Everett informed that board that the school's current contract goes through the spring season, so they will be using the courts for this spring. As soon as they are done, Everett will get the contractor scheduled to get them resurfaced. In the fall, the schools will be using courts in Cambridge instead of here. If they decide they want to come back sometime in the future, we'll go back to square one and decide where want their contract to sit. Garvey asked if they had any other feedback with not wanting to come back. Everett said they just told her Cambridge gave them a lower price. Johnson said that he's a little disappointed about that. Everett said they did make a point of saying that they didn't ask anyone else for prices, they were just approached with this. Wimmer stated that when we first started doing this, we did receive some significant negative feedback for letting the schools take over the courts. Johnson added that it better for the public now. Wimmer agreed, they get to actually use the courts now that they paid for. Wimmer said that maybe if you're a tennis player you adding more time getting bussed up to Cambridge, but for our City, our residents can use these nice courts that we'll have completely refurbished. Garvey asked as far as the resurfacing if there's been put out to the public yet that that's coming, is it in the Isantian or anything like that? Everett said she did not put it in the Isantian, but it will definitely get posted to the website and signs will be posted at the courts as soon as we know when that is. Everett explained that she did talk to the contractor and because they never know when they're actually going to be able to start their projects, we don't know exactly when that will happen. She told him to put us at the beginning of the list. Garvey asked if Everett knows of any other regular users, senior groups or anything like that, that have used the group regularly. Everett explained that she's not aware of any organized groups, but she just recently did get a call from a gentleman that said he and one of his friends like to use the courts regularly and they wanted to know the school was going to be back. Everett stated that she will keep the board updated on that process.

DRAFT

4. Earth Day Clean Up

Everett stated the groups signed up so far include the Girl Scouts, New Hope Church (who said they really wanted to do Legacy Park when they signed up), Coborn's, Flagship Bank, and the Master Gardeners. She was hoping there would be less snow on the ground so she could get out and see what really needs to be cleaned up, but she shared a draft plan. She spoke with Public Services Director Wood, and they think it may be useful to have people a little farther from the beaten path that Public Works doesn't typically get to right away in the spring. One area Everett would like to have people is at the City Hall parking lot to work on cleaning up in the drainage areas that collect a lot of trash, and they can work into downtown in the former Eagle Park and go from there. She said that we can have the Master Gardeners at River Bluff, and then there may be other garden projects we can have them work on too. Depending on how many people Coborn's can come up with, we can put them at Bluebird and they can cover more area. Everett asked if the board members had any areas that they wanted to have volunteers work on. The goal is that the locations will be advertised so residents can join too. Having some sort of meeting location would be useful, but not completely necessary. She said she can also just work with Public Works to determine the areas that need the most work. Wimmer said that Whisper Ridge and Isanti Hills are areas that seem to get more of the windblown stuff getting stuck in fences and that kind of thing. Johnson asked if we have anyone doing the Cambridge-Isanti trail. Everett said that could potentially be covered by whoever we have at Bluebird, and it is one of the areas that Public Works gets out to right away. Garvey asked if we had numbers that each group is anticipating. Everett said that she doesn't have those yet, but New Hope did share that they're having a community outreach day on the same day so they'll have a lot of people available. Flagship said they'll probably have four or five, so we'll have a wide range. Everett said there may be some light landscaping we can have people work on too; Public Works spends time in the spring raking the woodchips back into the playgrounds and things. Everett stated that the clean up will happen before the next meeting, so she'll give an update on how it goes. The clean up is April 21st, Saturday, from 10:00 to noon. It's the same day as Citywide Clean Up.

5. Parks Updates

Everett shared that March movie night went well with Heavenly Sunshine, there were 67 people. The last movie night is in April with the Isanti Ambassadors; they haven't volunteer at movie night before. The 2018-2019 schedule is up as well as the updated volunteer policy.

The community garden is almost full. Everett received a call that afternoon from someone who said they'd come in to sign up that day, but they didn't so far. Within the next couple of days, she expects they'll be in. Johnson asked if there are still 5 plots. Everett said there are; there are two sets of two plots and a single one, so really if we get three more gardeners we can fill those. There are four raised beds that are reserved and there are two more that we can put up if we need them. If they don't get reserved, we may put them in the area for the Public Health program. The garden opens May 12, and there will be a meeting for the gardeners on May 10. Everett explained that she just talked with Public Works about the pollinator section too.

Everett said that rain garden workshop is coming up April 19, which is before the next meeting as well. Soil and Water is putting together a Powerpoint presentation for that. Everett has received some phone calls from people interested in coming and shared the information at the Master Gardeners' Burst into Spring event. It is open to all County residents, so anyone can come to learn about rain gardens, and there will be a section at the end to talk about the reimbursement program.

Everett stated that staff are working on interviewing Parks Intern candidates, and there have been some good candidates so far.

Everett updated the board on the Farmers' Market. There has been one new big vegetable vendor that signed up for two booths for the whole season. She did find out that Shoua, who has been a regular of the

DRAFT

market will not be back this year. She is at another market every other day of the week, and is hoping that she can get some extra help and maybe come back next year. Everett also sent out emails to a bunch of people listed on Minnesota Grown and is starting to get responses to that. A fair number of last year's vendors have their forms in as well. Now that we can kind of advertise it as a quickly growing market, word is getting out on its own as well as Everett can tell people that this location will be successful for them. There is a vendor meeting at the end of April for anyone who is signed up or interested in signing up.

Everett stated that the sponsorship program has gone out. There have been a couple of quick bites on that, and she will send reminders out before that is due. Allina is on board to help us out again. They've been really great about that. Last year, they gave us a basket to go with the Passport to Parks prize, too. They're always a great resource to have for a lot of the things we do.

Everett added that the City finally owns Academy Park. We will be installing a segment of fence between the storm pond and the open field; Everett is working on bids for that. All of the signage is going up as well. The park has a playground and tennis court which give us another amenity on that side of Hwy 65.

Garvey said she thought we may have discussed them in the past, but was wondering about the lights in Bluebird Park that are on at night. Is there a specific timing schedule that we're following? Are they our lights? She seems them on now. Everett asked if she meant the street lights. Garvey clarified she's talking about the lights that are over where the skatepark equipment is now and the pleasure rink. She added that for many months it's not utilized, so she's wondering why they're coming on. Everett said she would have to check about how those are set up. She thought they were set up to run on a sensor but then shut off after park hours, but there might not be a seasonal option. We should be able to manually shut them off in the winter. Wimmer said they shouldn't be on at all, period. They were put up specifically for hockey when we had the agreement with the youth hockey association and then they were supposed to shut them off when they were done with practice. Everett stated that now they're over the skate equipment and she has had people call and ask about them not being on. Wimmer said that we don't need to have lights on the skate equipment. Garvey said that's why she was wondering because they're on every night and they go off at 10:00. Everett confirmed that's park hours. Garvey stated that they're on all winter long, and asked to clarify if they're City lights. Everett and Wimmer confirmed that they are. Garvey said that to her it's wasting electricity when the equipment can't be used. She would like to see if we can establish more of a definitive schedule for the lights. She did think that at it used to be with the hockey rink that whoever was using it could turn them on or off. Everett explained that, she thought it was just last year, we got those ones and the ones at Unity switched to sensors because people would flip them on and then they didn't get shut off again. Garvey said that this is something she'd like to bring back and just get more definitive. Wimmer stated that he'd give the definitive; they're not supposed to be on. Most likely they'll be moved when we do the rink over on the other side. He doesn't know why they were every switched to the other thing, we don't put lights over anything else. They were only over hockey because it was part of that agreement.

Wimmer stated for the park tour, he'd like a park ambassador kind of thing where each board member takes a couple of the parks and then we check them out before the April meeting. He added that when we go through them and see if there's equipment that needs to be fixed or isn't being used, whatever it could be. We make suggestions about updates to be made or something needs to be changed or what have you. There's no way we could through all the parks in a couple of hours and actually be thorough. We could spend a meeting just at Legacy and River Bluff, each of those alone. He stated that Everett would still like to be out at a park which is a nice idea, depending on the weather. That was his idea to divvy those up and then we have a month to look at them. Johnson asked when the park tour was; Wimmer stated at the April meeting. Johnson asked for clarification about where the meeting would be. Wimmer stated that in the past we would meet at City Hall and do the pledge and approving the minutes and then drive to all the parks and spend maybe five minutes at each one. Garvey said that she likes the change and it's worth a

DRAFT

shot because the old way isn't working anymore. The board discussed the parks and made the following assignments:

- Mayor Wimmer – Legacy Park and River Bluff Preserve
- Jenny Garvey – Riverside Park, Bluebird Park, and Unity Park
- Jeff Johnson – Mattson Park and VFW Park
- James Witte – Rum River Meadows and Isanti Hills Neighborhood Park (formerly Tot Lot)
- Aaron Zdon – Whisper Ridge and Academy Park

Garvey wanted to clarify that we'd only meet in one place. Wimmer stated that we would just meet in one place. Everett stated that she can also send out a list of what kinds of things to look for. Everett asked if everyone has been to Academy Park and if wanted to have the meeting there. Wimmer stated that we can go there, weather permitting. Garvey asked if there's any sort of shelter there; Wimmer stated that there is not, that's why it has to be pretty good weather; Everett said we could just default to having the meeting here. Wimmer said we should publish that the meeting will be held there and then just start there instead of meeting here and driving there. Legally, the meeting has to be where we say it is, so if we do that even if there's bad weather we have to do it there. Garvey asked if the building would be open; Everett said she could look into it. Everett asked how far in advance we have to post it. Wimmer said that we'll have to check. Everett said that having the meeting out there isn't totally necessary; we can just ask everyone to drive by to see Academy Park. The board clarified that the whole meeting will be held be in Council Chambers and each member will to go Academy Park in addition to their assignments before the next meeting. Wimmer explained to Johnson since he hasn't been through this process yet, that all of these ideas will go into the "hopper" and they'll be addressed by priority and budget. In the last year and half, quite a few things have been addressed. Everett explained that she has already received the new diggers for Isanti Hills.

6. Adjournment

Motion by Johnson, second by Wimmer to adjourn the March 27, 2018 meeting of the Parks, Recreation, and Culture Board. Motion was approved.

The meeting adjourned at 6:37 p.m.

Dated at Isanti, Minnesota this 27th day of March, 2018.

Respectfully submitted,

Katie Everett

CITY OF ISANTI
CITY COUNCIL MEETING
TUESDAY, APRIL 3, 2018 – 7:00 P.M.
CITY HALL

Mayor Wimmer called the meeting to order at 7:00 p.m.

The Pledge of Allegiance was recited.

Members Present: Mayor George Wimmer, Council Members: Paul Bergley, Dan Collison, Steve Lundeen, and Ross Lorinser

Members Absent: None.

Staff Present: City Administrator Don Lorsung, Human Resources / City Clerk Katie Brooks, City Attorney Clark Joslin, Police Chief Gene Hill, Economic Development Director Sean Sullivan, and City Engineer Brad DeWolf

Others Present: Isanti County Commissioner Mike Warring, Mike Donnelly, Joe Egge, Eric Brown, Jodi DeTomaso, George Hemen, Elizabeth Anderson, Carla Golden

D. Adopt Agenda

Administrator Lorsung explained the agenda was amended by adding Items L.15 – Resolution Approving Training Request for Mayor Wimmer to Attend 2018 League of Minnesota Cities Annual Conference

Motion by Lundeen, second by Lorinser to approve the Agenda as presented. Motion carried.

E. Proclamations/Commendations/Certificate Awards

1. Week of the Young Child - April 16 through April 20, 2018.

Mayor Wimmer read the proclamation and then invited all young guests attending the meeting to receive a small gift and have a group picture taken with him.

F. Approve City Council Minutes

1. March 20, 2018 – Regular Meeting of the City Council

Motion by Lundeen, second by Lorinser to approve minutes as presented. Motion carried.

G. Citizens Input

None.

H. Announcements

1. City Council Meeting	Tuesday, April 17, 2018 at 7:00 p.m.
2. Planning Commission Meeting	Tuesday, April 17, 2018 at 7:00 p.m. *(Immediately following City Council Meeting)*
3. Park, Recreation, and Culture Board Meeting	Tuesday, April 24, 2018 at 6:00 p.m.

I. Council Committee Reports

None.

J. Public Hearings

None.

K. Business Items

1. **Resolution 2018-076** Appointment of City Councilmember Dan Collison as Council Representative on BMX Board
   Mayor Wimmer was previously assigned to attend but it conflicts with another scheduled meeting. It is important to continue representation. Councilman Collision can attend.

Motion by Lorinser, second by Lundeen to approve the request. Motion carried

2. Discussion Regarding City Council Chamber of Commerce Liaison Position
   There was discussion about City involvement with the Chamber, since it is very limited. After discussion, a decision was made to eliminate the City Council Chamber of Commerce Liaison Position as the position is no longer integral to Chamber meetings as it had been in the past.

Motion by Lundeen, second by Collison to approve the request with Bergley abstaining due to being on the Board. Motion carried

3. **Ordinance No. 688** City Code Amendment - Chapter 8, City Council Agenda Order of Business, Citizen Input
   The City Council discussed the merits of video recording the Citizen Input forum of the City Council meetings. Issues brought up included the need to avoid disruptions and that some Citizens would not participate as they don't want to be video recorded. However, the need to give Citizens a forum to speak to the City Council was recognized as well as providing transparency. After discussing various options, it was decided that the Citizens Input forum would continue to be audio-recorded.

The Citizens Input forum shall be recorded in audio only. Motion by Lundeen, second by Collison to approve the Ordinance. Motion carried.

<u>City Administrator Don Lorsung</u>

4. **Resolution 2018-077** Authorizing Request from SAC Wireless (on behalf of AT&T Wireless) to amend a Conditional Use Permit to allow the collocation of antennas on an existing telecommunications tower and the construction of an accessory structure on the property at 501 West Dual Boulevard NE (PID 160530080) legally described as Lot 1, Block 3, Dual Industrial Park except beginning at the SW corner of Outlot A, then N5.5800 along W line 426' to NW corner of Outlot A; the W 269.5850 Along N Line of Lot 1, 53'; Then S 178.5010 424.60' to POB.

Motion by Lundeen, second by Lorinser to approve the resolution. Motion carried.

5. **Resolution 2018-078** Approving Request from Jill Hoffman (dba Granny May's) for a Conditional Use Permit to operate a Restaurant at 2 Enterprise Avenue NE Suite D4 (PID 161320020) legally described as Towns Edge Business Center CIC 2010-1.

Motion by Bergley, second by Lundeen to approve the resolution. Motion carried.

6. **Resolution 2018-079** Approving Request from Jodi DeTomaso (dba Metz Dog Grooming) for an Interim Use Permit for home occupation for dog grooming at 200 9th Ave SE (PID 161410050) legally described at Lot 5, Block 1, Sun Prairie Second Addition.

Motion by Lorinser, second by Lundeen to approve the resolution. Motion carried.

<u>City Engineer Brad DeWolf</u>

7. **Resolution 2018-080** Authorizing Engineering Services for 2018 Pavement Maintenance Project

Motion by Lundeen, second by Collison to approve the resolution. Motion carried.

L. Approve Consent Agenda

1. Consider Accounts Payable in the Amount of $144,984.00 and Payroll in the amount of $104,967.84
2. Final Meeting Minutes for the February 27, 2018 Park, Recreation and Culture Board Meeting

3. Final Minutes of the February 20, 2018 Planning Commission Meeting
4. **Resolution 2018-081** Amending Authorizing Signatories for the Purpose of Accessing and Maintaining City Funds and Investments, Adding Authorization for the Use of the City Credit Card
5. **Resolution 2018-082** Approving Extension of MOU with the City of Cambridge for Administrative Citation Hearing Officer Services
6. **Resolution 2018-083** Terminating Operating Agreement for the Use of River Bluff Preserve and Community Garden by Cambridge- Isanti School District
7. **Resolution 2018-084** Approving Farmers Market Advertisement in The Courier
8. **Resolution 2018-085** Approving a Check be Written to Heavenly Sunshine Preschool for Volunteering at the Community Movie Night
9. **Resolution 2018-086** Accepting Proposal for Isanti Indoor Arena Heating and Ventilation Automatic Controls
10. **Resolution 2018-087** Accepting Proposal for Installation of Storm Pond Fencing at Academy Park
11. **Resolution 2018-088** Awarding Quote and Authorizing Entering into a Two-Year Contract for Refuse Service
12. **Resolution 2018-089** Authorizing Staff to Apply for the 2018 Bulletproof Vest Partnership Grant
13. **Resolution 2018-090** Approval of Resignation for Beverly Harren as Part Time Liquor Store Clerk
14. **Resolution 2018-091** Approving the New Full-Time Position of "Planner" and Promoting Code Enforcement/Zoning Technician Matthew Lindholm to the Position
15. **Resolution 2018-092** Approving Training Request for Mayor Wimmer to Attend 2018 League of Minnesota Cities Annual Conference

Motion by Lundeen, second by Bergley to approve the Amended Consent Agenda. Motion carried.

M. Other Communications

1. Draft Minutes of the March 20, 2018 Planning Commission Meeting
2. Draft Minutes of the March 27, 2018 Meeting of the Park, Recreation and Culture Board

Management, Honorable Mayor and City Council
City of Isanti, Minnesota

We have audited the financial statements of the governmental activities, the business-type activities, each major fund and the aggregate remaining fund information of the City of Isanti, Minnesota (the City) for the year ended December 31, 2017. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, *Government Auditing Standards*, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated October 31, 2017. Professional standards also require that we communicate to you the following information related to our audit.

Our Responsibility Under Auditing Standards Generally Accepted in the United States of America and *Government Auditing Standards*

As stated in our engagement letter, our responsibility, as described by professional standards, is to express opinions about whether the financial statements prepared by management with your oversight are fairly presented, in all material respects, in conformity with accounting principles generally accepted in the United States of America. Our audit of the financial statements does not relieve you or management of your responsibilities.

Our responsibility is to plan and perform the audit to obtain reasonable, but not absolute, assurance that the financial statements are free of material misstatement. As part of our audit, we considered the internal control over financial reporting (internal control) of the City. Such considerations were solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control. We are responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures specifically to identify such matters.

Significant Audit Findings

In planning and performing our audit of the financial statements, we considered the City's internal control to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, we do not express an opinion on the effectiveness of the City's internal control.

Our consideration of internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis.

A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance. We consider the deficiency described on the following pages as item 2017-001 to be a significant deficiency.

5201 Eden Avenue, Suite 250
Edina, MN 55436
952.835.9090 | Fax 952.835.3261

2017-001 **Preparation of Financial Statements**

Condition: We were requested to draft the audited financial statements and related footnote disclosures as part of our regular audit services. Ultimately, it is management's responsibility to provide for the preparation of your statements and footnotes, and the responsibility of the auditor to determine the fairness of presentation of those statements. It is our responsibility to inform you that this deficiency could result in a material misstatement to the financial statements that could have been prevented or detected by your management. Essentially, the auditors cannot be part of your internal control process.

Criteria: Internal controls should be in place to provide reasonable assurance over the reliability of financial records and reporting.

Cause: From a practical standpoint, we both prepare your statements and determine the fairness of that presentation at the same time in connection with our audit. This is not unusual for us to do with organizations of your size.

Effect: The effectiveness of the internal control system relies on enforcement by management. The effect of deficiencies in internal controls can result in undetected errors in financial reporting. We have instructed management to review a draft of the auditor prepared financials in detail for accuracy; we have answered any questions that management might have, and have encouraged research of any accounting guidance in connection with the adequacy and appropriateness of classification of disclosures in your statements. We are satisfied that the appropriate steps have been taken to provide you with the completed financial statements.

Recommendation: Under these circumstances, the most effective controls lie in management's knowledge of the City's financial operations. It is the responsibility of management and those charged with governance to make the decision whether to accept the degree of risk associated with this condition because of cost and other considerations. Regarding the specific situations listed above, we would offer the following specific recommendations: 1) Utilize a disclosure checklist to ensure all required disclosures are present and agree to work papers, and 2) Agree your accounting information from your accounting software to the amounts reported in the financial statements.

Management Response:

For now, the City accepts the degree of risk associated with this condition and thoroughly reviews a draft of the financial statements.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the City's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. While our audit provides a reasonable basis for our opinion, it does not provide a legal determination on the City's compliance with those requirements. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards* or statutes set forth by the State of Minnesota.

Summary of Prior Year Findings

2016-002 **Material Audit Adjustments**

Condition: During our audit, several material audit adjustments were necessary to adjust accounts receivable, record contract payables and record an additional interfund loan.

Criteria: The financial statements are the responsibility of the City's management; therefore, the City must be able to prevent or detect a material misstatement in the financial statements including footnote disclosures.

Current Year Status: No similar adjustments were needed during the current year audit.

People + Process. Going Beyond the Numbers

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the City are described in Note 1 to the financial statements. No new accounting policies were adopted and the application of existing policies were not changed during the year ended December 31, 2017. We noted no transactions entered into by the City during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimates affecting the financial statements were depreciation on capital assets, allocation of payroll and compensated absences, liability for other post-employment benefit, and the liability of the City's pensions.

- Management's estimate of depreciation is based on estimated useful lives of the assets. Depreciation is calculated using the straight-line method.

- Allocations of gross wages and payroll benefits are approved by City Council within the City's budget and are derived from each employee's estimated time to be spent servicing the respective functions of the City. These allocations are also used in allocating accrued compensated absences payable.

- The City's liability for other post-employment benefits was estimated to be zero primarily based on the assumption that employees, whom participate in the health insurance plan, will retire after the age of 65 and not continue to participate in the plan following retirement.

- Management's estimate of its pension liability is based on several factors including, but not limited to, anticipated investment return rate, retirement age for active employees, life expectancy, salary increases and form of annuity payment upon retirement.

    - The allocation of the pension liability related to Minnesota Public Employee Retirement Association (PERA) is based on the City's proportionate share of employer contributions to the PERA cost-sharing multiple employer Coordinated and Police and Fire pension plans.

We evaluated the key factors and assumptions used to develop these estimates in determining that they are reasonable in relation to the financial statements taken as a whole. The disclosures in the financial statements are neutral, consistent, and clear. Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

People + Process. Going Beyond the Numbers

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated April 6, 2018.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the City's financial statements or determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Matters

We applied certain limited procedures to the required supplementary information (RSI) (Management's Discussion and Analysis, the Schedules of Employer's Share of the Net Pension Liability and the Schedules of Employer's Contributions), which is information that supplements the basic financial statements. Our procedures consisted of inquiries of management regarding the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We did not audit the RSI and do not express an opinion or provide any assurance on the RSI.

We were engaged to report on the supplementary information (combining and individual fund financial statements and schedules), which accompany the financial statements but are not RSI. With respect to this supplementary information, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with accounting principles generally accepted in the United States of America, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

We were not engaged to report on the introductory section, which accompanies the financial statements but is not RSI. We did not audit or perform other procedures on this other information and we do not express an opinion or provide any assurance on it.

People + Process. Going Beyond the Numbers

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the City's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

During our audit it was discovered that the Palomino Road Improvement Project performance and payment bonds were less than the contract price. Per state statute 574.26, contractors doing public work are required to give both a performance bond and a payment bond in an amount not less than the contract price. Based on discussions with City staff and the City's engineers, this issue was due to a typo on the bonds that the contractor prepared. The City will implement a process in 2018 to review all construction contract documents.

Financial Position and Results of Operations

Our principal observations and recommendations are summarized on the following pages. These recommendations resulted from our observations made in connection with our audit of the City's financial statements for the year ended December 31, 2017.

General Fund

The General fund is used to account for resources traditionally associated with government, which are not required legally or by sound principal management to be accounted for in another fund. The fund balance increased $383,647 from 2016. We recommend the fund balance be maintained at a level sufficient to fund operations until the major revenue sources are received in June. The City's fund balance policy for the General fund identifies a minimum unassigned fund balance of 50 percent of the following year's budgeted expenditures and transfers out. The City's ending unassigned fund balance is above this target level from the policy.

The purposes and benefits of a fund balance are as follows:

- Expenditures are incurred somewhat evenly throughout the year. However, property tax and state aid revenues are not received until the second half of the year. An adequate fund balance will provide the cash flow required to finance the General fund expenditures.

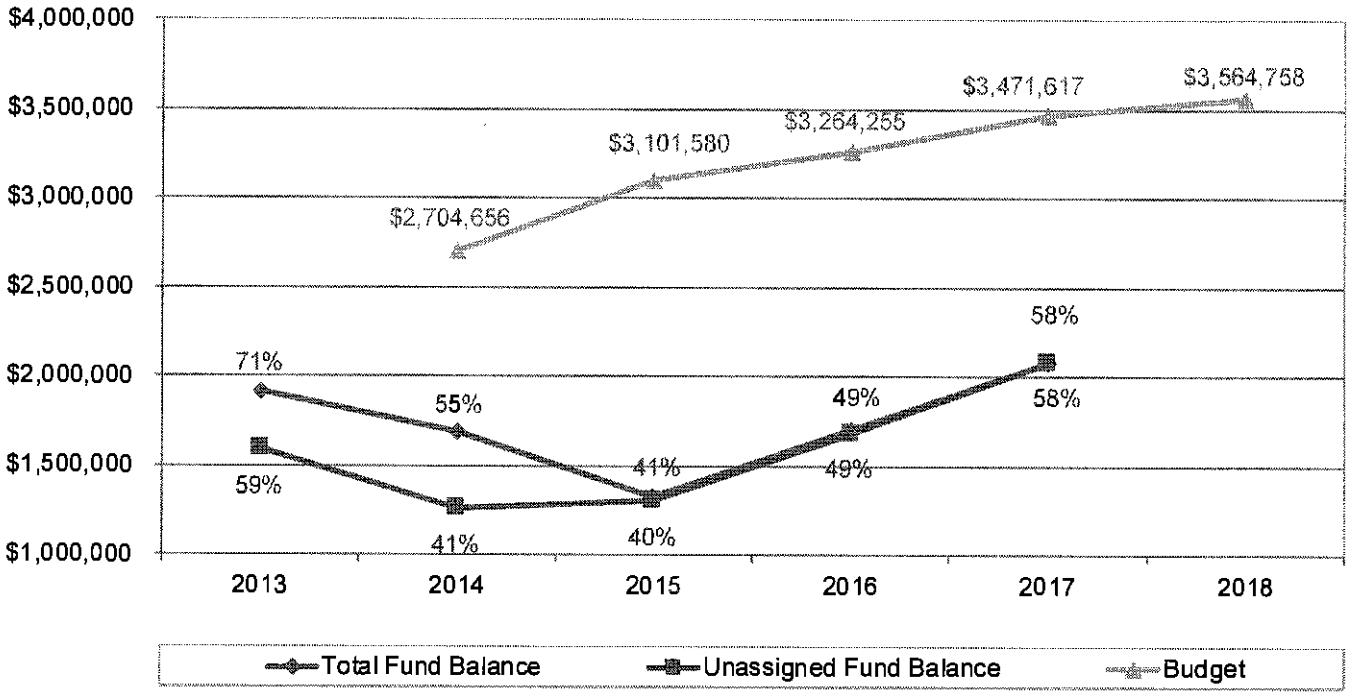
- The City is vulnerable to legislative actions at the state and federal level. The State continually adjusts the local government aid formulas. An adequate fund balance will provide a temporary buffer against aid adjustments.

- Expenditures not anticipated at the time the annual budget was adopted may need immediate City Council action. These would include capital outlay, replacement, lawsuits and other items. An adequate fund balance will provide the financing needed for such expenditures.

- A strong fund balance will assist the City in maintaining, improving or obtaining its bond rating. The result will be better interest rates in future bond sales.

People + Process. Going Beyond the Numbers

Fund Balance as a Percent of Next Year's Budgeted Expenditures and Transfers Out



The 2017 General fund operations are summarized as follows:

	Final Budgeted Amounts	Actual Amounts	Variance with Final Budget
Revenues	$ 3,133,759	$ 3,393,338	$ 259,579
Expenditures	3,324,217	3,258,474	65,743
Excess (Deficiency) of Revenues Over (Under) Expenditures	(190,458)	134,864	325,322
Other Financing Sources (Uses)			
Transfers in	369,150	396,183	27,033
Transfers out	(147,400)	(147,400)	-
Total Other Financing Sources (Uses)	221,750	248,783	27,033
Net Change in Fund Balances	31,292	383,647	352,355
Fund Balances, January 1	1,697,940	1,697,940	-
Fund Balances, December 31	$ 1,729,232	$ 2,081,587	$ 352,355

Some of the line items with significant variances are highlighted below:

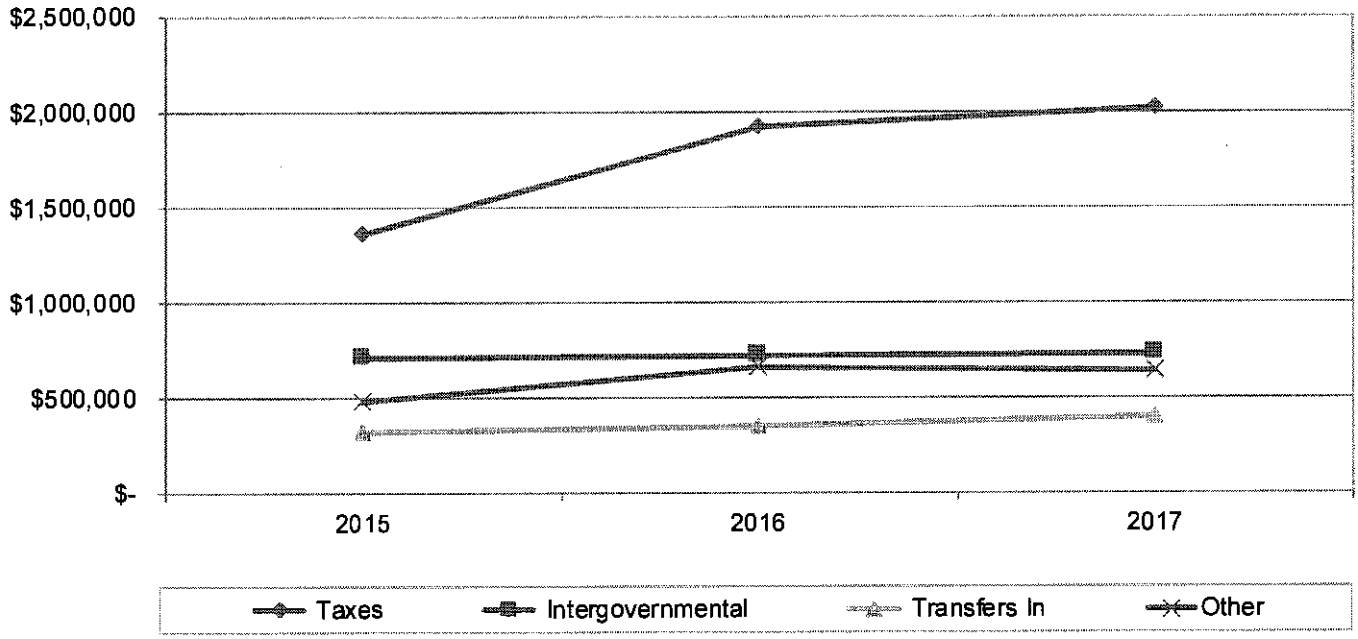
- Revenues were $259,579 over budget. This is primarily due to licenses and permits being more than budget by $228,430.
- Expenditures were under budget by $65,743. The majority of departments were under budget with the general government department coming in over budget by $52,026.

People + Process. Going Beyond the Numbers

A comparison between General fund 2015, 2016, and 2017 revenues and other sources is presented below:

Source	2015	2016	2017	Percent of Total	Per Capita
Taxes	$ 1,357,265	$ 1,921,734	$ 2,018,262	53.3 %	$ 360
Licenses and Permits	190,909	369,324	361,430	9.5	64
Intergovernmental	712,120	719,481	731,449	19.3	130
Charges for Services	159,409	198,768	205,370	5.4	37
Fines and Forfeitures	37,310	41,181	47,217	1.2	8
Investment Earnings	16,767	11,862	13,640	0.4	2
Miscellaneous	30,801	35,487	15,970	0.4	3
Transfers In	316,150	346,510	396,183	10.5	71
Sale of Capital Assets	47,156	2,500	-	-	-
Total Revenues and Other Sources	$ 2,867,887	$ 3,646,847	$ 3,789,521	100.0 %	$ 675

A graphical presentation of 2015, 2016, and 2017 revenues and other sources follows:



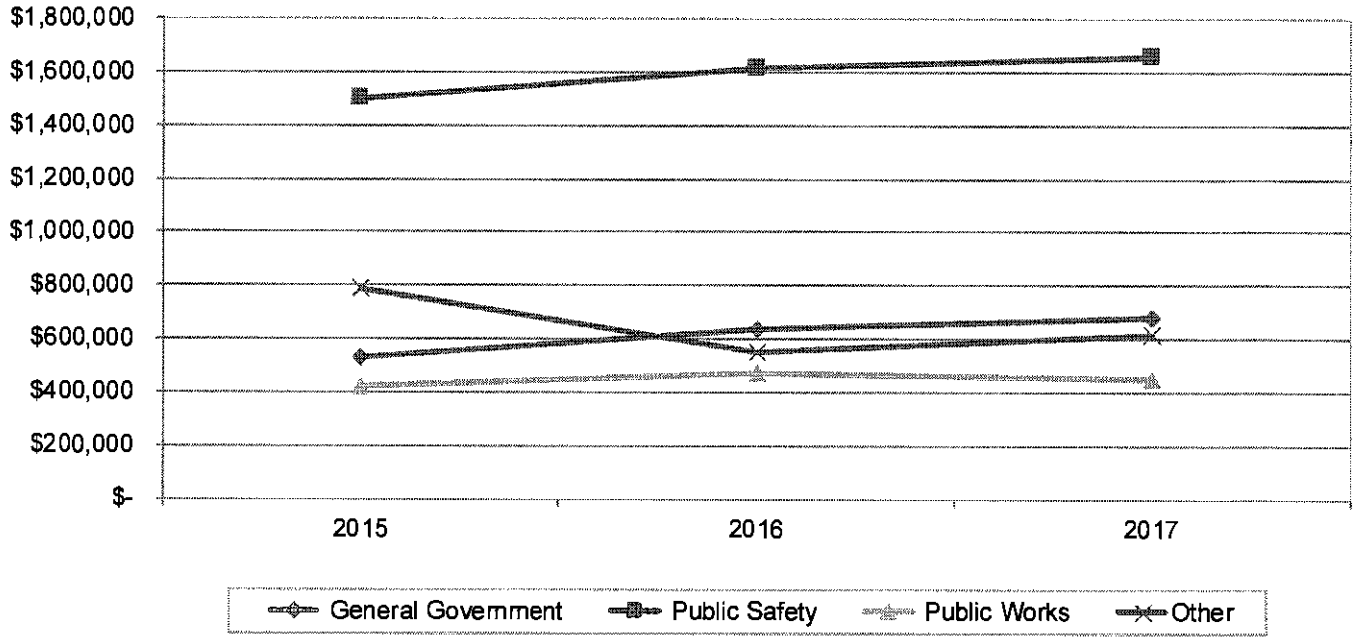
People + Process. Going Beyond the Numbers

A comparison between General fund expenditures and transfers out for 2015, 2016, and 2017 is presented below:

Program	2015	2016	2017	Percent of Total	Per Capita	Peer Group Per Capita
General Government	$ 529,679	$ 639,261	$ 682,050	20.2 %	$ 121	$ 148
Public Safety	1,495,583	1,615,031	1,656,388	48.6	295	233
Public Works	417,763	472,758	452,609	13.3	81	118
Culture and Recreation	259,295	278,862	320,634	9.4	57	62
Economic Development	11,353	11,631	5,084	0.1	1	6
Capital Outlay	117,717	110,901	140,748	4.1	25	29
Debt Service	1,552	1,261	961	-	-	-
Transfers Out	399,818	146,563	147,400	4.3	26	-
Total Expenditures and Transfers	$ 3,232,760	$ 3,276,268	$ 3,405,874	100.0 %	$ 606	$ 596

The above chart compares the amount the City spends per capita in comparison to a peer group. The peer group average is compiled from 2016 information from the 4th Class Cities (populations 2,500 to 10,000) that we have requested from the Office of the State Auditor.

The expenditures and transfers out summarized above are presented graphically as follows:



People + Process. Going Beyond the Numbers

Special Revenue Funds

Special revenue funds receive revenue from specific sources and expenditures are for specific purposes. A summary of the special revenue fund balances is shown below:

Fund	Fund Balances December 31, 2016	2017	Increase (Decrease)
Nonmajor			
Redbirds Maintenance	$ 12,448	$ 7,677	$ (4,771)
Economic Development Authority	16,966	(8,914)	(25,880)
Park	(89,832)	(67,262)	22,570
Revolving Loan	608,610	555,061	(53,549)
Forfeiture	6,162	3,171	(2,991)
Youth Rec Education Safety	3,100	3,128	28
Cambridge Isanti Joint Event	1,472	1,472	-
Utility Franchise Fund	269,247	313,460	44,213
Isanti Indoor Arena	-	(176,727)	(176,727)
TIF 9	94,555	108,614	14,059
TIF 10	64,404	61,530	(2,874)
TIF 11	626	129	(497)
City Technology Improvement	(1,419)	5,202	6,621
Total	$ 986,339	$ 806,541	$ (179,798)

The largest increase was the Utility Franchise Fund, which will provide funding for future capital improvements and in 2017, paid for the 2017 Pavement Management Improvements.

The Revolving Loan fund decreased due to regular loan payments.

The deficit in the Park fund increased over the prior year. It is our understanding that future park dedication fees will be received in the next five years to eliminate the deficit.

In 2017, the Isanti Indoor Arena fund was created to fund maintenance and operation costs for the Isanti Indoor Arena. Through transfers to the General fund and the BMX & Bluebird Improvement fund, the new fund absorbed prior year maintenance and operation costs. Going forward, a portion of arena lease revenue receipts will be allocated to this fund.

People + Process. Going Beyond the Numbers

Capital Projects Funds

The fund balances of all capital projects funds are summarized below:

Capital Projects Fund	Fund Balances December 31, 2016	2017	Increase (Decrease)
Major			
2017 Palomino Road Street Improvements	$ (7,130)	$ (687,938)	$ (680,808)
Nonmajor			
Signal Light Improvement	292,429	340,347	47,918
Fairway Blvd/County 5 Signal	190,124	191,986	1,862
Railroad Avenue Improvements	40,614	44,156	3,542
2013 Railroad Avenue and Walk Improvements	(379,203)	(202,959)	176,244
BMX & Bluebird Improvements	(148,335)	-	148,335
Public Works 2014 Site Improvements	(5,766)	(5,819)	(53)
Pavement Management Improvements	30,929	31,212	283
City Parking Improvements	(73,853)	(74,554)	(701)
2017 Pavement Management Improvements	(24,209)	-	24,209
Capital Replacement	455,531	452,130	(3,401)
Total	$ 371,131	$ 88,561	$ (282,570)

The City should monitor funds with deficits to ensure that future revenues will be sufficient to cover all expenditures incurred.

The 2017 Palomino Road Street Improvement fund will be funded with future Municipal State Contribution Aid.

The BMX & Bluebird Improvements fund was closed into the Isanti Indoor Arena special revenue fund.

City staff have identified that the deficit in the 2013 Railroad Avenue and Walk Improvements fund will be covered by future Municipal State Construction Aid. Currently, the fund has $207,556 recorded as a deferred inflow. This will be recognized as revenue when the timing requirements are met.

People + Process. Going Beyond the Numbers

Debt Service Funds

Debt Service funds are a type of governmental fund to account for the accumulation of resources for the payment of interest and principal on debt (other than enterprise fund debt). Debt Service funds may have one or a combination of the following revenue sources pledged to retire debt as follows:

- Property taxes - Primarily for general City benefit projects such as parks and municipal buildings. Property taxes may also be used to fund special assessment bonds which are not fully assessed.
- Tax increments - Pledged exclusively for tax increment/economic development districts.
- Capitalized interest portion of bond proceeds - After the sale of bonds, the project may not produce revenue (tax increments or special assessments) for a period of one to two years. Bonds are issued with this timing difference considered in the form of capitalized interest.
- Special assessments - Charges to benefited properties for various improvements.

In addition to the above pledged assets, other funding sources may be received by Debt Service funds as follows: residual project proceeds from the related capital projects fund, investment earnings, state or federal grants, and transfers from other funds.

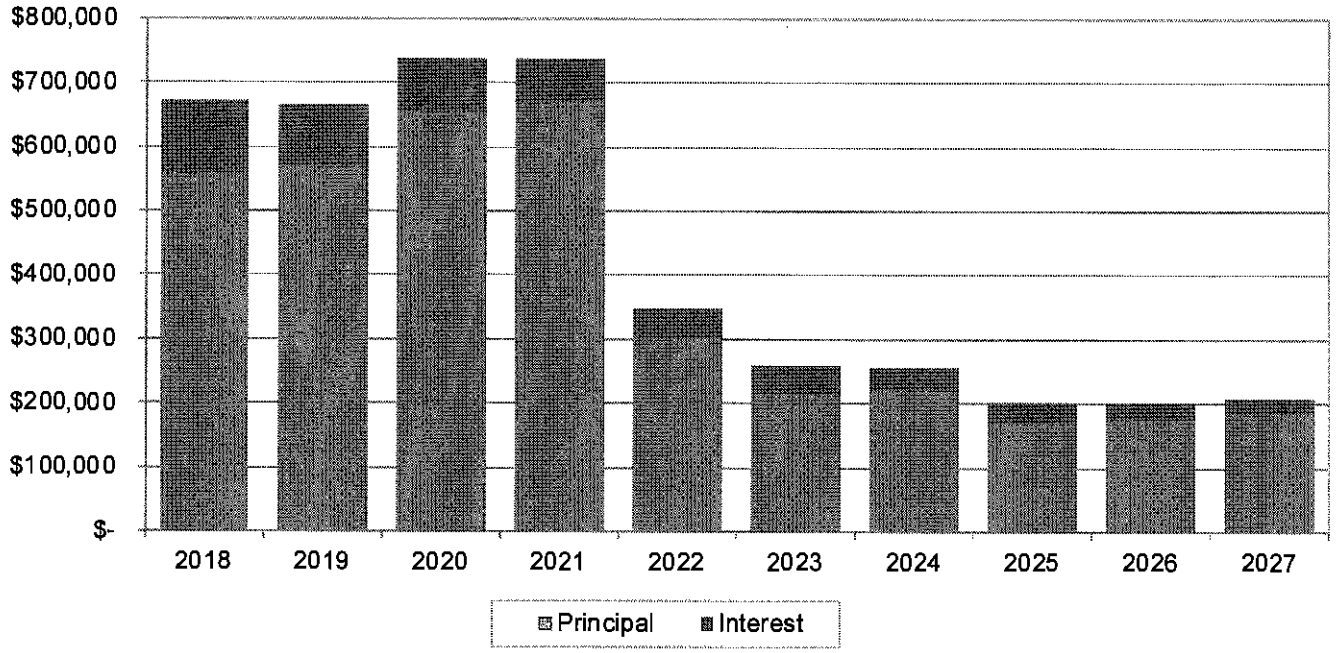
The following is a summary of the cash, total assets and bonds outstanding at year end for the governmental debt service funds:

Debt Service Fund	Cash Balance	Total Assets	Bonds Outstanding	Maturity Date
2006A Improvement Bonds	$ 59,936	$ 206,466	$ -	01/01/17
2008A Improvement Bonds	84,736	431,893	90,000	12/01/18
2009A Crossover Refunding Bonds	44,983	364,922	-	12/01/17
2010B G.O. Improvement Refunding Bonds	736,060	1,043,203	1,225,000	12/01/21
2011A G.O. Improvement Bonds	190,111	279,069	420,000	02/01/22
2014A G.O.Tax Abatement Bonds	217,055	217,546	2,275,000	02/01/30
2014B G.O.Improvement Bonds	49,925	50,038	310,000	02/01/24
Total	$ 1,382,806	$ 2,593,137	$ 4,320,000	

The City should review debt service funds with retired bonds and transfer any remaining cash to funds with existing cash deficits.

People + Process. Going Beyond the Numbers

Debt Service Scheduled Principal and Interest for the next 10 years



A summary of non-enterprise fund bonds outstanding relative to market value and population follows:

Fiscal Year	Population (1)	Taxable Market Value (2)	Bonds Payable in Debt Service Funds (3)	Less Amount Available (4)	Net Debt	Ratio of Net Debt to Market Value	Net Debt per Capita
2017	5,614	$310,685,500	$ 4,320,000	$ 1,384,791	$ 2,935,209	0.9 %	$ 523
2016	5,497	305,306,900	4,890,000	1,329,979	3,560,021	1.2	648
2015	5,409	269,093,600	5,710,000	1,507,296	4,202,704	1.6	777
2014	5,385	258,315,600	6,330,000	1,441,936	4,888,064	1.9	908
2013	5,369	271,579,700	4,005,000	1,401,796	2,603,204	1.0	485

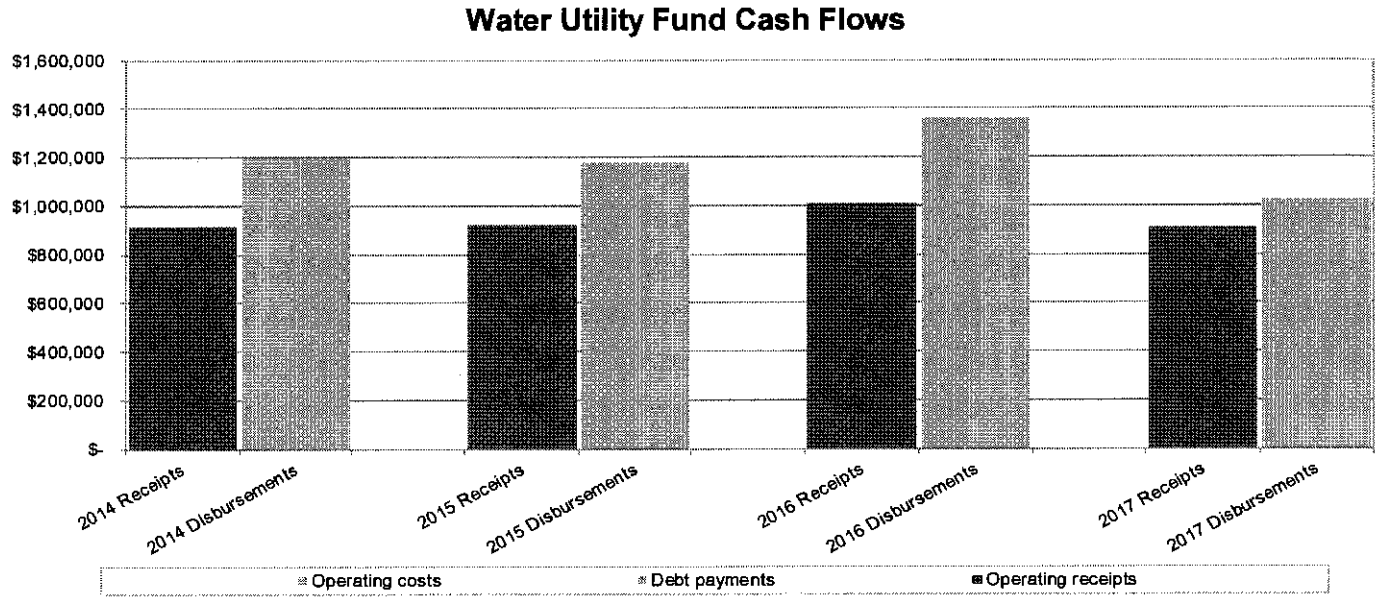
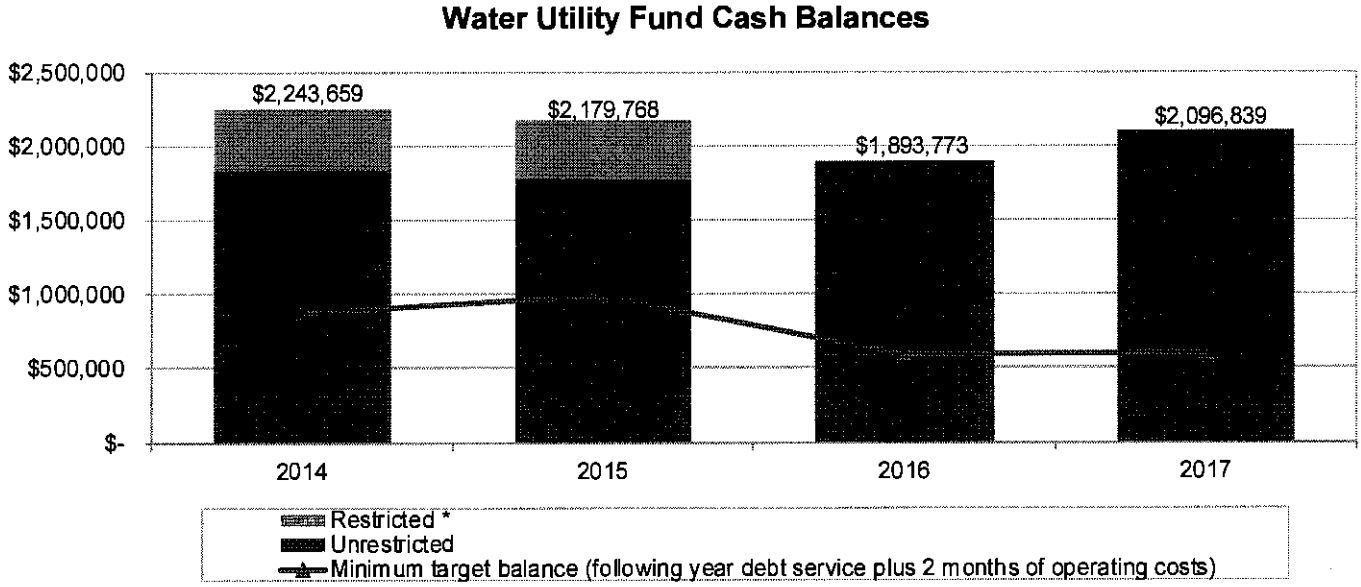
Going Beyond the Numbers

Enterprise Funds

Enterprise funds are used to account for operations that are financed and operated in a manner similar to private business enterprises-where the intent is that the costs of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges.

The results of the operations in terms of cash flow and the breakdown of the cash balances for the past four years are as follows:



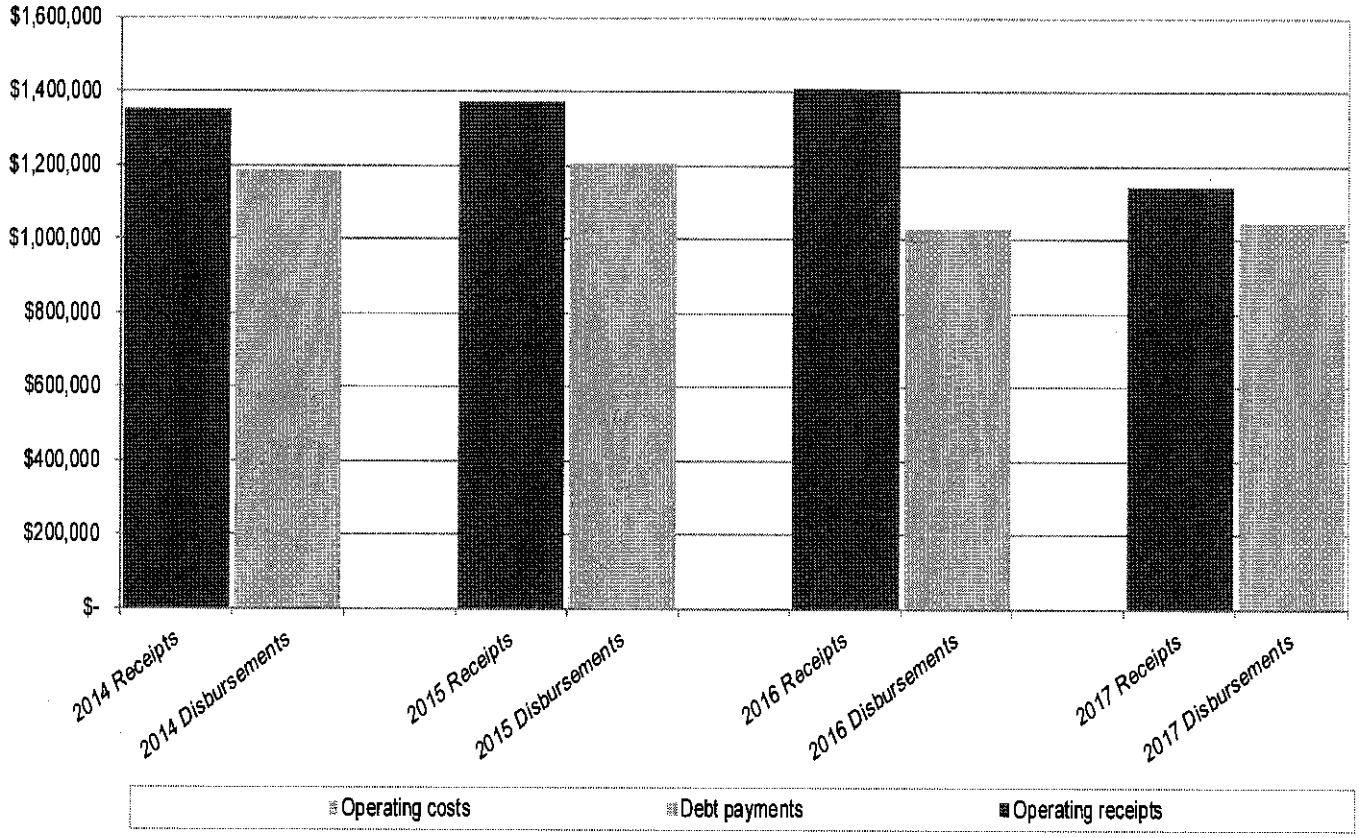


* Restricted cash was being held in escrow for debt payments. The last escrow debt payment was made in 2016.

	2014	2015	2016	2017
Bonds Payable	$ 6,535,056	$ 5,922,056	$ 5,161,056	$ 4,781,056

People + Process. Going Beyond the Numbers

Sewer Utility Fund Cash Flows

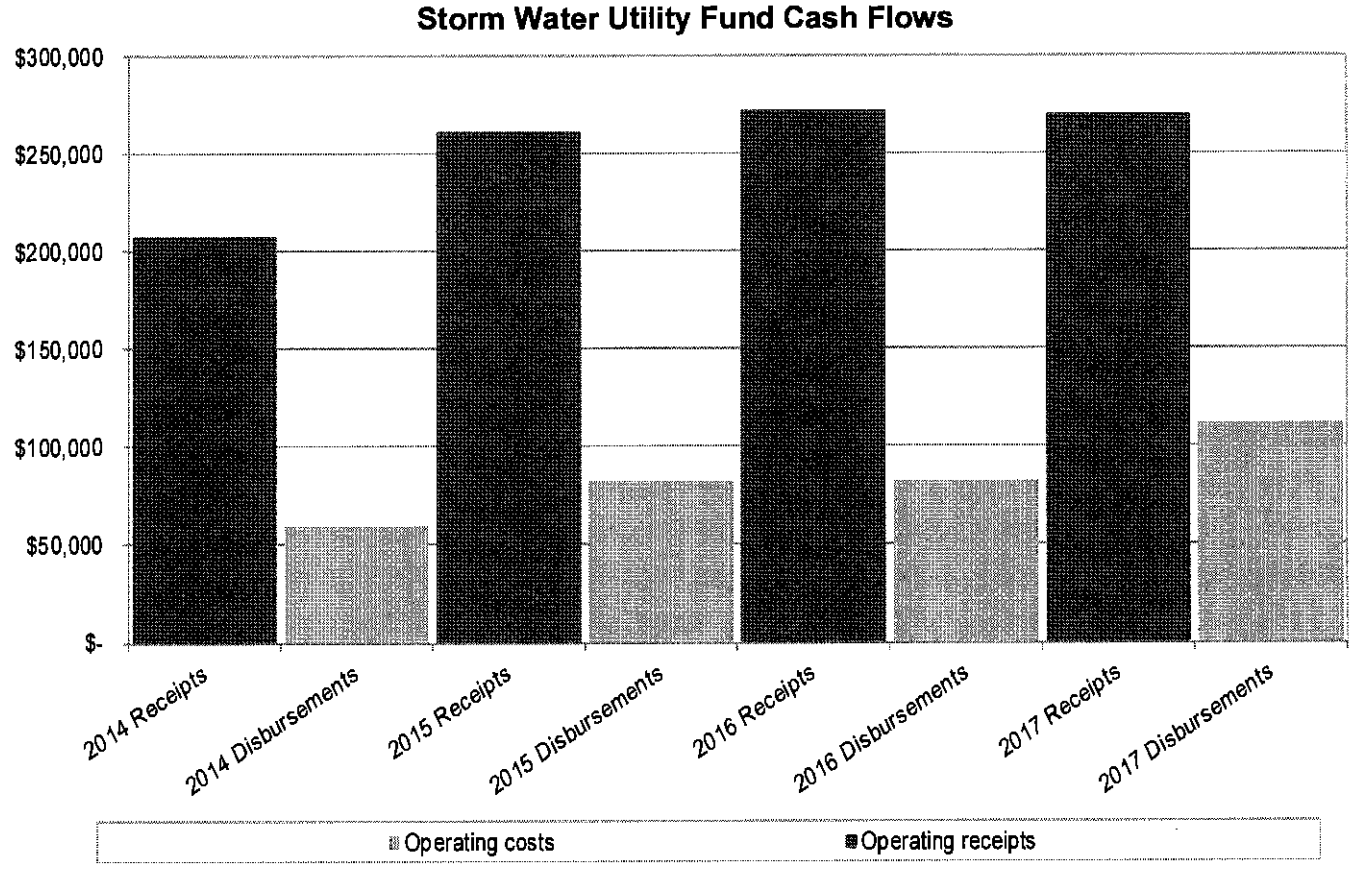


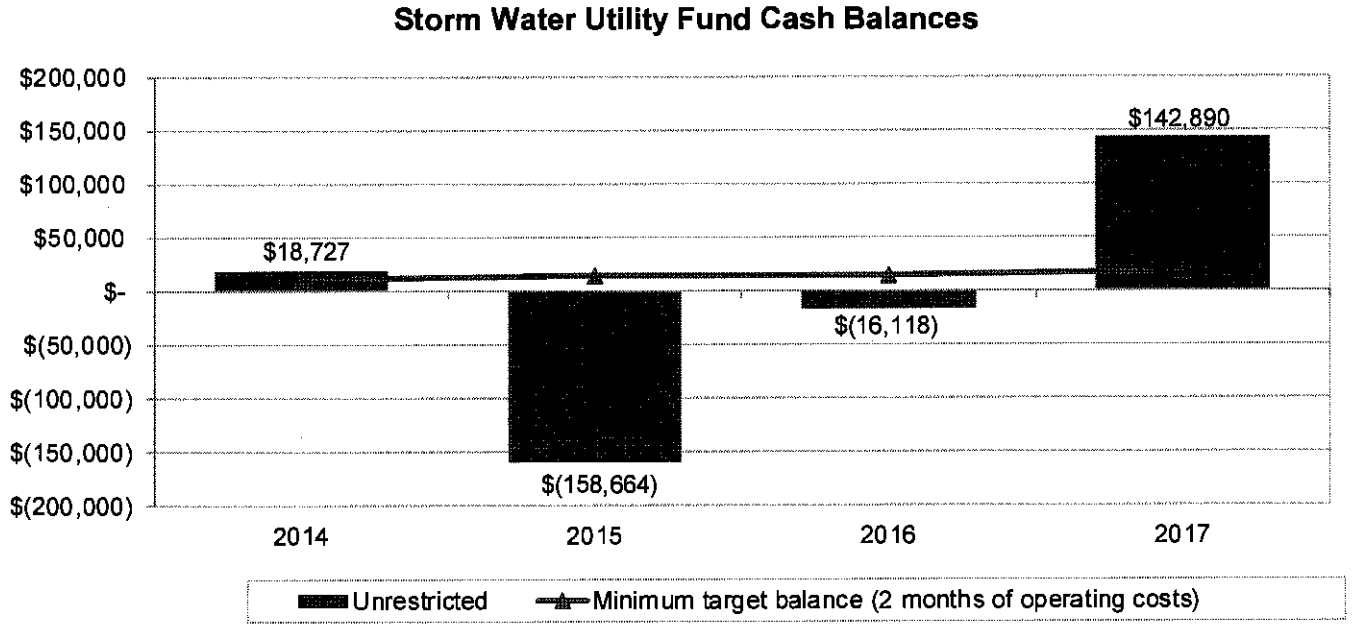
Sewer Utility Fund Cash Balances

	2014	2015	2016	2017
Bonds Payable	$ 3,431,159	$ 2,609,199	$ 4,612,208	$ 3,985,434

In 2016, Sewer revenue bonds were issued, causing a large increase in cash. Approximately $776,000 in unspent bond proceeds are included in the total 2016 cash. All bond proceeds were spent in 2016-2017.

People + Process. Going Beyond the Numbers





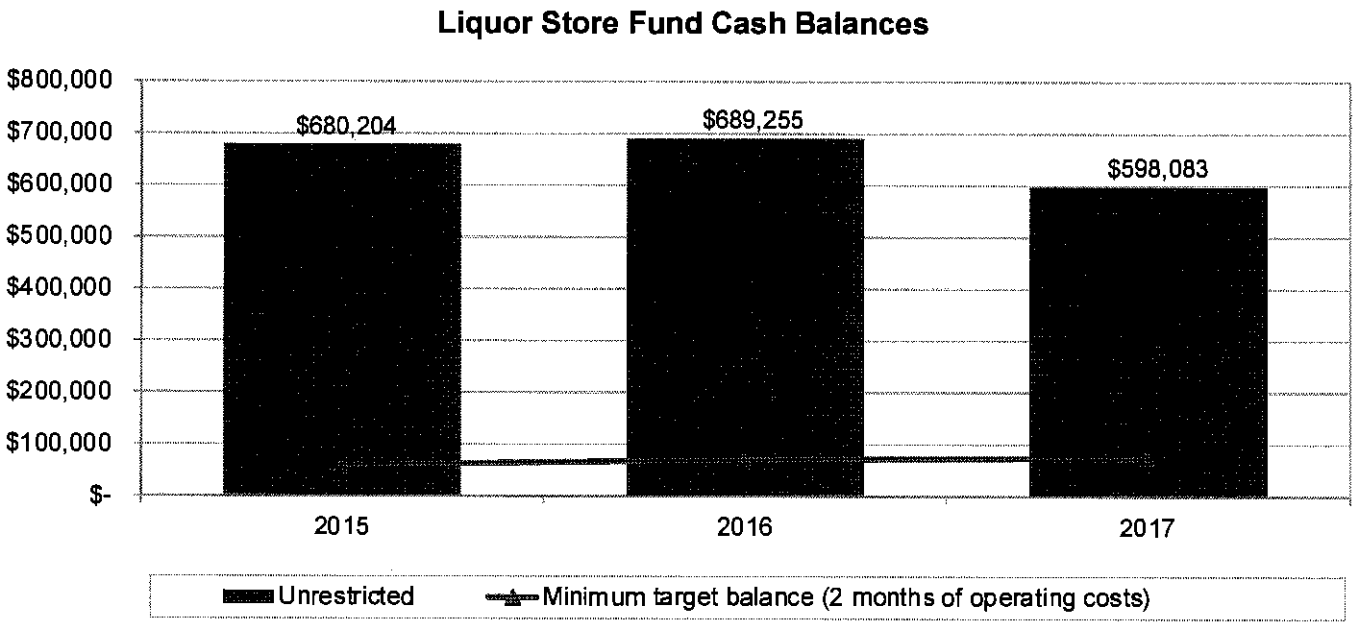
2014 was the first year of operations for the storm water fund.

People + Process. Going Beyond the Numbers

Liquor Store Fund

The following is a summary of operations in the Liquor fund for the past three years:

	2015		2016		2017	
	Total	Percent	Total	Percent	Total	Percent
Sales	$ 2,474,708	100.0 %	$ 2,609,087	100.0 %	$ 2,787,316	100.0 %
Cost of Sales	1,806,637	73.0	1,900,656	72.8	2,021,151	72.5
Gross Profit	668,071	27.0	708,431	27.2	766,165	27.5
Operating Expenses	357,002	14.4	423,429	16.2	456,402	16.4
Operating Income	311,069	12.6	285,002	11.0	309,763	11.1
Nonoperating Revenues (Expenses)	9,182	0.4	10,124	0.4	6,679	0.2
Income Before Transfers	320,251	13.0	295,126	11.4	316,442	11.3
Transfers Out	(300,000)	(12.1)	(330,360)	(12.7)	(350,000)	(12.6)
Change in Net Position	$ 20,251	0.9 %	$ (35,234)	(1.3) %	$ (33,558)	(1.3) %



Net cash from operations over the last three years have been $360,797, $339,948, and $301,344 for 2017, 2016, and 2015, respectively.

We recommend that the City continue reviewing gross profit margins as well as operating expenses to achieve profitability at a level sufficient to cover any major repairs, planned capital related projects, and support budgeted transfers to the General fund.

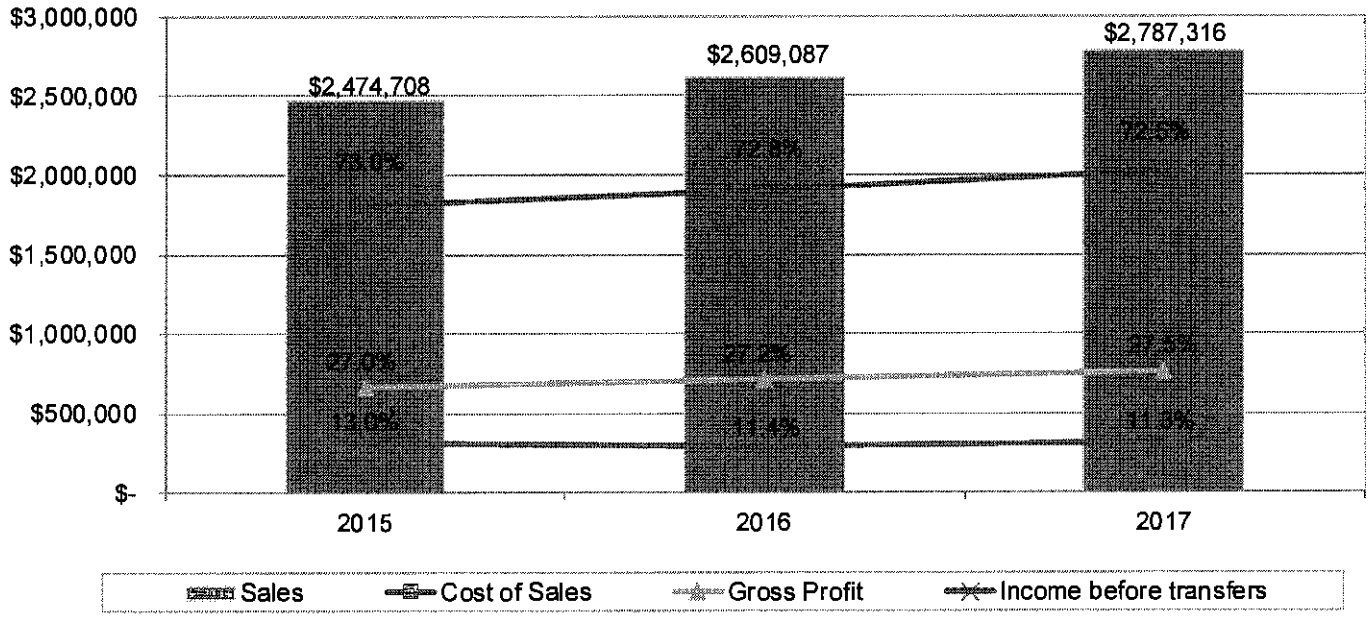
People + Process. Going Beyond the Numbers

The Office of the State Auditor annually publishes a report analyzing the operation of municipal liquor stores in the state. The last most recent year of published information is for the year ended December 31, 2016 The statewide averages for all operations are summarized below.

	Off Sale Only Stores		
	2014	2015	2016
	Percent of Sales	Percent of Sales	Percent of Sales
Sales	100.0 %	100.0 %	100.0 %
Cost of Sales	73.9 %	74.3 %	74.1 %
Gross Profit	26.1	25.7	25.9
Operating Expenses	17.1	17.6	18.6
Operating Income	9.0	8.1	7.3
Nonoperating Revenue (Expense)	-	-	-
Income Before Transfers	9.0 %	8.1 %	7.3 %

Source: Analysis of Municipal Liquor Store Operations, for the year ended December 31, 2016.
Published by the Minnesota Office of the State Auditor

Liquor Fund Operations



Sales have continuously increased over the past three years. The gross profit remained fairly consistent with the previous year.

The City's gross profit percentages of 27.0, 27.2 and 27.5 percent for 2015, 2016 and 2017, respectively, are above the statewide averages. Additionally, the percentage of income before transfers was significantly higher for 2015 - 2017 than the statewide averages.

People + Process. Going Beyond the Numbers

Ratio Analysis

The following captures a few ratios from the City's financial statements that give some additional information for trend and peer group analysis. The peer group average is derived from information we have requested from the Office of the State Auditor. Different peer group averages are used for cities of the 4th class (population 2,500 to 10,000). The majority of these ratios facilitate the use of economic resources focus and accrual basis of accounting at the government-wide level. A combination of liquidity (ability to pay its most immediate obligations), solvency (ability to pay its long-term obligations), funding (comparison of financial amounts and economic indicators to measure changes in financial capacity over time) and common-size (comparison of financial data with other cities regardless of size) ratios are shown below.

Ratio	Calculation	Source	2014	2015	2016	2017

Represents Peer Group Average

People + Process. Going Beyond the Numbers

Debt-to-Assets Leverage Ratio (Solvency Ratio)

The debt-to-assets leverage ratio is a comparison of a City's total liabilities to its total assets or the percentage of total assets that are provided by creditors. It indicates the degree to which the City's assets are financed through borrowings and other long-term obligations (i.e. a ratio of 50 percent would indicate half of the assets are financed with outstanding debt).

Debt Service Coverage Ratio (Solvency Ratio)

The debt coverage ratio is a comparison of cash generated by operations to total debt service payments (principal and interest) of enterprise funds. This ratio indicates if there are sufficient cash flows from operations to meet debt service obligations. Except in cases where other nonoperating revenues (i.e. taxes, assessments, transfers from other funds, etc.) are used to fund debt service payments, an acceptable ratio would be above 100 percent.

Bonded Debt per Capita (Funding Ratio)

This dollar amount is arrived at by dividing the total bonded debt by the population of the City and represents the amount of bonded debt obligation for each citizen of the City at the end of the year. The higher the amount, the more resources are needed in the future to retire these obligations through taxes, assessments or user fees.

Taxes per Capita (Funding Ratio)

This dollar amount is arrived at by dividing the total tax revenues by the population of the City and represents the amount of taxes for each citizen of the City for the year. The higher this amount is, the more reliant the City is on taxes to fund its operations.

Current Expenditures per Capita (Funding Ratio)

This dollar amount is arrived at by dividing the total current governmental expenditures by the population of the City and represents the amount of governmental expenditures for each citizen of the City during the year. Since this is generally based on ongoing expenditures, we would expect consistent annual per capita results.

Capital Expenditures per Capita (Funding Ratio)

This dollar amount is arrived at by dividing the total governmental capital outlay expenditures by the population of the City and represents the amount of capital expenditures for each citizen of the City during the year. Since projects are not always recurring, the per capita amount will fluctuate from year to year.

Capital Assets Percentage (Common-size Ratio)

This percentage represents the percent of governmental or business-type capital assets that are left to be depreciated. The lower this percentage, the older the City's capital assets are and may need major repairs or replacements in the near future. A higher percentage may indicate newer assets being constructed or purchased and may coincide with higher debt ratios or bonded debt per capita.

Future Accounting Standard Changes

The following Governmental Accounting Standards Board (GASB) Statements have been issued and may have an impact on future City financial statements: [1]

GASB Statement No. 75 - *Accounting and Financial Reporting for Postemployment Benefit Plans Other than Pension*

Summary

The primary objective of this Statement is to improve accounting and financial reporting by state and local governments for postemployment benefits other than pensions (other postemployment benefits or OPEB). It also improves information provided by state and local governmental employers about financial support for OPEB that is provided by other entities. This Statement results from a comprehensive review of the effectiveness of existing standards of accounting and financial reporting for all postemployment benefits (pensions and OPEB) with regard to providing decision-useful information, supporting assessments of accountability and interperiod equity, and creating additional transparency.

This Statement replaces the requirements of Statements No. 45, Accounting and Financial Reporting by Employers for Postemployment Benefits Other than Pensions, as amended, and No. 57, OPEB Measurements by Agent Employers and Agent Multiple-Employer Plans, for OPEB. Statement No. 74, Financial Reporting for Postemployment Benefit Plans Other than Pension Plans, establishes new accounting and financial reporting requirements for OPEB plans.

The scope of this Statement addresses accounting and financial reporting for OPEB that is provided to the employees of state and local governmental employers. This Statement establishes standards for recognizing and measuring liabilities, deferred outflows of resources, deferred inflows of resources, and expense/expenditures. For defined benefit OPEB, this Statement identifies the methods and assumptions that are required to be used to project benefit payments, discount projected benefit payments to their actuarial present value, and attribute that present value to periods of employee service. Note disclosure and required supplementary information requirements about defined benefit OPEB also are addressed.

In addition, this Statement details the recognition and disclosure requirements for employers with payables to defined benefit OPEB plans that are administered through trusts that meet the specified criteria and for employers whose employees are provided with defined contribution OPEB. This Statement also addresses certain circumstances in which a nonemployer entity provides financial support for OPEB of employees of another entity.

In this Statement, distinctions are made regarding the particular requirements depending upon whether the OPEB plans through which the benefits are provided are administered through trusts that meet the following criteria:

- Contributions from employers and nonemployer contributing entities to the OPEB plan and earnings on those contributions are irrevocable.
- OPEB plan assets are dedicated to providing OPEB to plan members in accordance with the benefit terms.
- OPEB plan assets are legally protected from the creditors of employers, nonemployer contributing entities, the OPEB plan administrator, and the plan members.

Effective Date

This Statement is effective for fiscal years beginning after June 15, 2017. Earlier application is encouraged.

How the Changes in This Statement Will Improve Financial Reporting

The requirements of this Statement will improve the decision-usefulness of information in employer and governmental nonemployer contributing entity financial reports and will enhance its value for assessing accountability and interperiod equity by requiring recognition of the entire OPEB liability and a more comprehensive measure of OPEB expense. Decision-usefulness and accountability also will be enhanced through new note disclosures and required supplementary information, as follows:

- More robust disclosures of assumptions will allow for better informed assessments of the reasonableness of OPEB measurements.
- Explanations of how and why the OPEB liability changed from year to year will improve transparency.

Future Accounting Standard Changes (Continued)

- The summary OPEB liability information, including ratios, will offer an indication of the extent to which the total OPEB liability is covered by resources held by the OPEB plan, if any.

- For employers that provide benefits through OPEB plans that are administered through trusts that meet the specified criteria, the contribution schedules will provide measures to evaluate decisions related to contributions.

The consistency, comparability, and transparency of the information reported by employers and governmental nonemployer contributing entities about OPEB transactions will be improved by requiring:

- The use of a discount rate that considers the availability of the OPEB plan's fiduciary net position associated with the OPEB of current active and inactive employees and the investment horizon of those resources, rather than utilizing only the long-term expected rate of return regardless of whether the OPEB plan's fiduciary net position is projected to be sufficient to make projected benefit payments and is expected to be invested using a strategy to achieve that return.

- A single method of attributing the actuarial present value of projected benefit payments to periods of employee service, rather than allowing a choice among six methods with additional variations.

- Immediate recognition in OPEB expense, rather than a choice of recognition periods, of the effects of changes of benefit terms.

- Recognition of OPEB expense that incorporates deferred outflows of resources and deferred inflows of resources related to OPEB over a defined, closed period, rather than a choice between an open or closed period.

GASB Statement No. 83 - *Certain Asset Retirement Obligations*

Summary

This Statement addresses accounting and financial reporting for certain asset retirement obligations (AROs). An ARO is a legally enforceable liability associated with the retirement of a tangible capital asset. A government that has legal obligations to perform future asset retirement activities related to its tangible capital assets should recognize a liability based on the guidance in this Statement.

This Statement establishes criteria for determining the timing and pattern of recognition of a liability and a corresponding deferred outflow of resources for AROs. This Statement requires that recognition occur when the liability is both incurred and reasonably estimable. The determination of when the liability is incurred should be based on the occurrence of external laws, regulations, contracts, or court judgments, together with the occurrence of an internal event that obligates a government to perform asset retirement activities. Laws and regulations may require governments to take specific actions to retire certain tangible capital assets at the end of the useful lives of those capital assets, such as decommissioning nuclear reactors and dismantling and removing sewage treatment plants. Other obligations to retire tangible capital assets may arise from contracts or court judgments. Internal obligating events include the occurrence of contamination, placing into operation a tangible capital asset that is required to be retired, abandoning a tangible capital asset before it is placed into operation, or acquiring a tangible capital asset that has an existing ARO.

This Statement requires the measurement of an ARO to be based on the best estimate of the current value of outlays expected to be incurred. The best estimate should include probability weighting of all potential outcomes, when such information is available or can be obtained at reasonable cost. If probability weighting is not feasible at reasonable cost, the most likely amount should be used. This Statement requires that a deferred outflow of resources associated with an ARO be measured at the amount of the corresponding liability upon initial measurement.

This Statement requires the current value of a government's AROs to be adjusted for the effects of general inflation or deflation at least annually. In addition, it requires a government to evaluate all relevant factors at least annually to determine whether the effects of one or more of the factors are expected to significantly change the estimated asset retirement outlays. A government should remeasure an ARO only when the result of the evaluation indicates there is a significant change in the estimated outlays. The deferred outflows of resources should be reduced and recognized as outflows of resources (for example, as an expense) in a systematic and rational manner over the estimated useful life of the tangible capital asset.

Future Accounting Standard Changes (Continued)

A government may have a minority share (less than 50 percent) of ownership interest in a jointly owned tangible capital asset in which a nongovernmental entity is the majority owner and reports its ARO in accordance with the guidance of another recognized accounting standards setter. Additionally, a government may have a minority share of ownership interest in a jointly owned tangible capital asset in which no joint owner has a majority ownership, and a nongovernmental joint owner that has operational responsibility for the jointly owned tangible capital asset reports the associated ARO in accordance with the guidance of another recognized accounting standards setter. In both situations, the government's minority share of an ARO should be reported using the measurement produced by the nongovernmental majority owner or the nongovernmental minority owner that has operational responsibility, without adjustment to conform to the liability measurement and recognition requirements of this Statement.

In some cases, governments are legally required to provide funding or other financial assurance for their performance of asset retirement activities. This Statement requires disclosure of how those funding and assurance requirements are being met by a government, as well as the amount of any assets restricted for payment of the government's AROs, if not separately displayed in the financial statements.

This Statement also requires disclosure of information about the nature of a government's AROs, the methods and assumptions used for the estimates of the liabilities, and the estimated remaining useful life of the associated tangible capital assets. If an ARO (or portions thereof) has been incurred by a government but is not yet recognized because it is not reasonably estimable, the government is required to disclose that fact and the reasons therefor. This Statement requires similar disclosures for a government's minority shares of AROs.

Effective Date

The requirements of this Statement are effective for reporting periods beginning after June 15, 2018. Earlier application is encouraged.

How the Changes in This Statement Will Improve Financial Reporting

This Statement will enhance comparability of financial statements among governments by establishing uniform criteria for governments to recognize and measure certain AROs, including obligations that may not have been previously reported. This Statement also will enhance the decision-usefulness of the information provided to financial statement users by requiring disclosures related to those AROs.

GASB Statement No. 84 - *Fiduciary Activities*

Summary

The objective of this Statement is to improve guidance regarding the identification of fiduciary activities for accounting and financial reporting purposes and how those activities should be reported.

This Statement establishes criteria for identifying fiduciary activities of all state and local governments. The focus of the criteria generally is on (1) whether a government is controlling the assets of the fiduciary activity and (2) the beneficiaries with whom a fiduciary relationship exists. Separate criteria are included to identify fiduciary component units and postemployment benefit arrangements that are fiduciary activities.

An activity meeting the criteria should be reported in a fiduciary fund in the basic financial statements. Governments with activities meeting the criteria should present a statement of fiduciary net position and a statement of changes in fiduciary net position. An exception to that requirement is provided for a business-type activity that normally expects to hold custodial assets for three months or less.

This Statement describes four fiduciary funds that should be reported, if applicable: (1) pension (and other employee benefit) trust funds, (2) investment trust funds, (3) private-purpose trust funds, and (4) custodial funds. Custodial funds generally should report fiduciary activities that are not held in a trust or equivalent arrangement that meets specific criteria.

Future Accounting Standard Changes (Continued)

A fiduciary component unit, when reported in the fiduciary fund financial statements of a primary government, should combine its information with its component units that are fiduciary component units and aggregate that combined information with the primary government's fiduciary funds.

This Statement also provides for recognition of a liability to the beneficiaries in a fiduciary fund when an event has occurred that compels the government to disburse fiduciary resources. Events that compel a government to disburse fiduciary resources occur when a demand for the resources has been made or when no further action, approval, or condition is required to be taken or met by the beneficiary to release the assets.

Effective Date

The requirements of this Statement are effective for reporting periods beginning after December 15, 2018. Earlier application is encouraged.

