MINUTES
CITY OF ISANTI
CITY COUNCIL BUDGET WORK SESSION
TUESDAY JULY 19, 2016
CITY HALL

Mayor Wimmer called the meeting to order at 7:04 p.m.

Members Present: Mayor George Wimmer, Councilors: Paul Bergley, Dan Collison, Ross Lorinser and Steve Lundeen

Members Absent: None

Staff Present: Assistant City Attorney Patrick Moore, City Administrator Don Lorsung, Human Resources/City Clerk Lindsey McInnis, Interim Finance Director Gayle Bauman

2017 Budget Review Schedule
Interim Finance Director Gayle Bauman greeted Mayor and the Council and explained the 2017 Budget Review Schedule. The purpose of this meeting was to review general fund revenue projections and all preliminary department budget expenditures. Future work sessions are set for Wednesday, August 3, 2016 and Tuesday, August 16, 2016 (if deemed necessary) in which Water, Sewer, Storm Water, Liquor and Capital Outlay will be discussed. All meetings will follow the regular City Council Meetings.

Review 2017 General Fund Revenue Projections
The General Fund Revenue and Preliminary Budget Expenditures Projections for the General Fund and the 2017 proposed property tax levy amount were presented.

The Property Tax Levy proposed is set to increase by $47,000 to $2,587,561 or a 1.8% increase. $37,000 of that is due to the projected increase in the fire protection services and $10,000 is to cover potential mediation/arbitration costs. Based on information Ms. Bauman received from the County, the increase in market values is expected to be about .3% which would give us an estimated tax rate of 86.619% for 2017. The general fund is expected to go up slightly to $2,009,086 for an increase of $75,086 and the Debt Service is projected to go down to $578,475 for a decrease of ($28,086) which gives us the net change of $47,000.

She explained that when she looked at the revenues, some went up because of inflation, some are based on prior year trends and schedules that are known.

The transfer from the liquor store is budgeted at $350,000 which is a $50,000 increase over 2016. Interest on investments is difficult to budget, and is currently set at last year's amount. LGA reflects the amount for current law. There may be an increase if a special session is called. Originally the Legislature approved an increase but the Governor vetoed the bill. If approved in a special session, the amount would potentially increase an additional $57,000.

The estimated increase to the General Fund - Fund Balance based on everything in the packet is set to be just over $31,000 for 2017.

The preliminary budgeted revenues, including debt service are just over $4,000,000. Bauman presented a snapshot of Pay 2015 and the 1st half of taxes compared to 2016 1st half. For the delinquent balance, the City collected more in 2016 than 2015. We will see how it shakes out when the whole year is done.

Review of 2017 Preliminary Department Budget Expenditures

Ms. Bauman continued, explaining the preliminary total 2017 budgeted expenditures for the General Fund are $3,312,959. This represents a $195,269 increase over 2016, or 6.3%. There are two main reasons for this change:

1. An increase in hours from a part time to full time position in 2016
2. Capital outlay requests for 2017 are up/over the amount approved for 2016

Two tables were presented breaking down the differences between the 2016 and 2017 Budgets. The first was by department and the second was by type.

She touched briefly on the Fund Balance for the General Fund. The City has a fund balance policy where the general fund unassigned fund balance should be 50% of the following years budgeted expenditures and transfers out. Any excess can be used to reduce property tax levy in future years. If you fall short, you are to devise a plan to get back up to that 50%. For 2017, the budget is set to add $31,000 to the general fund which is an increase and is progressing towards that 50%. We need to show continual progress and at the end of 2015 we were at about 41% so we are on the right track. If we could increase it even more that would be better.

The assumptions for expenditures for all departments included all wages with a 2% COLA and necessary step increases. That resulted in an approximate impact of $33,000 to the general fund. Health insurance was projected to increase 10%, Workers Compensation rates were projected to increase 6%, Property and Liability Insurance 2.5%, Dental Insurance 5%, and Life Insurance remained the same and was based on 2016 rates. Managed expenses throughout the general fund budget have been adjusted based on prior year actual costs, current year expenditures through May, and actual maintenance agreements and contracted costs. The total preliminary 2017 Budgeted Expenditures, including debt service are $4,049,520. This represents a $126,489 increase over 2016, or 3.2%.

Mayor Wimmer added that the amount for wages and COLA for 2017 is not a definite number, it is a placeholder at this point. The City will be entering into negotiations with the two unions this year and the final amount could go up or down from the placeholder depending on how the City settles on that issue.

Councilman Lorinser suggested we watch the trends of what other departments are getting for their negotiations. Mayor added that is how the original amount of 2% was decided upon. They looked at what other surrounding areas were settling on in their contracts and they were right in the 2% range.

Bauman continued her presentation outlining some of the major changes in individual departments.

In the Finance and Administration Budget a $10,000 increase was included for potential mediation/arbitration fees, which we increased the levy to cover that expense. The Mayor explained the last few years have averaged between $5,000 - $8,000 in similar costs, so it is a large enough cost figure to start budgeting for. City Administrator Don Lorsung confirmed.

Parks and Rec Department Budget increases include 1) the part time to full time employee, previously mentioned, 2) street dance $3,000 and 3) capital outlay requests were up $48,000 over last year's approved budget.

The EDA budget is up almost $12,000 over 2016. Bauman noted the EDA is financed almost completely by a general fund transfer. After looking at all the changes in the EDA budget, the net general fund transfer is going up just over $20,000 to $125,255. This is needed in order to get the EDA fund to come up with a positive fund balance. The Mayor noted that franchise fees such as cable etc. are split with the technology fund, so there is a revenue stream that does pay part of it. Lorsung confirmed.

The Police department budget reflects increases in equipment. Bauman noted there was an additional request for a laptop with software budgeted at $6,000 which is not included in the General Fund Budget. It appears, after looking at the forfeiture fund, there are sufficient funds to cover this cost, so she indicated we will budget the $6,000 out of the forfeiture fund.

The final phase of the street lighting infill project has been budgeted at $20,000.

The preliminary increase of 15% in fire protection services, based on the increase over the past few years, is included in the budget. The Mayor commented that this is based on actual history of what we receive and not the estimated amount the Fire District provided. The actual increase from 2015 to 2016 was 13% and that was not the original guidance the City was given. Again this year the number provided was lower than previous years have been, therefore the City needs to budget based on actual previous costs and trends of increases. Every cent that it is increased has to be passed on to the taxpayers because the City cannot take it out of the other budgets. However, if the cost goes down, at that time the City can lower it.

The Debt Service levy is proposed at $578,475 and is included in the budget. It is projected to remain at this level through 2019. Based on the current debt requirements, the levy should drop off in 2020 because some of the debt is going to mature and will roll off the books.

Bauman also pointed out other requests made from department heads not included in this budget.

Mayor Wimmer specifically pointed out one of those items that may be coming back was the Engineering Technician. The Mayor expressed that if we have dollars in the areas we are already spending with Bolton and Menk that we could use instead to pay a large portion if not a majority of that position and also have that person doing GIS for us as well. Sealcoating would be one example of one of the projects that are ongoing every year. We spend about $250,000 with $40,000 of that just the engineering/administrative overhead we pay Bolton and Menk to supervise it. These are not complicated projects. It would be nice to have someone on staff to do this. We are just trying to figure out if we are able to fund it from dollars that we are already spending.

Mayor reiterated the actual only changes in the levy costs are $10,000 for mediation and $37,000 for the fire district. He also added the revenue numbers are conservative, so that is one area that might do better. Councilmember Lundeen commented on the real estate market and agrees we should stay conservative. The Mayor also agreed and pointed out, as Ms. Bauman stated, we are trying to slowly build back up on our

general fund, so any cash that comes into that, is all the better for us. We also recently did have our credit rating reaffirmed.

Administrator Lorsung added that the message S & P gave us is that they are looking for increasing progress to replenishing those cash balances. Council member Lorinser questioned if they look at the intentional draw down that we did. Lorsung acknowledged it was part of the plan and they did know it was the City's intention to do that. Lorsung stated we needed the large tax levy that we had last year after steadily rolling through the recession. As previously stated they want to see us making steady progress towards replenishing those cash balances which is what we are doing. The Mayor also stated that we have a plan in place and we are following that plan. Even after last year's change and this minimal proposed change we are going to have the lowest tax rate in the County.

Lorinser questioned what the 2016 increase was for fire service. Mayor stated it went up $23,000 or about 13%. Lundeen stated it is based on call rates. Mayor interjected also their labor costs dramatically increased.

Council member Lorinser commented in regards to the Liquor Store Committee and questioned if they have looked at the last few years and how much the cash is increasing and their net profit. Council member Collison added that since Liquor Store Manager John Jacobi took over, the increase is at 28% or better. Before that it was 23% or 24%. Lundeen added he has done an outstanding job. Collison pointed out he is almost at a cap because he needs a bigger store so he can buy more in bulk or the population needs to dramatically increase.

The Mayor added the extra draw down could be done a couple different ways. We could transfer $200,000 in one year because there is a $650,000 balance in the Liquor Store funds and John Jacobi only needs about $200,000 - $300,000 to run operations. However, what we want to do from a budgeting standpoint is to do it in an incremental way, so if something would happen we would be able to survive through that.

Adjournment
Motion by Lundeen, second by Collison to adjourn. Motion carried unanimously. The Work Session adjourned at 7:25 p.m.

Respectfully Submitted,

Janice Lutterman
Administrative Data Clerk

RESOLUTION NO 2016-XXX

RESOLUTION REGARDING CITY ADVERTISING IN OFFICIAL CITY NEWSPAPER

WHEREAS, the City of Isanti solicits proposals for an Official Newspaper at the beginning of each year. Publishers provide costs and coverage in the City of Isanti as a part of their service proposals; and

WHEREAS, based on the above, the City Council selects an Official City Newspaper for that calendar year, where all legal and required publications are made; and

WHEREAS, the City has other publication needs for City events and operations. It is the desire of the City Council to have all such advertising in the Official Newspaper or related periodic advertising publication(s) that are distributed in the City.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Isanti, Minnesota that:

1) That all advertising for City Events and Operations are done in the Official City Newspaper or its related advertising publication(s).

2) That in the event it is necessary or desired to publish in other local, regional, State or national publications, such requests shall be brought before the City Council for consideration and approval prior to publication.

This resolution was duly adopted by the Isanti City Council this 3rd day of August, 2016.

Request for City Council Action

To: Mayor Wimmer and Members of the City Council

From: Katie Everett, Community Events and Parks Coordinator

Date: August 8, 2016

Subject: Special Event Request for City Center Market Outdoor Music Event

---

Background

The City received a special event application from Gayle Cupit for an outdoor music event at the City Center Market/The Green Table on Friday, September 9th from 7:00-10:00pm. The event will take place in the area west of the Green Table. A site map has been included with the application materials for Council review.

The organizer has stated that all of the event activities will take place at 4 Enterprise Ave NE, and have submitted a letter from the property owner stating permission for the event. Anticipated attendance is 150. The organizer has stated that the Junction Bowl lot will be used for additional parking. A letter giving permission for parking is will be required in order to issue the permit.

There will be alcohol served at this event. City staff have stipulated that in order to do this, a fence must enclose the designated drinking area and signs should be posted that indicate "no alcohol beyond this point" to ensure that alcohol consumption only occurs on the event property. There also needs to be a designated person to monitor the event to make sure that alcohol is not leaving the premises and that no one under 21 years old is being served.

The organizer has indicated that there will not be any event signage; if any signs are used they must be approved by the zoning department.

The organizer's staff will be cleaning up after the event. The required deposit fee of $100 will be submitted.

A copy of the application, site map, and departmental review has been attached for City Council review.

Staff Request

City staff is requesting action on this item.

RESOLUTION 2016-

A RESOLUTION APPROVING A SPECIAL EVENT PERMIT REQUEST FOR CITY CENTER MARKET OUTDOOR MUSIC EVENT

WHEREAS, Gayle Cupit, the Applicant, will be hosting an outdoor music event at City Center Market/The Green Table on Friday, September 9, 2016; and,

WHEREAS, this event is scheduled to begin at 7:00 p.m. and end at 10:00 p.m.; and,

WHEREAS, the estimated number of participants is 150; and,

WHEREAS, the event will take place at the business establishment at 4 Enterprise Ave NE, Isanti; and,

WHEREAS, the primary parking and all activities for the event will be within parking lot; additional parking may occur at Junction Bowl if the event organizers receive a letter from the owner; and,

WHEREAS, alcohol may be served at this event to persons of legal drinking age within designated areas only, and the event organizers will comply with all local and state regulations in doing so; and,

WHEREAS, the Applicant will clean-up after the event and will submit the $100 clean-up deposit fee;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, to hereby approve the outdoor music event at City Center Market to be held on September 9, 2016 with the following conditions:

- The Applicant submit the $100 clean up deposit fee
- The Applicant submit the Letter of Approval from property owner at Junction Bowl for additional parking
- The Applicant submits further plans to comply with local and state regulations for serving alcohol in an outdoor setting

BE IT FURTHER RESOLVED by the City Council of the City of Isanti, Minnesota that this Resolution is hereby the 'Permit' for the above stated Special Event.

This Resolution hereby approved by the Isanti City Council this 3rd day of August, 2016.

ITEMS TO ACCOMPANY THE APPLICATION

1. Application Form
2. Clean-up Deposit Fee, if applicable
3. Proof of Insurance or Certificate of Insurance
4. Signed Release and Indemnification Agreement, if event on City owned property
5. Site Map
6. Temporary Sign Permit Application, if applicable
7. Approval Letter from the Property Owner
8. Information regarding Vendors, if applicable
9. Proof of written notification to property owners within 350 feet of the special event
10. Supplemental information as requested by City staff

The following information is required for consideration. Check next to items pertaining to your event. If not applicable, please place an "N/A" in the space provided.

_____ Proof of Insurance or Certificate of Insurance (**REQUIRED** for all events)

N/A Release and Indemnification Agreement (**REQUIRED** for all events held on City property. Please sign and attach to the application.)

yes Selling / Consumption of Alcohol

✓ Site Map (**REQUIRED** for all events) - A diagram of the proposed area to be used showing the location of barricades, security fencing, entertainment, stages, toilets, parking areas, trash containers, and any other items relating to the event should be attached to the application.

✓ Parking Impact (**REQUIRED** for all events) – Describe in detail:
Parking at Junction Bowl w/owners permission.

None — Special Signage (Temporary Sign Permit Application will also be required) – Describe:

✓ — Approval Letter from Property Owner (**REQUIRED** for all events, unless occurring on public property. Attach to the Application)

No. — Vendors will be present at the event (Attach information to the Application)

✓ — Tents, equipment, amusement rides, etc.
Size: Tent - 20x20
Location: The Green Table parking lot

not needed — Fire Prevention or EMS – If needed, please specify and if being provided, please identify the name or entity providing these services:

NO — Fireworks

NO — Street Closure – if yes, what streets:

interior restrooms will be sufficient — Restrooms (Portable) – Name or entity providing these services; and number of facilities to be provided. When other restroom facilities are not provided on-site or are limited; the applicant will need to pay for additional restroom facilities. For those events exceeding 75 persons, one (1) additional restroom shall be provided; for events exceeding 150 persons, two (2) additional restrooms shall be provided. For events exceeding 250; the Planning for Special Events-Usage Chart shall be used.

not needed — Security Plans – Name or entity providing these services. (A Police Officer is required if alcohol is being served or at the discretion of the Police Chief).

We will clean up our property — Clean-up Plans – Describe in detail:

_____ Live entertainment – Describe in detail: the band - the Non-Profits - will play outside from 1-10pm

No Will any other public addressing system or sound amplification be used? If so, describe:

_____

_____ Proof of written notification to property owners within 350 feet of the special event. (Attach to the application.)

NA If the event will be held on public property, please provide the following information: (1) Will tickets be sold for the event? (2) Is a donation of any kind required? (3) What is the purpose of the money that is collected?

Depending upon the type of special event, some items may not be required or may be waived as part of the review process. Larger events may require additional information, in order to properly process the request.

APPLICANT SIGNATURE

I declare that the information I have provided on this application is truthful and I understand that falsification of answers on this application will result in denial of the application. I authorize the City of Isanti to investigate and make whatever inquiries necessary to verify the information provided.

Applicant Signature: [signature]

7/6/2016

To Whom It May Concern:

I am the owner of the property located at 4 Enterprise Avenue NE in Isanti, MN 55040.

Request for City Council Action

To: Mayor Wimmer and Members of the City Council

From: Katie Everett, Community Events and Parks Coordinator

Date: August 3, 2016

Subject: Special Event Request for Craft Show at Car Show Finale Event

---

Background

The City received a special event application from JerriAnne Twingstrom for a vendor and craft fair in conjunction with the Rum River Rods Car Show Finale event on Saturday, August 13 from 11:00am to 5:00pm with set up beginning at 9:00am. The event will take place in the parking lot at 303 Credit Union Drive.

The organizer has stated that all of the vendors will be set up in the grass lot on Main St next to Family Pathways. The city has a letter on file granting the Rum River Rods use of this space on August 13th for the Car Show Finale events. 15 vendors and crafters are anticipated to participate.

The organizers and vendors will be cleaning up after the event.

A copy of the application, event description and departmental review has been attached for City Council review.

Staff Request

City staff is requesting action on this item.

RESOLUTION 2016-

A RESOLUTION APPROVING A SPECIAL EVENT PERMIT REQUEST FOR CRAFT SHOW AT CAR SHOW FINALE

WHEREAS, JerriAnne Twingstrom, the Applicant, will be organizing a craft show in conjunction with the Rum River Rods Car Show Finale on Saturday, August 13, 2016; and,

WHEREAS, this event is scheduled to begin at 10:00 a.m. and end at 5:00 p.m.; and,

WHEREAS, the estimated number of vendors is 15; and,

WHEREAS, the event will take place within the boundaries for the Rum River Rods Car Show Finale on the grassy lot next to Family Pathways; and,

WHEREAS, the Applicant will clean-up after the event and has requested that the $100 clean-up deposit fee be waived;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, to hereby approve the craft show to be held on August 13, 2016 with the following conditions and to waive the deposit fee:

- The applicant must submit a list of vendors prior to the event
- The application must submit a certificate of insurance

BE IT FURTHER RESOLVED by the City Council of the City of Isanti, Minnesota that this Resolution is hereby the 'Permit' for the above stated Special Event.

This Resolution hereby approved by the Isanti City Council this 3rd day of August, 2016.

-EVENT SPONSOR-
RELEASE AND INDEMNIFICATION AGREEMENT

City of Isanti

THIS IS A RELEASE OF LIABILITY INDEMNIFICATION AGREEMENT. SPECIAL EVENTS HOLDER MUST READ CAREFULLY BEFORE SIGNING.

In consideration for being permitted to engage in the following special event activities on property owned by the City of Isanti:

~~Vendor/Craft show that will be setting up on Aug 13th, 016 in conjunction with the Rum River Rods~~

Special Events Holder hereby acknowledges, represents, and agrees as follows:

A. We understand that the above described activities are or may be dangerous and do or may involve risks of injury, loss, or damage to us and/or third parties. We further acknowledge that such risks may include but not be limited to bodily injury, personal injury, sickness, disease, death, and property loss or damage, arising from the following circumstances, among others:

(Special Events Holder Initials Here) JJT

B. If required by this paragraph, we agree to require each participant to our special event to execute a **RELEASE AND INDEMNIFICATION AGREEMENT** for ourselves and for the City of Isanti, on a form approved by the City of Isanti.

Participant Release and Indemnification required? YES ____ NO ☑

(Special Events Holder Initials Here) JJT

C. We agree to procure, keep in force, and pay for special event insurance coverage, from an insurer acceptable to the City of Isanti, for the duration of the above described activities.

(Special Events Holder Initials Here) JJT

D. By signing this **RELEASE AND INDEMNIFICATION AGREEMENT,** we hereby expressly assume all such risks of injury, loss, or damage to us or any related third party, arising out of or in any way related to the above described activities,

whether or not caused by the act, omission, negligence, or other fault of the City of Isanti, its officers, its employees, or by any other cause.

(Special Event Holder Initials Here) JJT

E. By signing this **RELEASE AND INDEMNIFICATION AGREEMENT,** we further hereby exempt, release and discharge the City of Isanti, its officers, and its employees from any and all claims, demands, and actions for such injury, loss or damage to us or to any third party, arising out of or in any way related to the above described activities, whether or not caused by the act, omission, negligence, or other fault of the City of Isanti, its officers, its employees, or by any other cause.

(Special Event Holder Initials Here) JJT

F. We further agree to defend, indemnify and hold harmless the City of Isanti, its officers, employees, insurers, and self insurance pool, from and against all liability, claims, and demands, court costs and attorney fees, including those arising from any third party claim asserted against the City of Isanti, its officers, employees, insurers or self insurance pool, on account of injury, loss or damage, including without limitation claims arising from bodily injury, personal injury, sickness, disease, death, property damage or loss, or any other loss of any kind whatsoever, which arise out of or are in any way related to the above described activities, whether or not caused by our act, omission, negligence, or other fault of the City of Isanti, its officers, its employees, or by any other cause.

(Special Event Holder Initials Here) JJT

G. By signing this **RELEASE AND INDEMNIFICATION AGREEMENT,** we hereby acknowledge and agree that said Agreement extends to all acts omissions, negligence, or other fault of the City of Isanti, its officers, and/or its employees, and that said Agreement is intended to be as broad and inclusive as is permitted by the laws of the State of Minnesota. If any portion thereof is held invalid, it is further agreed that the balance shall, notwithstanding, continue in full legal force and effect.

(Special Event Holder Initials Here) JJT

H. We understand and agree that this **RELEASE AND INDEMNIFICATION AGREEMENT** shall be governed by the laws of the State of Minnesota and that jurisdiction and venue for any suit or cause of action under this agreement shall lie in the courts.

(Special Event Holder Initials Here) JJT

I. This **RELEASE AND INDEMNIFICATION AGREEMENT** shall be effective as of the date or dates of the applicable special event, shall continue in full force until our responsibilities hereunder are fully discharged, and shall be binding upon us, or successors, representatives, heirs, executors, assigns, and transferees.

(Special Event Holder Initials Here) JJT

IN WITNESS THEREOF, THIS RELEASE AND INDEMNIFICATION AGREEMENT is executed by the special event holder, acting by and through the undersigned, who represents that he or she is property authorized to bind the Special Events Holder hereto.

Request for Council Action

To: Mayor Wimmer
Members of the City Council

From: Roxanne Achman
Community Development Director

Date: August 3, 2016

Subject: Coborn's Project: Modifications to the Building Appearance

---

Background

The site plan and building appearance for Coborn's was approved in October 2015 via Resolution No. 2015-253. In May 2016, after significant construction on the building, staff was made aware of a change to the exterior finishing materials which was inconsistent with the approved plans. Construction on the exterior of the building continued without approval of the new materials.

After several discussions between Coborn's, their developers and City Staff, a consensus was reached on improvements to the exterior finish which would provide a building that more closely resembles the building appearance plans that were originally approved in Res. No. 2015-253.

The changes include the following:

- The entire building appeared to wrapped in brick on the original drawing. The new plans indicate a brick front with brick that wraps around to the sides just far enough to cover the drive-thru window.
- The remainder of the building is surfaced in Stucco Panels. The panels will be painted a warm rich tone to complement the brick color palette.
- Three EIFS piers will be added to the West and a portion of the North wall (three on each side).
- EIFS surface will be added to the North West corner of the store.
- Three decorative lights will be added to the three piers on the West wall.

* See Attached Renderings

Per Ordinance No. 445 Zoning, Section 16 Site Plan Review, Subdivision 12 Plan Agreements, "site and building plans shall be valid only for the project in which approval was granted. Construction of all site elements shall be in substantial compliance with the plans and specifications approved by City Council. Changes, modifications, or alterations shall be submitted to the Zoning Administrator for review and referral to the City Council".

RESOLUTION NO. 2016-

A RESOLUTION APPROVING THE MODIFICATIONS TO THE BUILDING APPEARANCE FOR THE GROCERY STORE LOCATED ON THE PROPERTY LEGALLY DESCRIBED AT LOT 1, BLOCK 1, ISANTI COMMONS SECOND ADDITION

WHEREAS, Isanti Holdings, LLC had received approval for a Conditional Use Permit and Site Plan/Building Appearance (Resolution No. 2015-253), for a grocery store (Coborn's) with a pharmacy, gas station/convenience store, car wash, drive-thru and seasonal garden center on October 20th, 2015; and,

WHEREAS, Coborn's has made modifications to the building appearance since the October 20th, 2015 approval by City Council; and,

WHEREAS, revised drawings were submitted by Rice Companies dated July 25th, 2016; and,

WHEREAS, Ordinance No. 445 Zoning, Section 16 Site Plan Review, Subdivision 12 Plan Agreements states that all changes, modifications, or alterations shall be submitted to the Zoning Administrator for review and referral to the City Council; and,

WHEREAS, the City Council was presented with the modifications to the Building Appearance at their regularly scheduled meeting on August 3rd, 2016; and,

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota that Coborn's request for modifications to the approved Building Appearance are hereby approved with the following conditions:

1. The petitioner shall meet the conditions of the original approvals as stipulated within Resolution 2015-253.
2. The exterior changes as outlined in drawing A706 shall be completed prior to the opening of the store.

Adopted by the Isanti City Council on this 3rd day of August 2016.

MEMO

To: Mayor Wimmer & City Council

From: Don Lorsung, City Administrator

Date: July 27, 2016

Subject: Resolution Approving the Use of Securities in Lieu of Retainage for the 2016 Wastewater Treatment Facility Improvements

---

The WWTP Project Contractor, Gridor Construction, has made a request to use pledged securities instead of traditonal retainage for this project (see attached letter). Under this arrangement the Contractor places the customary retainage of 5% of the contract amount in securities (type of security defined by State law) and pledges those to the City. The securities cannot be drawn on by the Contractor, unless released by the City. With the use of securities, the City would not keep 5% retainage from the pay requests from to the Contractor. At the end of the project, the amount of securities pledged are reduced by completion of punch list and final project items. Upon project closeout, the remaining securities are completely released.

With the change in MN Statutes (Year 2000 Session), it is the Contractor's right to use securities versus retainage. This has been verified by the City Attorney and LMC. This has been reviewed by the Finance Committee.

Attached for your consideration is a Resolution that provides parameters and would allow the use of securities by Gridor Construction in lieu of retainage for the 2016 WWTF Improvements.

RESOLUTION No. 2016-XXX

RESOLUTION APPROVING THE USE OF SECURITIES IN LIEU OF RETAINAGE FOR THE 2016 WASTEWATER TREATMENT FACILITY IMPROVEMENTS

WHEREAS, the City has required that 5% of the bid cost of construction be retained from progress payments from construction projects until the project is closed out and all punchlist and final project items are completed; and

WHEREAS, Minnesota Statues Chapter 15.73, allows Contractors at their discretion to provide an alternate form of retainage for construction projects; and

WHEREAS, the contractor for the 2016 Wastewater Treatment Plant Facility Improvements, Gridor Construction, has requested use of an allowed alternate form of retainage in the form of pledged securities, as allowed by law. The contractor is willing to pledge $148,000 (5% of contract amount) to the City of Isanti. This request has been reviewed by the City Attorney and Finance Committee:

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ISANTI, to approve the proposed use of pledged securities by Gridor Construction as retainage for the 2016 Wastewater Treatment Facility Improvements, with the following conditions:

1) The Contractor provides a Letter that provides an account for the City of Isanti from an authorized broker that pledges securities, in a form as authorized by MN Statutes 15.73, in the amount of $148,000 with the following requirements.

    a. Gridor Construction (Depository) shall fund and authorize an account in the name of the City of Isanti, Minnesota (Public Entity) by Wells Fargo Advisors (Broker).
    b. All securities shall be in a form in accordance with State and Federal laws and Statutes. It shall be the Depository's responsibility to comply with that requirement.
    c. All costs and expenses of the safekeeping and handling of the securities shall be borne by the Depository.
    d. All interest accrued in the securities in the account will be credited to the account of the Depository.
    e. At a minimum, quarterly, the Broker shall send to the Public Entity statements regarding the account.
    f. Securities pledged shall not be released without prior written consent of the Depository, as reviewed and approved by the City Administrator.
    g. The Depository is allowed to make substitutions of securities with similar quality and value without first obtaining specific authority form the Public Entity to do so. The Broker shall send to the Public Entity receipts describing any substitution.

h. Upon final completion of all Project duties, in accordance with the contact documents and final approval and acceptance of the project by the Public Entity, the Public Entity agrees to release such securities as remain in the account.
i. In event of Project Default by the Depository, as determined by the Public Entity pursuant to the contract documents, the securities held in the account and the accrued interest thereon shall be released by the Broker to the Public Entity upon its request and without the consent of the Depository.

Adopted by the Isanti City Council this 3rd day of August, 2016.

RE: Wastewater Treatment Facility Improvements Project
Isanti, Minnesota
Bolton & Menk Project No. R13.109638

Dear Mr. Saffert:

Gridor requests to provide the City of Isanti with securities such as bonds owned by the federal government or as required by Minnesota statutes in lieu of retainage. Gridor would be willing to pledge approximately $ 148,000.00 (5% of contract amount) to the City of Isanti. We would make the full pledge as soon as the Owner approves of the securities in lieu of retainage.

Gridor has previously pledged securities with many cities in Minnesota, actually this is our preferred method of retainage in Minnesota. Gridor's preferred agent for the securities would be Wells Fargo Advisors, Minnetonka, Minnesota. We currently own bonds that are approved by the state treasurer in the desired amount. This will be the same process as used on other similar projects in Minnesota cities, such as Aurora, Mankato, St. Francis and Brainerd to name a few.

Enclosed for your convenience are the Minnesota statutes regarding retainage. Also enclosed are samples of the forms used at a similar project in Big Lake, Minnesota. We would like to have this approved prior to our first pay request. Please advise if the owner accepts this proposal of securities in lieu of retainage. Feel free to contact me with any concerns. My direct dial phone number is #763-746-9077 or email me at jason@gridor.com.

Sincerely,

Jason Theisen

Request for City Council Action

To: Mayor Wimmer and City Council Members

From: Sean M. Sullivan, Economic Development Director

Date: August 3, 2016

Subject: **Consider Resolution Authorizing the Execution of Repayment Agreement with J Robinson Construction, Inc for Lot 2, Block 3, Villages on the Rum Common Interest Community Number 6**

On December 1, 2015, the City Council extended the SAC and WAC Deferral program as Resolution No. 2015-289 to help continue to spur development activity. J Robinson Construction, Inc. has requested the City to execute a Repayment Agreement for Lot 2, Block 3, Villages on the Rum CIC No. 6 for the construction of a 1018 square foot single family residential home at 1012Pleaseant View Ct. NW. The business is in "good standing" upon review of the Minnesota Secretary of State Office as of July 26, 2016. The form of the Repayment Agreement is consistent with the form presented on December 1, 2015. The Repayment Agreement will be dated as of the date that the Building Permit is paid for by the Developer. Staff is asking the City Council to consider adoption of the attached resolution and execution of the Repayment Agreement.

City Council Action:

Consider Adoption of Resolution and Execution of Repayment Agreement

Attachments:

1) Resolution 2016-____ Authorization to Execute Repayment Agreement with J Robinson Construction, Inc. for Lot 2, Block 3, Villages on the Rum Common Interest Community Number 6

RESOLUTION 2016-___

Authorization and Execution of Repayment Agreement with J Robinson Construction, Inc. on Lot 2, Block 3, Villages on the Rum Common Interest Community Number 6

WHEREAS, the City of Isanti extended the SAC and WAC Deferral program on December 1, 2015 which is documented by Resolution 2015-289; and

WHEREAS, A boiler plate Repayment Agreement was drafted by Development Attorney Deike and the City Council directed Staff to utilize this agreement for parties interested in SAC and WAC Deferral for commercial or residential development; and

WHEREAS, J Robinson Construction, Inc. (the "Developer") has asked the City to enter into a Repayment Agreement for the property legally described as: Lot 2, Block 3, Villages on the Rum Common Interest Community Number 6 (the "Property"); and

WHEREAS, the Developer has stated the it will be the owner of the Property at the time of execution of the Repayment Agreement; and

WHEREAS, the date of the Repayment Agreement will be when the Developer signs prior to payment of the building permit; and

WHEREAS, the Developer is registered, active and is in good standing with the Minnesota Secretary of State Office as of July 26, 2016.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota authorized the Mayor and City Administrator to execute the Repayment Agreement attached hereto contingent upon satisfactory proof of ownership witnessed in a recorded instrument of conveyance to the Developer.

This Resolution hereby approved by the Isanti City Council this 3rd day of August 2016.

Attest: Mayor George A. Wimmer

Lindsey McInnis
Human Resources / City Clerk

(SEAL)

REPAYMENT AGREEMENT

THIS AGREEMENT, made on or as of the ____ day of August, 2016, by and between the City of Isanti, Minnesota, a statutory City under the laws of the state of Minnesota (hereinafter referred to as the "City") having its principal office at 110 First Avenue N.W., Isanti, Minnesota 55040, and J Robinson Construction, Inc, a corporation under the laws of the State of Minnesota (hereinafter referred to as the "Developer"), having its principal office at 309 Elm Street SW, Isanti, MN 55040.

WITNESSETH:

WHEREAS, the Developer intends to construct a 1018 square foot main floor single family home (the "Improvements") on certain real property (the "Property") in the City; and

WHEREAS, in connection with the construction of the Improvements there are certain water and sanitary sewer charges that are payable by the Developer to the City; and

WHEREAS, the Developer has demonstrated to the satisfaction of the City that the Developer is unable to pay the full amount of the charges now and has asked the City to defer such charges and make them payable at a future point in time; and

WHEREAS, the City believes that the development of the Improvements by the Developer is in the best interests of the City and, therefore, it is willing to defer the charges if doing so will facilitate the development and viability of the Improvements.

NOW, THEREFORE, in consideration of the premises and the mutual obligations of the parties hereto, each of them does hereby covenant and agree with the other as follows:

ARTICLE I

Definitions

Section 1.1. Definitions. In this Agreement, unless a different meaning clearly appears from the context:

"Agreement" means this Agreement, as the same may be from time to time modified, amended, or supplemented.

"City" means the City of Isanti, Minnesota, its successors and assigns.

"County" means Isanti County, Minnesota.

"Deferred Charges" means the utility charges described in Section 3.1 of this Agreement being deferred by the City and which the Developer is obligated to pay in accordance with this Agreement.

"Developer" means J Robinson Construction, Inc., a Minnesota Corporation, its successors and assigns.

"Event of Default" means an action by the Developer listed in Article IV of this Agreement.

"Improvements" means the 1018 square foot main floor single family home to be constructed by the Developer on the Property.

"Property" means the real property described on the attached Schedule A to this Agreement.

"State" means the State of Minnesota.

ARTICLE II

Representations

Section 2.1. Representations by the City. The City makes the following representations as the basis for the undertaking on its part herein contained:

(a) The City is a statutory city duly organized and existing under the laws of the State. Under State law, the City has the power to enter into this Agreement and to perform its obligations hereunder.

Section 2.2. Representations by the Developer. The Developer represents that:

(a) The Developer is a limited liability company duly organized and authorized to transact business in the State, is not in violation of any provisions of its Bylaws or the laws of the State, has power to enter into this Agreement and has duly authorized the execution, delivery and performance of this Agreement by proper action of its President.

ARTICLE III

Deferred Charges

Section 3.1. Deferred Charges. The Developer owes to the City the sum of **$7,983.00** in deferred utility charges. The Deferred Charges consist of **$3,677.00** in Water Connection Charges and **$4,306.00** in Sewer Connection Charges. The City has agreed to defer the payment of the Deferred Charges as described in this Agreement.

Section 3.2. Payment of the Deferred Charges. The Developer agrees that it will pay the Deferred Charges to the City on the earliest to occur of the following:

(a) on the date that is one hundred and twenty (120) days after the date of this Agreement;

(b) on the date that the Developer sells or transfers the Property or Improvements, or any portion thereof; or

(c) on the date that the City issues a certificate of occupancy for the Improvements.

Interest shall accrue on the Deferred Charges at the rate of zero percent (0%) from the date hereof and continuing until the Deferred Charges and all accrued interest have been paid in full.

Section 3.3. Payment of Costs. The Developer shall pay all costs incurred by the City in connection with the preparation and implementation of this Agreement and related documents, including, without limitation, fees of attorneys related the preparation of this Agreement and related documents, if the Developer fails to complete construction of the Improvements within one hundred and twenty (120) days after the date of this Agreement.

ARTICLE IV

Events of Default

Section 4.1. Events of Default Defined. The following shall be "Events of Default" under this Agreement and the term "Event of Default" shall mean, whenever it is used in this Agreement (unless the context otherwise provides), any one or more of the following events:

(a) Failure by the Developer to pay when due any payments required to be paid under this Agreement.

(b) The Developer of the following: (i) file any petition in bankruptcy or for any reorganization, arrangement, composition, readjustment, liquidation, dissolution, or similar relief under United States Bankruptcy Laws or any similar Federal or State Laws; or (ii) make an assignment for the benefit of its creditors; or (iii) admits, in writing, its inability to pay its debts generally as they become due; or (iv) be adjudicated, bankrupt or insolvent.

Section 4.2. City's Remedies on Default. Whenever any Event of Default by Developer referred to in Section 4.1 of this Agreement occurs, the City may take any one or more of the following actions after providing ten (10) days written notice to the Developer of the Event of Default, but only if the Event of Default has not been cured within said ten (10) days:

(a) Declare the entire outstanding balance of the Deferred Charges immediately due and payable.

(b) Terminate this Agreement.

(c) Take whatever action, including legal, equitable or administrative action, which may appear necessary or desirable to the City to collect any payments due under this Agreement, or to enforce performance and observance of any obligation, agreement, or covenant of the Developer under this Agreement.

Section 4.3. No Remedy Exclusive. No remedy herein conferred upon or reserved to the City or Developer is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Agreement or now or hereafter existing at law or in equity or by statute. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the City or the Developer to exercise any remedy reserved to it, it shall not be necessary to give notice, other than such notice as may be required in this Article IV.

Section 4.4. No Additional Waiver Implied by One Waiver. In the event any agreement contained in this Agreement should be breached by either party and thereafter waived by the other party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other concurrent, previous or subsequent breach hereunder.

Section 4.5. Costs of Enforcement. Whenever any Event of Default occurs and the City shall employ attorneys or incur other expenses for the collection of payments due or to become due or for the enforcement of performance or observance of any obligation or agreement on the part of the Developer under this Agreement, the Developer agrees that it shall, within ten (10) days of written demand by the City, pay to the City the reasonable fees of such attorneys and such other expenses so incurred by the City.

ARTICLE V

Additional Provisions

Section 5.1. Representatives Not Individually Liable. No member, official, or employee of the City shall be personally liable to the Developer, or any successor in interest, in the event of any default or breach or for any amount which may become due to Developer or successor in interest or on any obligations under the terms of this Agreement.

Section 5.2. Titles of Articles and Sections. Any titles of the several parts, Articles, and Sections of the Agreement are inserted for convenience of reference only and shall be disregarded in construing or interpreting any of its provisions.

Section 5.3. Notices and Demands. Except as otherwise expressly provided in this Agreement, a notice, demand, or other communication under the Agreement by either party to the other shall be sufficiently given or delivered if it is dispatched by registered or certified mail, postage prepaid, return receipt requested, or delivered personally; and

(a) in the case of the Developer, is addressed to or delivered personally to J Robinson Construction, Inc. at 309 Elm Street SW, Isanti, MN 55040; and

(b) in the case of the City, is addressed to or delivered personally to the City at 110 First Avenue N.W., P.O. Box 428, Isanti, Minnesota 55040,

or at such other address with respect to either such party as that party may, from time to time, designate in writing and forward to the other as provided in this Section.

Section 5.4. Disclaimer of Relationships. The Developer acknowledges that nothing contained in this Agreement nor any act by the City or the Developer shall be deemed or construed by the Developer or by any third person to create any relationship of third-party beneficiary, principal and agent, limited or general partner, or joint venture between the City and the Developer or any third party.

Section 5.5. Modifications. This Agreement may be modified solely through written amendments hereto executed by the Developer and the City.

Section 5.6. Counterparts. This Agreement may be executed in any number of counterparts, each of which shall constitute one and the same instrument.

Section 5.7. Judicial Interpretation. Should any provision of this Agreement require judicial interpretation, the court interpreting or construing the same shall not apply a presumption that the terms hereof shall be more strictly construed against one party by reason of the rule of construction that a document is to be construed more strictly against the party who itself or through its agent or attorney prepared the same, it being agreed that the agents and attorneys of both parties have participated in the preparation hereof.

IN WITNESS WHEREOF, the City has caused this Agreement to be duly executed in its name and behalf and the Developer has caused this Agreement to be duly executed in its name and behalf on or as of the date first above written.

MEMO

To: **Mayor Wimmer and City Council Members**

From: Lindsey McInnis, Human Resources/City Clerk

Date: July 28, 2016

Subject: Consider Acceptance of Resolution Approving the Authorization of Retaining Services from David Drown Associates, Inc. for Finance Director Recruitment Search

---

Background:
The City of Isanti's Finance Director position has been vacant since March 2016. The vacant position has been posted on two separate occasions. First, in March 2016 and second in June 2016. Both recruitment processes did not yield candidates that staff was confident would provide the qualifications the City needs in this role. Staff has expanded our advertising efforts, in a much larger capacity than has been used in the past, and still has not obtained a satisfactory candidate pool. Personnel Committee has discussed the option of using a Recruiting Firm to assist in the candidate search. Per Personnel Committees direction, the Human Resource/City Clerk obtained quotes and proposals from three recommended Recruiting Firms. After discussions with each firm, one final representative was brought in to discuss in further detail regarding the search process.

Recommendation:
The Personnel Committee recommends retaining services from Mr. Gary Weiers with David Drown Associates, Inc. It is recommended to obtain the service with a two-year guarantee, which results in a cost of $16,000. The cost would be budgeted from the General Fund account.

City Council Action Requested:
Acceptance of Resolution Authorizing Staff to Retain Services from David Drown Associates, Inc. for Finance Director Recruiting Services

Ms. Lindsey McInnis
Human Resources/City Clerk
City of Isanti
110 1st Ave NW.
Isanti, MN 55040

Dear Ms. McInnis,

David Drown Associates (DDA) is pleased to submit a proposal to assist the City of Isanti with the search for your next Finance Director. Our firm has extensive experience with local governments, and we thoroughly understand the complexities faced by City Councils in Minnesota.

We are committed to providing the most professional service and making sure our clients receive the services they want and need. DDA is a small firm by design. We do not have a vast organizational hierarchy to support, and, as a result, we are able to provide cost effective services to our clientele.

The attached proposal includes several elements that set us apart in our approach to providing this service. Highlights include:

- Knowledge: Our firm comprehensively understands local government in Minnesota, especially in greater Minnesota.
- Communication: We will be on site 3-5 times throughout the search process and will provide weekly email updates to the City Council throughout the process.
- Adherence to deadlines: When the Council adopts a deadline, DDA will meet it.
- Background check process: Instead of doing a comprehensive background check on a single finalist, we do a comprehensive background and reference check on all finalists interviewed by the Council.
- Work Personality Index: Each finalist will receive a Work Personality Index, and the Council will receive a full report of the results on each person.
- Intellectual Profile: Each finalist will receive an intellectual profile
- Our approach is fresh and uniquely focused on meeting your individual needs.

Thank you for your consideration.

Sincerely,

Gary Weiers

Gary Weiers

- Assurance

Description of the Firm

For 18 years, David Drown Associates (DDA) has provided Financial Solutions, Tax Increment Financing, Economic Development, Strategic Planning, Executive Searches, and other services to cities and counties throughout Minnesota. With over 435 local government clients, we have a deep understanding of the workings of local government in Minnesota. We are currently in various stages of searches for the Cities of Baxter, Lake City, Motley, and Willmar Municipal Utilities. A list of completed searches from the past two years is included later in the proposal.

Approach to the Process

Our approach to this search will be to focus on finding the best fit for the City of Isanti. This is accomplished, first and foremost, by listening to what you are saying, understanding your goals and objectives, and building the search process off of that foundation.

After gathering background information, we comprehensively advertise the position and make sure that the posting gets into the hands of prospective candidates. In some cases, those persons are not active job seekers, so we will make every effort to find those folks through direct outreach efforts.

After the posting closes, an analysis of candidates will occur with designated staff or a hiring committee. Once finalists are selected, they will be fully researched, and all necessary hiring information will be available prior to the City Council making a decision.

Communication is a high priority. In addition to Gary Weiers being on site regularly, the City Council will receive weekly email updates, and he will always be available for questions.

GARY WEIERS

Our team will be led by Gary Weiers. He joined DDA in 2013 after completing over 20 years of county government management experience, the last 11 years as County Administrator in Rice County. Prior to becoming Administrator, Gary served as the Social Service Department Director in Rice County, and worked as a Social Service Supervisor in Mower and Sherburne Counties. Gary received his bachelor's degree from the University of St. Thomas, and has honed his skills by working his way up from an entry level social worker position to be the head of a $50 million organization with over 350 employees.

Gary will be assisted by firm President David Drown, but the vast majority of work will be directly performed by Gary. It is likely that Gary will be the only person from DDA that you will see throughout the course of the search. In addition to conducting executive searches, Gary has done work with communities on sharing services, organizational analysis, strategic planning, and other management related work.

"Gary Weiers has done a fantastic job for us. He communicated with us throughout the process and kept it moving forward. Gary fit in with our culture immediately and helped make this very important process fun."

-Steve Stotko
Mayor of Winsted, Minnesota

DAVID DROWN

David Drown is the President of DDA and founded the company 18 years ago to provide a wide array of services in a cost effective, efficient and professional manner, and to enhance the quality of services to cities and counties in Minnesota.

The vast majority of our work is done in outstate Minnesota, and as a result, we have a deep understanding of the unique needs of cities throughout Minnesota. David will lend professional support and input where needed.

TENTATIVE TIMELINE

This timeline is tentative. The final timeline will be set after the City Council's decision to proceed.

ITEM	TASK	COMPLETION DATE
Council decision to proceed		August 3, 2016
Information gathering	♦ Meet individually with City Council or Personnel Committee members ♦ Meet with Administrator ♦ Gather all pertinent background information ♦ Gather salary information and review job description	August 10, 2016
Advertisement	Develop a position profile	August 17, 2016
Approve advertisement	City designated person or committee approves profile	August 22, 2016
Candidate recruitment	♦ Post position immediately upon approval of profile ♦ Comprehensively advertise ♦ Email and phone calls to prospective candidates	August 23– September 20, 2016
Screening and selection of finalists	DDA with City Administrator and Personnel Committee will screen each applicant and select candidates for interviews.	September 21, 2016
Background check of all finalists selected for interviews	Includes: ♦ Criminal background: county, state, national ♦ Sex offender registry ♦ Social Security number verification ♦ Employment and education verification ♦ Credit Check	October 5, 2016
Reference check on all finalists	DDA will conduct reference checks with current and former employers on all finalists	October 5, 2016
Personality index	DDA will administer a work related personality index to all finalists	October 5, 2016
Intellectual profile	DDA will administer an intellectual profile measuring verbal reasoning, mathematical and logical reasoning, and overall mental aptitude	October 5, 2016
Presentation of finalists	DDA will present the Personnel Committee or Council the following information: ♦ Summary of references ♦ Results of background checks ♦ Personality index reports ♦ Resumes, etc.	October 11, 2016
Interviews	DDA will prepare all interview materials and be present at all interviews and other functions. It is recommended that interviews be at a special meeting	October 18, 2016
Decision	Personnel Committee or City Council will select candidate for offer	October 19, 2016
Offer and agreement	DDA will negotiate agreement with selected person	October 20, 2016
Projected start date	New Finance Director begins	November 21, 2016
Follow up	DDA will follow up periodically with the new Finance Director	November 2017

PROCESS DETAILS

Step 1: Information Gathering

DDA will gather all pertinent background information regarding the position and meet individually with each member of the Personnel Committee, the City Administrator, and others determined by the City.

Step 2: Development of Position Profile

DDA will develop a position profile for the position. A draft will be presented to the City Administrator and Personnel Committee for consideration and approval prior to advertising.

Step 3: Advertisement and Recruitment

DDA will comprehensively advertise the position and make direct contact with possible candidates who are not active job seekers. Some of the places that the position will be advertised include: League of Minnesota Cities, the Minnesota Clerks and Finance Officers Association, Minnesota Association of City/County Managers, Minnesotaworks.net, Minnesota Government Finance Officers Association, MN Association of CPA's, the Association of Minnesota Counties, and municipal associations in Iowa, Wisconsin, North Dakota, and South Dakota. Advertisement will also be done in local newspapers as directed by the City.

Step 4: Initial Screening and Review

DDA with the City Administrator and Personnel Committee will complete an analysis of every application received. The Administrator and Personnel Committee will select finalists for interviews.

Step 5: Selection

After the finalists are determined, DDA will complete comprehensive background screenings including criminal history, employment history, verification of education, driver's license review, credit check, and other items. All finalists will complete a position specific questionnaire that will be shared with the Council. Along with background checking all finalists, we will check employment references on each person. Simultaneously, we will administer a work oriented personality index and Intellectual profile. This information can prove very helpful in determining the right fit for the City of Isanti.

Prior to the final interview, the Personnel Committee or City Council will receive a report including resumes, a summary of initial interviews, background check results, reference information, intellectual profile and a work personality report.

Also, DDA will prepare questions and participate fully in all interviews and other activities the City determines appropriate.

Step 6: Offer

After interviews are complete, we will assist the Personnel Committee or City Council with deliberations and facilitate the offer to the selected candidate. We will negotiate the terms with the candidate based on the parameters established by the City Council.

List of Search Clients From the Past Two Years

Entity	Type of Search	Entity	Type of Search
Rice County, MN	Administrator	City of Marshall, MN	Administrator
City of Fergus Falls, MN	Administrator	City of Northfield, MN	Administrator
City of Winona, MN	Manager	City of Lake City, MN	Administrator
City of Willmar, MN	Administrator	City of Montrose, MN	Clerk/Treasurer
Jackson County, MN	Coordinator	City of Pequot Lakes, MN	Administrator
Winona County, MN	Administrator	City of Little Falls, MN	Administrator
City of Winsted, MN	Administrator	Steele County, MN	Administrator
City of Northfield, MN	Engineer/PW Director	City of Cokato, MN	Administrator
City of Cokato, MN	Clerk	City of Howard Lake, MN	Administrator
Chippewa County, MN	Family Services Director	Pope County, MN	Coordinator

In addition to the specific references listed on the following page, the City of Isanti is encouraged to speak with any of the entities listed above.

DDA is currently conducting searches for the Cities of Baxter, Lake City, Motley, and Willmar Municipal Utilities

Fees

This proposal represents a full service Finance Director search. The fee for the search process is $16,000. This all-inclusive fee covers professional services and all expenses including travel, advertising, personality index, intellectual profile background checks on all finalists, etc.

Assurance

If during the first 24 months of employment the newly hired Finance Director leaves the organization, DDA will complete another search without professional service fees. Only actual expenses will be billed to the City.

RESOLUTION NO. 2016-XXX

RESOLUTION APPROVING THE AUTHORIZATION OF RETAINING SERVICES FROM DAVID DROWN ASSOCIATES, INC. FOR FINANCE DIRECTOR RECRUITMENT SEARCH

WHEREAS, the City of Isanti has had a vacancy in the Finance Director position since March 2016; and,

WHEREAS, with two separate recruitment processes the City has been unsuccessful in obtaining a qualified candidate pool; and,

WHEREAS, the Personnel Committee reviewed this matter and recommends using the services of a recruitment firm; and,

WHEREAS, the top recruitment firm that has been selected to conduct this search was Mr. Gary Weiers with David Drown Associates, Inc.; and,

WHEREAS, the cost of the executive search process is $16,000 with a guarantee of services; and,

WHEREAS, the Personnel Committee recommends retaining service with David Drown Associates, Inc.

NOW THEREFORE BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ISANTI, MINNESOTA that Staff is authorized to retain services from Mr. Gary Weiers with David Drown Associates, Inc. and is to begin the executive search as soon as possible upon approval. Funding for these services shall come from the General Fund.

This resolution was duly adopted by the Isanti City Council this 3rd day of August, 2016.

Attest:

_____
Mayor George A. Wimmer

MEMO

To: **Mayor Wimmer and City Council Members**

From: Lindsey McInnis, Human Resources/City Clerk

Date: July 29, 2016

Subject: Restructuring of Positons

Background:
At the April 5th, 2016 City Council meeting, the Organizational Staffing Plan Chart was discussed and approved. Within that Organization Staffing Chart was the restructuring of three positions set to occur in 2017. Those positions are: moving the current Accounting Clerk position to Assistant Finance Director, moving the currently Utility Billing Clerk position to Utility Billing/Accounting Clerk and moving the current Receptionist/Data Entry/Utility Clerk to Receptionist/Utility Billing Clerk. With the continuous growth of responsibilities within the Finance/Administration department the Personnel and Finance Committee finds that it would be in the best interest of the City to enact this restructuring sooner rather than later. Also, with the recent resignation of our current Accounting Clerk, JoAnn Welcome the Personnel Committee recommended the restructure prior to filling any vacancy. The restructuring of the positions will involve more cross training, and know-how of each position, as well as more shared responsibilities between the positions.

Restructuring of Positions:
The Finance Committee is proposing with the restructuring of the new Assistant Finance Director, Utility Billing/Accounting Clerk and Receptionist/Utility Billing Clerk that there is also restructuring of job points and salary ranges to reflect these changes.

Points are determined using the Minnesota State Job Match/Job Evaluation System from Minnesota Management and Budget. The evaluation system focuses on the responsibilities of know-how, problem solving and accountability skills required to do the job. The determination of points takes into consideration the split of positions and job responsibilities, as well as the expected percentage of time tasks take throughout a typical work day. The salary scales were adjusted to most accurately fit within the City of Isanti pay schedule with the new job points, while reflecting comparable market value.

The Personnel Committee discussed the role of the Accounting Clerk and the added responsibilities as it relates to assisting the Finance Director. The committee believes these job responsibilities should be reflected within the job description, and that appropriate job title, job points and salary range are necessary.

The current Accounting Clerk has the following job points and salary range:
Accounting Clerk
Points: 183
Range: $42,053.40 - $51,920.67

Proposed Assistant Finance Director
Points: 233
Range: $46,048.47-$56,853.14

The current Utility Billing Clerk position was discussed, and with the significant increase in accounts payable, as well as the added growth that the City has had, has resulted is additional work within the Accounting Clerk (new Assistant Finance Director) position. The intent of having individuals cross trained throughout this area, and evening out the workload of the accounting area results in increasing the responsibilities of the Utility Billing Clerk position. The new Utility Billing/Accounting Clerk position will be responsible for providing direct assistance to the Assistant Finance Director on a daily basis and performing those job duties in their absence.

The current Utility Billing Clerk has the following job points and salary range:
Utility Billing Clerk
Points: 152
Range: $34,569.04 - $42,680.22

Proposed Utility Billing/Accounting Clerk
Points: 173
Range: $37,680.26-$46,521.43

Finally, the current Receptionist/Data Entry/Utility Clerk position was evaluated. As the Utility Billing/Accounting Clerk position will be accepting additional responsibilities, more Utility Billing tasks will be provided to the Receptionist. The City's intention is the have cross training and the ability to have these three aforementioned positions fill in and support one another as needed. The previous Receptionist/Data Entry/Utility Clerk previously had some minor Utility Billing responsibilities, but the new Receptionist/Utility Billing position will take on additional responsibilities within the Utility Billing area.

The current Receptionist/Data Entry/Utility Clerk has the following job points and salary range:
Receptionist/Data Entry/Utility Clerk
Points: 144
Range: $33,338.26-$41,160.65

Proposed Receptionist/Utility Billing Clerk
Points: 150
Range: $34,671.79-$42,807.07

The recommended changes to the job points and salary ranges for the aforementioned positions are attached as 'Exhibit A' to the proposed resolution.

The recommended changes to the job descriptions for the aforementioned positions are attached as 'Exhibit B' to the proposed resolution.

Recommendation:
The Finance and Personnel Committees recommend the approval of the restructuring of the Assistant Finance Director, Utility Billing/Accounting Clerk and Receptionist/Utility Billing positions along with the revised job points, job descriptions and salary ranges.

CITY OF ISANTI
JOB DESCRIPTION

JOB TITLE:	Assistant Finance Director
DEPARTMENT:	Administration
SUPERVISION:	Finance Director
EFFECTIVE DATE:	July 28, 2016
FLSA STATUS:	Non Exempt
HOURS WORKED:	40 hrs./wk.

DEFINITION:
The Assistant Finance Director is responsible for the daily accounting functions of the City that include but are not limited to account payables, account receivables, payroll, reports, and other various accounting duties. The Assistant Finance Director assists the Finance Director with the ongoing operations of the Finance Department. Work is performed with considerable independence, under the general supervision of the Finance Director, and is reviewed through meetings, reports, and results obtained.

SUPERVISION RECEIVED:
Works under the general supervision of the Finance Director.

SUPERVISORY FUNCTIONS:
None.

EQUIPMENT/JOB LOCATION:
Works from an office in City Hall. Equipment used includes, but is not limited to, personal computer, calculator, printer, fax machine, and copy machine.

ESSENTIAL FUNCTIONS OF THE JOB:
General Accounting

- Perform daily accounting functions pertaining to receivables and payables
- Process all weekly, monthly, quarterly, and year-end reports
- Prepares and records bank deposits
- Directs the preparation of internal monthly financial reports
- Processes monthly billing as needed

Payroll

- Performs all payroll functions
- Bi-weekly payroll processing
- Quarterly payroll processing
- Bi-weekly reports/treasurer deposits
- Prepares Quarterly Reports
- Prepares all required state and federal payroll reports on a quarterly and annual basis, including any 941's, W-2's, 1099's, PERA and State Withholding reports
- Responsible for all other payroll functions

OTHER DUTIES AND RESPONSIBILITIES

- Keeps Finance Director promptly informed of all significant matters affecting the department; attends meetings related to duties as required
- Performs the duties of Finance Director in the latter's absence
- Assists in the preparation of city budget work papers, balances and final budget report
- Assists in the implementation of additions to the financial system including accounts receivable, cash receipts, cash management, fixed assets, check management and others as needed.
- Participates in the annual external audit by assisting in the reconciliation of any discrepancies and adjustments of journal entries as needed
- Assists in providing work direction to Utility Billing/Accounting Clerk and the Receptionist/Utility Billing as needed
- Works in close association with the Finance Director, the Utility Billing/Accounting Clerk and Receptionist/Utility Billing Clerk
- Performs other related duties as assigned or apparent.
- Maintains records as related to the position's responsibilities

KNOWLEDGE/ABILITIES/SKILLS

- Possess excellent written and oral communication and interpersonal skills as applied to interaction with coworkers, supervisor, the general public, etc. sufficient to exchange or convey information and to receive work.
- Knowledge and ability of use of computers and computer software that includes Banyon, Civic Systems, Excel, Word and other software applications used in municipal government.
- Ability to prepare reports and correspondence.
- Ability to read and interpret documents; including knowledge of English grammar, spelling and usage.
- Comprehensive knowledge and understanding of municipal finance and accounting principles and functions
- Knowledge of State and Federal law pertaining to position.
- Knowledge of general payroll principles.
- Knowledge and ability to maintain files and records.
- Ability to understand and follow both written and oral instructions.
- Ability to produce quantity, quality and accurate work.
- Ability to organize work and utilize work time productively and multi-task.
- Ability to work well in a fast-paced environment.
- Possess a positive attitude.
- Knowledge of general office procedures, policies, and methods.
- Possession of effective problem solving and analytical skills.
- Ability to concentrate and use reasoning and good judgment.
- Ability to perform essential functions during required hours of work.

PHYSICAL DEMANDS

The physical demands described herein are representative of those that must be met by an employee to successfully perform the essential functions of this position.

- The employee is frequently required to sit and talk or hear, use hands to finger, handle or feel objects, tools, or controls; and reach with hands and arms.
- Considerable ability to use large motor skills which include standing, walking, and climbing stairs during the workday.
- Considerable ability to use fine motor skills to manipulate objects requiring manual dexterity.
- The employee will lift and/or move up to 50 pounds for tasks such as folding tables, desk furniture, and setting up rooms for meetings carrying supply boxes and file drawers.
- Specific vision abilities required by this position include close vision, distance vision, peripheral vision and ability to focus as it relates to such tasks as reading, processing paperwork, overseeing public activities, computer deskwork, etc.

MINIMUM REQUIREMENTS

- Two year degree in accounting or closely related field.
- At least 2 – 4 years experience in the accounting field; preferable in municipal government.
- Familiarity with general municipal accounting functions
- Experience with various software computer programs and demonstrated proficiency with computer applications including Word processing and Excel spreadsheets
- Experience in an office setting and dealing with the public
- Ability to effectively communicate verbally and in writing

DESIRED QUALIFICATIONS:

- Bachelor's Degree in accounting or related field plus two years of governmental accounting; or any combination of work experience and education equivalent to the above
- Experience preparing or auditing comprehensive financial reports

NON-DISCRIMINATION STATEMENT

The City of Isanti will not discriminate against any employee or applicant for employment because of race, color, creed, religion, national origin, sex, disability, age, marital status, sexual orientation status with regard to public assistance, or any other legally protected class or status.

(The examples given above are intended only as illustrations of various types of work performed and are not necessarily all-inclusive. This position description is subject to change as the needs of the employer and requirements of the position change. The City of Isanti reserves the right to change and/or eliminate any and all job duties if needed).

RESOLUTION NO. 2016-XXX

RESOLUTION APPROVING THE RESTRUCTURING OF THE ASSISTANT FINANCE DIRECTOR, UTILITY BILLING/ACCOUNTING CLERK, AND RECEPTIONIST/UTILITY BILLING CLERK POSITIONS (REVISED JOB DESCRIPTIONS, POINTS AND SALARY RANGES)

WHEREAS, the job responsibilities within the Administrative/Finance department have continuously developed over the years; and,

WHEREAS, as a result the position of Accounting Clerk, Utility Billing Clerk and Receptionist/Data Entry/Utility Clerk responsibilities have changed; and,

WHEREAS, per the approved Organization Staffing Plan for 2016-2020 the three above mentioned positions were proposed to change in 2017; and,

WHEREAS, Personnel Committee had discussed implementing the proposed 2017 changes sooner due to recent departmental changes; and,

WHEREAS, the Personnel Committee has reviewed this matter and recommends the restructuring to the positions of Assistant Finance Director, Utility Billing/Accounting Clerk and Receptionist/Utility Billing.

NOW THEREFORE, BE IT RESOLVED by the City Council of the City of Isanti, Minnesota as follows:

1) The revised point totals and salary ranges for the Assistant Finance Director, Utility Billing/Accounting Clerk and Receptionist/Utility Billing positions change to the proposed point totals and ranges attached hereto as 'Exhibit A'.
2) The revised job descriptions for the Assistant Finance Director, Utility Billing/Accounting Clerk and Receptionist/Utility Billing positions change to the proposed job descriptions attached hereto as 'Exhibit B'
3) Current Assistant Finance Director, JoAnn Welcome remains at current step 7 within the new salary range and that the new salary range becomes effective August 4, 2016 until her retirement date of October 14, 2016.
4) Current Utility Billing/Accounting Clerk, Shayna Forster will accept the promotion to Assistant Finance Director, in lieu of JoAnn Welcome's resignation per the attached resolution.
5) Current Receptionist/Utility Billing Clerk will remain at current Step 7 within the new salary range and that the new salary range becomes effective August 4, 2016.

AND FURTHERMORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota the following:

1) Human Resources/City Clerk is directed to fill the position of Utility Billing/Accounting Clerk immediately.
2) That Human Resources and the City Administrator are authorized to complete all required documentation for the completion of this restructure.

This resolution was duly adopted by the Isanti City Council this 3rd day of August, 2016.

Attest:

Mayor George A. Wimmer

Lindsey McInnis
Human Resources/City Clerk

(SEAL)

RESOLUTION NO. 2016-XXX

RESOLUTION OFFERING THE POSITION OF ASSISTANT FINANCE DIRECTOR TO SHAYNA FORSTER

WHEREAS, the City is in need of an Assistant Finance Director to replace Ms. JoAnn Welcome; and,

WHEREAS, the Personnel Committee reviewed this matter and recommends promoting Ms. Shayna Forster to be the new Assistant Finance Director; and,

NOW THEREFORE BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ISANTI, MINNESOTA AS FOLLOWS:

1. That Shayna Forster is promoted to Assistant Finance Director effective August 4, 2016.
2. That Forster be placed at Step 6 of the new pay range at $26.47 per hour.
3. Human Resources and the City Administrator are authorized to complete all required documentation for the completion of this promotion.
4. Human Resources/City Clerk is authorized to fill the vacant position of Utility Billing/Accounting Clerk immediately.

This resolution was duly adopted by the Isanti City Council this 3rd day of August, 2016.

Attest:

Mayor George A. Wimmer

Lindsey McInnis
Human Resources/City Clerk

CITY OF ISANTI
PARKS, RECREATION, AND CULTURE BOARD
MEETING MINUTES
May 24, 2016
City Council Chambers

1. Meeting Opening.

A. Call to Order.
Garvey called the meeting to order at 6:00 p.m.

B. Pledge of Allegiance.
Everyone stood for the Pledge of Allegiance.

C. Roll Call.

Members Present:	Jamie Bergwick, Jennifer Garvey, and Mayor Wimmer
Members Absent:	Aaron Zdon (Gave Prior Notice)
Staff Present:	Katie Everett, Community Events and Parks Coordinator

D. Agenda Modifications.
Garvey asked if there were any agenda modifications. There were none.

Motion by Wimmer, second by Bergwick to approve the May 24th 2016 Parks, Recreation, and Culture Board Agenda. Motion was unanimously approved.

2. Approval of Minutes from April 26, 2016 Parks, Recreation and Culture Board Meeting.

Motion by Wimmer. Second by Berwick. Vote was unanimously approved.

3. Parks Tour Follow Up

Everett stated that safety concerns were addressed the following day by Public Works.

Public Works knows about the grills at Tot Lot and VFW Park and will move them as they find time.

Rum River Meadows was cleaned up the next day, the picnic has been moved back to the grass but has been moved again. Bergwick commented that they are constantly being moved.

Everett stated that we have verbal approval to stop traffic at the end of the pavement at Legacy Park but are still waiting to get written approval before we can move on installing gates. The police have been in the park doing good things. Wimmer explained that there have been a couple of arrests, a vehicle has been impounded, numerous other arrests for minors drinking, smoking, and using drugs. He was sad to see the vandalism that has taken place to the tables and trees in the park. Garvey has noticed a big improvement already.

Everett explained the Bluebird climbing equipment is down now and the new part has been ordered. The company we order through will be putting it back together. Wimmer explained that Council appropriated funds to pay for the repair so it did not take up all of the park budget. Garvey asked if other companies were approached and Everett said yes, but they all referred us back to the original company for liability reasons. The company did agree to make sure the part works before we pay for it. Garvey asked if we have gotten calls about it yet, and Everett said that she wasn't aware of any so far but anticipates them coming in with school picnics and other summer use starting up.

Everett explained that the Redbirds agreement is settled. It has been signed and they will be providing insurance and paying for lights.

Everett stated that she did find examples of other stencils for Bluebird Park. Fast Line offers a similar stencil for less than Fit and Fun Playscapes. Garvey asked to discuss the stencils. She preferred the Fit and Fun option, although it was the most expensive. Bergwick stated that the animal prints are fun for the little kids, but the Fit and Fun one will get more use. Garvey stated that it's more geared toward activity, Bergwick stated that it can also be used in a variety of locations. Garvey made a motion to purchase the Fit and Fun Nature Activity Circuit if funds allow; Bergwick seconded. It was approved unanimously.

Everett discussed the 2015 City Park Facts report by the Trust for Public Land in response to a discussion on the tour about best practices that cities should follow for their park systems. The report compares big cities on how much money they've invested in their parks and where they put their parks, but then they adjust them back so the cities are comparable to each other. It looks like there is a service that can be contracted to come out and rate your city. Even without paying for that, we can use the report to get an idea for how we're doing. Garvey stated that it is good information as a baseline.

4. Rename Tot Lot

Everett explained that "Tot Lot" isn't very descriptive for what the park offers and a new name might help it get used more. Garvey asked if all previous parks had been named through a contest; Wimmer explained that they have been named in many different ways. Garvey stated that she looked at the streets around the park for a name, but we don't want to name it Dogwood in order to make sure it isn't confused for a dog park. Everett asked if we could direct a naming contest to somewhere in particular instead of just an open to the public contest. Wimmer stated that it has been done before and wasn't very successful. There is a policy in place for naming parks, and he would like to see the public involved. Garvey asked if it could go into the Fall Isantian to advertise the contest and then by January 1 have something solidified. Wimmer explained the last time something like that had been done was for the Parks logo, and components from three different ideas were combined for the final product. Wimmer stated that it can also be advertised at the Farmer's Market. We will need to figure out if there will be a prize or not – Garvey stated that she doesn't think a prize is necessary beyond Council recognition and picture opportunity. Wimmer stated that it will tie in nicely with the history project of getting plaques at each of the parks stating their histories.

Wimmer made a motion to recommend that Council authorize a public naming contest for Isanti Tot Lot. Garvey seconded. Unanimously approved. Everett will ensure that it complies with the policy.

5. Parks Updates

Everett explained that there are lots of things happening now that summer is starting. The Grand Opening event was on Saturday; it was a fun event. We didn't see a lot of new people at the event to register for more plots, but everyone who was there had a great time. The master gardeners were there answering questions for people. Wimmer stated that the earlier meeting with all of the gardeners went really well and the garden is coming together very nicely. Everett stated that the unrented plots are marked so people can see them and decide which ones they want.

Busy Bees is coming up. There is not any one signed up at this point. Sunrise Apiaries will come out to show the different ways bees use the chambers in their hives. Participants will also make mason bee homes. Mason bees are solitary bees who like to find nooks and crannies, so we'll make a bundle of bamboo where they will come to live. Bergwick stated that Fleet Farm sells bee houses; Everett stated that it's the same idea, but you can make them yourself. The program is at 1:00 at the garden and

registration is required so we can get materials and because we have someone else coming to teach they'll know if we have any participants. Nature Detectives is the same morning – June 4 at 9:00.

Street Dances are coming up – we have banners and posters in hand for all three events. A banner will go up next week. Newspaper ads will be run as well, around June 1st an ad will be run with all three and then a week before each event we'll put one in for each specific dance. The events are also on Facebook. If people interact with the events they will get reminders on the events as well.

Farmer's Market starts on Friday. The market is averaging about 11 vendors with who is signed up so far. Our bags are in, and they will be handed out for free throughout the season. The sponsorship on the bags is updated this year. The program is called Cultivate Wellness and includes the community garden and farmers market since they fit well, they're all the same mission of getting people healthy food and active lifestyle themes. People were really excited to see the new sponsorship program.

The community garden is open for planting and people have started. It looks great. A lot of people who have three plots already, which is the max for this year, want more. They are waiting until June 1st when registration closes and then will come back to get more. Everett checked just before the meeting and there are 38 plots reserved now. Public works will cover the unused plots with straw. Everett is planning to plant baby pumpkins in the section set aside for future use. She will do this as soon as she can, weather permitting. School For All Seasons is also scheduled to go out and start planting this week in the garden; the Minnesota Center is going to be going out this week to start planning what their prairie experiment will look like.

The other construction work at River Bluff is going really well. Everett spoke with Jason from Bolton and Menk and it looks like the projects are on schedule to be done on time, if not sooner. The stairs look awesome, and there's just a little erosion control left to be done on the switchback trail. Wimmer stated that the railing will need to go on the stairs, but it looks great so far and they've done a really good job. He shared that there is one family who lived in the area for 5 or 6 years who didn't know what was back in that area and have now been able to see it and that has been really cool. Everett shared that the bridge is being used every day – people are fishing off of it, sitting on it, etc. and Public Works has installed the gates so no one can drive anything on it. Garvey asked if there are signs directing people back through the park. Wimmer explained that we are working on getting maps made; Everett explained that it is easy to follow the trails back at this point. Everett asked if we wanted to take a Park Board trip to the park; Wimmer stated that once the Park Board is full again we should do it.

6. BMX position - Council Appointment

Wimmer explained Mr. Zdon is technically the current appointee to the Rum River BMX Board, but has apparently not been able to fulfill this, and there have been a lot of interesting situations recently with the association; and in meeting with the track operator had stated that at this point we need to make it a council appointment to make sure we're getting that communication. There has been a complete breakdown of communication of what's supposed to be happening and not, he [the track operator] and the mayor agreed that it would be a great thing to do. Wimmer will make that appointment probably by the second council meeting in June. He also notified the Park, Rec and Culture Board that we have had to send a certified letter, Rum River BMX has not provided their financials from this year nor last year. Garvey asked if they were automatically supposed to do that. Wimmer explained that May 1st was the date picked by the association during the negotiation of the contract. At this point we unfortunately have to enforce the contract, Wimmer had been in contact with the track operator several times and dates when the financials were promised have now passed. He explained that the real world consequence is that the city is having a bond meeting for new work being done on the sanitary sewer system. We need to be able to prove that the group using the facility will be able to pay for the existing bond; at this point we can't do that. Wimmer hopes that he will be able to explain this, but it could cost us thousands or tens of thousands

in interest payments. The letter was sent out last Friday, and we hope to get a response quickly. They have provided these financials in the past when the building was being constructed, and it shouldn't be something that they don't already have to do for the IRS. Bergwick asked if we were recommending that they have someone on our board; Wimmer clarified that we are going to have someone on their board as part of the contract. He stated that Mr. Zdon had been serving kind of a dual role for a number of years because he was on their board, but when this appointment was made Mr. Zdon was not sure he would have enough time to fulfill the role. Wimmer was not sure if Zdon had been able to attend the meetings, but we have not had the communication.

7. Adjournment

Motion by Bergwick, second by Wimmer to adjourn the May 24, 2016 meeting of the Parks, Recreation, and Culture Board. Motion was approved.

The meeting adjourned at 6:38 p.m.

Dated at Isanti, Minnesota this 24th day of May, 2016.

Respectfully submitted,

_____

Katie Everett
Community Events and Parks Coordinator

RESOLUTION NO. 2016-XXX

RESOLUTION TO APPROVE TEMPORARY ONE-DAY ON-SALE LIQUOR LICENSE FOR ST. ELIZABETH CATHOLIC CHURCH

WHEREAS, the City has received application for a temporary One-Day On-Sale Liquor License from St. Elizabeth Ann Seton Catholic Church; and,

Fax: 651-639-4032

An excluded bingo permit will be mailed to your organization. Your organization must keep its bingo records for 3-1/2 years.

Questions?
Call a Licensing Specialist at 651-539-1900.

Bingo hard cards and bingo number selection devices may be borrowed from another organization authorized to conduct bingo. Otherwise, bingo hard cards, bingo paper, and bingo number selection devices must be obtained from a distributor licensed by the Minnesota Gambling Control Board. To find a licensed distributor, go to ***www.mn.gov/gcb*** and click on ***Distributors*** under the ***LIST OF LICENSEES***, or call 651-539-1900.

This form will be made available in alternative format (i.e. large print, braille) upon request.

Data privacy notice: The information requested on this form (and any attachments) will be used by the Gambling Control Board (Board) to determine your organization's qualifications to be involved in lawful gambling activities in Minnesota. Your organization has the right to refuse to supply the information; however, if your organization refuses to supply this information, the Board may not be able to determine your organization's qualifications and, as a consequence, may refuse to issue a permit. If your organization supplies the information requested, the Board will be able to process the application. Your organization's name and address will be public information when received by the Board. All other information provided will be private data about your organization until the Board issues the permit. When the Board issues the permit, all information provided will become public. If the Board does not issue a permit, all information provided remains private, with the exception of your organization's name and address which will remain public. Private data about your organization are available to Board members, Board staff whose work requires access to the information; Minnesota's Department of Public Safety; Attorney General; Commissioners of Administration, Minnesota Management & Budget, and Revenue; Legislative Auditor, national and international gambling regulatory agencies; anyone pursuant to court order; other individuals and agencies specifically authorized by state or federal law to have access to the information; individuals and agencies for which law or legal order authorizes a new use or sharing of information after this notice was given; and anyone with your written consent.

RESOLUTION NO. 2016-XXX

A RESOLUTION AUTHORIZING AN INCREASE IN THE MINNCO CREDIT CARD LIMIT FROM $5,000 TO $10,000

WHEREAS, pursuant to MN Statute 471.382, the Isanti City Council may authorize the use of a credit card by any City officer or employee otherwise authorized to make a purchase on behalf of the City.

WHEREAS, pursuant to Resolution 2005-011, a credit card use policy was adopted; and,

WHEREAS, the current limit for the Minnco Credit Card is $5,000; and,

WHEREAS, at times due to multiple usage, the credit card has been denied; and,

WHEREAS, staff requests limit to be raised from $5,000 to $10,000; and,

WHEREAS, it is noted that the usage policy is not being revised.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of Isanti, Minnesota, that the following:

a) The Minnco Credit Card Limit be raised to $10,000.00
b) That individual purchase in excess of $1,000 are approved by the Department Head. In the case of each purchase by a Department Head, approval must be received by the Finance Director.

This resolution was duly adopted by the Isanti City Council this 3rd day of August, 2016.

Attest:

Mayor George A. Wimmer

Lindsey McInnis
Human Resources/City Clerk

RESOLUTION NO. 2005-011

A RESOLUTION ADOPTING A CREDIT CARD USE POLICY

WHEREAS, pursuant to MN Statute 471.382, the Isanti City Council may authorize the use of a credit card by any City officer or employee otherwise authorized to make a purchase on behalf of the City.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of Isanti, Minnesota, that the attached City of Isanti Credit Card Use Policy is hereby approved:

Adopted by the Isanti City Council this 1st day of February 2005.

ATTEST: _____
Mayor David E. Apitz

_____
Irene J. Bauer, City Clerk-Treasurer

(SEAL)

CITY OF ISANTI
CREDIT CARD USE POLICY

As per MN Statute 471.382, the Isanti City Council may authorize the use of a credit card by any City officer or employee otherwise authorized to make a purchase on behalf of the City. If a City officer or employee makes or directs a purchase by credit card that is not approved by the City Council, the officer or employee is personally liable for the amount of the purchase. All purchases by credit card must otherwise comply with all statutes, rules and policies applicable to City purchases. The City Council shall approve the establishment of all credit card accounts.

MN Stat 412.271 subd 2
MN Stat 471.38 subd 1

Bills from credit card companies do not contain the detail necessary to satisfy the requirement that claims presented to the City for payment must be in writing and itemized. Therefore, invoices and receipts for all items charged must be retained. A list of all credit card charges will be included with monthly expenditures for council review and approval.

MN Stat Ch 475

Credit card use must also comply with laws concerning borrowing. Credit cards will not be used for carrying debt. The entire card balance shall be paid in full each month.

Purpose

This policy is designed to provide guidance and instructions to the people involved in the use of credit cards. It sets forth the authority and responsibility of those participating in the system. It establishes policies, procedures and regulations.

Guidelines

Credit cards are for efficiency in purchasing items through the Internet, securing hotel and travel reservations, and purchases of goods and services for the City of Isanti where the use of the credit card is the most efficient and expedient mean of purchase. Credit cards are not to be used for daily purchases of fuel, services, or supplies. Any purchase over $1,000.00 to be made by credit card is to be pre-approved by Council and/or City Administrator. Credit cards will have a limited credit line.

Employees authorized to use the City of Isanti's credit card(s) include the following positions: Administrator, Finance Director, Police Chief, City Planner, EDA Coordinator, Public Works Director, Fire Chief, and Liquor Store Manager. Individual purchases over $1,000.00 will require prior Council and/or City Administrator's approval.

Employees authorized to use the City of Isanti's fuel credit card(s) include the following employees or volunteers who are members of: Building Inspection Department, Public Works Department, Police Department, and Fire Department. Purchases shall be for vehicle fuel, oil and other items related to the operation of the vehicle for that department.

No employee will intentionally use a City credit card for personal purchases.

Subject: Resolution Approving Request for Proposals for Development Legal Services

---

For your consideration, please find attached a Resolution with a Request for Proposals (RFP) for City Development Legal Services. As with all professional services, we are requesting a 5 year proposal.

The RFP will be advertised locally and through the League of Minnesota Cities. Staff has received recommendations of potential firms who will also be contacted. The anticipated timeline for this process is as follows:

RFP Advertised:	August 4, 2016
Proposals Due:	August 29, 2016
DOAC Review:	September 8, 2016
City Council Action:	September 20, 2016

The Finance Committee has reviewed the RFP. Staff recommends approval of the Resolution.

RESOLUTION 2016-____

RESOLUTION APPROVING REQUEST FOR PROPOSALS FOR DEVELOPMENT LEGAL SERVICES

WHEREAS, the City of Isanti has utilized development legal services provided by Bob Deike, Bradley & Deike; PA and,

WHEREAS, Mr. Deike is retiring and there is no current legal Counsel in his firm capable of providing development legal services; and,

WHEREAS, the City needs to procure services of a consultant to perform such services and staff has prepared a Request for Proposals. The proposal has been reviewed by the Development and Operations Committee.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota:

1. Approval of the Request for Proposals for Development Legal Services, attached as Exhibit "A".

2. Publication of notice of the Request for Proposals and distribution to seek proposals for such services from qualified consultants and firms.

This Resolution hereby approved by the Isanti City Council this 3rd day of August, 2016.

REQUEST FOR PROPOSALS

DEVELOPMENT LEGAL SERVICES

Proposals Due: August 29, 2016

TABLE OF CONTENTS

I.	INTRODUCTION	3
II.	PROPOSAL INSTRUCTIONS	3
III.	PROPOSAL CONTENT	3
IV.	SERVICES	
V.	PROPOSAL EVALUATION AND CONTRACT AWARD	5
VI.	CONTRACT EXECUTION	6
VII.	CITY INFORMATION	6

I. INTRODUCTION

This request has been prepared by the City of Isanti to retain the services of legal consultants / form for the following services:

- City legal services for Development related activities. This includes City and EDA economic development activities including legal aspects of development, redevelopment, and related agreement enforcement that are of a specialized nature.

II. INSTRUCTIONS FOR PROPOSERS

A. All legal firms shall submit 5 written copies and a PDF copy of their proposals to the City of Isanti.

B. All proposals must be submitted to:
Don Lorsung, City Administrator
dlorsung@cityofisanti.us

C. All proposals must be received no later than 4:30 p.m. on Monday, 8/29/16.

III. PROPOSAL CONTENT

A. Title Page:
Show the RFP subject, the name of the firm, local address, telephone number, email, website, name of contact person and the date.

B. Table of Contents:
Include a clear identification of the material by section and page number.

C. Cover Letter
Please provide a letter of introduction, discussing the firm, and their interest in serving Isanti.

D. Proposal Content

1. The areas of expertise and general services available.
2. The general qualifications of the firm as related to the requested services.
3. The proposal should address service activities outlined in the scope of work in Section IV. The proposal should expand upon the items

and set forth the firm's approach/ability to carry out each activity.

4. The name, experience and qualifications of the person who will be responsible for fulfilling the obligations as City Development Attorney, and his or her designees.
5. The qualifications and resumes of other professional staff that will be responsible for providing legal services.
6. The availability of the aforementioned staff.
7. List and describe any previous or current experience in municipal legal services, specify activities performed, and the name of a person who may be contacted at the municipality.
8. A list of previous or current activities performed for the City of Isanti.
9. Define any potential conflicts of interest the firm might have providing services to the City.
10. Describe your research capabilities, and the references that you utilize. Detail your capability to maintain a proper response time for legal reports and memos.
11. Provide a detailed description and explanation of all fees and/or charges that may arise for provided municipal legal services. Rates should be clearly stated for all levels of staff expected to perform services.
12. Provide references from 4 communities. Include information describing consulting and project work with similar cities served by the firm.

IV. SERVICES:

A. Legal Action: The Development Attorney will be involved in any areas where the City faces legal action where the expertise required is specialized and not a part of services provided by the City Attorney's Office.

B. Advisor to the City Council, EDA, Committees and Staff: As requested, the City Development Attorney also acts as advisor to the City Council, EDA and related advisory committees, such as the Development and Operations Advisory Committee, Finance Committee, and RLF Committee. These functions may include attending specific City Council and EDA meetings and committee meetings as are requested by the City Administrator, Economic Development Director or City Council. These activities include the preparation of opinions on development legal issues and procedural

matters. May act as City legal Counsel in negotiations and projects involving Developers.

C. Development and Redevelopment Projects: The firm will also provide counsel on matters of economic development activities including development, redevelopment, enforcement, HRA and TIF plan/amendment preparation and property and real estate law and property sales and acquisitions. Review of Grant Agreements (Federal, State, Non-Profit), local loan agreements and TIF agreements.

D. Miscellaneous Legal Issues: In addition, the Development Attorney's office is involved in areas such as preparation of documents including development agreements and planned unit development agreements, preparation of agreements of a miscellaneous nature, review of transcripts for industrial revenue and tax exempt mortgage financing, negotiation for the acquisition, sale or transfer of title to personal property on development projects.

V. PROPOSAL EVALUATION AND CONTRACT AWARD

A. The City intends to award a contract to the proposer(s) evaluated to be best qualified to perform the work for the City, cost and other factors considered.

B. Based upon the evaluation by staff, the Development and Operations Advisory Committee (DOAC) will recommend to the City Council the selection of the firm(s) judged to be the most responsive and responsible proposer for each position. DOAC may choose to conduct interviews of those firms they deem fit. The actual selection of the firm(s) and contract awards will be made by the City Council.

C. The City shall not be liable for any expenses incurred by the proposer including, but not limited to, expenses associated with the preparation of the proposal or final contract negotiations.

D. The City of Isanti reserves the right to reject any and all proposals or to request additional information from any or all proposers.

E. It is anticipated that the City will establish a relationship with a selected firm for a five (5) year term. A contract for this term will be prepared and entered into with the successful proposer.

VI. LEGAL SERVICES CONTRACT EXECUTION

A. Contract Negotiations –

Notwithstanding a contract award, the City reserves the right to negotiate the final terms and conditions of the contract to be executed. Should the City and the proposer(s), to whom the contract(s) is recommended to be awarded, be unable to mutually agree upon the entire contract, the City reserves the right to discontinue negotiations, select another proposer or reject all of the proposals. Upon completion of negotiations agreeable to the City and proposer, a contract shall be executed.

B. Contract Ethics –

1. No elected official or employee of the City who exercises any responsibilities in the review, approval or implementation of the proposal or contract shall participate in any decision which affects his or her direct or indirect personal or financial interest.
2. It is a breach of ethical standards for any person to offer, give or agree to give any City employee or Council person or for any City employee or Council person to solicit, demand, accept or agree to accept from another person or firm, a gratuity or an offer of employment whenever a consideration was motivated by an individual, group or corporate desire to obtain special, preferential, or more favorable treatment than is normally accorded to the general public.
3. The firm shall not assign any interest in this contract and shall not transfer any interest in the same without prior written consent of the City.
4. The firm shall not accept any client or project which, by nature, places it in an ethical conflict with its representation of the City of Isanti.

VII. CITY INFORMATION

A. Isanti is an actively developing city with a vibrant historic downtown, city owned industrial park with lots available for development, a growing retail sector and strong residential market. With a current population of over 5,600 Isanti is committed to grow and diversify its residential, commercial and industrial tax base.

1. City Organization - The City of Isanti is as a statutory, Plan A City and has a Council/Administrator form of government. The City provides a full array of municipal services and general administrative functions.

2. City Council - The Isanti City Council is the final review and approval authority regarding all contracts, payments, plans, improvements, policies, procedures, and other business of the City. The City Council, composed of the Mayor, and four City Councilors is the legislative and policy making body of the City. The Mayor, who presides over City Council meetings, is elected at large for a four-year term. The Councilmembers are also elected at large for four-year terms.

3. City Council meetings are held on the first and third Tuesday's of each month. EDA Meetings are held immediately after the first regular City Council meeting each month. Committee meetings, such as DOAC, are held twice a month, currently on the first and third Thursdays of each month, typically starting at 9:00 a.m.

4. City Staff – The City Development Attorney, depending on the project or matter at hand, will work directly with the City Administrator, Community Development Director, or Economic Development Director, or the Development Team consisting of the Community Development Director, Economic Development Director and Mayor.

   The City Administrator shall be the point of contact regarding services under this contract, and in the event clarification or further direction is needed by the Development Attorney.

Subject: Resolution Approving Request for Proposals for Municipal Auditing and Financial Services

---

For your consideration, please find attached a Resolution with an updated Request for Proposals (RFP) for City Auditing and related financial services. As with all professional services, we are requesting a 5 year proposal beginning with next year's 2016 Audit.

The RFP will be advertised locally and through the League of Minnesota Cities. Venders who quoted when the last RFP went out will also be contacted. The Finance Committee has reviewed the RFP.

RESOLUTION 2016-____

RESOLUTION APPROVING REQUEST FOR PROPOSALS FOR MUNICIPAL AUDITING AND FINANCIAL SERVICES

WHEREAS, the City of Isanti is required to have an annual audit; and,

WHEREAS, the City of Isanti may require additional financial services; and,

WHEREAS, the City needs to procure services of a consultant to perform such services and staff has prepared a Request for Proposals. The proposal has been reviewed by the Finance Committee.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota:

1. Approval of the Request for Proposals for Municipal Auditing and Financial Services, attached as Exhibit "A".

2. Publication of notice of the Request for Proposals and distribution to seek proposals for such services from qualified consultants and firms.

This Resolution hereby approved by the Isanti City Council this 3rd day of August, 2016.

Attest: _____
Mayor George A. Wimmer

_____
Lindsey McInnis
Human Resources/City Clerk

(SEAL)

Exhibit A

CITY OF ISANTI
REQUEST FOR PROPOSALS
MUNICIPAL AUDITING AND FINANCIAL SERVICES

STATEMENT OF PURPOSE:

The City of Isanti is requesting proposals from qualified firms to audit its financial statements for the fiscal year ending December 31, 2016, with the option for each of the four subsequent years.

These audits are to be performed in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States, as well as the provisions of the Minnesota Legal Compliance Audit Guide for Local Government and requirements of the Office of State Auditor.

There is no expressed or implied obligation for the City of Isanti to reimburse responding firms for any expenses incurred in preparing proposals in response to this request.

DESCRIPTION OF THE GOVERNMENT:

The City of Isanti operates under "Optional Plan A" form of government as defined by the State of Minnesota statutes. The Council consists of a Mayor and four Council members. For 2016, the City has approximately 30 full time employees, and a General Fund budget of just over $3.3 million. City enterprise funds include water, sewer, and an off-sale liquor store. Inventory audit procedures will be required for liquor store operations. More information about the City can be obtained on our web site at www.cityofisanti.us.

The financial statements must include all the funds of the City of Isanti as well as its component unit. The following component unit is to be included in the City's reporting entity because of the significance of their operational and financial relationship to the City:

- City of Isanti Economic Development Authority

The auditor's principal contact will be the Finance Director, who will coordinate assistance provided by the City.

During the year the City may receive funds from various federal, state, local, and other agencies. This financial assistance may be in the form of grants, contracts, or loans.

TIME REQUIREMENTS:

The following time line of events is anticipated in the RFP process:

Advertise for RFP	August 4, 2016
Deadline to receive proposals	4:30 p.m. September 1, 2016
Finance Committee review	September 8, 2016
City Council action	September 20, 2016

The City of Isanti will be ready for fieldwork beginning the first week in March. The City will be flexible in scheduling of audit fieldwork, however a draft copy of the audit report and management letter must be presented at the first Finance Committee meeting in April with final copy presented to City Council at the second meeting in April (work session and City Council presentations required).

Finance Staff will be available to assist the audit firm during a mutually agreed upon time for preparation and fieldwork. The City will provide a reasonable work area for audit staff during fieldwork.

REQUIRED REPORTS:

Ten hard copies and one electronic file (pdf format) of the audit report and management letter are to be provided which include the following items:

1. A report on the fair presentation of the financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component unit, each major fund and the aggregate remaining fund information in conformity with generally accepted accounting principles.

2. Appropriate and required notes to the basic financial statements.

3. A report on compliance and internal controls over financial reporting based on an audit of the financial statements.

   - A report on compliance and internal control over compliance applicable to each major federal program, if required.

4. In the required reports on compliance and internal controls, the auditor shall communicate any reportable conditions found during the audit. In addition, the following conditions shall be considered reportable:

    - Applicable categories of the Minnesota Legal Compliance Guide for Local Government.

Drafting of the audit report is not completed by City staff but is to be included as part of the audit proposal and fee.

The auditor shall observe the adequacy of the internal control system. If weaknesses are noted, appropriate recommendations should first be reviewed with the Finance Committee and included in a separate management letter.

Irregularities and illegal acts shall be disclosed in writing immediately to the Finance Committee.

WORK PAPERS:

The auditor shall provide one copy of all work papers, journal entries, and adjusted trial balances within 30 days of such request. The auditors will also make available any and all work papers as requested by any subsequent audit firm.

OTHER REQUIRED SERVICES:

Financial services other than audit services which are to be included in the proposed fees include the following:

- Determination of major funds
- Preparation of the Data Collection Form, if required

Other services may be requested as necessary and will be billed at hourly rates of the individuals performing requested duties. These services may include, but are not limited to the following:

- Office of State Auditor Annual City Financial Reporting Form
- Preparation of Tax Increment Financing Annual Reports
- Technical assistance in tax increment and audit issues
- Utility Rate Study Update
- Other financial assistance as requested

The City requires the proposal to include the staff assigned to the audit, title, profile, and normal hourly billing rate.

EVALUATION PROCEDURES:

Proposals will be rated using a point system. Proposals will be evaluated using three criteria: Mandatory, Technical Quality and Price. Firms may be requested to make oral presentations.

The City Council will select a firm based upon staff recommendations. It is anticipated a firm will be selected on September 20, 2016. An executed engagement letter between both parties will be signed shortly thereafter.

The City reserves the right to reject any or all proposals.

TERMS OF CONTRACT:

The City shall annually pay the audit firm a lump sum upon completion of presentation to City Council. The cost of the audit services described above shall be bid as follows:

Year 2016	$ _____
Year 2017	$ _____
Year 2018	$ _____
Year 2019	$ _____
Year 2020	$ _____

Cost may not be the primary factor in the selection of an audit firm.

Either party can terminate the contract. Written termination must be received no later than June 1st of each year.

PROPOSAL SUBMISSION:

All proposals should be clearly identified as Municipal Auditing and Financial Services Proposals. Five printed copies and a pdf. of your proposal including a copy of the firm's most recent quality review report and references, must be submitted to Don Lorsung, City Administrator, City of Isanti, 110 1st Ave NW, PO Box 428, Isanti, MN 55040 by 4:30 PM on September 1, 2016.

Questions concerning the proposal may be submitted to Don Lorsung at the above address, e-mail at dlorsung@cityofisanti.us or by telephone at 763-444-5512.

RESOLUTION NO. 2016-XXX

RESOLUTION ACCEPTING ACCOUNTING CLERK JOANN WELCOME'S LETTER OF RESIGNATION

WHEREAS, Accounting Clerk, JoAnn Welcome has submitted a letter of resignation to the City of Isanti and presented this to City Administrator Don Lorsung on Monday, July 18, 2016; and,

WHEREAS, the effective date of this resignation is Monday, July 18, 2016, with a final date of work of October 14, 2016; and,

WHEREAS, the time period between the letter of resignation and the effective resignation date is in compliance with the personnel policy for the City of Isanti.

NOW THEREFORE BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ISANTI, MINNESOTA as follows:

1. That the resignation of Accounting Clerk, JoAnn Welcome is hereby accepted effective July 18, 2016. Ms. Welcome's final day of work with the City will be October 14, 2016.

2. That Human Resources/City Clerk is hereby directed to fill the position immediately.

This resolution was duly adopted by the Isanti City Council this 3rd day of August, 2016.

CITY OF ISANTI
PARKS, RECREATION, AND CULTURE BOARD
MEETING MINUTES
July 26, 2016
City Council Chambers

1. Meeting Opening.

A. Call to Order.
Zdon called the meeting to order at 6:02 p.m.

B. Pledge of Allegiance.
Everyone stood for the Pledge of Allegiance.

C. Roll Call.

Members Present:	Jennifer Garvey, James Witte, and Aaron Zdon
Members Absent:	Mayor Wimmer (Gave Prior Notice)
Staff Present:	Katie Everett, Community Events and Parks Coordinator

D. Agenda Modifications.
Zdon asked to have an update of the BMX association added to the Parks Updates.
Garvey asked to have an update about Legacy Park added to Parks Updates

Motion by Garvey, second by Zdon to approve the July 26th 2016 Parks, Recreation, and Culture Board Agenda. Motion was unanimously approved.

Everett asked James Witte to read the Oath of Office given to him prior to the meeting. Witte read the oath as written.

2. Approval of Minutes from May 24, 2016 Parks, Recreation and Culture Board Meeting.

Motion by Garvey. Second by Witte. Vote was unanimously approved.

3. Arts and Science Academy Park

Everett explained that the Arts and Science Academy approached the City in the past about expanding their enrollment, and that the City of Isanti owns a lot adjoining to the school's property. This became an opportunity for a park to be constructed here; city staff wanted the park to have a draw to get people to visit it – there are not currently many people who can walk there, so it would need something more to get people to go. Exercise equipment seemed like a good fit considering the businesses already in the area, and it is an amenity not offered elsewhere in the city. Right now, the city is working on writing up agreements with the school. Construction is not expected to start at the school this calendar year, and there is no set timeline for construction on the city parcel.

Zdon asked if this would be funded from the Park Dedication Fund; Everett responded that typically that is how this type of project is funded, but there is also grant potential with this type of park. Members indicated that they thought the park was a good idea; there was some discussion about what kinds of equipment would eventually be installed – obstacle course types of equipment, exercise machines, etc. The specifics of the park design will be discussed at a future date.

4. Future Dog Park

Everett explained that the city has been receiving requests for a dog park for a long time and residents are looking for a place where their dogs can be off leash. The city has determined that the grassy lot next to the Indoor Arena (BMX facility) is a good location for a future dog park. According to the proposed plan, the dog park would happen in two phases. Because there are storage buildings on the lot that are needed; the first phase would fence in a small portion of the park. Then, as funds allow, the buildings would be relocated and the fence moved all the way to the southern boundary of the lot.

Zdon stated that he liked the idea of the dog park and this location makes sense, the buildings are past their prime so it would make sense to have them relocated to more convenient places and designed for their intended use; he also thought that the extended parking would be useful for not only the dog park but for BMX events as well. Zdon raised the concern that if the fence were to extend all the way to the back of the lot, there would be a considerable impact on event parking especially during larger BMX events like nationals and state races.

Witte asked if the plan would include just three pieces of agility equipment; Everett explained that this is just an early proposal so that may change in the future. Then Witte also asked if there were any plans to have a water spigot or hose at the site. Everett explained that she did look into it, however "doggie drinking fountains" are about $3000 and the water service would still need to be brought in. Zdon stated that he believed that the water service ended at the BMX facility, so it may be a large cost.
Everett explained that city staff have also discussed that none of our parks have drinking fountains, but it may be nice at some point in the future to provide them, especially at places like Bluebird where there is a heavily used pavilion.

5. Skate Park Update

Everett explained that the hockey rink boards have been removed and sold. The current plan is to have Public Works remove all of the equipment this fall and make repairs during the winter. The equipment would be replaced in the spring onto the cement slab. The timeline of this may be affected by spring weather because the boards need to be hot so they are flexible when they are installed. The funds for the necessary panels have been included in the preliminary 2017 budget and are on track to be approved.

Zdon asked if moving the equipment to the cement slab would affect our ability to use Park Dedication Fund money to purchase additional equipment in the future. Everett explained that she has asked the finance department for an answer on this, and the current understanding is that moving the equipment would not affect the way funds would be allocated. Additionally, because both the pavement and cement slab are in Bluebird Park, there would not be a "new" park constructed, so moving the equipment should not matter. Garvey agreed that moving the equipment should not affect future funding opportunities. Everett explained that the exact placement of the equipment on the cement can be discussed at a later date.

6. School Use of Mattson Tennis Courts

Everett stated that contract with the school was up for their use of Mattson tennis courts. The courts do need to be surfaced. Witte asked if this would be done this year; Everett indicated that the timeline would be very tight because the school will start using the courts again on August 29th Garvey indicated that they will likely want to be out again as soon as the snow melts, so the best time may end up being after the spring season ends. Everett spoke with their athletic director and they will need the courts for 31 days this season starting on August 29. The past agreements had been good for two years and increased by $25. If the fee was increased to $400, they would be paying $12.90/day; if it was increased to $425 they would be paying $13.71/day. Zdon indicated that neither fee would be able to cover the costs of resurfacing.

Garvey made a motion to recommend that the fee be raised to $400 per season, and would be valid

for two years. Witte seconded the motion; it was unanimously approved.

7. Tot Lot Naming Contest

Everett explained that she has drafted a form for the Tot Lot renaming contest from past contests and those from other places; essentially the rules are that entrants need to be residents and the names need to be relevant. Garvey stated that the form makes sense and the examples of potential names should be helpful. Zdon asked if it would be included in the next Isantian; Everett responded that the whole form will probably not be included, but a blurb can be included to inform people about the contest. Everett explained that she can also advertise at the Farmer's Market which runs through September 30th. Garvey asked if there were any deadlines established for the contest. Everett explained that she left a space for the date, but the Park Board could determine this. There is not a meeting in December. The group determined that the October 24 meeting would give people enough time to send in entries. With this as the date, Everett asked if we should also determine a deadline for entries; the group decided that October 10th at 4:30 would be appropriate to organize entries and prepare them for the meeting. Garvey made a motion for Park Board to authorize the renaming contest for Isanti Tot Lot, with names to be discussed at the October 24th meeting and an entry deadline of October 10, 2016, and to have staff move forward with promoting the contest. Witte seconded the motion; it was unanimously approved.

8. Parks Updates – Prioritized List

Everett explained that the list was created by the Park Board members last year to start making necessary repairs to parks, and was further prioritized by them. Staff have been working hard to get through the list. Everett explained that Public Services Director Wood has done a great job getting everyone organized and ordering the necessary parts. Zdon stated that the repainted tables look great.

Everett stated that the parts of the list that have not been completed are in the works and will be done as soon as possible. She has contacted GameTime to begin getting estimates for refurbishing the parks. This would be powder coating the metal elements and replacing the plastic pieces. This process is likely to be expensive, and the board should begin to consider how much money should be spent on parks like Tot Lot where we know that there are already pieces that can't be replaced. The best place to start for now will be to get some prices and move from there.

Everett asked the board to discuss whether or not it would be appropriate to replace the Whisper Ridge tennis net. Garvey stated that with the current condition of the court surface it may not even be safe to play tennis on the courts, so we should consider taking down the net altogether so as not to prompt people to play tennis there. Garvey asked Everett if she had received any calls about the condition of the courts, and Everett stated that she had not and if other staff had she has not heard about them, however that information does generally get forwarded to her. Garvey stated that removing the net may be a way to determine if the courts are being used – people may call in if the nets are gone and they are using the courts. Everett stated that she is not sure that many people beyond those living in the houses bordering the courts even knew it was there. Additionally, there have been discussions in the past about connecting Whisper Ridge with trails into downtown and at this point a larger project would probably take place with the courts. Garvey made a motion to recommend that the Whisper Ridge Nets not be replaced and that the city consider removing the net. Witte seconded; the motion was unanimously approved.

9. Parks Updates – Programming

Everett shared that the community garden is growing well – weeds especially have taken off this year, so keeping up with them has been interesting. Early in the year, the garden was really dry being in full sun, and then we have gotten so much rain that it was too wet for a while, so it has been kind of an experiment in the first year. Staff have received many complements on the garden and gardeners seem very pleased. The school's section looks fantastic; they weren't able to bring students out at the end of the school year because it was too muddy, but they planted right after school got out and have been maintaining it really

well. Their plan is to bring students out to harvest once school starts again. Everett indicated that the acre that the Minnesota Center will be using for their experiment has regrown, so she will be in touch with them once they're back in session about their plans for that area. The lower portion of the park did flood when the river came back up, but Public Works was able to get out on Monday to begin clean up. The bridge is still there and seems undamaged. There had been some fallen trees used to block ATVs from accessing the park from Martin's Landing which are now gone, so they are working to block that off again a different way.

There is a StoryWalk scheduled at the park for August 6 from 1:00-3:00pm. The pages from a children's story (Bear's New Friend) will be posted along the trail and families will be able to read the story as they walk. The flyer has been distributed to daycares, Heavenly Sunshine, ECFE, and posted to Facebook. Hopefully this event will get some new people in to the park as well.

The Farmer's Market is picking up again. The first four markets of the season had rain and limited produce, but a lot of new produce is coming in. The market has a lot of repeat customers who come every week, but there are always also new people who didn't know the market was there that come each week.

The Two Cities, One Community event is happening again this year. Everett stated that staff are working to get businesses for the wellness fair, and if any of the members knew of groups or organizations that may want to come they are also welcome. The activities for the event include a 5K and bike ride. The first 50 participants of both the bike ride and the 5K run/walk will receive free goodie bags (100 total will be given out). After the 5K, will be the wellness fair. This year, the first clue of the medallion hunt will be announced. Hopefully the medallion hunt will get people out and about in town. After the wellness fair there will be a magician in Cambridge as well as free hot dogs and ice cream.

Additional items:
Zdon stated that he would like to update the Park Board on the changes in the BMX association. Everett stated that she has an updated list of board members; Kevin is no longer the president of the organization but is still the track operator. Zdon stated that Kevin had a lot on his plate so this was a good move for everyone. Everett stated that Andy Strom has been the new contact and things seem to be improving. Zdon indicated that the city has also received the financials that they needed.

Garvey asked for an update on the Legacy Park road block. She indicated that they have been seeing traffic at the park again. Everett stated that staff were still waiting for official approval from the bank board to be able to install anything on site. Everett stated that we can always ask PD to go out again and that usually helps, and she will try to get an update on that progress.

Garvey also stated that she would like to receive an update on replacing the outdoor ice rink at the next meeting. She stated that Cambridge has approved two refrigerated outdoor rinks that should be ready this year. Everett stated that as far as she knew, the city was still planning to put the rink closer to the IIA, but it was not currently in the budget. She will look into it more for the next meeting.

10. Adjornment

Motion by Garvey, second by Witte to adjourn the July 26, 2016 meeting of the Parks, Recreation, and Culture Board. Motion was approved.

The meeting adjourned at 6:55 p.m.

Dated at Isanti, Minnesota this 26th day of July, 2016.

Respectfully submitted,

Katie Everett

Katie Everett
Community Events and Parks Coordinator

DRAFT

AGENDA

CITY OF ISANTI
CITY COUNCIL BUDGET WORK SESSION
(Immediately following the 7:00 p.m. City Council Meeting)
WEDNESDAY AUGUST 3, 2016
CITY HALL

A. Call to Order
B. Roll Call

C. Work Session Items
1. **Review 2017 Preliminary Budgets – Enterprise Funds – Gayle Bauman**
2. **Capital Outlay and Reserve for Replacement – Gayle Bauman**
3. **Determine if Tuesday, August 16, 2016 Work Session is Necessary**

Adjournment

C1.

A Community For Generations.

Isanti

MEMO

To: **Mayor Wimmer & City Council Members**

From: Gayle Bauman, Interim Finance Director

Date: July 28, 2016

Subject: Review 2017 Preliminary Budgets – Enterprise Funds

Expenditures – All Departments

- All wages include a 2% COLA for 2017 and include the necessary step increases, where applicable. A COLA of 2% results in a $33K impact to the general fund.
- Health Insurance is based on 2016 premiums plus 10%.
- Worker's compensation rates are based on 2016 rates and include a 6% inflationary factor.
- Property, liability, and volunteer insurance premiums are based on 2016 rates and include a 2.5% inflationary factor.
- Dental Insurance is based on 2016 premiums, plus 5%.
- Life/AD&D Insurance is based on 2016 rates.
- Managed expenses throughout the general fund budget have been adjusted based on prior year actual costs, current year expenditures through May, actual maintenance agreements and contracted costs.

Water (Page 1)

- Contracted Services (112) have been increased $5K to reflect the cost of repairs relating to miscellaneous leaks and curb stop repairs.
- Water meters (232) includes the cost for installing meters on City buildings ($10,318).
- Technology costs (305) are increasing mainly due to Civic System annual support costs.
- Bond payments (principal and interest) as well as fiscal agent fees have been adjusted to reflect payments per the bond schedule.
- Total budgeted expenditures for the Water Fund including principal payments and capital outlay are $1,422,516.
- Based on current water rates, this fund is projected to operate at a cash deficit in 2017. A conservative approach was taken when projecting connection fees and the final costs associated with the school water main improvements are included in the budget. It is my understanding that this was factored in during the utility rate study performed earlier this year and the fund is performing as anticipated.

Sewer (Page 5)

- Technology costs (305) are increasing mainly due to Civic System annual support costs.
- Bond payments (principal and interest) as well as fiscal agent fees and amortization have been adjusted to reflect payments per the bond schedule.
- Total budgeted expenditures for the Sewer Fund including principal payments and capital outlay are $1,841,124.
- Positive cash flow is projected in this fund which should be sufficient to handle future debt service costs on the bonds currently being issued by the City.

Storm Water (Page 9)

- Ground Maintenance (400) is budgeted to double in 2017, from $20,000 to $40,000.
- Total budgeted expenditures for the Storm Water Fund including capital outlay are $197,693.
- This fund currently has a cash deficit due to projects completed during 2015. If no major projects are completed in 2016 or 2017, the fund should have a positive cash balance at the end of 2017.

Liquor Store (Page 11)

- Expenditure items for re-sale are based on 2015 actual, plus 2.5%.
- Technology (305) is increasing to account for anti-spam/firewall software.
- Advertising (340) is increasing to reflect $2,000 for tasting events.
- Total budgeted expenditures for the Liquor Store Fund including transfers are $2,604,302.
- The transfer from the Liquor Store has been budged at $350,000, an increase of $50,000.
- Liquor Sales are based on 2015 actual, plus 2.5%.

MEMO

To: **Mayor Wimmer & City Council Members**

From: Gayle Bauman, Interim Finance Director

Date: July 28, 2016

Subject: Capital Outlay and Reserve for Replacement

Capital Outlay and Reserve for Replacement

- Included within the packet is a summary of 2017 Capital Outlay Requests that were submitted by Department Heads (C.2.a.).
- Also included within the packet (C.2.b.) is a summary of the Reserve for Replacement Fund anticipated balances at 12/31/2016 and the recommended reserves as of 12/31/2016. The recommended reserve is underfunded by $861,997. Please note the items not included in the Reserve for Replacement listed in the lower left hand corner.
- Nothing has been included in the 2017 to fund the Reserve for Replacement. It appears that the $7,500 for the C-I Bike Walk Trail is an annual recurring amount. Does the General Fund budget need to be adjusted to account for a transfer to cover this in 2017?

Adjournment

CITY OF ISANTI
CITY COUNCIL MEETING
WEDNESDAY, AUGUST 3, 2016 – 7:00 P.M.
CITY HALL

Mayor Wimmer called the meeting to order at 7:00 p.m.

The Pledge of Allegiance was recited.

Members Present: Mayor George Wimmer, Councilors: Paul Bergley, Dan Collison, Ross Lorinser and Steve Lundeen

Members Absent: None

Staff Present: City Attorney Clark Joslin, City Administrator Don Lorsung, Administrative Data Clerk Janice Lutterman, Interim Finance Director Gayle Bauman, Economic Development Director Sean Sullivan, Chief Gene Hill and City Engineer Brad DeWolf

D. Adopt Agenda

Motion by Lundeen, second by Collison to approve the agenda. Motion carried unanimously.

E. Proclamations/Commendations/Certificate Awards

1. 2016 Jubilee Parade Mayor's Choice Trophy and Best 18 and Under Award

The Youth Hockey Association was selected for both awards. Mayor Wimmer presented the youth with pins.

F. Approve City Council Minutes

1. July 19, 2016 – Regular Meeting of the City Council
2. July 19, 2016 – Budget Work Session Meeting of the City Council

Motion by Lorinser, second by Lundeen to approve the regular City Council Meeting Minutes of July 19, 2016 and the Budget Work Session Meeting Minutes of July 19, 2016 as presented. Motion carried unanimously.

G. Citizens Input

After a misunderstanding, an individual was re-directed to provide a request to be an Agenda Item at the next City Council Meeting as this portion of the meeting was not intended for the issue brought forward.

H. Announcements

1. Planning Commission Meeting	Wednesday, August 10, 2016 at 7:00 p.m.
2. City Council Meeting	Tuesday, August 16, 2016 at 7:00 p.m.
3. Parks, Recreation, & Culture Meeting	Tuesday, August 23, 2016 at 6:00 p.m.

I. Council Committee Reports

None

J. Public Hearings

None

K. Business Items

1. **Resolution 2016-231** Regarding City Advertising in Official City Newspaper
   The Mayor requested to streamline all advertising through the Official City Newspaper and if there is something that staff wants to advertise elsewhere, it will need to come through the council for prior approval.

Motion by Lorinser, second by Collison. Motion carried unanimously.

2. **Resolution 2016-232** to Approve a Special Event Request for City Center Market Outdoor Music Event
   Gayle Cupit, of the City Center Market/The Green Table, will be hosting a special event Friday, September 9th in The Green Table parking lot. A large tent will be covering the band which will play from 6 -10 pm. They have requested to serve beer and wine (which The Green Table currently holds a license for) and will enclose the parking area and patio area and have designated a person to monitor that activity. It is estimated to have 150 in attendance. Mayor added that events in that area have done well. Collison raised the question of who will be checking ID's. Cupit stated Jason Simonel will be checking ID's and it was suggested to get advice from Chief Hill on identifying fake cards.

Motion by Lundeen, second by Collison. Motion carried unanimously.

3. **Resolution 2016-233** Special Event Permit Application for Car Show Finale Craft Show *(JerriAnne Twingstrom)*

Motion by Lundeen, second by Bergley. Motion carried unanimously.

City Administrator Don Lorsung

4. **Resolution 2016-234** Approving Modifications to the Building Appearance of Coborn's
   Mayor reported that Coborn's is currently making improvements to the sides of the building. He stated the front of the building is beautiful and the planned improvements will match very well. The improvements will now meet everything the City has requested the appearance to meet.

   Chris Rice of Rice Companies is the Architect and General Contractor for the new grocery store, Coborn's. Mr. Rice gave a progress report. The South side (entrance side) is all brick. The North, East and West Side are texture core panel, which is currently being painted. With weather permitting, the plan is to have the North, East and West sides completed by Friday or early next week. The tentative planned grand opening for Coborn's is August 17.

Councilmember Lorinser questioned why the construction was built differently from the original site plan that was submitted and approved. Lorinser's concern was that he did not want this situation to set precedent, or a standard of building plan changes deviating from the approved site plans. The Mayor explained usually with a project like this, the City would talk with the contractors who are actually constructing the building. In this particular case, for whatever reason, the City did not speak with Rice Companies until a few weeks ago. It was also noted that past work history of Rice Companies is top notch. This time around, Coborn's decided to manage the process differently, and unfortunately that was not successful for them. The Mayor confirmed the materials are different than the original approved site plan materials, however the high standard appearance that the City is desiring will be met. Mayor also indicated that if the site plan were to have been originally presented this way, it would comply with all codes, and aesthetically has the look the City wants. Lundeen added that residents had brought it to his attention that the building had looked bland; and now with the changes it has improved the appearance 100%. Lorinser reiterated that he wanted to make sure the City has all the processes in place for the future so that this similar situation does not become the 'fall back' plan of others in building projects. The Mayor stated in this situation the City made it very clear that the appearance of Coborn's as is, was not going to be acceptable. The City had vigorous conversations to get the building back to meet City standards, and now the issue has been resolved.

The Mayor added that an overlay district for Highway 65 will be coming through Council to make sure the standards that we want are in black and white and of the highest quality. The focus is to protect everyone's investment. The Mayor said that we have achieved a good solution.

Motion by Lundeen, second by Collison. Motion carried unanimously.

5. **Resolution 2016-235** Approving the Use of Securities in Lieu of Retainage for the 2016 Wastewater Treatment Facility Improvements

Motion by Lorinser, second by Collison. Motion carried unanimously.

6. **Resolution 2016-236** Consider Repayment Agreement for Lot 2, Block 3, Villages on the Rum CIC Number 6

Motion by Lundeen, second by Collison. Motion carried unanimously.

7. **Resolution 2016-237** Approving Authorization of Retaining Services from David Drown Associates, Inc. for Finance Director Recruitment Process

Mayor Wimmer explained that the City has been trying to recruit a Finance Director for quite a while now, and has not had any success attracting the type of talent needed for this position. The Mayor further went on to explain that David Drown Associates is a Company whose goal is to recruit candidates who may not be actively looking at the City of Isanti for employment. Currently, Interim Finance Director Gayle Bauman is here through a contracted service. She is currently working a day and a half a week, and although she is doing an outstanding job, we are paying that company more than what we would be paying a full time Finance Director. So using that service permanently is not a solution. City Administrator Lorsung added that Abdo, Eick and Meyers LLP (AEM) is providing a great service to us, but it is at a cost. The cost is about $11,750 per month. If you look at that over time, and if you look at hiring professional recruitment, it is money well spent. Staff looked at four vendors. Last week, HR/City Clerk, Lindsey McInnis and City Administrator Lorsung met with Gary Weiers of David Drown. After the meeting, Lorsung feels confident that Weiers can assist us with this search process. Weiers has helped other cities such as Lake City find a Finance Director. Lorsung's recommendation would be for staff to proceed with this. The Mayor did point out that this is the first time the City will have used a recruiting firm for a search process, however, staff has also noticed other finance positions within the area, some paying at a higher level, have also been posted for quite some time. He indicated that we need to get some new eyes on this, and take action to get the position filled. Council member Lorinser added one of the things brought up in Finance Committee was the unemployment rate for Finance professionals is basically nothing. He also stated that there are more jobs than people. When Finance Committee reviewed bids, the bids we had for services were all over the board, there were many bids that came in much higher than the cost of Weiers. Lorinser also stated that we haven't had any qualified applicants. The Mayor added that this is not just an Accounting Clerk type position, that there is a whole litany of things a Finance Director needs to be able to do.

Sean Sullivan, Economic Development Director, shared that tax increment financing is one of the major tools that the City has and he works very closely with the Finance Director on that. Other crucial items are the four revolving loan funds which are checked on a monthly basis. Most importantly, the Finance Director can assist with projections and debt and general analysis when staff may need help with the finance piece and it is big part of the process. The City is more efficient by having someone in the office every day.

Council member Bergley questioned if the Mayor was happy with the track record of David Drown Associates. The Mayor stated they have managed to be pretty successful, however, there is no guarantee. Administrator Lorsung reiterated that there is no

guarantee and that this is probably the most difficult position to fill of all the City positions. Lorsung also stated Mr. Weiers felt confident that he can bring a pool of candidates for us to consider that the City will feel are acceptable to our standards. The Mayor referenced the next resolution to be discussed has the goal of growing the talent pool internally, so that the person who moves into the newly created position will be able to naturally move up. Mayor Wimmer also indicated that it is not just government finance that is having a hard time obtaining talent, that auditing firms and other places are also struggling.

Motion by Lundeen, second by Lorinser. Motion carried unanimously.

8. **Resolution 2016-238** Approving the Restructuring of the Assistant Finance Director, Utility Billing/Accounting Clerk and Receptionist/Utility Billing Clerk Positions (Revised Job Descriptions, Points and Salary Ranges)

Motion by Lorinser, second by Bergley. Motion carried unanimously.

9. **Resolution 2016-239** Offering the Position of Assistant Finance Director to Ms. Shayna Forster
   The Mayor stated that we will plan to backfill Ms. Forster's current position. He mentioned that our current Accounting Clerk, JoAnn Welcome has provided her resignation notice, but has given the City a nice window of time to assist in training someone to take over. This allows for us to try and create as seamless of a transition as possible.

Motion by Lorinser second by Bergley. Motion carried unanimously.

L. Approve Consent Agenda

1. Consider Accounts Payable in the Amount of $327,629.86 and Payroll in the amount of $88,790.04
2. Final Meeting Minutes for the May 24, 2016 Parks, Recreation and Culture Meeting
3. **Resolution 2016-240** to Approve a Temporary One-Day On-Sale Liquor License for St. Elizabeth Ann Seton Catholic Church
4. **Resolution 2016-241** to Approve an Exempt Gambling Permit for St. Elizabeth Ann Seton Catholic Church
5. **Resolution 2016-242** to Authorize an Increase in the Minnco Credit Card Limit
6. **Resolution 2016-243** Approving Request for Proposals for Development Legal Services
7. **Resolution 2016-244** Approving Request for Proposals for Municipal Auditing and Financial Services
8. **Resolution 2016-245** Accepting the Resignation of Accounting Clerk JoAnn Welcome

Motion by Bergley, second by Lundeen. Motion carried unanimously.

M. Other Communications

1. Draft Meeting Minutes for the July 26, 2016 Parks, Recreation and Culture Board Meeting

Adjournment

Motion by Bergley, second by Lundeen. Motion carried unanimously. Meeting adjourned at 7:23pm.

Respectfully Submitted,

Janice Lutterman
Administrative Data Clerk

CITY OF ISANTI
CITY COUNCIL BUDGET WORK SESSION
WEDNESDAY AUGUST 3, 2016
CITY HALL

Mayor Wimmer called the meeting to order at 7:29 p.m.

Members Present: Mayor George Wimmer, Councilors: Paul Bergley, Dan Collison, Ross Lorinser and Steve Lundeen

Members Absent: None

Staff Present: City Attorney Clark Joslin, City Administrator Don Lorsung, Administrative Data Clerk Janice Lutterman, Interim Finance Director Gayle Bauman, Economic Development Director Sean Sullivan, Chief Gene Hill and City Engineer Brad DeWolf

Enterprise Funds
Gayle Bauman greeted the Mayor and Council. She reminded everyone that tonight's meeting is a continuation of the last budget discussions and that she would be discussing the 2017 Preliminary Budgets including the Enterprise funds and the Capital Outlay and Reserve for Replacement. The same assumptions as presented in the first meeting were also used for these items. Some of those assumptions are that wages included a projected 2% COLA, Health Insurance has a 10% increase, Work Comp rates are a 6% inflationary factor, Property Liability Insurance is 2.5% and Dental Insurance is 5%.

She continued explaining the preliminary budget for the Water Fund. Total budget expenditures including principal payments and capital outlay is projected to be just over $1.4 million for the Water Fund. Included in the budget are the water meters for the City buildings at just over $10,000. Based on the current water rates, this fund is projected to operate at a cash deficit but this was all taken into account when the water rate study was done earlier this year. The fund seems to be performing as anticipated.

The preliminary budget for the Sewer Fund expenditures including principal payments and capital outlay is $1.84 million. Sewer sale revenues are based on a review of collections to date and the connection fee is based on 2016 budget. Bauman did a review for all funds looking at current collections to date and tried to anticipate what is going to happen this year. If a change was needed she adjusted, otherwise she went with the 2016 budget if it was close to what she came up with. There is a positive cash flow projected in the Sewer Fund and it appears with all the projections she did, it is sufficient to handle the debt service costs on the bonds that were issued this year for the upcoming sewer projects. Mayor Wimmer added that for both Sewer and Water Funds, we did our projections for 2016 and we needed to do 35 new residential hook-ups and we are at approximately 47, so we have already surpassed that. We have also projected to need to do 25 for the next nine or ten years following.

Bauman next explained the Storm Water fund. The total budget expenditures including Capital Outlay are just under $200,000. There is an increase to the ground maintenance expenditures of $20,000. She believed that had to do with the MS-4 permitting requirements that are in place. The total budgeted storm water revenues are based on review of collections to date and this fund currently has a cash deficit which is due to the big projects which were completed in 2015. If no major projects are completed in 2016 or 2017, this fund will have a positive cash balance at the end of 2017. With all three of these funds there were no changes in the rate structure put in place in the budget. If there were to be a change, we would need to re-evaluate these budgets. Bauman discussed the Liquor Store budget next. The expenditures were figured from prior year, actual and current year expenditures. The items for resale are based on 2015 actual plus a 2.5% increase and that is similar to the revenues, they were based on 2015 actuals plus a 2.5% increase. The total transfer from the liquor store to the general fund is scheduled to increase by $50,000 from $300,000 to $350,000. Because of the increase in this transfer the liquor store is set to lose a little bit of cash in 2017 but there is sufficient cash in that fund to handle that additional transfer. Mayor stated that he thought it was right around $600,000 and Bauman confirmed.

Bauman asked for any questions regarding the Enterprise Funds and there were none.

Capital Outlay

Bauman went on to discuss the Capital Outlay portion. She presented a worksheet to the council of the Capital Outlay and Replacement Requests from the department heads and indicated that all items were all figured into the preliminary budget figures. There is a Capital Outlay Replacement Fund and we are not anticipating using that fund for any of the items listed.

She referenced a worksheet which was previously used and she updated it with 2015 and 2016 information. The worksheet referenced was a summary of Reserve for Replacement, and the anticipate balance as of 12/31/2016. The column referencing the recommended reserve is the same number that was calculated last year. She was not able to go through the whole depreciation schedule to figure what the updates to that were, but the short fall in that fund is going to be around $860,000 figure. So not using funds to pay for Capital Outlay items this year means that we are not having to draw funds out of there, and then having to put more back in. However, at some point in time we will want to get to a point where we can start funding this by either putting levy money in or transfers into this fund. That way we can replace equipment when it becomes necessary. Bauman indicated that one item she questioned was that it appears the $7,500 for the Cambridge/Isanti Bike Walk is an annual recurring event, which is usually funded out of this fund, and then a transfer from the General Fund is done to put the money back into this fund. She indicated that there is no transfer scheduled to go into this fund, and she was unsure if this event is planned to happen in 2017. Bauman stated there is $16,000 in the line item that is used for this event, so if we didn't replace it we are just drawing down on this fund. Otherwise, we can make a change in the General Fund budget as well. The Mayor indicated that the amount is what we are obligated to pay for with our agreement with Cambridge.

The Mayor asked Council if they had any questions. Collison questioned if since the last budget meeting the Cost of Living increase had changed. Mayor indicated that it had not changed, that it was planned at 2%. The Mayor went on to further explain that Staff came up with that number based on what settlements have been in the last few years for other cities. He also stated that depending on what happens in negotiations, if we end up having to settle on an amount higher than that, he does not want it to come out of the General Fund. Mayor would bring the outcome to Council and ask that the specific department incur the costs of anything above the 2% cost of living increase. This would be applicable to either Public Works or the Police Department, depending on the negotiations.

It was confirmed that another budget work session is not needed at this point.

Adjournment

Motion by Lundeen, second by Lorinser to adjourn. Motion carried unanimously. The Budget Work Session adjourned at 7:39p.m.

Respectfully Submitted,

Janice Lutterman

Administrative Data Clerk

Request for City Council Action

To: Mayor Wimmer and Members of the City Council

From: Katie Everett, Community Events and Parks Coordinator

Date: August 16, 2016

Subject: Special Event Request for 23 to 0 Ruck Event

Background

The City received a special event application from Casey Carik for an awareness Ruck event through Operation 23 to 0 on Sunday, September 4th from 11:00am to 6:00pm. The event will include a barbecue at Bluebird Park as well as a walk around Isanti. Operation 23 to 0 is an organization that supports veterans and military members.

The organizer has submitted the Park Reservation form for the Bluebird Park pavilion. The estimated number of people attending is 40 to 50.

The Operation 23 to 0 organization may sell merchandise at the barbecue portion of the event. All proceeds from these sales are put back into the organization. The Park Rules and Regulations state that these activities must get City approval.

The organizer will be responsible for cleaning up after the event. The required deposit fee of $100 will be submitted.

A copy of the application and departmental review have been submitted for council review.

Staff Request

City staff is requesting action on this item.

- Resolution No. 2016-XXX
- Special Event Application
    - Staff Review Checklist and Application Form

RESOLUTION 2016-

A RESOLUTION APPROVING A SPECIAL EVENT REQUEST FOR A RUCK BY OPERATION 23 TO 0

WHEREAS, Brandie Held and Casey Carik, the Applicants, will be holding a Walk/Ruck Event on Sunday, September 4, 2016 for Operation 23 to 0; and

WHEREAS, the event is scheduled to run from 11:00 am to 6:00 pm.; and,

WHEREAS, the estimated number of participants is 40 to 50; and,

WHEREAS, the event will include a barbecue at Bluebird Park and a walk through town; and,

WHEREAS, parking for the event will be within the Bluebird public parking lot; and,

WHEREAS, event organizers and volunteers will clean-up after the event; and,

WHEREAS, the application submittal does require a $100 clean-up deposit fee, which will be submitted prior to permit issuance; and,

WHEREAS, the applicant noted that Operation 23 to 0 may sell merchandise at the event and any proceeds go to veterans in need; and,

WHEREAS, the Park Rules and Regulations state that City approval must be granted for anyone to "advertise, sell or attempt to sell, or solicit for private gain or cause…";

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, to hereby approve the Walk/Ruck by Operation 23 to 0 event to be held on September 4, 2016 with the following conditions:

- $100 deposit check is submitted prior to the event
- Ruck route map submitted prior to event

BE IT FURTHER RESOLVED by the City Council of the City of Isanti, Minnesota that Operation 23 to 0 has permission to sell merchandise with proceeds going toward the organization's cause.

BE IT FURTHER RESOLVED by the City Council of the City of Isanti, Minnesota that this Resolution is hereby the 'Permit' for the above stated Special Event.

This Resolution hereby approved by the Isanti City Council this 16th day of August 2016.

Attest: Mayor George A. Wimmer

Lindsey McInnis

Date(s) of Event: 4th of September 2016

Hours of Event: 11:00 am to 6pm

Type of Event: Ruck

Description of the Event: walk around Isanti the 4 big and done

List of Activities:

Proposed Location of the Event (be specific):
Blue bird park

Estimated Number of People in Attendance (includes staff, participants, and spectators):
40 ?
Not expecting more than 50 - 75

ITEMS TO ACCOMPANY THE APPLICATION

1. Application Form
2. Clean-up Deposit Fee, if applicable
3. Proof of Insurance or Certificate of Insurance - Not required for 75 expected for event
4. Signed Release and Indemnification Agreement, if event on City owned property
5. Site Map
6. Temporary Sign Permit Application, if applicable
7. Approval Letter from the Property Owner
8. Information regarding Vendors, if applicable
9. Proof of written notification to property owners within 350 feet of the special event
10. Supplemental information as requested by City staff

The following information is required for consideration. Check next to items pertaining to your event. If not applicable, please place an "N/A" in the space provided.

_____ Proof of Insurance or Certificate of Insurance (**REQUIRED** for all events)

_____ Release and Indemnification Agreement (**REQUIRED** for all events held on City property. Please sign and attach to the application.)

N/A Selling / Consumption of Alcohol

_____ Site Map (**REQUIRED** for all events) - A diagram of the proposed area to be used showing the location of barricades, security fencing, entertainment, stages, toilets, parking areas, trash containers, and any other items relating to the event should be attached to the application.

_____ Parking Impact (**REQUIRED** for all events) – Describe in detail:
Parking @ Blue Bird Park

NA Special Signage (Temporary Sign Permit Application will also be required) – Describe:

NA Approval Letter from Property Owner (**REQUIRED** for all events, unless occurring on public property. Attach to the Application)

NA Vendors will be present at the event (Attach information to the Application)

NA Tents, equipment, amusement rides, etc.
Size: 1'
Location:

NA Fire Prevention or EMS – If needed, please specify and if being provided, please identify the name or entity providing these services:

NA Fireworks

NA Street Closure – if yes, what streets:

NA Restrooms (Portable) – Name or entity providing these services; and number of facilities to be provided. When other restroom facilities are not provided on-site or are limited; the applicant will need to pay for additional restroom facilities. For those events exceeding 75 persons, one (1) additional restroom shall be provided; for events exceeding 150 persons, two (2) additional restrooms shall be provided. For events exceeding 250; the Planning for Special Events-Usage Chart shall be used.

NA Security Plans – Name or entity providing these services. (A Police Officer is required if alcohol is being served or at the discretion of the Police Chief).

____ Clean-up Plans – Describe in detail:
we will clean up any mess and leave the area as we found it.

N/A Live entertainment – Describe in detail:

N/A Will any other public addressing system or sound amplification be used? If so, describe:

N/A Proof of written notification to property owners within 350 feet of the special event. (Attach to the application.)

_____ If the event will be held on public property, please provide the following information: (1) Will tickets be sold for the event? (2) Is a donation of any kind required? (3) What is the purpose of the money that is collected?

(1) NO (2) NO (3) to help Veterans in need

Depending upon the type of special event, some items may not be required or may be waived as part of the review process. Larger events may require additional information, in order to properly process the request.

-EVENT SPONSOR-
RELEASE AND INDEMNIFICATION AGREEMENT

City of Isanti

THIS IS A RELEASE OF LIABILITY INDEMNIFICATION AGREEMENT. SPECIAL EVENTS HOLDER MUST READ CAREFULLY BEFORE SIGNING.

In consideration for being permitted to engage in the following special event activities on property owned by the City of Isanti:
BBQ and "Rock" (walk around Isanti) (BBQ at Blue Bird Park

Special Events Holder hereby acknowledges, represents, and agrees as follows:

A. We understand that the above described activities are or may be dangerous and do or may involve risks of injury, loss, or damage to us and/or third parties. We further acknowledge that such risks may include but not be limited to bodily injury, personal injury, sickness, disease, death, and property loss or damage, arising from the following circumstances, among others:

(Special Events Holder Initials Here) BM

B. If required by this paragraph, we agree to require each participant to our special event to execute a **RELEASE AND INDEMNIFICATION AGREEMENT** for ourselves and for the City of Isanti, on a form approved by the City of Isanti.

Participant Release and Indemnification required? YES ____ NO____

(Special Events Holder Initials Here) BM

C. We agree to procure, keep in force, and pay for special event insurance coverage, from an insurer acceptable to the City of Isanti, for the duration of the above described activities.

(Special Events Holder Initials Here) _____

D. By signing this **RELEASE AND INDEMNIFICATION AGREEMENT,** we hereby expressly assume all such risks of injury, loss, or damage to us or any related third party, arising out of or in any way related to the above described activities,

whether or not caused by the act, omission, negligence, or other fault of the City of Isanti, its officers, its employees, or by any other cause.

(Special Event Holder Initials Here) BH

E. By signing this **RELEASE AND INDEMNIFICATION AGREEMENT,** we further hereby exempt, release and discharge the City of Isanti, its officers, and its employees from any and all claims, demands, and actions for such injury, loss or damage to us or to any third party, arising out of or in any way related to the above described activities, whether or not caused by the act, omission, negligence, or other fault of the City of Isanti, its officers, its employees, or by any other cause.

(Special Event Holder Initials Here) BH

F. We further agree to defend, indemnify and hold harmless the City of Isanti, its officers, employees, insurers, and self insurance pool, from and against all liability, claims, and demands, court costs and attorney fees, including those arising from any third party claim asserted against the City of Isanti, its officers, employees, insurers or self insurance pool, on account of injury, loss or damage, including without limitation claims arising from bodily injury, personal injury, sickness, disease, death, property damage or loss, or any other loss of any kind whatsoever, which arise out of or are in any way related to the above described activities, whether or not caused by our act, omission, negligence, or other fault of the City of Isanti, its officers, its employees, or by any other cause.

(Special Event Holder Initials Here) BH

G. By signing this **RELEASE AND INDEMNIFICATION AGREEMENT,** we hereby acknowledge and agree that said Agreement extends to all acts omissions, negligence, or other fault of the City of Isanti, its officers, and/or its employees, and that said Agreement is intended to be as broad and inclusive as is permitted by the laws of the State of Minnesota. If any portion thereof is held invalid, it is further agreed that the balance shall, notwithstanding, continue in full legal force and effect.

(Special Event Holder Initials Here) BH

H. We understand and agree that this **RELEASE AND INDEMNIFICATION AGREEMENT** shall be governed by the laws of the State of Minnesota and that jurisdiction and venue for any suit or cause of action under this agreement shall lie in the courts.

(Special Event Holder Initials Here) BH

I. This **RELEASE AND INDEMNIFICATION AGREEMENT** shall be effective as of the date or dates of the applicable special event, shall continue in full force until our responsibilities hereunder are fully discharged, and shall be binding upon us, or successors, representatives, heirs, executors, assigns, and transferees.

(Special Event Holder Initials Here) BH

IN WITNESS THEREOF, THIS RELEASE AND INDEMNIFICATION AGREEMENT is executed by the special event holder, acting by and through the undersigned, who represents that he or she is property authorized to bind the Special Events Holder hereto.

Ordinance No 485
(Excerpt)

§ 245-2. Regulation Established.

A person engaging in a regulated activity within the city must comply with the provisions of this section. The person must also comply with any applicable zoning and health regulations.

§ 245-3. License Required.

A person engaging in a regulated activity within the city must first obtain a license from the City Clerk or designee.

§ 245-4. Exceptions.

A person engaging in the following activities is not required to obtain a license and an identification card from the city:

1. Selling personal property at garage sales, rummage sales, or estate sales. This includes persons participating in an organized multi-person bazaar or flea market;
2. Selling newspapers;
3. Selling products of the farm or garden grown or raised by the seller, including meat, but such activities must comply with applicable health regulations;
4. Selling at an auction conducted by a licensed auctioneer, or any officers of the court conducting a court ordered sale;
5. Calling upon residents in connection with a regular route service for the sale and delivery of perishable daily necessities of life such as bakery products and dairy products. This exception does not relieve that person of the duty to comply with other applicable city requirements; or
6. Soliciting money, donations or financial assistance for a political, religious or non-profit tax-exempt organization, or selling or distributing literature or merchandise for which a fee is charged or solicited on behalf of such an organization.
7. Sales or offers for sales by peddlers or solicitors who appear at the customer's home or place of business by an appointment which was made prior to such appearance are exempt from the provisions of this chapter.
8. No license shall be required of any person going from house to house, door to door, business to business, street to street or any other type of place-to-place when the activity is for the purpose of exercising that person's state or federal Constitutional rights, such as the freedom of speech, press, religion and the like, except that this exemption may be lost if the person's exercise of Constitutional rights is merely incidental to a commercial activity.

§ 245-5. Ineligible People.

The following people are not eligible for a license and from the city:

1. A person whose license for a regulated activity was revoked by the city or another governmental body within three years before the application date;
2. A person who has been denied a license for regulated activity by the city or another

F. In any park and recreation area, including trails, it shall be unlawful for any person, firm, company, or corporation to use any restroom in any park in other than a clean and sanitary manner.

G. In any park and recreation area, including trails, it shall be unlawful for any person, firm, company, or corporation to:

(1) Possess or discharge firearms, air rifles, BB guns, sling shots, bows and arrows, other weapons, explosives or fireworks.

(2) Be present in a park or recreation area after 10:00 p.m. or before 7:00 a.m. on any day.

(3) Camp.

(4) Bring in, dump, deposit, leave in or on, or burn on any park land or water or water contiguous to any park any glass bottles, broken glass, discarded vegetation, trash, waste, rubbish, etc.

(5) Advertise, sell or attempt to sell, or solicit for private gain or cause, or operate nonauthorized commercial operations without the City's approval.

(6) Leave a fire unattended; or to light or maintain a fire outside designated areas.

(7) Possess controlled substances.

(8) Engage in offensive, obscene, or abusive language, or in boisterous or noisy conduct tending reasonably to arouse alarm, anger or resentment in others; or to engage in brawling or fighting; or to engage in conduct creating or tending to create a disturbance or annoyance to other park users, or that interferes with their use or enjoyment of park lands and waters.

(9) Remove, break, destroy, injure, mutilate, deface or in any way damage any structure, monument, fence, flagpole, vehicle, bench, natural growth, ruin, relic, geological formation, or any other City of Isanti park property located in or on City of Isanti parks and park system.

(10) Not clean up after pets.

(11) Injure, molest, pursue or endanger wildlife on any park land and park system land in the City of Isanti.

(12) Hunt or trap on any park land owned by the City of Isanti.

(13) Use of recreational vehicles, including, but not limited to, all-terrain vehicles, snowmobiles, and motorcycles, on parks or park system land.

(14) Park on grass or other nondesignated parking areas unless requested and approved for special events. **[Added 4-21-2015 by Ord. No. 602]**

Subject: Special Event Permit Request

Hello,

Please review the attached special event permit application. This event is for Operation 23 to 0 (a veteran/military support organization), and it did happen last year but the barbecue portion happened at the applicant's residence. This year, they are going to do the event at Bluebird. I've asked them to submit a map of where the walk will happen, and when I get that I will forward it to you right away.

Chief Hill – I have asked them if they might need assistance with crossing Heritage at some point, so they may contact you about that. If you can also let me know what the process is for getting help from PD for these kinds of events, that would be great for future reference.

They have not asked for any other assistance, and the event may be relatively small, but they wanted to let us know it was happening.

Please respond with your comments or approval by Thursday.
Thanks,

Katie Everett
Community Events and Parks Coordinator

Request for City Council Action

To: Mayor Wimmer
Members of the City Council

From: Katie Everett
Community Events & Parks Coordinator

Date: August 16, 2016

Subject: A Resolution Authorizing City Staff to Accept the Fee Allowing for Exclusive Use of the Mattson Park Tennis Courts by the C-I School District for Fall 2016 through Spring 2018

Background

The Cambridge-Isanti School District again requested to use the Mattson Tennis Courts for exclusive use for their practices for the Fall 2016. The Parks, Recreation and Culture Board recommended setting the fee at $400 per season for a 2-year term. The $400/season rate would then expire after the Spring 2018 season, and the Park, Recreation, and Culture Board would review before the Fall 2018 season.

Parks, Recreation, and Culture Board Recommendation

The PRC Board reviewed the item at their July 26 meeting. Motion by Garvey, second by Witte to recommend that the fee be set at $400 per season for a two-year period. Motion was unanimously approved.

Upon approval of the fee, the City of Isanti will invoice the Cambridge-Isanti School District beginning with the Fall 2016 season. The school district is current on payments for past seasons.

City Staff Request

City staff is requesting council approval of the $400/season fee for the Cambridge-Isanti School District's exclusive use of the Mattson Park tennis courts during the fall and spring seasons through Spring 2018.

Attachments

- Resolution No. 2016-XXX

RESOLUTION NO. 2016-

A RESOLUTION AUTHORIZING CITY STAFF TO ACCEPT THE FEE ALLOWING EXCLUSIVE USE OF THE MATTSON PARK TENNIS COURTS BY THE C-I SCHOOL DISTRICT FOR FALL 2016 THROUGH SPRING 2018 SEASONS

WHEREAS, on February 21, 2012, the City Council approved a Resolution (Resolution No. 2012-033) authorizing City staff to accept a fee to allow for exclusive use of the Mattson Park tennis courts by the C-I School and waiving the current scheduling requirements; and,

WHEREAS, the C-I School District utilizes the Mattson Park tennis courts for student practices for a couple of months both within the Fall and Spring seasons; and,

WHEREAS, in an effort to work in cooperation with the C-I School District to provide recreational activities and opportunities for area children; and,

WHEREAS, the Parks, Recreation and Culture Board agreed to keep the fee the same for two full years for exclusive use at the rate of $400 per season at the July 26, 2016 meeting; and,

WHEREAS, since the agreements with the C-I School District are based on a Fall through Spring school year, the fee for exclusive use will be reviewed by the Parks, Recreation and Culture Board prior to the Fall 2018 Season; and,

WHEREAS, the C-I School District has agreed to pay the fee of $400 per season for the exclusive use of the Mattson Park Tennis Courts for the Fall 2016 through Spring 2018 practice seasons; and,

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City Of Isanti, Minnesota hereby authorizes City staff to accept the fee of $400 per season allowing exclusive use of the Mattson Park Tennis Courts by the C-I School District for Fall 2016 through Spring 2018 practice schedule; and **BE IT FURTHER RESOLVED** that the scheduling requirements be waived for the C-I School District.

This resolution was duly adopted by the Isanti City Council this 16th day of August 2016.

Request for Council Action

To: Mayor Wimmer
Members of the City Council

From: Roxanne Achman
Community Development Director

Date: August 16, 2016

Subject: Request from Blake Jedneak, Soca Powersports, for Approval of a Conditional Use Permit to allow for Motor Vehicle Sales within the Dual Square Mall located at 401 East Dual Blvd NE, Isanti, Minnesota.

Background

Blake Jedneak of Soca Powersports is leasing space from Bullseye Properties and sells RC cars and car accessories in addition to mini ATV's, UTV's and dirt bikes. The sale of motor vehicles requires a CUP in the B-2 General Business District.

Staff met with Blake Jedneak, owner of Soca Powersports, to discuss his business. The majority of ATV's and dirt bikes are child size and stored within the office. There would be one UTV that would be parked and stored within the parking lot and would be locked or chained down when the business is closed. Parking of the motor vehicle will only be permitted with two 9'x19' parking stalls. None of the items have ever had gasoline in them and will not have gasoline in them, eliminating the concern of customers driving around the property or on the street. The hours of operation are Monday and Wednesday 6pm – 9pm and Saturday 9am – 5pm.

There is sufficient parking on site. There are 45 parking stalls on site; 37 stalls are required for the entire mall.

Subdivision 12: Motor Vehicle Sales and Rental/Leasing Facilities

A. Services and sales are associated with a principal building with a minimum floor area of at least one thousand (1,000) square feet. ***The principal building is roughly 9,250 square feet.***
B. All area of the property not devoted to building, parking, or open sales lot area shall be landscaped in accordance with Section 15 of this Ordinance. ***The use is part of an existing building with previous site plan approval.***
C. Off-street parking and loading shall meet the requirements as stipulated within Section 17 of this Ordinance. ***There are 45 parking stalls on site. The Mall requires 37 stalls (1 stall/250sf floor area). 2 stalls will be used for display, bring the total used stalls to 39.***
D. All new or used vehicles parked or displayed outdoors on the property shall conform to all requirements of the State of Minnesota; shall be operable; shall include all engine, muffler, brakes, and operating parts; shall be equipped with all exterior body parts as if new (for a passenger vehicle, truck or van, this shall mean four (4) tires, all doors and windows, headlamps and grillwork, mirrors, fenders, trunk, lids, body panels and molding, etc, or if a boat, all windshields, safety railings, hulls, trailer, etc.); shall be uniformly and wholly painted; and shall be free from having any loose or damaged exterior parts. ***Applicant to be made aware of this requirement.***
E. All repair, assembly, disassembly or maintenance of motor vehicles or motor vehicle parts shall occur within an enclosed building. ***No on site repair, assembly, disassembly or maintenance will occur on site.***

F. A detailed site plan conforming to the requirements of Section 18 of this Ordinance shall be submitted. The site plan shall also illustrate the location of all open sales and storage areas. ***There will be no changes to the site. Two parking stalls (an area of 18'x19') will be used as a display in spaces nearest the door to Suite 110.***

G. No outside speaker system shall be permitted without the approval from the City Council. ***Applicant to be made aware of this requirement.***

H. A landscaped buffer shall be provided, if the use abuts any residential zoning district. Solid screening to a minimum height of six (6) feet shall be provided along any portion of the open sales lot abutting a residential property or district. Such screening shall consist of a continuous landscape berm, solid wood fence, wall, or other comparable material. Fencing shall be constructed of wood or comparable material and should be of an ornamental or decorative design. If a chain link or wood fence is used, landscaping shall be provided on the outside of the fence facing the abutting residential property or district. ***Not applicable.***

Staff Recommendation:

Staff recommends approval of the Conditional Use Permit subject to the conditions outlined in Sections 13 and 21 of Zoning Ordinance No. 445.

Comprehensive Plan

The 2008 Comprehensive Plan has the area guided for General Commercial Development. The existing uses and the proposed use would appear to meet purpose, goals, and objectives of this land use classification.

Zoning

The property is zoned "B-2" General Business District. Motor Vehicle Sales are listed as a Conditional Use within the "B-2" District. The petitioner is subject to the application requirements, procedure, and performance standards as outlined within Section 21 Administration, Article 2 Conditional Use Permits and Section 13 Use Regulations, Subdivision12 of Ordinance No. 445: Zoning.

Zoning Ordinance Provisions

The property is zoned "B-2" General Business District. It is the intent of this zoning district to promote the development of commercial uses which are predominately auto-oriented in nature. The district caters to highway-oriented businesses as well as businesses that provide basic shopping and service needs for the community. Compatibility with adjacent uses and buildings is required within the district, as site design, building size and materials, and screening/landscaping are important to the creation and maintenance of a thriving commercial base.

Conditional Use Permit Requirements

Upon review of a Conditional Use Permit request, the Zoning Ordinance provides factors and standards that must be reviewed by the Planning Commission. Section 21, Article 2 Conditional Uses states:

D. The Planning Commission shall hold a public hearing and consider possible adverse effects of the proposed Conditional Use. The judgment of the Planning Commission shall be based upon, but is not limited to the following factors:

1. The proposed action has been considered in relation to the specific policies and provisions of and has been found to be consistent with the goals and objectives of the Comprehensive Plan, including public facilities and capital improvement plans.
2. The proposed action meets the purpose and intent of this Ordinance and the underlying zoning district.
3. The establishment, maintenance or operation of the conditional use will promote and enhance the general public welfare and will not be detrimental or endanger the public health, safety, morals, or comfort.

4. The conditional use will not be injurious to the use and enjoyment of other property within the immediate vicinity for the purposes already permitted; nor substantially diminish or impair property values within the neighborhood.
5. The establishment of the conditional use will not impede the normal and orderly development and improvement of surrounding property for uses permitted in the district.
6. Adequate public facilities and services are available or can be reasonably provided to accommodate the use which is proposed.
7. The conditional use shall, in all other respects, conform to the applicable regulations of the district in which it is located.
8. The conditional use complies with the general and specific performance standards as specified by within this Article.

Certification of Taxes Paid

Prior to approving an application for a conditional use permit, certification must be provided to the City that there are not any delinquent property taxes, special assessments, penalties, interest, or outstanding municipal utility fees. City staff did verify with Isanti County on Wednesday, June 29, 2016; that all taxes associated with the property were current.

Public Notice

Notice was published within the Isanti County News on July 27th, 2016. Written notification was provided to property owners located within 350' of the subject site as required by Minnesota State Statute.

Public Comment

To date, no public comment or questions had been received.

Development and Operations Advisory Committee:

The Development Advisory Committee met on July 21, 2016 to discuss the Conditional Use Permit request. The committee recommended approval of the CUP subject to the submittal of all requested documents and information requested by the Community Development Director.

Planning Commission Recommendation:

Motion by Kennedy second by Bergley to recommend approval of the request from Blake Jedneak, Soca Powersports, for Approval of a Conditional Use Permit to allow for Motor Vehicle Sales within the Dual Square Mall located at 401 East Dual Blvd NE, Isanti, Minnesota based on the Finding of Fact and Conclusions with the following conditions:

1. Services and sales are associated with a principal building with a minimum floor area of at least one thousand (1,000) square feet.
2. All area of the property not devoted to building, parking, or open sales lot area shall be landscaped in accordance with Section 15 of this Ordinance.
3. Off-street parking and loading shall meet the requirements as stipulated within Section 17 of this Ordinance.
4. All new or used vehicles parked or displayed outdoors on the property shall conform to all requirements of the State of Minnesota; shall be operable; shall include all engine, muffler, brakes, and operating parts; shall be equipped with all exterior body parts as if new (for a passenger vehicle, truck or van, this shall mean four (4) tires, all doors and windows, headlamps and grillwork, mirrors, fenders, trunk, lids, body panels and molding, etc, or if a boat, all windshields, safety railings, hulls, trailer, etc.); shall be uniformly and wholly painted; and shall be free from having any loose or damaged exterior parts.
5. All repair, assembly, disassembly or maintenance of motor vehicles or motor vehicle parts shall occur within an enclosed building.
6. A detailed site plan conforming to the requirements of Section 18 of this Ordinance shall be submitted. The site plan shall also illustrate the location of all open sales and storage areas.
7. No outside speaker system shall be permitted without the approval from the City Council.

8. A landscaped buffer shall be provided, if the use abuts any residential zoning district. Solid screening to a minimum height of six (6) feet shall be provided along any portion of the open sales lot abutting a residential property or district. Such screening shall consist of a continuous landscape berm, solid wood fence, wall, or other comparable material. Fencing shall be constructed of wood or comparable material and should be of an ornamental or decorative design. If a chain link or wood fence is used, landscaping shall be provided on the outside of the fence facing the abutting residential property or district.
9. Motor vehicle displays shall take up no more than two 9'x 19' parking stalls.

Motion carried unanimously.

Deadline for City Council Action

The City of Isanti received a complete application for a Conditional Use Permit on June 29, 2016. Pursuant to Minnesota State Statute, the City must act on this request by August 28, 2016 (60 days). The only exception to these deadlines provided would be if the City provides the petitioner with written reasons for an additional 60-day review period.

Options & Proposed Motion Language

1. Recommend Approval with No Conditions: Motion to recommend approval of the request from Blake Jedneak, Soca Powersports, for Approval of a Conditional Use Permit to allow for Motor Vehicle Sales within the Dual Square Mall located at 401 East Dual Blvd NE, Isanti, Minnesota.
2. Recommend Approval with Conditions: Motion to recommend approval of the request from Blake Jedneak, Soca Powersports, for Approval of a Conditional Use Permit to allow for Motor Vehicle Sales within the Dual Square Mall located at 401 East Dual Blvd NE, Isanti, Minnesota with the following conditions……
3. Recommend Denial: Motion to recommend denial of the request from Blake Jedneak, Soca Powersports, for Approval of a Conditional Use Permit to allow for Motor Vehicle Sales within the Dual Square Mall located at 401 East Dual Blvd NE, Isanti, Minnesota for the following reasons…….
4. Table: Motion to table the request from Blake Jedneak, Soca Powersports, for Approval of a Conditional Use Permit to allow for Motor Vehicle Sales within the Dual Square Mall located at 401 East Dual Blvd NE, Isanti, Minnesota (a specific reason and information request should be included in the motion to table).

Lindsey McInnis
Human Resources/City Clerk

(SEAL)

FINDINGS OF FACT AND CONCLUSION

Request

Request from Blake Jedneak, Soca Powersports, for Approval of a Conditional Use Permit to allow for Motor Vehicle Sales within the Dual Square Mall located at 401 East Dual Blvd NE, Isanti, Minnesota.

Findings of Fact

1. The applicant is requesting to operate a Motor Vehicle Sales and Display on the property located at 401 East Dual Boulevard NE (Dual Square Mall).
2. The property is zoned "B-2" General Commercial District.
3. A Conditional Use Permit is required for Motor Vehicle Sales and Display within the "B-2" General Commercial District.
4. The petitioner submitted a Conditional Use Permit Application, the required application fee and associated materials on June 29th, 2016. Staff had reviewed such application and deemed such application complete on June 29th, 2016. Pursuant to Minnesota State Statute, the City must act on this request by August 28th, 2016 (60-day rule).
5. A public hearing date before the Planning Commission was scheduled for Wednesday, August 10th, 2016 at 7:00 p.m. at City Hall within the Council Chambers.
6. Notice of the Conditional Use Permit request was published within the Isanti- County News on Wednesday, July 27th, 2016. Notices were sent to all property owners located within 350 feet of the subject property.
7. Section 21, Article 2: Conditional Use Permits, Subdivision 3 (D) of the Zoning Ordinance establishes factors that the judgment of the Planning Commission shall be based upon when reviewing a Conditional Use Permit request as well as Section 21, Article 2: Conditional Use Permits, Subdivision 4 General Performance Standards of the Zoning Ordinance establishes additional general standards that shall be used to evaluate any proposed conditional use permit request.

Conclusions

1. In review of the standards established in Section 18, Subdivision 7, the following conclusions have been made (*conclusions to each requirement are shown in underlined italics)*:
   - A. Consistency with the elements and objectives of the City's development guides, including the Comprehensive Plan.
     As outlined within the staff memo, the elements of the project would appear to meet the requirements of the zoning ordinance and the intent of the land use designation in which the property is located.
   - B. Consistency with City Codes.
     Overall, the proposal appears to be consistent with city codes and ordinances. The plans provided would appear to meet the minimum requirements set by the zoning ordinance (setbacks, parking, landscaping, lighting, etc).
   - C. Preservation of the site in its natural state to the extent practicable by minimizing tree and soil removal and designing grade changes to be in keeping with the general appearance of neighboring developed or developing areas.
     This is an existing site. There will be no physical changes to the property.
   - D. The amount and location of open space and landscaping.
     The amount of open space and landscaping are based upon the original site plan.
   - E. Vehicular and pedestrian circulation, including walkways, interior drives, and parking in terms of location and number of access points to the public streets, width of interior drives and access points, general interior circulation, separation of pedestrian and vehicular traffic and arrangement and amount of parking.
     The existing parking area meets the parking requirements set forth in Section 17 of the Zoning Ordinance.

F. Protection of adjacent and neighboring properties through reasonable provision of surface water drainage, sound and light buffers, preservation of views, lights, and air and those aspects of design not adequately covered by other regulations which may have substantial effects on neighboring land uses.
There will be no physical changes to the property. Motor vehicle displays are permitted within the General Commercial District. There are no residential properties nearby requiring additional screening.

G. Consistency with the City's Engineering and Design standards as adopted by Resolution of the City Council.
Not applicable.

2. In review of the standards established in Section 21, Article 2 Conditional Use (D); the following conclusions have been made (*conclusions to each requirement are shown in underlined italics)*: The Planning Commission shall hold a public hearing and consider possible adverse effects of the proposed Conditional Use. The judgment of the Planning Commission shall be based upon, but is not limited to the following factors:

A. The proposed action has been considered in relation to the specific policies and provisions of and has been found to be consistent with the goals and objectives of the Comprehensive Plan, including public facilities and capital improvement plans.
As noted, the proposed use for the site would be consistent with the goals and objectives of the comprehensive plan.

B. The proposed action meets the purpose and intent of this Ordinance and the underlying zoning district.
The proposed use a permitted conditional use. It fits the intent of the ordinance and underlying zoning district ("B-2" General Commercial District).

C. The establishment, maintenance or operation of the conditional use will promote and enhance the general public welfare and will not be detrimental or endanger the public health, safety, morals, or comfort.
The establishment of the conditional use does not appear to endanger the public health, safety, morals and comfort of the surrounding area or the community. The proposal follows the requirements further outlined in Section 13: Use Regulations for Motor Vehicle Sales.

D. The conditional use will not be injurious to the use and enjoyment of other property within the immediate vicinity for the purposes already permitted; nor substantially diminish or impair property values within the neighborhood.
The use of this property for motor vehicle sales shall abide by the conditions outlined in Section 13: Use Regulations for Motor Vehicle Sales.

E. The establishment of the conditional use will not impede the normal and orderly development and improvement of surrounding property for uses permitted in the district.
The use of this property for motor vehicle sales will not be detrimental to surrounding properties, nor will it impede normal and orderly growth.

F. Adequate public facilities and services are available or can be reasonably provided to accommodate the use which is proposed.
Adequate public facilities and services are existing and available.

G. The conditional use shall, in all other respects, conform to the applicable regulations of the district in which it is located.
The requested conditional use permit appears to conform to the applicable regulations required for the district and the performance standards outlined within the zoning ordinance. Conditions will be placed on the approval to ensure that the property is used in accordance to the ordinance requirements.

H. The conditional use complies with the general and specific performance standards as specified by within this Article.
These have been evaluated as part of the findings of fact; and can be found within this document.

3. In review of the standards established in Section 21, Article 2 Conditional Use, Subdivision 4 General Performance Standards; the following conclusions have been made (*conclusions to each requirement are shown in underlined italics)*:

A. The use and the site in question shall be served by a street of sufficient capacity to accommodate the type and volume of traffic which would be generated an adequate public right-of-way shall be provided.
This site is currently served by a street of sufficient capacity. The proposed conditional use will not change the type or volume of traffic flow for this site.

B. The site design for access and parking shall minimize internal as well as external traffic conflicts and shall be in compliance with Section 17 of this Ordinance.
Access and parking for this development are in compliance with Section 17 of this Ordinance.

C. If applicable, a pedestrian circulation system shall be clearly defined and appropriate provisions made to protect such areas from encroachment by parked or moving vehicles.
Not applicable.

D. Adequate off-street parking and off-street loading shall be provided in compliance with Section 17 of this Ordinance.
Access and parking for this development are in compliance with Section 17 of this Ordinance.

E. Loading areas and drive-thru facilities shall be positioned so as to minimize internal site access problems and maneuvering conflicts, to avoid visual or noise impacts on any adjacent residential use or district, and provided in compliance with Section 17 of this Ordinance.
Not applicable.

F. Whenever a non-residential use is adjacent to a residential use or district, a buffer area with screening and landscaping shall be provided in accordance with the provisions of Section 15 of this Ordinance.
Not applicable.

G. General site screening and landscaping shall be provided in compliance with Section 15 of this Ordinance.
Landscaping is existing and is consistent with the approved site plan for such building.

H. All exterior lighting shall be directed so as not to cast glare toward or onto the public right-of-way or neighboring residential uses or districts, and shall be in compliance with Section 14 of this Ordinance.
No additional lighting will be added.

I. The site drainage system shall be subject to the review and approval of the City Engineer.
Not applicable.

J. The architectural appearance and functional design of the building and site shall not be so dissimilar to the existing and potential buildings and area so as to cause a blighting influence. All sides of the principal and accessory structures are to have essentially the same or coordinated, harmonious exterior finish materials and treatment.
There will be no changes to the existing building.

K. Provisions shall be made for daily litter control, an interior location for recycling and trash handling and storage or an outdoor, enclosed receptacle area shall be provided in compliance with Section 14 of this Ordinance.
The refuse container is part of the existing building.

L. All signs and informational or visual communication devices shall be in compliance with Section 16 of this Ordinance.
There are no signage changes proposed.

M. The use and site shall be in compliance with any federal, state, or county laws or regulations that are applicable and any related permits shall be obtained and documented to the City.

The applicant will need to pull the appropriate permits and any appropriate fees must be paid for these permits and inspections completed by the appropriate staff person prior, during, and following construction if renovations are requested.

N. Any applicable business licenses mandated by City Code are approved and obtained.
Not applicable.

O. The hours of operation may be restricted when there is judged to be an incompatibility with a residential use or district.
Not applicable.

P. The use complies with the applicable performance standards of the zoning district in which it is located and where applicable, any non-conformity shall be eliminated.
All performance standards are to be met and maintained.

Q. Additional Stipulations. All conditions pertaining to a specific site are subject to change when the City Council, upon investigation in relation to a formal request, finds that the general public health, safety, and welfare, can be served as well or better by modifying or expanding the conditions set forth herein.

Decision

The Planning Commission held a public hearing on the item at the **August 10th, 2016** meeting. The meeting minutes shall be made part of the Findings of Fact.

Planning Commission Recommendation:

Motion by Kennedy second by Bergley to recommend approval of the request from Blake Jedneak, Soca Powersports, for Approval of a Conditional Use Permit to allow for Motor Vehicle Sales within the Dual Square Mall located at 401 East Dual Blvd NE, Isanti, Minnesota based on the Finding of Fact and Conclusions with the following conditions:

1. Services and sales are associated with a principal building with a minimum floor area of at least one thousand (1,000) square feet.
2. All area of the property not devoted to building, parking, or open sales lot area shall be landscaped in accordance with Section 15 of this Ordinance.
3. Off-street parking and loading shall meet the requirements as stipulated within Section 17 of this Ordinance.
4. All new or used vehicles parked or displayed outdoors on the property shall conform to all requirements of the State of Minnesota; shall be operable; shall include all engine, muffler, brakes, and operating parts; shall be equipped with all exterior body parts as if new (for a passenger vehicle, truck or van, this shall mean four (4) tires, all doors and windows, headlamps and grillwork, mirrors, fenders, trunk, lids, body panels and molding, etc, or if a boat, all windshields, safety railings, hulls, trailer, etc.); shall be uniformly and wholly painted; and shall be free from having any loose or damaged exterior parts.
5. All repair, assembly, disassembly or maintenance of motor vehicles or motor vehicle parts shall occur within an enclosed building.
6. A detailed site plan conforming to the requirements of Section 18 of this Ordinance shall be submitted. The site plan shall also illustrate the location of all open sales and storage areas.
7. No outside speaker system shall be permitted without the approval from the City Council.
8. A landscaped buffer shall be provided, if the use abuts any residential zoning district. Solid screening to a minimum height of six (6) feet shall be provided along any portion of the open sales lot abutting a residential property or district. Such screening shall consist of a continuous landscape berm, solid wood fence, wall, or other comparable material. Fencing shall be constructed of wood or comparable material and should be of an ornamental or decorative design. If a chain link or wood fence is used, landscaping shall be provided on the outside of the fence facing the abutting residential property or district.
9. Motor vehicle displays shall take up no more than two 9'x 19' parking stalls.

Motion carried unanimously.

Soca powersports & RC cars is located at 401 e dual blvd suite #110 isanti MN 55040 in the middle portion of dual square mall. We sell a variety of small motorized mainly kids items including ATV'S, Dirt Bikes, UTVs, etc. We also sell radio controlled RC cars, trucks, and parts. Our hours of operation are 6-9pm Monday and Wednesday, 9am-5pm on Saturdays. All motorized gasoline powered items are brand new and *have never been started. These items do not have gasoline in them.* When a customer purchases a gasoline motorized item it is the customers responsibility to bring the item home, fill it with gasoline, and start the item for the first time. None of the items are started or ran for the customer before purchasing unless it is off business property and would only be considered on private property. One UTV will be displayed in front of the store if allowed by the city. When the *business is closed the UTV is* to remain locked/chained down.

A Community For Generations.

Isanti

K.5.

Request for Council Action

To: Mayor Wimmer
Members of the City Council

From: Roxanne Achman, AICP
Community Development Director

Date: August 16, 2016

Subject: Request from the City of Isanti to Approve an Amendment to Zoning Ordinance 445 Opting Out of Minnesota State Statute 462.35.93 which Permit and Regulate Temporary Family Health Care Dwellings.

Background

On May 12, 2016, Gov. Dayton signed, into law, a bill creating a new process for landowners to place mobile residential dwellings on their property to serve as a temporary family health care dwelling. Community desire to provide transitional housing for those with mental or physical impairments and the increased need for short term care for aging family members served as the catalysts behind the legislature taking on this initiative. The resulting legislation sets forth a short term care alternative for a "mentally or physically impaired person", by allowing them to stay in a "temporary dwelling" on a relative's or caregiver's property.

The structures can be no more than 300sf and are limited to 6 months, with a one-time 6-month renewal option. One structure per property. Structures must be connected to sewer and water.

Staff is concerned that these structures are set up to be fairly permanent which could lead to issues in getting them removed after the permit expired. There is also the concern of reviewing medical documents to determine if an individual is eligible for a permit.

The law requires that cities follow and implement the new law unless the City chooses to pass an ordinance opting out of it. The LMC has provided a model ordinance for opting out. Andover was once of the first Cities to adopt an ordinance to opt out. Staff have been in contact with them regarding the process. It was added to their General Zoning Provisions (Section 4 of Isanti's Zoning Code) The law goes into effect September 1, 2016, so it would be best to decide whether the City would like to opt out prior to that date.

Staff Request

To consider recommending approval of the attached ordinance amending Zoning Ord. 445, Section 4 General Provisions.

Planning Commission Recommendation:

Motion by Bergley second by Cesafsky to recommend approval of the request from the City of Isanti to Approve an Amendment to Zoning Ordinance 445 Opting Out of Minnesota State Statute 462.35.93 which Permit and Regulate Temporary Family Health Care Dwellings bases on the Findings of Fact and Conclusions. Motion carried unanimously.

ORDINANCE NO.

AN ORDINANCE AMENDING ORDINANCE 445 ZONING; SECTION 4 GENERAL PROVISIONS; SUBDIVSION 3 BUILDING RESTRICTIONS TO OPT-OUT OF THE REQUIREMENTS OF MINNESOTA STATUTES, SECTION 462.3593

THE CITY OF ISANTI DOES ORDAIN:

I. AMENDMENTS

Ordinance 445 Zoning, Section 4: General Provisions, Subdivision 2 Building Restrictions is hereby amended to read as follows:

A. No cellar, garage, tent, or accessory building shall at anytime be used as an independent residence or dwelling unit, temporarily or permanently.

B. Existing basements used as an independent dwelling unit shall have the status of a nonconforming use, subject to the provisions of Section 19 of this Ordinance and to applicable building codes.

C. Except in the case of Planned Unit Developments and multi-family developments as provided in this Ordinance, not more than one (1) principal building shall be located on a lot. The words "principal building" shall be given their common, ordinary meanings, in case of doubt or on any question or interpretation; the decisions of the Zoning Administrator shall be final, subject to the right of appeal to the City Council.

D. Temporary Habitations. Temporary dwellings including travel trailers, campers, tents, recreational vehicles, and other vehicles or structures which are adaptable for living and may be reasonably transported may be used for dwelling purposes for a period not to exceed thirty (30) consecutive days in any twelve (12) month period. Only one (1) temporary dwelling may be placed on a parcel or lot.

