain in effect from the date it is signed by both parties until the third anniversary of the date that the completed and approved Community Video Program is made available for viewing via a link on the http://www.cityofisanti.us/ homepage, including any alternate versions of that homepage, for viewer access on different devices.

During the term of this Agreement, CGI shall:

- Produce four 1 minute videos with subject matter that includes but is not limited to: Welcome, Economic Development, Education, Healthy Living, and Homes/Real Estate
- Provide one Community Organizations chapter to promote charities, nonprofits and community development organizations
- Provide script writing and video content consultation
- Have a videographer come to City locations to shoot footage for the videos
- Reserve the right to use still images and photos for video production
- Provide all aspects of video production and editing, from raw footage to final video including professional voiceovers and background music
- Provide a final draft of Community Video Program content subject to your approval (up to 3 sets of revisions allowed). CGI's request for approval of content or revision, including final draft, shall be deemed approved if no response received by us within thirty (30) days of request
- Provide our patented OneClick™ Technology and encode all videos into multiple streaming digital formats to play on all computer systems, browsers, and Internet connection speeds; recognized player formats include WindowsMedia→ and QuickTime→
- Store and stream all videos on CGI's dedicated server
- Be solely responsible for sponsorship fulfillment including all related aspects of marketing, production, printing, and distribution
- Facilitate viewer access of the Community Video Program from City website, including any alternate versions of City's homepage, for different devices, by providing HTML source code for a graphic link to be prominently displayed on the http://www.cityofisanti.us/ website homepage as follows: "Coming Soon" graphic link designed to coordinate with existing website color theme to be provided within 10 business days of execution of this agreement. "Community Video Program" graphic link to be provided to replace the "Coming Soon" link upon completion and approval of videos
- Grant to City a license to use CGI's Line of Code to link to and/or stream the videos
- Own copyrights of the master Community Video Program
- Assume all costs for the Community Video Program
- Honor any request for termination of sales upon 30 day notice and only if the City continues to provide the Community Video Program linkage from its homepage for the duration of this agreement

Program add-ons will include:

- The code to generate the mobile video responsive layer to play your Welcome video

During the term of this Agreement, the City shall:

- Provide a letter of introduction for the program on City's letterhead
- Assist with the content and script for the Community Video Program
- Grant CGI the right to use City's name in connection with the preparation, production, and marketing of the Program
- Display the "Coming Soon" graphic link prominently on the http://www.cityofisanti.us/ homepage within 10 business days of receipt of HTML source code
- Display the "Community Video Program" link prominently on its http://www.cityofisanti.us/ homepage, including any alternate versions of your home page, for viewer access on different devices for the entire term of this agreement
- Feature business sponsors around the perimeter of video panels
- Allow businesses to purchase various digital media products and services from CGI and its affiliates
- Ensure that this agreement remains valid and in force until the agreed upon expiration date, regardless of change in administration
- Grant full and exclusive streaming video rights for CGI and its subsidiaries, affiliates, successors and assigns to stream all video content produced by CGI for the Community Video Program
- Represent and warrant that any and all photographs, videos, and other content it submits to us for use in any video or other production does not infringe on any third party's copyright, trademark or other intellectual property, privacy or publicity rights and shall defend and indemnify us from any such claim or action

This Agreement constitutes the entire agreement of the parties and supersedes any and all prior communications, understandings and agreements, whether oral or written. No modification or claimed waiver of any provision shall be valid except by written amendment signed by the parties herein. City warrants that it is a tax exempt entity. The undersigned, have read and understand the above information and have full authority to sign this agreement.

Dear Valued Business Owner:

Isanti is excited to announce a new partnership with CGI Communications, Inc. to create a series of professionally produced online videos to highlight everything our community offers residents, visitors, and business owners.

In addition to creating the videos, CGI is ensuring they are seen. Mobile devices have shifted the landscape of business, making it more important than ever to embrace technology as residents of Isanti are able to stream high quality video on every device. For many businesses, getting noticed online can be a challenge, however, **utilizing video dramatically improves visibility** and **drives more action to your website** than static pages; the demand for video climbing even higher for users on mobile devices.

With an easily viewable interface on the official city website, this video program will encourage viewers to learn more about area attractions, economic development opportunities, quality of life, and the businesses supporting the program. In addition, the city's official website will backlink to CGI's www.elocallink.tv, which hosts the Video Tour.

We are dedicated to highlighting the advantages of living and working in Isanti; advantages that include access to our wonderful business community; and we feel that this video program can be widely successful. We encourage you to consider participating in this city-wide program as it provides an exciting opportunity to showcase your business and utilize the power of video on your own websites and social media pages.

To learn more about sponsorship opportunities or to request an appointment please e-mail BrandonB@cgicommunications.com.

Best Regards,

To: **Mayor Wimmer and City Council Members**

From: Chief Gene C. Hill

MEMO

Date: April 13, 2016

Subject: COPS Grant Funding Opportunity

Background:

The 2016 Office of Community Oriented Policing Services (COPS) has announced that they are accepting applications for funding entry level officers; specifically focusing on these areas:

The funding opportunity for the City will be tough because of our communities diversity.

Action:

I am requesting the opportunity to apply for this grant even though the requirements this time are very specific; it will keep us in the running for future grant opportunities and increase our preference points within the grant process.

RE: COPS Office FY 2016 Community Policing Development (CPD) Program Solicitation - Now Open!

RE: COPS Office FY 2016 Community Policing Development (CPD) Program Solicitation - Now Open!

Dear Colleague:

The Office of Community Oriented Policing Services (COPS) is pleased to announce that **the application period for the FY 2016 Community Policing Development (CPD) Program is now open.** Applications for this year's CPD solicitation must be completed and submitted by **7:59 PM, EDT on June 1, 2016**. This year's CPD Program has an overarching emphasis on implementing the recommendations of the President's Task Force on 21st Century Policing. The Task Force examined how to strengthen public trust and foster strong relationships between local law enforcement and the communities that they serve, while also promoting effective crime reduction.

Program Details

The FY 2016 CPD Program is a competitive solicitation, open to all public governmental agencies, profit and nonprofit institutions, institutions of higher education, community groups, and faith-based organizations. The program is designed to advance the practice of community policing in law enforcement agencies through training and technical assistance. It also promotes the development of innovative community policing strategies, applied research, guidebooks, and best practices that are national in scope and responsive to the solicitation topic requirements. Up to $8 million is available through this program in FY 2016, and all awards are subject to the availability of funds. Applicants may select from the following topic areas:

- Microgrant Initiative for Law Enforcement
- Critical Response Technical Assistance
- Community Policing Emerging Issues Forums
- Community Policing Training Projects
- Law Enforcement Led 21st Century Policing Demonstration Projects
- 21st Century Policing and Implementation Projects

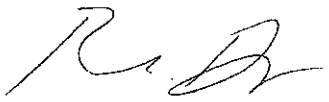
These topic areas share the goal of advancing community policing by addressing many of the recommendations contained in the Final Report of the President's Task Force on 21st Century Policing. **For detailed information on CPD program requirements, application instructions, FAQs and more, please visit the** CPD Program page **on the COPS website.**

We also encourage you to read the "Preparing Your Application" document on our website. This document provides helpful information about preparations your agency can make at this time to ensure a smooth application process and minimize the chance of problems or delays.

Please note that applications for this program must be submitted in two parts. First, applicants must apply online via Grants.gov to complete the SF-424, the government-wide standard form required for competitive grant application packages. Once the SF-424 has been submitted, you will receive an e-mail with instructions on completing the second part of the CPD application through the COPS Office Online Application System, found on the COPS Office website through the "Account Access" link in the upper right hand corner.

Thank you for your time and cooperation during the application process. If you have questions about completing a CPD application, please contact the COPS Office Response Center at 1.800.421.6770.

Sincerely,



Ronald L. Davis
Director

RESOLUTION 2016-_____

RESOLUTION AUTHORIZING STAFF TO APPLY TO THE OFFICE OF COMMUNITY ORIENTED POLICING SERVICES FOR THE COPS HIRING GRANT

WHEREAS, the Office of Community Oriented Policing Services (COPS Office) has announced that they are accepting applications requesting funding under the COPS Hiring Recovery Program (CHRP); and

WHEREAS, the COPS Grant prevents the loss of an officer due to budget cuts; and

WHEREAS, the COPS Grant will pay 75% of the starting salary plus fringe benefits (a 25% match is required) for an officer for up to three (3) years; and should the grant be awarded to the City, the City is required to retain the position for one (1) year after the grant ends; and

WHEREAS, the City of Isanti Police Department feels this is a great opportunity and applying for the grant will keep the City of Isanti in for consideration for future grants if this one grant is not received.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City Of Isanti, Minnesota to hereby authorize staff to apply and provide all necessary signatures required for the submission of an application for the COPS Grant for one officer for a period of three years.

This Resolution is approved by the City of Isanti Council this 19th Day of April, 2016.

Request for City Council Action

To: **Mayor Wimmer and City Council Members**

From: Chief Gene C. Hill **MEMO**

Date: April 13, 2016

Subject: Bureau of Justice Assistance Grant

Background:

The Bureau of Justice Assistance Grant (Bulletproof Vest Partnership 2016 Grant) is open for solicitation for partial reimbursement of officer's bulletproof vests which have a life expectancy of five years, at which time they expire. This grant saves the citizens / taxpayers money at the local government level.

Action:

I am requesting that the City Council review and consider the opportunity to apply for this grant to offset the expenses of ballistic vests that the officers wear.

RESOLUTION NO. 2016-XXXX

RESOLUTION AUTHORIZING STAFF TO APPLY FOR THE BULLETPROOF VEST PARTNERSHIP 2016 GRANT

WHEREAS, the Isanti Police Department has an opportunity to apply for the Bureau of Justice Assistance grant (Bulletproof Vest Partnership 2016 grant); and

WHEREAS, the Isanti Police Department has applied for this grant in years past; and

WHEREAS, the Police Department makes use of grant opportunities to provide better service to the community; and

WHEREAS, the City of Isanti Police Department has requested that funds that are applied for and received from the Bulletproof Vest Partnership 2016 Grant are used to replace the bullet proof vests for its Police Officers which have a five year life expectancy / warranty.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City Of Isanti, Minnesota to authorize the Police Chief to submit an application for the Bulletproof Vest Partnership 2016 Grant with funds received from the grant to replace the bullet proof vests for the Police Department.

This resolution was duly adopted by the Isanti City Council this 19th day of April, 2016.

Attest: Mayor George A. Wimmer

City of Isanti
Economic Development Authority
Regular Meeting Minutes of
March 2, 2016
Isanti City Hall

1. Call to Order

The meeting was called to order by Economic Development Director Sullivan at 7:22 p.m.

a. Pledge of Allegiance

b. Roll Call

Members Present:	Keith Dragisich, Dan Collison, Steve Lundeen, Paul Bergley and George Wimmer
Members Absent:	Tara Hallberg (excused), Adam Johnson
Staff Present:	Economic Development Director Sean Sullivan

c. Agenda Modifications

No modifications to the agenda were presented.

2. Approval of Agenda

Motion to approve Agenda as presented by Collison, second by Lundeen, motion carried unanimously.

3. Approve Minutes of February 2, 2016 Regular Economic Development Meeting

Motion by Lundeen second by Collison to approve the minutes for February 2, 2016. Motion carried unanimously.

4. Other Business / Updates

Economic Development Director Sullivan highlighted the Staff Memo. He shared that a Developer was working on a 24 unit senior memory care project and that he anticipated a site plan to be submitted within the next few months. He also indicated that new hearing aid business (HearsWell) had moved into the former Gental Dental site in Historic downtown Isanti. Sullivan passed out a Local Market Update relating to housing that outlined median and average sales prices and housing inventory in Isanti and Cambridge. The numbers showed a pretty strong marketing in Isanti with values on the rise.

President Wimmer updated the EDA about the progress and methodology of the rate study. He indicated that he was hopeful that rates could be reduced but that more work was needed to be done before a clear picture of the impacts could be reached. He wanted to make sure the plan addressed

the issues now and provided a sustainable path into the future. He echoed the information in the Market report and indicated that values were indeed on the rise and that this was a good document to reference when speaking to taxpayers to show the trend.

Commissioner Lundeen warned against the volatility of the housing market. It said it has up and downs and is unpredictable. Right now it is very strong but it could change quickly. He also referenced the 2 new dental clinics in Cambridge and that we should try to get on here.

Commissioner Dragisich indicated the affordable housing is really the main driver for the investment in Isanti. Gas prices at current levels are helping matters

5. Adjournment

Lundeen motioned, seconded by Bergley to adjourn at 7:40 pm. Motion carried unanimously.

Dated at Isanti, Minnesota, this 2nd day of March, 2016.

Respectively Submitted,

Sean M. Sullivan, Economic Development Director

CITY OF ISANTI
PLANNING COMMISSION
MEETING MINUTES
MARCH 8, 2016

1. Meeting Opening.

A. Call to Order.

Cesafsky called the meeting to order at 7:00 p.m.

B. Pledge of Allegiance.

Everyone rose for the pledge of allegiance.

C. Roll Call.

Members Present: Greg Cesafsky, Paul Bergley, Steve Lundeen, Wayne Traver, and Jim Kennedy.

Members Absent: Jeff Duncan (provided prior notice) and Cindy Lind-Livingston (provided prior notice)

Staff Present: Community Development Director, Roxanne Achman

Others Present: None

D. Agenda Modifications.

Achman stated there were none.

2. Approval of Minutes from February 9, 2016 Planning Commission Meeting.

Cesafsky questioned if there were any comments or changes to the minutes.

Motion by Lundeen second by Bergley to approve the February 9th, 2016 Planning Commission Meeting Minutes. Motion was unanimously approved.

3. Public Hearings.

A. Request from Ron Stawski on behalf of Wintergreen's for a Conditional Use Permit to allow for outdoor volleyball courts on the property legally described as that part of Lot 2, Block 2, Credit Union Addition, lying south of the North 10 feet thereof, as measured at right angles to the north line of said Lot 2, Isanti County, Isanti, Minnesota.

Cesafsky read the item into the minutes.

Achman presented the staff memo.

Cesafsky opened the public hearing.

Bergley asked if the apartments were more than 350 feet away. Achman stated that they were.

Traver stated that the only business close would be the daycare and the lights shouldn't be an issue for them.

Lundeen stated the lights wouldn't be any different than the parking lot lights. Achman confirmed that the same lights that are in the parking lot will be used for the volleyball courts; however, there will be four on one post.

Bergley asked for confirmation that the lights would be hooded. Achman stated they would be. Bergley further described how the lights at Redbird Field tend to spread out all over the place and asked if the lights would be as high as those. Achman stated the lights would be as high as the ones currently in the Wintergreen's parking lot. Bergley asked of the hood on the lights would prevent the light from spilling out to other properties. Achman stated these lights are not like the globed lights without a hood that tend to spill light all over. The hood directs the light downward.

There was no one in the audience to speak on the item. Cesafsky closed public hearing.

Motion by Kennedy second by Lundeen to recommend approval of the request from Ron Stawski on behalf of Wintergreen's for a Conditional Use Permit to allow for outdoor volleyball courts on the property legally described as that part of Lot 2, Block 2, Credit Union Addition, lying south of the North 10 feet thereof, as measured at right angles to the north line of said Lot 2, Isanti County, Isanti, Minnesota. Motion carried unanimously.

4. Other Business.

A. Legal Issues for Planning Commissioners.

A 75 minute webinar offered through the American Planning Association was presented to the Planning Commission.

5. Discussion Items.

A. None.

6. Adjournment

Motion by Lundeen second by Bergley to adjourn the March 8th, 2016 meeting of the Planning Commission. Motion was unanimously approved.

The meeting adjourned at 8:21 p.m.

Dated at Isanti, Minnesota this 8th day of March 2016.

Respectfully submitted,

_____

Roxanne Achman, AICP
Community Development Director

RESOLUTION NO. 2016-XXX

RESOLUTION APPROVING COMMUNITY GARDEN VOLUNTEER POLICY

WHEREAS, the City of Isanti is opening a community garden in May 2016, and will thereafter be responsible for its maintenance; and,

WHEREAS, volunteer services may be available through the Isanti County Master Gardeners and other sources to assist with garden maintenance; and,

WHEREAS, a volunteer policy has been drafted for individual and group volunteers; and,

WHEREAS, DOAC has reviewed and approved the Community Garden Volunteer Policy and Application;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to hereby approve the Community Garden Volunteer Policy and Application.

City of Isanti: Community Garden Volunteer Policy

1. Individuals and groups may apply to volunteer at the Isanti Community Garden. The City of Isanti does not guarantee that there will be volunteer opportunities for all applicants and reserves the right to deny any application.
2. Seasonal volunteers agree to volunteer for at least 40 hours; one-time volunteer individuals or groups agree to volunteer for at least 5 hours.
3. Community Garden volunteers agree to follow all rules set for garden users and to uphold an inviting and respectful environment in the garden.
4. Volunteers must follow the direction of City Staff and comply with all City policies.
5. Most volunteer activities will occur during City business hours, unless other arrangements have been approved by City staff.
6. Volunteers should plan for activities including but not limited to: weeding, raking, watering, light maintenance/repairs, assisting gardeners, beginning of season set up, end of season take down. Note: volunteering for the community garden may be physically straining; however, requests for accommodations will be reviewed.

If there are questions or concerns regarding this policy or the application process, please contact Katie Everett, Community Events Manager and Parks Coordinator at (763) 444-5512 or via e-mail at isantiparks@cityofisanti.us

RESOLUTION NO. 2016-

Request for City Council Action

To: Mayor Wimmer and City Council Members

From: Sean M. Sullivan, Economic Development Director

Date: April 19, 2016

Subject: **Consider Resolution Authorizing the Execution of Repayment Agreement with Progressive Homes LLC for Lot 22, Block 1, Isanti Meadows**

On December 1, 2015, the City Council extended the SAC and WAC Deferral program as Resolution No. 2015-289 to help continue to spur development activity. Progressive Homes LLC has requested the City to execute a Repayment Agreement for Lot 22, Block 1, Isanti Meadows for the construction of a 1200 square foot single family residential home at 711 Hickory St SW. The business is in "good standing" upon review of the Minnesota Secretary of State Office as of April 13, 2016. The form of the Repayment Agreement is consistent with the form presented on December 1, 2015. The Repayment Agreement will be dated as of the date that the Building Permit is paid for by the Developer. Staff is asking the City Council to consider adoption of the attached resolution and execution of the Repayment Agreement.

City Council Action:

Consider Adoption of Resolution and Execution of Repayment Agreement

Attachments:

1) Resolution 2016-____ Authorization to Execute Repayment Agreement with Progressive homes LLC for Lot 22, Block 1, Isanti Meadows

RESOLUTION 2016-___

Authorization and Execution of Repayment Agreement with Progressive Homes LLC on Lot 22, Block 1, Isanti Meadows

WHEREAS, the City of Isanti extended the SAC and WAC Deferral program on December 1, 2015 which is documented by Resolution 2015-289; and

WHEREAS, A boiler plate Repayment Agreement was drafted by Development Attorney Deike and the City Council directed Staff to utilize this agreement for parties interested in SAC and WAC Deferral for commercial or residential development; and

WHEREAS, Progressive Homes LLC (the "Developer") has asked the City to enter into a Repayment Agreement for the property legally described as: Lot 22, Block 1, Isanti Meadows (the "Property"); and

WHEREAS, the Developer has stated the it will be the owner of the Property at the time of execution of the Repayment Agreement; and

WHEREAS, the date of the Repayment Agreement will be when the Developer signs prior to payment of the building permit; and

WHEREAS, the Developer is registered, active and is in good standing with the Minnesota Secretary of State Office as of April 13, 2016.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota authorized the Mayor and City Administrator to execute the Repayment Agreement attached hereto contingent upon satisfactory proof of ownership witnessed in a recorded instrument of conveyance to the Developer.

This Resolution hereby approved by the Isanti City Council this 19th day of April 2016.

Attest: Mayor George A. Wimmer

Donald C. Lorsung
City Administrator

(SEAL)

REPAYMENT AGREEMENT

THIS AGREEMENT, made on or as of the ____ day of April, 2016, by and between the City of Isanti, Minnesota, a statutory City under the laws of the state of Minnesota (hereinafter referred to as the "City") having its principal office at 110 First Avenue N.W., Isanti, Minnesota 55040, and Progressive Homes LLC, a limited liability company under the laws of the State of Minnesota (hereinafter referred to as the "Developer"), having its principal office at 16755 205th St N, Scandia, MN 55073.

WITNESSETH:

WHEREAS, the Developer intends to construct a 1200 square foot main floor single family home (the "Improvements") on certain real property (the "Property") in the City; and

WHEREAS, in connection with the construction of the Improvements there are certain water and sanitary sewer charges that are payable by the Developer to the City; and

WHEREAS, the Developer has demonstrated to the satisfaction of the City that the Developer is unable to pay the full amount of the charges now and has asked the City to defer such charges and make them payable at a future point in time; and

WHEREAS, the City believes that the development of the Improvements by the Developer is in the best interests of the City and, therefore, it is willing to defer the charges if doing so will facilitate the development and viability of the Improvements.

NOW, THEREFORE, in consideration of the premises and the mutual obligations of the parties hereto, each of them does hereby covenant and agree with the other as follows:

ARTICLE I

Definitions

Section 1.1. Definitions. In this Agreement, unless a different meaning clearly appears from the context:

"Agreement" means this Agreement, as the same may be from time to time modified, amended, or supplemented.

"City" means the City of Isanti, Minnesota, its successors and assigns.

"County" means Isanti County, Minnesota.

"Deferred Charges" means the utility charges described in Section 3.1 of this Agreement being deferred by the City and which the Developer is obligated to pay in accordance with this Agreement.

"Developer" means Progressive Homes LLC., a Minnesota limited liability company, its successors and assigns.

"Event of Default" means an action by the Developer listed in Article IV of this Agreement.

"Improvements" means the 1200 square foot main floor single family home to be constructed by the Developer on the Property.

"Property" means the real property described on the attached Schedule A to this Agreement.

"State" means the State of Minnesota.

ARTICLE II

Representations

Section 2.1. Representations by the City. The City makes the following representations as the basis for the undertaking on its part herein contained:

(a) The City is a statutory city duly organized and existing under the laws of the State. Under State law, the City has the power to enter into this Agreement and to perform its obligations hereunder.

Section 2.2. Representations by the Developer. The Developer represents that:

(a) The Developer is a limited liability company duly organized and authorized to transact business in the State, is not in violation of any provisions of its Bylaws or the laws of the State, has power to enter into this Agreement and has duly authorized the execution, delivery and performance of this Agreement by proper action of its President.

ARTICLE III

Deferred Charges

Section 3.1. Deferred Charges. The Developer owes to the City the sum of **$7,983.00** in deferred utility charges. The Deferred Charges consist of **$3,677.00** in Water Connection Charges and **$4,306.00** in Sewer Connection Charges. The City has agreed to defer the payment of the Deferred Charges as described in this Agreement.

Section 3.2. Payment of the Deferred Charges. The Developer agrees that it will pay the Deferred Charges to the City on the earliest to occur of the following:

(a) on the date that is one hundred and twenty (120) days after the date of this Agreement;

(b) on the date that the Developer sells or transfers the Property or Improvements, or any portion thereof; or

(c) on the date that the City issues a certificate of occupancy for the Improvements.

Interest shall accrue on the Deferred Charges at the rate of zero percent (0%) from the date hereof and continuing until the Deferred Charges and all accrued interest have been paid in full.

Section 3.3. Payment of Costs. The Developer shall pay all costs incurred by the City in connection with the preparation and implementation of this Agreement and related documents, including, without limitation, fees of attorneys related the preparation of this Agreement and related documents, if the Developer fails to complete construction of the Improvements within one hundred and twenty (120) days after the date of this Agreement.

ARTICLE IV

Events of Default

Section 4.1. Events of Default Defined. The following shall be "Events of Default" under this Agreement and the term "Event of Default" shall mean, whenever it is used in this Agreement (unless the context otherwise provides), any one or more of the following events:

(a) Failure by the Developer to pay when due any payments required to be paid under this Agreement.

(b) The Developer of the following: (i) file any petition in bankruptcy or for any reorganization, arrangement, composition, readjustment, liquidation, dissolution, or similar relief under United States Bankruptcy Laws or any similar Federal or State Laws; or (ii) make an assignment for the benefit of its creditors; or (iii) admits, in writing, its inability to pay its debts generally as they become due; or (iv) be adjudicated, bankrupt or insolvent.

Section 4.2. City's Remedies on Default. Whenever any Event of Default by Developer referred to in Section 4.1 of this Agreement occurs, the City may take any one or more of the following actions after providing ten (10) days written notice to the Developer of the Event of Default, but only if the Event of Default has not been cured within said ten (10) days:

(a) Declare the entire outstanding balance of the Deferred Charges immediately due and payable.

(b) Terminate this Agreement.

(c) Take whatever action, including legal, equitable or administrative action, which may appear necessary or desirable to the City to collect any payments due under this Agreement, or to enforce performance and observance of any obligation, agreement, or covenant of the Developer under this Agreement.

Section 4.3. No Remedy Exclusive. No remedy herein conferred upon or reserved to the City or Developer is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Agreement or now or hereafter existing at law or in equity or by statute. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the City or the Developer to exercise any remedy reserved to it, it shall not be necessary to give notice, other than such notice as may be required in this Article IV.

Section 4.4. No Additional Waiver Implied by One Waiver. In the event any agreement contained in this Agreement should be breached by either party and thereafter waived by the other party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other concurrent, previous or subsequent breach hereunder.

Section 4.5. Costs of Enforcement. Whenever any Event of Default occurs and the City shall employ attorneys or incur other expenses for the collection of payments due or to become due or for the enforcement of performance or observance of any obligation or agreement on the part of the Developer under this Agreement, the Developer agrees that it shall, within ten (10) days of written demand by the City, pay to the City the reasonable fees of such attorneys and such other expenses so incurred by the City.

ARTICLE V

Additional Provisions

Section 5.1. Representatives Not Individually Liable. No member, official, or employee of the City shall be personally liable to the Developer, or any successor in interest, in the event of any default or breach or for any amount which may become due to Developer or successor in interest or on any obligations under the terms of this Agreement.

Section 5.2. Titles of Articles and Sections. Any titles of the several parts, Articles, and Sections of the Agreement are inserted for convenience of reference only and shall be disregarded in construing or interpreting any of its provisions.

Section 5.3. Notices and Demands. Except as otherwise expressly provided in this Agreement, a notice, demand, or other communication under the Agreement by either party to the other shall be sufficiently given or delivered if it is dispatched by registered or certified mail, postage prepaid, return receipt requested, or delivered personally; and

(a) in the case of the Developer, is addressed to or delivered personally to Progressive Homes LLC at 16755 205th St N, Scandia, MN 55073; and

(b) in the case of the City, is addressed to or delivered personally to the City at 110 First Avenue N.W., P.O. Box 428, Isanti, Minnesota 55040,

or at such other address with respect to either such party as that party may, from time to time, designate in writing and forward to the other as provided in this Section.

Section 5.4. Disclaimer of Relationships. The Developer acknowledges that nothing contained in this Agreement nor any act by the City or the Developer shall be deemed or construed by the Developer or by any third person to create any relationship of third-party beneficiary, principal and agent, limited or general partner, or joint venture between the City and the Developer or any third party.

Section 5.5. Modifications. This Agreement may be modified solely through written amendments hereto executed by the Developer and the City.

Section 5.6. Counterparts. This Agreement may be executed in any number of counterparts, each of which shall constitute one and the same instrument.

Section 5.7. Judicial Interpretation. Should any provision of this Agreement require judicial interpretation, the court interpreting or construing the same shall not apply a presumption that the terms hereof shall be more strictly construed against one party by reason of the rule of construction that a document is to be construed more strictly against the party who itself or through its agent or attorney prepared the same, it being agreed that the agents and attorneys of both parties have participated in the preparation hereof.

IN WITNESS WHEREOF, the City has caused this Agreement to be duly executed in its name and behalf and the Developer has caused this Agreement to be duly executed in its name and behalf on or as of the date first above written.

From: Roxanne Achman, Community Development Director

Date: April 19, 2016

Subject: Parking Exemption on Oakwood St NE

Background

The Coborn's Project Superintendent is requesting to be exempt from the "No Parking" restriction on Oakwood St NE from April 18, 2016 to June 1, 2016. Workers are unable to park on-site during this time period as this is when sewer, water and the parking lot will be installed on site.

There is no on-street parking on 6th Ave NE, Oakwood St NE and Broadway St SE, leaving little, to no options for alternate parking near the site. Oakwood St NE is a cul-de-sac with no access point on it to abutting properties, making it the most reasonable nearby street to grant a temporary parking exemption to. The Project Superintendent estimates up to 20 vehicles may be parked along Oakwood St NE during the temporary exemption period.

Attachments:

- Resolution 2016-XXX
- Request from Jeremy Scheeler, Coborn's Project Superintendent, email dated April 8, 2016

RESOLUTION NO. 2016-XXX

A RESOLUTION APPROVING A PARKING EXEMPTION ALONG OAKWOOD STREET NORTHEAST

WHEREAS, the construction plans for 6th Ave NE, Oakwood St NE and Broadway St SE indicate no parking on either side of the street east of Highway 65 and south of Heritage Boulevard; and,

WHEREAS, the City recognizes that there may limited times that exemptions from the parking requirements may be reasonably necessary; and,

WHEREAS, the construction of the Coborn's grocery store requires off-site parking for a limited time due to construction activities prohibiting on-site parking; and,

WHEREAS, the Coborn's Project Superintendent is requesting an exemption from the "No Parking" restriction on Oakwood St NE for employee parking from April 20, 2016 to June 1, 2016; and,

WHEREAS, Oakwood St NE ends in a cul-de-sac and does not have any existing access points to properties abutting it which will limit any traffic concerns; and,

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City Of Isanti, Minnesota hereby grants an exemption to the "No Parking" restriction on Oakwood St NE from April 20, 2016 to June 1, 2016 for employees working on the Coborn's grocery store project.

This resolution was duly adopted by the Isanti City Council this 19th day of April 2016.

Subject: Re: Parking

Dear Counsel member,

My name is Jeremy Scheeler and I am with Rice Companies. As you have seen I'm sure we are building the new Coborns off Highway 65 and we are going to start our site utilities and bringing the site up to grade. My question for you is can we have workers park on Oakwood St. form 4/18 to 6/1 while we are bringing to site up to grade and getting ready for the parking lot? This may be long than we need and we will park on our lot ASAP.

Thank you for you time!

> As you know, Nick is out at a conference today, so I am trying to work through a few of the items with the Coborn's project. I understand you are wondering if parking would be permitted within the Oakwood St cul-de-sac. I will have to verify that the police and public works see no issues with this, however, can you provide me with a little more detail? Will parking occur only during the day (not overnight)? How many days will you need to park in this area? I haven't been out there, so I don't know for sure, but is parking prohibited just on one side of the street, or both? Feel free to give me a call if you'd rather speak over the phone.

MEMORANDUM

Date: April 4, 2016

To: Honorable Mayor Wimmer and Members of the City Council
City of Isanti

From: Bradley C. DeWolf, P.E.
City Engineer

Subject: Isanti Middle School – Utility Easement Agreement
Isanti, Minnesota

We have evaluated options to supply a secondary source of water to the Isanti Middle School, Oakwood Estates apartment complex and the City's main lift station site. A watermain loop connecting the watermain in Wendover Street NW, north of Heritage Boulevard, to the watermain at the Isanti Middle School has been determined to be the most cost effective option. This loop will prevent future water shutdowns in this area should a watermain break occur in the future. The proposed project should improve the available flow to the school and apartments as well.

In order to install this line, the City needs to obtain a utility easement over the new watermain from the Cambridge-Isanti School District. We have contacted the School District and they have agreed to this easement at no cost to the City.

Attached is the proposed utility easement exhibit.

The schedule is set to have the entire project completed this summer, after the regular school year ends and prior to the beginning of the new school year.

Please contact me if you have any questions.

DESIGNING FOR A BETTER TOMORROW
Bolton & Menk is an equal opportunity employer

RESOLUTION NO. 2016-XXX

A RESOLUTION AUTHORIZING THE ACQUISITION OF A UTILITY EASEMENT FOR PLACEMENT OF A WATERMAIN ON PROPERTY OWNED BY THE CAMBRIDGE-ISANTI SCHOOL DISTRICT

WHEREAS, the City Council passed Resolution No. 2016-063 approving plans for the school watermain loop; and,

WHEREAS, the most effective route for placement of the watermain loop involved connecting the watermain in Wendover Street NW, north of Heritage Boulevard, to the watermain at the Isanti Middle School; and,

WHEREAS, the City of Isanti requested a utility easement from the Cambridge-Isanti School District for the placement of the watermain on their property; and,

WHEREAS, the Cambridge-Isanti School Board held their regularly scheduled meeting on March 24, 2016 where the School Board granted a utility easement to the City for said purpose as set forth in the minutes as attached and depicted in the attached easement exhibit with the understanding that there shall be no cost to the City for said utility easement; and,

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City Of Isanti, Minnesota hereby authorize the acquisition of a utility easement from the Cambridge-Isanti School District for placement of a watermain as a secondary source of water to said area; and,

BE IT FURTHER RESOLVED by the City Council of the City of Isanti, Minnesota hereby that the Mayor and City Administrator are hereby authorized and directed to sign all easement related documents for the acquisition of said utility easement.

This resolution was duly adopted by the Isanti City Council this 19th day of April 2016.

  - Communications: CAC met on March 21s social med training of Sch l's Facebook and Twitter page was held with principals on M h 15th. Th training will continue forward on a one-to-one basis. Eventually this will be integr d with t mobile app; stakeholder survey planning is underway.

- Human Reso ces hand out ocu ent wit the following updates:
  - Director Admin. S vice nd HR, Julia Lines, did a Supershadow with ABM Jennifer Dewey at S. Ms. L es jo d Ms. Dewey in many classrooms enjoying different activities with student nd staf "You can really tell RRS cares about their students," she said.
  - The Policy R iew Committee and the School Board have approved updates to 72 of the 177 policies for our district hoping to finish all of them over the next year.
  - STAR reporting will be completed in April. Data is collected and shared with MDE in regards to our licensed and non-licensed staff and stored via the Minnesota Department of Education. Principals are collecting data to determine staff need for the 2016-2017 school year.

- Teaching and Learning distributed a document on the following updates:
  - American Indian Advisory Board met on February 23rd.
  - DILT team met on March 2nd discussing the role of the committee.
  - Mr. Winters shared the wonderful opportunity to serve Green Eggs and Ham at CPS.
  - Last Leadership Academy at Resource Training and Solutions was held in April.
  - Summer planning taking place at ECMECC CIPD (Curriculum Integration and Professional Development Committee). Lake EMECC will be held this year at C-I Schools with Cambridge-Isanti High School hosting.
  - March 11th in-service a huge success.
  - Mr. Winters attended the MAESEP Conference. C-I Schools was very well represented with Rob Swanson, Patrick Marrow and Kristin Daniels presenting on Professional Development.
  - Technology is working on the following:
    - District Website

DRAFT

- State Testing Preparation. WIDA for ELL students will use Chromebooks this year. MCA testing starting in April via computer lab and Chromebooks.
- Collecting bids for infrastructure upgrade at middle schools
- TILT – Members are learning different components of technology to bring back to the buildings.
- Tech Tickets – Katie Casey and Katie Jo Maagard have used theirs.
- Patrick Morrow has developed Google sheets for standards prioritization.
- Blended Learning Think Tanks – Meetings held to discuss strengths, concerns and modifications of plan. Will have more information in April.

Superintendent Dr. Queener shared with the school board the following:

- Dr. Queener gave an update on the Director of Transportation position. Kerri Schibilla will be stepping into the role temporarily until April 29th. There will be first round pre-screening interviews for the position on Thursday, March 31st.
- SEE day at the Capital is April 6 and Dr. Queener along with 4 parents from the PAC team will be attending. Kim will send out information on date and time and when leaving Cambridge to school board members in case anyone is interested in attending.
- 2016 Legislation is in full swing. Lots of discussion is taking place at the Governor's budget is attached in your agenda and in its final stages. More will be coming as continued developments arise.
- Cambridge is doing a community book read "A Man Called Ove." The group is meeting at different locations to discuss the novel and share detail throughout the months of April and May.
- Hwy. 95 Task Force has been meeting about the expansion of Hwy. 95, downtown Cambridge. Please go to the City of Cambridge website for updates and project information.
- Dr. Queener expressed his gratitude about the March 11th in-service. He thanked all those who helped in putting the professional development day together and making it a huge success.
- Dr. Queener thanked Dan Mau on his detailed work in putting the Business Advisory Committee together. The committee consists of community members who will help in refining experiences in careers and mentorship for our students in order to prepare them for success beyond high school.
- Dr. Queener attended the CPS Green Eggs and Ham breakfast. Great to see all the staff, students and families come together at this annual event.
- On February 23rd, Dr. Queener Supershadowed Dawn Doyle, Academic Interventionist at CPS. She is amazing. He got to participate in activities that included Sea Slide, Mental Math, and What Makes 10. He learned about intervention strategy and received thank you notes from all the students in her class.
- "Let's Talk About It" is a community program developed by SAVE (Suicide Awareness Voices of Education) that was held at CIHS on March 2nd. Dan Reidenberg, along with a youth panel and adult panel of community experts spoke on suicide prevention. Over 400 people attended the event.
- On March 31st, Dr. Queener, along with students from CIHS will be presenting to the Minnesota Design Team their vision and information on the school district and the community 5-10 years into the future. They will be presenting at 8:30 a.m. More information can be found at the City's website.
- Dollars for Scholars Phon-A-Thon will be held on April 4th and 5th with hopes to collect approximately $20,000 in pledges for scholarships from local community members.

Director of Admin Services and HR, Julia Lines, explained to the board the changes on Policy #406 – Public and Private Personnel Data. This policy will come up for approval at next school board meeting.

DRAFT

Director of Admin Services and HR, Julia Lines, explained to the board the changes on Policy #417 – Chemical Use and Abuse (Annual Mandatory Review). This policy will come up for approval at next school board meeting.

Director of Admin Services and HR, Julia Lines, explained to the board the changes on Policy #430 – Staff Leaves and Absences. This policy will come up for approval at next school board meeting.

Motion made Lynn Wedlund, seconded by Gary Hawkins to approve the consent agenda. Motion carried unanimously.

Heidi Sprandel met with Director of Finance and Operations, Kris Crocker, to discuss Cambridge-Isanti Schools' financials and everything looks good. Motion made by Gary Hawkins, seconded by Tim Hitchings to approve the Treasurer's Report subject to audit. Motion carried unanimously.

Kris Crocker read the resolution on gifts and donations and shared with the board the list of donors, nature of gift and amount of donation *(list is in board agenda)*. Motion made by Kyle Johnson, seconded by Heidi Sprandel to adopt the Resolution on Gifts and Donations to accept gifts, grants or devise of real or personal property. Roll call vote was taken: Lynn Wedlund, yes; Gary Hawkins, yes; Tim Hitchings, yes; Kyle Johnson, yes; Heidi Sprandel, yes. Absent: Jenni Caulk and Darcy Winsor. Against: None. Whereupon said resolution was declared duly passed and adopted.

Kris Crocker, Director of Finance and Operations, presented to the board a PowerPoint explaining the recommendations and dollars needed for the General Fund budget assumptions and priorities for the 2016-2017 school year. Motion made by Lynn Wedlund, seconded by Heidi Sprandel to approve the 2016-2017 Preliminary Budget Assumptions with a final Preliminary Budget coming to the board in June. Motion carried unanimously.

Motion made by Kyle Johnson, seconded by Heidi Sprandel to adopt the Resolution Full Parameter Crossover Refunding Series 2016D Bonds. Ms. Crocker distributed a handout, Revised Pre-Sale Report to the board and was joined by Ehlers representatives, Andrea Uhl and Joel Sutter. They shared with the board the change in moving to the full parameter refunding resolution and giving the authority to Ms. Crocker and one school board member to accept bids on Tuesday, March 29th at the opening bid of the Series 2016D bonds. Roll call vote was taken: Lynn Wedlund, yes; Gary Hawkins, yes; Tim Hitchings, yes; Kyle Johnson, yes; Heidi Sprandel, yes. Absent: Jenni Caulk and Darcy Winsor. Against: None. Whereupon said resolution was declared duly passed and adopted.

Motion made by Gary Hawkins, seconded by Lynn Wedlund to adopt the Resolution on Parent Advisory Committee for American Indian Education. There are approximately 62 students in the Cambridge-Isanti Schools who would access this education. Next week there will be a meeting with the Mille Lacs Band Indians and a liaison to further the process. Revenue at this time is $35,000. Roll call vote was taken: Lynn Wedlund, yes; Gary Hawkins, yes; Tim Hitchings, yes; Kyle Johnson, yes; Heidi Sprandel, yes. Absent: Jenni Caulk and Darcy Winsor. Against: None. Whereupon said resolution was declared duly passed and adopted.

Motion made by Heidi Sprandel, seconded by Kyle Johnson to approve the Washington D. C. Trip for IMS and CMS occurring March 31st to April 2nd, 2016. Sixty students will be attending this trip. Total cost per student is $1,200 with some of the cost of the trip paid through fundraising and the balance paid for by families. Motion carried unanimously.

Motion made by Kyle Johnson, seconded by Gary Hawkins to approve the College Biology Trip to Ecuador and the Galapagos Islands in June, 2017. Currently twelve students are registered to attend this trip. Total cost per student is $3,500 with some of the cost of the trip paid through fundraising and the balance paid for by families. Motion carried unanimously.

DRAFT

Motion made by Lynn Wedlund, seconded by Gary Hawkins to approve the Request for membership into the International Thespian Society. This society allows recognition of students who have met certain requirements that are involved in theatre within the district. Motion carried unanimously.

Motion made by Gary Hawkins, seconded by Tim Hitchings to approve the Quality Compensation Letter of Intent for Q-Comp. This letter is needed to begin the process of application. The proposal/plan will need to be submitted by the May 15th deadline. Motion carried unanimously.

Motion made by Gary Hawkins, seconded by Tim Hitchings to approve the Negotiated Administrative Assistant Contract for 2015-2017. Motion carried unanimously. Mr. Hitchings thanked the administrative assistants for participation in the negotiation process.

Motion made by Lynn Wedlund, seconded by Gary Hawkins to approve the Memorandum of Understanding for Kerry Schibilla for Interim Director of Transportation from March 4th, to April 29th, 2016. Motion carried unanimously.

Motion made by Heidi Sprandel, seconded by Gary Hawkins to adopt the Resolution Relating to the Proposed Expulsion of a student. Roll call vote was taken: Lynn Wedlund, yes; Gary Hawkins, yes; Tim Hitchings, yes; Kyle Johnson, yes; Heidi Sprandel, yes. Absent: Jenni Caulk and Darcy Winsor. Against: None. Whereupon said resolution was declared duly passed and adopted.

Motion made by Heidi Sprandel, seconded by Kyle Johnson to approve the Withdrawal Agreement of a Student. Motion carried unanimously.

Motion made by Lynn Wedlund, seconded by Heidi Sprandel to approve Policy #401 – Equal Employment Opportunity. Motion carried unanimously.

Motion made by Gary Hawkins, seconded by Tim Hitchings to approve Policy #429 – Professional Staff (Teachers), Personnel Staff (Support Staff) Recruiting, Hiring, Assignment, Transfer and Evaluation. Motion carried unanimously.

Motion made by Heidi Sprandel, seconded by Lynn Wedlund to approve Policy #532 – Use of Peace Officer and Crisis Teams to Remove Students with IEPs from School Grounds. Motion carried unanimously.

Motion made by Heidi Sprandel, seconded by Kyle Johnson to approve the City of Isanti Easement Limited Warranty Deed. The deed will accept the proposed plan from the City of Isanti to install a new water main loop, connecting to the existing waterman, to supply a secondary source of water to Isanti Middle school to prevent future water shutdowns should a water main break in the future. This will be at no cost to the district. Motion carried unanimously.

Motion made by Heidi Sprandel, seconded by Kyle Johnson to adjourn meeting at 8:47 p.m. Motion carried unanimously.

Members of the City Council

From: Roxanne Achman, Community Development Director

Date: April 19, 2016

Subject: Nuisance Weed/Grass Abatement – Quote for Service

Background

The City received 5 quotes for 2016 nuisance residential and large tract weed/grass abatement (lot mowing). Staff evaluated the two lowest quotes for residential mowing. After the evaluation, the low quote for residential abatement this year was submitted by Cory's Complete, LLC. The quote is for $32.00 per residential lot mowed and a $5.00 mobilization charge. The low quote for large tract abatement was submitted by North Country Lawn Care Inc. The quote received was a $50.00 base fee charge that includes the first hour of mowing, plus $25.00 per additional hour after the first hour of mowing.

The specifications allow awarding residential and large tract abatement work to separate qualified contractors. Attached is a summation of the quotes received. A provision is included in the resolution that should the contractor awarded not perform in accordance with the contract; staff has the authority to offer the services to the next lowest quoter.

Staff further recommends that the 2016 fee to be charged for properties abated using a private vendor would be the actual cost charged by the vendor to the City for the service and the $25.00 administrative charge as designated in the City Fee Schedule.

RESOLUTION NO. 2016-

RESOLUTION AWARDING QUOTE FOR OUTSOURCING THE MOWING OF NUISANCE WEED/GRASS ABATEMENT LOTS

WHEREAS, the City of Isanti has determined that is in the City's best interest of the City to accept quotes for the outsourcing of mowing services for nuisance weed/grass abatement lots located within the city; and

WHEREAS, a request for quotes for the services was published in the City's official newspaper; and

WHEREAS, quotes were received and a tally of the quotes is provided on the attached 'Exhibit A';

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota as follows:

1. To hereby award the low quote for mowing services for nuisance residential weed/grass abatement lots as provided within the specifications so posted and published to **Cory's Complete, LLC** for the 2016 mowing season.
2. To hereby award the low quote for mowing services for nuisance large tract weed/grass abatement as provided within the specifications so posted and published to **North Country Lawn Care Inc.** for the 2016 mowing season.
3. That **Cory's Complete, LLC** and **North Country Lawn Care Inc.** provides a Certificate of Compliance as required under the Minnesota Workers' Compensation Law (if required).
4. That **Cory's Complete, LLC** and **North Country Lawn Care Inc.** provides a copy of their liability insurance and names the City as an 'additional insured'.
5. That the quotations as signed by the vendors for the 2016 Growing Season constitutes a contract with the City of Isanti for said services.
6. That City staff is authorized to charge the administrative fee for billing of properties abated as designated in the City Fee Schedule; with the administrative fee, rate charge and any applicable sales tax charged to the responsible party.

FURTHERMORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota that in the event that it is determined that **the Contractors** do not perform in accordance with this resolution, the specifications and the contract entered into; Staff has the authority to offer to said services to the next lowest quoter, as per quotes provided to the City of Isanti.

This resolution was duly adopted by the Isanti City Council this 19th day of April 2016.

2016 REQUEST FOR QUOTATION
For Nuisance Weed Abatement on Private Property

Company Name/Address:

_____

_____

_____

_____

Telephone Number:

( ) _____

Quotations will be received until 1:00 p.m. on Wednesday, April 6, 2016.
Quotations are requested from commercial mowing firms for furnishing labor and equipment for the abatement/cutting of weeds and tall grass on developed and vacant residential lots within the City of Isanti. Also requested is a base fee plus an hourly mowing rate for large tracts. The City reserves the right to consider the large tract rate fee quote separately from the residential lot mowing fee quote. The properties for which services are being requested will be in violation of the City's weed nuisance ordinance. Generally grass and weeds will be 8" or more in height. The City reserves the right to accept or reject quotes received for these services.

THIS CONTRACT IS FOR THE 2016 GROWING SEASON.

****

Requirements – Minimum:

A. Performance

- The cost per site will include the following: mowing and trimming around structures, posts, fences and objects. Ancillary clearing of loose paper/cardboard debris prior to mowing. Care shall be taken not to damage trees and shrubs.
- Areas must be cut within two working days of date of City request via e-mail Note: There will be a $25 penalty fee for each site not mowed within the two working days (week days), unless there is approval by the Public Works Director to extend this period due to weather or extenuating circumstances.
- In the event the selected contractor cannot mow in the time specified, the City has the right to contact alternate mowing contractors to perform the work.
- Streets, sidewalks and driveways must be free of cutting debris. Bagging and removal of clippings is not required.
- Weeds and grass must be cut and trimmed to 3" height.
- Insurance – must carry a $1 million liability coverage policy and workers compensation insurance (if required). A certificate of insurance with the City of Isanti named as an additional insured will be required. Service providers shall meet all City requirements prior to providing services to the City.

- In the event of non-performance or at the City's discretion, services from the vendor may be terminated by written notice from the City.
- Regarding Large Lot mowing, a 50 foot perimeter is to be mowed around the property where it abuts a street or property line of a developed area. The contractor must have equipment capable of mowing rough larger multi-acre areas. These areas may have weeds, brush and small trees (up to 2 inches) that will need to be removed. It is the contractor's responsibility to check areas prior to mowing for rocks and debris that may damage their equipment. Care should be taken not to mow over the extension of water curb boxes, wood stakes or other property markers. The Contractor should consult with City officials concerning whether only perimeter mowing of the areas is required or if the entire site needs to be mowed.
- Mowing contractors must be available for the entire mowing season which could start as early as April and extend as late as the end of October.
- The selected mowing contractor will meet with City staff prior to the start of the mowing season and shortly after mowing has started to ensure an efficient process.

B. Communication and Billing

- The City will e-mail the address of lots/sites that will require mowing to the contractor.
- The contractor will have two full business days after the date the e-mail is sent to complete the work.
- Once the work is completed on a property, the contractor will notify the City by e-mail that the service has been completed (on the day of service).
- Invoices must be submitted for payment with specific dates that services were performed. At the end of each month, the contractor will submit a statement reflecting all invoices previously submitted for payment. Payment will only be made from invoices.

C. Equipment Required: Please list this equipment below.

- Commercial grade self-propelled walk or rider mower and weed trimmers.
- For Large Lot Mowing – commercial grade equipment capable of mowing rough areas, brush and small trees.

RE: Award Quote and Contract for Refuse Services

A request for quotes was placed in the official newspaper and posted for refuse collection services for the City. The service period is for two years; from June 1, 2016 through May 31, 2018.

Two quotes were received for the service, one from ACE Solid Waste and one from East Central Sanitation. East Central Sanitation's quote came in at $315 /month for all services, $ 175 per roll-off box for Clean-up Day and no charge for park containers and containers for city events. ACE Solid Waste's quote came in at $ 367 /month for all services and they quoted $ 84 /month for park containers, $ 200 per roll off box for Clean-up Days; and $ 5.00 for each container/trash can for city events.

In review of the quotes received, staff recommends awarding the refuse service to East Central Sanitation and to authorize entering into a two-year contract for refuse services. Attached is a resolution and contract for your consideration.

RESOLUTION NO. 2016-

A RESOLUTION AWARDING QUOTE AND AUTHORIZE ENTERING INTO A TWO YEAR CONTRACT FOR REFUSE SERVICE

WHEREAS, the City of Isanti has determined that it is in the City's best interest to seek quotes for refuse services for the Isanti Municipal Facilities, and

WHEREAS, quotes were received as follows:

Quoter	**Quote Amount**
East Central Sanitation	$315.00/mo base quote Additional: Park Containers - $0.00/no charge Park Recycling Containers - $0.00/no charge Clean-up Day: roll-off/s, labor, dumping fees – $175 per roll off Additional Services/City Events per container – $0.00/ no charge container/can
ACE Solid Waste	$367.00/mo base quote Additional: Park Containers – $84.00/mo Park Recycling Containers - $56.00/mo Clean-up Day: roll-off/s, labor, dumping fees - $200 per roll off Additional Services/City Events per container – $5.00/container/can
Two quotes were received	

NOW THEREFORE BE IT RESOLVED by the City Council of the City of Isanti, Minnesota as follows:

1. That the City Council awards the quote to East Central Sanitation as the most responsible quoter for the base quote amount of $315.00 per month, $175.00 per roll off container for City Clean-up Day and a $0.00 'no charge' for the additional quoted items as stated in the above quote tabulation.

2. That the City Administrator is hereby authorized to enter into a two year contract with East Central Sanitation for the provision of refuse services to the Isanti Municipal Facilities for a two year period from June 1, 2016 to May 31, 2018.

3. That a copy of the said contract be attached to this resolution including the responsibilities of both parties for the refuse service.

This resolution was duly adopted by the Isanti City Council this 19st day of April 2016.

Attested:

Mayor George A. Wimmer

Donald C. Lorsung
City Administrator

(SEAL)

CITY OF ISANTI

CONTRACT FOR REFUSE SERVICES

This agreement is made as of the ____ day of April, 2016, between the City of Isanti, a Minnesota Municipal Corporation **("City")**, and East Central Sanitation **("Contractor")**. The **City** and the **Contractor** agree as follows:

SECTION 1. PURPOSE

The purpose of this agreement is to establish a standardized refuse service collection procedure for the Isanti Municipal facilities.

SECTION 2. SERVICES TO BE PERFORMED

A. The **Contractor** shall collect all refuse materials from the municipal facilities listed on Appendix A. The collection shall be on an as needed basis and from the designated containers.

B. The **Contractor** shall not be required to make regular collections on State of Minnesota legal holidays; provided, however, that collection shall occur on the routes reasonably in advance thereof or thereafter as the **City** and **Contractor** may agree so that the schedule can be completed regardless of a holiday.

C. The **Contractor** shall provide the following equipment and labor annually for the City Clean-up day:

1. Two (2) roll-off boxes or equivalent of a size adequate for the intended purpose and dumping fees for collected materials.

2. All required labor for removal of materials collected.

3. Trucking services for the delivery and removal of the roll-off boxes.

The **City**, with the cooperation of the **Contractor**, shall provide a system for the collection of any necessary special fees associated with the collection and disposal of problem materials at the clean-up day (i.e. tires, appliances, fluorescent bulbs).

SECTION 3. TERM OF CONTRACT

A. The term of this **Contract** shall be June 1, 2016 through May 31, 2018.

SECTION 4. PREPARATION FOR COLLECTION

A. All occupants of municipal properties will be directed to prepare and store refuse materials in containers provided by the **Contractor**.

SECTION 5. CONTRACTOR'S EQUIPMENT

A. All vehicles used by the **Contractor** in picking up the materials from the municipal properties shall be painted and marked uniformly and shall be identified on both sides of the cab. Broom and shovel in good usable condition shall be placed and maintained on each vehicle.

B. The **Contractor** shall make all collections of materials in vehicles with closed tops on the load portion so that contents will not spill or leak. All of the **Contractor's** receptacles and vehicles shall be kept clean and as free from offensive odors as possible and shall not be allowed to stand in any street or other place longer than is reasonably necessary to collect materials.

C. The **Contractor** shall keep all equipment used in the performance of the work required by this **Contract** in good operating condition and in a clean, sanitary condition and shall thoroughly wash each vehicle as least twice each month or before each semi-monthly collection unless the same has not been used since the last washing. All of the **Contractor's** equipment is subject to periodic inspection by the **City**.

SECTION 6. CONTRACTOR'S OPERATIONS

A. The **Contractor** shall establish and maintain, in a location approved by the City Administrator, an office staffed and capable of accepting complaints and customer calls. The office shall be in service during the hours of 8:00 a.m. and 5:00 p.m. on all days of collection as specified herein. The address and telephone number of the office shall be given to the **City** in writing. Any changes in address and telephone number of the office shall be given to the **City** in writing at least ten (10) working days prior to such change.

B. Complaints on service will be taken and collected by the **City** in addition to those received at the **Contractor's** office. The **City** will notify the **Contractor** of all complaints it receives. The **Contractor** is responsible for all corrective actions. A record of all such complaints and the action taken thereon shall be kept by the **Contractor** and reported monthly to the City Administrator. All complaints shall be answered by the **Contractor** courteously and promptly.

C. The **City** shall notify the **Contractor** by 12:00 noon on the day following the scheduled pick-up of any missed stops. The **contractor** is required to service such locations before 5:00 p.m. on the date of notification.

D. The **Contractor's** employees shall handle all containers with reasonable care to avoid damage, shall replace all containers in an upright position and shall immediately clean up and dispose of any materials which may have fallen out of a container.

E. The performance of the **Contract** shall be done by the **Contractor** with forces which are adequate to insure the satisfactory collection and disposal of the materials at all times. **Contractor's** failure to perform shall not be excused by adverse conditions of weather, breakdown and similar hindrances, which on other work might be regarded as "acts of providence".

F. The **Contractor** shall certify that any materials collected specially for recycling are delivered to a recycling processing center. Materials, specifically intended to be recycled, found to be landfilled will be in violation of the **Contract** and shall be grounds for termination of the **Contract**.

SECTION 7. COMPENSATION

The **City** will compensate the **Contractor** for the collection of refuse and recycling materials from City facilities a sum of ***$ 315.00*** plus tax per month during the life of the Contract; and the **City** shall compensate the **Contractor** fees in the amount listed on their Refuse Services Bid Sheet (See Attached) for Parks, Clean Up Day, and Additional Services/City Events. There shall be no additional fees for roll offs, labor, and dumping fees for the spring clean-up day (as provided in the specifications).

SECTION 8. LIABILITY INSURANCE / INDEMNIFICATION

The **Contractor** shall indemnify and hold harmless the **City** and its officers, agents and employees from and against all claims, damages, losses or expenses, including attorney fees, for which it may be held liable, arising out of or resulting from the assertion against them of any claims, debts or obligations in consequence of the performance of this **Contract** by the **Contractor**, its employees, agents or subcontractors. **Contractor** will carry, for the duration of this Agreement, liability insurance coverage and shall provide a Certificate of Liability Insurance to the City and shall name the **City of Isanti** as an additional insured, an amount of not less than $500,000.00, insuring against personal injury or property damage for liability to third parties. The **Contractor** shall provide a copy of his license to haul as authorized and approved by Isanti County.

SECTION 9. TERMINATION

The **City** shall have the right to terminate this **Contract** prior to the expiration of its term if in the **City's** opinion, there has been a breach of its terms by the **Contractor.**

SECTION 10. PENALTIES AND DAMAGES

A. Failure by the **Contractor** to perform under this **Contract**, may result in its termination and/or claims by the **City** for damages.
B. In the event of breach of this **Contract** by the **Contractor**, or proven negligence by the **Contractor**, the **Contractor** agrees to pay, in addition to the actual damages sustained by the **city** as a result thereof, the cost, including reasonable attorney's fees incurred by the **City** in pursuing any of its rights under this **Contract**.

SECTION 11. SUCCESSORS AND ASSIGNS

The **Contractor** binds itself, its successors, executors, administrators and assigns to the **City** in respect to all covenants of this **Contract**, except that the **Contractor** shall not assign or transfer any part of its interest in this **Contract** nor shall the **contractor** assign any moneys due, or to become due, without the **City's** written consent.

SECTION 12. AMENDMENT, MODIFICATION OR WAIVER

No amendment, modification, or waiver of any condition, provision, or term of this **Contract** shall be valid or of any effect unless made in writing, signed by the party or parties to be bound or by its duly authorized representative, and specifying with particularity the extent and nature of such amendment, modification, or waiver. Any waiver by any party or any default of another party shall not affect or impair any right arising from any subsequent default.

SECTION 13. SEVERABLE PROVISIONS

Each provision, section, sentence, clause, phrase, and word of this **Contract** is intended to be severable. If any provision, section, sentence, clause, phrase, or word hereof is illegal or invalid for any reason whatsoever, such illegality or invalidity shall not affect the validity of the remainder of this **Contract**.

SECTION 14. ENTIRE CONTRACT

This **Contract** contains the entire understanding of the parties hereto with respect to the transactions contemplated hereby and supersedes all prior agreements and understanding between the parties with respect to such subject matter. No representations, warranties, undertakings, or promises, whether oral, implied, written, or otherwise, have been made by either party hereto to the other unless expressly stated in this **Contract** or unless mutually agreed to in writing between the parties hereto after the date hereof, and neither party has replied on any verbal representations, agreements, or understandings not expressly set forth herein.

SECTION 15. CAPTIONS, HEADINGS OR TITLES

All captions, headings or titles in the paragraphs or sections of this **Contract** are inserted for convenience of reference only and shall not constitute a part of this **Contract** as a limitation of the scope of the particular paragraphs or sections to which they apply.

The representative of East Central Sanitation hereby acknowledges receipt of this **Contract** and has reviewed the conditions of this **Contract** and has agreed that they comply with the terms of this **Contract**.

This contract for refuse service for municipal facilities is hereby entered into on the _____ day of April, 2016, between East Central Sanitation and the City of Isanti for the period from June 1, 2016 through May 31, 2018.

Request for City Council Action

To: **Mayor Wimmer and City Council Members**
From: Chief Gene C. Hill
Date: April 13, 2016
Subject: Squad Rifles

MEMO

Background:

The police department does not specifically own its own police rifles. The patrol rifles that the PD has in use are weapons obtained through the Federal 1033 program. These weapons or owned by the Department of Defense (DOD) and local governments are allowed to use them with many restrictions. One such restriction is that the DOD can request the return of the weapons at any time and we have to comply. This would leave our agency without any patrol rifles/carbines. The DOD has already requested the return of our M-79 Grenade Launcher that was obtained through this very same program

The City of Blaine has replaced their squad rifle fleet with new ones and are offering their used rifles to any Mn. law enforcement agency. The weapon is a Heckler and Koch (H&K) MP5 .40 caliber carbine. New these weapons are approximately $1895.00 each. I can obtain 10 carbines for $1,000.00 ($100.00 each). Ten carbines would allow for each officer to have their own dedicated patrol rifle for duty use. I would fund this purchase with forfeiture dollars.

Lt. Muyres and I are patrol rifle/carbine instructors and we would be more than capable in holding a training session for the officers to be fully trained in their operation.

Action:

The Finance Committee has reviewed this request and supported the idea to be heard by the City Council. I am asking that the City Council to allow this purchase with the use of forfeiture funds and that a check to be made out to the City of Blaine.

Respectfully,

Chief Gene C. Hill

RESOLUTION NO. 2016-_____

A RESOLUTION AUTHORIZING THE PURCHASE OF TEN H&K MP5 SQUAD RIFLES FROM THE CITY OF BLAINE

WHEREAS, the Police Department has a need for squad rifles and that the City does not own any of their own, and;

WHEREAS, the rifles that the city currently uses are on loan from the Department of Defense (DOD) and are subject to many restrictions, one being that they can be requested for return at any time without question, and;

WHEREAS, the City of Blaine is selling their useable H&K MP5 squad rifles for 10 for $1,000 in total, and;

WHEREAS, the weapons have been inspected and are all in working order, and;

WHEREAS, the funding source would be from the police department's forfeiture fund, and;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota as follows:

1. That the City Council authorizes the Chief of Police to purchase the rifles for the City of Blaine, that a check for their purchase made out to the City of Blaine and that the funding source will be the IPD Forfeiture Fund.

Adopted by the Isanti City Council this 19th day of April, 2016.

RESOLUTION NO. 2016-

A RESOLUTION TO DECLARE CERTAIN PROPERTY AS SURPLUS AND AUTHORIZE ITS SALE BY PUBLIC AUCTION

WHEREAS, on occasion the City of Isanti incurs supplies and equipment that is no longer of use for departments within the City; and,

WHEREAS, it has been determined that the Public Works Department has light fixtures that were removed for the facility lighting upgrade that are of no use to the City and is considered surplus property; and,

WHEREAS, Resolution No. 2003-014 provides guidelines for the disposal of surplus property; and,

WHEREAS, the light fixtures will be placed for public auction, the next public auction is June 11, 2016 at Wayne Pike Auction in Princeton, Mn;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City Of Isanti, Minnesota hereby authorizes the following:

1. To declare lighting fixtures from the Public Works Facility that were removed for the lighting upgrade project surplus and post public notice that the items will go to public auction.
2. The Public Services Director shall have the authority to sign all necessary paperwork to allow for the process for auction of the surplus items identified per this Resolution.

This resolution was duly adopted by the Isanti City Council the 19th day of April, 2016.

From: Chief Gene C. Hill

Date: April 13, 2016

Subject: Vacation Extension – Officer Barrows

MEMO

Background:

Officer Barrows has been on Administrative Leave since December 16, 2015 with an unknown return date to work. His employment anniversary date is July 1st, 2016. Because of his absence, he potentially will run out of time to use his vacation.

Based on current policy, whatever vacation time you have over your allowed carryover, you would forfeit. So as not to penalize Officer Barrows for something that was out of his control, I recommend to the Personnel Committee that Officer Barrows be given an extension to use his vacation time.

I recommended the following extension to the Personnel Committee and they agreed that Officer Barrow's shou8ld get an extension as follows; the extension period would be equal to the amount of days since December 16th, 2015 until his return to work date.

Action:

For the City Council to review and consider making this extension for Officer Barrows to use his accrued vacation time based on the above criteria.

Thank you for your time and consideration.

Respectfully,

Chief Gene C. Hill

Barrows, Rodrick L.*

As previously communicated, on your anniversary date, you may carry over accrued vacation leave up to a maximum of your allotted accrual rate plus 48 hours. Accrued vacation hours in excess of the allowed amount shall be forfeited by the employee..."

According to the calculation **162.2** hours to use **prior to July 1, 2016** below you have approximately

(If hired prior to March 1, 2007 your anniversary date will be July 1st)

Annual Accrual	=	216
Plus 48 Hours	=	48
Allowed Annual Carryover	=	264
Vacation Balance @ 3/24	=	376.36
Accurals to Anniv Date	=	49.86
Est. Balance @ Anniv Date	=	426.22
Allow Annual Carryover - Approx Vacaction Balance	=	**162.22**

RESOLUTION NO. 2016-_____

RESOLUTION AUTHORIZING AN EXTENSION TO OFFICER RODRICK BARROWS TO USE HIS ACCRUED VACATION TIME

WHEREAS, the City has a policy that each employee can carry so much vacation time based on their years of service and that by their anniversary date of hire they need to be down to their minimums or forfeit their remaining time; and

WHEREAS, the City has placed Officer Barrows on administrative leave as of December 16, 2015, thus Officer Barrows has not had the ability to use his accrued vacation time; and

WHEREAS, the Personnel Committee has reviewed and recommended that and extension should be considered; and

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to authorize the extension of Officer Barrows in that his extension period would equal the amount of days from December 16, 2015 until his return to the work schedule.

This resolution was duly adopted by the Isanti City Council this 19h day of April, 2016.

RESOLUTION OFFERING THE POSITION OF HUMAN RESOURCES/ CITY CLERK TO LINDSEY MCINNIS

WHEREAS, the City Council of the City of Isanti is required to approve all new employees; and

WHEREAS, the City advertised and accepted applications for the Human Resources/ City Clerk position; and

WHEREAS, the Personnel Committee has selected Ms. Lindsey McInnis as the most qualified candidate for the position; and

WHEREAS, the hiring will be contingent upon a successful background check, reference checks, and any other new hire testing/exams necessary or applicable to the positon, and final approval by the Personnel Committee.

NOW THEREFORE BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ISANTI, MINNESOTA AS FOLLOWS:

1. That the City Administrator is hereby directed to offer the Human Resources/ City Clerk position to Ms. Lindsey McInnis for the City of Isanti with a start date of May 9, 2016 with conditions as provided in a contract that is to be created between the City of Isanti and Ms. McInnis.
2. Ms. McInnis will start at Step 4 of the City's pay scale for the Human Resources/ City Clerk position at $62,124.70 annually.
3. That the Mayor and City Administrator are authorized to sign said contract upon approval of the Personnel Committee.
4. That the City Administrator is directed to complete all required documentation for the completion of the employment offer upon approval of the Personnel Committee.
5. That the City Administrator is directed to forward an executed copy of this resolution to the employee and place a copy in the employee's personnel file for future reference.
6. That the hiring will be contingent upon a successful background check, reference checks, and any other new hire testing/exams necessary or applicable to the positon, and final approval by the Personnel Committee.

Subject: Consider Resolutions Authorizing an Additional Signatory for the Purpose of Accessing and Maintaining City Funds and Investments

---

Background

The addition of another authorized signatory would ensure that business continues without delay for the purpose of maintaining the City's finances for investments, transfer of funds and signing of checks.

The addition of Lindsey McInnis as signatory as Human Resources/ City Clerk is included in the Resolution contingent she is approved by Council as the authorized hire of the position.

Request

Staff is requesting action on this item.

RESOLUTION NO. 2016-

A RESOLUTION AUTHORIZING SIGNATURES AND IDENTIFYING OFFICIAL SIGNATURES ON DOCUMENTS PERTAINING TO CITY MATTERS

WHEREAS, the City of Isanti must apply official signatures to documents on a daily basis; and,

WHEREAS, the Finance Director is required by statute to sign certain documents on behalf of the city; and,

WHEREAS, the City Administrator is authorized to sign certain documents on behalf of the city; and,

WHEREAS, the Human Resources / City Clerk is authorized to sign certain documents on behalf of the city; and,

WHEREAS, the Assistant City Administrator is authorized to sign certain documents on behalf of the city; and,

WHEREAS, on occasion it is necessary for the above individuals to be absent from City Hall;

NOW THEREFORE BE IT RESOLVED by the City Council of the City of Isanti, Minnesota as follows:

1. The City of Isanti recognizes the need for an efficient city government and also recognizes the complexity of the daily schedules the above appointed city officials.

2. The City Administrator is authorized to sign official documents on behalf of the Finance Director, and act as their deputy in their absence. In situations where two signatures are required, the Human Resources / City Clerk or Assistant City Administrator shall sign documents as the second signatory on behalf of the City Administrator.

3. The City Administrator is authorized to sign official documents on behalf of the Human Resources/ City Clerk and act as their deputy in their absence. In situations where two signatures are required, the Finance Director or Assistant City Administrator shall sign documents as the second signatory on behalf of the City Administrator.

4. This resolution is effective April 20, 2016 and its adoption repeals Resolution No. 2015-310 in its entirety.

MEMO

Date: April 15, 2016

Subject: Ordinance Combining the Offices of City Clerk and City Treasurer

---

With the resignations of the HR/City Clerk and Finance Director, the Offices need to be re-combined with the City Administrator's office. The attached draft ordinance combines the offices, with an un-combining of the City Clerk office upon the filling of that position; and eventual designation of a new Finance Director as City Treasurer upon future City Council action.

City Attorney Joslin has reviewed and approved the draft ordinance.

ORDINANCE NO. ____

AN ORDINANCE COMBINING THE OFFICES OF CITY CLERK AND CITY TREASURER

WHEREAS, the City of Isanti is a statutory Plan A city; and

WHEREAS, the Finance Director gave a notice of resignation as an employee of the City of Isanti effective at the end of the day, April 22, 2016; and

WHEREAS, in the past the City Administrator was appointed as interim City Treasurer until such time as a new employee was appointed Finance Director; and

WHEREAS, Minnesota State Statute 412.591, Subd. 2, requires Statutory Plan A Cities to adopt, as applicable, an ordinance to combine the City Clerk and City Treasurer positions. In absence of the City Clerk, the City Administrator, pursuant to past practice serves as City Clerk for the City; and

WHEREAS, the City Council finds it most efficient to combine the City Clerk and City Treasurer positions on a temporary basis until appointment of a new City Clerk.

NOW, THEREFORE, the City Council of the City of Isanti, Isanti County, State of Minnesota hereby ordains as follows:

Section 1. The offices of City Clerk and City Treasurer are combined to a new office known as City Clerk-Treasurer. This combination is temporary due to a vacancy in the City Clerk's office, and upon the first day of employment of a new City Clerk, the offices are un-combined.

Section 2. The City Administrator shall serve as City Treasurer until a new Finance Director is hired and takes office. The City Council shall than consider a resolution to appoint the Finance Director as City Treasurer.

Section 3. Effective Date. This Ordinance shall become effective on April 23, 2016.

Adopted and passed by the Isanti City Council on this 19th day of April, 2016.

RESOLUTION NO. 2016- **L.18.**

RESOLUTION APPROVING A CONTRACT FOR BUILDING OFFICIAL CONSULTING SERVICES

WHEREAS, Building Official Rick Sames gave notice of resignation as an employee of the City of Isanti, with his last work day January 8, 2016; and

WHEREAS, the Personnel Committee recognizes that Building Official Nick Henly may desire to consult with former Building Official Rick Sames on certain tasks and plan reviews during his first few months due to several large scale projects underway; and

WHEREAS, the Personnel Committee finds it would be a smoother transition to have Sames provide consultation services and recommends contracting with Sames for building official consultation services.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, as follows:

1. Hereby enters into the attached contract between the City of Isanti and Rick Sames for building official consolation services, with Sames' hourly rate being as follows:
   - Phone consultation rate: $50.00 per hour, with a minimum of $25.00 billed out.
   - In-house consultation rate: $68.00 per hour, with a minimum of one (1) hour billed out.
   - Travel rate: $34.00 per hour in addition to the federal mileage rate for vehicle miles traveled.
2. Approves and authorizes staff to sign the contract between the City of Isanti and Sames.

This Resolution hereby approved by the Isanti City Council this 19th day of April 2016.

Attest: Mayor George A. Wimmer

CONTRACT FOR BUILDING OFFICIAL CONSULTING SERVICES

This agreement is hereby entered into between the City of Isanti (hereinafter "City") and Rick Sames (hereinafter "Consultant") for provision of building official consulting services related to City Building Department matters.

It is understood that Consultant is acting as an independent contractor and the relationship between the parties is merely contractual. Consultant will not be deemed an employee of the City of Isanti.

Consultant hereby agrees to provide the services as Building Official Consultant to the City of Isanti as set forth in Exhibit 'A' attached hereto and made a part hereof.

City agrees to compensate Consultant at a rate of $50.00 per hour for services provided by Consultant via phone call, with a minimum of $25.00 per call. In-house consulting shall be provided by Consultant at a rate of $68.00 per hour, to be billed at a rate of no less than one (1) hour. Travel time shall be compensated at $34.00 per hour in addition to the federal mileage rate for vehicle miles traveled. Services provided to City are pursuant to the provisions of this contract.

Consultant shall submit work logs indicating the tasks performed and hours worked setting forth the billable hours for which payment is requested. City shall have thirty (30) days upon receipt of statements to send out payment to Consultant.

Either party shall have the right to terminate this contract, with or without cause upon not less than thirty (30) days written notice specifying the effective date of termination. The term of this contract shall commence as of March 1, 2016 and shall terminate as of 11:59 p.m. June 30, 2016, unless extended in writing signed by the parties hereto prior to said termination date, and unless sooner terminated as provided above.

This contract for building official consulting services is hereby entered into on the ____ day of April, 2016, between Rick Sames and the City of Isanti for the period from March 1, 2016 through June 30, 2016.

City of Isanti
Economic Development Authority
Regular Meeting Minutes of
April 5, 2016
Isanti City Hall

1. Call to Order

The meeting was called to order by Economic Development Director Sullivan at 7:40 p.m.

a. Pledge of Allegiance

b. Roll Call

Commissioners Present: Keith Dragisich, Dan Collison, Steve Lundeen, Paul Bergley and George Wimmer, Tara Hallberg

Commissioners Absent: Adam Johnson

Staff Present: Economic Development Director Sean Sullivan

c. Agenda Modifications

No modifications to the agenda were presented.

2. Approval of Agenda

Motion to approve Agenda as presented by Lundeen, second by Collison, motion carried unanimously.

3. Approve Minutes of March 2, 2016 Regular Economic Development Meeting

Motion by Collison second by Bergley to approve the minutes for March 2, 2016. Motion carried unanimously.

4. Consider Updating Verbiage on Historic Main Street Sign

Economic Development Director Sullivan presented the staff memo highlighting the history of the sign and the contributions of Ken Drilling and Jill Reller. He indicated that the Chamber had moved to another location in Isanti and that the "Chamber of Commerce" needed to be removed from the sign and that adding the Farmers Market was a good idea. He reviewed three sign options and recommended selecting version 3 which simply had Isanti Farmer's Market without and dates or times. He felt that more information would be too small to read.

Commissioner Dragisich stated that it is hard to read and suggested if the lettering could be made bigger and to remove the train.

Commissioner Collison noted that there was no reference to car show.

Commissioner Lundeen suggested that the City Logo, (tree) be incorporated into sign.

President Wimmer notified the EDA that Ken Drilling passed away on Monday

President Wimmer asked if dates and times were important. Discussion ensued.

Commissioner Bergley thought time was a good idea.

Commissioner Hallberg suggested using "seasonal"

Commissioner Dragisich asked about the condition and effectiveness of the sign.

Economic Development Director Sullivan suggested adding an Isanti Blue logo to sign to complement the existing City Community Bulletin board. He also suggested pulling the second arrow off and reference to 1st Avenue.

Commissioner Collison indicated he liked the idea of a two sided sign.

Motion by Lundeen, second by Hallberg to recommend the following for acceptance by the City Council:

1) Remove the Train logo and lower 1st Avenue and arrow.
2) Rework verbiage on sign to make it larger (more readable) with additional space created by removal of train and 1st Avenue information.
3) Redo Farmer's Market with seasonal verbiage.
4) Incorporate the City logo and potentially the blue city logo into sign to blend with the existing community billboard.
5) Send revised options reviewed by Staff and President Wimmer and cost directly to the City Council for approval to get sign done before farmers market season begins.

Motion passed unanimously.

4. Other Business / Updates / Communications

Economic Development Director Sullivan asked if there were any questions in regards to the staff memo and offered a more detail on each item if requested.

President Wimmer updated the EDA about the status and preliminary finding of the utility rate study. The information has seen is positive and it looks like some reductions could be made to rates. City Staff, Northland Securities and himself are still working with the numbers to make sure that projections and estimated usage are realistic so that projected rates can be sustainable and utility funds maintaining responsible cash balances.

CITY OF ISANTI
PLANNING COMMISSION
MEETING MINUTES
APRIL 12, 2016

1. Meeting Opening.

A. Call to Order.

Cesafsky called the meeting to order at 7:00 p.m.

B. Pledge of Allegiance.

Everyone rose for the pledge of allegiance.

C. Roll Call.

Members Present: Greg Cesafsky, Paul Bergley, Steve Lundeen, Wayne Traver, and Jim Kennedy.

Members Absent: Jeff Duncan (provided prior notice)
Achman informed the Planning Commission that Cindy Lind-Livingston had resigned from the Planning Commission effective April12, 2016.

Staff Present: Community Development Director, Roxanne Achman

Others Present: None

D. Agenda Modifications.

Achman stated there were none.

2. Approval of Minutes from March 8, 2016 Planning Commission Meeting.

Cesafsky questioned if there were any comments or changes to the minutes.

Motion by Lundeen second by Kennedy to approve the March 8th, 2016 Planning Commission Meeting Minutes. Motion was unanimously approved.

3. Public Hearings.

A. Request from Prairie Senior Cottages for approval of a Site Plan, Conditional Use Permit and Variance for a second building to be located on the property at 705 6th Ave NE, legally described at Lot 1, Block 1, Bank Site Second Addition, Isanti County, Isanti, Minnesota.

Cesafsky read the item into the minutes.

Achman presented the staff memo.

Cesafsky opened the public hearing.

Bergley asked where the new building is in relation to the existing building.

Dustin Lee, Chief Operating Officer, Prairie Senior Cottages, approached the podium to explain that the new building will be just to the west of the existing building.

Bergley asked for clarification on the variance.

Achman explained that the building could not be shifted to the south or west due to the wetland.

Lundeen asked when they planned to start construction.

Mr. Lee stated they hoped to start within 90 days. They plan to start this summer.

Traver and Lee discussed the orientation of the building in regards to the highway. It was stated that the secure area would be south of the building and not necessarily facing the highway.

Cesafsky closed the public hearing.

Lundeen asked that staff look into setbacks in cul-de-sacs.

Motion by Kennedy second by Bergley to recommend approval of request from Prairie Senior Cottages for approval of a Site Plan, Conditional Use Permit and Variance for a second building to be located on the property at 705 6th Ave NE, legally described at Lot 1, Block 1, Bank Site Second Addition, Isanti County, Isanti, Minnesota based on the Findings of Fact and Conclusions. Motion carried unanimously.

B. Request from BowDaddy Archery for approval of a Conditional Use Permit to operate an outdoor archery range on the property at 801 Highway 65 NE, legally described as PT SE/4 of SW/4 Described as: commencing at SE corner of quarter; then N 440'; W 600'; S 440' to S line of SE/4 of SW/4; E 600' to POB. old # 05.020.0300.

Cesafsky read the item into the minutes.

Achman presented the staff memo.

Cesafsky opened the public hearing

Bergley asked if there was netting that goes around the range.

Josh Johnson, BowDaddy Archery, stated that based on the NRA guidelines, a backstop is the only thing that is needed behind the target face. The target is roughly 18 inches thick and four foot by four foot dense foam.

Achman stated that there is not a required fencing or backstop that is needed. The targets are quite large and thick.

Bergley stated he just wanted to make sure there were no issues with the stray arrows.

Lundeen stated that anybody shooting where they shouldn't be will be asked to leave.

Mr. Johnson described the location of the range, stating that the area is roughly ten feet lower than the building level. To the south there are thick trees, to the east are trees and the building

and to the west are hundreds of yards of wetland. Nobody should be shooting north. There will be staff on site and signage with the range regulations.

Cesafsky asked if there would be 3-D targets. Johnson stated that was not the plan, but possibly in the future.

Cesafsky closed the public hearing.

Motion by Lundeen second by Bergley to recommend approval of request from BowDaddy Archery for approval of a Conditional Use Permit to operate an outdoor archery range on the property at 801 Highway 65 NE, legally described as PT SE/4 of SW/4 Described as: commencing at SE corner of quarter; then N 440'; W 600'; S 440' to S line of SE/4 of SW/4; E 600' to POB. old # 05.020.0300 based on the Findings of Fact and Conclusion and with the following conditions:

1. There shall be no grading, killing of vegetation or permanent structures within the designated wetland area, the area of the approved range may; however, be mowed.
2. All targets, shooting line markers, tables, bow racks, quivers, distance markers and any other items within the range shall be removable and/or temporary items.
3. All activities are to remain on the property of 801 Highway 65 NE.
4. The area beyond the targets shall be regularly searched for stray arrows.
5. All federal, state and local laws shall be abided by at all times.

Motion carried unanimously.

C. Request from the City of Isanti for an Amendment to the Zoning Map to Rezone 1107 Rum River Drive SW from R-1(Single Family Residential) to Park and Open Space, legally described as Lot 1, Block 1, Rum River Meadows 2nd Addition, Isanti County, Isanti, Minnesota.

Cesafsky read the item into the minutes.

Achman presented the staff memo.

Cesafsky opened the public hearing. There was no one in the audience to speak on the matter. The public hearing was closed.

Motion by Lundeen second by Kennedy to recommend approval of the request from the City of Isanti for an Amendment to the Zoning Map to Rezone 1107 Rum River Drive SW from R-1(Single Family Residential) to Park and Open Space, legally described as Lot 1, Block 1, Rum River Meadows 2nd Addition, Isanti County, Isanti, Minnesota based on the Findings of Fact and Conclusions. Motion carried unanimously.

D. Request from the City of Isanti to Amend Zoning Ordinance 445, Section 14: Performance Standards to include fencing/barricade requirements for swimming pools.

Cesafsky read the item into the minutes.

Achman presented the staff memo.

Cesafsky opened the public hearing

Traver asked if the fencing is required even if the pool is put up and taken down every year.

Achman stated that it depended on whether the pool was 24 inches deep and held 5,000 gallons of water or not.

Cesafsky asked if there was height requirement for the fencing. Achman stated the required fence height was 48 inches. Cesafsky stated that the side of his pool is four feet and questioned what good a four foot fence is on a pool that has four foot sides.

Lundeen stated that anyone with a pool should have a fenced in yard for liability reasons.

Achman stated she will need to get more clarification from the Building Official on specifically how the fencing requirements are interpreted.

Cesafsky has asked if the ordinance could require a six foot fence rather than a four foot fence, or it could state that the fence needs to be 24 inches higher than the pool.

The Planning Commissioners discussed and agreed that more information was needed prior to adopting an amendment to the zoning code.

Cesafsky opened the public hearing. There was no one in the audience to speak on the matter. The public hearing was closed.

Motion by Bergley second by Lundeen to table the request from the City of Isanti to Amend Zoning Ordinance 445, Section 14 Performance Standards to include fencing/barricade requirements for swimming pools until the next meeting and to bring back additional information. Motion carried unanimously.

4. Other Business.

A. None

5. Discussion Items.

A. None.

6. Adjournment

Motion by Lundeen second by Bergley to adjourn the April 12th, 2016 meeting of the Planning Commission. Motion was unanimously approved.

The meeting adjourned at 7:33 p.m.

Dated at Isanti, Minnesota this 12th day of April 2016.

Respectfully submitted,

MEMORANDUM

Date: April 13, 2016

To: Honorable Mayor Wimmer and Members of the City Council
City of Isanti

From: Bradley C. DeWolf, P.E.
City Engineer

Jason W. Cook, P.E.
Assistant City Engineer

Subject: Project Status Report
Isanti, Minnesota
BMI Project No: R13.111162

Please find listed below a status report of the current projects in the City of Isanti.

1) **City Hall Parking Lot Expansion**

The Contractor will move forward on the alley work within the railroad easement this spring.

2) **Community Garden Park Improvements**

Construction is anticipated to begin this month. We will perform survey staking and inspection as requested.

3) **Railroad Avenue Pond Improvements**

The contractor will complete the remaining storm sewer work and street patch this spring.

4) **Watermain Loop Improvements**

We have obtained the easement from the school and have obtained the required utility permit from Isanti County. The bid opening is scheduled for May 3, 2016 at 2:00 pm.

5) **Wastewater System Improvements**

We will move forward with obtaining required permits and putting together the bid package. A pre-bid conference is scheduled for Tuesday April 19, 2016 at 10:00 am at the Wastewater Treatment Plant. The bid opening is scheduled for May 3, 2016 at 2:00 pm.

6) **Whiskey Road Walk Infill Study**

We have surveyed the project area and are designing the proposed alignment of the walk.

7) **Coborn's Grocery Store**

The Contractor has installed the sanitary sewer and watermain on the site. They plan to complete the storm sewer this month.

In addition to the current projects listed above we have completed and accepted 42 private developments and 45 city contracts since being selected as your City Engineer in 2008.

Please contact Brad or Jason if you have any questions.

Mayor Wimmer called the meeting to order at 7:00 p.m.

The Pledge of Allegiance was recited.

Members Present: Mayor George Wimmer, Councilors: Paul Bergley, Dan Collison and Steve Lundeen

Members Absent: Adam Johnson

Staff Present: City Attorney Clark Joslin, City Administrator Don Lorsung, Community Development Director Roxanne Achman, Lieutenant Travis Muyres, and City Engineer Brad DeWolf

D. Adopt Agenda
Motion by Lundeen, second by Collison to approve the agenda as presented. Motion carried unanimously.

E. Proclamations/Commendations/Certificate Awards
None

F. Approve City Council Minutes
1. April 5, 2016 – Regular Meeting of the City Council

Motion by Lundeen second by Bergley to approve the regular City Council Meeting Minutes of April 5, 2016 as presented

G. Citizens Input
Jim Peterson, 29468 Roanoke St NW, approached the City Council to ask about expediting a gambling permit for the Isanti Fire District. Mayor Wimmer informed Mr. Peterson that such a request must be placed on the City Council's agenda as an agenda item and that he was unaware of any such request being submitted. Mr. Peterson stated that he submitted the request last Wednesday. City Administrator Don Lorsung stated that he has not seen the request and that the request would have needed to be submitted prior to last Wednesday at noon in order to be on this agenda. Lorsung indicated that he would look for the permit request in the City Clerk's office as it may have been missed with her being out as of last Friday. Mayor Wimmer asked that staff be contacted prior to requests at City Council.

Jim Harris, 459 3rd Ave NW, approached the podium to inform the City Council he had a number of questions he would like answered but would likely only receive answers to a few since he is limited to the amount of time that can be spent at the podium. Harris asked why the City Attorney advised the City Council not to fill out his questionnaire about Officer Barrows. Harris further stated that no other towns or counties require water testing yearly. Harris stated that the water fee is excessive. He contacted Princeton who stated they charge $1.89 per month for their storm water fee compared to the $643. Harris stated that cities like Elk River try to prevent noise pollution from trains. They are going to put in a gate system because people are

tired of hearing the horn. Harris said he's happy to see the community garden going in because the way people are taxed and the cost of living are going to make people need a garden so they can eat.

Mayor Wimmer stated he's not sure what the $643 represents, but the City's storm water fee is $6-$7 per month. Quiet Zones for trains, this discussion has been had many times. Cities are able to do that if they meet certain requirements. There have been a number of serious accidents in or near Isanti and it's not a good idea to quiet an area that has accidents. The other thing with Quiet Zones is the cost. Mayor Wimmer stated he's not sure what the exact cost is, but it's hundreds of thousands of dollars. The City was told that with the accidents, and from a budget stand point, it would be difficult to implement.

Harris attempted to continue to question about police brutality. Mayor Wimmer informed Harris that his time was up and asked that he leave the podium. Harris did not leave. Mayor Wimmer asked Lieutenant Muyres to escort Harris out of the Council Chambers.

H. Announcements

Announcements were read

I. Council Committee Reports

Mayor Wimmer commented that the community garden is a little over one third full. The City originally anticipated it to take three years to fill up. It's going well at this point.

Mayor Wimmer stated that staff had met with Al Jankovich from the Fire District to discuss notifications of big fires or incidents within the City. They did, to their credit, notify the City of a recent incident. The Fire District needs to be aware that the City needs to be notified of such incidents.

Mayor Wimmer indicated that park enforcement with the Isanti Police Department has been going very well. Staff is going to be looking into access at Legacy Park. Right now people are able to drive their cars to the City owned lot at the trailhead. Staff is going to be discussing with the bank who owns the surrounding lot to have cars park where the pavement ends, rather than parking at the trailhead, and then having a path to walk into the park. This will hopefully limit the number of individual who drive back to the park and are up to some nonsense.

Lundeen stated that he heard numerous reports from individuals on the community garden. People are ecstatic about it. Lundeen further stated that he had a conversation with Chief Hill about kids in his neighborhood walking through people's yards and messing with people's stuff. It came to his attention when he noticed his gate open and footprints through his yard. Lundeen stated that he was also aware of some vehicle break-in's that were not reported to the Police. He ended up informing the individuals they need to report the incidents to the police so the City can track where the incidents are occurring.

Mayor Wimmer stated that the majority of incidents seem to be ones where the vehicles were left unlocked. There doesn't appear to be any incidents of actual break-in's. The City's had some success in catching some of these individuals.

Lundeen mentioned that he was aware of someone burning leaves in their fire pit within the city and couldn't contact the police department because it was after hours. Lundeen stated he had contacted Fire Chief Al Jankovich who said there wasn't much that could be done about it because it was a recreational fire. Mayor Wimmer stated the individual knew what they could and couldn't do since they kept the fire small.

Mayor Wimmer stated that in the Isantian each department will be providing a couple extra pages, the first article will be Economic Development, the second article will be from the Police Department. In the

Police's article it will be important to inform the citizens that they can contact the non-emergency county number after hours which will dispatch Isanti officers.

J. Public Hearings - None

K. Business Items

1. Resolution 2016-131 Approving the 2015 Annual Financial Report and Management Letter

Matt Vos, from Abdo, Eick and Meyers was present and summarized the City of Isanti's 2015 audit and financial report.

Matt touched on the preparation of the financial statements. He stated that as the audit firm, they help to put the booklets together. There wasn't someone with the knowledge and experience to take the information and put it together on their own. This is a very common finding for cities with a population of 5,000 to 10,000 people. Mayor Wimmer stated that has not been an issue in the past, but the City is in transition with its Finance Department and is looking for a Finance Director. The positive news is that Matt and AEM have been very good to work with and helpful in assisting the city at this time. Mayor Wimmer further stated the City needs to have a Finance Director that is able to do this for the City. The City hopes not to have that finding again.