How the Changes in This Statement Will Improve Financial Reporting

The requirements of this Statement will enhance consistency and comparability by (1) establishing specific criteria for identifying activities that should be reported as fiduciary activities and (2) clarifying whether and how business-type activities should report their fiduciary activities. Greater consistency and comparability enhances the value provided by the information reported in financial statements for assessing government accountability and stewardship.

GASB Statement No. 85 - *Omnibus 2017*

Summary

The objective of this Statement is to address practice issues that have been identified during implementation and application of certain GASB Statements. This Statement addresses a variety of topics including issues related to blending component units, goodwill, fair value measurement and application, and postemployment benefits (pensions and other postemployment benefits [OPEB]). Specifically, this Statement addresses the following topics:

- Blending a component unit in circumstances in which the primary government is a business-type activity that reports in a single column for financial statement presentation
- Reporting amounts previously reported as goodwill and "negative" goodwill
- Classifying real estate held by insurance entities
- Measuring certain money market investments and participating interest-earning investment contracts at amortized cost
- Timing of the measurement of pension or OPEB liabilities and expenditures recognized in financial statements prepared using the current financial resources measurement focus
- Recognizing on-behalf payments for pensions or OPEB in employer financial statements
- Presenting payroll-related measures in required supplementary information for purposes of reporting by OPEB plans and employers that provide OPEB
- Classifying employer-paid member contributions for OPEB
- Simplifying certain aspects of the alternative measurement method for OPEB
- Accounting and financial reporting for OPEB provided through certain multiple-employer defined benefit OPEB plans.

Effective Date

The requirements of this Statement are effective for reporting periods beginning after June 15, 2017. Earlier application is encouraged.

Future Accounting Standard Changes (Continued)

How the Changes in This Statement Will Improve Financial Reporting

The requirements of this Statement will enhance consistency in the application of accounting and financial reporting requirements. Consistent reporting will improve the usefulness of information for users of state and local government financial statements.

GASB Statement No. 86 - *Certain Debt Extinguishment Issues*

Summary

The primary objective of this Statement is to improve consistency in accounting and financial reporting for in-substance defeasance of debt by providing guidance for transactions in which cash and other monetary assets acquired with only existing resources - resources other than the proceeds of refunding debt - are placed in an irrevocable trust for the sole purpose of extinguishing debt. This Statement also improves accounting and financial reporting for prepaid insurance on debt that is extinguished and notes to financial statements for debt that is defeased in substance.

Effective Date

The requirements of this Statement are effective for reporting periods beginning after June 15, 2017. Earlier application is encouraged.

How the Changes in This Statement Will Improve Accounting and Financial Reporting

The requirements of this Statement will increase consistency in accounting and financial reporting for debt extinguishments by establishing uniform guidance for derecognizing debt that is defeased in substance, regardless of how cash and other monetary assets placed in an irrevocable trust for the purpose of extinguishing that debt were acquired. The requirements of this Statement also will enhance consistency in financial reporting of prepaid insurance related to debt that has been extinguished. In addition, this Statement will enhance the decision-usefulness of information in notes to financial statements regarding debt that has been defeased in substance.

GASB Statement No. 87 - *Leases*

Summary

The objective of this Statement is to better meet the information needs of financial statement users by improving accounting and financial reporting for leases by governments. This Statement increases the usefulness of governments' financial statements by requiring recognition of certain lease assets and liabilities for leases that previously were classified as operating leases and recognized as inflows of resources or outflows of resources based on the payment provisions of the contract. It establishes a single model for lease accounting based on the foundational principle that leases are financings of the right to use an underlying asset. Under this Statement, a lessee is required to recognize a lease liability and an intangible right-to-use lease asset, and a lessor is required to recognize a lease receivable and a deferred inflow of resources, thereby enhancing the relevance and consistency of information about governments' leasing activities.

Effective Date and Transition

The requirements of this Statement are effective for reporting periods beginning after December 15, 2019. Earlier application is encouraged.

Leases should be recognized and measured using the facts and circumstances that exist at the beginning of the period of implementation (or, if applied to earlier periods, the beginning of the earliest period restated). However, lessors should not restate the assets underlying their existing sales-type or direct financing leases. Any residual assets for those leases become the carrying values of the underlying assets.

Future Accounting Standard Changes (Continued)

How the Changes in This Statement Will Improve Accounting and Financial Reporting

This Statement will increase the usefulness of governments' financial statements by requiring reporting of certain lease liabilities that currently are not reported. It will enhance comparability of financial statements among governments by requiring lessees and lessors to report leases under a single model. This Statement also will enhance the decision-usefulness of the information provided to financial statement users by requiring notes to financial statements related to the timing, significance, and purpose of a government's leasing arrangements.

INDEPENDENT AUDITOR'S REPORT

Honorable Mayor and City Council
City of Isanti, Minnesota

Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities, the business-type activities, each major fund and the aggregate remaining fund information of the City of Isanti, Minnesota (the City), as of and for the year ended December 31, 2017, and the related notes to the financial statements, which collectively comprise the City's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the City's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, each major fund and the aggregate remaining fund information of the City as of December 31, 2017, and the respective changes in financial position and, where applicable, cash flows thereof and the respective budgetary comparison for the General fund for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the Management's Discussion and Analysis starting on page 17 and the Schedules of Employer's Share of the Net Pension Liability and the Schedules of Employer's Contributions on page 78 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquires of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquires, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the City's basic financial statements. The introductory section and combining and individual fund financial statements and schedules are presented for purposes of additional analysis and are not a required part of the financial statements.

The combining and individual fund financial statements and schedules are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to basic the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining and individual fund financial statements and schedules are fairly stated in all material respects in relation to the basic financial statements as a whole.

The introductory section has not been subjected to the auditing procedures applied in the audit of the basic financial statements, and accordingly, we do not express an opinion or provide any assurance on it.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated April 6, 2018 on our consideration of the City's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City's internal control over financial reporting and compliance.

Management's Discussion and Analysis

As management of the City of Isanti, Minnesota, (the City), we offer readers of the City's financial statements this narrative overview and analysis of the financial activities of the City for the fiscal year ended December 31, 2017.

Financial Highlights

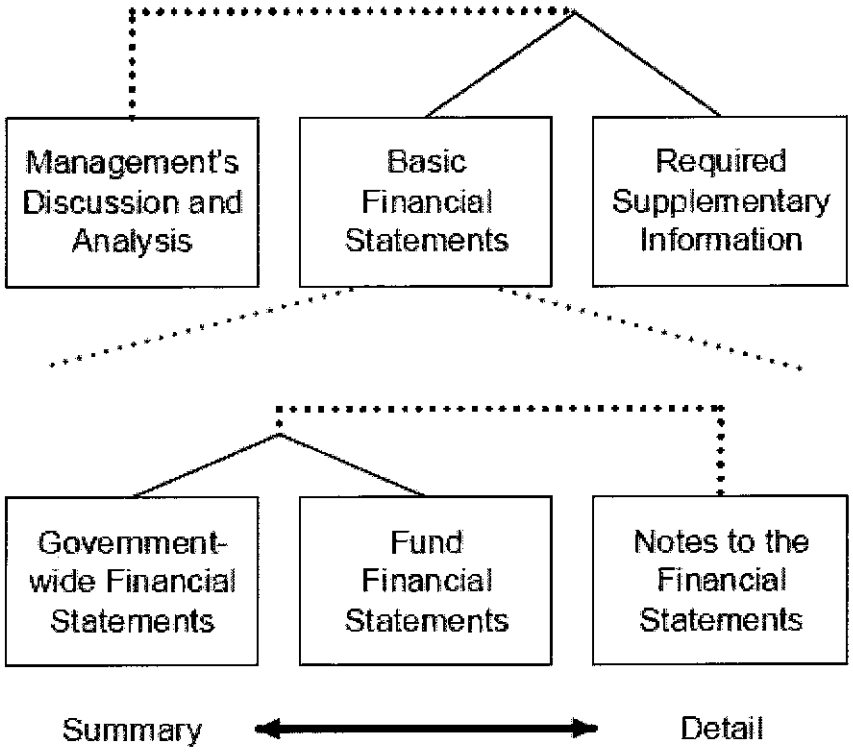
- The assets and deferred outflows of the City exceeded its liabilities and deferred inflows of resources at the close of the most recent fiscal year by $44,358,243. Of this amount, $5,608,590 (unrestricted net position) may be used to meet the City's ongoing obligations to citizens and creditors.
- The City's total net position increased by $1,100,256. This was largely a result of operating income within business-type activities of $535,601 as well as capital contributions of $964,257.
- As of the close of the current fiscal year, the City's governmental funds reported combined ending fund balances of $4,361,480, a decrease of $23,909, in comparison with the prior year.
- At the end of the current fiscal year, unrestricted fund balance for the General fund was $2,076,531.
- The City's total noncurrent liabilities decreased $1,580,276 (18.8 percent) during the current fiscal year.

Overview of the Financial Statements

This discussion and analysis is intended to serve as an introduction to the City's basic financial statements. The City's basic financial statements comprise three components: 1) government-wide financial statements, 2) fund financial statements, and 3) notes to the financial statements. This report also contains other supplemental information in addition to the basic financial statements themselves.

The following chart shows how the required parts of this annual report are arranged and relate to one another. In addition to these required elements, we have included a section with combining and individual fund financial statements and schedules that provide details about nonmajor governmental funds, which are added together and presented in single columns in the basic financial statements.

Organization of the City's Annual Financial Report



The following chart summarizes the major features of the City's financial statements, including the portion of the City's activities they cover and the types of information they contain. The remainder of this overview section of management's discussion and analysis explains the structure and contents of each of the statements.

Major features of the Government-wide and Fund Financial Statements

		Fund Financial Statements		
	Government-wide Statements	**Governmental Funds**	**Proprietary Funds**	**Fiduciary Funds**
Scope	Entire City government (except fiduciary funds) and the City's component units	The activities of the City that are not proprietary or fiduciary, such as police, fire and parks	Activities the City operates similar to private businesses, such as the water and sewer system	Instances in which the City administers resources on behalf of someone else, such as developers
Required financial statements	• Statement of Net Position • Statement of Activities	• Balance Sheet • Statement of Revenues, Expenditures and Changes in Fund Balances	• Statements of Net Position • Statements of Revenues, Expenses and Changes in Fund Net Position • Statements of Cash Flows	• Statement of fiduciary net position
Accounting basis and measurement focus	Accrual accounting and economic resources focus	Modified accrual accounting and current financial resources focus	Accrual accounting and economic resources focus	Accrual accounting and economic resources focus
Type of asset/liability information	All assets and liabilities, both financial and capital, and short-term and long-term	Only assets expected to be used up and liabilities that come due during the year or soon thereafter; no capital assets included	All assets and liabilities, both financial and capital, and short-term and long-term	All assets and liabilities, both short-term and long-term; fund do not currently contain capital assets, although they can
Type of deferred outflows/inflows of resources information	All deferred outflows/inflows of resources, regardless of when cash is received or paid	Only deferred outflows of resources expected to be used up and deferred inflows of resources that come due during the year or soon thereafter; no capital assets included	All deferred outflows/inflows of resources, regardless of when cash is received or paid	
Type of inflow/out flow information	All revenues and expenses during year, regardless of when cash is received or paid	Revenues for which cash is received during or soon after the end of the year; expenditures when goods or services have been received and the related liability is due and payable	All revenues and expenses during the year, regardless of when cash is received or paid	All additions and deductions during the year, regardless of when cash is received or paid

Government-wide Financial Statements. The *government-wide financial statements* are designed to provide readers with a broad overview of the City's finances, in a manner similar to a private-sector business.

The *statement of net position* presents information on all of the City's assets and deferred inflows and liabilities and deferred outflows, with the difference between the four reported as *net position*. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the City is improving or deteriorating.

The *statement of activities* presents information showing how the City's net position changed during the most recent fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, *regardless of the timing of related cash flows*. Thus, revenues and expenses are reported in this statement for some items that will only result in cash flows in future fiscal periods (e.g., uncollected taxes and earned but unused vacation leave).

Both of the government-wide financial statements distinguish functions of the City that are principally supported by taxes and intergovernmental revenue (*governmental activities*) from other functions that are intended to recover all or a significant portion of their costs through user fees and charges (*business-type activities*). The governmental activities of the City include general government, public safety, public works, culture and recreation, economic development and interest on long-term debt. The business-type activities of the City include water, sewer, storm water and a liquor store.

The government-wide financial statements start on page 31 of this report.

Fund Financial Statements. A *fund* is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The City, like other state and local governments, uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. All of the funds of the City can be divided into three categories: governmental funds, proprietary funds and the fiduciary fund.

Governmental Funds. *Governmental funds* are used to account for essentially the same functions reported as *governmental activities* in the government-wide financial statements. However, unlike the government-wide financial statements, governmental fund financial statements focus on *near-term inflows and outflows of spendable resources*, as well as on *balances of spendable resources* available at the end of the fiscal year. Such information may be useful in evaluating a City's near-term financing requirements.

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for *governmental funds* with similar information presented for *governmental activities* in the government-wide financial statements. By doing so, readers may better understand the long-term impact by the City's near-term financing decisions. Both the governmental fund balance sheet and the governmental fund statement of revenues, expenditures and changes in fund balances provide a reconciliation to facilitate this comparison between *governmental funds* and *governmental activities*.

The City maintains 34 individual governmental funds, 7 of which are Debt Service funds. Information is presented separately in the governmental fund balance sheet and in the governmental fund statement of revenues, expenditures and changes in fund balances for the General fund and Debt Service fund, both of which are considered to be major funds. Data from the other governmental funds are combined into a single, aggregated presentation. Individual fund data for each of these nonmajor governmental funds is provided in the form of *combining statements or schedules* elsewhere in this report.

The City adopts an annual appropriated budget for its General fund. A budgetary comparison statement has been provided for the General fund to demonstrate compliance with this budget.

The basic governmental fund financial statements start on page 36 of this report.

Proprietary Funds. The City maintains one type of proprietary fund. *Enterprise funds* are used to report the same functions presented as *business-type activities* in the government-wide financial statements. The City uses enterprise funds to account for its water, sewer, liquor store, and storm water.

Proprietary funds provide the same type of information as the government-wide financial statements, only in more detail. The proprietary fund financial statements provide separate information for each of the enterprise funds, all of which are considered to be major funds of the City.

The basic proprietary fund financial statements start on page 42 of this report.

Fiduciary Fund. The fiduciary fund is used to account for resources held for the benefit of parties outside the City. The fiduciary fund is *not* reflected in the government-wide financial statements because the resources of this fund are not available to support the City's own programs.

The basic fiduciary fund financial statement can be found on page 48 of this report.

Notes to the Financial Statements. The notes provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements. The notes to the financial statements start on page 49 of this report.

Other Information. In addition to the basic financial statements and accompanying notes, this report also presents *required supplementary information* concerning the City's progress in funding its obligation to provide pension benefits to its employees. Required supplementary information can be found on page 78 of this report.

The combining statements referred to earlier in connection with nonmajor governmental funds are presented following the notes to the financial statements. Combining and individual fund financial statements and schedules start on page 84 of this report.

Government-wide Financial Analysis

As noted earlier, net position may serve over time as a useful indicator of a government's financial position. In the case of the City, assets and deferred outflows exceeded liabilities and deferred inflows of resources by $44,358,243 at the close of the most recent fiscal year.

By far, the largest portion of the City's net position (79.6 percent) reflects its investment in capital assets (e.g., land, buildings, machinery and equipment); less any related debt used to acquire those assets that is still outstanding. The City uses these capital assets to provide services to citizens; consequently, these assets are not available for future spending. Although the City's investment in its capital assets is reported net of related debt, it should be noted that the resources needed to repay this debt must be provided from other sources, since the capital assets themselves cannot be used to liquidate these liabilities.

City of Isanti's Summary of Net Position

	Governmental Activities			Business-type Activities		
	2017	2016	Increase (Decrease)	2017	2016	Increase (Decrease)
Assets						
Current and other assets	$ 6,060,970	$ 6,285,428	$ (224,458)	$ 6,229,514	$ 7,126,155	$ (896,641)

Total Deferred Inflows of Resources	2,090,316	821,210	1,269,106	120,204	64,462	55,742
Net Position						
Net investment in capital assets	14,636,421	14,413,507	222,914	20,652,977	19,675,184	977,793
Restricted	3,287,731	3,362,465	(74,734)	172,524	159,403	13,121
Unrestricted	262,928	264,981	(2,053)	5,345,662	5,382,447	(36,785)
Total Net Position	$ 18,187,080	$ 18,040,953	$ 146,127	$ 26,171,163	$ 25,217,034	$ 954,129

An additional portion of the City's net position (7.8 percent) represents resources that are subject to external restrictions on how they may be used. The remaining balance of *unrestricted net position,* $5,608,590, may be used to meet the City's ongoing obligations to citizens and creditors.

At the end of the current fiscal year, the City is able to report positive balances in all three categories of net position, both for the City as a whole, as well as for its separate governmental and business-type activities.

Governmental Activities. The City's net position increased $1,100,256 during the current fiscal year. Governmental activities decreased the City's net position by $146,127 thereby accounting for 13.3 percent of the total growth in the net position of the City. Significant changes from the prior year are noted below:

City of Isanti's Changes in Net Position

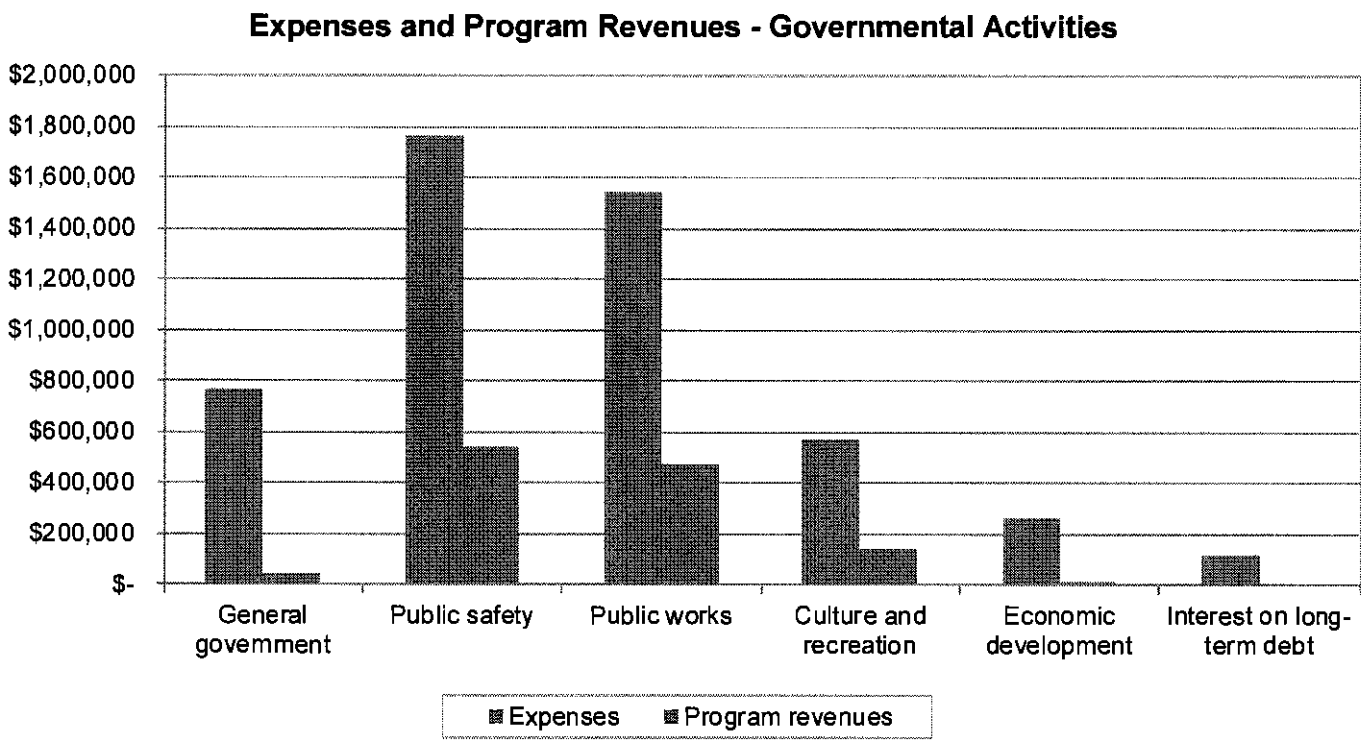
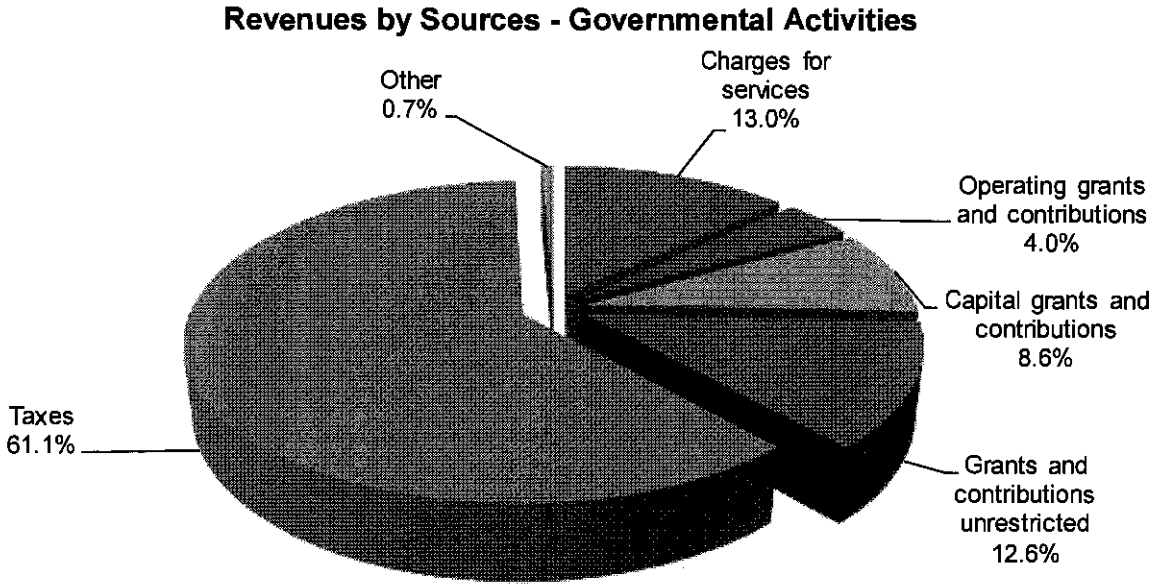
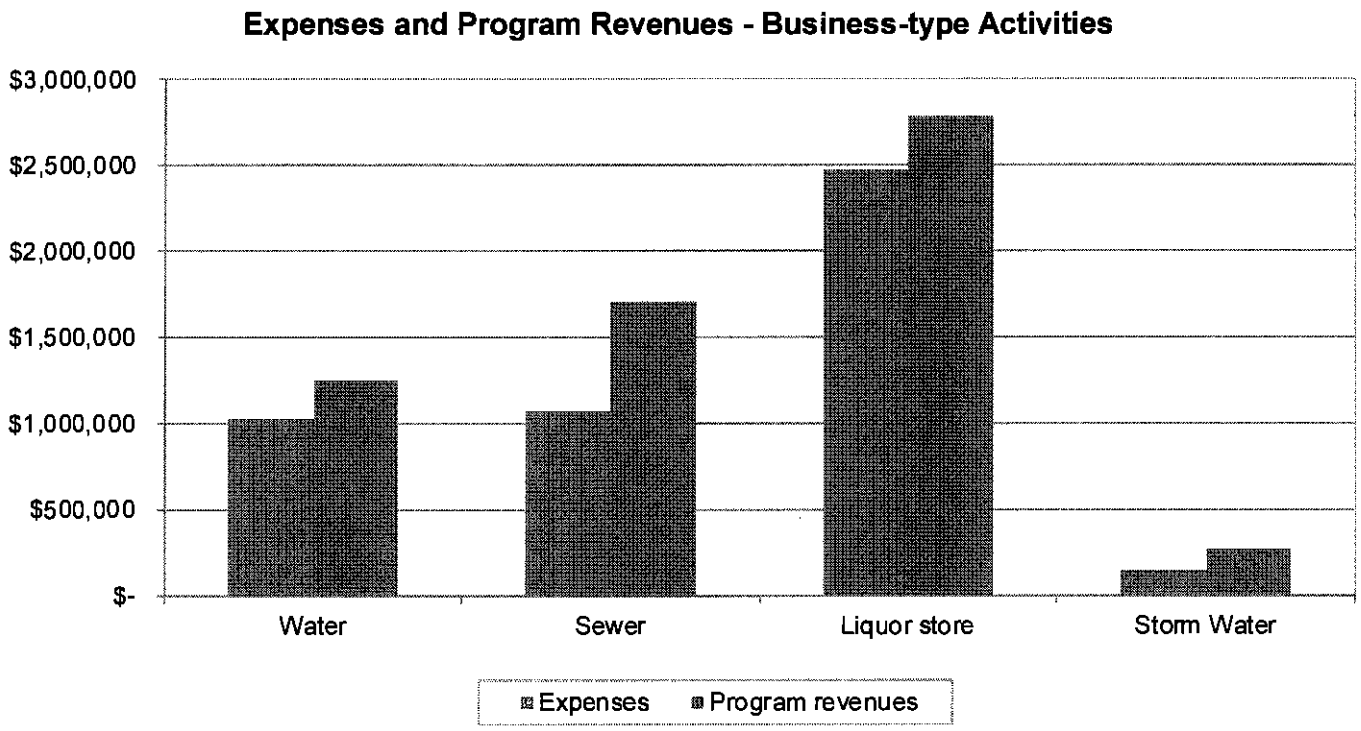
Net Position, January 1	18,040,953	18,295,712	(254,759)	25,217,034	23,910,388	1,306,646
Net Position, December 31	$ 18,187,080	$ 18,040,953	$ 146,127	$ 26,171,163	$ 25,217,034	$ 954,129

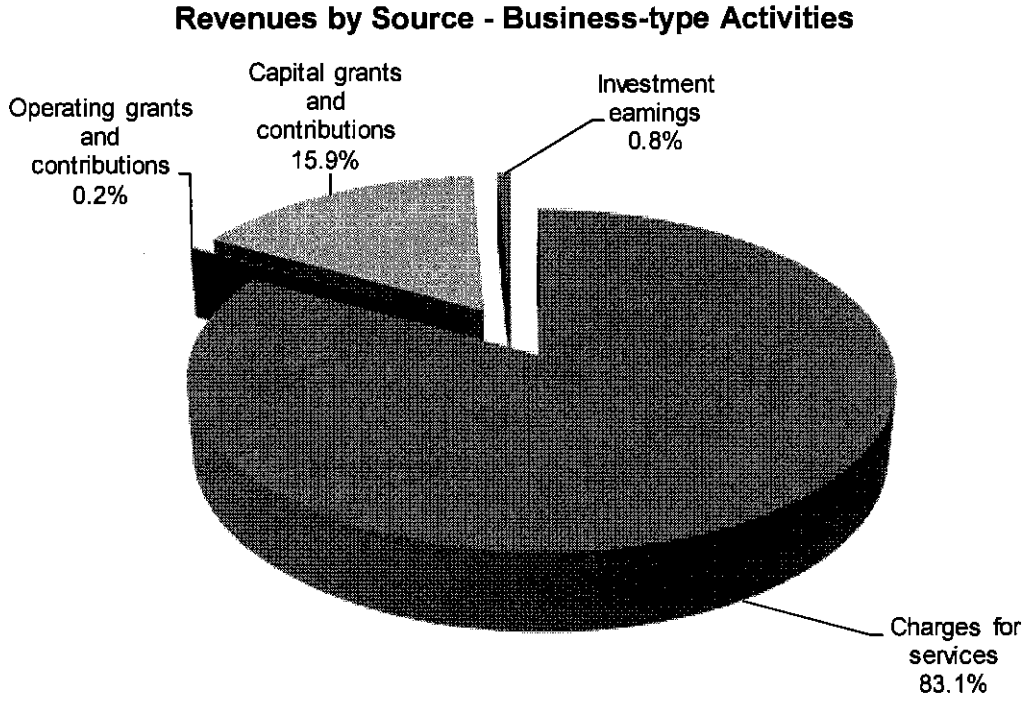
The following graph depicts various governmental activities and shows the revenues and expenses directly related to those activities.





Business-type Activities. Business-type activities increased the City's net position by $954,129. Key elements of this increase are as follows:





Financial Analysis of the City's Funds

As noted earlier, the City uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements.

Governmental Funds. The focus of the City's *governmental funds* is to provide information on near-term inflows, outflows and balances of *spendable* resources. Such information is useful in assessing the City's financing requirements. In particular, *unassigned fund balance* may serve as a useful measure of a government's net resources available for spending at the end of the fiscal year.

As of the end of the current fiscal year, the City's governmental funds reported combined ending fund balances of $4,361,480, a decrease of $23,909 in comparison with the prior year. Of this total amount, 19.5 percent, or $851,213, constitutes unassigned fund balance, which is available for spending at the City's discretion. The remainder of fund balance of $3,510,267 is not available for new spending because it is either 1) nonspendable ($6,201), 2) restricted ($2,067,560), or 3) committed ($1,436,506). For further classification, refer to Note 3F on page 66 of this report.

Major funds	Fund Balance December 31, 2017	Fund Balance December 31, 2016	Increase (Decrease)
General	$ 2,081,587	$ 1,697,940	$ 383,647
The General fund is the chief operating fund of the City. As a measure of the General fund's liquidity, it may be useful to compare fund balance to total fund expenditures and transfers out. Fund balance represents 58 percent of budgeted 2018 expenditures and transfers out. Of the fund balance, $2,076,561 is unassigned and will be used for cash flow for general operations and will be used to support operations until funds are received in June from the first tax settlement.			
Debt Service	$ 1,384,791	$ 1,329,979	$ 54,812
The Debt Service funds had an increase in fund balance due to an increase in property taxes received for 2017.			
2017 Palomino Road Southeast Improvements	$ (687,938)	$ (7,130)	$ (680,808)
The 2017 Palomino Road Southeast Improvements fund balance decreases due to expenditures relating to the ongoing Palomino Road Project.			

Proprietary Funds. The City's proprietary funds provide the same type of information found in the government-wide financial statements, but in more detail. Unrestricted net position of the enterprise funds at the end of the year amounted to $5,345,662. Other factors concerning the finances of this fund have already been addressed in the discussion of the City's business-type activities.

General Fund Budgetary Highlights

The City's original General fund budget was amended during the year, increasing expenditures $11,258 and identifying a decrease in fund balance of $14,253. Revenues were $259,579 over budget. This is primarily due to licenses and permits being more than budgeted by $228,430. Expenditures were under budget by $65,743. The majority of departments were under budget and the largest variance was within the general government department, which was over budget by $52,026.

Capital Assets and Debt Administration

Capital Assets. The City's investment in capital assets for its governmental and business type activities as of December 31, 2017, amounts to $48,418,549 (net of accumulated depreciation). This investment in capital assets includes land, structures, improvements, machinery and equipment, park facilities, roads and highways.

Major capital asset events during the current fiscal year included the following:

- The 2017 Pavement Management Project was completed and capitalized for $158,771.
- During 2017, the City purchased five new vehicles and disposed of four vehicles.
- The City started the 2017 Palomino Project and is expected to be completed during 2018.
- The Wastewater Treatment Improvement Project is expected to be completed during 2018.

City of Isanti's Capital Asset
(Net of Depreciation)

	Governmental Activities			Business-type Activities		
	2017	2016	Increase (Decrease)	2017	2016	Increase (Decrease)
Land	$ 2,424,266	$ 2,424,266	$ -	$ 94,237	$ 94,237	$ -
Construction in Progress	688,270	-	688,270	3,333,909	1,758,147	1,575,762
Land Improvements	6,279	6,279	-	87,660	87,660	-
Buildings	3,794,005	3,937,155	(143,150)	166,537	182,078	(15,541)
Infrastructure	11,488,854	12,387,695	(898,841)	25,169,863	25,997,967	(828,104)
Machinery and Equipment	445,261	513,916	(68,655)	504,028	533,476	(29,448)
Vehicles	152,147	80,359	71,788	63,233	17,900	45,333
Total	$ 18,999,082	$ 19,349,670	$ (350,588)	$ 29,419,467	$ 28,671,465	$ 748,002

Additional information on the City's capital assets can be found in Note 3D starting on page 62 of this report.

Long-term Debt. At the end of the current fiscal year, the City had total bonded debt outstanding of $13,014,945. While all of the City's bonds have revenue streams, they are all backed by the full faith and credit of the City.

City of Isanti's Outstanding Debt

	Governmental Activities			Business-type Activities		
	2017	2016	Increase (Decrease)	2017	2016	Increase (Decrease)
G.O. Bonds	$ 2,585,000	$ 2,780,000	$ (195,000)	$ -	$ -	$ -
G.O. Improvement Bonds	1,735,000	2,110,000	(375,000)	400,000	435,000	(35,000)
G.O. Revenue Bonds	-	-	-	8,294,945	9,260,701	(965,756)
Bond Premium	42,661	46,163	(3,502)	71,545	77,563	(6,018)
Total	$ 4,362,661	$ 4,936,163	$ (573,502)	$ 8,766,490	$ 9,773,264	$ (1,006,774)

Minnesota statutes limit the amount of net general obligation debt a City may issue to three percent of the market value of taxable property within the City. Net debt is payable solely from ad valorem taxes and, therefore, excludes debt financed partially or entirely by special assessments, enterprise fund revenues, or tax increments. As of December 31, 2017, the City is under the legal debt margin.

Additional information on the City's long-term debt can be found in Note 3E starting on page 64 of this report.

Economic Factors and Next Year's Budgets and Rates

- Property tax valuations within the City increased in 2017 and have continued to increase for 2018.
- The 2018 budget includes a property tax levy of $2,759,731 which is 6.65% greater than the 2017 levy.
- The 2018 budget includes an amount for Local Government Aid in the amount of $631,808.
- Franchise fees were implemented in 2016 to offset capital improvements, specifically pavement management costs.
- Isanti County has an average unemployment rate for 2017 of 4.5%. This compares with unemployment rates of 3.7% for the State of Minnesota and 4.4% for the United States.

All of these factors were considered in preparing the City's budget for the 2018 fiscal year.

Requests for Information

This financial report is designed to provide a general overview of the City's finances for all those with an interest in the City's finances. Questions concerning any of the information provided in this report or requests for additional financial information should be addressed to the Finance Director, City of Isanti, 110 1st Avenue Northwest, PO Box 428, Isanti, Minnesota 55040.

City of Isanti, Minnesota
Reconciliation of the Balance Sheet
to the Statement of Net Position
Governmental Funds
December 31, 2017

Amounts reported for the governmental activities in the statement of net position are different because

Total Fund Balances - Governmental Funds	$ 4,361,480
Capital assets used in governmental activities are not financial resources and therefore are not reported as assets in governmental funds.	
Cost of capital assets	33,785,423
Less: accumulated depreciation	(14,786,341)
Noncurrent liabilities, including bonds payable, are not due and payable in the current period and therefore are not reported as liabilities in the funds.	
Noncurrent liabilities at year-end consist of	
Bond principal payable	(4,320,000)
Plus bond premium	(42,661)
Compensated absences payable	(199,789)
Pension liability	(1,799,364)
Some receivables are not available soon enough to pay for the current period's expenditures, and therefore are reported as unavailable revenue in the funds.	
Delinquent taxes receivable	73,540
Special assessments receivable	1,300,453
Governmental funds do not report long-term amounts related to pensions.	
Deferred outflows of pension resources	1,704,525
Deferred inflows of pension resources	(1,882,760)
Governmental funds do not report a liability for accrued interest until due and payable.	(7,426)
Total Net Position - Governmental Activities	$ 18,187,080

The notes to the financial statements are an integral part of this statement.

City of Isanti, Minnesota

Reconciliation of the Statement of Revenues, Expenditures and Changes in Fund Balances to the Statement of Activities
Governmental Funds
For the Year Ended December 31, 2017

Amounts reported for governmental activities in the statement of activities are different because

Total Net Change in Fund Balances - Governmental Funds	$	(23,909)
Capital outlays are reported in governmental funds as expenditures. However, in the statement of activities, the cost of those assets is allocated over the estimated useful lives as depreciation expense.		
Capital outlays		976,649
Depreciation expense		(1,331,237)
Governmental funds report a gain (loss) on sale of capital assets to the extent of cash exchanged, whereas the disposition of the assets book value is included in the total gain (loss) in the statement of activities.		
Gain on trade in		4,000
The issuance of long-term debt provides current financial resources to governmental funds, while the repayment of principal of long-term debt consumes the current financial resources of governmental funds. Neither transaction, however, has any effect on net position.		
Principal repayments		570,000
Amortization of bond premium		3,502
Interest on long-term debt in the statement of activities differs from the amount reported in the governmental funds because interest is recognized as an expenditure in the funds when it is due, and thus requires the use of current financial resources. In the statement of activities, however, interest expense is recognized as the interest accrues, regardless of when it is due.		7,076
Long-term pension activity is not reported in governmental funds.		
Pension expense		(91,551)
Pension revenue from state contributions		6,300
Certain revenues are recognized as soon as they are earned. Under the modified accrual basis of accounting, certain revenues cannot be recognized until they are available to liquidate liabilities of the current period.		
Property taxes		(6,211)
Special assessments		15,510
Some expenses reported in the statement of activities do not require the use of current financial resources and, therefore, are not reported as expenditures in the governmental funds.		
Compensated absences		15,998
Change in Net Position - Governmental Activities	$	146,127

The notes to the financial statements are an integral part of this statement.

Note 1: Summary of Significant Accounting Policies

A. Reporting Entity

The City of Isanti, Minnesota (the City) operates under "Optional Plan A" form of government as defined in the State of Minnesota statutes. The City is governed by an elected Mayor and four-member City Council. The City Council exercises legislative authority and determines all matters of policy. The City Council appoints personnel responsible for the proper administration of all affairs relating to the City.

The City has considered all potential units for which it is financially accountable, and other organizations for which the nature and significance of their relationship with the City are such that exclusion would cause the City's financial statements to be misleading or incomplete. The Governmental Accounting Standards Board (GASB) has set forth criteria to be considered in determining financial accountability. These criteria include appointing a voting majority of an organization's governing body, and (1) the ability of the primary government to impose its will on that organization or (2) the potential for the organization to provide specific benefits to, or impose specific financial burdens on the primary government. The blended component units, although legally separate entities are, in substance, part of the City's operations and so data from these units are combined with data of the City. The City has the following component unit:

Blended Component Unit. The Economic Development Authority (EDA) of the City was created pursuant to Minnesota statutes 469.090 through 469.108 to carry out economic and industrial development and redevelopment consistent with policies established by the City Council. The City has the authority to approve and modify the EDA's budget, and the City Council has the ability to veto, overrule, or modify the decisions of the EDA Board of Commissioners. The EDA is governed by a total of seven commissioners, two of which are residents and five are City Council members. The EDA activities are blended and reported as a special revenue fund due to substantively the same governing board and due to the City having operation responsibility. Separate financial statements are not issued for this component unit.

B. Government-wide and Fund Financial Statements

The government-wide financial statements (i.e., the statement of net position and the statement of activities) report information on all of the nonfiduciary activities of the primary government. *Governmental activities,* which normally are supported by taxes and intergovernmental revenues, are reported separately from *business-type activities,* which rely to a significant extent on fees and charges for support.

The statement of activities demonstrates the degree to which the direct expenses of a given function or segment are offset by program revenues. *Direct expenses* are those that are clearly identifiable with a specific function or segment. Amounts reported as *program revenues* include 1) charges to customers or applicants who purchase, use, or directly benefit from goods, services, or privileges provided by a given function or segment and 2) grants and contributions that are restricted to meeting the operational or capital requirements of a particular function or segment. Taxes and other items not properly included among program revenues are reported instead as *general revenues.*

Separate financial statements are provided for governmental funds, proprietary funds, and the fiduciary fund, even though the latter are excluded from the government-wide financial statements. Major individual governmental funds and major individual enterprise funds are reported as separate columns in the fund financial statements.

C. Measurement Focus, Basis of Accounting, and Financial Statement Presentation

The government-wide financial statements are reported using the *economic resources measurement focus* and the *accrual basis of accounting,* as are the proprietary fund financial statements. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Property taxes are recognized as revenues in the year for which they are levied. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

Note 1: Summary of Significant Accounting Policies (Continued)

Governmental fund financial statements are reported using the *current financial resources measurement focus* and the *modified accrual basis of accounting.* Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be *available* when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the City considers revenues to be available if they are collected within 60 days of the end of the current fiscal period. Expenditures generally are recorded when a liability is incurred, as under accrual accounting. However, debt service expenditures, as well as expenditures related to compensated absences, and claims and judgments, are recorded only when payment is due.

Property taxes, franchise taxes, licenses and interest associated with the current fiscal period are all considered to be susceptible to accrual and so have been recognized as revenues of the current fiscal period. Only the portion of special assessments receivable due within the current fiscal period is considered to be susceptible to accrual as revenue of the current period. All other revenue items are considered to be measurable and available only when cash is received by the City.

Revenue resulting from exchange transactions, in which each party gives and receives essentially equal value, is recorded on the accrual basis when the exchange takes place. On a modified accrual basis, revenue is recorded in the year in which the resources are measurable and become available.

Non-exchange transactions, in which the City receives value without directly giving equal value in return, include property taxes, grants, entitlement and donations. On an accrual basis, revenue from property taxes is recognized in the year for which the tax is levied. Revenue from grants, entitlements and donations is recognized in the year in which all eligibility requirements have been satisfied. Eligibility requirements include timing requirements, which specify the year when the resources are required to be used or the year when use is first permitted, matching requirements, in which the City must provide local resources to be used for a specified purpose, and expenditure requirements, in which the resources are provided to the City on a reimbursement basis. On a modified accrual basis, revenue from non-exchange transactions must also be available before it can be recognized.

Unearned revenue arises when assets are recognized before revenue recognition criteria have been satisfied. Grants and entitlements received before eligibility requirements are met are also recorded as unearned revenue.

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

The City reports the following major governmental funds:

The *General fund* is the City's primary operating fund. It accounts for all financial resources of the general government, except those required to be accounted for in another fund.

The *Debt Service funds* accounts for the accumulation of resources and payment of general obligation bond principal and interest from governmental resources and special assessment bond principal and interest from special assessment levies when the City is obligated in some manner for the payment.

The *2017 Palomino Road Southeast Improvements fund* is a capital project fund that accounts for improvement revenues and expenditures set aside for capital improvements.

The City reports the following major proprietary funds:

The *Water fund* accounts for the costs associated with the City's water system and ensure that user charges are sufficient to pay for those costs.

The *Sewer fund* accounts for the costs associated with the City's sewer system and ensure that user charges are sufficient to pay for those costs.

The *Liquor Store fund* accounts for the costs associated with the City's liquor operations.

Note 1: Summary of Significant Accounting Policies (Continued)

Additionally, the City reports the following fund types:

Fiduciary fund accounts for assets held by the City in a trustee capacity or as an agent on behalf of others.

The *agency fund* is custodial in nature and does not present results of operations or have a measurement focus. Agency funds are accounted for using the modified accrual basis of accounting. This fund is used to account for assets that the City holds for others in an agency capacity.

As a general rule the effect of interfund activity has been eliminated from government-wide financial statements.

Proprietary funds distinguish *operating* revenues and expenses from *nonoperating* items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with a proprietary fund's principal ongoing operations. The principal operating revenues of the City's enterprise funds are charges to customers for sales and services. The City also recognizes as operating revenue the portion of tap fees intended to recover the cost of connecting new customers to the system. Operating expenses for enterprise funds include the cost of sales and services, administrative expenses, and depreciation on capital assets. All revenues and expenses not meeting this definition are reported as nonoperating revenues and expenses.

D. Assets, Deferred Outflows of Resources, Liabilities, Deferred Inflows of Resources, and Net Position/Fund Balance

Deposits and Investments

The City's cash and cash equivalents are considered to be cash on hand, demand deposits and short-term investments with original maturities of three months or less from the date of acquisition. The proprietary funds' portion in the government-wide cash and temporary investments pool is considered to be cash and cash equivalents for purposes of the statement of cash flows.

Cash balances from all funds are pooled and invested, to the extent available, in certificates of deposit and other authorized investments. It is the City's policy to refrain from investing in banks, savings and loan associations or credit unions whose equity to asset ratio is less than 10 percent. Earnings from such investments are allocated on the basis of applicable participation by each of the funds.

The City categorizes its fair value measurements within the fair value hierarchy established by generally accepted accounting principles. The hierarchy is based on the valuation inputs used to measure the fair value of the asset. Level 1 inputs are quoted prices in active markets for identical assets; Level 2 inputs are significant other observable inputs; Level 3 inputs are significant unobservable inputs. The City's recurring fair value measurements are listed in detail on page 59.

The City has the following recurring fair value measurements as of December 31, 2017:

- US Treasury securities of $782,489 are valued using quoted market prices (Level 1 inputs)
- Negotiable certificates of deposit of $4,105,821 are valued using a matrix pricing model (Level 2 inputs)

Note 1: Summary of Significant Accounting Policies (Continued)

The City may invest idle funds as authorized by Minnesota statutes, as follows:

1. Direct obligations or obligations guaranteed by the United States or its agencies.

2. Shares of investment companies registered under the Federal Investment Company Act of 1940 and received the highest credit rating, rated in one of the two highest rating categories by a statistical rating agency, and have a final maturity of thirteen months or less.

3. General obligations of a state or local government with taxing powers rated "A" or better; revenue obligations rated "AA" or better.

4. General obligations of the Minnesota Housing Finance Agency rated "A" or better.

5. Obligation of a school district with an original maturity not exceeding 13 months and (i) rated in the highest category by a national bond rating service or (ii) enrolled in the credit enhancement program pursuant to statute section 126C.55.

6. Bankers' acceptances of United States banks eligible for purchase by the Federal Reserve System.

7. Commercial paper issued by United States banks corporations or their Canadian subsidiaries, of highest quality category by at least two nationally recognized rating agencies, and maturing in 270 days or less.

8. Repurchase or reverse repurchase agreements and securities lending agreements with financial institutions qualified as a "depository" by the government entity, with banks that are members of the Federal Reserve System with capitalization exceeding $10,000,000, a primary reporting dealer in U.S. government securities to the Federal Reserve Bank of New York, or certain Minnesota securities broker-dealers.

9. Guaranteed investment contracts (GIC's) issued or guaranteed by a United States commercial bank, a domestic branch of a foreign bank, a United States insurance company, or its Canadian subsidiary, whose similar debt obligations were rated in one of the top two rating categories by a nationally recognized rating agency.

Property Taxes

The City Council annually adopts a tax levy in December and certifies it to the County for collection in the following year. The County is responsible for collecting all property taxes for the City. These taxes attach an enforceable lien on taxable property within the City on January 1 and are payable by the property owners in two installments. The taxes are collected by the County Auditor and tax settlements are made to the City during January, July and December each year.

Delinquent taxes receivable include the past six years' uncollected taxes. Delinquent taxes have been offset by a deferred inflow of resources for taxes not received within 60 days after year end in the governmental fund financial statements.

Accounts Receivable

Accounts receivable include amounts billed for services provided before year end. Unbilled utility enterprise fund receivables are also included for services provided in 2017. The City annually certifies delinquent water and sewer accounts to the County for collection in the following year. Therefore, there has been no allowance for doubtful accounts established.

Special Assessments

Special assessments represent the financing for public improvements paid for by benefiting property owners. These assessments are recorded as receivables upon certification to the County. Special assessments are recognized as revenue when they are received in cash or within 60 days after year end. All special assessments receivable are offset by a deferred inflow of resources in the governmental fund financial statements.

Note 1: Summary of Significant Accounting Policies (Continued)

Interfund Receivables and Payables

Activity between funds that are representative of lending/borrowing arrangements outstanding at the end of the fiscal year are referred to as either "due to/from other funds" (i.e., the current portion of interfund loans) or "advances to/from other funds" (i.e., the non-current portion of interfund loans). All other outstanding balances between funds are reported as "due to/from other funds." Any residual balances outstanding between the governmental activities and business-type activities are reported in the government-wide financial statements as "internal balances."

Inventories and Prepaid Items

Inventories are valued at lower of cost or market, using the first-in, first-out (FIFO) method. Inventories of governmental funds are recorded as expenditures when consumed rather than when purchased.

Certain payments to vendors reflect costs applicable to future accounting periods and are recorded as prepaid items in both government-wide and fund financial statements.

Land Held for Resale

Land held for resale is valued at the lower of the cost or the market value of the property.

Capital Assets

Capital assets, which include property, plant, equipment and infrastructure assets (e.g., roads, bridges, sidewalks, and similar items) are reported in the applicable governmental or business-type activities columns in the government-wide financial statements. Capital assets are defined by the City as assets with an initial, individual cost of more than $5,000 (amount not rounded) and an estimated useful life in excess of one year.

In the case of initial capitalization of general infrastructure assets (i.e., those reported by governmental activities) the City chose to include items dating back to June 30, 1980. The City was able to estimate the historical cost for the initial reporting of these assets through backtrending (i.e., estimating the current replacement cost of the infrastructure to be capitalized and using an appropriate price-level index to deflate the cost to the acquisition year or estimated acquisition year). As the City constructs or acquires capital assets each period, including infrastructure assets, they are capitalized and reported at historical cost. The reported value excludes normal maintenance and repairs which are essentially amounts spent in relation to capital assets that do not increase the capacity or efficiency of the item or extend its useful life beyond the original estimate. In the case of donations the City values these capital assets at the acquisition value of the item at the date of its donation.

Interest incurred during the construction phase of capital assets of business-type activities is included as part of the capitalized value of the assets constructed.

Property, plant and equipment are depreciated using the straight-line method over the following estimated useful lives:

Assets	Useful Lives in Years
Buildings and Structures	40
Infrastructure	10 to 50
Furniture and Equipment	3 to 20
Improvements other than Buildings	10 to 20

Note 1: Summary of Significant Accounting Policies (Continued)

Deferred Outflows of Resources

In addition to assets, the statement of net position will sometimes report a separate section for deferred outflows of resources. This separate financial statement element, deferred outflows of resources, represents a consumption of net position that applies to a future period(s) and so will not be recognized as an outflow of resources (expense/expenditure) until then. The City has only one item that qualifies for reporting in this category. Accordingly, the item, deferred pension resources, is reported only in the statements of net position. This item results from actuarial calculations and current year pension contributions made subsequent to the measurement date.

Pensions

For purposes of measuring the net pension liability, deferred outflows/inflows of resources, and pension expense, information about the fiduciary net position of the Public Employees Retirement Association (PERA) and additions to/deductions from PERA's fiduciary net position have been determined on the same basis as they are reported by PERA except that PERA's fiscal year end is June 30. For this purpose, plan contributions are recognized as of employer payroll paid dates and benefit payments and refunds are recognized when due and payable in accordance with the benefit terms. Investments are reported at fair value. The General fund is typically used to liquidate the governmental net pension liability.

Compensated Absences

It is the City's policy to permit employees to accumulate a limited amount of earned but unused vacation, which is paid to the employee upon separation. A portion of unused sick leave may also be paid upon separation from City service. In governmental fund types the cost of these benefits is recognized when payments are made to the employees. The General fund is typically used to liquidate governmental compensated absences payable.

Long-term Obligations

In the government-wide financial statements, and proprietary fund types in the fund financial statements, long-term debt and other long-term obligations are reported as liabilities in the applicable governmental activities, business-type activities, or proprietary fund type statement of net position. The recognition of bond premiums and discounts are amortized over the life of the bonds using the straight-line method. Bonds payable are reported net of the applicable bond premium or discount. Bond issuance costs are reported as an expense in the period incurred.

In the fund financial statements, governmental fund types recognized bond premiums and discounts, as well as bond issuance costs, during the current period. The face amount of debt issued is reported as other financing sources. Premiums received on debt issuances are reported as other financing sources while discounts on debt issuances are reported as other financing uses. Issuance costs, whether or not withheld from the actual debt proceeds received, are reported as debt service expenditures.

Note 1: Summary of Significant Accounting Policies (Continued)

Deferred Inflows of Resources

In addition to liabilities, the statement of net position and fund financial statements will sometimes report a separate section for deferred inflows of resources. This separate financial statement element, *deferred inflows of resources,* represents an acquisition of net position that applies to a future period(s) and so will not be recognized as an inflow of resources (revenue) until that time. The City has three types of items, *unavailable revenue* and *resources received in advance,* and *deferred pension resources.*

- *Unavailable revenue* arises only under a modified accrual basis of accounting that qualifies as needing to be reported in this category. Accordingly, the item, *unavailable revenue,* is reported only in the governmental funds balance sheet. The governmental funds report unavailable revenues from two sources: property taxes and special assessments. These amounts are deferred and recognized as an inflow of resources in the period that the amounts become available.

- *Resources received in advance* is reported in both the governmental fund financial statements and within the government-wide financial statements. This item is reported for amounts that have been received before time requirements are met, but after all other eligibility requirements have been met.

- *Deferred pension resources* is reported only in the statements of net position and results from actuarial calculations.

Fund Balance

In the fund financial statements, fund balance is divided into five classifications based primarily on the extent to which the City is bound to observe constraints imposed upon the use of resources reported in the governmental funds. These classifications are defined as follows:

Nonspendable - Amounts that cannot be spent because they are not in spendable form, such as prepaid items.

Restricted - Amounts related to externally imposed constraints established by creditors, grantors or contributors; or constraints imposed by state statutory provisions.

Committed - Amounts constrained for specific purposes that are internally imposed by formal action (resolution) of the City Council, which is the City's highest level of decision-making authority. Committed amounts cannot be used for any other purpose unless the City Council modifies or rescinds the commitment by resolution.

Assigned - Amounts constrained for specific purposes that are internally imposed. In governmental funds other than the General fund, assigned fund balance represents all remaining amounts that are not classified as nonspendable and are neither restricted nor committed. In the General fund, assigned amounts represent intended uses established by the City Council itself or by an official to which the governing body delegates the authority. The City Council has adopted a fund balance policy which delegates the authority to assign amounts for specific purposes to the Finance Committee.

Unassigned - The residual classification for the General fund and also negative residual amounts in other funds.

The City considers restricted amounts to be spent first when both restricted and unrestricted fund balance is available. Additionally, the City would first use committed, then assigned, and lastly unassigned amounts of unrestricted fund balance when expenditures are made. The City has formally adopted a fund balance policy for the General fund. The City's policy is to maintain a minimum unassigned fund balance of 50 percent of the following year's budgeted expenditures and transfers out.

Note 1: Summary of Significant Accounting Policies (Continued)

Net Position

Net position represents the difference between assets and deferred outflows of resources and liabilities and deferred inflows of resources. Net position is displayed in three components:

a. Net investment in capital assets - Consists of capital assets, net of accumulated depreciation reduced by any outstanding debt attributable to acquire capital assets.

b. Restricted net position - Consists of net position balances restricted when there are limitations imposed on their use through external restrictions imposed by creditors, grantors, laws or regulations of other governments.

c. Unrestricted net position - All other net position balances that do not meet the definition of "restricted" or "net investment in capital assets".

When both restricted and unrestricted resources are available for use, it is the City's policy to use restricted resources first, then unrestricted resources as they are needed.

Note 2: Stewardship, Compliance and Accountability

A. Budgetary Information

Annual budgets are adopted on a basis consistent with accounting principles generally accepted in the United States of America for the following funds:

- General
- Economic Development Authority
- Water
- Sewer
- Storm Water
- Liquor

All annual appropriations lapse at year end. The City does not use encumbrance accounting.

In May of each year, all departments of the City submit requests for appropriations to the City Administrator so that a budget may be prepared. Before September 30th, the proposed budget is presented to the City Council for review. The City Council holds public hearings and a final budget is prepared and adopted in early December.

The appropriated budget is prepared by fund, function and department. The City's department heads may make transfers of appropriations within a department. Transfers of appropriations between departments require the approval of the City Council. The legal level of budgetary control is the department level. The original budget was amended in 2017 to increase expenditures $11,258 for a total budgeted decrease in fund balance of $14,253.

Note 2: Stewardship, Compliance and Accountability (Continued)

B. Deficit Fund Equity

The following funds had deficit fund equity at December 31, 2017.

Fund	Amount
Major	
2017 Palomino Road Street Southeast Improvements	$ 687,938
Nonmajor	
Economic Development Authority	8,914
Park	67,262
2013 Railroad Avenue & Walk Improvements	202,959
BMX & Bluebird Improvements	-
Public Works 2014 Site Improvements	5,819
City Parking Improvements	74,554

These deficits will be eliminated with future state aid, franchise taxes, and transfers from other funds.

Note 3: Detailed Notes on All Funds

A. Deposits and Investments

Deposits

Custodial credit risk for deposits and investments is the risk that in the event of a bank failure, the City's deposits and investments may not be returned or the City will not be able to recover collateral securities in the possession of an outside party. In accordance with Minnesota statutes and as authorized by the City Council, the City maintains deposits at those depository banks, all of which are members of the Federal Reserve System.

Minnesota statutes require that all City deposits be protected by insurance, surety bond or collateral. The market value of collateral pledged must equal 110 percent of the deposits not covered by insurance, bonds, or irrevocable standby letters of credit from Federal Home Loan Banks. Authorized collateral in lieu of a corporate surety bond includes:

- United States government Treasury bills, Treasury notes, Treasury bonds;
- Issues of United States government agencies and instrumentalities as quoted by a recognized industry quotation service available to the government entity;
- General obligation securities of any state or local government with taxing powers which is rated "A" or better by a national bond rating service, or revenue obligation securities of any state or local government with taxing powers which is rated "AA" or better by a national bond rating service;
- General obligation securities of a local government with taxing powers may be pledged as collateral against funds deposited by that same local government entity;
- Irrevocable standby letters of credit issued by Federal Home Loan Banks to a municipality accompanied by written evidence that the bank's public debt is rated "AA" or better by Moody's Investors Service, Inc., or Standard & Poor's Corporation; and
- Time deposits that are fully insured by any federal agency.

Minnesota statutes require that all collateral shall be placed in safekeeping in a restricted account at a Federal Reserve Bank, or in an account at a trust department of a commercial bank or other financial institution that is not owned or controlled by the financial institution furnishing the collateral. The selection should be approved by the City.

At year end, the City's carrying amount of deposits was $4,011,057 and the bank balance was $4,458,891. Of the bank balance, $360,918 was covered by federal depository insurance and $2,034 was covered by the national credit union share insurance fund. The remaining balance was covered by collateral held by the City's agent in the City's name.

Note 3: Detailed Notes on All Funds (Continued)

Investments

The investments of the City are subject to the following risks:

- *Credit Risk* is the risk that an issuer or other counterparty to an investment will not fulfill its obligations. Ratings provided by various credit rating agencies where applicable indicate associated credit risk. The City's investments in Government Agencies are fully backed by the U.S. Government and are rated AAA.

- *Custodial Credit Risk* for investments is the risk that, in the event of the failure of the counterparty to a transaction, a government will not be able to recover the value of investment or collateral securities that are in the possession of an outside party. The City limits its exposure to custodial credit risk by purchasing insured or registered investments.

- *Interest Rate Risk* is the risk that changes in interest rates will adversely affect the fair value of an investment. Using the segmented time distribution method, the interest rate risk of these investments ranges from less than 6 months to more than 3 years.

- *Concentration of Credit Risk* is the risk of loss attributed to the magnitude of a government's investment in a single issuer. The City places no limit on the amount that may be invested in any one issuer. The City has invested more than 5 percent of investments in the following issuer: Federal Home Loan Bank System - 14.1 percent.

At year end, the City's investment balances were as follows:

Types of Investments	Credit Quality/ Ratings (1)	Segmented Time Distribution (2)	Amount	Fair Value Measurement Using Level 1	Level 2	Level 3
Pooled Investments at Amortized Cost						
Broker Money Markets	N/A	less than 6 months	$ 686,637			
Non-pooled Investments at Fair Value						
Negotiable CDs		less than 6 months	491,883	$ -	$ 491,883	$ -
Negotiable CDs	N/A	6 months to 1 year	490,478	-	490,478	-
Negotiable CDs	N/A	1 to 3 years	1,370,352	-	1,370,352	-
Negotiable CDs	N/A	more than 3 years	1,753,108	-	1,753,108	-
U.S. Government Agency Securitie	Aaa	more than 3 years	782,489	782,489	-	-
Total Investments			$ 5,574,947	$ 782,489	$ 4,105,821	$ -

(1) Ratings are provided by various credit rating agencies where applicable to indicate associated credit risk.
(2) Interest rate risk is disclosed using the segmented time distribution method.
N/A Indicates not applicable or available.

Note 3: Detailed Notes on All Funds (Continued)

A reconciliation of cash and investments as shown on the statement of net position for the City follows:

	Primary Government	Agency Fund	Totals
Carrying Amount of Deposits	$ 3,948,205	$ 62,852	$ 4,011,057
Investments	5,574,947	-	5,574,947
Cash on Hand	2,950	-	2,950
Total	$ 9,526,102	$ 62,852	$ 9,588,954
Cash and Temporary Investments Unrestricted	$ 9,526,102	$ 62,852	$ 9,588,954

B. Loans Receivables

In 2008, the City's Revolving Loan fund loaned $194,000 to EverCat Fuels for 10 years at 3 percent interest. The monthly payment is $1,873 with the final payment being due in 2018. The loan was originated through the Minnesota Investment Fund and the City has agreed to remit 80 percent of the loan received back to the state. As of December 31, 2017, the loan receivable was $16,650.

In 2011, the City's Revolving Loan fund loaned $50,000 to H.M. Chris, LLC for 10 years at 3 percent interest. The monthly payment is $529. As of December 31, 2017, the loan receivable was $20,584.

In 2012, the City's Revolving Loan fund loaned $22,500 to K & D Investments for 10 years at 3 percent interest. The monthly payment is $298. As of December 31, 2017, the loan receivable was $5,480.

In 2013, the City's Revolving Loan fund loaned $25,000 to JAC Properties for 7 years at 3 percent interest. The monthly payment is $331. The loan was paid off in 2017.

In 2013, the City's Revolving Loan fund loaned $25,000 to the Isanti Parkway Center for 7 years at 3 percent interest. The monthly payment is $331. As of December 31, 2017, the loan receivable was $9,840.

In 2015, the City's Revolving Loan fund loaned $17,500 to Mom's Food Co-op Inc. for 5 years at 3 percent interest. The monthly payment is $315. As of December 31, 2017, the loan receivable was $7,612.

In 2015, the City's Revolving Loan fund loaned $427,000 to Mom's Food Co-op Inc. for 7 years at zero percent interest. The monthly payment is $321. As of December 31, 2017, the loan receivable was $389,167.

In 2016, the City's Revolving Loan fund loaned $15,000 to RPF, LLC for 7 years at 3 percent interest. The monthly payment is $199. As of December 31, 2017, the loan receivable was $12,062.

Note 3: Detailed Notes on All Funds (Continued)

C. Interfund Receivables, Payables and Transfers

In 2009, the Sewer enterprise fund advanced funds to the General fund to cover the City portion of the 2009 Street Improvements. Future General fund property tax levies will be utilized to repay the advance. Repayments will include interest of 3.25 percent. An additional $23,274 was borrowed between the funds in 2010. The outstanding balance at December 31, 2017 is $20,012.

In 2011, the Water and Sewer enterprise funds each loaned $15,897 to the General fund to cover the City portion of the Deer Haven Improvements. General fund property tax levies will be utilized to repay these advances. Repayments are interest free. The outstanding balance at December 31, 2017 is $12,717.

In 2016, the General fund loaned $25,060 to the TIF 9 nonmajor governmental fund to cover demolition costs. Future tax increment or land sale proceeds will be utilized to repay these advances. Repayments are interest free. The outstanding balance at December 31, 2017 is $25,060.

In 2017, the Liquor fund loaned $107,237 to the General fund to cover land purchase costs. Future land sale proceeds will be utilized to repay these advances. Repayments are interest free. The outstanding balance at December 31, 2017 is $107,237.

Interfund Transfers

The following interfund transfers were made during 2017:

	Transfer in			
Fund	General	Debt Service	Nonmajor Governmental	Total
Transfer Out				
General	$ -	$ -	$ 147,400	$ 147,400
Nonmajor Governmental	46,183	-	386,527	432,710
Water	-	4,333	-	4,333
Sewer	-	34,668	-	34,668
Liquor Store	350,000	-	-	350,000
Total Transfers In	$ 396,183	$ 39,001	$ 533,927	$ 969,111

During the year, transfers are used to 1) move General fund resources to other funds to cover interfund loan payments, 2) move General fund resources to provide an annual contribution for economic development, 3) transfer water and sewer resources to cover a portion of debt payments and 4) move liquor store resources to the General fund for operations. Further, during the year ended December 31, 2017, the City made the following one-time transfer:

1) Transfers of $238,192 from nonmajor governmental funds to nonmajor governmental funds to provide funding for the 2017 pavement management project to come from utility franchise fees.

2) Transfers of $148,335 from nonmajor governmental funds to nonmajor governmental funds to fund costs associated with the maintenance of the indoor arena.

3) Transfers of $27,032 from nonmajor governmental funds to the General fund to fund costs associated with the maintenance of the indoor arena.

Note 3: Detailed Notes on All Funds (Continued)

D. Capital Assets

Capital asset activity for the year ended December 31, 2017 was as follows:

	Beginning Balance	Increases	Decreases	Ending Balance
Governmental Activities				
Capital Assets not being Depreciated				
Land	$ 2,424,266	$ -	$ -	$ 2,424,266
Construction in progress	-	688,270	-	688,270
Total Capital Assets not being Depreciated	2,424,266	688,270	-	3,112,536
Capital Assets, being Depreciated

Business-type Activities Capital Assets, Net	$ 28,671,465	$ 748,002	$ -	$ 29,419,467

Depreciation expense was charged to programs of the business-type activities as follows:

Water	$ 379,418
Sewer	477,075
Storm Water	40,416
Liquor Store	20,662
Total Depreciation Expense - Business-type Activities	$ 917,571

Note 3: Detailed Notes on All Funds (Continued)

Construction Commitments

As of December 31, 2017, the City has a signed contract in place for the following construction projects. The following summarizes those commitments:

Project	Spent-to-Date	Remaining Commitment
Waste Water Treatment Plant Improvement	$ 2,917,752	$ 24,648
2017 Palomino	516,880	74,433
	$ 3,434,632	$ 99,081

E. Long-term Debt

General Obligation (G.O.) Bonds

The City issues G.O. bonds to provide funds for the acquisition and construction of major capital facilities. G.O. bonds have been issued for both general government and business-type activities. These bonds are reported in the proprietary funds if they are expected to be repaid from proprietary fund revenues. In addition, bonds have been issued to refund G.O. bonds.

G.O. bonds are direct obligations and pledge the full faith and credit of the government. G.O. bonds currently outstanding are as follows:

Description	Authorized and Issued	Interest Rate	Issue Date	Maturity Date	Balance at Year End
G.O. Tax Abatement Bonds, Series 2014A	$ 2,560,000	0.50-2.50 %	10/01/14	02/01/30	$ 2,275,000
G.O. Bonds, Series 2014B	1,420,000	0.50-2.50	10/01/14	02/01/24	310,000
Total G.O. Bonds					$ 2,585,000

Annual debt service requirements to maturity for the G.O. bonds are as follows:

Year Ending December 31,	Governmental Activities		
	Principal	Interest	Total
2018	$ 195,000	$ 30,416	$ 225,416
2019	200,000	59,013	259,013
2020	205,000	55,266	260,266
2021	210,000	51,319	261,319
2022	210,000	47,220	257,220
2023-2027	965,000	161,719	1,126,719
2028-2030	600,000	30,250	630,250
Total	$ 2,585,000	$ 435,203	$ 3,020,203

Note 3: Detailed Notes on All Funds (Continued)

G.O. Revenue Bonds

The following bonds were issued to finance capital improvements in the enterprise funds. They will be repaid from future net revenues pledged from the Water and Sewer funds and are backed by the taxing power of the City. Annual principal and interest payments on the bonds and enterprise G.O. improvement bonds are expected to require over 87 and 51 percent of net revenues from the Water and Sewer funds, respectively. Principal and interest paid for 2017 and total customer net revenues for the Water fund were $522,673 and $885,533, respectively. Principal and interest paid for 2017 and total customer net revenues for the Sewer fund were $533,957 and $1,100,652 respectively.

Description	Authorized and Issued	Interest Rate	Issue Date	Maturity Date	Balance at Year End
MPFA - Sewer Revenue Bonds, Series 1996A	$ 3,477,855	- %	10/17/96	08/20/18	$ 173,889
MPFA - Water Revenue Bonds, Series 2007A	965,000	2.63	07/10/08	08/20/26	520,000
MPFA - Water Revenue Bonds, Series 2008	4,975,427	3.04	10/07/08	08/20/28	3,199,056
G.O. Crossover Refunding Bonds, Series 2009A	510,000	1.75-3.50	02/26/09	12/01/19	110,000
G.O. Utility Revenue Bonds, Series 2010A	835,000	2.00-3.70	07/01/10	12/01/24	420,000
MPFA - Water Revenue Bonds, Series 2011	479,047	1.533	11/23/11	08/20/31	502,000
G.O. Utility Revenue Bonds, Series 2014B	1,030,000	0.50-2.50	10/01/14	02/01/25	845,000
MPFA-Sewer Revenue Bonds, Series 2016A	2,525,000	2.00	07/15/16	12/01/29	2,525,000
Total G.O. Revenue Bonds					$ 8,294,945

- The 1996A Bonds are forgivable due to provisions of an agreement with the State of Minnesota. The forgiveness is recognized annually as each installment is due. The total forgiven in 2017 was $173,893.

Annual debt service requirements to maturity for the G.O. revenue bonds are as follows:

Year Ending December 31,	Business-type Activities		
	Principal	Interest	Total
2018	$ 781,889	$ 194,548	$ 976,437
2019	623,000	186,687	809,687
2020	728,000	170,504	898,504
2021	753,000	152,684	905,684
2022	774,000	133,922	907,922
2023-2027	3,630,000	374,683	4,004,683
2028-2031	1,005,056	31,655	1,036,711
Total	$ 8,294,945	$ 1,244,683	$ 9,539,628

Note 3: Detailed Notes on All Funds (Continued)

G.O. Improvement (Special Assessment) Bonds

The following bonds were issued to finance various improvements and will be repaid from special assessments levied on the properties benefiting from the improvements and/or ad valorem tax levies. All special assessment debt is backed by the full faith and credit of the City. Each year the combined assessment and tax levy equals 105 percent of the amount required for debt service. The excess of 5 percent is to cover any delinquencies in tax or assessment payments. The business-type bonds will be repaid from special assessments and future net revenues pledged from the Water and Sewer funds and are backed by the taxing power of the City.

Description	Authorized and Issued	Interest Rate	Issue Date	Maturity Date	Balance at Year End
G.O. Improvement Bonds, Series 2008A	$ 1,275,000	2.50-4.25 %	12/23/08	12/01/18	$ 90,000
G.O. Improvement Refunding Bonds, Series 2010B	1,825,000	2.00-3.20	12/01/10	12/01/21	1,225,000
G.O. Improvement Bonds, Series 2011A	790,000	0.60-2.70	09/29/11	02/01/22	420,000
G.O. Refunding Bonds, Series 2013A	2,160,000	0.35-2.50	02/01/13	12/01/28	400,000
Total G.O. Improvement Bonds					$ 2,135,000

Annual debt service requirements to maturity for the G.O. improvement bonds are as follows:

Year Ending December 31,	Governmental Activities			Business-type Activities		
	Principal	Interest	Total	Principal	Interest	Total
2018	$ 365,000	$ 49,053	$ 414,053	$ 30,000	$ 7,640	$ 37,640

F. Components of Fund Balance

At December 31, 2017, portions of the City's fund balance are not available for appropriation due to not being in spendable form (Nonspendable), legal restrictions (Restricted), City Council action (Committed), policy and/or intent (Assigned). The following is a summary of the components of fund balance:

	General	Debt Service	Other Governmental Funds	Total Governmental Funds
Nonspendable				
Prepaid items	$ 5,056	$ -	$ 1,145	$ 6,201
Restricted for				
Debt service	$ -	$ 1,384,791	$ -	$ 1,384,791
Public safety	-	-	3,171	3,171
Community center improvements	-	-	10,000	10,000
Economic development	-	-	669,598	669,598
Total Restricted	$ -	$ 1,384,791	$ 682,769	$ 2,067,560
Committed to				
Capital projects	$ -	$ -	$ 1,049,831	$ 1,049,831
Street maintenance	-	-	313,460	313,460
Culture and recreation	-	-	12,277	12,277
Economic development	-	-	55,736	55,736
City technology improvements	-	-	5,202	5,202
Total Committed	$ -	$ -	$ 1,436,506	$ 1,436,506

Note 4: Defined Benefit Pension Plans - Statewide

A. Plan Description

The City participates in the following cost-sharing multiple-employer defined benefit pension plans administered by the Public Employees Retirement Association of Minnesota (PERA). PERA's defined benefit pension plans are established and administered in accordance with Minnesota statutes, chapters 353 and 356. PERA's defined benefit pension plans are tax qualified plans under Section 401(a) of the Internal Revenue Code.

General Employees Retirement Fund (GERF)

All full-time and certain part-time employees of the City, are covered by the General Employees Retirement Fund (GERF). GERF members belong to either the Coordinated Plan or the Basic Plan. Coordinated Plan members are covered by Social Security and Basic Plan members are not. The Basic Plan was closed to new members in 1967. All new members must participate in the Coordinated Plan.

Public Employees Police and Fire Fund (PEPFF)

The PEPFF, originally established for police officers and firefighters not covered by a local relief association, now covers all police officers and firefighters hired since 1980. Effective July 1, 1999, the PEPFF also covers police officers and firefighters belonging to a local relief association that elected to merge with and transfer assets and administration to PERA.

Note 4: Defined Benefit Pension Plans - Statewide (Continued)

B. Benefits Provided

PERA provides retirement, disability and death benefits. Benefit provisions are established by Minnesota statute and can only be modified by the state legislature.

Benefit increases are provided to benefit recipients each January. Increases are related to the funding ratio of the plan. Members in plans that are at least 90 percent funded for two consecutive years are given 2.5 percent increases. Members in plans that have not exceeded 90 percent funded, or have fallen below 80 percent, are given 1 percent increases.

The benefit provisions stated in the following paragraphs of this section are current provisions and apply to active plan participants. Vested, terminated employees who are entitled to benefits but are not receiving them yet are bound by the provisions in effect at the time they last terminated their public service.

GERF Benefits

Benefits are based on a member's highest average salary for any five successive years of allowable service, age, and years of credit at termination of service. Two methods are used to compute benefits for PERA's Coordinated and Basic Plan members. The retiring member receives the higher of a step-rate benefit accrual formula (Method 1) or a level accrual formula (Method 2). Under Method 1, the annuity accrual rate for a Basic Plan member is 2.2 percent of average salary for each of the first ten years of service and 2.7 percent for each remaining year. The annuity accrual rate for a Coordinated Plan member is 1.2 percent of average salary for each of the first ten years and 1.7 percent for each remaining year. Under Method 2, the annuity accrual rate is 2.7 percent of average salary for Basic Plan members and 1.7 percent for Coordinated Plan members for each year of service. For members hired prior to July 1, 1989, a full annuity is available when age plus years of service equal 90 and normal retirement age is 65. For members hired on or after July 1, 1989, normal retirement age is the age for unreduced Social Security benefits capped at 66.

PEPFF Benefits

Benefits for the PEPFF members first hired after June 30, 2010, but before July 1, 2014, vest on a prorated basis from 50 percent after five years up to 100 percent after ten years of credited service. Benefits for PEPFF members first hired after June 30, 2014, vest on a prorated basis from 50 percent after ten years up to 100 percent after twenty years of credited service. The annuity accrual rate is 3 percent of average salary for each year of service.

For PEPFF members who were first hired prior to July 1, 1989, a full annuity is available when age plus years of service equal at least 90.

C. Contributions

Minnesota statutes chapter 353 sets the rates for employer and employee contributions. Contribution rates can only be modified by the state legislature.

GERF Contributions

Basic Plan members and Coordinated Plan members were required to contribute 9.10 percent and 6.50 percent, respectively, of their annual covered salary in calendar year 2017. The City was required to contribute 11.78 percent of pay for Basic Plan members and 7.50 percent for Coordinated Plan members in calendar year 2017. The City's contributions to the GERF for the years ending December 31, 2017, 2016 and 2015 were $104,864, $105,054 and $97,034, respectively. The City's contributions were equal to the contractually required contributions for each year as set by Minnesota statute.

Note 4: Defined Benefit Pension Plans - Statewide (Continued)

PEPFF Contributions

Plan members were required to contribute 10.8 percent of their annual covered salary in calendar year 2017. The City was required to contribute 16.20 percent of pay for PEPFF members in calendar year 2017. The City's contributions to the PEPFF for the years ending December 31, 2017, 2016 and 2015 were $113,975, $110,692 and $98,214, respectively. The City's contributions were equal to the contractually required contributions for each year as set by Minnesota statute.

D. Pension Costs

GERF Pension Costs

At December 31, 2017, the City reported a liability of $1,378,930 for its proportionate share of the GERF's net pension liability. The City's net pension liability reflected a reduction due to the State of Minnesota's contribution of $6 million to the fund in 2016. The State of Minnesota is considered a non-employer contributing entity and the State's contribution meets the definition of a special funding situation. The State of Minnesota's proportionate share of the net pension liability associated with the City totaled $17,319. The net pension liability was measured as of June 30, 2017, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of that date. The City's proportion of the net pension liability was based on the City's contributions received by PERA during the measurement period for employer payroll paid dates from July 1, 2016 through June 30, 2017 relative to the total employer contributions received from all of PERA's participating employers. At June 30, 2017, the City's proportionate share was 0.0216 percent which was an increase of 0.0005 percent from its proportion measured as of June 30, 2016.

For the year ended December 31, 2017, the City recognized pension expense of $290,311 for its proportionate share of GERF's pension expense. In addition, the City recognized an additional $500 as pension expense (and grant revenue) for its proportionate share of the State of Minnesota's contribution of $6 million to the GERF.

At December 31, 2017, the City reported its proportionate share of GERF's deferred outflows of resources and deferred inflows of resources, and its contributions subsequent to the measurement date, from the following sources:

	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences between Expected and Actual Experience	$ 45,397	$ 86,930
Changes in Actuarial Assumptions	228,610	138,238
Net Difference between Projected and Actual Earnings on Plan Investments	-	61,864
Changes in Proportion	22,865	28,900
Contributions to GERF Subsequent to the Measurement Date	55,188	-
Total	$ 352,060	$ 315,932

Note 4: Defined Benefit Pension Plans - Statewide (Continued)

Deferred outflows of resources totaling $55,188 related to pensions resulting from the City's contributions to GERF subsequent to the measurement date will be recognized as a reduction of the net pension liability in the year ended December 31, 2018. Other amounts reported as deferred outflows and inflows of resources related to GERF pensions will be recognized in pension expense as follows:

2018	$ (17,724)
2019	76,055
2020	(18,856)
2021	(58,535)

PEPFF Pension Costs

At December 31, 2017, the City reported a liability of $945,083 for its proportionate share of the PEPFF's net pension liability. The net pension liability was measured as of June 30, 2017, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of that date. The City's proportion of the net pension liability was based on the City's contributions received by PERA during the measurement period for employer payroll paid dates from July 1, 2016 through June 30, 2017 relative to the total employer contributions received from all of PERA's participating employers. At June 30, 2017, the City's proportionate share was 0.0700 percent which was an increase of 0.004 percent from its proportion measured as of June 30, 2016.

For the year ended December 31, 2017, the City recognized pension expense of $200,202 for its proportionate share of PEPFF's pension expense. The City also recognized $6,300 for the year ended December 31, 2017, as pension revenue for its proportionate share of the State of Minnesota's on-behalf contributions to the PEPFF. Legislation passed in 2013 required the State of Minnesota to begin contributing $9 million to the PEPFF each year, starting in fiscal year 2014.

At December 31, 2017, the City reported its proportionate share of PEPFF's deferred outflows of resources and deferred inflows of resources, and its contributions subsequent to the measurement date, from the following sources:

	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences between Expected and Actual Experience	$ 22,193	$ 251,917
Changes in Actuarial Assumptions	1,314,139	1,341,784
Net Difference between Projected and Actual Earnings on Plan Investments	-	86,625
Changes in Proportion	93,337	6,706
Contributions to PEPFF Subsequent to the Measurement Date	56,745	-
Total	$ 1,486,414	$ 1,687,032

Note 4: Defined Benefit Pension Plans - Statewide (Continued)

Deferred outflows of resources totaling $56,745 related to pensions resulting from the City's contributions to PEPFF subsequent to the measurement date will be recognized as a reduction of the net pension liability in the year ended December 31, 2018. Other amounts reported as deferred outflows and inflows of resources related to GERF pensions will be recognized in pension expense as follows:

2018	$ (18,095)
2019	64,509
2020	26
2021	(51,505)
2022	(252,298)

E. Actuarial Assumptions

The total pension liability in the June 30, 2017 actuarial valuation was determined using the following actuarial assumptions:

Inflation	2.50% per year
Active Member Payroll Growth	3.25% per year
Investment Rate of Return	7.50%

Salary increases were based on a service-related table. Mortality rates for active members, retirees, survivors and disabilitants were based on RP-2014 tables for all plans for males or females, as appropriate, with slight adjustments to fit PERA's experience. Cost of living benefit increases for retirees are assumed to be: 1 percent per year for the GERF through 2044 and PEPFF though 2064 and then 2.5 percent thereafter for both plans.