E. Pursuant to authority granted by Minnesota Statutes, Section 462.3593, subdivision 9, the City of Isanti opts-out of the requirements of Minn. Stat. §462.3593, which defines and regulates Temporary Family Health Care Dwellings.

~~E.~~F.Moved Buildings. No building shall at anytime be moved into or within the City without being issued a building permit and without being in compliance with City ordinances. Any building or structure being moved into the City shall be required to notify City staff as to the date, time and route of such a move.

~~F.~~G.Height Exceptions. The building height limits established shall not apply to belfries, cupolas, domes, spires, monuments, airway beacons, radio towers, flag poles, chimneys or flues; nor to elevators, watertanks, poles, towers, or other structures for essential service; nor to agricultural structures for essential service; nor to similar structures extending above the roof of any building, nor to necessary mechanical appurtenances.

~~G.~~H.General Building Standards. Unless specified elsewhere within this Ordinance, the following standards shall apply to all residential structures:

1. The length of a residential structure shall not exceed three (3) times the width, excluding the garage.
2. A permanent, full perimeter foundation that complies with building code requirements shall be provided with frost footings.
3. All residential structures, including manufactured homes, must comply with building code requirements for single-family detached dwellings.

4. All manufactured homes shall have available for inspection, manufacturer's instructions specifying how said dwelling is to be situated on a permanent foundation.
5. Unless located in a designated manufactured home development subject to standards as provided within this Ordinance, all manufactured homes located within a residential district shall comply with the provisions of the underlying zoning district.

~~H.~~I. Minimum Ground Floor Area. All dwellings must have a ground floor area of at least five hundred (500) square feet, unless stipulated otherwise within this Ordinance.

~~I.~~J. Buildings or structures consisting of pole type construction are prohibited in all zoning district classifications.

II. EFFECTIVE DATE

This ordinance shall take effect upon its adoption and publication in the City's Official Newspaper.

Adopted by the City Council this 16th day of August 2016.

(SEAL)

FINDINGS OF FACT AND CONCLUSION

Request

Request from the City of Isanti to Approve an Amendment to Zoning Ordinance 445 Opting Out of Minnesota State Statute 462.35.93 which Permit and Regulate Temporary Family Health Care Dwellings

Findings of Fact

1. The Development and Operations Advisory Committee requested the Planning Commission review an amendment to Section 4 General Provisions of the Zoning Ordinance at their regularly scheduled meeting on July 21st, 2016.
2. On May 12, 2016 Governor Dayton signed, into law, a bill creating a new process for landowners to place mobile residential dwellings on their property to serve as a temporary family health care dwelling.
3. The law exempts these dwellings from typical zoning authority and requires cities to approve them within 15 days.
4. The law would create higher densities by allowing two dwelling units on lots zoned for one dwelling unit.
5. The structure does not have to meet state building, plumbing, electrical code or building permit requirements.
6. There are no provisions for permit administration, inspections or enforcement action, to include an escrow for the cost of bringing the property back into compliance once the permit expires.
7. The law includes a provision for cities to opt out of the requirement through an ordinance.
8. The law goes into full effect September 1, 2016.
9. While the intent of the Ordinance remains intact, amendments must be made to the Ordinance regulations to ensure that the appropriate requirements are being used.
10. Notification of the public hearing was provided for within the City's official newspaper on Wednesday, July 27th, 2016.
11. The Planning Commission reviewed the requested text amendment to the Zoning Ordinance during a public hearing held at their regularly scheduled meeting on August 10th, 2016.

Conclusions

1. In review of the Ordinance requirements provided for within Section 21, Article 1 Amendments (Text and Map), Subdivision 4 (D), the following conclusions have been made *(conclusions to each requirement have been shown in underlined italics):*
   a. The proposed action has been considered in relation to the specific policies and provisions of and has been found to be consistent with the City Comprehensive Plan, including public facilities and capital improvement plans.
   The ordinance amendment helps to protect the future development of Isanti, which is consistent with the City's Comprehensive Plan.
   b. The proposed action meets the purpose and intent of this Ordinance or in the case of a map amendment; it meets the purpose and intent of the individual district.
   The ordinance amendment adds a critical provision regarding temporary dwellings.
   c. There is adequate infrastructure available to service the proposed action.
   Not applicable.
   d. There is an adequate buffer or transition provided between potentially incompatible districts.
   Not applicable.

Decision

The Planning Commission held a public hearing on the item at the **August 10th, 2016** meeting. The meeting minutes, staff memo, and attachments shall be made a part of the Findings of Fact and Conclusions.

9-=Planning Commission Recommendation:

Motion by Bergley second by Cesafsky to recommend approval of the request from the City of Isanti to Approve an Amendment to Zoning Ordinance 445 Opting Out of Minnesota State Statute 462.35.93 which Permit and Regulate Temporary Family Health Care Dwellings bases on the Findings of Fact and Conclusions. Motion carried unanimously.

Temporary Family Health Care Dwellings of 2016

Allowing Temporary Structures – What it means for Cities

Introduction:

On May 12, 2016, Gov. Dayton signed, into law, a bill creating a new process for landowners to place mobile residential dwellings on their property to serve as a temporary family health care dwelling.[1] Community desire to provide transitional housing for those with mental or physical impairments and the increased need for short term care for aging family members served as the catalysts behind the legislature taking on this initiative. The resulting legislation sets forth a short term care alternative for a "mentally or physically impaired person", by allowing them to stay in a "temporary dwelling" on a relative's or caregiver's property.[2]

Where can I read the new law?

Until the state statutes are revised to include bills passed this session, cities can find this new bill at 2016 Laws, Chapter 111.

Does the law require cities to follow and implement the new temporary family health care dwelling law?

Yes, unless a city opts out of the new law or currently allows temporary family health care dwellings as a permitted use.

Considerations for cities regarding the opt-out?

These new temporary dwellings address an emerging community need to provide more convenient temporary care. When analyzing whether or not to opt out, cities may want to consider that:

- The new law alters a city's level of zoning authority for these types of structures.
- While the city's zoning ordinances for accessories or recreational vehicles do not apply, these structures still must comply with setback requirements.
- A city's zoning and other ordinances, other than its accessory use or recreational vehicle ordinances, still apply to these structures. Because conflicts may arise between the statute and a city's local ordinances, cities should confer with their city attorneys to analyze their current ordinances in light of the new law.

---

[1] 2016 Laws, Chapter 111.

[2] Some cities asked if other states have adopted this type of law. The only states that have a somewhat similar statute at the time of publication of this FAQ are North Carolina and Virginia. It is worth noting that some states have adopted Accessory Dwelling Unit (ADU) statutes to allow granny flats, however, these ADU statutes differ from Minnesota's Temporary Health Care Dwelling law.

145 UNIVERSITY AVE. WEST

TOLL FREE: (800) 925-1122 WEB: WWW.LMC.ORG

- Although not necessarily a legal issue for the city, it seems worth mentioning that the permit process does not have the individual with the physical or mental impairment or that individual's power of attorney sign the permit application or a consent to release his or her data.
- The application's data requirements may result in the city possessing and maintaining nonpublic data governed by the Minnesota Government Data Practices Act.
- The new law sets forth a permitting system for both cities and counties[3]. Cities should consider whether there is an interplay between these two statutes.

Do cities need to do anything to have the new law apply in their city?

No, the law goes into effect Sept. 1, 2016 and automatically applies to all cities that do not opt out or don't already allow temporary family health care dwellings as a permitted use under their local ordinances.

Do cities lose the option to opt out after the Sept. 1, 2016 effective date?

No, the law does not set a deadline for opting out, so cities can opt out after Sept. 1, 2016. However, if the city has not opted out by Sept. 1, 2016, then the city must not only have determined a permit fee amount[4] before that date (if the city wants to have an amount different than the law's default amount), but also must be ready on that date to accept applications and process the permits in accordance with the short timeline required by the law. Cities should consult their city attorney to analyze how to handle applications submitted after Sept. 1, 2016, but still pending at the time of a later opt out.

What if a city already allows a temporary family health care dwelling as a permitted use?

If the city already has designated temporary family health care dwellings as a permitted use, then the law does not apply and the city follows its own ordinance. The city should consult its city attorney for any uncertainty about whether structures currently permitted under existing ordinances qualify as temporary family health care dwellings.

What process should the city follow if it chooses to opt out of this statute?

Cities that wish to opt out of this law must pass an ordinance to do so. The statute does not provide clear guidance on how to treat this opt-out ordinance. However, since the new law adds section 462.3593 to the land use planning act (Minn. Stat. ch. 462), arguably, it may represent the adoption or an amendment of a zoning ordinance, triggering the requirements of Minn. Stat. § 462.357, subd. 2-4, including a public hearing with 10-day published notice. Therefore, cities may want to err on the side of caution and treat the opt-out ordinance as a zoning provision.[5]

---

[3] See Minn. Stat. §394.307

[4] Cities do have flexibility as to amounts of the permit fee. The law sets, as a default, a fee of $100 for the initial permit with a $50 renewal fee, but authorizes a city to provide otherwise by ordinance.

[5] For smaller communities without zoning at all, those cities still need to adopt an opt-out ordinance. In those instances, it seems less likely that the opt-out ordinance would equate to zoning. Because of the ambiguity of the

Does the League have a model ordinance for opting out of this program?

Yes. Link to opt out ordinance here: Temporary Family Health Care Dwellings Ordinance

Can cities partially opt out of the temporary family health care dwelling law?

Not likely. The opt-out language of the statute allows a city, by ordinance, to opt out of the requirements of the law but makes no reference to opting out of parts of the law. If a city wanted a program different from the one specified in statute, the most conservative approach would be to opt out of the statute, then adopt an ordinance structured in the manner best suited to the city. Since the law does not explicitly provide for a partial opt out, cites wanting to just partially opt out from the statute should consult their city attorney.

Can a city adopt pieces of this program or change the requirements listed in the statute?

Similar to the answer about partially opting out, the law does not specifically authorize a city to alter the statutory requirements or adopt only just pieces of the statute. Several cities have asked if they could add additional criteria, like regulating placement on driveways, specific lot size limits, or anchoring requirements. As mentioned above, if a city wants a program different from the one specified in the statute, the most conservative approach would involve opting out of the statute in its entirety and then adopting an ordinance structured in the manner best suited to the city. Again, a city should consult its city attorney when considering adopting an altered version of the state law.

What is required in an application for a temporary family health care dwelling permit?

The mandatory application requests very specific information including, but not limited to:[6]

- Name, address, and telephone number of the property owner, the resident of the property (if different than the owner), and the primary care giver;
- Name of the mentally or physically impaired person;
- Proof of care from a provider network, including respite care, primary care or remote monitoring;
- Written certification signed by a Minnesota licensed physician, physician assistant or advanced practice registered nurse that the individual with the mental or physical impairment needs assistance performing two or more "instrumental activities of daily life;"[7]

---

statute, cities should consult their city attorneys on how best to approach adoption of the opt-out ordinance for their communities.

[6] New Minn. Stat. § 462.3593, subd. 3 sets forth all the application criteria.

[7] This is a term defined in law at Minn. Stat. § 256B.0659, subd. 1(i) as "activities to include meal planning and preparation; basic assistance with paying bills; shopping for food, clothing, and other essential items; performing household tasks integral to the personal care assistance services; communication by telephone and other media; and traveling, including to medical appointments and to participate in the community."

- An executed contract for septic sewer management or other proof of adequate septic sewer management;
- An affidavit that the applicant provided notice to adjacent property owners and residents;
- A general site map showing the location of the temporary dwelling and the other structures on the lot; and
- Compliance with setbacks and maximum floor area requirements of primary structure.

The law requires all of the following to sign the application: the primary caregiver, the owner of the property (on which the temporary dwelling will be located) and the resident of the property (if not the same as the property owner). However, neither the physically disabled or mentally impaired individual nor his or her power of attorney signs the application.

Who can host a temporary family health care dwelling?

Placement of a temporary family health care dwelling can only be on the property where a "caregiver" or "relative" resides. The statute defines caregiver as "an individual, 18 years of age or older, who: (1) provides care for a mentally or physically impaired person; and (2) is a relative, legal guardian, or health care agent of the mentally or physically impaired person for whom the individual is caring." The definition of "relative" includes "a spouse, parent, grandparent, child, grandchild, sibling, uncle, aunt, nephew or niece of the mentally or physically impaired person. Relative also includes half, step and in-law relationships."

Is this program just for the elderly?

No. The legislature did not include an age requirement for the mentally or physically impaired dweller. [8]

Who can live in a temporary family health care dwelling and for how long?

The permit for a temporary health care dwelling must name the person eligible to reside in the unit. The law requires the person residing in the dwelling to qualify as "mentally or physically impaired," defined as "a person who is a resident of this state and who requires assistance with two or more instrumental activities of daily living as certified by a physician, a physician assistant, or an advanced practice registered nurse, licenses to practice in this state." The law specifically limits the time frame for these temporary dwellings permits to 6 months, with a one-time 6 month renewal option. Further, there can be only one dwelling per lot and only one dweller who resides within the temporary dwelling

[8] The law expressly exempts a temporary family health care dwelling from being considered "housing with services establishment", which, in turn, results in the 55 or older age restriction set forth for "housing with services establishment" not applying.

What structures qualify as temporary family health care dwellings under the new law?

The specific structural requirements set forth in the law preclude using pop up campers on the driveway or the "granny flat" with its own foundation as a temporary structure. Qualifying temporary structures must:

- Primarily be pre-assembled;
- Cannot exceed 300 gross square feet;
- Cannot attach to a permanent foundation;
- Must be universally designed and meet state accessibility standards;
- Must provide access to water and electrical utilities (by connecting to principal dwelling or by other comparable means[9]);
- Must have compatible standard residential construction exterior materials;
- Must have minimum insulation of R-15;
- Must be portable (as defined by statute);
- Must comply with Minnesota Rules chapter 1360 (prefabricated buildings) or 1361 (industrialized/modular buildings), "and contain an Industrialized Buildings Commission seal and data plate or to American National Standards Institute Code 119.2"[10]; and
- Must contain a backflow check valve.[11]

Does the State Building Code apply to the construction of a temporary family health care dwelling?

Mostly, no. These structures must meet accessibility standards (which are in the State Building Code). The primary types of dwellings proposed fall within the classification of recreational vehicles, to which the State Building Code does not apply. Two other options exist, however, for these types of dwellings. If these structures represent a pre-fabricated home, the federal building code requirements for manufactured homes apply (as stated in Minnesota Rules, Chapter 1360). If these structures are modular homes, on the other hand, they must be constructed consistent with the State Building Code (as stated in Minnesota Rules, Chapter 1361).

What health, safety and welfare requirements does this new law include?

Aside from the construction requirements of the unit, the temporary family health care dwelling must be located in an area on the property where "septic services and emergency vehicles can gain access to the temporary family health care dwelling in a safe and timely manner."

What local ordinances and zoning apply to a temporary health care dwelling?

The new law states that ordinances related to accessory uses and recreational vehicle storage and parking do not apply to these temporary family health care dwellings.

---

[9] The Legislature did not provide guidance on what represents "other comparable means".
[10] ANSI Code 119.2 has been superseded by NFPA 1192. For more information, the American National Standards Institute website is located at https://www.ansi.org/.
[11] New Minn. Stat. § 462.3593, subd. 2 sets forth all the structure criteria.

However, unless otherwise provided, setbacks and other local ordinances, charter provisions, and applicable state laws still apply. Because conflicts may arise between the statute and one or more of the city's other local ordinances, cities should confer with their city attorneys to analyze their current ordinances in light of the new law.

What permit process should cities follow for these permits?

The law creates a new type of expedited permit process. The permit approval process found in Minn. Stat. § 15.99 generally applies; however, the new law shortens the time frame within which the local governmental unit can make a decision on the permit. Due to the time sensitive nature of issuing a temporary dwelling permit, the city does not have to hold a public hearing on the application and has only 15 days (rather than 60 days) to either issue or deny a permit. For those councils that regularly meet only once a month, the law provides for a 30-day decision. The law specifically prohibits cities from extending the time for making a decision on the permit application. The new law allows the clock to restart if a city deems an application incomplete, but the city must provide the applicant written notice within five business days of receipt of the application identifying the missing information.

Can cities collect fees for these permits?

Cities have flexibility as to amounts of the permit fee. The law sets the fee at $100 for the initial permit with a $50 renewal fee, unless a city provides otherwise by ordinance

Can cities inspect, enforce and ultimately revoke these permits?

Yes, but only if the permit holder violates the requirements of the law. The statute allows for the city to require the permit holder to provide evidence of compliance and also authorizes the city to inspect the temporary dwelling at times convenient to the caregiver to determine compliance. The permit holder then has sixty (60) days from the date of revocation to remove the temporary family health care dwelling. The law does not address appeals of a revocation.

How should cities handle data it acquires from these permits?

The application data may result in the city possessing and maintaining nonpublic data governed by the Minnesota Government Data Practices Act. To minimize collection of protected heath data or other nonpublic data, the city could, for example, request that the required certification of need simply state "that the person who will reside in the temporary family health care dwelling needs assistance with two or more instrumental activities of daily living", without including in that certification data or information about the specific reasons for the assistance, the types of assistance, the medical conditions or the treatment plans of the person with the mental illness or physical disability. Because of the complexities surrounding nonpublic data, cities should consult their city attorneys when drafting a permit application.

Should the city consult its city attorney?

Yes. As with any new law, to determine the potential impact on cities, the League recommends consulting with your city attorney.

Where can cities get additional information or ask other questions.

For more information, contact Staff Attorney Pamela Whitmore at pwhitmore@lmc.org or LMC General Counsel Tom Grundhoefer at tgrundho@lmc.org. If you prefer calling, you can reach Pamela at 651.281.1224 or Tom at 651.281.1266.

Request for City Council Action

To: Mayor Wimmer
Members of the City Council

From: Roxanne Achman
Community Development Director

Date: August 16, 2016

Subject: A Resolution Setting a Public Hearing to Vacate an Ingress and Egress Easement and a portion of a Drainage and Utility Easement within Lot 2, Block 1, Isanti Commons Second Addition.

Background

Lot 2, Block 1, Isanti Commons Second Addition is the lot located just south of the Coborn's grocery store. The lot contains a 66-foot ingress/egress drainage and utility easement on the west side of the property. In order to prepare this property for development, the ingress and egress easement needs to be completely vacated and all but ten feet on the north, south and west sides of the drainage and utility easement need to be vacated. This easement was put in place many years ago to allow for access to certain properties which are now accessible via Broadway St SE and 6th Ave NE.

Vacations require a 30-day notice prior to the public hearing.

Staff Request

Set a public hearing for Tuesday, September 20th, 2016.

CITY OF ISANTI
COUNTY OF ISANTI
STATE OF MINNESOTA

RESOLUTION NO. 2016-

A RESOLUTION SETTING A PUBLIC HEARING ON AN EASEMENT VACATION

THE CITY COUNCIL OF THE CITY OF ISANTI, MINNESOTA DOES HEREBY RESOLVE AS FOLLOWS:

WHEREAS, the City Council of the City of Isanti pursuant to Minnesota Statute 412.851 desires to consider the vacation of an easement legally described as:

That part of Lot 2, Block 1, ISANTI COMMONS SECOND ADDITION, Isanti County, Minnesota, described as follows:

The South 66 feet of that part of the NE ¼ of SW ¼ lying Easterly of the Easterly right of way line of State Trunk Highway No. 65, as measured at right angles to the south line of said NE ¼ of SW ¼, Isanti County, Minnesota

AND

That part of the South 295 feet of the NE ¼ of SW ¼ (as measured at right angles to the south line of said NE ¼ of SW ¼), lying Easterly of the Easterly right of way line of State Trunk Highway No. 65 and lying Westerly of a line drawn parallel with and distant 66 feet Easterly of said Easterly right of way line of State Trunk Highway No. 65, (as measured at right angles to said easterly right of way line).

EXCEPT

The north, south and west 10.00 feet of said Lot 2 drainage and utility easement only, as measured at right angles to north, south and west lines of said Lot 2.

NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ISANTI, COUNTY OF ISANTI, MINNESOTA:

1. The Council will consider the vacation of such easement and a public hearing shall be held on such proposed vacation(s) on the 20th day of September 2016, before the City Council in the City Hall located at 110 First Avenue NW at 7:00 p.m.
2. The City Clerk is hereby directed to give published, posted and mailed notice of such hearing as required by law.

Passed by the City Council this 16th day of August 2016.

_____
George A. Wimmer, Mayor

ATTEST:

MEMO

Request for City Council Action

To: **Mayor Wimmer and City Council Members**
From: Chief Gene C. Hill
Date: August 9, 2016
Subject: **$32,375.00 Safe and Sober Grant Acceptance**

Background:
The City Council had authorized the Chief of Police to apply for the Safe and Sober Grant Acceptance in June of 2016. This grant provides extra patrol and heightened enforcement for seatbelt usage, DUI enforcement and speeding violations which all tend to be the most dangerous actions that lead to injury and death of the motoring public.

Action:
I am requesting that the City Council accept the $32,375.00 grant award from the Minnesota Department of Public Safety – Office of Traffic Safety – Safe and Sober Grant Program, on behalf of the Police Department.

RESOLUTION NO. 2016-_____

RESOLUTION AUTHORIZING STAFF TO ACCEPT THE MINNESOTA DEPARTMENT OF PUBLIC SAFETY – OFFICE OF TRAFFIC SAFETY - SAFE AND SOBER GRANT PROGRAM

WHEREAS, the Isanti Police Department had the opportunity to apply for the Minnesota Department of Public Safety – Office of Traffic Safety – Safe and Sober Grant Program; and

WHEREAS, the Police Department makes use of grant opportunities to provide better service to the community; and

WHEREAS, the City of Isanti Police Department was awarded the grant to enhance existing enforcement practices.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to authorize the acceptance of the Minnesota Department of Public Safety – Office of Traffic Safety – Safe and Sober Program in the amount of $32,375.00.

This resolution was duly adopted by the Isanti City Council this 16th day of August, 2016.

Attest:

_____
Mayor George A. Wimmer

City of Isanti
Economic Development Authority
Regular Meeting Minutes of
July 5, 2016
Isanti City Hall

1. Call to Order

The meeting was called to order by President Wimmer at 7:24 p.m.

a. Pledge of Allegiance

b. Roll Call

Commissioners Present: George Wimmer, Keith Dragisich, Ross Lorinser, Dan Collison, Paul Bergley and Tara Hallberg

Commissioners Absent: Steve Lundeen

Staff Present: Economic Development Director Sean Sullivan

c. Agenda Modifications

2. Approval of Agenda

Motion to approve Agenda as presented by Lorinser, second by Collison, motion carried unanimously.

3. Approve Minutes of June 7, 2016 Regular Economic Development Meeting

Motion by Lorinser second by Bergley to approve the minutes for June 7, 2016. Motion carried unanimously.

4. Consider Adoption of Resolution 2016-2 RESOLUTION ORGANIZING THE ECONOMIC DEVELOPMENT AUTHORITY OF THE CITY OF ISANTI MINNESOTA

Motion by Lorinser second by Bergley to approve the resolution organizing the economic development authority of the city of Isanti, Minnesota. Motion carried unanimously.

5. Hotel and Isanti Tourism Discussion

Economic Development Director Sullivan introduced Economic Development Intern Skalicky. Skalicky spoke to the risks and profits of a city owned hotel. She highlighted the fact that the majority of municipal hotels had a larger population and different draws than Isanti. Skalicky spoke to the incentives from cities to finance a hotel. She pointed to the feasibility and exit strategies for cities who own hotels. Skalicky gave examples of high attendance events held annually in the City

of Isanti. She noted what competitors were offering, what other amenities could be provided for guests, the benefits of these amenities to residents, and what partnerships could be made. She highlighted the occupancy rates in the region as compared to that of what the hotel would have to have. She spoke to the risks of an underperforming hotel and the courses of action the city would need to take. She noted what other factors should be considered.

President Wimmer asked if the smaller communities were in a larger area or more stand-alone communities. Skalicky stated that example was from Myrtle Beach. Discussion ensued about the area and why the city chose to get involved.

Sullivan asked if there were any questions in regards to anything they heard.

Bergley asked if there were examples of exit strategies from hotels that weren't successful. President Wimmer noted that those examples were in the text. Skalicky confirmed that those were direct examples.

Dragisich asked if the occupancy came from the survey. Sullivan pointed to the different specific occupancy levels in the state, and from the specific region in the IDM Survey. President Wimmer spoke to the better information we will gain from the EIC survey.

Dragisich asked about previously interested investors. Discussion on this came from President Wimmer and Sullivan.

Sullivan talked about how to market the area, and the event surveys. He speculated on how to get the information out to businesses in the area and show them what profits they could be making. President Wimmer also speculated on how the information could benefit business owners and the City of Isanti in general.

Collison wondered at the willingness of businesses in Isanti to market their business versus businesses in other areas. Discussion followed on getting businesses to market themselves at events, and provide incentives to keep the spending by visitors in the City of Isanti, and how to provide the materials to the visitors.

Lorinser asked about the survey and whether we already had survey data or occupancy rates on event weekends in the region. President Wimmer stated it would be simple to call hotels prior to events to see if they were booked to capacity. He also touched on what could be booked by the event coordinators if there was a hotel closer to the complexes. Discussion followed on retaining events in the city, drawing in new events, and how many people from the events booked a hotel room.

Motion by Bergley second by Collison to ask the North 65 Chamber to support the City of Isanti getting a hotel. Motion carried unanimously.

Motion by Collison second by Bergley to research a City of Isanti Gift Bag. Motion carried unanimously.

5. Other Business / Updates / Communications

Economic Development Director Sullivan indicated that Isanti was working on CGI Video. The videographer will be in town July 7 and 8th.

Dragisich wondered what direction the city plans on going in since we have secured pharmacy, clinic and whether we should update the marketing plan. President Wimmer stated that he has been hearing many suggestions from the community and that the City has to continue to build. Sullivan said that they are also looking at more housing options, and there was a discussion on that. There was a discussion also on the amount of retail space the City has left and the cost of renting space.

Sullivan highlighted that the City is at 43 new single family housing permits which is 2 more than last year's total, and that more are in the works of being acquired.

Sullivan provided an update on NLX project. He indicated that the committee was on track to have all project planning and specifications complete by the end of 2017.

6. Adjournment

Bergley motioned, seconded by Collison to adjourn at 8:18 pm. Motion carried unanimously.

Dated at Isanti, Minnesota, this 5th day of July, 2016.

Respectively Submitted,

Sean M. Sullivan, Economic Development Director

CITY OF ISANTI
PLANNING COMMISSION
MEETING MINUTES
JULY 12, 2016

1. Meeting Opening.

A. Call to Order.

Duncan called the meeting to order at 7:00 p.m.

B. Pledge of Allegiance.

Everyone rose for the pledge of allegiance.

C. Roll Call.

Members Present: Jeff Duncan, Paul Bergley, Steve Lundeen, Wayne Traver, Greg Cesafsky, and Jim Kennedy.

Members Absent: None

Staff Present: Community Development Director, Roxanne Achman

Others Present: None

D. Agenda Modifications.

Achman stated she wanted to 5.A. to discuss the concept of an overlay district along the Highway 65 corridor.

2. Approval of Minutes from June 14, 2016 Planning Commission Meeting.

Duncan questioned if there were any comments or changes to the minutes.

Motion by Lundeen second by Kennedy to approve the June 14th, 2016 Planning Commission Meeting Minutes. Motion was unanimously approved.

3. Public Hearings.

A. Request from Bobby and Chad Bunes for an Interim Use Permit to allow for a pet grooming salon to be located within the Dual Square Mall located at 401 East Dual Blvd NE, Suite 114.

Duncan read the item into the minutes.

Achman presented the staff memo.

Duncan opened the public hearing. There was no one to speak on the matter. The public hearing was closed.

Motion by Lundeen second by Bergley to recommend approval of the request from Bobby and Chad Bunes for an Interim Use Permit to allow for the establishment of a pet grooming salon on the property located at 401 East Dual Blvd NE, Suite 114 based on the Findings of Fact and Conclusion with the following conditions:

1. The petitioner shall make application for and receive approval of any appropriate additional permits (building, plumbing, etc.) from the Building Official related to the business operation.
2. The petitioner shall obtain any necessary County or State licenses for the business; and copies of such shall be provided to the City.
3. The premises in which the animals will be kept and groomed shall be kept in a clean, sanitary, healthful, and humane manner at all times; and shall be open to inspection by the Animal Warden or other person charged with the enforcement of Chapter 87 of the Isanti City Code or any other health or sanitary regulation of the City at reasonable times. Failure to do so shall constitute grounds for the revocation of the Interim Use Permit.
4. Dogs shall be leashed at all times coming both to and from any vehicle arriving for an appointment.
5. The property shall be kept clean. All dog feces shall be picked up and removed from the property on a daily basis.
6. The Interim Use Permit is granted to Bobby and Chad Bunes for the property located at 401 East Dual Blvd NE. The Interim Use Permit shall terminate upon the occurrence of any of the following events; whichever comes first: (1) the sale or lease of the property to another renter or owner; (2) the use has been discontinued for one year; or (3) the City Council suspends or revokes the Interim Use Permit upon failure of the interim use to comply with the conditions of approval and/or the property or use is found to be in violation of other City Ordinances.

Motion carried unanimously.

4. Other Business.

A. Resolution and Ordinance to Amend Zoning Ordinance No. 445, Section 7 Business District, Subdivision 3 Conditional Uses to Correct an Inadvertent Omission of Motor Vehicle Sales.

Duncan read the item into the minutes.

Achman presented the staff memo.

Duncan asked if Motor Vehicles Sales were listed as a Condition Use in the B-2 District prior to the rewrite.

Achman confirmed that it was.

Motion by Bergley second by Cesafsky to recommend approval of a Resolution and Ordinance to Amend Zoning Ordinance No. 445, Section 7 Business District, Subdivision 3 Conditional Uses to Correct an Inadvertent Omission of Motor Vehicle Sales. Motion carried unanimously.

5. Discussion Items.

A. Discussion on a Highway 65 Overlay District.

Duncan read the item into the minutes.

Achman stated that with recent development occurring along Highway 65, staff has been discussing the importance of an overlay district. The overlay district would have enhanced requirements to ensure a nicer look along 65. Maybe the district only extends 500 feet out on each side of the highway and those properties need to have a certain type of façade, increased

landscaping, and certain uses typically allowed in the B-2 may not be permitted along this corridor. Maybe we prohibit businesses such as car dealerships and focus on retail/commercial and office along 65. Staff is requesting that the Planning Commission give some consideration to an overlay district.

Lundeen stated he doesn't want to see the City start limiting businesses on what they have to build. He stated he doesn't want to deter businesses from coming to Isanti. He agreed that he doesn't want to see them look trashy, but doesn't think stipulations should be placed on businesses and how they look. Lundeen felt this discussion was stemming from the Coborn's building and how blah it is. He further stated that the building was not constructed as shown in their drawings that were submitted to the City and approved. Lundeen stated he doesn't want to see the City put any stipulations on the buildings. He said he could understand some landscaping. The City already stipulates that it can't be a steel building or a pole structure. That's understandable, but he doesn't want to see the City start forcing decorative building.

Bergley asked if it was staff's intent to start forcing buildings to have a certain type of brick.

Achman stated the B-2 District currently has requirements for what can be on the exterior of a building; however, there are not limitations on the amount of material that can be used. For example, a building could have an exterior material of EFIS. It could span for 100 feet with nothing on it and meet our requirements. The overlay district would require that every 50 feet of building would need to be broken up to give the building more dimension and create a more visually pleasing structure. It could be broken up by windows or architectural features to break up the blank space. Landscaping could be included with this as well. The City currently has an overlay district in the downtown. Overlay districts are not uncommon along main corridors in many communities. It would also provide the City with the opportunity to discuss what uses may or may not fit along the corridor. The uses need to be appealing to people driving through the City.

Bergley asked if this discussion stemmed from Coborn's.

Achman stated that it's a number of projects. The city is getting more and more inquiries about properties along the Highway 65 corridor. There is a lot of land available. If the City wants to make a change and wants the City to look a certain way, now is the time to make some changes.

Lundeen stated that he doesn't want to tell people that they have to do something. He stated he thinks they get regulated enough. As business come into town they don't want to be told they have to put another $30,000 into their business just to be on 65.

Duncan stated that the question at hand seems to be whether the City wants special overlay restrictions or additional requirements along Highway 65 as opposed to the B-2 District.

Achman clarified that the B-2 District would remain the underlying zoning district. The corridor overlay would have special requirements in addition to the B-2 requirements.

Cesafsky asked if there were any more specifics on this type of overlay district. He asked if there were landscaping, or green space requirements, or is it specifically exterior materials.

Achman indicated she felt there could be more specific landscaping requirements. The current requirements are minimal and the City relies on the applicant to supply a landscaping plan verses the City giving the applicant an idea of what the City really wants. Overlay districts typically cover the amount of signage, which is already covered in code, the visual effects of the building, setbacks- the building should be closer to the road and parking behind, breaking up long spans of the building, screening loading doors, etc. It creates a more visually pleasing corridor.

Bergley asked if cost is taken into consideration when creating an ordinance like this.

Lundeen and Kennedy concurred that creating a better looking building costs more.

Duncan asked for clarification on where else in town there are properties zoned B-2.

Achman stated that there are a lot of B-2 properties along Heritage and within the Anlauf Commercial Park where the clinic is being built. She further stated that if an overlay corridor were created, it should only extend a certain distance out from Highway 65 so that it's only affecting properties directly on 65.

Traver questioned how important it was to have an overlay district. Do people really notice these things when they are driving? Can it just be dressed up with some landscaping?

Achman stated that it would be noticeable.

Lundeen made an example out of the O'Reilly Auto store in Cambridge, where people didn't seem to notice it being built even though it's on a main corridor.

Cesafsky asked if staff was referring more to appearance. He provided an example of how when Siren, Wisconsin was rebuilt after a tornado, most of the structures were rebuilt with a log appearance. He stated he assumed that wasn't all by choice. Cesafsky asked how many businesses already in place wouldn't meet the requirements of the corridor overlay.

Achman stated that the city wouldn't go to the extreme that we are choosing a specific look for our city as Siren, WI did. Staff is interested in holding a slightly higher standard that would prevent a bland building and would create more of an inviting feel to the City.

Lundeen stated he didn't think there were many lots remaining along Highway 65 that would affect the appearance of the corridor. He felt there would only be two or three more buildings.

Achman stated that she felt there were more than ten available sites remaining on Highway 65.

Lundeen stated that businesses everywhere are tired of being regulated. Businesses are going to go where they aren't regulated such as the townships.

Duncan felt that another approach would be to improve some of the requirements in the B-2 district rather than creating an overlay district.

Achman stated that the biggest obstacle with that is there are a number of uses allowed in the B-2 District that are not necessarily ideal to be placed along the Highway 65 corridor.

Cesafsky asked if the goal was to have more control over what type of business can be built there. Achman stated that was correct.

Duncan asked for examples those types of businesses.

Achman indicated that businesses such as auto sales or storage facilities wouldn't necessarily be the most desirable along the corridor.

Cesafsky stated that it would be good for the city to have more control over the premium pieces of property that are available in Isanti.

Lundeen indicated that he didn't think businesses like that would spend the money to purchase those locations. The price and taxes would make it cost prohibitive for some businesses to build there.

Cesafsky stated that with the development along the corridor; with the clinic and Coborn's; the corridor only has so many parcel of premium land and to have some control over what goes along the corridor isn't a bad thing.

Lundeen stated he would be more open to regulating what can and cannot be built along the corridor, rather than what the building needs to look like. He further stated that a discussion on façade gets into forcing someone to build something that goes over budget.

Achman stated she didn't think the requirements would be much different than what is in place now.

Duncan stated that it would be more about breaking up the long horizontal spans of the building.

Achman suggested bringing some ideas back to the Planning Commission to give them a better idea of what staff has in mind for a corridor overlay district.

The Commissioners agreed that staff is to bring back ideas to the next Planning Commission meeting.

6. Adjournment

Motion by Bergley second by Lundeen to adjourn the July 12th, 2016 meeting of the Planning Commission. Motion was unanimously approved.

The meeting adjourned at 7:23 p.m.

Dated at Isanti, Minnesota this 12th day of July 2016.

Respectfully submitted,

_____

MEMO

To: Mayor Wimmer and City Council

From: Don Lorsung, City Administrator

Date: August 9, 2016

Subject: Resolution approving an RFP for Labor Legal Services

---

With the increase of needed labor legal work for the City, staff has prepared a Request for Proposals (RFP) template for Labor Legal services. As with the Development Attorney RFP, we will advertise this locally and in the League of Minnesota Cities, and send out to recommended firms. The timeline for procurement of these services is as follows:

RFP Advertised:	August 17, 2016
Proposals Due:	September 8, 2016
Committee Review:	September 22, 2016
City Council Action:	October 4, 2016

The Personnel Committee has reviewed the draft RFP. Attached for your consideration is a Resolution approving the Request for Proposals.

RESOLUTION 2016-____

RESOLUTION APPROVING REQUEST FOR PROPOSALS FOR LABOR LEGAL SERVICES

WHEREAS, over time the City of Isanti has utilized labor attorney legal services provided by the City Attorney and other Labor Attorney firms as necessary for labor legal work; and,

WHEREAS, the City is facing increasing need for these professional services to the extent that the City needs a specific firm to provide these services; and,

WHEREAS, in light of this need staff has prepared a Request for Proposals to procure these services. The proposal has been reviewed by the Personnel Committee.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota:

1. Approval of the Request for Proposals for Labor Legal Services, attached as Exhibit "A".

2. Publication of notice of the Request for Proposals and distribution to seek proposals for such services from qualified consultants and firms.

This Resolution hereby approved by the Isanti City Council this 16th day of August, 2016.

Attest: Mayor George A. Wimmer

Lindsey McInnis
Human Resources/City Clerk

III.	PROPOSAL CONTENT	3
IV.	SERVICES/SCOPE OF WORK	
V.	PROPOSAL EVALUATION AND CONTRACT AWARD	5
VI.	CONTRACT EXECUTION	6
VII.	CITY INFORMATION	6

I. INTRODUCTION

This request has been prepared by the City of Isanti to retain the services of legal consultants / form for the following services:

- Legal Counsel/Consultants specializing in labor law and collective bargaining

II. INSTRUCTIONS FOR PROPOSERS

A. All legal firms shall submit 5 written copies and a PDF copy of their proposals to the City of Isanti.

B. All proposals must be submitted to:
Don Lorsung, City Administrator
dlorsung@cityofisanti.us

C. All proposals must be received no later than 4:30 p.m. Thursday, September 8, 2016.

III. PROPOSAL CONTENT

A. Title Page:
Show the RFP subject, the name of the firm, local address, telephone number, email, website, name of contact person and the date.

B. Table of Contents:
Include a clear identification of the material by section and page number.

C. Cover Letter
Please provide a letter of introduction, discussing the firm, and their interest in serving Isanti.

D. Proposal Content

1. The areas of expertise and general services available.
2. The general qualifications of the firm as related to the requested services.
3. The proposal should address service activities outlined in the scope of work in Section IV. The proposal should expand upon the items and set forth the firm's approach/ability to carry out each activity.
4. The name, experience and qualifications of the person who will be

primarily responsible for fulfilling the obligations as lead City Labor Attorney, and his or her designees who will serve in their absence.

5. The qualifications and resumes of all professional staff that will be responsible for providing legal services.
6. The availability of the aforementioned staff.
7. List and describe any previous or current experience in municipal labor and collective bargaining legal services, specify activities performed, and the name of a person who may be contacted at the municipality.
8. A list of previous or current activities performed for the City of Isanti.
9. Define any potential conflicts of interest the firm might have providing services to the City.
10. Describe your research capabilities, and the references that you utilize. Detail your capability to maintain a proper response time for legal reports and memos.

11. Provide a detailed description and explanation of all fees and/or charges that may arise for provided legal services. Rates should be clearly stated for all levels of staff expected to perform services.

12. Provide References from 4 communities. Include information describing consulting and project work with similar cities served by the firm.

IV. SERVICES / SCOPE OF WORK:

A. Special labor legal counsel will provide legal advice, legal consultation and perform the necessary negotiations or litigation on legal issues such as labor disputes, personnel issues, and other employee/human resources matters. As requested, labor counsel will assist and advise on mediation or arbitration, or litigation (if not covered by LMCIT). A lead Labor Attorney shall be named for the City, with any Associates to perform services in their absence, as proposed by the firm and approved by the City.

B. Advisor to the City Council, Committees and Staff: The Labor Attorney will meet with the City Council, Council Committees, or staff at the request of the City Administrator or Human Resources / City Clerk.

C. Collective Bargaining: The Labor Attorney will also provide counsel on matters relating to the City's collective bargaining with organized labor. As directed, the Labor Attorney may serve as the primary negotiator for the City on collective bargaining contracts

D. Miscellaneous Legal Issues: In addition, the Labor Attorney's office is involved in areas such as preparation of documents for grievances, mediations, arbitrations, court hearings or other legal work regarding labor relations or personnel matters, whether organized or non-bargaining.

V. PROPOSAL EVALUATION AND CONTRACT AWARD

A. The City intends to award a contract to the proposer(s) evaluated to be best qualified to perform the work for the City, cost and other factors considered.

B. Based upon the evaluation by staff, the Personnel Committee will recommend to the City Council the selection of the firm(s) judged to be the most responsive and responsible proposer for each position. The Personnel Committee may choose to conduct interviews of those firms they deem fit. The actual selection of the firm(s) and contract awards will be made by the City Council.

C. The City shall not be liable for any expenses incurred by the proposer including, but not limited to, expenses associated with the preparation of the proposal or final contract negotiations.

D. The City of Isanti reserves the right to reject any and all proposals or to request additional information from any or all proposers.

E. It is anticipated that the City will establish a relationship with a selected firm for a five (5) year term. A contract for this term will be prepared and entered into with the successful proposer.

VI. LEGAL SERVICES CONTRACT EXECUTION

A. Contract Negotiations –

Notwithstanding a contract award, the City reserves the right to negotiate the final terms and conditions of the contract to be executed. Should the City and the proposer(s), to whom the contract(s) is recommended to be awarded, be unable to mutually agree upon the entire contract, the City reserves the right to discontinue negotiations, select another proposer or reject all of the proposals. Upon completion of negotiations agreeable to the City and proposer, a contract shall be executed.

B. Contract Ethics –

1. No elected official or employee of the City who exercises any responsibilities in the review, approval or implementation of the proposal or contract shall participate in any decision which affects his or her direct or indirect personal or financial interest.
2. It is a breach of ethical standards for any person to offer, give or agree to give any City employee or Council person or for any City employee or Council person to solicit, demand, accept or agree to accept from another person or firm, a gratuity or an offer of employment whenever a consideration was motivated by an individual, group or corporate desire to obtain special, preferential, or more favorable treatment than is normally accorded to the general public.
3. The firm shall not assign any interest in this contract and shall not transfer any interest in the same without prior written consent of the City.
4. The firm shall not accept any client or project which, by nature, places it in an ethical conflict with its representation of the City of Isanti.

VII. CITY INFORMATION

A. Isanti is an actively developing city with a vibrant historic downtown, residential neighborhoods. With a current population of over 5,500 Isanti is continuing to grow and diversify its commercial and industrial base.

1. City Organization - The City of Isanti is as a statutory, Plan A City and has a Council/Administrator form of government. The City provides a full array of municipal services and general administrative functions. The City has two labor contracts. One is with L.E.L.S (Local#217) representing law enforcement personnel (Police Officers) and one is with I.U.O.E Local No.

49, representing Public Works personnel (Maintenance Technicians, Foreman). All other employees, work under the City Personnel Policy, and contracts (as applicable). The City has 30 full-time employees. Overall employment for the City of Isanti, including part-time employees is 49 F.T.E.

2. City Council - The Isanti City Council is the final review and approval authority regarding all contracts, payments, plans, improvements, policies, procedures, and other business of the City. The City Council, composed of the Mayor, and four City Councilors is the legislative and policy making body of the City. The Mayor, who presides over City Council meetings, is elected at large for a four-year term. The Councilmembers are also elected at large for four-year terms.

3. City Council meetings are held on the first and third Tuesday's of each month. Committee meetings, such as Finance and Personnel Committees, are held twice a month, currently on the first and third Thursdays of each month, typically starting at 8:30 a.m.

4. City Staff – The City Labor Attorney, depending on the project or matter at hand, will work directly with the City Administrator and/or Human Resources/City Clerk. In certain instances, the City Labor Attorney will need to work with the City Attorney.

   The City Administrator shall be the point of contact regarding services under this contract, and in the event clarification or further direction is needed by the Development Attorney.

L.5.

RESOLUTION NO. 2016-XXX

RESOLUTION OFFERING THE SEASONAL PARKS MAINTENANCE POSITION TO GENE WEST

WHEREAS, the City Council of the City of Isanti is required to approve all new employees; and

WHEREAS, the City Council approved to advertise and accept applications to fill a Seasonal Parks Maintenance position; and

WHEREAS, the Interviewing Panel selected Mr. Gene West as the most qualified candidate for the position.

NOW THEREFORE BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ISANTI, MINNESOTA AS FOLLOWS:

1. That Human Resources is directed to offer the Seasonal Parks Maintenance position to Mr. West upon completion of a successful background and reference check.
2. That Mr. West will begin work on or after August 17, 2016.
3. That West's seasonal employment will not exceed more than 67 working days within a twelve-month period and the terms and conditions of employment will adhere to all applicable provisions of the International Union of Operating Engineers, Local 49 contract with the City of Isanti in regards to temporary/seasonal employees.
4. Compensation for this position will be $9.50 per hour.
5. That Human Resources is directed to complete all required documentation for completion of this employment offer.
6. That Human Resources is directed to forward an executed copy of this resolution to the employee and place a copy in the employees' personnel file for future reference.

This resolution was duly adopted by the Isanti City Council this 16th day of August, 2016.

Regular Meeting Minutes of
August 3, 2016
Isanti City Hall

1. Call to Order

The meeting was called to order by President Wimmer at 7:45 p.m.

a. Pledge of Allegiance

b. Roll Call

Commissioners Present: George Wimmer, Keith Dragisich, Ross Lorinser, Dan Collison, Paul Bergley, Steve Lundeen and Tara Hallberg

Commissioners Absent: None

Staff Present: Economic Development Director Sean Sullivan

c. Agenda Modifications

2. Approval of Agenda

Motion to approve Agenda as presented by Lundeen, second by Collison, motion carried unanimously.

3. Approve Minutes of July 5, 2016 Regular Economic Development Meeting

Motion by Lundeen second by Collison to approve the minutes for July 5, 2016. Motion carried unanimously.

4. Consider Recommendation to Declare Garage at 100 Dahlin as Surplus Property

Economic Development Director Sullivan highlighted the history of the project. He asked the EDA if they still wanted to declare the property as surplus property in light of quotes received for the demolition and asbestos removal.

Discussion ensued.

Motion by Collison second by Hallberg to recommend to the City Council to declare the garage located at 100 Dahlin as surplus property. Motion carried unanimously.

5. Review Quotes or Bags for Local Marketing Effort

Economic Development Director Sullivan give a brief summation of the request by the EDA to look into City of Isanti "Goodie Bags" for community events. He went of the various bag types, costs and potential insert items. He asked the EDA for further input.

President Wimmer suggested a larger program that potentially would include "Isanti Bucks" or more buy in / collaboration from local businesses. He indicated that the City program would include all businesses which could potentially be more beneficial that a chamber program due to the fact that not all businesses are chamber members. He cited the farmers market bags and the level of participation by local businesses. He wanted to stress consistency and the fact that the program would "be there" annually.

Commissioner Dragisich stated that we needed buy in from businesses. The bags are only as successful as the items that are in it and we need a good participation rate from businesses.

Member Lorinser stated he attends many events including 5K runs and the "goodie bags" have great items in them. We would hope for the some level of items in our bags.

Member Lundeen said he was in favor of high quality, potentially reusable bags.

Motion by Collison second by Bergley to research a City of Isanti Gift Bag. Motion carried unanimously.

6. Other Business / Updates / Communications

President Wimmer updated the EDA on the Coborn's appearance modification and that SnoBear USA was moving along nicely.

Sullivan handed out housing market information showing trends for and that that City of Isanti is a leader in many areas.

Sean M. Sullivan, Economic Development Director

CITY OF ISANTI
PLANNING COMMISSION
MEETING MINUTES
AUGUST 10, 2016

M.2.

1. Meeting Opening.

A. Call to Order.

Duncan called the meeting to order at 7:00 p.m.

B. Pledge of Allegiance.

Everyone rose for the pledge of allegiance.

C. Roll Call.

Members Present: Jeff Duncan, Paul Bergley, Wayne Traver, Greg Cesafsky, and Jim Kennedy.

Members Absent: Steve Lundeen (prior notice given)

Staff Present: Community Development Director, Roxanne Achman

Others Present: None

D. Agenda Modifications.

Achman stated that item 3.B. has been withdrawn from the agenda. EverCat Fuels has decided to move their storage container into their existing outdoor storage area rather than expand the area to include the containers outside of it.

2. Approval of Minutes from July 12, 2016 Planning Commission Meeting.

Duncan questioned if there were any comments or changes to the minutes.

Motion by Bergley second by Traver to approve the July 12th, 2016 Planning Commission Meeting Minutes. Motion was unanimously approved.

3. Public Hearings.

A. Request from Blake Jedneak, Soca Powersports, for Approval of a Conditional Use Permit to allow for Motor Vehicle Sales within the Dual Square Mall located at 401 East Dual Blvd NE, Isanti, Minnesota.

Duncan read the item into the minutes.

Achman presented the staff memo.

Duncan opened the public hearing.

Bergley asked what a UTV was.

Kennedy stated it was a Utility Trail Vehicle.

Bergley wanted to make sure that Mr. Jedneak was aware that there would be no outdoor speaker system allowed.

Mr. Jedneak stated that he was not aware of that, but would not be using one.

Achman stated that one of the conditions of motor vehicle sales is that no outdoor speaker systems can be used. She further stated this is something that is more often requested by larger dealerships.

Bergley asked if there was another auto sales office in the Dual Square Mall.

Achman stated that several have been approved to be within the Dual Square Mall, but none of them have come to fruition.

Duncan asked if the items come fully assembled.

Mr. Jedneak stated that they did not. Typically, the handle bars and a front or back tire need to be put on. They are about 95% assembled. For shipping purposes they come stacked on pallets.

Duncan asked how the assembly relates to the statement that no onsite assembly will occur.

Achman stated that as long as the assembly occurs within the building, there should be no issues.

Mr. Jedneak stated that the UTV's are assembled at another site.

The public hearing was closed.

Motion by Kennedy second by Bergley to recommend approval of the request from Blake Jedneak, Soca Powersports, for Approval of a Conditional Use Permit to allow for Motor Vehicle Sales within the Dual Square Mall located at 401 East Dual Blvd NE, Isanti, Minnesota based on the Finding of Fact and Conclusions with the following conditions:

1. Services and sales are associated with a principal building with a minimum floor area of at least one thousand (1,000) square feet.
2. All area of the property not devoted to building, parking, or open sales lot area shall be landscaped in accordance with Section 15 of this Ordinance.
3. Off-street parking and loading shall meet the requirements as stipulated within Section 17 of this Ordinance.
4. All new or used vehicles parked or displayed outdoors on the property shall conform to all requirements of the State of Minnesota; shall be operable; shall include all engine, muffler, brakes, and operating parts; shall be equipped with all exterior body parts as if new (for a passenger vehicle, truck or van, this shall mean four (4) tires, all doors and windows, headlamps and grillwork, mirrors, fenders, trunk, lids, body panels and molding, etc, or if a boat, all windshields, safety railings, hulls, trailer, etc.); shall be uniformly and wholly painted; and shall be free from having any loose or damaged exterior parts.
5. All repair, assembly, disassembly or maintenance of motor vehicles or motor vehicle parts shall occur within an enclosed building.
6. A detailed site plan conforming to the requirements of Section 18 of this Ordinance shall be submitted. The site plan shall also illustrate the location of all open sales and storage areas.
7. No outside speaker system shall be permitted without the approval from the City Council.

8. A landscaped buffer shall be provided, if the use abuts any residential zoning district. Solid screening to a minimum height of six (6) feet shall be provided along any portion of the open sales lot abutting a residential property or district. Such screening shall consist of a continuous landscape berm, solid wood fence, wall, or other comparable material. Fencing shall be constructed of wood or comparable material and should be of an ornamental or decorative design. If a chain link or wood fence is used, landscaping shall be provided on the outside of the fence facing the abutting residential property or district.
9. Motor vehicle displays shall take up no more than two 9'x 19' parking stalls.

Motion carried unanimously.

B. Request from EverCat Fuels for Approval of an Amendment to Resolution No. 2013-192 Approving a Conditional Use Permit to allow for Outdoor Storage on the property located at 425 East Dual Boulevard NE, Isanti, Minnesota.

This item has been withdrawn from the agenda.

C. Request from the City of Isanti to Approve an Amendment to Zoning Ordinance 445 Opting Out of Minnesota State Statute 462.35.93 which Permit and Regulate Temporary Family Health Care Dwellings.

Duncan read the item into the minutes.

Achman presented the staff memo.

Duncan opened the public hearing.

Duncan asked if there was any guidance in the bill for what types of medical conditions would be eligible for the temporary healthcare dwelling?

Achman informed the Planning Commission that there was no guidance. Staff would rely on a note from the person's medical provider stating the dwelling was necessary in order to receive care from a family member, relative or another caregiver. It wouldn't necessarily always be a family member.

Traver asked if this would allow the small homes to be placed right on someone's lot.

Achman confirmed that would be the case, which would create density issues, impervious surface issues, etc.

The public hearing was closed.

Bergley asked what was trying to be accomplished with this bill.

Achman stated that it may be providing an alternative to placing someone in a nursing home or assisted living facility for short term care.

Motion by Bergley second by Cesafsky to recommend approval of the request from the City of Isanti to Approve an Amendment to Zoning Ordinance 445 Opting Out of Minnesota State Statute 462.35.93 which Permit and Regulate Temporary Family Health Care Dwellings based on the Findings of Fact and Conclusions. Motion carried unanimously.

4. Other Business.

A. None.

5. Discussion Items.

A. Update on Highway 65 Overlay District.

Duncan read the item into the minutes.

Achman provided an update stating that the Development and Operations Advisory Committee is reviewing the ordinance and flushing out some of the concerns prior to bringing it forward to the Planning Commission. This will hopefully eliminate a lengthy Planning Commission meeting.

6. Adjournment

Motion by Kennedy second by Cesafsky to adjourn the August 10th, 2016 meeting of the Planning Commission. Motion was unanimously approved.

The meeting adjourned at 7:17 p.m.

Dated at Isanti, Minnesota this 10th day of August 2016.

Respectfully submitted,

_____

Roxanne Achman, AICP

MEMORANDUM

Date: August 10, 2016

To: Honorable Mayor Wimmer and Members of the City Council
City of Isanti

From: Bradley C. DeWolf, P.E.
City Engineer

Jason W. Cook, P.E.
Assistant City Engineer

Subject: Project Status Report
Isanti, Minnesota
BMI Project No: R13.111162

Please find listed below a status report of the current projects in the City of Isanti.

1) **City Hall Parking Lot Expansion**

Temporary erosion control will be removed and the project will be closed out this month.

2) **River Bluff Preserve Parking & Trail Improvements**

Once grass seed is established, these projects can be closed out.

3) **Watermain Loop Improvements**

Construction is complete. Once grass seed is established, temporary erosion control measures will be removed.

4) **Wastewater System Improvements**

The Contractor plans to continue work on the new pre-treatment building this month.

5) **Whiskey Road Walk Infill Study**

We will deliver the report this month.

6) **Coborn's Grocery Store & Allina Medical Office Building**

Both sites are under construction. We will continue to assist the City as testing and inspection is required.

In addition to the current projects listed above we have completed and accepted 42 private developments and 45 city contracts since being selected as your City Engineer in 2008.

Please contact Brad or Jason if you have any questions.

M. Other Communications

1. Draft Meeting Minutes for the August 23, 2016 Parks, Recreation and Culture Meeting

Adjournment

F.1.

CITY OF ISANTI
CITY COUNCIL MEETING
TUESDAY, AUGUST 16, 2016 – 7:00 P.M.
CITY HALL

The meeting was called to order at 7:00 p.m. by Mayor Wimmer.

The Pledge of Allegiance was recited.

Members Present: Mayor George Wimmer, Councilors: Paul Bergley, Dan Collison, Ross Lorinser

Members Absent: Councilmember Steve Lundeen

Staff Present: City Attorney Clark Joslin, City Administrator Don Lorsung, City Clerk/Human Resources Lindsey McInnis, Chief Gene Hill

Others Present: Attorney Jana O'Leary Sullivan, LMCIT

D. Adopt Agenda
Motion by Lorinser, second by Collison to approve the agenda. Motion carried.

F. Approve City Council Minutes
1. August 3, 2016 – Regular Meeting of the City Council
2. August 3, 2016 – City Council Budget Work Session Meeting

Motion by Collison, second by Bergley to approve the City Council Minutes and the Budget Work Session Minutes. Motion carried.

G. Citizens Input

H. Announcements
1. Parks, Recreation, and Culture Board Meeting — Tuesday, August 23, 2016 at 6:00 p.m.
2. **CITY OFFICES CLOSED** — Monday, September 5, 2016
   (in observance of Labor Day)
3. City Council Meeting — Tuesday, September 6, 2016 at 7:00 p.m.
4. Economic Development Authority — Tuesday, September 6, 2016
   (Immediately following the City Council Meeting)
5. Planning Commission Meeting — Tuesday, September 13, 2016 at 7:00 p.m.

I. Council Committee Reports
Mayor Wimmer asked Human Resources/City Clerk, Lindsey McInnis, to report on the August 9th Primary Election. City Clerk McInnis described the recent Primary Election, as it was the first year with two precincts. She stated that overall, it went well. Voter turnout was low with only approximately 150 voters between the two precincts. She pointed out one change to be made for the General Election in November is a few tweaks to the layout for Precinct 1 (City Hall Location). Also, it was mentioned that there were a lot of new judges and this was a great learning experience and an opportunity for more planning.

Mayor Wimmer added we will obviously expect to have more voters for the General Election. Mayor stated he thought the Primary went well and it appeared everyone was on top of things. He complimented Ms. McInnis on doing a good job. He also added that Janice Lutterman, part time Administrative Data Clerk, who formerly worked for Isanti County was very helpful especially with having a familiarity with a lot of this process.

The Mayor also reported that Coborn's will be opening August 17 at 6:00 a.m. and the Grand Opening will be at 10:00 a.m. He mentioned that the Chamber will be there as well.

J. Public Hearings

None

K. Business Items

1. Discussion Regarding BMX Association Mailbox *(Andy Strom)*

Andy Strom, President of the Rum River BMX Association, greeted the Mayor and Council and thanked them for their time. He explained that Rum River BMX has requested permission to install a mailbox and receive their mail at the Rum River BMX facility, the Isanti indoor arena. The Association proposes to install a mail receptacle which would be previously approved by the City. The Association would be responsible for the total cost: including installation cost, any required legal fees that are reasonable and any costs associated with restoration of the facility to its current state at the end of their lease. Mayor explained an addendum to the current agreement the City has with them will be needed, including stating all those costs will be reimbursed by Rum River BMX. The Association is also looking at having the mailbox located in the door, so it will be secured. This was one of the concerns the Mayor had since it is a City building and staff has access to. The Mayor indicated that Strom has also talked with the Post Office and that they are willing to do the delivery. The City will also look at putting into the agreement a statement referencing that this is a unique situation in which we have someone leasing a facility from us for such a long term. The Mayor asked if there were any other issues from the Council. Collison noted that it will be much easier for them to receive their mail at their physical location.

Motion by Collison, second by Bergley to direct the Staff to work preparing the agreement as Mayor has outlined. Motion carried.

2. **Resolution 2016-246** Approving Special Event Request for "23-0" for a Walk/Ruck

Casey Carik, son of Brandie Held, addressed the Council. He requested approval for a Walk/Ruck special event to raise awareness of Veterans suicide. He explained the event was also held last year. However, the route this year is going to be different. He will have two routes set up. In case of inclement weather, the shorter route will be followed. The purpose of the event is to raise awareness of veteran's suicide. He informed the council that after a 2012 evaluation of veterans, it was found that 22 non-active duty and 1 active duty (deployed or on base) veterans commit suicide per day. Carik stated that the goal is to raise awareness, and decrease the number of suicides for veterans down to zero. He further stated that Minnesota has the highest number of veteran suicides. The Mayor expressed how appreciative he was that they are doing this event and the City is fully supportive. Lorinser asked if Carik was a veteran. Carik indicated he is only 16 but he will be joining as soon as he can. He then indicated that his mother is a veteran. Lorinser thanked her for her service. He then questioned if there were any issues with the permit. It was stated that there were none. Carik also added that the walk/ruck will be held September 4, 2016 beginning at Blue Bird Park.

Motion by Lorinser, second by Bergley. Motion carried.

City Administrator Don Lorsung

3. **Resolution 2016-247** Authorizing City Staff to Accept the Fee Allowing for Exclusive Use of the Mattson Park Tennis Courts by the C-I School District for Fall 2016 through Spring 2018

Mayor Wimmer explained this item is for the Middle School to use the courts in Mattson Park for their team, as they've done for the past several years. The City has increased the fee by $25.

Motion by Bergley, second by Collison. Motion carried.

4. **Resolution 2016-248** Approving a Conditional Use Permit for Soca Powersports to allow for Motor Vehicle Sales within the Dual Square Mall located at 401 East Dual Blvd NE, Isanti, Minnesota

Collison questioned where the vehicles would be parked. The Mayor indicated they will have a specific section and that the vehicles are not to go outside of that area. It is a very small area. Collison asked if it will be where the ATV's are currently lined up. The Mayor indicated it would and that wherever the private property owner allows their tenants to park is where they park. The Mayor stated the City does not get to decide where.

Motion by Bergley, second by Lorinser. Motion carried.

5. **Ordinance 650** Approving an Amendment to Zoning Ordinance 445 Opting Out of Minnesota State Statute 462.35.93 which Permit and Regulate Temporary Family Health Care Dwellings

The Mayor explained the purpose of this item is to assure these temporary dwellings do not become permanent.

Motion by Bergley, second by Lorinser. Motion carried.

6. **Resolution 2016-249** Setting a Public Hearing to Vacate an Ingress and Egress Easement, and a Drainage and Utility Easement within Lot 2, Block 1, Isanti Commons Second Addition

Motion by Collison, second by Bergley, Motion carried.

Police Chief Gene Hill

7. **Resolution 2016-250** Accepting the 2017 Safe and Sober Grant in the Amount of $32,375.00

Motion by Lorinser, second by Collison. Motion carried.

L. Approve Consent Agenda

1. Consider Accounts Payable in the Amount of $246,598.79 and Payroll in the amount of $95,541.62
2. Final Meeting Minutes for the July 5, 2016 Economic Development Authority Meeting
3. Final Meeting Minutes for the July 12, 2016 Planning Commission Meeting
4. **Resolution 2016-251** Approving the Request for Proposals for Labor Legal Services
5. **Resolution 2016-252** Authorizing Hire of Gene West for Seasonal Park Maintenance Position

Motion by Bergley, second by Collison to approve consent agenda. Motion carried.

N. Closed Session

1. Discussion Regarding Personnel Matter

City Attorney Clark Joslin explained the purpose of the closed meeting is to consider and review a proposed settlement agreement regarding an employee labor dispute issue and also for purpose of discussing status of pending litigation. He explained that Attorney Jana O'Leary Sullivan is here, as Council assigned by League of Minnesota Cities Insurance Trust.

The Mayor and Council then briefly recessed for the closed meeting at 7:12 p.m.

The closed session ended at 7:39 p.m. City Attorney Clark Joslin gave a brief summation of what happened in the closed session. He stated that during the course of closed session, there were discussions regarding two separate and unrelated matters with the only relationship being they were both personnel matters.

The first item that was discussed, pursuant to Attorney-Client privilege, was with Attorney Jana Sullivan who is with the assigned attorney to represent the City from the League of Minnesota Cities Insurance Trust. Attorney O'Leary Sullivan provided an update with regard to a mandamus action that has been brought by an employee seeking a potential hearing under veteran's preference. That matter was fully discussed between Ms. O'Leary Sullivan and the Council, and no action needed to be taken at this time, as the matter is in pending litigation.

The second matter that was discussed was a proposed settlement agreement with an accompanying memorandum of agreement that would resolve an issue pending with regard to a labor contract dispute. Joslin informed the Mayor and Council the appropriate action that can be taken upon motion is either to approve or not approve the proposed settlement agreement and the memorandum of agreement.

Motion by Lorinser, second by Collison. Motion carried to approve the proposed settlement agreement and the memorandum of agreement.

Adjournment

Motion by Bergley, second by Lorinser. Motion carried. Meeting was adjourned at 7:42 p.m.

Respectfully Submitted,

Janice Lutterman
Administrative Data Clerk

Subject: A Resolution Approving a Special Event Permit Application for a Car Show at Isanti VFW

Background
The City received a special event application from Dan Collison ("applicant") on August 30, 2016 on behalf of Rum River Rods to host a classic car shows at the Isanti VFW on Saturday, September 10, 2016 from 2:00-6:00pm. The event will begin with a car cruise and end at the VFW for a car show. Estimated attendance is 50-150 people. Spectator parking will be held in the gravel lot across the street; the applicant has submitted a letter of permission from the property owner. Temporary signs will be displayed directing individuals to the car show and parking the day of the event. A 12' x 12'tent will be placed by the VFW patio and parking lot.

A copy of the application, insurance, and departmental review has been attached for City Council review.

Staff Request
It is noted that temporary signs will be placed for the event. The locations of those signs and consent from the property owner must also be submitted to the City prior to placement. City staff is requesting action on this item.

RESOLUTION 2016-

RESOLUTION APPROVING A SPECIAL EVENT PERMIT APPLICATION FOR A CAR SHOW AT ISANTI VFW

WHEREAS, Dan Collison (applicant) has submitted a Special Event permit application on behalf of Rum River Rods requesting approval to host a car show at the Isanti VFW; and,

WHEREAS, the event is scheduled to take place on Saturday, September 10 from 2:00 p.m. to 6 pm.; and,

WHEREAS, the estimated number of people to be in attendance is 50-150; and,

WHEREAS, spectator parking for the event will be in the gravel lot across from the VFW, and the organizer has submitted a letter of permission from the property owner for this activity; and,

WHEREAS, a PA system will be used for music and announcements outside; and,

WHEREAS, the organizer has stated that temporary signs will be used for the event; and

WHEREAS, the organizer and volunteers will be cleaning up after the event;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to hereby approve the Rum River Rods Classic Car Show for the event to be held as specified above with the following conditions:

- Special Event Application submitted by Dan Collison, on behalf of the Rum River Rods, subject to the comments provided by City Staff Members; which include:
    - Temporary signage shall require the necessary application to be submitted to the City for review and approval. Signatures authorizing approval for their placement on private property must also be included.
- City waives the clean-up and temporary sign permit fee.

BE IT FURTHER RESOLVED by the City Council of the City of Isanti, Minnesota that this Resolution is hereby the "Permit" for the above stated Special Event.

This resolution was duly adopted by the Isanti City Council this 6th day of September, 2016.

Hello!

I just received another special event permit application from Rum River Rods for a fundraiser event they're planning for September 10. This is the same day as Two Cities, One Community, but there shouldn't be a ton of overlap of traffic with this event happening in the afternoon. This is a new event, but they are not requesting any services from police or fire.

Please review the attached the application and respond with your approval or comments by noon tomorrow (Wednesday) if possible.

Thank you,

MEMO

To: **Mayor Wimmer & City Council Members**

From: Gayle Bauman, Interim Finance Director

Date: August 25, 2016

Subject: 2017 Preliminary Budget and Levy Adoption

Background:

The proposed preliminary property tax levy (includes debt service of $578,475) is $2,587,561 and reflects an increase in the preliminary taxable market value for 2017 of 1.5%. The city will receive updated property tax values from the County prior to adopting the Final 2016 Tax Levy Collectible in 2017 in December. The levy was increased by $47,000 over 2016 to cover the projected increase for fire services ($37,000) and to cover potential mediation/arbitration costs ($10,000).

As discussed in prior work sessions, other General Fund Revenue sources have been adjusted to reflect prior year trends, rates per the fee schedule, and known agreements and trends.

General Fund Expenditures have been adjusted based on prior year actual costs, current year expenditures thru June, actual maintenance agreements and contracted costs. All wages include a 2% COLA for 2017 and include the necessary step increases, where applicable. Health/Dental Insurance, Worker's Compensation, Property/Liability/Volunteer Insurance, and Life/AD&D Insurance have all been adjusted to reflect premiums paid in 2016 and any necessary inflationary factor was applied. In addition, please note the following key changes/and or additions to the General Fund Budget:

Expenditures

- Mediation/arbitration costs - $10K
- COLA – 2%
- Fire Protection Services - $37K
- Reorganization of Finance/Admin positions
- EDA budget increases - $20K

Capital Outlay - Levy

- Squad Car Replacement - $42K
- Street Lighting Infill - $20K

- PRC capital outlay requests - $61K
- Street painter and trailer - $6.5K

Reserve for Replacement

- C-I Bike/Walk Trail - $7,500

Current Action:
Consider Resolution Setting the 2017 Final Budget and Levy Meeting
Consider Resolution Approving the 2017 Preliminary Budget for the City of Isanti
Consider Resolution Adopting the Proposed 2016 Tax Levy Collectible in 2017 for the City of Isanti

Attachments:

K.3.a.

RESOLUTION NO. 2016-XXX

RESOLUTION SETTING THE 2017 FINAL BUDGET AND LEVY MEETING

WHEREAS, before September 30, 2016, at the regularly scheduled meeting at which the City Council adopts a proposed tax levy, the City Council must also announce the time and place of the council meeting at which the budget and levy will be discussed and a final budget and levy will be determined;

WHEREAS, the time and place of the meeting that allows for citizen input and deals with the budget and levy must be included in the minutes;

WHEREAS, the following information must be provided to the county auditor:

- Time and place of one regular council meeting at which the budget and levy will be discussed and at which a final budget and levy will be determined
- Phone number that city taxpayers may call if they have questions related to the auditor's property tax notice.
- Address where comments will be received by mail.

NOW THEREFORE BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ISANTI, MINNESOTA AS FOLLOWS:

1. That the City Council has set the following meeting date at which the budget and levy will be discussed, and the final budget and levy will be determined.

   Tuesday, December 6, 2016 at 7:00 p.m.

2. That the City Clerk is hereby instructed to transmit a certified copy of this resolution to the County Auditor of Isanti County, Minnesota and provide the following information:

   a. Phone Number – Isanti City Hall, (763) 444-5512
   b. Mailing Address – Isanti City Hall, PO Box 428, Isanti, MN 55040

This resolution is duly adopted by the Isanti City Council this 6th day of September 2016.

Attest:

Mayor George A. Wimmer

Lindsey McInnis
Human Resources/City Clerk

RESOLUTION NO. 2016-XXX

RESOLUTION APPROVING THE 2017 PRELIMINARY BUDGET FOR THE CITY OF ISANTI

WHEREAS, the City of Isanti is required to approve a preliminary budget by September 30th of each year for expenditures in the following year; and

WHEREAS, the City of Isanti has developed a budget for the maximum projected expenditures by the City for 2017 to be covered by the general fund; and

WHEREAS, the proposed budget has been presented to the City Council of the City of Isanti at the September 6, 2016 City Council meeting for review;

NOW THEREFORE BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ISANTI, MINNESOTA AS FOLLOWS:

Isanti

Request for City Council Action

To: Mayor Wimmer and City Council Members

From: Sean M. Sullivan, Economic Development Director

Date: September 6, 2016

Subject: **Consider Resolution Authorizing the Execution of Repayment Agreement with J Robinson Construction, Inc for Lot 2, Block 1, Sun Prairie First Addition**

On December 1, 2015, the City Council extended the SAC and WAC Deferral program as Resolution No. 2015-289 to help continue to spur development activity. J Robinson Construction, Inc. has requested the City to execute a Repayment Agreement for Lot 2, Block 1, Sun Prairie First Addition for the construction of a 1,428 square foot single family residential home at 10th Avenue SE. The business is in "good standing" upon review of the Minnesota Secretary of State Office as of August 18, 2016. The form of the Repayment Agreement is consistent with the form presented on December 1, 2015. The Repayment Agreement will be dated as of the date that the Building Permit is paid for by the Developer. Staff is asking the City Council to consider adoption of the attached resolution and execution of the Repayment Agreement.

City Council Action:

Consider Adoption of Resolution and Execution of Repayment Agreement

Attachments:

1) Resolution 2016-____ Authorization to Execute Repayment Agreement with J Robinson Construction, Inc. for Lot 2, Block 1, Sun Prairie First Addition

RESOLUTION 2016-___

AUTHORIZATION AND EXECUTION OF REPAYMENT AGREEMENT WITH J ROBINSON CONSTRUCTION, INC. ON LOT 2, BLOCK 1, SUN PRAIRIE FIRST ADDITION

WHEREAS, the City of Isanti extended the SAC and WAC Deferral program on December 1, 2015 which is documented by Resolution 2015-289; and

WHEREAS, A boiler plate Repayment Agreement was drafted by Development Attorney Deike and the City Council directed Staff to utilize this agreement for parties interested in SAC and WAC Deferral for commercial or residential development; and

WHEREAS, J Robinson Construction, Inc. (the "Developer") has asked the City to enter into a Repayment Agreement for the property legally described as: Lot 2, Block 1, Sun Prairie First Addition (the "Property"); and

WHEREAS, the Developer has stated the it will be the owner of the Property at the time of execution of the Repayment Agreement; and

WHEREAS, the date of the Repayment Agreement will be when the Developer signs prior to payment of the building permit; and

WHEREAS, the Developer is registered, active and is in good standing with the Minnesota Secretary of State Office as of August 18, 2016.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota authorized the Mayor and City Administrator to execute the Repayment Agreement attached hereto contingent upon satisfactory proof of ownership witnessed in a recorded instrument of conveyance to the Developer.

This Resolution hereby approved by the Isanti City Council this 6th day of September 2016.

Attest:

_____
Mayor George A. Wimmer

_____
Lindsey McInnis
Human Resources / City Clerk

(SEAL)

REPAYMENT AGREEMENT

THIS AGREEMENT, made on or as of the ____ day of September, 2016, by and between the City of Isanti, Minnesota, a statutory City under the laws of the state of Minnesota (hereinafter referred to as the "City") having its principal office at 110 First Avenue N.W., Isanti, Minnesota 55040, and J Robinson Construction, Inc, a corporation under the laws of the State of Minnesota (hereinafter referred to as the "Developer"), having its principal office at 309 Elm Street SW, Isanti, MN 55040.

WITNESSETH:

WHEREAS, the Developer intends to construct a 1,428 square foot main floor single family home (the "Improvements") on certain real property (the "Property") in the City; and

WHEREAS, in connection with the construction of the Improvements there are certain water and sanitary sewer charges that are payable by the Developer to the City; and

WHEREAS, the Developer has demonstrated to the satisfaction of the City that the Developer is unable to pay the full amount of the charges now and has asked the City to defer such charges and make them payable at a future point in time; and

WHEREAS, the City believes that the development of the Improvements by the Developer is in the best interests of the City and, therefore, it is willing to defer the charges if doing so will facilitate the development and viability of the Improvements.

NOW, THEREFORE, in consideration of the premises and the mutual obligations of the parties hereto, each of them does hereby covenant and agree with the other as follows:

ARTICLE I

Definitions

Section 1.1. Definitions. In this Agreement, unless a different meaning clearly appears from the context:

"Agreement" means this Agreement, as the same may be from time to time modified, amended, or supplemented.

"City" means the City of Isanti, Minnesota, its successors and assigns.

"County" means Isanti County, Minnesota.

"Deferred Charges" means the utility charges described in Section 3.1 of this Agreement being deferred by the City and which the Developer is obligated to pay in accordance with this Agreement.

"Developer" means J Robinson Construction, Inc., a Minnesota Corporation, its successors and assigns.

"Event of Default" means an action by the Developer listed in Article IV of this Agreement.

"Improvements" means the 1,428 square foot main floor single family home to be constructed by the Developer on the Property.

"Property" means the real property described on the attached Schedule A to this Agreement.

"State" means the State of Minnesota.

ARTICLE II

Representations

Section 2.1. Representations by the City. The City makes the following representations as the basis for the undertaking on its part herein contained:

(a) The City is a statutory city duly organized and existing under the laws of the State. Under State law, the City has the power to enter into this Agreement and to perform its obligations hereunder.

Section 2.2. Representations by the Developer. The Developer represents that:

(a) The Developer is a limited liability company duly organized and authorized to transact business in the State, is not in violation of any provisions of its Bylaws or the laws of the State, has power to enter into this Agreement and has duly authorized the execution, delivery and performance of this Agreement by proper action of its President.

ARTICLE III

Deferred Charges

Section 3.1. Deferred Charges. The Developer owes to the City the sum of **$7,983.00** in deferred utility charges. The Deferred Charges consist of **$3,677.00** in Water Connection Charges and **$4,306.00** in Sewer Connection Charges. The City has agreed to defer the payment of the Deferred Charges as described in this Agreement.

Section 3.2. Payment of the Deferred Charges. The Developer agrees that it will pay the Deferred Charges to the City on the earliest to occur of the following:

(a) on the date that is one hundred and twenty (120) days after the date of this Agreement;

(b) on the date that the Developer sells or transfers the Property or Improvements, or any portion thereof; or

(c) on the date that the City issues a certificate of occupancy for the Improvements.

Interest shall accrue on the Deferred Charges at the rate of zero percent (0%) from the date hereof and continuing until the Deferred Charges and all accrued interest have been paid in full.

Section 3.3. Payment of Costs. The Developer shall pay all costs incurred by the City in connection with the preparation and implementation of this Agreement and related documents, including, without limitation, fees of attorneys related the preparation of this Agreement and related documents, if the Developer fails to complete construction of the Improvements within one hundred and twenty (120) days after the date of this Agreement.

ARTICLE IV

Events of Default

Section 4.1. Events of Default Defined. The following shall be "Events of Default" under this Agreement and the term "Event of Default" shall mean, whenever it is used in this Agreement (unless the context otherwise provides), any one or more of the following events:

(a) Failure by the Developer to pay when due any payments required to be paid under this Agreement.

(b) The Developer of the following: (i) file any petition in bankruptcy or for any reorganization, arrangement, composition, readjustment, liquidation, dissolution, or similar relief under United States Bankruptcy Laws or any similar Federal or State Laws; or (ii) make an assignment for the benefit of its creditors; or (iii) admits, in writing, its inability to pay its debts generally as they become due; or (iv) be adjudicated, bankrupt or insolvent.

Section 4.2. City's Remedies on Default. Whenever any Event of Default by Developer referred to in Section 4.1 of this Agreement occurs, the City may take any one or more of the following actions after providing ten (10) days written notice to the Developer of the Event of Default, but only if the Event of Default has not been cured within said ten (10) days:

(a) Declare the entire outstanding balance of the Deferred Charges immediately due and payable.

(b) Terminate this Agreement.

(c) Take whatever action, including legal, equitable or administrative action, which may appear necessary or desirable to the City to collect any payments due under this Agreement, or to enforce performance and observance of any obligation, agreement, or covenant of the Developer under this Agreement.

Section 4.3. No Remedy Exclusive. No remedy herein conferred upon or reserved to the City or Developer is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Agreement or now or hereafter existing at law or in equity or by statute. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the City or the Developer to exercise any remedy reserved to it, it shall not be necessary to give notice, other than such notice as may be required in this Article IV.

Section 4.4. No Additional Waiver Implied by One Waiver. In the event any agreement contained in this Agreement should be breached by either party and thereafter waived by the other party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other concurrent, previous or subsequent breach hereunder.

Section 4.5. Costs of Enforcement. Whenever any Event of Default occurs and the City shall employ attorneys or incur other expenses for the collection of payments due or to become due or for the enforcement of performance or observance of any obligation or agreement on the part of the Developer under this Agreement, the Developer agrees that it shall, within ten (10) days of written demand by the City, pay to the City the reasonable fees of such attorneys and such other expenses so incurred by the City.

ARTICLE V

Additional Provisions

Section 5.1. Representatives Not Individually Liable. No member, official, or employee of the City shall be personally liable to the Developer, or any successor in interest, in the event of any default or breach or for any amount which may become due to Developer or successor in interest or on any obligations under the terms of this Agreement.

Section 5.2. Titles of Articles and Sections. Any titles of the several parts, Articles, and Sections of the Agreement are inserted for convenience of reference only and shall be disregarded in construing or interpreting any of its provisions.

Section 5.3. Notices and Demands. Except as otherwise expressly provided in this Agreement, a notice, demand, or other communication under the Agreement by either party to the other shall be sufficiently given or delivered if it is dispatched by registered or certified mail, postage prepaid, return receipt requested, or delivered personally; and

(a) in the case of the Developer, is addressed to or delivered personally to J Robinson Construction, Inc. at 309 Elm Street SW, Isanti, MN 55040; and

(b) in the case of the City, is addressed to or delivered personally to the City at 110 First Avenue N.W., P.O. Box 428, Isanti, Minnesota 55040,

or at such other address with respect to either such party as that party may, from time to time, designate in writing and forward to the other as provided in this Section.

Section 5.4. Disclaimer of Relationships. The Developer acknowledges that nothing contained in this Agreement nor any act by the City or the Developer shall be deemed or construed by the Developer or by any third person to create any relationship of third-party beneficiary, principal and agent, limited or general partner, or joint venture between the City and the Developer or any third party.

Section 5.5. Modifications. This Agreement may be modified solely through written amendments hereto executed by the Developer and the City.

Section 5.6. Counterparts. This Agreement may be executed in any number of counterparts, each of which shall constitute one and the same instrument.

Section 5.7. Judicial Interpretation. Should any provision of this Agreement require judicial interpretation, the court interpreting or construing the same shall not apply a presumption that the terms hereof shall be more strictly construed against one party by reason of the rule of construction that a document is to be construed more strictly against the party who itself or through its agent or attorney prepared the same, it being agreed that the agents and attorneys of both parties have participated in the preparation hereof.

IN WITNESS WHEREOF, the City has caused this Agreement to be duly executed in its name and behalf and the Developer has caused this Agreement to be duly executed in its name and behalf on or as of the date first above written.

Request for City Council Action

To: Mayor Wimmer and City Council Members

From: Sean M. Sullivan, Economic Development Director

Date: September 6, 2016

Subject: **Consider Resolution Authorizing the Execution of Repayment Agreement with J Robinson Construction, Inc for Lot 1, Block 2, Sun Prairie First Addition**

On December 1, 2015, the City Council extended the SAC and WAC Deferral program as Resolution No. 2015-289 to help continue to spur development activity. J Robinson Construction, Inc. has requested the City to execute a Repayment Agreement for Lot 1, Block 2, Sun Prairie First Addition for the construction of a 1,428 square foot single family residential home at 809 Marion St SE. The business is in "good standing" upon review of the Minnesota Secretary of State Office as of August 18, 2016. The form of the Repayment Agreement is consistent with the form presented on December 1, 2015. The Repayment Agreement will be dated as of the date that the Building Permit is paid for by the Developer. Staff is asking the City Council to consider adoption of the attached resolution and execution of the Repayment Agreement.

City Council Action:

Consider Adoption of Resolution and Execution of Repayment Agreement

Attachments:

1) Resolution 2016- ____ Authorization to Execute Repayment Agreement with J Robinson Construction, Inc. for Lot 1, Block 2, Sun Prairie First Addition

RESOLUTION 2016-___

AUTHORIZATION AND EXECUTION OF REPAYMENT AGREEMENT WITH J ROBINSON CONSTRUCTION, INC. ON LOT 1, BLOCK 2, SUN PRAIRIE FIRST ADDITION

WHEREAS, the City of Isanti extended the SAC and WAC Deferral program on December 1, 2015 which is documented by Resolution 2015-289; and

WHEREAS, A boiler plate Repayment Agreement was drafted by Development Attorney Deike and the City Council directed Staff to utilize this agreement for parties interested in SAC and WAC Deferral for commercial or residential development; and

WHEREAS, J Robinson Construction, Inc. (the "Developer") has asked the City to enter into a Repayment Agreement for the property legally described as: Lot 1, Block 2, Sun Prairie First Addition (the "Property"); and

WHEREAS, the Developer has stated the it will be the owner of the Property at the time of execution of the Repayment Agreement; and

WHEREAS, the date of the Repayment Agreement will be when the Developer signs prior to payment of the building permit; and

WHEREAS, the Developer is registered, active and is in good standing with the Minnesota Secretary of State Office as of August 18, 2016.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota authorized the Mayor and City Administrator to execute the Repayment Agreement attached hereto contingent upon satisfactory proof of ownership witnessed in a recorded instrument of conveyance to the Developer.

This Resolution hereby approved by the Isanti City Council this 6th day of September 2016.

REPAYMENT AGREEMENT

THIS AGREEMENT, made on or as of the ____ day of September, 2016, by and between the City of Isanti, Minnesota, a statutory City under the laws of the state of Minnesota (hereinafter referred to as the "City") having its principal office at 110 First Avenue N.W., Isanti, Minnesota 55040, and J Robinson Construction, Inc, a corporation under the laws of the State of Minnesota (hereinafter referred to as the "Developer"), having its principal office at 309 Elm Street SW, Isanti, MN 55040.

WITNESSETH:

WHEREAS, the Developer intends to construct a 1,428 square foot main floor single family home (the "Improvements") on certain real property (the "Property") in the City; and

WHEREAS, in connection with the construction of the Improvements there are certain water and sanitary sewer charges that are payable by the Developer to the City; and

WHEREAS, the Developer has demonstrated to the satisfaction of the City that the Developer is unable to pay the full amount of the charges now and has asked the City to defer such charges and make them payable at a future point in time; and

WHEREAS, the City believes that the development of the Improvements by the Developer is in the best interests of the City and, therefore, it is willing to defer the charges if doing so will facilitate the development and viability of the Improvements.

NOW, THEREFORE, in consideration of the premises and the mutual obligations of the parties hereto, each of them does hereby covenant and agree with the other as follows:

ARTICLE I

Definitions

Section 1.1. Definitions. In this Agreement, unless a different meaning clearly appears from the context:

"Agreement" means this Agreement, as the same may be from time to time modified, amended, or supplemented.

"City" means the City of Isanti, Minnesota, its successors and assigns.

"County" means Isanti County, Minnesota.

"Deferred Charges" means the utility charges described in Section 3.1 of this Agreement being deferred by the City and which the Developer is obligated to pay in accordance with this Agreement.

"Developer" means J Robinson Construction, Inc., a Minnesota Corporation, its successors and assigns.

"Event of Default" means an action by the Developer listed in Article IV of this Agreement.

"Improvements" means the 1,428 square foot main floor single family home to be constructed by the Developer on the Property.

"Property" means the real property described on the attached Schedule A to this Agreement.

"State" means the State of Minnesota.

ARTICLE II

Representations

Section 2.1. Representations by the City. The City makes the following representations as the basis for the undertaking on its part herein contained:

(a) The City is a statutory city duly organized and existing under the laws of the State. Under State law, the City has the power to enter into this Agreement and to perform its obligations hereunder.

Section 2.2. Representations by the Developer. The Developer represents that:

(a) The Developer is a limited liability company duly organized and authorized to transact business in the State, is not in violation of any provisions of its Bylaws or the laws of the State, has power to enter into this Agreement and has duly authorized the execution, delivery and performance of this Agreement by proper action of its President.

ARTICLE III

Deferred Charges

Section 3.1. Deferred Charges. The Developer owes to the City the sum of **$7,983.00** in deferred utility charges. The Deferred Charges consist of **$3,677.00** in Water Connection Charges and **$4,306.00** in Sewer Connection Charges. The City has agreed to defer the payment of the Deferred Charges as described in this Agreement.

Section 3.2. Payment of the Deferred Charges. The Developer agrees that it will pay the Deferred Charges to the City on the earliest to occur of the following:

(a) on the date that is one hundred and twenty (120) days after the date of this Agreement;

(b) on the date that the Developer sells or transfers the Property or Improvements, or any portion thereof; or

(c) on the date that the City issues a certificate of occupancy for the Improvements.

Interest shall accrue on the Deferred Charges at the rate of zero percent (0%) from the date hereof and continuing until the Deferred Charges and all accrued interest have been paid in full.

Section 3.3. Payment of Costs. The Developer shall pay all costs incurred by the City in connection with the preparation and implementation of this Agreement and related documents, including, without limitation, fees of attorneys related the preparation of this Agreement and related documents, if the Developer fails to complete construction of the Improvements within one hundred and twenty (120) days after the date of this Agreement.

ARTICLE IV

Events of Default

Section 4.1. Events of Default Defined. The following shall be "Events of Default" under this Agreement and the term "Event of Default" shall mean, whenever it is used in this Agreement (unless the context otherwise provides), any one or more of the following events:

(a) Failure by the Developer to pay when due any payments required to be paid under this Agreement.

(b) The Developer of the following: (i) file any petition in bankruptcy or for any reorganization, arrangement, composition, readjustment, liquidation, dissolution, or similar relief under United States Bankruptcy Laws or any similar Federal or State Laws; or (ii) make an assignment for the benefit of its creditors; or (iii) admits, in writing, its inability to pay its debts generally as they become due; or (iv) be adjudicated, bankrupt or insolvent.

Section 4.2. City's Remedies on Default. Whenever any Event of Default by Developer referred to in Section 4.1 of this Agreement occurs, the City may take any one or more of the following actions after providing ten (10) days written notice to the Developer of the Event of Default, but only if the Event of Default has not been cured within said ten (10) days:

(a) Declare the entire outstanding balance of the Deferred Charges immediately due and payable.

(b) Terminate this Agreement.

(c) Take whatever action, including legal, equitable or administrative action, which may appear necessary or desirable to the City to collect any payments due under this Agreement, or to enforce performance and observance of any obligation, agreement, or covenant of the Developer under this Agreement.

Section 4.3. No Remedy Exclusive. No remedy herein conferred upon or reserved to the City or Developer is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Agreement or now or hereafter existing at law or in equity or by statute. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the City or the Developer to exercise any remedy reserved to it, it shall not be necessary to give notice, other than such notice as may be required in this Article IV.

Section 4.4. No Additional Waiver Implied by One Waiver. In the event any agreement contained in this Agreement should be breached by either party and thereafter waived by the other party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other concurrent, previous or subsequent breach hereunder.

Section 4.5. Costs of Enforcement. Whenever any Event of Default occurs and the City shall employ attorneys or incur other expenses for the collection of payments due or to become due or for the enforcement of performance or observance of any obligation or agreement on the part of the Developer under this Agreement, the Developer agrees that it shall, within ten (10) days of written demand by the City, pay to the City the reasonable fees of such attorneys and such other expenses so incurred by the City.

ARTICLE V

Additional Provisions

Section 5.1. Representatives Not Individually Liable. No member, official, or employee of the City shall be personally liable to the Developer, or any successor in interest, in the event of any default or breach or for any amount which may become due to Developer or successor in interest or on any obligations under the terms of this Agreement.

Section 5.2. Titles of Articles and Sections. Any titles of the several parts, Articles, and Sections of the Agreement are inserted for convenience of reference only and shall be disregarded in construing or interpreting any of its provisions.

Section 5.3. Notices and Demands. Except as otherwise expressly provided in this Agreement, a notice, demand, or other communication under the Agreement by either party to the other shall be sufficiently given or delivered if it is dispatched by registered or certified mail, postage prepaid, return receipt requested, or delivered personally; and

(a) in the case of the Developer, is addressed to or delivered personally to J Robinson Construction, Inc. at 309 Elm Street SW, Isanti, MN 55040; and

(b) in the case of the City, is addressed to or delivered personally to the City at 110 First Avenue N.W., P.O. Box 428, Isanti, Minnesota 55040,

or at such other address with respect to either such party as that party may, from time to time, designate in writing and forward to the other as provided in this Section.

Section 5.4. Disclaimer of Relationships. The Developer acknowledges that nothing contained in this Agreement nor any act by the City or the Developer shall be deemed or construed by the Developer or by any third person to create any relationship of third-party beneficiary, principal and agent, limited or general partner, or joint venture between the City and the Developer or any third party.

Section 5.5. Modifications. This Agreement may be modified solely through written amendments hereto executed by the Developer and the City.

Section 5.6. Counterparts. This Agreement may be executed in any number of counterparts, each of which shall constitute one and the same instrument.

Section 5.7. Judicial Interpretation. Should any provision of this Agreement require judicial interpretation, the court interpreting or construing the same shall not apply a presumption that the terms hereof shall be more strictly construed against one party by reason of the rule of construction that a document is to be construed more strictly against the party who itself or through its agent or attorney prepared the same, it being agreed that the agents and attorneys of both parties have participated in the preparation hereof.

IN WITNESS WHEREOF, the City has caused this Agreement to be duly executed in its name and behalf and the Developer has caused this Agreement to be duly executed in its name and behalf on or as of the date first above written.

Request for City Council Action

To: Mayor Wimmer and City Council Members

From: Sean M. Sullivan, Economic Development Director

Date: September 6, 2016

Subject: **Consider Resolution Authorizing the Execution of Repayment Agreement with J Robinson Construction, Inc for Lot 1, Block 3, Villages on the Rum Common Interest Community Number 6**

On December 1, 2015, the City Council extended the SAC and WAC Deferral program as Resolution No. 2015-289 to help continue to spur development activity. J Robinson Construction, Inc. has requested the City to execute a Repayment Agreement for Lot 1, Block 3, Villages on the Rum CIC No. 6 for the construction of a 1,350 square foot single family residential home at 1014 Pleasant View Ct. NW. The business is in "good standing" upon review of the Minnesota Secretary of State Office as of August 18, 2016. The form of the Repayment Agreement is consistent with the form presented on December 1, 2015. The Repayment Agreement will be dated as of the date that the Building Permit is paid for by the Developer. Staff is asking the City Council to consider adoption of the attached resolution and execution of the Repayment Agreement.

City Council Action:

Consider Adoption of Resolution and Execution of Repayment Agreement

Attachments:

1) Resolution 2016-____ Authorization to Execute Repayment Agreement with J Robinson Construction, Inc. for Lot 1, Block 3, Villages on the Rum Common Interest Community Number 6

RESOLUTION 2016-___

AUTHORIZATION AND EXECUTION OF REPAYMENT AGREEMENT WITH J ROBINSON CONSTRUCTION, INC. ON LOT 1, BLOCK 3, VILLAGES ON THE RUM COMMON INTEREST COMMUNITY NUMBER 6

WHEREAS, the City of Isanti extended the SAC and WAC Deferral program on December 1, 2015 which is documented by Resolution 2015-289; and

WHEREAS, A boiler plate Repayment Agreement was drafted by Development Attorney Deike and the City Council directed Staff to utilize this agreement for parties interested in SAC and WAC Deferral for commercial or residential development; and

WHEREAS, J Robinson Construction, Inc. (the "Developer") has asked the City to enter into a Repayment Agreement for the property legally described as: Lot 1, Block 3, Villages on the Rum Common Interest Community Number 6 (the "Property"); and

REPAYMENT AGREEMENT

THIS AGREEMENT, made on or as of the ____ day of September, 2016, by and between the City of Isanti, Minnesota, a statutory City under the laws of the state of Minnesota (hereinafter referred to as the "City") having its principal office at 110 First Avenue N.W., Isanti, Minnesota 55040, and J Robinson Construction, Inc, a corporation under the laws of the State of Minnesota (hereinafter referred to as the "Developer"), having its principal office at 309 Elm Street SW, Isanti, MN 55040.

WITNESSETH:

WHEREAS, the Developer intends to construct a 1,350 square foot main floor single family home (the "Improvements") on certain real property (the "Property") in the City; and

WHEREAS, in connection with the construction of the Improvements there are certain water and sanitary sewer charges that are payable by the Developer to the City; and

WHEREAS, the Developer has demonstrated to the satisfaction of the City that the Developer is unable to pay the full amount of the charges now and has asked the City to defer such charges and make them payable at a future point in time; and

WHEREAS, the City believes that the development of the Improvements by the Developer is in the best interests of the City and, therefore, it is willing to defer the charges if doing so will facilitate the development and viability of the Improvements.

NOW, THEREFORE, in consideration of the premises and the mutual obligations of the parties hereto, each of them does hereby covenant and agree with the other as follows:

ARTICLE I

Definitions

Section 1.1. Definitions. In this Agreement, unless a different meaning clearly appears from the context:

"Agreement" means this Agreement, as the same may be from time to time modified, amended, or supplemented.

"City" means the City of Isanti, Minnesota, its successors and assigns.

"County" means Isanti County, Minnesota.

"Deferred Charges" means the utility charges described in Section 3.1 of this Agreement being deferred by the City and which the Developer is obligated to pay in accordance with this Agreement.

"Developer" means J Robinson Construction, Inc., a Minnesota Corporation, its successors and assigns.

"Event of Default" means an action by the Developer listed in Article IV of this Agreement.

"Improvements" means the 1,350 square foot main floor single family home to be constructed by the Developer on the Property.

"Property" means the real property described on the attached Schedule A to this Agreement.

"State" means the State of Minnesota.

ARTICLE II

Representations

Section 2.1. Representations by the City. The City makes the following representations as the basis for the undertaking on its part herein contained:

(a) The City is a statutory city duly organized and existing under the laws of the State. Under State law, the City has the power to enter into this Agreement and to perform its obligations hereunder.

Section 2.2. Representations by the Developer. The Developer represents that:

(a) The Developer is a limited liability company duly organized and authorized to transact business in the State, is not in violation of any provisions of its Bylaws or the laws of the State, has power to enter into this Agreement and has duly authorized the execution, delivery and performance of this Agreement by proper action of its President.

ARTICLE III

Deferred Charges

Section 3.1. Deferred Charges. The Developer owes to the City the sum of **$7,983.00** in deferred utility charges. The Deferred Charges consist of **$3,677.00** in Water Connection Charges and **$4,306.00** in Sewer Connection Charges. The City has agreed to defer the payment of the Deferred Charges as described in this Agreement.

Section 3.2. Payment of the Deferred Charges. The Developer agrees that it will pay the Deferred Charges to the City on the earliest to occur of the following:

(a) on the date that is one hundred and twenty (120) days after the date of this Agreement;

(b) on the date that the Developer sells or transfers the Property or Improvements, or any portion thereof; or

(c) on the date that the City issues a certificate of occupancy for the Improvements.

Interest shall accrue on the Deferred Charges at the rate of zero percent (0%) from the date hereof and continuing until the Deferred Charges and all accrued interest have been paid in full.

Section 3.3. Payment of Costs. The Developer shall pay all costs incurred by the City in connection with the preparation and implementation of this Agreement and related documents, including, without limitation, fees of attorneys related the preparation of this Agreement and related documents, if the Developer fails to complete construction of the Improvements within one hundred and twenty (120) days after the date of this Agreement.

ARTICLE IV

Events of Default

Section 4.1. Events of Default Defined. The following shall be "Events of Default" under this Agreement and the term "Event of Default" shall mean, whenever it is used in this Agreement (unless the context otherwise provides), any one or more of the following events:

(a) Failure by the Developer to pay when due any payments required to be paid under this Agreement.

(b) The Developer of the following: (i) file any petition in bankruptcy or for any reorganization, arrangement, composition, readjustment, liquidation, dissolution, or similar relief under United States Bankruptcy Laws or any similar Federal or State Laws; or (ii) make an assignment for the benefit of its creditors; or (iii) admits, in writing, its inability to pay its debts generally as they become due; or (iv) be adjudicated, bankrupt or insolvent.

Section 4.2. City's Remedies on Default. Whenever any Event of Default by Developer referred to in Section 4.1 of this Agreement occurs, the City may take any one or more of the following actions after providing ten (10) days written notice to the Developer of the Event of Default, but only if the Event of Default has not been cured within said ten (10) days:

(a) Declare the entire outstanding balance of the Deferred Charges immediately due and payable.

(b) Terminate this Agreement.

(c) Take whatever action, including legal, equitable or administrative action, which may appear necessary or desirable to the City to collect any payments due under this Agreement, or to enforce performance and observance of any obligation, agreement, or covenant of the Developer under this Agreement.

Section 4.3. No Remedy Exclusive. No remedy herein conferred upon or reserved to the City or Developer is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Agreement or now or hereafter existing at law or in equity or by statute. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the City or the Developer to exercise any remedy reserved to it, it shall not be necessary to give notice, other than such notice as may be required in this Article IV.

Section 4.4. No Additional Waiver Implied by One Waiver. In the event any agreement contained in this Agreement should be breached by either party and thereafter waived by the other party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other concurrent, previous or subsequent breach hereunder.

Section 4.5. Costs of Enforcement. Whenever any Event of Default occurs and the City shall employ attorneys or incur other expenses for the collection of payments due or to become due or for the enforcement of performance or observance of any obligation or agreement on the part of the Developer under this Agreement, the Developer agrees that it shall, within ten (10) days of written demand by the City, pay to the City the reasonable fees of such attorneys and such other expenses so incurred by the City.

ARTICLE V

Additional Provisions

Section 5.1. Representatives Not Individually Liable. No member, official, or employee of the City shall be personally liable to the Developer, or any successor in interest, in the event of any default or breach or for any amount which may become due to Developer or successor in interest or on any obligations under the terms of this Agreement.

Section 5.2. Titles of Articles and Sections. Any titles of the several parts, Articles, and Sections of the Agreement are inserted for convenience of reference only and shall be disregarded in construing or interpreting any of its provisions.

Section 5.3. Notices and Demands. Except as otherwise expressly provided in this Agreement, a notice, demand, or other communication under the Agreement by either party to the other shall be sufficiently given or delivered if it is dispatched by registered or certified mail, postage prepaid, return receipt requested, or delivered personally; and

(a) in the case of the Developer, is addressed to or delivered personally to J Robinson Construction, Inc. at 309 Elm Street SW, Isanti, MN 55040; and

(b) in the case of the City, is addressed to or delivered personally to the City at 110 First Avenue N.W., P.O. Box 428, Isanti, Minnesota 55040,

or at such other address with respect to either such party as that party may, from time to time, designate in writing and forward to the other as provided in this Section.

Section 5.4. Disclaimer of Relationships. The Developer acknowledges that nothing contained in this Agreement nor any act by the City or the Developer shall be deemed or construed by the Developer or by any third person to create any relationship of third-party beneficiary, principal and agent, limited or general partner, or joint venture between the City and the Developer or any third party.

Section 5.5. Modifications. This Agreement may be modified solely through written amendments hereto executed by the Developer and the City.

Section 5.6. Counterparts. This Agreement may be executed in any number of counterparts, each of which shall constitute one and the same instrument.

Section 5.7. Judicial Interpretation. Should any provision of this Agreement require judicial interpretation, the court interpreting or construing the same shall not apply a presumption that the terms hereof shall be more strictly construed against one party by reason of the rule of construction that a document is to be construed more strictly against the party who itself or through its agent or attorney prepared the same, it being agreed that the agents and attorneys of both parties have participated in the preparation hereof.

IN WITNESS WHEREOF, the City has caused this Agreement to be duly executed in its name and behalf and the Developer has caused this Agreement to be duly executed in its name and behalf on or as of the date first above written.

Isanti

Request for City Council Action

To: Mayor Wimmer and City Council Members

From: Sean M. Sullivan, Economic Development Director

Date: September 6, 2016

Subject: **Consider Adoption of Resolution Awarding Demolition Contract and Authorization of Interfund Loan**

Background:

The City of Isanti acquired 100 Dahlin in June of 2016. Staff was directed to get quotes for the demolition, abatement and waste removal at 100 Dahlin and to bring them forward to the City Council for consideration. All interested parties were provided a copy of the pre-demo survey and were asked to also include topsoil and reseeding as part of the project. City Staff received four complete bids for the project that included the demolition, abatement and removal of the waste and capping the sewer and water lines. Bids were received from some environmental firms exclusively for the abatement but they were in excess of the bids submitted by the four contractors that included abatement in their demo bids. For that reason Staff is only presenting the complete bids for the City Council to consider. The bids in order from lowest to highest are as follows:

Sauter and Sons, Inc.	$25,060.00
Above All Rooftops to Remodeling	$26,600.00
Nitti Roll-Off	$34,378.00
Dirtworks Inc.	$37,000.00

Staff has spoken to each contractor and is confident all of them are capable and responsible bidders. In addition, all contractors are able to compete the project prior to winter which was also a requirement. Based on the bids received to date City Staff would recommend selection of Sauter and Sons, Inc. for Demolition and Abatement Project at 100 Dahlin based upon the lowest responsible bid.

Budgeting:

In 2016, there was not a budget allocation for this potential project but it was discussed at great length at the EDA and previous Finance Committee meetings. Acquisition, renovation and demolition activities would be qualifying activities within TIF District No. 9. The EDA and City Council have identified the General Fund as the immediate source of funding for this project. This is a TIF eligible expense, so cost can be reimbursed to the City if TIF revenue within the district is sufficient. There is a real possibility that revenues generated within TIF 9 will not be sufficient to reimburse the City for this general fund expenditure. Staff understands that there could be an extended hold period which is typical for redevelopment projects. The City could do an inter-fund loan in the event the funds become available from TIF district No. 9 and staff would recommend this action.

Funding Source and Amount:

General Fund and to set up an inter-fund loan with TIF District No. 9 in the event that there are funds available to reimburse for eligible activities in the amount of the amount of the Bid awarded by the City Council ($25,060-$37,000).

City Council Action:

Consider Adoption of Resolution 2016-___ Awarding Demolition of 100 Dahlin Ave NE to Sauter and Sons, Inc. and Authorization of Interfund Loan

Attachments:

1) Resolution Awarding Demolition Contract for 100 Dahlin Ave NE and Authorization of Inter-fund Loan
2) Bids Submitted for Demolition and Abatement.

RESOLUTION 2016-___

AWARDING DEMOLITION CONTRACT FOR 100 DAHLIN AVE NE AND AUTHORIZATION OF INTERFUND LOAN

WHEREAS, the City of Isanti City Council Directed staff to get bids from contractors for the demolition and removal of the buildings and garage located on the real property known as 100 Dahlin Ave NE; and

WHEREAS, City Staff has reviewed the bids and all bidders are responsible and capable bidders and the low bid was submitted by Sauter and Sons, Inc.; and

WHEREAS, the Demolition and abatement work to be conducted, including is on real property located in TIF District No. 9 and the work is a TIF eligible expense; and

WHEREAS, an Inter-fund Loan resolution must be adopted prior to the expenditure of funds in order to be eligible for reimbursement from TIF District No. 9.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota authorize the following:

1) Award project for demolition and abatement to Sauter and Sons, Inc. for an amount not to exceed $25,060.00 and to authorize execution of contract by the Mayor and City Administrator for the demolition and abatement services.
2) Authorize Inter-fund Loan in the amount of $25,060.00 from the City General Fund to TIF District No. 9 for activities related to the demolition and abatement work for 100 Dahlin Ave NE

This Resolution hereby approved by the Isanti City Council this 6th day of September 2016.

Attest: _____
Mayor George A. Wimmer

CITY OF ISANTI
PARKS, RECREATION, AND CULTURE BOARD
MEETING MINUTES
July 26, 2016
City Council Chambers

1. Meeting Opening.

A. Call to Order.
Zdon called the meeting to order at 6:02 p.m.

B. Pledge of Allegiance.
Everyone stood for the Pledge of Allegiance.

C. Roll Call.

Members Present:	Jennifer Garvey, James Witte, and Aaron Zdon
Members Absent:	Mayor Wimmer (Gave Prior Notice)
Staff Present:	Katie Everett, Community Events and Parks Coordinator

D. Agenda Modifications.
Zdon asked to have an update of the BMX association added to the Parks Updates.
Garvey asked to have an update about Legacy Park added to Parks Updates

Motion by Garvey, second by Zdon to approve the July 26th 2016 Parks, Recreation, and Culture Board Agenda. Motion was unanimously approved.

Everett asked James Witte to read the Oath of Office given to him prior to the meeting. Witte read the oath as written.

2. Approval of Minutes from May 24, 2016 Parks, Recreation and Culture Board Meeting.

Motion by Garvey. Second by Witte. Vote was unanimously approved.

3. Arts and Science Academy Park

Everett explained that the Arts and Science Academy approached the City in the past about expanding their enrollment, and that the City of Isanti owns a lot adjoining to the school's property. This became an opportunity for a park to be constructed here; city staff wanted the park to have a draw to get people to visit it – there are not currently many people who can walk there, so it would need something more to get people to go. Exercise equipment seemed like a good fit considering the businesses already in the area, and it is an amenity not offered elsewhere in the city. Right now, the city is working on writing up agreements with the school. Construction is not expected to start at the school this calendar year, and there is no set timeline for construction on the city parcel.

Zdon asked if this would be funded from the Park Dedication Fund; Everett responded that typically that is how this type of project is funded, but there is also grant potential with this type of park. Members indicated that they thought the park was a good idea; there was some discussion about what kinds of equipment would eventually be installed – obstacle course types of equipment, exercise machines, etc. The specifics of the park design will be discussed at a future date.

4. Future Dog Park

Everett explained that the city has been receiving requests for a dog park for a long time and residents are looking for a place where their dogs can be off leash. The city has determined that the grassy lot next to the Indoor Arena (BMX facility) is a good location for a future dog park. According to the proposed plan, the dog park would happen in two phases. Because there are storage buildings on the lot that are needed; the first phase would fence in a small portion of the park. Then, as funds allow, the buildings would be relocated and the fence moved all the way to the southern boundary of the lot.

Zdon stated that he liked the idea of the dog park and this location makes sense, the buildings are past their prime so it would make sense to have them relocated to more convenient places and designed for their intended use; he also thought that the extended parking would be useful for not only the dog park but for BMX events as well. Zdon raised the concern that if the fence were to extend all the way to the back of the lot, there would be a considerable impact on event parking especially during larger BMX events like nationals and state races.

Witte asked if the plan would include just three pieces of agility equipment; Everett explained that this is just an early proposal so that may change in the future. Then Witte also asked if there were any plans to have a water spigot or hose at the site. Everett explained that she did look into it, however "doggie drinking fountains" are about $3000 and the water service would still need to be brought in. Zdon stated that he believed that the water service ended at the BMX facility, so it may be a large cost.
Everett explained that city staff have also discussed that none of our parks have drinking fountains, but it may be nice at some point in the future to provide them, especially at places like Bluebird where there is a heavily used pavilion.

5. Skate Park Update

Everett explained that the hockey rink boards have been removed and sold. The current plan is to have Public Works remove all of the equipment this fall and make repairs during the winter. The equipment would be replaced in the spring onto the cement slab. The timeline of this may be affected by spring weather because the boards need to be hot so they are flexible when they are installed. The funds for the necessary panels have been included in the preliminary 2017 budget and are on track to be approved.

Zdon asked if moving the equipment to the cement slab would affect our ability to use Park Dedication Fund money to purchase additional equipment in the future. Everett explained that she has asked the finance department for an answer on this, and the current understanding is that moving the equipment would not affect the way funds would be allocated. Additionally, because both the pavement and cement slab are in Bluebird Park, there would not be a "new" park constructed, so moving the equipment should not matter. Garvey agreed that moving the equipment should not affect future funding opportunities. Everett explained that the exact placement of the equipment on the cement can be discussed at a later date.

6. School Use of Mattson Tennis Courts

Everett stated that contract with the school was up for their use of Mattson tennis courts. The courts do need to be surfaced. Witte asked if this would be done this year; Everett indicated that the timeline would be very tight because the school will start using the courts again on August 29th Garvey indicated that they will likely want to be out again as soon as the snow melts, so the best time may end up being after the spring season ends. Everett spoke with their athletic director and they will need the courts for 31 days this season starting on August 29. The past agreements had been good for two years and increased by $25. If the fee was increased to $400, they would be paying $12.90/day; if it was increased to $425 they would be paying $13.71/day. Zdon indicated that neither fee would be able to cover the costs of resurfacing.

Garvey made a motion to recommend that the fee be raised to $400 per season, and would be valid

for two years. Witte seconded the motion; it was unanimously approved.

7. Tot Lot Naming Contest

Everett explained that she has drafted a form for the Tot Lot renaming contest from past contests and those from other places; essentially the rules are that entrants need to be residents and the names need to be relevant. Garvey stated that the form makes sense and the examples of potential names should be helpful. Zdon asked if it would be included in the next Isantian; Everett responded that the whole form will probably not be included, but a blurb can be included to inform people about the contest. Everett explained that she can also advertise at the Farmer's Market which runs through September 30th. Garvey asked if there were any deadlines established for the contest. Everett explained that she left a space for the date, but the Park Board could determine this. There is not a meeting in December. The group determined that the October 24 meeting would give people enough time to send in entries. With this as the date, Everett asked if we should also determine a deadline for entries; the group decided that October 10th at 4:30 would be appropriate to organize entries and prepare them for the meeting. Garvey made a motion for Park Board to authorize the renaming contest for Isanti Tot Lot, with names to be discussed at the October 24th meeting and an entry deadline of October 10, 2016, and to have staff move forward with promoting the contest. Witte seconded the motion; it was unanimously approved.

8. Parks Updates – Prioritized List

Everett explained that the list was created by the Park Board members last year to start making necessary repairs to parks, and was further prioritized by them. Staff have been working hard to get through the list. Everett explained that Public Services Director Wood has done a great job getting everyone organized and ordering the necessary parts. Zdon stated that the repainted tables look great.

Everett stated that the parts of the list that have not been completed are in the works and will be done as soon as possible. She has contacted GameTime to begin getting estimates for refurbishing the parks. This would be powder coating the metal elements and replacing the plastic pieces. This process is likely to be expensive, and the board should begin to consider how much money should be spent on parks like Tot Lot where we know that there are already pieces that can't be replaced. The best place to start for now will be to get some prices and move from there.

Everett asked the board to discuss whether or not it would be appropriate to replace the Whisper Ridge tennis net. Garvey stated that with the current condition of the court surface it may not even be safe to play tennis on the courts, so we should consider taking down the net altogether so as not to prompt people to play tennis there. Garvey asked Everett if she had received any calls about the condition of the courts, and Everett stated that she had not and if other staff had she has not heard about them, however that information does generally get forwarded to her. Garvey stated that removing the net may be a way to determine if the courts are being used – people may call in if the nets are gone and they are using the courts. Everett stated that she is not sure that many people beyond those living in the houses bordering the courts even knew it was there. Additionally, there have been discussions in the past about connecting Whisper Ridge with trails into downtown and at this point a larger project would probably take place with the courts. Garvey made a motion to recommend that the Whisper Ridge Nets not be replaced and that the city consider removing the net. Witte seconded; the motion was unanimously approved.

9. Parks Updates – Programming

Everett shared that the community garden is growing well – weeds especially have taken off this year, so keeping up with them has been interesting. Early in the year, the garden was really dry being in full sun, and then we have gotten so much rain that it was too wet for a while, so it has been kind of an experiment in the first year. Staff have received many complements on the garden and gardeners seem very pleased. The school's section looks fantastic; they weren't able to bring students out at the end of the school year because it was too muddy, but they planted right after school got out and have been maintaining it really

well. Their plan is to bring students out to harvest once school starts again. Everett indicated that the acre that the Minnesota Center will be using for their experiment has regrown, so she will be in touch with them once they're back in session about their plans for that area. The lower portion of the park did flood when the river came back up, but Public Works was able to get out on Monday to begin clean up. The bridge is still there and seems undamaged. There had been some fallen trees used to block ATVs from accessing the park from Martin's Landing which are now gone, so they are working to block that off again a different way.

There is a StoryWalk scheduled at the park for August 6 from 1:00-3:00pm. The pages from a children's story (Bear's New Friend) will be posted along the trail and families will be able to read the story as they walk. The flyer has been distributed to daycares, Heavenly Sunshine, ECFE, and posted to Facebook. Hopefully this event will get some new people in to the park as well.

The Farmer's Market is picking up again. The first four markets of the season had rain and limited produce, but a lot of new produce is coming in. The market has a lot of repeat customers who come every week, but there are always also new people who didn't know the market was there that come each week.

The Two Cities, One Community event is happening again this year. Everett stated that staff are working to get businesses for the wellness fair, and if any of the members knew of groups or organizations that may want to come they are also welcome. The activities for the event include a 5K and bike ride. The first 50 participants of both the bike ride and the 5K run/walk will receive free goodie bags (100 total will be given out). After the 5K, will be the wellness fair. This year, the first clue of the medallion hunt will be announced. Hopefully the medallion hunt will get people out and about in town. After the wellness fair there will be a magician in Cambridge as well as free hot dogs and ice cream.

Additional items:
Zdon stated that he would like to update the Park Board on the changes in the BMX association. Everett stated that she has an updated list of board members; Kevin is no longer the president of the organization but is still the track operator. Zdon stated that Kevin had a lot on his plate so this was a good move for everyone. Everett stated that Andy Strom has been the new contact and things seem to be improving. Zdon indicated that the city has also received the financials that they needed.

Garvey asked for an update on the Legacy Park road block. She indicated that they have been seeing traffic at the park again. Everett stated that staff were still waiting for official approval from the bank board to be able to install anything on site. Everett stated that we can always ask PD to go out again and that usually helps, and she will try to get an update on that progress.

Garvey also stated that she would like to receive an update on replacing the outdoor ice rink at the next meeting. She stated that Cambridge has approved two refrigerated outdoor rinks that should be ready this year. Everett stated that as far as she knew, the city was still planning to put the rink closer to the IIA, but it was not currently in the budget. She will look into it more for the next meeting.

10. Adjournment

Motion by Garvey, second by Witte to adjourn the July 26, 2016 meeting of the Parks, Recreation, and Culture Board. Motion was approved.

The meeting adjourned at 6:55 p.m.

Dated at Isanti, Minnesota this 26th day of July, 2016.

Respectfully submitted,

Katie Everett
Community Events and Parks Coordinator

RESOLUTION 2016-

A RESOLUTION TO AMEND RESOLUTION 2016-174 ADDRESSING THE DAMAGED PLAYGROUND EQUIPMENT AT BLUEBIRD PARK

WHEREAS, on May 17, 2016 City Council approved Resolution 2016-174 to approve necessary expenses to repair the existing blue climbing structure equipment at Bluebird Park; and,

WHEREAS, it has been found that Resolution 2016-174 must be clarified to reflect the source of the funding for the approved repairs; and,

WHEREAS, the funding source in the amount, not to exceed, $4,546.50 to repair the structure at Bluebird Park will be the General Fund fund;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota that Resolution 2016-174 shall be amended to include the General Fund fund as the source of the Bluebird Park climbing structure repair expenses, not to exceed $4,546.50.

This Resolution hereby approved by the Isanti City Council this 6th day of September, 2016.

Attest:

Mayor George A. Wimmer

Lindsey McInnis
Human Resources/City Clerk

(SEAL)

L.5.

RESOLUTION NO. 2016-XXX

RESOLUTION OFFERING THE POSITION OF PART-TIME LIQUOR STORE CLERK III TO BECKY WHITMAN

WHEREAS, the City Council of the City of Isanti is required to approve all new employees; and

WHEREAS, the City Council approved to advertise and accept applications to fill a Liquor Store Part-Time Clerk III position; and

WHEREAS, the Interviewing Panel selected Ms. Becky Whitman as the most qualified candidate for the open Part-Time Clerk III position.

NOW THEREFORE BE IT RESOLVED BY THE CITY COUNCIL of the City of Isanti, Minnesota as follows:

1. That Human Resources is hereby directed to offer the Liquor Store Part-Time Clerk III position to Ms. Becky Whitman for the City of Isanti and that she shall be eligible to start in that position effective September 7, 2016.
2. That Ms. Becky Whitman shall start at Step 1 of the Wage Scale at $12.98/hr.
3. That Ms. Becky Whitman shall be on probationary status per the Personnel Policy in the position of the Part-Time Clerk III position effective September 7, 2016, or her start date, whichever is later.
4. That Human Resources is directed to complete all required documentation for the completion of the employment offer.
5. That Human Resources can work with the Liquor Store Manager to fill Whitman's previously held part-time clerk position.
6. That Human Resources is directed to forward an executed copy of this resolution to the employee and place a copy in the employee's personnel file for future reference.

This resolution was duly adopted by the Isanti City Council this 6th day of September, 2016.

Attest:

Mayor George A. Wimmer

Lindsey McInnis
Human Resources/City Clerk

L.6.

RESOLUTION NO. 2016-XXX

RESOLUTION OFFERING THE POSITION OF PART-TIME LIQUOR STORE CLERK TO ASHLEY DUTCHER

WHEREAS, the City Council of the City of Isanti is required to approve all new employees; and

WHEREAS, the promotion of a Part Time Liquor Store Clerk to Part Time Liquor Store Clerk III created a vacancy; and

WHEREAS, during the Clerk III interview process the Interviewing Panel selected Ashley Dutcher as the most qualified candidate for the newly vacant Part-Time Clerk position; and

WHEREAS, the Personnel Committee approved moving forward with the process, and a successful background check has been completed.

NOW THEREFORE BE IT RESOLVED BY THE CITY COUNCIL of the City of Isanti, Minnesota as follows:

1. That Human Resources is hereby directed to offer the Part Time Liquor Store Clerk position to Ashley Dutcher for the City of Isanti and that she shall be eligible to start in that position on or after September 7, 2016.
2. That Ashley Dutcher shall start at Step 1 of the Wage Scale at $10.57 per hour.
3. That Ashley Dutcher shall be on probationary status per the Personnel Policy in the position of the Part-Time Clerk position effective September 7, 2016, or her start date, whichever is later.
4. That Human Resources is directed to complete all required documentation for the completion of the employment offer.
5. That Human Resources is directed to forward an executed copy of this resolution to the employee and place a copy in the employee's personnel file for future reference.

This resolution was duly adopted by the Isanti City Council this 6th day of September, 2016.

Attest:

Mayor George A. Wimmer

MEMO

Subject: Vehicle Forfeiture ICR#15004183
1999 Dodge Ram 1500 VIN #3B7HF13ZXXG137051

Background:
The City of Isanti through its Police Department have lawfully seized and forfeited a 1999 Dodge Ram 1500. The City of Isanti holds a clear title on this vehicle.

Action:
The City Council through resolution has approved the sale of forfeited vehicles at Pikes Auction of Princeton, Mn. I am requesting the Council review and approve the sale of this vehicle at the next contractor's public auction held on September 17, 2016. Pikes Auction will advertise this vehicle.

The proceeds of this sale will be deposited into the Isanti Police Department Forfeiture Fund.

Thank you for your consideration,

Chief Gene C. Hill

RESOLUTION 2016- XXX

RESOLUTION APPROVING TO SELL THE FORFEITED 1999 DODGE RAM 1500 AT PUBLIC AUCTION

WHEREAS, the Police Department lawfully seized and forfeited a 1999 Dodge Ram 1500 because of a DUI arrest; and

WHEREAS, State statute permits the sale of such vehicles under Mn. §169A.63; and

WHEREAS, the proceeds from such sale must be designated for limited use by the governmental authority to promote public safety; and

WHEREAS, they vehicle is not viable for use by the City of Isanti by any department; and

WHEREAS, the next public auction is September 17, 2016 at Wayne Pike Auction in Princeton, Mn.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Isanti, Minnesota, to hereby approve the sale of such vehicle at public auction and the proceeds to be deposited into the Isanti Police Department Forfeiture Fund.

This was duly adopted by the Isanti City Council this 6th Day of September, 2016.

Request for City Council Action

MEMO

To: Mayor Wimmer and City Council Members
From: Chief Gene C. Hill
Date: 08/19/2016
Subject: 1992 Mazda B4000 Truck

Background:

The Isanti Police Department did lawfully seize under the forfeiture laws of this state the above vehicle. Due to the declination of prosecution by the Isanti County Attorney's Office, there is no forfeiture certificate to transfer the title to the City of Isanti. The person it was seized from was contacted on numerous occasions by phone, to include speaking with his parents which is whose home the owner resided at. After repeated calls, the owner has abandoned the property. The only value to the City of Isanti at this time is the scrap value.

On April 19th, 2011 the City Council adopted and passed a resolution regarding the disposal of forfeited property. This vehicle meets the criteria laid out in policy and has been deemed not repairable per the language of the policy.

The policy states that two verbal quotes be obtained. In calling several scrap yards, the daily price fluctuates. All the salvage yards stated that they would pay the scrap price per ton on the day we called for pickup. Isanti Auto Salvage and West Cambridge Salvage were both contacted and quoted the same price of $100.00. The last vehicle we sold was to Isanti Auto Salvage and to be fair and impartial, I recommend selling this one to West Cambridge Salvage. They will pick up the vehicle for free.

Action:
I am requesting City Council action to approve that the vehicle be deemed abandoned by its owner and to declare this vehicle surplus property. As determined by the City Administrator and Chief of Police, this vehicle would fall under the scrap metal policy. The vehicle would be sold to West Cambridge Salvage who provided a verbal quote per City Policy. The receipt and funds will be delivered to the Finance Director as stated by policy. All money would be placed into the Isanti Police Forfeiture Fund.

Thank you for your consideration,

Chief Gene C. Hill

RESOLUTION NO. 2016-_____

RESOLUTION AUTHORIZING THE CHIEF OF POLICE TO DISPOSE OF ABANDONED PROPERTY SPECIFICALLY THE 1992 MAZDA B4000 TRUCK

WHEREAS, the Isanti Police Department had initially and legally seized the above vehicle under the Minnesota Forfeiture laws of the state; and

WHEREAS, the Prosecutor declined pursuing the forfeiture; and

WHEREAS, the owner was contacted on numerous occasions via telephone to include speaking with his parents to pick up the property since 2010; and

WHEREAS, the owner had not called nor came to the Police Department to claim such property as of 08-18-2016.

WHEREAS, the city is declaring this property as abandoned and authorizes its disposal by City policy as surplus property; and

WHEREAS, City policy allows the City Administrator and the Department Head to complete such transaction if the dollar amount for such property is less than $500.00 and that two verbal quotes be received.

WHEREAS, two verbal quotes were received in the amount of $100.00 in which the last vehicle was sold to Isanti Auto Salvage; to be fair and impartial this vehicle will be sold to West Cambridge Salvage.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to authorize the Chief of Police to dispose of this property and that the proceeds of such sale be deposited into the Isanti Police Forfeiture Fund.

This resolution was duly adopted by the Isanti City Council this 6th day of September, 2016.

MINNESOTA LAWFUL GAMBLING

LG220 Application for Exempt Permit

An exempt permit may be issued to a nonprofit organization that:

- conducts lawful gambling on five or fewer days, and
- awards less than $50,000 in prizes during a calendar year.

If total raffle prize value for the calendar year will be $1,500 or less, contact the Licensing Specialist assigned to your county by calling 651-539-1900.

Application Fee (non-refundable)

Applications are processed in the order received. If the application is postmarked or received 30 days or more before the event, the application fee is **$100**; otherwise the fee is **$150**.

Due to the high volume of exempt applications, payment of additional fees prior to 30 days before your event will not expedite service, nor are telephone requests for expedited service accepted.

ORGANIZATION INFORMATION

Organization Name: North Branch Area Education Foundation

Previous Gambling Permit Number: X-93024

Minnesota Tax ID Number, if any: 3699486

Federal Employer ID Number (FEIN), if any: 27-2029579

Mailing Address: 5842 Old Main Street, Suite 7-4

City: North Branch State: MN Zip: 55056 County: Chisago

Name of Chief Executive Officer (CEO): Chris Merten

Daytime Phone: Email: chrism@nbaef.org

NONPROFIT STATUS

RE: Resolution Accepting Proposal for Extension of Interim Finance Director Services

The current service agreement for Financial Services from Abdo, Eick & Meyers, Inc. (AEM) to provide interim Finance Director services expires on September 30, 2016. Staff has requested an extension of the agreement to provide services from AEM. The proposed extension (see attached) would continue services until a new Finance Director is appointed or the date of December 31, 2016 is reached. Also attached for your reference is the existing agreement.

Staff recommends consideration of the attached Resolution approving the extension of Interim Financial Services by AEM.

RESOLUTION NO. 2016-

A RESOLUTION ACCEPTING PROPOSAL FOR EXTENSION OF INTERIM FINANCE DIRECTOR SERVICES

WHEREAS, Abdo Eick & Meyers LLP is providing interim Finance Director services for the City as per the proposal for Interim Finance Services accepted per City Resolution 2016-135. The proposal provided services through September 30, 2016, and

WHEREAS, Abdo Eick & Meyers LLP submitted a proposal to extend said Financial Management Services until such time as the Finance Director position has been filled or December 31, 2016; and

WHEREAS, the City Council feels it is in the best interest of the citizens of the City of Isanti that Interim Financial Management Services contracted through Abdo, Eick & Meyers are continued:

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, as follows:

1. Hereby accepts Abdo Eick & Meyers LLP proposal to extend Interim Financial Management Services, with terms per the contract dated April 13, 2016, until a new Finance Director is hired or December 31, 2016

This Resolution hereby approved by the Isanti City Council this 6th day of September 2016.

Change Order Form

City of Isanti
Don Lorsung, City Administrator
110 1st Avenue North
Isanti, Minnesota 55040

Proposed by: Jean D. McGann

Change request:

Per request of the City of Isanti (the City) we are extending the Interim Financial Management Services to December 31, 2016. At this time we agree to extend the contract dated April 13, 2016 to allow the City adequate time to complete their recruitment process.

Reason for requiring the change order: Recruitment efforts by City

Nature of work to be performed: Financial Management Services

Contract extended to: December 31, 2016

Estimated cost of change/ additional work:

The City of Isanti will be billed based on the terms outlined in the original agreement dated April 13, 2016. The terms and conditions of payment will be the same as in the original contract.

LETTER OF TRANSMITTAL

Don Lorsung
City of Isanti
110 1st Avenue North
Isanti, Minnesota 55040

Dear Mr. Lorsung,

Thank you for the opportunity to submit this proposal to the City of Isanti, Minnesota (the City) for interim financial management services. Based on our past experience with Cities of comparable size and complexity, we believe our structured contract with defined outcomes offered through AEM Financial Solutions, LLC (AEMFS) would provide the City with excellent financial management services.

We believe our solution will continue to result in the City receiving high level information, continual improvement of processes and allow the City to keep overall costs stable. Our proposal is based on the past work we have done, the needs of the City, and the experiences we have had working with other cities. The proposal outlines the scope of services we believe will address the needs of the City.

The term of this contract shall be from April 21, 2016 through September 30, 2016.

An AEMFS representative will be in the City offices as necessary to perform responsibilities as noted on the Scope of Services page. Services will also be performed remotely as necessary.

Investment by the City for services is indicated in the financial page.

AEMFS would like to thank the City for the opportunity. We look forward to exceeding your expectations and continuing our long-term, mutually beneficial relationship.

Sincerely,

AEM Financial Solutions, LLC

People + Process®
Going Beyond the Numbers

People

Hire

We focus recruiting efforts on Minnesota state colleges and universities. Innovative recruiting strategies, including a strong social media presence, allow us to attract top talent.

Train

We've invested in a state-of-the-art, on-site training facility and a full-time Learning Director to ensure our team is prepared to exceed your expectations.

Reward

We focus on client results and reward our team based on specific goals, not hours billed.

Process

Listen

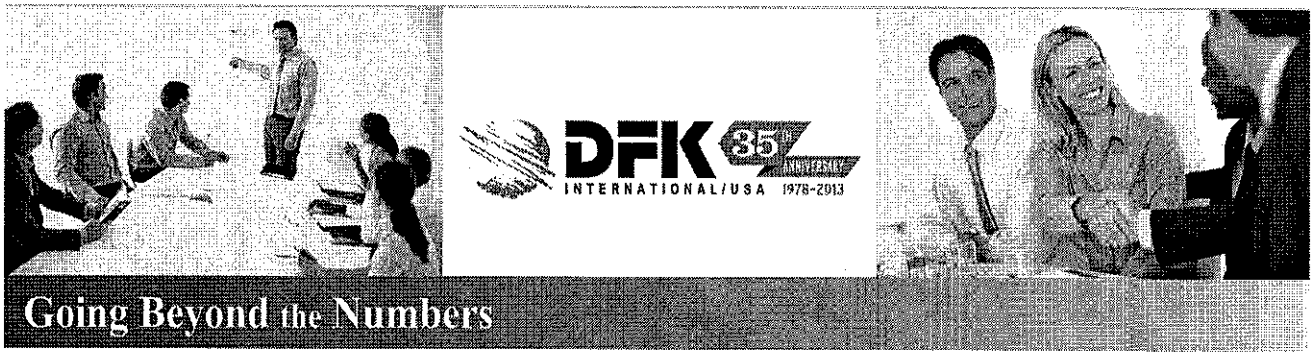
Our process begins with listening. We invest time to better understand your goals and challenges.

Engage

Active engagement with DFK International and domestic industry associations allows us to provide maximum value to your organization.

Deliver

Combing our internal expertise and technological resources with what we've learned about you allows us to deliver a solution that exceeds your expectations.



Going Beyond the Numbers

FIRM QUALIFICATIONS AND EXPERIENCE

For over 50 years, we've helped local governments throughout Minnesota serve their communities more efficiently. As the leading governmental auditing firm in the state, we provide accounting, financial, and audit services to over 200 governmental entities. In 2009, we established AEM Financial Solutions, LLC (AEMFS) a company dedicated to providing day-to-day accounting and financial management services for local governments. The success of AEMFS stems from having over 17 years of government finance and audit experience, six years of Big Four accounting Firm, and over 50 years of providing governmental services in Minnesota.

As an integral part of your team, we work with you to deliver one-of-a-kind solutions for improving best practices in your entire organization. You can expect to work with our partners and managers to resolve issues ranging from operational effectiveness to long term planning and workflow.

AEMFS is a division of Abdo, Eick & Meyers, LLP (the Firm). Overall the Firm has a professional staff of more than 131 in its Edina and Mankato offices. AEMFS specializes in the governmental industry. The following summarizes the type of services we provide.

Governmental Client Services

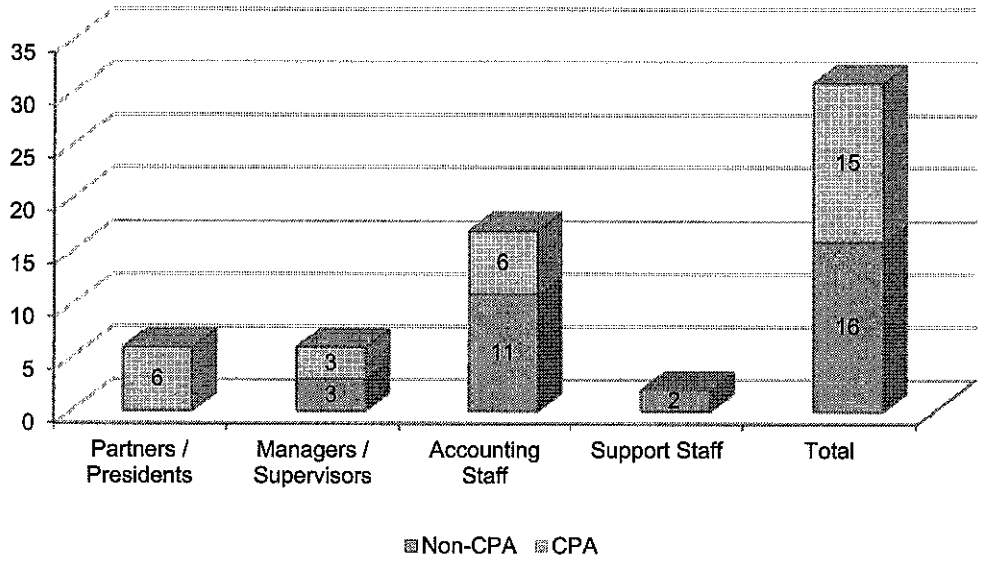
Our governmental client base is composed of cities, municipalities and other public entities. They are as follows:

- Finance director services for approximately 17 cities.
    - 2 municipal clients receive the GFOA's certificate of achievement for excellence in financial reporting
- Process evaluation studies and recommendations
- Operational effectiveness
- Work flow implementation
- Request for proposal development
- Project feasibility analysis
- Rate studies, long term strategic planning and capital improvement planning
- Budget development and analysis

Personnel

AEMFS has a tremendous level of expertise and experience in providing Governmental services. Detailed biographies can be found in Appendix A. This detail will demonstrate that when combined, we have over 55 years of providing solutions to governmental entities along with over 25 years of private sector experience.

Our substantial governmental client base and commitment of staff to governmental services has provided our firm with the competence to serve your professionally and efficiently.



People + Process. Going Beyond the Numbers

AGREEMENT FOR FINANCIAL SERVICES

THIS AGREEMENT, is made and entered into on April 13, 2016 by and between the City of Isanti, Minnesota (hereinafter referred to as the "City"), and AEM Financial Solutions LLC (hereinafter referred to as the "Contractor").

Articles of Agreement & Recitals

WHEREAS, the City is authorized and empowered to secure from time to time certain professional services through contracts with qualified consultants; and

WHEREAS, the Contractor understands and agrees that:

1. The Contractor will act as an Independent Contractor in the performance of all duties under this Agreement. Accordingly, the Contractor shall be responsible for payment of all taxes, including federal, state and local taxes and professional/business license fees arising out of the Contractor's activities;

2. The Contractor shall have no authority to bind the City for the performance of any services or to obligate the City. The Contractor is not an agent, servant, or employee of the City and shall not make any such representations or hold himself/herself out as such;

3. The Contractor shall be the exclusive outsourced accounting service provider for the City during the term of this Agreement;

4. The Contractor shall perform all professional services in a competent and professional manner, acting in the best interests of the City at all times.

5. The Contractor shall not accrue any continuing contract rights for the services performed under this contract.

NOW THEREFORE, in consideration of the mutual covenants and promises contained herein, it is agreed as follows:

ARTICLE I

INCORPORATION OF RECITALS

The recitals and agreement set forth above are hereby incorporated into this Agreement.

ARTICLE II

LIABILITY INSURANCE

Section 1 Liability Insurance: The Contractor shall obtain professional liability insurance, at their expense with liability insurance coverage minimums in the amount of $2,000,000, which Contractor must secure and maintain during the term of this Agreement. Contractor will provide City with proof of liability insurance coverage under this Agreement in writing upon request by the City.

People + Process. Going Beyond the Numbers

ARTICLE III

DURATION OF THE AGREEMENT

Section 1 Duration: This Agreement shall commence upon date of execution by all parties and will remain in effect until September 30, 2016 unless earlier terminated as provided in Sections 2 and 3.

Section 2 City's Termination Rights: City may terminate this Agreement upon sixty (60) days written notice in the event the City determines in its sole discretion that it is not in the City's best interest to continue using Contractor's services. The City may terminate on ten (10) days written notice of the Contractor fails to perform its obligations under this Agreement.

Section 3 Contractor's Termination Rights: Contractor may terminate this Agreement upon thirty (30) days written notice to City in the event City does not pay Contractor compensation as required under Article 5, Section 9 within fifteen (15) days after invoice is received by City. In the event of non-payment within thirty (30) days, Contractor shall give City an opportunity to cure the default by giving a notice of such non-payment and an additional five (5) days after the City's receipt of the notice to remit such payment, prior to giving a notice of termination. Contractor can also terminate the Agreement with one hundred twenty (120) days written notice if the Contractor believes it is in its best interests to terminate the Agreement.

ARTICLE IV

RENEWAL OF THE AGREEMENT

Section 1 Renewal Period: Not less than ninety (90) days prior to the expiration of this Agreement, the City may provide written notice of intent to renew this Agreement for an additional term of up to three years upon terms and conditions agreed upon by both parties to the Agreement. If no such renewal agreement is executed by the parties, the Agreement terminates without further action of either party on September 30, 2016.

ARTICLE V

GENERAL

Section 1 Authorized City Agent: The City's authorized agent for the purpose of administration of this Agreement is the City Administrator. Said agent shall have final authority for approval and acceptance of the Contractor's services performed under this Agreement and shall further have responsibility for administration of the terms and conditions of this Agreement. All notices under this Agreement shall be sent to the person and address indicated below on the signature lines.

Section 2 Amendments: No amendments or variations of the terms and conditions of this Agreement shall be valid unless in writing and signed by the parties.

Section 3 Assignability: The Contractor's rights and obligations under this Agreement are not assignable or transferable.

Section 4 Data: Any data or materials, including, but not limited to, reports, studies, photographs, negatives, or any and all other documents prepared by the Contractor or its outside consultants in the performance of the Contractor's obligations under this Agreement shall be the exclusive property of the City, and any such data and materials shall be remitted to the City by the Contractor upon completion, expiration, or termination of this Agreement. Further, any such data and materials shall be treated and maintained by the Contractor and its outside consultants in accordance with applicable federal, state and local. Further, Contractor will have access to data collected or maintained by the City to the extent necessary to perform Contractor's obligations under this Agreement. Contractor agrees to maintain all data obtained from the City in the same manner as the City is required under the Minnesota Government Data Practices Act, Minnesota Statutes Chapter 13 or other applicable law (hereinafter referred to as the "Act"). Contractor will not release or disclose the contents of data classified as not public to any person except at the written direction of the City. Upon receipt of a request to obtain and/or review data as defined in the Act, Contractor will immediately notify the City. The City shall provide written direction to Contractor regarding the request within a reasonable time, not to exceed fifteen (15) days. The City agrees to indemnify, hold harmless and defend Contractor for any liability, expense, cost, damages, claim, and action, including attorneys' fees, arising out of or related to Contractor's complying with the City's direction. Subject to the aforementioned, Contractor agrees to defend and indemnify the City from any claim, liability, damage or loss asserted against the City as a result of Contractor's failure to comply with the requirements of the Act. Upon termination and/or completion of this Agreement, Contractor agrees to return all data to the City, as requested by the City.

People + Process. Going Beyond the Numbers

ARTICLE V - CONTINUED

GENERAL - CONTINUED

Section 5 Entire Agreement: This Agreement is the entire agreement between the City and the Contractor and it supersedes all prior written or oral agreements. There are no other covenants, promises, undertakings, or understandings outside of this Agreement other than those specifically set forth. Any term, condition, prior course of dealing, course of performance, usage of trade, understanding, or agreement purporting to modify, vary, supplement, or explain any provision of this Agreement is null and void and of no effect unless in writing and signed by representatives of both parties authorized to amend this Agreement.

Section 6 Severability: All terms and covenants contained in this Agreement are severable. In the event any provision of this Agreement shall be held invalid by any court of competent jurisdiction, this Agreement shall be interpreted as if such invalid terms or covenants were not contained herein and such holding shall not invalidate or render unenforceable any other provision hereof.

Section 7 Contractor Fiscal Decision Waiver: Contractor is responsible for providing the City with timely and accurate financial recommendations and information that allows City Council the ability to make final financial decisions. Contractor will provide final financial recommendations, but is not responsible for the final decisions made regarding financial matters.

Section 8 City Employment of Contractors Employees; Should the City desire to employ the Contractors employee that is assigned to the City during the term of this Agreement, it must have the written consent of the Contractor to enter into a City employee contract with the Contractors employee. Should the Contractor agree to such arrangement, the agreement will include a payment equal to 50% of the annual contracted cost, in addition to the annual contracted cost already paid to the Contractor. This restriction on employment applies only during the term of this agreement.

Section 9 Compensation: The parties agree that the Contractor shall be paid compensation for the services provided hereunder, payable for work performed in accordance with this Agreement, based on the fees indicated in Table 1 and under the attached scope of services. Additional fees will not be incurred without prior approval of the City.

Table 1

Services Period	Monthly Fee
April 21, 2016 - September 30, 2016	$ 11,750

Initial invoice will be sent within 10 days of the execution of this agreement. Monthly installment fees will be invoiced throughout the remainder of this contract.

Section 10 Additional Services: Should the City request additional services in addition to the Contracted Services, the Contractor will provide the City with proposed fees for the services to be provided. The City shall provide a written or electronic confirmation prior to the proposed services implementation.

Section 11 Outside Contractors: It shall be the responsibility of Contractor to compensate any other outside consultants retained or hired by Contractor to fulfill their obligations under this Agreement and shall be responsible for their work and Contractor, by using outside contractors, shall not be relieved of its obligations under this Agreement.

People + Process. Going Beyond the Numbers

SCOPE OF SERVICES

Contract Task	City Responsibility	Planned Time Frame
1. Cash and Investment monitoring		
Reconcile cash and investments	City Administrator to review and approve	Monthly
Review Monthly to ensure timely and accurately balance		Monthly
Verify bank has proper amount of collateral pledged to City's account	Request monthly collateral statement from the bank	Monthly
Review cash flow to ensure proper amounts are available for operations		Monthly
Review cash flow to ensure proper amounts are available for operations	City Administrator to review and approve	
2. Monthly/Quarterly Reporting		
Complete quarterly dashboard of key indicators		Quarterly
Provide narrative to quarterly financial report	City Administrator to review and approve	Quarterly
Review monthly budget to actual reports for coding errors	City Administrator to review and approve	Monthly
Review journal entries and payroll entries to ensure accuracy	City Administrator to review and approve	Bi-weekly
Review payroll and other monthly/quarterly reports	City Administrator to review and approve	Quarterly
Review accounts payable batches	City Administrator to review and approve	Bi-weekly
Review utility billing reconciliation to ensure accuracy	City Administrator to review and approve	Monthly
Review loan payments and assist with coding	City Administrator to review and approve	Monthly
941 reconciliation	City Administrator to review and approve	Quarterly
3. Annual Reporting		
Complete Financial Reporting Form to the Office of the State Auditor	City Administrator to review and approve	June 30
PT Form 280 to the Minnesota Department of Revenue (if required)	City Administrator to review and approve	September 30

ACCOUNTANT'S COMPILATION REPORT

Honorable Mayor and City Council
City of Sample
Sample, Minnesota

We have compiled the accompanying statement of revenues and expenditures for the General Fund and statements of revenues and expenses for the enterprise funds of the City of Sample as of March 31, 20XX, for the quarter then ended. We have not audited or reviewed the accompanying financial statements and, accordingly, do not express an opinion or provide any assurance about whether the financial statements are in accordance with accounting principles generally accepted in the United States of America.

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for designing, implementing, and maintaining internal control relevant to the preparation and fair presentation of the financial statements.

Our responsibility is to conduct the compilation in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. The objective of a compilation is to assist management in presenting financial information in the form of financial statements without undertaking to obtain or provide any assurance that there are no material modifications that should be made to the financial statements.

SAMPLE

Management has elected to omit substantially all of the disclosures and the statement of cash flows required by accounting principles generally accepted in the United States of America. If the omitted disclosures and the statement of cash flows were included in the financial statements, they might influence the user's conclusions about the Company's financial position, results of operations, and cash flows. Accordingly, the financial statements are not designed for those who are not informed about such matters.

Sincerely,

AEM FINANCIAL SOLUTIONS, LLC

Isanti

Request for City Council Action

To: **Mayor Wimmer and City Council Members**
From: Chief Gene C. Hill
Date: August 30, 2016
Subject: Found / Abandoned Property

MEMO

Background:
The police department finds property and retains such property until an owner can be identified. Most often and owner cannot be identified and said property needs to be declared by resolution as abandoned so it can be disposed of in accordance with City policy.

In 2011, City Council allows the Department Head and City Administrator authority to declare individual property valued under $500.00 each to be sold in a sealed bid format or if in the best interest of the City, at public auction at our discretion. I recommend the last option, at public auction. Historically, the City has sold items at Wayne Pikes Consignment Auction which is open to the general public in Princeton, Mn. All of the listed items individually have a value of less than $500.00.

The items for consideration are as follows:

- Old squad car center partitions / center consoles / push bumpers
- Non-functioning old bicycles that are older than 60 days from impound
- Used non-repairable light bars with controls.
- Old Simplicity 5hp snow thrower
- Unleaded gas camp lanterns
- Overhead projector
- Old HP ink jet printer
- Moto Cross helmet
- Old wildfire water backpack cans
- Old yardman string trimmer

The following is policy impart:

C. It may be determined that certain property may best be sold at a public auction unless further designated by policy (i.e. scrap metal or forfeiture vehicles), whereas the City Administrator and Department Head are hereby authorized for its disposal as follows:

1. Should the surplus property be determined by the City Administrator/Designee and Department Head to have a value of less than ~~$250.00~~ $500.00 the property shall be placed in a public auction and shall be advertised as outlined in General. A. Steps 1 through 4.
2. Should the surplus property be determined by the City Administrator/Designee and Department Head to have a value of more than ~~$250.00~~ $500.00, the list shall be approved by City Council; and upon approval, an ad shall be placed in the City designated newspaper to inform the public of location, date and time of the public auction and a list providing the items to place on auction.

Action:

For the City Council to declare the above listed items as surplus property and allow the sale of these items at public auction on September 17, 2016 at Wayne Pike's Consignment Auction. The proceeds of the sale to be deposited into the Isanti Forfeiture Fund.

Thank you for your consideration,

Chief Gene C. Hill

RESOLUTION 2016-_____

RESOLUTION APPROVING THE SALE OF SURPLUS / ABANDONED PROPRTY HELD BY THE POLICE DEPARTMENT AT PUBLIC AUCTION

WHEREAS, the police department obtains surplus or abandoned property on a regular basis; and

WHEREAS, the owner of the abandoned property is sought out every time and most often the owner cannot be located; and

WHEREAS, current City policy allows the Department Head and the City Administrator the authority to sell such property if the individual value is less than $500.00 at public auction; and

WHEREAS, the property is of no longer usable by the city and the sale of such property is in the best interest of the city, and

WHEREAS, the next public auction is September 17, 2016 at Wayne Pike Auction in Princeton, Mn.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Isanti, Minnesota, to hereby approve the sale of the below listed surplus and abandoned property at public auction; and the proceeds to be deposited into the Isanti Forfeiture Fund:

Old squad car center partitions / center consoles / push bumpers
Non-functioning old bicycles that are older than 60 days from impound
Used non-repairable light bars with controls.
Old Simplicity 5hp snow thrower
Unleaded gas camp lanterns
Overhead projector
Old HP ink jet printer
Moto Cross helmet
Old wildfire water backpack cans
Old yardman string trimmer

This resolution was duly adopted by the Isanti City Council this 6th day of September, 2016.

Date: September 6, 2016

Subject: Consider Adoption of Resolution Accepting Annual Walkthrough of Buildings on City Property Report.

Background

Per Resolution 2014-180 City Staff was directed to conduct annual walkthroughs of buildings located on city owned property. Building Official Nick Henly has completed the walkthroughs and has updated the annual report. The report documents the general condition of each building and makes some recommendations on the maintenance and or repair for some buildings. All buildings were considered safe.

Staff Request

Consider Adoption of Resolution 2016-_____ Accepting the Annual Walkthrough of Buildings on City Property Report

Attachments

- Resolution No. 2016-XXX
- Walkthrough of Buildings on City Property Report

RESOLUTION 2016-

A RESOLUTION ACCEPTING ANNUAL WALKTHROUGH OF BUILDINGS ON CITY PROPERTY REPORT

WHEREAS, The City of Isanti adopted Resolution 2014-180 directing a Designee to walkthrough buildings on City owned property and to provide a report to the City Council; and,

WHEREAS, The City Engineer and Public Works staff monitor City buildings used to house utility infrastructure such as Pump houses, water towers and wastewater treatment and are not included in this report; and,

WHEREAS, Annual visits to non-utility infrastructure related buildings (excluding park structures shelters) should be done to assess the general conditions of the buildings and their uses to better monitor these city assets;

WHEREAS, the annual walkthroughs have been conducted and a summary report with recommendations has been completed and is attached to this resolution;

WHEREAS, the annual walkthroughs are not considered official building inspections.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota accept and acknowledge the attached report and recommendations.

This Resolution hereby approved by the Isanti City Council this 6th day of September 2016.

These items to be coded to PD Building Maintenance. Overhead door needs to be replaced, Item to be added in to CIP for PD.** **2016**- 1.) Broken window on E side 2.) Service door needs replacement	POLICE

Non-Utility Infrastructure Buildings for Annual Walk Through - 08/15/2016

8	401 1st Avenue NW	Fire Dept / Police Dept	Fire / Police Chief	**City** **Police dept. exterior:** 1.) Holes in asphalt by kitchen exit door need to be filled 2.) dirt generally pitched towards building **Fire dept. exterior:** 1.) bollards need repainting 2.) blacktop is sunk along garage apron in NW corner **Fire Dept. interior**: N/A **Police Dept. Interior:** 1.) door handle into garage very sticky **Contractor** **Police dept. exterior:** 1.) All building gutter joints NEED to be sealed to prevent further leaking onto building; all areas below leaking seams need repainting 2.) All sidewalk and apron joints shoulb be sealed where meets building 3.) Snow backs up over garage roof and periodically damages West gutter **Fire dept. exterior**: 1.) Need more parking spaces 2.) masonry repair required at SW & NW lower corners of building 3.) West side access door needs repair/replace- missing door knob **Fire Dept. interior:** 1.) Roof leaks: West of office door; N side center of garage 2.) water leak at union on main along N wall 3.) Hose fill connection in center of garage needs a support saddle and repair of welds 4.) Water leak at utility sink 5.) windows need replacement **Police Dept. Interior:** 1.) Roof leaks particularly in spring- worse in hall & closet to rest rooms 2.) Floor drain in garage does not drain very well 3.) furnace maintenence/inspection req'd?	Police/Admin/Fire

Buildings Owned by Others on City Property - 8.15.2016

9	620 3rd Avenue NW	Redbirds Concession Stand *Redbirds are responsible for maintaining the building*	Cindy Lind-Livingston	Overall OK. **Recommend:** 1.) door sweep replaced under S side door 2.) Garage door paint touch up 3.) Cover door handle hole of exempt door between garage and concession window	Redbirds
10	950 3rd Avenue NW	Soccer Complex Storage Bldg (North) *Responsibility of the Soccer Club*	Jenny Nystrom	OK- repairs made from 2015	Soccer Club
11	950 3rd Avenue NW	Soccer Complex RWB Garage (South) *Responsibility of the Soccer Club*	Jenny Nystrom	OK- repairs made from 2015. Note: roof sags just a bit between center and W side, watch it doesn't worsen over winter(s)	Soccer Club
12	101 Isanti Pkwy NW	BMX Facility		• Birds nests under the awnings- worse over main entrance • Outdoor lights under N awning filled with water occasionaly • Gutter seams leaking- worst by west door 1 water flows in through that door; downspout at bottom needs adjustment by center W entrance door• Frost in the winter between the block and metal • Ceiling leaking in several places • Condensation falls from heating system • Garage door switches work intermittently • Key missing from lock box at the front • Grease duct through Mezz/roof is beginning to rust • Lock required for outside gate around air exchanger? • Weatherstripping coming off bottom SE corner garage door	BMX

CITY OF ISANTI
PARKS, RECREATION, AND CULTURE BOARD
MEETING MINUTES
August 23, 2016
City Council Chambers

1. Meeting Opening.

A. Call to Order.
Zdon called the meeting to order at 6:00 p.m.

B. Pledge of Allegiance.
Everyone stood for the Pledge of Allegiance.

C. Roll Call.
Members Present: Jennifer Garvey, Mayor Wimmer, James Witte, and Aaron Zdon
Staff Present: Katie Everett, Community Events and Parks Coordinator

D. Agenda Modifications.
Zdon asked if there were any agenda modifications. There were none.

Motion by Garvey, second by Wimmer to approve the August 23, 2016 Parks, Recreation, and Culture Board Agenda. Motion was unanimously approved.

2. Approval of Minutes from July 26, 2016 Parks, Recreation and Culture Board Meeting.

Motion by Garvey. Second by Wimmer. Vote was unanimously approved.

3. Consider Replacing Unity Park Field Sign in 2016

Everett explained that she has recently done a park check similar to what the board did last year and found that the Unity signs are pretty rough and have kind of just not been noticed. She pointed out the pictures of the current signs and explained the idea for the new sign. She stated that her biggest question is whether or not we want to put two signs back up or if one is enough. She stated that there is about $700 left in the sign budget for the year, and there will be more signs to be purchased but we should be able to cover these. Wimmer state that his question is if it is worth get new signs now since we have about two months left of people using the field and having the exposure of a winter season versus putting them out in the spring. Everett asked if in that case we should buy them now and not install them yet, Wimmer asked why we would do that now. Everett stated that it's just because we know that we have the funds this year, and maybe we wait until the end of the year to do so. Garvey stated that she thinks only one sign is needed on the backstop and asked about the rules sign and if it's the same at River Bluff. Everett stated that these signs are being installed at all parks, but the specific rules listed may change based on the park.

Zdon asked if we should make a motion since we all agree the signs need to be replaced, but to look at the budget at the end of the year and install in the spring so they don't sit out and weather.

Garvey made a motion to look at the funds at the end of 2016 to add one sign at Unity Park. Witte seconded. Unanimously approved.

4. Outdoor Ice Rink Discussion

Everett explained that she would get the discussion started. In order to find prices that are useful, we need to decide exactly what we want and where it's going to go. The idea is that we get one with wooden

boards so they're easier to replace and we don't have to order something special. That part isn't as big of a deal, but do we want another cement slab, do we want it on grass, all of those kinds of details are important to think about before we can figure out exactly what it's going to cost and then whether or not we can do it.

Zdon stated that he had a lot of notes on this one. He stated that we don't want a slab because we want it to be a seasonal rink with temporary boards – or are these things we have to decide? He mentioned that there are temporary board sets out there, or we just berm snow. This year we would only berm snow because don't have any boards, or budget, or the hockey association to help.

Wimmer stated that it was right that there's no budget or anything even budgeted for labor to do a rink at all. Zdon asked if that included the pleasure rink, and Wimmer stated that no, we would be able to do the pleasure rink. But do to a hockey rink, weather we berm it or whatever, because it takes quite a bit more time to maintain as well. Wimmer stated they had the discussion at goal setting at Council at the beginning of the year, we can look at that, but we'd have to look at the cost and figure out how we'll maintain and clear off. The nice thing about the pleasure rink is that they can just take a truck and drive it across to clear the snow, so it's virtually no time or effort to do that. But if we're relying on a berm to hold in water and stuff, obviously we have to figure that out. When we had talked about it at goal setting with council, they looked at trying put something in the budget for 2017, but there still are not funds in the budget to do anything in 2017, and that's where this discussion would need to go figure out what we would do from a cost standpoint to see how many dollars we would actually need for that. We didn't anticipate it being a permanent rink, so it would be something we take down and use that space for other things. But were Wimmer sees places with wooden rinks in 10 or 12 other places, most of them look like they just leave them there. So then we have to figure out what's the way to do it, that we if we are going to take them out, what's a cost effective way to do it.

Zdon stated that he knows we've been saying wood, but he did some googling and there's polycarbonate, plastics, whatever, that literally click together like legos. Wimmer stated that the reason we like the wood is that if something gets broke or damaged, all we have to do is go to Menards and get a new one. Zdon stated that there are both systems out there and that's the research we need to do. It would need to come down, unless we wanted to dedicate somewhere to it. But we don't want a slab, because obviously that didn't work.

Wimmer stated that it worked fine, but the system they had was 30 years old by the time the city got it. Zdon and Garvey stated that was the boards. Zdon said he was referring to the maintenance and Zamboni. Wimmer stated that's because the hockey association walked away from their agreement. The City never would have done it if it hadn't been for that original agreement, and now we're stuck holding the bag with people who want to have hockey – which is understandable because we've had it and it's an enjoyable thing, but the cost of it is considerably more than what was obviously anticipated when it was first completed. Wimmer doesn't know what the impact of Cambridge's two outdoor refrigerator rinks will be, obviously that's a much better system. You can have hockey longer because you're not dependent upon the weather; that's a lot of the issues we ran into there too, winters are so crazy now we don't know.

Wimmer stated that what was discussed by council was that it would be a seasonal wooden rink, it wouldn't be a permanent thing so we could still use that green space. It doesn't have to be that way.

Zdon stated that the good thing is there's a ton of space there, it's right by the warming house, and it's super level. He doesn't think they'd even need to grade it. Those are good cost saving things. It's just a matter of do we do it, how do we do it.

Wimmer stated that at this point, we don't know what the cost estimates are. Is it a 5000, 20000. Zdon said that's what we need to look at. Wimmer stated that it will have a big impact either way on the budget how it is.

Everet stated that the question she had is that if we take the boards down, do we still put in lighting? The lighting is going to be there, and will potentially be in way – or will impact the way that space is used for parking and stuff. Zdon stated that if it's on the perimeter it could still be used, along the tree line, it depends. It could be smartly done. It would work for the rinks, and it would actually be nice if there was parking or camping out there to have lights for security reasons or whatever. Wimmer asked at what cost? Garvey stated she thought we would really have to look at lighting because in the winter time, it's dark by the time kids get home. That would be the biggest cost that we would have to look at.

Zdon stated there are lights at the pleasure rink, and actually that space is big enough for a hockey rink, but it's not perfectly level. It's level where the pleasure rink is, but then it tapers off. But with some leveling, that could theoretically be the hockey rink, but it's quite far from the warming house.

Wimmer suggested that they give Everett some guideline on what you want her to research for cost because council will need hard numbers to consider.

Zdon said he didn't know if Everett could just research the cost of berming and flooding a hockey rink, just doing snow berms. That's the cheapest/easiest for the first phase, whether it's this winter or next winter. And then looking at modular, wood or plastic board systems that would come down. And obviously a lighting option, four probably. Everett asked if anyone remembered how many lights are out there; Zdon stated there are 3 at the pleasure rink now. There were four on the hockey rink, on the corners. Wimmer stated that what we would want to do is match the candlelight, and that's kind of what we do whenever we work with the power company. The lights along the road in Bluebird Park and the lights on Main Street are the only lights the city owns. All the other lights are rentals, for lack of a better word, from the power company. We pay for the power, and we pay a maintenance, but they're actually owned by them.

Garvey asked if that gives Everett enough guidance. She said she'll find out. Garvey stated they talked about this next year berming it, right? Zdon said let's get a cost on it, because it'll be labor and water, and we can only ballpark it because we don't know what weather is going to be. Always on grass, no slab. Zdon stated no lights this winter, it's not going to happen, it's not in the budget. Wimmer stated there definitely won't be lights. Zdon stated there's a little bit of lighting they would catch from the BMX street lights if they want to play at dusk, but that's really the lighting they'll get if they want to play on it this year, or go on the pleasure rink – and be nice to the little kids. Wimmer stated they can't play hockey on the pleasure rink. Garvey asked if we were still planning to maintain the pleasure rink. Wimmer stated yes, the pleasure rink will always be there.

Garvey asked if those lights were connected to the hockey rink lights. Wimmer stated they're on their own system. Everett stated she didn't know of any at this point that were on timers; Wimmer stated he believed those ones come on when it gets dark, but wasn't sure. Garvey said she was mostly wondering if they were tied in to the hockey rink – and so do they go off at 10? Everett stated she'd have to look at them, it might just be a light sensor. Garvey stated that is something to add to the research – what is the current system on/off is at the pleasure rink.

Garvey said she had an additional question. Will the hockey rink lights still be on and usable. Zdon stated they're on a switch, and that is becoming the skate park, so they'll be the lights for that. Garvey asked if we can still use them. It may be a separate discussion. Wmmer stated they won't be used at all because there's no hockey rink there. Garvey stated that people can still use that area; Wimmer asked for what.

Garvey stated people can use that slab in the fall. Zdon stated it's becoming the skate park in the spring, and Garvey responded that yes, but people can use it before the snow flies. Everett stated that, yes there is electricity to them. Garvey stated that it wasn't ever on last year, so her question is can it be on so that people can use the slab. Wimmer asked what people would be using it for and who would be responsible for turning them on and making sure they are shut off, all those kinds of things. Garvey stated that it came up from a hockey coach, just dry land hockey, basically roller hockey. Wimmer stated he wouldn't anticipate using them because it's an extra cost above and beyond, it's one of those things where the agreement was for the hockey association – Garvey stated it didn't matter if it's the hockey association, it's a citizen who wants to use that area for roller hockey practice. Wimmer stated he wouldn't anticipate us using it because it's another cost above and beyond. We can take a look at it, what the cost would be. Zdon stated there's nothing saying they can't use that space during daylight hours. Everett stated that if someone rents Bluebird Park pavilion, and they use the electricity there is a $10 fee if they're not residents or it's free if they are residents, would there be something like that we could do? Wimmer said he didn't know, he'd have to look at what the costs are and everything with that.

Witte asked to clarify that we're just talking this upcoming winter just berming and flooding. Zdon stated for sure the pleasure rink, Wimmer agreed. Wimmer stated we'll have to look at cost for a hockey rink. He stated he wanted to stress again that we're passing the preliminary levy the first week of September. There will be no new dollars after the first week of September in the budget. If we're expecting a fair amount of new cost, it has to come out of something that's already budgeted – and he would pretty much guarantee that's not going to happen, especially since we're going into negotiations with our unions as well, that will start January 1, 2017. He can't anticipate there's going to be any new money, that will impact then, there being a hockey rink next year – the 2018 season. Zdon said yes, this is future planning. Wimmer stated he wanted to make sure it was clear how the cycle works. By state law, we have to have that levy set. We can decrease it, but we cannot increase it.

Everett stated that one last concern she has heard is our ability to maintain these is difficult because, especially with the winter we had last year, when it was cold, it snowed. When it snows, the people who maintain our ice are plowing. Getting it done is a challenge. Garvey stated that in any city it is.

Zdon asked Garvey if she knew if Cambridge was on schedule to be done, she stated that yes they are. Zdon stated Cambridge will have rinks to use then. He asked if she knew if there will be an future "Owls" teams. Garvey stated it's still a big question mark.

5. Legacy Park Update – Mayor Wimmer

Wimmer stated the bank has not given its official written okay yet, the banker he's been working with doesn't believe it's going to be an issue. It's almost four months now, his guess is that from the last conversation he had with the banker is that their lawyers are trying to figure out what they need from a liability standpoint, and that's what they're having the biggest heartburn with, and trying to get whatever agreement we need to write up. It's been painfully slow. We have no leverage, it's basically out of the kindness of their hearts that they'd let us do what we want to do out there. The bankers he's talked to thought this would be great. Zdon stated he would guess they also don't want people back there messing around and getting hurt, because they own that road and those lots.

Wimmer stated the thing is that if we put up a barricade for cars, people will even more than they do now want to cut across and what we're looking at is if we can get something through there. And we said we'd do it through a temporary easement standpoint so if something does happen, it would be the city's liability. We would write what we needed, we would do everything. It wouldn't cost them a cent, we just need their approval to do it.

Garvey stated that even putting up a barricade is still not a guarantee that people aren't going to drive around them and things like that. Wimmer stated that if they do, we can pick up them up right away because they're in violation. Garvey stated that it's something, and it keeps honest people honest.

Everett stated that she did get the request from Chief that park board members see something or somebody calls them to tell they them they saw something, remind them to call PD right away. They would rather be able to respond and do something about it, because our three day later recollections don't get them anywhere. Wimmer stated that from ATVs and other things in the parks, we've had a really good response times and enforcement. The one car that was out there was confiscated. If we can get it right away, they can get on it.

6. Parks Updates – Programming

Everett stated that summer is wrapping up. Street dances when pretty well, we had challenging weather. The first started an hour late, the second one we ended about half way through, but the third one went the whole time and was great. Considering all of that, our attendance was great, the food vendors were always happy, everybody who attended was happy and spending money at our vendors which was awesome. Everybody that I've talked to loves the street dances and they would love to have them every weekend. They're a great think, that the majority at least would love to see continued. We usually plan those things over the winter as the parks brochure is getting redone. One of the food vendors asked at the end, because she's already planning next summer, about the dates because she wants to be able to come.

Two Cities is coming up. We have gotten about 10 businesses and organizations who have committed to coming to the wellness fair, we still have space for more. The sheriff hopefully will bring horses, which would be cool. We're getting in all of our orders of materials and that kind of stuff. Everett just picked up the medals today. We still have 50 people registered for the run/walk and 12 for the bike. So if you know people who like biking. She would we'll have some day-of stuff for bikes, which is easy because we don't have to enter them into the race software, we don't time the bike ride. But the 5K stuff is way easier for us if we have as many of those ahead of time as possible. But we have 50 free goodie bags for each, so hopefully we can get all of those filled. Newspaper ads should be coming out soon. It's on Facebook, but Facebook is weird now, because if people aren't interacting with you page all the time they don't see your stuff, so unless we pay for those kinds of that kind of stuff, it's hard for people to see our posts. Everett will hopefully will get time this week or next to look into what that costs because we have a budget for the event and that might be a good thing to spend money there. A lot of people have liked the page in the past, but if it's showing up on their pages it doesn't do us much good. Garvey asked if we put a flyer in the folders for schools last year. Everett stated she doesn't know about school folders, but would love to do that. They discussed what the folders were and what goes in them. Everett stated that there are some teachers we work pretty closely with, especially at School For All Seasons. She sent an electronic version to a couple of those teachers, but is happy to print them too. Garvey stated a lot of teachers are doing weekly newsletters electronically. Everett stated that sometimes schools are a little picky about what they allow being advertised to kids so we have to run through some hoops to do that, but she'll look into it. Witte stated that in previous years he has reached out to Cliff energy bars and he did that again, but they didn't want to fulfill the order because it was within 90 days. Everett stated that she'll make a note of that for future reference, and Coborn's is planning to come and they will be giving away granola bars. When we were doing our initial planning we didn't know exactly when they'd be open, so we didn't want to depend on them for big things, but next year we may be able to key them in earlier. Zdon and Garvey stated that Allina will probably be the same next year. Everett stated that the bags come from Allina health, and she worked with someone at the county this year, but would love to work with whoever comes into town.