Vos stated that the next item stems from the first in that, due to the turnover, some adjustments needed to be made in getting numbers prepared for the audit. With the number of projects that are going on, it's not that uncommon to have adjustments, however, it's also not a finding that the city has had in the past.

Below are the highlights:

- There are no instances of non-compliance in 2015.
- Gatsby 68 and 71 were implemented this year. This shows a large dollar amount, but is for reporting purposes only. What the city is required to participate in the state pension plans, the total liability that gets allocated to the city, is over $1.8 million. This isn't like issuing debt, it's not something you can pay off. It's just for reporting. Even though it shows up as a liability, it still shows that as a whole in the state, we're in a good position. It won't impact budgets, but it will be something that has to be looked at each year.

Financial Highlights

- Fund balances – internal fund balance target of 50%. 2014 and 2015 show roughly 40%. This is partly due to a decrease in funds for projects as well and an increase in budget.
- Expected decrease was roughly one million dollars, the actual decrease was about $365,000.

Mayor Wimmer noted that the City's LGA is a little bit different in that what is brought in in 2016 will be used in 2017.

- Licensing and permits came in about $90,000 over what was budgeted.
- The City received about $59,000 from a TIF district that was decertified.
- There was an additional $257,000 transferred out for future and current capital projects.
- Taxes make up 47% of the revenue for the year. There was a budgeted decrease in the amount levied for 2015, but there isn't a visible spike due to the decertified TIF district.
- There was an increase for transfers in due to the increase from the liquor store from $200,000 in 2014 to $300,000 in 2015. The increase is also due to a number of various budgeted projects (lease for the fire station, lease for the BMX) the only one not budgeted is the sale of property of which the general fund received $47,000.

- Expenses have been very consistent from $3 million in 2014 to $3.2 million in 2015, the biggest contributor is public safety which increased $115,000

Mayor Wimmer stated that was due to bringing in the Investigator position and an increase due to the Fire District. Mayor Wimmer presented information on comparisons from peer cities on the differing areas. Isanti is roughly 25% less in administration costs, general government costs and EDA is at about 50% of costs compared to other cities of a similar size. Isanti has been incredibly effective in economic development as a city. Public works is 36% less, Park, Rec and Culture is 17% less, Public safety is 19% more, which is an area that there shouldn't be heartburn over spending more on.

- Special revenue funds – there was a $385,000 increase in the revolving loan fund, which was the result of a MIF loan.
- TIF 10 is a $174,000 decrease - $160,000 paid to the county for partial decertification.
- Capital project funds – BMX, public works site improvements, parking lot improvements, are either complete or near completion for the majority of the activity in 2015. The big take away is that anything that has an overage has an identified source to cover it.
- Outstanding Debt – Total bonds outstanding is $5.7 million, but total assets are $2.9 million. There's a significant amount of special assessments identified, so it's not just on property taxes. A lot of the tax abatement bonds are related to the BMX building, and a long term lease receivable is not recorded because the city has the asset.

Mayor Wimmer noted that in two years another $850,000 of the debt will be retired as well.

- Five years after the $850,000 debt retirement there will be another scheduled drop-off in debt payments.
- Enterprise funds – Water, sewer, storm and liquor. The charts indicate that the cash flow is covering operations and debt.
- There's no debt in the liquor fund which had a cash balance of $651,000 in 2014 and $680,000 in 2015 even with a greater transfer of funds. There was an increase of transfer funds from the liquor fund from $200,000 in 2014 to $300,000 in 2015.

Mayor Wimmer indicated that during budgeting for 2017 they will be looking at increasing the transfer to $350,000 as long as operations continue to justify it. Mayor Wimmer further indicated that Isanti's liquor store is about 31% more profitable that others in the peer group of cities.

- Isanti is one percentage point higher that the state average in gross profit and nearly 50% higher income before transfers, which is significant for an outer metro area.
- Debt per capita is at $2,600 which is average for the peer group of cities.

Mayor Wimmer stated the City is at about 21% lower in taxes per capita and about 10% lower in spending per capita verses other peer cities. Isanti has consistently done well in these two categories.

Mayor Wimmer wanted to note that the City did spend $126,617 less than what was budgeted for 2015.

Motion by Lundeen second by Collison to approve Resolution 2016-131 as presented. Motion carried unanimously.

2. **<u>Resolution 2016-132</u> Approving the Water and Sanitary Sewer Rate Study**

Jessica Green, Northland Securities, was present and summarized Isanti's Water and Sanitary Sewer Rate Study. Below is a list of highlights from the presentation:

- A financial guide was created by compiling information on growth from the residential and commercial side, the timing of capital improvement that are coming up, future charges for fees and services, the City's spending and revenue over the past three years, and fund balance levels. This allowed Northland Securities to project forward.
- Assumptions – projections show growth in commercial, industrial and residential. Public buildings, city buildings, schools, and apartments remained flat - no anticipated growth. Staffing was adjusted by about 5% per year, which includes wages, insurance and other personnel costs. Supplies, utilities and support services, were increased by about 2% per year. Capital projects were looked at for 2016 and 2017, and limited investment income.
- Projections are assuming 35 new homes per year. The City has roughly 20 new home starts for 2016 so far. Projections show two new commercial connections in 2016 and one new industrial.
- Projections for 2017-2020 moving forward are conservative and project 25 new home starts per year, one commercial per year and one industrial per year.

Mayor Wimmer explained that it was set up this way due to the city seeing intense development in the early 2000's where they had set up the projections using incredibly high numbers for growth and hook-ups. There will be a dip in the economy in the next ten years and the City doesn't want to be overly optimistic. If the numbers work while being conservative, then it's a good place to be. The City has nearly 300 available lots for building that have utilities accessible. The City will review where the numbers are at the end of the year since the rates won't change until January 2017. Every three to four years the City will want to review the projections again. Mayor Wimmer further stated that the City is trying to keep the number conservative so that it hits the projections.

- Northland Securities is recommending that for 2016 the City maintain their base and consumption fees. They are recommending a consideration in the reduction of base fees for 2017; a 25% reduction on the water and a 50% reduction on sewer. The consumption fee would remain the same. For 2018 a consideration of a 3% increase of the base and consumption fees due to inflation.
- Northland Securities is recommending structuring the new debt from the wastewater treatment improvements around the existing debt service. In order to keep cash levels consistent, the new debt should be wrapped around the debt that will be dropping off.
- Northland Securities recommends looking at the behavior of the funds annually before setting a five-year rate schedule.

Mayor Wimmer stated that the base fees were increased to pay off the debt. There are a lot of residents that have low usage and they were having more base fee than usage. This will be addressed further in the presentation.

- Northland Securities advises setting a minimum cash balance policy, which Isanti has already done.
- The wastewater treatment plant is a project of about $3.3 million, which is part of the reason for the rate study, to see if there was cash available to put towards the project rather than issuing more debt.
- The City has roughly $850,000 cash to contribute towards the wastewater treatment plant. This results in a debt issuance of about $2.645 million. Without the cash contribution the debt issuance would have been closer to $3.6 million.
- The debt issuance will be GO sewer revenue bonds. They'll be supported by the revenue from the utility.
- Isanti's 2017 rates will be lower than all other peer group cities.

- A minimum cash target has been set for the fund balance, which is 50% of operating expenditures, 50% of the depreciation, plus the capital outlay and debt service for a year. This has been compared to the ending cash balance.
- Projections indicate that the City's cash balance will exceed the target fund balance.
- A higher cash balance in the water fund is shown in 2016 due to the watermain loop, which will be funded with cash. There's significant excess in 2017-2020, about $400,000 extra.
- A higher cash balance in the sewer fund is shown in 2016 due to the wastewater treatment project. This is a planned draw down on the fund balance. The ending cash is still very healthy at about $1.5 million. 2017 and 2018 balances are about even with the target; a couple of new houses could bump that up. 2017 also has the CSAH 5 project planned, which is anticipated to be funded by cash.

Motion by Lundeen second by Bergley to approve Resolution 2016-132 as presented. Motion carried unanimously.

3. Consider Utility Ordinance Updates
   a. **Ordinance No. 636 Amending the Code for the City of Isanti, Chapter 325, Water**
   b. **Ordinance No. 637 Amending the Code for the City of Isanti, Chapter 260, Sewer**
   c. **Ordinance No. 638 Ordinance Amending the Code for the City of Isanti, Chapter 260, Sewer, Sewer Availability and Usage Charges**

Mayor Wimmer clarified that the base sewer usage had always been set up to begin at 5,000 gallons, but the City's average is closer to 3,500 gallons. New users will now start out at 3,500 gallons. The new software allows the city to detect when there is an outlier during the months used for averaging and prevents the system from skewing the average based on one outlier. The sewer charge cannot be higher than the water usage charge. This will be a significant benefit to the residents.

Motion by Lundeen second by Bergley to approve Ordinances 636, 637 and 638 as presented. Motion carried unanimously.

4. **Resolution 2016-133 Approving a Site Plan, Conditional Use Permit and Variance for a Second Building at Prairie Senior Cottages Located on the Property at 705 6th Ave NE**

Motion by Lundeen second by Bergley to approve Resolutions 2016-133 as presented. Motion carried unanimously

5. **Resolution 2016-134 Approving a Conditional Use Permit for BowDaddy Archery to Operate an Outdoor Archery Range on the Property at 801 Highway 65 NE**

Bergley asked about the future extension of Enterprise Ave NE and how that might affect BowDaddy.

Mayor Wimmer indicated that the shooting will be facing a pond and trees.

Bergley had further clarified that he was curious if Enterprise Ave NE would ever extend through BowDaddy's property.

Mayor Wimmer stated that would not be an issue.

Motion by Lundeen second by Collison to approve Resolution 2016-134 as presented. Motion carried unanimously.

6. **Ordinance No. 639 Amending the Zoning Map to Rezone 1107 Rum River Drive SW from R-1(Single Family Residential) to Park and Open Space**

Motion by Lundeen second by Bergley to approve Ordinance No. 639 as presented. Motion carried unanimously.

7. **Ordinance No. 640 Amending City Council Chapter 227 Parking and Storage**

Motion by Collison second by Bergley to approve Ordinance No. 640 as presented. Motion carried unanimously

8. **Resolution 2016-135 Accepting Interim Finance Director Services**

Motion by Lundeen second by Bergley to approve Resolution 2016-135 as presented. Motion carried unanimously.

9. **Resolution 2016-136 Authorizing Execution of a Contract with CGI for City Marketing Video**

Mayor Wimmer stated that CGI is looking for a him to sign a letter stating that they can contact area businesses. The City does not pay for any of it. They are already working with the County. This will allow the City to get some extra marketing video.

Motion by Lundeen second by Bergley to approve Resolution 2016-136 as presented. Motion carried unanimously.

10. **Resolution 2016-137 Authorizing Staff to Apply for the COPS Grant Funding Opportunity**

Motion by Lundeen second by Bergley to approve Resolution 2016-137 as presented. Motion carried unanimously.

11. **Resolution 2016-138 Authorizing Staff to Apply for the Bureau of Justice Assistance Grant**

Motion by Bergley second by Lundeen to approve Resolution 2016-138 as presented. Motion carried unanimously.

L. Approve Consent Agenda

1. Consider Accounts Payable in the Amount of $238,220.28 and Payroll in the Amount of $89,870.77
2. Final Meeting Minutes for the March 1, 2016 Economic Development Authority Meeting
3. Final Meeting Minutes for the March 8, 2016 Planning Commission Meeting
4. **Resolution 2016-139** Approving Community Garden Volunteer Policy
5. **Resolution 2016-140** Accepting Donation from Performance Dock and Lift to the City of Isanti
6. **Resolution 2016-141** Authorizing the Execution of Repayment Agreement with Progressive Homes, LLC for Lot 22, Block 1, Isanti Meadows
7. **Resolution 2016-142** Approving a Request from Rice Companies for an Exemption to the Parking Restrictions on Oakwood St NE from April 20th to June 1st, 2016
8. **Resolution 2016-143** Authorizing the Acquisition of a Utility Easement for Placement of a Watermain on Property Owned by the Cambridge-Isanti School District
9. **Resolution 2016-144** Awarding Quote for Outsourcing the Mowing Nuisance Week/Grass Abatement of Lots
10. **Resolution 2016-145** Awarding Quote and Authorize Entering Into a Two Year Contract for Refuse Services
11. **Resolution 2016-146** Authorizing the Purchase of Ten H&K MP5 Squad Rifles from the City of Blaine
12. **Resolution 2016-147** Declaring Certain Property as Surplus and Authorize its Sale by Public Auction
13. **Resolution 2016-148** Authorizing an Extension to Officer Barrows to Use his Accrued Vacation

14. **Resolution 2016-149** Offering the Position of Human Resources/ City Clerk to Lindsey McInnis
15. **Resolution 2016-150** Authorizing Signatures and Identifying Official Signatures on Documents Pertaining to City Matters
16. **Resolution 2016-151** Authorizing Signatures for the Purpose of Accessing and Maintaining City Funds and Investments
17. **Ordinance No. 641** Combining the Offices of City Clerk and Treasurer
18. **Resolution 2016-152** Approving a Contract for Building Official Consulting Services

Motion by Lundeen second by Bergley to approve the consent agenda. Motion carried unanimously.

Motion by Bergley second by Lundeen to adjourn. Motion carried unanimously. Meeting adjourned at 8:09 p.m.

Respectfully Submitted,

Public Hearing

To: Mayor Wimmer
Members of the City Council

From: Roxanne Achman
Community Development Director

Date: May 3, 2016

Subject: Public Hearing for Abatement of the property located at 408 Cardinal Ct NW due to outside storage of rubbish, salvage materials, junk, inoperable vehicles or other miscellaneous refuse and items in violation of City Code 216-2 affecting health and safety and Ordinance No. 445 Zoning, in addition to a failure to maintain basic safety requirements for exterior maintenance City Code Ch 256.

Background

On November 16, 2015 Nick Henly issued a notification letter citing "Failure to maintain basic safety requirements for exterior maintenance." The letter indicated that the missing siding needed to be replaced to maintain a weather tight envelope. Additionally, if the siding was removed to replace the lower level patio door, a building permit must be attained. At this time, the City requested that these issues be taken care of by November 30, 2015, if the residents were unable to make the corrections in the required time, they were invited to contact the City.

After a drive by inspection on January 21, 2016 a notice was sent by the CZ/ET, to the homeowner, Ashley Jones. The notice reminded Ms. Jones of the original letter sent on November 16, 2015, reciting the need to replace the siding. Additionally, the notice indicated that the property has further code violations, which included:

1. Outdoor storage refrigerator (without a door)/debris
2. Vehicle parked/stored on the grass
3. RV being used as a residence

The letter requested the residents to be in compliance with City Code by replacing the following:

1. Replace the siding to maintain a weather tight envelope at the property.
2. If siding was removed to replace the lower level patio door, a building permit must be attained.
3. Properly dispose of the refrigerator and debris
4. Remove the vehicle from the grass and park/store it on an impervious surface
5. Ensure that the RV is not being used as a residence (14+ days not permitted)

The City requested that Ms. Jones complete these by February 5, 2016. At this time, it was indicated that failure to comply by the due date or contact the City, by the deadline would result in an Administrative Citation of $200.

On February 8th, the CZ/ET conducted a site visit and observed that the camper and vehicle had been moved from property. However, a number of issues remained (missing siding, debris, and refrigerator). It should also be noted that the City received no correspondence or contact from the residents. An Administrative Citation of $200 was issued to Ashley Jones for failure to remedy the code compliance issues. The Administrative Citation had a due date of February 18th, 2016.

The Development Advisory Committee was consulted on April 21st regarding abatement. The committee recommended beginning the abatement process immediately.

A public hearing notice was posted and sent to the property owner on April 21st, with a public hearing date of May 3rd. Notice was also published in the Isanti County News on Wednesday, April 27th, 2016

On the day this memo was completed for the Council packet (April 28, 2016) the property remained in violation with no apparent progress being made. The property will be reinspected on May 3rd just prior to the City Council meeting and an update will be provided to the City Council.

Staff Request
City staff is requesting action on this item.

RESOLUTION NO. 2016-

RESOLUTION TO AUTHORIZE NUISANCE ABATEMENT FOR PROPERTY LOCATED AT 408 CARDINAL CT NW

WHEREAS, the property owner of 408 Cardinal Ct NW is in violation of City Code 216-2 affecting health and safety and Ordinance No. 445 Zoning and City Code Chapter 256 Residential Property Maintenance Standards; and,

WHEREAS, the process was followed under City Code §216-6 (Abatement) whereas the City served notice to the property owners regarding the violation; and

WHEREAS, City Code §216-6 provides for calling a public hearing to hear on the matter and notice shall be provided to the property owner of the hearing date; and

WHEREAS, City Code §216-6 after subject hearing the Council may abate the property and direct the City provide the services to allow compliance of the Nuisance Code.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota as follows:

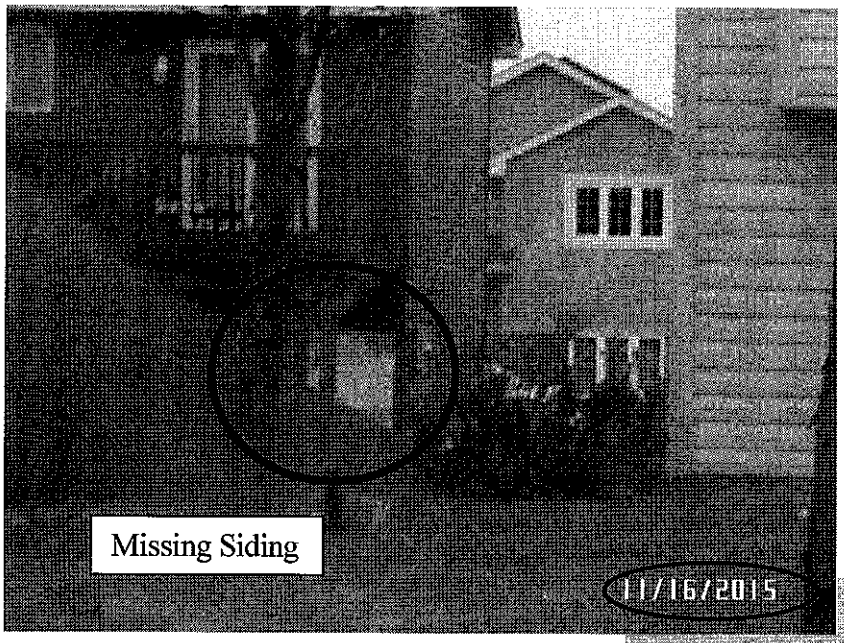
1. The property owner and/or occupant shall be given until Wednesday, May 11th, 2016 to come into compliance.
2. The Code Enforcement/Zoning Technician shall inspect the property on Wednesday, May 11th, 2016 and if the property is found not to be in compliance, the property located at 408 Cardinal Ct NW shall be hereby abated.
3. Upon provision of City Code §216-6. Staff is hereby directed to submit to Council a list of the total unpaid charges along with all other such charges as well as other charges for current services to be assessed under Minnesota Statutes, Section 429.101.

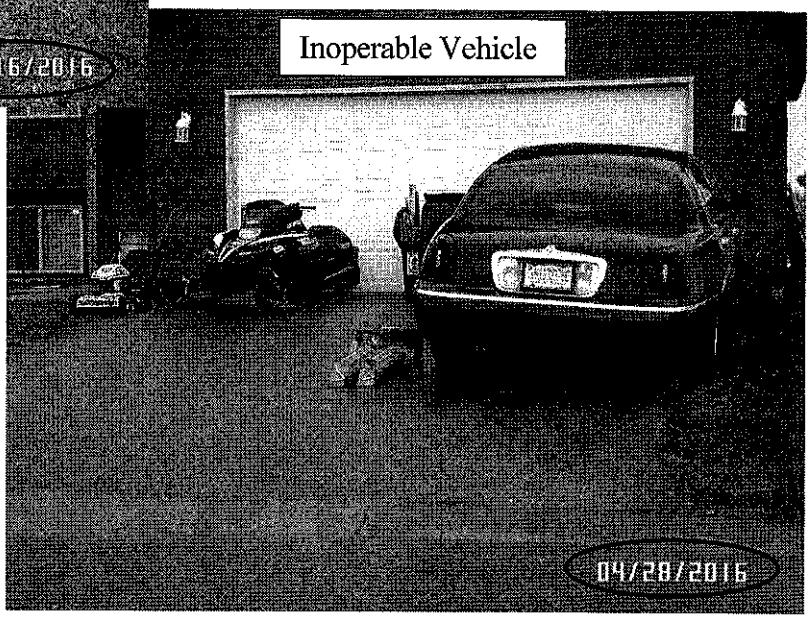
This resolution was duly adopted by the Isanti City Council this 3rd day of May, 2016.

ATTEST: Mayor George A. Wimmer

Donald C Lorsung
City Administrator

408 Cardinal Ct NW





NOTICE OF PUBLIC HEARING FOR PROPERTY ABATEMENT

The Isanti City Council will hold a public hearing at their regularly scheduled meeting on **Tuesday, May 3rd, 2016 at 7pm** to review the violations of City Code that have occurred on this property. Based upon the evidence that will be provided, the City Council will consider authorizing the nuisance abatement for the property at your expense. Your attendance is recommended.

Based upon that authorization, your property shall be re-inspected and if the property is found to be non-compliant, the property will be abated immediately. Items will be removed by the City at that time; and you will be liable for all costs incurred by the City for the abatement, including administrative costs. Upon the provision of City Code 216-7 (Recovery of Cost), Staff has been directed to submit to Council a list of the total unpaid charges along with all other charges as well as other charges for current services to be assessed under Minnesota Statutes, Section 429-101.

If you have any questions or concerns please contact me as soon as possible. I can be reached at (763) 444-5512 or via e-mail at codeandzoning@cityofisanti.us

ASHLEY JONES
408 CARDINAL CT NW
ISANTI, MN 55040

RE: Notice of Property Abatement at 408 Cardinal Ct NW, Isanti, MN

Dear Ms. Jones,

The City Council will be holding a public hearing at their regularly scheduled meeting on Tuesday, May 3rd, 2016; to review the violations of City Zoning Ordinance 445:

Chapter 216 Nuisances, Sub 2L Public nuisances affecting health.

> "Any outside storage of rubbish, salvage materials, junk, vehicles without current license plates, not in street operable condition, or not currently insured; or miscellaneous refuse when the same is construed by the City Council to be a menace or a nuisance to the public health, safety, or general welfare and to have a depressing influence on property values in the area."

Chapter 256 Residential Property Maintenance Standards, Sub 9H Basic safety requirements for interior and exterior maintenance.

> "…All siding and masonry joints as well as those between the building envelope and the perimeter of windows, doors, and skylights shall be maintained weather-resistant and watertight."

Based upon the evidence that had been provided, the City Council will make a determination on nuisance abatement for the property located at 408 Cardinal Court Northwest.

You will be liable for all costs incurred by the City for the abatement, including administrative costs. Your attendance at the May 3, 2016, 7pm, City Council meeting at Isanti City Hall 110 – 1st Ave NW, Isanti, is recommended.

Please contact me with any questions or concerns that you may have regarding this letter or City Ordinance requirements. I can be contacted at (763) 444-5512 or via e-mail at rachman@cityofisanti.us.

Thank you for your assistance in this matter,

Ashley Jones
408 Cardinal Ct NW
ISANTI, MN 55040

Greetings,

On November 16th, 2015 you were notified that your property was in violation of city ordinance in regards to Residential Property Maintenance standards. On January 22nd, 2016 you were remind of the maintenance issues and were notified of outdoor storage of debris and a vehicle parked on grass. While the City appreciates that you moved the vehicle, the original property violation remains as well as the accumulation of debris. Since you have not contacted our office to discuss this matter and the violation remains. This is an Administrative Citation for the violations listed below.

ORDINANCE	DESCRIPTION	ACTION NEEDED TO BE CORRECTED	FINE	DUE DATE
Ch 256-9	Res. Property Maintenance	Siding needs to be replaced. A building permit must be attained if siding was removed to replace the lower patio door	$200	February 18th, 2016
Ch 216-2	Outdoor refrigerator/debris storage	The refrigerator and debris storage, and refuse in the driveway must be stored indoors or properly disposed of		

In order to avoid further penalties, you will need to pay the fine **AND** correct the violation by the due date or request an Administrative Hearing in writing. Please feel free to contact me, Mon—Fri 8am to 12 noon, at (763) 444-5512 or email me at codeandzoning@cityofisanti.us

A 10% late fee will be assessed after 10 days of non-payment and/or non-compliance. City code violations that are not resolved may also be referred to the City Council for abatement which will be done at the homeowners expense and may result in a lien upon the property. Additionally, the City of Isanti may turn over non-compliant property owners to the Police Department for criminal prosecution. Property owners wishing to appeal an administrative citation may elect to moderate the violation with a neutral 3rd party if they notify the City within 10 calendar days of the issuance of this administrative citation. Each day a violation exists constitutes a separate offense and is subject to additional fines.

Respectfully,

Matt Lindholm

Isanti, MN 55040

NOTICE

Dear Property Owner(s),

City Code violation(s) have been noted on your property at 408 Cardinal Court Northwest.

Violation description 1: **Failure to maintain basic safety requirements for exterior maintenance**

Violation description 2: **Outdoor refrigerator/debris storage**

Violation description 3: **Vehicle parked/stored on grass**

We understand that no one enjoys receiving a city code violation but city codes help keep our community safe, friendly and beautiful. I am here to help you remove the violations on the property.

Enclosed is the city code and parking matrix for which the violation has been noted and detailed information about how to come into compliance. Please review this information especially any notation in bold type.

The due date to come into compliance for the mentioned violations is on or before Feb 5th, 2016. To be compliant with City Code, the siding needs to be replaced to maintain a weather tight envelope at the property. If siding was removed to replace the lower level patio door, a building permit must be attained. The refrigerator and debris storage, and refuse in the driveway must be stored indoors or properly disposed of. The vehicle(s) being parked on the grass, by City Code, is/are not permitted to be parked/stored there at any time of the year. To be in compliance with City Code, please ensure that vehicles are parked on the surface of the driveway or the garage.

Additionally, as you may know, RV's can be legally parked and stored in the driveway of residential properties within the City of Isanti. The use of these vehicles for habitation, however, is limited to the use of these vehicles for guest use and is limited to use for 14 days in one calendar year. The City asks that you ensure that the RV is not being used as a residence.

If you feel that there has been an error or you are unable to make the corrections in the required time or need help understanding how to return your property into compliance, please contact me. My office hours are 8:00am to 12:00 noon, Monday through Thursday. **Please contact Matt at (763) 444-5512** or email to **codeandzoning@cityofisanti.us.**

Sincerely,

Matt Lindholm

Violation 1: **RESIDENTIAL PROPERTY MAINTENANCE STANDARDS**
Ordinance: General Legislation Chapter 256
Description: §256-9 Basic safety requirements for interior and exterior maintenance

H. Protective Treatment. All exterior surfaces, including but limited to doors, door and window frames, garage doors, cornices, porches, trim, balconies, decks and fences shall be maintained in good condition as determined by the City Inspector. Exterior wood surfaces, other than decay-resistant woods, shall be protected from the elements and decay by painting or other protective covering or treatment. Peeling, flaking and chipped paint shall be eliminated and surfaces repainted. **All siding and masonry joints as well as those between the building envelope and the perimeter of windows, doors, and skylights shall be maintained weather-resistant and watertight.**

Violation 2: **NUISANCES: Outdoor refrigerator/debris storage**
Ordinance: General Legislation Chapter 216
Description: §216-2 The following are hereby declared to be nuisances affecting health:

L. Any outside storage of **rubbish, salvage materials, junk**, vehicles without current license plates, not in street operable condition, or not currently insured; or miscellaneous refuse when the same is construed by the City Council to be a menace or a nuisance to the public health, safety, or general welfare and to have a depressing influence on property values in the area.

Violation 3: **VEHICLE PARKING & STORAGE**
Ordinance: 227 PARKING AND STORAGE
Description: 227-8 Storage and Parking Restrictions

A. *All outdoor storage and/or parking of any unit in any residentially zoned district shall comply with the requirements set forth in the matrix grid attached hereto, and incorporated herein as Exhibit A*
B. *All motor vehicles and all units as identified within Exhibit A which are parked or stored outdoors in any residentially zoned district shall be maintained in a clean, well-kept manner, be currently licensed, operable/usable, and road legal. Storage of dilapidated or unsightly units is prohibited.*
C. ***Personal vehicles**, company vehicles, recreational vehicles, trailers and fish houses may be parked or stored outdoors in a residentially zoned district, only on the property of the owner, resident or authorized user of such unit, and in accordance with the provisions of this section:*
   (1) ***All vehicles and units with motors shall be parked and stored on an impervious surface. Units without motors require improved surface (see definitions below)***
   (2) The lot area covered by impervious surface must not exceed the maximum allowed within the applicable zoning district
   (3) Recreational vehicles shall be mobile and shall not be permanently affixed upon any foundation nor upon or in the ground in any manner that would prevent portability
   (4) A screening fence must be provided when the unit is visible from adjacent properties and/or the street, when located in the rear yard. Exceptions may be provided when a fence would limit legal access to a street. Screening fences shall meet all requirements as set forth in Ordinance No. 445 Zoning. When a screening fence is used, the entire length of the unit, 50 percent of the height of the unit, and at least three (3) sides of the unit must be screened at ground view from any neighboring property or the right-of-way. All fencing must be maintained on a property. Screening must be made from approved materials.
   (5) An area under a deck located within the rear yard may (be) utilized to store units identified in this article, provided they fit entirely under the deck an meet the appropriate surfacing requirements. Screening fence requirements must be met however, the fence shall not create an entirely enclosed area. One side of the area below the deck must remain open to allow air flow.
   (6) Only one (1) trailer or recreational vehicle shall be permitted at anytime on the driveway. Boats, snowmobiles, or personal watercraft stored on a single trailer will count as one unit.

227-1 Definitions.
IMPERVIOUS SURFACE - Areas where water, air or roots cannot readily penetrate the soil. Examples include concrete, asphalt, bituminous; driveway pavers systems with a minimum thickness of 60 mm (2-3/8 inch) and with gaps not to exceed ¼ of an inch.

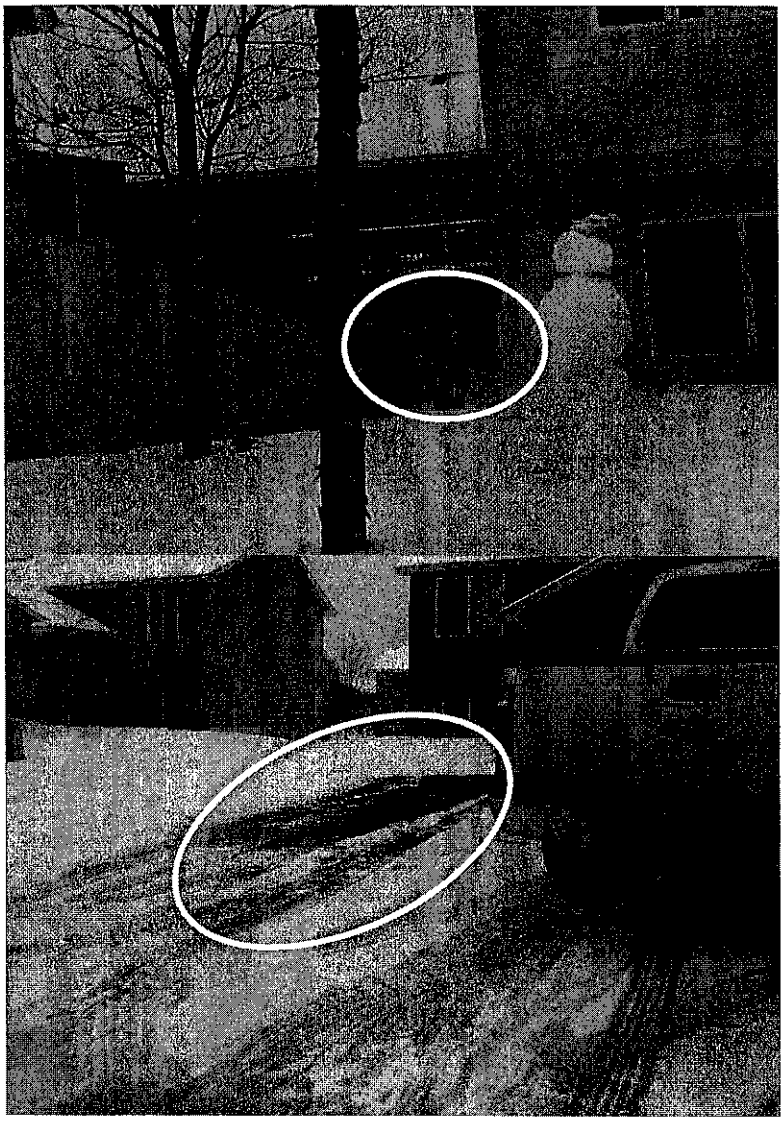
EXHIBIT A

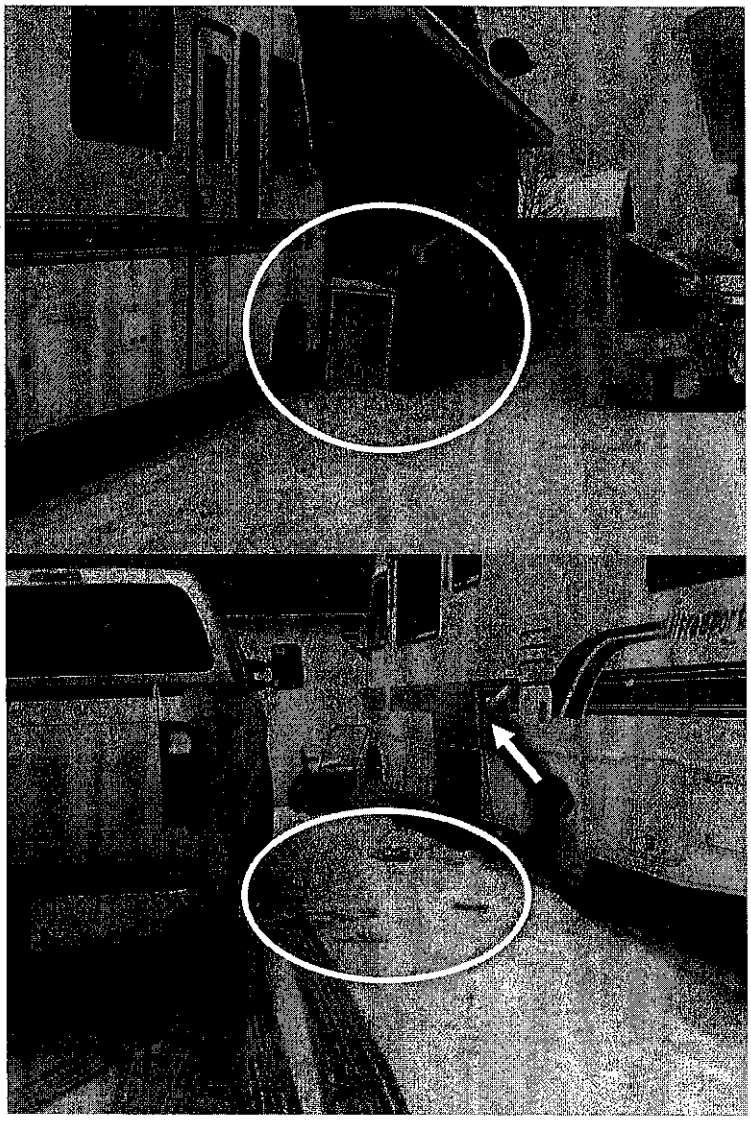
Type of Unit	Where on Lot	Surface Type	Size Limit	Screening	Number Allowed
PODs. Roll-off bins	Driveway or Side Yard: On a parking pad or extension of the driveway, unless a different location has been authorized.	Impervious or Improved	20' long Max of 10 feet in height	Not required	1
Trailers, Boats, RV's, Fishhouses (with wheels), Snowmobiles, personal watercraft, and ATVs	Front Yard: Shall be ten (10) feet from the curb line or sidewalk. Shall be on an extension of the driveway.	No Motor - Impervious or Improved Motor - Impervious	Maximum length shall be less than the primary structure and a maximum height of fifteen (15) feet	Not required	2 (one in front yard)
	Side yard. On an extension of the driveway or on a pad abutting the garage. No closer than 5 feet from property line.			Not required	
	Rear yard. No closer than 5 feet from property line.			Yes (Meet requirements of Ord No 445 Zoning)	
Fish houses (no wheels)	Rear yard only. Must met setbacks established for an accessory structure in zoning district designation.	Impervious or Improved	Maximum width of 8.5 feet; maximum length of 12 feet	Similar to primary structure or screened in accordance with Ord. No. 445 Zoning	1
Company vehicles	Front Yard or Side Yard only: Shall be ten (10) feet from the curb line or sidewalk on driveway or an extension of driveway.	Impervious	Maximum of 15,000 pounds' GVWR	Not required	1

Type of Unit	Where on Lot	Surface Type	Size Limit	Screening	Number Allowed
Personal vehicles	Front and side yard. Shall be on the driveway or an extension of the driveway; or on a pad abutting the garage.	Impervious, unless property meets Section 227-11 of this Chapter.	Maximum of 15,000 pounds' GVWR	Not required	4
	Rear yard. Shall be on the driveway or an extension of the driveway abutting a detached accessory structure if no attached garage.	Impervious, unless property meets Section 227-11 of this Chapter.	Maximum of 15,000 pounds' GVWR	Not required	

Maximum Number of all vehicles/units permitted on a property is five (5), providing the requirements of this Chapter can be met

NOTE: NO UNITS OF ANY TYPE EXCEPT PERSONAL VEHICLES MAY BE PARKED OR STORED IN THE PUBLIC RIGHT OF WAY, INCLUDING BUT NOT LIMITED TO ANY PUBLIC STREET, UNLESS AUTHORIZED UNDER THE PROVISION OF SECTION 3, PARAGRAPH E OF THIS ORDINANCE.





To review this City Ordinance on the web, go to http://ecode360.com/documents/IS2802/source/505583.pdf

Action must be taken on or before February 4th , 2016. Failure to come into compliance prior to the due date may result in an administrative citation from the City of Isanti, which carries a fine of up to $200 per day that the violation continues to exist. A 10% late fee will also be assessed after 10 days of non-payment or non-compliance. City code violations that are not resolved may also be referred to the City Council for abatement which will be done at the homeowner's expense and may result in a lien upon the property. Additionally, the City of Isanti may turn over non-compliant property owners to the Police Department for criminal prosecution. Property owners wishing to appeal an administrative citation may elect to moderate the violation with a neutral 3rd party if they notify the City within 10 calendar days of the issuance of an administrative citation.

ORDER TO CORRECT CITY ORDINANCE VIOLATION

Dear Property Owner(s),

A City Code violation have been noted on your property.

Violation description: **Failure to maintain basic safety requirements for exterior maintenance**

We understand that no one enjoys receiving a city code violation but city codes help keep our community safe, friendly and beautiful. I am here to help you remove this violation on your property.

Enclosed is the city code for which the violation has been noted and detailed information about how to come into compliance. Please review this information especially any notation in bold type.

Your due date to come into compliance is on or before Nov 30th 2015. In order to be in compliance, the siding needs to be replaced to maintain a weather tight envelope at the property. If the siding was removed to replace the lower level patio door, a building permit must be attained.

If you feel that there has been an error or you are unable to make the corrections in the required time or need help understanding how to return your property into compliance, please call my office. My office hours are 8:00 to 4:30, Monday through Friday. **Please contact Nick at (763) 444-5512** or email to **codeandzoning@cityofisanti.us**

Respectfully,

Nick Henly
Building Inspector

Request for City Council Action

To: Mayor Wimmer
Members of the City Council

From: Katie Everett
Community Events and Parks Coordinator

Date: May 3, 2016

Subject: Continued Use of Sportsman Field - Isanti Redbirds

Background:
The issue of the Isanti Redbirds' insurance came up in Spring 2015 after there was a vandalism incident on site. It was discovered that the Redbirds did not have any sort of property insurance to cover the building on site or their equipment nor do they carry liability insurance to cover players and spectators. The organization has their players sign a waiver releasing the Redbirds from liability when playing.

This issue was brought to the Parks, Recreation, and Culture Board on May 26, 2015. At that time, the Board determined that an agreement needed to be made with the Isanti Redbirds. The Cambridge-Isanti Soccer Club has an agreement in place in which the City carries the liability insurance but the soccer club reimburses those payments.

Since the May Park Board meeting, staff have been working with the Redbirds to create an agreement, but have yet to receive a final document from them. The latest correspondence indicated that the Redbirds were asking an attorney to review the documents. Staff have witnessed activity on the Redbirds field in April of 2016.

Parks, Recreation, and Culture Recommendation:
At the April 26, 2016 Parks, Recreation, and Culture Board meeting, the board recommended that City Council consider requiring the Isanti Redbirds to cease all activities at Sportsman Field/Redbird Field until an agreement has been obtained.

Staff Request:
Staff is requesting that City Council determine the best course of action going forward immediately and into the future.

Lease Agreement and Operating Policy Between

City of Isanti (Lessor) and Cambridge - Isanti Redbirds, Inc. (here and after Redbirds Baseball) (Lessee)

LEASE AGREEMENT AND OPERATING POLICY FOR REDBIRD FIELD ALSO KNOWN AS SPORTSMAN FIELD

Lease Agreement

In consideration of contributions by Lessee to the costs of construction, maintenance and operation of the baseball field known as Redbird Field and also known as Sportsman Field, as set forth in the Operating Policy listed below, the City of Isanti does agree to lease Redbird Field to Redbirds Baseball, for the sole and exclusive use as and for outdoor recreational purposes, in accordance with the Operating Policy for an indefinite period of years terminable upon the occurrence of any of the following events:

1. In the event Redbird Field ceases to be used for a consecutive period of twelve (12) or more months for Minnesota Baseball Association sanctioned competitions, the City of Isanti in its sole discretion, can declare said lease to be terminated.
2. In the event that Redbirds Baseball cease to exist as a tax exempt organization pursuant to the provision of Section 501 (c) (4) of the Internal Revenue code, the City of Isanti in its sole discretion, can declare said lease to be terminated.
3. In the event Redbirds Baseball fails to maintain Redbird Field in a manner appropriate to standards set by the Minnesota Baseball Association and fails to correct issues within a period of one (1) year after the initial notice of such deficiency, the City of Isanti in its sole discretion, can declare said lease to be terminated.
4. In the event Redbirds Baseball should become voluntarily or involuntarily insolvent and unable to pay its debts and meet the obligation of normal business, the City of Isanti in its sole discretion, can declare said lease to be terminated.
5. In the event of termination by mutual agreement of the parties upon such terms and conditions as the parties shall agree in writing.
6. Unless otherwise extended by mutual agreement of the parties, this agreement shall automatically terminate as of December 31, 2025.
7. In the event Redbirds Baseball should be in breach of any of its obligations set forth below, and fails to correct any such breach within a period of 30 days after the initial notice of such breach from the City of Isanti, the City of Isanti in its sole discretion, can declare said lease to be terminated.
8. In the event Redbirds Baseball should not be able to receive funds from charitable gambling, the said lease shall be reviewed for renegotiation.

Upon termination of this lease all improvements, fixtures, and infrastructure of whatever description added to the property described in the Resolution during the term of the lease shall remain with the premised and shall become the sole and exclusive property of the City of Isanti, unless otherwise specifically agreed in exiting between the City of Isanti and Redbirds Baseball.

Operating Policy

Intent

It is the intent of this Operating Policy for the City of Isanti and Redbirds Baseball to establish an understanding of both the City's and Redbird's respective responsibilities with regards to the operation, use, and maintenance of the baseball field. This policy may be amended with approval of both the City of Isanti and Redbirds Baseball. The City of Isanti shall make its best efforts to notify Redbirds Baseball whenever the policy is discussed in the future.

Hours of Use

Redbirds Baseball has the sole and exclusive use of the property legally described within the Resolution for the outdoor recreational purposes of Redbird baseball field. The hours of use for Redbird Field shall extend 7:00 a.m to 11:30 p.m. notwithstanding the 10:00 p.m. closing otherwise applicable to other facilities in Bluebird Park.

Community Use
Community members may not utilize the baseball field without prior approval from Redbirds Baseball. Redbirds Baseball may open the baseball field for use by other private or public entities for baseball related events. Inquiries made for these types of events through City offices shall be forwarded to Redbirds Baseball for consideration and approval.

Special Events (Tournaments and Meets)
Prior to hosting any tournament and/or other special event or meet, Redbirds Baseball shall be responsible for obtaining the necessary Special Event permit for the City of Isanti, in accordance with Isanti City Code of Ordinances Chapter 278.

City of Isanti

1. The City of Isanti authorizes Redbirds Baseball to manage the property as long as the property is used for its intended purpose, which is a baseball field.
2. The City of Isanti authorizes and directs City staff to work with Redbirds Baseball in order to resolve any minor issues that may arise after this Agreement has been approved and signed, providing the resolution to such issues do not violate the intent to this Agreement.
3. The City of Isanti shall provide water and sewer service stubs to the concession building and restroom facilities, once those facilities are constructed and made available on the property. WAC and SAC fees shall be waived at that time.
4. The City of Isanti shall be reimbursed for utility fees incurred for lighting of Redbird Field.
5. The City of Isanti agrees to waive all fees normally associated with site plan, conditional use, interim use, sign permits and other planning/zoning approvals.
6. The City of Isanti shall add Redbirds Field thereon as an insured property under its existing property damage insurance. All equipment existing and future building or structures shall be included in that coverage.
7. When the City of Isanti becomes aware of grant opportunities, the City shall forward those opportunities along to Redbirds Baseball. The City agrees to provide letters of support to Redbirds Baseball for such grant opportunities.
8. The City of Isanti shall be responsible for all cost associated with future improvements of Third Avenue NW and Isanti Parkway NW.
9. The City of Isanti's commitments as described in this agreement, are subject to the condition that Redbirds Baseball provide adequate evidence satisfactory to the City that it is able to cover all operating expenses and any future projects in accordance with all terms and conditions herein agreed upon.

Isanti Redbirds Baseball

1. Redbirds Baseball shall not incur any debt to which the City of Isanti would be held liable for and will not charge the City of Isanti for any improvements in the event that Redbirds Baseball would become non-operational.
2. Redbirds Baseball, at its sole expense, shall ensure toilet facilities are available when the field is in use.
3. Redbirds Baseball, at its sole expense, agrees to maintain and/or install private wells as necessary for an irrigation system to facilitate maintenance of the baseball field.
4. Redbirds Baseball is responsible for, at its sole expense, all regular maintenance items associated with the baseball field, to include but is not limited to mowing, weed trimming and routine turf repairs.
5. Redbirds Baseball will be responsible, at its sole expense, for routine maintenance and improvement to the baseball field including but not limited to making repairs to concession stand, bleachers, batting cage and fencing.

6. Redbirds Baseball, at its sole expense, will make necessary improvements and/or additions to the baseball field that have been deemed necessary to field a competitive baseball team.
7. Redbirds Baseball shall have the sole responsibility, at its sole expense, of all necessary equipment for field maintenance and/or operation and all storage of such equipment.
8. Redbirds Baseball will continue to utilize charitable gambling funds to maintain and improve Redbird Field in accordance with the standards applicable since the inception of the use of charitable funds by Redbirds Baseball for maintenance and improvements of the Field.
9. Redbirds Baseball will carry premises liability and participant accident coverage and shall name the City of Isanti as the additional insured thereunder.
10. Redbirds Baseball shall reimburse the City of Isanti annually for the City's cost for general property damage insurance.
11. Redbirds Baseball shall reimburse the City of Isanti annually for utility fees incurred for lighting of Redbird Field.

Maintenance
Redbirds Baseball is responsible, at its sole expense, for all regular maintenance items associated with Redbird Field, including but is not limited to, dugout repairs, concession repairs, fence repairs, lighting, mowing, weed trimming, field repairs and routine turf repairs. Redbirds Baseball is solely responsible for any costs associated with the construction of new facility elements or elements needed for the Redbirds. All necessary equipment for field maintenance and/or operation and all storage of such equipment shall be the sole responsibility of Redbirds Baseball.

Site Improvements
Redbirds Baseball is solely responsible for all costs incurred for necessary site improvements. All site improvements shall meet the applicable Ordinance requirements as established within the Isanti City Code of Ordinances as well as the Zoning ordinances, and shall also comply with any applicable State and/or Federal laws or regulations. Prior to construction or alteration of new and/or existing facilities and/or building, parking area, lighting, and other similar facilities and amenities; Redbirds Baseball shall receive any necessary planning and zoning approval prior to construction on the property. All signs not housed within the perimeter of the baseball field, whether temporary or permanent, shall receive City Council approval, in accordance with the Zoning Ordinance.

Dialogue via email between City Staff, Josi Wood, and Cindy Lind-Livingston, Redbirds Baseball Contact.

After damage occurred at the Redbirds concession stand, staff began dialogue with Cindy regarding the insurance that they carry or lack thereof. It was found that the City is not reimbursed for the general property insurance premium and Redbirds did not carry their own liability or general insurance for the players or Redbirds equipment.

May 26, 2015 **Discussion with Cindy and sent item to the Parks, Recreation and Culture Board for discussion.**

August 3, 2015 Staff emailed Cindy in regards to reimbursing the City for insurance as that is what happens with other entities using city property

August 19, 2015 Staff asked Cindy if the Redbirds Board had made a decision to go with the City's property insurance and asked when they would be getting their liability insurance

August 24, 2015 Cindy stated she was still checking into it and that they didn't think they had funds to cover it. She said games were over for this season.

Sept 3, 2015 Staff stated…We would like to set up a meeting to discuss the liability and general insurance with you as well as an agreement so as to protect and be in the best interest of both the Redbirds and the City.

Sept 11, 2015 Meeting with staff and Cindy to discuss an agreement and insurance with Redbirds

October 14, 2015 Staff sent a draft of an agreement (Soccers) to Cindy to work off of.

October 16, 2015 Staff sent Cindy the 2015 insurance numbers so Redbirds would know what the City was asking to be reimbursed for.

October 19, 2015 Cindy stated The Redbird Board is working to come up with a proposed contract with the City. The numbers you sent are very helpful. Costs of electric were also sent to Cindy.

December 15, 2015 Staff asked…Have you had a chance to add items from the Redbird's perspective in the contract? Cindy stated she would get back to staff by the end of the week.

January 5, 2016 Cindy sent staff a draft of what they would like included included/excluded in the agreement and also a letter to the City stating they have invested a lot into the establishment.

January 5, 2016 Staff asked Cindy when she could come in to discuss the agreement. The meeting was held January 19th with Don, Mayor Wimmer and Josi.

Here was the recap of the meeting after the Mayor had left…

She was confused about the difference between liability participant coverage and general property insurance coverage (She didn't remember that I had explained it in prior emails a couple months ago). She thought the two would be one in the same. After explaining the difference, she was perturbed that there could potentially be more costs for the Redbirds and explained to Don and I that the reason why they came to Isanti was because of issues in Cambridge and she would hate to see them go back. She asked if the City could carry the liability portion for the participant coverage and then reimburse us for that. She stated she didn't have a good source to get the insurance at a reasonable cost although she did have one person she could call.

January 19, 2016 With input from Cindy, the agreement was sent to Clark to review.

January 21, 2016 The agreement was sent to Cindy for a final review.

January 21, 2016 Cindy asked for the insurance information again. Staff emailed her the numbers again.

January 25, 2016 Cindy asked…"Is there a reason that the City wants the right to appoint a representative to our Board? I would like to remove this from under City of Isanti #4."

January 25, 2016 Staff had this reply…"We have that on all of our agreements including soccer and BMX. This would need to be discussed at the Parks, Recreation and Culture Board to potentially alter." In later discussions, the Mayor mentioned we could remove this if that was the only item hanging up the agreement.

January 25, 2016 Cindy stated…"We will not be prepared to meet with Park and Rec tomorrow. Our next Board meeting is Sunday February 7th. I am sure we will have lots to discuss regarding the lease. If need be we will talk to the Park and Rec at their February meeting."

January 25, 2016 Cindy stated…"I am checking into insurance and was asked if we would be responsible for insurance year round or just the months that we use the field? "

January 25, 2016 Staff stated…"For the liability and participant insurance, I believe it would be only for the months that you operate or use the field but I would need to confirm that with Clark and the committee."

January 25, 2016 Staff received this response from the City's insurance and forwarded to Cindy on January 26th, 2016…"Since the City does not have an insurable interest or liability in their (the redbirds) operations, we would not be able to insure them. The redbirds would need to get their own separate policy (which would not be tied to the City in any way or under the City's insurance). The redbirds can work with Associated Financial regarding insurance and Pat can help them - walk them through costs and determine the appropriate insurance. Below is Pat's contact information. I did let Pat know that the redbirds are curious about having insurance only on the months that they are operating (April through October). Pat is going to take a look into this and see if this is an available option.

Please let us know if you would like to have Pat reach out to the redbirds, or if the redbirds will be reaching out to him. If you would like Pat to reach out to the redbirds, please give him Cindy's name and contact number (or the appropriate contact he should reach out to)."

January 26, 2016 Staff informed Cindy that the City would remove the request to have a representative on their Board.

March 28, 2016 Staff wrote this to Cindy…"With Baseball season right around the corner, I wanted to touch base with you and see if the Redbirds are planning to move forward with purchasing their insurance through the City."

March 31, 2016 Cindy asked for the agreement in the latest version again. She stated…"My group meets on April 10th and I would like to have a final version for them to review. If we do agree to purchase insurance it will be through a private insurance company. It is about a third of the cost that the City quoted."

April 4, 2016 Staff resent the final draft of the Agreement to Cindy.

April 13, 2016 Cindy wrote…"Our Lease Committee met on Sunday and have decided to have a lawyer take a look at the agreement. The lawyers will hopefully get back to me by the end of the week or early next week. I will keep in touch."

MEMO

To: Chair Zdon
Members of the Parks & Recreation Board

From: Josi Wood
Community Events & Parks Coordinator

Date: May 26, 2015

Subject: Redbirds Building/ Content Insurance

A comment came in from Cindy Lind, Redbirds President, in regards to who covers the insurance and who pays for building and contents if there was vandalism or a natural disaster. This came after the window was shot out by a bb gun. She was under the impression that it would be the City due to the fact that they need to report the contents and values to the City and they were not required to carry their own insurance. The Redbirds determined that it would be cheaper to replace the window versus file a claim, but this left Staff wondering more about the agreement with this organization.

Staff asked Ms. Lind if the Redbirds carry their own insurance on their buildings and contents and she stated they did not. When staff asked if Ms. Lind was aware of an agreement she stated "The only agreement we have with the City is that we donate money to the City and that money is specifically used for the upkeep of the field. We don't own the field or the buildings. They are City property and for the use of them we pay the maintenance cost of the field for the City."
When staff asked Ms. Lind if the Redbirds carry liability insurance which would cover accidents or injuries to players or spectators she stated "No. I talked to Clark about that and he, in so many words, said that if someone got hurt they would go after the big fish and that would be the City.
We have our players sign a waiver releasing the Redbirds of any liability when playing."

Staff was able to find a resolution stated the same as Ms. Lind stated but no other agreements making statements in regards to insurance. The other resolutions found were in reference to a grant and loan, which the remaining balance was later forgiven, to build the concessions stand and for the installation of a batting cage. It is possible that back when the "agreement" was made, it was either done verbally or at least without a Resolution stating the terms.

Staff contacted the City's insurance carrier and we do in fact carry Building/Contents insurance for their concession stand, ballfield, and pump house. The batting cage is not being covered at this time by anyone.

In a relatable situation, the City carries the insurance for building and content for the Cambridge-Isanti Soccer Club in the amount of $2261.00 per year (this was the 2014 cost), but the City is reimbursed those costs by the Soccer Club.

Staff Request

Staff is looking for direction from the PRC board on whether the City would like to formally enter into an agreement with the Redbirds that outlines terms of the relationship or leave it status-quo. Staff is concerned that there is not liability carried on behalf of the Redbirds which would cover not only the players but also the spectators.

Attachments

- LMC Insurance schedule
- RES No. 1998-74
- RES No. 2011-100

Bergwick asked how often this request comes up.

Wood stated this is the first time she has heard of it. Wood stated she just wanted to clarify to make sure the Board was still in the position to not want to allow it so she could confidently let people know if further requests come in.

There was more discussion regarding the implications allowing vendors in the park would have.

Motion by Garvey to continue to not allow fairs in the parks. Second by Bergwick. Motion was unanimously approved.

7. Redbirds Building/ Content Insurance

Wood stated she talked with Cindy, Redbirds President, because they had a window shot out with a bb gun but she said they were not going to make a claim because it would probably be the same as the deductible. It raised the issue of who carries insurance for the Redbirds and Wood wondered why we would be paying for insurance for the Redbirds. Wood stated in a similar case such as the Soccer Club, we carry their insurance but they pay us back. Wood stated as was written in the memo, the City carries their building insurance and there is no agreement we have that requires them to pay or carry their own. Wood stated that they do not even have liability insurance; they have their ball players sign a waiver. Wood stated she worries if someone was to fall off the bleachers, they would sue the City. We have the Soccer Club carry their own liability but for some reason we don't require them to. Wood stated she was looking to the Board on whether or not we should enter into a formal agreement with the Redbirds stating what we would require going forward.

Wimmer stated we are going to have to have an agreement with them. The other Board members agreed.

Wood stated she was surprised to find out there wasn't liability covered on their part.

Bergwick asked who would be responsible if someone did fall off the bleachers and broke their leg.

Wood stated it would be the City.

Garvey stated the liability piece of paper they are signed means nothing. Others agreed.

Bergwick made a motion to approach Redbirds to carry their own liability insurance. Wimmer made a friendly amendment to the motion to also add going into a formal agreement with Redbirds to cover use of property, insurance and other items that we have with other such nonprofits using property of the City. Second by Garvey. Motion was unanimously approved.

7. Acquisition of properties 605 and 607 First St SW

Wimmer stated he wanted this on the agenda because every year we receive a list of properties that goes through tax forfeiture which the DNR gets the first dibs then the City gets second. The area really isn't served by a park. Wimmer stated the Tot Lot and Whisper Ridge is kind of nearby. Wimmer stated he asked the question to Roxanne in the zoning department of whether or not this would be a good location being along a road and wanted to prose the strategic question to the park board on whether we want to start winding down things at Whisper Ridge. Wimmer stated to perhaps put tennis courts on these properties. Wimmer stated in the past it has been talked about getting rid of one at Whisper Ridge. He stated at this point he wasn't saying what should be done but this is available and accessible where it could be policed better and potential allow Whisper Ridge to become green space.

Request for City Council Action

To: **Mayor Wimmer and Members of City Council**

From: Josi Wood, Public Services Director

Date: May 3, 2016

Subject: Consider Ordinance to Amend City Code 325-6 Meters, Ordinance to Amend City Code 160 Fees, and Resolution to Amend the Fee Schedule

---

Background:
Staff became concerned about the budged amount for new construction water meters especially as we have the new business development and the need to purchase larger than standard meters. There was not a clear definition in City Code as to who paid for new construction meters therefore staff has outlined this per the recommendation of the Finance Committee.

Staff has included language to amend the current Fee Schedule under the Sewer and Water Department as shown in the attachment. The amended language is underlined and is as follows:

Sewer and Water Department

Delinquent Posting Notice Fee	$15.00
New Construction:	
Meter (5/8 & 3/4 inch)	Cost included in permit fee
Meter (larger, > 3/4 inch, diameter)	Cost minus $285.00
Replacement:	
Meter (5/8 & 3/4 inch)	
Head	$80.00
Body	$230.00
Meter (larger, > 3/4 inch, diameter)	Cost plus $25.00

For clarity an amendment to City Code 325-6 Meters with an Ordinance for such amended action to include the underlined language:

City Code 325-6 Meters States…
All water sold shall be measured by meters unless it is not possible or is impracticable to install such meters. Every customer shall provide a suitable place where a meter can be installed, and the municipality shall install and maintain the same. For the purpose of reading meters, duly authorized employees of the Water Department of this City shall have authority legally to enter upon any premises at a reasonable hour. Where meters are not used, a flat rate of not less than the minimum charge may be established by the Council. Meters are charged per the rates set in the Fee Schedule.

Finance Committee Recommendation:
The Finance Committee met on April 6, 2016 to discuss the need to have language that states that there are costs for new construction water meters that are larger than the standard 5/8 – 3/4 meter size. The Finance Committee reviewed the language as presented April 21, 2016 and recommends the approval to add in language to both the fee schedule and City Code Chapter 325-6 as presented per this document.

Request:
Staff is looking for action on this item.

ORDINANCE NO. XXX

AN ORDINANCE AMENDING CHAPTER 325-6 METERS

THE CITY COUNCIL OF THE CITY OF ISANTI DOES ORDAIN:

Section 325-6, Meters, of Chapter 325 of the Code of the City of Isanti is hereby amended to add the following text:

325-6. Meters.

All water sold shall be measured by meters unless it is not possible or is impracticable to install such meters. Every customer shall provide a suitable place where a meter can be installed, and the municipality shall install and maintain the same. For the purpose of reading meters, duly authorized employees of the Water Department of this City shall have authority legally to enter upon any premises at a reasonable hour. Where meters are not used, a flat rate of not less than the minimum charge may be established by the Council. **Meters are charged per the rates set in the Fee Schedule.**

EFFECTIVE DATE
This Ordinance takes effect upon its passage and publication in the official newspaper of the City of Isanti.

Adopted by the City Council this 3rd day of May, 2016.

Request for City Council Action

To: **Mayor Wimmer and Members of City Council**

From: Josi Wood, Public Services Director/ Assist. City Admin

Date: May 3, 2016

Subject: Resolution to Approve Proposal from Bolton and Menk, Inc. for Engineering Services for Proposed Replacement of 1st Ave NW and City Hall Sidewalks

---

Background:
It was determined that the sidewalk along the East side of 1st Ave, as well as the curb and gutter, are deteriorating and a cause for concern. It was also determined that the concrete in front of city hall has heaved creating multiple tripping hazards and is deteriorating. Bolton and Menk were on site to view the scope of the work the City is looking for. They have submitted a proposal which will include what type of work will be necessary to determine what is needed to replace these areas. Their proposal is attached.

Finance Committee Recommendation:
The Finance Committee discussed and recommended to move forward with the proposal to determine the necessary work of this project as provided by Bolton and Menk, Inc's proposal and to include this project in 2017 budgeting. The recommendation was to allocate funds from Streets (43100), Engineering (303).

Requests:
Staff is looking for action on this item.

Attachment:

- Proposal from Bolton and Menk, Inc._dated 4.16.16

RESOLUTION NO. 2016-XXX

A RESOLUTION AUTHORIZING ENGINEERING SERVICES FOR PROPOSED REPLACEMENT OF 1ST AVE NW AND CITY HALL SIDEWALKS

WHEREAS, it was determined that the concrete sidewalk and gutter along 1st Ave NW and outside the front, North side, of City Hall is in deteriorating condition and in some places a safety concern; and,

WHEREAS, the Finance Committee determined that it would be in the best interest of the city to have Bolton and Menk, Inc. provide a proposal to investigate the scope of such a project; and,

WHEREAS, the proposal by Bolton and Menk, Inc. includes surveying the existing curb and gutter, create plan sheets, prepare a project cost estimate, create bid documents and perform project administration in the amount, not to exceed, $4,800.00; and,

WHEREAS, the Finance Committee determined that it would be in the best interest of the city to move forward with the proposal by Bolton and Menk, Inc. for the fee they provided and the funding would be Streets, Engineering; and,

WHEREAS, the Finance Committee also suggested that the work should be included in 2017 budgeting; and,

WHEREAS, the funding source would be from Streets – Engineering (303) in the total amount of $4,800.00;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to hereby accept the proposal by Bolton and Menk, Inc. to determine the scope of the work to replace the sidewalks along 1st Ave NW and outside of City Hall in the amount, not to exceed, $4,800.00.

Adopted by the Isanti City Council this 3rd day of May, 2016.

MEMORANDUM

Date: April 12, 2016

To: Honorable Mayor Wimmer and Members of the City Council
City of Isanti

From: Bradley C. DeWolf, P.E.
City Engineer

Subject: Engineering Proposal for 1st Ave NW Curb & Sidewalk Replacement
City of Isanti, MN

Bolton & Menk, Inc. is pleased to present this proposal for professional engineering services for the proposed curb and sidewalk replacement work.

The proposed project would replace the existing concrete curb and walk on the east side of 1st Avenue NW from Isanti City Hall to Main Street W. It would also include replacing the settled concrete at the City Hall main entrance and reconstruct the pedestrian ramps to meet current ADA standards.

The existing curb and sidewalk are in a deteriorated condition and in need of replacement and the settled walk is becoming a tripping hazard.

Our scope of work will include the following:

- Survey the existing curb & gutter.
- Create plan sheets depicting the areas in need of replacement.
- Prepare a project cost estimate.
- Create bid documents.
- Perform construction administration and full time field inspection.

We propose to complete the described scope of work for an hourly, not to exceed, fee of $4,800.

Thank you for the opportunity to present this proposal. Please contact me at (612) 756-1032 if you have any questions or need additional information.

Request for Council Action

To: Mayor Wimmer
Members of the City Council

From: Roxanne Achman, Community Development Director

Date: May 3, 2016

Subject: Acceptance of Planning Commissioner Cindy Lind-Livingston's Resignation and Approval to Advertise for an Open Positon on the Planning Commission.

Background

Planning Commissioner Cindy Lind-Livingston has provided a letter of resignation. The Planning Commission will now have a vacant seat. Staff is requesting authorization to advertise for the open board seat.

Attachments:

- Resolution 2016-XXX
- Resignation letter from Cindy Lind-Livingston dated April 12, 2016

RESOLUTION NO. 2016-

RESOLUTION TO ACCEPT PLANNING COMMISSION MEMBER CINDY LIND-LIVINGSTON'S RESIGNATION

WHEREAS, Ms. Cindy Lind-Livingston was appointed by the City Council to serve as a member of the Planning Commission for a term that that expires on December 31, 2017; and

WHEREAS, Ms. Lind-Livingston has served written notice to resign as a member of the Planning Commission.

NOW, THEREFORE BE IT RESOLVED by the City Council of the City of Isanti, Minnesota as follows:

1. That Ms. Cindy Lind-Livingston's resignation as a member of the Planning Commission is hereby approved.
2. That Staff is hereby directed to advertise in the City official paper and post notice to fill the vacant board seat.

This resolution was duly adopted by the Isanti City Council this 3rd day of May 2016.

To: Roxanne Achman
Subject: Planning Commission

Good Afternoon Roxanne,

I have been thinking long and hard about resigning from the Planning Commission and decided that it is time. I have conflicting commitments and feel that I need to simplify my schedule.

Please consider this my resignation. I apologize for the short notice before the meeting.

I appreciate the opportunity to serve.

Thank you.

Request for City Council Direction

To: Mayor Wimmer and City Council Members

From: Sean M. Sullivan, Economic Development Director

Date: May 3, 2016

Subject: Consider Resolution Awarding Contract for Historical Downtown Directional Sign Update to Signs By Jill

---

Background:

City Staff worked with KJD Signs (Ken Drilling) and Pillar Signs and Graphics (Jill Reller) in 2012 to erect an information/directional sign at the intersection of 1st Avenue and Heritage Blvd. The sign was well received but is in need of major updates. The EDA reviewed this item in April 2016 and agreed that updates were needed and made some recommendations highlighted below. All of the recommendations have been inserted into the attached and have been approved by President Wimmer and Staff. There are several layers to the quote provided by Signs by Jill (Jill Reller) which include additional panel and the removal and installation of the new sign. Staff is asking for the City Council to consider the options and to recommend a course of action with the proposed sign update.

EDA Recommendation at 4/5/16 meeting:

Motion by Lundeen, second by Hallberg to recommend the following for acceptance by the City Council:

1) Remove the Train logo and lower 1st Avenue and arrow.
2) Rework verbiage on sign to make it larger (more readable) with additional space created by removal of train and 1st Avenue information.
3) Redo Farmer's Market with seasonal verbiage.
4) Incorporate the City logo and potentially the blue city logo into sign to blend with the existing community billboard.

5) Send revised options reviewed by Staff and President Wimmer and cost directly to the City Council for approval to get sign done before farmers market season begins.

Action Requested:

Consider adoption of Resolution Awarding Contract for Historic Downtown Directional Sign to Signs By Jill

Attachments:

1) Resolution 2016-___ Awarding Contract for Historic Downtown Directional Sign Update to Signs By Jill

RESOLUTION 2016-___

A RESOLUTION AWARDING CONTRACT FOR HISTORICAL DOWNTOWN SIGN UPDATE TO SIGNS BY JILL

WHEREAS, Historic Downtown Isanti is an important component to the success of the City of Isanti as a whole,

WHEREAS, the verbiage of the sign has become dated and is in need of replacement; and

WHEREAS, one of the original vendors, Signs by Jill, has provided a quote and proof (attached hereto) the includes manufacturing the sign ($665.00), manufacturing temporary panels ($220.00), and removal and installation of the sign ($200.00) totaling $1,085; and

WHEREAS, the new sign will include a permanent farmers market section and a place to market other community events if desired.

WHEREAS, the funding for this project would come from EDA Marketing 495 Fund.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota authorize purchase and installation of the Historical Downtown Directional Sign in an amount not to exceed $1,085.00.

This Resolution hereby approved by the Isanti City Council this 3rd day of May 2016.

Request for City Council Action

To: Mayor Wimmer and City Council Members

From: Sean M. Sullivan, Economic Development Director

Date: May 3, 2016

Subject: **Consider Acceptance of Donation of Parcel in Redevelopment TIF District No. 9**

Background:

Staff has been working the PDL Properties, LLC to donate 100 Dahlin Ave NE to the City of Isanti for redevelopment. City Staff and PDL Properties, LLC need to execute a purchase agreement and and deed of transfer to complete the transaction. Staff has completed the review of the Phase one Environmental and pre-demolition survey as directed by the City Council on April 5, 2016. Upon review of the documents provided by Carlson McCain it is staff's recommendation to move forward with acceptance of the donation and to execute the necessary documents to obtain the real estate at 100 Dahlin Avenue NE. In order to complete the transaction the City Attorney will need to draft the necessary documents and potentially close the property transaction. The intent of this acquisition is to facilitate redevelopment of this parcel which is consistent with the mission of TIF District No. 9 which includes the demolition, site preparation and marketing of property.

City Council Action:

Consider Adoption of Resolution 2016-XXX Acceptance of Donation of Parcel in Redevelopment TIF District No. 9

Attachment:

1) Resolution 2016-XXX Acceptance of Donation of Parcel in Redevelopment TIF District No. 9

RESOLUTION 2016-___

Acceptance of Donation of Parcel in Redevelopment TIF District No. 9

WHEREAS, Parcel No. 16.047.0120 commonly known as 100-102 Dahlin Avenue NE (The "Property") is located in Redevelopment TIF District No. 9; and

WHEREAS, the Property is in poor condition and there are many repairs needed to make it a marketable building for business use; and

WHEREAS, Staff has been in contact with PDL Properties LLC, the owner of the Property and the owner has expressed a willingness to donate the Property to the City of Isanti at a nominal cost; and

WHEREAS, the City of Isanti has completed an environmental review and pre-demolition survey authorized on April 5, 2016 and has determined that there are no obvious environmental concerns; and

WHEREAS, a Purchase agreement will need to be drafted, and executed to define the terms of the donation;

WHEREAS, it is the intention to raze the structure and to facilitate redevelopment on the Property.

WHEREAS, authorization is needed by the City Council to acquire the Property.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota authorize the City Attorney to draft the purchase agreement and deeds of conveyance necessary to accept the donation of the Property to the City of Isanti and to authorize the Mayor and City Administrator to execute documents and to pay for the City share of closing costs.

This Resolution hereby approved by the Isanti City Council this 3rd day of May 2016.

MEMO

To: Mayor Wimmer and City Council

From: Sean M. Sullivan, Economic Development Director

Date: May 3, 2016

Subject: Consider Resolution Enter into Contract with Journal Communications to Advertise in Business Climate and MN DEED Publication

---

Background:

Last year the City of Isanti took advantage of an advertising opportunity to coordinate with the Department of Employment and Economic Development. DEED has contracted with Journal Communications to produce a Minnesota Economic Development Magazine. This magazine will be brought to trade shows in and out of state by DEED and will be a part of its marketing plan. The magazine will also be used by DEED in direct mails to potential prospects. In addition to the print publication it is also online at www.businessclimate.com . DEED has a three year contract with this marketing group and delivery of the magazines is estimated to be in October of each year.

In order to continue to extend the scope of marketing for the City of Isanti it would be a good idea to get some exposure nationally and enhance the web presence. Staff has met with representatives from Connexus Energy and that asked if they could partner with the city showcase financial incentives they have regarding energy use and attach a logo to the City ad like last year and they are committed to a 50% cost share. Staff is recommending we partner with Connexus again and get a similar size ad. The total ad cost will be $5,895 with the City being responsible for $2,947.50 which is $212.50 less than last year.

The articles for the Minnesota publication will be determined by DEED and will accentuate our state and its advantages of locating and doing business here. Staff is in the process of hiring an intern that will assist in creating new marketing materials and the creation of the ad for this publication.

Requested Action:

Consider Resolution to Enter into Contract with Journal Communications to Advertise in Business Climate and MN DEED Publication.

Funding Source:

EDA Marketing 495 fund - $2,94,7.50 (item in 2016 EDA budget for $3,160)
Connexus Energy - $2,947.50

Attachment:

A) Resolution 2016-___ Enter into Contract with Journal Communications to Advertise in Business Climate and MN DEED Economic Development Publication
B) Media Packet Information for Business Climate

RESOLUTION 2016-____

RESOLUTION TO ENTER INTO CONTRACT WITH JOURNAL COMMUNICATIONS TO ADVERTISE IN BUSINESS CLIMATE AND MN DEED ECONOMIC DEVELOPMENT PUBLICATION

WHEREAS, the City of Isanti needs to expand its marketing to include more, local, internet and national venues; and

WHEREAS, Staff has met with Journal Communications and Connexus Energy and has agreed upon utilizing a Full Page Ad with Premier Placement in the Energy Section that has a cost not to exceed $5,895; and

WHEREAS, the City of Isanti EDA has budgeted $3,160 for this item in the 2016 budget but will only need to expend $2,947.50; and

WHEREAS, the Connexus Energy has committed to fund $2,947.50 of the full page ad and agrees to reimburse the City of Isanti for its portion of the ad; and

WHEREAS, Staff will work with Journal Communications and MN DEED to develop the ad and to procure copies of the written publication for City use.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, authorize Economic Development Director Sullivan to enter into the attached contract and to fund advertisement in from EDA marketing Fund 495 initially in the amount of $5,895 with Connexus reimbursing the City of Isanti for $2,947.50 of its cost for shared advertisement.

This Resolution hereby approved by the Isanti City Council this 3rd day of May 2015.

TERMS

NET 20 DAYS FROM DATE OF INVOICE. Rates are net unless otherwise indicated. Finance charge at a MONTHLY RATE of 1.5% is added to contracted balance if unpaid for 30 days. This is an annual percentage rate of 18%.

CONDITIONS

This is an order and authorization to secure advertising space with Journal Communications Inc. In the event the Advertiser or Agency needs to cancel the contracted advertising space, the Advertiser or Agency is required to submit written notice of cancellation within 7 days of contract, via certified mail, to Publisher.

In the event the Advertiser or Agency fails to adhere to the deadline for submitting ad materials as stated, Publisher will run a previous ad or run the Advertiser's name and address in the space committed for.

Publisher reserves the right to hold the Agency and/or Advertiser jointly and severally responsible for monies due and payable to Publisher. It is further agreed that the Agency and/or Advertiser will pay a reasonable collection/ attorney's fee in the event that it is necessary to place this account in the hands of a collection agency/attorney for collection for any reason. Venue for any disputes arising hereunder shall be at Williamson County, Tennessee. Tennessee Law shall govern all provisions of this contract. The Agency agrees that it is acting for its disclosed principal, the Client, and as such binds itself and the Client to the terms and conditions of this contract. Agency shall be liable for payment of sums due hereunder.

Publisher may look to either Agency or Advertiser for payment. Payment by Advertiser to Agency does not alleviate obligation of Advertiser to Publisher for payment in full. The Publisher is not responsible for any errors in type set by the Publisher for advertisements that have been proofed and approved by the Advertiser or its Agency.

PROOFING POLICY

A PDF color proof will be emailed for approval prior to publication for all original ads. Changes requested by the Advertiser and/or Agency on this proof will be provided at no charge, and a second proof will be emailed if requested. ***Any changes requested by the Advertiser subsequent to the second proof will be billed for production time at an hourly rate (minimum $50).***

Journal Communications Inc. does not provide a proof for ads submitted digitally or as film. Ad content subject to Publisher's approval. It is understood the Advertiser and/or Agency has approved the material prior to its receipt. Publisher will conclude that the files are set up as Advertiser and/or Agency intends them to be produced and we will output the ad as supplied. Publisher is not responsible for the final quality of the ad. If there is a pre-press problem with the submitted digital file, any extra charges incurred will be billed to the Advertiser and/or Agency with a detailed explanation of the problem.

PRODUCTION SPECIFICATIONS

SUBMITTING A DIGITAL AD

For submitted digital files, our free services include checking Advertiser- and/or Agency-submitted files to ensure they meet our specifications for magazine printing. Journal Communications is not responsible for enhancing your digital files, resizing to match ad space purchased or proofreading for spelling and grammatical errors. The quality of submitted digital files is the responsibility of the submitter.

If files deviate from the size or specifications on the Digital Submission form, the files will be rejected and must be resubmitted. Please proof your ad carefully before submission. Resubmitted files will be subject to a $50 processing fee.

We do not provide a proof for ads we did not produce. It is understood that the files are set up as the Advertiser intended and were approved prior to submission to Journal Communications Inc.

Any extra charges incurred by Journal Communications Inc. due to problems with supplied files will be billed to the Advertiser with a detailed explanation of the problem.

ORIGINAL ADS

Journal Communications Inc. can assist in producing an original ad. Advertiser and/or Agency should provide a basic layout with all necessary materials to produce ad. The advertising salesperson will assist in this process. The ad created by the JCI Ad Production belongs to the Publishers. The ads can be purchased for an additional $300.

Journal's Ad Production division provides basic typesetting and design services for original ads free of charge. **These do not include services that an advertising agency would provide.** Journal Communications' free basic typesetting and design services include:

- typing customer-provided text
- choosing a visually pleasing, professional font
- placing a logo and/or photos in a box in a layout program
- adding a customer-provided color to an ad

Custom production work, such as cleaning up rough logos, resetting logos, drawing maps and outlining photos, can be performed at an extra charge. Custom work is billed at $75/hour.

Custom photo work, such as feathering, fading or custom edging, can be performed at a fixed rate per photo.

Please note: All charges/rates listed are subject to change.

FORMATTED ADS

- All ads produced by the Publisher are formatted in the style approved by the magazine client.
- Visit ads.jnlcom.com for specifications and submission guidelines.
- A low-resolution color PDF proof will be emailed prior to publication.
- Custom production work available at an hourly rate of $75/hour.

Please note: All charges/rates listed are subject to change.

ONLINE ADS

- Visit ads.jnlcom.com for submission guidelines.

LISTING ENHANCEMENTS

For enhancements that include a logo, new logos must be submitted by the materials deadline on the contract. Logos that are not received by the deadline will receive a standard logo to be determined by the Publisher.

SPONSORED BY THE MINNESOTA DEPARTMENT OF EMPLOYMENT AND ECONOMIC DEVELOPMENT | 2017

BUSINESSCLIMATE

MINNESOTA

THRIVING IN THE NORTH

Dear Business and Community Leaders,

We are pleased to announce that the Minnesota Department of Employment and Economic Development (DEED) will collaborate with Journal Communications and BusinessClimate.com to publish the 2nd Annual *Minnesota: Thriving in the North* magazine.

The annual print magazines have reached thousands of corporate executives and site selection professionals worldwide. In addition, our online presence at BusinessClimate.com has seen an increase of 155% in traffic since 2014 and nearly 400 million impressions thanks to aggressive content, social media and linking strategies.

Distribution of the upcoming edition will include target industry decision makers, site selectors, corporate real estate professionals, talent prospects, and economic development and government partners. In addition, the Minnesota DEED and its offices utilize the magazine as a primary marketing tool at events, tradeshows, and meetings both locally and globally. The print magazine is accompanied by a companion website and digital version of the magazine viewable online and on mobile devices. This provides magazine advertisers with year-round exposure on multiple media platforms.

View the digital magazine at www.businessclimate.com/minnesota to see how past advertisers have benefited from inclusion in the magazine and its corresponding online presence. For more information on how you can advertise in the upcoming magazine, please email sales@jnlcom.com or call (800) 333-8842 ext. 292.

Thank you for your continued support in this joint effort to promote Minnesota.

Sincerely,

KEVIN McKINNON
Deputy Commissioner Economic Development
Minnesota DEED

Minnesota
Department of Employment and Economic Development

BUSINESSCLIMATE

Enhance your business website with fresh content showcasing your area!
Go to businessclimate.com/minnesota and click on digital magazine.

EXECUTIVE SUMMARY

THE PROGRAM'S PURPOSE:

Recruit and attract new businesses to the area by reaching a highly targeted audience of site selectors, c-level executives, talent prospects and relocation professionals. We actively promote key topics, such as business climate, health, energy, transportation, technology and livability.

PROGRAM COMPONENTS:

- A newsstand-quality publication with engaging photography highlighting your business climate and quality of place.
- A digital magazine that's accessible on computers, tablets and mobile phones.
- BusinessClimate.com is an economic development and business portal that allows you to expand the reach of your brand.
- Livability.com is a national quality of place and relocation website that allows you to recruit talent.

DISTRIBUTION:

PRINT:

Print magazine that is distributed throughout the year by the Economic Development Corporation and additional channels, including:

- Direct mailings to site selectors, c-level executives and relocation professionals (law firms, CPA firms, realtors, etc.)
- Trade shows, Conferences and Events
- Commercial Real Estate Professionals (CCIM, SIOR)
- Major Employers
- Mailed to prospects inquiring about the region
- Regional Partners
- Recruitment
- Public Placement

ONLINE:

An inbound marketing model that consistently produces quality content on BusinessClimate.com and Livability.com drives readers back for more information. Includes:

- Search Engine Optimization (SEO)
- Social Media Campaigns (Facebook, Twitter, LinkedIn, etc.)
- Email Marketing
- Content Engagement Campaigns
- 155% increase in traffic since 2014
- 64% of our traffic comes from mobile devices

REACH:

This program reaches a targeted audience – site selectors, c-level executives and relocation professionals. The publication is also sent out to talent prospects who are looking for more information about the overall business climate and quality of place before relocating to the area.

IMPACT:

The publication allows the Economic Development Corporation, and surrounding communities, to be more effective at promoting the region's amenities. The program allows your organization to get in front of key decision makers earlier in the site selection process.

ADVERTISER ADVANTAGES:

RELATIVE EXCLUSIVITY:

A limited number of advertisers help increase your exposure.

COMPETITIVE ADVANTAGE:

Opportunities to be in front of new business prospects earlier in the decision-making process.

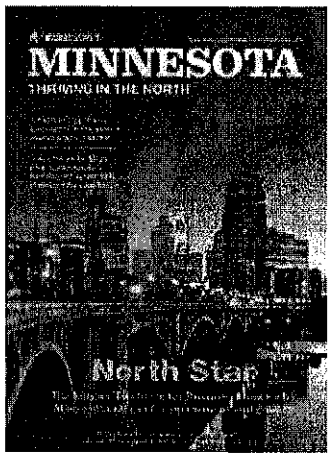
LINKABILITY:

Multiple links from the digital magazine and BusinessClimate.com route prospects back to your website.

MULTIMEDIA

Your Integrated Marketing Program

EXTEND YOUR BRAND ACROSS MULTIPLE PLATFORMS WITH THE BUSINESSCLIMATE.COM INTEGRATED MARKETING PROGRAM



HIGH-QUALITY PRINT MAGAZINE

- The Business Climate magazine mirrors national business publications in design and content to create a credible outbound marketing vehicle.
- Allows the region to be more effective at promoting key industries.

NATIONAL EXPOSURE

- Your content, including your advertisement, featured on BusinessClimate.com and Livability.com.
- Dedicated pages on BusinessClimate.com, a nationally recognized website, that spotlight innovative companies, entrepreneurs and business quality of life.
- Responsive design provides an optimal viewing and interactive experience.

INTERACTIVE DIGITAL MAGAZINE

- Digital representation of the print publication.
- Users have instant access to your magazine whenever they want and wherever they are.
- Links throughout the digital magazine help direct readers to more information.
- An effective tool to use in talent recruitment.

A Community For Generations.

MEMO

To: Mayor Wimmer and City Council

From: Sean M. Sullivan, Economic Development Director

Date: May 3, 2016

Subject: Consider Resolution Authorizing the Sale of Fill for Economic Development Activities in Corporate City Limits of Isanti

---

Background:

City Staff has been approached by Bjorkland Companies to purchase fill located at the Public Services Facility for use on an economic development project in the City of Isanti. The project requires a volume of fill not to exceed 4,000 yards which is priced at $3.00 per yard. Staff is asking the City Council to adopt the attached resolution approving the sale of fill to Bjorkland Companies and to put in place a policy for the sale of future fill for use in economic development activities in the Corporate City Limits.

Requested Action:

Consider adoption of Resolution 2016-XXX Authorizing the Sale of Fill for Economic Development Activities in Corporate City Limits of Isanti

Attachment:

1) Resolution 2016-XXX Authorizing the Sale of Fill for Economic Development Activities in Corporate City Limits of Isanti

RESOLUTION 2016-___

Authorization for Sale of Fill for Economic Development Activities in Corporate City Limits of Isanti

WHEREAS, the City of Isanti has approximately 4,000 yards of fill located at its public works facility; and

WHEREAS, the use of the fill has been determined to be used to assist in economic development related activities within the Corporate Limits of the City of Isanti; and

WHEREAS, the City of Isanti has been approached by Bjorkland Companies to purchase fill in an volume not to exceed 4000 yards at a price of $3.00 per yard for use in an economic development project located within the Corporate Limits of the City of Isanti; and

WHEREAS, proceeds of the sale of the fill at public works will be allocated equally to Public Works and the Economic Development departments.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota authorize:

1) The sale of fill to Bjorkland Companies for use in an economic development project within the Corporate City limits of Isanti in a volume not to exceed 4,000 yards at a price of $3.00 per yard.
2) Proceeds from the sale of all fill from public works to be allocated equally between the Public Works and Economic Development Departments
3) Future sales of fill at public works for economic development activities within the Corporate City Limits can be approved by the Finance Committee or the City Council

This Resolution hereby approved by the Isanti City Council this 3rd day of May 2015.

CITY OF ISANTI
PARKS, RECREATION, AND CULTURE BOARD
MEETING MINUTES
February 23, 2016
City Council Chambers

1. Meeting Opening.

A. Call to Order.
Zdon called the meeting to order at 6:02 p.m.

B. Pledge of Allegiance.
Everyone stood for the Pledge of Allegiance.

C. Roll Call.

Members Present:	Jennifer Garvey, Mayor Wimmer, and Aaron Zdon
Members Absent:	Jamie Bergwick (Gave Prior Notice)
Staff Present:	Josi Wood, Public Services Director

D. Agenda Modifications.
Zdon asked if there were any agenda modifications. There were none.

Motion by Garvey, second by Wimmer to approve the February 23rd 2016 Parks, Recreation, and Culture Board Agenda. Motion was unanimously approved.

2. Approval of Minutes from January 26, 2016 Parks, Recreation and Culture Board Meeting.

Motion by Wimmer. Second by Garvey. Vote was unanimously approved.

3. Tot Lot Equipment Discussion

Wood stated that the bottom slide portion of the Tot Lot Slide had been identified by the Subcommittee to be addressed with a new piece as prioritized item #2 on the replacement list. Wood stated as she had mentioned previously, the equipment was approximately 17 years old and the exact slide piece was not available but the playground representative had found a comparable piece that should work. Wood stated the piece was ordered but staff found that it would not work with the line up of the holes and the new piece was ¾ inches larger than the old. Wood stated she did ask the playground representative an estimate for the remainder of the slide. He was going on vacation but gave a rough estimate of $3700.00. He would get a more accurate number when he returns in a week. Wood stated she had other discount playground equipment to review by the Board because it may not be cost effective to purchase a new slide when there are other equipment pieces broken and more would probably come as the equipment continues to age.

Zdon asked if we would get a credit.

Wood stated the rep didn't know at that time. Wood stated later she would work to get a credit towards other items we purchase through them.

Other discussion on the return and why the equipment would not work and the playground company.

Wimmer asked how much was set aside for park equipment.

Wood stated $10,000 [staff stated that incorrectly, the number allotted for park equipment reserves in the 2016 budget was $7500.00].
Wimmer stated it would be approximately 40% of the total funds for one slide.

Discussion was held on whether the slide was a safety hazard. It was determined that it was not. Also, there was discussion on the sale price full sets of equipment in comparison.

The Board asked to get more information brought back to the next meeting.

4. Compost Site Discussion

Wood stated the compost site potential hours will go to Council next Wednesday. Also to have an attendant staff the site. All of the funds to reopen the site was approved in the 2016 budget.

Zdon asked if we would be hiring someone to do this.

Wood stated yes. That is going to Council as well. Wood described how the hours and days would work out under the Union contract.

Garvey asked if we have questions on the hours we should go to Council.

Wood stated yes.

5. Updates

Street Dances

Wood stated that the street dance dates are in place. The city has the backup venue for July and August at the Isanti Indoor Arena. The RR BMX has races the full weekend during the street dance date in June.

PRC Marketing

Wood stated that staff had been working hard to promote and market the many PRC programs and events the city has to offer. These include PRC Parks Brochure, Many Faces City Article Portion, STEAM, and Community Education Brochure. Wood explained the different marketing opportunities.

Community Garden

Wood stated the community garden is moving right along. Staff is waiting for more of the ground to thaw. Registration for plots was open effective February 9th. Please direct people to contact Katie Everett to register and choose their plots or they can also get the information off the City website or right at the front desk at City Hall.

Garvey asked if we had someone register already.

Wood stated yes.

River Bluff Preserve Park

Wood stated the name was approved by Council for the 38-acre parkland. Staff met with the DNR to discuss putting up signage to help control the intrusion of 4-wheelers and snowmobiles on their land. Staff also has signs and posts they will put up come spring.

Wimmer stated we are having quite a few more. Last he saw was 5 ATV and a few extra people below drinking beer. We will install the bollards to help prevent. Wimmer stated its getting more. He spoke with Chief about it. He stated since the licensing of the ATV we are seeing more. Wimmer stated we will start putting out on the licenses that if they break any of these rules, they will lose their license. PD

said they are seeing more ATVs trespassing and going on private property because we are allowing them to use the road.

Wimmer wanted to share with the Allina clinic coming in, they are eager to invest in the City and have funding and grant opportunities available.

Wimmer began discussion on the open member seat and youth/student seat that are still open and encouraged the Board to share that they should share with others and have them send in an application.

6. Adjournment

Motion by Wimmer, second by Garvey to adjourn the February 23, 2016 meeting of the Parks, Recreation, and Culture Board. Motion was approved.

The meeting adjourned at 6:20 p.m.

Dated at Isanti, Minnesota this 23rd day of February, 2016.

Respectfully submitted,

_____

Request for City Council Action

To: **Mayor Wimmer and Members of City Council**

From: Josi Wood, Public Services Director/ Assist. City Admin

Date: May 3, 2016

Subject: Consider Resolutions for the Forfeiture of 1987 Honda 250X ATV to Public Auction and to Declare Public Works Items as Surplus to be Sold at Public Auction

---

Background:

The City of Isanti through its Police Department has lawfully seized and forfeited a 1987 Honda 250X ATV. The City of Isanti holds clear title on the above ATV. The ATV was retained and the use of the vehicle was given to the public works department.