Actuarial assumptions used in the June 30, 2017 valuation were based on the results of actuarial experience studies. The most recent four-year experience study in the GERF was completed in 2015. The most recent five-year experience study for PEPFF was completed in 2016.

The following changes in actuarial assumptions occurred in 2017:

GERF

- The Combined Service Annuity (CSA) loads were changed from 0.8 percent for active members and 60 percent for vested and non-vested deferred members. The revised CSA loads are now 0.0 percent for active member liability, 15.0 percent for vested deferred member liability and 3.0 percent for non-vested deferred member liability.

- The assumed post-retirement benefit increase rate was changed from 1.0 percent per year for all years to 1.0 percent per year through 2044 and 2.5 percent per year thereafter.

Note 4: Defined Benefit Pension Plans - Statewide (Continued)

PEPFF

- Assumed salary increases were changed as recommended in the June 30, 2016 experience study. The net effect is proposed rates that average 0.34 percent lower than the previous rates.
- Assumed rates of retirement were changed, resulting in fewer retirements.
- The Combined Service Annuity (CSA) load was 30 percent for vested and non-vested deferred members. The CSA has been changed to 33 percent for vested members and 2 percent for non-vested members.
- The base mortality table for healthy annuitants was changed from the RP-2000 fully generational table to the RP-2014 fully generational table (with a base year of 2006), with male rates adjusted by a factor of 0.96. The mortality improvement scale was changed from Scale AA to Scale MP-2016. The base mortality table for disabled annuitants was changed from the RP-2000 disabled mortality table to the mortality tables assumed for healthy retirees.
- Assumed termination rates were decreased to 3.0 percent for the first three years of service. Rates beyond the select period of three years were adjusted, resulting in more expected terminations overall.
- Assumed percentage of married female members was decreased from 65 percent to 60 percent.
- Assumed age difference was changed from separate assumptions for male members (wives assumed to be three years younger) and female members (husbands assumed to be four years older) to the assumption that males are two years older than females.
- The assumed percentage of female members electing joint and survivor annuities was increased.
- The assumed post-retirement benefit increase rate was changed from 1.00 percent for all years to 1.00 percent per year through 2064 and 2.50 percent thereafter.
- The single discount rate was changed from 5.6 percent to 7.5 percent.

The State Board of Investment, which manages the investments of PERA, prepares an analysis of the reasonableness on a regular basis of the long-term expected rate of return using a building-block method in which best-estimate ranges of expected future rates of return are developed for each major asset class. These ranges are combined to produce an expected long-term rate of return by weighting the expected future rates of return by the target asset allocation percentages. The target allocation and best estimates of geometric real rates of return for each major asset class are summarized in the following table:

Asset Class	Target Allocation	Long-term Expected Real Rate of Return
Domestic Stocks	39.00 %	5.10 %
International Stocks	19.00	5.30
Bonds	20.00	0.75
Alternative Assets	20.00	5.90
Cash	2.00	-
Total	100.00 %	

Note 4: Defined Benefit Pension Plans - Statewide (Continued)

F. Discount Rate

The discount rate used to measure the total pension liability in 2017 was 7.50 percent. The projection of cash flows used to determine the discount rate assumed that contributions from plan members and employers will be made at rates set in Minnesota statutes. Based on these assumptions, the fiduciary net position of the GERF and PEPFF was projected to be available to make all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

G. Pension Liability Sensitivity

The following presents the City's proportionate share of the net pension liability for all plans it participates in, calculated using the discount rate disclosed in the preceding paragraph, as well as what the City's proportionate share of the net pension liability would be if it were calculated using a discount rate 1 percentage point lower or 1 percentage point higher than the current discount rate:

	City Proportionate Share of NPL		
	1 Percent Decrease (6.50%)	Current (7.50%)	1 Percent Increase (8.50%)
GERF	$ 2,138,822	$ 1,378,930	$ 756,820

	1 Percent Decrease (6.50%)	Current (7.50%)	1 Percent Increase (8.50%)
PEPFF	$ 1,779,868	$ 945,083	$ 255,923

H. Pension Plan Fiduciary Net Position

Detailed information about each pension plan's fiduciary net position is available in a separately-issued PERA financial report that includes financial statements and required supplementary information. That report may be obtained on the Internet at www.mnpera.org.

Note 5: Other Information

A. Legal Debt Margin

In accordance with Minnesota statutes, the City may not incur or be subject to net debt in excess of three percent of the estimated market value of taxable property within the City. Net debt is payable solely from ad valorem taxes and, therefore, excludes debt financed partially or entirely by special assessments, enterprise fund revenues, or tax increments. As of December 31, 2017, the City is under the legal debt margin.

Note 5: Other Information (Continued)

B. Risk Management

The City is exposed to various risks of loss related to torts; theft of, damage to and destruction of assets; errors and omissions; injuries to employees; and natural disasters for which the City carries insurance. The City obtains insurance through participation in the League of Minnesota Cities Insurance Trust (LMCIT), which is a risk sharing pool with approximately 800 other governmental units. The City pays an annual premium to LMCIT for its workers compensation and property and casualty insurance. The LMCIT is self-sustaining through member premiums and will reinsure for claims above a prescribed dollar amount for each insurance event. Settled claims have not exceeded the City's coverage in any of the past three fiscal years.

Liabilities are reported when it is probable that a loss has occurred and the amount of the loss can be reasonably estimated. Liabilities, if any, include an amount for claims that have been incurred but not reported (IBNRs). The City's management is not aware of any incurred but not reported claims.

C. Isanti Area Joint Operating Fire Board District

In October of 2002, the City and the towns of Athens, Bradford, Isanti, Oxford, Spencer Brook and Stanford, entered a joint powers agreement to acquire and pay for new fire department substations in the townships. The City shall deposit in advance quarterly contributions with the treasurer of the Isanti Area Joint Operating Fire fund. The amount of the quarterly contributions to the fund shall be according to the proportions established in the fire protection contract. Upon termination of the agreement, any real property or buildings owned by the Board shall become the sole property of the City or Township in which the property lies. The City contributed $209,043 to the Board in 2017. The City's equity interest and its share of the net income (loss) of the District is not measurable and it is not explicit; therefore, no equity interest is reported in the government-wide financial statements.

D. Cambridge-Isanti Bike-Walk Trail

On September 8, 2008, the City entered into a joint and cooperative agreement with Isanti County, Isanti Township, and the City of Cambridge for the construction, operation, and maintenance of a bike-walk trail that connects the cities of Cambridge and Isanti. The trail was constructed with Federal and State grants received by Isanti County and the City of Cambridge. Isanti is responsible for maintaining and operating the part of the trail lying south of the centerline of the right of way of 301st Avenue. The agreement will terminate after 20 years. The City contributed $11,200 to the cooperative during 2017.

E. North Trunk Highway 65 Corridor Coalition

On September 19, 2006, the City of Isanti joined the North Trunk Highway 65 Corridor Coalition. The Coalition consists of cities, counties, and towns from Highway 10 in Blaine to the northern reaches of Kanabec County. The agreement states that the City must support the preservation and upgrade of the corridor to meet future transportation needs for various modes including, but not limited to, highway improvements, bus improvements, commuter, freight rail, multi-use paths, and Intelligent Transportation Systems (ITS).

F. Minnesota Department of Transportation Partnership Agreement

On June 3, 2008, the City entered into a partnership agreement with the Minnesota Department of Transportation to undertake collaborative efforts for the design, construction, maintenance, and operation of state and local roads. The agreement allows both parties to write work orders against a master contract without prior City Council consent to ensure the greatest speed and flexibility in responding to identified needs. This agreement was renewed by the City Council on December 18, 2012 and will remain in effect for five years.

Note 6: Commitments and Contingencies

A. Concentrations

The City receives a significant amount of its annual General fund revenue from the State of Minnesota from the Local Government Aid (LGA). The amount received in 2017 was $585,309 for LGA. This accounted for 17 percent of General fund revenues.

B. Tax Increment Districts

The City's tax increment districts are subject to review by the State of Minnesota Office of the State Auditor (OSA). Any disallowed claims or misuse of tax increments could become a liability of the applicable fund. Management has indicated that they are not aware of any instances of noncompliance which would have a material effect on the financial statements.

Note: Schedule is intended to show 10-year trend. Additional years will be reported as they become available.

Notes to the Required Supplementary Information - General Employee Retirement Fund

Changes in Actuarial Assumptions

2017 - The Combined Service Annuity (CSA) loads were changed from 0.8 percent for active members and 60 percent for vested and non-vested deferred members. The revised CSA loads are now 0.0 percent for active member liability, 15.0 percent for vested deferred member liability and 3.0 percent for non-vested deferred member liability. The assumed post-retirement benefit increase rate was changed from 1.0 percent per year for all years to 1.0 percent per year through 2044 and 2.5 percent per year thereafter.

2016 - The assumed post-retirement benefit increase rate was changed from 1.0 percent per year through 2035 and 2.5 percent per year thereafter to 1.0 percent per year for all future years. The assumed investment return was changed from 7.9 percent to 7.5 percent. The single discount rate was changed from 7.9 percent to 7.5 percent. Other assumptions were changed pursuant to the experience study dated June 30, 2015. The assumed future salary increases, payroll growth and inflation were decreased by 0.25 percent to 3.25 percent for payroll growth and 2.50 percent for inflation.

2015 - The assumed post-retirement benefit increase rate was changed from 1.0 percent per year through 2030 and 2.5 percent per year thereafter to 1.0 percent per year through 2035 and 2.5 percent per year thereafter.

Changes in Plan Provisions

2015 - On January 1, 2015, the Minneapolis Employees Retirement Fund was merged into the General Employees Fund, which increased the total pension liability by $1.1 billion and increased the fiduciary plan net position by $892 million. Upon consolidation, state and employer contributions were revised.

Schedule of Employer's Share of PERA Net Pension Liability - Public Employees Police and Fire Fund

Notes to the Required Supplementary Information - Public Employees Police and Fire Fund

Changes in Actuarial Assumptions

2017 - Assumed salary increases were changed as recommended in the June 30, 2016 experience study. The net effect is proposed rates that average 0.34 percent lower than the previous rates. Assumed rates of retirement were changed, resulting in fewer retirements. The Combined Service Annuity (CSA) load was 30 percent for vested and non-vested deferred members. The CSA has been changed to 33 percent for vested members and 2 percent for non-vested members. The base mortality table for healthy annuitants was changed from the RP-2000 fully generational table to the RP-2014 fully generational table (with a base year of 2006), with male rates adjusted by a factor of 0.96. The mortality improvement scale was changed from Scale AA to Scale MP-2016. The base mortality table for disabled annuitants was changed from the RP-2000 disabled mortality table to the mortality tables assumed for healthy retirees. Assumed termination rates were decreased to 3.0 percent for the first three years of service. Rates beyond the select period of three years were adjusted, resulting in more expected terminations overall. Assumed percentage of married female members was decreased from 65 percent to 60 percent. Assumed age difference was changed from separate assumptions for male members (wives assumed to be three years younger) and female members (husbands assumed to be four years older) to the assumption that males are two years older than females. The assumed percentage of female members electing joint and survivor annuities was increased. The assumed post-retirement benefit increase rate was changed from 1.00 percent for all years to 1.00 percent per year through 2064 and 2.50 percent thereafter. The single discount rate was changed from 5.6 percent to 7.5 percent.

2016 - The assumed post-retirement benefit increase rate was changed from 1.0 percent per year through 2037 and 2.5 percent per year thereafter to 1.0 percent per year for all future years. The assumed investment return was changed from 7.9 percent to 7.5 percent. The single discount rate was changed from 7.9 percent to 5.6 percent. The assumed future salary increases, payroll growth and inflation were decreased by 0.25 percent to 3.25 percent for payroll growth and 2.50 percent for inflation.

2015 - The assumed post-retirement benefit increase rate was changed from 1.0 percent per year through 2030 and 2.5 percent per year thereafter to 1.0 percent per year through 2037 and 2.5 percent per year thereafter.

Changes in Plan Provisions

2015 - The post-retirement benefit increase to be paid after attainment of the 90 percent funding threshold was changed, from inflation up to 2.5 percent, to a fixed rate of 2.5 percent.

INDEPENDENT AUDITOR'S REPORT
ON MINNESOTA LEGAL COMPLIANCE

Honorable Mayor and City Council
City of Isanti, Minnesota

We have audited, in accordance with auditing standards generally accepted in the United States of America, and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, each major fund and the aggregate remaining fund information of the City of Isanti, Minnesota (the City) as of and for the year ended December 31, 2017, and the related notes to the financial statements, and have issued our report thereon dated April 6, 2018.

The *Minnesota Legal Compliance Audit Guide for Cities*, promulgated by the State Auditor pursuant to Minnesota Statute §6.65, contains seven categories of compliance to be tested: contracting and bidding, deposits and investments, conflicts of interest, public indebtedness, claims and disbursements, miscellaneous provisions, and tax increment financing. Our audit considered all of the listed categories.

In connection with our audit, nothing came to our attention that caused us to believe that the City failed to comply with the provisions of the *Minnesota Legal Compliance Audit Guide for Cities*. However, our audit was not directed primarily toward obtaining knowledge of such noncompliance. Accordingly, had we performed additional procedures, other matters may have come to our attention regarding the City's noncompliance with the above referenced provisions.

The purpose of this report is solely to describe the scope of our testing of compliance and the result of that testing, and not to provide an opinion on compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

Honorable Mayor and City Council
City of Isanti, Minnesota

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, each major fund and the aggregate remaining fund information of the City of Isanti, Minnesota (the City), as of and for the year ended December 31, 2017, and the related notes to the financial statements, which collectively comprise the City's basic financial statements and have issued our report thereon dated April 6, 2018.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the City's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, we do not express an opinion on the effectiveness of the City's internal control.

Our consideration of internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified However, as described in the accompanying Schedule of Findings and Responses, we identified certain deficiencies in internal control that we consider to be a material weakness and a significant deficiency.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses.

A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance. We consider the deficiency described in the accompanying Schedule of Findings and Responses as item 2017-001 to be a significant deficiency.

5201 Eden Avenue, Suite 250
Edina, MN 55436
952.835.9090 | Fax 952.835.3261

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the City's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards.*

The City's Response to the Finding

The City's response to the finding identified in our audit are described in the accompanying Schedule of Findings and Responses. The City's response was not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on them.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the City's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

BLANK INTENTIONALLY

City of Isanti, Minnesota
Schedule of Findings and Responses
For the Year Ended December 31, 2017

Finding	Description
2017-001	**Preparation of Financial Statements**
Condition:	We were requested to draft the audited financial statements and related footnote disclosures as part of our regular audit services. Ultimately, it is management's responsibility to provide for the preparation of your statements and footnotes, and the responsibility of the auditor to determine the fairness of presentation of those statements. It is our responsibility to inform you that this deficiency could result in a material misstatement to the financial statements that could have been prevented or detected by your management. Essentially, the auditors cannot be part of your internal control process.
Criteria:	Internal controls should be in place to provide reasonable assurance over the reliability of financial records and reporting.
Cause:	From a practical standpoint, we both prepare your statements and determine the fairness of that presentation at the same time in connection with our audit. This is not unusual for us to do with organizations of your size.
Effect:	The effectiveness of the internal control system relies on enforcement by management. The effect of deficiencies in internal controls can result in undetected errors in financial reporting. We have instructed management to review a draft of the auditor prepared financials in detail for accuracy; we have answered any questions that management might have, and have encouraged research of any accounting guidance in connection with the adequacy and appropriateness of classification of disclosures in your statements. We are satisfied that the appropriate steps have been taken to provide you with the completed financial statements.
Recommendation:	Under these circumstances, the most effective controls lie in management's knowledge of the City's financial operations. It is the responsibility of management and those charged with governance to make the decision whether to accept the degree of risk associated with this condition because of cost and other considerations. Regarding the specific situations listed above, we would offer the following specific recommendations: 1) Utilize a disclosure checklist to ensure all required disclosures are present and agree to work papers, and 2) Agree your accounting information from your accounting software to the amounts reported in the financial statements.

Management Response:

For now, the City accepts the degree of risk associated with this condition and thoroughly reviews a draft of the financial statements.

City of Isanti
Economic Development Authority
Regular Meeting Minutes of
March 6, 2018
Isanti City Hall

1. Call To Order

The meeting was called to order by President George Wimmer at 7:20 p.m.

a. Pledge of Allegiance

b. Roll Call

Members Present:	Tara Hallberg, Steve Lundeen, Ross Lorinser, Paul Bergley, Jill Reller and George Wimmer
Members Absent:	Dan Collison (Excused)
Staff Present:	Economic Development Director Sean Sullivan

c. Agenda Modifications

2. Approval of Agenda

Motion by Commissioner Lundeen, seconded by Comissioner Lorinser to approve agenda as presented. Motion carried unanimously.

3. Approve Minutes of February 7, 2018 Regular Economic Development Meeting

Motion by Commissioner Bergley seconded by Commissioner Lorinser to approve the minutes for February 7, 2018. Motion carried unanimously.

4. 2018 Mayor's Employer Celebration Day

Economic Development Director Sullivan highlighted the June 19, 2018 date of the event for this year and the 17 businesses that are celebrating mile stone City of Isanti Anniversaries. He indicated that plaques for recognition are estimated to cost $357 which is well within the budgeted $1,000 for the event. He highlighted past years business specialists that attend and their ability to answer questions businesses might have. He stated that Isanti Retail Meats has committed to preparing the food for the event. The event has grown in size over the years and continues to be a great success.

President Wimmer highlighted the fact that local elected officials are present and assist with the serving of food and are there for questions from the Isanti businesses.

5. City Promotional Bag Program 2018

Economic Development Director Sullivan stated that the first event for the City Promo Bag program would be on April 14-15 at Isanti Indoor Arena – Home of Rum River BMX. He anticipated at least 200 bags being distributed at the event. Other events, including the Fireman's Rodeo during Jubilee are slated for participation in the program.

President Wimmer stated that based on the growing number of events and the limited number of bags, the city might have to consider expanding the program next year. Economic Development Director Sullivan will monitor this item and bring it back for consideration if needed.

6. Other Business / Updates

Economic Development Director Sullivan highlighted the Staff Memo specifically relating to the hotel status and housing starts.

Commissioner Bergley asked when the project would break ground.

Economic Development Director Sullivan stated that the Development Agreement has a closing date of on or before April 30, 2018 and that construction was likely once the frost was out, road restrictions are lifted and the spring construction season commences.

Commissioner Lundeen stated that this has been a winter with a lot of snow as witness by the large piles in parking lots throughout the city. This has delayed some construction projects from starting early this year.

a. Business Prospects
b. EDAM
c. GPS 45:93
d. Spring 2018 Isantian
e. Housing Starts in 2018
f. Business Arrivals and Departures in Isanti 2018

7. Adjournment

Motion by Commissioner Bergley, seconded by Commissioner Lorinser to adjourn at 7:30 pm. Motion carried unanimously.

Dated at Isanti, Minnesota, this 6th day of March, 2018.

Respectively Submitted,

Sean M. Sullivan, Economic Development Director

Request for City Council Action

To. **Mayor Wimmer and Members of City Council**

From: Finance Director Betker

Date: April 6th 2018

Subject: Consider Resolution Accepting Quote for 2018 Actuarial Valuation of Other Post-Employment Benefits and 2019 Reporting Disclosures

---

Background:

The Governmental Accounting Standards Board (GASB) issued Statement 75 in June of 2015. GASB 75 replaces GASB 45 and becomes effective for employer fiscal years beginning after June 15th 2017. GASB 75 examines the unfunded liability of Other Post-Employment Benefits (OPEB), requiring that the entire unfunded liability go on the face of the financial statements.

When retirees are allowed to stay on the City health insurance plan; even when they are paying the full cost of premiums, there is an implicit subsidy. The subsidy arises from the increased premiums that everyone pays as a result of having a retiree(s) on the plan who are likely to have a higher claims experience and hence drive premiums for the entire group higher than they would otherwise have been. This amount must be calculated using very specific actuarial guidelines.

GASB 75 affects the City in a way that GASB 45 did not because GASB 75 does away with the community rating exception to the implicit subsidy liability.

GASB 75 requires a full actuarial valuation at least every two years. During the "off" years between actuarial valuations the city will need a simplified GASB 75 accounting report to comply with the new liability measurement rules. The "off" year reports are considerably easier and less expensive to prepare.

Research:

Staff has obtained quotes from two vendors. The quotes include the initial valuation; to be done in 2018 as well as price to complete the required 2019 report.

Vendor	2018 Valuation	2019 Report Update
Hildi Inc.	$ 1,900	$ 300 - $ 500
Van Iwaarden Associates	$ 4,000	$ 1,500

Request:
Finance Committee is recommending that the Council approve the quote from Hildi Inc.

Attachments:

- Resolution Accepting Quote for 2018 Actuarial Valuation or Other Post-Employment Benefits and 2019 Reporting Disclosures
- Hildi Inc. Quote
- Van Iwaarden Associates Quote

RESOLUTION 2018-XXX

RESOLUTION ACCEPTING QUOTE FOR 2018 ACTUARIAL VALUATION OF OTHER POST-EMPLOYMENT BENEFITS AND 2019 REPORTING DISCLOSURES

WHEREAS, Governmental Accounting Standards Board Statement 75 requires an examination of the unfunded liability of Other Post-Employment Benefits; and

WHEREAS, GASB Statement 75 requires a full actuarial valuation at least every two years; and

WHEREAS, updated disclosures based on the actuarial valuation are required in the years following the required valuation; and

WHEREAS, two quotes were received for the service. The low quote was received from Hildi Inc.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to accept the quote from Hildi Inc. for 2018 actuarial valuation of other post-employment benefits in the amount of $1,900.00 and 2019 reporting disclosures services in the amount of $500.00.

This Resolution is hereby approved by the Isanti City Council this 17th day of April, 2018.

Attest:

Katie Brooks
Human Resources/City Clerk

Fee Proposal and Timeline

This fee proposal assumes that the City of Isanti has approximately 30 Plan Members with Implicit Rate Subsidy Other Post-Employment Benefits (OPEBs).

GASB Statement No. 75 (OPEBs) says that plans must perform an actuarial valuation at least once every two years.

Upon receipt of all data needed for the project (see the Data Request), the actuarial valuation results can be prepared **within six to eight weeks**. Any additional information requested (for example, changes in plan design, actuarial cost projections) could possibly extend this timeline.

Basic Actuarial Valuation Fees

	2018 Fiscal Year	2019 Fiscal Year
GASB 75	$1,900	January 1, 2018 actuarial valuation to be used as base results in developing the GASB 75 disclosures for the year ending December 31, 2019. Approximately $300 - $500

These Basic Actuarial Fees include the following:

- Teleconferencing with the actuaries on pending or anticipated issues which may affect the actuarial valuation/report. If any work is needed based on one of the outcomes of a teleconference, a fee will be agreed upon before any work is initiated.
- A results meeting by conference call to discuss the results.
- An Actuarial Report including all information required by the GASB Statements. Hildi Inc. will provide an electronic copy and three hard copies.
- Periodic memos and telephone calls to provide updates on developments that may affect future actuarial reports.

The Basic Actuarial Fees are also based on the receipt of clean participant data in the format requested from the Hildi Inc. data request packet.

Fees for Additional Actuarial Services

Description	Fee
Auditor Requests	Based on Hourly Rates
Attendance at Meetings	Based on Hourly Rates
Contract Proposals	To be agreed upon after determination of scope

Hourly Rates for Additional Services

Description	Hourly Rate
Strategic Actuarial Consulting and Meeting time	$300
Actuarial Calculations	$100 - $275
Data and Administrative work	$100 – $200

Travel and lodging expenses are not included in the basic fee and will be invoiced separately, if requested.

Re: **Engagement Letter for GASB 75 OPEB Actuarial Services – City of Isanti**

Dear Mike:

Thank you for this opportunity to provide Other Postemployment Benefit (OPEB) actuarial services to the City of Isanti (the City). This letter documents the services we will provide for the City's retiree health plan and our fees for those services.

Please note that the new GASB 75 accounting rules require more frequent and comprehensive actuarial reporting. An actuarial valuation is required every two years, while a simplified accounting report is required in the "off years". The off-year report must reflect changes in the discount rate and other significant events/assumptions, but can rely on the prior year data.

Scope of the Engagement

We will perform the following services, as chosen by the City:

1. FY2018 GASB 75 OPEB Valuation

For FY2018, we will perform a GASB 75 valuation. Since there are fewer than 100 retiree health members, the City can choose either an actuarial valuation or an Alternative Measurement Method (AMM) valuation which uses simplified actuarial techniques.

The report will include all OPEB results required for your FY2018 financial statements, including summaries of participants, plan provisions, and actuarial assumptions and methods.

2. FY2019 GASB 75 OPEB Valuation

For FY2019, we will prepare an "off-year" GASB 75 valuation. This report will reflect updated assumptions and plan provisions, but does not require us to collect new census data. The report will include all OPEB results required for your FY2019 financial statements.

3. Other

We will prepare other actuarial and consulting projects requested by you from time to time such as attending meetings, presentations, and miscellaneous consulting.

Fees and Hourly Billing Rates

The new GASB 75 OPEB accounting rules require more frequent actuarial reporting, including biennial actuarial reporting and updated actuarial results in the "off years". Our proposed engagement fees are outlined below. We have shown fees for both options: actuarial valuations or AMM valuations. Subsequent year fees will follow a similar on-year/off-year pattern.

Services Provided – Actuarial Valuation	Fee
FY2018 GASB 75 actuarial valuation report	[illegible]
FY2019 "off-year" GASB 75 roll-forward actuarial valuation report	$1,500
Conference call to review results	[illegible]

Services Provided – AMM Valuation	Fee
FY2018 GASB 75 AMM valuation report	[illegible]
FY2019 "off-year" GASB 75 roll-forward AMM valuation report	$1,500
Conference call to review results	[illegible]

The proposed FY2019 "off-year" fees assume no substantial changes to the plan census, assumptions, plan provisions, or funding arrangement. If any of these factors change significantly, then GASB 75 rules may require an actuarial valuation in the off year for a separate fee.

Out-of-scope projects are within the City's control, and time for them will be billed at our normal hourly rates. For 2018, our hourly rates are $135 to $185 for actuarial analysts and $225 to $335 for consulting actuaries. Out-of-scope projects include time spent on:

- additional meetings and preparation,
- significant changes in your plan, accounting or funding arrangements,
- cleanup of inaccurate data or data not provided in the form requested, and
- follow-up for information not provided within 45 days of our request.

We will notify you if any out-of-scope fees are to apply, and will be happy to estimate fees for additional projects as requested. Out-of-pocket expenses will be passed on to you without markup. Travel time, if it occurs, is billed at 50% of our normal rates. We will provide additional consulting services or changes in valuation scope upon request. Additional fees for such requests will be discussed and agreed upon by both parties prior to commencement.

You have the right to terminate our services at any time, subject to payment of accrued charges for work we have done through the date we receive notice. We will have the same right of termination (including termination for non-payment of fees and expenses), subject to our obligation to give the City reasonable notice.

RESOLUTION 2018-XXX

RESOLUTION ACCEPTING FULL-TIME MAINTENANCE TECH II AND UTILITY LEAD JACOB PUDLICK'S LETTER OF RESIGNATION

WHEREAS, full-time Maintenance Tech II and Utility Lead Jacob Pudlick has submitted a letter of resignation to the City of Isanti and presented this to Public Services Director/Assistant City Administrator Josi Wood on April 10, 2018; and,

WHEREAS, the effective date of this resignation is April 24, 2018; and,

WHEREAS, Jacob Pudlick is leaving employment in good standing; and,

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, to hereby approve as follows:

1. That the resignation of Jacob Pudlick is hereby accepted effective April 24, 2018.

2. That Human Resources/City Clerk and Public Services Director/Assistant City Administrator Josi Wood are hereby directed to fill the position.

This Resolution is hereby approved by the Isanti City Council this 17th day of April, 2018.

RESOLUTION OFFERING THE POSITION OF PART-TIME PUBLIC WORKS SEASONAL MAINTENANCE TO TIMOTHY DOYLE, GREGORY RAMBOW, AND GENE WEST

WHEREAS, the City Council of the City of Isanti is required to approve all new employees; and

WHEREAS, the City Council approved to advertise and accept applications to fill three Part-Time PW Seasonal Maintenance Positions from Resolution 2018- 042; and

WHEREAS, the Interviewing Panel selected Timothy Doyle, Gregory Rambow and Gene West as the most qualified candidates for the open Part-Time PW Seasonal Maintenance position. A successful background check has been completed on all three candidates.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, as follows:

1. That Human Resources is hereby directed to offer the Part-Time PW Seasonal Maintenance position to Timothy Doyle, Gregory Rambow and Gene West for the City of Isanti and that they shall be eligible to start in their positions on or after April 17th, 2018.
2. That Timothy Doyle shall start at Step 1 of the wage scale at $11.00 per hour.
3. That former City of Isanti seasonal employees Gene West and Gregory Rambow shall start at the wage scale of $11.50 per hour as they are re-hired from previous years.
4. That Timothy, Gregory and Gene shall not work over 67 days per the Union Contact in the position of the Part- Time PW Seasonal Maintenance position effective Spring through Fall 2018.
5. That Human Resources is directed to complete all required documentation for the completion of the employment offers.
6. That Human Resources is directed to forward an executed copy of this resolution to the employee and place a copy in the employee's personnel file for future reference.

Request for City Council Action

To: **Mayor Wimmer and City Council Members**

From: Chief Gene C. Hill **MEMO**

Date: April 10, 2018

Subject: Center Point Energy Safety Equipment Matching Grant

Background:

Center Point Energy has a 50/50 matching grant available not to exceed $2,500.00 for the purchase of safety / emergency equipment. The grant application deadline is May 4, 2018.

The police department has a need for portable radios for its Volunteer Police Reserve Unit. In addition to these radios being used for the Reserves, they will also be used for Emergency Management Incidents that affect our region.

The matching funds for this equipment would come from existing PD budget line items.

Action:

I am requesting the City Council to review and consider to allow application to this grant funding opportunity for the purchase of safety / emergency related equipment.

Thank you for your time and consideration,

Chief Gene C. Hill

RESOLUTION 2018-XXX

RESOLUTION APPROVING TO PROCEED WITH THE APPLICATION TO CENTERPOINT ENERGY FOR THEIR 50/50 SAFETY / EMERGENCY EQUIPMENT MATCHING GRANT

Request for City Council Action

To: **Mayor Wimmer and City Council Members**

From: Chief Gene C. Hill **MEMO**

Date: April 12, 2018

Subject: October 01, 2018 – September 30, 2019 Safe and Sober Grant

Background:

The City of Isanti has allowed its Police Department to participate in the Safe and Sober Grants that are sponsored by the Minnesota Department of Public Safety – Office of Traffic Safety for the past many years. Through this program the City is given grant money to offset expenses for Peace Officer's to provide enhanced enforcement of traffic laws specifically DWI, seatbelt, and speed enforcement.

Also, the Safe and Sober Grant has provided many free items to the City of Isanti such as: several paid driving school tuitions, portable breath test machines, flashlights, metal detectors, light bars, squad video camera, radar, stationary speed sign, and window-tint meters which reduces the tax burden to the City.

The grant process requirements have changed drastically over the years as well as our grant partners. This year we are required to have a countywide grant. This grant would be Isanti PD as the lead agency and grant fiscal managers. Participating grant members we be Braham and Cambridge PD and Isanti County Sheriff's Office.

Action:

I request that the City Council take action by reviewing and considering a resolution to allow a joint venture with the Minnesota Department of Public Safety – Office of Traffic Safety to participate in the Safe and Sober Grant Program with the grant partners of Braham and Cambridge PD along with Isanti County Sheriff's Office.

Respectfully,

Chief Gene C. Hill

RESOLUTION NO. 2018 - XXXX

A RESOLUTION AUTHORIZING THE APPLICATION TO ENTER INTO AN AGREEMENT WITH THE MINNESOTA OFFICE OF TRAFFIC SAFETY GRANT FOR SAFE AND SOBER HIGH VISIBILTY ENFORCEMNT

WHEREAS, the Minnesota Office of Traffic Safety offers an enhanced traffic enforcement grant to promote roadway and driver safety awareness and education, and;

WHEREAS, the Isanti Police Department has participated in this grant for ten plus years and is partnering with Cambridge PD, Braham PD and Isanti County Sheriff's Office to provide high visibility enforcement, and;

WHEREAS, receives full compensation for the officers wages and benefits for hours worked, and;

WHEREAS, is eligible for free large equipment for department use which saves tax dollars, and;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota as follows:

1. Be it resolved that Isanti Police Department enter into a grant agreement with the Minnesota Department of Public Safety, Office of Traffic Safety for Traffic Safety Enforcement projects during the period from October 1, 2018 through September 30, 2019.

2. That the Chief of Police or designee is hereby authorized to execute such agreements and amendments as are necessary to implement the project on behalf of the City of Isanti and Isanti Police Department; and that the fiscal agent of the grant will be the City of Isanti.

Adopted by the Isanti City Council this 17th day of April, 2018.

Subject: Consider Resolution Accepting Engineering Inspection and Evaluation Report for Elevated Storage Tank

---

Background

The City's Elevated Storage Tank (Water Tower) was cleaned and inspected, both internally and externally, in June 2017 to assess the condition and longevity as well as any structural issues that should be addressed.

Request

Staff is seeking action on this item.

RESOLUTION NO. 2018-XXX

A RESOLUTION ACCEPTING ENGINEERING INSPECTION AND EVALUATION REPORT FOR ELEVATED STORAGE TANK

WHEREAS, as part of regular maintenance of the Public Water Supply, the water tower shall be inspected by an engineer every five years and cleaned at least every ten years; and,

WHEREAS, Council approved April 18, 2017 for services to clean and engineering services by Bolton and Menk, Inc. for inspection; and,

WHEREAS, Public Works Committee reviewed the inspection and evaluation report on April 3, 2018; and,

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to accept the engineering inspection and evaluation report by Bolton and Menk, Inc. for the City's Elevated Water Storage Tank, East Dual Blvd. Water Tower.

This Resolution was duly adopted by the Isanti City Council this 17th day of April, 2018.

Appendix

Appendix A: Photo Report
Appendix B: Water Storage Tank General Information Report
Appendix C: Midco Hydropillar Inspection Report, Dated August 31, 2017

I. INTRODUCTION

An inspection and evaluation was performed on the Isanti, Minnesota elevated storage tank (Dual Boulevard water tower) on both June 22 and June 29, 2017. The tower is a 750,000 gallon hydropillar style built in 2003 by Chicago Bridge & Iron. The tank color is off-white with blue logo/lettering. At the time of evaluation, the tank interior water level was approximately 95 percent tank capacity. This high level was necessary for diver entry to perform interior wet inspection and cleaning. Additional tower information was also provided by City staff.

II. INSPECTION METHODS

The inspection and evaluation performed on the interior wet portion was visually observed through the tank roof access hatch and by a diver.

The inspection and evaluation performed on the interior dry portion was observed from the interior ladders and landings.

The inspection and evaluation performed on the exterior was from ground level, telescoping lift basket, and by the tank roof access. Climbing to the tank roof was accessed through the pedestal door access and by ladders up to the roof.

Photos were taken by camera.

There was also a report provided by Midco Diving and Marine Services (tank cleaning and inspection performed on June 29, 2017). The report provides information and all photos of the conditions below the water level during the time of the inspection and evaluation.

III. EVALUATION SUMMARY

A. INTERIOR WET

Per information provided from City staff, the interior wet coatings are original from approximately 14 years ago (2003) when the tower was new. Viewing the interior from the roof access hatch, it reveals an overall coating condition of fair with some isolated areas of poor condition. Due to the high water level (approximately 95 percent tank capacity) necessary for diver entry, the interior wet tank shell wall was not visible through the roof access hatch; however, there are several photos taken from the video collected during the inspection and cleaning performed by Midco Diving and Marine Services. See Midco evaluation report in the appendix for additional information and photos.

1) The isolated areas of poor condition are mainly on the roof and roof structure. The visible coating failures to the substrate are mainly at the welds and roof structural supports (see photos #32 through #36).

2) Minor coating failures are visible to the substrate on both the interior wet dry riser pipe and overflow pipe weir box (see photos #30 and #31).

B. INTERIOR DRY

The City provided information that the coating in the interior dry area of the tank was the original from approximately 14 years ago (2003). The overall interior dry coating is in good to fair condition. Excluding the areas exposed to the harsh environments (condensation areas), the interior dry coatings are performing satisfactorily.

1) The pedestal shell wall on the interior dry is in good to fair condition with only minor spots of corrosion (see photos #37, 38, 43, 44, 46, 47, 48, and 49).

2) The tank bottom is also in good to fair condition with areas of dirt and mildew (see photos #49, 51, and 52).

3) The weld area at the pedestal shell wall to tank bottom reveals areas of minor corrosion (see photo #64).

4) The dry riser pipe is in good to fair condition. The lower portion of the dry riser pipe reveals visible rust staining and the initiation of coating failure (corrosion) through the coating (see photo #63).

5) The tower has a condensation tarp “diaper” installed at lower portion of the tower (see photos #46 and 47).

6) The dry riser pipe ladder is equipped with a cable type safety climb system. The remainder of the interior dry ladders were not equipped with a cable style ladder safety system at the time of inspection, but it has been communicated that the cable type safety systems have been installed on the remainder of the ladders since the inspection.

7) The inlet/outlet pipe is insulated with a metal jacket and is in good condition (see photos #38, 47, 48, and 50). The insulation was not removed to expose the pipe surface during the evaluation.

8) The interior dry tower base ring and anchors are in good to fair condition (see photo #42).

9) There is a wood constructed instrumentation control equipment shelter located in the tower base (see photos #38, 39, 40, and 41).

10) A painter's hatch is located at the upper pedestal shell wall just below the tank bottom (see photo #53).

11) A sump pit is located at the north side near the overflow pipe. There is no sump pump in the pit (see photo #45).

C. EXTERIOR

Per information provided from City staff, it was reported that the exterior area of the tank was last coated approximately 14 years ago (2003) when the tower was new. The exterior coating surfaces (excluding the tank roof) received a power wash cleaning on June 22, 2017. The overall exterior coating appearance is in fair condition with some small isolated areas in fair to poor condition (see photos #1 through 8, 24, 25, and 26).

1) On the tower's south face is an overhead "garage" door and an access personnel doorway. The personnel door appears to be designed with a duplex coating (paint over galvanizing). A portion of the coating (paint) has delaminated from the assumed galvanized substrate surface (see photos #8 and 10).

2) The overall tower pedestal is in fair condition with some isolated small areas of minor corrosion.

3) The tower base ring and overhead door structure present areas of corrosion evident by visible rust staining (see photos #9, 55, and 56).

4) The pedestal shell wall exhibits small and minor isolated spots of corrosion. These areas are visible both at shell wall weld seams and on the shell wall plate surfaces (see photos #11, 12, 13, 59, 61, and 62).

5) Visible at ground level is a fractured or cracking appearance in the coating; however, there was no visible rust staining where this appearance was revealed (see photos #57 and 58).

6) The pedestal shell wall is designed with eight (8) screened vents (see photo #16).

7) The overflow pipe exits the north side of the tower over a rock "bed" type splash pad. The overflow pipe discharge screen is stained but in fair condition (see photos #14 and 15).

8) The tower roof is in fair condition with isolated areas of corrosion. A portion of the surfaces present minor areas of dirt and mildew (see photos #18, 19, 22, 23, 24, 25, and 26). There is a moderate amount of telecommunication equipment mounted on the roof railing (see "Telecommunication Equipment" section 6.1 below).

D. STRUCTURAL

The "structural" items of the tower are in fair condition. There are a few items that may need to be added, modified, and/or replaced.

1) The roof vent is the "frost free" pressure relief type (see photo #20 and 21).

2) The roof access hatches on the roof present minor areas of corrosion (see photos #19, 22, and 23).

3) The overflow pipe is located on the north face of the tower with the discharge over the rock type splash pad.

4) There are eight (8) "pipe penetration" style tank vents located throughout base/pedestal steel shell wall of the tower. The vent screens are large enough to allow bugs and insects to enter the tower base cone.

5) There is no drain “mud” valve installed on the tank bottom.

6) The roof does not have aviation obstruction light fixtures.

7) The only ladder equipped with a ladder safety climb system during the inspection was the interior dry riser pipe ladder; however, it was later communicated that all of the interior ladders have since been equipped with the cable type ladder safety climb systems.

E. FOUNDATION

The exterior tower base ring concrete foundation is in fair condition. The foundation exhibits minor dirt and mildew in some locations. The grout is in fair condition (see photos #55 and 56).

F. TELECOMMUNICATION EQUIPMENT

The telecommunication equipment is installed and supported throughout the tower interior and exterior roof. The coax/cable exits through the pedestal shell wall on the west face of the tower. The equipment shelter is located west of the tower (see photos #7, 17, 18, 27, 28, 29, 37, 43, 44, and 49).

IV. RECOMMENDATIONS

A. INTERIOR WET

The interior protective coating appears to be performing satisfactorily below the normal operating water level; however, there are several areas of visible corrosion with a few areas of complete coating failure to the substrate at the roof and roof structure area. Excluding the coating failures at the roof areas, the coating appears to be protecting the structure as anticipated for the age of the coatings.

It is recommended that the interior wet coatings be regularly monitored for condition. The condition should be monitored within a three (3) to five (5) year time period. Not necessary, but an interior wet spot repair could be performed at the City's discretion.

B. INTERIOR DRY

Given the estimated age and condition, the majority of the present coating system appears to be performing to the anticipated life expectancy. The majority of the interior dry coatings do not need any attention at present; however, with the harsh environment (excessive condensation), the lower portion of the dry riser pipe is starting to show signs of "through" coating failure.

It is recommended that the interior dry coatings be regularly monitored for condition during the other portions of the tower evaluations.

C. EXTERIOR

The exterior coating system is approximately 14 years old and has been performing to expectations. Given the minor areas of isolated corrosion, it is visibly evident that the coating system is showing age and getting near its life expectancy (15-20 years); however, it is not necessary to perform any repairs at this time.

It is recommended that the tower exterior be monitored for condition on a regular basis as the coating system age continues to near its necessary replacement.

D. STRUCTURAL

It is recommended that the below listed items be installed, removed, or modified at the next coating rehabilitation.

1) Install new tank bottom drain valve ("mud valve") with piping to overflow pipe.
2) Install new LED type aviation lights and mounting post.
3) Install "bug screens" on pedestal vents.
4) Install concrete splash pad.

E. FOUNDATION

The exterior tower base ring concrete foundation appears to be in fair condition. It is not necessary for any maintenance or repairs at this time.

F. TELECOMMUNICATION EQUIPMENT

The tower rehabilitation will require the continued oversight during any removal and replacement of existing, new, and/or modified equipment installations. The next coating replacement will require the complete temporary removal and reinstallation of the telecommunication equipment during the project. When the next coating reconditioning is planned, the telecommunication providers should be notified several months in advance to plan for the temporary removal. It is anticipated that the providers will desire a temporary monopole installation to maintain service during the rehabilitation. This is normal industry practice.

V. FINAL SUMMARY

The tower is generally in fair condition and no immediate work is recommended. The tower should be regularly monitored with a complete evaluation within the next 3-5 years as the coating system nears its life expectancy. The coatings are currently 14-years old and nearing the typical 15-20 year life cycle of a coating system, but are still performing well with isolated areas beginning to fail. While some systems can last significantly longer, we would recommend the City budget for a project in 3-5 years. A review of improvement options, related costs, and timing would be completed with the next evaluation. This would include a life cycle cost comparison of spot repair and overcoat versus a full coating removal and replacement. Current comparable projects are ranging from $350,000 to $700,000 for these options.

INTRODUCTION

Following is a summary of a visual and video inspection of the Hydropillar Reservoir for the Bolten & Menk in Isanti, MN. This inspection was undertaken on June 29, 2017 by Midco Diving & Marine Services, Inc., of Rapid City, SD. The findings of this inspection report are a supplement to the inspection video and worksheets, which are found under the same cover.

The Reservoir, which is the subject of this report, appears to be of conventional design and construction.

METHODOLOGY

The reservoir was inspected by a surface-supplied commercial air diver. The diver was equipped with real-time high-definition video and a LED lighting system as well as live voice communication between the inspecting diver and the surface team. All procedures were carried-out in accordance with Midco Diving's *Standards and Procedures*. Prior to entering your reservoir the diver and equipment were disinfected with a 200 parts per million chlorine solution per ANSI/AWWA C652-11 standards.

EXTERIOR FINDINGS

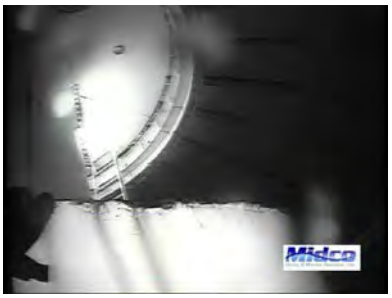
Upon visual inspection of the exterior of the structure, the reservoir appears to be in good condition, with the following findings noted:

1. No weather stripping noted
2. Noted coating failure with corrosion on access hatch

INTERIOR FINDINGS

Upon visual inspection of the structure above and below the water line, the overall condition of the tank appears to be in good condition, with the following findings noted:

1. Up to 24” of sediment noted
2. Coating failure with corrosion noted on roof seams
3. Staining noted on reservoir walls and center column
4. Daylighting noted from above surface man entry ways.



DISCLAIMER

Midco Diving & Marine Services, Inc. does not provide consulting engineering services, nor do we employ licensed Professional Engineers. The findings contained herein were neither prepared or reviewed by a licensed engineer, but are based on the visual examination, experience and training of the inspecting diver and dive support crew.

City of Isanti/Bolten&Menk

JOB NUMBER:	**P2017109**
UTILITY:	**Bolten & Menk**
DATE:	**June 29, 2017**
MANAGER:	**Jamie Connor**
ADDRESS:	**1960 Premier Dr**
	Mankato, MN 56001

DIVE TEAM LEADER:	**Brayden Borrowman**

Reservoir:	**Hydropillar**
Gallons:	**750KG**
Dimensions:	**155' x 60'**
Water Depth:	**40'**
Construction:	**Steel Welded**
Date Built:	**Unknown**
Last Cleaned:	**Unknown**
Last Inspected:	**Unknown**

Recommendations:

1. **Install weather stripping to all noted access hatches.**
2. **Repair noted area of coating failure with corrosion on access hatch.**
3. **Continue to monitor areas of noted coating failure with corrosion in the interior of reservoir.**
4. **Have Midco Diving & Marine Services, Inc. return to perform wall cleaning and center column cleaning for noted areas of staining.**
5. **Have Midco Diving & Marine Services, Inc. return to clean and inspect in 1 year.**

EPA Region 8 Drinking Water Unit Finished Water Storage Tank Inspection / Cleaning Checklist Fill out one checklist per storage tank & submit labeled photos of each tank component with this form	
Public Water System Name: Bolten & Menk	Public Water System ID:
Reservoir Name: Hydropillar	Reservoir ID:
Proposed Inspection Date: June 29, 2017	Actual Inspection Date: June 29, 2017
Name of Person Filling Out Form: Lauren Poirier	Title of Person Filling Out Form: Office Assistant
I certify that this information is complete and accurate: Yes 	Date: August 31, 2017

Inspector Qualifications (answer to all questions must be "yes")	
Name and contact information of inspector or inspection company: **Midco Diving & Marine Services, Inc.**	
☒ Yes ☐ No	Has the inspector completed confined space training?
☒ Yes ☐ No	Did the inspector have a confined space entry permit?

Overall Tank Condition				
Significant Deficiency		**Required Correction**	**Proposed Completion Date**	**Proposed Completion Date**
☒ Yes ☐ No	Does the tank appear to be structurally sound?	If no, what repairs are suggested by the tank inspector?		
☒ Yes ☐ No	Are there any unprotected openings in the tank (breaches, leaks, daylight coming through tank in spots, etc.)	If yes, indicate type of breach and how it should be repaired.		

Air Vent				
Significant Deficiency		**Required Correction**	**Proposed Completion Date**	**Proposed Completion Date**
Above Ground Tanks (Ground Level or Elevated) ☐ Check if NA				
☐ Yes ☐ No ☒ N/A	Downturned vent: Is the vent at least 24" or 3 pipe diameters above the roof?	If no reconfigure vent to provide proper air gap.		
☒ Yes ☐ No ☐ N/A	Non-downturned vent: Is there a solid cover down to the bottom of the vent screen?	If no, indicate deficiency and proposed correction:		
☒ Yes ☐ No ☐ N/A	Non-downturned vent: Is the screen at least 8" above the roof surface? What is the height of the start of the screening above the tank? 16"	If no, indicate deficiency and proposed correction:		
☒ Yes ☐ No ☐ N/A	Is the vent covered with #24 mesh corrosion resistant screening (some exceptions apply)? Mesh Size:	If no, indicate deficiency and proposed correction:		

Buried or Partially Buried Tanks ☒ Check if NA				
☐ Yes ☐ No	Is the vent covered with #24 mesh corrosion resistant screening?	If no, install proper #24 mesh corrosion resistant screening.		
☐ Yes ☐ No	Does the air vent terminate downward?	If no, re-configure the vent so that it terminates downward.		
☐ Yes ☐ No	Is the air vent at least 24" above the tank roof or ground surface (whichever is higher)? What is the height of the vent above the roof or ground surface?	If no, raise air vent to provide for an appropriate air gap.		

Access Hatch				
Significant Deficiency		**Required Correction**	**Proposed Completion Date**	**Proposed Completion Date**
☒ Yes ☐ No	Is the hatch raised at least 4" above the roof (for ground level or elevated tanks) or at least 24 inches above the roof or ground, whichever is higher (for buried or partially buried tanks)? What is the height of the access hatch above the roof or ground surface?	If no, the hatch should be raised to the appropriate height above the tank roof or ground.		
☒ Yes ☐ No	Does the hatch have a shoe box lid?	If no, a properly designed shoe box type lid should be installed.		
☐ Yes ☒ No	Is the lid water tight and sealed with a rubber gasket?	If no, the reason for the lack of a seal should be investigated and repaired.		
☒ Yes ☐ No	Is the hatch locked?	If no, the hatch should be equipped with a lock.		

Overflow ☐ Unable to Evaluate				
Significant Deficiency		**Required Correction**	**Proposed Completion Date**	**Proposed Completion Date**
☒ Yes ☐ No	Discharge has #24 mesh corrosion resistant screen OR a duckbill valve OR a properly sealed flapper valve with a screen inside (EPA recommends #24 mesh screen)?	If no, indicate proposed correction:		
☒ Yes ☐ No	Overflow terminates between 12 and 24 inches above the ground surface? At what height does the overflow discharge? 19"	If no, modify overflow to provide for an appropriate air gap.		

800.479.1558
www.midcodiving.com
info@midcodiving.com
Home Office P.O. Box 513 Rapid City, South Dakota 57709 605-791-3030
Regional Office P.O. Box 7396 Loveland, Colorado 80537 970-532-2128

☒ Yes ☐ No	Overflow discharges over an inlet structure, splash plate, or engineered rip-rap? Rocks	If no, indicate proposed correction:		
☐ Yes ☒ No	Is the overflow directly connected to a sanitary sewer or storm drain?	If yes, indicate proposed correction:		
☐ Yes ☒ No	Is there blockage in the overflow, an inadequately sized overflow, a malfunction of the level control system, or other issue that is causing the tank to overflow through the hatch or vent?	If yes, indicate what is causing the problem and how it should be repaired:		
☒ Yes ☐ No	Is the overflow discharge point visible? If no, it is recommended that the discharge point be moved to a location that is visible.		Not Required	

Drain ☐ Check if NA				
Significant Deficiency		**Required Correction**	**Proposed Completion Date**	**Proposed Completion Date**
☐ Yes ☒ No	Does the drain pipe have an air gap of 3 or more pipe diameters above the entrance to any storm or sanitary sewers?	If no, indicate proposed correction:		
☒ Yes ☐ No	Does the discharge have a #24 mesh corrosion resistant screen OR a duckbill valve OR a properly sealed flapper valve with a screen inside? If no, EPA recommends that a #24 mesh screen be installed.		Not Required	
☒ Yes ☐ No	Does the drain terminate between 12 and 24 inches above the ground surface and discharges over an inlet structure or splash plate? If no, it is recommended that the discharge point be modified to provide for the appropriate air gap.		Not Required	

Cleaning and Other Items			
Significant Deficiency	**Required Correction**	**Proposed Completion Date**	**Proposed Completion Date**
Describe any other items noted by the inspector that have the potential to cause contamination of the finished drinking water:	What repairs are suggested to prevent or eliminate the source of contamination?		

Depth of sediment found in the tank before cleaning (inches): Up to 24" of sediment noted
How was the storage tank cleaned? Diver and vacuum/hand nozzle system
How was the storage tank disinfected after cleaning? N/A
List any objects found inside the tank during cleaning that may have introduced contamination into the water system (examples: debris, animals, etc.): N/A
Please attach tank as-built drawings (if available) or a sketch of the tank's configuration and dimensions including the location, layout and dimensions of all major components (i.e. access hatch, vent, overflow, drain)

MEMO

To: Mayor Wimmer & City Council

From: Don Lorsung, City Administrator

Date: April 12, 2018

Subject: Resolution Approving Final Acceptance of the 2016 Wastewater Treatment Facility Improvements and Approve the Release of Securities.

The City Engineer has informed us that we are ready to proceed with project closeout for the 2016 Wastewater Treatment Facility Improvements (see attached letter). With that, staff has prepared a resolution to approve final acceptance of the Wastewater Treatment Facility Improvements, and to approve the release of securities that were pledged by the Contractor in lieu of retainage at the beginning of the project.

Attached is a Resolution for your consideration.

RESOLUTION NO. 2018-xxx

RESOLUTION APPROVING FINAL ACCEPTANCE OF THE 2016 WASTEWATER TREATMENT FACILITY IMPROVEMENTS AND APPROVE THE RELEASE OF SECURITIES FOR THE 2016 WASTEWATER TREATMENT FACILITY IMPROVEMENTS PROJECT

WHEREAS, the City has contracted with Gridor Construction Inc. for the 2016 Wastewater Treatment Facility Improvements; and

WHEREAS, Gridor Construction Inc. has completed all obligations of the contract, as required for final acceptance and approval; and

WHEREAS, the City approved the use of pledged securities per City Resolution 2016-235; and

WHEREAS, Gridor Construction Inc. has requested the release of securities being held as retainage for the project:

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, as follows:

1) That the City shall approve final acceptance of the 2016 Wastewater Treatment Facility Improvements, and the release of securities being held to Gridor Construction Inc. to close out the 2016 Wastewater Treatment Facility Improvements Project.

2) That the City Administrator is authorized to release pledged securities and sign project closeout documents.

This resolution was duly approved by the Isanti City Council this 17th day of April, 2018.

Attest: Mayor George A. Wimmer

Katie Brooks, Human Resources/City Clerk

RE: Wastewater Treatment Facility Improvements Project
Isanti, Minnesota
Bolton & Menk Project No. R13.109638

Dear Mr. Lorsung:

At this time we ask that you please issue a final release of securities for the above mentioned project. This release would close the retainage account. If you could please sign the bottom of this letter in the appropriate space and also the enclosed 'Pledge Release Form' from Wells Fargo Advisors, LLC. Please return both documents to our main office after signature of authorized official.

Feel free to contact me with any questions or comments at 763-746-9077.

Thank you for your consideration in this matter.

Sincerely,

Jason Theisen
Enclosures

The City of Isanti is hereby releasing securities for the above mentioned project which are held at Wells Fargo Advisors, LLC.

THIS POWER OF ATTORNEY IS NOT VALID UNLESS IT IS PRINTED ON RED BACKGROUND.

POWER OF ATTORNEY

KNOW ALL PERSONS BY THESE PRESENTS: That The Ohio Casualty Insurance Company is a corporation duly organized under the laws of the State of New Hampshire, has its principal executive office in the City of West Chester, Pennsylvania, and has authority to transact surety business throughout the United States; The Ohio Casualty Insurance Company is a corporation duly organized under the laws of the State of Ohio, has its principal executive office in the City of West Chester, Pennsylvania, and has authority to transact surety business throughout the United States; and West American Insurance Company is a corporation duly organized under the laws of the State of Indiana, has its principal executive office in the City of Fort Wayne, Indiana, and has authority to transact surety business throughout the United States (hereinafter collectively referred to as the "Companies"), do hereby severally make, constitute and appoint

at the city of Minneapolis, state of MN, each individually if there be more than one named, its true and lawful attorney-in-fact to make, execute, seal and deliver on its behalf as surety and as its act and deed any and all undertakings, bonds, recognizances and other surety obligations, in penalties not exceeding Fifty Million Dollars ($50,000,000.00) in the aggregate for any single obligation, and the execution of such undertakings, bonds, recognizances and other surety obligations pursuant to these presents shall be valid and binding upon each Company for which it is executed to the same extent as if it were signed by the president and sealed and attested by the corporate secretary of such Company.

This power of attorney is executed, and may be revoked, pursuant to and by authority of the By-Laws of each of the Companies.

Article IV, Section 8 of the By-Laws of The Ohio Casualty Insurance Company, Article IV, Section 8 of the By-Laws of The Ohio Casualty Insurance Company, and Article IV, Section 8 of the By-Laws of West American Insurance Company:

Section 8. Attorneys-in-Fact. The Chairman of the Board, the President, any Vice President, any Assistant Vice President, the Secretary, any Assistant Secretary, the Treasurer, or any Assistant Treasurer may appoint Attorneys-in-Fact and Agents to act for and on behalf of the Company and may give such appointee such authority as his certificate of authority may prescribe to sign with the Company's name and seal with its corporate seal bonds, recognizances, contracts of indemnity, and other writings obligatory in the nature of a bond, recognizance, or conditional undertaking, and any of the above officers may revoke any such appointment at any time.

Article XIII, Section 3 of the By-Laws of The Ohio Casualty Insurance Company, Article XIII, Section 3 of the By-Laws of West American Insurance Company:

Section 3. Facsimile Signatures. The facsimile or mechanical reproduction of the signature of any authorized officer of the Company may be affixed to any power of attorney or special power of attorney or certification of either given for the execution of any bond, undertaking, recognizance or other written obligation in the nature thereof, such reproduction having the same force and effect as if manually affixed.

In Witness Whereof, the Companies have caused this instrument to be signed and their corporate seals to be hereto affixed, this 1st day of May, 2008.

The Ohio Casualty Insurance Company
West American Insurance Company

By: David M. Carey, Assistant Secretary

State of Pennsylvania
County of Montgomery

On this 1st day of May, 2008, before me personally appeared David M. Carey, who acknowledged himself to be the Assistant Secretary of The Ohio Casualty Insurance Company and West American Insurance Company, and that he, as such, being authorized so to do, executed the foregoing instrument for the purposes therein contained by signing on behalf of the corporations by himself as a duly authorized officer.

In Witness Whereof, I have hereunto subscribed my name and affixed my notarial seal at King of Prussia, Pennsylvania, on the day and year first above written.

Commonwealth of Pennsylvania
Notarial Seal
Teresa Pastella, Notary Public
Upper Merion Twp., Montgomery County
My Commission Expires March 28, 2011
Member, Pennsylvania Association of Notaries

By: Teresa Pastella, Notary Public

I, the undersigned, Assistant Secretary of The Ohio Casualty Insurance Company, West American Insurance Company, and Ohio Casualty of New Jersey, Inc., do hereby certify that the above and foregoing is a true and correct power of attorney executed by said Companies, which remains in full force and effect.

Dated at West Chester, Pennsylvania, this 1st day of May, 2008.

The Ohio Casualty Insurance Company
West American Insurance Company

By: Assistant Secretary

WARNING: THIS POWER OF ATTORNEY IS INVALID AND UNENFORCEABLE UNLESS IT IS PRINTED ON RED BACKGROUND. THIS POWER OF ATTORNEY MAY NOT BE USED TO OBLIGATE THE COMPANY ON ANY BOND WITH A DATE OF MORE THAN THREE YEARS AFTER THE DATE OF THIS POWER OF ATTORNEY. THIS POWER OF ATTORNEY REVOKES ALL POWERS OF ATTORNEY DATED PRIOR TO THE EFFECTIVE DATE OF THIS POWER OF ATTORNEY.

Request for City Council Action - MEMO

To:	**Mayor Wimmer and Members of City Council**
From:	**Sean M. Sullivan, Economic Development Director**
Date:	April 17, 2018
Subject:	Consider Resolution 2018-XXX - Authorizing Execution of Assignment and Subordination of Development Agreement

---

Request:

The City of Isanti has been working diligently to prepare for the closing of the land and financing for the hotel project. The financial institution has requested a subordination agreement be executed as part of the closing which is a typical request. The City Attorney, legal counsel from Isanti Hotel Partners, LLC and Members Cooperative Credit Union and City Officials have reviewed the attached subordination agreement and have presented this to the City Council to consider for approval.

Attachment:

- Resolution 2018-XXX - Authorizing Execution of Assignment and Subordination of Development Agreement

RESOLUTION NO. 2018-XXX

AUTHORIZING EXECUTION OF ASSIGNMENT AND SUBORDINATION OF DEVELOPMENT AGREEMENT

WHEREAS, the City of Isanti (the "City" has authorized conveyance of real estate described as Lot 1, Block 1, Isanti Hotel Addition (the "Property") to Isanti Hotel Partners LLC (The "Developer") in Resolution 2017-256; and

WHEREAS, the City has awarded a business subsidy and authorized the execution of a development agreement (the "Development Agreement") with the Developer in Resolution 2017-256; and

WHEREAS, Members Cooperative Credit Union (The "Credit Union") has requested an agreement be executed to solidify the lien positions of the Credit Union and the City and to clarify Section 9.3 of the Development Agreement (the "Subordination Agreement") ; and

WHEREAS, the City Attorney and City Officials have reviewed the attached Subordination Agreement and agree that it protects the lien position and rights of the City granted within the Development Agreement.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to authorize the Mayor and City Administrator to execute the attached Subordination Agreement.

This Resolution hereby approved by the Isanti City Council this 17th day of April 2018.

Attest: _____
Mayor George A. Wimmer

_____
Katie Brooks
Human Resources / City Clerk

ASSIGNMENT AND SUBORDINATION OF DEVELOPMENT AGREEMENT AND BUSINESS SUBSIDIES

THIS ASSIGNMENT AND SUBORDINATION OF DEVELOPMENT AGREEMENT AND BUSINESS SUBSIDIES, is made and entered into effective as of April ___, 2018, by and among the **CITY OF ISANTI**, a Minnesota municipal corporation ("City"), **ISANTI HOTEL PARTNERS, LLC**, a Minnesota limited liability company ("Borrower"), and **MEMBERS COOPERATIVE CREDIT UNION** ("Lender").

W I T N E S S E T H:

WHEREAS, City and Borrower entered into that certain Contract for Private Development dated as of March 13, 2018 (the "Development Agreement"), pertaining to the real property located in the Isanti, Minnesota, legally described on Exhibit A attached hereto and hereby made a part hereof (the "Property"), a copy of the Development Agreement is attached hereto as Exhibit B.

WHEREAS, pursuant to the Development Agreement and subject to the terms and conditions of the Development Agreement, City agreed to provide Developer with certain business subsidies described in Article III of the Development Agreement (collectively, the "Business Subsidies").

WHEREAS, Borrower and Lender have entered into or will enter into that certain Construction Loan Agreement (the "Loan Agreement") for the purpose of funding a loan to be made by Lender to Borrower to finance the construction of certain improvements to the Property (the "Loan").

WHEREAS, the Loan will be evidenced by a Promissory Note (the "Note") and secured by a (a) Mortgage, Security Agreement and Fixture Financing Statement (the "Mortgage"), and (b) Assignment of Leases, Rents and Purchase Agreements (the "Assignment") (the Mortgage and the Assignment are collectively referred to as the "Security documents").

WHEREAS, Lender has required, as an express condition to extending the Loan, that (a) the Development Agreement be subordinated to the lien of the Security Documents, and (b) Borrower assign all of its rights under the Development Agreement and the Business Subsidies to Lender to secure the obligations of Borrower under the Loan Agreement and that City consent to such assignment.

NOW THEREFORE, in consideration of the foregoing recitals and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto hereby agree as follows:

1. Notwithstanding the order of recording the Security Documents and the Development Agreement, the Loan and the lien of the Security Documents shall in all respects be deemed to have priority over and is deemed to be superior and paramount to (a) the Development Agreement, and all rights of the City under the Development Agreement including without limitation the provisions of Section 9.3 of the Development Agreement, and (b) all reversion rights in favor of City contained in the deed conveying

the Property from City to Borrower.

2. Borrower hereby assigns to Lender all of Borrower's right, title and interest in the Development Agreement and the Business Subsidies to secure Borrower's obligations to Lender in connection with the Loan. To perfect Lender's security interest in the Business Subsidies, Borrower consents to Lender filing a UCC financing statement with respect to the Business Subsidies.

3. Borrower hereby represents and warrants to Lender that (a) there have been no prior assignments of the Development Agreement or the Business Subsidies, (b) the Development Agreement and the Business Subsidies are valid and enforceable, (c) neither City nor Borrower is in default thereunder, and (d) to date, all covenants, conditions and agreements have been performed as required therein, except those not to be performed until after the date hereof. Borrower agrees not to sell, assign, pledge, mortgage or otherwise transfer or encumber its interest in the Development Agreement or the Business Subsidies as long as this Agreement is in effect. Borrower hereby irrevocably constitutes and appoints Lender as its attorney-in-fact to demand, receive and enforce Borrower's rights with respect to the Development Agreement and/or the Business Subsidies for and on behalf of and in the name of Borrower or, at the option of Lender, in the name of the Lender, with the same force and effect as Borrower could do if this Agreement had not been made.

4. This Agreement shall constitute a perfected, absolute and present assignment, provided that Lender shall have no right under this Agreement to enforce the provisions of the Development Agreement or the Business Subsidies, or to collect any funds payable to Borrower pursuant to the Business Subsidies, or to exercise any rights or remedies under this Agreement until a default or event of default in connection with the Loan shall occur or be continuing. Borrower hereby indemnifies and holds City harmless from and against any claims or liabilities arising or purporting to arise from City acting at the direction of Lender as provided herein.

5. Upon the occurrence of a default in connection with the Loan, Lender may (but without obligation), without affecting any of its rights or remedies against Borrower under any other instrument, document or agreement, exercise its rights under this Agreement as Borrower's attorney-in-fact in any manner permitted by law and in addition Lender shall have the right to exercise and enforce any and all rights and remedies available after default to a secured party under the Uniform Commercial Code as adopted in the State of Minnesota. If notice to Borrower of any intended disposition of collateral or of any intended action as required by law in any particular instance, such notice shall be deemed commercially reasonable if given at least ten (10) days prior to the intended disposition or other action.

6. City hereby consents and agrees to the terms and conditions of this Agreement. City further represents and warrants to Lender that (a) the Development Agreement is a valid and enforceable agreement of City, (b) to the knowledge of the undersigned, neither City nor Borrower is in default thereunder, (c) to date, all covenants, conditions and

agreements have been performed as required therein, except those not to be performed until after the date hereof, (d) by proper notice (if required) and proper action, City has authorized the assignment of the Development Agreement and the Business Subsidies as provided herein, and (e) City has transferred the Business Subsidies to Lender on the registration records for the Business Subsidies maintained by City, if any.

7. City and Borrower agree that no change or amendment shall be made to the terms of the Development Agreement or to the Business Subsidies without the prior written consent of Lender.

8. City agrees that: (a) City will provide Lender with written notice of any default or breach by Borrower under the Development Agreement (the "City Notice"); (b) for a period of sixty (60) days after Lender receives the City Notice, Lender shall have the right, but not the obligation, to cure such default or breach; and (c) if Lender timely cures said default or breach, City will not exercise any remedies under the Development Agreement as a result of said default or breach.

9. Notwithstanding anything contained in this Agreement to the contrary and subject to the statutory redemption rights of Borrower in connection with the Loan, Lender agrees that: (a) Lender will provide City with written notice of any default or breach by Borrower in connection with the Loan only if Lender desires to accelerate the unpaid balance of the Loan and foreclose the lien of the Security Documents or accept a deed in lieu thereof (the "Lender Notice"); (b) for a period of one hundred eighty (180) days after the expiration of the applicable redemption period (provided Borrower does not redeem), prior to Lender marketing the Property to a third party, City shall have the option (but not the obligation) to elect to either (i) acquire the Property from Lender by paying Lender the fair market value of the Property, or (ii) cure the default or breach by Borrower and assume Borrower's obligations to Lender in connection with the Loan under the Loan Agreement, the Security Documents and the other documents executed in connection with the Loan, as may be amended. If City elects to exercise either option described above, City shall so notify Lender in writing prior to the expiration of said 180 day period; provided that if City elects to cure the default or breach and assume Borrower's obligations in connection with the Loan, City and Lender shall execute such documents as the parties mutually agree to evidence the same.

10. This Agreement can be waived, modified, amended, terminated or discharged only explicitly in a writing signed by Lender. A waiver by Lender shall be effective only in a specific instance and for the specific purpose given. Mere delay or failure to act shall not preclude the exercise or enforcement of any of Lender's rights or remedies hereunder. All rights and remedies of Lender shall be cumulative and shall be exercised singularly or concurrently, at Lender's option, and any exercise or enforcement of any one such right or remedy shall neither be a condition to nor bar the exercise or enforcement of any other.

11. This Agreement shall be governed by and construed in accordance with the laws of the State of Minnesota.

MEMO

TO: Mayor and Councilmembers

FROM: Katie Brooks, Human Resources/ City Clerk

DATE: April 17, 2018

Subject: Promotion of Katie Everett

It has been identified that Katie Everett, *Community Events and Parks Coordinator*, has been fulfilling the duties of the past position of *Community Events Manager/ Parks Coordinator*. The last update on the position was in November of 2013. Attached is the revised and updated job description that accurately reflects the duties Katie Everett has been currently performing. Katie Everett is currently at step 4. The job title will be changed to Parks, Recreation and Culture Manager. Upon approval, Katie's new rate would be 27.37 and the points would remain the same as they were previously in 2013 at 242.

RESOLUTION 2018-XXX

RESOLUTION APPROVING THE PROMOTION OF KATIE EVERETT TO PARKS, RECREATION AND CULTURE MANAGER POSITION

WHEREAS, with the recognition of the workload being managed by Katie Everett as currently titled as Community Events and Parks Coordinator the Personnel Committee has evaluated her job duties. The direction of the Personnel Committee, Human Resources/ City Clerk Katie Brooks have developed a new full-time position titled "Parks, Recreation and Culture Manger" for the City of Isanti. The job description, job points and salary were reviewed at the April 5, 2018 Personnel Committee meeting; and,

WHEREAS, the former responsibilities of Community Events and Parks Coordinator have increased to fit a management title. The duties are included in the new position of "Parks, Recreation and Culture Manager". The position will still report to the Public Works Director; and,

WHEREAS, with Katie's education, knowledge and experience serving her current position has increased, the Personnel Committee finds that it would be in the best interest of the City to internally promote Katie Everett to the Parks, Recreation and Culture Manager position. Katie Everett has agreed to this promotion:

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota as follows:

1) The full-time Planner position becomes a position effective April 17, 2018. Job duties are transferred into this position upon passage of this resolution.
2) The Parks, Recreation, Culture Manager job description, job points and salary range are approved and attached hereto as 'Exhibit A' and 'Exhibit B'.
1) This position is being offered to Katie Everett at $27.37 wage Step 4 of the new salary range effective upon passage of this resolution.
2) Upon acceptance of the new position, Katie Everett will move to full-time employment status is effective April 17, 2018.

This Resolution is hereby approved by the Isanti City Council this 17th day of April, 2018.

City of Isanti
Economic Development Authority
Regular Meeting Minutes of
April 3, 2018
Isanti City Hall

1. Call To Order

The meeting was called to order by President George Wimmer at 7:25 p.m.

a. Pledge of Allegiance

b. Roll Call

Members Present:	Tara Hallberg, Steve Lundeen, Ross Lorinser, Dan Collison, Paul Bergley, Jill Reller and George Wimmer
Members Absent:	None
Staff Present:	Economic Development Director Sean Sullivan

c. Agenda Modifications

2. Approval of Agenda

Economic Development Director Sullivan asked to add 3.1 Consider Survey for New Isanti Residents to the Agenda. Motion by Commissioner Lundeen, seconded by Comissioner Bergley to approve Agenda adding Item 3.1 Consider Survey for New Isanti Residents to the Agenda. Motion carried unanimously.

3. Approve Minutes of March 6, 2018 Regular Economic Development Meeting

Motion by Commissioner Lundeen seconded by Commissioner Lorinser to approve the minutes for March 6, 2018. Motion carried unanimously

3.1 Consider Survey for New Isanti Residents

ED Director Sullivan highlighted the survey conducted in January 2017. He indicated that the survey had a 36% participation rate which was statistically significant. Isanti is growing quickly and getting meaningful data on why people are moving here and to get a better pulse on the housing market is important. He revised the survey to include some questions in reference to the City website to hopefully get some feedback from new residents on how to improve it. He explained that it would be possible to expand the scope of the survey to all new residents within a certain time period, not just ones that constructed new homes.

President Wimmer reiterated that this proposed survey would include both new construction and new residents which is an expanded scope and will provide better a better data set. He stated that the cost be shared with Park, Recreation and Culture Board and to put a not to exceed amount from the EDA.

The memo provided a cost estimate of $1,038.93 based on 500 surveys.

Motion by Commissioner Lorinser seconded by Commissioner Collison to move forward with conducting a survey and to share the cost with Park Recreation and Culture Board in an amount not to exceed $1,038.93. Motion carried unanimously.

4. Other Business / Updates

Economic Development Director Sullivan highlighted the Staff Memo. Sullivan indicated that the Hotel project was moving along as planned and was on schedule to close on or before April 30, 2018. He reminded the EDA of the April 14-15 BMX Event and the 200 bags that would be distributed at the event. Sullivan stated that 16 new SFR permits had been pulled with 6 more in process. This puts the City ahead of last year's pace which totaled 91 at years end. City representation at the state capitol for the EDAM and LMC events was effective.

President Wimmer stated that the 25 SFR building permits was budgeted for the Sewer and water systems and that the growth has allowed Isanti reduce rates and SAC and WAC charges.

Economic Development Director highlighted the new arrival of Joes Cabinetry Shop and Cellular Clinic and that they were going to have grand openings set up when the weather gets nice.

Sullivan stated that he and President Wimmer had attended the LMC Day at the Capitol together and that the city message was well received by our local legislators along with other key members of each caucus. Meeting multiple times over multiple years with legislators is making a difference.

President Wimmer echoed the effectiveness of the visits with legislators. He stated that communications with legislators during this session had led to direct action that was positive for the City of Isanti in regards to local government control. He spoke specifically to a bill that includes reducing retainage for city projects. He indicated that this would provide for an environment where project could be left incomplete. He also indicated that the City was able to meet with Key leaders in each caucus which is a good way to assure that the City of Isanti concerns are being heard and addressed.

Commissioner Lundeen highlighted the demolition of the Riverside Market building and that they did a good job with the demolition. He thanked the previous businesses for their time here but welcomed the new investment to the city of Isanti.

Economic Development Director Sullivan stated that the development standards in place along Hwy 65 set the tone for future development and prevent costly future redevelopment project in the future. The face of Isanti is changing with the removal of Riverside Market and Burger Top buildings. He indicated we get one chance to "do it right".

MEMORANDUM

Date: April 11, 2018

To: Honorable Mayor Wimmer and Members of the City Council

From: Bradley C. DeWolf, P.E.
City Engineer

Jason W. Cook, P.E.
Assistant City Engineer

Subject: Project Status Report
Isanti, MN
Project No.: R13.115547

Please find listed below a status report of the current projects in the City of Isanti:

1) **2017 Palomino Road Improvements**

Final sodding will take place in the spring prior to the final pavement installation.

2) **Arts & Science Addition**

The final pavement lift will occur this spring.

3) **MS4 Phase 2 & 3 Implementation**

We will continue to assemble documents to assist the City in meeting the requirements of the MS4 permit for Phase 2 and Phase 3 of the implementation schedule.

4) **Wastewater Treatment Improvements**

We have received all project closeout documents and recommend release of securities.

5) **Cajima Street/TH 65 Signal Study**

We will continue with discussions with MnDOT regarding funding and layout.

6) **Richard Avenue Feasibility Report**

We have completed the Richard Avenue feasibility report.

7) **2018 Storm System Maintenance Project**

We will continue to design the plans and specifications.

8) **2018 Pavement Maintenance Project**

We will continue to design the plans and specifications.

In addition to the current projects listed above we have completed and accepted 48 private developments and 61 city contracts since being selected as your City Engineer in 2008.

Please contact me if you have any questions.

Bolton & Menk is an equal opportunity employer.

3. Economic Development Authority	Tuesday, May 1, 2018 at 7:00 p.m. (*Immediately following City Council Meeting*)

H. Council Committee Reports
1. Presentation of Annual Fire District Report

Lieutenant Zach Lundberg presented the Annual Fire District Report to the City Council. There was a total of 414 runs for the City of Isanti in 2017 with 292 of those being EMS responses, excluding vehicle accidents with injuries. Mayor Wimmer asked if there was a break-down for the average cost per type of run. Lieutenant Lundberg replied there was not but he will make a recommendation to include that information in the future.

Discussions about the report included vehicles owned by the Fire District and what the long-term capital replacement plan was for replacing station vehicles. Mayor Wimmer also repeated a

compliment he had heard about the response time for the fire district. When asked about the overnight response time, Lieutenant Lundberg said there has been a Duty Crew system in place for the last five years. There are two people responsible for taking calls overnight from 9:00 pm-5:00 am and weekends; those individuals also respond directly from their homes in rescue vehicles with shifts being rotated among members. Mayor Wimmer tied in how a benefit received for the City and residents was the good fire insurance ratings in the area in part due to the response times. Lieutenant Lundberg credited the leadership of both the past and current Fire Chief in keeping up with training trends and community needs.

I. Public Hearings

None.

J. Business Items

1. **Resolution 2018-093** Accepting the 2017 Audit and Financial Statement and Presentation of 2017 Annual Financial Report and Management Letter

Steve McDonald and Bonnie Schwieger of Abdo, Eick, and Meyers, LLP (AEM) presented the 2017 Audit and Financial Statement to the City Council. The Council Members were provided with hard copies of the full audit for review. Mr. McDonald shared that AEM provides audit services to approximately 100 cities in Minnesota, ranging in population sizes of 500-50,000. Ms. Schwieger said the City has been provided with a clean and unmodified opinion. Nothing was seen that led them to believe anything was being looked over or wasn't working properly. Of note was a finding from last year which had been resolved and was not on the current year's audit. There were two findings. The first was that of many small cities, which occurs when within the preparation of financial statements there are not enough people involved in the process to accurately segregate the duties. The second was a new recommendation for an adjustment in bid processes in response to a small typo found on a bid form. It was suggested the City implement a process to review all contract documents; this process has been implemented and will be used going forward.

Mr. McDonald went through the financial highlights. The City's General Fund has adequate working capital to pay all bills for the first 6 months of the year. At the end of 2017, the fund balance was 58% of the 2018 budget. The League of Minnesota Cities, the State Auditor, and AEM all recommend a 35-50% fund balance being the minimum threshold so the City is right on track. Mayor Wimmer commented that the City policy was to have 50%.

Mr. McDonald continued with the Enterprise Fund, made up of the Water, Sewer, Storm Water, and Liquor Funds, having a theme of good cash balances relative to operating expenses. Receipts exceed disbursements meaning the charges are sufficient to cover the cost of running the system and pay some of the bonds. In the Sewer Fund, positive cash flow is being generated allowing project costs to be paid. Mayor Wimmer interjected to explain that it allowed for some projects, such as the pre-treatment for the sewer project, to be paid partially for in cash rather than incurring more debt. The Storm Water Fund has a positive cash balance for the first time in the last three years. Mayor Wimmer explained that work on the storm water system is planned to comply with MS4 regulations. The Liquor Fund shows really good, consistent results. Gross profit is 27% of sales in comparison with the state average of 25% and has an overall income before transfers being 11.3% compared with the state-wide average of about 7%. Together it shows a healthy operation with a positive cash flow, which has been consistent for the last 3 years. Mayor Wimmer commented that the liquor store funds were about 15% of the total property tax levy which was very beneficial to the City.

Mr. McDonald explained the expenditures per capita was below the peer-group average. Debt per capita has decreased and taxes per capita is consistent with peer-group averages. Mayor Wimmer pointed out that the City spent about 20% less in administrative costs than the peer group with the

exception of public safety, which is about 27% higher. However, the City has made public safety a priority and the result of that is excellent emergency services. Overall, the City is doing incredibly well.

Motion by Lorinser, second by Collison to approve acceptance of the 2017 Audit and Financial Statement via the Resolution as presented. Motion carried.