Everett stated that the prioritized list is very close. The Bluebird climber thing still hasn't come. It sounded like when we first asked them to order it, that person who was supposed to order it quit their job,

and no one did the things they were supposed to do before they left, and we didn't find out until we started asking where it was. It hopefully will be here soon and we'll get it up before winter. There is another shipment of stuff coming tomorrow with chains, and coated ladders, connectors, and all kinds of things. Those will be installed soon.

Everett stated that the volleyball court is up and going.

Everett stated that moving into fall, movie nights will start in October. We also take volunteer groups for that. We've had Heavenly Sunshine and the scouts are pretty regular for that, so we love to have them back, but if there are other groups who want to come, they get the proceeds from the concessions those nights. Zdon asked if the movies are picked already. Everett stated that yes, they are all in the parks brochure. They get picked all at once for the October – April season.

7. Adjornment

Motion by Garvey, second by Witte to adjourn the August 23, 2016 meeting of the Parks, Recreation, and Culture Board. Motion was approved.

The meeting adjourned at 6:34 p.m.

Dated at Isanti, Minnesota this 23rd day of August, 2016.

Respectfully submitted,

Katie Everett

Katie Everett
Community Events and Parks Coordinator

DRAFT

AGENDA
CITY OF ISANTI
CITY COUNCIL MEETING
TUESDAY, SEPTEMBER 20, 2016 – 7:00 P.M.
CITY HALL

A. Call to Order
B. Pledge of Allegiance
C. Roll Call
D. Adopt Agenda

E. Proclamations/Commendations/Certificate Awards
1. Mayors Proclamation – MN Manufacturer's Week October 2 – 8, 2016

F. Approve City Council Minutes
1. September 6, 2016 - Regular Meeting of the City Council

G. Citizens Input

H. Announcements

1.	Parks, Recreation, and Culture Board Meeting	Tuesday, September 27, 2016 at 6:00 p.m.
2.	City Council Meeting	Tuesday, October 4, 2016 at 7:00 p.m.
3.	Economic Development Authority	Tuesday, October 4, 2016
	(Immediately following the City Council Meeting)	
4.	CITY OFFICES CLOSED	Monday, October 10, 2016
	(In Observance of Columbus Day)	
5.	Planning Commission Meeting	Tuesday, October 11, 2016 at 7:00 p.m.

I. Council Committee Reports

J. Public Hearings
1. Approval of the Request from Property Resource Group to Vacate an Ingress and Egress Easement and a portion of a Drainage and Utility Easement within Lot 2, Block 1, Isanti Commons Second Edition

K. Business Items
1. Adopting the City of Isanti Residential Rain Garden Incentive Program Policy *(Mayor Wimmer)*
2. Ordinance to Amend the Code for the City of Isanti, Chapter 8, City Council, Amending Article III, Rules of Organization *(Mayor Wimmer)*

City Administrator Don Lorsung

3. Resolution Accepting the Conveyance of Outlots located within the Savannah Run Development
4. Resolution Approving an Amendment to Villages on the Rum Third Addition, Phase 4 Planned Unit Development to Reduce the Side Yard Setbacks

6. September Engineering Report

Adjournment

E.1.

Proclamation

Whereas: The manufacturing industry is a dynamic segment of Minnesota's economy, and an integral part of Minnesota's economic development strategy; and

Whereas: Manufacturing has the second largest total payroll among business sectors in Minnesota, providing $20 billion in wages; and

Whereas: Manufacturing contributed almost $48.2 billion to the Minnesota economy 2015, and is the second-largest industry (16 percent) contributing to our private gross domestic product; and

Whereas: Manufactured exports brought $18.9 billion into the Minnesota economy in 2015; and.

Whereas: Manufacturing provides over 317,200 highly skilled, high paying jobs, which significantly contribute to Minnesota's high standard of living and economic vitality.

Whereas: Manufacturing businesses employ 295 people on the City of Isanti which is approximately 17 percent of all jobs located within the City of Isanti

Now, therefore, I, George A. Wimmer, Mayor of the City of Isanti, Minnesota do hereby proclaim that the week of October 2 to October 8, 2016 shall be observed as:

MINNESOTA MANUFACTURING WEEK

in the City of Isanti on this 20th day of September, Two Thousand and Sixteen.

_____

MAYOR George A. Wimmer

CITY OF ISANTI
CITY COUNCIL MEETING MINUTES
TUESDAY, SEPTEMBER 6, 2016 – 7:00 P.M.
CITY HALL

The meeting was called to order at 7:00 p.m. by Mayor Wimmer.

The Pledge of Allegiance was recited.

Members Present: Mayor George Wimmer, Councilors: Paul Bergley, Dan Collison, Ross Lorinser, Steve Lundeen

Members Absent: None

Staff Present: City Attorney Clark Joslin, City Administrator Don Lorsung, City Clerk/Human Resources Lindsey McInnis, Police Chief Gene Hill, Economic Development Director Sean Sullivan and Interim Finance Director Gail Bauman.

Others Present: James Harris, Melissa Bettendorf

D. Adopt Agenda
Motion by Lundeen, second by Lorinser to approve the agenda. Motion carried.

E. Proclamations/Commendations/Certificate Awards
None

F. Approve City Council Minutes
1. August 16, 2016 – Regular Meeting of the City Council
2. August 16, 2016 – Closed Session Meeting of the City Council

Motion by Bergley, second by Collison to approve the regular and closed session City Council Meeting Minutes. Motion carried.

G. Citizens Input
James Harris, 459 3rd Ave N, approached the podium to inform the City Council he had a question and a statement. He also informed the Council that he would be recording, stating he has been accused of saying things that he has not said before. He was curious as to what the $5 fee that is being charged by the utility company is for? He thought perhaps it was "that you are all too ashamed to send a bill saying we need more of your money." Harris then asked "What is that money actually for?" He also wondered why the questionnaire regarding police brutality he has given out is not being answered.

Mayor Wimmer explained that the fee that is charged to the utility companies is for usage of city right of way, which is a common practice by many communities. They (the utility company) then have chosen to pass that fee on to the users of their utilities. That money is used for our street maintenance programs such as seal coating, crack sealing, those type of things.

The Mayor went on to state that the questionnaire is something that has been responded to many times. The Councilmembers have an option and may or may not respond to it, it is entirely up to them.

H. Announcements

1.	Planning Commission	Tuesday, September 13, 2016 at 7:00 p.m.
2.	City Council Meeting	Tuesday, September 20, 2016 at 7:00 p.m.
3.	Parks, Recreation and Culture Meeting	Tuesday, September 27, 2016 at 6:00 p.m.

I. Council Committee Reports

Mayor noted that while going through the Fire District minutes, he had seen they were potentially purchasing property for a new Fire Hall at the corner of Whiskey and Heritage. Mayor did contact the Fire Chief and let him know that area is not zoned for such a use. Mayor talked with him and advised him to contact Ms. Achman, Community Development Director if they decide to pursue finding a parcel for a new station. They would need to put it in an area that would be properly zoned. Mayor suggested that if we have something like this come up, we want to make sure we get these into the committee reports, so they don't waste time and effort going down the wrong path. Councilor Lundeen explained he was not able to attend the last Fire District meeting, and prior to that it was brought up as a possibility to research and there was no further discussion than that.

J. Public Hearings

K. Business Items

1. Discussion Regarding School District Spending on Security & School Resource Officers *(Mayor Wimmer)*

The Mayor explained he has tried to work with the school district repeatedly and has not received a satisfactory answer in regards to this issue. Cambridge schools have two full time resource officers. One is at the high school and there is another at the middle school. Mayor believes they have also bought equipment such as a squad car. The Isanti Middle School has just one part-time officer. Mayor will be looking for an accounting of what has been spent in this area in both communities. It seems as if there is no parity. If it is a question of the quality of our school resource officer, last year our officer was named the top resource officer in the State. He has most recently received another award from "Toward Zero Deaths". He is a top notch resource officer. The Mayor asked for Council support as he has tried to work with the Superintendent and the school district for an explanation or a reason why things are happening this way. He has not received anything remotely satisfactory for it. It can be assumed there are no worse or better issues in their middle school in Cambridge than in Isanti. A question was asked by Lorinser if Cambridge Police Department put more money into the program or the school district? Mayor answered that the school district does. Collison stated that his understanding was that the second officer and squad car was all paid for by the school. Bergley asked if one was at the Middle School and one was at the High School? Collison said that one is at the High School and the other floats between all the specialty schools and the Middle School. The Mayor said he can understand that the High School needs its own officer and that is not the issue. When we are talking about the middle schools and intermediate schools the resources should be roughly the same. There's a significant amount of money being spent and we are all in that School District. There should be equal support. Councilor Lorinser asked the Mayor what answers he has been given so far. Mayor responded that in regards to the squad car, he has been told it was probably not a good idea but he wants to have actual specific language, why it happened, how it happened and why they are paying for a part time officer in Isanti and a full time officer in Cambridge when they have roughly the same student population. The Mayor added that there may be a perfectly legitimate reason but he wants to see it. He feels that as a tax payer if they are not subsidizing us with the same services as another community, he believes it is an issue. The Mayor would like to send a letter requesting the information, working with the Chief and Staff to compile it. He will update Council when he receives an answer. He stated he has tried to get an answer for roughly the past two years.

Motion by Lundeen, second by Bergley to give Council support to Mayor sending a letter requesting the information discussed above. Motion carried.

2. **Resolution 2016-253** Approving a Special Event Permit Application for a Car Show at Isanti VFW *(Dan Collison)*

Mayor Wimmer pointed out the application for the Special Event Permit came in late and he personally would not have accepted it. He also noted that according to the permit, the sign permit has not yet been received. Councilor Collison stated that he felt this should fall under the exempt signs, subdivision 9. Mayor asked Collison if he had provided staff with a specific sign? Collison said he had not. Mayor indicated that he will need to work with City Staff to make sure all City requirements are met. The Mayor also indicated that he will be putting forth language in City Policy, which will be brought to Council, that a current councilmember will not be allowed to bring forth agenda items to represent another body or organization that they sit on, even if there is no fiduciary benefit to that councilmember.

Motion by Lundeen, second by Bergley to accept the resolution approving the special event permit as long as all city requirements and code are followed and met. Motion carried.

City Administrator Don Lorsung

3. Adoption of Budget and Preliminary Levy
   a. **Resolution 2016-254** Setting the 2017 Final Budget and Levy Meeting
      Final consideration on the budget will be given at the 7:00p.m. December 6th City Council meeting
   b. **Resolution 2016-255** Approving the 2017 Preliminary Budget for the City of Isanti
   c. **Resolution 2016-256** Adopting the Proposed 2016 Tax Levy Collectible in 2017 for the City of Isanti

Gail Bauman, Interim Finance Director, explained per state law cities are required to set their maximum tax levy and certify it to the County by the end of September. She then presented a short power point presentation.

Mayor Wimmer also mentioned to Council that we have to provide the adoption of the budget and preliminary levy to the County before we get the actual City valuation. So this number is what we are collecting in total tax dollars, we will not know the percentage of what the effect of levy will be until we get that evaluation. We don't usually receive the actual City valuation for another month or so.

Ms. Bauman did state that preliminary numbers were received from the County, but if possible it is better to wait until final numbers are available. She began with a slide comparing revenues and expenditures for the past seven years. The four years between 2012 and 2015 we were consciously spending down the General Fund Fund Balance. Then in 2016, it was basically a balanced budget, and this upcoming year we are starting to add back to into the general fund. We have fallen slightly below the 50% mark required by City Policy, so we are beginning placing money back into the General Fund fund balance.

Next is the comparison of expenditures by department from 2007 to 2017. Some departments that increased the most are Public Safety, which went from 24.4% to 33% in 2017. Also, the Parks Recreation and Culture increased during that same timeframe. Debt service stayed the same and general governmental went down, which could be a result of some reclassification between some expenditures. The Mayor mentioned PRC

took over operations of the Community Center, Farmer's Market and Street Dances which were three main things that were not in the 2007 budget.

The next items discussed were the bigger items that impacted the General Fund for 2017. Some of these may not be changes from last year. For example, we had a squad car budgeted last year and we have another squad card budgeted this year. But some things are new, like the $10,000 of mediation/arbitration fees, which is a potential cost to the City and we want to prepare for that. The Mayor mentioned that this is something that has occurred enough that we need to begin to budget for it, and that this number is based on previous fees that the City has incurred. Ms. Bauman then went on to state that there is a 2% COLA included in the budget, also mentioning that contracts have not been approved yet, so this is a placeholder for those. There is an increase in the budget for health insurance, 15% increase in the Fire Protection Services, the final year of street lighting infill project, various capital outlay items in Parks & Rec, increase to the EDA budget, a street painter and trailer and a portion of the GIS software, in which the remaining balance is coming out of Utility funds.

She then discussed the General fund budgeted Revenues by source type. As with most cities property taxes is the biggest at 63.4%, then Intergovernmental Revenues at 17.6%, followed by Transfers. The transfers primarily consist of the transfer from the liquor store, which is budgeted for 2017 at $350,000.

The last item was the preliminary proposed maximum tax levy for 2017 which has an increase of $47,000 to $2,587,561. Mayor Wimmer stated that the breakdown is the $37,000 for the Fire District costs, which is an increase over last year and our best estimate as to potential costs, as well as the $10,000 for mediation/arbitration costs.

The Mayor then explained that the overall increase is 1.5% in total dollars coming in. He stated that property taxes can be challenging to explain to residents how it exactly works. The County typically puts out a video to try and provide further explanation on how the process works. The Mayor said there are basically three main levers on what your individual property tax is going to be. One is what each district is increasing for the tax, the second in the changes in valuations based on each individual home, and the third is the new value of entry to the City.

Mayor Wimmer also identified another area of funding that hurt us, which it the LGA (the tax bill) that had passed both houses but was vetoed by the Governor. The LGA had around $40,000 for the City in new funding. The Mayor feels as if we have put together a very conscientious budget.

Motion by Lundeen, second by Lorinser to approve the Resolutions 2016-254, 2016-255 and 2016-256. Motion carried.

Economic Development Director Sean Sullivan

4. **Resolution 2016-257** for Authorization and Execution of Repayment Agreement with J Robinson Construction, Inc. on Lot 2, Block 1 Sun Prairie First Addition

Motion by Collison, second by Lundeen. Motion carried.

5. **Resolution 2016-258** for Authorization and Execution of Repayment Agreement with J Robinson Construction, Inc. on Lot 1, Block 2, Sun Prairie First Addition

Motion by Lundeen, second by Collison. Motion carried.

6. **Resolution 2016-259** for Authorization and Execution of Repayment Agreement with J Robinson Construction, Inc. on Lot 1, Block 3, Villages on the Rum Common Interest Community Number 6

Motion by Lundeen, second by Bergley. Motion carried.

7. **Resolution 2016-260** Awarding Demolition Contract and Authorization of Interfund Loan
   Council member Lundeen asked where Sauter and Sons, Inc. are located? Economic Development Director Sean Sullivan answered that they were based out of Ramsey, MN. Lundeen pointed out that Above All Rooftops and Remodeling is located in Isanti. Lundeen would like to keep award the contract to a business in our home town. He stated that the business pays local taxes. He suggested trying to see if they could do better. Mayor Wimmer pointed out the difference is a significant amount, over $1,500 and Lorinser added that the policy has always been to take the lowest competent bidder.

Motion by Lorinser, second by Collison to award the contract to *Sauter and Sons, Inc.* Motion carried.

L. Approve Consent Agenda

1. Consider Accounts Payable in the Amount of $354,103.40 and Payroll in the amount of $89,997.34
2. Contractor's Pay Request for School Watermain Loop Improvements in the Amount of $145,794.92
3. Final Meeting Minutes for the July 26, 2016 Parks, Recreation and Culture Meeting
4. **Resolution 2016-261** to Amend Resolution 2016-174 Addressing the Damaged Playground Equipment at Bluebird Park
5. **Resolution 2016-262** Offering the Position of Part Time Liquor Store Clerk III to Becky Whitman
6. **Resolution 2016-263** Authorizing the Hire of Part Time Liquor Store Clerk to Ashely Dutcher
7. **Resolution 2016-264** Approving to Sell the Forfeited 1999 Dodge Ram 1500 at Public Auction
8. **Resolution 2016-265** Authorizing the Chief of Police to Dispose of Abandoned Property Specifically 1992 Mazda B4000 Truck
9. **Resolution 2016-266** Approving a Local Gambling Permit to the Knights of Columbus #10238
10. **Resolution 2016-267** Approving Application for Exempt Gambling Permit for North Branch Area Education Foundation
11. **Resolution 2016-268** Accepting Part Time Liquor Store Clerk Christie Visser's Letter of Resignation
12. **Resolution 2016-269** Accepting Part Time Liquor Store Clerk Matthew Ferris' Letter of Resignation
13. **Resolution 2016-270** Accepting Contract Extension with AEM Financial Solutions for Interim Financial Management Services
14. **Resolution 2016-271** Approving the Sale of Surplus/Abandoned Property Held by the Police Department at Public Auction
15. **Resolution 2016-272** Accepting Annual Walkthrough of Buildings on City Property Report

Motion by Lundeen, second by Collison. Motion carried.

PUBLIC HEARING

To: Mayor Wimmer
Members of the City Council

From: Roxanne Achman
Community Development Director

Date: September 20, 2016

Subject: Approval of the request from Property Resource Group to Vacate an Ingress and Egress Easement and a portion of a Drainage and Utility Easement within Lot 2, Block 1, Isanti Commons Second Addition.

Background

Lot 2, Block 1, Isanti Commons Second Addition is the lot located just south of the Coborn's grocery store. The lot contains a 66-foot ingress/egress drainage and utility easement on the west side of the property. In order to prepare this property for development, the ingress and egress easement needs to be completely vacated and all but ten feet on the north, south and west sides of the drainage and utility easement need to be vacated. This easement was put in place many years ago to allow for access to certain properties which are now accessible via Broadway St SE and 6th Ave NE. The easement to be vacated is as described below:

That part of Lot 2, Block 1, ISANTI COMMONS SECOND ADDITION, Isanti County, Minnesota, described as follows:

The South 66 feet of that part of the NE ¼ of SW ¼ lying Easterly of the Easterly right of way line of State Trunk Highway No. 65, as measured at right angles to the south line of said NE ¼ of SW ¼, Isanti County, Minnesota

AND

That part of the South 295 feet of the NE ¼ of SW ¼ (as measured at right angles to the south line of said NE ¼ of SW ¼), lying Easterly of the Easterly right of way line of State Trunk Highway No. 65 and lying Westerly of a line drawn parallel with and distant 66 feet Easterly of said Easterly right of way line of State Trunk Highway No. 65, (as measured at right angles to said easterly right of way line).

EXCEPT

The north, south and west 10.00 feet of said Lot 2 drainage and utility easement only, as measured at right angles to north, south and west lines of said Lot 2.

A public hearing was set by the City Council August 16th, 2016 for the September 20th, 2016 City Council meeting.

Public Hearing Notice
Notice was published within the Isanti County News on Wednesday, August 31st and Wednesday, September 7th. Notice was also provided to property owners living within the subject area of the vacation that may be impacted by such a vacation. City staff has received no questions or comments regarding the vacation.

Staff Request
City Staff is requesting action on this item.

- Findings of Fact
- Resolution No. 2016-XXX
- Property Survey showing Easement Location

FINDINGS OF FACT AND CONCLUSION

Request

Request from Property Resource Group for the Vacation of that part of Lot 2, Block 1, ISANTI COMMONS SECOND ADDITION, Isanti County, Minnesota, described as follows:

The South 66 feet of that part of the NE ¼ of SW ¼ lying Easterly of the Easterly right of way line of State Trunk Highway No. 65, as measured at right angles to the south line of said NE ¼ of SW ¼, Isanti County, Minnesota

AND

That part of the South 295 feet of the NE ¼ of SW ¼ (as measured at right angles to the south line of said NE ¼ of SW ¼), lying Easterly of the Easterly right of way line of State Trunk Highway No. 65 and lying Westerly of a line drawn parallel with and distant 66 feet Easterly of said Easterly right of way line of State Trunk Highway No. 65, (as measured at right angles to said easterly right of way line).

EXCEPT

The north, south and west 10.00 feet of said Lot 2 drainage and utility easement only, as measured at right angles to north, south and west lines of said Lot 2.

Findings of Fact

1. The applicant received Final Plat Approval for Isanti Commons Second Addition on January 19th, 2016 (Resolution No. 2016-015).
2. The petitioner has petitioned for the vacation of an ingress/egress, drainage and utility easement shown on such plat for Isanti Commons Second Addition.
3. Such property is legally described as Lot 2, Block 1, Isanti Commons Second Addition.
4. The property is zoned "B-2" General Business District within Isanti Commons.
5. The property is currently vacant.
6. The petitioner is requesting the vacation of the easement in order to develop the site. Drainage that was intended to go into these easements will be redirected to a pond that will be constructed as part of this lots development. The ingress/egress easement is no longer necessary to access the lot.
7. A complete application was received on August 3rd, 2016 and a public hearing date was set by the City Council on August 16th, 2016 for Tuesday, September 20th, 2016 (Resolution No. 2016-249).
8. Notice of the Vacation of an Easement Area was published within the Isanti County News on Wednesday, August 31st, 2016 and Wednesday, September 7th, 2016. Notices were sent to all property owners located within 350 feet of the subject property.
9. Property taxes are up to date and current as of September 8th, 2016.

Conclusions

1. The vacation of the drainage easements will not adversely affect the public as drainage will be redirected to an onsite pond and the ingress/egress easement is no longer needed for access to the property.

Decision

The City Council reviewed the item at their regularly scheduled meeting on **September 20th, 2016.** The meeting minutes will be made part of the Findings of Fact.

CERTIFICATE OF COMPLETION

Lindsey McInnis, Human Resources/City Clerk of the City of Isanti, State of Minnesota, pursuant to Minnesota Statutes 412.851 hereby states as follows:

1. NOTICE IS HEREBY GIVEN that pursuant to the attached Resolution duly adopted by the City Council of Isanti, Isanti County, Minnesota, as provided under Minnesota Statutes 412.851 and Minnesota Statutes 462.358, Subd. 7, that the City Council of Isanti has completed the vacation of the public drainage and utility easement as described herein as of February 16, 2016.

2. Attached hereto is a copy of said Resolution, which copy is hereby certified to be true and correct copy of the original Resolution, on file and of record in the office of the City Clerk in and for the City of Isanti.

3. The subject public drainage and utility easement which has been vacated by the City of Isanti is as described on the attached Exhibit "A", attached hereto and made a part hereof.

4. The City Clerk hereby certifies that said vacation as evidenced by Resolution No. 2016-XXX attached hereto, has been completed.

Its City Clerk

'EXHIBIT A'

CITY OF ISANTI
COUNTY OF ISANTI
STATE OF MINNESOTA

RESOLUTION NO. 2016-XXX

A RESOLUTION VACATING AN INGRESS/EGRESS AND UTILITY EASEMENT

THE CITY COUNCIL OF THE CITY OF ISANTI, MINNESOTA DOES HEREBY RESOLVE AS FOLLOWS:

WHEREAS, the City Council of the City of Isanti previously passed Resolution No. 2016-004 noting its interest in vacating pursuant to Minnesota Statute 412.851 easements legally described as:

That part of Lot 2, Block 1, ISANTI COMMONS SECOND ADDITION, Isanti County, Minnesota, described as follows:

The South 66 feet of that part of the NE ¼ of SW ¼ lying Easterly of the Easterly right of way line of State Trunk Highway No. 65, as measured at right angles to the south line of said NE ¼ of SW ¼, Isanti County, Minnesota

AND

That part of the South 295 feet of the NE ¼ of SW ¼ (as measured at right angles to the south line of said NE ¼ of SW ¼), lying Easterly of the Easterly right of way line of State Trunk Highway No. 65 and lying Westerly of a line drawn parallel with and distant 66 feet Easterly of said Easterly right of way line of State Trunk Highway No. 65, (as measured at right angles to said easterly right of way line).

EXCEPT

The north, south and west 10.00 feet of said Lot 2 drainage and utility easement only, as measured at right angles to north, south and west lines of said Lot 2;

and setting a public hearing to consider the vacation of such ingress/egress, drainage and utility easement: and,

WHEREAS, a public hearing to consider the vacation of the utility easement was held on the 20th day of September, 2016, before the City Council of the City of Isanti in the City Hall located at 110 First Avenue NW at 7:00 p.m. after due published and posted notice had been given, as well as personal mailed notice to all affected property owners by the Community Development Director on the 8th day of September, 2016 and all interested and affected persons were given the opportunity to voice their concerns and be heard; and,

WHEREAS, any person, corporation or public body owning or controlling easements contained upon the property vacated, reserves the right to continue maintaining the same or to enter upon such way or portion thereof vacated to maintain, repair, replace or otherwise attend thereto; and,

WHEREAS, the City Council of the City of Isanti in its discretion has determined that the vacation will not hinder the public interest because the drainage will be redirected to an onsite ponding area and the ingress/egress easement is no longer necessary in order to access the property; and,

WHEREAS, all members of the City Council of the City of Isanti concur in this Resolution; and,

NOW THEREFORE, BE IT UNANIMOUSLY RESOLVED BY THE CITY COUNCIL OF THE CITY OF ISANTI, COUNTY OF ISANTI, MINNESOTA, that such petition for vacation is hereby granted and the ingress, egress, utility and drainage easement located on the property legally described as Lot 2, Block 1, Isanti Commons Second Addition described as follows be hereby vacated:

That part of Lot 2, Block 1, ISANTI COMMONS SECOND ADDITION, Isanti County, Minnesota, described as follows:

The South 66 feet of that part of the NE ¼ of SW ¼ lying Easterly of the Easterly right of way line of State Trunk Highway No. 65, as measured at right angles to the south line of said NE ¼ of SW ¼, Isanti County, Minnesota

AND

That part of the South 295 feet of the NE ¼ of SW ¼ (as measured at right angles to the south line of said NE ¼ of SW ¼), lying Easterly of the Easterly right of way line of State Trunk Highway No. 65 and lying Westerly of a line drawn parallel with and distant 66 feet Easterly of said Easterly right of way line of State Trunk Highway No. 65, (as measured at right angles to said easterly right of way line).

EXCEPT

The north, south and west 10.00 feet of said Lot 2 drainage and utility easement only, as measured at right angles to north, south and west lines of said Lot 2.

BE IT FURTHER RESOLVED, that the Mayor and City Clerk are hereby authorized to sign all documents necessary to effectuate the intent of this Resolution and that the City Clerk is hereby directed to file a Notice in writing of the completion of these vacation proceedings, together with a certified copy of this Resolution, with the County Recorder in and for Isanti County, Minnesota.

Adopted by the Isanti City Council this 20th day of September 2016.

Request for City Council Action

To: Mayor Wimmer
Members of the City Council

From: Katie Everett
Community Events and Parks Coordinator

Date: September 20, 2016

Subject: Adopting the City of Isanti Rain Garden Incentive Program Policy

---

Background:
Mayor Wimmer has approached city staff to begin working on a program to encourage City of Isanti residents to install rain gardens on their properties. Rain gardens can be useful tools in managing stormwater in developed areas where natural infiltration may be limited. City staff believe that residential rain gardens can be a significant tool for managing Isanti's runoff before it is sent back to the Rum River. Rain gardens however, can seem overwhelming to install. In order to promote rain gardens in the City of Isanti, an incentive program has been drafted to help residents who meet the guidelines with 50% of the cost of installing the garden, as well as providing resources to research, plan, and implement the gardens on their property.

The funds in the amount of $5000 for a residential rain garden incentive program have been allocated through the Stormwater Fund in the 2017 preliminary budget. The program would reimburse qualifying participants for up to 50% or $500 of the costs to install a rain garden. Participants would agree to maintaining their gardens for 5 years after installation. Program details are included in the application materials, and have been provided for Council review.

If approved by Council, city staff will create a separate page on the City of Isanti's website, a promotional brochure, and all application-related materials. Additional resources for interested residents will also be compiled and made available.

Staff Request:
Staff are requesting that Council review the drafted incentive program and provide direction for implementing the program in 2017.

Attachments:
- Resolution 2016 – XXX
  - Residential Rain Garden Incentive Program Policy
- Draft Residential Rain Garden Incentive Program Application

RESOLUTION NO. 2016-XXX

A RESOLUTION ADOPTING THE CITY OF ISANTI RESIDENTIAL RAIN GARDEN INCENTIVE PROGRAM POLICY

WHEREAS, the City of Isanti believes that rain gardens are a powerful stormwater management tool; and,

WHEREAS, the City of Isanti would like to encourage its residents to install rain gardens on their property; and,

WHEREAS, the City of Isanti Residential Rain Garden Incentive Program will assist with the financial investment for residents undertaking rain garden projects on their property; and,

WHEREAS, incentives will be reimbursement-based, and sourced from the Stormwater Fund as allocated by City Council in the annual budget; and,

WHEREAS, the program will begin in 2017, and $5000 has been allocated in the 2017 preliminary budget in the Stormwater Fund;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City Of Isanti, Minnesota hereby adopts the City of Isanti Residential Rain Garden Incentive Program, as provided in 'Exhibit A' with the following conditions:

- The program may be reviewed annually by city staff
- The amount of future program reimbursements will be determined during the budget planning process each year

This resolution was duly adopted by the Isanti City Council this 20th day of September 2016.

_____
Mayor George A. Wimmer

Lindsey McInnis
Human Resources/City Clerk

(SEAL)

'Exhibit A'

A Community For Generations.

Isanti

Rain Garden Incentive Program

Purpose

To encourage resident involvement in stormwater management practices through implementation of residential rain gardens.

Policy

The City of Isanti Rain Garden Incentive Program encourages residents to install rain gardens on their property and supplies resources and monetary assistance to help with the process.

Procedure for Awarding Incentives

The following procedure should be followed when applying to the Rain Garden Incentive Program:

- Interested residents may request an application from the City of Isanti or download it from the city's website.
- Applicants will need to evaluate their property and determine if a rain garden is appropriate, and whether they have the time and resources to commit to installing and maintaining the garden.
- Complete applications can be returned to City Hall, mailed to City of Isanti, PO Box 428, Isanti, MN 55040, or emailed to isantiparks@cityofisanti.us
- Applications will be reviewed by city staff for completeness and compliance to all program guidelines.
- Incentives will be awarded on a first-come basis, and applicants will receive reimbursements upon completing installation of the rain garden and submitting all necessary paperwork and receipts.

Program Eligibility

All City of Isanti property owners are eligible to apply. Each parcel will be considered only once (multiple rain gardens may be installed on a parcel, but only one application should be submitted). Applicants must commit to maintaining the garden for 5 years and allow the City of Isanti to share rain garden site and related materials with the public.

ORDINANCE NO. XXX

AN ORDINANCE TO AMEND THE CODE FOR THE CITY OF ISANTI, CHAPTER 8, CITY COUNCIL, AMENDING ARTICLE III, RULES OF ORGANIZATION

THE CITY COUNCIL OF THE CITY OF ISANTI HEREBY ORDAINS AS FOLLOWS:

The Code of the City of Isanti, Chapter 8 City Council, Article III, 8-13, Paragraph K. Conflicts of Interest is hereby amended as follows:

ARTICLE III, **Rules of Organization**

8-13, Paragraph K.

K. Conflict of Interest. Any Council member prevented from voting because of a conflict of interest shall refrain from debate and voting. That Council member may choose to leave the Council Chambers during debate and voting. A Council member shall not serve as representative for any person or group having business before the Council nor shall a Council member advocate for the interest of any business or individual having business before the Council but who is not personally present or otherwise represented at the City Council meeting.

Effective Date.
This Ordinance shall take effect the day following its publication in the City's Official Newspaper.

Adopted by the Isanti City Council of the City of Isanti, Minnesota this 20th day of September 2016.

Request for City Council Action

To: Mayor Wimmer
Members of the City Council

From: Roxanne Achman, AICP
Community Development Director

Date: September 20, 2016

Subject: A Resolution Accepting the Conveyance of Outlots located within the Savannah Run Development.

Background

It was discovered by staff that several outlots within the Savannah Run development had not been deeded to the City. The outlots included in the conveyance are:

Outlot A – storm water ponding
Outlot B – storm water ponding

The development agreement for Savannah Run was entered into by the developer and the City of Isanti on April 5th, 2006. As part of the development agreement, Section 3 Municipal Improvements (e) states that "drainage easements shall be given so as to cover ponding based upon 100-year high water levels. No public storm water ponding shall occur on any residential lot except in drainage and utility easement areas as identified on the plat. Developer shall construct drainage ponds and shall convey title to the Outlots upon which said ponds are constructed to the City, said conveyance shall be free and clear of any taxes due and if recorded after the county cut off period the Developer shall be responsible for all taxes the following year. Upon acceptance and the expiration of the warranty period the City shall be responsible for all pond maintenance".

Woodland Development has drafted a Quit Claim Deed in order to convey the lots to the City. The deed was reviewed by the City Attorney.

Staff Request

City staff is requesting action on this item.

RESOLUTION NO. 2016-

A RESOLUTION ACCEPTING THE CONVEYANCE OF OUTLOTS A AND B LOCATED WITHIN THE SAVANNAH RUN DEVELOPMENT

WHEREAS, City staff has identified outlot areas within the Savannah Run development, which were to be conveyed to the City; and,

WHEREAS, the identified outlots contain storm water ponding; and,

WHEREAS, the Development Agreement entered into by the City and the Developer for the development known as Savannah Run in April 2006 required that the outlots be conveyed to the City free and clear of any taxes due and if recorded after the county cut off period the developer would be responsible for all taxes the following year; and,

WHEREAS, the property owner (Woodland Development Corporation) has prepared the necessary Quit Claim Deed conveying such outlots legally described as: Outlot A and Outlot B, Savannah Run, Isanti County, Minnesota; and,

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota hereby accepts the conveyance of Outlots A and B within the Savannah Run development.

This resolution was duly adopted by the Isanti City Council this 20th day of September 2016.

Request for Council Action

To: Mayor Wimmer
Members of the City Council

From: Roxanne Achman, AICP
Community Development Director

Date: September 20, 2016

Subject: Request from Tim Taylor for an Amendment to Villages on the Rum Third Addition, Phase 4 Planned Unit Development to reduce the interior side yard setback from fifteen (15) feet to ten (10) feet for the home and from fifteen (15) feet to five (5) feet for an attached garage (garage only), located in Isanti County, Isanti, Minnesota.

Background

Tim Taylor of Taylor Holdings Inc., owner of the remaining vacation lots in Villages on the Rum Third Addition Phase 4, is requesting to reduce the sideyard setbacks. When the plat was approved it was stated that homes shall follow the R-3 zoning requirements. At that time, a 15' setback was required on each side of the property. In 2008, when the zoning code was repealed and replaced, sideyard setbacks were reduced to 10'. Six homes out of the 16 lots that comprise VOR 3, 4 have been constructs and all six homes have less than a 15' sideyard setback on at least one side, if not both.

Mr. Taylor is requesting a 10' sideyard setback for the home and a 5' sideyard setback for the garage in order to accommodate 3 stall garages. Similar requests have been approved for Villages on the Rum Third Addition Phase 3, Villages on the Rum 4th Addition, and portions of Fairway Greens. The front and rear setbacks will remain at 30 feet.

Public Notice

Notice of the Amendment to the Planned Unit Development was published in the official City newspaper, Isanti County News; on Wednesday, August 31, 2016. Written notification was sent to surrounding properties owner located within 350' of said development.

Public Comments

No public comments had been received regarding the proposed amendment prior to the release of the staff memo.

Deadline for City Council Action

The applicant submitted a complete application for the amendment to the Villages on the Rum Third Addition, Phase 4 Planned Unit Development on August 8, 2016. Pursuant to Minnesota State Statute, the City must act on this request by October 7, 2016 (60-days); unless an extension of the review period has been agreed to by the applicant.

Development and Operations Advisory Committee Comments

City staff is requesting a recommendation on the proposed Planned Unit Development Amendment request. The recommendation would carry forward to the City Council meeting on Tuesday, September 20, 2016. The Development and Operations Advisory Committee reviewed the request at their meeting held on

Thursday, August 18th. The Development and Operations Advisory Committee had the following comments/conditions:

1. The only item being amended as part of the applicant's request is the interior side yard setback for an attached garage only (not the entire garage side of the home) and the side yard setback for the home. The interior side yard setback for an attached garage would be decreased from fifteen (15) feet to five (5) feet and the home setback would be decreased from fifteen (15) feet to ten (10) feet. All other previously approved standards, conditions, and plans associated with the original Villages on the Rum Third Addition, Phase 3 Planned Unit Development must be met.

Planning Commission Recommendation:

Motion by Lundeen second by Bergley to recommend approval of the request from Tim Taylor for an Amendment to Villages on the Rum Third Addition, Phase 4 Planned Unit Development to reduce the interior side yard setback from fifteen (15) feet to ten (10) feet for the home and from fifteen (15) feet to five (5) feet for an attached garage (garage only), located in Isanti County, Isanti, Minnesota with the following conditions:

1. All other previously approved standards, conditions, and plans associated with the original Villages on the Rum Third Addition, Phase 4 Planned Unit Development must be met.

Motion carried unanimously.

Options & Proposed Motion Language

1. Recommend Approval with No Conditions: Motion to recommend approval of the request by Tim Taylor for an Amendment to Villages on the Rum Third Addition, Phase 4 Planned Unit Development to reduce the interior side yard setback from fifteen (15) feet to ten (10) feet for the home and from fifteen (15) feet to five (5) feet for an attached garage (garage only), located in Isanti County, Isanti, Minnesota.
2. Recommend Approval with Conditions: Motion to recommend approval of the request by Tim Taylor for an Amendment to Villages on the Rum Third Addition, Phase 4 Planned Unit Development to reduce the interior side yard setback from fifteen (15) feet to ten (10) feet for the home and from fifteen (15) feet to five (5) feet for an attached garage (garage only), located in Isanti County, Isanti, Minnesota with the following conditions……
3. Recommend Denial: Motion to recommend denial of the request by Tim Taylor for an Amendment to Villages on the Rum Third Addition, Phase 4 Planned Unit Development to reduce the interior side yard setback from fifteen (15) feet to ten (10) feet for the home and from fifteen (15) feet to five (5) feet for an attached garage (garage only), located in Isanti County, Isanti, Minnesota for the following reasons……
4. Table: Motion to table the request by Tim Taylor for an Amendment to Villages on the Rum Third Addition, Phase 4 Planned Unit Development to reduce the interior side yard setback from fifteen (15) feet to ten (10) feet for the home and from fifteen (15) feet to five (5) feet for an attached garage (garage only), located in Isanti County, Isanti, Minnesota (a specific reason and information request should be included in the motion to table).

A RESOLUTION APPROVING AN AMENDMENT TO THE VILLAGES ON THE RUM THIRD ADDITION, PHASE 4 PLANNED UNIT DEVELOPMENT TO REDUCE THE INTERIOR SIDE YARD SETBACK FROM FIFTEEN (15) FEET TO TEN (10) FEET FOR THE HOME AND FROM FIFTEEN (15) FEET TO FIVE (5) FEET FOR AN ATTACHED GARAGE (GARAGE PORTION ONLY)

WHEREAS, Timothy Taylor, on behalf of Taylor Holdings Inc. (the 'applicant') submitted a complete application for an amendment to the conditional use permit for the Villages on the Rum Planned Unit Development to include all property located within Villages on the Rum Third Addition Phase 4 Development; and,

WHEREAS, the Amendment to the Villages on the Rum Planned Unit Development interior side yard setback from fifteen (15) feet to ten (10) feet for the home and from fifteen (15) feet to five (5) feet for an attached garage (garage only); and,

WHEREAS, all required public notices regarding the public hearing were posted and sent; and,

WHEREAS, the Isanti Planning Commission held a public hearing on the request at their regularly scheduled meeting on September 13th, 2016; and,

WHEREAS, the Planning Commission recommended approval of the proposed amendment to the Villages on the Rum Third Addition, Phase 4 Planned Unit Development; and,

WHEREAS, the City Council reviewed the Amendment to the Villages on the Rum Third Addition, Phase 4 Planned Unit Development to reduce the interior side yard setback from fifteen (15) feet to ten (10) feet for the home and from fifteen (15) feet to five (5) feet for an attached garage (garage only) at its regularly scheduled meeting on September 20th, 2016; and,

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, that it adopts the Findings of Fact and Conclusion related to the requested Amendment to the Villages on the Rum Third Addition Phase 4 Development as legally described within this Resolution and **BE IT FURTHER RESOLVED** that the requested amendment to reduce the interior side yard setback from fifteen (15) feet to ten (10) feet for the home and from fifteen (15) feet to five (5) feet for an attached garage (garage only) side be hereby approved with the following conditions/stipulations:

1. All other previously approved standards, conditions, and plans associated with the original Villages on the Rum Third Addition, Phase 4 Planned Unit Development must be met.

Adopted by the Isanti City Council on this 20th day of September 2016.

(SEAL)

FINDINGS OF FACT AND CONCLUSION

Request

Request from Tim Taylor for an Amendment to Villages on the Rum Third Addition, Phase 4 Planned Unit Development to reduce the interior side yard setback from fifteen (15) feet to ten (10) feet for the home and from fifteen (15) feet to five (5) feet for an attached garage (garage only), located in Isanti County, Isanti, Minnesota.

Findings of Fact

1. The applicant, Tim Taylor, on behalf of Taylor Holdings Inc. purchased the ten (10) remaining vacant lots within the Villages on the Rum Third Addition, Phase 4 development.
2. The City of Isanti, approved the Villages on the Rum Development with its various additions and phases; and entered into an agreement with the developer for each individual addition and/or phase.
3. The property located within the portion of the Planned Unit Development known as Villages on the Rum Third Addition, Phase 4.
3. The property is zoned "PUD-R" Planned Unit Development Residential.
4. The developer does not wish to change the overall general concept approved for this portion of the development; however, is requesting an amendment to the side yard setbacks originally approved for the development.
5. Within the Villages on the Rum Third Addition, Phase Four portion of the development, the side yard setback for both the house and garage side, is fifteen (15) feet.
6. The developer would like to enable any potential property owner within the development the opportunity to have a three-stall garage. This does exceed the requirements placed upon the original Planned Unit Development, as a 400 square foot garage is required.
7. Such an amendment is considered a major change requiring a public hearing and notification of all property owners within 350'; and final approval by the City Council.
8. The initial Planned Unit Development for Villages on the Rum and all subsequent additions and phases had been established through the issuance of a Conditional Use Permit for a PUD; in which all plans are considered to be part of the approved PUD.
9. The Applicant submitted a complete application for an Amendment to the Conditional Use Permit for a Planned Unit Development on August 8th, 2016.
10. A public hearing date before the Planning Commission was scheduled for Tuesday, September 13th, 2016 at 7:00 p.m. at City Hall within the Council Chambers.
11. Notice of the Amendment to the Planned Unit Development request was published within the Isanti County News on Wednesday, August 31st, 2016. Notices were sent to all property owners located within the development and within 350 feet of the subject property.
12. Section 10 Special Purpose Districts, Article 3 Planned Unit Development District establishes the objectives and rules/regulations for the review and approval of these types of developments.
13. Section 21, Article 2: Conditional Uses, Subdivision 3 Procedures (D) of the Zoning Ordinance establishes criteria in which the judgment of the Planning Commission and City Council shall be based upon when reviewing a Conditional Use Permit request. In addition, the Conditional Use Permit Request is subject to general performance standards and criteria as provided within Section 21, Article 2 Conditional Uses, Subdivision 4 General Performance Standards.

Conclusions

A. In review of the factors established in Section 21, Article 2 Conditional Uses (D) the following conclusions have been made (*conclusions to each requirement are shown in underlined italics)*:

   1. The proposed action has been considered in relation to the specific policies and provisions of and has been found to be consistent with the goals and objectives of the Comprehensive Plan, including public facilities and capital improvement plans.
      The developer is not looking to increase the density or number of units, rather is looking to provide for different housing options for buyers within the area. The request is consistent with the policies that are currently in place as the development was approved based on a set of policies that have since been repealed.
   2. The proposed action meets the purpose and intent of this Ordinance and the underlying zoning district.

The property does have an R-3A designation, but the development was approved as a PUD. While the setback within the R-3A designation is ten (10) feet for a side yard, the PUD designation does allow for modifications from the R-3A standards providing the developer is meeting the intent of the PUD ordinance. Within a residential PUD, the underlying zoning district is the guides the initial development; however, density bonuses/transfers, etc. are all options when developing using this concept.

3. The establishment, maintenance or operation of the conditional use will promote and enhance the general public welfare and will not be detrimental or endanger the public health, safety, morals, or comfort.
   The side yard setback reduction will not be detrimental or endanger the public health, safety, morals, or comfort. The City has permitted this type of reduced side yard setback in other planned unit developments. The request is not necessarily inconsistent with previous approvals in residential areas where there are smaller lots, smaller homes, and higher densities. The smaller setback for the garage would allow for an additional stall, in which a future homeowner could store items inside rather than outside on the lot. The five (5) foot setback as proposed does meet the building code requirements.
4. The conditional use will not be injurious to the use and enjoyment of other property within the immediate vicinity for the purposes already permitted; nor substantially diminish or impair property values within the neighborhood.
   The proposed use does not appear to be injurious to surrounding properties, nor does the proposed use appear to impair property values in the neighborhood. In terms of the reduced side yards within the Villages on the Rum Third Addition, Phase Four portion of the development, the reduction in the side yard is not different from what has been permitted in other developments. The developer intends to maintain all of the other requirements approved for this portion of the VOR PUD. The addition of a three stall garage to the home may actually increase values in the area.
5. The establishment of the conditional use will not impede the normal and orderly development and improvement of surrounding property for uses permitted in the district.
   The reduction in the side yard setback in the development would not appear to impede the normal and orderly development of surrounding properties. The lots were previously platted and several properties have already been developed. While these properties have only been developed for a two car garage, the placement of a three stall garage on the surrounding properties will not impede further development on these parcels. There are many developments in which the number of garage stalls on lots throughout the development varies.
6. Adequate public facilities and services are available or can be reasonably provided to accommodate the use which is proposed.
   All of the properties throughout the development have adequate public facilities and services, in which to accommodate the proposed use for each vacant parcel.
7. The conditional use shall, in all other respects, conform to the applicable regulations of the district in which it is located.
   As for the reduction of the side yard setback for an attached garage, if the property were to be zoned based upon the lot size and home size that was negotiated for this segment of the development, a ten-foot side yard setback would be required on the home side. However, the property is part of a PUD, in which modifications are allowed to be made to the underlying ordinance requirements providing the developer is meeting the intent of the PUD ordinance.
8. The conditional use complies with the general and specific performance standards as specified by within this Article.
   The proposed use has been evaluated against the general performance standards provided for within the Zoning Ordinance. The evaluation can be found below.

B. In review of the general performance standards established in Section 21, Article 2 Conditional Uses, Subdivision 4, the following conclusions have been made (*conclusions to each requirement are shown in underlined italics):*

1. The use and the site in question shall be served by a street of sufficient capacity to accommodate the type and volume of traffic which would be generated an adequate public right-of-way shall be provided.
   The volume of traffic should not change much or at all. The street is sufficient for this development and beyond.

2. The site design for access and parking shall minimize internal as well as external traffic conflicts and shall be in compliance with Section 17 of this Ordinance.
All properties were developed in accordance with the zoning ordinance that was in place at that time. This does not appear to be an issue for the development. The street system through this segment of the development has been platted and constructed according to specifications.

3. If applicable, a pedestrian circulation system shall be clearly defined and appropriate provisions made to protect such areas from encroachment by parked or moving vehicles.
Sidewalk has been provided where required throughout the development.

4. Adequate off-street parking and off-street loading shall be provided in compliance with Section 17 of this Ordinance.
All properties have or will have a driveway constructed in accordance with zoning requirements.

5. Loading areas and drive-thru facilities shall be positioned so as to minimize internal site access problems and maneuvering conflicts, to avoid visual or noise impacts on any adjacent residential use or district, and provided in compliance with Section 17 of this Ordinance.
Not applicable.

6. Whenever a non-residential use is adjacent to a residential use or district, a buffer area with screening and landscaping shall be provided in accordance with the provisions of Section 15 of this Ordinance.
Not applicable.

7. General site screening and landscaping shall be provided in compliance with Section 15 of this Ordinance.
As the lots develop, they will be required to meet the landscaping requirements as provided within the zoning ordinance.

8. All exterior lighting shall be directed so as not to cast glare toward or onto the public right-of-way or neighboring residential uses or districts, and shall be in compliance with Section 14 of this Ordinance.
Not applicable, residential neighborhood. Street lighting has been provided and homes are anticipated to have lighting as well.

9. The site drainage system shall be subject to the review and approval of the City Engineer.
The site drainage will be reviewed in accordance with approved grading plans.

10. The architectural appearance and functional design of the building and site shall not be so dissimilar to the existing and potential buildings and area so as to cause a blighting influence. All sides of the principal and accessory structures are to have essentially the same or coordinated, harmonious exterior finish materials and treatment.
All units that have been constructed or will be constructed in the future will meet any covenants or restrictions as may be required by the PUD.

11. Provisions shall be made for daily litter control, an interior location for recycling and trash handling and storage or an outdoor, enclosed receptacle area shall be provided in compliance with Section 14 of this Ordinance.
All properties have or will have trash/recyclable service in accordance with City Code requirements.

12. All signs and informational or visual communication devices shall be in compliance with Section 16 of this Ordinance.
Not applicable.

13. The use and site shall be in compliance with any federal, state, or county laws or regulations that are applicable and any related permits shall be obtained and documented to the City.
The PUD was designed and approved in accordance with federal, state, and county laws that may be applicable.

14. Any applicable business licenses mandated by City Code are approved and obtained.
Not Applicable.

15. The hours of operation may be restricted when there is judged to be an incompatibility with a residential use or district.
Not Applicable.

16. The use complies with the applicable performance standards of the zoning district in which it is located and where applicable, any non-conformities shall be eliminated.
Overall, the development was created so as to meet any performance standards as required by the zoning ordinance and the plans approved by the City. Any future home to be constructed on a

vacant lot within the development will meet the intent of the original planned unit development. The homes that have been constructed would still meet the necessary requirements of the PUD.

17. Additional Stipulations. All conditions pertaining to a specific site are subject to change when the City Council, upon investigation in relation to a formal request, finds that the general public health, safety, and welfare, can be served as well or better by modifying or expanding the conditions set forth herein.
Additional conditions may be placed upon the approval to ensure that through the reduction of the interior side yard setback, for any attached garage on a future home does not have negative affects upon surrounding properties or the community. Such conditions would be outlined below.

C. The reduction in the interior side yard setback for the attached garage only was found to be consistent with the existing platted density within the Villages on the Rum Third Addition, Phase 4 Planned Unit Development.

Decision

The Planning Commission reviewed the request in a public hearing on **September 13th, 2016**. The meeting minutes shall be made a part of the Findings of Fact and Conclusion.

Planning Commission: Motion by Lundeen second by Kennedy to recommend approval of the request from Tim Taylor for an Amendment to Villages on the Rum Third Addition, Phase 4 Planned Unit Development to reduce the interior side yard setback from fifteen (15) feet to ten (10) feet for the home and from fifteen (15) feet to five (5) feet for an attached garage (garage only), located in Isanti County, Isanti, Minnesota based on the Finding of Fact and Conclusions with the following conditions:
All other previously approved standards, conditions, and plans associated with the original Villages on the Rum Third Addition, Phase 4 Planned Unit Development must be met.

Motion carried unanimously.

July 21, 2016

Roxanne Achman
Community Development Director
City of Isanti

Dear Roxanne;

I would like to make a change to the lots I currently own. They have a side setback of 15 feet and 15 feet. I would like to make a request to amend this to 10 feet and 5 feet. The purpose is to fit a three car garage on the property. The plan is to put two story houses on the parcels.

The houses should be priced in the area of $235-$245; making them some of the more expensive houses in the city. To make this project successful, owners will want a three car garage.

I have included a site plan and if you look at it, you will see that the shape of the lot on the opposite corners restricts the three car garage. Opening it up to 5 and 10 will allow the 3 car garage and there will still be space between the houses.

I have also included a print of the house style we are planning for.

Please contact me if you have any further questions.

Thanks

Tim Taylor

Request for Council Action

To: Mayor Wimmer
Members of the City Council

From: Roxanne Achman
Community Development Director

Date: September 20, 2016

Subject: Request from TH Construction of Anoka Inc. for Preliminary Plat approval of the Plat of Sun Prairie Second Addition, legally described as Outlot F, Sun Prairie First Addition, Isanti County, Isanti, Minnesota.

Background

TH Construction recently submitted a preliminary plat, grading plan and wetland delineation for Sun Prairie Second Addition. The plat consists of 11 single family lots on the east side of 9th Ave NE/SE, East of the Intermediate School. The average lot size is 11,843sf. Home will be required to be a minimum of 1200sf with 720sf garages. The home will be a mix of split-entry and basement with look-out windows.

Lot Requirements:

Size: Minimum 11,000sf
Width: Corner – 95ft, Other – 80ft
Depth: 137ft
All lots appear to meet the minimum standards.

Comments:

- The developer shall install 1 tree per 50 of lot frontage (roughly 21 trees)
- The developer needs to be informed that they are to avoid curbstops within the driveway.

This development has existing city infrastructure and is covered by the original development agreement for Sun Prairie First Addition. The Signal Light Fee for these lots was paid at the time the original development agreement was signed.

The fees due include:

Park Dedication Fee: 11 lots at $1500 = $16,500
Trunk Sewer Charge: 11 lots at $1000 = $11,000

The development is consistent with original preliminary plat for this area and with the comprehensive plan.

The City Engineer has reviewed the development plan and recommends approval.

Certification of Taxes Paid

Prior to approving an application for Preliminary Plat, certification must be provided to the City that there are no delinquent property taxes, special assessments, penalties, interest, or outstanding municipal utility fees. City staff did verify with Isanti County on Thursday, August 18th, 2016; that all taxes associated with the property were current.

Public Notice
Notice was published within the Isanti County News on August 31st, 2016. Written notification was provided to property owners located within 350' of the subject site as required by Minnesota State Statute.

Public Comments
No public comments had been received regarding the proposed amendment prior to the release of the staff memo.

Deadline for City Council Action
The applicant submitted an application for Preliminary Plat approval on August 11, 2016. City staff did verify that the application was complete on August 11, 2016. Pursuant to Minnesota State Statute, the City must act on this request by December 9, 2016 (120-days); unless an extension of the review period has been agreed to by the applicant.

Development and Operations Advisory Committee Comments
The Development and Operations Advisory Committee reviewed the request at their meeting held on Thursday, August 18th, 2016. The Committee recommended approval with the condition that trees be installed at one tree per 50 feet of lot frontage and that the developer be made aware that all attempts possible shall be made to ensure driveways are not installed over curbstops.

Planning Commission Recommendation:
Motion by Kennedy second by Bergley to recommend approval of the request TH Construction of Anoka Inc. for Preliminary Plat approval of the Plat of Sun Prairie Second Addition, legally described as Outlot F, Sun Prairie First Addition, Isanti County, Isanti, Minnesota with the following conditions:

1. The developer shall install 1 tree per 50 of lot frontage (roughly 21 trees)
2. The developer shall avoid curbstops within the driveway

Motion carried unanimously.

Options & Proposed Motion Language

1. Recommend Approval with No Conditions: Motion to recommend approval of the request from TH Construction of Anoka Inc. for Preliminary Plat approval of the Plat of Sun Prairie Second Addition, legally described as Outlot F, Sun Prairie First Addition, Isanti County, Isanti, Minnesota.
2. Recommend Approval with Conditions: Motion to recommend approval of the request from TH Construction of Anoka Inc. for Preliminary Plat approval of the Plat of Sun Prairie Second Addition, legally described as Outlot F, Sun Prairie First Addition, Isanti County, Isanti, Minnesota with the following conditions……
3. Recommend Denial: Motion to recommend denial of the request from TH Construction of Anoka Inc. for Preliminary Plat approval of the Plat of Sun Prairie Second Addition, legally described as Outlot F, Sun Prairie First Addition, Isanti County, Isanti, Minnesota for the following reasons……
4. Table: Motion to table the request from TH Construction of Anoka Inc. for Preliminary Plat approval of the Plat of Sun Prairie Second Addition, legally described as Outlot F, Sun Prairie First Addition, Isanti County, Isanti, Minnesota (a specific reason and information request should be included in the motion to table).

RESOLUTION NO. 2016-

A RESOLUTION APPROVING THE PRELIMINARY PLAT FOR SUN PRAIRIE SECOND ADDITION

WHEREAS, TH Construction of Anoka Inc., has made application for Preliminary Plat Approval for Sun Prairie Second Addition; which is legally described as Outlot F, Sun Prairie First Addition, Isanti County, Minnesota; and,

WHEREAS, the Isanti Planning Commission conducted a public hearing on the Preliminary Plat on September 13th, 2016; and,

WHEREAS, all required public notices regarding the public hearing were posted and sent; and,

WHEREAS, the Isanti Planning Commission had recommended approval with conditions of the requested Preliminary Plat based upon the Findings of Fact and Conclusion as presented; and,

WHEREAS, the City Council reviewed the Preliminary Plat request at its meeting on September 20th, 2016; and,

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, that it adopts the Findings of Fact and Conclusion related to the requested Preliminary Plat and **BE IT FURTHER RESOLVED** that the requested Preliminary Plat Approval from TH Construction of Anoka Inc., be approved with the following conditions:

1. The developer shall install 1 tree per 50 of lot frontage (roughly 21 trees)
2. The developer shall avoid curbstops within the driveway.

Adopted by the Isanti City Council on this 20th day of September 2016.

Attest: Mayor George A. Wimmer

Lindsey McInnis
Human Resources/City Clerk

(SEAL)

FINDINGS OF FACT AND CONCLUSION

Request

Request from TH Construction of Anoka Inc. for Preliminary Plat approval of the Plat of Sun Prairie Second Addition, legally described as Outlot F, Sun Prairie First Addition, Isanti County, Isanti, Minnesota.

Findings of Fact

1. The applicant, TH Construction of Anoka Inc. ('the applicant'), has made application for Preliminary Plat Approval of Sun Prairie Second Addition, Isanti County, Minnesota.
2. The property is legally described as Outlot F, Sun Prairie Second Addition, Isanti County, Minnesota.
3. The Applicant is requesting Preliminary Plat Approval in an effort to create 11 single-family lots.
4. The property is zoned "R-1" Single-Family Residential District.
5. A preliminary plat is considered a major change requiring a public hearing and notification of all property owners within 350'; and final approval by the City Council.
6. The Applicant submitted an application for Preliminary Plat Approval on August 11th, 2016. It was deemed complete on August 11th, 2016.
7. A public hearing date before the Planning Commission was scheduled for Tuesday, September 13th, 2016 at 7:00 p.m. at City Hall within the Council Chambers.
8. Notices were sent to all property owners located within the development and within 350 feet of the subject property.

Conclusions

1. The platting of the property would appear to meet the lot requirements and setback requirements as provided within the zoning ordinance for properties located within the "R-1" Single-Family Residential Districts.
2. The platting of the property would appear to meet the Design Standards as required by Ordinance No. 536.

Decision

The Planning Commission held a public hearing on the item at the **September 13th, 2016** meeting. The meeting minutes, staff memo and exhibits will be made part of the Findings of Facts and Conclusions.

Planning Commission: Motion by Kennedy second by Bergley to recommend approval of the request TH Construction of Anoka Inc. for Preliminary Plat approval of the Plat of Sun Prairie Second Addition, legally described as Outlot F, Sun Prairie First Addition, Isanti County, Isanti, Minnesota with the following conditions:

1. The developer shall install 1 tree per 50 of lot frontage (roughly 21 trees)
2. The developer shall avoid curbstops within the driveway

Motion carried unanimously.

MEMORANDUM

Date: August 15, 2016

To: Roxanne Achman, Community Development Director

From: Bradley C. DeWolf, P.E.
City Engineer

Subject: Sun Prairie 2nd Addition – Development Plan Review
Isanti, Minnesota

We have reviewed the Development Plan created by E.G. Rud & Sons, Inc. entitled "Sun Prairie Second Addition" with a signature date of August 3, 2016.

The development plan includes subdividing Outlot F of Sun Prairie 1st Addition into 11 residential lots. The site was graded and sewer and water services were stubbed out in anticipation of this 11 lot layout as part of the Sun Prairie 1st Addition construction.

We have reviewed the submitted development plan and have no comments.

We recommend approval of the development plan as submitted.

Please contact me if you have any questions.

PART II.C. – TERMINATION OF COVERAGE

1. TERMINATION OF COVERAGE WHEN CONSTRUCTION IS COMPLETE: ALL PERMITTEE(S) MUST SUBMIT A NOTICE OF TERMINATION (NOT) TO THE MPCA ON A FORM PROVIDED BY THE COMMISSIONER WITHIN 30 DAYS AFTER ALL ACTIVITIES REQUIRED FOR FINAL STABILIZATION (SEE PART IV.G.) ARE COMPLETE. THE PERMITTEE(S)' COVERAGE UNDER THIS PERMIT TERMINATES AT MIDNIGHT ON THE SUBMISSION DATE OF THE NOT.

2. TERMINATION OF COVERAGE WHEN TRANSFER OF OWNERSHIP OCCURS: ALL PERMITTEE(S) MUST SUBMIT A NOT ON A FORM PROVIDED BY THE COMMISSIONER, WITHIN 30 DAYS AFTER SELLING OR OTHERWISE LEGALLY TRANSFERRING THE ENTIRE SITE, INCLUDING PERMIT RESPONSIBILITY FOR ROADS (E.G., STREET SWEEPING) AND STORMWATER INFRASTRUCTURE FINAL CLEAN OUT, OR TRANSFERRING PORTIONS OF A SITE TO ANOTHER PARTY. THE PURCHASER(S)' COVERAGE UNDER THIS PERMIT TERMINATES AT MIDNIGHT ON THE SUBMISSION DATE OF THE NOT.

3. PERMITTEE(S) MAY TERMINATE PERMIT COVERAGE PRIOR TO COMPLETION OF ALL CONSTRUCTION ACTIVITY IF ALL OF THE FOLLOWING CONDITIONS ARE MET. AFTER THE PERMIT IS TERMINATED UNDER THIS PART, IF THERE IS ANY SUBSEQUENT DEVELOPMENT ON THE REMAINING PORTIONS OF THE SITE WHERE CONSTRUCTION ACTIVITY WAS NOT COMPLETE, NEW PERMIT COVERAGE MUST BE OBTAINED IF THE SUBSEQUENT DEVELOPMENT ITSELF OR AS PART OF THE REMAINING COMMON PLAN OF DEVELOPMENT OR SALE WILL RESULT IN LAND DISTURBING ACTIVITIES OF ONE (1) OR MORE ACRES IN SIZE.

A. CONSTRUCTION ACTIVITY HAS CEASED FOR AT LEAST 90 DAYS.

B. AT LEAST 90 PERCENT (BY AREA) OF ALL ORIGINALLY PROPOSED CONSTRUCTION ACTIVITY HAS BEEN COMPLETED AND PERMANENT COVER ESTABLISHED ON THOSE AREAS.

C. ON AREAS WHERE CONSTRUCTION ACTIVITY IS NOT COMPLETE, PERMANENT COVER HAS BEEN ESTABLISHED.

D. THE SITE IS IN COMPLIANCE WITH PART IV.G.2. AND PART IV.E.3., AND WHERE APPLICABLE, PART IV.G.4. OF PART IV.D.5.

4. PERMITTEE(S) MAY TERMINATE COVERAGE UPON APPROVAL BY THE MPCA IF INFORMATION IS SUBMITTED TO THE MPCA DOCUMENTING THAT TERMINATION IS APPROPRIATE BECAUSE THE PROJECT IS CANCELED.

PART III.A.3 – TRAINING DOCUMENTATION

TRAINING DOCUMENTATION: THE PERMITTEE(S) SHALL ENSURE THE INDIVIDUALS IDENTIFIED IN PART III.F. HAVE BEEN TRAINED IN ACCORDANCE WITH THIS PERMIT'S TRAINING REQUIREMENTS. THE PERMITTEE(S) SHALL ENSURE THE TRAINING IS RECORDED IN OR WITH THE SWPPP. THE TRAINING MUST START BEFORE CONSTRUCTION OR AS SOON AS THE PERSONNEL FOR THE PROJECT HAVE BEEN DETERMINED. DOCUMENTATION SHALL INCLUDE:

A. NAMES OF THE PERSONNEL ASSOCIATED WITH THIS PROJECT THAT ARE REQUIRED TO BE TRAINED PER PART III.F.1. OF THIS PERMIT;

B. DATES OF TRAINING AND NAME OF INSTRUCTOR(S) AND ENTITY PROVIDING TRAINING;

C. CONTENT OF TRAINING COURSE OR WORKSHOP INCLUDING THE NUMBER OF HOURS OF TRAINING.

PART III.B – SWPPP AMENDMENTS

THE PERMITTEE(S) MUST AMEND THE SWPPP AS NECESSARY TO INCLUDE ADDITIONAL REQUIREMENTS, SUCH AS ADDITIONAL OR MODIFIED BMPS THAT ARE DESIGNED TO CORRECT PROBLEMS IDENTIFIED OR ADDRESS SITUATIONS WHENEVER:

1. THERE IS A CHANGE IN DESIGN, CONSTRUCTION, OPERATION, MAINTENANCE, WEATHER OR SEASONAL CONDITIONS THAT HAS A SIGNIFICANT EFFECT ON THE DISCHARGE OF POLLUTANTS TO SURFACE WATERS OR UNDERGROUND WATERS.

2. INSPECTIONS OR INVESTIGATIONS BY SITE OWNER OR OPERATORS, USEPA OR MPCA OFFICIALS INDICATE THE SWPPP IS NOT EFFECTIVE IN ELIMINATING OR SIGNIFICANTLY MINIMIZING THE DISCHARGE OF POLLUTANTS TO SURFACE WATERS OR UNDERGROUND WATERS OR THAT THE DISCHARGES ARE CAUSING WATER QUALITY STANDARD EXCEEDANCES (E.G. NUISANCE CONDITIONS AS DEFINED IN MINN. R. 7050.0210, SUBP. 9).

3. THE SWPPP IS NOT ACHIEVING THE GENERAL OBJECTIVES OF MINIMIZING POLLUTANTS IN STORMWATER DISCHARGES ASSOCIATED WITH CONSTRUCTION ACTIVITY, OR THE SWPPP IS NOT CONSISTENT WITH THE TERMS AND CONDITIONS OF THIS PERMIT.

4. AT ANY TIME AFTER PERMIT COVERAGE IS EFFECTIVE, THE MPCA MAY DETERMINE THAT THE PROJECT'S STORMWATER DISCHARGES MAY CAUSE, HAVE REASONABLE POTENTIAL TO CAUSE, OR CONTRIBUTE TO NON-ATTAINMENT OF ANY APPLICABLE WATER QUALITY STANDARD, OR THAT THE SWPPP DOES NOT INCORPORATE THE APPLICABLE REQUIREMENTS IN PART III.A.8., (IMPAIRED WATERS AND TMDLS), IF A WATER QUALITY STANDARD CHANGES DURING THE TERM OF THIS PERMIT, THE MPCA WILL MAKE A DETERMINATION AS TO WHETHER A MODIFICATION OF THE SWPPP IS NECESSARY TO ADDRESS THE NEW STANDARD. IF THE MPCA MAKES SUCH DETERMINATION(S) OR ANY OF THE DETERMINATIONS IN PARTS III.B.1.–3., THE MPCA WILL NOTIFY THE PERMITTEE(S) IN WRITING. IN RESPONSE, THE PERMITTEE(S) MUST AMEND THE SWPPP TO ADDRESS THE IDENTIFIED CONCERNS AND SUBMIT INFORMATION REQUESTED BY THE MPCA, WHICH MAY INCLUDE AN INDIVIDUAL PERMIT APPLICATION. IF THE MPCA'S WRITTEN NOTIFICATION REQUIRES A RESPONSE, FAILURE TO RESPOND WITHIN THE SPECIFIED TIMEFRAME CONSTITUTES A PERMIT VIOLATION.

PART III.C. – TEMPORARY SEDIMENT BASINS

WHERE FIVE (5) OR MORE ACRES OF DISTURBED SOIL DRAIN TO A COMMON LOCATION, THE PERMITTEE(S) MUST PROVIDE A TEMPORARY SEDIMENT BASIN TO PROVIDE TREATMENT TO THE RUNOFF BEFORE IT LEAVES THE CONSTRUCTION SITE OR ENTERS SURFACE WATERS. A TEMPORARY SEDIMENT BASIN MAY BE CONVERTED TO A PERMANENT BASIN AFTER CONSTRUCTION IS COMPLETE. ONE TEMPORARY BASIN IS NO LONGER REQUIRED WHEN PERMANENT COVER HAS INCREASED THE ACREAGE OF DISTURBED SOIL DRAINING TO LESS THAN FIVE (5) ACRES DRAINING TO A COMMON LOCATION. IF THE PERMITTEE(S) IS/ARE ENGINEERING BUT MAY REQUIRED, TO INSTALL TEMPORARY SEDIMENT BASINS WHERE APPROPRIATE IN AREAS WITH STEEP SLOPES OR HIGHLY ERODIBLE SOILS EVEN IF LESS THAN FIVE (5) ACRES DRAINS TO ONE AREA. THE BASINS MUST BE DESIGNED AND CONSTRUCTED ACCORDING TO THE FOLLOWING REQUIREMENTS.

1. THE BASINS MUST PROVIDE LIVE STORAGE FOR A CALCULATED VOLUME OF RUNOFF FROM A TWO-YEAR, 24-HOUR STORM FROM EACH ACRE DRAINED TO THE BASIN, EXCEPT THAT IN NO CASE SHALL THE BASIN PROVIDE LESS THAN 1,800 CUBIC FEET OF LIVE STORAGE FROM EACH ACRE DRAINED TO THE BASIN.

2. WHERE THE CALCULATION IN PART III.C.1. HAS NOT BEEN PERFORMED, A TEMPORARY SEDIMENT BASIN PROVIDING 3,600 CUBIC FEET OF STORAGE PER ACRE DRAINED TO THE BASIN SHALL BE PROVIDED FOR THE ENTIRE DRAINAGE AREA OF THE TEMPORARY BASIN.

3. TEMPORARY BASIN OUTLETS MUST BE DESIGNED TO PREVENT SHORE-CROSIONING AND THE DISCHARGE OF FLOATING DEBRIS. THE TEMPORARY BASIN SHALL BE DESIGNED WITH PROVISIONS FOR DRAINDOWN FOR MAINTENANCE ACTIVITIES, AND MUST INCLUDE A STABILIZED EMERGENCY OVERFLOW TO PREVENT FAILURE OF POND INTEGRITY. THE OUTLET STRUCTURE MUST BE DESIGNED TO WITHDRAW WATER FROM THE SURFACE IN ORDER TO MINIMIZE THE DISCHARGE OF POLLUTANTS, EXCEPT THAT THE USE OF A SURFACE WITHDRAWAL MECHANISM FOR DISCHARGE OF THE BASIN MAY BE TEMPORARILY SUSPENDED DURING FROZEN CONDITIONS. ENERGY DISSIPATION MUST BE PROVIDED FOR THE BASIN OUTLET (SEE PART IV.D.3.).

4. SEDIMENT BASINS MUST BE SITUATED OUTSIDE OF SURFACE WATERS AND ANY BUFFER ZONE REQUIRED UNDER APPENDIX A.C.3, AND MUST BE DESIGNED TO AVOID DRAINING WATER FROM WETLANDS UNLESS THE IMPACT TO THE WETLAND IS IN COMPLIANCE WITH THE REQUIREMENTS OF APPROPRIATE WETLAND PROTECTION RULES.

5. THE TEMPORARY BASINS MUST BE CONSTRUCTED AND MADE OPERATIONAL PRIOR TO 10 OR MORE ACRES OF DISTURBED SOIL DRAINING TO A COMMON LOCATION.

6. WHERE A TEMPORARY SEDIMENT BASIN MEETING THE REQUIREMENTS OF THIS PART IS INFEASIBLE, EQUIVALENT SEDIMENT CONTROLS SUCH AS SMALLER SEDIMENT BASINS, AND/OR SEDIMENT TRAPS, SILT FENCES, VEGETATIVE BUFFER STRIPS, OR ANY APPROPRIATE COMBINATION OF THESE SHALL BE REQUIRED FOR EACH DOWN-SLOPE BOUNDARIES OF THE CONSTRUCTION AREA AND FOR SIDE-SLOPE BOUNDARIES AS DEEMED BY INDIVIDUAL SITE CONDITIONS. IN DETERMINING WHETHER INSTALLING A SEDIMENT BASIN IS INFEASIBLE, THE PERMITTEE(S) MUST CONSIDER PUBLIC SAFETY AND ANY OTHER APPLICABLE LAWS SUCH AS SITE TOPOGRAPHY AND AVAILABLE AREA ON SITE. THIS DETERMINATION OF INFEASIBILITY MUST BE DOCUMENTED IN THE SWPPP PRE PART III.A.5.

PART III.E – RECORD RETENTION

THE SWPPP (ORIGINAL OR COPIES) INCLUDING ALL CHANGES TO IT, AND INSPECTIONS AND MAINTENANCE RECORDS MUST BE KEPT AT THE SITE DURING CONSTRUCTION BY THE PERMITTEE(S) WHO HAS/HAVE OPERATIONAL CONTROL OF THAT PORTION OF THE SITE. THE SWPPP CAN BE KEPT IN EITHER THE FIELD OFFICE OR IN AN ON-SITE VEHICLE DURING NORMAL WORKING HOURS.

ALL OWNER(S) MUST KEEP THE FOLLOWING RECORDS ON FILE FOR THREE (3) YEARS AFTER SUBMITTAL OF THE NOT AS OUTLINED IN PART II.C. THIS DOES NOT INCLUDE ANY RECORDS AFTER SUBMITTAL OF

1. THE FINAL SWPPP
2. ANY OTHER STORMWATER RELATED PERMITS REQUIRED FOR THE PROJECT
3. RECORDS OF ALL INSPECTION AND MAINTENANCE CONDUCTED DURING CONSTRUCTION (PART IV.E. INSPECTIONS AND MAINTENANCE)

PART III.E – RECORD RETENTION (CONT)

4. ALL PERMANENT OPERATION AND MAINTENANCE AGREEMENTS THAT HAVE BEEN IMPLEMENTED, INCLUDING ALL RIGHT-OF-WAY, CONTRACTS, COVENANTS AND OTHER BINDING REQUIREMENTS REGARDING PERPETUAL MAINTENANCE, AND
5. ALL RECORDED CALCULATIONS FOR DESIGN OF THE TEMPORARY AND PERMANENT STORMWATER MANAGEMENT SYSTEMS.

PART III.F. – TRAINING REQUIREMENTS

THE PERMITTEE(S) SHALL ENSURE THE FOLLOWING INDIVIDUALS IDENTIFIED IN THIS PART HAVE BEEN TRAINED IN ACCORDANCE WITH THIS PERMIT'S TRAINING REQUIREMENTS.

1. WHO MUST BE TRAINED:
A. INDIVIDUAL(S) PREPARING THE SWPPP FOR THE PROJECT
B. INDIVIDUAL(S) OVERSEEING IMPLEMENTATION OF, REVISING, AND AMENDING THE SWPPP AND INDIVIDUAL(S) PERFORMING INSPECTIONS AS REQUIRED IN PART IV.E. ONE OF THESE INDIVIDUAL(S) MUST BE AVAILABLE FOR AN ONSITE INSPECTION WITHIN 72 HOURS UPON REQUEST BY THE MPCA.
C. INDIVIDUAL(S) PERFORMING OR SUPERVISING THE INSTALLATION, MAINTENANCE AND REPAIR OF BMPS. AT LEAST ONE INDIVIDUAL ON A PROJECT MUST BE TRAINED IN THESE JOB DUTIES.

2. TRAINING CONTENT: THE CONTENT AND EXTENT OF TRAINING MUST BE COMMENSURATE WITH THE INDIVIDUAL'S JOB DUTIES AND RESPONSIBILITIES WITH REGARD TO ACTIVITIES COVERED UNDER THIS PERMIT FOR THE PROJECT. AT LEAST ONE INDIVIDUAL PRESENT ON THE PERMITTED PROJECT SITE (OR AVAILABLE TO THE PROJECT SITE IN 72 HOURS) MUST BE TRAINED IN THE JOB DUTIES DESCRIBED IN PART III.F.1.B. AND PART III.F.1.C.

3. THE PERMITTEE(S) SHALL ENSURE THAT THE INDIVIDUALS ARE TRAINED BY LOCAL, STATE, FEDERAL AGENCIES, PROFESSIONAL ORGANIZATIONS, OR OTHER ENTITIES WITH EXPERTISE IN EROSION PREVENTION, SEDIMENT CONTROL, PERMANENT STORMWATER MANAGEMENT AND THE MINNESOTA NPDES/SDS CONSTRUCTION STORMWATER PERMIT. AN UPDATE REFRESHER—TRAINING MUST BE ATTENDED EVERY THREE (3) YEARS STARTING THREE (3) YEARS FROM THE ISSUANCE DATE OF THIS PERMIT.

IV.B. EROSION PREVENTION PRACTICES

1. THE PERMITTEE(S) MUST PLAN FOR AND IMPLEMENT APPROPRIATE BMPS SUCH AS CONSTRUCTION PHASING, VEGETATIVE BUFFER STRIPS, HORIZONTAL SLOPE GRADING, INSPECTION AND MAINTENANCE OF PART IV.E. AND OTHER CONSTRUCTION PRACTICES THAT MINIMIZE EROSION AS NECESSARY TO COMPLY WITH ONE OF THE FOLLOWING PROJECT WATERS OF THE STATE. THE LOCATION OF AREAS NOT TO BE DISTURBED MUST BE DELINEATED (E.G., WITH FLAGS, STAKES, SIGNS, SILT FENCE ETC.) ON THE PROJECT SITE PLANS WHEN DESIRED. THE PERMITTEE(S) MUST MINIMIZE THE NEED FOR MAINTENANCE OF PORTIONS OF THE PROJECT THAT HAVE STEEP SLOPES. FOR THOSE SLOPED AREAS WHICH MUST BE DISTURBED, THE PERMITTEE(S) MUST USE TECHNIQUES SUCH AS PHASING AND STABILIZATION PRACTICES DESIGNED FOR STEEP SLOPES (E.G., TEMPORARY OR PERMANENT COVER, TERRACING).

2. THE PERMITTEE(S) MUST STABILIZE ALL EXPOSED SOIL AREAS (INCLUDING STOCKPILES). STABILIZATION MUST BE INITIATED IMMEDIATELY TO LIMIT SOIL EROSION WHENEVER ANY CONSTRUCTION ACTIVITY HAS PERMANENTLY OR TEMPORARILY CEASED ON ANY PORTION OF THE SITE AND WILL NOT RESUME FOR A PERIOD EXCEEDING 7 CALENDAR DAYS. STABILIZATION MUST BE COMPLETED NO LATER THAN 14 CALENDAR DAYS AFTER THE CONSTRUCTION ACTIVITY IN THAT PORTION OF THE SITE HAS TEMPORARILY OR PERMANENTLY CEASED.

3. IF USING STORMWATER CONVEYANCE CHANNELS, THE PERMITTEE(S) MUST DESIGN THE CHANNELS TO ROUTE WATER AROUND UNSTABILIZED AREAS ON THE SITE AND TO REDUCE EROSION, UNLESS INFEASIBLE. THE PERMITTEE(S) MUST USE EROSION CONTROLS AND VELOCITY DISSIPATION DEVICES SUCH AS CHECK DAMS, SEDIMENT TRAPS, RIPRAP, OR GROUTED RIPRAP AT OUTLETS WITHIN AND ALONG THE LENGTH OF ANY CONSTRUCTED STORMWATER CONVEYANCE CHANNEL, AND AT ANY OUTLET, TO PROVIDE NON-EROSIVE VELOCITY TO MINIMIZE EROSION OF CHANNELS AND THEIR EMBANKMENTS, OUTLETS, ADJACENT STREAM BANKS, SLOPES, AND DOWNSTREAM WATERS DURING DISCHARGE CONDITIONS.

4. THE PERMITTEE(S) MUST STABILIZE THE NORMAL WETTED PERIMETER OF ANY TEMPORARY OR PERMANENT DRAINAGE DITCH OR SWALE THAT DRAINS WATER FROM ANY PORTION OF THE CONSTRUCTION SITE, OR DIVERTS WATER AROUND THE SITE, WITHIN 200 LINEAL FEET FROM THE PROPERTY EDGE, OR FROM THE POINT OF DISCHARGE INTO ANY SURFACE WATER. STABILIZATION OF THE LAST 200 LINEAL FEET MUST BE COMPLETED WITHIN 24 HOURS AFTER CONNECTING TO A SURFACE WATER OR PROPERTY EDGE.

THE PERMITTEE(S) SHALL COMPLETE STABILIZATION OF THE REMAINING PORTIONS OF ANY TEMPORARY OR PERMANENT DITCHES OR SWALES WITHIN 7 CALENDAR DAYS AFTER CONNECTING TO A SURFACE WATER OR PROPERTY EDGE AND CONSTRUCTION IN THAT PORTION OF THE DITCH HAS TEMPORARILY OR PERMANENTLY CEASED.

TEMPORARY OR PERMANENT DITCHES OR SWALES THAT ARE BEING USED AS A SEDIMENT CONTAINMENT SYSTEM DURING CONSTRUCTION (WITH PROPERLY DESIGNED ROCK-DITCH CHECKS, BIO ROLLS, SILT DIKES, ETC.) DO NOT NEED TO BE STABILIZED DURING THE TEMPORARY PERIOD OF ITS USE AS A SEDIMENT CONTAINMENT SYSTEM. THESE AREAS MUST BE STABILIZED WITHIN 24 HOURS AFTER NO LONGER BEING USED AS A SEDIMENT CONTAINMENT SYSTEM.

APPLYING MULCH, HYDROMULCH, TACKIFIER, POLYACRYLAMIDE OR SIMILAR EROSION PREVENTION PRACTICES IS NOT ACCEPTABLE STABILIZATION IN ANY PART OF A TEMPORARY OR PERMANENT DRAINAGE DITCH OR SWALE.

5. PIPE OUTLETS MUST BE PROVIDED WITH TEMPORARY OR PERMANENT ENERGY DISSIPATION WITHIN 24 HOURS AFTER CONNECTION TO A SURFACE WATER.

6. UNLESS INFEASIBLE DUE TO LACK OF PERMOUS OR VEGETATED AREAS, THE PERMITTEE(S) MUST DIRECT DISCHARGES FROM BMPS TO VEGETATED AREAS OF THE SITE (INCLUDING ANY NATURAL BUFFERS) IN ORDER TO PROMOTE SEDIMENT REMOVAL AND MAXIMIZE STORMWATER FILTRATION. THE PERMITTEE(S) MUST USE VELOCITY DISSIPATION DEVICES IF NECESSARY TO PREVENT EROSION WHEN DIRECTING STORMWATER TO VEGETATED AREAS.

PART IV.C. – SEDIMENT CONTROL PRACTICES

1. THE PERMITTEE(S) MUST EMPLOY SEDIMENT CONTROL PRACTICES AS NECESSARY TO MINIMIZE SEDIMENT FROM ENTERING SURFACE WATERS, INCLUDING CURB AND GUTTER SYSTEMS AND STORM SEWER INLETS.

A. TEMPORARY OR PERMANENT DRAINAGE DITCHES AND SEDIMENT BASINS THAT ARE DESIGNED AS PART OF SEDIMENT CONTAINMENT SYSTEM (E.G., DUE TO SOILS WITH ROCK-CHECK DAMS) REQUIRE SEDIMENT CONTROL PRACTICES ONLY AS APPROPRIATE FOR SITE CONDITIONS.

B. IF THE DOWN GRADIENT SEDIMENT CONTROLS ARE OVERLOADED (BASED ON FREQUENT FAILURE OR EXCESSIVE MAINTENANCE REQUIREMENTS), THE PERMITTEE(S) MUST INSTALL ADDITIONAL UPGRADIENT SEDIMENT CONTROL PRACTICES OR REDUNDANT BMPS TO ELIMINATE THE OVERLOADING, AND THE SWPPP MUST BE AMENDED TO IDENTIFY THESE ADDITIONAL PRACTICES AS REQUIRED IN PART III.B.1.–3

2. SEDIMENT CONTROL PRACTICES MUST BE ESTABLISHED ON ALL DOWN GRADIENT PERIMETERS AND BE LOCATED UPGRADIENT OF BUFFER ZONES. THE PERIMETER SEDIMENT CONTROL PRACTICES MUST BE IN PLACE BEFORE ANY UPGRADIENT LAND-DISTURBING ACTIVITIES BEGIN. THESE PRACTICES SHALL REMAIN IN PLACE UNTIL FINAL STABILIZATION HAS BEEN ESTABLISHED IN ACCORDANCE WITH PART IV.G.

3. THE PERMITTEE(S) SHALL RE-INSTALL ALL SEDIMENT CONTROL PRACTICES THAT HAVE BEEN ADJUSTED OR REMOVED TO ACCOMMODATE SHORT-TERM ACTIVITIES SUCH AS CLEARING OR GRUBBING OR PASSAGE OF VEHICLES, IMMEDIATELY AFTER THE SHORT-TERM ACTIVITY HAS BEEN COMPLETED. THE PERMITTEE(S) SHALL COMPLETE ANY SHORT-TERM ACTIVITY THAT REQUIRES REMOVAL OF SEDIMENT CONTROL PRACTICES AS QUICKLY AS POSSIBLE. THE PERMITTEE(S) MUST INSTALL SEDIMENT CONTROL PRACTICES BEFORE THE NEXT PRECIPITATION EVENT EVEN IF THE SHORT-TERM ACTIVITY IS NOT COMPLETE.

4. ALL STORM DRAIN INLETS MUST BE PROTECTED BY APPROPRIATE BMPS DURING CONSTRUCTION UNTIL ALL SOURCES WITH POTENTIAL FOR DISCHARGING TO THE INLET HAVE BEEN STABILIZED. INLET PROTECTION MAY BE REMOVED FOR A PARTICULAR INLET IF A SPECIFIC SAFETY CONCERN (STREET FLOODING/FREEZING) HAS BEEN IDENTIFIED BY THE PERMITTEE(S) OR THE JURISDICTIONAL AUTHORITY (E.G., CITY/COUNTY/TOWNSHIP/MNDOT ENGINEER). THE PERMITTEE(S) MUST DOCUMENT THE NEED FOR REMOVAL IN THE SWPPP.

5. TEMPORARY SOIL STOCKPILES MUST HAVE SILT FENCE OR OTHER EFFECTIVE SEDIMENT CONTROLS, AND CANNOT BE PLACED IN ANY NATURAL BUFFERS OR SURFACE WATERS, INCLUDING STORMWATER CONVEYANCES SUCH AS CURB AND GUTTER SYSTEMS, OR CONDUITS AND DITCHES UNLESS THERE IS A BYPASS IN PLACE FOR THE STORMWATER.

6. WHERE VEHICLE TRAFFIC LEAVES ANY PART OF THE SITE (OR ONTO PAVED ROADS WITHIN THE SITE):

A. THE PERMITTEE(S) MUST INSTALL A VEHICLE TRACKING BMP TO MINIMIZE THE TRACK OUT OF SEDIMENT FROM THE CONSTRUCTION SITE. EXAMPLES OF VEHICLE TRACKING BMPS INCLUDE (BUT ARE NOT LIMITED TO) ROCK PADS, MUD MATS, SLASH MULCH, CONCRETE OR STEEL WASH RACKS, OR EQUIVALENT SYSTEMS.

B. THE PERMITTEE(S) MUST USE STREET SWEEPING IF SUCH VEHICLE TRACKING BMPS ARE NOT ADEQUATE TO PREVENT SEDIMENT FROM BEING TRACKED ONTO THE STREET (SEE PART IV.E.3.D.).

7. THE PERMITTEE(S) MUST INSTALL TEMPORARY SEDIMENTATION BASINS AS REQUIRED IN PART III.C. OF THIS PERMIT.

PART IV.C. – SEDIMENT CONTROL PRACTICES (CONT.)

8. THE PERMITTEE(S) MUST MINIMIZE SOIL COMPACTION AND, UNLESS INFEASIBLE, PRESERVE TOPSOIL. MINIMIZING SOIL COMPACTION IS NOT REQUIRED WHERE THE FUNCTION OF A SPECIFIC AREA OF THE SITE DICTATES THAT IT BE COMPACTED.

9. THE PERMITTEE(S) MUST PRESERVE A 50 FOOT NATURAL BUFFER OR OF A BUFFER IS INFEASIBLE ON THE SITE) PROVIDE REDUNDANT SEDIMENT CONTROLS WHEN A SURFACE WATER IS LOCATED WITHIN 50 FEET OF THE PROJECT'S EARTH DISTURBANCES AND STORMWATER FLOWS TO THE SURFACE WATER. NATURAL BUFFERS ARE NOT REQUIRED ADJACENT TO ROAD DITCHES, JURISDICTIONAL DITCHES, COUNTY DITCHES, STORMWATER CONVEYANCE CHANNELS, STORM DRAIN INLETS, AND SEDIMENT BASINS. THE PERMITTEE(S) IS/ARE NOT REQUIRED TO ENHANCE THE QUALITY OF THE VEGETATION THAT ALREADY EXISTS IN THE BUFFER OR PROVIDE VEGETATION IF NONE EXIST. HOWEVER, PERMITTEE(S) CAN IMPROVE THE NATURAL BUFFER WITH VEGETATION.

PART IV.D. – DEWATERING AND BASIN DRAINING

1. THE PERMITTEE(S) MUST DISCHARGE TURBID OR SEDIMENT-LADEN WATERS RELATED TO DEWATERING OR BASIN DRAINING (E.G., PUMPED DISCHARGES, TRENCH/DITCH CUTS FOR DRAINAGE) TO A TEMPORARY OR PERMANENT SEDIMENTATION BASIN ON THE PROJECT SITE UNLESS INFEASIBLE. THE PERMITTEE(S) MAY OBTAIN/ARE FROM THE TEMPORARY OR PERMANENT SEDIMENTATION BASINS TO SURFACE WATERS IF THE BASIN WATER HAS BEEN VISUALLY CHECKED TO ENSURE ADEQUATE TREATMENT HAS BEEN OBTAINED IN THE BASIN AND THAT NUISANCE CONDITIONS (SEE MINN. R. 7050.0210, SUBP. 2) WILL NOT RESULT FROM THE DISCHARGE. IF THE WATER CANNOT BE DISCHARGED TO A SEDIMENTATION BASIN PRIOR TO ENTERING THE SURFACE WATER, IT MUST BE TREATED WITH THE APPROPRIATE BMPS, SUCH THAT THE DISCHARGE DOES NOT ADVERSELY AFFECT THE RECEIVING WATER OR DOWNSTREAM PROPERTIES. IF THE PERMITTEE(S) MUST DISCHARGE WATER THAT CONTAINS OIL OR GREASE, THE PERMITTEE(S) MUST USE AN OIL-WATER SEPARATOR OR SUITABLE FILTRATION DEVICE (E.G. CARTRIDGE FILTERS, ABSORBENTS PADS) PRIOR TO DISCHARGING THE WATER. THE PERMITTEE(S) MUST ENSURE THAT DISCHARGE POINTS ARE ADEQUATELY PROTECTED FROM EROSION AND SCOUR. THE DISCHARGE MUST BE DISPERSED OVER NATURAL ROCK RIPRAP, SAND BAGS, PLASTIC SHEETING, OR OTHER ACCEPTED ENERGY DISSIPATION MEASURES.

2. ALL WATER FROM DEWATERING OR BASIN-DRAINING ACTIVITIES MUST BE DISCHARGED IN A MANNER THAT DOES NOT CAUSE NUISANCE CONDITIONS, EROSION IN RECEIVING CHANNELS OR ON DOWNSLOPE PROPERTIES, OR INUNDATION IN WETLANDS CAUSING SIGNIFICANT ADVERSE IMPACT TO THE WETLAND.

3. IF THE PERMITTEE(S) IS/ARE USING FILTERS WITH BACKWASH WATER, THE PERMITTEE(S) MUST HAUL THE BACKWASH WATER AWAY FOR DISPOSAL, RETURN THE BACKWASH WATER TO THE BEGINNING OF THE TREATMENT PROCESS, OR INCORPORATE THE BACKWASH WATER INTO THE SITE IN A MANNER THAT DOES NOT CAUSE EROSION. THE PERMITTEE(S) MUST NOT DISCHARGE BACKWASH WATER TO A SANITARY SEWER IF PERMISSION IS GRANTED BY THE SANITARY SEWER AUTHORITY. THE PERMITTEE(S) MUST PROVIDE ANY NECESSARY TREATMENT OF THE FILTER MEDIA USED IN DEWATERING DEVICES WHEN REQUIRED TO RETAIN ADEQUATE FUNCTION

PART IV.E. – INSPECTIONS AND MAINTENANCE

1. THE PERMITTEE(S) MUST ENSURE THAT A TRAINED PERSON (AS IDENTIFIED BY PART III.A.3.A.) WILL ROUTINELY INSPECT THE ENTIRE CONSTRUCTION SITE AT LEAST ONCE EVERY SEVEN (7) DAYS DURING ACTIVE CONSTRUCTION AND WITHIN 24 HOURS AFTER A RAINFALL EVENT GREATER THAN 0.5 INCHES IN 24 HOURS. FOLLOWING AN INSPECTION THAT OCCURS WITHIN 24 HOURS AFTER A RAINFALL EVENT, THE NEXT INSPECTION MUST BE CONDUCTED WITHIN SEVEN (7) DAYS AFTER THE RAINFALL EVENT.

2. ALL INSPECTIONS, MAINTENANCE, CONDUCTED DURING CONSTRUCTION MUST BE RECORDED WITHIN 24 HOURS IN WRITING AND THESE RECORDS MUST BE RETAINED WITH THE SWPPP IN ACCORDANCE WITH PART III.E. RECORDS OF EACH INSPECTION AND MAINTENANCE ACTIVITY SHALL INCLUDE:

A. DATE AND TIME OF INSPECTIONS

B. NAME OF PERSON(S) CONDUCTING INSPECTIONS

C. FINDINGS OF INSPECTIONS, INCLUDING THE SPECIFIC LOCATION WHERE CORRECTIVE ACTIONS ARE NEEDED

D. CORRECTIVE ACTIONS TAKEN (INCLUDING DATES, TIMES, AND PARTY COMPLETING MAINTENANCE ACTIVITIES)

E. DATE AND AMOUNT OF ALL RAINFALL EVENTS GREATER THAN 1/2 INCH (0.5 INCHES) IN 24 HOURS. RAINFALL AMOUNTS MUST BE OBTAINED BY A PROPERLY MAINTAINED RAIN GAUGE INSTALLED ONSITE. A WEATHER STATION THAT IS WITHIN 1 MILE OF YOUR LOCATION OR A WEATHER REPORTING SYSTEM THAT PROVIDES SITE SPECIFIC RAINFALL DATA FROM RADAR SUMMARIES.

F. IF ANY DISCHARGE IS OBSERVED TO BE OCCURRING DURING THE INSPECTION, A RECORD OF ALL POINTS OF THE PROPERTY FROM WHICH THERE IS A DISCHARGE MUST BE MADE, AND THE DISCHARGE SHOULD BE OBSERVED VISUALLY FOR FOAM, OILS, FLOATING AND SUSPENDED SOLIDS, FOAM, OR OTHER VISUAL INDICATORS OF POLLUTANTS) AND PHOTOGRAPHED.

G. ANY AMENDMENTS TO THE SWPPP PROPOSED AS A RESULT OF THE INSPECTION MUST BE DOCUMENTED AS REQUIRED IN PART III.B. WITHIN SEVEN (7) CALENDAR DAYS.

3. INSPECTION FREQUENCY ADJUSTMENT

A. WHERE PARTS OF THE PROJECT SITE HAVE PERMANENT COVER, BUT WORK REMAINS ON OTHER PARTS OF THE SITE, THE PERMITTEE(S) MAY REDUCE INSPECTIONS OF RE AREAS WITH PERMANENT COVER TO ONCE PER MONTH.

B. WHERE CONSTRUCTION SITES HAVE PERMANENT COVER ON ALL EXPOSED SOIL AREAS AND NO NON-FROZEN GROUND CONDITIONS IS OCCURRING ANYWHERE ON THE SITE, THE SITE MUST BE INSPECTED DURING NON-FROZEN GROUND CONDITIONS AT LEAST ONCE PER MONTH FOR A PERIOD OF TWELVE (12) MONTHS. FOLLOWING THE TWELFTH MONTH OF PERMANENT COVER ON ALL EXPOSED SOIL AREAS, INSPECTIONS MAY BE TERMINATED UNTIL CONSTRUCTION ACTIVITY IS ONCE AGAIN INITIATED UNLESS THE PERMITTEE(S) IS/ARE NOTIFIED IN WRITING BY THE MPCA THAT EROSION ISSUES HAVE BEEN DETECTED AT THE SITE AND INSPECTIONS NEED TO RESUME.

C. WHERE WORK HAS BEEN SUSPENDED DUE TO FROZEN GROUND CONDITIONS, THE INSPECTIONS MAY BE SUSPENDED. THE REQUIRED INSPECTIONS AND MAINTENANCE SCHEDULE MUST BEGIN WITHIN 24 HOURS AFTER RUNOFF OCCURS AT THE SITE OR 24 HOURS PRIOR TO RESUMING CONSTRUCTION, WHICHEVER COMES FIRST.

4. THE PERMITTEE(S) IS/ARE RESPONSIBLE FOR THE INSPECTION AND MAINTENANCE OF TEMPORARY AND PERMANENT WATER QUALITY MANAGEMENT BMPS, AS WELL AS EROSION PREVENTION AND SEDIMENT CONTROL BMPS, UNTIL ANOTHER PERMITTEE HAS OBTAINED COVERAGE UNDER THIS PERMIT ACCORDING TO PART II.B.5. OR THE PROJECT HAS UNDERGONE FINAL STABILIZATION, AND AN NOT HAS BEEN SUBMITTED TO THE MPCA.

5. THE PERMITTEE(S) MUST INSPECT ALL EROSION PREVENTION AND SEDIMENT CONTROL BMPS AND POLLUTION PREVENTION MANAGEMENT MEASURES TO ENSURE INTEGRITY AND EFFECTIVENESS DURING ALL ROUTINE AND POST-RAINFALL EVENT INSPECTIONS. ALL DAMAGED BMPS MUST BE REPAIRED, REPLACED, OR SUPPLEMENTED WITH FUNCTIONAL BMPS BY THE END OF THE NEXT BUSINESS DAY AFTER DISCOVERY, OR AS SOON AS FIELD CONDITIONS ALLOW ACCESS UNLESS ANOTHER TIME FRAME IS SPECIFIED BELOW. THE PERMIT

SITE SPECIFIC INFORMATION

SITE NAME
SUN PRAIRIE SECOND ADDITION

PROJECT LOCATION
EAST SIDE OF 65TH AVE SE, NORTH OF MARION ST SE
ISANTI, MN 55040

PID #: 16-109-0550

617 E MAIN ST
ANOKA, MN 55303

KIRSTEN STATDHA
CELL: (763) 422-8899

CONSTRUCTION ACTIVITY DESCRIPTION

THIS PROJECT PROPOSED THE CONSTRUCTION OF ELEVEN (11) SINGLE-FAMILY LOTS ON OUTLOT F OF THE PREVIOUSLY PLATTED "SUN PRAIRIE" IN ISANTI, MINNESOTA.

THESE LOTS WERE PREVIOUSLY MASS GRADED (APPROX. 2003/2004). SEVERAL STORM WATER MANAGEMENT PONDS WERE DESIGNED AND CONSTRUCTED FOR THE OVERALL "SUN PRAIRIE" DEVELOPMENT. THE MAJORITY OF THE IMPERVIOUS SURFACE FROM THESE SECOND ADDITION LOTS ARE COLLECTED AND ROUTED TO THOSE EXISTING PONDS.

NO NEW STREET CONSTRUCTION IS PROPOSED. NO NEW UTILITIES ARE PROPOSED AS SEWER AND WATER SERVICES WERE INSTALLED AT THE TIME OF MASS GRADING.

INDIVIDUAL LOT HOME CONSTRUCTION WILL REQUIRE ROCK CONSTRUCTION ENTRANCE (WHERE CONSTRUCTION TRAFFIC ENTERS ONTO EXISTING BITUMINOUS ROADWAYS), SILT FENCE (AT LOT PERIMETER OR AS NECESSARY TO PREVENT SEDIMENT FROM LEAVING CONSTRUCTION AREA), BIO-ROLLS (AS NECESSARY TO PREVENT SEDIMENT FROM LEAVING CONSTRUCTION AREA), AND OTHER APPROVED EROSION AND SEDIMENT CONTROL MEASURES TO PROTECT DOWNSTREAM RECEIVING WATERS.

SITE AREAS

	BEFORE CONSTRUCTION	AFTER CONSTRUCTION
TOTAL PROJECT AREA	2.99 ACRES	
TOTAL ESTIMATED IMPERVIOUS	0 ACRES	0.88 ACRES
TOTAL ESTIMATED PERVIOUS	2.99 ACRES	2.11 ACRES

LESS THAN 1.0 ACRE OF NEW IMPERVIOUS CREATED
PROPOSED IMPERVIOUS DIRECTED TO EXISTING PONDS 9200 FOR DEVELOPMENT

TOTAL DISTURBED AREA

APPROX. 1.25 ACRES (APPROX.)
(MPCA NPDES CONSTRUCTION STORMWATER PERMIT REQUIRED)

RECEIVING WATERS WITHIN ONE MILE

NAME OF WATER BODY	TYPE OF WATER BODY	SPECIAL WATER	IMPAIRED WATER
ON-SITE PONDS	POND	NO	NO
UNNAMED WETLANDS	WETLAND	NO	NO
UNNAMED POND	POND	NO	NO

THERE ARE NO SPECIAL OR IMPAIRED WATERS WITHIN A ONE (1) MILE RADIUS

SITE MAP AND DESIGN CALCULATIONS

EXISTING PONDS ARE IN-PLACE AND WERE SIZED TO ACCOMMODATE PROPOSED IMPERVIOUS AT TIME OF ORIGINAL MASS GRADING (2003/2004).

SOILS, SLOPES, VEGETATION

SOIL TYPE(S): EXISTING ON-SITE SOILS ARE PRIMARILY SANDS WITH SOME SILT (SP-SM, SP, AND SM)

SLOPES: PROPOSED SLOPES WILL BE GENERALLY MODERATE AND ARE NOT EXPECTED TO EXCEED 3:1.

VEGETATION: DISTURBED AREAS WILL BE RESTORED WITH SEED & MULCH AND SOD.

PERSON WHO PREPARED SWPPP ("DESIGNER")

PERSON(S) WHO WILL INSPECT BMPS AND ESC MEASURES ("INSPECTOR")

TBD

TRAINING DOCUMENTATION

DOCUMENTATION MUST ACCOMPANY THE SWPPP INDICATING THAT THE INDIVIDUALS IDENTIFIED IN PART III.F. HAVE BEEN TRAINED IN ACCORDANCE WITH THE REQUIREMENTS OF PART III.F. DOCUMENTATION SHALL INCLUDE:

A. NAMES OF THE PERSONNEL ASSOCIATED WITH THIS PROJECT THAT ARE REQUIRED TO BE TRAINED PER PART III.F.1. OF THIS PERMIT.

B. DATES OF TRAINING AND NAME OF INSTRUCTOR(S) AND ENTITY PROVIDING TRAINING.

C. CONTENT OF TRAINING COURSE OR WORKSHOP INCLUDING THE NUMBER OF HOURS OF TRAINING.

SITE SEQUENCING & ESC NOTES

PRIOR TO ANY LAND-DISTURBING ACTIVITY, THE CONTRACTOR SHALL INSTALL SILT FENCE AS NECESSARY TO PREVENT SEDIMENT FROM LEAVING CONSTRUCTION SITE AREA. ADDITIONAL SILT FENCE AND/OR BIO-ROLLS MAY BE NECESSARY IF LOCAL CONDITIONS REQUIRE. SILT FENCE SHALL REMAIN IN-PLACE UNTIL THE FINAL STABILIZATION HAS BEEN ESTABLISHED IN ACCORDANCE WITH PART IV.C.

CONTRACTOR TO PROVIDE ROCK CONSTRUCTION ENTRANCE AT ALL LOCATIONS WHERE CONSTRUCTION TRAFFIC ENTERS ONTO EXISTING BITUMINOUS ROADWAYS.

IF ANY SLOPES APPEAR TO BE FAILING, THE CONTRACTOR SHALL PROVIDE ADDITIONAL SILT FENCE, BIOROLLS AND EROSION CONTROL BLANKET AS NEEDED.

ADJACENT STREETS SHALL BE KEPT CLEAN OF CONSTRUCTION MATERIALS, DIRT, AND OTHER UNDESIRABLE MATERIALS. WHEN MATERIALS OR DEBRIS HAVE WASHED/FLOWED ONTO ADJACENT STREETS, IT IS THE CONTRACTOR'S RESPONSIBILITY TO SWEEP/SCRAPE STREETS AS NECESSARY OR AS DIRECTED BY THE CITY.

ALL EXPOSED SOILS MUST HAVE TEMPORARY EROSION CONTROL PROTECTION OR PERMANENT COVER WITHIN SEVEN (7) DAYS.

THE CONTRACTOR SHALL PROVIDE ALL SOD, SEED, MULCH AND FERTILIZER WHICH SHALL CONFORM WITH THE FOLLOWING MNDOT SPECIFICATIONS AS MODIFIED BELOW.

ITEM		MNDOT SPECIFICATION/NOTES
SOD		3878
SEED **		3878
* FOR TURF ESTABLISHMENT		
	COMMERCIAL TURF	MNDOT MIX 25-131 (220 LBS/ACRE)
	RESIDENTIAL TURF	MNDOT MIX 25-128 (120 LBS/ACRE)
TEMPORARY	FALL COVER	MNDOT MIX 21-112 (100 LBS/ACRE)
	SPRING/SUMMER	MNDOT MIX 21-111 (100 LBS/ACRE)
SOIL-BUILDING COVER		MNDOT MIX 21-113 (110 LBS/ACRE)
	1-2 YEARS COVER	MNDOT MIX 22-111 (30.5 LBS/ACRE)
	2-5 YEARS COVER	MNDOT MIX 22-112 (40 LBS/ACRE)
MULCH		3882 (TYPE 1 - DISC ANCHORED)
FERTILIZER		3881
WOOD FIBER BLANKET		3885 (CATEGORY 2)

* HIGH A MINIMUM OF:
RESIDENTIAL TURF - ONCE PER 2 WEEKS
COMMERCIAL TURF - ONCE PER 4 WEEKS

** SEEDED AREAS SHALL BE EITHER MULCHED OR COVERED BY FERROUS BLANKETS TO PROTECT SEEDS AND LIMIT EROSION.

TEMPORARY OR PERMANENT MULCH MUST BE UNIFORMLY APPLIED BY MECHANICAL OR HYDRAULIC MEANS AND STABILIZED BY DISC-ANCHORING OR USE OF HYDRAULIC SOIL STABILIZERS.

ALL EROSION AND SEDIMENT CONTROL MEASURES SHOWN ON THE PLANS OR IMPLEMENTED IN THE FIELD SHALL BE IN ACCORDANCE WITH THE CITY AND NPDES PHASE II PERMIT REQUIREMENTS, AND THE MPCA'S "PROTECTING WATER QUALITY IN URBAN AREAS BEST MANAGEMENT PRACTICES FOR MINNESOTA."

THE CONTRACTOR SHALL PAY SPECIAL ATTENTION TO ALL ADJACENT PROPERTY LINES AND MAKE SURE THE EROSION CONTROL PRACTICES INPLACE IN THOSE AREAS PREVENT MIGRATION OF SEDIMENT ONTO ADJACENT PROPERTIES.

THE CONTRACTOR SHALL MAINTAIN SILT FENCE, INCLUDING THE REMOVAL OF ACCUMULATED SEDIMENT, THROUGH COMPLETION OF BUILDING CONSTRUCTION. SILT FENCE TO BE REMOVED ONLY AFTER COMPLETION OF BUILDING CONSTRUCTION AND UPON ESTABLISHMENT OF VEGETATION.

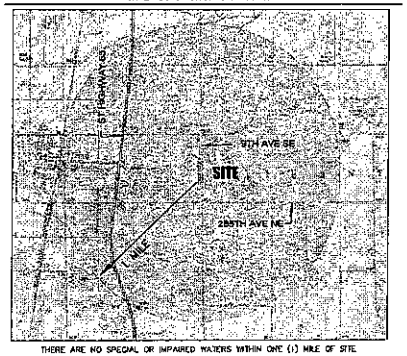
THE CONTRACTOR SHALL PROVIDE WOOD FIBER BLANKET FOR ALL AREAS OF CONCENTRATED FLOW AND FOR ALL SLOPES 3:1 OR GREATER.

PROTECT ALL EXISTING STORM WATER MANAGEMENT FACILITIES FROM CONSTRUCTION RUN-OFF. CONTRACTOR TO PROVIDE INLET SEDIMENT CONTROL FOR ANY STORM SEWER INLETS THAT RECEIVE RUN-OFF FROM CONSTRUCTION ACTIVITIES.

UPON GRADING COMPLETION THE CONTRACTOR SHALL PROVIDE NATIVE TOPSOIL, SEED, AND MULCH ANCHORED WITH A STRAIGHT SET DISC WITHIN 48 HOURS OF FINAL GRADING.

EXCESS SOIL SHOULD BE TREATED LIKE OTHER EXPOSED SOIL AND STABILIZED WITHIN 72 HOURS. ANY SOIL STOCKPILES ARE TO HAVE SILT FENCE PLACED ON DOWNSTREAM SIDES AND SHALL NOT BE PLACED IN SURFACE WATERS.

MAP OF SURFACE WATERS



THERE ARE NO SPECIAL OR IMPAIRED WATERS WITHIN ONE (1) MILE OF SITE

(1) COON CREEK: ASSESSMENT UNIT 07010206-530
AQUATIC MACROINVERTEBRATE BIOASSESSMENTS
THESE IMPAIRMENTS AFFECT AQUATIC LIFE.

BECAUSE THIS PROJECT HAS A DISCHARGE POINT WITHIN ONE MILE OF THE ABOVE-REFERENCED IMPAIRED WATER, THE SWPPP HAS INCLUDED THE FOLLOWING:

C.1. DURING CONSTRUCTION

A. ALL EXPOSED SOIL AREAS MUST BE STABILIZED AS SOON AS POSSIBLE TO LIMIT SOIL EROSION BUT IN NO CASE LATER THAN SEVEN (7) DAYS AFTER THE CONSTRUCTION ACTIVITY IN THAT PORTION OF THE SITE HAS TEMPORARILY OR PERMANENTLY CEASED.

B. TEMPORARY SEDIMENT BASIN REQUIREMENTS DESCRIBED IN PART III.B.1-5 MUST BE USED FOR COMMON DRAINAGE LOCATIONS THAT SERVE AN AREA WITH FIVE (5) OR MORE ACRES DISTURBED AT ONE TIME.

C.2. POST CONSTRUCTION.

THE WATER QUALITY VOLUME THAT MUST BE TREATED BY THE PROJECT PERMANENT STORMWATER MANAGEMENT SYSTEM DESCRIBED IN PART III.C. SHALL BE ONE (1) INCH OF RUNOFF FROM THE NEW IMPERVIOUS SURFACES CREATED BY THE PROJECT. SEE PART III.C.2 FOR MORE INFORMATION ON INFILTRATION DESIGN AND APPROPRIATE SITE CONDITIONS. IF IT IS DETERMINED THAT SITE CONDITIONS ARE NOT APPROPRIATE FOR INFILTRATION (E.G. LACK OF 3 FT. OF SEPARATION TO SEASONALLY SATURATED GROUND WATER, PROXIMITY TO BEDROCK, CONTAMINATED SOILS) THE REASONS SHOULD BE DOCUMENTED IN THE STORMWATER POLLUTION PREVENTION PLAN (SWPPP) FOR THE PROJECT. INFILTRATION IS NOT REQUIRED IN HYDROLOGIC SOIL GROUP D SOILS.

SITE SPECIFIC CONDITIONS

(1) DEWATERING WILL NOT BE REQUIRED FOR THE PROPOSED IMPROVEMENTS
(2) SITE CONDITIONS (MODIFIED SOILS) PRECLUDE INFILTRATION.

Request for City Council Action

To: Mayor Wimmer
Members of the City Council

From: Roxanne Achman
Community Development Director

Date: September 20, 2016

Subject: Consider Adoption of an Interim Ordinance to Establish a Moratorium Temporarily Prohibiting Specific Commercial Uses within a Defined Area Along Highway 65.

Background

In light of the recent growth along Highway 65 it is imperative that the City perform due diligence in studying the corridor to ensure this area "will truly define the community and let travelers know that they have entered a unique, vital and vibrant place," as stated in the 2008 Comprehensive Plan.

The Development and Operations Advisory Committee has been reviewing the uses within the "B-2" General Business District within the Highway 65 Corridor area for some time. It has been determined that in the best interest of the community and its development that a moratorium be adopted pursuant to Minnesota Statutes Section 462.355, Subdivision 4, authorizing municipalities to adopt an interim ordinance to regulate, restrict or prohibit any use, development, or subdivision for the purpose of protecting the planning process and the health, safety and welfare of its citizens. The moratorium will allow the Development and Operations Advisory Committee time to further review development along the corridor.

This will not affect operating businesses, nor will it prevent development along Highway 65. Any business within the listed uses in the "B-2" District and not listed in the moratorium are permitted to request approval to operate or locate anywhere within the B-2 District. The area affected by the moratorium is outlined on the attached map and only affects parcels currently zoned "B-2" General Business and Tier 1 – Business between Credit Union Drive and 7th Avenue (a line drawn north and south along each street).

Staff Request

Consider Adoption of the Interim Ordinance establishing a Moratorium until further research has been completed in the creation of a Highway 65 District.

ORDINANCE NO. _____

INTERIM ORDINANCE PURSUANT TO MINNESOTA STATUTES SECTION 462.355, SUBDIVISION 4, TO ESTABLISH A MORATORIUM TEMPORARILY PROHIBITING SPECIFIED COMMERCIAL USES WITHIN A SPECIFIC AREA BEING STUDIED WITHIN THE CITY OF ISANTI'S JURISDICTION, INCLUDING THE CORPORATE LIMITS AND THE TIER ONE AREA

THE CITY OF ISANTI DOES ORDAIN:

SECTION 1. Preliminary Findings. Minnesota Statutes Section 462.355, Subdivision 4, authorizes municipalities to adopt an interim ordinance to regulate, restrict or prohibit any use, development, or subdivision for the purpose of protecting the planning process and the health, safety and welfare of its citizens.

SECTION 2. Statement of Policy. The City of Isanti finds that the City is presently conducting or has authorized a study to be conducted, or has scheduled a hearing to consider adoption or amendment of the comprehensive plan or official zoning controls. The City declares that this Interim Ordinance is established pursuant to the aforementioned statute.

There are substantial concerns with the uses permitted within the "B-2" General Business District as it relates to Highway 65 being a gateway into Isanti. The 2008 Comprehensive Plan states that this area "will truly define the community and let travelers know that they have entered a unique, vital and vibrant place." The City Council finds that the consequences of allowing certain uses may be incompatible with said long term planning goals for the Highway 65 corridor. And that such uses currently allowed in the "B-2" General Business District may not be consistent with the city's long term planning goals within said district goals for the Highway 65 corridor. Development along Highway 65 has recently gained momentum and has set a standard of superior commercial development attracting both residents and travelers alike. It is in the best interest of the City and it residents to attract such development, and to uphold a standard that has already been set by numerous existing and in-progress developments along the Highway 65 corridor.

SECTION 3. Prohibition.
In accordance with the findings and policy set forth in Sections 1 and 2 and pursuant to the authority of Minnesota Statues, Section 462.355, subd. 4, the following uses shall be prohibited from consideration and approval during the effective period of this Interim Ordinance: Agricultural sales and services, day care center, dry cleaning and laundromat, funeral home, locksmith, thrift store, tool / equipment rental facility (indoor and and/or with open sales lot), ambulance or medical carrier services, automobile sales and service, farm implement, household maintenance and small engine repair facilities, meat processing facilities, motor vehicle rental facilities, motor vehicle repair facilities, motor vehicle sales, stand-alone parking facilities, religious institutions, self-storage facility, social service facility, temporary patient/family housing, wholesale establishment, wind energy conversion systems, animal sales and services, commercial kennel, farmer's market, flea market, pawn shop, secondhand store, tattoo parlor / body piercing studio, adult uses, and educational institutions except existing educational facility

improvements and pending educational facility improvements previously approved by the City Council within the City's jurisdiction, including the corporate limits and the Tier One area.

SECTION 4. Duration. This Ordinance shall expire within one year of the passage of this Ordinance by the City Council, without City Council action, or it may be repealed earlier if the City Council determines that the requisite studies and ordinances have been completed and adopted and that the appropriate evaluation and action, including any necessary revisions of the zoning code, have been finalized. The duration of this Ordinance may be extended by adoption of a subsequent Ordinance for a total of not to exceed the statutory limits in Minn. Stat. 462.355, subdivision 4.

SECTION 5. Separability. Every section, provision, or part of this Ordinance is declared separable from every other section, provision or part; and if any section, provision, or part thereof or action taken hereunder shall be invalid, it shall not affect any other section, provision, or part.

SECTION 6. Publication. This Ordinance shall be published in the City's designated newspaper and shall be effective immediately.

Adopted by the City Council of the City of Isanti on this 20th day of September, 2016.

George A. Wimmer
Mayor

ATTEST:

Lindsey McInnis
Human Resources / City Clerk

Reading Date: 09-20-2016

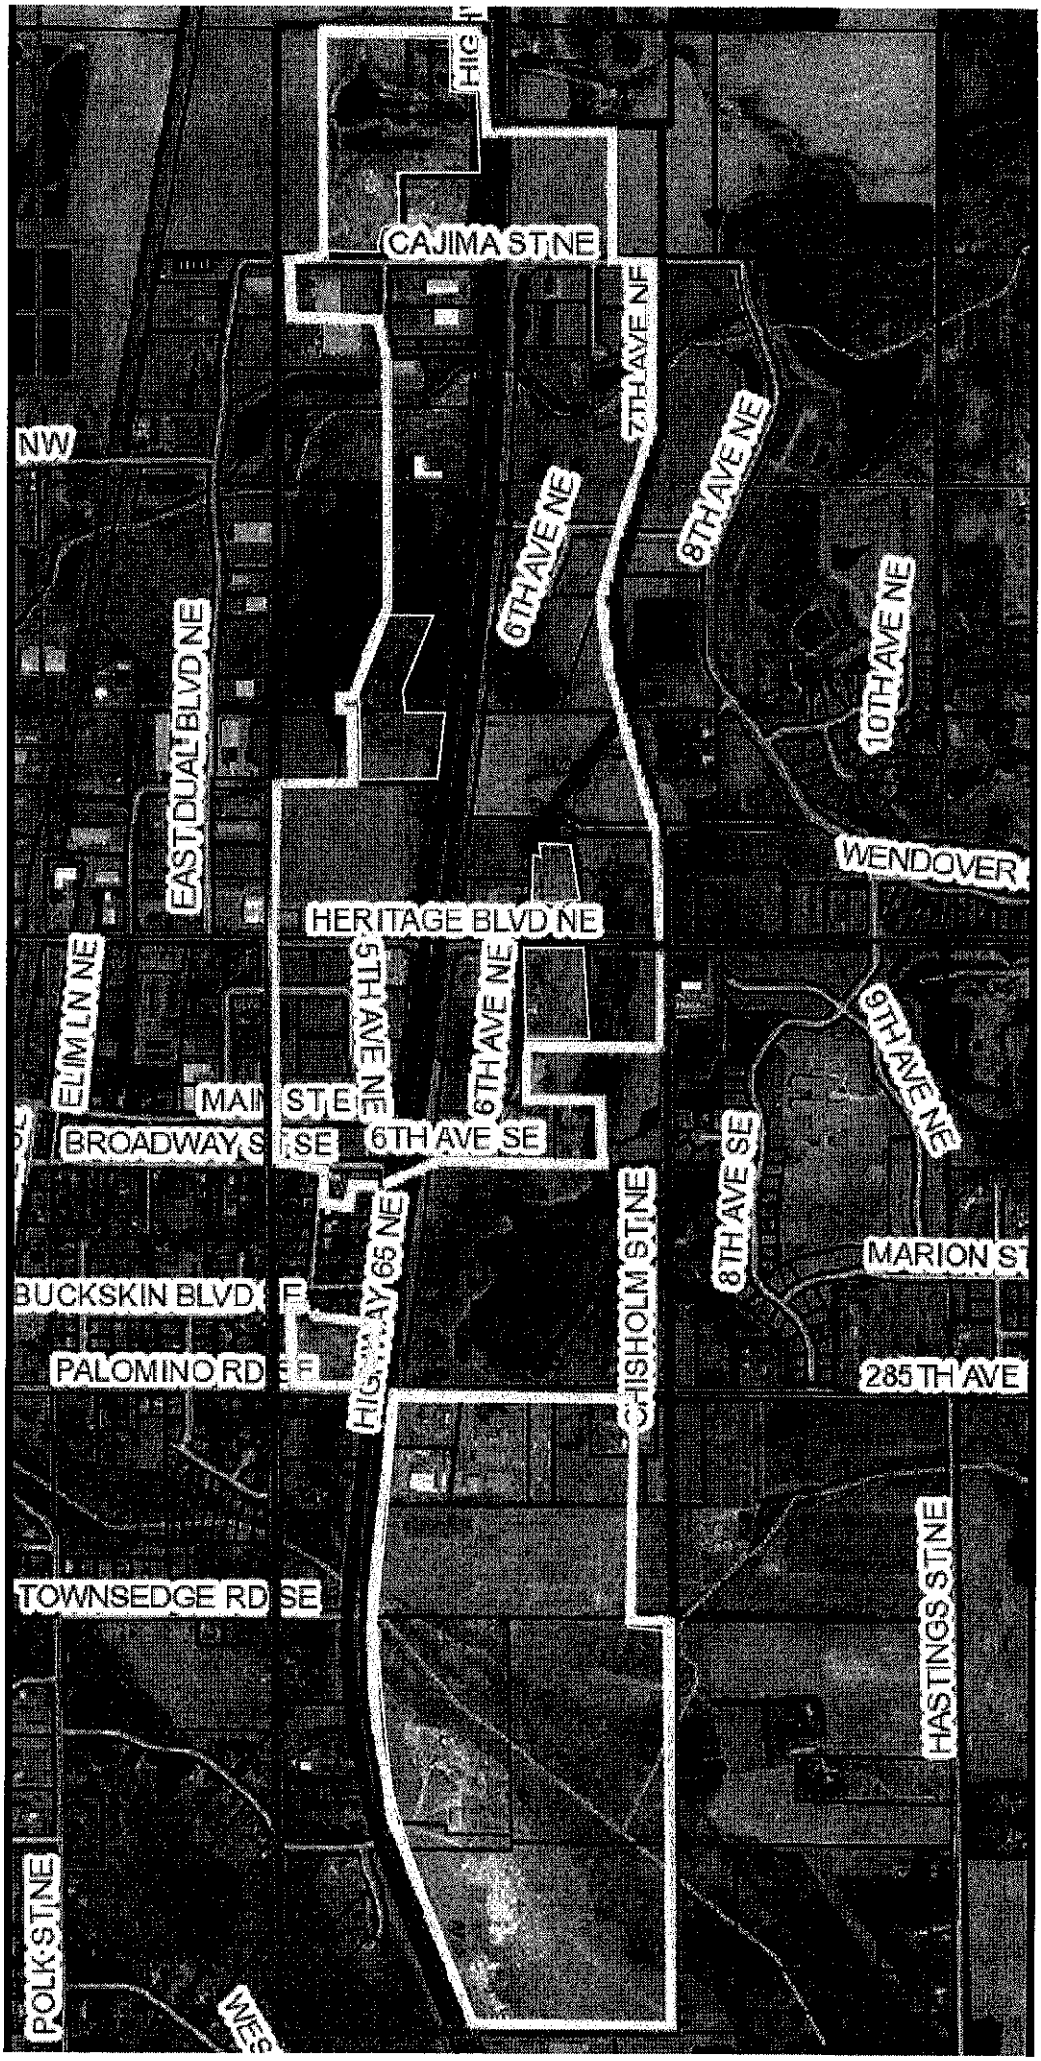
Effective Date: 09-28-2016

Moratorium Boundaries

- Moratorium boundaries
- Boundary of affected properties based on current zoning (B-2 and T1-B).
- City Limits
- Tier 1 Business Parcels (shaded yellow)

N



RELEVANT LINKS:

1. Interim Ordinances (Moratoria)

Minn. Stat. § 462.355, subd. 4.
Pawn America Minnesota, LLC v. City of St Louis Park, 787 N.W.2d 565 (Minn. 2010).

Adoption of an interim ordinance (more commonly known as a moratorium) may aid cities in the zoning ordinance amendment process, by allowing a city to study an issue without the pressure of time generated by pending applications. Cities may use a moratorium to protect the planning process, particularly when formal studies may be needed on a particular issue. Cities must follow the procedures established in state statute to initiate a moratorium.

a. Procedure for interim ordinance adoption

Minn. Stat. § 462.355, subd. 4(a).

Cities must initiate a moratorium by adopting an ordinance (interim ordinance). The interim ordinance may regulate, restrict, or prohibit any use, development, or subdivision within the city or a portion of the city for a period not to exceed one year from the effective date of the ordinance. An interim ordinance may only be adopted where the city:

- Is conducting studies on the issue.
- Has authorized a study to be conducted.
- Has held or scheduled a hearing for the purpose of considering adoption or amendment of a comprehensive plan or other official controls, including the zoning code, subdivision controls, site plan regulations, sanitary codes, building codes and official maps.
- Has annexed new territory into the city for which plans or controls have not been adopted.

The legal justification for the interim ordinance should be stated in the findings of fact when the ordinance is adopted.

Minn. Stat. § 462.355, subd. 4(b).
Duncanson v. Board of Supervisors of Danville Tp., 551 N.W.2d 248 (Minn. Ct. App. 1996).

No notice or hearing is generally necessary before an interim ordinance is enacted. However, a public hearing must be held if the proposed interim ordinance regulates, restricts or prohibits livestock production (feedlots). In such case, the notice of the hearing must be published at least ten days prior to the hearing in a newspaper of general circulation in the city.

b. Procedure for interim ordinance extension

Minn. Stat. § 462.355, subd. 4(c).

An interim ordinance may be extended only in limited circumstances if the procedures of state statute are followed. An interim ordinance may be extended if the city holds a public hearing and adopts findings of fact stating that additional time is needed to:

Minn. Stat. § 462.355, subd. 4(c)(3).

- Complete and adopt a comprehensive plan in cities that did not have comprehensive plan in place when the interim ordinance was adopted. This allows an extension for an additional year.

RELEVANT LINKS:

Minn. Stat. § 462.355, subd. 4(c) (1).

- Obtain final approval or review by a federal, state, or metropolitan agency of the proposed amendment to the city's official controls, when such approval is required by law and the review or approval has not been completed and received by the municipality at least 30 days before the expiration of the interim ordinance. This allows an extension for an additional 120 days.

Minn. Stat. § 462.355, subd. 4(c) (2).

- Complete "any other process" required by a state statute, federal law, or court order and when the process has not been completed at least 30 days before the expiration of the interim ordinance. This allows an extension for an additional 120 days.

Minn. Stat. § 462.355, subd. 4(c).

- Review an area that is affected by a city's master plan for a municipal airport. This allows for an additional period of 18 months.

The required public hearing must be held at least 15 days but not more than 30 days before the expiration of the interim ordinance, and notice of the hearing must be published at least ten days before the hearing.

c. Applicability

Minn. Stat. § 462.355, subd. 4(c).
Semler Const., Inc. v. City of Hanover, 667 N.W.2d 457 (Minn. App. 2003).

An interim ordinance or moratorium may not delay or prohibit a subdivision that has been given preliminary approval, nor extend the time for action under the 60-day rule with respect to any application filed prior to the effective date of the interim ordinance.

Woodbury Place Partners v. Woodbury, 492 N.W.2d 258 (Minn. Ct. App. 1993).
Tahoe-Sierra Pres. Council, Inc. v. Tahoe Reg'l Planning Agency, 535 U.S. 302, 122 S. Ct. 1465 (2002).

According to the Minnesota Court of Appeals, the use of an interim ordinance prohibiting or limiting use of land is generally not compensable if there is a valid purpose for the interim regulation. In evaluating whether an interim ordinance is a temporary taking in the nature of a regulatory taking, courts will look to the parcel as whole. There is no bright-line rule for regulatory takings; rather, they must be evaluated on a case-by-case basis.

VI. Zoning ordinance enforcement

A.G. Op. 477b-34 (July 29, 1991).

The Municipal Planning Act authorizes cities to enforce their zoning ordinance through criminal penalties. In addition, civil remedies, such as an injunction, are available to cities to cure on-going violations. The Minnesota Attorney General has ruled that it is a general duty of a city to enforce its zoning ordinance and that a city cannot refuse to enforce zoning requirements by ignoring illegal land uses. In enforcing city ordinances, however, a city must be aware that certain landowners may have specific rights as existing non-conformities; if their non-conforming use pre-dated the city's zoning regulation.

Request for City Council Action

To: **Mayor Wimmer and Members of City Council**

From: Josi Wood, Public Services Director/ Assist. City Admin

Date: September 20, 2016

Subject: Resolution to Approve Designated Mowing Areas

Background:

Staff has thoroughly reviewed the current areas that the City mows per the mowing policy and is requesting to revise the mowing policy so all City facility areas are maintained in an aesthetic manner, minimize the amount of time and resources spent to maintain them, and have a policy that is consistent throughout the City

Staff is recommending to use this language as further detailed in attachment 'Exhibit A':
The City of Isanti will only mow along City sidewalks that are located on City property. Maintaining the area on both sides of a sidewalk to the curb adjacent to a property is the property owner's responsibility. The City will maintain a maintenance strip along designated bike/walking paths throughout the City as defined in 'Exhibit A'. The City will maintain mowing turf from the designated bike/walking paths of developed residential parcels to the curb on streets that are recognized as main corridors entering into the City as defined in 'Exhibit A'.

The Development and Operations Advisory Committee met on September 8th to discuss the potential changes and recommends the approval of changes as outlined per the attached mowing policy.

There are a few changes that would take place per the recommendation:
REMOVE these sections:

1. The sidewalk section on the west side of Whiskey Rd NW within the Associations parcel would be removed. We currently do not mow this section unless the Association is not in compliance. The recommendation is for the CEZT to follow protocol to have a contracted service mow if the Association does not and have it billed out to them.
2. The sidewalk section on the north side of Isanti Parkway NW between Whiskey and 3rd. This was not originally mowed by the city but was absorbed in 2014. This is not a main corridor and therefore does not fit into the language as stated above. If the City would continue mowing this area along both sides of the sidewalk and to the curb line, it would be the "exception to the rule". The residents would be notified that this would again become their responsibility.
3. Vacated portion of 2nd Ave SW - The right-of-way that was vacated September 4, 2012 which is now a utility easement; approximately .65 acres. Per Resolution 2012-206 this area was never maintained by the City and in fact maintained by the abutting residents. The easement area is their property. There are similar areas of vacated property that the City does not mow. Staff is recommending to inform residents that the City began mowing this property in error and that it

will again become the responsibility to the abutting property owners. The City will still maintain access and mow around the storm pond area as historically has been occurring.

4. The small parcel at the corner NW intersection of Dahlin and Main St. This is the Isanti Village Apts parcel. They would be notified by a letter informing them they need to mow.

ADD these sections with mowing a maintenance strip:

5. Trail along South Passage from Whiskey Rd SW to Railroad Ave SE.
6. Trail along 285th/CR 55 on either side of 8th Ave
7. Trail along 8th Ave NE from Cajima St NE to Heritage Blvd NE on East side.
8. Trail along Heritage Blvd both west and east of 8th Ave NE on the south side.

ADD these sections with mowing to curb:

9. Trail through ditch to curb on Heritage Blvd NE from 8th Ave NE to the end of the trail on the north side.
10. C-I bike/walk trail from trail to curb.
11. The ditches on either side of Whiskey Rd SW from trail/sidewalk to curb due to being on a main corridor in the city.

Request:

Staff is requesting action on this item.

Attachment:

- Resolution 2016-XXX
- 'Exhibit A' – Mowing Policy
- Map of mowing areas per mowing policy

RESOLUTION NO. 2016-XXX

RESOLUTION APPROVING DESIGNATED MOWING AREAS

WHEREAS, the City Council desires to establish a mowing policy for the Public Works Department that ensures proper mowing of city facilities that include: bike paths, sidewalks on public grounds, park facilities, public building sites and City parking facilities; and,

WHEREAS, staff have reviewed the areas mowed by Public Works, recommending changes to ensure that such facilities are maintained in an aesthetic manner, minimize the amount of time and resources spent to maintain them, and have a policy that is consistent throughout the City; and,

WHEREAS, the Development and Operations Advisory Committee has reviewed this matter and is recommending consideration by the City Council of the attached Mowing Policy as defined in 'Exhibit A'; and,

WHEREAS, this Resolution supersedes resolutions designated mowing areas;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota as follows:

1. That the attached Mowing Policy, 'Exhibit A', is adopted and implemented after date of adoption for the mowing of all areas addressed in the policy.
2. Property owners will be notified if they are affected by the change in policy.
3. That any questions regarding mowing of park grounds and recreational facilities are referred to the Park, Recreation and Culture Board.
4. That questions on City building grounds or facilities are referred to the City Buildings and Grounds Committee.
5. That questions regarding Public Utility buildings and grounds shall be referred to the Public Works Committee.

This resolution was duly approved by the Isanti City Council this 20th of September, 2016.

Attest: Mayor George A. Wimmer

Lindsey McInnis
Human Resources/City Clerk

'Exhibit A'
City of Isanti
Mowing Policy

The City of Isanti will only mow along City sidewalks that are located on City property. Maintaining the area on both sides of a sidewalk to the curb adjacent to a property is the property owner's responsibility. The City will maintain a maintenance strip along designated bike/walking paths throughout the City as defined in 'Exhibit A'. The City will maintain mowing turf from the designated bike/walking paths of developed residential parcels to the curb on streets that are recognized as main corridors entering into the City as defined in 'Exhibit A'.

<u>The City of Isanti will only mow a maintenance strip* along the designated bike/walking paths identified below:</u>

- The path extending from Whiskey Rd SW and terminating on Nina St SW.
- The path extending from Whiskey Rd NW to Rum River Drive NW.
- The path extending on Whiskey Rd NW from Heritage Blvd to Isanti Parkway on the east side.
- The path extending on Isanti Pkwy NW from Whiskey Rd NW to Third Ave on the South side.
- The path extending on South Passage SW from Whiskey Rd SW to Railroad Ave SE.
- The path extending on 8th Ave NE from Cajima St NE to Heritage Blvd NE on the east side.
- The path extending on Heritage Blvd NE to the west and east of 8th Ave SE on the south side.
- The path along outside city limit parcels extending on Railroad Ave SE from South Passage SE to Townsedge Rd SE on the west side.
- The path extending along 285th/CR 55 on either side of 8th Ave SE.
- The path extending along 8th Ave NE from Cajima St NE to Heritage Blvd NE.
- New paths developed by the City; or by Developers or property owners by written agreement and designated for public use.

*Maintenance strip is defined as one pass along each side of the path equivalent to approximately 4 feet.
The City may mow areas to the curb where the designated bike/walking path as outlined above is within 10 feet from the curb as is in the best interest of the City.

<u>The City of Isanti will only mow from the designated bike/walking paths to the curb on developed main corridors into the city as identified below:</u>

- The path extending on Whiskey Rd SW from Heritage Blvd to South Passage SW on the east side where there is an adjacent sidewalk.
- The path extending on Whiskey Rd SW from Heritage Blvd to South Passage SW on the west side where there is an adjacent sidewalk.
- The path extending north along 3rd Ave NW to the northern most section of Cambridge Isanti Bike/Walk Trail that the City of Isanti has agreed to mow.

- The path extending on Heritage Blvd NE from 8th Ave NE to the end of the trail on the north side.

The City of Isanti will mow other areas as identified below:

- The railroad property on the west side of the tracks located downtown from Heritage Blvd SW to Broadway St SW.
- The corner railroad property on the east side of the tracks located downtown at southwest intersection of Main St SE and Railroad Ave SE.
- The islands on Blossom Blvd NW.
- All park grounds (does not include grounds to be maintained by user organizations through written agreement or contract).
- All City building grounds and public parking lot areas.

Members of the City Council

From: Roxanne Achman, AICP
Community Development Director

Date: September 20, 2016

Subject: Code Enforcement Policy - Revisions

Background

While conducting compliance checks and maintaining extensive records, the previous and current Code Enforcement / Zoning Technicians have noted an abundance of properties with repeat code violations. Some of the most common violations consist of vehicles (some inoperable) parked on front yards (in the grass); the accumulation of junk, refuse, and trash.

Of the 572 properties on record since August 2013, with non-grass/noxious weeds violations, 12.3% have repeat or recurring violations. From January 1, 2016 to September 12, 2016, 21 properties have repeat or recurring violations on record. While only representing 5.5% of all properties with violations in 2016, still, these properties pose a challenge to code compliancy and a source of frustration to the community of Isanti.

As the current code enforcement policy implies, repeat or recurrent violations are treated as new offenses, allotting the violator 2 weeks to correct the issue and an administrative citation if not compliant by said deadline. However, to discourage and reduce further repeat violations, it would be beneficial for the City to have the power to immediately issue Administrative Citations to repeat offenders. Revisions to the code enforcement policy would not only discourage relapse in code compliancy by residents, but would enable staff to hold repeat violators more accountable. Having the opportunity to swiftly act, would enable City staff to enforce those rules and regulations fairly and uniformly throughout the community.

DOAC Recommendation

Due to the number of repeat violation that were/are being noted, and City staff's inability to quickly correct some of these glaring repeat code violations, the Development and Operations Advisory Committee held a discussion on this item at their regularly scheduled meeting on September 8, 2016. The Committee had recommended that the current policy be amended, so as to allow City staff to, in the event of a repeat violation of the same, or of a similar nature, which was previously cleared, occurring within a twelve (12) month period on the same property, owned by the same property owner, immediately issued an Administrative Citation to the violator.

Staff Request

City staff is requesting action on this item.

- Resolution No. 2016-

RESOLUTION NO. 2016-XXX

RESOLUTION UPDATING A PROCESS FOR CODE ENFORCEMENT AND NUISANCE ABATEMENT

WHEREAS, the City of Isanti had desired a more efficient and effective process for the abatement of City Code violations and nuisance complaints; and,

WHEREAS, Resolution No. 2007-025 was adopted by the City Council on February 6, 2007; which established a nuisance abatement process; and,

WHEREAS, since the adoption of Resolution No. 2007-025, several actions by the City Council have further amended and re-defined this process. This resulted in adoption of Resolution 2014-096 which clarified and standardized the enforcement process; and,

WHEREAS, the process now includes action against repeat nuisance violations within a twelve (12) month period; and,

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota that this Resolution No. 2016-XXX Replaces Resolution No. 2014-096, in its entirety as well as nullifies any subsequent action previously taken by the City Council to amend the original nuisance abatement process outlined in Resolution No. 2007-025.

NOW, THEREFORE, BE IT FURTHER RESOLVED by the City Council of the City of Isanti, Minnesota to hereby approve the following code enforcement and nuisance abatement process:

1. Enforcement of the Nuisance Ordinance and other City Code violations can be either complaint driven or inspection based. Complaints received against property owners that have been deployed, City staff is granted discretion and due diligence when dealing with these residents.
2. A letter is sent to the property owner(s) and/or tenant(s) responsible for the City Code violation. The property owner(s) and/or tenant(s) are given fourteen (14) consecutive calendar days to comply with City Ordinances.
3. After fourteen (14) days, the property will be re-inspected. If the cause of the violation has not been corrected and the property fails to comply with City Ordinances, the property owner(s) and/or tenant(s) may be issued an Administrative Citation. In addition, the matter may be referred to the City Council for abatement and/or the Police Department and City Attorney in the event that criminal action is necessary.
4. The property owner and/or occupant is given ten (10) days to pay the Administrative Citation fine and bring the property into compliance, or contact the City to request an Administrative Hearing at which time the property owner and/or occupant will be found guilty or not guilty of the violation. In the event that the property owner and/or occupant are found not guilty, the City reserves the right to pursue an administrative penalty or a criminal conviction for a violation of the same provision of the City Code based on a different set of facts.
5. In the case, the matter is referred to the City Council for consideration of abatement, the proceedings are as provided in 216-6 of the Code of the City of Isanti.
6. <u>In the event of a repeat violation of the same, or of a similar nature, which was previously cleared, occurring within a twelve (12) month period on the same property, owned by the same property owner, the violator will be immediately issued an Administrative Citation.</u>
7. The City Council priority for enforcement of City Ordinances is as follows:
    a. Health and safety issues constituting a violation of City, State, or Federal law shall be abated immediately utilizing any and all law enforcement procedure that is available.
    b. Clean-up of junk, debris, discarded material, and hazardous situations. This includes

garbage, outdoor refrigerators, salvage materials, etc.

c. Address long grass, weeds or other deteriorating situations; to include snow shoveling as well.
d. Address vehicles and trailers without current license, particularly if they are inoperable. This would also include broken down machinery, disassembled machinery, wrecked vehicles, etc.
e. Address vehicles and trailers parked in the yard, not on the driveway. This also includes parking of machinery/vehicles not on impervious or unimproved surface, property locations, etc.
f. All other items, to include farm animals, sprinkling, etc.

7. Large lot mowing, nuisance mowing, and sidewalk snow/ice violations, shall follow the process and procedures as adopted by Resolution of the City Council.

This resolution was duly adopted by the Isanti City Council this 20th day of September 2016.

Subject: Revision of Rum River BMX Association Agreement to Allow Mail Delivery at the Isanti Indoor Arena

---

Background:
The Rum River BMX Association has requested permission to install a mail receptacle at the Isanti Indoor Arena where their offices are located. At the August 16, 2016 City Council meeting, it was discussed that a secured door slot style box could be allowed with revisions to the agreement between the City of Isanti and the association. Council directed staff to begin working to revise the documents. City staff have worked with the City Attorney to revise the document according to the Council discussion.

The Rum River BMX Association Lease Agreement includes Exhibit D: Operating Policy. The Operating Policy has been revised to include Paragraph 9 in the City of Isanti commitments section, and is included for Council Review.

DOAC Recommendation:
At the September 8, 2016 meeting, the committee reviewed the changes and recommends that council adopts the revision.

Staff Request:
Staff is requesting that Council review the revision to the Rum River BMX Association Operating Agreement.

Attachments:
- Rum River BMX Association Operating Agreement revision

RESOLUTION NO. 2016-XXX

RESOLUTION APPROVING REVISION TO RUM RIVER BMX ASSOCIATION AGREEMENT TO ALLOW MAIL DELIVERY AT THE ISANTI INDOOR ARENA

WHEREAS, the Rum River BMX Association has signed a long-term, 40-year lease with the City of Isanti for use of the Isanti Indoor Arena; and,

WHEREAS, the Rum River BMX Association has requested permission to have Association mail delivered to the Isanti Indoor Arena; and,

WHEREAS, the Isanti City Council discussed and approved a secure door style slot with a revision to the standing lease agreement; and,

WHEREAS, city staff have revised the agreement per Council direction;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to approve the revision to the Rum River BMX Lease Agreement and Operating Policy.

This resolution was duly adopted by the Isanti City Council this 20th day of September, 2016.

Excerpt of Rum River BMX Lease Agreement
Exhibit D

Operating Policy

Intent

It is the intent of this Operating Policy for the City of Isanti and the Rum River BMX Association to establish an understanding of both the City's and the Association's respective responsibilities with regards to the operation, use, and maintenance of the Rum River BMX track. This policy may be amended from time to time by the action of the Isanti City Council. The City of Isanti shall make its best efforts to notify the Rum River BMX Association whenever this policy is discussed in the future.

Hours of Use

The Rum River BMX Association has the sole and exclusive use of the property legally described within the Resolution for the outdoor recreational purposes of a BMX race track. The hours of use for the BMX track shall not exceed 11:00 p.m. on days of racing events. If potential maintenance of the facility is required to prepare the track for upcoming events, work on the track may extend past normal park hours. However, noise associated with such maintenance shall not extend beyond park boundaries.

Community Use

Subject to Sections 5.5 and 13 of the Lease, the Rum River BMX Association may open the track for use by community members, providing the following conditions are met:

1. The City of Isanti is notified three (3) weeks in advance that such event will be taking place.
2. All riders, not consistently associated with the Association, are required to adhere to the safety regulations and guidelines set forth by the Rum River BMX Association. Such safety guidelines and regulations shall be posted on-site at the BMX track.
3. The Rum River BMX Association my charge a fee to help cover track costs for participants, which shall not exceed the normal practice fee.
4. The Rum River BMX Association has the right to ask a participant taking part in a community night to leave the facility for failure to follow safety guidelines or directions from staff members.

Special Events (Tournaments or Meets)

Prior to hosting any tournament and/or other special event or meet, the Rum River BMX Association shall be responsible for obtaining the necessary Special Event permit from the City of Isanti, in accordance with Isanti City Code of Ordinances Chapter 278.

City Of Isanti

1. The City authorizes the Rum River BMX Association to manage the property as long as the property is used for the intended use, which is a BMX race track facility.
2. The City authorizes and directs City staff to work with the Rum River BMX Association in order to resolve any minor issues that may arise after this agreement has been approved and signed, providing the resolution to such issues do not violate the intent of this agreement.
3. The City of Isanti shall have the right, at its option at any time, to appoint a representative from the City to serve as a voting member on the Rum River BMX Association Board of Directors.
4. The City of Isanti permits the full use of one (1) pole structured building and 1 small white metal shed that is currently located on the subject property until construction of the new indoor BMX facility is completed and occupied by Rum River BMX Association at the Associations sole cost. SAC and WAC fees associated with the construction of the new indoor BMX facility shall not be required to be paid by Rum River BMX Association. The Pole Structure and small white metal

shed will be removed from site upon completion of construction and occupancy of indoor BMX facility by Rum River BMX Association.

5. Any water and sewer service used by the Rum River BMX Association to operate the indoor facility, north restrooms, south restrooms and concession area will be metered and billed to the Rum River BMX Association at standard City Rates. Separate metered access to water for exclusive maintenance of the BMX track will be provided to Rum River BMX Association at no cost and usage will not be billed to said Association.
6. When the City becomes aware of grant opportunities, the City shall forward those opportunities along to the Rum River BMX Association. The City also agrees to provide letters of support to the Rum River BMX Association for such grant applications.
7. During the term of the Lease, the Rum River BMX Association shall not be assessed any future improvement of Isanti Parkway NW.
8. The City's commitments as described in this agreement, are subject to the condition that the Rum River BMX Association provides adequate evidence satisfactory to the City that it is able to cover all operating expenses and any future projects in accordance with all terms and conditions herein agreed upon.
9. The City of Isanti shall allow the Rum River BMX Association, at said Association's sole option, to install a door slot style mailbox at the Isanti Indoor Arena BMX facility with a locked receptacle for delivery of U.S. mail to Rum River BMX Association, subject to the following conditions:

   (A) Any such mailbox and all deliveries to such mailbox shall be subject to any and all applicable general and local U.S. Postal Service policies and/or regulations.
   (B) Regular deliveries will be made to the mailbox by the United States Postal Service in accordance with its normal delivery schedule.
   (C) All costs pertaining to the installation, use, maintenance, security and/or any other matter related to the mailbox shall be the sole responsibility of the Rum River BMX Association.
   (D) Rum River BMX shall and does hereby agree to indemnify and hold the City of Isanti and its officers, employees and agents harmless from any and all loss, costs, liability and/or damages resulting from or in any way pertaining to the installation, use, maintenance , security or in any other way related to said mailbox.
   (E) Upon installation of such mailbox, the Rum River BMX Association may elect use 101 Isanti Parkway NW, Isanti MN 55040 as its official address as registered with the Minnesota Secretary of State and with any other governing or regulatory agencies, provided however, that Rum River BMX Association shall be solely responsible at its own expense to take all steps necessary to accomplish any and all such official address changes, and shall thereupon be responsible to provide the City of Isanti with written confirmation of any and all such official address changes, whereupon all references to the address of the Rum River BMX Association in the Lease Agreement between the City of Isanti, as Landlord, and Rum River BMX Association, as Tenant, dated October 27, 2014, and in this Operating Policy, shall be changed to so reflect said new official address
   (F) In the event of termination of said Lease Agreement dated October 27, 2014 and/or upon Rum River BMX Association vacating and moving from the facility located at 101 Rum River Parkway NW, Isanti, MN 55040, the Rum River BMX Association, if so requested by the City of Isanti in its sole discretion, shall be responsible at the sole expense of the Rum River BMX Association to remove any mailbox installed pursuant to the provisions of this paragraph, and to return or replace the door wherein such mailbox/slot was placed so that the door is in the same condition as existed prior to the installation of such mailbox/slot. [Paragraph 9 added according to Resolution XXX-2016]

Exhibit D

Rum River BMX Association

1. The Rum River BMX Association agrees to pay the full cost for any engineering or legal work that may be required in the future, except for that which is customarily the City's responsibility, and except as otherwise specifically provided for within this agreement.
2. The Rum River BMX Association shall provide file a certificate of insurance from the American Bicycle Association naming the City, its officials, employees, and agents as an additional insured. Such insurance coverage shall be public liability insurance and property damage insurance with minimum per person, aggregate per accident and property damage limits of not less than $1,000,000, per occurrence. Said minimum insurance amounts shall be subject to increase for inflation upon written notice by City the City of Isanti to the Rum River BMX Association.
3. The Rum River BMX Association shall not incur any debt for which the City may be liable and will make no claim or entitlement to reimbursement from the City of Isanti for any improvements made to the BMX facility or adjacent grounds in the event that the Rum River BMX Association becomes non-operational.
4. All non-potable water sources shall adhere to the requirements of Resolution No. 2010-117; which establishes a policy for the use of City water hydrants. Bulk non-potable water used for track maintenance purposes shall be provided by the City to the Rum River BMX Association at no cost from a metered water service.
5. The Rum River BMX Association agrees to provide portable restrooms facilities at its cost if required as part of a Special Event permit. Rum River BMX Association understands that events exceeding 560 people in occupancy of the indoor facility will require a Special Event Permit and Rum River BMX will be responsible for said fees and processes to obtain such permit. Review by the Building Official of the required number of portable restroom facilities will need to be part if this process. Granting of any Special Event Permit will be subject to City Council approval and issuance is not guaranteed.
6. The Rum River BMX Association shall implement and maintain an accounting system, which shall track all expenditures and revenues and shall provide a complete and accurate accounting to the City of Isanti on an annual basis. This information will be provided to the City of Isanti no later than May 1 following the completion of each calendar year, with the first such accounting to be provided on or before May 1, 2015
7. The Rum River BMX Association agrees to provide to the City of Isanti a current list of names and contact information each year for all officers and members of the Rum River BMX Association Board, and shall inform the City of Isanti in a timely manner of any changes in officers or directors names or address.
8. The Rum River BMX Association its successors and / assigns is committed to operating at 101 Isanti Parkway NW, Isanti, Minnesota for 40 years as referenced in the Lease Agreement to which this Exhibit D is attached and made a part hereof, and agrees to Amend its Bylaws to include language stating such.
9. The Rum River BMX Association agrees to amend its Bylaws prior to occupancy of the indoor BMX facility to be constructed to include language that prohibits current and future Rum River BMX Board Members from opening or operating or helping to open or operate another indoor facility for the purpose of BMX racing within a 100 mile radius of 101 Isanti Parkway NW, Isanti, Minnesota.
10. The City of Isanti does not grant exclusive use of City trails located on property described on Exhibit A of the Lease to Rum River BMX Association. Trails must be not be obstructed by activities conducted by Rum River BMX Association.

Exhibit D

Maintenance

In addition to general operating procedures and policy outlined above, specific responsibilities relating to maintenance of the 75,000 square foot indoor BMX facility to be constructed on Lot 1, Block 4, Isanti Centennial Complex (the "BMX Facility") and the surrounding property further described on Exhibit A of the Lease Agreement, for the City of Isanti and the Rum River BMX Association are defined below.

City of Isanti Responsibilities

1) The City will be responsible for stocking supplies, cleaning and maintenance of the South side restrooms within the BMX Facility which shall also be open to the public during such hours as the City may specify.
2) The City agrees to plow the public parking lot directly west of the BMX Facility during park hours and for BMX events when the snow is in accumulation of 3" or more.
3) The City will be responsible for all general and cleaning maintenance of the warming house on the South side of the BMX Facility.
4) The City will be responsible for all mowing, fertilizing and maintenance of the grassy area located outside the BMX Facility, as depicted on Exhibit A of the Lease Agreement.

Rum River BMX Association Responsibilities

1) The Rum River BMX Association agrees to sole responsibility for the maintenance of all aspects of the BMX Facility, excluding structural and mechanical items relating to the building structure, and will keep it in good condition, reasonable wear and tear and damage by fire and the elements excepted.
2) Rum River BMX Association will keep the BMX Facility in an orderly, clean and sanitary condition as required by applicable laws and ordinances.
3) Rum River BMX Association will keep the exterior landscaping of the BMX Facility, including but not limited to flowers, shrubbery, decorative rock and woodchips, orderly and maintained as acceptable to the City.
4) Rum River BMX Association will be responsible for janitorial services for the North side restrooms of the BMX Facility and will keep them in a clean, sanitary condition with routine regular cleanings and such additional cleanings and maintenance as needed.
5) Rum River BMX Association will be responsible for stocking supplies to the North side restrooms of the BMX Facility.
6) Rum River BMX Association will be responsible for snow removal, including but not limited to shoveling the sidewalks, entry way and paths, of the BMX Facility excluding the public parking lot.
7) Rum River BMX Association will be responsible for all garbage removal and other general maintenance of the BMX Facility and the surrounding property further described on Exhibit A of the Lease Agreement including but not limited to garbage or trash found outside of receptacles on the above described property.
8) Rum River BMX Association will be responsible for all cleaning maintenance, stocking of supplies and general maintenance of the concession stand on North side of BMX Facility.

9) Rum River BMX Association agrees to securely lock the interior locks of the South side restrooms of the BMX Facility each day from the hours of 10:00 p.m. to 7:00 a.m. unless otherwise directed by the City.
10) Rum River BMX Association will be responsible for all interior maintenance of the BMX Facility associated with the track including but not limited to track repairs, mowing of turf, and turf repairs.
11) All necessary equipment for track maintenance and/or operation and all storage of such equipment shall be the sole responsibility of the Rum River BMX Association.

Site Improvements

1. No improvements to the site shall be made by Rum River BMX Association without written consent by the City of Isanti. Improvements to the BMX track can be made without the consent of the City of Isanti provided the improvements meet Isanti City Code of Ordinances, City Zoning Ordinances and applicable state or federal laws.
2. All signs, whether temporary or permanent, shall require City approval, in accordance with the Zoning Ordinance. Sponsorship signs located on the inside of the BMX fencing facing the track and temporary welcome signs located inside the area of the BMX indoor facility are exempt from this provision. The City reserves the right to remove signs deemed inappropriate by the City Council. All signs visible from the outside of the building shall be subject to prior written approval of the City of Isanti. Naming rights for the facility and exterior signage placed by the City of Isanti on the outside of the building are the sole property and responsibility of the City of Isanti
3. Notwithstanding any other provisions in the agreement to the contrary the City reserves the right to utilize and/or regulate the use of all, or any part of parking lot located on the Premises at any time for any purposes it deems appropriate. Rum River BMX Association shall not plow or maintain the parking lot unless written consent is given from the City of Isanti.

Request for City Council Action

To: Mayor Wimmer and City Council Members

From: Sean M. Sullivan, Economic Development Director

Date: September 20, 2016

Subject: **Consider Amendments to City Code and Fee Schedule – Removal of Collector Street Fee**

Background:

City Staff, Northland Securities and DOAC have reviewed the history and finances relating to the Collector Street Fee. This review indicates that all debt service obligations set forth in the 2005A Bonds, which was the reason the Collector Street Fee was implemented, have been satisfied. Removal of this fee has the potential to encourage future economic development in the City of Isanti.

Attached is a draft Ordinance Amendment for City Code Chapter 160, Fees, and a proposed Resolution with the terminology deletion, as outlined below:

~~**Collector Street Fee**~~ ~~**$9,000.00/Usable Acre in Area in NE quadrant of CSAH 5 and TH 65**~~

DOAC Recommendation:

DOAC met on September 6, 2016 and the recommendation was to eliminate the Collector Street Fee

Request for Action:

a.) Consider adoption of Ordinance No ___ AN ORDINANCE AMENDING THE CODE OF THE CITY OF ISANTI CHAPTER 160 FEES
b.) Consider adoption of Resolution 2016-___ A RESOLUTION ADOPTING FEES WITHIN THE CITY OF ISANTI

Attachments:

1) Consider adoption of Ordinance No ___ AN ORDINANCE AMENDING THE CODE OF THE CITY OF ISANTI CHAPTER 160 FEES
2) Consider adoption of Resolution 2016-___ A RESOLUTION ADOPTING FEES WITHIN THE CITY OF ISANTI

ORDINANCE NO. _____

AN ORDINANCE AMENDING THE CODE OF THE CITY OF ISANTI CHAPTER 160 FEES

THE CITY COUNCIL OF THE CITY OF ISANTI DOES ORDAIN:

I. **Section 160-2. Enumeration of fees – of Chapter 160, of the Code of the City of Isanti is hereby amended to add or delete from the text of Section 160-2 as follows:**

DELETE

Street Department
~~Collector Street Fee - $9,000 / Usable Acre in Area in NE quadrant of CSAH 5 and TH 65~~

II. **EFFECTIVE DATE.**
This ordinance shall take effect upon its adoption and publication in the City's Official Newspaper.

Adopted by the City Council, this 20th day of September, 2016.

RESOLUTION NO. 2016-___

A RESOLUTION ADOPTING FEES WITHIN THE CITY OF ISANTI

WHEREAS, the City Council by Ordinance sets forth a fee table for the City of Isanti; and

WHEREAS, the City Council has determined that it is in the best interest of the residents of the City that all fees within the City are established by resolution; and

WHEREAS, these fees are fair, reasonable, and proportionate to the actual cost of the service for which the fee is imposed in accordance with Minnesota Administrative Rules 1300.0160; and

WHEREAS, The Collector Street Fee was created to assist in payment of the debt service of the 2005A Bonds that included the construction of street, sewer and water infrastructure in the Northeast Quadrant of Hwy 65 and Heritage Blvd; and

WHEREAS, the Collector Street Fee first appeared in the City Fee Schedule through Ordinance 355 in 2006 and the fee has been amended from time to time; and

WHEREAS, Resolution 2007-303 dedicated future revenues from the Collector Street Fee to be allocated to Sewer (55%) and Water (45%) to assist in the payment of the debt service associated with the 2005A Bonds; and

WHEREAS, All of the debt service associated with the issuance of the 2005A Bonds is retired and there are no outstanding obligations for said bonds; and

WHEREAS, There are a few existing development agreements that reference the Street Collector Fee and an obligation to pay by the Developer upon platting of the property; and

WHEREAS, the following fee schedule shall be effective September 20, 2016.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota

1. Set forth the following fee schedule:

Request for City Council Direction

To: Mayor Wimmer and City Council Members

From: Sean M. Sullivan, Economic Development Director

Date: September 20, 2016

Subject: **Consider Resolution for Submittal of 2016 Comprehensive Economic Development Strategy (CEDS) to East Central Regional Development Commission (ECRDC)**

Background:

Please find the 2016 CEDS Survey Update completed by City Staff and reviewed by the EDA. Updates were made to the demographic information and narratives and the Medical Clinic was removed. The projects identified for the 2016 CEDS include: 1) Rail Served Industrial Park, 2) Downtown Redevelopment, 3) Mechanized Sewer Treatment Plant Upgrade and 4) Hotel. The purpose of the CEDS Survey is to identify Economic Development priorities that could qualify for EDA funding and it serves as an internal planning document. If there are additional projects that the City Council feels should be added it should be conveyed to Staff before submittal to the ECRDC. The survey needs to be returned to the ECRDC by September 22, 2005.

City of Isanti EDA Recommendation:

Motion to recommend to the City Council the submittal of attached 2016 CEDS was made by EDA on September 6, 2016.

Staff Request for Action:

Staff is looking for a motion to approve, deny or amend the Resolution 2016-_____ Authorizing Submittal of 2016 Comprehensive Economic Development Strategy (CEDS) Survey to East Central Regional Development Commission (ECRDC).

Attachments:

1) Resolution 2016-_____ Authorizing Submittal of 2016 Comprehensive Economic Development Strategy (CEDS) Survey to East Central Regional Development Commission (ECRDC).

RESOLUTION 2016-___

AUTHORIZING SUBMITTAL OF 2016 COMPREHENSIVE ECONOMIC DEVELOPMENT STRATEGY (CEDS) TO EAST CENTRAL REGIONAL DEVELOPMENT COMMISSION (ECRDC)

WHEREAS, CEDS is a survey submitted to cities in the region to identify priority projects; and

WHEREAS, projects not identified in the CEDS survey are not eligible to apply for federal EDA funds; and

WHEREAS, a 1) Rail Served Industrial Park, 2) Downtown Redevelopment, 3) Mechanized Sewer Treatment Plant Upgrade and 4) Hotel have been identified as economic development priorities by the City Council; and

WHEREAS, the deadline for submittal of the 2016 CEDS survey is September 22, 2016.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota authorize City staff to submit the 2016 CEDS survey attached hereto to the ECRDC.

This resolution was duly adopted by the Isanti City Council this 20th day of September 2016.

Person completing survey: Sean Sullivan, Economic Development Director

I. Project Description:

Please provide a description of each of your projects prioritized below, with Project 1 being the highest priority project, and Project 5 being lowest. Please be as specific as you can with your description, including how projects will benefit your community, the region, labor force, etc. Please also include who the major beneficiaries of the project are, the estimated cost, where you are at in the planning process, and any other information you would deem beneficial when advocating for the project.

Project 1:

City of Isanti Rail Served Industrial Park/Rail Siding/Spur

The City of Isanti began its work on developing a rail served industrial park in 2006. The City of Isanti and the City of Cambridge discussed a joint rail park between the two communities and funded a consultant to advise the communities on rail locations. The study was completed and passed on to Isanti County. Isanti County contracted consultants Janna King and Michelle Keller to assist with identifying locations of a potential rail park within Isanti County. Based on initial consultations with King and Keller, it was determined that an industry expert be hired to conduct a formal feasibility / market study. The City of Isanti site was one of the three sites identified. Charles McSwain Consulting was contracted by Isanti County to further research the feasibility of rail sites within Isanti County. The results of the research identified the site in the City of Isanti as the most financially feasible site in Isanti County. Current market conditions don't warrant the construction of the site in preparation of imminent development; however, the improving economic conditions may eventually drive its construction. In the event a catalyst

project was to come forth, incremental development of the park would be economically viable. The main costs associated with the Rail Industrial Park are the switches, siding, and spurs necessary.

Ever Cat Fuels constructed a bio-diesel manufacturing plant within Isanti and desires to have the ability to receive and ship its products by rail in the future. This project was opened in 2008 and serves as a model for bio-diesel fuel production in the country. Ever Cat Fuels would be a beneficiary of the rail served industrial park and may contribute financially to its development. A regional industrial rail park has the potential to bring in new businesses, industry, and well-paying jobs to the City of Isanti, which would benefit the entire region.

A rail served industrial park will assist businesses with costs associated with shipping and receiving via rail. The impact of a rail served industrial park is believed to extend beyond the Region 7E boundaries as businesses in adjoining counties use the spur to decrease their shipping costs.

The City of Isanti owns the land proposed for the rail served industrial park. There is the potential for acquisition of adjacent land to expand the proposed rail served industrial park site. BNSF has confirmed that the proposed site in the City of Isanti is large enough for a rail siding and the preliminary design has been approved by BNSF. The City Engineer has developed some preliminary design concepts for the park and associated infrastructure. More work needs to be completed and these concepts need to be further refined and developed to achieve maximum efficiency. The City is seeking funding for engineering and environmental studies of the park, spur, rail switches, rail lines and interior roads to access the park.

Isanti City and County residents have long commute times to their jobs outside of the community. According to the US Census, the average Isanti commute is 33.2 minutes, which is 10 minutes longer than the average commute in Minnesota. Many workers from Isanti are commuting farther in order to find well-paying jobs to support their families. The time and cost of the commute takes away from the family and the community. Reducing commute times and creating well-paying jobs within the City of Isanti and Isanti County is important to the strength of the region. The rails served industrial park would greatly assist with job development in the City of Isanti and Isanti County.

Project 2:

City of Isanti Downtown Redevelopment.

A successful historic downtown is important to the success of the entire City of Isanti. The City has upgraded Main Street with new pavement, infrastructure, lighting and banners. The Isanti City Hall was constructed in Historic Downtown Isanti as a way to energize the area and to provide some connectivity to other commercial development on Heritage Boulevard (CSAH 5). There is still redevelopment work to be done including the revitalization of existing buildings, and redevelopment of underutilized properties.

Main Street was the signature place to shop and have a business. The intent is to keep this area viable as a successful business district. The City has explored senior housing, market rate housing, and business expansions and relocations to spur downtown growth and redevelopment. In 2012, the City of Isanti partnered with the private sector to construct a downtown directional

sign to help generate commerce and the sign has been updated in 2016 to reflect changes in the occupant downtown. In 2016, there was only two vacant buildings (Former Chamber office and 100 Dahlin), on historic Main Street. The City acquired 100 Dahlin and is in the process of demolishing the building on site and redeveloping the site.

The City has incorporated a Transit Multi-Modal Facility into the comprehensive plan and is noted as an important tool for the growth of the downtown and to assist our citizens in their daily long commutes to their jobs. Passenger rail, light rail, commuter rail and park & ride facilities have been a focus of discussion in Isanti County. The City of Isanti supports a rail stop within our community but understands that station locations are limited. It was determined that Isanti could support a commuter bus. To begin bus service the annual cost would be approximately $50,000 based on estimated ridership.

In 2013, the City of Isanti re-established a number of events and meetings to get more focus and involvement in historical downtown Isanti and they continue to be successful. The City EDA opened and operated a successful Farmer's Market at Eagle Park in downtown Isanti in 2013 and hosted two street dances. The City now has three street dances annually as they have proven to be very popular and great community building events. A full time Park and Events Coordinator position was created in 2014 to manage these events and to staff the Park and Recreation and Culture Board activities. Area businesses, the local Chamber of Commerce, and City Officials plan to meet to discuss issues pertinent to downtown Isanti and the community as a whole. The Isanti and Cambridge Area Chambers of Commerce are in the process of merged and the organization now is called the North 65 Chamber of Commerce. The office is located at 2 Enterprise in the City of Isanti.

The City, East Central Regional Library System, and the Friends of the Library have combined resources and opened a "Library Outreach Stop" at Isanti City Hall, as a step to providing local library services. This serves as another key draw to the downtown and City Hall.

Project 3:

Mechanized Sewer Treatment Plant Upgrade

The City of Isanti is a young and vibrant community with a 2016 population estimated to be 5,629 according to State Demographer information from 2016 and recent housing permits pulled. Over the past 3 years the City has seen 130 single family housing permits pulled. The average age of City of Isanti residents is 30 years and the median household income is $56,987. Isanti is also home to over 170 businesses and 1,750 employees. The City owns 24 Minnesota Shovel Ready Certified acres (4 lots) in the Isanti Industrial Complex Industrial Park and has an additional 137 acres of land set aside for more industrial development (Rail Served Industrial Park) and 32 developable acres just north of the existing industrial park. Prior to the Great Recession, Isanti County was the second fastest growing county in the nation based on growth percentage and the increase of housing starts is promising.

Although it cannot be assumed Isanti will grow at the levels it did during the mid-2000's it a fairly safe assumption that it will continue to grow at a fairly rapid rate. As of September, 2016, there were 337 platted lots (230-SFR, 103 Multi-Family) with infrastructure in place ready for immediate development. In order to keep up with future capacity and more stringent state environmental standards relating to water quality and additional nutrient removal, the City plans

to make facility upgrades to make the current sewer treatment plant a fully mechanical facility within seven years. The capacity of the current system is 657,000 gallons per day. The estimated capacity of the new system is 850,000 plus gallons per day and will be constructed with a projected growth period of 20 years. Although the need is not immediate, it is imminent. Planning for the construction and identifying potential funding for this structure that will not overburden the taxpayer is important. Preliminary project estimates for the new plant are $10 million dollars, which includes reuse equipment the City already owns. In order to continue to grow smartly, maintain its place as a center of commerce, serve as a regional center for events, and be a great place for people to live, a new Mechanical Sewer Treatment Plant will need to be constructed.

Project 4:

Hotel.