The Public Works Department no longer has a use for this ATV and wishes the ATV to be declared surplus property and sold at public auction. Any funds received from public auction per State Statute would then be deposited into the Isanti Forfeiture Fund.

Public Works has accumulated miscellaneous items that should also be declared as surplus. These items are as follows:

- Concrete mixer for 3-point Hitch
- Walk behind weed whip
- Portable air compressor
- Gas mask cabinet

Per policy, Resolution 2003-014, staff will post the items as surplus going to public auction in local publications.

Requests:

For the City Council to review and consider declaring the ATV as surplus property and to sell at public auction. The funds from this sale are required by statute to be placed into the Isanti Forfeiture Fund. Also request for action to declare other items listed above from Public Works as surplus to be sold at auction.

Attachment:

- Resolution 2016-XXX - Resolution Authorizing to Auction A Forfeited ATV That the Police Department Lawfully Seized and Allowed Isanti Public Works Use
- Resolution 2016-XXX - Resolution to Declare Certain Property as Surplus and Authorize its Sale by Public Auction

RESOLUTION NO. 2016-_____

A RESOLUTION AUTHORIZING TO AUCTION A FORFEITED ATV THAT THE POLICE DEPARTMENT LAWFULLY SEIZED AND ALLOWED ISANTI PUBLIC WORKS USE

WHEREAS, the Police Department seized and lawfully forfeited a 1987 Honda 250X and;

WHEREAS, the public works department no longer has a need for this ATV and neither does the police department, and

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota as follows:

1. That the City Council authorizes the Police Department / Public Works Department to declare this ATV as surplus property and to sell at public auction and to have the funds deposited into the Isanti Forfeiture Fund.

Adopted by the Isanti City Council this 3rd day of May, 2016.

RESOLUTION NO. 2016-

A RESOLUTION TO DECLARE CERTAIN PROPERTY AS SURPLUS AND AUTHORIZE ITS SALE BY PUBLIC AUCTION

WHEREAS, on occasion the City of Isanti incurs supplies and equipment that is no longer of use for departments within the City; and,

WHEREAS, it has been determined that the Public Works Department has a concrete mixer for 3-point hitch, walk behind weed whip, portable air compressor, gas mask cabinet that are of no use to the City and is considered surplus property; and,

WHEREAS, Resolution No. 2003-014 provides guidelines for the disposal of surplus property; and,

WHEREAS, the items listed above will be placed for public auction, the next public auction is June 11, 2016 at Wayne Pike Auction in Princeton, Mn;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City Of Isanti, Minnesota hereby authorizes the following:

1. To declare the above items from the Public Works Facility as surplus and post public notice that the items will go to public auction.
2. The Public Services Director shall have the authority to sign all necessary paperwork to allow for the process for auction of the surplus items identified per this Resolution.

This resolution was duly adopted by the Isanti City Council the 3rd day of May, 2016.

RESOLUTION NO. 2016-XXX

A RESOLUTION APPROVING APPLICATION FOR AN EXEMPT GAMBLING PERMIT FOR ISANTI FIREFIGHTERS RODEO ASSOCIATION

WHEREAS, the City has received an application for an exempt gambling permit from Isanti Firefighters Rodeo Association to hold a raffle event from July 8-10, 2016 at the Isanti Firefighters Rodeo Grounds, 500 3rd Avenue NW, Isanti, MN; and

WHEREAS, the applicant estimates the value of prizes to be awarded is $15,000; and

WHEREAS, the organization benefits the community by sponsoring local events and needs; and

WHEREAS, the City of Isanti has no objection to the conduct of lawful gambling by the applicant, in accordance with law, at the designated location; and

WHEREAS, the applicant has successfully passed a background check by the Isanti Police Department.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota that Isanti Firefighter's Rodeo Association application for an exempt gambling permit is approved for the following dates:

Friday, July 8-Sunday, July 10, 2016
At Isanti Firefighters Rodeo Grounds, 500 3rd Avenue NW; and

BE IT FURTHER RESOLVED, that approval is subject to the approval for such permits under the laws of the State of Minnesota and their compliance with all laws.

This resolution was duly adopted by the Isanti City Council this 3rd day of May, 2016

MINNESOTA LAWFUL GAMBLING

LG220 Application for Exempt Permit

An exempt permit may be issued to a nonprofit organization that:

- conducts lawful gambling on five or fewer days, and
- awards less than $50,000 in prizes during a calendar year.

If total raffle prize value for the calendar year will be $1,500 or less, contact the Licensing Specialist assigned to your county by calling 651-539-1900.

Application Fee (non-refundable)

Applications are processed in the order received. If the application is postmarked or received 30 days or more before the event, the application fee is **$100**; otherwise the fee is **$150**.

Due to the high volume of exempt applications, payment of additional fees prior to 30 days before your event will not expedite service, nor are telephone requests for expedited service accepted.

Resolution No. 2016-

RESOLUTION ACKNOWLEDGING PERMANENT EMPLOYEE STATUS FOR PART TIME LIQUOR STORE CLERK BECKY WHITMAN

WHEREAS, the City of Isanti's Personnel Policy requires a probationary period for new employees or employees promoted to new positions; and

WHEREAS, Whitman has successfully completed his probationary period.

NOW THEREFORE BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ISANTI, MINNESOTA AS FOLLOWS:

1. That Becky Whitman is acknowledged as a permanent employee of the City of Isanti in the position of Part Time Liquor Store Clerk with all responsibilities and benefits of that position.

2. That Human Resources is directed to forward an executed copy of this resolution to the employee and place a copy in the respective personnel files for future reference.

This resolution was duly adopted by the Isanti City Council this 3rd day of May, 2016.

Request for City Council Action

To: **Mayor Wimmer and Members of City Council**

From: Josi Wood, Public Services Director/ Assist. City Administrator

Date: April 21, 2016

Subject: Consider Resolution to Declare Hockey Rink Boards as Surplus to be Sold

---

Background:
The Parks, Recreation and Culture Board has discussed the need to have new boards should the City continue on with having a hockey and/ or public ice rink. This item has also been brought up by City Council during 2016 Goal Setting. The 1970s boards are in badly damaged condition and would take a lot of money to replace broken sections given the City could find replacement sections.

DOAC Committee Recommendation:
The DOAC Committee met on April 21, 2016 and recommends to declare the hockey boards as surplus. Their recommendation was to post the surplus boards per our process of public notice and if bids are not received over the bid from the third party, the boards would be sold to the third party.
The third party would be arranged by Jeff Horstman with Arena Warehouse. Public Works would dismantle the boards but the third party would also pay for shipping.

Request:
Staff is requesting action on this item.

Attachment:
- Res 2016-XXX

RESOLUTION NO. 2016-

A RESOLUTION TO DECLARE THE HOCKEY RINK BOARDS AS SURPLUS TO BE SOLD

WHEREAS, the hockey rink boards in Bluebird Park are found to be in such damaged condition that they are a safety concern and not viable to salvage, therefore, becoming surplus to the city; and,

WHEREAS, it was determined by the Development Operations and Advisory Committee (DOAC) that they should be sold as surplus and Resolution No. 2003-014 provides guidelines for the disposal of surplus property; and,

WHEREAS, it was also the decision by DOAC should no bids be received as posted in the public notice over the bid received by a third party, Arena Warehouse, that the city sell the boards to such party; and,

WHEREAS, the high bidder must also pay for any shipping costs related to moving the boards, however, the Public Works Department would dismantle the boards and assist in loading;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City Of Isanti, Minnesota hereby authorizes the following:

1. To declare the hockey rink boards as surplus and sold as written per this Resolution.
2. Allow Public Works Department to dismantle and assist in loading the boards for the buyer.
3. The Public Services Director shall have the authority to sign all necessary paperwork to allow for the process for auction of the surplus items identified per this Resolution.

This resolution was duly adopted by the Isanti City Council the 3rd day of May, 2016.

TO: Mayor and City Council

FROM: Don Lorsung, City Administrator

DATE: April 29, 2016

RE: Training Request – LMC Annual Conference

Mayor Wimmer is requesting to attend the 2016 Annual League of Minnesota Cities Conference, June 14-17, 2016, St. Paul, MN. The cost of the conference is $600.00. The 2016 budget provides $750.00 per Council Member for travel/training costs.

Council Action:

Approval of Mayor Wimmer's request to attend the LMC Annual Conference and cover the costs of Conference registration of $600.00

CITY OF ISANTI
PARKS, RECREATION, AND CULTURE BOARD
MEETING MINUTES
April 26, 2016
City Council Chambers

1. Meeting Opening.

A. Call to Order.
Zdon called the meeting to order at 6:00 p.m.

B. Pledge of Allegiance.
Everyone stood for the Pledge of Allegiance.

C. Roll Call.
Members Present: Jamie Bergwick, Jennifer Garvey, Mayor Wimmer, and Aaron Zdon
Staff Present: Katie Everett, Community Events and Parks Coordinator

D. Agenda Modifications.
Zdon asked if there were any agenda modifications. Bergwick stated that her last Park Board meeting will be in May because she is moving to Mankato.

Motion by Garvey, second by Wimmer to approve the April 26, 2016 Parks, Recreation, and Culture Board Agenda. Motion was unanimously approved.

2. Approval of Minutes from February 23, 2016 Parks, Recreation and Culture Board Meeting.

Motion by Wimmer. Second by Garvey. Vote was unanimously approved.

3. Annual Park Tour

A. Eagle Park – Bergwick noted that the bench on one table had been replaced, but the others need maintenance. There is graffiti scratched into them and they need to be painted. Everett noted that one of the tables will temporarily be moved to the community garden until grant money is received to purchase one for that site. Wimmer noted that he will also be going to the Rotary Club for possible funds for the new park. The group noted that Eagle Park has come a long way and is looking much better than it did several years ago. Everett showed an example of a park sign to be considered in the future that would indicate Eagle Park is the site of the Farmer's Market.

B. VFW Park – Zdon noted that eventually the sand needs to be replaced. Garvey questioned why the grill is tucked back in the corner by the fence. The group decided that the grill should be moved to a better location and recommended the center of the fence line, as well as moving the picnic table closer to the grill.

   Wimmer asked Garvey if she knew of any best practices addressing citizens being able to access parks in a city without having to cross major roadways or going more than a certain distance. Garvey stated that she was not aware of one standard, and she believes that each city decides what works best for them. She recommended contacting MRPA staff and members to find out if there is something available.

C. Whisper Ridge – Wimmer noted that we have obtained forfeited parcels nearby. He also explained that there is not enough money to resurface the whole tennis court and it will be best to do something different with the space. Garvey suggested that pickleball is gaining popularity and lines can just be added to existing tennis courts to create multiple uses of one space. Wimmer

noted that Cambridge is already going to be adding some pickleball courts. The group noted that the fence added recently on the park boundary seems to have helped, Wimmer stated that he has not received any additional complaints in some time from the resident about people crossing his property line, but we will continue to evaluate the situation this summer.

Wimmer explained a long term plan to have Whisper Ridge connected by a trail through the wetland to downtown Isanti, and this development should be tied in with the refurbishing of Whisper Ridge.

D. Tot Lot – Garvey asked if we could change the name, "Tot Lot" doesn't seem to reflect what is actually available at the park. Wimmer explained that the park naming policy has been updated so that the City could name parks without having to do the previously required naming contests which have not gotten much of a response in the past. The park needs a new sign anyway, so this is the time to do it. Wimmer requested that everyone bring name ideas to the next Park Board meeting and we can discuss it there. Nails were found protruding from the sand retaining wall near the sign. Garvey and Wimmer noted that the wood in place is a good system because it can be easily fixed and replaced. The group also noted that the grill in this location is inconvenient if people actually wanted to use it, and requested that it be moved closer to the shelter. Garvey noted that the bench in the sand in very low, the group agreed that it should be raised. Wimmer requested that the Tot Lot shelter be added to the pavilion rental form if it is not already there; Garvey stated that we should also have pictures of all of the pavilions available online and with the form to promote their use to the public.
E. Rum River Meadows – Garvey stated that whenever new mulch is added it just gets pushed aside because the swings become too close to the ground. Zdon noted that the single swings are high enough and it must be older kids kick the mulch out of the way. Wimmer stated safety concerns about the ways bench swings get used in the park and the group noted that the mulch under that swing was displaced as well. Garvey suggested that we might evaluate how many swings are available in each park and offer different height swings to accommodate different users. Wimmer stated that we have looked into putting in a volleyball court in the past and it was prohibitively expensive to get insurance and very complicated. Everett asked if it was possible to just have a grass volleyball court; Garvey stated that she has seen it done with temporary posts where there are sleeves in the ground (capped over winter) that the poles fit into. Everett will research the logistics of a grass volleyball court in this location. Zdon found broken glass all over the mulch under the play equipment as well several piles of dog feces. Zdon, Bergwick, and Garvey noted that it appeared to be from a dog that was habitually allowed off leash in the neighborhood.
F. River Bluff Preserve/Isanti Community Garden – Everett and Wimmer updated the members about the progress of the park, noting the future location of trails, the stairway, and the dock. The community garden is going to open to renters on May 14th. The parking lot work will begin very soon.

G–K. Wimmer needed to leave the meeting so he gave a verbal update of the plan for Legacy Park – the access road will be closed off with a gate. While people may still drive around, they will be ticketed for doing. This should alleviate many of the issues with illegal behaviors in the park. Premier Bank has agreed to the temporary change.

Bluebird Park: Skate Park – the hockey rink boards will be sold, and the skate park equipment will be moved to the cement slab. In the future, a rink will be built with wooden boards that are easier to fix and replace.

After Wimmer left, the group discussed the remaining agenda items, but did not visit Riverside, Legacy, Bluebird, or Mattson parks.

(Skate Park) Zdon asked if the skate equipment was moved to the cement slab if we would still be able to use Park Dedication Fund dollars to get more equipment. He stated that the plan had been to use Park Dedication money to build a new skate park at that location, but is concerned that if we move the equipment we have, we might not be eligible for those funds. The group didn't know the answer, Everett will look into it. Garvey wondered if bikes using the skate equipment has caused some of the issues with crowding, Zdon noted that it is stated on the sign that bikes are not allowed, but believes that if there is more equipment available, those issues will get better.

Bluebird: Broken Climbing Equipment – Garvey recommended looking into prices for the repair or new equipment through other companies. Bergwick and Zdon agreed that it is a lot of money to spend on just a small piece of the equipment. Everett explained that it is unlikely that Public Works will be able to fix it even if we do order the part, and we have not received confirmation from the company that they can come out to make the repair.

Bluebird Park: Redbirds Agreement – Garvey made a motion that the Redbirds cease using the field until an agreement is signed. Bergwick seconded the motion, the motion was carried unanimously.

Everett showed the group options for redoing the hopscotch on the path at Bluebird Park. She found a daisy-shaped hopscotch stencil and stencils for kids' activities online. Garvey stated that she is not sure much kids really play hopscotch, Bergwick state that in her experience kids do play, but it's more just jumping on the squares than really playing the game. The group liked the idea of having the activity stencil, but would like to see if there are more affordable options or different packages available.

Mattson Park – Everett asked whether the group thought equipment should be available for rental at the park. The horseshoe pits have been cleaned up, and had become overgrown in the first place because they never get used. Bergwick was concerned about having anything that would stay out at the park due to the vandalism that has happened in the past. Everett explained that equipment could potentially be stored at City Hall and picked up there for use. Garvey stated that bean bags are becoming very popular as well and may be a good rental option. Zdon stated that it is a low cost investment. Garvey stated that it may be difficult for people to make it during City Hall business hours to rent equipment, but that it is a good thing to offer the community. Possible equipment included a basketball, horseshoes, and tennis rackets (depending on cost). Some sort of deposit would be made to ensure equipment is returned.

6. Adjournment

Motion by Zdon, second by Bergwick to adjourn the April 26, 2016 meeting of the Parks, Recreation, and Culture Board. Motion was approved.

The meeting adjourned at 7:20 p.m.

Dated at Isanti, Minnesota this 26th day of April, 2016.

Respectfully submitted,

_____

Katie Everett
Community Events and Parks Coordinator

Mayor's Proclamation

City of Isanti

Whereas Employers and Employees are a dynamic part of the City of Isanti's and Minnesota's economy; and,

Whereas The promotion of our Employer's and their talented Staff showcase the strength and success which is an integral part of the City of Isanti's economic development strategy; and,

Whereas All Isanti employers located within the City of Isanti provide jobs which significantly contribute to the City of Isanti's standard of living and economic vitality; and,

Whereas The City of Isanti has approximately 1616 people that are employed by 168 businesses within its corporate limits; and,

Whereas Employees contribute to the economic success of Isanti businesses by buying local and supporting other Isanti businesses; and,

Whereas The City is sponsoring an appreciation luncheon to the Employers and their Employees on June 7, 2016 highlighting certain businesses with milestone Isanti anniversaries.

Now, therefore, I, George A. Wimmer, Mayor of the City of Isanti, do hereby proclaim that the day of June 7, 2016 shall be observed as:

Mayor's Employer Celebration Day

in the City of Isanti on this 17th day of May, Two Thousand Sixteen.

_____

George A. Wimmer, Mayor

CITY OF ISANTI
CITY COUNCIL MEETING
TUESDAY, MAY 3, 2016
CITY HALL

Mayor Wimmer called the meeting to order at 7:00 p.m.

The Pledge of Allegiance was recited.

Members Present: Mayor George Wimmer, Councilors: Paul Bergley, Dan Collison and Steve Lundeen

Members Absent: Mayor Wimmer Noted the Adam Johnson was absent

Staff Present: City Attorney Clark Joslin, City Administrator Don Lorsung, Economic Development Director Sullivan, Chief Gene Hill, and City Engineer Brad DeWolf

D. Adopt Agenda

City Administrator Lorsung presented an Addendum to the Agenda adding the following new items:

L8. Resolution Authorizing the Execution of a Repayment Agreement with J Robinson Construction, Inc. for Lot 6, Block 1, Villages on the Rum Third Addition Phase Three
L9. Resolution Authorizing the Execution of a Repayment Agreement with J Robinson Construction, Inc. for Lot 7, Block 1, Villages on the Rum Third Addition Phase Three
L10. Resolution Authorizing Letter of Support for JCF and MIF Funding

Motion by Collison, second by Lundeen to approve the agenda with the addition of Addendum items L8, L9 and L10. Motion carried unanimously.

E. Proclamations/Commendations/Certificate Awards

None

F. Approve City Council Minutes

1. April 19, 2016 – Regular Meeting of the City Council

Motion by Lundeen second by Bergley to approve the regular City Council Meeting Minutes of April 19, 2016 as presented. Motion carried unanimously.

G. Citizens Input

None

H. Announcements

1. Planning Commission Meeting	Tuesday, May 10, 2016 at 7:00 PM
2. City Council Meeting	Tuesday, May 17, 2016 at 7:00 PM
3. Parks, Recreation and Culture Board Meeting	Tuesday, May 24, 2016 at 6:00 PM

I. Council Committee Reports

Lundeen informed the City Council that Fire Station 3 was coming along nicely.

Mayor Wimmer thanked Isanti County Commissioner Mike Warring and Junction Bowl for stepping up and working with Coborn's to host their 3 week job fair at his business.

Mayor Wimmer stated the he and Representative Brian Johnson had spoken on May 3rd about continued support for the Job Creation Fund and Minnesota Investment Fund. He cited the use of the funds in the past by SnoBear USA and Evercat Fuels and that the majority of the funds have been used in the Twin City Metro Area. The Mayor indicated that Representative Johnson shared that the City of Isanti was one of very few communities outside the seven county Metropolitan Area that have used the programs and that they are working on getting more dollars for Greater Minnesota

Mayor Wimmer stated that once the permits are pulled for the J Robinson Construction Inc. Repayment Agreement Parcels added to this meeting agenda it will bring the yearly total to 31 new homes. In 2015, there was a total of 41 so the City ahead of last year's pace.

J. Public Hearings

1. Resolution 2016-153 to Authorize Nuisance Abatement on the Property Located at 408 Cardinal Court NW

Mayor Wimmer opened the Public Hearing at 7:04 p.m., and asked if there was anyone that wanted to speak on behalf of the item. No one spoke on behalf of the item. Mayor Wimmer closed the Public Hearing at 7:05 p.m.

Motion by Lundeen second by Bergley to approve Resolution 2016–153 as presented. Motion carried unanimously.

K. Business Items

1. Continued Use of Sportsman Field – Isanti Redbirds

Cindy Lind-Livingston addressed the City Council and provided comments relating to the proposed Lease Agreement and Operating Policy. The comments centered on the following items:

- Ability and terms for Redbird Baseball to terminate lease
- A request for the City of Isanti to continue to pay the utility bill for the lights at Redbird's Field which has been done over the last 30 years
- Removing the requirement for a Special Event Permit stating they are exempt due to it being an athletic field
- Not putting restrictions on use of charitable gambling proceeds
- Agreeing the liability insurance was important and that Redbirds Baseball was planning on purchasing its own insurance for the operation and naming the City of Isanti as additional insured.
- Redbirds Baseball has a concern as to future of the organization citing that all costs impact them and uncertainly of charitable gambling.

Mayor Wimmer agreed to terms on the Redbirds having the ability to terminate lease. Mayor Wimmer stated that the City needed to treat everyone the same and therefore supported the position to have Redbirds Baseball pay for the utilities. Last year the bill for utilities was $447.00 He indicated the Special Event Permits was only needed if the event spills off the site and this was required for everyone in the city.

Cindy Lind-Livingston said that the Redbirds were different from BMX and Soccer in terms of impact and thought they should be treated differently. She indicated that the Redbirds do a great job donating to groups and causes with charitable gambling proceeds.

Discussion ensued with the City highlighting a fairness issue with use of City Property and treating all the same and acknowledging that a lot of the other community entities do great things for the community and causes they support as well. Redbirds Baseball reiterated its concerns for its long term future and that there are other public spaces the people are allowed to use at no cost. However, they don't have exclusivity of use over those areas like the Redbirds do. Redbird Baseball reiterated that it could use its charitable gambling for uses it deems appropriate not only for the improvements to the field.

Steve Allen, Manager of the Redbirds read a prepared statement and elaborated on some of the points. The following points were brought up:

Perceived or real lack of respect or appreciation for Redbirds
Redbirds Field is one of the most beautiful in the state.
History of the Redbirds
Proud of what Redbirds have accomplished in bringing team to Isanti
Partnership between City and Redbird and hoping to maintain and build on it
Concerns about the solvency of Redbirds Baseball
Fear that the Redbirds won't be able to operate into the future.

Mayor Wimmer stated that a lot of the community groups make the same arguments relating to community benefit and how their existence is part of the fabric of the community. He agreed that they all do a fantastic job. He also stated that if the Council desired it could change its policy that would allow for negotiating each deal differently with each entity or keep its current policy which attempts to have the same rules for all.

Bergley asked who else uses the field and if revenues are realized by Redbirds baseball.

Redbirds Baseball management stated that Redbirds baseball does charge or ask for in kind support for the high school and youth associations for use of the field.

Bergley stated that if the cost of business goes up it can be shared by all who use field.

Mayor Wimmer said there are similar arrangements in the community. One example was use of the Tennis Courts by the school district at Mattson Park and that those rates have increased over time.

Collison stated they are going through the same thing with the Rum River Rods in relation to having to provide insurance. He indicated that a donation was made to Rum River Rods to take care of that cost.

Steve Allen stated that if charitable gambling went away that the Redbirds probably couldn't operate so all cost increases are important.

Lundeen offered his support for Redbirds baseball and indicated that the cost of business is going up everywhere. In Cambridge, they will now have to start charging churches to cover field costs for softball.

Cindy Lind-Livingston asked if there was a percentage of City Taxes that went to Park and Recreation.

Mayor Wimmer explained how associations like BMX, Soccer and Redbirds are different in their operational and maintenance relationships than standard city parks. In those case the associations do the maintenance of their areas of use rather than the City conducting maintenance through the use of tax dollars. All taxpayers pay for all services even thought they might not use them. He explained that Park, Recreation and Culture is funded from park dedication fees and the park maintenance budgets.

Lundeen stated that the world we live in makes it necessary to protect the City and the Redbirds and with insurance.

Motion by Lundeen second by Collison to table action on Lease Agreement and Operating Policy for Redbirds Field Also Known As Sportsman Field and to bring back revisions to the proposed Agreement to the following items:

- Terms regarding lease termination
- Use of charitable gambling proceeds
- Clarification that Redbird Baseball will provide insurance coverage on premises

The revised agreement will be brought to the May 17, 2016 City Council Meeting for consideration for approval. In the meantime, the Redbirds may continue using the field. Motion carried unanimously.

2. **Consider Fees for Water Meters for New Construction**
   a. **Ordinance No. 642 Amending Code for the City of Isanti, Chapter 160 Fees**
   b. **Ordinance No. 643 Amending the Code for the City of Isanti, Chapter 325-6 Meters**
   c. **Resolution 2016-154 To Amend the Fee Schedule**

Mayor Wimmer clarified the impacts of the fee change which will make the city whole and not carry an additional financial burden due to the installation of meters.

Motion by Lundeen second by Collison to approve Ordinance No. 642, Ordinance No. 643 and Resolution 2016-154. Motion carried unanimously.

3. **Resolution 2016-155 to Approve Proposal from Bolton and Menk, Inc. for Engineering Services for Proposed Replacement of 1st Avenue NW and City Hall Sidewalks**
   Motion by Collison second by Bergley to approve Resolution 2016-155 as presented. Motion carried unanimously.

4. **Resolution 2016–156 to Accept Planning Commission Member Cindy Lind-Livingston's Resignation**
   Motion by Bergley second by Collison to approve Resolution 2016-156 as presented. Motion carried unanimously.

Mayor Wimmer asked the City council to consider reducing the number of members from 7 to 5 for 2017. It would be brought back to the City Council for consideration at a later date.

5. **Resolution 2016-157 Authorizing Update of Historic Downtown Sign Update by Signs By Jill**
Mayor Wimmer informed the City Council that the quote provided included manufacturing, installation and an optional interchangeable panel. He indicated that Public Services was able to install the sign and that direction be given to do so.

Motion by Lundeen second by Bergley to approve Resolution 2016-157, with direction to have Public Services install the sign. Motion carried unanimously.

6. **Resolution 2016-158 Regarding Acceptance of Donation of Parcel in Redevelopment TIF District No. 9**
Motion by Lundeen second by Bergley to approve Resolution 2016-158 as presented. Motion carried unanimously.

7. **Resolution 2016-159 Enter into Contract with Journal Communications to Advertise in Business Climate and MN DEED Publication**
Motion by Lundeen second by Bergley to approve Resolution 2016-159 as presented. Motion carried unanimously.

8. **Resolution 2016-160 Authorizing the Sale of Fill for Economic Development Activities in Corporate City Limits**
Mayor Wimmer informed the council that the dirt was used by a local contractor for the Coborn's project prior to the City Council meeting.

Motion by Bergley second by Collison to approve Resolution 2016-160 as presented. Motion carried unanimously.

L. Approve Consent Agenda

1. Consider Accounts Payable in the Amount of $186,510.90 and Payroll in the Amount of $97,770.78.
2. Final Meeting Minutes for the February 23, 2016 Parks, Recreation and Culture Board Meeting
3. Consider Resolutions for the Forfeiture of 1987 Honda 250X ATV to Public Auction and Declare Public Works Items as Surplus to be Sold at Public Auction
    a. **Resolution 2016-161** Authorizing to Auction a Forfeited ATV that the Police Department Lawfully Seized and Allowed Public Works to Use
    b. **Resolution 2016-162** to Declare Certain Property as Surplus and Authorize its Sale at Public Auction
4. **Resolution 2016-163** Approving Application for an Exempt Gambling Permit for Isanti Firefighters Rodeo Association
5. **Resolution 2016-164** Acknowledging Permanent Status for Part Time Liquor Clerk Becky Whitman
6. **Resolution 2016-165** to Declare Hockey Rink Boards as Surplus to be Sold
7. Training Request – 2016 LMC Annual Conference, Mayor Wimmer

Subject: A Resolution Approving a Special Event Application for Car Shows to be Held in Downtown Isanti.

Background

The City received a special event application from Dan Collison ("applicant") to host classic car shows Wednesday evenings June 1 – August 31 from 5:30 p.m. to 8:30 p.m. on Main Street in downtown Isanti. Set-up for the event would begin at 5:00 p.m. Estimated 100-200 people are anticipated for each weekly car show. Parking will be along City streets and within city owned parking lots the evenings of the events. Signs will be displayed directing individuals to the car show. A 12' x 12'tent will be placed on the grassy lot next to Family Pathways.

A section of Main Street would need to be closed from the railroad tracks to its intersection with 3rd Avenue. The Applicant will make arrangements to close off the road with barricades. Cars would be located in these areas for showing. Volunteers from the car club will assist with clean-up after the show. The Rum River Rods are asking people to bring a non-perishable item which will be donated to Family Pathways.

The special event application also includes holding a Car Show Finale on Saturday, August 13 from 11:00 a.m. – 5:00 p.m. on Main Street in Downtown Isanti. Set-up for the Finale would be 8:00 a.m. Estimated 300-600 people will be present. Several streets would need to be closed for the event. Main Street W from the railroad tracks to its intersection with 3rd Avenue. 1st and 2nd Avenues, one block north and south of Main St to the alleyways on either side would also be closed for the event. Cars would be located in these areas for showing. A 30'x30 tent will be placed on the grassy lot adjacent to the Thrift Store. A letter from Family Pathways granting this approval has been attached for Council review. Volunteers from the car club will assist with clean-up after the show. A public address system and a DJ will be used throughout the event. There will be a $10.00 participant registration fee; money collected will go to charity and cover expenses.

A copy of the application, insurance, and departmental review has been attached for City Council review.

Staff Request

The applicant notes that the restrooms they will use for their event will be supplied by the City in conjunction with other City events such as the Farmers Market in Eagle Park and also the Downtown Street Dances.

It is noted that temporary signs will be placed for the event. The locations of those signs and consent from the property owner must also be submitted to the City prior to placement. The applicant is requesting the temporary sign permit fee to be waived. The applicant must also provide notice to surrounding property owners of the Wednesday evening events. The applicant will also need to coordinate with the Community Event & Parks Coordinator with details of the event (electricity, vendors, stage placement and timing of placement, etc.).

City staff is requesting action on this item.

RESOLUTION 2016-

RESOLUTION APPROVING A SPECIAL EVENT APPLICATION FOR THE RUM RIVER RODS CAR SHOW TO BE HELD ON MAIN STREET DOWNTOWN ISANTI

WHEREAS, Dan Collison (applicant) has submitted a Special Event application requesting approval to host a car show by the Rum River Rods on Main Street, Downtown Isanti; and,

WHEREAS, the event is scheduled to take place on Wednesday evenings in the months of June, July, and August from 5:00 p.m. to 8:30 p.m. and also on Saturday August 13 for their Finale from 8:00 a.m. to 5:00 p.m.; and,

WHEREAS, the estimated number of people to be in attendance at each weekly event is anticipated to be 100-200, and 300-600 are anticipated for the August 13 event; and,

WHEREAS, parking for the event will be on City owned lots including Community Center and Eagle Park and along City streets; and,

WHEREAS, a DJ will be provided as well as a public addressing and sound amplification systems;

WHEREAS, temporary signs may be placed on City Property, except in the right of way, to promote and provide direction to the event; and

WHEREAS, barricades will be placed by the applicant on Main Street from the Railroad tracks to 3rd Avenue, on 1st Avenue South of Main Street to the alley, from the alley on 2nd Avenue and also North to the Lutheran Church driveway; and,

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to hereby approve the Rum River Rods Classic Car Show for the event to be held as specified above with the following conditions:

- Special Event Application submitted by Dan Collison, on behalf of the Rum River Rods, subject to the comments provided by City Staff Members; which include:
    - Temporary signage shall require the necessary application to be submitted to the City for review and approval. Signatures authorizing approval for their placement on private property must also be included.
    - Notice to property owners within 350' of the event is sent prior to the event and should include contact information for special event permit applicant.
    - Barricades are in place to close the roads prior to the start of the event and removed after.
    - Any food trucks involved with the event will need to be located within stated event boundaries
    - Coordinate event details (electricity, vendors, stage placement and timing of placement, etc.) with the Community Events & Parks Coordinator prior to the day of the event.
    - Parking for volunteers/spectators will be along City streets and City owned lots including Eagle Park and Community Center.
- City allows the portable restrooms accessible for the events which are located in Eagle Park.
- City waives the clean-up and temporary sign permit fee.
- Closure of Main Street from the Railroad tracks to 3rd Ave NW/SW.
- Closure of 1st Ave and 2nd Ave for one block North and South of Main Street to the alleys on either side

BE IT FURTHER RESOLVED by the City Council of the City of Isanti, Minnesota that this Resolution is hereby the "Permit" for the above stated Special Event.

This resolution was duly adopted by the Isanti City Council this 19th day of May 2015.

RELEASE AND INDEMNIFICATION AGREEMENT

City of Isanti

THIS IS A RELEASE OF LIABILITY INDEMNIFICATION AGREEMENT. SPECIAL EVENTS HOLDER MUST READ CAREFULLY BEFORE SIGNING.

In consideration for being permitted to engage in the following special event activities on property owned by the City of Isanti:
Rum River Rods Weekly Car Show + Summer Spectacular

Special Events Holder hereby acknowledges, represents, and agrees as follows:

A. We understand that the above described activities are or may be dangerous and do or may involve risks of injury, loss, or damage to us and/or third parties. We further acknowledge that such risks may include but not be limited to bodily injury, personal injury, sickness, disease, death, and property loss or damage, arising from the following circumstances, among others:

(Special Events Holder Initials Here) DC

B. If required by this paragraph, we agree to require each participant to our special event to execute a **RELEASE AND INDEMNIFICATION AGREEMENT** for ourselves and for the City of Isanti, on a form approved by the City of Isanti.

Participant Release and Indemnification required? YES ____ NO X

(Special Events Holder Initials Here) DC

C. We agree to procure, keep in force, and pay for special event insurance coverage, from an insurer acceptable to the City of Isanti, for the duration of the above described activities.

(Special Events Holder Initials Here) DC

D. By signing this **RELEASE AND INDEMNIFICATION AGREEMENT,** we hereby expressly assume all such risks of injury, loss, or damage to us or any related third party, arising out of or in any way related to the above described activities,

whether or not caused by the act, omission, negligence, or other fault of the City of Isanti, its officers, its employees, or by any other cause.

(Special Event Holder Initials Here) _____

E. By signing this **RELEASE AND INDEMNIFICATION AGREEMENT,** we further hereby exempt, release and discharge the City of Isanti, its officers, and its employees from any and all claims, demands, and actions for such injury, loss or damage to us or to any third party, arising out of or in any way related to the above described activities, whether or not caused by the act, omission, negligence, or other fault of the City of Isanti, its officers, its employees, or by any other cause.

(Special Event Holder Initials Here) _____

F. We further agree to defend, indemnify and hold harmless the City of Isanti, its officers, employees, insurers, and self insurance pool, from and against all liability, claims, and demands, court costs and attorney fees, including those arising from any third party claim asserted against the City of Isanti, its officers, employees, insurers or self insurance pool, on account of injury, loss or damage, including without limitation claims arising from bodily injury, personal injury, sickness, disease, death, property damage or loss, or any other loss of any kind whatsoever, which arise out of or are in any way related to the above described activities, whether or not caused by our act, omission, negligence, or other fault of the City of Isanti, its officers, its employees, or by any other cause.

(Special Event Holder Initials Here) _____

G. By signing this **RELEASE AND INDEMNIFICATION AGREEMENT,** we hereby acknowledge and agree that said Agreement extends to all acts omissions, negligence, or other fault of the City of Isanti, its officers, and/or its employees, and that said Agreement is intended to be as broad and inclusive as is permitted by the laws of the State of Minnesota. If any portion thereof is held invalid, it is further agreed that the balance shall, notwithstanding, continue in full legal force and effect.

(Special Event Holder Initials Here) _____

H. We understand and agree that this **RELEASE AND INDEMNIFICATION AGREEMENT** shall be governed by the laws of the State of Minnesota and that jurisdiction and venue for any suit or cause of action under this agreement shall lie in the courts.

(Special Event Holder Initials Here) _____

I. This **RELEASE AND INDEMNIFICATION AGREEMENT** shall be effective as of the date or dates of the applicable special event, shall continue in full force until our responsibilities hereunder are fully discharged, and shall be binding upon us, or successors, representatives, heirs, executors, assigns, and transferees.

(Special Event Holder Initials Here) _____

IN WITNESS THEREOF, THIS RELEASE AND INDEMNIFICATION AGREEMENT is executed by the special event holder, acting by and through the undersigned, who represents that he or she is property authorized to bind the Special Events Holder hereto.

MEMO

Date: May 12, 2016

Subject: Consider Actions Related to 2016 Bond Issue

Staff and the Finance Committee have been working with Northland Securities on financing for the 2016 WWTP Improvements. As previously discussed, bonds will need to be issued as a part of the funding for this project. Attached for your review is a Memorandum prepared by Jessica Green, Northland Securities, explaining the project financing, MN Public Facilities Authority Credit Enhancement, and actions needed by the City Council to move forward with the sale of bonds. Also attached prior to the resolutions is the Finance Plan Summary for the bonds.

As a part of this bond issuance, the City Council will need to enter into a Municipal Advisory Agreement with Northland Securities, Inc. in order for them to serve the City in the role of municipal financial advisor.

NORTHLAND SECURITIES

MEMORANDUM

To:	The Honorable Mayor Wimmer Members of the Isanti City Council City Administrator Don Lorsung
From:	Jessica Green, Northland Securities
Date:	May 17, 2016
Re:	City Council Meeting - Actions related to the issuance of General Obligation Sewer Revenue Bonds, Series 2016A

The purpose of this memorandum is to explain the proposed City Council actions related to the issuance of bonds at your May 17, 2016 meeting. I will attend the meeting to review this information and answer any questions.

The City of Isanti will be undertaking various wastewater system improvements at a total cost estimated to be $3,455,000. The cost is inclusive of all engineering, financing, legal and administrative fees. After careful consideration, it has been determined that the City will contribute approximately $850,000 towards the project and finance the remainder with the issuance of General Obligation Sewer Utility Revenue Bonds.

Due to the nature of the bonds, it is recommended that the City consider applying to the Public Facilities Authority for enrollment in their Credit Enhancement Program. The program is currently rated AA+ by Standard & Poor's Rating Service. Inclusion in the program often results in improved marketability of the Bonds which should result lower interest rates.

To begin preparing for the issuance of bonds, the following items are included for Council consideration:

- PFA Resolution
- PFA Agreement
- Municipal Advisory Agreement
- Set Sale Resolution

We have prepared a Finance Plan Summary that explains the proposed structure and terms of the bond issue. I will review this information with you at the meeting.

If the proposed Finance Plan is acceptable, it is requested that the City Council approve the PFA & Set Sale resolutions along with the PFA and Municipal Advisory Agreements.

Finance Plan Summary

City of Isanti, Minnesota

$2,605,000

General Obligation Sewer Revenue Bonds, Series 2016A

May 17, 2016

Purpose

The G.O. Sewer Revenue Bonds, Series 2016A (the "Bonds") are being issued to finance wastewater treatment improvements, including a new lift station, a pretreatment building and various other system improvements. Based on tentative construction bids, the City's anticipates total project costs to be approximately $3,455,000, which is inclusive of all project and financing costs. The City is planning on contributing $850,000 from Sewer Fund reserves toward the project, bringing the City's financing requirement to $2,605,000.

A detailed illustration of the sources and uses of funds is presented in Exhibit A.

Authority and Security

The Bonds will be issued pursuant to Minnesota Statutes, Chapters 444 and 475. The City will use net revenues of the sewer utility to pay debt service on the Bonds.

Structure and Preliminary Analysis

The Bonds will be dated July 15, 2016. Interest will be payable on June 1 and December 1, beginning December 1, 2016. Principal is paid on December 1 in the years 2018 through 2029. 2018 and 2019 maturities are structured around existing sewer revenue debt service payments. The remaining maturities due in 2020 through 2029 are structured to achieve level annual payments. The structure for this issue grew out of the 2016 Utility Rate Study.

Current market conditions may require the use of premiums to attract investors and achieve the best results. In simplest terms, the City is paid more than the face (par) amount of a maturity and the investor receives a higher interest rate. The combination of these factors creates a net yield determined on a "true interest cost" TIC basis that is comparable to the interest rate without premium. The City has three options for using the additional monies from the premiums:

1. Deposit the premium amount in the Construction Fund and use it for additional project costs.

2. Deposit the premium amount in the Debt Service Fund and use the additional funds to manage debt service payments.

3. Reduce the size of the bond issue by the amount of the premium at time of sale.

We will work with Staff after pricing to make best use of the premiums (if any). In particular, we will avoid unanticipated impacts on the projected debt service payments.

Preliminary projections of debt service and the flow of funds can be found in Exhibit B.

Other Considerations

Rating

The City is currently rated AA- with a stable outlook by Standard & Poor's Ratings Services ("S&P"). The rating was upgraded to this level with the City's Series 2014A Bonds. The City will also get an "enhanced" rating on this issue based on its enrollment into the Minnesota Public Facilities Authority Credit Enhancement Program, which is currently rated AA+ by S&P. The underlying and enhanced ratings will improve marketability of the Bonds and should attract lower interest rates.

Bank Qualified

The City expects to issue (directly and as a conduit issuer) less than $10 million in total tax-exempt debt in calendar year 2016. This allows the Bonds to be designated as "bank-qualified" obligations pursuant to Federal Tax Law. The impact of this designation should result in lower interest rates due to the tax implications for banking institutions purchasing the Bonds. Estimated interest rates in the attached analysis reflect the bank-qualified status of the Bonds.

Arbitrage

The Bonds are not subject to federal arbitrage rebate requirements because the City expects to issue less than $5 million in tax-exempt bonds in 2016 (small issuer exception). Should the City subsequently issue more than $5 million, it could still be exempt from arbitrage rebate by meeting one of the timing tests for spending bond proceeds. We can provide additional information to the City about these tests when and if needed.

There are, however, certain arbitrage regulations that apply to the temporary investment of the proceeds of the Bonds. In general, the proceeds of the Bonds may not be invested at a yield materially higher than the yield on the Bonds. There is a three-year temporary period when the yield restrictions do not apply. The three-year temporary period begins on the date of issuance. The City must spend at least 85% of the net bond proceeds on the capital projects by the end of the 3-year temporary period. In addition, the City must enter into a substantial binding obligation to a third party to spend at least 5% of the net bond proceeds on the capital projects within six months of the issue date.

The City must also maintain a *bona fide* debt service fund for the Bonds or be subject to yield restriction in the debt service fund. A bona fide debt service fund involves an equal matching of revenues to debt service expense with a balance forward permitted equal to the greater of the investment earnings in the fund during that year or 1/12 of the debt service of that year.

The City should become familiar with the various Arbitrage Compliance requirements for this bond issue. The Bond Resolution explains the requirements in greater detail. We are also available to assist the City in meeting these requirements.

Book Entry

The Bonds will be *global book entry with Northland Trust designated as the paying agent.* As "paperless" certificates, you will avoid the cost of bond printing and annual registrar charges. The Paying Agent will invoice you for the interest semiannually and on an annual basis for the principal coming due.

Continuing Disclosure

Rule 15(c)2-12 of the Securities and Exchange Commission (SEC) requires continuing disclosure for most tax-exempt bonds. Since the City has more than $10 million of debt outstanding, it is subject to "full" continuing disclosure under the Rule. This requires the preparation and filing of an annual report and reporting of specific material events (as defined in the Rule). Northland Securities serves as the City's "dissemination agent". We prepare and file materials to meet your continuing disclosure obligations. The Series 2016A Bonds will be added to the filing for outstanding debt.

Issuing Process

Northland Securities has been engaged as municipal advisor for this issue and will seek bids for the Bonds on behalf of the City through a public sale process. The calendar of events for the issuing process is as follows:

May 17	City Council adopts the Set Sale Resolution
Week of May 16	Preliminary Official Statement distributed for review
Week of June 6	Rating Conference Call
Week of June 13	Rating released
June 21	Bond Sale – 10:30 A.M. – Bid Opening
	Authorizing Resolution Adopted – 7:00 P.M.
July 19 (est.)	Closing and delivery of bond proceeds

NORTHLAND SECURITIES

Summary of Recommended Terms

Type of Bond Sale	Public Sale – Competitive Bids
Sale Date	Tuesday, June 21, 2016 at 10:30 A.M.
Council Consideration	Tuesday, June 21, 2016 at 7:00 P.M.
Statutory Authority	The Bonds are being issued pursuant to Minnesota Statutes, Chapters 475 and 444.
Repayment Term	The Bonds will mature annually each December 1 in the years 2018 through 2029. Interest on the Bonds will be payable on December 1, 2016 and semiannually thereafter on each June 1 and December 1.
Security	General Obligation pledge of the City. The City will also pledge net revenues of the sewer utility system to pay debt service on the Bonds.
Prepayment Option	The Bonds due on or after December 1, 2025 will be subject to optional redemption on December 1, 2024 and any date thereafter at a price of par.
Tax Status	The Bonds will be designated as bank-qualified, tax-exempt obligations.
Rating	The City will request an underlying rating from Standard & Poor's, as well as a rating based on the Minnesota Credit Enhancement Program.
Arbitrage Rebate	It is anticipated that the Bonds will be exempt from arbitrage rebate.
Continuing Disclosure	Full
Bond Counsel	Briggs & Morgan, Professional Association, will provide a tax-exempt legal opinion on the Bonds.

EXTRACT OF MINUTES OF A MEETING
OF THE CITY COUNCIL
CITY OF ISANTI, MINNESOTA

HELD: May 17, 2016

Pursuant to due call thereof, a regular or special meeting of the City Council of the City of Isanti, Isanti County, Minnesota, was duly held at the City Hall on May 17, 2016, at 7:00 P.M. for the purpose in part of authorizing the competitive negotiated sale of $2,605,000 General Obligation Sewer Revenue Bonds, Series 2016A.

The following members were present:

and the following were absent:

Member _____ introduced the following resolution and moved its adoption:

RESOLUTION NO. 2016-____

RESOLUTION PROVIDING FOR THE COMPETITIVE NEGOTIATED SALE OF $2,605,000 GENERAL OBLIGATION SEWER REVENUE BONDS, SERIES 2016A

A. WHEREAS, the City Council of the City of Isanti, Minnesota (the "City"), hereby determines that it is necessary and expedient to issue $2,605,000 General Obligation Sewer Revenue Bonds, Series 2016A (the "Bonds"), pursuant to Minnesota Statutes, Chapters 444 and 475 to finance sanitary sewer improvements; and

B. WHEREAS, the City has retained Northland Securities, Inc., in Minneapolis, Minnesota ("Northland"), as its independent financial advisor and is therefore authorized to sell the Bonds by competitive negotiated sale in accordance with Minnesota Statutes, Section 475.60, Subdivision 2(9).

C. WHEREAS, the City has retained Briggs and Morgan, P.A. in Minneapolis, Minnesota as its bond counsel for purposes of this financing.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Isanti, Minnesota, as follows:

1. Authorization. The City Council hereby authorizes Northland to solicit proposals for the competitive negotiated sale of the Bonds.

2. Meeting; Proposal Opening. This City Council shall meet at the time and place specified in the Notice of Sale attached hereto as Exhibit A for the purpose of considering sealed proposals and awarding the sale of the Bonds.

3. Notice of Sale. The terms and conditions of the Bonds and the negotiation thereof are fully set forth in the Notice of Sale attached hereto as Exhibit A and hereby approved and made a part hereof.

4. Official Statement. In connection with the competitive negotiated sale, the City Administrator and other officers or employees of the City are hereby authorized to cooperate with Northland and participate in the preparation of an official statement for the Bonds, and to execute and deliver it on behalf of the City upon its completion.

The motion for the adoption of the foregoing resolution was duly seconded by member _____ and, after full discussion thereof and upon a vote being taken thereon, the following voted in favor thereof:

and the following voted against the same:

Whereupon the resolution was declared duly passed and adopted.

STATE OF MINNESOTA
COUNTY OF ISANTI
CITY OF ISANTI

I, the undersigned, being the duly qualified and acting Human Resources / City Clerk of the City of Isanti, Minnesota, do hereby certify that I have compared the attached and foregoing extract of minutes with the original thereof on file in my office, and that the same is a full, true and complete transcript of the minutes of a meeting of the City Council, duly called and held on the date therein indicated, insofar as such minutes relate to the $2,605,000 General Obligation Sewer Revenue Bonds, Series 2016A.

WITNESS my hand on May 17, 2016.

NOTICE OF SALE

$2,605,000*
GENERAL OBLIGATION SEWER REVENUE BONDS, SERIES 2016A

CITY OF ISANTI, MINNESOTA
(Book-Entry Only)

NOTICE IS HEREBY GIVEN that these Bonds will be offered for sale according to the following terms:

TIME AND PLACE:

Proposals will be opened by the City Administrator, or designee, on Tuesday, June 21, 2016, at 10:30 AM Central Time, at the offices of Northland Securities, Inc., 45 South 7th Street, Suite 2000, Minneapolis, Minnesota 55402. Consideration of the Proposals for award of the sale will be by the City Council at its meeting at the City Offices beginning on Tuesday, June 21, 2016 at 7:00 PM Central Time.

SUBMISSION OF PROPOSALS

Proposals may be:

a) submitted to the office of Northland Securities, Inc.;
b) faxed to Northland Securities, Inc. at 612-851-5918;
c) for proposals submitted prior to the sale, the final price and coupon rates may be submitted to Northland Securities, Inc. by telephone at 612-851-5900 or 612-851-4920; or
d) submitted electronically.

Notice is hereby given that electronic proposals will be received via PARITY™, or its successor, in the manner described below, until 10:30 AM, Central Time, on Tuesday, June 21, 2016. Proposals may be submitted electronically via PARITY™ or its successor, pursuant to this Notice until 10:30 AM, Central Time, but no Proposal will be received after the time for receiving Proposals specified above. To the extent any instructions or directions set forth in PARITY™, or its successor, conflict with this Notice, the terms of this Notice shall control. For further information about PARITY™, or its successor, potential bidders may contact Northland Securities, Inc. or i-Deal® at 1359 Broadway, 2nd floor, New York, NY 10018, telephone 212-849-5021.

Neither the City nor Northland Securities, Inc. assumes any liability if there is a malfunction of PARITY™ or its successor. All bidders are advised that each Proposal shall be deemed to constitute a contract between the bidder and the City to purchase the Bonds regardless of the manner in which the Proposal is submitted.

BOOK-ENTRY SYSTEM

The Bonds will be issued by means of a book-entry system with no physical distribution of bond certificates

* The City reserves the right to increase or decrease the principal amount of the Bonds. Any such increase or decrease will be made in multiples of $5,000 and may be made in any maturity. If any maturity is adjusted, the purchase price will also be adjusted to maintain the same gross spread.

made to the public. The Bonds will be issued in fully registered form and one bond certificate, representing the aggregate principal amount of the Bonds maturing in each year, will be registered in the name of Cede & Co. as nominee of Depository Trust Company ("DTC"), New York, New York, which will act as securities depository of the Bonds.

Individual purchases of the Bonds may be made in the principal amount of $5,000 or any multiple thereof of a single maturity through book entries made on the books and records of DTC and its participants. Principal and interest are payable by the City through Northland Trust Services, Inc., Minneapolis, Minnesota (the "Paying Agent/Registrar"), to DTC, or its nominee as registered owner of the Bonds. Transfer of principal and interest payments to participants of DTC will be the responsibility of DTC; transfer of principal and interest payments to beneficial owners by participants will be the responsibility of such participants and other nominees of beneficial owners. The successful bidder, as a condition of delivery of the Bonds, will be required to deposit the bond certificates with DTC. The City will pay reasonable and customary charges for the services of the Paying Agent/Registrar.

DATE OF ORIGINAL ISSUE OF BONDS

July 15, 2016

AUTHORITY/PURPOSE/SECURITY

The Bonds are being issued pursuant to Minnesota Statutes, Chapters 444 and 475, as amended. Proceeds will be used to finance wastewater treatment improvements, including a new lift station, a pretreatment building and various other system improvements and to pay the costs of issuing the Bonds. The Bonds are payable from net revenues of the sewer utility system. The full faith and credit of the City is pledged to their payment and the City has validly obligated itself to levy ad valorem taxes in the event of any deficiency in the debt service account established for the Bonds.

INTEREST PAYMENTS

Interest is due semiannually on each June 1 and December 1, commencing December 1, 2016, to registered owners of the Bonds appearing of record in the Bond Register as of the close of business on the fifteenth day (whether or not a business day) of the calendar month preceding such interest payment date.

MATURITIES

Principal is due annually on December 1, inclusive, in each of the years and amounts as follows:

Year	Amount	Year	Amount	Year	Amount	Year	Amount
2018	$70,000	2021	$230,000	2024	$240,000	2027	$255,000
2019	75,000	2022	235,000	2025	245,000	2028	265,000
2020	230,000	2023	240,000	2026	250,000	2029	270,000

Proposals for the Bonds may contain a maturity schedule providing for any combination of serial bonds and term bonds, subject to mandatory redemption, so long as the amount of principal maturing or subject to mandatory redemption in each year conforms to the maturity schedule set forth above.

INTEREST RATES

All rates must be in integral multiples of 1/20th or 1/8th of 1%. *Rates must be in level or ascending order.*

All Bonds of the same maturity must bear a single uniform rate from date of issue to maturity.

ADJUSTMENTS TO PRINCIPAL AMOUNT AFTER PROPOSALS

The City reserves the right to increase or decrease the principal amount of the Bonds. Any such increase or decrease will be made in multiples of $5,000 and may be made in any maturity. If any maturity is adjusted, the purchase price will also be adjusted to maintain the same gross spread. Such adjustments shall be made promptly after the sale and prior to the award of Proposals by the City and shall be at the sole discretion of the City. The successful bidder may not withdraw or modify its Proposal once submitted to the City for any reason, including post sale adjustment. Any adjustment shall be conclusive and shall be binding upon the successful bidder.

OPTIONAL REDEMPTION

Bonds maturing on December 1, 2025 and thereafter are subject to redemption and prepayment at the option of the City on December 1, 2024 and on any date thereafter at a price of par plus accrued interest. Redemption may be in whole or in part of the Bonds subject to prepayment. If redemption is in part, the maturities and principal amounts within each maturity to be redeemed shall be determined by the City and if only part of the Bonds having a common maturity date are called for prepayment, the specific Bonds to be prepaid shall be chosen by lot by the Bond Registrar. Notice of redemption shall be given by registered mail to the registered owner of the Bonds not less than 30 days prior to such redemption date.

CUSIP NUMBERS

If the Bonds qualify for assignment of CUSIP numbers such numbers will be printed on the Bonds, but neither the failure to print such numbers on any Bond nor any error with respect thereto shall constitute cause for a failure or refusal by the successful bidder thereof to accept delivery of and pay for the Bonds in accordance with terms of the purchase contract. The CUSIP Service Bureau charge for the assignment of CUSIP identification numbers shall be paid by the successful bidder.

DELIVERY

Delivery of the Bonds will be within thirty days after award, subject to an approving legal opinion by Briggs and Morgan, Professional Association, Bond Counsel. The legal opinion will be paid by the City and delivery will be anywhere in the continental United States without cost to the successful bidder at DTC.

TYPE OF PROPOSAL

Proposals of not less than $2,573,740 (98.80%) and accrued interest on the principal sum of $2,605,000 must be filed with the undersigned prior to the time of sale. Proposals must be unconditional except as to legality. Proposals for the Bonds should be delivered to Northland Securities, Inc. and addressed to:

Don Lorsung, City Administrator
Isanti City Hall
110 1st Ave NW
Isanti, Minnesota 55040

A good faith deposit (the "Deposit") in the amount of $52,100 in the form of a federal wire transfer (payable to the order of the City) is only required from the apparent winning bidder, and must be received within two hours after the time stated for the receipt of Proposals. The apparent winning bidder will receive notification of the wire instructions from the Municipal Advisor promptly after the sale. If the Deposit is not received from the apparent winning bidder in the time allotted, the City may choose to reject their

Proposal and then proceed to offer the Bonds to the next lowest bidder based on the terms of their original proposal, so long as said bidder wires funds for the Deposit amount within two hours of said offer.

The City will retain the Deposit of the successful bidder, the amount of which will be deducted at settlement and no interest will accrue to the successful bidder. In the event the successful bidder fails to comply with the accepted Proposal, said amount will be retained by the City. No Proposal can be withdrawn after the time set for receiving Proposals unless the meeting of the City scheduled for award of the Bonds is adjourned, recessed, or continued to another date without award of the Bonds having been made.

AWARD

The Bonds will be awarded on the basis of the lowest interest rate to be determined on a true interest cost (TIC) basis. The City's computation of the interest rate of each Proposal, in accordance with customary practice, will be controlling. In the event of a tie, the sale of the Bonds will be awarded by lot. The City will reserve the right to: (i) waive non-substantive informalities of any Proposal or of matters relating to the receipt of Proposals and award of the Bonds, (ii) reject all Proposals without cause, and (iii) reject any Proposal which the City determines to have failed to comply with the terms herein.

INFORMATION FROM SUCCESSFUL BIDDER

The successful bidder will be required to provide, in a timely manner, certain information relating to the initial offering price of the Bonds necessary to compute the yield on the Bonds pursuant to the provisions of the Internal Revenue Code of 1986, as amended.

OFFICIAL STATEMENT

By awarding the Bonds to any underwriter or underwriting syndicate submitting a Proposal therefor, the City agrees that, no more than seven business days after the date of such award, it shall provide to the senior managing underwriter of the syndicate to which the Bonds are awarded, the Final Official Statement in an electronic format as prescribed by the Municipal Securities Rulemaking Board (MSRB).

FULL CONTINUING DISCLOSURE UNDERTAKING

The City will covenant in the resolution awarding the sale of the Bonds and in a Continuing Disclosure Undertaking to provide, or cause to be provided, annual financial information, including audited financial statements of the City, and notices of certain material events, as required by SEC Rule 15c2-12.

BANK QUALIFICATION

The City will designate the Bonds as qualified tax-exempt obligations for purposes of Section 265(b)(3) of the Internal Revenue Code of 1986, as amended.

BOND INSURANCE AT UNDERWRITER'S OPTION

If the Bonds qualify for issuance of any policy of municipal bond insurance or commitment therefor at the option of the successful bidder, the purchase of any such insurance policy or the issuance of any such commitment shall be at the sole option and expense of the successful bidder of the Bonds. Any increase in the costs of issuance of the Bonds resulting from such purchase of insurance shall be paid by the successful bidder, except that, if the City has requested and received a rating on the Bonds from a rating agency, the City will pay that rating fee. Any other rating agency fees shall be the responsibility of the successful bidder. Failure of the municipal bond insurer to issue the policy after the Bonds have been awarded to the successful

bidder shall not constitute cause for failure or refusal by the successful bidder to accept delivery on the Bonds.

The City reserves the right to reject any and all Proposals, to waive informalities and to adjourn the sale.

Dated: May 17, 2016

EXTRACT OF MINUTES OF A MEETING
OF THE CITY COUNCIL OF THE
CITY OF ISANTI,
STATE OF MINNESOTA

HELD: Tuesday, May 17, 2016

Pursuant to due call and notice thereof, a regular meeting of the City Council of the City of Isanti, State of Minnesota, was duly held on Tuesday, May 17, 2016 at 7:00 p.m.

Member _____ introduced the following resolution and moved its adoption:

RESOLUTION 2016-_____

RESOLUTION RELATING TO THE ISSUANCE OF GENERAL OBLIGATION SEWER REVENUE BONDS, SERIES 2016A; COVENANTING AND OBLIGATING THE CITY TO BE BOUND BY AND TO USE THE PROVISIONS OF MINNESOTA STATUTES, SECTION 446A.086 TO GUARANTEE THE PAYMENT OF THE PRINCIPAL AND INTEREST ON THE BONDS

BE IT RESOLVED by the City Council of the City of Isanti, State of Minnesota (herein, the "City"), as follows:

1. The City Council hereby finds and declares that it is necessary and expedient for the City to sell and issue its fully registered general obligation bonds in the total aggregate principal amount of approximately $2,700,000 (herein, the "Bonds"). The proceeds of the Bonds will be used, together with any additional funds of the City which might be required, to finance wastewater treatment improvements, including a new lift station, a pretreatment building and various other system improvements, and (ii) to pay the costs associated with issuing the Series 2016A Bonds.

2. Minnesota Public Facilities Authority Credit Enhancement Program
The following documents have been submitted to the Council and are on file in the office of the City Clerk:
A. Form of Minnesota Public Facilities Authority (the "PFA") Credit Enhancement Program Agreement (the "Agreement"); and

B. Application for Participation in the PFA Credit Enhancement Program (the "Application").

The Agreement and the Application are authorized and approved in substantially the forms presented to the Council. Submission of the Application to the PFA and payment of related fees are approved. The Agreement shall be prepared for execution in

accordance with the approved forms and shall be signed by the manual signature of the Mayor and attested by the manual signature of the City Clerk.

The City hereby covenants and obligates itself to be bound by the provisions of Minnesota Statutes, Section 446A.086, as it may be amended from time to time (the "Credit Enhancement Act"). The City understands that as a result of its covenant to be bound by the provisions of the Credit Enhancement Act, the provisions of the Credit Enhancement Act shall be binding as long as any Bonds of this issue remain outstanding.

The City further covenants to comply with all procedures now or hereafter established pursuant to the Credit Enhancement Act by the PFA and otherwise to take such actions as necessary to comply with the Credit Enhancement Act. The Mayor or City Clerk is authorized to execute any applicable PFA forms and to provide for the payment of the City's application fee of $500.00 payable to the Authority, which fee is required to be submitted with the executed forms.

The motion for the adoption of the foregoing resolution was duly seconded by Member _____, and upon vote being taken thereon, the following voted in favor thereof:

and the following voted against the same:

Whereupon said resolution was declared duly passed and adopted.

MINNESOTA PUBLIC FACILITIES AUTHORITY
CREDIT ENHANCEMENT PROGRAM AGREEMENT

This Credit Enhancement Program Agreement, dated as of _____, ("the Agreement"), is made between the Minnesota Public Facilities Authority (the "Authority") and the City of Isanti, Minnesota (the "Governmental Unit"), in order to comply with the requirements of Minnesota Statutes, Section 446A.086 (the "Act"). The Governmental Unit has passed a resolution dated May 17, 2016, (the "Resolution) authorizing the issuance of its $2,700,000 General Obligation Sewer Revenue Bonds, Series 2016A (the "Bonds"), the proceeds of which will be used to provide funds for wastewater treatment improvements, including a new lift station, a pretreatment building and various other system improvements.. The Governmental Unit represents that the Resolution authorizes the Governmental Unit to enter into this Agreement and obligates the Governmental Unit to be bound by the provisions of the Act. The Governmental Unit and the Authority agree as follows:

Section 1. The Governmental Unit will deposit with Northland Trust Services, Inc. (and any subsequent paying agent) (the "Paying Agent") three business days before the date on which each payment is due on the Bonds an amount sufficient to make that payment.

Section 2. The Governmental Unit will notify the Authority not less than 15 business days prior to the date a payment is due on the Bonds if the Governmental Unit will be unable to make all or a portion of the payment. Notification shall be provided by faxing and mailing a completed and executed Notification of Potential Default form to the Authority.

Section 3. The Governmental Unit will include a provision in its agreement with the Paying Agent for the Bonds that requires the Paying Agent to immediately inform the Minnesota Commissioner of Management and Budget, with a copy to the Authority, if the Paying Agent becomes aware of a default or potential default in the payment of principal or interest on the Bonds or if, on the day two business days before the date a payment is due on the Bonds, there are insufficient funds on deposit with the Paying Agent to make the payment. For purposes of this paragraph and the Act, funds invested in a refunding escrow account established under Minnesota Statutes, Section. 475.67 that are to become available to the Paying Agent on a principal or interest payment date are deemed to be on deposit with the Paying Agent three business days before the payment date.

Section 4. The provisions of this Agreement are binding with respect to the Bonds as long as the Bonds remain outstanding.

Section 5. According to its terms, the Act is a contract with bondholders and may not be amended or repealed for the covered bonds so long as the covered bonds are outstanding.

Section 6. The Governmental Unit agrees to provide the Authority with a copy of the final debt service schedule for the Bonds within 30 days of the closing date and an estimate of the interest savings that will be achieved by participation in the program.

Section 7. The Authority has reviewed the application of the Governmental Unit dated May 17, 2016, and, based solely upon the application, the opinion of bond counsel and the provisions of this Agreement, verifies that the Bonds are participating in the Credit Enhancement Program established pursuant to the Act, and that if the Governmental Unit is unable to make any portion of the payment on the Bonds on or before the date due, the State of Minnesota, acting through the Authority, shall make such payment in its place pursuant to the Act, providing that funds are available in the State General Fund. **The obligation to make a payment under the Act is not a general obligation of the State of Minnesota. The Act does not obligate the legislature to provide for the availability of funds in the General Fund for this purpose.**

Section 8. The Authority will provide to the Governmental Unit upon request, or to its duly authorized agent, any information which the State of Minnesota files with the Nationally Recognized Municipal Securities Information Repositories pursuant to the State's obligations under rule 15c2-12.

Section 9. The Governmental Unit agrees to notify the Authority if the Paying Agent is replaced by a subsequent paying agent and to provide to the Authority a certification by the subsequent paying agent in the form set forth for the original paying agent below.

IN WITNESS WHEREOF, the Authority and the Governmental Unit acknowledge their assent to this Agreement and agree to be bound by its terms and the terms of the Act through their signatures entered below.

MUNICIPAL ADVISORY SERVICE AGREEMENT
BY AND BETWEEN
THE CITY OF ISANTI, MINNESOTA
AND
NORTHLAND SECURITIES, INC.

This Agreement made and entered into by and between the City of Isanti, Minnesota (hereinafter "City") and Northland Securities, Inc., of Minneapolis, Minnesota (hereinafter "NSI").

WITNESSETH

WHEREAS, the City desires to have NSI provide it with advice on the structure, terms, timing and other matters related to the issuance of the General Obligation Sewer Revenue Bonds, Series 2016A (the "Debt") serving in the role of municipal (financial) advisor, and

WHEREAS, NSI is a registered municipal advisor (registration # 866-00082-00), and

WHEREAS, the City and NSI are entering into this Agreement to define the municipal advisory relationship at the earliest opportunity related to the Debt, and

WHEREAS, NSI desires to furnish services to the City as hereinafter described,

NOW, THEREFORE, it is agreed by and between the parties as follows:

SERVICES TO BE PROVIDED BY NSI

NSI shall provide the City with services necessary to analyze, structure, offer for sale and close the Debt as follows:

Planning and Development

1. Meet with City officials and others as directed to define the scope and the objectives for the Debt.
2. Investigate and consider reasonably feasible financing alternatives.
3. Prepare materials needed to evaluate the material risks, potential benefits, structure and other characteristics of the recommended plan for the Debt, including issue structure, estimated debt service payments, projected revenues, method of issuance, bond rating, sale timing, and call provisions.
4. Prepare a schedule of events related to the issuance process.
5. Coordinate with bond counsel any actions needed to authorize the issuance of the Debt.
6. Attend meetings of the City Council and other project and bond issue related meetings as needed and as requested.

Bond Sale

1. Collect data and prepare preliminary official statement (POS).
2. Provide POS for review and approval by City.
3. Distribute the POS and bid form to prospective bidders.

4. Cause to be published the Official Notice of Sale if required by law.
5. Prepare and submit application for bond rating(s) and assist City with furnishing the rating agency(s) with any additional information required to conduct the rating review. Assist City with preparing and conducting rating call or other presentation.
6. Distribute offering materials to underwriters most likely to serve as syndicate managers to assure that bidding interest is established.
7. Assist the City in receiving the bids, compute the accuracy of the bids received, and recommend to the City the most favorable bid for award.
8. Coordinate with bond counsel the preparation of required contracts and resolutions.

Post Sale Support

1. Prepare final official statement and provide to underwriter for posting on EMMA.
2. Coordinate the bond issue closing including making all arrangements for bond printing, registration, and delivery.
3. Furnish to the City a complete transcript of the transaction, if not provided by bond counsel.
4. Assist, as requested by the City, with the investment of bond issue proceeds.

COMPENSATION

For providing these services with respect to the Debt, NSI shall be paid a lump sum of $15,400. The fee due to NSI shall be payable by the City upon the closing of the Bonds.

NSI agrees to pay the following expenses from its fee:

- Out-of-pocket expenses such as travel, long distance phone, and copy costs.
- Production and distribution of material to rating agencies and/or bond insurance companies.
- Preparation of the bond transcript.

The City agrees to pay for all other expenses related to the processing of the bond issue(s) including, but not limited to, the following:

- Engineering and/or architectural fees.
- Publication of legal notices.
- Bond counsel and local attorney fees.
- Fees for various debt certificates.
- The cost of printing Official Statements, if any.
- City staff expenses.
- Airfare and lodging expenses of one NSI official and City officials when and if traveling for rating agency presentations.
- Rating agency fees, if any.
- Bond insurance fees, if any.
- Accounting and other related fees.

It is expressly understood that there is no obligation on the part of the City under the terms of this Agreement to issue the Debt. If the Debt is not issued, NSI agrees to pay its own expenses and receive no fee for any services it has rendered.

SUCCESSORS OR ASSIGNS

The terms and provisions of this Agreement are binding upon and inure to the benefit of the City and NSI and their successors or assigns.

TERM OF THIS AGREEMENT

This Agreement may be terminated by thirty (30) days written notice by either the City or NSI and it shall terminate sixty (60) days following the closing date related to the issuance of the Debt.

Dated this 17th day of May, 2016.

Request for City Council Action

To: Mayor Wimmer and City Council Members

From: Sean M. Sullivan, Economic Development Director

Date: May 17, 2016

Subject: **Consider Resolution Authorizing Loan from the City Revolving Loan Fund to Trans Mississippi Biological Supply**

Background:

An application has been submitted to access $15,000 in the City Revolving Loan Fund to help finance the acquisition and build-out of the middle four condo units at 101 Isanti Parkway NE. Trans Mississippi Biological Supply manufactures biological supplies. The project will involve the purchase the four vacant units totaling 9,000 square feet which will fill the building. Total project costs are estimated at $360,000 and the applicant estimates that 2 permanent jobs will be created in Isanti. The jobs are expected to consist of 2 FT positions initially with the opportunity for growth. The loan request of 15,000 meets the loan criteria and the city loan will represent 4.2% of the project costs. The approximate balance of the RLF Fund is:

Current Balance $45,755
MIF $29,279.12
Other (Unrestricted) $16,476.52

The Applicant has also submitted application to the Initiative Foundation for $45,000 to fill the remaining gap. The Initiative foundation has requested a shared second position on the loan and the RLF Committee recommended approval of that item

The Revolving Loan Fund (RLF) was established by Resolution 2008-115 on May 6, 2008. The RLF was created to bring additional businesses to Isanti and to assist businesses expanding in Isanti. This project meets the goals established by the RLF and the Applicant has met the requirements of accessing the revolving loan fund.

RLF Advisory Committee Recommendation (Meeting on May 5, 2016):

The RLF Committee has reviewed the application and financial documents and recommends approval of a loan up to $15,000 out of the Other (Unrestricted) revolving loan fund, with a term of 7 years and an interest rate of 3%. Loan is to be secured by Real Estate and TI and City Staff is directed to work with Village Bank to draft all required loan and security documents to complete the transaction and to file the security documents in the appropriate office.

City Council Action Requested:

Adoption of attached resolution that include recommendations from City RLF Advisory Committee

Attachment:

1) Resolution 2016-___ Authorizing Loan from City Revolving Loan Fund with Trans-Mississippi Biological Supply

RESOLUTION 2016-___

Authorizing Loan from the City Revolving Loan Fund to Trans-Mississippi Biological Supply

WHEREAS, On April 20, 2016, the City of Isanti received a complete application from Trans-Mississippi Biological Supply, Inc or a newly created LLC with Troy Felch as the principal (the "Applicant") requesting a loan of $15,000 to assist in the purchase of four condominium units at 101 Isanti Parkway NE, Isanti, MN 55040; and

WHEREAS, the project consists of purchase of 9000 square foot of real estate and the relocation of an existing business from St Paul, MN to Isanti, MN; and

WHEREAS, the Applicant has stated that 2 PT jobs will be created as a result of this project in the City of Isanti; and

WHEREAS, the Revolving Loan Fund Committee met on May 5, 2016 and recommended approval of a loan with the Applicant in an amount not to exceed $15,000 with a rate of 3% and a term of 7 years and agreement to share second mortgage position with the Initiative Foundation; and

WHEREAS, the Revolving Loan Fund Advisory Committee recommended assigning Village Bank to work with City Staff and to draft and review all loan documents necessary to secure an interest in favor of the city of Isanti on real estate tenant improvements to be purchased and constructed by the Applicant; and

WHEREAS, the execution of the Mortgage and associated documents are required to secure the City of Isanti financial interest; and

WHEREAS, the project and loan request meet the minimum criteria to utilization of RLF funds.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota authorize:

1) City Staff to Work with Village Bank to draft all necessary loan/security documents for a Loan up to $15,000 for a term of 7 year at a rate of 3%.
2) The Mayor and City Administrator to execute required loan/security documents with the Applicant as drafted and approved by Village Bank, according to the terms outlined above with sufficient collateral and to file the required security agreement/loan documents at the Isanti County Recorder or where required.

This Resolution hereby approved by the Isanti City Council this 17th day of May 2016.

K.4.

TO: Mayor Wimmer & City Council

FROM: Don Lorsung, City Administrator

DATE: May 11, 2016

RE: Proposed 2017 Budget Calendar

Department heads will begin working on their budgets in May and will be meeting with the Interim Finance Director and I to review their budgets. The Finance Committee will be provided with each department's proposed budget and will be meeting with each department at upcoming Finance Committee meetings in June and July.

The 2017 preliminary budget and levy must be certified to the County by September 30, 2016 and should be adopted at the September 6, 2016 regularly scheduled City Council meeting.

At this time it is recommended to have only two budget workshop sessions with a third session held if deemed necessary. Suggested dates for this year's work sessions include:

Tuesday, July 19, 2016
Wednesday, August 3, 2016
Tuesday, August 16, 2016 (Optional Third Workshop)

Staff is recommending that the Budget Workshops start at 7:15 p.m. or upon completion of the regular meeting, whichever is later.

Once the City Council approves the dates and times for Budget Meetings, staff can then schedule which departments will be reviewed at each work session.

Subject: A Resolution Approving a Lease Agreement and Operating Policy Between the City of Isanti and Redbirds Baseball For The Use of Sportsman Field

---

Background:
As per City Council direction (May 3rd, 2016), the Lease Agreement and Operating Policy between the City of Isanti and Redbirds Baseball has been updated to include terms and language agreed upon by both parties.

The agreement has been signed by representatives of Redbirds Baseball accepting the terms and is attached to the resolution included in this memo.

Staff Request:
Staff is requesting City Council to approve the Lease Agreement and Operating Policy Between the City of Isanti and Redbirds Baseball for the Use of Sportsman Field.

Attachments:
- Resolution 2016 - XXX

RESOLUTION 2016-

A RESOLUTION APPROVING A LEASE AGREEMENT AND OPERATING POLICY BETWEEN THE CITY OF ISANTI AND REDBIRDS BASEBALL FOR THE USE OF SPORTSMAN FIELD

WHEREAS, City of Isanti staff have worked with Redbirds Baseball to determine the terms of the Lease Agreement and Operating Policy attached to this resolution (Exhibit A); and,

WHEREAS, the Lease Agreement and Operating Policy was discussed with Redbirds Baseball representatives at the City Council meeting on May 3, 2016; and,

WHEREAS, Redbirds Baseball has agreed to carry premises liability and participant accident coverage insurance and will name the City of Isanti as the additional insured thereunder; and,

WHEREAS, Redbirds Baseball has agreed to reimburse the City of Isanti annually for utility fees incurred for lighting Sportsman Field; and,

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, to approve the Lease Agreement and Operating Policy between the City of Isanti and Redbirds Baseball for the use of Sportsman Field.

This Resolution hereby approved by the Isanti City Council this 17th day of May, 2016.

Attest: Mayor George A. Wimmer

Lindsey McInnis
Human Resources/City Clerk

"Exhibit A"

Lease Agreement and Operating Policy Between

City of Isanti (Lessor) and Cambridge - Isanti Redbirds, Inc. (here and after Redbirds Baseball) (Lessee)

LEASE AGREEMENT AND OPERATING POLICY FOR REDBIRD FIELD ALSO KNOWN AS SPORTSMAN FIELD

Lease Agreement

In consideration of contributions by Lessee to the costs of construction, maintenance and operation of the baseball field known as Redbird Field and also known as Sportsman Field, as set forth in the Operating Policy listed below, the City of Isanti does agree to lease Redbird Field to Redbirds Baseball, for the sole and exclusive use as and for outdoor recreational purposes, in accordance with the Operating Policy for an indefinite period of years terminable upon the occurrence of any of the following events:

1. In the event Redbird Field ceases to be used for a consecutive period of twelve (12) or more months for Minnesota Baseball Association sanctioned competitions, the City of Isanti in its sole discretion, can declare said lease to be terminated.
2. In the event that Redbirds Baseball cease to exist as a tax exempt organization pursuant to the provision of Section 501 (c) (4) of the Internal Revenue code, the City of Isanti in its sole discretion, can declare said lease to be terminated.
3. In the event Redbirds Baseball fails to maintain Redbird Field in a manner appropriate to standards set by the Minnesota Baseball Association and fails to correct issues within a period of one (1) year after the initial notice of such deficiency, the City of Isanti in its sole discretion, can declare said lease to be terminated.
4. In the event Redbirds Baseball should become voluntarily or involuntarily insolvent and unable to pay its debts and meet the obligation of normal business, the City of Isanti in its sole discretion, can declare said lease to be terminated.
5. In the event of termination by mutual agreement of the parties upon such terms and conditions as the parties shall agree in writing.
6. Unless otherwise extended by mutual agreement of the parties, this agreement shall automatically terminate as of December 31, 2025.
7. In the event Redbirds Baseball should be in breach of any of its obligations set forth below, and fails to correct any such breach within a period of 30 days after the initial notice of such breach from the City of Isanti, the City of Isanti in its sole discretion, can declare said lease to be terminated.
8. In the event Redbirds Baseball should not be able to receive funds from charitable gambling, the said lease shall be reviewed for renegotiation.
9. Redbirds Baseball may choose to terminate the lease agreement at any time. In order to terminate the lease agreement, Redbirds Baseball must give the City of Isanti an advance six-month written notice.

Upon termination of this lease all improvements, fixtures, and infrastructure of whatever description added to the property described in the Resolution during the term of the lease shall remain with the premised and shall become the sole and exclusive property of the City of Isanti, unless otherwise specifically agreed in exiting between the City of Isanti and Redbirds Baseball.

Operating Policy

Intent

It is the intent of this Operating Policy for the City of Isanti and Redbirds Baseball to establish an understanding of both the City's and Redbird's respective responsibilities with regards to the operation, use, and maintenance of the baseball field. This policy may be amended with approval of both the City of Isanti and Redbirds Baseball. The City of Isanti shall make its best efforts to notify Redbirds Baseball whenever the policy is discussed in the future.

Hours of Use
Redbirds Baseball has the sole and exclusive use of the property legally described within the Resolution for the outdoor recreational purposes of Redbird baseball field. The hours of use for Redbird Field shall extend 7:00 a.m to 11:30 p.m. notwithstanding the 10:00 p.m. closing otherwise applicable to other facilities in Bluebird Park.

Community Use
Community members may not utilize the baseball field without prior approval from Redbirds Baseball. Redbirds Baseball may open the baseball field for use by other private or public entities for baseball related events. Inquiries made for these types of events through City offices shall be forwarded to Redbirds Baseball for consideration and approval.

Special Events (Tournaments and Meets)
Prior to hosting any tournament and/or other special event or meet, Redbirds Baseball shall be responsible for obtaining the necessary Special Event permit for the City of Isanti, in accordance with Isanti City Code of Ordinances Chapter 278.

City of Isanti

1. The City of Isanti authorizes Redbirds Baseball to manage the property as long as the property is used for its intended purpose, which is a baseball field.
2. The City of Isanti authorizes and directs City staff to work with Redbirds Baseball in order to resolve any minor issues that may arise after this Agreement has been approved and signed, providing the resolution to such issues do not violate the intent to this Agreement.
3. The City of Isanti shall provide water and sewer service stubs to the concession building and restroom facilities, once those facilities are constructed and made available on the property. WAC and SAC fees shall be waived at that time.
4. The City of Isanti shall be reimbursed for utility fees incurred for lighting of Redbird Field.
5. The City of Isanti agrees to waive all fees normally associated with site plan, conditional use, interim use, sign permits and other planning/zoning approvals.
6. The City of Isanti shall add Redbirds Field thereon as an insured property under its existing property damage insurance. All equipment existing and future building or structures shall be included in that coverage.
7. When the City of Isanti becomes aware of grant opportunities, the City shall forward those opportunities along to Redbirds Baseball. The City agrees to provide letters of support to Redbirds Baseball for such grant opportunities.
8. The City of Isanti shall be responsible for all cost associated with future improvements of Third Avenue NW and Isanti Parkway NW.
9. The City of Isanti's commitments as described in this agreement, are subject to the condition that Redbirds Baseball provide adequate evidence satisfactory to the City that it is able to cover all operating expenses and any future projects in accordance with all terms and conditions herein agreed upon.

Redbirds Baseball

1. Redbirds Baseball shall not incur any debt to which the City of Isanti would be held liable for and will not charge the City of Isanti for any improvements in the event that Redbirds Baseball would become non-operational.
2. Redbirds Baseball, at its sole expense, shall ensure toilet facilities are available when the field is in use.
3. Redbirds Baseball, at its sole expense, agrees to maintain and/or install private wells as necessary for an irrigation system to facilitate maintenance of the baseball field.
4. Redbirds Baseball is responsible for, at its sole expense, all regular maintenance items associated with the baseball field, to include but is not limited to mowing, weed trimming and routine turf repairs.
5. Redbirds Baseball will be responsible, at its sole expense, for routine maintenance and improvement to the baseball field including but not limited to making repairs to concession stand, bleachers, batting cage and fencing.

6. Redbirds Baseball, at its sole expense, will make necessary improvements and/or additions to the baseball field that have been deemed necessary to field a competitive baseball team.
7. Redbirds Baseball shall have the sole responsibility, at its sole expense, of all necessary equipment for field maintenance and/or operation and all storage of such equipment.
8. Redbirds Baseball will carry premises liability and participant accident coverage and shall name the City of Isanti as the additional insured thereunder.
9. Redbirds Baseball shall reimburse the City of Isanti annually for utility fees incurred for lighting of Redbird Field.

Maintenance
Redbirds Baseball is responsible, at its sole expense, for all regular maintenance items associated with Redbird Field, including but is not limited to, dugout repairs, concession repairs, fence repairs, lighting, mowing, weed trimming, field repairs and routine turf repairs. Redbirds Baseball is solely responsible for any costs associated with the construction of new facility elements or elements needed for the Redbirds. All necessary equipment for field maintenance and/or operation and all storage of such equipment shall be the sole responsibility of Redbirds Baseball.

Site Improvements
Redbirds Baseball is solely responsible for all costs incurred for necessary site improvements. All site improvements shall meet the applicable Ordinance requirements as established within the Isanti City Code of Ordinances as well as the Zoning ordinances, and shall also comply with any applicable State and/or Federal laws or regulations. Prior to construction or alteration of new and/or existing facilities and/or building, parking area, lighting, and other similar facilities and amenities; Redbirds Baseball shall receive any necessary planning and zoning approval prior to construction on the property. All signs not housed within the perimeter of the baseball field, whether temporary or permanent, shall receive City Council approval, in accordance with the Zoning Ordinance.

Date: May 17, 2016

Subject: Repair of Bluebird Park Rope Climbing Structure

Background:
The rope tree climber structure at Bluebird Park has been found to have damage at a connection point. The rope has frayed, exposing wires and creating a weak point, which is a safety hazard. City staff have made temporary repairs to stop further damage, and to make the structure as safe as possible until a permanent fix can be made. This temporary repair has been found with further damage. The structure is roughly 12 years old.

Staff have been in contact with the company that installed the equipment initially about replacing this section. City of Isanti Public Works does not have the necessary tools to make the repair in house. To repair the existing structure would cost $4546.50 [$1879.00 parts, $1011.00 freight, up to $1440.00 labor, $216.50 (5%) contingency] and would take at least 10-12 weeks for delivery and installation.

The Park, Recreation, and Culture Board has created a prioritized list of necessary repairs to Isanti Parks. The list was adopted by City Council in 2015 (Resolution 2015-309). The damage to the Bluebird climbing structure only occurred recently, and is not included on this list. Making the repair to the structure would impact the ability to address items that have been made a priority by the Park Board.

The 2016 PRC-404 budget (Repairs and Maintenance) – Repairs/Replacement Park Structures/Equipment had $6420.62 remaining as of the end of April, 2016. Staff have begun research into costs to replace the whole climbing structure. Similar structures can cost between $12,000.00 and $18,000.00.

Staff Request:
Staff is requesting direction on this item. Repairing the structure will require about 71% of the remaining budget (as of April, 2016) and will take 10-12 weeks; doing so will also require adjusting the Parks priority list. Action needs to be taken as soon as possible to address this safety issue.

RESOLUTION 2016-

A RESOLUTION ADDRESSING THE DAMAGED PLAYGROUND EQUIPMENT AT BLUEBIRD PARK

WHEREAS, the rope tree climbing structure at Bluebird Park has frayed at a connection point and the temporary repairs continue to be damaged; and,

WHEREAS, this damage creates a weak point in the structure and a safety hazard to its users; and,

WHEREAS, City staff have been in contact with the initial installers to determine repair options, and the total cost of the repair will with 5% contingency is in the amount, not to exceed, $4546.50 and the new part will take 10-12 weeks to ship; and,

WHEREAS, funds for the repair would come from the Parks, Recreation, and Culture Repairs and Maintenance budget, and would take about 71% of the remaining budget as of the end of April 2016; and,

WHEREAS, this repair is outside the scope of the Parks, Recreation, and Culture Board Prioritized List which was adopted by Council in December of 2015, and is an unbudgeted expense that may affect the ability to address other items on this list; and,

WHEREAS, the structure is about 12 years old; and,

WHEREAS, the safety issue created with this structure needs to be addressed as soon as possible by either making the repair in the amount, not to exceed, $4546.50 or removing the structure from the park;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, *to approve necessary expenses to repair the existing equipment* OR *to have the rope tree climber equipment removed from Bluebird Park.*

This Resolution hereby approved by the Isanti City Council this 17th day of May, 2016.

RESOLUTION NO. 2015-309

A RESOLUTION TO ACCEPT THE PARKS, RECREATION AND CULTURE BOARD PRIORITIZED LIST OF NECESSARY REPAIRS

WHEREAS, the Parks, Recreation and Culture Board created a subcommittee to review park structures and other park equipment on June 23, 2015; and,

WHEREAS, the subcommittee identified structures and equipment that were either in need of repair or replacement; and,

WHEREAS, the prioritized list is attached as 'Exhibit A'; and,

WHEREAS, staff can move forward with purchasing items or equipment in order as identified by the list as funding becomes available;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of Isanti, Minnesota, hereby approves the Parks, Recreation and Culture Board subcommittee prioritized list of repairs and replacement items, attached as 'Exhibit A', and to purchase accordingly as funding becomes available.

This resolution was duly adopted by the Isanti City Council this 15th day of December 2015.

Mayor George A. Wimmer

'Exhibit A'

★ = SAFETY ISSUE - PERFORM ASAP

Updated October 22, 2015

Isanti Parks Priority List

This item list has been provided by the PRC Board Sub-Committee members. City staff has included some additional information with costs that were known in the italic font. Not all costs given include freight/ shipping charges.

General Maintenance to be done by PW:

★ THIS SHOULD BE BUDGETED WITHIN 2 YEARS.

★ 1) Sandburs – Totlot and Mattson (parks with sand base still) – *public works sprays and tills approximately twice per Season. We could increase that amount as time permits. We may want to phase out of sand in all of our parks. It is not recommended as a safe attenuated surface type with equipment over 4'. It also is not an accessible surface. We would need to remove the sand, curb the area (we should go to concrete curbing for long term cost savings and longevity) and use wood fiber.*

2) Weeds – General weeding. Removal of weeds in cracks at the sportcourts – *pw will be spraying and removing weeds in Mattson the week of 9/21. We need to purchase approximately $200.00 of crack filler to repair Mattson's tennis courts.*

3) Lubrication – Oil swing chains and other moving parts

4) Woodchips – Rake and level out *$1800.00 per load of wood fiber. We budget*

5) General Cleaning of equipment

6) Clean out Horseshoe pits at Mattson

1 ★ 7) Bolt Covers – All parks. Approximately 30 currently *$1.66 each*

8) Fix or Replace aluminum bench ends – Mattson and VFW *Approx. $10.00/set*

9) Painting – Create a plan and timeline for metals surfaces that are worn or faded

10) Basketball net at Mattson – Missing *Been replaced $6.00 each*

11) Tennis court door latch at Whisper Ridge

Repair / Replace – Major:

2 ★ 1) Replace tube slide bottom – Totlot *Exact item is not available but a comparable one is approximately $1100.00*

4 ★ 2) Skatepark – Cracked panels, Missing screws, Sinking into asphalt

PLAN? ← 3) Hockey Boards – Repair and Replace as outlined at prior meetings

3 ★ 4) Rubber Coatings – Most chains and benches need attention *To be compliant with ASTM playground standards and U.S. Consumer Product Safety Commission (CPSC) guidelines, and in most cases for liability reasons, these pieces should be replaced. For the park equipment (ie chains), each equipment will need to be identified to get part numbers.*

Benches and picnic tables vary in price. Approximately $300-500.00 for bench and $570-880.00 for tables

5 (ADA) 5) Grills – Remove or Repair charcoal grills at Mattson *If we need to replace with an ADA swivel pedestal grill, they are $300.00 (including freight) each*

See 1st None 6) Borders and Play Surface – Replace wood edging and sand at Totlot and Mattson *Depends if the Board would like to see concrete edging or plastic edging that is at many of the parks. The cost for plastic edging is $45.00 per curb piece*

6 ★ 7) 90 degree slide cracked at Rum River Meadows toddler equipment *$499.00 to replace*

8) Repaint Hopscotch – Bluebird *A hopscotch stencil is $200-300.00 to purchase*

Repair / Replace – Minor:

1) Tennis net at Whisper Ridge – Reattach *New net is $289.00*

7 (ADA) 2) Missing Swing at Mattson – Replace with Handicap Accessible ? *Enclosed toddler swing has been installed ($141 each). An Adaptive (ADA) swing with adaptive swing safety belt is $599.65.*

9 3) Mats at bottoms of slides – Replace cracked mats and add where missing *Wear Mat 44"x48" is $196.00 each*

10 4) Edging Maintenance – A few random cracked ones *Edging is $45.00 per curb piece*

8 5) Sign Maintenance – Add signs for Totlot and Whisper Ridge. Re-letter fading signs *Estimated range would be approximately $300-500.00 per sign; depends on a lot of variables.*

Misc. Thoughts and Ideas:

"NICE" IN 2016 ← 1) Brainstorm ideas to draw people to the parks

2) Need more families into Mattson – Mark out a "field" for soccer / football

3) Skatepark – Move existing to East half. New larger at pleasure rink location

4) Pleasure Rink – Move to North end of "Wakepark" lot. Close to warming house.