K. Approve Consent Agenda

1. Consider Accounts Payable in the Amount of $134,464.47 and Payroll in the amount of $95,789.31
2. Final Meeting Minutes for the March 6, 2018 Economic Development Authority Meeting

Isanti

To: Mayor Wimmer & City Council

From: Don Lorsung, City Administrator

MEMO

Date: April 5, 2018

Subject: 2018 Phase IV Street Lighting Infill Program

The City Council has budgeted for the 2018 Phase III Street Lighting In-fill Program. Staff has worked with the Public Works Committee to identify street lighting infill and upgrade spots in Isanti. The proposed program includes placement of 4 new street lights and upgrades of 2 existing lights as follows: 1) a roadway street light placed on an existing power pole across from 459 3rd Avenue NW, 2) a new residential street light placed next to 1207 Wendover Street NW, 3) replacement of a residential street light fixture with a commercial fixture at the intersection of Blossom Boulevard NW and Whiskey Road NW, 4) replacement of a residential street light fixture with a commercial street light fixture at the corner of Isanti Parkway NW and Whiskey Road NW, 5) installation of a commercial street light fixture on Isanti Parkway NW, west of the 3rd Avenue NW intersection, and 6) installation of a roadway street light on an existing power pole east of the IIA (next to the parking lot). Attached is a map depicting these locations.

Connexus has provided an Outdoor Lighting Construction Contracts and a Maintenance Agreement for the new lighting (see attached). The estimated construction cost for all proposed lighting is $16,806.25. This is within the 2018 budgeted amount of $20,000. Attached for your consideration is Resolution approving the construction contract and lighting maintenance agreement.

RESOLUTION NO. 2018-xxx

A RESOLUTION AUTHORIZING ENTERING INTO A CONSTRUCTION CONTRACT AND ENERGY AND MAINTENANCE AGREEMENT WITH CONNEXUS ENERGY FOR THE 2018 PHASE IV STREET LIGHTING INFILL PROGRAM

WHEREAS, the City of Isanti, City Council, through adoption of the 2018 City Budget, approved the 2018 Phase IV Street Lighting Program; and

WHEREAS, the 2018 program has been reviewed and recommended for approval by the Public Works Committee; and

WHEREAS, Connexus Energy has provided an estimated cost of $16,806.25 for installation of the street lights, and will charge $ 7.76 per month for a LED Traditionaire fixture, and $ 6.76 per month for a LED Cobra fixture, and $ 9.76 per month of a LED commercial fixture, subject to change for the monthly energy and maintenance costs; and

WHEREAS, the construction amount is within the 2017 budgeted funds for the Street Lighting Program,

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Isanti, Minnesota to hereby approve the Outdoor Lighting New Construction Contracts for installation of the Street Lighting for $16,806.25 and the monthly Energy and Maintenance Agreement from Connexus Energy for the monthly energy and maintenance costs on the aforementioned lights and authorize the City Administrator to sign said contract and agreement.

This Resolution was duly adopted by the Isanti City Council this 1st day of May 2018.

Isanti

STAFF REPORT

TO: Mayor Wimmer
Members of the Isanti City Council

FROM: Ryan Kernosky, Community Development Director

DATE: May 1, 2018

SUBJECT: **CONSIDERATION OF KWIK TRIP FINAL PLAT "KWIK TRIP 1019"**

Background
Kwik Trip Inc. (applicant) has purchased PID 160400830 and PID 160530010 (better known as the former Riverside Market parcels) and has submitted a Final Plat titled "Kwik Trip 1019", combining the two parcels into one for the construction of the previously approved Kwik Trip.

Preliminary Plat
The preliminary plat of "Kwik Trip 1019" was approved by the City in December 2017 with the following conditions:

1) 60 feet of right of way from the Centerline of CSAH 5 is dedicated to the County.
2) Any work in the right of way receive prior approval/permits from the proper entities.

Final Plat
The final plat submitted provides an additional 27' of CSAH 5 Right of Way, bringing the total Right of Way from the centerline of CSAH 5 to 60'. Utility and drainage easements are retained in the final plat.

Staff Comments
The City and County Engineer have reviewed the final plat. Their comments are provided in the attached pages. Staff recommends **APPROVAL** of the proposed final plat with the following conditions:

1) Utility Easement described in Isanti County Document 300498 along the existing (pre-plat) South property line is vacated per MN Stats. §462.358 Subd. 7.

2) Upon approval of the Final Plat by the City Council, the City Clerk or his/her designee shall record it with the County Recorder's Office within ninety (90) days after the date of approval; otherwise, failure of the applicant to comply and submit the necessary items and fees for the recording of the Final Plat by the City shall be cause for revoking the City's approval and the Final Plat shall be considered void, unless the developer or applicant requests an extension, in

writing and receives approval from the City Council. The City Council may approve up to two (2) extensions for a term not to exceed one (1) additional year for each extension. Fees associated with the recording of the Final Plat will be charged back to the developer or subdivider.

3) The subdivider shall immediately upon approval, furnish the City Administrator or his/her designee with three (3) full size mylar transparencies of the Final Plat, two (2) for the County and one (1) for the City. Three (3) additional 11 inch by 17 inches mylar transparencies shall be given to the City Planner, the City Clerk, and Isanti County. No building permits shall be issued until these conditions have been complied with.

4) Heritage Boulevard Right of Way shall be conveyed to Isanti County.

5) Any work in the right of way receive prior approval/permit from the proper entities.

Certification of Taxes Paid
Prior to approving an application for a final plat, certification must be provided to the City that there are no delinquent property taxes, special assessments, penalties, interest, or outstanding municipal utility fees. As of April 11, 2018, all taxes have been paid.

Public Notice
Notice of the public hearing was published in the *Isanti County News* on April 4, 2018. Written notification was provided to property owners located within 350' of the subject site as required by Minnesota State Statute.

Public Comment
No public comment regarding the proposed final plat has been received prior to the release of this staff report.

Planning Commission Recommendation
The City of Isanti Planning Commission held a public hearing on April 17, 2018. The Planning Commission has recommended approval with the conditions stipulated in the proposed Resolution.

Deadline for City Council Action
The applicant submitted the application for final plat approval on March 28, 2018, it was deemed complete by staff on March 29, 2018. Per MN Stats. §462.358 subd. 3b, the City must act on this request by July 29, 2018.

RESOLUTION 2018-006

A RESOLUTION APPROVING THE PRELIMINARY PLAT OF KWIK TRIP 1019

WHEREAS, Kwik Trip, Inc. has made application for Preliminary Plat Approval for Kwik Trip 1019; legally described as:

Parcel 1 (PID 16.040.0830):

> That part of the Southwest Quarter of the Northwest Quarter (SW 1/4 of NW 1/4) of Section Twenty-nine (29), Township Thirty-five (35), Range Twenty-three (23), Isanti County, Minnesota, described as follows: Commencing at the point of Intersection of the East-West Quarter line of Section 29 with the Easterly right-of-way line of the Burlington-Northern Railroad (formerly known as the Great Northern Railway); thence Easterly on an assumed azimuth of 90 degrees 00 minutes, 30 seconds, along the East-West Quarter line of Section 29, a distance of 834.08 feet; thence Northerly on a azimuth of 358 degrees 50 minutes 10 seconds, a distance of 33.01 feet to the point of beginning of the parcel herein described on the North line of the south 33 feet of the SW 1 /4 of NW 1 /4 of Section 29; thence continuing Northerly on an azimuth of 358 degrees 50 minutes 10 seconds, a distance of 370 feet; thence Easterly on a azimuth of 90 degrees 00 minutes 30 seconds, parallel with the South line of the SW 1/4 of NW 1/4 of Section 29, a distance of 330 feet to the East line of the SW 1/4 of NW 1/4 of Section 29; thence Southerly on an azimuth of 178 degrees 50 minutes 10 seconds, along said East line, a distance of 370 feet to the North line of the South 33 feet of the SW 1/4 of NW 1/4; thence Westerly on an azimuth of 270 degrees 00 minutes 30 seconds, along said North line. a distance of 330 feet to the point of beginning.

AND

Parcel 2 (PID 16.053.0010):

> Lot One (1). Block One (1), Dual Industrial Park. excepting therefrom however, the North 132 feet thereof, Isanti County, Minnesota; and,

WHEREAS, the City of Isanti Planning Commission conducted a public hearing on the Preliminary Plat on December 19, 2017; and,

WHEREAS, all required public notices regarding the public hearing were posted and send to property owners within 350 feet of the subject properties; and,

WHERAS, the City of Isanti Planning Commission has recommended approval of the Preliminary Plat 'Kwik Trip 1019' with conditions; and,

WHEREAS, the City Council reviewed the Preliminary Plat request at the regularly scheduled meeting on January 2, 2017.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Isanti, Minnesota, that it adopts the Findings of Fact and Conclusion related to the requested Preliminary Plat of Kwik Trip 1019.

BE IT FURTHER RESOLVED that the requested Preliminary Plat Approval from Kwik Trip, Inc. be approved with the following conditions:

1) A total of 60 feet of Right of Way is required to be dedicated along CSAH 5, measured from CSAH 5 centerline, per County Engineer's comments.
2) Any work done in the City or County Right of Way must receive permits from the proper jurisdiction.

This Resolution is hereby approved by the Isanti City Council this 2nd day of January, 2018.

Mayor George A. Wimmer

Attest:

Katie Brooks
Human Resources/City Clerk

RESOLUTION NO. 2018-XXX

A RESOLUTION APPROVING THE FINAL PLAT OF "KWIK TRIP 1019"

WHEREAS, Kwik Trip, Inc. has made application for Final Plat Approval for "Kwik Trip 1019"; which is legally described as Lot 1, Block 1, Kwik Trip 1019, Isanti County, Minnesota; and,

WHEREAS, the City of Isanti has approved the Preliminary Plat of "Kwik Trip 1019" during the regularly scheduled City Council Meeting on January 2, 2018 through Resolution No. 2018-006 with conditions; and,

WHEREAS, said Resolution 2018-006 included conditions that have been met by the applicant; and,

WHEREAS, the City of Isanti Planning Commission conducted a public hearing on the Final Plat on April 17, 2018; and,

WHEREAS, all required public notices regarding the public hearing were posted and send to property owners within 350 feet of the subject properties; and,

WHERAS, the City of Isanti Planning Commission has recommended approval of the Final Plat "Kwik Trip 1019" with conditions; and,

WHEREAS, the City Council reviewed the Final Plat request at the regularly scheduled meeting on May 1, 2018.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Isanti, Minnesota, that it adopts the Findings of Fact and Conclusion related to the requested Final Plat of Kwik Trip 1019.

BE IT FURTHER RESOLVED that the requested Final Plat Approval for Plat "Kwik Trip 1019" from Kwik Trip, Inc. be approved with the following conditions:

1) Utility Easement described in Isanti County Document 300498 along the existing (pre-plat) South property line is vacated per MN Stats. §462.358 Subd. 7.

2) Upon approval of the Final Plat by the City Council, the City Clerk or his/her designee shall record it with the County Recorder's Office within ninety (90) days after the date of approval; otherwise, failure of the applicant to comply and submit the necessary items and fees for the recording of the Final Plat by the City shall be cause for revoking the City's approval and the Final Plat shall be considered void, unless the developer or applicant requests an extension, in writing and receives approval from the City Council. The City Council may approve up to two (2) extensions for a term not to exceed one (1) additional year for each extension. Fees associated with the recording of the Final Plat will be charged back to the developer or subdivider.

3) The subdivider shall immediately upon approval, furnish the City Administrator or his/her designee with three (3) full size mylar transparencies of the Final Plat, two (2) for the County and one (1) for the City. Three (3) additional 11 inch by 17 inches mylar transparencies shall be given to the City Planner, the City Clerk, and Isanti County. No building permits shall be issued until these conditions have been complied with.

4) Heritage Boulevard Right of Way shall be conveyed to Isanti County.

5) Any work in the right of way receive prior approval/permit from the proper entities.

This Resolution is hereby approved by the Isanti City Council this 1st Day of May, 2018.

Attest:

Mayor George A. Wimmer

Katie Brooks
Human Resources/City Clerk

KWIK TRIP 1019

Sec. 29, T. 35, R. 23
City of Isanti
County of Isanti

KNOW ALL MEN BY THESE PRESENTS: That Kwik Trip, Inc., a Wisconsin corporation, owner, of the following described property situated in the State of Minnesota, County of Isanti, to wit:

That part of the Southwest Quarter of the Northwest Quarter (SW 1/4 of NW 1/4) of Section Twenty-nine (29), Township Thirty-five (35), Range Twenty-three (23), Isanti County, Minnesota, described as follows:
Commencing at the point of intersection of the East-West Quarter line of Section 29 with the Easterly right-of-way line of the Burlington-Northern Railroad (formerly known as the Great Northern Railway); thence Easterly on an assumed azimuth of 90 degrees 00 minutes, 30 seconds, along the East-West Quarter line of Section 29, a distance of 834.08 feet; thence Northerly on a azimuth of 358 degrees 50 minutes 10 seconds, a distance of 33.01 feet to the point of beginning of the parcel herein described on the North line of the south 33 feet of the SW 1/4 of NW 1/4 of Section 29; thence continuing Northerly on an azimuth of 358 degrees 50 minutes 10 seconds, a distance of 370 feet; thence Easterly on a azimuth of 90 degrees 00 minutes 30 seconds, parallel with the South line of the SW 1/4 of NW 1/4 of Section 29, a distance of 330 feet to the East line of the SW 1/4 of NW 1/4 of Section 29; thence Southerly on an azimuth of 178 degrees 50 minutes 10 seconds, along said East line, a distance of 370 feet to the North line of the South 33 feet of the SW 1/4 of NW 1/4; thence Westerly on an azimuth of 270 degrees 00 minutes 30 seconds, along said North line, a distance of 330 feet to the point of beginning.

AND

Lot One (1), Block One (1), Dual Industrial Park, excepting therefrom however, the North 132 feet thereof, Isanti County, Minnesota

Has caused the same to be surveyed and platted as KWIK TRIP 1019 and does hereby dedicate to the public for public use forever the highway and the drainage and utility easements as shown on this plat.

FINDINGS OF FACT AND CONCLUSION

Final Plat – "Kwik Trip 1019"

April 17, 2018
Prepared by Community Development Director Ryan Kernosky

Request

Kwik Trip, Inc (applicant) has submitted a Final Plat Approval of the Plat titled *Kwik Trip 1019*, legally described as Lot 1, Block 1, Kwik Trip 1019, Isanti County, Minnesota.

Findings of Fact

1. The applicant has made an application for a Final Plat Approval of Kwik Trip 1019, Isanti County, Minnesota.
2. The applicant, through City of Isanti Resolution 2018-006 has been approved of the Preliminary Plat of Kwik Trip 1019, Isanti County, Minnesota.
3. The property is legally described as:

   Lot 1, Block 1, Kwik Trip 1019, Isanti County, Minnesota

4. The applicant is requesting Final Plat Approval to combine two lots into one lot to construct a gas station, convenience store, and car wash.
5. The property is zoned "B-2" General Business District with the Heritage Blvd Overlay.
6. A Final Plat is considered a major change requiring a public hearing and notification of all property owners within 350'; and final approval of the City Council.
7. The applicant submitted the application for Final Plat Application on March 28, 2018. The application was deemed complete on March 29, 2018.
8. A public hearing date before the Planning Commission was scheduled for Tuesday April 17, 2018 at 7:00 p.m. at City Hall within the Council Chambers.
9. Notices were sent to all property owners located within the development and within 350 feet of the subject property.

Conclusions

1. The platting of the property would appear to meet the lot requirements and setback requirements as provided within the zoning ordinance for properties located within the "B-2" General Business District.

2. The platting of the property would appear to meet the Design Standards as required by Ordinance No. 536.

3. Utility Easement described in Isanti County Document 300498 along the existing (pre-plat) South property line is vacated per MN Stats. §462.358 Subd. 7.

4. Upon approval of the Final Plat by the City Council, the City Clerk or his/her designee shall record it with the County Recorder's Office within ninety (90) days after the date of approval; otherwise, failure of the applicant to comply and submit the necessary items and fees for the recording of the Final Plat by the City shall be cause for revoking the City's approval and the Final Plat shall be considered void, unless the developer or applicant requests an extension, in writing and receives approval from the City Council.

The City Council may approve up to two (2) extensions for a term not to exceed one (1) additional year for each extension. Fees associated with the recording of the Final Plat will be charged back to the developer or subdivider.

5. The subdivider shall immediately upon approval, furnish the City Administrator or his/her designee with three (3) full size mylar transparencies of the Final Plat, two (2) for the County and one (1) for the City. Three (3) additional 11 inch by 17 inches mylar transparencies shall be given to the City Planner, the City Clerk, and Isanti County. No building permits shall be issued until these conditions have been complied with.

6. Heritage Boulevard Right of Way shall be conveyed to Isanti County.

7. Any work in the right of way receive prior approval/permit from the proper entities.

Decision

The Planning Commission held a public hearing on the item at the April 17, 2018 regularly scheduled meeting.

Motion by Lundeen, seconded by Lorinser to approve with conditions within the Resolution. Motion passed unanimously

Isanti

STAFF REPORT

TO: Mayor George Wimmer
Members of the Isanti City Council

FROM: Ryan Kernosky, Community Development Director

DATE: May 1, 2018

SUBJECT: **CONSIDERATION OF ISANTI RETAIL MEATS CONDITIONAL USE PERMIT AMENDMENT**

Background
Isanti Retail Meats (applicant) has applied for an amendment to the existing Conditional Use Permit (City of Isanti Resolution No. 2008-157) to allow for a sit-down restaurant in conjunction with the existing meat market located at 30 Main Street W (PID 160500440). Per City of Isanti Zoning Code Section 7, Article 1, Subd. 3(L) *Restaurants* are a conditional use in the B-1 Central Business District.

Because Resolution 2008-157 has been approved for the operation of a meat market at the above address, it's required to amend the existing Conditional Use Permit to allow for a Restaurant.

Proposal
The applicant intends to operate a broasted chicken restaurant inside the existing building. The proposal includes a buffet-style layout with the chicken and various sides, and five tables.

B-1 Central Business District Zoning/ D-1 Downtown Overlay District Purpose

The purpose of the "B-1" Central Business District (CBD) is to promote mutually compatible business activities in downtown Isanti. What makes the Central Business District unique from the General Business District is that it is a commercial area that serves as a focal point both culturally and historically for the City of Isanti. Commercial uses, to include but are not limited to retail, office, and service uses; encourage and support pedestrian movement and activity within the Central Business District. To keep and preserve the character of this area, development and redevelopment of parcels within the district shall be architecturally compatible with the existing structures and should be arranged so as to encourage a compact, high density environment. New buildings and renovations to existing buildings should enhance the small town character found within the downtown area.

The purpose of the "D-1" Downtown Overlay District is to provide for the orderly and integrated development of the Central Business District and the surrounding Central Business Transitional District. The Central Business District and surrounding area are fragmented. The Downtown Overlay District will unite the area and establish standards that take into consideration the unique identity found within this

area. It is the purpose of the Article to implement minimum standards that promote high-quality architectural and site design for residential, commercial, and mixed-use buildings and within the downtown overlay district. The standards provided herein are intended to preserve and restore unique and historical buildings; ensure coordinated design of new and existing buildings, minimize adverse impacts on adjacent properties from buildings which may detract from the character and appearance of the district; protect vehicular and pedestrian movements throughout the area; and aid in improving the overall economic viability of the district.

General Performance Standards
As may be applicable, the evaluation of any proposed conditional use permit request shall be subject to and include, but not be limited to, the following general performance standards and criteria (Additional specific standards and criteria may be cited for respective conditional uses, as noted within each particular zoning district. A request shall be evaluated based upon those additional standards and criteria when provided). *City Staff Comments are italicized:*

A. The use and the site in question shall be served by a street of sufficient capacity to accommodate the type and volume of traffic which would be generated an adequate public right-of-way shall be provided.

The use and site already exist and are serviced by a street of sufficient capacity. It is not expected that the addition of the restaurant will greatly impact the volume nor type of traffic. Existing public right of way is provided, and is of sufficient capacity.

B. The site design for access and parking shall minimize internal as well as external traffic conflicts and shall be in compliance with Section 17 of this Ordinance.

The existing site has minimal parking (in rear, along alleyway). Because the subject parcel is within the D-1 Downtown Overlay District, they are not required to provide additional parking if the required parking spaces cannot be provided fully on the site, and if there is adequate public or shared lots elsewhere in the Downtown Overlay District. Staff believes that there is adequate public and shared lots elsewhere in the Downtown Overlay District.

C. If applicable, a pedestrian circulation system shall be clearly defined and appropriate provisions made to protect such areas from encroachment by parked or moving vehicles.

This is non-applicable to the request.

D. Adequate off-street parking and off-street loading shall be provided in compliance with Section 17 of this Ordinance.

The existing site has minimal parking (in rear, along alleyway). Because the subject parcel is within the D-1 Downtown Overlay District, they are not required to provide additional parking if the required parking spaces cannot be provided fully on the site, and if there is adequate public or shared lots elsewhere in the Downtown Overlay District. Staff believes that there is adequate public and shared lots elsewhere in the Downtown Overlay District.

E. Loading areas and drive-thru facilities shall be positioned so as to minimize internal site access problems and maneuvering conflicts, to avoid visual or noise impacts on any adjacent residential use or district, and provided in compliance with Section 17 of this Ordinance.

Existing loading facilities are provided through the alleyway.

F. Whenever a non-residential use is adjacent to a residential use or district, a buffer area with screening and landscaping shall be provided in accordance with the provisions of Section 15 of this Ordinance.

This is non-applicable to the request.

G. General site screening and landscaping shall be provided in compliance with Section 15 of this Ordinance.

This is non-applicable to the request.

H. All exterior lighting shall be directed so as not to cast glare toward or onto the public right-of-way or neighboring residential uses or districts, and shall be in compliance with Section 14 of this Ordinance.

This is non-applicable to the request.

I. The site drainage system shall be subject to the review and approval of the City Engineer.

This is non-applicable to the request.

J. The architectural appearance and functional design of the building and site shall not be so dissimilar to the existing and potential buildings and area so as to cause a blighting influence. All sides of the principal and accessory structures are to have essentially the same or coordinated, harmonious exterior finish materials and treatment.

This is non-applicable to the request.

K. Provisions shall be made for daily litter control, an interior location for recycling and trash handling and storage or an outdoor, enclosed receptacle area shall be provided in compliance with Section 14 of this Ordinance.

The existing business currently practices daily litter control, and provides recycling and trash handing on site.

L. All signs and informational or visual communication devices shall be in compliance with Section 16 of this Ordinance.

A sign permit has not been applied for, however, City Staff and the applicant are currently working on a sign that is in compliance with the aforementioned sign.

M. The use and site shall be in compliance with any federal, state, or county laws or regulations that are applicable and any related permits shall be obtained and documented to the City.

This is non-applicable to the request.

N. Any applicable business licenses mandated by City Code are approved and obtained.

This is non-applicable to the request.

O. The hours of operation may be restricted when there is judged to be an incompatibility with a residential use or district.

This is non-applicable to the request.

P. The use complies with the applicable performance standards of the zoning district in which it is located and where applicable, any non-conformities shall be eliminated.

The proposed use complies with all standards within the B-1 and D-1 zoning district and overlay district, respectively.

Q. Additional Stipulations. All conditions pertaining to a specific site are subject to change when the City Council, upon investigation in relation to a formal request, finds that the general public health, safety, and welfare, can be served as well or better by modifying or expanding the conditions set forth herein.

1) All applicable licenses are obtained from the proper authorities.
2) Any expansions or enlargement of the dining room area be approved through an amended conditional use permit.

2008 Comprehensive Plan
The proposed use falls within the CBD Business future land use designation, and within the Mixed Use Overlay designation.

The CBD Business is defined to provide for a variety of retail, service, public and office uses which are compatible with pedestrian movement and generate pedestrian activity in a compact, higher-density environment. Development and redevelopment of this area should be done in a way that is architecturally compatible with existing structures, and that enhances the small-town character and downtown area of Isanti.

Mixed Use is a new land use designation designed for the purpose of allowing a combination of residential units and commercial uses. Buildings can include townhomes, low and high rise apartments, condominiums, and retail/services designed to serve the residential community. Density ranges are normally 10 units per acre and above. The unique aspect to mixed use is the creativity involved in the design. Within a mixed use development a small "community" is created thus architecture, site and landscaping, streets and building placement are important aspects to creating the overall community. Mixed use areas can be newly created subdivisions designed to provide a variety of residential dwellings and commercial spaces with detailed architecture, open spaces and linkages to natural features. Mixed use can also be applied to infill situations where a more creative approach and varied uses in a project is needed. A new zoning category will be required to correspond with the intent of the Mixed Use designation.

Staff Comments
City staff has reviewed the request and believe that it is consistent with the existing zoning and 2008 Comprehensive Plan. As such, I am recommending **APPROVAL** with the following conditions:

1) All applicable licenses are obtained from the proper authorities.
2) Any expansions or enlargement of the dining room area be approved through an amended conditional use permit.

Certification of Taxes Paid
Prior to approving an application for an amendment to a conditional use permit, certification must be provided to the City that there are no delinquent property taxes, special assessments, penalties, interest, or outstanding municipal utility fees. As of April 11, 2018, all taxes have been paid.

Public Notice

Notice of the public hearing was published in the *Isanti County News* on April 4, 2018. Written notification was provided to property owners located within 350' of the subject site as required by Minnesota State Statute.

Public Comment
No public comment regarding the proposed amendment to the conditional use permit has been received prior to the release of this staff report.

Planning Commission Recommendation
The Planning Commission held a public hearing and reviewed the matter at the regularly scheduled meeting on April 17, 2018. The Planning Commission has recommended approval with the conditions stipulated in the proposed Resolution.

Deadline for City Council Action
The applicant submitted the application for the amendment on March 8, 2018. It was deemed complete on March 20, 2018. As such, the City Council must act on the request by May 20, 2018.

RESOLUTION NO. 2008-157

A RESOLUTION APPROVING THE CONDITIONAL USE PERMIT AS REQUESTED BY DON FIEDLER, ON BEHALF OF ISANTI CUSTOM MEATS LLC, TO PERMIT A MEAT MARKET ON THE PROPERTY LOCATED AT 30 MAIN STREET WEST

WHEREAS, Don Fiedler, on behalf of Isanti Custom Meats LLC, has applied for a Conditional Use Permit to allow for a meat market on the property at 30 Main Street West; and,

WHEREAS, the property is zoned B-1, Central Business District; which requires a Conditional Use Permit for meat market facilities; and,

WHEREAS, the Planning Commission reviewed and determined that the development proposal did meet the requirements for a Conditional Use Permit and met the requirements of the underlying zoning district; and,

WHEREAS, Planning Commission held a public hearing to consider the Conditional Use Permit Request on June 10, 2008 and voted unanimously to recommend approval of the Conditional Use Permit with conditions; and,

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota that Don Fiedler's request, on behalf of Isanti Custom Meats LLC for a Conditional Use Permit for the establishment of a meat market on the property located at 30 Main Street West be approved, with the following conditions:

1. The petitioner shall address any concerns presented by the City Administrator.

Adopted by the Isanti City Council on this 17th day of June 2008.

Attest:

Mayor George A. Wimmer

Irene J. Bauer
Assistant City Administrator/City Clerk

(SEAL)

RESOLUTION NO. 2018-XXX

A RESOLUTION AMENDING RESOLUTION NO. 2008-157 TO ALLOW FOR A SIT-DOWN RESTAURANT FOR THE PROPERTY AT 30 MAIN STREET WEST

WHEREAS, Joe Demo, on behalf of Isanti Retail Meats, LLC (applicant), has applied for an amendment to the Conditional Use Permit approved through Resolution No. 2008-157; and,

WHEREAS, Resolution No. 2008-157 approved a Conditional Use Permit to operate a Meat Market at 30 Main Street West, legally described as PID 16.050.0440 and Lots 7, 8, & W1/2 of 9 Block 6 Original Townsite; and,

WHEREAS, the applicant has requested to add a sit-down restaurant within the existing building, and in conjunction with the existing business at the subject address; and,

WHEREAS, the property is zoned "B-1" Central Business District, and is further regulated under the "D-1" Downtown Overlay District; and,

WHEREAS, City of Isanti Zoning Code Section 7, Article 1, Subd. 3(L), *Restaurants* are deemed a Conditional Use within the "B-1" Zoning District.

WHEREAS, the Planning Commission reviewed and determined that the proposed Conditional Use Permit amendment has met the performance standards outlined in Section 21, Article 2, Subd. 4.; and,

WHEREAS, notice of the public hearing was published on April 6, 2018 in the *Isanti County News,* and property owners within 350' were notified by mail of the proposed amendment to the Conditional Use Permit; and,

WHEREAS, the Planning Commission held a public hearing to consider the amendment to the Conditional Use Permit on April 17, 2018; and,

WHEREAS, the Planning Commission has recommended approval of the amendment to the Conditional Use Permit as presented.

NOW, THEREFORE, BE IS RESOLVED, by the City Council of the City of Isanti, Minnesota that the application for an amendment to the Conditional Use Permit to allow for a sit-down restaurant in conjunction with the property at 30 Main Street West is hereby approved with the following conditions:

1) All applicable licenses are obtained from the proper authorities.
2) Any expansions or enlargement of the dining room area be approved through an amended conditional use permit.

Adopted this ___ day of _____, 2018.

ATTEST:

_____
Mayor George A. Wimmer

Katie Brooks
Human Resources/City Clerk

FINDINGS OF FACT AND CONCLUSION

Request

Request from Joe Demo, on behalf of Isanti Retail Meats, LLC to amend Resolution 2008-157 to allow for a sit-down restaurant in conjunction with a meat market at 30 Main Street West.

Findings of Fact

1. The applicant is requesting to operate a restaurant at the property located at 2 Enterprise Ave NE Suite D2.
2. The property is zoned "B-1" Central Business District and is subject to the "D-1" Downtown Overlay District.
3. A Conditional Use Permit is required for restaurants within the "B-1" Central Business District.
4. The petitioner submitted an amendment to the Conditional Use Permit Application, the required application fee and associated materials on March 8, 2018. Staff had reviewed such application and deemed such application complete on March 20, 2018. Pursuant to Minnesota State Statute, the City must act on this request by May 20, 2018 (60-day rule).
5. A public hearing date before the Planning Commission was scheduled for Tuesday, April 17, 2018 at 7:00 p.m. at City Hall within the Council Chambers.
6. Notice of the Conditional Use Permit request was published within the Isanti- County News on Wednesday, April 4, 2018. Notices were sent to all property owners located within 350 feet of the subject property.
7. Section 21, Article 2: Conditional Use Permits, Subdivision 4 General Performance Standards of the Zoning Ordinance establishes additional general standards that shall be used to evaluate any proposed conditional use permit request.
8. The Planning Commission held a public hearing on the item on April 17, 2018; and all property owners within 350' of the subject property were invited to attend and provide public comment.

Conclusions

1. In review of the standards established in Section 21, Article 2 Conditional Use, Subdivision 4 General Performance Standards; the following conclusions have been made (*conclusions to each requirement are shown in underlined italics)*:

A. The use and the site in question shall be served by a street of sufficient capacity to accommodate the type and volume of traffic which would be generated an adequate public right-of-way shall be provided.
The use and site already exist and are serviced by a street of sufficient capacity. It is not expected that the addition of the restaurant will greatly impact the volume nor type of traffic. Existing public right of way is provided, and is of sufficient capacity.

B. The site design for access and parking shall minimize internal as well as external traffic conflicts and shall be in compliance with Section 17 of this Ordinance.
The existing site has minimal parking (in rear, along alleyway). Because the subject parcel is within the D-1 Downtown Overlay District, they are not required to provide additional parking if the required parking spaces cannot be provided fully on the site, and if there is adequate public or shared lots elsewhere in the Downtown Overlay District. Staff believes that there is adequate public and shared lots elsewhere in the Downtown Overlay District.

C. If applicable, a pedestrian circulation system shall be clearly defined and appropriate provisions made to protect such areas from encroachment by parked or moving vehicles.
This is non-applicable to the request.

D. Adequate off-street parking and off-street loading shall be provided in compliance with Section 17 of this Ordinance.

The existing site has minimal parking (in rear, along alleyway). Because the subject parcel is within the D-1 Downtown Overlay District, they are not required to provide additional parking if the required parking spaces cannot be provided fully on the site, and if there is adequate public or shared lots elsewhere in the Downtown Overlay District. Staff believes that there is adequate public and shared lots elsewhere in the Downtown Overlay District.

E. Loading areas and drive-thru facilities shall be positioned so as to minimize internal site access problems and maneuvering conflicts, to avoid visual or noise impacts on any adjacent residential use or district, and provided in compliance with Section 17 of this Ordinance.
Existing loading facilities are provided through the alleyway.

F. Whenever a non-residential use is adjacent to a residential use or district, a buffer area with screening and landscaping shall be provided in accordance with the provisions of Section 15 of this Ordinance.
This is non-applicable to the request.

G. General site screening and landscaping shall be provided in compliance with Section 15 of this Ordinance.
This is non-applicable to the request.

H. All exterior lighting shall be directed so as not to cast glare toward or onto the public right-of-way or neighboring residential uses or districts, and shall be in compliance with Section 14 of this Ordinance.
This is non-applicable to the request.

I. The site drainage system shall be subject to the review and approval of the City Engineer.
This is non-applicable to the request.

J. The architectural appearance and functional design of the building and site shall not be so dissimilar to the existing and potential buildings and area so as to cause a blighting influence. All sides of the principal and accessory structures are to have essentially the same or coordinated, harmonious exterior finish materials and treatment.
This is non-applicable to the request.

K. Provisions shall be made for daily litter control, an interior location for recycling and trash handling and storage or an outdoor, enclosed receptacle area shall be provided in compliance with Section 14 of this Ordinance.
The existing business currently practices daily litter control, and provides recycling and trash handing on site.

L. All signs and informational or visual communication devices shall be in compliance with Section 16 of this Ordinance.
A sign permit has not been applied for, however, City Staff and the applicant are currently working on a sign that is in compliance with the aforementioned sign.

M. The use and site shall be in compliance with any federal, state, or county laws or regulations that are applicable and any related permits shall be obtained and documented to the City.
This is non-applicable to the request.

N. Any applicable business licenses mandated by City Code are approved and obtained.
This is non-applicable to the request.

O. The hours of operation may be restricted when there is judged to be an incompatibility with a residential use or district.
This is non-applicable to the request.

P. The use complies with the applicable performance standards of the zoning district in which it is located and where applicable, any non-conformities shall be eliminated.
The proposed use complies with all standards within the B-1 and D-1 zoning district and overlay district, respectively.

Q. Additional Stipulations. All conditions pertaining to a specific site are subject to change when the City Council, upon investigation in relation to a formal request, finds that the general public health, safety, and welfare, can be served as well or better by modifying or expanding the conditions set forth herein.

1) All applicable licenses are obtained from the proper authorities.
2) Any expansions or enlargement of the dining room area be approved through an amended conditional use permit.

Decision
The Planning Commission held a public hearing on the item at the **APRIL 17, 2018** meeting. After the public hearing, the Planning Commission has recommended approval with the conditions stipulated in the attached Resolution.

Planning Commission Motion:
Motion by Lundeen, seconded by Bergley to recommend approval of the proposed Resolution. Motion passed unanimously.

Isanti

STAFF REPORT

TO: Mayor George Wimmer
Members of the Isanti City Council

FROM: Ryan Kernosky, Community Development Director

DATE: May 1, 2018

SUBJECT: **CONSIDERATION OF MINOR SUBDIVISION PLAT, TAYLOR HOLDINGS**

Background

Taylor Holdings, LLC has submitted a Minor Subdivision Plat application to combine lots 20 & 21, Block 8, Villages on the Rum Third Addition into one parcel. Because the lots had previously been platted, City of Isanti Ordinance 536 requires a minor subdivision be granted by the City of Isanti.

The parcel was previously platted for a zero-lot-line duplex to be constructed on the properties, the applicant is interested in constructing a single-family home on the combined parcels. This area is part of a Planned Unit Development, and as such, any single-family dwelling constructed would have to meet the requirements (size, setbacks, etc.) set forth in that Planned Unit Development.

Staff Comments

This is a simple replat combining two parcels into one parcel. I am recommending **APPROVAL** with the conditions stipulated within the proposed Resolution.

Notice of Public Hearing

The notice of public hearing was published in the *Isanti County News* on April 4, 2018. All property owners within 350' of the subject parcel were also notified by US Postal Service mail.

Planning Commission Recommendation

The Planning Commission reviewed the proposal and held a public hearing on April 17th, 2018 at the regularly scheduled City Planning Commission meeting. Commissioners unanimously voted to recommend approval with the condition that both sewer and water access fees are paid at the time of the building permit being issued.

RESOLUTION 2018-XXX

A RESOLUTION THROUGH ORDINANCE NO. 536 (SUBDIVISION ORDINANCE), ARTICLE 3, APPROVING THE MINOR SUBDIVSION PLAT OF VILLAGES ON THE RUM THIRD ADDITION

WHEREAS, Taylor Holdings, LLC has made an application for a Minor Subdivision Plat for Villages on the Rum Third Addition, to combine the properties legally described as:

Lot 20, Block 8, Villages on the Rum Third Addition, Isanti County, Minnesota
Lot 21, Block 8, Villages on the Rum Third Addition, Isanti County, Minnesota

WHEREAS, the proposed Minor Subdivision Plat will have a new legal description as:

Lots 20 & 21, Block 8, Villages on the Rum Third Addition, Isanti County, Minnesota

WHEREAS, the proposed Minor Subdivision Plat and any residential construction is subject to the regulations set forth in Isanti County Document No. 318878, "Villages on the Rum Third Addition Planned Unit Development Agreement" between the City of Isanti and Ferraro and Iverson LLC and is binding to future parties; and,

WHEREAS, approval of the Minor Subdivision Plat combines the Preliminary and Final Plat approval process; and,

WHEREAS, the City of Isanti Planning Commission conducted a public hearing on the Minor Subdivision Plat on April 17, 2018; and,

WHEREAS, all required public notices regarding the public hearing were posted and sent to property owners within 350' of the subject parcel; and,

WHEREAS, the City of Isanti Planning Commission, after conducting the public hearing during the regularly scheduled Planning Commission meeting on April 17, 2018, has recommended approval of the Minor Subdivision Plat as presented; and,

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota adopts the Findings of Fact and Conclusion related to the requested Minor Subdivision Plat of Villages on the Rum Third Addition and **BE IT FURTHER RESOLVED** that the requested Minor Subdivision Plat is hereby approved with the following conditions:

1) Sewer and Water Access Charges (SAC/WAC) must be paid in full for both parcels at the time of building permit issuance.

This Resolution is hereby approved by the Isanti City Council this 1st day of May, 2018.

Attest:

Mayor George A. Wimmer

Human Resources/City Clerk

FINDINGS OF FACT AND CONCLUSION

Minor Subdivision Plat – Taylor Holdings, LLC

April 17, 2018
Prepared by Ryan Kernosky, Community Development Director

Request:
Request from Taylor Holdings, LLC to combine lots 20 & 21, Block 8, Villages on the Rum Third Addition, Isanti County, Minnesota.

Findings of Fact:

1) The applicant, Taylor Holdings, LLC, has submitted an application for a Minor Subdivision Plat approval for the properties legally described as:

   Lot 20, Block 8, Villages on the Rum Third Addition, Isanti County, Minnesota
   Lot 21, Block 8, Villages on the Rum Third Addition, Isanti County, Minnesota

2) The property is zoned "R-3A" Low-Density Multiple-Family Residential
3) The property is subject to additional restrictions imposed in Isanti County Document 318878, *Villages on the Rum Third Addition Planned Unit Development Agreement.*
4) The proposed Minor Subdivision Plat combines the Preliminary and Final Plat Public Hearings.
5) A Notice of Public Hearing was published in the *Isanti County News* on April 4, 2018.
6) Notice of the Public Hearing was sent via USPS to all property owners within 350' of the subject parcel.
7) A public hearing was scheduled for April 17, 2018 immediately following the 7:00 p.m. City Council meeting at City Hall within the Council Chambers.

Conclusions:

1) The Minor Subdivision Plat of the property appears to meet the lot requirements and setback requirements as provided within the zoning ordinance for properties located within the R-3A Zoning District.

Decision:
The City of Isanti Planning Commission held a public hearing on the item at the April 17, 2018 meeting. The meeting minutes, staff memo, and exhibits will be made part of the Findings of Fact and Conclusion.

Planning Commission Motion:
Motion by Lorinser, seconded by Collison to approve the proposed Resolution with the additional condition regarding sewer and water access charges are paid for both parcels. Motion passed unanimously

STAFF REPORT

TO: Mayor George Wimmer
Members of the Isanti City Council

FROM: Ryan Kernosky, Community Development Director

DATE: May 1, 2018

SUBJECT: **CONSIDERATION OF CIRCLE B RANCH AMENDMENT TO THE CONDITIONAL USE PERMIT AND SITE PLAN REVIEW OF RESOLUTION NO. 2017-232**

Background
Circle B Ranch (Brennan Cox, applicant) has submitted an application to amend Resolution No. 2017-232. Resolution 2017-232 approved the original Conditional Use Permit and Site Plan for the operation of a Retreat Center and Hobby Farm on three parcels (PID 050313300, 050313301, and 010060505) that were recently annexed into the City's corporate limits.

It should be noted that since the original Resolution was passed, new PID numbers have been issued to the three parcels. The new PID numbers are listed below, along with a brief description and use of the properties:

> Parcel A – PID 160313300 (050313300), 34.9 acres in size, and on the North-side of the three properties. This parcel has an existing home and four sheds on the property. The proposed use would turn the property into a short-term transient rental also known as "The Nest."
>
> Parcel B – PID 160313301 (050313301), 5 acres in size, abuts Polk St NE and is in between Parcel A and Parcel C. There are no immediate plans for this parcel.
>
> Parcel C – PID 160090505 (010060505), 42 acres in size, and on the South-side of the three properties. This parcel has several existing sheds and the foundation for the proposed event center. This parcel would also include several future lodging options (cabins, car trains), recreational trails, and hobby farm activities.

Mr. Cox has informed the City that, in order to obtain financing for the project, the proposed Event Barn (PID 160090505) will have to be on its own parcel, thereby removing it from the rest of 42 acre parcel. The lot division can be approved through an Administrative Subdivision (not

requiring a public hearing or City Council approval). Because of the newly created setbacks and general lot layout, an amendment to the Conditional Use Permit and Site Plan is required under Section 21, Article 2, Subd. 5 and Section 18, Subd. 13 of the Isanti Zoning Code.

Conditional Use Permit Standards
As may be applicable, the evaluation of any proposed conditional use permit request shall be subject to and include, but not be limited to, the following general performance standards and criteria (Additional specific standards and criteria may be cited for respective conditional uses, as noted within each particular zoning district. A request shall be evaluated based upon those additional standards and criteria when provided):

A. The use and the site in question shall be served by a street of sufficient capacity to accommodate the type and volume of traffic which would be generated an adequate public right-of-way shall be provided.
The site is serviced by a street that may not be of sufficient capacity. This concern has been expressed by the Athens Township. The applicant may be responsible for future public infrastructure improvements in the Right of Way if deemed necessary by the City of Isanti.

B. The site design for access and parking shall minimize internal as well as external traffic conflicts and shall be in compliance with Section 17 of this Ordinance.
Sufficient access points have been provided for this site. Parking needs to meet Section 17 of the ordinance (surfacing, and minimum required stalls for "The Nest").

C. If applicable, a pedestrian circulation system shall be clearly defined and appropriate provisions made to protect such areas from encroachment by parked or moving vehicles.
Proposed pedestrian circulation appears to be sufficient.

D. Adequate off-street parking and off-street loading shall be provided in compliance with Section 17 of this Ordinance.
Adequate off-street parking is provided on site. Parking needs to meet Section 17 of the ordinance (surfacing, and minimum required stalls for "The Nest").

E. Loading areas and drive-thru facilities shall be positioned so as to minimize internal site access problems and maneuvering conflicts, to avoid visual or noise impacts on any adjacent residential use or district, and provided in compliance with Section 17 of this Ordinance.
The proposed project does not include any drive-thru facilities

F. Whenever a non-residential use is adjacent to a residential use or district, a buffer area with screening and landscaping shall be provided in accordance with the provisions of Section 15 of this Ordinance.
The applicant has proposed a tree buffer along the North Property Line of PID 050313300.

G. General site screening and landscaping shall be provided in compliance with Section 15 of this Ordinance.
No additional landscaping is required.

H. All exterior lighting shall be directed so as not to cast glare toward or onto the public right-of-way or neighboring residential uses or districts, and shall be in compliance with Section 14 of this Ordinance.
No lighting plan has been submitted, however a condition of the permit will include restrictions on lighting.

I. The site drainage system shall be subject to the review and approval of the City Engineer.
Site drainage has been submitted and reviewed by the City Engineer. Applicant is working with Engineer to comply with requirements.

J. The architectural appearance and functional design of the building and site shall not be so dissimilar to the existing and potential buildings and area so as to cause a blighting influence. All sides of the principal and accessory structures are to have essentially the same or coordinated, harmonious exterior finish materials and treatment.
Under Section 10, Article 1, Subdivision 8: "The City Council may approve an alternative approach to meeting any of the design standards in this Section if an applicant demonstrates such modifications is necessary to respond to site conditions, will result in better integration of uses, or provide significant site amenities, buffers, and other elements to offset any potential harmful effect that could be caused by the use and will further the intent of this section." This section is met.

K. Provisions shall be made for daily litter control, an interior location for recycling and trash handling and storage or an outdoor, enclosed receptacle area shall be provided in compliance with Section 14 of this Ordinance.
Trash receptacles will be located on the properties.

L. All signs and informational or visual communication devices shall be in compliance with Section 16 of this Ordinance.
No formal signage has been submitted. Any proposed signage would require review and approval by the City staff to ensure compliance with the City Sign Code.

M. The use and site shall be in compliance with any federal, state, or county laws or regulations that are applicable and any related permits shall be obtained and documented to the City.
The property complies with other laws and regulations.

N. Any applicable business licenses mandated by City Code are approved and obtained.
A liquor license will need to be obtained for the Event Center.

O. The hours of operation may be restricted when there is judged to be an incompatibility with a residential use or district.
Not applicable.

P. The use complies with the applicable performance standards of the zoning district in which it is located and where applicable, any non-conformity shall be eliminated.
The use complies with the applicable performance standards as further outlined in Section 13 Use Regulations of this Ordinance.

Q. Additional Stipulations. All conditions pertaining to a specific site are subject to change when the City Council, upon investigation in relation to a formal request, finds that the general public health, safety, and welfare, can be served as well or better by modifying or expanding the conditions set forth herein.

Site Plan Standards

In evaluating a site and building plan, Staff and City Council shall consider its compliance with the following:

A. Consistency with the elements and objectives of the City's development guides, including the comprehensive plan.
The proposed Site Plan/Building Appearance is consistent with the comprehensive plan.

B. Consistency with City Codes.
The proposed Site Plan/Building Appearance is consistent with City Codes, with the exceptions discussed in the Staff Memo dated April 17, 2018.

C. Preservation of the site in its natural state to the extent practicable by minimizing tree and soil removal and designing grade changes to be in keeping with the general appearance of neighboring developed or developing areas.
The purpose of the "RC" Recreational Commercial zoning district is to encourage site development that takes into consideration the natural state of the property. This project is very consistent with this standard.

D. The amount and location of open space and landscaping.
The proposed Site Plan/Building Appearance includes landscaping and open space that far exceeds minimums necessary.

E. Vehicular and pedestrian circulation, including walkways, interior drives, and parking in terms of location and number of access points to the public streets, width of interior drives and access points, general interior circulation, separation of pedestrian and vehicular traffic and arrangement and amount of parking.
Vehicular and pedestrian circulation within the property appears to be sufficient. The applicant will have to submit an updated parking plan when the parking lot will become paved.

F. Protection of adjacent and neighboring properties through reasonable provision for surface water drainage, sound and sight buffers, preservation of views, light, and air

and those aspects of design not adequately covered by other regulations which may have substantial effects on neighboring land uses.
The proposed Site Plan/Building Appearance was reviewed by the City Engineer, their comments should be included in the required conditions of this approval.

G. Consistency with the City's Engineering Design standards as adopted by Resolution of the City Council.
The proposed Site Plan/Building Appearance was reviewed by the City Engineer, their comments should be included in the required conditions of this approval.

Certification of Taxes Paid
Prior to approving an application for a conditional use permit, certification must be provided to the City that there are not any delinquent property taxes, special assessments, penalties, interest, or outstanding municipal utility fees. City staff did verify with Isanti County all taxes associated with the property were current.

Public Notice
Notice was published within the Isanti County News on April 4, 2018. Written notification was provided to property owners located within 350' of the subject site as required by Minnesota State Statute.

Public Comment
To date, no public comment or questions had been received.

Staff Comments
The proposed uses do not change for this development, and the overall performance standards are consistent with the previously approved conditional use permit and site plan approval. Because the new parcel triggers a required amendment, this request is pretty straight forward. As such, I am recommending **APPROVAL** with the following conditions:

1) Administrative Subdivision to create Parcel D is recorded with the Isanti County.

2) Handicapped parking stalls and paths leading to entryways and exits must be surfaced with either asphalt, concrete, or other surface materials as approved by the American Disabilities Act prior to a certificate of occupancy being issued for PID 160060505.

3) Proposed parking lot on PID 160060505 must be surfaced within five years. The applicant must submit a letter of credit to the City to ensure the aforementioned condition is met within the five-year timeline and must submit engineered plans to be reviewed and that comply with Section 17 of the Zoning Code.

4) Parking Stalls are to be installed on PID 160313300 and must comply with Section 17 of the Zoning Code. The applicant will be required to submit engineered plans for review prior to installing the aforementioned parking stalls.

5) The applicant must adhere to the City Engineer's comments from the memo dated July 26, 2017 and complete all proposed stormwater management controls prior to the Certificate of Occupancy being issued.

6) Exterior lighting must be downward directed, night-sky friendly, and may not spill over onto adjacent properties.

7) The property owner, and any subsequent property owners, are responsible for the installation and cost of roadway improvements, which may include turning lanes, on Polk Street NE if deemed necessary by the City of Isanti. Said improvements must meet City engineering standards.

8) Resubmittal and approval shall be required for any future construction of buildings, train cars, decks, etc.. to ensure compliance with the City of Isanti Zoning Code and Building Codes.

9) All applicable permits and licenses must be obtained from the property authorities (Army Corps of Engineers, State of Minnesota, County of Isanti, City of Isanti).

Planning Commission Recommendation
The Isanti Planning Commission held a public hearing and reviewed the matter on April 17, 2018. They have recommended approval with the conditions within the proposed Resolution.

RESOLUTION 2017-232

A RESOLUTION APPROVING A CONDITIONAL USE PERMIT (CUP) AND SITE PLAN REVIEW (SPR) FOR BEVERLY COX VANRUDEN, AND BRENNAN AND REBECCA COX TO OPERATE A RETREAT CENTER AND HOBBY FARM ON PROPERTY ID NUMBERS 050313300, 050313301, AND 010060505

WHEREAS, Beverly Cox VanRuden owns the property at 27868 Polk Street Northeast (PID 050313300), more legally described as:

> The Southeast Quarter of the Southeast Quarter (SE 1/4) of SE 1/4) of Section Thirty-one (31), Township Thirty-five (35), Range Twenty-three (23), EXCEPTING THEREFROM the following described parcel: The East 552.75 feet of the South 396 feet of the SE1/4 of SE1/4 of Section 31, Township 35, Range 23, Isanti County, Minnesota.

WHEREAS, Brennan and Rebecca Cox own PID 050313301, more legally described as:

> The East 552.75 feet of the South 396 feet of the SE1/4 of SE1/4 of Section 31, Township 35, Range 23, Isanti County, Minnesota.

WHEREAS, Brennan and Rebecca Cox also own PID 010060505, more legally described as:

> That part of the Northeast Quarter (NE1/4) of Section Six (6), Township Thirty-four (34), Range Twenty-three (23), lying Easterly of the Easterly right-of-way line of the Burlington Northern Railway (formerly the Eastern Railway Company of Minnesota), excepting therefrom that part of said NE1/4 of Section 6, described as follows:
>
> Commencing at the Northeast corner of the Southeast Quarter of the Northeast Quarter (SE1/4 of NE1/4) of said Section 6; thence South along the East line of said Section 6, a distance of 208.7 feet for the point of beginning of the exception to be herein described; thence West and parallel to the North line of said Section 6 and to the Easterly right-of-way of said Burlington Northern Railway; thence Southerly following the Easterly line of said railroad right-of-way and to the South line of the NE1/4 of said Section 6; thence Easterly along the south line of the NE1/4 of said Section 6 to the Southeast corner thereof; thence North along the East line of the NE1/4 of said Section 6 to the point of beginning and there to terminate, Except the Northerly 243.75 of the Southerly 482.10 feet of the Easterly 547.29 feet and the Southerly 238.35 feet of the Easterly 592.87 feet.

WHEREAS, PID 050313300 and PID 050313301 were annexed through Resolution 2017-118, and were not assigned a specific zoning district when they were annexed into the corporate limits of the City of Isanti; and,

WHEREAS, pursuant with Section 3, Subdivision 3, Paragraph B, PID 050313300 and PID 050313301 are designated within the "R-1" Single-Family Residential Zoning District; and,

WHEREAS, PID 050313300 and PID 050313301 will need to be rezoned from "R-1" Single-Family Residential to "RC" Recreational Commercial at a later date; and,

WHEREAS, PID 010060505 was annexed through Ordinance No. 661, and was designated as an "RC" Recreational Commercial Zoning District; and,

WHEREAS, *Retreat Center* and *Hobby Farms* are conditional uses within the "RC" Recreational Commercial Zoning Classification; and,

WHEREAS, the City of Isanti Planning Commission conducted a public hearing on the proposed Conditional Use Permit on August 15, 2017; and,

WHEREAS, the City of Isanti Planning Commission recommended approval of the proposed Conditional Use Permit subject to the conditions as listed below; and,

WHEREAS, the City of Isanti City Council reviewed the requested Conditional Use Permit and Site Plan Review at its regularly scheduled meeting on September 5, 2017; and,

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota that it adopts the Findings of Fact and Conclusions related to the requested Conditional Use Permit and Site Plan Review adopted by the City Planning Commission on August 15th, 2017, and **BE IT FURTHER RESOLVED** that the request Conditional Use Permit and Site Plan Review for the proposed Hobby Farm and Retreat Center be here by approved with the following conditions:

1) PID 050313300 and PID 050313301 must be rezoned from "R-1" Single-Family Residential to "RC" Recreational Commercial.

2) Handicapped parking stalls and paths leading to entryways and exits must be surfaced with either asphalt, concrete, or other surface materials as approved by the American Disabilities Act prior to a certificate of occupancy being issued for PID 010060505.

3) Proposed parking lot on PID 010060505 must be surfaced within five years. The applicant must submit a letter of credit to the City to ensure the aforementioned condition is met within the five-year timeline, and must submit engineered plans to be reviewed and that comply with Section 17 of the Zoning Code.

4) Parking Stalls are to be installed on PID 050313300 and must comply with Section 17 of the Zoning Code. The applicant will be required to submit engineered plans for review prior to installing the aforementioned parking stalls.

5) The applicant must adhere to the City Engineer's comments from the memo dated July 26, 2017 and complete all proposed stormwater management controls prior to the Certificate of Occupancy being issued.

6) Exterior lighting must be downward directed, night-sky friendly, and may not spill over onto adjacent properties.

7) The property owner, and any subsequent property owners, are responsible for the installation and cost of roadway improvements, which may include turning lanes, on Polk Street NE if deemed necessary by the City of Isanti. Said improvements must meet City engineering standards.

8) The foundation installed for the purposes of constructing the event barn needs to be inspected by the City Building Official to ensure proper installation prior to building permits being issued for future construction.

9) Resubmittal and approval shall be required for any future construction of buildings, train cars, decks, etc., to ensure compliance with the City of Isanti Zoning Code and Building Codes.

10) All applicable permits and licenses must be obtained from the property authorities (Army Corps of Engineers, State of Minnesota, County of Isanti, City of Isanti).

This Resolution is hereby approved by the Isanti City Council this 5th day of September 2017.

RESOLUTION 2018-XXX

A RESOLUTION AMENDING RESOLUTION 2017-232, A RESOLUTION APPROVING A CONDITIONAL USE PERMIT (CUP) AND SITE PLAN REVIEW (SPR) FOR BEVERLY COX VANRUDEN, AND BRENNAN AND REBECCA COX TO OPERATE A RETREAT CENTER AND HOBBY FARM ON PROPERTY IDENTIFICATION NUMBERS 160313300, 160313301, 160060505

WHEREAS, Ordinance No. 661 annexed 41.99 acres owned by Brennan and Rebecca Cox pursuant to MN Stats. § 414.033, Subd. 2(3) from the Athens Township to the City of Isanti; and,

WHEREAS, the Parcel Identification Number (PID) 010060505 was re-assigned to PID 160060505 as a result of the annexation; and,

WHEREAS, Joint Resolution No. 2017-118 annexed 39.9 acres owned by Beverly VanRuden Cox and Brennan Cox pursuant to MN Stats. § 414 .0325, Subd. 1 from the Isanti Township to the City of Isanti; and,

WHEREAS, PID 050313300 was re-assigned to PID 160313300, and PID 050313301 was re-assigned to PID 160313301 as a result of the annexation; and,

WHEREAS, PID 160313300 is legally described as:

> The Southeast Quarter of the Southeast Quarter (SE 1/4) of SE 1/4) of Section Thirty-one (31), Township Thirty-five (35), Range Twenty-three (23), EXCEPTING THEREFROM the following described parcel: The East 552.75 feet of the South 396 feet of the SE1/4 of SE1/4 of Section 31, Township 35, Range 23, Isanti County, Minnesota.

WHEREAS, PID 160313301 is legally described as:

> The East 552.75 feet of the South 396 feet of the SE1/4 of SE1/4 of Section 31, Township 35, Range 23, Isanti County, Minnesota.

WHEREAS, PID 160060505 is legally described as:

> That part of the Northeast Quarter (NE1/4) of Section Six (6), Township Thirty-four (34), Range Twenty-three (23), lying Easterly of the Easterly right-of-way line of the Burlington Northern Railway (formerly the Eastern Railway Company of Minnesota), excepting therefrom that part of said NE1/4 of Section 6, described as follows:
>
> Commencing at the Northeast corner of the Southeast Quarter of the Northeast Quarter (SE1/4 of NE1/4) of said Section 6; thence South along the East line of said Section 6, a distance of 208.7 feet for the point of beginning of the exception to be herein described; thence West and parallel to the North line of said Section 6 and to the Easterly right-of-way of said Burlington Northern Railway; thence Southerly following the Easterly line

of said railroad right-of-way and to the South line of the NE1/4 of said Section 6; thence Easterly along the south line of the NE1/4 of said Section 6 to the Southeast corner thereof; thence North along the East line of the NE1/4 of said Section 6 to the point of beginning and there to terminate, Except the Northerly 243.75 of the Southerly 482.10 feet of the Easterly 547.29 feet and the Southerly 238.35 feet of the Easterly 592.87 feet.

WHEREAS, the applicant has submitted, and been approved for, an Administrative Subdivision of PID 160060505 to create two parcels legally described as:

Parcel A

That part of the Northeast Quarter (NE1/4) of Section Six (6), Township Thirty-four (34), Range Twenty-three (23), lying Easterly of the Easterly right-of-way line of the Burlington Northern Railway (formerly the Eastern Railway Company of Minnesota), excepting therefrom that part of said NE1/4 of Section 6, described as follows: Commencing at the Northeast corner of the Southeast Quarter of the Northeast Quarter (SE1/4 of NE1/4) of said Section 6; thence South along the East line of said Section 6, a distance of 208.7 feet for the point of beginning of the exception to be herein described; thence West and parallel to the North line of said Section 6 and to the Easterly right-of-way of said Burlington Northern Railway; thence Southerly following the Easterly line of said railroad right-of-way and along the south line of the NE1/4 of said Section 6 to the Southeast corner thereof; thence North along the East line of the NE1/4 of said Section 6 to the point of beginning and there to terminate,

EXCEPT

The Northerly 350.00 feet of the Southerly 832.10 feet of the Easterly 770.00 feet AND the Northerly 243.75 feet of the Southerly 482.10 feet of the Easterly 547.29 feet AND the Southerly 238.35 feet of the Easterly 592.87 feet.

Parcel D

The Northerly 620.00 feet of the Southerly 1102.10 feet of the Easterly 880.00 feet of the following described property.

That part of the Northeast Quarter (NE1/4) of Section Six (6), Township Thirty-four (34), Range Twenty-three (23), lying Easterly of the Easterly right-of-way line of the Burlington Northern Railway (formerly the Eastern Railway Company of Minnesota), excepting therefrom that part of said NE1/4 of Section 6, described as follows: Commencing at the Northeast corner of the Southeast Quarter of the Northeast Quarter (SE1/4 of NE1/4) of said Section 6; thence South along the East line of said Section 6, a distance of 208.7 feet for the point of beginning of the exception to be herein described; thence West and parallel to the North line of said Section 6 and to the Easterly right-of-way of said Burlington Northern Railway; thence Southerly following the Easterly line of said railroad right-of-way and to the South line of the NE1/4 of said Section 6; thence Easterly along the south line of the NE1/4 of said Section 6 to the Southeast corner thereof; thence North along the

East line of the NE1/4 of said Section 6 to the point of beginning and there to terminate.

WHEREAS, the subject parcels are zoned "RC" Recreational Commercial; and,

WHEREAS, *Retreat Center* and *Hobby Farms* are conditional uses within the "RC" Recreational Commercial Zoning Classification; and,

WHEREAS, the City of Isanti has approved a Conditional Use Permit and Site Plan Approval during the regularly scheduled meeting on September 5, 2017 through Resolution 2017-232; and,

WHEREAS, the creation of a new parcels described above calls for an amendment to be approved by the City of Isanti through Section 21, Article 2, Subd. 5 and Section 18, Subd. 13 of the City of Isanti Zoning Code; and,

WHEREAS, the applicant has applied for an amendment to the Conditional Use Permit and Site Plan Approval as required; and,

WHEREAS, the City of Isanti Planning Commission conducted a public hearing on the proposed Conditional Use Permit on April 17, 2018; and,

WHEREAS, the City of Isanti Planning Commission recommended approval of the proposed Conditional Use Permit subject to the conditions as listed below; and,

WHEREAS, the City of Isanti City Council reviewed the requested Conditional Use Permit and Site Plan Review at its regularly scheduled meeting on May 1, 2018.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota that it adopts the Findings of Fact and Conclusions related to the requested amended Conditional Use Permit and Site Plan Review adopted by the City Planning Commission on April 17, 2018, and **BE IT FURTHER RESOLVED** that the requested amendment for the Conditional Use Permit and Site Plan Review for the proposed Hobby Farm and Retreat Center be here by approved with the following conditions:

1) Administrative Subdivision to create Parcel D is recorded with the Isanti County.

2) Handicapped parking stalls and paths leading to entryways and exits must be surfaced with either asphalt, concrete, or other surface materials as approved by the American Disabilities Act prior to a certificate of occupancy being issued for PID 160060505.

3) Proposed parking lot on PID 160060505 must be surfaced within five years. The applicant must submit a letter of credit to the City to ensure the aforementioned condition is met within the five-year timeline and must submit engineered plans to be reviewed and that comply with Section 17 of the Zoning Code.

4) Parking Stalls are to be installed on PID 160313300 and must comply with Section 17 of the Zoning Code. The applicant will be required to submit engineered plans for review prior to installing the aforementioned parking stalls.

5) The applicant must adhere to the City Engineer's comments from the memo dated July 26, 2017 and complete all proposed stormwater management controls prior to the Certificate of Occupancy being issued.

6) Exterior lighting must be downward directed, night-sky friendly, and may not spill over onto adjacent properties.

7) The property owner, and any subsequent property owners, are responsible for the installation and cost of roadway improvements, which may include turning lanes, on Polk Street NE if deemed necessary by the City of Isanti. Said improvements must meet City engineering standards.

8) Resubmittal and approval shall be required for any future construction of buildings, train cars, decks, etc.. to ensure compliance with the City of Isanti Zoning Code and Building Codes.

9) All applicable permits and licenses must be obtained from the property authorities (Army Corps of Engineers, State of Minnesota, County of Isanti, City of Isanti).

This Resolution is hereby approved by the Isanti City Council this 1st day of May, 2018.

FINDINGS OF FACT AND CONCLUSION

Amendment to the Conditional Use Permit Amendment & Site Plan Review
Brennan and Rebecca Cox, 'Circle B Ranch' and 'The Nest'

April 17, 2018
Prepared by Ryan Kernosky, Community Development Director

Request

Request from Brennan and Rebecca Cox (applicant) for a an amendment to the Conditional Use Permit and Site Plan Review approval to construct a Retreat Center (as defined under Section 2 of the Isanti Zoning Code) at the properties legally described as:

The Southeast Quarter of the Southeast Quarter (SE 1/4) of SE 1/4) of Section Thirty-one (31), Township Thirty-five (35), Range Twenty-three (23), EXCEPTING THEREFROM the following described parcel: The East 552.75 feet of the South 396 feet of the SE1/4 of SE1/4 of Section 31, Township 35, Range 23, Isanti County, Minnesota.

AND THE PROPERTIES LEGALLY DESCRIBED AS:

The East 552.75 feet of the South 396 feet of the SE1/4 of SE1/4 of Section 31, Township 35, Range 23, Isanti County, Minnesota.

AND THE PROPERTIES LEGALLY DESCRIBED AS:

That part of the Northeast Quarter (NE1/4) of Section Six (6), Township Thirty-four (34), Range Twenty-three (23), lying Easterly of the Easterly right-of-way line of the Burlington Northern Railway (formerly the Eastern Railway Company of Minnesota), excepting therefrom that part of said NE1/4 of Section 6, described as follows:

Commencing at the Northeast corner of the Southeast Quarter of the Northeast Quarter (SE1/4 of NE1/4) of said Section 6; thence South along the East line of said Section 6, a distance of 208.7 feet for the point of beginning of the exception to be herein described; thence West and parallel to the North line of said Section 6 and to the Easterly right-of-way of said Burlington Northern Railway; thence Southerly following the Easterly line of said railroad right-of-way and to the South line of the NE1/4 of said Section 6; thence Easterly along the south line of the NE1/4 of said Section 6 to the Southeast corner thereof; thence North along the East line of the NE1/4 of said Section 6 to the point of beginning and there to terminate,

Except the Northerly 243.75 of the Southerly 482.10 feet of the Easterly 547.29 feet and the Southerly 238.35 feet of the Easterly 592.87 feet.

AND THE PROPERTIES LEGALLY DESCRIBED AS:

Parcel A

That part of the Northeast Quarter (NE1/4) of Section Six (6), Township Thirty-four (34), Range Twenty-three (23), lying Easterly of the Easterly right-of-way line of the Burlington Northern Railway (formerly the Eastern Railway Company of Minnesota), excepting

therefrom that part of said NE1/4 of Section 6, described as follows: Commencing at the Northeast corner of the Southeast Quarter of the Northeast Quarter (SE1/4 of NE1/4) of said Section 6; thence South along the East line of said Section 6, a distance of 208.7 feet for the point of beginning of the exception to be herein described; thence West and parallel to the North line of said Section 6 and to the Easterly right-of-way of said Burlington Northern Railway; thence Southerly following the Easterly line of said railroad right-of-way and along the south line of the NE1/4 of said Section 6 to the Southeast corner thereof; thence North along the East line of the NE1/4 of said Section 6 to the point of beginning and there to terminate,

EXCEPT

The Northerly 350.00 feet of the Southerly 832.10 feet of the Easterly 770.00 feet AND the Northerly 243.75 feet of the Southerly 482.10 feet of the Easterly 547.29 feet AND the Southerly 238.35 feet of the Easterly 592.87 feet.

Parcel D

The Northerly 620.00 feet of the Southerly 1102.10 feet of the Easterly 880.00 feet of the following described property.

That part of the Northeast Quarter (NE1/4) of Section Six (6), Township Thirty-four (34), Range Twenty-three (23), lying Easterly of the Easterly right-of-way line of the Burlington Northern Railway (formerly the Eastern Railway Company of Minnesota), excepting therefrom that part of said NE1/4 of Section 6, described as follows: Commencing at the Northeast corner of the Southeast Quarter of the Northeast Quarter (SE1/4 of NE1/4) of said Section 6; thence South along the East line of said Section 6, a distance of 208.7 feet for the point of beginning of the exception to be herein described; thence West and parallel to the North line of said Section 6 and to the Easterly right-of-way of said Burlington Northern Railway; thence Southerly following the Easterly line of said railroad right-of-way and to the South line of the NE1/4 of said Section 6; thence Easterly along the south line of the NE1/4 of said Section 6 to the Southeast corner thereof; thence North along the East line of the NE1/4 of said Section 6 to the point of beginning and there to terminate.

Findings of Fact

1. The applicant is requesting for approval of an amendment to the Conditional Use Permit and Site Plan Review for the properties legally described under 'Request'.

2. The previous Conditional Use Permit and Site Plan Review was approved through Resolution 2017-232.

3. The properties are zoned "RC" Recreational Commercial.

4. The applicant has submitted an amendment to the Conditional Use Permit Application and Site Plan Review Application on March 16, 2018. The received materials were deemed complete and paid on March 16, 2018.

5. A public hearing on the matter was scheduled before the City of Isanti Planning Commission on April 17, 2018 at 7:00 p.m. at City Hall within the City Council Chambers.

6. Notice of the Conditional Use Permit Amendment Application and approval of a Site Plan Review was published with the *Isanti County News* on April 4, 2018. Notices were sent to all properties owners located within 350 feet of the aforementioned legally described parcel.

7. Section 21, Article 2: Conditional Use Permits, Subdivision 3 (D) of the Zoning Ordinance establishes factors that the judgment of the Planning Commission shall be based upon when reviewing a Conditional Use Permit request as well as Section 21, Article 2: Conditional Use Permits, Subdivision 4 General Performance Standards of the Zoning Ordinance establishes additional general standards that shall be used to evaluate any proposed conditional use permit request. Furthermore, standards established in Section 18, Subdivision 7 regulate Site Plan/Building Appearance standards that shall be used to evaluate any proposed commercial and industrial buildings.

Conclusions

1. In review of the standards established in Section 21, Article 2 Conditional Use (D); the following conclusions have been made (*conclusions to each requirement are shown in underlined italics)*:

   The Planning Commission shall hold a public hearing and consider possible adverse effects of the proposed Conditional Use. The judgment of the Planning Commission shall be based upon, but is not limited to the following factors:

   A. The proposed action has been considered in relation to the specific policies and provisions of and has been found to be consistent with the goals and objectives of the Comprehensive Plan, including public facilities and capital improvement plans.

      The proposed uses for the site would be consistent with the goals and objectives of the comprehensive plan, as described in the Staff Memo dated April 17, 2018.

   B. The proposed action meets the purpose and intent of this Ordinance and the underlying zoning district.

      The proposed uses fit the intent of the ordinance and underlying zoning district ("RC" Recreational Commercial.

   C. The establishment, maintenance or operation of the conditional use will promote and enhance the general public welfare and will not be detrimental or endanger the public health, safety, morals, or comfort.

      The establishment of the conditional use does not appear to endanger the public health, safety, morals and comfort of the surrounding area or the community.

   D. The conditional use will not be injurious to the use and enjoyment of other properties within the immediate vicinity for the purposes already permitted; nor substantially diminish or impair properties values within the neighborhood.

      The conditional use does not appear to diminish or impair surrounding properties values.

   E. The establishment of the conditional use will not impede the normal and orderly development and improvement of surrounding properties for uses permitted in the district.

The conditional use will not impede the normal and orderly development and improvement of surrounding properties for uses permitted in the district.

F. Adequate public facilities and services are available or can be reasonably provided to accommodate the use which is proposed.

Adequate public services are not currently available. However, could be provided if necessary.

G. The conditional use shall, in all other respects, conform to the applicable regulations of the district in which it is located.

The requested conditional use permit appears to conform to the applicable regulations required for the district and the performance standards outlined within the zoning ordinance. Conditions will be placed on any approval to ensure that the properties are developed in accordance to ordinance requirements and the proposed plan provided by the applicant.

H. The conditional use complies with the general and specific performance standards as specified by within this Article.

These have been evaluated as part of the findings of fact; and can be found within this document.

2. In review of the standards established in Section 21, Article 2 Conditional Use, Subdivision 4 General Performance Standards; the following conclusions have been made (*conclusions to each requirement are shown in underlined italics)*:

A. The use and the site in question shall be served by a street of sufficient capacity to accommodate the type and volume of traffic which would be generated an adequate public right-of-way shall be provided.

The site is serviced by a street that may not be of sufficient capacity. This concern has been expressed by the Athens Township. The applicant may be responsible for future public infrastructure improvements in the Right of Way if deemed necessary by the City of Isanti.

B. The site design for access and parking shall minimize internal as well as external traffic conflicts and shall be in compliance with Section 17 of this Ordinance.

Sufficient access points have been provided for this site. Parking needs to meet Section 17 of the ordinance (surfacing, and minimum required stalls for "The Nest").

C. If applicable, a pedestrian circulation system shall be clearly defined and appropriate provisions made to protect such areas from encroachment by parked or moving vehicles.

Proposed pedestrian circulation appears to be sufficient.

D. Adequate off-street parking and off-street loading shall be provided in compliance with Section 17 of this Ordinance.

Adequate off-street parking is provided on site. Parking needs to meet Section 17 of the ordinance (surfacing, and minimum required stalls for "The Nest").

E. Loading areas and drive-thru facilities shall be positioned so as to minimize internal site access problems and maneuvering conflicts, to avoid visual or noise impacts on any adjacent residential use or district, and provided in compliance with Section 17 of this Ordinance.

The proposed project does not include any drive-thru facilities

F. Whenever a non-residential use is adjacent to a residential use or district, a buffer area with screening and landscaping shall be provided in accordance with the provisions of Section 15 of this Ordinance.

The applicant has proposed a tree buffer along the North Property Line of PID 050313300.

G. General site screening and landscaping shall be provided in compliance with Section 15 of this Ordinance.

No additional landscaping is required.

H. All exterior lighting shall be directed so as not to cast glare toward or onto the public right-of-way or neighboring residential uses or districts, and shall be in compliance with Section 14 of this Ordinance.

No lighting plan has been submitted, however a condition of the permit will include restrictions on lighting.

I. The site drainage system shall be subject to the review and approval of the City Engineer.

Site drainage has been submitted and reviewed by the City Engineer. Applicant is working with Engineer to comply with requirements.

J. The architectural appearance and functional design of the building and site shall not be so dissimilar to the existing and potential buildings and area so as to cause a blighting influence. All sides of the principal and accessory structures are to have essentially the same or coordinated, harmonious exterior finish materials and treatment.

Under Section 10, Article 1, Subdivision 8: "The City Council may approve an alternative approach to meeting any of the design standards in this Section if an applicant demonstrates such modifications is necessary to respond to site conditions, will result in better integration of uses, or provide significant site amenities, buffers, and other elements to offset any potential harmful effect that could be caused by the use and will further the intent of this section." This section is met.

K. Provisions shall be made for daily litter control, an interior location for recycling and trash handling and storage or an outdoor, enclosed receptacle area shall be provided in compliance with Section 14 of this Ordinance.

Trash receptacles will be located on the properties.

L. All signs and informational or visual communication devices shall be in compliance with Section 16 of this Ordinance.

No formal signage has been submitted. Any proposed signage would require review and approval by the City staff to ensure compliance with the City Sign Code.

M. The use and site shall be in compliance with any federal, state, or county laws or regulations that are applicable and any related permits shall be obtained and documented to the City.

The property complies with other laws and regulations.

N. Any applicable business licenses mandated by City Code are approved and obtained.

A liquor license will need to be obtained for the Event Center.

O. The hours of operation may be restricted when there is judged to be an incompatibility with a residential use or district.

Not applicable.

P. The use complies with the applicable performance standards of the zoning district in which it is located and where applicable, any non-conformity shall be eliminated.

The use complies with the applicable performance standards as further outlined in Section 13 Use Regulations of this Ordinance.

Q. Additional Stipulations. All conditions pertaining to a specific site are subject to change when the City Council, upon investigation in relation to a formal request, finds that the general public health, safety, and welfare, can be served as well or better by modifying or expanding the conditions set forth herein.

3. In review of the standards established in Section 18, Subdivision 7 Site Plan/Building Appearance Standards; the following conclusions have been made (*conclusions to each requirement are shown in underlined italics)*:

A. Consistency with the elements and objectives of the City's development guides, including the comprehensive plan.

The proposed Site Plan/Building Appearance is consistent with the comprehensive plan.

B. Consistency with City Codes.
The proposed Site Plan/Building Appearance is consistent with City Codes, with the exceptions discussed in the Staff Memo dated April 17, 2018.

C. Preservation of the site in its natural state to the extent practicable by minimizing tree and soil removal and designing grade changes to be in keeping with the general appearance of neighboring developed or developing areas.

The purpose of the "RC" Recreational Commercial zoning district is to encourage site development that takes into consideration the natural state of the property. This project is very consistent with this standard.

D. The amount and location of open space and landscaping.

The proposed Site Plan/Building Appearance includes landscaping and open space that far exceeds minimums necessary.

E. Vehicular and pedestrian circulation, including walkways, interior drives, and parking in terms of location and number of access points to the public streets, width of interior drives and access points, general interior circulation, separation of pedestrian and vehicular traffic and arrangement and amount of parking.

Vehicular and pedestrian circulation within the property appears to be sufficient. The applicant will have to submit an updated parking plan when the parking lot will become paved.

F. Protection of adjacent and neighboring properties through reasonable provision for surface water drainage, sound and sight buffers, preservation of views, light, and air and those aspects of design not adequately covered by other regulations which may have substantial effects on neighboring land uses.

The proposed Site Plan/Building Appearance was reviewed by the City Engineer, their comments should be included in the required conditions of this approval.

G. Consistency with the City's Engineering Design standards as adopted by Resolution of the City Council.

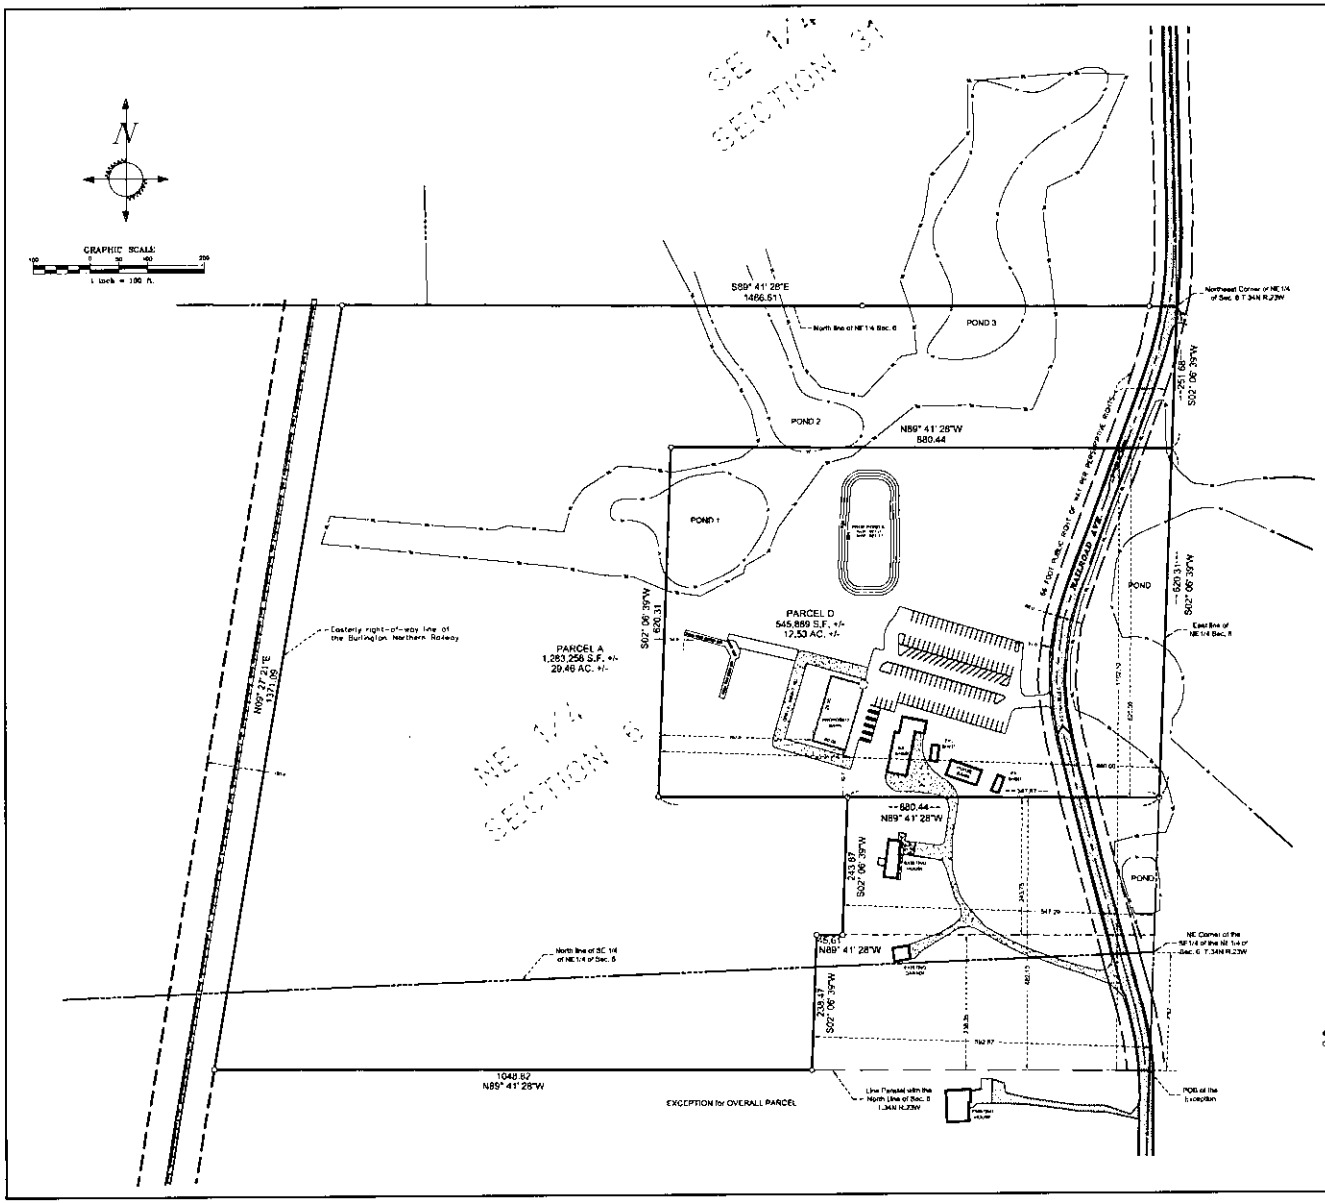
The proposed Site Plan/Building Appearance was reviewed by the City Engineer, their comments should be included in the required conditions of this approval.