The City of Isanti is home to many annual events and sport teams. Isanti Jubilee / PRCA Pro Rodeo, David C Johnson Civic Arena, the Isanti Soccer Complex, and the Minnesota State Soccer Cup have brought several people to the City of Isanti in past years. Isanti is home to the 2011 Class C State Champion Redbirds which have moved up to Class B and are very competitive. A 75,000 square foot indoor BMX Arena, name Isanti Indoor Arena – Home of Rum River BMX was constructed in 2015 and has been hugely successful bringing 80,000 participants/spectators to the City of Isanti annually. The indoor BMX arena is the only project of its kind in the nation and is a bona-fide draw regionally and nationally. Financing for this project was done through City issued Tax Abatement bonds and participation by the Initiative Foundation. The City has entered into a 40 year lease with the Rum River BMX Association to operate the second best track in the United States. Based on these demand generators, their impact, and the fact that the closest, hotel to Isanti is located in Cambridge, a regional hotel market study was warranted and completed in 2016.

The City of Isanti contracted with IDM to update a 2014 Tourism Impact Analysis Project Feasibility Study for the Isanti market in 2016. The findings of this study indicated a market for an 80 room hotel in this area. City Officials have been working on a 33-49 unit hotel with an indoor pool concept that would allow visitors to city attractions/events to stay and shop in Isanti and provide a venue for city residents to utilize. Estimated project costs for the 49 unit building are $4 million dollars. This would also allow for the Civic Ice Irena, Isanti Soccer Complex, Isanti Indoor Arena – Home of Rum River BMX and other athletic facilities to hold more tournaments and events which would also increase commerce within the region.

Isanti is home to Evercat Fuels which is a cutting edge biodiesel pilot plant used to demonstrate the environmentally friendly process used to manufacture biodiesel. This facility employs nearly thirty employees and provides living wage jobs. Many out of town visitors come to see this pilot plant to learn about the processes involved with a new renewable energy source. Currently these visitors are forced to stay out of town or make a "day-trip" to Minnesota to visit Evercat. There are many other flourishing businesses including Advanced Telemetry Systems, ISD 911, SnoBear USA and Metal Coatings and Manufacturing that also help generate local demand for a hotel. Locating a hotel in Isanti, or this region, would help bring more jobs, commerce, investment, and modern amenities to Isanti County.

II. Based on the projects you listed, please answer the following project benefits: (place a check for primary project benefits)

Project No.	#1	#2	#3	#4
Job Creation	X	X	X	X
Job Retention		X		
Livable Wages	X	X		X
Public Facilities	X		X	
Housing		X	X	
Social / Recreational		X	X	X
Downtown Revitalization / Renovation		X		
Other	X	X		X

If other, please explain:

Rail: Diversification of industrial businesses.

Transportation alternative for industrial businesses to transport materials and goods to and from their location.

Downtown: Redevelopment of our downtown to bring additional business and services to our community.

Economic Growth Corridor for possible commuter rail / light rail / passenger rail / park & ride depot location.

Hotel: Synergy between sporting venues and the Isanti Indoor Arena – Home of Rum River BMX will increase exposure for the City of Isanti and increase commerce.

III. Population to Benefit:

Downtown: Tax Abatement, City of Isanti Revolving Loan Fund

Hotel: Tax Abatement, City Financing

IX. Community Tools

Who are your community's go-to persons for economic development/business rapid response?

1) Economic Development Director Sean Sullivan
   Phone: 763.444.5512 Ext. 111, ssullivan@cityofisanti.us

2) Don Lorsung, City Administrator
   Phone: 763.444.5512 Ext. 117, dlorsung@cityofisanti.us

3) Development Advisory Committee (Current Members – Annual Appointment)

   Mayor George Wimmer
   Phone: 763.442.8749, George@GeorgeWimmer.com

   Councilmember Ross Lorinser
   Phone: 763.587.3841, ross.lorinser@gmail.com

Industrial Parks

Name of industrial park and location:

Centennial Industrial Park. North side of the City of Isanti. East of the BNSF railroad tracks. West of TH 65. South of Cajima St (road in Isanti).

Size of industrial park: 62.00 acres approximate buildable

Acres available in industrial park: 24.00 acres approximate buildable

Asking price for industrial park land (per acre): $1 (if they meet City requirements)

Infrastructure in place at industrial park (please check all that apply):

Roads:	X	Water:	X	Sewer:	X
Storm Sewer:	X	Telecom.	X	Fiber Optics:	X

Are there any plans for expansion of the existing industrial park or create a new industrial park?

Yes: X No:

Please explain: A rail served industrial park, which would expand our current industrial park, is the City's number one CEDS request. In addition, there are 32 acres adjacent and to the north of the existing industrial park that could serve for expansion of the existing park. There is no timetable for either project.

Total daily water capacity: 1,584,000 gallons. Available daily water capacity: 1,584,000 gallons

Total daily sewer capacity: 576,000 gallons. Available daily sewer capacity: 576,000 gallons

Loan Funds

City Revolving Loan Fund – Yes

Asset Base - $42,969 Available September 2016

Source – City Funds and State MIF Loan Repayment (20%)

X. Other Information Requested:

What do you believe is the greatest obstacle to the Economic Development of the community or area served by your organization?

Rank from 1 to 5 with 1 being the greatest obstacle.

Adequate housing	____
Inadequate Infrastructure	____
Inadequately trained labor force	5
Lack of agency staff	____
Lack of capital	1
Lack of development plan	____
Lack of labor force	2
Lack of sites for development	____
Lack of transportation	3
Other	4

If other, please explain: The foreclosure crisis and uncertainty for costs for transportation, energy and goods and services. Isanti has fully recovered from the foreclosure crisis of 2009-2013. However, there are still some reservations as to re-investing in Isanti as many past investors were hurt financially by the sudden decline in economic activity in Isanti due to the Great Recession. Fuel costs have been trending lower, but historically they have been rather volatile. Gas prices are averaging $2.20 in the area now but the days of $4.00 gas are not out of recent memories for people and businesses looking to move to Isanti. Until we have some stability for an extended period of time there will be reservations by potential investors in Isanti. In addition, the cost of construction of new buildings far exceeds the price of acquiring exiting buildings. Vacant Building inventory continues to decline in Isanti and regionally but this serves as a barrier to new building construction in the industrial sector.

Thank you for taking the time to complete this survey.

A Community For Generations.

Isanti

MEMO

To: **Mayor Wimmer and City Council Members**
From: Lindsey McInnis, Human Resources/ City Clerk
Date: September 14, 2016
Subject: FLSA Regulation Change for Exempt Employees

Background:
On May 18, 2016 the Department of Labor made final ruling updating the overtime regulations, which will automatically extend overtime pay protections to as many as 4 million workers in the first year of implementation. The key provision that will affect the City of Isanti is that the standard salary level has increased from $455 per week to $913 per week. Or, essentially has made it so that an exempt employee must earn a minimum of $47,476 annually. This new provision goes into effect on December 1, 2016. Future automatic updates to salaried employees will occur every three years, beginning on January 1, 2020.

Impact to City:
This change impacts one exempt position, Community Events/Parks Coordinator, which is currently held by Katie Everett. Katie is currently salaried at Step 1 of the pay scale, earning $43,404.[98]. Her next step increase is not until April 6, 2017. At that time, she will move to Step 2 which according to our planned 2017 pay scale is $46,004. [41]. Even with this bump, she will not meet the required minimum pay.

Recommendation:
The Personnel Committee discussed options as to how to keep this position in compliance as of December 1st when the new FLSA law goes into effect. The Personnel Committee recommends increasing the Community Events/Parks Coordinator pay to the FLSA minimum of $47,476 effective 12/1/2016, and then at her anniversary date 4/6/2017 she would be bumped to Step 3 of the pay scale which would place her over the required FLSA threshold. This would further mean that on January 1, 2017 Ms. Everett would not be eligible for a COLA increase, as her new rate would have exceeded that COLA amount.

- Resolution 2016-XXX – Resolution Approving the Increase of Community Events/Parks Coordinator Pay to Meet New FLSA Minimum Requirements

RESOLUTION NO. 2016-XXX

RESOLUTION APPROVING THE INCREASE OF COMMUNITY EVENTS/PARKS COORDINATOR PAY TO MEET THE NEW FLSA MINIMUM REQUIREMENTS

WHEREAS, the Department of Labor made final ruling updating the overtime regulations on May 18, 2016; and,

WHEREAS, the key provision that will affect the City of Isanti is that the standard salary level has increased from $455 per week to $913 per week effective December 1, 2016; and,

WHEREAS, this provision affects one position which is the Community Events/Parks Coordinator position, currently held by Katie Everett; and,

WHEREAS, the Personnel Committee reviewed this matter and recommends increasing Ms. Everett's pay to the FLSA minimum of $47,476 effective December 1, 2016; and

WHEREAS, the Personnel Committee further recommends moving Ms. Everett to Step 3 of the pay scale upon successful completion of a performance appraisal on her anniversary date, April 6, 2017; and,

NOW THEREFORE BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ISANTI, MINNESOTA AS FOLLOWS:

1. That Community Events/Parks Coordinator annual salary will increase to $47,476 effective December 1, 2016
2. Ms. Everett will not be eligible for a COLA increase on January 1, 2017
3. That upon successful completion of a performance appraisal, Ms. Everett be placed at Step 3 of the pay scale on her anniversary date of April 6, 2017.
4. Human Resources and the City Administrator are authorized to complete all required documentation for the completion of this pay change.

This resolution was duly adopted by the Isanti City Council this 20th day of September, 2016.

Request for City Council Action

To: **Mayor Wimmer and City Council Members**

From: Chief Gene C. Hill **MEMO**

Date: September 6, 2016

Subject: Policy Update - Automated License Plate Reader Policy

Background:
City Attorney Clark Joslin and I have reviewed the proposed policy due to legislative updates and have recommended the policy be updated as presented. A minor change was made removing a paragraph from the policy

Action:
I am requesting that the City Council review, consider and approve the updated policy as it is written in regards to regulating access, operation and data retention requirements of the ALPR.

RESOLUTION NO. 2016-_____

RESOLUTION AUTHORIZING THE WRITTEN POLICY UPDATE FOR THE AUTOMATED LICENSE PLATE READER (ALPR) EQUIPMENT

WHEREAS, the Isanti City Council had approved and ALPR Policy in 2015; and

WHEREAS, the 2015 Minnesota Legislative Session had some policy language that was to expired as of August 1, 2015; and

WHEREAS, City Attorney Clark Joslin and the Chief of Police reviewed the policy and made the necessary deletions to bring the ALPR Policy current with legislative changes.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to authorize and accept the proposed updated policy #184 as it is written to be the Isanti Police Departments ALPR Policy governing it use within the department and in accordance to federal and state law.

This resolution was duly adopted by the Isanti City Council this 20th day of September, 2016.

ISANTI POLICE DEPARTMENT
DEPARTMENT MANUAL
Automated License Plate Readers (ALPRS)

GENERAL ORDER: No. 184

EFFECTIVE DATE: October 21, 2015
DATE OF ISSUANCE: October 21, 2015
REVISION DATE: September 21, 2016
RE-EVALUATION DATE: Yearly

184.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidance for the capture, storage and use of digital data obtained through the use of Automated License Plate Reader (ALPR) technology (Minn. Stat. § 626.8472).

184.1.1 DEFINITIONS

a. Automated License Plate Reader (ALPR): A device that uses infrared cameras to scan license plate data of moving and stationary vehicles. This data is then compared to a downloaded "hotlist" to identify license plates associated with certain unlawful acts.
b. Hotlist: A downloadable list of stolen vehicles and license plates, suspended or revoked licenses and registrations as well as any other unlawful activity information. This information is provided by the Minnesota Department of Public Safety's Driver and Vehicle Services (DVS) Division. National Crime Information Center (NCIC), and the Bureau of Criminal Apprehension (BCA).
c. Alert: An alert is generated when the Automated License plate Reader identifies license plates that have the possibility of matching information on the hotlist.

184.2 ADMINISTRATION

The ALPR technology, also known as License Plate Recognition (LPR), allows for the automated detection of license plates. It is used by the Isanti Police Department to convert data associated with vehicle license plates for official law enforcement purposes, including identifying stolen or wanted vehicles, stolen license plates and missing persons. It may also be used to gather information related to active warrants, homeland security, electronic surveillance, suspect interdiction and stolen property recovery.

All installation and maintenance of ALPR equipment, as well as ALPR data retention and access, shall be managed by the Chief of Police or their designee. The Chief of Police or their designee will assign members under their command to administer the day-to-day operation of the ALPR equipment and data.

184.3 OPERATIONS

Use of an ALPR is restricted to the purposes outlined below. Office members shall not use, or allow others to use, the equipment or database records for any unauthorized purpose.

a. An ALPR shall only be used for official law enforcement business.
b. An ALPR may be used in conjunction with any routine patrol operation or criminal investigation. Reasonable suspicion or probable cause is not necessary before using an ALPR.
c. While an ALPR may be used to canvass license plates around any crime scene, particular consideration should be given to using ALPR-equipped cars to canvass areas around homicides, shootings and other major incidents.
d. No member of this office shall operate ALPR equipment or access ALPR data without first completing office-approved training.
e. No ALPR operator may access confidential office, state or federal data unless authorized to do so.
f. If practicable, the officer should verify an ALPR response through the Minnesota Justice Information Services (MNJIS) and National Law Enforcement Telecommunications System (NLETS) databases before taking enforcement action that is based solely upon an ALPR alert.

184.3.1 LIMITATIONS OF THE ALPR

a. Because the ALPR is not connected to a "real-time" database, but rather a downloadable file, the data on the ALPR may be outdated. As such, it is imperative for Officers to independently confirm all alerts prior to initiating a traffic stop.
    1. The hotlist is a scheduled task on the ALPR, set up on the server to load twice daily. Officers should upload the latest hotlist prior to use of the device.
b. The ALPR may generate a false-positive alert in certain instances, such as if another state's license plate number matches the numbers of a Minnesota license plate on the hotlist.

184.3.2 PROCEDURES

a. Receiving an Alert
    1. When the ALPR detects a hotlist entry, an audible alert and visual notification will be generated.
    2. An alert shall not be used on its own as reasonable suspicion or probable cause for a traffic stop or enforcement contact. Contact with the vehicle and occupants may only be made after the alert is confirmed by matching both the vehicle and driver/occupant information with the hotlist description and verifying information through appropriate means such as the Communications Center, MDC, CJIS, originating agency, etc.
b. Daily Use Log
    1. Complete a LPR Daily Use Log to detail the number of plate reads, alerts, stops, arrests and citations issued as a result of the ALPR. Also delineate and equipment

problems or significant arrests generated from an ALPR in the notes section. Offices will submit their Daily Use Logs to the Chief of Police or their designee.

184.3.3 RESTRICTIONS, NOTIFICATIONS AND AUDITS

The Isanti Police Department will observe the following guidelines regarding ALPR use (Minn. Stat. § 13.824):

a. Data collected by an ALPR will be limited to:
    1. License plate numbers.
    2. Date, time and location of data captured.
    3. Pictures of license plates, vehicles and areas surrounding the vehicle captured.
b. ALPR data may only be matched with the Minnesota license plate data file, unless additional sources are needed for an active criminal investigation.
c. ALPRs shall not be used to monitor or track an individual unless done so under a search warrant or because of exigent circumstances.
d. The Bureau of Criminal Apprehension shall be notified within 10 days of any installation or use and of any fixed location of an ALPR.

184.4 DATA COLLECTION AND RETENTION

The Chief of Police or their designee is responsible for ensuring systems and processes are in place for the proper collection and retention of ALPR data. Data will be transferred from vehicles to the designated storage in accordance with office procedures.

ALPR data received from another agency shall be maintained securely and released in the same manner as ALPR data collected by this office (Minn. Stat. § 13.824).

ALPR data not related to an active criminal investigation must be destroyed no later than 60 days from the date of collection with the following exceptions (Minn. Stat. § 13.824):

a. Exculpatory evidence - Data must be retained until a criminal matter is resolved if a written request is made from a person who is the subject of a criminal investigation asserting that ALPR data may be used as exculpatory evidence.
b. Address Confidentiality Program - Data related to a participant of the Address Confidentiality Program must be destroyed upon the written request of the participant. ALPR data already collected at the time of the request shall be destroyed and future related ALPR data must be destroyed at the time of collection. Destruction can be deferred if it relates to an active criminal investigation.

All other ALPR data should be retained in accordance with the established records retention schedule.

184.4.1 SAFE AT HOME PROGRAM

Safe at Home is a statewide address confidentiality program administered by the Office of the Minnesota Secretary of State and governed by Minnesota Statutes Chapter 5B, and Minnesota Rules Chapter 8290.

It was designed in collaboration with local victim service providers and law enforcement. This program became effective September 1, 2007 and is designed to help survivors of domestic violence, sexual assault, stalking, or others who fear for their safety maintain a confidential address.

The intent of Safe at Home is to allow its participants to go about their lives, interacting with public and private entities, without leaving traces of where they can typically be located, such as their residential address, a school address, or an employment address, in an attempt to keep their aggressor from locating them.

Because program participants use a PO Box address assigned to them, Safe at Home provides a mail forwarding service. Safe at Home forwards a participant's First Class Mail to them at their actual physical address. The actual physical address remains under security with the Safe at Home office. In addition to being the participant's agent to receive mail, the Office of the Minnesota Secretary of State is a participant's agent to receive service of process.

Any request for public data with regards to a vehicle registration captured on an ALPR that is duly designated as a Safe At Home registrant, those data requests should be reviewed closely to ensure that Safe at Home data is not being disclosed.

184.4.2 LOG OF USE

A public log of ALPR use will be maintained that includes (Minn. Stat. § 13.824):

a. Specific times of day that the ALPR collected data.
b. The aggregate number of vehicles or license plates on which data are collected for each period of active use and a list of all state and federal public databases with which the data were compared.
c. For each period of active use, the number of vehicles or license plates related to:
    1. A vehicle or license plate that has been stolen.
    2. A warrant for the arrest of the owner of the vehicle.
    3. An owner with a suspended or revoked driver's license or similar category.
    4. Active investigative data.
d. For an ALPR at a stationary or fixed location, the location at which the ALPR actively collected data and is installed and used.

A publicly accessible list of the current and previous locations, including dates at those locations, of any fixed ALPR or other surveillance devices with ALPR capability shall be maintained. The list may be kept from the public if the data is security information as provided in Minn. Stat. § 13.37, Subd. 2.

184.5 ACCOUNTABILITY

All saved data will be closely safeguarded and protected by both procedural and technological means. The Isanti Police Department will observe the following safeguards regarding access to and use of stored data (Minn. Stat. § 13.824; Minn. Stat. § 13.05):

a. All ALPR data downloaded to the mobile workstation and in storage shall be accessible only through a login/password-protected system capable of documenting all access of information by name, date and time.
b. Members approved to access ALPR data under these guidelines are permitted to access the data for legitimate law enforcement purposes only, such as when the data relate to a specific criminal investigation or office-related civil or administrative action.
c. Biennial audits and reports shall be completed pursuant to Minn. Stat. § 13.824, Subd. 6.
d. Breaches of personal data are addressed as set forth in the Protected Information Policy (Minn. Stat. § 13.055).
e. All queries and responses, and all actions, in which data are entered, updated, accessed, shared or disseminated, must be recorded in a data audit trail.
f. Any member who violates Minn. Stat. § 13.09 through the unauthorized acquisition or use of ALPR data will face discipline and possible criminal prosecution (Minn. Stat. § 626.8472).

184.6 POLICY

The policy of the Isanti Police Department is to utilize ALPR technology to capture and store digital license plate data and images while recognizing the established privacy rights of the public.

All data and images gathered by the ALPR are for the official use of this office. Because such data may contain confidential information, it is not open to public review.

184.7 RELEASING ALPR DATA

The ALPR data may be shared only with other law enforcement or prosecutorial agencies for official law enforcement purposes or as otherwise permitted by law, using the following procedures (Minn. Stat. § 13.824):

a. The agency makes a written request for the ALPR data that includes:
    1. The name of the agency.
    2. The name of the person requesting.
    3. The intended purpose of obtaining the information.
    4. A record of the factual basis for the access and any associated case number, complaint or incident that is the basis for the access.
    5. A statement that the request is authorized by the head of the requesting law enforcement agency or his/her designee.
b. The request is reviewed by the Chief of Police or the authorized designee and approved before the request is fulfilled.

1. A release must be based on a reasonable suspicion that the data is pertinent to an active criminal investigation.

c. The approved request is retained on file.

Requests for ALPR data by non-law enforcement or non-prosecutorial agencies will be processed as provided in the Records Maintenance and Release Policy.

Request for City Council Action

To: **Mayor Wimmer and City Council Members**

From: Chief Gene C. Hill **MEMO**

Date: September 6, 2016

Subject: Joint Powers Agreement / Automated License Plate Reader (ALPR) Acceptance

Background:

The City Council in December 2012 had authorized the Chief of Police to research and apply for a grant to obtain an Automated License Plate Reader (ALPR). Through the Federal Department of Commerce and in cooperation with Mille lacs County Sheriff's Office (MLCSO), this ALPR has been approved for distribution and installation our mid-shift car. The officers assigned to this vehicle I feel will use this tool to its full capacity.

ALPR's have been in the news a lot in the last few years because of data privacy. The Mn. legislature recently amended MN Chapter 13 to address the data collection for ALPR's to include its retention, data release and access to how the information can be used and by whom. The PD also has a current policy in place that addresses all the concerns to the recent law change. Because the data collected is stored on the regional server at the MLCSO, all data requests would be forwarded to their office and our staff time would be very limited. In speaking with Sheriff Lindgren, in the last three years, they have had only one data request.

Because this equipment is part of a regional ALPR System through MLCSO, the equipment technically is assigned to MLCSO and we are using their equipment through a Joint Powers Agreement (JPA), which I have an updated copy after review by City Attorney Joslin and the League of Minnesota Cities. Sheriff Lindgren has reviewed these minor language changes and has approved the changes via email for this JPA to move forward.

After much thought, I still would like to have this equipment installed and available here at the PD. I have spoken to several officers in which use the system actively in other departments. They feel that their detection of people that are wanted, suspended, revoked, cancelled and vehicle related items that are stolen; such as license plates and vehicles, has been enhanced. These are people we focus on now to make our community safer, I feel that this tool will aid us in detecting more individuals...making our community even safer.

If for some reason down the road we no longer want this equipment, the JPA allows us to return the equipment to MLCSO with a 30 day notice.

Action:
I am requesting that the City Council review, consider and accept the Joint Powers Agreement along with the Cooperative Law Enforcement Agreement Special Equipment Request & Use Addendum; to include authorization of the Chief of Police to have the authority to accept this equipment and sign for the equipment on behalf of the Isanti Police Department.

RESOLUTION NO. 2016-_____

RESOLUTION AUTHORIZING STAFF TO ALLOW THE EXECUTION OF THE JOINT POWERS AGREEMENT AND THE COOPERATIVE LAW ENFORCEMENT AGREEMENT SPECIAL EQUIPMENT REQUEST & USE ADDENDUM BETWEEN MILLE LACS COUNTY SHERIFF'S OFFICE AND THE ISANTI CITY POLICE DEPARTMENT

WHEREAS, the Isanti Police Department had the opportunity to apply for an Automated License Plate Reader (ALPR) Grant through the Federal Department of Commerce in 2012; and

WHEREAS, the Police Department makes use of grant opportunities to provide state of the art technology and equipment to better service the community; and

WHEREAS, the City of Isanti Police Department was selected to receive an ALPR for its use within the community in conjunction with the other regional law enforcement practices; and

WHEREAS, the specialized equipment is on loan through the Mille Lacs County Sheriff' Office who facilitates the regional ALPR Program in conjunction with the Department of Commerce; and

WHEREAS, in order to properly safe guard the City's interest, a Joint Powers Agreement and Addendum is necessary; and

WHEREAS, the agreement has been reviewed by the City Attorney and change recommendations have been incorporated into the existing agreement; and

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to authorize the following:

1. To allow the signing of the Joint Powers Agreement to include the Addendum of the specialized equipment (ALPR).

2. To have this equipment installed on a City owned vehicle within the police department.

This resolution was duly adopted by the Isanti City Council this 20th day of September, 2016.

LAW ENFORCEMENT MUTUAL AID AGREEMENT BETWEEN THE CITY OF ISANTI AND MILLE LACS COUNTY

Purpose

This agreement is made pursuant to MN. Stat. § 471.59 which authorizes the joint and cooperative exercise of powers common to contracting parties. The intent of this Agreement is to make equipment, personnel and other resources available to political subdivisions/"governmental units" from other political subdivisions/"governmental units" for law enforcement purposes including, but not limited to, detection, investigation, enforcement and emergency management services.

Definitions

Party – means a political subdivision or "governmental unit" as defined by MN. Stat. § 471.59, Subd. 1.

Requesting Official – means the person designated by a Party who is responsible for requesting assistance from the other Party

Requesting Party – means the party that requests assistance from other parties.

Responding Official – means the person designated by the party who is responsible to determine whether and to what extent that party should provide assistance to the Requesting Party

Responding Party – means a party that provides assistance to the Requesting party

Assistance Type – Law enforcement personnel and equipment.

1. Procedure

1.1 Request for Assistance: Immediate Response/Short Term

1.1.1 Request for Assistance. Whenever, in the opinion of a Requesting Party there is an immediate need for assistance from the other party, the Requesting Party may call upon the Responding Party for assistance.

1.1.2 Responding to Request. Upon the request for assistance from a Requesting Party, the Responding Party may authorize and direct personnel to provide assistance to the Requesting Party. This decision will be made after considering the needs of the Responding Party and the availability of other law enforcement personnel and equipment to the Responding Party.

1.1.3 Method. Whenever practical the Requesting Party shall request immediate assistance through the 911 Emergency Communications Operations Center and the Responding Party shall indicate its intended response using the same method.

1.1.4 Command of Scene. Except as provided in Section 1.1.4.1, the Requesting Party shall be in command of the mutual aid scene. The personnel and equipment of the Responding Party shall be under the direction and control of the Requesting Party until the Responding Official determines to withdraw assistance.

1.1.4.1 Specialized Forces and Specialized Equipment Request(s). When a Requesting Party requests the assistance of specialized forces from a Responding Party, such as a Tactical Command, Canine Units, Bomb Squads, Rescue Squad, etc., the personnel and/or equipment of the Responding Party shall be under the direction of the Responding Party

1.1.5 Recall of Assistance. The Responding Official may at any time recall assistance provided hereunder to the Requesting Party when in his or her best judgment or by an order from the governing body of the Responding Party, it is considered to be in the best interest of the Responding Party to recall or withdraw the assistance provided by it.

1.1.6 Release of Assistance. The Requesting Party may at any time advise the Responding Party that the assistance of the Responding Party is no longer needed. In such event the Responding Party shall withdraw its assistance at the earliest possible time that is safe for its personnel and equipment to withdraw.

1.2 Request for Assistance: Long Term

1.2.1 Request for Assistance. Whenever, in the opinion of a Requesting Official, there is need for assistance from the other party that will reasonably be expected to continue beyond (8) hours, the Requesting Official may call upon the Responding Official of any other party to furnish assistance.

1.2.2 Responding to Request. Upon the request for assistance from a Requesting Official on behalf of the Requesting Party, the Responding Official may authorize and direct his/her party's personnel to provide assistance to the Requesting Party. This decision will be made after considering the needs of the Responding Party and the availability of other law enforcement personnel and equipment to the Responding Party.

1.2.3 Method. A request for Long Term Assistance shall be made to the Responding Official and the Responding Official shall indicate the intended response of the Responding Party to the Requesting Official.

1.2.4 Recall of Assistance. The Responding Official may at any time recall such assistance when in his or her best judgment or by any order from the governing body of the Responding Party, is considered to be in the best interests of the Responding Party to do so.

1.2.5 Command of Scene. The Requesting Party shall be in command of the mutual aid scene. The personnel and equipment of the Responding Party shall be under the direction and control of the Requesting Party until the Responding Officer determines to withdraw assistance.

2. Worker's Compensation

Each party shall be responsible for injuries or death of its own personnel. Each party will maintain workers' compensation insurance or self-insurance coverage, covering its own personnel while they are providing assistance pursuant to this Agreement. Each party waives the right to sue any other party for any workers' compensation benefits to its own employee, volunteer or their dependents, even if the injuries were caused wholly or partially by the negligence of any other party or its officers, employees, or volunteers.

3. Damage to Equipment

Each party shall be responsible for damages to or loss of its own equipment. Each party waives the right to sue any other party for any damage to or loss of its equipment, even if the damages or losses were caused wholly or partially by the negligence of any other party of its officers, employees, or volunteers.

4. Liability

4.1 Requesting party Liable. For the purpose of the Minnesota Municipal Tort Liability Act (MN. Stat. Ch. § 466), the employees and officers of the Responding Party are deemed to be employees (as defined in MN. Stat. § 466.01, Subd. 6) of the Requesting party. This is specifically agreed and intended to be applicable to situations covered by Section 1.1.4.1 of this Agreement.

4.2 Indemnification and Defense. The Requesting Party agrees to defend and indemnify the Responding party against any claims brought or actions filed against the Responding Party or any other officer, employee, or volunteer of the Responding Party for damage or injury to, death of, or damage to the property of any third person or persons, arising from the performance and provisions of assistance in responding to a request for assistance by the Requesting Party pursuant to this Agreement, or arising from the use of any equipment provided to the Requesting Party by the Responding Party.

Under no circumstances, however, shall a party be required to pay on behalf of itself and other parties, any amounts in excess of the limits on liability established in Minnesota Statutes Chapter 466 applicable to any one party. The limits of liability for some of all of the parties may not be added together to determine the maximum amount of liability for any party.

The intent of this subdivision is to impose on each Requesting Party a limited duty to defend and indemnify a Responding Party for claims arising within the Requesting Party's jurisdiction subject to the limits of liability under Minnesota Statute Chapter 466. The purpose of creating this duty to defend and indemnify is to simplify the defense of claims against multiple defendants from a single occurrence to be defended by a single attorney or a single law firm.

4.3 No Liability. No party to this Agreement nor any officer, employee, agent or official of any Party shall be liable to any other Party or to any other person for failure of any Party to furnish assistance to any other Party, or for recalling assistance, both as described in this Agreement.

5. Charges to the Requesting party

5.1 No charges will be levied by a Responding Party to this Agreement for assistance rendered to the Requesting Party under the terms of this Agreement pursuant to Section 1.1 hereof except as provided in Section 4 hereof. If assistance is provided under this Agreement pursuant to Section 1.2 hereof, the Responding Party may submit to the Requesting Party an itemized bill for the actual costs of any assistance provided pursuant to Section 1.2 herein, including salaries, overtime, materials and supplies and other necessary expenses and the Requesting Party will pay the Responding Party providing the assistance that amount.

5.2 Such charges are not contingent upon the availability of federal or state government funds.

6. Duration

This Agreement will be in force until terminated by any Party hereto. Any Party may withdraw from this Agreement and terminate this Agreement with respect to it upon thirty-days (30) written notice to the other party or parties to the Agreement.

7. Execution

Each Party hereto has read, agreed to and executed this Mutual Aid Agreement on this date indicated.

8. Miscellaneous

This Agreement will be governed by the laws of the State of Minnesota.

This Agreement shall be construed as complementary to and not inconsistent with the provisions of MN Stat. Sect. 12.331, which authorizes inter-agency disaster assistance.

COOPERATIVE LAW ENFORCEMENT AGREEMENT
SPECIAL EQUIPMENT REQUEST & USE ADDENDUM
BETWEEN MILLE LACS COUNTY SHERIFF'S OFFICE AND THE ISANTI CITY POLICE DEPARTMENT

(1) Definitions:

(a) **Automated License Plate Reader (ALPR):** A device that uses infrared cameras to scan license plate data of moving and/or stationary vehicles. For purposes of this definition, "device" includes any related equipment including, but not limited to, wires, hinges and brackets along with any data generated including data collected from the device or any data generated after data is collected by the device and compared to any database used to identify license plates associated with certain unlawful acts.

(b) **Automated License Plate Reader (ALPR) Policy:** A policy adopted by a law enforcement agency governing the use of ALPR units, all associated equipment and any data generated from such use. Any policy dealing with the use of ALPR units, associated equipment and any data generated from such use must require the devices and data obtained be only used for official law enforcement purposes, including, but not limited to, identifying stolen or wanted vehicles, identifying stolen license plates and missing persons, gathering information related to active warrants, assisting in homeland security, providing or engaging in electronic surveillance, suspect interdiction and recovering stolen property. No policy which is inconsistent with the policies and procedures of the Mille Lacs County Sheriff's Office shall be deemed an ALPR policy.

(c) **Automated License Plate Reader (ALPR) Daily Use Log:** Document to be completed by a law enforcement agency listing the number of plates, alerts, stops, citations issued, and arrests made as a result of data collected by an ALPR unit. Document is also to delineate any equipment malfunctions. Documents are to be submitted to the head of any law enforcement entity, such as the Chief of Police or someone designated by the Chief of Police, and to the Mille Lacs Sheriff or designee on a daily basis. Documents are available by request from the Mille Lacs County Sheriff's Office. Any document not obtained from the Mille Lacs County Sheriff's Office must be approved as to form and content prior to submission by the City of Isanti Police Department.

(2) Agreement:

The City of Isanti Police Department is hereby making a long term equipment request under the Cooperative Agreement for one ALPR to be provided and installed by the Mille Lacs Sheriff's Office on the City of Isanti Police Department's Patrol Vehicle(s). The City of Isanti Police Department agrees it will not remove, reinstall, or otherwise transfer the ALPR to any other device, vehicle, or location without the written approval of the Mille Lacs Sheriff's Office.

Operation will permit connection to the Server Area Network (herein after SAN) for the Central Minnesota Auto Theft Prevention Program under the Mille Lacs County Sheriff's Office for connectivity to the BCA for LSAG through the ALPR that the Mille Lacs County Sheriff's Office owns to access data generated from the use of the ALPR. This agreement applies to all APLR devices used by the City of Isanti Police Department to access the SAN. No access to the SAN is permitted which is not consistent with the terms of this Agreement. Operation shall at all times be consistent with ALPR policy and

requires daily submission by the City of Isanti Police Department of an ALPR Daily Use Log to the Mille Lacs County Sheriff's Office.

Parties expressly acknowledge that any claims for damages, malfunctions, injuries or any harm to persons or property caused directly or indirectly as a result of such installation or removal shall be subject to any defenses, indemnification, or similar barriers against liability consistent with the terms of the existing Cooperative Law Enforcement Agreement. To comply with any obligation of the City of Isanti Police Department under this, or any similar indemnification provision contained in any Mutual Aid Agreement, it is recommended that the City of Isanti Police Department notify their insurance provider that the City of Isanti Police Department has made this request for long term assistance for specialized equipment and that there may be installation/uninstall -processes that will occur as a result of the request.

(3) Duration:

(a) City of Isanti Police Department - Should the City of Isanti Police Department wish to terminate this Agreement it agrees to provide 30 days written notice to the Mille Lacs County Sheriff's Office so it may make arrangements for return of the ALPR to the Mille Lacs Sheriff's Office.

(b) Mille Lacs Sheriff's Office - The Mille Lacs Sheriff's Office may recall assistance, including equipment, under the terms of any existing Law Enforcement Mutual Aid Agreement or Addendum. In addition to the reasons provided in such documents, misuse, non-use, improper use, or non-repair of an ALPR are expressly recognized as reasons the Mille Lacs Sheriff's Office would recall the assistance provided under this Addendum. Should the Mille Lacs County Sheriff's Office recall the assistance described herein the Mille Lacs County Sheriff's Office may remove ALPR devices, including any related equipment and data from the possession of the City of Isanti Police Department should the ALPR not be delivered to the ~~the~~ Mille Lacs Sheriff's Office.

(4) Miscellaneous:

All other terms and conditions of the existing Cooperative Law Enforcement Agreement remain in full force and effect.

Signed

MEMORANDUM

Date: September 12, 2016

To: Honorable Mayor Wimmer and Members of the City Council

From: Bradley C. DeWolf, P.E. BCD

Subject: Engineering Proposal for the 2017 Pavement Maintenance Project
City of Isanti, MN

Bolton & Menk, Inc. is pleased to present this proposal for professional engineering services for the 2017 Pavement Maintenance Project.

Our scope of work will include the following:

- Evaluate the scope of constructing the needed improvements to fit the budget created by the 2016 Franchise Fee
- Evaluate need for seal-coat vs mill & overlay
- Prepare figures describing the improvements
- Prepare construction plans and specifications
- Establish a Cost Estimate for the proposed improvements

Should the Council approve the Plans and Specifications, our scope also includes:

- Perform bidding and construction administration.
- Perform construction inspection.
- Perform final inspection and project close out.

We propose to complete the described scope of work for an hourly, not to exceed, fee of $39,500.

Thank you for the opportunity to present this proposal. Please contact me at (612) 756-1032 if you have any questions or need additional information.

Bolton & Menk is an equal opportunity employer.

RESOLUTION NO. 2016-____

A RESOLUTION APPROVING THE PROPOSAL FOR ENGINEERING SERVICES FOR THE 2017 PAVEMENT MANAGEMENT PROGRAM

WHEREAS, the City Council has adopted a Pavement Management Plan for streets and trails in the City of Isanti; and,

WHEREAS, Bolton & Menk have prepared a Proposal for Engineering Services for the 2017 Pavement Management Project; and,

WHEREAS, the Finance Committee has reviewed the Proposal and is recommending consideration of the Proposal for Engineering Services by the City Council:

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota as follows:

a. Hereby accepts Bolton and Menk's Proposal for Engineering Services for the 2017 Pavement Management Program.

b. Hereby approves the use of funding from franchise fees dedicated to pavement management program activities to pay for these services.

This resolution was duly adopted by the Isanti City Council this 20th day of September 2016.

MEMORANDUM

Date: September 12, 2016

To: Honorable Mayor Wimmer and Members of the City Council

From: Bradley C. DeWolf, P.E.

Subject: Engineering Proposal for the Palomino Road SE Reconstruction
Preliminary Engineering Report
City of Isanti, MN

Bolton & Menk, Inc. is pleased to present this proposal for professional engineering services for the preliminary engineering evaluation and preparation of a Preliminary Engineering Report for the Palomino Road SE Reconstruction Project.

The proposed project would reconstruct Palomino Road SE from Railroad Avenue SE to Trunk Highway 65. This street segment had the lowest rated pavement condition in the City. The Pavement Management Plan, adopted by the City, has this street segment scheduled for full reconstruction in 2017.

Our scope of work will include the following:

- Survey existing conditions
- Research existing right of way
- Establish a Cost Estimate for the proposed improvements
- Prepare a Preliminary Engineering Report discussing our findings
- Create figures to supplement the report
- Provide a recommendation as to the feasibility of the project

We propose to complete the described scope of work for an hourly, not to exceed, fee of $15,000.

Thank you for the opportunity to present this proposal. Please contact me at (612) 756-1032 if you have any questions or need additional information.

RESOLUTION NO. 2016-____

RESOLUTION ACCEPTING PROPOSAL TO PROVIDE PROFESSIONAL SERVICES FOR PREPARATION OF A PRELIMINARY ENGINEERING EVALUATION AND REPORT FOR THE 2017 PALOMINO ROAD SE RECONSTRUCTION IMPROVEMENT PROJECT

WHEREAS, the City's Pavement Management Plan has programmed projects for street improvements. These include street reconstruction improvement projects. Such projects may be part of the Municipal State Aid System and eligible for funding. Under City policy, the use of special assessments may also be included as a source of funding for reconstruction of streets. For 2017 the following project has been identified for consideration:

Palomino Road SE, from Trunk Highway 65 to Railroad Avenue SE; and

WHEREAS, Bolton & Menk, Inc. have submitted a proposal for professional services for the preparation of a Preliminary Engineering Evaluation and Report for the 2011 Reconstruction Improvement Projects as stated above:

WHEREAS, the Finance Committee has reviewed the Engineering Proposal for the Palomino Road SE Reconstruction Engineering Report and recommends it consideration by the City Council; and

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota as follows:

1. To hereby accept the proposal from Bolton & Menk, Inc. to provide professional services for the preparation of a Preliminary Engineering Evaluation and Report on Reconstruction of Palomino Road SE, as so described above on an hourly basis with a not-to-exceed cost of $15,000; said fees may be eligible for eventual state-aid reimbursement in proportion to the eligible/non-eligible state-aid costs. Non-eligible fees shall be reimbursed from project funds.

This resolution was duly approved by the Isanti City Council this 20th of September 2016.

Attest: _____
Mayor George A. Wimmer

City of Isanti
Economic Development Authority
Regular Meeting Minutes of
August 3, 2016
Isanti City Hall

1. Call to Order

The meeting was called to order by President Wimmer at 7:45 p.m.

a. Pledge of Allegiance

b. Roll Call

Commissioners Present: George Wimmer, Keith Dragisich, Ross Lorinser, Dan Collison, Paul Bergley, Steve Lundeen and Tara Hallberg

Commissioners Absent: None

Staff Present: Economic Development Director Sean Sullivan

c. Agenda Modifications

2. Approval of Agenda

Motion to approve Agenda as presented by Lundeen, second by Collison, motion carried unanimously.

3. Approve Minutes of July 5, 2016 Regular Economic Development Meeting

Motion by Lundeen second by Collison to approve the minutes for July 5, 2016. Motion carried unanimously.

4. Consider Recommendation to Declare Garage at 100 Dahlin as Surplus Property

Economic Development Director Sullivan highlighted the history of the project. He asked the EDA if they still wanted to declare the property as surplus property in light of quotes received for the demolition and asbestos removal.

Discussion ensued.

Motion by Collison second by Hallberg to recommend to the City Council to declare the garage located at 100 Dahlin as surplus property. Motion carried unanimously.

5. Review Quotes or Bags for Local Marketing Effort

Economic Development Director Sullivan give a brief summation of the request by the EDA to look into City of Isanti "Goodie Bags" for community events. He went of the various bag types, costs and potential insert items. He asked the EDA for further input.

President Wimmer suggested a larger program that potentially would include "Isanti Bucks" or more buy in / collaboration from local businesses. He indicated that the City program would include all businesses which could potentially be more beneficial that a chamber program due to the fact that not all businesses are chamber members. He cited the farmers market bags and the level of participation by local businesses. He wanted to stress consistency and the fact that the program would "be there" annually.

Commissioner Dragisich stated that we needed buy in from businesses. The bags are only as successful as the items that are in it and we need a good participation rate from businesses.

Member Lorinser stated he attends many events including 5K runs and the "goodie bags" have great items in them. We would hope for the some level of items in our bags.

Member Lundeen said he was in favor of high quality, potentially reusable bags.

Motion by Collison second by Bergley to research a City of Isanti Gift Bag. Motion carried unanimously.

6. Other Business / Updates / Communications

President Wimmer updated the EDA on the Coborn's appearance modification and that SnoBear USA was moving along nicely.

Sullivan handed out housing market information showing trends for and that that City of Isanti is a leader in many areas.

a. Business Prospects/Projects
b. GPS 45:93
c. EDAM
d. NLX Steering Committee Update
e. CGI
f. 100- 102 Dahlin
g. Housing Starts in 2016
h. Business Arrivals and Departures in Isanti 2016

7. Adjournment

Bergley motioned, seconded by Collison to adjourn at 8:00 pm. Motion carried unanimously.

Dated at Isanti, Minnesota, this 3rd day of August, 2016.

Respectively Submitted,

Sean M. Sullivan, Economic Development Director

CITY OF ISANTI
PLANNING COMMISSION
MEETING MINUTES
AUGUST 10, 2016

1. Meeting Opening.

A. Call to Order.

Duncan called the meeting to order at 7:00 p.m.

B. Pledge of Allegiance.

Everyone rose for the pledge of allegiance.

C. Roll Call.

Members Present: Jeff Duncan, Paul Bergley, Wayne Traver, Greg Cesafsky, and Jim Kennedy.

Members Absent: Steve Lundeen (prior notice given)

Staff Present: Community Development Director, Roxanne Achman

Others Present: None

D. Agenda Modifications.

Achman stated that item 3.B. has been withdrawn from the agenda. EverCat Fuels has decided to move their storage container into their existing outdoor storage area rather than expand the area to include the containers outside of it.

2. Approval of Minutes from July 12, 2016 Planning Commission Meeting.

Duncan questioned if there were any comments or changes to the minutes.

Motion by Bergley second by Traver to approve the July 12th, 2016 Planning Commission Meeting Minutes. Motion was unanimously approved.

3. Public Hearings.

A. Request from Blake Jedneak, Soca Powersports, for Approval of a Conditional Use Permit to allow for Motor Vehicle Sales within the Dual Square Mall located at 401 East Dual Blvd NE, Isanti, Minnesota.

Duncan read the item into the minutes.

Achman presented the staff memo.

Duncan opened the public hearing.

Bergley asked what a UTV was.

Kennedy stated it was a Utility Trail Vehicle.

Bergley wanted to make sure that Mr. Jedneak was aware that there would be no outdoor speaker system allowed.

Mr. Jedneak stated that he was not aware of that, but would not be using one.

Achman stated that one of the conditions of motor vehicle sales is that no outdoor speaker systems can be used. She further stated this is something that is more often requested by larger dealerships.

Bergley asked if there was another auto sales office in the Dual Square Mall.

Achman stated that several have been approved to be within the Dual Square Mall, but none of them have come to fruition.

Duncan asked if the items come fully assembled.

Mr. Jedneak stated that they did not. Typically, the handle bars and a front or back tire need to be put on. They are about 95% assembled. For shipping purposes, they come stacked on pallets.

Duncan asked how the assembly relates to the statement that no onsite assembly will occur.

Achman stated that as long as the assembly occurs within the building, there should be no issues.

Mr. Jedneak stated that the UTV's are assembled at another site.

The public hearing was closed.

Motion by Kennedy second by Bergley to recommend approval of the request from Blake Jedneak, Soca Powersports, for Approval of a Conditional Use Permit to allow for Motor Vehicle Sales within the Dual Square Mall located at 401 East Dual Blvd NE, Isanti, Minnesota based on the Finding of Fact and Conclusions with the following conditions:

1. Services and sales are associated with a principal building with a minimum floor area of at least one thousand (1,000) square feet.
2. All area of the property not devoted to building, parking, or open sales lot area shall be landscaped in accordance with Section 15 of this Ordinance.
3. Off-street parking and loading shall meet the requirements as stipulated within Section 17 of this Ordinance.
4. All new or used vehicles parked or displayed outdoors on the property shall conform to all requirements of the State of Minnesota; shall be operable; shall include all engine, muffler, brakes, and operating parts; shall be equipped with all exterior body parts as if new (for a passenger vehicle, truck or van, this shall mean four (4) tires, all doors and windows, headlamps and grillwork, mirrors, fenders, trunk, lids, body panels and molding, etc, or if a boat, all windshields, safety railings, hulls, trailer, etc.); shall be uniformly and wholly painted; and shall be free from having any loose or damaged exterior parts.
5. All repair, assembly, disassembly or maintenance of motor vehicles or motor vehicle parts shall occur within an enclosed building.
6. A detailed site plan conforming to the requirements of Section 18 of this Ordinance shall be submitted. The site plan shall also illustrate the location of all open sales and storage areas.
7. No outside speaker system shall be permitted without the approval from the City Council.

8. A landscaped buffer shall be provided, if the use abuts any residential zoning district. Solid screening to a minimum height of six (6) feet shall be provided along any portion of the open sales lot abutting a residential property or district. Such screening shall consist of a continuous landscape berm, solid wood fence, wall, or other comparable material. Fencing shall be constructed of wood or comparable material and should be of an ornamental or decorative design. If a chain link or wood fence is used, landscaping shall be provided on the outside of the fence facing the abutting residential property or district.
9. Motor vehicle displays shall take up no more than two 9'x 19' parking stalls.

Motion carried unanimously.

B. Request from EverCat Fuels for Approval of an Amendment to Resolution No. 2013-192 Approving a Conditional Use Permit to allow for Outdoor Storage on the property located at 425 East Dual Boulevard NE, Isanti, Minnesota.

This item has been withdrawn from the agenda.

C. Request from the City of Isanti to Approve an Amendment to Zoning Ordinance 445 Opting Out of Minnesota State Statute 462.35.93 which Permit and Regulate Temporary Family Health Care Dwellings.

Duncan read the item into the minutes.

Achman presented the staff memo.

Duncan opened the public hearing.

Duncan asked if there was any guidance in the bill for what types of medical conditions would be eligible for the temporary healthcare dwelling?

Achman informed the Planning Commission that there was no guidance. Staff would rely on a note from the person's medical provider stating the dwelling was necessary in order to receive care from a family member, relative or another caregiver. It wouldn't necessarily always be a family member.

Traver asked if this would allow the small homes to be placed right on someone's lot.

Achman confirmed that would be the case, which would create density issues, impervious surface issues, etc.

The public hearing was closed.

Bergley asked what was trying to be accomplished with this bill.

Achman stated that it may be providing an alternative to placing someone in a nursing home or assisted living facility for short term care.

Motion by Bergley second by Cesafsky to recommend approval of the request from the City of Isanti to Approve an Amendment to Zoning Ordinance 445 Opting Out of Minnesota State Statute 462.35.93 which Permit and Regulate Temporary Family Health Care Dwellings based on the Findings of Fact and Conclusions. Motion carried unanimously.

4. Other Business.

A. None.

5. Discussion Items.

A. Update on Highway 65 Overlay District.

Duncan read the item into the minutes.

Achman provided an update stating that the Development and Operations Advisory Committee is reviewing the ordinance and flushing out some of the concerns prior to bringing it forward to the Planning Commission. This will hopefully eliminate a lengthy Planning Commission meeting.

6. Adjournment

Motion by Kennedy second by Cesafsky to adjourn the August 10th, 2016 meeting of the Planning Commission. Motion was unanimously approved.

The meeting adjourned at 7:17 p.m.

Dated at Isanti, Minnesota this 10th day of August 2016.

Respectfully submitted,

_____

Roxanne Achman, AICP
Community Development Director

RESOLUTION NO. 2016-XXX

A RESOLUTION APPROVING A LOCAL GAMBLING PERMIT TO ST. ELIZABETH ANN SETON - MOTHER SETON GUILD

WHEREAS, the St. Elizabeth Ann Seton - Mother Seton Guild has applied for a Local Gambling Permit for a Raffle Fundraiser to be held on December 4, 2016 at St. Elizabeth Ann Seton Church located at 207 County Rd 23 NW, Isanti, MN 55040; and

WHEREAS, the value of prizes will be less than $1,500; and

WHEREAS, proceeds from Raffle are to be used for St. Elizabeth Ann Seton projects; and

WHEREAS, the City of Isanti has no objection to the conduct of lawful gambling by the applicant, in accordance with law, at the designated location; and

WHEREAS, the applicant successfully passed a background check by the Isanti Police Department.

NOW THEREFORE BE IT RESOLVED by the City Council of the City of Isanti, Minnesota to approve a Local Gambling Permit to St. Elizabeth Ann Seton - Mother Seton Guild to hold a Raffle fundraiser on December 4, 2016 at 207 County Road 23 NW, Isanti, MN 55040.

This resolution was duly adopted by the Isanti City Council this 20th day of September 2016.

MEMO

To: **Mayor Wimmer and City Council Members**
From: Lindsey McInnis, Human Resources/City Clerk
Date: September 2, 2016
Subject: Medical Insurance Plan Renewal

Background:
On Thursday, September 1st, Representative Andy Weitnauer from NFP came to discuss Medical Insurance Renewal for 2017. He informed us that we will have a zero percent increase from year 2016 to year 2017. All plan items have remained the same, with a few minor changes. One change is the 90-day prescription cost. Previously the plan allowed for purchasing 90 days' worth of prescription for the discounted cost of 60 days. This has now changed to being full cost for 90 days. The other change is that Blue Cross Blue Shield of Minnesota is doing a Platform Migration. In this migration all covered members will receive new group numbers. These group numbers will have to be updated with any provider the individual currently sees. In addition, the online platform for BCBS is changing.

At this time, we have not received confirmation on Dental or Life Insurance rates. Those are expected to be received sometime in October.

Request for Action:
Consider Adoption of Resolution 2016-XXX Approving the 2017 BlueCross BlueShield Resource Co-Op Medical Renewal Plan for the City of Isanti

Attachments:

MEMO

To: Mayor Wimmer and City Council Members

From: John Jacobi, Liquor Store Manager

Date: September 13, 2016

Subject: Donation Request for MMBA Food Drive promotion in-store

---

Background:
Each year the MMBA supports a food drive for the sole purpose of raising funds as well as food donations to help support local food shelves in our area. I am requesting that we promote this program in-store and customers can donate non perishable food items or a cash donation in any amount they wish to help support this program. The dates of the donations are October 1st through October 31st, 2016.

RESOLUTION NO. 2016-XXX

RESOLUTION APPROVING DONATION BOX AT LIQUOR STORE

WHEREAS, on June 2, 2009 City Council approved a donation box policy; and

WHEREAS, Isanti Liquor is requesting use of a donation box at the liquor store in support of the MMBA "Food Drive" promotion; and

WHEREAS, the Liquor Committee has reviewed the request and recommended its approval.

NOW, THEREFORE, BE IT RESOLVED that the City Council of the City of Isanti, Minnesota hereby approves placement of a donation box for the Supplies Drive at the Isanti Liquor Store from October 1st, 2016 through October 31st, 2016.

This resolution was duly adopted by the Isanti City Council this 20th day of September 2016.

9th Annual MMBA Food Drive Promotes Community Value

In an effort to help members Promote the Community Value of their Municipal Liquor Operation, MMBA, in partnership with Coors Light is coordinating the *Ninth Annual Municipal Liquor Food Drive* **benefiting your local food shelf.**

Again this year, there will be two competition brackets, based on 2014 annual sales:

$1,000,000 and Above & Below $1,000,000

The individual facility (not city) in each category with the highest weight donated will earn a $1,000 donation to their local food shelf from Coors Light and MMBA.

In addition:

Through a random drawing, ten $100 donations will be made to food shelves of participating facilities, other than the category winners. So, everyone has a chance to win!

Here are additional details:

- The food drive will run from October 1 – October 31, 2016.
- Each participating MMBA member will collect dry food, can goods & cash for donation to your local food shelf of choice. **Anything your food shelf will accept is eligible to be counted, including, but not limited to, field produce and canned / bottled water.**

NOTE:

Each $1 in cash donations will be counted as 3 pounds of food.

- At the end of the event (November 1), please take the collected food and cash to the food shelf to be weighed. (Contact the MMBA office if you need assistance locating your local food shelf.)

  A week or so after the conclusion of the event, an MMBA director will call you for the weight total given by your food shelf. You can also send the MMBA office the information at: kaspszak@visi.com or phone: 763.572.0222, 866.938.3925.

- One 7 foot banner, one 2 foot by 3 foot sign and two counter cash buckets will be created and provided by Coors Light. Additional signage can be obtained by contacting your Coors Light Distributor.

- Here are some successful ideas to promote the event:

  - ✓ Facility product discount for those donating food
  - ✓ Stapling a flyer to carry-out bags
  - ✓ Displaying the food in the front of the store to catch customer eyes
  - ✓ Reference or total focus in advertising mediums
  - ✓ Coors Light wholesaler could build a platform of Coors Light cases for the food to display on, or a wall of cases around an area where donations will be placed.
  - ✓ Local newspaper story
  - ✓ Collect contributions by participating in other community events

If you would like to participate in this event, contact the MMBA Office at:

Phone: 763-572-0222 or 866-938-3925
Email: kaspszak@visi.com

Thanks for your participation!!!!!

Request for City Council Action

To: Mayor Wimmer and City Council Members

From: Sean M. Sullivan, Economic Development Director

Date: September 20, 2016

Subject: **Consider Resolution Authorizing Letter of Support for Minnesota Emerging Entrepreneur Program (MEEP)**

Background:

Minnesota Emerging Entrepreneur Program support the growth of businesses in Minnesota and the City of Isanti. North Central Economic Development Association (NCEDA) an affiliate organization of Region Five Development Commission plans to submit a proposal to DEED for the Minnesota Emerging Entrepreneur Program (MEEP). NCEDA provides vital technical and financial support as a key economic development partner to help promote entrepreneurialism. Technical and financial assistance for start-ups, new product development, including value added agriculture, and expansion is important to the economic vitality of our region. NCEDA supports micro-lending as a tool that levels the playing field and allows entrepreneurs to develop their ideas. NCEDA has requested that the City of Isanti write a letter of support of the application to DEED for MEEP.

Request for Action:

1) Consider adoption of Resolution 2016-___ A Resolution Authorizing a Letter of Support for Minnesota Emerging Entrepreneur Program

Attachments:

1) Resolution 2016-___ A Resolution Authorizing a Letter of Support for Minnesota Emerging Entrepreneur Program

RESOLUTION 2016-___

AUTHORIZING LETTER OF SUPPORT FOR MINNESOTA EMERGING ENTREPRENEUR PROGRAM

WHEREAS, Minnesota Emerging Entrepreneur Program support the growth of businesses in Minnesota and the City of Isanti; and

WHEREAS, North Central Economic Development Association (NCEDA) an affiliate organization of Region Five Development Commission plans to submit a proposal to DEED for the Minnesota Emerging Entrepreneur Program (MEEP); and

WHEREAS, NCEDA provides vital technical and financial support as a key economic development partner to help promote entrepreneurialism. Technical and financial assistance for start-ups, new product development, including value added agriculture, and expansion is important to the economic vitality of our region; and

September 21, 2016

Minnesota Department of Employment and Economic Development
Attn: Bob Isaacson
First National Bank
332 Minnesota Street, Suite E200
St. Paul, MN 55101-1351

Dear Mr. Isaacson:

Please accept this letter of support from The City of Isanti, Minnesota for the North Central Economic Development Association (NCEDA) an affiliate organization of Region Five Development Commission proposal submitted to DEED for the Minnesota Emerging Entrepreneur Program (MEEP). We understand that NCEDA/Region Five is applying for this program on behalf of the 10 counties served by Region 5 and 7E. These include Cass, Crow Wing, Morrison, Todd, Wadena, Pine, Kanabec, Mille Lacs, Chisago and Isanti Counties.

NCEDA provides vital technical and financial support as a key economic development partner to help promote entrepreneurialism. Technical and financial assistance for start-ups, new product development, including value added agriculture, and expansion is important to the economic vitality of our region. Many of these new and emerging businesses start on a very small scale and grow as opportunities present themselves. NCEDA supports micro-lending as a tool that levels the playing field and allows entrepreneurs to develop their ideas. Entrepreneurs who may not otherwise qualify for funding or technical assistance, such as those owned by minorities, low-income persons, women, veterans and the disabled, will have the opportunity to live their dream. Coupled with professional technical assistance and peer-to-peer opportunities of the micro-lending approach, poverty eradication is addressed through micro-lending.

NCEDA is committed to a long-term partnership with Region 7E and the counties they serve as well as the advancement of opportunities that will grow the regional economy served by Region Five. Therefore, the City of Isanti asks that DEED gives strong consideration to the submitted NCEDA/Region Five proposed funding opportunity.

Sincerely,

_____

Request for City Council Action

To: Mayor Wimmer and City Council Members

From: Sean M. Sullivan, Economic Development Director

Date: September 20, 2016

Subject: **Consider Resolution Authorizing Modification of Mortgage for RPF, LLC**

Background:

RPF, LLC purchased Units 3 and 4 at 101 Isanti Parkway to operate Trans Mississippi Biological Supply. The City of Isanti utilized $15,000 from the Revolving Loan Fund to assist with this purchase. As part of this project acquisition of units 5 and 6 would be done at a later date. That closing for acquisition is set on September 21, 2016 and RPF, LLC has agreed to the City of Isanti to add lots 5 and 6 to the existing mortgage. City Attorney Joslin has drafted the attached Modification of Mortgage and Staff is recommending that the City Council authorize execution of the attached document.

Staff Request for Action:

Staff is looking for a motion to adopt Resolution 2016-_____ Authorizing Modification of Mortgage for RFP, LLC

Attachments:

1) Resolution 2016-_____ Authorizing Modification of Mortgage for RPF, LLC

RESOLUTION 2016-___

AUTHORIZING MODIFICATION OF MORTGAGE FOR RPF, LLC

WHEREAS, the City of Isanti and RPF, LLC entered into Combination Mortgage, Security Agreement and Fixture Financing Statement dated June 2, 2016 and filed September 1, 2016 in the Office of the Isanti County Recorder as document number A460728; and,

WHEREAS, the amount of the mortgage is for $15,000 and it originally covered Lots 3 and 4, CIC Number 2008-2, Isanti Parkway Condominiums (the "Legal Description") located at 101 Isanti Parkway NE Isanti, MN 55040; and,

WHEREAS, City Attorney Joslin has drafted the attached Modification of Combination Mortgage, Security Agreement and Fixture Financing Statement which would add the Legal Description to the mortgage filed as Document Number A460728; and,

WHEREAS, The City of Isanti and RPF, LLC agreed to add Units 5 and 6, CIC Number 2008-2, Isanti Parkway Condominiums to the $15,000 mortgage as part of the transaction when RPF acquired lots 5 and 6 and that closing is scheduled for September 21, 2016.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota authorize the Mayor and City Administrator to sign the attached Modification of Combination Mortgage, Security Agreement and Fixture Financing Statement.

This Resolution hereby approved by the Isanti City Council this 20th day of September 2016.

MODIFICATION OF COMBINATION MORTGAGE,
SECURITY AGREEMENT AND FIXTURE
FINANCING STATEMENT

RECORDATION REQUESTED BY:
City of Isanti
110 1st Ave. NW
P.O. Box 428
Isanti, MN 55040

WHEN RECORDED MAIL TO:
City of Isanti
110 1st Ave. NW
P.O. Box 428
Isanti, MN 55040

SEND TAX NOTICES TO:
RPF, LLC
29764 Julliard St. NE
North Branch, MN 55056

THIS MODIFICATION OF COMBINATION MORTGAGE, SECURITY AGREEMENT AND FIXTURE FINANCING STATEMENT, dated September 20, 2016, is made and executed between RPF, LLC, a Minnesota Limited Liability Company, (referred to below as "Grantor") and The City of Isanti, Minnesota, a statutory city under the laws of the State of Minnesota, whose address is 110 1st Ave. NW, P.O. Box 428, Isanti, MN 55040, (referred to below as "Lender").

MORTGAGE. Lender and Grantor have entered into a Mortgage, Security Agreement and Fixture Financing Statement dated June 2, 2016 (hereinafter collectively referred to as the "Mortgage") which has been recorded in Isanti County, State of Minnesota as follows:

Recorded September 1, 2016 as Document #A460728 in the Office of the County Recorder of Isanti County, Minnesota.

REAL PROPERTY DESCRIPTION. The Mortgage originally covered the following described real property located in Isanti County, State of Minnesota as set forth in Exhibit A attached thereto, to wit: Lots 3 and 4 Common Interest Community No. 2008-2, Isanti Parkway Condominiums, Isanti County, Minnesota.

Said real property or its address is commonly known as 101 Isanti Parkway NE, Isanti, MN 55040.

MODIFICATION. Lender and Grantor hereby modify the Mortgage to include additional real property as follows: Exhibit A to the original mortgage is hereby amended and modified to include and the mortgage will now and hereafter cover and encumber the following described real property located in Isanti County, State of Minnesota, to wit: Lots 3, 4, 5 and 6 Common Interest Community No. 2008-2, Isanti Parkway Condominiums, Isanti County, Minnesota. Property address 101 Isanti Parkway NE, Isanti, MN 55040.

PRIOR PERMITTED ENCUMBRANCES: Exhibit B attached to and being a part of the original mortgage is hereby amended and modified to include the following as prior permitted encumbrances: Mortgage in favor of Village Bank, recorded in the Office of the Isanti County Recorder as Document No. A460725, and Assignment of Rents in favor of Village Bank, recorded in the Office of the Isanti County Recorder as Document No. A460726.

CONTINUING VALIDITY. Except as expressly modified above, the terms of the original Mortgage shall remain unchanged and in full force and effect and are legally valid, binding, and enforceable in accordance with their respective terms. Consent by Lender to this Modification does not waive Lender's right to require strict performance of the Mortgage as changed above nor obligate Lender to make any future modifications. Nothing in this Modification shall constitute a satisfaction of the promissory note or other credit agreement secured by the Mortgage (the "Note"). It is the intention of Lender to retain as liable all parties to the Mortgage and all parties, makers and endorsers to the Note, including accommodation parties, unless a party is expressly released by Lender in writing. Any maker or endorser, including accommodation makers, shall not be released by virtue of this Modification. If any person who signed the original Mortgage does not sign this Modification, then all persons signing below acknowledge that this Modification is given conditionally, based on the representation to Lender that the non-signing person consents to the changes and provisions of this Modification or otherwise will not be released by it. This waiver applies not only to any initial extension or modification, but also to all such subsequent actions.

GRANTOR ACKNOWLEDGES HAVING READ ALL THE PROVISIONS OF THIS MODIFICATION OF COMBINATION MORTGAGE, SECURITY AGREEMENT AND FIXTURE FINANCING STATEMENT AND GRANTOR AGREES TO ITS TERMS. THIS MODIFICATION OF COMBINATION MORTGAGE, SECURITY AGREEMENT AND FIXTURE FINANCING STATEMENT IS DATED SEPTEMBER 20, 2016.

MEMO

To: Mayor Wimmer and City Council

From: Don Lorsung, City Administrator

Date: September 14, 2016

Subject: City Hall Roof Repair

Isanti City Hall has had a periodic issue with the roof leaking in the area where the south entryway roof joins the main roof. The Finance Committee met with Building Official Nick Henly to review quotes received for investigation and repair of the roof. Building Official Henly is recommending acceptance of the quote from Metro Steel Roofing/ Construction for $1,100.00. Their plan is to take off the panels in the suspected area to find the leak. They shared that they will use a metal flashing solution (with caulking) that should re-seal the area. They have matching metal on hand to use for the repair. The Finance Committee has concurred with that recommendation.

Attached for your consideration is a Resolution Accepting the Quote from Metro Steel Construction for repair of the City Hall Roof. Funding would come from the Municipal Building, Maintenance & Repairs budget line item.

RESOLUTION NO. 2016-XXX

RESOLUTION ACCEPTING QUOTE FOR CITY HALL ROOF REPAIR

WHEREAS, the City of Isanti has requested quotes to repair the City Hall roof; and

WHEREAS, two (2) quotes were received for the project. Staff reviewed the quotes received and the acceptable quote came from Metro Steel Roofing/Construction. The Finance Committee has reviewed the quote from Metro Steel Roofing/Construction with Building Official Nick Henly, and recommends acceptance of the quote:

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to hereby authorizes staff to accept the quote from Metro Steel Construction for repair of the City Hall Roof not to exceed $1,100.00 with the following conditions:

1. The Contractor shall follow the guidance of the City Building Official in performing the repair.

2. The City of Isanti shall provide the building permit for the project, with project costs paid out of the Municipal Building Maintenance and Repair fund.

This resolution was duly adopted by the Isanti City Council this 20th day of September 2016.

City of Isanti
Economic Development Authority
Regular Meeting Minutes of
September 6, 2016
Isanti City Hall

1. Call to Order

The meeting was called to order by President Wimmer at 7:30 p.m.

a. Pledge of Allegiance

b. Roll Call

Commissioners Present: George Wimmer, Keith Dragisich, Ross Lorinser, Dan Collison, Paul Bergley, Steve Lundeen and Tara Hallberg

Commissioners Absent: None

Staff Present: Economic Development Director Sean Sullivan

c. Agenda Modifications

2. Approval of Agenda

Motion to approve Agenda as presented by Lundeen, second by Bergley, motion carried unanimously.

3. Approve Minutes of August 3, 2016 Regular Economic Development Meeting

Motion by Lundeen second by Bergley to approve the minutes for August 3, 2016. Motion carried unanimously.

4. Consider Recommendation for Submittal of 2016 CEDS to ECRDC

Economic Development Director Sullivan highlighted items in the staff memo. Removal of the Medical clinic and updating the remaining four priority projects was completed by staff which include: Rail industrial Park, Downtown Redevelopment, Wastewater Treatment, Hotel. Sullivan stated that this document was used for identifying projects that could be eligible for Federal EDA dollars.

Motion by Lundeen second by Bergley to recommend to the City Council submittal of the 2016 CEDS document as presented.

5. Other Business / Updates / Communications

President Wimmer updated the EDA on the Hwy 65 Overlay District and that it would be reviewed by DAC, City Council and Planning Commission. He indicated looking at higher development

standards for the first 1 or 2 blocks would be part of this discussion. He also provided an updated on the Street Collector Fees and that DOAC would be looking at potential impacts of reducing or eliminating this fee.

Sullivan updated the EDA in regards to the status of the Promotional Bag / Welcome Brochure project, continued positive growth in housing and the net gain of businesses and their positive impact on Isanti.

Commissioner Collison asked when the Gas Station would be opening.

President Wimmer indicated the date of opening of the gas station was not certain, and the initial success has been phenomenal.

6. Adjournment

Lundeen motioned, seconded by Collison to adjourn at 7:44 pm. Motion carried unanimously.

Dated at Isanti, Minnesota, this 6th day of September, 2016.

Respectively Submitted,

Sean M. Sullivan, Economic Development Director

CITY OF ISANTI
PLANNING COMMISSION
MEETING MINUTES
SEPTEMBER 13, 2016

1. Meeting Opening.

A. Call to Order.

Cesafsky called the meeting to order at 7:00 p.m.

B. Pledge of Allegiance.

Everyone rose for the pledge of allegiance.

C. Roll Call.

Members Present: Paul Bergley, Wayne Traver, Greg Cesafsky, Steve Lundeen, and Jim Kennedy.

Members Absent: Jeff Duncan (prior notice given)

Staff Present: Community Development Director, Roxanne Achman

Others Present: None

D. Agenda Modifications.

None.

2. Approval of Minutes from August 10, 2016 Planning Commission Meeting.

Cesafsky questioned if there were any comments or changes to the minutes.

Motion by Kennedy second by Bergley to approve the August 10th, 2016 Planning Commission Meeting Minutes. Motion was unanimously approved.

3. Public Hearings.

A. Request from Tim Taylor for an Amendment to Villages on the Rum Third Addition, Phase 4 Planned Unit Development to reduce the interior side yard setback from fifteen (15) feet to ten (10) feet for the home and from fifteen (15) feet to five (5) feet for an attached garage (garage only), located in Isanti County, Isanti, Minnesota.

Cesafsky read the item into the minutes.

Achman presented the staff memo.

Cesafsky opened the public hearing.

Lundeen asked if the lots were irregularly shaped.

Achman stated the lots were not extremely irregular, but they don't allow for a three stall garage based on the sideyard setbacks required for this development.

Randy Bollinger, 926 Whiskey Rd NW, stated he didn't have any objections to the reduced sideyard setbacks. He just wanted clarification on whether this would shorten the driveway.

Achman clarified by stating that the home would be built wider but the driveway would stay the same. Homes are required to be setback a minimum of thirty feet from the front property line.

Mr. Bollinger stated that he was just concerned that the driveway would be shorter causing more of a parking issue in the neighborhood.

The public hearing was closed.

Motion by Lundeen second by Kennedy to recommend approval of the request from Tim Taylor for an Amendment to Villages on the Rum Third Addition, Phase 4 Planned Unit Development to reduce the interior side yard setback from fifteen (15) feet to ten (10) feet for the home and from fifteen (15) feet to five (5) feet for an attached garage (garage only), located in Isanti County, Isanti, Minnesota based on the Finding of Fact and Conclusions with the following conditions:

1. All other previously approved standards, conditions, and plans associated with the original Villages on the Rum Third Addition, Phase 4 Planned Unit Development must be met.

Motion carried unanimously.

B. Request from TH Construction of Anoka Inc. for Preliminary Plat approval of the Plat of Sun Prairie Second Addition, legally described as Outlot F, Sun Prairie First Addition, Isanti County, Isanti, Minnesota.

Cesafsky read the item into the minutes.

Achman presented the staff memo.

Cesafsky opened the public hearing. There was no one to speak on the item. The public hearing was closed.

Motion by Kennedy second by Bergley to recommend approval of the request from the TH Construction of Anoka Inc. for Preliminary Plat approval of the Plat of Sun Prairie Second Addition, legally described as Outlot F, Sun Prairie First Addition, Isanti County, Isanti, Minnesota based on the Findings of Fact and Conclusions with the following conditions:

1. The developer shall install 1 tree per 50 of lot frontage (roughly 21 trees)
2. The developer needs to be informed that they are to avoid curbstops within the driveway.

Motion carried unanimously.

4. Other Business.

A. None.

5. Discussion Items.

A. Update on Highway 65 Overlay District.

Achman provided an update stating that staff is continuing to work on the Overlay District. Staff was hoping to have it ready for a public hearing at the October Planning Commission meeting, but it is more likely to be brought forward at the November or December meeting. Staff is reviewing the uses at this time and trying to make a determination on what uses would best create a gateway to the community.

Bergley asked if staff was looking for input from businesses yet.

Achman stated that would occur at the public hearing.

Cesafsky asked what the area was that would be part of the Overlay District.

Achman stated that it would be along the Highway 65 Corridor to the city limits and to include portions of the Tier One area.

6. Adjournment

Motion by Bergley second by Lundeen to adjourn the September 13th, 2016 meeting of the Planning Commission. Motion was unanimously approved.

The meeting adjourned at 7:08 p.m.

Dated at Isanti, Minnesota this 13th day of September 2016.

Respectfully submitted,

_____

Roxanne Achman, AICP
Community Development Director

MEMORANDUM

Date: September 14, 2016

To: Honorable Mayor Wimmer and Members of the City Council

From: Bradley C. DeWolf, P.E

Subject: Project Status Report
Isanti, MN
Project No.: R13.111162

Please find listed below a status report of the current projects in the City of Isanti:

1) City Hall Parking Lot Expansion

Final punchlist items will be addressed and the project will be closed out.

2) River Bluff Preserve Parking Improvements

Once seed is established, the project can be closed out.

3) Watermain Loop Improvements

The Contractor will remove temporary erosion control. The project is closed.

4) Wastewater System Improvements

The Contractor plans to continue work on the new pre-treatment building this month.

5) Whiskey Road Walk Infill Study

We have created a draft report.

5) Storm Sewer Apron & Pond Inventory Report

We have created a draft report.

In addition to the current projects listed above we have completed and accepted 42 private developments and 45 city contracts since being selected as your City Engineer in 2008.

Please contact Brad or Jason if you have any questions.

Bolton & Menk is an equal opportunity employer.

4.	CITY OFFICES CLOSED	Monday, October 10, 2016
	(In Observance of Columbus Day)	
5.	Planning Commission Meeting	Tuesday, October 11, 2016 at 7:00 p.m.

I. Council Committee Reports
Mayor shared a letter to the City of Isanti from Catholic Charities which handles the Senior Dining in the city of Isanti. The letter began with a quote from Mother Teresa "If you can't feed a hundred people, then feed just one." The letter was in thanks for a contribution of time, talent and food to the Catholic Charities Senior Dining

Program and for supporting the Plant a Row/Harvest a Row Program. It was signed by Ruth Huntsinger, Director of Community Services. Mayor explained that in conjunction with the community garden, we had a crate for people to put produce into and then staff brought it to the senior dining center. They were very happy with what they received and with this being our first year, we met our goal and hope it will continue and grow bigger every year.

J. Public Hearings

1. Approval of the Request from Property Resource Group to Vacate an Ingress and Egress Easement and a portion of a Drainage and Utility Easement within Lot 2, Block 1, Isanti Commons Second Edition

Mayor opened the public hearing for any public comment. There were none. Mayor closed the public hearing.

Motion by Collison, second by Bergley. Motion carried.

K. Business Items

1. Adopting the City of Isanti Residential Rain Garden Incentive Program Policy

Mayor explained that this policy is to use some storm water funds to encourage private properties to start doing rain gardens which will help ease the storm water flow into our municipal system. We are looking at doing up to $500 in individual grants but it cannot exceed 50% of the total cost. This is a reimbursement, so they will need to complete it first and then provide receipts in order to be reimbursed. Bergley questioned if it has been well studied that they will promote better storm water processing. Mayor explained we had first-hand experience when we had a neighborhood that had flooding and one of the solutions put forth from our city engineer at the time, was to do a series of rain gardens in that area to help the flow of water. It was all flowing down on a couple of properties. At the time, the residents did not want to do that and pay for it themselves because it wasn't affecting their property. It was someone else's property down the line where the water was flowing. This is a very well proven solution. Brad from Bolton & Menk agreed they are very effective, both in storm water quality treatment and storm water quantity control. He stated they are used widely across the State of Minnesota and if maintained they are very nice looking. Bergley questioned if it was better to have them in some areas of the city than other areas of the city, since the policy says first come, first serve. Brad answered that with the subsoils in the community, they will be very effective through the entire city. He stated they will work well. Mayor explained they have been working with Bolton & Menk throughout the whole summer to make sure we have thought through everything that we can. Lundeen questioned if the businesses or residents that participate would receive a break on the storm water runoff charge. Mayor stated they would not, as they are already getting the money up-front. Lundeen added that if it is going to affect it that much, it would be less runoff for them. Mayor explained we can't compare each property and gave an example such as one person may never have a fire call, or doesn't have any kids, but still have to pay taxes for them. We all have to pay taxes for things not in accordance to how much we use it. We have chosen not to pay Bolton & Menk a couple million dollars to do the exact run off calculations and studies. We are all in the city. We are looking at the individual property owner benefiting from doing better storm water control and it is a nice amenity to have on your property. If you can get 50% paid for while doing the public good as well, that is a pretty significant incentive. That is the way it has worked in other communities we have researched.

Motion by Lorinser, second by Collison. Motion carried.

2. Ordinance to Amend the Code for the City of Isanti, Chapter 8, City Council, Amending Article III, Rules of Organization

Mayor explained this was discussed at the last City Council meeting regarding that a Council member cannot bring forth Council items as it puts the council in an awkward situation.

Motion by Lundeen, second by Bergley. Motion carried.

City Administrator Don Lorsung

3. Resolution Accepting the Conveyance of Outlots located within the Savannah Run Development

Motion by Bergley, second by Lorinser. Motion carried.

4. Resolution Approving an Amendment to Villages on the Rum Third Addition, Phase 4 Planned Unit Development to Reduce the Side Yard Setbacks

Lundeen stated it was brought to his attention, not that he necessarily agreed, but the reason for the larger setback in the first place was so if a neighboring home was on fire, there is less chance of damage. Would we endanger the homes by removing it? Mayor pointed out there isn't any more risk because there are building codes for fire separations. This just brings us into compliance with the rest of the city codes.

Motion by Lundeen, second by Bergley. Motion carried.

5. Resolution Approving the Preliminary Plat of Sun Prairie Second Addition, Legally Described as Outlot F, Sun Prairie First Addition, Isanti County, Isanti, Minnesota

Motion by Lundeen, second by Collison. Motion carried.

6. Consider Adoption of an Interim Ordinance to Establish a Moratorium Temporarily Prohibiting Specific Commercial Uses within a Defined Area Along Highway 65

Motion by Lorinser, second by Collision. Motion carried.

7. Resolution to Approve Designated Mowing Areas

Motion by Lorinser, second by Lundeen. Motion carried.

8. Resolution Approving an Amendment to the Code Enforcement and Nuisance Abatement Policy

Motion by Lorinser, second by Collison. Motion carried.

9. Resolution Approving the Revision to Rum River BMX Association Agreement to Allow Mail Delivery at the Isanti Indoor Arena

Motion by Bergley, second by Lorinser. Motion carried.

10. Amendment to Chapter 160 Fees and City Fee Schedule – Removal of Collector Street Fee
    a. Ordinance Amending the Code of the City of Isanti, Chapter 160, Fees
    b. Resolution Adopting Fees within the City of Isanti

Mayor explained this was a $9,000 fee for the East side of Hwy 65 to pay off debt that was accrued through the development. The debt will all be paid off at the end of this year. He clarified it is $9,000 per developable acre. This will make that area much more competitive for future development. Bergley wanted to make sure nothing else changed. The Mayor confirmed that all the other fees are still the same.

Motion by Bergley, second by Lorinser. Motion carried.

11. Resolution Authorizing the Submittal of 2016 Comprehensive Economic Development Strategy (CEDS) to East Central Regional Development Commission (ECRDC)

Motion by Lorinser, second by Lundeen. Motion carried.

12. Resolution Approving the Increase of Community Events/Parks Coordinator Pay to Meet New FLSA Minimum Requirements

Mayor explained the FLSA policy is to make sure people aren't being labeled as exempt and being paid low wages. It wasn't the case here. It is less cost for us to do this increase rather than paying overtime.

Motion by Lundeen, second by Collison. Motion carried.

Police Chief Gene Hill

13. Resolution Authorizing the Written Policy Update for the Automated License Plate Reader (ALPR) Equipment

Motion by Collison, second by Lundeen. Motion carried.

14. Resolution Approving Joint Powers Agreement /Automated License Plate Reader (ALPR) Acceptance

Motion by Lundeen, second by Collison. Motion carried.

City Engineer Brad DeWolf

15. Engineering Proposal for the 2017 Pavement Management Project

Brad DeWolf explained that with the implementation of the franchise fees, we will be on an annual basis, keeping up with our pavement management per our pavement management plan. The scope is full services, start through finish through warranty. With the dollars we have and the size of projects, we estimate our fees hourly, not to exceed $39,500.

Motion by Lundeen, second by Bergley. Motion carried.

16. Engineering Proposal for the Palomino Road SE Reconstruction Preliminary Engineering Report

DeWolf explained the scope of this is different. We will do a preliminary engineering feasibility report on it and then bring it back to Council for review. You'll get to see the scope of the project. You can then decide if you want to move forward into design and the next phases of construction. Mayor explained this is the first major project in our ten-year Pavement Management Plan. We are looking at ten years doing three bigger buckets of projects. The first one would start in 2017 and hit the Palomino Acre area. We will go as far as we can with the funds. We would then go to 2020, pacing it out every three years or so. That way, when we bond for those, we can schedule that debt to be filling in as other bond obligations are falling off. We can manage that process as well but still get some of these roads fixed that do need to be fixed. Mayor stressed the importance of a good maintenance plan. DeWolf estimated the cost per foot to maintain a road is approximately 1/100 of the cost per foot to reconstruct it. It is definitely in our best interest to have a good strong maintenance plan. Bergley questioned Mayor if it is already in the plan. Mayor answered yes, it is the first part of the 10-year pavement management plan that was adopted last year.

Motion by Lundeen, second by Bergley. Motion carried.

L. Approve Consent Agenda

1. Consider Accounts Payable in the Amount of $158,884.79 and Payroll in the amount of $91,674.55
2. Contractor's Pay Request No. 01 Wastewater Treatment Improvements in the Amount of $355,195.00
3. Final Meeting Minutes for the August 3, 2016 Economic Development Authority Meeting
4. Final Meeting Minutes for the August 10, 2016 Planning Commission Meeting
5. Resolution Approving a Local Gambling Permit to St. Elizabeth Ann Seton – Mother Seton Guild
6. Resolution Approving BlueCross BlueShield Resource Co-Op Medical Renewal Plan for the City of Isanti
7. Resolution Approving Donation Request for MMBA Food Drive Promotion in Isanti Municipal Liquor Store
8. Resolution Authorizing Letter of Support for Minnesota Emerging Entrepreneur Program (MEEP)
9. Resolution Authorizing Execution of Modification of Mortgage for RPF, LLC – City Revolving Loan Fund
10. Resolution Accepting Quote for City Hall Roof Repair

Motion by Bergley, second by Lundeen. Motion carried.

M. Other Communications

Request for City Council Action

To: Mayor Wimmer and Members of the City Council

From: Katie Everett, Community Events and Parks Coordinator

Date: October 4, 2016

Subject: Special Event Request for Art and Science Academy Trek-or-Treat Walkathon

---

Background

The City received a special event application from Megan Hawkinson and Sara Henry (Applicants) on behalf of the Art and Science Academy Parent Advisory Council for a Trek-or-Treat walkathon fundraiser that would be held on Monday, October 31, 2016.

The Walk a Thon will begin and end at the Art and Science Academy, 903 6th Ave Court NE. The route will follow Cajima St NE to 8th Ave NE, turn on Golden Way St NE, to 7th Ave NE and follow 7th Ave NE back to Cajima. There is a map attached to show the approximate route. The event will take place from 12:30 p.m. until 2:30 p.m. and have approximately 310 students, parents and volunteers.

Parking for the event will be within the school parking lot and along 7th Ave NE. The organizers are requesting temporary no parking signs to be placed along the east side of 7th Ave NE and both sides of 6th Ave Ct. The event is a fundraiser for the school, however money will not be exchanged at the event itself (it is due before the event).

The Parent Advisory Council and volunteers will clean up after the event. The clean-up deposit fee will be submitted before the permit is issued. A copy of the application and departmental review has been attached for City Council review.

Staff Request

City staff is requesting action on this item.

RESOLUTION 2016-

A RESOLUTION APPROVING A SPECIAL EVENT REQUEST FOR A WALK A THON FOR THE ART AND SCIENCE ACADEMY PARENT ADVISORY COUNCIL

WHEREAS, Megan Hawkinson and Sara Henry, the Applicants, will be holding a Trek-or-Treat walkathon on Monday, October 31, 2016; and

WHEREAS, this event is scheduled to be between 12:30 p.m. and 2:30 p.m.; and,

WHEREAS, the estimated number of participants is 310; and,

WHEREAS, the event will take place beginning and ending at the Arts and Science Academy at 903 6th Ave Court NE. From there the route will follow Cajima St NE to 8th Ave NE, turn on Golden Way St NE, to 7th Ave NE and follow 7th Ave NE back to Cajima St NE ; and,

WHEREAS, parking for the event will be within the School parking lot and along 7th Ave NE, and the organizers have requested temporary no parking signs for the east side of 7th Ave NE and both sides of 6th Ave Ct NE; and,

WHEREAS, volunteers will clean-up after the event; and,

WHEREAS, the application submittal does require a $100 clean-up deposit fee, which has been submitted with application; and,

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, to hereby approve the Trek-or-Treat event by the Art and Science Academy Parent Advisory Council to be held on October 31, 2016 with the following conditions:

- The applicant submits the required liability insurance prior to event.
- The activities take place in the street right-of-way and not on private property not owned by the Academy.
- The $100 clean-up deposit fee is submitted prior to the event.

BE IT FURTHER RESOLVED by the City Council of the City of Isanti, Minnesota that this Resolution is hereby the 'Permit' for the above stated Special Event.

This Resolution hereby approved by the Isanti City Council this 4th day of October 2016.

Attest: _____ Mayor George A. Wimmer

_____
Lindsey Giese
Human Resources/City Clerk

EVENT INFORMATION

Date(s) of Event: Monday, October 31st, 2016

Hours of Event: 1230pm-230pm

Type of Event: School Walk-a-thon fundraiser

If additional space is needed, use blank page at the end of this document:

Description of the Event:
The Parent Advisory Council of the Art and Science Academy is sponsoring a Trek-or-Treat walkathon to raise funds for the purchase of additional chromebooks for the school.

List of Activities:
The children will walk along the route designated (see attached) with their individual classes/teachers and collect candy or other trinkets that will be handed out by either parent volunteers or local businesses who have offered their time and supply of the candy or trinket.

Proposed Location of the Event (be specific):
See attached map

Estimated Number of People in Attendance (includes staff, participants, and spectators):
There are approx 260 students, 30 staff members, and likely up to 20 parent volunteers.

ITEMS TO ACCOMPANY THE APPLICATION

1. Application Form
2. Clean-up Deposit Fee, if applicable
3. Proof of Insurance or Certificate of Insurance
4. Signed Release and Indemnification Agreement, if event on City owned property
5. Site Map
6. Temporary Sign Permit Application, if applicable
7. Approval Letter from the Property Owner
8. Information regarding Vendors, if applicable
9. Proof of written notification to property owners within 350 feet of the special event
10. Supplemental information as requested by City staff

The following information is required for consideration. Place and "X" next to items pertaining to your event. If not applicable, please place an "N/A" in the space provided.

X — Proof of Insurance or Certificate of Insurance (**REQUIRED** for all events)

X — Release and Indemnification Agreement (**REQUIRED** for all events held on City property. Please sign and attach to the application.)

N/A — Selling / Consumption of Alcohol

X — Site Map (**REQUIRED** for all events) - A diagram of the proposed area to be used showing the location of barricades, security fencing, entertainment, stages, toilets, parking areas, trash containers, and any other items relating to the event should be attached to the application.

X — Parking Impact (**REQUIRED** for all events) – Describe in detail:
When this event was held last year, there was no negative parking impact. We are directing volunteers to park along ~~Street, and not to block~~ 7th Ave NE and not to block 6th Ave Ct or Cajima St.

N/A — Special Signage (Temporary Sign Permit Application will also be required) – Describe: _____

N/A — Approval Letter from Property Owner (**REQUIRED** for all events, unless occurring on public property. Attach to the Application)

N/A — Vendors will be present at the event (Attach information to the Application)

X — Tents, equipment, amusement rides, etc. possible EZ-Up tents at candy stations
Size: EZ-Up tents (if used) are usually 8x8 or 10x10, temporary tents
Location: these would be located on the grassy area behind the sidewalk

N/A — Fire Prevention or EMS – If needed, please specify and if being provided, please identify the name or entity providing these services: _____

N/A — Fireworks

N/A — Street Closure – if yes, what streets: _____

N/A — Restrooms (Portable) – Name or entity providing these services; and number of facilities to be provided. When other restroom facilities are not provided on-site or are limited; the applicant will need to pay for additional restroom facilities. For those events exceeding 75 persons, one (1) additional restroom shall be provided; for events exceeding 150 persons, two (2) additional restrooms shall be provided. For events exceeding 250; the Planning for Special Events-Usage Chart shall be used.

N/A — Security Plans – Name or entity providing these services. (A Police Officer is required if alcohol is being served or at the discretion of the Police Chief). _____

X — Clean-up Plans – Describe in detail: _____
Parent volunteers and the Parent Advisory Council will be solely responsible to ensure area is cleaned up, with the goal of leaving it in better condition than when we started the event.

N/A — Live entertainment – Describe in detail: _____

N/A — Will any other public addressing system or sound amplification be used? If so, describe: _____

X — Proof of written notification to property owners within 350 feet of the special event. (Attach to the application.)

X — If the event will be held on public property, please provide the following information: (1) Will tickets be sold for the event? (2) Is a donation of any kind required? (3) What is the purpose of the money that is collected?
No money will be exchanged at event, pledges will be due two weeks prior to the event. All students may participate with parent permission, regardless of pledges collected.

Depending upon the type of special event, some items may not be required or may be waived as part of the review process. Larger events may require additional information, in order to properly process the request.

APPLICANT SIGNATURE

I declare that the information I have provided on this application is truthful and I understand that falsification of answers on this application will result in denial of the application. I authorize the City of Isanti to investigate and make whatever inquiries necessary to verify the information provided.

-EVENT SPONSOR-
RELEASE AND INDEMNIFICATION AGREEMENT

City of Isanti

THIS IS A RELEASE OF LIABILITY INDEMNIFICATION AGREEMENT. SPECIAL EVENTS HOLDER MUST READ CAREFULLY BEFORE SIGNING.

In consideration for being permitted to engage in the following special event activities on property owned by the City of Isanti: Art and Science Academy Trek or Treat fundraiser

Special Events Holder hereby acknowledges, represents, and agrees as follows:

A. We understand that the above described activities are or may be dangerous and do or may involve risks of injury, loss, or damage to us and/or third parties. We further acknowledge that such risks may include but not be limited to bodily injury, personal injury, sickness, disease, death, and property loss or damage, arising from the following circumstances, among others:

(Special Events Holder Initials Here) MH

B. If required by this paragraph, we agree to require each participant to our special event to execute a **RELEASE AND INDEMNIFICATION AGREEMENT** for ourselves and for the City of Isanti, on a form approved by the City of Isanti.

Participant Release and Indemnification required? YES ___ NO X

(Special Events Holder Initials Here) MH

C. We agree to procure, keep in force, and pay for special event insurance coverage, from an insurer acceptable to the City of Isanti, for the duration of the above described activities.

(Special Events Holder Initials Here) MH

D. By signing this **RELEASE AND INDEMNIFICATION AGREEMENT,** we hereby expressly assume all such risks of injury, loss, or damage to us or any related third party, arising out of or in any way related to the above described activities.

whether or not caused by the act, omission, negligence, or other fault of the City of Isanti, its officers, its employees, or by any other cause.

(Special Event Holder Initials Here) MH

E. By signing this **RELEASE AND INDEMNIFICATION AGREEMENT,** we further hereby exempt, release and discharge the City of Isanti, its officers, and its employees from any and all claims, demands, and actions for such injury, loss or damage to us or to any third party, arising out of or in any way related to the above described activities, whether or not caused by the act, omission, negligence, or other fault of the City of Isanti, its officers, its employees, or by any other cause.

(Special Event Holder Initials Here) MH

F. We further agree to defend, indemnify and hold harmless the City of Isanti, its officers, employees, insurers, and self insurance pool, from and against all liability, claims, and demands, court costs and attorney fees, including those arising from any third party claim asserted against the City of Isanti, its officers, employees, insurers or self insurance pool, on account of injury, loss or damage, including without limitation claims arising from bodily injury, personal injury, sickness, disease, death, property damage or loss, or any other loss of any kind whatsoever, which arise out of or are in any way related to the above described activities, whether or not caused by our act, omission, negligence, or other fault of the City of Isanti, its officers, its employees, or by any other cause.

(Special Event Holder Initials Here) MH

G. By signing this **RELEASE AND INDEMNIFICATION AGREEMENT,** we hereby acknowledge and agree that said Agreement extends to all acts omissions, negligence, or other fault of the City of Isanti, its officers, and/or its employees, and that said Agreement is intended to be as broad and inclusive as is permitted by the laws of the State of Minnesota. If any portion thereof is held invalid, it is further agreed that the balance shall, notwithstanding, continue in full legal force and effect.

(Special Event Holder Initials Here) MH

H. We understand and agree that this **RELEASE AND INDEMNIFICATION AGREEMENT** shall be governed by the laws of the State of Minnesota and that jurisdiction and venue for any suit or cause of action under this agreement shall lie in the courts.

(Special Event Holder Initials Here) MH

I. This **RELEASE AND INDEMNIFICATION AGREEMENT** shall be effective as of the date or dates of the applicable special event, shall continue in full force until our responsibilities hereunder are fully discharged, and shall be binding upon us, or successors, representatives, heirs, executors, assigns, and transferees.

(Special Event Holder Initials Here) MH

IN WITNESS THEREOF, THIS RELEASE AND INDEMNIFICATION AGREEMENT is executed by the special event holder, acting by and through the undersigned, who represents that he or she is property authorized to bind the Special Events Holder hereto.

Hello all,

I received an application from the Arts and Science Academy for their Trek-or-Treat walkathon. They did this event last year, and the route is the same this year. The only change is that they are reaching out to local businesses to set up stations. The event is a fundraiser for the school. They are not asking for any special assistance from Fire or PD.

They did indicate that popup tents may be used at the stations in the grass behind the sidewalks. The stretch along 8th and the pond is City property, but otherwise is private, so I have made a note that those stations will need to be set up along the sidewalk or in the boulevard.

Please respond with your approval or comments as soon as you can. If I can get all responses by Thursday, I can it on the 10/4 Council agenda.

Thanks!

I received an application from the Arts and Science Academy for their Trek-or-Treat walkathon. They did this event last year, and the route is the same this year. The only change is that they are reaching out to local businesses to set up stations. The event is a fundraiser for the school. They are not asking for any special assistance from Fire or PD.

They did indicate that popup tents may be used at the stations in the grass behind the sidewalks. The stretch along 8th and the pond is City property, but otherwise is private, so I have made a note that those stations will need to be set up along the sidewalk or in the boulevard.

Please respond with your approval or comments as soon as you can. If I can get all responses by Thursday, I can it on the 10/4 Council agenda.

Thanks!

Request for City Council Action

To: Mayor Wimmer
Members of the City Council

From: Katie Everett
Community Events and Parks Coordinator

Date: October 4, 2016

Subject: Consider Ordinance to Amend City Code 8-18: Committees and 8-10: Per Diem Fee for Service on Boards to Include Bike Isanti County Committee and Resolution to Amend the Designation of Committees and Representatives for City Commissions and Advisory Boards for Year 2016 to include Bike Isanti County

---

Background:
The Bike Isanti County committee is working toward a comprehensive trail system master plan and is seeking involvement from the City of Isanti. The board is regularly attended by County Staff and City of Cambridge staff, but has been attended by many area officials including Cambridge City Council Members. In order to insure that future City of Isanti planning objectives are incorporated in the county planning process, it is recommended that an Isanti City Council Member attend these meetings regularly as well.

Current meeting schedules are every other month on a Monday morning; this schedule may be subject to change based on participant needs.

Staff Request:
Staff is requesting action on this item.

Subject: Resolution Approving Agreement for Development Legal Services

---

Staff received 6 proposals from qualified firms for Development Legal Services. Staff reviewed and rated the proposals from the firms. Staff recommended consideration of the proposal from the law firm, Campbell Knutson, PA. The Development and Operations Committee reviewed this recommendation and a proposed Agreement for Legal Services.

Campbell Knutson PA has reviewed and signed the proposed Service Agreement.

Attached for your consideration is a Resolution and Services Agreement for development legal services from Campbell Knutson PA.

RESOLUTION NO. 2016-_____

A RESOLUTION APPROVING AGREEMENT FOR DEVELOPMENT LEGAL SERVICES

WHEREAS, the City of Isanti City Council approved a Request for Proposals (RFP) for Development Legal Services, and

WHEREAS, staff advertised the RFP and received six proposals from qualified firms for Development Legal Services. Staff reviewed and rated the proposals and recommended acceptance of the proposal from Campbell Knutson, P.A. The Development and Operations Advisory Committee has reviewed the proposal and proposed Agreement for Legal Services, and recommends its acceptance, and

WHEREAS, Campbell Knutson, P.A. has also approved and signed the Agreement for Legal Services:

NOW THEREFORE BE IT RESOLVED by the City Council of the City of Isanti, Minnesota:

1. The Agreement for Legal Services between the City of Isanti and Campbell Knutson, Professional Association (as attached) is approved.

This resolution was duly adopted by the Isanti City Council this 4th day of October 2016.

Attested:

_____
Mayor George A. Wimmer

_____
Lindsey Giese
Human Resources/City Clerk

AGREEMENT FOR LEGAL SERVICES BETWEEN THE CITY OF ISANTI AND CAMPBELL KNUTSON, *Professional Association*

THIS AGREEMENT, effective October___, 2016, is by and between the **CITY OF ISANTI,** a Minnesota municipal corporation ("City") and **CAMPBELL KNUTSON, *Professional Association*,** a Minnesota corporation ("Attorney").

NOW, THEREFORE, in consideration of the mutual undertakings herein, the parties hereto agree as follows:

1. SERVICES AND RELATIONSHIP.

A. The Attorney shall furnish and perform general development legal services for the City as follows:

1. Legal Action: The Development Attorney will be involved in any areas where the City faces legal action where the expertise required is specialized and not a part of services provided by the City Attorney's Office.

2. Advisor to the City Council, EDA, Committees and Staff: As requested, the City Development Attorney also acts as advisor to the City Council, EDA and related advisory committees, such as the Development and Operations Advisory Committee, Finance Committee, and RLF Committee. These functions may include attending specific City Council and EDA meetings and committee meetings as are requested by the City Administrator, Economic Development Director or City Council. These activities include the preparation of opinions on development legal issues and procedural matters. May act as City legal Counsel in negotiations and projects involving Developers. The City Development Attorney will need to attend City Council, EDA and other Commission Meetings upon request from the City Administrator and /or designee.

3. Development and Redevelopment Projects: The firm will also provide counsel on matters of economic development activities including development, redevelopment, enforcement, business subsidy requirements, tax abatement, HRA and TIF plan/amendment preparation and property and real estate law and property sales and acquisitions. Review of Grant Agreements (Federal, State, Non-Profit), local loan agreements and TIF, Tax Abatement, business subsidy and development agreements.

4. Miscellaneous Legal Issues: In addition, the Development Attorney's office is involved in areas such as preparation of documents including development agreements and planned unit development agreements, preparation of agreements of a miscellaneous nature, review of transcripts for industrial revenue and tax exempt mortgage financing, negotiation for the acquisition, sale or transfer of title to personal property on development projects.

B. The Attorney shall be engaged as an independent contractor and not as a City employee. The Attorney is free to contract with other entities.

2. TERM.

It is anticipated that these services will be provided by the Attorney to the City of a term of five (5) years from the date of approval of the contract by the City, subject to the following:

A. The Attorney shall serve at the pleasure of the City Council, and this Agreement may be terminated without cause by resolution of the City Council.

B. The Attorney may terminate this Agreement at any time, provided that the Attorney shall give the City sixty (60) days written notice before the termination becomes effective.

3. PAYMENT.

A. *City Services - Attorneys* - $155.00 per hour, *Legal Assistants/Law Clerks* - $80.00 per hour.

B. *Costs*: Out-of-pocket costs are actual costs without mark-up. Costs include:

- Westlaw Research
- filing or recording Fees
- postage of 50¢ or more
- Litigation (court filing fees, expert witnesses, acquisitions, subpoenas, service of process, etc.)

C. The City will pay for services within thirty (30) days of receipt of a statement for services rendered.

4. **INSURANCE AND INDEMNIFICATION.** The Attorney will purchase and maintain sufficient insurance to protect the Attorney against claim for legal malpractice.

5. **MISCELLANEOUS.**

A. *Governing Law.* This Agreement shall be governed by the laws of the State of Minnesota.

B. *Entire Agreement.* This Agreement supersedes any prior or contemporaneous representations or agreements, whether written or oral, between the parties and contains the entire agreement. Any modification or amendment to this Agreement shall require a written agreement signed by both parties.

C. *Data Practices.* The Attorney agrees to abide by the applicable provisions of the Minnesota Government Data Practices Act, Minnesota Statutes, Chapter 13, pertaining to privacy or confidentiality. The Attorney understands that all of the data created, collected, received, stored, used, maintained or disseminated by the Attorney in performing those functions that the City would perform as a government entity, is subject to the requirements of Chapter 13 and the Attorney must comply with those requirements as if it were a government entity. This does not create a duty on the part of the Attorney to provide the public with access to public data if the public data is available from the City, except as required by the terms of this Agreement.

D. *Assignment.* The Attorney may not assign or refer any of the legal services to be performed hereunder without the written consent of the Isanti City Council.

E. *Savings Clause.* If any court finds any portion of this Agreement to be contrary to law, invalid, or unenforceable, the remainder of the Agreement will remain in full force and effect.

F. *Effective Date.* This Agreement shall become effective upon its execution by the City and the Attorney. This Agreement shall not be modified or amended without the approval in writing of the Isanti City Council.

RE: Resolution Accepting Proposal for Software Conversion Assistance Services

The City has committed to conversion this year of its accounting software for Accounts Payable, General Ledger and Payroll from Banyon to Civic Systems. This is part of a planned conversion that began with conversion of the City's Utility Billing System to Civic Systems in 2013. Since we do not have a Finance Director, staff reviewed with the Finance Committee the need for assistance with the software conversion. Since we have an agreement with Abdo, Eick & Meyers (AEM) for interim Finance Director Services, and they are familiar with our accounting systems; a proposal for assistance with the conversion was requested from them.

The Finance Committee has reviewed the proposal from AEM, and met with their representatives to discuss it and software conversion assistance needs. Depending on what services are required, AEM has provided hourly rates and a range of $14,000 - $24,500 for these services, which will occur during and after the conversion to Civic Systems software.

The Finance Committee recommends consideration of the attached Resolution and Proposal from AEM for Software Conversion Assistance Services.

RESOLUTION NO. 2016-

A RESOLUTION ACCEPTING PROPOSAL FOR SOFTWARE CONVERSION ASSISTANCE SERVICES

WHEREAS, the City has committed to conversion of accounting software for Accounts Payable, General Ledger and Payroll to Civic Systems in 2016; and

WHEREAS, the Finance Committee recognizes that with the absence of a Finance Director, additional services are needed to ensure accurate and timely implementation of the new software; and

WHEREAS, Abdo Eick & Meyers LLP is providing interim Finance Director services and is very capable of providing staff assistance with the conversion of accounting software, and

WHEREAS, Abdo Eick & Meyers LLP submitted a proposal to provide Software Conversion Assistance Services; and

WHEREAS, the Finance Committee has reviewed the proposal and recommends it consideration by the City Council.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, as follows:

1. Hereby accepts Abdo Eick & Meyers LLP proposal to the City of Isanti for Software Conversion Assistance Services, dated September 22, 2016, at hourly rates, as per their proposal not to exceed $24,500.

This Resolution hereby approved by the Isanti City Council this 4th day of October 2016.

Attest: Mayor George A. Wimmer

Lindsey Giese
Human Resources/City Clerk

In the event the City selects AEMFS proposal, AEMFS is prepared to enter into an agreement with the City to provide services outlined in the proposal.

ABDO EICK & MEYERS LLP

AEM Financial Solutions™

September 22, 2016

EXECUTIVE SUMMARY

Mr. Don Lorsung
City of Isanti
110 1st Avenue NW
Isanti, Minnesota 55040

Dear Don,

Thank you for the opportunity to submit this proposal to the City of Isanti (the City) for assisting the City with converting their financial software to a new system. In addition, AEM will assist in training the new Finance Director and identify areas of improvement and/or efficiencies that could be created. Based on our experience with the type of work outlined in the proposal, we are confident our experience and expertise will allow us to exceed your expectations. Our proposal will demonstrate to you that AEM Financial Solutions, LLC. (AEMFS) will be the service provider of choice for your City.

Our success has been driven by utilizing staff that is experienced and well trained in governmental planning and operations. We understand attention to detail, project approach, management plan and quality work product are important factors in your selection process. We are confident in our ability to demonstrate we are the firm to select.

Our approach to this project is to engage with the Software vendor and City staff to ensure we have an exceptional understanding of the project, each individual's role in the project, overall expectations and desires as well as exceptions to standard operations. For this project, the software vendor will be providing the direction, City staff will be managing the data from one system to another and City Management will be making management decisions to ensure the software conversion works well. AEM will work with the Software vendor and City staff to ensure appropriate internal controls are accounted for, systems are streamlined and potential pitfalls are avoided.

- **Ability to successfully complete all requirements** - A component of our mission statement is a philosophy that we will assist clients in reaching their maximum potential by open communications and teamwork. This means we will do the following for you:
    - Provide an environment that solicits and welcomes ideas and strategies from the City team
    - Present recommendations in clear, concise and non-technical terms to all members of the City team
    - Collaborate with City team and software vendor to ensure alignment
    - Return phone calls and emails promptly

- **Experience with similar projects** - We believe our experience with similar projects and our expertise in governmental accounting, operational effectiveness, analysis, process and planning is greater than any other CPA or financial advisory Firm in Minnesota.

5201 Eden Avenue, Suite 250
Edina, MN 55436
952.715.3070 | Fax 952.835.3261

- **Understanding of the project and ability of the firm to complete the expected scope or work on schedule and within budget** - AEMFS is committed to providing a team environment that gives us the ability to complete projects on time and on budget. We leverage our staff to ensure the work is being completed by the appropriate individuals, reviewed by the President and signed off on by the CEO. We understand the parameters and expectations of this project and will complete the expected scope of work on schedule and within budget.

- **Accomplishing project objectives** - Our approach to a project is heavily dependent on communication and technology. We believe that listening to our clients' needs, concerns and challenges is of upmost importance for a successful project. Our experience in internal operations, processes, procedures, analysis of outputs and knowledge of financial software packages allows us to partner with the City to assist in the remaining components of the financial system conversion.

We look forward to meeting with you to discuss our proposal, and appreciate this opportunity to present AEMFS for your consideration. We will contact you within two weeks to discuss your interest in our services and provide any further information you may need.

Sincerely,

AEM Financial Solutions, LLC

People + Process®
Going Beyond the Numbers

People

Hire

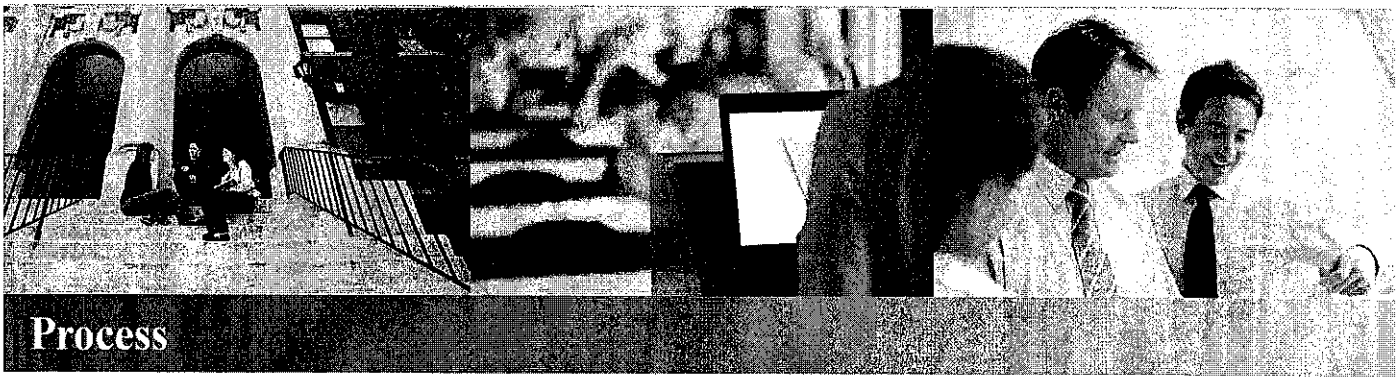
We focus recruiting efforts on Minnesota state colleges and universities. Innovative recruiting strategies, including a strong social media presence, allow us to attract top talent.

Train

We've invested in a state-of-the-art, on-site training facility and a full-time Learning Director to ensure our team is prepared to exceed your expectations.

Reward

We focus on client results and reward our team based on specific goals, not hours billed.



Process

Listen

Our process begins with listening. We invest time to better understand your goals and challenges.

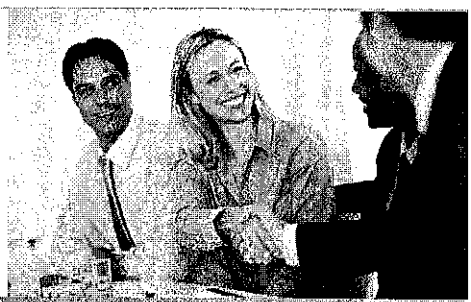
Engage

Active engagement with DFK International and domestic industry associations allows us to provide maximum value to your organization.

Deliver

Combing our internal expertise and technological resources with what we've learned about you allows us to deliver a solution that exceeds your expectations.

DFK 35th ANNIVERSARY
INTERNATIONAL/USA 1978-2013



Going Beyond the Numbers

FIRM QUALIFICATIONS AND EXPERIENCE

For over 50 years, we've helped local governments throughout Minnesota serve their communities more efficiently. As the leading governmental auditing firm in the state, we provide accounting, financial, and audit services to over 200 governmental entities. In 2009, we established AEM Financial Solutions, LLC (AEMFS) a company dedicated to providing day-to-day accounting and financial management services for local governments. The success of AEMFS stems from having over 17 years of government finance and audit experience, six years of Big Four accounting Firm, and over 50 years of providing governmental services in Minnesota.

As an integral part of your team, we work with you to deliver one-of-a-kind solutions for improving best practices in your entire organization. You can expect to work with our partners and managers to resolve issues ranging from operational effectiveness to long term planning and workflow.

AEMFS is a division of Abdo, Eick & Meyers, LLP (the Firm). Overall the Firm has a professional staff of more than 131 in its Edina and Mankato offices. AEMFS specializes in the governmental industry. The following summarizes the type of services we provide.

Governmental Client Services

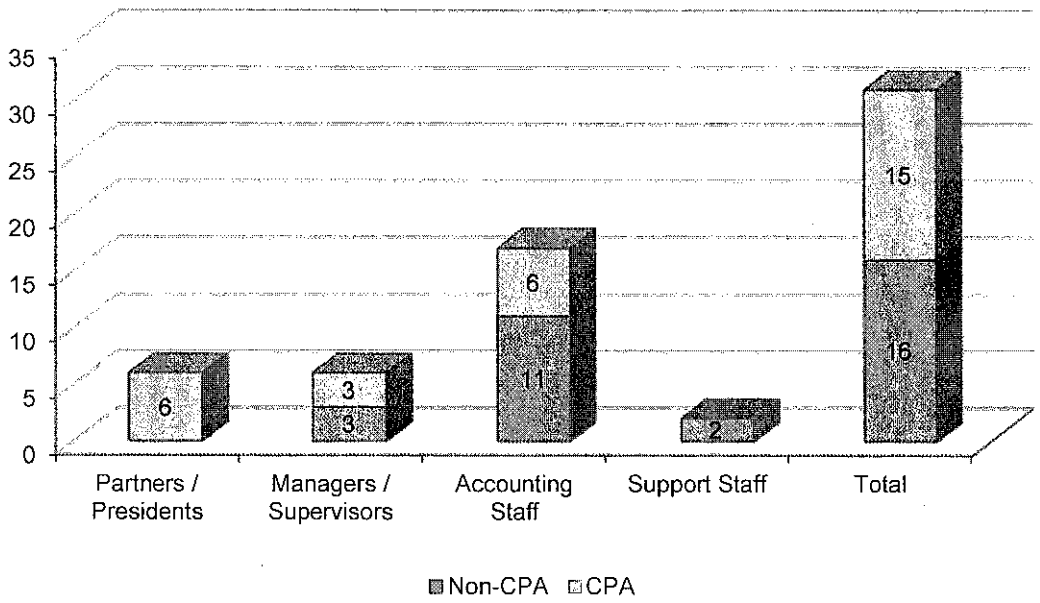
Our governmental client base is composed of cities, municipalities and other public entities. They are as follows:

- Process evaluation studies and recommendations
- Finance software system conversions
- Operational effectiveness
- Work flow implementation
- Request for Proposal development
- Project feasibility analysis
- Rate studies, long term strategic planning and capital improvement planning
- Budget development and analysis
- Finance director services for approximately 17 cities.
    - 2 municipal clients receive the GFOA's certificate of achievement for excellence in financial reporting

Personnel

AEMFS has a tremendous level of expertise and experience in providing Governmental services. Detailed biographies can be found in Appendix C. This detail will demonstrate that when combined, we have over 55 years of providing solutions to governmental entities along with over 25 years of private sector experience.

Our substantial governmental client base and commitment of staff to governmental services has provided our firm with the competence to serve your professionally and efficiently.

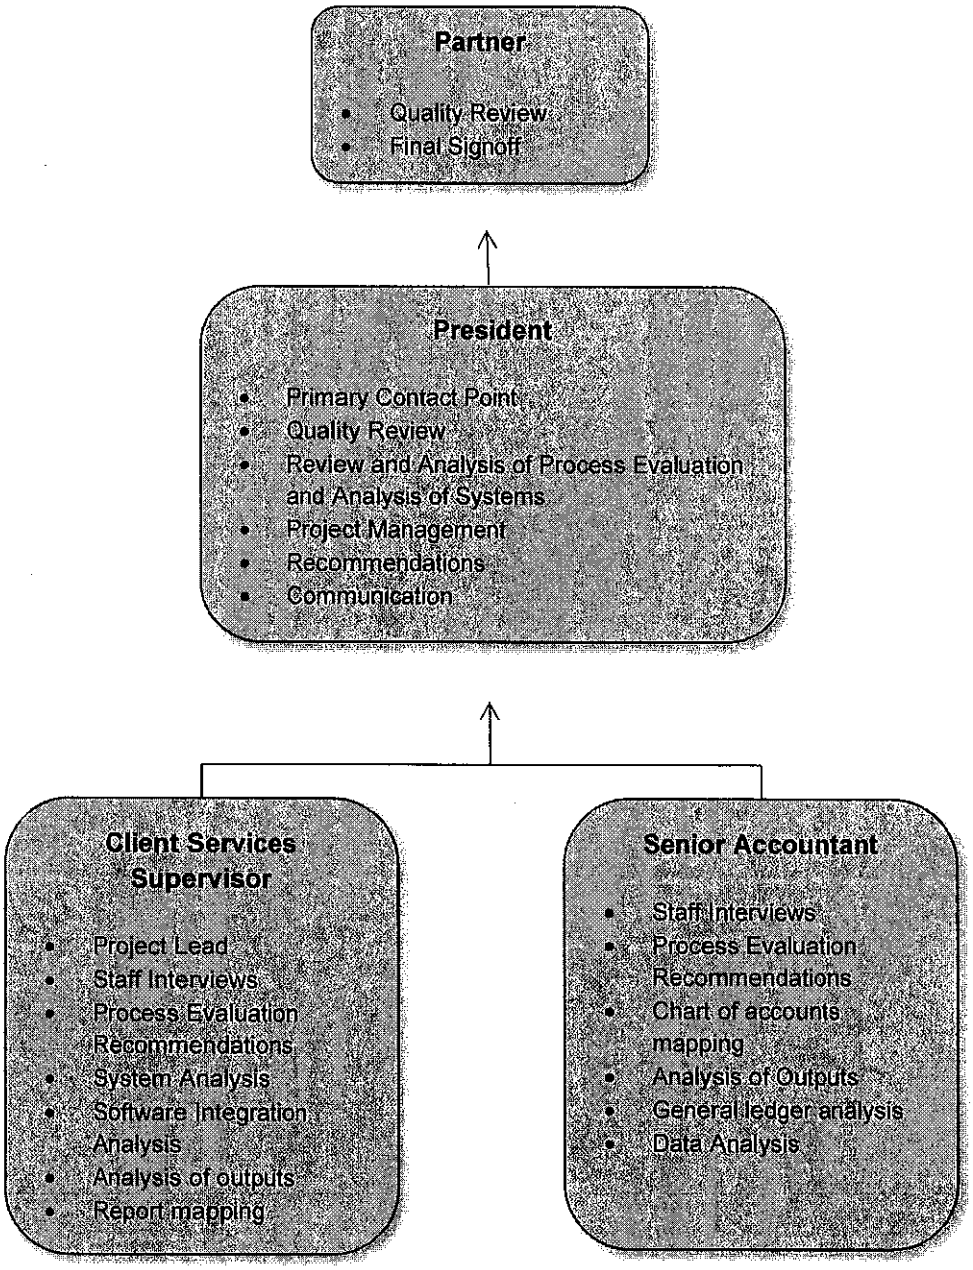


People + Process. Going Beyond the Numbers

FIRM QUALIFICATIONS AND EXPERIENCE - CONTINUED

Organization Chart

Each component of our work encompasses a detailed analysis of work performed by all staff members ending with a final sign off based on compliance with our internal requirements. The organizational chart below outlines the roles and responsibilities of our team members.



People +Process. Going Beyond the Numbers

PROJECT TEAM

AEMFS will have two primary staff members assigned to this project. Please see Appendix C for biographies. From time to time, we may call on others within AEMFS or the Firm for additional support. An organization chart depicting roles and responsibilities of each team member is included in the Executive Summary section of our proposal. Jean McGann, CPA is the single contact for all City inquiries. If this should change, we will notify the City immediately.

PROPOSED SCHEDULE

The schedule for this project is being directed by the software vendor. The software vendor has scheduled six days of on-site training during the month of December. In addition, there will be one to two days of training in January. We anticipate there will be four to five days of additional time required to ensure data has transferred correctly and all accounts are reconciled. This includes the potential of having an AEM representative assist with transactional parallel processing for two days.

APPROACH

Project Approach

The following information outlines the approach we will take for the project.

There are four phases to this project that can be clearly defined. Each phase and the expected outcomes are outlined below.

Training

The first step to this project is to participate in the training provided by the vendor. AEM will ask questions and provide guidance/direction to City staff regarding accounting rules, regulations and best practices. City Management will make all management decisions regarding software parameters and installation.

Data Conversion

The software vendor is the primary point of contact for the conversion of data from Banyon to Civic Systems. City staff and the software vendor will run parallel processing to ensure software is functioning and processing correctly. AEM will review the outcomes of the conversion and provide input for resolution of issues. AEM will also provide guidance to City staff on the appropriate reconciliation procedures as well as best practices.

In addition, the City may have a need for additional staff assistance during the conversion period to process transactions on the existing software system. AEM will provide a staff member that is knowledgeable of the existing system for a period of two days, to process transactions. City staff will review, approve and commit the transactions to the financial system.

Month-End Close

The software vendor, City staff and AEM will participate in the first month-end close process. The software vendor will provide additional training and direction for the month-end close, city staff will perform their typical processes/functions based on their role and AEM will provide oversight/guidance on the month end reconciliation and close process.

Other

AEM will assist in training the new Finance Director and identify areas of improvement and/or efficiencies that could be created.

City Expectations

As part of the Financial Management Process Evaluation, the City agrees to:

- Devote uninterrupted time to working with us as needed
- Make candid representations about your plans and expectations
- Make all management decisions and perform all management functions
- Provide an individual responsible to review and accept our work

APPROACH - CONTINUED

Service Guarantee

Our work is guaranteed to the complete satisfaction of the customer. If you are not completely satisfied with the services performed by AEMFS, we will, at the option of the City, either refund the price or accept a portion of said price that reflects the City's level of value received. Upon payment of each of your scheduled payments, we will judge you have been satisfied.

Price Guarantee

Furthermore, if you ever receive an invoice without first authorizing the service, payment terms, and price, you are not obligated to pay for that service.

City Financial Investment

The investment by the City is outlined below

Contractor's Employee	Hourly Rate
Gayle Bauman, Client Services Manager	$185
Client Services Accountant	$145

Gayle Bauman will participate in the six days of training in December and two days of training In January for month-end close. We also anticipate Gayle Bauman spending approximately three to four days assisting with reconciliations processes to ensure systems are working correctly. The time estimate outlined below anticipates the time outlined in this proposal for our Client Services Manager to be above and beyond the Accounting Services Agreement of one and one half days per week.

A Client Services Accountant will be available to assist with parallel processing. This Client Services Accountant is well versed in Banyon processing. By having the Client Services Accountant doing the parallel processing, City staff will have additional time available to work on the conversion.

We anticipate the total investment by the City to be between $14,000 - $24,500. The significant variance between the low and high estimate is dependent on if the City selects to have our Client Services Accountant perform the parallel processing and the number of hours of training required for the new Finance Director.

Initial invoice will be at end of first fifteen (15) day period after the execution of this agreement. Installment fees will be invoiced on a monthly basis throughout the remainder of this Agreement.

Conclusion

Throughout this process we will be in constant communication with the City team to ensure their needs are being met. By utilizing our operational experience as well as our knowledge of governmental accounting, our 50 plus years of experience providing services to Minnesota municipalities and our knowledge of regulations in the State of Minnesota we will provide the City information and recommendations for financial processes. We are excited about this opportunity and the benefits the City will recognize as the software system is fully converted.

SIMILAR ENGAGEMENTS WITH OTHER GOVERNMENTAL ENTITIES

We have long-term relationships with many cities in Minnesota and have provided a sample of references of those we have completed a process evaluation, mapping services, strategic planning, capital planning and other large projects. Additional references are available upon request.

MEMO

To: Mayor Wimmer and City Council

From: Don Lorsung, City Administrator

Date: September 23, 2016

Subject: Resolution Approving Audit Services Proposal

Staff received 5 proposals from qualified firms for annual City Audit and related financial services. Staff reviewed and rated the proposals from the firms. Staff recommended consideration of the proposal from Abdo, Eick & Meyers, LLP (AEM). The Finance Committee reviewed the proposal and met with representatives from AEM. The Finance Committee is recommending acceptance of the proposal for Audit Services from AEM.

Attached for your consideration is a Resolution and the Proposal for Auditing Services from AEM.

RESOLUTION NO. 2016-_____

A RESOLUTION APPROVING AUDIT SERVICES PROPOSAL

WHEREAS, the City of Isanti City Council approved a Request for Proposals (RFP) for annual City Audit and related Financial Services, and

WHEREAS, staff advertised the RFP and received five proposals from qualified firms for City Audit and related Financial Services. Staff reviewed and rated the proposals and recommended acceptance of the proposal from Abdo, Eick & Meyers, LLP (AEM). The Finance Committee reviewed the proposal and met with representatives from AEM. The Finance Committee recommends its acceptance.

NOW THEREFORE BE IT RESOLVED by the City Council of the City of Isanti, Minnesota:

1. The Proposal for Auditing Services from Abdo, Eick and Meyers, LLP, dated August 31, 2016, is approved.

This resolution was duly adopted by the Isanti City Council this 4th day of October 2016.

Don Lorsung
City of Isanti
110 1st Ave NW
PO Box 428
Isanti, Minnesota 55040

Dear Don Lorsung

Thank you for the opportunity to submit this proposal to City of Isanti (the City) for audit services. We appreciate the opportunity to have served you and welcome the opportunity to continue as your auditor. Based on our conversation and our experience with cities, we are confident that Abdo, Eick & Meyers, LLP (the Firm) will continue to be a great fit. The attached proposal will demonstrate to you that our firm will be a great service provider for your City.

What we have heard you say...

- The team assigned to our audit should be experienced with governmental auditing.
    - The team assigned to your audit has over 80 total years of experience providing outstanding services for Minnesota cities. Please refer to the biographies in the Professional Bios section for specific information.
- It is important to us that the firm we select is active in the government associations
    - Our government sector leader, Andy Berg, serves on the board of the Minnesota Government Finance Officer Association and has been active in this organization for over 15 years. In addition, two other staff members serve on committees in GFOA. Our firm is active in the MN League of Minnesota cities as a Business Associate member, attending conferences and events. Finally, we are active in the City Clerks Association, attending the annual conference, speaking on current events and providing our expertise when presented the opportunity.
- Experience working with similar organizations.
    - For over 50 years, the Firm has been providing professional auditing services to Minnesota cities just like yours. We currently audit over 100 Minnesota cites. Please refer to the list in the appendix to view all our valued clients.

Our success has been driven by utilizing staff that is experienced and well trained in governmental operations. The Firm recognizes that its most important product is prompt and effective service of the highest quality. The quality of our service allows us an opportunity to be an integral part of your finance team. We know that communication, expertise, education and audit approach are important factors in the City's relationship with an audit firm. We have addressed each factor as follows:

Communication - A component of our mission statement is a philosophy that we will assist clients in reaching their maximum potential by open communications and teamwork. This means we will do the following for you:

- Present a clear audit plan to you well before year end.
- Use of portal technology to share and collaborate documents.
- Provide an entrance / exit conference that not only addresses audit issues, but offers suggestions to make your work easier.
- Return phone calls and emails promptly.
- Respond to phone calls and routine questions without additional charge.

Expertise and Experience of our Team - We believe that our experience with government entities in Minnesota is greater than any other CPA firm.

- We audit over 200 units of government in the state of Minnesota. ,including several cities as listed in this proposal.
- Our dedicated staff members devote 90 percent of their time to government services.
- In total, we spend over 64,000 hours annually serving governments similar to yours.

5201 Eden Avenue, Suite 250
Edina, MN 55436
952.835.9090 | Fax 952.835.3261

Education and Resources - The Firm is committed to providing a team environment that fosters growth and development through continuous training and learning. The following demonstrates our commitment to professional training:

- We have lead seminars for MnGFOA, MASBO, and several other trade groups that serve governments.
- We have a full-time Learning Director who mentors staff and ensures they receive customized training for governments. This position is staffed by a training professional and not an accountant designated as a trainer.
- We have assisted many cities in successfully preparing and applying for the GFOA's Certificate of Achievement for Excellence in Financial Reporting program.
- We provide client training seminars.

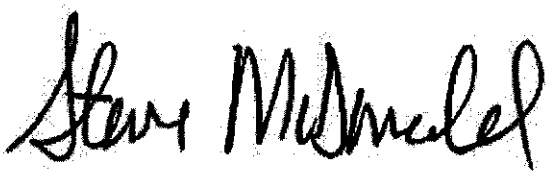
Audit Approach - Our approach to an audit is heavily dependent on technology and communication.

- We have had a completely paperless audit process since 2003 for 100 percent of our clients.
- As mentioned above, we use portal technology to share documents. We are one of the first firms to implement this process just as we were one of the first firms to implement paperless auditing.

We look forward to meeting with you to discuss our proposal, and appreciate this opportunity to present our Firm for your consideration. This information is an irrevocable offer to perform audit services for the 90 day period from the date of this letter. We will contact you to discuss your interest in our services and provide any further information you may need.

Sincerely,

Abdo, Eick & Meyers, LLP
Certified Public Accountants & Consultants



Steven R. McDonald, CPA
Managing Partner

Welcome to ABDO, EICK & MEYERS, LLP

"The investments into our People and Process make a difference for you, our valued client. We focus on the challenges and needs that are relevant to your business or government agency. This allows us to be thoughtful in our approach in providing you with the best solutions, and leaves you assured in the value of our deliverable."

Steve McDonald - Managing Partner

People + Process® Going Beyond the Numbers

People

Hire

We focus recruiting efforts on Minnesota state colleges and universities. Innovative recruiting strategies, including a strong social media presence, allow us to attract top talent.

Train

We've invested in a state-of-the-art, on-site training facility and a full-time Learning Director to ensure our team is prepared to exceed your expectations.

Reward

We focus on client results and reward our team based on specific goals, not hours billed.

Process

Listen

Our process begins with listening. We invest time to better understand your goals and challenges.

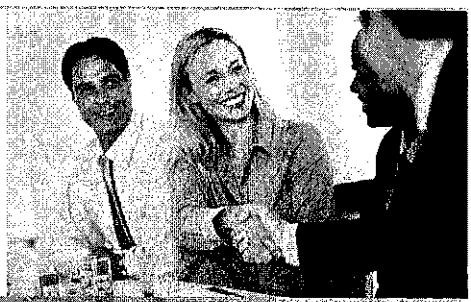
Engage

Active engagement with DFK International and domestic industry associations allows us to provide maximum value to your organization.

Deliver

Combing our internal expertise and technological resources with what we've learned about you allows us to deliver a solution that exceeds your expectations.

DFK 35TH ANNIVERSARY INTERNATIONAL/USA 1978-2013



Going Beyond the Numbers

Firm Qualifications and Experience

Abdo, Eick & Meyers, LLP (the Firm) has a professional staff of more than 131 in its Edina and Mankato offices. The two offices serve clients of all sizes and industries, but 25 percent of our business is dedicated to serving the municipal industry. Our Firm's ability to serve you is evidenced by our significant governmental client base and the capabilities of our personnel. The following summarizes the type of governmental services we provide:

Governmental Client Base

Our governmental client base is composed of cities, municipalities and other public entities. They are as follows:

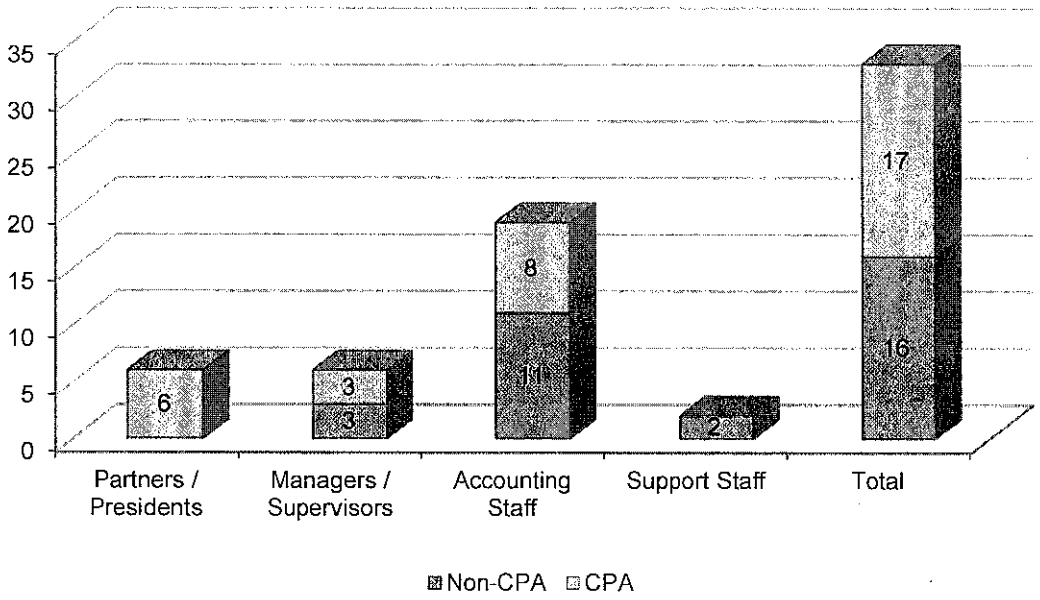
- Audit services for approximately 100 cities.
    - 19 municipal clients receive the GFOA's Certificate of Achievement for Excellence in Financial Reporting.
- Finance director services for approximately 12 cities.
    - 2 municipal clients receive the GFOA's Certificate of Achievement for Excellence in Financial Reporting.
- Audit services for approximately 63 fire relief organizations.
- Audit services for the State of Minnesota Public Employees Retirement Association, Office of the Legislative Auditor and the Minnesota House of Representatives.
- Audit services for EDA's and HRA's.

The audit will be performed by our Edina office, including field supervision and review.

Audit services are provided on an annual basis for a total of approximately 200 clients including cities, school districts, fire relief organizations, city owned utilities, the State of Minnesota Office of the Legislative Auditor, the Minnesota House of Representatives and stand-alone EDA's and HRA's.

Personnel

Our firm has committed a substantial component of our staff to governmental services. The following table shows the number of our professional staff dedicated governmental services by position within the firm.



Our substantial governmental client base and commitment of staff to governmental services has provided our firm with the competence to serve your professionally and efficiently.

LICENSED TO PRACTICE IN MINNESOTA

The Firm and its entire CPA staff hold licenses to practice in the state of Minnesota. All licenses are in good standing. The Firm and several of its owners are licensed in other states and also are in good standing. The Firm's CPA's are all members in good standing with the Minnesota Society of CPA's and the AICPA. Our professional staff and membership in professional associations indicates that the services we provide to your City will be of the highest quality.

INDEPENDENCE

Our standards require that we be without bias with respect to your operations. The Firm is independent of City of Isanti (the City) and its component units, as defined by auditing standards generally accepted in the United States of America and the U.S. General Accounting Offices' "Governmental Auditing Standards".

The Firm has not been engaged by the City or any of its agencies, component units or oversight units for the past five years. Because the Firm is required to follow GAO independence standards mentioned in the previous paragraph, any prior relationships would not constitute any conflicts of interest relative to performing the proposed audits. Also, the Firm shall give the City written notice of any relevant professional relationships entered into during the period of this agreement.

SPECIFIC AUDIT APPROACH

We will audit the basic financial statements of the City for the year ended December 31 in accordance with the following standards:

- Auditing Standards Generally Accepted in the United States of America.
- *Government Auditing Standards*, issued by the Comptroller General of the United States.

Our audit will be for the purpose of expressing an opinion on the basic financial statements, and will include such auditing procedures as considered necessary to accomplish this purpose. We will also provide an "in-relation-to" opinion on the combining and individual fund financial statements, any other supplemental information and statistical schedules. We anticipate issuing the following reports:

- Independent Auditor's Report on the basic financial statements.
- Auditor's Report on Legal Compliance pursuant to the *Minnesota Legal Compliance Audit Guide.*
- Independent Auditor's Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards*.

In addition, we will assist the City with preparation of the following:

- All basic and fund financial statements required by GASB Statement No. 34
- Notes to the financial statements
- The following additional statements and schedules:
    - Combining and individual fund financial statements
    - Budgetary comparison schedules

SPECIFIC AUDIT APPROACH - CONTINUED

In addition, we will deliver to the City with a management letter that will provide written appraisals of its accounting and related systems. This letter will identify any control deficiencies, significant control deficiencies or material weaknesses that are identified during the audit.

We will work with management before audit fieldwork and during the course of the audit to assess internal controls and review mitigating controls in place in an effort to reduce the control deficiencies, significant control deficiencies and material weaknesses that need to be reported to management in writing, assuming there are mitigating controls in place. The letter will also offer recommendations for the elimination of weaknesses that we identify. We will suggest any methods we discover to help improve efficiency and effectiveness. We will schedule an appearance with the City Council that allows an opportunity for us to present the audit and management letter.

This is an excellent time for the City to resolve any questions they have regarding our audit or management letter. As mentioned earlier, the value in hiring our Firm comes from not only the audit, but from our experience and the education we can provide. As questions or concerns arise throughout the year, we encourage the City staff to contact us and draw on our knowledge and experience.

Non-significant deficiencies discovered during the audit process will be reported in a separate letter to management and the City. Such deficiencies will be referred to in the report(s) on internal controls. This separate letter also informs the City Council of the following:

- The auditor's responsibility under auditing standards generally accepted in the United States of America.
- Significant accounting policies.
- Management judgments and accounting estimates.
- Significant audit adjustments.
- Other information in documents containing audited financial statements.
- Disagreements with management.
- Management consultation with other accountants.
- Major issues discussed with management prior to retention.
- Difficulties encountered in performing the audit.

Workpaper Retention

All working papers and reports will be retained at the Firm's expense for a minimum of seven years, unless the Firm is notified in writing by the City of the need to extend the retention period. The Firm will be required to make working papers available, upon request, whether or not the Firm is engaged by the City, to the following parties or their designees:

- City of Isanti.
- Minnesota Office of State Auditor.
- U.S. General Accounting Office (GAO).
- Parties designated by the federal or State governments or by the City as part of an audit quality review process.

Successor Auditors

In addition, the Firm shall respond to the reasonable inquiries of successor auditors and allow successor auditors to review working papers relating to matters of continuing accounting significance.

SPECIFIC AUDIT APPROACH - CONTINUED

Level of Staff and Hours Assigned to Segment

Our approach to the audit of your City can be demonstrated by the level of staff assigned to each segment of the audit as well as our segmentation of the audit into the major steps to be performed.

	Hours				
Date/Segment	Partner	Manager	Accounting Staff	Support Staff	Total
December					
Preliminary fieldwork	8	4	16	2	30
March					
Fieldwork	20	20	80	4	124
March					
Report preparation/review	4	8	34	6	52
March/April					
Exit conference and draft discussion	1	1	-	-	2
April					
Presentation at City Council meeting	-	2	-	-	2
Total hours	33	35	130	12	210

Fees

Our fees are determined based upon the hourly rates of the individuals to be assigned to complete the audit. Our fees are based on the City's staff assisting us whenever possible with audit schedules. We will provide a detailed audit plan and prepare a list of schedules upon proposal acceptance. We will schedule the audit for the 2016 financial statements as outlined in the RFP. The above table summarizes our proposed segmentation of the engagement.

We have not anticipated any additional hours for new audit or accounting standards. Accounting or audit standard changes may result in increased hours.

As mentioned above, the fee estimate is based on the assumption the City staff completes our detailed audit plan, which is provided prior to year-end.

SEGMENTATION OF ENGAGEMENT

Preliminary Fieldwork

Our goal in preliminary fieldwork is to gain a thorough understanding of your internal controls, processes and procedures. The completion of these elements allows us to minimize the fieldwork required to complete the audit. Our preliminary work focuses on planning and internal control documentation.

Planning

We envision the following process during the planning phase:

1. Establish understanding of services to be performed.
2. Complete our client continuance procedures and address any independence issues.
3. Document our understanding of your entity and compile risks identified.
4. Document significant processes and activities.
5. Perform required fraud "brainstorming" with audit team.
6. Assess risk of material misstatement arising from errors or fraud at entity level.
7. Agree on timing and deliverables thru an entrance meeting.
8. Develop overall audit strategy.

Internal Control Documentation

Our internal control documentation usually occurs prior to our arrival for fieldwork. Our documentation process will be as follows:

1. Gather or update documentation for significant processes defined in our preliminary fieldwork.
2. Perform a "walk-through" of these significant processes.
3. Ask "what can go wrong" questions.
4. Identify controls in place. This will include both preventative and detective controls.
5. Evaluate the design of internal controls.
6. Decide whether to test and rely on controls.

Fieldwork

We assess risks, design procedures and obtain evidence to support financial statement amounts and disclosures during fieldwork. Our Firm utilizes a methodology designed for government units. Our process emphasizes continuous communication with your staff.

Assess Risks and Design Procedures

As outlined in the risk based suite of audit standards, our Firm will use a risk-based approach to the audit. Our procedures to assess risks and design procedures are as follows:

1. Assess risk of material misstatement from errors or fraud based on internal controls combined with inherent risk of significant accounts.
2. Design procedures to test controls if considered necessary.
3. Design procedures to test details of account balances and classes of transactions based on risk.

Perform Interim and Year-end Testing

1. Perform tests of controls if considered necessary.
2. Perform tests of details of account balances and classes of transactions.
3. Evaluate quality and sufficiency of audit evidence.
4. Evaluate misstatements.

SEGMENTATION OF ENGAGEMENT - CONTINUED

Preparation of Audit Report and Management Letter

After reviewing the financial statements, notes and required supplementary schedules, we will agree the data to our working papers and provide a thorough review of all information by using written Firm standards and checklists. We will also review and incorporate any statistical data. This will verify appropriate presentation and disclosure. We will also, at this time, prepare our management letter that identifies critical financial trends and recommendations for improvement, provides required communications to the City Council, and discusses changes in the environment in which government operates.

Audit Completion

After the previous segments mentioned are complete, we will be ready to finalize the audit. During this stage we will complete the following procedures:

1. Complete subsequent events review procedures and review legal and representation letters.
2. Complete final overall analytical review procedures.
3. Communicate significant deficiencies and material weaknesses.
4. Conduct exit conference.
5. Issue an audit opinion.
6. Assemble audit documentation.

Our segmentation of the engagement provides for a logical and orderly sequence to achieve a thorough audit of the City's accounts.

Analytical Procedures

Analytical procedures are defined in Statement on Auditing Standards No. 56, "Analytical Procedures" as evaluations of financial information made by a study of plausible relationships around both financial and non-financial data. They are required in the planning and final review stage, but our Firm encourages staff to use in substantive testing where possible. Our Firm management directs the use of analytical procedures as follows:

Planning

The objective for analytical procedures at this stage is to direct attention to likely misstatements. We use trend analysis to meet our objective in planning. Examples of trend analysis would be comparison to budget for funds that adopt a budget and/or comparison to prior year. We also may consider comparison among three to five years. Additional testing may result if the expectations established at the start of the trend analysis are not met.

Substantive Testing

The objective of analytical procedures at this stage is to support or refute financial statement account balances. We have found that analytical procedures are more efficient and can be more effective than tests of details. Depending on the make-up of the account, we will use trend analysis, ratio analysis and/or modeling.

Final Review

The objective is to review the reasonableness of financial statement account balances. We use trend analysis to meet our objectives. This trend analysis is completed on final audited amounts.

SEGMENTATION OF ENGAGEMENT - CONTINUED

Use of Technology to Conduct the Audit

The Firm has been paperless since 2003. In addition, we have purchased a trial balance and financial reporting software for producing financial statements that are directly linked to your trial balance, which we will download from your system at the start of the audit. Likewise, we expect to extract various other information from your accounting system and other various electronic spreadsheets that the City staff have prepared.

We use portal technology to share and collaborate documents. We are one of the first firms to implement this process just as we were one of the first firms to implement paperless auditing. Portal technology enables you to log into a secure server to access and upload documents. Here are the benefits of portal:

Security

- Files containing sensitive information no longer have to be emailed.
- You have a secure login.

Instant Delivery

- You no longer have to wait for deliverables to arrive via mail; as soon as the files are completed, they will be published to your portal site.
- You will be able upload any information to the portal site for immediate retrieval rather than sending via mail or email.
- You will have instant access to the portal site and download documents to your system.
- You will have access to documents all year.

Approach to be Taken in Determining Laws and Regulations Subject to Audit Test Work

We are required to obtain an understanding of the possible financial statement effect of laws and regulations that have a direct and material effect on the determination of financial statement amounts. The determination of laws and regulations are addressed in the planning stage through reading available grant documentation, client inquiries, and a preliminary review of finance system accounts and search of the City Council minutes. We also have working knowledge of the types of laws and regulations Minnesota governments operate under. Further discussion is provided in the section Firm Qualifications and Experience. In addition, we obtain further information about federal laws and regulations through the *Catalog of Federal Domestic Assistance* (CFDA) and the U.S. Office of Management and Budget (OMB) Compliance Supplement.

Approach to be Taken in Drawing Audit Samples for Purposes of Tests of Compliance

Since each program or grant agreement is different, we use a variety of statistical designs in our compliance testing. The size of the sample considers many program factors; size, maturity, complexity, level of oversight and prior audit findings. Ultimately, our professional judgment determines that a representative number of transactions have been selected. You can be confident in our judgment because only senior level (partner, president, manager and supervisor) staff makes decisions on planned compliance testing.

Identification of Anticipated Potential Audit Problems

At this time, we do not anticipate any potential audit problems. If problems did arise, we carefully work with the City to resolve the matter.

SEGMENTATION OF ENGAGEMENT - CONTINUED

Additional Services

Our role extends beyond delivery of your audit report. We have experience in many other non-audit areas that can be useful to you, and that will help make us a solid reference source. Additional areas where we provide non-audit services are listed below: We can do the following for your City:

- Review TIF Reporting with the OSA and provided assistance implementing corrections based on our review.
- Complete debt studies to analyze outstanding bond issues and methods of repayment.
- Perform a calculation of the GASB 45 Other Postemployment Benefit (OPEB) liability under the alternative measurement method for organizations with fewer than 100 plan members.
- Develop a complete purchase order system with flowcharts and narratives to explain the entire process from requisition to payment, and the use of budgetary controls.
- Provide monthly and quarterly accounting and computer services for general, municipal liquor store, and utility funds.
- Revise client monthly reporting procedures and pool various cash and investment accounts to maximize interest earnings.
- Review bond resolutions to determine the method of financing and tax levies required.
- Complete municipal utility rate study to determine rates needed to cover operating costs and provide for future expansion.
- Create long range financial plans.
- Evaluate and redesign systems to conform to grant accounting requirements.
- Conduct seminars on budget techniques and budget preparation.
- Organize a software demonstration day for clients to review various software products.
- The foregoing non-audit services make our Firm a powerful partner to you.
- Strategic planning facilitation
- Monthly finance meeting facilitation

Summary

The Firm can provide your City with the following:

- Extensive experience with cities and other local government agencies, auditing approximately 200 annually.
- Highly skilled staff that focuses on your needs and looks forward to providing assistance at every opportunity.
- Active partner/president/manager/supervisor participation in the audit process. We are on-site to resolve audit issues and answer questions our clients may have regarding reporting or any other issues.

In addition to the above, our Firm has assisted other cities in obtaining the Certificate of Achievement for Excellence in Financial Reporting for over 25 years. Our staff has extensive knowledge of data extraction, which provides efficiencies during the audit process. The Firm is on the cutting edge of technology to provide efficiencies and cost savings to our clients.

PARTNER AND STAFF QUALIFICATIONS AND EXPERIENCE

The Firm is a member of the American Institute of Certified Public Accountants Division of Firms and has received an unmodified opinion on its Peer Review, a copy of which is attached to this proposal in Appendix B. Our Peer Review, which included governmental audits, was completed in 2014 and resulted in a pass rating.

The Firm has not had any federal or state desk reviews or field reviews of its audits in the last three years. We have had no disciplinary action taken or pending against the Firm during the past three years with state regulatory bodies or professional organizations.

The Firm is committed to a continuing professional education program, which emphasizes the areas of expertise of each member of our professional staff. The Firm is required to comply with *Government Auditing Standards* for each professional practicing in the area of governmental accounting and auditing. We are committed to follow those standards, which result in quality audit services, including continuing education for all staff of forty hours each year. As required by *Government Auditing Standards*, all governmental audit staff receives the required continuing education in the area of governmental auditing and accounting. These policies are monitored internally, reviewed annually and certified periodically by independent Peer Review.

We maintain library facilities which include current professional literature and specific information for the industries that we serve. The Firm library is also reviewed as part of the external quality review program. The Firm has in-house training programs specific to our governmental clients. We also perform auditing and accounting updates for our clients that are organized by our staff. These practices ensure the quality of our staff over the term of engagement.

Our staff participates in activities relating to government accounting and reporting issues through our membership and involvement with the following organizations:

- Minnesota Society of CPA's Governmental Accounting and Auditing Committee
- Minnesota Government Finance Officers Association
- Minnesota Association of Small Cities
- Minnesota Municipal Clerks and Finance Officers Association
- Government Finance Officers Association (GFOA)
- Government Accounting Standards Board (GASB)
- League of Minnesota Cities
- Minnesota Association of School Business Officials (MASBO)

Through our participation in these organizations, and continuing education provided by them, the Firm continues to stay abreast of all current governmental accounting and reporting issues.

We recognize that our most important product is prompt and effective service. We believe the City should work with its CPA firm throughout the entire year. We are available at any time throughout the year to provide any assistance you may need.

Listed on the following pages are the staff members that may be assigned to your audit. As mentioned previously, our staff members have considerable governmental audit experience. This gives us a pool to draw on in addition to the group listed.

We believe Abdo, Eick & Meyers, LLP is an excellent choice as your City's auditors.

Steven McDonald, CPA

Managing Partner

Direct line 952.715.3002
steven.mcdonald@aemcpas.com

Mr. McDonald joined the Firm in 1991 after graduating from Minot State University with a Bachelor of Science Degree in Accounting. He currently serves as Managing Partner and during his tenure the firm has grown to a top 20 Minnesota accounting firm and a top 200 firm in the United States. Steve's vision of continuous improvement and responsiveness to client needs has resulted leading the firm through several strategic mergers and acquisitions, new service line and industry segment development, and annual double digit growth.

When not at work, Steve enjoys cooking, reading, sports of all types and being involved in his three kids' activities.

Qualifications

- Advising clients on strategies that ensure sustainability and profitability
- Structuring merger and acquisition transactions
- Identify new business opportunities and structures that maximize growth
- Develop process improvements that lead to greater communication and efficiencies
- Regional and national speaker on topics relating to strategic planning, business development and internal controls
- 25 years of experience with local governments and nonprofit organizations

Professional Memberships

- American Institute of Certified Public Accountants (AICPA)

What our clients say about us

Abdo, Eick & Meyers have been valued service providers and a fantastic resource to the City of Red Wing over the past 10 years. City leadership views Abdo, Eick & Meyers not only as our auditors but as trusted and capable financial advisors and educators. They are staffed with experienced personnel who provide consistent, timely, and excellent service.

They have been instrumental in improving the City's external financial reporting and assisting us in being awarded the GFOA's Certificate of Excellence in Financial Reporting. The entire team at Abdo, Eick & Meyers have been an integral part of our success at the City of Red Wing.

~ **City of Red Wing** - Marshall Hallock, Finance Director

Abdo Eick and Meyers has continually provided expert advice on any financial statement preparation questions we have had and as a result we have received the GFOA CAFR award for over twenty consecutive years. We like the recommendations on increasing internal controls or just the general discussions about them. The staff is available anytime and questions are answered very promptly. What sets them apart is the experience in governmental accounting and the Governmental partners are actively involved in the audit from beginning to end. Our staff enjoys the communication, especially when implementing new GASB's.

~ **City of Elk River** - Tim Simon, Finance Director

All of the auditors are very knowledgeable and thorough in their work. They are pleasant individuals that are a pleasure to work with. When they question you on a particular entry or situation, they are not critical or negative but very positive and truly want to know the District's reasoning behind what occurred with a particular entry or situation. If something needs correction, they review the corrective action with you and the reasons behind those actions.

I feel very comfortable calling them with questions throughout the year, not just at audit time. I appreciate their willingness to offer good suggestions and resolutions to situations that occur. I feel like I have additional staff that I can consult with at any time on certain accounting situations.

They helped me immensely this past year with some additional assistance in the preparation of the audit since there was some staff turnover in the office in several key positions.

The email communication from the auditors is exceptional. They don't require hours of my time during the audit. They work with each office staff member in their particular area to get the information that they need to perform the testing for the audit. They understand that we all have our routine daily duties to perform and their requests for information are minimal.

They have an excellent staff that gets the draft and final audit information out to the District. Their portal makes this a seamless process.

I would strongly recommend the auditors of Abdo, Eick & Meyer to anyone that is seeking a strong audit team.

~ **Chisago Lakes Area Schools, ISD #2144** - Heide Miller, Director of Business Services

The audit staff has significant experience in governmental audits. We receive information in advance about new reporting requirements as well as information and training to assist us in meeting the continual changes that seem to come our way. As a smaller city we feel Abdo Eick and Meyers provides us with the "expert" resources when infrequent or unusual situations arise. The audit staff is well trained and easy to talk to. The office staff is exceptionally well organized and helpful. Everyone exhibits a "can do" attitude when coordinating the completion and presentation of the yearend audit. Generally when we have a question and call in for advice we receive a response within a reasonable period of time. The City Council appreciates the time the lead auditor spends reviewing the financial statement and answering questions in "plain English."

~ **City of Luverne** - Barb Berghorst, Finance Director

SIMILAR ENGAGEMENTS WITH OTHER GOVERNMENTAL ENTITIES - CONTINUED

What our clients say about us - continued

Since mid-December 2008, when the New Hope finance manager position was vacated, the firm of Abdo, Eick & Meyers (AEM) has assisted the City Council, city manager, department heads and other staff with the financial functions of the City. AEM helped prepare information to get both the 2007 and 2008 audits completed and are in the process of preparing financial information for the 2009 audit (audits are completed by MMKR). Our representatives from AEM have provided history and details on a variety of city funds, helping to educate both the City Council and staff.

AEM has provided recommendations on investment decisions and completed an updated investment policy for the City. Besides preparing the routine monthly department budget reports, AEM also has prepared quarterly budget and investment reports which are provided to the City Council to keep them apprised of the City's financial position.

In 2009, AEM assisted with the implementation of a totally revised budget format to make the document more clear to the City Council and public, including the addition of performance measures and goals. AEM has worked closely with the finance department staff and city department heads, has studied and streamlined many of the functions in the finance area so operations are more efficient, and has assisted with the implementation of new methods to address areas noted for improvement in the annual audits.

Our experience working with AEM staff, Steve McDonald and Kristi Brutlag, has been very positive. They have consistently maintained a calm, professional, and positive attitude. They understand our staff and work within our existing resources. The communication and responsiveness of Steve and Kristi has been excellent. I realize that they have many other clients to deal with, but are usually very prompt on responding to requests for information. I also know that I can discuss any issues with them directly and honestly.

The only other comments I would offer is that the AEM staff we have worked with have helped to expand the City Council's and staff's understanding of the financial workings of the City, they have made some good recommendations on budget issues, they have helped simplify some complex issues and, as an outside consultant, have offered a fresh look at how the City operates financially.

~ **City of New Hope** - Kirk McDonald, City Manager

Inver Grove Heights switched to Abdo, Eick & Meyers for our auditing services in 2014 and we have been very pleased with the results for several reasons. First of all, we have found them to be well planned which made the audit process run smoothly. Secondly, the audit staff were experienced to governmental accounting and asked knowledgeable questions. Third, we were pleased with the amount of fieldwork completed on site with limited follow up required. Finally, we were happy to get new ideas for improvements to audit work papers and preparation. Abdo, Eick & Meyers has exceeded our expectations and provided value to the audit process.

~ **City of Inver Grove Heights** - Kristi Smith, Finance Director

Abdo not only provides the services needed to assure compliance with the required reporting requirements but also have assisted in explaining the audit to me. I can then use the audit as a teaching tool for the City Council so they can understand the financial affairs of the City. The staff at Abdo is always very courteous and helpful. They take the time to explain the accounting principles and to answer questions the City has about entries into our fund accounting. They are always very prompt with a response and offer any suggestions to questions. Whenever I have had to contact Abdo I find the staff to be very helpful in answering my questions. They help me to gain further knowledge about the accounting and finances of the City which helps me to be a better Administrator.

~ **City of Mayer** - Luayn Murphy, City Administrator

I enjoyed working with your group at AEM. The thoroughness, knowledge, and most importantly personality that your audit team brought to St. Anthony is something I have not seen from other firms.

I particularly appreciate AEM's approach to the audit in St. Anthony. Having 3 experienced auditors on site and the partner heavily involved helped move things along and work through each section quickly

~ **St. Anthony New Brighton Schools, ISD #282** - Bill Menozzi, Director of Business Services

SIMILAR ENGAGEMENTS WITH OTHER GOVERNMENTAL ENTITIES - CONTINUED

What our clients say about us - continued

Abdo Eick and Meyers have been trusted with our annual audit for over 10 years. They are approachable, easy to talk with and help keep us on track to meet deadlines. During our pre-audit meetings they assist in outlining timelines to ensure we meet Board deadlines and State reporting requirements. This is done by open communication throughout the audit process so we always know what stage the report is in. Upon completion of their on-site work communication has been excellent as we discuss any open items, establish expectations for completion of those items and determine when a draft will be available for review. Abdo has done an exceptional job of establishing, meeting and exceeding expectations.

~ Cannon Falls Schools, ISD #252 - Josh Davisson, Business Manager

Abdo Eick and Meyers have been our auditor for four years now and each year they have conducted fieldwork in mid to late August. This past year, we requested to move the fieldwork date back two months. They were very accommodating and assured us their work could be completed in time to meet the deadlines. I appreciate they established, communicated, and stuck to the timelines for fieldwork, drafting the financial statements, and allowing us enough time to review. Our reports were submitted on time and presented to the board as scheduled.

Our board really appreciated the manner in which they presented the audit, making it understandable for the board and the public. They were precise and to the point.

It has been a professional pleasure working with Brad Falteysek and his team.

~ Northland Community School, ISD #118 - Dean Johnson, Former Business Manager

Abdo, Eick and Meyers are very thorough in the work they do for the District. They meet with many different levels of staff ranging from District support staff to the School Board. They continuously provide input, feedback and suggestions that allow the District to be proactive instead of reactive. There is not an employee of Abdo, Eick and Meyers that isn't wonderful. The staff is always pleasant and professional. I never thought that I would say I don't mind being audited, but they sure make the experience as seamless and painless as possible. We always receive a response in a very timely fashion. The entire Abdo Eick and Meyers' staff are willing to do what is necessary to help the District. All communications are presented in an understandable, professional format. It has been wonderful working with Abdo, Eick and Meyers. They have a very knowledgeable staff that is always professional, responsive and courteous.

~ St. Anthony New Brighton School District, ISD 282 - Kristen Hoheisel, Former Director of Business Services and currently employed at Stillwater Area Public School

System Review Report

September 10, 2014

To the Partners of
Abdo, Eick & Meyers, LLP
and the Peer Review Committee of the Minnesota Society
of Certified Public Accountants

We have reviewed the system of quality control for the accounting and auditing practice of Abdo, Eick & Meyers, LLP (the firm) in effect for the year ended May 31, 2014. Our peer review was conducted in accordance with the Standards for Performing and Reporting on Peer Reviews established by the Peer Review Board of the American Institute of Certified Public Accountants. As part of our peer review, we considered reviews by regulatory entities, if applicable, in determining the nature and extent of our procedures. The firm is responsible for designing a system of quality control and complying with it to provide the firm with reasonable assurance of performing and reporting in conformity with applicable professional standards in all material respects. Our responsibility is to express an opinion on the design of the system of quality control and the firm's compliance therewith based on our review. The nature, objectives, scope, limitations of, and the procedures performed in a System Review are described in the standards at www.aicpa.org/prsummary.

As required by the standards, engagements selected for review included engagements performed under *Government Audit Standards* and audits of employee benefit plans.

In our opinion, the system of quality control for the accounting and auditing practice of Abdo, Eick & Meyers, LLP in effect for the year ended May 31, 2014, has been suitably designed and complied with to provide the firm with reasonable assurance of performing and reporting in conformity with applicable professional standards in all material respects. Firms can receive a rating of *pass*, *pass with deficiency(ies)* or *fail.* Abdo, Eick & Meyers, LLP has received a peer review rating of *pass*.

SCHEDULE OF PROFESSIONAL FEES AND EXPENSES

City of Isanti
Isanti, Minnesota
Fees and Expenses for the Audit of the
December 31, 2016 to 2020 Financial Statements

Summary Schedule

Year	Audit (Includes Drafting)	OSA City Reporting Form	Total
2016	$ 27,500	$ 680	$ 28,180
2017	27,500	680	28,180
2018	28,150	700	28,850
2019	28,650	715	29,365
2020	29,350	725	30,075
Total	$ 141,150	$ 3,500	$ 144,650

Note: If a Single Audit were required, the estimated cost would be $3,000 for each major program and $200 for the Data Collection Form. Also, Any assistance in filing Attachment O Form is included in the audit fee above. Any renewal of our services past 2016 would be an approximate 2-3 percent increase per year.

As a partner of Abdo, Eick & Meyers, LLP, I certify that I am empowered to submit this bid and authorized to sign a contract with City of Isanti located in Isanti, Minnesota.

MEMO

To: Mayor Wimmer and City Council

From: Don Lorsung, City Administrator

Date: September 23, 2016

Subject: Resolution Approving Agreement for Labor Legal Services

---

Staff received 7 proposals from qualified firms for Labor Legal Services. Staff reviewed and rated the proposals from the firms. Staff recommended consideration of the proposal from the law firm, Madden Galanter Hansen, LLP. The Personnel Committee reviewed this recommendation and a proposed Agreement for Legal Services.

Madden Galanter Hansen LLP has reviewed and agree to the proposed Service Agreement.

Attached for your consideration is a Resolution and Services Agreement for labor legal services from Madden Galanter Hansen LLP.

RESOLUTION NO. 2016-_____

A RESOLUTION APPROVING AGREEMENT FOR LABOR LEGAL SERVICES

WHEREAS, the City of Isanti City Council approved a Request for Proposals (RFP) for Labor Legal Services, and

WHEREAS, staff advertised the RFP and received seven proposals from qualified firms for Labor Legal Services. Staff reviewed and rated the proposals and recommended acceptance of the proposal from Madden Galanter Hansen, LLP. The Personnel Committee has reviewed the proposal and proposed Agreement for Legal Services, and recommends its acceptance, and

WHEREAS, Madden Galanter Hansen LLP has also approved the Agreement for Legal Services:

NOW THEREFORE BE IT RESOLVED by the City Council of the City of Isanti, Minnesota:

1. The Agreement for Legal Services between the City of Isanti and Madden Galanter Hansen, LLP (as attached) is approved.

This resolution was duly adopted by the Isanti City Council this 4th day of October 2016.

Attested:

_____
Mayor George A. Wimmer

_____
Lindsey Giese
Human Resources/City Clerk

AGREEMENT FOR LEGAL SERVICES BETWEEN THE CITY OF ISANTI AND MADDEN GALANTER HANSEN, LLP

THIS AGREEMENT, effective October___, 2016, is by and between the **CITY OF ISANTI,** a Minnesota municipal corporation ("City") and **Madden Galanter Hansen, *LLP*,** a Minnesota Limited Liability Partnership ("Attorney").

NOW, THEREFORE, in consideration of the mutual undertakings herein, the parties hereto agree as follows:

1. SERVICES AND RELATIONSHIP.

A. The Attorney shall furnish and perform general labor legal services for the City as follows:

A. Special labor legal counsel will provide legal advice, legal consultation and perform the necessary negotiations or litigation on legal issues such as labor disputes, personnel issues, and other employee/human resources matters. As requested, labor counsel will assist and advise on mediation or arbitration, or litigation (if not covered by LMCIT). A lead Labor Attorney shall be named for the City, with any Associates to perform services in their absence, as proposed by the firm and approved by the City. Frank Madden and Susan Hansen will serve as the Primary Attorneys under this contract. Services shall be conformance with the City of Isanti's Request for Proposal (RFP) and the Proposal provided by the Attorney.

B. Advisor to the City Council, Committees and Staff: The Labor Attorney will meet with the City Council, Council Committees, or staff at the request of the City Administrator or Human Resources / City Clerk.

C. Collective Bargaining: The Labor Attorney will also provide counsel on matters relating to the City's collective bargaining with organized labor. As directed, the Labor Attorney may serve as the primary negotiator for the City on collective bargaining contracts

D. Miscellaneous Legal Issues: In addition, the Labor Attorney's office is involved in areas such as preparation of documents for grievances, mediations, arbitrations, court hearings or other legal work regarding labor relations or personnel matters, whether organized or non-bargaining.

B. The Attorney shall be engaged as an independent contractor and not as a City employee. The Attorney is free to contract with other entities.

2. TERM.

It is anticipated that these services will be provided by the Attorney to the City of a term of five (5) years from the date of approval of the contract by the City, subject to the following:

A. The Attorney shall serve at the pleasure of the City Council, and this Agreement may be terminated without cause by resolution of the City Council followed by sixty (60) days written notice before the termination becomes effective.

B. The Attorney may terminate this Agreement at any time, provided that the Attorney shall give the City sixty (60) days written notice before the termination becomes effective.

3. PAYMENT.

A. *City Services - Attorneys* - $139.00 per hour, $155.00 per hour for Arbitration or Administrative Hearings and $180.00 per hour for preparation and appearance in court matters. These rates are in effect through August 31, 2017. For each year (12 month time period) thereafter, the rates shall be increased by 3.0%.

B. *Costs*: Out-of-pocket costs are actual costs without mark-up. Costs include:

- Copying ($ 0.15/page), filing or recording Fees, facsimile transmissions ($0.50 per page), Long Distance Telephone Calls
- Mileage (IRS rate)
- Litigation (court filing fees, expert witnesses, acquisitions, subpoenas, service of process, etc.)

C. The City will pay for services within thirty (30) days of receipt of a statement for services rendered.

4. INSURANCE AND INDEMNIFICATION. The Attorney will purchase and maintain professional liability insurance to protect the Attorney against claims for legal malpractice.

5. MISCELLANEOUS.

A. *Governing Law*. This Agreement shall be governed by the laws of the State of Minnesota.

B. *Entire Agreement*. This Agreement supersedes any prior or contemporaneous representations or agreements, whether written or oral, between the parties and contains the entire agreement. Any modification or amendment to this Agreement shall require a written agreement signed by both parties.

C. *Data Practices*. The Attorney agrees to abide by the applicable provisions of the Minnesota Government Data Practices Act, Minnesota Statutes, Chapter 13, pertaining to privacy or confidentiality. The Attorney understands that all of the data created, collected, received, stored, used, maintained or disseminated by the Attorney in performing those functions that the City would perform as a government entity, is subject to the requirements of Chapter 13 and the Attorney must comply with those requirements as if it were a government entity. This does not create a duty on the part of the Attorney to provide the public with access to public data if the public data is available from the City, except as required by the terms of this Agreement.

D. *Assignment*. The Attorney may not assign or refer any of the legal services to be performed hereunder without the written consent of the Isanti City Council.

E. *Savings Clause*. If any court finds any portion of this Agreement to be contrary to law, invalid, or unenforceable, the remainder of the Agreement will remain in full force and effect.

F. *Effective Date*. This Agreement shall become effective upon its execution by the City and the Attorney. This Agreement shall not be modified or amended without the approval in writing of the Isanti City Council.

Request for City Council Action

To: Mayor Wimmer
Members of the City Council

From: Josi Wood
Public Services Director/ Assistant City Admin

Date: October 4, 2016

Subject: Consider Ordinance to Amend City Council Chapter 227 Parking and Storage to include West side of Centennial Dr NW

Background

Due to school buses being staged along Centennial Ave NW and the safety hazard that that presents, Staff is recommending to amend City Code to include no parking signs be placed on the West side along Centennial Drive NW from Spirit Brook Drive SW to Heritage Blvd NW.

DOAC Committee Recommendation:

The DOAC Committee recommends to place no parking signs on the West side along Centennial Drive NW from Spirit Brook Drive SW to Heritage Blvd NW and have language added to City Code to reflect such action.

In order to enforce, amendments are necessary in City Code Chapter 227 and they are as follows:

Sub-paragraph (5), Paragraph C., Parking, Stopping, and Standing Provisions, Section 227-2, Parking Regulations, Article II General Parking Regulations, of Chapter 227 of the Code of the City of Isanti is hereby amended to add the following text:

(k) Along the West side of Centennial Dr NW, from Spirit Brook Dr SW to Heritage Blvd NW.

Staff Request

City staff is requesting action on this item.

Attachment

- Draft Ordinance No. XXX

ORDINANCE NO. XXX

AN ORDINANCE AMENDING CHAPTER 227 PARKING AND STORAGE

THE CITY COUNCIL OF THE CITY OF ISANTI DOES ORDAIN:

Sub-paragraph (5), Paragraph C., Parking, Stopping, and Standing Provisions, Section 227-2, Parking Regulations, Article II General Parking Regulations, of Chapter 227 of the Code of the City of Isanti is hereby amended to add the following text:

227-2. Parking regulations.

C. Parking, stopping and standing provisions.

(5) No parking is allowed on any of the following streets or highway:

(a) Along either side of Third Avenue NW beginning at its intersection with Isanti Parkway NW to the point at which the City of Isanti corporate boundary ends and Isanti Township begins (Jackson St NW).

(b) Along either side of Railroad Ave SE beginning at its intersection with Palomino Road SE to its intersection with Townsedge Road SE. Along the East side of Railroad Ave SE beginning at its intersection with Main Street E to its intersection with Palomino Road SE.

(c) Along either side of County Road 5 NE/NW beginning at its intersection with Trunk Highway 65 heading west to its intersection with Whiskey Road NW.