Request for Council Action

To: Mayor Wimmer
Members of the City Council

From: Roxanne Achman
Community Development Director

Date: May 17, 2016

Subject: Request from Jim Bergman for Approval of a Conditional Use Permit to operate a Motor Vehicle Sales Office and Display at 11 Heritage Boulevard NW, Isanti, Minnesota.

Background

Staff has received a request from Jim Bergman to locate a used car sales lot at 11 Heritage Blvd NW, the SHR Gun Sales building. The building currently houses SHR Gun Sales and Cambridge Upholstery. SHR Gun Sales occupies roughly 2000sf of floor area. Cambridge Upholstery occupies roughly 1800sf of floor area and is primarily online sales. The car sales office would occupy roughly 700sf of floor area. The required number of parking spots would be 17. 15 spaces for the gun sales and upholstery business and 2 for the car sales office (excluding sales vehicles).

A CUP for vehicle sales was last issued for this property in 2004 for Adventure Auto Sales. It's unclear if this was ever in operation. There does seem to be a number of other vehicle or motorcycle sales operations that operated out of this facility.

The applicant is requesting to park 8 -10 cars on the east side of the site (facing the RR Tracks). There appears to be sufficient room due to the required parking being accounted for on the western side of the property.

The one thing that seems to have been missed over the years is that at some point the property owners, whether with approval or not, added paving to an area of the lot that is on railroad ROW. While it is possible to have vehicles parked on the east side of the building, it needs to clear to the property owner and applicant, that the vehicles for sale are not to be parked on the RR property unless they can provide proof of authorization from the RR.

This use was discussed with the Development and Operations Advisory Committee at their April 21st meeting. DOAC had no objections or major concerns of the operations of a motor vehicle sales office with vehicle display.

The specific conditions outlined in Section 13: Use Regulations are as follows (not all are applicable):

1. Services and sales are associated with a principal building with a minimum floor area of at least one thousand (1,000) square feet.
   The principal building is roughly 6,100 square feet.
2. All area of the property not devoted to building, parking, or open sales lot area shall be landscaped in accordance with Section 15 of this Ordinance.
   The use is part of an existing building with previous site plan approval.
3. Off-street parking and loading shall meet the requirements as stipulated within Section 17 of this Ordinance.

There are approximately 20 parking stalls on the west side of the site. The gun shop and upholstery shop require 15 stalls (1 stall/250sf floor area). The vehicle sales office requires 2 stalls (1/400sf office area) and 9 stalls will be used for display. The site has roughly 29 stalls available.

4. All new or used vehicles parked or displayed outdoors on the property shall conform to all requirements of the State of Minnesota; shall be operable; shall include all engine, muffler, brakes, and operating parts; shall be equipped with all exterior body parts as if new (for a passenger vehicle, truck or van, this shall mean four (4) tires, all doors and windows, headlamps and grillwork, mirrors, fenders, trunk, lids, body panels and molding, etc, or if a boat, all windshields, safety railings, hulls, trailer, etc.); shall be uniformly and wholly painted; and shall be free from having any loose or damaged exterior parts.
   Applicant to be made aware of this requirement.
5. All repair, assembly, disassembly or maintenance of motor vehicles or motor vehicle parts shall occur within an enclosed building.
   Applicant states no on site repair, assembly, disassembly or maintenance will occur on site.
6. A detailed site plan conforming to the requirements of Section 18 of this Ordinance shall be submitted. The site plan shall also illustrate the location of all open sales and storage areas.
   A site plan indicating the location of the display vehicles has been submitted and is attached.
7. No outside speaker system shall be permitted without the approval from the City Council.
   Applicant to be made aware of this requirement.
8. A landscaped buffer shall be provided, if the use abuts any residential zoning district. Solid screening to a minimum height of six (6) feet shall be provided along any portion of the open sales lot abutting a residential property or district. Such screening shall consist of a continuous landscape berm, solid wood fence, wall, or other comparable material. Fencing shall be constructed of wood or comparable material and should be of an ornamental or decorative design. If a chain link or wood fence is used, landscaping shall be provided on the outside of the fence facing the abutting residential property or district.
   Not applicable.

Staff Recommendation:
Staff recommends approval of the Conditional Use Permit subject to the conditions outlined in Sections 13 and 21 of Zoning Ordinance No. 445.

Comprehensive Plan
The 2008 Comprehensive Plan has the area guided for General Commercial Development. The existing uses and the proposed use would appear to meet purpose, goals, and objectives of this land use classification.

Zoning
The property is zoned "B-2" General Business District. Motor Vehicle Sales are listed as a Conditional Use within the "B-2" District. The petitioner is subject to the application requirements, procedure, and performance standards as outlined within Section 21 Administration, Article 2 Conditional Use Permits and Section 13 Use Regulations, Subdivision12 of Ordinance No. 445: Zoning.

Zoning Ordinance Provisions
The property is zoned "B-2" General Business District. It is the intent of this zoning district to promote the development of commercial uses which are predominately auto-oriented in nature. The district caters to highway-oriented businesses as well as businesses that provide basic shopping and service needs for the community. Compatibility with adjacent uses and buildings is required within the district, as site design, building size and materials, and screening/landscaping are important to the creation and maintenance of a thriving commercial base.

Conditional Use Permit Requirements

Upon review of a Conditional Use Permit request, the Zoning Ordinance provides factors and standards that must be reviewed by the Planning Commission. Section 21, Article 2 Conditional Uses states:

D. The Planning Commission shall hold a public hearing and consider possible adverse effects of the proposed Conditional Use. The judgment of the Planning Commission shall be based upon, but is not limited to the following factors:

1. The proposed action has been considered in relation to the specific policies and provisions of and has been found to be consistent with the goals and objectives of the Comprehensive Plan, including public facilities and capital improvement plans.
2. The proposed action meets the purpose and intent of this Ordinance and the underlying zoning district.
3. The establishment, maintenance or operation of the conditional use will promote and enhance the general public welfare and will not be detrimental or endanger the public health, safety, morals, or comfort.
4. The conditional use will not be injurious to the use and enjoyment of other property within the immediate vicinity for the purposes already permitted; nor substantially diminish or impair property values within the neighborhood.
5. The establishment of the conditional use will not impede the normal and orderly development and improvement of surrounding property for uses permitted in the district.
6. Adequate public facilities and services are available or can be reasonably provided to accommodate the use which is proposed.
7. The conditional use shall, in all other respects, conform to the applicable regulations of the district in which it is located.
8. The conditional use complies with the general and specific performance standards as specified by within this Article.

Section 13 Use Regulations

Subdivision 12: Motor Vehicle Sales and Rental/Leasing Facilities

A. Services and sales are associated with a principal building with a minimum floor area of at least one thousand (1,000) square feet.
B. All area of the property not devoted to building, parking, or open sales lot area shall be landscaped in accordance with Section 15 of this Ordinance.
C. Off-street parking and loading shall meet the requirements as stipulated within Section 17 of this ordinance.
D. All new or used vehicles parked or displayed outdoors on the property shall conform to all requirements of the State of Minnesota; shall be operable; shall include all engine, muffler, brakes, and operating parts; shall be equipped with all exterior body parts as if new (for a passenger vehicle, truck or van, this shall mean four (4) tires, all doors and windows, headlamps and grillwork, mirrors, fenders, trunk, lids, body panels and molding, etc, or if a boat, all windshields, safety railings, hulls, trailer, etc.); shall be uniformly and wholly painted; and shall be free from having any loose or damaged exterior parts.
E. All repair, assembly, disassembly or maintenance of motor vehicles or motor vehicle parts shall occur within an enclosed building.
F. A detailed site plan conforming to the requirements of Section 18 of this Ordinance shall be submitted. The site plan shall also illustrate the location of all open sales and storage areas.
G. No outside speaker system shall be permitted without the approval from the City Council.
H. A landscaped buffer shall be provided, if the use abuts any residential zoning district. Solid screening to a minimum height of six (6) feet shall be provided along any portion of the open sales lot abutting a residential property or district. Such screening shall consist of a continuous landscape berm, solid wood fence, wall, or other comparable material. Fencing shall be constructed of wood or comparable material and should be of an ornamental or decorative design. If a chain link or wood fence is used, landscaping shall be provided on the outside of the fence facing the abutting residential property or district.

Certification of Taxes Paid
Prior to approving an application for a conditional use permit, certification must be provided to the City that there are not any delinquent property taxes, special assessments, penalties, interest, or outstanding municipal utility fees. City staff did verify with Isanti County on Monday, April 18th, 2016; that all taxes associated with the property were current.

Public Notice
Notice was published within the Isanti County News on April 27th, 2016. Written notification was provided to property owners located within 350' of the subject site as required by Minnesota State Statute.

Public Comment
To date, no public comment or questions had been received.

Development and Operations Advisory Committee:
The Development Advisory Committee met on April 21, 2016 to discuss the Conditional Use Permit request. The committee recommended approval of the CUP subject to the submittal of all requested documents and information requested by the Community Development Director.

Planning Commission Recommendation:
Motion by Kennedy second by Bergley to recommend approval of the request from Jim Bergman for Approval of a Conditional Use Permit to operate a Motor Vehicle Sales Office and Display at 11 Heritage Boulevard NW, Isanti, Minnesota with the conditions outlined in the resolution. Motion carried unanimously.

Deadline for City Council Action
The City of Isanti received a complete application for a Conditional Use Permit on April 22, 2016. Pursuant to Minnesota State Statute, the City must act on this request by June 21, 2016 (60 days). The only exception to these deadlines provided would be if the City provides the petitioner with written reasons for an additional 60-day review period.

Options & Proposed Motion Language
1. Recommend Approval with No Conditions: Motion to recommend approval of the request from Jim Bergman for Approval of a Conditional Use Permit to operate a Motor Vehicle Sales Office and Display at 11 Heritage Boulevard NW, Isanti, Minnesota.
2. Recommend Approval with Conditions: Motion to recommend approval of the request from Jim Bergman for Approval of a Conditional Use Permit to operate a Motor Vehicle Sales Office and Display at 11 Heritage Boulevard NW, Isanti, Minnesota with the following conditions……
3. Recommend Denial: Motion to recommend denial of the request from Jim Bergman for Approval of a Conditional Use Permit to operate a Motor Vehicle Sales Office and Display at 11 Heritage Boulevard NW, Isanti, Minnesota for the following reasons…….
4. Table: Motion to table the request from Jim Bergman for Approval of a Conditional Use Permit to operate a Motor Vehicle Sales Office and Display at 11 Heritage Boulevard NW, Isanti, Minnesota (a specific reason and information request should be included in the motion to table).

RESOLUTION NO. 2016-

A RESOLUTION APPROVING A CONDITIONAL USE PERMIT (CUP) FOR MOTOR VEHICLE SALES IN THE BUILDING LOCATED AT 401 EAST DUAL BOULVARD NE, ISANTI COUNTY, ISANTI, MINNESOTA

WHEREAS, James Walters own the property located at 11 Heritage Boulevard NW, Isanti, Minnesota; and,

WHEREAS, Jim Bergman is requesting to operate a motor vehicle sales office with vehicle displays within the building located at 11 Heritage Boulevard NW; and,

WHEREAS, the property is located within the "B-2" General Business District, which requires a Conditional Use Permit (CUP) for motor vehicle sales and display within said district; and,

WHEREAS, the City of Isanti Planning Commission conducted a public hearing on the proposed Conditional Use Permit on May 10th, 2016; and,

WHEREAS, the City of Isanti Planning Commission recommended approval of the proposed Conditional Use Permit subject to the conditions as listed below; and,

WHEREAS, the City Council reviewed the requested Conditional Use Permit at its regularly scheduled meeting on May 17th, 2016; and,

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ISANTI, MINNESOTA, that it adopts the Findings of Fact and Conclusion related to the requested Conditional Use Permit and **BE IT FURTHER RESOLVED** that the requested Conditional Use Permit for a motor vehicle sales and display to be located at 401 East Dual Boulevard NE be hereby approved subject to the following conditions:

1. Services and sales are associated with a principal building with a minimum floor area of at least one thousand (1,000) square feet.
2. All area of the property not devoted to building, parking, or open sales lot area shall be landscaped in accordance with Section 15 of this Ordinance.
3. Off-street parking and loading shall meet the requirements as stipulated within Section 17 of this Ordinance.
4. All new or used vehicles parked or displayed outdoors on the property shall conform to all requirements of the State of Minnesota; shall be operable; shall include all engine, muffler, brakes, and operating parts; shall be equipped with all exterior body parts as if new (for a passenger vehicle, truck or van, this shall mean four (4) tires, all doors and windows, headlamps and grillwork, mirrors, fenders, trunk, lids, body panels and molding, etc, or if a boat, all windshields, safety railings, hulls, trailer, etc.); shall be uniformly and wholly painted; and shall be free from having any loose or damaged exterior parts.
5. All repair, assembly, disassembly or maintenance of motor vehicles or motor vehicle parts shall occur within an enclosed building.
6. A detailed site plan conforming to the requirements of Section 18 of this Ordinance shall be submitted. The site plan shall also illustrate the location of all open sales and storage areas.
7. No outside speaker system shall be permitted without the approval from the City Council.
8. A landscaped buffer shall be provided, if the use abuts any residential zoning district. Solid screening to a minimum height of six (6) feet shall be provided along any portion of the open sales lot abutting a residential property or district. Such screening shall consist of a continuous landscape berm, solid wood fence, wall, or other comparable material. Fencing shall be constructed of wood or comparable material and should be of an ornamental or decorative design. If a chain link or wood fence is used, landscaping shall be provided on the outside of the fence facing the abutting residential property or district.

9. All vehicles and activities shall remain on the property owned by James Walters. No vehicles or activities are to be permitted on the paved area extending in to the Railroad right-of-way without proof of permission from the Railroad.

Adopted by the Isanti City Council on this 17th day of May 2016.

Attest:

Mayor George A. Wimmer

Lindsey McInnis
Human Resources/City Clerk

(SEAL)

FINDINGS OF FACT AND CONCLUSION

Request

Request from Jim Bergman for Approval of a Conditional Use Permit to operate a Motor Vehicle Sales Office and Display at 11 Heritage Boulevard NW, Isanti, Minnesota.

Findings of Fact

1. The applicant is requesting to operate a Motor Vehicle Sales and Display on the property located at 11 Heritage Boulevard NW.
2. The property is zoned "B-2" General Commercial District.
3. A Conditional Use Permit is required for Motor Vehicle Sales and Display within the "B-2" General Commercial District.
4. The petitioner submitted a Conditional Use Permit Application, the required application fee and associated materials on April 21, 2016. Staff had reviewed such application and deemed such application complete on April 22, 2016. Pursuant to Minnesota State Statute, the City must act on this request by February 7th, 2016 (60-day rule).
5. A public hearing date before the Planning Commission was scheduled for Tuesday, May 10th, 2016 at 7:00 p.m. at City Hall within the Council Chambers.
6. Notice of the Conditional Use Permit request was published within the Isanti- County News on Wednesday, April 27, 2016. Notices were sent to all property owners located within 350 feet of the subject property.
7. Section 21, Article 2: Conditional Use Permits, Subdivision 3 (D) of the Zoning Ordinance establishes factors that the judgment of the Planning Commission shall be based upon when reviewing a Conditional Use Permit request as well as Section 21, Article 2: Conditional Use Permits, Subdivision 4 General Performance Standards of the Zoning Ordinance establishes additional general standards that shall be used to evaluate any proposed conditional use permit request.
8. The Planning Commission held a public hearing on the item on May 10th, 2016; and all property owners within 350' of the subject property were invited to attend and provide public comment.

Conclusions

1. In review of the standards established in Section 18, Subdivision 7, the following conclusions have been made (*conclusions to each requirement are shown in underlined italics)*:
   - A. Consistency with the elements and objectives of the City's development guides, including the Comprehensive Plan.
     As outlined within the staff memo, the elements of the project would appear to meet the requirements of the zoning ordinance and the intent of the land use designation in which the property is located.
   - B. Consistency with City Codes.
     Overall, the proposal appears to be consistent with city codes and ordinances. The plans provided would appear to meet the minimum requirements set by the zoning ordinance (setbacks, parking, landscaping, lighting, etc).
   - C. Preservation of the site in its natural state to the extent practicable by minimizing tree and soil removal and designing grade changes to be in keeping with the general appearance of neighboring developed or developing areas.
     This is an existing site. There will be no physical changes to the property.
   - D. The amount and location of open space and landscaping.
     The amount of open space and landscaping are based upon the original site plan.
   - E. Vehicular and pedestrian circulation, including walkways, interior drives, and parking in terms of location and number of access points to the public streets, width of interior drives and access points, general interior circulation, separation of pedestrian and vehicular traffic and arrangement and amount of parking.

The existing parking area meets the parking requirements set forth in Section 17 of the Zoning Ordinance.

F. Protection of adjacent and neighboring properties through reasonable provision of surface water drainage, sound and light buffers, preservation of views, lights, and air and those aspects of design not adequately covered by other regulations which may have substantial effects on neighboring land uses.
There will be no physical changes to the property. Vehicle displays are permitted within the General Commercial District. There are no residential properties nearby requiring additional screening.

G. Consistency with the City's Engineering and Design standards as adopted by Resolution of the City Council.
Not applicable.

2. In review of the standards established in Section 21, Article 2 Conditional Use (D); the following conclusions have been made (*conclusions to each requirement are shown in underlined italics)*: The Planning Commission shall hold a public hearing and consider possible adverse effects of the proposed Conditional Use. The judgment of the Planning Commission shall be based upon, but is not limited to the following factors:

A. The proposed action has been considered in relation to the specific policies and provisions of and has been found to be consistent with the goals and objectives of the Comprehensive Plan, including public facilities and capital improvement plans.
As noted, the proposed use for the site would be consistent with the goals and objectives of the comprehensive plan.

B. The proposed action meets the purpose and intent of this Ordinance and the underlying zoning district.
The proposed use a permitted conditional use. It fits the intent of the ordinance and underlying zoning district ("B-2" General Commercial District).

C. The establishment, maintenance or operation of the conditional use will promote and enhance the general public welfare and will not be detrimental or endanger the public health, safety, morals, or comfort.
The establishment of the conditional use does not appear to endanger the public health, safety, morals and comfort of the surrounding area or the community. The proposal follows the requirements further outlined in Section 13: Use Regulations for Motor Vehicle Repair and/or Body Shop.

D. The conditional use will not be injurious to the use and enjoyment of other property within the immediate vicinity for the purposes already permitted; nor substantially diminish or impair property values within the neighborhood.
The use of this property as a motor vehicle body shop will be maintained within the building and shall abide by the conditions outlined in Section 13: Use Regulations for Motor Vehicle Sales.

E. The establishment of the conditional use will not impede the normal and orderly development and improvement of surrounding property for uses permitted in the district.
The use of this property for motor vehicle sales will not be detrimental to surrounding properties, nor will it impede normal and orderly growth.

F. Adequate public facilities and services are available or can be reasonably provided to accommodate the use which is proposed.
Adequate public facilities and services are existing and available.

G. The conditional use shall, in all other respects, conform to the applicable regulations of the district in which it is located.
The requested conditional use permit appears to conform to the applicable regulations required for the district and the performance standards outlined within the zoning ordinance. Conditions will be placed on the approval to ensure that the property is used in accordance to the ordinance requirements.

H. The conditional use complies with the general and specific performance standards as specified by within this Article.
These have been evaluated as part of the findings of fact; and can be found within this document.

3. In review of the standards established in Section 21, Article 2 Conditional Use, Subdivision 4 General Performance Standards; the following conclusions have been made (*conclusions to each requirement are shown in underlined italics)*:

A. The use and the site in question shall be served by a street of sufficient capacity to accommodate the type and volume of traffic which would be generated an adequate public right-of-way shall be provided.
This site is currently served by a street of sufficient capacity. The proposed conditional use will not change the type or volume of traffic flow for this site.

B. The site design for access and parking shall minimize internal as well as external traffic conflicts and shall be in compliance with Section 17 of this Ordinance.
Access and parking for this development are in compliance with Section 17 of this Ordinance.

C. If applicable, a pedestrian circulation system shall be clearly defined and appropriate provisions made to protect such areas from encroachment by parked or moving vehicles.
Not applicable.

D. Adequate off-street parking and off-street loading shall be provided in compliance with Section 17 of this Ordinance.
Access and parking for this development are in compliance with Section 17 of this Ordinance.

E. Loading areas and drive-thru facilities shall be positioned so as to minimize internal site access problems and maneuvering conflicts, to avoid visual or noise impacts on any adjacent residential use or district, and provided in compliance with Section 17 of this Ordinance.
Not applicable.

F. Whenever a non-residential use is adjacent to a residential use or district, a buffer area with screening and landscaping shall be provided in accordance with the provisions of Section 15 of this Ordinance.
Not applicable.

G. General site screening and landscaping shall be provided in compliance with Section 15 of this Ordinance.
Landscaping is existing and is consistent with the approved site plan for such building.

H. All exterior lighting shall be directed so as not to cast glare toward or onto the public right-of-way or neighboring residential uses or districts, and shall be in compliance with Section 14 of this Ordinance.
No additional lighting will be added.

I. The site drainage system shall be subject to the review and approval of the City Engineer.
Not applicable.

J. The architectural appearance and functional design of the building and site shall not be so dissimilar to the existing and potential buildings and area so as to cause a blighting influence. All sides of the principal and accessory structures are to have essentially the same or coordinated, harmonious exterior finish materials and treatment.
There will be no changes to the existing building.

K. Provisions shall be made for daily litter control, an interior location for recycling and trash handling and storage or an outdoor, enclosed receptacle area shall be provided in compliance with Section 14 of this Ordinance.
The refuse container is part of the existing building.

L. All signs and informational or visual communication devices shall be in compliance with Section 16 of this Ordinance.
There are no signage changes proposed.

M. The use and site shall be in compliance with any federal, state, or county laws or regulations that are applicable and any related permits shall be obtained and documented to the City.
The applicant will need to pull the appropriate permits and any appropriate fees must be paid for these permits and inspections completed by the appropriate staff person prior, during, and following construction.

N. Any applicable business licenses mandated by City Code are approved and obtained.
Not applicable.

O. The hours of operation may be restricted when there is judged to be an incompatibility with a residential use or district.
Not applicable.

P. The use complies with the applicable performance standards of the zoning district in which it is located and where applicable, any non-conformity shall be eliminated.
All performance standards are to be met and maintained.

Q. Additional Stipulations. All conditions pertaining to a specific site are subject to change when the City Council, upon investigation in relation to a formal request, finds that the general public health, safety, and welfare, can be served as well or better by modifying or expanding the conditions set forth herein.

Decision

The Planning Commission held a public hearing on the item at the **May 10th, 2016** meeting. The meeting minutes shall be made part of the Findings of Fact.

Planning Commission Recommendation:

Motion by Kennedy second by Bergley to recommend approval of the request from Jim Bergman for Approval of a Conditional Use Permit to operate a Motor Vehicle Sales Office and Display at 11 Heritage Boulevard NW, Isanti, Minnesota with the conditions outlined in the resolution. Motion carried unanimously.

Request for Council Action

To: Mayor Wimmer
Members of the City Council

From: Roxanne Achman
Community Development Director

Date: May 17, 2016

Subject: Request from Minnco Credit Union for an Interim Use Permit to allow for Temporary Motor Vehicle Sales on the properties located at 309 and 311 Credit Union Drive NE.

Background

Minnco Credit Union is located at 311 Credit Union Drive NE, which is located on the southwest corner of the intersection of Credit Union Drive NE and County Road 5 NE. The credit union also owns the vacant parcel that is located immediately to the west at 309 Credit Union Drive NE. The petitioner is looking to host a temporary motor vehicle sales event on this vacant parcel, which would occur on Friday, June 17th from 12:00 p.m. to 6:00 p.m. through Saturday, June 18th from 9:00 a.m. to 3:00 p.m.

A number of local used and new car dealerships will be bringing product for display on the property. The inventory on site will consist of 100 cars and trucks. The vehicles would be brought to the property on Friday morning and would be removed as soon as possible on Saturday afternoon and evening after the sale has closed. Security will be provided on-site from the close of activities on Friday evening until the opening of business on Saturday morning, to ensure that the inventory is not vandalized or stolen while on the property. Access to the vacant lot would be provided from the Credit Union property, to the west of the existing building.

At this time, no additional lighting, structures or signage has been requested. The petitioner has been made aware that any temporary signage for the event would be required to meet the requirements of the Zoning Ordinance and a Temporary Sign Permit Application would need to be submitted for review and approval by City staff prior to the placement of such signage on the property for the sales event.

Minnco Credit Union does have hard surface parking available on the credit union property. There are thirty-four (34) parking spaces available for patrons to the financial institution as well as to the sales event. Open sales lots require 1 space for every 1,000 square feet of sales area. The petitioner is looking to use approximately 20,000 square feet of area for the outdoor sales event, which would equate to 20 parking spaces. The existing credit union is considered an office space and requires 1 space for every 250 square feet of floor area. The main level of the existing credit union building is estimated at 3,100 square feet. This means that approximately twelve (12) spaces would be required for the office use. A total of thirty-two (32) parking spaces would be required on the property for both uses. At this time, the existing parking area would appear to meet the parking requirements as established within the Zoning Ordinance. However, given the potential draw that this type of sales event may have within the community, the petitioner may want to make arrangements with surrounding businesses to allow for additional and/or over flow parking areas for those that may be coming to the sales event.

City staff did verify on April 22nd, 2016 with the Isanti County Treasurer-Auditor Office that the taxes are current on the property, as required by City Ordinance. A copy of the information regarding the event as well as a map has been attached for Planning Commission review.

Zoning Ordinance Provisions

In general, all Interim Uses are subject to criteria, which must be reviewed as part of the Interim Use process. The Criteria and Conditions of Approval, as stipulated within the Zoning Ordinance are provided below.

Section 21 Administration and Enforcement, Article 3 Interim Uses, Subdivision 5: Criteria for Granting an Interim Use Permit

The Planning Commission and City Council shall consider the effect of the proposed use upon the health, safety, and general welfare of occupants of surrounding properties. The Planning Commission and City Council shall consider and make findings regarding the following factors:

A. The proposed use shall meet the applicable zoning regulations; and
B. The proposed use will not adversely impact implementation of the Comprehensive Plan; and
C. The proposed use will terminate upon a date or event that can be identified with certainty; and
D. The proposed use will not impose additional costs on the public if it is necessary for the public to take the property in the future; and
E. The applicant has signed a consent agreement agreeing with the applicant, owner, operator, tenant and/or user has no entitlement to future re-approval of the Interim Use Permit; and
F. The proposed use will be subject to, by agreement with the property owner, any conditions that the City Council deems appropriate for permission of the proposed interim use, including a condition that the owner may be required to provide an appropriate surety to cover the cost of removing the interim use and any interim structures upon the expiration of the interim use.

Section 21 Administration and Enforcement, Article 3 Interim Uses, Subdivision 6: Conditions of Approval

In permitting a new interim use permit or amending an existing interim use permit, the Planning Commission may recommend and the City Council may impose, in addition to the standards and requirements expressly specified by this section, additional conditions which the Planning Commission and/or City Council consider necessary to protect the best interest of the surrounding area or the community as a whole. These conditions may include, but are not limited to, the following:

A. Increasing the required lot size or yard dimensions;
B. Limiting the height, size, or location of buildings;
C. Controlling the location and number of vehicles access points;
D. Increasing the street width;
E. Increasing the number of required off-street parking spaces;
F. Limiting the number, size, location or lighting of signs;
G. Requiring diking, fencing, screening, landscaping or other facilities to protect adjacent or nearby property;
H. Designation of open space;
I. Obtaining the necessary licenses as required by the City of Isanti, Isanti County or State of Minnesota;
J. Restrictions on the hours of operation;
K. Exterior lighting is limited to protect adjacent or nearby property;
L. Controlling architectural appearance and functional design of the building or site;
M. Applicable performance standards of the zoning district in which such use is located are met and non-conformities are eliminated;
N. Annual review, if deemed appropriate by the City Council.
O. Any additional stipulations, pertaining to a specific site are subject to change when the City Council, upon investigation in relation to a formal request, finds that the general public, health, safety, and welfare, can be served as well or better by modifying or expanding upon the conditions set forth herein.

Public Notice
Notice was published within the Isanti County News on April 27th, 2016. Written notification was provided to property owners located within 350' of the subject site as required by City Code.

Public Comment
Staff had not received any written comments prior to the release of the staff memo.

Deadline for City Council Action
The City of Isanti received a complete application for this request on April 22nd, 2016. Pursuant to Minnesota State Statute, the City must act on this request by June 21st, 2016 (60 days), unless the City provides the petitioner with written reasons for an additional 60-day review period.

Planning Review Committee Recommendation
Minnco Credit Union has applied for and received approval for this event in the past. Given that the description of the event has not changed and all other ordinance requirements appear to have been met, City staff would continue to recommend that the following conditions be considered:

1. Any temporary signage that may be located on the property for the event would be required to meet the requirements of Section 16 Signs of the Zoning Ordinance. A Temporary Sign Permit Application shall be submitted for City staff review and approval prior to placement on the property before the event.
2. All of the dealerships participating in the temporary motor vehicle sales event shall have obtained the appropriate license from the State of Minnesota to conduct motor vehicle sales.
3. Any customers coming to the event must park in designated parking areas and shall not be permitted to drive into the sales area.
4. The Minnco Credit Union shall work with surrounding businesses for additional or overflow parking options. A copy of the written approval from such property owners shall be provided to the City.
5. Access to the vacant lot shall be from the Minnco property at 311 Credit Union Drive NE only, as shown on the site plan as provided. Access to the vacant lot shall not be from County Road 5 NE or the property located to the west of 309 Credit Union Drive NE.
6. Minnco Credit Union shall be responsible for returning the site to the condition it was in prior to the event. All waste shall be removed from the site and any damage to the turf shall be re-established.
7. The Interim Use Permit is granted to Minnco Credit Union for the following dates and times: Friday, June 20th, 2014 from 12:00 p.m. to 8:00 p.m. and Saturday, June 21st, 2014 from 8:00 a.m. to 3:00 p.m. Time will be permitted before and after the event on the same days specified for set-up and removal of vehicles.

Planning Commission Recommendation
Motion by Lundeen second by Bergley to recommend approval of the Interim Use Permit to allow for Temporary Motor Vehicle Sales on the properties located at 309 and 311 Credit Union Drive NE, legally described as Lot 1 and Lot 2; Block 1 Credit Union Addition with the conditions outlined in the attached resolution. Motion carried unanimously.

Options & Proposed Motion Language

1. Recommend Approval with No Conditions: Motion to recommend approval of the Interim Use Permit to allow for Temporary Motor Vehicle Sales on the properties located at 309 and 311 Credit Union Drive NE, legally described as Lot 1 and Lot 2; Block 1 Credit Union Addition.
2. Recommend Approval with Conditions: Motion to recommend approval of the Interim Use Permit to allow for Temporary Motor Vehicle Sales on the properties located at 309 and 311 Credit Union Drive NE, legally described as Lot 1 and Lot 2; Block 1 Credit Union Addition with the following conditions……

3. Recommend Denial: Motion to recommend denial of the Interim Use Permit to allow for Temporary Motor Vehicle Sales on the properties located at 309 and 311 Credit Union Drive NE, legally described as Lot 1 and Lot 2; Block 1 Credit Union Addition for the following reasons.....
4. Table: Motion to table the Interim Use Permit request to allow for Temporary Motor Vehicle Sales on the properties located at 309 and 311 Credit Union Drive NE, legally described as Lot 1 and Lot 2; Block 1 Credit Union Addition (a specific reason and information request should be included in the motion to table).

RESOLUTION NO. 2016-

A RESOLUTION APPROVING THE INTERIM USE PERMIT AS REQUESTED BY MINNCO CREDIT UNION TO PERMIT TEMPORARY MOTOR VEHICLE SALES ON THE PROPERTIES LOCATED AT 309 AND 311 CREDIT UNION DRIVE NE

WHEREAS, Minnco Credit Union has applied for an Interim Use Permit to allow for a Temporary Motor Vehicle Sales Event to be located on properties legally described as Lot 1 and Lot 2; Block 1 Credit Union Addition; and,

WHEREAS, the property is located within the "B-2" General Business District and an Interim Use Permit is required for Temporary Motor Vehicle Sales, accessory to a financial institution; and,

WHEREAS, such events are limited to two (2) events per calendar year and shall not exceed three (3) days in duration per each event; and,

WHEREAS, the event as proposed by the petitioner would appear to meet the requirements of the Zoning Ordinance, as this is the first event for the property that is scheduled for Friday, June 17th from 12:00 p.m. to 6:00 p.m. and Saturday, June 18th from 9:00 a.m. to 3:00 p.m.; and,

WHEREAS, the Planning Commission conducted a public hearing on the proposed Interim Use Permit on May 10th, 2016 and recommended approval of the Interim Use Permit subject to City staff conditions based upon the Findings of Fact and Conclusion as presented; and,

WHEREAS, the City Council reviewed the requested Interim Use Permit at its regularly scheduled meeting on May 17th, 2016; and,

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ISANTI, MINNESOTA, that it adopts the Findings of Fact and Conclusion related to the requested Interim Use Permit and **BE IT FURTHER RESOLVED** by the City Council of the City of Isanti, Minnesota that the requested Interim Use Permit for a Temporary Motor Vehicle Sales event to be located on the properties at 309 and 311 Credit Union Drive NE, legally described as Lot 1 and Lot 2, Block 1 Credit Union Drive be approved, with the following conditions:

1. Any temporary signage that may be located on the property for the event would be required to meet the requirements of Section 16 Signs of the Zoning Ordinance. A Temporary Sign Permit Application shall be submitted for City staff review and approval prior to placement on the property before the event.
2. All of the dealerships participating in the temporary motor vehicle sales event shall have obtained the appropriate license from the State of Minnesota to conduct motor vehicle sales.
3. Any customers coming to the event must park in designated parking areas and shall not be permitted to drive into the sales area.
4. The Minnco Credit Union shall work with surrounding businesses for additional or overflow parking options. A copy of the written approval from such property owners shall be provided to the City.
5. Access to the vacant lot shall be from the Minnco property at 311 Credit Union Drive NE only, as shown on the site plan as provided. Access to the vacant lot shall not be from County Road 5 NE or the property located to the west of 309 Credit Union Drive NE.
6. Minnco Credit Union shall be responsible for returning the site to the condition it was in prior to the event. All waste shall be removed from the site and any damage to the turf shall be re-established.

7. The Interim Use Permit is granted to Minnco Credit Union for the following dates and times: Friday, June 17th, 2016 from 12:00 p.m. to 6:00 p.m. and Saturday, June 18th, 2016 from 9:00 a.m. to 3:00 p.m. Time will be permitted before and after the event on the same days specified for set-up and removal of vehicles.

Adopted by the Isanti City Council on this 17th day of May 2016.

FINDINGS OF FACT AND CONCLUSION

Request

Request from Minnco Credit Union for an Interim Use Permit to permit Temporary Motor Vehicle Sales on the properties located at 309 and 311 Credit Union Drive NE, legally described as Lot 1 and Lot 2; Block 1 Credit Union Addition.

Findings of Fact

1. The petitioner, Minnco Credit Union, owns the properties located at 309 and 311 Credit Union Drive NE.
2. The property is legally described as Lot 1 and Lot 2; Block 1 Credit Union Addition.
3. The property is zoned "B-2" General Business District, in which an Interim Use Permit is required for Temporary Motor Vehicle Sales, accessory to a financial institution.
4. Such sales events are limited to two (2) events per calendar year and shall not exceed three (3) days per event. No more than the number of events identified shall be permitted for the same property in any given calendar year.
5. The petitioner submitted an Interim Use Permit Application, the required application fee and associated materials on April 21st, 2016. Staff had reviewed such application and deemed such application complete on April 22nd, 2016. Pursuant to Minnesota State Statute, the City must act on this request by June 21st, 2016 (60-day rule).
6. The event would be the first for the property owner and such event is scheduled to run for two days, thus appearing to meet the initial requirements of the Zoning Ordinance.
7. A public hearing date before the Planning Commission was scheduled for Tuesday, May 10th at 7:00 p.m. at City Hall within the Council Chambers.
8. Notice of the Interim Use Permit request was published within the Isanti County News on Wednesday, April 27th, 2016. Notices were sent to all property owners located within 350 feet of the subject property.
9. Section 21, Article 3: Interim Uses, Subdivision 5 of the Zoning Ordinance establishes criteria in which the judgment of the Planning Commission and City Council shall be based upon when reviewing an Interim Use Permit request. In addition, the Planning Commission may recommend and the City Council may require additional items so as to protect the best interest of the surrounding properties or the community as a whole and may include, but are not limited to the items listed within Section 21, Article 3: Interim Uses, Subdivision 6 of the Zoning Ordinance.
10. The Planning Commission held a public hearing on the item on May 10th, 2016; and all property owners within 350' were invited to attend and provide public comment.

Conclusions

1. In review of the factors established in Section 21, Article 3: Interim Uses, Subdivision 5, the following conclusions have been made (*conclusions to each requirement are shown in underlined italics)*:
   - A. The proposed use shall meet the applicable zoning regulations.
     The proposed use has been identified as an Interim Use within the "B-2" General Business District when accessory to a financial institution.
   - B. The proposed use will not adversely impact implementation of the Comprehensive Plan.
     The proposed use was previously determined to be acceptable as an Interim Use within the General Business District when associated with a financial institution. The proposed use is an interim use and will only continue on the property for the dates and times as specified within the permit. The event is scheduled to occur on Friday, June 17th, 2016 for 12:00 p.m. to 6:00 p.m. and on Saturday, June 18th, 2016 from 9:00 a.m. to 3:00 p.m. Additional time shall be granted to the petitioner for the set-up and removal of motor vehicles prior to and after the event has occurred. Any future sales would be required to receive a new Interim Use Permit for subsequent events.

C. The proposed use will terminate upon a date or event that can be identified with certainty.
The event is scheduled to occur on Friday, June 17th, 2016 for 12:00 p.m. to 6:00 p.m. and on Saturday, June 18th, 2016 from 9:00 a.m. to 3:00 p.m. Additional time shall be granted to the petitioner for the set-up and removal of motor vehicles prior to and after the event has occurred.

D. The proposed use will not impose additional costs on the public if it is necessary for the public to take the property in the future.
At this time, the property is owned by the petitioner. The use is temporary and does not require any additional permanent improvements to the site.

E. The applicant has signed a consent agreement agreeing with the applicant, owner, operator, tenant and/or user has no entitlement to future re-approval of the Interim Use Permit.
The petitioner has been made aware that there shall be no entitlement to future re-approval of the Interim Use Permit and that the permit has been granted to the current applicant and property owner for the dates as identified within the Interim Use Permit.

F. The proposed use will be subject to, by agreement with the property owner, any conditions that the City Council deems appropriate for permission of the proposed interim use, including a condition that the owner may be required to provide an appropriate surety to cover the cost of removing the interim use and any interim structures upon the expiration of the interim use.
Additional conditions have been added to the approval and have been provided for within this Findings of Fact and Condition, which the Planning Commission and City Council have determined are necessary to protect the best interest of the surrounding area and the community as a whole.

Decision
The Planning Commission reviewed the request in a public hearing on May 10th, 2016. The meeting minutes, staff memo, and attachments shall be made a part of the Findings of Fact and Conclusion.

Planning Commission Recommendation:
Motion by Lundeen second by Bergley to recommend approval of the Interim Use Permit to allow for Temporary Motor Vehicle Sales on the properties located at 309 and 311 Credit Union Drive NE, legally described as Lot 1 and Lot 2; Block 1 Credit Union Addition with the conditions outlined in the attached resolution. Motion carried unanimously.

Request for Council Action

To: Mayor Wimmer
Members of the City Council

From: Roxanne Achman, AICP
Community Development Director

Date: May 17, 2016

Subject: Request from the City of Isanti to Amend Zoning Ordinance 445, Section 6: Residential Districts and Section 14: Performance Standards to include fencing/barricade requirements for swimming pools.

Background

April 12, 2016 Planning Commission meeting memo information.

As we've discussed in the past, the recent update of the Minnesota Building Code from the 2006 edition to the 2015 edition, has brought about some changes that needed to be addressed in either City Code or Zoning Code. Another major change was recently discovered. The 2015 MN Building Code completely eliminates the requirement of fencing around swimming pools. Swimming pools in excess of 5,000 gallons and 24 inches in depth, do still, however, require building permits.

In order to uphold a standard that the City of Isanti feels is important to the safety of its residents, staff, along with the Development and Operations Advisory Committee, recommend placing recently eliminated fencing/barricade requirements within the Zoning Ordinance under Section 14 Performance Standards.

UPDATE:

Staff was directed at the April 12th Planning Commission meeting to review the standards more thoroughly and bring new, clearer, regulations back to the Commission.

In reviewing ordinance language in other cities, it was discovered that many cities drafted their ordinance using plain language rather than pulling the wording directly from building code. By doing this, it makes the ordinance much clearer and easier to read, and also, answers many of the questions that were asked by the Planning Commission at April's meeting. Specifically, the ordinance states that if an above ground pool has side walls of 48" or greater, the side wall may be considered an acceptable barrier so long as all other forms of access (ladder/steps) are barricaded or removed when the pool is not in use.

Staff Request

To consider recommending approval of the attached ordinance amending Section 6: Residential Districts and Section 14: Performance Standards to add requirements for fencing/protective barricades around swimming pools.

Planning Commission Recommendation:

Motion by Lundeen second by Cesafsky to recommend approval of the request from the City of Isanti to Amend Zoning Ordinance 445, Section 6: Residential Districts and Section 14: Performance Standards to include fencing/barricade requirements for swimming pools. Motion carried unanimously.

ORDINANCE NO.

AN ORDINANCE AMENDING ORDINANCE NO 445 ZONING; SECTION 6 RESIDENTIAL DISTRICTS, SECTION 14 PERFORMANCE STANDARDS

THE CITY OF ISANTI DOES ORDAIN:

I. AMENDMENTS

Section 6: Residential Districts, Article 1 "R-1" Single Family Residential District, Subdivision 3 Permitted Accessory Uses is hereby amended to read and include the following:

F. Private swimming pools with a depth exceeding twenty-four (24) inches and 5,000 gallons shall be located in the rear yard only and shall require fencing in accordance with building code requirements and Section 15 of this Ordinance. Additional standards as provided in Section 14 of this Ordinance shall be met.

II. AMENDMENTS

Section 6: Residential Districts, Article 2 "R-2" Single Family Residential District, Subdivision 4 Conditional Uses is hereby amended to read and include the following:

F. Private swimming pools with a depth exceeding twenty-four (24) inches and 5,000 gallons shall be located in the rear yard only and shall require fencing in accordance with building code requirements and Section 15 of this Ordinance. Additional standards as provided in Section 14 of this Ordinance shall be met.

III. AMENDMENTS

Section 6: Residential Districts, Article 3 "R-3A" Low Density Multiple Family District, Subdivision 4 Conditional Uses is hereby amended to read and include the following:

F. Private swimming pools with a depth exceeding twenty-four (24) inches and 5,000 gallons shall be located in the rear yard only and shall require fencing in accordance with building code requirements and Section 15 of this Ordinance. Additional standards as provided in Section 14 of this Ordinance shall be met.

IV. AMENDMENTS

Section 6: Residential Districts, Article 4 "R-3B" Medium Density Multiple Family District, Subdivision 4 Conditional Uses is hereby amended to read and include the following:

F. Private swimming pools with a depth exceeding twenty-four (24) inches and 5,000 gallons shall be located in the rear yard only and shall require fencing in accordance with building code requirements and Section 15 of this Ordinance. Additional standards as provided in Section 14 of this Ordinance shall be met.

V. AMENDMENTS

Section 6: Residential Districts, Article 5 "R-4" Multiple Family District, Subdivision 4 Conditional Uses is hereby amended to read and include the following:

G. Private swimming pools with a depth exceeding twenty-four (24) inches and 5,000 gallons shall be located in the rear yard only and shall require fencing in accordance with building code requirements and Section 15 of this Ordinance. Additional standards as provided in Section 14 of this Ordinance shall be met.

VI. AMENDMENTS

Section 14: Performance Standards, is hereby amended to read and include the following:

Subdivision 6: Swimming Pools

Any structure intended for swimming, recreational bathing or wading that contains water, over 24 inches (610 mm) deep. This includes in-ground, above-ground and on-ground pools; hot tubs; spas and fixed-in-place wading pools.

A. Barrier requirements.

1. Storable swimming or wading pools shall be exempt from this section provided all means of access into the pool are removed and the pool is covered when it is not attended.
2. A minimum 48-inch high barrier, which completely surrounds and restricts access to the swimming pool, shall be installed and maintained in a sound and safe condition around a swimming pool or around the tract of land where the pool is located. The barrier may consist of a security fence, freestanding wall, a building's wall, or combination thereof. When the swimming pool is an above ground swimming pool of which the wall(s) of the swimming pool are greater than 48 inches from the ground to the top of the pool wall(s) at every point around the pool, then no barrier is required, but the means of access into the swimming pool (e.g. ladder or steps), shall be secured, locked or removed to prevent access during any period of time that the pool is unattended or not in use. Spas or hot tubs with a locking safety cover which complies with ASTM Standard F 1346-91 shall be exempt from these barrier requirements, provided they are equipped with a safety locking cover which is locked at all times the spa or hot tub is not in use.
3. The top of the barrier shall be at least 48 inches above grade measured on the side of the barrier which faces away from the swimming pool. The maximum vertical clearance between grade and the bottom of the barrier shall not allow passage of a four-inch-diameter-sphere. Where the top of the pool structure is above grade, such as an above ground pool, the barrier may be at ground level, such as the pool structure, or mounted on top of the pool structure. Where the barrier is mounted on top of the pool structure, the maximum vertical clearance between the top of the pool structure and the bottom of the barrier shall not allow passage of a four-inch-diameter sphere.
4. Openings in the barrier shall not allow passage of a four-inch-diameter sphere.
5. To prevent a person from scaling a solid barrier, which does not have openings, such as a masonry or stone wall, such barrier wall shall not contain indentations or protrusions in excess of 1.25 square inches except for normal construction tolerances and tooled masonry joints.
6. Where the barrier is composed of horizontal and vertical members and the distance between the tops of each of the horizontal members is less than 45 inches, the horizontal members shall be located on the swimming pool side of the fence. Spacing between vertical members shall not exceed 1.75 inches in width. Where there are decorative cutouts within vertical members, spacing within the cutouts shall not exceed 1.75 inches in width.
7. Where the barrier is composed of horizontal and vertical members and the distance between the tops of each of the horizontal members is 45 inches or more, spacing between vertical members shall not exceed four inches. Where there are decorative cutouts within vertical members, spacing within the cutouts shall not exceed 1.75 inches in width.

8. Maximum mesh size for chain link fences shall be a 2.25-inch square unless the fence is provided with slats fastened at the top or the bottom of which reduce the openings to not more than 1.75 inches.
9. Where the barrier is composed of diagonal members, such as a lattice fence, the maximum opening formed by the diagonal members shall not be more than 1.75 inches.
10. The Building Official shall approve the plans and specifications for the barrier prior to its installation. The barrier shall be equipped with doors or gates which are self-closing and self-latching with the latch to be located a minimum of 42 inches above ground level and equipped with a lock which shall be kept locked when the swimming pool is unattended.

B. Setbacks.
1. Swimming pools shall be set back a minimum of five feet from any side or rear lot line as measured from the nearest edge of the slope around the pool or perimeter walk.
2. Swimming pools shall not be located in an easement of record as measured from the nearest edge of the slope around the pool or perimeter walk.
3. Swimming pools shall be located in the rear yard only.

C. Maintenance. It shall be the responsibility of the property owner where said pool is located to maintain all pool covers, fences, gates and closure devices in good operating condition. Failure to maintain pool covers, fences, failure to have gates closed or failure to remove or retract the ladder access to the pool shall constitute a violation of the Zoning Ordinance and is subject to the penalties provided therefore.

D. Permit required. No person shall construct, install or locate a swimming pool, as defined herein, without first obtaining a building permit from the city. Storable swimming or wading pools are not required to obtain a building permit unless they are in excess of 24 inches in depth and 5,000 gallons. The applicant for a swimming pool permit shall submit any information as the Building Official shall deem necessary.

VII. EFFECTIVE DATE

This ordinance shall take effect upon its adoption and publication in the City's Official Newspaper.

Adopted by the City Council this 17th day of May 2016.

FINDINGS OF FACT AND CONCLUSION

Request

Request from the City of Isanti to Amend Ordinance No. 445 Zoning, Section 14 Performance Standards.

Findings of Fact

1. The Development and Operations Advisory Committee requested the Planning Commission review an amendment to Section 14 of the Zoning Ordinance at their regularly scheduled meeting on March 3, 2016.
2. The latest update (2015) to the International Building Code has eliminated the section pertaining to swimming pool enclosures and safety devices (Section 3109).
3. To maintain the swimming pool enclosures and safety device regulations, an amendment to the zoning ordinance must occur.
4. While the intent of the Ordinance remains intact, amendments must be made to the Ordinance regulations to ensure that the appropriate requirements are being used.
5. Notification of the public hearing was provided for within the City's official newspaper on Wednesday, April 6th, 2016.
6. The Planning Commission reviewed the requested text amendment to the Zoning Ordinance during a public hearing held at their regularly scheduled meeting on April 12th, 2016.
7. The Planning Commission recommended tabling action on the amendment until the May 10th, 2016 Planning Commission meeting.
8. The public hearing was extended to, and held, on May 10th, 2016 at the regularly scheduled Planning Commission meeting.

Conclusions

1. In review of the Ordinance requirements provided for within Section 21, Article 1 Amendments (Text and Map), Subdivision 4 (D), the following conclusions have been made *(conclusions to each requirement have been shown in underlined italics):*
   a. The proposed action has been considered in relation to the specific policies and provisions of and has been found to be consistent with the City Comprehensive Plan, including public facilities and capital improvement plans.
   The ordinance amendment helps to protect the safety of Isanti's citizens and visitors, which is consistent with the City's Comprehensive Plan.
   b. The proposed action meets the purpose and intent of this Ordinance or in the case of a map amendment; it meets the purpose and intent of the individual district.
   The ordinance amendment adds a critical performance standard.
   c. There is adequate infrastructure available to service the proposed action.
   Not applicable.
   d. There is an adequate buffer or transition provided between potentially incompatible districts.
   Not applicable.

Decision

The Planning Commission held a public hearing on the item at the **May 10th, 2016** meeting. The meeting minutes, staff memo, and attachments shall be made a part of the Findings of Fact and Conclusions.

Planning Commission Recommendation:

Motion by Lundeen second by Cesafsky to recommend approval of the request from the City of Isanti to Amend Zoning Ordinance 445, Section 6: Residential Districts and Section 14: Performance Standards to include fencing/barricade requirements for swimming pools. Motion carried unanimously.

A Community For Generations.

Request for Council Action

To: Mayor Wimmer
Members of the City Council

From: Roxanne Achman, Community Development Director

Date: May 17, 2016

Subject: An Ordinance Amending Chapter 8-6. Planning Commission to Reduce the Number of Members.

Background

Per the direction of the City Council at the May 3rd, 2016 meeting, an ordinance was drafted to amend the number of members on the Planning Commission. Members will be immediately reduced to six upon publication of the ordinance. Members will be reduced to five effective January 1, 2017. There will remain two appointed City Council members and the appointed citizens at large will be reduced to three.

- Ord. No. XXX

ORDINANCE NO. XXX

AN ORDINANCE AMENDING CHAPTER 8-6. PLANNING COMMISSION TO REDUCE THE NUMBER OF MEMBERS

THE CITY COUNCIL OF THE CITY OF ISANTI DOES ORDAIN:

I. AMENDMENTS

CHAPTER 8-6. Planning Commission. Chapter 8-6. C. and E. are hereby amended to read as follows:

C. The City Council shall have sole authority to appoint members to the Planning Commission. All members of the Planning Commission shall serve at the will of the City Council and may be removed without cause. The number of members for the Planning Commission shall be ~~seven~~ six from the effective date hereof, until January 1, 2017. Effective January 1, 2017, the number of members for the Planning Commission shall be five. Appointment to the Planning Commission shall include two City Council members, and the remaining members ~~five~~ shall be citizens at large. Any City staff, necessary or advisable by the City Council, may be appointed to be ex officio members of the advisory body.

E. Terms; vacancies.

(1) The appointees from the citizens at large shall be appointed to serve staggered terms of three years, except as noted below, commencing on the first day of January in the year of appointment. Upon expiration of a term, the appointee shall continue until reappointed or a successor is appointed. Initial appointments pursuant to this ordinance shall be as follows: one (1) appointee shall be appointed for the term of one (1) year; ~~two (2)~~ one (1) appointees for the term of two (2) years; and ~~two (2)~~ one (1) appointees for a term of three (3) years.

(2) The two Council Members that are appointed by the City Council shall be for a one (1) year term to expire on December 31 of each year.

(3) Absence from any three meetings in a twelve (12) month period, unless excused in advance by the Chair, constitutes a vacancy. In the event of any vacancy, the City Council shall appoint a person to complete the unexpired term.

II. TERMS OF CURRENT MEMBERS

Appointments and terms for current members will be established by resolution of the City Council.

III. EFFECTIVE DATE

This ordinance takes effect upon its passage and publication in the official newspaper of the City of Isanti.

RE: Award Recommendation – School Watermain Loop Improvements
City of Isanti, Minnesota
BMI Project No. R13.110979

Honorable Mayor Wimmer and Members of the City Council:

Five bids were received on the School Watermain Loop Improvements project on May 3, 2016. The bids were checked and tabulated and the final results are summarized as follows:

Bidder	Bid
Northdale Construction Co	$156,824.52
Kuechle Underground	$190,152.00
GM Contracting Inc	$190,799.42
Penn Contracting	$196,426.60
Eagle Construction	$246,168.00
Engineer's Estimate	*$184,000.00*

Northdale Construction Company bid is within the anticipated budget. We recommend award of this project to Northdale Construction Company in the amount of $156,824.52

If you have any questions, please contact me.

Sincerely,

BOLTON & MENK, INC.

Bradley C. DeWolf, P.E.

City of Isanti
Economic Development Authority
Regular Meeting Minutes of
April 5, 2016
Isanti City Hall

1. Call to Order

The meeting was called to order by Economic Development Director Sullivan at 7:40 p.m.

a. Pledge of Allegiance

b. Roll Call

Commissioners Present: George Wimmer, Tara Hallberg Keith Dragisich, Dan Collison, Steve Lundeen and Paul Bergley

Commissioners Absent: Adam Johnson

Staff Present: Economic Development Director Sean Sullivan

c. Agenda Modifications

No modifications to the agenda were presented.

2. Approval of Agenda

Motion to approve Agenda as presented by Lundeen, second by Collison, motion carried unanimously.

3. Approve Minutes of March 2, 2016 Regular Economic Development Meeting

Motion by Collison second by Bergley to approve the minutes for March 2, 2016. Motion carried unanimously.

4. Consider Updating Verbiage on Historic Main Street Sign

Economic Development Director Sullivan presented the staff memo highlighting the history of the sign and the contributions of Ken Drilling and Jill Reller. He indicated that the Chamber had moved to another location in Isanti and that the "Chamber of Commerce" needed to be removed from the sign and that adding the Farmers Market was a good idea. He reviewed three sign options and recommended selecting version 3 which simply had Isanti Farmer's Market without and dates or times. He felt that more information would be too small to read.

Commissioner Dragisich stated that it is hard to read and suggested if the lettering could be made bigger and to remove the train.

Commissioner Collison noted that there was no reference to car show.

Commissioner Lundeen suggested that the City Logo, (tree) be incorporated into sign.

President Wimmer notified the EDA that Ken Drilling passed away on Monday

President Wimmer asked if dates and times were important. Discussion ensued.

Commissioner Bergley thought time was a good idea.

Commissioner Hallberg suggested using "seasonal"

Commissioner Dragisich asked about the condition and effectiveness of the sign.

Economic Development Director Sullivan suggested adding an Isanti Blue logo to sign to complement the existing City Community Bulletin board. He also suggested pulling the second arrow off and reference to 1st Avenue.

Commissioner Collison indicated he liked the idea of a two sided sign.

Motion by Lundeen, second by Hallberg to recommend the following for acceptance by the City Council:

1) Remove the Train logo and lower 1st Avenue and arrow.
2) Rework verbiage on sign to make it larger (more readable) with additional space created by removal of train and 1st Avenue information.
3) Redo Farmer's Market with seasonal verbiage.
4) Incorporate the City logo and potentially the blue city logo into sign to blend with the existing community billboard.
5) Send revised options reviewed by Staff and President Wimmer and cost directly to the City Council for approval to get sign done before farmers market season begins.

Motion passed unanimously.

4. Other Business / Updates / Communications

Economic Development Director Sullivan asked if there were any questions in regards to the staff memo and offered a more detail on each item if requested.

President Wimmer updated the EDA about the status and preliminary finding of the utility rate study. The information has seen is positive and it looks like some reductions could be made to rates. City Staff, Northland Securities and himself are still working with the numbers to make sure that projections and estimated usage are realistic so that projected rates can be sustainable and utility funds maintaining responsible cash balances.

CITY OF ISANTI
PLANNING COMMISSION
MEETING MINUTES
APRIL 12, 2016

1. Meeting Opening.

A. Call to Order.

Cesafsky called the meeting to order at 7:00 p.m.

B. Pledge of Allegiance.

Everyone rose for the pledge of allegiance.

C. Roll Call.

Members Present: Greg Cesafsky, Paul Bergley, Steve Lundeen, Wayne Traver, and Jim Kennedy.

Members Absent: Jeff Duncan (provided prior notice)
Achman informed the Planning Commission that Cindy Lind-Livingston had resigned from the Planning Commission effective April12, 2016.

Staff Present: Community Development Director, Roxanne Achman

Others Present: None

D. Agenda Modifications.

Achman stated there were none.

2. Approval of Minutes from March 8, 2016 Planning Commission Meeting.

Cesafsky questioned if there were any comments or changes to the minutes.

Motion by Lundeen second by Kennedy to approve the March 8th, 2016 Planning Commission Meeting Minutes. Motion was unanimously approved.

3. Public Hearings.

A. Request from Prairie Senior Cottages for approval of a Site Plan, Conditional Use Permit and Variance for a second building to be located on the property at 705 6th Ave NE, legally described at Lot 1, Block 1, Bank Site Second Addition, Isanti County, Isanti, Minnesota.

Cesafsky read the item into the minutes.

Achman presented the staff memo.

Cesafsky opened the public hearing.

Bergley asked where the new building is in relation to the existing building.

Dustin Lee, Chief Operating Officer, Prairie Senior Cottages, approached the podium to explain that the new building will be just to the west of the existing building.

Bergley asked for clarification on the variance.

Achman explained that the building could not be shifted to the south or west due to the wetland.

Lundeen asked when they planned to start construction.

Mr. Lee stated they hoped to start within 90 days. They plan to start this summer.

Traver and Lee discussed the orientation of the building in regards to the highway. It was stated that the secure area would be south of the building and not necessarily facing the highway.

Cesafsky closed the public hearing.

Lundeen asked that staff look into setbacks in cul-de-sacs.

Motion by Kennedy second by Bergley to recommend approval of request from Prairie Senior Cottages for approval of a Site Plan, Conditional Use Permit and Variance for a second building to be located on the property at 705 6th Ave NE, legally described at Lot 1, Block 1, Bank Site Second Addition, Isanti County, Isanti, Minnesota based on the Findings of Fact and Conclusions. Motion carried unanimously.

B. Request from BowDaddy Archery for approval of a Conditional Use Permit to operate an outdoor archery range on the property at 801 Highway 65 NE, legally described as PT SE/4 of SW/4 Described as: commencing at SE corner of quarter; then N 440'; W 600'; S 440' to S line of SE/4 of SW/4; E 600' to POB. old # 05.020.0300.

Cesafsky read the item into the minutes.

Achman presented the staff memo.

Cesafsky opened the public hearing

Bergley asked if there was netting that goes around the range.

Josh Johnson, BowDaddy Archery, stated that based on the NRA guidelines, a backstop is the only thing that is needed behind the target face. The target is roughly 18 inches thick and four foot by four foot dense foam.

Achman stated that there is not a required fencing or backstop that is needed. The targets are quite large and thick.

Bergley stated he just wanted to make sure there were no issues with the stray arrows.

Lundeen stated that anybody shooting where they shouldn't be will be asked to leave.

Mr. Johnson described the location of the range, stating that the area is roughly ten feet lower than the building level. To the south there are thick trees, to the east are trees and the building and to the west are hundreds of yards of wetland. Nobody should be shooting north. There will be staff on site and signage with the range regulations.

Cesafsky asked if there would be 3-D targets. Johnson stated that was not the plan, but possibly in the future.

Cesafsky closed the public hearing.

Motion by Lundeen second by Bergley to recommend approval of request from BowDaddy Archery for approval of a Conditional Use Permit to operate an outdoor archery range on the property at 801 Highway 65 NE, legally described as PT SE/4 of SW/4 Described as: commencing at SE corner of quarter; then N 440'; W 600'; S 440' to S line of SE/4 of SW/4; E 600' to POB. old # 05.020.0300 based on the Findings of Fact and Conclusion and with the following conditions:

1. There shall be no grading, killing of vegetation or permanent structures within the designated wetland area, the area of the approved range may; however, be mowed.
2. All targets, shooting line markers, tables, bow racks, quivers, distance markers and any other items within the range shall be removable and/or temporary items.
3. All activities are to remain on the property of 801 Highway 65 NE.
4. The area beyond the targets shall be regularly searched for stray arrows.
5. All federal, state and local laws shall be abided by at all times.

Motion carried unanimously.

C. Request from the City of Isanti for an Amendment to the Zoning Map to Rezone 1107 Rum River Drive SW from R-1(Single Family Residential) to Park and Open Space, legally described as Lot 1, Block 1, Rum River Meadows 2nd Addition, Isanti County, Isanti, Minnesota.

Cesafsky read the item into the minutes.

Achman presented the staff memo.

Cesafsky opened the public hearing. There was no one in the audience to speak on the matter. The public hearing was closed.

Motion by Lundeen second by Kennedy to recommend approval of the request from the City of Isanti for an Amendment to the Zoning Map to Rezone 1107 Rum River Drive SW from R-1(Single Family Residential) to Park and Open Space, legally described as Lot 1, Block 1, Rum River Meadows 2nd Addition, Isanti County, Isanti, Minnesota based on the Findings of Fact and Conclusions. Motion carried unanimously.

D. Request from the City of Isanti to Amend Zoning Ordinance 445, Section 14: Performance Standards to include fencing/barricade requirements for swimming pools.

Cesafsky read the item into the minutes.

Achman presented the staff memo.

Cesafsky opened the public hearing

Traver asked if the fencing is required even if the pool is put up and taken down every year.

Achman stated that it depended on whether the pool was 24 inches deep and held 5,000 gallons of water or not.

Cesafsky asked if there was height requirement for the fencing. Achman stated the required fence height was 48 inches. Cesafsky stated that the side of his pool is four feet and questioned what good a four foot fence is on a pool that has four foot sides.

Lundeen stated that anyone with a pool should have a fenced in yard for liability reasons.

Achman stated she will need to get more clarification from the Building Official on specifically how the fencing requirements are interpreted.

Cesafsky has asked if the ordinance could require a six foot fence rather than a four foot fence, or it could state that the fence needs to be 24 inches higher than the pool.

The Planning Commissioners discussed and agreed that more information was needed prior to adopting an amendment to the zoning code.

Cesafsky opened the public hearing. There was no one in the audience to speak on the matter. The public hearing was closed.

Motion by Bergley second by Lundeen to table the request from the City of Isanti to Amend Zoning Ordinance 445, Section 14 Performance Standards to include fencing/barricade requirements for swimming pools until the next meeting and to bring back additional information. Motion carried unanimously.

4. Other Business.

A. None

5. Discussion Items.

A. None.

6. Adjournment

Motion by Lundeen second by Bergley to adjourn the April 12th, 2016 meeting of the Planning Commission. Motion was unanimously approved.

The meeting adjourned at 7:33 p.m.

Dated at Isanti, Minnesota this 12th day of April 2016.

Respectfully submitted,

RE: Authorize Advertising for Quotes for Lease of City Owned Crop Land

The current leases on the 82.7 acre parcel expires at the end of the 2016 growing season. Staff is requesting permission to advertise for quotes for the lease of the parcels for the 2017 growing season. Attached is the bid specification and advertisement.

Requested Action:

Authorize staff to advertise for quotes for lease of city owned crop land.

Specifications for Lease of City Owned Property for Crop Farming

LEASE AREA:

General location:

South and east of the Wastewater Treatment Facility located to the east of 3rd Avenue North and south of 299th Avenue.
Acreage: 82.7

Lease shall be for the 2017 crop season and shall run from November 1, 2016 through October 31, 2017.

The City reserves the right to develop the property at anytime through the contract period. If the City exercises this right, the City shall compensate the successful bidder for the fair market value of the crop destroyed valued at the average market price per bushel as of the date of initial construction activity resulting in the removal of the crop based upon the average per acre yield as established by the records maintained by USDA pertaining to the subject field or as available for similar fields located in Isanti Township in the event such records are not available for the specific field herein.

CITY OF ISANTI

REQUEST FOR QUOTES FOR LEASE OF CITY OWNED CROP LAND

The City of Isanti is accepting quotes for leasing City owned property for crop farming for the 2017 crop year. Specifications are available upon request from the City Administrator's Office at Isanti City Hall, 110 - 1st Avenue NW, PO Box 428, Isanti MN 55040. 763-444-5512. The City Council reserves the authority to waive irregularities and award in the best interest of the City of Isanti. Bids shall be submitted in sealed envelopes addressed to the City Administrator at 110 - 1st Avenue NW, PO Box 428, Isanti MN 55040. All bids submitted must be clearly marked as "Quote for Leasing City Crop Land". Bids will be accepted until 1:00 p.m. Tuesday June 28, 2015 and will be opened and read aloud at that time. The City reserves the right to accept or reject any and/or all quotes.

RE: Quotation for Electrical Maintenance Services

As per prior City Council direction, staff solicited quotes for Electrical Maintenance Services. As a part of this staff sent out the notice, specifications and quote forms to local contractors. The City received two quotes for electrical maintenance services.

Low quote for electrical maintenance services was Isanti Electric Inc. The contractor is qualified for consideration by the City in procuring their services, and has performed electrical maintenance services for the City in the past.

Staff is recommending acceptance of the quote from Isanti Electric for maintenance services. Attached is a resolution/contract for your consideration.

RESOLUTION NO. 2016-_____

A RESOLUTION AWARDING QUOTE FOR ELECTICAL MAINTENANCE SERVICES

WHEREAS, the City of Isanti has determined it is in the city's best interest to receive quotes for general electrical maintenance services from qualified contractors for City buildings and facilities as outlined in the attached Specifications for Services; and

WHEREAS, an ad was placed in the official newspaper requesting quotes for Maintenance Services; and

WHEREAS, two quotes for general electrical maintenance services from qualified contractors were received by the due date:

BIDDER	**BID AMOUNT**
	Per Hour Labor Rate
D & G Electric	$120 first hour, $85 thereafter – Regular Hours Rate $125– After Hours $150- Weekends & Holidays Annual Price Adjust – 3%
Isanti Electric	$75- Regular Hours Rate $112.50 – After Hours $112.50 – Weekends & Holidays Annual Price Adjust – None

NOW THEREFORE BE IT RESOLVED by the City Council of the City of Isanti, Minnesota as follows:

1. The City Council hereby awards the quote to Isanti Electric, Inc., as the lowest responsible quoter.
2. That the City Administrator is hereby authorized to enter into a contract with Isanti Electric, Inc. for the provision of general electrical maintenance services for the City of Isanti for a five year period starting June 1, 2016 and ending May 31, 2021, unless terminated sooner as provided in the contract.
3. That a copy of the said contract is attached to this resolution that provides for the responsibilities of both parties for the service.
4. If the contractor does not respond when contacted for service, both in regular and after hours (24 hours) service, the City Council will review the matter and may terminate the contract.

5. Any issues that may arise between the Contractor and City shall be managed by the City Administrator.
6. That the contractor shall submit monthly statements for services provided in a given month to the city and receive compensation in the amounts as provided within the attached contract.

This resolution was duly adopted by the Isanti City Council this 17th day of May, 2016.

Human Resources/City Clerk

CITY OF ISANTI

ELECTRICAL SERVICES
INDEPENDENT CONTRACTOR AGREEMENT

THIS AGREEMENT between the **City of Isanti** (hereinafter "**City**"), whose principal office is located at 110 First Avenue North, City of Isanti, State of Minnesota, and **Isanti Electric Inc.**, 277th Lane NW, Isanti, Minnesota, 55040 (hereinafter "**Contractor**"), is made and entered into on the ____ day of _____, 2016.

A. **Period of Agreement.**
City hereby agrees to hire Contractor on an as needed basis and Contractor faithfully agrees to diligently perform such duties for the period from June 1, 2016 to May 31, 2021.

B. **Nature of Services.**
Services shall be provided as per the attached Specifications for Contractor Services for services during weekdays and in emergency circumstances (after hours). The contractor recognizes the right of the City to use electrical contractors for specialized service work regarding City Utilities and related operating facilities. The City also reserves the right to use other contractors on an emergency basis if the contractor is not available or cannot be contacted.

C. **Compensation**
Contractor shall receive compensation based on the rates submitted in their proposal for services. Material costs shall be reimbursed as per the Specifications for Contractor Services. Labor rates shall be as follows: $75.00 per hour (regular hours), $112.50 per hour (after hours) and $112.50 per hour (weekends and holidays).

D. **Licensing and Certification.**
Contractor hereby agrees to requirements as outlined in the Specifications for Contractor Services.

E. **Relationship of Parties**
The parties intend that an independent contractor relationship will be created by this Agreement. The City is interested only in the results to be achieved and the conduct and control of the work will lay solely with the Contractor. Contractor is not to be considered an agent or employee of the City for any purpose, and the employees of the Contractor, if any, are not to be considered employees of the City, and are not entitled to any of the benefits that the City provides its employees. It is further understood that Contractor may

perform services for other entities, as long as such relationship does not impede, or prohibit, the provision of services for City pursuant to this Agreement.

F. Liability Insurance and Indemnification.

The services to be performed by Contractor pursuant to this Agreement will be performed entirely at Contractor's risk, and Contractor assumes all responsibility for the use and condition of tools and equipment used in the performance of Contractor's duties, efforts and work. Contractor shall be solely responsible for obtaining, at contractor's expense, automobile and general liability insurance coverage in the amount of $1,000,000 and Workers Compensation (if required) in the statutory amounts. The City of Isanti shall be listed as an additional insured on the Certificate. Contractor further agrees to indemnify City for any and all liability or loss arising in any way out of the performance of this Agreement, including costs and attorney's fees.

Independent contractors carrying on a trade or business as sole proprietors must present an Independent Contractor Exemption Certificate (ICEC).

G. Termination.

City and Contractor may terminate this Agreement at any time by providing written notice of not less than sixty (60) days. Such notice shall be given to City at City offices. Such notice shall be given to Contractor at its place of business.

H Facilities and Equipment.

Contractor shall be responsible for providing all tools and equipment necessary to perform electrical maintenance services. The Contractor shall provide their own office facilities and related equipment.

I. Accounting and Billing.

Contractor will bill the City on a monthly basis for services and materials provided as per the Specifications for Contractor Services.

J. Entire Agreement.

This Agreement, the attached Specifications for Contractor Services, and City Resolution constitutes the entire agreement of the parties with respect to the subject matter hereof and supersedes all other agreements or representations, whether written or oral.

K. Headings

Headings are for convenience only and are not a part of this Agreement.

CONTRACTOR		CITY OF ISANTI	
Contractor Signature Isanti Electric Inc.	Date	Donald C. Lorsung City Administrator	Date

CITY OF ISANTI
SPECIFICATIONS FOR CONTRACTOR SERVICES

Section 1. Electrical Maintenance Work

The City is accepting proposals to perform electrical maintenance work on an "as-needed basis" for City buildings and facilities. The work may be indoor or outside. This work includes tasks ranging from maintenance of building lighting and electrical systems to small projects in City Parks. Work to be performed under direction of a state licensed Master Electrician. This proposer should list experience, examples of project work, list individual(s) to perform the work, their qualifications and contractor references. A completed Doing Business with the City of Isanti form should be provided with the proposal.

Acceptance of the proposal is for a "first call" basis, and if the contractor is not available or cannot respond in a timely manner, the City reserves the right to contact another vendor. Specialty equipment in city utility and liquor store facilities is not covered under this contract.

Section 2. Contract / Term of Contract

The successful proposer will enter into a contract with the City to provide services. The contact shall be for a five year time period.

Section 3. Insurance /Independent Contractor

The Successful Contractor will need to provide to the City a Certificate of Insurance with General and Automobile Liability Insurance in the amount of $1,000,000 and Workers Compensation Insurance in the statutory amounts. The City of Isanti shall be listed on the Certificate as an additional insured.

Independent contractors carrying on a trade or business as sole proprietors must present an Independent Contractor Exemption Certificate (ICEC) when submitting a quote for the above services.

Section 4. Material Costs / Invoice Required – For approved materials that need to be ordered for City projects that cost more than $50.00 dollars either individually or in total cost (multiple items), a copy of the vendor invoice that shows the cost to the Contractor for materials needs to be submitted with any request for reimbursement. With the use of materials purchased wholesale, the wholesale cost of the materials needs to be reported and a copy of the vendor receipt provided. In no case shall the contractor's mark-up exceed 10% of the wholesale cost (excluding any sales tax). The City also requires that any rebates be reported and those amounts must be deducted from the cost of materials on the Contractor's bill to the City.

RESOLUTION 2016-____

APPROVE TEMPORARY 3.2 BEER LICENSES FOR THE ISANTI LIONS CLUB FOR THE 2016 ISANTI STREET DANCES

WHEREAS, the City has received Temporary 3.2 Beer License applications from the Isanti Lions Club for the 2016 Isanti Street Dances (dates listed below) which will be held on Main Street, adjacent to the intersection of Main Street and First Avenue; and

WHEREAS, the applicant has paid the required application fees for Temporary 3.2 Beer Licenses as set forth in the Fee Schedule; and

WHEREAS, the applicant must meet with Police Department according to city policy.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota as follows:

1. That the Isanti Lions Club application for a Temporary 3.2 Beer Licenses for the Isanti Street Dances scheduled for June 25, 2016, July 16, 2016 and August 13, 2016 are approved subject to the following conditions:

    a) A Certificate of Liquor Liability Insurance for the event is received by the City prior to the event dates.

    b) A successful background check has been received by the Police Department.

Adopted by the Isanti City Council this 17th day of May, 2016.

RESOLUTION NO. 2016-____

APPROVE TEMPORARY ON-SALE LIQUOR LICENSE FOR ISANTI FIREFIGHTER'S RODEO ASSOCIATION

WHEREAS, the City has received a Temporary On-Sale Liquor License application from the Isanti Firefighter's Rodeo Association for the 2016 Rodeo event; and,

WHEREAS, the applicant has paid the $50 Temporary Liquor License application fee as established by City Code Chapter 160; and,

WHEREAS, the Certificate of Liquor Liability Insurance for the event from the insurance carrier will not be released until a Liquor License has been approved by the City Council; and,

WHEREAS, the Police Department has reviewed the application and made a recommendation for approval of the application subject to certain conditions.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota as follows:

1. That the Isanti Firefighter's Rodeo Association Temporary On-Sale Liquor License for the Rodeo event scheduled for July 8 through 10, 2016 is approved subject to the following condition:

    a) A Certificate of Liquor Liability Insurance for the event is received by the City prior to the event date.

2. That the procedures as outlined in Resolution 99-32 shall be met based on the meeting with the Police Chief and staff.

Adopted by the Isanti City Council this 17th day of May 2016.

Request for City Council Action

To: **Mayor Wimmer and Members of City Council**

From: Josi Wood, Public Services Director/ Assist. City Administrator

Date: May 17, 2016

Subject: Consider Resolution Approving Use of Water Tower for Training by Isanti Fire District

---

Background:
The Fire District Chief, Al Jankovich, brought up the discussion of being permitted to use the water tower for technical rope rescue training. He stated that the previous Resolution to do so was unclear as to when they could use it.

Staff was asked to check into any concerns they would have with the Fire District using the water tower. Staff had a discussion with the PW Foreman and City Engineer, Brad DeWolf. They all had just one concern, which was it would be in the City's best interest to have a staff person present to give access to the gate and tower and stay throughout the duration of training and then ensure all was secured before leaving.

DOAC Recommendation:
DOAC discussed this item May 5, 2016 and recommended to revise the Resolution, superseding the prior Resolution, to include these conditions for use of the water tower:

- Written request (email would be sufficient) stating day and time by the Wed. two weeks prior to City Council meeting
- Their request would need to be approved each time on consent agenda by City Council
- There will be a PW staff member onsite through the duration of the training at the fee listed per our fee schedule

Request:
Staff is requesting action on this item.

Attachment:

- Res 2016-XXX

RESOLUTION NO. 2016-XXX

A RESOLUTION APPROVING USE OF WATER TOWER FOR TRAINING BY ISANTI FIRE DISTRICT

WHEREAS, the Isanti Fire District has requested the ability to conduct training exercises using the City's Water Tower; and,

WHEREAS, the purpose of the training exercise is for emergency response in events involving heights and structures (Technical Rope Rescue Training); and,

WHEREAS, the City of Isanti is a member of the Isanti Fire District, which provides emergency response and fire suppression services to the City; and,

WHEREAS, City Council would need to grant approval for training per occurrence; and,

WHEREAS, this Resolution supersedes Resolutions giving prior authorization of use of the Water Tower for training;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City Of Isanti, Minnesota hereby authorizes the Isanti Fire District the ability for Technical Rope Rescue Training in the City Water Tower with the following conditions:

1. A written request, via letter or email, from the Isanti Fire District official stating the requested date and time ten (10) working days prior to the City Council meeting of which they are seeking approval.
2. A liability waiver be signed and submitted to the City by the Isanti Fire District officials prior to conducting the training exercise.
3. The request date and time is approved by City Council.
4. There be a Public Works Maintenance Technician onsite to allow access and stay for the duration of the training at a fee to be paid by the Isanti Fire District to the City of Isanti at the hourly fee rate per the City fee schedule.

This resolution was duly adopted by the Isanti City Council this 17th day of May, 2016.

City of Isanti
Economic Development Authority
Regular Meeting Minutes of
May 3, 2016
Isanti City Hall

1. Call to Order

The meeting was called to order by Economic Development Director Sullivan at 8:05 p.m.

a. Pledge of Allegiance

b. Roll Call

Commissioners Present: George Wimmer, Keith Dragisich, Dan Collison, Steve Lundeen, Paul Bergley and Tara Hallberg

Commissioners Absent:

Staff Present: Economic Development Director Sean Sullivan

c. Agenda Modifications

Economic Development Director Sullivan asked for Item 4.5 Consider Authorizing Letter of Support for JCF and MIF Funding be added to Agenda.

2. Approval of Agenda

Motion to approve Agenda with addition of Item 4.5 by Lundeen, second by Bergley, motion carried unanimously.

3. Approve Minutes of April 5, 2016 Regular Economic Development Meeting

Motion by Collison second by Lundeen to approve the minutes for April 5, 2016. Motion carried unanimously.

4. Consider Economic Development Director Request for Training at IEDC Real Estate Development and Reuse Course

Economic Development Director Sullivan presented the staff memo highlighting the great opportunity and cost savings of this course. He added this this opportunity was recent made available and he thought it beneficial to his professional development.

Motion by Lundeen, second by Collison to recommend to the Finance Committee to reallocate $250 from EDA marketing 495 to Training 208 and t recommend registering for IEDC Course on May 19-20. Motion passed unanimously.

4.5 Consider Authorizing Letter of Support for JCF and MIF Funding

Economic Development Director Sullivan outlined the use of MIF and JCF in Isanti and that a letter offering support was recommended by Staff. The City Council authorized the same letter of support at the May 3 City Council Meeting.

Motion by Lundeen second by Bergley to authorize President Wimmer to sign Letter of Support for JCF and MIF on behalf of the EDA. Motion passed unanimously.

5. Other Business / Updates / Communications

Economic Development Director Sullivan asked if there were any questions in regards to the staff memo and offered more detail on each item if requested.

Sullivan highlighted that the City is at 31 new single family housing permits and based on last year's pace we are halfway to the final projected total.

President Wimmer stated the projections call for 35 and it is very likely we will exceed that. He also indicated that J Robinson Construction, Inc. had built out their entire 33 unit development. President Wimmer indicated the review of construction plans for Allina were nearly complete and that construction would commence in the near future. He state that Representative Johnson was a supporter if JCF and MIF for the City of Isanti. Mayor Employer Celebration day on June 7, 2016.

Sullivan stated that Coborn's was present at East Central MN Job Fair.

President Wimmer stated the he, Economic Development Director Sullivan, and Commissioner Mike Warring of Junction Bowl collaborated to find a location for Coborn's to have its 3 week job fair in June.

6. Adjournment

Lundeen motioned, seconded by Bergley to adjourn at 8:18 pm. Motion carried unanimously.

Dated at Isanti, Minnesota, this 3rd day of May, 2016.

Respectively Submitted,

Sean M. Sullivan, Economic Development Director

CITY OF ISANTI
PLANNING COMMISSION
MEETING MINUTES
MAY 10, 2016

1. Meeting Opening.

A. Call to Order.

Duncan called the meeting to order at 7:00 p.m.

B. Pledge of Allegiance.

Everyone rose for the pledge of allegiance.

C. Roll Call.

Members Present: Jeff Duncan, Greg Cesafsky, Paul Bergley, Steve Lundeen, Wayne Traver, and Jim Kennedy.

Members Absent: None.

Staff Present: Community Development Director, Roxanne Achman

Others Present: None

D. Agenda Modifications.

Achman stated there were none.

2. Approval of Minutes from April 12, 2016 Planning Commission Meeting.

Duncan questioned if there were any comments or changes to the minutes.

Motion by Bergley second by Lundeen to approve the April 12th, 2016 Planning Commission Meeting Minutes. Motion was unanimously approved.

3. Public Hearings.

A. Request from Jim Bergman for approval of a Conditional Use Permit to operate a Motor Vehicle Sales Office and Display at 11 Heritage Boulevard NW, Isanti.

Duncan read the item into the minutes.

Achman presented the staff memo.

Duncan opened the public hearing.

Bergley asked if the two trailers currently within the parking lot will be an issue.

Achman stated it would not be on issue as there is enough on-site parking. Achman continued by stating that at some point in the past, this business had paved into the railroads right-of-way. The Conditional Use Permit states that no portion of the vehicle sales operation are to occur within the railroad right-of-way unless proof of permission is provided.

Duncan asked if the City can allow the 9 stalls shown on the site plan without a way in or out of the stalls without driving on the railroad right-of-way.

Achman stated the stalls could be angled stalls in order to pull into them and the stalls drawn are not exactly to scale. It appears to be possible to get into or out of the stalls with minor adjustments.

Lundeen stated that it would be up to the landowner to make arrangements with the railroad if they'd like to use the railroad right-of-way.

Duncan stated that part of approving the conditional use permit application is making sure the use has the appropriate amount of parking, correct. Achman confirmed that is the case.

Duncan closed the public hearing.

Motion by Kennedy second by Bergley to recommend approval of request from Jim Bergman for approval of a Conditional Use Permit to operate a Motor Vehicle Sales Office and Display at 11 Heritage Boulevard NW, Isanti, Minnesota based on the Findings of Fact and Conclusions with the following conditions:

1. Services and sales are associated with a principal building with a minimum floor area of at least one thousand (1,000) square feet.
2. All area of the property not devoted to building, parking, or open sales lot area shall be landscaped in accordance with Section 15 of this Ordinance.
3. Off-street parking and loading shall meet the requirements as stipulated within Section 17 of this Ordinance.
4. All new or used vehicles parked or displayed outdoors on the property shall conform to all requirements of the State of Minnesota; shall be operable; shall include all engine, muffler, brakes, and operating parts; shall be equipped with all exterior body parts as if new (for a passenger vehicle, truck or van, this shall mean four (4) tires, all doors and windows, headlamps and grillwork, mirrors, fenders, trunk, lids, body panels and molding, etc, or if a boat, all windshields, safety railings, hulls, trailer, etc.); shall be uniformly and wholly painted; and shall be free from having any loose or damaged exterior parts.
5. All repair, assembly, disassembly or maintenance of motor vehicles or motor vehicle parts shall occur within an enclosed building.
6. A detailed site plan conforming to the requirements of Section 18 of this Ordinance shall be submitted. The site plan shall also illustrate the location of all open sales and storage areas.
7. No outside speaker system shall be permitted without the approval from the City Council.
8. A landscaped buffer shall be provided, if the use abuts any residential zoning district. Solid screening to a minimum height of six (6) feet shall be provided along any portion of the open sales lot abutting a residential property or district. Such screening shall consist of a continuous landscape berm, solid wood fence, wall, or other comparable material. Fencing shall be constructed of wood or comparable material and should be of an ornamental or decorative design. If a chain link or wood fence is used, landscaping shall be provided on the outside of the fence facing the abutting residential property or district.
9. All vehicles and activities shall remain on the property owned by James Walters. No vehicles or activities are to be permitted on the paved area extending in to the Railroad right-of-way without proof of permission from the Railroad.

Motion carried unanimously.

B. Request from Minnco Credit Union for approval of an Interim Use Permit to allow for Temporary Motor Vehicle Sales on the property located at 309 and 311 Credit Union Dr. NE, Isanti.

Duncan read the item into the minutes.

Achman presented the staff memo.

Duncan opened the public hearing.

Lundeen stated that Minnco has been doing this for a long time and they've been very diligent keeping things running smoothly.

Bergley asked if there have been any issues with Minnco working with surrounding businesses for parking.

Achman stated that she has not been informed of any issues with this operation.

Duncan closed the public hearing.

Motion by Lundeen second by Bergley to recommend approval of request from Minnco Credit Union for approval of an Interim Use Permit to allow for Temporary Motor Vehicle Sales on the property located at 309 and 311 Credit Union Dr. NE, Isanti, Minnesota based on the Findings of Fact and Conclusion and with the following conditions:

1. Any temporary signage that may be located on the property for the event would be required to meet the requirements of Section 16 Signs of the Zoning Ordinance. A Temporary Sign Permit Application shall be submitted for City staff review and approval prior to placement on the property before the event.
2. All of the dealerships participating in the temporary motor vehicle sales event shall have obtained the appropriate license from the State of Minnesota to conduct motor vehicle sales.
3. Any customers coming to the event must park in designated parking areas and shall not be permitted to drive into the sales area.
4. The Minnco Credit Union shall work with surrounding businesses for additional or overflow parking options. A copy of the written approval from such property owners shall be provided to the City.
5. Access to the vacant lot shall be from the Minnco property at 311 Credit Union Drive NE only, as shown on the site plan as provided. Access to the vacant lot shall not be from County Road 5 NE or the property located to the west of 309 Credit Union Drive NE.
6. Minnco Credit Union shall be responsible for returning the site to the condition it was in prior to the event. All waste shall be removed from the site and any damage to the turf shall be re-established.
7. The Interim Use Permit is granted to Minnco Credit Union for the following dates and times: Friday, June 17th, 2016 from 12:00 p.m. to 6:00 p.m. and Saturday, June 18th, 2016 from 9:00 a.m. to 3:00 p.m. Time will be permitted before and after the event on the same days specified for set-up and removal of vehicles.

Motion carried unanimously.

C. Continuation of a Request from the City of Isanti to Amend Zoning Ordinance 445, Section 14: Performance Standards to include fencing/barricade requirements for swimming pools.

Duncan read the item into the minutes.

Achman presented the staff memo.

Duncan opened the public hearing.

Duncan asked what the requirement would be if the pool exceeded 24 inches in depth, but not 5,000 gallons.

Achman stated that both criteria need to be met in order to require a building permit or fencing.

Bergley asked how the depth or fencing would be affected if the pool was partially dug down into the ground.

Achman stated that the sidewall above ground would still need to be a minimum of 48 inches.

Duncan closed the public hearing.

Motion by Lundeen second by Cesafsky to recommend approval of the request from the City of Isanti to Amend Zoning Ordinance 445, Section 6: Residential Districts and Section 14: Performance Standards to include fencing/barricade requirements for swimming pools based on the Findings of Fact and Conclusions. Motion carried unanimously.

4. Other Business.

A. Meeting date changes in August and November due to the Election

Duncan read the item into the minutes.

Achman presented the memo.

Duncan stated that moving the meetings to Wednesday made sense.

Bergley stated he preferred Thursdays.

Lundeen stated the sooner the meeting is held the better in order to keep things on track.

Motion by Lundeen second by Kennedy to approve the amended Planning Commission meeting dates. Motion carried with Bergley voting Nay.

5. Discussion Items.

A. None.

6. Adjournment

Motion by Lundeen second by Bergley to adjourn the May 10th, 2016 meeting of the Planning Commission. Motion was unanimously approved.

The meeting adjourned at 7:22 p.m.

Dated at Isanti, Minnesota this 10th day of May 2016.

Respectfully submitted,

_____

Roxanne Achman, AICP
Community Development Director

MEMORANDUM

Date: May 11, 2016

To: Honorable Mayor Wimmer and Members of the City Council
City of Isanti

From: Bradley C. DeWolf, P.E.
City Engineer

Jason W. Cook, P.E.
Assistant City Engineer

Subject: Project Status Report
Isanti, Minnesota
BMI Project No: R13.111162

Please find listed below a status report of the current projects in the City of Isanti.

1) City Hall Parking Lot Expansion

The Contractor has paved the alley and will return to seed & mulch the disturbed areas.

2) River Bluff Preserve Parking & Trail Improvements

Construction has begun on the parking lot and trail. It is anticipated both projects will be completed in June. We will perform inspection as requested.

3) Railroad Avenue Pond Improvements

The contractor will complete the remaining storm sewer work and street patch this month.

4) Watermain Loop Improvements

The bid opening was held on May 3, 2016 at 2:00 pm at City Hall. 5 bids were received. Construction will not begin on the school property until after June 7, 2016.

5) Wastewater System Improvements

The bid opening was held May 3, 2016 at 2:30 pm at City Hall. 4 bids were received. We are reviewing the bid documents and will make a recommendation to council once the MPCA makes a determination on the bid alternate.

6) Whiskey Road Walk Infill Study

We have surveyed the project area and are designing the proposed alignment of the walk.

7) Coborn's Grocery Store

The Contractor has installed the sanitary sewer and watermain on the site. They plan to move forward with building construction this month.

8) Railroad Avenue Water Service

The contractor repaired the leaking water service on Railroad Avenue SE.

In addition to the current projects listed above we have completed and accepted 42 private developments and 45 city contracts since being selected as your City Engineer in 2008.

Please contact Brad or Jason if you have any questions.

4. EDA Meeting *(Immediately following the City Council Meeting)*	Tuesday, June 7, 2016
5. Planning Commission Meeting	Tuesday, June 14, 2016 at 7:00 PM

I. Council Committee Reports

Mayor Wimmer stated the Fire District has produced their quarterly billing, and there was a larger increase then the City of Isanti had planned for. For a point of reference, last year the cost was $45,000 per quarter this year it is at $50,781. This has created a 13% increase in the Fire District's billing. The Mayor stated when levy and budget discussions arise this summer and fall, the City of Isanti will need to pass this increase on. He also mentioned to Councilmember Lundeen that they will need to try and determine where the increases are stemming from.

The Mayor stated that Allina Health Clinic has begun preparing their site.

The Mayor shared that Coborn's has invited Mayor to come to St. Cloud on June 6, 2016 to meet with key staff that will be operating the store in Isanti.

The Mayor also mentioned to the Council that they have been given some confidential information from the City Attorney that needs to be reviewed. Once reviewed, and prior to leaving it needs to be returned to Lindsey McInnis (Human Resources/City Clerk).