Decision

The Planning Commission reviewed the request in a public hearing on April 17, 2018. The meeting minutes, staff memo, and attachments shall be made part of the Findings of Fact and Conclusion.

Planning Commission Motion:

Motion by Lundeen, seconded by Collison to recommend approval with conditions stipulated in the proposed Resolution. Motion passed unanimously.



OVERALL DESCRIPTION:

That part of the Northeast Quarter (NE1/4) of Section Six (6), Township Thirty-four (34), Range Twenty-three (23), lying Easterly of the Easterly right-of-way line of the Burlington Northern Railway (formerly the Eastern Railway Company of Minnesota), excepting therefrom that part of said NE1/4 of Section 6, described as follows: Commencing at the Northeast corner of the Southeast Quarter of the Northeast Quarter (SE1/4 of NE1/4) of said Section 6; thence South along the East line of said Section 6, a distance of 208.7 feet for the point of beginning of the exception to be herein described; thence West and parallel to the North line of said Section 6 and to the Easterly right-of-way of said Burlington Northern Railway; thence Southerly following the Easterly line of said railroad right-of-way and to the South line of the NE1/4 of said Section 6; thence Easterly along the south line of the NE1/4 of said Section 6 to the Southeast corner thereof; thence North along the East line of the NE1/4 of said Section 6 to the point of beginning and there to terminate,

Except the Northerly 243.75 of the Southerly 482.10 feet of the Easterly 547.29 feet and the Southerly 238.35 feet of the Easterly 592.87 feet

PARCEL A DESCRIPTION:

MEMORANDUM

Date: July 26, 2017

To: Ryan Kernosky, Community Development Director

From: Bradley C. DeWolf, P.E.
City Engineer

Subject: Cox Farms: Circle B Ranch Site Plan Review
City of Isanti, MN
Project No.: R13.113062

We have reviewed the Site Plan entitled "Cox Farm" received on July 17, 2017 with a signature date of 6/13/2017.

The site plan includes the construction of additional buildings, gravel and bituminous parking lots, and a drainage pond.

Also submitted were hydraulic calculations for the proposed pond, as well as a storm water pollution prevention plan.

We have reviewed the submitted documents and have the following comments:

Street/Parking Lot:

1. Submit turning movements for traffic flow through the parking area and identify how the parking lot will drain to the proposed pond.
2. Plan calls out 2.08% slope for handicap parking stalls. ADA requires maximum 2.0% in all directions.
3. Grading Note 1 on sheet 4 of 8 makes mention of proposed curb & gutter. Where is proposed curb & gutter on plan?
4. Submit spot elevations and surface grades for access road to Polk Street NE and parking lots.
5. Submit pavement section for proposed streets and parking lots.

Sidewalk:

6. Plan calls out 2.08% cross slope for sidewalks. ADA requires maximum 2.0% cross slope. Refer to MnDOT pedestrian curb ramp details. (Standard Plan 5-297.250)

Well Service:

7. Proposed Barn Area appears to be within 45' from existing well. MDH requires 50' separation.

Bolton & Menk is an equal opportunity employer.

Fax: (763) 427-0833
Bolton-Menk.com

Storm Water / SWPPP:

8. Show all existing and proposed culvert information visibly on plan.
9. Include plan showing existing and proposed contours, wetland delineations, grading construction limits, drainage flow arrows, and identify how drainage reaches the proposed pond. Wetland delineations are needed to verify impacts to existing wetlands and determine necessary permit requirements.
10. Submit a soils map to show existing soil types within the construction limits.
11. Show locations of proposed BMPs and seeding limits on plan, including redundant BMPs for work near wetlands.
12. Include details for proposed BMPs.
13. Include a long-term maintenance plan for the proposed pond.
14. When working within 200-ft of a surface water, site must be stabilized within 24 hrs. 7 days when not within 200-ft of surface water.
15. Identify qualified personnel for design of SWPPP with certifications.
16. Review section 7, identify final stabilization. Include seed and mulch types.

Permits (To be completed prior to construction):

17. NPDES Construction Storm Water General Permit
18. Minnesota Department of Health Monitoring Well Permit
19. DNR Water Appropriations Permit – if planning to withdrawal more than 10,000 gal water per day or 1 million gal water per year.
20. Army Corps of Engineers Section 404 Permit – if filling existing wetland.

We recommend approval of the site plan once the above items are addressed.

Please contact me if you have any questions.

A Community For Generations.

Isanti

MEMORANDUM

TO: Mayor George Wimmer
Members of the Isanti City Council

FROM: Ryan Kernosky, Community Development Director

DATE: May 1, 2018

SUBJECT: **CONSIDERATION OF A RESOLUTION TO SET A PUBLIC HEARING ON A PUBLIC UTILITY EASEMENT VACATION**

Background
Kwik Trip, Inc has submitted a final plat (Kwik Trip 1019) to combine PID 160530010 and PID 160400830 into one parcel. This final plat includes an additional 27' of right of way to be dedicated to the County. The original south parcel included a 10' public utility easement along the south property line and along the west property line (per Isanti County document no. 300498).

Due to the additional 27' of right of way to be dedicated to the County, there is no need for a 10' utility easement along the existing south lot line. Kwik Trip, through the proposed final plat, is planning on dedicating a new 10' public utility easement along the new south lot line and the west lot line.

As such, the Council is required by MN Stats. §412.851 to adopt a Resolution indicating their intention to vacate the public utility easement and to set the official public hearing as a result.

Community Development will coordinate the publication of the public hearing notices and ensure that state statutes are followed.

Staff Recommendation
Staff recommends **APPROVAL** as presented.

RESOLUTION NO. 2018-XXX

A RESOLUTION SETTING A PUBLIC HEARING ON A PUBLIC UTILITY EASEMENT VACATION

THE CITY COUNCIL OF THE CITY OF ISANTI, MINNESOTA DOES HEREBY RESOLVE AS FOLLOWS:

WHEREAS, the City Council of the City of Isanti pursuant to Minnesota Statute §412.851 desires to consider the vacation of a certain public utility easement; and,

WHEREAS, certain public utility easements are contained within the property legally described as:

That part of the Southwest Quarter of the Northwest Quarter (SW 1/4 of NW 1/4) of Section Twenty-nine (29), Township Thirty-five (35), Range Twenty-three (23), Isanti County, Minnesota, described as follows: Commencing at the point of lntersection of the East-West Quarter line of Section 29 with the Easterly right-of-way line of the Burlington-Northern Railroad (formerly known as the Great Northern Railway); thence Easterly on an assumed azimuth of 90 degrees 00 minutes, 30 seconds, along the East-West Quarter line of Section 29, a distance of 834.08 feet; thence Northerly an a azimuth of 358 degrees 50 minutes 10 seconds, a distance of 33.01 feet to the point of beginning of the parcel herein described on the North line of the south 33 feet of the SW 1/4 of NW 1/4 of Section 29; thence continuing Northerly on an azimuth of 358 degrees 50 minutes 10 seconds, a distance of 370 feet; thence Easterly on a azimuth of 90 degrees 00 minutes 30 seconds, parallel with the South line of the SW 1/4 of NW 1/4 of Section 29, a distance of 330 feet to the East line of the SW 1/4 of NW 1/4 of Section 29; thence Southerly on an azimuth of 178 degrees 50 minutes 10 seconds, along said East line, a distance of 370 feet ta the North line of the South 33 feet of the SW 1/4 of NW 1/4: thence Westerly on an azimuth of 270 degrees 00 minutes 30 seconds, along said North line, a distance of 330 feet to the point of beginning.

AND

Lot One (1), Block One (1), Dual Industrial Park, excepting therefrom however, the North 132 feet thereof, Isanti County, Minnesota; and,

WHEREAS, the City of Isanti desires to vacate the public utility easement described as that certain utility and drainage easement over, across and under the West 10 feet thereof and the South 10 feet thereof, as described in the Warranty Deed dated June 20, 2002 and recorded in the office of the Isanti County Recorder on June 20, 2002 as document No. 300498.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ISANTI, ISANTI COUNTY, MINNESOTA:

1. The City of Isanti City Council will consider the vacation of such public utility easement and a public hearing shall be held on such proposed vacation(s) on the 15th day of May, 2018, before the City Council in the City Hall located at 110 First Avenue NW at 7:00 p.m.

2. The Community Development Director is hereby directed to give published, posted, and mailed notices of such hearing as required by law.

Adopted by the City Council of the City of Isanti This 1st day of May, 2018.

Mayor George A. Wimmer

ATTEST:

Katie Brooks
City Clerk/Human Resources

CERTIFICATE OF COMPLETION

Katie Brooks, City Clerk/Human Resources Director of the City of Isanti, State of Minnesota, pursuant to Minnesota Statutes §412.851 hereby states as follows:

1. NOTICE IS HEREBY GIVEN that pursuant to the attached Resolution duly adopted by the City Council of Isanti, Isanti County, Minnesota, as provided under Minnesota Statutes §412.851 and Minnesota Statutes §462.358, Subd. 7, that the City Council of Isanti has completed the vacation of the utility easement as described herein as of _____ _____, 2018.

2. Attached hereto is a copy of said Resolution, which copy is hereby certified to be true and correct copy of the original Resolution, on file and of record in the office of the City Clerk in and for the City of Isanti.

3. The subject utility easement which as been vacated by the City of Isanti is as described on the attached "Exhibit A", attached hereto and made a part hereof.

4. The City Clerk hereby certifies that said vacation as evidenced by Resolution No. 2018-_____ attached hereto, has been completed.

BY ORDER OF THE CITY OF ISANTI:

DATED THIS _____ OF _____, 2018.

BY: _____

MEMORANDUM

Date: April 24, 2018

To: Honorable Mayor Wimmer and Members of the City Council

From: Bradley C. DeWolf, P.E.
City Engineer
Jason Cook, P.E.
Assistant City Engineer

Subject: Approval of Plans and Authorization to Advertise for Bids
2018 Pavement Management Project
City of Isanti, MN
BMI Project No.: R13.115873

We request that the City Council approve the plans and specifications, entitled "2018 Pavement Management Project", and authorize advertisement for bids.

Following is the schedule for the 2018 Pavement Management Project:

Approve Plans & Specs, Authorize Advertisement for Bids	May 1, 2018
Open Bids	May 22, 2018
Award Bid	June 5, 2018
Commence Construction	Early June, 2018
Final Completion of Construction	August 31, 2018

The contractor will be required to complete the Bluebird Park parking lot improvements prior to Rodeo and Jubilee Days. They will then be allowed to resume work on the remainder of the project after the festival is over.

Jason or I will be at the May 1, 2018 City Council meeting to respond to any questions you have concerning the approval of plans and specifications or the authorization to advertise for bids.

Please contact me with any questions or if you would like any additional information prior to the meeting as well.

Bolton & Menk is an equal opportunity employer.

RESOLUTION NO. 2018-xxx

RESOLUTION AUTHORIZING ADVERTISEMENT FOR BIDS FOR THE 2018 PAVEMENT MANAGEMENT PROJECT

WHEREAS, the City has adopted a 10 Year Pavement Maintenance Schedule to extend the life of the City roadway system, and

WHEREAS, the City has planned the Crack Fill and Seal Coat maintenance in accordance with the Pavement Maintenance Schedule, and

WHEREAS, the plans and specifications have been completed for these improvements in accordance with direction from City staff, and

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, as follows:

1) That the City shall approve the plans and specifications entitled "2018 Pavement Management Project" as completed by Bolton & Menk, Inc.
2) That the City shall authorize the advertisement for bids

This resolution was duly approved by the Isanti City Council this 1st day of May, 2018.

Attest:

_____
Mayor George A. Wimmer

_____
Katie Brooks
Human Resources/City Clerk

CITY OF ISANTI
PLANNING COMMISSION
MEETING MINUTES
March 20, 2018

1. Meeting Opening.

A. Call to Order.

Chairman Wimmer called the meeting to order at 7:18 p.m.

B. Pledge of Allegiance.

The Pledge of Allegiance was recited.

C. Roll Call.

Members Present: George Wimmer, Steve Lundeen, Dan Collison, Ross Lorinser, Paul Bergley, Jeff Miller.

Members Absent: Jim Kennedy.

Staff Present: Ryan Kernosky, Community Development Director.

1D. Agenda Modifications.

Director Kernosky stated that there were no Agenda Modifications, Motion by Lundeen, seconded by Collison to approve, approved unanimously.

2. Approval of the Minutes from the February 20, 2018 Planning Commission

Motion by Collison, seconded by Bergely to approve the minutes from the February 20, 2018 Planning Commission, approved unanimously.

3A. Request from SAC Wireless (on behalf of AT&T Wireless) to amend a Conditional Use Permit to allow the collocation of antennas on an existing telecommunications tower and tbe construction of an accessory structure on the property at 501 West Dual Boulevard NE (PID 160530080) legally described as Lot 1, Block 3, Dual Industrial Park except beginning at the SW corner of Outlot A, then N5.5800 along W line 426' to NW corner of Outlot A; the W 269.5850 Along N Line of Lot 1, 53'; Then S 178.5010 424.60' to POB.

Mayor Wimmer opened the public hearing at 7:18 pm.

Director Kernosky gave an overview of the proposed Conditional Use Permit by SAC on behalf of AT&T. The proposal is to add additional towers and an accessory structure on the tower and ground. Staff is recommending approval with the conditions stipulated in the Resolution.

Mayor Wimmer closed the public hearing at 7:20 pm.

Motion by Lundeen, seconded by Bergley to approve the amended Conditional Use Permit to allow the collocation of antennas on an existing telecommunications tower and the construction of an accessory structure on the property at 501 West Dual Boulevard NE (PID 160530080) legally described as Lot 1, Block 3, Dual Industrial Park except beginning at the SW corner of Outlot A, then N5.5800 along W line 426' to NW corner of Outlot A; the W 269.5850 Along N

Line of Lot 1, 53'; Then S 178.5010 424.60' to POB. With staff conditions. Motion approved unanimously.

3B Request from Jill Hoffman (dba Granny May's) for a Conditional Use Permit to operate a Restaurant at 2 Enterprise Avenue NE Suite D4 (PID 161320020) legally described as Towns Edge Business Center CIC 2010-1.

Mayor Wimmer opened the Public Hearing at 7:20 p.m.

Director Kernosky provided an overview of the proposed Conditional Use Permit. Kernosky stated that in all of the zoning districts, resturants are a conditional use. The location is an existing structure, and house a former cake shop. Staff recommends approval with conditions stated in the Resolution.

Jill Hoffman stated she has been operating her business for quite some time. She currently services several senior communities and centers, home delivered meals, and catering for industrial park businesses. She stated that her business has grown and she can no longer operate from her home. Her plan, once the business gets going, she plans to open up the storefront for a restaurant. There is also another suite next door that she could expand to if needed.

Mayor Wimmer closed the Public Hearing at 7:25 p.m.

Motion by Lundeen, seconded by Lorinser to recommend approval of the proposed Conditional Use Permit to operate a Restaurant at 2 Enterprise Avenue NE Suite D4 (PID 161320020) legally described as Towns Edge Business Center CIC 2010-1 with staff conditions. Motion passed unanimously.

3C Request from Jodi De Tomaso (dba Metz Dog Grooming) for an Interim Use Permit for home occupation for dog grooming at 200 9th Ave SE (PID 161410050) legally described at Lot 5, Block 1, Sun Prairie Second Addition.

Mayor Wimmer opened the Public Hearing at 7:25 p.m.

Director Kernosky provided an overview of the request. Kernosky stated that she had been operating the same business in her old property on Palomino Rd. During a regular inspection of that neighborhood, the Code Enforcement Officer noticed that the business had moved. Upon further inspection, the previous interim use permit stated that if the business moved, a new interim use permit would be required to be obtained. Kernosky stated it was a special home occupation permit because the nature of dog grooming, which requires an interim use permit. Staff is recommending approval with conditions in the Resolution. Kernosky stated that the City had no issues pertaining to the previous operation.

Mayor Wimmer inquired whether or not the current neighbors have provided comment. Kernosky stated that no comments or complaints have been received by the City. Mayor Wimmer clarified that they neighbors were notified of the public hearing.

Jodi De Tomaso stated that she bought a new house and is operating her business out of her extra stall garage.

Mayor Wimmer closed the Public Hearing at 7:28 p.m.

Motion by Lundeen, second by Collison to approve an Interim Use Permit for home occupation for dog grooming at 200 9th Ave SE (PID 161410050) legally described at Lot 5, Block 1, Sun Prairie Second Addition with staff conditions. Motion passed unanimously.

There were no items for discussion.

5. Adjournment

Motion by Bergley, second by to Lundeen to adjourn the March 20, 2018 meeting of the Planning Commission. Motion was unanimously approved.

The meeting adjourned at 7:28 p.m.

Dated at Isanti, Minnesota this 27th day of March, 2018.

Respectfully submitted,

Ryan Kernosky
Community Development Director

CITY OF ISANTI
PARKS, RECREATION, AND CULTURE BOARD
MEETING MINUTES
March 27, 2018
City Council Chambers

1. Meeting Opening.

A. Call to Order.
Garvey called the meeting to order at 6:00 p.m.

B. Pledge of Allegiance.
Everyone stood for the Pledge of Allegiance.

C. Roll Call.

Members Present:	Jennifer Garvey, Jeff Johnson, Mayor Wimmer
Members Absent:	James Witte, and Aaron Zdon
Staff Present:	Katie Everett, Community Events and Parks Coordinator

D. Agenda Modifications.
Garvey stated that she would like to add discussion about park lighting to the agenda. Wimmer stated that he would also like to add a discussion about next month's park tour to the agenda. These items were added under 5. Parks Updates. Wimmer made a motion to approve the amended agenda, second by Johnson. The amended agenda was unanimously approved.

2. Approval of Minutes from February 27, 2018 Parks, Recreation, and Culture Board Meeting

Motion by Wimmer; second by Johnson. Minutes were unanimously approved.

3. School Use of Mattson Tennis Courts

Everett informed that board that the school's current contract goes through the spring season, so they will be using the courts for this spring. As soon as they are done, Everett will get the contractor scheduled to get them resurfaced. In the fall, the schools will be using courts in Cambridge instead of here. If they decide they want to come back sometime in the future, we'll go back to square one and decide where want their contract to sit. Garvey asked if they had any other feedback with not wanting to come back. Everett said they just told her Cambridge gave them a lower price. Johnson said that he's a little disappointed about that. Everett said they did make a point of saying that they didn't ask anyone else for prices, they were just approached with this. Wimmer stated that when we first started doing this, we did receive some significant negative feedback for letting the schools take over the courts. Johnson added that it better for the public now; Wimmer agreed, they get to actually use the courts now that they paid for. Wimmer said that maybe if you're a tennis player you adding more time getting bussed up to Cambridge, but for our City, our residents can use these nice courts that we'll have completely refurbished. Garvey asked as far as the resurfacing if there's been put out to the public yet that that's coming, is it in the Isantian or anything like that? Everett said she did not put it in the Isantian, but it will definitely get posted to the website and signs will be posted at the courts as soon as we know when that is. Everett explained that she did talk to the contractor and because they never know when they're actually going to be able to start their projects, we don't know exactly when that will happen. She told him to put us at the beginning of the list. Garvey asked if Everett knows of any other regular users, senior groups or anything like that, that have used the group regularly. Everett explained that she's not aware of any organized groups, but she just recently did get a call from a gentleman that said he and one of his friends like to use the courts regularly and they wanted to know the school was going to be back. Everett stated that she will keep the board updated on that process.

4. Earth Day Clean Up

Everett stated the groups signed up so far include the Girl Scouts, New Hope Church (who said they really wanted to do Legacy Park when they signed up), Coborn's, Flagship Bank, and the Master Gardeners. She was hoping there would be less snow on the ground so she could get out and see what really needs to be cleaned up, but she shared a draft plan. She spoke with Public Services Director Wood, and they think it may be useful to have people a little farther from the beaten path that Public Works doesn't typically get to right away in the spring. One area Everett would like to have people is at the City Hall parking lot to work on cleaning up in the drainage areas that collect a lot of trash, and they can work into downtown in the former Eagle Park and go from there. She said that we can have the Master Gardeners at River Bluff, and then there may be other garden projects we can have them work on too. Depending on how many people Coborn's can come up with, we can put them at Bluebird and they can cover more area. Everett asked if the board members had any areas that they wanted to have volunteers work on. The goal is that the locations will be advertised so residents can join too. Having some sort of meeting location would be useful, but not completely necessary. She said she can also just work with Public Works to determine the areas that need the most work. Wimmer said that Whisper Ridge and Isanti Hills are areas that seem to get more of the windblown stuff getting stuck in fences and that kind of thing. Johnson asked if we have anyone doing the Cambridge-Isanti trail. Everett said that could potentially be covered by whoever we have at Bluebird, and it is one of the areas that Public Works gets out to right away. Garvey asked if we had numbers that each group is anticipating. Everett said that she doesn't have those yet, but New Hope did share that they're having a community outreach day on the same day so they'll have a lot of people available. Flagship said they'll probably have four or five, so we'll have a wide range. Everett said there may be some light landscaping we can have people work on too; Public Works spends time in the spring raking the woodchips back into the playgrounds and things. Everett stated that the clean up will happen before the next meeting, so she'll give an update on how it goes. The clean up is April 21st, Saturday, from 10:00 to noon. It's the same day as Citywide Clean Up.

5. Parks Updates

Everett shared that March movie night went well with Heavenly Sunshine, there were 67 people. The last movie night is in April with the Isanti Ambassadors; they haven't volunteer at movie night before. The 2018-2019 schedule is up as well as the updated volunteer policy.

The community garden is almost full. Everett received a call that afternoon from someone who said they'd come in to sign up that day, but they didn't so far. Within the next couple of days, she expects they'll be in. Johnson asked if there are still 5 plots. Everett said there are; there are two sets of two plots and a single one, so really if we get three more gardeners we can fill those. There are four raised beds that are reserved and there are two more that we can put up if we need them. If they don't get reserved, we may put them in the area for the Public Health program. The garden opens May 12, and there will be a meeting for the gardeners on May 10. Everett explained that she just talked with Public Works about the pollinator section too.

Everett said that rain garden workshop is coming up April 19, which is before the next meeting as well. Soil and Water is putting together a Powerpoint presentation for that. Everett has received some phone calls from people interested in coming and shared the information at the Master Gardeners' Burst into Spring event. It is open to all County residents, so anyone can come to learn about rain gardens, and there will be a section at the end to talk about the reimbursement program.

Everett stated that staff are working on interviewing Parks Intern candidates, and there have been some good candidates so far.

Everett updated the board on the Farmers' Market. There has been one new big vegetable vendor that signed up for two booths for the whole season. She did find out that Shoua, who has been a regular of the

market will not be back this year. She is at another market every other day of the week, and is hoping that she can get some extra help and maybe come back next year. Everett also sent out emails to a bunch of people listed on Minnesota Grown and is starting to get responses to that. A fair number of last year's vendors have their forms in as well. Now that we can kind of advertise it as a quickly growing market, word is getting out on its own as well as Everett can tell people that this location will be successful for them. There is a vendor meeting at the end of April for anyone who is signed up or interested in signing up.

Everett stated that the sponsorship program has gone out. There have been a couple of quick bites on that, and she will send reminders out before that is due. Allina is on board to help us out again. They've been really great about that. Last year, they gave us a basket to go with the Passport to Parks prize, too. They're always a great resource to have for a lot of the things we do.

Everett added that the City finally owns Academy Park. We will be installing a segment of fence between the storm pond and the open field; Everett is working on bids for that. All of the signage is going up as well. The park has a playground and tennis court which give us another amenity on that side of Hwy 65.

Garvey said she thought we may have discussed them in the past, but was wondering about the lights in Bluebird Park that are on at night. Is there a specific timing schedule that we're following? Are they our lights? She seems them on now. Everett asked if she meant the street lights. Garvey clarified she's talking about the lights that are over where the skatepark equipment is now and the pleasure rink. She added that for many months it's not utilized, so she's wondering why they're coming on. Everett said she would have to check about how those are set up. She thought they were set up to run on a sensor but then shut off after park hours, but there might not be a seasonal option. We should be able to manually shut them off in the winter. Wimmer said they shouldn't be on at all, period. They were put up specifically for hockey when we had the agreement with the youth hockey association and then they were supposed to shut them off when they were done with practice. Everett stated that now they're over the skate equipment and she has had people call and ask about them not being on. Wimmer said that we don't need to have lights on the skate equipment. Garvey said that's why she was wondering because they're on every night and they go off at 10:00. Everett confirmed that's park hours. Garvey stated that they're on all winter long, and asked to clarify if they're City lights. Everett and Wimmer confirmed that they are. Garvey said that to her it's wasting electricity when the equipment can't be used. She would like to see if we can establish more of a definitive schedule for the lights. She did think that at it used to be with the hockey rink that whoever was using it could turn them on or off. Everett explained that, she thought it was just last year, we got those ones and the ones at Unity switched to sensors because people would flip them on and then they didn't get shut off again. Garvey said that this is something she'd like to bring back and just get more definitive. Wimmer stated that he'd give the definitive; they're not supposed to be on. Most likely they'll be moved when we do the rink over on the other side. He doesn't know why they were every switched to the other thing, we don't put lights over anything else. They were only over hockey because it was part of that agreement.

Wimmer stated for the park tour, he'd like a park ambassador kind of thing where each board member takes a couple of the parks and then we check them out before the April meeting. He added that when we go through them and see if there's equipment that needs to be fixed or isn't being used, whatever it could be. We make suggestions about updates to be made or something needs to be changed or what have you. There's no way we could through all the parks in a couple of hours and actually be thorough. We could spend a meeting just at Legacy and River Bluff, each of those alone. He stated that Everett would still like to be out at a park which is a nice idea, depending on the weather. That was his idea to divvy those up and then we have a month to look at them. Johnson asked when the park tour was; Wimmer stated at the April meeting. Johnson asked for clarification about where the meeting would be. Wimmer stated that in the past we would meet at City Hall and do the pledge and approving the minutes and then drive to all the parks and spend maybe five minutes at each one. Garvey said that she likes the change and it's worth a

shot because the old way isn't working anymore. The board discussed the parks and made the following assignments:

- Mayor Wimmer – Legacy Park and River Bluff Preserve
- Jenny Garvey – Riverside Park, Bluebird Park, and Unity Park
- Jeff Johnson – Mattson Park and VFW Park
- James Witte – Rum River Meadows and Isanti Hills Neighborhood Park (formerly Tot Lot)
- Aaron Zdon – Whisper Ridge and Academy Park

Garvey wanted to clarify that we'd only meet in one place. Wimmer stated that we would just meet in one place. Everett stated that she can also send out a list of what kinds of things to look for. Everett asked if everyone has been to Academy Park and if wanted to have the meeting there. Wimmer stated that we can go there, weather permitting. Garvey asked if there's any sort of shelter there; Wimmer stated that there is not, that's why it has to be pretty good weather; Everett said we could just default to having the meeting here. Wimmer said we should publish that the meeting will be held there and then just start there instead of meeting here and driving there. Legally, the meeting has to be where we say it is, so if we do that even if there's bad weather we have to do it there. Garvey asked if the building would be open; Everett said she could look into it. Everett asked how far in advance we have to post it. Wimmer said that we'll have to check. Everett said that having the meeting out there isn't totally necessary; we can just ask everyone to drive by to see Academy Park. The board clarified that the whole meeting will be held be in Council Chambers and each member will to go Academy Park in addition to their assignments before the next meeting. Wimmer explained to Johnson since he hasn't been through this process yet, that all of these ideas will go into the "hopper" and they'll be addressed by priority and budget. In the last year and half, quite a few things have been addressed. Everett explained that she has already received the new diggers for Isanti Hills.

6. Adjournment

Motion by Johnson, second by Wimmer to adjourn the March 27, 2018 meeting of the Parks, Recreation, and Culture Board. Motion was approved.

The meeting adjourned at 6:37 p.m.

Dated at Isanti, Minnesota this 27th day of March, 2018.

Respectfully submitted,

Katie Everett
Community Events and Parks Coordinator

Request for City Council Action

To: **Mayor Wimmer and City Council Members**
From: Chief Gene C. Hill
Date: April 13, 2018
Subject: Reserve Officer Hiring - Replacement

MEMO

Background:

The City of Isanti has a Police Reserve Unit that is a volunteer group and has current openings from resignations. When those Reserves resignations were accepted by City Council, the vacant position was also authorized to be filled upon finding a candidate to fill that position.

The PD has received periodic applications for the position of a volunteer Police Reserve. Lt. Muyres has reviewed, interviewed and backgrounded the candidates below and recommends the following candidate to the CC for the position of Volunteer Isanti Police Reserve:

- **Taylor Leanne Japp 19971220**

Action:

I ask that the City Council review, consider and approve the hiring of the above candidate to fill vacancy within the Volunteer Isanti Police Reserves Program.

Thank you for your consideration,

Chief Gene C. Hill

RESOLUTION NO. 2018 -XXXX

A RESOLUTION AUTHORIZING FILLING OF VACANCY TO THE ISANTI POLICE RESERVE UNIT BY HIRING TAYLOR LEANNE JAPP

WHERAS, the City of Isanti has authorized the police department to keep a roster of 13 voluntary police reserve positions; and

WHEREAS, the Police Department recently has current openings within the Police Reserves Unit and authorization was given to fill those positions; and

WHEREAS, reserve applications were received and reviewed; and

WHEREAS, selected candidate was interviewed and backgrounded successfully by Lt. Muyres; and

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota as follows:

1. Filling the current vacancy within the Volunteer Isanti Police Reserve Program by hiring Taylor Leanne Japp 19971220.

Adopted by the Isanti City Council this 17th day of April, 2018.

Request for City Council Action - MEMO

To: **Mayor Wimmer and Members of City Council**

From: **Sean M. Sullivan, Economic Development Director**

Date: May 1, 2018

Subject: Consider Resolution 2018-XXX Authorizing the Execution of Repayment Agreement on Lot 4, Block 1, Sun Prairie Third Addition with J Robinson Construction, Inc.

Background:

On December 19, 2017 the City Council amended and extended a SAC and WAC Deferral program as Resolution No. 2017-304 to continue to spur development activity. J Robinson Construction, Inc. has requested the City to execute a Repayment Agreement for 816 Marion St SE, Isanti, MN legally described as Lot 4, Block 1, Sun Prairie Third Addition, for the construction of an approximate 1,360 SF main floor single family home. The business is in "good standing" upon review of the Minnesota Secretary of State Office as of April 25, 2018. The form of the Repayment Agreement is consistent with the form approved by the City Council on December 19, 2017. The Repayment Agreement will be dated as of the date that the Building Permit is paid for by the Developer. Staff is asking the City Council to consider adoption of the attached resolution and execution of the Repayment Agreement.

Request:

It is requested that the City Council consider adoption of Resolution 2018- XXX Authorization and Execution of Repayment Agreement on Lot 4, Block 1 Sun Prairie Third Addition with J Robinson Construction, Inc.

Attachment:

1) Resolution 2018- XXX Authorization and Execution of Repayment Agreement on Lot 4, Block 1, Sun Prairie Third Addition with J Robinson Construction, Inc.

RESOLUTION NO. 2018-XXX

AUTHORIZATION AND EXECUTION OF REPAYMENT AGREEMENT FOR LOT 4, BLOCK 1, SUN PRAIRIE THIRD ADDITION WITH J ROBINSON CONSTRUCTION, INC.

WHEREAS, the City of Isanti adopted a SAC and WAC Deferral program on December 19, 2017 which is documented by Resolution 2017-304; and

WHEREAS, A boiler plate Repayment Agreement was drafted by Development Attorney and the City Council directed Staff to utilize this agreement for parties interested in SAC and WAC Deferral for commercial or residential development; and

WHEREAS, J Robinson Construction, Inc. (the "Developer") has asked the City of Isanti to enter into a Repayment Agreement for the property legally described as: Lot 4, Block 1, Sun Prairie Third Addition (the "Property") and has agreed to pay the recording fee associated with the filing of the Repayment Agreement; and

WHEREAS, the Developer has stated the it will be the owner of the Property at the time of execution of the Repayment Agreement; and

WHEREAS, the date of the Repayment Agreement will be when the Developer signs prior to payment of the building permit; and

WHEREAS, the Developer is registered, active and is in good standing with the Minnesota Secretary of State Office as of April 25, 2018.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota authorized the Mayor and City Administrator to execute the Repayment Agreement attached hereto contingent upon satisfactory proof of ownership witnessed in a recorded instrument of conveyance to the Developer.

This Resolution hereby approved by the Isanti City Council this 1st day of May 2018.

REPAYMENT AGREEMENT; STATUTORY SHORT FORM MORTGAGE; AND DEED RESTRICTIONS

THIS REPAYMENT AGREEMENT; STATUTORY SHORT FORM MORTGAGE; AND DEED RESTRICTIONS ("AGREEMENT"), made on or as of the ____ day of May, 2018, by and between the City of Isanti, Minnesota, a Minnesota municipal corporation (hereinafter referred to as the "City") having its principal office at 110 First Avenue N.W. PO Box 428, Isanti, Minnesota 55040, and J Robinson Construction, Inc. , a corporation under the laws of the State of Minnesota (hereinafter referred to as the "Developer"), having its principal office at 309 Elm Street SW, Isanti, MN 55040.

WITNESSETH:

WHEREAS, the Developer intends to construct a 1,360 square foot single family house (the "Improvements") on certain real property (the "Property") in the City; and

WHEREAS, in connection with the construction of the Improvements there are certain water and sanitary sewer charges that are payable by the Developer to the City; and

WHEREAS, the Developer has demonstrated to the satisfaction of the City that the Developer is unable to pay the full amount of the charges now and has asked the City to defer such charges and make them payable at a future point in time; and

WHEREAS, the City believes that the development of the Improvements by the Developer is in the best interests of the City and, therefore, it is willing to defer the charges if doing so will facilitate the development and viability of the Improvements.

NOW, THEREFORE, in consideration of the premises and the mutual obligations of the parties hereto, each of them does hereby covenant and agree with the other as follows:

ARTICLE I
Definitions

Section 1.1. Definitions. In this Agreement, unless a different meaning clearly appears from the context:

"Agreement" means this Agreement, as the same may be from time to time modified, amended, or supplemented.

"City" means the City of Isanti, Minnesota, its successors and assigns.

"County" means Isanti County, Minnesota.

"Deferred Charges" means the utility charges described in Section 3.1 of this Agreement being deferred by the City and which the Developer is obligated to pay in accordance with this Agreement.

"Developer" means J Robinson Construction, lnc, a Minnesota Corporation, its successors and assigns.

"Event of Default" means an action by the Developer listed in Article IV of this Agreement.

"Improvements" means the 1,360 square foot single family house to be constructed by the Developer on the Property.

"Property" means the real property described on the attached Schedule A to this Agreement.

"State" means the State of Minnesota.

ARTICLE II
Representations

Section 2.1. Representations by the City. The City makes the following representations as the basis for the undertaking on its part herein contained:

(a) The City is a statutory city duly organized and existing under the laws of the State. Under State law, the City has the power to enter into this Agreement and to perform its obligations hereunder.

Section 2.2. Representations by the Developer. The Developer represents that:

(a) The Developer is a corporation duly organized and authorized to transact business in the State, is not in violation of any provisions of its Bylaws or the laws of the State, has power to enter into this Agreement and has duly authorized the execution, delivery and performance of this Agreement by proper action of its Board of Directors.

ARTICLE III
Deferred Charges, Payment and Security

Section 3.1. Deferred Charges. The Developer owes to the City the sum of **$ 5722.00** in deferred utility charges ("Deferred Charges"). The Deferred Charges consist of **$ 2,537.00** in Water Availability Charges and **$ 3,185.00** in Sewer Availability Charges. The City has agreed to defer the payment of the Deferred Charges as described in this Agreement.

Section 3.2. Payment of the Deferred Charges. The Developer covenants and agrees that it will pay the Deferred Charges to the City on the earliest to occur of the following:

(a) on the date that is one hundred and twenty (120) days after the date of this Agreement;

(b) on the date that the Developer sells or transfers the Property or Improvements, or any portion thereof; or

(c) on the date that the City issues a certificate of occupancy for the Improvements.

Interest shall accrue on the Deferred Charges at the rate of zero percent (0%) from the date hereof and continuing until the Deferred Charges and all accrued interest have been paid in full.

Section 3.3. Payment of Costs.

(a) The Developer shall pay all costs for title work and recording of this Agreement.

(b) The Developer shall pay all costs incurred by the City in connection with the preparation and implementation of this Agreement and related documents, including, without limitation, fees of attorneys related the preparation of this Agreement and related documents, if the Developer fails to complete construction of the Improvements within one hundred and twenty (120) days after the date of this Agreement.

Section 3.4 Security. As security for Developer's obligation of repayment of the Deferred Charges and Costs identified in Sections 3.1 and 3.3, Developer hereby grants and the City shall and hereby does have, a lien on the Property in the full amount necessary to satisfy any repayment obligation of the fees and charges identified in Sections 3.1 and 3.3 under this Agreement and the cost including reasonable attorney's fees, of collecting the same.

Section 3.5 Notice. At least 10 days before the date of any sale, cash out refinance, transfer or other conveyance of the Property or, in the event of a sale by contract for deed, Developer or their heirs, executors or representatives, shall give the City notice thereof.

Section 3.6 Mortgage. To secure any such repayment of the Deferred Charges under Section 3.1 and 3.3 as may become due under the provisions of this Article, the Developer hereby

grants to the City a Statutory Short Form Mortgage pursuant to the provisions of Minnesota Statutes Section 507.15 (2016) as follows:

UNIFORM SHORT FORM MORTGAGE

This statutory mortgage, made this ___ day of May, 2018 between the City of Isanti, a Minnesota Municipal having its principal office at 110 First Avenue N.W. PO Box 428, Isanti, Minnesota 55040 (the "Mortgagor"), and J Robinson Construction, Inc., a corporation under the laws of the State of Minnesota having its principal office at 309 Elm Street SW, Isanti, MN 55040 (the "Mortgagee"),

Witnesseth, that to secure the payment of the Deferred Charges by the Mortgagee to the Mortgagor of $5,722.00 as described in Article 3 of this Agreement (the "Indebtedness") the Mortgagor, hereby mortgages to the mortgagee and grants a security interest in the real property located at 820 Marion Street SE, in the City of Isanti, Isanti County, Minnesota, as legally described and set forth in "Schedule A" attached hereto and made a part hereof ("Property"), subject only to any liens or encumbrances of record thereon as of the date hereof.

And Mortgagor agrees and covenants with the Mortgagee the following statutory covenants;

1. To warrant the title to the Property, subject only to prior encumbrances of record as of the date hereof.
2. To pay the indebtedness as herein provided.
3. To pay all taxes.
4. To keep the buildings located on the Property insured against fire, windstorm and extended coverage for their full insurable value for the protection of the Mortgagee.
5. That the Property shall be kept in repair and no waste shall be committed.
6. That the whole of the principal sum shall become due after default, in the payment of any installment of principal or interest, or of any tax, or in the performance of any other covenant, at the option of the Mortgagee.

If default be made in any payment or covenant herein, the mortgagee shall have the statutory power of sale, and on foreclosure may retain statutory costs and attorney's fees.

Section 3.7. In the event Mortgagor or their heirs, executors or representatives shall fail or refuse to make a required repayment of the Indebtedness within the limited period set forth herein, the Mortgagee may, with or without notice to Mortgagor foreclose said lien in the same manner as provided pursuant an action for the foreclosure of mortgage upon said Property, as by statute provided, or may at its option proceed with foreclosure by advertisement pursuant to the statutory power of sale which the Mortgagor grants to the Mortgagee provided under this Mortgage, in accordance with applicable law. In the event of default by Mortgagor on any of Mortgagor's obligations under the terms of this Mortgage, Mortgagee shall also have the right to pursue any remedy available to it at law or in equity.

ARTICLE IV
Events of Default

Section 4.1. Events of Default Defined. The following shall be "Events of Default" under this Agreement and the term "Event of Default" shall mean, whenever it is used in this Agreement (unless the context otherwise provides), any one or more of the following events:

(a) Failure by the Developer to pay when due any payments required to be paid under this Agreement.

(b) The Developer of the following: (i) file any petition in bankruptcy or for any reorganization, arrangement, composition, readjustment, liquidation, dissolution, or similar relief under United States Bankruptcy Laws or any similar Federal or State Laws; or (ii) make an assignment for the benefit of its creditors; or (iii) admits, in writing, its inability to pay its debts generally as they become due; or (iv) be adjudicated, bankrupt or insolvent.

Section 4.2. City's Remedies on Default. Whenever any Event of Default by Developer referred to in Section 4.1 of this Agreement occurs, the City may take any one or more of the following actions after providing ten (10) days written notice to the Developer of the Event of Default, but only if the Event of Default has not been cured within said ten (10) days:

(a) Declare the entire outstanding balance of the Deferred Charges immediately due and payable;

(b) Terminate this Agreement;

(c) Deny issuance of certificates of occupancy or temporary certificates of occupancy;

(c) Take whatever action, including legal, equitable or administrative action, which may appear necessary or desirable to the City to collect any payments due under this Agreement, or to enforce performance and observance of any obligation, agreement, or covenant of the Developer under this Agreement, including the remedies provided under Article 3.

Section 4.3. No Remedy Exclusive. No remedy herein conferred upon or reserved to the City or Developer is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Agreement or now or hereafter existing at law or in equity or by statute. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the City or the Developer to exercise any remedy reserved to it, it shall not be necessary to give notice, other than such notice as may be required in this Article IV.

Section 4.4. No Additional Waiver Implied by One Waiver. In the event any agreement contained in this Agreement should be breached by either party and thereafter waived by the other

party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other concurrent, previous or subsequent breach hereunder.

Section 4.5. Costs of Enforcement. Whenever any Event of Default occurs and the City shall employ attorneys or incur other expenses for the collection of payments due or to become due or for the enforcement of performance or observance of any obligation or agreement on the part of the Developer under this Agreement, the Developer agrees that it shall, within ten (10) days of written demand by the City, pay to the City the reasonable fees of such attorneys and such other expenses so incurred by the City.

Section 4.6. Certificate of Occupancy. The City may deny a certificate of occupancy or temporary certificate of occupancy for the Property until all amounts owed to the City under the terms of this Agreement have been paid by Developer.

ARTICLE V
Additional Provisions

Section 5.1. Representatives Not Individually Liable. No member, official, or employee of the City shall be personally liable to the Developer, or any successor in interest, in the event of any default or breach or for any amount which may become due to Developer or successor in interest or on any obligations under the terms of this Agreement.

Section 5.2. Titles of Articles and Sections. Any titles of the several parts, Articles, and Sections of the Agreement are inserted for convenience of reference only and shall be disregarded in construing or interpreting any of its provisions.

Section 5.3. Notices and Demands. Except as otherwise expressly provided in this Agreement, a notice, demand, or other communication under the Agreement by either party to the other shall be sufficiently given or delivered if it is dispatched by registered or certified mail, postage prepaid, return receipt requested, or delivered personally; and

(a) in the case of the Developer, is addressed to or delivered personally to J Robinson Construction, Inc. 309 Elm Street SW, Isanti, MN 55040; and

(b) in the case of the City, is addressed to or delivered personally to the City at 110 First Avenue N.W., P.O. Box 428, Isanti, Minnesota 55040,

or at such other address with respect to either such party as that party may, from time to time, designate in writing and forward to the other as provided in this Section.

Section 5.4. Disclaimer of Relationships. The Developer acknowledges that nothing contained in this Agreement nor any act by the City or the Developer shall be deemed or construed by the Developer or by any third person to create any relationship of third-party beneficiary, principal and agent, limited or general partner, or joint venture between the City and the Developer or any third party.

Section 5.5. Release. Upon payment of all fees and charges under Article III in accordance with the provisions of this Agreement, the City will furnish Developer with a Release of Mortgage for the Property within a reasonable period of time following the request. Developer shall be responsible for recording the Release of Mortgage.

Section 5.6. Modifications. This Agreement may be modified solely through written amendments hereto executed by the Developer and the City.

Section 5.7. Counterparts. This Agreement may be executed in any number of counterparts, each of which shall constitute one and the same instrument.

Section 5.8. Judicial Interpretation. Should any provision of this Agreement require judicial interpretation, the court interpreting or construing the same shall not apply a presumption that the terms hereof shall be more strictly construed against one party by reason of the rule of construction that a document is to be construed more strictly against the party who itself or through its agent or attorney prepared the same, it being agreed that the agents and attorneys of both parties have participated in the preparation hereof.

Section 5.9. Run with the Land. This Agreement may be recorded against the Property and shall run with the aforesaid Property and shall inure to the benefit of and be binding upon the parties hereto and their respective heirs, executors, representatives, successors and assigns.

IN WITNESS WHEREOF, the City has caused this Agreement to be duly executed in its name and behalf and the Developer has caused this Agreement to be duly executed in its name and behalf on or as of the date first above written.

Description of Property

Lot 4, Block 1, Sun Prairie Third Addition, Isanti County, Minnesota

K.7.

A Community For Generations.

Isanti

Request for City Council Action - MEMO

To: **Mayor Wimmer and Members of City Council**

From: **Sean M. Sullivan, Economic Development Director**

Date: May 1, 2018

Subject: Consider Resolution 2018-XXX Authorizing the Execution of Repayment Agreement on Lot 3, Block 1, Sun Prairie Third Addition with J Robinson Construction, Inc.

Background:

On December 19, 2017 the City Council amended and extended a SAC and WAC Deferral program as Resolution No. 2017-304 to continue to spur development activity. J Robinson Construction, Inc. has requested the City to execute a Repayment Agreement for 816 Marion St SE, Isanti, MN legally described as Lot 3, Block 1, Sun Prairie Third Addition, for the construction of an approximate 1,360 SF main floor single family home. The business is in "good standing" upon review of the Minnesota Secretary of State Office as of April 25, 2018. The form of the Repayment Agreement is consistent with the form approved by the City Council on December 19, 2017. The Repayment Agreement will be dated as of the date that the Building Permit is paid for by the Developer. Staff is asking the City Council to consider adoption of the attached resolution and execution of the Repayment Agreement.

Request:

It is requested that the City Council consider adoption of Resolution 2018- XXX Authorization and Execution of Repayment Agreement on Lot 3, Block 1 Sun Prairie Third Addition with J Robinson Construction, Inc.

Attachment:

1) Resolution 2018- XXX Authorization and Execution of Repayment Agreement on Lot 3, Block 1, Sun Prairie Third Addition with J Robinson Construction, Inc.

RESOLUTION NO. 2018-XXX

AUTHORIZATION AND EXECUTION OF REPAYMENT AGREEMENT FOR LOT 3, BLOCK 1, SUN PRAIRIE THIRD ADDITION WITH J ROBINSON CONSTRUCTION, INC.

WHEREAS, the City of Isanti adopted a SAC and WAC Deferral program on December 19, 2017 which is documented by Resolution 2017-304; and

WHEREAS, A boiler plate Repayment Agreement was drafted by Development Attorney and the City Council directed Staff to utilize this agreement for parties interested in SAC and WAC Deferral for commercial or residential development; and

WHEREAS, J Robinson Construction, Inc. (the "Developer") has asked the City of Isanti to enter into a Repayment Agreement for the property legally described as: Lot 3, Block 1, Sun Prairie Third Addition (the "Property") and has agreed to pay the recording fee associated with the filing of the Repayment Agreement; and

WHEREAS, the Developer has stated the it will be the owner of the Property at the time of execution of the Repayment Agreement; and

WHEREAS, the date of the Repayment Agreement will be when the Developer signs prior to payment of the building permit; and

WHEREAS, the Developer is registered, active and is in good standing with the Minnesota Secretary of State Office as of April 25, 2018.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota authorized the Mayor and City Administrator to execute the Repayment Agreement attached hereto contingent upon satisfactory proof of ownership witnessed in a recorded instrument of conveyance to the Developer.

This Resolution hereby approved by the Isanti City Council this 1st day of May 2018.

_____
Mayor George A. Wimmer

Attest:

_____
Katie Brooks
Human Resources/City Clerk

REPAYMENT AGREEMENT; STATUTORY SHORT FORM MORTGAGE; AND DEED RESTRICTIONS

THIS REPAYMENT AGREEMENT; STATUTORY SHORT FORM MORTGAGE; AND DEED RESTRICTIONS ("AGREEMENT"), made on or as of the ____ day of May, 2018, by and between the City of Isanti, Minnesota, a Minnesota municipal corporation (hereinafter referred to as the "City") having its principal office at 110 First Avenue N.W. PO Box 428, Isanti, Minnesota 55040, and J Robinson Construction, Inc. , a corporation under the laws of the State of Minnesota (hereinafter referred to as the "Developer"), having its principal office at 309 Elm Street SW, Isanti, MN 55040.

WITNESSETH:

WHEREAS, the Developer intends to construct a 1,360 square foot single family house (the "Improvements") on certain real property (the "Property") in the City; and

WHEREAS, in connection with the construction of the Improvements there are certain water and sanitary sewer charges that are payable by the Developer to the City; and

WHEREAS, the Developer has demonstrated to the satisfaction of the City that the Developer is unable to pay the full amount of the charges now and has asked the City to defer such charges and make them payable at a future point in time; and

WHEREAS, the City believes that the development of the Improvements by the Developer is in the best interests of the City and, therefore, it is willing to defer the charges if doing so will facilitate the development and viability of the Improvements.

NOW, THEREFORE, in consideration of the premises and the mutual obligations of the parties hereto, each of them does hereby covenant and agree with the other as follows:

ARTICLE I
Definitions

Section 1.1. Definitions. In this Agreement, unless a different meaning clearly appears from the context:

"Agreement" means this Agreement, as the same may be from time to time modified, amended, or supplemented.

"City" means the City of Isanti, Minnesota, its successors and assigns.

"County" means Isanti County, Minnesota.

"Deferred Charges" means the utility charges described in Section 3.1 of this Agreement being deferred by the City and which the Developer is obligated to pay in accordance with this Agreement.

"Developer" means J Robinson Construction, Inc, a Minnesota Corporation, its successors and assigns.

"Event of Default" means an action by the Developer listed in Article IV of this Agreement.

"Improvements" means the 1,360 square foot single family house to be constructed by the Developer on the Property.

"Property" means the real property described on the attached Schedule A to this Agreement.

"State" means the State of Minnesota.

ARTICLE II
Representations

Section 2.1. Representations by the City. The City makes the following representations as the basis for the undertaking on its part herein contained:

(a) The City is a statutory city duly organized and existing under the laws of the State. Under State law, the City has the power to enter into this Agreement and to perform its obligations hereunder.

Section 2.2. Representations by the Developer. The Developer represents that:

(a) The Developer is a corporation duly organized and authorized to transact business in the State, is not in violation of any provisions of its Bylaws or the laws of the State, has power to enter into this Agreement and has duly authorized the execution, delivery and performance of this Agreement by proper action of its Board of Directors.

ARTICLE III
Deferred Charges, Payment and Security

Section 3.1. Deferred Charges. The Developer owes to the City the sum of **$ 5722.00** in deferred utility charges ("Deferred Charges"). The Deferred Charges consist of **$ 2,537.00** in Water Availability Charges and **$ 3,185.00** in Sewer Availability Charges. The City has agreed to defer the payment of the Deferred Charges as described in this Agreement.

Section 3.2. Payment of the Deferred Charges. The Developer covenants and agrees that it will pay the Deferred Charges to the City on the earliest to occur of the following:

(a) on the date that is one hundred and twenty (120) days after the date of this Agreement;

(b) on the date that the Developer sells or transfers the Property or Improvements, or any portion thereof; or

(c) on the date that the City issues a certificate of occupancy for the Improvements.

Interest shall accrue on the Deferred Charges at the rate of zero percent (0%) from the date hereof and continuing until the Deferred Charges and all accrued interest have been paid in full.

Section 3.3. Payment of Costs.

(a) The Developer shall pay all costs for title work and recording of this Agreement.

(b) The Developer shall pay all costs incurred by the City in connection with the preparation and implementation of this Agreement and related documents, including, without limitation, fees of attorneys related the preparation of this Agreement and related documents, if the Developer fails to complete construction of the Improvements within one hundred and twenty (120) days after the date of this Agreement.

Section 3.4 Security. As security for Developer's obligation of repayment of the Deferred Charges and Costs identified in Sections 3.1 and 3.3, Developer hereby grants and the City shall and hereby does have, a lien on the Property in the full amount necessary to satisfy any repayment obligation of the fees and charges identified in Sections 3.1 and 3.3 under this Agreement and the cost including reasonable attorney's fees, of collecting the same.

Section 3.5 Notice. At least 10 days before the date of any sale, cash out refinance, transfer or other conveyance of the Property or, in the event of a sale by contract for deed, Developer or their heirs, executors or representatives, shall give the City notice thereof.

Section 3.6 Mortgage. To secure any such repayment of the Deferred Charges under Section 3.1 and 3.3 as may become due under the provisions of this Article, the Developer hereby

grants to the City a Statutory Short Form Mortgage pursuant to the provisions of Minnesota Statutes Section 507.15 (2016) as follows:

UNIFORM SHORT FORM MORTGAGE

This statutory mortgage, made this ___ day of May, 2018 between the City of Isanti, a Minnesota Municipal having its principal office at 110 First Avenue N.W. PO Box 428, Isanti, Minnesota 55040 (the "Mortgagor"), and J Robinson Construction, Inc., a corporation under the laws of the State of Minnesota having its principal office at 309 Elm Street SW, Isanti, MN 55040 (the "Mortgagee"),

Witnesseth, that to secure the payment of the Deferred Charges by the Mortgagee to the Mortgagor of $5,722.00 as described in Article 3 of this Agreement (the "Indebtedness") the Mortgagor, hereby mortgages to the mortgagee and grants a security interest in the real property located at 816 Marion Street SE, in the City of Isanti, Isanti County, Minnesota, as legally described and set forth in "Schedule A" attached hereto and made a part hereof ("Property"), subject only to any liens or encumbrances of record thereon as of the date hereof.

And Mortgagor agrees and covenants with the Mortgagee the following statutory covenants;

1. To warrant the title to the Property, subject only to prior encumbrances of record as of the date hereof.
2. To pay the indebtedness as herein provided.
3. To pay all taxes.
4. To keep the buildings located on the Property insured against fire, windstorm and extended coverage for their full insurable value for the protection of the Mortgagee.
5. That the Property shall be kept in repair and no waste shall be committed.
6. That the whole of the principal sum shall become due after default, in the payment of any installment of principal or interest, or of any tax, or in the performance of any other covenant, at the option of the Mortgagee.

If default be made in any payment or covenant herein, the mortgagee shall have the statutory power of sale, and on foreclosure may retain statutory costs and attorney's fees.

Section 3.7. In the event Mortgagor or their heirs, executors or representatives shall fail or refuse to make a required repayment of the Indebtedness within the limited period set forth herein, the Mortgagee may, with or without notice to Mortgagor foreclose said lien in the same manner as provided pursuant an action for the foreclosure of mortgage upon said Property, as by statute provided, or may at its option proceed with foreclosure by advertisement pursuant to the statutory power of sale which the Mortgagor grants to the Mortgagee provided under this Mortgage, in accordance with applicable law. In the event of default by Mortgagor on any of Mortgagor's obligations under the terms of this Mortgage, Mortgagee shall also have the right to pursue any remedy available to it at law or in equity.

ARTICLE IV
Events of Default

Section 4.1. Events of Default Defined. The following shall be "Events of Default" under this Agreement and the term "Event of Default" shall mean, whenever it is used in this Agreement (unless the context otherwise provides), any one or more of the following events:

(a) Failure by the Developer to pay when due any payments required to be paid under this Agreement.

(b) The Developer of the following: (i) file any petition in bankruptcy or for any reorganization, arrangement, composition, readjustment, liquidation, dissolution, or similar relief under United States Bankruptcy Laws or any similar Federal or State Laws; or (ii) make an assignment for the benefit of its creditors; or (iii) admits, in writing, its inability to pay its debts generally as they become due; or (iv) be adjudicated, bankrupt or insolvent.

Section 4.2. City's Remedies on Default. Whenever any Event of Default by Developer referred to in Section 4.1 of this Agreement occurs, the City may take any one or more of the following actions after providing ten (10) days written notice to the Developer of the Event of Default, but only if the Event of Default has not been cured within said ten (10) days:

(a) Declare the entire outstanding balance of the Deferred Charges immediately due and payable;

(b) Terminate this Agreement;

(c) Deny issuance of certificates of occupancy or temporary certificates of occupancy;

(c) Take whatever action, including legal, equitable or administrative action, which may appear necessary or desirable to the City to collect any payments due under this Agreement, or to enforce performance and observance of any obligation, agreement, or covenant of the Developer under this Agreement, including the remedies provided under Article 3.

Section 4.3. No Remedy Exclusive. No remedy herein conferred upon or reserved to the City or Developer is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Agreement or now or hereafter existing at law or in equity or by statute. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the City or the Developer to exercise any remedy reserved to it, it shall not be necessary to give notice, other than such notice as may be required in this Article IV.

Section 4.4. No Additional Waiver Implied by One Waiver. In the event any agreement contained in this Agreement should be breached by either party and thereafter waived by the other

party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other concurrent, previous or subsequent breach hereunder.

Section 4.5. Costs of Enforcement. Whenever any Event of Default occurs and the City shall employ attorneys or incur other expenses for the collection of payments due or to become due or for the enforcement of performance or observance of any obligation or agreement on the part of the Developer under this Agreement, the Developer agrees that it shall, within ten (10) days of written demand by the City, pay to the City the reasonable fees of such attorneys and such other expenses so incurred by the City.

Section 4.6. Certificate of Occupancy. The City may deny a certificate of occupancy or temporary certificate of occupancy for the Property until all amounts owed to the City under the terms of this Agreement have been paid by Developer.

ARTICLE V
Additional Provisions

Section 5.1. Representatives Not Individually Liable. No member, official, or employee of the City shall be personally liable to the Developer, or any successor in interest, in the event of any default or breach or for any amount which may become due to Developer or successor in interest or on any obligations under the terms of this Agreement.

Section 5.2. Titles of Articles and Sections. Any titles of the several parts, Articles, and Sections of the Agreement are inserted for convenience of reference only and shall be disregarded in construing or interpreting any of its provisions.

Section 5.3. Notices and Demands. Except as otherwise expressly provided in this Agreement, a notice, demand, or other communication under the Agreement by either party to the other shall be sufficiently given or delivered if it is dispatched by registered or certified mail, postage prepaid, return receipt requested, or delivered personally; and

(a) in the case of the Developer, is addressed to or delivered personally to J Robinson Construction, Inc. 309 Elm Street SW, Isanti, MN 55040; and

(b) in the case of the City, is addressed to or delivered personally to the City at 110 First Avenue N.W., P.O. Box 428, Isanti, Minnesota 55040,

or at such other address with respect to either such party as that party may, from time to time, designate in writing and forward to the other as provided in this Section.

Section 5.4. Disclaimer of Relationships. The Developer acknowledges that nothing contained in this Agreement nor any act by the City or the Developer shall be deemed or construed by the Developer or by any third person to create any relationship of third-party beneficiary, principal and agent, limited or general partner, or joint venture between the City and the Developer or any third party.

Section 5.5. Release. Upon payment of all fees and charges under Article III in accordance with the provisions of this Agreement, the City will furnish Developer with a Release of Mortgage for the Property within a reasonable period of time following the request. Developer shall be responsible for recording the Release of Mortgage.

Section 5.6. Modifications. This Agreement may be modified solely through written amendments hereto executed by the Developer and the City.

Section 5.7. Counterparts. This Agreement may be executed in any number of counterparts, each of which shall constitute one and the same instrument.

Section 5.8. Judicial Interpretation. Should any provision of this Agreement require judicial interpretation, the court interpreting or construing the same shall not apply a presumption that the terms hereof shall be more strictly construed against one party by reason of the rule of construction that a document is to be construed more strictly against the party who itself or through its agent or attorney prepared the same, it being agreed that the agents and attorneys of both parties have participated in the preparation hereof.

Section 5.9. Run with the Land. This Agreement may be recorded against the Property and shall run with the aforesaid Property and shall inure to the benefit of and be binding upon the parties hereto and their respective heirs, executors, representatives, successors and assigns.

IN WITNESS WHEREOF, the City has caused this Agreement to be duly executed in its name and behalf and the Developer has caused this Agreement to be duly executed in its name and behalf on or as of the date first above written.

Request for City Council Action - MEMO

To: **Mayor Wimmer and Members of City Conncil**

From: **Sean M. Sullivan, Economic Development Director**

Date: May 1, 2018

Subject: Consider Resolution 2018 – XXX Authorization For Isanti Economic Development Authority To Lease And Collect Lease Revenue From City Owned Crop Land

---

Background:
It is requested that City Council consider granting the authority for the Isanti Economic Development Authority to lease out City owned and City of Isanti Economic Development Authority owned property for crop land purposes and to receive lease revenue. The City has traditionally leased 82.7 "more or less" and 4 "more or less" acres for cropland purposes. Staff is asking the City Council to consider adoption of the attached resolution.

Request:
Consider Adoption of Resolution 2018 – XXX Authorization For Isanti Economic Development Authority To Lease And Collect Lease Revenue From City Owned Crop Land

Attachment:

- Resolution 2018 – XXX Authorization For Isanti Economic Development Authority To Lease And Collect Lease Revenue From City Owned Crop Land

RESOLUTION NO. 2018-XXX

AUTHORIZATION FOR ISANTI ECONOMIC DEVELOPMENT AUTHORITY TO LEASE AND COLLECT LEASE REVENUE FROM CITY OWNED CROP LAND

WHEREAS, the City of Isanti has leased out 82.7 " more or less" acre and 4 "more or less" acre parcels for crop land purposes as referenced in Resolution 2017-182 and 2017-183; and

WHEREAS, the City of Isanti transferred ownership of approximately 66.06 acres of the 82.7 "more or less" and all of the 4 "more or less" acre parcels to the Isanti Economic Development Authority referenced in Resolution 2017-168; and

WHEREAS, the Isanti City Council understands that approximately 16.64 acres of the 82.7 acre "more or less" parcel referenced in Resolution 2017-182 still is owned by the City of Isanti; and

WHEREAS, the Isanti City Council agrees that crop land lease revenue received from the parcels identified in Resolution 2017-182 and 2017-183 will be received by the City of Isanti EDA.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota authorize the Isanti Economic Development Authority to lease out the entire 82.7 "more or less" and 4 " more or less" acre parcels referenced in Resolutions 2017-182 and 2017-183 to interested parties and to receive any lease revenue collected from such crop leases.

This Resolution hereby approved by the Isanti City Council this 1st day of May 2018.

CITY OF ISANTI
PLANNING COMMISSION
MEETING MINUTES
April 17, 2018

1. Meeting Opening.

A. Call to Order.

Chairman Wimmer called the meeting to order at 7:29 p.m.

B. Pledge of Allegiance.

The Pledge of Allegiance was recited.

C. Roll Call.

Members Present: George Wimmer, Steve Lundeen, Dan Collison, Ross Lorinser, Paul Bergley.

Members Absent: Jim Kennedy, Jeff Miller.

Staff Present: Ryan Kernosky, Community Development Director.

1D. Agenda Modifications.

Director Kernosky stated that there were no Agenda Modifications, Motion by Lundeen, seconded by Bergley to approve, approved unanimously.

2. Approval of the Minutes from the March 20, 2018 Planning Commission

Motion by Lundeen, seconded by Collison to approve the minutes from the March 20, 2018 Planning Commission, approved unanimously.

3A. Request from Kwik Trip Inc. for a final plat to combine two parcels to create plat "Kwik Trip 1019" for PID 160530010 and PID 160400830

Director Kernosky stated that Kwik Trip has submitted a final plat to combine two parcels into one parcel. Kernosky stated that staff is recommending approval with the conditions stipulated in the proposed Resolution.

Mayor Wimmer opened the public hearing at 7:32 pm.

Dean George, representing Kwik Trip, stated he was there to address any questions that members of the Commission may have.

Mayor Wimmer closed the public hearing at 7:32 pm.

Motion by Lundeen, seconded by Lorinser to approve with conditions within the Resolution. Motion passed unanimously.

3B Request from Isanti Retail Meats to amend Conditional Use Permit 2008-157 to allow for a sit-down restaurant in conjunction with the existing meat market for the property located at 30 Main Street W, legally described as PID 160500440.

Director Kernosky stated that an amendment to the existing conditional use permit application has been submitted to allow for an additional restaurant use with the meat market. Kernosky stated that this is within the B-1 zoning district, and as such parking is not required. Kernosky stated that staff is recommending approval with conditions stipulated within the proposed Resolution.

Mayor Wimmer opened the Public Hearing at 7:34 p.m.

Mayor Wimmer closed the Public Hearing at 7:34 p.m.

Mayor Wimmer stated that the City is excited for this new restaurant, and that he's excited to see more outdoor seating downtown.

Commissioner Collision briefly asked about restroom capacity. Mayor Wimmer stated that the existing restrooms meet code.

Motion by Lundeen, seconded by Bergley to recommend approval of the proposed Resolution. Motion passed unanimously.

3C Request from Taylor Holdings Inc. for a Minor Subdivision Plat to combine 829 and 827 Whiskey Road NW into one parcel, parcels legally described as PID 160960970 and 160900960.

Director Kernosky stated that Taylor Holdings has submitted a minor subdivision plat to combine the two parcels into one parcel. Kernosky stated that the property is currently platted for a zero-lot line duplex, and further explained what a zero-lot line duplex was. Kernosky stated that there's an existing crosswalk that goes directly into the north parcel's driveway area, making it difficult to develop. Kernosky stated that ordinance allows for a minor subdivision process because it has been previously platted, and that the parcels are within a planned unit development, and that the single-family requirements of that PUD would be enforced for the proposed single-family home on that site. Kernosky is recommending approval with the conditions stated in the proposed resolution.

Mayor Wimmer questioned the sewer and water access charges for the two parcels.

Director Kernosky stated that the City has established that both sewer and water access charges would be paid, even if the parcels are combined.

Mayor Wimmer opened the public hearing at 7:37 pm.

Mayor Wimmer closed the public hearing at 7:37 pm.

Mayor Wimmer stated that he wished to add as a condition of the Resolution that both sewer and water access charges are paid as a result of the combination.

Motion by Lorinser, seconded by Collison to approve the proposed Resolution with the additional condition regarding sewer and water access charges are paid for both parcels. Motion passed unanimously.

3D Request from Circle B Ranch for an amendment to a Conditional Use Permit and Site Plan Review of Resolution No. 2017-232 as a result of the administrative subdivision that creates a new parcel of PID 160060505, which would adjust the site plan design and proposed uses of the other parcels.

Director Kernosky stated that Circle B ranch has submitted an application to amend Resolution 2017-232, the original resolution encompassed three properties in the south end of the City. Kernosky stated that the applicant has stated they need to split the southern most parcel in order to accommodate bank financing for the project. Kernosky stated that, because of the split, an amended conditional use permit and site plan is appropriate due to the new setbacks and different uses on other parcels.

Mayor Wimmer stated that there needs to be an agreement between two parcels if the uses overlap.

Mayor Wimmer opened the public hearing at 7:40 pm.

Mayor Wimmer closed the public hearing at 7:40 pm.

Motion by Lundeen, seconded by Collison to recommend approval with conditions stipulated in the proposed Resolution. Motion passed unanimously.

4. Discussion Items

There were no items for discussion.

5. Adjournment

Motion by Lundeen, second by to Bergely to adjourn the April 17, 2018 meeting of the Planning Commission. Motion was unanimously approved.

The meeting adjourned at 7:41 p.m.

Dated at Isanti, Minnesota this 19th day of April, 2018.

Respectfully submitted,

Ryan Kernosky
Community Development Director

CITY OF ISANTI
PARKS, RECREATION, AND CULTURE BOARD
MEETING MINUTES
April 24, 2018
City Council Chambers

1. Meeting Opening.

A. Call to Order.
Zdon called the meeting to order at 6:05 p.m.

B. Pledge of Allegiance.
Everyone stood for the Pledge of Allegiance.

C. Roll Call.
Members Present: Jennifer Garvey, Jeff Johnson, Mayor Wimmer, James Witte, and Aaron Zdon
Staff Present: Katie Everett, Parks, Recreation, and Culture Manager

D. Agenda Modifications.
Zdon asked if there were any agenda modifications; there were none. Motion by Johnson, second by Witte to approve the agenda for the April 24, 2018 Parks, Recreation, and Culture Board Meeting.

2. Approval of Minutes from March 27, 2018 Parks, Recreation, and Culture Board Meeting

Motion by Johnson; second by Witte. Minutes were unanimously approved.

3. Park Visit Reports

Everett invited the board to share their reports; she explained that she will take notes on their findings so they did not have to turn anything in after the meeting unless they had something they wanted to leave with her. She said that after the reports, there could be discussion about whether we need to make a list of things to be done or if there are things that staff can just address.

Zdon reported on Academy Park and Whisper Ridge. Academy Park is a new park, so in general the report was all 5's, new or like new. The overall appearance was a 5. For safety or maintenance concerns, the tennis net was loose and the crank was sitting on the ground, so he gave that to Everett. That net should be tightened. The mulch looked good, but it was a little low under the swings as always and at the bottom of slides. It could stand to be raked. Zdon wasn't sure if that was the City's responsibility. Everett explained that it is, and we'll do everything over there now. She also stated that the school had called about the playground being flooded, but there was just still frost under there so there wasn't anywhere for the water to go. Zdon rated the park a 5; his recommendations were to rake the mulch when it's dry and it might be cool to put the hopscotch stencils on the trail there. Everett explained that we have gotten the animal print stencils, so that may be something we can add. Zdon stated that Whisper Ridge is the park we've negotiated over the years; do we fix it, do we take it, do we make it green space. It's kind of in limbo last he's heard. Overall appearance is a 2; it's getting rundown. It's general maintenance, but it hasn't been maintained. There was no tennis net; Everett explained that it should go out this week. Zdon added that the latch on the door to go in was broken. Zdon added that there were kids there playing around. Trails were a 3; they're a little bit older but not bad. Overall condition was a 2; it's a little rundown and we know that. It's mainly the surface. Zdon's recommendations, if we want to keep it an active park, would be a new surface which we know is expensive or at least seal the cracks with a concrete caulking so they don't get any worse. It also needs a good cleaning, and maybe restriping. Everett explained that what we ran into at Mattson, which may be true there too, is that the cracks were too big and they won't fill them anymore. Zdon said that they're not too big right now, and he's done concrete filling before and thinks these are fillable. It would at least prevent weeds from coming up.

Garvey added before we moved on that everyone also should have visited Academy. She thought that she remembered having some kind of sign indicating when the school had use of the park. Everett stated that we do have one and it will go up soon. She made a note to make sure that it gets put up.

Witte stated that he visited Rum River Meadows; overall appearance he gave a 5. He did notice that some of the play stones on the rock wall were a little bit loose. There was some paint chipping near the triple slide on the north on the larger posts. It almost looked like someone had been pulling at it because it was a large section. It will probably get worse as time goes by. Park rating was between a 4 and 5. His recommendations included putting the trash cans closer to the park. Everett explained that she believes they have to be up by the curb so the garbage company will dump them. Wimmer added that we have also found that the closer they are to the equipment, the more often they are dumped in or on the equipment. Witte also recommended adding pet receptacles at the park because there was a significant amount of dog feces in the area. Wimmer stated that we have a property there that has been cited on a number of occasions for allowing their dogs to go on the park instead of their own property. Witte stated that his second park was Isanti Hills. He rated it a 4 and didn't see any visible damage during his visit. He parked on Cottonwood Street, and noticed some minor cracks on the walk to the park. He said the pavilion was a 4. His overall rating was a 4. He recommends pet receptacles here as well. He thought that the equipment also seems outdated, especially the teeter totter system. He said that maybe a rope climbing system like out at Bluebird and something to replace the teeter totter bouncer. Everett explained that the play system out there is actually a different brand than all of the others, so our normal rep won't get us parts for it. The bottom the slide there has a lip that's broken, it's not a safety issue but it will crack more. That park is one that if we want to do anything with it, it will probably be a bit of a bigger overhaul. Wimmer added that these ideas will be put into a hopper and then prioritized. There was a subcommittee a couple of years that prioritized a list of things; Zdon stated that list was a long one with every park, and that's why there's less to do now.

Garvey stated that she went to Unity. The grounds are pretty much grass and dirt at that location; both were soft but looked good. There is one pavilion and one picnic table. The picnic table with the roof has wood shingles, and there were a few on the ground. They look in very rough shape. The regular pavilion looks wonderful. Her question was why the pavilion is so far off the road and she wonders if anyone uses it. Some of the parking lot pillars are broken and it seems like there are some missing. She's guessing that those will need to be replaced. Everett explained that she and Public Services Director Wood had just been discussing those, and neither were aware of any previous discussions of what to do about them. Everett guessed that those were probably put in in the 80's. Garvey also asked about the agreement with the school for the use of the parking lot. Wimmer stated that there isn't one; Everett added that she thought there was. Garvey explained that it was plowed all winter. Wimmer stated that it shouldn't be and didn't know who was doing that. Garvey stated that the bleachers still look good. Garvey stated that she also went to Riverside Park. The playground still looks like it's in good shape, she gave it a 4. She didn't notice any safety or maintenance things. The mulch is adequate in both places, and the borders still look good. Overall, she gave it a 4. Zdon added that it's a little faded; Garvey agreed that it is. Garvey did notice that the little torpedo seems slow; Everett said that one was replaced last fall, and you have to be hanging on them for them to really move. Garvey stated that she also went to Bluebird. She gave the playground a 4, it's in really good shape still. The only thing was the swings. It seems like the poles are in the ground more at Bluebird than they are at Riverside and other parks; so where the feet hang is deeper. Zdon added that it gets really deep at Bluebird. Garvey stated that she thinks the swings should be adjusted to where the mulch is, rather than the mulch being dug out. The swings should be higher, but she doesn't think you can there because the poles are in the ground so much. Wimmer asked if there's a lot more material at Bluebird. Garvey said that there is, and it looks like a lot of mulch has been added over time. Everett said that there is some money budgeted to do a full replacement of the mulch, and she believes it includes Bluebird. You need a certain depth of mulch, and at the bottom it's not mulch anymore, so we'll have to dig it out. That process might bring those swings up; but it shouldn't be too hard to make the chains shorter either. Garvey stated that she still thinks it may be interesting to measure

the frames in different parks to see if they really are different. Garvey noticed that the trails have some larger cracks, and made a note that the larger one would be a concern for skateboarders or rollerbladers. Wimmer added that the trails get done at the same time as crack sealing and those kinds of things are being done in the area. Garvey also added that the hopscotch needs to be redone. The pavilion looks good, she gave it a 5. Her recommendations include moving the public ice rink sign from the back of the rink to the parking lot side so people see the rules before they get on the rink, and repairing the curb near the basketball court because it may be an ADA concern. She added that she also asked a few of the adults that were there, and no one knew there was public restrooms at BMX; recommends a sign near the playground since not everyone goes to the pavilion.

Mayor Wimmer stated that he went to Legacy Park. There is some exposed fabric and some ATV tracks, more than we have in a while. There is some patch/repair needed for the limestone that's taken out of there. And the basic things we have every year clearing the little branches and things as much as we can. It's still pretty wet and soggy. At River Bluff it's a grass trail, so there's not much going on there yet. The trails got a lot of use in the winter. When the water goes down, we'll get the bridge back in as quick as we can too. Wimmer also added that Everett can expand later on the Isanti County Public Health program at the community garden. He said we'll also be working with the schools, there are three interested so far, to do painting the plow. We'll take a Public Works plow, they'll sand it down and put a coat of primer on it, then we'll park it at any Isanti school and then they can paint it. Everett clarified that it is just the blades, not the vehicles. So far the two charter schools as well as the Middle School/MNC are looking to do that. We'll put them out at Isanti Day then.

Johnson stated that he went to Mattson Park. He said it's newly constructed; he gave the overall appearance a 5. The parks will probably all need to be graded for the mulch. The pavilion looked great, and there were actually a lot of kids playing there when he went. Overall condition he rated a 4.5. The only problem he noticed was that the slides had a back-pitch that creates a pool of water, and if it's not water it's a bunch of sand. He thinks it looks like something that could be adjusted. Otherwise, the park looks great. Since he has moved here, he as seen them in the park doing work more times than he can count; they just replaced swings and mulch last year. Johnson said that his other park was the VFW Park. That one to him is old and outdated. It looks like we took new stuff and put it in the park with the old stuff still there. There's paint peeling on the swings; it's higher up where the kids can't reach it though. Everett stated that there is now a sidewalk to it that was never there before. Garvey added that that may help get people there to use it. Johnson asked if we are fully responsible for that park. Everett explained that we are fully responsible for everything inside the fence. She said she's not sure exactly what the history of that park is. Zdon added that the VFW likely built the park or something to begin with, but that was before all of their terms.

Everett asked for a quick recap; she asked if anyone has something at a park that needs to be put on a list. Zdon said his only thing is getting the tennis net fixed. Witte said that he would just want the stones on the rock wall at Rum River Meadows to be tightened, and with Isanti Hills he'd recommend updating that equipment. He said it doesn't have to be a rope climber, but he asked some kids that were there what they would like to see and that was what they said. Everett stated that those kinds of things may also be worked into the comprehensive plan update.

4. Public Parking Signs

Everett explained that one of the biggest complaints we hear after BMX events is the parking. The association has said that their volunteers haven't been able to effectively point people to all of the lots in Bluebird. Putting up some signs might help to educated people that the lot at the arena isn't the only place to park. Everett explained that she included two options in the packet. The first one is what we already have at the City Hall lot. Maybe we put a couple of those out on Isanti Parkway pointing into the park. One thing to consider with that, is that at River Bluff we posted a sign that said that lot is reserved for park visitors. That's kind of different from public parking; we don't want people parked there overnight,

we don't care if people park here overnight. The one hour spaces at Bluebird are each labeled. Johnson asked where we're thinking of putting these. Everett said that's the question. Zdon stated you'd want one on Isanti Parkway pointing toward those lots. He asked if the asphalt pad that's labeled as a parking lot is going to be converted. Everett stated that it will this year, and we're hoping to get it done at the same time as some other projects to save money. Everett asked if it would be helpful to have sign on the north side of Isanti Parkway as you're leaving BMX telling them to take a left out of there for more parking. Zdon said it would. Garvey stated that the problem with parking is only a couple of times per year. Zdon said that even a normal race with regular turnout, the lot is over flow. For a big race, they fill every single lot and more. Garvey asked if we've thought about doing A-frame signs and keeping them at BMX, putting them out during the event, and when the event is done taking them in. Everett added that those might catch their attention more. Zdon agreed and said that the city's signs look nice, but they're not high vis. Garvey stated you could put one up as you're leaving the lot and then into Bluebird and/or depending on the weekend maybe soccer too. Zdon stated these could be used for soccer too, because they're not supposed to park on the grass along Isanti Parkway for soccer either but they do. Johnson stated that if you go with option 1, you'll need 4 or 5 of them, and since the A-frames might be cheaper, maybe just go with those. Everett said the prices might not be that different since we can just reorder the signs we have made. Johnson said that he's noticed the parking issues too. Garvey said she doesn't think people will notice the public park sign, but they will notice an A-frame. Everett stated that BMX does post a lot of printed signs showing where the parking is, and wanted to know if the board thought we should post option 2 somewhere so while people are at the arena they have an idea of what's available. Zdon clarified it would be a decent sized sign with a map; Everett said yes. Johnson said it's not a bad idea, but you're kind of fighting a losing battle. Garvey asked if anyone knew if BMX has a sponsorship from Coke or Pepsi. Zdon said that they do from Pepsi, and they had a sign from Pepsi that they were putting out. It was a banner, which does wear down and tear. Everett stated that when groups have special events that require permits, they are not allowed to put out signs unless they get a sign permit. BMX has decided they don't want to do that anymore. Zdon said that it's too much hassle, and then they're making signs and putting signs up. Everett said it's really just about knowing that you have permission to put the signs up where you are putting them up. There was an incident during one of the nationals that they just put them out on a business's property, and the City got a call about that and it was a big deal. They haven't put up signs since then. Garvey said that we can't do the A-frames then because they'd need a permit. Everett said that A-frames are different and are allowed with a permit as long as they're taken in at night. Zdon said that he'd be willing to bet that if the City got A-frames made that BMX could use and soccer could use, they'd have people to put them out. Johnson asked if there was anyone upholding the parking rules and regulations. Everett stated that the Police Department will ticket anyone who is parked where they're not supposed to. Zdon said there were tickets at the last event. Garvey asked where they're being ticketed. Zdon stated that basically if they're not parked on asphalt. Garvey said that the public parking signs and A-frame signs won't really solve that problem. Zdon explained that the track used to be in a field and people parked on the field all the way around, and that's the way it is at many tracks. Garvey asked then if we need to do the opposite and put out no parking on grass signs. Everett said that typically at those events they put out barricades at the places where a person can get onto the grass. If someone is going to drive around that, they're going to drive around whatever we put up too. That's part of the event responsibility, managing spectators. Garvey said that if we have sign up that says no parking on grass, the police have something to point to. Everett said that the police don't need that to ticket someone. Johnson and Zdon agreed that no parking on grass signs are a good idea, and it's not a difficult thing to put up. Zdon said it wouldn't hurt to have a couple more public parking signs, whether or not people see them, and if we want to we can look into A-frames. Witte asked if BMX would disclose the information on their website or post it while it's happening. Zdon said that it's posted everywhere during events, you can't miss it. Garvey asked if their signs say specifically to not park on the grass; neither Zdon or Everett were sure exactly what they say. Garvey stated that typically when facilities know that they're having one or two events a year with overflow parking, they have some type of temporary signs that direct people to do that. That is the bigger problem, the bigger events with people who aren't regularly coming here. Everett asked in that case, is it the City's responsibility to be getting them signs for their event. Zdon said that it is

not. Everett said that Public Works does already borrow out barricades and those kinds of things for events. Johnson stated that we're handing out a lot of stuff to these events. Garvey asked if Everett new if the BMX board has looked into this. Everett said that there has been a lot of turnover for them in the last couple of years, so it's possible that the decision to not put up signs was not made by people who are there now. It's worth revisiting with them and letting know they can do it, they just need to turn in the paperwork. Everett said we can certainly still get more of the public parking signs. Zdon said that isn't just servicing the BMX community. People coming in for soccer tournaments that aren't regulars don't know those lots are down there either. They just see people parking by the pine trees so they do that too. Garvey asked if there are any A-frame signs that the City already uses for events. Everett stated she has a couple that she uses for the farmer's market and things. Johnson asked about putting a sign at 3rd and Isanti Parkway; Zdon said that would definitely service soccer. Johnson said what about one there and then 1st and Isanti Parkway and call it a day.