(d) Along either side of Fourth Ave SW from its intersection with Main Street W heading south to its intersection with Elizabeth St SW.

(e) Along either side of Elizabeth St SW from its intersection with Fifth Ave SW heading east to its intersection with Second Ave SW.

(f) Along either side of Fifth Ave SW from its intersection with Elizabeth St SW heading south to its intersection with S Brookview Ln SW.

(g) Along either side of Second Ave SW from its intersection with Main St W heading south to its intersection with Elizabeth St SW.

(h) Along either side of Isanti Parkway NW, from Third Avenue NW to East Dual Boulevard NE.

(i) Along either side of Broadway St SE, from Highway 65 NE to 6th Ave NE.

(j) Along either side of 6th Ave NE, from Broadway St SE to Heritage Blvd NE.

(k) Along the West side of Centennial Dr NW, from Spirit Brook Dr SW to Heritage Blvd NW.

EFFECTIVE DATE
This Ordinance takes effect upon its passage and publication in the official newspaper of the City of Isanti.

Adopted by the City Council this 4th day of October, 2016.

Request for City Council Action

To: Mayor Wimmer and City Council Members

From: Sean M. Sullivan, Economic Development Director

Date: October 4, 2016

Subject: **Consider Resolution Authorizing Execution of Repayment Agreement with Prairie Senior Cottages of Isanti, LLC for Lot 1, Block 1, Bank Site Second Addition**

On December 1, 2015, the City Council extended the SAC and WAC Deferral program as Resolution No. 2015-289 to help continue to spur development activity. Prairie Senior Cottages of Isanti, LLC has requested the City to execute a Repayment Agreement for Lot 1, Block 1, Bank Site Second Addition for the construction of a 17,000 square foot Senior Memory Care building at 705 6th Avenue NE. The business is in "good standing" upon review of the Minnesota Secretary of State Office as of September 29, 2016. The form of the Repayment Agreement is consistent with the form presented on December 1, 2015 aside from the extension of term from 120 to 240 days. The Repayment Agreement will be dated as of the date that the Building Permit is paid for by the Developer. The REU calculation will be completed when plans are submitted and a permit calculated and the SAC and WAC calculation will be inserted to the Repayment Agreement at that time. Staff is asking the City Council to consider adoption of the attached resolution.

City Council Action:

Consider Resolution Authorizing Execution of Repayment Agreement with Prairie Senior Cottages of Isanti, LLC for Lot 1, Block 1, Bank Site Second Addition

Attachment:

1) Resolution 2016-____ Authorizing Execution of Repayment Agreement with Prairie Senior Cottages of Isanti, LLC for Lot 1, Block 1, Bank Site Second Addition

RESOLUTION 2016-___

Authorization and Execution of Repayment Agreement with Prairie Senior Cottages of Isanti, LLC for Lot 1, Block 1, Bank Site Second Addition

WHEREAS, the City of Isanti extended the SAC and WAC Deferral program on December 1, 2015 which is documented by Resolution 2015-289; and

WHEREAS, A boiler plate Repayment Agreement was drafted by Development Attorney Deike and the City Council directed Staff to utilize this agreement for parties interested in SAC and WAC Deferral for commercial or residential development; and

WHEREAS, Prairie Senior Cottages of Isanti, LLC. (the "Developer") has asked the City to enter into a Repayment Agreement for the property legally described as: Lot 1, Block 1, Bank Site Second Addition (the "Property"); and

WHEREAS, the Developer has stated the it will be the owner of the Property at the time of execution of the Repayment Agreement; and

WHEREAS, the date of the Repayment Agreement will be when the Developer signs prior to payment of the building permit and REU and charges will be calculated at that time; and

WHEREAS, the attached Repayment Agreement terms are changed from 120 days to 240 days for the commercial project; and

WHEREAS, the Developer is registered, active and is in good standing with the Minnesota Secretary of State Office as of September 29, 2016.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota authorized the Mayor and City Administrator to execute the Repayment Agreement attached hereto contingent upon satisfactory proof of ownership witnessed in a recorded instrument of conveyance to the Developer.

This Resolution hereby approved by the Isanti City Council this 4th day of October 2016.

Attest: _____ Mayor George A. Wimmer

_____
Lindsey Giese
Human Resources / City Clerk

(SEAL)

REPAYMENT AGREEMENT

THIS AGREEMENT, made on or as of the ____ day of October, 2016, by and between the City of Isanti, Minnesota, a statutory City under the laws of the state of Minnesota (hereinafter referred to as the "City") having its principal office at 110 First Avenue N.W., Isanti, Minnesota 55040, and Prairie Senior Cottages of Isanti, LLC, a limited liability company under the laws of the State of Minnesota (hereinafter referred to as the "Developer"), having its principal office at 11800 Wayzata Blvd Minnetonka, MN 55305.

WITNESSETH:

WHEREAS, the Developer intends to construct a 17,000 square foot senior memory care building (the "Improvements") on certain real property (the "Property") in the City; and

WHEREAS, in connection with the construction of the Improvements there are certain water and sanitary sewer charges that are payable by the Developer to the City; and

WHEREAS, the Developer has demonstrated to the satisfaction of the City that the Developer is unable to pay the full amount of the charges now and has asked the City to defer such charges and make them payable at a future point in time; and

WHEREAS, the City believes that the development of the Improvements by the Developer is in the best interests of the City and, therefore, it is willing to defer the charges if doing so will facilitate the development and viability of the Improvements.

NOW, THEREFORE, in consideration of the premises and the mutual obligations of the parties hereto, each of them does hereby covenant and agree with the other as follows:

ARTICLE I

Definitions

Section 1.1. Definitions. In this Agreement, unless a different meaning clearly appears from the context:

"Agreement" means this Agreement, as the same may be from time to time modified, amended, or supplemented.

"City" means the City of Isanti, Minnesota, its successors and assigns.

"County" means Isanti County, Minnesota.

"Deferred Charges" means the utility charges described in Section 3.1 of this Agreement being deferred by the City and which the Developer is obligated to pay in accordance with this Agreement.

"Developer" means Prairie Senior Cottages of Isanti, LLC, a Minnesota limited liability company, its successors and assigns.

"Event of Default" means an action by the Developer listed in Article IV of this Agreement.

"Improvements" means the 17,000 square foot senior memory care building to be constructed by the Developer on the Property.

"Property" means the real property described on the attached Schedule A to this Agreement.

"State" means the State of Minnesota.

ARTICLE II

Representations

Section 2.1. Representations by the City. The City makes the following representations as the basis for the undertaking on its part herein contained:

(a) The City is a statutory city duly organized and existing under the laws of the State. Under State law, the City has the power to enter into this Agreement and to perform its obligations hereunder.

Section 2.2. Representations by the Developer. The Developer represents that:

(a) The Developer is a limited liability company duly organized and authorized to transact business in the State, is not in violation of any provisions of its Bylaws or the laws of the State, has power to enter into this Agreement and has duly authorized the execution, delivery and performance of this Agreement by proper action of its President.

ARTICLE III

Deferred Charges

Section 3.1. Deferred Charges. The Developer owes to the City the sum of **$ TBD based on approved building plans to be submitted by Developer** in deferred utility charges. The Deferred Charges consist of **$ TBD based on current rates in place at the time of issuance of permit** in Water Connection Charges and **$ TBD based on current rates in place at the time of issuance of permit** in Sewer Connection Charges. The City has agreed to defer the payment of the Deferred Charges as described in this Agreement.

Section 3.2. Payment of the Deferred Charges. The Developer agrees that it will pay the Deferred Charges to the City on the earliest to occur of the following:

(a) on the date that is two hundred and forty (240) days after the date of this Agreement;

(b) on the date that the Developer sells or transfers the Property or Improvements, or any portion thereof; or

(c) on the date that the City issues a certificate of occupancy for the Improvements.

Interest shall accrue on the Deferred Charges at the rate of zero percent (0%) from the date hereof and continuing until the Deferred Charges and all accrued interest have been paid in full.

Section 3.3. Payment of Costs. The Developer shall pay all costs incurred by the City in connection with the preparation and implementation of this Agreement and related documents, including, without limitation, fees of attorneys related the preparation of this Agreement and related documents, if the Developer fails to complete construction of the Improvements within **two hundred and forty (240)** days after the date of this Agreement.

ARTICLE IV

Events of Default

Section 4.1. Events of Default Defined. The following shall be "Events of Default" under this Agreement and the term "Event of Default" shall mean, whenever it is used in this Agreement (unless the context otherwise provides), any one or more of the following events:

(a) Failure by the Developer to pay when due any payments required to be paid under this Agreement.

(b) The Developer of the following: (i) file any petition in bankruptcy or for any reorganization, arrangement, composition, readjustment, liquidation, dissolution, or similar relief under United States Bankruptcy Laws or any similar Federal or State Laws; or (ii) make an

assignment for the benefit of its creditors; or (iii) admits, in writing, its inability to pay its debts generally as they become due; or (iv) be adjudicated, bankrupt or insolvent.

Section 4.2. City's Remedies on Default. Whenever any Event of Default by Developer referred to in Section 4.1 of this Agreement occurs, the City may take any one or more of the following actions after providing ten (10) days written notice to the Developer of the Event of Default, but only if the Event of Default has not been cured within said ten (10) days:

(a) Declare the entire outstanding balance of the Deferred Charges immediately due and payable.

(b) Terminate this Agreement.

(c) Take whatever action, including legal, equitable or administrative action, which may appear necessary or desirable to the City to collect any payments due under this Agreement, or to enforce performance and observance of any obligation, agreement, or covenant of the Developer under this Agreement.

Section 4.3. No Remedy Exclusive. No remedy herein conferred upon or reserved to the City or Developer is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Agreement or now or hereafter existing at law or in equity or by statute. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the City or the Developer to exercise any remedy reserved to it, it shall not be necessary to give notice, other than such notice as may be required in this Article IV.

Section 4.4. No Additional Waiver Implied by One Waiver. In the event any agreement contained in this Agreement should be breached by either party and thereafter waived by the other party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other concurrent, previous or subsequent breach hereunder.

Section 4.5. Costs of Enforcement. Whenever any Event of Default occurs and the City shall employ attorneys or incur other expenses for the collection of payments due or to become due or for the enforcement of performance or observance of any obligation or agreement on the part of the Developer under this Agreement, the Developer agrees that it shall, within ten (10) days of written demand by the City, pay to the City the reasonable fees of such attorneys and such other expenses so incurred by the City.

ARTICLE V

Additional Provisions

Section 5.1. Representatives Not Individually Liable. No member, official, or employee of the City shall be personally liable to the Developer, or any successor in interest, in the event of

any default or breach or for any amount which may become due to Developer or successor in interest or on any obligations under the terms of this Agreement.

Section 5.2. Titles of Articles and Sections. Any titles of the several parts, Articles, and Sections of the Agreement are inserted for convenience of reference only and shall be disregarded in construing or interpreting any of its provisions.

Section 5.3. Notices and Demands. Except as otherwise expressly provided in this Agreement, a notice, demand, or other communication under the Agreement by either party to the other shall be sufficiently given or delivered if it is dispatched by registered or certified mail, postage prepaid, return receipt requested, or delivered personally; and

(a) in the case of the Developer, is addressed to or delivered personally to Prairie Senior Cottages of Isanti, LLC at 11800 Wayzata Blvd Minnetonka, MN 55305; and

(b) in the case of the City, is addressed to or delivered personally to the City at 110 First Avenue N.W., P.O. Box 428, Isanti, Minnesota 55040,

or at such other address with respect to either such party as that party may, from time to time, designate in writing and forward to the other as provided in this Section.

Section 5.4. Disclaimer of Relationships. The Developer acknowledges that nothing contained in this Agreement nor any act by the City or the Developer shall be deemed or construed by the Developer or by any third person to create any relationship of third-party beneficiary, principal and agent, limited or general partner, or joint venture between the City and the Developer or any third party.

Section 5.5. Modifications. This Agreement may be modified solely through written amendments hereto executed by the Developer and the City.

Section 5.6. Counterparts. This Agreement may be executed in any number of counterparts, each of which shall constitute one and the same instrument.

Section 5.7. Judicial Interpretation. Should any provision of this Agreement require judicial interpretation, the court interpreting or construing the same shall not apply a presumption that the terms hereof shall be more strictly construed against one party by reason of the rule of construction that a document is to be construed more strictly against the party who itself or through its agent or attorney prepared the same, it being agreed that the agents and attorneys of both parties have participated in the preparation hereof.

IN WITNESS WHEREOF, the City has caused this Agreement to be duly executed in its name and behalf and the Developer has caused this Agreement to be duly executed in its name and behalf on or as of the date first above written.

CITY OF ISANTI
PARKS, RECREATION, AND CULTURE BOARD
MEETING MINUTES
August 23, 2016
City Council Chambers

1. Meeting Opening.

A. Call to Order.
Zdon called the meeting to order at 6:00 p.m.

B. Pledge of Allegiance.
Everyone stood for the Pledge of Allegiance.

C. Roll Call.
Members Present: Jennifer Garvey, Mayor Wimmer, James Witte, and Aaron Zdon
Staff Present: Katie Everett, Community Events and Parks Coordinator

D. Agenda Modifications.
Zdon asked if there were any agenda modifications. There were none.

Motion by Garvey, second by Wimmer to approve the August 23, 2016 Parks, Recreation, and Culture Board Agenda. Motion was unanimously approved.

2. Approval of Minutes from July 26, 2016 Parks, Recreation and Culture Board Meeting.

Motion by Garvey. Second by Wimmer. Vote was unanimously approved.

3. Consider Replacing Unity Park Field Sign in 2016

Everett explained that she has recently done a park check similar to what the board did last year and found that the Unity signs are pretty rough and have kind of just not been noticed. She pointed out the pictures of the current signs and explained the idea for the new sign. She stated that her biggest question is whether or not we want to put two signs back up or if one is enough. She stated that there is about $700 left in the sign budget for the year, and there will be more signs to be purchased but we should be able to cover these. Wimmer state that his question is if it is worth get new signs now since we have about two months left of people using the field and having the exposure of a winter season versus putting them out in the spring. Everett asked if in that case we should buy them now and not install them yet, Wimmer asked why we would do that now. Everett stated that it's just because we know that we have the funds this year, and maybe we wait until the end of the year to do so. Garvey stated that she thinks only one sign is needed on the backstop and asked about the rules sign and if it's the same at River Bluff. Everett stated that these signs are being installed at all parks, but the specific rules listed may change based on the park.

Zdon asked if we should make a motion since we all agree the signs need to be replaced, but to look at the budget at the end of the year and install in the spring so they don't sit out and weather.

Garvey made a motion to look at the funds at the end of 2016 to add one sign at Unity Park. Witte seconded. Unanimously approved.

4. Outdoor Ice Rink Discussion

Everett explained that she would get the discussion started. In order to find prices that are useful, we need to decide exactly what we want and where it's going to go. The idea is that we get one with wooden

boards so they're easier to replace and we don't have to order something special. That part isn't as big of a deal, but do we want another cement slab, do we want it on grass, all of those kinds of details are important to think about before we can figure out exactly what it's going to cost and then whether or not we can do it.

Zdon stated that he had a lot of notes on this one. He stated that we don't want a slab because we want it to be a seasonal rink with temporary boards – or are these things we have to decide? He mentioned that there are temporary board sets out there, or we just berm snow. This year we would only berm snow because don't have any boards, or budget, or the hockey association to help.

Wimmer stated that it was right that there's no budget or anything even budgeted for labor to do a rink at all. Zdon asked if that included the pleasure rink, and Wimmer stated that no, we would be able to do the pleasure rink. But do to a hockey rink, weather we berm it or whatever, because it takes quite a bit more time to maintain as well. Wimmer stated they had the discussion at goal setting at Council at the beginning of the year, we can look at that, but we'd have to look at the cost and figure out how we'll maintain and clear off. The nice thing about the pleasure rink is that they can just take a truck and drive it across to clear the snow, so it's virtually no time or effort to do that. But if we're relying on a berm to hold in water and stuff, obviously we have to figure that out. When we had talked about it at goal setting with council, they looked at trying put something in the budget for 2017, but there still are not funds in the budget to do anything in 2017, and that's where this discussion would need to go figure out what we would do from a cost standpoint to see how many dollars we would actually need for that. We didn't anticipate it being a permanent rink, so it would be something we take down and use that space for other things. But were Wimmer sees places with wooden rinks in 10 or 12 other places, most of them look like they just leave them there. So then we have to figure out what's the way to do it, that we if we are going to take them out, what's a cost effective way to do it.

Zdon stated that he knows we've been saying wood, but he did some googling and there's polycarbonate, plastics, whatever, that literally click together like legos. Wimmer stated that the reason we like the wood is that if something gets broke or damaged, all we have to do is go to Menards and get a new one. Zdon stated that there are both systems out there and that's the research we need to do. It would need to come down, unless we wanted to dedicate somewhere to it. But we don't want a slab, because obviously that didn't work.

Wimmer stated that it worked fine, but the system they had was 30 years old by the time the city got it. Zdon and Garvey stated that was the boards. Zdon said he was referring to the maintenance and Zamboni. Wimmer stated that's because the hockey association walked away from their agreement. The City never would have done it if it hadn't been for that original agreement, and now we're stuck holding the bag with people who want to have hockey – which is understandable because we've had it and it's an enjoyable thing, but the cost of it is considerably more than what was obviously anticipated when it was first completed. Wimmer doesn't know what the impact of Cambridge's two outdoor refrigerator rinks will be, obviously that's a much better system. You can have hockey longer because you're not dependent upon the weather; that's a lot of the issues we ran into there too, winters are so crazy now we don't know.

Wimmer stated that what was discussed by council was that it would be a seasonal wooden rink, it wouldn't be a permanent thing so we could still use that green space. It doesn't have to be that way.

Zdon stated that the good thing is there's a ton of space there, it's right by the warming house, and it's super level. He doesn't think they'd even need to grade it. Those are good cost saving things. It's just a matter of do we do it, how do we do it.

Wimmer stated that at this point, we don't know what the cost estimates are. Is it a 5000, 20000. Zdon said that's what we need to look at. Wimmer stated that it will have a big impact either way on the budget how it is.

Everet stated that the question she had is that if we take the boards down, do we still put in lighting? The lighting is going to be there, and will potentially be in way – or will impact the way that space is used for parking and stuff. Zdon stated that if it's on the perimeter it could still be used, along the tree line, it depends. It could be smartly done. It would work for the rinks, and it would actually be nice if there was parking or camping out there to have lights for security reasons or whatever. Wimmer asked at what cost? Garvey stated she thought we would really have to look at lighting because in the winter time, it's dark by the time kids get home. That would be the biggest cost that we would have to look at.

Zdon stated there are lights at the pleasure rink, and actually that space is big enough for a hockey rink, but it's not perfectly level. It's level where the pleasure rink is, but then it tapers off. But with some leveling, that could theoretically be the hockey rink, but it's quite far from the warming house.

Wimmer suggested that they give Everett some guideline on what you want her to research for cost because council will need hard numbers to consider.

Zdon said he didn't know if Everett could just research the cost of berming and flooding a hockey rink, just doing snow berms. That's the cheapest/easiest for the first phase, whether it's this winter or next winter. And then looking at modular, wood or plastic board systems that would come down. And obviously a lighting option, four probably. Everett asked if anyone remembered how many lights are out there; Zdon stated there are 3 at the pleasure rink now. There were four on the hockey rink, on the corners. Wimmer stated that what we would want to do is match the candlelight, and that's kind of what we do whenever we work with the power company. The lights along the road in Bluebird Park and the lights on Main Street are the only lights the city owns. All the other lights are rentals, for lack of a better word, from the power company. We pay for the power, and we pay a maintenance, but they're actually owned by them.

Garvey asked if that gives Everett enough guidance. She said she'll find out. Garvey stated they talked about this next year berming it, right? Zdon said let's get a cost on it, because it'll be labor and water, and we can only ballpark it because we don't know what weather is going to be. Always on grass, no slab. Zdon stated no lights this winter, it's not going to happen, it's not in the budget. Wimmer stated there definitely won't be lights. Zdon stated there's a little bit of lighting they would catch from the BMX street lights if they want to play at dusk, but that's really the lighting they'll get if they want to play on it this year, or go on the pleasure rink – and be nice to the little kids. Wimmer stated they can't play hockey on the pleasure rink. Garvey asked if we were still planning to maintain the pleasure rink. Wimmer stated yes, the pleasure rink will always be there.

Garvey asked if those lights were connected to the hockey rink lights. Wimmer stated they're on their own system. Everett stated she didn't know of any at this point that were on timers; Wimmer stated he believed those ones come on when it gets dark, but wasn't sure. Garvey said she was mostly wondering if they were tied in to the hockey rink – and so do they go off at 10? Everett stated she'd have to look at them, it might just be a light sensor. Garvey stated that is something to add to the research – what is the current system on/off is at the pleasure rink.

Garvey said she had an additional question. Will the hockey rink lights still be on and usable. Zdon stated they're on a switch, and that is becoming the skate park, so they'll be the lights for that. Garvey asked if we can still use them. It may be a separate discussion. Wmmer stated they won't be used at all because there's no hockey rink there. Garvey stated that people can still use that area; Wimmer asked for what.

Garvey stated people can use that slab in the fall. Zdon stated it's becoming the skate park in the spring, and Garvey responded that yes, but people can use it before the snow flies. Everett stated that, yes there is electricity to them. Garvey stated that it wasn't ever on last year, so her question is can it be on so that people can use the slab. Wimmer asked what people would be using it for and who would be responsible for turning them on and making sure they are shut off, all those kinds of things. Garvey stated that it came up from a hockey coach, just dry land hockey, basically roller hockey. Wimmer stated he wouldn't anticipate using them because it's an extra cost above and beyond, it's one of those things where the agreement was for the hockey association – Garvey stated it didn't matter if it's the hockey association, it's a citizen who wants to use that area for roller hockey practice. Wimmer stated he wouldn't anticipate us using it because it's another cost above and beyond. We can take a look at it, what the cost would be. Zdon stated there's nothing saying they can't use that space during daylight hours. Everett stated that if someone rents Bluebird Park pavilion, and they use the electricity there is a $10 fee if they're not residents or it's free if they are residents, would there be something like that we could do? Wimmer said he didn't know, he'd have to look at what the costs are and everything with that.

Witte asked to clarify that we're just talking this upcoming winter just berming and flooding. Zdon stated for sure the pleasure rink, Wimmer agreed. Wimmer stated we'll have to look at cost for a hockey rink. He stated he wanted to stress again that we're passing the preliminary levy the first week of September. There will be no new dollars after the first week of September in the budget. If we're expecting a fair amount of new cost, it has to come out of something that's already budgeted – and he would pretty much guarantee that's not going to happen, especially since we're going into negotiations with our unions as well, that will start January 1, 2017. He can't anticipate there's going to be any new money, that will impact then, there being a hockey rink next year – the 2018 season. Zdon said yes, this is future planning. Wimmer stated he wanted to make sure it was clear how the cycle works. By state law, we have to have that levy set. We can decrease it, but we cannot increase it.

Everett stated that one last concern she has heard is our ability to maintain these is difficult because, especially with the winter we had last year, when it was cold, it snowed. When it snows, the people who maintain our ice are plowing. Getting it done is a challenge. Garvey stated that in any city it is.

Zdon asked Garvey if she knew if Cambridge was on schedule to be done, she stated that yes they are. Zdon stated Cambridge will have rinks to use then. He asked if she knew if there will be an future "Owls" teams. Garvey stated it's still a big question mark.

5. Legacy Park Update – Mayor Wimmer

Wimmer stated the bank has not given its official written okay yet, the banker he's been working with doesn't believe it's going to be an issue. It's almost four months now, his guess is that from the last conversation he had with the banker is that their lawyers are trying to figure out what they need from a liability standpoint, and that's what they're having the biggest heartburn with, and trying to get whatever agreement we need to write up. It's been painfully slow. We have no leverage, it's basically out of the kindness of their hearts that they'd let us do what we want to do out there. The bankers he's talked to thought this would be great. Zdon stated he would guess they also don't want people back there messing around and getting hurt, because they own that road and those lots.

Wimmer stated the thing is that if we put up a barricade for cars, people will even more than they do now want to cut across and what we're looking at is if we can get something through there. And we said we'd do it through a temporary easement standpoint so if something does happen, it would be the city's liability. We would write what we needed, we would do everything. It wouldn't cost them a cent, we just need their approval to do it.

Garvey stated that even putting up a barricade is still not a guarantee that people aren't going to drive around them and things like that. Wimmer stated that if they do, we can pick up them up right away because they're in violation. Garvey stated that it's something, and it keeps honest people honest.

Everett stated that she did get the request from Chief that park board members see something or somebody calls them to tell they them they saw something, remind them to call PD right away. They would rather be able to respond and do something about it, because our three day later recollections don't get them anywhere. Wimmer stated that from ATVs and other things in the parks, we've had a really good response times and enforcement. The one car that was out there was confiscated. If we can get it right away, they can get on it.

6. Parks Updates – Programming

Everett stated that summer is wrapping up. Street dances when pretty well, we had challenging weather. The first started an hour late, the second one we ended about half way through, but the third one went the whole time and was great. Considering all of that, our attendance was great, the food vendors were always happy, everybody who attended was happy and spending money at our vendors which was awesome. Everybody that I've talked to loves the street dances and they would love to have them every weekend. They're a great think, that the majority at least would love to see continued. We usually plan those things over the winter as the parks brochure is getting redone. One of the food vendors asked at the end, because she's already planning next summer, about the dates because she wants to be able to come.

Two Cities is coming up. We have gotten about 10 businesses and organizations who have committed to coming to the wellness fair, we still have space for more. The sheriff hopefully will bring horses, which would be cool. We're getting in all of our orders of materials and that kind of stuff. Everett just picked up the medals today. We still have 50 people registered for the run/walk and 12 for the bike. So if you know people who like biking. She would we'll have some day-of stuff for bikes, which is easy because we don't have to enter them into the race software, we don't time the bike ride. But the 5K stuff is way easier for us if we have as many of those ahead of time as possible. But we have 50 free goodie bags for each, so hopefully we can get all of those filled. Newspaper ads should be coming out soon. It's on Facebook, but Facebook is weird now, because if people aren't interacting with you page all the time they don't see your stuff, so unless we pay for those kinds of that kind of stuff, it's hard for people to see our posts. Everett will hopefully will get time this week or next to look into what that costs because we have a budget for the event and that might be a good thing to spend money there. A lot of people have liked the page in the past, but if it's showing up on their pages it doesn't do us much good. Garvey asked if we put a flyer in the folders for schools last year. Everett stated she doesn't know about school folders, but would love to do that. They discussed what the folders were and what goes in them. Everett stated that there are some teachers we work pretty closely with, especially at School For All Seasons. She sent an electronic version to a couple of those teachers, but is happy to print them too. Garvey stated a lot of teachers are doing weekly newsletters electronically. Everett stated that sometimes schools are a little picky about what they allow being advertised to kids so we have to run through some hoops to do that, but she'll look into it. Witte stated that in previous years he has reached out to Cliff energy bars and he did that again, but they didn't want to fulfill the order because it was within 90 days. Everett stated that she'll make a note of that for future reference, and Coborn's is planning to come and they will be giving away granola bars. When we were doing our initial planning we didn't know exactly when they'd be open, so we didn't want to depend on them for big things, but next year we may be able to key them in earlier. Zdon and Garvey stated that Allina will probably be the same next year. Everett stated that the bags come from Allina health, and she worked with someone at the county this year, but would love to work with whoever comes into town.

Everett stated that the prioritized list is very close. The Bluebird climber thing still hasn't come. It sounded like when we first asked them to order it, that person who was supposed to order it quit their job,

and no one did the things they were supposed to do before they left, and we didn't find out until we started asking where it was. It hopefully will be here soon and we'll get it up before winter. There is another shipment of stuff coming tomorrow with chains, and coated ladders, connectors, and all kinds of things. Those will be installed soon.

Everett stated that the volleyball court is up and going.

Everett stated that moving into fall, movie nights will start in October. We also take volunteer groups for that. We've had Heavenly Sunshine and the scouts are pretty regular for that, so we love to have them back, but if there are other groups who want to come, they get the proceeds from the concessions those nights. Zdon asked if the movies are picked already. Everett stated that yes, they are all in the parks brochure. They get picked all at once for the October – April season.

7. Adjornment

Motion by Garvey, second by Witte to adjourn the August 23, 2016 meeting of the Parks, Recreation, and Culture Board. Motion was approved.

The meeting adjourned at 6:34 p.m.

Dated at Isanti, Minnesota this 23rd day of August, 2016.

Respectfully submitted,

Katie Everett

Katie Everett
Community Events and Parks Coordinator

RESOLUTION NO. 2016-XXX

RESOLUTION APPOINTING ELECTION JUDGES FOR THE 2016 GENERAL ELECTION

WHEREAS, the General Election shall be held on November 8, 2016, and

WHEREAS, the City of Isanti must appoint election judges for Precinct 1 and 2 for the City of Isanti.

NOW THEREFORE BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ISANTI, MINNESOTA as follows:

1. The following persons shall be appointed to serve as election judges and/or as alternates for the City of Isanti precinct at the General Election to be held on November 8, 2016:

   Erika Zdon (Head Judge)
   Janice Lutterman (Head Judge)
   Jodi Anderson
   Collette Brogger
   Michelle Carlson
   Margaret Enquist
   Kristin Gaffaney
   Andrea Jemelka
   Melissa Lamb
   Linda Marx
   Richard Baumgartner
   Mary Baumgartner
   Mary Bye
   Kareen Englund
   Glenn Farrell
   Lori Haigh
   Margaret Johnson
   Bonnie F. Larson
   Diana Meyer
   Judy Sorenson
   Jeanne Stafki
   Lorraine Torpy
   Rosemary Witham
   Lindsey McInnis (head judge alternate)
   Don Lorsung (head judge alternate)
   Josi Wood
   Chief Gene Hill
   Roxanne Achman

2. Election Judges (non-staff) shall be compensated for mileage to and from training, for election training, and for the hours served as an Election Judge on November 8, 2016.
3. The Head Judge (non-staff) shall be compensated at a rate of $11.00/hr and Election Judges (non-staff) shall be compensated at $10.00/hr.
4. City Staff is authorized to provide reasonably priced meals to election judges and to purchase any additional supplies needed in order to ensure elections run efficiently and effectively.
5. The Election Administrator is authorized to train and appoint election judges as necessary.

This resolution is duly adopted by the Isanti City Council this 4th day of October 2016.

_____
Mayor George A. Wimmer

Attest:

_____
Lindsey Giese
Human Resources/City Clerk

(SEAL)

L.4.

RESOLUTION NO. 2016-XXX

RESOLUTION OFFERING THE POSITION OF UTILITY BILLING/ACCOUNTING CLERK TO MS. BETHANY BRADLEY

WHEREAS, the City Council of the City of Isanti is required to approve all new employees; and,

WHEREAS, the City Council approved to advertise and accept applications to fill the vacant Utility Billing/Accounting Clerk position; and

WHEREAS, the Interviewing Panel selected Ms. Bethany Bradley as the most qualified candidate for the position; and,

WHEREAS, a successful background check has been completed on the candidate.

NOW THEREFORE BE IT RESOLVED BY THE CITY COUNCIL of the City of Isanti, Minnesota as follows:

1. That Human Resources is hereby directed to offer the Utility Billing/Accounting Clerk position to Ms. Bethany Bradley for the City of Isanti.
   a. The start date of employment shall be on a mutually agreed upon date following Council approval.
   b. The starting wage shall be at Step 6 of the current pay scale for the position at an hourly wage of $21.66.
   c. The employee shall be placed on six-month probation according to the Personnel Policy.
   d. Following completion of the employee's probation, and upon a successful performance review, Ms. Bradley would move to Step 7 of the pay scale.
   e. The employee shall receive all benefits as provided within the Personnel Policy.
2. That Human Resources is directed to complete all required documentation for the completion of the employment offer.
3. That Human Resources is directed to forward an executed copy of this resolution to the employee and place a copy in the employee's personnel file for future reference.

This resolution was duly adopted by the Isanti City Council this 4th day of October, 2016.

MEMO

Subject: Vehicle Forfeiture ICR#16003490
1999 Pontiac Grand Prix VIN#1G2WP12K4XF230338

Background:

The City of Isanti through its Police Department have lawfully seized and forfeited a 1999 Pontiac Grand Prix. The City of Isanti holds clear title on this vehicle.

Action:

The City Council through resolution has approved the sale of forfeited vehicles at Pikes Auction of Princeton, Mn. I am requesting the Council review and approve the sale of this vehicle at the next contractor's public auction held on December 10, 2016. Pikes Auction will advertise this vehicle.

The proceeds of this sale will be deposited into the Isanti Police Department Forfeiture Fund.

Thank you for your consideration,

Chief Gene C. Hill

RESOLUTION 2016-_____

RESOLUTION APPROVING TO SELL THE FORFEITED 1999 PONTIAC GRAND PRIX AT PUBLIC AUCTION

WHEREAS, the police department lawfully seized and forfeited a 1999 Pontiac Grand Prix because of DUI arrest; and

WHEREAS, state statute permits the sale of such vehicles under Mn. §169A.63; and

WHEREAS, the proceeds from such sale must be designated for limited use by the governmental authority to promote public safety; and

WHEREAS, they vehicle is not viable for use by the City of Isanti by any department; and

WHEREAS, the next public auction is December 10, 2016 at Wayne Pike Auction in Princeton, Mn.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Isanti, Minnesota, to hereby approve the sale of such vehicle at public auction and the proceeds to be deposited into the Isanti Police Department Forfeiture Fund.

This Resolution is approved by the City of Isanti Council this 4th Day of October, 2016.

Subject: Knights of Columbus Jacket Donation / Assistance

Background:

The Knights of Columbus (KOC) of Isanti has the ability to donate new winter jackets to children in need within the Isanti Schools. They are soliciting help from the Police Department and its School Resource Officer Gau along with the school's social worker to identify children in need of a winter jacket. The identity of the recipients will remain protected.

Action:

I am requesting that the City Council review and consider the acceptance of the donation and to allow the department to assist in getting the jackets to children in need at the Isanti Schools.

RESOLUTION NO. 2016-_____

RESOLUTION AUTHORIZING STAFF TO ACCEPT THE KNIGHTS OF COLUMBUS WINTER JACKET DONATION FOR CHILDREN OF NEED IN THE ISANTI SCHOOLS

WHEREAS, the Isanti Police Department has the opportunity to assist the Knights of Columbus of Isanti to provide winter jackets to children in need within the Isanti Schools; and

WHEREAS, the Police Department takes every opportunity to provide better service to the community; and

WHEREAS, the identity of the recipients will be protected; and,

WHEREAS, the City of Isanti Police Department would like to allow the local paper to be present at the Police Department when the jackets are donated.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to authorize its Police Department to receive the donated jackets and distribute them to Isanti School children that are in need.

This resolution was duly adopted by the Isanti City Council the 4th day of October, 2016.

CITY OF ISANTI
PARKS, RECREATION, AND CULTURE BOARD
MEETING MINUTES
September 27, 2016
City Council Chambers

1. Meeting Opening.

A. Call to Order.
Zdon called the meeting to order at 6:00 p.m.

B. Pledge of Allegiance.
Everyone stood for the Pledge of Allegiance.

C. Roll Call.

Members Present:	Jennifer Garvey, Mayor Wimmer, and Aaron Zdon
Members Absent:	James Witte (Gave prior notice)
Staff Present:	Katie Everett, Community Events and Parks Coordinator

D. Agenda Modifications.
Zdon asked if there were any agenda modifications. There were none.

Motion by Garvey, second by Wimmer to approve the September 27, 2016 Parks, Recreation, and Culture Board Agenda. Motion was unanimously approved.

2. Approval of Minutes from August 23, 2016 Parks, Recreation and Culture Board Meeting.

Motion by Wimmer. Second by Garvey. Vote was unanimously approved.

3. Discuss City of Isanti Involvement in Isanti County Trails Master Plan Development

Everett explained that the county has a Bike Isanti County Committee which has been in existence for a couple of years, she was not sure when they started, they work with county staff – Isanti County Public Health, Isanti County Parks, and some of the Cambridge staff. They kind of work together on initiatives to get more trails around the area. They are cooking up a master plan that looks great, the one company that gave them a proposal back looks like it will cost about $30,000, but they are going to cover it with grants and things. They are not asking for any money from the city, but they want us, and we want to be, involved in that process so what we do works with what they're doing and our efforts can all coordinate so we can get things done a lot faster than kind of working on separate tracks.

Wimmer stated that we [he and staff] met with Barry [Wendorf] and he told him a couple things we want out of it is that we want the space on 5 to go between Isanti and North Branch, and that's where bikers go – you won't have family bikers – but bikers use that to connect over, and Wimmer wants that designated as a bike route now and then over time we can work on getting some widening, or a trail along the side is what Wendorf would definitely prefer. Then we can get that tied in to North Branch and the Sunrise Trail. In talking with the mayor in North Branch, they like that idea as well. Then we can get a regional designation for it and open up some other funding sources that way. We had some detailed discussions about how Wendorf should go about talking to some of the other entities because so far it's been – he even said – that the only things he's worked on have been just the county parks, and he hasn't had to deal with the cities and townships. Wimmer stated that especially with the townships to make sure you contact them, and you talk with them, and you give them opportunity to participate, otherwise that will not go well when you need to go across their area. Wimmer said he thinks it's a really great idea, what they're

4. River Bluff Preserve Update – DNR Visit

Everett stated that Josi Wood had worked with Dan Golner [DNR] on the plan of what was going to happen and getting all of that stuff approved. He was just up in the area doing site visits of all of the scenic easement areas that he's in charge of, so we did a walk through with him last week. Mostly, he was happy. He was happy with the community garden for sure, he said it was great and it looks like it's getting a lot of use. He was excited about some prairie restoration things in that upper area as well.

Wimmer stated that Golner was 100% happy, or he will be. He does not like our bridge. He thought it should be wood, Wimmer stated that he asked Golner if he knew of many that were like that that were all made out of wood and Golner said no, but the pictures were. Wimmer stated that it will be taken out like it's supposed to be. Everett stated that she thought it was just an aesthetics thing. Wimmer stated he had just gotten there after they had looked at the bridge, but before he left he asked Golner if we were good and he said yes. So it won't be a problem. Everett stated that we'll be adding some signage along the river, facing the river, so that people on the river know that they're looking at a park and not somebody's backyard, and that it's DNR approved. Golner was pleased with how the trails were put in, that switchback trail. Wimmer stated Golner wanted more grass to grow in the area that's been under water several times, but we're trying.

5. Parks Updates

Everett stated that she had a general overview.

Two Cities went really well, numbers are in the memo for participation. It looked like numbers up especially for the wellness fair. She was still getting finisher times when that started, so she's not sure exactly how many people went through, but it looked like great attendance especially at the beginning which was great to see. The magic show was really funny, and there were definitely more people in Cambridge this year than there were last year, there was a decent turnout for that.

Community garden season is wrapping up. The meeting is scheduled for October 12th, so we will get a better feel for how it went for everyone then. Everett shared some of the survey results, and stated that it was kind of interesting. For the most part, everyone is really, really happy. But there were a couple – someone said the soil wasn't very nutrient rich, but lots of people said the soil was perfect. So it's hard to know. Wimmer stated that anything that landed in there grew like bananas, Zdon said it looked really nice. Everett stated that there were a couple of things that came from maybe a standpoint of new gardeners, who maybe didn't know how to fix things. Or, maybe people didn't know what they were allowed to do. If they're growing something special, and that needs certain fertilizer, they're welcome to bring organic stuff in. So that can be a discussion we have. A couple of highlights: the first question was just the overall satisfaction with the garden, the scale was 0 to 5, and the average was 4, so that was looking really good. We also asked how likely they are to come back, again 0 to 5, the average was 4. There are a couple of people for whatever reason are thinking they might not come back, but most people are. Everett stated that she has a list of like 30 things that people grew in there, so that was cool, she just asked people to list what they grew, and she grouped all tomatoes together. So when you figure all of that in, tons of different kinds of things were grown in there. They have great suggestions for things to do next year. One was that they want to have some sort of community forum, so they can communicate with each other more. Which is great, and that's easy – we can put up a bulletin board, and probably put a Facebook group together or something like that too. Mostly great things came out of that. We will talk about those, and if people have other things they'd like us to know about, at the meeting on the 12th. Everett also stated that a gardener emailed to tell her that he got 55 pounds of potatoes out of his garden, and he had potato bugs all year. So even with that, he's been sharing potatoes with his family.

Movie nights are starting soon. Goosebumps is in October. In the last week, we have actually gotten four volunteer groups to sign up, so there are only 3 more to cover. Three of those groups haven't done it

6. Adjournment

Motion by Garvey, second by Wimmer to adjourn the September 27, 2016 meeting of the Parks, Recreation, and Culture Board. Motion was approved.

The meeting adjourned at 6:23 p.m.

Dated at Isanti, Minnesota this 27th day of September, 2016.

Respectfully submitted,

Katie Everett

CITY OF ISANTI
CITY COUNCIL MEETING
TUESDAY, OCTOBER 4, 2016 – 7:00 P.M.
CITY HALL

The meeting was called to order at 7:00 p.m. by Mayor Wimmer.

The Pledge of Allegiance was recited.

Members Present: Mayor George Wimmer, Councilors: Paul Bergley, Dan Collison, Ross Lorinser, and Steve Lundeen

Members Absent: None

Staff Present: City Attorney Clark Joslin, City Administrator Don Lorsung, City Clerk/Human Resources Lindsey Giese, Police Chief Gene Hill, Economic Development Director Sean Sullivan, and City Engineer Brad DeWolf

Others Present: John Droubie, Randy Pauly, Mike Demmer, Bart Demmer, Megan Hawkinson, Rick Dassinger, Sara Henry

D. Adopt Agenda

1. Mayor requested to move item L7 Resolution Authorizing Staff to Accept the Knights of Columbus Winter Jacket Donation for Children of Need in the Isanti Schools which was under Consent Agenda to item K9 under Business Items.

Motion by Lundeen, second by Collison to approve the change. Motion carried.

E. Proclamations/Commendations/Certificate Awards

None

F. Approve City Council Minutes

1. September 20, 2016 - Regular Meeting of the City Council

Motion by Collison, second by Bergley to approve the Minutes of September 20, 2016. Motion carried.

G. Citizens Input

None

H. Announcements

1. **CITY OFFICES CLOSED** Monday, October 10, 2016
   (In Observance of Columbus Day)
2. Planning Commission Meeting Tuesday, October 11, 2016 at 7:00 p.m.
3. City Council Meeting Tuesday, October 18, 2016 at 7:00 p.m.
4. Parks, Recreation and Culture Board Meeting Tuesday, October 25, 2016 at 6:00 p.m.

I. Council Committee Reports

Councilor Lundeen reported on the Fire District Meeting. The Fire District had applied for a grant for self-contained breathing apparatuses. They were denied. One of the full time fireman made a phone call to the department that got the grant. The Fire District Board just passed a resolution granting permission to buy 35 units from them which are newer and the Department will get another 10 years of life out of them. They are asking for new hires. They are looking at hiring 11 or 12 people with 2 or 3 for Isanti and the rest distributed between Station 2 and 3. Lundeen mentioned that hiring a new Fireman is expensive, and that it typically costs about $8,000 per newly hired individual for training, etc.

Mayor Wimmer shared that he, along with Economic Development Director Sean Sullivan, met with Governor Dayton today, October 4th at SnoBear. He explained that they discussed a number of things but highlighted the Economic Development tools we are using as a City, primarily the MN Investment Fund and the Job Creation Fund. Both have come under attack at the Legislature. One of the big reasons is that some outstate Legislators don't believe they are used by anyone outside of the seven county metro area. This was an opportunity to highlight that we definitely do use them, as well as other communities. Without these funds and incentives, we wouldn't have been able to get a business like SnoBear to come to Minnesota from North Dakota. It was really interesting to the Governor and his staff that we were able to get someone from the Dakota's back to Minnesota. The City staff shared a long list of projects, approximately 9 or 10, that the City has done since 2008 using the MN Investment Fund and some of the other programs. Time was spent talking about that and the Governor toured the facility. The City also conveyed some of the key items that we believe should be taken up in the next Legislative Session. The Mayor praised Sean Sullivan explaining to the Governor that the most important thing about doing a great job within every organization is having great staff, and Sean is definitely a key part of our Economic Development.

J. Public Hearings

K. Business Items

1. Resolution 2016-294 Approving Special Event Request for Art and Science Academy Parent Advisory Council Trek-or-Treat Walkathon

   Megan Hawkinson represented the Parent Advisory Council of the Art and Science Academy. She explained that they will be holding the second annual Trek-or-Treat Walkathon. This year all of the funds will go to purchase Chrome Books for the students for their technology and art classes. Their starting goal is $10,000 and they are hoping to have an annual goal of up to $25,000 with their different events. Hawkinson explained they are asking for a permit for the event and also blocking off parking on 6th Avenue Court so that the businesses and the buses are not obstructed by the participants. Mayor added that Chief Hill has also signed off.

Motion by Lundeen, second by Bergley. Motion carried.

2. Consider Ordinance 2016-654 to Amend City Code 8-18: Committees and 8-10: Per Diem Fee for Service on Boards to Include Bike Isanti County Committee and Resolution 2016-295 to Amend the Designation of Committees and Representatives for City Commissions and Advisory Boards for Year 2016 to include Bike Isanti County Committee

This Committee was started by Isanti County to put together a comprehensive walk and bike trail system within the County. They started with just their Park's Staff and it now includes Cambridge. Cambridge has staff involved and a council member appointed to it. We are looking forward to our future trail connections which would be a route that takes us to North Branch, which connects to the Sunrise Trail, which then connects to the Munger Trail. We can then work on getting a regional designation. That designation opens up more funding for us. Mayor wants to assure Isanti is represented. Public Service Director/Assistant City Administrator Josi Woods, Community Events & Park Coordinator Katie Everett, and Mayor Wimmer met with Isanti County Parks Director Barry Wendorf last week to discuss this comprehensive plan. Mayor requested that City Code 8-18 and 8-10 be amended to include Bike Isanti County Committee. Katie Everett will be our staff appointed with Mayor Wimmer as the Council Representative for 2016.

Motion by Bergley, second by Collison. Motion carried.

City Administrator Don Lorsung

3. Resolution 2016-296 and Services Agreement for Development Legal Services from Campbell Knutson PA

Motion by Lundeen, second by Lorinser. Motion carried.

4. Resolution 2016-297 Accepting Proposal for Software Conversion Assistance Services from Abdo Eick & Meyers LLP

Motion by Lorinser, second by Collison. Motion carried.

5. Resolution 2016-298 Approving Audit Services Proposal

Motion by Collison, second by Lundeen. Motion carried.

6. Resolution 2016-299 Approving Agreement for Labor Legal Services

Motion by Lorinser, second by Bergley. Motion carried.

7. Consider Ordinance to Amend City Council Chapter 227 Parking and Storage to include West side of Centennial Dr. NW – item tabled

Due to school buses being staged along Centennial Ave NW and the safety hazard that it presents, DOAC recommends amending City Code to include no parking signs be placed on the West side along Centennial Drive NW from Spirit Brook Drive SW to Heritage Blvd NW. There is a congestion issue into the parking lot, there is an access issue, and an equity issue. Principal Randy Pauly addressed the Mayor and Council and thanked them for the opportunity to speak. He handed out a schematic of the current issue and two suggestions/solutions to address the issue. Principal Pauly told the Council that this is definitely something he would like to discuss and explained he first became aware of the issue when the District Building and Grounds Coordinator Eisenbacher, received an email from Josi Wood last week. She informed him and the District of the expected decision tonight on moving forward with this agenda item. Pauly requested, if possible, to delay a decision for at least two weeks, so that they can sit down with the City and come up with a possible solution. Mr. Pauly and Mr. Droubie, the Assistant Principal, both agree that having no parking on one side of the street, is a good idea. That the school has options to move the buses into the parking spaces they currently have. In his four years in the district, it has never been an issue. He explained that the

reason he appeared is to see if they can hold off on legislating or making a legal decision to something that can be solved without that. Bergley requested clarification of Pauly's concern with the proposal presented. The proposal before the Council would result in no parking on the West side. He would prefer the parking be allowed on the West side. If they park on the East side they have to cross the street to get to the school site. If the issue is having the buses in the street, that is something the school can handle within our current space, that it is not necessary to place no parking signs on the West side just to get the buses out of there. The Mayor explained there are a few issues. The first is the buses not being on the West side, and the visibility and trying to make the turn when the buses are there. Also, when there are events, both sides are filled. There isn't a clear answer if East or West is better. When it comes to pick up and drop off, people get the lined up and are also through the back. The Mayor also indicated that to his knowledge, there may not have been any kids run over, but there have been near misses. Mr. Pauly stated if that is the case, it is the first he has heard of it. In his four years, he has not had any comments from parents or community members of an issue. Council member Collison suggested shortening up the No Parking between signs. Councilor Bergley thanked the Mayor for his concern and suggested the Council postpones a decision and works with Mr. Pauly and the School to see if a solution can be found that works for both City and School. The Mayor agreed they can sit down and discuss it. Councilor Lundeen disagreed and believed it should not be put off any longer, that the sooner it is addressed, the sooner it will get done. Issues of miscommunication were also discussed. The Mayor stated the City will respect Pauly's request and asked that the School District do the same and respect his request regarding a separate issue which was brought up at a prior City Council meeting. It was confirmed they would meet during DOAC at 8:30 am, Thursday, October 6.

Motion by Bergley, second by Lundeen to table the item until the next meeting so as further discussion with the School District may happen. Motion carried.

Economic Development Director Sean Sullivan

8. Consider Resolution 2016-300 Authorizing Execution of Repayment Agreement with Prairie Senior Cottages of Isanti, LLC for Lot 1, Block 1, Bank Site Second Addition

Motion by Lorinser, second by Lundeen. Motion carried.

9. Resolution 2016-301 Authorizing Staff to Accept the Knights of Columbus Winter Jacket Donation for Children of Need in the Isanti Schools

   Chief Hill introduced Rick Dassinger of the Knights of Columbus with the St. Elizabeth Ann Seton Church. Hill explained that their organization has donated jackets last year as well as this year to children of need of the Isanti School District. They have asked for the help from the City to identify some of those in need so it can be done anonymously. Our school resource Officer working with the school social workers will identify those in need and get these jackets to them. They currently have 24 jackets which will be distributed immediately and they can get more if needed. This program is growing and they are looking at making this project bigger next year. Mr. Dassinger then explained that they received two boxes for the City of Isanti last year and this year, Knights of Columbus received two more boxes. He explained they also have two boxes for St. Elizabeth Ann Seton's Church, and if the need is there, they will up it next year to maybe 6 boxes. Mayor Wimmer asked how many jackets were in a box. Dassinger responded that there were 12. He also went on to say that they are good quality coats.

Last year they were made by Columbia, and this year he could not recall the manufacturer, but that the coats are very well made. The Knights of Columbus Supreme Council negotiates the prices with the manufacturer each year. This is a Nationwide program. He also mentioned that if need be, they can purchase adult size jackets, however, right now the focus is kids' coats. He explained that they also have boxes at the church to put gently used coats, hats, mittens, overshoes, etc. Mayor Wimmer expressed his love of the idea, explaining that as a boy he relied on the great nuns at the Holy Rosary Catholic Church in Medford, Wisconsin (his home town) for jackets and bedding for about nine years of his life, and has a great appreciation for what the Knights of Columbus is doing.

Motion by Lundeen, second by Bergley. Motion carried.

L. Approve Consent Agenda

1. Consider Accounts Payable in the Amount of $526,544.84 and Payroll in the amount of $100,128.64
2. Final Meeting Minutes for the August 23, 2016 Parks, Recreation and Culture Board Meeting
3. Resolution 2016-302 Appointing Election Judges for the 2016 General Election
4. Resolution 2016-303 Offering the Position of Utility Billing/Accounting Clerk to Ms. Bethany Bradley
5. Resolution 2016-304 Approving the Sale of Vehicle Forfeiture ICR#16003490, 1999 Pontiac Grand Prix VIN#1G2WP12K4XF230338
6. Resolution 2016-305 Approving the Sale of Vehicle Forfeiture ICR#16003658, 2007 Ford Edge VIN#2FMDK49C67BB12502

Motion by Lundeen, second by Bergley. Motion carried.

M. Other Communications

1. Draft Meeting Minutes for the September 27, 2016 Parks, Recreation and Culture Board Meeting

Adjournment

Motion by Lorinser, second by Bergley. Motion carried. The meeting was adjourned at 7:27 p.m.

Request for City Council Action

To: Mayor Wimmer
Members of the City Council

From: Katie Everett
Community Events & Parks Coordinator

Date: October 18, 2016

Subject: Special Event Request for WillowBridge Open House

Background

The City received a special event application from Nicole Simoneau for an open house for WillowBridge to be held on Friday, November 4, 2016. The open house will take place at WillowBridge, 4 Enterprise Ave NE, Isanti, from 5:00 pm and 8:00 p.m, and will include live music, and special offers on services and products.

The organizer has stated that the event will occur indoors at her business on leased property as permitted by Keith Peterson, the property owner. Overflow parking will take place in the Junction Bowl parking lot. The event is open to the public therefore the exact attendance is unknown but anticipated to be about 300.

Ms. Simoneau will be cleaning up after the event and does not expect any overflow garbage to occur outside. The required clean-up deposit fee of $100 has been submitted.

A copy of the application, event description and departmental review has been attached for City Council review.

Staff Request

City staff is requesting action on this item.

RESOLUTION 2016-

A RESOLUTION APPROVING A SPECIAL EVENT PERMIT REQUEST FOR WILLOWBRIDGE

WHEREAS, Nicole Simoneau, the Applicant, will be hosting an Open House for WillowBridge on Friday, November 4, 2016; and

WHEREAS, the time for this event is scheduled to begin at 5:00 pm. and end at 8:00 p.m.; and,

WHEREAS, the event is open to the public and the estimated number of participants is 300; and,

WHEREAS, the event will take place at the business establishment at 4 Enterprise Ave NE, Isanti; and,

WHEREAS, the primary parking for the event will be within the business lot, with overflow parking occurring in the Junction Bowl parking lot, with permission from the owners; and,

WHEREAS, the Applicant will clean-up after the event and has submitted the required $100 clean-up deposit fee;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, to hereby approve the Open House for WillowBridge event to be held on November 4, 2016 with the following conditions:

- Any temporary signage shall require the necessary application to be submitted to the City for review and approval. Signature authorizing approval for their placement on private property must also be obtained.

BE IT FURTHER RESOLVED by the City Council of the City of Isanti, Minnesota that this Resolution is hereby the 'Permit' for the above stated Special Event.

This Resolution hereby approved by the Isanti City Council this 18th day of October, 2016.

Attest: _____ Mayor George A. Wimmer

Request for Council Action

To: Mayor Wimmer
Members of the City Council

From: Roxanne Achman
Community Development Director

Date: October 18, 2016

Subject: Request from TH Construction of Anoka Inc. for Final Plat approval of the Plat of Sun Prairie Second Addition, legally described as Outlot F, Sun Prairie First Addition, Isanti County, Isanti, Minnesota.

Background

In September the Planning Commission and City Council approved the Preliminary Plat of Sun Prairie Second Addition for 11 Single Family lots subject to the following conditions:

- The developer shall install 1 tree per 50 of lot frontage (roughly 21 trees)
- The developer needs to be informed that they are to avoid curbstops within the driveway.

The developer is aware of the conditions and has provided all necessary title work.

The City Engineer's memorandum dated September 6, 2016, recommends approval.

Staff recommends approval of the Final Plat of Sun Prairie Second Addition.

Certification of Taxes Paid

Prior to approving an application for Final Plat, certification must be provided to the City that there are no delinquent property taxes, special assessments, penalties, interest, or outstanding municipal utility fees. City staff did verify with Isanti County on October 4, 2016; that all taxes associated with the property were current.

Public Notice

Written notification was sent to surrounding properties owner located within 350' of said development. Such letters were sent on September 26th, 2016.

Public Comments

Shirley Olson, 1250 Heritage Blvd NE, called in regards to access to her property. She was informed that there remains a significant amount of frontage along Heritage Blvd NE/County Rd 5 that provides access to her property. She was also informed that there may be access in the future from Isanti St NE once it is annexed and provided city infrastructure.

Deadline for City Council Action

The applicant submitted an application for Final Plat approval on September 6, 2016. City staff did verify that the application was complete on September 12, 2016. Pursuant to Minnesota State Statute, the City must act on this request by November 11, 2016 (60-days); unless an extension of the review period has been agreed to by the applicant.

Planning Commission Recommendation:

Motion by Lundeen second by Bergley to recommend approval of the request from TH Construction of Anoka Inc. for Final Plat approval of the Plat of Sun Prairie Second Addition, legally described as Outlot F, Sun Prairie First Addition, Isanti County, Isanti, Minnesota based on the Findings of Fact and Conclusions and with the following conditions:

1. Upon approval of the Final Plat by the City Council, the City Clerk or his/her designee shall record it with the County Recorder's Office within ninety (90) days after the date of approval; otherwise, failure of the applicant to comply and submit the necessary items and fees for the recording of the Final Plat by the City shall be cause for revoking the City's approval and the Final Plat shall be considered void, unless the developer or applicant requests an extension, in writing and receives approval from the City Council. The City Council may approve up to two (2) extensions for a term not to exceed one (1) additional year for each extension. Fees associated with the recording of the Final Plat will be charged back to the developer or subdivider.

2. The subdivider shall immediately upon approval, furnish the City Administrator or his/her designee with three (3) full size mylar transparencies of the Final Plat, two (2) for the County and one (1) for the City. Three (3) additional 11 inch by 17 inches mylar transparencies shall be given to the City Planner, the City Clerk, and Isanti County. No building permits shall be issued until these conditions have been complied with.

Motion carried unanimously.

Options & Proposed Motion Language

1. Recommend Approval with No Conditions: Motion to recommend approval of the request from TH Construction of Anoka Inc. for Final Plat approval of the Plat of Sun Prairie Second Addition, legally described as Outlot F, Sun Prairie First Addition, Isanti County, Isanti, Minnesota.
2. Recommend Approval with Conditions: Motion to recommend approval of the request from TH Construction of Anoka Inc. for Final Plat approval of the Plat of Sun Prairie Second Addition, legally described as Outlot F, Sun Prairie First Addition, Isanti County, Isanti, Minnesota with the following conditions……
3. Recommend Denial: Motion to recommend denial of the request from TH Construction of Anoka Inc. for Final Plat approval of the Plat of Sun Prairie Second Addition, legally described as Outlot F, Sun Prairie First Addition, Isanti County, Isanti, Minnesota for the following reasons……
4. Table: Motion to table the request from TH Construction of Anoka Inc. for Final Plat approval of the Plat of Sun Prairie Second Addition, legally described as Outlot F, Sun Prairie First Addition, Isanti County, Isanti, Minnesota (a specific reason and information request should be included in the motion to table).

RESOLUTION NO. 2016-XXX

A RESOLUTION APPROVING THE FINAL PLAT OF SUN PRAIRIE SECOND ADDITION, LEGALLY DESCRIBED AS OUTLOT F, SUN PRAIRIE FIRST ADDITION

WHEREAS, TH Construction of Anoka, Inc. has made application for Final Plat Approval for Sun Prairie Second Addition; which is legally described as Outlot F, Sun Prairie First Addition, Isanti County, Isanti, Minnesota; and,

WHEREAS, the Isanti Planning Commission conducted a public hearing on the Final Plat on October 11th, 2016; and,

WHEREAS, all required public notices regarding the public hearing were posted and sent; and,

WHEREAS, the Isanti Planning Commission had recommended approval of the requested Final Plat based upon the Findings of Fact and Conclusion as presented with conditions; and,

WHEREAS, the City Council reviewed the Final Plat request at its meeting on October 18th, 2016; and,

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, that it adopts the Findings of Fact and Conclusion related to the requested Final Plat and **BE IT FURTHER RESOLVED** that the requested Final Plat Approval from TH Construction of Anoka, Inc., be approved with the following conditions:

1. Upon approval of the Final Plat by the City Council, the City Clerk or his/her designee shall record it with the County Recorder's Office within ninety (90) days after the date of approval; otherwise, failure of the applicant to comply and submit the necessary items and fees for the recording of the Final Plat by the City shall be cause for revoking the City's approval and the Final Plat shall be considered void, unless the developer or applicant requests an extension, in writing and receives approval from the City Council. The City Council may approve up to two (2) extensions for a term not to exceed one (1) additional year for each extension. Fees associated with the recording of the Final Plat will be charged back to the developer or subdivider.

2. The subdivider shall immediately upon approval, furnish the City Administrator or his/her designee with three (3) full size mylar transparencies of the Final Plat, two (2) for the County and one (1) for the City. Three (3) additional 11 inch by 17 inches mylar transparencies shall be given to the City Planner, the City Clerk, and Isanti County. No building permits shall be issued until these conditions have been complied with.

Adopted by the Isanti City Council on this 18th day of October 2016.

Attest: Mayor George A. Wimmer

Lindsey Giese
Human Resources/City Clerk

(SEAL)

FINDINGS OF FACT AND CONCLUSION

Request

Request from TH Construction of Anoka Inc. for Final Plat approval of the Plat of Sun Prairie Second Addition, legally described as Outlot F, Sun Prairie First Addition, Isanti County, Isanti, Minnesota.

Findings of Fact

1. The applicant, TH Construction of Anoka Inc. ('the applicant'), has made an application for Final Plat Approval of Sun Prairie Second Addition.
2. The property is legally described as Outlot F, Sun Prairie First Addition, Isanti County, Minnesota.
3. The Applicant is requesting Final Plat Approval in an effort to create 11 single family lots.
4. Such requests are considered a major change requiring a public hearing and notification of all property owners within 350'; and final approval by the City Council.
5. The Applicant submitted a complete application for Final Plat Approval on September 6, 2016.
6. A public hearing date before the Planning Commission was scheduled for Tuesday, October 11, 2016 at 7:00 p.m. at City Hall within the Council Chambers.
7. Notice of the Final Plat Approval was published within the Isanti County News on Wednesday, September 28th, 2016. Notices were sent to all property owners located within the development and within 350 feet of the subject property.

Conclusions

1. The subdivision of the property would appear to meet the lot requirements and setback requirements as provided within the zoning ordinance for properties located within the "R-1" Single Family Residential District for Sun Prairie Second Addition.
2. The subdivision of the property would appear to meet the Design Standards as required by Ordinance No. 536.

Decision

The Planning Commission held a public hearing on the item at the **October 11th, 2016** meeting. The meeting minutes, staff memo and exhibits will be made part of the Findings of Facts and Conclusions.

Planning Commission Recommendation:

Motion by Lundeen second by Bergley to recommend approval of the request from TH Construction of Anoka Inc. for Final Plat approval of the Plat of Sun Prairie Second Addition, legally described as Outlot F, Sun Prairie First Addition, Isanti County, Isanti, Minnesota based on the Findings of Fact and Conclusions and with the following conditions:

1. Upon approval of the Final Plat by the City Council, the City Clerk or his/her designee shall record it with the County Recorder's Office within ninety (90) days after the date of approval; otherwise, failure of the applicant to comply and submit the necessary items and fees for the recording of the Final Plat by the City shall be cause for revoking the City's approval and the Final Plat shall be considered void, unless the developer or applicant requests an extension, in writing and receives approval from the City Council. The City Council may approve up to two (2) extensions for a term not to exceed one (1) additional year for each extension. Fees associated with the recording of the Final Plat will be charged back to the developer or subdivider.

2. The subdivider shall immediately upon approval, furnish the City Administrator or his/her designee with three (3) full size mylar transparencies of the Final Plat, two (2) for the County and one (1) for the City. Three (3) additional 11 inch by 17 inches mylar

transparencies shall be given to the City Planner, the City Clerk, and Isanti County. No building permits shall be issued until these conditions have been complied with.

Motion carried unanimously.

MEMORANDUM

Date: September 6, 2016

To: Roxanne Achman, Community Development Director

From: Bradley C. DeWolf, P.E.
City Engineer

Subject: Sun Prairie 2nd Addition – Final Plan Review
City of Isanti, MN
Project No.: R13.111162

We have reviewed the Final Plat created by E.G. Rud & Sons, Inc. entitled "Sun Prairie Second Addition" with a preliminary copy date of September 6, 2016.

The plat includes subdividing Outlot F of Sun Prairie 1st Addition into 11 residential lots. The site was graded and sewer and water services were stubbed out in anticipation of this 11 lot layout as part of the Sun Prairie 1st Addition construction.

We have reviewed the submitted final plat and have no comments.

We recommend approval of the final plat as submitted.

Please contact me if you have any questions.

Bolton & Menk is an equal opportunity employer.

Request for Council Action

To: Mayor Wimmer
Members of the City Council

From: Roxanne Achman
Community Development Director

Date: October 18, 2016

Subject: Request from Kardo Properties, LLC, for approval of a Conditional Use Permit for Outdoor Storage located at 605 1st Ave NW, legally described as Lot 1, Block 2, Isanti Centennial Complex, Isanti County, Minnesota.

Background

In November 2015 staff met with businesses with outdoor storage who have been operating without the required Conditional Use Permit. The businesses have been given until October 31, 2016 to bring their properties into compliance and apply for a conditional use permit.

Outdoor storage requires screening on all visible sides. Conveyors Direct (Kardo Properties, LLC) has two storage containers on the west side of their lot which requires screening. The attached site plan indicates the location of the storage containers. A 6-foot-high, treated lumber fence will be installed around the containers. The fence will be painted gray to match the building once the wood has seasoned enough to accept paint. The plans indicate that Class 5 will be used as the surfacing material within the storage area.

Staff Recommendation:

Staff recommends approval of the conditional use permit subject to the conditions for outdoor storage.

Comprehensive Plan

The Industrial Land Use category "provides for areas in the community for industrial related businesses including manufacturing, warehousing, automotive, trucking, office and other related industrial uses. This designation is primarily located on the north portion of the community between the railroad and Highway 65. These uses are not as compatible with residential as well as some commercial uses. In locations where the use may be located near residential and/or more sensitive commercial uses, screening and berming should be used to reduce its impact".

Zoning Ordinance Provisions

The "I-1" Industrial Park District is established, in an effort to expand upon employment opportunities within the community. The purpose of the Industrial Park District is to group industrial uses in locations that have adequate and convenient access to major streets, highways and the railroad line. While the City is predominately residential in character, industrial uses are an important part of the City's land use pattern. Regulations encourage the development of industrial uses that are compatible with surrounding and abutting land uses. In order to accomplish this compatibility, development within the district is intended for administrative, wholesaling, manufacturing, warehousing, office, and related uses which can maintain high standards of appearance, through building design, site design, and landscaping / screening, and not require a high level of public services. With proper control, these areas should be compatible with commercial or residential areas.

Conditional Use Permit Requirements

Upon review of a Conditional Use Permit request, the Zoning Ordinance provides factors and standards that must be reviewed by the Planning Commission. Section 21, Article 2 Conditional Uses states:

D. The Planning Commission shall hold a public hearing and consider possible adverse effects of the proposed Conditional Use. The judgment of the Planning Commission shall be based upon, but is not limited to the following factors:
   1. The proposed action has been considered in relation to the specific policies and provisions of and has been found to be consistent with the goals and objectives of the Comprehensive Plan, including public facilities and capital improvement plans.
   2. The proposed action meets the purpose and intent of this Ordinance and the underlying zoning district.
   3. The establishment, maintenance or operation of the conditional use will promote and enhance the general public welfare and will not be detrimental or endanger the public health, safety, morals, or comfort.
   4. The conditional use will not be injurious to the use and enjoyment of other property within the immediate vicinity for the purposes already permitted; nor substantially diminish or impair property values within the neighborhood.
   5. The establishment of the conditional use will not impede the normal and orderly development and improvement of surrounding property for uses permitted in the district.
   6. Adequate public facilities and services are available or can be reasonably provided to accommodate the use which is proposed.
   7. The conditional use shall, in all other respects, conform to the applicable regulations of the district in which it is located.
   8. The conditional use complies with the general and specific performance standards as specified by within this Article.

Outdoor Storage Requirements

A. Outside storage areas shall be surfaced with bituminous, concrete, or other surfaces, including but not limited to crushed rock, Class 5, or recycled materials; as recommended by the Planning Commission and approved by the City Council.
B. Outside storage area shall not be placed within required parking or loading areas, which are deemed necessary to meet code requirements.
C. Outside storage areas shall be located within the rear yard; however, outdoor storage may be located within the side yard, providing the side yard is not adjacent to or across the street from any residentially zoned property.
D. All outside storage areas shall be effectively screened year-round, by a wall, fence, or densely planted vegetation in accordance with Section 15 of this Ordinance.
E. Cars, vans, and pickup trucks parked outside and used by employees and/or visitors in the normal course of business operation will not be construed as outdoor storage. Further, outside parked trucks and semitrailers used in conjunction with normal business activities will not be construed to be outdoor storage provided (a) the total number of trucks and semi-trailers does not exceed the number of docks and/or bay doors; (b) such vehicles are currently licensed by the State of Minnesota and are in the process of delivering or picking up goods or materials, and (c) such use is not construed as an operation listed as a conditional use in the industrial zone. All other vehicles and/or equipment associated with the business shall meet the fencing and screening requirements as stipulated within this ordinance.

Certification of Taxes Paid

Prior to approving an application for approval of a Conditional Use Permit, certification must be provided to the City that there are not any delinquent property taxes, special assessments, penalties, interest, or outstanding municipal utility fees. City staff did verify with Isanti County on October 4, 2016; that all taxes associated with the property were current.

Public Notice

Notice was published within the Isanti County News on September 28, 2016. Written notification was provided to property owners located within 350' of the subject site as required by Minnesota State Statute.

Public Comment
To date, no public comment or questions had been received.

Deadline for City Council Action
The City of Isanti received a complete application for a Conditional Use Permit on September 6, 2016. Pursuant to Minnesota State Statute, the City must act on this request by November 5, 2016 (60 days). The only exception to these deadlines provided would be if the City provides the petitioner with written reasons for an additional 60-day review period.

Planning Commission Recommendation:
Motion by Lundeen second by Bergley to recommend approval of the request from Kardo Properties, LLC, for approval of a Conditional Use Permit for Outdoor Storage located at 605 1st Ave NW, legally described as Lot 1, Block 2, Isanti Centennial Complex, Isanti County, Minnesota based on the Findings of Fact and Conclusions and with the following conditions:

1. Outside storage areas shall be surfaced with bituminous, concrete, or other surfaces, including but not limited to crushed rock, Class 5, or recycled materials; as recommended by the Planning Commission and approved by the City Council.
2. All outside storage areas shall be effectively screened year-round, by a wall, fence, or densely planted vegetation in accordance with Section 15 of this Ordinance.

Motion carried unanimously.

Options & Proposed Motion Language

1. Recommend Approval with No Conditions: Motion to recommend approval of the request from Kardo Properties, LLC, for approval of a Conditional Use Permit for Outdoor Storage located at 605 1st Ave NW, legally described as Lot 1, Block 2, Isanti Centennial Complex, Isanti County, Minnesota.
2. Recommend Approval with Conditions: Motion to recommend approval of the request from Kardo Properties, LLC, for approval of a Conditional Use Permit for Outdoor Storage located at 605 1st Ave NW, legally described as Lot 1, Block 2, Isanti Centennial Complex, Isanti County, Minnesota with the following conditions……
3. Recommend Denial: Motion to recommend denial of the request from Kardo Properties, LLC, for approval of a Conditional Use Permit for Outdoor Storage located at 605 1st Ave NW, legally described as Lot 1, Block 2, Isanti Centennial Complex, Isanti County, Minnesota for the following reasons…….
4. Table: Motion to table the request from Kardo Properties, LLC, for approval of a Conditional Use Permit for Outdoor Storage located at 605 1st Ave NW, legally described as Lot 1, Block 2, Isanti Centennial Complex, Isanti County, Minnesota (a specific reason and information request should be included in the motion to table).

RESOLUTION NO. 2016-

A RESOLUTION APPROVING A CONDITIONAL USE PERMIT (CUP) FOR KARDO PROPERTIES, LLC FOR OUTDOOR STORAGE THE PROPERTY LEGALLY DESCRIBED AS LOT 1, BLOCK 2, ISANTI CENTENNIAL COMPLEX

WHEREAS, Kardo Properties, LLC currently owns the property at 605 1st Ave NW, legally described as Lot 1, Block 2, Isanti Centennial Complex; and,

WHEREAS, the petitioner has requested a Conditional Use Permit (CUP) to allow for outdoor storage; and,

WHEREAS, the property is located within the "I-1" Industrial District, which requires a Conditional Use Permit (CUP) for outdoor storage; and,

WHEREAS, following publication, posted and mailed notice thereof, the City of Isanti Planning Commission conducted a public hearing on the proposed Conditional Use Permit on September 28th, 2016; and,

WHEREAS, the City of Isanti Planning Commission recommended approval of the proposed Conditional Use Permit subject to the conditions as listed below based upon the Findings of Fact and Conclusion as presented; and,

WHEREAS, the City Council reviewed the requested Conditional Use Permit at its regularly scheduled meeting on October 18th, 2016; and,

WHEREAS, the City Council of the City of Isanti has determined that the Conditional Use Permit meets the ordinance requirements necessary for granting approval; and,

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ISANTI, MINNESOTA, that it adopts the Findings of Fact and Conclusion related to the requested Conditional Use Permit for Kardo Properties, LLC and **BE IT FURTHER RESOLVED** that the requested Conditional Use Permit to be located on the property at 605 1st Ave NW, be hereby approved subject to the following conditions:

1. Outside storage areas shall be surfaced with bituminous, concrete, or other surfaces, including but not limited to crushed rock, Class 5, or recycled materials; as recommended by the Planning Commission and approved by the City Council.
2. All outside storage areas shall be effectively screened year-round, by a wall, fence, or densely planted vegetation in accordance with Section 15 of this Ordinance.

Adopted by the Isanti City Council on this 18th day of October 2016.

FINDINGS OF FACT AND CONCLUSION

Request

Request from Kardo Properties, LLC for Approval of a Conditional Use Permit to allow for Outdoor Storage on the property located at 605 1st Ave NW, Isanti, Minnesota.

Findings of Fact

1. The applicant is requesting approval of outdoor storage at the property located at 605 1st Ave NW.
2. The property is zoned "I-1" Industrial District.
3. A Conditional Use Permit is required for Outdoor Storage within the "I-1" Industrial District.
4. The petitioner submitted a Conditional Use Permit Application, the required application fee and associated materials on September 6, 2016. Staff had reviewed such application and deemed such application complete on September 6, 2016. Pursuant to Minnesota State Statute, the City must act on this request by November 5th, 2016 (60-day rule).
5. A public hearing date before the Planning Commission was scheduled for Tuesday, October 11th, 2016 at 7:00 p.m. at City Hall within the Council Chambers.
6. Notice of the Conditional Use Permit request was published within the Isanti- County News on Wednesday, September 28th, 2016. Notices were sent to all property owners located within 350 feet of the subject property.
7. Section 21, Article 2: Conditional Use Permits, Subdivision 3 (D) of the Zoning Ordinance establishes factors that the judgment of the Planning Commission shall be based upon when reviewing a Conditional Use Permit request as well as Section 21, Article 2: Conditional Use Permits, Subdivision 4 General Performance Standards of the Zoning Ordinance establishes additional general standards that shall be used to evaluate any proposed conditional use permit request.

Conclusions

1. In review of the standards established in Section 21, Article 2 Conditional Use (D); the following conclusions have been made (*conclusions to each requirement are shown in underlined italics)*: The Planning Commission shall hold a public hearing and consider possible adverse effects of the proposed Conditional Use. The judgment of the Planning Commission shall be based upon, but is not limited to the following factors:
   A. The proposed action has been considered in relation to the specific policies and provisions of and has been found to be consistent with the goals and objectives of the Comprehensive Plan, including public facilities and capital improvement plans.
   The proposed use for the site would be consistent with the goals and objectives of the comprehensive plan and helps bring the site into compliance.
   B. The proposed action meets the purpose and intent of this Ordinance and the underlying zoning district.
   The proposed use is existing. Receiving a conditional use permit and providing screening brings the property into compliance.
   C. The establishment, maintenance or operation of the conditional use will promote and enhance the general public welfare and will not be detrimental or endanger the public health, safety, morals, or comfort.
   The establishment of the conditional use does not appear to endanger the public health, safety, morals and comfort of the surrounding area or the community. The proposal follows the requirements further outlined in Section 13: Use Regulations for Outdoor Storage.
   D. The conditional use will not be injurious to the use and enjoyment of other property within the immediate vicinity for the purposes already permitted; nor substantially diminish or impair property values within the neighborhood.

The conditional use for outdoor storage and a screening fence does not appear to diminish or impair surrounding property values. Much of the area surrounding this property is also zoned for similar uses.

E. The establishment of the conditional use will not impede the normal and orderly development and improvement of surrounding property for uses permitted in the district.
The outdoor storage area will be entirely enclosed by a screening fence, vegetation and an accessory structure. There is no reason for the storage or fence to impede development.

F. Adequate public facilities and services are available or can be reasonably provided to accommodate the use which is proposed.
Additional public facilities and services are not necessary for the proposed use.

G. The conditional use shall, in all other respects, conform to the applicable regulations of the district in which it is located.
The requested conditional use permit appears to conform to the applicable regulations required for the district and the performance standards outlined within the zoning ordinance. Conditions will be placed on any approval to ensure that the property is developed in accordance to ordinance requirements and the proposed plan provided by the applicant.

H. The conditional use complies with the general and specific performance standards as specified by within this Article.
These have been evaluated as part of the findings of fact; and can be found within this document.

2. In review of the standards established in Section 21, Article 2 Conditional Use, Subdivision 4 General Performance Standards; the following conclusions have been made (*conclusions to each requirement are shown in underlined italics)*:

A. The use and the site in question shall be served by a street of sufficient capacity to accommodate the type and volume of traffic which would be generated an adequate public right-of-way shall be provided.
This site is currently served by a street of sufficient capacity. The proposed conditional use will not change the type or volume of traffic flow for this site.

B. The site design for access and parking shall minimize internal as well as external traffic conflicts and shall be in compliance with Section 17 of this Ordinance.
Access to the site is existing and had been approved at an earlier date.

C. If applicable, a pedestrian circulation system shall be clearly defined and appropriate provisions made to protect such areas from encroachment by parked or moving vehicles.
Not applicable.

D. Adequate off-street parking and off-street loading shall be provided in compliance with Section 17 of this Ordinance.
Not applicable.

E. Loading areas and drive-thru facilities shall be positioned so as to minimize internal site access problems and maneuvering conflicts, to avoid visual or noise impacts on any adjacent residential use or district, and provided in compliance with Section 17 of this Ordinance.
Not applicable.

F. Whenever a non-residential use is adjacent to a residential use or district, a buffer area with screening and landscaping shall be provided in accordance with the provisions of Section 15 of this Ordinance.
Not applicable.

G. General site screening and landscaping shall be provided in compliance with Section 15 of this Ordinance.
The outdoor storage area will be properly screened by a screening fence, vegetation and an accessory structure as required in Section 13 and Section 15 of this Ordinance.

H. All exterior lighting shall be directed so as not to cast glare toward or onto the public right-of-way or neighboring residential uses or districts, and shall be in compliance with Section 14 of this Ordinance.
Not applicable.

I. The site drainage system shall be subject to the review and approval of the City Engineer.
Not applicable.

J. The architectural appearance and functional design of the building and site shall not be so dissimilar to the existing and potential buildings and area so as to cause a blighting influence. All sides of the principal and accessory structures are to have essentially the same or coordinated, harmonious exterior finish materials and treatment.
The fencing will be of a neutral color that coordinates with the main building. It will encompass the existing storage containers.

K. Provisions shall be made for daily litter control, an interior location for recycling and trash handling and storage or an outdoor, enclosed receptacle area shall be provided in compliance with Section 14 of this Ordinance.
Not applicable.

L. All signs and informational or visual communication devices shall be in compliance with Section 16 of this Ordinance.
Not applicable.

M. The use and site shall be in compliance with any federal, state, or county laws or regulations that are applicable and any related permits shall be obtained and documented to the City.
The applicant will need to pull a fencing permit in order to install the fence.

N. Any applicable business licenses mandated by City Code are approved and obtained.
Not applicable.

O. The hours of operation may be restricted when there is judged to be an incompatibility with a residential use or district.
Not applicable.

P. The use complies with the applicable performance standards of the zoning district in which it is located and where applicable, any non-conformity shall be eliminated.
This permit and the screening of the storage container will bring the property into compliance.

Q. Additional Stipulations. All conditions pertaining to a specific site are subject to change when the City Council, upon investigation in relation to a formal request, finds that the general public health, safety, and welfare, can be served as well or better by modifying or expanding the conditions set forth herein.

3. In review of the standards established in Section 13, Article 2 Non-Residential Use Regulations, Subdivision 16 Outdoor Storage; the following conclusions have been made (*conclusions to each requirement are shown in underlined italics)*:

A. Outside storage areas shall be surfaced with bituminous, concrete, or other surfaces, including but not limited to crushed rock, Class 5, or recycled materials; as recommended by the Planning Commission and approved by the City Council.
The storage container is placed on Class 5.

B. Outside storage area shall not be placed within required parking or loading areas, which are deemed necessary to meet code requirements.
The storage is placed outside of any parking or loading areas.

C. Outside storage areas shall be located within the rear yard; however, outdoor storage may be located within the side yard, providing the side yard is not adjacent to or across the street from any residentially zoned property.
The storage is in the rear yard.

D. All outside storage areas shall be effectively screened year-round, by a wall, fence, or densely planted vegetation in accordance with Section 15 of this Ordinance.
The storage will be screened on all sides by a 6-foot-high fence.

E. Cars, vans, and pickup trucks parked outside and used by employees and/or visitors in the normal course of business operation will not be construed as outdoor storage. Further, outside parked trucks and semitrailers used in conjunction with normal business activities will not be construed to be outdoor storage provided (a) the total number of trucks and semi-trailers does not exceed the number of docks and/or bay doors; (b) such vehicles are currently licensed by the State of Minnesota and are in the process of delivering or picking up goods or materials, and (c) such use is not construed as an operation listed as a conditional use in the industrial zone. All other vehicles and/or equipment associated with the business shall meet the fencing and screening requirements as stipulated within this ordinance.

Decision

The Planning Commission held a public hearing on the item at the **October 11th, 2016** meeting. The meeting minutes shall be made part of the Findings of Fact.

Planning Commission Recommendation:

Motion by Lundeen second by Bergley to recommend approval of the request from Kardo Properties, LLC, for approval of a Conditional Use Permit for Outdoor Storage located at 605 1st Ave NW, legally described as Lot 1, Block 2, Isanti Centennial Complex, Isanti County, Minnesota based on the Findings of Fact and Conclusions and with the following conditions:

1. Outside storage areas shall be surfaced with bituminous, concrete, or other surfaces, including but not limited to crushed rock, Class 5, or recycled materials; as recommended by the Planning Commission and approved by the City Council.
2. All outside storage areas shall be effectively screened year-round, by a wall, fence, or densely planted vegetation in accordance with Section 15 of this Ordinance.

Motion carried unanimously.

Request for City Council Action

To: **Mayor Wimmer and Members of the City Council**

From: Josi Wood, Public Services Director/ Assistant City Admin

Date: October 18, 2016

Subject: Consider Resolution to Enter into a Contract with Quality Flow Systems, Inc. for Annual Lift Station Service

---

Background:

Currently the Public Works staff pulls a submersible pump from a lift station when they have become aware of a problem via alarm on SCADA. They then need to contact a repair company such as General Repair, Electric Pump or Quality Flow Systems to pull the pump with a lift. There is no servicing of our submersible pumps until there is a problem because the City does not own a lift. Staff also consulted Bolton and Menk on the longevity of our pumps to determine when they should be put on a schedule for replacement, but there are many variables and all depends on the condition of the pump.

Staff requested quotes on an annual lift station contract which would service all the lift stations (10) with a thorough inspection to determine if there is servicing needed such as rag removal, wear ring adjustments, etc.

Vendor	Annual Cost
Quality Flow Systems, Inc	$1,400.00
Electric Pump	$1,500.00

Finance Committee Recommendation:

The Finance Committee discussed the maintenance of the Lift Stations and quotes provided on October 6, 2016 and recommended to enter into a service agreement with Quality Flow Systems, Inc. for 5 years.

Request:

Staff is requesting the City enter into a 5-year contract with Quality Flow Systems, Inc. for Annual Lift Station service. This is an unbudgeted expense that will be funded through Sewer – Contracted Services (112).

Attachments:

- Quality Flow Systems, Inc. quote and service
- Resolution 2016-XXX -

RESOLUTION NO. 2016-XXX

A RESOLUTION AWARDING THE CONTRACT FOR ANNUAL LIFT STATION SERVICE

WHEREAS, the City of Isanti has determined that it is in the City's best interest to seek proposals from qualified vendors to provide Annual Lift Station service for preventative maintenance for the longevity of the Lift Station pumps for a five (5) year period; and,

WHEREAS, two (2) different vendors were reviewed and proposals were received; and,

WHEREAS, the quote from Quality Flow Systems, Inc. was in the amount of $1,400.00 per year; and,

WHEREAS, the Finance Committee recommends entering into an agreement with Quality Flow Systems, Inc. for the level of service the City is seeking; and,

WHEREAS, this will be an unbudgeted expense for 2016 and 2017, however, incorporated into future budgets to fulfill the remainder of the five (5) year term; and

NOW THEREFORE BE IT RESOLVED by the City Council of the City of Isanti, Minnesota as follows:

1. The City Council hereby awards Annual Lift Station Service to Quality Flow Systems, Inc. as the vendor that best meets the needs of the City.
2. That the Public Services Director is hereby authorized to enter into an agreement with Quality Flow Systems, Inc. for service of the Lift Stations from November 1, 2016 to October 31, 2021 and for staff to prepare and sign documents as needed to execute this contract.
3. The funding for this service, in the amount of $1,400.00 per year, will be Sewer – Contracted Service (112).

This resolution was duly adopted by the Isanti City Council this 18th day of October, 2016.

If you have any questions or if we can be of further assistance, please give us a call.

Thank You,
Quality Flow Systems Inc.

Jim Pettit

The scheduled preventative maintenance check as described on this page will consist of a complete and thorough 24 point mechanical and electrical inspection of each Lift Station. This inspection will be on a scheduled basis followed by a complete report of the findings. All inspections are based upon agreement of both parties involved and in compliance with services and terms stated in detail below.

1. Check electrical condition of insulation on power cable and on all phases of motor windings. (Resistance check)

2. Check for function of control panel and any loose or faulty electrical connections.

3. Check voltage supply between all phases on the line side of the electrical control panel; pump off.

4. Check amperage draw on all phases of the pump motor.

5. Check voltage between all phases on the load side of the pump motor starter. Check control power.

6. Check condition and operation of motor thermal protectors (if so equipped)

7. Removal of pump from lift station for physical inspection.

8. Removal of volute from pump for inspection of volute, wear rings and impeller.

9. Photograph volute, wear rings and impeller to show current condition of equipment.

10. Check condition of upper shaft seals (inspect condition oil)

11. Check condition and operation of moisture sensors (if so equipped)

12. Check lower shaft seals (inspect condition of oil)

13. Change oil... (if required)

14. Check condition of impeller (lose or worn)

15. Check all impeller wear rings.

16. Check for noisy upper and lower bearings

17. Check physically for damaged or cut pump cable.

18. Clean, reset and check operation of the pump alternator and level sensors.

19. Check for correct shaft rotation.

20. Reinstall pump and check for leakage at the discharge connection.

21. Test of operating cycle.

22. Inspection of wet well structure, piping and accessories.(photograph if issues are found)

23. Submit complete inspection report.

24. Provide a full report including photos for customer review.

SUBMERSIBLE SEWAGE LIFT STATION SERVICE AGREEMENT

Your City presently has a submersible sewage pumping station, which represents a considerable investment. The equipment installed on your lift station is the best available and should give you years of dependable service. However, like any piece of mechanical and electrical equipment, it does require proper preventive maintenance service to continue to do a good job. We are offering a Service Agreement, which will help protect your investment.

The Service Agreement that we propose would include an authorized service technician coming to the lift station to pull and inspect the pumps, motors, wear rings, and mechanical seals. Also included would be checking the electrical control panel and floats. A detailed report would be submitted to you right after the service has been completed.

The service program would help to prevent a failure of the system, resulting in major expenditures, inconveniences, breakdown and many dissatisfied people. By taking advantage of this service, the City will be assured that the pumps would have been properly checked and that the system is in good working order.

Upon inspection, should we find that repairs are necessary, we will immediately contact you to describe what the situation is and to receive authorization to proceed with any repairs.

You will be notified in advance of the service check so that you may have a representative in attendance.

If there are any questions or you require additional information please feel free to give us a call at 952-758-9445.

Request for Council Action

To: Mayor Wimmer
Members of the City Council

From: Roxanne Achman, Community Development Director

Date: October 18, 2016

Subject: Acceptance of Planning Commissioner Jeff Duncan's Resignation.

Background

Planning Commissioner Jeff Duncan has provided a letter of resignation. The Planning Commission will now have a vacant seat for one of the three-year terms ending December 31, 2017.

Attachments:

- Resolution 2016-XXX
- Resignation letter from Jeff Duncan dated October 12, 2016

RESOLUTION NO. 2016-

RESOLUTION TO ACCEPT PLANNING COMMISSION MEMBER JEFF DUNCAN'S RESIGNATION

WHEREAS, Mr. Jeff Duncan was appointed by the City Council to serve as a member of the Planning Commission for a term that that expires on December 31, 2017; and

WHEREAS, Mr. Duncan has served written notice to resign as a member of the Planning Commission.

NOW, THEREFORE BE IT RESOLVED by the City Council of the City of Isanti, Minnesota as follows:

1. That Mr. Jeff Duncan's resignation as a member of the Planning Commission is hereby approved.

This resolution was duly adopted by the Isanti City Council this 18th day of October 2016.

Roxanne Achman
Community Development Director
City of Isanti
110 1st Ave NW
Isanti, MN 55040

Dear Roxanne Achman:

I regret to inform yourself, the Mayor, and the City of Isanti that I will be stepping down from the Planning Commission, effective immediately. Due to the increased travel requirements with my full time career over the past year, I am unable to put the time and effort into this position that the City of Isanti deserves and requires. I appreciate the opportunity to work with City Staff and the other members of the Commission over the past year.

Sincerely,

Jeff Duncan

MEMO

To: Mayor Wimmer and City Council

From: Don Lorsung, City Administrator

Date: October 12, 2016

Subject: Amendment to City Code Chapter 227 – Loading Zones

The City received a request from the Manager of Isanti Villa Apartments for a commercial loading zone for transit buses on Dahlin Street SE. The Development and Operations Advisory Committee reviewed this request and the need for loading zones in the City. Staff has prepared an ordinance to amend the City Code to allow commercial loading zones for loading of merchandise or people. This ordinance has been reviewed by the City Attorney and City Engineer. The DOAC has recommended consideration by the City Council of the proposed Ordinance to amend the City Code to add Loading Zones (see attached).

ORDINANCE NO. XXX

AN ORDINANCE AMENDING CHAPTER 227 PARKING AND STORAGE

THE CITY COUNCIL OF THE CITY OF ISANTI DOES ORDAIN:

Sub-paragraph (5), Paragraph C., Parking, Stopping, and Standing Provisions, Section 227-2, Parking Regulations, Article II General Parking Regulations, of Chapter 227 of the Code of the City of Isanti is hereby amended to add the following text:

227-2. Parking regulations.

C. Parking, stopping and standing provisions.

(9) Loading Zones. The City Council may, by resolution, establish loading zones to be used for the specific purpose of loading or unloading from a commercial vehicle being utilized in the transport of merchandise or people. Such loading zones shall be installed by order of the City Council where in its judgement a commercial loading zone is justified. The resolution shall specify the days of the week, and hours of the day when the designation shall be enforced. Signage shall be posted for designated loading zones.

EFFECTIVE DATE
This Ordinance takes effect upon its passage and publication in the official newspaper of the City of Isanti.

Adopted by the City Council this 18th day of October, 2016.

From: Josi Wood
Public Services Director/ Assistant City Admin.

Date: October 18, 2016

Subject: Consider Ordinance to Amend City Council Chapter 227 Parking and Storage to include portion of West side of Centennial Dr. NW

Background

This item was tabled at the October 4, 2016 City Council Meeting and was reviewed by the DOAC Committee at their October 6, 2016 meeting.

DOAC Committee Recommendation:

After discussions with School Officials regarding the traffic situation and further consideration, the DOAC Committee is recommending to amend City Code that no parking signs are placed on the West side along Centennial Drive NW. The no parking zone would extend south from Heritage Blvd NW through the south Middle School Parking Lot Access Road. This distance is 905 feet from the Heritage Blvd. NW right-of-way.

In order to enforce, amendments are necessary in City Code Chapter 227 and they are as follows:

Sub-paragraph (5), Paragraph C., Parking, Stopping, and Standing Provisions, Section 227-2, Parking Regulations, Article II General Parking Regulations, of Chapter 227 of the Code of the City of Isanti is hereby amended to add the following text:

(k) Along the West side of Centennial Dr. NW, from Heritage Blvd NW extending South 905' (feet).

Staff Request

City staff is requesting action on this item.

Subject: Bureau of Justice Programs – Ballistic Vest Grant

Background:

The City Council has authorized the Chief of Police to continually apply for the Bureau of Justice Programs – Ballistic Vest Grant. This grant helps offset the cost of the officer's vest that have a life expectancy of five years.

Action:

I am requesting that the City Council accept the grant award of $2,637.50 from the Bureau of Justice Programs – Ballistic Vest Grant on behalf of the Police Department.

RESOLUTION NO. 2016 - _____

RESOLUTION AUTHORIZING STAFF TO ACCEPT THE BUREAU OF JUSTICE PROGRAMS – BALLISTIC VEST GRANT

WHEREAS, the Isanti Police Department had the opportunity to apply for the Bureau of Justice Programs – Ballistic Vest Grant; and

WHEREAS, the Police Department makes use of grant opportunities to provide better service to the community; and

WHEREAS, the City of Isanti Police Department has requested these ballistic vests to replace aging vests that have expired and are no longer supported by the vendor.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to authorize the acceptance of the Bureau of Justice Programs – Ballistic Vest Grant award of $2,637.50.

This resolution was duly adopted by the Isanti City Council this 18th day of October, 2016.

MEMORANDUM

Date: October 12, 2016

To: Honorable Mayor Wimmer and Members of the City Council

From: Bradley C. DeWolf, P.E. (BCD)

Subject: Storm Sewer Apron & Pond Inventory Report
City of Isanti, MN

Bolton & Menk, Inc. has completed the Storm Sewer Apron & Pond Inventory Report.

The new designation as an MS4 permittee requires the City to monitor storm sewer discharge points and perform corrective measures for any noted deficiencies.

This study reviewed the condition of all city owned storm sewer ponds and aprons and provided a cost estimate and five year maintenance program to restore them to their designed functions.

We have submitted this report to City staff for review and have incorporated all comments in the final report.

The Finance Committee reviewed this report and recommended approval by the City Council.

Please contact me at (612) 756-1032 if you have any questions or need additional information.

Bolton & Menk is an equal opportunity employer.

RESOLUTION NO. 2016-

RESOLUTION APPROVING STORM SEWER APRON & POND INVENTORY REPORT AND ADOPT THE MAINTENANCE SCHEDULE

WHEREAS, in order to comply with the MS4 permit, the City is required to monitor storm sewer discharge points and perform corrective measures for any noted deficiencies; and,

WHEREAS, the City of Isanti requested Bolton & Menk, Inc. to perform a storm pond assessment as approved November 3, 2015 to review all City owned ponds and storm sewer aprons and determine the maintenance needs for each pond and apron; and,

WHEREAS, a five year maintenance schedule was created to restore all deficient ponds and aprons; and,

WHEREAS, City staff reviewed the report and all comments were incorporated into the final report; and,

WHEREAS, the Finance Committee met on October 6, 2016 and recommended approval of the report and adoption of the five year maintenance plan;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota as follows:

1. That the City approves the Storm Sewer Apron & Pond Inventory Report and adopts the five year maintenance plan.
2. Authorizes Staff to go out for annual bid for such work as outlined in the report as funding allows, as is approved in the annual budget.
3. The funding source for such work will be from the Storm Fund.

This resolution was duly approved by the Isanti City Council this 18th day of October, 2016.

MEMORANDUM

Date: October 12, 2016

To: Honorable Mayor Wimmer and Members of the City Council

From: Bradley C. DeWolf, P.E.

Subject: Engineering Proposal for Railroad Avenue Trail Infill Study
Isanti, MN
Project No.: R13.111162

Bolton & Menk, Inc. is pleased to present this proposal for professional engineering services for the Railroad Avenue Trail Infill Study.

The proposed project would connect the existing bituminous trail on Railroad Avenue SE from Palomino Road SE to Main Street. This would complete the trail system along Railroad Avenue and tie the southern trail system to Main Street E.

This study was discussed at the City Council Goal Setting Work Session, January 25, 2016, and requested at the Development & Operations Advisory Committee Meeting, October 6, 2016.

The study would be done in conjunction with the Palomino Road Feasibility report as they would impact the same intersection at Railroad Avenue SE & Palomino Road SE.

Our scope of work will include the following:

- Survey existing conditions
- Research existing right of way
- Prepare a Preliminary Engineering Report discussing our findings
- Create figures to supplement the report
- Prepare a project cost estimate
- Provide a recommendation as to the feasibility of the project

We propose to complete the described scope of work for an hourly, not to exceed, fee of $5,900.

Thank you for the opportunity to present this proposal. Please contact me at (612) 756-1032 if you have any questions or need additional information.

Bolton & Menk is an equal opportunity employer.

RESOLUTION NO. 2016-XXX

A RESOLUTION AUTHORIZING A PRELIMINARY STUDY TO CONNECT THE SIDEWALK ON RAILROAD AVE SE FROM PALOMINO RD SE TO MAIN STREET

WHEREAS, the City Council determined during the City Council 2016 Goal Setting meeting that there was interest in connecting three trail/ sidewalk gaps within the city; and,

WHEREAS, as the City is considering work along Palomino Rd SE, street project planned for 2017, now this infill section of sidewalk could be part of the project with cost savings in design and construction; and,

WHEREAS, the Development and Operations Advisory Committee determined that it would be in the best interest of the city to discuss the connection of sidewalk along Railroad Ave SE from Palomino Rd SE to Main Street with the Palomino street project; and,

WHEREAS, engineering services by Bolton and Menk, Inc. for the proposed trail study to connect the existing bituminous trail along Railroad Ave SE from Palomino Rd SE to Main Street would be in the amount, not to exceed, $5,900.00; and,

WHEREAS, the funding source would be from Streets – Engineering (303) in the total amount of $5,900.00;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to hereby accept the proposal for a preliminary infill study by Bolton and Menk, Inc. to determine if the sidewalk can be connected along Railroad Ave SE as stated above in the amount, not to exceed, $5,900.00.

Adopted by the Isanti City Council this 18th day of October, 2016.

MEMORANDUM

Date: October 13, 2016

To: Honorable Mayor Wimmer and Members of the City Council

From: Bradley C. DeWolf, P.E. (BCD)

Subject: 2017 Pavement Maintenance Project Options
City of Isanti, MN

We have reviewed the pavement conditions noted in the Pavement Management System Report and have created four options that have an estimated project cost below the estimated 2016 franchise fee revenue of $266,097.00 budgeted for the 2017 Pavement Maintenance Project. The estimated project cost includes engineering fees and construction costs.

Attached are layouts of the four options.

These options were brought to the Public Works Committee Meeting on October 4, 2016 and Option 3 was selected as the preferred option to recommend to Council for approval.

The following is a summary of each option:

Option 1:

This option shows a full mill and overlay of Main Street from Whiskey Road to 4th Avenue SW as well as seal coating South Passage from Whiskey Road to the Railroad Tracks.

This segment of Main Street was constructed in 1992 and a full mill and overlay would preserve this pavement for another 10-20 years. However, the curb & gutter on this street is in poor condition and a lot of it is recommended to be removed and replaced with this project. Also, some panels of concrete sidewalk against the back of curb are cracked and are recommended to be replaced as well. With these additional expenses there would only be enough funds left to sealcoat one street segment. South Passage from Whiskey Road to the Railroad tracks has not had any crack filling or sealcoating performed to date. The current cracks are large and are beginning to deteriorate.

Option 2:

This option would also perform a full mill and overlay of Main Street from Whiskey Road to 4th Avenue SW. This option would replace sealcoating South Passage with crack filling South Passage as well as crack filling Hillock West Phase 1 & 2, Villages on the Rum Phases 1-3, Isanti Parkway from Whiskey Road to 3rd Avenue, Whiskey Road from Heritage Boulevard to Isanti Parkway, and East Dual from Heritage Boulevard to Isanti Parkway.

None of these street segments have been crack filled or sealcoated to date. This option would prevent additional crack degradation in many areas but not complete the full seal coat maintenance needed on the street. It would be recommended to follow these streets with a future year seal coat project to complete the maintenance needed.

Bolton & Menk is an equal opportunity employer.

Option 3:

This option is to sealcoat the streets with the more current need and crack fill more streets to prepare them for future sealcoat projects. This option balances completing full sealcoat projects with preparing future projects for sealcoats.

Main Street would be left to age until a full reconstruction project would be schedule and an assessment policy could be followed for the improvement.

The streets and developments that would be sealcoated include: Hillock West Phase 1 & 2, Isanti Parkway from Whiskey Road to 3rd Avenue, 3rd Avenue from Heritage Boulevard to Isanti Parkway, Whiskey Road from Heritage Boulevard to Isanti Parkway, East Dual Boulevard from Heritage Boulevard to Cajima Street, West Dual Boulevard, Cajima Street, and South Passage from Whiskey Road to the Railroad tracks.

The streets and developments that would be crack filled are the Villages on the Rum Phases 1-4 and Hillock Court.

Option 4:

This option is to only sealcoat streets.

The streets and developments that would be sealcoated include: Hillock West Phase 1 & 2, Villages on the Rum Phases 1-3, Isanti Parkway from Whiskey Road to 3rd Avenue, and South Passage from Whiskey Road to the Railroad tracks.

This option would also leave Main Street for a future full reconstruction project.

Please contact me with any questions or if you would like any additional information.

RESOLUTION NO. 2016-

RESOLUTION APPROVING PAVEMENT MANAGEMENT STREET OPTION FOR THE 2017 PAVEMENT MAINTENANCE PROJECT

WHEREAS, City Council approved and adopted the Pavement Management Plan and Revenue Plan for funding April 21st, 2015; and,

WHEREAS, the areas of greatest concern for longevity of City streets were outlined by four (4) options and budget for such work to take place in 2017 have been reviewed; and,

WHEREAS, the Public Works Committee met on October 4, 2016 and recommended approval of the below option to sealcoat the streets with the more current need and crack fill more streets to prepare them for future sealcoat projects. This option balances completing full sealcoat projects with preparing future projects for sealcoats:

Main Street would be left to age until a full reconstruction project would be schedule and an assessment policy could be followed for the improvement. The streets and developments that would be sealcoated include: Hillock West Phase 1 & 2, Isanti Parkway from Whiskey Road to 3rd Avenue, 3rd Avenue from Heritage Boulevard to Isanti Parkway, Whiskey Road from Heritage Boulevard to Isanti Parkway, East Dual Boulevard from Heritage Boulevard to Cajima Street, West Dual Boulevard, Cajima Street, and South Passage from Whiskey Road to the Railroad tracks. The streets and developments that would be crack filled are the Villages on the Rum Phases 1-4 and Hillock Court;

WHEREAS, the City has $266,097.00 in funds available for such street maintenance based on 2016 franchise fee revenue; and,

WHEREAS, Bolton and Menk, Inc. has reviewed the scope of the work and proposed the cost, includes all construction and engineering costs through final inspection, will not exceed the available funding of $266,097.00; and,

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to move forward with the proposed work outlined per this Resolution for the 2017 Pavement Management Project.

This resolution was duly approved by the Isanti City Council this 18th day of October, 2016.

RE: Pay Request No. 02
Wastewater Treatment Improvements
Isanti, Minnesota
BMI Project No.: R13.109638

Dear Mr. Lorsung:

Please find enclosed three copies of Pay Request No. 02 for the above referenced project. This pay request is primarily for the concrete work and excavations at the wastewater treatment. The requested and certified amount is $184,792.00.

If you have any questions do not hesitate to call me at 612-840-6068.

Sincerely,

Bolton & Menk, Inc.

Paul Saffert, P. E.
Project Manager

PS/jo

City of Isanti
Economic Development Authority
Regular Meeting Minutes of
September 6, 2016
Isanti City Hall

1. Call to Order

The meeting was called to order by President Wimmer at 7:30 p.m.

a. Pledge of Allegiance

b. Roll Call

Commissioners Present: George Wimmer, Keith Dragisich, Ross Lorinser, Dan Collison, Paul Bergley, Steve Lundeen and Tara Hallberg

Commissioners Absent: None

Staff Present: Economic Development Director Sean Sullivan

c. Agenda Modifications

2. Approval of Agenda

Motion to approve Agenda as presented by Lundeen, second by Bergley, motion carried unanimously.

3. Approve Minutes of August 3, 2016 Regular Economic Development Meeting

Motion by Lundeen second by Bergley to approve the minutes for August 3, 2016. Motion carried unanimously.

4. Consider Recommendation for Submittal of 2016 CEDS to ECRDC

Economic Development Director Sullivan highlighted items in the staff memo. Removal of the Medical clinic and updating the remaining four priority projects was completed by staff which include: Rail industrial Park, Downtown Redevelopment, Wastewater Treatment, Hotel. Sullivan stated that this document was used for identifying projects that could be eligible for Federal EDA dollars.

Motion by Lundeen second by Bergley to recommend to the City Council submittal of the 2016 CEDS document as presented.

5. Other Business / Updates / Communications

President Wimmer updated the EDA on the Hwy 65 Overlay District and that it would be reviewed by DAC, City Council and Planning Commission. He indicated looking at higher development

standards for the first 1 or 2 blocks would be part of this discussion. He also provided an updated on the Street Collector Fees and that DOAC would be looking at potential impacts of reducing or eliminating this fee.

Sullivan updated the EDA in regards to the status of the Promotional Bag / Welcome Brochure project, continued positive growth in housing and the net gain of businesses and their positive impact on Isanti.

Commissioner Collison asked when the Gas Station would be opening.

President Wimmer indicated the date of opening of the gas station was not certain, and the initial success has been phenomenal.

Sean M. Sullivan

Sean M. Sullivan, Economic Development Director

CITY OF ISANTI
PLANNING COMMISSION
MEETING MINUTES
SEPTEMBER 13, 2016

1. Meeting Opening.

A. Call to Order.

Cesafsky called the meeting to order at 7:00 p.m.

B. Pledge of Allegiance.

Everyone rose for the pledge of allegiance.

C. Roll Call.

Members Present: Paul Bergley, Wayne Traver, Greg Cesafsky, Steve Lundeen, and Jim Kennedy.

Members Absent: Jeff Duncan (prior notice given)

Staff Present: Community Development Director, Roxanne Achman

Others Present: None

D. Agenda Modifications.

None.

2. Approval of Minutes from August 10, 2016 Planning Commission Meeting.

Cesafsky questioned if there were any comments or changes to the minutes.

Motion by Kennedy second by Bergley to approve the August 10th, 2016 Planning Commission Meeting Minutes. Motion was unanimously approved.

3. Public Hearings.

A. Request from Tim Taylor for an Amendment to Villages on the Rum Third Addition, Phase 4 Planned Unit Development to reduce the interior side yard setback from fifteen (15) feet to ten (10) feet for the home and from fifteen (15) feet to five (5) feet for an attached garage (garage only), located in Isanti County, Isanti, Minnesota.

Cesafsky read the item into the minutes.

Achman presented the staff memo.

Cesafsky opened the public hearing.

Lundeen asked if the lots were irregularly shaped.

Achman stated the lots were not extremely irregular, but they don't allow for a three stall garage based on the sideyard setbacks required for this development.

Randy Bollinger, 926 Whiskey Rd NW, stated he didn't have any objections to the reduced sideyard setbacks. He just wanted clarification on whether this would shorten the driveway.

Achman clarified by stating that the home would be built wider but the driveway would stay the same. Homes are required to be setback a minimum of thirty feet from the front property line.

Mr. Bollinger stated that he was just concerned that the driveway would be shorter causing more of a parking issue in the neighborhood.

The public hearing was closed.

Motion by Lundeen second by Kennedy to recommend approval of the request from Tim Taylor for an Amendment to Villages on the Rum Third Addition, Phase 4 Planned Unit Development to reduce the interior side yard setback from fifteen (15) feet to ten (10) feet for the home and from fifteen (15) feet to five (5) feet for an attached garage (garage only), located in Isanti County, Isanti, Minnesota based on the Finding of Fact and Conclusions with the following conditions:

1. All other previously approved standards, conditions, and plans associated with the original Villages on the Rum Third Addition, Phase 4 Planned Unit Development must be met.

Motion carried unanimously.

B. Request from TH Construction of Anoka Inc. for Preliminary Plat approval of the Plat of Sun Prairie Second Addition, legally described as Outlot F, Sun Prairie First Addition, Isanti County, Isanti, Minnesota.

Cesafsky read the item into the minutes.

Achman presented the staff memo.

Cesafsky opened the public hearing. There was no one to speak on the item. The public hearing was closed.

Motion by Kennedy second by Bergley to recommend approval of the request from the TH Construction of Anoka Inc. for Preliminary Plat approval of the Plat of Sun Prairie Second Addition, legally described as Outlot F, Sun Prairie First Addition, Isanti County, Isanti, Minnesota based on the Findings of Fact and Conclusions with the following conditions:

1. The developer shall install 1 tree per 50 of lot frontage (roughly 21 trees)
2. The developer needs to be informed that they are to avoid curbstops within the driveway.

Motion carried unanimously.

4. Other Business.

A. None.

5. Discussion Items.

A. Update on Highway 65 Overlay District.

Achman provided an update stating that staff is continuing to work on the Overlay District. Staff was hoping to have it ready for a public hearing at the October Planning Commission meeting, but it is more likely to be brought forward at the November or December meeting. Staff is reviewing the uses at this time and trying to make a determination on what uses would best create a gateway to the community.

Bergley asked if staff was looking for input from businesses yet.

Achman stated that would occur at the public hearing.

Cesafsky asked what the area was that would be part of the Overlay District.

Achman stated that it would be along the Highway 65 Corridor to the city limits and to include portions of the Tier One area.

6. Adjournment

Motion by Bergley second by Lundeen to adjourn the September 13th, 2016 meeting of the Planning Commission. Motion was unanimously approved.

The meeting adjourned at 7:08 p.m.

Dated at Isanti, Minnesota this 13th day of September 2016.

Respectfully submitted,

_____

Roxanne Achman, AICP
Community Development Director

RESOLUTION NO. 2016-XXX

RESOLUTION OFFERING THE POSITION OF FINANCE DIRECTOR TO MS. JACKIE FISHER

WHEREAS, the City Council of the City of Isanti is required to approve all new employees; and,

WHEREAS, the City Council approved to advertise and accept applications to fill the vacant Finance Director position; and

WHEREAS, the Personnel Committee has selected Ms. Jackie Fisher as the most qualified candidate for the position; and

WHEREAS, a successful background check has been completed on the candidate.

NOW THEREFORE BE IT RESOLVED BY THE CITY COUNCIL of the City of Isanti, Minnesota as follows:

1. That Human Resources is hereby directed to offer the Finance Director position to Ms. Jackie Fisher for the City of Isanti with a start date of November 7, 2016 with conditions as provided in a contract between the City of Isanti and Ms. Fisher and attached as 'Exhibit A'.
2. That the Mayor and City Administrator are authorized to sign said contract.
3. That Human Resources is directed to complete all required documentation for the completion of the employment offer.
4. That Human Resources is directed to forward an executed copy of this resolution to the employee and place a copy in the employee's personnel file for future reference.

This resolution was duly adopted by the Isanti City Council this 18th day of October, 2016.

Attest:

Mayor George A. Wimmer

Lindsey Giese
Human Resources/City Clerk

EXHIBIT A

EMPLOYMENT AGREEMENT

THIS AGREEMENT made and entered into on October 18, 2016 by and between the City of Isanti, Minnesota, a municipal corporation, herein called EMPLOYER, and Jacqueline Fisher, herein called EMPLOYEE. This Agreement shall become effective on the EMPLOYEE'S first day of employment of November 7, 2016.

EMPLOYER desires to employ the services of Jacqueline Fisher as Finance Director for the City of Isanti as provided by applicable Minnesota law and applicable ordinances of the City of Isanti, Minnesota.

It is the desire of the EMPLOYER to employ the EMPLOYEE and it is the EMPLOYEE's desire to accept employment from the EMPLOYER on the terms and conditions as set forth herein.

NOW THEREFORE IN CONSIDERATION OF THE MUTUAL COVENANTS HEREIN CONTAINED, THE EMPLOYER AND EMPLOYEE AGREE AS FOLLOWS:

1. Duties. As authorized pursuant to the provisions of Minnesota Statutes Section §412.111, the EMPLOYER hereby agrees to employ EMPLOYEE as Finance Director of the City of Isanti to perform the functions and duties as specified in the job description for the position of Finance Director of the City of Isanti, as approved by the City Council, and as the same may be amended from time to time.

2. Term. The EMPLOYEE's employment shall be for an indefinite term at the will of the EMPLOYER. The terms of this contract shall be applicable from November 7, 2016 and until termination of the employment relationship, or until amended by a subsequent agreement approved by action of the City Council of the City of Isanti and signed by both EMPLOYER and EMPLOYEE.

3. Employment at Will. The EMPLOYEE is employed at the will of the EMPLOYER, and therefore may be terminated at any time with or without cause upon, except as hereinafter provided, not less than 30 days' written notice from EMPLOYER to EMPLOYEE. EMPLOYER may however, in EMPLOYER's sole discretion, terminate the EMPLOYEE without any prior notice for misconduct, defined as follows:

A. Conduct by the EMPLOYEE resulting in criminal charges against the EMPLOYEE (except for petty misdemeanor traffic violations); or

B. EMPLOYEE's refusal to obey a lawful directive of EMPLOYER; or

C. Acts by the EMPLOYEE intended to cause injury to the EMPLOYER.

4. Salary. EMPLOYER agrees to pay EMPLOYEE for services rendered pursuant to this contract wages calculated on an annual base salary of $84,069.68 payable in installments at the same time as other payroll employees of the EMPLOYER are paid. In the event a cost of living adjustment is approved by the EMPLOYER in 2017 for the salary for this position, the annual base salary shall be increased to include that adjustment. During the first 12 months of employment performance reviews will occur at six and 12 months. Salary increases will be considered upon successful performance reviews at six and 12 months. Subsequent annual salary increases shall be based on a successful annual performance review and approval of any cost of living salary adjustment by the City Council.

5. Vacation, Sick Leave and Insurance Benefits. The EMPLOYEE shall be entitled to earn vacation at an accrual rate equivalent to 18 days per year, with any additional adjustment based on years of services as prescribed by the EMPLOYER's personnel policy.

Sick leave shall be provided as prescribed by the EMPLOYER's personnel policy. Insurance and other employee benefits shall be provided as prescribed by the EMPLOYER's personnel policy.

6. Performance Appraisal. The City Administrator, or in absence of the City Administrator, the Mayor and Council shall review and evaluate the performance of EMPLOYEE at least once annually, preferably prior to November 1st of each year. Following completion of each such performance appraisal the EMPLOYEE shall be given a summary thereof. In the first year of employment the EMPLOYEE shall be subject to a probationary performance review after six months of employment as per the EMPLOYER's personnel policy.

7. Retirement Benefits. The EMPLOYEE shall be entitled to participate in the accrual of retirement benefit contributions as prescribed for public employees under PERA, and/or under any other retirement program, if any, which may now or hereafter be available pursuant to and consistent with any applicable state or federal laws and EMPLOYER's personnel policy.

8. Personnel Policy. Except where specifically abridged or modified by this Agreement, the EMPLOYEE shall be subject to all terms and provisions of the EMPLOYER's personnel policies as set forth in the EMPLOYER's personnel policy manual. If any provision of this manual conflicts with a provision in this contract, then the contractual provision shall prevail.

9. Professional Development. The EMPLOYER agrees, subject to annual budget approval and subject to preauthorization of the City Administrator and/or City Council, to pay all necessary and reasonable expenses of EMPLOYEE for short courses, institutes and seminars that are, in the opinion of both EMPLOYER and EMPLOYEE necessary

for professional development of EMPLOYEE. EMPLOYER shall pay for EMPLOYEE's attendance at the MnGFOA annual conference. The EMPLOYER will pay costs for training fees, travel and lodging, and meals, as per the EMPLOYER's personnel policy manual. The EMPLOYER shall pay for publications for the EMPLOYEE to assist in performance of their job duties. Such publications shall be approved by the EMPLOYER.

10. Professional Membership. During the term of employment, EMPLOYER will pay EMPLOYEE's annual regular membership dues for EMPLOYEE's ongoing membership in the MnGFOA, and national GFOA as the same become due and payable.

11. Severability. Should any provision of this agreement be held unlawful by a Court of competent jurisdiction; all other provisions of this agreement shall remain in force for the duration of the agreement.

12. Notices. Notices pursuant to this agreement shall be given by deposit in the custody of the United States Postal Service, postage prepaid, and addressed as follows:

EMPLOYER

City Administrator
110 First Ave. NW
P.O. Box 428
Isanti, MN 55040

EMPLOYEE

Jacqueline Fisher
47464 Gone Golfin
Garrison, MN 56450

Alternatively, notices required pursuant to this agreement may be personally served as prescribed by the Minnesota Rules of Civil Procedure. Notice shall be deemed given as of the date of personal service or as of the date of deposit of such written notice in the United States mail.

13. Council Approval. This Employment Agreement is subject to approval by the City Council of the City of Isanti, Minnesota.

IN WITNESS WHEREOF, the EMPLOYER has caused this agreement to be signed and executed on its behalf by the Mayor and City Clerk, and the EMPLOYEE has signed and executed this agreement as of the day and year first above written.

RESOLUTION NO. 2016-XXX

RESOLUTION OFFERING THE POSITION OF PART-TIME LIQUOR STORE CLERK TO CHRISTINA PARSONS

WHEREAS, the City Council of the City of Isanti is required to approve all new employees; and

WHEREAS, the City Council approved to advertise and accept applications to fill a Liquor Store Part-Time Clerk position; and

WHEREAS, the Interviewing Panel selected Christina Parsons as the most qualified candidate for the open Part-Time Clerk position. A successful background check has been completed on the candidate.

NOW THEREFORE BE IT RESOLVED BY THE CITY COUNCIL of the City of Isanti, Minnesota as follows:

1. That Human Resources is hereby directed to offer the Part Time Liquor Store Clerk position to Christina Parsons for the City of Isanti and that she shall be eligible to start in that position on or after October 19, 2016.
2. That Christina Parsons shall start at Step 1 of the Wage Scale at $10.57 per hour.
3. That Christina Parsons shall be on probationary status per the Personnel Policy in the position of the Part-Time Clerk position effective October 19, 2016, or her start date, whichever is later.
4. That Human Resources is directed to complete all required documentation for the completion of the employment offer.
5. That Human Resources is directed to forward an executed copy of this resolution to the employee and place a copy in the employee's personnel file for future reference.

This resolution was duly adopted by the Isanti City Council this 18th day of October, 2016.

Attest:

Mayor George A. Wimmer

Lindsey Giese
Human Resources/City Clerk

RESOLUTION NO. 2016-XXX

RESOLUTION OFFERING THE POSITION OF PART-TIME LIQUOR STORE CLERK TO BEVERLY HARREN

WHEREAS, the City Council of the City of Isanti is required to approve all new employees; and

WHEREAS, the City Council approved to advertise and accept applications to fill a Liquor Store Part-Time Clerk position; and

WHEREAS, the Interviewing Panel selected Beverly Harren as the most qualified candidate for the open Part-Time Clerk position. A successful background check has been completed on the candidate.

NOW THEREFORE BE IT RESOLVED BY THE CITY COUNCIL of the City of Isanti, Minnesota as follows:

1. That Human Resources is hereby directed to offer the Part Time Liquor Store Clerk position to Beverly Harren for the City of Isanti and that she shall be eligible to start in that position on or after October 19, 2016.
2. That Beverly Harren shall start at Step 1 of the Wage Scale at $10.57 per hour.
3. That Beverly Harren shall be on probationary status per the Personnel Policy in the position of the Part-Time Clerk position effective October 19, 2016, or her start date, whichever is later.
4. That Human Resources is directed to complete all required documentation for the completion of the employment offer.
5. That Human Resources is directed to forward an executed copy of this resolution to the employee and place a copy in the employee's personnel file for future reference.

(SEAL)

City of Isanti
Economic Development Authority
Regular Meeting Minutes of
October 4, 2016
Isanti City Hall

1. Call to Order

The meeting was called to order by President Wimmer at 7:31 p.m.

a. Pledge of Allegiance

b. Roll Call

Commissioners Present: George Wimmer, Keith Dragisich, Ross Lorinser, Dan Collison, Paul Bergley, and Steve Lundeen

Commissioners Absent: Tara Hallberg

Staff Present: Economic Development Director Sean Sullivan

c. Agenda Modifications

2. Approval of Agenda

Motion to approve Agenda as presented by Lundeen, second by Collison, motion carried unanimously.

3. Approve Minutes of September 6, 2016 Regular Economic Development Meeting

Motion by Collison second by Bergley to approve the minutes for September 6, 2016. Motion carried unanimously.

4. Consider Request for Contribution to Minnesota Economic Development Foundation (MNEDF)

Economic Development Director Sullivan highlighted the staff memo and the history of City of Isanti Awards from the MNEDF for Interns and Training opportunities. Sullivan indicated that he has been the recipient of a scholarship for training for NDC and that the organization has done great things for economic development and provided a valuable service for the City of Isanti. He stated that this was not a budgeted item and that a funding source would need to be identified. Sullivan asked the EDA to consider supporting this organization with a donation.

Discussion ensued.

President Wimmer acknowledged that this was not a budgeted item but the Council does have the discretion to ad items such as this. He indicated that the General Fund, or other Funds that were possibly under budget, could be used for these type items.

Member Dragisich stated that he supported making a donation to the fund because the City had been a scholarship recipient multiple times.

Motion by Lundeen second by Dragisich to recommend to the City Council a donation of $1000 to be made to MNEDF and to refer to Finance Committee to identify that funding source. Motion carried unanimously.

5. Other Business / Updates / Communications

Sullivan highlighted items on the Staff Memo.

Lundeen informed the EDA that the construction traffic associated with Allina has not be ideal. A Stop sign was needed.

President Wimmer stated that it was part of the site plan and that Allina was responsible for putting a stop sign in and the City would reciprocate at the McDonald's development.

President Wimmer stated that Coborn's is looking to phase the gas station area. They want to do the pumps immediately and at some point would like to do the carwash.

President Wimmer informed the EDA that Governor Dayton visited SnoBear USA in Isanti and that we have a very good meeting about SnoBear USA, economic development and use of state programs.

Discussion about housing market and trends occurred. Thought was the season was wrapping up and that there still was sufficient lot inventory in the City.

CITY OF ISANTI
PLANNING COMMISSION
MEETING MINUTES
OCTOBER 11, 2016

1. Meeting Opening.

A. Call to Order.

Cesafsky called the meeting to order at 7:00 p.m.

B. Pledge of Allegiance.

Everyone rose for the pledge of allegiance.

C. Roll Call.

Members Present: Paul Bergley, Wayne Traver, Greg Cesafsky, Steve Lundeen, and Jim Kennedy.

Members Absent: Jeff Duncan (no notice given)

Staff Present: Community Development Director, Roxanne Achman

Others Present: None

D. Agenda Modifications.

None.

2. Approval of Minutes from September 13, 2016 Planning Commission Meeting.

Cesafsky questioned if there were any comments or changes to the minutes.

Motion by Lundeen second by Bergley to approve the September 13th, 2016 Planning Commission Meeting Minutes. Motion was unanimously approved.

3. Public Hearings.

A. Request from TH Construction of Anoka Inc. for Final Plat approval of the Plat of Sun Prairie Second Addition, legally described as Outlot F, Sun Prairie First Addition, Isanti County, Isanti, Minnesota.

Cesafsky read the item into the minutes.

Achman presented the staff memo.

Cesafsky opened the public hearing.

The public hearing was closed.

Motion by Lundeen second by Bergley to recommend approval of the request from TH Construction of Anoka Inc. for Final Plat approval of the Plat of Sun Prairie Second Addition, legally described as Outlot F, Sun Prairie First Addition, Isanti County, Isanti, Minnesota based on the Findings of Fact and Conclusions and with the following conditions:

1. Upon approval of the Final Plat by the City Council, the City Clerk or his/her designee shall record it with the County Recorder's Office within ninety (90) days after the date of approval; otherwise, failure of the applicant to comply and submit the necessary items and fees for the recording of the Final Plat by the City shall be cause for revoking the City's approval and the Final Plat shall be considered void, unless the developer or applicant requests an extension, in writing and receives approval from the City Council. The City

Council may approve up to two (2) extensions for a term not to exceed one (1) additional year for each extension. Fees associated with the recording of the Final Plat will be charged back to the developer or subdivider.

2. The subdivider shall immediately upon approval, furnish the City Administrator or his/her designee with three (3) full size mylar transparencies of the Final Plat, two (2) for the County and one (1) for the City. Three (3) additional 11 inch by 17 inches mylar transparencies shall be given to the City Planner, the City Clerk, and Isanti County. No building permits shall be issued until these conditions have been complied with.

Motion carried unanimously.

B. Request from Kardo Properties, LLC, for approval of a Conditional Use Permit for Outdoor Storage located at 605 1st Ave NW, legally described as Lot 1, Block 2, Isanti Centennial Complex, Isanti County, Minnesota.

Cesafsky read the item into the minutes.

Achman presented the staff memo.

Cesafsky opened the public hearing. There was no one to speak on the item. The public hearing was closed.

Motion by Lundeen second by Bergley to recommend the approval of the request from Kardo Properties, LLC, for approval of a Conditional Use Permit for Outdoor Storage located at 605 1st Ave NW, legally described as Lot 1, Block 2, Isanti Centennial Complex, Isanti County, Minnesota based on the Finding of Fact and Conclusions and with the following conditions:

1. Outside storage areas shall be surfaced with bituminous, concrete, or other surfaces, including but not limited to crushed rock, Class 5, or recycled materials; as recommended by the Planning Commission and approved by the City Council.
2. All outside storage areas shall be effectively screened year-round, by a wall, fence, or densely planted vegetation in accordance with Section 15 of this Ordinance.

Motion carried unanimously.

4. Other Business.

A. None.

5. Discussion Items.

A. None.

6. Adjournment

Motion by Bergley second by Kennedy to adjourn the October 11th, 2016 meeting of the Planning Commission. Motion was unanimously approved.

The meeting adjourned at 7:05 p.m.

Dated at Isanti, Minnesota this 11th day of October 2016.

Respectfully submitted,

_____

MEMORANDUM

Date: October 12, 2016

To: Honorable Mayor Wimmer and Members of the City Council

From: Bradley C. DeWolf, P.E.

Subject: Project Status Report
Isanti, MN
Project No.: R13.111162

Please find listed below a status report of the current projects in the City of Isanti:

1) **Palomino Road Preliminary Engineering Report**

We will survey the project area this month and begin drafting the report.

2) **2017 Pavement Maintenance Project**

We will create the plans and specs for the option the City selects.

3) **MS4 Phase 2 & 3 Implementation**

Based on committee recommendation, we will bring a proposal to Council to aid the City in meeting the requirements of the MS4 permit for Phase 2 and Phase 3 of the implementation schedule.

4) **City Hall Parking Lot Expansion**

Final punchlist items will be addressed and the project will be closed out.

5) **Wastewater Treatment Improvements**

The Contractor plans to perform the following work this month:

- Construct masonry on the pretreatment building,
- Install piping from the new pretreatment building to the new control structure
- Install new aeration headers in pond #6
- Pour concrete channels inside the pretreatment building

6) **Whiskey Road Walk Infill Study**

We have created a draft report for City comment.

7) **1st Avenue Sidewalk & Curb Replacement**

We have created a draft plan set for City comment.

In addition to the current projects listed above we have completed and accepted 44 private developments and 48 city contracts since being selected as your City Engineer in 2008.

Please contact Brad or Jason if you have any questions.

Bolton & Menk is an equal opportunity employer.

None

H. Announcements

1.	Parks, Recreation, and Culture Board Meeting	Tuesday, October 25, 2016 at 6:00 p.m.
2.	City Council Meeting	Tuesday, November 1, 2016 at 7:00 p.m.
3.	Economic Development Authority	Tuesday, November 1, 2016
	(Immediately following the City Council Meeting)	
4.	Planning Commission Meeting	Wednesday, November 9, 2016 at 7:00 p.m.

I. Council Committee Reports
Mayor Wimmer informed the Council that Senator Klobuchar was in Isanti last week visiting SnoBear and it went very well. Mayor Wimmer and Economic Development Director Sean Sullivan discussed with Senator Klobuchar a few economic development tools they want to make sure are available for a couple projects the City is looking at. They also spoke with her regarding the Rail Industrial Park and some other options to look at moving on to the feasibility study phase.

The Mayor also informed the Council that we have had some issues recently with peddlers and solicitors in town. He reminded the City residents that if someone knocks on your door soliciting, ask to see their City of Isanti peddler/solicitors license. If they do not have one, they need to apply for it at Isanti City Hall. If they continue without it, they will be gently reminded by our strong police force that they are not allowed to proceed without a license. We have also pulled a license from someone recently who was going over the line and also received a number of complaints about them. We take this very seriously.

J. Public Hearings

K. Business Items

1. **Isanti County Sheriff 9-1-1 Presentation**

Before the presentation, Sheriff Caulk first gave an update on the new Sheriff's building. The certificate of occupancy should be available on the 28th of October. They will slowly begin moving over before that date because they need to make sure the two buildings "talk" to each other but cannot operate there before they receive the certificate. They are hoping to host an open house sometime between Christmas and New Year's. Dispatch will begin their remodel project, pulling wires and lines, on Wednesday, October 19 to set up a temporary dispatch center in the Chief Deputy's office. The new dispatch center will have three live stations with room to grow to six which should cover the Law Enforcement needs in our community for the next 75–100 years. Caulk then asked for questions.

Councilor Collison questioned where squad cars are being serviced. Sheriff Caulk explained previously they were serviced through Isanti County Heartland Express but due to time constraints it has been changed and they are now serviced around the community.

Mayor Wimmer shared about the little cubby that dispatch currently operates from and Robert Dowd, Dispatch Supervisor of the dispatch office explained they will be going from 300 square feet to approximately 1,100 square feet.

Dowd went on to explain he had been with the Sheriff's office for 24 years. They have 8 full time and two-part time dispatchers that cover the dispatch center 24 hours a day/7 days a week. They have a combined 188 years of experience which equals an average of about 18 years per employee. Supervisor Dowd continued with a PowerPoint presentation in regards to the dispatch center and their operations. He informed City Council of how their processes previously worked, and what they are progressing to with the new (Next Generation) technology.

Sheriff Caulk also presented information in regards to a potential agreement with the Tri County Regional Forensic lab (located in Anoka County) which will vastly improve the County's ability to solve crimes as they relate to using Forensics. It was noted that this Regional Forensic Lab is one of the best in the entire State, and that we will soon (hopefully) have access to using it.

At the end of the presentation, Councilor Lorinser thanked Supervisor Dowd and Sheriff Caulk and commented that the combined years of service for the dispatchers is priceless. In his personal career in law enforcement it is very clear and makes a big difference when you get really good dispatchers.

Following the discussion Mayor Wimmer went on to ask Council for a motion demonstrating support for the Isanti County Sheriff's Department and their improvements.

Motion by Collison, second by Lorinser. Motion carried unanimously.

2. **Resolution 2016-306 Special Event Request for WillowBridge Open House**

Jason Simoneau explained they will be hosting this event on Friday, November 4 from 5-8 pm. There will be live music. They expect to have about 300 people with parking attendants available. The event is all indoors. Alcohol will be handled in the Green Table.

Motion by Lundeen, second by Lorinser. Motion carried unanimously.

City Administrator Don Lorsung

3. **Resolution 2016-307 Approving the Request from T.H. Construction of Anoka for the Final Plat of Sun Prairie Second Addition**

Motion by Lundeen, second by Bergley. Motion carried unanimously.

4. **Resolution 2016-308 Approving a Conditional Use Permit for Outdoor Storage for Kardo Properties/Conveyors Direct located at 605 1st Ave NW**

Motion by Lundeen, second by Bergley. Motion carried unanimously.

5. **Resolution 2016-309 Awarding Quote and Authorization of Entering into a Five Year Contract for Annual Lift Station Service**

Motion by Lundeen. Second by Bergley. Motion carried unanimously.

6. **Resolution 2016-310 Accepting Planning Commissioner Jeff Duncan's Letter of Resignation**

Mayor Wimmer explained the Commission is planning to go down to five members at the end of the year. After Mr. Duncan's resignation, we will be at that number.

Motion by Bergley, second by Lorinser. Motion carried unanimously.

7. **Ordinance 2016-655 Amending City Code Chapter 227 – Loading Zones**

Mayor Wimmer explained this is in regards to Isanti County Heartland Express picking up customers. It is to assure they have space to do so until we are a large enough community to actually have bus zones.

Motion by Lundeen, second by Bergley. Motion carried unanimously.

8. **Ordinance 2016-656 Amending Chapter 227 Parking and Storage to include Portion of West Side of Centennial Drive NW**

Motion by Lorinser, second by Lundeen. Motion carried unanimously.

Police Chief Gene Hill

9. **Resolution 2016-311 Authorizing Staff to Accept the Bureau of Justice Programs Ballistic Vest Grant**

Motion by Lorinser, second by Bergley. Motion carried unanimously.

City Engineer Brad DeWolf

10. **Resolution 2016-312 Storm Sewer Apron & Pond Inventory Report**

DeWolf explained, as required by our MS4 Permit, they surveyed all 129 Storm Water Ponds and wetlands in the community. The Mayor pointed out we have a population of just under 6,000 and an area of

approximately 4.85 square miles and we have 129 ponds. DeWolf added there are 528 storm sewer outlets into the system, which is quite a system and it's in good shape. The plan outlines a five-year plan to deal with any problem areas. It starts in 2017 with the dollars that are currently in the 2017 budget and ramps up over that five-year period. It was reviewed by the Finance Committee and it was recommended it be approved by the Council.

Motion by Lorinser, second by Collison. Motion carried unanimously.

11. **Resolution 2016-313 Engineering Proposal for Railroad Avenue Trail Infill Study**

Motion by Lorinser, second by Lundeen. Motion carried unanimously.

12. **Resolution 2016-314 Accept 2017 Pavement Maintenance Project Options**

The 2017 Pavement Maintenance Project Options were reviewed by the Public Works Committee. DeWolf shared that with our franchise fees for 2017, we have $266,000 in that fund to fund maintenance of our streets. We had four options to review and it is recommended that we move forward with Option 3.

Motion by Lundeen, second by Collison. Motion carried unanimously.

L. Approve Consent Agenda

1. Consider Accounts Payable in the Amount of $431,694.51 and Payroll in the amount of $89,606.60
2. Contractor's Pay Request No. 02 Wastewater Treatment Improvements in the Amount of $184,792.00
3. Final Meeting Minutes for the September 6, 2016 Economic Development Authority Meeting
4. Final Meeting Minutes for the September 13, 2016 Planning Commission Meeting
5. **Resolution 2016-315** Offering the Position of Finance Director to Ms. Jackie Fisher
6. **Resolution 2016-316** Offering the Position of Part Time Liquor Store Clerk to Ms. Christina Parsons
7. **Resolution 2016-317** Offering the Position of Part Time Liquor Store Clerk to Ms. Beverly Harren

Motion by Lundeen, second by Bergley. Motion carried unanimously.

M. Other Communications

1. Draft Meeting Minutes for the October 4, 2016 Economic Development Authority Meeting
2. Draft Meeting Minutes for the October 11, 2016 Planning Commission Meeting
3. September Police Department Report
4. September Code Enforcement Report
5. September Building Inspector Report
6. October Engineering Report

Adjournment

Motion to adjourn by Lundeen, second by Bergley. Motion carried unanimously. The meeting was adjourned at 7:44 p.m.

Respectfully Submitted,

Janice Lutterman

MEMO

To: **Mayor Wimmer and Members of City Council**

From: Lindsey Giese, Human Resources/City Clerk

Date: October 26, 2016, 2016

Subject: Discussion Regarding Revocation of RG Enterprises, Inc. Solicitor Permit

---

Background:

On October 7, 2016 RG Enterprises, Inc. was provided certificate of registration for a Solicitor's permit that they had requested. The standard application and background process was followed. RG Enterprises, Inc. had four staff approved with badges that were able to solicit their services (specifically to attempt sales of Kirby vacuum cleaners) for the duration of the 2016 calendar year.

Beginning on October 10, 2016, the Isanti Police Department received several complaints including complaints of suspicious person / activity, rude & pushy salesman and soliciting to a home that is signed 'Soliciting Prohibited'. A total of 5 complaints were received from residents regarding the conduct of the Solicitors affiliated with RG Enterprises, Inc.

A summary of the complaints are as follows:

- 10-10-2016 Soliciting without City Permit in possession.
- 10-10-2016 Report of pushy salesman.
- 10-15-2016 Report of suspicious person/vehicle in neighborhood.
- 10-17-2016 Two reports of rude / pushy salesperson – in minivan – one reporting party states that his residence is posted 'soliciting prohibited' and person still came to the door.
- 10-18-2016 Verbal complaint of pushy sales, wouldn't readily take 'No' for an answer but was not reported to police until after permit was revoked.

Pursuant to City Code Chapter 245-10G, the Chief of Police informed the Supervisor of the staff that their license had been revoked and effective October 18th they would no longer be eligible to solicit within Isanti. RG Enterprises, Inc. was also provided a copy of City Ordinance No. 485 pertaining to City Code requirements of regulations and conduct for peddlers, solicitors and transient merchants, which was also provided upon initial application of the permits.

In response, the City of Isanti received a request to appeal on October 26, 2016 from Mr. Mike Gerber on behalf of RG Enterprises, Inc. The City Code provides the right for Mr. Gerber to address the Council regarding his request for the permit to be reinstated.

Isanti, Mn. 55040

October 18, 2016

RG Enterprises, Inc.
Attention: Supervisor Mike Gerber
1084 Highway 3 S.
Northfield, MN 55057

Re: Revocation of Solicitor's Permits

Supervisor Mike Gerber,

It has come to the City's attention that five complaints were made against RG Enterprises, Inc. in regards to suspicious activity reports and staff being rude and pushy in their sales. The Police Department advised Brandon Weiland of RG Enterprise of these complaints on October 17, 2016. All solicitors within the City of Isanti must conduct activity in a reasonably courteous manner at all times, per City Code Chapter 245-10G. Due to the excessive amount of complaints, the Solicitor's Permits previously issued for all individuals with RG Enterprises, Inc. has hereby been revoked effective October 18, 2016. The following members are no longer able to solicit within the City of Isanti: Brandon Weiland, David Hirsch, John Quam, and Michael Sanchez.

Upon initial request of Solicitor's permit, RG Enterprises, Inc. staff was provided with a copy of Ordinance No. 485 pertaining to City Code requirements of regulations and conduct pertaining to peddlers, solicitors and transient merchants. It is the Solicitor's responsibility to follow the Code of Conduct.

Please be advised that upon receiving notice of denial of a Solicitors' permit license, the applicant shall have the right to request an appeal before the Isanti City Council within ten (10) days following the date of this notice or by October 31, 2016. This would not be a public hearing.

Please feel free to contact me at 763-444-4761 should you have questions relating to this matter.

Respectfully,

Gene C. Hill

Gene C. Hill
Chief of Police
Emergency Management Director

CC: Police Lieutenant Travis Muyres
City Administrator Don Lorsung
HR/Clerk Lindsey Giese

§ 245-10. Standards of conduct.

A. Except for those people specified in § **245-4**, a person may conduct regulated activity in the City only if they carry a license with attached photograph identifying the person has been issued a license, and it has not been revoked, suspended, or impounded. The license and attached photograph must be shown upon request.

B. A licensee must not transfer its license to another person. A license that has the photograph removed is invalid. Use of that invalid license is a violation of this chapter.

C. A person must not use a license issued to someone other than that person.

D. A person conducting regulated activity must not go onto private property for that purpose when there are signs prominently posted indicating that trespassing and/or solicitation is unwelcome or prohibited.

E. A person must not be on a street, highway, or adjacent boulevard and direct regulated activity toward the occupants of any motor vehicle in transit and must not obstruct the free flow of vehicular or pedestrian traffic on any public street, sidewalk, or other public right-of-way.

F. A person must not conduct regulated activity in a manner that creates a health or safety hazard. No person shall call attention to his/her/its business or items to be sold by means of blowing a horn, whistle, bell, or crying out or by any other noise, so as to be unreasonably audible within an enclosed structure.

G. A person must conduct regulated activity in a reasonably courteous manner at all times, must not engage in offensive, obscene, or abusive language, must not push open a door not opened by an occupant, must not place any portion of the person's body through an opened doorway without the invitation of an occupant, and must not physically attempt to stop an occupant from closing a door.

H. A licensee must immediately leave private property when requested to do so by an occupant or owner and must leave immediately upon completion of a transaction or an unsuccessful attempt to contact an occupant.

I. A licensee entering onto residential property must go directly to a door of the house, unless there is an adult present outside of the house or in an open garage. At no time may a licensee go to a window or to the back yard, unless invited to do so by the occupant.

J. A person conducting regulated activity must not make untrue statements to the people contacted regarding the purpose of the contact, orders placed by the neighbors, or the goods and services offered.

K. A licensee must not make statements to the people contacted indicating or implying that the City license constitutes an endorsement of his/her/its activities or products by the City.

L. While conducting regulated activity, a licensee must not be accompanied by a person who is not licensed or is not listed in the license application.

M. No person shall conduct business before 10:00 a.m. or after 7:00 p.m.

§ 245-11. Exclusion by placard.

No peddler, solicitor or transient merchant, unless invited to do so by the property owner or tenant, shall enter the property of another for the purpose of conducting business when the property is

marked with a sign or placard at least four inches long by four inches wide with print of at least 48 point in size stating "No Peddlers, Solicitors, or Transient Merchants" or "Peddlers, Solicitors and Transient Merchants Prohibited" or other comparable statement. No person other than the property owner or tenant shall remove, deface or otherwise tamper with any sign or placard under this section.

§ 245-12. Special events.

The following standards shall apply to events that include Jubilee/Rodeo Days and the Fall Music Fest; or other events that may be hosted by a sponsor, promoter, or organizer.

A. It is not necessary for each transient merchant to obtain a license under this chapter, provided that the sponsor, promoter or organizer of the event maintains a list of all participants and assumes responsibility for his/her/its activities and conduct.

B. The sponsor, promoter or organizer of the event may designate where peddlers and transient merchants set up their booths or sales stands.

§ 245-13. Suspension; revocation.

A. The City may suspend or revoke an identification card and/or license, if the person who is acting on behalf of the licensee, or the licensee, has:

(1) Violated a provision of this chapter, or other local laws governing the same activity, during the license period;

(2) Violated a criminal law during the license period that adversely reflects on the ability to honestly, safely, or lawfully conduct the regulated activity; or

(3) Submitted false information or omitted material information in the licensing process required by this chapter.

B. If a license is revoked or suspended, all licenses issued to people acting on behalf of the licensee are automatically revoked or suspended.

§ 245-14. Violations and penalties; enforcement.

A. The Chief of Police and his/her designees are authorized to enforce this chapter. They may impound a license when a person has been found violating a provision of this chapter, when cause exists for suspending or revoking the license, or when the license has been suspended or revoked. When impounding a license, the official must send a notice to the licensee and at the address on the application form, giving the parties 10 days to submit a written request for a hearing before the City Council. Failure to timely request an appeal constitutes a waiver of that appeal and results in an automatic suspension of the license or card for three years.

B. Any person violating any provision of this chapter shall be guilty of a misdemeanor, and, upon conviction thereof, shall be punished by a maximum fine of $1,000 or a term of imprisonment not to exceed 90 days, or both, plus costs of prosecution in either case.

:15 Greetings,
:30
:45 My name is Michael A. Gerber. I have
9 been self employed as a Kirby Salesman
:15 for almost 4 years now. My company and
:30 my people pride ourselves on Integrity, quality,
:45 Reliability and performance. Every community we go
10 to we offer Kirby products in a Professional
:15 manner. We know that if we don't, we get
:30 a Bad name all across Minnesota Wisconsin
:45 and Iowa. I would like to add that we
11 have sold about 9 machines in Isanti
:15 and about 11 machines in Cambridge MN. We
:30 have had good results in your community.
:45 I would be willing to provide Results of
12 these Sales which speak highly of our
:15 character. The few complaints we had in
:30 Isanti should not reflect our character or
:45 Business practices.
1
:15 Brandon Weiland and David Hirsch have been with
:30 my company for over 1 year
:45 Josh Quam and Michael Sanchez have been with
2 my company for over 4 months.
:15 They are good people and self employed
:30 and just trying to make a living.
:45 With the amount of Sales I would Really like
3 if your City of Isanti would give us
:15 a second chance Please let me go Before
:30 you council and Ask in Person.
:45 Thanks,
4

Request for City Council Action

To: **Mayor Wimmer and Members of the City Council**

From: Josi Wood, Public Services Director/ Assistant City Admin

Date: November 1, 2016

Subject: Annual Review of Snow Plowing Policy and Exempt Sidewalks from Snow Removal

---

Background:
The Public Works Committee has completed their annual review of the City of Isanti Snow Plowing Policy and Operational Guidelines, pursuant to Section V., Administration, City Council Resolution 2006-295, and also Exempt Sidewalks pursuant to Resolution 2014-007.

The PW Committee made minor changes to the Snow Plowing Policy but removed the below section of sidewalk from the exempt list due to the development of the Allina Health Clinic:

- 5th Avenue NE – Sidewalk section in Anlauf Commercial Park (south bound road that ends in cul-de-sac – no development or connection

Request:
Staff is requesting consideration for adoption of the annually reviewed Snow Plowing Policy and Exempt Sidewalks from Snow Removal.

Attachments:
- Res – XXX – City of Isanti Snow Plowing Policy
- Res – XXX – Exempt Sidewalks from Snow Removal

RESOLUTION NO. 2016-

CITY OF ISANTI
SNOW PLOWING POLICY

I. PERSONNEL

All Department of Public Works personnel shall be available for all snow plowing operations, unless on approved leave or unable to respond due to a medical condition.

II. PROCEDURES

A. Alert and Call Out

During normal working hours, the Public Services Director or designee shall be responsible for monitoring street and weather conditions and initiation of snow and ice control procedures.

After hours, on weekends, and during holidays the Police Department shall notify the ~~Public Services Director~~ Public Works On-Call or designee when snow and ice conditions warrant crew alert. Snowplows will not be sent out in situations that may be hazardous due to severely restricted visibility.

B. Salting and Sanding

The City shall consider in order the following factors when establishing application rates and locations for application of salt and/or sand. The City shall use salt as the primary treatment. Sand may be used if there is a traction issue or if weather conditions deem it effective either combined with salt or as a separate treatment.

1) Safety of the Motoring Public
2) Environmental impact of salt usage
3) Cost

Salt or sand shall be applied to the street surface in such quantities so as to provide a level of skid resistance that is consistent with standards normally experienced on city streets throughout the State of Minnesota. It is recognized that a bare pavement policy is not possible at all times during winter.

Streets shall be spot salted (or sanded) to provide skid resistance and traction consistent with area standards in accordance with the following priorities:

1) All controlled intersections along Main Street, Heritage Blvd, County Road 23 and all curves.
2) School zones
3) Commercial and industrial streets
4) Residential – blanket sanding of general snow pack on residential streets will not be done.

5) In rare instances, when ice accumulation renders the streets unsafe to drive, the Public ~~Works~~ Services Director may authorize blanket sanding of city streets to restore vehicle traction.

C. **Snow Plowing**

The City will plow all storms of over 2 inches. During the season, snowfall of less than 2 inches may be removed depending on road conditions. Snow plowing shall normally begin when accumulation reaches a point where functional traffic flow is inhibited. Typical plow start time is ~~2:00~~ 3:00 a.m. Plowing may start earlier in the prior evening, or delayed after ~~2:00~~ 3:00 a.m., or may start during the daytime if conditions warrant. Plowing shall begin as close as practicable to the time snowfall ceases and will continue as visibility and operator safety permit. Work periods shall not exceed safe limits that operators can continue without rest.

Snow removal operations shall proceed as rapidly as possible in accordance with the following priorities:

1) Fire Hall Access Area
2) Police Department Access Area
3) Snow Emergency Routes - These routes (listed in this resolution) are typically first plowed. In extreme snowfalls these routes shall be plowed to maintain the driving lanes in a passable condition until normal snow plowing activities resume.
4) 2" or more snow event, Downtown sidewalks from the Railroad Tracks on the east and traveling west to the intersection of Main and 2nd Avenue.
5) Sidewalk Routes to Schools – First day sidewalks listed in this resolution.
6) Residential Streets
7) Municipal Liquor Store Parking Lot
8) City Downtown Parking Lot, City Hall Parking lot and Isanti Community Center Lot
9) Alleys
10) Isanti Indoor Arena
11) All Other Sidewalks – Second day sidewalks (except exempt sidewalks)
12) Ice Skating Rink

For a storm of roughly 6 to 10 inches, it shall be the goal of the City to have all streets plowed curb-to-curb within 12 hours after snowfall stops. Storms of larger magnitude or extremely wet snow will take longer depending on severity. Extreme snowfalls may warrant the opening of two lanes in the middle of the street initially with full width plowing to follow at a later time.

It shall be the policy of the City that the opening of driveways will not be the responsibility of the City. Property owners shall be responsible for clearing driveways, and walkways. For a 2" or more snow event, the City shall clean all sidewalks and trails that provide direct access to the Primary, Intermediate and Middle Schools.

D. **Snow Hauling**

Snow will be hauled from the following streets:

1) Main Street between 3rd Avenue and Elim Lane.

Late spring and early fall snowfalls may be left on roadways if melting is determined to be imminent or if substantial damage will be caused to the pavement structure. Clearing of intersection snow banks will be accomplished when needed on collector streets and near schools.

Snow hauling ~~shall begin at 1:00 a.m.~~ could begin as early as 3:00 a.m. or 1 hour following the beginning of snow removal operations. Hauling will continue for as many nights as is necessary.

Snow pickup shall be accomplished using such personnel, equipment and methods appropriate to maintaining a reasonable and safe passage of vehicles and pedestrians at all times. Traffic may be restricted by the Police Chief or his designee as emergency conditions may dictate.

E. Snow Plowing Alleys

Alleys will be opened in the aforementioned priority to provide functional traffic movement.

F. Wingbacks

During planned City wide wingbacks resident notification will be made on the City Website and by News Blasts. The Public Services Director, Designee or route driver will determine that areas may need wingbacks more often due to drifting snow or other conditions at the time, in these instances notice may not be given.

The Public Works Department will try to minimize impact to driveways and sidewalks but some snow removal may be required by the homeowner.

G. Complaints

Complaints concerning snow and ice removal will be handled in the following manner:

1) All complaints shall be referred to the Public Services Director or designee.
2) Slippery Street and sidewalk complaints shall be listed and given to Public Works for investigation and possible action.
3) All other complaints shall be given to Administration for investigation and possible action.

H. Property Damage

It is recognized by the City that on occasion private property is damaged during snow and ice control operations. Where this happens it shall be the policy of the City to handle damages in the following manner:

1) **Mailboxes** – Where mailboxes are placed adjacent to the street it shall be the policy of the City that snow shall be plowed to the curb to allow for passage of traffic and mail delivery. It shall be the responsibility of the property owner to keep piled snow away from mailboxes so mail can be delivered.

   Where damage to the mailbox occurs such damage shall be investigated by the Public Services Director or Designee. If it is determined that the weight

of the snow movement caused the damage, the City will not assume responsibility for repair of the mailbox. If the mailbox was built according to Isanti County specifications, and was struck directly by the plow, the City will repair or replace the mailbox in kind, not to exceed $100.00.

2) **Boulevard Damage** – The City will repair physical damage to boulevard areas and may replace sod in extreme cases as determined by the Public Services Director. Typical repairs will be with dirt and seed. The City will not repair winter kill or salt damaged lawn areas. The City will not replace or repair sprinkler systems, landscaping or other structures in the boulevard.

3) **Curbs** – Concrete curbs will not be replaced unless the curb back is broken.

4) **Driveway Ramps** – Damage caused to driveway ramps or fillets where mountable curb is in place will not be repaired by the City unless authorized by the Public ~~Works~~ Services Director.

5) **Garbage Receptacles** – Garbage receptacles are not to be placed in the street section. The City is not responsible for damage of receptacles or clean-up of waste.

I. Snow Emergency Routes

The following routes are designated as Snow Emergency Routes and shall be marked by signage.

Cajima Street - T.H. 65 to 8th Ave NE

8th Ave NE - Cajima Street to Heritage Blvd

8th Ave SE Boulevard - Heritage Blvd to CSAH 55

Main Street East - Railroad Tracks to T.H. 65

Eleventh Ave – Winsome Way to Wendover St NW

Nemo – Broadway St SE to Main St E

Isanti Parkway NW – 3rd Ave NW to 701 Isanti Parkway NW

First Ave NW – Broadway St to Heritage Blvd

III. POST PLOWING OPERATIONS

Once plowing is completed from curb to curb, post plowing operations will begin in the following priority:

A. Fire Hydrants

Fire hydrants on public streets serving commercial/industrial areas, high density residential units and school facilities shall be plowed or shoveled out so as to be readily accessible for use.

B. Intersections

If in the discretion of staff, snow piles at busy intersections are of such height as to create unsafe conditions, the piles will be pushed back at those intersections on the following streets:

1) County Road 5
2) Main Street
3) County Road 23

IV. EMERGENCY ASSISTANCE

At the discretion of the City Administrator, the Public Works Department can hire either additional equipment or drivers for assistance with snow removal.

V. ADMINISTRATION

A. Council Review

The City Council's Public Works Committee shall annually review the City's Snow Removal Policy and Operational Guidelines, prior to the next year's snow season and make any recommendations for amendments to the City Council.

VI. REPEAL

This resolution repeals all previous snow plow policies.

Adopted by the Council this 1st day of November, 2016.

MEMO

To: Mayor Wimmer and City Council

From: Don Lorsung, City Administrator

Date: October 26, 2016

Subject: Amendment of Procedure for Annual Walk Through of Buildings on City Property

---

Staff has discussed with DOAC the process in place for annual building walk throughs of City buildings (non-utility related) and follow-up with getting repair matters resolved. The proposed process change involves performing the inspections in the spring of the year, with follow-up by the Building Official (with the Department Head) on minor repairs that could be addressed with budgeted funding that year and planning for more major repairs. The request for major repairs would follow the budget preparation process that year for the next year's budget; and provide for a consistent approach to funding major repairs. As a part of this process change, the Building Official would also assist with getting quotes and lining up contractors to perform the repairs. This would all be coordinated with the appropriate Department Head. DOAC recommends consideration of the policy change.

Attached is a resolution for your consideration regarding the proposed process change.

RESOLUTION 2016-____

A RESOLUTION AMENDING THE PROCEDURE FOR ANNUAL WALK THROUGH OF BUILDINGS ON CITY PROPERTY

WHEREAS, in 2014 the City of Isanti adopted a policy to monitor the general conditions or use of buildings on city property. The Development and Operations Advisory Committee has reviewed the policy and it is recommended to be revised as stated below; and,

WHEREAS, As per the previous policy, the City Engineer and Public Works staff will continue to monitor City buildings used to house utility infrastructure such as Pump houses, water towers and wastewater treatment; and,

WHEREAS, Annual visits to non-utility infrastructure related buildings (excluding park structures shelters) will be done to assess the general conditions of the buildings and their uses to better monitor these city assets, and;

WHEREAS, the proposed visits are not considered official building inspections:

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota approve the following amended procedures to monitor the general conditions and uses of buildings on City of Isanti property:

1) The City Administrator shall designate the Building Official, (the "Designee") to conduct the annual monitoring of non-infrastructure related buildings.
2) The Designee shall enter each building identified on Building Walkthrough Matrix (Building Matrix) annually during the months of March and April.
3) The Designee shall fill out the comment section with comments if warranted, or enter "NONE" for each building on the Building Matrix and submit the completed list to the City Council no later than May 1st of each calendar year.
4) The repairs on the Building Matrix shall be submitted to the appropriate City Council Committee for review and action. If contracted services are needed and budgeted funds are available, the Designee will obtain quotes and line up contractors to effect needed repairs. If funding is not available for repairs, cost estimates will be forwarded for consideration with the proposed budget of the respective City Department for the following fiscal year. All said repair activities, project funding, and budgeting will be coordinated with the appropriate Department Head.

This Resolution hereby approved by the Isanti City Council this 1st day of November 2016.

Request for City Council Action

To: Mayor Wimmer
Members of the City Council

From: Katie Everett
Community Events and Parks Coordinator

Date: November 1, 2016

Subject: Authorize Renaming of Isanti Tot Lot to Isanti Hills Neighborhood Park

---

Background:
During the Parks, Recreation, and Culture Board's annual park tour, it was recommended that the Isanti Tot Lot be renamed in order to create more visibility for the park and boost its usage. City Council approved a public naming contest at the June 7, 2016 meeting; city staff collected contest entries until October 10, 2016.

PRC Recommendation:
At the October 25, 2016 PRC Board Meeting, the members discussed the entries. They recommend that the entry "Isanti Hills Neighborhood Park" be approved as the new name for the Isanti Tot Lot. The residential area where the park is located is referred to as Isanti Hills. The board also believes that calling a park a "neighborhood park" may also create sense of buy-in from the community members who live in the Isanti Hills area.

It should be noted that the Comprehensive Parks, Trails, and Open Space Plan defines a neighborhood park as a park that "serves as the recreational and social focus for a residential neighborhood; and provides for both active and passive recreational opportunities. This type of park is usually within ¼ to ½ mile distance of a residential area and is not interrupted by non-residential roads or other types of physical barriers, making it readily accessible to area residents." This park fits within that definition.

Per the contest rules, the person with the winning submission will receive a plaque to be present before the city council. Upon approval of the "Isanti Hills Neighborhood Park," the entrant will be notified and plaque ordered to be present at a future meeting.

Staff Request:
Staff is requesting that Council approve the renaming of Isanti Tot Lot to Isanti Hills Neighborhood Park.

Attachments:
- Resolution 2016-XXX

RESOLUTION NO. 2016-XXX

A RESOLUTION AUTHORIZING A THE RENAMING OF ISANTI TOT LOT TO ISANTI HILLS NEIGHBHORHOOD PARK

WHEREAS, the Parks, Recreation, and Culture Board has recommended that Isanti Tot Lot be renamed to increase its use; and

WHEREAS, at the June 7, 2016 City Council meeting, a public naming contest was authorized; and,

WHEREAS, city staff collected contest entries through October 10, 2016; and

WHEREAS, the Parks, Recreation, and Culture Board discussed the entries at is October 25, 2016 meeting and recommended that the entry "Isanti Hills Neighborhood Park" be the new name for the existing Isanti Tot Lot;

NOW THEREFORE BE IT RESOLVED by the City Council of the City of Isanti, Minnesota to hereby authorize the renaming of Isanti Tot Lot to Isanti Hills Neighborhood Park.

This resolution was duly adopted by the Isanti City Council this 1st day of November, 2016

From: Josi Wood, Public Services Director/ Assistant City Admin.

Date: November 1, 2016

Subject: Consider Resolution Authorizing Pink Water Monitor, ORP Probe, for Water Treatment Plant

---

Background:
The City budgeted $20,000.00 for a Pink Water Alarm in the 2016 budget. This monitor will alarm the Public Works Operators when there is too high a concentration of Sodium Permanganate to manganese ratio that results in pink water. Bolton and Menk, Inc. is recommending to go with an Oxidation Reduction Potential (ORP) device for the monitoring. It will take approximately 6 months to have a dependable baseline, however, this device will be the most reliable for the City.

The cost estimate and supporting materials from Bolton and Menk, Inc. are attached. Staff is recommending to add on contingency, 10%, in addition to the cost estimate for a total project amount, not to exceed, $10,853.70.

Finance Committee Recommendation:
The Finance Committee met and discussed the need for a pink water monitoring detection system and recommends approval as presented with quotes obtained from Bolton and Menk, Inc.

Request:
Staff is requesting consideration from Council to install an Oxidation Reduction Potential (ORP) device for the monitoring of pink water for the water treatment plant in the amount of $10,853.70. The funding source is identified as Water (500).

Attachment:
- Res – XXX – Resolution Authorizing Pink Water Monitor, ORP Probe, for WTP
- Estimate from Bolton and Menk, Inc_ dated 10.18.16

RESOLUTION NO. 2016-XXX

A RESOLUTION AUTHORIZING PINK WATER MONITOR, ORP PROBE, FOR WATER TREATMENT PLANT

WHEREAS, it was determined that a pink water monitoring device for the detection of sodium permanganate in the system, Oxidation Reduction Potential (ORP) Probe, would be in the best interest of the City's water treatment; and,

WHEREAS, Bolton and Menk, Inc. received quotes from Hach for equipment, Shank Constructors, Inc. for installation and Total Control for integration for a total cost, including engineering, in the amount of $9,867.00; and,

WHEREAS, staff has included 10% contingency for unknown expenses for a total project cost of $10,853.70; and,

WHEREAS, the quotes received from the above mentioned vendors were accepted without other quotes for reason of keeping the continuity of the Water Plant's equipment as well as current integrator; and,

WHEREAS, the funding source will be Capital Outlay of the Water Fund fund; and,

WHEREAS, the Finance Committee reviewed the project details and proposal by Bolton and Menk, Inc. on October 20, 2016 and has recommended that the project move forward as outlined per this resolution;

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Isanti, Minnesota to hereby accept the quote from Shank Constructors, Inc., Hach and Total Control as outlined by Bolton and Menk, Inc.'s proposal including contingency in the total project amount, not to exceed, $10,853.70.

This resolution was duly adopted by the Isanti City Council this 1st day of November, 2016.

MEMORANDUM

Date: October 18, 2016
To: Honorable Mayor Wimmer and Members of the City Council
City of Isanti
From: Bradley C. DeWolf, P.E.
City Engineer
Subject: ORP Probe/Pink Water Monitor
Water Treatment Improvements

The City of Isanti requested installation of a pink water alarm system at the Water Treatment Facility. The best fit solution is to continuously monitor the Oxidation Reduction Potential (ORP) which is a measure of how much oxidant is in the water. The cause of pink water is permanganate which is a strong oxidant. A jump in the ORP will indicate permanagate (pink water) is making it through the filter.

Quotes were gathered for the equipment and its installation. Bolton & Menk provided an estimate of the cost to have Total Control integrate the proposed probee into the SCADA system. Gathered quotes are attached for reference.

Bolton & Menk will provide necessary engineering guidance in order to provide a properly operating system; including review of proposed equipment and review of any necessary field modifications for layout.

The following is a summary of the quotes gathered to provide the pink water alarm system:

Table 1 : ORP Probe Installation
Isanti Water Treatment Facility

Description	Cost
Hach – ORP Probe Equipment	$3,257.00
Shank – Installation	$2,700.00
Total Control – Integration (Estimate)	$2,000.00
Contingency (5%)	$410.00
Engineering	$1,500.00
Total Project Cost	$9,867.00

Request for City Council Action

To: **Mayor Wimmer and Members of the City Council**

From: Josi Wood, Public Services Director/ Assistant City Admin.

Date: November 1, 2016

Subject: Consider Resolution Authorizing Sodium Hypochlorite Feed System for Water Treatment Plant

---

Background:
The City had proposed $200,000.00 for a second Miox Chlorine Regeneration system to be used as a backup for the primary Miox system as part of the Asset Management CIP Plan. Staff has reviewed the needs of the City's water treatment plant with Bolton and Menk, Inc. and is recommending to go with a liquid Sodium Hypochlorite System for the backup feed system instead.

The cost estimate and supporting materials from Bolton and Menk, Inc. are attached. Staff is recommending to add on contingency, 10%, in addition to the cost estimate for a total project amount, not to exceed, $70,757.50.

Finance Committee Recommendation:
The Finance Committee met and discussed the need for the backup chlorination system and recommends approval as presented with quotes obtained from Bolton and Menk, Inc.

Request:
Staff is requesting consideration from Council to install a Sodium Hypochlorite Feed System as a backup chlorination system for the water treatment plant in the amount of $70,757.50. The funding source is identified as Water (500).

Attachment:
- Res – XXX – Resolution Authorizing Sodium Hypochlorite Feed System for WTP
- Estimate with attached quotes from Bolton and Menk, Inc_ dated 10.18.16

RESOLUTION NO. 2016-XXX

A RESOLUTION AUTHORIZING SODIUM HYPOCHLORITE FEED SYSTEM FOR WATER TREATMENT PLANT

WHEREAS, the water treatment plant was designed with one chlorination supply which is the Miox Chlorine Regeneration System; and,

WHEREAS, it was determined that a backup chlorination supply, Sodium Hypochlorite Feed System, would be in the best interest of the City's water treatment; and,

WHEREAS, Bolton and Menk, Inc. received quotes from Vessco for equipment, Shank Constructors, Inc. for installation and Total Control for integration for a total cost, including engineering, in the amount of $64,325.00; and,

WHEREAS, staff has included 10% contingency for unknown expenses for a total project cost of $70,757.50; and,

WHEREAS, the quotes received from the above mentioned vendors were accepted without other quotes for reason of keeping the continuity of the Water Plant's equipment as well as current integrator; and,

WHEREAS, the funding source will be Capital Outlay of the Water Fund fund; and,

WHEREAS, the Finance Committee reviewed the project details and proposal by Bolton and Menk, Inc. on October 20, 2016 and has recommended that the project move forward as outlined per this resolution;

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Isanti, Minnesota to hereby accept the quote from Shank Constructors, Inc., Vessco and Total Control as outlined by Bolton and Menk, Inc.'s proposal including contingency in the total project amount, not to exceed, $70,757.50.

This resolution was duly adopted by the Isanti City Council this 1st day of November, 2016.

MEMORANDUM

Date: October 18, 2016
To: Honorable Mayor Wimmer and Members of the City Council
City of Isanti
From: Bradley C. DeWolf, P.E.
City Engineer
Subject: Sodium Hypochlorite Feed System
Water Treatment Improvements

The City of Isanti requested installation of a back-up chlorine supply system at the Water Treatment Facility for use if the Miox Chlorine Generation System fails. Quotes were gathered for the equipment and its installation. Bolton & Menk provided and estimate of the cost to have Total Control integrate the proposed scale into the SCADA system. Gathered quotes are attached for reference.

Bolton & Menk will provide necessary engineering guidance in order to provide a properly operating system; including review of proposed equipment and review of any necessary field modifications for layout.

The following is a summary of the quotes gathered to provide an emergency system:

Table 1 : Back Up Chlorine Feed System
Isanti Water Treatment Facility

Description	Cost
Vessco – Supply Equipment and Storage	$34,285.00
Shank – Installation	$13,700.00
Total Control – Integration (Estimate)	$6,000.00
Contingency (5%)	$2,840.00
Engineering	$7,500.00
Total Project Cost	$64,325.00

October 14, 2016

Mr. Paul Saffert
Bolton & Menk
7533 Sunwood Drive NW
Ramsey, MN 55303

Subject: Isanti Sodium Hypochlorite Feed Equipment Installation (Rev.)

Our proposal includes:

1. Install chemical equipment per Vessco's quote dated October 10, 2016.
2. Furnish and install carrier piping and tubing from equipment to two existing injection points.
3. Connect to existing injectors in existing pipes.

All work for the total lump sum price of $13,700.00.

Acceptance of Proposal – The above prices, specifications and conditions are satisfactory and hereby accepted. You are authorized to do the work as specified. Payments will be made as outlined above.

Mr. Paul Saffert, P.E.
7533 Sunwood Drive NW
Suite #206
Ramsey, MN 55303

Reference: Isanti, MN Sodium Hypochlorite Feed Equipment

Dear Paul:

We are pleased to quote as follows:

Two (2) Watson Marlow Model 520 DuN/REH chemical metering pumps skid mounted on a polypropylene wall mount panel. The chemical feed system shall be completely assembled, mounted, calibrated, tested, and delivered to the site on a single skid. Skid to include all schedule 80 PVC pipping, valves, and fittings integral to the skid. Accessories to include calibration column, pressure relief valves, pulsation dampener, diaphragm isolated pressure gauge, Y strainer and visual flow indicator. All skid components coming in contact with chemical to be certified to NSF/ANSI 61.

One (1) Poly Processing 100 gallon sodium hypochlorite bulk storage tank with OR1000 lining. Top mounted fittings to include fill connection, vent, pressure relief return and pump supply.

One (1) 36"x36"x20" secondary containment tank.
One (1) Force Flow 2,000 pound tank scale with Solo G2 single channel display.
Two (2) Spare Model 520 REH pumps heads.
Two (2) Spare loadsure tubing elements.
One (1) Set, gloves, apron and face shield.