J. Public Hearings

None

K. Business Items

1. **Resolution Approving a Special Event Permit for Car Shows to be Held in Downtown Isanti** *(Dan Collison)*

Mayor Wimmer asked if any changes had been made from last year's Car Shows. Councilmember Collison stated nothing had changed, they will not be charging for parking. Collison did mention there was an error in the newspaper stating there would be a live band; however, the live band information is related to Downtown Street Dance. Collison also mentioned that they received a donation for the liability insurance, and that it has been received. The Mayor also mentioned that at the finale Family Pathways will not be hosting Ribfest again this year.

Motion by Bergley, second by Lundeen to approve Resolution 2016-169 as presented. Motion carried unanimously.

2. **2016 G.O. Sewer Revenue Bond Issue** *(Jessica Green, Northland Securities, Inc.)*

Ms. Green addressed the City Council and provided comments relating to:

a. **Resolution 2016-170 - Providing for the Competitive Negotiated Sale of $2,605,000 General Obligation Sewer Revenue Bonds, Series 2016A**

b. **Resolution 2016- 171 - Relating to the Issuance of G.O. Sewer Revenue Bonds, Series 2016A, Covenanting and Obligating the City to be Bound by and to Use the Provision of Minnesota Statues, Section 446A.086 to Guarantee the Payment of the Principal and Interest on the Bonds**

c. **Approve Municipal Advisory Services Agreement by and between the City of Isanti, Minnesota and Northland Securities, Inc.**

Green stated the bond proceeds will be used to finance wastewater treatment improvements including a new lift station, pretreatment building, and various other systems. The total cost at this point is $3,455,000 but there is an alternative being considered (subject to MPCA approval) that may lower that overall cost. The City is going to be contributing $850,000 towards the project, which brings the financing requirement down to $2,605,000.

Green directed Council to the Agenda document with the issuing process, specifically to page 4. She stated that today, May 17th, the Council is considering the adoption of the set sale resolution, if that moves forward Northland Securities is to release the preliminary official statement. Staff has also already provided the general information certificate. During the week of June 6th they are proposing to hold the rating call, with the rating being released on June 13th. The Bond Sale would be at 10:30am on June 21st, and following that they would come to City Council that evening with the true interest cost and recommendation. If that moves forward, bond proceeds would be available on or around July 19th. Green directed the Council to page 5 of the document, which provides a summary of the recommended terms. City of Isanti's bond sale would be a public sale, meaning Northland Securities, Inc. would be soliciting competitive bids. The sale date and council consideration would fall on Tuesday, June 21st to align with the council meeting. Statutory authority that the City is using is Chapter 475 – General debt authority, as well as Chapter 444 which governs the Cities utility revenue debt. For repayment terms: the bonds would mature annually on December 1st of 2018 through 2029. First interest payment would be due December 1, 2016 and semi-annually thereafter on June 1 and December 1. Security is the general obligation pledge of the City combined with the net revenues of the sanitary sewer utility system. The call date will be December 1 of 2025. If there is an opportunity to refund cash or lower interest rates, the City will be able to call those bonds on December 1 of 2024 or any date thereafter. The bonds will be designated as bank qualified. A rating will be sought from Standard & Poor's Rating Services, there is also an application to the Minnesota Credit Enhancement Program. It is not anticipated that bonds will be subject to arbitrage rebate. Briggs & Morgan will continue to act as bond counsel as they have in the past.

Green directed Council to the proposed debt service schedule, in which interest rates will continue to move as the actual bids come in. However, if the scale comes close to what Northland has proposed the average coupon would be approximately 1.85% for the life of the bonds.

Mayor Wimmer pointed out that this is wrapped into the debt schedule, as what the City had based their utility rates going forward on, and it is all inclusive. Ms. Green concurred.

Clarification on what PFA was, was requested. Green stated it is the Public Facilities Authority, a state program. The previous debt that the City has issued, was issued a rating of AA- by Standard & Poor's, the Credit Enhancement Program has an underlying rating of AA+. With the City's current rating combined with the Credit Enhancement Program, it is anticipated that lower interest rates will be received.

Motion by Lundeen, second by Bergley to approve Resolution 2016-170, Resolution 2016-171 and the Municipal Advisory Service Agreement as presented. Motion carried unanimously.

3. Resolution Authorizing Loan with Trans Mississippi Biological Supply

Mayor Wimmer indicated that Trans Mississippi is a fantastic company that provides kits to schools for biology projects such as dissection of frogs and other insects, as well as things like live butterfly kits. They are the largest in Minnesota and currently based out of St. Paul. The plan is that Trans Mississippi Biological Supply will be taking over the middle four bays at the condo units at 101 Isanti Parkway NE. They will be

moving in in two phases. Specifically, the plan is during June and July they will begin, and finish in the fall and have full facilities operating at that time.

Motion by Bergley, second by Collison to approve Resolution 2016-172 as presented. Motion carried unanimously.

4. **Proposed 2017 Budget Calendar**

Budget workshop sessions to prepare for 2017 budget and levy are planned to be held following the currently scheduled City Council meetings:

Tuesday, July 19, 2016
Wednesday, August 3, 2016
Tuesday, August 16, 2016 (only if additional third workshop is deemed necessary)

Motion by Bergley, second by Lundeen to approve as presented. Motion carried unanimously.

5. **Resolution 2016-173 Approving Lease Agreement and Operating Policy between the City of Isanti and Redbirds Baseball for the Use of Sportsman Field**

Motion by Lundeen, second by Bergley to approve Resolution 2016-173 as presented. Motion carried unanimously.

6. **Resolution 2016-174 Repair of Bluebird Park Structure**

Mayor Wimmer reviewed the state of the current park structure, describing that the rope was fraying. Public Works has tried temporary fixes, but all have been unsuccessful. Due to the severity of the damage at the connection point, it has become a safety issue. The cost to repair the structure is a fairly significant expense. Currently the Park and Recreation Maintenance fund could incur the cost but it would result in having no additional money in the fund for the rest of the year. The repair expense would need to come out of the general fund. The Mayor also indicated that when Public Works prepared for the upcoming year, that this structure was not something they anticipated would need repairs.

The Mayor added that this is something that may begin to come up a lot. Structures that were put in the early 2000's, when in need of repairs, will have some significant maintenance and replacement costs. According to Statute, the City cannot use Park Dedication funds to repair any existing structures, it is strictly for new structures.

It was discussed when the repair would take place. Due to ordering and shipping of the necessary part it is estimated that the structure will be repaired 10-12 weeks from date of approval.

Collison asked if Public Works is going to dismantle the current netting. The Mayor indicated that ideally we would be looking to have the structure down this week by Public Works and that he would contact Josi Woods to determine if that was possible.

Motion by Lundeen, second by Collison to replace the equipment and as mentioned in Resolution 2016-174, to remove the existing netting to avoid a safety issue. Motion carried unanimously.

7. **Resolution 2016-175 Approving Request from Jim Bergman for a Conditional Use Permit to Operate a Motor Vehicle Sales Office and Display at 11 Heritage Boulevard NW, Isanti.**

Motion by Lundeen, second by Bergley to approve Resolution 2016-175 as presented. Motion carried unanimously.

8. **Resolution 2016-176 Approving the Request from Minnco Credit Union for an Interim Use Permit to allow for Temporary Motor Vehicle Sales on the Property located at 309 and 311 Credit Union Drive NE, Isanti.**

Motion by Bergley, second by Lundeen to approve Resolution 2016-176 as presented. Motion carried unanimously.

9. **Ordinance No. 644 Amending Zoning Ordinance 445, Section 6: Residential Districts and Section 14: Performance Standards to include fencing/barricade requirements for swimming pools**

Motion by Bergley, second by Lundeen to approve Ordinance No. 644 (Amending Ordinance 445) as presented. Motion carried unanimously.

10. **Ordinance No. 645 Amending City Code Chapter 8-6, Planning Commission to Reduce the Number of Members**

Mayor Wimmer indicated that the Planning Commission Advisory Board would go down to the 6 currently on the board, and reduce down to 5 members beginning January 1, 2017.

Motion by Collison, second by Bergley to approve Ordinance No. 645 (Amending City Code Chapter 8-6) as presented. Motion carried unanimously.

11. **Resolution 2016-177 to Award School Watermain Loop Improvements to Northdale Construction Co.**

Award Recommendation was provided by Brad DeWolf with Bolton and Menk, Inc.

Mr. DeWolf indicated that on May 3, 2016 five bids were received regarding the School Watermain Loop Improvements projects. The Engineer's Estimated cost was in the $185,000 to $200,000 range. A low bid was received from Northdale Construction Co, which is a reputable firm. Northdale Construction can complete the project in accordance with the contract. It is recommended the project is awarded to Northdale Construction Co in the amount of $156,824.52.

Motion by Lundeen, second by Bergley to approve Resolution 2016-177 as presented. Motion carried unanimously.

L. Approve Consent Agenda

1. Consider Accounts Payable in the Amount of $305,533.61 and Payroll in the amount of $95,486.16

2. Final Meeting Minutes for the April 5, 2016 Economic Development Authority Meeting
3. Final Meeting Minutes for the April 12, 2016 Planning Commission Meeting
4. Authorizing Advertising for Quotes for Lease of City Owned Crop Land
5. **Resolution 2016-178** Accepting Proposal for Electrical Maintenance Services
6. **Resolution 2016-179** Approving an On-Sale 3.2 Malt Liquor License for Isanti Lions Club for the 2016 Isanti Street Dances
7. **Resolution 2016-180** Approving an On-Sale Liquor License for Isanti Firefighter's Rodeo Association
8. **Resolution 2016-181** Offering the Position of Administrative Data Clerk to Janice Lutterman
9. **Resolution 2016-182** Offering the Position of Economic Development/Marketing Intern to Kathryn Skalicky
10. **Resolution 2016-183** Offering the Position of Part-Time Liquor Store Clerk to Sarah Cisar

Subject: Interim Appointment to Vacant City Council Seat

On March 15, 2016 the City Council declared the vacancy of City Councilor Adam Johnson to be effective contingent upon absences continuing past May 2, 2016. The City Council adopted Resolution 2016-078, A Resolution Declaring a Vacancy on City Council.

Resolution 2016-078 provides for temporary appointment of a qualified person to fill the vacancy until the Successor, elected at the upcoming Election, takes office. Pursuant to the Resolution and City Code Chapter 18, Article III, Vacancies in Elected Offices, a notice was posted and published seeking qualified persons to apply to be considered for temporary appointment to the Vacant Council Seat.

Applications were due by Tuesday, May 24, 2016. The City received two applications. One from Mr. Ross Lorinser, 749 Park Brook Road NW. The other from Mr. James Witte, 1106 Maplewood Avenue SW. Both are qualified candidates for consideration of appointment.

Pursuant to City Code, the City Council must interview the candidates and then vote by written ballot regarding potential temporary appointment to the City Council. Attached is Mr. Lorinser's and Mr. Witte's applications, interview questions and a prepared resolution for your consideration regarding interim appointment to the City Council.

ORAL INTERVIEW
CITY COUNCIL CANDIDATES
DATE: June 7, 2016

1. If you were going to describe Isanti to a new resident, what would you say?

2. How will your professional work experience help you as a council member?

3. Please describe the boundaries of the City of Isanti.

4. What do you think has been the most controversial issue the Council has faced this past year?

5. What do you think are the major issues facing the City?

6. The City Council works as a team, along with Isanti City Staff. Tell us about the most recent collaborative effort you have participated in.

7. If you could change one thing about Isanti, what would it be?

8. Why should the City Council appoint you to this vacancy?

RESOLUTION NO. 2016-XXX

A RESOLUTION MAKING APPOINTMENT TO FILL THE VACANT COUNCIL SEAT ON THE ISANTI CITY COUNCIL UNTIL SUCH TIME AS A CANDIDATE IS ELECTED THROUGH THE GENERAL ELECTION PROCESS

WHEREAS, a vacant seat occurred on the City Council with the absence of Councilor Adam Johnson; and

WHEREAS, with said vacancy created by Councilor Johnson, the City Council adopted Resolution No. 2016-078, A Resolution Declaring A Vacancy on the City Council; and

WHEREAS, Resolution No. 2016-078 provides for temporary appointment of a qualified person to fill the vacancy until the Successor, elected at the General Election, takes office; and

WHEREAS, City Code Chapter 18, Article III, Vacancies in Elected Offices, provides the process for making a temporary appointment to fill Council vacancies until an election takes place to fill the vacant Council seat; and

WHEREAS, an ad was placed in the official newspaper and posted seeking interested persons to be appointed to fill the vacant Council seat until such time as a candidate is elected through the special election process. Uniform Applications from qualified applicants were due on May 24, 2016. Two applications were received from qualified candidates. The City Council shall interview the candidates and then vote by written ballot.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of Isanti, Minnesota, to appoint _____ to fill the vacant Council seat until such time as a candidate is elected through the general election process.

1. The appointed person shall take office after administration of the Oath of Office by the City Clerk.

2. The term of office expires upon their Successor, elected at the Special Election, takes office on January 1, 2017.

Adopted by the Isanti City Council this 7th day of June, 2016.

TO: Mayor Wimmer & City Council

FROM: Don Lorsung, City Administrator

DATE: June 2, 2016

RE: Amendment of Appointments to Council Committees and Representatives for City Commissions and Advisory Boards for Year 2016

In light of the City Council vacancy, and with consideration by the City Council of a candidate that may be appointed on an Interim basis to the Vacant City Council Seat at this meeting, the City Council will need to consider re-designation of Council Committees and Advisory Board appointments.

Mayor Wimmer has also reviewed this matter and directed staff that City Councilor Paul Bergley be included in the Amended Resolution to serve on the Liquor Committee and Police Committee.

Remaining Open Board /Committee Assignments are as follows:

Fire Board – (Alternate)
Development Advisory Committee
Finance Committee
Personnel Committee

Attached for your consideration is a draft amended resolution for the City Council to make appointments to the respective Council Committee, Assignments. Also attached is a copy of Resolution No. 2016-001, Resolution Designating Committees and Representatives for City Commissions and Advisory Boards for Year 2016.

RESOLUTION NO. 2016-____

RESOLUTION TO AMEND RESOLUTION NO. 2016-001 DESIGNATING COUNCIL COMMITTEES, AND REPRESENTATIVES FOR CITY COMMISSIONS AND ADVISORY BOARDS FOR YEAR 2016

WHEREAS, on January 5, 2016 the City Council approved Resolution 2016-001 appointing Council Members to represent the City on Council Committees, Commissions, and Advisory Boards; and has been amended from time to time; and

WHEREAS, on March 15, 2016 the City Council approved Resolution 2016-078 Declaring A Vacancy on the City Council; and

WHEREAS, on June 7, 2016, pursuant to Resolution 2016-078 and City Code the City Council approved Resolution No. 2016-_____ appointing _____ to fill the vacant Council seat on an interim basis until such time as a candidate is elected and takes office pursuant to the general election process; and

WHEREAS, it has been found that Resolution No. 2016-001 must be amended to reflect the Council Vacancy and the Council Committees, Commissions and Advisory Board that City Councilor was appointed to serve on.

NOW, THEREFORE BE IT RESOLVED by the City Council of the City of Isanti, Minnesota that Resolution No. 2016-001 shall be amended to remove all previous Committee, Capacity, Commission and Advisory Board appointments that past Councilor Adam Johnson was appointed to serve on and to make appointments from the City Council to those Council Committees, Capacity, Commission and Advisory Board for the remainder of Year 2016 as follows:

1. Economic Development Advisory Board _____
2. Fire Board (Alternate), _____
3. Development Advisory Committee, _____
4. Finance Committee, _____
5. Personnel Committee, _____
6. Liquor Committee, Paul Bergley
7. Police Committee, Paul Bergley

This resolution was duly adopted by the Isanti City Council this 7th day of June, 2016.

Date: June 7, 2016

Subject: Special Event Request – Cambridge Isanti Soccer Club hosting MYSA Soccer District Playoffs

---

Background
The City received a special event application from the Cambridge-Isanti Soccer Club for the MYSA Soccer District Playoffs to be held at the Isanti Soccer Complex. The event is scheduled to take place over the course of several days, July 9th-16th from 8:00 a.m. till dark.

The estimated number of people to be in attendance is around 8,000 players, coaches, staff, and spectators. Primary parking for the event will occur at the soccer complex. The has requested that overflow parking at Bluebird Park be permitted. Additional restroom facilities will be brought in for the event; and will be pumped by Jimmy's Johnnies. Clean-up will be provided by volunteers through the Cambridge-Isanti Soccer Club. They have submitted the necessary clean-up deposit and a copy of their Liability Insurance is on file.

A copy of the application and departmental review has been attached for City Council review.

Staff Request
City staff is requesting action on this item.

RESOLUTION NO. 2016-

RESOLUTION APPROVING A SPECIAL EVENT APPLICTION FOR THE CAMBRIDGE-ISANTI SOCCER CLUB

WHEREAS, the Cambridge-Isanti Soccer Club has submitted a Special Event application requesting approval to host the MYSA Soccer District Playoffs; and,

WHEREAS, the event is scheduled to take place July 9-16 from 8:00 a.m. until dark at the Isanti Soccer Complex located at 950 3rd Ave NW; and,

WHEREAS, the estimated number of people to be in attendance over that time period is anticipated to be 8,000; and,

WHEREAS, attendee parking will be on site at the Soccer Complex with backup parking located in the lots of Bluebird Park; and,

WHEREAS, the applicant has submitted the required $100 clean-up deposit fee; and,

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City Of Isanti, Minnesota to hereby approve the following:

- Special Event Application submitted by Cambridge-Isanti Soccer Association subject to comments provided by City staff members.
    - Parking and traffic circulation be planned the same as last year's Soccer Special Event that occurred during the Rodeo-Jubilee Days.
- Soccer Club officials cooperate and coordinate with the Isanti Police Department, Isanti Fire District/Rodeo Association to direct traffic and reduce traffic congestion during the various events. These groups must also work together to resolve any potential parking issues.

AND FURTHERMORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota that this Resolution is hereby the "Permit" for the above stated Special Event.

This resolution was duly adopted by the Isanti City Council this 7th day of June 2016.

Subject: Special Event - Soccer District Tournament July

Hello,

I have received a special event permit from the Cambridge Isanti Soccer Club for the July 9-16 Districts tournament. It appears to be pretty similar to past years, and will overlap with the rodeo. They have not requested assistance from PD or Fire, and will have their own volunteer medics on site.

Please respond with your approval or comments. (This will not go to Council until June 7)

Thank you,

Katie Everett

Subject: A Resolution Approving a Special Event Request from Wintergreens Golf and Grill

---

Background

The City received a special event application from Clay Stawski, on behalf of Wintergreens Golf and Grill. The business will be hosting an Outdoor BBQ with live music and beverages. The event will take place on both Thursday, July 7 and Friday, July 8 from 8:00 p.m. to 12:30 a.m. Wintergreens will be hosting a band and will be serving beverages on the west side of the parking lot, similar to the event that was held last year during Jubilee Days. The event includes enclosing an area on the west side of the parking lot of the establishment where live music, consumption of alcoholic beverages, food service, and socializing will take place.

Parking will be provided at Wintergreens, Minnco Credit Union, and on the West side of Credit Union Drive NE. This is the same parking arrangement as previous years' events. The City has requested that parking be limited to the west side only. This condition will be placed upon the approval for this event as well. Copies of letters granting permission to host the event on the property and to park at MinnCo are included for Council review.

A stage for the band as well as several 12' x 12' tents will be located on the property for the event. Restrooms to be used will be the restaurant's indoor facility. Trash containers will be provided outside for the event. The parking area will be cleaned by noon on the following day.

A copy of the application and departmental review has been attached for City Council review.

Staff Request

City staff is requesting action on this item.

RESOLUTION 2016-

A RESOLUTION APPROVING THE SPECIAL EVENT REQUEST FROM WINTERGREENS GOLF AND GRILL

WHEREAS, Mr. Clay Stawski, on behalf of Wintergreens Golf and Grill, has submitted a Special Event Application for an event to take place on the property at 306 Credit Union Drive NE; and,

WHEREAS, an outdoor BBQ with live music and beverages will be held on Thursday, July 7th and Friday, July 8th from 8:00 p.m. to 12:30 a.m.; and,

WHEREAS, the event includes enclosing an area in the parking lot of the establishment where live music, consumption of alcoholic beverages, and socializing will take place; and,

WHEREAS, parking for the event will take place on the west side of the street only, within a portion of the establishment's parking lot, and within the Minnco Credit Union parking lot; and,

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, to hereby approves the Special Event Application with the following conditions:

1. No parking shall be allowed on the east side of Credit Union Drive for the duration of the event.
2. As a part of the event, the Police Department and/or Public Works Department is hereby directed to post 'no parking' signage on the east side of Credit Union Drive the morning of Thursday, July 7th.
3. The applicant adheres to the serving of alcoholic beverages per local and state regulations.

AND FURTHERMORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to:

1. Hereby approves the extension of the licensed premises to the contiguous parking area owned by Wintergreens for the dates and times approved for the special event.
2. That this Resolution is hereby the 'Permit' for the above stated Special Event.

This Resolution hereby approved by the Isanti City Council this 7th day of June 2016.

Hello Ron,

As part of the special event process, you need to send a notification letter to all property owners within 350' - I have included a list of those properties for you. Last year, there was a letter included with the application as follows:

Neighbor,
Wintergreen's is planning on hosting 2 events in conjunction with Rodeo Days on July 10th and 11th.
Both are outdoor events from 8PM to 12:30AM and will feature live music and beverages. They will be held on Wintergreen's south parking lot.
Thank you.

Something to that effect serves the purpose just fine. If you can also include a contact number in case a recipient of the letter has questions, that would be best. For the permit, I just need a copy of the letter that will be sent.

Thank you for the answers to those other questions. I will plan to have this ready for the June 7 City Council meeting (7:00 pm at City Hall). Please plan to have a representative there, if no one attends the meeting it will not be discussed and will be tabled until the next meeting.

Thanks,

Katie Everett

Subject: Re: Wintergreens Special Event

Good afternoon,

The event will be Thursday - Friday
We did not send letters in past years. What do we need to get to you?
We won't have a banner.
There will be a few12x12 tents within the fenced area

thank you'

ron

Hello Clay and Ron,

I just wanted to confirm a couple of things with you on your special event permit before I pass it off to be approved by the other departments. It looks like the event was Friday/Saturday last year, but the dates listed are July 7/8 this year which is Thursday/Friday – did you shift the days this year?

We'll also need you to send letters to anyone within 350 feet of Wintergreens telling them that the event is happening, you can just email a copy back to this address.

Where will the 3'x8' banner be located? If it is not on Wintergreens property, we need to also have proof that you have permission to put it that location. We also need to be sure that it would not be in a right-of-way or obstructing the view of traffic at all.

The materials for council that I have from last year say that there will be several 12x12 tents located on the property – will this be true again this year?

These items might all be the same as last year, I just want to make sure that everything is as clear as possible to prevent any confusion during the event. Please respond to this email and I will include the answers to the above questions with the application materials.

Thanks,

Katie Everett

Hello,

Please review the attached special event permit for the Wintergreens event during the rodeo. It looks like the details are the same. There were a few questions I had while looking through it, so the email correspondence is also attached.

Please respond with your approval or comments. I will need to have everything ready by Thursday for the June 7 council meeting.

Request for City Council Action

To: Mayor Wimmer and Members of the City Council

From: Katie Everett, Community Events and Parks Coordinator

Date: June 7, 2016

Subject: Special Event Request for Miller Tax and Bookkeeping Customer Appreciation

---

Background

The City received a special event application from Kelly Jo Miller for a Customer Appreciation event for Miller Tax and Waddell & Reed customers on June 21 from 12:00-7:00pm. The event will take place in the parking lot at 303 Credit Union Drive.

The organizer has stated that all of the event activities and parking will be contained within the parking lot and has provided a site map with the application materials. Anticipated attendance is 400. A bounce house and food vendors will be present at the event as well.

The organizer's staff will be cleaning up after the event. The required deposit fee of $100 has been submitted.

A copy of the application, event description and departmental review has been attached for City Council review.

Staff Request

City staff is requesting action on this item.

RESOLUTION 2016-

A RESOLUTION APPROVING A SPECIAL EVENT PERMIT REQUEST FOR MILLER TAX CUSTOMER APPRECIATION

WHEREAS, Kelly Jo Miller, the Applicant, will be hosting a customer appreciation event for Miller Tax and Waddell and Reed Customers on Tuesday, June 21, 2016; and,

WHEREAS, this event is scheduled to begin at 12:00 p.m. and end at 7:00 p.m.; and,

WHEREAS, the estimated number of participants is 400; and,

WHEREAS, the event will take place at the business establishment parking lot at 303 Credit Union Drive, Isanti; and,

WHEREAS, the primary parking and all activities for the event will be within parking lot; and,

WHEREAS, the Applicant will clean-up after the event and has submitted the $100 clean-up deposit fee;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, to hereby approve the Customer Appreciation event for Miller Tax to be held on June 21, 2016 with the following conditions:

- The Applicant submit the Certificate of Liability insurance prior to the event
- The Applicant submit the Letter of Approval from property owner

BE IT FURTHER RESOLVED by the City Council of the City of Isanti, Minnesota that this Resolution is hereby the 'Permit' for the above stated Special Event.

This Resolution hereby approved by the Isanti City Council this 7th day of June, 2016.

Attest: Mayor George A. Wimmer

Lindsey McInnis
Human Resources/City Clerk

-EVENT SPONSOR-
RELEASE AND INDEMNIFICATION AGREEMENT

City of Isanti

THIS IS A RELEASE OF LIABILITY INDEMNIFICATION AGREEMENT. SPECIAL EVENTS HOLDER MUST READ CAREFULLY BEFORE SIGNING.

In consideration for being permitted to engage in the following special event activities on property owned by the City of Isanti:
Customer Appreciation for Miller Tax & Bkpg as well as Waddell + Reed.

Special Events Holder hereby acknowledges, represents, and agrees as follows:

A. We understand that the above described activities are or may be dangerous and do or may involve risks of injury, loss, or damage to us and/or third parties. We further acknowledge that such risks may include but not be limited to bodily injury, personal injury, sickness, disease, death, and property loss or damage, arising from the following circumstances, among others:

(Special Events Holder Initials Here) _____

B. If required by this paragraph, we agree to require each participant to our special event to execute a **RELEASE AND INDEMNIFICATION AGREEMENT** for ourselves and for the City of Isanti, on a form approved by the City of Isanti.

Participant Release and Indemnification required? YES ____ NO X

(Special Events Holder Initials Here) _____

C. We agree to procure, keep in force, and pay for special event insurance coverage, from an insurer acceptable to the City of Isanti, for the duration of the above described activities.

(Special Events Holder Initials Here) _____

D. By signing this **RELEASE AND INDEMNIFICATION AGREEMENT,** we hereby expressly assume all such risks of injury, loss, or damage to us or any related third party, arising out of or in any way related to the above described activities,

City of Isanti
110 1st Avenue NW • PO Box 428 • Isanti, MN 55040 • Phone (763) 444-5512 • Fax (763) 444-5560

whether or not caused by the act, omission, negligence, or other fault of the City of Isanti, its officers, its employees, or by any other cause.

(Special Event Holder Initials Here) _____

E. By signing this **RELEASE AND INDEMNIFICATION AGREEMENT,** we further hereby exempt, release and discharge the City of Isanti, its officers, and its employees from any and all claims, demands, and actions for such injury, loss or damage to us or to any third party, arising out of or in any way related to the above described activities, whether or not caused by the act, omission, negligence, or other fault of the City of Isanti, its officers, its employees, or by any other cause.

(Special Event Holder Initials Here) _____

F. We further agree to defend, indemnify and hold harmless the City of Isanti, its officers, employees, insurers, and self insurance pool, from and against all liability, claims, and demands, court costs and attorney fees, including those arising from any third party claim asserted against the City of Isanti, its officers, employees, insurers or self insurance pool, on account of injury, loss or damage, including without limitation claims arising from bodily injury, personal injury, sickness, disease, death, property damage or loss, or any other loss of any kind whatsoever, which arise out of or are in any way related to the above described activities, whether or not caused by our act, omission, negligence, or other fault of the City of Isanti, its officers, its employees, or by any other cause.

(Special Event Holder Initials Here) _____

G. By signing this **RELEASE AND INDEMNIFICATION AGREEMENT,** we hereby acknowledge and agree that said Agreement extends to all acts omissions, negligence, or other fault of the City of Isanti, its officers, and/or its employees, and that said Agreement is intended to be as broad and inclusive as is permitted by the laws of the State of Minnesota. If any portion thereof is held invalid, it is further agreed that the balance shall, notwithstanding, continue in full legal force and effect.

(Special Event Holder Initials Here) _____

H. We understand and agree that this **RELEASE AND INDEMNIFICATION AGREEMENT** shall be governed by the laws of the State of Minnesota and that jurisdiction and venue for any suit or cause of action under this agreement shall lie in the courts.

(Special Event Holder Initials Here) _____

I. This **RELEASE AND INDEMNIFICATION AGREEMENT** shall be effective as of the date or dates of the applicable special event, shall continue in full force until our responsibilities hereunder are fully discharged, and shall be binding upon us, or successors, representatives, heirs, executors, assigns, and transferees.

(Special Event Holder Initials Here) _____

IN WITNESS THEREOF, THIS RELEASE AND INDEMNIFICATION AGREEMENT is executed by the special event holder, acting by and through the undersigned, who represents that he or she is property authorized to bind the Special Events Holder hereto.

RE: Client Appreciation Event on 6/21/16 from 12-7pm

To whom it may concern,

We are writing to inform you that we are having a client appreciation event in our parking lot located at 303 Credit Union Drive on Tuesday June 21st, 2016. We expect little to no impact to traffic flow or your business.

Thank you,

Kelly Jo Miller

Subject: Another urgent special event

Hello Al,

This is a new special event permit this year. Miller Tax and Bookkeeping will be holding a customer appreciation event on June 21 (it's a Tuesday). All events will be contained within the parking lot, and they are anticipating about 400 people throughout the course of the event. There will be a bounce house and concession trucks.

Please review the application and respond with your approval or comments at your earliest convenience.

Thank you,

Request for City Council Action

To: Mayor Wimmer
Members of the City Council

From: Katie Everett
Community Events & Parks Coordinator

Date: June 7, 2016

Subject: A Resolution Approving a Request by the Isanti Firefighters Rodeo Association to Close Unity Park Ball Field and Place Signage Indicating such closure for July 8th – 10th and for the movement of the Bleachers Located in Unity Park to the Rodeo Grounds.

Background

City staff has received an e-mailed request from Marc Volk, Treasurer with the Isanti Fire District, for the closure of the Unity Park Ball field during Rodeo Days. In past years, individuals have used the ball field at Unity Park, which has resulted in damage to the car windows of vehicles parked within Unity Park during the rodeo. The Isanti Rodeo Association has been held responsible for the damage and has replaced many car windows due to balls being hit into the parking area. In order to ensure that these issues did not arise in the future, a request is submitted yearly to close the field during the Rodeo.

Currently, there has been no request for a reservation of the field during these dates. So, no notification to any particular group or reimbursement of fees is necessary. Any request that may be received would be notified of such a closure immediately. A copy of the request has been included for Council review.

In addition, Mr. Mark Volk has requested use of the Unity Field bleachers for extra seating at the Rodeo Grounds for the weekend's events. Despite the Isanti Fire Districts involvement in the original construction of the bleachers, the City has maintained the bleachers over time. Other community groups have also invested money into repairing the bleachers for Unity field. In order to remove the bleachers from the site, City Council would need to authorize that request. The Rodeo Association would bring them to the grounds for the event and would return them to the ball field on Monday, July 11th.

Staff Request

City staff is requesting action on both items.

Katie

I am looking to request that we are able to utilize Unity Park ball filed, parking lot and the actual field itself for this year's Rodeo. We own the bleachers that are at Unity Park and we typically move them out the Sunday before Rodeo and I also want to make sure you are aware of that. The dates of the Rodeo are July 8th thru July 10th.

Thanks

RESOLUTION NO. 2016-

A RESOLUTION APPROVING THE CLOSURE OF UNITY PARK BALL FIELD FOR THE ISANTI RODEO JULY 8TH – JULY 10TH AND AUTHORIZING THE USE OF THE UNITY PARK BLEACHERS AT THE RODEO GROUNDS

WHEREAS, the Isanti Fire District hosts an annual rodeo as part of the Jubilee Days celebration; and,

WHEREAS, each year the Isanti Fire District requests that the City of Isanti close Unity Park Ball Field for the duration of the rodeo, so as to avoid damage to vehicles parked in the area for the event; and,

WHEREAS, issues have occurred in previous years, of which the Isanti Rodeo Association had been liable for damage that occurred; and,

WHEREAS, to avoid complaints and damage to vehicles of those individuals attending the Jubilee and Rodeo events, the City of Isanti has authorized such closure each year to ensure that such issues do not occur; and,

WHEREAS, the Isanti Rodeo Association is also requesting use of the Unity Park bleachers for additional seating at the Rodeo Grounds; and,

WHEREAS, the Isanti Rodeo Association would remove the bleachers before the event and return them to Unity Park on Monday, July 11th; and,

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City Of Isanti, Minnesota hereby authorizes the closure of Unity Park Ball Field as requested by the Isanti Rodeo Association July 8th – July 10th and authorizes City staff to place signage announcing such closure.

AND, BE IT FURTHER RESOVED by the City Council of the City of Isanti, Minnesota hereby authorizes the use of the Unity Park bleachers at the Isanti Rodeo Grounds, with the following conditions:

1. The bleachers are returned to Unity Park on Monday, July 11th.
2. Any damages sustained to the bleachers either in transit or at the Rodeo event shall be repaired by the Isanti Fireman's Rodeo Association.

This resolution was duly adopted by the Isanti City Council this 7th day of June 2016.

Date: June 7, 2016

Subject: A Resolution Approving Acceptance of Grant from Partners in Healthy Living

---

Background

City staff received approval in January, 2016 to apply for grants pertaining to community events and parks. It was found that Partners in Healthy Living had an opportunity to apply for a mini grant of up to $1000.00. Staff applied for the grant to help pay for a picnic table and bench for the community garden. The quoted table and bench will be the same versions as are currently in place at Legacy Park. The award letter for the grant was received May 23, 2016 for $1000.00. The grant required in-kind donations; the remaining funds needed to purchase the equipment is an estimated $447.51. This cost is unbudgeted, and staff recommends that it is paid from Parks, Recreation, and Culture – Small Tools and Minor Equipment (101-45300-240).

Staff Request

City staff is requesting that council approve acceptance of the grant as well as the unbudgeted in-kind contribution funds.

RESOLUTION NO. 2016-

A RESOLUTION APPROVING ACCEPTANCE OF GRANT FROM PARTNERS IN HEALTHY LIVING

WHEREAS, the City of Isanti remains dedicated to increasing awareness of an active lifestyle in the Community; and,

WHEREAS, city staff received approval from the City Council on January 5, 2016, Resolution 2016-005 to apply for grants pertaining to the community events and parks; and,

WHEREAS, city staff applied through a mini grant through Partners in Healthy living for $1000.00 to help pay for a picnic table and bench at the community garden; and,

WHEREAS, city staff received a letter awarding the grant in the amount of $1000.00 on May 23, 2016; and,

WHEREAS, the funds received will be a reimbursement upon receiving purchase receipts and other required documentation; and,

WHEREAS, City of Isanti in-kind contributions for these items will be an estimated unbudgeted cost of $447.51; and,

WHEREAS, the funding source for the in-kind contributions will be 101-45300-240 (Park, Recreation and Culture Small Tools and Minor Equipment);

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, to

1. Hereby approve the acceptance of a grant from Partners in Healthy Living in the amount of $1000.00.
2. Authorize city staff to make the full purchase of the table and bench for the community garden, $1000.00 of which will be reimbursed by Partners in Healthy Living.

Adopted by the Isanti City Council on this 7th day of June 2016.

Subject: A Resolution Authorizing a Public Naming Contest for Isanti Tot Lot

---

Background

During the annual Parks Tour with the Parks, Recreation, and Culture Board, it was determined that the name "Tot Lot" is not a good description of what the park offers. At the May 24, 2016 Park Board meeting, the matter was further discussed. Members agreed that a new name may help to increase usage of this park, and because the current park signs are faded and will be replaced soon, now is a good time to change the name. A new name at this time will also fit well with the proposed history project to have plaques placed at each park with their histories.

The Parks, Recreation, and Culture Board is recommending a public naming contest to rename Tot Lot. The contest can be advertised in the Fall Isantian as well as the farmer's market this summer. The contest could then be closed the end of the year and a new name in place by the beginning of 2017. The Policy on Naming Parks allows for a public contest with review by the Parks, Recreation, and Culture Board with a final recommendation going to City Council for approval

Staff Request

City staff is requesting authorization to begin a public naming contest for Isanti Tot Lot.

Karissa A. Henning
Human Resources/City Clerk

Exhibit A

POLICY ON NAMING PARKS

Adopted 4-2-2002
Amended 4-5-2016

Introduction:
The naming of parks and park features is a thoughtful process that requires careful analysis. A park name remains with a property long after any knowledge of its origin has passed. The selection of a name for a park should be purposeful and systematic, resulting in a name for both meaningful and symbolic.

A park name may honor a person of significant stature within the community, recognize an organization or group that has contributed to the development of the facility, or appreciate a significant natural aspect of the park. Park names should be apolitical and honor a community contribution to the park, rather than an affiliation with a political party or action group.

The following procedures are meant as a systematic process to develop meaningful and creative names for the City of Isanti parks and park system. The procedures are intended to simplify the process, ensure consistency in park and facility naming, remove emotional motivations and encourage creativity. The City of Isanti's future park names will exhibit balance, diversity and creativity.

Timing:
The park naming process is lengthy by design. It is intended to minimize the emotional impact of the naming process or a naming request. All involved have time to consider long-term implications of the name.

A working name may be used before development. The working name should be nondescript and should not resemble a possible permanent name. When acquiring land for future parks, the assignment of a permanent park name may be delayed significantly. A temporary identification will be needed until development. A permanent name will be recommended by the Park and Recreation Board for adoption by the City Council.

Renaming Park Facilities:
Parks should be renamed only after careful consideration. Renaming a park should be considered if one or more of the following criteria is met:

1. The park name is the working name assigned prior to development.
2. Primary park users have submitted a name change petition for consideration through this park naming policy.
3. A person or group contributes a significant portion of the cost of acquiring, developing, renovation or adding land.
4. A park can be renamed for a living person or in memory of someone who has significantly contributed to the

community. The honoree should have completed at least ten years of services. A waiting period is required of six months from the conclusion of service or death.

Memorials:
As a tribute to a deceased resident, a person or group may donate a memorial such as a tree or planting with a plaque; or a bench, picnic shelter, or other park structure. The donor must pay the cost of the memorial, plus installation and future park maintenance required. Planting and location plans must be submitted in advance for approval by the City Administrator / Appropriate Staff. Plaque size must be no larger than 15 inches by 15 inches. City Staff will supervise the installation of memorials.

Procedures for Naming Parks:

The following procedures ~~should~~ may be followed in naming of parks. The City Council reserves the right to select a name for a City Park.

1. Staff will prepare a list of potential names and rationale based on input from appropriate sources, including a public notice in the City's official newspaper asking for citizen input; or a contest. The list will be filtered based on the criteria in this policy.
2. The Parks and Recreation Board will review the potential names. The commission will discuss each name and its merits. Names may be added or eliminated for the list at this time. No decision will be made at this point.
3. Staff should provide information requested by the commission at their next meeting. At this meeting, the commission will limit the list to three names.
4. At their next meeting, the Parks and Recreation Board shall debate the remaining names and select a name to be recommended to the City Council.
5. The proposed park name will then be submitted to the City Council for their approval at their next regular City Council meeting. If not approved, the City Council will return the issue to the Parks and Recreation Board with direction.

Park Naming Criteria:
The following criteria should be used to generate a list of potential names for consideration:

1. The name of the development.
2. The name of the neighborhood.
3. A name associated with a former school in the City.
4. Local points of interest or focal point near the park.
5. A stream, creek or body of water near the park..
6. A hill, valley, or topographic feature associated with the park.
7. An event or historical occurrence associated with the park.
8. A creative name based on an impression of the site.

9. A name based on vegetation or ecology of the area.
10. A dominant feature of the site.
11. A person or group who dedicates the majority of the land or cost for the park.

A Community For Generations.

Request for City Council Action

To: **Mayor Wimmer and City Council Members**

From: Chief Gene C. Hill **MEMO**

Date: May 31, 2016

Subject: October 01, 2016 – September 30, 2017 Safe and Sober Grant

Background:

The City of Isanti has allowed its Police Department to participate in the Safe and Sober Grants that are sponsored by the Minnesota Department of Public Safety – Office of Traffic Safety for the past many years. Through this program the City is given grant money to offset expenses for Peace Officer's to provide enhanced enforcement of traffic laws specifically DWI, seatbelt, and speed enforcement.

Also, the Safe and Sober Grant has provided many free items to the City of Isanti such as: several paid driving school tuitions, portable breath test machines, flashlights, metal detectors, light bars, squad video camera, radar, stationary speed sign, and window-tint meters which reduces the tax burden to the City.

The grant process requirements have changed drastically over the years as well as our grant partners. This year we are required to have a countywide grant. This grant would be Isanti PD as the lead agency and grant fiscal managers. Participating grant members we be Braham and Cambridge PD and Isanti County Sheriff's Office.

Action:

I request that the City Council take action by reviewing and considering a resolution to allow a joint venture with the Minnesota Department of Public Safety – Office of Traffic Safety to participate in the Safe and Sober Grant Program with the grant partners of Braham and Cambridge PD along with Isanti County Sheriff's Office.

Respectfully,

Chief Gene C. Hill

RESOLUTION NO. 2016-XXX

A RESOLUTION AUTHORIZING TO ENTER INTO AN AGREEMENT WITH THE MINNESOTA OFFICE OF TRAFFIC SAFETY GRANT FOR SAFE AND SOBER HIGH VISIBILTY ENFORCEMNT

WHEREAS, the Minnesota Office of Traffic Safety offers an enhanced traffic enforcement grant to promote roadway and driver safety awareness and education, and;

WHEREAS, the Isanti Police Department has participated in this grant for ten plus years and is partnering with Cambridge PD, Braham PD and Isanti County Sheriff's Office to provide high visibility enforcement, and;

WHEREAS, receives full compensation for the officers wages and benefits for hours worked, and;

WHEREAS, is eligible for free large equipment for department use which saves tax dollars, and;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota as follows:

1. Be it resolved that Isanti Police Department enter into a grant agreement with the Minnesota Department of Public Safety, Office of Traffic Safety for Traffic Safety Enforcement projects during the period from October 1, 2016 through September 30, 2017.

2. That the Chief of Police or designee is hereby authorized to execute such agreements and amendments as are necessary to implement the project on behalf of the City of Isanti and Isanti Police Department; and that the fiscal agent of the grant will be the City of Isanti.

Adopted by the Isanti City Council this 7th day of June, 2016.

Isanti

Request for City Council Action

To: **Mayor Wimmer and City Council Members**

From: **Chief Gene C. Hill**
Date: **June 1, 2016**
Subject: **Adopting Chapter 217 - The Use of Unmanned Aircraft**

Background:

The City of Isanti has requested that a City Ordinance be created to control the use of unmanned aircraft (drones) within the City of Isanti. An ordinance was prepared and reviewed by DOAC and City Attorney Clark Joslin. This ordinance is designed to protect the privacy and property of the citizens of Isanti.

Action:

For the City Council to review and consider the adoption of Chapter 217 as the Ordinance that regulates the Use of Unmanned Aircraft (drones).

Thank you for your consideration,

Chief Gene C. Hill

ORDINANCE NO. XXX

AN ORDINANCE AMENDING THE CITY CODE ADDING CHAPTER 217, THE USE OF UNMANNED AIRCRAFT

THE CITY COUNCIL OF ISANTI DOES ORDAIN:

Chapter 217

THE USE OF UNMANNED AIRCRAFT

§ 217-1: Purpose
§ 217-2: Use
§ 217-3: Definitions
§ 217-4: Limitations of UAS Usage
§ 217-5: Exemptions from Provisions
§ 217-6: Information, Notices, and Markings
§ 217-7: Enforcement
§ 217-8: Violation a Misdemeanor
§ 217-9: Effective Date

217-1: **PURPOSE:** This Ordinance is enacted for the purpose, and with the intent, to control and regulate the use of private unmanned aircrafts also known as "drones" (rotary or fixed wing) from disturbing, disrupting, harassing, or endangering another person or property. This Ordinance is also enacted to control and direct the use of unmanned aircrafts while departments within the City of Isanti are performing their official duties.

217-2 **USE:** This Ordinance shall be enforced for the use of both recreational and commercial use of unmanned aircrafts typically weighing less than 55 pounds including its payload. Public safety officials using unmanned aircrafts while performing their official duties or when directed by the Chief of Police or their designee are exempt from the provisions of this Ordinance.

217-3: **DEFINITIONS:**

1. AIRSPACE: The portion of the atmosphere directly above and around the land or water, used by aircraft or by earth based structures such as aerial platforms within the jurisdiction of the city.

2. ALTITUDE: The height of an Unmanned Aircraft as measured from mean sea level.

3. AREA OF COMMAND: The physical space (land, water, air) that is under the control of a public safety official while performing their official duties.

4. AUTONOMOUS SYSTEM: An Unmanned Aircraft that is able to decide its course of direction without human oversight, based off pre-determined waypoints set by the operator using latitude and longitude coordinates, allowing the Unmanned Aircraft to fly without the need for additional operator intervention.

5. CITY: The City of Isanti, Isanti County, Minnesota.

6. DATA COLLECTION: The process of collecting digital imagery through the use of a camera or video recorder attached or connected to an Unmanned Aircraft.

7. OPERATE: Means to pilot, steer, direct, fly or manage a small Unmanned Aircraft through the air remotely. The term "operate" includes managing or initiating a computer system that automatically pilots, steers, directs, flies or manages a small Unmanned Aircraft.

8. PAYLOAD: Goods, materials or equipment carried by an Unmanned Aircraft.

9. PERSON: Includes an individual, partnership, corporation or anybody of persons, whether incorporated or formed as an association or not.

10. PUBLIC EVENT: An event open to the public, or where members of the public are gathered, and occurring on public property or pursuant to City authority. Such events and locations include, but are not limited to, athletic fields, band stands, outdoor swimming areas, street festivals, parade routes, schools, school yards, places of worship, and City, County, State and Federal facilities.

11. REMOTE CONTOL: A device used to control the operation of an Unmanned Aircraft using radio signals from a distance.

12. UNMANNED AIRCRAFT (Also known as unmanned aerial vehicle (UAV), drone, quad-copter, multi-copter or unmanned fixed wing aircraft): An "aircraft" as defined by the FAA pursuant to 49 U.S.C. §40102(a)(6), including the flying portion of the system and all associated support equipment, power supply, control station, data links, telemetry, communications, cameras, video and navigation equipment necessary to operate the unmanned aircraft, flown by an operator via a ground control system, or autonomously through the use of an on-board computer, communication links, GPS and any other additional equipment necessary for the aircraft to operate safely.

217-4: **UNMANNED AERIAL SYSTEMS LIMITATIONS:**

1. No person shall operate an Unmanned Aircraft in violation of local, state or federal rules or regulations.

2. No person shall operate an Unmanned Aircraft within the City in such a manner as to endanger, harm, harass, spy upon, intimidate, or violate the privacy of another, nor in such manner as to trespass or damage the property of another, whether through the use of the aircraft itself or the use of the payload it carries.

3. No person shall operate an Unmanned Aircraft over a public event unless directed/authorized by the Chief of Police or their designee.

4. No person shall operate an Unmanned Aircraft over private property without first obtaining permission from the owner.

5. No person shall operate an Unmanned Aircraft above an area declared as an emergency scene or disaster area, nor within a clear space of ½ mile surrounding an emergency scene or disaster area. During a wildland fire, all Unmanned Aircraft shall be grounded until the incident is resolved so they do not endanger fire suppression air resources assisting to mitigate the incident.

6. No person shall operate an Unmanned Aircraft within ½ mile of a police, fire or rescue operation such as a raid, tactical position, crowd control or scene investigation.

7. No person shall knowingly operate an Unmanned Aircraft over critical infrastructure within the City as defined by the Chief of Police or their designee. These infrastructure includes, but are not limited to: water treatment and storage facilities, waste water treatment, railroad tracks, gas plants, gas supply lines, public buildings, power stations and transmission lines, radio towers or other land areas defined as or containing critical infrastructure.

8. No person shall operate an Unmanned Aircraft before sunrise or after sunset.

9. No person shall operate an Unmanned Aircraft while under the influence of alcohol or other mood altering substances that could impair or affect the operator's ability to safely control the Unmanned Aircraft.

10. No person shall operate an Unmanned Aircraft which carries explosive devices or weaponry including, but not limited to, firearms, gunnery, artillery, open flames, or similar items.

217-5: **INFORMATION, NOTICES AND MARKINGS:**

1. Should an Unmanned Aircraft flight be approved to assist with the duties of public safety, the Incident Commander shall give approval and remain in contact with local airports, department of natural resources, and the department of transportation of their flight when possible.

217-6: **EXEMPTIONS FROM PROVISIONS:**

1. Authorized emergency personnel, when acting in the performance of their duties, shall be exempt from the provisions of this Ordinance.

2. Temporary exemptions from this Ordinance may be granted to local, state or federal law enforcement and emergency agencies.

217-7: **ENFORCEMENT:**

Primary responsibility for enforcement of this Ordinance shall rest with the Isanti Police Department through its Chief of Police and/or their designee. This, however, shall not preclude enforcement by other licensed peace officers.

1. If a licensed law enforcement official or a designee of the Chief of Police determines that the operation of an Unmanned Aircraft is in violation of this Ordinance, OR the operation is hampering, disturbing, or threatening an area or operation, they shall have the right to ground or seize the Unmanned Aircraft.

217-8: **VIOLATION A MISDEMEANOR:** Any person violating any provision of this Ordinance shall be guilty of a misdemeanor as defined by state law and subject to the penalties therefore.

Effective Date. This Amending Ordinance shall become effective upon its adoption and publication in the City's official newspaper.

Adopted by the City Council of Isanti, Minnesota, this 7th day of June, 2016.

Mayor George A. Wimmer

RE: Award Recommendation – Wastewater Treatment Facility Improvements
City of Isanti, Minnesota
BMI Project No. R13.109638

Honorable Mayor Wimmer and Members of the City Council:

Four bids were received on the Wastewater Treatment Facility Improvements project on May 3, 2016. The bids were checked and tabulated and the final results are summarized as follows:

Bidder	Base Bid	Add Item 1 - Total
Gridor Construction	$2,942,400.00	$2,924,400.00
Eagle Construction	$2,946,000.00	$2,915,500.00
Magney Construction	$2,968,400.00	$2,898,400.00
Rice Lake Construction	$3,555,300.00	$3,453,300.00
Engineer's Estimate	*$3,200,000.00*	*$3,100,000.00*

Gridor Construction Company bid is within the anticipated budget for the Base Bid amount which includes complete demolition and removal of structures to be taken out of service. Add Item 1 would allow the contractor to demolish and leave in place any of the structure below 42 inches from the finished surface. Since the bids were received, Bolton & Menk has gotten direction from the MPCA to completely remove the structures. We recommend award of this project to Gridor Construction Company in the amount of $2,942,400.00 as the low bidder for the Base Bid.

If you have any questions, please contact me.

Sincerely,

BOLTON & MENK, INC.

Bradley C. DeWolf, P.E.
City Engineer

WHEREAS, the plans and specifications have been completed for these improvements; and

WHEREAS, a public bid opening was held on May 3th, 2016; and

WHEREAS, four bids were received; and

WHEREAS, Gridor Construction Company was the responsible low bidder with a bid of $2,942,400.00; and

WHEREAS, this bid price is within the anticipated budget.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, as follows:

1) That the City shall award the project entitled "Wastewater Treatment Facility Improvements" to Gridor Construction Company in the amount of $2,942,400.00.

This resolution was duly approved by the Isanti City Council this 7th day of June, 2016.

CITY OF ISANTI
PARKS, RECREATION, AND CULTURE BOARD
MEETING MINUTES
April 26, 2016
City Council Chambers

1. Meeting Opening.

A. Call to Order.
Zdon called the meeting to order at 6:00 p.m.

B. Pledge of Allegiance.
Everyone stood for the Pledge of Allegiance.

C. Roll Call.
Members Present: Jamie Bergwick, Jennifer Garvey, Mayor Wimmer, and Aaron Zdon
Staff Present: Katie Everett, Community Events and Parks Coordinator

D. Agenda Modifications.
Zdon asked if there were any agenda modifications. Bergwick stated that her last Park Board meeting will be in May because she is moving to Mankato.

Motion by Garvey, second by Wimmer to approve the April 26, 2016 Parks, Recreation, and Culture Board Agenda. Motion was unanimously approved.

2. Approval of Minutes from February 23, 2016 Parks, Recreation and Culture Board Meeting.

Motion by Wimmer. Second by Garvey. Vote was unanimously approved.

3. Annual Park Tour

A. Eagle Park – Bergwick noted that the bench on one table had been replaced, but the others need maintenance. There is graffiti scratched into them and they need to be painted. Everett noted that one of the tables will temporarily be moved to the community garden until grant money is received to purchase one for that site. Wimmer noted that he will also be going to the Rotary Club for possible funds for the new park. The group noted that Eagle Park has come a long way and is looking much better than it did several years ago. Everett showed an example of a park sign to be considered in the future that would indicate Eagle Park is the site of the Farmer's Market.

B. VFW Park – Zdon noted that eventually the sand needs to be replaced. Garvey questioned why the grill is tucked back in the corner by the fence. The group decided that the grill should be moved to a better location and recommended the center of the fence line, as well as moving the picnic table closer to the grill.

   Wimmer asked Garvey if she knew of any best practices addressing citizens being able to access parks in a city without having to cross major roadways or going more than a certain distance. Garvey stated that she was not aware of one standard, and she believes that each city decides what works best for them. She recommended contacting MRPA staff and members to find out if there is something available.

C. Whisper Ridge – Wimmer noted that we have obtained forfeited parcels nearby. He also explained that there is not enough money to resurface the whole tennis court and it will be best to do something different with the space. Garvey suggested that pickleball is gaining popularity and lines can just be added to existing tennis courts to create multiple uses of one space. Wimmer

noted that Cambridge is already going to be adding some pickleball courts. The group noted that the fence added recently on the park boundary seems to have helped, Wimmer stated that he has not received any additional complaints in some time from the resident about people crossing his property line, but we will continue to evaluate the situation this summer.

Wimmer explained a long term plan to have Whisper Ridge connected by a trail through the wetland to downtown Isanti, and this development should be tied in with the refurbishing of Whisper Ridge.

D. Tot Lot – Garvey asked if we could change the name, "Tot Lot" doesn't seem to reflect what is actually available at the park. Wimmer explained that the park naming policy has been updated so that the City could name parks without having to do the previously required naming contests which have not gotten much of a response in the past. The park needs a new sign anyway, so this is the time to do it. Wimmer requested that everyone bring name ideas to the next Park Board meeting and we can discuss it there. Nails were found protruding from the sand retaining wall near the sign. Garvey and Wimmer noted that the wood in place is a good system because it can be easily fixed and replaced. The group also noted that the grill in this location is inconvenient if people actually wanted to use it, and requested that it be moved closer to the shelter. Garvey noted that the bench in the sand in very low, the group agreed that it should be raised. Wimmer requested that the Tot Lot shelter be added to the pavilion rental form if it is not already there; Garvey stated that we should also have pictures of all of the pavilions available online and with the form to promote their use to the public.

E. Rum River Meadows – Garvey stated that whenever new mulch is added it just gets pushed aside because the swings become too close to the ground. Zdon noted that the single swings are high enough and it must be older kids kick the mulch out of the way. Wimmer stated safety concerns about the ways bench swings get used in the park and the group noted that the mulch under that swing was displaced as well. Garvey suggested that we might evaluate how many swings are available in each park and offer different height swings to accommodate different users. Wimmer stated that we have looked into putting in a volleyball court in the past and it was prohibitively expensive to get insurance and very complicated. Everett asked if it was possible to just have a grass volleyball court; Garvey stated that she has seen it done with temporary posts where there are sleeves in the ground (capped over winter) that the poles fit into. Everett will research the logistics of a grass volleyball court in this location. Zdon found broken glass all over the mulch under the play equipment as well several piles of dog feces. Zdon, Bergwick, and Garvey noted that it appeared to be from a dog that was habitually allowed off leash in the neighborhood.

F. River Bluff Preserve/Isanti Community Garden – Everett and Wimmer updated the members about the progress of the park, noting the future location of trails, the stairway, and the dock. The community garden is going to open to renters on May 14th. The parking lot work will begin very soon.

G–K. Wimmer needed to leave the meeting so he gave a verbal update of the plan for Legacy Park – the access road will be closed off with a gate. While people may still drive around, they will be ticketed for doing. This should alleviate many of the issues with illegal behaviors in the park. Premier Bank has agreed to the temporary change.

Bluebird Park: Skate Park – the hockey rink boards will be sold, and the skate park equipment will be moved to the cement slab. In the future, a rink will be built with wooden boards that are easier to fix and replace.

After Wimmer left, the group discussed the remaining agenda items, but did not visit Riverside, Legacy, Bluebird, or Mattson parks.

(Skate Park) Zdon asked if the skate equipment was moved to the cement slab if we would still be able to use Park Dedication Fund dollars to get more equipment. He stated that the plan had been to use Park Dedication money to build a new skate park at that location, but is concerned that if we move the equipment we have, we might not be eligible for those funds. The group didn't know the answer, Everett will look into it. Garvey wondered if bikes using the skate equipment has caused some of the issues with crowding, Zdon noted that it is stated on the sign that bikes are not allowed, but believes that if there is more equipment available, those issues will get better.

Bluebird: Broken Climbing Equipment – Garvey recommended looking into prices for the repair or new equipment through other companies. Bergwick and Zdon agreed that it is a lot of money to spend on just a small piece of the equipment. Everett explained that it is unlikely that Public Works will be able to fix it even if we do order the part, and we have not received confirmation from the company that they can come out to make the repair.

Bluebird Park: Redbirds Agreement – Garvey made a motion that the Redbirds cease using the field until an agreement is signed. Bergwick seconded the motion, the motion was carried unanimously.

Everett showed the group options for redoing the hopscotch on the path at Bluebird Park. She found a daisy-shaped hopscotch stencil and stencils for kids' activities online. Garvey stated that she is not sure much kids really play hopscotch, Bergwick state that in her experience kids do play, but it's more just jumping on the squares than really playing the game. The group liked the idea of having the activity stencil, but would like to see if there are more affordable options or different packages available.

Mattson Park – Everett asked whether the group thought equipment should be available for rental at the park. The horseshoe pits have been cleaned up, and had become overgrown in the first place because they never get used. Bergwick was concerned about having anything that would stay out at the park due to the vandalism that has happened in the past. Everett explained that equipment could potentially be stored at City Hall and picked up there for use. Garvey stated that bean bags are becoming very popular as well and may be a good rental option. Zdon stated that it is a low cost investment. Garvey stated that it may be difficult for people to make it during City Hall business hours to rent equipment, but that it is a good thing to offer the community. Possible equipment included a basketball, horseshoes, and tennis rackets (depending on cost). Some sort of deposit would be made to ensure equipment is returned.

6. Adjournment

Motion by Zdon, second by Bergwick to adjourn the April 26, 2016 meeting of the Parks, Recreation, and Culture Board. Motion was approved.

The meeting adjourned at 7:20 p.m.

Dated at Isanti, Minnesota this 26th day of April, 2016.

Respectfully submitted,

MEMO

Date: June 1, 2016

Subject: Consider Approving Amended Resolution 2011-085 Regarding Surplus Property

---

Background:
It is requested that City Council Amends Resolution 2011-085 regarding Surplus Property. The amendment will provide precise clarification on what is defined as surplus property, and the process in which surplus property is disposed of or sold per the guidelines. The Resolution will supersede all previous resolutions regulating the disposal of surplus and or forfeiture property.

Request:
Request to approve amended Resolution regarding Surplus Property.

Attachment:
- Resolution 2016-XXX

RESOLUTION NO. 2016-XXX

RESOLUTION REPLACING ALL PREVIOUS POLICIES AS IT MAY RELATE TO DECLARING PROPERTY AS SURPLUS AND ITS DISPOSAL;

AND THE DISPOSAL OF FORFEITURE VEHICLES

WHEREAS, on occasion the City of Isanti incurs or obtains supplies, equipment and other property from any source that is not of use for departments within the City; and

WHEREAS, any and all property collected, acquired or obtained during performance on the job therefore becomes city property; and

WHEREAS, this property is considered surplus property and its disposal is subject to this policy, and

WHEREAS, through the course of the Police Department duties, the Department obtains forfeiture vehicles and finds that they must dispose of the vehicles; and

WHEREAS, it has been determined that an amended policy should be established for the disposal of surplus and forfeiture property.

NOW THEREFORE BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ISANTI, MINNESOTA the following:

1. The guidelines shall be followed in the disposal of surplus property as provided on the attached 'Exhibit A' and is hereby made a part of this resolution.

2. That the City Administrator or City Clerk, shall have the authority to sign all necessary paper work to allow for the process for the disposal of surplus property.

3. This resolution supersedes all previous resolutions regulating the disposal of surplus and or forfeiture property.

This resolution was duly adopted by the Isanti City Council this 7th day of June 2016.

Attested:

Mayor George A. Wimmer

Lindsey McInnis
Human Resources/City Clerk

Exhibit A

GENERAL

A. The City Administrator/Designee and Department Head are herewith authorized to dispose of surplus property that has a value of less than $500.00 as determined by staff as follows:

1. The Department Head shall have approved by the City Administrator/Designee any surplus property that has a value of $500.00 or less for disposal unless further designated by policy (i.e. scrap metal or forfeiture vehicles).
2. A list of said surplus property shall be prepared by the Department Head and brought before the Council to declare the property as surplus.
3. The surplus property shall be advertised for sale to the general public as follows:
    a. The City Clerk shall place a list of the surplus property on the City Web site and in the City Newsletter (if publication is timely with-the disposal of said surplus property).
    b. The City Clerk shall post a list of the surplus property at the Post Office and City Hall.
4. The Department Head and City Clerk are hereby authorized to accept from any party, a reasonable offer for the surplus property as advertised.

B. A list of surplus property that has a value of more than $500.00 unless further designated by policy (i.e. scrap metal or forfeiture vehicles); so determined by staff, shall be prepared by each Department Head and brought before the Council to declare the property as surplus and disposed of as follows:

1. The City Clerk shall advertise in the designated newspaper a list of the surplus property and request sealed bids; with the ad to indicate the City of Isanti reserves the right to reject any and/or all bids.
2. The City Clerk shall post a copy of the advertisement at the Post Office and City Hall.
3. Staff shall open and read out loud all bids as received.
4. A copy of all bids shall be brought before the City Council; at which time they shall determine if the bids are acceptable and award the sale to the highest bidder.

C. It may be determined that certain property may best be sold at a public auction unless further designated by policy (i.e. scrap metal or forfeiture Vehicles), whereas the City Administrator and Department Head are hereby authorized for its disposal as follows:

1. Should the surplus property be determined by the City Administrator/Designee and Department Head to have a value of less than $500.00 the property shall be placed in a public auction and shall be advertised as outlined in General. A. Steps 1 through 4.
2. Should the surplus property be determined by the City Administrator/Designee and Department Head to have a value of more than $500.00 the list shall be approved by City Council; and upon approval, an ad shall be placed in the City designated newspaper to inform the public of location, date and time of the public auction and a list providing the items to place on auction.

SCRAP METAL

All scrap metal shall be determined to be surplus property by action of the City Council and shall follow the following procedure:

1. The Public Works Director shall submit to the City Clerk notice of scrap metal for Council action to declare as surplus.
2. After declaration is approved by the City Council:
    a. The Public Works Director and Finance Director shall find two vendors and obtain verbal quotes on a per pound basis for the sale of the scrap metal.
    b. Upon having obtained two verbal quotes, the Public Works Department shall have the authority to transport the surplus scrap metal to the salvage yard providing the highest quote and sell the metal.
    c. A receipt shall be obtained with the sale proceeds for accounting of funds received and shall be given to the Finance Department.

FORFEITED PROPERTY

Through the course of the Police Department duties, the Department obtains forfeiture vehicles and finds that they must dispose of the forfeiture vehicles and the process for disposal shall be according to the following procedure:

1. Forfeited vehicles may be sold at a public auction, whereas the City Administrator and Department Head are hereby authorized for its disposal as follows
    a. Approval by Resolution of the City Council to place forfeited vehicle/s on public auction.
    b. The City Clerk shall place in the City designated newspaper an ad to inform the public of location, date, and time of the public auction and a list providing the items to be placed on auction.
    c. In the event the Police Chief finds a forfeited vehicle is in great disrepair and/or not repairable, is of an age the vehicle has little or no value and would not be worth repairing, etc.; that the only value the vehicle has is scrap value and the vehicle is of no use to the City; that by approval of a Resolution of the City Council the vehicle may be sold to a local scrap yard as follows:
        - The Police Chief/Designee and Finance Director shall find two vendors and obtain verbal quotes for the sale of the scrap vehicle.
        - Upon having obtained two verbal quotes, the Police Department shall have the authority to sell the vehicle to the scrap yard providing the highest quote.
        - A receipt shall be obtained with the sale proceeds for accounting of funds received and shall be given to the Finance Department

MEMO

Date: June 1, 2016

Subject: Request Approval of Amended Isanti County Election Equipment Plan

---

Background:
Isanti County recently amended its Election Equipment Plan. The plan was amended to allow for the use of newer models of ballot counting equipment. Isanti County Plans to use new equipment to count absentee ballots in 2016; the ballot counting equipment used in the actual polling places will not change for this year. Minnesota statues require municipalities, including school districts, to approve the use of an electronic voting system.

Request:
The approval of the amended Isanti County Election Equipment Plan will serve as the City of Isanti's approval of the new equipment to be used for processing of absentee ballots.

Attachments:

- Resolution 2016-XXX
- Request dated May 18, 2016 from Isanti County Auditor-Treasurer
- Certification of Approval of Isanti County Election Equipment Plan
- Isanti County Election Equipment Plan

RESOLUTION No. 2016-XXX

A RESOLUTION TO APPROVE
THE ISANTI COUNTY AMENDED ELECTION EQUIPMENT PLAN

WHEREAS, Isanti County originally adopted the "Election Equipment Plan" in 2005 as part of the implementation of the Help America Vote Act (HAVA); and

WHEREAS, Isanti County has adopted a revised "Election Equipment Plan" approved by the Isanti County Board of Commissioners on May 18, 2016, to include a new model of equipment used for counting ballots; and

WHEREAS, pursuant to Minnesota Statutes § 206.58, Subd. 3, Counties require municipalities to approve the use of an electronic voting system; and

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota that the City of Isanti accepts the amended "Election Equipment Plan".

This resolution was duly adopted by the Isanti City Council the 7th day of June 2016.

RE: Request Approval of Amended Isanti County Election Equipment Plan

Isanti County has recently amended its Election Equipment Plan. The Isanti County Election Equipment Plan was originally adopted in 2005 as part of the implementation of the Help America Vote Act of 2002 and administration of related grant funds.

A copy of the revised plan with the changes highlighted is enclosed. The plan was amended to allow for the use of newer models of ballot counting equipment. Isanti County plans to use new equipment to count absentee ballots in 2016; the ballot counting equipment used in the actual polling places will not change for this year.

Minnesota statutes require municipalities, including school districts, to approve the use of an electronic voting system as follows [emphasis added]:

> **Minnesota Statutes §206.58 AUTHORIZATION FOR USE**
> **Subd. 3. Counties.**
> The governing body of a county may provide for the use of an electronic voting system in one or more precincts of the county at all elections. ***The governing body of the municipality shall give approval before an electronic voting system may be adopted or used in the municipality under the authority of this section***. No system may be adopted or used unless it has been approved by the secretary of state pursuant to section 206.57.

The approval of the amended Isanti County Election Equipment Plan will serve as your entity's approval of the new equipment to be used for processing absentee ballots. Please have your governing body approve the amended plan, complete the enclosed Certification of Approval of Isanti County Election Equipment Plan form, and return it by **July 1, 2016** to the Isanti County Auditor-Treasurer, 555 18th Avenue SW, Cambridge, MN 55008.

If you have any questions or concerns, please contact me at 763-689-1644. Thank you for your cooperation on this matter.

ISANTI COUNTY ELECTION EQUIPMENT PLAN

1. Basis of Plan

The Help America Vote Act of 2002 and Minnesota Statutes 2005, SS 206.57, provides that in federal and state elections held after December 31, 2005, and in county, municipal, and school district elections held after December 31, 2007, the voting method used in each polling place must include a voting system that is accessible for individuals with disabilities in a manner that provides the same opportunity for access and participation, including privacy and independence, as for other voters.

Laws 2005, chapter 162, section 34, subdivision 1.

Therefore, $29,000,000 has been appropriated from the Help America Vote Act account for the Secretary of State to make grants to counties to purchase electronic voting systems equipped for individuals with disabilities and for certain related operating expenses.

The Secretary of State shall allocate this amount to each county in proportion to the number of precincts used by the county in the state general election of 2004. Consequently, there is approximately $7,059.40 in federal funds for each precinct in the State to purchase the required voting equipment. Combined precincts are able to pool this money together. Because these are federal funds, record keeping and audit requirements apply.

The priority for use of these funds is:

- First, for assistive voting systems,
- Second, for 'operating costs' up to $600 per precinct,
- Any remaining funds are available for purchase of optical scan precinct or central count tabulating machines.

Laws 2005, chapter 162, section 34, subdivision 2.

In addition, $6,000,000 was appropriated from the Help America Vote Act account to the Secretary of State for grants to counties to purchase optical scan voting equipment. Counties are eligible for grants to the extent that they decide to purchase ballot marking machines and as a result do not have sufficient Help America Vote Act grant money remaining to also purchase a compatible precinct-based optical scan machine or central-county machine. These grants must be allocated to counties at a rate of $3,000 per eligible precinct until the appropriation is exhausted, with priority in the payment of grants to be given to counties currently using hand- and central-count voting systems and counties using precinct-count optical scan voting systems incompatible with assistive voting systems or ballot marking machines.

2. Application

To receive a grant under subdivision 1 or 2, a county must apply to the Secretary of State on forms prescribed by the Secretary of State that set forth how the grant money will be spent, which must be in accordance with this plan adopted under Laws 2005, Chapter 162, (See paragraph below). A county may submit more than one grant application, so long as the appropriation remains available and the total amount granted to the county does not exceed the county's allocation. Laws 2005, chapter 162, section 34, subdivision 3.

3. Law Governing Plan

The law under which the plan is proposed is Laws 2005, chapter 162, section 35:

Sec. 35 [LOCAL EQUIPMENT PLANS.]

(a) The county auditor shall convene a working group of all city, town, and school district election officials in each county to create a local equipment plan. The working group must continue to meet until the plan is completed, which must be no later than September 15, 2005, or 45 days after state certification of assistive voting systems, whichever is later.

The plan must:

(1) contain procedures to implement voting systems as defined in Minnesota Statutes, section 206.80, in each polling location;
(2) define who is responsible for any capital or operating costs related to election equipment not covered by federal money from the Help America Vote Act account; and
(3) outline how the federal money from the Help America Vote Act account will be spent.

(b) A county plan must provide funding to purchase either precinct-based optical scan voting equipment or assistive voting machines that combine voting methods used for persons with disabilities with precinct-based optical scan voting machines for any precinct whose city or town requests it, if the requesting city or town agrees with the county on who will be responsible for operating and replacement costs related to the use of the precinct-based equipment.

(c) The plan must be submitted to the Secretary of State for review and comment.

(d) The county board of commissioners must adopt the local equipment plan after a public hearing. Money from the Help America Vote Act account may not be expended until the plan is adopted. The county auditor shall file the adopted local equipment plan with the Secretary of State.

4. Working Group Information – See Spreadsheet

5. County Allocation

The allocation to Isanti County for the purchase of assisted voting equipment totals $120,009.74. All precincts in the county presently have precinct count voting machines that are compatible with ballot marking machines. State law requires that before any funds are spent, the County, working with its cities and townships, must create and adopt a local election equipment plan.

6. Plan Approval

The local plan must contain at a minimum, the items required by law:

The local election equipment plan that is presented below has been created through the efforts of the county, city, township and school election officials as required by law. (listed in table II) The plan has been adopted by the County Board of Commissioners after holding a public hearing. All interested parties were given an opportunity to address the Board related to the plan.

The local election plan presented meets all the requirements of Minnesota law and addresses the equipment needs throughout the county in an efficient and effective manner.

7. Local Equipment Plan for using Assisted Voting Technology in Isanti County precincts.

Isanti County will acquire (AutoMark) equipment for use in all precincts. The equipment will be used in all federal and state elections beginning in 2006. In addition to federal and state elections, beginning in 2008 the equipment will be used in local and school elections.

I. Indicate the procedures to implement assisted voting technology equipment for use by disabled voters in each polling location.

A) Isanti County has met with representatives of all municipalities to prepare the equipment plan

1. The County will be responsible for the following:

   - Purchasing the assisted voting equipment using the grant money
   - Outreach
   - Train at least 2 election judges from each municipality
   - Storing machines
   - Testing, unless stored by the municipality
   - Program cards

2. The Municipalities will be responsible for the following:

   - Outreach
   - Transporting equipment
   - Attending trainings
   - Paying maintenance agreement when grant money is used up

B) Purchase of Assisted Voting Technology Equipment

1. The County, after consultation with its municipal clerks, shall provide for the purchase of one assisted voting technology machine for use by disabled voters for every polling place to be used in the 2006 primary and general election. Federal funds provided to the County will be used to pay the initial purchase cost for this equipment. A total of 19 machines will need to be purchased allowing one for each precinct, an additional one for absentee voting at the Auditors Office and a backup machine.

2. If the federal funds are insufficient to cover the entire cost of the purchase, the County agrees to pay 50% of the additional cost, and the municipality will pay the remaining 50% of the cost for each machine to be deployed in their polling location.

3. If Federal funding is sufficient, the County will utilize remaining Assisted Voting Technology funds to fund operating costs for the machines, as permitted by Federal law.

4. Backup units. A backup unit will be purchased and stored at the County.

C) Storage of Assisted Voting Technology Equipment.

1. The County agrees to store all assisted voting equipment on behalf of the local municipalities. Each municipality will be held responsible to pick up and return machines for each election

2. The County will store all machines at no charge to the municipalities. Municipalities may choose to store machines if they have climate controlled area for storage.

D) Programming of Assisted Voting Technology Equipment

1. The municipalities are responsible for the costs when used for school or local elections.

2. The County agrees to do the programming for state primary and general elections and the county auditor will prorate costs according to formula for dividing costs.

E) Other Maintenance and Operating Costs Related to Assisted Voting Technology Equipment will be paid for by the county and billed to each municipality.

II. Define who is responsible for any capital or operating costs related to election equipment not covered by federal money from the Help America Vote Act account.

A) Items to consider are as follows:

1. Backup units	County
2. Consumables - printer cartridges	County
3. Programming	County with costs divided
4. Storage - not cold storage	County or municipality at their option
5. Transportation	Municipality
6. Training	County
7. Maintenance after warranty period and repairs	Municipality
8. Insurance	County
9. Outreach	County and Municipality

B) The County will be responsible for the following maintenance and operation costs:

- Paper and Printer cartridges
- Back up machine
- Programming
- Storage
- Training
- Insurance
- Outreach

C) The Municipalities will be responsible for the following maintenance and operational costs:

- Maintenance agreements after grant money is exhausted
- Transport Machines
- Outreach

D) Isanti County intends to utilize the following vote counting systems in all precincts: ES&S M100 **or DS200 or replacement models as may be certified by the Secretary of State in the future.**

E) Assisted voting equipment (Automark) will be purchased for each of the ~~17~~ precincts within Isanti County. ($5955 per unit)

F) Backup units ($5500-$5600 per unit): one machine available for absentee voting plus one backup unit. (Automark)

G) Municipalities will be responsible for maintenance costs after funds are exhausted. School districts will be responsible for maintenance costs when holding off year elections.

H) Purchase or Replacement of Vote Counting Equipment with Federal Funds.

a. As required by Minnesota statute, each precinct is currently using a precinct count voting machine. Replacement or additional machines in the case of splitting/adding precincts, the county will split the cost 50/50 with the municipality.

b. Each precinct in Isanti County will use the ES&S M100 **or DS200 or replacement models as may be certified by the Secretary of State in the future** and assisted voting machines (AutoMark).

III. Audit Records

As part of this Plan, all jurisdictions agree to be responsible under Federal and Minnesota law to maintain and provide financial records of expenditures at a level of detail sufficient to meet Federal audit requirements for expenditures made using funds originating with the Federal government under the Help America Vote Act. That level of detail is explained at:

http://www.finance.state.mn.us/agencyapps/maps/opsman/chap04.html

IV. Agreements

An election equipment resolution was send out to all election officials throughout Isanti County. Signed resolutions have been received back from Isanti Township, City of Cambridge, Bradford Township, Maple Ridge Township, Wyanett Township, Dalbo Township, Cambridge Township, Spencer Brook Township, Springvale Township, City of Braham, and Oxford Township. There are no shared costs where federal funds are to be used.

Any HAVA funds that are not expended or are uncommitted for any reason are reserved and will be used for HAVA compliant purposes at the discretion of the County Board.

A Community For Generations.

Isanti

Request for City Council Action

To: **Mayor Wimmer and City Council Members**

From: Chief Gene C. Hill

Date: June 1, 2016

Subject: Isanti Police Reserve Termination

MEMO

Background:

The City of Isanti has previously established 12 positions within the Police Department to be Isanti Police Reserves. This is a civilian group that assists the PD with special events and extra patrols within the park and trail system.

Reserve Officer Patrick Callahan has had incidents that reflected poor judgement and conduct unbecoming of an Isanti Police Reserve Officer. It is my opinion that due to the severity of the most recent incident, that Mr. Callahan be terminated from his position as an Isanti Police Reserve Officer. I informed CA Lorsung and CA Joslin of the incident and my recommendation for termination.

Action:

I ask that the City Council take action in terminating Mr. Callahan from the Isanti Police Reserves.

Thank you for your consideration,

Chief Gene C. Hill

RESOLUTION NO. 2016 - _____

RESOLUTION TERMINATING ISANTI POLICE RESERVE PATRICK CALLAHAN

WHEREAS, the Isanti Police Reserves are a valuable asset to the community and that the behavior of Mr. Callahan was of poor judgement and conduct unbecoming of an Isanti Police Reserve; and

WHEREAS, the effective date of this termination is Tuesday, June 7th 2016; and

WHEREAS, the City Council authorizes the Chief of Police to fill this vacancy with a viable candidate; and

NOW THEREFORE BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ISANTI, MINNESOTA as follows:

1. That Mr. Callahan be terminated as an Isanti Police Reserve.

2. That the Chief of Police is authorized to fill the vacancy that has been created.

This resolution was duly adopted by the Isanti City Council this 7th day of June, 2016.

From: Chief Gene C. Hill

Date: June 1, 2016

Subject: Isanti Police Reserve Resignation's

MEMO

Background:

The City of Isanti has previously established 12 positions within the Police Department to be Isanti Police Reserves. This is a civilian group that assists the PD with special events and extra patrols within the park and trail system.

Several Reserve Program participants have become very inactive and all Reserves were asked to reconsider their involvement with the program to make way for people that are highly interested in volunteering within the program. April 21st 2016 was the deadline for that decision and several decided to resign. They all verbally resigned but have not submitted a letter of resignation as was requested. Brian Sager is the only one that submitted an email resignation (see attached).

I would ask that the City Council consider the verbal resignations and the one email resignation of the below listed Isanti Police Reserves:

1. Beth Callahan
2. Harlan Worsham
3. Tara Barrows
4. Brian Sager - email

Action:

I ask that the City Council take action in considering and accepting the resignation of Tara Barrows, Harlan Worsham, Beth Callahan and Brian Sager who have left in good standing and to immediately fill her vacancies from a list of viable candidates.

Thank you for your consideration,

Chief Gene C. Hill

RESOLUTION NO. 2016 - _____

RESOLUTION ACCEPTING THE RESIGNATIONS OF ISANTI POLICE RESERVES BETH CALLAHAN, TARA BARROWS, HARLAN WORSHAM AND BRIAN SAGER

WHEREAS, the Isanti Police Reserves are a valuable asset to the community and that several reserves have verbally resigned and one resigned by email, all of which are resigning in good standing; and

WHEREAS, the effective date of this resignation is Tuesday, June 7th 2016; and

WHEREAS, the City Council authorizes the Chief of Police to fill these vacancies with viable candidates; and

NOW THEREFORE BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ISANTI, MINNESOTA as follows:

1. That the resignation of Reserve Officers Beth Callahan, Tara Barrows, Harlan Worsham and Brian Sager be accepted.

2. That the Chief of Police is authorized to fill those vacancies immediately.

Hey guys!

I hope you had a great holiday weekend! I just wanted to inform you that at this point in time I'll be resigning my position as Reserve Police Officer with the City of Isanti. Due to recent employment opportunities I will no longer be able to attend community events/trainings. I hope you all continue to stay in touch! I hope you would be ok with me continuing to use you as a positive professional reference. Have a great day!

CITY OF ISANTI
PARKS, RECREATION, AND CULTURE BOARD
MEETING MINUTES
May 24, 2016
City Council Chambers

1. Meeting Opening.

A. Call to Order.
Garvey called the meeting to order at 6:00 p.m.

B. Pledge of Allegiance.
Everyone stood for the Pledge of Allegiance.

C. Roll Call.
Members Present: Jamie Bergwick, Jennifer Garvey, and Mayor Wimmer
Members Absent: Aaron Zdon (Gave Prior Notice)
Staff Present: Katie Everett, Community Events and Parks Coordinator

D. Agenda Modifications.
Garvey asked if there were any agenda modifications. There were none.

Motion by Wimmer, second by Bergwick to approve the May 24th 2016 Parks, Recreation, and Culture Board Agenda. Motion was unanimously approved.

2. Approval of Minutes from April 26, 2016 Parks, Recreation and Culture Board Meeting.

Motion by Wimmer. Second by Berwick. Vote was unanimously approved.

3. Parks Tour Follow Up

Everett stated that safety concerns were addressed the following day by Public Works.

Public Works knows about the grills at Tot Lot and VFW Park and will move them as they find time.

Rum River Meadows was cleaned up the next day, the picnic has been moved back to the grass but has been moved again. Bergwick commented that they are constantly being moved.

Everett stated that we have verbal approval to stop traffic at the end of the pavement at Legacy Park but are still waiting to get written approval before we can move on installing gates. The police have been in the park doing good things. Wimmer explained that there have been a couple of arrests, a vehicle has been impounded, numerous other arrests for minors drinking, smoking, and using drugs. He was sad to see the vandalism that has taken place to the tables and trees in the park. Garvey has noticed a big improvement already.

Everett explained the Bluebird climbing equipment is down now and the new part has been ordered. The company we order through will be putting it back together. Wimmer explained that Council appropriated funds to pay for the repair so it did not take up all of the park budget. Garvey asked if other companies were approached and Everett said yes, but they all referred us back to the original company for liability reasons. The company did agree to make sure the part works before we pay for it. Garvey asked if we have gotten calls about it yet, and Everett said that she wasn't aware of any so far but anticipates them coming in with school picnics and other summer use starting up.

Everett explained that the Redbirds agreement is settled. It has been signed and they will be providing insurance and paying for lights.

Everett stated that she did find examples of other stencils for Bluebird Park. Fast Line offers a similar stencil for less than Fit and Fun Playscapes. Garvey asked to discuss the stencils. She preferred the Fit and Fun option, although it was the most expensive. Bergwick stated that the animal prints are fun for the little kids, but the Fit and Fun one will get more use. Garvey stated that it's more geared toward activity, Bergwick stated that it can also be used in a variety of locations. Garvey made a motion to purchase the Fit and Fun Nature Activity Circuit if funds allow; Bergwick seconded. It was approved unanimously.

Everett discussed the 2015 City Park Facts report by the Trust for Public Land in response to a discussion on the tour about best practices that cities should follow for their park systems. The report compares big cities on how much money they've invested in their parks and where they put their parks, but then they adjust them back so the cities are comparable to each other. It looks like there is a service that can be contracted to come out and rate your city. Even without paying for that, we can use the report to get an idea for how we're doing. Garvey stated that it is good information as a baseline.

4. Rename Tot Lot

Everett explained that "Tot Lot" isn't very descriptive for what the park offers and a new name might help it get used more. Garvey asked if all previous parks had been named through a contest; Wimmer explained that they have been named in many different ways. Garvey stated that she looked at the streets around the park for a name, but we don't want to name it Dogwood in order to make sure it isn't confused for a dog park. Everett asked if we could direct a naming contest to somewhere in particular instead of just an open to the public contest. Wimmer stated that it has been done before and wasn't very successful. There is a policy in place for naming parks, and he would like to see the public involved. Garvey asked if it could go into the Fall Isantian to advertise the contest and then by January 1 have something solidified. Wimmer explained the last time something like that had been done was for the Parks logo, and components from three different ideas were combined for the final product. Wimmer stated that it can also be advertised at the Farmer's Market. We will need to figure out if there will be a prize or not – Garvey stated that she doesn't think a prize is necessary beyond Council recognition and picture opportunity. Wimmer stated that it will tie in nicely with the history project of getting plaques at each of the parks stating their histories.

Wimmer made a motion to recommend that Council authorize a public naming contest for Isanti Tot Lot. Garvey seconded. Unanimously approved. Everett will ensure that it complies with the policy.

5. Parks Updates

Everett explained that there are lots of things happening now that summer is starting. The Grand Opening event was on Saturday; it was a fun event. We didn't see a lot of new people at the event to register for more plots, but everyone who was there had a great time. The master gardeners were there answering questions for people. Wimmer stated that the earlier meeting with all of the gardeners went really well and the garden is coming together very nicely. Everett stated that the unrented plots are marked so people can see them and decide which ones they want.

Busy Bees is coming up. There is not any one signed up at this point. Sunrise Apiaries will come out to show the different ways bees use the chambers in their hives. Participants will also make mason bee homes. Mason bees are solitary bees who like to find nooks and crannies, so we'll make a bundle of bamboo where they will come to live. Bergwick stated that Fleet Farm sells bee houses; Everett stated that it's the same idea, but you can make them yourself. The program is at 1:00 at the garden and

registration is required so we can get materials and because we have someone else coming to teach they'll know if we have any participants. Nature Detectives is the same morning – June 4 at 9:00.

Street Dances are coming up – we have banners and posters in hand for all three events. A banner will go up next week. Newspaper ads will be run as well, around June 1st an ad will be run with all three and then a week before each event we'll put one in for each specific dance. The events are also on Facebook. If people interact with the events they will get reminders on the events as well.

Farmer's Market starts on Friday. The market is averaging about 11 vendors with who is signed up so far. Our bags are in, and they will be handed out for free throughout the season. The sponsorship on the bags is updated this year. The program is called Cultivate Wellness and includes the community garden and farmers market since they fit well, they're all the same mission of getting people healthy food and active lifestyle themes. People were really excited to see the new sponsorship program.

The community garden is open for planting and people have started. It looks great. A lot of people who have three plots already, which is the max for this year, want more. They are waiting until June 1st when registration closes and then will come back to get more. Everett checked just before the meeting and there are 38 plots reserved now. Public works will cover the unused plots with straw. Everett is planning to plant baby pumpkins in the section set aside for future use. She will do this as soon as she can, weather permitting. School For All Seasons is also scheduled to go out and start planting this week in the garden; the Minnesota Center is going to be going out this week to start planning what their prairie experiment will look like.

The other construction work at River Bluff is going really well. Everett spoke with Jason from Bolton and Menk and it looks like the projects are on schedule to be done on time, if not sooner. The stairs look awesome, and there's just a little erosion control left to be done on the switchback trail. Wimmer stated that the railing will need to go on the stairs, but it looks great so far and they've done a really good job. He shared that there is one family who lived in the area for 5 or 6 years who didn't know what was back in that area and have now been able to see it and that has been really cool. Everett shared that the bridge is being used every day – people are fishing off of it, sitting on it, etc. and Public Works has installed the gates so no one can drive anything on it. Garvey asked if there are signs directing people back through the park. Wimmer explained that we are working on getting maps made; Everett explained that it is easy to follow the trails back at this point. Everett asked if we wanted to take a Park Board trip to the park; Wimmer stated that once the Park Board is full again we should do it.

6. BMX position - Council Appointment

Wimmer explained Mr. Zdon is technically the current appointee to the Rum River BMX Board, but has apparently not been able to fulfill this, and there have been a lot of interesting situations recently with the association; and in meeting with the track operator had stated that at this point we need to make it a council appointment to make sure we're getting that communication. There has been a complete breakdown of communication of what's supposed to be happening and not, he [the track operator] and the mayor agreed that it would be a great thing to do. Wimmer will make that appointment probably by the second council meeting in June. He also notified the Park, Rec and Culture Board that we have had to send a certified letter, Rum River BMX has not provided their financials from this year nor last year. Garvey asked if they were automatically supposed to do that. Wimmer explained that May 1st was the date picked by the association during the negotiation of the contract. At this point we unfortunately have to enforce the contract, Wimmer had been in contact with the track operator several times and dates when the financials were promised have now passed. He explained that the real world consequence is that the city is having a bond meeting for new work being done on the sanitary sewer system. We need to be able to prove that the group using the facility will be able to pay for the existing bond; at this point we can't do that. Wimmer hopes that he will be able to explain this, but it could cost us thousands or tens of thousands

in interest payments. The letter was sent out last Friday, and we hope to get a response quickly. They have provided these financials in the past when the building was being constructed, and it shouldn't be something that they don't already have to do for the IRS. Bergwick asked if we were recommending that they have someone on our board; Wimmer clarified that we are going to have someone on their board as part of the contract. He stated that Mr. Zdon had been serving kind of a dual role for a number of years because he was on their board, but when this appointment was made Mr. Zdon was not sure he would have enough time to fulfill the role. Wimmer was not sure if Zdon had been able to attend the meetings, but we have not had the communication.

7. Adjournment

Motion by Bergwick, second by Wimmer to adjourn the May 24, 2016 meeting of the Parks, Recreation, and Culture Board. Motion was approved.

The meeting adjourned at 6:38 p.m.

Dated at Isanti, Minnesota this 24th day of May, 2016.

Respectfully submitted,

_____

Katie Everett
Community Events and Parks Coordinator

Adjournment

CITY OF ISANTI
CITY COUNCIL MEETING
TUESDAY, JUNE 7, 2016
CITY HALL

Mayor Wimmer called the meeting to order at 7:00 p.m.

The Pledge of Allegiance was recited.

Members Present: Mayor George Wimmer, Councilors: Paul Bergley, Dan Collison, Steve Lundeen and newly appointed Ross Lorinser

Members Absent: None

Staff Present: City Attorney Clark Joslin, City Administrator Don Lorsung, Human Resources/City Clerk Lindsey McInnis, Chief Gene Hill, Economic Development Director Sean Sullivan, and City Engineer Jason Cook

D. Adopt Agenda
Motion by Lundeen, second by Bergley to approve the agenda. Motion carried unanimously.

E. Proclamations/Commendations/Certificate Awards
None

F. Approve City Council Minutes
1. May 17, 2016 – Regular Meeting of the City Council

Motion by Collison second by Bergley to approve the regular City Council Meeting Minutes of May 17, 2016 as presented. Motion carried unanimously.

G. Citizens Input
None

H. Announcements

1.	Planning Commission Meeting	Tuesday, June 14, 2016 at 7:00 p.m.
2.	City Council Meeting	Tuesday, June 21, 2016 at 7:00 p.m.
3.	Parks, Recreation, and Culture Board Meeting	Tuesday, June 28, 2016 at 6:00 p.m.