Zdon asked Everett if there were any plans to connect the section of paved trail from the south Bluebird lot toward BMX without having to weave in and out of the tree line. Everett explained that she hasn't heard any plans for that, but maybe at the time the trail is redone.

Everett clarified that the decision is to just get the public parking signs and not maps, and then no parking on the grass. Zdon said he'd just get a few of each and put them out where Public Works thinks is best.

5. Parks Updates

Everett said that the final movie night went pretty well. There were 36 people, but it was really nice outside so we weren't sure we'd get any. Those will start again in October, and the applications for volunteers are available.

The community garden is down to 4 plots, someone else came in today. We will have the meeting with everyone on May 10th before it opens so everyone can get together and meet each other and go over rules. Everett was just out at the garden to take inventory of what needs to be done, and it's still very soupy out there, so we won't be able to do any tilling out there for a while. Hopefully we can get out there soon to do that.

We did postpone Earth Day until May 5th so the shady areas could get melted and hopefully dry out a little bit. There were four locations with groups signed up. The Master Gardeners have a highway clean up day, so they're not able to attend so Everett may move the Girl Scouts from Riverside Park to River Bluff. For the most part, people could still come to the new date.

We have hired our Parks Intern for the summer. Everett is looking forward to working with Bree. She actually worked at one of our farmer's market vendors farms for a few summers. She is local, but going to school out of state. She should be back by the end of May.

There's a farmers' market vendor meeting scheduled for Friday. There have been several new vendors who have contacted Everett, so hopefully many of them will make the meeting. The market will open May 25th. It's the same spot and same time as last year. There were also a couple of new businesses in town that took us up on sponsorships this year.

The Rain Garden Workshop went pretty well. We had 22 people show up. Since it was open to all county residents, she kept track and about half were City residents. It was a good workshop, and she thinks people learned a lot. People seemed interested in finding out what kinds of rain gardens they can do. Tiffany from Soil and Water did a really good job of making them seem like they're just another garden you can plant and anyone can do it.

Everett explained that the lights at Bluebird Park that the board talked about at the last meeting have been switched off. They will not come on until or unless Everett hears otherwise. Zdon asked if the plan is still to move them to the pleasure rink. Everett said she's not sure how that will turn out. When it first came up, they were told that it might be more expensive to just put up new ones than to move those ones. It will depend on cost.

Everett stated that Curious Creatures will be hosted May 8th. A daycare provider is going to bring some kids and hopefully we get some more too. The provider also forwarded the information for the County licensing person so Everett sent the program information there as well.

Everett also expanded on the Isanti County Public Health program that Mayor Wimmer mentioned earlier. They are hoping to get five families to mentor throughout the summer. They're going to split the space that the school had last year. They will mentor those families in how to garden and use those foods. The other half of that space then will be used by the School For All Seasons again. We will be putting up another raised bed. We have 4 reserved and only 3 up right now. We'll probably take down the tables that are out there because they keep collapsing. If no one reserves them, we don't want to keep fixing them. Witte asked for clarification on what was being taken down. Everett said it was the elevated beds. Public Works can rebuild them, but we don't have any reserved right now. Johnson asked what's available. Everett said that we have six raised beds total that we can put up. She said that if they don't all get reserved, we may also put one in the Public Health section so they can use it if they have someone who needs it. Everett said there are also 4 regular plots available.

6. Adjournment

Motion by Johnson, second by Witte to adjourn the April 24, 2018 meeting of the Parks, Recreation, and Culture Board. Motion was approved.

The meeting adjourned at 7:16 p.m.

Dated at Isanti, Minnesota this 24th day of April, 2018.

Respectfully submitted,

Katie Everett

3. Park, Recreation, and Culture Board Meeting	Tuesday, May 22, 2018 at 6:00 p.m.

H. Council Committee Reports

Mayor Wimmer shared the following:

- The City won the arbitration they were in with the Police Union.
- Communication was received from the BMX after the last event stating they were very happy with the City's assistance. There were many strong, positive comments which was great to see.
- The Liquor Store received the customer service award for the year at the MMBA Conference. A presentation of the award will occur at the next City Council meeting.

- The City will be starting a new program with all six schools in the City. Each school will be painting one of the City snowplows after they gave been cleaned off and sanded. The painted plows will the be shown at the Celebrate Isanti Days in August.

I. Public Hearings

None.

J. Business Items

1. Discussion on School Resource Officer

Mayor Wimmer shared that the City has not received any response from the letter sent to the school district regarding the part-time school resource officer being made full-time. The school district runs on a different Budget calendar with the school district's calendar running through June 30th. The City contract with the school district for the part-time school resource officer terminates at the end of June. Another communication will be sent asking if they will continue the SRO position on a part-time basis. The issue is highlighted by the fact that the school resource officer, Adam Gau, has received both the 2017 School Resource Officer of the Year from the Minnesota Juvenile Officers Association and the 2018 Distinguished Service Award from the Minnesota Chiefs of Police Association this year. It is unclear why the district is not communicating about this issue when discussions have occurred between the school district and the City regarding other issues, such as the tennis courts. Mayor Wimmer mentioned that he is aware the district has cut about 1.5 million out of their budget and speculated that this may be part of it. However, the City has to plan accordingly and look at the budget so adjustments can be made if necessary.

City Administrator Don Lorsung

2. Resolution 2018-106 Phase IV Street Lighting Program

This is the last year the program will be funded so if it continues to move forward the budget will need to be looked at. The program has filled in street lighting to bring it to what would be considered standard.

Motion by Bergley, second by Collison to approve the request. Motion carried

3. **Resolution 2018-107** Approving Request from Kwik Trip, Inc, for the Final Plat of "Kwik Trip 1019"

Motion by Lundeen, second by Lorinser to approve the request. Motion carried

4. **Resolution 2018-108** Approving Request from Isanti Retail Meats to Amend Resolution 2008-157 to Allow for a Sit-Down Restaurant in Conjunction with the Existing Meat Market at 30 Main Street W

There will be a grand opening on Thursday. This will be a great addition for a dining experience in downtown Isanti with outdoor seating coming soon.

Motion by Lundeen, second by Lorinser to approve the request. Motion carried

5. **Resolution 2018-109** Approving Request from Taylor Holdings, Inc for a Minor Subdivision Plat to Combine Two Parcels into One Parcel at 827 & 829 Whiskey Rd NW

Motion by Lorinser, second by Lundeen to approve the request. Motion carried.

6. **Resolution 2018-110** Approving Request from Circle B Ranch to Amend Resolution 2017-232 to Amend the Existing Conditional Use Permit and Site Plan Review approval

Motion by Collison, second by Bergley to approve the resolution. Motion carried.

7. **Resolution 2018-111** Establishing a Public Hearing for the Vacation of a Utility and Drainage Easement Pursuant §412.851

This will be for the Kwik Trip project along County Road 5 and Heritage Boulevard.

Motion by Lundeen, second by Bergley to approve the resolution. Motion carried.

City Engineer Brad DeWolf

8. **Resolution 2018-112** Authorizing Advertisement for Bids Within the City of Isanti

Motion by Lorinser, second by Collison to approve the resolution. Motion carried.

K. Approve Consent Agenda

1. Consider Accounts Payable in the Amount of $185,103.36 and Payroll in the amount of $94,341.07
2. Final Meeting Minutes for the March 27, 2018 Park, Recreation and Culture Board Meeting
3. Final Minutes of the March 20, 2018 Planning Commission Meeting
4. **Resolution 2018-113** Hiring of Reserve Officer
5. **Resolution 2018-114** Approving a Check Be Written to Isanti Ambassadors for Volunteering at the Community Movie Night
6. **Resolution 2018-115** Authorizing the Execution of Repayment Agreement on Lot 4, Block 1, Sun Prairie Third Addition with J Robinson Construction, Inc.
7. **Resolution 2018-116** Authorizing the Execution of Repayment Agreement on Lot 3, Block 1, Sun Prairie Third Addition with J Robinson Construction, Inc.
8. **Resolution 2018-117** Authorizing the Economic Development Authority to Lease and Collect Lease Revenue from City Owned Crop Land
9. **Resolution 2018-118** Resignation of Caleb Molitor Public Works Maintenance Tech I

Motion by Bergley, second by Lorinser to approve the Amended Consent Agenda. Motion carried.

L. Other Communications

1. Draft Minutes of the April 17, 2018 Planning Commission Meeting
2. Draft Minutes of the April 24, 2018 Meeting of the Park, Recreation and Culture Board

Adjournment

Motion to adjourn by Bergley, second by Lundeen. Motion carried. The meeting was adjourned at 7:09 p.m.

Respectfully Submitted,

A Community For Generations.

Isanti

MEMORANDUM

TO: Mayor George Wimmer
Members of the Isanti City Council

FROM: Ryan Kernosky, Community Development Director

DATE: May 15, 2018

SUBJECT: **PUBLIC HEARING – VACATION OF A PUBLIC UTILITY EASEMENT**

Background
Kwik Trip, Inc has submitted, and been approved for, a final plat (Kwik Trip 1019) to combine PID 160530010 and PID 160400830 into one parcel. This final plat includes an additional 27' of right of way to be dedicated to the County. The original south parcel included a 10' public utility easement along the south property line and along the west property line (per Isanti County document no. 300498).

Due to the additional 27' of right of way to be dedicated to the County, there is no need for a 10' utility easement along the existing south lot line. Kwik Trip, through the proposed final plat, is planning on dedicating a new 10' public utility easement along the new south lot line and the west lot line.

During the regularly scheduled May 1, 2018 City Council meeting, the City passed Resolution 2018-111 establishing a public hearing date of May 15, 2018 and stating the City's intentions to vacate the public utility easement.

Notice of Public Hearing
Per Minnesota State Statute, a notice of the public hearing for the proposed public utility easement vacation was published on May 2, 2018 and May 9, 2018 in the *Isanti County News*. Additionally, the City is required to notify affected property owners of the public hearing. Kwik Trip was notified via USPS of the public hearing. At the time of writing this report, no public comment has been provided to my office.

Standards of Granting a Vacation
Minnesota statutes establish that the city council may vacate a public utility easement only upon a finding that the vacation is "in the interest of the public." Because this easement is being re-established and because a proposed right turn lane will be installed as part of the ROW dedication, this vacation is in the interest of the public.

Staff Recommendation
Staff recommends **APPROVAL** of the attached Resolution vacating the public utility easement described.

A visual of the request is provided here:

RESOLUTION 2018-111

A RESOLUTION SETTING A PUBLIC HEARING ON A PUBLIC UTILITY EASEMENT VACATION

WHEREAS, the City Council of the City of Isanti pursuant to Minnesota Statute §412.851 desires to consider the vacation of a certain public utility easement; and,

WHEREAS, certain public utility easements are contained within the property legally described as:

That part of the Southwest Quarter of the Northwest Quarter (SW 1/4 of NW 1/4) of Section Twenty-nine (29), Township Thirty-five (35), Range Twenty-three (23), Isanti County, Minnesota, described as follows: Commencing at the point of Intersection of the East-West Quarter line of Section 29 with the Easterly right-of-way line of the Burlington-Northern Railroad (formerly known as the Great Northern Railway); thence Easterly on an assumed azimuth of 90 degrees 00 minutes, 30 seconds, along the East-West Quarter line of Section 29, a distance of 834.08 feet; thence Northerly an a azimuth of 358 degrees 50 minutes 10 seconds, a distance of 33.01 feet to the point of beginning of the parcel herein described on the North line of the south 33 feet of the SW 1/4 of NW 1/4 of Section 29; thence continuing Northerly on an azimuth of 358 degrees 50 minutes 10 seconds, a distance of 370 feet; thence Easterly on a azimuth of 90 degrees 00 minutes 30 seconds, parallel with the South line of the SW 1/4 of NW 1/4 of Section 29, a distance of 330 feet to the East line of the SW 1/4 of NW 1/4 of Section 29; thence Southerly on an azimuth of 178 degrees 50 minutes 10 seconds, along said East line, a distance of 370 feet ta the North line of the South 33 feet of the SW 1/4 of NW 1/4: thence Westerly on an azimuth of 270 degrees 00 minutes 30 seconds, along said North line, a distance of 330 feet to the point of beginning.

AND

Lot One (1), Block One (1), Dual Industrial Park, excepting therefrom however, the North 132 feet thereof, Isanti County, Minnesota; and,

WHEREAS, the City of Isanti desires to vacate the public utility easement described as that certain utility and drainage easement over, across and under the West 10 feet thereof and the South 10 feet thereof, as described in the Warranty Deed dated June 20, 2002 and recorded in the office of the Isanti County Recorder on June 20, 2002 as document No. 300498.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota as follows:

1. The City of Isanti City Council will consider the vacation of such public utility easement and a public hearing shall be held on such proposed vacation(s) on the 15th day of May, 2018, before the City Council in the City Hall located at 110 First Avenue NW at 7:00 p.m.
2. The Community Development Director is hereby directed to give published, posted, and mailed notices of such hearing as required by law.

This Resolution is hereby approved by the Isanti City Council this 1st day of May, 2018.

Mayor George A. Wimmer

RESOLUTION 2018-XXX

A RESOLUTION VACATING A PUBLIC UTILITY EASEMENT ALONG THE WEST AND SOUTH PROPERTY LINES OF 400 E DUAL BLVD NE

WHEREAS, the City Council of the City of Isanti previously passed Resolution 2018-111, providing its interest in vacating, pursuant to Minnesota Statutes §412.851, a public utility easement; and,

WHEREAS, certain public utility easements are contained within the property legally described as:

> That part of the Southwest Quarter of the Northwest Quarter (SW 1/4 of NW 1/4) of Section Twenty-nine (29), Township Thirty-five (35), Range Twenty-three (23), Isanti County, Minnesota, described as follows: Commencing at the point of Intersection of the East-West Quarter line of Section 29 with the Easterly right-of-way line of the Burlington-Northern Railroad (formerly known as the Great Northern Railway); thence Easterly on an assumed azimuth of 90 degrees 00 minutes, 30 seconds, along the East-West Quarter line of Section 29, a distance of 834.08 feet; thence Northerly an a azimuth of 358 degrees 50 minutes 10 seconds, a distance of 33.01 feet to the point of beginning of the parcel herein described on the North line of the south 33 feet of the SW 1/4 of NW 1/4 of Section 29; thence continuing Northerly on an azimuth of 358 degrees 50 minutes 10 seconds, a distance of 370 feet; thence Easterly on a azimuth of 90 degrees 00 minutes 30 seconds, parallel with the South line of the SW 1/4 of NW 1/4 of Section 29, a distance of 330 feet to the East line of the SW 1/4 of NW 1/4 of Section 29; thence Southerly on an azimuth of 178 degrees 50 minutes 10 seconds, along said East line, a distance of 370 feet to the North line of the South 33 feet of the SW 1/4 of NW 1/4: thence Westerly on an azimuth of 270 degrees 00 minutes 30 seconds, along said North line, a distance of 330 feet to the point of beginning.
>
> AND
>
> Lot One (1), Block One (1), Dual Industrial Park, excepting therefrom however, the North 132 feet thereof, Isanti County, Minnesota; and,

WHEREAS, the City of Isanti desires to vacate the public utility easement described as that certain utility and drainage easement over, across and under the West 10 feet thereof and the South 10 feet thereof, as described in the Warranty Deed dated June 20, 2002 and recorded in the office of the Isanti County Recorder on June 20, 2002 as document No. 300498; and,

WHEREAS, the City Council of the City of Isanti has approved Final Plat "Kwik Trip 1019" and has conditioned that the aforementioned public utility easement is vacated; and,

WHEREAS, a new easement is being dedicated along the approved Final Plat of "Kwik Trip 1019"; and,

WHEREAS, the City Council, through Resolution 2018-111, set a public hearing noting its interest in vacating, pursuant to Minnesota Statute §412.851, said public utility easement; and,

WHEREAS, a public hearing to consider the vacation of such public utility easement was held on May 15th, 2018 before the City Council in the City Hall located at 110 First Avenue NW, Isanti, Minnesota at 7:00 p.m. after due published and posted notice had been given, as well as

personal mailed notice to all affected property owners on the 5th day of May, 2018. Published notice was published in the *Isanti County News* on May 2nd & May 9th, 2018. All interested and affected persons were given an opportunity to voice their concerns and be heard; and,

WHEREAS, no notice has been given to the Commissioner of Natural Resources because no portion of the proposed vacation terminates at, abuts upon, or is adjacent to any public water; and,

WHEREAS, the Isanti City Council has determined that the vacation will benefit the public interest for reasons including, but not limited to:

1. That the easement is within a proposed CSAH 5 (Heritage Blvd) Right of Way, which will include a right turn lane from CSAH 5 to E Dual Blvd.
2. A new public utility easement is established within the previously approved final plat titled "Kwik Trip 1019".

WHEREAS, as no petition has been filed, at least four-fifths of all present members of the City Council concur in this resolution.

NOW, THEREFORE, BE IT RESOLVED, by the City Council of the City of Isanti, that the aforementioned public utility easement shall be vacated.

The motion for the adoption of the foregoing resolution was duly moved by Councilman _____, seconded by Councilman _____, and upon vote being taken thereon, the following voted in favor thereof:

And the following voted against the same:

BE IT FURTHER RESOLVED, that the City Clerk of the City of Isanti prepare and file with the Isanti County Recorder a Notice of Completion of Vacation.

BE IT FURTHER RESOLVED, that the Mayor of the City of Isanti and the City Clerk of the City of Isanti are authorized and empowered to sign any and all documentation necessary and appropriate to affect the vacation.

Approved by the City of Isanti City Council this 15th day of May, 2018.

Subject: Consider Resolution to Purchase Two Kubotas and Enter into an Agreement with Lano Equipment Inc. for Trade-out Program

---

Background
The 2018 budget includes $20,000.00 for the purchase of two Kubota Zero Turn Mowers, after current Kubota Mower trade-in, with plans to implement a trade out program similar to the skidsteers.

Lano Equipment Inc. holds the state contract on Kubota. They have quoted the City $7,000.00 per unit for trade-in of the City's two old units and $13,400.00 per new unit. The total net cost for two Kubotas is $12,800.00. The trade-out program would be $1500.00 per year to trade in one unit starting in 2019. The units would be traded out every other year.

Furthermore the 2018 Budget for expense account 101-45300-500 (PRC – Capital Outlay) would be reduced by $7,200 to reflect the better than anticipated pricing.

Finance Committee Recommendation:
The Finance Committee reviewed the Kubota bid and annual trade-out program and recommends approval.

Request:
Staff is requesting action on this item.

RESOLUTION NO. 2018-XXX

A RESOLUTION TO PURCHASE TWO KUBOTAS AND AUTHORIZING STAFF TO ENTER INTO AN AGREEMENT WITH LANO EQUIPMENT FOR THE EQUIPMENT TRADEOUT PROGRAM

WHEREAS, the 2018 budget included the purchase of two new Kubota Zero Turn lawn mowers and trade-in of the existing two 2013 Kubotas; and,

WHEREAS, the City of Isanti has determined that it is in the city's best interest to enter into an agreement for a trade out program for the Kubotas every other year with Lano Equipment, Inc.; and,

WHEREAS, quotations were received from Lano Equipment, Inc. to purchase each Kubota in the amount of $13,400.00 and the trade-in value for each current mower in the amount of $7,000.00; and,

WHEREAS, the amount for the annual trade out program with Lano Equipment, Inc. is $1,500.00; and,

WHEREAS, the Finance Committee has reviewed the purchase and trade out Program offered by Lano Equipment, Inc. and recommends approval as outlined per this Resolution;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota that the City trade-in their two 2013 Kubotas, purchase two new Kubotas for a net amount of $12,800.00 and is hereby authorized to enter into an agreement with Lano Equipment, Inc. for the annual trade out of the two Kubota units every other year at an annual cost of $1,500.00 from the City's General Fund Parks, Recreation and Culture Operating Fund.

This resolution was duly adopted by the Isanti City Council this 15th day of May, 2018.

RESOLUTION NO. 2018-XXX

RESOLUTION APPROVING AMENDMENT TO THE 2018 BUDGET

WHEREAS, on December 5, 2017 the City Council approved the City of Isanti 2018 Budget; and

WHEREAS, the 2018 budget included $20,000 in account 101-45300-500 for the purchase of 2 Kubota mowers; and

WHEREAS, the Finance Committee is recommending the 2018 budget be amended to reflect a net purchase price of $12,800 by reducing the budget in 101-45300-500 by $7,200;

NOW THEREFORE BE IT RESOLVED BY THE City Council of the City of Isanti, Minnesota to amend the 2018 budget by reducing budgeted expenditures in account 101-45300-500 by $7,200.

This resolution is duly adopted by the Isanti City Council this 15th day of May 2018.

Public Services Director/ Assistant City Admin.
Date: May 15, 2018
Subject: Consider Resolution for the Purchase of Office Equipment for Small Conference Room and Electrical Upgrades for City Hall

---

Background
Staff was directed to solicit quotes for matching office equipment to convert the small conference room to an office, small top to add to a shared office between MnSpect and the Planner, and also upgrade the electrical circuits at City Hall to accommodate the necessary electrical needs of the facility's equipment.

We received one quote from Staples Business Advantage. The total cost to upgrade the room into an office is $4,039.51 which includes installation. The cost to add an additional side desk top for MnSpect within the Planner's office is $284.03. The color will be matched as close as possible to the current office equipment.

Staff also reached out to the City contracted electrician for quotes to upgrade the electrical and add in circuits to account for moving the printer to the open space, assist current equipment from over-powering the circuits, and the availability to add in more cubicle offices in the future. The cost for the electrical work is $2,500.00.

The total cost for all three, including 5% contingency, is $7,164.72.

The funding will be provided by budget amendment, increasing budgeted expenditures to the following accounts by the amounts listed;

101-45300-500 (PRC Capital Outlay)	$4,240.00
101-42401-200 (Bldg. Insp. Office Supplies)	$300.00
101-41941-500 (Muni. Bldg. Capital Outlay)	$2,625.00

Finance Committee Recommendation:
The Finance Committee reviewed the office and electrical needs within City Hall and recommends approval.

Request:
Staff is requesting action on this item.

RESOLUTION NO. 2018-XXX

A RESOLUTION TO PURCHASE OFFICE EQUIPMENT AND UPGRADE THE ELECTRICAL AT CITY HALL

WHEREAS, the City of Isanti staff has grown and there is a need to furnish the current small conference room with office equipment, add an additional side table and also upgrade the electrical to accommodate equipment needs; and,

WHEREAS, staff solicited quotes and one was received from Staples Business Advantage for office equipment in the amount of $4,323.54; and,

WHEREAS, the electrical quote from the City's contracted electrician, Isanti Electric Inc., for electrical upgrades in the amount of $2,500.00; and,

WHEREAS, the total amount, including 5% contingency, is $7,164.72; and,

WHEREAS, the funding will provided by budget amendment, increasing budgeted expenditures to the following accounts by the amounts listed;

101-45300-500 (PRC Capital Outlay)	$4,240.00
101-42401-200 (Bldg. Insp. Office Supplies)	$300.00
101-41941-500 (Muni. Bldg. Capital Outlay)	$2,625.00; and,

WHEREAS, the Finance Committee has reviewed the facility and equipment needs and recommends approval as outlined per this Resolution;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to purchase new office equipment and electrical upgrades for City Hall in the amount, not to exceed, $7,164.72.

This resolution was duly adopted by the Isanti City Council this 15th day of May, 2018.

City of Isanti
Economic Development Authority
Regular Meeting Minutes of
April 3, 2018
Isanti City Hall

1. Call To Order

The meeting was called to order by President George Wimmer at 7:25 p.m.

a. Pledge of Allegiance

b. Roll Call

Members Present:	Tara Hallberg, Steve Lundeen, Ross Lorinser, Dan Collison, Paul Bergley, Jill Reller and George Wimmer
Members Absent:	None
Staff Present:	Economic Development Director Sean Sullivan

c. Agenda Modifications

2. Approval of Agenda

Economic Development Director Sullivan asked to add 3.1 Consider Survey for New Isanti Residents to the Agenda. Motion by Commissioner Lundeen, seconded by Comissioner Bergley to approve Agenda adding Item 3.1 Consider Survey for New Isanti Residents to the Agenda. Motion carried unanimously.

3. Approve Minutes of March 6, 2018 Regular Economic Development Meeting

Motion by Commissioner Lundeen seconded by Commissioner Lorinser to approve the minutes for March 6, 2018. Motion carried unanimously

3.1 Consider Survey for New Isanti Residents

ED Director Sullivan highlighted the survey conducted in January 2017. He indicated that the survey had a 36% participation rate which was statistically significant. Isanti is growing quickly and getting meaningful data on why people are moving here and to get a better pulse on the housing market is important. He revised the survey to include some questions in reference to the City website to hopefully get some feedback from new residents on how to improve it. He explained that it would be possible to expand the scope of the survey to all new residents within a certain time period, not just ones that constructed new homes.

President Wimmer reiterated that this proposed survey would include both new construction and new residents which is an expanded scope and will provide better a better data set. He stated that the cost be shared with Park, Recreation and Culture Board and to put a not to exceed amount from the EDA.

The memo provided a cost estimate of $1,038.93 based on 500 surveys.

Motion by Commissioner Lorinser seconded by Commissioner Collison to move forward with conducting a survey and to share the cost with Park Recreation and Culture Board in an amount not to exceed $1,038.93. Motion carried unanimously.

4. Other Business / Updates

Economic Development Director Sullivan highlighted the Staff Memo. Sullivan indicated that the Hotel project was moving along as planned and was on schedule to close on or before April 30, 2018. He reminded the EDA of the April 14-15 BMX Event and the 200 bags that would be distributed at the event. Sullivan stated that 16 new SFR permits had been pulled with 6 more in process. This puts the City ahead of last year's pace which totaled 91 at years end. City representation at the state capitol for the EDAM and LMC events was effective.

President Wimmer stated that the 25 SFR building permits was budgeted for the Sewer and water systems and that the growth has allowed Isanti reduce rates and SAC and WAC charges.

Economic Development Director highlighted the new arrival of Joes Cabinetry Shop and Cellular Clinic and that they were going to have grand openings set up when the weather gets nice.

Sullivan stated that he and President Wimmer had attended the LMC Day at the Capitol together and that the city message was well received by our local legislators along with other key members of each caucus. Meeting multiple times over multiple years with legislators is making a difference.

President Wimmer echoed the effectiveness of the visits with legislators. He stated that communications with legislators during this session had led to direct action that was positive for the City of Isanti in regards to local government control. He spoke specifically to a bill that includes reducing retainage for city projects. He indicated that this would provide for an environment where project could be left incomplete. He also indicated that the City was able to meet with Key leaders in each caucus which is a good way to assure that the City of Isanti concerns are being heard and addressed.

Commissioner Lundeen highlighted the demolition of the Riverside Market building and that they did a good job with the demolition. He thanked the previous businesses for their time here but welcomed the new investment to the city of Isanti.

Economic Development Director Sullivan stated that the development standards in place along Hwy 65 set the tone for future development and prevent costly future redevelopment project in the future. The face of Isanti is changing with the removal of Riverside Market and Burger Top buildings. He indicated we get one chance to "do it right".

5. Adjournment

Motion by Commissioner Bergley, seconded by Commissioner Collison to adjourn at 7:42 pm. Motion carried unanimously.

Dated at Isanti, Minnesota, this 3rd day of April, 2018.

Respectively Submitted,

Sean M. Sullivan, Economic Development Director

RESOLUTION 2018-XXX

A RESOLUTION APPROVING APPLICATION FOR AN EXEMPT GAMBLING PERMIT FOR THE ISANTI RODEO ASSOCIATION

WHEREAS, the City has received an application for an exempt gambling permit from the Isanti Rodeo Association to hold a fundraiser event on July 8, 2018 at the Isanti Rodeo Grounds, Isanti, MN; and,

WHEREAS, the applicant estimates the value of prizes to be awarded is more than $1,500; and,

WHEREAS, the City of Isanti has no objection to the conduct of lawful gambling by the applicant, in accordance with law, at the designated location; and,

WHEREAS, the applicant has successfully passed a background check by the Isanti Police Department.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota that the Isanti Rodeo Association's application for an exempt gambling permit is approved for the following date:

Sunday, July 8, 2018 at the Isanti Rodeo Grounds, Isanti, MN; and,

BE IT FURTHER RESOLVED, that approval is subject to the approval for such permits under the laws of the State of Minnesota and their compliance with all laws.

This Resolution is hereby approved by the Isanti City Council this 15th day of May, 2018.

Attest:

Mayor George A. Wimmer

Katie Brooks
Human Resources/City Clerk

MINNESOTA LAWFUL GAMBLING

LG220 Application for Exempt Permit

An exempt permit may be issued to a nonprofit organization that:

- conducts lawful gambling on five or fewer days, and
- awards less than $50,000 in prizes during a calendar year.

If total raffle prize value for the calendar year will be $1,500 or less, contact the Licensing Specialist assigned to your county by calling 651-539-1900.

Application Fee (non-refundable)

Applications are processed in the order received. If the application is postmarked or received 30 days or more before the event, the application fee is **$100**; otherwise the fee is **$150**.

Due to the high volume of exempt applications, payment of additional fees prior to 30 days before your event will not expedite service, nor are telephone requests for expedited service accepted.

RESOLUTION 2018-XXX

APPROVING A TEMPORARY ON-SALE LIQUOR LICENSE FOR ISANTI FIREFIGHTER'S RODEO ASSOCIATION

WHEREAS, the City has received a Temporary On-Sale Liquor License application from the Isanti Firefighter's Rodeo Association for the 2018 Rodeo event; and,

WHEREAS, the applicant has paid the $50 Temporary Liquor License application fee as established by City Code Chapter 160; and,

WHEREAS, the Police Department has reviewed the application and made a recommendation for approval of the application subject to certain conditions.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota as follows:

1. That the Isanti Firefighter's Rodeo Association Temporary On-Sale Liquor License for the Rodeo event scheduled for July 6 through 8, 2018 is approved subject to the following condition:

    a) A Certificate of Liquor Liability Insurance for the event is received by the City prior to the event date.

2. That the procedures as outlined in Resolution 99-32 shall be met based on the meeting with the Police Chief and staff.

This Resolution is hereby approved by the Isanti City Council this 15th day of May, 2018.

-EVENT SPONSOR-
RELEASE AND INDEMNIFICATION AGREEMENT

City of Isanti

THIS IS A RELEASE OF LIABILITY INDEMNIFICATION AGREEMENT. SPECIAL EVENTS HOLDER MUST READ CAREFULLY BEFORE SIGNING.

In consideration for being permitted to engage in the following special event activities on property owned by the City of Isanti:

_____
_____
_____
_____

Special Events Holder hereby acknowledges, represents, and agrees as follows:

A. We understand that the above described activities are or may be dangerous and do or may involve risks of injury, loss, or damage to us and/or third parties. We further acknowledge that such risks may include but not be limited to bodily injury, personal injury, sickness, disease, death, and property loss or damage, arising from the following circumstances, among others:

_____
_____
_____
_____

(Special Events Holder Initials Here) _____

B. If required by this paragraph, we agree to require each participant to our special event to execute a **RELEASE AND INDEMNIFICATION AGREEMENT** for ourselves and for the City of Isanti, on a form approved by the City of Isanti.

Participant Release and Indemnification required? YES ____ NO____

(Special Events Holder Initials Here) _____

C. We agree to procure, keep in force, and pay for special event insurance coverage, from an insurer acceptable to the City of Isanti, for the duration of the above described activities.

(Special Events Holder Initials Here) _____

D. By signing this **RELEASE AND INDEMNIFICATION AGREEMENT,** we hereby expressly assume all such risks of injury, loss, or damage to us or any related third party, arising out of or in any way related to the above described activities,

whether or not caused by the act, omission, negligence, or other fault of the City of Isanti, its officers, its employees, or by any other cause.

(Special Event Holder Initials Here) _____

E. By signing this **RELEASE AND INDEMNIFICATION AGREEMENT,** we further hereby exempt, release and discharge the City of Isanti, its officers, and its employees from any and all claims, demands, and actions for such injury, loss or damage to us or to any third party, arising out of or in any way related to the above described activities, whether or not caused by the act, omission, negligence, or other fault of the City of Isanti, its officers, its employees, or by any other cause.

(Special Event Holder Initials Here) _____

F. We further agree to defend, indemnify and hold harmless the City of Isanti, its officers, employees, insurers, and self insurance pool, from and against all liability, claims, and demands, court costs and attorney fees, including those arising from any third party claim asserted against the City of Isanti, its officers, employees, insurers or self insurance pool, on account of injury, loss or damage, including without limitation claims arising from bodily injury, personal injury, sickness, disease, death, property damage or loss, or any other loss of any kind whatsoever, which arise out of or are in any way related to the above described activities, whether or not caused by our act, omission, negligence, or other fault of the City of Isanti, its officers, its employees, or by any other cause.

(Special Event Holder Initials Here) _____

G. By signing this **RELEASE AND INDEMNIFICATION AGREEMENT,** we hereby acknowledge and agree that said Agreement extends to all acts omissions, negligence, or other fault of the City of Isanti, its officers, and/or its employees, and that said Agreement is intended to be as broad and inclusive as is permitted by the laws of the State of Minnesota. If any portion thereof is held invalid, it is further agreed that the balance shall, notwithstanding, continue in full legal force and effect.

(Special Event Holder Initials Here) _____

H. We understand and agree that this **RELEASE AND INDEMNIFICATION AGREEMENT** shall be governed by the laws of the State of Minnesota and that jurisdiction and venue for any suit or cause of action under this agreement shall lie in the courts.

(Special Event Holder Initials Here) _____

I. This **RELEASE AND INDEMNIFICATION AGREEMENT** shall be effective as of the date or dates of the applicable special event, shall continue in full force until our responsibilities hereunder are fully discharged, and shall be binding upon us, or successors, representatives, heirs, executors, assigns, and transferees.

(Special Event Holder Initials Here) _____

IN WITNESS THEREOF, THIS RELEASE AND INDEMNIFICATION AGREEMENT is executed by the special event holder, acting by and through the undersigned, who represents that he or she is property authorized to bind the Special Events Holder hereto.

Section 16 Signs:

Below are a number of rules and regulations pertaining to temporary signs for special events. The full ordinance can be found on the City's website (www.cityofisanti.us) or at City Hall.

- Permission
  Signs placed on property other than your own, require property owner permission.

- Signs on City Property
  Temporary signs are **prohibited** from being placed on City property or within the City right-of-way of any street.

- Sign Setback
  Signs shall be setback a minimum of ten (10) feet from the property line. Signs should not be in locations that would interfere with safe vehicular and pedestrian circulation or public safety signals.

Temporary Signs Requiring a Permit

The following signs require a temporary sign permit in zoning districts and shall meet the requirements as provided within this Section.

- Public interest signs publicizing a charitable or non-profit event of general public interest. Such signs may be erected only on private property with the consent of the owner. Such signs shall be limited to thirty-two (32) square feet. Public interest signs shall be permitted only fourteen (14) days before and must be removed seven (7) days after the event to which it pertains.

- Banners, portable signs, and inflatable figures:
  No more than one (1) banner or portable sign not to exceed thirty-two (32) square feet or one (1) inflatable figure not to exceed ten (10) feet in width or depth shall be permitted in a commercial or industrial district for a special event sponsored and/or run by a commercial enterprise in connection with a seasonal sale or other special offer. Banners, portable signs and inflatable figures for these types of events are permitted, provided they may be allowed for a maximum of thirty (30) consecutive days, no more than four (4) times per year. A minimum of one month is required between events.

Temporary Signs Not Needing a Permit

The following signs are exempt from permit requirements in all zoning districts.

- Directional signs.
  Directional signs not exceeding two (2) square feet in surface area displaying directional information for a special event, or other similar uses provided that such use shall be limited to one such sign per thoroughfare approach. Such signs shall not be illuminated and all shall comply with all applicable regulations of the road authorities.

- Ground Signs (sandwich board).
  So long as they are not located on a sidewalk or trail and are brought inside every night at the completion of business hours.

Request for City Council Action

To: Mayor Wimmer
Members of the City Council
From: Josi Wood
Public Services Director/ Assist. City Admin.
Date: May 15, 2018
Subject: Resolution Amending the Policy for Use of City Water Hydrants Within the City of Isanti

---

After recent discussions regarding the need to revise the current hydrant use policy, Staff has worked to draft an amended policy by Resolution and also a corresponding form for private water sales.

This will apply to all hydrant and bulk water use.

DOAC Committee Recommendation
The DOAC Committee reviewed the draft Resolution and agreement and recommends approval.

Request
Staff is requesting action on this item.

Attachments
- Resolution 2018-XXX
- 'Exhibit A' Purchase Water Agreement Form

RESOLUTION NO. 2018-xxx

A RESOLUTION AMENDING THE POLICY FOR USE OF CITY WATER HYDRANTS WITHIN THE CITY OF ISANTI

WHEREAS, a potable community water supply system shall be designed, installed, and maintained in such manner as to prevent contamination from non-potable liquids, solids, or gases being introduced into the potable water supply system through a cross-connection or any other piping connections to the system, and

WHEREAS, every building equipped with plumbing fixtures and used for human occupancy or habitation shall be provided with a supply of potable water, which meets the standards of the Department of Health and only potable water shall be assessable to plumbing fixtures supplying water for drinking, bathing, culinary use, or the processing of food, medical or pharmaceutical products, and

WHEREAS, it is unlawful to use a water supply for potable water purposes after the water has transferred through a pipe and receptor not officially accepted by the State of Minnesota Plumbing Code, and

WHEREAS, the use of hoses and other unapproved piping connections from City owned fire hydrants to supply water to plumbing fixtures and hose bibs creates the situation where non-potable water is created and may be mistakenly consumed as potable water, creating a health concern and unlawful connection, and

WHEREAS, unauthorized consumption or use of water from a City owned hydrant is prohibited and is subject to violation and penalties under City Code Chapter 325-8(C.); and

WHEREAS, the City adopted City Resolution 2010-117 that placed in policy requirements for operation of and use of City water hydrants. This resolution amends and supersedes that resolution:

NOW, THEREFORE, IT IS HEREBY RESOLVED that the City Council of the City of Isanti, Minnesota adopts the following amended policy for non-emergency use of water from City owned water hydrants.

1. Approval of use by an outside agency or group must be granted by the Public Services Director or Designee. Such approval shall note the water supply as non-potable water.
2. Sale of bulk water and any related deposit for meters/back flow preventers shall be charged as per the City Fee Schedule. An Agreement for the Purchase of Water shall be completed. See 'Exhibit A'
3. A back flow preventative device approved by the State Plumbing Code for such use must be connected between the fire hydrant and the fire hose. This requirement could be exempted if the connection is continuously being monitored during the transfer of water by a qualified City employee or someone acting under the approval of the Public Services Director.

4. A meter must be used to measure the water appropriated from a hydrant unless an alternative measurement is authorized by the Public Services Director or Designee.
5. The time and duration of the connection is to be arranged with the Public Services Director or Designee to minimize the potential of the City's water pressure fluctuating during the hydrant discharge.
6. The meter and any hose must be disconnected immediately following termination of use. The hydrant valve shall be closed and the cap replaced.
7. If the water is transferred into an open vessel, the water must discharge from the hose into open air without being connected to any additional piping, water system or plumbing fixtures. The vessel shall be labeled, "non-potable water".

This resolution was duly adopted by the Isanti City Council this 15th day of May, 2018.

AGREEMENT FOR THE PURCHASE OF WATER FROM THE CITY OF ISANTI

I, _____, acting on behalf of _____
(Print Name) (Business Name)

Acknowledge the City of Isanti's Resolution No. 2018-XXX; A Resolution Amending the Policy for Use of City Water Hydrants within the City of Isanti and as set forth in the annual fee schedule of Private Metered Water Sales, which states the following charges:

> $10.00 minimum and up to the first one thousand (1,000) gallons of water disbursed; as per Water Rate Table per/1,000 thereafter

A refundable deposit in the amount **$2000.00** is required prior to the use of a City water meter ($1200) and backflow preventer ($800). After the water has been supplied and the water meter and backflow preventer have been returned, I will be invoiced for the cost of the water by the City. The deposit for the water meter and backflow preventer will only be returned after full payment has been made for the purchase of the water. If full payment for the purchase of the water is not made within 30 days of the date on the invoice, the **$2000.00** deposit will be applied to toward the purchase.

I understand and agree to the terms of this water purchase.

MEMORANDUM

TO: Mayor George Wimmer
Members of the Isanti City Council

FROM: Ryan Kernosky, Community Development Director

DATE: May 15, 2018

SUBJECT: **ELECTRIC CAR FLEET MONITORING**

Background
Connexus Energy and City staff met to discuss the possibility of performing a study on the City's vehicle fleet to determine whether or not considering electric cars are a viable option for the City in the future.

Connexus Energy has partnered with Fleetcarma to gather data on the existing vehicles. A small data gathering device would be installed in selected City vehicles. That device would record things like acceleration, speed, idle time, MPG, distance traveled, and GPS the vehicles if we choose so. Fleetcarma would then utilize the data given to simulate electric vehicle modelling and simulation for our City fleet. After a predetermined amount of time, devices would be removed from the vehicles and a free electric vehicle suitability assessment report would be provided to the City. This is at no cost to the City.

Other communities such as Elk River and Andover have participated in this program. Staff intends to reach out to them to discuss the findings and their general thoughts.

DOAC Recommendation
DOAC reviewed the possible partnership and has recommended indicating interest in the program.

Staff Recommendation
Staff is recommending approval of the attached Resolution indicating interest in the program.

Attachments:
- Resolution 2018-XXX

RESOLUTION NO. 2018-XXX

A RESOLUTION AUTHORIZING STAFF TO WORK WITH CONNEXUS ENERGY AND FLEETCARMA FOR AN ELECTRIC VEHICLE FLEET ASSESSMENT

WHEREAS, the City of Isanti desires to continue to be a leader in sustainable approaches to municipal government; and,

WHEREAS, the City of Isanti has recently been awarded Step 4 of the Minnesota Green Steps Communities; and,

WHEREAS, the City of Isanti desires to explore the option for the use of electric vehicles in the future when replacing fleet vehicles; and,

WHEREAS, Connexus Energy and Fleetcarma are partnered in a program to provide municipalities with an electric vehicle fleet assessment at no cost to the community; and,

WHEREAS, the City of Isanti desires to have fleet vehicles monitored for a year to gather accurate data.

NOW, THEREFORE, BE IT RESOLVED, that the City of Isanti City Council approves a program through Connexus Energy and Fleetcarma to have an electric vehicle fleet assessment performed for selected City of Isanti fleet vehicles as follows:

1. Staff is directed to work with Connexus Energy and Fleetcarma to coordinate this program and authorizes the City Administrator to sign any required agreement.

2. In order to gather accurate data, the City Council of the City of Isanti hereby directs that monitoring of the City's fleet vehicles takes place for a minimum of 12 months.

Adopted by the Isanti City Council this 15th of May 2018.

City of Isanti
Economic Development Authority
Regular Meeting Minutes of
May 1, 2018
Isanti City Hall

1. Call To Order

The meeting was called to order by President George Wimmer at 7:11 p.m.

a. Pledge of Allegiance

b. Roll Call

Members Present:	Tara Hallberg, Steve Lundeen, Ross Lorinser, Dan Collison, Paul Bergley, Jill Reller and George Wimmer
Members Absent:	None
Staff Present:	Economic Development Director Sean Sullivan

c. Agenda Modifications

2. Approval of Agenda

Motion by Commissioner Lundeen, seconded by Comissioner Bergley to approve agenda as presented. Motion carried unanimously.

3. Approve Minutes of April 3, 2018 Regular Economic Development Meeting

Motion by Commissioner Collison seconded by Commissioner Hallberg to approve the minutes for April 3, 2018. Motion carried unanimously.

4. Consider Authorization for Advertising for Quotes for Lease of EDA/City Owned Crop Land

Motion by Commissioner Collison seconded by Commissioner Bergley to authorize Staff to advertise for quotes for lease of city owned crop land. Motion carried unanimously.

5. Other Business / Updates

Economic Development Director Sullivan highlighted the Staff Memo. Sullivan updated the information on housing starts to 26 new permits pulled with 11 in process.

President Wimmer indicated there was a piece of legislation in house Omnibus bill that would impact EDA's and the ability to lease back facilities to cities. He also stated that class 1 cities were exempt.

Economic Development Director Sullivan indicated there were bills in the house and Senate that impacted MIF and JCF. He indicated that EDAM was lobbying against them and that the City had contacted local legislators and expressed strong opposition to bills that would negatively impact programs.

President Wimmer stated the City has used MIF and it was an important economic development tool. He also stated that BMX complimented the City on the provision of promotional bags.

Commissioner Bergley asked for an update on the hotel project.

President Wimmer stated the project was moving forward. The City has been ready to close for 6 months.

Economic Development Director Sullivan stated that the financing is being reviewed by the financial institution and that he was confident that the project was moving forward. Sullivan indicated that there was a possibility the project could have broken ground last fall and began construction during the winter in hopes of favorable costs. The developer indicated there was no cost savings, as hoped, and decided to have the project rebid for the typical spring/summer construction season. The rebidding process and submittal of revised construction plans delayed the final approval process from the financial institution.

MEMORANDUM

Date: May 10, 2018

To: Honorable Mayor Wimmer and Members of the City Council

From: Bradley C. DeWolf, P.E.
City Engineer

Jason W. Cook, P.E.
Assistant City Engineer

Subject: Project Status Report
Isanti, MN
Project No.: R13.115547

Please find listed below a status report of the current projects in the City of Isanti:

1) 2017 Palomino Road Improvements

Final project completion is scheduled to be completed this month..

2) Arts & Science Addition

The final pavement lift will occur this spring.

3) MS4 Phase 2 & 3 Implementation

We will continue to assemble documents to assist the City in meeting the requirements of the MS4 permit for Phase 2 and Phase 3 of the implementation schedule.

4) Cajima Street/TH 65 Signal Study

We will continue with discussions with MnDOT regarding funding and layout.

5) Richard Avenue Feasibility Report

We have completed the Richard Avenue feasibility report.

6) 2018 Storm System Maintenance Project

We will hold an open house to discuss access with residents.

7) 2018 Pavement Maintenance Project

The bid opening is scheduled for May 22, 2018.

8) MnDOT Highway 65 Resurfacing

This project is scheduled to be completed in early June, 2018.

In addition to the current projects listed above we have completed and accepted 48 private developments and 61 city contracts since being selected as your City Engineer in 2008.

Please contact me if you have any questions.

Bolton & Menk is an equal opportunity employer.

Isanti

Request for City Council Action - MEMO

To: **Mayor Wimmer and Members of City Council**

From: Sean M. Sullivan, Economic Development Director SMS

Date: June 5, 2018

Subject: Consider Resolution 2018-XXX Approving Agreement Between the City of Isanti and Minnco Credit Union

---

Request:

Last year the City of Isanti adopted a Redevelopment Plan near the intersection of Highway 65 and Main Street. Staff has been directed to secure the Right of way easement, utility easement and temporary construction easement for the purposes to construct and maintain an extension of 5th Avenue NE as part of this plan. The terms of obtaining these easements are outlined in the attached agreement. One of the terms include an agreement to not charge a special assessment to Minnco Credit Union now or in the future for the initial construction of this street. Staff is asking the City Council to consider adoption of the attached resolution

Attachment:

- Resolution 2018-XXX – Approving Agreement Between the City of Isanti and Minnco Credit Union

RESOLUTION NO. 2018-XXX

APPROVING AGREEMENT BETWEEN THE CITY OF ISANTI AND MINNCO CREDIT UNION

WHEREAS, the City of Isanti adopted Redevelopment Plan on September 5, 2017 that included the extension of 5th Avenue NE; and

WHEREAS, City Staff has negotiated an Agreement for Grant of Easement (the "Agreement") attached hereto with Minnco Credit Union that would provide the City the Right of Way, and easements needed to complete the construction of the extension of 5th Avenue NE; and

WHEREAS, The Agreement also states that the City will not charge special assessments to Minnco Credit Union now or in the future relating to the initial construction of the 5th Avenue Extension.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota authorize the Mayor and City Administrator to execute the attached Agreement.

This Resolution hereby approved by the Isanti City Council this 5th day of June 2018.

Attest: Mayor George A. Wimmer

Katie Brooks
Human Resources / City Clerk

AGREEMENT FOR GRANT OF EASEMENT

THIS AGREEMENT IS MADE AS OF THIS _____ day of _____, 2018, by and between Minnco Credit Union, a credit union duly organized and existing under the corporate laws of the State of Minnesota ("Minnco") and the City of Isanti, a political subdivision of the State of Minnesota ("City of Isanti"). Minnco and the City of Isanti are referred to collectively in this Agreement as the "Parties" and individually without differentiation, each as a "Party".

WHEREAS, the City of Isanti desires to extend 5th Avenue NE in the City of Isanti southerly from its existing southerly terminus a distance of approximately 231 feet, more or less, to intersect with the northerly right of way line of Main Street East, in the City of Isanti; and

WHEREAS, the City Engineer for the City of Isanti has prepared proposed legal descriptions together with an Easement Exhibit sketch drawing depicting the location of the proposed perpetual easement and temporary easement needed for the proposed extension of said street, said legal descriptions and sketch attached hereto as Exhibit "A"; and

WHEREAS the Parties are in agreement that Minnco will convey the said proposed perpetual and temporary easement to the City of Isanti at no cost to the City of Isanti, with the understanding that Minnco will incur no costs related to its conveyance of the subject easements to the City of Isanti; that the City of Isanti will not assess or otherwise charge or hold Minnco responsible for any construction or other costs relating to the subject extension of 5th Avenue NE; and that Minnco will not be responsible for any other fees relating to the conveyance of the easements to the City of Isanti or construction of the street extension as proposed.

NOW, THEREFORE, it is hereby agreed by and between the Parties as follows:

1. Minnco will execute and deliver to the City of Isanti, upon approval of this Agreement by Resolution of its City Council, an Easement Agreement in the form set forth in Exhibit "B" attached hereto and made a part hereof conveying the subject perpetual and temporary easements to the City of Isanti at no cost.

2. The City of Isanti will be solely responsible for any and all costs of preparation of this Agreement and for preparation and recording of the Easement Agreement, and all costs related thereto, including but not limited to surveying costs and recording fees.

3. The City of Isanti will not assess or otherwise charge or hold Minnco responsible for any construction or other costs relating to the extension of 5th Ave. NE as provided herein nor for any other fees relating to the conveyance to the City of Isanti of the easements provided for herein or for construction of the street extension as herein provided.

IN TESTIMONY WHEREOF the Parties have executed this Agreement as of the _____ day of _____, 2018.

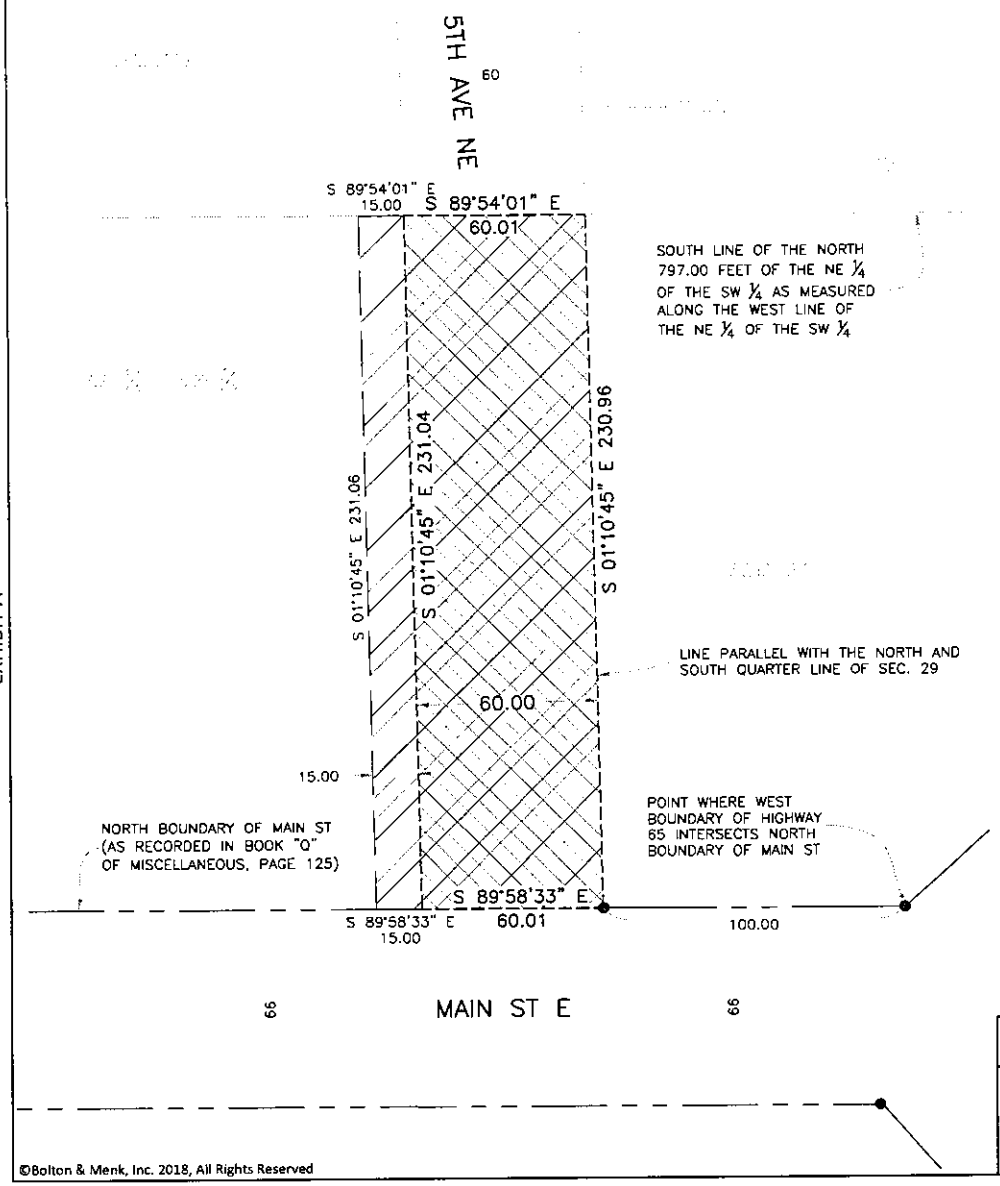
EXHIBIT A



PROPOSED EASEMENTS

ROAD AND UTILITY EASEMENT

A perpetual easement for road and utility purposes over, under and across the east 60.00 feet of the following described tract:

That part of the Northeast Quarter of the Southwest Quarter (NE1/4 of SW1/4) of Section Twenty-nine (29), Township Thirty-five (35), Range Twenty-three (23), Isanti County, Minnesota, described as follows: Commencing at a point where the West boundary of the present State Trunk Highway No. 65 (most Westerly point of triangular cutoff) intersects the North boundary of the present Main Street running East from the Village (now City) of Isanti (as recorded in Road Easement description in Book "Q" of Miscellaneous, Page 125); thence West following the North boundary of said Street a distance of 100 feet to the actual point of beginning of the tract of land to be hereby described; thence Northerly and parallel with the North and South quarter line of said Section 29 to the South line of the North 797.00 feet of said Northeast Quarter of Southwest Quarter (NE1/4 of SW1/4), as measured along or parallel with the West line of said NE1/4 of SW1/4; thence West, along said South line, to the Westerly boundary of said Northeast Quarter of the Southwest Quarter (NE1/4 of SW1/4); thence Southerly along the Westerly boundary of said Northeast Quarter of the Southwest Quarter (NE1/4 of SW1/4) to the North boundary line of said Main Street as described in Book "Q" of Miscellaneous, Page 125; thence Easterly along the North boundary of said Main Street to the actual point of beginning.

TEMPORARY CONSTRUCTION EASEMENT

A temporary easement for construction purposes over, under and across the west 15.00 feet of the east 75.00 feet of the following described tract:

That part of the Northeast Quarter of the Southwest Quarter (NE1/4 of SW1/4) of Section Twenty-nine (29), Township Thirty-five (35), Range Twenty-three (23), Isanti County, Minnesota, described as follows: Commencing at a point where the West boundary of the present State Trunk Highway No. 65 (most Westerly point of triangular cutoff) intersects the North boundary of the present Main Street running East from the Village (now City) of Isanti (as recorded in Road Easement description in Book "Q" of Miscellaneous, Page 125); thence West following the North boundary of said Street a distance of 100 feet to the actual point of beginning of the tract of land to be hereby described; thence Northerly and parallel with the North and South quarter line of said Section 29 to the South line of the North 797.00 feet of said Northeast Quarter of Southwest Quarter (NE1/4 of SW1/4), as measured along or parallel with the West line of said NE1/4 of SW1/4; thence West, along said South line, to the Westerly boundary of said Northeast Quarter of the Southwest Quarter (NE1/4 of SW1/4); thence Southerly along the Westerly boundary of said Northeast Quarter of the Southwest Quarter (NE1/4 of SW1/4) to the North boundary line of said Main Street as described in Book "Q" of Miscellaneous, Page 125; thence Easterly along the North boundary of said Main Street to the actual point of beginning.

Said temporary easement is due to expire on December 31, 2019

SURVEYOR'S CERTIFICATION

Exhibit B

EASEMENT AGREEMENT

THIS AGREEMENT IS MADE AS OF THIS _____ day of _____, 2018, by and between Minnco Credit Union, a credit union duly organized and existing under the corporate laws of the State of Minnesota ("Minnco") and the City of Isanti, a political subdivision of the State of Minnesota ("City of Isanti"). Minnco and the City of Isanti are referred to collectively in this Agreement as the "Parties" and individually without differentiation, each as a "Party".

For good and valuable consideration, the receipt and sufficiency of which are acknowledged, the parties agree as follows:

1. **Grant of Perpetual Easement.** Minnco hereby grants and conveys unto the City of Isanti, its successors and assigns, a perpetual easement for public roadway and utility purposes over, under and across the following described premises (the "Permanent Easement Premises"), situated within Isanti County, Minnesota, to-wit:

   A perpetual easement for public roadway and utility purposes over, under and across the east 60.00 feet of the following described tract:

   That part of the Northeast Quarter of the Southwest Quarter (NE ¼ of SW ¼) of Section Twenty-nine (29), Township Thirty-five (35), Range Twenty-three (23), Isanti County, Minnesota, described as follows: Commencing at a point where the West boundary of the present State Trunk Highway No. 65 (most Westerly point of triangular cutoff) intersects the North boundary of the present Main Street running East from the Village (now City) of Isanti (as recorded in Road Easement description in Book "Q" of Miscellaneous, Page 125); thence West following the North boundary of said Street a distance of 100 feet to the actual point of beginning of the tract of land to be hereby described; thence Northerly and parallel with the North and South quarter line of said Section 29 to the South line of the North 797.00 feet of said Northeast Quarter of Southwest Quarter (NE ¼ of SW ¼), as measured along or parallel with the West line of said NE ¼ of SW ¼; thence West, along said South line, to the Westerly boundary of said Northeast Quarter of the Southwest Quarter (NE ¼ of SW ¼); thence Southerly along the Westerly boundary of said Northeast Quarter of the Southwest Quarter (NE ¼ of SW ¼) to the North boundary line of said Main Street as described in Book "Q" of Miscellaneous, Page 125; thence Easterly along the North boundary of said Main Street to the actual point of beginning.

2. **Grant of Temporary Easement.** Minnco hereby grants and conveys unto the City of Isanti, its successors and assigns, a temporary easement for construction purposes over, under and across the following described premises (the "Temporary Easement Premises"), situated within Isanti County, Minnesota, to-wit:

A temporary easement for construction purposes over, under and across the West 15.00 feet of the east 75.00 feet of the following described tract:

That part of the Northeast Quarter of the Southwest Quarter (NE ¼ of SW ¼) of Section Twenty-nine (29), Township Thirty-five (35), Range Twenty-three (23), Isanti County, Minnesota, described as follows: Commencing at a point where the West boundary of the present State Trunk Highway No. 65 (most Westerly point of triangular cutoff) intersects the North boundary of the present Main Street running East from the Village (now City) of Isanti (as recorded in Road Easement description in Book "Q" of Miscellaneous, Page 125); thence West following the North boundary of said Street a distance of 100 feet to the actual point of beginning of the tract of land to be hereby described; thence Northerly and parallel with the North and South quarter line of said Section 29 to the south line of the North 797.00 feet of said Northeast Quarter of Southwest Quarter (NE ¼ of SW ¼), as measured along or parallel with the West line of said NE ¼ of SW ¼; thence West, along said South line, to the Westerly boundary of said Northeast Quarter of the Southwest Quarter (NE ¼ of SW ¼); thence Southerly along the Westerly boundary of said Northeast Quarter of the Southwest Quarter (NE ¼ of SW ¼) to the North boundary line of said Main Street as described in Book "Q" of Miscellaneous, Page 125; thence Easterly along the North boundary of said Main Street to the actual point of beginning.

Said temporary easement shall terminate and be of no further effect as of 11:59 p.m. on December 31, 2019.

3. **Depiction of Easement Areas.** See Exhibit "A" attached hereto and made a part hereof depicting the location of the easement herein granted.

4. **Easement Premises.** The Permanent Easement Premises and the Temporary Easement Premises may be collectively referred to as the "Easement Premises".

5. **Rights of City of Isanti.** The grant of the foregoing easements includes the right of the City of Isanti, its contractors, agents and servants to enter upon the Easement Premises to construct, reconstruct, inspect, repair and maintain streets, public rights-of-way, ditches, pipes, conduits and mains; and the further right to remove trees, brush, undergrowth and other obstructions, as the sole cost of City of Isanti.

6. **Representation of Minnco.** Minnco, its successors and assigns, do covenant with the City of Isanti, its successors and assigns, that it is the fee owner of the Easement Premises and that it has good right to grant and convey the easement herein to the City of Isanti, subject to any existing easements burdening the Easement Premises.

7. **Indemnification.** The City of Isanti, subject to the limits specified in Minnesota Statutes Chapter 466, shall indemnify Minnco, its successors and assigns, from and against all loss, costs (including reasonable attorney fees), injury, death, or damage to persons or property that at any time may be suffered or sustained by any person or entity in connection with the City of Isanti's activities conducted on the Easement Premises or the public's use of the Easement Premises, regardless of the cause of the injury, except to the extent caused by the negligence or misconduct of Minnco or its agents or employees or its successors or assigns.

8. **Restoration of Surface.** At its sole cost, the City of Isanti shall restore any surface disturbed by any construction or maintenance within the Temporary Easement Premises or any other property damaged in accessing or maintaining the Easement Premises to its condition before the disturbance.

9. **Costs and Expenses of Construction of Street.** The City of Isanti shall be solely responsible for any and all initial construction and other related costs, including, but not limited to: (1) site preparation; and (2) the construction, inspection, and installation of the street and of any pipes, conduits and mains or similar utilities and activities within the Easement Premises. The City of Isanti shall not assess or otherwise seek contribution from Minnco for any of the City of Isanti's costs pertaining to the initial construction of the street or related improvement activities in the Easement Premises.

10. **Covenants Run with Land.** All of the terms and conditions in this Agreement, including the benefits and burdens, shall run with the land and shall be binding upon, inure to the benefit of, and be enforced by Minnco and the City of Isanti and their respective successors and assigns. Minnco, and any successor or assign to Minnco, as fee simple owner of the Easement Premises shall cease to have any liability under this Agreement with respect to facts or circumstances arising after the party has transferred its fee simple interest in the Easement Premises.

11. **Governing Law.** This Agreement shall be construed and enforced in accordance with the laws of the State of Minnesota

12. **Entire Agreement.** This Agreement sets forth the entire understanding of the parties and may not be changed except by a written document executed and acknowledged by all parties to this Agreement and duly recorded in the office of the County Recorder of Isanti County, Minnesota.

13. **Invalidity.** If any term or condition of this Agreement, or the application of this Agreement to any person or circumstance, shall be deemed invalid or unenforceable, the remainder of this Agreement, or the application of the term or condition to persons or circumstances other than those to which it is held invalid or unenforceable, shall not be affected thereby, and each term and condition shall be valid and enforceable to the fullest extent permitted by law.

IN TESTIMONY WHEREOF the Parties have executed this Agreement as of the _____ day of _____, 2018.

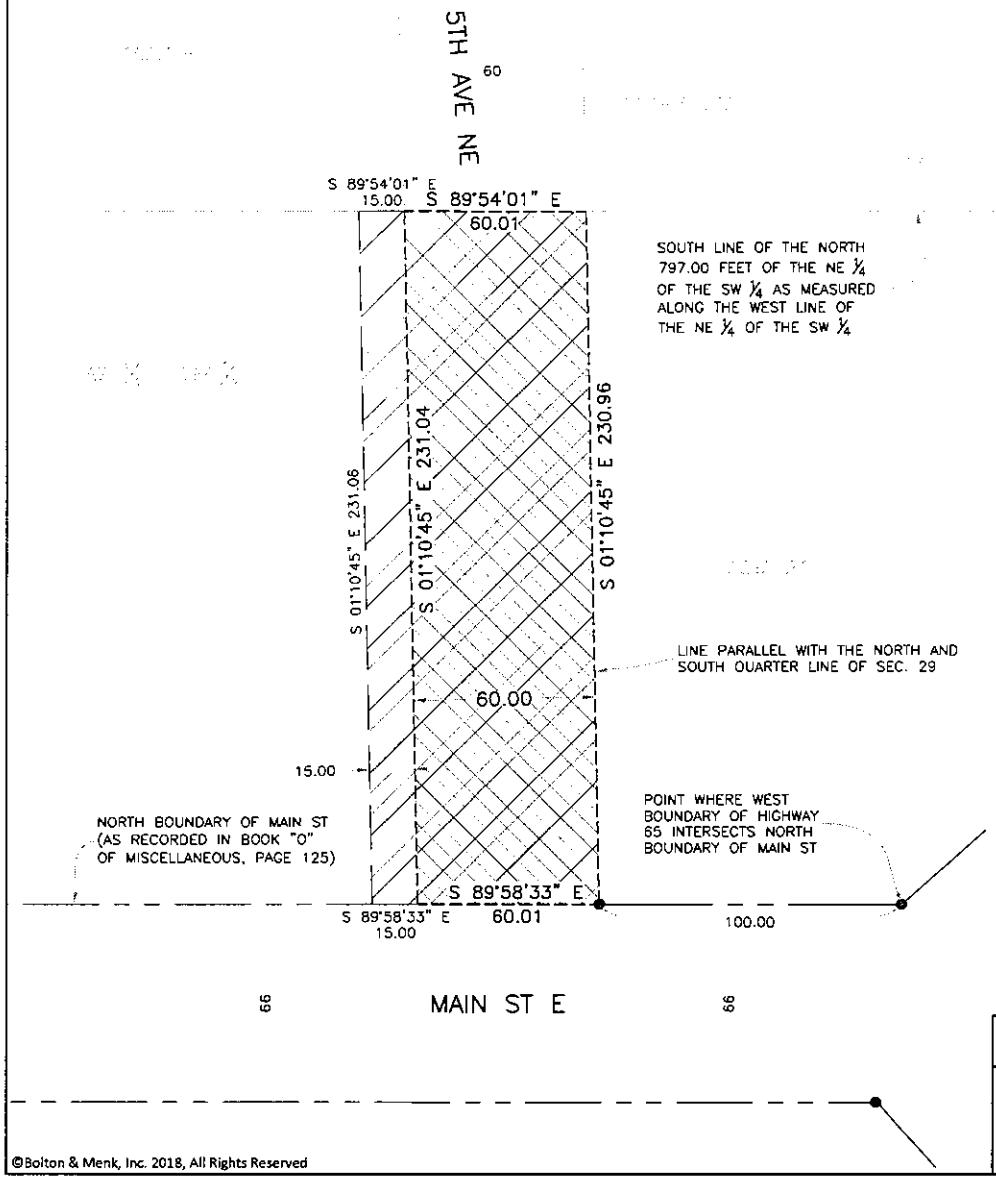
EXHIBIT A



PROPOSED EASEMENTS

ROAD AND UTILITY EASEMENT

A perpetual easement for road and utility purposes over, under and across the east 60.00 feet of the following described tract:

That part of the Northeast Quarter of the Southwest Quarter (NE1/4 of SW1/4) of Section Twenty-nine (29), Township Thirty-five (35), Range Twenty-three (23), Isanti County, Minnesota, described as follows: Commencing at a point where the West boundary of the present State Trunk Highway No. 65 (most Westerly point of triangular cutoff) intersects the North boundary of the present Main Street running East from the Village (now City) of Isanti (as recorded in Road Easement description in Book "Q" of Miscellaneous, Page 125); thence West following the North boundary of said Street a distance of 100 feet to the actual point of beginning of the tract of land to be hereby described; thence Northerly and parallel with the North and South quarter line of said Section 29 to the South line of the North 797.00 feet of said Northeast Quarter of Southwest Quarter (NE1/4 of SW1/4), as measured along or parallel with the West line of said NE1/4 of SW1/4; thence West, along said South line, to the Westerly boundary of said Northeast Quarter of the Southwest Quarter (NE1/4 of SW1/4); thence Southerly along the Westerly boundary of said Northeast Quarter of the Southwest Quarter (NE1/4 of SW1/4) to the North boundary line of said Main Street as described in Book "Q" of Miscellaneous, Page 125; thence Easterly along the North boundary of said Main Street to the actual point of beginning.

TEMPORARY CONSTRUCTION EASEMENT

A temporary easement for construction purposes over, under and across the west 15.00 feet of the east 75.00 feet of the following described tract:

That part of the Northeast Quarter of the Southwest Quarter (NE1/4 of SW1/4) of Section Twenty-nine (29), Township Thirty-five (35), Range Twenty-three (23), Isanti County, Minnesota, described as follows: Commencing at a point where the West boundary of the present State Trunk Highway No. 65 (most Westerly point of triangular cutoff) intersects the North boundary of the present Main Street running East from the Village (now City) of Isanti (as recorded in Road Easement description in Book "Q" of Miscellaneous, Page 125); thence West following the North boundary of said Street a distance of 100 feet to the actual point of beginning of the tract of land to be hereby described; thence Northerly and parallel with the North and South quarter line of said Section 29 to the South line of the North 797.00 feet of said Northeast Quarter of Southwest Quarter (NE1/4 of SW1/4), as measured along or parallel with the West line of said NE1/4 of SW1/4; thence West, along said South line, to the Westerly boundary of said Northeast Quarter of the Southwest Quarter (NE1/4 of SW1/4); thence Southerly along the Westerly boundary of said Northeast Quarter of the Southwest Quarter (NE1/4 of SW1/4) to the North boundary line of said Main Street as described in Book "Q" of Miscellaneous, Page 125; thence Easterly along the North boundary of said Main Street to the actual point of beginning.

Said temporary easement is due to expire on December 31, 2019

Mayor's Proclamation

City of Isanti

Whereas Employers and Employees are a dynamic part of the City of Isanti's and Minnesota's economy; and,

Whereas The promotion of our Employer's and their talented Staff showcase the strength and success which is an integral part of the City of Isanti's economic development strategy; and,

Whereas All Isanti employers located within the City of Isanti provide jobs which significantly contribute to the City of Isanti's standard of living and economic vitality; and,

Whereas The City of Isanti has approximately 1,928 people that are employed within its corporate limits; and,

Whereas Employees contribute to the economic success of Isanti businesses by buying local and supporting other Isanti businesses; and,

Whereas The City EDA is sponsoring an appreciation luncheon to the Employers and their Employees on June 19, 2018 highlighting certain businesses with milestone Isanti anniversaries.

Now, therefore, I, George A. Wimmer, Mayor of the City of Isanti, do hereby proclaim that the day of June 19, 2018 shall be observed as:

Mayor's Employer Celebration Day

in the City of Isanti on this 5th day of June, Two Thousand Eighteen.

_____

George A. Wimmer, Mayor

CITY OF ISANTI
CITY COUNCIL MEETING
TUESDAY, MAY 15, 2018 – 7:00 P.M.
CITY HALL

I. Citizens Input
None.

II. Agenda
Mayor Wimmer called the meeting to order at 7:00 p.m.

The Pledge of Allegiance was recited.

Members Present: Mayor George Wimmer, Council Members: Paul Bergley, Dan Collison, Steve Lundeen, and Ross Lorinser

Members Absent: None.

Staff Present: City Administrator Don Lorsung, Human Resources / City Clerk Katie Brooks, City Attorney Clark Joslin, Police Chief Gene Hill, Community Development Director Ryan Kernosky, Liquor Store Manager John Jacobi, and Assistant City Engineer Jason Cook

Others Present: Commissioner Mike Warring

D. Adopt Agenda
Administrator Lorsung explained the Agenda was amended by adding Items K.10 – Resolution Accepting Planning Commission Member Jim Kennedy's Resignation

Motion by Lorinser, second by Collison to approve the Agenda as presented. Motion carried.

E. Proclamations/Commendations/Certificate Awards
1. MMBA Customer Service Award – Isanti Liquor Store

John Jacobi, Liquor Store Manager, explained the Minnesota Municipal Beverage Association hands out facility awards each year and this year the Isanti Liquor Store entered for the customer service award based on the positive feed-back received about the staff. Mr. Jacobi explained that the Liquor Store had done customer service training three or four years ago with one of the goals being that every customer that walks in should be acknowledged.

Mayor Wimmer thanked Mr. Jacobi and the staff, pointing out the phenomenal job the Liquor Store does. Mayor Wimmer noted that the City of Isanti is transferring $350,000.00 from the Liquor Store profits into the City's budget, which equals approximately 15-17% of the City's tax base, and that the Liquor Store serves many good purposes. Mr. Jacobi also mentioned that the City will receive a $250.00 check with the award to be used toward community service projects.

F. Approve City Council Minutes
1. May 1, 2018 – Regular Meeting of the City Council

Motion by Lorinser, second by Lundeen to approve minutes as presented. Motion carried.

G. Announcements
1. Park, Recreation, & Culture Board Meeting — Tuesday, May 22, 2018 at 6:00 p.m.
2. City Offices Closed — Monday, May 28, 2018 *(In observance of Memorial Day)*

3. City Council Meeting — Tuesday, June 5, 2018 at 7:00 p.m.
4. Economic Development Authority — Tuesday, June 5, 2018 at 7:00 p.m. *(Immediately following City Council Meeting)*

H. Council Committee Reports

1. Green Steps Award

Mayor Wimmer shared that the City of Isanti has now reached the 4th Green Step with an award to follow in June. It is a great accomplishment, which only 10 other Cities have received. Mayor Wimmer credited Community Development Director Ryan Kernosky and Public Services Director/Assistant City Administrator Josi Wood with helping the City reach this level. When the Award is received in June, it will be presented to the Council at that time.

I. Public Hearings

1. **Resolution 2018-119** Vacating a Public Utility Easement Along the West and South Property Lines of 400 E Dual Blvd NE

Mayor Wimmer explained that this has been discussed at the Planning Commission meeting. This is along Dual Blvd, which impacts the Kwik Trip project.

Mayor Wimmer opened the Public Hearing at 7:06 p.m.

With no comments from the public, Mayor Wimmer closed the Public Hearing at 7:06 p.m.

Motion by Lundeen, second by Bergley to approve the request as presented. Motion carried.

J. Business Items

City Administrator Don Lorsung

1. **Resolution 2018-120** to Purchase Two Kubotas and Authorizing Staff to Enter into an Agreement with Lano Equipment Tradeout Program

Motion by Collison, second by Lorinser to approve the request as presented. Motion carried.

2. **Resolution 2018-121** to Purchase Office Equipment and Upgrade the Electrical at City Hall

Motion by Lorinser, second by Collison to approve the request as presented. Councilmember Bergley asked if the money is available in the accounts that will pay for the necessary work. Mayor Wimmer responded affirmatively that it was. Motion carried.

K. Approve Consent Agenda

1. Consider Accounts Payable in the Amount of $296,324.18 and Payroll in the amount of $104,203.93
2. Final Meeting Minutes for the April 3, 2018 Economic Development Authority Meeting
3. **Resolution 2018-122** Approving Exempt Gambling Permit for Isanti Rodeo Association
4. **Resolution 2018-123** Approving Temporary Liquor License for Isanti Rodeo Association
5. **Resolution 2018-124** Approving Updated Special Event Permit Application
6. **Resolution 2018-125** Accepting Planning Commission Member Jim Kennedy's Resignation
7. **Resolution 2018-126** Accepting Part-Time Liquor Store Clerk Jim Maloney's Resignation
8. **Resolution 2018-127** Amending the Policy for Use of City Water Hydrants Within the City of Isanti
9. **Resolution 2018-128** Authorizing Staff to Work with Connexus Energy and Fleetkarma for an Electric Vehicle Fleet Assessment
10. **Resolution 2018-129** Accepting Planning Commission Member Jeff Miller's Resignation

Motion by Lorinser, second by Bergley to approve Consent Agenda as presented. Motion carried.

From: Katie Everett, Parks, Recreation, and Culture Manager

Date: June 5, 2018

Subject: A Resolution Approving a Special Event Permit Application for BMC British Auto Car Show

---

Background

The City received a special event application from BMC British Auto which will be hosting a car show on their premises at 444 East Dual Blvd on Saturday, June 23, 2018 from 10:00 am to 2:00 pm. Organizers are expecting 75 – 100 people for the event. Show cars will be parked on the premises; spectators will park along both sides of East Dual Blvd. Organizers have also received permission from Metal Coatings to use their property for additional show car parking; permission email is attached. Event organizers anticipate their onsite restrooms to be adequate for the event. Their staff and volunteers will clean up after the event; the $100 clean up deposit has been submitted. Organizers have notified area businesses of the event as well.

Event organizers have indicated that they will be putting out ground signs the day of the event at the intersection of Heritage Blvd and East Dual Blvd; this use is allowed under City Code without a permit. They have also indicated that they would like to put out signs on Highway 65; staff has communicated to them that the City of Isanti does not have the authority to grant this use, and has instructed them to work with MnDOT and Isanti County as needed.

A copy of the application and department approval has been attached for City Council review.

Staff Request

City staff is requesting action on this item.

RESOLUTION 2018-

A RESOLUTION APPROVING A SPECIAL EVENT PERMIT APPLICATION FOR THE BMC BRITISH AUTO CAR SHOW

WHEREAS, BMC British Auto will be hosting a car show on Saturday, June 23, 2018 from 10:00 am to 2:00 pm on their premises at 444 East Dual Blvd in Isanti; and,

WHEREAS, the estimated number of participants 75-100; and,

WHEREAS, show cars will be parked on BMC premises with potential overflow on the Metal Coatings property on the west side of East Dual Blvd, spectator parking will occur on the street; and,

WHEREAS, event organizers have indicated they will put out signs which are allowed within City Code the day of the event and will remove them when the event has finished, and other signs not on City property must be approved by the property owner prior to the event; and,

WHEREAS, event staff and volunteers will clean-up after the event, and the organizers have submitted the $100 clean up deposit;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, to hereby approve the application for the BMC British Auto Car Show to be held on June 23, 2018 with the following conditions:

- Property owner approval is submitted for any signs not on City property.
- A signed Release and Indemnification form is submitted prior to the event.

BE IT FURTHER RESOLVED by the City Council of the City of Isanti, Minnesota that this Resolution is hereby the 'Permit' for the above stated Special Event.

This Resolution hereby approved by the Isanti City Council this 5th day of June, 2018.