Total net price..... $34,285.00

The above price includes freight to Isanti, MN. One day of installation inspection, start-up and operator training. No taxes are included. Equipment to be shipped in six to eight weeks from receipt of order and approval by a city representative. Pricing is valid until January 1, 2017.

We look forward to developing this project with you.

Best personal regards,
Richard J. Corbett

CITY OF ISANTI
PARKS, RECREATION, AND CULTURE BOARD
MEETING MINUTES
September 27, 2016
City Council Chambers

1. Meeting Opening.

A. Call to Order.
Zdon called the meeting to order at 6:00 p.m.

B. Pledge of Allegiance.
Everyone stood for the Pledge of Allegiance.

C. Roll Call.

Members Present:	Jennifer Garvey, Mayor Wimmer, and Aaron Zdon
Members Absent:	James Witte (Gave prior notice)
Staff Present:	Katie Everett, Community Events and Parks Coordinator

D. Agenda Modifications.
Zdon asked if there were any agenda modifications. There were none.

Motion by Garvey, second by Wimmer to approve the September 27, 2016 Parks, Recreation, and Culture Board Agenda. Motion was unanimously approved.

2. Approval of Minutes from August 23, 2016 Parks, Recreation and Culture Board Meeting.
Motion by Wimmer. Second by Garvey. Vote was unanimously approved.

3. Discuss City of Isanti Involvement in Isanti County Trails Master Plan Development
Everett explained that the county has a Bike Isanti County Committee which has been in existence for a couple of years, she was not sure when they started, they work with county staff – Isanti County Public Health, Isanti County Parks, and some of the Cambridge staff. They kind of work together on initiatives to get more trails around the area. They are cooking up a master plan that looks great, the one company that gave them a proposal back looks like it will cost about $30,000, but they are going to cover it with grants and things. They are not asking for any money from the city, but they want us, and we want to be, involved in that process so what we do works with what they're doing and our efforts can all coordinate so we can get things done a lot faster than kind of working on separate tracks.

Wimmer stated that we [he and staff] met with Barry [Wendorf] and he told him a couple things we want out of it is that we want the space on 5 to go between Isanti and North Branch, and that's where bikers go – you won't have family bikers – but bikers use that to connect over, and Wimmer wants that designated as a bike route now and then over time we can work on getting some widening, or a trail along the side is what Wendorf would definitely prefer. Then we can get that tied in to North Branch and the Sunrise Trail. In talking with the mayor in North Branch, they like that idea as well. Then we can get a regional designation for it and open up some other funding sources that way. We had some detailed discussions about how Wendorf should go about talking to some of the other entities because so far it's been – he even said – that the only things he's worked on have been just the county parks, and he hasn't had to deal with the cities and townships. Wimmer stated that especially with the townships to make sure you contact them, and you talk with them, and you give them opportunity to participate, otherwise that will not go well when you need to go across their area. Wimmer said he thinks it's a really great idea, what they're

doing. He hadn't realized before, but Cambridge who had been working with them had a council appointment to that committee, so we are going to do that as well. This first came to Wimmer's attention at the bike/walk trail meeting that he has with Mayor Palmer every January, when he was brought forward and they wanted to see if we could get the trail committee to work on getting the trail connection between the bike/walk trail and the City of Cambridge – there is no direct connection now, it's township land. The township doesn't want anything to do with it. Cambridge has offered to pay for everything and do everything and they still don't want it there. That tells you the relationship between the township and Cambridge. Not that ours is a whole lot better, but Wimmer told Wendorf that he would not lobby the township for that trail, nor would the City of Isanti or trail group as a whole participate in the cost of putting in that trail. For those who aren't aware of it, when that trail was done it was supposed to happen in Year X, but it didn't because of some filing. The City of Isanti, we went ahead and did the trail along the soccer fields and wrapped around the back along 299th. We put in a significant extension of the trail on our own dollar. When they connect the north end of the trail to Cambridge, it will be on Cambridge's dollar, otherwise there's not much parity or fairness in that. Wimmer stated he wasn't just being stubborn, it just wouldn't be fair to us to in essence pay for stuff twice.

Everett stated that there are two ways we can participate in that. We'll have the council appointment to the committee so they're at those meetings, but as part of this, the people who are developing the master plan are going to need information from us which would include parks that we already have, that potentially trails could connect to, and our future plans. If there are things we know are going to go in, or things we want to go in that they potentially could work with. Everett stated that she didn't know if the members got a chance to look at the current park plan, but it's a little out dated. She didn't print it because it's about 55 pages long, but there aren't all of our current parks in there, and there are some things that have been done, and definitely things that need to be updated. It sounded like the City was planning in 2018 – and asked for the Wimmer to confirm – a city master plan kind of thing and eventually maybe this could be part of that. But if the board wants to think about updating at least the specific information in the park plan, that will be useful in the county's master plan.

Wimmer stated that we're looking at 2018 for potentially redoing our comp plan. Obviously that will be a financial decision, because that will be $50,000-70,000, depending on what we need to do. We're hoping that we would only need to do an update, because if you see the land use map, we're not outside of that boundary at all, and obviously we have plenty of room to grow in there. What we would be looking at on the update is making sure that the densities still make sense, that transportation still makes sense, trails and parks would be part of that as well, and then also the zoning because we are doing some changes in zoning areas. In an ideal world, it would be $25,000 or so, but Wimmer stated that he has never lived in an ideal world. But, the park comprehensive plan does need to be redone top to bottom.

Everett stated that it is her understanding that it was internal, done by staff and committees. Wimmer confirmed that was true, and we would have to talk really nice with Roxanne, because a lot of it is planning. Garvey asked if they're typically done every ten years. Wimmer stated that in the metro they have to be done every ten years, out of the metro they don't have to be done at all. Wimmer stated that you want to have at least a basic land use plan so that when things are developed that there's some semblance of order. In the metro, it has to be every 10 years, per the Met Council.

Garvey asked if we need a motion to appoint staff or anything. Everett stated that at this point we're okay, we are going to do the council appointment to that committee. So that's already ready to go. Just kind of an update and future thinking, we'll look at that comprehensive plan and what we can do with it now. Garvey stated she is glad that our city can be a part of it.

Zdon asked if we need to approve the commitment of the City of Isanti, or no. Wimmer stated that we're good to go.

4. River Bluff Preserve Update – DNR Visit

Everett stated that Josi Wood had worked with Dan Golner [DNR] on the plan of what was going to happen and getting all of that stuff approved. He was just up in the area doing site visits of all of the scenic easement areas that he's in charge of, so we did a walk through with him last week. Mostly, he was happy. He was happy with the community garden for sure, he said it was great and it looks like it's getting a lot of use. He was excited about some prairie restoration things in that upper area as well.

Wimmer stated that Golner was 100% happy, or he will be. He does not like our bridge. He thought it should be wood, Wimmer stated that he asked Golner if he knew of many that were like that that were all made out of wood and Golner said no, but the pictures were. Wimmer stated that it will be taken out like it's supposed to be. Everett stated that she thought it was just an aesthetics thing. Wimmer stated he had just gotten there after they had looked at the bridge, but before he left he asked Golner if we were good and he said yes. So it won't be a problem. Everett stated that we'll be adding some signage along the river, facing the river, so that people on the river know that they're looking at a park and not somebody's backyard, and that it's DNR approved. Golner was pleased with how the trails were put in, that switchback trail. Wimmer stated Golner wanted more grass to grow in the area that's been under water several times, but we're trying.

5. Parks Updates

Everett stated that she had a general overview.

Two Cities went really well, numbers are in the memo for participation. It looked like numbers up especially for the wellness fair. She was still getting finisher times when that started, so she's not sure exactly how many people went through, but it looked like great attendance especially at the beginning which was great to see. The magic show was really funny, and there were definitely more people in Cambridge this year than there were last year, there was a decent turnout for that.

Community garden season is wrapping up. The meeting is scheduled for October 12th, so we will get a better feel for how it went for everyone then. Everett shared some of the survey results, and stated that it was kind of interesting. For the most part, everyone is really, really happy. But there were a couple – someone said the soil wasn't very nutrient rich, but lots of people said the soil was perfect. So it's hard to know. Wimmer stated that anything that landed in there grew like bananas, Zdon said it looked really nice. Everett stated that there were a couple of things that came from maybe a standpoint of new gardeners, who maybe didn't know how to fix things. Or, maybe people didn't know what they were allowed to do. If they're growing something special, and that needs certain fertilizer, they're welcome to bring organic stuff in. So that can be a discussion we have. A couple of highlights: the first question was just the overall satisfaction with the garden, the scale was 0 to 5, and the average was 4, so that was looking really good. We also asked how likely they are to come back, again 0 to 5, the average was 4. There are a couple of people for whatever reason are thinking they might not come back, but most people are. Everett stated that she has a list of like 30 things that people grew in there, so that was cool, she just asked people to list what they grew, and she grouped all tomatoes together. So when you figure all of that in, tons of different kinds of things were grown in there. They have great suggestions for things to do next year. One was that they want to have some sort of community forum, so they can communicate with each other more. Which is great, and that's easy – we can put up a bulletin board, and probably put a Facebook group together or something like that too. Mostly great things came out of that. We will talk about those, and if people have other things they'd like us to know about, at the meeting on the 12th. Everett also stated that a gardener emailed to tell her that he got 55 pounds of potatoes out of his garden, and he had potato bugs all year. So even with that, he's been sharing potatoes with his family.

Movie nights are starting soon. Goosebumps is in October. In the last week, we have actually gotten four volunteer groups to sign up, so there are only 3 more to cover. Three of those groups haven't done it

before. That has been fun to see those. The email is out to the ones who have done it before, so we might get the rest of them covered too.

The hockey rink is not looking awesome. In talking with staff around here about what's been done before, berming a hockey rink is not a good idea for safety because pucks can fly and hit cars and people. That side of the building, Everett drove by one night when it was dark, has no light. So it's really hard, in the winter, unless someone is out there in the middle of the day on Sunday, it's not going to do much good without spending all of the money on lights. Everett stated that she does have the email and the picture of the system, the place is in Savage. It would be cheaper if we bought lumber ourselves, and the system doesn't have to be galvanized steel, but getting an idea of what it would be like as a whole is probably around $38,000. Zdon asked if it was a modular system that could be taken down every year, because it looks permanent. Everett stated that when she was talking to the rep, he mentioned that there may be options to make it that way, but usually they are permanent. The ones she's seen like this elsewhere get left up all year, but when Everett stated that the city might want to take it down, the rep said they have options. Zdon stated that if they're saying installation is $4,500, and then to take it down is $4,500, it isn't what we're looking for. He stated that he has seen some online where the boards click together and there are braces behind. Everett stated that the installation would essentially be to teach our guys how to do it, and then they can do it after that. It's nothing special, they just don't necessarily know how this particular thing works. Zdon stated that since it's not happening this year, we have plenty of time to look into it, but what he was envisioning was something modular that staff sets up in a day and takes down in a day. Wimmer asked if he has seen any cost on it. Zdon stated that he thought Everett was doing it. Everett stated that she did look and it's hard to know exactly all of the components we'll need, but then again, replacing those pieces is more expensive than replacing a piece of wood so you have to keep that in mind. One system that she found on NiceRink, which is the plastic click together things, was closer to $10,000, but then they have all of these add-on things. So it kind of depends on exactly what the setup is going to be, they have lots of different sizes and that kind of thing. It may be cheaper on the front end, but then we have lag time when it's broken if we need to order new stuff, and the maintenance of that. They say it is less expensive, but things get broken, so Everett is not sure long-term how all of it works out. This year it's looking like it's not going to happen. Wimmer stated that it won't be for next year either, because it's not in the budget. Everett asked if we knew if the hockey rink is going to be on goal setting at the beginning of the year. Wimmer stated that it will if somebody puts it on.

Everett stated that she had an update that won't have a whole lot to do with park board, but just for their information. Council has approved a residential rain garden incentive program, and the members are good people to spread the word. Basically, rain gardens are an awesome way to control storm water, and we want to help people put them in on their property. Details are still being ironed out, but the idea is that it will be a reimbursement for up to 50% of what they've spent to put it in, and then up to $500. Just to give people direction, the application will have lots of things to think about and design ideas, to help get those throughout the city. The rain garden that we have over at the BMX facility is the demonstration so people will know what a rain garden is, what they look like, and what they do. Zdon asked how that one is growing according to its plan. Wimmer stated that it's growing according to its plan, but we're filling in more plants. The plan was a little sparser than we would like. Garvey asked if any other private resident has put one in the city. Everett stated not that she had been told about. Wimmer stated there are a couple that were done 8 or 9 years ago, but he doesn't know if they're still there. That was over by Palomino because we had some significant issues over there with storm water. Everett stated that it will all be figured out over the winter and be ready to go so people can apply early next year.

6. Adjournment

Motion by Garvey, second by Wimmer to adjourn the September 27, 2016 meeting of the Parks, Recreation, and Culture Board. Motion was approved.

The meeting adjourned at 6:23 p.m.

Dated at Isanti, Minnesota this 27th day of September, 2016.

Respectfully submitted,

Katie Everett

RESOLUTION NO. 2016-XXX

A RESOLUTION APPROVING APPLICATION FOR AN EXEMPT GAMBLING PERMIT TO THE CAMBRIDGE-ISANTI RED LINE HOCKEY CLUB

WHEREAS, the Cambridge-Isanti Hockey Club applied to the City Council for an Exempt Gambling Permit for a Raffle Drawing to be held on December 9, 2016 at the Isanti Arena 600 1st Ave NW; and

WHEREAS, the Cambridge-Isanti Hockey Club estimates the value of prizes to be awarded as $1,750.00; and

WHEREAS, proceeds from the raffle are to be used for team supplies not currently covered in the school budget; and

WHEREAS, the City of Isanti has no objection to the conduct of lawful gambling by the applicant, in accordance with law, at the designated location; and

WHEREAS, the applicant has successfully passed a background check by the Isanti Police Department.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota that Cambridge-Isanti Red Line Hockey Club application for an exempt gambling permit is approved for the following date:

Friday, December 9, 2016
At Isanti Arena 600 1st Avenue NW; and

BE IT FURTHER RESOLVED, that approval is subject to the approval for such permits under the laws of the State of Minnesota and their compliance with all laws.

This resolution was duly adopted by the Isanti City Council this 1st day of November, 2016.

MINNESOTA LAWFUL GAMBLING

LG220 Application for Exempt Permit

9/16

An exempt permit may be issued to a nonprofit organization that:

- conducts lawful gambling on five or fewer days, and
- awards less than $50,000 in prizes during a calendar year.

If total raffle prize value for the calendar year will be $1,500 or less, contact the Licensing Specialist assigned to your county by calling 651-539-1900.

Application Fee (non-refundable)

Applications are processed in the order received. If the application is postmarked or received 30 days or more before the event, the application fee is **$100**; otherwise the fee is **$150**.

Due to the high volume of exempt applications, payment of additional fees prior to 30 days before your event will not expedite service, nor are telephone requests for expedited service accepted.

RESOLUTION NO 2016-XXX

RESOLUTION DEMONSTRATING SUPPORT FOR THE ISANTI COUNTY SHERIFF DEPARTMENT IMPROVEMENTS

WHEREAS, the City of Isanti received a presentation from Isanti County Sheriff's office at the October 18, 2016 City Council meeting regarding the improvements within their department;

WHEREAS, the presentation and the materials that were discussed were in regards to a new site location, potential increase to 9-1-1 dispatch staff and probable agreement with the Tri County Regional Forensic lab located in Anoka County; and,

WHEREAS, the City Council requested a motion for support; and

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Isanti, Minnesota that the City of Isanti City Council hereby demonstrates its support for the improvements in the Isanti County Sheriff's Office which include the upgraded site location, the potential increase in 9-1-1 dispatch staffing needs and the probable agreement with the Tri County Regional Forensic Laboratory.

This resolution was duly adopted by the Isanti City Council this 1st day of November, 2016.

Request for City Council Action

To: Mayor Wimmer and City Council Members

From: Sean M. Sullivan, Economic Development Director

Date: November 1, 2016

Subject: **Consider Resolution Authorizing Contribution to Minnesota Economic Development Foundation (MNEDF)**

Background:

City Staff has received a request for a $1000 contribution from the City of Isanti from the Minnesota Economic Development Foundation (MNEDF). The City currently does not have this as a budgeted item in the 2016 or 2017 budget. The MNEDF is an organization that provides scholarships to economic development activities that include internships and training opportunities. The City of Isanti has benefitted from these scholarships relating to internships (2), and training (Sullivan – NDC). Staff is asking the City Council to consider adoption of the attached resolution.

City of Isanti EDA Recommendation:

The EDA recommendation is to identify a funding source and to make the contribution of $1000 to MNEDF.

Finance Committee Recommendation:

The Finance Committee recommends making a contribution of $1000 to MNEDF from the EDA Budget Fund 495.

City Council Action Requested:

Consider Adoption of Resolution 2016-___ Authorizing Contribution to Minnesota Economic Development Foundation (MNEDF)

Attachments:

1) Contribution Request from MNEDF dated September 23, 2016
2) Resolution 2016-___ Authorizing Contribution to Minnesota Economic Development Foundation (MNEDF)

MINNESOTA
ECONOMIC DEVELOPMENT
FOUNDATION

Building Stronger Minnesota Communities

September 23, 2016

Sean Sullivan
City of Isanti
110 First Ave NW
Isanti, MN 55040

Dear Sean:

The Minnesota Economic Development Foundation (MNEDF) is a 501(c)(3) nonprofit, devoted to building stronger Minnesota communities through economic development education and training. Since our inception in 2003, many communities and organizations across the state, including the City of Isanti, have benefited from the foundation's support for internships and economic development training and education.

I am writing to ask the City of Isanti for a contribution of $1,000 to continue the MNEDF's important work this year and going forward.

Continued economic growth requires well-equipped professionals in local governments, community development groups, utilities, and other private sector organizations. As the current economic development workforce ages and moves toward retirement, many positions are opening up. MEDF funds the specific training that new entrants into the field need to be successful.

MNEDF operates on an annual budget of about $35,000. Conducting its work on a very lean basis, the foundation is managed by an all-volunteer board of senior, long-time economic development professionals who see the value of giving back to the profession. Because of how we manage, we channel 95% of our contributions into direct programming.

We hope to keep in place an aggressive set of programs in the coming year: community internships, basic economic development coursework at UMD, scholarships for IEDC and NDC professional training, and targeted assistance to young development professionals.

The beneficiaries of these programs are the next generation of economic development leaders. Please join us in supporting the work of MNEDF. I will be calling in the near future to see if you have any questions. Thanks for considering support for this important economic development effort.

Sincerely,

Michael J. Mulrooney, Chairman

RESOLUTION 2016-___

AUTHORIZATION OF CONTRIBUTION TO MINNESOTA ECONOMIC DEVELOPMENT FOUNDATION (MNEDF)

WHEREAS, the City of Isanti received a request for contribution of $1000 to Minnesota Economic Development Foundation (MNEDF) dated September 23, 2016; and

WHEREAS, the City of Isanti and staff have been the recipient of numerous awards and scholarships from this organization and supports the MNEDF effort to enhance economic development through education and internships; and

WHEREAS, the EDA and Finance Committee have reviewed the request and recommend a contribution of $1,000 to the MNEDF in 2016.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota authorize the contribution of $1000 to the MNEDF from the Economic Development Budget – Marketing 495.

MEMORANDUM

TO: MAYOR WIMMER AND CITY COUNCIL

FROM: ISANTI CITY ATTORNEY CLARK A. JOSLIN

DATE: OCTOBER 21, 2016

SUBJECT: RESOLUTION AUTHORIZING CITY ADMINISTRATOR TO SIGN STATE OF MINNESOTA JOINT POWERS AGREEMENT AND COURT DATA SERVICES SUBSCRIBER AMENDMENT TO CJDN SUBSCRIBER AGREEMENT

Attached for review and approval is a proposed Resolution authorizing City Administrator Lorsung to sign the STATE OF MINNESOTA JOINT POWERS AGREEMENT and COURT DATA SERVICES SUBSCRIBER AMENDMENT TO CJDN SUBSCRIBER AGREEMENT in behalf of the City, which authorizes the Isanti Police Department and the Isanti City Attorney and Isanti City Attorney staff members to access online data for governmental agencies.

RESOLUTION NO. 2016-_____

RESOLUTION APPROVING STATE OF MINNESOTA JOINT POWERS AGREEMENTS WITH THE CITY OF ISANTI ON BEHALF OF ITS CITY ATTORNEY AND POLICE DEPARTMENT

WHEREAS, the City of Isanti on behalf of its Prosecuting Attorney and Police Department desires to enter into Joint Powers Agreements with the State of Minnesota, Department of Public Safety, Bureau of Criminal Apprehension to use systems and tools available over the State's criminal justice data communications network for which the City is eligible. The Joint Powers Agreements further provide the City with the ability to add, modify and delete connectivity, systems and tools over the five year life of the agreement and obligates the City to pay the costs for the network connection.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Isanti, Minnesota as follows:

1. That the State of Minnesota Joint Powers Agreements by and between the State of Minnesota acting through its Department of Public Safety, Bureau of Criminal Apprehension and the City of Isanti on behalf of its Prosecuting Attorney and Police Department, are hereby approved. Copies of the two Joint Powers Agreements are attached to this Resolution and made a part of it.

2. That the Chief of Police, Gene C. Hill, or his or her successor, is designated the Authorized Representative for the Police Department. The Authorized Representative is also authorized to sign any subsequent amendment or agreement that may be required by the State of Minnesota to maintain the City's connection to the systems and tools offered by the State.

To assist the Authorized Representative with the administration of the agreement, Administrative Assistant to the Chief, Penelope Anderson, or her successor, is appointed as the Authorized Representative's designee.

3. That the City Attorney, Clark A. Joslin of Joslin & Moore Law Offices, P.A., or his or her successor, is designated the Authorized Representative for the Prosecuting Attorney. The Authorized Representative is also authorized to sign any subsequent amendment or agreement that may be required by the State of Minnesota to maintain the City's connection to the systems and tools offered by the State.

To assist the Authorized Representative with the administration of the agreement, Legal Assistants Dana Millsap and Betty Stickels, or their successors, are appointed as the Authorized Representative's designees.

4. That George Wimmer, the Mayor for the City of Isanti, and Lindsey Giese, the City Clerk, are authorized to sign the State of Minnesota Joint Powers Agreements.

Passed and Adopted by the City of Isanti City Council on this 01st day of November, 2016.

COURT DATA SERVICES SUBSCRIBER AMENDMENT TO CJDN SUBSCRIBER AGREEMENT

This Court Data Services Subscriber Amendment ("Subscriber Amendment") is entered into by the State of Minnesota, acting through its Department of Public Safety, Bureau of Criminal Apprehension, ("BCA") and the City of Isanti on behalf of its Prosecuting Attorney ("Agency"), and by and for the benefit of the State of Minnesota acting through its State Court Administrator's Office ("Court") who shall be entitled to enforce any provisions hereof through any legal action against any party.

Recitals

This Subscriber Amendment modifies and supplements the Agreement between the BCA and Agency, SWIFT Contract number 116670, of even or prior date, for Agency use of BCA systems and tools (referred to herein as "the CJDN Subscriber Agreement"). Certain BCA systems and tools that include access to and/or submission of Court Records may only be utilized by the Agency if the Agency completes this Subscriber Amendment. The Agency desires to use one or more BCA systems and tools to access and/or submit Court Records to assist the Agency in the efficient performance of its duties as required or authorized by law or court rule. Court desires to permit such access and/or submission. This Subscriber Amendment is intended to add Court as a party to the CJDN Subscriber Agreement and to create obligations by the Agency to the Court that can be enforced by the Court. It is also understood that, pursuant to the Master Joint Powers Agreement for Delivery of Court Data Services to CJDN Subscribers ("Master Authorization Agreement") between the Court and the BCA, the BCA is authorized to sign this Subscriber Amendment on behalf of Court. Upon execution the Subscriber Amendment will be incorporated into the CJDN Subscriber Agreement by reference. The BCA, the Agency and the Court desire to amend the CJDN Subscriber Agreement as stated below.

The CJDN Subscriber Agreement is amended by the addition of the following provisions:

1. **TERM; TERMINATION; ONGOING OBLIGATIONS.** This Subscriber Amendment shall be effective on the date finally executed by all parties and shall remain in effect until expiration or termination of the CJDN Subscriber Agreement unless terminated earlier as provided in this Subscriber Amendment. Any party may terminate this Subscriber Amendment with or without cause by giving written notice to all other parties. The effective date of the termination shall be thirty days after the other party's receipt of the notice of termination, unless a later date is specified in the notice. The provisions of sections 5 through 9, 12.b., 12.c., and 15 through 24 shall survive any termination of this Subscriber Amendment as shall any other provisions which by their nature are intended or expected to survive such termination. Upon termination, the Subscriber shall perform the responsibilities set forth in paragraph 7(f) hereof.

2. **Definitions**. Unless otherwise specifically defined, each term used herein shall have the meaning assigned to such term in the CJDN Subscriber Agreement.

a. **"Authorized Court Data Services"** means Court Data Services that have been authorized for delivery to CJDN Subscribers via BCA systems and tools pursuant to an Authorization Amendment to the Joint Powers Agreement for Delivery of Court Data Services to CJDN Subscribers ("Master Authorization Agreement") between the Court and the BCA.

b. **"Court Data Services"** means one or more of the services set forth on the Justice Agency Resource webpage of the Minnesota Judicial Branch website (for which the current address is www.courts.state.mn.us) or other location designated by the Court, as the same may be amended from time to time by the Court.

c. "**Court Records**" means all information in any form made available by the Court to Subscriber through the BCA for the purposes of carrying out this Subscriber Amendment, including:

i. "**Court Case Information**" means any information in the Court Records that conveys information about a particular case or controversy, including without limitation Court Confidential Case Information, as defined herein.

ii. "**Court Confidential Case Information**" means any information in the Court Records that is inaccessible to the public pursuant to the Rules of Public Access and that conveys information about a particular case or controversy.

iii. "**Court Confidential Security and Activation Information"** means any information in the Court Records that is inaccessible to the public pursuant to the Rules of Public Access and that explains how to use or gain access to Court Data Services, including but not limited to login account names, passwords, TCP/IP addresses, Court Data Services user manuals, Court Data Services Programs, Court Data Services Databases, and other technical information.

iv. "**Court Confidential Information**" means any information in the Court Records that is inaccessible to the public pursuant to the Rules of Public Access, including without limitation both i) Court Confidential Case Information; and ii) Court Confidential Security and Activation Information.

d. "**DCA**" shall mean the district courts of the state of Minnesota and their respective staff.

e. "**Policies & Notices**" means the policies and notices published by the Court in connection with each of its Court Data Services, on a website or other location designated by the Court, as the same may be amended from time to time by the Court. Policies & Notices for each Authorized Court Data Service identified in an approved request form under section 3, below, are hereby made part of this Subscriber Amendment by this reference and provide additional terms and conditions that govern Subscriber's use of Court Records accessed through such services, including but not limited to provisions on access and use limitations.

f. "**Rules of Public Access**" means the Rules of Public Access to Records of the Judicial Branch promulgated by the Minnesota Supreme Court, as the same may be amended from time to time, including without limitation lists or tables published from time to time by the Court entitled *Limits on Public Access to Case Records or Limits on Public Access to Administrative Records*, all of which by this reference are made a part of this Subscriber Amendment. It is the obligation of Subscriber to check from time to time for updated rules, lists, and tables and be familiar with the contents thereof. It is contemplated that such rules, lists, and tables will be posted on the Minnesota Judicial Branch website, for which the current address is www.courts.state.mn.us.

g. "**Court**" shall mean the State of Minnesota, State Court Administrator's Office.

h. **"Subscriber"** shall mean the Agency.

i. "**Subscriber Records**" means any information in any form made available by the Subscriber to the Court for the purposes of carrying out this Subscriber Amendment.

3. **REQUESTS FOR AUTHORIZED COURT DATA SERVICES.** Following execution of this Subscriber Amendment by all parties, Subscriber may submit to the BCA one or more separate requests for Authorized Court Data Services. The BCA is authorized in the Master Authorization Agreement to process, credential and approve such requests on behalf of Court and all such requests approved by the BCA are adopted and incorporated herein by this reference the same as if set forth verbatim herein.

a. **Activation**. Activation of the requested Authorized Court Data Service(s) shall occur promptly following approval.

b. **Rejection**. Requests may be rejected for any reason, at the discretion of the BCA and/or the Court.

c. **Requests for Termination of One or More Authorized Court Data Services**. The Subscriber may request the termination of an Authorized Court Data Services previously requested by submitting a notice to Court with a copy to the BCA. Promptly upon receipt of a request for termination of an Authorized Court Data Service, the BCA will deactivate the service requested. The termination of one or more Authorized Court Data Services does not terminate this Subscriber Amendment. Provisions for termination of this Subscriber Amendment are set forth in section 1. Upon termination of Authorized Court Data Services, the Subscriber shall perform the responsibilities set forth in paragraph 7(f) hereof.

4. **SCOPE OF ACCESS TO COURT RECORDS LIMITED.** Subscriber's access to and/or submission of the Court Records shall be limited to Authorized Court Data Services identified in an approved request form under section 3, above, and other Court Records necessary for Subscriber to use Authorized Court Data Services. Authorized Court Data Services shall only be used according to the instructions provided in corresponding Policies & Notices or other materials and only as necessary to assist Subscriber in the efficient performance of Subscriber's duties

required or authorized by law or court rule in connection with any civil, criminal, administrative, or arbitral proceeding in any Federal, State, or local court or agency or before any self-regulatory body. Subscriber's access to the Court Records for personal or non-official use is prohibited. Subscriber will not use or attempt to use Authorized Court Data Services in any manner not set forth in this Subscriber Amendment, Policies & Notices, or other Authorized Court Data Services documentation, and upon any such unauthorized use or attempted use the Court may immediately terminate this Subscriber Amendment without prior notice to Subscriber.

5. GUARANTEES OF CONFIDENTIALITY. Subscriber agrees:

a. To not disclose Court Confidential Information to any third party except where necessary to carry out the Subscriber's duties as required or authorized by law or court rule in connection with any civil, criminal, administrative, or arbitral proceeding in any Federal, State, or local court or agency or before any self-regulatory body.

b. To take all appropriate action, whether by instruction, agreement, or otherwise, to insure the protection, confidentiality and security of Court Confidential Information and to satisfy Subscriber's obligations under this Subscriber Amendment.

c. To limit the use of and access to Court Confidential Information to Subscriber's bona fide personnel whose use or access is necessary to effect the purposes of this Subscriber Amendment, and to advise each individual who is permitted use of and/or access to any Court Confidential Information of the restrictions upon disclosure and use contained in this Subscriber Amendment, requiring each individual who is permitted use of and/or access to Court Confidential Information to acknowledge in writing that the individual has read and understands such restrictions. Subscriber shall keep such acknowledgements on file for one year following termination of the Subscriber Amendment and/or CJDN Subscriber Agreement, whichever is longer, and shall provide the Court with access to, and copies of, such acknowledgements upon request. For purposes of this Subscriber Amendment, Subscriber's bona fide personnel shall mean individuals who are employees of Subscriber or provide services to Subscriber either on a voluntary basis or as independent contractors with Subscriber.

d. That, without limiting section 1 of this Subscriber Amendment, the obligations of Subscriber and its bona fide personnel with respect to the confidentiality and security of Court Confidential Information shall survive the termination of this Subscriber Amendment and the CJDN Subscriber Agreement and the termination of their relationship with Subscriber.

e. That, notwithstanding any federal or state law applicable to the nondisclosure obligations of Subscriber and Subscriber's bona fide personnel under this Subscriber Amendment, such obligations of Subscriber and Subscriber's bona fide personnel are founded independently on the provisions of this Subscriber Amendment.

6. APPLICABILITY TO PREVIOUSLY DISCLOSED COURT RECORDS. Subscriber acknowledges and agrees that all Authorized Court Data Services and related Court Records disclosed to Subscriber prior to the effective date of this Subscriber Amendment shall be subject to the provisions of this Subscriber Amendment.

7. **LICENSE AND PROTECTION OF PROPRIETARY RIGHTS.** During the term of this Subscriber Amendment, subject to the terms and conditions hereof, the Court hereby grants to Subscriber a nonexclusive, nontransferable, limited license to use Court Data Services Programs and Court Data Services Databases to access or receive the Authorized Court Data Services identified in an approved request form under section 3, above, and related Court Records. Court reserves the right to make modifications to the Authorized Court Data Services, Court Data Services Programs, and Court Data Services Databases, and related materials without notice to Subscriber. These modifications shall be treated in all respects as their previous counterparts.

a. Court Data Services Programs. Court is the copyright owner and licensor of the Court Data Services Programs. The combination of ideas, procedures, processes, systems, logic, coherence and methods of operation embodied within the Court Data Services Programs, and all information contained in documentation pertaining to the Court Data Services Programs, including but not limited to manuals, user documentation, and passwords, are trade secret information of Court and its licensors.

b. Court Data Services Databases. Court is the copyright owner and licensor of the Court Data Services Databases and of all copyrightable aspects and components thereof. All specifications and information pertaining to the Court Data Services Databases and their structure, sequence and organization, including without limitation data schemas such as the Court XML Schema, are trade secret information of Court and its licensors.

c. Marks. Subscriber shall neither have nor claim any right, title, or interest in or use of any trademark used in connection with Authorized Court Data Services, including but not limited to the marks "MNCIS" and "Odyssey."

d. Restrictions on Duplication, Disclosure, and Use. Trade secret information of Court and its licensors will be treated by Subscriber in the same manner as Court Confidential Information. In addition, Subscriber will not copy any part of the Court Data Services Programs or Court Data Services Databases, or reverse engineer or otherwise attempt to discern the source code of the Court Data Services Programs or Court Data Services Databases, or use any trademark of Court or its licensors, in any way or for any purpose not specifically and expressly authorized by this Subscriber Amendment. As used herein, "trade secret information of Court and its licensors" means any information possessed by Court which derives independent economic value from not being generally known to, and not being readily ascertainable by proper means by, other persons who can obtain economic value from its disclosure or use. "Trade secret information of Court and its licensors" does not, however, include information which was known to Subscriber prior to Subscriber's receipt thereof, either directly or indirectly, from Court or its licensors, information which is independently developed by Subscriber without reference to or use of information received from Court or its licensors, or information which would not qualify as a trade secret under Minnesota law. It will not be a violation of this section 7, sub-section d, for Subscriber to make up to one copy of training materials and configuration documentation, if any, for each individual authorized to access, use, or configure Authorized Court Data Services, solely for its own use in connection with this Subscriber Amendment. Subscriber will take all steps reasonably necessary to protect the copyright, trade secret, and trademark rights of Court and its licensors and Subscriber will advise its bona fide personnel who are permitted access to any of the Court Data Services Programs and Court Data Services Databases, and trade secret information of Court and its licensors, of the restrictions upon duplication, disclosure and use contained in this Subscriber Amendment.

e. **Proprietary Notices.** Subscriber will not remove any copyright or proprietary notices included in and/or on the Court Data Services Programs or Court Data Services Databases, related documentation, or trade secret information of Court and its licensors, or any part thereof, made available by Court directly or through the BCA, if any, and Subscriber will include in and/or on any copy of the Court Data Services Programs or Court Data Services Databases, or trade secret information of Court and its licensors and any documents pertaining thereto, the same copyright and other proprietary notices as appear on the copies made available to Subscriber by Court directly or through the BCA, except that copyright notices shall be updated and other proprietary notices added as may be appropriate.

f. **Title; Return.** The Court Data Services Programs and Court Data Services Databases, and related documentation, including but not limited to training and configuration material, if any, and logon account information and passwords, if any, made available by the Court to Subscriber directly or through the BCA and all copies, including partial copies, thereof are and remain the property of the respective licensor. Except as expressly provided in section 12.b., within ten days of the effective date of termination of this Subscriber Amendment or the CJDN Subscriber Agreement or within ten days of a request for termination of Authorized Court Data Service as described in section 4, Subscriber shall either: (i) uninstall and return any and all copies of the applicable Court Data Services Programs and Court Data Services Databases, and related documentation, including but not limited to training and configuration materials, if any, and logon account information, if any; or (2) destroy the same and certify in writing to the Court that the same have been destroyed.

8. INJUNCTIVE RELIEF. Subscriber acknowledges that the Court, Court's licensors, and DCA will be irreparably harmed if Subscriber's obligations under this Subscriber Amendment are not specifically enforced and that the Court, Court's licensors, and DCA would not have an adequate remedy at law in the event of an actual or threatened violation by Subscriber of its obligations. Therefore, Subscriber agrees that the Court, Court's licensors, and DCA shall be entitled to an injunction or any appropriate decree of specific performance for any actual or threatened violations or breaches by Subscriber or its bona fide personnel without the necessity of the Court, Court's licensors, or DCA showing actual damages or that monetary damages would not afford an adequate remedy. Unless Subscriber is an office, officer, agency, department, division, or bureau of the state of Minnesota, Subscriber shall be liable to the Court, Court's licensors, and DCA for reasonable attorney fees incurred by the Court, Court's licensors, and DCA in obtaining any relief pursuant to this Subscriber Amendment.

9. LIABILITY. Subscriber and the Court agree that, except as otherwise expressly provided herein, each party will be responsible for its own acts and the results thereof to the extent authorized by law and shall not be responsible for the acts of any others and the results thereof. Liability shall be governed by applicable law. Without limiting the foregoing, liability of the Court and any Subscriber that is an office, officer, agency, department, division, or bureau of the state of Minnesota shall be governed by the provisions of the Minnesota Tort Claims Act, Minnesota Statutes, section 3.376, and other applicable law. Without limiting the foregoing, if Subscriber is a political subdivision of the state of Minnesota, liability of the Subscriber shall be governed by the provisions of Minn. Stat. Ch. 466 (Tort Liability, Political Subdivisions) or other applicable law. Subscriber and Court further acknowledge that the liability, if any, of the BCA is governed by a separate agreement between the Court and the BCA dated December 13, 2010 with DPS-M -0958.

10. AVAILABILITY. Specific terms of availability shall be established by the Court and communicated to Subscriber by the Court and/or the BCA. The Court reserves the right to terminate this Subscriber Amendment immediately and/or temporarily suspend Subscriber's Authorized Court Data Services in the event the capacity of any host computer system or legislative appropriation of funds is determined solely by the Court to be insufficient to meet the computer needs of the courts served by the host computer system.

11. [reserved]

12. ADDITIONAL USER OBLIGATIONS. The obligations of the Subscriber set forth in this section are in addition to the other obligations of the Subscriber set forth elsewhere in this Subscriber Amendment.

a. Judicial Policy Statement. Subscriber agrees to comply with all policies identified in Policies & Notices applicable to Court Records accessed by Subscriber using Authorized Court Data Services. Upon failure of the Subscriber to comply with such policies, the Court shall have the option of immediately suspending the Subscriber's Authorized Court Data Services on a temporary basis and/or immediately terminating this Subscriber Amendment.

b. Access and Use; Log. Subscriber shall be responsible for all access to and use of Authorized Court Data Services and Court Records by Subscriber's bona fide personnel or by means of Subscriber's equipment or passwords, whether or not Subscriber has knowledge of or authorizes such access and use. Subscriber shall also maintain a log identifying all persons to whom Subscriber has disclosed its Court Confidential Security and Activation Information, such as user ID(s) and password(s), including the date of such disclosure. Subscriber shall maintain such logs for a minimum period of six years from the date of disclosure, and shall provide the Court with access to, and copies of, such logs upon request. The Court may conduct audits of Subscriber's logs and use of Authorized Court Data Services and Court Records from time to time. Upon Subscriber's failure to maintain such logs, to maintain accurate logs, or to promptly provide access by the Court to such logs, the Court may terminate this Subscriber Amendment without prior notice to Subscriber.

c. Personnel. Subscriber agrees to investigate, at the request of the Court and/or the BCA, allegations of misconduct pertaining to Subscriber's bona fide personnel having access to or use of Authorized Court Data Services, Court Confidential Information, or trade secret information of the Court and its licensors where such persons are alleged to have violated the provisions of this Subscriber Amendment, Policies & Notices, Judicial Branch policies, or other security requirements or laws regulating access to the Court Records.

d. Minnesota Data Practices Act Applicability. If Subscriber is a Minnesota Government entity that is subject to the Minnesota Government Data Practices Act, Minn. Stat. Ch. 13, Subscriber acknowledges and agrees that: (1) the Court is not subject to Minn. Stat. Ch. 13 (see section 13.90) but is subject to the Rules of Public Access and other rules promulgated by the Minnesota Supreme Court; (2) Minn. Stat. section 13.03, subdivision 4(e) requires that Subscriber comply with the Rules of Public Access and other rules promulgated by the Minnesota Supreme Court for access to Court Records provided via the

BCA systems and tools under this Subscriber Amendment; (3) the use of and access to Court Records may be restricted by rules promulgated by the Minnesota Supreme Court, applicable state statute or federal law; and (4) these applicable restrictions must be followed in the appropriate circumstances.

13. FEES; INVOICES. Unless the Subscriber is an office, officer, department, division, agency, or bureau of the state of Minnesota, Subscriber shall pay the fees, if any, set forth in applicable Policies & Notices, together with applicable sales, use or other taxes. Applicable monthly fees commence ten (10) days after notice of approval of the request pursuant to section 3 of this Subscriber Amendment or upon the initial Subscriber transaction as defined in the Policies & Notices, whichever occurs earlier. When fees apply, the Court shall invoice Subscriber on a monthly basis for charges incurred in the preceding month and applicable taxes, if any, and payment of all amounts shall be due upon receipt of invoice. If all amounts are not paid within 30 days of the date of the invoice, the Court may immediately cancel this Subscriber Amendment without notice to Subscriber and pursue all available legal remedies. Subscriber certifies that funds have been appropriated for the payment of charges under this Subscriber Amendment for the current fiscal year, if applicable.

14. MODIFICATION OF FEES. Court may modify the fees by amending the Policies & Notices as provided herein, and the modified fees shall be effective on the date specified in the Policies & Notices, which shall not be less than thirty days from the publication of the Policies & Notices. Subscriber shall have the option of accepting such changes or terminating this Subscriber Amendment as provided in section 1 hereof.

15. WARRANTY DISCLAIMERS.

a. WARRANTY EXCLUSIONS. EXCEPT AS SPECIFICALLY AND EXPRESSLY PROVIDED HEREIN, COURT, COURT'S LICENSORS, AND DCA MAKE NO REPRESENTATIONS OR WARRANTIES OF ANY KIND, INCLUDING BUT NOT LIMITED TO THE WARRANTIES OF FITNESS FOR A PARTICULAR PURPOSE OR MERCHANTABILITY, NOR ARE ANY WARRANTIES TO BE IMPLIED, WITH RESPECT TO THE INFORMATION, SERVICES OR COMPUTER PROGRAMS MADE AVAILABLE UNDER THIS AGREEMENT.

b. ACCURACY AND COMPLETENESS OF INFORMATION. WITHOUT LIMITING THE GENERALITY OF THE PRECEDING PARAGRAPH, COURT, COURT'S LICENSORS, AND DCA MAKE NO WARRANTIES AS TO THE ACCURACY OR COMPLETENESS OF THE INFORMATION CONTAINED IN THE COURT RECORDS.

16. RELATIONSHIP OF THE PARTIES. Subscriber is an independent contractor and shall not be deemed for any purpose to be an employee, partner, agent or franchisee of the Court, Court's licensors, or DCA. Neither Subscriber nor the Court, Court's licensors, or DCA shall have the right nor the authority to assume, create or incur any liability or obligation of any kind, express or implied, against or in the name of or on behalf of the other.

17. NOTICE. Except as provided in section 2 regarding notices of or modifications to Authorized Court Data Services and Policies & Notices, any notice to Court or Subscriber

hereunder shall be deemed to have been received when personally delivered in writing or seventy-two (72) hours after it has been deposited in the United States mail, first class, proper postage prepaid, addressed to the party to whom it is intended at the address set forth on page one of this Agreement or at such other address of which notice has been given in accordance herewith.

18. NON-WAIVER. The failure by any party at any time to enforce any of the provisions of this Subscriber Amendment or any right or remedy available hereunder or at law or in equity, or to exercise any option herein provided, shall not constitute a waiver of such provision, remedy or option or in any way affect the validity of this Subscriber Amendment. The waiver of any default by either Party shall not be deemed a continuing waiver, but shall apply solely to the instance to which such waiver is directed.

19. FORCE MAJEURE. Neither Subscriber nor Court shall be responsible for failure or delay in the performance of their respective obligations hereunder caused by acts beyond their reasonable control.

20. SEVERABILITY. Every provision of this Subscriber Amendment shall be construed, to the extent possible, so as to be valid and enforceable. If any provision of this Subscriber Amendment so construed is held by a court of competent jurisdiction to be invalid, illegal or otherwise unenforceable, such provision shall be deemed severed from this Subscriber Amendment, and all other provisions shall remain in full force and effect.

21. ASSIGNMENT AND BINDING EFFECT. Except as otherwise expressly permitted herein, neither Subscriber nor Court may assign, delegate and/or otherwise transfer this Subscriber Amendment or any of its rights or obligations hereunder without the prior written consent of the other. This Subscriber Amendment shall be binding upon and inure to the benefit of the Parties hereto and their respective successors and assigns, including any other legal entity into, by or with which Subscriber may be merged, acquired or consolidated.

22. GOVERNING LAW. This Subscriber Amendment shall in all respects be governed by and interpreted, construed and enforced in accordance with the laws of the United States and of the State of Minnesota.

23. VENUE AND JURISDICTION. Any action arising out of or relating to this Subscriber Amendment, its performance, enforcement or breach will be venued in a state or federal court situated within the State of Minnesota. Subscriber hereby irrevocably consents and submits itself to the personal jurisdiction of said courts for that purpose.

24. INTEGRATION. This Subscriber Amendment contains all negotiations and agreements between the parties. No other understanding regarding this Subscriber Amendment, whether written or oral, may be used to bind either party, provided that all terms and conditions of the CJDN Subscriber Agreement and all previous amendments remain in full force and effect except as supplemented or modified by this Subscriber Amendment.

IN WITNESS WHEREOF, the Parties have, by their duly authorized officers, executed this Subscriber Amendment in duplicate, intending to be bound thereby.

1. SUBSCRIBER (AGENCY)

Subscriber must attach written verification of authority to sign on behalf of and bind the entity, such as an opinion of counsel or resolution.

COURT DATA SERVICES SUBSCRIBER AMENDMENT TO CJDN SUBSCRIBER AGREEMENT

This Court Data Services Subscriber Amendment ("Subscriber Amendment") is entered into by the State of Minnesota, acting through its Department of Public Safety, Bureau of Criminal Apprehension, ("BCA") and the City of Isanti on behalf of its Prosecuting Attorney ("Agency"), and by and for the benefit of the State of Minnesota acting through its State Court Administrator's Office ("Court") who shall be entitled to enforce any provisions hereof through any legal action against any party.

Recitals

This Subscriber Amendment modifies and supplements the Agreement between the BCA and Agency, SWIFT Contract number 116670, of even or prior date, for Agency use of BCA systems and tools (referred to herein as "the CJDN Subscriber Agreement"). Certain BCA systems and tools that include access to and/or submission of Court Records may only be utilized by the Agency if the Agency completes this Subscriber Amendment. The Agency desires to use one or more BCA systems and tools to access and/or submit Court Records to assist the Agency in the efficient performance of its duties as required or authorized by law or court rule. Court desires to permit such access and/or submission. This Subscriber Amendment is intended to add Court as a party to the CJDN Subscriber Agreement and to create obligations by the Agency to the Court that can be enforced by the Court. It is also understood that, pursuant to the Master Joint Powers Agreement for Delivery of Court Data Services to CJDN Subscribers ("Master Authorization Agreement") between the Court and the BCA, the BCA is authorized to sign this Subscriber Amendment on behalf of Court. Upon execution the Subscriber Amendment will be incorporated into the CJDN Subscriber Agreement by reference. The BCA, the Agency and the Court desire to amend the CJDN Subscriber Agreement as stated below.

The CJDN Subscriber Agreement is amended by the addition of the following provisions:

1. **TERM; TERMINATION; ONGOING OBLIGATIONS.** This Subscriber Amendment shall be effective on the date finally executed by all parties and shall remain in effect until expiration or termination of the CJDN Subscriber Agreement unless terminated earlier as provided in this Subscriber Amendment. Any party may terminate this Subscriber Amendment with or without cause by giving written notice to all other parties. The effective date of the termination shall be thirty days after the other party's receipt of the notice of termination, unless a later date is specified in the notice. The provisions of sections 5 through 9, 12.b., 12.c., and 15 through 24 shall survive any termination of this Subscriber Amendment as shall any other provisions which by their nature are intended or expected to survive such termination. Upon termination, the Subscriber shall perform the responsibilities set forth in paragraph 7(f) hereof.

2. **Definitions.** Unless otherwise specifically defined, each term used herein shall have the meaning assigned to such term in the CJDN Subscriber Agreement.

a. **"Authorized Court Data Services"** means Court Data Services that have been authorized for delivery to CJDN Subscribers via BCA systems and tools pursuant to an Authorization Amendment to the Joint Powers Agreement for Delivery of Court Data Services to CJDN Subscribers ("Master Authorization Agreement") between the Court and the BCA.

b. **"Court Data Services"** means one or more of the services set forth on the Justice Agency Resource webpage of the Minnesota Judicial Branch website (for which the current address is www.courts.state.mn.us) or other location designated by the Court, as the same may be amended from time to time by the Court.

c. "**Court Records**" means all information in any form made available by the Court to Subscriber through the BCA for the purposes of carrying out this Subscriber Amendment, including:

i. "**Court Case Information**" means any information in the Court Records that conveys information about a particular case or controversy, including without limitation Court Confidential Case Information, as defined herein.

ii. "**Court Confidential Case Information**" means any information in the Court Records that is inaccessible to the public pursuant to the Rules of Public Access and that conveys information about a particular case or controversy.

iii. "**Court Confidential Security and Activation Information"** means any information in the Court Records that is inaccessible to the public pursuant to the Rules of Public Access and that explains how to use or gain access to Court Data Services, including but not limited to login account names, passwords, TCP/IP addresses, Court Data Services user manuals, Court Data Services Programs, Court Data Services Databases, and other technical information.

iv. "**Court Confidential Information**" means any information in the Court Records that is inaccessible to the public pursuant to the Rules of Public Access, including without limitation both i) Court Confidential Case Information; and ii) Court Confidential Security and Activation Information.

d. "**DCA**" shall mean the district courts of the state of Minnesota and their respective staff.

e. "**Policies & Notices**" means the policies and notices published by the Court in connection with each of its Court Data Services, on a website or other location designated by the Court, as the same may be amended from time to time by the Court. Policies & Notices for each Authorized Court Data Service identified in an approved request form under section 3, below, are hereby made part of this Subscriber Amendment by this reference and provide additional terms and conditions that govern Subscriber's use of Court Records accessed through such services, including but not limited to provisions on access and use limitations.

f. "**Rules of Public Access**" means the Rules of Public Access to Records of the Judicial Branch promulgated by the Minnesota Supreme Court, as the same may be amended from time to time, including without limitation lists or tables published from time to time by the Court entitled *Limits on Public Access to Case Records or Limits on Public Access to Administrative Records*, all of which by this reference are made a part of this Subscriber Amendment. It is the obligation of Subscriber to check from time to time for updated rules, lists, and tables and be familiar with the contents thereof. It is contemplated that such rules, lists, and tables will be posted on the Minnesota Judicial Branch website, for which the current address is www.courts.state.mn.us.

g. "**Court**" shall mean the State of Minnesota, State Court Administrator's Office.

h. **"Subscriber"** shall mean the Agency.

i. "**Subscriber Records**" means any information in any form made available by the Subscriber to the Court for the purposes of carrying out this Subscriber Amendment.

3. **REQUESTS FOR AUTHORIZED COURT DATA SERVICES.** Following execution of this Subscriber Amendment by all parties, Subscriber may submit to the BCA one or more separate requests for Authorized Court Data Services. The BCA is authorized in the Master Authorization Agreement to process, credential and approve such requests on behalf of Court and all such requests approved by the BCA are adopted and incorporated herein by this reference the same as if set forth verbatim herein.

a. **Activation**. Activation of the requested Authorized Court Data Service(s) shall occur promptly following approval.

b. **Rejection**. Requests may be rejected for any reason, at the discretion of the BCA and/or the Court.

c. **Requests for Termination of One or More Authorized Court Data Services**. The Subscriber may request the termination of an Authorized Court Data Services previously requested by submitting a notice to Court with a copy to the BCA. Promptly upon receipt of a request for termination of an Authorized Court Data Service, the BCA will deactivate the service requested. The termination of one or more Authorized Court Data Services does not terminate this Subscriber Amendment. Provisions for termination of this Subscriber Amendment are set forth in section 1. Upon termination of Authorized Court Data Services, the Subscriber shall perform the responsibilities set forth in paragraph 7(f) hereof.

4. **SCOPE OF ACCESS TO COURT RECORDS LIMITED.** Subscriber's access to and/or submission of the Court Records shall be limited to Authorized Court Data Services identified in an approved request form under section 3, above, and other Court Records necessary for Subscriber to use Authorized Court Data Services. Authorized Court Data Services shall only be used according to the instructions provided in corresponding Policies & Notices or other materials and only as necessary to assist Subscriber in the efficient performance of Subscriber's duties

required or authorized by law or court rule in connection with any civil, criminal, administrative, or arbitral proceeding in any Federal, State, or local court or agency or before any self-regulatory body. Subscriber's access to the Court Records for personal or non-official use is prohibited. Subscriber will not use or attempt to use Authorized Court Data Services in any manner not set forth in this Subscriber Amendment, Policies & Notices, or other Authorized Court Data Services documentation, and upon any such unauthorized use or attempted use the Court may immediately terminate this Subscriber Amendment without prior notice to Subscriber.

5. GUARANTEES OF CONFIDENTIALITY. Subscriber agrees:

a. To not disclose Court Confidential Information to any third party except where necessary to carry out the Subscriber's duties as required or authorized by law or court rule in connection with any civil, criminal, administrative, or arbitral proceeding in any Federal, State, or local court or agency or before any self-regulatory body.

b. To take all appropriate action, whether by instruction, agreement, or otherwise, to insure the protection, confidentiality and security of Court Confidential Information and to satisfy Subscriber's obligations under this Subscriber Amendment.

c. To limit the use of and access to Court Confidential Information to Subscriber's bona fide personnel whose use or access is necessary to effect the purposes of this Subscriber Amendment, and to advise each individual who is permitted use of and/or access to any Court Confidential Information of the restrictions upon disclosure and use contained in this Subscriber Amendment, requiring each individual who is permitted use of and/or access to Court Confidential Information to acknowledge in writing that the individual has read and understands such restrictions. Subscriber shall keep such acknowledgements on file for one year following termination of the Subscriber Amendment and/or CJDN Subscriber Agreement, whichever is longer, and shall provide the Court with access to, and copies of, such acknowledgements upon request. For purposes of this Subscriber Amendment, Subscriber's bona fide personnel shall mean individuals who are employees of Subscriber or provide services to Subscriber either on a voluntary basis or as independent contractors with Subscriber.

d. That, without limiting section 1 of this Subscriber Amendment, the obligations of Subscriber and its bona fide personnel with respect to the confidentiality and security of Court Confidential Information shall survive the termination of this Subscriber Amendment and the CJDN Subscriber Agreement and the termination of their relationship with Subscriber.

e. That, notwithstanding any federal or state law applicable to the nondisclosure obligations of Subscriber and Subscriber's bona fide personnel under this Subscriber Amendment, such obligations of Subscriber and Subscriber's bona fide personnel are founded independently on the provisions of this Subscriber Amendment.

6. APPLICABILITY TO PREVIOUSLY DISCLOSED COURT RECORDS. Subscriber acknowledges and agrees that all Authorized Court Data Services and related Court Records disclosed to Subscriber prior to the effective date of this Subscriber Amendment shall be subject to the provisions of this Subscriber Amendment.

7. LICENSE AND PROTECTION OF PROPRIETARY RIGHTS. During the term of this Subscriber Amendment, subject to the terms and conditions hereof, the Court hereby grants to Subscriber a nonexclusive, nontransferable, limited license to use Court Data Services Programs and Court Data Services Databases to access or receive the Authorized Court Data Services identified in an approved request form under section 3, above, and related Court Records. Court reserves the right to make modifications to the Authorized Court Data Services, Court Data Services Programs, and Court Data Services Databases, and related materials without notice to Subscriber. These modifications shall be treated in all respects as their previous counterparts.

a. Court Data Services Programs. Court is the copyright owner and licensor of the Court Data Services Programs. The combination of ideas, procedures, processes, systems, logic, coherence and methods of operation embodied within the Court Data Services Programs, and all information contained in documentation pertaining to the Court Data Services Programs, including but not limited to manuals, user documentation, and passwords, are trade secret information of Court and its licensors.

b. Court Data Services Databases. Court is the copyright owner and licensor of the Court Data Services Databases and of all copyrightable aspects and components thereof. All specifications and information pertaining to the Court Data Services Databases and their structure, sequence and organization, including without limitation data schemas such as the Court XML Schema, are trade secret information of Court and its licensors.

c. Marks. Subscriber shall neither have nor claim any right, title, or interest in or use of any trademark used in connection with Authorized Court Data Services, including but not limited to the marks "MNCIS" and "Odyssey."

d. Restrictions on Duplication, Disclosure, and Use. Trade secret information of Court and its licensors will be treated by Subscriber in the same manner as Court Confidential Information. In addition, Subscriber will not copy any part of the Court Data Services Programs or Court Data Services Databases, or reverse engineer or otherwise attempt to discern the source code of the Court Data Services Programs or Court Data Services Databases, or use any trademark of Court or its licensors, in any way or for any purpose not specifically and expressly authorized by this Subscriber Amendment. As used herein, "trade secret information of Court and its licensors" means any information possessed by Court which derives independent economic value from not being generally known to, and not being readily ascertainable by proper means by, other persons who can obtain economic value from its disclosure or use. "Trade secret information of Court and its licensors" does not, however, include information which was known to Subscriber prior to Subscriber's receipt thereof, either directly or indirectly, from Court or its licensors, information which is independently developed by Subscriber without reference to or use of information received from Court or its licensors, or information which would not qualify as a trade secret under Minnesota law. It will not be a violation of this section 7, sub-section d, for Subscriber to make up to one copy of training materials and configuration documentation, if any, for each individual authorized to access, use, or configure Authorized Court Data Services, solely for its own use in connection with this Subscriber Amendment. Subscriber will take all steps reasonably necessary to protect the copyright, trade secret, and trademark rights of Court and its licensors and Subscriber will advise its bona fide personnel who are permitted access to any of the Court Data Services Programs and Court Data Services Databases, and trade secret information of Court and its licensors, of the restrictions upon duplication, disclosure and use contained in this Subscriber Amendment.

e. **Proprietary Notices.** Subscriber will not remove any copyright or proprietary notices included in and/or on the Court Data Services Programs or Court Data Services Databases, related documentation, or trade secret information of Court and its licensors, or any part thereof, made available by Court directly or through the BCA, if any, and Subscriber will include in and/or on any copy of the Court Data Services Programs or Court Data Services Databases, or trade secret information of Court and its licensors and any documents pertaining thereto, the same copyright and other proprietary notices as appear on the copies made available to Subscriber by Court directly or through the BCA, except that copyright notices shall be updated and other proprietary notices added as may be appropriate.

f. **Title; Return.** The Court Data Services Programs and Court Data Services Databases, and related documentation, including but not limited to training and configuration material, if any, and logon account information and passwords, if any, made available by the Court to Subscriber directly or through the BCA and all copies, including partial copies, thereof are and remain the property of the respective licensor. Except as expressly provided in section 12.b., within ten days of the effective date of termination of this Subscriber Amendment or the CJDN Subscriber Agreement or within ten days of a request for termination of Authorized Court Data Service as described in section 4, Subscriber shall either: (i) uninstall and return any and all copies of the applicable Court Data Services Programs and Court Data Services Databases, and related documentation, including but not limited to training and configuration materials, if any, and logon account information, if any; or (2) destroy the same and certify in writing to the Court that the same have been destroyed.

8. **INJUNCTIVE RELIEF.** Subscriber acknowledges that the Court, Court's licensors, and DCA will be irreparably harmed if Subscriber's obligations under this Subscriber Amendment are not specifically enforced and that the Court, Court's licensors, and DCA would not have an adequate remedy at law in the event of an actual or threatened violation by Subscriber of its obligations. Therefore, Subscriber agrees that the Court, Court's licensors, and DCA shall be entitled to an injunction or any appropriate decree of specific performance for any actual or threatened violations or breaches by Subscriber or its bona fide personnel without the necessity of the Court, Court's licensors, or DCA showing actual damages or that monetary damages would not afford an adequate remedy. Unless Subscriber is an office, officer, agency, department, division, or bureau of the state of Minnesota, Subscriber shall be liable to the Court, Court's licensors, and DCA for reasonable attorneys fees incurred by the Court, Court's licensors, and DCA in obtaining any relief pursuant to this Subscriber Amendment.

9. **LIABILITY.** Subscriber and the Court agree that, except as otherwise expressly provided herein, each party will be responsible for its own acts and the results thereof to the extent authorized by law and shall not be responsible for the acts of any others and the results thereof. Liability shall be governed by applicable law. Without limiting the foregoing, liability of the Court and any Subscriber that is an office, officer, agency, department, division, or bureau of the state of Minnesota shall be governed by the provisions of the Minnesota Tort Claims Act, Minnesota Statutes, section 3.376, and other applicable law. Without limiting the foregoing, if Subscriber is a political subdivision of the state of Minnesota, liability of the Subscriber shall be governed by the provisions of Minn. Stat. Ch. 466 (Tort Liability, Political Subdivisions) or other applicable law. Subscriber and Court further acknowledge that the liability, if any, of the BCA is governed by a separate agreement between the Court and the BCA dated December 13, 2010 with DPS-M -0958.

10. AVAILABILITY. Specific terms of availability shall be established by the Court and communicated to Subscriber by the Court and/or the BCA. The Court reserves the right to terminate this Subscriber Amendment immediately and/or temporarily suspend Subscriber's Authorized Court Data Services in the event the capacity of any host computer system or legislative appropriation of funds is determined solely by the Court to be insufficient to meet the computer needs of the courts served by the host computer system.

11. [reserved]

12. ADDITIONAL USER OBLIGATIONS. The obligations of the Subscriber set forth in this section are in addition to the other obligations of the Subscriber set forth elsewhere in this Subscriber Amendment.

a. Judicial Policy Statement. Subscriber agrees to comply with all policies identified in Policies & Notices applicable to Court Records accessed by Subscriber using Authorized Court Data Services. Upon failure of the Subscriber to comply with such policies, the Court shall have the option of immediately suspending the Subscriber's Authorized Court Data Services on a temporary basis and/or immediately terminating this Subscriber Amendment.

b. Access and Use; Log. Subscriber shall be responsible for all access to and use of Authorized Court Data Services and Court Records by Subscriber's bona fide personnel or by means of Subscriber's equipment or passwords, whether or not Subscriber has knowledge of or authorizes such access and use. Subscriber shall also maintain a log identifying all persons to whom Subscriber has disclosed its Court Confidential Security and Activation Information, such as user ID(s) and password(s), including the date of such disclosure. Subscriber shall maintain such logs for a minimum period of six years from the date of disclosure, and shall provide the Court with access to, and copies of, such logs upon request. The Court may conduct audits of Subscriber's logs and use of Authorized Court Data Services and Court Records from time to time. Upon Subscriber's failure to maintain such logs, to maintain accurate logs, or to promptly provide access by the Court to such logs, the Court may terminate this Subscriber Amendment without prior notice to Subscriber.

c. Personnel. Subscriber agrees to investigate, at the request of the Court and/or the BCA, allegations of misconduct pertaining to Subscriber's bona fide personnel having access to or use of Authorized Court Data Services, Court Confidential Information, or trade secret information of the Court and its licensors where such persons are alleged to have violated the provisions of this Subscriber Amendment, Policies & Notices, Judicial Branch policies, or other security requirements or laws regulating access to the Court Records.

d. Minnesota Data Practices Act Applicability. If Subscriber is a Minnesota Government entity that is subject to the Minnesota Government Data Practices Act, Minn. Stat. Ch. 13, Subscriber acknowledges and agrees that: (1) the Court is not subject to Minn. Stat. Ch. 13 (see section 13.90) but is subject to the Rules of Public Access and other rules promulgated by the Minnesota Supreme Court; (2) Minn. Stat. section 13.03, subdivision 4(e) requires that Subscriber comply with the Rules of Public Access and other rules promulgated by the Minnesota Supreme Court for access to Court Records provided via the

BCA systems and tools under this Subscriber Amendment; (3) the use of and access to Court Records may be restricted by rules promulgated by the Minnesota Supreme Court, applicable state statute or federal law; and (4) these applicable restrictions must be followed in the appropriate circumstances.

13. FEES; INVOICES. Unless the Subscriber is an office, officer, department, division, agency, or bureau of the state of Minnesota, Subscriber shall pay the fees, if any, set forth in applicable Policies & Notices, together with applicable sales, use or other taxes. Applicable monthly fees commence ten (10) days after notice of approval of the request pursuant to section 3 of this Subscriber Amendment or upon the initial Subscriber transaction as defined in the Policies & Notices, whichever occurs earlier. When fees apply, the Court shall invoice Subscriber on a monthly basis for charges incurred in the preceding month and applicable taxes, if any, and payment of all amounts shall be due upon receipt of invoice. If all amounts are not paid within 30 days of the date of the invoice, the Court may immediately cancel this Subscriber Amendment without notice to Subscriber and pursue all available legal remedies. Subscriber certifies that funds have been appropriated for the payment of charges under this Subscriber Amendment for the current fiscal year, if applicable.

14. MODIFICATION OF FEES. Court may modify the fees by amending the Policies & Notices as provided herein, and the modified fees shall be effective on the date specified in the Policies & Notices, which shall not be less than thirty days from the publication of the Policies & Notices. Subscriber shall have the option of accepting such changes or terminating this Subscriber Amendment as provided in section 1 hereof.

15. WARRANTY DISCLAIMERS.

a. WARRANTY EXCLUSIONS. EXCEPT AS SPECIFICALLY AND EXPRESSLY PROVIDED HEREIN, COURT, COURT'S LICENSORS, AND DCA MAKE NO REPRESENTATIONS OR WARRANTIES OF ANY KIND, INCLUDING BUT NOT LIMITED TO THE WARRANTIES OF FITNESS FOR A PARTICULAR PURPOSE OR MERCHANTABILITY, NOR ARE ANY WARRANTIES TO BE IMPLIED, WITH RESPECT TO THE INFORMATION, SERVICES OR COMPUTER PROGRAMS MADE AVAILABLE UNDER THIS AGREEMENT.

b. ACCURACY AND COMPLETENESS OF INFORMATION. WITHOUT LIMITING THE GENERALITY OF THE PRECEDING PARAGRAPH, COURT, COURT'S LICENSORS, AND DCA MAKE NO WARRANTIES AS TO THE ACCURACY OR COMPLETENESS OF THE INFORMATION CONTAINED IN THE COURT RECORDS.

16. RELATIONSHIP OF THE PARTIES. Subscriber is an independent contractor and shall not be deemed for any purpose to be an employee, partner, agent or franchisee of the Court, Court's licensors, or DCA. Neither Subscriber nor the Court, Court's licensors, or DCA shall have the right nor the authority to assume, create or incur any liability or obligation of any kind, express or implied, against or in the name of or on behalf of the other.

17. NOTICE. Except as provided in section 2 regarding notices of or modifications to Authorized Court Data Services and Policies & Notices, any notice to Court or Subscriber

hereunder shall be deemed to have been received when personally delivered in writing or seventy-two (72) hours after it has been deposited in the United States mail, first class, proper postage prepaid, addressed to the party to whom it is intended at the address set forth on page one of this Agreement or at such other address of which notice has been given in accordance herewith.

18. NON-WAIVER. The failure by any party at any time to enforce any of the provisions of this Subscriber Amendment or any right or remedy available hereunder or at law or in equity, or to exercise any option herein provided, shall not constitute a waiver of such provision, remedy or option or in any way affect the validity of this Subscriber Amendment. The waiver of any default by either Party shall not be deemed a continuing waiver, but shall apply solely to the instance to which such waiver is directed.

19. FORCE MAJEURE. Neither Subscriber nor Court shall be responsible for failure or delay in the performance of their respective obligations hereunder caused by acts beyond their reasonable control.

20. SEVERABILITY. Every provision of this Subscriber Amendment shall be construed, to the extent possible, so as to be valid and enforceable. If any provision of this Subscriber Amendment so construed is held by a court of competent jurisdiction to be invalid, illegal or otherwise unenforceable, such provision shall be deemed severed from this Subscriber Amendment, and all other provisions shall remain in full force and effect.

21. ASSIGNMENT AND BINDING EFFECT. Except as otherwise expressly permitted herein, neither Subscriber nor Court may assign, delegate and/or otherwise transfer this Subscriber Amendment or any of its rights or obligations hereunder without the prior written consent of the other. This Subscriber Amendment shall be binding upon and inure to the benefit of the Parties hereto and their respective successors and assigns, including any other legal entity into, by or with which Subscriber may be merged, acquired or consolidated.

22. GOVERNING LAW. This Subscriber Amendment shall in all respects be governed by and interpreted, construed and enforced in accordance with the laws of the United States and of the State of Minnesota.

23. VENUE AND JURISDICTION. Any action arising out of or relating to this Subscriber Amendment, its performance, enforcement or breach will be venued in a state or federal court situated within the State of Minnesota. Subscriber hereby irrevocably consents and submits itself to the personal jurisdiction of said courts for that purpose.

24. INTEGRATION. This Subscriber Amendment contains all negotiations and agreements between the parties. No other understanding regarding this Subscriber Amendment, whether written or oral, may be used to bind either party, provided that all terms and conditions of the CJDN Subscriber Agreement and all previous amendments remain in full force and effect except as supplemented or modified by this Subscriber Amendment.

IN WITNESS WHEREOF, the Parties have, by their duly authorized officers, executed this Subscriber Amendment in duplicate, intending to be bound thereby.

1. SUBSCRIBER (AGENCY)

Subscriber must attach written verification of authority to sign on behalf of and bind the entity, such as an opinion of counsel or resolution.

STATE OF MINNESOTA
JOINT POWERS AGREEMENT
AUTHORIZED AGENCY

This agreement is between the State of Minnesota, acting through its Department of Public Safety, Bureau of Criminal Apprehension ("BCA") and the City of Isanti on behalf of its Police Department ("Agency").

Recitals

Under Minn. Stat. § 471.59, the BCA and the Agency are empowered to engage in those agreements that are necessary to exercise their powers. Under Minn. Stat. § 299C.46 the BCA must provide a criminal justice data communications network to benefit authorized agencies in Minnesota. The Agency is authorized by law to utilize the criminal justice data communications network pursuant to the terms set out in this agreement. In addition, BCA either maintains repositories of data or has access to repositories of data that benefit authorized agencies in performing their duties. Agency wants to access these data in support of its official duties.

The purpose of this Agreement is to create a method by which the Agency has access to those systems and tools for which it has eligibility, and to memorialize the requirements to obtain access and the limitations on the access.

Agreement

1 Term of Agreement

1.1 ***Effective date*:** This Agreement is effective on the date the BCA obtains all required signatures under Minn. Stat. § 16C.05, subdivision 2.

1.2 ***Expiration date*:** This Agreement expires five years from the date it is effective.

2 Agreement between the Parties

2.1 General access. BCA agrees to provide Agency with access to the Minnesota Criminal Justice Data Communications Network (CJDN) and those systems and tools which the Agency is authorized by law to access via the CJDN for the purposes outlined in Minn. Stat. § 299C.46.

2.2 Methods of access.

The BCA offers three (3) methods of access to its systems and tools. The methods of access are:

A. **Direct access** occurs when individual users at the Agency use Agency's equipment to access the BCA's systems and tools. This is generally accomplished by an individual user entering a query into one of BCA's systems or tools.

B. **Indirect access** occurs when individual users at the Agency go to another Agency to obtain data and information from BCA's systems and tools. This method of access generally results in the Agency with indirect access obtaining the needed data and information in a physical format like a paper report.

C. **Computer-to-computer system interface** occurs when Agency's computer exchanges data and information with BCA's computer systems and tools using an interface. Without limitation, interface types include: state message switch, web services, enterprise service bus and message queuing.

For purposes of this Agreement, Agency employees or contractors may use any of these methods to use BCA's systems and tools as described in this Agreement. Agency will select a method of access and can change the methodology following the process in Clause 2.10.

2.3 Federal systems access. In addition, pursuant to 28 CFR §20.30-38 and Minn. Stat. §299C.58, BCA may provide Agency with access to the Federal Bureau of Investigation (FBI) National Crime Information Center.

2.4 Agency policies. Both the BCA and the FBI's Criminal Justice Information Systems (FBI-CJIS) have policies, regulations and laws on access, use, audit, dissemination, hit confirmation, logging, quality assurance, screening (pre-employment), security, timeliness, training, use of the system, and validation. Agency has created its own policies to ensure that Agency's employees and contractors comply with all applicable requirements. Agency ensures this compliance through appropriate enforcement. These BCA and FBI-CJIS policies and regulations, as amended and updated from time to time, are incorporated into this Agreement by reference. The policies are available at https://bcanextest.x.state.mn.us/launchpad/.

2.5 Agency resources. To assist Agency in complying with the federal and state requirements on access to and use of the various systems and tools, information is available at https://sps.x.state.mn.us/sites/bcaservicecatalog/default.aspx. Additional information on appropriate use is found in the Minnesota Bureau of Criminal Apprehension Policy on Appropriate Use of Systems and Data available at https://dps.mn.gov/divisions/bca/bca-divisions/mnjis/Documents/BCA-Policy-on-Appropriate-Use-of-Systems-and-Data.pdf.

2.6 Access granted.

A. Agency is granted permission to use all current and future BCA systems and tools for which Agency is eligible. Eligibility is dependent on Agency (i) satisfying all applicable federal or state statutory requirements; (ii) complying with the terms of this Agreement; and (iii) acceptance by BCA of Agency's written request for use of a specific system or tool.

B. To facilitate changes in systems and tools, Agency grants its Authorized Representative authority to make written requests for those systems and tools provided by BCA that the Agency needs to meet its criminal justice obligations and for which Agency is eligible.

2.7 Future access. On written request by Agency, BCA also may provide Agency with access to those systems or tools which may become available after the signing of this Agreement, to the extent that the access is authorized by applicable state and federal law. Agency agrees to be bound by the terms and conditions contained in this Agreement that when utilizing new systems or tools provided under this Agreement.

2.8 Limitations on access. BCA agrees that it will comply with applicable state and federal laws when making information accessible. Agency agrees that it will comply with applicable state and federal laws when accessing, entering, using, disseminating, and storing data. Each party is responsible for its own compliance with the most current applicable state and federal laws.

2.9 Supersedes prior agreements. This Agreement supersedes any and all prior agreements between the BCA and the Agency regarding access to and use of systems and tools provided by BCA.

2.10 Requirement to update information. The parties agree that if there is a change to any of the information whether required by law or this Agreement, the party will send the new information to the other party in writing within 30 days of the change. This clause does not apply to changes in systems or tools provided under this Agreement.

This requirement to give notice additionally applies to changes in the individual or organization serving a city as its prosecutor. Any change in performance of the prosecutorial function must be provided to the BCA in writing by giving notice to the Service Desk, BCA.ServiceDesk@state.mn.us.

2.11 Transaction record. The BCA creates and maintains a transaction record for each exchange of data utilizing its systems and tools. In order to meet FBI-CJIS requirements and to perform the audits described in Clause 7, there must be a method of identifying which individual users at the Agency conducted a particular transaction.

If Agency uses either direct access as described in Clause 2.2A or indirect access as described in Clause 2.2B, BCA's transaction record meets FBI-CJIS requirements.

When Agency's method of access is a computer to computer interface as described in Clause 2.2C, the Agency must

keep a transaction record sufficient to satisfy FBI-CJIS requirements and permit the audits described in Clause 7 to occur.

If an Agency accesses data from the Driver and Vehicle Services Division in the Minnesota Department of Public Safety and keeps a copy of the data, Agency must have a transaction record of all subsequent access to the data that are kept by the Agency. The transaction record must include the individual user who requested access, and the date, time and content of the request. The transaction record must also include the date, time and content of the response along with the destination to which the data were sent. The transaction record must be maintained for a minimum of six (6) years from the date the transaction occurred and must be made available to the BCA within one (1) business day of the BCA's request.

2.12 Court information access. Certain BCA systems and tools that include access to and/or submission of Court Records may only be utilized by the Agency if the Agency completes the Court Data Services Subscriber Amendment, which upon execution will be incorporated into this Agreement by reference. These BCA systems and tools are identified in the written request made by Agency under Clause 2.6 above. The Court Data Services Subscriber Amendment provides important additional terms, including but not limited to privacy (see Clause 8.2, below), fees (see Clause 3 below), and transaction records or logs, that govern Agency's access to and/or submission of the Court Records delivered through the BCA systems and tools.

2.13 Vendor personnel screening. The BCA will conduct all vendor personnel screening on behalf of Agency as is required by the FBI CJIS Security Policy. The BCA will maintain records of the federal, fingerprint-based background check on each vendor employee as well as records of the completion of the security awareness training that may be relied on by the Agency.

3 Payment

The Agency understands there is a cost for access to the criminal justice data communications network described in Minn. Stat. § 299C.46. At the time this Agreement is signed, BCA understands that a third party will be responsible for the cost of access.

Agency will identify the third party and provide the BCA with the contact information and its contact person for billing purposes so that billing can be established. The Agency will provide updated information to BCA's Authorized Representative within ten business days when this information changes.

If Agency chooses to execute the Court Data Services Subscriber Amendment referred to in Clause 2.12 in order to access and/or submit Court Records via BCA's systems, additional fees, if any, are addressed in that amendment.

4 Authorized Representatives

The BCA's Authorized Representative is Dana Gotz, Department of Public Safety, Bureau of Criminal Apprehension, Minnesota Justice Information Services, 1430 Maryland Avenue, St. Paul, MN 55106, 651-793-1007, or her successor.

The Agency's Authorized Representative is Chief Gene Hill, 401 1st Avenue NW, PO Box 428, Isanti, MN 55040, (763) 444-4761, or his successor.

5 Assignment, Amendments, Waiver, and Contract Complete

5.1 ***Assignment.*** Neither party may assign nor transfer any rights or obligations under this Agreement.

5.2 ***Amendments.*** Any amendment to this Agreement, except those described in Clauses 2.6 and 2.7 above must be in writing and will not be effective until it has been signed and approved by the same parties who signed and approved the original agreement, their successors in office, or another individual duly authorized.

5.3 ***Waiver.*** If either party fails to enforce any provision of this Agreement, that failure does not waive the provision or the right to enforce it.

5.4 ***Contract Complete.*** This Agreement contains all negotiations and agreements between the BCA and the Agency. No other understanding regarding this Agreement, whether written or oral, may be used to bind either party.

6 Liability

Each party will be responsible for its own acts and behavior and the results thereof and shall not be responsible or liable for the other party's actions and consequences of those actions. The Minnesota Torts Claims Act, Minn. Stat. § 3.736 and other applicable laws govern the BCA's liability. The Minnesota Municipal Tort Claims Act, Minn. Stat. Ch. 466, governs the Agency's liability.

7 Audits

7.1 Under Minn. Stat. § 16C.05, subd. 5, the Agency's books, records, documents, internal policies and accounting procedures and practices relevant to this Agreement are subject to examination by the BCA, the State Auditor or Legislative Auditor, as appropriate, for a minimum of six years from the end of this Agreement. Under Minn. Stat. § 6.551, the State Auditor may examine the books, records, documents, and accounting procedures and practices of BCA. The examination shall be limited to the books, records, documents, and accounting procedures and practices that are relevant to this Agreement.

7.2 Under applicable state and federal law, the Agency's records are subject to examination by the BCA to ensure compliance with laws, regulations and policies about access, use, and dissemination of data.

7.3 If Agency accesses federal databases, the Agency's records are subject to examination by the FBI and Agency will cooperate with FBI examiners and make any requested data available for review and audit.

7.4 To facilitate the audits required by state and federal law, Agency is required to have an inventory of the equipment used to access the data covered by this Agreement and the physical location of each.

8 Government Data Practices

8.1 BCA and Agency. The Agency and BCA must comply with the Minnesota Government Data Practices Act, Minn. Stat. Ch. 13, as it applies to all data accessible under this Agreement, and as it applies to all data created, collected, received, stored, used, maintained, or disseminated by the Agency under this Agreement. The remedies of Minn. Stat. §§ 13.08 and 13.09 apply to the release of the data referred to in this clause by either the Agency or the BCA.

8.2 Court Records. If Agency chooses to execute the Court Data Services Subscriber Amendment referred to in Clause 2.12 in order to access and/or submit Court Records via BCA's systems, the following provisions regarding data practices also apply. The Court is not subject to Minn. Stat. Ch. 13 (see section 13.90) but is subject to the *Rules of Public Access to Records of the Judicial Branch* promulgated by the Minnesota Supreme Court. All parties acknowledge and agree that Minn. Stat. § 13.03, subdivision 4(e) requires that the BCA and the Agency comply with the *Rules of Public Access* for those data received from Court under the Court Data Services Subscriber Amendment. All parties also acknowledge and agree that the use of, access to or submission of Court Records, as that term is defined in the Court Data Services Subscriber Amendment, may be restricted by rules promulgated by the Minnesota Supreme Court, applicable state statute or federal law. All parties acknowledge and agree that these applicable restrictions must be followed in the appropriate circumstances.

9 Investigation of alleged violations; sanctions

For purposes of this clause, "Individual User" means an employee or contractor of Agency.

9.1 Investigation. Agency and BCA agree to cooperate in the investigation and possible prosecution of suspected violations of federal and state law referenced in this Agreement. Agency and BCA agree to cooperate in the investigation of suspected violations of the policies and procedures referenced in this Agreement. When BCA becomes aware that a violation may have occurred, BCA will inform Agency of the suspected violation, subject to any restrictions in applicable law. When Agency becomes aware that a violation has occurred, Agency will inform BCA subject to any restrictions in applicable law.

9.2 Sanctions Involving Only BCA Systems and Tools.

The following provisions apply to BCA systems and tools not covered by the Court Data Services Subscriber Amendment. None of these provisions alter the Agency's internal discipline processes, including those governed by a

collective bargaining agreement.

9.2.1 For BCA systems and tools that are not covered by the Court Data Services Subscriber Amendment, Agency must determine if and when an involved Individual User's access to systems or tools is to be temporarily or permanently eliminated. The decision to suspend or terminate access may be made as soon as alleged violation is discovered, after notice of an alleged violation is received, or after an investigation has occurred. Agency must report the status of the Individual User's access to BCA without delay. BCA reserves the right to make a different determination concerning an Individual User's access to systems or tools than that made by Agency and BCA's determination controls.

9.2.2 If BCA determines that Agency has jeopardized the integrity of the systems or tools covered in this Clause 9.2, BCA may temporarily stop providing some or all the systems or tools under this Agreement until the failure is remedied to the BCA's satisfaction. If Agency's failure is continuing or repeated, Clause 11.1 does not apply and BCA may terminate this Agreement immediately.

9.3 Sanctions Involving Only Court Data Services

The following provisions apply to those systems and tools covered by the Court Data Services Subscriber Amendment, if it has been signed by Agency. As part of the agreement between the Court and the BCA for the delivery of the systems and tools that are covered by the Court Data Services Subscriber Amendment, BCA is required to suspend or terminate access to or use of the systems and tools either on its own initiative or when directed by the Court. The decision to suspend or terminate access may be made as soon as an alleged violation is discovered, after notice of an alleged violation is received, or after an investigation has occurred. The decision to suspend or terminate may also be made based on a request from the Authorized Representative of Agency. The agreement further provides that only the Court has the authority to reinstate access and use.

9.3.1 Agency understands that if it has signed the Court Data Services Subscriber Amendment and if Agency's Individual Users violate the provisions of that Amendment, access and use will be suspended by BCA or Court. Agency also understands that reinstatement is only at the direction of the Court.

9.3.2 Agency further agrees that if Agency believes that one or more of its Individual Users have violated the terms of the Amendment, it will notify BCA and Court so that an investigation as described in Clause 9.1 may occur.

10 Venue

Venue for all legal proceedings involving this Agreement, or its breach, must be in the appropriate state or federal court with competent jurisdiction in Ramsey County, Minnesota.

11 Termination

11.1 ***Termination.*** The BCA or the Agency may terminate this Agreement at any time, with or without cause, upon 30 days' written notice to the other party's Authorized Representative.

11.2 ***Termination for Insufficient Funding.*** Either party may immediately terminate this Agreement if it does not obtain funding from the Minnesota Legislature, or other funding source; or if funding cannot be continued at a level sufficient to allow for the payment of the services covered here. Termination must be by written notice to the other party's authorized representative. The Agency is not obligated to pay for any services that are provided after notice and effective date of termination. However, the BCA will be entitled to payment, determined on a pro rata basis, for services satisfactorily performed to the extent that funds are available. Neither party will be assessed any penalty if the agreement is terminated because of the decision of the Minnesota Legislature, or other funding source, not to appropriate funds. Notice of the lack of funding must be provided within a reasonable time of the affected party receiving that notice.

12 Continuing obligations

The following clauses survive the expiration or cancellation of this Agreement: 6. Liability; 7. Audits; 8. Government Data Practices; 9. Investigation of alleged violations; sanctions; and 10.Venue.

The parties indicate their agreement and authority to execute this Agreement by signing below.

STATE OF MINNESOTA
JOINT POWERS AGREEMENT
AUTHORIZED AGENCY

This agreement is between the State of Minnesota, acting through its Department of Public Safety, Bureau of Criminal Apprehension ("BCA") and the City of Isanti on behalf of its Prosecuting Attorney ("Agency").

Recitals

Under Minn. Stat. § 471.59, the BCA and the Agency are empowered to engage in those agreements that are necessary to exercise their powers. Under Minn. Stat. § 299C.46 the BCA must provide a criminal justice data communications network to benefit authorized agencies in Minnesota. The Agency is authorized by law to utilize the criminal justice data communications network pursuant to the terms set out in this agreement. In addition, BCA either maintains repositories of data or has access to repositories of data that benefit authorized agencies in performing their duties. Agency wants to access these data in support of its official duties.

The purpose of this Agreement is to create a method by which the Agency has access to those systems and tools for which it has eligibility, and to memorialize the requirements to obtain access and the limitations on the access.

Agreement

1 Term of Agreement

1.1 ***Effective date*:** This Agreement is effective on the date the BCA obtains all required signatures under Minn. Stat. § 16C.05, subdivision 2.

1.2 ***Expiration date*:** This Agreement expires five years from the date it is effective.

2 Agreement between the Parties

2.1 General access. BCA agrees to provide Agency with access to the Minnesota Criminal Justice Data Communications Network (CJDN) and those systems and tools which the Agency is authorized by law to access via the CJDN for the purposes outlined in Minn. Stat. § 299C.46.

2.2 Methods of access.

The BCA offers three (3) methods of access to its systems and tools. The methods of access are:

A. **Direct access** occurs when individual users at the Agency use Agency's equipment to access the BCA's systems and tools. This is generally accomplished by an individual user entering a query into one of BCA's systems or tools.

B. **Indirect access** occurs when individual users at the Agency go to another Agency to obtain data and information from BCA's systems and tools. This method of access generally results in the Agency with indirect access obtaining the needed data and information in a physical format like a paper report.

C. **Computer-to-computer system interface** occurs when Agency's computer exchanges data and information with BCA's computer systems and tools using an interface. Without limitation, interface types include: state message switch, web services, enterprise service bus and message queuing.

For purposes of this Agreement, Agency employees or contractors may use any of these methods to use BCA's systems and tools as described in this Agreement. Agency will select a method of access and can change the methodology following the process in Clause 2.10.

2.3 Federal systems access. In addition, pursuant to 28 CFR §20.30-38 and Minn. Stat. §299C.58, BCA may provide Agency with access to the Federal Bureau of Investigation (FBI) National Crime Information Center.

2.4 Agency policies. Both the BCA and the FBI's Criminal Justice Information Systems (FBI-CJIS) have policies, regulations and laws on access, use, audit, dissemination, hit confirmation, logging, quality assurance, screening (pre-employment), security, timeliness, training, use of the system, and validation. Agency has created its own policies to ensure that Agency's employees and contractors comply with all applicable requirements. Agency ensures this compliance through appropriate enforcement. These BCA and FBI-CJIS policies and regulations, as amended and updated from time to time, are incorporated into this Agreement by reference. The policies are available at https://bcanextest.x.state.mn.us/launchpad/.

2.5 Agency resources. To assist Agency in complying with the federal and state requirements on access to and use of the various systems and tools, information is available at https://sps.x.state.mn.us/sites/bcaservicecatalog/default.aspx. Additional information on appropriate use is found in the Minnesota Bureau of Criminal Apprehension Policy on Appropriate Use of Systems and Data available at https://dps.mn.gov/divisions/bca/bca-divisions/mnjis/Documents/BCA-Policy-on-Appropriate-Use-of-Systems-and-Data.pdf.

2.6 Access granted.

A. Agency is granted permission to use all current and future BCA systems and tools for which Agency is eligible. Eligibility is dependent on Agency (i) satisfying all applicable federal or state statutory requirements; (ii) complying with the terms of this Agreement; and (iii) acceptance by BCA of Agency's written request for use of a specific system or tool.

B. To facilitate changes in systems and tools, Agency grants its Authorized Representative authority to make written requests for those systems and tools provided by BCA that the Agency needs to meet its criminal justice obligations and for which Agency is eligible.

2.7 Future access. On written request by Agency, BCA also may provide Agency with access to those systems or tools which may become available after the signing of this Agreement, to the extent that the access is authorized by applicable state and federal law. Agency agrees to be bound by the terms and conditions contained in this Agreement that when utilizing new systems or tools provided under this Agreement.

2.8 Limitations on access. BCA agrees that it will comply with applicable state and federal laws when making information accessible. Agency agrees that it will comply with applicable state and federal laws when accessing, entering, using, disseminating, and storing data. Each party is responsible for its own compliance with the most current applicable state and federal laws.

2.9 Supersedes prior agreements. This Agreement supersedes any and all prior agreements between the BCA and the Agency regarding access to and use of systems and tools provided by BCA.

2.10 Requirement to update information. The parties agree that if there is a change to any of the information whether required by law or this Agreement, the party will send the new information to the other party in writing within 30 days of the change. This clause does not apply to changes in systems or tools provided under this Agreement.

This requirement to give notice additionally applies to changes in the individual or organization serving a city as its prosecutor. Any change in performance of the prosecutorial function must be provided to the BCA in writing by giving notice to the Service Desk, BCA.ServiceDesk@state.mn.us.

2.11 Transaction record. The BCA creates and maintains a transaction record for each exchange of data utilizing its systems and tools. In order to meet FBI-CJIS requirements and to perform the audits described in Clause 7, there must be a method of identifying which individual users at the Agency conducted a particular transaction.

If Agency uses either direct access as described in Clause 2.2A or indirect access as described in Clause 2.2B, BCA's transaction record meets FBI-CJIS requirements.

When Agency's method of access is a computer to computer interface as described in Clause 2.2C, the Agency must

keep a transaction record sufficient to satisfy FBI-CJIS requirements and permit the audits described in Clause 7 to occur.

If an Agency accesses data from the Driver and Vehicle Services Division in the Minnesota Department of Public Safety and keeps a copy of the data, Agency must have a transaction record of all subsequent access to the data that are kept by the Agency. The transaction record must include the individual user who requested access, and the date, time and content of the request. The transaction record must also include the date, time and content of the response along with the destination to which the data were sent. The transaction record must be maintained for a minimum of six (6) years from the date the transaction occurred and must be made available to the BCA within one (1) business day of the BCA's request.

2.12 Court information access. Certain BCA systems and tools that include access to and/or submission of Court Records may only be utilized by the Agency if the Agency completes the Court Data Services Subscriber Amendment, which upon execution will be incorporated into this Agreement by reference. These BCA systems and tools are identified in the written request made by Agency under Clause 2.6 above. The Court Data Services Subscriber Amendment provides important additional terms, including but not limited to privacy (see Clause 8.2, below), fees (see Clause 3 below), and transaction records or logs, that govern Agency's access to and/or submission of the Court Records delivered through the BCA systems and tools.

2.13 Vendor personnel screening. The BCA will conduct all vendor personnel screening on behalf of Agency as is required by the FBI CJIS Security Policy. The BCA will maintain records of the federal, fingerprint-based background check on each vendor employee as well as records of the completion of the security awareness training that may be relied on by the Agency.

3 Payment

The Agency understands there is a cost for access to the criminal justice data communications network described in Minn. Stat. § 299C.46. At the time this Agreement is signed, BCA understands that a third party will be responsible for the cost of access.

Agency will identify the third party and provide the BCA with the contact information and its contact person for billing purposes so that billing can be established. The Agency will provide updated information to BCA's Authorized Representative within ten business days when this information changes.

If Agency chooses to execute the Court Data Services Subscriber Amendment referred to in Clause 2.12 in order to access and/or submit Court Records via BCA's systems, additional fees, if any, are addressed in that amendment.

4 Authorized Representatives

The BCA's Authorized Representative is Dana Gotz, Department of Public Safety, Bureau of Criminal Apprehension, Minnesota Justice Information Services, 1430 Maryland Avenue, St. Paul, MN 55106, 651-793-1007, or her successor.

The Agency's Authorized Representative is Clark A. Joslin, Isanti City Attorney, 221 2nd Ave NW, Cambridge, MN 55008, (763) 689-4101, or his successor.

5 Assignment, Amendments, Waiver, and Contract Complete

5.1 ***Assignment.*** Neither party may assign nor transfer any rights or obligations under this Agreement.

5.2 ***Amendments.*** Any amendment to this Agreement, except those described in Clauses 2.6 and 2.7 above must be in writing and will not be effective until it has been signed and approved by the same parties who signed and approved the original agreement, their successors in office, or another individual duly authorized.

5.3 ***Waiver.*** If either party fails to enforce any provision of this Agreement, that failure does not waive the provision or the right to enforce it.

5.4 ***Contract Complete.*** This Agreement contains all negotiations and agreements between the BCA and the Agency. No other understanding regarding this Agreement, whether written or oral, may be used to bind either party.

6 Liability

Each party will be responsible for its own acts and behavior and the results thereof and shall not be responsible or liable for the other party's actions and consequences of those actions. The Minnesota Torts Claims Act, Minn. Stat. § 3.736 and other applicable laws govern the BCA's liability. The Minnesota Municipal Tort Claims Act, Minn. Stat. Ch. 466, governs the Agency's liability.

7 Audits

7.1 Under Minn. Stat. § 16C.05, subd. 5, the Agency's books, records, documents, internal policies and accounting procedures and practices relevant to this Agreement are subject to examination by the BCA, the State Auditor or Legislative Auditor, as appropriate, for a minimum of six years from the end of this Agreement. Under Minn. Stat. § 6.551, the State Auditor may examine the books, records, documents, and accounting procedures and practices of BCA. The examination shall be limited to the books, records, documents, and accounting procedures and practices that are relevant to this Agreement.

7.2 Under applicable state and federal law, the Agency's records are subject to examination by the BCA to ensure compliance with laws, regulations and policies about access, use, and dissemination of data.

7.3 If Agency accesses federal databases, the Agency's records are subject to examination by the FBI and Agency will cooperate with FBI examiners and make any requested data available for review and audit.

7.4 To facilitate the audits required by state and federal law, Agency is required to have an inventory of the equipment used to access the data covered by this Agreement and the physical location of each.

8 Government Data Practices

8.1 BCA and Agency. The Agency and BCA must comply with the Minnesota Government Data Practices Act, Minn. Stat. Ch. 13, as it applies to all data accessible under this Agreement, and as it applies to all data created, collected, received, stored, used, maintained, or disseminated by the Agency under this Agreement. The remedies of Minn. Stat. §§ 13.08 and 13.09 apply to the release of the data referred to in this clause by either the Agency or the BCA.

8.2 Court Records. If Agency chooses to execute the Court Data Services Subscriber Amendment referred to in Clause 2.12 in order to access and/or submit Court Records via BCA's systems, the following provisions regarding data practices also apply. The Court is not subject to Minn. Stat. Ch. 13 (see section 13.90) but is subject to the *Rules of Public Access to Records of the Judicial Branch* promulgated by the Minnesota Supreme Court. All parties acknowledge and agree that Minn. Stat. § 13.03, subdivision 4(e) requires that the BCA and the Agency comply with the *Rules of Public Access* for those data received from Court under the Court Data Services Subscriber Amendment. All parties also acknowledge and agree that the use of, access to or submission of Court Records, as that term is defined in the Court Data Services Subscriber Amendment, may be restricted by rules promulgated by the Minnesota Supreme Court, applicable state statute or federal law. All parties acknowledge and agree that these applicable restrictions must be followed in the appropriate circumstances.

9 Investigation of alleged violations; sanctions

For purposes of this clause, "Individual User" means an employee or contractor of Agency.

9.1 Investigation. Agency and BCA agree to cooperate in the investigation and possible prosecution of suspected violations of federal and state law referenced in this Agreement. Agency and BCA agree to cooperate in the investigation of suspected violations of the policies and procedures referenced in this Agreement. When BCA becomes aware that a violation may have occurred, BCA will inform Agency of the suspected violation, subject to any restrictions in applicable law. When Agency becomes aware that a violation has occurred, Agency will inform BCA subject to any restrictions in applicable law.

9.2 Sanctions Involving Only BCA Systems and Tools.

The following provisions apply to BCA systems and tools not covered by the Court Data Services Subscriber Amendment. None of these provisions alter the Agency's internal discipline processes, including those governed by a

collective bargaining agreement.

9.2.1 For BCA systems and tools that are not covered by the Court Data Services Subscriber Amendment, Agency must determine if and when an involved Individual User's access to systems or tools is to be temporarily or permanently eliminated. The decision to suspend or terminate access may be made as soon as alleged violation is discovered, after notice of an alleged violation is received, or after an investigation has occurred. Agency must report the status of the Individual User's access to BCA without delay. BCA reserves the right to make a different determination concerning an Individual User's access to systems or tools than that made by Agency and BCA's determination controls.

9.2.2 If BCA determines that Agency has jeopardized the integrity of the systems or tools covered in this Clause 9.2, BCA may temporarily stop providing some or all the systems or tools under this Agreement until the failure is remedied to the BCA's satisfaction. If Agency's failure is continuing or repeated, Clause 11.1 does not apply and BCA may terminate this Agreement immediately.

9.3 Sanctions Involving Only Court Data Services

The following provisions apply to those systems and tools covered by the Court Data Services Subscriber Amendment, if it has been signed by Agency. As part of the agreement between the Court and the BCA for the delivery of the systems and tools that are covered by the Court Data Services Subscriber Amendment, BCA is required to suspend or terminate access to or use of the systems and tools either on its own initiative or when directed by the Court. The decision to suspend or terminate access may be made as soon as an alleged violation is discovered, after notice of an alleged violation is received, or after an investigation has occurred. The decision to suspend or terminate may also be made based on a request from the Authorized Representative of Agency. The agreement further provides that only the Court has the authority to reinstate access and use.

9.3.1 Agency understands that if it has signed the Court Data Services Subscriber Amendment and if Agency's Individual Users violate the provisions of that Amendment, access and use will be suspended by BCA or Court. Agency also understands that reinstatement is only at the direction of the Court.

9.3.2 Agency further agrees that if Agency believes that one or more of its Individual Users have violated the terms of the Amendment, it will notify BCA and Court so that an investigation as described in Clause 9.1 may occur.

10 Venue

Venue for all legal proceedings involving this Agreement, or its breach, must be in the appropriate state or federal court with competent jurisdiction in Ramsey County, Minnesota.

11 Termination

11.1 ***Termination.*** The BCA or the Agency may terminate this Agreement at any time, with or without cause, upon 30 days' written notice to the other party's Authorized Representative.

11.2 ***Termination for Insufficient Funding.*** Either party may immediately terminate this Agreement if it does not obtain funding from the Minnesota Legislature, or other funding source; or if funding cannot be continued at a level sufficient to allow for the payment of the services covered here. Termination must be by written notice to the other party's authorized representative. The Agency is not obligated to pay for any services that are provided after notice and effective date of termination. However, the BCA will be entitled to payment, determined on a pro rata basis, for services satisfactorily performed to the extent that funds are available. Neither party will be assessed any penalty if the agreement is terminated because of the decision of the Minnesota Legislature, or other funding source, not to appropriate funds. Notice of the lack of funding must be provided within a reasonable time of the affected party receiving that notice.

12 Continuing obligations

The following clauses survive the expiration or cancellation of this Agreement: 6. Liability; 7. Audits; 8. Government Data Practices; 9. Investigation of alleged violations; sanctions; and 10.Venue.

The parties indicate their agreement and authority to execute this Agreement by signing below.

Request for City Council Action

To: **Mayor Wimmer and Members of the City Council**

From: Josi Wood, Public Services Director/ Assistant City Admin.

Date: November 1, 2016

Subject: Consider Resolution Authorizing Loading Zone at 102 Dahlin Ave SE

Background:
At the October 18, 2016 City Council Meeting, City Code Chapter 227 was amended for the addition of loading zones within the City. This is to accommodate merchandise, as well as, people including patrons using identified Public Transit. A request was received from Don Howard, Isanti Villa Apartments Manager, to have a loading zone placed along Dahlin Ave SE where residents load/unload off the Heartland Express outside of their West entrance door.

DOAC Committee Recommendation:
The Development and Operations Advisory Committee met and discussed the request for a loading zone for patrons loading and unloading on the Heartland Express at Isanti Villa Apartments, 102 Dahlin Ave SE. They approve of the request.

Request:
Staff is requesting consideration from Council for the purchase and installation of unbudgeted loading signage at 102 Dahlin Ave SE. The funding source is identified as Streets- Signs (226).

Attachment:

- Res – XXX – Resolution Authorizing Purchase and Placement of Loading Zone at 102 Dahlin Ave SE

RESOLUTION NO. 2016-XXX

RESOLUTION AUTHORIZING PURCHASE AND PLACEMENT OF LOADING ZONE AT 102 DAHLIN AVE SE

WHEREAS, City Council approved the placement of commercial loading zone signs for loading of merchandise or people within the City pursuant City Code Chapter 227; and,

WHEREAS, a request has been received from the Isanti Villa Apartments Manager requesting signage identifying a loading zone for people loading and unloading off the Heartland Express outside their West Entrance door at 102 Dahlin Ave SE; and,

WHEREAS, the City would install two (2) loading only signs, approximately 20 feet apart at the identified location and mark the curb yellow during the annual City street painting; and,

WHEREAS, this is an unbudgeted expense in the amount, not to exceed, $100.00 from funding source Streets – Signs;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota hereby authorizes the following:

1. Directs City staff to order two loading zone signs.
2. Upon receipt of said signage by the City, the City Council authorizes placement of such signage along Dahlin Ave SE adjacent to the West sidewalk of Isanti Villa Apartments at 102 Dahlin Ave SE.

This resolution was duly adopted by the Isanti City Council this 1st day of November, 2016.

MEMO

To: Mayor Wimmer and City Council

From: Don Lorsung, City Administrator

Date: October 25, 2016

Subject: Statutory Liability Limits

Through the process of obtaining liability coverage for the City from the LMCIT, the City Council must elect annually whether or not to waive coverage on tort liability established by Minnesota Statutes 466.04. By not waiving coverage an individual claimant would be able to recover no more than $500,000 on any claim to which statutory tort limits apply. The total which all claimants would be able to recover for a single occurrence to which statutory limits apply would be limited to $1,500,000. This matter has been reviewed with the Finance Committee, and their recommendation is not to waive the statutory limits.

Attached for your consideration is a resolution to not waive the statutory liability limits for the City.

RESOLUTION NO. 2016-____

A RESOLUTION NOT WAIVING STATUTORY LIABILITY LIMITS FOR THE CITY OF ISANTI

WHEREAS, the City Council has reviewed its liability insurance policy and has determined that not waiving the Statutory Liability Limits for the insurance year 2017 is in the best interest of the City.

NOW, THEREFORE BE IT RESOLVED THAT THE City Council of City of Isanti, Minnesota chooses not to waive the Statutory Limits in selecting its Liability Insurance Policy for the year 2017 and authorizes staff to complete the liability waiver form.

This resolution was duly adopted by the Isanti City Council this 1st day of November 2016.

RESOLUTION NO. 2016-____

RESOLUTION OFFERING CITY ASSISTANCE TO NORTH 65 CHAMBER OF COMMERCE FOR HANGING AND REMOVAL OF WREATHS FOR HOLIDAY SEASON

WHEREAS, the North 65 Chamber of Commerce asked the City of Isanti to assist in the hanging and removal of eight wreaths in Historic Downtown Isanti for the holiday season; and,

WHEREAS, the equipment and materials necessary for the installation of the wreaths will be provided at no cost to City Staff; and,

WHEREAS, the North 65 Chamber of Commerce will be responsible for the maintenance and upkeep of the wreaths after installation; and,

WHEREAS, the wreaths will be hung from existing hooks on area businesses that have given consent; and,

WHEREAS, Public Services Director will coordinate with the North 65 Chamber of Commerce to install wreaths the week of November 7, 2016; and,

WHEREAS, the wreaths will be removed no later than January 31, 2017;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to approve Public Works assistance in the hanging and removal of wreaths for the holiday season utilizing equipment and materials provided by the North 65 Chamber of Commerce.

This Resolution hereby approved by the Isanti City Council this 1st day of November 2016.

NORTH 65
CHAMBER
OF COMMERCE

October 25, 2016

City of Isanti
110 1st Avenue NW
Isanti, MN 55040

Dear Mayor, Council and City Staff,

I would like to request the assistance of city public works to hang holiday wreaths on business buildings in the downtown area. Isanti's Home for the Holidays event is the weekend of November 12/13 and so the request is to have the wreaths up by November 11, 2016.

As in recent years, Isanti Rental has agreed to donate the use of their lift. New this year, Rebecca's Flowers is going to make new bows to replace the aging bows on the wreaths. We appreciate the partnership with the city to beautify the downtown area for the holiday shopping season.

Please contact me if you have any questions regarding this request. My direct email is melisa@north65chamber.com.

Best regards,

Melissa Bettendorf
Executive Director

Subject: Amendment to AEM Finance Director Services

In light of the new Finance Director starting with the City on November 7th, the Finance Committee met with Jean McGann, AEM Financial Solutions, to discuss the transition from contracted Finance Director Services. The need for crossover services for a two-week timeframe, and potential limited assistance thereafter was reviewed. AEM has prepared an amendment to the current Services Agreement to provide crossover services for two weeks from start of the new Finance Director, with a prorated fee based on service from November 1-18, 2016. The hourly fee is reflective of their current rates for service.

Attached is the resolution/amendment as proposed by AEM.

RESOLUTION NO. 2016-____

A RESOLUTION ACCEPTING CHANGE ORDER FOR INTERIM FINANCE DIRECTOR SERVICES

WHEREAS, Abdo Eick & Meyers LLP (AEM) is providing interim Finance Director services for the City as per the extension for Interim Finance Services accepted per City Resolution 2016-270. The proposal provided services until such time as the Finance Director position has been filled or December 31, 2016; and

WHEREAS, a Finance Director has been hired and will start with the City on November 7, 2016. AEM has submitted a Change Order to modify the extension of services to transition Financial Management Services from the firm to the new Finance Director; and

WHEREAS, the Finance Committee has met with the AEM representative and recommends acceptance of the Change Order:

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, as follows:

1. Hereby accepts Abdo Eick & Meyers LLP Change Order dated October 25, 2016 to modify the existing agreement and transition Financial Management services.

This Resolution hereby approved by the Isanti City Council this 1st day of November 2016.

Change Order Form

Don Lorsung, City Administrator
City of Isanti
110 1st Avenue North
Isanti, Minnesota 55040

Proposed by: Jean D. McGann

Change request:

Per request of City of Isanti (the City) we are modifying the terms of the Interim Financial Management Services agreement.

On August 24, 2016, the contract dated April 31, 2016 was extended to December 31, 2016. Due to the City hiring a full-time Finance Director, the City and AEMFS have determined it is in the best interest of the City to modify the terms of the amended agreement. Such terms are modified to state that the City will be invoiced at an hourly rate rather than a monthly fixed rate.

This modification will take effect on November 21, 2016. AEMFS will pro-rate the fixed fee from November 1 - November 18, 2016. The monthly fixed fee is $11,750. For services between November 1 and November 18, 2016, the City will be invoiced the pro-rated amount of $7,475. The hourly rate will be effective on November 21, 2016.

The investment by the City is outlined below

Contractor's Employee	Hourly Rate
Gayle Bauman, Client Services Manager	$185
Client Services Accountant	$145

Reason for requiring the change order: City hired full-time Finance Director
Nature of work to be performed: Financial Management Services
Contract modification: Modified contract from fixed fee to hourly rate effective November 21, 2016.

Estimated cost of change/ additional work:

Effective November 21, 2016, the City of Isanti will be billed based on the hourly rate outlined above. The terms and conditions of payment will be the same as in the original contract.

RESOLUTION NO. 2016-XXX

RESOLUTION APPROVING AN EXTENDED LEAVE FOR PUBLIC WORKS TECHNICIAN JAKE PUDLICK

WHEREAS, Public Works Technician Jake Pudlick was injured while serving at training for the Minnesota Air National Guard on October 15, 2016 and subsequently has been unable to return to work at the City since October 17, 2016; and

WHEREAS, Pudlick was informed that surgery will be required for his injury; and,

WHEREAS, between medical opinions and military orders Pudlick may be off of work for up to six months; and

WHEREAS, per the Personnel Policy, leave without pay over thirty calendar days must be approved by the City Council (up to a maximum of one year); and

WHEREAS, Pudlick is requesting between three months and up to six months of extended leave contingent upon his recovery.

NOW THEREFORE BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ISANTI, MINNESOTA AS FOLLOWS: To approve Jake Pudlick's extended leave for up to six months beginning October 17, 2016.

This resolution was duly adopted by the Isanti City Council this 1st day of November, 2016.

CITY OF ISANTI
PARKS, RECREATION, AND CULTURE BOARD
MEETING MINUTES
October 25, 2016
Isanti City Hall and River Bluff Preserve

1. Meeting Opening.

A. Call to Order.
Zdon called the meeting to order at 6:00 p.m.

B. Pledge of Allegiance.
Everyone stood for the Pledge of Allegiance.

C. Roll Call.
Members Present: Jennifer Garvey, Mayor Wimmer, James Witte, and Aaron Zdon
Staff Present: Katie Everett, Community Events and Parks Coordinator

D. Agenda Modifications.
Zdon asked if there were any agenda modifications. There were none.

Motion by Wimmer, second by Witte to approve the October 25, 2016 Parks, Recreation, and Culture Board Agenda. Motion was unanimously approved.

2. Approval of Minutes from September 27, 2016 Parks, Recreation and Culture Board Meeting.

Motion by Wimmer. Second by Garvey. Vote was unanimously approved.

3. Tour of River Bluff Preserve

The group drove to River Bluff Preserve and walked the trails.

Wimmer explained on the walk out that the project to get vehicle traffic at Legacy Park stopped near the sign can continue. The bank was becoming uncooperative, but in further reviewing the easements that have been set for the property, the city has the permission it needs to move forward already. The temporary easement will stand until development begins on those parcels.

Mayor Wimmer and Everett explained how the trails were laid out and that the trails from the park connect through Martin's Landing up to the Isanti Middle School. Wimmer explained that Dan Golner from the MN DNR would like to see some signage at the bottom of the stairs that lead down to the river to indicate that it is a DNR approved project. Everett explained that she has contacted Golner about specifics for that signage and was told that he needs to meet with some people first and will get back to us when they have discussed it. At the bridge, Wimmer explained that there was some confusion with Golner about the bridge that we are using, but he and Everett believe that it will be allowed to stay. Everett explained that our goal is to get some longer ramps next year to help people get to the dock without having to go through so much mud. There was discussion about how well-used the bridge has been. Everett and Wimmer explained that the bridge has been used regularly since it was installed; Zdon and Witte stated that they have both seen kids heading that way with fishing poles on a regular basis as well. Garvey asked what the gates at the ends were there for; Everett explained that they are meant to keep ATVs off but are still wide enough for ADA accessibility. Wimmer also pointed out some areas along the trails north of the bridge where the ATVs have caused erosion issues; the city has installed bollards along

the trails to keep ATVs out which should help to stabilize these areas. Since those bollards have gone in, the ATV traffic seems to have declined greatly. The group walked back to the community garden via the switchback trail. Wimmer stated that Golner (DNR) also wanted more grass along this trail, but that has been a challenge with continued flooding this year. The upper portion of the switchback does have some grass starting to grow in.

4. Community Garden – Review and Updates for 2017

Everett stated that she would let the members read the memo for the majority of the updates to save some time, but there were a few points to bring up. The registration for this year was open to everyone from February 9 to June 1; however, there are many gardeners who would like to return next year to their same plots. In brainstorming with other staff, Everett recommended that there be three windows: February 6 to 10 for returning gardeners to reserve the same plots, February 13 to 17 for returning gardeners to reserve new plots, and February 18-June 1 open to everyone. Garvey questioned that if this system was in place, one person could potentially hold the same plot for several years. Wimmer explained that the goal is for people to be able to build the soil in consecutive years and to be able to feel some investment in their plots. The group discussed the schedule; Wimmer made a motion, Witte seconded to approve the recommended registration schedule for 2017.

Everett also asked the group to discuss what, if anything, should happen if someone does abandon their plots early in the year. Wimmer stated that the only way to collect any monetary fee would be to send someone through the civil court system or to assess their taxes, both of which would end up having much more money tied up in them. Everett asked if those things would be worth it and the group agreed that they would not. Garvey stated that those cases will likely be rare, as well. Everett stated that next year we will have our own tiller so that kind of maintenance will be easier. Garvey stated that she thought the best option would be to state clearly in the application language that people are responsible for their plots through a certain date. That said, things do come up in people's lives, so we should also state that if for some reason someone is no longer able to maintain their plot, they should let us know. In addition, as a consequence to someone who does not abide by these rules, an option is to not allow them to reserve a plot the next year. Everett stated that she thought that was a great idea, and asked if it would be for just the next year that they couldn't reserve a plot; Garvey stated that she would recommend that the language state the next year and then it could be reviewed if that became necessary. The group agreed that this would be a good plan moving ahead.

5. Tot Lot Renaming Contest

Everett stated that the city received three applications within the contest timeline and an email after the window closed. Garvey stated that she thought the late email entries should not be considered. Zdon agreed. Everett stated that the options then were "Hidden Adventure Park," "Isanti Hills Neighborhood Park," and "Viking Park." Zdon stated that he had preference from the options already. Wimmer asked him which one he liked best; Zdon stated that he liked Isanti Hills Neighborhood Park because that is the name of the development. The group agreed that they liked that option as well. Garvey made a motion and Witte seconded to recommend that the Isanti Tot Lot park be renamed the Isanti Hills Neighborhood Park. Garvey asked if we have any other parks that are named "neighborhood" parks. Wimmer stated that no, we don't. Zdon stated that he thought adding neighborhood into the name might help to create a sense of ownership for the people living there and help them connect to it. Garvey asked if there were delineations for what a neighborhood park could be. Everett stated that our comp. plan does define neighborhood parks, but thought that Tot Lot would fit within that definition. Wimmer stated that it would and that a neighborhood park is one that is accessible to residents without having to cross a major road. The group agreed that the benefit of calling it a neighborhood park was enough to keep it included in the name.

6. Parks Updates

Everett stated that the first movie night was a success, there were about 30 people there and the volunteer group came from St. Scholastica Academy. There are now six of the seven dates full for volunteer groups, and November is the only one open. Everett explained that St. Scholastica was the first group to get their application in and said they would cover additional nights if they didn't fill so Everett told them that if she didn't fill November by the end of this week, she would let them know so they could to that night too. The members said that was a good idea.

Everett stated that the Bike Isanti County Committee meeting is scheduled for November 2 and she has gone through the existing comp plan that they will need. Everett explained that she would like the group to talk about how the plan should be updated. Wimmer stated that it depends on what they wanted to update; if they just wanted to redo what was there or totally rewrite it. He also explained that the City comp plan will be redone in the next couple of years and it might make sense for the parks one to be done at the same time so they work together and mirror each other. The group agreed that this would make sense. Everett asked that if for now she could just make notes on the current plan to give to the county with updates of existing parks and projects in the works. Wimmer said yes.

Wimmer also stated that in the process of the county initiative for a master plan, there have been some ideas of rolling the Cambridge-Isanti Bike/Walk Trail committee into the Bike Isanti County. He said he would push back against this because of how much the cities have invested in the trail and the current system for maintaining the trail is working great. He would not want the trail to be handed over to the county. If there are additions to the trail that are developed and maintained by the county, that would be different.

Everett stated that the city has also been working with the Arts and Science Academy on the park that will be going in over there, and the last update she received was that the school was going to submit plans without a gym, but the rest of the agreements that were being developed would be the same. Wimmer stated that the school has been thinking about adding on a high school or a middle school/high school combination building to the north. This might be why they don't want to add the gym to the building they have. He is not sure how far they are in that process, but there would be a lot of planning that would be required on behalf of the school for plats, beyond just the school itself, that would need city approval. The discussion is ongoing.

Everett explained that the Bluebird climber equipment should be shipped this week. Mike from St. Croix has offered to come up personally to make sure it gets installed and has been great to work with in this process. Zdon asked if the company also did skate park equipment. Everett stated that she did not know, but it's possible. Zdon stated that he would look them up online. Zdon asked if the skate equipment was still going to be taken down this year, and Everett stated that she had not been informed of that plan changing but Public Works has been very busy with other projects. Zdon stated that it's good that it's still up now because we've still had great weather and it's still being used.

7. Adjournment

Motion by Witte, second by Wimmer to adjourn the October 25, 2016 meeting of the Parks, Recreation, and Culture Board. Motion was approved.

The meeting adjourned at 7:04 p.m.

Dated at Isanti, Minnesota this 25th day of October, 2016.

Respectfully submitted,

Katie Everett

N. Closed Session

1. City Administrator Performance Review

The City Council will resume in open session following each or any Closed Session matter. After reopening the meeting the Council may take such action, if any as it deems appropriate pertaining to the matter discussed in closed session.

Adjournment

F.1.

CITY OF ISANTI
CITY COUNCIL MEETING
TUESDAY, NOVEMBER 1, 2016 – 7:00 P.M.
CITY HALL

Mayor Wimmer called the meeting to order at 7:00 p.m.

The Pledge of Allegiance was recited.

Members Present: Mayor George Wimmer, Councilors: Paul Bergley, Dan Collison and Ross Lorinser

Members Absent: Councilors Steve Lundeen

Staff Present: City Attorney Clark Joslin, City Administrator Don Lorsung, Human Resources/ City Clerk Lindsey Giese, Police Chief Gene Hill, City Engineer Brad DeWolf and Economic Development Director Sean Sullivan

Others Present: K Courneya, MB Pieper, J Harris, A Maxwell, M Bettendorf, E Wissler, B T.L. Davis, B Davis, T Tawyea, CJ Davis

D. Adopt Agenda
Motion by Lorinser, second by Collison to approve the agenda. Motion carried unanimously.

E. Proclamations/Commendations/Certificate Awards
None

F. Approve City Council Minutes
1. October 18, 2016 - Regular Meeting of the City Council

Motion by Lorinser, second by Collison to approve the 10/18/16 City Council Minutes. Motion carried unanimously.

G. Citizens Input
James Harris, 459 3rd Ave N, approached the podium in regards to a questionnaire, frequency of well-testing, and a pothole he felt was of concern located near the Mobile Gas Station off of County Road 5.

H. Announcements

1.	Planning Commission Meeting	Wednesday, November 9, 2016 at 7:00 p.m.
2.	CITY OFFICES CLOSED	Friday, November 11, 2016
	(In observance of the Veteran's Day)	
3.	Canvass Board Meeting	Tuesday, November 15, 2016 at 6:50 p.m.
4.	City Council Meeting	Tuesday, November 15, 2016 at 7:00 p.m.
5.	Parks, Recreation and Culture Board Meeting	Tuesday, November 22, 2016 at 6:00 p.m.
6.	CITY OFFICES CLOSED	Thursday & Friday, November 24 & 25, 2016
	(In observance of the Thanksgiving holiday)	

I. Council Committee Reports
Mayor Wimmer informed the Council that the City Municipal Liquor Store is now ranked 14th in the State for sales profitability. Previously, in 2010 we were ranked 70th. The Mayor believes this is due to the management of John Jacobi and the process improvements he has implemented with the store. This is a real significant

improvement. Councilor Lorinser also added that in 2010 we were 44th in gross sales ranking among all the liquor stores in the state and 43rd in 2015, so our sales have increased slightly. In that same time, five stores closed and in 2010 the City was contemplating closing or selling the store. Jacobi has reduced the operating expense by about $20,000 since 2010. Lorinser commended Jacobi and stated that this is a very good testament to how well the store is doing.

J. Public Hearings

K. Business Items

1. Discussion Regarding Appeal for Revocation of Solicitor Permit for RG Enterprises, Inc. *(Mike Gerber)*

Business Owner of RG Enterprises, Inc., Mike Gerber addressed the Council and explained he has received copies of two police reports. He stated that Brandon Wieland has been employed with him for a year and Mike Sanchez has been with him for four months. He does background checks on all his employees. Kirby Vacuums has been around for a long time and the company only allows them to sell one way, and that is door to door. Mr. Gerber read a list of satisfied customers. He stated that if they get revoked in any City, that they have to report it, and that this would be the first time. Mayor Wimmer stated that he had first-hand experience with a rude salesman, and provided feedback that has been received from citizens. Mr. Gerber questioned the Council by asking if he would get the permit back or not.

Motion by Lorinser to not return the Solicitor Permit, second by Collison. Motion carried unanimously.

City Administrator Don Lorsung

2. **Annual Review of Snow Plowing Policy – Resolution 2016-318 and Exempt Sidewalks from Snow Removal – Resolution 2016-319**

Motion by Lorinser, second by Bergley. Motion carried unanimously.

3. **Resolution 2016-320 Amending the Procedure for Annual Walk Through of Building on City Property**

Motion by Lorinser, second by Bergley. Motion carried unanimously.

4. **Resolution 2016-321 Authorize Renaming of Isanti Tot Lot to Isanti Hills Neighborhood Park**

Motion by Collison, second by Bergley. Motion carried unanimously.

City Engineer Brad DeWolf

5. **Consider Resolution 2016-322 Authorizing Pink Water Monitor, ORP Probe for Water Treatment Plant**

Motion by Lorinser, second by Collison. Motion carried unanimously.

6. **Consider Resolution 2016-323 Authorizing Sodium Hypochlorite Feed System for Water Treatment Plant**

Motion by Lorinser, second by Collison. Motion carried unanimously.

L. Approve Consent Agenda

1. Consider Accounts Payable in the Amount of $146,483.49 and Payroll in the amount of $107,981.18
2. Final Meeting Minutes for the September 27, 2016 Parks, Recreation and Culture Meeting
3. **Resolution 2016-324** Approving an Exempt Gambling Permit to the Cambridge-Isanti Red Line Hockey Club
4. **Resolution 2016-325** Demonstrating Support for the Isanti County Sheriff's Department Improvements

5. **Resolution 2016-326** Authorizing Contribution to Minnesota Economic Development Foundation (MNEDF)
6. **Resolution 2016-327** Approving a Check Be Written to Friends of St. Scholastica for Volunteering at the Community Movie Night
7. **Resolution 2016-328** Approving State of Minnesota Joint Powers Agreements with the City of Isanti on Behalf of Its City Attorney and Police Department
8. **Resolution 2016-329** Accepting Loading Zone at 102 Dahlin Ave SE and Authorizing Purchase and Placement of Loading Zone Signs
9. **Resolution 2016-330** Not Waiving Statutory Liability Limits for the City of Isanti
10. **Resolution 2016-331** Approving City Assistance with Downtown Wreath Hanging
11. **Resolution 2016-332** Accepting Change Order for Interim Finance Director Services
12. **Resolution 2016-333** Approving Extended Leave for Public Works Technician Jake Pudlick

Motion by Lorinser, second by Bergley. Motion carried unanimously.

At 7:21 p.m. Mayor Wimmer announced that the Council would go into a brief recess, to clear the Chambers, and that Council would then go into closed session to discuss a personnel matter.

N. Closed Session

1. Discussion Regarding Personnel Matter

At 7:22 p.m. the City Council went into a closed session.

O. Open Session

At 7:31 p.m. Council came out of closed session. Mayor Wimmer requested that City Attorney Clark Joslin provide a summary of the closed session. City Attorney Joslin stated that at approximately 7:22, City Council went into closed session. He informed the Council that the purpose of the closed session was to discuss a proposed settlement of a grievance regarding tuition reimbursement under the Law Enforcement Labor Services contract. The dispute involved whether particular courses should be reimbursed and whether they were reasonably related to the enhancement of the skills for the position of Police Officer. Following the mediation, a settlement agreement was reached that provided for the resolution of the matter in a way that both the officer involved, Officer Valerie Zeman, and the City could get the matter resolved without proceeding to the next step, which would be arbitration. Legal Counsel from the Labor Council Office of Frank Madden, Susan Hansen, recommended approval of the settlement agreement and felt that it was a reasonable resolution to the matter. Following discussion among the Council and Labor Attorney, Susan Hansen, the matter has now come back to open session.

Motion by Lorinser to approve the Settlement Agreement, second by Bergley. Motion carried unanimously.

Adjournment

Motion to adjourn by Bergley, second by Lorinser. Motion carried. The meeting was adjourned at 7:33 p.m.

Respectfully Submitted,

Janice Lutterman
Administrative Data Clerk

K.1.

Request for City Council Action

To: Mayor Wimmer
Members of the City Council

From: Katie Everett
Community Events and Parks Coordinator

Date: November 15, 2016

Subject: A Resolution Approving 2017 Community Garden Registration Schedule

---

Background:
Staff have been working to review the first season of the Isanti Community Garden. The gardeners were sent an online survey to offer feedback on their experiences, and an end-of-season meeting was held for in-person feedback. The response to the garden was largely positive, and many gardeners are excited to return next year.

Parks, Recreation, and Culture Board Recommendation
At the October 25, 2016 Parks, Recreation, and Culture Board meeting, the registration schedule for 2017 was discussed. In order to allow gardeners to develop their garden plots and build the soil, many gardeners have already asked about how they can reserve the same plots next year. To accomplish this, the PRC Board has recommended a registration schedule with three separate periods. The first period would be for returning gardeners reserving the same plots, the second for returning gardeners reserving new plots, and the final (and longest period) would be open to everyone wanting to reserve any plot. For 2017, the dates would be as follows:

- February 6-10: returning gardeners reserving the same plots
- February 13-17: returning gardeners reserving new plots
- February 18-June 1: open registration

Staff Request:
Staff is requesting that City Council approve the registration schedule for 2017.

Attachments:
- Resolution 2016 - XXX

RESOLUTION NO. 2016-XXX

A RESOLUTION APPROVING 2017 COMMUNITY GARDEN REGISTRATION SCHEDULE

WHEREAS, a community garden was constructed in Spring 2016; and,

WHEREAS, members of the community are allowed to rent ground plots or raised bed spaces; and,

WHEREAS, gardeners from the first season were surveyed and indicated that they would like to return the following year; and,

WHEREAS, returning gardeners would benefit from gardening the same plots in successive years; and,

WHEREAS, the Parks, Recreation, and Culture Board has recommended three registration periods;

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Isanti, Minnesota to hereby approve three separate registration periods for the Isanti Community Garden as follows:

- Returning gardeners reserving the *same* plots may begin registering February 6-10, 2017
- Returning gardeners reserving *new* plots may begin registering February 13-17, 2017
- Open registration beginning February 18 and closing June 1, 2017.

Adopted by the Isanti City Council this 15th day of November, 2016.

Request for City Council Action

To: Mayor Wimmer
Members of the City Council

From: Roxanne Achman
Community Development Director

Date: November 15, 2016

Subject: A Resolution Setting a Public Hearing to Annex a 41.99-acre parcel in Athens Township as Requested by Brennan and Rebecca Cox.

Background

Brennan and Rebecca Cox, owners of a 41.99-acre parcel south of the Isanti city limits on Polk St NE, have petitioned the City to be annexed. Their parcel touches Isanti City limits in the northwest corner of their property. The request for annexation for future business creation and city services.

Petitioned annexations require a 30-day notice prior to the public hearing. Notices will be sent to adjacent property owners, Athens Township and the Municipal Boundary Adjustment Unit by certified mail.

Staff Request

Set a public hearing for Tuesday, December 20th, 2016.

CITY OF ISANTI
COUNTY OF ISANTI
STATE OF MINNESOTA

RESOLUTION NO. 2016-

A RESOLUTION SETTING A PUBLIC HEARING FOR ANNEXATION

THE CITY COUNCIL OF THE CITY OF ISANTI, MINNESOTA DOES HEREBY RESOLVE AS FOLLOWS:

WHEREAS, the City Council of the City of Isanti pursuant to Minnesota Statute 414.033 desires to consider the annexation of the property legally described as:

That part of the Northeast Quarter (NE1/4) of Section Six (6), Township Thirty-four (34), Range Twenty-three (23), lying Easterly of the Easterly right-of-way line of the Burlington Northern Railway (formerly the Easter Railway Company of Minnesota), excepting therefrom that part of said NE1/4 of Section 6, described as follows: Commencing at the Northeast corner of the Southeast Quarter of the Northeast Quarter (SE1/4 of NE1/4) of said Section 6; thence South along the East line of said Section 6, a distance of 208.7 feet for the point of beginning of the exception to be herein described; thence West and parallel to the North line of said Section 6 and to the Easterly right-of-way of said Burlington Northern Railway; thence Southerly following the Easterly line of said railroad right-of-way and to the South line of the NE1/4 of said Section 6; thence Easterly along the south line of the NE1/4 of said Section 6 to the Southeast corner thereof; thence North along the East line of the NE1/4 of said Section 6 to the point of beginning and there to terminate,

Except the Northerly 243.75 of the Southerly 428.10 feet of the Easterly 547.29 feet and the Southerly 238.35 feet of the Easterly 592.87 feet.

NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ISANTI, COUNTY OF ISANTI, MINNESOTA:

1. The Council will consider the annexation of such property and a public hearing shall be held on such proposed annexation on the 20th day of December 2016, before the City Council in the City Hall located at 110 First Avenue NW at 7:00 p.m.
2. The City Clerk is hereby directed to give published, posted and mailed notice of such hearing as required by law.

Passed by the City Council this 15th day of November 2016.

Request for Council Action

To: Mayor Wimmer
Members of the City Council

From: Roxanne Achman
Community Development Director

Date: November 15, 2016

Subject: Request from O'Reilly Auto Enterprises, LLC, for Site Plan and Building Appearance approval of a Retail Auto Parts Store on the property located at 101 6th Ave NE, legally described as Lot 2, Block 1, Isanti Commons Second Addition, Isanti, Minnesota.

Background

O'Reilly Auto Parts is requesting Site Plan and Building Appearance Approval of a 7,453sf building on a 1.89 acre lot zoned "B-2" General Business District. An auto parts store is a permitted use within the B-2 District. The submitted plans generally meet all code requirements. All items not meeting code are listed below and have been sent back to the developer for revisions in order to meet code.

The following is a list of items that have been reviewed and are considered complete:

1. All building and parking setbacks are met.
2. Parking: 30 stall required, 41 provided. Includes 2 handicapped. Stall meet required dimensions. Aisles meet requirements.
3. Bicycle parking is shown. *(see item 2 below).*
4. Building height: One story
5. Impervious surface: 34.4% (permitted up to 75%)
6. Landscaping: 17 trees (Autumn Maple, Black Hills Spruce, Bur Oak and Honeylocust. The parking lot and driveways are lined with shurbery. *(see item 5 & 6 below).*
7. Exterior: The majority of the building is split face block (decorative concrete block) in two different colors. The main entrance area is EIFS/Stucco. All materials are permitted. *(see item 3 & 4 below).*
8. Trash area is properly screened.
9. Sidewalk is shown on perimeter of property.
10. Lighting meets requirements.
11. Sign location and size (pylon only) meets requirements (will require separate approval via sign permit).

Items that need to be addressed:

1. Change address on plans to the correct address of: 101 6th Ave NE
2. Indicate the type of bike rack to be installed. Must have two-points of support and accommodate a U-shaped locking device. (*Section 17, Subdivision 14 (C)*)
3. Submit colored renderings of the exterior.

4. Roof-top mechanical equipment is to be screened unless it is low-profile, self-contained units which blend in with the building architecture. Provide visuals to show screening or how equipment will blend in. (*Section 18, Subdivision 8 (B)*)
5. Hydro-seeding is not permitted. All landscaped areas must have sod and be irrigated. (*Section 15, Subdivision 5, B. General Requirements (6)(a)* and *Section 15, Subdivision 5, D. Non-Residential Requirements (5)*)
6. Shift trees on the southern boundary slightly to the north to bring them out of the drainage and utility easement.
7. Pole sign location is approved; however, official approval of the sign appearance and size will be reviewed and approved through the sign permit application process.
8. Address all City Engineer comments.

Development and Operations Advisory Committee Recommendations

The Development and Operations Advisory Committee reviewed the item at their regularly scheduled meeting held on October 20th, 2016. The committee members had the following comments/recommendations regarding the proposal:

Address comments as outlined by the Community Development Director and the City Engineer.

Staff Recommendation:

Staff recommends approval of the site plan subject to successfully addressing the review comments provided by the Community Development Director and the City Engineer.

Comprehensive Plan

The purpose of this (the General Business District) category is to identify portions of Isanti that contain or should be developed for general commercial use. Examples may include highway oriented businesses such as fast food restaurants, convenience stores, gas stations and other auto-oriented businesses. Limited office and service uses are appropriate in these areas as well, depending on scale and location.

Much of this land use is located along the Highway 65 corridor and CSAH 5. General Commercial is the largest commercial land use designation. These uses are predominantly auto-oriented in terms of access and services. Design of both site and buildings are important to maintaining a thriving commercial base. In addition, commercial businesses not located at major intersections should remain small scale, and provide services primarily to the surrounding neighborhood. Also, the architecture and site design of all commercial areas must be compatible with the surrounding neighborhood and landscape. Such issues as building size, location on the lot, building materials, screening and other design issues are important.

Zoning Ordinance Provisions

The property is zoned "B-2" General Business District. It is the intent of this zoning district to promote the development of commercial uses which are predominately auto-oriented in nature. The district caters to highway-oriented businesses as well as businesses that provide basic shopping and service needs for the community. Compatibility with adjacent uses and buildings is required within the district, as site design, building size and materials, and screening/landscaping are important to the creation and maintenance of a thriving commercial base.

Site Plan Review Requirements

Prior to the construction of any new building or addition to a building that expands or changes the use of the building or parcel of land or modifies a building, accessory structure or site or land feature in any manner which results in a different intensity of use, including the requirement for additional parking or the enlargement of a building by more than 10% of its gross floor area would require a Site Plan/Building Appearance Review. When evaluating a site and building plan; Section 18, Subdivision 7 of the Zoning Ordinances states that City staff and the City Council must consider its compliance with the following:

A. Consistency with the elements and objectives of the City's development guides, including the comprehensive plan.
B. Consistency with City Codes.
C. Preservation of the site in its natural state to the extent practicable by minimizing tree and soil removal and designing grade changes to be in keeping with the general appearance of neighboring developed or developing areas.
D. The amount and location of open space and landscaping.
E. Vehicular and pedestrian circulation, including walkways, interior drives, and parking in terms of location and number of access points to public streets, width of interior drives and access points, general interior circulation, separation of pedestrian and vehicular traffic and arrangement and amount of parking.
F. Protection of adjacent and neighboring properties through reasonable provision for surface water drainage, sound and sight buffers, preservation of views, light and air and those aspects of design not adequately covered by other regulations which may have substantial effects on neighboring land uses.
G. Consistency with the City's Engineering Design Standards as adopted by Resolution of the City Council.

Certification of Taxes Paid

Prior to approving an application for Site Plan approval, certification must be provided to the City that there are not any delinquent property taxes, special assessments, penalties, interest, or outstanding municipal utility fees. City staff did verify with Isanti County on Tuesday, October 27, 2016; that all taxes associated with the property were current.

Public Notice

Notice was published within the Isanti County News on October 26th, 2016. Written notification was provided to property owners located within 350' of the subject site as required by Minnesota State Statute.

Public Comment

To date, no public comment or questions had been received.

Planning Commission Recommendation:

Motion by Kennedy second by Bergley to recommend approval of the request from O'Reilly Auto Enterprises, LLC, for Site Plan and Building Appearance approval of a Retail Auto Parts Store on the property located at 101 6th Ave NE, legally described as Lot 2, Block 1, Isanti Commons Second Addition, Isanti, Minnesota based on the Findings of Fact and Conclusions and with the following conditions:

1. Revisions to the plans based review comments from the Community Development Director and City Engineer.

Motion carried unanimously.

Deadline for City Council Action

The City of Isanti received a complete application for the Site Plan/ Building Appearance Review request on October 6, 2016. Pursuant to Minnesota State Statute, the City must act on this request by December 5, 2016 (60 days). The only exception to these deadlines provided would be if the City provides the petitioner with written reasons for an additional 60-day review period.

Options & Proposed Motion Language

1. Recommend Approval with No Conditions: Motion to recommend approval of the request from O'Reilly Auto Enterprises, LLC, for Site Plan and Building Appearance approval of a Retail Auto Parts Store on the property located at 101 6th Ave NE, legally described as Lot 2, Block 1, Isanti Commons Second Addition, Isanti, Minnesota.

2. Recommend Approval with Conditions: Motion to recommend approval of the request from O'Reilly Auto Enterprises, LLC, for Site Plan and Building Appearance approval of a Retail Auto Parts Store on the property located at 101 6th Ave NE, legally described as Lot 2, Block 1, Isanti Commons Second Addition, Isanti, Minnesota with the following conditions……
3. Recommend Denial: Motion to recommend denial of the request from O'Reilly Auto Enterprises, LLC, for Site Plan and Building Appearance approval of a Retail Auto Parts Store on the property located at 101 6th Ave NE, legally described as Lot 2, Block 1, Isanti Commons Second Addition, Isanti, Minnesota for the following reasons…….
4. Table: Motion to table the request from O'Reilly Auto Enterprises, LLC, for Site Plan and Building Appearance approval of a Retail Auto Parts Store on the property located at 101 6th Ave NE, legally described as Lot 2, Block 1, Isanti Commons Second Addition, Isanti, Minnesota (a specific reason and information request should be included in the motion to table).

- US1 – Utilities Site Plan

RESOLUTION NO. 2016-

A RESOLUTION APPROVING THE SITE PLAN/BUILDING APPEARANCE FOR O'REILLY AUTO PARTS TO BE CONSTRUCTED ON THE PROPERTY LEGALLY DESCRIBED AS LOT 2, BLOCK 1, ISANTI COMMONS SECOND ADDITION, ISANTI COUNTY, MINNESOTA

WHEREAS, O'Reilly Auto Enterprises LLC currently own the property legally described as Lot 2, Block 1, Isanti Commons Second Addition; and,

WHEREAS, O'Reilly Auto Enterprises is requesting Site Plan/Building Appearance approval to allow for the construction of an Auto Parts store on the property at 101 6th Ave NE; and,

WHEREAS, the property is located within the "B-2" General Business District; and,

WHEREAS, following publication, posted and mailed notice thereof, the City of Isanti Planning Commission conducted a public hearing on the proposed Site Plan on November 9th, 2016; and,

WHEREAS, the City of Isanti Planning Commission recommended approval of the proposed Site Plan/Building Appearance based upon the Findings of Fact and Conclusion as presented; and,

WHEREAS, the City Council reviewed the requested Site Plan/Building Appearance at its regularly scheduled meeting on November 15th, 2016; and,

WHEREAS, the City Council of the City of Isanti has determined that the Site Plan/Building Appearance meets the ordinance requirements necessary for granting approval; and,

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ISANTI, MINNESOTA, that it adopts the Findings of Fact and Conclusion related to the requested Site Plan/Building Appearance review for the construction of an Auto Parts store to be located on the property at 101 6th Ave NE, legally described as Lot 2, Block 1, Isanti Commons Second Addition, and is hereby approved with the following conditions:

1. Revisions to the plans based review comments from the Community Development Director and City Engineer.

Adopted by the Isanti City Council on this 15th day of November 2016.

Attest: _____
Mayor George A. Wimmer

_____
Lindsey Giese
Human Resources/City Clerk

(SEAL)

FINDINGS OF FACT AND CONCLUSION

Request

Request from O'Reilly Auto Enterprises, LLC, for Site Plan and Building Appearance approval of a Retail Auto Parts Store on the property located at 101 6th Ave NE, legally described as Lot 2, Block 1, Isanti Commons Second Addition, Isanti, Minnesota.

Findings of Fact

1. The applicant O'Reilly Auto Enterprises, LLC, submitted an application for Site Plan Review of an Auto Parts store to be located at 101 6th Ave NE, legally described as Lot 2, Block 1, Isanti Commons Second Addition.
2. The property is zoned "B-2" General Business District. In which, the use is permitted.
3. Any new building or addition to a building that expands or changes the use of the building or parcel of land or modifies a building, accessory structure or site or land feature in any manner which results in a different intensity of use, including the requirement for additional parking or the enlargement of a building by more than 10% of its gross floor area requires a site plan/ building appearance approval.
4. The proposed new use would meet the requirements as noted within the Zoning Ordinance for requiring site plan/building appearance approval prior to construction.
5. The applicant would appear to have met the requirements for approving the construction of a retail store, as stipulated in Section 7 Business Districts, Article 2, Subdivision 2 Permitted Uses, (P).
6. A complete application was received on October 6, 2016 and a public hearing date before the Planning Commission was scheduled for November 9, 2016.
7. Notice of the Site Plan Review request was published within the Isanti County News on Wednesday, October 26th, 2016. Notices were sent to all property owners located within 350 feet of the subject property.

Conclusions

1. In review of the standards established in Section 18, Subdivision 7, the following conclusions have been made (*conclusions to each requirement are shown in underlined italics)*:
   - A. Consistency with the elements and objectives of the City's development guides, including the Comprehensive Plan.
     The proposal would appear to be consistent with the elements and objectives of the City's development guides and the Comprehensive Plan. The use is consistent with the intent of the Comprehensive Plan designation.
   - B. Consistency with City Codes.
     A review of the proposal against zoning ordinance requirement has been completed. The requirements would appear to have been met by the proposal as presented for the site plan review. Any deficiencies or inconsistencies with ordinance requirements have been noted.
   - C. Preservation of the site in its natural state to the extent practicable by minimizing tree and soil removal and designing grade changes to be in keeping with the general appearance of neighboring developed or developing areas.
     The site will be preserved to the fullest extent possible. Existing trees will remain in the berm and additional trees and shrubs will be added to the site.
   - D. The amount and location of open space and landscaping.

The amount of landscaping will meet code and open space requirements will be met. Sod and irrigation is required on all disturbed areas of the lot. Revisions have been requested.

E. Vehicular and pedestrian circulation, including walkways, interior drives, and parking in terms of location and number of access points to the public streets, width of interior drives and access points, general interior circulation, separation of pedestrian and vehicular traffic and arrangement and amount of parking.
Vehicular and pedestrian circulation will meet the site requirements. Sufficient onsite vehicle and bicycle parking are provided on site. Access points and drive aisles meet the requirements.

F. Protection of adjacent and neighboring properties through reasonable provision of surface water drainage, sound and light buffers, preservation of views, lights, and air and those aspects of design not adequately covered by other regulations which may have substantial effects on neighboring land uses.
The drainage/grading have been reviewed by the City Engineer. Changes are necessary prior to approval. A lighting plan has been reviewed and approved.

G. Consistency with the City's Engineering and Design standards as adopted by Resolution of the City Council.
The City Engineer's comments are to be addressed and approved prior to the issuance of a building permit.

Decision
The Planning Commission reviewed the request in a public hearing on November 9th, 2016. The meeting minutes, staff memo, and attachments shall be made a part of the Findings of Fact and Conclusion.

Planning Commission Recommendation:
Motion by Kennedy second by Bergley to recommend approval of the request from O'Reilly Auto Enterprises, LLC, for Site Plan and Building Appearance approval of a Retail Auto Parts Store on the property located at 101 6th Ave NE, legally described as Lot 2, Block 1, Isanti Commons Second Addition, Isanti, Minnesota based on the Findings of Fact and Conclusions and with the following conditions:

1. Revisions to the plans based review comments from the Community Development Director and City Engineer.

Motion carried unanimously.

MEMORANDUM

Date: October 12, 2016

To: Roxanne Achman, Community Development Director

From: Bradley C. DeWolf, P.E.

Subject: O'Reilly Auto Parts Site Plan & Hydraulics Review
City of Isanti, MN

We have reviewed the site plan for the proposed O'Reilly Auto Parts building created by Smith-Goth Engineers, Inc. with a signature date of July 29, 2016.

The site plan includes a proposed building with a new parking lot and storm water pond located at the intersection of TH 65 and Broadway Street SE, on the south side of Coborn's Grocery Store.

We have reviewed the submitted site & grading plan and have the following comments:

1. General Comments:
    a. The City street storm drainage flows through the proposed storm pipes and into the proposed pond. A drainage and utility easement will need to be established over these storm system elements.
    b. A long term pond maintenance plan needs to be created and submitted.
    c. Add 6' wide sidewalk along the west side of 6th Avenue and along the north side of Broadway Street extending the existing walk from the north.
    d. The proposed site looks like it is set relatively low compared to the existing grade. Would it be beneficial to raise the entire site up 1-3 feet to avoid added over curb flow from the TH 65 ditch runoff and to save on hauling out excess material?

2. Sheet C4:
    a. Extending the gravity sanitary sewer main to a depth of 4 feet doesn't benefit grade or freeze issues. We recommend running the force main to the existing gravity manhole in the boulevard at a minimum depth of 7.5 feet.
    b. Provide a detail showing how the forcemain will connect to the structure and how it will be insulated when under 7.5 feet of cover.
    c. The existing manhole is located in the valley gutter entrance to Coborn's. Include the removal & replacement of this portion of the entrance as well as the pedestrian ramp in these plans as well as any street curb & gutter needed to be removed to construct the service line.
    d. Detail 4 – We use a Neenah 1733 Casting with Concealed pick holes. See attached Sanitary Manhole Detail.
    e. Detail 5 - Please submit a detail on the Neenah R-4859C casting. We usually use round openings with a Neenah R4342 Casting. See attached 4020 manhole detail for standard structure.

Bolton & Menk is an equal opportunity employer.

3. Sheet US1:
    a. There is a 6" water service stub located at the intersection of Broadway Street & 6th Avenue as shown on the plans. We recommend connecting to this stub to not disturb the existing curb or street.
    b. The water meters should be by the building not in the boulevard.
    c. The "Contractor Caution" note is confusing, a grinder pump is already shown on the plan. Is there still thought of raising the site and using gravity sewer?

We have reviewed the submitted Drainage Report prepared by Anderson Engineering, Inc. dated July 15, 2016 and have the following comments:

1. The soil boring at the pond does not clearly show the water table elevation is a minimum of 3 feet below the pond bottom. Please verify the 3 foot minimum separation.
2. A swale currently drains from the TH 65 ditch to the existing infiltration basin on Broadway Street. Is this accounted for in your drainage calculations and should it be blocked off with the proposed construction.

We would recommend the plans and hydraulics be revised to reflect the above comments and resubmitted.

Please contact me if you have any questions.

A Community For Generations.

RE: Site Plan and Building Appearance Review – O'Reilly Auto Parts

Dear Mr. Cutler,

On October 3, 2016; a Site Plan and Building Appearance Application were received for O'Reilly Auto Parts on the lot legally described as Lot 2, Block 1, Isanti Commons Second Addition. City staff has completed a preliminary review of the application materials. Based upon that review the application is considered complete; however, some additional information and/or further clarification is required for a number items related to the proposal. The following items must be submitted and/or further clarified for further review.

1. Change address on plans to the correct address of: 101 6th Ave NE
2. Indicate the type of bike rack to be installed. Must have two-points of support and accommodate a U-shaped locking device. (*Section 17, Subdivision 14 (C)*)
3. Submit colored renderings of the exterior.
4. Roof-top mechanical equipment is to be screened unless it is low-profile, self-contained units which blend in with the building architecture. Provide visuals to show screening or how equipment will blend in. (*Section 18, Subdivision 8 (B)*)
5. Hydro-seeding is not permitted. All landscaped areas must have sod and be irrigated. (*Section 15, Subdivision 5, B. General Requirements (6)(a)* and *Section 15, Subdivision 5, D. Non-Residential Requirements (5)*)
6. Shift trees on the southern boundary slightly to the north to bring them out of the drainage and utility easement.
7. Pole sign location is approved, however, official approval of the sign appearance and size will be reviewed and approved through the sign permit application process.
8. Address all City Engineer comments.

A response to each of the concerns listed above must be addressed in writing and re-submitted to City staff for further review. Once that information is received, City staff will complete the review of the Site Plan Review request. If you have questions regarding the request for additional information, please let me know and I will be happy to assist. I can be reached at (763) 444-5512 or rachman@cityofisanti.us .

Sincerely,

Roxanne Achman, AICP
Community Development Director

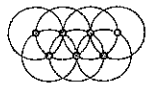
1. IRRIGATION HEADS SHALL BE PLACED TO PROVIDE 100% OVERLAP HEAD-TO-HEAD COVERAGE, AS SHOWN.



2. A RAIN SENSOR AND ANTI-FREEZE ASSEMBLY SHALL BE INSTALLED ON THE IRRIGATION SYSTEM.
3. THE IRRIGATION CONTRACTOR SHALL BE RESPONSIBLE FOR PROVIDING A COMPLETE AND OPERABLE SYSTEM FOR THE IRRIGATION OF ALL LANDSCAPE PLANTING(S) AND DESIRED COVERAGE AREAS ON SITE. THIS SHALL INCLUDE, BUT NOT LIMITED TO, A PROPERLY SIZED REMOTE SYSTEM IRRIGATION CONTROLLER, BACKFLOW PREVENTOR OR DOUBLE CHECK VALVE (AS REQUESTED), PROPERLY SIZED AND TIMED ZONE DESIGN, RAIN SENSOR GAUGE, VALVES, PIPING, HEADS, ETC.
4. THE IRRIGATION CONTRACTOR IS FULLY RESPONSIBLE FOR THE WORK UNTIL OWNER GIVES FINAL ACCEPTANCE.
5. NO WATER TO BE SPRAYED ON SIDEWALK, PARKING LOT, ROAD OR ADJACENT PROPERTY. ADJUST ARC AND RADIUS OF REQUIRED SPRINKLERS AS NEEDED.
6. ALL CIRCUIT PIPE IS TO BE CLASS 160 PVC OR HIGHER GRADE.
7. ALL MAIN FITTINGS SHALL BE REINFORCED WITH 2000 PSI POURED CONCRETE THRUST BLOCKS.
8. THE CONTRACTOR SHALL BE RESPONSIBLE FOR CONSTRUCTION THE REQUIRED SYSTEM IN COMPLETE ACCORDANCE WITH ALL APPLICABLE CODES, ORDINANCES, AND LAWS. ANY MODIFICATIONS MADE AFTER INSTALLATION, TO CONFORM WITH SAID CODES, LAWS AND ORDINANCES, SHALL BE PERFORMED AT THE CONTRACTORS EXPENSE, AND AT NO ADDITIONAL COST TO THE OWNER.

Request for Council Action

To: Mayor Wimmer
Members of the City Council

From: Roxanne Achman
Community Development Director

Date: November 15, 2016

Subject: Request from Rice Building Systems Inc., on behalf of Coborn's, for approval of an Amendment to the Site Plan and Conditional Use Permit approved through Resolution 2015-253, to allow for significant changes to the development located at 209 6th Ave NE, legally described as Lot 1, Block 1, Isanti Commons Second Addition, Isanti County, Isanti, Minnesota

---

Background
Coborn's is requesting a site plan amendment. The original site plan included a gas station/convenience store and car wash. They are requesting to revise the site plan to allow for a "pay at the pump" facility. The facility would have a fuel canopy with several fuel pumps and a mechanical box for the fuel controls. The area where the convenience store and car wash were planned, would be landscaped using a combination of rock, boulders and greenery. The canopy will be wrapped in a metal material in a color that matches the main building. Most gas canopies are wrapped with this type of material.

Zoning Ordinance Requirements
The property is zoned "B-2" General Business District. It is the intent of this zoning district to promote the development of commercial uses which are predominately auto-oriented in nature. The district caters to highway-oriented businesses as well as businesses that provide basic shopping and service needs for the community. Compatibility with adjacent uses and buildings is required within the district, as site design, building size and materials, and screening/landscaping are important to the creation and maintenance of a thriving commercial base.

Plan Modifications
An amended site plan involving major changes, as determined by the City Council, shall be re-applied for and administered in the same manner as required for a new site plan.

Public Notice
Notice of the Text Amendment was published in the official City newspaper, Isanti County News; on Wednesday, October 26th, 2016. Mailed notice was provided to property owners within 350' of the subject property.

Public Comments
No public comments had been received regarding the proposed text amendment prior to the release of the staff memo.

Planning Commission Recommendation:

Motion by Kennedy second by Bergley to recommend approval of the request from Rice Building Systems Inc., on behalf of Coborn's, for approval of an Amendment to the Site Plan and Conditional Use Permit approved through Resolution 2015-253, to allow for significant changes to the development located at 209 6th Ave NE, legally described as Lot 1, Block 1, Isanti Commons Second Addition, Isanti County, Isanti, Minnesota based on the Findings of Fact and Conclusions and with the following conditions:

1. Resubmittal and approval shall be required for the future construction of the convenience store and/or car wash.

Motion carried unanimously.

Deadline for City Council Action

The City of Isanti received a complete application for this request on October 13, 2016. Pursuant to Minnesota State Statute, the City must act on this request by December 12, 2016 (60-days); unless an extension of the review period has been agreed to by the applicant.

Development and Operations Advisory Committee Comments

The Development and Operations Advisory Committee met on Thursday, October 20, 2016 and had the following comments/conditions:

1. Should Coborn's decide to move forward with the convenience store and car wash in the future, a new site plan and application will need to be submitted and approved by the Planning Commission and City Council.

Staff Request

City staff is requesting action on this item.

Options and Proposed Motion Language

1. Recommend Approval with No Conditions: Motion to recommend approval of the request from Rice Building Systems Inc., on behalf of Coborn's, for approval of an Amendment to the Site Plan and Conditional Use Permit approved through Resolution 2015-253, to allow for significant changes to the development located at 209 6th Ave NE, legally described as Lot 1, Block 1, Isanti Commons Second Addition, Isanti County, Isanti, Minnesota.
2. Recommend Approval with Conditions: Motion to recommend approval of the from Rice Building Systems Inc., on behalf of Coborn's, for approval of an Amendment to the Site Plan and Conditional Use Permit approved through Resolution 2015-253, to allow for significant changes to the development located at 209 6th Ave NE, legally described as Lot 1, Block 1, Isanti Commons Second Addition, Isanti County, Isanti, Minnesota with the following conditions....
3. Recommend Denial: Motion to recommend denial of the from Rice Building Systems Inc., on behalf of Coborn's, for approval of an Amendment to the Site Plan and Conditional Use Permit approved through Resolution 2015-253, to allow for significant changes to the development located at 209 6th Ave NE, legally described as Lot 1, Block 1, Isanti Commons Second Addition, Isanti County, Isanti, Minnesota for the following reasons....
4. Table: Motion to table the request from Rice Building Systems Inc., on behalf of Coborn's, for approval of an Amendment to the Site Plan and Conditional Use Permit approved through Resolution 2015-253, to allow for significant changes to the development located at 209 6th Ave NE, legally described as Lot 1, Block 1, Isanti Commons Second Addition, Isanti County, Isanti, Minnesota (a specific reason and information request should be included in the motion to table).

RESOLUTION NO. 2016-

A RESOLUTION AMENDING THE CONDITIONAL USE PERMIT (CUP) AND SITE PLAN/BUILDING APPEARANCE APPROVED THROUGH RESOLUTION NO. 2015-253 FOR COBORN'S LOCATED ON THE PROPERTY LEGALLY DESCRIBED AS LOT 1, BLOCK 1, ISANTI COMMONS SECOND ADDITION, ISANTI COUNTY, MINNESOTA

WHEREAS, Isanti Holdings, LLC currently owns the property a legally described as Lot 1, Block 1, Isanti Commons Second Addition, Isanti County, Minnesota; and,

WHEREAS, the applicant, Rice Building Systems, on behalf of Coborn's, has requested an Amendment to the Site Plan/Building Appearance and Conditional Use Permit originally approved through Resolution 2015-253; and,

WHEREAS, the Amendment to the Site Plan includes the construction of the fuel canopy for a "pay-at-the-pump" system, rather than the build out of a full gas station/convenience store and car wash; and,

WHEREAS, landscaping will replace the previously approved convenience store and car wash; and,

WHEREAS, it is unknown when or if the convenience store and car wash will be constructed; and,

WHEREAS, the decision to construct either, or both, the convenience store and car wash, a new application and plans shall be submitted and approved by the Planning Commission and City Council; and,

WHEREAS, the Planning Commission had recommended approval of the requested Amendment based upon the Findings of Fact and Conclusion as presented with conditions; and,

WHEREAS, the City Council reviewed the requested Amendment to the Site Plan and Conditional Use Permit at its regularly scheduled meeting on November 15th, 2016; and,

WHEREAS, the City Council of the City of Isanti has determined that the Conditional Use Permit and Site Plan Amendment meets the ordinance requirements necessary for granting approval; and,

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ISANTI, MINNESOTA, that it adopts the Findings of Fact and Conclusion related to the requested Amendment to Resolution 2015-253 and **BE IT FURTHER RESOLVED** that the requested Amendment on the property legally described as Lot 1, Block 1, Isanti Commons Second Addition, Isanti County, Minnesota, be hereby approved subject to the following conditions:

1. Resubmittal and approval shall be required for the future construction of the convenience store and/or car wash.

Adopted by the Isanti City Council on this 15th day of November 2016.

Attest: _____
Mayor George A. Wimmer

_____
Lindsey Giese
Human Resources/City Clerk

(SEAL)

FINDINGS OF FACT AND CONCLUSION

Request

Request from Rice Building Systems Inc., on behalf of Coborn's, for approval of an Amendment to the Site Plan and Conditional Use Permit approved through Resolution 2015-253, to allow for significant changes to the development located at 209 6th Ave NE, legally described as Lot 1, Block 1, Isanti Commons Second Addition, Isanti County, Isanti, Minnesota.

Findings of Fact

1. The applicant is requesting to amend resolution 2015-253 to allow for a significant change to the development on the property legally described as Lot 1, Block 1, Isanti Commons Second Addition, Isanti County, Minnesota
2. The property is zoned "B-2" General Business District.
3. Site Plan/Building Appearance Review is required for is required for changes greater than 10% of the project.
4. The petitioner submitted a Site Plan/Building Appearance and Conditional Use Permit Amendment Application, the required application fee and associated materials on October 13th, 2016. It was deemed complete at that time. Pursuant to Minnesota State Statute, the City must act on this request by December 12th, 2016 (60-day rule).
5. A public hearing date before the Planning Commission was scheduled for Wednesday, November 9th, 2016 at 7:00 p.m. at City Hall within the Council Chambers.
6. Notice of the Site Plan and Conditional Use Permit request was published within the Isanti-County News on Wednesday, October 26th, 2016. Notices were sent to all property owners located within 350 feet of the subject property.
7. Section 18, Subdivision 7 Standards of the Zoning Ordinance shall be used to evaluate any proposed site plans.
8. Section 21, Article 2: Conditional Use Permits, Subdivision 3 (D) of the Zoning Ordinance establishes factors that the judgment of the Planning Commission shall be based upon when reviewing a Conditional Use Permit request as well as Section 21, Article 2: Conditional Use Permits, Subdivision 4 General Performance Standards of the Zoning Ordinance establishes additional general standards that shall be used to evaluate any proposed conditional use permit request.

Conclusions

1. In review of the standards established in Section 18, Subdivision 7, the following conclusions have been made (*conclusions to each requirement are shown in underlined italics)*:
   - A. Consistency with the elements and objectives of the City's development guides, including the Comprehensive Plan.
     As outlined within the staff memo, the elements of the project would appear to meet the requirements of the zoning ordinance and the intent of the land use designation in which the property is located.
   - B. Consistency with City Codes.
     Overall, the proposal appears to be consistent with city codes and ordinances. The plans provided would appear to meet the minimum requirements set by the zoning ordinance (setbacks, parking, landscaping, lighting, etc.).
   - C. Preservation of the site in its natural state to the extent practicable by minimizing tree and soil removal and designing grade changes to be in keeping with the general appearance of neighboring developed or developing areas.
     Changes to the site have already occurred. Landscaping will be installed in place of structures in some areas.
   - D. The amount and location of open space and landscaping.
     The amount of open space and landscaping exceeds the required amount.

E. Vehicular and pedestrian circulation, including walkways, interior drives, and parking in terms of location and number of access points to the public streets, width of interior drives and access points, general interior circulation, separation of pedestrian and vehicular traffic and arrangement and amount of parking.
All parking and drive aisles meet or exceed code requirements. Sidewalk and crosswalks are appropriately placed throughout the site. Interior circulation appears to meet code.

F. Protection of adjacent and neighboring properties through reasonable provision of surface water drainage, sound and light buffers, preservation of views, lights, and air and those aspects of design not adequately covered by other regulations which may have substantial effects on neighboring land uses.
Surface drainage will be less than with the plans approved through resolution 2015-253.

G. Consistency with the City's Engineering and Design standards as adopted by Resolution of the City Council.
Storm water ponding was approved with resolution 2015-253 and has been installed.

2. In review of the standards established in Section 21, Article 2 Conditional Use (D); the following conclusions have been made (*conclusions to each requirement are shown in underlined italics)*: The Planning Commission shall hold a public hearing and consider possible adverse effects of the proposed Conditional Use. The judgment of the Planning Commission shall be based upon, but is not limited to the following factors:

A. The proposed action has been considered in relation to the specific policies and provisions of and has been found to be consistent with the goals and objectives of the Comprehensive Plan, including public facilities and capital improvement plans.
The proposed uses for the site would be consistent with the goals and objectives of the comprehensive plan.

B. The proposed action meets the purpose and intent of this Ordinance and the underlying zoning district.
The proposed uses fit the intent of the ordinance and underlying zoning district ("B-2" General Business District). The overall site layout of uses is complementary of each of the uses.

C. The establishment, maintenance or operation of the conditional use will promote and enhance the general public welfare and will not be detrimental or endanger the public health, safety, morals, or comfort.
The establishment of the conditional use does not appear to endanger the public health, safety, morals and comfort of the surrounding area or the community. The proposal follows the requirements further outlined in Section 13: Use Regulations for Gas Stations/Convenience Stores, Car Washes, and Drive-Thru Facilities.

D. The conditional use will not be injurious to the use and enjoyment of other property within the immediate vicinity for the purposes already permitted; nor substantially diminish or impair property values within the neighborhood.
The conditional uses do not appear to diminish or impair surrounding property values. Much of the area surrounding this property is also zoned for similar uses.

E. The establishment of the conditional use will not impede the normal and orderly development and improvement of surrounding property for uses permitted in the district.
The conditional uses on this lot will likely enhance development in this area.

F. Adequate public facilities and services are available or can be reasonably provided to accommodate the use which is proposed.
Additional public facilities and services are not necessary for the proposed uses.

G. The conditional use shall, in all other respects, conform to the applicable regulations of the district in which it is located.
The requested conditional use permit appears to conform to the applicable regulations required for the district and the performance standards outlined within the zoning ordinance. Conditions will be placed on any approval to ensure that the property is

developed in accordance to ordinance requirements and the proposed plan provided by the applicant.

H. The conditional use complies with the general and specific performance standards as specified by within this Article.
These have been evaluated as part of the findings of fact; and can be found within this document.

3. In review of the standards established in Section 21, Article 2 Conditional Use, Subdivision 4 General Performance Standards; the following conclusions have been made (*conclusions to each requirement are shown in underlined italics)*:

A. The use and the site in question shall be served by a street of sufficient capacity to accommodate the type and volume of traffic which would be generated an adequate public right-of-way shall be provided.
This site is currently served by a street of sufficient capacity. The proposed conditional use will not change the type or volume of traffic flow that 6th Ave NE was designed to accommodate. The amendment may slightly decrease the amount of traffic as compared to the plan approved through resolution 2015-253.

B. The site design for access and parking shall minimize internal as well as external traffic conflicts and shall be in compliance with Section 17 of this Ordinance.
Sufficient access points have been provided for this site. Parking meets the standards outlined in Section 17 of this Ordinance.

C. If applicable, a pedestrian circulation system shall be clearly defined and appropriate provisions made to protect such areas from encroachment by parked or moving vehicles.
Sidewalks are being extended along 6th Ave NE. Crosswalks are being installed throughout the site for pedestrian circulation and safety.

D. Adequate off-street parking and off-street loading shall be provided in compliance with Section 17 of this Ordinance.
Adequate off-street parking will be provided on site.

E. Loading areas and drive-thru facilities shall be positioned so as to minimize internal site access problems and maneuvering conflicts, to avoid visual or noise impacts on any adjacent residential use or district, and provided in compliance with Section 17 of this Ordinance.
Not applicable to the amendment.

F. Whenever a non-residential use is adjacent to a residential use or district, a buffer area with screening and landscaping shall be provided in accordance with the provisions of Section 15 of this Ordinance.
Not applicable.

G. General site screening and landscaping shall be provided in compliance with Section 15 of this Ordinance.
The landscaping meets and exceeds the requirements outlined in Section 15 of this Ordinance.

H. All exterior lighting shall be directed so as not to cast glare toward or onto the public right-of-way or neighboring residential uses or districts, and shall be in compliance with Section 14 of this Ordinance.
Lighting meets the requirements of Section 14 of this Ordinance.

I. The site drainage system shall be subject to the review and approval of the City Engineer.
Site drainage was addressed and approved with the original plans.

J. The architectural appearance and functional design of the building and site shall not be so dissimilar to the existing and potential buildings and area so as to cause a blighting influence. All sides of the principal and accessory structures are to have essentially the same or coordinated, harmonious exterior finish materials and treatment.
The building meets the exterior material requirements outlined in code. The fuel canopy will be wrapped in a metal material in a color that compliments the main building.

K. Provisions shall be made for daily litter control, an interior location for recycling and trash handling and storage or an outdoor, enclosed receptacle area shall be provided in compliance with Section 14 of this Ordinance.
Not applicable to the amendment.

L. All signs and informational or visual communication devices shall be in compliance with Section 16 of this Ordinance.
Signage will be reviewed and approved at a later date if necessary.

M. The use and site shall be in compliance with any federal, state, or county laws or regulations that are applicable and any related permits shall be obtained and documented to the City.
The applicant will need to pull the appropriate permits. Any appropriate fees must be paid for these permits and inspections completed by the appropriate staff person prior, during, and following construction.

N. Any applicable business licenses mandated by City Code are approved and obtained.
Not applicable.

O. The hours of operation may be restricted when there is judged to be an incompatibility with a residential use or district.
Not applicable.

P. The use complies with the applicable performance standards of the zoning district in which it is located and where applicable, any non-conformity shall be eliminated.
The use complies with the applicable performance standards as further outlined in Section 13 Use Regulations of this Ordinance. No non-conformity exists.

Q. Additional Stipulations. All conditions pertaining to a specific site are subject to change when the City Council, upon investigation in relation to a formal request, finds that the general public health, safety, and welfare, can be served as well or better by modifying or expanding the conditions set forth herein.

Decision

The Planning Commission held a public hearing on the item at the **November 9th, 2016** meeting. The meeting minutes shall be made part of the Findings of Fact.

Planning Commission Recommendation:

Motion by Kennedy second by Bergley to recommend approval of the request from Rice Building Systems Inc., on behalf of Coborn's, for approval of an Amendment to the Site Plan and Conditional Use Permit approved through Resolution 2015-253, to allow for significant changes to the development located at 209 6th Ave NE, legally described as Lot 1, Block 1, Isanti Commons Second Addition, Isanti County, Isanti, Minnesota based on the Findings of Fact and Conclusions and with the following conditions:

1. Resubmittal and approval shall be required for the future construction of the convenience store and/or car wash.

Motion carried unanimously.

RE: SITE PLAN REVIEW APPLICATION NARRATIVE
COBORNS GROCERY
ISANTI, MN

Dear Roxanne:

We have prepared a narrative to better describe our requests in our recent site plan review application dated October 7th, 2016.

As discussed, the intent of this application is to revise the previously approved site plan to allow for a "pay at the pump only" design, whereas in lieu of building a full service convenience store, car wash and fuel canopy, Coborn's desires to build only the fuel canopy with a small mechanical building to house the fuel canopy controls at this time. We would add landscaping and cover the existing car wash drive lanes, footings and foundations so those items are not visible. They would not be removed at this time but simply covered, with the intent to build the car wash and/ or C-store in the future.