I. Council Committee Reports
Mayor Wimmer would like to see the time period for nuisance control for mowing be consistent across the board between first time and repeat offenders. Currently, first time offenders are given 1 week to provide cleanup, and repeat offenders are given 2 weeks. The Mayor would like to see both offenses given the one week timeframe. He requested for a resolution to be prepared for the next council meeting.

The Mayor reported on the Appreciation Luncheon for the Employers of the City and their employees. The event was successful and approximately 200 people were in attendance. Council member Bergley received a five-year anniversary award for his business. Also, at the event the Mayor was given an update from John Ward of Allina and he was also able to share information on the Coborn's project, which is projected to be finished late summer. Both of these projects are designed as "new generation" facilities.

J. Public Hearings

None

K. Business Items

1. Interview Candidates for Interim Appointment to Vacant City Council Seat *(Mayor Wimmer)*
   a. **Resolution 2016-187 Making Appointment of Ross Lorinser to Fill the Vacant City Council Seat on the Isanti City Council until such time as a Candidate is elected through the Election Process**

Two uniform applications from City residents Ross Lorinser and James Witte were received for the interim appointment to the vacant City Council seat. Both met the qualifications for candidacy for interim appointment to the vacant Council seat.

Both candidates were present and uniform questions relating to the City Council seat were asked of each of them, in alphabetical order, while the other stepped out of the room.

Voting Ballots were passed out to the Mayor and Council, completed, and collected by City Clerk, Lindsey McInnis. Once all ballots were received, City Administrator Don Lorsung, announced that the City Council unanimously approved appointment of Mr. Lorinser for the vacant Council seat. Mayor Wimmer encouraged Mr. Witte to get involved, and notified him of a vacant seat on the Park and Recreation Board.

Motion by Lundeen, second by Collison to approve Resolution No. 2016-187 appointing Ross Lorinser to fill the vacant City Council seat. Motion carried unanimously.

Mr. Lorinser was given the oath of office and sworn in by City Clerk Lindsey McInnis.

Mr. Lorinser took his seat among the Council for the remainder of the meeting.

2. **Resolution 2016-188 Amending Resolution No. 2016-001 Designating Council Committees, and Representatives for City Commissions and Advisory Boards for Year 2016**

Council member Bergley was appointed to Police Committee and Liquor Committee as well as an alternate for the Fire District. Council member Lorinser was appointed to the Finance, Personnel and Development and Operations Advisory Committee.

The Rum River BMX Committee will be a council appointment. The appointment will not be filled at this time; however, the Mayor plans to serve on that board.

Motion by Lundeen second by Collison to approve Resolution 2016-188 as presented. Motion carried unanimously.

3. **Resolution 2016-189 Approving a Special Event Application for the Cambridge-Isanti Soccer Club**

Motion by Lundeen second by Bergley to approve Resolution 2016-189 as presented. Motion carried unanimously.

4. **Resolution 2016-190 Approving the Special Event Request from Wintergreens Golf and Grill**

Motion by Lundeen second by Bergley to approve Resolution 2016-190 as presented. Motion carried unanimously.

5. **Resolution 2016-191 Approving a Special Event Permit Request for Miller Tax Customer Appreciation**

Motion by Lundeen second by Bergley to approve Resolution 2016-191 as presented. Motion carried unanimously.

6. **Resolution 2016-192 Approving a Request by the Isanti Firefighters Rodeo Association to Close Unity Park Ball Field and Place Signage Indicating such closure for July 8th – 10th and for the movement of the Bleachers Located in Unity Park to the Rodeo Grounds**

Motion by Lundeen second by Bergley to approve Resolution 2016-192 as presented. Motion carried unanimously.

7. **Resolution 2016-193 Approving Acceptance of Grant from Partners in Healthy Living**

Motion by Bergley second by Lundeen to approve Resolution 2016-193 as presented. Motion carried unanimously.

8. **Resolution 2016-194 Authorizing a Public Naming Contest for Isanti Tot Lot**

Motion by Bergley second by Lundeen to approve Resolution 2016-194 as presented. Motion carried unanimously.

9. **Resolution 2016-195 Authorizing to Enter into an Agreement with the Minnesota Office of Traffic Safety Grant for Safe and Sober High Visibility Enforcement**

Motion by Collison second by Lundeen to approve Resolution 2016-195 as presented. Motion carried unanimously.

10. **Ordinance 646 Adopting a City Code Chapter 217 – The Use of Unmanned Aircraft**

Mayor Wimmer explained this City Code would prohibit individuals from flying a drone or other such vehicles over private property.

Bergley questioned if permission was given from private property would that be allowed. It was confirmed that yes, it would, so long as the individual had permission and it was not flown over any other residences without permission.

Lundeen was questioning the aircrafts that fly over properties, and then try to sell pictures of the property. The Mayor indicated that those are not unmanned aircrafts which is what the Code pertains to. Council member Collison asked if that was because they were flying under a lower elevation. Chief Hill mentioned that the unmanned aircrafts that fly over 400 feet must be regulated by the FAA. The aircrafts taking photos are typically flying over 500 feet and therefore would be regulated by the FAA.

Bergley asked about Public Safety Officials using unmanned aircrafts, as the code states that they are exempt from this ordinance.

Chief Hill stated that Public Safety is restricted even further than the general public because of the U.S. Constitution and Bill of Rights. People are secure under the fourth amendment in their own property, and any intrusions by law enforcement unlawfully, is prohibited. The Chief stated the type of situations these drones would be used in would be strictly for search and rescue, situations where a search warrant permits the use, or an emergency response situation where intelligence is required to dissolve the situation.

Motion by Lundeen second by Lorinser to approve Ordinance 646 as presented. Motion carried unanimously.

11. **Resolution 2016-196 Awarding the Bid for the Wastewater Treatment Facility Improvements within the City of Isanti**

Mr. Jason Cook, with Bolton & Menk, Inc., described that the improvement project is to replace the existing main lift station, replace the pre-treatment building and move it near the current wastewater treatment plant, as well as rehabbing the aeration system and the filter systems. The bids came in under the Engineers estimate. The alternate bid was denied by the MPCA for its location to the Rum River, it was within 1,000 feet. Mr. Cook recommended Council approve the bid received from Gridor Construction in the amount of $2,942,400.00 and move forward with construction.

Motion by Lundeen second by Collison to approve Resolution 2016-196 as presented. Motion carried unanimously.

L. Approve Consent Agenda

1. Consider Accounts Payable in the Amount of $309,328.59 and Payroll in the amount of $181,210.13
2. Final Meeting Minutes for the April 26, 2016 Parks, Recreation and Culture Board Meeting
3. **Resolution 2016-197** Amending Previous Resolution 2011-085 - Replacing All Previous Policies as it May Relate to Declaring Property as Surplus and its Disposal
4. **Resolution 2016-198** Amending Isanti County Election Equipment Plan
5. **Resolution 2016-199** Terminating Isanti Police Reserve Patrick Callahan
6. **Resolution 2016-200** Accepting the Resignation of Isanti Police Reserves Beth Callahan, Tara Barrows, Harlan Worsham and Brian Sager

Motion by Lundeen second by Bergley to approve the consent agenda. Motion carried unanimously.

M. Other Communications

1. Draft Meeting Minutes for the May 24, 2016 Parks, Recreation and Culture Board Meeting

Adjournment

Motion by Bergley second by Lundeen to adjourn. Motion carried unanimously. Meeting adjourned at 7:29 p.m.

Respectfully Submitted,

MEMO

To: **Mayor Wimmer and City Council Members**

From: Don Lorsung, City Administrator

Date: June 14, 2016

Subject: General Obligation Sewer Revenue Bonds, Series 2016A

At the City Council meeting on May 17, 2016 the City Council authorized the sale of General Obligation Sewer Revenue Bonds, Series 2016A.

Proposals are being received by Northland Securities, Inc. and Ms. Jessica Green will be here to present the results. Attached is a draft Resolution to accept the bond sale. It will be completed with the details of the bond sale.

EXTRACT OF MINUTES OF A MEETING
CITY COUNCIL OF THE
CITY OF ISANTI, MINNESOTA

HELD: JUNE 21, 2016

Pursuant to due call and notice thereof, a regular or special meeting of the City Council of the City of Isanti, Isanti County, Minnesota, was duly held at the City Hall on June 21, 2016, at 7:00 P.M., for the purpose, in part, of authorizing the issuance and sale of $2,605,000 General Obligation Sewer Revenue Bonds, Series 2016A.

The following members were present:

and the following were absent:

Member _____ introduced the following resolution and moved its adoption:

RESOLUTION NO. 2016-_____

RESOLUTION PROVIDING FOR THE ISSUANCE AND SALE OF $2,605,000 GENERAL OBLIGATION SEWER REVENUE BONDS, SERIES 2016A AND PLEDGING NET REVENUES FOR THE SECURITY THEREOF

A. WHEREAS, the City owns and operates a municipal sanitary sewer system as a separate revenue producing public utility (the "System"), and the net revenues of the System are pledged to the payment of the City's outstanding: (i) $4,682,145 original principal amount of General Obligation Sewer Revenue Bonds of 1996A, dated September 18, 1996; (ii) $3,477,855 original principal amount of General Obligation Sewer Revenue Bonds of 1996B, dated December 21, 1996; (iii) $1,120,000 original principal amount of General Obligation Crossover Refunding Bonds, Series 2009A, dated February 1, 2009, of which $510,000 is the Sewer Revenue Refunding Portion; and (iv) $1,420,000 original principal amount of the General Obligation Bonds, Series 2014B, dated October 1, 2014, of which $1,030,000 is the Sewer System Portion (the "Outstanding Bonds"); and the net revenues of the System are pledged along with the net revenues of the City's municipal water system to the City's outstanding $835,000 original principal amount General Obligation Utility Revenue Bonds, Series 2010A (the "Outstanding Utility Revenue Bonds"); and

B. WHEREAS, the City Council has heretofore determined and declared that it is necessary and expedient to issue $2,605,000 General Obligation Sewer Revenue Bonds, Series 2016A (the "Bonds" or individually, a "Bond"), pursuant to Minnesota Statutes, Chapter 475 and Section 444.075, to finance improvements to the sanitary sewer system (the "Project"); and

C. WHEREAS, the City has retained Northland Securities, Inc., in Minneapolis, Minnesota ("Northland"), as its municipal advisor for the sale of the Bonds and was therefore authorized to sell the Bonds by private negotiation in accordance with Minnesota Statutes, Section 475.60, Subdivision 2(9) and proposals to purchase the Bonds have been solicited by Northland; and

D. WHEREAS, the proposals set forth on Exhibit A attached hereto were received by the Administrator, or designee, at the offices of Northland, at 11:00 a.m., this same day pursuant to the Official Notice of Sale established for the Bonds; and

E. WHEREAS, it is in the best interests of the City that the Bonds be issued in book-entry form as hereinafter provided; and

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Isanti, Minnesota, as follows:

1. Acceptance of Proposal. The proposal of _____ (the "Purchaser"), to purchase the Bonds, in accordance with the Notice of Sale established for the Bonds, at the rates of interest hereinafter set forth, and to pay therefor the sum of $_____, plus interest accrued to settlement, is hereby found, determined and declared to be the most favorable proposal received, is hereby accepted and the Bonds are hereby awarded to the Purchaser. The Administrator is directed to retain the deposit of the Purchaser.

2. Bond Terms.

(a) Original Issue Date; Denominations; Maturities; Term Bond Option. The Bonds shall be dated July 15, 2016, as the date of original issue, shall be issued forthwith on or after such date in fully registered form, shall be numbered from R-1 upward in the denomination of $5,000 each or in any integral multiple thereof of a single maturity (the "Authorized Denominations") and shall mature on December 1 in the years and amounts as follows:

Year	Amount	Year	Amount
2018		2024	
2019		2025	
2020		2026	
2021		2027	
2022		2028	
2023		2029	

All dates are inclusive. As may be requested by the Purchaser, one or more term Bonds may be issued having mandatory sinking fund redemption and final maturity amounts conforming to the foregoing principal repayment schedule, and corresponding additions may be made to the provisions of the applicable Bonds.

(b) Book Entry Only System. The Depository Trust Company, a limited purpose trust company organized under the laws of the State of New York or any of its successors or its successors to its functions hereunder (the "Depository") will act as securities depository for the Bonds, and to this end:

(i) The Bonds shall be initially issued and, so long as they remain in book entry form only (the "Book Entry Only Period"), shall at all times be in the form of a separate single fully registered Bond for each maturity of the Bonds; and for purposes of

complying with this requirement under paragraphs 5 and 10 Authorized Denominations for any Bond shall be deemed to be limited during the Book Entry Only Period to the outstanding principal amount of that Bond.

(ii) Upon initial issuance, ownership of the Bonds shall be registered in a bond register maintained by the Bond Registrar (as hereinafter defined) in the name of CEDE & CO., as the nominee (it or any nominee of the existing or a successor Depository, the "Nominee").

(iii) With respect to the Bonds neither the City nor the Bond Registrar shall have any responsibility or obligation to any broker, dealer, bank, or any other financial institution for which the Depository holds Bonds as securities depository (the "Participant") or the person for which a Participant holds an interest in the Bonds shown on the books and records of the Participant (the "Beneficial Owner"). Without limiting the immediately preceding sentence, neither the City, nor the Bond Registrar, shall have any such responsibility or obligation with respect to (A) the accuracy of the records of the Depository, the Nominee or any Participant with respect to any ownership interest in the Bonds, or (B) the delivery to any Participant, any Owner or any other person, other than the Depository, of any notice with respect to the Bonds, including any notice of redemption, or (C) the payment to any Participant, any Beneficial Owner or any other person, other than the Depository, of any amount with respect to the principal of or premium, if any, or interest on the Bonds, or (D) the consent given or other action taken by the Depository as the Registered Holder of any Bonds (the "Holder"). For purposes of securing the vote or consent of any Holder under this Resolution, the City may, however, rely upon an omnibus proxy under which the Depository assigns its consenting or voting rights to certain Participants to whose accounts the Bonds are credited on the record date identified in a listing attached to the omnibus proxy.

(iv) The City and the Bond Registrar may treat as and deem the Depository to be the absolute owner of the Bonds for the purpose of payment of the principal of and premium, if any, and interest on the Bonds, for the purpose of giving notices of redemption and other matters with respect to the Bonds, for the purpose of obtaining any consent or other action to be taken by Holders for the purpose of registering transfers with respect to such Bonds, and for all purpose whatsoever. The Bond Registrar, as paying agent hereunder, shall pay all principal of and premium, if any, and interest on the Bonds only to the Holder or the Holders of the Bonds as shown on the bond register, and all such payments shall be valid and effective to fully satisfy and discharge the City's obligations with respect to the principal of and premium, if any, and interest on the Bonds to the extent of the sum or sums so paid.

(v) Upon delivery by the Depository to the Bond Registrar of written notice to the effect that the Depository has determined to substitute a new Nominee in place of the existing Nominee, and subject to the transfer provisions in paragraph 10, references to the Nominee hereunder shall refer to such new Nominee.

(vi) So long as any Bond is registered in the name of a Nominee, all payments with respect to the principal of and premium, if any, and interest on such Bond and all notices with respect to such Bond shall be made and given, respectively, by the Bond Registrar or City, as the case may be, to the Depository as provided in the Letter of Representations to the Depository required by the Depository as a condition to its acting as book-entry Depository for the Bonds (said Letter of Representations, together with any replacement thereof or amendment or substitute thereto, including any standard procedures or policies referenced therein or applicable thereto respecting the procedures and other matters relating to the Depository's role as book-entry Depository for the Bonds, collectively hereinafter referred to as the "Letter of Representations").

(vii) All transfers of beneficial ownership interests in each Bond issued in book-entry form shall be limited in principal amount to Authorized Denominations and shall be effected by procedures by the Depository with the Participants for recording and transferring the ownership of beneficial interests in such Bonds.

(viii) In connection with any notice or other communication to be provided to the Holders pursuant to this Resolution by the City or Bond Registrar with respect to any consent or other action to be taken by Holders, the Depository shall consider the date of receipt of notice requesting such consent or other action as the record date for such consent or other action; provided, that the City or the Bond Registrar may establish a special record date for such consent or other action. The City or the Bond Registrar shall, to the extent possible, give the Depository notice of such special record date not less than fifteen calendar days in advance of such special record date to the extent possible.

(ix) Any successor Bond Registrar in its written acceptance of its duties under this Resolution and any paying agency/bond registrar agreement, shall agree to take any actions necessary from time to time to comply with the requirements of the Letter of Representations.

(x) In the case of a partial prepayment of a Bond, the Holder may, in lieu of surrendering the Bonds for a Bond of a lesser denomination as provided in paragraph 5, make a notation of the reduction in principal amount on the panel provided on the Bond stating the amount so redeemed.

(c) Termination of Book-Entry Only System. Discontinuance of a particular Depository's services and termination of the book-entry only system may be effected as follows:

(i) The Depository may determine to discontinue providing its services with respect to the Bonds at any time by giving written notice to the City and discharging its responsibilities with respect thereto under applicable law. The City may terminate the services of the Depository with respect to the Bond if it determines that the Depository is no longer able to carry out its functions as securities depository or the continuation of the system of book-entry transfers through the Depository is not in the best interests of the City or the Beneficial Owners.

(ii) Upon termination of the services of the Depository as provided in the preceding paragraph, and if no substitute securities depository is willing to undertake the functions of the Depository hereunder can be found which, in the opinion of the City, is willing and able to assume such functions upon reasonable or customary terms, or if the City determines that it is in the best interests of the City or the Beneficial Owners of the Bond that the Beneficial Owners be able to obtain certificates for the Bonds, the Bonds shall no longer be registered as being registered in the bond register in the name of the Nominee, but may be registered in whatever name or names the Holder of the Bonds shall designate at that time, in accordance with paragraph 11. To the extent that the Beneficial Owners are designated as the transferee by the Holders, in accordance with paragraph 10, the Bonds will be delivered to the Beneficial Owners.

(iii) Nothing in this subparagraph (c) shall limit or restrict the provisions of paragraph 10.

(d) Letter of Representations. The provisions in the Letter of Representations are incorporated herein by reference and made a part of the resolution, and if and to the extent any such provisions are inconsistent with the other provisions of this resolution, the provisions in the Letter of Representations shall control.

3. Purpose. The Bonds shall provide funds to finance the Project. The total cost of the Project, which shall include all costs enumerated in Minnesota Statutes, Section 475.65, is estimated to be at least equal to the amount of the Bonds. The City covenants that it shall do all things and perform all acts required of it to assure that work on the Project proceeds with due diligence to completion and that any and all permits and studies required under law for the Project are obtained.

4. Interest. The Bonds shall bear interest payable semiannually on June 1 and December 1 of each year (each, an "Interest Payment Date"), commencing December 1, 2016, calculated on the basis of a 360-day year of twelve 30-day months, at the respective rates per annum set forth opposite maturity years as follows:

Maturity Year	Interest Rate	Maturity Year	Interest Rate
2018	%	2024	%
2019		2025	
2020		2026	
2021		2027	
2022		2028	
2023		2029	

5. Redemption. All Bonds maturing on December 1, 2025, and thereafter, shall be subject to redemption and prepayment at the option of the City on December 1, 2024, and on any date thereafter at a price of par plus accrued interest. Redemption may be in whole or in part of the Bonds subject to prepayment. If redemption is in part, the selection of the amounts and maturities of the Bonds to be prepaid shall be at the discretion of the City. If only part of the

Bonds having a common maturity date are called for prepayment, the specific Bonds to be prepaid shall be chosen by lot by the Bond Registrar. Bonds or portions thereof called for redemption shall be due and payable on the redemption date, and interest thereon shall cease to accrue from and after the redemption date. Mailed notice of redemption shall be given to the paying agent and to each affected registered holder of the Bonds at least thirty days prior to the date fixed for redemption.

To effect a partial redemption of Bonds having a common maturity date, the Bond Registrar prior to giving notice of redemption shall assign to each Bond having a common maturity date a distinctive number for each $5,000 of the principal amount of such Bond. The Bond Registrar shall then select by lot, using such method of selection as it shall deem proper in its discretion, from the numbers so assigned to such Bonds, as many numbers as, at $5,000 for each number, shall equal the principal amount of such Bonds to be redeemed. The Bonds to be redeemed shall be the Bonds to which were assigned numbers so selected; provided, however, that only so much of the principal amount of each such Bond of a denomination of more than $5,000 shall be redeemed as shall equal $5,000 for each number assigned to it and so selected. If a Bond is to be redeemed only in part, it shall be surrendered to the Bond Registrar (with, if the City or Bond Registrar so requires, a written instrument of transfer in form satisfactory to the City and Bond Registrar duly executed by the Holder thereof or the Holder's attorney duly authorized in writing) and the City shall execute (if necessary) and the Bond Registrar shall authenticate and deliver to the Holder of the Bond, without service charge, a new Bond or Bonds having the same stated maturity and interest rate and of any Authorized Denomination or Denominations, as requested by the Holder, in aggregate principal amount equal to and in exchange for the unredeemed portion of the principal of the Bond so surrendered.

6. Bond Registrar. Northland Trust Services, Inc., in Minneapolis, Minnesota, is appointed to act as bond registrar and transfer agent with respect to the Bonds (the "Bond Registrar"), and shall do so unless and until a successor Bond Registrar is duly appointed, all pursuant to any contract the City and Bond Registrar shall execute which is consistent herewith. The Bond Registrar shall also serve as paying agent unless and until a successor paying agent is duly appointed. Principal and interest on the Bonds shall be paid to the registered holders (or record holders) of the Bonds in the manner set forth in the form of Bond and paragraph 12.

7. Form of Bond. The Bonds, together with the Bond Registrar's Certificate of Authentication, the form of Assignment and the registration information thereon, shall be in substantially the following form:

UNITED STATES OF AMERICA
STATE OF MINNESOTA
ISANTI COUNTY
CITY OF ISANTI
MINNESOTA CREDIT ENHANCEMENT PROGRAM

R-_____ $_____

GENERAL OBLIGATION SEWER REVENUE BOND, SERIES 2016A

Interest Rate	Maturity Date	Date of Original Issue	CUSIP
___%	December 1, 20__	July 15, 2016	

REGISTERED OWNER: CEDE & CO.

PRINCIPAL AMOUNT:

THE CITY OF ISANTI, ISANTI COUNTY, MINNESOTA (the "Issuer"), certifies that it is indebted and for value received promises to pay to the registered owner specified above, or registered assigns, unless called for earlier redemption, in the manner hereinafter set forth, the principal amount specified above, on the maturity date specified above, and to pay interest thereon semiannually on June 1 and December 1 of each year (each, an "Interest Payment Date"), commencing December 1, 2016, at the rate per annum specified above (calculated on the basis of a 360-day year of twelve 30-day months) until the principal sum is paid or has been provided for. This Bond will bear interest from the most recent Interest Payment Date to which interest has been paid or, if no interest has been paid, from the date of original issue hereof. The principal of and premium, if any, on this Bond are payable upon presentation and surrender hereof at the principal office of Northland Trust Services, Inc., in Minneapolis, Minnesota (the "Bond Registrar"), acting as paying agent, or any successor paying agent duly appointed by the Issuer. Interest on this Bond will be paid on each Interest Payment Date by check or draft mailed to the person in whose name this Bond is registered (the "Holder" or "Bondholder") on the registration books of the Issuer maintained by the Bond Registrar and at the address appearing thereon at the close of business on the fifteenth day of the calendar month next preceding such Interest Payment Date (the "Regular Record Date"). Any interest not so timely paid shall cease to be payable to the person who is the Holder hereof as of the Regular Record Date, and shall be payable to the person who is the Holder hereof at the close of business on a date (the "Special Record Date") fixed by the Bond Registrar whenever money becomes available for payment of the defaulted interest. Notice of the Special Record Date shall be given to Bondholders not less than ten days prior to the Special Record Date. The principal of and premium, if any, and interest on this Bond are payable in lawful money of the United States of America. So long as this Bond is registered in the name of the Depository or its Nominee as provided in the Resolution hereinafter described, and as those terms are defined therein, payment of principal of, premium, if any, and interest on this Bond and notice with respect thereto shall be made as provided in Letter of Representations, as defined in the Resolution, and surrender of this Bond shall not be required for payment of the redemption price upon a partial redemption of this Bond.

Until termination of the book-entry only system pursuant to the Resolution, Bonds may only be registered in the name of the Depository or its Nominee.

Optional Redemption. All Bonds of this issue (the "Bonds") maturing on December 1, 2025, and thereafter, shall be subject to redemption and prepayment at the option of the City on December 1, 2024, and on any date thereafter at a price of par plus accrued interest. Redemption may be in whole or in part of the Bonds subject to prepayment; if redemption is in part, the selection of the amounts and maturities of the Bonds to be prepaid shall be at the discretion of the Issuer. If only part of the Bonds having a common maturity date are called for prepayment, the specific Bonds to be prepaid shall be chosen by lot by the Bond Registrar. Bonds or portions thereof called for redemption shall be due and payable on the redemption date, and interest thereon shall cease to accrue from and after the redemption date. Mailed notice of redemption shall be given to the paying agent and to each affected Holder of the Bonds at least thirty days prior to the date fixed for redemption.

Selection of Bonds for Redemption; Partial Redemption. To effect a partial redemption of Bonds having a common maturity date, the Bond Registrar shall assign to each Bond having a common maturity date a distinctive number for each $5,000 of the principal amount of such Bond. The Bond Registrar shall then select by lot, using such method of selection as it shall deem proper in its discretion, from the numbers assigned to the Bonds, as many numbers as, at $5,000 for each number, shall equal the principal amount of the Bonds to be redeemed. The Bonds to be redeemed shall be the Bonds to which were assigned numbers so selected; provided, however, that only so much of the principal amount of Bond of a denomination of more than $5,000 shall be redeemed as shall equal $5,000 for each number assigned to it and so selected. If a Bond is to be redeemed only in part, it shall be surrendered to the Bond Registrar (with, if the Issuer or Bond Registrar so requires, a written instrument of transfer in form satisfactory to the Issuer and Bond Registrar duly executed by the Holder thereof or the Holder's attorney duly authorized in writing) and the Issuer shall execute (if necessary) and the Bond Registrar shall authenticate and deliver to the Holder of the Bond, without service charge, a new Bond or Bonds having the same stated maturity and interest rate and of any Authorized Denomination or Denominations, as requested by the Holder, in aggregate principal amount equal to and in exchange for the unredeemed portion of the principal of the Bond so surrendered.

Issuance; Purpose; General Obligation. This Bond is one of an issue in the total principal amount of $2,605,000, all of like date of original issue and tenor, except as to number, maturity, interest rate, denomination and redemption privilege, issued pursuant to and in full conformity with the Constitution and laws of the State of Minnesota and pursuant to a resolution adopted by the City Council on June 21, 2016 (the "Resolution"), for the purpose of providing money to finance improvements to the municipal sanitary sewer system, within the jurisdiction of the Issuer. This Bond is payable out of the General Obligation Sewer Revenue Bonds, Series 2016A Fund of the Issuer. This Bond constitutes a general obligation of the Issuer, and to provide moneys for the prompt and full payment of its principal, premium, if any, and interest when the same become due, the full faith and credit and taxing powers of the Issuer have been and are hereby irrevocably pledged.

Denominations; Exchange; Resolution. The Bonds are issuable solely in fully registered form in Authorized Denominations (as defined in the Resolution) and are exchangeable for fully registered Bonds of other Authorized Denominations in equal aggregate principal amounts at the principal office of the Bond Registrar, but only in the manner and subject to the limitations provided in the Resolution. Reference is hereby made to the Resolution for a description of the rights and duties of the Bond Registrar. Copies of the Resolution are on file in the principal office of the Bond Registrar.

Transfer. This Bond is transferable by the Holder in person or by the Holder's attorney duly authorized in writing at the principal office of the Bond Registrar upon presentation and surrender hereof to the Bond Registrar, all subject to the terms and conditions provided in the Resolution and to reasonable regulations of the Issuer contained in any agreement with the Bond Registrar. Thereupon the Issuer shall execute and the Bond Registrar shall authenticate and deliver, in exchange for this Bond, one or more new fully registered Bonds in the name of the transferee (but not registered in blank or to "bearer" or similar designation), of an Authorized Denomination or Denominations, in aggregate principal amount equal to the principal amount of this Bond, of the same maturity and bearing interest at the same rate.

Fees upon Transfer or Loss. The Bond Registrar may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection with the transfer or exchange of this Bond and any legal or unusual costs regarding transfers and lost Bonds.

Treatment of Registered Owners. The Issuer and Bond Registrar may treat the person in whose name this Bond is registered as the owner hereof for the purpose of receiving payment as herein provided (except as otherwise provided herein with respect to the Record Date) and for all other purposes, whether or not this Bond shall be overdue, and neither the Issuer nor the Bond Registrar shall be affected by notice to the contrary.

Authentication. This Bond shall not be valid or become obligatory for any purpose or be entitled to any security unless the Certificate of Authentication hereon shall have been executed by the Bond Registrar.

Qualified Tax-Exempt Obligation. This Bond has been designated by the Issuer as a "qualified tax-exempt obligation" for purposes of Section 265(b)(3) of the Internal Revenue Code of 1986, as amended.

IT IS HEREBY CERTIFIED AND RECITED that all acts, conditions and things required by the Constitution and laws of the State of Minnesota to be done, to happen and to be performed, precedent to and in the issuance of this Bond, have been done, have happened and have been performed, in regular and due form, time and manner as required by law; that the Issuer has covenanted and agreed with the Holders of the Bonds that it will impose and collect charges for the service, use and availability of the municipal water and sanitary sewer system at the times and in amounts necessary to produce net revenues, together with other sums pledged to the payment of the Bonds, adequate to pay all principal and interest when due on the Bonds; and that the Issuer will levy a direct, annual, irrepealable ad valorem tax upon all of the taxable property of the Issuer, without limitation as to rate or amount, for the years and in amounts

sufficient to pay the principal and interest on the Bonds as they respectively become due, if the net revenues from the System, and any other sums irrevocably appropriated to the Debt Service Account are insufficient therefor; and that this Bond, together with all other debts of the Issuer outstanding on the date of original issue hereof and the date of its issuance and delivery to the original purchaser, does not exceed any constitutional or statutory limitation of indebtedness.

IN WITNESS WHEREOF, the City of Isanti, Isanti County, Minnesota, by its City Council has caused this Bond to be executed on its behalf by the facsimile signatures of its Mayor and its Clerk, the corporate seal of the Issuer having been intentionally omitted as permitted by law.

(Include information for all joint owners if the Bond is held by joint account.)

PREPAYMENT SCHEDULE

This Bond has been prepaid in part on the date(s) and in the amount(s) as follows:

DATE	AMOUNT	AUTHORIZED SIGNATURE OF HOLDER

8. Execution; Temporary Bonds. The Bonds shall be in typewritten form, shall be executed on behalf of the City by the signatures of its Mayor and Clerk and be sealed with the seal of the City; provided, as permitted by law, both signatures may be photocopied facsimiles and the corporate seal has been omitted. In the event of disability or resignation or other absence of either officer, the Bonds may be signed by the manual or facsimile signature of the officer who may act on behalf of the absent or disabled officer. In case either officer whose signature or facsimile of whose signature shall appear on the Bonds shall cease to be such officer before the delivery of the Bonds, the signature or facsimile shall nevertheless be valid and sufficient for all purposes, the same as if the officer had remained in office until delivery.

9. Authentication. No Bond shall be valid or obligatory for any purpose or be entitled to any security or benefit under this resolution unless a Certificate of Authentication on the Bond, substantially in the form hereinabove set forth, shall have been duly executed by an authorized representative of the Bond Registrar. Certificates of Authentication on different Bonds need not be signed by the same person. The Bond Registrar shall authenticate the signatures of officers of the City on each Bond by execution of the Certificate of Authentication on the Bond and, by inserting as the date of registration in the space provided, the date on which the Bond is authenticated, except that for purposes of delivering the original Bonds to the Purchaser, the Bond Registrar shall insert as a date of registration the date of original issue of July 15, 2016. The Certificate of Authentication so executed on each Bond shall be conclusive evidence that it has been authenticated and delivered under this resolution.

10. Registration; Transfer; Exchange. The City will cause to be kept at the principal office of the Bond Registrar a bond register in which, subject to such reasonable regulations as the Bond Registrar may prescribe, the Bond Registrar shall provide for the registration of Bonds and the registration of transfers of Bonds entitled to be registered or transferred as herein provided.

Upon surrender for transfer of any Bond at the principal office of the Bond Registrar, the City shall execute (if necessary), and the Bond Registrar shall authenticate, insert the date of registration (as provided in paragraph 9) of, and deliver, in the name of the designated transferee or transferees, one or more new Bonds of any Authorized Denomination or Denominations of a like aggregate principal amount, having the same stated maturity and interest rate, as requested by the transferor; provided, however, that no Bond may be registered in blank or in the name of "bearer" or similar designation.

At the option of the Holder, Bonds may be exchanged for Bonds of any Authorized Denomination or Denominations of a like aggregate principal amount and stated maturity, upon surrender of the Bonds to be exchanged at the principal office of the Bond Registrar. Whenever any Bonds are so surrendered for exchange, the City shall execute (if necessary), and the Bond Registrar shall authenticate, insert the date of registration of, and deliver the Bonds which the Holder making the exchange is entitled to receive.

All Bonds surrendered upon any exchange or transfer provided for in this resolution shall be promptly canceled by the Bond Registrar and thereafter disposed of as directed by the City.

All Bonds delivered in exchange for or upon transfer of Bonds shall be valid general obligations of the City evidencing the same debt, and entitled to the same benefits under this resolution, as the Bonds surrendered for such exchange or transfer.

Every Bond presented or surrendered for transfer or exchange shall be duly endorsed or be accompanied by a written instrument of transfer, in form satisfactory to the Bond Registrar, duly executed by the Holder thereof or the Holder's attorney duly authorized in writing.

The Bond Registrar may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection with the transfer or exchange of any Bond and any legal or unusual costs regarding transfers and lost Bonds.

Transfers shall also be subject to reasonable regulations of the City contained in any agreement with the Bond Registrar, including regulations which permit the Bond Registrar to close its transfer books between record dates and payment dates. The Clerk is hereby authorized to negotiate and execute the terms of said agreement.

11. Rights Upon Transfer or Exchange. Each Bond delivered upon transfer of or in exchange for or in lieu of any other Bond shall carry all the rights to interest accrued and unpaid, and to accrue, which were carried by such other Bond.

12. Interest Payment; Record Date. Interest on any Bond shall be paid on each Interest Payment Date by check or draft mailed to the person in whose name the Bond is registered (the "Holder") on the registration books of the City maintained by the Bond Registrar and at the address appearing thereon at the close of business on the fifteenth day of the calendar month next preceding such Interest Payment Date (the "Regular Record Date"). Any such interest not so timely paid shall cease to be payable to the person who is the Holder thereof as of the Regular Record Date, and shall be payable to the person who is the Holder thereof at the close of business on a date (the "Special Record Date") fixed by the Bond Registrar whenever money becomes available for payment of the defaulted interest. Notice of the Special Record Date shall be given by the Bond Registrar to the Holders not less than ten days prior to the Special Record Date.

13. Treatment of Registered Owner. The City and Bond Registrar may treat the person in whose name any Bond is registered as the owner of the Bond for the purpose of receiving payment of principal of and premium, if any, and interest (subject to the payment provisions in paragraph 12) on the Bond and for all other purposes whatsoever whether or not the Bond shall be overdue, and neither the City nor the Bond Registrar shall be affected by notice to the contrary.

14. Delivery; Application of Proceeds. The Bonds when so prepared and executed shall be delivered by the Administrator to the Purchaser upon receipt of the purchase price, and the Purchaser shall not be obliged to see to the proper application thereof.

15. Fund and Accounts. There is hereby created a special fund to be designated the "General Obligation Sewer Revenue Bonds, Series 2016A Fund" (the "Fund") to be administered and maintained by the Administrator as a bookkeeping account separate and apart from all other

funds maintained in the official financial records of the City. The Fund shall be maintained in the manner herein specified until all of the Bonds and the interest thereon have been fully paid. The Operation and Maintenance Account heretofore established by the City for the System shall continue to be maintained in the manner heretofore provided by the City. All moneys remaining after paying or providing for the items set forth in the resolution(s) establishing the Operation and Maintenance Account shall constitute or are referred to as "net revenues" until the Bonds and the Outstanding Bonds have been paid. There shall be maintained in the Fund the following separate accounts to which shall be credited and debited all income and disbursements of the System as hereinafter set forth. The Clerk of the City and all officials and employees concerned therewith shall establish and maintain financial records of the receipts and disbursements of the System in accordance with this resolution. In such records there shall be established accounts or accounts shall continue to be maintained as the case may be, of the Fund for the purposes and in the amounts as follows:

(a) Construction Account. To the Construction Account there shall be credited the proceeds of the sale of the Bonds, and less accrued interest. From the Construction Account there shall be paid all costs and expenses of the Project, including the cost of any construction contracts heretofore let and all other costs incurred and to be incurred of the kind authorized in Minnesota Statutes, Section 475.65. Any balance remaining in the fund after completion of the costs shall be transferred to the Debt Service Account.

(b) Debt Service Account. There are hereby irrevocably appropriated and pledged to, and there shall be credited to, the Debt Service Account: (i) the net revenues of the System not otherwise pledged and applied to the payment of other obligations of the City, in an amount, together with other funds which may herein or hereafter from time to time be irrevocably appropriated to the account sufficient to meet the requirements of Minnesota Statutes, Section 475.61 for the payment of the principal and interest of the Bonds; (ii) all accrued interest received upon delivery of the Bonds; (iii) any collections of all taxes which may hereafter be levied in the event the net revenues of the System and other funds herein pledged to the payment of the principal and interest on the Bonds are insufficient therefor; (iv) all funds remaining in the Construction Account after completion of the Project and payment of the costs thereof; (v) all investment earnings on funds held in the Debt Service Account; and (vi) any and all other moneys which are properly available and are appropriated by the governing body of the City to the Debt Service Account. The amount of any surplus remaining in the Debt Service Account when the Bonds and interest thereon are paid shall be used consistent with Minnesota Statutes, Section 475.61, Subdivision 4. The moneys in the Debt Service Account shall be used solely to pay the principal of and interest on the Bonds or any other bonds hereafter issued and made payable from the Fund.

No portion of the proceeds of the Bonds shall be used directly or indirectly to acquire higher yielding investments or to replace funds which were used directly or indirectly to acquire higher yielding investments, except (1) for a reasonable temporary period until such proceeds are needed for the purpose for which the Bonds were issued and (2) in addition to the above in an amount not greater than the lesser of five percent of the proceeds of the Bonds or $100,000. To this effect, any proceeds of the Bonds and any sums from time to time held in the Construction Account or the Debt Service Account (or any other City account which will be used to pay

principal or interest to become due on the bonds payable therefrom) in excess of amounts which under then applicable federal arbitrage regulations may be invested without regard to yield shall not be invested at a yield in excess of the applicable yield restrictions imposed by said arbitrage regulations on such investments after taking into account any applicable "temporary periods" or "minor portion" made available under the federal arbitrage regulations. Money in the Fund shall not be invested in obligations or deposits issued by, guaranteed by or insured by the United States or any agency or instrumentality thereof if and to the extent that such investment would cause the Bonds to be "federally guaranteed" within the meaning of Section 149(b) of the Internal Revenue Code of 1986, as amended (the "Code").

16. Excess System Net Revenues. Net revenues in excess of those required for the foregoing may be used for any proper purpose.

17. Covenant to Maintain Rates and Charges. In accordance with Minnesota Statutes, Section 444.075, the City hereby covenants and agrees with the Holders of the Bonds that it will impose and collect charges for the service, use, availability and connection to the System at the times and in the amounts required to produce net revenues adequate to pay all principal and interest when due on the Bonds. Minnesota Statutes, Section 444.075, Subdivision 2, provides as follows: "Real estate tax revenues should be used only, and then on a temporary basis, to pay general or special obligations when the other revenues are insufficient to meet the obligations."

18. Sufficiency of Net Revenues; Coverage Test. It is hereby found, determined and declared that the net revenues of the System are sufficient to pay, together with other sums pledged to the payment of the Outstanding Bonds, one hundred five percent of the principal of and interest on the Bonds and the Outstanding Bonds. It is hereby found, determined and declared that the net revenues of the System together the net revenues of the municipal water system are sufficient to pay, together with other sums pledged to the payment of the Outstanding Utility Revenue Bonds, one hundred five percent of the principal of and interest on the Outstanding Utility Revenue Bonds. The net revenues of the System are hereby pledged on a parity lien with the Outstanding Bonds and the Outstanding Utility Revenue Bonds to the payment of the of the Bonds, but solely to the extent required to meet, together with other pledged sums, the principal and interest requirements of the Bonds.

Nothing contained herein shall be deemed to preclude the City from making further pledges and appropriations of the net revenues of the System for the payment of other or additional obligations of the City, provided that it has first been determined by the City Council that the estimated net revenues of the System will be sufficient in addition to all other sources, for the payment of the Bonds and such additional obligations and any such pledge and appropriation of the net revenues of the System may be made superior or subordinate to, or on a parity with the pledge and appropriation herein.

19. Covenant to Maintain Rates and Charges. In accordance with Minnesota Statutes, Section 444.075, the City hereby covenants and agrees with the Holders of the Bonds that it will impose and collect charges for the service, use, availability and connection to the System at the times and in the amounts required to produce net revenues adequate to pay all principal and interest when due on the Bonds. Nothing herein shall preclude the City from levying taxes for

the payment of the principal and interest on of the Bonds, as permitted by Minnesota Statutes, Section 115.46.

20. Defeasance. When all Bonds have been discharged as provided in this paragraph, all pledges, covenants and other rights granted by this resolution to the registered holders of the Bonds shall cease, to the extent permitted by law. The City may discharge its obligations with respect to any Bonds which are due on any date by irrevocably depositing with the Bond Registrar on or before that date a sum sufficient for the payment thereof in full; or if any Bond should not be paid when due, it may nevertheless be discharged by depositing with the Bond Registrar a sum sufficient for the payment thereof in full with interest accrued to the date of such deposit. The City may also discharge its obligations with respect to any prepayable Bonds called for redemption on any date when they are prepayable according to their terms, by depositing with the Bond Registrar on or before that date a sum sufficient for the payment thereof in full, provided that notice of redemption thereof has been duly given. The City may also at any time discharge its obligations with respect to any Bonds, subject to the provisions of law now or hereafter authorizing and regulating such action, by depositing irrevocably in escrow, with a suitable banking institution qualified by law as an escrow agent for this purpose, cash or securities described in Minnesota Statutes, Section 475.67, Subdivision 8, bearing interest payable at such times and at such rates and maturing on such dates as shall be required, without regard to sale and/or reinvestment, to pay all amounts to become due thereon to maturity or, if notice of redemption as herein required has been duly provided for, to such earlier redemption date.

21. Compliance With Reimbursement Bond Regulations. The provisions of this paragraph are intended to establish and provide for the City's compliance with United States Treasury Regulations Section 1.150-2 (the "Reimbursement Regulations") applicable to the "reimbursement proceeds" of the Bonds, being those portions thereof which will be used by the City to reimburse itself for any expenditure which the City paid or will have paid prior to the Closing Date (a "Reimbursement Expenditure").

The City hereby certifies and/or covenants as follows:

(a) Not later than sixty days after the date of payment of a Reimbursement Expenditure, the City (or person designated to do so on behalf of the City) has made or will have made a written declaration of the City's official intent (a "Declaration") which effectively (i) states the City's reasonable expectation to reimburse itself for the payment of the Reimbursement Expenditure out of the proceeds of a subsequent borrowing; (ii) gives a general and functional description of the property, project or program to which the Declaration relates and for which the Reimbursement Expenditure is paid, or identifies a specific fund or account of the City and the general functional purpose thereof from which the Reimbursement Expenditure was to be paid (collectively the "Project"); and (iii) states the maximum principal amount of debt expected to be issued by the City for the purpose of financing the Project; provided, however, that no such Declaration shall necessarily have been made with respect to: (i) "preliminary expenditures" for the Project, defined in the Reimbursement Regulations to include engineering or architectural, surveying and soil testing expenses and similar prefatory costs, which in the aggregate do not exceed twenty percent of the "issue price" of the Bonds, and (ii) a *de minimis* amount of

Reimbursement Expenditures not in excess of the lesser of $100,000 or five percent of the proceeds of the Bonds.

(b) Each Reimbursement Expenditure is a capital expenditure or a cost of issuance of the Bonds or any of the other types of expenditures described in Section 1.150-2(d)(3) of the Reimbursement Regulations.

(c) The "reimbursement allocation" described in the Reimbursement Regulations for each Reimbursement Expenditure shall and will be made forthwith following (but not prior to) the issuance of the Bonds and in all events within the period ending on the date which is the later of three years after payment of the Reimbursement Expenditure or one year after the date on which the Project to which the Reimbursement Expenditure relates is first placed in service.

(d) Each such reimbursement allocation will be made in a writing that evidences the City's use of Bond proceeds to reimburse the Reimbursement Expenditure and, if made within thirty days after the Bonds are issued, shall be treated as made on the day the Bonds are issued.

Provided, however, that the City may take action contrary to any of the foregoing covenants in this paragraph upon receipt of an opinion of its Bond Counsel for the Bonds stating in effect that such action will not impair the tax-exempt status of the Bonds.

22. Continuing Disclosure. The City is the sole obligated person with respect to the Bonds. The City hereby agrees, in accordance with the provisions of Rule 15c2-12 (the "Rule"), promulgated by the Securities and Exchange Commission (the "Commission") pursuant to the Securities Exchange Act of 1934, as amended, and a Continuing Disclosure Undertaking (the "Undertaking") hereinafter described to:

(a) Provide or cause to be provided to the Municipal Securities Rulemaking Board (the "MSRB") by filing at www.emma.msrb.org in accordance with the Rule, certain annual financial information and operating data in accordance with the Undertaking. The City reserves the right to modify from time to time the terms of the Undertaking as provided therein.

(b) Provide or cause to be provided to the MSRB notice of the occurrence of certain events with respect to the Bonds in not more than ten (10) business days after the occurrence of the event, in accordance with the Undertaking.

(c) Provide or cause to be provided to the MSRB notice of a failure by the City to provide the annual financial information with respect to the City described in the Undertaking, in not more than ten (10) business days following such occurrence.

(d) The City agrees that its covenants pursuant to the Rule set forth in this paragraph and in the Undertaking is intended to be for the benefit of the Holders of the Bonds and shall be enforceable on behalf of such Holders; provided that the right to enforce the provisions of these covenants shall be limited to a right to obtain specific enforcement of the City's obligations under the covenants.

The Mayor and Clerk of the City, or any other officer of the City authorized to act in their place (the "Officers") are hereby authorized and directed to execute on behalf of the City the Undertaking in substantially the form presented to the City Council subject to such modifications thereof or additions thereto as are (i) consistent with the requirements under the Rule, (ii) required by the Purchaser of the Bonds, and (iii) acceptable to the Officers.

23. State Credit Enhancement Program. The City hereby ratifies and confirms its covenants in the resolution duly adopted on May 17, 2016, obligating itself to notify the Commissioner of Management and Budget of the State of Minnesota of a potential default in payment of the Bonds and to use the provisions of Minnesota Statutes, Section 446A.086 to guarantee the payment of principal and interest on the Bonds. The Mayor and Clerk are hereby authorized and directed to enter into an agreement with the paying agent for the Bonds or any department of the State of Minnesota required by the provisions of Minnesota Statutes, Section 446A.086.

24. General Obligation Pledge. For the prompt and full payment of the principal and interest on the Bonds, as the same respectively become due, the full faith, credit and taxing powers of the City shall be and are hereby irrevocably pledged. If the balance in the Debt Service Account is ever insufficient to pay all principal and interest then due on the Bonds and any other bonds payable therefrom, the deficiency shall be promptly paid out of any other funds of the City which are available for such purpose, and such other funds may be reimbursed with or without interest from the Debt Service Account when a sufficient balance is available therein.

25. Certificate of Registration. A certified copy of this resolution is hereby directed to be filed with the County Auditor of Isanti County, together with such other information as the County Auditor shall require, and there shall be obtained from the County Auditor a certificate that the Bonds have been entered in the Bond Register.

26. Records and Certificates. The officers of the City are hereby authorized and directed to prepare and furnish to the Purchaser, and to the attorneys approving the legality of the issuance of the Bonds, certified copies of all proceedings and records of the City relating to the Bonds and to the financial condition and affairs of the City, and such other affidavits, certificates and information as are required to show the facts relating to the legality and marketability of the Bonds as the same appear from the books and records under their custody and control or as otherwise known to them, and all such certified copies, certificates and affidavits, including any heretofore furnished, shall be deemed representations of the City as to the facts recited therein.

27. Negative Covenant as to Use of Bond Proceeds and Project. The City hereby covenants not to use the proceeds of the Bonds or to use the Project, or to cause or permit them to be used, or to enter into any deferred payment arrangements for the cost of the Project, in such a manner as to cause the Bonds to be "private activity bonds" within the meaning of Sections 103 and 141 through 150 of the Code.

28. Tax-Exempt Status of the Bonds; Rebate. The City shall comply with requirements necessary under the Code to establish and maintain the exclusion from gross income under Section 103 of the Code of the interest on the Bonds, including without limitation

(1) requirements relating to temporary periods for investments, (2) limitations on amounts invested at a yield greater than the yield on the Bonds, and (3) the rebate of excess investment earnings to the United States if the Bonds (together with other obligations reasonably expected to be issued and outstanding at one time in this calendar year) exceed the small issuer exception amount of $5,000,000.

For purposes of qualifying for the exception to the federal arbitrage rebate requirements for governmental units issuing $5,000,000 or less of bonds, the City hereby finds, determines and declares that.

(a) the Bonds are issued by a governmental unit with general taxing powers;

(b) no Bond is a private activity bond;

(c) ninety-five percent or more of the net proceeds of the Bonds are to be used for local governmental activities of the City (or of a governmental unit the jurisdiction of which is entirely within the jurisdiction of the City); and

(d) the aggregate face amount of all tax exempt bonds (other than private activity bonds) issued by the City (and all subordinate entities thereof, and all entities treated as one issuer with the City) during the calendar year in which the Bonds are issued and outstanding at one time is not reasonably expected to exceed $5,000,000, all within the meaning of Section 148(f)(4)(D) of the Code.

29. Designation of Qualified Tax-Exempt Obligations. In order to qualify the Bonds as "qualified tax-exempt obligations" within the meaning of Section 265(b)(3) of the Code, the City hereby makes the following factual statements and representations:

(a) the Bonds are issued after August 7, 1986;

(b) the Bonds are not "private activity bonds" as defined in Section 141 of the Code;

(c) the City hereby designates the Bonds as "qualified tax-exempt obligations" for purposes of Section 265(b)(3) of the Code;

(d) the reasonably anticipated amount of tax-exempt obligations (other than private activity bonds, treating qualified 501(c)(3) bonds as not being private activity bonds) which will be issued by the City (and all entities treated as one issuer with the City, and all subordinate entities whose obligations are treated as issued by the City) during this calendar year 2016 will not exceed $10,000,000;

(e) not more than $10,000,000 of obligations issued by the City during this calendar year 2016 have been designated for purposes of Section 265(b)(3) of the Code; and

(f) the aggregate face amount of the Bonds does not exceed $10,000,000.

The City shall use its best efforts to comply with any federal procedural requirements which may apply in order to effectuate the designation made by this paragraph.

30. Official Statement. The Official Statement relating to the Bonds prepared and distributed by Purchaser is hereby approved and the officers of the City are authorized in connection with the delivery of the Bonds to sign such certificates as may be necessary with respect to the completeness and accuracy of the Official Statement.

31. Payment of Issuance Expenses. The City authorizes the Purchaser to forward the amount of Bond proceeds allocable to the payment of issuance expenses to the Bond Registrar on the closing date for further distribution as directed by the Purchaser.

32. Severability. If any section, paragraph or provision of this resolution shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such section, paragraph or provision shall not affect any of the remaining provisions of this resolution.

33. Headings. Headings in this resolution are included for convenience of reference only and are not a part hereof, and shall not limit or define the meaning of any provision hereof.

The motion for the adoption of the foregoing resolution was duly seconded by member _____ and, after a full discussion thereof and upon a vote being taken thereon, the following voted in favor thereof:

and the following voted against the same:

Whereupon the resolution was declared duly passed and adopted.

STATE OF MINNESOTA
COUNTY OF ISANTI
CITY OF ISANTI

I, the undersigned, being the duly qualified and acting Clerk of the City of Isanti, Minnesota, do hereby certify that I have compared the attached and foregoing extract of minutes with the original thereof on file in my office, and that the same is a full, true and complete transcript of the minutes of a meeting of the City Council, duly called and held on the date therein indicated, insofar as such minutes relate to providing for the issuance and the sale of $2,605,000 General Obligation Sewer Revenue Bonds, Series 2016A.

WITNESS my hand on June 21, 2016.

City Clerk

EXHIBIT A

PROPOSALS

Request for City Council Action

To: Mayor Wimmer
Members of the City Council

From: Katie Everett
Community Events and Parks Coordinator

Date: June 21, 2016

Subject: A Resolution Approving a Special Event Request from the North 65 Chamber of Commerce for Jubilee Days.

Background

The City received a special event application from the North 65 Chamber of Commerce for Jubilee Days. The event will consist of a parade to be held on Thursday, July 7th from 3:00 p.m. to 10:30 p.m. The parade will have approximately 200 entries (businesses, marching bands, flyover, food and miscellaneous vendors). Set-up for the parade will take place at the Isanti Middle School. Participants will travel along Oakwood St NW, cross Whiskey Rd NW and start down Main Street W.

The official parade start is at the intersection of 5th Ave and Main St W. A map showing the parade route has been included as part of their special event application for Council review. An estimated 5,000 people are anticipated to attend the parade. No parking signs will be posted along the parade route and Credit Union Dr NE. In terms of clean-up plans, volunteers and the City's Public Works staff have been requested. Food vendors will be located along the parade route. KBEK will be playing music and announcing at the corner of 1st Ave and Main St W. The group is requesting electric access at 30 West Main St.

On Saturday, July 9th from 7:00 a.m. to 4:00 p.m. will be the Kids Free Fun Day. There will be games, turtle races, outhouse races, fun run, and the kiddie parade. In addition, there will be a craft fair. The craft fair portion of the event will take place on both sides of Main Street between 1st Ave NW and 2nd Ave NW. There will be approximately 3000 in attendance this day.

Other events will take place along Main St W from 1st Ave NW to just west of the railroad tracks, so the street will be closed for the events. A stage and other activities are set to occur in this area. In addition, the City Hall parking lot, the grassy area just to the east of City Hall to the railroad right-of-way will also be used for this event. There will be no parking along Main Street W prior to the close of the street; and signs must be placed accordingly. Volunteers will help to clean the areas that were used for these events.

In addition, there would be a temporary closure of Main St W and 2nd Ave SW from the church driveway to Main Street W and 2nd Ave SW and Main St W and the 1st AveW and Main St W intersections for the Kiddie parade. The estimated closure time for these areas is about a half an hour. Clean-up of the area will be completed by volunteers.

The applicant is also requesting to place some temporary signage for the event, one of which would be located on City property (401 1st Ave NW); the northwest corner of County Road 5 NW and 1st Ave NW. Temporary folding signs will be placed for games and sponsors of the event. Crafters coming to the area for the craft show may also display signs for the event. Signs located on City property require approval by the City Council. The remaining signs will be displayed on private property. Permission from the property owner is required. The signs will be removed after the event has ended. For a temporary sign, a $50 application fee is required. The applicant would be requesting that the application fee for this community event be waived. The applicant has also noted that they would like to request use of the community sign; a separate application is required.

Some small tents, moonwalk equipment, and pony ride areas will also be provided throughout this area during the event.

The applicant will be contracting with Absolute Portables to provide the necessary portable restroom facilities for the event. A list of locations for portable restrooms has been included with the application materials.

Assistance has been requested of the Isanti Police Department to provide security to the area the day of the event. The Isanti Fire District will be on notice that day; and called if or when necessary for assistance. There are no formal tickets sold for the event. The Chamber of Commerce does appreciate donations, but they are not required. The purpose of any money that is collected by donation is to help cover the expenses associated with the event.

The applicant has provided a list of requests from the City for Jubilee Days, which has been attached for Council review.

A copy of the application, details and departmental review has been attached for City Council review.

Staff Request

The North 65 Chamber of Commerce is going to need to coordinate the activities with the Isanti Police Department, Isanti Fire District, and Isanti Public Works.

The North 65 Chamber of Commerce will also need to work with staff to get the necessary paperwork and approval for a peddlers permit for the vendor fair.

On June 9, DOAC discussed the above special event permit. A breakdown of costs associated with Public Works services for the Jubilee Days events was provided as follows:

PW setting up/ clean-up for Jubilee/Parade Special Event and cost per fee schedule ($50/hr/person) of PW time:
2 people – 4 hrs – putting out and picking up no parking signs and cones = $400.00
2 people – 3 hrs – bringing and putting back picnic tables from parks = $300.00
3 people – 4 hrs – picking up after the parade with sweeper and backpack blowers = $600.00
Total cost is $1,300.00

These costs reflect only services which have been provided by Public Works consistently over the past several years of the event and do not reflect costs incurred through other departments in association with the event. The committee feels it is important to review these expenditures periodically.

Because of the expanded municipal parking area, the layout for activities for Kids Day will be different in 2016. The organizers have requested that the City of Isanti help with fencing of the retaining pond area between the parking lot and the railroad tracks east of City Hall.

DOAC recommends that City Council approve the Special Event Permit for Jubilee Days with the exception of Public Works assistance with the retaining pond fencing. The committee recommends that Council allow

temporary fencing to be supplied and installed by the organizers, and if they choose to do so, the City of Isanti will call in the necessary utility locates for the area.

City staff is requesting action on this item.

RESOLUTION 2016-

A RESOLUTION APPROVING A SPECIAL EVENT REQUEST FROM THE NORTH 65 CHAMBER OF COMMERCE FOR JUBILEE DAYS

WHEREAS, the North 65 Chamber of Commerce will be holding the Jubilee Days event July 7 and July 9, 2016; and

WHEREAS, the North 65 Chamber of Commerce is requesting City assistance and services that will assist their organization to hold the event; and

WHEREAS, the North 65 Chamber of Commerce submitted an application for the placement of a temporary sign(s) on City Property to promote the Jubilee Days events and has requested a waiver from the temporary sign application permit fee; and

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, to hereby approve that the City provide assistance in the areas as provided below to the North 65 Chamber of Commerce for the Jubilee Days event, to be held July 7 and July 9, 2016:

July 7, 2016:

1. Delivery of the big stage to 1st and Main by early morning
2. Police traffic control for attached parade route
3. Orange cones for street closures, marking vendor areas and parade entry line up
4. No parking signs installed along parade route and line up
5. No parking signs installed on the west side of 5th Ave (marching band line up)
6. Power at 30 West Main
7. Use of land from SE corner of Mattson Park going north and west 50' by 30' deep for placement of food vendors
8. Use of vacated right of way at 2nd Ave SW and Elizabeth

July 9, 2016:

1. Street closure of Main Street from 1st Avenue to driveway entrance west of railroad tracks from 6:00am to 4:30pm
2. Street closure of Main Street from 2nd Avenue to 1st Avenue from 6:00am to 4:30pm
3. Temporary Main St. closure 2nd Ave from church driveway to Main St. and temporary closure of the 2nd Ave and Main St and the 1st Ave and Main St intersections for the Kidding Parade (approximately ½ hour)
4. Use of City Hall and Isanti Community Center parking lot for food vendors
5. Use of City property east of City Hall to railroad right of way for Kids Day
6. Use of City picnic tables and delivery of tables to City Hall by public works and return of picnic tables by public works
7. Placement of temporary signs on the corner of Heritage Blvd and 1st Ave
8. Waiver of temporary sign fees

BE IT FURTHER RESOLVED by the City Council of the City of Isanti, Minnesota that the requested Special Event Permit hereby be approved with the following condition(s):

1. Coordinate the activities that are needed with the Isanti Police Department, Isanti Fire District, and Isanti Public Works.

AND FURTHERMORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota that this Resolution is hereby the 'Permit' for the above stated Special Event.

This Resolution hereby approved by the Isanti City Council this 21st day of June, 2016.

Attest: _____ Mayor George A. Wimmer

-EVENT SPONSOR-
RELEASE AND INDEMNIFICATION AGREEMENT

City of Isanti

THIS IS A RELEASE OF LIABILITY INDEMNIFICATION AGREEMENT. SPECIAL EVENTS HOLDER MUST READ CAREFULLY BEFORE SIGNING.

In consideration for being permitted to engage in the following special event activities on property owned by the City of Isanti:

July 7 and 9 - Isanti Rodeo Jubilee Days Parade and Kids Day

Special Events Holder hereby acknowledges, represents, and agrees as follows:

A. We understand that the above described activities are or may be dangerous and do or may involve risks of injury, loss, or damage to us and/or third parties. We further acknowledge that such risks may include but not be limited to bodily injury, personal injury, sickness, disease, death, and property loss or damage, arising from the following circumstances, among others:

(Special Events Holder Initials Here) MB

B. If required by this paragraph, we agree to require each participant to our special event to execute a **RELEASE AND INDEMNIFICATION AGREEMENT** for ourselves and for the City of Isanti, on a form approved by the City of Isanti.

Participant Release and Indemnification required? YES ____ NO X

(Special Events Holder Initials Here) MB

C. We agree to procure, keep in force, and pay for special event insurance coverage, from an insurer acceptable to the City of Isanti, for the duration of the above described activities.

(Special Events Holder Initials Here) MB

D. By signing this **RELEASE AND INDEMNIFICATION AGREEMENT,** we hereby expressly assume all such risks of injury, loss, or damage to us or any related third party, arising out of or in any way related to the above described activities,

whether or not caused by the act, omission, negligence, or other fault of the City of Isanti, its officers, its employees, or by any other cause.

(Special Event Holder Initials Here) MB

E. By signing this **RELEASE AND INDEMNIFICATION AGREEMENT,** we further hereby exempt, release and discharge the City of Isanti, its officers, and its employees from any and all claims, demands, and actions for such injury, loss or damage to us or to any third party, arising out of or in any way related to the above described activities, whether or not caused by the act, omission, negligence, or other fault of the City of Isanti, its officers, its employees, or by any other cause.

(Special Event Holder Initials Here) MB

F. We further agree to defend, indemnify and hold harmless the City of Isanti, its officers, employees, insurers, and self insurance pool, from and against all liability, claims, and demands, court costs and attorney fees, including those arising from any third party claim asserted against the City of Isanti, its officers, employees, insurers or self insurance pool, on account of injury, loss or damage, including without limitation claims arising from bodily injury, personal injury, sickness, disease, death, property damage or loss, or any other loss of any kind whatsoever, which arise out of or are in any way related to the above described activities, whether or not caused by our act, omission, negligence, or other fault of the City of Isanti, its officers, its employees, or by any other cause.

(Special Event Holder Initials Here) MB

G. By signing this **RELEASE AND INDEMNIFICATION AGREEMENT,** we hereby acknowledge and agree that said Agreement extends to all acts omissions, negligence, or other fault of the City of Isanti, its officers, and/or its employees, and that said Agreement is intended to be as broad and inclusive as is permitted by the laws of the State of Minnesota. If any portion thereof is held invalid, it is further agreed that the balance shall, notwithstanding, continue in full legal force and effect.

(Special Event Holder Initials Here) MB

H. We understand and agree that this **RELEASE AND INDEMNIFICATION AGREEMENT** shall be governed by the laws of the State of Minnesota and that jurisdiction and venue for any suit or cause of action under this agreement shall lie in the courts.

(Special Event Holder Initials Here) MB

I. This **RELEASE AND INDEMNIFICATION AGREEMENT** shall be effective as of the date or dates of the applicable special event, shall continue in full force until our responsibilities hereunder are fully discharged, and shall be binding upon us, or successors, representatives, heirs, executors, assigns, and transferees.

(Special Event Holder Initials Here) MB

IN WITNESS THEREOF, THIS RELEASE AND INDEMNIFICATION AGREEMENT is executed by the special event holder, acting by and through the undersigned, who represents that he or she is property authorized to bind the Special Events Holder hereto.

To Whom It May Concern:

The 2016 Isanti Rodeo Jubilee Days will be July 7 through July 10, 2016.

This letter is to inform you, the business owner and/or resident, of the City of Isanti use of public streets and/or land for the events of Jubilee Days as follows:

Thursday, July 7, 2016
Parade beginning at Main Street and 5th Avenue, traveling east along Main Street, then south on 4th Ave, east on Elizabeth, North on 2nd Ave, east on Main Street, south on Railroad Ave, east on Broadway ending at Strike Funeral Home. Parade begins at 6:30pm.

Saturday, July 9, 2016
Main Street from 2nd Ave east to 1st Ave will be closed from 6:00am until 4:30pm. A craft fair will be held at this location from 9am to 3pm. Main Street from 1st Ave to just west of the railroad tracks will be closed from 6:00am until 4:30pm. Numerous activities will be held such as a run /walk, presentations, turtle races, kid's games, outhouse races.

There will be no parking available in the City Hall parking lot from 7am until 4pm. The City Hall/Community Center parking lot and the area east of City Hall to the tracks, north to the Community Center and south including the alley will be utilized for kids games, food and misc. vendors, exhibits by the Fire and Police Departments, wellness screening, etc.

Subject: Urgent Special Event

Hello,

I have received the special event permit for Jubilee Days (Parade and Kids Day). Please review it by noon on Thursday (6/1/16) so that it can be included on the June 7th Council Agenda. For the most part, the event is similar to previous years, but the layout of Kid's Day is different with the parking addition at City Hall. I know that you have both been included in the planning process of these events, so I hope that what is included is what you already expect.

Please respond with your approval or comments.

Thank you,

Katie Everett

North 65 Chamber of Commerce
July 7-10, 2016 Isanti Rodeo Jubilee Days

Isanti's Rodeo Jubilee Days activities are sponsored a variety of organizations within the Isanti community including the Lions, Firefighters, Churches, VFW, many local businesses and the Chamber of Commerce. These events provide activities for families in our community, many of which are free. A copy of the brochure from last year's event details all of the activities. This year's brochure is in the proofing process right now and includes a nearly identical selection of activities.

The North 65 Chamber of Commerce coordinates these activities as part of its mission to promote business growth, provide resources and enhance partnerships to support a thriving community.

2015 Isanti Rodeo Jubilee Days

The Isanti Jubilee Days Committee is made up of interested citizens & civic groups who voluntarily serve to promote Isanti through its annual community celebration in conjunction with the Isanti Firefighter's Rodeo. The committee meets throughout the year & welcomes any new members and/or ideas.

The 2015 Jubilee Days Committee Includes:

Jubilee Days Chair: ***Dave Englund***
Rodeo Chair: ***Tom Pagel***
Isanti Ambassador Program: ***Kirsten Knutson***
Heritage Corral: ***Jan Peterson***
Parade: ***Brian Strike***
Family Fitness Run/Walk: ***Heidi Leitha***
Kids Activities: ***Sue Beckman***
Corn Feed/Turtle Races: ***Joe Mau***

Community Events and Parks Coordinator

Date: June 21, 2016

Subject: Isanti Community Center Rental Application

Background:
The rental application for the Isanti Community Center was found by city staff to be confusing to members of the public interested in reserving the facility. A few changes have been made to clarify how the facility operates and the renters' responsibilities. The application now clearly states that the facility is not staffed and renters are responsible for picking up a key at City Hall during business hours (on days designated by staff). Staff have also seen an increase in interest for paid cleaning services after events, so the checkout sheet has been updated to reflect renter responsibilities whether they pay for custodian services or elect to clean the facility on their own. All fees remain the same.

In addition to this update, a confirmation letter has been drafted as another reminder of the Community Center rental policies. This letter will also serve as the formal document for proof of reservation.

All updated documents are attached for council review.

Staff Request:
Staff is requesting council review and approve the updated Isanti Community Center rental information.

Attachments:
- Resolution 2016-XXX
- Community Center Rental Information (application and checkout form)
- Reservation Confirmation Letter

RESOLUTION NO. 2016-XXX

A RESOLUTION APPROVING UPDATES TO ISANTI COMMUNITY CENTER RENTAL INFORMATION

WHEREAS, there exists a "Rental Information for the Isanti Community Center" document which is given to all renters; and,

WHEREAS, city staff have received several common questions regarding renting the facility; and,

WHEREAS, city staff have updated the application materials to clarify rental policies and renter responsibilities; and,

WHEREAS, a reservation confirmation letter has been drafted and will be sent for all rentals;

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Isanti, Minnesota to hereby approve the updated Isanti Community Center rental information.

Adopted by the Isanti City Council this 21st day of June, 2016.

Rental Information for the Isanti Community Center

**Please Note:

1. Requests are filled on a first come, first serve basis.
2. All checks shall be made payable to the City of Isanti.
3. Renters may access the building starting at 8:00 a.m. All evening events must end by 12:00 a.m. (midnight) as the facility must be vacated by 1:00 a.m.
4. The Isanti Community Center is not staffed – a key must be picked up at City Hall between 8:00 a.m.-4:30 p.m. on days designated by the Community Events and Parks Coordinator.
5. Key must be returned within 48 hours after rental.

Rental Fee Information:

To reserve your date, payment of the rental fee is required at the time of application.

1. Special Event $275.00, plus tax
   (Includes use of the kitchen. Dishes and utensils not provided. With or without alcohol. Greater than 50 individuals in attendance.)

2. Private (less than 50 individuals) or For-Profit Organizations
   $100.00, plus tax (full day)
   $ 50.00, plus tax (4 hours or less)

3. Non-Profit Organizations (less than 50 individuals)
   $50.00, plus tax* (full day)
   $25.00, plus tax* (4 hours or less)
   **unless exempt*

4. Monthly rental rates for sponsored organizations and other youth groups are available. Please contact the Community Events and Parks Coordinator to schedule a meeting to see if a monthly option is right for you.

Damage Deposit

A damage deposit of $250.00 is required for holding for all rentals and is due at the time of application. Your damage deposit will be refunded after the event upon returning the key to the facility, returning the completed checkout form, and the City has completed a final inspection of the facility.

Damage fees will be charged as follows:

Cleaning	$ 35 per hour (minimum), plus tax
Tables	$100 each, plus tax
Chairs	$ 20 each, plus tax
Unreturned keys	$250, plus tax
Other Items	To be determined based on replacement cost, plus tax.

Equipment Available to Rent (larger deposit may be required)

LCD Home Theater Projector on cart	$50, plus tax
9' Portable Screen	$20, plus tax
Blu Ray DVD Player	$15, plus tax
Speakers (includes tripod stands if requested)	$15, plus tax
Podium	$10, plus tax

Additional Terms

Events with Alcohol:

- Alcohol is prohibited on the premises unless specifically approved by the facility Community Events and Parks Coordinator as part of the Rental Agreement.
- If alcohol is approved by the Community Events and Parks Coordinator to be served at the Event, it shall not be sold unless sold by a licensed caterer or provider with a valid liquor license and proof of required insurance coverage naming the City as an additional insured (see Liability Insurance section).
- All beverages served must be from a non-glass container.
- Security is required at Special Events serving alcohol. Obtaining and payment for security is the renter's responsibility. Proof of security for special event must be given to Community Events and Parks Coordinator at least 30 days prior to event.
- If alcohol is permitted, service must end one hour prior to the end of the event.
- If alcohol is served, the Renter must have adequate procedures in place to ensure that no one under the age of 21 is served alcohol and to ensure no one is served alcohol in an amount to cause intoxication.
- If the Renter is found to have violated the alcohol policy as stated above or had not received prior approval for alcohol at the Event, the City shall immediately terminate the Event and declare the Renter in breach of the Rental Agreement.

Certificate of Liability Insurance:

- A Certificate of Liability insurance is required for all Special Events Rentals. The City, in its discretion may require Full Day Rentals to provide a Certificate of Liability Insurance meeting the requirements below.
- $1,000,000 minimum coverage per occurrence and $300,000 per claimant.
- Your Certificate of Liability insurance copy is to be received by the Community Events and Parks Coordinator at least 30 days prior to the event.
- The City shall be named as an additional insured on the Certificate.
- The insurance policy must be issued by an insurance company licensed to do business in the state of Minnesota.
- Insurance shall cover liability for injury, death and property damage, including coverage for alcohol-related claims.

Cleaning: This category, and others below, should probably have bullets to match the rest ☺

- Renters have the option of cleaning the facility themselves after the event or hiring assistance for the cleaning for a fee. Prior arrangements for hired cleaning to be completed on their behalf must be made thirty (30) days prior to the event and approved by the Community Events and Parks Coordinator. **The cleaning fee of $125.00, plus tax shall be paid directly to the City of Isanti. Renters are still responsible for removing all personal belongings, decorations, and trash from the premises – a complete list of responsibilities can be found at the end of this packet. The cleaning fee provides 2 hours of custodian services; each additional hour of cleaning will be billed to the renter at $35/hr.** Confetti, paper shredding machines, fog machines, bubble machines and rice are not permitted in the facility. A portion of your damage deposit will be withheld if additional cleaning services are required due to the usage of the above stated items at a rate of $35.00 per hour.
- Tables and chairs must be returned to their location as part of Rental cleanup. The Renter is responsible for leaving the facility in as good or better condition than found (see ICC check out form).
- It is suggested that you do not serve liquids that may stain easily (i.e. red koolaid) and that you use table clothes to prevent staining of the tables.

Smoking.

- Smoking is prohibited inside the Community Center at all times.
- Smoking is permitted outdoors of the facility in designated posted areas only. Smoking in non-designated areas or indoors will result in a $200 damage fee.

Parking.

- No parking is allowed in front of surrounding residential houses or areas which would prohibit local residents from accessing their property.
- Additional public parking can be found in the City Hall parking lot.

Refund Policy.

- Cancellation of your event prior to 14 days before your scheduled event will result in a full refund. Cancellation of your event within 14 days of your scheduled event date will result in no refund of your rental fee. Security deposit will be refunded. If the City cancels an Event, the Renter may be entitled to a full refund of any fees paid unless the Renter was in breach of the rental agreement.

Facility Capacity/Tables/Chairs.

- The facility has a maximum capacity of 215 people. Tables and chairs (for inside use only) are available at no extra cost. There are 30 – 6' rectangle tables in the walk-in closet in the main hall near the drinking fountain. There are 50 non-folding chairs and 160 folding chairs.

Key Pick-up and Return.

- The key to get into the Community Center must be checked-out and picked-up from City Hall during business hours between 8:00 a.m. – 4:30 p.m. on the dates designated from the Community Events & Parks Coordinator. The key will not be checked-out on Saturday or Sundays. If you do not pick-up the key during business hours on the designated days leading up to your reservation, your

reservation will be determined cancelled by you, the Renter, and no rental refund will be issued.

- The key must be returned to City Hall during business hours between 8:00 a.m. – 4:30 p.m. within 48 hours of the rental.

Address for Isanti Community Center.

The physical address for the ICC is: 208 ½ First Ave NW, Isanti MN 55040

Directions from intersection of Isanti County Road 5 and Hwy 65: Travel West on County Road 5 (Heritage Blvd) for approximately 1/2 mile until you reach First Avenue NW (Isanti Police Station and Historic Downtown Sign on the Northwest corner). Turn left (South) and look for Community Center sign on your left (about 500 feet) and turn left just after the Community Center sign.

LIBILITY REQUIREMENT

I understand that I may have to provide proof of liability insurance in the amount noted within the Rental Information for the Isanti Community Center 30 days prior to my Rental. I hereby personally agree to indemnify and hold harmless the City of Isanti, its employees and agents, for any liability whatsoever, whether to myself, or other persons or entities, resulting from consumption by any person of alcoholic beverages at the event or function I have requested to be scheduled at the Isanti Community Center.

In addition, if said event or function is sponsored by any organization, I hereby represent that I have the authority to act on behalf of the organization, and I hereby agree, on behalf of the organization named in the Reservation/Application, that said organization will indemnify and hold harmless the City of Isanti, it's employees or agents, from any liability whatsoever, whether to said organization or other persons or entities, resulting from consumption of alcoholic beverages at said event or function.

CLEANING/DAMAGE DEPOSIT

The damage deposit of **$250.00** is due at the date of application.

RENTAL FEES

To reserve your date, the rental fee is due upon approval of the application.

NO GUARANTY OF AVAILABILITY

I understand that even though I have reserved the Community Center for the date and time specified in this application, it is possible that the Community Center may be unavailable for my use on that date if any major component necessary for the comfortable or safe accommodation of those intending to use the facility should fail or become non-functional prior to the date and time of my planned event. Therefore the City of Isanti cannot and does not guarantee the availability of the facility for my event. In the event of a component failure the rental and deposit fees will be returned to the renter.

Component failures that could cause cancellation of my event include but are not necessarily limited to the heating, ventilation, air conditioning or fire sprinkler systems and major kitchen appliances and equipment.

I, as applicant, assume all risk that my event may have to be cancelled with or without prior notice in case of any such component failure which in the sole judgment of the City of Isanti makes it unsafe, impractical or economically non-feasible to accommodate my event as scheduled. I hereby waive any potential claim of liability against the City of Isanti resulting from any such cancellation and further hereby agree to hold the City of Isanti, its employees, agents and officers harmless from any and all claims or liability for any damages resulting or allegedly resulting to any person or entity as a consequence of the cancellation of my planned event due to the failure or non-functioning of any such component.

SECURITY REGULATIONS

I hereby confirm that I have read and will abide to the Regulations and Terms as provided on the Rental Agreement sheet.

Request for Council Action

To: Mayor Wimmer
Members of the City Council

From: Roxanne Achman
Community Development Director

Date: June 21, 2016

Subject: Request from Granger Machine Inc./Crosslake Specialties LLC for Approval of a Conditional Use Permit to allow for Outdoor Storage on the property located at 512 1st Ave NW, Isanti, Minnesota.

Background

In November 2015 staff met with businesses with outdoor storage who have been operating without the required Conditional Use Permit. The businesses have been given until October 31, 2016 to bring their properties into compliance and apply for a conditional use permit.

Outdoor storage requires screening on all visible sides. Granger Machine has a storage container on the east side of their lot which requires screening. The attached site plan indicates the location of the storage container. The majority of the container is screened on the north by an accessory structure, and on the east and south by dense vegetation. Granger will be installing a 6-foot-high fence along the west side and the portion of the south side that is not screened by vegetation. The fence will be a tan Trex (composite) material or wood, both of which are permitted materials.

Staff Recommendation:

Staff recommends approval of the conditional use permit subject to the conditions for outdoor storage.

Comprehensive Plan

The Industrial Land Use category "provides for areas in the community for industrial related businesses including manufacturing, warehousing, automotive, trucking, office and other related industrial uses. This designation is primarily located on the north portion of the community between the railroad and Highway 65. These uses are not as compatible with residential as well as some commercial uses. In locations where the use may be located near residential and/or more sensitive commercial uses, screening and berming should be used to reduce its impact".

Zoning Ordinance Provisions

The "I-1" Industrial Park District is established, in an effort to expand upon employment opportunities within the community. The purpose of the Industrial Park District is to group industrial uses in locations that have adequate and convenient access to major streets, highways and the railroad line. While the City is predominately residential in character, industrial uses are an important part of the City's land use pattern. Regulations encourage the development of industrial uses that are compatible with surrounding and abutting land uses. In order to accomplish this compatibility, development within the district is intended for administrative, wholesaling, manufacturing, warehousing, office, and related uses which can maintain high standards of appearance, through building design, site design, and landscaping / screening, and not require a high level of public services. With proper control, these areas should be compatible with commercial or residential areas.

Conditional Use Permit Requirements

Upon review of a Conditional Use Permit request, the Zoning Ordinance provides factors and standards that must be reviewed by the Planning Commission. Section 21, Article 2 Conditional Uses states:

D. The Planning Commission shall hold a public hearing and consider possible adverse effects of the proposed Conditional Use. The judgment of the Planning Commission shall be based upon, but is not limited to the following factors:

1. The proposed action has been considered in relation to the specific policies and provisions of and has been found to be consistent with the goals and objectives of the Comprehensive Plan, including public facilities and capital improvement plans.
2. The proposed action meets the purpose and intent of this Ordinance and the underlying zoning district.
3. The establishment, maintenance or operation of the conditional use will promote and enhance the general public welfare and will not be detrimental or endanger the public health, safety, morals, or comfort.
4. The conditional use will not be injurious to the use and enjoyment of other property within the immediate vicinity for the purposes already permitted; nor substantially diminish or impair property values within the neighborhood.
5. The establishment of the conditional use will not impede the normal and orderly development and improvement of surrounding property for uses permitted in the district.
6. Adequate public facilities and services are available or can be reasonably provided to accommodate the use which is proposed.
7. The conditional use shall, in all other respects, conform to the applicable regulations of the district in which it is located.
8. The conditional use complies with the general and specific performance standards as specified by within this Article.

Outdoor Storage Requirements

A. Outside storage areas shall be surfaced with bituminous, concrete, or other surfaces, including but not limited to crushed rock, Class 5, or recycled materials; as recommended by the Planning Commission and approved by the City Council.

B. Outside storage area shall not be placed within required parking or loading areas, which are deemed necessary to meet code requirements.

C. Outside storage areas shall be located within the rear yard; however, outdoor storage may be located within the side yard, providing the side yard is not adjacent to or across the street from any residentially zoned property.

D. All outside storage areas shall be effectively screened year-round, by a wall, fence, or densely planted vegetation in accordance with Section 15 of this Ordinance.

E. Cars, vans, and pickup trucks parked outside and used by employees and/or visitors in the normal course of business operation will not be construed as outdoor storage. Further, outside parked trucks and semitrailers used in conjunction with normal business activities will not be construed to be outdoor storage provided (a) the total number of trucks and semi-trailers does not exceed the number of docks and/or bay doors; (b) such vehicles are currently licensed by the State of Minnesota and are in the process of delivering or picking up goods or materials, and (c) such use is not construed as an operation listed as a conditional use in the industrial zone. All other vehicles and/or equipment associated with the business shall meet the fencing and screening requirements as stipulated within this ordinance.

Certification of Taxes Paid

Prior to approving an application for approval of a Conditional Use Permit, certification must be provided to the City that there are not any delinquent property taxes, special assessments, penalties, interest, or outstanding municipal utility fees. City staff did verify with Isanti County on Friday, June 3, 2016; that all taxes associated with the property were current.

Public Notice
Notice was published within the Isanti County News on June 1st, 2016. Written notification was provided to property owners located within 350' of the subject site as required by Minnesota State Statute.

Public Comment
To date, no public comment or questions had been received.

Planning Commission Recommendation:
Motion by Kennedy second by Lundeen to recommend approval of the request from Granger Machine Inc./Crosslake Specialties LLC for Approval of a Conditional Use Permit to allow for Outdoor Storage on the property located at 512 1st Ave NW, Isanti, Minnesota based on the findings of fact and conclusions with the following conditions:

1. Outside storage areas shall be surfaced with bituminous, concrete, or other surfaces, including but not limited to crushed rock, Class 5, or recycled materials; as recommended by the Planning Commission and approved by the City Council.
2. All outside storage areas shall be effectively screened year-round, by a wall, fence, or densely planted vegetation in accordance with Section 15 of this Ordinance.

Motion carried unanimously.

Deadline for City Council Action
The City of Isanti received a complete application for a Conditional Use Permit on April 25, 2016. Pursuant to Minnesota State Statute, the City must act on this request by June 24, 2016 (60 days). The only exception to these deadlines provided would be if the City provides the petitioner with written reasons for an additional 60-day review period.

Options & Proposed Motion Language

1. Recommend Approval with No Conditions: Motion to recommend approval of the request from Granger Machine Inc./Crosslake Specialties LLC for Approval of a Conditional Use Permit to allow for Outdoor Storage on the property located at 512 1st Ave NW, Isanti, Minnesota.
2. Recommend Approval with Conditions: Motion to recommend approval of the request from Granger Machine Inc./Crosslake Specialties LLC for Approval of a Conditional Use Permit to allow for Outdoor Storage on the property located at 512 1st Ave NW, Isanti, Minnesota with the following conditions……
3. Recommend Denial: Motion to recommend denial of the request from Granger Machine Inc./Crosslake Specialties LLC for Approval of a Conditional Use Permit to allow for Outdoor Storage on the property located at 512 1st Ave NW, Isanti, Minnesota for the following reasons…….
4. Table: Motion to table the request from Granger Machine Inc./Crosslake Specialties LLC for Approval of a Conditional Use Permit to allow for Outdoor Storage on the property located at 512 1st Ave NW, Isanti, Minnesota (a specific reason and information request should be included in the motion to table).

RESOLUTION NO. 2016-

A RESOLUTION APPROVING A CONDITIONAL USE PERMIT (CUP) FOR GRANGER MACHINE, INC/CROSSLAKE SPECIALTIES LLC FOR OUTDOOR STORAGE THE PROPERTY LEGALLY DESCRIBED AS LOT 2, BLOCK 1, UNITY INDUSTRIAL PARK

WHEREAS, Crosslake Specialties LLC currently owns the property at 512 1st Ave NW, legally described as Lot 2, Block 1, Unity Industrial Park; and,

WHEREAS, the petitioner has requested a Conditional Use Permit (CUP) to allow for outdoor storage; and,

WHEREAS, the property is located within the "I-1" Industrial District, which requires a Conditional Use Permit (CUP) for outdoor storage; and,

WHEREAS, following publication, posted and mailed notice thereof, the City of Isanti Planning Commission conducted a public hearing on the proposed Conditional Use Permit on June 14th, 2016; and,

WHEREAS, the City of Isanti Planning Commission recommended approval of the proposed Conditional Use Permit subject to the conditions as listed below based upon the Findings of Fact and Conclusion as presented; and,

WHEREAS, the City Council reviewed the requested Conditional Use Permit at its regularly scheduled meeting on June 21st, 2016; and,

WHEREAS, the City Council of the City of Isanti has determined that the Conditional Use Permit meets the ordinance requirements necessary for granting approval; and,

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ISANTI, MINNESOTA, that it adopts the Findings of Fact and Conclusion related to the requested Conditional Use Permit for Granger Machine Inc/Crosslake Specialties LLC and **BE IT FURTHER RESOLVED** that the requested Conditional Use Permit to be located on the property at 512 1st Ave NW, be hereby approved subject to the following conditions:

1. Outside storage areas shall be surfaced with bituminous, concrete, or other surfaces, including but not limited to crushed rock, Class 5, or recycled materials; as recommended by the Planning Commission and approved by the City Council.
2. All outside storage areas shall be effectively screened year-round, by a wall, fence, or densely planted vegetation in accordance with Section 15 of this Ordinance.

Adopted by the Isanti City Council on this 21st day of June 2016.

Attest: _____ Mayor George A. Wimmer

_____
Lindsey McInnis
Human Resources/City Clerk

(SEAL)

FINDINGS OF FACT AND CONCLUSION

Request

Request from Granger Machine Inc./Crosslake Specialties LLC for Approval of a Conditional Use Permit to allow for Outdoor Storage on the property located at 512 1st Ave NW, Isanti, Minnesota.

Findings of Fact

1. The applicant is requesting approval of outdoor storage at the property located at 512 1st Ave NW.
2. The property is zoned "I-1" Industrial District.
3. A Conditional Use Permit is required for Outdoor Storage within the "I-1" Industrial District.
4. The petitioner submitted a Conditional Use Permit Application, the required application fee and associated materials on April 25th, 2016. Staff had reviewed such application and deemed such application complete on April 25th, 2016. Pursuant to Minnesota State Statute, the City must act on this request by June 24th, 2016 (60-day rule).
5. A public hearing date before the Planning Commission was scheduled for Tuesday, June 14th, 2016 at 7:00 p.m. at City Hall within the Council Chambers.
6. Notice of the Conditional Use Permit request was published within the Isanti- County News on Wednesday, June 1st, 2016. Notices were sent to all property owners located within 350 feet of the subject property.
7. Section 21, Article 2: Conditional Use Permits, Subdivision 3 (D) of the Zoning Ordinance establishes factors that the judgment of the Planning Commission shall be based upon when reviewing a Conditional Use Permit request as well as Section 21, Article 2: Conditional Use Permits, Subdivision 4 General Performance Standards of the Zoning Ordinance establishes additional general standards that shall be used to evaluate any proposed conditional use permit request.

Conclusions

1. In review of the standards established in Section 21, Article 2 Conditional Use (D); the following conclusions have been made (*conclusions to each requirement are shown in underlined italics)*: The Planning Commission shall hold a public hearing and consider possible adverse effects of the proposed Conditional Use. The judgment of the Planning Commission shall be based upon, but is not limited to the following factors:
   A. The proposed action has been considered in relation to the specific policies and provisions of and has been found to be consistent with the goals and objectives of the Comprehensive Plan, including public facilities and capital improvement plans.
   The proposed use for the site would be consistent with the goals and objectives of the comprehensive plan and helps bring the site into compliance.
   B. The proposed action meets the purpose and intent of this Ordinance and the underlying zoning district.
   The proposed use is existing. Receiving a conditional use permit and providing screening brings the property into compliance.
   C. The establishment, maintenance or operation of the conditional use will promote and enhance the general public welfare and will not be detrimental or endanger the public health, safety, morals, or comfort.
   The establishment of the conditional use does not appear to endanger the public health, safety, morals and comfort of the surrounding area or the community. The proposal follows the requirements further outlined in Section 13: Use Regulations for Outdoor Storage.

D. The conditional use will not be injurious to the use and enjoyment of other property within the immediate vicinity for the purposes already permitted; nor substantially diminish or impair property values within the neighborhood.
The conditional use for outdoor storage and a screening fence does not appear to diminish or impair surrounding property values. Much of the area surrounding this property is also zoned for similar uses.

E. The establishment of the conditional use will not impede the normal and orderly development and improvement of surrounding property for uses permitted in the district.
The outdoor storage area will be entirely enclosed by a screening fence, vegetation and an accessory structure. There is no reason for the storage or fence to impede development.

F. Adequate public facilities and services are available or can be reasonably provided to accommodate the use which is proposed.
Additional public facilities and services are not necessary for the proposed use.

G. The conditional use shall, in all other respects, conform to the applicable regulations of the district in which it is located.
The requested conditional use permit appears to conform to the applicable regulations required for the district and the performance standards outlined within the zoning ordinance. Conditions will be placed on any approval to ensure that the property is developed in accordance to ordinance requirements and the proposed plan provided by the applicant.

H. The conditional use complies with the general and specific performance standards as specified by within this Article.
These have been evaluated as part of the findings of fact; and can be found within this document.

2. In review of the standards established in Section 21, Article 2 Conditional Use, Subdivision 4 General Performance Standards; the following conclusions have been made (*conclusions to each requirement are shown in underlined italics)*:

A. The use and the site in question shall be served by a street of sufficient capacity to accommodate the type and volume of traffic which would be generated an adequate public right-of-way shall be provided.
This site is currently served by a street of sufficient capacity. The proposed conditional use will not change the type or volume of traffic flow for this site.

B. The site design for access and parking shall minimize internal as well as external traffic conflicts and shall be in compliance with Section 17 of this Ordinance.
Access to the site is existing and had been approved at an earlier date.

C. If applicable, a pedestrian circulation system shall be clearly defined and appropriate provisions made to protect such areas from encroachment by parked or moving vehicles.
Not applicable.

D. Adequate off-street parking and off-street loading shall be provided in compliance with Section 17 of this Ordinance.
Not applicable.

E. Loading areas and drive-thru facilities shall be positioned so as to minimize internal site access problems and maneuvering conflicts, to avoid visual or noise impacts on any adjacent residential use or district, and provided in compliance with Section 17 of this Ordinance.
Not applicable.

F. Whenever a non-residential use is adjacent to a residential use or district, a buffer area with screening and landscaping shall be provided in accordance with the provisions of Section 15 of this Ordinance.
Not applicable.