Subject: Special Event Permit Request - BMC Car Show

Good afternoon,

BMC British Auto has submitted a Special Event Permit application for their car show event scheduled for June 23 from 10:00 am to 2:00 pm. They plan to park show cars on their lot, and may potentially park some across the street on the Metal Coatings lot. Spectators will park on both sides of the street. They are expecting 75-100 people. Event organizers have not asked for an Police or Fire support for this event.

Please review the application and respond with your comments or approval at your convenience.

Thank you,

Katie Everett
Parks, Recreation, and Culture Manager

This letter is to inform you of our intention to hold a car show at our place of business on Saturday, June 23rd. The show is scheduled to run from 10AM until 2PM.

This show will be held by BMC in conjunction with the Jaguar Club of Minnesota. We invite you to come over and visit the show. The show has an emphasis on Classic British Cars but all classic Foreign and American autos are invited to come.

There is no charge to place a car in the show or to visit the show.
There will be a donation station for those who wish to donate to the Harbor Room in Cambridge. The Harbor Room is a resource center for families who have been touched by cancer.

If you have any questions, feel free to contact us at 651-400-0145 and ask for John or Brian

Request for City Council Action - MEMO

To: **Mayor Wimmer and Members of the City Council**

From: Katie Everett, Parks, Recreation, and Culture Manager

Date: June 5, 2018

Subject: Resolution Amending Resolution 2017-237 Approving a Special Event Permit Application for the 2018 Isanti Firefighters PRCA Rodeo

---

Background

On September 19, 2018, the Isanti City Council conditionally approved a Special Event Permit application for the 2018 Isanti Firefighters PRCA Rodeo. At that time, the Rodeo organizers were planning to have horse trailers parked outside of the Rodeo grounds on the area south of the Isanti Indoor Arena in Bluebird Park. Since that time, the Rodeo organizers have been able to reorder their event activities to be able to accommodate all horse trailers on the Rodeo grounds, and therefore will return to parking spectators in the areas that have been used for the event over the past several years. City staff asked for a revised permit application due to the large change.

The City of Isanti received the revised Special Event Permit application on May 25, 2018 for the 2018 Isanti Firefirghters PRCA Rodeo scheduled for July 6-8, 2018. Organizers have indicated that spectator parking will take place on the Rodeo grounds, at Isanti Primary School, the bus lot on 1st Avenue, the Civic Arena lot, and Unity Park. Permission has been obtained from all non-City property owners for this use. Organizers anticipate 11,000 people in attendance over the course of the event. A current copy of the Rodeo Association certificate of liability insurance is required prior to the event.

Rodeo organizers have requested parking be allowed on the grass at Unity Park as in years past and will remove the bleachers from the Park for use at the Rodeo during the event. Additionally, organizers have requested assistance from Isanti Police Department for traffic control and pedestrian crossing on 3rd Avenue at Unity Park.

All Special Event Permit applications require a $100 clean up deposit, and events requiring Special Event Temporary Sign Permits require a $50 fee. The Rodeo Association has requested that these fees be waived.

Staff Request

City staff are requesting City Council's approval of the Special Event Permit application for the 2018 Isanti Firefighters PRCA Rodeo.

RESOLUTION NO. 2018-XXX
Amending Resolution 2017-237

RESOLUTION AMENDING RESOLUTION 2017-237 APPROVING A SPECIAL EVENT PERMIT APPLICATION FOR THE 2018 ISANTI FIREFIGHTERS PRCA RODEO

WHEREAS, Isanti Firefighter Rodeo Association (IFRA), has submitted a revised Special Event application requesting a permit to host the 2018 Isanti Firefighters PRCA Rodeo on the Isanti Rodeo Grounds; and,

WHEREAS, the event is scheduled for July 6 through July 8, 2018; and,

WHEREAS, the estimated number of people to be in attendance over that time period is 11,000; and,

WHEREAS, IFRA is requesting parking to be allowed at several City of Isanti owned and privately owned properties; and,

WHEREAS, City of Isanti property requested is Unity Park (420 3rd Ave NW); and,

WHEREAS, all parking on the grass at Bluebird Park is prohibited; and,

WHEREAS, additional lots will be used for spectator parking including the Isanti Intermediate School, the Cambridge-Isanti bus lot, and Isanti Civic Arena; the IFRA will be responsible for submitting letters from each property owner granting permission to use the lots prior to the event; and,

WHEREAS, throughout the event, public addressing systems and amplifiers will be used, including dances following the rodeo performances on Friday and Saturday; and,

WHEREAS, the applicant will be required to provide additional restrooms for the event and will bring additional units to parking areas; and,

WHEREAS, additional permitting and licensing may be required for this event including, but not limited to, a liquor license, gambling permit, and sign permit; and,

WHEREAS, the Special Event Permit application requires a $100 clean up deposit, and the associated Temporary Sign Permit requires a $50 fee which the organizers have requested be waived for this event; and,

WHEREAS, this resolution supersedes all other resolutions and permits pertaining to the 2018 Isanti Firefighters PRCA Rodeo Special Event Permit;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City Of Isanti, Minnesota to hereby approve the revised special event permit for the 2018 Isanti Firefighters PRCA Rodeo with the following conditions:

- A $100 Cleanup Deposit Fee and $50 Sign Permit Fee are waived for the event.
- A Certificate of Insurance is submitted prior to the event, and will list the City of Isanti as the additionally insured.
- IFRA will be responsible for repairing any damage to grass, trails, sidewalks, or curbing due to parking, or

other event activities.

AND FURTHERMORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota that this Resolution is hereby the "Permit" for the above stated Special Event.

This resolution was duly adopted by the Isanti City Council this 5th day of June, 2018

Attest:

George A. Wimmer
Mayor

Katie Brooks
Human Resources/City Clerk

Parking Impact

IFRA graciously requests the use of Unity park along with the west side of the police/fire station on the grass for spectator parking. We have outlined on the map provided, along with all parking for rodeo event. We will also be parking vehicles on the west side parking lot of the rodeo grounds, Isanti primary school, the old school bus lot and the Isanti Civic Arena. Permission letters provided. We expect heavy traffic as past years.

Our priority is to keep traffic flowing from Heritage Boulevard on to 3rd avenue into parking lots, to keep the traffic from stopping on Heritage Boulevard before the rodeo starts. We will also have parking lot attendents in the parking areas after the rodeo performance to help push as much traffic north on 3rd avenue to Isanti Parkway towards Hwy 65 for a speedy exit of the parking areas.

IFRA also has a few requests for the City of Isanti

1) We would like to request the Unity Park baseball field lights stay on all night. For safety/security reasons.

2) Clinton Langerud has had conversations with Police Chief Gene Hill about having an officer help with traffic control when IFRA starts to park the Isanti Primary School areas to safely get Spectators across 3rd avenue to Unity Park via the cross walk at that location to attend rodeo events.

3) We would like to use the bleachers currently at Unity Park for the rodeo events.

4) IFRA graciously seeks to have all the fees the City of Isanti charges for the special permits waived.

We further acknowledge that such risks may include but not be limited to bodily injury, personal injury, sickness, disease, death, and property loss or damage, arising from the following circumstances, among others:

(Special Events Holder Initials Here) CP

B. If required by this paragraph, we agree to require each participant to our special event to execute a **RELEASE AND INDEMNIFICATION AGREEMENT** for ourselves and for the City of Isanti, on a form approved by the City of Isanti.

Participant Release and Indemnification required? YES ☐ NO ☒

(Special Events Holder Initials Here) CP

C. We agree to procure, keep in force, and pay for special event insurance coverage, from an insurer acceptable to the City of Isanti, for the duration of the above described activities.

(Special Events Holder Initials Here) CJ

D. By signing this **RELEASE AND INDEMNIFICATION AGREEMENT,** we hereby expressly assume all such risks of injury, loss, or damage to us or any related third party, arising out of or in any way related to the above described activities,

whether or not caused by the act, omission, negligence, or other fault of the City of Isanti, its officers, its employees, or by any other cause.

(Special Event Holder Initials Here) CJ

E. By signing this **RELEASE AND INDEMNIFICATION AGREEMENT,** we further hereby exempt, release and discharge the City of Isanti, its officers, and its employees from any and all claims, demands, and actions for such injury, loss or damage to us or to any third party, arising out of or in any way related to the above described activities, whether or not caused by the act, omission, negligence, or other fault of the City of Isanti, its officers, its employees, or by any other cause.

(Special Event Holder Initials Here) CJ

F. We further agree to defend, indemnify and hold harmless the City of Isanti, its officers, employees, insurers, and self insurance pool, from and against all liability, claims, and demands, court costs and attorney fees, including those arising from any third party claim asserted against the City of Isanti, its officers, employees, insurers or self insurance pool, on account of injury, loss or damage, including without limitation claims arising from bodily injury, personal injury, sickness, disease, death, property damage or loss, or any other loss of any kind whatsoever, which arise out of or are in any way related to the above described activities, whether or not caused by our act, omission, negligence, or other fault of the City of Isanti, its officers, its employees, or by any other cause.

(Special Event Holder Initials Here) CJ

G. By signing this **RELEASE AND INDEMNIFICATION AGREEMENT,** we hereby acknowledge and agree that said Agreement extends to all acts omissions, negligence, or other fault of the City of Isanti, its officers, and/or its employees, and that said Agreement is intended to be as broad and inclusive as is permitted by the laws of the State of Minnesota. If any portion thereof is held invalid, it is further agreed that the balance shall, notwithstanding, continue in full legal force and effect.

(Special Event Holder Initials Here) CJ

H. We understand and agree that this **RELEASE AND INDEMNIFICATION AGREEMENT** shall be governed by the laws of the State of Minnesota and that jurisdiction and venue for any suit or cause of action under this agreement shall lie in the courts.

(Special Event Holder Initials Here) CJ

I. This **RELEASE AND INDEMNIFICATION AGREEMENT** shall be effective as of the date or dates of the applicable special event, shall continue in full force until our responsibilities hereunder are fully discharged, and shall be binding upon us, or successors, representatives, heirs, executors, assigns, and transferees.

(Special Event Holder Initials Here) CJ

IN WITNESS THEREOF, THIS RELEASE AND INDEMNIFICATION AGREEMENT is executed by the special event holder, acting by and through the undersigned, who represents that he or she is property authorized to bind the Special Events Holder hereto.

Subject: A Resolution Approving a Special Event Permit Application for 2018 Jubilee Days

---

Background

The City received a special event application from the North 65 Chamber of Commerce for Jubilee Days. The event will consist of a parade to be held on Thursday, July 5th from 3:00 p.m. to 10:30 p.m. Parade organizers are anticipating 10,000 people to attend. The parade route in 2018 will be different than past parades: the route will begin at 5th Avenue on Main Street and follow its typical route south on 4th Ave to Elizabeth St, and north on 2nd Ave to Main St; the parade will end on Main Street at Credit Union Drive. A map has been included in the Special Event Permit application materials. Organizers included to parade route options in their application; the alternate route will be used.

No parking signs will be posted along the parade route and Credit Union Dr NE, as well as both sides of Main Street east of Credit Union Drive out to Hwy 65. In terms of clean-up plans, volunteers and the City's Public Works staff have been requested. Food vendors will be located along the parade route. There will be music and announcing at the corner of 1st Ave and Main St W. The group is requesting electric access at 30 West Main St. Organizers have requested permission to use the vacated right of way at 2nd Ave and Elizabeth St; this property is not City owned, so permission for such cannot be granted by the City and proof of permission from current property owners is required.

On Saturday, July 7th from 7:00 a.m. to 4:00 p.m. will be Kids Day. There will be kids games, pony rides, bounce houses, turtle races, outhouse races, kiddie parade, craft fair, carnival food sales, vendor booths, and fun run. The craft fair portion of the event will take place on both sides of Main Street between 1st Ave NW and 2nd Ave NW. There will be approximately 3,000 in attendance this day. The trailers at Family Pathways will not be moved for the event.

Other events will take place along Main St W from 1st Ave NW to just west of the railroad tracks, so the street will be closed for the events. A stage and other activities are set to occur in this area. In addition, the City Hall parking lot, the grassy area just to the east of City Hall to the railroad right-of-way will also be used for this event. There will be no parking along Main Street W prior to the closure of the street; and signs must be placed accordingly. Volunteers will help to clean the areas that are used for these events.

In addition, there would be a temporary closure of Main St W and 2nd Ave SW from the church driveway to Main Street W and 2nd Ave SW and Main St W and the 1st AveW and Main St W intersections for the Kiddie parade. The estimated closure time for these areas is a brief period around 11:00 am. Clean-up of the area will be completed by volunteers.

A separate application has been filed for use of the community sign.

The applicant will be contracting with Absolute Portables to provide the necessary portable restroom facilities for the event. A list of locations for portable restrooms has been included with the application materials.

Assistance has been requested of the Isanti Police Department to provide security for the parade. There are no formal tickets sold for the event. The Chamber of Commerce does appreciate donations, but they are not required. The purpose of any money that is collected by donation is to help cover the expenses associated with the event.

The applicant has provided a list of requests from the City for Jubilee Days, which has been attached for Council review.

A copy of the application, details and departmental review has been attached for City Council review.

Staff Request

The North 65 Chamber of Commerce is going to need to coordinate the activities with the Isanti Police Department, Isanti Fire District, and Isanti Public Works.

The North 65 Chamber of Commerce will also need to work with staff to get the necessary paperwork and approval for a peddlers permit for the vendor fair.

City staff is requesting action on this item.

RESOLUTION NO. 2018-XXX

A RESOLUTION APPROVING A SPECIAL EVENT PERMIT APPLICATION FOR 2018 JUBILEE DAYS

WHEREAS, the North 65 Chamber of Commerce has submitted a Special Event application requesting a permit to host Jubilee Days; and,

WHEREAS, a parade is scheduled to take place Thursday, July 5 from 3:00 to 10:30 pm and will use a new route due to construction at the future hotel site ending at Credit Union Drive; and,

WHEREAS, Kids Day is scheduled for Saturday, July 7 from 7:00am to 4:00pm in Downtown Isanti; and,

WHEREAS, the estimated number of people to be in attendance at the parade is 10,000 and the estimated number of people in attendance for Kids Day is 3,000; and,

WHEREAS, the applicant will be required to provide additional restrooms for the event and has provided a list of portable restroom locations; and,

WHEREAS, parking during the event will be restricted as follows: no parking along the parade route or on 3rd Ave from Heritage Blvd north to the Isanti Primary School parking lot on July 5, 2nd Ave at Main street from 11:00-11:15 on July 7 for the kiddie parade, and Main Street from 2nd Ave to west of the railroad tracks from 6:00 am to 4:30 pm on July 7; and,

WHEREAS, the applicant has requested assistance from the City of Isanti for road closures, traffic control, utility locates, and signage, and has submitted a complete request with the application materials; and,

WHEREAS, public addressing systems and live entertainment will be utilized during the event; and,

WHEREAS, the application submittal does require a $100 clean-up deposit fee, which is on file with the City of Isanti; and,

WHEREAS, posting of temporary signage requires a permit application and fee, and the applicant has requested the fee be waived;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City Of Isanti, Minnesota to hereby approve the special event permit application for Jubilee Days with the following condition(s):

- Coordinate all necessary activities with Isanti Police Department, Isanti Fire District, and Isanti Public Works.
- The trailers at Isanti Pathways are not to be moved for the event.

AND FURTHERMORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota that this Resolution is hereby the "Permit" for the above stated Special Event.

This resolution was duly adopted by the Isanti City Council this 5th day of June 2018.

Attest:

George A. Wimmer
Mayor

Katie Brooks
Human Resources/City Clerk

A Community For Generations.

Isanti Rodeo Jubilee Days 2018
Parade Route Options

1. The preference will be to use the existing parade route if available (see route 1 on map)

2. If Route 1 is not available, then an alternate route (Route 2) is proposed as follows:

On Main Street after the railroad tracks instead of turning onto Railroad Ave, the parade will continue down Main St. to Credit Union Drive where it will end.

At the Credit Union Drive/Main Street intersection participants will exit the parade via 1 of 2 routes:

1. Continue East on Main Street to HW 65 southbound
2. Turn North on Credit Union Drive to Heritage Blvd West (return to Isanti Middle School) or Heritage Blvd East to HW 65 Northbound or Southbound.

Permission to utilize parking lots and shouldering property along Credit Union drive is being requested.

Additional note:
Request permission to move trailers from the Family Pathways property to the grassy area adjacent to the Isanti Community Center parking lot, between the parking lot and the railroad tracks.

-EVENT SPONSOR-
RELEASE AND INDEMNIFICATION AGREEMENT

City of Isanti

THIS IS A RELEASE OF LIABILITY INDEMNIFICATION AGREEMENT. SPECIAL EVENTS HOLDER MUST READ CAREFULLY BEFORE SIGNING.

In consideration for being permitted to engage in the following special event activities on property owned by the City of Isanti:
July 5 and 7, 2018 - Isanti Rodeo Jubilee Days Parade and Kids Day

Special Events Holder hereby acknowledges, represents, and agrees as follows:

A. We understand that the above described activities are or may be dangerous and do or may involve risks of injury, loss, or damage to us and/or third parties. We further acknowledge that such risks may include but not be limited to bodily injury, personal injury, sickness, disease, death, and property loss or damage, arising from the following circumstances, among others:

(Special Events Holder Initials Here) MB

B. If required by this paragraph, we agree to require each participant to our special event to execute a **RELEASE AND INDEMNIFICATION AGREEMENT** for ourselves and for the City of Isanti, on a form approved by the City of Isanti.

Participant Release and Indemnification required? YES ☐ NO ☑

(Special Events Holder Initials Here) MB

C. We agree to procure, keep in force, and pay for special event insurance coverage, from an insurer acceptable to the City of Isanti, for the duration of the above described activities.

(Special Events Holder Initials Here) MB

D. By signing this **RELEASE AND INDEMNIFICATION AGREEMENT,** we hereby expressly assume all such risks of injury, loss, or damage to us or any related third party, arising out of or in any way related to the above described activities,

whether or not caused by the act, omission, negligence, or other fault of the City of Isanti, its officers, its employees, or by any other cause.

(Special Event Holder Initials Here) MB

E. By signing this **RELEASE AND INDEMNIFICATION AGREEMENT,** we further hereby exempt, release and discharge the City of Isanti, its officers, and its employees from any and all claims, demands, and actions for such injury, loss or damage to us or to any third party, arising out of or in any way related to the above described activities, whether or not caused by the act, omission, negligence, or other fault of the City of Isanti, its officers, its employees, or by any other cause.

(Special Event Holder Initials Here) MB

F. We further agree to defend, indemnify and hold harmless the City of Isanti, its officers, employees, insurers, and self insurance pool, from and against all liability, claims, and demands, court costs and attorney fees, including those arising from any third party claim asserted against the City of Isanti, its officers, employees, insurers or self insurance pool, on account of injury, loss or damage, including without limitation claims arising from bodily injury, personal injury, sickness, disease, death, property damage or loss, or any other loss of any kind whatsoever, which arise out of or are in any way related to the above described activities, whether or not caused by our act, omission, negligence, or other fault of the City of Isanti, its officers, its employees, or by any other cause.

(Special Event Holder Initials Here) MB

G. By signing this **RELEASE AND INDEMNIFICATION AGREEMENT,** we hereby acknowledge and agree that said Agreement extends to all acts omissions, negligence, or other fault of the City of Isanti, its officers, and/or its employees, and that said Agreement is intended to be as broad and inclusive as is permitted by the laws of the State of Minnesota. If any portion thereof is held invalid, it is further agreed that the balance shall, notwithstanding, continue in full legal force and effect.

(Special Event Holder Initials Here) MB

H. We understand and agree that this **RELEASE AND INDEMNIFICATION AGREEMENT** shall be governed by the laws of the State of Minnesota and that jurisdiction and venue for any suit or cause of action under this agreement shall lie in the courts.

(Special Event Holder Initials Here) MB

I. This **RELEASE AND INDEMNIFICATION AGREEMENT** shall be effective as of the date or dates of the applicable special event, shall continue in full force until our responsibilities hereunder are fully discharged, and shall be binding upon us, or successors, representatives, heirs, executors, assigns, and transferees.

(Special Event Holder Initials Here) MB

IN WITNESS THEREOF, THIS RELEASE AND INDEMNIFICATION AGREEMENT is executed by the special event holder, acting by and through the undersigned, who represents that he or she is property authorized to bind the Special Events Holder hereto.

RE: Isanti Rodeo Jubilee Days Special Event Permit Application

Dear City of Isanti,

I am providing the following in response to your May 17, 2018 letter regarding the Isanti Rodeo Jubilee Days Special Event Permit Application:

Parade Route

- Participants will be advised to use the sidewalk when returning to the staging area following their participation in the parade.
- Portable restrooms will be located off of sidewalks. Please see attached list of restroom locations.
- We accept the recommendation to include No Parking signs on both sides of Main Street from Credit Union Drive east to HW 65.
- The property owners at the NW corner of Main Street as well as the adjacent property to the west have given permission to use their properties to alleviate congestion at this point.
- The property to the west of Minnco Credit Union, owned by Minnco Credit Union has been secured for overflow parking.

Kids Day

- Family Pathways will not be asked to move their trailers.
- I have separately provided a registration form for the city to be present at Kids Day. Your designated contact will be provided with a check-in time and a set up location. The fee will be waived.

Attachments

- Special Event Equipment Request form with supplemental attachments
- Portable restroom locations
- Letters authorizing property use

Continued

Please contact me via email at melissa@north65chamber.com or 612-669-4129 with any questions regarding this permit.

Sincerely,

Melissa Bettendorf
Executive Director

Subject: additional request - parade

Hi Peggy,

After reviewing the permit with the city we have determined that it would be helpful to have access to the Minnco land located at 403 MAIN ST E, ISANTI, MN 55040 (ID 16.029.0400) for parking. This parcel has been used for the parade in all the past years I have been involved, so not a new request as the other was.

Would you be willing to write another email granting us permission to use that land?

Thank you very much!
Melissa

Hi Dan,

I hope this finds you well. I'm reaching out again regarding the Isanti Rodeo Jubilee Days parade and the use of your land located at the Southwest corner of 2nd and Main Street in downtown Isanti.

May we use the space again to set up vendors for the parade on Thursday, July 5?

Please respond with your approval so that I may include it in the special event permit application for the city of Isanti. You may respond to this email or print a letter if you prefer. If you have any questions, please email me or call 612-669-4129.

Request for City Council Action- MEMO

To: **Mayor Wimmer and Members of City Council**

From: Katie Brooks, Human Resources/City Clerk

Date: May 31, 2018

Subject: Consider Resolution to Appoint Candidate to Fill a Vacant Planning Commission (PC) Seat 2018-XXX

Background:
Currently, there are two seats vacant on the Planning Commission. The City is required to make certain official appointments to City Boards. Advertisements were placed to seek interested candidates for the vacant seat on the Planning Commission. One application and Interest Disclosure form was received from Joey LeMay. The applicant lives within City limits.

Request:
It is requested that City Council interview candidates Joey LeMay to appoint him for the Planning Commission.

Attachment:
- Resolution 2018-XXX

Planning Commission Interview Questions:

1) What is the Planning Commissions role?

2) What is the role of the Comprehensive Plan in the Planning Commission's decision making process?

3) Do you feel the current Comprehensive Plan applicable? Does it need to be changed? If so, how?

4) What is the purpose of a zoning code? Do you feel there are changes that need to be made?

5) If you are asked to make a decision on a matter before you that does not meet city requirements, yet you are in favor of, will you be able to uphold the City's standards?

6) What is your knowledge on conditional/interim use permits, zoning, variances, and plats?

7) Do you have planning or planning commissioner experience?

8) Do you volunteer within the Isanti Community?

9) Can you attend evening meetings sometimes lasting to 10pm or later?

DISCLOSURE FORM

Public Officials of the City of Isanti listed by title in the Resolution are required to complete and file this Disclosure Form with the City Administrator in accordance with the provisions of the Conflicts of Interest Policy.

1. **Affiliations with Agencies Doing Business with the City**

NA

Identify all positions as officer, director, partner, proprietor or employee of any firm or proprietary interest of ten percent (10%) or more in any company, business, enterprise, corporation, partnership, labor union or association doing business with the City.

MEMO

To: Mayor Wimmer and City Council

From: Don Lorsung, City Administrator

Date: May 31, 2018

Subject: Expansion of Police Reserve Officer Duties - Proposed City Code / Resolution Amendments

---

The DOAC Committee directed staff to research and come back with a recommendation for expansion of Police Reserve Officer duties to include the writing of citations for local laws promulgated under the City Code. Staff worked with the City Attorney in the research and preparation of proposed legislation. Under the proposed expansion of Police Reserve Officer duties, City Code areas under Nuisances, Parking, Parks, Special Events and Tobacco would be included in the writing of citations for violations of those code areas. It is envisioned that citations would also include the use Administrative Citations.

Attached for your consideration is a proposed Ordinance to amend City Code Chapter 47, Police Reserves, Paragraph 47-4 Duties of Members, to add this enforcement authority. Also attached for your consideration are: 1) a proposed Ordinance to amend City Code Chapter 65, Administrative Penalties, to include Police Reserve Officers; and 2) proposed amendments by Ordinance to City Code Chapter 160 and the City Fee Resolution to expand Administrative Citation areas to include Park and Recreation Areas and Tobacco.

ORDINANCE NO. XXX

AN ORDINANCE TO AMEND THE CODE FOR THE CITY OF ISANTI, CHAPTER 47, POLICE RESERVES

THE CITY COUNCIL OF THE CITY OF ISANTI DOES ORDAIN:

Chapter 47, Paragraph 47-4. Duties is hereby deleted and amended to read and include the following:

47-4 Duties of Members. The duties and obligations of the members of the Police Reserve shall be as follows, to the full extent authorized pursuant to applicable Minnesota law under the direction of the Chief of Police:

A. To aid in the enforcement of all laws.

B. To assist as directed in enforcement of local laws promulgated in the City Code regarding Nuisances, Chapter 216; Parking and Storage, Chapter 227; Park and Recreation Areas, Chapter 230; Special Events, Chapter 278; and Tobacco and Related Delivery Products, Chapter 295; including but not limited to the issuance of citations for the violation of said ordinances

C. Suppression of disturbances.

D. The preservation of peace.

E. Protection of life and property.

EFFECTIVE DATE
This ordinance shall take effect upon its publication in the official newspaper of the City of Isanti.

This Resolution is hereby approved by the Isanti City Council this 5th day of June, 2018.

MEMO

To: Mayor Wimmer & City Council

From: Don Lorsung, City Administrator

Date: May 25, 2018

Subject: Resolution Ordering the 2018 Street and Utility Improvement Project and Preparation of Plans

---

With the Hotel Project underway, the next step in the Redevelopment Plan is for the extension of 5th Avenue NE and Richard Avenue SE. Attached are the feasibility studies for each project. The proposed improvements consist of streets, curb & gutter, sidewalks, water and sanitary sewer improvements. The utility improvements provide for the looping of watermain and extension of sewer access to adjacent properties. The projects have been determined to be feasible. Bolton and Menk has submitted a proposal for engineering services to construct the improvements (see attached). It is proposed that Street Improvements would be funded through an interfund loan from the Liquor Fund. Utility improvements would be funded from their respective utility fund. Both projects have been combined as the 2018 Street and Utility Improvement Project.

Staff has prepared a resolution to order the improvements and proceed with preparation of plans and specifications. The order is conditioned on the City Council accepting a bid for the proposed improvements.

The resolution is attached for your consideration.

RESOLUTION NO. 2018-xxx

RESOLUTION ORDERING THE 2018 STREET AND UTILITY IMPROVEMENT PROJECT AND PREPARATION OF PLANS

WHEREAS, the City Council ordered feasibility reports for the Extension of Fifth Avenue NE (Resolution No. 2017-080) and Extension of Richard Avenue SE (Resolution No. 2018-031); and

WHEREAS, the proposed improvements consisting of streets, curb & gutter, sidewalk, and utility improvements in the preliminary reports are deemed feasible; and

WHEREAS, the developer has begun construction of the new Hotel in conformance with the Redevelopment Plan for the Area, as adopted by the City Council (Resolution 2017-225). Therefore, in order to carry forth with the Redevelopment Plan for the area the street and utility improvements in the Plan need to proceed:

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City Of Isanti, Minnesota:

1. The City Council accepts the feasibility studies and orders the improvement of Fifth Avenue NE and Richard Avenue SE in accordance with the Redevelopment Plan, pursuant to Minnesota Statutes 469 and 412.221. Said order shall be contingent on satisfactory bids received and approved by the City Council. Estimated costs for the improvements are as follows:

    a. Fifth Avenue NE $254,000.00
    b. Richard Avenue SE $127,000.00

2. The project shall be known as the 2018 Street and Utility Improvement Project.

3. The City Council approves the fee proposal from Bolton & Menk, Inc. for preparation of plans and specifications, and administration of the improvement project.

4. It is anticipated that the street improvements shall be funded through an interfund loan from the Liquor Fund. Utility improvements shall be funded through their respective utility funds.

This resolution was duly adopted by the Isanti City Council this 5th day of June 2018.

Attest:

Mayor George A. Wimmer

MEMORANDUM

Date: May 24, 2018

To: Don Lorsung, City Administrator

From: Bradley C. DeWolf, P.E.
City Engineer

Subject: 2018 Street & Utility Improvements - Engineering Services
City of Isanti, MN
Project No.: R13.114520

Pursuant to your authorization, we have prepared a Preliminary Engineering Report (PER) for the 5th Avenue NE Extension as well as a PER for the Richard Avenue SE Extension. Included in these reports are exhibits depicting the proposed improvements, estimated costs and discussions regarding funding.

The Finance Committee has reviewed these reports and recommends Council approval.

Should the Mayor and City Council elect to move forward with the improvements, Bolton & Menk, Inc proposes to complete the following scope of services to enable the project to be completed:

- Prepare Plans and Specifications
- Advertise for bids
- Prepare the recommendation to Council to award the bid
- Hold a preconstruction meeting
- Perform construction observation and surveying during the project
- Perform construction administration during the project
- Prepare the final close out documents
- Create as-built drawings of the improvements.

We recommend the following schedule to keep the project on schedule to be constructed this summer:

1) July 3, 2018 — City Council approves plans and orders advertisement of bids
2) July 31, 2018 — Open Bids
3) August 7, 2018 — City Council awards bid
4) August – November, 2018 — Project construction

We propose to assist the City in completing the project in accordance with the scope of services, for an hourly, not-to-exceed fee of $81,750. These fees were included in the estimated project costs in the Preliminary Engineering Reports.

Jason or I will be at the June 5, 2018 City Council meeting to present these reports and respond to any questions you have concerning this project. Feel free to contact me with any questions prior to the meeting.

Bolton & Menk is an equal opportunity employer.

Appendix E: PRELIMINARY COST ESTIMATE

I. PROJECT INTRODUCTION

This Preliminary Engineering Report prepared by Bolton & Menk, Inc., as authorized by the Isanti City Council, provides an initial analysis of the feasibility, cost-effectiveness, and the necessity of the proposed infrastructure improvements.

A. Background Information

This project is being considered to complete 5th Avenue NE from approximately 350 feet south of Cherrywood Street to Main Street. Appendix A identifies the location of the project. Sanitary sewer and water main would be installed to provide service the two general business district parcels adjacent to the project.

B. Scope

This report addresses the benefit to constructing the remaining length of 5th Avenue NE from approximately 350 feet south of Cherrywood Street to Main Street. Included in this report is a description of proposed improvements, along with an estimated cost. The specific objectives of this report are to:

- Evaluate the need for the project.
- Prepare a cost estimate for the proposed improvements.
- Determine the feasibility of the improvements.

II. EXISTING CONDITIONS

5th Avenue NE Roadway

5th Avenue NE is approximately 36-feet wide from face of curb to face of curb, along with a 5-foot concrete walk with small diameter trees located in the east boulevard north of the project. The roadway and utilities were constructed in 2007 and 2008 and are within a 60-foot Right-of-Way. See Appendix B for the existing conditions background.

Sanitary Sewer

The existing 8" PVC sanitary sewer north of the project limits has inadequate depth for sewer extension to the south. An 8-inch PVC sanitary sewer main was stubbed out of Main Street in 2006 to provide future service to these lots.

Water main

The existing 10" Ductile Iron Pipe (DIP) water main runs to the existing dead-end hydrant south of the temporary cul-de-sac. A 10-inch DIP water main was stubbed out of Main Street in 2006 to provide a future water main loop connection point.

Storm Sewer

The existing storm sewer system drains to a regional pond northwest of the project but is not extended south to serve the two commercial parcels. The regional pond was not sized to provide treatment to the adjacent parcels.

III. PROPOSED IMPROVEMENTS

Street

The proposed street improvements are the construction of a 2-lane, 30 mph roadway consisting of a 36-foot wide roadway with B618 curb and gutter. A 5-foot concrete walk and small diameter plantings are proposed in the east boulevard. A street light would also be added to the new intersection of 5th Avenue NE and Main Street. This layout will match the 5th Avenue NE section north of the project. See Appendix C for proposed improvements. Figure 1 below exhibits the typical section of the proposed roadway.

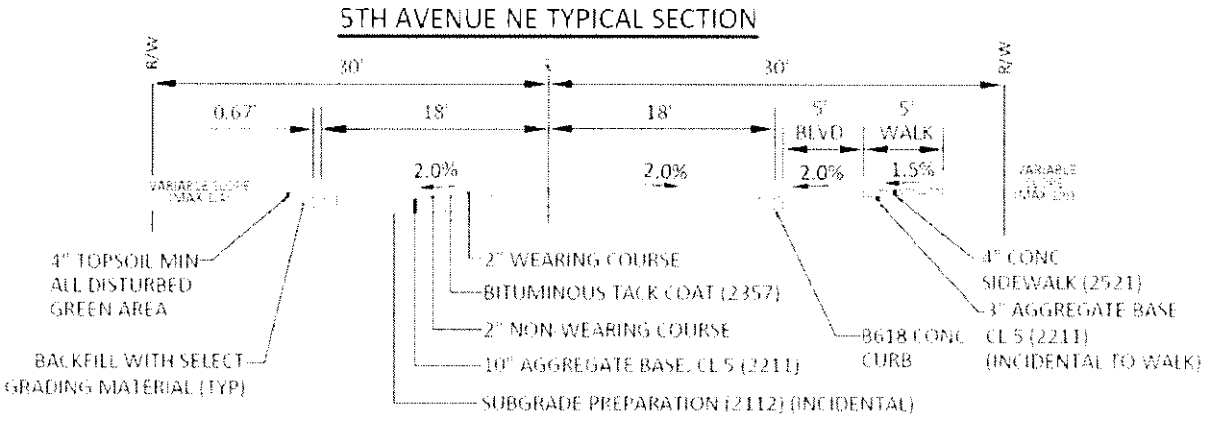

Figure 1: 5th Avenue NE Typical Section

Sanitary Sewer & Water Main

The proposed sanitary sewer and water main extensions will provide service connection points to the adjacent parcels and complete the loop of water main from Cherrywood Street to Main Street. The installation of a hydrant is not necessary within the project as hydrants exist at the north limit of the project and at the northeast quadrant of Main Street and the proposed 5th Avenue NE intersection.

Storm Sewer

The installation of additional storm sewer is not anticipated within this project. The regional pond northwest of the project was not designed for additional capacity from the parcels adjacent to this project. Once the parcels in question are developed they will be required to manage storm water runoff individually. Runoff from the proposed roadway and boulevard will drain to the existing catch basins at the northern project limits and into the existing catch basins on Main Street. Runoff capacity into the existing catch basins at the northern project limits will not be significantly impacted by the proposed improvements.

IV. RIGHT-OF-WAY ACQUISTION

It is anticipated that approximately 14,000 square feet will need to be acquired by the city to create a 60-foot wide Right-of-Way. Appendix D identifies the area of significance. The entire Right-of-Way acquisition would need to be obtained from one parcel (PID: 16.029.0400)

V. APPROVALS/PERMITS

Approvals and permits are required from various public agencies for the construction of this project. They include:

- Minnesota Department of Health – Water main Permit
- Minnesota Pollution Control Agency – Sanitary Sewer Extension Permit

VI. PRELIMINARY COST ESTIMATES

The estimated project costs are summarized in Table 1 below. A detailed Preliminary Cost Estimate is included in Appendix E. The unit prices for the items of work have been estimated based on similar types of projects completed in the past. The cost shown is an estimate that includes construction, contingencies, and engineering costs. Actual project cost would be determined through a competitive bidding process.

Table 1: Estimated Project Costs

IMPROVEMENT	ESTIMATED PROJECT COST
STREET	$177,000
CONCRETE WALK	$20,000
SANITARY SEWER	$18,000
WATER MAIN	$39,000
TOTAL PROJECT COST	$254,000

VII. RECOMMENDATION

Based on the findings presented in this report, the proposed improvements are necessary to complete 5th Avenue NE from Cherrywood Street to Main Street, provide city utility service to two properties, and loop the water main from Cherrywood Street to Main Street. These improvements are found to be feasible from an engineering perspective. If the City Finance Committee determines these improvements to be financially feasible, we recommend the City Council approve this report and authorize the preparation of final plans and specifications.

Appendix D: PRELIMINARY COST ESTIMATE

I. PROJECT INTRODUCTION

This Preliminary Engineering Report prepared by Bolton & Menk, Inc., as authorized by the Isanti City Council, provides an initial analysis of the feasibility, cost-effectiveness, and the necessity of the proposed infrastructure improvements.

A. Background Information

This project is being considered to complete Richard Avenue SE from Broadway Street E to Main Street E. Appendix A identifies the location of the project. Watermain would be installed to provide service to the general business district parcel adjacent to the project and complete a loop from Broadway Street to Main Street.

B. Scope

This report addresses the benefit to constructing Richard Avenue SE from Broadway Street to Main Street. Included in this report is a description of proposed improvements, along with an estimated project cost. The specific objectives of this report are to:

- Evaluate the need for the project.
- Prepare a cost estimate for the proposed improvements.
- Determine the feasibility of the improvements.

II. EXISTING CONDITIONS

Sanitary Sewer

An 8" PVC sanitary sewer main was installed as part of the 2006 Street & Utility Improvements within the project area. Flow presently bypasses this segment of sewer but it remains active.

Water main

An 8" DIP water main was stubbed out at Main Street in 2006 to provide a future watermain connection point to Richard Street. An 8" DIP watermain was stubbed out at Broadway Street in 2003 to provide a future connection point to Richard Street.

Storm Sewer

This segment of Richard Street is undeveloped and has no storm sewer. The area drains to a depression on the easterly adjacent lot.

See Appendix B for existing conditions of the project area.

III. PROPOSED IMPROVEMENTS

Street

The proposed street improvements is the construction of a 2-lane, 30 mph roadway consisting of a 26-foot wide commercial road section with B618 curb and gutter. A 5-foot concrete walk is proposed in the west boulevard to follow city standards. See Appendix C for proposed improvements. Figure 1 on the following page exhibits the typical section of the proposed roadway.

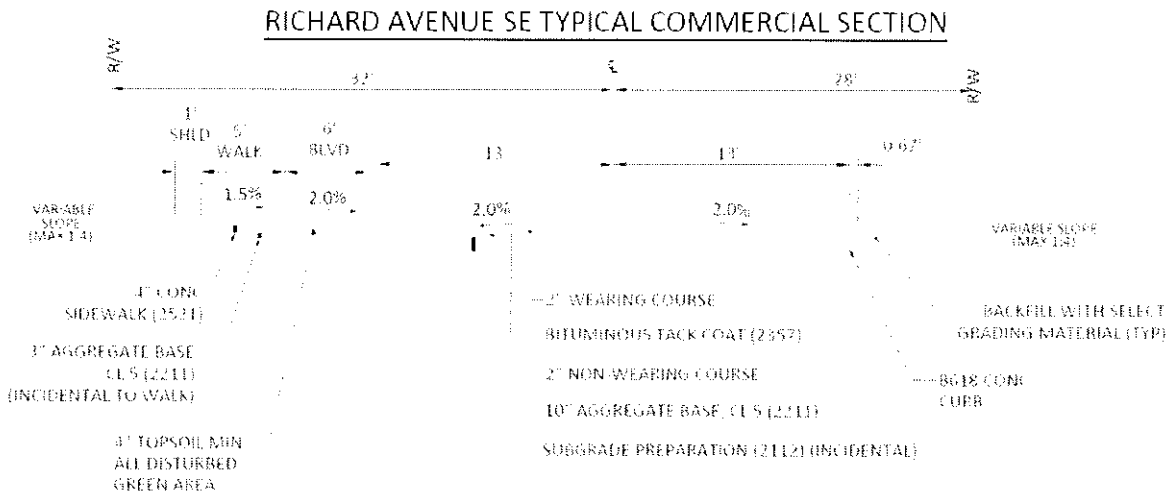

Figure 1: Richard Avenue SE Typical Commercial Pavement Section

Watermain

The proposed 8-inch watermain extension will provide service connection points to the adjacent parcel and complete the loop of water main from Broadway Street to Main Street. The installation of a hydrant is not necessary within the project as hydrants exist at the north limits and the south limits of the project.

Storm Sewer

The installation of additional storm sewer is not anticipated with this project. Once the parcel to the east is developed they will be required to manage storm water runoff independently. Runoff from the proposed roadway and boulevard will drain to the existing catch basins on Main Street and Broadway Street. Runoff capacity into the existing catch basins will not be significantly impacted by the proposed improvements. Currently, the ditch south of the Hurricane Car Wash property drains to the depression east of the project area. The addition of this road segment will cut off the drainage path to the existing depression and create a new low area south of Hurricane Car Wash. Storm water runoff will drain over the proposed roadway before it will reach Hurricane Car Wash's adjacent parking lot.

IV. APPROVALS/PERMITS

Approvals and permits are required from various public agencies for the construction of this project. They include:

- Minnesota Department of Health – Watermain Extension Permit

V. PRELIMINARY COST ESTIMATES

The estimated project costs are summarized in Table 1 on the following page. A detailed Preliminary Cost Estimate is included in Appendix D. The unit prices for the items of work have been estimated based on similar types of projects completed in the past. The cost shown is an estimate that includes construction, contingencies, and engineering costs. Actual project cost would be determined through a competitive bidding process.

Table 1: Estimated Project Costs

IMPROVEMENT	ESTIMATED PROJECT COST
STREET	$ 86,300.00
CONCRETE SIDEWALK	$ 13,300.00
WATERMAIN	$ 27,400.00
TOTAL	**$ 127,000.00**

VI. RECOMMENDATION

Based on the findings presented in this report, the proposed improvements are necessary to complete Richard Avenue SE from Broadway Street to Main Street, provide city water service to adjacent properties, and loop the water main from Broadway Street to Main Street. These improvements are found to be feasible from an engineering perspective. If the City Finance Committee determines these improvements are financially feasible, we recommend the City Council approve this report and authorize the preparation of final plans and specifications.

MEMORANDUM

Date: May 23, 2018

To: Honorable Mayor Wimmer and Members of the City Council

From: Bradley C. DeWolf, P.E.
City Engineer

Jason W. Cook, P.E.
Assistant City Engineer

Subject: Bid Award Recommendation

2018 Pavement Management Project
City of Isanti, MN
BMI Project No.: R13.115873

Two bids were received on the 2018 Pavement Management Improvements project on May 22, 2018. The bids were checked and tabulated and the final results are summarized as follows:

Bidder	Bid
Allied Blacktop Company	$222,082.00
Fahrner Asphalt	$446,207.50
Engineer's Estimate	*$230,187.50*

Allied Blacktop's bid is within the anticipated budget and below the Engineer's Estimate.

We recommend award of this project to Allied Blacktop Company in the amount of $222,082.00.

Please contact us if you have any questions.

Bolton & Menk is an equal opportunity employer.

RESOLUTION NO. 2018-____

RESOLUTION AWARDING THE BID FOR THE 2018 PAVEMENT MANAGEMENT PROJECT

WHEREAS, the City has planned for the 2018 Pavement Management Project; and

WHEREAS, the plans and specifications have been completed for these improvements; and

WHEREAS, a public bid opening was held on May 22, 2018; and

WHEREAS, Two bids were received; and

WHEREAS, Allied Blacktop Company was the responsible low bidder with a bid of $222,082.00 and

WHEREAS, this bid price is within the anticipated budget.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, as follows:

1) That the City shall award the project entitled "2018 Pavement Management Project" to Allied Blacktop Company in the amount of $222,082.00.

2) Funding for the project shall come from Utility Franchise Fees.

This resolution was duly approved by the Isanti City Council this 5th day of June, 2018.

Attest: Mayor George A. Wimmer

Katie Brooks
Human Resources/City Clerk

Mayor Wimmer opened the public hearing at 7:32 pm.

Dean George, representing Kwik Trip, stated he was there to address any questions that members of the Commission may have.

Mayor Wimmer closed the public hearing at 7:32 pm.

Motion by Lundeen, seconded by Lorinser to approve with conditions within the Resolution. Motion passed unanimously.

3B Request from Isanti Retail Meats to amend Conditional Use Permit 2008-157 to allow for a sit-down restaurant in conjunction with the existing meat market for the property located at 30 Main Street W, legally described as PID 160500440.

Director Kernosky stated that an amendment to the existing conditional use permit application has been submitted to allow for an additional restaurant use with the meat market. Kernosky stated that this is within the B-1 zoning district, and as such parking is not required. Kernosky stated that staff is recommending approval with conditions stipulated within the proposed Resolution.

Mayor Wimmer opened the Public Hearing at 7:34 p.m.

Mayor Wimmer closed the Public Hearing at 7:34 p.m.

Mayor Wimmer stated that the City is excited for this new restaurant, and that he's excited to see more outdoor seating downtown.

Commissioner Collision briefly asked about restroom capacity. Mayor Wimmer stated that the existing restrooms meet code.

Motion by Lundeen, seconded by Bergley to recommend approval of the proposed Resolution. Motion passed unanimously.

3C Request from Taylor Holdings Inc. for a Minor Subdivision Plat to combine 829 and 827 Whiskey Road NW into one parcel, parcels legally described as PID 160960970 and 160900960.

Director Kernosky stated that Taylor Holdings has submitted a minor subdivision plat to combine the two parcels into one parcel. Kernosky stated that the property is currently platted for a zero-lot line duplex, and further explained what a zero-lot line duplex was. Kernosky stated that there's an existing crosswalk that goes directly into the north parcel's driveway area, making it difficult to develop. Kernosky stated that ordinance allows for a minor subdivision process because it has been previously platted, and that the parcels are within a planned unit development, and that the single-family requirements of that PUD would be enforced for the proposed single-family home on that site. Kernosky is recommending approval with the conditions stated in the proposed resolution.

Mayor Wimmer questioned the sewer and water access charges for the two parcels.

Director Kernosky stated that the City has established that both sewer and water access charges would be paid, even if the parcels are combined.

Mayor Wimmer opened the public hearing at 7:37 pm.

Mayor Wimmer closed the public hearing at 7:37 pm.

Mayor Wimmer stated that he wished to add as a condition of the Resolution that both sewer and water access charges are paid as a result of the combination.

Motion by Lorinser, seconded by Collison to approve the proposed Resolution with the additional condition regarding sewer and water access charges are paid for both parcels. Motion passed unanimously.

3D Request from Circle B Ranch for an amendment to a Conditional Use Permit and Site Plan Review of Resolution No. 2017-232 as a result of the administrative subdivision that creates a new parcel of PID 160060505, which would adjust the site plan design and proposed uses of the other parcels.

Director Kernosky stated that Circle B ranch has submitted an application to amend Resolution 2017-232, the original resolution encompassed three properties in the south end of the City. Kernosky stated that the applicant has stated they need to split the southern most parcel in order to accommodate bank financing for the project. Kernosky stated that, because of the split, an amended conditional use permit and site plan is appropriate due to the new setbacks and different uses on other parcels.

Mayor Wimmer stated that there needs to be an agreement between two parcels if the uses overlap.

Mayor Wimmer opened the public hearing at 7:40 pm.

Mayor Wimmer closed the public hearing at 7:40 pm.

Motion by Lundeen, seconded by Collison to recommend approval with conditions stipulated in the proposed Resolution. Motion passed unanimously.

4. Discussion Items

There were no items for discussion.

5. Adjournment

Motion by Lundeen, second by to Bergely to adjourn the April 17, 2018 meeting of the Planning Commission. Motion was unanimously approved.

The meeting adjourned at 7:41 p.m.

Dated at Isanti, Minnesota this 19th day of April, 2018.

Respectfully submitted,

Ryan Kernosky
Community Development Director

CITY OF ISANTI
PARKS, RECREATION, AND CULTURE BOARD
MEETING MINUTES
April 24, 2018
City Council Chambers

1. Meeting Opening.

A. Call to Order.
Zdon called the meeting to order at 6:05 p.m.

B. Pledge of Allegiance.
Everyone stood for the Pledge of Allegiance.

C. Roll Call.
Members Present: Jennifer Garvey, Jeff Johnson, Mayor Wimmer, James Witte, and Aaron Zdon
Staff Present: Katie Everett, Parks, Recreation, and Culture Manager

D. Agenda Modifications.
Zdon asked if there were any agenda modifications; there were none. Motion by Johnson, second by Witte to approve the agenda for the April 24, 2018 Parks, Recreation, and Culture Board Meeting.

2. Approval of Minutes from March 27, 2018 Parks, Recreation, and Culture Board Meeting

Motion by Johnson; second by Witte. Minutes were unanimously approved.

3. Park Visit Reports

Everett invited the board to share their reports; she explained that she will take notes on their findings so they did not have to turn anything in after the meeting unless they had something they wanted to leave with her. She said that after the reports, there could be discussion about whether we need to make a list of things to be done or if there are things that staff can just address.

Zdon reported on Academy Park and Whisper Ridge. Academy Park is a new park, so in general the report was all 5's, new or like new. The overall appearance was a 5. For safety or maintenance concerns, the tennis net was loose and the crank was sitting on the ground, so he gave that to Everett. That net should be tightened. The mulch looked good, but it was a little low under the swings as always and at the bottom of slides. It could stand to be raked. Zdon wasn't sure if that was the City's responsibility. Everett explained that it is, and we'll do everything over there now. She also stated that the school had called about the playground being flooded, but there was just still frost under there so there wasn't anywhere for the water to go. Zdon rated the park a 5; his recommendations were to rake the mulch when it's dry and it might be cool to put the hopscotch stencils on the trail there. Everett explained that we have gotten the animal print stencils, so that may be something we can add. Zdon stated that Whisper Ridge is the park we've negotiated over the years; do we fix it, do we take it, do we make it green space. It's kind of in limbo last he's heard. Overall appearance is a 2; it's getting rundown. It's general maintenance, but it hasn't been maintained. There was no tennis net; Everett explained that it should go out this week. Zdon added that the latch on the door to go in was broken. Zdon added that there were kids there playing around. Trails were a 3; they're a little bit older but not bad. Overall condition was a 2; it's a little rundown and we know that. It's mainly the surface. Zdon's recommendations, if we want to keep it an active park, would be a new surface which we know is expensive or at least seal the cracks with a concrete caulking so they don't get any worse. It also needs a good cleaning, and maybe restriping. Everett explained that what we ran into at Mattson, which may be true there too, is that the cracks were too big and they won't fill them anymore. Zdon said that they're not too big right now, and he's done concrete filling before and thinks these are fillable. It would at least prevent weeds from coming up.

Garvey added before we moved on that everyone also should have visited Academy. She thought that she remembered having some kind of sign indicating when the school had use of the park. Everett stated that we do have one and it will go up soon. She made a note to make sure that it gets put up.

Witte stated that he visited Rum River Meadows; overall appearance he gave a 5. He did notice that some of the play stones on the rock wall were a little bit loose. There was some paint chipping near the triple slide on the north on the larger posts. It almost looked like someone had been pulling at it because it was a large section. It will probably get worse as time goes by. Park rating was between a 4 and 5. His recommendations included putting the trash cans closer to the park. Everett explained that she believes they have to be up by the curb so the garbage company will dump them. Wimmer added that we have also found that the closer they are to the equipment, the more often they are dumped in or on the equipment. Witte also recommended adding pet receptacles at the park because there was a significant amount of dog feces in the area. Wimmer stated that we have a property there that has been cited on a number of occasions for allowing their dogs to go on the park instead of their own property. Witte stated that his second park was Isanti Hills. He rated it a 4 and didn't see any visible damage during his visit. He parked on Cottonwood Street, and noticed some minor cracks on the walk to the park. He said the pavilion was a 4. His overall rating was a 4. He recommends pet receptacles here as well. He thought that the equipment also seems outdated, especially the teeter totter system. He said that maybe a rope climbing system like out at Bluebird and something to replace the teeter totter bouncer. Everett explained that the play system out there is actually a different brand than all of the others, so our normal rep won't get us parts for it. The bottom the slide there has a lip that's broken, it's not a safety issue but it will crack more. That park is one that if we want to do anything with it, it will probably be a bit of a bigger overhaul. Wimmer added that these ideas will be put into a hopper and then prioritized. There was a subcommittee a couple of years that prioritized a list of things; Zdon stated that list was a long one with every park, and that's why there's less to do now.

Garvey stated that she went to Unity. The grounds are pretty much grass and dirt at that location; both were soft but looked good. There is one pavilion and one picnic table. The picnic table with the roof has wood shingles, and there were a few on the ground. They look in very rough shape. The regular pavilion looks wonderful. Her question was why the pavilion is so far off the road and she wonders if anyone uses it. Some of the parking lot pillars are broken and it seems like there are some missing. She's guessing that those will need to be replaced. Everett explained that she and Public Services Director Wood had just been discussing those, and neither were aware of any previous discussions of what to do about them. Everett guessed that those were probably put in in the 80's. Garvey also asked about the agreement with the school for the use of the parking lot. Wimmer stated that there isn't one; Everett added that she thought there was. Garvey explained that it was plowed all winter. Wimmer stated that it shouldn't be and didn't know who was doing that. Garvey stated that the bleachers still look good. Garvey stated that she also went to Riverside Park. The playground still looks like it's in good shape, she gave it a 4. She didn't notice any safety or maintenance things. The mulch is adequate in both places, and the borders still look good. Overall, she gave it a 4. Zdon added that it's a little faded; Garvey agreed that it is. Garvey did notice that the little torpedo seems slow; Everett said that one was replaced last fall, and you have to be hanging on them for them to really move. Garvey stated that she also went to Bluebird. She gave the playground a 4, it's in really good shape still. The only thing was the swings. It seems like the poles are in the ground more at Bluebird than they are at Riverside and other parks; so where the feet hang is deeper. Zdon added that it gets really deep at Bluebird. Garvey stated that she thinks the swings should be adjusted to where the mulch is, rather than the mulch being dug out. The swings should be higher, but she doesn't think you can there because the poles are in the ground so much. Wimmer asked if there's a lot more material at Bluebird. Garvey said that there is, and it looks like a lot of mulch has been added over time. Everett said that there is some money budgeted to do a full replacement of the mulch, and she believes it includes Bluebird. You need a certain depth of mulch, and at the bottom it's not mulch anymore, so we'll have to dig it out. That process might bring those swings up; but it shouldn't be too hard to make the chains shorter either. Garvey stated that she still thinks it may be interesting to measure

the frames in different parks to see if they really are different. Garvey noticed that the trails have some larger cracks, and made a note that the larger one would be a concern for skateboarders or rollerbladers. Wimmer added that the trails get done at the same time as crack sealing and those kinds of things are being done in the area. Garvey also added that the hopscotch needs to be redone. The pavilion looks good, she gave it a 5. Her recommendations include moving the public ice rink sign from the back of the rink to the parking lot side so people see the rules before they get on the rink, and repairing the curb near the basketball court because it may be an ADA concern. She added that she also asked a few of the adults that were there, and no one knew there was public restrooms at BMX; recommends a sign near the playground since not everyone goes to the pavilion.

Mayor Wimmer stated that he went to Legacy Park. There is some exposed fabric and some ATV tracks, more than we have in a while. There is some patch/repair needed for the limestone that's taken out of there. And the basic things we have every year clearing the little branches and things as much as we can. It's still pretty wet and soggy. At River Bluff it's a grass trail, so there's not much going on there yet. The trails got a lot of use in the winter. When the water goes down, we'll get the bridge back in as quick as we can too. Wimmer also added that Everett can expand later on the Isanti County Public Health program at the community garden. He said we'll also be working with the schools, there are three interested so far, to do painting the plow. We'll take a Public Works plow, they'll sand it down and put a coat of primer on it, then we'll park it at any Isanti school and then they can paint it. Everett clarified that it is just the blades, not the vehicles. So far the two charter schools as well as the Middle School/MNC are looking to do that. We'll put them out at Isanti Day then.

Johnson stated that he went to Mattson Park. He said it's newly constructed; he gave the overall appearance a 5. The parks will probably all need to be graded for the mulch. The pavilion looked great, and there were actually a lot of kids playing there when he went. Overall condition he rated a 4.5. The only problem he noticed was that the slides had a back-pitch that creates a pool of water, and if it's not water it's a bunch of sand. He thinks it looks like something that could be adjusted. Otherwise, the park looks great. Since he has moved here, he as seen them in the park doing work more times than he can count; they just replaced swings and mulch last year. Johnson said that his other park was the VFW Park. That one to him is old and outdated. It looks like we took new stuff and put it in the park with the old stuff still there. There's paint peeling on the swings; it's higher up where the kids can't reach it though. Everett stated that there is now a sidewalk to it that was never there before. Garvey added that that may help get people there to use it. Johnson asked if we are fully responsible for that park. Everett explained that we are fully responsible for everything inside the fence. She said she's not sure exactly what the history of that park is. Zdon added that the VFW likely built the park or something to begin with, but that was before all of their terms.

Everett asked for a quick recap; she asked if anyone has something at a park that needs to be put on a list. Zdon said his only thing is getting the tennis net fixed. Witte said that he would just want the stones on the rock wall at Rum River Meadows to be tightened, and with Isanti Hills he'd recommend updating that equipment. He said it doesn't have to be a rope climber, but he asked some kids that were there what they would like to see and that was what they said. Everett stated that those kinds of things may also be worked into the comprehensive plan update.

4. Public Parking Signs

Everett explained that one of the biggest complaints we hear after BMX events is the parking. The association has said that their volunteers haven't been able to effectively point people to all of the lots in Bluebird. Putting up some signs might help to educated people that the lot at the arena isn't the only place to park. Everett explained that she included two options in the packet. The first one is what we already have at the City Hall lot. Maybe we put a couple of those out on Isanti Parkway pointing into the park. One thing to consider with that, is that at River Bluff we posted a sign that said that lot is reserved for park visitors. That's kind of different from public parking; we don't want people parked there overnight,

we don't care if people park here overnight. The one hour spaces at Bluebird are each labeled. Johnson asked where we're thinking of putting these. Everett said that's the question. Zdon stated you'd want one on Isanti Parkway pointing toward those lots. He asked if the asphalt pad that's labeled as a parking lot is going to be converted. Everett stated that it will this year, and we're hoping to get it done at the same time as some other projects to save money. Everett asked if it would be helpful to have sign on the north side of Isanti Parkway as you're leaving BMX telling them to take a left out of there for more parking. Zdon said it would. Garvey stated that the problem with parking is only a couple of times per year. Zdon said that even a normal race with regular turnout, the lot is over flow. For a big race, they fill every single lot and more. Garvey asked if we've thought about doing A-frame signs and keeping them at BMX, putting them out during the event, and when the event is done taking them in. Everett added that those might catch their attention more. Zdon agreed and said that the city's signs look nice, but they're not high vis. Garvey stated you could put one up as you're leaving the lot and then into Bluebird and/or depending on the weekend maybe soccer too. Zdon stated these could be used for soccer too, because they're not supposed to park on the grass along Isanti Parkway for soccer either but they do. Johnson stated that if you go with option 1, you'll need 4 or 5 of them, and since the A-frames might be cheaper, maybe just go with those. Everett said the prices might not be that different since we can just reorder the signs we have made. Johnson said that he's noticed the parking issues too. Garvey said she doesn't think people will notice the public park sign, but they will notice an A-frame. Everett stated that BMX does post a lot of printed signs showing where the parking is, and wanted to know if the board thought we should post option 2 somewhere so while people are at the arena they have an idea of what's available. Zdon clarified it would be a decent sized sign with a map; Everett said yes. Johnson said it's not a bad idea, but you're kind of fighting a losing battle. Garvey asked if anyone knew if BMX has a sponsorship from Coke or Pepsi. Zdon said that they do from Pepsi, and they had a sign from Pepsi that they were putting out. It was a banner, which does wear down and tear. Everett stated that when groups have special events that require permits, they are not allowed to put out signs unless they get a sign permit. BMX has decided they don't want to do that anymore. Zdon said that it's too much hassle, and then they're making signs and putting signs up. Everett said it's really just about knowing that you have permission to put the signs up where you are putting them up. There was an incident during one of the nationals that they just put them out on a business's property, and the City got a call about that and it was a big deal. They haven't put up signs since then. Garvey said that we can't do the A-frames then because they'd need a permit. Everett said that A-frames are different and are allowed with a permit as long as they're taken in at night. Zdon said that he'd be willing to bet that if the City got A-frames made that BMX could use and soccer could use, they'd have people to put them out. Johnson asked if there was anyone upholding the parking rules and regulations. Everett stated that the Police Department will ticket anyone who is parked where they're not supposed to. Zdon said there were tickets at the last event. Garvey asked where they're being ticketed. Zdon stated that basically if they're not parked on asphalt. Garvey said that the public parking signs and A-frame signs won't really solve that problem. Zdon explained that the track used to be in a field and people parked on the field all the way around, and that's the way it is at many tracks. Garvey asked then if we need to do the opposite and put out no parking on grass signs. Everett said that typically at those events they put out barricades at the places where a person can get onto the grass. If someone is going to drive around that, they're going to drive around whatever we put up too. That's part of the event responsibility, managing spectators. Garvey said that if we have sign up that says no parking on grass, the police have something to point to. Everett said that the police don't need that to ticket someone. Johnson and Zdon agreed that no parking on grass signs are a good idea, and it's not a difficult thing to put up. Zdon said it wouldn't hurt to have a couple more public parking signs, whether or not people see them, and if we want to we can look into A-frames. Witte asked if BMX would disclose the information on their website or post it while it's happening. Zdon said that it's posted everywhere during events, you can't miss it. Garvey asked if their signs say specifically to not park on the grass; neither Zdon or Everett were sure exactly what they say. Garvey stated that typically when facilities know that they're having one or two events a year with overflow parking, they have some type of temporary signs that direct people to do that. That is the bigger problem, the bigger events with people who aren't regularly coming here. Everett asked in that case, is it the City's responsibility to be getting them signs for their event. Zdon said that it is

not. Everett said that Public Works does already borrow out barricades and those kinds of things for events. Johnson stated that we're handing out a lot of stuff to these events. Garvey asked if Everett new if the BMX board has looked into this. Everett said that there has been a lot of turnover for them in the last couple of years, so it's possible that the decision to not put up signs was not made by people who are there now. It's worth revisiting with them and letting know they can do it, they just need to turn in the paperwork. Everett said we can certainly still get more of the public parking signs. Zdon said that isn't just servicing the BMX community. People coming in for soccer tournaments that aren't regulars don't know those lots are down there either. They just see people parking by the pine trees so they do that too. Garvey asked if there are any A-frame signs that the City already uses for events. Everett stated she has a couple that she uses for the farmer's market and things. Johnson asked about putting a sign at 3rd and Isanti Parkway; Zdon said that would definitely service soccer. Johnson said what about one there and then 1st and Isanti Parkway and call it a day.

Zdon asked Everett if there were any plans to connect the section of paved trail from the south Bluebird lot toward BMX without having to weave in and out of the tree line. Everett explained that she hasn't heard any plans for that, but maybe at the time the trail is redone.

Everett clarified that the decision is to just get the public parking signs and not maps, and then no parking on the grass. Zdon said he'd just get a few of each and put them out where Public Works thinks is best.

5. Parks Updates

Everett said that the final movie night went pretty well. There were 36 people, but it was really nice outside so we weren't sure we'd get any. Those will start again in October, and the applications for volunteers are available.

The community garden is down to 4 plots, someone else came in today. We will have the meeting with everyone on May 10th before it opens so everyone can get together and meet each other and go over rules. Everett was just out at the garden to take inventory of what needs to be done, and it's still very soupy out there, so we won't be able to do any tilling out there for a while. Hopefully we can get out there soon to do that.

We did postpone Earth Day until May 5th so the shady areas could get melted and hopefully dry out a little bit. There were four locations with groups signed up. The Master Gardeners have a highway clean up day, so they're not able to attend so Everett may move the Girl Scouts from Riverside Park to River Bluff. For the most part, people could still come to the new date.

We have hired our Parks Intern for the summer. Everett is looking forward to working with Bree. She actually worked at one of our farmer's market vendors farms for a few summers. She is local, but going to school out of state. She should be back by the end of May.

There's a farmers' market vendor meeting scheduled for Friday. There have been several new vendors who have contacted Everett, so hopefully many of them will make the meeting. The market will open May 25th. It's the same spot and same time as last year. There were also a couple of new businesses in town that took us up on sponsorships this year.

The Rain Garden Workshop went pretty well. We had 22 people show up. Since it was open to all county residents, she kept track and about half were City residents. It was a good workshop, and she thinks people learned a lot. People seemed interested in finding out what kinds of rain gardens they can do. Tiffany from Soil and Water did a really good job of making them seem like they're just another garden you can plant and anyone can do it.

Everett explained that the lights at Bluebird Park that the board talked about at the last meeting have been switched off. They will not come on until or unless Everett hears otherwise. Zdon asked if the plan is still to move them to the pleasure rink. Everett said she's not sure how that will turn out. When it first came up, they were told that it might be more expensive to just put up new ones than to move those ones. It will depend on cost.

Everett stated that Curious Creatures will be hosted May 8th. A daycare provider is going to bring some kids and hopefully we get some more too. The provider also forwarded the information for the County licensing person so Everett sent the program information there as well.

Everett also expanded on the Isanti County Public Health program that Mayor Wimmer mentioned earlier. They are hoping to get five families to mentor throughout the summer. They're going to split the space that the school had last year. They will mentor those families in how to garden and use those foods. The other half of that space then will be used by the School For All Seasons again. We will be putting up another raised bed. We have 4 reserved and only 3 up right now. We'll probably take down the tables that are out there because they keep collapsing. If no one reserves them, we don't want to keep fixing them. Witte asked for clarification on what was being taken down. Everett said it was the elevated beds. Public Works can rebuild them, but we don't have any reserved right now. Johnson asked what's available. Everett said that we have six raised beds total that we can put up. She said that if they don't all get reserved, we may also put one in the Public Health section so they can use it if they have someone who needs it. Everett said there are also 4 regular plots available.

6. Adjournment

Motion by Johnson, second by Witte to adjourn the April 24, 2018 meeting of the Parks, Recreation, and Culture Board. Motion was approved.

The meeting adjourned at 7:16 p.m.

Dated at Isanti, Minnesota this 24th day of April, 2018.

Respectfully submitted,

Katie Everett

Katie Everett
Community Events and Parks Coordinator

RESOLUTION 2018-XXX

RESOLUTION APPROVING AMENDMENT TO THE 2018 BUDGET

WHEREAS, on December 5, 2017 the City Council approved the City of Isanti 2018 Budget; and,

WHEREAS, the 2018 budget included $20,000 in account 101-45300-500 for the purchase of two (2) Kubota mowers; and,

WHEREAS, the Isanti City Council approved the purchase of two (2) Kubota mowers by Resolution 2018-120; and,

WHEREAS, the Finance Committee is recommending the 2018 budget be amended to reflect a net purchase price of $12,800 by reducing the budget in 101-45300-500 by $7,200.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to amend the 2018 budget by reducing budgeted expenditures in account 101-45300-500 by $7,200.

This Resolution is hereby approved by the Isanti City Council this 5th day of June, 2018.

Attest:

Mayor George A. Wimmer

Katie Brooks
Human Resources/City Clerk

RESOLUTION 2018-XXX

RESOLUTION APPROVING THE PURCHASE OF EMPLOYEE REPLACEMENT COMPUTER

WHEREAS, staff have reviewed 2018 computer replacement needs for the City; and,

WHEREAS, it has been determined that the computer for the Receptionist needs to be replaced; and,

WHEREAS, two (2) quoted were received for the computer replacement; and,

WHEREAS, the Finance Committee has reviewed the quotes and recommends approval of the attached quote from CDWG for the employee computer replacement purchase.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to hereby approve:

1. The attached quote form CDWG in the amount of $1,062.92 for the employee computer/software replacement purchase.

2. Any labor costs needed to install the new computers for employees.

This Resolution is hereby approved by the Isanti City Council this 5th day of June, 2018.

Attest:

Mayor George A. Wimmer

Katie Brooks
Human Resources/City Clerk

Request for City Council Action
MEMO

To: **Mayor Wimmer and Members of City Council**

From: Katie Everett, Parks, Recreation, and Culture Manager

Date: June 5, 2018

Subject: Resolution Approving Water Bottle Filling Station Installation and Funding

---

Background:

At the 2018 Goal Setting meeting, the City Council identified the addition of water bottle filling stations to City facilities as a priority. At its May 3, 2018 meeting, the Finance Committee discussed the this project. The committee recommended moving ahead with the City's contracted plumber, Wise Guys Plumbing, Inc. for the project. Additionally, the committee directed staff to finalize quotes for installation of the units at City Hall, Isanti Community Center, Isanti Police Department, and one replacement of one of the two existing units at Isanti Indoor Arena. The estimate is attached for Council Review.

While this project is unbudgeted in 2018, the Finance Committee recommended the Isanti Indoor Arena Special Revenue Fund (226) for the IIA unit and the Water Fund (601) for all other facility units. The total cost to have all of the units installed has been estimated at $7,666.87 including parts and labor. With a 10% contingency, the project will not exceed $8,433.56.

Attachments:

- Wise Guys Plumbing, Inc. Estimate
- Resolution 2018-XXX

RESOLUTION NO. 2018-XXX

RESOLUTION APPROVING WATER BOTTLE FILLING STATION INSTALLATION AND FUNDING

WHEREAS, at its 2018 Goal Setting session, the Isanti City Council identified the replacement of standard drinking fountains with water bottle filling stations as priority for the City, and,

WHEREAS, the Finance Committee has reviewed the project and recommends moving forward with the City's contracted plumbing services provide, Wise Guys Plumbing, Inc.; and,

WHEREAS, the Finance Committee identified the Isanti Indoor Arena Special Revenue Fund (226) and the Water Fund (601) as the funding sources for these unbudgeted expenses; and,

WHERAS, the project, including labor and 10% contingency, will not exceed a total of $8,433.56 with the following allocations:

- Isanti Indoor Arena unit: $1,491.25, plus labor (226-45200-500)
- City Hall, Isanti Police Department, Isanti Community Center: $2,625.62 plus labor, (601-49400-500)

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to approve installation of water bottle filling stations at City facilities and to fund the unbudgeted expenses, not to exceed $8,433.56 from the IIA Special Revenue Fund (226) and the Water Fund (601) and amend the Water Fund budget based on final costs.

This resolution was duly adopted by the Isanti City Council this 5th day of June, 2018.

Request for City Council Action

To: **Mayor Wimmer and City Council Members**

From: Chief Gene C. Hill

Date: May 30, 2018

Subject: Reserve Officer Anissa Bekka Resignation

MEMO

Background:

I received a resignation letter from Reserve Officer Anissa Bekka. Ms. Bekka is relocating her family to Oklahoma. Her resignation letter is attached.

Action:

I ask that the City Council take action on accepting the resignation of Reserve Officer Anissa Bekka who is resigning in good standing and to authorize the Chief of Police to fill the vacancy.

Thank you for your consideration,

Chief Gene C. Hill

RESOLUTION 2018-XXX

RESOLUTION ACCEPTING RESERVE OFFICER ANISSA BEKKA LETTER OF RESIGNATION

WHEREAS, Reserve Officer Anissa Bekka has submitted a letter of resignation to the City of Isanti and received by the Chief of Police Gene C. Hill on May 29, 2018; and,

WHEREAS, the effective date of this resignation is Tuesday, May 17, 2018; and,

WHEREAS, Ms. Bekka has left the Isanti Police Reserve unit in good standing; and,

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota as follows:

1. That the resignation of Reserve Officer Anissa Bekka is hereby accepted effective May 17, 2018.

2. That the Chief of Police is authorized to fill the vacancy.

This Resolution is hereby approved by the Isanti City Council this 5th day of June, 2018.

RESOLUTION 2018-XXX

A RESOLUTION APPROVING OFFICER ADAM GAU TO ATTEND NASRO CONFERENCE

WHEREAS, Police Officer Adam Gau, who serves as the City's School Resource Officer, has requested to attend the National Association of School Resource Officers Annual (NASRO) Conference. Officer Gau is currently serving his second term as President of the MNJOA (Minnesota Juvenile Officers Associations); and,

WHEREAS, the out of state training will take place in Reno NV June 24-29, 2018. This conference is not budgeted training; and,

WHEREAS, MNJOA has offered to pay for the registration fee and the hotel costs for Officer Gau. Officer Gau will pay for his own flight and any other expenses; and,

WHEREAS, Officer Gau requests that the City of Isanti pay his normal 40 hours a week compensation for the time period that he is attending the conference; and,

WHEREAS, the Personnel Committee has reviewed the request on May 17, 2018 and recommends its approval:

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, to approve attendance at the NASRO Conference by Officer Gau.

BE IT FURTHER RESOLVED that Officer Gau receive his regular wages during attendance at the Conference, and that said compensation will be the only cost to the City.

This Resolution is hereby approved by the Isanti City Council this 5th day of June, 2018.

RESOLUTION 2018-XXX

RESOLUTION AUTHORIZING OFFICER DANIEL VANDENHEUVEL TO CARRY OVER EXCESS VACATION HOURS

WHEREAS, the City has a vacation use policy where employees must use their vacation, as provided, and on the employee's anniversary date employees are allowed to only carry over a maximum of their annual accrual rate plus forty-eight hours - all other hours in excess of the allowed amount is forfeited by the employee - unless City Council approval is obtained to carry over the excess amount; and,

WHEREAS, On July 1, 2018 Officer Vandenheuvel will hit his anniversary date and will lose many hours of vacation since he was unable to take vacation before his anniversary date; and,

WHEREAS, the Personnel Committee has recommended on May 17, 2018 to allow Officer Daniel Vandenheuvel to carry over his vacation for an additional 6 months effective July 1, 2018 and is expected to use his vacation hours by December 31, 2018 without loss of hours; and,

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota as follows:

1. Officer Dan Vandenheuvel shall be allowed to carry over his excess vacation hours an additional six months with a use deadline of 12-31-2018.

This Resolution is hereby approved by the Isanti City Council this 5th day of June, 2018.

CITY OF ISANTI
PLANNING COMMISSION
MAY 15, 2018

1. Meeting Opening.

A. Call to Order.

Chairman Wimmer called the meeting to order at 7:10 p.m.

B. Pledge of Allegiance.

The Pledge of Allegiance was recited.

C. Roll Call.

Members Present: George Wimmer, Steve Lundeen, Dan Collison, Ross Lorinser, Paul Bergley.

Members Absent: None.

Staff Present: Ryan Kernosky, Community Development Director.

1D. Agenda Modifications.

Director Kernosky stated that there were no Agenda Modifications.

2. Approval of the Minutes from the March 20, 2018 Planning Commission

Motion by Lundeen, seconded by Bergley to approve the minutes from the April 17, 2018 Planning Commission, approved unanimously.

3. Public Hearings

There were no public hearings.

4. Discussion Items

Mayor Wimmer stated that there are two openings on the Planning Commission due to two citizen resignations, Mayor Wimmer stated that there are several people who are interested in the positions, and that new City residents have expressed interest in joining the Commission.

A. Isanti 2030 Comprehensive Plan Timeline

Director Kernosky stated that it is time to begin working on our Comprehensive Plan Update. Kernosky provided a brief overview of what a Comprehensive Plan is, and stated that the City is intending to do the update in-house due to Administrator Lorsung moving into a special projects role, Director Kernosky will also assist in the update.

Mayor Wimmer stated that doing the update in house would be more efficient, and that we will go through the same process as before with public hearings, information gathering, and stakeholder input.

B. Community Development Director's Quarterly Update

Director Kernosky provided an overview of activities in the Community Development Department included in the report. He briefly touched on building inspections, vacant lots, and development activities.

Councilman Lundeen stated that MNSpect, the City's building official, is busy and in the community on a daily basis. He also stated that it's hard to find lots not owned by a developer for single-family home development.

Mayor Wimmer stated that there are projects on the horizon for more single-family subdivisions, and that those should be coming in for review soon.

Councilman Lorinser stated that, while our housing prices are higher for the area, we are still lower than those homes in the metro, and that he agreed with Councilman Lundeen in terms of the cost for lots and the developers who own the lots.

5. Adjournment

Motion by Lundeen, second by to Bergely to adjourn the May 15, 2018 meeting of the Planning Commission. Motion was unanimously approved.

The meeting adjourned at 7:21 p.m.

Dated at Isanti, Minnesota this 17th day of May, 2018.

Respectfully submitted,

Ryan Kernosky
Community Development Director

CITY OF ISANTI
PARKS, RECREATION, AND CULTURE BOARD
MEETING MINUTES
May 22, 2018
City Council Chambers

1. Meeting Opening.

A. Call to Order.
Zdon called the meeting to order at 6:00 p.m.

B. Pledge of Allegiance.
Everyone stood for the Pledge of Allegiance.

C. Roll Call.

Members Present:	Jennifer Garvey, Jeff Johnson, James Witte, and Aaron Zdon
Members Absent:	Mayor Wimmer
Staff Present:	Katie Everett, Parks, Recreation, and Culture Manager

D. Agenda Modifications.
Zdon asked if there were any agenda modifications; there were none. Motion by Johnson, second by Garvey to approve the agenda for the May 22, 2018 Parks, Recreation, and Culture Board Meeting.

2. Approval of Minutes from April 24, 2018 Parks, Recreation, and Culture Board Meeting

Motion by Witte; second by Garvey. Minutes were unanimously approved.

3. City of Isanti Bicycle and Pedestrian Planning

Ryan Kernosky (Community Development Director) explained that the City is beginning to look at the 2030 Comprehensive Plan update, and typically transportation is a big part of it. It is really important within that section of the Comp Plan that we consider non-motorized based transportation. As a 30,000 feet view of the plan coming forward, among other things, he has identified a need for a Bicycle and Pedestrian Plan; and that is also piggybacking from department staff and Development and Operations Committee interest to pursue Bike Friendly status. In order to obtain that, it's really important to have a Bike and Pedestrian Plan. As a result, we'll use this Board as a sounding board for the plan update. Kernosky explained that there are two maps included in the agenda packet; one is the existing facility map which includes sidewalks and shared use paths, and the other is titled Future Bike Routes. He asked the Board members to look at the maps for any holes in access to sidewalks or multi-modal paths and consider future routes that take into consideration the City's assets which include our parks, concentration of employment centers like the industrial park, and other well developed neighborhoods. Kernosky asked the members to bring their ideas back, and explained that it will be a multi-month project. Everett asked if Kernosky thought it would be helpful to have their ideas in advance of the next meeting to be included in the June packet. Kernosky explained that he planned to take the information the members give and put it into the mapping system to create a map that reflects what they have identified, and will allow staff to also provide input. Everett explained that if the members provide their information early the week of June 11, there should be enough time to get it included in the packet. Kernosky explained that beyond future bike routes, the plan will include some best practices in bike planning, in infrastructure design and implementation. We'll set out some goals, which might include when the City does street upgrades in areas we identify, that we go after installing sidewalk. As a result of that, we have to pay for it somehow, like we did on Palomino, whether it's assessing property owners or tapping into transportation alternative grants as a possibility. Having this document adopted by the City Council, hopefully this Fall, will justify getting those finances for Federal and State grants. Witte asked if the members could be sent a color copy because it's hard to identify differences for the future map. Kernosky said that he include an aerial photo

with the map, we just don't have a color printer for 11x17, so we can email it out. Zdon explained that the Board had talked in prior years about where we're missing sidewalks, and they've slowly started to fill in. Everett asked Kernosky if there is a requirement for developers to include some sort of trail in new development. Kernosky stated that we do require sidewalk installation, but trail development is not required in ordinance. The west and south end of all roads have to have sidewalks built to standards. Johnson asked if there is anything along the river; Kernosky said there isn't and there is a number of reasons for that. Mainly because the DNR doesn't let us do a lot for trail development in that area. There is a scenic easement that was put in place in the early 90s. When we put in the path down at River Bluff Preserve, the DNR pushed back quite a bit with what we could and could not do with that path. Everett explained that a lot of the Rum River is privately owned as well. There is not a lot of public land along any of the Rum River, so any time you try to do anything along the Rum it is a fight all the way. Zdon asked if we need any motions; Everett stated we do not.