The submitted site plan illustrates the changes and improvements being requested at this time, describing the additional landscaping and the small mechanical building.

Coborn's is requesting these changes be approved in order to begin selling fuel while preserving the opportunity to build the car wash and/ or convenience store in the future.

If you have any questions, feel free to contact us. We appreciate the city's assistance on this request.

Respectfully Submitted:

Landscape Requirements

ZONING DISTRICT:	B-2 GENERAL BUSINESS DISTRICT
TREES REQUIREMENTS:	1 TREE PER 50' OF LOT FRONTAGE
TREES REQUIRED:	44 (2,181/50)
TREES PROVIDED:	66

Landscape Notes

1. VERIFY ALL LANDSCAPE IMPROVEMENTS WITH ROADWAYS AND SITE WORK.
2. ALL DISTURBED LANDSCAPED AREAS, NOT INDICATED AS PLANTING BEDS, ARE TO BE SEEDED, UNLESS NOTED OTHERWISE. SEEDING TO BE PER MINNESOTA DEPARTMENT OF TRANSPORTATION STANDARD SPECIFICATIONS FOR CONSTRUCTION 2105 EDITION AND MN/DOT SEEDING MANUAL. SOD IS TO BE PRIMARILY KENTUCKY BLUEGRASS, FREE OF LAWN GRASS WEEDS, WATER AND FERTILIZE AS APPLICABLE. ANCHOR SOD ON SLOPES OR POTENTIAL EROSION AREAS, OR AS REQUIRED.
3. CONTRACTOR TO VERIFY PLANTS REQUIRED AS REFLECTED ON PLAN WITH LANDSCAPE ARCHITECT IF PLAN AND SCHEDULE DO NOT MATCH. ALL PLANT MATERIAL TO CONFORM TO THE AMERICAN STANDARD FOR NURSERY STOCK, LATEST VERSION. ADD FERTILIZER, HERBICIDE, AND MULCH AS NECESSARY FOR OPTIMUM GROWTH.
4. PROVIDE A MINIMUM OF 4" TOPSOIL IN LAWN AREAS AND 12" TOPSOIL IN LANDSCAPE BEDS. ADD SOIL AMENDMENTS FOR OPTIMUM PLANT GROWTH. ALL PARKING ISLAND GRADES SHALL HAVE A SUBGRADE SHOWN.
5. ALL PLANTING BEDS TO BE EDGED WITH COMMERCIAL GRADE VINYL EDGING, "EDG-RING" BY DUTY-DELA, OR APPROVED EQUAL, ANCHORED 4' O.C. WITH METAL SPIKES. EDGER, TYPE 7, TO BE COL-MET STEEL EDGING, 3/16" THICK, COLOR BLACK.
6. SHREDDED HARDWOOD MULCH SHALL BE COLORED, RED GARDEN BY STEVN, OR APPROVED EQUAL, AND AT A MINIMUM 4" DEPTH, FREE OF ALL DELETERIOUS MATERIAL. ROCK MULCH TO BE 1" TO 3" DIAMETER, AND AT A MINIMUM 3" DEPTH. ROCK MULCH TYPE 2 TO BE CHARCOAL BLACK ROCK MULCH, 1/2" TO 1" DIAMETER, AND AT A MINIMUM 3" DEPTH. ROCK MULCH TO BE OF DIMENSIONAL SHAPE LANDSCAPE FILTER FABRIC WITH 6" OVERLAP AND ANCHORED. OWNER TO APPROVE OF MULCH.
7. ALL PLANTING BEDS SHALL BE SEPARATED FROM LAWN AREAS WITH A 4" DEEP SPADED EDGE.
8. SINGLE TREE AND SHRUB PLANTINGS SHALL HAVE A 4" DEPTH SHREDDED HARDWOOD MULCH RING AROUND EACH BASE. DECIDUOUS PLANT MATERIAL SHALL HAVE A MINIMUM 3' DIAMETER RING, EVERGREEN PLANT MATERIAL SHALL HAVE A RING TO THE DRIP LINE.
9. EXISTING TREES AND SHRUBS, THROUGHOUT THE PROPERTY, SHALL BE PRUNED TO REMOVE DEAD OR UNDESIRABLE LIMBS AND TO SHAPE PLANT FOR DESIRABLE APPEARANCE, AND COMPLETED BY A QUALIFIED INDIVIDUAL. CONTRACTOR TO CLEAR AND GRUB EXISTING VEGETATION AND DISPOSE OF ALL REMOVALS OFF-SITE PER PROJECT IMPROVEMENTS.
10. CONTRACTOR TO WATER PLANT MATERIAL DURING INSTALLATION AND DURING ESTABLISHMENT PERIOD. VOLUME OF WATER TO BE PER PLANT REQUIREMENT FOR ESTABLISHMENT AND NORMAL GROWTH.
10. CONTRACTOR TO WARRANTY NEW PLANT MATERIAL FOR ONE-YEAR UPON PROJECT COMPLETION AND OWNER'S ACCEPTANCE.
11. PROPERTY SHALL HAVE AUTOMATIC UNDERGROUND IRRIGATION SYSTEM. ALL LANDSCAPE AREAS TO BE IRRIGATED. CONTRACTOR TO PROVIDE SHOP DRAWINGS FOR LANDSCAPE ARCHITECT APPROVAL. SYSTEM SHALL BE WINTERIZED(BLOW-OUT) AFTER THE FIRST OPERATIONAL SEASON AND SHALL PROVIDE START-UP THE FOLLOWING SPRING. IRRIGATION SHALL HAVE TWO-YEAR WARRANTY ON PARTS AND LABOR FROM DATE OF INSTALLATION APPROVAL BY OWNER. PROVIDE BACKFLOW DEVICE, WATER METER, BOOSTER PUMP, CONTROLLER, RAIN SENSOR, TIMER, VALVE BOXES, SLEEVING, VALVES, NOTIONS, DRAINS, AND OTHER ACCESSORIES FOR A COMPLETE SYSTEM.

Request for Council Action

To: Mayor Wimmer
Members of the City Council

From: Roxanne Achman
Community Development Director

Date: November 15, 2016

Subject: Request from the City of Isanti to Amend Ordinance No. 445 Zoning, Section 7 Business Districts and Section 11 Overlay Districts to include Article 5: "H65" Highway 65 Corridor Overlay District and to Amend the Zoning Map to Include Specified Properties Zoned B-2 and T1-B along Highway 65 within the Highway 65 Corridor Overlay District

---

Background

In light of the recent growth along Highway 65 it was imperative that the City evaluate the corridor to ensure this area "will truly define the community and let travelers know that they have entered a unique, vital and vibrant place," as stated in the 2008 Comprehensive Plan. A place that will provide jobs, value and services the city needs. The City only gets one opportunity to create an entrance into the community that showcases who we are and what we can provide.

In an effort to give staff, to include the City Attorney, and the Development and Operations Advisory Committee, ample time to update the zoning ordinance and to be in compliance with the Comprehensive Plan, the City Council approved Ordinance No. 652 on September 20th, 2016. This Ordinance established a one (1) year moratorium on specific uses within the "B-2" General Business District and "T1-B" Tier One Business District along the Highway 65 Corridor.

City Staff and Officials have spent several months researching, reviewing, compiling and drafting an ordinance that meets not only the City's needs, but its goals as well. While researching, and drafting the changes, it was important to city staff and officials to create an area that expresses Isanti and invites passersby to stop and spend time in the community. That environment is created by generating a visually pleasing and inviting corridor that causes people to notice what Isanti has to offer. It is also important to line this corridor with businesses that are more than a destination, but a place that passersby will stop on a whim because a business caught their eye.

By limiting the uses that can be placed along the corridor and increasing the design standards for buildings facing Highway 65, city staff and officials believe Isanti can enhance the appeal and experience of the highway for both residents and passersby alike.

Isanti is keeping pace with its goals and objectives as well as reviewing whether the current standards are keeping pace with market trends and other planning related issues that may arise by revising the zoning ordinance and zoning map. Through discussions with other cities and developers, it is apparent that corridor overlay districts are expected, and respected, parameters along important roadways.

A detailed explanation of the changes can be found in the next few pages and within the attachments to this memo.

Planning Commission Recommendation:
Motion by Bergley second by Traver to recommend approval of the request from City of Isanti to Amend Ordinance No. 445 Zoning, Section 7 Business Districts and Section 11 Overlay Districts to include Article 5: "H65" Highway 65 Corridor Overlay District and to Amend the Zoning Map to Include Specified Properties Zoned B-2 and T1-B along Highway 65 within the Highway 65 Corridor Overlay District based on the Findings of Fact and Conclusions with the condition that Funeral Homes be a Permitted Use within the Highway 65 Corridor Overlay District. Motion carried 3-1 with Kennedy voting Nay.

Overview of Proposed Zoning Ordinance Changes

(Comparison with underlying zoning district, B-2. Please note, this is not an all-inclusive list of the changes; however, staff did want to note a few items of change within each of the Sections for the Planning Commission and City Council).

Section 11: Overlay Districts

Article 5

Subdivision 1: Purpose

Highway 65 provides the main entrance into Isanti from the north and south. It is the purpose of this district to enhance the first impression of Isanti through development of a corridor that is inviting, visually appealing and a place that community members want to visit and passersby want to stop. This district is designed and intended to promote the development of an attractive view of the community from Highway 65 through architectural and signage controls, landscaping, screening, building orientation and other features.

Subdivision 2: Boundaries

Describes the boundaries of the district as depicted on the map.

Subdivision 3: Permitted Uses

Permitted Uses focuses on uses that will draw in the public as they are passing by creating a visually appealing and inviting entrance into the City of Isanti. The intent of the uses in this district is promote compatibility amongst land uses, site characteristics and architecture.

Subdivision 4: Conditional Uses

The Conditional Uses within this district where chosen for the same reasons as stated within the Permitted Uses section.

Subdivision 5: Interim Uses

The Interim Uses within this district where chosen for the same reasons as stated within the Permitted Uses section

Subdivision 6: Uses By Administrative Permit

Remains the same as in the B-2 District.

Subdivision 7: Permitted Accessory Uses

Adult uses removed.

Subdivision 8: Lot Requirements and Setbacks

Lots must be a minimum of 1 acre and buildings are required to be a minimum of 15% of the lot size. Setbacks remain the same as in the B-2 District.

Subdivision 9: Site Plan Approval Required

Remains the same as in the B-2 District.

Subdivision 10: Use and Standards Flexibility Rules

The City Council may approve dimensional, design and use modifications if the applicant demonstrates how such modification will further the intent of the Ordinance.

Subdivision 11: Exterior Building Materials

While the exterior materials remain the same, there is now a limit on the percentage of certain materials (no more than 75% decorative concrete block, pre-cast concrete or stucco). In order to obtain more visually appealing structures, walls greater than 50' in length must include varying architectural details to provide visual relief. The requirements promote visual harmony and minimize adverse impacts on adjacent properties. Exterior building colors shall be complimentary to other buildings within the district.

Subdivision 12: Building Orientation

In order to create a more inviting and visually appealing corridor, it's important that buildings along the corridor face, or appear to front, the corridor.

Subdivision 13: Parking and Driveways

Parking and driveway standards remain the same. Overhead doors, loading spaces and service areas are not to face Highway 65.

Subdivision 14: Lighting

Remains the same as in the B-2 District.

Subdivision 15: Screening and Landscaping

Remains the same as in B-2 District. Language added to reiterate the need for the submittal of a landscaping plan at the same time that the site plan is submitted.

Public Comment

City staff provided letters to each property owner that would be affected by the proposed rezoning of their property from "B-2" General Commercial or "T1-B" Tier One Business District to "H65" Highway 65 Corridor Overlay District. Per MN State Statute, property owners within 350 feet of such rezoning, were also notified. Staff has received calls, e-mails, and visits from a number of property owners. All inquiries were, in general, what are the specific changes and how will this affect my property? Staff walked through the ordinance changes and what it meant for development on their property with each property owner that called.

Staff Request

The draft Ordinance has been reviewed by City staff, to include: City Administrator, Community Development Director, City Attorney, and Economic Development Director, to ensure that the rules and regulations provided for within the document are both reasonable and legal from various standpoints. At this time, staff would be looking for a recommendation on the proposed text and map, which will be forwarded to the City Council for final review and approval.

ORDINANCE NO.

AN ORDINANCE AMENDING ORDINANCE NO 445 ZONING; SECTION 7 BUSINESS DISTRICTS, SECTION 11 OVERLAY DISTRICTS, AND SECTION 12 TIER ONE DISTRICTS

THE CITY OF ISANTI DOES ORDAIN:

I. AMENDMENTS

Section 7: Business Districts, Article 2 "B-2" General Business is hereby amended to include and read as follows:

Subdivision 13: Additional Standards

Properties along Highway 65 are subject to the regulations presented in Section 11, Article 5: "H65" Highway 65 Corridor Overlay District.

II. AMENDMENTS

Section 11: Overlay Districts is hereby amended to read and include the following:

Article Five: "H65" Highway 65 Corridor Overlay District

Subdivision 1: Purpose

Highway 65 provides the main entrance into Isanti from the north and south. It is the purpose of this district to enhance the first impression of Isanti through development of a corridor that is inviting, visually appealing and a place that community members want to visit and passersby want to stop. This district is designed and intended to promote the development of an attractive view of the community from Highway 65 through architectural and signage controls, landscaping, screening, building orientation and other features.

Subdivision 2: Boundaries

The Highway 65 Corridor Overlay District shall include all properties zoned "B-2" General Business District and "T1-B" Tier One Business District lying east of the of 5th Ave NE (*a line drawn north and south using this section of 5th Ave NE as a reference point*) and west of 6th Ave NE (*a line drawn north and south based on the future plans for 6th Ave NE*), and between the north and south jurisdictional boundaries of the City. In the event a property is split by this boundary; the property shall be considered within the Highway 65 Overlay District if the majority of the property is within the described boundaries above or has frontage along Highway 65.

Subdivision 3: Permitted Uses

The following are considered permitted uses within the Highway 65 Overlay District:

A. Artist studios.

B. Bakery.

C. Broadcasting and recording studio.

D. Business service.

E. Catering establishments.

F. Coffee house.

G. Community shopping centers (medium-scale).

H. Convenience store (not accessory to a gas station).

I. Essential services.

J. Financial institutions.

K. General office.

L. General retail establishments.

M. Government office.

N. Health care clinic.

O. Health club.

P. Hospital.

Q. Hotel or motel.

R. Instruction/learning center.

S. Massage therapy (not adult use).

T. Personal service establishments.

U. Print shop.

V. Showroom.

W. Theaters, indoor (not adult use).

Subdivision 4: Conditional Uses

The following are conditional uses within the Highway 65 Corridor Overlay District and shall require a Conditional Use Permit based upon the procedures set forth and regulated by Section 21 of this Ordinance. Additional specific standards and criteria may be cited for respective conditional uses and a request shall be evaluated based upon those additional standards and criteria.

A. Automobile car wash establishment, subject to those standards as provided within Section 13 of this Ordinance. Only in conjunction with a permitted use.

B. Commercial recreation, indoor only. Outdoor commercial recreation permitted as an accessory to a permitted use with sufficient screening as determined by the City Council.

C. Community centers.

D. Drive-thru facilities.

E. Gas stations, subject to the standards as provided within Section 13 of this Ordinance.

F. Garden center as an accessory to a permitted use.

G. Helipad or helistop in conjunction with a hospital.

H. Home improvement center.

I. Hospice as an accessory to a permitted or conditional use.

J. Meat markets.

K. Medical research laboratory.

L. Medical support facilities.

M. Nursery, retail, as an accessory to a permitted use.

N. Private clubs.

O. Public buildings.

P. Restaurants (Carry-out, Drive-in, Fast food, or Sit-down).

Q. Senior residential care facilities, as defined within Section 2 of this Ordinance.

R. Trade / business school.

S. Brewpub.

T. Brewer tap room.

U. Microbrewery.

V. Micro distillery.

Subdivision 5: Interim Uses

A. Bars.

B. Gunsmith.

C. Liquor store.

D. Temporary motor vehicle sales, accessory to a financial institution, in which such sales event is permitted two (2) times per calendar year and shall not exceed three (3) days per event. No more than the number of events identified shall be permitted for the same property in any given calendar year.

Subdivision 6: Uses by Administrative Permit

A. Outdoor Sales, Temporary (General Retail Establishments and Civic Organizations), providing that such uses meet the requirements as provided within Section 13 of this Ordinance.

B. Transient merchants, providing that such uses meet the requirements as provided within Section 13 of this Ordinance and Chapter 245 of the Isanti City Code of Ordinances.

Subdivision 7: Permitted Accessory Uses

A. Accessory buildings and uses customarily incidental to any of the permitted uses. Accessory buildings are subject to the regulations as provided within Section 13 of this Ordinance.

B. Off-street parking and loading, in accordance with Section 17 of this Ordinance.

C. Outdoor patios and decks, as an accessory use to a bar, restaurant, club, or other assembly use with liquor or food sales, providing the requirements as listed in Section 13 are met.

D. Outdoor smoking shelters, as an accessory use to a bar, restaurant, club, or other assembly use with liquor or food sales, providing the requirements as listed in Section 13 are met.

E. Recreation support facilities may be permitted only as an accessory use to commercial recreation facilities.

F. Signs, in accordance with Section 16 of this Ordinance.

G. Supporting retail and service uses associated and located within a hospital or health care clinic, to include: cafeteria, employee exercise facilities, shops for medical equipment, pharmaceutical supplies, gift shops, bookstores, florists, banking facilities, laundry/dry cleaning, community rooms, and chapels.

H. Trash receptacle enclosures, in accordance with the provisions within Section 14, Subdivision 3 of this Ordinance.

Subdivision 8: Lot Requirements and Setbacks

The following minimum requirements shall be observed in the Highway 65 Corridor Overlay District; subject to additional requirements, exceptions, and modifications as set forth within this Ordinance:

A. Lot and Building Size Requirements.

Minimum Lot Size	1 acre
Minimum Building Size	15% of lot size

B. Setbacks and Height Restrictions – Principal Building.

Minimum Front Yard Setback	30 feet
Minimum Side Yard Setback	15 feet
Minimum Street Side Yard Setback	20 feet
Minimum Rear Yard Setback	15 feet
Maximum Building Height	Three (3) stories or forty-five (45) feet, whichever is less.

C. Impervious Surface Coverage.

Twenty-five (25) percent of the total lot area shall consist of green space. Five (5) percent of the total lot area shall be green space within the parking perimeter. *(Ord. No. 618)*

Subdivision 9: Site Plan Approval Required

Prior to the construction of any building within the Highway 65 Corridor Overlay District; Site Plan Approval and Building Appearance Review shall be required in accordance with Section 18 of this Ordinance.

Subdivision 10: Use and Standards Flexibility Rules

A. Dimensional Flexibility. The City Council may approve modifications of one or more area or dimensional standards of an underlying district if an applicant demonstrates such modification will result in better integration of uses or additional public amenities that will further the intent of this Section.

B. Design Standard Flexibility. The City Council may approve an alternative approach to meeting any of the design standards in this Section if an applicant demonstrates such modification is necessary to respond to site conditions, will result in better integration of uses, or provide significant site amenities, buffers, and other elements to offset any potential harmful effect that could be caused by the use and will further the intent of this Section.

C. Use Flexibility. The City Council may recommend a use, a density of use, or a mix of uses different from what is allowed upon findings that:

1. The modification significantly advances the intent of this Section;
2. The modification is necessary to develop the property in an efficient, well-organized way; and
3. The plan provides significant site amenities, buffers, and other elements to offset any potential harmful effects that could be caused by the use.

Subdivision 11: Exterior Building Materials

These standards are intended to ensure coordinated design of building exteriors, additions and accessory structure exteriors in order to prevent visual disharmony, minimize adverse impacts on adjacent properties from buildings which are or may become unsightly, and buildings that detract from the character and appearance of the area. It is not the intent of this division of unduly restrict design freedom when reviewing and approving project architecture in relationship to the proposed land use, and site characteristics.

A. The exterior wall finishes on any building shall be comprised of one or more of the following materials:

1. Face brick.
2. Natural stone.
3. Glass.
4. Decorative concrete block as approved by the City Council.
5. Specifically designed pre-cast concrete units; if the surfaces have been integrally treated with an applied decorative material or texture.
6. Masonry stucco.
7. Other comparable or superior material as recommended by the Planning Commission and approved by the City Council.
8. No more than 75% of the building sides visible from Highway 65 may be constructed of decorative concrete block, pre-cast concrete or stucco.
9. The exterior of the building shall have varied and interesting detailing. Large unadorned walls shall be prohibited (50' or more). All large walls viewable from Highway 65 must be relieved by architectural detailing, such as change in materials, change in color, offsets, or other significant visual relief provided in a manner or at intervals in keeping with the size, mass and scale of the wall and its views from the public right-of-way.
10. Exterior building material colors shall be complimentary of other buildings within the district.
11. Exterior elevations of all sides of a proposed building noting the material and color of each component, to include exterior building materials, awnings, mechanical screening material, fencing and the like, shall be submitted with the site plan for determination of compliance with the above requirements.
12. Mechanical equipment
    a. Ground equipment shall be screened per Section 14, Subdivision 4 Mechanical Equipment.
    b. Rooftop mechanical equipment, and head-houses for elevators and stairs, shall be concealed from public view.

B. All subsequent additions and accessory buildings constructed after the erection of the original building or buildings, shall be constructed with exterior finishes comprised of the same materials as the original structure(s).

Subdivision 12: Building Orientation

Building shall be oriented towards Highway 65 or, at a minimum, give the appearance of having a front facing Highway 65 (second front).

Subdivision 13: Parking and Driveways

Parking, driveways, and driving areas shall meet the requirements of Section 17 of this Ordinance, subject to the following additional requirements, exceptions, and modifications as set forth:

A. Parking lots and drive aisles shall be setback a minimum of ten (10) feet from front, rear, and side yards.

B. When abutting a residentially zoned district, parking and drive aisles shall be setback a minimum of twenty (20) feet.

C. Loading Spaces, Overhead Doors and Service Areas.

1. Loading spaces, overhead doors and service areas cannot face Highway 65 and must be located in designated rear yards.
2. Loading and service areas must be separated from visitor and employee parking areas and general traffic circulation.
3. Loading spaces, overhead doors and service areas must be designed to be compatible with the principal building. Architectural techniques, color, and landscaping must be employed to eliminate visual impacts from adjacent properties and roadways.

Subdivision 14: Lighting

Any lighting used to illuminate off-street parking areas, signage, or buildings shall be directed away from residential properties and shall meet the standards as stipulated within Section 14 of this Ordinance.

Subdivision 15: Screening and Landscaping

Screening and Landscaping within the Highway 65 Overlay District shall be provided in accordance with the requirements as stipulated within Section 15 of this Ordinance. On lots adjacent to a residential district, a minimum twenty (20) foot landscaped buffer strip shall be planted. Landscaping plans shall be submitted and approved at the same time as the site plan.

III. AMENDMENTS

Section 12: Tier One Zoning Districts, Article 2 "T1-B" Tier One Business Districts is hereby amended to include and read as follows:

Subdivision 11: Special Regulations

A. All businesses within the corporate city limits have one (1) year from the date City water and sewer is extended to the property to connect to City services. Variances from this stipulation are prohibited.

B. Pole type buildings are prohibited.

C. Properties along Highway 65 are subject to the regulations presented in Section 11, Article 5: "H65" Highway 65 Corridor Overlay District.

IV. EFFECTIVE DATE

This ordinance shall take effect upon its adoption and publication in the City's Official Newspaper.

Adopted by the City Council this 15th day of November 2016.

Mayor George A. Wimmer

ATTEST:

Lindsey Giese
Human Resources/City Clerk

(SEAL)

ORDINANCE NO.

AN ORDINANCE APPROVING AN AMENDMENT TO ORDINANCE NO.445 (ZONING): THE OFFICIAL ZONING MAP

THE CITY OF ISANTI DOES ORDAIN:

WHEREAS, the City of Isanti, in light of the recent and expected increase in development along the Highway 65 Corridor, has conducted research on the best way to ensure that the Highway 65 Corridor is developed as stated in the 2008 Comprehensive Plan; and,

WHEREAS, the 2008 Comprehensive Plan states that this area "will truly define the community and let travelers know that they have entered a unique, vital and vibrant place."; and,

WHEREAS, the City Council finds that the consequences of allowing certain uses may be incompatible with said long term planning goals for the Highway 65 corridor. And that such uses currently allowed in the "B-2" General Business District and "T1-B" Tier One Business District may not be consistent with the city's long term planning goals within said district goals for the Highway 65 corridor; and,

WHEREAS, development along Highway 65 has set a standard of superior commercial development attracting both residents and travelers alike; and,

WHEREAS, it is in the best interest of the City and it residents to attract such development, and to uphold a standard that has already been set by numerous existing and in-progress developments along the Highway 65 corridor; and,

WHEREAS, Ordinance No. _____ creating the "H65" Highway 65 Corridor Overlay District was approved in conjunction with this ordinance; and,

WHEREAS, all properties zoned "B-2" General Business District and "T1-B" Tier One Business District lying east of the of 5th Ave NE (*a line drawn north and south using this section of 5th Ave NE as a reference point*) and west of 6th Ave NE (*a line drawn north and south based on the future plans for 6th Ave NE*), and between the north and south jurisdictional zoning boundaries of the City of Isanti, shall be zoned "H65" Highway 65 Corridor Overlay District. In the event a property is split by this boundary; the property shall be considered within the Highway 65 Overlay District if the majority of the property is within the described boundaries above or has frontage along Highway 65 as Highway 65 Corridor Overlay District; and,

WHEREAS, Exhibit A provides a list of properties, identified by their Property Identification Number (PIN), subject to the rezoning; and,

WHEREAS, existing educational facility improvements and pending educational facility improvement previously approved by the City Council shall be permitted; and,

WHEREAS, at their regular meeting on November 9, 2016, the City of Isanti Planning Commission held a public hearing to take public comments; and

WHEREAS, the Planning Commission voted to recommend approval of the rezone request; and,

NOW THEREFORE BE IT RESOLVED, by the City Council of the City of Isanti that all properties zoned "B-2" General Business District and "T1-B" Tier One Business District lying east of the of 5th Ave NE (*a line drawn north and south using this section of 5th Ave NE as a reference point*) and west of 6th Ave NE (*a line drawn north and south based on the future plans for 6th Ave NE*), and between the north and south jurisdictional zoning boundaries of the City of Isanti, subject to easements, restrictions and reservations of record, approves the re-zone request from "B-2" General Business District and "T1-B" Tier 1 Business District to "H65" Highway 65 Corridor Overlay District; and,

BE IT FURTHER RESOLVED that the ordinance be approved with the exception that existing educational facility improvements and pending educational facility improvements previously approved by the City Council be permitted.

EFFECTIVE DATE
This Ordinance shall take effect the day following its publication in the City's Official Newspaper.

Adopted by the City Council this 15th day of November 2016.

FINDINGS OF FACT AND CONCLUSION

Request

Request from the City of Isanti to Amend Ordinance No. 445 Zoning, Section 7 Business Districts, Section 11 Overlay Districts to include Article 5: "H65" Highway 65 Corridor Overlay District, and Section 12 Tier One Districts.

Findings of Fact

1. The City of Isanti is proposing the creation and implementation of an overlay district along Highway 65 to include properties within the City and extending to the outer boundaries of the Tier 1 Districts.
2. The affected properties are described as all properties zoned "B-2" General Business District and "T1-B" Tier One Business District lying east of the of 5th Ave NE (*a line drawn north and south using this section of 5th Ave NE as a reference point*) and west of 6th Ave NE (*a line drawn north and south based on the future plans for 6th Ave NE*), and between the north and south jurisdictional zoning boundaries of the City of Isanti.
3. Highway 65 is a gateway into Isanti from the north and the south.
4. The rezoning of the property would permit uses that are geared toward developing an attractive and inviting entrance into the City of Isanti.
5. The Comprehensive Plan has a land use designation for this area as General Commercial and states that this area "will truly define the community and let travelers know that they have entered a unique, vital and vibrant place."
6. The City Council finds that the consequences of allowing certain uses may be incompatible with said long term planning goals for the Highway 65 corridor. And that such uses currently allowed in the "B-2" General Business District may not be consistent with the city's long term planning goals within said district goals for the Highway 65 corridor.
7. Development along Highway 65 has set a standard of superior commercial development. It is in the best interest of the City and it residents to attract such development, and to uphold a standard that has already been set by numerous existing and in-progress developments along the Highway 65 corridor.
8. A public hearing date before the Planning Commission was scheduled for Wednesday, November 9th, 2016 at 7:00 p.m. at City Hall within the Council Chambers.
9. Notice of the Rezoning request was published within the Isanti County News on Wednesday, October 26th, 2016. Notices were sent to all property owners located within 350 feet of the subject property.
10. Section 21, Article 1: Amendments (Text and Map), Subdivision 4 (D) of the Zoning Ordinance establishes criteria in which the judgment of the Planning Commission and City Council shall be based upon when reviewing a Rezoning request.

Conclusions

A. In review of the factors established in Section 21, Article 1 Amendments (Text and Map), Subdivision 4 (D) the following conclusions have been made (*conclusions to each requirement are shown in underlined italics)*:

   1. The proposed action has been considered in relation to the specific policies and provisions of and has been found to be consistent with the Comprehensive Plan, including public facilities and capital improvement plans.
      The proposed action helps to define the community by creating a "unique, vital and vibrant place," as defined in the Comprehensive Plan. The creation of the Highway 65

Corridor Overlay District does not require additional public facilities and/or capital improvement plans.

2. The proposed action meets the purpose and intent of this Ordinance or in the case of a map amendment; it meets the purpose and intent of the individual district.
The purpose and intent of this Ordinance is to provide for a way to amend the text and map when deemed appropriate. The Comprehensive Plan calls for this area to be a unique, vital and vibrant place. The amending of the ordinance and map, further emphasizes the City's dedication to creating the space outlined within the Comprehensive Plan by upholding standards that are geared toward a unique, vital and vibrant place.
3. There is adequate infrastructure available to service the proposed action.
The proposed action would not require additional infrastructure in order to service the area. Development of the areas affected will occur as guided by the comprehensive plan and the capital improvements plans.
4. There is an adequate buffer or transition provided between potentially incompatible districts.
The Highway 65 Corridor Overlay District would be created out of an area already zoned for commercial development, thus, not affecting the buffering between districts. The Highway 65 Corridor Overlay District would easily transition into the adjacent districts, and may in some cases be a better transition than when it was zoned "B-2" or "T1-B".

Decision
The Planning Commission reviewed the request in a public hearing on **November 9th, 2016**. The meeting minutes, staff memo, and attachments shall be made a part of the Findings of Fact and Conclusion.

Planning Commission Recommendation:
Motion by Bergley second by Traver to recommend approval of the request from City of Isanti to Amend Ordinance No. 445 Zoning, Section 7 Business Districts and Section 11 Overlay Districts to include Article 5: "H65" Highway 65 Corridor Overlay District and to Amend the Zoning Map to Include Specified Properties Zoned B-2 and T1-B along Highway 65 within the Highway 65 Corridor Overlay District based on the Findings of Fact and Conclusions with the condition that Funeral Homes be a Permitted Use within the Highway 65 Corridor Overlay District. Motion carried 3-1 with Kennedy voting Nay.

Request for Council Action

To: Mayor Wimmer
Members of the City Council

From: Roxanne Achman
Community Development Director

Date: November 15, 2016

Subject: Request from Allina Health and MSP Commercial for Approval of a Signage Master Plan for the facility located at 300 5th Ave NE.

Background

Several years ago, Section 16 Signs was amended to include an option to submit signage master plans for certain uses. The purpose is to accommodate complex signage situations where the standard sign code would not be effective. The Allina Clinic appears to meet the purpose outlined.

Allina is proposing two monument signs, one pylon sign and wall signage for both the main clinic and the Courage Kenny component. The Penny George Institute for Health and Healing will not have exterior signage. The following is a list of signs and how they compare to the general sign requirements:

	Requested	Permitted	Difference
# of Wall Signs Requested	2	1 per unit	Meets Code
Wall Sign Area	115.8sf	300sf	Meets code
# of Monument / Freestanding / Pylon Signs Requested	3	1 per 300ft of lot frontage and must be 300ft between signs	Signs A & B are roughly 296ft apart. Signs A & C are roughly 285ft apart
Sign A: Pylon	• 19' in height • 101sf per side	• 45' permitted • 100sf per side	Height meets code. Sign area is 2sf over.
Sign B: Monument	• 13' in height • 45.8sf per side	• 8' permitted • 50sf per side	Height exceeded by 5' Sign area meets code.
Sign C: Monument	• 7.5' in height • 18.9sf only one side	• 8' permitted • 50sf per side	Sign meets code.

** All signs are illuminated internally.

***All ground signs require landscaping at sign base. 1sf of landscaping per 1sf of sign.**

The Development and Operations Advisory Committee has reviewed the sign plans for the Allina Clinic and feels the signs meet the intent of the Signage Master Plan section of the zoning code. Approval is recommended.

Planning Commission Recommendation:
Motion by Kennedy second by Cesafsky to recommend approval of the request from Allina Health and MSP Commercial for Approval of a Signage Master Plan for the facility located at 300 5th Ave NE. Motion carried unanimously.

RESOLUTION NO. 2016-

A RESOLUTION APPROVING THE SIGNAGE MASTER PLAN FOR THE ALLINA HEALTH CLINIC ON THE PROPERTY LEGALLY DESCRIBED AS LOT 1, BLOCK 1, ANLAUF COMMERCIAL PARK 1ST ADDITION

WHEREAS, MSP Commercial has made application, on behalf of Allina Health, for Approval of a Signage Master Plan on the property legally described as Lot 1, Block 1, Anlauf Commercial Park 1st Addition, Isanti County, Minnesota; and,

WHEREAS, Section 16 Signs, of Zoning Ordinance No. 445, provides for the submittal of a Signage Master Plan for certain developments further described in Section 16 Signs; and,

WHEREAS, the Isanti Planning Commission reviewed the Signage Master Plan and concluded it meets the intent of the sign code at the regularly scheduled meeting on November 9th, 2016; and,

WHEREAS, the Isanti Planning Commission had recommended approval with the condition that landscaping be install at the base of the signs as required by code; and,

WHEREAS, the City Council reviewed the Signage Master Plan request at its meeting on November 15th, 2016; and,

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, that the requested Signage Master Plan Approval from MSP Commercial, on behalf of Allina Health, be approved with the following conditions:

1. Landscaping shall be installed at the base of the signs as required by code.

Adopted by the Isanti City Council on this 15th day of November 2016.

Section 16 Signs

Subdivision 13: Signage Master Plans *(Ord. No. 595)*

A. Purpose. The purpose of a signage master plan is to establish a fair and equitable process for complex signage situations that accommodate the need for a well-maintained, safe, and attractive community, and the need for effective communications including business identification.

B. Entities subject to this section are as outlined below:
   1. Sports/Recreation Facilities. To include, soccer fields, sports arenas, baseball fields, and other similar uses.
      a. Additional signage may be permitted with the submittal of a signage master plan, recommendation by the Park, Recreation, and Culture Board, and approval by the City Council.
      b. Special events must submit an application for temporary signage as part of the Special Event Permitting process.
      c. No advertisements for products or services detrimental or inappropriate to the health or welfare of children including, but not limited to, alcoholic beverages, tobacco products, adult entertainment, gambling, or questionable content will be permitted.
   2. Hospitals.
   3. Businesses with campus-like settings.
   4. Colleges
   5. Strip malls or office complexes, with two (2) or more tenants, constructed after December 2014.
   6. Other similar facilities.

C. Review. Master sign plans shall follow the Application for Permit process as outlined in Subdivision 12(B), in addition to a recommendation for approval by the appropriate committee and approval by the City Council. Park and recreation facility sign plans shall be reviewed by the Park, Recreation, and Culture Board, all other facilities shall be reviewed by the Planning Commission prior to City Council approval.

Request for City Council Action

To: Mayor Wimmer and City Council Members

From: Jackie Fisher, Finance Director

Date: November 8, 2016

Subject: Consider Resolution Approving Certification of Delinquent Charges for City Services and Unpaid Nuisance Abatement Charges Collectible in 2017

Background:
Listings of unpaid charges for delinquent city services (water/sewer/storm, snow removal, and mowing) and unpaid nuisance abatement charges are attached (Attachment A and B, respectively). Added to the unpaid charges will be a $30.00 assessment fee per account. The total assessments will be levied against the property and collected with taxes payable in 2017.

The list reflects amounts included in prior invoicing/notifications and not paid as of November 1, 2016.

Current Action:
Consider Resolution Approving Certification of Delinquent Charges for City Services and Unpaid Nuisance Abatement Charges Collectible in 2017

Attachments:
List of Delinquent Charges for City Services
List of Unpaid Charges for Nuisance Abatement
Resolution Approving Certification of Delinquent Charges for City Services and Unpaid Nuisance Abatement Charges Collectible in 2017

RESOLUTION NO. 2016-XXX

A RESOLUTION APPROVING CERTIFICATION OF DELINQUENT CHARGES FOR CITY SERVICES AND UNPAID NUISANCE ABATEMENT CHARGES COLLECTIBLE IN 2017

WHEREAS, pursuant to City Code § 260-10.B. and § 325-7.C., all accounts more than 30 days past due as of September 30, 2016, and the same having been properly billed to the owner or occupant of the premises served, may be certified by the City Clerk as unpaid and delinquent to the County Auditor; and

WHEREAS, pursuant to City Code § 216-7 Recovery of Cost, B. Assessment, all accounts past due for year 2016, and the same having been properly billed to the owner or occupant of the premises served, may be certified by the City Clerk as unpaid and delinquent to the County Auditor.

NOW THEREFORE BE IT RESOLVED by the City Council of the City of Isanti, Minnesota as follows:

1. That the list of delinquent charges for city services (Attachment 'A'), a copy of which is attached hereto and made a part hereof, identifies the amount of the delinquent water, sewer, and storm, snow removal and lawn abatement charges that are to be levied against said properties for taxes payable year 2017.

2. That the unpaid charges for nuisance abatement (Attachment 'B'), a copy of which is attached hereto and made a part hereof, identifies the amount of unpaid nuisance abatement charges that are to be levied against said properties for taxes payable year 2017.

3. The City Clerk shall forthwith transmit a certified duplicate of these listings (delinquent charges for city services and unpaid charges for nuisance abatement) to the county auditor to be extended on the property tax lists of the county. Such assessments shall be collected and paid over in the same manner as other municipal taxes.

This resolution was duly adopted by the Isanti City Council this 15th day of November 2016.

MEMORANDUM

Date: November 7, 2016

To: Honorable Mayor Wimmer and Members of the City Council

From: Bradley C. DeWolf, P.E. (BCD)

Subject: Implementation of MS4 General Stormwater Permit – Phase 2 & Phase 3
City of Isanti, MN

When the Part 2 Application for MS4 General Stormwater Permit was submitted on September 20, 2016 it began the implementation schedule to enact/adopt/enforce all of the elements of the permit. Some of these elements are required to be completed within 6-months of submitting the Part 2 Application, other items are required to be completed 12-months, 24-months, and 36-months after submittal.

Phase 2 and Phase 3 need to be completed within 12 months of the Part 2 application submittal. Here is a summary of the primary items that are required:

Phase 2 (Within 6-Months) March 20, 2017 Deadline
- Update City Ordinances to Comply with the Permit
- Establish Construction Site Stormwater Runoff Control Practices
- Begin Construction Enforcement

Phase 3 (Within 12-Months) September 20, 2017 Deadline
- Adopt Illicit Discharge Updates
- Develop Staff Training Program
- Phase in Staff Training Program

Once Phases 2 and 3 are complete we will submit a fee proposal to complete the full implementation of the permit by September 20, 2019.

We propose to assist the City in implementing Phase 2 and Phase 3, meeting all deadlines through September 20, 2017 for a not to exceed, hourly fee of $14,850.

The Finance Committee has reviewed this proposal and recommends Council approval.

Please contact me at (612) 756-1032 if you have any questions or need additional information.

Bolton & Menk is an equal opportunity employer.

RESOLUTION NO. 2016 -

RESOLUTION APPROVING ENGINEERING PROPOSAL FOR MS4 STORMWATER PERMIT PART 2, PHASE 2 AND 3

WHEREAS, on February 25, 2015, the City received notice that they needed to complete the Municipal Separate Storm Sewer System (MS4) permit application per the designation as a MS4 community; and,

WHEREAS, there are two parts and multiple phases for the submittal deadlines of all the required permit documentation; and,

WHEREAS, with the approved assistance through Bolton and Menk, Inc., Part 1 was completed in March, 2015 and Part 2 application was submitted in September, 2016; and,

WHEREAS, Part 2 consists of five (5) phases of which phase two (2) is due by March 20, 2017 and phase (3) is due by September 20, 2017; and,

WHEREAS, engineering services by Bolton and Menk, Inc. for the proposed work is in the amount, not to exceed, $14,850.00; and,

WHEREAS, the Finance Committee met November 1, 2016 to discuss the proposal and work necessary for MS4 requirements and recommends approval; and,

WHEREAS, the funding source would be Stormwater – Engineering (303) in the total amount of $14,850.00;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to hereby accept the proposal from Bolton and Menk, Inc. for the required MS4 permit Part 2, phase 2 and 3, documentation and submittal by the deadlines per this Resolution in the total amount, not to exceed, $14,850.00. Funding is identified as Stormwater Fund, Engineering.

Adopted by the Isanti City Council this 15th day of November, 2016.

Attest: Mayor George A. Wimmer

MEMORANDUM

Date: November 7, 2016

To: Honorable Mayor Wimmer and Members of the City Council

From: Bradley C. DeWolf, P.E. (BCD)

Subject: Isanti Parkway Pavement Testing – AET Cost Proposal
City of Isanti, MN

In order to determine if Isanti Parkway NW from Whiskey Road NW to 3rd Avenue NW can be rated for commercial traffic pavement testing would be required. Multiple deflection tests would be performed on the pavement surface and two cores would be taken to determine the pavement section thickness and underlying soil.

AET has provided the attached quote to perform this analysis for a lump sum price of $3,575.00.

AET has also provided a quote for performing Ground Penetrating Radar (GPR) testing on the entire road segment in both directions to determine any variation in pavement thickness along the travel lanes. This extra cost is quoted at $500.

We feel the GPR is not needed to determine the rating of this road section.

This testing could be completed within 2 weeks of authorization, however, it cannot be performed on a frozen surface.

The Finance Committee has recommend approving the AET testing for the lump sum price of $3,575 and does not recommend approving the extra GPR work.

Please contact me at (612) 756-1032 if you have any questions or need additional information.

Bolton & Menk is an equal opportunity employer.

RESOLUTION NO. 2016-XXX

A RESOLUTION AUTHORIZING ISANTI PARKWAY SECTION PAVEMENT TESTING

WHEREAS, the City determined that the section of Isanti Parkway between 3rd Ave NW and Whiskey Rd NW had not been previously tested for commercial traffic; and,

WHEREAS, a quote was obtained by Bolton and Menk, Inc. for such services through American Engineering Testing, Inc. (AET) in the amount of $3,575.00; and,

WHEREAS, the Finance Committee met November 1, 2016 to discuss the proposal and scope of work and recommends approval; and,

WHEREAS, the funding source would be Streets – Engineering (303) in the total amount of $3,575.00;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to hereby accept the proposal from Bolton and Menk, Inc. and perform the material testing of Isanti Parkway in the section identified per this Resolution in the total amount, not to exceed, $3,575.00. Funding is identified as General Fund - Streets, Engineering.

Adopted by the Isanti City Council this 15th day of November, 2016.

RE: Proposal for Pavement Testing Services
Isanti Parkway from Whiskey Rd to 3rd Avenue
Isanti, Minnesota

Dear Mr. Cook:

Per your request, we are submitting this cost proposal for a roadway pavement testing and evaluation program to assist determining a road rating on the referenced roadway. It is American Engineering Testing, Inc.'s (AET) understanding there is approximately 0.25 miles of roadway that will require investigation.

Scope of Services
Please review the following proposed scope of services.

Field

- Perform falling weight deflectometer testing on the roadway. Testing will be done at approximately 100 foot intervals in two travelling directions using the standard 7 sensor Strategic Highway Research Program (SHRP) spacing and will be done at 6,000 and 9,000 lbs. force.
- Obtain 2 cores through the pavement, measure the thickness and obtain a sample of the base aggregate (if any), and sample the subgrade (maximum depth 24 inches). Backfill holes and patch with bituminous patching material.

Report

- Analyze the FWD data for rutting and fatigue load capacities of the roadway using the MnDOT mechanistic and empirical analysis procedure.
- Photograph the cores, classify the base aggregate and subgrade using AASHTO classification system.
- Prepare the engineering report including 1) discussing pavement condition and 2) recommendations for a road rating.

Fees
Our services will be performed on a lump sum basis for the work described above. We have established a total price of $3,575 for the FWD testing, field sampling, evaluation and recommendations.

Schedule
Based on our current backlog, we anticipate the field work can be completed within two weeks after the proposal has been approved, with the report to follow approximately 1 to 2 weeks later. However, our field work cannot be performed on frozen pavement.

Terms and Conditions and Acceptance
All AET Services are provided subject to the Terms and Conditions set forth in the enclosed Service Agreement—Terms and Conditions, which, upon acceptance of this proposal, are binding upon you as the Client requesting Services, and your successors, assignees, joint ventures and third-party beneficiaries. Please be advised that additional insured status is granted upon acceptance of the proposal.

AET requests written acceptance of this proposal in the Proposal Acceptance box below, but the following actions shall constitute your acceptance of this proposal together with the Terms and Conditions and Amendments: 1) issuing an authorizing purchase order for any of the Services described above, 2) authorizing AET's presence on site or 3) written or electronic notification for AET to proceed with any of the Services described in this proposal. Please indicate your acceptance of this proposal by signing below and returning a copy to us. When you accept this proposal, you represent that you are authorized to accept on behalf of the Client.

Remarks
If you have questions or need additional information, please contact me.

Sincerely,
American Engineering Testing, Inc.

City of Isanti
Economic Development Authority
Regular Meeting Minutes of
October 4, 2016
Isanti City Hall

1. Call to Order

The meeting was called to order by President Wimmer at 7:31 p.m.

a. Pledge of Allegiance

b. Roll Call

Commissioners Present: George Wimmer, Keith Dragisich, Ross Lorinser, Dan Collison, Paul Bergley, and Steve Lundeen

Commissioners Absent: Tara Hallberg

Staff Present: Economic Development Director Sean Sullivan

c. Agenda Modifications

2. Approval of Agenda

Motion to approve Agenda as presented by Lundeen, second by Collison, motion carried unanimously.

3. Approve Minutes of September 6, 2016 Regular Economic Development Meeting

Motion by Collison second by Bergley to approve the minutes for September 6, 2016. Motion carried unanimously.

4. Consider Request for Contribution to Minnesota Economic Development Foundation (MNEDF)

Economic Development Director Sullivan highlighted the staff memo and the history of City of Isanti Awards from the MNEDF for Interns and Training opportunities. Sullivan indicated that he has been the recipient of a scholarship for training for NDC and that the organization has done great things for economic development and provided a valuable service for the City of Isanti. He stated that this was not a budgeted item and that a funding source would need to be identified. Sullivan asked the EDA to consider supporting this organization with a donation.

Discussion ensued.

President Wimmer acknowledged that this was not a budgeted item but the Council does have the discretion to ad items such as this. He indicated that the General Fund, or other Funds that were possibly under budget, could be used for these type items.

Member Dragisich stated that he supported making a donation to the fund because the City had been a scholarship recipient multiple times.

Motion by Lundeen second by Dragisich to recommend to the City Council a donation of $1000 to be made to MNEDF and to refer to Finance Committee to identify that funding source. Motion carried unanimously.

5. Other Business / Updates / Communications

Sullivan highlighted items on the Staff Memo.

Lundeen informed the EDA that the construction traffic associated with Allina has not be ideal. A Stop sign was needed.

President Wimmer stated that it was part of the site plan and that Allina was responsible for putting a stop sign in and the City would reciprocate at the McDonald's development.

President Wimmer stated that Coborn's is looking to phase the gas station area. They want to do the pumps immediately and at some point would like to do the carwash.

President Wimmer informed the EDA that Governor Dayton visited SnoBear USA in Isanti and that we have a very good meeting about SnoBear USA, economic development and use of state programs.

Discussion about housing market and trends occurred. Thought was the season was wrapping up and that there still was sufficient lot inventory in the City.

PLANNING COMMISSION
MEETING MINUTES
OCTOBER 11, 2016

1. Meeting Opening.

A. Call to Order.

Cesafsky called the meeting to order at 7:00 p.m.

B. Pledge of Allegiance.

Everyone rose for the pledge of allegiance.

C. Roll Call.

Members Present: Paul Bergley, Wayne Traver, Greg Cesafsky, Steve Lundeen, and Jim Kennedy.

Members Absent: Jeff Duncan (no notice given)

Staff Present: Community Development Director, Roxanne Achman

Others Present: None

D. Agenda Modifications.

None.

2. Approval of Minutes from September 13, 2016 Planning Commission Meeting.

Cesafsky questioned if there were any comments or changes to the minutes.

Motion by Lundeen second by Bergley to approve the September 13th, 2016 Planning Commission Meeting Minutes. Motion was unanimously approved.

3. Public Hearings.

A. Request from TH Construction of Anoka Inc. for Final Plat approval of the Plat of Sun Prairie Second Addition, legally described as Outlot F, Sun Prairie First Addition, Isanti County, Isanti, Minnesota.

Cesafsky read the item into the minutes.

Achman presented the staff memo.

Cesafsky opened the public hearing.

The public hearing was closed.

Motion by Lundeen second by Bergley to recommend approval of the request from TH Construction of Anoka Inc. for Final Plat approval of the Plat of Sun Prairie Second Addition, legally described as Outlot F, Sun Prairie First Addition, Isanti County, Isanti, Minnesota based on the Findings of Fact and Conclusions and with the following conditions:

1. Upon approval of the Final Plat by the City Council, the City Clerk or his/her designee shall record it with the County Recorder's Office within ninety (90) days after the date of approval; otherwise, failure of the applicant to comply and submit the necessary items and fees for the recording of the Final Plat by the City shall be cause for revoking the City's approval and the Final Plat shall be considered void, unless the developer or applicant requests an extension, in writing and receives approval from the City Council. The City

Council may approve up to two (2) extensions for a term not to exceed one (1) additional year for each extension. Fees associated with the recording of the Final Plat will be charged back to the developer or subdivider.

2. The subdivider shall immediately upon approval, furnish the City Administrator or his/her designee with three (3) full size mylar transparencies of the Final Plat, two (2) for the County and one (1) for the City. Three (3) additional 11 inch by 17 inches mylar transparencies shall be given to the City Planner, the City Clerk, and Isanti County. No building permits shall be issued until these conditions have been complied with.

Motion carried unanimously.

B. Request from Kardo Properties, LLC, for approval of a Conditional Use Permit for Outdoor Storage located at 605 1st Ave NW, legally described as Lot 1, Block 2, Isanti Centennial Complex, Isanti County, Minnesota.

Cesafsky read the item into the minutes.

Achman presented the staff memo.

Cesafsky opened the public hearing. There was no one to speak on the item. The public hearing was closed.

Motion by Lundeen second by Bergley to recommend the approval of the request from Kardo Properties, LLC, for approval of a Conditional Use Permit for Outdoor Storage located at 605 1st Ave NW, legally described as Lot 1, Block 2, Isanti Centennial Complex, Isanti County, Minnesota based on the Finding of Fact and Conclusions and with the following conditions:

1. Outside storage areas shall be surfaced with bituminous, concrete, or other surfaces, including but not limited to crushed rock, Class 5, or recycled materials; as recommended by the Planning Commission and approved by the City Council.
2. All outside storage areas shall be effectively screened year-round, by a wall, fence, or densely planted vegetation in accordance with Section 15 of this Ordinance.

Motion carried unanimously.

4. Other Business.

A. None.

5. Discussion Items.

A. None.

6. Adjournment

Motion by Bergley second by Kennedy to adjourn the October 11th, 2016 meeting of the Planning Commission. Motion was unanimously approved.

The meeting adjourned at 7:05 p.m.

Dated at Isanti, Minnesota this 11th day of October 2016.

Respectfully submitted,

RESOLUTION 2016-

A RESOLUTION APPROVING A REFUND CHECK BE WRITTEN TO THE CITY OF CAMBRIDGE FOR EXCESS FUNDS CONTRIBUTED FOR THE TWO CITIES, ONE COMMUNITY EVENT

WHEREAS, the City of Isanti and City of Cambridge, hosted a joint event "Two Cities, One Community" which consisted of a 5K, Run/Walk/Bike and family festival event on Saturday, September 10, 2016; and,

WHEREAS, per Resolution 2016-024 funding for this event was not to exceed $5400.00 and would be shared with a 50/50 split between the City of Isanti and the City of Cambridge; and,

WHEREAS, the City of Cambridge contributed $2,275.00 directly to the City of Isanti's event fund, $150.00 deposit to the magician hired for the event, and $300.00 for their Public Works time for a total of $2725.00 (half of the event budget of $5450.00); and,

WHEREAS, the expenses paid from the C-I Joint Event Fund were $2,506.57, resulting in the City of Isanti responsible for $1,253.29 and the City of Cambridge responsible for $1,253.28; and,

WHEREAS, the City of Cambridge contributed $2,275.00 to the C-I Joint Event Fund, but only $1,253.28 of that was needed for the event, so a refund of $1,021.72 is needed;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, to hereby approve a check be written to the City of Cambridge for the excess funds contributed to the C-I Joint Event Fund for the "Two Cities, One Community" event held September 10, 2016 in the amount of $1,021.72.

This Resolution hereby approved by the Isanti City Council this 15th day of November 2016.

Attest: _____ Mayor George A. Wimmer

Request for Council Action

MEMO

To: **Mayor Wimmer and City Council Members**
From: Chief Gene C. Hill
Date: November 3, 2016
Subject: Purchase Two New Shotguns

Background:

In March of this year the City Council allowed the sale of legally seized / forfeited firearms in order to purchase two (2) updated shotguns for the police cars. The proceeds of the seized guns were applied as a credit towards the purchase of these shotguns and the balance of that purchase was paid from the Isanti Police Forfeiture Fund. A shotgun is a necessary piece of equipment and fulfills multiple rolls within the department. It was stated in March that when funds would allow the purchase of two additional shotguns, a recommendation to the Finance Committee would be brought forward. The city has four marked police cars and it is essential to have them identically outfitted. We do have two older shotguns still in service in these vehicles that have meet their life expectancy. By purchasing these two additional shotguns, all the officers would be using the same weapon system no matter what marked squad car they happen to be in, ultimately reducing accidental liabilities.

The department firearms instructors and our range master have selected the Kel-Tec KSG shotgun to fit the department's needs now and into the future in regards to fit requirements for its wide range in stature of its officers. The reason this weapon fits those needs is because of the 'bull-pup' design of the weapon, making it shorter than a traditional shotgun.

The shotgun would be purchased at wholesale pricing and the inclusion of night sights, adjustable down grip handle and sling would bring the total of each weapon to approximately $1,100.00. I am requesting that we purchase two (2) of these weapons which would be funded entirely from the forfeiture fund. As a note, $2500.00 was recently deposited into this account and two more vehicles will be sold at auction on December 10, 2016. The proceeds from this sale will also be deposited into the Forfeiture Fund. Also, the consideration that in 2017's budget, $6K would come from this account to fund other purchases…this would not jeopardize that budget action.

Action:

For the City Council to authorize its Chief of Police to move forward with a purchasing two (2) Kel - Tec KSG modern police shotguns as stated above to be funded through the PD Forfeiture Fund.

Thank you for your consideration
Chief Gene C. Hill

RESOLUTION NO. 2016-_____

A RESOLUTION AUTHORIZING THE PURCHASE OF TWO NEW KEL-TEC MODERN POLICE SHOTGUNS.

WHEREAS, the Police Department has forfeiture funds that allow the purchase of equipment that can be used during the lawful course of police work, and;

WHEREAS, this purchase would replace two older shotguns that have meet their life expectancy for law enforcement reliability and use, and;

WHEREAS, the purchase of two (2) Kel-Tec KSG modern shotguns tone purchased to upgrade current shotguns and be mounted for use within its police cars, and;

WHEREAS, the purchase will be funded through the police department's forfeiture fund, and;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota as follows:

1. That the City Council authorizes the Chief of Police to purchase and outfit two (2) new KEL-TEC modern police shotguns for official purposes from S.H.R. Sales of Isanti.

Adopted by the Isanti City Council this 15th day of November, 2016.

Attest: _____
Mayor George A. Wimmer

_____
Lindsey Giese
Human Resources/City Clerk

The KSG is our first entry into the shotgun market. The size, shape and design are similar to the currently available Kel-Tec RFB rifle, but the KSG ejects downward, instead of forward. The KSG weighs 6.9lbs and is as compact as legally possible with a 26.1" overall length and an 18.5" cylinder bore barrel. Even with this compact size, the internal dual tube magazines hold an impressive 6 rounds of 12 gage 3" shells each, for a total capacity of 6+6+1 (7 per tube if using 2-3/4" shells). The simple and reliable pump action feeds from either the left or right tube. The feed side is manually selected by a lever located behind the trigger guard. The lever can be positioned in the center detent in order to easily clear the chamber without feeding another round from either magazine. A cross bolt style safety blocks the sear, and the pump release lever is located in front of the trigger guard.

The pump includes an under Picatinny rail for the mounting of a forward grip, or a light or laser. The included top Picatinny sight rail will accept many types of optics or iron sights. Forward and rear sling loops are built in, and a basic sling is included. The soft rubber butt pad helps to tame recoil.

ORDINANCE NO. ____

AN ORDINANCE TO APPOINT FINANCE DIRECTOR AS CITY TREASURER

WHEREAS, the City of Isanti is a statutory Plan A city; and

WHEREAS, State Statute 412.591, allows statutory Plan A cities to adopt an ordinance regarding the combining or un-combining City Clerk and City Treasurer positions; and

WHEREAS, the City Council adopted Ordinance No. 641 on April 19, 2016, temporarily combining the Offices of City Clerk and City Treasurer due to resignation of the City's former Finance Director and a vacancy in the City Clerk's office; and

WHEREAS, a City Clerk was hired and undertook those duties on May 9, 2016, and per Ordinance No. 641, the City Administrator continued service as the City Treasurer, until a new Finance Director is hired and takes office; and

WHEREAS, Ms. Jacqueline Fisher was hired to serve as Finance Director for the City of Isanti and has taken office. It is part of the duties of the Finance Director to serve as City Treasurer, as per City Code Chapter 33-10:

NOW, THEREFORE, the City Council of the City of Isanti, Isanti County, State of Minnesota hereby ordains as follows:

Section 1. The City Council appoints City Finance Director Jacqueline Fisher as City Treasurer for the City of Isanti.

Section 2. Effective Date. This Ordinance shall take effect upon its passage and publication by law.

Adopted and passed by the Isanti City Council on this 15th day of November, 2016.

RESOLUTION NO. 2016-_____

RESOLUTION ENDING PROBATIONARY PERIOD AND PROMOTION TO FULL TIME PERMANENT EMPLOYEE STATUS FOR HUMAN RESOURCES/CITY CLERK LINDSEY GIESE

WHEREAS, the City offered employment to Ms. Lindsey (McInnis) Giese as the Human Resources/City Clerk for the City of Isanti with a start date of May 9, 2016; and

WHEREAS, the City of Isanti's Personnel Policy requires a six month probationary period for new employees of the City; and

WHEREAS, Ms. Lindsey Giese has successfully completed his probationary period and is recommended by her Supervisor, City Administrator Don Lorsung to place her as a permanent full time employee for the City of Isanti.

NOW THEREFORE BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ISANTI, MINNESOTA AS FOLLOWS:

1. That Ms. Lindsey Giese, effective from November 9, 2016 obtains permanent status as a full time employee of the City of Isanti in the position of Human Resources/City Clerk with all responsibilities and benefits of that position.

2. That the City Administrator is directed to forward an executed copy of this resolution to the employee and place a copy in the respective personnel files for future reference.

This resolution was duly adopted by the Isanti City Council this 15th day of November, 2016.

RESOLUTION NO. 2016-

A RESOLUTION APPROVING 2017 PARTNERSHIP WITH PARTNERS IN HEALTHY LIVING

WHEREAS, the City of Isanti remains dedicated to increasing awareness of an active lifestyle in the Community; and,

WHEREAS, city staff received approval from the City Council on January 5, 2016, Resolution 2016-005 to apply for grants pertaining to the community and farmers markets; and,

WHEREAS, the City of Isanti accepted a mini grant for $1000.00 from Partners in Healthy Living to support development of the community garden on June 7, 2016 and,

WHEREAS, the standing partnership agreement with Partners in Healthy Living is expiring; and,

WHEREAS, the City of Isanti has worked successfully with Partners in Healthy Living in the past, and would like to continue partnering in order to seek mini-grants up to $1000;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to:

1. Approve the partnership of the City of Isanti with Partners in Healthy Living.
2. Authorize the Public Services Director and Community Events Coordinator to sign the required documents to uphold the partnership agreement.

Adopted by the Isanti City Council on this 15th day of November, 2016.

City of Isanti
Economic Development Authority
Regular Meeting Minutes of
November 1, 2016
Isanti City Hall

1. Call to Order

The meeting was called to order by President Wimmer at 7:37 p.m.

a. Pledge of Allegiance

b. Roll Call

Commissioners Present: George Wimmer, Keith Dragisich, Ross Lorinser, Dan Collison, Paul Bergley, and Tara Hallberg

Commissioners Absent: Steve Lundeen

Staff Present: Economic Development Director Sean Sullivan

c. Agenda Modifications

2. Approval of Agenda

Motion to approve Agenda as presented by Lorinser, second by Collison, motion carried unanimously.

3. Approve Minutes of October 4, 2016 Regular Economic Development Meeting

Motion by Collison second by Lorinser to approve the minutes for October 4, 2016. Motion carried unanimously.

4. Review Framework for Marketing Initiatives and Strategy

Economic Development Director Sullivan highlighted items in the Framework for Marketing Initiatives and Strategy. Sullivan focused on examples of specific marketing efforts and the results that were generated. He stressed that the City was using multiple mediums to market to different audiences and that some if the efforts have been generating results. He also noted that there are many leads that are explored that end up not going anywhere. He stressed the fact that the most recent aerials are from 2011 and do not show the commercial, industrial and residential growth that has occurred which can be very misleading. Once aerials are flown the marketing materials produced will be more relevant. Building relationships with existing businesses and potential future business is key.

Discussion Ensued.

Isanti County Commissioner Warring indicated that Isanti County was looking at funding for new aerials to be flown in April 2017.

Members Dragisich and Collison indicated that they have seen posts on Linked In and that they were done well.

Consensus of the EDA was that Economic Development Director Sullivan was doing a great job and that the Economic Development Team should continue with the initiatives that were outlined in the strategy discussed and wait for the production of some marketing materials based on the new aerials to be flown.

No action was requested, none was taken.

5. Consider Advertising in North 65 Chamber – Isanti County Map

Economic Development Director Sullivan highlighted the staff memo touching on the history of the previous map done by the Cambridge Chamber of Commerce and the concept moving forward for the North 65 Chamber of Commerce. He acknowledged the disproportionate sizing of the Cambridge, Isanti and Braham maps in the Cambridge Chamber publication. He asked Melissa Bettendorf, President of the North 65 Chamber of Commerce, to have the maps be more proportional in the new North 65 Chamber of Commerce map being produced. Sullivan thought advertising in this map would be a good use of marketing dollars as long as the maps were proportional.

Discussion ensued.

President Wimmer expressed his dissatisfaction with the fact that there was not a mock-up done for the proposed map. He stressed that before the EDA should consider investment in this marketing medium the EDA needs to know what the final product will look like. He understood why the Cambridge Chamber of Commerce Map has Cambridge larger than Isanti but could not understand why Isanti was shown in an equal size to Braham. He has no interest in advertising in a map that does not show a true representation of the size of the City of Isanti and relation to the other cities in the individual map section.

Chamber President Melissa Bettendorf stated that she was unable to get a mock map done in time for the meeting and thanked Economic Development Director Sullivan for submitted corrections to the Isanti base map. They are in the draft stage she will provide a draft when available. She picked up this project which was started by Eric Champion some time ago and was trying to move it forward. She also indicated that the sizing of the maps should be adjusted.

Member Dragisich indicated that for the cost he thought investment in this map would be worth it as long as Isanti is shown nicely.

President Wimmer is concerned that if a map shows Isanti disproportionately small it will hurt Isanti. We are not the same size as Braham and it should not be represented that way. Proportionality is important.

Member Lorinser expressed the same concern as President Wimmer and that at times we have been viewed as the little brother of Cambridge and that we are not.

Discussion ensued.

Consensus by the EDA was to wait until a map proof was available showing the layout, content and sizing before considering whether or not to advertise in the map. It would then be reviewed, approved or denied by City Council when it's ready.

6. Other Business / Updates / Communications

Sullivan highlighted items on the Staff Memo.

President Wimmer indicated the Senator Klobuchar and Governor Dayton have shown interest in supporting programs like MIF and JCF in meetings the City has been present. These programs have been under attack and need to be supported. Sen. Klobuchar had some good suggestions regarding the Rail Industrial Park and customs from regional airports.

Member Dragisich asked about status of Coborn's project.

President Wimmer stated Coborn's submitted a site plan for the gas station, canopy and kiosk. Plans were not submitted for a convenience store and /or car wash. The car wash and convenience would come at a later date but is was not certain. From a business standpoint they are doing incredibly well.

A. Call to Order.

Cesafsky called the meeting to order at 7:00 p.m.

B. Pledge of Allegiance.

Everyone rose for the pledge of allegiance.

C. Roll Call.

Members Present: Paul Bergley, Wayne Traver, Greg Cesafsky, and Jim Kennedy.

Members Absent: Steve Lundeen (notice given)

Staff Present: Community Development Director, Roxanne Achman

Others Present: Clark Joslin, Isanti City Attorney

D. Agenda Modifications.

None.

2. Approval of Minutes from October 11, 2016 Planning Commission Meeting.

Cesafsky questioned if there were any comments or changes to the minutes.

Motion by Kennedy second by Bergley to approve the October 11th, 2016 Planning Commission Meeting Minutes. Motion was unanimously approved.

3. Public Hearings.

A. Request from O'Reilly Auto Enterprises, LLC, for Site Plan and Building Appearance approval of a Retail Auto Parts Store on the property located at 101 6th Ave NE, legally described as Lot 2, Block 1, Isanti Commons Second Addition, Isanti, Minnesota.

Cesafsky read the item into the minutes.

Achman presented the staff memo.

Cesafsky opened the public hearing. There was no one to speak on the matter. The public hearing was closed.

Motion by Kennedy second by Bergley to recommend approval of the request from O'Reilly Auto Enterprises, LLC, for Site Plan and Building Appearance approval of a Retail Auto Parts Store on the property located at 101 6th Ave NE, legally described as Lot 2, Block 1, Isanti Commons Second Addition, Isanti, Minnesota based on the Findings of Fact and Conclusions and with the following conditions:

1. Revisions to the plans based review comments from the Community Development Director and City Engineer.

Motion carried unanimously.

B. Request from Rice Building Systems Inc., on behalf of Coborn's, for approval of an Amendment to the Site Plan and Conditional Use Permit approved through Resolution 2015-253, to allow for significant changes to the development located at 209 6th Ave NE, legally described as Lot 1, Block 1, Isanti Commons Second Addition, Isanti County, Isanti, Minnesota.

Cesafsky read the item into the minutes.

Achman presented the staff memo.

Cesafsky opened the public hearing.

Dave Meyer, Coborn's Representative, approached the podium to state he was available for questions and that he has a representative from Rice Companies along to answer questions as well.

Bergley asked if Mr. Meyer had met with the Mayor, Sean Sullivan and the Economic Development Authority.

Meyer stated that he had not met with the EDA, but had spoken with the Mayor about the change.

Bergley stated the matter had been discussed at City Council and he was under the impression that the convenience store was going away, but because the water was installed for the car wash, that the car wash would still be installed.

Meyer stated that he had informed the Mayor that would be the intent, but he wasn't going to promise it will get done at the same time. It's an economic decision at this point because the tanks are in the ground and can be pumping gas relatively quickly. Coborn's is looking to install the car wash next year, but they don't want to say that for sure because they don't have the capital approved to do so at this time, but the infrastructure is there.

Bergley stated that this matter will be forwarded on to the City Council and the matter can be further discussed there. Bergley mentioned that it was his impression that the City wanted to see the car wash installed because the infrastructure was there the City wanted the water to be used. He was under the impression there was a compromise that the convenience store didn't need to be built but the car wash did.

Meyer informed the Planning Commission that their short-term intent would be to do that, but the plans at this time are just to finish the gas canopy area.

Bergley stated he had no further questions.

The public hearing was closed.

Motion by Kennedy second by Bergley to recommend approval of the request from Rice Building Systems Inc., on behalf of Coborn's, for approval of an Amendment to the Site Plan and Conditional Use Permit approved through Resolution 2015-253, to allow for significant changes to the development located at 209 6th Ave NE, legally described as Lot 1, Block 1, Isanti Commons Second Addition, Isanti County, Isanti, Minnesota based on the Findings of Fact and Conclusions and with the following conditions:

1. Resubmittal and approval shall be required for the future construction of the convenience store and/or car wash.

Motion carried unanimously.

C. Request from the City of Isanti to Amend Ordinance No. 445 Zoning, Section 7 Business Districts, Section 11 Overlay Districts to include Article 5: "H65" Highway 65 Corridor Overlay District, and Section 12 Tier One Districts and Amend the Zoning Map to Include Specified Properties Zoned B-2 and T1-B along Highway 65 within the Highway 65 Corridor Overlay District.

Cesafsky read the item into the minutes.

Achman presented the staff memo and a full summary of the ordinance.

Cesafsky opened the public hearing.

Brian Strike, 409 Broadway St SE, Strike Funeral Home, wanted to express his concern over the zoning change and the overlay. He stated that his parents, Hugo and Elaine Strike, had dropped off a letter to the Planning Commission earlier in the week. Strike stated that his concern is that their businesses hands will be tied and they won't be able to make any structural changes to their building, which is a concern for them. He mentioned that they've completed some remodeling and are in good shape right now, but the zoning change is forever. Strike stated he has no immediate plans for the building but something similar to what they did in Cambridge may be a possibility at some point. They bumped the building out by three feet to accommodate more DVD programs; changing things to meet the public's needs. Strike described a few things that may be future projects for their building; covering the garage, adding on to the lobby. Change is critical in a business to be able to grow long term. He stated they could still redecorate, but they couldn't do anything substantial. It was stated that if a business doesn't change over time, they are at a severe disadvantage. Strike stated that he doesn't foresee another funeral home coming to Isanti, but then again, the City now has two grocery stores. Strikes informed the Planning Commission he understood that additional parking would be required and it will be a challenge to obtain it, but he hopes the City would help them find a way to make it work. It may be possible to put 8-10 more stalls on the existing lot. In addition, Strike felt it may be possible to work with the lot to the north of their business in order to obtain the additional parking. He stated that working with a neighboring business may help that lot develop as well. Strike explained that they have done it before with Walgreens in Cambridge. They obtained a permanent, exclusive easement for 13 parking spots from Walgreens. It wasn't required by the City, but Strikes wanted to provide more parking for their patrons. He further explained that actions like that are hard to do and they are expensive to do, but at least it's a possibility. Strike stated that's all the funeral home is asking for is a chance if and when they come up with a project. With the proposed ordinance, Strike felt they would have no chance to expand their business or parking. He stated that if they had even a small chance to work with someone who may develop north of them, it would be worth it. Strike went on to explain a few options he felt were worth the Planning Commission considering. One would be to include funeral home in the permitted uses within the district. Move the zoning across the street so that it would start right across from Strike Funeral Home. Lastly, add a condition for existing businesses that will become non-conforming uses within the district to have the ability to grow by at least 10 percent. Strikes stated he spoke with the Mayor about adding a provision for 10 percent, but after doing some calculations, Strike felt that 10 percent was light and that it should be more like 15 percent. They could live with 10 percent, but that is only about 620sf for their building. Strike stated that the only businesses excluded from the district are his and John Deere from his understanding so he felt allowing an increase in the business would only affect two businesses in the district.

Bergley asked Strike to repeat option number three.

Strike repeated option number three to allow some expansion and further stated that he is open to other options but would like the ability to make small changes to his building. He felt it would be reasonable to have that ability in the long run.

Traver asked if Strike's had any plans for future expansion.

Strike stated he doesn't foresee any plan in the next 3-5 years. They completed a major remodeling a few years ago. He explained some of the remodeling that has occurred at their Cambridge building. They have remodeled the Isanti business four or five times since it was built in 1965 and it's in pretty good shape, so, there are no immediate plans for changes to the building.

Bergley asked Strike if people can see his business pretty readily from the highway.

Strike said it is difficult to see from the highway. Their business is sometimes hard to find, but he felt it was a good transition from the commercial district to the residential district.

Bergley stated it was hard to see it when driving south, but was guessing the building wasn't visible at all when driving north. Bergley further commented that from an aesthetic point, the building is nice looking and he wouldn't be ashamed to have it along Highway 65. Bergley stated that since it's not visible he's not sure why it's on the list.

Kennedy asked why the old businesses are involved with this district, they should all be grandfathered in.

Achman stated that the businesses are grandfathered in as far as use. They are allowed to remain; they just cannot expand. The business could stay there for 100 years if they chose. Kennedy asked why they couldn't expand. Achman explained that they are not a permitted use within the district.

Cesafsky asked if there was a reason funeral homes were excluded from the district.

Achman explained that the focus was to have uses that were draws to the community.

Bergley asked why the district boundary line couldn't change. He felt their building was aesthetically pleasing and they've been here 51 years. Bergley stated he wouldn't be very pleased if someone told him he couldn't expand his business.

Achman stated she wouldn't advise changing the boundaries of the district. That would be an obvious exclusion of a business to benefit them. She further stated they would need a rational reason to do so.

Bergley asked which of the options staff would advise them to choose.

Achman stated she would explain to them the research that was conducted. She informed the Planning Commission that the option to allow an expansion to non-conforming uses was explored deeply and found to not be in the city's best interest. The expansion to non-conforming uses would need to be allowed in all districts, which causes concern. The reason for rezoning's and businesses becoming non-conforming, is to change and shape the district. For example, 1st Ave NW in the downtown area has many houses that are non-conforming uses right now. If they were allowed to expand, the district would take much much longer to transform in to a downtown business district.

Bergley stated that the Planning Commission should place funeral homes within the permitted uses in the overlay district. He agrees with Mr. Strike in that he cannot imagine another funeral home coming in to the city, and furthermore, he hasn't seen an unpleasing funeral home. Bergley stated he wouldn't be ashamed to have their business expand. He stated another option would be to install some trees so the business wouldn't be seen from Highway 65.

Achman explained that it's not an aesthetic issue with funeral homes. There is nothing wrong with the way Strikes Funeral Home looks.

Bergley stated that's what it feels like with the way the ordinance is structured and that we want people to stop and view the city.

Achman further explained that the City wants to have businesses along the corridor that people want to stop at and visit; things that will pull people in.

Bergley felt that funeral homes were something that people stopped for and came to view.

Cesafsky felt that the overlay district was to protect the value of the city and to maintain a high-quality gateway into the city.

Kennedy said he can understand this for new businesses but not existing businesses.

Cesafsky asked how the new overlay district affects the changes that Strike Funeral Home can make today.

Achman stated that if funeral homes were permitted within the overlay district they would need to meet the aesthetics, which may not be an issue. There would still be issues that would need to be addressed such as the parking, setbacks, the fact that there is a residence attached to the business, which is a non-conforming use in the current district. It is still a non-conforming use of the property. The overlay district doesn't change things a lot for the funeral home.

Strike stated he couldn't expand at all with the overlay district.

Achman explained there are a number of issues with the property right now that would need to be worked out before anything could happen with this property.

Strike stated he would like to work with the city to figure something out. He stated he hopes the city would help with the parking issue.

Bergley stated he was confused and wanted to know how the overlay district affected Strike Funeral Home.

Achman explained that if the business is not a permitted use in the overlay district, they cannot expand. She further stated that right now they have performance standards that aren't met, which is making them non-conforming.

Bergley restated his understanding was that they can't expand as they sit right now. Achman confirmed.

Kennedy had questions on the fact that a residence was attached to the funeral home.

Strike explained that the home has always been a part of the business since it was constructed in 1965 and since residence are not a permitted use in the existing zoning district, they cannot expand. Achman confirmed that was correct.

Kennedy stated that it was permissible to construct that residence and business at the time it was constructed in 1965 and then an ordinance was passed and now he can't live there anymore. This isn't North Oaks. This is Isanti.

Strikes stated he received a permit for remodeling. Achman stated that remodeling is permitted. Expansion is not.

Cesafsky stated that as the business sits today, there are issues, but there's a chance for changes. With the rezoning, the door would be closed.

Bergley asked if a conditional use permit would be needed right now if they wanted to expand their business.

Traver asked if it was an option to table the items and gather more information.

Achman stated it would not be a conditional use permit. A variance would need to be granted in order to expand at this time. A variance from the required performance standards.
Clark stated that if the item is tabled it will delay action the City Council can take on the matter. The City Council will need a report and a recommendation one way or the other. What the law provides is that if the Planning Commission doesn't make a recommendation within 60 days from the date in which the matter was submitted to the Planning Commission, then the City Council could act.

Kennedy stated they could table the matter. Clark reiterated that would delay the action the City Council could take.

Bergley asked if there was a rush to implement the overlay district.

Achman stated that there has been considerable time and effort put into the ordinance. The matters have been reviewed with Mr. Strike. And the options for Mr. Strike have been vetted through. What is being presented is the recommendation by staff and others who have helped to draft the ordinance.

Bergley stated that Strikes letter makes it sound like there is some back and forth on the options, and he doesn't doubt that staff has put an effort forth in reviewing the options and meeting with Mr. Strike. He further stated that he hates to tell a business that has been in operation for 51 years with an exemplary reputation that they can't expand. He just wants to know that everything has been done and that everyone involved has been talked to.

Achman stated that out of everyone that was notified, Strike's the only opposition that we've received comments from. Staff has completed a lot of research and really does feel that the ordinance presented does provide for what is in best interest for the City of Isanti. Allowing for non-conforming uses to expand is not going to provide anything beneficial to the city.

Bergley stated he respectfully disagrees. He stated he feels the Strike Funeral Home is aesthetically pleasing and would be proud to have someone drive through and say they like the way Strike Funeral Home presented themselves.

Cesafsky asked it if would be possible to make a recommendation that the ordinance be approved with conditions, such as including funeral homes within the permitted uses. Achman stated it was possible. Cesafsky stated that he agrees with the overlay district but he can see where Bergley is coming from.

Kennedy stated he agrees with the ordinance for new businesses.

Travers stated that Strikes is not just a business, it's also a residence, and everything about it is non-conforming.

Cesafsky asked how Isanti County Equipment is affected.

Achman stated they would not be allowed to expand. They can remain there, but not expand.

Cesafsky asked what that business was classified as. Achman stated that they would have fallen under farm implement.

Bergley asked Strike if he would be happy being added to the permitted uses list. Strike confirmed that he would.

Dwight McCullough, part owner of BMC Auto at 444 E Dual Blvd, approached the podium and stated that his business is outside of the overlay district but he has concerns that one day they will be subject to the same standards down the road.

Bergley stated he's not concerned about the overlay district expanding. The purpose of the overlay is to make Isanti aesthetically pleasing from the highway. He stated he's been privy to a lot of the conversations and doesn't feel this will affect McCullough's business.

Achman stated she doesn't see any changes coming for that area any time soon.

Connie Anderson, 409 Shawn St SE, approached the podium to state that there is a concern in the neighborhood about what is going to happen to the homes along Candy Ave SE, Richard Ave SE and Shawn St SE. They are stuck on an island in the middle of a commercial district. Anderson stated that she understood the overlay district wouldn't affect the residence but wanted to know if coming down the road they be told they need to brick their house because they are right on the highway and very visible.

Achman stated she doesn't foresee anything like that coming along. She stated there hasn't been any discussions about changes to that area.

Anderson stated there is a commercial piece to the south of her, so she expects that a day will come along when the city wants that whole block to be commercial. She further stated that her neighbors have voiced a similar opinion.

Achman stated again that there have been no discussions of any matter like that.

Anderson asked if there was a reason the parcel between Palomino and Shawn Street is zoned commercial.

Clark stated it was zoned commercial because it was kiddy-corner from the commercial property on the opposite side of the street and there were commercial plans at that time to develop the property. It was determined under the comprehensive plan at that time that it was appropriate for that to be commercial.

Cesafsky asked in order to alleviate Andersons concerns, is it possible to rezone that residential area to commercial.

Clark stated that it would be possible but it's not in the comprehensive plan and there's no thought to even move in that direction. Clark stated that none of us can see what will happen down the road but there is no discussion of such possibility at this time. Clark further stated that it's important to know and clarify that zoning changes, such as what is being proposed, existing uses in place can remain in place as long as that use continues. It can be maintained and wouldn't be subject to the standards unless there is a change to the property. Then the property would be required to be brought into conformance. But a non-conforming use cannot be expanded on. There are two types of issues that are at play. One is the type of use of the property, as is the case with Strike Funeral Home. With the proposed ordinance, they would be allowed to continue to operate forever so long as they continue to operate without discontinuing for one year or more. The other thing that comes in to play, besides the use, is the performance standards. The building doesn't need to be improved unless the building is changed, for example, renovating the whole exterior of the building as opposed to just performing maintenance of it, then it would need to be brought up to the standards. The buildings can be maintained, but there cannot be an expansion of the footprint. That is how the term "grandfathering" or legal non-conforming came into use. You cannot put someone out of business without there being an eminent domain proceeding; there would have to be payment for the taking of the property. But that isn't what is being proposed here, just the zoning is changing.

Anderson asked why the property on the east side of the highway isn't part of the corridor. Achman clarified that it was residentially zoned.

Jerry Laase, Isanti Ready -Mix, 28103 Hwy 65, Isanti, approached the podium asking if he could expand as Tier 3.

Achman stated that Mr. Laase's business is already an existing non-conforming use. Laase asked if his business was now done after 40 years. Achman clarified that the rezoning that affected his property occurred a number of years ago when that area was taken into the city's zoning jurisdiction.

Laase stated that he's in Isanti County, not the City of Isanti. Achman reiterated that the City of Isanti has zoning jurisdiction over that area. Lasse stated that changes need to be made with the County Commissioners and County Planning Commission to go over the City's head to make the appropriate changes. He stated he now has 83 acres that he can't do anything with.

Clark stated he can continue to do business as he has been. Laase stated that the City is putting Strike out of business, to which Clark stated that Strike's is not being put out of business, they just cannot expand.

Laase said this cannot be voted in and continued to describe how the County needs to take back authority and that new County Commissioners need to be voted in. Laase and Kennedy continued discussions on voting and County Commissioners.

Cesafsky called the meeting to order.

Laase explained that he thought the overlay district was now only encompassing the part of his property closest to Highway 65. So, if the back part of his property is rented out, he doesn't need to go to the City for permission, he can go to the Township.

Achman clarified that he would still need permission from the City. She further explained that Laase's entire property is zoned Tier 1 – Business, not just a portion of it. The overlay district line is an arbitrary line that indicates that when, and if, the property develops, that section would be subject to the overlay district requirements. The boundary is in line with 6th Ave. Achman explained that Laase's property has been in the Tier 1 – Business District since at least the early 1990's.

Bergley informed Laase that he didn't think his issue is with the overlay, it's with a decision that was made many years ago.

Laase stated that his land is in Isanti Township. Achman confirmed that was true, but the City of Isanti has zoning jurisdiction over it.

Trey Laase, Isanti Ready-Mix, approached the podium to ask how they are expected to stay in business without being able to expand. Why does the City want to play the role of forcing businesses out? He felt there should be variances or expansions allowed.

Achman stated that Isanti Ready-Mix is already a non-conforming use that would not be allowed to expand. That was a decision that was made in the early 1990's. The overlay does not affect Isanti Ready-Mix because it's already a non-conforming use.

Trey Laase explained that they have never gone to the city meetings because they are in the township, not the city. He stated that it's looking like they may need to move out of Isanti if they want to expand their business. He further stated that it sounds like they missed something along the way that was important to them. Trey Laase stated he felt that any previous business shouldn't be under these regulations.

Bergley again restated that the decision on this property years ago. He stated that Isanti Ready-Mix can't expand base on something in the 1990's, not what's happening right now.

Jerry Laase restated that it comes down to the County Commissioners.

Clark clarified the County has no authority to "take it back". It's under city jurisdiction.

John Hendrickson, owner of 703 Heritage Blvd NE, approached the podium to ask about how the boundary line for the overlay district appears to split his property. Does the property have to be subdivided? Hendrickson stated he understood the front part of the property against Highway 65 would be subject to the overlay district, but wanted to know if the back portion of the property would also need to meet those requirements.

Achman explained that it would depend on how the property is split. Any property that is west of where 6th Ave would go would be subject to the overlay district standards and any property to the east of 6th Ave would be subject to the B-2 standards. The way the current boundary line is drawn, is to reflect where 6th Ave would be located based on ghost plats from years ago.

Hendrickson asked if he needed to split the property at this time or if it could sit until it was ready to be developed. Achman confirmed that it did not need to be split with the passing of the overlay district. Hendrickson asked if a large retail store such as Walmart could be within the overlay district. Achman stated that it would be an allowed use.

Cesafsky asked if there was anyone else from the public who wished to speak. Seeing no one, the public hearing was closed.

Bergley stated that with respect to the hard work that was put in by staff and others, in the drafting of the ordinance, he recommends the passing of the ordinance with the condition that funeral homes are a permitted use within the district.

Motion by Bergley second by Traver to recommend approval of the request from City of Isanti to Amend Ordinance No. 445 Zoning, Section 7 Business Districts and Section 11 Overlay Districts to include Article 5: "H65" Highway 65 Corridor Overlay District and to Amend the Zoning Map to Include Specified Properties Zoned B-2 and T1-B along Highway 65 within the Highway 65 Corridor Overlay District based on the Findings of Fact and Conclusions with the condition that Funeral Homes be a Permitted Use within the Highway 65 Corridor Overlay District. Motion carried 3-1 with Kennedy voting Nay.

4. Other Business.

A. Request from Allina Health and MSP Commercial for Approval of a Signage Master Plan for the facility located at 300 5th Ave NE.

Cesafsky read the item into the minutes.

Achman presented the staff memo.

Bergley asked if traffic was taken into consideration for the signs along Highway 65.

Achman stated they are set back quite always from the highway due to the amount of right-of-way.

Motion by Kennedy second by Cesafsky to recommend approval of the request from Allina Health and MSP Commercial for Approval of a Signage Master Plan for the facility located at 300 5th Ave NE. Motion carried unanimously.

5. Discussion Items.

A. None.

6. Adjournment

Motion by Bergley second by Kennedy to adjourn the November 9th, 2016 meeting of the Planning Commission. Motion was unanimously approved.

The meeting adjourned at 8:12 p.m.

Dated at Isanti, Minnesota this 9th day of November 2016.

Respectfully submitted,

_____

Roxanne Achman, AICP

MEMORANDUM

Date: November 9, 2016

To: Honorable Mayor Wimmer and Members of the City Council

From: Bradley C. DeWolf, P.E

Subject: Project Status Report
Isanti, MN
Project No.: R13.111162

Please find listed below a status report of the current projects in the City of Isanti:

1) **Palomino Road Preliminary Engineering Report**

We will determine right of way lines this month and begin drafting the report.

2) **Railroad Avenue Trail Infill Study**

We have surveyed the project area and are researching the parcels

3) **2017 Pavement Maintenance Project**

We will create the plans and specs for the option the City selects.

4) **MS4 Phase 2 & 3 Implementation**

Based on committee recommendation, we will bring a proposal to Council to aid the City in meeting the requirements of the MS4 permit for Phase 2 and Phase 3 of the implementation schedule.

5) **City Hall Parking Lot Expansion**

Final punchlist items have been addressed and the project will be closed out.

6) **Wastewater Treatment Improvements**

The Contractor plans to perform the following work this month:
- Construct masonry on the pretreatment building,
- Install piping from the new pretreatment building to the new control structure
- Install new aeration headers in pond #6
- Pour concrete channels inside the pretreatment building

7) **Whiskey Road Walk Infill Study**

We have created a draft report for City comment.

8) **1st Avenue Sidewalk & Curb Replacement**

We have created a draft plan set for City comment.

In addition to the current projects listed above we have completed and accepted 44 private developments and 48 city contracts since being selected as your City Engineer in 2008.

Please contact Brad or Jason if you have any questions.

Bolton & Menk is an equal opportunity employer.

   (Immediately following the City Council Meeting)
5. Planning Commission Meeting — Tuesday, December 13, 2016 at 7:00 p.m.

I. Council Committee Reports

Mayor Wimmer updated the Council on two items. The first is that Community Ed will no longer charge communities to help offset participant fees. A survey was conducted and it was found they were essentially the

only Community Ed Program in the State to subsidize fees this way. Mayor was informed that the prices will not be going up.

The second item the Mayor shared with the Council was regarding the housing trend. There have been approximately 59 housing permits to date. While comparing year-to-year home sales (new and existing), it was found the City had 196 homes sold in 2015 and this year we are at 244, which is approximately a 25% increase. It was interesting to note that Cambridge, a community less than five miles away has less than a one percent increase over last year. Also, in Isanti the average home sale prices have gone from $166,500 in 2015 to $184,233 in 2016. Cambridge averages in 2015 were $174,000 and up only to $177,000 in 2016. This is the first year, for the City of Isanti, that the trend has increased to that degree.

J. Public Hearings

None.

K. Business Items

City Administrator Don Lorsung

1. **Resolution 2016-335 Approving 2017 Community Garden Registration Schedule**

Motion by Lorinser, second by Bergley. Motion carried unanimously.

2. **Resolution 2016-336 Setting a Public Hearing to Annex a 41.99-acre parcel in Athens Township as Requested by Brennan and Rebecca Cox**

Motion by Lorinser, second by Collison. Motion carried unanimously.

3. **Resolution 2016-337 Approving the Site Plan and Building Appearance as requested by O'Reilly Auto Enterprises, LLC, for a Retail Auto Parts Store on the property located at 101 6th Ave NE**

Motion by Collison, second by Bergley. Motion carried unanimously.

4. **Resolution 2016-338 Approving an Amendment to the Site Plan and Conditional Use Permit as requested by Coborn's to allow for significant changes to the development located at 209 6th Ave NE**

Councilor Bergley had mentioned that at Planning Commission a comment was brought up about Coborn's having the City's water hooked up, that the City would want a car wash. The Mayor indicated that Coborn's is hooked up to City water like any other project would be, that nothing special was done for Coborn's, and further indicated that whatever structure they did on their lot is entirely theirs. There was nothing done from a municipal standpoint.

Motion by Lorinser, second by Bergley to approve the layout as proposed by Coborn's. Motion carried unanimously.

5. **Ordinance 2016-657 Approving the request from the City of Isanti to Amend Ordinance No. 445 Zoning to include Article 5: "H65" Highway 65 Corridor Overlay District to Section 11 Overlay Districts and Ordinance 2016-658 Approving the Rezoning of specified B-2 and T1-B properties along Highway 65**

There was much discussion in regards to intensity of use and non-conforming uses. Councilor Bergley stated that at the last Planning Commission it was discussed that a 51-year-old business, specifically Strike Funeral home, was requesting to be an allowed use. He indicated that the Planning Commission understands the intent of the Zoning ordinance and the focus on having Highway 65 follow criteria of standards, but that

Planning Commission discussed that they did not feel Strike Funeral home was visible and would impact those standards.

The Mayor responded to Bergley and explained that this is about the intensity of use, that this is only restricting the increase of expansion for Strike Funeral home. He also explained that the Strike is currently 17 parking spots short of where it should be, and that the storm water pond/holding pond is located on a residential lot which neither of those two things would ever be allowed. The Mayor indicated that even if this was an allowed use, that if they wanted to expand they would have to find a way to meet those building requirements, and with the space available he felt there was no realistic way that they would be able to do that. Mayor Wimmer further went on to explain that it's not about just the appearance but it's about the intensity of use. Which means that we want to have businesses in that overlay district that are going to provide more jobs, and more regular traffic for the City. He further explained that this business could stay where it is for however long it chooses to, but that this ordinance would restrict it from growing larger. The Mayor cautioned Council members that if they do list Funeral homes as a conforming use, that we would be setting a very dangerous precedence of "well, it still looks nice" which is what it boils down to.

Councilor Bergley further expressed that he heard about allowing Strike to maybe have a cap on the type of expansion they could have, something around 10%, which he heard Strike was okay with. He said he didn't understand why we couldn't allow that. Councilor Lorinser expressed that a very similar issue occurred in 2008, and that the goal is for the City to decide a standard on what we are going to do for certain districts. He further explained that allowing our non-conforming use locations to expand up to 10% would mean that it would set a precedence. And that every single non-conforming use in the City would then be allowed to expand up to 10%. Everyone, and every business, would have to be treated equally. Lorinser explained that it's never the intention to inconvenience a business, or inconvenience property owners, but that at some point we need to see the vision of our City expand and grow. Isanti has always been about growing our tax base and growing our City. Expanding our tax base allows us to provide further relief to the residents and if we can maximize the value on highway 65 we will do that.

The Mayor stressed that the goal is to try and move the City forward and try to do the best for everyone involved and if we can do that in such a way that would still allow them to do what they want in the future, then the City would support that. He further explained, that the matter was reviewed, and there did not seem to be a way to allow them to do so. The Mayor further stated that staff looked at what the implications would be to include funeral homes in as a permitted use and how it would affect other districts. He pointed out with the reasons given, every other non-conforming use in this City would come forward and ask why they are required to be considered non-conforming, but yet the City allowed funeral homes to. Mayor stated that those non-conforming use residents or business owners could make the same argument, that 'our property looks nice, we are taking care of it, etc.' The Mayor said that unfortunately when City officials are making these decisions, that they cannot always make everyone happy.

Councilor Lundeen expressed his view on the situation. He said that he does not understand why the funeral home cannot be grandfathered in, that he felt they were further than one block off highway 65 and that this entire zoning of the overlay district should not affect this business. Lundeen expressed that we should look further into trying to find possible ways for them to meet the requirements with parking, etc. He then stated that he did not understand what the big deal of allowing them to increase by 10% was. Further discussion ensued between the Mayor and Councilor Lundeen.

The Mayor further explained that these are decisions that need to be made to move the City forward. Councilor Bergley said that he is just trying to represent the residents and the City of Isanti. Bergley went on

to explain that after Planning Commission that everyone except for Jim Kennedy stuck around and talked. The Mayor interjected and said he hoped not, that if that is the case that would be a violation of the Open Meeting law. Bergley stated that they did. The Mayor said, that if that was in fact what happened, that the members would then need to be reprimanded because it is illegal for them to do that. He said that there will be follow up on the potential Open Meeting law violation, because this is something that is discussed every year, and that members of the boards should know they are not able to do that.

Motion by Lorinser to approve the ordinance as presented to the Planning Commission initially with funeral homes as non-conforming, second by Collison. Motion carried with a 3 -2 vote with Bergley and Lundeen voting nay.

6. **Resolution 2016-339 Approving the request from Allina Health and MSP Commercial for a Signage Master Plan for the facility located at 300 5th Ave NE**

Motion by Lorinser, second by Lundeen. Motion carried unanimously.

7. **Consider Resolution 2016-340 Approving Certification of Delinquent Charges for City Services and Unpaid Nuisance Abatement Charges Collectible in 2017**

Motion by Lorinser, second by Collison. Motion carried unanimously.

City Engineer Brad DeWolf

8. **Resolution 2016-341 Approving Engineering Proposal for MS4 Stormwater Permit Part 2, Phase 2 and 3**

Motion by Lundeen, second by Collison. Motion carried unanimously.

9. **Resolution 2016-342 Authorizing Isanti Parkway Section Pavement Testing**

Motion by Lorinser, second by Collison. Motion carried unanimously.

L. Approve Consent Agenda

1. Consider Accounts Payable in the Amount of $976,786.50 and Payroll in the amount of $91,471.18
2. Contractor's Pay Request No. 03 Wastewater Treatment Improvements in the Amount of $286,499.00
3. Final Meeting Minutes for the October 4, 2016 Economic Development Authority Meeting
4. Final Meeting Minutes for the October 11, 2016 Planning Commission Meeting
5. **Resolution 2016-343** Approving a Check Be Written to the City of Cambridge for Excess Funds Contributed for the Two Cities, One Community Event
6. **Resolution 2016-344** Authorizing the Purchase of Two New Kel-Tec Modern Police Shotguns
7. **Ordinance 2016-659** to Appoint Finance Director Jackie Fisher as City Treasurer
8. **Resolution 2016-345** Ending Probationary Period and Promotion to Full Time Permanent Employee Status for Human Resources/City Clerk Lindsey Giese
9. **Resolution 2016-346** Approving 2017 Partnership with Partners in Healthy Living

Motion by Lundeen, second by Lorinser. Motion carried unanimously.

Mayor Wimmer announced that the Council would go into a brief recess and instructed those at the meeting to clear the Chambers. Council would then go into closed session for City Administrator Don Lorsung's Annual Performance Review. The Mayor asked Administrator Lorsung if he wished to have his review open to the public. Lorsung indicated he preferred to have a closed session.

N. Closed Session

1. City Administrator Performance Review

At 7:43pm City Council went into closed session.

At 8:00 p.m. Council came out of closed session. Mayor Wimmer requested that City Attorney Clark Joslin provide a summary of the closed session. City Attorney stated that the annual performance review of City Administrator Don Lorsung was conducted. As has been the custom of past reviews, each member of the Council stated their perception of how Mr. Lorsung is performing. The consensus was that Don has done an excellent job and continues to do so. He handles his relationship with the public, elected officials and the City staff in a very professional manner.

Adjournment
Motion by Lundeen, second by Lorinser to adjourn. Motion carried unanimously. Meeting was adjourned at 8:02 p.m.

Respectfully Submitted,

Janice Lutterman

RESOLUTION NO. 2016-XXX

A RESOLUTION APPROVING A COST OF LIVING ADJUSTMENT (COLA) FOR NON-UNION EMPLOYEES

WHEREAS, Section 6 of the Personnel Policy provides that employees may receive a cost of living adjustment (COLA) to their wage on January 1st of each year if the COLA has been approved by resolution of the City Council for the given budget year; and

WHEREAS, the 2017 budget includes a COLA of 2.0% for non-union employees; and

NOW THEREFORE BE IT RESOLVED by the City Council of the City of Isanti, Minnesota to hereby approve a 2.0% Cost of Living Adjustment to all non-union employees for budget year 2017.

This resolution was duly adopted by the Isanti City Council this 6th day of December 2016.

Request for Council Action

To: Mayor Wimmer
Members of the City Council

From: Roxanne Achman, Community Development Director

Date: December 6, 2016

Subject: Consider the Lifting of the Moratorium as Provided by Ordinance No. 652 Relating to Uses Along the Highway 65 Corridor.

Background

A moratorium limiting the types of uses that could be constructed along Highway 65 on September 20, 2016 via Ordinance No. 652 by the City Council. Since that time, the Highway 65 Corridor Overlay District has been created and adopted in order to address the concerns outlined within the moratorium. With the adoption of the Highway 65 Corridor Overlay District, it is no longer necessary to have the moratorium in place.

Staff is requesting the consideration of the lifting of the moratorium as provided by Ord. No. 652.

Attachments:

- Ordinance No. XXX, Lifting the Moratorium
- Ordinance No. 652, Establishing the Moratorium

ORDINANCE NO. _____

AN ORDINANCE LIFTING THE MORATORIUM AS PROVIDED BY ORDINANCE NO. 652 RELATING TO TEMPORARILY PROHIBITING SPECIFIED COMMERCIAL USES WITHIN A SPECIFIC AREA BEING STUDIED WITHIN THE CITY OF ISANTI'S JURISDICTION, INCLUDING THE CORPORATE LIMITS AND THE TIER ONE AREA

THE CITY OF ISANTI DOES ORDAIN:

The Moratorium on the issuance of permits to temporarily prohibit specified commercial uses within a specific area being studied within the City of Isanti's Jurisdiction, including the corporate limits and the tier one are as provided for by Ordinance No. 652 is hereby lifted.

EFFECTIVE DATE

This Ordinance takes effect upon its passage and publication in the official newspaper of the City of Isanti.

Adopted by the City Council of the City of Isanti on this 6th day of December, 2016.

George A. Wimmer
Mayor

Effective Date: 12-14-2016

ORDINANCE NO. 652

INTERIM ORDINANCE PURSUANT TO MINNESOTA STATUTES SECTION 462.355, SUBDIVISION 4, TO ESTABLISH A MORATORIUM TEMPORARILY PROHIBITING SPECIFIED COMMERCIAL USES WITHIN A SPECIFIC AREA BEING STUDIED WITHIN THE CITY OF ISANTI'S JURISDICTION, INCLUDING THE CORPORATE LIMITS AND THE TIER ONE AREA

THE CITY OF ISANTI DOES ORDAIN:

SECTION 1. Preliminary Findings. Minnesota Statutes Section 462.355, Subdivision 4, authorizes municipalities to adopt an interim ordinance to regulate, restrict or prohibit any use, development, or subdivision for the purpose of protecting the planning process and the health, safety and welfare of its citizens.

SECTION 2. Statement of Policy. The City of Isanti finds that the City is presently conducting or has authorized a study to be conducted, or has scheduled a hearing to consider adoption or amendment of the comprehensive plan or official zoning controls. The City declares that this Interim Ordinance is established pursuant to the aforementioned statute.

There are substantial concerns with the uses permitted within the "B-2" General Business District as it relates to Highway 65 being a gateway into Isanti. The 2008 Comprehensive Plan states that this area "will truly define the community and let travelers know that they have entered a unique, vital and vibrant place." The City Council finds that the consequences of allowing certain uses may be incompatible with said long term planning goals for the Highway 65 corridor. And that such uses currently allowed in the "B-2" General Business District may not be consistent with the city's long term planning goals within said district goals for the Highway 65 corridor. Development along Highway 65 has recently gained momentum and has set a standard of superior commercial development attracting both residents and travelers alike. It is in the best interest of the City and it residents to attract such development, and to uphold a standard that has already been set by numerous existing and in-progress developments along the Highway 65 corridor.

SECTION 3. Prohibition.
In accordance with the findings and policy set forth in Sections 1 and 2 and pursuant to the authority of Minnesota Statues, Section 462.355, subd. 4, the following uses shall be prohibited from consideration and approval during the effective period of this Interim Ordinance: Agricultural sales and services, day care center, dry cleaning and laundromat, funeral home, locksmith, thrift store, tool / equipment rental facility (indoor and and/or with open sales lot), ambulance or medical carrier services, automobile sales and service, farm implement, household maintenance and small engine repair facilities, meat processing facilities, motor vehicle rental facilities, motor vehicle repair facilities, motor vehicle sales, stand-alone parking facilities, religious institutions, self-storage facility, social service facility, temporary patient/family housing, wholesale establishment, wind energy conversion systems, animal sales and services, commercial kennel, farmer's market, flea market, pawn shop, secondhand store, tattoo parlor / body piercing studio, adult uses, and educational institutions except existing educational facility

improvements and pending educational facility improvements previously approved by the City Council within the City's jurisdiction, including the corporate limits and the Tier One area.

SECTION 4. Duration. This Ordinance shall expire within one year of the passage of this Ordinance by the City Council, without City Council action, or it may be repealed earlier if the City Council determines that the requisite studies and ordinances have been completed and adopted and that the appropriate evaluation and action, including any necessary revisions of the zoning code, have been finalized. The duration of this Ordinance may be extended by adoption of a subsequent Ordinance for a total of not to exceed the statutory limits in Minn. Stat. 462.355, subdivision 4.

SECTION 5. Separability. Every section, provision, or part of this Ordinance is declared separable from every other section, provision or part; and if any section, provision, or part thereof or action taken hereunder shall be invalid, it shall not affect any other section, provision, or part.

SECTION 6. Publication. This Ordinance shall be published in the City's designated newspaper and shall be effective immediately.

Adopted by the City Council of the City of Isanti on this 20th day of September, 2016.

Request for City Council Action

To: Mayor Wimmer
Members of the City Council

From: Katie Everett
Community Events and Parks Coordinator

Date: December 6, 2016

Subject: Approval of 2017 Community Garden Handbook

Background:
Staff have updated the Community Garden handbook for 2017. Changes to the rules for 2017 will be minimal, however additional language was added to the community gardener responsibility section and now reads that community gardeners will "Maintain their plots through the end of the season and arrange for care of plots during vacation or other extended absence. In the event that a plot can no longer be maintained, gardeners will notify the City of Isanti as soon as possible."

Registrations dates, as approved by City Council at the November 15, 2016 are in included as follows:
February 6-10, 2017 – Returning gardeners reserving the same plots
February 13-17, 2017 – Returning gardeners reserving new plots
February 18 – June 1, 2017 – Open registration.

Another other change to note is the end of the 2017 garden season; staff discovered during the first season that the end of October is too late to keep the irrigation lines opens and noticed that many plots were finished ahead of this time. Staff believe a more appropriate end of the season will be October 15, 2017. The proposed season for the garden to be open is May 13 to October 15, 2017.

Parks, Recreation, and Culture Board Recommendation:
At its November 22, 2016 meeting, the PRC Board reviewed the updated handbook and recommends that it be approved as presented for the 2017 season.

Staff Request:
Staff is requesting the 2017 handbook be approved.

Attachments:
- 2017 Community Garden Handbook

2017 Plot Rental

Ground Plots - 10' x 10':
$15/100 ft² - reserve up to 3

Raised Beds (4'Wx8'Lx19"H):
$20

Elevated Beds (2'Wx4'Lx32"H; wheelchair accessible):
$20

Note: Registration priority will be given to City of Isanti residents. Priority for raised/ elevated beds will be given to those with mobility needs.

Important Dates

Registration Open
Feb. 6-10: Returning gardeners reserving the same plots
Feb. 13-17: Returning gardeners reserving new plots
Feb. 18-June 1: Open Registration

Season Kick-Off Party
May 11, 2017
6:00 pm

First Day to Garden
May 13, 2017

Last Day of Season
Oct. 15, 2017
(Plots need to be completely cleared no later than this day)

For questions regarding the Isanti Community Garden, please contact the Community Events and Parks Coordinator at 763-444-5512 or isantiparks@cityofisanti.us

Garden Safety Tips:

- Garden in pairs and/or bring a cell phone.
- Bring a water bottle and drink lots of water while you're working.
- Wear protective clothing (hats and lightweight long sleeves) and sunscreen.

Is there a problem in the garden?

- Report theft, vandalism and unusual activities to City of Isanti Staff.
- If you feel an immediate risk or need emergency assistance, call 911.

Isanti Community Garden

2017 Handbook

Isanti PARKS

Community Garden Rules

It is the goal of the City of Isanti to offer a high quality, safe, and accessible space for the public to enjoy the benefits of gardening. In order to achieve this, cooperation is required from all participants to contribute to a positive experience for themselves and other gardeners.

1. The City of Isanti will

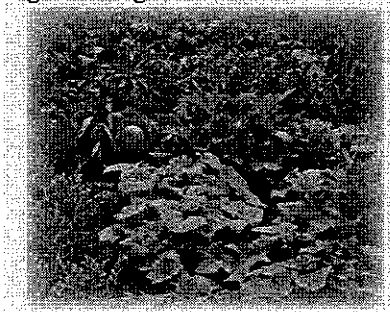
- Till the garden plots in the spring and fall.
- Provide access to water through spigots distributed around the garden.
- Stake out and number plots.
- Provide basic gardening tools, e.g. hoses, hand tools, and shovels, for use inside the community garden.

2. Community gardeners will

- Complete a plot reservation form and pay required fees.
- Administer adequate plot maintenance including: weeding, watering, and harvesting in a timely manner keeping the plot tidy and visually appealing.
- Maintain their plots through the end of the season and arrange for care of plots during vacation or other extended absence. In the event that a plot can no longer be maintained, gardeners will notify the City of Isanti as soon as possible.
- Abide by all Rules of Use of the Isanti Community Garden.
- Contribute to a positive experience with fellow garderners.

Rules of Use

- Plot reservations will be taken February 6, 2017 through June 1, 2017. (See "Important Dates" section for details). No refunds will be issued after May 1, 2017.
- The gardening season will begin May 13, 2017 and end October 15, 2017. (Dates are subject to change due to weather conditions.) All gardening must occur between dawn and dusk.



- Gardeners may allow others to garden at their plot, but the ultimate responsibility of plot maintenance and fees belong to the renter.
- Pets are not allowed inside the community garden. Service animals are allowed as needed.
- Children (under 15) in the community garden will be supervised at all times.
- Community garden plots are intended for personal use only. No commercial gardening is allowed.
- Garden plots may not be used to grow illegal plants, controlled substances, shrubs, or trees.
- All plants and temporary structures (ex: trellises) must be contained within the plot boundaries.
- The garden cannot technically be considered organic, but the use of commercial pesticides is not allowed. For a list of acceptable products, contact City of Isanti Staff.
- Garden debris should be placed in the provided compost bins and never in another plot or outside the garden area.
- When provided equipment is used, it must be returned in good condition to the shed. Gardeners should report any lost or damaged tools to City of Isanti staff immediately.
- If a plot is deemed abandoned, it will be reassigned at the discretion of the City of Isanti. A plot will be considered abandoned if any of the following occur:
  - The garden is not planted by June 11, 2017
  - No signs of maintenance
  - Weeds have gone to seed
  - Harvest rotting on vine
  - Gardener has not responded to inquiries from City of Isanti staff.
  - Gardener has not addressed issues within 7 days of being notified by City of Isanti Staff.

Notices:

The City of Isanti reserves the right to full access of all plots at all times to ensure that rules are being followed, and if necessary may terminate a plot rental for the safety and welfare of city property.

The City of Isanti assumes no liability for injury, damage, theft, or loss of property belonging to garden users before, during, or after rental.

RESOLUTION NO. 2016-XXX

A RESOLUTION APPROVING 2017 COMMUNITY GARDEN HANDBOOK

WHEREAS, the City of Isanti opened a community garden in 2016; and,

WHEREAS, members of the community are allowed to rent ground plots or raised bed spaces; and,

WHEREAS, staff have reviewed outcomes from the first season of the garden and made minor adjustments as needed; and,

WHEREAS, a handbook has been created for the garden including all rental fees and rules; and,

WHEREAS, at its November 22, 2016 meeting, the Parks, Recreation, and Culture Board reviewed the handbook and recommends that it be approved for 2017;

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Isanti, Minnesota to hereby approve the 2017 Community Garden handbook including rental fees and rules.

Adopted by the Isanti City Council this 6th day of December, 2017.

MEMORANDUM

Date: November 28, 2016

To: Honorable Mayor Wimmer and Members of the City Council

From: Bradley C. DeWolf, P.E.

Subject: Cajima Street NE & TH 65 Traffic Signal Justification Study
City of Isanti, MN

Bolton & Menk, Inc. is pleased to present this proposal for professional engineering services to perform a traffic signal justification study at the intersection of Cajima Street NE and TH 65.

We have prepared the following scope and fee estimate for the engineering evaluation and warrant analysis of TH 65 at Cajima Street NE.

We are proposing the following tasks:

Task 1 – Collect Turning Movement Counts at 6 intersections to determine area traffic patterns

- TH 65 at Cajima Street NE
- Heritage Boulevard at E Dual Boulevard NE
- Heritage Boulevard at 3rd Avenue NW
- Heritage Boulevard at TH 65
- Heritage Boulevard at Whiskey Road NW
- Isanti Parkway at E Dual Boulevard NE

Task 2 – Perform Traffic Signal Warrant Analysis following MnDOT Traffic Signal Warrant Calculations

Task 3 – Perform Intersection Crash Analysis for Cajima Street NE & TH 65

Task 4 – Perform Trip Generation Analysis to determine anticipated future traffic

Task 5 – Create Traffic Signal Justification Recommendation Memorandum Summarizing study results.

We propose to complete the traffic signal justification study for a not to exceed, hourly fee of $13,970.

Should the intersection warrant a traffic signal and the City chooses to proceed, we will prepare an Intersection Control Evaluation (ICE) Report required by MnDOT to consider a new signal, for a not to exceed, hourly fee of and additional $12,970.

The Finance Committee has reviewed the proposal and is recommending Council approval.

Please contact me at (612) 756-1032 if you have any questions or need additional information.

Bolton & Menk is an equal opportunity employer.

RESOLUTION NO. 2016-____

A RESOLUTION AUTHORIZING A TRAFFIC SIGNAL STUDY FOR THE INTERSECTION OF CAJIMA STREET NE & MINNESOTA TRUNK HIGHWAY 65

WHEREAS, the Development and Operations Committee reviewed the need for Traffic Signals at the intersection of Cajima Street NE & MN Highway 65 with the City Engineer; and,

WHEREAS, due to the increasing use of the intersection by highway and local traffic it was determined that the time had come for a study on the need to traffic signals; and,

WHEREAS, engineering services by Bolton and Menk, Inc. for the proposed Traffic Signal Justification Study would be in the amount, not to exceed, of $13,970.00; and,

WHEREAS, the funding source would be from the Signal Light Improvement Fund - 420 in the total amount of $13,970.00;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to hereby accept the proposal for a Traffic Signal Justification Study as stated above in the amount, not to exceed, $13,970.00.

Adopted by the Isanti City Council this 6th day of December, 2016.

CITY OF ISANTI
PARKS, RECREATION, AND CULTURE BOARD
MEETING MINUTES
October 25, 2016
Isanti City Hall and River Bluff Preserve

1. Meeting Opening.

A. Call to Order.
Zdon called the meeting to order at 6:00 p.m.

B. Pledge of Allegiance.
Everyone stood for the Pledge of Allegiance.

C. Roll Call.
Members Present: Jennifer Garvey, Mayor Wimmer, James Witte, and Aaron Zdon
Staff Present: Katie Everett, Community Events and Parks Coordinator

D. Agenda Modifications.
Zdon asked if there were any agenda modifications. There were none.

Motion by Wimmer, second by Witte to approve the October 25, 2016 Parks, Recreation, and Culture Board Agenda. Motion was unanimously approved.

2. Approval of Minutes from September 27, 2016 Parks, Recreation and Culture Board Meeting.

Motion by Wimmer. Second by Garvey. Vote was unanimously approved.

3. Tour of River Bluff Preserve

The group drove to River Bluff Preserve and walked the trails.

Wimmer explained on the walk out that the project to get vehicle traffic at Legacy Park stopped near the sign can continue. The bank was becoming uncooperative, but in further reviewing the easements that have been set for the property, the city has the permission it needs to move forward already. The temporary easement will stand until development begins on those parcels.

Mayor Wimmer and Everett explained how the trails were laid out and that the trails from the park connect through Martin's Landing up to the Isanti Middle School. Wimmer explained that Dan Golner from the MN DNR would like to see some signage at the bottom of the stairs that lead down to the river to indicate that it is a DNR approved project. Everett explained that she has contacted Golner about specifics for that signage and was told that he needs to meet with some people first and will get back to us when they have discussed it. At the bridge, Wimmer explained that there was some confusion with Golner about the bridge that we are using, but he and Everett believe that it will be allowed to stay. Everett explained that our goal is to get some longer ramps next year to help people get to the dock without having to go through so much mud. There was discussion about how well-used the bridge has been. Everett and Wimmer explained that the bridge has been used regularly since it was installed; Zdon and Witte stated that they have both seen kids heading that way with fishing poles on a regular basis as well. Garvey asked what the gates at the ends were there for; Everett explained that they are meant to keep ATVs off but are still wide enough for ADA accessibility. Wimmer also pointed out some areas along the trails north of the bridge where the ATVs have caused erosion issues; the city has installed bollards along

the trails to keep ATVs out which should help to stabilize these areas. Since those bollards have gone in, the ATV traffic seems to have declined greatly. The group walked back to the community garden via the switchback trail. Wimmer stated that Golner (DNR) also wanted more grass along this trail, but that has been a challenge with continued flooding this year. The upper portion of the switchback does have some grass starting to grow in.

4. Community Garden – Review and Updates for 2017

Everett stated that she would let the members read the memo for the majority of the updates to save some time, but there were a few points to bring up. The registration for this year was open to everyone from February 9 to June 1; however, there are many gardeners who would like to return next year to their same plots. In brainstorming with other staff, Everett recommended that there be three windows: February 6 to 10 for returning gardeners to reserve the same plots, February 13 to 17 for returning gardeners to reserve new plots, and February 18-June 1 open to everyone. Garvey questioned that if this system was in place, one person could potentially hold the same plot for several years. Wimmer explained that the goal is for people to be able to build the soil in consecutive years and to be able to feel some investment in their plots. The group discussed the schedule; Wimmer made a motion, Witte seconded to approve the recommended registration schedule for 2017.

Everett also asked the group to discuss what, if anything, should happen if someone does abandon their plots early in the year. Wimmer stated that the only way to collect any monetary fee would be to send someone through the civil court system or to assess their taxes, both of which would end up having much more money tied up in them. Everett asked if those things would be worth it and the group agreed that they would not. Garvey stated that those cases will likely be rare, as well. Everett stated that next year we will have our own tiller so that kind of maintenance will be easier. Garvey stated that she thought the best option would be to state clearly in the application language that people are responsible for their plots through a certain date. That said, things do come up in people's lives, so we should also state that if for some reason someone is no longer able to maintain their plot, they should let us know. In addition, as a consequence to someone who does not abide by these rules, an option is to not allow them to reserve a plot the next year. Everett stated that she thought that was a great idea, and asked if it would be for just the next year that they couldn't reserve a plot; Garvey stated that she would recommend that the language state the next year and then it could be reviewed if that became necessary. The group agreed that this would be a good plan moving ahead.

5. Tot Lot Renaming Contest

Everett stated that the city received three applications within the contest timeline and an email after the window closed. Garvey stated that she thought the late email entries should not be considered. Zdon agreed. Everett stated that the options then were "Hidden Adventure Park," "Isanti Hills Neighborhood Park," and "Viking Park." Zdon stated that he had preference from the options already. Wimmer asked him which one he liked best; Zdon stated that he liked Isanti Hills Neighborhood Park because that is the name of the development. The group agreed that they liked that option as well. Garvey made a motion and Witte seconded to recommend that the Isanti Tot Lot park be renamed the Isanti Hills Neighborhood Park. Garvey asked if we have any other parks that are named "neighborhood" parks. Wimmer stated that no, we don't. Zdon stated that he thought adding neighborhood into the name might help to create a sense of ownership for the people living there and help them connect to it. Garvey asked if there were delineations for what a neighborhood park could be. Everett stated that our comp. plan does define neighborhood parks, but thought that Tot Lot would fit within that definition. Wimmer stated that it would and that a neighborhood park is one that is accessible to residents without having to cross a major road. The group agreed that the benefit of calling it a neighborhood park was enough to keep it included in the name.

6. Parks Updates

Everett stated that the first movie night was a success, there were about 30 people there and the volunteer group came from St. Scholastica Academy. There are now six of the seven dates full for volunteer groups, and November is the only one open. Everett explained that St. Scholastica was the first group to get their application in and said they would cover additional nights if they didn't fill so Everett told them that if she didn't fill November by the end of this week, she would let them know so they could to that night too. The members said that was a good idea.

Everett stated that the Bike Isanti County Committee meeting is scheduled for November 2 and she has gone through the existing comp plan that they will need. Everett explained that she would like the group to talk about how the plan should be updated. Wimmer stated that it depends on what they wanted to update; if they just wanted to redo what was there or totally rewrite it. He also explained that the City comp plan will be redone in the next couple of years and it might make sense for the parks one to be done at the same time so they work together and mirror each other. The group agreed that this would make sense. Everett asked that if for now she could just make notes on the current plan to give to the county with updates of existing parks and projects in the works. Wimmer said yes.

Wimmer also stated that in the process of the county initiative for a master plan, there have been some ideas of rolling the Cambridge-Isanti Bike/Walk Trail committee into the Bike Isanti County. He said he would push back against this because of how much the cities have invested in the trail and the current system for maintaining the trail is working great. He would not want the trail to be handed over to the county. If there are additions to the trail that are developed and maintained by the county, that would be different.

Everett stated that the city has also been working with the Arts and Science Academy on the park that will be going in over there, and the last update she received was that the school was going to submit plans without a gym, but the rest of the agreements that were being developed would be the same. Wimmer stated that the school has been thinking about adding on a high school or a middle school/high school combination building to the north. This might be why they don't want to add the gym to the building they have. He is not sure how far they are in that process, but there would be a lot of planning that would be required on behalf of the school for plats, beyond just the school itself, that would need city approval. The discussion is ongoing.

Everett explained that the Bluebird climber equipment should be shipped this week. Mike from St. Croix has offered to come up personally to make sure it gets installed and has been great to work with in this process. Zdon asked if the company also did skate park equipment. Everett stated that she did not know, but it's possible. Zdon stated that he would look them up online. Zdon asked if the skate equipment was still going to be taken down this year, and Everett stated that she had not been informed of that plan changing but Public Works has been very busy with other projects. Zdon stated that it's good that it's still up now because we've still had great weather and it's still being used.

7. Adjournment

Motion by Witte, second by Wimmer to adjourn the October 25, 2016 meeting of the Parks, Recreation, and Culture Board. Motion was approved.

The meeting adjourned at 7:04 p.m.

Dated at Isanti, Minnesota this 25th day of October, 2016.

Respectfully submitted,

Katie Everett

RESOLUTION 2016-XXX

AUTHORIZING APPOINTMENT OF LIQUOR STORE MANAGER JACOBI TO SIT ON THE MMBA BOARD OF DIRECTORS

WHEREAS, the Minnesota Municipal Beverage Association (MMBA), established in 1934, is a statewide association of municipally owned and operated on-sale and off-sale alcohol beverage facilities serving the State of Minnesota; and,

WHEREAS, Liquor Store Manager John Jacobi has been asked to renew his seat on the MMBA Board of Directors; and,

WHEREAS, appointment to the MMBA Board of Directors will increase the relevance of Isanti within the organization and potentially the region; and,

WHEREAS, Jacobi's further involvement in this organization can lead to a greater benefit to the City of Isanti and it's Liquor Store.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to authorize Liquor Store Manager Jacobi to be appointed to the MBA Board of Directors for a three-year term beginning April 2017.

This Resolution hereby approved by the Isanti City Council this 6th day of December 2016.

MEMO

To: Mayor Wimmer and City Council

From: Don Lorsung, City Administrator

Date: November 23, 2016

Subject: Neighborhood Stabilization Program (NSP) Subordination Request

---

The City has received a request (see attached) from Anna and Rick Wegwerth. 1213 Blossom Boulevard NW, to subordinate their NSP repayment agreement/loan to a new primary loan (re-finance) for their home. The City has received and approved such requests from NSP recipients in the past. The proposed re-financing is in conformance with the City's Subordination Agreement Policy. The Finance Committee has reviewed this request.

Attached for your consideration is a Resolution to approve subordination of the NSP loan.

November 8, 2016

To: City of Isanti

We, Rick & Anna Wegwerth, plan to refinance the loan for 1213 Blossom Blvd NW with Tradition Mortgage. To complete the process, we will need to subordinate this mortgage with the City of Isanti.

Sincerely,

Rick Wegwerth

Anna Wegwerth

RESOLUTION 2016-____

A RESOLUTION APPROVING AN AGREEMENT FOR SUBORDINATION OF A NEIGHBORHOOD STABILIZATION PROGRAM LOAN

WHEREAS, on September 15, 2009 a mortgage agreement for a loan made under the Neighborhood Stabilization Program (NSP) was executed and that document was filed as Document Number 403147 in the office of the Isanti County Recorder on October 13, 2009 for the property located at 1213 Blossom Boulevard NW (Lot 2, Block 2, Villages on the Rum); and

WHEREAS, the party with the NSP mortgage is re-financing the primary mortgage for the house and needs to have the City of Isanti subordinate the NSP mortgage to the new primary mortgage; and,

WHEREAS, the party, Anna (Vick) Wegwerth and Rick Wegwerth, in conjunction and through their new lender, Tradition Mortgage Company, Inc., have been working with City staff on this matter and in conformance with the City of Isanti NSP Subordination Agreement Policy; and

WHEREAS, the Finance Committee has reviewed this request and is recommending approval of the subordination request subject to compliance with the NSP Subordination Agreement Policy:

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota authorize the execution of the NSP Subordination Agreement attached as Exhibit "A", with the condition that the NSP Subordination Agreement Policy is adhered to.

This Resolution hereby approved by the Isanti City Council this 6th day of December, 2016.

Exhibit A

NSP Subordination Agreement

WHEREAS, City of Isanti, possesses a valid and enforceable lien against the following described real property located in the County of Isanti, State of Minnesota, which is legally described as:

Lot 2 Block 2, Villages on the Rum, Isanti County, Minnesota

Which single lien was created in the Repayment Agreement; Statutory Short Form Mortgage between Anna (Vick) Wegwerth, mortgagor, in the original amount of $36,100.00, dated October 13, 2009, recorded October 13, 2009, as Document No. 403147, with the county Recorded in and for Isanti County, Minnesota.

WHEREAS, Anna and Rick Wegwerth have applied for a first mortgage loan from Tradition Mortgage Company, Inc.

WHEREAS, Tradition Mortgage Company, Inc. has indicated that it is unwilling to accept a Mortgage upon the above described real property in security for said loan unless the City of Isanti, shall subordinate its lien to the lien to be created by said Mortgage on said property.

NOW THEREFORE, in consideration of the premises and as an inducement to Tradition Mortgage Company, Inc. to accept said Mortgage, City of Isanti, hereby agrees to subordinate, and hereby does subordinate its said mortgage lien, now in the current amount of $10,228.33, against the above real property to the mortgage lien of Tradition Mortgage Company, Inc., dated _____ filed _____ as Document No. _____ against said property, said Mortgage in favor of Tradition Mortgage Company, Inc. to have the same validity force and effect as if executed, delivered, and recorded prior to the date of execution of said mortgage in favor of City of Isanti.

RESOLUTION 2016-

A RESOLUTION APPROVING INSTALLATION OF ISANTI INDOOR ARENA PUBLIC RESTROOM AND WARMING HOUSE DOOR HANDLES AND OCCUPANCY SENSORS

WHEREAS, the 2016 PRC budget included $6,600.00 (PRC-401) to have automatic locks installed at the Isanti Indoor Arena public restrooms and warming house; and,

WHEREAS, the automatic locks were installed for $2,850.00; and,

WHEREAS, upon installation, it was found that a different type of door handle should be installed on each door to ensure the locks will work as intended; and,

WHEREAS, in addition to new handles, city staff recommend that occupancy sensors be installed on the lights to prevent them from being left on for extended periods of time; and,

WHEREAS, the city contracted electrician, Isanti Electric, and the building's original locksmith, Vintage Lock, have provided estimates for the work as follows:

- Occupancy sensors (Isanti Electric) - $450.00
- Door handles (Vintage Lock) - $1,080.00

WHEREAS, the total cost to finish this work with 10% contingency, will not exceed $1,683.00; and,

WHEREAS, at its November 17, 2016 meeting, the Finance Committee recommended funding these projects with the remaining $3,750.00 from the amount originally budgeted for the locks;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, to hereby approve expenses not to exceed $1,683.00 for new handles and occupancy sensors for the Isanti Indoor Arena public restrooms and warming house from Parks, Recreation and Culture-401 Maintenance and Repairs – Buildings.

This Resolution hereby approved by the Isanti City Council this 6th day of December 2016.

CITY OF ISANTI
PARKS, RECREATION, AND CULTURE BOARD
MEETING MINUTES
November 22, 2016
City Council Chambers

1. Meeting Opening.

A. Call to Order.
Zdon called the meeting to order at 6:00 p.m.

B. Pledge of Allegiance.
Everyone stood for the Pledge of Allegiance.

C. Roll Call.
Members Present: Jennifer Garvey, Mayor Wimmer, James Witte, and Aaron Zdon
Staff Present: Katie Everett, Community Events and Parks Coordinator

D. Agenda Modifications.
Zdon asked if there were any agenda modifications. There were none.

Motion by Garvey, second by Witte to approve the November 22, 2016 Parks, Recreation, and Culture Board Agenda. Motion was unanimously approved.

2. Approval of Minutes from October 25, 2016 Parks, Recreation and Culture Board Meeting.

Motion by Wimmer. Second by Garvey. Vote was unanimously approved.

3. Community Garden 2017 Handbook

Everett explained that she took what we had from 2016 and put a picture of our real garden on it and updated some of the things that we talked about last time and put in new dates. One point that she wanted to highlight that was changed was on the wordy side [of the brochure] under "Community gardeners will": "maintain their plots through the end of the season and arrange for care of plots during vacation or other extended absence. In the event that a plot can no longer be maintained, gardeners will notify the City of Isanti as soon as possible" and that was to cover if somebody were to be done in July, we'd have this to say that it's yours to be taken care of until the end of the season. Everett said that if that goes with what the board was thinking she will keep it in there. Garvey agreed that it was. Everett stated that she updated the dates for the season; staff had talked about ending the season a little bit earlier next year because we ran into frost and things this year, and people were done for the most part at the beginning of October. Everett put in the handbook that the season would end October 15th next year. We didn't have a ton of people that just grew pumpkins or anything that they would be waiting for; Everett doesn't see a lot of people being upset about not having those extra couple weeks, and it makes more sense for having running water end at that time. Zdon agreed.

Everett stated that on the cover page, all of those dates are updated. Council did approve the registration period that the board discussed so that is set. Everett stated the kick-off party will be the pre-season meeting, and everyone can get together and we'll go over rules and that kind of thing, but a party sounded like more fun than a meeting, so hopefully people come. The first day to garden and last day to garden are listed there too. The gardeners also talked about doing more gatherings and those kinds of things during the summer, but Everett stated that if that's something she is going to coordinate, she'll do surveys to see when people can come after they're registered so that it's not just something she makes up and then no one can come. Those will be to be determined. Prices are the same; the rest of the rules are all the same.

Everett asked Mayor Wimmer if this should go to Council to get approved as well. Wimmer stated that it should. Garvey motioned to have the amended handbook brought to Council for approval, Wimmer seconded; the motion was unanimously approved.

4. Parks Updates

Everett stated that the second movie night was very snowy, but 32 people came. Garvey stated that was very good turnout for that night. Everett stated we had more people come to that one than the first one, and it was great to see all of those people come. The next movie is Elf and South Isanti Baptist Youth Group will be coming in to run that one. Everett stated that it's a great December movie so we should have a good turnout; they have invited a bunch of people on our Facebook event and that kind of thing too.

Everett stated that she and Mayor Wimmer went to the Bike Isanti County meeting, and the purpose of that meeting was to select who was going to do the master plan. They had a couple of proposals come in and the group weighed pros and cons of those. The committee chose one that has to go to the County Board for approval. Part of that process is going to be County staff making sure they have money for the proposal that the committee selected; they have the majority of it, but there definitely is a gap in funding there that they need to come up with. Wimmer stated that the proposal that was selected, he thought the County staff might have been leaning toward the other proposal because it was cheaper, but they only had one public meeting. The proposal that was selected has a meeting in each of the three cities, has more input from the public, it costs more, but there's more work to do and it's a good proposal that brings in a lot of public input, and hopefully the County Board will go with that recommendation. Everett stated that she did talk to them at the end of the meeting and it sounded like the county board will accept it as long as they find the money to cover it.

Wimmer stated that he had two updates. Council has goal setting in January, and there are two items from PRC that will be going there. One will be the dog park and the other is the outdoor hockey rink to see if there is commitment to either, and then making that a goal for Council to make that happen. He will let the board know if February.

Everett stated that she has been working with Josi [Public Services Director] on some inspection forms for each of the parks. There had been some started, but not really in a helpful way. It was a really long list that in most of our parks only a few of things apply. Everett has gone through the standard list and made it applicable to each of our parks, so it will be a checklist that she or someone from Public Works can go through every month to make sure things are being kept up and we don't end up with a big list of surprises again. That doesn't mean that things that are found will be budgeted, so there may still be discussions that need to be had, but at least we'll know more regularly what's going on and what needs to be replaced. That is a work in progress.

Everett stated that the Parks Brochure is coming. Basically, we'll just have to start over the next couple of months finding bands and scheduling them for Street Dances and getting programs for next year set. As far as she knows, that won't need to be done until the beginning of February so we have some time to work on it, but she wanted to put it on the Board's radar.

Everett stated that in discussions with other staff, the Arts and Science Academy is making some progress. We don't have anything finalized with them yet, but it sounds like wheels are turning, and hopefully we can get agreements settled so that things can move forward. Wimmer stated that they have their planning done, but it doesn't look like they're going to build a gymnasium that they were looking at initially so we are looking at doing something with the lot so we can split that off and put it to their existing primary lot. They are looking at doing a middle school, and then eventually a high school at

some point. They are moving forward on the park portion that we had discussed with them, but they have a couple of irons in the fire.

Everett stated that the Bluebird climbing equipment is here, but she hasn't gotten a hold of the guy from St. Croix who is supposed to come and put it back up. She asked if the board would be okay with it being put up in the spring so it doesn't just sit out there all winter, she doesn't know how much it gets used in the winter. If it makes sense to put it in next spring we can. The ground is not that frozen yet, so if we want to put it in now, she can get in touch with him. Wimmer stated he would recommend waiting until spring. Garvey agreed. Everett stated that she'll let them know, and she'll tell them to plan on being here as soon as it is spring to get it put back up.

Everett stated that the last thing she has is the vehicle traffic issue at Legacy. She had a map to pass around that shows what we're thinking needs to be done. We'll have a gate installed at the end of where the pavement is right now, and because of the easements that we're using, we'll have to tell people to use that access road to get in. The map shows where we will ask them to walk. Part of the process will be having Bolton and Menk redo the trail map for us so it shows that, so there is a cost involved with that as well. We'll need to make sure that we have sources for the funding for the engineering and for getting the equipment for the gate. Once we have that, in the springtime we can put the gate in. Everett passed the map around and explained that the ponds that are out there belong to the City so if people go about halfway up the road, there is already an easement. Wimmer stated that it is an access easement to the stormwater ponds for when the area gets built out. He explained that we tried for a while to get a closer in to where most people are walking, but we do have an access easement that will serve as our designated trail. The bank has kind of just shut down on working with us, and we aren't exactly sure why, but it is what it is at this point.

Everett stated that the only other thing she had was a letter for Zdon because his term is expiring at the end of the year. The opening has been posted.

Zdon stated that there is no meeting in December; Everett confirmed.

5. Adjournment

Motion by Wimmer, second by Witte to adjourn the November 22, 2016 meeting of the Parks, Recreation, and Culture Board. Motion was approved.

The meeting adjourned at 6:13 p.m.

Dated at Isanti, Minnesota this 22nd day of November, 2016.

Respectfully submitted,

Katie Everett

Subject: Consider 3-Month Extension for Senior Dining Contract

---

Background:
Catholic Charities, the organizing entity for Senior Dining, is currently paying $100/month for use of the Isanti Community Center. Senior Dining uses the building Monday-Friday from 10:30am-1:30pm. At the December 8, 2016 meeting, the Finance Committee reviewed the contract for 2017 that had been drafted by Catholic Charities.

The Finance Committee recommended that Senior Dining be charged $105/month in 2017. Staff forwarded the change to the organization. The organization has responded that it will have to determine where the extra funds will come from.

The Finance Committee also recommended some minor changes to the language of the contract. These changes were accepted by Senior Dining and are as follow:

- "III. All correspondence regarding this agreement will be between the Senior Dining Program Director and City of Isanti – ~~Don Lorsung, City Administrator~~ *Community Events and Parks Coordinator or designee*."
- Section IV add: "Senior Dining will be responsible for daily set up of the facility according to its preference."

Staff Request:
Staff is requesting that City Council extend the contract for the amount of $100/month for three (3) months, at which point a new contract will be submitted for approval at $105/month.

- Resolution 2016 – XXX
- Senior Dining Contract

CATHOLIC CHARITIES SENIOR DINING PROGRAM
SITE USE AGREEMENT

This site use agreement has been prepared for the purpose of defining the rules of the agencies involved in the development and operation of the Senior Dining Program in Isanti, Minnesota.

This agreement made this 1st day of January, 2017 by and between Isanti Community Center, 110 1st Ave, N, PO Box 428, Isanti, MN 55040 hereafter referred to as the Company and the Catholic Charities Senior Dining Program, 157 Roosevelt Road, Suite 200, City of St. Cloud and the State of Minnesota, hereafter called Senior Dining, in consideration of costs, covenants and agreements herein reserved and contained, do hereby agree each with the other as follows:

I. TERM OF AGREEMENT: The term of this agreement shall be in effect January 1, 2017 and continuing until either party deems it necessary to change specifications stated in the agreement. The agreement may be changed by either party upon 60 days written notice thereof to the other.

II. The Senior Dining Program agrees to pay $100.00 per month to help offset the costs of the operation.

III. All correspondence regarding this agreement will be between the Senior Dining Program Director and City of Isanti City of Isanti Community Events and Parks Coordinator. Any issues/concerns regarding this contract can be referred to Ruth Hunstiger, Director of Community Services, at 320-229-4592.

IV. Senior Dining agrees and shall abide, conform to and comply with all the laws of the United States and the State of Minnesota, and all of the ordinances of the City of Isanti Minnesota, together with all the rules and requirements of the Police and Fire Department of the City of Isanti, Minnesota. In addition, all rules and regulations by the Minnesota Department of Health will be complied with. A restaurant license, if required, will be procured yearly by Senior Dining.

V. Senior Dining usually observes the following holidays: New Year's Day, Good Friday, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day, and Christmas Day. Other days of closing will be determined by Senior Dining and the Company. Other dates Senior Dining will not occupy the facility are: February 22nd Blood Drive, April 20th Blood Drive, June 29th Blood Drive, August 24th Blood Drive, October 19th Blood Drive, December 21st Blood Drive and December 11-15th Isanti Lion's Christmas Project.

VI. Senior Dining agrees to restore the used facilities to ordinary cleanliness after use. Ordinary cleanliness is defined as leaving facilities in the same condition as they were prior to entering. Basic custodial services such as floor maintenance, window washing, cleaning of restrooms, washing and/or painting of walls, and snow removal are the responsibility of the Company. Senior Dining will be responsible for daily set up of the facility according to its preference.

VII. Senior Dining shall at it's own expense procure and maintain comprehensive general combined single limit liability coverage of One Million Dollars ($1,000,000.00) and Workers Compensation Insurance on all staff relating to the site mentioned above. Senior Dining shall hold the building owner harmless for damages or injury occurring on the rented premises for which Senior Dining is found liable.

VIII. The Company agrees to assume sole financial responsibility for the facility due to mechanical and electrical problems and to repair damage as a result of the above. Maintenance and repair costs of equipment owned by the Company will be the responsibility of the Company.

IX. In the event Senior Dining or the Company must cancel all or part of the terms of this agreement, both parties will provide the other agency sixty (60) days notice in writing. Upon written receipt by the Company from Catholic Charities Senior Dining, this agreement is subject to immediate termination by Senior Dining should federal, state or local dollars be reduced or withdrawn.

X. Senior Dining may use the kitchen and dining room during the hours of 10:30 a.m. to 1:30 p.m. Monday through Friday.

XI. The Company agrees to furnish Senior Dining information about insurance coverage and dollar value of each type of coverage carried which relates to the facility and persons using the facility.

RESOLUTION NO. 2016 -

A RESOLUTION TO EXTEND SITE USE AGREEMENT BETWEEN THE CITY OF ISANTI AND CATHOLIC CHARITIES

WHEREAS, Catholic Charities requests the City enter into a 2017 Site Use Agreement; and

WHEREAS, the agreement allows Catholic Charities Senior Dining Program to partner with the City to provide meals for seniors in the Isanti and surrounding communities; and

WHEREAS, the Isanti Community Center is the site location for the service; and,

WHEREAS, the hours of operation for the service are from 10:30 a.m. to 1:30 p.m.; and,

WHEREAS, due to increases costs associated with the operations of the facility, the City of Isanti will require an increase in the monthly fee to Senior Dining; and,

WHEREAS, in order to allow Catholic Charities ample time to budget for the increase, City of Isanti is agreeing to extend the rate of $100.00 per month for rental of the Isanti Community Center for three months; and,

WHEREAS, the term of the agreement will be January 1, 2017 – March 31, 2017; and,

WHEREAS, the agreement will be revisited prior to the expiration date, at which time the fee will increase to $105/month.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of Isanti, Minnesota, to approve entering into the 2017 Site Use Agreement with Catholic Charities, attached as Exhibit 'A', with the following conditions:

1) The 2017 Site Use Agreement, "Exhibit A," will be amended to expire on March 17, 2017.

This resolution was duly adopted by the Isanti City Council this 20th day of December 2016.

(In observance of the Christmas holiday)

I. Council Committee Reports

The Mayor informed the Council that we are up to 61 houses in 2016. The City had two permits that were pulled in the last week and a half and they are still trickling in. We look forward to more success in that area.

He also informed the Council that one of the statutory responsibilities for all Mayors and Councils in the State is that they are designated by law as the "Official Weed Inspectors". There continues to be more and more requirements and forms to fill out, specifically those for noxious weeds. The Mayor is allowed to designate that responsibility to someone else. He has designated our nuisance control person, Code Enforcement/Zoning Technician, therefore this requirement is being fulfilled. The Mayor just wanted to make sure the Council was aware.

J. Public Hearings

K. Business Items

1. **Establishing a Date for the City Council Goal Setting Meeting**

The Mayor explained that this meeting, in the past, has typically been held the last Monday in January. We usually begin at 8:00am and continues until it is completed. This year, being that there are five Mondays in January, we will meet instead on the fourth Monday, which is January 23rd. The Mayor requested to the Council that if there are any items they wish to add to the discussion list, to please get those to City Administrator Lorsung by the end of the first week of January. This allows staff time to do any necessary research, and the necessary information will be available for the meeting.

Motion by Lundeen, second by Collison to approve January 23, 2017 as the Goal Setting Meeting date with such meeting beginning at 8:00am until completion. Motion carried unanimously.

2. **Discussion of Use of City Property Adjacent to 12 West Main Street**

Mayor Wimmer explained this is the property where the City put in the connection from the alleyway out to Main Street. It has the gravel/stone area that is currently being parked on. Because it is not up to parking standards, and the City needs to fulfill the same obligations that are put on everybody else, it is being proposed to no longer allow parking there anymore. It's suggested that in the Spring we will grass it over and then mow it. The adjacent landowner, that is currently allowing parking, had been approached previously by the Railroad to see if they were interested in leasing it for parking and the City also offered to sell it to them at cost. The landowner declined both offers.

Motion by Lundeen, second by Bergley to no longer allow parking and in the Spring, grass the area. Motion carried unanimously.

Finance Director Jackie Fisher

3. **2017 Final Budget and Levy Presentation**

Finance Director Fisher explained there have been no changes since the Fall presentation in September. She displayed some slides highlighting varies items as outlined in the Final Budget proposal with Mayor Wimmer interjecting his thoughts as well. He also noted the Pavement Management Plan.

a. **Resolution 2016-347 Adopting the Final Budget for Year 2017**
b. **Resolution 2016-348 Adopting the Final 2016 Tax Levy, Collectible in 2017**
c. **Resolution 2016-349 Adopting the Final Budget for the Enterprise Funds for Year 2017**
d. **Resolution 2016-350 Approving a Cost of Living Adjustment (COLA) for Non-Union Employees**

Motion by Lundeen, second by Lorinser to approve Resolutions 2016-347, 2016-348, 2016-349 and 2016-350 as presented. Motion carried unanimously.

City Administrator Don Lorsung

4. **Ordinance 660 Lifting the Moratorium as Provided by Ordinance No. 652**

Motion by Lorinser, second by Collison. Motion carried unanimously.

5. **Resolution 2016-351 Approving 2017 Community Garden Handbook**

Motion by Lundeen, second by Bergley. Motion carried unanimously.

City Engineer Brad DeWolf

6. **Resolution 2016-352 Authorizing a Traffic Signal Study for the Intersection of Cajima Street NE and Minnesota Trunk Highway 65**

City Engineer DeWolf explained in order to put a traffic signal on a trunk highway you have to prove to MNDOT that there is adequate traffic to support it. Since so many people avoid that intersection, we are going to have to do turning count movements at six different intersections throughout the community. This will lead to a signal justification report, which if there is enough traffic, will lead to what is called an Intersection Control Evaluation or Phase Two of this process. This proposal has gone before the Finance Committee and they have recommended approval to the Council.

The Mayor explained the reasoning as to why this is being looked into. He stated the commercial and industrial traffic is foregoing the turn onto Hwy 65 from Cajima because they can't make that turn, and instead are going through the City to other controlled intersections. Also, the incident with the school bus earlier this year prompted all buses to be routed to the Heritage/65 signal. This study will help to see if the added signal light is justified. Mayor Wimmer also stated that the City does have the revenue for this purpose. This would be the first traffic signal the City will have completed over the last eight or nine years.

Councilor Bergley asked for clarification on how the City and MNDOT work together on this process. City Engineer DeWolf explained that to put a signal on a trunk highway system there is a list of warrants that MNDOT has. For example: peak hourly traffic, peak eight-hour traffic, pedestrian traffic, accident warrants, etc. The City will have to compile all of the different types of warrants and submit those to MNDOT for review and approval, with the explanation of how each warrant is met.

Motion by Lundeen, second by Lorinser. Motion carried unanimously.

L. Approve Consent Agenda

1. Consider Accounts Payable in the Amount of $537,705.71 and Payroll in the amount of $218,172.66
2. Final Meeting Minutes for the October 25, 2016 Parks, Recreation and Culture Meeting.
3. **Resolution 2016-353** Authorizing Appointment of the Liquor Store Manager Jacobi to Sit on the MMBA Board of Directors
4. **Resolution 2016-354** Approving a Check Be Written to Friends of St. Scholastica for Volunteering at the Community Movie Night
5. **Resolution 2016-355** Acknowledging Permanent Employee Status for Part Time Administrative Data Clerk Janice Lutterman

6. **Resolution 2016-356** Approving an Agreement for Subordination of a Neighborhood Stabilization Program Loan
7. **Resolution 2016-357** Approving Installation of Isanti Indoor Arena Public Restroom and Warming House Door Handles and Occupancy Sensors
8. **Resolution 2016-358** Terminating the Employment of Utility Billing/Accounting Clerk Bethany Bradley

Public Hearing

To: Mayor Wimmer
Members of the City Council

From: Roxanne Achman
Community Development Director

Date: December 20, 2016

Subject: Request from Brennan and Rebecca Cox for the Annexation of Parcel No. 01.006.0505 into the City of Isanti and for such property to be Zoned Recreational Commercial.

Background

Brennan and Rebecca Cox have petitioned the City for the annexation of a 41.99 acre parcel they own south of Isanti along Polk St NE located in Athens Township. Their property abuts the Isanti city limits on the southerly boundary.

The request comes to the city as a way to prepare this parcel for future development as a recreational commercial site. Final details have not been submitted the City and will be presented to the Planning Commission and City Council once the property owners are prepared to move forward with the development of their property as "Circle B Ranch Country Retreat/Event Center". The property will be zoned Recreational Commercial upon its incorporation into the City. Section 3, Subdivision 3(b) of Zoning Ord. No. 445 provides that if a property is not given a zoning designation upon annexation, it is considered to be in the "R-1" Single Family Residential District. Given that the reason for the petition is to assist in the development of the property for uses listed in the Recreational Commercial District, staff recommends designating the property as such within the annexation ordinance.

Minnesota State Statute permits such property to be annexed into the City via ordinance due to the nature of the request, a petition by the property owner, and because there is no orderly annexation agreement with Athens Township. MN State Statute provides that notification via certified mail must be provided to abutting property owners and the township 30 days prior to the public hearing. Such notice was provided. There is no requirement for the township to hold a public hearing; thus, the only public hearing is with the City.

Due to the petition being received after August 1st of a levy year, the property taxes for 2017 will be payable to Athens Township. The 2018, and future, property taxes will be payable to the City of Isanti.

The annexation will be effective upon approval by the Chief Administrative Law Judge.

Overview of the Zoning Ordinance

Section 3 – Establishing Zoning Districts

Subdivision 3: Zoning of Annexation or Detachment Areas

In the event of annexation of new areas to the City or in the event the City is given exclusive zoning jurisdiction of an area which is not annexed or within the City limits, such areas shall be considered to be in the "R-1" Single Family Residential District, unless the Ordinance annexing such property designates otherwise. If the area is not designated at the time of annexation, such "R-1" Single Family Residential

Zoning shall be maintained, until such time as the property owner requests a rezoning of the property. A public hearing before the Planning Commission requesting a particular zoning designation shall be held upon proper application to the City with final approval granted by the City Council

Filing: Any annexation ordinance provided for in this section must be filed with the chief administrative law judge, the township, the county auditor and the secretary of state and is final on the date the ordinance is approved by the chief administrative law judge. A copy of the annexation ordinance must be delivered immediately by the governing body of the municipality to the appropriate county auditors.

Public Comment

City staff provided certified letters to each property owner abutting the property to be annexed and the Athens Township Board. Per MN State Statute, the above parties are to receive certified notification of a petitioned annexation. Staff also mailed out notification to property owners within 350 feet of the property to notify them of the zoning change. The only questions receive so far related to when the meeting would be held. Staff informed them of the date and time of the City Council meeting.

Attachments

- Draft Annexation and Zoning Ordinance No. XXX
- Findings of Fact and Conclusions
- Map of the Area to be Annexed

ORDINANCE NO. XXX

AN ORDINANCE EXTENDING THE CORPORATE LIMITS OF THE CITY OF ISANTI TO INCLUDE CERTAIN UNINCORPORATED PROPERTY (41.99 ACRES) OWNED BY BRENNAN AND REBECCA COX AND ABUTTING UPON THE LIMITS OF THE CITY OF ISANTI IN ATHENS TOWNSHIP PURSUANT TO MINNESOTA STATUTES 414.033, SUBD. 2(3), AND TO ZONE SUCH PROPERTY AS RECREATIONAL COMMERCIAL

WHEREAS, a certain petition dated October 31, 2016, requesting that the property as hereinafter described be annexed to the City of Isanti, Minnesota, was duly presented to this Council on the 15th day of November 2016; and,

WHEREAS, said property to be annexed is described as follows:

> That part of the Northeast Quarter (NE1/4) of Section Six (6), Township Thirty-four (34), Range Twenty-three (23), lying Easterly of the Easterly right-of-way line of the Burlington Northern Railway (formerly the Eastern Railway Company of Minnesota), excepting therefrom that part of said NE1/4 of Section 6, described as follows: Commencing at the Northeast corner of the Southeast Quarter of the Northeast Quarter (SE1/4 of NE1/4) of said Section 6; thence South along the East line of said Section 6, a distance of 208.7 feet for the point of beginning of the exception to be herein described; thence West and parallel to the North line of said Section 6 and to the Easterly right-of-way of said Burlington Northern Railway; thence Southerly following the Easterly line of said railroad right-of-way and to the South line of the NE1/4 of said Section 6; thence Easterly along the south line of the NE1/4 of said Section 6 to the Southeast corner thereof; thence North along the East line of the NE1/4 of said Section 6 to the point of beginning and there to terminate,
>
> Except the Northerly 243.75 feet of the Southerly 482.10 feet of the Easterly 547.29 feet and the Southerly 238.35 feet of the Easterly 592.87 feet.

WHEREAS, said petition was signed by all owners of the property; and,

WHEREAS, said property is unincorporated and abuts the City of Isanti on its Southerly boundary; and,

WHEREAS, said property is less than 120 acres; and,

WHEREAS, said property is not presently served by public sewer and water facilities or public sewer and water facilities are not otherwise available; and,

WHEREAS, the property to be annexed may be annexed by ordinance pursuant to Minnesota State Statutes Section 414.033, Subd. 2(3); and,

WHEREAS, the property shall be designated as a "RC" Recreational Commercial District under and pursuant to the Zoning Ordinance 445, Section 3, Subd. 3(b) and upon the City's zoning map, subject to amendment as provided by said ordinance; and,

WHEREAS, said property is proposed to be developed for recreational commercial purposes; and

WHEREAS, to facilitate said development, the property owner has requested city services be extended to said property at such time that they become available; and

WHEREAS, notice of public hearing was given to those parties specified in Minnesota Statutes 414.033, subd. 2b; and

WHEREAS, a public hearing was duly held by the Isanti City Council on the 20th day of December 2016; and

WHEREAS, provisions of Minn. Statute 414.033, subd. 13 are not applicable in that there will be no change in the electric utility service provider resulting from the annexation of the territory to the municipality.

NOW THEREFORE, THE CITY OF ISANTI DOES HEREBY ORDAINS AS FOLLOWS:

1. The City Council hereby determines that the property as hereinafter described is or is about to become urban or suburban in nature in that the conditions set forth in MN SS section 414.033, Subd. 2(3) apply, and said property is being developed for recreational commercial purposes which need or will need city services, including public sewer and water facilities, and that none of property is now included within the limits of any city.

2. **Territory annexed.** The corporate limits of the City of Isanti are hereby extended to include the following described territory, said land abutting the City of Isanti and being 120 acres or less in area, and is not presently served by public sewer and water facilities or public sewer and water facilities are not otherwise available, and the City having received a petition for annexation from all the property owners of the land, to wit:

   That part of the Northeast Quarter (NE1/4) of Section Six (6), Township Thirty-four (34), Range Twenty-three (23), lying Easterly of the Easterly right-of-way line of the Burlington Northern Railway (formerly the Eastern Railway Company of Minnesota), excepting therefrom that part of said NE1/4 of Section 6, described as follows: Commencing at the Northeast corner of the Southeast Quarter of the Northeast Quarter (SE1/4 of NE1/4) of said Section 6; thence South along the East line of said Section 6, a distance of 208.7 feet for the point of beginning of the exception to be herein described; thence West and parallel to the North line of said Section 6 and to the Easterly right-of-way of said Burlington Northern Railway; thence Southerly following the Easterly line of said railroad right-of-way and to the South line of the NE1/4 of said Section 6; thence Easterly along the south line of the NE1/4 of said Section 6 to the Southeast corner thereof; thence North along the East line of the NE1/4 of said Section 6 to the point of beginning and there to terminate,

   Except the Northerly 243.75 feet of the Southerly 482.10 feet of the Easterly 547.29 feet and the Southerly 238.35 feet of the Easterly 592.87 feet.

The above described property consists of a total of 41.99 acres, more or less. Copies of the corporate boundary map showing the property to be annexed and its relationship to the corporate boundaries and an appropriate plat map are attached hereto.

3. **Population.** There are no people residing on the above described land.

4. **Property Taxes.** Pursuant to Minnesota Statutes 414.033, subd. 12, property taxes on annexations effective after August 1 of a levy year shall be payable to the Township of Athens, Minnesota for 2017. Thereafter, for property taxes payable in 2018, the property taxes shall be payable to the City of Isanti.

5. **Zoning.** Pursuant to Ord. No. 445, Section 3, Subd. 3(b), the property shall be designated as "RC" Recreational Commercial District.

6. **Filing.** The City Clerk is directed to file certified copies of this ordinance with the Chief Administrative Law Judge, the Township, the County Auditor and the Secretary of State.

7. **Effective date of annexation.** This ordinance takes effect upon its approval by the Chief Administrative Law Judge pursuant to Minnesota Statutes 414.033, subd. 7.

Passed and Adopted by the City Council of Isanti, Minnesota this 20th day of December 2016.

Attest: George A. Wimmer, Mayor

Lindsey Giese
Human Resources / City Clerk

(SEAL)

FINDINGS OF FACT AND CONCLUSION

Request

Request from Brennan and Rebecca Cox for the Annexation of Parcel No. 01.006.0505 into the City of Isanti and for such property to be Zoned Commercial Recreation.

Findings of Fact

1. The petition for annexation was signed by all owners of the property.
2. Pursuant to MN State Statute 414.033, Subd. 2(3) the land abuts the municipality and the area to be annexed is 120 acres or less, and the area to be annexed is not presently served by public wastewater facilities or public wastewater facilities are not otherwise available, and the municipality receives a petition for annexation from all the property owners of the land. Except as provided for by an orderly annexation agreement, this clause may not be used to annex any property contiguous to any property either simultaneously proposed to be or previously annexed under this clause within the preceding 12 months if the property is or has been owned at any point during that period by the same owners and annexation would cumulatively exceed 120 acres
3. The land is not already part of another city.
4. The property is not presently served by public sewer and water facilities and public sewer and water facilities are not otherwise available.
5. Notice of electricity was provided pursuant to MN State Statute 414.033, Subd. 13, however, electric utility service providers will not change.
6. Resolution 2016-336 set a public hearing for December 20, 2016.
7. A public hearing was held pursuant to MN State Statute 414.033, Subd. 2b on December 20th, 2016. Notice was provided 30 days prior to the public hearing via certified mail to abutting property owners, the township and the current property owners.
8. There will be no population increase as the property is not for residential purposes.
9. The parcel will be subject to 2018, and future, City property taxes pursuant to MN State Statute 414.033, Subd. 12.
10. Zoning Ordinance No. 445, Section 3, Subd. 3(b), dedicates annexed property as "R-1" Single Family Residential if it is not otherwise dedicated. The affected parcel shall be dedicated as "RC" Recreational Commercial.
11. The zoning of the property would permit uses that are geared toward developing the property as uses outlined within the Recreational Commercial District.
12. It is in the best interest of the City and it residents annex and zone the parcel as Recreational Commercial as such a development is likely to require and request city services as they become available. Such use expands the economic viability of the City and allows a relationship that would not otherwise be available between the City and the property owner.
13. The City's boundary and zoning map shall be amended to reflect the changes as approved by City Council.
14. Notice of the Zoning request was published within the Isanti County News on Wednesday, December 7th, 2016. Notices were sent to all property owners located within 350 feet of the subject property.
15. Section 21, Article 1: Amendments (Text and Map), Subdivision 4 (D) of the Zoning Ordinance establishes criteria in which the judgment of the Planning Commission and City Council shall be based upon when reviewing a Rezoning request.

Conclusions

A. In review of the factors established in Section 21, Article 1 Amendments (Text and Map), Subdivision 4 (D) the following conclusions have been made (*conclusions to each requirement are shown in underlined italics)*:

1. The proposed action has been considered in relation to the specific policies and provisions of and has been found to be consistent with the Comprehensive Plan, including public facilities and capital improvement plans.
   The Comprehensive Plan includes a specific section for Recreational Commercial that, to date, is not designated within the City. The Comprehensive Plan outlined this district for the time when it was needed and appropriate. The current land use map does not extend into Athens Township as there is not an orderly annexation agreement in place. When the Comprehensive Plan is updated, the land use map will be updated to reflect the future planning area.
2. The proposed action meets the purpose and intent of this Ordinance or in the case of a map amendment; it meets the purpose and intent of the individual district.
   The ordinance states that property annexed into the City is dedicated as residential unless dedicated otherwise. It is of the opinion of the City that the property would be better suited for Recreational Commercial in order to allow for the appropriate development of the property as an event venue.
3. There is adequate infrastructure available to service the proposed action.
   There is no public sewer or water facilities available to this property. Once it becomes reasonably available, connection will be required.
4. There is an adequate buffer or transition provided between potentially incompatible districts.
   The property is part of a nearly 42-acre parcel of land surrounded by agricultural and residential properties. Uses permitted within the Recreational Commercial District will be those that do not appear to disrupt the other districts.

Decision

The City Council reviewed the request in a public hearing on **December 20th, 2016**. The meeting minutes, staff memo, and attachments shall be made a part of the Findings of Fact and Conclusion.

RE: Library Outreach Stop Agreement Renewal

ECRL Director Barbara Misselt will be present to provide an update on the Isanti site, and to review the current Partnership Agreement with the City Council.

Attached is a draft resolution for extension of the Library Outreach Stop Partnership Agreements with the ECRL and Isanti Friends of the Library for 2017. The only change from last year's agreement is a request by the ECRL that the Friends are responsible for any fiscal matters concerning use of the computer printer that the Friends have provided for the Library Outreach Stop. This has been added to the Friend's agreement with the City of Isanti.

Exhibit A

East Central Regional Library
Outreach Stop
Partnership Agreement

In an effort to create more library service connections in communities across the six-county region served by the East Central Regional Library (ECRL) system, ECRL hereby agrees to continue to provide library outreach services in **Isanti** for the community of **Isanti** in **Isanti County**.

A selection of materials and services will be offered in the **City Hall** facility located at **110 First Ave NW** in the town of Isanti, MN.
The facility will be staffed by an ECRL staff member and open 4 hours per week, one day a week, thus providing connectivity to reading materials and resources from ECRL.

In order to make this library service partnership successful, the representatives of the community of **Isanti** and the library staff of ECRL agree to accept the following responsibilities:

ECRL will provide:

- Staff to open the outreach stop 4 hours a week once a week
- Insurance on equipment and materials owned by ECRL
- Each visit, staff will provide materials that were requested as well as materials to browse and check out.
- Staff will note interests of frequent patrons at the site and will attempt to bring items that may appeal.
- Equipment necessary to serve patrons, including computer.

The Community will provide:

- An appropriate facility, handicapped-accessible, with a handicapped-accessible public restroom.
- Insurance to protect property and community owned contents
- Insurance to protect against liability
- Internet connectivity to central library catalog and databases – line capacity to be a minimum of 1 MBS
- Maintenance of the book drop
- Parking to accommodate visitors to the outreach stop. Parking must be handicapped-accessible.
- Shoveling of walkways and removal of ice in order to provide safe entry and exit.
- Adequate space within that facility for a 14' x 14' minimum Outreach Stop area
- Signage to establish Outreach Stop for East Central Regional Library

- Shelving for a minimum of 350 books and other items, where deemed necessary.
- Comfortable seating and reading tables for 5-8 customers at time
- Utilities for the facility
- Cleaning of the facility
- Security for equipment and materials when not in active use
- Maintenance of any community-provided computer equipment

Outreach sites will be closed the same days as other ECRL facilities, according to the ECRL Holidays Closing schedule, approved annually by the ECRL Board of Directors.

The site will be evaluated once a year. If, at the end of each evaluation, the site is determined not viable for the regional library system, or not valuable to the community, ECRL or the community may amend or terminate this agreement with 30 days' notice, without penalty or recrimination. If adequate funding is provided, if the ECRL Board approves and the outreach stop is determined to be viable and valuable to all parties, the agreement may be renewed annually.

Exhibit B

East Central Regional Library
OUTREACH STOP
PARTNERSHIP AGREEMENT between Friends of the Isanti Area Library, Inc. and the City of Isanti

In an effort to create more library service connections in communities across the six-county region served by the East Central Regional Library (ECRL) system, ECRL has agreed pursuant to a Partnership Agreement with the City of Isanti to establish an Outreach Stop for library outreach services in Isanti through a site provided by the City of Isanti. A copy of said agreement between the City of Isanti and ECRL is attached hereto as Exhibit A. As an integral part of the service provision, assistance will be provided by Friends of the Isanti Area Library, Inc., a Minnesota non-profit corporation.

A selection of library materials and services will be offered in Conference Room A, located at City Hall in the City of Isanti. The facility will be staffed by a combination of ECRL staff and community volunteers, with the goal of being open one day a week for 4 hours, serving as many customers from the area as possible, and providing computer connectivity to the reading materials and resource databases of ECRL.

In order to make this library service partnership successful, the representatives of the Friends of the Isanti Area Library and City of Isanti agree to accept the following responsibilities:

The Friends of the Isanti Area Library will provide:

- Internet Connectivity to central library catalog and databases – line capacity to be a minimum of 1 Mbs
- Maintenance of the book drop at the City Hall site;
- Signage to establish location as "Outreach Stop Site to East Central Regional Library"
- Free standing shelving for approximately 350-400 books and other items and any required installation;
- The Friends of the Isanti Area Library may, at their sole option, provide on site Computers for the public, to use for catalog searching, database browsing, Internet surfing. Printers for public use for a fee, with the Friends of the Isanti Area Library responsible for any funds/transactions regarding usage. If such Computer **Equipment is provided, it must meet ECRL minimum standards, and have content-filtering software.**
- Maintenance of any such community-provided computer equipment;
- Commitment to recruiting dependable volunteer staffing to work at site for open hours planned;
- Functional seating and worktable for volunteers;
- Comfortable seating and reading tables for 5-8 customers at a time;
- Identification and assistance in recruiting volunteer workers from the community as needed by the ECRL;

The City of Isanti will provide:

- An appropriate facility at Isanti City Hall, handicapped-accessible, with a handicapped-accessible public restroom;
- Insurance to protect property and community owned contents;
- Insurance to protect against liability;
- Parking to accommodate Link Site traffic;
- Shoveling of walkways into the Link Site as needed;
- Adequate space within that facility for a 14'x14' minimum Link Site service area;
- Cleaning of facility;
- A locked facility for library computer, equipment, and materials when not in active use;

- Allow use of City Hall during normal hours of operation. Typically Monday thru Friday from 8am to 4:30pm.
- Electricity for the Outreach Stop site
- Heat for the Outreach Stop site.
- Cooling for the Outreach Stop site.

Notwithstanding any other provision of this agreement, either party to this agreement may elect to terminate this agreement with or without cause at any time upon not less than 30 calendar day's written notice to the other party hereto. The site will be evaluated annually or more often if deemed appropriate by the Friends of the Isanti Area Library or the City of Isanti. If adequate funding and fulfillment of responsibilities by the Friends of the Isanti Area Library and City of Isanti is provided, and the Outreach Stop site is determined by all parties to continue to be feasible all parties, the agreement may be renewed annually.

RESOLUTION NO. 2016-_____

RESOLUTION APPROVING PARTNERSHIP AGREEMENTS BETWEEN THE CITY OF ISANTI AND THE EAST CENTRAL REGIONAL LIBRARY AND THE ISANTI AREA FRIENDS OF THE LIBRARY

WHEREAS, on December 7, 2010 the City Council approved Resolution No. 2010-274, a Resolution Extending the Original Partnership Agreements Between the City of Isanti and the East Central Regional Library (ECRL) and the Isanti Area Friends of the Library, relating to a ECRL Outreach Stop (formerly Library Link Site) in Isanti City Hall; and;

WHEREAS, the ECRL and the Isanti Area Friends of the Library and the City of Isanti have annually renewed the Partnership Agreements, providing ECRL services through the Outreach Stop at City Hall; and

WHEREAS, the agreement with the ECRL for an Outreach Stop at the Isanti City Hall has been presented for 2017.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to approve the new Partnership Agreement with the East Central Regional Library Board and the Isanti Area Friends of the Library through the year 2017; that are hereby attached as 'Exhibit A' and 'Exhibit B' and made a part of this resolution.

This resolution was duly adopted by the Isanti City Council this 20th day of December 2016.

Subject: Update on Isanti County Trail & Bikeway Master Plan Process

---

Background:
Staff and Mayor Wimmer attended the Bike Isanti County meeting on December 14, 2016 and received an update from County staff. The proposal recommended by the committee has been approved by the county board, and the process will move forward.

As part of the process, a draft letter was presented that will be sent to local entities to inform them of the process and requesting a $1,000.00 contribution.

City of Isanti has also been made aware that until the outcomes of this process are made clear, the City of Cambridge has decided not to approve changes to the agreement for the Cambridge-Isanti Bike/Walk Trail.

Subject: Isanti County Trail & Bikeway Master Plan

Local Leaders,

This letter is intended to serve as both informational and a request. The Bike Isanti County Committee recently received approval from the Isanti County Board of Commissioners to complete a comprehensive trail and bikeway master plan. Two proposals were received and after thorough review by the committee it was recommended to contract with Architectural Resources, Inc based on their deliverables and experience with similar endeavors.

The Master Plan will provide a clear guide to trail and bikeway policies, development, funding options, and overall implementation. The process will start by first using public and stakeholder groups to understand the priorities for trails and trail design, then generating a draft and final plan according to the Community-derived priorities. Each proposed trail section will have prototypical sections in CAD for all trail types, a signage plan, an implementation plan, and identified funding sources. The plan has an expected completion date of April 30th, 2017.

The cost to contract with Architectural Resources, Inc. is in the amount of $35,000.00. The Bike Isanti County Committee has worked to secure funding for this project. Due to the county wide approach the committee respectfully requests $1,000.00 from your organization to assist with this planning effort.

If you wish to be involved with this planning effort please contact the Isanti County Parks Department.

Respectfully,

Barry Wendorf
Isanti County Parks Director

RESOLUTION NO. 2016-~~281~~XXX

K.3.b.