G. General site screening and landscaping shall be provided in compliance with Section 15 of this Ordinance.

The outdoor storage area will be properly screened by a screening fence, vegetation and an accessory structure as required in Section 13 and Section 15 of this Ordinance.

H. All exterior lighting shall be directed so as not to cast glare toward or onto the public right-of-way or neighboring residential uses or districts, and shall be in compliance with Section 14 of this Ordinance.
Not applicable.

I. The site drainage system shall be subject to the review and approval of the City Engineer.
Not applicable.

J. The architectural appearance and functional design of the building and site shall not be so dissimilar to the existing and potential buildings and area so as to cause a blighting influence. All sides of the principal and accessory structures are to have essentially the same or coordinated, harmonious exterior finish materials and treatment.
The storage container is a neutral color that blends well with its surroundings. The fencing and vegetation will also help detract from the storage container.

K. Provisions shall be made for daily litter control, an interior location for recycling and trash handling and storage or an outdoor, enclosed receptacle area shall be provided in compliance with Section 14 of this Ordinance.
Not applicable.

L. All signs and informational or visual communication devices shall be in compliance with Section 16 of this Ordinance.
Not applicable.

M. The use and site shall be in compliance with any federal, state, or county laws or regulations that are applicable and any related permits shall be obtained and documented to the City.
The applicant will need to pull a fencing permit in order to install the fence.

N. Any applicable business licenses mandated by City Code are approved and obtained.
Not applicable.

O. The hours of operation may be restricted when there is judged to be an incompatibility with a residential use or district.
Not applicable.

P. The use complies with the applicable performance standards of the zoning district in which it is located and where applicable, any non-conformity shall be eliminated.
This permit and the screening of the storage container will bring the property into compliance.

Q. Additional Stipulations. All conditions pertaining to a specific site are subject to change when the City Council, upon investigation in relation to a formal request, finds that the general public health, safety, and welfare, can be served as well or better by modifying or expanding the conditions set forth herein.

3. In review of the standards established in Section 13, Article 2 Non-Residential Use Regulations, Subdivision 16 Outdoor Storage; the following conclusions have been made (*conclusions to each requirement are shown in underlined italics)*:

A. Outside storage areas shall be surfaced with bituminous, concrete, or other surfaces, including but not limited to crushed rock, Class 5, or recycled materials; as recommended by the Planning Commission and approved by the City Council.
The storage container is placed on Class 5.

B. Outside storage area shall not be placed within required parking or loading areas, which are deemed necessary to meet code requirements.
The storage is placed outside of any parking or loading areas.

C. Outside storage areas shall be located within the rear yard; however, outdoor storage may be located within the side yard, providing the side yard is not adjacent to or across the street from any residentially zoned property.
The storage is in the rear yeard.

D. All outside storage areas shall be effectively screened year-round, by a wall, fence, or densely planted vegetation in accordance with Section 15 of this Ordinance.

The storage will be screened on the north by an accessory structure, on the south and east by dense vegetation, and on the west and a portion of the south by a 6-foot fence.

E. Cars, vans, and pickup trucks parked outside and used by employees and/or visitors in the normal course of business operation will not be construed as outdoor storage. Further, outside parked trucks and semitrailers used in conjunction with normal business activities will not be construed to be outdoor storage provided (a) the total number of trucks and semi-trailers does not exceed the number of docks and/or bay doors; (b) such vehicles are currently licensed by the State of Minnesota and are in the process of delivering or picking up goods or materials, and (c) such use is not construed as an operation listed as a conditional use in the industrial zone. All other vehicles and/or equipment associated with the business shall meet the fencing and screening requirements as stipulated within this ordinance.

Decision

The Planning Commission held a public hearing on the item at the **June 14th, 2016** meeting. The meeting minutes shall be made part of the Findings of Fact.

Planning Commission Recommendation:

Motion by Kennedy second by Lundeen to recommend approval of the request from Granger Machine Inc./Crosslake Specialties LLC for Approval of a Conditional Use Permit to allow for Outdoor Storage on the property located at 512 1st Ave NW, Isanti, Minnesota based on the findings of fact and conclusions with the following conditions:

1. Outside storage areas shall be surfaced with bituminous, concrete, or other surfaces, including but not limited to crushed rock, Class 5, or recycled materials; as recommended by the Planning Commission and approved by the City Council.
2. All outside storage areas shall be effectively screened year-round, by a wall, fence, or densely planted vegetation in accordance with Section 15 of this Ordinance.

Motion carried unanimously.

Project:

Existing Container placement/ screening:

Container: 8' x 39'
Base: Class 5
Fence: 6' high Tan colored trex material or wood.
Fence to run from the face of barn shed, across to tree line.
Then from that face to trees.

Request for Council Action

To: Mayor Wimmer
Members of the City Council

From: Roxanne Achman
Community Development Director

Date: June 21, 2016

Subject: Request from St. Elizabeth Ann Seton for Approval of a Conditional Use Permit to operate an Educational Institution within the church located at 207 Whiskey Road NW, Isanti, Minnesota.

Background

St. Elizabeth Ann Seton Church is requesting to allow St. Scholastica school of Cambridge to move into and operate out of St. Elizabeth's. Educational Institutions are permitted within the R-1 Residential District with approval of a Conditional Use Permit. The school currently consists of 57 students and 8 staff members. The student body transferring to St. Elizabeth will be estimated around 40. Their future plans are to contain the school to a maximum number of 80 students. St. Scholastica offers Kindergarten through 12th grade in multi-level classrooms. They will occupy 7 classrooms and one office space at St. Elizabeth's. Class is held Tuesday through Friday, September through May, from 8:00am until 3:30pm. A few students will utilize the Cambridge-Isanti school district bus transportation. Most students are transported by parents. There is no outside play equipment; students participate in organized sports in the grass or on the tarmac.

A more in-depth description is provided in the narrative submitted by Mary Koralewski, Principal of St. Scholastica.

Staff Recommendation:

Staff recommends approval of the conditional use permit.

Comprehensive Plan

Public / Semi-Public- The purpose of this category is to identify areas in Isanti that are used for the benefit of the public. This includes publicly owned uses, such as schools, City buildings, county buildings and utility/infrastructure related uses such as sewage treatment plants, power plants, etc. This also includes semi-public private institutional uses such as hospitals, colleges, cemeteries, religious institutions etc. Both existing and future planned public / semi-public facilities are designated on the Land Use Plan map. Future possible locations of the high school are also shown. Generally, existing community facilities should continue to be maintained and preserved at their current location. If a public facility or institution ceases to exist or moves from its present site, that site should be designated as the same use, other public / semi-public use, or the predominate land use that surrounds it until such time as a comprehensive plan amendment designates it differently. For example, if a school is surrounded by low density residential relocates; the school property should either be a new school or other public use, or be designated for low-density residential development. In addition, new development should incorporate appropriate public/semi-public uses as they are developed. The actual location of these public/semi-public sites will be determined by the site design of each development.

Zoning Ordinance Provisions
The "R-1" Single-Family Residential District is designed to be the most restrictive of the residential districts. The intent of the "R-1" Single-Family District is to provide for an attractive environment for low density, single family detached dwellings in settings with larger lot sizes and increased open space surrounding the dwelling, while also allowing for directly related and complementary residential uses that serve the residents in the district.

Conditional Use Permit Requirements
Upon review of a Conditional Use Permit request, the Zoning Ordinance provides factors and standards that must be reviewed by the Planning Commission. Section 21, Article 2 Conditional Uses states:

D. The Planning Commission shall hold a public hearing and consider possible adverse effects of the proposed Conditional Use. The judgment of the Planning Commission shall be based upon, but is not limited to the following factors:
   1. The proposed action has been considered in relation to the specific policies and provisions of and has been found to be consistent with the goals and objectives of the Comprehensive Plan, including public facilities and capital improvement plans.
   2. The proposed action meets the purpose and intent of this Ordinance and the underlying zoning district.
   3. The establishment, maintenance or operation of the conditional use will promote and enhance the general public welfare and will not be detrimental or endanger the public health, safety, morals, or comfort.
   4. The conditional use will not be injurious to the use and enjoyment of other property within the immediate vicinity for the purposes already permitted; nor substantially diminish or impair property values within the neighborhood.
   5. The establishment of the conditional use will not impede the normal and orderly development and improvement of surrounding property for uses permitted in the district.
   6. Adequate public facilities and services are available or can be reasonably provided to accommodate the use which is proposed.
   7. The conditional use shall, in all other respects, conform to the applicable regulations of the district in which it is located.
   8. The conditional use complies with the general and specific performance standards as specified by within this Article.

Certification of Taxes Paid
Not applicable. Non-taxable entity.

Public Notice
Notice was published within the Isanti County News on June 1st, 2016. Written notification was provided to property owners located within 350' of the subject site as required by Minnesota State Statute.

Public Comment
To date, no public comment or questions had been received.

Planning Commission Recommendation:
Motion by Kennedy second by Lundeen to recommend approval of the request from St. Elizabeth Ann Seton for Approval of a Conditional Use Permit to operate an Educational Institution within the church located at 207 Whiskey Road NW, Isanti, Minnesota based on the findings of facts and conclusions with the following condition:

1. An enrollment of greater than 80 students shall require an amendment to the Conditional Use Permit.

Motion carried unanimously.

Deadline for City Council Action

The City of Isanti received a complete application for a Conditional Use Permit on May 19, 2016. Pursuant to Minnesota State Statute, the City must act on this request by July 18, 2016 (60 days). The only exception to these deadlines provided would be if the City provides the petitioner with written reasons for an additional 60-day review period.

Options & Proposed Motion Language

1. Recommend Approval with No Conditions: Motion to recommend approval of the request from St. Elizabeth Ann Seton for Approval of a Conditional Use Permit to operate an Educational Institution within the church located at 207 Whiskey Road NW, Isanti, Minnesota.
2. Recommend Approval with Conditions: Motion to recommend approval of the request from St. Elizabeth Ann Seton for Approval of a Conditional Use Permit to operate an Educational Institution within the church located at 207 Whiskey Road NW, Isanti, Minnesota with the following conditions……
3. Recommend Denial: Motion to recommend denial of the request from St. Elizabeth Ann Seton for Approval of a Conditional Use Permit to operate an Educational Institution within the church located at 207 Whiskey Road NW, Isanti, Minnesota for the following reasons…….
4. Table: Motion to table the request from St. Elizabeth Ann Seton for Approval of a Conditional Use Permit to operate an Educational Institution within the church located at 207 Whiskey Road NW, Isanti, Minnesota. (a specific reason and information request should be included in the motion to table).

RESOLUTION NO. 2016-

A RESOLUTION APPROVING A CONDITIONAL USE PERMIT (CUP) FOR ST. ELIZABETH ANN SETON TO OPERATE AN EDUCATIONAL INSTITUTION ON THE PROPERTY LOCATED AT 207 WHISKEY ROAD NW

WHEREAS, St. Elizabeth Ann Seton Catholic Church is requesting approval of a Conditional Use Permit for an Educational Institution on the property located at 207 Whiskey Road NW; and,

WHEREAS, the property is legally described as that part of the northeast quarter of the southwest quarter of section 30, township 35, range 23, Isanti County, Minnesota described as follows:

> Commencing at the northwest corner of said NE ¼ of SW ¼ for the actual point of beginning of the tract of land to be herein described: thence due East along the North line of said NE ¼ of SW ¼ and the centerline of County State Aid Highway Number 5 a distance of 643.15 feet; thence South two degrees twenty minutes fifty seven seconds along the centerline of County State Aid Highway 23 a distance of 589.13 feet; thence due West and parallel with the North line of said NE ¼ of SW ¼ a distance of 603.57 feet to a point on the West line of said NE ¼ of SW ¼; thence North one degree thirty minutes six seconds along said West line a distance of 588.84 feet to the actual point of beginning. Subject to easements for public highway over and across the North 33 feet thereof and the Easterly 40 feet thereof, and easements of record, if any; and,

WHEREAS, the property is located within the "R-1" Single Family Residential District, which requires a Conditional Use Permit (CUP) for Educational Institutions; and,

WHEREAS, following publication, posted and mailed notice thereof, the City of Isanti Planning Commission conducted a public hearing on the proposed Conditional Use Permit on June 14th, 2016; and,

WHEREAS, the City of Isanti Planning Commission recommended approval of the proposed Conditional Use Permit subject to the conditions as listed below based upon the Findings of Fact and Conclusion as presented; and,

WHEREAS, the City Council reviewed the requested Conditional Use Permit at its regularly scheduled meeting on June 21st, 2016; and,

WHEREAS, the City Council of the City of Isanti has determined that the Conditional Use Permit meets the ordinance requirements necessary for granting approval; and,

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ISANTI, MINNESOTA, that it adopts the Findings of Fact and Conclusion related to the requested Conditional Use Permit for St. Elizabeth Ann Seton and **BE IT FURTHER RESOLVED** that the requested Conditional Use Permit to be located on the property at 207 Whiskey Rd NW, be hereby approved subject to the following conditions:

1. An enrollment of greater than 80 students shall require an amendment to the Conditional Use Permit.

Adopted by the Isanti City Council on this 21st day of June 2016.

Attest: _____ Mayor George A. Wimmer

(SEAL)

FINDINGS OF FACT AND CONCLUSION

Request

Request from St. Elizabeth Ann Seton for Approval of a Conditional Use Permit to operate an Educational Institution within the church located at 207 Whiskey Road NW, Isanti, Minnesota.

Findings of Fact

1. The applicant is requesting approval of an Educational Institution at the property located at 207 Whiskey Rd NW.
2. The property is zoned "R-1" Single Family Residential District.
3. A Conditional Use Permit is required for Educational Institutions within the "R-1" Single Family Residential District.
4. The petitioner submitted a Conditional Use Permit Application, the required application fee and associated materials on May 11, 2016. Staff had reviewed such application and deemed such application complete on May 19, 2016. Pursuant to Minnesota State Statute, the City must act on this request by July 18, 2016 (60-day rule).
5. A public hearing date before the Planning Commission was scheduled for Tuesday, June 14th, 2016 at 7:00 p.m. at City Hall within the Council Chambers.
6. Notice of the Conditional Use Permit request was published within the Isanti- County News on Wednesday, June 1st, 2016. Notices were sent to all property owners located within 350 feet of the subject property.
7. Section 21, Article 2: Conditional Use Permits, Subdivision 3 (D) of the Zoning Ordinance establishes factors that the judgment of the Planning Commission shall be based upon when reviewing a Conditional Use Permit request as well as Section 21, Article 2: Conditional Use Permits, Subdivision 4 General Performance Standards of the Zoning Ordinance establishes additional general standards that shall be used to evaluate any proposed conditional use permit request.

Conclusions

1. In review of the standards established in Section 21, Article 2 Conditional Use (D); the following conclusions have been made (*conclusions to each requirement are shown in underlined italics)*: The Planning Commission shall hold a public hearing and consider possible adverse effects of the proposed Conditional Use. The judgment of the Planning Commission shall be based upon, but is not limited to the following factors:
   A. The proposed action has been considered in relation to the specific policies and provisions of and has been found to be consistent with the goals and objectives of the Comprehensive Plan, including public facilities and capital improvement plans.
   Institutions such as schools are encouraged within the residential district.
   B. The proposed action meets the purpose and intent of this Ordinance and the underlying zoning district.
   The proposed use is consistent with the zoning requirements and fits well with the surrounding property uses.
   C. The establishment, maintenance or operation of the conditional use will promote and enhance the general public welfare and will not be detrimental or endanger the public health, safety, morals, or comfort.
   The establishment of the conditional use does not appear to endanger the public health, safety, morals and comfort of the surrounding area or the community.
   D. The conditional use will not be injurious to the use and enjoyment of other property within the immediate vicinity for the purposes already permitted; nor substantially diminish or impair property values within the neighborhood.
   The conditional use for an educational institution will not alter the character of the area.

E. The establishment of the conditional use will not impede the normal and orderly development and improvement of surrounding property for uses permitted in the district.
The educational institution will not impede the normal and orderly development of surrounding properties.

F. Adequate public facilities and services are available or can be reasonably provided to accommodate the use which is proposed.
Adequate public facilities and services are existing in this area.

G. The conditional use shall, in all other respects, conform to the applicable regulations of the district in which it is located.
The requested conditional use permit appears to conform to the applicable regulations required for the district and the performance standards outlined within the zoning ordinance. Conditions will be placed on any approval to ensure that the property is developed in accordance to ordinance requirements and the proposed plan provided by the applicant.

H. The conditional use complies with the general and specific performance standards as specified by within this Article.
These have been evaluated as part of the findings of fact; and can be found within this document.

2. In review of the standards established in Section 21, Article 2 Conditional Use, Subdivision 4 General Performance Standards; the following conclusions have been made (*conclusions to each requirement are shown in underlined italics)*:

A. The use and the site in question shall be served by a street of sufficient capacity to accommodate the type and volume of traffic which would be generated an adequate public right-of-way shall be provided.
This site is currently served by a street of sufficient capacity. The proposed conditional use will not change the type or volume of traffic flow for this site. Students attending the school will generally be dropped off by parents at a time slightly different that the existing adjacent school.

B. The site design for access and parking shall minimize internal as well as external traffic conflicts and shall be in compliance with Section 17 of this Ordinance.
Access to the site is existing and had been approved at an earlier date.

C. If applicable, a pedestrian circulation system shall be clearly defined and appropriate provisions made to protect such areas from encroachment by parked or moving vehicles.
Existing sidewalks are in place.

D. Adequate off-street parking and off-street loading shall be provided in compliance with Section 17 of this Ordinance.
Adequate parking is provided on-site.

E. Loading areas and drive-thru facilities shall be positioned so as to minimize internal site access problems and maneuvering conflicts, to avoid visual or noise impacts on any adjacent residential use or district, and provided in compliance with Section 17 of this Ordinance.
Not applicable.

F. Whenever a non-residential use is adjacent to a residential use or district, a buffer area with screening and landscaping shall be provided in accordance with the provisions of Section 15 of this Ordinance.
Not applicable.

G. General site screening and landscaping shall be provided in compliance with Section 15 of this Ordinance.
Landscaping is existing.

H. All exterior lighting shall be directed so as not to cast glare toward or onto the public right-of-way or neighboring residential uses or districts, and shall be in compliance with Section 14 of this Ordinance.
Not applicable.

I. The site drainage system shall be subject to the review and approval of the City Engineer.

Not applicable.

J. The architectural appearance and functional design of the building and site shall not be so dissimilar to the existing and potential buildings and area so as to cause a blighting influence. All sides of the principal and accessory structures are to have essentially the same or coordinated, harmonious exterior finish materials and treatment.
Not applicable.

K. Provisions shall be made for daily litter control, an interior location for recycling and trash handling and storage or an outdoor, enclosed receptacle area shall be provided in compliance with Section 14 of this Ordinance.
Not applicable.

L. All signs and informational or visual communication devices shall be in compliance with Section 16 of this Ordinance.
A permit shall be applied for, for any new signage.

M. The use and site shall be in compliance with any federal, state, or county laws or regulations that are applicable and any related permits shall be obtained and documented to the City.

N. Any applicable business licenses mandated by City Code are approved and obtained.
Not applicable.

O. The hours of operation may be restricted when there is judged to be an incompatibility with a residential use or district.
Not applicable.

P. The use complies with the applicable performance standards of the zoning district in which it is located and where applicable, any non-conformity shall be eliminated.
This use complies with all applicable performance standards.

Q. Additional Stipulations. All conditions pertaining to a specific site are subject to change when the City Council, upon investigation in relation to a formal request, finds that the general public health, safety, and welfare, can be served as well or better by modifying or expanding the conditions set forth herein.

Decision

The Planning Commission held a public hearing on the item at the **June 14th, 2016** meeting. The meeting minutes shall be made part of the Findings of Fact.

Planning Commission Recommendation:

Motion by Kennedy second by Lundeen to recommend approval of the request from St. Elizabeth Ann Seton for Approval of a Conditional Use Permit to operate an Educational Institution within the church located at 207 Whiskey Road NW, Isanti, Minnesota based on the findings of facts and conclusions with the following condition:

1. An enrollment of greater than 80 students shall require an amendment to the Conditional Use Permit.

Motion carried unanimously.

St. Scholastica is a school currently located in Cambridge, MN. Our academic program is religious based and emphasis is placed on the basics. We offer Kindergarten through 12th grade in multi-level classrooms. Each room will consist of 2 grades which will generally have 15-17 children total. Starting in the primary school, the pupils focus on the basics in reading, language arts, and mathematics. In the early grades, love of learning, neatness, diligence, and responsibility are fostered.

In the intermediate school the pupils continue to grow in these areas as they began to take learning as a personal achievement. The intermediate school focuses on cementing the firm foundation of the primary school and building on it. The pupils began more independent learning.

In the secondary school, pupils have an intense four year study preparing them and equipping them with the ability to succeed in college.

The school includes 8 staff members and 57 students (currently enrolled). The student body transferring to St. Elizabeth will be estimated around 40. Our future plans are to contain the school to a maximum number of 80 students. At no point does our future plan include adding on to the structure of the building.

Beginning this upcoming school year, 2016-2017, we are looking to use 7 classrooms and one office space at St. Elizabeth's. The school would begin to move desks, books, and other school related items into the space as soon as the permit is approved. The space will be in use by teachers and students from Tuesday through Friday, September through May, from 8:00 AM until 3:30 PM. The teachers would also be using the space in between these set schedules to prepare for the year and their classes. There are a few times when there will be meetings in the classrooms after these allotted times for teacher and parent meetings or for the testing of individual students.

Most of our students are transported by parents but some students will utilize the Cambridge-Isanti school district bus transportation in the morning; no afternoon bus transportation is used. Currently, there is only one bus that drops of students in Cambridge. We do not anticipate this changing for St Elizabeth's . However, until we know which students will be taking a bus, it is difficult to predict the bus route that will carry these students into St. Elizabeth's parking lot.

St. Scholastica's Physical Education program is outdoors. The school has no outside play equipment therefore the students participate in organized sports. These sports are always supervised by staff and will be held on (the existing) tarmac and grass.

The school holds state mandated fire and tornadoes lock down drills 9 times in a school year where the students convene in the parking lot.

Request for Council Action

To: Mayor Wimmer
Members of the City Council

From: Roxanne Achman, AICP
Community Development Director

Date: June 21, 2016

Subject: Request from the City of Isanti to Amend Zoning Ordinance 445, Section 15 Fencing, Screening and Landscaping to update fencing requirement within drainage easements.

Background

Staff has been dealing with drainage and pond issues in a number of areas throughout town. Some of these issues are related to the placement of fences within drainage and utility easements. Considering code does not explicitly prohibit fences within drainage easements, staff would like to amend Section 15 to more accurately represent the City's desire to keep fences out of the spillway within the drainage easement and to limit the type of fencing and/or the ground clearance of fencing within drainage easements, but outside the spillway. Amending this section would make the zoning code more consistent with Ordinance 420 – Stormwater Management. Below is the suggested change.

Section 15 – Fencing, Screening and Landscaping

E. Setbacks.

1. On corner lots or lots adjacent to railroad right-of-ways, streets or public roads, no fence shall be located in the vision clearance triangle, as shown within Section 4 of this Ordinance.
2. Privacy fences shall be setback a minimum of fifteen (15) feet from any street right-of-way.
3. Fences shall be located on the property of the owner.
4. No fences shall be permitted within a stormwater flow path.
5. Fences within a storm pond drainage easement must provide for the free flow of water by using a material such as chain-link or by providing a minimum ground clearance of four (4) inches.
6. Fences located within storm pond drainage easements shall be reviewed by Public Works and/or The City Engineer.

G. Property Owner Responsibility. Any fence located on the property line or within a drainage and utility easement shall be removed upon request of the City and at the expense of the property owner.

Ordinance 420 – Stormwater Management

Section 7 – Stormwater Management Plan Approval Standards

7.9 – Wet Detention Basin Design Standards

(p) Fences may be placed in dry ponds or in wet ponds above the permanent pool elevation. The City shall have the right to remove and or restrict placement of fences where they may contribute to a drainage problem.

Staff Request

To consider recommending approval of the attached ordinance amending Section 15: Fencing, Screening and Landscaping.

Planning Commission Recommendation:
Motion by Kennedy second by Lundeen to recommend approval of the request from City of Isanti to Amend Zoning Ordinance 445, Section 15 Fencing, Screening and Landscaping to update fencing requirement within drainage easements. Motion carried unanimously.

AN ORDINANCE AMENDING ORDINANCE NO 445 ZONING; SECTION 15 FENCING, SCREENING AND LANDSCAPING

THE CITY OF ISANTI DOES ORDAIN:

I. AMENDMENTS

Section 15, Subdivision 1: General Provisions is hereby amended to include and read as follows:

E. Setbacks.

1. On corner lots or lots adjacent to railroad right-of-ways, streets or public roads, no fence shall be located in the vision clearance triangle, as shown within Section 4 of this Ordinance.
2. Privacy fences shall be setback a minimum of fifteen (15) feet from any street right-of-way.
3. Fences shall be located on the property of the owner.
4. No fences shall be permitted within a stormwater flow path.
5. Fences within a storm pond drainage easement must provide for the free flow of water by using a material such as chain-link or by providing a minimum ground clearance of four (4) inches.
6. Fences located within storm pond drainage easements shall be reviewed by Public Works and/or The City Engineer.

II. EFFECTIVE DATE

This ordinance shall take effect upon its adoption and publication in the City's Official Newspaper.

Adopted by the City Council this 21st day of June 2016.

FINDINGS OF FACT AND CONCLUSION

Request

Request from the City of Isanti to Amend Zoning Ordinance 445, Section 15 Fencing, Screening and Landscaping to update fencing requirement within drainage easements.

Findings of Fact

1. The Development and Operations Advisory Committee requested the Planning Commission review an amendment to Section 15 of the Zoning Ordinance at their regularly scheduled meeting on June 14, 2016.
2. Staff has begun to notice an increase of drainage issues due to fences within drainage easements.
3. While the intent of the Ordinance remains intact, amendments must be made to the Ordinance regulations to ensure that the appropriate requirements are being used.
4. Notification of the public hearing was provided for within the City's official newspaper on Wednesday, June 1st, 2016.
5. A public hearing date before the Planning Commission was scheduled for Tuesday, June 14th, 2016 at 7:00 p.m. at City Hall within the Council Chambers.

Conclusions

1. In review of the Ordinance requirements provided for within Section 21, Article 1 Amendments (Text and Map), Subdivision 4 (D), the following conclusions have been made *(conclusions to each requirement have been shown in underlined italics):*
   a. The proposed action has been considered in relation to the specific policies and provisions of and has been found to be consistent with the City Comprehensive Plan, including public facilities and capital improvement plans.
   The ordinance amendment helps to protect the safety of Isanti's citizens and visitors, which is consistent with the City's Comprehensive Plan.
   b. The proposed action meets the purpose and intent of this Ordinance or in the case of a map amendment; it meets the purpose and intent of the individual district.
   The ordinance amendment adds a critical performance standard.
   c. There is adequate infrastructure available to service the proposed action.
   Not applicable.
   d. There is an adequate buffer or transition provided between potentially incompatible districts.
   Not applicable.

Decision

The Planning Commission held a public hearing on the item at the **June 14th, 2016** meeting. The meeting minutes, staff memo, and attachments shall be made a part of the Findings of Fact and Conclusions.

Planning Commission Recommendation:

Motion by Kennedy second by Lundeen to recommend approval of the request from City of Isanti to Amend Zoning Ordinance 445, Section 15 Fencing, Screening and Landscaping to update fencing requirement within drainage easements. Motion carried unanimously.

Request for Council Action

To: Mayor Wimmer
Members of the City Council

From: Roxanne Achman, Community Development Director
Josi Wood, Public Services Director / Asst. City Administrator

Date: June 21, 2016

Subject: Resolution approving staff to work with the Art & Science Academy, and the respective property owners, on the development of a combined park space at 901 6th Ave Ct NE and the surrounding the adjacent city owned pond.

Background

Staff has been in conversations with the property owners of the Art & Science Academy regarding outdoor space for students in conjunction with an increase in enrollment numbers from 260 to 300. The idea of a park like setting interests the City as the 1997 Park & Recreation Comprehensive Plan (amended in 2004) indicates a future park in this area and the concept is consistent with the 2011 Comprehensive Parks, Trails, and Open Space Plan.

This provides the City with an opportunity to work with the Charter School to create an even greater park and open space area that would benefit the community as a whole. The school is interested in adding a gymnasium onto the existing building and adding a playground, walking trail and either a soccer field or two tennis courts on the vacant lot to the south and east of their existing building. Given that the charter school's lot abuts one of the City's storm pond areas, it appears there may be potential to incorporate park elements that benefit the school, surrounding development and the community as a whole.

The concept of an active park has been the basis of the discussion, see the attached concept. In addition to the elements the charter school would like to provide, staff would like to consider an 8ft paved path that loops around the storm ponds and connects to the path on the school's property, the cul-de-sac and 7th Ave NE, trail markers to indicate distances walked, an array of outdoor exercise equipment, a drinking fountain, benches, a possible gazebo and additional trees. The idea is to create a space that people will want to make a special trip to visit, and will also receive a great deal of use from the school and future business employees once the area develops.

A development agreement would need to be created in order to outline a reasonable timeframe to complete the park elements, state the availability of park space to the public (or the deeding of the space to the City upon completion), discuss indemnification, and many other important factors. In conjunction with the school implementation, the City would likely develop the storm pond area in phases. In the proposed first phase, the City would consider completing the stretch of trail that is on the City's property which would provide for a complete trail loop from the school's property to the City's property. This can be seen in the attached concept plan. An estimate from Bolton & Menk values this phase of the project at $25,000 for a 250ft - 8ft wide, paved path. The property owners, Charter School Development Corporation, have provided a letter indicating their agreement to work with the City and to further support the development of a combined park and open space plan and implementation. That letter is attached.

Staff is requesting approval to work with the charter school on a development agreement for a park and open space plan that meets the needs of the school, the community and abides by the 2011 Comprehensive Parks, Trails and Open Space Plan.

- Letter from Charter Schools Development Corporation dated June 3, 2016

RESOLUTION NO. 2016-

A RESOLUTION AUTHORIZING STAFF TO WORK WITH THE CHARTER SCHOOLS DEVELOPMENT CORPORATION IN DRAFTING A DEVELOPMENT AGREEMENT FOR PARK AND OPEN SPACE USES ON PARCELS 16.113.0030 AND 16.113.0770

WHEREAS, Charter Schools Development Corporation, the property owners of 901 and 903 6th Ave Ct NE, in conjunction with the lessee, the Art & Science Academy, are interested in adding a gymnasium and outdoor play space for the charter school students; and,

WHEREAS, an increase in student enrollment would be necessary in order to support the cost of developing addition space; and,

WHEREAS, the 1997 Parks & Recreation Comprehensive Plan indicates a need for a future park in this area, in addition to a park being in line with the 2011 Comprehensive Parks, Trails and Open Space Plan; and,

WHEREAS, the City owns the storm pond parcel abutting the school's property, which provides an opportunity for the City to enhance the park area and meet the park needs for this section of the City; and,

WHEREAS, a development agreement would need to be created to ensure a properly prepared and implemented park plan; and,

WHEREAS, the Parks, Culture and Recreation Board would review the park concept plans and make recommendations to the City Council for approval; and,

WHEREAS, staff obtained an estimate from Engineering in the amount of $25,000.00 for the City to connect a portion of the trail development in 2017 for construction of a 250 foot, 8-foot-wide, paved bituminous trail connection; and,

WHEREAS, this is an unbudgeted item and funding will be required for costs associated with the drafting and implementation of the development agreement, associated legal documents and engineering costs associated with park development design; and,

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota

1. Hereby approves funding for costs associated with drafting and implementing a development agreement with the Charter Schools Development Corporation from funding source General Fund Fund - Planning and Zoning, 101- 41910, and respective expense codes.
2. Hereby approves the amount, $25,000.00, for the trail connection as outlined per this Resolution to be included in the 2017 Budget within the Park Dedication Fund.
3. Authorize Staff to work with the Charter Schools Development Agreement on such an agreement.

This resolution was duly adopted by the Isanti City Council this 21st day of June, 2016.

Re: Expansion of Art and Science Academy Building and the collaborative development of open space on 905 6th Ave Court NE, Isanti, MN 55040

Dear Roxanne:

This letter outlines the terms under which the CSDC Property Corporation ("CSDCPC"), is prepared to improve the real property located at 903 6th Avenue Court NE, Isanti, MN 55040 and the adjacent vacant lot located at 905 6th Avenue Court NE, Isanti, MN 55040 for Lease to Art and Science Academy (ASA) in accordance with the attached park plan presented to CSDCPC and Art and Science Academy.

If the City approves the expansion of the enrollment limit on the Conditional Use Permit for 903 6th Avenue Court NE, from 260 to 300 students and approves a conditional use permit for the proposed conceptual project for 905 6th Avenue Court NE, then CSDCPC, in collaboration with ASA, will move forward with the proposed conceptual plan.

The Conceptual Plan (Attachment A):

The vacant lot, 905 6th Avenue Court NE, would contain the gymnasium, a 4,000-5,000 square foot playground, and either two tennis courts or a soccer field to be determined later. The playground, paved path, and the two tennis courts or a soccer field that will be built on the lot not be restricted to outside users so that it flows well with the park area on the City's lot.

The vacant lot, 905 6th Avenue Court NE, in conjunction with the City's pond lot would have a 5 foot wide paved path that goes around the pond and around the schools open space. The path would connect to the cul-de-sac, to 7th Avenue NE and possibly to Therapy Associates.

On the City's lot there will be outdoor exercise equipment and will incorporate distance markers along the trail. The City will also install a drinking fountain, several benches, many trees and a possible gazebo.

This conceptual plan will require engineering design approval to ensure the ponds are not affected, and City Council approval prior to any movement on the project.

The City would be responsible for all development and construction costs related to the development of the of the portion of the plan that is on City-owned lots and CSDCPC and ASA will be responsible for the costs of the development on 903 6th Avenue Court NE, and 905 6th Avenue Court NE.
MSC will make the gymnasium available for use by the community when not being used by the school under reasonable terms that will be determined in consultation with the City.

Because the project is funded with the revenue from the additional students, timing of the project is subject to the timing of the increase in the number of students allowed by the CUP for ASA. The ideal timing would be to start the project this fall with completion in the spring of 2017. Our backup plan would be to start the project in the summer of next year with completion in the fall of 2017.

CSDCPC, ASA, and the City of Isanti agree that the provisions set forth herein are intended as an outline of a potential agreement. It is understood that this Letter does not constitute an agreement and that the provisions hereof are not binding on either party, nor does it contain all matters upon which an agreement be reached in order for the transaction contemplated hereby to be consummated. This Letter is intended by the parties to be an outline of terms only, for the purpose of providing a basis upon which the parties would negotiate an agreement.

Sincerely,

Michelle Liberati
Executive Vice President

From: John Jacobi, Liquor Store Manager

Date: June 16, 2016

Subject: Request to Update the Liquor Store to LED Lighting

Background:
In January 2016, the City of Isanti was approached by Connexus Energy with a proposal for replacement of the current lighting at the Liquor Store. The proposal was for replacing the lights with LED lighting. This would be an unbudgeted expense. Attached are two quotes regarding replacement of current lighting and updating to LED lighting. The first quote is from Lighten Up with North Branch Electric to complete the installation. The quote was a total of $12,231.60 prior to any grants or rebates. Another quote was received from a local customer who works for Apadana. Paul Olsen provided the quotes for Apadana on replacement and installation of the LED lights. Apadana has contracted electricians that will complete the work of removing all current lighting and installing the new LED lighting. The Apadana quote also includes the grant and the Connexus Energy rebate estimate, which Apadana would take care of submitting on the City's behalf. Apadana also has quoted the replacement of the outside beer signs. Both quotes are provided, the first without the outside lights which was quoted at $6,272.06, with an out of pocket expense after estimated rebates and grants of $3,362.00. The second quote which included the outside lighting, was estimated at $14,079.12 with an out of pocket expense after estimated rebates and grants of $10, 299.86. The grant and rebate money are available to the City this year, and are estimated to be $3,779.26. Lighten Up did not quote a replacement for the outside beer signs.

Request:
It is requested to move forward with the replacement of current lighting in the Liquor Store to upgrade to LED lighting. Also, the return on investment based on electrical savings would pay for itself after approximately two years. It is request that the City of Isanti commits to the quote from Apadana including the outside illuminated beer signs in the amount of $14,079.12 prior to rebates and grants. It is also requested to authorize the Liquor Store Manager to apply for the energy savings grant opportunity through the MN Chamber of Commerce and sign the required documents for such grant.

RESOLUTION NO. 2016-XXX

RESOLUTION ACCEPTING BID FOR THE REPLACEMENT AND INSTALLATION OF LED LIGHTS AT THE LIQUOR STORE

WHEREAS, in January 2016 the City of Isanti was approached by Connexus Energy in regards to a proposal for grant and rebate money towards LED efficient lights; and

WHEREAS, the expense of this project is unbudgeted for 2016; and

WHEREAS, pursuant to a request for bids by city staff for the replacement and installation of all applicable Liquor Store lights, the following bids were received:

Bidder Name	Total Bid
Lighten Up *(Indoor lights only)*	$12,231.60
Lighten Up *(Both Indoor & Outdoor Lights)*	N/A
Apadana *(Indoor lights only)*	$6,272.06
Apadana *(Both Indoor & Outdoor Lights)*	$14,079.12

WHEREAS, contingency costs for the project will be in the amount of $700.00; and,

WHEREAS, the estimated rebates and grants available will be approximately $3,779.26; and,

WHEREAS, staff may proceed with applying for an energy savings grant opportunity through the MN Chamber of Commerce, a Connexus Energy affiliate; and,

WHEREAS, the Liquor Committee has reviewed the bids received and has recommended the acceptance of the Apadana bid for installation and materials, that include both indoor and outdoor LED lighting;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota

1. To hereby accept the bid from Apadana for replacement of current lighting and installation of new indoor and outdoor LED lights and contingency in the total amount, not to exceed, $14,779.12 before the energy rebates are applied.
2. Authorize the Liquor Store Manager to sign the required documents for the purchase and installation of the new LED lights.
3. Authorize the Liquor Store Manager to apply for the energy savings grant opportunity through the MN Chamber of Commerce and sign the required documents for such grant.
4. Authorize payment, if necessary, at time of services and prior to inclusion on the Accounts Payable listing.
5. The total amount of $14,779.12 to be funded through Liquor Store Fund 609-16520-500.

This resolution was duly adopted by the Isanti City Council this 21st day of June, 2016.

A Community For Generations.

Isanti

K.9.

To: Mayor Wimmer and City Council Members

From: John Jacobi, Liquor Store Manager

Date: June 16, 2016

Subject: Request to Hold Wine Tasting Event at the Isanti Community Center

---

Background:
Isanti Liquor Store would like to propose having a wine tasting event held at the Isanti Community Center. Funds would be requested to facilitate and cater a Wine tasting, to be held in October 2016. The tasting would help promote new products, and customers would be able to order after the event. The event would be staffed by liquor store employees. Tickets would available for customers to purchase prior to the event and during the event. For the tasting, food would need to be provided. Two quotes have been obtained, and are as follows:

- The cost for catering from Isanti Meats is $300
- The cost for catering from Wintergreens is $600

Request:
It is requested that we have Isanti Meats cater the event for the 2016 Tasting. It is also requested that the advertising budget be used to pay for the catering of this event. The event is to be held in the Isanti Community Center, which it is requested for the $275 fee to be waived for the use of the tasting event.

June 16, 2016

We are pleased to offer the following proposal for your event. Food will be prepared and delivered 15 minutes prior to the beginning of the event.

The proposed menu would include the following for 50 people:

Two pans of pasta, Chicken Alfredo and Penne w/ Sausage & Marinara

One pan of assorted hot appetizers, Breaded Ravioli, Mozzarella Sticks, & Jalapeño Poppers

One pan of Mixed Field Greens with Fresh Berries & Raspberry Vinaigrette

One Cheese and Meat Tray

50 Assorted Mini Desserts

Plastic plates, flatware, and napkins

The cost for the items above will $600.00 plus tax. If you require us to provide a person to help serve the food or if you would like to make any changes to this proposal, please call me and we will provide an updated proposal.

Thank you

Clay

RESOLUTION NO. 2016-XXX

RESOLUTION APPROVING ISANTI MEATS TO CATER FOR ISANTI LIQUOR STORE WINE TASTING EVENT

WHEREAS, Isanti Liquor Store is proposing hosting a Wine Tasting Event;

WHEREAS, the event is scheduled to take October 2016 at the Isanti Community Center; and,

WHEREAS, the $275 fee for the use of Isanti Community Center is to be waived; and

WHEREAS, the number of people anticipated is approximately 50 persons; and

WHEREAS, the event will be staffed by Liquor Store employees; and

WHEREAS, Isanti Meats will cater the event for the amount of $300; and

WHEREAS, the cost associated with catering will be funded by the Advertising Budget for Isanti Liquor Store

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City Of Isanti, Minnesota to hereby approve the following:

- Catering is to be supplied through Isanti Meats in the amount of $300
- Cost from Catering of the Event will be funded by the advertising budget for Isanti Liquor Store
- The $275 fee for use of the Isanti Community Center is to be waived for the Tasting Event

This resolution was duly adopted by the Isanti City Council this 21st day of June 2016.

Attest:

George A. Wimmer
Mayor

Lindsey McInnis
Human Resources/City Clerk

City of Isanti
Economic Development Authority
Regular Meeting Minutes of
May 3, 2016
Isanti City Hall

1. Call to Order

The meeting was called to order by Economic Development Director Sullivan at 8:05 p.m.

a. Pledge of Allegiance

b. Roll Call

Commissioners Present: George Wimmer, Keith Dragisich, Dan Collison, Steve Lundeen, Paul Bergley and Tara Hallberg

Commissioners Absent:

Staff Present: Economic Development Director Sean Sullivan

c. Agenda Modifications

Economic Development Director Sullivan asked for Item 4.5 Consider Authorizing Letter of Support for JCF and MIF Funding be added to Agenda.

2. Approval of Agenda

Motion to approve Agenda with addition of Item 4.5 by Lundeen, second by Bergley, motion carried unanimously.

3. Approve Minutes of April 5, 2016 Regular Economic Development Meeting

Motion by Collison second by Lundeen to approve the minutes for April 5, 2016. Motion carried unanimously.

4. Consider Economic Development Director Request for Training at IEDC Real Estate Development and Reuse Course

Economic Development Director Sullivan presented the staff memo highlighting the great opportunity and cost savings of this course. He added this this opportunity was recent made available and he thought it beneficial to his professional development.

Motion by Lundeen, second by Collison to recommend to the Finance Committee to reallocate $250 from EDA marketing 495 to Training 208 and t recommend registering for IEDC Course on May 19-20. Motion passed unanimously.

4.5 Consider Authorizing Letter of Support for JCF and MIF Funding

Economic Development Director Sullivan outlined the use of MIF and JCF in Isanti and that a letter offering support was recommended by Staff. The City Council authorized the same letter of support at the May 3 City Council Meeting.

Motion by Lundeen second by Bergley to authorize President Wimmer to sign Letter of Support for JCF and MIF on behalf of the EDA. Motion passed unanimously.

5. Other Business / Updates / Communications

Economic Development Director Sullivan asked if there were any questions in regards to the staff memo and offered more detail on each item if requested.

Sullivan highlighted that the City is at 31 new single family housing permits and based on last year's pace we are halfway to the final projected total.

President Wimmer stated the projections call for 35 and it is very likely we will exceed that. He also indicated that J Robinson Construction, Inc. had built out their entire 33 unit development. President Wimmer indicated the review of construction plans for Allina were nearly complete and that construction would commence in the near future. He state that Representative Johnson was a supporter if JCF and MIF for the City of Isanti. Mayor Employer Celebration day on June 7, 2016.

Sullivan stated that Coborn's was present at East Central MN Job Fair.

President Wimmer stated the he, Economic Development Director Sullivan, and Commissioner Mike Warring of Junction Bowl collaborated to find a location for Coborn's to have its 3 week job fair in June.

6. Adjournment

Lundeen motioned, seconded by Bergley to adjourn at 8:18 pm. Motion carried unanimously.

Dated at Isanti, Minnesota, this 3rd day of May, 2016.

Respectively Submitted,

Sean M. Sullivan, Economic Development Director

CITY OF ISANTI
PLANNING COMMISSION
MEETING MINUTES
MAY 10, 2016

1. Meeting Opening.

A. Call to Order.

Duncan called the meeting to order at 7:00 p.m.

B. Pledge of Allegiance.

Everyone rose for the pledge of allegiance.

C. Roll Call.

Members Present: Jeff Duncan, Greg Cesafsky, Paul Bergley, Steve Lundeen, Wayne Traver, and Jim Kennedy.

Members Absent: None.

Staff Present: Community Development Director, Roxanne Achman

Others Present: None

D. Agenda Modifications.

Achman stated there were none.

2. Approval of Minutes from April 12, 2016 Planning Commission Meeting.

Duncan questioned if there were any comments or changes to the minutes.

Motion by Bergley second by Lundeen to approve the April 12th, 2016 Planning Commission Meeting Minutes. Motion was unanimously approved.

3. Public Hearings.

A. Request from Jim Bergman for approval of a Conditional Use Permit to operate a Motor Vehicle Sales Office and Display at 11 Heritage Boulevard NW, Isanti.

Duncan read the item into the minutes.

Achman presented the staff memo.

Duncan opened the public hearing.

Bergley asked if the two trailers currently within the parking lot will be an issue.

Achman stated it would not be on issue as there is enough on-site parking. Achman continued by stating that at some point in the past, this business had paved into the railroads right-of-way. The Conditional Use Permit states that no portion of the vehicle sales operation are to occur within the railroad right-of-way unless proof of permission is provided.

Duncan asked if the City can allow the 9 stalls shown on the site plan without a way in or out of the stalls without driving on the railroad right-of-way.

Achman stated the stalls could be angled stalls in order to pull into them and the stalls drawn are not exactly to scale. It appears to be possible to get into or out of the stalls with minor adjustments.

Lundeen stated that it would be up to the landowner to make arrangements with the railroad if they'd like to use the railroad right-of-way.

Duncan stated that part of approving the conditional use permit application is making sure the use has the appropriate amount of parking, correct. Achman confirmed that is the case.

Duncan closed the public hearing.

Motion by Kennedy second by Bergley to recommend approval of request from Jim Bergman for approval of a Conditional Use Permit to operate a Motor Vehicle Sales Office and Display at 11 Heritage Boulevard NW, Isanti, Minnesota based on the Findings of Fact and Conclusions with the following conditions:

1. Services and sales are associated with a principal building with a minimum floor area of at least one thousand (1,000) square feet.
2. All area of the property not devoted to building, parking, or open sales lot area shall be landscaped in accordance with Section 15 of this Ordinance.
3. Off-street parking and loading shall meet the requirements as stipulated within Section 17 of this Ordinance.
4. All new or used vehicles parked or displayed outdoors on the property shall conform to all requirements of the State of Minnesota; shall be operable; shall include all engine, muffler, brakes, and operating parts; shall be equipped with all exterior body parts as if new (for a passenger vehicle, truck or van, this shall mean four (4) tires, all doors and windows, headlamps and grillwork, mirrors, fenders, trunk, lids, body panels and molding, etc, or if a boat, all windshields, safety railings, hulls, trailer, etc.); shall be uniformly and wholly painted; and shall be free from having any loose or damaged exterior parts.
5. All repair, assembly, disassembly or maintenance of motor vehicles or motor vehicle parts shall occur within an enclosed building.
6. A detailed site plan conforming to the requirements of Section 18 of this Ordinance shall be submitted. The site plan shall also illustrate the location of all open sales and storage areas.
7. No outside speaker system shall be permitted without the approval from the City Council.
8. A landscaped buffer shall be provided, if the use abuts any residential zoning district. Solid screening to a minimum height of six (6) feet shall be provided along any portion of the open sales lot abutting a residential property or district. Such screening shall consist of a continuous landscape berm, solid wood fence, wall, or other comparable material. Fencing shall be constructed of wood or comparable material and should be of an ornamental or decorative design. If a chain link or wood fence is used, landscaping shall be provided on the outside of the fence facing the abutting residential property or district.
9. All vehicles and activities shall remain on the property owned by James Walters. No vehicles or activities are to be permitted on the paved area extending in to the Railroad right-of-way without proof of permission from the Railroad.

Motion carried unanimously.

B. Request from Minnco Credit Union for approval of an Interim Use Permit to allow for Temporary Motor Vehicle Sales on the property located at 309 and 311 Credit Union Dr. NE, Isanti.

Duncan read the item into the minutes.

Achman presented the staff memo.

Duncan opened the public hearing.

Lundeen stated that Minnco has been doing this for a long time and they've been very diligent keeping things running smoothly.

Bergley asked if there have been any issues with Minnco working with surrounding businesses for parking.

Achman stated that she has not been informed of any issues with this operation.

Duncan closed the public hearing.

Motion by Lundeen second by Bergley to recommend approval of request from Minnco Credit Union for approval of an Interim Use Permit to allow for Temporary Motor Vehicle Sales on the property located at 309 and 311 Credit Union Dr. NE, Isanti, Minnesota based on the Findings of Fact and Conclusion and with the following conditions:

1. Any temporary signage that may be located on the property for the event would be required to meet the requirements of Section 16 Signs of the Zoning Ordinance. A Temporary Sign Permit Application shall be submitted for City staff review and approval prior to placement on the property before the event.
2. All of the dealerships participating in the temporary motor vehicle sales event shall have obtained the appropriate license from the State of Minnesota to conduct motor vehicle sales.
3. Any customers coming to the event must park in designated parking areas and shall not be permitted to drive into the sales area.
4. The Minnco Credit Union shall work with surrounding businesses for additional or overflow parking options. A copy of the written approval from such property owners shall be provided to the City.
5. Access to the vacant lot shall be from the Minnco property at 311 Credit Union Drive NE only, as shown on the site plan as provided. Access to the vacant lot shall not be from County Road 5 NE or the property located to the west of 309 Credit Union Drive NE.
6. Minnco Credit Union shall be responsible for returning the site to the condition it was in prior to the event. All waste shall be removed from the site and any damage to the turf shall be re-established.
7. The Interim Use Permit is granted to Minnco Credit Union for the following dates and times: Friday, June 17th, 2016 from 12:00 p.m. to 6:00 p.m. and Saturday, June 18th, 2016 from 9:00 a.m. to 3:00 p.m. Time will be permitted before and after the event on the same days specified for set-up and removal of vehicles.

Motion carried unanimously.

C. Continuation of a Request from the City of Isanti to Amend Zoning Ordinance 445, Section 14: Performance Standards to include fencing/barricade requirements for swimming pools.

Duncan read the item into the minutes.

Achman presented the staff memo.

Duncan opened the public hearing.

Duncan asked what the requirement would be if the pool exceeded 24 inches in depth, but not 5,000 gallons.

Achman stated that both criteria need to be met in order to require a building permit or fencing.

Bergley asked how the depth or fencing would be affected if the pool was partially dug down into the ground.

Achman stated that the sidewall above ground would still need to be a minimum of 48 inches.

Duncan closed the public hearing.

Motion by Lundeen second by Cesafsky to recommend approval of the request from the City of Isanti to Amend Zoning Ordinance 445, Section 6: Residential Districts and Section 14: Performance Standards to include fencing/barricade requirements for swimming pools based on the Findings of Fact and Conclusions. Motion carried unanimously.

4. Other Business.

A. Meeting date changes in August and November due to the Election

Duncan read the item into the minutes.

Achman presented the memo.

Duncan stated that moving the meetings to Wednesday made sense.

Bergley stated he preferred Thursdays.

Lundeen stated the sooner the meeting is held the better in order to keep things on track.

Motion by Lundeen second by Kennedy to approve the amended Planning Commission meeting dates. Motion carried with Bergley voting Nay.

5. Discussion Items.

A. None.

6. Adjournment

Motion by Lundeen second by Bergley to adjourn the May 10th, 2016 meeting of the Planning Commission. Motion was unanimously approved.

The meeting adjourned at 7:22 p.m.

Dated at Isanti, Minnesota this 10th day of May 2016.

Respectfully submitted,

_____

Roxanne Achman, AICP
Community Development Director

RESOLUTION NO. 2016-XXX

A RESOLUTION APPROVING A LOCAL GAMBLING PERMIT TO THE MILITARY ORDER OF THE COOTIES AUXILIARY TO ISANTI RUM RIVER RATS PUP TENT #99

WHEREAS, the Military Order of the Cooties Auxiliary has applied for a Local Gambling Permit for a Bingo Fundraiser to be held on July 9, 2016 at VFW Post #2735 located at 410 Railroad Street, Isanti, MN 55040, and;

WHEREAS, the value of prizes will be less than $1,500; and

WHEREAS, proceeds from Bingo are to be used for charitable donations; and

WHEREAS, the City of Isanti has no objection to the conduct of lawful gambling by the applicant, in accordance with law, at the designated location; and

WHEREAS, the applicant successfully passed a background check by the Isanti Police Department.

NOW THEREFORE BE IT RESOLVED by the City Council of the City of Isanti, Minnesota to approve a Local Gambling Permit to the Military Order of the Cooties Auxiliary to hold a Bingo fundraiser on July 9, 2016 at 410 Railroad Street, Isanti, MN 55040.

This resolution was duly adopted by the Isanti City Council this 21st day of June 2016.

MINNESOTA LAWFUL GAMBLING

LG220 Application for Exempt Permit

An exempt permit may be issued to a nonprofit organization that:

- conducts lawful gambling on five or fewer days, and
- awards less than $50,000 in prizes during a calendar year.

If total raffle prize value for the calendar year will be $1,500 or less, contact the Licensing Specialist assigned to your county by calling 651-539-1900.

Application Fee (non-refundable)

Applications are processed in the order received. If the application is postmarked or received 30 days or more before the event, the application fee is **$100**; otherwise the fee is **$150**.

Due to the high volume of exempt applications, payment of additional fees prior to 30 days before your event will not expedite service, nor are telephone requests for expedited service accepted.

RE: Resolution Adopting Amendment to Nuisance Lot Mowing Policy

At the June 6, 2016 City Council Meeting, staff received direction to amend the current nuisance lot mowing policy to revise the number of days of the mowing re-checks from 14 days to 7 days. Attached for your consideration is the amended resolution that changes the re-checks for second and subsequent mowing's to 7 days.

RESOLUTION NO. 2016-____

RESOLUTION ADOPTING AMENDMENT TO NUISANCE LOT MOWING POLICY

WHEREAS, the City of Isanti has recognized the need to regulate the growth of noxious weeds and rank growths of vegetation on property in the City, declaring them as a Public Nuisance Affecting Health and providing the ability through City Ordinance to abate such situations; and,

WHEREAS, the City Council has identified that both developed lots and vacant lots adjacent to developed properties within the City have growths of noxious weeds and rank vegetation that require abatement under City Ordinance; and,

WHEREAS, the City Council recognizes that a policy is necessary to provide the process and steps necessary for the mowing of such nuisance lots; and,

WHEREAS, the City Council of the City of Isanti adopted Resolution No. 2012-218, which established a new nuisance lot mowing policy and Resolution 2014-133, which amended the nuisance mowing policy; and,

WHEREAS, since the adoption of Resolution No. 2014-133, there are concerns regarding the timeframe for second and subsequent mowing of property that continue to be nuisance properties; and,

NOW, THEREFORE, BE IT FURTHER RESOLVED by the City Council of the City of Isanti, Minnesota to hereby approve the amended Nuisance Lot Mowing:

1. City staff receives a nuisance complaint or non-compliance is observed by City staff for rank growths of grass and vegetation. The complaint is forwarded in writing to the Code Enforcement / Zoning Tech (CE/ZT). If the property is identified as a vacant foreclosed property and other nuisances are identified on said property, these will also be forwarded to the CE/ZT for review.
2. The CE/ZT performs a site visit to verify the complaint. A minimum height of eight (8) inches of weeds, grass or a combination is required on the lot, or any portion of the lot, in order to be declared a nuisance lot to be mowed. Documentation of the height of the weeds, grass, or combination will be kept on file with the CE/ZT.
3. Upon verification of the nuisance, the CE/ZT identifies the property owner, owner of record, or a property contact. On identified foreclosed properties, a property contact will be attempted if the City has record of a party that is involved with the property. This contact is not necessary to effect establishment of a date certain for nuisance abatement.
4. The CE/ZT posts a notice on the door or sends a letter to the property owner, property contact, or owner of record giving a date certain that the property must be mowed. The initial notice of violation letter will include information regarding the cyclical ~~fourteen (14)~~ seven (7) day re-check, and potential subsequent mowing that may take place should the property be non-compliant on the date provided within the letter.
5. The CE/ZT tracks the date that the property must be mowed by.
6. On the date that the property must be mowed, the CE/ZT to perform a second site visit. The CE/ZT will document the conditions found on the property.
7. If the nuisance remains, the CE/ZT will notify the mowing contractor hired by the City to mow the property and remove the nuisance situation. Once an invoice is received for the mowing contractors' services, the list of properties abated will be sent to the Utility Billing Clerk. City staff will bill the property owner, property contact, or owner of record for the costs of mowing.

8. Once a nuisance has been abated on the property by the City, the property will be re-checked on a cyclical basis (every ~~fourteen (14)~~ seven (7) days).
    a. If the property has no further nuisance situation after being re-checked twice, it will be removed from the list. Another formal complaint, as provided in Step 1, will need to be filed on the property for the City to take any further action.
    b. If the property continues to have a nuisance situation upon re-check, the property will continue to be mowed every ~~fourteen (14)~~ seven (7) days.

This resolution was duly adopted by the Isanti City Council this 21st day of June 2016.

Date: June 13, 2016

Subject: Donation Request for MMBA "Support OUR Troops" Supplies Drive promotion in-store

---

Background:
Each year the MMBA supports many different organizations for the sole purpose of raising funds as well as supply donations to help support local active military personnel in our area. I am requesting that we promote this program in-store and customers can donate non- perishable food items or a cash donation in any amount they wish to help support this program. The dates of the donations are July 1st through July 31st 2016.

RESOLUTION NO. 2016-XXX

RESOLUTION APPROVING DONATION BOX AT LIQUOR STORE

WHEREAS, on June 2, 2009 City Council approved a donation box policy; and

WHEREAS, Isanti Liquor is requesting use of a donation box at the liquor store in support of the MMBA "Support Our Troops" supplies drive promotion; and

WHEREAS, the Liquor Committee has reviewed the request and recommended its approval.

NOW, THEREFORE, BE IT RESOLVED that the City Council of the City of Isanti, Minnesota hereby approves placement of a donation box for the "Support Our Troops" Supplies Drive at the Isanti Liquor Store from July 1st, 2016 through July 31st, 2016.

Adopted by the Isanti City Council this 21st day of June 2016.

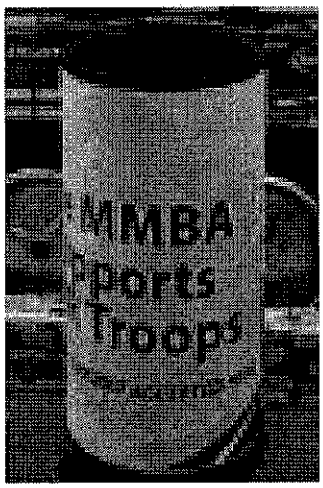
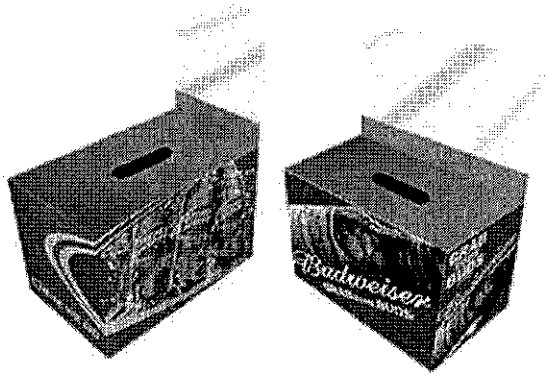
Anheuser Busch & Minnesota Municipals

3rd Annual MMBA "Support OUR Troops" Supplies Drive

In the continuing effort to help members Promote the Community Value of their Municipal Liquor Operation, MMBA, in partnership with Anheuser-Busch, is coordinating the *Third Annual Municipal "Support OUR Troops" Supplies Drive* **benefiting your local active military personnel.**

This is an effort to support active military personnel in your area serving our country around the world. We'll be raising both supplies and funds. You in turn will donate everything to the service members of your choice.





Participating cities will be randomly drawn to win one of ten $200 donations to your supplies drive effort.

So, everyone has a chance to win!

Here are additional details:

- The Supplies Drive will run from July 1st – July 31st, 2016.

- Each participating MMBA member will collect supplies to be sent to troops actively serving our country. Items can include non-perishable food, toiletries, batteries, sunscreen, lip balm, deodorant, eye drops, beef snack sticks, mouthwash, powder, itunes Gift cards, AAA & AA batteries and anything else that will cheer a soldier up.

- Wholesalers will provide customized signage, assist with designing and building displays to fit retailer needs and provide collection bin/box to collect items.
    - Wholesaler custom signage can include pictures/names of the beneficiary the store designates

- Customers will be encouraged to "sign up" local troops in store.

- Municipalities will work with local families of troops to get the items to those troops.

If you would like to participate in this event, contact the MMBA Office at:

Phone: 763-572-0222 or 866-938-3925
Email: kaspszak@visi.com

If you have questions about POS, please address with your local Anheuser-Busch Distributor.

If you have any issues contacting your local distributor, please contact Michael Maxwell:

Request for City Council Action

To: **Mayor Wimmer and Members of the City Council**

From: Josi Wood, Public Services Director/ Assistant City Admin.

Date: June 21, 2016

Subject: Consider Resolution Authorizing the Repair of the Komatsu Grader

---

Background:
The 1996 Komatsu Grader is a piece of equipment used in snow removal and also grading the City alleys. It has undergone some repairs in the past which included a transmission rebuild and a new radiator in 2009. For the past couple years there have been issues with oil in the coolant and also other problems that have warranted a thorough look-through of the equipment. Road Machinery and Supplies found that there is a leaking head gasket, transmission cooler that needs to be replaced and also a differential belt that needs replacing. The quoted costs, not including freight charge to bring the grader to their shop, is $9,842.06.

The Komatsu Grader was initially put into the Capital Replacement schedule for 2015. Based on the year and keeping it for a lifespan of 15 it is possible that it should have been up for replacement in 2011 however the repairs that were performed in 2009 assisted in giving it more life. The cost of a plow truck is equivalent to a grader. A plow truck would be able to salt and better maneuver the streets/curbs of Isanti. A plow truck should be considered when the Grader is up for replacement.

Finance Committee Recommendation
The Finance Committee recommended at their June 9th, 2016 meeting that the repairs to the Grader be done by the recommended vendor with the funding source as Streets – Repairs (404).

Request:
Staff is requesting action on this item.

Attachment:
- Resolution No. 2016-XXX
- Quote from Road Machinery and Supplies

RESOLUTION NO. 2016-

A RESOLUTION AUTHORIZING THE REPAIR OF THE KOMATSU GRADER

WHEREAS, the 1996 Komatsu Grader, GD650A, is in need of repair; and,

WHEREAS, the repairs needed include a leaking head, transmission cooler, and differential belt; and,

WHEREAS, staff obtained a quote from Road Machinery & Supplies Company who was the only vendor that could be found to work on the equipment in the area; and,

WHEREAS, the quote was in the amount of $9,842.06 not including the freight charge to bring the equipment to their shop should that be necessary; and,

WHEREAS, contingency of 10% will be added to include unforeseen issues once the equipment has been disassembled; and,

WHEREAS, the Finance Committee met to discuss the repair and quote and made the recommendation to repair the Grader since it will be used as a critical piece of equipment for snow removal for at least three years; and,

WHEREAS, the funding source will be Streets, Equipment/Repairs (expense code 404);

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Isanti, Minnesota

1. Hereby accepts the quote from Road Machinery & Supplies Company and contingency in the amount of $10,826.26, not including freight, for repair of the 1996 Komatsu Grader.
2. Authorize the Public Services Director to sign the required documents for such repair.
3. Authorize payment, if necessary, at time of services and prior to inclusion on the Accounts Payable listing.

Adopted by the Isanti City Council this 21st day of June, 2016.

Request for City Council Action

To: **Mayor Wimmer and City Council Members**
From: Chief Gene C. Hill
Date: June 14, 2016
Subject: Reserve Officer Hiring - Replacement

MEMO

Background:

The City of Isanti has a Police Reserve Unit that is a volunteer group. At the June 7th 2016 City Council meeting, the City Council accepted four reserves resignations in good standing and one reserve was terminated. The City Council also authorized the replacement of these positions within the reserve roster.

The Police Department has received periodic applications for the position of a volunteer Police Reserve. Lt. Muyres has reviewed, interviewed and backgrounded the candidates below and recommends the following candidates to the City Council for the position of Volunteer Isanti Police Reserve:

1. Danny Richardson Jr.
2. Evan Peterson
3. Andrew Sammis – Pt. Liq. Store Employee
4. Keith Peterson

Action:
I ask that the City Council to review, consider and approve the hiring of the above four candidates to fill vacancies within the Volunteer Isanti Police Reserves Program.

Thank you for your consideration,

Chief Gene C. Hill

RESOLUTION NO. 2016 -____

A RESOLUTION AUTHORIZING FILLING OF VACANCIES TO THE ISANTI POLICE RESERVE UNIT BY HIRING ANDREW SAMMIS, EVAN PETERSON, KEITH PETERSON AND DANNY RICHARDSON JR.

WHERAS, the City of Isanti has authorized the police department to keep a roster of 13 voluntary police reserve positions; and

WHEREAS, the Police Department recently accepted the resignation of five police reserves and authorization was given to fill those positions; and

WHEREAS, reserve applications were received and reviewed; and

WHEREAS, selected candidates were interviewed and backgrounded for hire by Lt. Muyres and are commended to fill current vacancies within the police reserve program; and

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota as follows:

1. Filling four of the current vacancies within the Volunteer Isanti Police Reserve Program by hiring Danny Richardson Jr., Evan Peterson, Andrew Sammis and Keith Peterson

Adopted by the Isanti City Council this 21st day of June 2016.

RESOLUTION NO. 2016-XXX

RESOLUTION OFFERING THE POSITION OF PART-TIME LIQUOR STORE CLERK TO CHRISTIE VISSER

WHEREAS, the City Council of the City of Isanti is required to approve all new employees; and

WHEREAS, the City Council approved to advertise and accept applications to fill a Liquor Store Part-Time Clerk position; and

WHEREAS, the Interviewing Panel selected Christie Visser as the most qualified candidate for the open Part-Time Clerk position. A successful background check has been completed on the candidate.

NOW THEREFORE BE IT RESOLVED BY THE CITY COUNCIL of the City of Isanti, Minnesota as follows:

1. That Human Resources is hereby directed to offer the Liquor Store Part-Time Clerk position to Christie Visser for the City of Isanti and that she shall be eligible to start in that position on or after June 22, 2016.
2. That Christie Visser shall start at Step 1 of the Wage Scale at $10.57/hr.
3. That Christie Visser shall be on probationary status per the Personnel Policy in the position of the Part-Time Clerk position effective June 22, 2016, or her start date, whichever is later.
4. That Human Resources is directed to complete all required documentation for the completion of the employment offer.
5. That Human Resources is directed to forward an executed copy of this resolution to the employee and place a copy in the employee's personnel file for future reference.

This resolution was duly adopted by the Isanti City Council this 21st day of June, 2016.

City of Isanti
Economic Development Authority
Regular Meeting Minutes of
June 7, 2016
Isanti City Hall

1. Call to Order

The meeting was called to order by Economic Development Director Sullivan at 7:34 p.m.

a. Pledge of Allegiance

b. Roll Call

Commissioners Present: George Wimmer, Keith Dragisich, Dan Collison, Steve Lundeen, Ross Lorinser (Sworn in during Agenda Item 2.5) and Paul Bergley

Commissioners Absent: Tara Hallberg (Excused)

Staff Present: Economic Development Director Sean Sullivan

c. Agenda Modifications

President Wimmer asked for Item 2.5 Oath of Office for Ross Lorinser to be added to Agenda.

2. Approval of Agenda

Motion to approve Agenda with addition of Item 2.5 by Lundeen, second by Collison, motion carried unanimously.

2.5. Oath of Office for Ross Lorinser

Economic Development Director Sullivan administered the Oath of Office for Commissioner Lorinser.

Motion by Dragisich second by Lundeen to appoint Ross Lorinser Vice President of EDA, motion carried unanimously.

ED Director Sullivan stated he would bring back a Resolution to the next EDA meeting for adoption to amend officers for EDA.

3. Approve Minutes of May 3, 2016 Regular Economic Development Meeting

Motion by Lundeen second by Bergley to approve the minutes for May 3, 2016. Motion carried unanimously.

4. Update and Discussion on Progress of Hotel

DRAFT

Economic Development Director Sullivan outlined the staff memo which included the recent history regrading efforts to bring a Hotel to Isanti. He highlighted the favorable study and the method that staff had been using to get interest in the hotel and to attract investors. 33 and 49 unit concepts with a pool were outlined in the study with associated project and financing cost and potential rate on return investment. Sullivan indicated that the study showed market demand of 70-80 rooms.

President Wimmer gave more history regarding the City Council position on willingness and methods to use to help bring a Hotel to Isanti. The direction given to Council was to bring a finance package to the RLF Committee for review that showed the gap and a request for assistance for the project. He also stated the a discussion took place during 2016 Council Goal Setting and that there was not a strong appetite from the City Council for the City to be involved in long-term or majority ownership of the project. He did state that in order for the city to get a hotel he felt the City would have to be involved but the role might need to be larger

Discussion ensued.

Commissioner Dragisich asked if another approach that included a fitness component and restaurant component to the project. This approach would allow for additional revenue streams which could minimize risk for primary investors and also bring items that the community is asking for.

President Wimmer stated that he believes that a hotel will be built in the area in the next 2 years. He indicated the Isanti Indoor Arena bring a year round draw to Isanti and that it helps generate demand for rooms. He thought looking at adding additional components might be worth a shot.

Commissioner Lundeen indicated the he heard that Cambridge was looking to update their study.

Sullivan stated that a lodging tax would also be a revenue source to help offset City costs. The use of the funds are limited marketing and tourism of the city.

President Wimmer asked the EDA commissioners to voice their level of interest in expanding the City role (including ownership options) to bring a Hotel to Isanti. He said that that it is a philosophical discussion on whether the City should be involved in a project of this type.

Dragisich asked about engaging restaurant that have partners with hotels if they would have an interest in being a partner in hotel of Isanti.

Commissioner Lundeen stated the rooftops drive restaurant investment. We don't meet a lot of the demographic criteria needed to bring in restaurants.

Discussion ensued.

Commissioner Lorinser asked of the have been other City owned hotels.

Sullivan indicated he was aware of EDA owned hotels in tourist locations and that City owned hotels were not common.

Commissioner Lorinser asked how we would know if the study is legitimate and something to be trusted.

ED Director Sullivan stated the IDM did the objective study and that there reputation is attached to that study. That is why the City contracted with an objective party so we could get an honest opinion of the market conditions and chances for success.

Commissioner Lorinser asked about the city and taxpayer exposure to a hotel deal if the City had an ownership stake.

ED Director Sullivan stated that it depends on how it is structured. To date there is not a specific structure to review so exposure can't be analyzed. He asked if he was to explore options on how the city could be involved.

Commissioner Lundeen indicated that he didn't want to see a big tax increase due to a hotel project.

Discussion ensued.

There was discussion outlining hypothetical scenarios and how the City exposure or risk would be analyzed. Project scope limited room count to 49 or less. Discussion about city owned hotels ensued with Commissioner Collison referencing the Cedar Rapids version. Consensus was that a hotel is needed in Isanti but we must be cautious in the City Approach.

ED Director Sullivan stated the approach we are using right now is the safest as puts us in a position to evaluate a proposal before committing the City. He warned against negotiating against ourselves or putting our cards on the table first.

President Wimmer stated that he wanted to share on the upside of a project if the City is an owner in the project.

Sullivan asked the EDA to consider the following options or hybrids and to give direction:

1) Status Quo –Shop study and continue to ask for proposals
2) Explore partial City ownership and how it might look (50% or less), spend some money potentially to have Northland Securities to provide some opinion or guidance.
3) Seek TIF or Special legislation for project in 2017 session (spend money on lobbyist…)

Discussion ensued.

Motion by Lundeen, second by Collison to direct Economic development team to work with prospects that could include partial EDA ownership (incentives) and to bring proposals back for review and to work with Northland Securities to get a better definition on how partial city ownership might look and to raise the priority of this project. Motion carried unanimously.

CITY OF ISANTI
PLANNING COMMISSION
MEETING MINUTES
JUNE 14, 2016

1. Meeting Opening.

A. Call to Order.

Bergley called the meeting to order at 7:00 p.m.

B. Pledge of Allegiance.

Everyone rose for the pledge of allegiance.

C. Roll Call.

Members Present: Paul Bergley, Steve Lundeen, Wayne Traver, and Jim Kennedy.

Members Absent: Greg Cesafsky, provided prior notice. Jeff Duncan, no notice given.

Staff Present: Community Development Director, Roxanne Achman

Others Present: None

D. Agenda Modifications.

Achman stated there were none.

2. Approval of Minutes from May 10, 2016 Planning Commission Meeting.

Bergley questioned if there were any comments or changes to the minutes.

Motion by Lundeen second by Kennedy to approve the May 10th, 2016 Planning Commission Meeting Minutes. Motion was unanimously approved.

3. Public Hearings.

A. Request from Granger Machine Inc./Crosslake Specialties LLC for Approval of a Conditional Use Permit to allow for Outdoor Storage on the property located at 512 1st Ave NW, Isanti, Minnesota.

Bergley read the item into the minutes.

Achman presented the staff memo.

Bergley opened the public hearing. There was no one to speak on the matter. The public hearing was closed.

Motion by Kennedy second by Lundeen to recommend approval of the request from Granger Machine Inc./Crosslake Specialties LLC for Approval of a Conditional Use Permit to allow for Outdoor Storage on the property located at 512 1st Ave NW, Isanti, Minnesota based on the findings of fact and conclusions with the following conditions:

1. Outside storage areas shall be surfaced with bituminous, concrete, or other surfaces, including but not limited to crushed rock, Class 5, or recycled materials; as recommended by the Planning Commission and approved by the City Council.

2. All outside storage areas shall be effectively screened year-round, by a wall, fence, or densely planted vegetation in accordance with Section 15 of this Ordinance.

Motion carried unanimously.

B. Request from St. Elizabeth Ann Seton for Approval of a Conditional Use Permit to operate an Educational Institution within the church located at 207 Whiskey Road NW, Isanti, Minnesota.

Bergley read the item into the minutes.

Achman presented the staff memo.

Bergley opened the public hearing.

Catherine Klobe, Co-Founder of St. Scholastica, approached the podium to let the Planning Commission know she was in attendance if there were any questions of the school.

Bergley asked if there are any safety concerns at the corner of Whiskey Rd and Oakwood St where many students cross and whether the safety patrol was notified that there will be additional students in the area.

Kennedy stated there is already a crosswalk in that area and posted patrols.

Achman stated that the School for All Seasons was notified through the public hearing process that St. Scholastica was requesting to locate within St. Elizabeth's.

Bergley closed the public hearing.

Motion by Kennedy second by Lundeen to recommend approval of the request from St. Elizabeth Ann Seton for Approval of a Conditional Use Permit to operate an Educational Institution within the church located at 207 Whiskey Road NW, Isanti, Minnesota based on the findings of facts and conclusions with the following condition:

1. An enrollment of greater than 80 students shall require an amendment to the Conditional Use Permit.

Motion carried unanimously.

C. Request from the City of Isanti to Amend Zoning Ordinance 445, Section 15 Fencing, Screening and Landscaping to update the fencing requirement within drainage easements.

Bergley read the item into the minutes.

Achman presented the staff memo.

Bergley opened the public hearing. There was no one to speak on the matter. The public hearing was closed.

Lundeen asked of the amendment was mostly verbiage.

Achman stated that it was but it also adds a stipulation that if the property owner wants to install the fence within the flow path, they can do so as long as the fence is raised up from the ground by 4 inches. There must be free flow of water under the fence.

Motion by Kennedy second by Lundeen to recommend approval of the request from City of Isanti to Amend Zoning Ordinance 445, Section 15 Fencing, Screening and Landscaping to update fencing requirement within drainage easements. Motion carried unanimously.

4. Other Business.

A. None.

5. Discussion Items.

A. None.

6. Adjournment

Motion by Kennedy second by Lundeen to adjourn the June 14th, 2016 meeting of the Planning Commission. Motion was unanimously approved.

The meeting adjourned at 7:13 p.m.

Dated at Isanti, Minnesota this 14th day of June 2016.

Respectfully submitted,

MEMORANDUM

Date: June 8, 2016

To: Honorable Mayor Wimmer and Members of the City Council
City of Isanti

From: Bradley C. DeWolf, P.E.
City Engineer

Jason W. Cook, P.E.
Assistant City Engineer

Subject: Project Status Report
Isanti, Minnesota
BMI Project No: R13.111162

Please find listed below a status report of the current projects in the City of Isanti.

1) **City Hall Parking Lot Expansion**

This project will be completed this month.

2) **River Bluff Preserve Parking & Trail Improvements**

Construction has begun on the parking lot and trail. It is anticipated both projects will be completed in June. We will perform inspection as requested.

3) **Railroad Avenue Pond Improvements**

The contractor has completed this work. A final walk through with the Soil & Water Conservation District is scheduled this month.

4) **Watermain Loop Improvements**

The Contractor is completing the contract paperwork. A pre-construction meeting will be held this month.

5) **Wastewater System Improvements**

The City Council awarded the project to Gridor Construction at the June 7, 2016 Council Meeting. We will get the Contract Documents to them for processing. A pre-construction meeting is anticipated to be held in the coming month.

6) **Whiskey Road Walk Infill Study**

We have surveyed the project area and are designing the proposed alignment of the walk.

7) **Coborn's Grocery Store & Allina Medical Office Building**

Both Sites are under construction. We will continue to assist the City as testing and inspection is required.

In addition to the current projects listed above we have completed and accepted 42 private developments and 45 city contracts since being selected as your City Engineer in 2008.

Please contact Brad or Jason if you have any questions.

Adjournment

CITY OF ISANTI
CITY COUNCIL MEETING
TUESDAY, JUNE 21, 2016 – 7:00 P.M.
CITY HALL

Mayor Wimmer called the meeting to order at 7:00 p.m.

The Pledge of Allegiance was recited

Members Present: Mayor George Wimmer, Councilors: Paul Bergley, Dan Collison, Ross Lorinser, Steve Lundeen

Members Absent: None

Staff Present: City Attorney Clark Joslin, City Administrator Don Lorsung, Human Resources/City Clerk Lindsey McInnis, Police Lieutenant Travis Muyres, Community Development Director Roxanne Achman, Liquor Store Manager John Jacobi and City Engineer Brad DeWolf

D. Adopt Agenda
Motion by Collison, second by Lorinser to approve the agenda. Motion carried unanimously.

E. Proclamations/Commendations/Certificate Awards

1. Presentation of the Minnesota GreenStep Cities, Steps 1, 2 and 3 Recognition Award

Mayor Wimmer explained that last year at the League of Minnesota Cities Conference the MPCA program was presented to interested cities with a goal of better environmental practices throughout the city. Roxanne Achman, Community Development Director, took leadership along with Josi Woods, Public Services Director/Assistant City Administrator, playing an important role as well. All systems of local government were involved. In one year the City accomplished Steps 1, 2 and 3. The City will continue to strive towards Step 4, which is by many degrees more difficult. Achman presented the award to the Council. The Mayor thanked Achman for her leadership and stated she has done a fantastic job.

2. Presentation of 2016 Isanti Ambassador Candidates

Melissa Bettendorf explained that the Ambassador Program is an organization that works with the North 65 Chamber of Commerce. She recognized the new co-directors, Kirstin Knutson, Amanda Wichman and Taylor Norberg and thanked them for their hard work. The three current Isanti Ambassadors introduced themselves and shared their favorite memory from their service year. The candidates then went on to introduce themselves, their sponsors and what they were most looking forward to. The Mayor presented the candidates with pins.

F. Approve City Council Minutes

1. June 7, 2016 - Regular Meeting of the City Council

Motion by Lundeen second by Lorinser to approve the regular City Council Meeting Minutes of June 7, 2016 as presented. Motion carried unanimously.

G. Citizens Input

None

H. Announcements

1. Parks, Recreation, and Culture Board Meeting — Tuesday, June 28, 2016 at 6:00 p.m.
2. CITY OFFICES CLOSED — Monday, July 4, 2016
   (In Observance of Independence Day)
3. City Council Meeting — Tuesday, July 5, 2016 at 7:00 p.m.
4. Economic Development Authority Meeting — Tuesday, July 5, 2016
   (Immediately following the City Council Meeting)
5. Planning Commission Meeting — Tuesday, July 12, 2016 at 7:00 p.m.

I. Council Committee Reports

1. Council member Lundeen stated the Fire District would like to pour cement for additional parking space alongside the north side of the Fire Department Building which is city owned. It would be approximately 5,535 square feet. The Fire District would like to know who is responsible for paying for this project. The estimated cost is about $25,000. The Mayor requested Council member Lundeen provide an update as to how many regular sized vehicle parking spaces it would accommodate by Thursday, June 23rd, in which the item will be brought to DOAC (Development & Operations Advisory Committee) for discussion.

2. The Mayor mentioned the City is going to be looking at a space for a potential dog park area. The location that will be looked at is to the East of Rum River BMX. The only downside is it is located near the railroad tracks. Staff will review the Cambridge dog park to identify possible design ideas.

3. The Mayor talked with Coborn's regarding the appearance of the western wall which faces Highway 65. The original plan showed it would look the same as the front of the building, which it currently does not. Legally the western wall was completed according to code. Further discussions are planned and Mayor will be working with them towards a solution to make it look better than it currently does.

4. Another item that the City will be looking into and gathering numbers on is the cost for a grass volleyball court at Rum River Meadows. There are vacant lots that the city owns, so the space is available. A few years ago, sand volleyball courts were looked into but it was not a fiscally feasible option.

5. Mayor Wimmer and Don Lorsung attended the Minnesota League of Cities Conference this month. Roxanne Achman and Josie Wood were in attendance for the GreenSteps Award portion. City Administrator Lorsung reported that it was unique this year as it was combined with the Alliance Renovation and brought in many representatives and ideas from all over the country. Lorsung presented the concept of a comprehensive strategic plan for staffing. The Mayor indicated through discussion at the Mayor's breakfast, the City of Isanti has not had many of the issues other cities are facing, and stated we are very lucky to have an excellent Administrator and fortunate for John Jacobi, Liquor Store Manager, who is doing a fantastic job as well. The profits from the liquor store help pay for items in the general fund and help keep our taxes lower than if we did not have those funds.

J. Public Hearings

None

K. **Business Items**

1. **Resolution 2016-201 Providing for the Issuance and Sale of $2,525,000 General Obligation Sewer Revenue Bonds, Series 2016A and Pledging Net Revenues for the Security Thereof**

Jessica Green of Northland Securities Inc. (colleague Rusty Fifield also present) explained that the bond had originally started with a number of $2,605,000 but after accepting bids at 11a.m. that morning, the sale was able to be reduced to $2,525,000. A premium of about $80,000 was used to reduce the bond amount. The Mayor asked Ms. Green to explain what the premium is and why we received it. Ms. Green explained that investors are looking for a higher coupon rate and investors will provide cash up front to get that higher coupon. This is how they were able to reduce the bond sale size. The original coupon was assumed to be about 1.85%, however it ended up at 2.00%, with a True Interest Cost of 1.75%. This means the over-all borrowing costs, or all in costs, are reduced by about 25 basis points. Originally it was at about 2.20% for the All in Cost (AIC) but after the sale it is down around 1.95% (AIC). Ms. Green stated that this was a really good bond sale. Standard & Poor's (S&P 500) rating report on the City noted very strong budgetary flexibility and liquidity as well as strong management. Ms. Green recommended the sale be awarded to Stifel, Nicolaus & Co, Inc. in the amount of $2,525,000.

Motion by Collison second by Bergley. Motion carried unanimously.

2. **Resolution 2016-202 Approving a Special Event Request from the North 65 Chamber of Commerce for Jubilee Days**

Dave Englund, Chair of Jubilee Days gave a brief update on changes this year. New this year in the outhouse race is a junior division ages 12-16. There will also some location changes due to parking changes. Council member Lundeen commented, that this Jubilee parade is a very important part of our City.

Motion by Lundeen second by Bergley. Motion carried unanimously.

City Administrator Don Lorsung

3. **Resolution 2016-203 Approving Updates to Isanti Community Center Rental Information**

Mayor Wimmer shared that due to issues in the past, the language in the rental agreement was changed to clarify issues with the key pick-up. If the renter does not pick up the key during business hours on the designated days, the reservation will be determined cancelled and no rental refund will be issued.

Motion by Lundeen second by Bergley. Motion carried unanimously.

4. **Resolution 2016-204 Approving a Conditional Use Permit for Granger Machine Inc./Crosslake Specialties LLC for Outdoor Storage on the property located at 512 1st Ave NW, Isanti, Minnesota**

Motion by Bergley second by Collison. Motion carried unanimously.

5. **<u>Resolution 2016-205</u> Approving a Conditional Use Permit for St. Elizabeth Ann Seton to operate an Educational Institution within the church located at 207 Whiskey Road NW, Isanti, Minnesota**

The Mayor indicated that this Permit is to bring St. Scholastica into Isanti, and that by allowing this it will give another educational opportunity to those in this area.

Motion by Lundeen second by Collison. Motion carried unanimously.

6. **<u>Ordinance 647</u> Amending Zoning Ordinance 445, Section 15 Fencing, Screening and Landscaping to update fencing requirement within drainage easements**

The Mayor also added an amendment stating no fence shall enclose a water shut off valve to the interior, a 12-inch minimum separation between the fence and shut off valve must be maintained and also wide enough so a wrench to turn the valve can fit.

Motion by Lundeen second by Bergley. Motion carried unanimously.

7. **<u>Resolution 2016-206</u> to Approve Staff to Work with the Charter School Development Corporation on a Park Development Agreement**

Mayor explained that the park area which was originally designated will be flip-flopped with land owned by the City and the non-profit, so that the former designated park area can be developed commercially. We will have an agreement that the public will have access to the park. The idea would be to have 250 ft. of trail developed by next year. The rest can be developed over time.

Motion by Lorinser second by Lundeen. Motion carried unanimously.

<u>Liquor Store Manager John Jacobi</u>

8. **<u>Resolution 2016-207</u> Approving Bid for the Replacement and Installation of LED Lights at the Liquor Store**

Lundeen commented that the replacement of the current lights with the new LED lights will pay for itself within two years. The Mayor requested the item to be sent to the Finance Committee to discuss and to confirm the City has the funding lined up.

Motion by Lundeen second by Collison. Motion carried unanimously.

9. **<u>Resolution 2016-208</u> Approving Isanti Retail Meats to Cater Isanti Liquor Store Tasting Event**

Motion by Collison second by Lundeen. Motion carried unanimously.

L. Approve Consent Agenda

1. Consider Accounts Payable in the Amount of $360,487.53 and Payroll in the amount of $89,894.86
2. Contractor's Pay Request No. 2 – Final in the Amount of $43,775.13
3. Final Meeting Minutes for the May 3, 2016 Economic Development Authority Meeting
4. Final Meeting Minutes for the May 10, 2016 Planning Commission Meeting
5. **Resolution 2016-209 Approving a Local Gambling Permit to the Military Order of Cooties Auxiliary to Isanti Rum River Rats #99**
6. **Resolution 2016-210 Adopting Amendment to Nuisance Lot Mowing Policy**
7. **Resolution 2016-211 Approving Donation Box at Liquor Store**
8. **Resolution 2016-212 Approving Repair for Grader Equipment**
9. **Resolution 2016-213 Authorizing Filling of Vacancies to the Isanti Police Reserve Unit by Hiring: Danny Richardson Jr., Evan Peterson, Andrew Sammis, and Keith Peterson**
10. **Resolution 2016-214 Offering the Position of Part-Time Liquor Store Clerk to Christie Visser**

Motion by Lundeen second by Bergley to approve the consent agenda. Motion carried unanimously.

Adjournment

Motion by Bergley second by Collison to adjourn. Motion carried unanimously. Meeting adjourned at 7:27 p.m.

Respectfully Submitted,

Janice Lutterman
Administrative Data Clerk

MEMO

To: **Mayor Wimmer and City Council Members**

From: Lindsey McInnis, Human Resources/City Clerk

Date: June 30, 2016

Subject: Appoint Board Member to Park and Recreation Board

Background:
Currently, there is one seat vacant on the Park, Recreation and Culture Board. The City is required to make certain official appointments to City Boards. Advertisements were placed to seek interested candidates for the vacant seat on the Park and Recreation Board. One application and Interest Disclosure form was received from James Witte. The applicant lives within City limits.

Action:
Interview candidate James Witte and make appointment for the Park and Recreation Board

Attachments:

- Resolution No. 2016-XXX

Park & Recreation Board Member Interview Questions:

1) What is the Park & Recreation Board's role?

2) What is your vision of the park and recreational system for the City?

3) Do you have experience in parks and recreation or park and recreation member experience?

4) Do you volunteer within the Isanti Community?

5) Can you attend evening meetings that start at 6:00 p.m.?

A Community For Generations.

Isanti

Park and Recreation Board

For consideration, please fill out the below information along with the attached conflict of interest statement signed and stated by you. Please submit all the information to:

Human Resources/City Clerk Lindsey McInnis
PO Box 428, Isanti, MN 55040
or lmcinnis@cityofisanti.us 763-444-5512

Name: James Witte E-mail: [redacted]

Address: [redacted]

Phone Number: [redacted]

For Consideration on the Board you must circle at least one:

(City of Isanti Resident) Non-Resident of Isanti

State:
Education and/or knowledge that will be useful to the Board

- Bachelors degree in Managment: Emphasis in Human Resources
- Minor Psychology

Why you are interested on being on the Board

This would be a great opportunity to connect with supporters from a variety of places. I want to represent the community and feel I can provide more visibility in offering community input.

What is your vision of Isanti?

Isanti offers an abundance of parks & trails, yet has the potential for additional resources/activities.

Any other pertinent information that might to be taken into consideration. You may attach additional pages.

Isanti County resident: 1984-2003, 2010-2011, 2015-Present

Subject: Addition of Grass Volleyball Court at Rum River Meadows

---

Background:
City staff have received requests from residents for a public volleyball court. The Parks, Recreation, and Culture Board has discussed a grass court with a net that can be removed in the winter that could be installed at Rum River Meadows park. Staff have researched the equipment needed and estimate the project to cost $1732.15.

Volleyball Court Project Summary	
Posts, sleeves, net (United Volleyball Supply)	$1406.22
Concrete for sleeve installation	$100.00
15% Contingency	$225.93
Project Total	**$1732.15**

This project is not budgeted in 2016. Parks equipment is generally funded from the Parks, Recreation, and Culture Fund, Repairs/Maint Machinery/Equip (101-45300-404).

Staff Request:
Staff is requesting authorization to move forward with ordering equipment and installing a volleyball net at Rum River Meadows.

RESOLUTION NO. 2016-XXX

RESOLUTION APPROVING ADDITION OF GRASS VOLLEYBALL COURT AT RUM RIVER MEADOWS

WHEREAS, the City of Isanti has received requests from residents for a public volleyball court; and,

WHEREAS, Parks, Recreation, and Culture Board has identified Rum River Meadows as a feasible location for a grass volleyball court; and,

WHEREAS, the project is estimated at an unbudgeted $1732.15; and,

WHEREAS, the equipment and installation would be funded from the PRC Repairs/Maint Machinery/Equip Fund (101-45300-404);

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to

1. Approve funding a grass volleyball court at $1732.15 to be installed at Rum River Meadows.
2. Authorize the Public Services Director and Community Events and Parks Coordinator to sign the required documents for the purchase of equipment.

This resolution was duly adopted by the Isanti City Council this 5th day of July, 2016.

Request for City Council Action

To: Mayor Wimmer
Members of the City Council

From: Katie Everett
Community Events and Parks Coordinator

Date: July 5, 2016

Subject: Dog Park Concept

Background:
Residents have expressed interest in having a space where they could bring their dogs off leash for better exercise. Dog parks are popular options for cities, and vary greatly in size and amenities offered. A potential location for a dog park within the City of Isanti is the northeastern corner of Bluebird Park, next to the Isanti Indoor Arena on Isanti Parkway.

Staff have created a two-phase draft park concept for the space. The first phase would enclose almost one acre. The second phase would extend the southern edge of the fence south to the small creek, increasing the size of the park to roughly 2 acres. Currently at this location are storage buildings for Public Works and the Police Department. The buildings are reaching capacity. In the second phase of this concept, the existing buildings would be taken down and a new building would be constructed at Public Works. The existing Public Works break room is inadequate for current staff; a new building would allow for a bigger space for staff, and the existing break room could be used for much needed Parks, Recreation, and Culture storage.

The first phase of the park concept includes 4' black vinyl chain link fencing, a transition entrance area, dog waste stations, and a bench. The second phase includes increasing parking, extending the fencing, removing the buildings, additional dog waste stations, dog agility equipment, and seeding of the access road. The location offers open spaces ideal for exercising dogs and excellent shaded areas.

Staff Request:
Staff are asking Council to discuss this project and consider including it into the 2017 budget.

Request for City Council Action

To: Mayor Wimmer and City Council Members

From: Sean M. Sullivan, Economic Development Director

Date: July 5, 2016

Subject: **Consider Resolution Calling for Special Legislative Session and Restoration of funding for Minnesota Investment Fund and Job Creation Fund**

Background:

The City of Isanti has utilized the MIF and JCF programs to assist in bringing projects to the City of Isanti. Providing funding for these programs at higher levels provided dollars that the City of Isanti could use to help recruit businesses to help others expand. These funds are tied to job creation which is a goal of the City of Isanti and its Economic Development Authority. The attached resolution is in support of restoring funding and calling for a special session so that funds can be included in the 2017 budget.

City Council Action Requested:

Consideration of adoption of attached resolution.

Attachment:

1) Resolution 2016-___ Resolution Calling for Special Legislative Session and Restoration of funding for Minnesota Investment Fund and Job Creation Fund

RESOLUTION 2016-___

RESOLUTON CALLING FOR SPECIAL LEGISLATIVE SESSION AND RESTORATION OF FUNDING FOR MINNESOTA INVESTMENT FUND AND JOB CREATION FUND

WHEREAS, the continued economic development of local communities and the State of Minnesota is necessary to promote the general welfare of the populace; and,

WHEREAS, the State of Minnesota competes nationally and globally for economic development opportunities; and,

WHEREAS, public assistance, specifically in the form of the Minnesota Investment Fund and the Job Creation Fund is sometimes needed to move good economic development projects forward; and,

WHEREAS, the Minnesota Investment Fund and the Job Creation Fund have both demonstrated an excellent return on investment (ROI); and,

WHEREAS, there are projects and potential projects throughout the State of Minnesota that would move forward with the assistance of the Minnesota Investment Fund and the Job Creation Fund that ultimately will create hundreds of high-paying jobs;

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Isanti that funding for the Minnesota Investment Fund be restored to $15,000,000 and funding for the Job Creation Fund be restored to $12,500,000 – which is their original funding levels.

BE IT FURTHER RESOLVED that a special session of the legislature be called as soon as possible to address this important issue.

This Resolution hereby approved by the Isanti City Council this 5th day of July 2016.

RE: Quotes for City Owned Crop Land

Per City Council direction, staff has solicited quotes for lease of City Owned Crop Land for the 2017 crop season. The crop land solicited for quotation was Parcel A, the 82.7 acre parcel by and north of the WWTP. The City received one quote from Mr. Wayne Calander, Calander Farms. He submitted a quote for $6,703.13 (see attached). The prior quote from Mr. Calander for the 2016 crop year was $6,444.81.

Attached is a resolution for your consideration to accept the quote from Calander Farms for lease of the crop land; with lease terms addressed therein.

RESOLUTION NO. 2016-

RESOLUTION ACCEPTING QUOTE FOR THE LEASE OF CITY OWNED CROP LAND

WHEREAS, the City of Isanti has determined that certain property currently owned by the City will not be needed in the near future for the intended public use; and

WHEREAS, the City has identified the property to be leased/rented for crop production on the map attached as Area A for 82.7 acres, further described as: north and east of the City Wastewater Treatment Facility, located to the east of 3rd Avenue North and south of 299th Avenue; and

WHEREAS, the City advertised and obtained one quote from a party interested in farming the above stated property for the production of row crops for the 2017 crop year as follows:

Wayne Calander, Calander Farms $6,703.13

NOW THEREFORE BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ISANTI, MINNESOTA AS FOLLOWS:

1. Hereby accepts the quote as received from Wayne Calander, Calander Farms, for the amount of $6,703.13 /annual rent for the 2017 crop year for the rental of approximately 82.7 acres of City property for crop farming as described above.

2. That the annual rent of $6,703.13/yr. shall be due and paid to the City of Isanti according to the following schedule:

   On December 1, 2016 $3,351.57 (1st half of year 2017 annual fee)
   On November 30, 2017 $3,351.56 (2nd half of year 2017 annual fee)

3. The City reserves the right to develop the property at any time through the contract period. If the City exercises this right, the City shall compensate Mr. Calander for the fair market value of the crop destroyed, valued at the average market price per bushel as of the date of initial construction activity resulting in the removal of the crop, based upon the average per acre yield as established by the records maintained by USDA pertaining to the subject field or as available for similar fields located in Isanti Township, in the event such records are not available for the specific crop field herein.
4. That Mr. Calander shall have no right to rent the land for future crop years after year 2017 unless awarded the lease by the City Council through a bid process.

This resolution was duly adopted by the Isanti City Council this 5th day of July 2016.

4.	Parks, Recreation, & Culture Meeting	Tuesday, July 26, 2016 at 6:00 p.m.

I. Council Committee Reports
Mayor Wimmer reported on upcoming items that will be included in the Budget Meetings. The only expected increase would be to cover the Fire Districts increase of 13% for 2016, as well as preparing for 2017. Based on costs from the last few years in regards to mediation/arbitration, a contingency fund is being added in the amount of $10,000. Those are the only two areas that are expected to increase in budgeting which is approximately $47,000 at this point. This will be discussed more at the budget meetings but the Mayor wanted the Council to be aware of where the budget is at.

The Mayor also reported The Green Table was voted to have the best lunch in Isanti County by Isanti County news readers.

J. Public Hearings

None

K. Business Items

1. Mr. James Witte was the only applicant for the vacant Parks, Recreation and Culture Board Seat. Mr. Witte was interviewed by the Council.
    a. **Resolution 2016-215 to Appoint Candidate James Witte to Fill Vacant Parks, Recreation and Culture Seat**

Motion by Collison, second by Lorinser. Motion carried unanimously.

2. Considered the addition of the Rum River BMX Association Board to the list of Committees with Mayor Wimmer being appointed to that Board for the remainder of this year. Considered amending Resolution No. 2016-188 to include updated representatives.
    b. **Ordinance 2016-648** Amending the Code for the City of Isanti, Chapter 8 City Council, Article III, Section 8-18 Committees to include Rum River BMX Association Board

Mayor Wimmer indicated he would like to appoint himself to the Rum River BMX Association Board.

Motion by Bergley, second by Lorinser. Motion carried unanimously.

    c. **Resolution 2016-216** to Amend the Designation of Committees and Representatives for City Commissions and Advisory Boards for Year 2016 to include Rum River BMX Board Appointee and Parks, Recreation and Culture Board Appointee

Motion by Bergley, second by Lorinser. Motion carried unanimously.

3. **Resolution 2016-217** Approving the Addition of Grass Volleyball Court at Rum River Meadows

Mayor Wimmer explained that a grass court is very feasible and would be paid through the existing Park and Recreation budget. This City has the available lots. The Mayor indicated that previously, a sand volleyball court was looked into, but it was quite a bit more expensive. The frame around it, the special sand and to meet all safety regulations would run approximately $15,000-$20,000. Many years ago the grass courts at Mattson Park were taken out. These will be a good replacement and give the community a nice amenity that we haven't had in a while. It was noted the tennis courts are still at Mattson Park, Whisper Ridge and currently working with the Arts and Science Academy on a joint project to try and get additional tennis courts at that location. Council member Lorinser raised a concern with the nets and being a potential for damage. The Mayor stated that in the past, we have done fairly well with tennis

and basketball courts/nets. Primarily, the only issue is with the wear and tear due to the age of the courts, which is also something the City is currently working to repair.

Motion by Lorinser, second Bergley. Motion carried unanimously.

3. Future Dog Park Discussion

The Mayor stated that the area being looked at for the potential dog site location is located just East of the BMX facility. It is along the railroad tracks, and has an abundance of trees. Creating the dog park is not something we would be doing this year, unless we can find a grant to pay for it. The discussion is to provide a planned location where we would plan to develop it. Many residents have asked questions about or requested a dog park. Also, some people have even indicated an interest to help and even donate funds towards it. If there is a designated spot, the City can start working towards that goal of implementing the park. There are two structures located at that space currently, one for Public Works and one for the Police Department, which eventually should be moved and provide more space for those departments to store things. The only downfall is that it is near the railroad tracks and when a train goes by it is louder, however it is still a beautiful area. Councilor Bergley asked if the council was being asked to approve all of the items including the budgets. The Mayor clarified that Council is only approving the location of a dog park and if and when we are ready to fund it, it will require another discussion. The approval is the basis of how staff can start making strides towards having a dog park. Council member Bergley questioned if it was brought up at the last Park and Recreation Meeting and asked if there were other sites looked at. The Mayor explained there has been discussion and that it would have been brought up at the last Park and Recreation meeting, but they did not have a quorum, so no meeting was held. To keep the ball rolling on it, it was brought to City Council to determine a designated area. Other areas have been looked at but they all presented different issues. The Mayor stated that this seems to be the best location option.

Motion by Bergley, second by Lorinser to approve the concept and location of a future dog park to the east of the BMX facility. Motion carried unanimously.

Economic Development Director Sean Sullivan

4. **Resolution 2016-218** Calling for Special Legislative Session and Restoration of Funding for Minnesota Investment Fund and Job Creation Fund

The Mayor explained that the recent tax bill was vetoed. The Mayor would love to have the Council's support in this letter to call for a Special Legislative Session and restoring the funding of the Minnesota Investment Fund and the Job Creation Fund. The Mayor stated a lot of communities are doing this. However, it is unknown if it will have any impact at all on the political season but the more effort in trying to get additional funding for this, the better. This is also holding up future LGA (Local Government Aid) money as well.

Motion by Collison, second by Bergley. Motion carried unanimously.

L. Approve Consent Agenda

1. Consider Accounts Payable in the Amount of $211,889.71 and Payroll in the amount of $100,995.48
2. **Resolution 2016-219** Acknowledging Permanent Employee Status for Code Enforcement/Zoning Technician Matt Lindholm
3. **Resolution 2016-220** Accepting Resignation from Part Time Liquor Store Clerk Emily Cavallaro
4. **Resolution 2016-221** Accepting Quote for the Lease of City Owned Crop Land
5. **Resolution 2016-222** Appointing Election Judges for the 2016 Primary Election

Motion by Bergley, second by Collison. Motion carried unanimously.

M. Other Communications

None

Adjournment

Motion by Bergley, second by Lorinser. Motion carried unanimously. Meeting adjourned at 7:15pm

Respectfully submitted,

Request for Council Action

To: Mayor Wimmer
Members of the City Council

From: Roxanne Achman, AICP
Community Development Director

Date: July 19, 2016

Subject: Request from Bobby and Chad Bunes for an Interim Use Permit to allow for the establishment of a pet grooming salon on the property located at 401 East Dual Blvd NE, Suite 114.

Background

The applicant is proposing to start-up a pet grooming salon within the Dual Square Mall located at 401 East Dual Blvd NE. The salon would provide grooming services for an average of 6-8 customers per day. The salon will have operation hours of 7am to 7pm, but the actual times will be dictated by appointments. There will initially be one groomer, the owner, with plans to bring on an additional two groomers in the next 3-5 years.

Staff would like to add the following conditions based on past Interim Use Permits for pet grooming:

1. The petitioner shall make application for and receive approval of any appropriate additional permits (building, plumbing, etc.) from the Building Official related to the business operation.
2. The petitioner shall obtain any necessary County or State licenses for the business; and copies of such shall be provided to the City.
3. The premises in which the animals will be kept and groomed shall be kept in a clean, sanitary, healthful, and humane manner at all times; and shall be open to inspection by the Animal Warden or other person charged with the enforcement of Chapter 87 of the Isanti City Code or any other health or sanitary regulation of the City at reasonable times. Failure to do so shall constitute grounds for the revocation of the Interim Use Permit.
4. Dogs shall be leashed at all times coming both to and from any vehicle arriving for an appointment.
5. The property shall be kept clean. All dog feces shall be picked up and removed from the property on a daily basis.
6. The Interim Use Permit is granted to Bobby and Chad Bunes for the property located at 401 East Dual Blvd NE. The Interim Use Permit shall terminate upon the occurrence of any of the following events; whichever comes first: (1) the sale or lease of the property to another renter or owner; (2) the use has been discontinued for one year; or (3) the City Council suspends or revokes the Interim Use Permit upon failure of the interim use to comply with the conditions of approval and/or the property or use is found to be in violation of other City Ordinances.

Comprehensive Plan

The Comprehensive Plan guides the area for General Commercial uses. The purpose of this category is to identify portions of Isanti that contain or should be developed as a mixed-use environment for general commercial and service uses. Examples may include highway-oriented businesses such as fast food restaurants, convenience stores, gas stations, retail establishments, and other auto-oriented uses. Limited office and service uses are appropriate in these areas as well, depending on scale and location. Service uses

associated with medical care facilities may also be considered to form a cohesive development. Uses may include medical, professional, or administrative office facilities; hospitals, medical clinics, medical research and development facilities as well as residential care facilities such as nursing homes or assisted living facilities.

Much of this land use is located along the Highway 65 corridor and CSAH 5. General Commercial is the largest commercial land use designation. These uses are predominately auto-oriented in terms of access and services. However, provisions for pedestrian walkways, parking, transit facilities and other site and design characteristics should be considered so as to encourage a walkable area, where commercial, retail, and service uses are easily accessible to the community. Design of both site and buildings are important to maintaining a thriving commercial base. In addition, commercial businesses not located at major intersections should remain small scale, and provide services primarily to the surrounding neighborhood. Also, the architecture and site design of all commercial areas must be compatible with the surrounding neighborhood and landscape. Such issues as building size, location on the lot, building materials, screening and other design issues are important.

It is the overall intent of this land use designation to cultivate a commercial/service environment that not only ensures a future ability for the location of medical facilities able to meet the projected and evolving needs of the City and region, but to promote a commercial district that will better define the community's small town character and create more expansive commercial and retail opportunities for City residents.

Zoning Ordinance Provisions

The property is zoned "B-2" General Business District. The purpose of the district is to promote the development of commercial uses which are predominately auto-oriented in nature. The district caters to highway-oriented businesses as well as to business that provide basic shopping and service needs to the community. When designing a commercial site within the General Business District, compatibility with adjacent uses and buildings is required within the district, as site design, building size and materials, and screening/landscaping are important when creating and maintaining a thriving commercial base. The use is permitted within this particular zoning district designation. The use is subject to the lot requirements and setbacks associated with this district.

Within the "B-2" General Business Districts, parking facilities are permitted to be located on a lot with no principal use, providing a Conditional Use Permit has been granted.

Parking Requirements

The total building size is 9,250 square feet. There are 45 parking stalls on site. The Mall requires 37 stalls (1 stall/250sf floor area). The parking would appear to be sufficient to accommodate the uses on-site.

Interim Use Permit Requirements

Subdivision 5: Criteria for Granting an Interim Use Permit

The Planning Commission and City Council shall consider the effect of the proposed use upon the health, safety, and general welfare of occupants of surrounding properties. The Planning Commission and City Council shall consider and make findings regarding the following factors:

A. The proposed use shall meet the applicable zoning regulations; and

B. The proposed use will not adversely impact implementation of the Comprehensive Plan; and

C. The proposed use will terminate upon a date or event that can be identified with certainty; and

D. The proposed use will not impose additional costs on the public if it is necessary for the public to take the property in the future; and

E. The applicant has signed a consent agreement agreeing that the applicant, owner, operator, tenant and/or user has no entitlement to future re-approval of the Interim Use Permit; and

F. The proposed use will be subjected to, by agreement with the property owner, any conditions that the City Council deems appropriate for permission of the proposed interim use, including a condition that the owner may be required to provide an appropriate surety to cover the cost of removing the interim use and any interim structures upon the expiration of the interim use.

Subdivision 6: Conditions of Approval

In permitting a new interim use permit or amending an existing interim use permit, the Planning Commission may recommend and the City Council may impose, in addition to the standards and requirements expressly specified by this section, additional conditions which the Planning Commission and/or City Council consider necessary to protect the best interest of the surrounding area or the community as a whole. These conditions may include, but are not limited to, the following:

A. Increasing the required lot size or yard dimensions;

B. Limiting the height, size, or location of buildings;

C. Controlling the location and number of vehicles access points;

D. Increasing the street width;

E. Increasing the number of required off-street parking spaces;

F. Limiting the number, size, location or lighting of signs;

G. Requiring diking, fencing, screening, landscaping or other facilities to protect adjacent or nearby property;

H. Designation of open space;

I. Obtaining the necessary licenses as required by the City of Isanti, Isanti County or State of Minnesota;

J. Restrictions on the hours of operation;

K. Exterior lighting is limited to protect adjacent or nearby property;

L. Controlling architectural appearance and functional design of the building or site;

M. Applicable performance standards of the zoning district in which such use is located are met and non-conformities are eliminated;

N. Annual review, if deemed appropriate by the City Council.

O. Any additional stipulations, pertaining to a specific site are subject to change when the City Council, upon investigation in relation to a formal request, finds that the general public, health, safety, and welfare, can be served as well or better by modifying or expanding upon the conditions set forth herein.

Any change involving structural alterations, enlargement, intensification of use, or similar changes not specifically permitted by the interim use permit shall require an amended interim use permit and all procedures shall apply as if a new permit were being issued. The Zoning Administrator or their designee

shall maintain a record of all interim use permits including information on the use, location, and conditions imposed by the City Council, time limits, review dates, and such other information as may be appropriate.

Public Notice
Notice of the Interim Use Permit Request was published within the Isanti County News on Wednesday, June 29th, 2016. Letters were provided to property owners located within 350' of the subject property.

Public Comments
No public comment had been received regarding the Interim Use Permit request prior to the release of the staff memo.

Planning Commission Recommendation:
Motion by Lundeen second by Bergley to recommend approval of the request from Bobby and Chad Bunes for an Interim Use Permit to allow for the establishment of a pet grooming salon on the property located at 401 East Dual Blvd NE, Suite 114 based on the Findings of Fact and Conclusion with the following conditions:

1. The petitioner shall make application for and receive approval of any appropriate additional permits (building, plumbing, etc.) from the Building Official related to the business operation.
2. The petitioner shall obtain any necessary County or State licenses for the business; and copies of such shall be provided to the City.
3. The premises in which the animals will be kept and groomed shall be kept in a clean, sanitary, healthful, and humane manner at all times; and shall be open to inspection by the Animal Warden or other person charged with the enforcement of Chapter 87 of the Isanti City Code or any other health or sanitary regulation of the City at reasonable times. Failure to do so shall constitute grounds for the revocation of the Interim Use Permit.
4. Dogs shall be leashed at all times coming both to and from any vehicle arriving for an appointment.
5. The property shall be kept clean. All dog feces shall be picked up and removed from the property on a daily basis.
6. The Interim Use Permit is granted to Bobby and Chad Bunes for the property located at 401 East Dual Blvd NE. The Interim Use Permit shall terminate upon the occurrence of any of the following events; whichever comes first: (1) the sale or lease of the property to another renter or owner; (2) the use has been discontinued for one year; or (3) the City Council suspends or revokes the Interim Use Permit upon failure of the interim use to comply with the conditions of approval and/or the property or use is found to be in violation of other City Ordinances.

Motion carried unanimously.

Deadline for City Council Action
The City of Isanti received a complete application for this request on June 9th, 2016. Pursuant to Minnesota State Statute, the City must act on this request by August 8th, 2016 (60-days); unless an extension of the review period has been agreed to by the applicant.

Options & Proposed Motion Language

1. Recommend Approval with No Conditions: Motion to recommend approval of the request from Bobby and Chad Bunes for an Interim Use Permit to allow for the establishment of a pet grooming salon on the property located at 401 East Dual Blvd NE, Suite 114.
2. Recommend Approval with Conditions: Motion to recommend approval of the request from Bobby and Chad Bunes for an Interim Use Permit to allow for the establishment of a pet grooming salon on the property located at 401 East Dual Blvd NE, Suite 114with the following conditions……
3. Recommend Denial: Motion to recommend denial of the request from Bobby and Chad Bunes for an Interim Use Permit to allow for the establishment of a pet grooming salon on the property located at 401 East Dual Blvd NE, Suite 114 for the following reasons……

4. Table: Motion to table the request from Bobby and Chad Bunes for an Interim Use Permit to allow for the establishment of a pet grooming salon on the property located at 401 East Dual Blvd NE, Suite 114 (a specific reason and information request should be included in the motion to table).

RESOLUTION NO. 2016-

A RESOLUTION APPROVING THE INTERIM USE PERMIT AS REQUESTED BY BOBBY AND CHAD BUNES TO OPERATE A PET GROOMING SALON ON THE PROPERTY LOCATED 401 EAST DUAL BOULEVARD NE

WHEREAS, Bobby and Chad Bunes have applied for an Interim Use Permit to operate a pet grooming salon at 401 East Dual Boulevard NE; and,

WHEREAS, the property is located within the "B-2" General Business District and an Interim Use Permit is required for pet grooming; and,

WHEREAS, the petitioner has provided a letter outlining the pet grooming business; and,

WHEREAS, the Planning Commission conducted a public hearing on the proposed Interim Use Permit on July 12th, 2016 and recommended approval of the Interim Use Permit subject to City staff conditions based upon the Findings of Fact and Conclusion as presented; and,

WHEREAS, the City Council reviewed the requested Interim Use Permit at its regularly scheduled meeting on July 19th, 2016; and,

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ISANTI, MINNESOTA, that it adopts the Findings of Fact and Conclusion related to the requested Interim Use Permit and **BE IT FURTHER RESOLVED** by the City Council of the City of Isanti, Minnesota that the Interim Use Permit as requested by Bobby and Chad Bunes to operate a pet grooming business at 401 East Dual Blvd NE, with the following conditions:

1. The petitioner shall make application for and receive approval of any appropriate additional permits (building, plumbing, etc.) from the Building Official related to the business operation.
2. The petitioner shall obtain any necessary County or State licenses for the business; and copies of such shall be provided to the City.
3. The premises in which the animals will be kept and groomed shall be kept in a clean, sanitary, healthful, and humane manner at all times; and shall be open to inspection by the Animal Warden or other person charged with the enforcement of Chapter 87 of the Isanti City Code or any other health or sanitary regulation of the City at reasonable times. Failure to do so shall constitute grounds for the revocation of the Interim Use Permit.
4. Dogs shall be leashed at all times coming both to and from any vehicle arriving for an appointment.
5. The property shall be kept clean. All dog feces shall be picked up and removed from the property on a daily basis.
6. The Interim Use Permit is granted to Bobby and Chad Bunes for the property located at 401 East Dual Blvd NE. The Interim Use Permit shall terminate upon the occurrence of any of the following events; whichever comes first: (1) the sale or lease of the property to another renter or owner; (2) the use has been discontinued for one year; or (3) the City Council suspends or revokes the Interim Use Permit upon failure of the interim use to comply with the conditions of approval and/or the property or use is found to be in violation of other City Ordinances.

Adopted by the Isanti City Council on this 19th day of July, 2016.

FINDINGS OF FACT AND CONCLUSION

Request

Request from Bobby and Chad Bunes for an Interim Use Permit to allow for the establishment of a pet grooming salon on the property located at 401 East Dual Blvd NE, Suite 114.

Findings of Fact

1. The petitioner, Bobby and Chad Bunes, have received approval from Tyler South LLC, property owners of 401 East Dual Blvd NE.
2. The property is zoned "B-2" General Business District, in which Animal Sales and Services are considered an Interim Use and are regulated by Section 13 of the Zoning Ordinance.
5. In review of the zoning ordinance provisions, the use "dog grooming" would appear to meet the definition of Animal Services.
5. The petitioner submitted a complete Interim Use Permit Application on June 9th, 2016. Pursuant to Minnesota State Statute, the City must act on this request by August 8th, 2016 (60-day rule).
6. A public hearing date before the Planning Commission was scheduled for Tuesday, July 12th at 7:00 p.m. at City Hall within the Council Chambers.
7. Notice of the Interim Use Permit request was published within the Isanti County News on Wednesday, June 29th, 2016. Notices were sent to all property owners located within 350 feet of the subject property.
8. Section 21, Article 3: Interim Uses, Subdivision 5 of the Zoning Ordinance establishes criteria in which the judgment of the Planning Commission and City Council shall be based upon when reviewing an Interim Use Permit request. In addition, the Planning Commission may recommend and the City Council may require additional items so as to protect the best interest of the surrounding properties or the community as a whole and may include, but are not limited to the items listed within Section 21, Article 3: Interim Uses, Subdivision 6 of the Zoning Ordinance.

Conclusions

1. In review of the factors established in Section 21, Article 3: Interim Uses, Subdivision 5, the following conclusions have been made (*conclusions to each requirement are shown in underlined italics)*:
   - A. The proposed use shall meet the applicable zoning regulations.
     The proposed use has been identified as an Interim Use within the "B-2" General Business District. The use would appear to meet the regulations for the zoning district in which the use will be located. Conditions have been placed upon the approval, so as to ensure that there are no adverse effects to surrounding properties and the City as a whole.
   - B. The proposed use will not adversely impact implementation of the Comprehensive Plan.
     The proposed use was previously determined to be acceptable as an Interim Use within the General Business District. The proposed use is an interim use and will only continue on the property until such time as the business would cease to operate or the lease for the unit would expire. The permit is being granted to the applicants only. Conditions have been placed on the use to ensure that the use will not adversely affect the implementation of the Comprehensive Plan.
   - C. The proposed use will terminate upon a date or event that can be identified with certainty.
     The proposed use could be conducted on the property until such time as:1) the business would cease to operate, 2) the tenant vacates the building, or 3) the business is sold to another owner, whichever were to occur first.
   - D. The proposed use will not impose additional costs on the public if it is necessary for the public to take the property in the future.

At this time, the improvements being made to the unit to accommodate the use do not appear to impose additional costs on the public. The unit is within a commercial shopping center owned by a private party.

E. The applicant has signed a consent agreement agreeing with the applicant, owner, operator, tenant and/or user has no entitlement to future re-approval of the Interim Use Permit.
The applicant is aware of the terms of the Interim Use Permit and that a new permit would be necessary should a different group or entity decide to take over the business/unit in the future.

F. The proposed use will be subject to, by agreement with the property owner, any conditions that the City Council deems appropriate for permission of the proposed interim use, including a condition that the owner may be required to provide an appropriate surety to cover the cost of removing the interim use and any interim structures upon the expiration of the interim use.
Additional conditions have been added to the approval and have been provided for within this Findings of Fact and Condition, which the City Council have determined are necessary to protect the best interest of the surrounding area and the community as a whole.

Decision
The Planning Commission reviewed the request in a public hearing on **July 12, 2016**. The meeting minutes shall be made a part of the Findings of Fact and Conclusion.

Planning Commission Recommendation:
Motion by Lundeen second by Bergley to recommend approval of the request from Bobby and Chad Bunes for an Interim Use Permit to allow for the establishment of a pet grooming salon on the property located at 401 East Dual Blvd NE, Suite 114 based on the Findings of Fact and Conclusion with the following conditions:

1. The petitioner shall make application for and receive approval of any appropriate additional permits (building, plumbing, etc.) from the Building Official related to the business operation.
2. The petitioner shall obtain any necessary County or State licenses for the business; and copies of such shall be provided to the City.
3. The premises in which the animals will be kept and groomed shall be kept in a clean, sanitary, healthful, and humane manner at all times; and shall be open to inspection by the Animal Warden or other person charged with the enforcement of Chapter 87 of the Isanti City Code or any other health or sanitary regulation of the City at reasonable times. Failure to do so shall constitute grounds for the revocation of the Interim Use Permit.
4. Dogs shall be leashed at all times coming both to and from any vehicle arriving for an appointment.
5. The property shall be kept clean. All dog feces shall be picked up and removed from the property on a daily basis.
6. The Interim Use Permit is granted to Bobby and Chad Bunes for the property located at 401 East Dual Blvd NE. The Interim Use Permit shall terminate upon the occurrence of any of the following events; whichever comes first: (1) the sale or lease of the property to another renter or owner; (2) the use has been discontinued for one year; or (3) the City Council suspends or revokes the Interim Use Permit upon failure of the interim use to comply with the conditions of approval and/or the property or use is found to be in violation of other City Ordinances.

Motion carried unanimously.

The Paw Spa LLC

Employees

Being a start-up business the amount of employees will be just the owner (Bobby Bunes) with plans to potentially bring on an additional 2 groomers for a total of 3 in the next 3-5 years.

Customers per Day

With one groomer there will be an average of 6-8 customers per groomer, per day.

Hours of operation

7AM to 7PM would be the earliest and latest times but actual times will be dictated by appointments.

Chad and Bobby Bunes

Subject: Resolution and Ordinance to Amend Zoning Ordinance No. 445, Section 7 Business District, Subdivision 3 Conditional Uses to Correct an Inadvertent Omission of Motor Vehicle Sales.

Background

It was recently discovered that Motor Vehicle Sales was inadvertently left out of the B-2 General Business District when Zoning Ord. 176 was repealed and replaced with Zoning Ord. 445 in 2008. I believe it was inadvertent due to the fact that it was a Conditional Use in Ord. 176 and when the Planning Commission decided to amend Ord. 445 to allow Motor Vehicle Sales in the B-1 District in 2010, it was stated in the minutes that the only other area that allows Motor Vehicles Sales is the B-2 District. I believe everyone was under the assumption that it was allowed with at CUP in the B-2 District. I also did not find any discussion on removing it from the B-2 District when Ord. 445 was being drafted.

City Attorney Joslin was consulted on this matter and agreed that it appeared to be a clerical error. Joslin recommended a resolution directing staff to amend Ordinance 445 to add Motor Vehicle Sales back into the Conditional Use section of the "B-2" General Business District. No public hearing is required.

Planning Commission Recommendation:

Motion by Bergley second by Cesafsky to recommend approval of the Resolution and Ordinance to Amend Zoning Ordinance No. 445, Section 7 Business District, Subdivision 3 Conditional Uses to Correct an Inadvertent Omission of Motor Vehicle Sales. Motion carried unanimously.

RESOLUTION NO. 2016-

A RESOLUTION DIRECTING STAFF TO CORRECT ZONING ORDINANCE 445, SECTION 7, ARTICLE 2 "B-2" GENERAL BUSINESS DISTRICT DUE TO AN INADVERTANT OMISSION OF MOTOR VEHICLE SALES AS A CONDITIONAL USE PERMIT

WHEREAS, Staff recently discovered that Motor Vehicle Sales were not listed as a Conditional Use within the "B-2" General Business District; and,

WHEREAS, Ordinance No. 176 permitted Motor Vehicle Sales as a Conditional Use prior to its repeal and replacement by Ordinance No. 445; and,

WHEREAS, there is no record of discussion to remove Motor Vehicle Sales from the "B-2" District; and,

WHEREAS, furthermore, past minutes indicated a presumption that Motor Vehicles Sales were carried over from Ord. 176 to Ord. 445; and,

WHEREAS, the exclusion of Motor Vehicle Sales from the "B-2" District was inadvertent clerical oversight; and,

WHEREAS, Motor Vehicle Sales are to be added to Ord. 445, Section 7, Article 2 "B-2" General Business District, Subdivision 3 Conditional Uses; and,

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ISANTI, MINNESOTA, that Ord. 445, Section 7, Article 2 "B-2" General Business District, Subdivision 3 Conditional Uses be amended to include Motor Vehicle Sales.

Adopted by the Isanti City Council on this 19th day of July 2016.

SECTION 9: "B-2" General Business District (GBD)

Subd. 1. Purpose

This district is designed and intended to promote the development of uses which require large concentrations of automobile traffic. This district encourages many types of uses and allows some pedestrian-oriented business under certain conditions. All permitted (and conditional) uses allowed in the CBD (B-1) are allowed in the GBD, providing uses listed in the CBD district shall be over 1,500 square feet unless located in a shopping mall complex consisting of four or more separate contiguous businesses with a minimum total area of 2,400 square feet in the shopping mall. This will allow for an expansion of needed pedestrian-oriented commercial activities in Isanti. Uses in this district other than those allowed in the CBD will be limited to highway-oriented uses.\

Desire to have our City look attractive from all collector and arterial roads.

Subd. 2. Special Requirements

A. All business, servicing, or processing shall be conducted within completely enclosed buildings, with the following exceptions: establishments of the "drive-in" type, display of merchandise for sale to the public, and off-street parking and loading.

B. The enclosed _____ parking of trucks as an accessory use, when used in the conduct of a permitted business listed hereafter in this section, shall be limited to vehicles of not over 1-1/2 tons capacity when located within 75 feet of a residence district boundary line. Add a maximum number of vehicles?

Subd. 3. Permitted Uses

A. Agricultural products store.

B. Ambulance Service

C. Antique, gift, or jewelry stores.

D. Apparel and accessory stores.

E. Appliance store, sales and service.

F. Art and school supply, book, and stationery stores.

G. Art, photographic, musical, and theatrical studios.

H. Auto, glass, muffler, and upholstery shop

I. Auto parts and sales.

J. Bakeries employing not more than four persons in the baking process.

K. Banks, savings and loan associations, and other financial institutions.

L. Barber and beauty shops.

M. Bicycle shops.

N. Blueprinting, photo stating, and lithography.

O. Bus, railway, or airline depot or ticket office

P. Camera and photographic supply store.

Q. Candy, pre-packaged ice cream and confectionery store (retail only.)

R. Catalog, service and mail order house

S. Catering Establishments.

T. Cellular Phone & Accessory Sales

U. Clinics for human care.

V. Day Care Center

W. Delicatessen store.

X. Discount stores

Y. Drug store, variety, five-and-ten cent stores.

Z. Dry cleaning and laundry collection stations.

AA. Employment Agencies

BB. Flower shops.

CC. Furniture store

DD. Garden supply, landscapes, nursery

EE. Grocery store, fruit store.

FF. Hall, renting for meetings, conventions, or social gatherings.

GG. Hardware store.

HH. Health club or gym.

II. Hobby store

JJ. Hotel or motel

KK. Interior decorating and/or paint and wallpaper store.

LL. Laboratories, medical and dental

MM. Laboratory, scientific testing.

NN. Laundromats

OO. Locksmith

PP. Massage – not adult use

QQ. Medical appliances, sales, and fittings

RR. Mortuary

SS. Motorcycle shop.

HHH. Shoe and repair shop

III. Shopping mall complex

JJJ. Sporting goods and health equipment and supply

KKK. Tailor shops

LLL. Tanning salon

MMM. Telephone booths (outside)

NNN. Theaters (not outdoors)

OOO. Tire Sales

PPP. T.V. and radio sales and repair

QQQ. Trade schools

RRR. Upholstery shop of any type

SSS. Veterinary clinic

Subd. 4. Conditional Uses

The following uses may be conditionally permitted.

A. Buildings of pole type construction are not permitted under any circumstances; however, other types of buildings or land may be used for the following granted a Conditional Use Permit:

B. Any building structure that will exceed forty-five (45) feet or three (3) stories in height.

C. Bowling, archery, roller skating, and indoor swimming.

D. Building/lumber materials (retail only).

~~F.~~E. Catalog service, mail order sales and internet sales.

~~G.~~F. Club, lodge or dance hall

~~H.~~G. Community or convention centers.

~~I.~~H. Drive-in and convenience food services, car washes, auto service stations, auto repair, enclosed (define) building material sales, and other auto related services provided that:

a. The architectural appearance and functional plan of the building and site shall not be so dissimilar to the existing buildings or area as to cause impairment to property values or constitute a blighting influence within a reasonable distance of the lot.

~~a.~~b. When a lot line coincides with a residential district, a buffer of not less than five (5) feet in width shall be landscaped and screened in compliance with Section 13, Subd. 10 of this Ordinance.

~~a.~~c. Parking shall be screened from view from butting residential district and uses in compliance with Section 13, Subd. 10 of this Ordinance.

~~a.~~d. The entire area other than that occupied by buildings or structures shall be surfaced or grassed to control dust and drainage.

~~a.~~e. Vehicular access points shall create a minimum of conflict with through movement.

I. Establishments serving liquor, including, but not limited to, bars, cocktail lounges and taverns.

J. Grocery store, provided it has one (1) off-street parking space for each 100 square feet of building floor space.

K. Gunsmith

L. Indoor ice cream.

M. Indoor tennis, racquet ball, hand ball, and/or similar recreational uses.

N. Library

O. Liquor and beer establishments requiring any licensing, including, but not limited to, the following: non-intoxicating liquor off-sale, non-intoxicating liquor on-sale; on-sale wine; and establishments requiring consumption and display permits.

P. Meat market and meat processing facilities to include slaughtering, providing that the following requirements are met:

1. Meat processing facilities may be allowed by a Conditional Use Permit only as an accessory use to a meat market. The meat processing facility shall be located in the same building as a meat market and the floor area of the slaughter area shall not exceed the floor area of the processing area and meat market
2. The applicant shall submit a plan showing all staging areas for the temporary storage of carcasses and disposal of animal remains, as outside storage is prohibited within the Central Business District.
3. The applicant shall demonstrate that the general standards and requirements for meat processing facilities as outlined in Section 13: General Provisions, Subdivision 17 can be met.

Q. Miniature Golf

R. Mini Storage.

S. Motor vehicle sales, including new and used automobiles, trucks, motorcycles, recreational vehicles and equipment, boats and marine sales, that involve outdoor display and sales area larger than thirty (30) percent of the area of the principle building providing that:

a. Outside sales areas are fenced or screened from view of neighboring residential uses or districts in compliance with General Provisions – Fencing regulations, of this Ordinance.
b. Area is grassed or surfaced to control dust.
c. Use does not take up parking space as required for conformity to this Ordinance.
d. The sales are is surfaced with bituminous or concrete.
e. Accessory automobile repair shall require the processing of a separate Conditional Use Permit (CUP).

T. Open or outdoor service, sale and rental as a principal or accessory use and including sales in or from motorized vehicles, trailers, or wagons provided that:

a. Outside services, sales and equipment rental connected with the principal use is limited to thirty (30) percent of the gross floor area of he principal use.
~~a.~~b. Outside sales areas are fenced or screened from view of neighboring residential uses or districts in compliance with Section 13, Subd. 10, of this Ordinance.

c. Storage are is surfaced to control dust such as bituminous, rock, concrete. Also, see site plan review ordinance.

d. The use does not take up parking space as required for conformity to this Ordinance.

U. Parking and vehicles – when not an accessory use to a business.

V. Planned unit developments.

W. Processing, storage, and commercial uses involving the production, processing, or storage of hazardous wastes, or which create hazardous waste as a byproduct. Or involving the production, processing, or storage of explosive or flammable materials.

a. A site plan shall be submitted describing the storage, transportation, and final disposal of the hazardous waste.
b. Proof of registration with the Minnesota Pollution Control Agency as a hazardous waste generator shall be submitted to the city prior to approval.

X. Public or quasi-public development

Y. Recreation Center

Z. Residential living quarters if the unit is in the same building as commercial use, and as long as off street parking requirements are met.

AA. Restaurants.

BB. Retail store over 5,000 square feet

CC. Senior citizen apartments.

DD. Youth center.

Subd. 5. Interim Uses

A. Flea Markets

B. Pawn Shops

C. Tattoo Establishments, non-adult use.

Subd. 6. Accessory Uses

A. Accessory uses incidental to, and on the same zoning lot as, the principal use are allowed.

CITY OF ISANTI
PLANNING COMMISSION
MEETING MINUTES
AUGUST 9, 2010

1. Meeting Opening.

A. Call to Order.

Stevens called the meeting to order at 7:00 p.m.

B. Pledge of Allegiance.

Everyone rose for the pledge of allegiance.

C. Roll Call.

Members Present: David Englund, Sue Larson, Cindy Lind-Livingston, Ross Lorinser, Steve Rask, Michael Streiff III, and Sean Stevens.

Members Absent: None.

Staff Present: Lisa Krause, City Planner

D. Agenda Modifications.

Krause stated there were no modifications to the Agenda.

2. Approval of Minutes from July 13, 2010 Planning Commission Meeting.

Motion by Lorinser, second by Larson to approve the July 13th, 2010 Planning Commission Meeting Minutes. Motion was unanimously approved.

3. Public Hearings.

A. Request from Federated Co-op Inc to Amend Ordinance No. 445 Zoning: Section 7 Business Districts, Article 1 "B-1" Central Business District (CBD) to include Motor Vehicle Sales with accessory outdoor sales lot.

Krause presented the staff memo regarding the request. Krause stated that Mr. Scott Laboe was present to answer any questions that the Commission members may have.

Lorinser questioned if there was proposed language for the leasing portion of the request.

Krause stated that City staff would copy the language that is currently used within the zoning ordinance for the leasing request. Krause stated that both leasing and sales are required to meet the same types of performance standards.

Stevens opened the public hearing at 7:03 p.m.

Stevens questioned if the descriptions of the items to be sold should be further defined.

Krause questioned if we were referring to the ATV, etc.

Stevens stated yes. Stevens questioned if they were further defined in ordinance as vehicles under a specific number of cc's.

Krause stated no. Krause stated that under the current definition for recreational vehicles, a large number of items are identified, including campers and motor homes. Krause stated that the property owner is not requesting to have all of those items. Krause stated that staff is trying to narrow the language in the draft Ordinance to identify only those items the property owner would be looking to sell.

Lorinser questioned if there was enough room on the lot.

Krause stated that there is a great deal of impervious surface space available. Krause stated that there is also a parking variation for the property, in which there should be some areas on the property that do not have parking spaces, which could be utilized.

Laboe stated that most will be kept inside or around the skirting of the building. Laboe stated that when it came to the U-Hauls, there would be one or two vehicles. Laboe stated that if there were more than that at any one time, they would have them picked up. Laboe stated that they would not be selling motor vehicles. Laboe stated that it would be small trailers and ATVs.

Lorinser questioned if they were looking at the more northern style trailers.

Laboe stated that was correct. Laboe stated they would be selling the small, aluminum ones that are flat.

Larson questioned what they planned on doing to secure the items over night. Larson questioned if the items would be brought into the store.

Laboe stated that most items would be brought into the store in the evening. Laboe stated that the larger items would have a security system running through them similar to that used for the mowers and snow blowers.

Larson questioned where the U-Hauls would be parked.

Laboe stated that those would be parked out front. Laboe stated that they would be parked near the propane tank. Laboe stated that they would not have more than two. Laboe stated that there is no U-Haul dealer in the area, so this is a plus.

Lorinser questioned if the use would be listed as a CUP or Interim Use

Krause stated that it was proposed as a Conditional Use.

Lorinser questioned if with the Conditional Use the types of vehicles and other provisions can be specified. Lorinser questioned if that was in the Ordinance.

Krause stated that conditions could be placed upon the CUP approval at the time that it is brought back. Krause stated that the conditional use runs with the property.

Lorinser stated that he was looking at the wrong page. Lorinser questioned if G is the actual amendment to the Ordinance. Lorinser questioned if the Planning Commission did include the leasing request, would that need to be added.

Krause stated that the Ordinance would need to be revised to include that item as well.

Streiff questioned if a definition should be added to narrow down the types of vehicles. Streiff stated that the ATV's, dirt bikes, etc was quite broad. Streiff questioned if it should not be amended to read that anything under 1,000 cc's.

Laboe stated that they would not have anything over 1,000 cc's.

Lorinser questioned if the Ordinance included a definition for an ATV.

Krause stated that it does not.

Streiff stated that anything over 1,000 cc's would be different.

Laboe stated that Federated would not have a problem with the limitation. Laboe stated that they would be fine with a limitation on the number of U-Haul's as well.

Lorinser questioned if there would need to be a second public hearing.

Krause stated that upon submittal of the application for the text amendment, Federated Co-op had not submitted for a conditional use or interim use. Krause stated that at this time, the Planning Commission was holding the hearing to amend the text only. Krause stated that the business would need to apply for the appropriate permit and come back through the process at another meeting.

Lorinser stated that the PC could add to the text as provided. Lorinser stated that they could come back and review further definitions and the leasing item at a different meeting.

Krause stated that the Planning Commission could recommend changes to the Ordinance and have those changes forwarded to Council.

Lorinser questioned what can be changed tonight.

Krause stated that the Planning Commission could recommend changes as outlined.

Lorinser questioned if the leasing item needed a second public hearing.

Krause stated that in discussions with the City Attorney, the Planning Commission would have the authority to include the item if they desire at the time of the public hearing.

Stevens questioned if they park two trucks on the site would there be parking issues.

Krause stated that there is a parking variance on the property. Krause stated that there are spaces available on the lot to park the vehicles. Krause stated that a formal parking count would be taken at the time of the CUP application.

Englund stated that the size of the building required a higher number of parking spaces. Englund stated that the number of parking required was so large compared to the actual number that would be used.

Lind-Livingston questioned the size of the U-Hauls that would be parked.

Laboe stated that there would probably be a larger and smaller vehicle.

Lorinser questioned if there were any parking spaces behind the building.

Laboe stated that there were. Laboe stated that there is ample parking on the property.

Streiff questioned the number of vehicles.

Laboe stated that it varies because of the one-way rentals and drop-offs. Laboe stated that if they had more than the two vehicles they could be put in back.

Lorinser stated that his concern is there is one request in front of the Planning Commission and they are looking at a whole second request. Lorinser stated that he did not feel comfortable with tacking on a second item without having officially advertized for the text amendment request for the leasing. Lorinser questioned if there would need to be a second hearing.

Krause stated that they would have to publish for the item if the Planning Commission did not act on the leasing request.

Stevens questioned where motor vehicle sales are permitted.

Krause stated that motor vehicle sales are listed as a conditional use in the B-2 district, which is mainly along TH 65.

Stevens stated that it is not permitted in any district.

Krause stated that is correct.

Lorinser questioned if all the items would be on paved surfaces.

Laboe stated that was the plan.

Lorinser stated that currently there is an ATV on the grass. Lorinser stated that they would need to meet the Ordinance requirements.

Stevens stated that he was confident in the language for the sales as provided in the Ordinance. Stevens stated that the leasing portion would need to be removed and public notice provided for a separate hearing.

Stevens closed the public hearing at 7:15 p.m.

Motion by Stevens, second by Lorinser to recommend approval of the amendment to Ordinance No. 445 Zoning: Section 7 Business Districts, Article 1 "B-1" Central Business District (CBD) to include motor vehicles sales with accessory open sales lot as provided. Motion was unanimously approved.

Subject: RE: Zoning code error

Roxanne:

Based upon your research and the documentation that you have cited which clearly shows it to have been an inadvertent clerical oversight not to include it in the recodification of the zoning Ordinance it is my opinion it may be corrected by Resolution directing that due to inadvertent omission it is to be added as a conditional use in the B-2 zone under Ordinance 445, as the record clearly indicates that was the intent at the time Ordinance 445 was adopted. In my opinion a new public hearing need not be required under these circumstances.

Subject: Zoning code error

Clark,

It was recently discovered that Motor Vehicle Sales was inadvertently left out of the B-2 General Business District when Zoning Ord. 176 was repealed and replaced with Zoning Ord. 445. I believe it was inadvertent due to the fact that it was a Conditional Use in Ord. 176 and when the Planning Commission decided to amend Ord. 445 to allow Motor Vehicle Sales in the B-1 District in 2010, it was stated in the minutes that the only other area that allows Motor Vehicles Sales is the B-2 District. I believe everyone was under the assumption that it was allowed with at CUP in the B-2 District. I also did not find any discussion on removing it from the B-2 District when Ord. 445 was being drafted.

My question is, how do I proceed from here? Do I need to hold a public hearing to add it back into code? Can I just inform the Planning Commission that it is to be added back in due to an error back in 2008?

Thank You!

Subject: Resolution to Approve an Ingress and Egress Easement Agreement between the City of Isanti and the Isanti Parkway Condominium Owners' Association.

Background

Through a recent purchase of several condo units within the Isanti Parkway Condo's at 101 Isanti Parkway NE, it was discovered that an access easement was never obtained from the city in order to access the condo units across city owned property.

Staff discovered that in 2007 City Council approved the site plan for a multi-tenant industrial building at 101 Isanti Parkway NE. One of the conditions of approval as outlined in Resolution 2007-108 was that an easement be acquired from the City of Isanti for access drives into the site, which run through city owned property.

The attached agreement outlines the easement being granted. The easement agreement has been reviewed by the City Attorney, Clark Joslin.

- Ingress and Egress Easement Agreement between the City of Isanti and the Isanti Parkway Condominium Owners' Association

RESOLUTION NO. 2016-

A RESOLUTION APPROVING AN INGREE AND EGRESS EASEMENT AGREEMENT ACROSS OUTLOT A, ISANTI CENTENNIAL COMPLEX 5TH REARRANGEMENT TO ALLOW ACCESS TO COMMON ELEMENTS OF COMMON INTEREST COMMUNITY NUMBER 2008-2, ISANTI COUNTY, MINNESOTA

WHEREAS, Isanti Parkway Condominium Owners' Association, Inc. owns the property located at 101 Isanti Parkway NE legally described as:

Common Elements of Common Interest Community Number 2008-2 Isanti County, Isanti, Minnesota; and,

WHEREAS, Resolution 2007-108 approving the Site Plan states that one of the conditions of approval is the acquisition of an easement from the City of Isanti for access drives into the site, which run through city owned property legally described as:

Outlot A, Isanti Centennial Complex 5th Rearrangement, Isanti County, Isanti, Minnesota; and,

WHEREAS, the property owner has had an ingress and egress easement agreement drafted in order to cross city owned property, as further shown and described in Exhibit A; and,

WHEREAS, City Attorney, Clark Joslin has reviewed such agreement; and,

WHEREAS, the City Council reviewed the item at their regularly scheduled meeting held on Tuesday, July 19th, 2016; and,

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ISANTI, MINNESOTA, hereby approves the Ingress and Egress Easement Agreement to cross City owned property legally described as Outlot A, Isanti Centennial Complex 5th Rearrangement in order to gain access to and from Common Elements of Common Interest Community Number 2008-2 via the described easement as shown in Exhibit A.

Adopted by the Isanti City Council on this 19th day of July 2016.

RESOLUTION NO. 2007-108

A RESOLUTION APPROVING THE SITE PLAN AS REQUESTED BY RWL PROPERTIES, LLC FOR CONSTRUCTION OF A MULTI-TENANT INDUSTRIAL BUILDING

WHEREAS, RWL Properties, LLC has requested Site Plan Approval for a multi-tenant industrial building; and

WHEREAS, the property is legally described as Lot 1, Block 1 Isanti Centennial Complex 5th Rearrangement; and

WHEREAS, the property is zoned "I-1" Industrial Park District, which requires site plan / building plan approval to construct a new building; and

WHEREAS, Planning Commission held a public hearing to consider the Site Plan Approval request on April 10, 2007; and

WHEREAS, the Planning Commission reviewed and determined that the development proposal met the standards for Site Plan Approval; and

WHEREAS, the Planning Commission voted unanimously to recommend approval of the Site Plan request permitting the construction of a multi-tenant industrial building with certain conditions.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota that the Site Plan Approval request from RWL Properties, LLC that would allow for the construction of a multi-tenant industrial building for the property legally described as Lot 1, Block 1 Isanti Centennial Complex 5th Rearrangement be approved with the following conditions:

1. The petitioner shall resubmit the required stormwater information for review by the city engineer. If such information is not received, a building permit will not be issued until the stormwater issue has been resolved.
2. A landscape plan shall be submitted and approved prior to construction
3. A photometric plan shall be submitted and approved prior to construction.
4. An easement shall be acquired from the City of Isanti for access drives into the site, which run through city owned property.
5. The applicant shall determine the structural suitability of the fill prior to the construction of the building on the site.
6. The applicant shall address any concerns of the City Engineer.
7. The applicant shall address any concerns of the City Administrator.

Adopted by the Isanti City Council on this 17th day of April 2007.

Mayor George A. Wimmer

Assistant City Administrator/City Clerk

INGRESS AND EGRESS EASEMENT AGREEMENT

THIS INGRESS AND EGRESS EASEMENT AGREEMENT (this "Agreement") is made and entered into to be effective the _____ day of July, 2016 (the "Effective Date") by and between the City of Isanti, Minnesota, a Minnesota municipal corporation (the "City"), and Isanti Parkway Condominium Owners' Association, Inc., a Minnesota non-profit corporation (the "Association"). The City and the Association are hereinafter individually referred to as a "Party" and together as the "Parties".

WHEREAS, the City is the fee simple owner of real property situated in the County of Isanti, State of Minnesota, legally described as follows, to-wit:

> Outlot A, Isanti Centennial Complex 5th Rearrangement, Isanti County, Minnesota, including all that part thereof described as follows:
>
> Beginning at the northwest corner of Lot 1, Block 1, of said Isanti Centennial Complex 5th Rearrangement; thence South 08 degrees 45 minutes 42 seconds West, assumed bearing, along the west line of said Lot 1, a distance of 98.38 feet; thence North 01 degrees 48 minutes 04 seconds West a distance of 96.72 feet, to the north line of said Outlot A; thence North 88 degrees 11 minutes 56 seconds East, along said north line, a distance of 18.03 feet, more or less, to the point of beginning and there terminating.

("Parcel A"); and

WHEREAS, the City is also the fee simple owner of real property situated in the County of Isanti, State of Minnesota, legally described as follows, to-wit:

Outlot A, Isanti Centennial Complex 5th Rearrangement, Isanti County, Minnesota, including all that part thereof described as follows:

Beginning at the southeast corner of Lot 1, Block 1, of said Isanti Centennial Complex 5th Rearrangement; thence South 66 degrees 27 minutes 08 seconds West, assumed bearing, along the south line of said Lot 1, a distance of 133.71 feet; thence North 88 degrees 11 minutes 56 seconds East a distance of 79.19 feet; thence North 66 degrees 27 minutes 08 seconds East a distance of 47.87 feet, to the east line of said Outlot A; thence northerly, along said east line, a distance of 31.81 feet, more or less, to the point of beginning and there terminating.

("Parcel B").

WHEREAS, the above Parcel A and Parcel B are hereinafter collectively referred to as the "Easement Area". The Easement Area is more fully depicted on the survey sketch attached hereto as Exhibit "A".

WHEREAS, the Association is the fee simple owner of real property situated in the County of Isanti, State of Minnesota and legally described as follows, to-wit:

Common Elements of Common Interest Community Number 2008-2, Isanti County, Minnesota.

(the "Association Property").

WHEREAS, the City Property and the Association Property adjoin one another.

WHEREAS, use of the driving area providing ingress and egress from the Easement Area to the Association Property and from the Association Property to the Easement Area requires an easement for access purposes, upon the terms and conditions hereinafter contained.

WHEREAS, the Parties desire, by this Agreement, to set forth the rights of ingress, egress, and access over the Easement Area on the City's real estate to allow for the Association's access to its properties.

NOW, THEREFORE, in consideration of the premises and the mutual covenants herein set forth, the Parties hereto agree as follows:

1. Incorporation of Recitals. The recitals set forth above are incorporated and restated herein as material terms of this Agreement.

2. Grant of Access, Ingress, and Egress to Association. The City does hereby grant to the Association, its successors, invitees, licensees, and agents, a permanent, non-exclusive right of ingress and egress over and upon the Easement Area.

3. Limitations Upon Grant. The City reserves the right to close off a part or all of the Easement Area for such reasonable period or periods of time as may be required in connection with any necessary repairs, or any installation or maintenance of utility lines across and/or under the Easement Area. The Association agrees that it shall not erect barriers upon the Easement Area or otherwise take such actions which would impede or delay the movement of vehicular, bicycle and pedestrian traffic to, from or upon the Easement Area.

4. Grants as Permanent; Recording Agreement. The easement rights granted herein, and the obligations herein set forth, are intended to be permanent, and shall be a covenant running with the land and shall be binding upon and inure to the benefit of the Parties hereto and their respective successors and assigns. The Parties shall cause a copy of this Agreement to be recorded in the Office of the County Recorder of Isanti County, Minnesota.

5. Indemnification. Each Party hereto shall protect, defend, hold harmless and indemnify the other from and against any and all claims, losses, damage or liability arising out of its use of the Easement Area hereinabove described.

6. Choice of Law. This Agreement shall be construed in accordance with the laws of the State of Minnesota and any applicable federal laws and regulations.

7. Severability. If any provision of this Agreement is held to be invalid or unenforceable, the validity and enforceability of the remainder of this Agreement shall not be affected thereby.

8. Non-Waiver. No provision contained in this Agreement shall be deemed to have been abrogated or waived by reason of any failure to enforce the same.

9. Complete Agreement. This Agreement represents the entire understanding between the Parties hereto. Any prior understandings, either oral or written, are hereby declared null and void. No amendment to this grant of easement shall be effective unless said amendment is reduced to writing and said writing is signed by the owners of the City Property and the Association Property.

10. Construction of Agreement and Counsel. Should any of the provisions or terms of this Agreement require judicial interpretation, the Parties agree that the court interpreting or construing this Agreement shall not apply a presumption that such provision(s) or term(s) shall be more strictly construed against one Party by reason of the rule of construction that a document is to be construed more strictly against the Party who prepared it, it being agreed that all Parties have participated in the preparation and review of this Agreement and have had actual opportunity for its legal counsel to review this Agreement and participate in its drafting.

WHEREFORE, the Parties hereto have caused this Agreement to be executed the day and year first above written.

City of Isanti
Economic Development Authority
Regular Meeting Minutes of
June 7, 2016
Isanti City Hall

1. Call to Order

The meeting was called to order by Economic Development Director Sullivan at 7:34 p.m.

a. Pledge of Allegiance

b. Roll Call

Commissioners Present: George Wimmer, Keith Dragisich, Dan Collison, Steve Lundeen, Ross Lorinser (Sworn in during Agenda Item 2.5) and Paul Bergley

Commissioners Absent: Tara Hallberg (Excused)

Staff Present: Economic Development Director Sean Sullivan

c. Agenda Modifications

President Wimmer asked for Item 2.5 Oath of Office for Ross Lorinser to be added to Agenda.

2. Approval of Agenda

Motion to approve Agenda with addition of Item 2.5 by Lundeen, second by Collison, motion carried unanimously.

2.5. Oath of Office for Ross Lorinser

Economic Development Director Sullivan administered the Oath of Office for Commissioner Lorinser.

Motion by Dragisich second by Lundeen to appoint Ross Lorinser Vice President of EDA, motion carried unanimously.

ED Director Sullivan stated he would bring back a Resolution to the next EDA meeting for adoption to amend officers for EDA.

3. Approve Minutes of May 3, 2016 Regular Economic Development Meeting

Motion by Lundeen second by Bergley to approve the minutes for May 3, 2016. Motion carried unanimously.

4. Update and Discussion on Progress of Hotel

Economic Development Director Sullivan outlined the staff memo which included the recent history regrading efforts to bring a Hotel to Isanti. He highlighted the favorable study and the method that staff had been using to get interest in the hotel and to attract investors. 33 and 49 unit concepts with a pool were outlined in the study with associated project and financing cost and potential rate on return investment. Sullivan indicated that the study showed market demand of 70-80 rooms.

President Wimmer gave more history regarding the City Council position on willingness and methods to use to help bring a Hotel to Isanti. The direction given to Council was to bring a finance package to the RLF Committee for review that showed the gap and a request for assistance for the project. He also stated the a discussion took place during 2016 Council Goal Setting and that there was not a strong appetite from the City Council for the City to be involved in long-term or majority ownership of the project. He did state that in order for the city to get a hotel he felt the City would have to be involved but the role might need to be larger

Discussion ensued.

Commissioner Dragisich asked if another approach that included a fitness component and restaurant component to the project. This approach would allow for additional revenue streams which could minimize risk for primary investors and also bring items that the community is asking for.

President Wimmer stated that he believes that a hotel will be built in the area in the next 2 years. He indicated the Isanti Indoor Arena bring a year round draw to Isanti and that it helps generate demand for rooms. He thought looking at adding additional components might be worth a shot.

Commissioner Lundeen indicated the he heard that Cambridge was looking to update their study.

Sullivan stated that a lodging tax would also be a revenue source to help offset City costs. The use of the funds are limited marketing and tourism of the city.

President Wimmer asked the EDA commissioners to voice their level of interest in expanding the City role (including ownership options) to bring a Hotel to Isanti. He said that that it is a philosophical discussion on whether the City should be involved in a project of this type.

Dragisich asked about engaging restaurant that have partners with hotels if they would have an interest in being a partner in hotel of Isanti.

Commissioner Lundeen stated the rooftops drive restaurant investment. We don't meet a lot of the demographic criteria needed to bring in restaurants.

Discussion ensued.

Commissioner Lorinser asked of the have been other City owned hotels.

Sullivan indicated he was aware of EDA owned hotels in tourist locations and that City owned hotels were not common.

Commissioner Lorinser asked how we would know if the study is legitimate and something to be trusted.

ED Director Sullivan stated the IDM did the objective study and that there reputation is attached to that study. That is why the City contracted with an objective party so we could get an honest opinion of the market conditions and chances for success.

Commissioner Lorinser asked about the city and taxpayer exposure to a hotel deal if the City had an ownership stake.

ED Director Sullivan stated that it depends on how it is structured. To date there is not a specific structure to review so exposure can't be analyzed. He asked if he was to explore options on how the city could be involved.

Commissioner Lundeen indicated that he didn't want to see a big tax increase due to a hotel project.

Discussion ensued.

There was discussion outlining hypothetical scenarios and how the City exposure or risk would be analyzed. Project scope limited room count to 49 or less. Discussion about city owned hotels ensued with Commissioner Collison referencing the Cedar Rapids version. Consensus was that a hotel is needed in Isanti but we must be cautious in the City Approach.

ED Director Sullivan stated the approach we are using right now is the safest as puts us in a position to evaluate a proposal before committing the City. He warned against negotiating against ourselves or putting our cards on the table first.

President Wimmer stated that he wanted to share on the upside of a project if the City is an owner in the project.

Sullivan asked the EDA to consider the following options or hybrids and to give direction:

1) Status Quo –Shop study and continue to ask for proposals
2) Explore partial City ownership and how it might look (50% or less), spend some money potentially to have Northland Securities to provide some opinion or guidance.
3) Seek TIF or Special legislation for project in 2017 session (spend money on lobbyist…)

Discussion ensued.

Motion by Lundeen, second by Collison to direct Economic development team to work with prospects that could include partial EDA ownership (incentives) and to bring proposals back for review and to work with Northland Securities to get a better definition on how partial city ownership might look and to raise the priority of this project. Motion carried unanimously.

CITY OF ISANTI
PLANNING COMMISSION
MEETING MINUTES
JUNE 14, 2016

L.3.

1. Meeting Opening.

A. Call to Order.

Bergley called the meeting to order at 7:00 p.m.

B. Pledge of Allegiance.

Everyone rose for the pledge of allegiance.

C. Roll Call.

Members Present: Paul Bergley, Steve Lundeen, Wayne Traver, and Jim Kennedy.

Members Absent: Greg Cesafsky, provided prior notice. Jeff Duncan, no notice given.

Staff Present: Community Development Director, Roxanne Achman

Others Present: None

D. Agenda Modifications.

Achman stated there were none.

2. Approval of Minutes from May 10, 2016 Planning Commission Meeting.

Bergley questioned if there were any comments or changes to the minutes.

Motion by Lundeen second by Kennedy to approve the May 10th, 2016 Planning Commission Meeting Minutes. Motion was unanimously approved.

3. Public Hearings.

A. Request from Granger Machine Inc./Crosslake Specialties LLC for Approval of a Conditional Use Permit to allow for Outdoor Storage on the property located at 512 1st Ave NW, Isanti, Minnesota.

Bergley read the item into the minutes.

Achman presented the staff memo.

Bergley opened the public hearing. There was no one to speak on the matter. The public hearing was closed.

Motion by Kennedy second by Lundeen to recommend approval of the request from Granger Machine Inc./Crosslake Specialties LLC for Approval of a Conditional Use Permit to allow for Outdoor Storage on the property located at 512 1st Ave NW, Isanti, Minnesota based on the findings of fact and conclusions with the following conditions:

1. Outside storage areas shall be surfaced with bituminous, concrete, or other surfaces, including but not limited to crushed rock, Class 5, or recycled materials; as recommended by the Planning Commission and approved by the City Council.

2. All outside storage areas shall be effectively screened year-round, by a wall, fence, or densely planted vegetation in accordance with Section 15 of this Ordinance.

Motion carried unanimously.

B. Request from St. Elizabeth Ann Seton for Approval of a Conditional Use Permit to operate an Educational Institution within the church located at 207 Whiskey Road NW, Isanti, Minnesota.

Bergley read the item into the minutes.

Achman presented the staff memo.

Bergley opened the public hearing.

Catherine Klobe, Co-Founder of St. Scholastica, approached the podium to let the Planning Commission know she was in attendance if there were any questions of the school.

Bergley asked if there are any safety concerns at the corner of Whiskey Rd and Oakwood St where many students cross and whether the safety patrol was notified that there will be additional students in the area.

Kennedy stated there is already a crosswalk in that area and posted patrols.

Achman stated that the School for All Seasons was notified through the public hearing process that St. Scholastica was requesting to locate within St. Elizabeth's.

Bergley closed the public hearing.

Motion by Kennedy second by Lundeen to recommend approval of the request from St. Elizabeth Ann Seton for Approval of a Conditional Use Permit to operate an Educational Institution within the church located at 207 Whiskey Road NW, Isanti, Minnesota based on the findings of facts and conclusions with the following condition:

1. An enrollment of greater than 80 students shall require an amendment to the Conditional Use Permit.

Motion carried unanimously.

C. Request from the City of Isanti to Amend Zoning Ordinance 445, Section 15 Fencing, Screening and Landscaping to update the fencing requirement within drainage easements.

Bergley read the item into the minutes.

Achman presented the staff memo.

Bergley opened the public hearing. There was no one to speak on the matter. The public hearing was closed.

Lundeen asked of the amendment was mostly verbiage.

Achman stated that it was but it also adds a stipulation that if the property owner wants to install the fence within the flow path, they can do so as long as the fence is raised up from the ground by 4 inches. There must be free flow of water under the fence.

Motion by Kennedy second by Lundeen to recommend approval of the request from City of Isanti to Amend Zoning Ordinance 445, Section 15 Fencing, Screening and Landscaping to update fencing requirement within drainage easements. Motion carried unanimously.

4. Other Business.

A. None.

5. Discussion Items.

A. None.

6. Adjournment

Motion by Kennedy second by Lundeen to adjourn the June 14th, 2016 meeting of the Planning Commission. Motion was unanimously approved.

The meeting adjourned at 7:13 p.m.

Dated at Isanti, Minnesota this 14th day of June 2016.

Respectfully submitted,

MINNESOTA LAWFUL GAMBLING

LG220 Application for Exempt Permit

An exempt permit may be issued to a nonprofit organization that:

- conducts lawful gambling on five or fewer days, and
- awards less than $50,000 in prizes during a calendar year.

If total raffle prize value for the calendar year will be $1,500 or less, contact the Licensing Specialist assigned to your county by calling 651-539-1900.

Application Fee (non-refundable)

Applications are processed in the order received. If the application is postmarked or received 30 days or more before the event, the application fee is **$100**; otherwise the fee is **$150**.

Due to the high volume of exempt applications, payment of additional fees prior to 30 days before your event will not expedite service, nor are telephone requests for expedited service accepted.

City of Isanti
Economic Development Authority
Regular Meeting Minutes of
July 5, 2016
Isanti City Hall

1. Call to Order

The meeting was called to order by Economic Development Director Sullivan at 7:24 p.m.

a. Pledge of Allegiance

b. Roll Call

Commissioners Present: George Wimmer, Keith Dragisich, Ross Lorinser, Dan Collison, Paul Bergley and Tara Hallberg

Commissioners Absent: Steve Lundeen

Staff Present: Economic Development Director Sean Sullivan

c. Agenda Modifications

2. Approval of Agenda

Motion to approve Agenda as presented by Lorinser, second by Collison, motion carried unanimously.

3. Approve Minutes of June 7, 2016 Regular Economic Development Meeting

Motion by Lorinser second by Bergley to approve the minutes for June 7, 2016. Motion carried unanimously.

4. Consider Adoption of Resolution 2016-2 RESOLUTION ORGANIZING THE ECONOMIC DEVELOPMENT AUTHORITY OF THE CITY OF ISANTI MINNESOTA

Motion by Lorinser second by Bergley to approve the resolution organizing the economic development authority of the city of Isanti, Minnesota. Motion carried unanimously.

5. Hotel and Isanti Tourism Discussion

Economic Development Director Sullivan introduced Economic Development Intern Skalicky. Skalicky spoke to the risks and profits of a city owned hotel. She highlighted the fact that the majority of municipal hotels had a larger population and different draws than Isanti. Skalicky spoke to the incentives from cities to finance a hotel. She pointed to the fesibility and exit strategies for cities who own hotels. Skalicky gave examples of high attendance events held annually in the City

of Isanti. She noted what competitors were offering, what other amenities could be provided for guests, the benefits of these amenities to residents, and what partnerships could be made. She highlighted the occupancy rates in the region as compared to that of what the hotel would have to have. She spoke to the risks of an underperforming hotel and the courses of action the city would need to take. She noted what other factors should be considered.

President Wimmer asked if the smaller communities were in a larger area or more stand-alone communities. Skailcky stated that example was from Myrtle Beach. Discussion ensued about the area and why the city chose to get involved.

Sullivan asked if there were any questions in regards to anything they heard.

Bergley asked if there were examples of exit strategies from hotels that weren't successful. President Wimmer noted that those examples were in the text. Skalicky confirmed that those were direct examples.

Drasisich asked if the occupancy came from the survey. Sullivan pointed to the different specific occupancy levels in the state, and from the specific region in the IDM Survey. President Wimmer spoke to the better information we will gain from the EIC survey.

Drasisich asked about previously interested investors. Discussion on this came from President Wimmer and Sullivan.

Sullivan talked about how to market the area, and the event surveys. He speculated on how to get the information out to businesses in the area and show them what profits they could be making. President Wimmer also speculated on how the information could benefit business owners and the City of Isanti in general.

Collison wondered at the willingness of businesses in Isanti to market their business versus businesses in other areas. Discussion followed on getting businesses to market themselves at events, and provide incentives to keep the spending by visitors in the City of Isanti, and how to provide the materials to the visitors.

Lorinser asked about the survey and whether we already had survey data or occupancy rates on event weekends in the region. President Wimmer stated it would be simple to call hotels prior to events to see if they were booked to capacity. He also touched on what could be booked by the event coordinators if there was a hotel closer to the complexes. Discussion followed on retaining events in the city, drawing in new events, and how many people from the events booked a hotel room.

Motion by Bergley second by Collison to ask the North 65 Chamber to support the City of Isanti getting a hotel. Motion carried unanimously.

Motion by Collison second by Bergley to research a City of Isanti Gift Bag. Motion carried unanimously.

5. Other Business / Updates / Communications

Economic Development Director Sullivan indicated that Isanti was working on CGI Video. The videographer will be in town July 7 and 8th.

Drasisich wondered what direction the city plans on going in since we have secured pharmacy, clinic and whether we should update the marketing plan. President Wimmer stated that he has been hearing many suggestions from the community and that the City has to continue to build. Sullivan said that they are also looking at more housing options, and there was a discussion on that. There was a discussion also on the amount of retail space the City has left and the cost of renting space.

Sullivan highlighted that the City is at 43 new single family housing permits which is 2 more than last year's total, and that more are in the works of being acquired.

Sullivan provided an update on NLX project. He indicatded that the committee was on track to have all project planning and specifications complete by the end of 2017.

Duncan read the item into the minutes.

Achman presented the staff memo.

Duncan opened the public hearing. There was no one to speak on the matter. The public hearing was closed.

Motion by Lundeen second by Bergley to recommend approval of the request from Bobby and Chad Bunes for an Interim Use Permit to allow for the establishment of a pet grooming salon on the property located at 401 East Dual Blvd NE, Suite 114 based on the Findings of Fact and Conclusion with the following conditions:

1. The petitioner shall make application for and receive approval of any appropriate additional permits (building, plumbing, etc.) from the Building Official related to the business operation.
2. The petitioner shall obtain any necessary County or State licenses for the business; and copies of such shall be provided to the City.
3. The premises in which the animals will be kept and groomed shall be kept in a clean, sanitary, healthful, and humane manner at all times; and shall be open to inspection by the Animal Warden or other person charged with the enforcement of Chapter 87 of the Isanti City Code or any other health or sanitary regulation of the City at reasonable times. Failure to do so shall constitute grounds for the revocation of the Interim Use Permit.
4. Dogs shall be leashed at all times coming both to and from any vehicle arriving for an appointment.
5. The property shall be kept clean. All dog feces shall be picked up and removed from the property on a daily basis.
6. The Interim Use Permit is granted to Bobby and Chad Bunes for the property located at 401 East Dual Blvd NE. The Interim Use Permit shall terminate upon the occurrence of any of the following events; whichever comes first: (1) the sale or lease of the property to another renter or owner; (2) the use has been discontinued for one year; or (3) the City Council suspends or revokes the Interim Use Permit upon failure of the interim use to comply with the conditions of approval and/or the property or use is found to be in violation of other City Ordinances.

Motion carried unanimously.

4. Other Business.

A. Resolution and Ordinance to Amend Zoning Ordinance No. 445, Section 7 Business District, Subdivision 3 Conditional Uses to Correct an Inadvertent Omission of Motor Vehicle Sales.

Duncan read the item into the minutes.

Achman presented the staff memo.

Duncan asked if Motor Vehicles Sales were listed as a Condition Use in the B-2 District prior to the rewrite.

Achman confirmed that it was.

Motion by Bergley second by Cesafsky to recommend approval of a Resolution and Ordinance to Amend Zoning Ordinance No. 445, Section 7 Business District, Subdivision 3 Conditional Uses to Correct an Inadvertent Omission of Motor Vehicle Sales. Motion carried unanimously.

5. Discussion Items.

A. Discussion on a Highway 65 Overlay District.

Duncan read the item into the minutes.

Achman stated that with recent development occurring along Highway 65, staff has been discussing the importance of an overlay district. The overlay district would have enhanced requirements to ensure a nicer look along 65. Maybe the district only extends 500 feet out on each side of the highway and those properties need to have a certain type of façade, increased

landscaping, and certain uses typically allowed in the B-2 may not be permitted along this corridor. Maybe we prohibit businesses such as car dealerships and focus on retail/commercial and office along 65. Staff is requesting that the Planning Commission give some consideration to an overlay district.

Lundeen stated he doesn't want to see the City start limiting businesses on what they have to build. He stated he doesn't want to deter businesses from coming to Isanti. He agreed that he doesn't want to see them look trashy, but doesn't think stipulations should be placed on businesses and how they look. Lundeen felt this discussion was stemming from the Coborn's building and how blah it is. He further stated that the building was not constructed as shown in their drawings that were submitted to the City and approved. Lundeen stated he doesn't want to see the City put any stipulations on the buildings. He said he could understand some landscaping. The City already stipulates that it can't be a steel building or a pole structure. That's understandable, but he doesn't want to see the City start forcing decorative building.

Bergley asked if it was staff's intent to start forcing buildings to have a certain type of brick.

Achman stated the B-2 District currently has requirements for what can be on the exterior of a building; however, there are not limitations on the amount of material that can be used. For example, a building could have an exterior material of EFIS. It could span for 100 feet with nothing on it and meet our requirements. The overlay district would require that every 50 feet of building would need to be broken up to give the building more dimension and create a more visually pleasing structure. It could be broken up by windows or architectural features to break up the blank space. Landscaping could be included with this as well. The City currently has an overlay district in the downtown. Overlay districts are not uncommon along main corridors in many communities. It would also provide the City with the opportunity to discuss what uses may or may not fit along the corridor. The uses need to be appealing to people driving through the City.

Bergley asked if this discussion stemmed from Coborn's.

Achman stated that it's a number of projects. The city is getting more and more inquiries about properties along the Highway 65 corridor. There is a lot of land available. If the City wants to make a change and wants the City to look a certain way, now is the time to make some changes.

Lundeen stated that he doesn't want to tell people that they have to do something. He stated he thinks they get regulated enough. As business come into town they don't want to be told they have to put another $30,000 into their business just to be on 65.

Duncan stated that the question at hand seems to be whether the City wants special overlay restrictions or additional requirements along Highway 65 as opposed to the B-2 District.

Achman clarified that the B-2 District would remain the underlying zoning district. The corridor overlay would have special requirements in addition to the B-2 requirements.

Cesafsky asked if there were any more specifics on this type of overlay district. He asked if there were landscaping, or green space requirements, or is it specifically exterior materials.

Achman indicated she felt there could be more specific landscaping requirements. The current requirements are minimal and the City relies on the applicant to supply a landscaping plan verses the City giving the applicant an idea of what the City really wants. Overlay districts typically cover the amount of signage, which is already covered in code, the visual effects of the building, setbacks- the building should be closer to the road and parking behind, breaking up long spans of the building, screening loading doors, etc. It creates a more visually pleasing corridor.

Bergley asked if cost is taken into consideration when creating an ordinance like this.

Lundeen and Kennedy concurred that creating a better looking building costs more.

Duncan asked for clarification on where else in town there are properties zoned B-2.

Achman stated that there are a lot of B-2 properties along Heritage and within the Anlauf Commercial Park where the clinic is being built. She further stated that if an overlay corridor were created, it should only extend a certain distance out from Highway 65 so that it's only affecting properties directly on 65.

Traver questioned how important it was to have an overlay district. Do people really notice these things when they are driving? Can it just be dressed up with some landscaping?

Achman stated that it would be noticeable.

Lundeen made an example out of the O'Reilly Auto store in Cambridge, where people didn't seem to notice it being built even though it's on a main corridor.

Cesafsky asked if staff was referring more to appearance. He provided an example of how when Siren, Wisconsin was rebuilt after a tornado, most of the structures were rebuilt with a log appearance. He stated he assumed that wasn't all by choice. Cesafsky asked how many businesses already in place wouldn't meet the requirements of the corridor overlay.

Achman stated that the city wouldn't go to the extreme that we are choosing a specific look for our city as Siren, WI did. Staff is interested in holding a slightly higher standard that would prevent a bland building and would create more of an inviting feel to the City.

Lundeen stated he didn't think there were many lots remaining along Highway 65 that would affect the appearance of the corridor. He felt there would only be two or three more buildings.

Achman stated that she felt there were more than ten available sites remaining on Highway 65.

Lundeen stated that businesses everywhere are tired of being regulated. Businesses are going to go where they aren't regulated such as the townships.

Duncan felt that another approach would be to improve some of the requirements in the B-2 district rather than creating an overlay district.

Achman stated that the biggest obstacle with that is there are a number of uses allowed in the B-2 District that are not necessarily ideal to be placed along the Highway 65 corridor.

Cesafsky asked if the goal was to have more control over what type of business can be built there. Achman stated that was correct.

Duncan asked for examples those types of businesses.

Achman indicated that businesses such as auto sales or storage facilities wouldn't necessarily be the most desirable along the corridor.

Cesafsky stated that it would be good for the city to have more control over the premium pieces of property that are available in Isanti.

Lundeen indicated that he didn't think businesses like that would spend the money to purchase those locations. The price and taxes would make it cost prohibitive for some businesses to build there.

Cesafsky stated that with the development along the corridor; with the clinic and Coborn's; the corridor only has so many parcel of premium land and to have some control over what goes along the corridor isn't a bad thing.

Lundeen stated he would be more open to regulating what can and cannot be built along the corridor, rather than what the building needs to look like. He further stated that a discussion on façade gets into forcing someone to build something that goes over budget.

Achman stated she didn't think the requirements would be much different than what is in place now.

Duncan stated that it would be more about breaking up the long horizontal spans of the building.

Achman suggested bringing some ideas back to the Planning Commission to give them a better idea of what staff has in mind for a corridor overlay district.

The Commissioners agreed that staff is to bring back ideas to the next Planning Commission meeting.

6. Adjournment

Motion by Bergley second by Lundeen to adjourn the July 12th, 2016 meeting of the Planning Commission. Motion was unanimously approved.

The meeting adjourned at 7:23 p.m.

Dated at Isanti, Minnesota this 12th day of July 2016.

Respectfully submitted,

_____

MEMORANDUM

Date: July 13, 2016

To: Honorable Mayor Wimmer and Members of the City Council
City of Isanti

From: Bradley C. DeWolf, P.E.
City Engineer

Jason W. Cook, P.E.
Assistant City Engineer

Subject: Project Status Report
Isanti, Minnesota
BMI Project No: R13.111162

Please find listed below a status report of the current projects in the City of Isanti.

1) **City Hall Parking Lot Expansion**

Temporary erosion control will be removed and the project will be closed out this month.

2) **River Bluff Preserve Parking & Trail Improvements**

Once grass seed is established, these projects can be closed out.

3) **Watermain Loop Improvements**

The Contractor plans to complete this project in the coming month.

4) **Wastewater System Improvements**

The Contractor plans to begin work on the proposed pre-treatment building this month.

5) **Whiskey Road Walk Infill Study**

We will complete the infill study this month.

6) **Coborn's Grocery Store & Allina Medical Office Building**

Both sites are under construction. We will continue to assist the City as testing and inspection is required.

In addition to the current projects listed above we have completed and accepted 42 private developments and 45 city contracts since being selected as your City Engineer in 2008.

Please contact Brad or Jason if you have any questions.

MEMO

To: **Mayor Wimmer & City Council Members**

From: Gayle Bauman, Interim Finance Director

Date: July 13, 2016

Subject: Review 2017 General Fund Revenue Projections

General Fund Revenue (Page 1)

- The Property Tax Levy (includes Debt Service) amount has been increased to $2,587,561 to cover the projected increase for fire services ($37,000) and to cover potential mediation-arbitration costs ($10,000). The effective preliminary tax rate for 2017 is estimated at 86.619% based on an increase in market value of 0.3%.

	2015/16	2016/17	$ Change	% Change
General Fund	1,934,000	2,009,086	75,086	3.9%
Debt Service	606,561	578,475	(28,086)	-4.6%
TOTAL	2,540,561	2,587,561	47,000	1.8%

- Business Licenses, Police State Aid, Fines & Forfeits, Grants & Aids, Municipal State Aid – Streets, Charges for Services, Community Center Charges, Rental Fees, School District Resource Officer, and Lease Revenue has been adjusted to reflect prior year trends, rates per the fee schedule and known agreements and trends.
- The transfer from the Liquor Store has been budgeted at $350,000.
- Interest on Investments is difficult to budget and is currently set at last years' budget amount.
- LGA reflects the amount per current law. This may increase if a special session is called.
- The estimated increase to the General Fund Fund Balance is $31,864 for 2017.
- Total Preliminary 2017 Budgeted Revenues, including Debt Service, are $4,081,384. This represents a $148,485 increase over 2016, or 3.8%.

MEMO

To: **Mayor Wimmer & City Council Members**

CC: Donald Lorsung, City Administrator

From: Gayle Bauman, Interim Finance Director

Date: July 13, 2016

Subject: Property Taxes Received for 1st Half Pay 2016

On July 7th the City received the tax settlement from Isanti County representing property taxes paid from January 1 through May 20, 2016. The following compares tax levy and tax receipts for pay 2016 to pay 2015:

	Pay 2016 Taxes	Pay 2015 Taxes
Net Levy (Paid to County from Property Owners)	$ 2,540,561	$ 1,957,506
Tax Settlement		
Current Year Taxes - 1st Half	$ 1,314,162	$ 1,000,045
Current Year Taxes - 2nd Half	$ -	$ -
Total Current Year Taxes Collected	$ 1,314,162	$ 1,000,045
% of Current Year Taxes Received to Net Levy	51.73%	51.09%

	Pay 2016 Taxes	Pay 2015 Taxes
Delinquent Tax Balance		
12/31/2015	$ 63,701	
12/31/2014		$ 64,337
Delinquent Taxes Collected 1st Half	$ 30,805	$ 18,203
Delinquent Taxes Collected 2nd Half	$ -	$ -
Total Delinquest Taxes Collected	$ 30,805	$ 18,203
% of Delinquent Taxes Collected	48.36%	28.29%

Date: July 13, 2016

Subject: Review 2017 Preliminary Department Budget Expenditures

---

Total preliminary 2017 budgeted expenditures for the General Fund are $3,312,959. This represents a $195,269 increase over 2016, or 6.3%. The two main reasons for this are 1) increasing the hours for the Community Events/Parks Coordinator from 25 hours per week to full time; and 2) capital outlay requests. The two tables below show a breakdown in the differences between the 2016 Budget and the 2017 Request by department and by type.

GENERAL FUND - BY DEPARTMENT	2017 Request	2016 Budget	Increase/ (Decrease)	% Change
General Government	529,381	503,607	25,774	5.1%
Plan/Zone & Bldg Inpsections	273,949	256,103	17,846	7.0%
Public Safety	1,346,521	1,337,011	9,510	0.7%
Fire Protection	233,593	196,479	37,114	18.9%
Public Works	525,176	522,641	2,535	0.5%
Parks, Rec & Culture	394,419	291,450	102,969	35.3%
Miscellaneous/Debt	9,920	10,399	(479)	-4.6%
TOTAL	3,312,959	3,117,690	195,269	6.3%

GENERAL FUND - BY TYPE	2017 Request	2016 Budget	Increase/ (Decrease)	% Change
Personnel (1xx)	2,141,188	2,034,262	106,926	5.3%
Commodities (2xx)	192,193	188,138	4,055	2.2%
Prof Services (3xx)	644,840	601,757	43,083	7.2%

Fund Balance – General Fund

The Office of the State Auditor recommends that local governments that rely significantly on property taxes maintain an unrestricted fund balance of approximately 35 to 50 percent of fund operating revenues or no less than five months of operating expenditure in their general fund.

Per the City's fund balance policy, at December 31 of each year, the General Fund unassigned fund balance shall be 50% of the following year's budgeted expenditures and transfers out. Any excess fund balance in the General Fund will be utilized to reduce property taxes for the next budget cycle. If a shortage exists, Council will need to determine a plan of action to restore the fund balance within two years. At December 31, 2015, the unassigned fund balance in the General Fund was $1,327,361. The 2016 budgeted expenditures and transfers out total $3,238,786. This calculates out to a fund balance at 41% of the following year's budgeted expenditures and transfers out. This 2017 preliminary budget increases the fund balance slightly but the percentage changes by less than 1%. Does a plan need to be put in place to restore the fund balance?

Expenditures – All Departments

- All wages include a 2% COLA for 2017 and include the necessary step increases, where applicable. A COLA of 2% results in a $33K impact to the general fund.
- Health Insurance is based on 2016 premiums plus 10%.
- Worker's compensation rates are based on 2016 rates and include a 6% inflationary factor.
- Property, liability, and volunteer insurance premiums are based on 2016 rates and include a 2.5% inflationary factor.
- Dental Insurance is based on 2016 premiums, plus 5%.
- Life/AD&D Insurance is based on 2016 rates.
- Managed expenses throughout the general fund budget have been adjusted based on prior year actual costs, current year expenditures through May, actual maintenance agreements and contracted costs.
- Total Preliminary 2017 Budgeted Expenditures, including Debt Service, are $4,049,520. This represents a $126,489 increase over 2016, or 3.2%.

Mayor and Council (Page 15)

- Dues and Subscriptions (433) reflects the increase for the League of MN Cities dues.

Elections (Page 16)

- No elections are scheduled for 2017 but funds are needed to update equipment.

Finance and Administration (Page 17)

- Professional Services (300) includes $10,000 for mediation/arbitration fees.
- Auditing and Accounting Services (301) reflects the contracted price for the 2016 audit.

Municipal Building (Page 21)

- Capital Outlay (500) includes $3,500 for landscaping.

Parks, Rec & Culture (Page 25)

- Wages & Salaries (100) includes the effect of increasing the hours for the Community Events/Parks Coordinator from 25 hours per week to full time.
- Operating Supplies (210) has been increased to reflect the increase in operating costs primarily associated with increased activity at the ICC and IIA.
- General Supplies (220) includes a budget of $1,400 for ICC blinds.
- Maint & Repairs – Bldgs (401) the 2016 budget included $6,000 for the purchase and installation of auto doors and the IIA.
- Repairs/Maint Mach/Equip (404) has been increased to reflect the cost associated with maintaining park structures/equipment and park maintenance equipment.
- Dues and Subscriptions (433) was increased to account for membership in Graphic Stock and a subscription to Adobe Suite.
- Street Dance (499) was increased by $3,000.
- Capital Outlay (500) includes a variety of requests for 2017.

Planning & Zoning (Page 29)

- Engineering Fees (303) were increased by $1,000.
- Technology (305) was increased by $900 to account for Civic System support.

Building Inspection (Page 31)

- Various increases were included in Computer Supplies, Training, Technology and Communications.

EDA (Page 34)

- Total Budgeted EDA Expenditures for 2017 are $149,854. The total budgeted net transfer from the General Fund is $125,255, which is an increase of $20,310 over 2016.

Police (Page 37)

- Small Tools and Minor Equip (240) included $3,000 in 2016 to purchase miscellaneous equipment for the Police Investigator position.
- The Cell Phone reimbursement is being removed due to the addition of the Jet Packs.
- $1,500 is being added to Repairs/Maint Equipment (404).
- Prisoner Expense (440) has not been used in many years. The budget is being eliminated for this line item.
- A $6,000 request for a new laptop and software for the reserve vehicle is being budgeted out of the Forfeiture Fund.

General Maintenance (Page 43)

- Ground Maintenance (400) includes $2,000 for brush disposal.

Streets (Page 45)

- Street Maintenance (231) includes a budget of $3,500 for sidewalk repair.
- An amount of $1,000 was added for Grounds Maintenance (400).

Street Lighting (Page 47)

- Capital Outlay (500) includes $20,000 for the capital investment relating to street lighting infill.

Sanitation (Page 48)

- Ground Maintenance (400) includes $3,500 for compost screening.

Fire Protection (Page 49)

- The preliminary increase of 15.0% over 2016 is based on an average of the increase over the past years. Actual will be determined by the Fire District at a later date.

Debt Service (Page 4)

- Only General Obligation bonds are included.
- The required levy amounts were reviewed and adjusted in 2015. Those adjustments are reflected in 2017.
- The 2017 bond payments are in accordance with the bond schedules.
- The 2017 debt service levy is proposed at $578,475.

Requests not included in this budget:

- Increased hours for the part-time Admin Data Clerk from 25/hrs/wk to 30/hrs/wk.
- Addition of 1 full-time Maintenance Technician.
- Addition of 1 part-time Engineering Technician.
- Addition of Parks, Rec & Culture summer intern.
- Increase in pay range for Building Official.
- Levy for Capital Reserve Fund for future replacements.