A RESOLUTION ADOPTING FEES WITHIN THE CITY OF ISANTI

WHEREAS, the City Council by Ordinance sets forth a fee table for the City of Isanti; and

WHEREAS, the City Council has determined that it is in the best interest of the residents of the City that all fees within the City are established by resolution; and

WHEREAS, these fees are fair, reasonable, and proportionate to the actual cost of the service for which the fee is imposed in accordance with Minnesota Administrative Rules 1300.0160; and

WHEREAS, The Collector Street Fee was created to assist in payment of the debt service of the 2005A Bonds that included the construction of street, sewer and water infrastructure in the Northeast Quadrant of Hwy 65 and Heritage Blvd; and

WHEREAS, the Collector Street Fee first appeared in the City Fee Schedule through Ordinance 355 in 2006 and the fee has been amended from time to time; and

WHEREAS, Resolution 2007-303 dedicated future revenues from the Collector Street Fee to be allocated to Sewer (55%) and Water (45%) to assist in the payment of the debt service associated with the 2005A Bonds; and

WHEREAS, All of the debt service associated with the issuance of the 2005A Bonds is retired and there are no outstanding obligations for said bonds; and

WHEREAS, There are a few existing development agreements that reference the Street Collector Fee and an obligation to pay by the Developer upon platting of the property; and

WHEREAS, the following fee schedule shall be effective September 20, 2016.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota

1. Set forth the following fee schedule:

MEMO

K.4.

To: Mayor Wimmer and City Council Members

From: Jackie Fisher, Finance Director

Date: December 20, 2016

Subject: Consider Ordinances Approving Water and Sanitary Sewer Rate Reductions

---

Background:

The City was presented with a Water and Sanitary Sewer Rate Study Report on April 19, 2016 by Northland Securities. The study recommends reducing the base rate in water from $16.90 to $12.68 effective 1/1/2017. The study recommends reducing the base rate in sewer from $22.86 to $11.43 effective 1/1/2017. The study recommends an annual increase of 3% in the SAC and WAC fees. After reviewing the 2016 activity in both the water and sewer funds and estimating the fund balance at year end 2016. It appears that the study results are still valid and a reduction in rates would not adversely affect the financial position of the City. The Finance Committee recommends approval of the new water and sanitary sewer rates.

Action:

Adopt the new water and sanitary sewer rate ordinances.

City of Isanti

Sewer Rate Table

			Usage per 1,000 Gallons		
Year	**SAC Fee**	**Base Fee**	**Up to 10,000 gallons**	**10,001 to 25,000 gallons**	**Over 25,000 gallons**
2016	$ 4,306	$ 22.86	$ 7.26	$ 9.08	$ 11.34
2017	$ 4,435	$ 11.43	$ 7.26	$ 9.08	$ 11.34
2018	$ 4,568	$ 11.77	$ 7.48	$ 9.35	$ 11.68
2019	$ 4,705	$ 12.13	$ 7.70	$ 9.63	$ 12.03
2020	$ 4,846	$ 12.49	$ 7.93	$ 9.92	$ 12.39

Commercial Base Fee Consumption Schedule

Consumption	**# of Base Fees**
0 – 5,000 Gallons	1 Base Fee
5,001 – 15,000 Gallons	2 Base Fees
15,001 – 30,000 Gallons	3 Base Fees
30,001 – 50,000 Gallons	4 Base Fees
50,001 – 75,000 Gallons	5 Base Fees
75,001 – 105,000 Gallons	6 Base Fees
105,001 – 140,000 Gallons	7 Base Fees
140,001 – 180,000 Gallons	8 Base Fees
180,001 – 225,000 Gallons	9 Base Fees
225,001 – 275,000 Gallons	10 Base Fees
**Additional usage shall result in proportionately higher base fees in accordance with the foregoing schedule. For example, consumption of 275,001 – 330,000 gallons would result in 11 base fees, 330,001 – 390,000 gallons would result in 12 base fees, and so on.

Request for Council Action

To: Mayor Wimmer
Members of the City Council

From: Roxanne Achman
Community Development Director

Date: December 20, 2016

Subject: Request from First Fruits Land Development LLC for Preliminary Plat approval of the Plat of Sun Prairie Third and Fourth Addition, legally described as Outlots G and H, Sun Prairie First Addition, Isanti County, Isanti, Minnesota.

Background

First Fruits Land Development LLC recently submitted a preliminary plat for Sun Prairie Third and Fourth Addition. The plat consists of 16 single family lots south and east of the Intermediate School along 9th Ave SE and Marion St SE. The average lot size is 11,325sf. Home will be required to be a minimum of 1200sf with 720sf garages. The developer plans to final plat the lots in two phases. The first phase will be 7 lots. The second phase will be 9 lots.

Lot Requirements:

Size: Minimum 11,000sf
Width: Corner – 95ft, Other – 80ft
Depth: 137ft
All lots appear to meet the minimum standards.

This development has existing city infrastructure and is covered by the original development agreement for Sun Prairie First Addition. The Signal Light Fee for these lots was paid at the time the original development agreement was signed.

The fees due include:

Park Dedication Fee: 16 lots at $1500 = $24,000
Trunk Sewer Charge: 16 lots at $1000 = $16,000
*Fees will be split based on the number of lots final platted.

The development is consistent with original preliminary plat for this area and with the comprehensive plan.

The City Engineer has reviewed the development plan and recommends approval with the condition that the review comments are addressed.

Certification of Taxes Paid

Prior to approving an application for Preliminary Plat, certification must be provided to the City that there are no delinquent property taxes, special assessments, penalties, interest, or outstanding municipal utility fees. City staff did verify with Isanti County on Monday, November 28th, 2016; that all taxes associated with the property were current.

Public Notice
Notice was published within the Isanti County News on November 30th, 2016. Written notification was provided to property owners located within 350' of the subject site as required by Minnesota State Statute.

Public Comments
No public comments had been received regarding the proposed amendment prior to the release of the staff memo.

Planning Commission Recommendation:
Motion by Bergley second by Kennedy to recommend approval of the request from First Fruits Land Development LLC for Preliminary Plat approval of the Plat of Sun Prairie Third and Fourth Addition, legally described as Outlots G and H, Sun Prairie First Addition, Isanti County, Isanti, Minnesota based on the Findings of Fact and Conclusions. Motion carried unanimously.

Deadline for City Council Action
The applicant submitted an application for Preliminary Plat approval on November 21, 2016. City staff did verify that the application was complete on November 21, 2016. Pursuant to Minnesota State Statute, the City must act on this request by March 21, 2017 (120-days); unless an extension of the review period has been agreed to by the applicant.

Development and Operations Advisory Committee Comments
The Development and Operations Advisory Committee reviewed the request at their meeting held on Thursday, December 8th, 2016. The Committee recommended approval with the condition that all review comments are addressed.

Options & Proposed Motion Language
1. Recommend Approval with No Conditions: Motion to recommend approval of the request from First Fruits Land Development LLC for Preliminary Plat approval of the Plat of Sun Prairie Third and Fourth Addition, legally described as Outlots G and H, Sun Prairie First Addition, Isanti County, Isanti, Minnesota.
2. Recommend Approval with Conditions: Motion to recommend approval of the request from First Fruits Land Development LLC for Preliminary Plat approval of the Plat of Sun Prairie Third and Fourth Addition, legally described as Outlots G and H, Sun Prairie First Addition, Isanti County, Isanti, Minnesota with the following conditions……
3. Recommend Denial: Motion to recommend denial of the request from First Fruits Land Development LLC for Preliminary Plat approval of the Plat of Sun Prairie Third and Fourth Addition, legally described as Outlots G and H, Sun Prairie First Addition, Isanti County, Isanti, Minnesota for the following reasons……
4. Table: Motion to table the request from First Fruits Land Development LLC for Preliminary Plat approval of the Plat of Sun Prairie Third and Fourth Addition, legally described as Outlots G and H, Sun Prairie First Addition, Isanti County, Isanti, Minnesota (a specific reason and information request should be included in the motion to table).

(SEAL)

FINDINGS OF FACT AND CONCLUSION

Request

Request from First Fruits Land Development LLC for Preliminary Plat approval of the Plat of Sun Prairie Third and Fourth Addition, legally described as Outlots G and H, Sun Prairie First Addition, Isanti County, Isanti, Minnesota.

Findings of Fact

1. The applicant, First Fruits Land Development LLC ('the applicant'), has made application for Preliminary Plat Approval of Sun Prairie Third and Fourth Addition, Isanti County, Minnesota.
2. The property is legally described as Outlots G and H, Sun Prairie Second Addition, Isanti County, Minnesota.
3. The Applicant is requesting Preliminary Plat Approval in an effort to create 16 single-family lots.
4. The property is zoned "R-1" Single-Family Residential District.
5. A preliminary plat is considered a major change requiring a public hearing and notification of all property owners within 350'; and final approval by the City Council.
6. The Applicant submitted an application for Preliminary Plat Approval on November 21st, 2016. It was deemed complete on November 21st, 2016.
7. A public hearing date before the Planning Commission was scheduled for Tuesday, December13th, 2016 at 7:00 p.m. at City Hall within the Council Chambers.
8. Notices were sent to all property owners located within the development and within 350 feet of the subject property.

Conclusions

1. The platting of the property would appear to meet the lot requirements and setback requirements as provided within the zoning ordinance for properties located within the "R-1" Single-Family Residential Districts.
2. The platting of the property would appear to meet the Design Standards as required by Ordinance No. 536.

Decision

The Planning Commission held a public hearing on the item at the **December 13th, 2016** meeting. The meeting minutes, staff memo and exhibits will be made part of the Findings of Facts and Conclusions.

Planning Commission Recommendation:

Motion by Bergley second by Kennedy to recommend approval of the request from First Fruits Land Development LLC for Preliminary Plat approval of the Plat of Sun Prairie Third and Fourth Addition, legally described as Outlots G and H, Sun Prairie First Addition, Isanti County, Isanti, Minnesota based on the Findings of Fact and Conclusions. Motion carried unanimously.

MEMORANDUM

Date: December 8, 2016

To: Roxanne Achman, Community Development Director

From: Bradley C. DeWolf, P.E.
City Engineer

Subject: Sun Prairie 3rd & 4th Additions – Preliminary Plat Review
City of Isanti, MN
Project No.: R13.111162

We have reviewed the Preliminary Plat created by LHB entitled "Preliminary Plat of: Sun Prairie Third Addition and Sun Prairie Fourth Addition" dated 12/8/2016.

The preliminary plat includes subdividing Outlot H of Sun Prairie 1st Addition into 7 residential lots as Sun Prairie 3rd Addition. The preliminary plat also includes subdividing Outlot G of Sun Prairie 1st Addition into 9 residential lots as Sun Prairie 4th Addition. The site was graded and sewer and water services were stubbed out in anticipation of this 16 lot layout as part of the Sun Prairie 1st Addition construction.

We have reviewed the submitted preliminary plat and have no additional comments.

We recommend approval of the preliminary plat as submitted.

Please contact me if you have any questions.

Bolton & Menk is an equal opportunity employer.

Request for City Council Direction

To: Mayor Wimmer and City Council Members

From: Sean M. Sullivan, Economic Development Director

Date: December 20, 2016

Subject: Consider Resolution Amending and Extending SAC and WAC Deferral Program to December 31, 2017

Background:

As of December 14, 2016, 62 new single family housing permits have been pulled this year. Twelve of the 62 permits utilized the SAC and WAC deferral program implemented in 2016. For past years, the SAC and WAC Deferral program utilized a standard Repayment Agreement form drafted by Development Attorney Deike and approved December 18, 2012 and updated for subsequent years. To date the City has entered into repayment agreements with developers that will net the City $344,810 in SAC and WAC charges. The 2016 SAC ($4,306) and WAC ($3,677) charges totaled $7,983 per REC. Commercial development has many different REC rates depending on the usage.

Under the current Repayment Agreement form, the Developer would need to pay the City SAC and WAC fee ($7,983) for the shortest period of the following actions: 120 days from issuance of permit, sale of property, or issuance of Certificate of Occupancy. To date five developers have pulled a total of 44 permits and have utilized this program since its inception. However, in 2016, the City of Isanti had the first Default of the Repayment Agreement by a Developer which has led to recommended revisions in the process and documents associated with extending this program into 2017 in order to protect the City and taxpayers. The revisions include making the document recordable and more enforceable as well and having the Developer pay for the recording the document upon execution of the agreement which is currently $46.00. In addition, the city will provide the Developer with an executed release of mortgage once the SAC and WAC Payment is paid.

Attached to the proposed resolution, are a revised boiler plate Repayment Agreement and Release of Mortgage draft by Campbell Knutson that includes blanks to be filled in by 2017 adopted rates. This agreement would be entered into by the City and the "Developer" each time a new house, or

building would be built and a 120 day deferral was requested. Staff is looking for the City Council to approve the form of this agreement and to allow staff to offer this deferral of SAC and WAC to any residential/commercial Developer that is looking to build in the City of Isanti.

City Council Requested Action:

Consider Adoption of Resolution 2016-___ Amending and Extending SAC and WAC Deferral Program to December 31, 2017

Attachment:

1) Resolution 2016-___ Amending and Extending SAC and WAC Deferral Program to December 31, 2017

RESOLUTION 2016-___

AMENDING AND EXTENDING SAC AND WAC DEFERRAL PROGRAM TO DECEMBER 31, 2017

WHEREAS, the City of Isanti of Isanti received a request from a developer to defer the cost of SAC and WAC fees for, the shorter of a period of 120 days from issuance of permit, sale of property, or issuance of Certificate of Occupancy; and

WHEREAS, 62 new housing permits have been pulled and twelve have utilized the deferral program in 2016; and

WHEREAS, the attached updated boiler plate Repayment Agreement and Release of Mortgage drafted by City Development Attorney Campbell Knutson would serve as a guarantee that the City would receive the full SAC and WAC fees for each project that the City and Developer agree to defer the SAC and WAC Fees by 120 days; and

WHEREAS, it is the intention of City Staff to utilize the attached boiler plate Repayment Agreement for each individual project brought forth by any developer and that the City Council would approve each agreement at a City Council Meeting with payment for the recording of the document to be provided Developer prior to execution of the agreement by the City.

WHEREAS, the City would provide an executed Release of Mortgage in a reasonable timeframe to the Developer upon receipt of the SAC and WAC payment.

NOW, THEREFORE, IT IS HEREBY RESOLVED, by the City Council of the City of Isanti, Minnesota amend and extend the SAC and WAC Deferral Program to December 31, 2017 and to adopt the form of the Repayment Agreement and Release of Mortgage attached hereto and authorize City Staff to use it as an economic development tool to increase development within the City of Isanti.

BE IT FURTHER RESOLVED, by the City Council of the City of Isanti, Minnesota that City Staff and Officials will only process the Repayment Agreement when the Developer has provided payment for the recording fee associated with the filing of the Repayment Agreement at Isanti County and City Officials will record such document.

BE IT FURTHER RESOLVED, by the City Council of the City of Isanti, Minnesota authorize the Mayor and City Clerk to execute all Release of Mortgage documents associated with approved Repayment Agreements after the SAC and WAC payment is receipted and to provide an executed document to the Developer in a reasonable amount of time.

This Resolution hereby approved by the Isanti City Council this 20th day of December 2016.

Attest: _____ Mayor George A. Wimmer

_____
Lindsey Giese
Human Resources/City Clerk

REPAYMENT AGREEMENT; STATUTORY SHORT FORM MORTGAGE; AND DEED RESTRICTIONS

THIS REPAYMENT AGREEMENT; STATUTORY SHORT FORM MORTGAGE; AND DEED RESTRICTIONS ("AGREEMENT"), made on or as of the ____ day of _____, 2017, by and between the City of Isanti, Minnesota, a Minnesota municipal corporation (hereinafter referred to as the "City") having its principal office at 110 First Avenue N.W. PO Box 428, Isanti, Minnesota 55040, and _____, a _____under the laws of the _____ (hereinafter referred to as the "Developer"), having its principal office at _____.

WITNESSETH:

WHEREAS, the Developer intends to construct a _____ (the "Improvements") on certain real property (the "Property") in the City; and

WHEREAS, in connection with the construction of the Improvements there are certain water and sanitary sewer charges that are payable by the Developer to the City; and

WHEREAS, the Developer has demonstrated to the satisfaction of the City that the Developer is unable to pay the full amount of the charges now and has asked the City to defer such charges and make them payable at a future point in time; and

WHEREAS, the City believes that the development of the Improvements by the Developer is in the best interests of the City and, therefore, it is willing to defer the charges if doing so will facilitate the development and viability of the Improvements.

NOW, THEREFORE, in consideration of the premises and the mutual obligations of the parties hereto, each of them does hereby covenant and agree with the other as follows:

ARTICLE I
Definitions

Section 1.1. Definitions. In this Agreement, unless a different meaning clearly appears from the context:

"Agreement" means this Agreement, as the same may be from time to time modified, amended, or supplemented.

"City" means the City of Isanti, Minnesota, its successors and assigns.

"County" means Isanti County, Minnesota.

"Deferred Charges" means the utility charges described in Section 3.1 of this Agreement being deferred by the City and which the Developer is obligated to pay in accordance with this Agreement.

"Developer" means _____, a _____, its successors and assigns.

"Event of Default" means an action by the Developer listed in Article IV of this Agreement.

"Improvements" means the _____ to be constructed by the Developer on the Property.

"Property" means the real property described on the attached Schedule A to this Agreement.

"State" means the State of Minnesota.

ARTICLE II
Representations

Section 2.1. Representations by the City. The City makes the following representations as the basis for the undertaking on its part herein contained:

(a) The City is a statutory city duly organized and existing under the laws of the State. Under State law, the City has the power to enter into this Agreement and to perform its obligations hereunder.

Section 2.2. Representations by the Developer. The Developer represents that:

(a) The Developer is a _____ duly organized and authorized to transact business in the State, is not in violation of any provisions of its Bylaws or the laws of the State, has power to enter into this Agreement and has duly authorized the execution, delivery and performance of this Agreement by proper action of its _____.

ARTICLE III
Deferred Charges, Payment and Security

Section 3.1. Deferred Charges. The Developer owes to the City the sum of **$ (Insert Current Rate)** in deferred utility charges ("Deferred Charges"). The Deferred Charges consist of **$(Insert Current Rate)** in Water Availability Charges and **$(Insert Current Rate)** in Sewer Availability Charges. The City has agreed to defer the payment of the Deferred Charges as described in this Agreement.

Section 3.2. Payment of the Deferred Charges. The Developer covenants and agrees that it will pay the Deferred Charges to the City on the earliest to occur of the following:

(a) on the date that is one hundred and twenty (120) days after the date of this Agreement;

(b) on the date that the Developer sells or transfers the Property or Improvements, or any portion thereof; or

(c) on the date that the City issues a certificate of occupancy for the Improvements.

Interest shall accrue on the Deferred Charges at the rate of zero percent (0%) from the date hereof and continuing until the Deferred Charges and all accrued interest have been paid in full.

Section 3.3. Payment of Costs.

(a) The Developer shall pay all costs for title work and recording of this Agreement.

(b) The Developer shall pay all costs incurred by the City in connection with the preparation and implementation of this Agreement and related documents, including, without limitation, fees of attorneys related the preparation of this Agreement and related documents, if the Developer fails to complete construction of the Improvements within one hundred and twenty (120) days after the date of this Agreement.

Section 3.4 Security. As security for Developer's obligation of repayment of the Deferred Charges and Costs identified in Sections 3.1 and 3.3, Developer hereby grants and the City shall and hereby does have, a lien on the Property in the full amount necessary to satisfy any repayment obligation of the fees and charges identified in Sections 3.1 and 3.3 under this Agreement and the cost including reasonable attorney's fees, of collecting the same.

Section 3.5 Notice. At least 10 days before the date of any sale, cash out refinance, transfer or other conveyance of the Property or, in the event of a sale by contract for deed, Developer or their heirs, executors or representatives, shall give the City notice thereof.

Section 3.6 Mortgage. To secure any such repayment of the Deferred Charges under Section 3.1 and 3.3 as may become due under the provisions of this Article, the Developer hereby

grants to the City a Statutory Short Form Mortgage pursuant to the provisions of Minnesota Statutes Section 507.15 (2016) as follows:

UNIFORM SHORT FORM MORTGAGE

This statutory mortgage, made this ___ day of _____, 20__ between the City of Isanti, a Minnesota Municipal having its principal office at 110 First Avenue N.W. PO Box 428, Isanti, Minnesota 55040 (the "Mortgagor"), and (give name and address having its principal office at _____) (the "Mortgagee"),

Witnesseth, that to secure the payment of the Deferred Charges by the Mortgagee to the Mortgagor of $_____ as described in Article 3 of this Agreement (the "Indebtedness") the Mortgagor, hereby mortgages to the mortgagee and grants a security interest in the real property located at _____, in the City of Isanti, Isanti County, Minnesota, as legally described and set forth in "Schedule A" attached hereto and made a part hereof ("Property"), subject only to any liens or encumbrances of record thereon as of the date hereof.

And Mortgagor agrees and covenants with the Mortgagee the following statutory covenants;

1. To warrant the title to the Property, subject only to prior encumbrances of record as of the date hereof.
2. To pay the indebtedness as herein provided.
3. To pay all taxes.
4. To keep the buildings located on the Property insured against fire, windstorm and extended coverage for their full insurable value for the protection of the Mortgagee.
5. That the Property shall be kept in repair and no waste shall be committed.
6. That the whole of the principal sum shall become due after default, in the payment of any installment of principal or interest, or of any tax, or in the performance of any other covenant, at the option of the Mortgagee.

If default be made in any payment or covenant herein, the mortgagee shall have the statutory power of sale, and on foreclosure may retain statutory costs and attorney's fees.

Section 3.7. In the event Mortgagor or their heirs, executors or representatives shall fail or refuse to make a required repayment of the Indebtedness within the limited period set forth herein, the Mortgagee may, with or without notice to Mortgagor foreclose said lien in the same manner as provided pursuant an action for the foreclosure of mortgage upon said Property, as by statute provided, or may at its option proceed with foreclosure by advertisement pursuant to the statutory power of sale which the Mortgagor grants to the Mortgagee provided under this Mortgage, in accordance with applicable law. In the event of default by Mortgagor on any of Mortgagor's obligations under the terms of this Mortgage, Mortgagee shall also have the right to pursue any remedy available to it at law or in equity.

ARTICLE IV
Events of Default

Section 4.1. Events of Default Defined. The following shall be "Events of Default" under this Agreement and the term "Event of Default" shall mean, whenever it is used in this Agreement (unless the context otherwise provides), any one or more of the following events:

(a) Failure by the Developer to pay when due any payments required to be paid under this Agreement.

(b) The Developer of the following: (i) file any petition in bankruptcy or for any reorganization, arrangement, composition, readjustment, liquidation, dissolution, or similar relief under United States Bankruptcy Laws or any similar Federal or State Laws; or (ii) make an assignment for the benefit of its creditors; or (iii) admits, in writing, its inability to pay its debts generally as they become due; or (iv) be adjudicated, bankrupt or insolvent.

Section 4.2. City's Remedies on Default. Whenever any Event of Default by Developer referred to in Section 4.1 of this Agreement occurs, the City may take any one or more of the following actions after providing ten (10) days written notice to the Developer of the Event of Default, but only if the Event of Default has not been cured within said ten (10) days:

(a) Declare the entire outstanding balance of the Deferred Charges immediately due and payable;

(b) Terminate this Agreement;

(c) Deny issuance of certificates of occupancy or temporary certificates of occupancy;

(c) Take whatever action, including legal, equitable or administrative action, which may appear necessary or desirable to the City to collect any payments due under this Agreement, or to enforce performance and observance of any obligation, agreement, or covenant of the Developer under this Agreement, including the remedies provided under Article 3.

Section 4.3. No Remedy Exclusive. No remedy herein conferred upon or reserved to the City or Developer is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Agreement or now or hereafter existing at law or in equity or by statute. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the City or the Developer to exercise any remedy reserved to it, it shall not be necessary to give notice, other than such notice as may be required in this Article IV.

Section 4.4. No Additional Waiver Implied by One Waiver. In the event any agreement contained in this Agreement should be breached by either party and thereafter waived by the other

party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other concurrent, previous or subsequent breach hereunder.

Section 4.5. Costs of Enforcement. Whenever any Event of Default occurs and the City shall employ attorneys or incur other expenses for the collection of payments due or to become due or for the enforcement of performance or observance of any obligation or agreement on the part of the Developer under this Agreement, the Developer agrees that it shall, within ten (10) days of written demand by the City, pay to the City the reasonable fees of such attorneys and such other expenses so incurred by the City.

Section 4.6. Certificate of Occupancy. The City may deny a certificate of occupancy or temporary certificate of occupancy for the Property until all amounts owed to the City under the terms of this Agreement have been paid by Developer.

ARTICLE V
Additional Provisions

Section 5.1. Representatives Not Individually Liable. No member, official, or employee of the City shall be personally liable to the Developer, or any successor in interest, in the event of any default or breach or for any amount which may become due to Developer or successor in interest or on any obligations under the terms of this Agreement.

Section 5.2. Titles of Articles and Sections. Any titles of the several parts, Articles, and Sections of the Agreement are inserted for convenience of reference only and shall be disregarded in construing or interpreting any of its provisions.

Section 5.3. Notices and Demands. Except as otherwise expressly provided in this Agreement, a notice, demand, or other communication under the Agreement by either party to the other shall be sufficiently given or delivered if it is dispatched by registered or certified mail, postage prepaid, return receipt requested, or delivered personally; and

(a) in the case of the Developer, is addressed to or delivered personally to _____; and

(b) in the case of the City, is addressed to or delivered personally to the City at 110 First Avenue N.W., P.O. Box 428, Isanti, Minnesota 55040,

or at such other address with respect to either such party as that party may, from time to time, designate in writing and forward to the other as provided in this Section.

Section 5.4. Disclaimer of Relationships. The Developer acknowledges that nothing contained in this Agreement nor any act by the City or the Developer shall be deemed or construed by the Developer or by any third person to create any relationship of third-party beneficiary, principal and agent, limited or general partner, or joint venture between the City and the Developer or any third party.

Section 5.5. Release. Upon payment of all fees and charges under Article III in accordance with the provisions of this Agreement, the City will furnish Developer with a Release of Mortgage for the Property within a reasonable period of time following the request. Developer shall be responsible for recording the Release of Mortgage.

Section 5.6. Modifications. This Agreement may be modified solely through written amendments hereto executed by the Developer and the City.

Section 5.7. Counterparts. This Agreement may be executed in any number of counterparts, each of which shall constitute one and the same instrument.

Section 5.8. Judicial Interpretation. Should any provision of this Agreement require judicial interpretation, the court interpreting or construing the same shall not apply a presumption that the terms hereof shall be more strictly construed against one party by reason of the rule of construction that a document is to be construed more strictly against the party who itself or through its agent or attorney prepared the same, it being agreed that the agents and attorneys of both parties have participated in the preparation hereof.

Section 5.9. Run with the Land. This Agreement may be recorded against the Property and shall run with the aforesaid Property and shall inure to the benefit of and be binding upon the parties hereto and their respective heirs, executors, representatives, successors and assigns.

IN WITNESS WHEREOF, the City has caused this Agreement to be duly executed in its name and behalf and the Developer has caused this Agreement to be duly executed in its name and behalf on or as of the date first above written.

Request for City Council Action

To: Mayor Wimmer and City Council

From: Sean M. Sullivan, Economic Development Director

Date: December 20, 2016

Subject: **Consider Purchasing Advertising in North 65 Chamber of Commerce Map**

The City of Isanti EDA discussed advertising in a North 65 Chamber of Commerce Map at the November and December meetings. Economic Development Director Sullivan has spoken with ECM Publishing and Melissa Bettendorf and unlike the previous Chamber of Commerce Map for Cambridge Chamber of Commerce, the individual City maps will be more proportional in size based on population. City Staff has already provided numerous changes to the City of Isanti base map to the chamber which will be incorporated into the new map. City Staff will review the proposed City of Isanti Map to be inserted prior to publication to assure its accuracy and that it includes items important to the City of Isanti and its businesses. Here are some additional details as provided by the North 65 Chamber of Commerce:

> The map is printed every 2 years. It is available to the public and new residents at the chamber office, government offices, and a variety of business and sporting locations throughout the community. If you've seen the 2014 map, the 2016 map will be similar. Stop by the office or give a call to view the 2014 map.
>
> 4,000 maps will be printed and distributed through 2018. One side will have the cities of Cambridge, Isanti, and Braham street maps and the other side will have a full Isanti County Map.
>
> **2016 Isanti County/Cambridge/Isanti/Braham**
> **Community Map Advertising Rates**
>
> | | |
> |---|---|
> | **$300*** | **3.75" x 2" (business card size)** |
> | **$550*** | **3.75" x 4.25"** |

*Please submit your ad in a high resolution file. *This pricing is for ad space only.* If you need assistance preparing an ad, ECM can assist with simple ad composition for no cost or can provide a quote for custom ad design.

Something as simple as a City Contact List, Web address, Logo or links to other pertinent info should be considered for advertising.

EDA Recommendation:

At the December 6, 2016 EDA meeting a recommendation was made to purchase a business card sized ad in an amount not to exceed $300 and to list city logo and general contact information.

Funding Source:

EDA Marketing 495

Requested City Council Action:

Consider adoption of Resolution 2016-___ Authorizing Purchasing Advertising in the North 65 Chamber of Commerce Map.

Attachment:

1) Resolution 2016 - ___ Authorizing Purchasing Advertisement in the North 65 Chamber of Commerce Map

RESOLUTION 2016-___

Authorization Purchasing of Advertising in North 65 Chamber of Commerce Map

WHEREAS, the production and distribution of a City of Isanti Map to Isanti residents, businesses and visitors will serve as a marketing tool for both the City of Isanti and its businesses; and

WHEREAS, the parameters of the proposed map include:

24 x 36 finished flat size
Map fold to 4 x 8
4 color process, 2 sides, with bleeds
70# white gloss text
4000 printed copies

and;

WHEREAS, the cost of adverting in the North 65 Chamber of Commerce map is as follows:

$300	3.75" x 2" (business card size)
$550	3.75" x 4.25"

;and

WHEREAS, the EDA recommendation to purchase a business card sized ad that includes the City logo and contact information for an amount not to exceed $300 was made at the December 6 EDA meeting.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota authorize City Staff and Officials to purchase a $300 business card sized ad including the City Logo and contact information in the North 65 Chamber of Commerce map and to pay the attached invoice from EDA Marketing 495 fund.

This Resolution hereby approved by the Isanti City Council this 20th day of December 2016.

Isanti

Request for City Council Action

To: Mayor Wimmer and City Council

From: Sean M. Sullivan, Economic Development Director

Date: December 20, 2016

Subject: **Consider Authorizing Targeted Community Survey**

Background:

The City of Isanti has seen steady growth over the past 3 years. Over that period there has been 140 new homes constructed. City Staff would like to get some feedback from the new residents on why they chose to move to the City of Isanti. This survey would also be designed to identify the demographic that is choosing to purchase new homes in the City. The information would be helpful for economic development, marketing and future planning. A draft welcome letter and request for the resident to complete the survey is attached for review. Staff is looking for comments or suggestions to the letter and survey that would make it more effective. Staff has access to addresses for all of the newly constructed homes and plans to mail the letter and survey out. In order to get more responses, Staff would also like to send along self-addressed envelopes and offer an incentive to fill out survey. Based on the cost of postage the survey cost would be approximately $131.60 (($.47 X 2) X 140)). Staff is looking for direction on this matter.

EDA Recommendation:

Recommendation to send survey to residents of homes that were constructed 2014-2016 and to include an incentive for filling the survey out, use the form of the attached survey and let from Mayor Wimmer and to fund cost out of EDA Marketing 495.

Action Requested:

Consider Adoption of Resolution 2016-___ Authorizing Targeted Community Survey

Attachments:

1) Resolution 2016-___ Authorizing Targeted Community Survey
2) Draft Letter from Mayor Wimmer
3) Survey for New Residents

RESOLUTION 2016-XXX

AUTHORIZATION OF TARGETED COMMUNITY SURVEY

WHEREAS, the City of Isanti has seen 140 new home constructed from 2014-2016; and

WHEREAS, determining or affirming why people are choosing to move to the City of Isanti is instrumental in developing a successful economic development strategy; and

WHEREAS, the proposed survey will include a cover letter, written survey, utilization of self-addressed stamped envelopes and an incentive to fill out the survey; and

WHEREAS, the specific results of individual surveys will remain confidential and only aggregate data may be used or made public.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota authorize City Staff and Officials conduct a targeted survey to residents of newly constructed homes in an amount not to exceed $200 to be funded out of EDA Marketing - 495 Fund.

This Resolution hereby approved by the Isanti City Council this 20th day of December 2016.

On City Letter Head

January X, 2017

Isanti Resident(s)

XXX Isanti Avenue NE

Isanti, MN 55040

Dear Isanti Resident:

As Mayor of the City of Isanti, I would like to welcome you to our Community of Generations. I am happy that you have chosen to move here to be a part of our growing community. According to our records you have purchased, or moved into a new home recently. We value the opinions and suggestions of all of our residents but are looking specifically at why people are choosing to move to Isanti. All survey results are confidential. Enclosed you will find a brief survey and a self- addressed stamped envelope to return that survey. I strongly encourage you to take the time to fill it out so that the City may learn more about why people are moving to Isanti so we can better serve you and future residents. If you have any questions or concerns, please contact me anytime at 763.442.8749 or george@georgewimmer.com .

Best Regards,

Mayor George A. Wimmer

Request for City Council Action

To: Mayor Wimmer and the City Council

From: Sean M. Sullivan, Economic Development Director

Date: December 20, 2016

Subject: **Consider Adoption of Resolution Authorizing the Design, Production and Printing of a City of Isanti Community Map**

As the City Council is aware, the North 65 Chamber is producing a map showcasing the cities of Isanti, Cambridge and Braham. In order to showcase the City of Isanti and to provide a benefit specifically to Isanti businesses and residents Staff was directed to research doing a City of Isanti highlighting its park system, venues, amenities, activities and businesses. In addition, this publication could be distributed to all residents and businesses and serve as a great resource. This medium gives Isanti businesses the ability to market directly to residents, businesses and visitors to the community.

The general parameters of the proposed map include:

City of Isanti Maps
One Side City of Isanti other Side Isanti County with Advertisement Surrounding
24 x 36 finished flat size
Map fold to 4 x 8
4 color process, 2 sides, with bleeds
70# white / gloss text

Quotes were submitted by 3 vendors:

Vendor	Design of Map	Layout of Map and Advertising	Total
ECM Publishing	$1000	$300	$5143.00
Minuteman Press	$975	$375	$5190.70
Bolton and Menk	$1600	$1600	$6750.00

The funding source for this item was reviewed at Finance Committee on November 17th and involved the reallocation of a Community Education expenditure from the Park, Recreation and Culture Board and the sales of advertisements. If costs are not covered by advertising, staff recommends utilization of the EDA 495 Marketing fund. Below are some proposed advertising rates based on specific advertisement sizes:

City of Isanti Community Map Advertising Rates

$300*	**3.75" x 2" (business card size)**
$550*	**3.75" x 4.25"**
$TBD	**4.00" x 8.00" Inside cover or similar**

Funding Source:

Finance Committee recommended the reallocation of $1,433 from Park, Recreation and Culture budget previously identified for a "Community Ed" expense to be combined with advertisement sales. Shortfalls, if any, should be considered to be funded through the EDA.

Staff Recommendation:

Authorize City Staff and Officials to select vendor to design publishing to design, and print 5,000 maps. Direct Staff to use the advertising rate schedule above, or something very similar, and sell advertising to fund project. Staff recommends adoption of the attached resolution.

City Council Action Requested:

Adoption of Resolution 2016-____ Authorizing the Design, Production and Printing of a City of Isanti Community Map

Attachment:

1) Resolution 2016-____ Authorizing the Design, Production and Printing of a City of Isanti Community Map

RESOLUTION 2016-___

AUTHORIZATION OF DESIGN, PRODUCTION AND PRINTING OF A CITY OF ISANTI COMMUNITY MAP

WHEREAS, the production and distribution of a City of Isanti Map to Isanti residents, businesses and visitors will serve as a marketing tool for both the City of Isanti and its businesses; and

WHEREAS, the parameters of the proposed map include:

24 x 36 finished flat size
City of Isanti Map on One Side Isanti county Map on Other Side
Map fold to 4 x 8
4 color process, 2 sides, with bleeds
70# white gloss text
5000 printed copies

and;

WHEREAS, quotes were received by three vendors as shown on the attached summary; and;

WHEREAS, the proposed advertising rates for the City of Isanti Map are to be:

$300	3.75" x 2" (business card size)
$550	3.75" x 4.25"
$TBD	Custom Ad, 4" X 8" inside cover for example.

and;

WHEREAS, Finance Committee recommended funding for the map to be a combination of the following sources in the following order: advertising revenue, $1,433 reallocated from "Community Ed".

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota authorize City Staff and Officials to award project to **(INSERT CHOSEN VENDOR)** to Design, Produce and Print 5,000 maps for a cost not to exceed **(INSERT AMOUNT)** with funding coming from the following sources in the following order: advertising revenue, $1,433 reallocated from "Community Ed" and the EDA Marketing 495 Fund.

This Resolution hereby approved by the Isanti City Council this 20th day of December 2016.

Subject: Joint Powers Agreement – Regional Criminal Tracking and Analysis (RCTAG) with Sherburne County Sheriff's Office

---

Background:

Isanti County borders Sherburne County to the west and there is a pattern of criminal behaviors that have been crossing the borders and spilling over within our community. IPD has limited funding resources to access fee based informational data bases that dramatically assist in crime analysis and mapping.

Sherburne County Sheriff's Office has a federally funded Crime Analyst on staff that has access to these data bases at no cost to the City of Isanti. This is a tool that has a high potential to assist our own investigator with crime data and intelligence information on suspects.

I feel this is an excellent opportunity to join RCTAG and the benefits will be financial savings, increased time management and the probability of a higher solved crime rate.

Action:
I am requesting that the City Council review, consider and allow the Joint Powers Agreement with Sherburne County Sheriff's Office to join the RCTAG Program.

RESOLUTION NO. 2016-_____

RESOLUTION AUTHORIZING STAFF TO ALLOW THE EXECUTION OF THE JOINT POWERS AGREEMENT WITH THE SHERBURNE COUNTY SHERIFF'S OFFICE AND THE ISANTI CITY POLICE DEPARTMENT

WHEREAS, the Isanti Police Department has the opportunity to work with Sherburne County Sheriff's Office through a Joint Powers Agreement to enhance criminal investigations through the use of a federally fund crime analyst position; and

WHEREAS, the Police Department makes use of every opportunity to provide state of the art technology to better service the community for enhanced service at the lowest possible cost to its citizens; and

WHEREAS, in order to properly safe guard the City's interest, a Joint Powers Agreement is necessary; and

WHEREAS, the agreement has been reviewed by the City Attorney and recommendations have been incorporated into the existing agreement; and

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to authorize the following:

1. To allow the signing of the Joint Powers Agreement with Sherburne County Sheriff's Office to join the Regional Crime Tracking and Analysis Group (RCTAG).

This resolution was duly adopted by the Isanti City Council this 20th day of December, 2016.

Attest:

JOINT POWERS AGREEMENT

WHEREAS, the Sherburne County Sheriff seeks to further his collaboration with the area law enforcement agencies in the sharing of intelligence information for the identification of patterns and modes of criminal activity; and

WHEREAS, the Sherburne County sheriff has developed a web site for Regional Criminal Tracking and Analysis (RCTAG) for criminal activity; and

WHEREAS, the local area Chief Law Enforcement Officers have expressed an interest in joining together to share resources and information in their effort to further the safety in the communities that we all share; and

WHEREAS, the above-entitled entities have the ability to join together pursuant to Minnesota State §471.59 (Joint exercise of powers act for law enforcement activities);

NOW, THEREFORE, the Sherburne County Sheriff Joel Brott and the Chief Law Enforcement Officer Gene Hill for the jurisdiction of City of Isanti, State of Minnesota hereby enter into the following Joint Powers Agreement:

1. The purpose of this agreement is for area law enforcement agencies to share intelligence information by identifying patterns and modes of criminal activity through a Regional Criminal Tracking Analysis (RCTAG). In carrying out the duties of the law enforcement function of sharing such information, the City of Isanti Police Department will be handling one or more types of information that is confidential data on individuals as defined by Minnesota Statute §13.02, subd. 3, and shall be deemed "protected information" under this Agreement.

   The parties agree that it is imperative for both parties that they are responsible for the proper handling of information and the safeguarding of information by its employees, subcontractors and authorized

agents of the protected information that is collected, created, used, maintained or disclosed on behalf of the agency. This responsibility means that each agent, employee and subcontractor shall be properly trained regarding the handling of the information. This includes training on all applicable laws for the access to any of the information in the criminal justice system. Specifically, the City of Isanti Police Department shall agree to the following policies and laws:

a. The Sherburne County Sheriff's Office Policy Manual Regional Criminal Tracking and Analysis Group (including any future amendments to the same) (attached and made part of this agreement); and

b. The Sherburne County Sheriff's Policy covering its Mission Statement, Privacy Policy Purpose, Definition, Governance and Oversight, Policy Applicability and Legal Compliance, Information, Acquiring and Receiving Information, Information Quality Assurance, Collation and Analysis, merging of records, Use of Information by the RCTAG, Disclosure of Information Outside the RCTAG, Redress, Security Standards, Information Retention and Destruction, Accountability and Enforcement and Training requirements (including any future amendments to the same) (attached and made part of this agreement).

In the use of such information, the City of Isanti Police Department, shall:

- Not use or further disclose the protected information that has been created, collected, received, store, used, maintained or disseminated in the course of this agreement other than in accordance with the prescribed polices.
- Ensure that the dissemination of the protected information is controlled by policy and any deviation of such policy shall be subject to the direct approval of the Sherburne County Sheriff.
- Use appropriate safeguards to prevent the use or disclosure of the protected information by its employees, subcontractors and agents other than as provided by policy set by the Sherburne County

Sheriff's Office. The safeguards shall include physical protection of the information as well as secure internet for the sharing of such information.

- Immediately report any breach of the policy of inappropriate use of the information which would include: the attempted or successful unauthorized access, use, disclosure, modification or destruction of information or interference with the system operations. Any breach shall be reported immediately once known with a follow up within five business days in a written format. This report shall be made to: the RCTAG Unit Supervisor. The report shall identify the nature of the non-permitted use/disclosure, the identity if known or the person(s) who breached the system, the manner of such breach, actions taken to prevent the reoccurrence of the breach, actions taken to minimize the impact of the breach and any other information requested by the Sheriff's Office.

The Sherburne County Sheriff shall have the right to audit any of the records or information created, maintained, assembled or held in any other form by the City of Isanti Police Department as it pertains to this agreement and intelligence information from RCTAG unless prohibited by the Minnesota Government Data Practices Act.

The City of Isanti Police Department shall be responsible for actions, inactions, negligent or misconduct of its agents, employees or subcontractors who have had or had access to the information found on the Regional Criminal Tracking and Analysis and shall defend and hold harmless the County of Sherburne ad the City of Isanti, its elected officials, its employees, its agents and subcontractors from any and all claims, damages or other loss sustained by the County or third persons as a result of the City of Isanti Police Department's agents, employees or subcontractors or others under its direction and control.

This Agreement shall be continued for an indefinite term until cancelled by either party with reasonable notice. Such notice shall be in writing and shall be directed to the chief law enforcement officer of the agency.

The parties shall be required to provide such public funds and resources necessary to carry out the purposes of this agreement. No funds or assets shall be comingled, but shall be maintained by each agency for the purposes of insuring each party's ability to fulfill its responsibilities of this agreement.

If the Sherburne County Sheriff and the Chief of Isanti Police Department agree to allow exercise of authority of an officer appointed by one governmental unit within the jurisdiction of the other, the officer so designated by both the Sheriff and the Chief of Police shall have full and complete authority as if appointed by both units of government after administration of oath. Such officer shall have completed the professionally recognized Peace Office Pre-Employment education with the Minnesota Board of Peace Officer Standard Training as found comparable to the Minnesota Peace Officer Pre-Employment education and, the officer is duly licensed or certified by the police licensing or certification authority of the jurisdiction in which the officer's appointing authority is located.

Any data practices requests shall be directed to the entity which initially created the data and shall be handled by their responsible authority.

That all documentation promulgated pursuant to this agreement shall be retained by the respective parties and shall be subject to the data retention schedule for their legal entities.

Both parties to the agreement have provided evidence of insurance or trust agreements which provides coverage for the parties to this agreement. Such coverage shall include, but not be limited to worker's

compensation, general liability coverage and business automobile liability coverage. The Sherburne County Sheriff is covered through the Minnesota Counties Intergovernmental Trust. The City of Isanti Police Department is covered by/through the League of Minnesota Cities Insurance Trust (LMCIT).

This Agreement was entered into on the 20th day of December, 2016 (the last signature notwithstanding).

MISSION STATEMENT

The mission of the Sherburne County Sheriff's Office Criminal Intelligence Analyst - is to interface with federal, state, military, tribal and local law enforcement agencies, by being a primary point of contact for collection, evaluation, analysis, and dissemination of intelligence data and criminal background information in a timely and effective manner in order to detect and/or prevent criminal or terrorist activity, and to solve crimes. This mission shall remain consistent with the National Criminal Intelligence Sharing Plan. The purpose (goal) of the Sheriff's Office Criminal Intelligence Analyst is to ensure protection of the privacy, civil rights, and civil liberties of individuals and organizations pursuant to 28 C.F.R. Part 23, and, Minnesota Statues, Chapter 13.

- The goal of establishing and maintaining a Criminal Intelligence Analyst position is to further the following purposes:

- Be an active participant in the Information Sharing Environment.

- Increase public safety and security in Sherburne County and the surrounding communities, the State of Minnesota and the United States of America.

- Mitigate or minimize the threat and risk of injury to all members of the public safety and health care communities.

- Mitigate or minimize the threat and risk of damage to real or personal property.

- Protect the individual privacy rights, civil rights or other protected interests a person or persons may have.

- Protect the integrity of the criminal investigative, criminal intelligence, and justice system processes and information.

- Foster relationships with persons or groups of people in an effort to promote cooperation between law enforcement and the community which it serves.

- Make the most effective use of public safety resources.

I. **Criminal Intelligence Analyst Purpose:**

The Criminal Intelligence Analyst develops information for the Sherburne County Sheriff's Office and any other law enforcement agencies based on their request.

The Criminal Intelligence Analyst provides timely sharing and exchange of crime-related information. A primary focus of the Criminal Intelligence Analyst is developing and disseminating criminal investigative information. A process of information collection, integration, evaluation, analysis and dissemination is used for law enforcement purposes and in the interest of public safety. The information is made available to law enforcement agencies and certain other entities consistent with Minnesota Statutes, Chapter 13, 28 CFR part 23, and other applicable state and federal law.

II. **Privacy Policy Purpose:**

The Criminal Intelligence Analyst recognizes the importance and will ensure the protection of individual constitutional rights, civil liberties, civil rights, and privacy interests throughout the information gathering and sharing process. This privacy policy states the legal requirements that will be met as well as the organizational procedures that will be used to ensure that these rights and interests are protected.

III. **Definitions:** The following terms are used in this Privacy Policy and are defined below.

A. "Case File" means a reasonable suspicion exists that criminal activity has occurred, could occur or is being planned. Additionally one or more of the following must occur for a case to be created.

(1) The reported information does not support a current ongoing criminal investigation.

(2) A determination is made that further criminal investigation is needed and that this additional investigative effort would exceed the review done for a Request for Information or a Suspicious Activity Report.

B. "Critical Infrastructure Key Resource" or "CIKR" means the assets, systems, and networks, whether physical or virtual, so vital to the United States or the state that their incapacitation or destruction would have a debilitating effect on security, national economic security, public health or safety, or any combination thereof and the publicly or privately controlled resources essential to the minimal operations of the economy and government.

C. "Investigative Sergeant Supervisor" means a designee appointed by the Investigative Captain to oversee the management of the Criminal Intelligence Analyst activities including product development, analysis, dissemination and records management.

D. "Disclosure" means the sharing of data or information in any manner authorized by the Criminal Intelligence Investigative Sergeant supervisor.

E. The Criminal Intelligence Analyst is assigned to collect, integrate, evaluate, analyze and disseminate data and information from state, local and federal law enforcement agencies, including fusion centers operating in other states.

F. "Information Sharing Environment (ISE)" means the trusted partnership among all levels of government, the private sector and foreign partners to detect, prevent, preempt, and mitigate the effects of terrorism against the territory, people, and interests of the United States of America. This partnership enables the trusted, secure, and appropriate exchange of terrorism information, in the first instance, across the five federal communities, to and from state, local, and tribal governments, foreign allies, and the private sector, and at all levels of security classification.

G. "Information Sharing Environment (ISE) and Suspicious Activity Report (SAR) (ISE-SAR) means a suspicious activity report that has been determined, pursuant to a two-part process, to have a potential terrorism nexus. ISE-SAR business rules will serve as a unifying process to support the reporting, tracking, processing, storage and retrieval of terrorism-related suspicious activity reports across the ISE.

H. "Criminal Intelligence Database" means the case management system used by the Criminal Intelligence Analyst to store, documents, and audit RCTAG information.

I. "Criminal Intelligence Analyst Privacy Officer" means the Sherburne County Sheriff's Office Records Supervisor, or their designee, to provide privacy training and ensure compliance with the Privacy Policy.

J. "Criminal Intelligence Analyst - Suspicious Activity Report/Tips and Leads" or "SAR" means any reported behavior or activity that may result in reasonable suspicion that a crime has occurred, could occur or is being planned.

K. "Need to Know" means the prospective recipient requires access to specific information in order to perform or assist in a lawful and authorized govern mental or public safety function. In other words, access is required for the performance of official duties.

L. "Personal Data" means any data or information relating to an identifiable individual.

M. "Protected Information" means information about individuals and

organizations subject to legal protections, including the U.S. and Minnesota constitutions; applicable federal statutes and regulations, such as civil rights laws and 28 CFR Part 23; and applicable state laws.

N. "Reasonable Suspicion" means that sufficient facts are established to give a trained law enforcement officer a basis to believe there is a reasonable possibility an individual or organization is involved in a definable criminal activity or enterprise.

O. "Requestor" means the state, local or federal law enforcement officer or agency making a Request for Information from, or reporting an incident to, the Criminal Intelligence Analyst.

P. "Request for Information" or "RFI" means a request from a law enforcement, Agency to the Criminal Intelligence Analyst for information the requesting agency needs in support of an ongoing criminal investigation. It also means a non-criminal homeland security information request.

Q. "Right to Know" means any agency or organization authorized by federal law or state statute to have access to the data or information. See Minn. Stat. §13.05, subd. 4(b) and 9.

R. "Suspicious Activity Report" or "SAR" means any reported behavior or activity that may result in the reasonable suspicion that a crime has occurred, could occur or is being planned. It also means a bulletin or brief from the Criminal Intelligence Analyst, law enforcement intelligence unit or federal agency to provide situational awareness to Minnesota agencies.

IV. Governance and Oversight

The Criminal Intelligence Analyst is part of the Criminal Investigative Division (CID) and is ultimately controlled by the Sherburne County Sheriff. The Criminal Intelligence Analyst reports directly to the Investigative Sergeant Supervisor. The Criminal Intelligence Analyst is law enforcement personnel for purposes of Minnesota Statutes, Chapter 13.

In order to preserve privacy, civil rights and civil liberties, the sheriff has designated a privacy officer to ensure that safeguards and sanctions are in place to protect Personal Data in conformance with Minnesota Statutes, Chapter 13 and other applicable law.

The privacy officer, or their designee, will examine and recommended standards the Criminal Intelligence Analyst should follow for the collection, use, and security of information and technology, as well as accountability guidelines for the management of the information. The Privacy Policy incorporates fair information practices and principles.

The privacy officer, or their designee, will be responsible for information privacy

issues, including implementation of privacy policy requirements. The privacy officer, or their designee, will facilitate an annual review and update of the privacy policy pertaining to the work products created by the Criminal Intelligence Analyst.

The privacy officer, or their designee, will provide a point of contact and coordination for alleged data or information errors, complaints, privacy policy violations and liaison for the ISE.

The privacy officer, or their designee, will coordinate conflict resolution under Criminal Intelligence Analyst's redress policy and enforcement and sanctions outlined in the Accountability and Enforcement section of this policy (see section XVI).

The privacy officer can be contacted at the following address: Sherburne County Sheriff's Office web site. The privacy officer will work with the Criminal Intelligence Analyst to ensure that privacy and civil rights are appropriately protected by the Criminal Intelligence Analyst information acquisition, dissemination and retention practices.

V. Policy Applicability and Legal Compliance

The Criminal Intelligence Analyst and those county employees providing technical services, with direct access to Criminal Intelligence Data bases are required to abide by this privacy policy. These individuals and any other recipient of criminal intelligence information must also follow all applicable laws which govern the treatment of the information the Criminal Intelligence Analyst collects, receives, maintains, archives, accesses, discloses, or disseminates, including information within the ISE.

The Criminal Intelligence Analyst will make a printed or electronic copy of this policy available to all criminal intelligence and non-criminal intelligence personnel who provide services. All individuals will be required to provide both a written acknowledgement of receipt of this policy and a written agreement to comply with this policy. Nothing in this policy is intended to create a private right of action for any member of the public or alter existing or future federal and state law requirements.

The laws referenced in this policy are listed in Appendix C.

VI. Information

All Personal Data collected by the Criminal Intelligence Analyst, regardless of whether it meets the reasonable suspicion standard in 28 Code of Federal Regulations Part 23, will be retained in compliance with the operating policies of that Federal Regulation, Minnesota Statutes, Chapter 13 (Data Practices), the approved Minnesota Records Retention Schedule (currently 09-141 and 012-014), and any other applicable federal or state laws governing information practices. The Criminal Intelligence Analyst will strive to follow guidelines

established under the National Criminal Intelligence Sharing Plan (NCISP) and, to the extent they do not conflict with Minnesota law, the privacy principles put forth in the Organization for Economic Co-operation and Development's Fair Information Practices.

A. Collection Requirements:

Information collected by the Criminal Intelligence Analyst should meet all of the following requirements:

1. The source of the information is reliable and verifiable,

2. The information supports a reasonable suspicion that the individual or organization is involved in criminal conduct, and the information is relevant to that conduct,

3. The information was collected in a lawful manner, and

4. The information is accurate and current.

The Criminal Intelligence Analyst will retain SARs that do not meet the Reasonable Suspicion threshold for one (1) year to permit the possible development of Reasonable Suspicion. If Reasonable Suspicion is not developed during that year, the SARs are purged as required by the Criminal Intelligence Analyst approved records retention schedule (unofficial compilation attached as Appendix D). During the year, these SARs are stored as temporary files and are disclosed as required or permitted by law. If disclosed, they are clearly labeled as a SAR that does not meet the Reasonable Suspicion standard. SARs are stored in the Criminal Intelligence Database so the SARs are secured in the same way as all other data.

The Criminal Intelligence Analyst incorporates the gathering, processing, reporting, analyzing and sharing of terrorism-related suspicious activities and incidents into the processes and systems used to manage all other Criminal Intelligence information. The Criminal Intelligence Analyst identifies and reviews Protected Information that may be disclosed by the Criminal Intelligence Analyst prior to sharing it through the ISE and provides notice through data field labels to enable authorized users to determine the nature of the information and how to handle it in accordance with applicable legal requirements.

The Criminal Intelligence Analyst will abide by daily operating procedures for the initial collection and verification of information, including the screening process by an analyst to develop how the four criteria above are met. There is a subsequent review by the Investigative Sergeant Supervisor or his/her designee to substantiate the analysis and to approve the documentation that has been developed. Suspicious Activity Reports that

do not meet all the above standards will not be retained for more than one year. The four criteria above also apply to Sherburne County Sheriff's Office Case Files. If the criteria are not met, the Criminal Intelligence Analyst will not open a Sherburne County Sheriff's Office Case File.

A Request for Information may meet all four of the criteria above. An RFI may also involve a request that is supported by a homeland security issue, rather than a reasonable suspicion. If homeland security concerns support the RFI, then all of the other criteria above must be met.

Lawfully collected information that meets Sherburne County Sheriff's Office's Privacy Policy will be stored in the Criminal Intelligence Database. All information is managed according to the approved records retention schedule. When the information describes an individual or organization involved in activities protected by the First Amendment, the information cannot be maintained unless there is specific indication that the individual or organization has, is about to, or has threatened to engage in conduct that constitutes a crime and the First Amendment activities are relevant to the criminal conduct. Specifically excluded material includes:

1. Information on an individual or group merely on the basis that such individual or group support unpopular causes;

2. Information on an individual or group merely on the basis of race, gender, age, citizenship, disability, sexual orientation, place of origin, or ethnic background;

3. Information on an individual or group merely on the basis of religious or political affiliations, or beliefs;

4. Information on an individual or group merely on the basis of personal habits and/or predictions that do not break any laws or threatens the safety of others; or

5. Information obtained in violation of any applicable federal or state rules or statutes.

All criminal intelligence information is managed through the Criminal Intelligence Database and under the direction of the Investigative Sergeant Supervisor. Open files will be reviewed no less frequently than every 180 days by the Criminal Intelligence Investigative Sergeant supervisor or investigative sergeant supervisor's designee to determine the file's status and whether it should be changed. A yearly records review of the Criminal Intelligence Database will be conducted by the Criminal Intelligence Investigative Supervisor and records that may be purged will be disposed. Additional information about records destruction can be found in Section XV of this policy.

On receipt of information, Criminal Intelligence Analyst will assess the

information to determine its nature, usability, and quality and assign it to an operating file (See B, below). At the time a decision is made to retain information, including contributing ISE-SAR information to the shared space, the Criminal Intelligence Analyst will label it (by record, data set or system of records and to the extent feasible, consistent with the current version of the ISE Functional Standard for SAR) pursuant to applicable limitations on access and disclosure in order to: protect an individual's right of privacy, civil rights and civil liberties; protect confidential sources, law enforcement undercover techniques and methods; prevent interference with or the compromise of pending criminal investigations; and provide any legally required protection based on the classification of the data.

B. Types of Operating Files

There are four types of operating files within the Criminal Intelligence unit. They are:

1. Criminal Intelligence Case File. A Criminal Intelligence Case File is created when the Investigative Sergeant Supervisor determines that one should be created. A Criminal Intelligence Case File is entered in the Criminal Intelligence Database and a Criminal Intelligence case number is automatically generated.

2. Request for Information (RFI). An RFI must be supported by a reasonable suspicion or homeland security concern that is provided to the Criminal Intelligence Analyst. Criminal Intelligence Analyst cannot answer an RFI unless it contains a Reasonable Suspicion or homeland security concern.

3. Suspicious Activity Report (SAR). A SAR will be entered into the Criminal Intelligence Database. A SAR should be reported to the Criminal Intelligence Analyst by a law enforcement entity or security related to a CIKR site once it has been reported to a local law enforcement agency. The Criminal Intelligence Analyst receives SARs by the following means:

    - The secure information-sharing platform
    - Fax
    - Telephone
    - Email

4. Dissemination Log (LOG). The LOG is used as a tracking device or bulletins, briefs and assessments disseminated by Criminal Intelligence Analyst. LOG entries will include weekly bulletins and special assessments. Copies of products are attached to the LOG entry. The analysts that disseminate either Law Enforcement (LE) or Critical Infrastructure (CI) Briefs will log the dissemination of these products. Any special bulletin, brief or assessment will be logged by the

disseminating analyst. Special assessments do not need a separate LOG entry if attached as part of the LE Brief or CI Brief labels

C. Labels

The Criminal Intelligence files require certain basic descriptive information to be entered and electronically associated with information, including terrorism-related information and that information shared through the ISE, for which there are special laws, rules, or policies restricting access, use, and disclosure. The types of information include:

1. The name of the submitting agency.

2. The name of the justice information system from which the information is disseminated or that the information was disseminated from the Criminal Intelligence Database.

3. The date the information was collected and, where feasible, the date its accuracy was last verified.

4. The title and contact information for the person to whom questions regarding the information should be directed.

The Criminal Intelligence Analyst will attach specific labels and descriptive metadata to information that will be used, accessed, or disseminated to clearly indicate whether the information is Protected Information and any legal restrictions on information sharing based on information sensitivity or classification. The Criminal Intelligence Analyst will keep a record of the source of all information sought and collected by it.

VII. Acquiring and Receiving Information

Information obtained from or through the Criminal Intelligence Analyst can only be used for official and lawful purposes. A lawful purpose means the request for information can be directly linked to a law enforcement agency's active criminal investigation; and is a response to confirm information that requires intervention to prevent a criminal act or threat to public safety, and is in compliance with Minnesota Statutes, Chapter 13 disclosure requirements. This includes disclosing records to those responsible for public protection, public safety, or public health in the performance of their official duties when permitted by Minnesota law. An audit trail sufficient to allow the identification of individuals to whom such records are disclosed and the nature of the information disclosed will be kept by the Criminal Intelligence Analyst.

The information maintained by the Criminal Intelligence Analyst is obtained through local, state, federal agencies, and tribal law enforcement and open source resources. Individual users of the Criminal Intelligence Analyst work

product are solely responsible for the interpretation, further dissemination, and use of information developed in the research process. Additionally, it is the responsibility of the user to ensure the accuracy, validity, completeness and security of all information obtained prior to official action being taken.

External governmental agencies, that access and share information with the Criminal Intelligence Analyst are governed by the laws and rules governing those individual agencies, as well as by applicable federal and state laws.

The Sherburne County Sheriff's Office will contract with commercial database entities that provide an assurance that their methods for gathering Personal Data comply with applicable state and federal laws and that these methods are not based on misleading information collection practices.

The Criminal Intelligence Analyst will not directly or indirectly receive, seek, accept, or retain information from:

- An individual who or information provider that is legally prohibited from obtaining or disclosing the information; or

- An individual who or nongovernmental entity that may or may not receive a fee or benefit for providing the information, except as expressly authorized by law or Criminal Intelligence Analyst policy.

VIII. Information Quality Assurance

The Criminal Intelligence Analyst is required by Minn. Stat. §13.05, subd. 5, to assure that data is accurate, complete, current and secure. The Criminal Intelligence Analyst will make every reasonable effort to ensure that standard is met, and, that the information is merged with other information about the same individual or organization only when the applicable standard outlined in the Merging Records section of this policy has been met.

The Criminal Intelligence Analyst will determine the accuracy of information received through database searches, by cross-checks with other data systems, and open source information. At the time of retention in the system, the information will be labeled regarding its level of quality (accuracy, completeness, currency, and confidence [verifiability and reliability]).

Information files will be labeled to protect sources, investigations, and an individual's right to privacy, as well as to control access to information. Classification and data labeling shall be reevaluated whenever new information is added to an existing file.

The Criminal Intelligence ISE-SAR process provides for human review and vetting to ensure that information is both legally gathered and, where applicable, determined to have a potential terrorism nexus. The Criminal

Intelligence Analyst will be trained to recognize those behaviors and incidents that are indicative of criminal activity related to terrorism. This training will be the same made available to law enforcement officers around the state.

The Criminal Intelligence ISE-SAR process includes safeguards so that only information about incidents and behaviors that indicate criminal activity related to terrorism but without personal identifiers are documented and shared through the ISE. These safeguards will ensure that the unintentional or inadvertent disclosure of information that could violate civil rights or civil liberties does not occur.

When a choice of investigative techniques is available, information, including information documented as a SAR, should be acquired or investigated using the least intrusive feasible means, taking into account the effect on individual privacy and potential damage to reputation. The Criminal Intelligence Analyst will also adhere to this standard although it is not an operational agency conducting investigations.

When determining information confidence, the Criminal Intelligence Analyst will use the following confidence labeling standards for source reliability and content validity.

1. Source Reliability

   The source is the person or agency who gives the Criminal Intelligence Analyst the information. The source's reliability is evaluated according to the following.

   (a) Reliable means the source is unquestioned or has been tested in the past. All law enforcement agencies are classified as completely reliable.

   (b) Usually Reliable means the majority of the information provided by the source in the past has proved to be reliable.

   (c) Unreliable means the source has provided reliable information sporadically in the past.

   (d) Unknown means the reliability of the source cannot be judged. The authenticity or trustworthiness of the source has not yet been determined by either experience or investigation.

2. Content Validity

   The validity of information is an indicator of the accuracy or truthfulness of the information. The validity of the information is assessed as follows.

   (a) Confirmed means the information has been corroborated by an

investigator or another reliable, independent source.

(b) Probable means the information is consistent with past accounts.

(c) Doubtful means the information is inconsistent with past accounts.

(d) Cannot be judged means the authenticity of the information has not yet been determined by either experience or investigation.

3. Classification

The Criminal Intelligence Analyst uses two classifications or sensitivity structures since the Intelligence Analyst maintains federal, state, and local data and information. Classification or sensitivity levels control the handling, dissemination, and release of materials and products. The laws that govern access to and classification of information at the federal level and in other states are different from Minnesota law. When determining classification and sensitivity, the Criminal Intelligence Analyst must determine whether there is a federal law that requires restrictions on access to or dissemination of the data or information or if Minnesota law applies.

When labeling case files and information, the Criminal Intelligence Analyst must use one or more of the following:

1. Federal Classification

(a) Classified (not public): document is restricted to individuals who have a security clearance of secret or higher.

(b) Unclassified/Law Enforcement Sensitive (LES) (not public): document is viewable by law enforcement agencies only with the Right to Know and Need to Know. The document may contain information related to sources, methods, evidence, and active investigations.

(c) Unclassified/For Official Use Only (FOUO) (not public): document is viewable by anyone who is authorized under "Official Use Only" status. User has a Right to Know, and Need to Know. The document is not disseminated to or viewed by the general public or media.

2. Minnesota Classifications

The Minnesota Government Data Practice Act, Minnesota Statues, Chapter 13, contains the presumption that all government data are public unless there is a federal law or state statute that classifies the data. The following are Minnesota data classifications.

(a) Private data on individuals are about living human beings, not accessible to the public but are accessible by the individual. An individual may consent to the release of private data to a third party. A statute may also authorize the dissemination of private data on individuals to a third party.

(b) Confidential data on individuals are not accessible to the public or the individual. Confidential data on individuals can only be shared with those that have statutory authority to have access.

(c) Nonpublic data are about anything that is not a living human being, are not accessible by the public and are accessible by the subject of the data, if any. The subject can consent to the release of the data to a third party. A statute may also authorize the dissemination of nonpublic data to a third party.

(d) Protected nonpublic data are about anything that is not a living human being and are not accessible to the public or the subject of the data. Protected nonpublic data may be shared with those that have statutory authority to have access.

3. In addition to using the labels and classification structures listed above, the Criminal Intelligence Analyst will utilize the following standards to ensure that data quality is maintained.

(a) The Criminal Intelligence Analyst investigates, in a timely manner, alleged errors and deficiencies and corrects, deletes, or refrains from using information found to be erroneous or deficient.

(b) The labeling of retained information will be reevaluated by the Criminal Intelligence Analyst when new information is gathered that have an impact on the confidence (source reliability and content validity) of previously retained information.

(c) The Criminal Intelligence Analyst will make every reasonable effort to ensure that information will be corrected, deleted from the system, or not used when it learns that the information are erroneous, misleading, obsolete, or otherwise unreliable; the source of the information did not have authority to gather the information or toprovide the information to the agency; or the source used prohibited means to gather the information, except when the source did not act as an agent to a bona fide law enforcement officer.

(d) Originating agencies are responsible for the quality and accuracy of the information accessed by or provided to the Criminal Intelligence Analyst. The Criminal Intelligence Analyst

will advise the appropriate contact person in the originating agency, in writing, if its information is alleged, suspected, or found to be inaccurate, incomplete, out of date, or unverifiable.

(e) When information is found to be inaccurate, incomplete, out of date or unverifiable, the Criminal Intelligence Analyst will notify recipient agencies in writing and will maintain documentation of the notification.

IX. Collation and Analysis

Access to the Criminal Intelligence Analyst information sources for the purpose of analysis is limited to those individuals who have been selected, approved, and trained accordingly.

Access to information contained within the Criminal Intelligence Database files will be granted only to fully authorized personnel who have been screened with state and national fingerprint-based background checks, as well as any additional background standards that may be established by the Sherburne County Sheriff or his designee.

Access to federally controlled, classified information and systems are based on the individual user's federal security clearance and need to know.

Information subject to collation and analysis is identified in the Information Section.

The Criminal Intelligence Analyst position serves as a central clearing house for information sharing focusing on homeland security, organized criminal activity, and all-hazards within Sherburne County and surrounding areas, the State of Minnesota and the United States of America. The Criminal Intelligence Analyst will accomplish this through:

- Management and developing of information sharing through approved web portal
- Production and dissemination of bulletins and assessments
- Investigation and analysis of suspicious activity reports in support of criminal investigations.
- Response to RFI's.
- Collaboration with federal, state, and local agencies to produce joint products.
- The coordination and facilitation of regional training opportunities in support of the Criminal Intelligence Analyst mission.

- The identification of crime patterns and trend.

X. Merging Records

Multiple records about an individual may be merged when reasonable steps indicate that they are about the same person. Data elements that are used to determine that the same individual is the subject of the multiple records include the name (full or partial) and one or more of the following:

- Date of birth;
- State identification number issued by the BCA (SID);
- Offender identification number issued by the Minnesota Department of Corrections (OID)
- Fingerprints
- Photographs
- Physical description
- Height
- Weight
- Eye and hair color
- Race
- Ethnicity
- Scars, marks, or tattoos
- Social Security number
- Driver's license number
- DNA profile
- Retinal scan
- Facial recognition

The identifiers or characteristics that, when combined, could clearly establish that the information from multiple records is about the same organization may include the name, federal or state tax ID number, office address, and telephone number.

If the matching requirements are not fully met but there is a partial match, the information may be associated if accompanied by a clear statement that it has not been adequately established that the information relates to the same individual or organization.

XI. Use of Information by the Criminal Intelligence Analyst

Information obtained from or through the Criminal Intelligence Analyst can only be used for official and lawful purposes. A lawful purpose means the Request for Information can be directly linked to a law enforcement agency's active criminal investigation, or is a response to confirmed information that requires intervention to prevent a criminal act or threat to public safety.

The Criminal Intelligence Analyst will use information on a "Need to Know"

basis, and in accordance with applicable laws.

Credentialed, role-based access criteria will be used by Criminal Intelligence Analyst, as appropriate, to control:

- The information to which a particular group or class of users can have access based on the group or class.
- The information a class of users can add, change, delete, or print.
- To whom, individually, the information can be disclosed and under what circumstances.

The Criminal Intelligence Analyst who has access to Criminal Intelligence information will be trained as to those regulations and agree to the following:

1. Individual passwords will not be disclosed to any other person, except as authorized by Investigative Sergeant Supervisor, Investigative Captain, the Chief Deputy or the Sheriff.
2. Individual passwords of authorized personnel will be changed if the password is compromised or improperly disclosed.
3. Background checks will be completed on personnel who will have direct access to the Criminal Intelligence information at a level determined by the Investigative Sergeant Supervisor, Investigative Captain, Chief Deputy or Sheriff, and, pursuant to department policy.
4. Use of the Criminal Intelligence data in an unauthorized or illegal manner will subject the requestor to denial of further use of the Criminal Intelligence data; discipline by the requestor's employing agency, and/or criminal prosecution.

The Investigative Sergeant Supervisor reserves the right to deny access to any Criminal Intelligence user who fails to comply with the applicable restrictions and limitations.

The Criminal Intelligence Analyst will adhere to the current version of the ISE-SAR Functional Standard for its suspicious activity reporting process, as that is defined in this policy as an ISE-SAR. This includes the use of a standard reporting format and commonly accepted data collection codes and a sharing process that complies with the ISE-SAR Functional Standard for suspicious activity potentially related to terrorism.

XII. **Disclosure of Information Outside the Sherburne County Sheriff's Office:**

There are two regular briefs that are produced and disseminated by the Criminal Intelligence Analyst which will follow all classification procedures:

(1) The Law Enforcement Brief (LE Brief) is a law enforcement sensitive brief compiled from Criminal Intelligence information, and other federal, state, and local reports which may contain comprehensive law enforcement data. This brief is disseminated to law enforcement personnel.

(2) The Critical Infrastructure Brief (CI Brief) is non-law enforcement; sensitive information brief complied from open source internet sites and other federal, state, and local reports. A CI Brief may contain U/For Official Use Only documents and materials. This brief is disseminated to first responder, government, and private sector personnel.

No briefs or assessments can be disseminated outside the Sherburne County Sheriff's Office by the Criminal Intelligence Analyst unless reviewed by the Investigative Sergeant Supervisor. When reviewing briefs and assessments, particular attention will be focused on content, classification, and compliance with this policy. All attached documents will have the permission of the originating agency for use prior to inclusion in the brief or assessment and dissemination will be limited to Stakeholder Agencies.

All information that is disclosed shall be recorded within the Criminal Intelligence Database. A Stakeholder Agency may not re-disclose information from the Criminal Intelligence Analyst until it has received permission from the Investigative Sergeant Supervisor.

Access to the Criminal Intelligence Database requires authorization from the Investigative Sergeant Supervisor, Investigative Captain, Chief Deputy or the Sheriff and the issuance of a user name and password, that is fully auditable and tracks record access.

XIII. Redress

A. Disclosure to a Data Subject

An individual who is the subject of data in the Criminal Intelligence Database has a number of rights that are found in Minn. Stat. §13.04, subd. 3. Those rights include the right to know data exist, to inspect the data in the Criminal Intelligence file, to have copies of the data, and to have the meaning of the data explained. When data are classified as private, the Criminal Intelligence Analyst must verify the identity of the individual data subject using one of the identification methods specified in the data practices policies and procedures. After consulting with the Investigative Sergeant Supervisor, the Privacy Officer must respond to an individual data subject within the appropriate time frames allowed by statute.

The Data Practices Policies and Procedures are available at the Sherburne County Sheriff Office web site.

A record of these disclosures is kept by the Privacy Officer.

B. Disclosure to the Public

The public has the right to access public data maintained at the Sherburne County Sheriff's Office. See Minn. Stat. §13.03, subd. 3. The rights granted by section 13.03 include the right to inspect, to have copies and to have the meaning of the data explained. After consulting with the Investigative Sergeant Supervisor, the Privacy Officer is required to respond in an amount of time that is appropriate, prompt and reasonable. See Minn. Stat. §13.03, subd. 2(a) and Minn. Rules 1205.0300, subp. 3. The Privacy Officer keeps a record of these disclosures.

All media requests shall be forwarded to the Investigative Sergeant Supervisor for referral to the Investigative Captain.

C. Corrections

An individual data subject is authorized by Minn. Stat. §13.04, subd. 4, to challenge the accuracy and/or completeness of public or private data. The terms "accuracy" and "completeness" are defined in Minn. Rules 1205.1500, subd. 2. Section 13.04, subd.4, which requires any challenge to the accuracy or completeness of data to be made to the "responsible authority." The responsible authority is the Sherburne County Sheriff.

The Investigative Sergeant Supervisor has 30 days to respond to a data challenge and either change the data or indicate that the data are accurate or complete. If the individual data subject does not agree with the Sheriff's determination, the individual has the right to appeal the determination to the Sherburne County Sheriff.

The appeal process is described in Minn. Rules 1205.1600.

A record will be kept of all requests for corrections and the resulting action, if any.

D. Complaints

If an individual has a complaint about the accuracy or completeness of terrorism-related information that is:

- classified as confidential by state or federal law;
- held by the Criminal Intelligence Analyst; and
- allegedly has resulted in demonstrable harm to the complainant,

A complaint may be filed with the Investigative Sergeant Supervisor. The terrorism-related information in the Criminal Intelligence Database that can be remedied under this paragraph will be identified.

On receipt of the complaint at Sherburne County Sheriff's Office web site, the Privacy Officer (Sherburne County Sheriff's Office Records Supervisor) will acknowledge the complaint and will state that the complaint will be reviewed. If the complaint includes a request from the individual to know if confidential data exist, the Privacy Officer will, following appropriate identification of the individual, as required by Minn. Stat. §13.04, subd. 3, coordinate the response with appropriate personnel (Investigative Sergeant Supervisor and the Criminal Intelligence Analyst).

If the information originated in another agency, the Privacy Officer will give written notification of the complaint to that agency. That notification will occur within 10 business days of receipt of the complaint. The Privacy Officer will ask that the complaint be investigated and the Criminal Intelligence Analyst will inform the Privacy Officer within 30 days whether changes need to be made to make the information accurate or complete.

On receipt of the complaint, information held by the Criminal Intelligence Analyst that are covered by this paragraph will be flagged as having an outstanding complaint and the fact that a complaint has been made will be shared with any party to whom the information is disclosed.

If there is no resolution within 30 days, the Criminal Intelligence Analyst will not further share the information until such time as the complaint has been resolved. Once the complaint has been reviewed and a determination made to change the information or that it is accurate or complete, the flag will be removed and any recipients of the information notified of any change in response to the complaint.

A record of complaints and the resulting action taken will be kept by the Criminal Intelligence Analyst.

E. Criminal Intelligence Analyst Principles

Information gathered or collected and records retained by Criminal Intelligence Analyst will not be:

- Sold, published, exchanged, or disclosed for commercial purposes.
- Disclosed without prior notice to the originating agency unless disclosure is required by law.
- Disclosed to persons not authorized to access or use the information.

The Criminal Intelligence Analyst shall not confirm the existence or nonexistence of information to any person or agency that would not be eligible to receive the information unless otherwise required by law.

XIV. Security Safeguards

Sherburne County Sheriff, or his designee, will identify the technical resources to establish a secure office space for the Criminal Intelligence Analyst. In addition, Sherburne County Sheriff, or his designee will identify the technological support for secure internal and external safeguards against network intrusion of the Criminal Intelligence information systems.

Access to the Criminal Intelligence Database from outside of the facility will only be allowed over secure CJDN network lines.

Criminal Intelligence will be maintained in such a way that it cannot be stored, modified, destroyed, accessed, or purged without prior authorization.

SARs information will be stored in the same system as that for all other data, but will be clearly labeled as to its classification when disclosed. This system is compliant with 28 CFR Part 23 security requirements.

All Criminal Intelligence Analyst documents or software will be stored on Criminal Intelligence Analyst computer systems or storage devices and in compliance with SCSO/RCTAG policies. To prevent public records disclosure, risk and vulnerability assessments will not be stored with publically available information.

Minnesota law requires that if a breach of the security of private or confidential data occurs, the state agency that maintains the data must notify the individuals whose data were disclosed. Methods of notice are provided for in the statute along with the ability, in the appropriate circumstances, to delay notification to permit an active criminal investigation to occur without impediment. Minn. Stat. §13.055.

XV. Information Retention and Destruction

The Minnesota Records Management Act, Minn. Stat. §138.17, requires that an approved records retention schedule be in place before records can be destroyed. An approved records retention schedule for Criminal Intelligence records is in place and authorizes the destruction of certain records. The retention period varies by record series type. For any records series not on the approved records retention schedule, approval would need to be received before destruction could occur. That approval could be in the form of a new approved records retention schedule or a one-time permission from the Investigative Sergeant Supervisor to destroy records that are no longer collected. See Appendix D for a copy of the approved records retention schedule.

The Criminal Intelligence Database is the record of information to be reviewed for retention or destruction. Destruction occurs in a secure manner appropriate to the classification or sensitivity of the information. Thus, if information is classified as something other than public, secure destruction, such as shredding, must be used. Destruction must also be in compliance with

state policies governing destruction of electronic information. The Criminal Intelligence Analyst does not notify the originating agency, if any, when destruction occurs, nor is originating agency approval required. A records destruction report is required by state law. Minn. Stat. §138.17.

XVI. Accountability and Enforcement

The Criminal Intelligence Analyst will make this Privacy Policy available for public review, when requested.

The Investigative Sergeant Supervisor, in conjunction with the Privacy Officer, will be responsible for receiving and responding to inquiries and complaints about privacy, civil rights, and civil liberties protections in the information system. The Privacy Officer can be contacted at the following address: Sherburne County Sheriff's Office web site.

Queries made to the Criminal Intelligence Database will be auditable and be logged, identifying the user initiating the query. Criminal Intelligence information application logs will be made available for audit. When information is disseminated outside of the Criminal Intelligence Office, a secondary dissemination log will be created in order to capture updated information and provide an appropriate audit trail, as required by applicable law. Secondary dissemination of information can only be to a law enforcement agency for investigative purposes or to other agencies as provided by law.

The Criminal Intelligence secondary dissemination log will include:

1. Date of release.
2. The subject of the information
3. To whom the information was released, including address and telephone number.
4. An identification number or other indicator that clearly identifies the information released.
5. The purpose for which the information was requested.

The Investigative Sergeant Supervisor will be responsible for conducting or coordinating annual and random internal or Criminal Intelligence external audits, including audits by the legislative auditor, and for investigating misuse of Criminal Intelligence information systems. All confirmed or suspected violations of Criminal Intelligence policies will be reported to the Investigative Captain, who will determine the appropriate avenue of investigation and report confirmed violations to the Chief Deputy and Sheriff. If verified, violations will be sanctioned in accordance with the Sherburne County Sheriff's Office discipline policies.

The Criminal Intelligence Analyst will prepare an annual report to the Investigative Sergeant Supervisor regarding Privacy Policy status and information access issues.

XVIII. Training:

The Criminal Intelligence Analyst is required to attend annual Privacy Policy training conducted by the Privacy Officer or their designee.

The Criminal Intelligence Analyst and any personnel providing information technology services to the Criminal Intelligence Database will participate in training programs regarding implementation of and adherence to this privacy, civil rights, and civil liberties policy

- The Privacy Policy training program will cover:
- Purposes of the privacy policy.
- Substance and intent of the provisions of the policy relating to collection, use, analysis, retention, destruction, sharing, and disclosure of SAR and ISE-SAR information maintained or submitted by the Criminal Intelligence Analyst to local, state, federal and tribal law enforcement agencies.
- How to implement the policy in the day-to-day work environment with local, state, federal, tribal law enforcement agencies.
- The impact of improper activities associated with violations of the policy.
- Mechanisms for reporting violations of the policy.
- The possible penalties for policy violations, including transfer, dismissal, and criminal liability, if any.

Criminal Intelligence Analyst Privacy Policy

Appendix A

Criminal Intelligence Analyst Memo of Understanding

The establishment of an integrated system of gathering, analyzing and reporting all-crimes, all-hazards information must be a high priority for all local, state, and federal law enforcement agencies operating within the State of Minnesota. Pursuant to the Omnibus Crime Control and the Safe Streets Act of 1968, 42 U.S.C. 3711 et. seq. as amended and in accordance with 28 CFR Part 23; a facility is established to assist local, state and federal law enforcement and private sector resources. The entities involved include local, state and federal law enforcement; first responders; emergency management; and private sector entities. This facility is created through federal law in cooperation with and for the benefit of participating entities and must comply with all state and federal laws. Information will be shared pursuant to federal and state law to identify all-crimes, all-hazards. To this end the Criminal Intelligence Analyst is an investigative position at the Sherburne County Sheriff's Office.

I. Participants:

Present Participants:

- Sherburne County Sheriff's Office
- Hennepin County Sheriff's Office (CISA/MRIC)
- Becker Police Department
- Benton County Sheriff's Office
- Big Lake Police Department
- Cambridge Police Department
- Elk River Police Department
- Isanti County Sheriff's Office
- Mille Lacs County Sheriff's Office
- Mille Lacs Tribal Police
- Princeton Police Department
- Roger Police Department
- Saint Cloud Police Department
- Stearns County Sheriff's Office
- Wright Count Sheriff's Office

Near Future Participants:

- Isanti Police Department
- Sartell Police Department
- Sauk Rapids Police Department

Distance Future:

- Annandale Police Department
- Buffalo Police Department
- Milaca Police Department

II. Responsibilities

A. The Criminal Intelligence Analyst will be guided by the following mission statement:

The mission of the Criminal Intelligence Analyst *is to collect, evaluate, analyze and disseminate information regarding organized criminal, terrorist, and all hazards activity in the State of Minnesota while complying with state and federal law to ensure the rights and privacy of all.*

B. The roles of the Criminal Intelligence Analyst include but are not limited to:

i. Regional Infrastructure Development: This includes maintaining a regional user base for reviewing and sharing data received and made available by local and regional law enforcement agencies through the Sherburne County Sheriff's Office website and connecting with different groups to add members to Regional Criminal Tracking Analyst Group. Of special importance is establishing a link to the critical infrastructure group.

ii. Bulletin Production and Dissemination: With the approval of the data originator, the Criminal Intelligence Analyst will produce timely and meaningful bulletins to share with a local, regional audience. No approval will be required for open source information.

iii. Provide Basic investigation and analysis of Submissions to the Regional Criminal Tracking Analyst Group: The Criminal Intelligence Analyst will review the submissions initially using open source data bases and agency/state data bases brought into the analyst group to try to determine if submissions should move to the FBI's Intelligence Program or other appropriate agency(s). Criminal Intelligence Analyst with the appropriate clearances could perform other checks by utilizing FBI databases, as maintained and approved by the FBI. Additionally, the Criminal Intelligence Analyst will provide assistance for the FBI Intelligence Program pursuant to applicable state and federal law.

iv. Response to Request for Information (RFI): Provide a timely response to requests from agencies, fusion centers, and the U.S. Department of Homeland Security (DHS) for information and services available through Criminal Intelligence Analyst to include but not limited to assessments, analytical products, and open source background materials.

v. RCTAG Establishment: The Criminal Intelligence Analyst will assist with the building of the Regional Criminal Tracking Analyst Group website, and the appropriate policy and procedure development.

vi. Training: The Criminal Intelligence Analyst will coordinate training relative to the function of the Regional Criminal Tracking Analyst Group.

III. Limitations

A. Nothing in this Memo of Understanding is intended or shall be construed, to modify or be in conflict with Minnesota State Statutes, federal law or Code of Federal Regulations. The Criminal Intelligence Analyst must adhere to the applicable state and federal law and US Attorney General Guidelines and Title 28, Code of Federal Regulations (CFR) in the lawful collection, maintenance and dissemination of information for and on behalf of the federal authorities. The Criminal Intelligence Analyst will maintain a written policy regarding the handling of data that complies with applicable state and federal law.

B. Information and documents/files maintained or accessed by the Criminal Intelligence Analyst shall remain the property and in the constructive possession of the originating agency. Dissemination of information or documents outside the Sherburne County Sheriff's Office not accessible to the general public shall require permission of the originating agency and comply with all applicable state and federal law.

Criminal Intelligence Analyst Privacy Policy

Appendix B

Criminal Intelligence Analyst Hot sheet Notice

What follows is the text from the Sherburne County Sheriff's Office Criminal Intelligence Analyst Hot sheet registration forms. The registrant has to click on a separate box to agree and continue with the registration process. The notice explains the need to comply with the Privacy Policy.

I agree to not share my log-on and password with another party.

I agree to abide by all classification and dissemination terms that are placed on all products produced by the Criminal Intelligence Analyst and those that the Criminal Intelligence Analyst disseminates for other agencies. Those terms include but are not limited to:

No portion of Criminal Intelligence Analyst documents should be released to the media or general public.

Criminal Intelligence Analyst documents contain data protected by state and federal law and are subject to distribution restrictions.

Criminal Intelligence Analyst authorization is required prior to disseminating any Criminal Intelligence Analyst document or portion of outside of the intended recipients' agency.

I understand that any release of this information could adversely affect or jeopardize investigative activities.

Criminal Intelligence Analyst Privacy Policy

Appendix C

List of Applicable Statutes

The following is a list of legal provisions that affect the operation of the Criminal Intelligence Analyst, the classification of data it holds and how access and dissemination of that data occurs.

This list is current as of the date it is developed and will be routinely reviewed and modified.

Federal Provisions:

United States Constitution, including the Bill of Rights.
Brady Handgun Violence Prevention Act, 18 U.S.C. §§ 921, 922, 924, and 925A
Computer Matching and Privacy Act of 1988, 5 U.S.C. § 552a(a); see also Office of Management and Budget, Memorandum M-01-05, "Guidance on Interagency Sharing of Personal Data–Protecting Personal Privacy," December 20, 2000
Confidentiality of Identifiable Research and Statistical Information, 28 CFR Part 22
Crime Identification Technology, 42 U.S.C.§ 14601
Criminal History Records Exchanged for Noncriminal Justice Purposes, 42 U.S.C. § 14611
Criminal Intelligence Systems Operating Policies, 28 CFR Part 23
Criminal Justice Information Systems, 28 CFR Part 20
Disposal of Consumer Report Information and Records, 16 CFR Part 682
Electronic Communications Privacy Act of 1986,18 U.S.C. §§ 2510–2522, 2701–2709
Fair Credit Reporting Act, 15 U.S.C. § 1681
Federal Civil Rights laws, 42 U.S.C. § 1983
Federal Records Act, 44 U.S.C. § 3301
Freedom of Information Act (FOIA), 5 U.S.C.
Indian Civil Rights Act of 1968, 25 U.S.C. § 1301 IRTPA, as amended by the 9/11 Commission Act National Child Protection Act of 1993, Pub. L. 103-209 (December 20, 1993
National Crime Prevention and Privacy Compact, 42 U.S.C. § 14616
Privacy Act of 1974, 5 U.S.C. § 552a,
Privacy of Consumer Financial Information, 16 CFR Part 313
Protection of Human Subjects, 28 CFR Part 46,
Safeguarding Customer Information, 16 CFR Part 314
Sarbanes-Oxley Act of 2002, 15 U.S.C. § 7201
USA PATRIOT Act, Public Law No. 107-56 (October 26, 2001)

Minnesota Provisions

Minnesota Constitution
Minnesota Government Data Practices Act,
Minnesota Statutes, Chapter 13 and enabling rules found in Minnesota Rules, Chapter 1205
Official Records Act, Minnesota Statutes, section 15.17
Records Management Act, Minnesota Statutes, section 138.0163. et. seq.
Minnesota Health Records Act, Minnesota Statutes, section 144.291, et. seq.
Minnesota Statutes, Chapter 243 - corrections

Minnesota Statutes, Chapter 260B - juveniles alleged or adjudicated delinquent
Minnesota Statutes, Chapter 299C - Bureau of Criminal Apprehension
Minnesota Statutes, Chapters 609-643 -provisions relate to crimes and offenses, rehabilitation and incarceration

Contractor's Certification

The undersigned Contractor certifies that to the best of its knowledge: (1) all previous progress payments received from Owner on account of Work done under the Contract have been applied on account to discharge Contractor's legitimate obligations incurred in connection with Work covered by prior Applications for Payment; (2) title of all Work, materials and equipment incorporated in said Work or otherwise listed in or covered by this Application for Payment will pass to Owner at time of payment free and clear of all Liens, security interests and encumbrances (except such as are covered by a Bond acceptable to Owner indemnifying Owner against any such Liens, security interest or encumbrances); and (3) all Work covered by this Application for Payment is in accordance with the Contract Documents and is not defective.

By: _____ Date: 11/29/16

Payment of $ 365,954.00
(Line 8 or other - attach explanation of the other amount)

is recommended by: _____ 12/2/16
(Engineer) (Date)

Payment of $ 365,954.00
(Line 8 or other - attach explanation of the other amount)

is approved by: _____
(Owner) (Date)

Endorsed by the Construction Specifications Institute.

City of Isanti
Economic Development Authority
Regular Meeting Minutes of
November 1, 2016
Isanti City Hall

1. Call to Order

The meeting was called to order by President Wimmer at 7:37 p.m.

a. Pledge of Allegiance

b. Roll Call

Commissioners Present: George Wimmer, Keith Dragisich, Ross Lorinser, Dan Collison, Paul Bergley, and Tara Hallberg

Commissioners Absent: Steve Lundeen

Staff Present: Economic Development Director Sean Sullivan

c. Agenda Modifications

2. Approval of Agenda

Motion to approve Agenda as presented by Lorinser, second by Collison, motion carried unanimously.

3. Approve Minutes of October 4, 2016 Regular Economic Development Meeting

Motion by Collison second by Lorinser to approve the minutes for October 4, 2016. Motion carried unanimously.

4. Review Framework for Marketing Initiatives and Strategy

Economic Development Director Sullivan highlighted items in the Framework for Marketing Initiatives and Strategy. Sullivan focused on examples of specific marketing efforts and the results that were generated. He stressed that the City was using multiple mediums to market to different audiences and that some if the efforts have been generating results. He also noted that there are many leads that are explored that end up not going anywhere. He stressed the fact that the most recent aerials are from 2011 and do not show the commercial, industrial and residential growth that has occurred which can be very misleading. Once aerials are flown the marketing materials produced will be more relevant. Building relationships with existing businesses and potential future business is key.

Discussion Ensued.

Isanti County Commissioner Warring indicated that Isanti County was looking at funding for new aerials to be flown in April 2017.

Members Dragisich and Collison indicated that they have seen posts on Linked In and that they were done well.

Consensus of the EDA was that Economic Development Director Sullivan was doing a great job and that the Economic Development Team should continue with the initiatives that were outlined in the strategy discussed and wait for the production of some marketing materials based on the new aerials to be flown.

No action was requested, none was taken.

5. Consider Advertising in North 65 Chamber – Isanti County Map

Economic Development Director Sullivan highlighted the staff memo touching on the history of the previous map done by the Cambridge Chamber of Commerce and the concept moving forward for the North 65 Chamber of Commerce. He acknowledged the disproportionate sizing of the Cambridge, Isanti and Braham maps in the Cambridge Chamber publication. He asked Melissa Bettendorf, President of the North 65 Chamber of Commerce, to have the maps be more proportional in the new North 65 Chamber of Commerce map being produced. Sullivan thought advertising in this map would be a good use of marketing dollars as long as the maps were proportional.

Discussion ensued.

President Wimmer expressed his dissatisfaction with the fact that there was not a mock-up done for the proposed map. He stressed that before the EDA should consider investment in this marketing medium the EDA needs to know what the final product will look like. He understood why the Cambridge Chamber of Commerce Map has Cambridge larger than Isanti but could not understand why Isanti was shown in an equal size to Braham. He has no interest in advertising in a map that does not show a true representation of the size of the City of Isanti and relation to the other cities in the individual map section.

Chamber President Melissa Bettendorf stated that she was unable to get a mock map done in time for the meeting and thanked Economic Development Director Sullivan for submitted corrections to the Isanti base map. They are in the draft stage she will provide a draft when available. She picked up this project which was started by Eric Champion some time ago and was trying to move it forward. She also indicated that the sizing of the maps should be adjusted.

Member Dragisich indicated that for the cost he thought investment in this map would be worth it as long as Isanti is shown nicely.

President Wimmer is concerned that if a map shows Isanti disproportionately small it will hurt Isanti. We are not the same size as Braham and it should not be represented that way. Proportionality is important.

Member Lorinser expressed the same concern as President Wimmer and that at times we have been viewed as the little brother of Cambridge and that we are not.

Discussion ensued.

Consensus by the EDA was to wait until a map proof was available showing the layout, content and sizing before considering whether or not to advertise in the map. It would then be reviewed, approved or denied by City Council when it's ready.

6. Other Business / Updates / Communications

Sullivan highlighted items on the Staff Memo.

President Wimmer indicated the Senator Klobuchar and Governor Dayton have shown interest in supporting programs like MIF and JCF in meetings the City has been present. These programs have been under attack and need to be supported. Sen. Klobuchar had some good suggestions regarding the Rail Industrial Park and customs from regional airports.

Member Dragisich asked about status of Coborn's project.

President Wimmer stated Coborn's submitted a site plan for the gas station, canopy and kiosk. Plans were not submitted for a convenience store and /or car wash. The car wash and convenience would come at a later date but is was not certain. From a business standpoint they are doing incredibly well.

6. Adjournment

Lorinser motioned, seconded by Collison to adjourn at 8:15 pm. Motion carried unanimously.

Dated at Isanti, Minnesota, this 1st Day of November, 2016.

Respectively Submitted,

Sean M. Sullivan

Sean M. Sullivan, Economic Development Director

CITY OF ISANTI
PLANNING COMMISSION
MEETING MINUTES
NOVEMBER 9, 2016

1. Meeting Opening.

A. Call to Order.

Cesafsky called the meeting to order at 7:00 p.m.

B. Pledge of Allegiance.

Everyone rose for the pledge of allegiance.

C. Roll Call.

Members Present: Paul Bergley, Wayne Traver, Greg Cesafsky, and Jim Kennedy.

Members Absent: Steve Lundeen (notice given)

Staff Present: Community Development Director, Roxanne Achman

Others Present: Clark Joslin, Isanti City Attorney

D. Agenda Modifications.

None.

2. Approval of Minutes from October 11, 2016 Planning Commission Meeting.

Cesafsky questioned if there were any comments or changes to the minutes.

Motion by Kennedy second by Bergley to approve the October 11th, 2016 Planning Commission Meeting Minutes. Motion was unanimously approved.

3. Public Hearings.

A. Request from O'Reilly Auto Enterprises, LLC, for Site Plan and Building Appearance approval of a Retail Auto Parts Store on the property located at 101 6th Ave NE, legally described as Lot 2, Block 1, Isanti Commons Second Addition, Isanti, Minnesota.

Cesafsky read the item into the minutes.

Achman presented the staff memo.

Cesafsky opened the public hearing. There was no one to speak on the matter. The public hearing was closed.

Motion by Kennedy second by Bergley to recommend approval of the request from O'Reilly Auto Enterprises, LLC, for Site Plan and Building Appearance approval of a Retail Auto Parts Store on the property located at 101 6th Ave NE, legally described as Lot 2, Block 1, Isanti Commons Second Addition, Isanti, Minnesota based on the Findings of Fact and Conclusions and with the following conditions:

1. Revisions to the plans based review comments from the Community Development Director and City Engineer.

Motion carried unanimously.

B. Request from Rice Building Systems Inc., on behalf of Coborn's, for approval of an Amendment to the Site Plan and Conditional Use Permit approved through Resolution 2015-253, to allow for significant changes to the development located at 209 6th Ave NE, legally described as Lot 1, Block 1, Isanti Commons Second Addition, Isanti County, Isanti, Minnesota.

Cesafsky read the item into the minutes.

Achman presented the staff memo.

Cesafsky opened the public hearing.

Dave Meyer, Coborn's Representative, approached the podium to state he was available for questions and that he has a representative from Rice Companies along to answer questions as well.

Bergley asked if Mr. Meyer had met with the Mayor, Sean Sullivan and the Economic Development Authority.

Meyer stated that he had not met with the EDA, but had spoken with the Mayor about the change.

Bergley stated the matter had been discussed at City Council and he was under the impression that the convenience store was going away, but because the water was installed for the car wash, that the car wash would still be installed.

Meyer stated that he had informed the Mayor that would be the intent, but he wasn't going to promise it will get done at the same time. It's an economic decision at this point because the tanks are in the ground and can be pumping gas relatively quickly. Coborn's is looking to install the car wash next year, but they don't want to say that for sure because they don't have the capital approved to do so at this time, but the infrastructure is there.

Bergley stated that this matter will be forwarded on to the City Council and the matter can be further discussed there. Bergley mentioned that it was his impression that the City wanted to see the car wash installed because the infrastructure was there the City wanted the water to be used. He was under the impression there was a compromise that the convenience store didn't need to be built but the car wash did.

Meyer informed the Planning Commission that their short-term intent would be to do that, but the plans at this time are just to finish the gas canopy area.

Bergley stated he had no further questions.

The public hearing was closed.

Motion by Kennedy second by Bergley to recommend approval of the request from Rice Building Systems Inc., on behalf of Coborn's, for approval of an Amendment to the Site Plan and Conditional Use Permit approved through Resolution 2015-253, to allow for significant changes to the development located at 209 6th Ave NE, legally described as Lot 1, Block 1, Isanti Commons Second Addition, Isanti County, Isanti, Minnesota based on the Findings of Fact and Conclusions and with the following conditions:

1. Resubmittal and approval shall be required for the future construction of the convenience store and/or car wash.

Motion carried unanimously.

C. Request from the City of Isanti to Amend Ordinance No. 445 Zoning, Section 7 Business Districts, Section 11 Overlay Districts to include Article 5: "H65" Highway 65 Corridor Overlay District, and Section 12 Tier One Districts and Amend the Zoning Map to Include Specified Properties Zoned B-2 and T1-B along Highway 65 within the Highway 65 Corridor Overlay District.

Cesafsky read the item into the minutes.

Achman presented the staff memo and a full summary of the ordinance.

Cesafsky opened the public hearing.

Brian Strike, 409 Broadway St SE, Strike Funeral Home, wanted to express his concern over the zoning change and the overlay. He stated that his parents, Hugo and Elaine Strike, had dropped off a letter to the Planning Commission earlier in the week. Strike stated that his concern is that their businesses hands will be tied and they won't be able to make any structural changes to their building, which is a concern for them. He mentioned that they've completed some remodeling and are in good shape right now, but the zoning change is forever. Strike stated he has no immediate plans for the building but something similar to what they did in Cambridge may be a possibility at some point. They bumped the building out by three feet to accommodate more DVD programs; changing things to meet the public's needs. Strike described a few things that may be future projects for their building; covering the garage, adding on to the lobby. Change is critical in a business to be able to grow long term. He stated they could still redecorate, but they couldn't do anything substantial. It was stated that if a business doesn't change over time, they are at a severe disadvantage. Strike stated that he doesn't foresee another funeral home coming to Isanti, but then again, the City now has two grocery stores. Strikes informed the Planning Commission he understood that additional parking would be required and it will be a challenge to obtain it, but he hopes the City would help them find a way to make it work. It may be possible to put 8-10 more stalls on the existing lot. In addition, Strike felt it may be possible to work with the lot to the north of their business in order to obtain the additional parking. He stated that working with a neighboring business may help that lot develop as well. Strike explained that they have done it before with Walgreens in Cambridge. They obtained a permanent, exclusive easement for 13 parking spots from Walgreens. It wasn't required by the City, but Strikes wanted to provide more parking for their patrons. He further explained that actions like that are hard to do and they are expensive to do, but at least it's a possibility. Strike stated that's all the funeral home is asking for is a chance if and when they come up with a project. With the proposed ordinance, Strike felt they would have no chance to expand their business or parking. He stated that if they had even a small chance to work with someone who may develop north of them, it would be worth it. Strike went on to explain a few options he felt were worth the Planning Commission considering. One would be to include funeral home in the permitted uses within the district. Move the zoning across the street so that it would start right across from Strike Funeral Home. Lastly, add a condition for existing businesses that will become non-conforming uses within the district to have the ability to grow by at least 10 percent. Strikes stated he spoke with the Mayor about adding a provision for 10 percent, but after doing some calculations, Strike felt that 10 percent was light and that it should be more like 15 percent. They could live with 10 percent, but that is only about 620sf for their building. Strike stated that the only businesses excluded from the district are his and John Deere from his understanding so he felt allowing an increase in the business would only affect two businesses in the district.

Bergley asked Strike to repeat option number three.

Strike repeated option number three to allow some expansion and further stated that he is open to other options but would like the ability to make small changes to his building. He felt it would be reasonable to have that ability in the long run.

Traver asked if Strike's had any plans for future expansion.

Strike stated he doesn't foresee any plan in the next 3-5 years. They completed a major remodeling a few years ago. He explained some of the remodeling that has occurred at their Cambridge building. They have remodeled the Isanti business four or five times since it was built in 1965 and it's in pretty good shape, so, there are no immediate plans for changes to the building.

Bergley asked Strike if people can see his business pretty readily from the highway.

Strike said it is difficult to see from the highway. Their business is sometimes hard to find, but he felt it was a good transition from the commercial district to the residential district.

Bergley stated it was hard to see it when driving south, but was guessing the building wasn't visible at all when driving north. Bergley further commented that from an aesthetic point, the building is nice looking and he wouldn't be ashamed to have it along Highway 65. Bergley stated that since it's not visible he's not sure why it's on the list.

Kennedy asked why the old businesses are involved with this district, they should all be grandfathered in.

Achman stated that the businesses are grandfathered in as far as use. They are allowed to remain; they just cannot expand. The business could stay there for 100 years if they chose. Kennedy asked why they couldn't expand. Achman explained that they are not a permitted use within the district.

Cesafsky asked if there was a reason funeral homes were excluded from the district.

Achman explained that the focus was to have uses that were draws to the community.

Bergley asked why the district boundary line couldn't change. He felt their building was aesthetically pleasing and they've been here 51 years. Bergley stated he wouldn't be very pleased if someone told him he couldn't expand his business.

Achman stated she wouldn't advise changing the boundaries of the district. That would be an obvious exclusion of a business to benefit them. She further stated they would need a rational reason to do so.

Bergley asked which of the options staff would advise them to choose.

Achman stated she would explain to them the research that was conducted. She informed the Planning Commission that the option to allow an expansion to non-conforming uses was explored deeply and found to not be in the city's best interest. The expansion to non-conforming uses would need to be allowed in all districts, which causes concern. The reason for rezoning's and businesses becoming non-conforming, is to change and shape the district. For example, 1st Ave NW in the downtown area has many houses that are non-conforming uses right now. If they were allowed to expand, the district would take much much longer to transform in to a downtown business district.

Bergley stated that the Planning Commission should place funeral homes within the permitted uses in the overlay district. He agrees with Mr. Strike in that he cannot imagine another funeral home coming in to the city, and furthermore, he hasn't seen an unpleasing funeral home. Bergley stated he wouldn't be ashamed to have their business expand. He stated another option would be to install some trees so the business wouldn't be seen from Highway 65.

Achman explained that it's not an aesthetic issue with funeral homes. There is nothing wrong with the way Strikes Funeral Home looks.

Bergley stated that's what it feels like with the way the ordinance is structured and that we want people to stop and view the city.

Achman further explained that the City wants to have businesses along the corridor that people want to stop at and visit; things that will pull people in.

Bergley felt that funeral homes were something that people stopped for and came to view.

Cesafsky felt that the overlay district was to protect the value of the city and to maintain a high-quality gateway into the city.

Kennedy said he can understand this for new businesses but not existing businesses.

Cesafsky asked how the new overlay district affects the changes that Strike Funeral Home can make today.

Achman stated that if funeral homes were permitted within the overlay district they would need to meet the aesthetics, which may not be an issue. There would still be issues that would need to be addressed such as the parking, setbacks, the fact that there is a residence attached to the business, which is a non-conforming use in the current district. It is still a non-conforming use of the property. The overlay district doesn't change things a lot for the funeral home.

Strike stated he couldn't expand at all with the overlay district.

Achman explained there are a number of issues with the property right now that would need to be worked out before anything could happen with this property.

Strike stated he would like to work with the city to figure something out. He stated he hopes the city would help with the parking issue.

Bergley stated he was confused and wanted to know how the overlay district affected Strike Funeral Home.

Achman explained that if the business is not a permitted use in the overlay district, they cannot expand. She further stated that right now they have performance standards that aren't met, which is making them non-conforming.

Bergley restated his understanding was that they can't expand as they sit right now. Achman confirmed.

Kennedy had questions on the fact that a residence was attached to the funeral home.

Strike explained that the home has always been a part of the business since it was constructed in 1965 and since residence are not a permitted use in the existing zoning district, they cannot expand. Achman confirmed that was correct.

Kennedy stated that it was permissible to construct that residence and business at the time it was constructed in 1965 and then an ordinance was passed and now he can't live there anymore. This isn't North Oaks. This is Isanti.

Strikes stated he received a permit for remodeling. Achman stated that remodeling is permitted. Expansion is not.

Cesafsky stated that as the business sits today, there are issues, but there's a chance for changes. With the rezoning, the door would be closed.

Bergley asked if a conditional use permit would be needed right now if they wanted to expand their business.

Traver asked if it was an option to table the items and gather more information.

Achman stated it would not be a conditional use permit. A variance would need to be granted in order to expand at this time. A variance from the required performance standards.
Clark stated that if the item is tabled it will delay action the City Council can take on the matter. The City Council will need a report and a recommendation one way or the other. What the law provides is that if the Planning Commission doesn't make a recommendation within 60 days from the date in which the matter was submitted to the Planning Commission, then the City Council could act.

Kennedy stated they could table the matter. Clark reiterated that would delay the action the City Council could take.

Bergley asked if there was a rush to implement the overlay district.

Achman stated that there has been considerable time and effort put into the ordinance. The matters have been reviewed with Mr. Strike. And the options for Mr. Strike have been vetted through. What is being presented is the recommendation by staff and others who have helped to draft the ordinance.

Bergley stated that Strikes letter makes it sound like there is some back and forth on the options, and he doesn't doubt that staff has put an effort forth in reviewing the options and meeting with Mr. Strike. He further stated that he hates to tell a business that has been in operation for 51 years with an exemplary reputation that they can't expand. He just wants to know that everything has been done and that everyone involved has been talked to.

Achman stated that out of everyone that was notified, Strike's the only opposition that we've received comments from. Staff has completed a lot of research and really does feel that the ordinance presented does provide for what is in best interest for the City of Isanti. Allowing for non-conforming uses to expand is not going to provide anything beneficial to the city.

Bergley stated he respectfully disagrees. He stated he feels the Strike Funeral Home is aesthetically pleasing and would be proud to have someone drive through and say they like the way Strike Funeral Home presented themselves.

Cesafsky asked it if would be possible to make a recommendation that the ordinance be approved with conditions, such as including funeral homes within the permitted uses. Achman stated it was possible. Cesafsky stated that he agrees with the overlay district but he can see where Bergley is coming from.

Kennedy stated he agrees with the ordinance for new businesses.

Travers stated that Strikes is not just a business, it's also a residence, and everything about it is non-conforming.

Cesafsky asked how Isanti County Equipment is affected.

Achman stated they would not be allowed to expand. They can remain there, but not expand.

Cesafsky asked what that business was classified as. Achman stated that they would have fallen under farm implement.

Bergley asked Strike if he would be happy being added to the permitted uses list. Strike confirmed that he would.

Dwight McCullough, part owner of BMC Auto at 444 E Dual Blvd, approached the podium and stated that his business is outside of the overlay district but he has concerns that one day they will be subject to the same standards down the road.

Bergley stated he's not concerned about the overlay district expanding. The purpose of the overlay is to make Isanti aesthetically pleasing from the highway. He stated he's been privy to a lot of the conversations and doesn't feel this will affect McCullough's business.

Achman stated she doesn't see any changes coming for that area any time soon.

Connie Anderson, 409 Shawn St SE, approached the podium to state that there is a concern in the neighborhood about what is going to happen to the homes along Candy Ave SE, Richard Ave SE and Shawn St SE. They are stuck on an island in the middle of a commercial district. Anderson stated that she understood the overlay district wouldn't affect the residence but wanted to know if coming down the road they be told they need to brick their house because they are right on the highway and very visible.

Achman stated she doesn't foresee anything like that coming along. She stated there hasn't been any discussions about changes to that area.

Anderson stated there is a commercial piece to the south of her, so she expects that a day will come along when the city wants that whole block to be commercial. She further stated that her neighbors have voiced a similar opinion.

Achman stated again that there have been no discussions of any matter like that.

Anderson asked if there was a reason the parcel between Palomino and Shawn Street is zoned commercial.

Clark stated it was zoned commercial because it was kiddy-corner from the commercial property on the opposite side of the street and there were commercial plans at that time to develop the property. It was determined under the comprehensive plan at that time that it was appropriate for that to be commercial.

Cesafsky asked in order to alleviate Andersons concerns, is it possible to rezone that residential area to commercial.

Clark stated that it would be possible but it's not in the comprehensive plan and there's no thought to even move in that direction. Clark stated that none of us can see what will happen down the road but there is no discussion of such possibility at this time. Clark further stated that it's important to know and clarify that zoning changes, such as what is being proposed, existing uses in place can remain in place as long as that use continues. It can be maintained and wouldn't be subject to the standards unless there is a change to the property. Then the property would be required to be brought into conformance. But a non-conforming use cannot be expanded on. There are two types of issues that are at play. One is the type of use of the property, as is the case with Strike Funeral Home. With the proposed ordinance, they would be allowed to continue to operate forever so long as they continue to operate without discontinuing for one year or more. The other thing that comes in to play, besides the use, is the performance standards. The building doesn't need to be improved unless the building is changed, for example, renovating the whole exterior of the building as opposed to just performing maintenance of it, then it would need to be brought up to the standards. The buildings can be maintained, but there cannot be an expansion of the footprint. That is how the term "grandfathering" or legal non-conforming came into use. You cannot put someone out of business without there being an eminent domain proceeding; there would have to be payment for the taking of the property. But that isn't what is being proposed here, just the zoning is changing.

Anderson asked why the property on the east side of the highway isn't part of the corridor. Achman clarified that it was residentially zoned.

Jerry Laase, Isanti Ready -Mix, 28103 Hwy 65, Isanti, approached the podium asking if he could expand as Tier 3.

Achman stated that Mr. Laase's business is already an existing non-conforming use. Laase asked if his business was now done after 40 years. Achman clarified that the rezoning that affected his property occurred a number of years ago when that area was taken into the city's zoning jurisdiction.

Laase stated that he's in Isanti County, not the City of Isanti. Achman reiterated that the City of Isanti has zoning jurisdiction over that area. Lasse stated that changes need to be made with the County Commissioners and County Planning Commission to go over the City's head to make the appropriate changes. He stated he now has 83 acres that he can't do anything with.

Clark stated he can continue to do business as he has been. Laase stated that the City is putting Strike out of business, to which Clark stated that Strike's is not being put out of business, they just cannot expand.

Laase said this cannot be voted in and continued to describe how the County needs to take back authority and that new County Commissioners need to be voted in. Laase and Kennedy continued discussions on voting and County Commissioners.

Cesafsky called the meeting to order.

Laase explained that he thought the overlay district was now only encompassing the part of his property closest to Highway 65. So, if the back part of his property is rented out, he doesn't need to go to the City for permission, he can go to the Township.

Achman clarified that he would still need permission from the City. She further explained that Laase's entire property is zoned Tier 1 – Business, not just a portion of it. The overlay district line is an arbitrary line that indicates that when, and if, the property develops, that section would be subject to the overlay district requirements. The boundary is in line with 6th Ave. Achman explained that Laase's property has been in the Tier 1 – Business District since at least the early 1990's.

Bergley informed Laase that he didn't think his issue is with the overlay, it's with a decision that was made many years ago.

Laase stated that his land is in Isanti Township. Achman confirmed that was true, but the City of Isanti has zoning jurisdiction over it.

Trey Laase, Isanti Ready-Mix, approached the podium to ask how they are expected to stay in business without being able to expand. Why does the City want to play the role of forcing businesses out? He felt there should be variances or expansions allowed.

Achman stated that Isanti Ready-Mix is already a non-conforming use that would not be allowed to expand. That was a decision that was made in the early 1990's. The overlay does not affect Isanti Ready-Mix because it's already a non-conforming use.

Trey Laase explained that they have never gone to the city meetings because they are in the township, not the city. He stated that it's looking like they may need to move out of Isanti if they want to expand their business. He further stated that it sounds like they missed something along the way that was important to them. Trey Laase stated he felt that any previous business shouldn't be under these regulations.

Bergley again restated that the decision on this property years ago. He stated that Isanti Ready-Mix can't expand base on something in the 1990's, not what's happening right now.

Jerry Laase restated that it comes down to the County Commissioners.

Clark clarified the County has no authority to "take it back". It's under city jurisdiction.

John Hendrickson, owner of 703 Heritage Blvd NE, approached the podium to ask about how the boundary line for the overlay district appears to split his property. Does the property have to be subdivided? Hendrickson stated he understood the front part of the property against Highway 65 would be subject to the overlay district, but wanted to know if the back portion of the property would also need to meet those requirements.

Achman explained that it would depend on how the property is split. Any property that is west of where 6th Ave would go would be subject to the overlay district standards and any property to the east of 6th Ave would be subject to the B-2 standards. The way the current boundary line is drawn, is to reflect where 6th Ave would be located based on ghost plats from years ago.

Hendrickson asked if he needed to split the property at this time or if it could sit until it was ready to be developed. Achman confirmed that it did not need to be split with the passing of the overlay district. Hendrickson asked if a large retail store such as Walmart could be within the overlay district. Achman stated that it would be an allowed use.

Cesafsky asked if there was anyone else from the public who wished to speak. Seeing no one, the public hearing was closed.

Bergley stated that with respect to the hard work that was put in by staff and others, in the drafting of the ordinance, he recommends the passing of the ordinance with the condition that funeral homes are a permitted use within the district.

Motion by Bergley second by Traver to recommend approval of the request from City of Isanti to Amend Ordinance No. 445 Zoning, Section 7 Business Districts and Section 11 Overlay Districts to include Article 5: "H65" Highway 65 Corridor Overlay District and to Amend the Zoning Map to Include Specified Properties Zoned B-2 and T1-B along Highway 65 within the Highway 65 Corridor Overlay District based on the Findings of Fact and Conclusions with the condition that Funeral Homes be a Permitted Use within the Highway 65 Corridor Overlay District. Motion carried 3-1 with Kennedy voting Nay.

4. Other Business.

A. Request from Allina Health and MSP Commercial for Approval of a Signage Master Plan for the facility located at 300 5th Ave NE.

Cesafsky read the item into the minutes.

Achman presented the staff memo.

Bergley asked if traffic was taken into consideration for the signs along Highway 65.

Achman stated they are set back quite always from the highway due to the amount of right-of-way.

Motion by Kennedy second by Cesafsky to recommend approval of the request from Allina Health and MSP Commercial for Approval of a Signage Master Plan for the facility located at 300 5th Ave NE. Motion carried unanimously.

5. Discussion Items.

A. None.

6. Adjournment

Motion by Bergley second by Kennedy to adjourn the November 9th, 2016 meeting of the Planning Commission. Motion was unanimously approved.

The meeting adjourned at 8:12 p.m.

Dated at Isanti, Minnesota this 9th day of November 2016.

Respectfully submitted,

_____

December 9, 2016

Management, Honorable Mayor and City Council
City of Isanti
Isanti, Minnesota

We are pleased to confirm our understanding of the services we are to provide the City of Isanti (the City) for the year ended December 31, 2016. We will audit the financial statements of the governmental activities, the business-type activities, each major fund and the aggregate remaining fund information, including the related notes to the financial statements, which collectively comprise the basic financial statements of the City as of and for the year ended December 31, 2016. Accounting standards generally accepted in the United States of America provide for certain required supplementary information (RSI), such as management's discussion and analysis (MD&A), to supplement the City's basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. As part of our engagement, we will apply certain limited procedures to the City's RSI in accordance with auditing standards generally accepted in the United States of America. These limited procedures will consist of inquiries of management regarding the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We will not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance. The following RSI is required by generally accepted accounting principles and will be subjected to certain limited procedures, but will not be audited:

1) Management's Discussion and Analysis
2) Schedule of Funding Progress and Employer's Contributions

We have also been engaged to report on supplementary information other than RSI that accompanies the City's financial statements. We will subject the following supplementary information to the auditing procedures applied in our audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America, and we will provide an opinion on it in relation to the financial statements as a whole, in a report combined with our auditor's report on the financial statements:

1) Combining and Individual Fund Financial Statements and Schedules
2) Summary Financial Report - Revenues and Expenditures for General Operations - Governmental Funds

The following other information accompanying the financial statements will not be subjected to the auditing procedures applied in our audit of the financial statements, and our auditor's report will not provide an opinion or any assurance on that other information.

1) Introductory Section

Audit Objectives

The objective of our audit is the expression of opinions as to whether your financial statements are fairly presented, in all material respects, in conformity with U.S. generally accepted accounting principles and to report on the fairness of the supplementary information referred to in the second paragraph when considered in relation to the financial statements as a whole. Our audit will be conducted in accordance with auditing standards generally accepted in the United States of America and the standards for financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, and will include tests of the accounting records of the City and other procedures we consider necessary to enable us to express such opinions. We will issue a written report upon completion of our audit of the City's financial statements. Our report will be addressed to the City Council of the City. We cannot provide assurance that unmodified opinions will be expressed. Circumstances may arise in which it is necessary for us to modify our opinions or add emphasis-of-matter or other-matter paragraphs. If our opinions are other than unmodified, we will discuss the reasons with you in advance. If, for any reason, we are unable to complete the audit or are unable to form or have not formed opinions, we may decline to express opinions or issue reports, or may withdraw from this engagement.

We will also provide a report (that does not include an opinion) on internal control related to the financial statements and compliance with the provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a material effect on the financial statements as required by *Government Auditing Standards*. The report on internal control and on compliance and other matters will include a paragraph that states (1) that the purpose of the report is solely to describe the scope of testing of internal control and compliance, and the results of that testing, and not to provide an opinion on the effectiveness of the City's internal control on compliance, and (2) that the report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City's internal control and compliance. The paragraph will also state that the report is not suitable for any other purpose. If during our audit we become aware that the City is subject to an audit requirement that is not encompassed in the terms of this engagement, we will communicate to management and those charged with governance that an audit in accordance with U.S. generally accepted auditing standards and the standards for financial audits contained in *Government Auditing Standards* may not satisfy the relevant legal, regulatory, or contractual requirements.

Audit Procedures - General

An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements; therefore, our audit will involve judgment about the number of transactions to be examined and the areas to be tested. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. We will plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations that are attributable to the government or to acts by management or employees acting on behalf of the government. Because the determination of abuse is subjective, *Government Auditing Standards* do not expect auditors to provide reasonable assurance of detecting abuse.

Because of the inherent limitations of an audit, combined with the inherent limitations of internal control, and because we will not perform a detailed examination of all transactions, there is a risk that material misstatements may exist and not be detected by us, even though the audit is properly planned and performed in accordance with U.S. generally accepted auditing standards and *Government Auditing Standards*. In addition, an audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the financial statements. However, we will inform the appropriate level of management of any material errors, any fraudulent financial reporting, or misappropriation of assets that come to our attention. We will also inform the appropriate level of management of any violations of laws or governmental regulations that come to our attention, unless clearly inconsequential, and of any material abuse that comes to our attention. Our responsibility as auditors is limited to the period covered by our audit and does not extend to later periods for which we are not engaged as auditors.

Our procedures will include tests of documentary evidence supporting the transactions recorded in the accounts, and may include tests of the physical existence of inventories, and direct confirmation of receivables and certain other assets and liabilities by correspondence with selected individuals, funding sources, creditors, and financial institutions. We will request written representations from your attorneys as part of the engagement, and they may bill you for responding to this inquiry. At the conclusion of our audit, we will require certain written representations from you about your responsibilities for the financial statements; compliance with laws, regulations, contracts, and grant agreements; and other responsibilities required by generally accepted auditing standards.

Audit Procedures - Internal Control

Our audit will include obtaining an understanding of the government and its environment, including internal control, sufficient to assess the risks of material misstatement of the financial statements and to design the nature, timing, and extent of further audit procedures. Tests of controls may be performed to test the effectiveness of certain controls that we consider relevant to preventing and detecting errors and fraud that are material to the financial statements and to preventing and detecting misstatements resulting from illegal acts and other noncompliance matters that have a direct and material effect on the financial statements. Our tests, if performed, will be less in scope than would be necessary to render an opinion on internal control and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to *Government Auditing Standards*.

An audit is not designed to provide assurance on internal control or to identify significant deficiencies or material weaknesses. However, during the audit, we will communicate to management and those charged with governance internal control related matters that are required to be communicated under AICPA professional standards and *Government Auditing Standards*.

Audit Procedures - Compliance

As part of obtaining reasonable assurance about whether the financial statements are free of material misstatement, we will perform tests of the City's compliance with the provisions of applicable laws, regulations, contracts, agreements, and grants. However, the objective of our audit will not be to provide an opinion on overall compliance and we will not express such an opinion in our report on compliance issued pursuant to *Government Auditing Standards*.

Other Services

We will prepare a general ledger trial balance for use during the audit. Our preparation of the trial balance will be limited to formatting information in the general ledger into a working trial balance. As part of the audit, we will assist with preparation of your financial statements and related notes. You will be required to acknowledge in the written representation letter our assistance with preparation of the financial statements and that you have reviewed and approved the financial statements and related notes prior to their issuance and have accepted responsibility for them. We will also use the financial statements to complete the Office of the State Auditors' Reporting Forms. We will also enter the current year capital asset transactions into our software based on information you provide. These nonaudit services do not constitute and audit under *Government Auditing Standards* and such services will not be conducted in accordance with *Government Auditing Standards*. We will perform the services in accordance with applicable professional standards. The other services are limited to the financial statement services previously defined. We, in our sole professional judgment, reserve the right to refuse to perform any procedure or take any action that could be construed as assuming management responsibilities.

Management Responsibilities

Management is responsible for establishing and maintaining effective internal controls, including evaluating and monitoring ongoing activities, to help ensure that appropriate goals and objectives are met; following laws and regulations; and ensuring that management and financial information is reliable and properly reported. Management is also responsible for implementing systems designed to achieve compliance with applicable laws, regulations, contracts, and grant agreements. You are also responsible for the selection and application of accounting principles, for the preparation and fair presentation of the financial statements and all accompanying information in conformity with U.S. generally accepted accounting principles, and for compliance with applicable laws and regulations and the provisions of contracts and grant agreements.

Management is also responsible for making all financial records and related information available to us and for the accuracy and completeness of that information. You are also responsible for providing us with (1) access to all information of which you are aware that is relevant to the preparation and fair presentation of the financial statements, (2) additional information that we may request for the purpose of the audit, and (3) unrestricted access to persons within the government from whom we determine it necessary to obtain audit evidence.

Your responsibilities include adjusting the financial statements to correct material misstatements and for confirming to us in the written representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements taken as a whole.

You are responsible for the design and implementation of programs and controls to prevent and detect fraud, and for informing us about all known or suspected fraud affecting the government involving (1) management, (2) employees who have significant roles in internal control, and (3) others where the fraud could have a material effect on the financial statements. Your responsibilities include informing us of your knowledge of any allegations of fraud or suspected fraud affecting the City received in communications from employees, former employees, grantors, regulators, or others. In addition, you are responsible for identifying and ensuring that the government complies with applicable laws, regulations, contracts, agreements, and grants and for taking timely and appropriate steps to remedy fraud and noncompliance with provisions of laws, regulations, contracts or grant agreements, or abuse that we report.

You are responsible for the preparation of the supplementary information, which we have been engaged to report on, in conformity with U.S. generally accepted accounting principles. You agree to include our report on the supplementary information in any document that contains and indicates that we have reported on the supplementary information. You also agree to include the audited financial statements with any presentation of the supplementary information that includes our report thereon. Your responsibilities include acknowledging to us in the written representation letter that (1) you are responsible for presentation of the supplementary information in accordance with GAAP; (2) you believe the supplementary information, including its form and content, is fairly presented in accordance with GAAP; (3) the methods of measurement or presentation have not changed from those used in the prior period (or, if they have changed, the reasons for such changes); and (4) you have disclosed to us any significant assumptions or interpretations underlying the measurement or presentation of the supplementary information.

Management is responsible for establishing and maintaining a process for tracking the status of audit findings and recommendations. Management is also responsible for identifying and providing report copies of previous financial audits, attestation engagements, performance audits or other studies related to the objectives discussed in the Audit Objectives section of this letter. This responsibility includes relaying to us corrective actions taken to address significant findings and recommendations resulting from those audits, attestation engagements, performance audits, or other studies. You are also responsible for providing management's views on our current findings, conclusions, and recommendations, as well as your planned corrective actions, for the report, and for the timing and format for providing that information. With regard to the electronic dissemination of audited financial statements, including financial statements published electronically on your website, you understand that electronic sites are a means to distribute information and, therefore, we are not required to read the information contained in these sites or to consider the consistency of other information in the electronic site with the original document.

You agree to assume all management responsibilities relating to the financial statements and related notes and any other nonaudit services we provide. You will be required to acknowledge in the management representation letter our assistance with preparation of the financial statements and related notes and that you have reviewed and approved the financial statements and related notes prior to their issuance and have accepted responsibility for them. Further, you agree to oversee the nonaudit services by designating an individual, preferably from senior management, with suitable skill, knowledge, or experience; evaluate the adequacy and results of those services; and accept responsibility for them.

Engagement Administration, Fees, and Other

We may from time to time, and depending on the circumstances, use third-party service providers in serving your account. We may share confidential information about you with these service providers, but remain committed to maintaining the confidentiality and security of your information. Accordingly, we maintain internal policies, procedures, and safeguards to protect the confidentiality of your personal information. In addition, we will secure confidentiality agreements with all service providers to maintain the confidentiality of your information and we will take reasonable precautions to determine that they have appropriate procedures in place to prevent the unauthorized release of your confidential information to others. In the event that we are unable to secure an appropriate confidentiality agreement, you will be asked to provide your consent prior to the sharing of your confidential information with the third-party service provider. Furthermore, we will remain responsible for the work provided by any such third-party service providers.

We understand that your employees will prepare all cash, accounts receivable, or other confirmations we request and will locate any documents selected by us for testing.

We will provide copies of our reports to the City; however, management is responsible for distribution of the reports and the financial statements. Unless restricted by law or regulation, or containing privileged and confidential information, copies of our reports are to be made available for public inspection.

The audit documentation for this engagement is the property of Abdo, Eick & Meyers, LLP and constitutes confidential information. However, subject to applicable laws and regulations, audit documentation and appropriate individuals will be made available upon request and in a timely manner to any Regulator or its designee, a federal agency providing direct or indirect funding, or the U.S. Government Accountability Office for purposes of a quality review of the audit, to resolve audit findings, or to carry out oversight responsibilities. We will notify you of any such request. If requested, access to such audit documentation will be provided under the supervision of Abdo, Eick & Meyers, LLP personnel. Furthermore, upon request, we may provide copies of selected audit documentation to the aforementioned parties. These parties may intend, or decide, to distribute the copies or information contained therein to others, including other governmental agencies.

The audit documentation for this engagement will be retained for a minimum of seven years after the report release date or for any additional period requested by the Regulator. If we are aware that a federal awarding agency or auditee is contesting an audit finding, we will contact the party(ies) contesting the audit finding for guidance prior to destroying the audit documentation.

We expect to begin our audit on approximately February 20, 2017 and to issue our reports no later than June 30, 2017. Steven R. McDonald, CPA is the engagement partner and is responsible for supervising the engagement and signing the reports or authorizing another individual to sign them.

Our fee for these services will be as follows:

Audit	$ 27,500
2016 Office of the State Auditor's Reporting Form	680
Total	$ 28,180

You may also be billed for travel and other out-of-pocket costs such as report production, typing, postage, etc if not included in the fee listed above. You may also be billed for travel and other out-of-pocket costs such as report production, typing, postage, etc if not included in the fee listed above. The fee is based on anticipated cooperation from your personnel and the assumption that unexpected circumstances will not be encountered during the engagement. If significant additional time is necessary, we will discuss it with you and arrive at a new fee before we incur the additional costs. Our invoices for these fees will be rendered each month as work progresses and are payable on presentation. Amounts not paid within 30 days from the invoice date will be subject to a late payment charge of 1 percent per month (12 percent per year). If for any reason the account is turned over to collections, additional fees will be added to cover collections cost. In accordance with our Firm policies, work may be suspended if your account becomes 60 days or more overdue and will not be resumed until your account is paid in full. If we elect to terminate our services for nonpayment, our engagement will be deemed to have been completed upon written notification of termination, even if we have not completed your audit. You will be obligated to compensate us for all time expended and to reimburse us for all out-of-pocket expenditures through the date of termination.

Except in the event of your failure to make a payment when due, in the event of a dispute related in any way to our services, our Firm and you agree to discuss the dispute and, if necessary, to promptly mediate in a good faith effort to resolve. We will agree on a mediator, but if we cannot, either of us may apply to a court having personal jurisdiction over the parties for appointment of a mediator. We will share the mediator's fees and expenses equally, but otherwise will bear our own attorneys' fees and mediation cost. Participation in such mediation shall be a condition to either of us initiating litigation. In order to allow time for the mediation, any applicable statute of limitations shall be tolled for a period not to exceed 120 days from the date either of us first requests in writing to mediate the dispute. The mediation shall be confidential in all respects, as allowed or required by law, except our final settlement positions at mediation shall be admissible in litigation solely to determine the prevailing party's identify for purposes of the award of attorneys' fees. In the event you fail to make a payment for services or to reimburse for costs advanced by the Firm on your behalf, the Firm reserves the right to take all legally permissible action, including commencement of litigation in lieu of mediation, and shall have the right to collect its costs, including reasonable attorney's fees, incurred in any such collection or litigation activities.

Government Auditing Standards require that we provide you with a copy of our most recent external peer review report and any letter of comment, and any subsequent peer review reports and letters of comment received during the period of the contract. Our 2014 Peer Review Report accompanies this letter.

We appreciate the opportunity to be of service to the City and believe this letter accurately summarizes the significant terms of our engagement. If you have any questions, please let us know. If you agree with the terms of our engagement as described in this letter, please electronically sign this letter.

Sincerely,

ABDO, EICK & MEYERS, LLP
Certified Public Accountants & Consultants

Steven R. McDonald, CPA
Governmental Services Partner

RESPONSE:

This letter correctly sets forth the understanding of the City of Isanti.

BRADY MARTZ

CERTIFIED PUBLIC ACCOUNTANTS
AND CONSULTANTS

System Review Report

September 10, 2014

To the Partners of
Abdo, Eick & Meyers, LLP
and the Peer Review Committee of the Minnesota Society
of Certified Public Accountants

We have reviewed the system of quality control for the accounting and auditing practice of Abdo, Eick & Meyers, LLP (the firm) in effect for the year ended May 31, 2014. Our peer review was conducted in accordance with the Standards for Performing and Reporting on Peer Reviews established by the Peer Review Board of the American Institute of Certified Public Accountants. As part of our peer review, we considered reviews by regulatory entities, if applicable, in determining the nature and extent of our procedures. The firm is responsible for designing a system of quality control and complying with it to provide the firm with reasonable assurance of performing and reporting in conformity with applicable professional standards in all material respects. Our responsibility is to express an opinion on the design of the system of quality control and the firm's compliance therewith based on our review. The nature, objectives, scope, limitations of, and the procedures performed in a System Review are described in the standards at www.aicpa.org/prsummary.

As required by the standards, engagements selected for review included engagements performed under *Government Audit Standards* and audits of employee benefit plans.

In our opinion, the system of quality control for the accounting and auditing practice of Abdo, Eick & Meyers, LLP in effect for the year ended May 31, 2014, has been suitably designed and complied with to provide the firm with reasonable assurance of performing and reporting in conformity with applicable professional standards in all material respects. Firms can receive a rating of *pass*, *pass with deficiency(ies)* or *fail*. Abdo, Eick & Meyers, LLP has received a peer review rating of *pass*.

From: Josi Wood, Assistant City Admin./Public Services Director

Date: December 20, 2016

Subject: Resolution Approving Addendum to Snow Plowing Policy

---

The Public Works Committee meet during the December 6, 2016 Public Works Committee meeting to discuss, in length, revisions to the 2017 Snow Plowing Policy. Staff is making the below revisions as approved by the Public Works Committee:

C. **Snow Plowing –** ***Reorganization of priority as well as adding in missing park lots***

6) Residential Streets
7) City Downtown Parking Lot, City Hall Parking lot and Isanti Community Center Lot
8) Municipal Liquor Store Parking Lot
~~City Downtown Parking Lot, City Hall Parking lot and Isanti Community Center Lot~~
9) Alleys
10) Eagle Park Parking Lot
11) Isanti Indoor Arena
12) All Other Sidewalks – Second day sidewalks (except exempt sidewalks)
13) River Bluff Preserve and Bluebird Park Parking Lots

I. **Snow Emergency Routes –**

First Avenue NW. - Main Street to ~~Isanti Parkway~~ Heritage Blvd

Attachment

- RES-XXX –Snow Plowing Policy

RESOLUTION NO. 2016-XXX

CITY OF ISANTI
SNOW PLOWING POLICY

I. PERSONNEL

All Department of Public Works personnel shall be available for all snow plowing operations, unless on approved leave or unable to respond due to a medical condition.

II. PROCEDURES

A. Alert and Call Out

During normal working hours, the Public Services Director or designee shall be responsible for monitoring street and weather conditions and initiation of snow and ice control procedures.

After hours, on weekends, and during holidays the Police Department shall notify the Public Works On-Call or designee when snow and ice conditions warrant crew alert. Snowplows will not be sent out in situations that may be hazardous due to severely restricted visibility.

B. Salting and Sanding

The City shall consider in order the following factors when establishing application rates and locations for application of salt and/or sand. The City shall use salt as the primary treatment. Sand may be used if there is a traction issue or if weather conditions deem it effective either combined with salt or as a separate treatment.

1) Safety of the Motoring Public
2) Environmental impact of salt usage
3) Cost

Salt or sand shall be applied to the street surface in such quantities so as to provide a level of skid resistance that is consistent with standards normally experienced on city streets throughout the State of Minnesota. It is recognized that a bare pavement policy is not possible at all times during winter.

Streets shall be spot salted (or sanded) to provide skid resistance and traction consistent with area standards in accordance with the following priorities:

1) All controlled intersections along Main Street, Heritage Blvd, County Road 23 and all curves.
2) School zones
3) Commercial and industrial streets
4) Residential – blanket sanding of general snow pack on residential streets will not be done.

5) In rare instances, when ice accumulation renders the streets unsafe to drive, the Public Services Director may authorize blanket sanding of city streets to restore vehicle traction.

C. Snow Plowing

The City will plow all storms of over 2 inches. During the season, snowfall of less than 2 inches may be removed depending on road conditions. Snow plowing shall normally begin when accumulation reaches a point where functional traffic flow is inhibited. Typical plow start time is 3:00 a.m. Plowing may start earlier in the prior evening, or delayed after 3:00 a.m., or may start during the daytime if conditions warrant. Plowing shall begin as close as practicable to the time snowfall ceases and will continue as visibility and operator safety permit. Work periods shall not exceed safe limits that operators can continue without rest.

Snow removal operations shall proceed as rapidly as possible in accordance with the following priorities:

1) Fire Hall Access Area
2) Police Department Access Area
3) Snow Emergency Routes - These routes (listed in this resolution) are typically first plowed. In extreme snowfalls, these routes shall be plowed to maintain the driving lanes in a passable condition until normal snow plowing activities resume.
4) 2" or more snow event, Downtown sidewalks from the Railroad Tracks on the east and traveling west to the intersection of Main and 2nd Avenue.
5) Sidewalk Routes to Schools – First day sidewalks listed in this resolution.
6) Residential Streets
7) City Downtown Parking Lot, City Hall Parking lot and Isanti Community Center Lot
8) Municipal Liquor Store Parking Lot
~~City Downtown Parking Lot, City Hall Parking lot and Isanti Community Center Lot~~
9) Alleys
10) Eagle Park Parking Lot
11) Isanti Indoor Arena
12) All Other Sidewalks – Second day sidewalks (except exempt sidewalks)
13) River Bluff Preserve and Bluebird Park Parking Lots
14) Ice Skating Rink

For a storm of roughly 6 to 10 inches, it shall be the goal of the City to have all streets plowed curb-to-curb within 12 hours after snowfall stops. Storms of larger magnitude or extremely wet snow will take longer depending on severity. Extreme snowfalls may warrant the opening of two lanes in the middle of the street initially with full width plowing to follow at a later time.

It shall be the policy of the City that the opening of driveways will not be the responsibility of the City. Property owners shall be responsible for clearing

driveways, and walkways. For a 2"or more snow event, the City shall clean all sidewalks and trails that provide direct access to the Primary, Intermediate and Middle Schools.

D. Snow Hauling

Snow will be hauled from the following streets:

1) Main Street between 3rd Avenue and Elim Lane.

Late spring and early fall snowfalls may be left on roadways if melting is determined to be imminent or if substantial damage will be caused to the pavement structure. Clearing of intersection snow banks will be accomplished when needed on collector streets and near schools.

Snow hauling could begin as early as 3:00 a.m. or 1 hour following the beginning of snow removal operations. Hauling will continue for as many nights as is necessary.

Snow pickup shall be accomplished using such personnel, equipment and methods appropriate to maintaining a reasonable and safe passage of vehicles and pedestrians at all times. Traffic may be restricted by the Police Chief or his designee as emergency conditions may dictate.

E. Snow Plowing Alleys

Alleys will be opened in the aforementioned priority to provide functional traffic movement.

F. Wingbacks

During planned City-wide wingbacks, resident notification will be made on the City Website and by News Blasts. The Public Services Director, Designee or route driver will determine that areas may need wingbacks more often due to drifting snow or other conditions at the time, in these instances notice may not be given.

The Public Works Department will try to minimize impact to driveways and sidewalks but some snow removal may be required by the homeowner.

G. Complaints

Complaints concerning snow and ice removal will be handled in the following manner:

1) All complaints shall be referred to the Public Services Director or designee.
2) Slippery Street and sidewalk complaints shall be listed and given to Public Works for investigation and possible action.
3) All other complaints shall be given to Administration for investigation and possible action.

H. Property Damage

It is recognized by the City that on occasion private property is damaged during snow and ice control operations. Where this happens, it shall be the policy of the City to handle damages in the following manner:

1) **Mailboxes** – Where mailboxes are placed adjacent to the street it shall be the policy of the City that snow shall be plowed to the curb to allow for passage of traffic and mail delivery. It shall be the responsibility of the property owner to keep piled snow away from mailboxes so mail can be delivered.

   Where damage to the mailbox occurs, such damage shall be investigated by the Public Services Director or Designee. If it is determined that the weight of the snow movement caused the damage, the City will not assume responsibility for repair of the mailbox. If the mailbox was built according to Isanti County specifications, and was struck directly by the plow, the City will repair or replace the mailbox in kind, not to exceed $100.00.

2) **Boulevard Damage** – The City will repair physical damage to boulevard areas and may replace sod in extreme cases as determined by the Public Services Director. Typical repairs will be with dirt and seed. The City will not repair winter kill or salt damaged lawn areas. The City will not replace or repair sprinkler systems, landscaping or other structures in the boulevard.

3) **Curbs** – Concrete curbs will not be replaced unless the curb back is broken.

4) **Driveway Ramps** – Damage caused to driveway ramps or fillets where mountable curb is in place will not be repaired by the City unless authorized by the Public Services Director.

5) **Garbage Receptacles** – Garbage receptacles are not to be placed in the street section. The City is not responsible for damage of receptacles or clean-up of waste.

I. Snow Emergency Routes

The following routes are designated as Snow Emergency Routes and shall be marked by signage.

Cajima Street - T.H. 65 to 8th Ave NE

8th Ave NE - Cajima Street to Heritage Blvd

8th Ave SE Boulevard - Heritage Blvd to CSAH 55

Main Street East - Railroad Tracks to T.H. 65

Dahlin Avenue - Broadway to Heritage Blvd

Main Street West - Whiskey Road to Railroad Tracks

First Avenue NW. - Main Street to ~~Isanti Parkway~~ Heritage Blvd

Centennial Drive - Oakwood Street to Heritage Blvd

Oakwood Street - Whiskey Road to Centennial Drive

Whiskey Road - Heritage Blvd to Isanti Parkway West

Hillock Street NW - Whiskey Road to 11th Avenue NW

11th Avenue NW - Hillock Street NW to Blossom Boulevard

Blossom Boulevard - 11th Avenue NW to Isanti Parkway West

Isanti Parkway West - Blossom Boulevard to 3rd Avenue N.

3rd Avenue N - Heritage Blvd to Isanti Parkway

Isanti Parkway East - 3rd Avenue N to East Dual Boulevard

East Dual Boulevard - Heritage Blvd to Cajima

Cajima Street - East Dual Blvd. to T.H. 65

Railroad Avenue - Main St to South Passage

Second Avenue N - Main Street to Heritage Blvd

Third Avenue N - Main Street to Heritage Blvd

Fourth Avenue N - Main Street to Heritage Blvd

Fifth Avenue N - Main Street to Heritage Blvd

Fifth Avenue S – Main Street to S Brookview Lane SW

Whiskey Road - South Passage to Heritage Blvd

Whiskey Road - Heritage Blvd to Isanti Parkway West

Wendover Street NW - Whiskey Road to Rum River Drive NW

Rum River Drive NW - Wendover Street NW to Hillock Street NW

Eleventh Ave – Winsome Way to Wendover St NW

Nemo – Broadway St SE to Main St E

Isanti Parkway NW – 3rd Ave NW to 701 Isanti Parkway NW

First Ave NW – Broadway St to Heritage Blvd

8th Ave SE – Marion St SE to Heritage

9th Ave SE – Marion St SE to 8th Ave SE

Marion St SE – 8th Ave SE to 9th Ave SE

III. POST PLOWING OPERATIONS

Once plowing is completed from curb to curb, post plowing operations will begin in the following priority:

A. Fire Hydrants

Fire hydrants on public streets serving commercial/industrial areas, high density residential units and school facilities shall be plowed or shoveled out so as to be readily accessible for use.

B. Intersections

If in the discretion of staff, snow piles at busy intersections are of such height as to create unsafe conditions, the piles will be pushed back at those intersections on the following streets:

1) County Road 5
2) Main Street
3) County Road 23

IV. EMERGENCY ASSISTANCE

At the discretion of the City Administrator, the Public Works Department can hire either additional equipment or drivers for assistance with snow removal.

V. ADMINISTRATION

A. Council Review

The City Council's Public Works Committee shall annually review the City's Snow Removal Policy and Operational Guidelines, prior to the next year's snow season and make any recommendations for amendments to the City Council.

VI. REPEAL

This resolution repeals all previous snow plow policies.

Adopted by the Council this 20th day of December, 2016.

Request For City Council Action

To: **Mayor Wimmer and Members of the City Council**

From: Josi Wood, Public Services Director/ Assist. City Admin

Date: December 20, 2016

Subject: Consider Approval of Revised Right-of-Way Permit Application

---

Background:
Staff has revised the Right-of-Way Permit Application after reviewing the document and the work being done in the City. This document should be updated to ensure the fees the City is charging is adequate for time spent in reviewing as well as work being done. Staff is making the recommended changes in the attached ROW application.

Finance Committee Recommendation:
The Finance Committee has reviewed the revisions and associated fees and is recommending approval.

Request:
Staff is seeking action on this item.

Attachment:
- RES – XXX - Revised ROW Permit Application
- 'Exhibit A'

RESOLUTION NO. 2016-XXX

A RESOLUTION ACCEPTING REVISIONS TO THE RIGHT-OF-WAY PERMIT APPLICATION

WHEREAS, the City of Isanti has determined it is in the City's best interest to revise the current Right-of-Way Permit Application to be inclusive of work performed within the City; and,

WHEREAS, Finance Committee met to discuss the City's Right-of-Way Permit Application and associated fees and recommends approval as written per this Resolution; and,

WHEREAS, revisions to the Right-of-Way Permit Application are herein as described in 'Exhibit A';

NOW THEREFORE BE IT RESOLVED by the City Council of the City of Isanti, Minnesota to hereby accept revisions to the Right-of-Way Permit Application.

This resolution was duly adopted by the Isanti City Council this 20th day of December, 2016.

CITY OF ISANTI
RIGHT OF WAY REGULATIONS

SAFETY

1. Traffic shall be allowed to pass and to be protected at all times. If it is not possible to allow traffic to pass, a detour must be pre-approved by the City Public Works Dept. Notification must be in writing 3 working days prior to commencement.

2. Traffic control devices shall be in accordance to MMUTCD "Field Manual" (1998). When a trail or roadway/ drive has been cut, appropriate signage must be kept in place and maintained until restoration is complete.

3. Excavations must be shored or sheeted, as required by O.S.H.A., when necessary to prevent under-mining of roadways, trailways, utilities, or for safety reasons. Stock piling of excavated material shall not occur within the public-right-of-way without proper traffic control.

4. Guys or stays shall not be attached to trees on right-of-way or private property nor obstruct roadways, sidewalks, trails, driveways, etc.

5. Flaggers and/or warning lights at night shall be furnished by the party or organization performing the work whenever the work being done creates a hazard either to the traffic using said road or the personnel engaged in the construction, or when directed to do so by the City.

OPERATIONS

1. **Permit on Job – Permits or copies (including approved detour plans) shall be kept on the work site while it is in progress and in the custody of the individual in charge, and shall be exhibited upon request made by any City official.**

2. Conditions of permit - No person may excavate or obstruct the public right-of-way after the date specified in the permit, unless the person obtains a new permit or permit extension before the expiration of the original permit. The permit is valid only for the area of the public right-of-way specified in the permit; no permittee shall do any work outside the area specified in the permit, except as noted herein.

3. If the obstruction or excavation of the public right-of-way begins later or ends sooner than the dates specified in the permit, the permittee shall promptly notify the City Public Wworks Department.

4. When possible, the permittee shall coordinate project work and installation of facilities in co-locations with other public right of way users.

5. The permittee shall locate property lines abutting public right-of-ways and replace any destroyed property corners with the services of a Minnesota-licensed surveyor.

6. Provisions and Specifications – These general provisions and specifications shall be considered as forming an integral part of each and every permit issued for operations within Isanti. Installation, placement, location, and relocation of equipment and facilities shall comply with all federal, state, and local laws. The work authorized by this permit shall be done at such time and in such manner as shall be consistent with the safety of the public and shall conform to all requirements and standards of the City. If at any time it shall be found by the City that the work is not being or has not been properly performed, the permittee, upon being notified by the City, shall immediately take the necessary steps, at his own expense, to place the work in condition to conform to said requirements or standards.

   A. Public right-of-way alignment and grade shall be maintained, unless otherwise authorized by the City.;

   B. Unless otherwise approved by the City, fiber facilities shall be buried in a proper conduit and at a depth of no less than three (3) feet deep and no more than four (4) feet; copper facilities below concrete or bituminous paved roadway surfaces shall be buried no less than three (3) feet deep and no more than four (4) feet deep, and all other copper facilities shall be buried no less than thirty (30) inches deep and no more than four (4) feet deep.

C. __Unless otherwise approved by the City, all underground facilities which cross streets or hard surfaced driveways shall be directional bored and installed in conduit of a type determined by the permittee.

D. __When utilizing trenchless installation methods to cross an area in which a City utility is located or when directed by the City, the permittee shall excavate an observation hole over the City utility to ensure that the City utility is not damaged.

E. If the project work involves open cut, the permittee shall install visual tracers at twelve (12) inches over buried facilities. If other construction methods are used, substitute location methods may be used upon approval by the City.

F. During plowing or trenching of facilities, a warning tape shall be placed at a depth of twelve (12) inches above copper cables with over two hundred (200) pairs and all fiber facilities. A locating wire or conductive shield shall be installed above buried telecommunication facilities, except for di-electric cables.

G. __Compaction in any **trench** or hole outside of any hard surface shall be ninety-five percent (95%) of Standard Proctor. Compaction under any hard surface (sidewalks, trails, and streets) shall be 100% of Standard Proctor to a depth of 36" below base. Backfill must be placed in 12" layers and material shall be subject to the approval of the City. Material from the excavation may be acceptable provided such material is primarily granular in nature. Compacted backfill shall be brought to bottom of the gravel of the approved street section. Compaction shall be accomplished with hand, pneumatic or vibrating compactors as appropriate. **Restoration of boulevards shall include a minimum or 4" of topsoil and sod, unless otherwise approved.**

H. __The permittee is required to have compaction testing to be conducted by an independent firm at locations approved by the City as required at the sole discretion of the City. Copies of test results shall be submitted to the City. All testing will be at the expense of the Permittee. If compaction densities are not in compliance with City standards, re-compaction and testing shall be completed.

I. All facilities shall be located so as to not interfere with existing & potential future traffic signals and signs.

J. –All above ground appurtenances shall be located no closer than ten (10) feet to hydrants, waterline valves, manholes, lift stations or catch basins unless approved by the City, and shall not be installed in front of or within visual sight lines of any City signs, monuments or amenities for facilities or parks. Minimum offsets from sidewalks and trails shall be 2 feet unless approved by the City.

K. __Underground facilities shall not be installed between a hydrant and an auxiliary valve.

L. Underground facilities shall not be installed within five (5) feet of hydrants, waterline valves, lift stations, manholes or catch basins where utility easements exist beyond the roadway surface area of the public right-of-way and space is available therein. In those areas in which no utility easement exists, placement of an underground facility shall be between the edge of pavement and no closer than three (3) feet to an existing City utility appurtenance, unless approved by the City.

M. In projects where an extensive effort to determine the location of City utilities lines will be required to determine the proper location and installation of private facilities, the permittee shall contact the City's Utility Representative at least two (2) weeks prior to the beginning of the work and shall cooperate to determine the location of the City utilities.

N. __The location and installation of telecommunications facilities shall comply with the National Electric Safety Code, as incorporated by reference in Minnesota

7. Execution – The permittee shall use diligence in the execution of the work authorized under this permit in order not to endanger the public or unnecessarily obstruct travel along any road or right of way. Operations shall be so conducted as to permit safe and free travel over the roads and trailways at all times within the limits of the work herein prescribed. All safety measures for the free movement of traffic shall be provided by the permittee at his own cost.
The permittee shall notify abutting property owners prior to commencement of any project work that may disrupt the use of and access to the abutting property.

8. Conformity to Laws – The installation shall be made in conformity with all applicable laws, regulations, and codes covering said installations. All installations shall be made in conformity with regulations of governmental agencies for the protection of the public.

a. File with the City a liability insurance policy or certificate of such insurance issued by an insurance company authorized to do business in the State. The policy shall be kept in effect until the termination of a permit granted pursuant to this section.

b. Except for the negligent acts of the City, its agents and its employees, the permittee shall assume all liability for, and save the City, its agents and its employees, harmless and defend same at its sole cost and expense from any and all claims for damages, actions or causes of action arising out of the work to be done herein and the continuing uses by the permittee, including but not limited to the placing, constructing, and reconstructing, maintaining, protecting and use of said facility under this application and permit for construction.

9. Existing Facilities – The utility facility and installations shall not interfere with any existing utility facility on the City's right-of-way or easements. It is the responsibility of the applicant to call for timely, necessary locations of existing utilities. (Gopher State One Call 800-252-1166).

10. Private Property – The work permit or permit for construction as issued does not in any way imply an easement or right to enter private property.

11. Quality of Work – **All disturbed surfaces shall be restored within 3 working days.** Finished surface, base and sub-base of all disturbed surfaces upon completion of work shall be at least equal to or better than current City specs for similar construction. New surfaces must match existing roads or trailways.

12. Cutting Trees – The permission herein granted does not confer upon the permittee the right to cut, remove, or destroy trees or shrubbery within the legal limits of the right-of-way or easements that are not specifically identified on the plan attached to this permit or relieve permittee from obtaining any consent otherwise required from the owner of the property adjacent thereto. The permittee shall protect the root growth of significant trees and shrubbery within the public right-of-way adjacent thereto. The permitte shall comply with the City's Tree Ordinance, if applicable.

13. Drainage – All waterways and overland drainage shall remain operative. Proper erosion control shall be established and maintained throughout the construction and restoration.

14. Pole anchors – Pole anchors, anchors, braces or other construction may be permitted within right-of-way or easements and must be approved on a case-by-case basis.

15. Driving Limitations:
    a. Driving or parking on City trails or sidewalks shall only be permitted for those operations requiring direct access to the boulevard area where adequate shoulder width is not available. Vehicles within the right of way area shall utilize their warning flashers at all times.

    b. Vehicles driving on trails or sidewalks shall not operate in excess of 5 miles per hour. Vehicles shall operate at slower speeds when weather conditions, trail conditions, poor visibility, obstructed sightlines or other conditions require special precautions to ensure the safety of trail users and the general public.

    c. Vehicles shall not be parked on trails or sidewalks in such a manner as to unnecessarily impede the safe and efficient use of trailways by the general public.

    d. When City load limits are active, vehicles will not be permitted on trails and sidewalks.

16. Vehicles or equipment traversing roads or trailway surfaces shall not utilize studded or chained tires, caterpillar traction, or any other form of traction that will result in damage to the surface.

17. Clean-Up – Street, trailways and affected right-of-way shall be cleaned at the end of each workday and cleaned after construction is completed and left in a neat and presentable condition. Any sediment or debris from improvement shall be removed from sanitary or storm sewer systems, including drainage swales and ponds, as needed.

18. Trees and Vegetation – Burning or discing operations and/or the use of chemicals to control or destroy trees, brush and other vegetation is prohibited without prior approval from the City.

19. Replacement of Sod – Wherever topsoil and sod are disturbed, they **shall be replaced and maintained satisfactorily until the turf is established.** Any turf that fails to be established shall be replaced and satisfactorily re-established. **Restoration of boulevards shall include a minimum or 4" of topsoil.**

20. Sanitary Sewer and Water Services – Any questions regarding the sanitary sewer or water services connections shall be made to the City Public Works Department (763) 444-0459. **Prior to any backfill of sanitary sewer and/or water services, the permittee shall have the workmanship inspected by the respective authority.** For sanitary sewer or water service inspection within the public right-of-way contact: Isanti City ~~**Public Works**~~ Building Dept. (763) 444-~~**0459**~~**5512**. ~~For water service inspection within the public right-of-way contact: **Isanti Public Works Department (763) 444-0459.**~~

Request For City Council Action

To: **Mayor Wimmer and Members of the City Council**

From: Josi Wood, Public Services Director/ Assistant City Admin

Date: December 20, 2016

Subject: Resolution Accepting Rate from Bjorklund Companies for Street Snow Removal as An Addendum to The Ancillary Snow Removal Contract

---

Staff was directed to find a vendor to provide back-up street snow plowing services when there are times when Public Works staff is not able due to limitations of staff power, back to back snow events and large snow events.

Bjorklund Companies has been awarded the 2014/15 – 2016/17 Ancillary Parking Lot Snow Removal Contract. Staff proposed to have the street snow plowing as an addendum. Bjorklund has agreed to add in a rate for street plowing services at a rate of $100.00 per hour and agreed to the provisions as written in the addendum represented as 'Exhibit A'.

Staff believes adding Bjorklund's rate for back-up street plowing to the current contract for this season would be the most efficient and cost effective for the City. Staff would add the line item for street plowing to our ancillary lot plowing contract for next year and go back out for bids with all the services needed as one.

Finance Committee Recommendation
The Finance Committee discussed the need for back-up street snow removal service on December 6, 2016, and also found it in the best interest of the City to have this service as an addendum to the back-up parking lot snow removal contract the City currently has with Bjorklund Companies.

Staff Request
Staff is requesting action on this item.

Attachments
- Resolution No. 2016-XXX
- Quotation from Bjorklund – submitted 12.13.2016

RESOLUTION NO. 2016-XXX

A RESOLUTION ACCEPTING RATE FROM BJORKLUND COMPANIES FOR STREET SNOW REMOVAL AS AN ADDENDUM TO THE ANCILLARY PARKING LOT SNOW REMOVAL CONTRACT

WHEREAS, the City of Isanti has determined it is in the City's best interest to have backup snow plowing service for streets in addition to ancillary snow removal for the Community Center, Liquor Store and Isanti Indoor Arena parking lots; and,

WHEREAS, Finance Committee met to discuss the City's snow removal needs and found it to be in the best interest of the City to add street snow removal as an addendum to the current ancillary snow removal contract; and,

WHEREAS, Bjorklund Companies was awarded the 2014/15-2016/17 ancillary snow removal contract; and,

WHEREAS, the specifications for street snow removal, 'Exhibit A', is an addendum to the current ancillary snow removal contract;

NOW THEREFORE BE IT RESOLVED by the City Council of the City of Isanti, Minnesota to hereby accept Bjorklund Companies' rate for backup street snow removal service for the 2016/17 snow season as an addendum to terms in the original ancillary parking lot contract at a rate of $100.00 per hour.

This resolution was duly adopted by the Isanti City Council this 20th day of December, 2016.

Attested:

Mayor George A. Wimmer

Lindsey Giese
Human Resources / City Clerk

(SEAL)

'Exhibit A"

SPECIFICATIONS FOR STREET SNOW REMOVAL AS AN ADDENDUM TO ANCILLARY PARKING LOT SNOW REMOVAL

Provision of Services

It is intended that these services are supplemental only, and do not replace regular snow removal activity by the City of Isanti. The intent is the removal of snow during times of continuous snowfalls, large snow events or when City equipment is not available. The vendor will provide a contact phone number to the City (that is monitored on a 24-hour basis). The vendor shall give the caller a time when they can expect the vendor to be on-site to remove snow. The contracted service will be for the 2016-17 winter Season then will be combined with the Ancillary Parking Lot Contract.

a. Service requests will be made on an "on-call" basis by Public Services Director or Designee. Snowfall amounts requested to be removed will be 2 inches or more of snow.

b. The Public Services Director or Designee will inform the vendor where snow removal is needed and where snow can be stored if necessary. A map will be provided prior and during time of service needed.

c. Billing shall be made for each removal at a set fee for snow removal on an hourly basis for a 2 inch or greater snowfall.

d. Must have equipment with the ability to spread salt/sand and have a wing plow.

e. Salt required will be provided by the City.

The service provider shall provide liability insurance ($1,000,000), with the City listed as an additional insured, and worker's compensation insurance, as required.

Isanti

Request for City Council Action

To: Mayor Wimmer and City Council

From: Sean M. Sullivan, Economic Development Director

Date: December 20, 2016

Subject: **Consider Purchase and Installation of Real Estate Sign at 100 Dahlin Ave NE**

Background:

The City of Isanti EDA discussed installing signage at 100 Dahlin Ave NE on December 6, 2016 to help market the property. Attached to the proposed resolution is a quote and sign design provided by Signs By Jill. It has been broken down into the actual cost for the sign, posts and installation so that all can be considered. In the past, Public Services has installed signage and/or purchased posts to reduce the City cost of a project like this.

EDA Recommendation:

Purchase the real estate sign for 100 Dahlin Ave NE from Signs By Jill as presented for an amount not to exceed $260.00 and to direct Public Services to purchase posts referenced in quote and to install sign with additional cost being coded to EDA Marketing 495.

Funding Source:

EDA Marketing 495

Action Requested:

Consider Adoption of Resolution 2016-___ Authorizing the Purchase and Installation of Real Estate Sign at 100 Dahlin Ave NE

Attachments:

1) Resolution 2016- ___ Authorizing the Purchase and Installation of Real Estate Sign at 100 Dahlin Ave NE

RESOLUTION 2016-___

AUTHORIZATION OF PURCHASE AND INSTALLATION OF REAL ESTATE SIGN AT 100 DAHLIN AVE NE

WHEREAS, the City acquired real estate at 100 Dahlin Ave NE in June 2016 and demolished the structure for redevelopment purposes; and

WHEREAS, site signage is need to market the sign effectively along with online methods: and

WHEREAS, Staff obtained a quote from a local sign vendor who has provided signs for other city lots for sale and the quote is attached hereto; and

WHEREAS, the EDA has recommended that the city purchase the real estate sign only from Signs by Jill and to recommend Public Services purchase the sign posts and install the signage at 100 Dahlin Ave NE.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota authorize City Staff and Officials to award project to **Signs By Jill** to design, to manufacture a sign with a cost not to exceed $260.00 and to direct Public Services to purchase the posts required and to install the sign at 100 Dahlin Ave NE. All cost for this project are to be coded to EDA Marketing 495 fund.

This Resolution hereby approved by the Isanti City Council this 20th day of December 2016.

Attest: _____ Mayor George A. Wimmer

Isanti

City of Isanti
Economic Development Authority
Regular Meeting Minutes of
December 6, 2016
Isanti City Hall

1. Call to Order

The meeting was called to order by President Wimmer at 7:30 p.m.

a. Pledge of Allegiance

b. Roll Call

Commissioners Present: George Wimmer, Keith Dragisich, Ross Lorinser, Dan Collison, Paul Bergley, Steve Lundeen and Tara Hallberg

Commissioners Absent: None

Staff Present: Economic Development Director Sean Sullivan

c. Agenda Modifications

2. Approval of Agenda

Motion to approve Agenda as presented by Lundeen, second by Collison, motion carried unanimously.

3. Approve Minutes of November 1, 2016 Regular Economic Development Meeting

Motion by Lorinser second by Collison to approve the minutes for November 1, 2016. Motion carried unanimously.

4. Consider Survey of Newly Constructed Houses/Residents

Economic Development Director Sullivan highlighted the steady growth Isanti has seen over the past three years and the opportunity to survey approximately 140 new households that has moved into newly constructed houses. He indicated that this sample would be a good group to survey to get an idea on why people are moving to Isanti. Information could be used to for economic development, marketing and planning. He also indicated that it would increase changes of a returned surveys if a self-addressed stamped envelope was included. Staff asked for feedback from the EDA.

Commissioner Hallberg stated that an incentive should be included in the survey to get a better response rate.

President Wimmer indicated that they had talked about this at a League of MN Cities conference and that new residents appreciated that the city wanted their feedback

Economic Development Director Sullivan and Commissioner Collison shared the opinion that if an incentive were used the person being surveyed would lose their confidentiality.

Commissioner Dragisich stated that he thought this was a good idea.

Commissioner Lundeen expressed concern at the cost for this survey, especially if the City didn't get a good return rate. He thought it might be better to ask local realtors.

Commissioner Collison requested some changes in the form letter to be sent signed by Mayor Wimmer.

Consensus of the EDA was that this information would be optional. It was also recommended to ask some local businesses for some gift cards that could be used as incentives. The ability to sign up for the incentive would be optional.

Motion by Lundeen, second by Bergley to recommend to the City Council to direct staff to add an incentive section to the survey, work with President Wimmer on the cover letter and to send out a survey to the residents of the houses constructed 2014-2016. This project to be funded from EDA Marketing 495 fund. Motion carried unanimously.

5. City of Isanti and Chamber Map Update

Economic Development Director Sullivan outlined the two map concepts and their purposes. He referenced the sizing of the map in the North 65 Chamber of Commerce and that it was now representing Isanti proportionally and fairly in the publication. Based on this changed has asked if the EDA was comfortable moving forward with and ad in the publication.

Commissioner Bergley pointed out that the location of the Cities (Isanti, Braham and Cambridge) shown on the draft North 65 Chamber Map was not consistent to their actual location and this this was a concern of his. Commissioners stated that the Isanti County map being on the reverse side helps minimize this concern.

Discussion ensued but consensus was that based on the change in the sizing of the map the EDA wanted to advertise in the publication.

Sullivan explained to the EDA that he has been working with ECM and other vendors to get quotes for a City of Isanti Map in addition to the Chamber map. At this point he has only able to get a solid quote for ECM but was waiting for quotes from two other vendors. He expressed concern at getting the project complete in order to get it in the March Isantian for delivery.

Commissioner Dragisich asked if the city had considered an App for a City map that would be mobile. Commissioner Dragisich asked if it would be better to have a less highway and more descriptive and fun map that residents might use more.

President Wimmer stated that he thought this was a good idea and that it had been discussed at a League of Minnesota Cities conference he had attended. He stated that the current city technology

is not where it needs to be to do something like this. He reference that the city will be getting GIS in the future (2018) and that once this was in place project like this would be possible.

Sullivan passed out a version of map done by Bolton and Menk that had only a City map on one side and places to vise and things to see on the other without a county a map. He asked if the EDA would like to do something like this.

The consensus was that the Isanti County map was helpful as it helped in identifying the locations of specific cities in reference to each other and certain destinations. The EDA did want to keep the Isanti County Map as part of its publication and note replace it with other City or regional information.

Motion by Lundeen, second by Lorinser to recommend to City Council to purchase a business card sized ad in the North 65 Chamber of Commerce Map for a cost not to exceed $300. Staff is to provide information for the ad that included City Logo, address and contact information for the city. This project to be funded from EDA Marketing 495 fund. Motion carried unanimously.

Motion by Lundeen, second by Dragisich to direct staff to continue work relating into process, quotes and design of Isanti of Isanti/County of Isanti Map to be mailed out in the Isantian and to ultimately bring to City Council for consideration.

6. Consider Recommendation for Installation of Real Estate Sign at 100 Dahlin

Sullivan presented the staff memo and highlighted the cost and design of the proposed sign. Cost were separated between actual cost of the sign ($260.00), the posts ($125) and the installation ($200).

Discussion ensued. EDA commissioners referenced past practice in relation to the installation of sign and felt that the purchase of posts and installation should be done by public works.

Motion by Lundeen, second by Lorinser to recommend to the City Council accept the real estate sign design, cost and vendor for $260.00 and to have public works purchase the posts and install the sign at 100 Dahlin Ave NE.

7. Other Business / Updates / Communications

Sullivan highlighted items on the Staff Memo including that O'Reilly Auto Parts was coming to town.

Sullivan read the letter of resignation submitted by Commissioner Dragisich.

The EDA and Staff thanked him for his service.

MEMORANDUM

Date: December 14, 2016

To: Honorable Mayor Wimmer and Members of the City Council

From: Bradley C. DeWolf, P.E.

Subject: Project Status Report
Isanti, MN
Project No.: R13.111162

Please find listed below a status report of the current projects in the City of Isanti:

1) Palomino Road Preliminary Engineering Report

We have determined right of way lines and will continue drafting the report.

2) Railroad Avenue Trail Infill Study

We have determined right of way lines and will continue drafting the report.

3) 2017 Pavement Maintenance Project

We have created a draft plan set for the City to review. We will incorporate City comments and finalize the plans and specs this month.

4) MS4 Phase 2 & 3 Implementation

We have begun assembling documents to assist the City in meeting the requirements of the MS4 permit for Phase 2 and Phase 3 of the implementation schedule.

5) City Hall Parking Lot Expansion

The Contractor is compiling all the final documents to close out the project.

6) Wastewater Treatment Improvements

The Contractor plans to perform the following work this month:
- Pour Concrete for pond control structure
- Finish work for brick veneer on pretreatment building
- Pour concrete for pretreatment room floor slab
- Install membrane roof on pretreatment building
- Begin existing filter rehab work

7) Whiskey Road Walk Infill Study

We will incorporate City comments and finalize the report this month.

8) 1st Avenue Sidewalk & Curb Replacement

We will incorporate City comments and finalize the report this month.

In addition to the current projects listed above we have completed and accepted 44 private developments and 48 city contracts since being selected as your City Engineer in 2008.

Please contact Brad or Jason if you have any questions.