4. Fir Street Parcel Discussion

Everett explained that these parcels are in the southwest corner of the City off of Whiskey. There are two parcels that the City has through Tax Forfeiture. Everett believed that the developer gave us those lots rather than giving us money for the Park Dedication Fund, or something to that effect. The City was able to hold those lots by an application that said we were going to "create a neighborhood park of open space and/or recreational amenities which may include a basketball court, tennis court, or volleyball court." That application was 2015 and it indicated that we intended to something with it in 3 years. Everett explained that nothing will happen in 2018, but she looked back at the minutes and it sounds like Park Board had heard about this and the minutes were left at "in 2016 we need to have a discussion" and it hasn't happened. As a Park Board, we now know that these lots exist and we need to have some sort of discussion about what kinds of things to put there, then Everett can do some research to see what's feasible and that kind of thing. She explained that it's not a ton of space; it's two residential lots. For a frame of reference, playground area at Rum River Meadows is about two residential lots. Johnson thought it would be big enough for a basketball court; he has friends who live in that neighborhood and they're begging for some park and rec thing to go in those lots. Everett added that a playground there will not happen; with the playground infrastructure we have to support right now that just doesn't make sense. Zdon added that Rum River Meadows is across Whiskey, but it's close. Everett agreed and added that it might not be an easy walk for some to cross there. The board members agreed that a playground is not a good option here. Witte added that he does not think a volleyball court is a good option either, just based on the usage of the one at Rum River Meadows. Johnson added that we have the tennis court right at Mattson; Everett added we have one at Academy now too. Johnson asked if we have a basketball court anywhere. Everett stated that we have one at Mattson and one at Bluebird, and Whisper Ridge. Garvey asked when the last time the City really built a park from scratch – at Legacy there was a certain thing we could do there, and the garden and things like that – but has there ever been a community survey asking what they wanted to see in their park. Everett thought that something like that may have happened with Bluebird; there was definitely community involvement with the skate park. She is not sure with the others. She would guess that they were just part of a development and a playground was put in. Zdon added that some were community builds, but not necessarily community input for what was put in. Everett added that there has been more community input with naming parks in the past. Zdon added that the Board had picked layouts and things in the past. Garvey said that this one will really be a neighborhood park, and wondered if the City can do a demographic of ages of residents to get a sense of the population surrounding the park. Everett explained that the City just sent out a survey to new residents up through April 2016; those surveys included things like: "Why did you move here?," "What direction do you go to go to work?," those kinds of things. She couldn't remember offhand if it had number of adults and children in the household included. They did one of those to a smaller sampling last year as well. We could maybe get a general idea. Everett explained that it's also super simple to pull all of the mailing information for people in that area and we can survey them directly as well, if that's something we want to do. Everett explained that what they're talking about is something a lot of cities do; they host some sort of public meeting too and send invites especially to those people to let them know we'll be

talking about those lots. Johnson said that is a great idea; he thinks we should send invites to those people and have them come to a meeting and we hear from them. Garvey stated that at the last city she worked with, they did that for about ten years. Everett added that with any of those meetings; if you get 20 people in the room, you get 20 answers. It may be helpful for the Board to come up with a few options and let them choose from those. Garvey agreed that it's best to put out some idea of what we can and cannot do. Everett explained this process is not a hurry, so it could even be like an October meeting. Zdon asked when it has to be budgeted for 2019. Everett explained that budgeting is starting now, and with what she has seen for the budget so far, she would guess that this will also not be a 2019 budget item, but depending on what it is maybe it could be. Zdon said it could maybe just be some simple green space and outdoor workout equipment, which he knows isn't super cheap, but it's simple. Maybe as a phase 1. Garvey said that it would be good to come back and revisit it in the fall with at least a recap and some kind of plan. Everett asked if there are options she should look into in the meantime; she'll look into a basketball court and exercise equipment. The Board can make their scope bigger and she can narrow it in. Garvey thought an overhang with picnic tables and some casual seating; Johnson added a grill or two. Everett explained that most of the neighborhood parks are playgrounds, so there isn't a whole lot of precedent for this situation to say what needs to happen in this situation. So we're at the point where it's good to be creative. Garvey said that it would be nice to also see pictures of what the lots look like, what the neighbors have surrounding it. Everett looked at a street view of the lots, and it looks like there are houses on either side and the two lots behind are vacant. Garvey asked if the houses that are there know that those lots are to be used by the City as a park. Everett said that she doesn't know who they are or what they know about them at this point. Everett said that there is a street light in the middle of the lots right now, but otherwise it's just open and we mow it for now. She stated that we should offer maybe three options. For the Board's timeline, if by July we have a discussion about options, that would give time for a public meeting in October.

5. Park Visit Summary

Everett reviewed the list that was compiled after the April park tours. She stated that some of the items have already been addressed by Public Works. She did look into adjusting the Mattson slide, and it won't be possible because of the way it was installed. She broke down the list into short-term and long-term projects. She reviewed the list with the Board. Everett asked if there were any other items that needed to be added to the list; the Board members did not have anything. Everett added that refurbishing Bluebird Park is being budgeted for 2019; that will include taking the playground apart, then they'll sandblast the metal posts and re-powder coat them, and put it back together. The plastic pieces kind of are what they are, you can't do a lot with them. A lot of those parts have broken and are newer anyway, so the plan for those is just to replace them as needed rather than replacing everything at once. We will also evaluate continuing that process with some other parks too; the Board mentioned that Riverside is pretty faded. Since of all of our parks are about the same age, we just can't do it all at once. Just repainting at Bluebird park is about $25,000. The dog park is also scheduled to be budgeted for 2019 as well.

6. Painting Plow Blades Update

Everett explained that at the last meeting, Mayor Wimmer explained that this project would be happening. She included pictures of the ones that had been started in the packet. There was also an article in the County Star with a big photo of the IMS/MNC project. The plan is to pick them up at the end of the year and cover them or store them inside so they don't fade over the summer and we'll display them at Celebrate Isanti. After that they'll be put back on the plows and Public Works will use them again. Probably, the paint will come off, and then Public Works will sand them down and we'll maybe do it again next year. Everett stated that the future of the program might include some sort of theme, or maybe judging and prizes and that sort of thing to be determined.

7. Parks Updates

Everett explained that the Farmer's Market starts this Friday, May 25. She believes there are five or six vendors for the first week and then they start rolling in from there as more produce and things become available. There is a decent number of new farms signed up this year, so we should have a good selection of produce available. There are also a number of vendors doing things like crafts and handmade things as well. A lot of people have been finding the market rather than us having to do so much searching, which is a really sign. Once people start seeing the market, we'll also get people who are interested in joining. We currently have 16 stall spaces, so in the middle weeks we have maybe one or two open right now. If we get more, without changing too much, we can probably get 18 in there. From that point, we'll probably have to do something different with how we set up; probably the easiest option will be to have the vendors park somewhere else and reconfigure how the booths are set up. The Liquor Store has also set up samplings for most Fridays during the season as well to take advantage of that. We'll also continue with kids' activities that help people stick around the market and encourage them to visit everyone. We are still looking for musicians; it would be really nice to have someone reliable. Witte asked if we're looking for anything in particular. Everett stated that we just need something that's general audience, family friendly, acoustic. It's pretty casual, and it will be more background music than a show. Some people might come and listen to a song or two. Garvey asked if Everett has advertised for this. She said that she has put it on her personal Facebook page and got some response, but can also put it out on the market page. She has also sent it to her contacts with the schools for music and theater groups too.
Everett stated that there is a Pollinator Workshop scheduled for June 9th at River Bluff. We'll do mason bee homes; you basically take bamboo shoots and bundle them together, then wild bees that are solitary will build little nests in the bamboo shoots.
Everett added that Passport to Parks is scheduled for this summer again. There will be a kick off event on June 21st as a start to the event. From that event through August 3rd, people will be able to fill out the passports and turn them in here to City Hall for a giveaway kind of prize, and then be entered into the Grand Prize. That will take place at the beginning of the Street Dance at Celebrate Isanti. Those will be available here at City Hall and for download from the website.
The street dances are off to a great start. The first one is June 23rd. Climb Theater is going to be a top level sponsor this year as well. It's really good to get local community support for those events. The first Street Dance is Maiden Dixie; we haven't had them for a Street Dance before, but they have done other local events and have a good following here. We do have a couple of new food trucks this year as well.
The Community Garden is up and running. Everett estimated that about half of the plots have already been planted. All of the ground plots are reserved. The tables are still available to be reserved until June 1st; Everett expects that we'll probably just take them down. Everett explained that she just heard earlier today that School For All Seasons will not be planting this year; they did not get the support from student families that they needed to volunteer in the summer. They're hoping that they can find some people for next year and get it going again. She is still thinking about options for what to do with that space. The Senior Diners really liked watermelon last year, so she may just plant a bunch of that. The Public Health contact has left her job there, but is continuing the program through Master Gardeners. They received a grant for that program, so the funding source and main person hasn't changed, it's just not officially a Public Health program. They sent a flyer for their program, and they're promoting it as a parent/child or grandparent/grandchild program to come out and learn on six or seven dates where they have classes over the summer.
Everett stated that on Friday last week, she received the registration link for the Celebrate Isanti 5K run/walk and bike ride. It is posted on the event calendar on the website and the Facebook event. The first 50 in the bike ride and the first 50 in the run/walk will get a free goodie bag. Anderson Race Management will time the race this year.
Everett added that the Mattson tennis courts are being resurfaced this week. They were hoping to have them finished this week, but it's looking like thunderstorms, so she'll keep the board posted if that changes. The courts will be blue and green when they're done.

6. Adjournment

Motion by Johnson, second by Witte to adjourn the May 22, 2018 meeting of the Parks, Recreation, and Culture Board. Motion was approved.

The meeting adjourned at 7:50 p.m.

Dated at Isanti, Minnesota this 22nd day of May, 2018.

Respectfully submitted,

Katie Everett
Parks, Recreation, and Culture Manager

CITY OF ISANTI
CITY COUNCIL MEETING
TUESDAY, JUNE 5, 2018 – 7:00 P.M.
CITY HALL

I. Citizens Input

None.

II. Agenda

Mayor Wimmer called the meeting to order at 7:00 p.m.

The Pledge of Allegiance was recited.

Members Present: Mayor George Wimmer, Council Members: Dan Collison, Steve Lundeen, and Ross Lorinser

Members Absent: Paul Bergley

Staff Present: City Administrator Don Lorsung, Human Resources / City Clerk Katie Brooks, City Attorney Clark Joslin, Police Chief Gene Hill, Economic Development Director Sean Sullivan, and Assistant City Engineer Jason Cook

Others Present: Isanti County Commissioner Mike Warring, Jeff Johnson, Carla Golden, Joey LeMay, Ron Gamble, Melissa Bettendorf, Rod Barrows, Jeff Holmgren, Angela Kersting

D. Adopt Agenda

Administrator Lorsung explained the agenda was amended by adding Items J. 6 – Resolution Approving Agreement Between the City of Isanti and Minnco Credit Union

Motion by Collison, second by Lundeen to approve the agenda with modifications listed above. Motion carried.

E. Proclamations/Commendations/Certificate Awards

1. Proclamation – Mayor's Employer Celebration Day – June 19, 2018

Mayor Wimmer read the proclamation and further expressed his appreciation for the businesses and employees in the City of Isanti. He encouraged the business owners and employees to attend the 11th Annual Mayor's Employer Celebration day on June 19, 2018.

F. Approve City Council Minutes

1. May 15, 2018 – Regular Meeting of the City Council

Motion by Lundeen, second by Lorinser to approve minutes as presented. Motion carried.

G. Announcements

1. City Council Meeting	Tuesday, June 19, 2018 at 7:00 p.m.
2. Planning Commission Meeting	Tuesday, June 19, 2018 at 7:00 p.m. *(Immediately following City Council Meeting)*
3. Park, Recreation, and Culture Board Meeting	Tuesday, June 26, 2018 at 6:00 p.m.

H. Council Committee Reports

Mayor Wimmer shared that the trees near the Best Western project along the Northern side of Main Street would be removed due to destruction from the cutting by the power company. There are plans to plant new trees that will better highlight the area.

I. Public Hearings

None.

J. Business Items

1. **Resolution 2018-130** Approving a Special Event Permit Application for BMC British Auto Car Show

Economic Development Director Sean Sullivan explained that BMC was a business in Isanti that had a smaller event last year. This year they went through the process of contacting surrounding business to expand it. Mayor Wimmer added that it was a great business and the event included a lot of really neat vehicles.

Motion by Lundeen, second by Collison to approve the request. Motion carried.

2. **Resolution 2018-131** Amending Resolution 2017-237 Approving a Special Event Permit Application for the 2018 Isanti Firefighters PRCA Rodeo

The change in the Permit is to return to the parking plan that was used in previous years due to the overflow parking situation experienced last year.

Motion by Lundeen, second by Collison to approve the request. Motion carried.

3. **Resolution 2018-132** Approving a Special Event Permit Application for 2018 Jubilee Days

Melissa Bettendorf, Executive Director of the North 65 Chamber of Commerce, was in attendance and thanked all the participating business, organizations, and volunteers that make this festival happen and she also spoke about Jubilee Days activities. There will be a minor change this year with the parade route due to construction; the end of the parade route will continue straight down Main Street rather than turning on Broadway. Ms. Bettendorf also mentioned that there will be a co-chair coordinator for the parade this year.

Motion by Lundeen, second by Collison to approve the request. Motion carried.

4. Interview Applicant for the Vacant Term Seat for Planning Commission (*Mayor Wimmer*)

Applicant Joey LeMay was interviewed for the open Planning Commission seat. Mr. LeMay was asked questions specific to the Planning Commission.

   a. **Resolution 2018-133** Designating Committees and Representatives for City Commissions and Advisory Boards for 2018

Motion by Lorinser, second by Collison to approve and appoint the applicant to the seat. Motion carried.

<u>City Administrator Don Lorsung</u>

5. Expansion of Police Reserve Officer Duties
   a. **Ordinance No. 689** Amending the Code for the City of Isanti, Chapter 47, Police Reserves
   b. **Ordinance No. 690** Amending the Code for the City of Isanti, Chapter 65, Administrative Penalties
   c. **Ordinance No. 691** Amending the Code for the City of Isanti Chapter 160, Fees
   d. **Resolution 2018-134** Adopting Fees Within the City of Isanti

Motion by Lorinser, second by Collison to approve the request. Motion carried.

6. **Resolution 2018-135** Approving Agreement Between the City of Isanti and Minnco Credit Union

Economic Development Director Sean Sullivan explained last year the City adopted a Redevelopment Plan along Hwy 65 and Main Street and was directed to work with Minnco Credit Union to work on securing easements in order to extend 5th Avenue.

Motion by Lorinser, second by Collison to approve the request. Motion carried.

7. **Resolution 2018-136** Ordering the 2018 Street and Utility Improvement Project and Preparation of Plans

Motion by Lorinser, second by Collison to approve the request. Motion carried.

Assistant City Engineer- Jason Cook

8. **Resolution 2018-137** Awarding the Bid for the 2018 Pavement Management Project

Assistant City Engineer Jason Cook explained this item was for the annual Pavement Management Program to continue on track. The item is for seal-coating in the Northwest region of the City and some curb repair and patching that has come up through the winter and spring. Two bids were received with approval recommended of the low-bid by Allied Blacktop.

Motion by Lorinser, second by Collison to approve the request. Motion carried.

K. Approve Consent Agenda

1. Consider Accounts Payable in the Amount of $1,159,202.04 and Payroll in the amount of $185,170.64
2. Final Meeting Minutes for the April 17, 2018 Planning Commission Meeting
3. Final Minutes of the April 24, 2018 Park, Recreation and Culture Board Meeting
4. **Resolution 2018-138** Approving Amendment to the 2018 Budget
5. **Resolution 2018-139** Approving the Purchase of Employee Replacement Computer
6. **Resolution 2018-140** Approving Water Bottle Filling Station Installation and Funding
7. **Resolution 2018-141** Accepting PD Reserve Officer Anissa Bekka's Resignation
8. **Resolution 2018-142** Approving Officer Adam Gau to Attend NASRO Conference
9. **Resolution 2018-143** Officer Daniel Vandenheuvel to Carry Over Excess Vacation Hours
10. **Resolution 2018-144** Offering the Position of Part-time Liquor Store Clerk to Ryan Vander Venter
11. **Resolution 2018-145** Offering the Position of Economic Development/Marketing Intern to Benjamin Hylen
12. **Resolution 2018-146** Offering the Position of Maintenance Tech I to Jordan Rapp

Motion by Collison, second by Lorinser to approve the Amended Consent Agenda. Motion carried.

L. Other Communications

1. Draft Minutes of the May 15, 2018 Planning Commission Meeting
2. Draft Minutes of the May 22, 2018 Meeting of the Park, Recreation and Culture Board

Adjournment

Motion to adjourn by Lundeen, second by Lorinser. Motion carried. The meeting was adjourned at 7:18 p.m.

Isanti

MEMORANDUM

TO: Mayor Wimmer & the Isanti City Council

FROM: Ryan Kernosky, Community Development Director

DATE: June 19, 2018

SUBJECT: **PLUMBING PLAN REVIEW ORDINANCE**

Background
MNSpect has asked if the City was interested in becoming a delegated community for plumbing plan review. By becoming a delegated community, MNSpect is able to perform commercial and industrial plumbing plans by their master plumber instead of sending those plans to the State of Minnesota for review. As a result, plumbing plan review will take much less time and be a priority versus sending the plans to the State, which can have a several week backlog, resulting in delayed issuance of permits.

In the event the City no longer uses MNSpect as our building official, MNSpect would notify the State, and we may lose our delegated community status.

Staff Request
I'm recommending approval of the attached ordinance. DOAC has reviewed the ordinance and is also recommending approval.

Attachments
Ordinance No. XXX

ORDINANCE NO. xxx

AN ORDINANCE TO AMEND THE CODE FOR THE CITY OF ISANTI, CHAPTER 111, BUILDING CONSTRUCTION PERTAINING TO PLUMBING PLAN REVIEW AND INSPECTIONS

THE CITY COUNCIL OF THE CITY OF ISANTI DOES ORDAIN:

Chapter 111, Paragraph 111-6. Application, administration and enforcement, is hereby deleted and amended to read and include the following:

111-6 Application, administration, and enforcement.

A. The application, administration, and enforcement of this code shall be in accordance with Minnesota State Building Code. The code shall be enforced within the extraterritorial limits of the City of Isanti, and within the extraterritorial limits permitted by Minnesota Statutes 326B.121, **Subd. 2(d), as amended from time to time**. **The code enforcement agency of this municipality is called the Department of Building Safety. This code shall be enforced by a Minnesota Certified Building Official designated by this city to administer the code pursuant to Minnesota Statutes 326B.133, including plumbing plan review and inspections.** The Minnesota State Building Code shall govern permit applications except that in addition each application shall describe the land by certified survey on which the proposed work is to be done by lot, block, tract and house and street address or similar description that will readily identify and definitely locate the proposed building or work. **Prior to installation of a system of plumbing other than for a single-family dwelling with independent plumbing service, complete plumbing plans and specifications, together with any additional information that the Building Official may require, shall be submitted in duplicate and approved by the Building Official. No construction shall proceed except in accordance with the approved plans. Any alteration or extension of any existing plumbing system shall be subject to these same requirements. A plumbing system installation, as described herein. shall be subject to inspection as required by the State Plumbing Code. Fees for Plumbing Plan Review shall be as specified for plan review in City Code**.

EFFECTIVE DATE
This Ordinance takes effect upon its passage and publication in the official newspaper of the City of Isanti.

Adopted by the City Council this 19th day of June, 2018.

Mayor George A. Wimmer

MEMO

To: Mayor Wimmer and City Council

From: Don Lorsung, City Administrator
Mike Betker, Finance Director

Date: June 13, 2018

Subject: City Hall Computer Server Options

Our Computer Technician, Jim Kritta, has prepared server options and a new data back-up options for City Hall. These options were reviewed by the Finance Committee. The options included are outlined below:

Server Options

One option would be to enhance the existing business server's memory and have it also operate as a virtual server for City files that were held on the former second server. Another option would be to replace the former second server. In both cases, the City will also need to upgrade the Windows software for the system. Costs are as follows:

New Dell Server	$ 11,929.00
Upgrade Existing Server	$ 1,096.00
New Windows Software	$ 2,378.00

Back-up Options

Rather than relying on the existing Datto Alto system, which in event of a server shutdown takes hours of time to recover files, Jim is recommending that we consider upgrading and installing Datto Siris 3 hardware, which would have 2 terabytes of memory. We would have the option of 1 year of retention or infinite retention. Costs are as follows:

Datto Siris 3 (hardware)	$ 1,545.00

Retention Service (1 year of Data) $ 419.00 monthly

Retention Service (Infinite Data) $ 459.00 monthly

If we did not want to upgrade this system restoration function, we need to upgrade the Alto 2 with a newer Alto 3 (with a 3 year warranty). Jim could get this hardware at no cost, and the existing cost of $199.00/month would go to $258.00/month.

Status Quo Retention Service $ 258.00 monthly

Finance Committee Recommendation

The Finance Committee is recommending upgrading the current server, installing new software on the existing server and implementing the Datto Siris 3 data retention system.

Hardware Related Upgrades:		
Upgrade Existing Server	1,096.00	
Windows Server/User License	2,378.00	
Datto Siris Hardware	1,545.00	
Total One-Time costs of recommended option:	**$5,019.00**	
Data Retention/Backup Upgrade:		
Annual Datto Siris 3 cost (1 year retention on data)	5,028.00	Unbudgeted
Annual Alto 2 cost (Current Backup System)	(2,388.00)	Budgeted
Net New Cost For Upgraded Backup Service	**$2,640.00**	

Funding is not budgeted and would come from the following sources:

Going forward the net new cost of $2,640 ($220/month) for upgraded backup service will be rolled into the monthly billing from Jim Kritta for IT services. This cost would be allocated across all funds on a monthly basis, as is currently done for backup services and other IT support services.

The remaining unbudgeted costs of $5,019.00 for hardware related upgrades would be absorbed by the Technology Fund (614) with a current cash balance of $6,274 This expenditure would not compromise planned computer replacements in 2019.

RESOLUTION 2018-XXX

RESOLUTION APPROVING THE PURCHASE OF SERVER AND DATA RETENTION UPGRADES

WHEREAS, in light of recent computer server issues, staff have reviewed server and data retention upgrades for the City; and,

WHEREAS, it has been determined that the server needs to be upgraded and new more efficient data retention hardware and software needs to be implemented; and,

WHEREAS, the Finance Committee has reviewed the options and costs, and recommends approval of purchase of the following upgrades:

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, to hereby approve:

1. The attached quotes from White Bear IT Solutions for server and data retention hardware and software upgrades in the amount of $5,019.00. Approval of monthly data retention services in the amount of $419.00 per month.

2. Costs for system upgrades shall come out of the Technology Fund (614), and annual data retention services costs to be allocated in a manner consistent with current budgeted cost allocation methods.

This Resolution is hereby approved by the Isanti City Council this 19th day of June, 2018.

Request for City Council Action

To: Mayor Wimmer
Members of the City Council
From: Josi Wood
Public Services Director/ Assist. City Admin.
Date: June 19, 2018
Subject: Consider Resolution Authorizing Engineering Services and Bids for Clarifier Rehabilitation Project

---

Background

To maintain the integrity of the two clarifiers used at the wastewater plant for treatment processes, there was $100,000.00 budgeted in 2018 to sandblast, paint, spot weld repair and perform other misc. repairs. The repairs needed is due to regular wear and tear of usage since installed in 1997 and due to the corrosive environment, that causes rusting and erosion of the metal. There were two bids received which are summarized in the engineers attached memo. The total cost for the project using Champion Coatings, Engineering Services, and including a 5% contingency is $122,018.75.

The remaining funds necessary for the project, in the amount of $22,018.75, is unbudgeted. The funding source identified is an increase to Sewer – 500 from the Fund Balance.

Request

Staff is requesting action0 on this item.

RESOLUTION NO. 2018-XXX

A RESOLUTION AUTHORIZING SERVICES FOR CLARIFIER REHABILITATION WORK

WHEREAS, the Waste Water treatment facility clarifiers are in need of repairs which were included in the 2018 budget at $100,000.00; and,

WHEREAS, quotes were solicited and two were received by Champion Coatings, Inc. and R & H Painting, LLC.; and,

WHEREAS, Champion Coatings, Inc. was the lowest bidder in the amount of $93,875.00; and,

WHEREAS, Engineering Services by Bolton and Menk, Inc. to facilitate and inspect the project and work is, not to exceed, $13,650.00; and,

WHEREAS, the Finance Committee recommends approval of services by Champion Coatings, Inc. and Engineering by Bolton and Menk, Inc. per this Resolution; and,

WHEREAS, the total project costs, including 5% contingency and Engineering to develop scope of the project is, $122,018.75; and,

WHEREAS, the funding will be provided by budget amendment, increasing budgeted expenditures Sewer, Capital Outlay (expense code 500);

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to hereby accept the bid by Champion Coatings, Inc. and Engineering services by Bolton and Menk, Inc. for clarifier rehabilitation work in the amount, not to exceed, $122,018.75.

This Resolution was duly adopted by the Isanti City Council this 19th day of June, 2018.

MEMORANDUM

Date: May 25, 2018

To: Honorable Mayor Wimmer and Members of the City Council

From: Bradley C. DeWolf, P.E.
City Engineer

Jason W. Cook, P.E.
Assistant City Engineer

Subject: Proposal Award Recommendation

WWTF Final Clarifier Rehabilitation
City of Isanti, MN
BMI Project No.: R21.115875

Proposals for the WWTF Final Clarifier Rehabilitation were solicited from four painting contractors with two contractors submitting proposals. The proposals were checked and the final results are summarized as follows:

Contractor	Proposal
Champion Coatings, Inc.	$93,875.00
R&H Painting, LLC.	$123,019.00
United Painting and Sandblasting	No Proposal Received
Elevation Coating	No Proposal Received

Champion Coatings, Inc. is experienced in the type of work required for this project and was the painting subcontractor on the recent pretreatment facility construction project at the WWTF. We recommend that Champion Coatings, Inc. be awarded the project in the amount of $93,875.00.

To facilitate completion of the work we will provide project management services along with inspections of the structural repairs and coating applications for the clarifiers. We will provide these services for an hourly not-to-exceed fee of $13,650.

Bolton & Menk is an equal opportunity employer.

City of Isanti
Economic Development Authority
Regular Meeting Minutes of
May 1, 2018
Isanti City Hall

1. Call To Order

The meeting was called to order by President George Wimmer at 7:11 p.m.

a. Pledge of Allegiance

b. Roll Call

Members Present:	Tara Hallberg, Steve Lundeen, Ross Lorinser, Dan Collison, Paul Bergley, Jill Reller and George Wimmer
Members Absent:	None
Staff Present:	Economic Development Director Sean Sullivan

c. Agenda Modifications

2. Approval of Agenda

Motion by Commissioner Lundeen, seconded by Comissioner Bergley to approve agenda as presented. Motion carried unanimously.

3. Approve Minutes of April 3, 2018 Regular Economic Development Meeting

Motion by Commissioner Collison seconded by Commissioner Hallberg to approve the minutes for April 3, 2018. Motion carried unanimously.

4. Consider Authorization for Advertising for Quotes for Lease of EDA/City Owned Crop Land

Motion by Commissioner Collison seconded by Commissioner Bergley to authorize Staff to advertise for quotes for lease of city owned crop land. Motion carried unanimously.

5. Other Business / Updates

Economic Development Director Sullivan highlighted the Staff Memo. Sullivan updated the information on housing starts to 26 new permits pulled with 11 in process.

President Wimmer indicated there was a piece of legislation in house Omnibus bill that would impact EDA's and the ability to lease back facilities to cities. He also stated that class 1 cities were exempt.

Economic Development Director Sullivan indicated there were bills in the house and Senate that impacted MIF and JCF. He indicated that EDAM was lobbying against them and that the City had contacted local legislators and expressed strong opposition to bills that would negatively impact programs.

President Wimmer stated the City has used MIF and it was an important economic development tool. He also stated that BMX complimented the City on the provision of promotional bags.

Commissioner Bergley asked for an update on the hotel project.

President Wimmer stated the project was moving forward. The City has been ready to close for 6 months.

Economic Development Director Sullivan stated that the financing is being reviewed by the financial institution and that he was confident that the project was moving forward. Sullivan indicated that there was a possibility the project could have broken ground last fall and began construction during the winter in hopes of favorable costs. The developer indicated there was no cost savings, as hoped, and decided to have the project rebid for the typical spring/summer construction season. The rebidding process and submittal of revised construction plans delayed the final approval process from the financial institution.

Request for City Council Action

To: Mayor Wimmer
Members of the City Council
From: Josi Wood
Public Services Director/ Assist. City Admin.
Date: June 19, 2018
Subject: Consider Resolution Authorizing Payment for Filter Backwash Pump Repair

---

Background
Staff was aware that both filter backwash turbine pumps were not operating effectively due to the turbines being worn out. Staff included an estimate, $10,000.00 to rebuild one of the pumps in 2018 and had planned to rebuild the second one in 2019. Due to the second pump failing, staff requested to rebuild both pumps at this time. After discussing the pumps with 4 vendors, there is only one vendor, WWGoetsch, willing to give an estimate due to them being the representative of the Fairbanks Morse brand of pump. The cost to rebuild both pumps from WWGoetsch was $20,594.69.

The remaining funds necessary for the project, in the amount of $10,594.69, is unbudgeted. The funding source identified is an increase to Sewer, Capital Outlay – 500 from the Fund Balance.

Finance Committee Request
The Finance Committee reviewed the quote and work to be done. They recommended to move forward with the repair of both backwash filter pumps.

Request
Staff is requesting action on this item.

- Resolution 2018-XXX
- WWGoetsch Invoice

RESOLUTION NO. 2018-

A RESOLUTION AUTHORIZING PAYMENT FOR FILTER BACKWASH PUMP REPAIR

WHEREAS, the rebuild of one backwash filter pump was included in the 2018 budget due to lack in performance in the amount of 10,000.00; and,

WHEREAS, it was determined that the second backwash filter pump also needed to be rebuilt due to failure upon starting the beginning of the year; and,

WHEREAS, staff solicited contractors for quotes and obtained one quote from WWGoetsch; and,

WHEREAS, the Finance Committee reviewed the work to be done and recommends to move forward with the repair from WWGoetsch for both pumps as outlined per this Resolution; and,

WHEREAS, the funding will be provided by budget amendment, increasing budgeted expenditures Sewer, Capital Outlay (expense code 500);

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to accept the invoice from WWGoetsch for repair of the two backwash filter wastewater pumps in the amount, not to exceed, $20,594.69.

This Resolution was duly adopted by the Isanti City Council the 19th day of June, 2018.

Subject: Consider Resolution Authorizing Staff to Move Handicap Parking and Install an Accessibility Aisle at City Hall

---

Background

Staff recently met with Ms. Julie Jelen from the League of MN Cities to discuss ADA compliance within the City. After discussing with staff and visiting some facilities, Ms. Jelen recommended on behalf of the League that the City should consider implementing a loading aisle by the handicap parking stalls at City Hall.

DOAC Recommendation

The DOAC Committee reviewed this item and recommends having Public Works move both handicap stalls to the West side of the island, maintain current handicap stall spacing and install a loading aisle between the two handicap stalls.

Request

Staff is requesting action on this item

Attachment

- Resolution 2018-XXX

RESOLUTION NO. 2018-XXX

A RESOLUTION AUTHORIZING STAFF TO MOVE HANDICAP PARKING AND INSTALL AN ACCESSIBILITY AISLE AT CITY HALL

WHEREAS, it is in the best interest of the City to add an accessibility aisle next to the handicap stalls at City Hall to allow for side loading; and,

WHEREAS, both handicap stalls will move to the West side of island that is in front of the main doors with an accessibility aisle between the two stalls; and,

WHEREAS, Public Works will perform the work; and,

WHEREAS, the Development Operations and Advisory Committee recommends approval of such work per this Resolution;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to hereby approve moving the handicaps parking stalls and installing an accessibility aisle between the two.

This Resolution was duly adopted by the Isanti City Council this 19th day of June, 2018.

RESOLUTION 2018-XXX

RESOLUTION APPOINTING ELECTION JUDGES FOR THE 2018 PRIMARY ELECTION

WHEREAS, the Primary Election shall be held on August 14, 2018, and

WHEREAS, the City of Isanti must appoint election judges for both precincts for the City of Isanti.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota as follows:

1. The following persons shall be appointed to serve as election judges and/or as alternates for the City of Isanti precinct at the Primary Election to be held on August 14, 2018:

Erika Zdon (*Head Judge*)	Keith Koehler	Marion Schulz
Jeannifer Anderson (*Head Judge*)	Kim Garber	Mary Bye
Collette Brogger	Kristin Gaffaney	Mary Ecklund
Daid Syznal	Leroy Johnson	Melissa Lamb
Dawn Kauffman-Mace	Linda Marx	Michelle Carlson
Diana Meyer	Lori Haigh	Nenny Canny
Elaine Fischer	Lorraine Torpy	Onalee Canfield
Jackie Harris-Rude	Maddy Anderson	Don Lorsung
Jeanne Stafki	Marc Rude	Josi Wood
Jodi Anderson	Margaret Enquist	Katie Brooks
		Chief Gene Hill

2. Election Judges (non-staff) shall be compensated for mileage to and from training, for election training, and for the hours served as an Election Judge on August 14, 2018.
3. The Head Judge (non-staff) shall be compensated at a rate of $12.00/hr and Election Judges (non-staff) shall be compensated at $10.00/hr.
4. City Staff is authorized to provide reasonably priced meals to election judges and to purchase any additional supplies needed in order to ensure elections run efficiently and effectively.
5. The Election Administrator is authorized to train and appoint election judges as necessary.

This Resolution is hereby approved by the Isanti City Council this 19th day of June, 2018.

MEMO

To: Mayor Wimmer and City Council

From: Don Lorsung, City Administrator

Date: June 13, 2018

Subject: City Attorney Training Request

City Attorney Clark Joslin has requested consideration of the City paying the registration fee for the 2018 Minnesota City Attorney Legislative Update. The fee is $175.00 Clark will travel and attend on his own time and expense. He has made similar requests in the past, and the City has paid for registration fee. The Personnel Committee has reviewed this request and recommends it's approval.

RESOLUTION NO. 2018-xxx

A RESOLUTION APPROVING FUNDING FOR CITY ATTORNEY TRAINING

WHEREAS, City Attorney Clark Joslin has expressed his interest in attending the 2018 Minnesota City Attorney's Legislative Update; and,

WHEREAS, the City Attorney has asked the City to consider paying the registration cost of $175.00 for the training. The City Attorney will attend on his own time and pay all other expenses; and,

WHEREAS, the Personnel Committee reviewed the request and recommends its approval; and,

WHEREAS, the expense is unbudgeted and will be covered by fund balance in the General Fund; and,

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, to hereby approve the funding to pay the $175.00 registration fee for this training.

Adopted by the Isanti City Council on this 19th day of June 2018.

Subject: Donation Request for MMBA "Support OUR Troops" Supplies Drive promotion in-store

---

Background:
Each year the MMBA supports many different organizations for the sole purpose of raising funds as well as supply donations to help support local active military personnel in our area. I am requesting that we promote this program in-store and customers can donate non-perishable food items or a cash donation in any amount they wish to help support this program. The dates of the donations are July 1st through July 31st 2018.

RESOLUTION 2018-XXX

RESOLUTION APPROVING DONATION BOX AT LIQUOR STORE

WHEREAS, on June 19, 2018 City Council approved a donation box policy; and,

WHEREAS, Isanti Liquor is requesting use of a donation box at the liquor store in support of the MMBA "Support Our Troops Drive"; and,

WHEREAS, the Liquor Committee has reviewed the request and recommended its approval.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota hereby approves placement of a donation box for the Support Our Troops Drive at the Isanti Liquor Store from July 1, 2018 through July 31, 2018.

Date: June 19, 2018

Subject: Resolution Approving Contract for Hitchville Performance at the June 23, 2018 Street Dance

---

Background:

At the January 16, 2018 City Council meeting, the Special Event Permit for the 2018 Downtown Isanti Street Dances was approved, including a performance by Maiden Dixie at the June 23 event. City staff have been informed that Maiden Dixie is no longer available for this event. Hitchville is available for the event, and their contract is attached.

RESOLUTION NO. 2018-XXX

RESOLUTION APPROVING CONTRACT FOR HITCHVILLE PERFORMANCE AT THE JUNE 23, 2018 STREET DANCE

WHEREAS, at Maiden Dixie, approved at the January 16, 2018 City Council meeting for June 23, 2018 Street Dance, is no longer able to meet their commitment to perform; and,

WHEREAS, Hitchville is available to perform at the June 23, 2018 Street Dance at a rate of $5,500.00; and,

WHEREAS, there are funds available in the Street Dance budget (101-45300-499) for this expense;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to approve the contract and expenditure for Hitchville's performance at the June 23, 2018 Street Dance.

This resolution was duly adopted by the Isanti City Council this 19th day of June, 2018.

ENGAGEMENT CONTRACT

1. Engagement. This agreement is for the services of a live musical performance for the engagement described below and is made between Company, doing business as a musical group known as **"Hitchville"** ("Artist"), and **"City Of Isanti"** ("Purchaser").

Name of Venue/Event: **Downtown Isanti Street Dance**

Number of Sets and Duration: **3-1hr sets/2-25 min breaks**

Purchaser Contact and Telephone: **Katie Everett 763-772-5856**

Venue Contact and Telephone: **same as above**

Address of Venue: **110 1st Ave NW, Isanti, MN 55040**

Venue Type: (bar, outdoor, wedding, etc.) **outdoor**

Performance Date: **June 23, 2018**

Performance Time: **7:00pm-11:00pm**

Load in Time: **TBD**

Sound Check: **TBD**

2. Compensation and Terms. It is agreed as full compensation for the services, as set forth above, the Purchaser will pay a fee of **$5500.00** for **June 23, 2018**. ***If payment is to be made by check, this must be agreed to by Artist at the time of signing of this contract. Make check payable to Phat Vox, LLC.*** Compensation is payable as follows:

A. **$ 2750.00 down payment (1/2 the total) received within 2 weeks of contract**
B. **$2750.00 received prior to start on the day of performance.**

3. Accommodations. *(hotels, transportation, dressing room(s) and hospitality provisions i.e. beverages and food.):*
Dressing room/break area, bottled water, soda, energy drinks
Details determined closer to the date of performance

4. Technical Requirements. (*Sound, lights, power, security, sound technician, etc.):* Purchaser is to provide at no cost to Artist:
Purchaser is to provide power and stage
Artist is to provide production and lights

5. Special Provisions: **All advertising and usage of name to be used as the following: Hitchville**

6. Damage: Artist and its agents are responsible only for their own conduct. Purchaser agrees to pay for all damage done to Artist's and its agent's equipment due to wrongful act of Purchaser, its employees, agents, or guests. Purchaser assumes all risk of the engagement and shall indemnify and hold Artist and its agent harmless against any claims or legal actions brought against Artist or its agent arising out of personal injury or property damage occurring at the engagement, which is not caused by the Artist or its agent.

7. Riders: Any and all riders attached are part of this contract. See Accommodations.

8. Acceptance: We acknowledge and agree that we have read and approved the terms and conditions set forth in this contract as stated and confirmed by our signatures below, including all of the Specific Provisions and Technical Requirements referenced above. (See additional provisions attached). The terms of this contract are binding and supersede any oral or written representations.

By signing this Agreement I acknowledge that I am authorized to book the above referenced engagement.

On behalf of Hitchville

SPECIAL PROVISIONS

1. *Cancellation*: The Artist and the Purchaser agree that this contract is not subject to renegotiation, modification, or cancellation without written Artist's consent. The Artist and Purchaser intend the Artist to be the beneficiary of this contract. The Artist shall use its best efforts to ensure performance of this contract. But if the Artist is unable to perform, the Artist shall notify the Purchaser and, at the Artist's option, shall (a) reschedule the engagement, or (b) return the deposit, if any, to Purchaser. The agreement of the Musicians to perform is subject to proven detention by sickness, accidents, riots, strikes, epidemics, acts of God, or any legitimate conditions beyond their control. Purchaser further agrees that if unsafe conditions exist in the form of rain or lightning, it will be the sole judgment of the band leader as to cancel or perform. If such conditions exist and no alternate site is available, Purchaser agrees to pay Artist in full. This agreement contains the entire understanding between the Artist and the Purchaser.

2. *Access*: The Artist's agent, manager, or their representatives shall have free access to venue on the day(s) of the show(s), including the backstage area.

3. *Independent Contractor*: The Artist executes this agreement as an independent contractor and not as an employee of the Agency or Purchaser.

4. *Recording*: No electronic or digital recording of the performance shall be made unless the Artist specifically agrees to such recording in writing.

5. *Promotion and Advertising*: All advertisements, promotions, and announcements will refer to Artist as "Hitchville".

6. *General Provisions*: This contract shall be construed in accordance with the laws of the State of Minnesota governing contracts wholly executed and performed therein, and the parties agree to submit to the jurisdiction of the Courts of the State of Minnesota. In the event any provision hereof shall be for any reason be judged illegal or unenforceable, the same shall not affect the validity or enforceability of the remaining provisions hereof. As between Purchaser and Artist, in case of breach of contract on the part of the Purchaser it is agreed that the liquidated damages to the Artist will be paid in the amount as stated in section 2 of this contract.

7. ***This contract must be signed and returned within seven (7) days of receipt.***

RESOLUTION 2018-XXX

RESOLUTION OFFERING THE POSITION OF FULL-TIME PW MAINTENANCE TECHNICIAN II TO WILLIAM (BILLY) ROSS III

WHEREAS, the City Council of the City of Isanti is required to approve all new employees; and,

WHEREAS, the City Council approved to advertise and accept applications to fill a Full-Time PW Maintenance Technician II position; and,

WHEREAS, the Interviewing Panel selected William (Billy) Ross III as the most qualified candidate for the open Full-Time PW Maintenance Technician II position. This offer is contingent on successfully passing a background check, drug and physical test, and reference check. If any of the mentioned contingencies are not met, the offer can and will be rescinded.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, as follows:

1. That Human Resources is hereby directed to offer the Full-Time PW Maintenance Technician II position to William (Billy) Ross III for the City of Isanti and that he shall be eligible to start in that position on or after June 19th, 2018.
2. That William (Billy) Ross III shall start at Step 1 of the Wage Scale at $20.63 per hour.
3. That William (Billy) Ross III shall be on probationary status per the Personnel Policy in the position of the Full-Time PW Maintenance Technician II position effective June 19th, 2018, or his start date, whichever is later.
4. That Human Resources is directed to complete all required documentation for the completion of the employment offer.
5. That Human Resources is directed to forward an executed copy of this resolution to the employee and place a copy in the employee's personnel file for future reference.

This Resolution is hereby approved by the Isanti City Council this 19th day of June, 2018.

RESOLUTION 2018-XXX

RESOLUTION OFFERING THE POSITION OF PART-TIME LIQUOR STORE CLERK TO NICHOLAS HOVIK

WHEREAS, the City Council of the City of Isanti is required to approve all new employees; and,

WHEREAS, the City Council approved to advertise and accept applications to fill a Liquor Store Part-Time Clerk position; and,

WHEREAS, the Interviewing Panel selected Nicholas Hovik as the most qualified candidate for the open Part-Time Clerk position. Offers are contingent on successfully passing a background check and reference check. If any of the mentioned contingencies are not met, the offer can and will be rescinded.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, as follows:

1. That Human Resources is hereby directed to offer the Part-Time Liquor Store Clerk position to Nicholas Hovik for the City of Isanti and that he shall be eligible to start in that position on or after June 19th, 2018.
2. That Nicholas Hovik shall start at Step 1 of the Wage Scale at $11.21 per hour.
3. That Nicholas Hovik shall be on probationary status per the Personnel Policy in the position of the Part-Time Clerk position effective June 19th, 2018, or his start date, whichever is later.
4. That Human Resources is directed to complete all required documentation for the completion of the employment offer.
5. That Human Resources is directed to forward an executed copy of this resolution to the employee and place a copy in the employee's personnel file for future reference.

This Resolution is hereby approved by the Isanti City Council this 19th day of June, 2017.

RESOLUTION 2018-XXX

RESOLUTION OFFERING THE POSITION OF PART-TIME POLICE OFFICER TO ERIK KNOOP AND CORY SPENCER

WHEREAS, the City Council of the City of Isanti is required to approve all new employees; and,

WHEREAS, the City Council approved to advertise and accept applications to fill two Part-Time Police Officer positions; and,

WHEREAS, the Interviewing Panel selected Erik Knoop and Cory Spencer as the most qualified candidates for the open Part-Time Police Officer positions. Offers are contingent on successfully passing a background check, drug and physical test, and reference check. If any of the mentioned contingencies are not met, the offer can and will be rescinded.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, as follows:

1. That Human Resources is hereby directed to offer the two Part-Time Police Officer positions to Erik Knoop and Cory Spencer for the City of Isanti and that they shall be eligible to start in that position on or after June 19th, 2018.
2. That Erik Knoop and Cory Spencer shall start at Step 1 of the Wage Scale at $27.01 per hour.
3. That Erik Knoop and Cory Spencer shall be on probationary status per the Personnel Policy in the position of the Part-Time Police Officer position effective June 19th, 2018, or their start date, whichever is later.
4. That Human Resources is directed to complete all required documentation for the completion of the employment offer.
5. That Human Resources is directed to forward an executed copy of this resolution to the employees and place a copy in each employee's personnel file for future reference.

This Resolution is hereby approved by the Isanti City Council this 19th day of June, 2018.

Regular Meeting Minutes of
June 5, 2018
Isanti City Hall

1. Call To Order

The meeting was called to order by President George Wimmer at 7:21 p.m.

a. Pledge of Allegiance

b. Roll Call

Members Present:	Tara Hallberg, Steve Lundeen, Ross Lorinser, Dan Collison, Jill Reller and George Wimmer
Members Absent:	Paul Bergley
Staff Present:	Economic Development Director Sean Sullivan

c. Agenda Modifications

2. Approval of Agenda

Motion by Commissioner Lundeen, seconded by Comissioner Collison to approve agenda as presented. Motion carried unanimously.

3. Approve Minutes of May 1, 2018 Regular Economic Development Meeting

Motion by Commissioner Collison seconded by Commissioner Lundeen to approve the minutes for May 1, 2018. Motion carried unanimously.

4. Consider Change to City Promo Bag Program

Economic Development Director Sullivan presented the staff memo. He indicated that MYAS changed their system for this year's qualifiers. The Isanti Complex will not be hosting the event this year. Events will be held throughout the state rather than at central locations.

President Wimmer stated the Promo Bag program has been very successful and participation by businesses has been good. He agreed with the change in schedule.

Motion by Commissioner Lundeen seconded by Commissioner Collison to adopt revised event distribution schedule that includes July 6-7 Rodeo – 350, August 11 Celebrate Isanti- 100 and August 24-25 State BMX Finals – 350 Motion carried unanimously.

5. Hotel Update

Economic Development Director Sullivan stated that the formal groundbreaking occurred on June 5, 2018 and was well attended. It is a project that has been worked on for a long time and will the catalyst for the City Redevelopment project. Included in this project will be the construction of Richard St SE and the Extension of 5th Avenue NE. Penny Lane SE is no longer open.

President Wimmer stated that this project would also allow the City to loop the utilities which is important to the City system.

6. Other Business / Updates

Economic Development Director Sullivan highlighted the Staff Memo. Sullivan updated the information on housing starts to 40 new permits pulled with 6 in process.

President Wimmer was happen with the response rate of the new resident surveys.

Commissioner Lundeen asked when the Hotel would be completed.

President Wimmer indicated the build time would be between 7 to 9 months based on discussion with developer.

Commissioner Collison asked what was going on with Pat's Small Engine's

Economic Development Director Sullivan stated that were building a new building in East Bethel and that they would be phasing the move to that location when complete.

MEMORANDUM

Date: June 13, 2018

To: Honorable Mayor Wimmer and Members of the City Council

From: Bradley C. DeWolf, P.E.
City Engineer

Jason W. Cook, P.E.
Assistant City Engineer

Subject: Project Status Report
Isanti, MN
Project No.: R13.115547

Please find listed below a status report of the current projects in the City of Isanti:

1) 2017 Palomino Road Improvements

Final punchlist items are scheduled to be completed this month.

2) Arts & Science Addition

Final paving of 7th Avenue NE is complete.

3) MS4 Phase 2 & 3 Implementation

We will continue to assemble documents to assist the City in meeting the requirements of the MS4 permit for Phase 2 and Phase 3 of the implementation schedule.

4) Cajima Street/TH 65 Signal Study

We will continue with discussions with MnDOT regarding funding and layout.

5) 2018 Street & Utility Improvements

We will complete the plans and specifications in the coming month.

6) 2018 Storm System Maintenance Project

A public forum meeting was held June 12, 2018 to discuss access with residents.

7) 2018 Pavement Maintenance Project

A preconstruction meeting is scheduled for June 19, 2018.

8) Clarifier Rehab Project

An award recommendation will be brought to the June 19, 2018 Council Meeting.

9) MnDOT Highway 65 Resurfacing

The work within City Limits has been completed. Minor punchlist items may occur this month.

In addition to the current projects listed above we have completed and accepted 48 private developments and 61 city contracts since being selected as your City Engineer in 2008.

Please contact me if you have any questions.

Bolton & Menk is an equal opportunity employer.

Isanti Recognized for Environmental Sustainability Efforts

GreenStep City recognized for work to conserve resources & reduce waste

Media Contact:
Mayor George Wimmer
City of Isanti
george@georgewimmer.com

Thursday, June 28, 2018, Isanti, MN – One week ago the City of Isanti received an award for advancing to become a Step 4 city in the GreenStep program at the League of Minnesota Cities annual conference June 21st.

"This recognition shows community members and other cities across Minnesota that the City of Isanti is taking great steps in the direction of energy and resource conservation and innovation," shared Ryan Kernosky, who serves as the GreenStep program lead with Isanti.

Photo of GreenStep Cities awards from the 2018 League of Minnesota Cities Conference

Minnesota GreenStep Cities is a challenge, assistance, and recognition program. As one of 122 participating cities and tribal nations, the City of Isanti is helping to lead the way in sustainably across the state of Minnesota. The City of Isanti has worked hard to implement best practices in order to fulfill their sustainability goals. Actions that are taken within the program focus on cost savings, energy use reduction, resource conservation, and the encouragement of civic innovation. You can learn more about Isanti's efforts at http://mngreenstep.org.

"This award is a great achievement for Isanti," said Mayor George Wimmer of Isanti. "And by being part of the program, Isanti and our peers are helping to make Minnesota more resilient for the future while also helping our cities thrive economically."

CITY OF ISANTI
CITY COUNCIL MEETING
TUESDAY, JUNE 19, 2018 – 7:00 P.M.
CITY HALL

I. Citizens Input
None.

II. Agenda
Mayor Wimmer called the meeting to order at 7:00 p.m.

The Pledge of Allegiance was recited.

Members Present: Mayor George Wimmer, Council Members: Paul Bergley, Dan Collison, Steve Lundeen, and Ross Lorinser

Members Absent: None.

Staff Present: City Administrator Don Lorsung, Human Resources / City Clerk Katie Brooks, City Attorney Clark Joslin, and Assistant City Engineer Jason Cook

Others Present: Commissioner Mike Warring, Angie Kersting, Rod Barrows, George Hemen, Lisa Johnson, State Representative Brian Larson, Lynn Swanson, Kaitlyn Scholin, Chanel Cuneo, Shiri Samsa, Samantha Titus, Hailey Johnson, Jasmine Stevens, Kailee Miller, Olivia Knowlton, Jeff Johnson, Carla Golden, Onalee Canfield

D. Adopt Agenda
City Administrator Don Lorsung explained the agenda was amended by deleting Item K. 9 – Resolution Offering the Position of Maintenance Tech II to William Ross III with following Consent Agenda Items to be renumbered.

Motion by Lorinser, second by Collison to approve the agenda with modifications listed above. Motion carried.

E. Proclamations/Commendations/Certificate Awards
1. Presentation of 2018 Isanti Ambassador Candidates

The three current Isanti Ambassadors introduced themselves and shared their favorite memory from their service year. The candidates then went on to introduce themselves, their sponsors, and what they were most looking forward to. The Mayor presented the candidates with pins and a photo was taken of Mayor Wimmer with the Isanti Ambassadors and candidates.

F. Approve City Council Minutes
1. June 5, 2018 – Regular Meeting of the City Council

Motion by Lorinser, second by Collison to approve minutes as presented. Motion carried.

G. Announcements

1.	Park, Recreation, & Culture Board Meeting	Tuesday, June 26, 2018 at 6:00 p.m.
2.	City Council Meeting	Tuesday, July 3, 2018 at 7:00 p.m.
3.	Economic Development Authority	Tuesday, July 3, 2018 (*Immediately following City Council Meeting*)
4.	Special Planning Commission Meeting	Tuesday, July 3, 2018 (*Immediately following EDA Meeting*)

5. **CITY OFFICES CLOSED** Wednesday, July 4, 2018
(In observance of Independence Day)

H. Council Committee Reports

Mayor Wimmer shared that earlier in the day they had the 11th annual Mayor's Employer Celebration Day lunch. The event went very well and continues to grow with over 200 people attending this year. Mayor Wimmer gave special thanks to Commissioner Mike Warring, Representative Brian Johnson, Senator Mark Koran, Sheriff Chris Caulk, and Assistant City Engineer Jason Cook for attending and helping with the event, which is becoming a great tradition.

I. Public Hearings

None.

J. Business Items

City Administrator Don Lorsung

1. **Ordinance No. 692** Plumbing Plan Review

City Administrator Don Lorsung explained that this is an opportunity to utilize the skill-set MNSPECT has to be able to do commercial/industrial plumbing reviews. This allows them to be done in a much faster time-frame rather than waiting for the State to do them as they are submitted. If the City leaves MNSPECT in the future, it may lose the designation and may have to return to State inspections depending on the qualification and caliber of the individual that was hired to do the Building Official duties.

Motion by Lorinser, second by Collison to approve the Ordinance as presented. Councilman Bergley asked if there were any downsides to continue to use MNSPECT.

Mayor Wimmer explained that MNSPECT is completely qualified to do the inspections, and the State can be delayed for up to a month or two, so this would save time. There have been experiences in the past with communication break-downs with the State concerning the inspections. This would mitigate those types of issues, would be considerably faster, and improve service levels. Councilman Lundeen shared that generally the State does the inspections, but there are other cities that do it themselves, so if MNSPECT is qualified to do them it should be fine. There is an expedited process that can be used through the State, but it costs extra. Mayor Wimmer added that using MNSPECT to do these inspections will not have any additional costs.

Motion by Lorinser, second by Collison to approve the Ordinance as presented. Motion carried.

2. **Resolution 2018-147** Approving the Purchase of Server and Data Retention Upgrades

Motion by Lorinser, second by Collison to approve the request as presented. Motion carried.

Assistant City Engineer- Jason Cook

3. **Resolution 2018-148** Authorizing Services for Clarifier Rehabilitation Work

Assistant City Engineer Jason Cook explained that there were two bids received to provide rehabilitation work on the clarifiers at the Waste Water treatment facility. The Finance Committee has reviewed the bids and recommended approval of services by Champion Coatings in the amount of $93,875.00.

Motion by Lorinser, second by Bergley to approve the request as presented. Motion carried.

K. Approve Consent Agenda

1. Consider Accounts Payable in the Amount of $190,987.98 and Payroll in the amount of $102,541.00
2. Final Meeting Minutes for the May 1, 2018 Economic Development Authority Meeting
3. **Resolution 2018-149** Approving Backwash Filter Pump Repair

4. **Resolution 2018-150** Authorizing Staff to Move Handicap Parking and Install an Accessibility Aisle at City Hall
5. **Resolution 2018-151** Approving Election Judges List
6. **Resolution 2018-152** Approving City Attorney Training Request
7. **Resolution 2018-153** Approving Donation Box at the Liquor Store
8. **Resolution 2018-154** Approving Contract for Hitchville Performance at the June 23, 2018 Street Dance
9. **Resolution 2018-155** Offering the Position of Part-time Liquor Store Clerk to Nicholas Hovik
10. **Resolution 2018-156** Offering the Position of Part-time Police Officer to Erik Knoop and Cory Spencer

Motion by Lorinser, second by Bergley to approve Consent Agenda as presented. Motion carried.

L. Other Communications

1. Draft Minutes of the June 5, 2018 Economic Development Authority Meeting
2. May Police Department Report
3. May Code Enforcement Report
4. May Building Inspector Report
5. June Engineering Report

Adjournment

Motion to adjourn by Lundeen, second by Bergley. Motion carried. The meeting was adjourned at 7:15 p.m.

Respectfully Submitted,

TO: Mayor George Wimmer and Councilmembers

FROM: Katie Brooks -Human Resources/ City Clerk

DATE: June 29, 2018

SUBJECT: Discussion Regarding Hiring William (Billy) Ross III for Maintenance Technician II

It has been determined by the Personnel Committee on June 28th, 2018 to discuss hiring William (Billy) Ross III. He has a 4th degree misdemeanor DWI from 2006 and has not had any other driving violations since. According to the Minnesota Criminal Rehabilitation Statute, Chapter 364, a person cannot be disqualified from public employment for prior conviction of a crime unless the conviction directly relates to the position of employment sought and the person is unable to show competent evidence of sufficient rehabilitation. Minn. Stat. § 364.03. Evidence of rehabilitation includes the nature and seriousness of the crime, the length of time elapsed since the crime was committed, and all other mitigating circumstances. Minnesota Statute Section 364.03 has been attached for your review of all evidence of rehabilitation.

Seeking decision from Mayor and Council for hiring determination

Attachments: Statute 364.03

RESOLUTION 2018-XXX

RESOLUTION OFFERING THE POSITION OF FULL-TIME PW MAINTENANCE TECHNICIAN II TO WILLIAM (BILLY) ROSS III

WHEREAS, the City Council of the City of Isanti is required to approve all new employees; and,

WHEREAS, the City Council approved to advertise and accept applications to fill a Full-Time PW Maintenance Technician II position; and,

WHEREAS, the Interviewing Panel selected William (Billy) Ross III as the most qualified candidate for the open Full-Time PW Maintenance Technician II position. This offer is contingent on successfully passing a background check, drug and physical test, and reference check. If any of the mentioned contingencies are not met, the offer can and will be rescinded.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, as follows:

1. That Human Resources is hereby directed to offer the Full-Time PW Maintenance Technician II position to William (Billy) Ross III for the City of Isanti and that he shall be eligible to start in that position on or after June 19th, 2018.
2. That William (Billy) Ross III shall start at Step 1 of the Wage Scale at $20.63 per hour.
3. That William (Billy) Ross III shall be on probationary status per the Personnel Policy in the position of the Full-Time PW Maintenance Technician II position effective June 19th, 2018, or his start date, whichever is later.
4. That Human Resources is directed to complete all required documentation for the completion of the employment offer.
5. That Human Resources is directed to forward an executed copy of this resolution to the employee and place a copy in the employee's personnel file for future reference.

This Resolution is hereby approved by the Isanti City Council this 3rd day of June, 2018.

Attest: Mayor George A. Wimmer

Katie Brooks
Human Resources/City Clerk

2017 Minnesota Statutes

364.03 RELATION OF CONVICTION TO EMPLOYMENT OR OCCUPATION.

Subdivision 1.**No disqualification from licensed occupations.**

Notwithstanding any other provision of law to the contrary, no person shall be disqualified from public employment, nor shall a person be disqualified from pursuing, practicing, or engaging in any occupation for which a license is required solely or in part because of a prior conviction of a crime or crimes, unless the crime or crimes for which convicted directly relate to the position of employment sought or the occupation for which the license is sought.

Subd. 2.**Conviction relating to public employment sought.**

In determining if a conviction directly relates to the position of public employment sought or the occupation for which the license is sought, the hiring or licensing authority shall consider:

(1) the nature and seriousness of the crime or crimes for which the individual was convicted;

(2) the relationship of the crime or crimes to the purposes of regulating the position of public employment sought or the occupation for which the license is sought;

(3) the relationship of the crime or crimes to the ability, capacity, and fitness required to perform the duties and discharge the responsibilities of the position of employment or occupation.

Subd. 3.**Evidence of rehabilitation.**

(a) A person who has been convicted of a crime or crimes which directly relate to the public employment sought or to the occupation for which a license is sought shall not be disqualified from the employment or occupation if the person can show competent evidence of sufficient rehabilitation and present fitness to perform the duties of the public employment sought or the occupation for which the license is sought. Competent evidence of sufficient rehabilitation may be established by the production of the person's most recent certified copy of a United States Department of Defense form DD-214 showing the person's honorable discharge, or separation under honorable conditions, from the United States armed forces for military service rendered following conviction for any crime that would otherwise disqualify the person from the public employment sought or the occupation for which the license is sought, or:

(1) a copy of the local, state, or federal release order; and

(2) evidence showing that at least one year has elapsed since release from any local, state, or federal correctional institution without subsequent conviction of a crime; and evidence showing compliance with all terms and conditions of probation or parole; or

(3) a copy of the relevant Department of Corrections discharge order or other documents showing completion of probation or parole supervision.

(b) In addition to the documentary evidence presented, the licensing or hiring authority shall consider any evidence presented by the applicant regarding:

(1) the nature and seriousness of the crime or crimes for which convicted;

(2) all circumstances relative to the crime or crimes, including mitigating circumstances or social conditions surrounding the commission of the crime or crimes;

(3) the age of the person at the time the crime or crimes were committed;

(4) the length of time elapsed since the crime or crimes were committed; and

(5) all other competent evidence of rehabilitation and present fitness presented, including, but not limited to, letters of reference by persons who have been in contact with the applicant since the applicant's release from any local, state, or federal correctional institution.

(c) The certified copy of a person's United States Department of Defense form DD-214 showing the person's honorable discharge or separation under honorable conditions from the United States armed forces ceases to qualify as competent evidence of sufficient rehabilitation for purposes of this section upon the person's conviction for any gross misdemeanor or felony committed by the person subsequent to the effective date of that honorable discharge or separation from military service.

MEMORANDUM

Date: June 25, 2018

To: Honorable Mayor Wimmer and Members of the City Council

From: Bradley C. DeWolf, P.E.
City Engineer

Jason W. Cook, P.E.
Assistant City Engineer

Subject: Approval of Plans and Authorization to Advertise for Bids
2018 Street & Utility Improvements
City of Isanti, MN
BMI Project No.: R13.116641

We request that the City Council approve the plans and specifications, entitled "2018 Street & Utility Improvements", and authorize advertisement for bids.

Following is the schedule for the 2018 Street & Utility Improvements Project:

Approve Plans & Specs, Authorize Advertisement for Bids	July 3, 2018
Open Bids	July 31, 2018
Commence Construction	August 7, 2018
Substantial Completion of Construction	November 9, 2018

We are requesting that the City Council approve plans and specifications and authorize advertisement for bids.

Jason will be at the July 3, 2018 City Council meeting to respond to any questions you have concerning the approval of plans and specifications or the authorization to advertise for bids.

Please contact me with any questions or if you would like any additional information prior to the meeting as well.

Bolton & Menk is an equal opportunity employer.

RESOLUTION NO. 2018-xxx

RESOLUTION APPROVING PLANS AND AUTHORIZING THE ADVERTISEMENT FOR BIDS FOR 2018 STREET AND UTILITY IMPROVEMENT PROJECT

WHEREAS, per Resolution 2018-136, the City Council has ordered the improvement project and preparation of plans and specifications; and

WHEREAS, the City Engineer has created plans and specifications for said improvements and upon approval, has also requested to advertise for bids:

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, as follows:

1) That the plans and specifications for the 2018 Street and Utility Improvements are approved.

2) That the advertisement for bids for the improvements is authorized.

This resolution was duly approved by the Isanti City Council this 3rd day of July 2017.

Attest:

CITY OF ISANTI
PLANNING COMMISSION
MAY 15, 2018

1. Meeting Opening.

A. Call to Order.

Chairman Wimmer called the meeting to order at 7:10 p.m.

B. Pledge of Allegiance.

The Pledge of Allegiance was recited.

C. Roll Call.

Members Present: George Wimmer, Steve Lundeen, Dan Collison, Ross Lorinser, Paul Bergley.

Members Absent: None.

Staff Present: Ryan Kernosky, Community Development Director.

1D. Agenda Modifications.

Director Kernosky stated that there were no Agenda Modifications.

2. Approval of the Minutes from the March 20, 2018 Planning Commission

Motion by Lundeen, seconded by Bergley to approve the minutes from the April 17, 2018 Planning Commission, approved unanimously.

3. Public Hearings

There were no public hearings.

4. Discussion Items

Mayor Wimmer stated that there are two openings on the Planning Commission due to two citizen resignations, Mayor Wimmer stated that there are several people who are interested in the positions, and that new City residents have expressed interest in joining the Commission.

A. Isanti 2030 Comprehensive Plan Timeline

Director Kernosky stated that it is time to begin working on our Comprehensive Plan Update. Kernosky provided a brief overview of what a Comprehensive Plan is, and stated that the City is intending to do the update in-house due to Administrator Lorsung moving into a special projects role, Director Kernosky will also assist in the update.

Mayor Wimmer stated that doing the update in house would be more efficient, and that we will go through the same process as before with public hearings, information gathering, and stakeholder input.

B. Community Development Director's Quarterly Update

Director Kernosky provided an overview of activities in the Community Development Department included in the report. He briefly touched on building inspections, vacant lots, and development activities.

Councilman Lundeen stated that MNSpect, the City's building official, is busy and in the community on a daily basis. He also stated that it's hard to find lots not owned by a developer for single-family home development.

Mayor Wimmer stated that there are projects on the horizon for more single-family subdivisions, and that those should be coming in for review soon.

Councilman Lorinser stated that, while our housing prices are higher for the area, we are still lower than those homes in the metro, and that he agreed with Councilman Lundeen in terms of the cost for lots and the developers who own the lots.

5. Adjournment

Motion by Lundeen, second by to Bergely to adjourn the May 15, 2018 meeting of the Planning Commission. Motion was unanimously approved.

The meeting adjourned at 7:21 p.m.

Dated at Isanti, Minnesota this 17th day of May, 2018.

Respectfully submitted,

Ryan Kernosky
Community Development Director

CITY OF ISANTI
PARKS, RECREATION, AND CULTURE BOARD
MEETING MINUTES
May 22, 2018
City Council Chambers

1. Meeting Opening.

A. Call to Order.
Zdon called the meeting to order at 6:00 p.m.

B. Pledge of Allegiance.
Everyone stood for the Pledge of Allegiance.

C. Roll Call.

Members Present:	Jennifer Garvey, Jeff Johnson, James Witte, and Aaron Zdon
Members Absent:	Mayor Wimmer
Staff Present:	Katie Everett, Parks, Recreation, and Culture Manager

D. Agenda Modifications.
Zdon asked if there were any agenda modifications; there were none. Motion by Johnson, second by Garvey to approve the agenda for the May 22, 2018 Parks, Recreation, and Culture Board Meeting.

2. Approval of Minutes from April 24, 2018 Parks, Recreation, and Culture Board Meeting

Motion by Witte; second by Garvey. Minutes were unanimously approved.

3. City of Isanti Bicycle and Pedestrian Planning

Ryan Kernosky (Community Development Director) explained that the City is beginning to look at the 2030 Comprehensive Plan update, and typically transportation is a big part of it. It is really important within that section of the Comp Plan that we consider non-motorized based transportation. As a 30,000 feet view of the plan coming forward, among other things, he has identified a need for a Bicycle and Pedestrian Plan; and that is also piggybacking from department staff and Development and Operations Committee interest to pursue Bike Friendly status. In order to obtain that, it's really important to have a Bike and Pedestrian Plan. As a result, we'll use this Board as a sounding board for the plan update. Kernosky explained that there are two maps included in the agenda packet; one is the existing facility map which includes sidewalks and shared use paths, and the other is titled Future Bike Routes. He asked the Board members to look at the maps for any holes in access to sidewalks or multi-modal paths and consider future routes that take into consideration the City's assets which include our parks, concentration of employment centers like the industrial park, and other well developed neighborhoods. Kernosky asked the members to bring their ideas back, and explained that it will be a multi-month project. Everett asked if Kernosky thought it would be helpful to have their ideas in advance of the next meeting to be included in the June packet. Kernosky explained that he planned to take the information the members give and put it into the mapping system to create a map that reflects what they have identified, and will allow staff to also provide input. Everett explained that if the members provide their information early the week of June 11, there should be enough time to get it included in the packet. Kernosky explained that beyond future bike routes, the plan will include some best practices in bike planning, in infrastructure design and implementation. We'll set out some goals, which might include when the City does street upgrades in areas we identify, that we go after installing sidewalk. As a result of that, we have to pay for it somehow, like we did on Palomino, whether it's assessing property owners or tapping into transportation alternative grants as a possibility. Having this document adopted by the City Council, hopefully this Fall, will justify getting those finances for Federal and State grants. Witte asked if the members could be sent a color copy because it's hard to identify differences for the future map. Kernosky said that he include an aerial photo

with the map, we just don't have a color printer for 11x17, so we can email it out. Zdon explained that the Board had talked in prior years about where we're missing sidewalks, and they've slowly started to fill in. Everett asked Kernosky if there is a requirement for developers to include some sort of trail in new development. Kernosky stated that we do require sidewalk installation, but trail development is not required in ordinance. The west and south end of all roads have to have sidewalks built to standards. Johnson asked if there is anything along the river; Kernosky said there isn't and there is a number of reasons for that. Mainly because the DNR doesn't let us do a lot for trail development in that area. There is a scenic easement that was put in place in the early 90s. When we put in the path down at River Bluff Preserve, the DNR pushed back quite a bit with what we could and could not do with that path. Everett explained that a lot of the Rum River is privately owned as well. There is not a lot of public land along any of the Rum River, so any time you try to do anything along the Rum it is a fight all the way. Zdon asked if we need any motions; Everett stated we do not.

4. Fir Street Parcel Discussion

Everett explained that these parcels are in the southwest corner of the City off of Whiskey. There are two parcels that the City has through Tax Forfeiture. Everett believed that the developer gave us those lots rather than giving us money for the Park Dedication Fund, or something to that effect. The City was able to hold those lots by an application that said we were going to "create a neighborhood park of open space and/or recreational amenities which may include a basketball court, tennis court, or volleyball court." That application was 2015 and it indicated that we intended to something with it in 3 years. Everett explained that nothing will happen in 2018, but she looked back at the minutes and it sounds like Park Board had heard about this and the minutes were left at "in 2016 we need to have a discussion" and it hasn't happened. As a Park Board, we now know that these lots exist and we need to have some sort of discussion about what kinds of things to put there, then Everett can do some research to see what's feasible and that kind of thing. She explained that it's not a ton of space; it's two residential lots. For a frame of reference, playground area at Rum River Meadows is about two residential lots. Johnson thought it would be big enough for a basketball court; he has friends who live in that neighborhood and they're begging for some park and rec thing to go in those lots. Everett added that a playground there will not happen; with the playground infrastructure we have to support right now that just doesn't make sense. Zdon added that Rum River Meadows is across Whiskey, but it's close. Everett agreed and added that it might not be an easy walk for some to cross there. The board members agreed that a playground is not a good option here. Witte added that he does not think a volleyball court is a good option either, just based on the usage of the one at Rum River Meadows. Johnson added that we have the tennis court right at Mattson; Everett added we have one at Academy now too. Johnson asked if we have a basketball court anywhere. Everett stated that we have one at Mattson and one at Bluebird, and Whisper Ridge. Garvey asked when the last time the City really built a park from scratch – at Legacy there was a certain thing we could do there, and the garden and things like that – but has there ever been a community survey asking what they wanted to see in their park. Everett thought that something like that may have happened with Bluebird; there was definitely community involvement with the skate park. She is not sure with the others. She would guess that they were just part of a development and a playground was put in. Zdon added that some were community builds, but not necessarily community input for what was put in. Everett added that there has been more community input with naming parks in the past. Zdon added that the Board had picked layouts and things in the past. Garvey said that this one will really be a neighborhood park, and wondered if the City can do a demographic of ages of residents to get a sense of the population surrounding the park. Everett explained that the City just sent out a survey to new residents up through April 2016; those surveys included things like: "Why did you move here?," "What direction do you go to go to work?," those kinds of things. She couldn't remember offhand if it had number of adults and children in the household included. They did one of those to a smaller sampling last year as well. We could maybe get a general idea. Everett explained that it's also super simple to pull all of the mailing information for people in that area and we can survey them directly as well, if that's something we want to do. Everett explained that what they're talking about is something a lot of cities do; they host some sort of public meeting too and send invites especially to those people to let them know we'll be

talking about those lots. Johnson said that is a great idea; he thinks we should send invites to those people and have them come to a meeting and we hear from them. Garvey stated that at the last city she worked with, they did that for about ten years. Everett added that with any of those meetings; if you get 20 people in the room, you get 20 answers. It may be helpful for the Board to come up with a few options and let them choose from those. Garvey agreed that it's best to put out some idea of what we can and cannot do. Everett explained this process is not a hurry, so it could even be like an October meeting. Zdon asked when it has to be budgeted for 2019. Everett explained that budgeting is starting now, and with what she has seen for the budget so far, she would guess that this will also not be a 2019 budget item, but depending on what it is maybe it could be. Zdon said it could maybe just be some simple green space and outdoor workout equipment, which he knows isn't super cheap, but it's simple. Maybe as a phase 1. Garvey said that it would be good to come back and revisit it in the fall with at least a recap and some kind of plan. Everett asked if there are options she should look into in the meantime; she'll look into a basketball court and exercise equipment. The Board can make their scope bigger and she can narrow it in. Garvey thought an overhang with picnic tables and some casual seating; Johnson added a grill or two. Everett explained that most of the neighborhood parks are playgrounds, so there isn't a whole lot of precedent for this situation to say what needs to happen in this situation. So we're at the point where it's good to be creative. Garvey said that it would be nice to also see pictures of what the lots look like, what the neighbors have surrounding it. Everett looked at a street view of the lots, and it looks like there are houses on either side and the two lots behind are vacant. Garvey asked if the houses that are there know that those lots are to be used by the City as a park. Everett said that she doesn't know who they are or what they know about them at this point. Everett said that there is a street light in the middle of the lots right now, but otherwise it's just open and we mow it for now. She stated that we should offer maybe three options. For the Board's timeline, if by July we have a discussion about options, that would give time for a public meeting in October.

5. Park Visit Summary

Everett reviewed the list that was compiled after the April park tours. She stated that some of the items have already been addressed by Public Works. She did look into adjusting the Mattson slide, and it won't be possible because of the way it was installed. She broke down the list into short-term and long-term projects. She reviewed the list with the Board. Everett asked if there were any other items that needed to be added to the list; the Board members did not have anything. Everett added that refurbishing Bluebird Park is being budgeted for 2019; that will include taking the playground apart, then they'll sandblast the metal posts and re-powder coat them, and put it back together. The plastic pieces kind of are what they are, you can't do a lot with them. A lot of those parts have broken and are newer anyway, so the plan for those is just to replace them as needed rather than replacing everything at once. We will also evaluate continuing that process with some other parks too; the Board mentioned that Riverside is pretty faded. Since of all of our parks are about the same age, we just can't do it all at once. Just repainting at Bluebird park is about $25,000. The dog park is also scheduled to be budgeted for 2019 as well.

6. Painting Plow Blades Update

Everett explained that at the last meeting, Mayor Wimmer explained that this project would be happening. She included pictures of the ones that had been started in the packet. There was also an article in the County Star with a big photo of the IMS/MNC project. The plan is to pick them up at the end of the year and cover them or store them inside so they don't fade over the summer and we'll display them at Celebrate Isanti. After that they'll be put back on the plows and Public Works will use them again. Probably, the paint will come off, and then Public Works will sand them down and we'll maybe do it again next year. Everett stated that the future of the program might include some sort of theme, or maybe judging and prizes and that sort of thing to be determined.

7. Parks Updates

Everett explained that the Farmer's Market starts this Friday, May 25. She believes there are five or six vendors for the first week and then they start rolling in from there as more produce and things become available. There is a decent number of new farms signed up this year, so we should have a good selection of produce available. There are also a number of vendors doing things like crafts and handmade things as well. A lot of people have been finding the market rather than us having to do so much searching, which is a really sign. Once people start seeing the market, we'll also get people who are interested in joining. We currently have 16 stall spaces, so in the middle weeks we have maybe one or two open right now. If we get more, without changing too much, we can probably get 18 in there. From that point, we'll probably have to do something different with how we set up; probably the easiest option will be to have the vendors park somewhere else and reconfigure how the booths are set up. The Liquor Store has also set up samplings for most Fridays during the season as well to take advantage of that. We'll also continue with kids' activities that help people stick around the market and encourage them to visit everyone. We are still looking for musicians; it would be really nice to have someone reliable. Witte asked if we're looking for anything in particular. Everett stated that we just need something that's general audience, family friendly, acoustic. It's pretty casual, and it will be more background music than a show. Some people might come and listen to a song or two. Garvey asked if Everett has advertised for this. She said that she has put it on her personal Facebook page and got some response, but can also put it out on the market page. She has also sent it to her contacts with the schools for music and theater groups too.
Everett stated that there is a Pollinator Workshop scheduled for June 9th at River Bluff. We'll do mason bee homes; you basically take bamboo shoots and bundle them together, then wild bees that are solitary will build little nests in the bamboo shoots.
Everett added that Passport to Parks is scheduled for this summer again. There will be a kick off event on June 21st as a start to the event. From that event through August 3rd, people will be able to fill out the passports and turn them in here to City Hall for a giveaway kind of prize, and then be entered into the Grand Prize. That will take place at the beginning of the Street Dance at Celebrate Isanti. Those will be available here at City Hall and for download from the website.
The street dances are off to a great start. The first one is June 23rd. Climb Theater is going to be a top level sponsor this year as well. It's really good to get local community support for those events. The first Street Dance is Maiden Dixie; we haven't had them for a Street Dance before, but they have done other local events and have a good following here. We do have a couple of new food trucks this year as well.
The Community Garden is up and running. Everett estimated that about half of the plots have already been planted. All of the ground plots are reserved. The tables are still available to be reserved until June 1st; Everett expects that we'll probably just take them down. Everett explained that she just heard earlier today that School For All Seasons will not be planting this year; they did not get the support from student families that they needed to volunteer in the summer. They're hoping that they can find some people for next year and get it going again. She is still thinking about options for what to do with that space. The Senior Diners really liked watermelon last year, so she may just plant a bunch of that. The Public Health contact has left her job there, but is continuing the program through Master Gardeners. They received a grant for that program, so the funding source and main person hasn't changed, it's just not officially a Public Health program. They sent a flyer for their program, and they're promoting it as a parent/child or grandparent/grandchild program to come out and learn on six or seven dates where they have classes over the summer.
Everett stated that on Friday last week, she received the registration link for the Celebrate Isanti 5K run/walk and bike ride. It is posted on the event calendar on the website and the Facebook event. The first 50 in the bike ride and the first 50 in the run/walk will get a free goodie bag. Anderson Race Management will time the race this year.
Everett added that the Mattson tennis courts are being resurfaced this week. They were hoping to have them finished this week, but it's looking like thunderstorms, so she'll keep the board posted if that changes. The courts will be blue and green when they're done.

6. Adjournment

Motion by Johnson, second by Witte to adjourn the May 22, 2018 meeting of the Parks, Recreation, and Culture Board. Motion was approved.

The meeting adjourned at 7:50 p.m.

Dated at Isanti, Minnesota this 22nd day of May, 2018.

Respectfully submitted,

MEMO

To: Development and Operations Committee

From: Don Lorsung, City Administrator

Date: June 21, 2018

Subject: 2018 Canvass Board Meetings

The City Council needs to set election Canvass Board meetings for the primary and general elections this year. It is proposed that the primary election Canvass Board Meeting be set for 8:00 a.m., Friday, August 17th, and the general election Canvass Board Meeting be set for 7:00 p.m., Tuesday, November 13, 2017.

Attached is a draft resolution that sets the meetings

RESOLUTION 2018-XXX

RESOLUTION TO ESTABLISH DATES FOR CANVASS BOARD MEETINGS

WHEREAS, in accordance with State Law and City Code, the City Council must meet as a Canvass Board to review and canvass the returns of municipal primary and general elections; and,

WHEREAS, in accordance with State Law, when the municipal primary election is held in conjunction with the State primary election, the canvass of votes shall be conducted on the second or third day after the primary. When the municipal general election is held in conjunction with the state general election, the canvass of votes shall be conducted between the third and tenth days after the election; and,

WHEREAS, a municipal primary election will be held on August 14, 2018, and the municipal general election will take place on November 6, 2018; Canvass Board meetings for the aforementioned elections must be established.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota that:

1. Municipal Primary Election Canvass Board meeting shall be held on Friday August 17, 2018 at 8:00 a.m.

2. Municipal General Election Canvass Board meeting shall be held on Tuesday, November 13, 2014 at 7:00 p.m.

This Resolution is hereby approved by the Isanti City Council this 3rd day of July, 2018.

Attest: _____ Mayor George A. Wimmer

_____
Katie Brooks
Human Resources/City Clerk

RESOLUTION 2018-XXX

A RESOLUTION APPROVING AN EXEMPT GAMBLING PERMIT TO THE PHEASANTS FOREVER CHAPTER ISANTI COUNTY

WHEREAS, the Pheasants Forever Chapter Isanti County has applied for an Exempt Gambling Permit for a fundraising event to be held on September 8, 2018 at Spirit River Community Center located at 1321 Heritage Blvd NE., Isanti, MN 55040; and,

WHEREAS, the value of prizes is estimated to be $20,000; and,

WHEREAS, proceeds from the fundraiser are to be used for habitat; and,

WHEREAS, the City of Isanti has no objection to the conduct of lawful gambling by the applicant, in accordance with law, at the designated location; and,

WHEREAS, the applicant, Brenda Lillion, successfully passed a background check by the Isanti Police Department.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to approve an Exempt Gambling Permit to the Pheasants Forever Chapter Isanti County to hold a fundraiser on September 8, 2018 at the Spirit River Community Center.

This Resolution is hereby approved by the Isanti City Council this 3rd day of July, 2018.

Attest:

Mayor George A. Wimmer

MINNESOTA LAWFUL GAMBLING

LG220 Application for Exempt Permit

An exempt permit may be issued to a nonprofit organization that:

- conducts lawful gambling on five or fewer days, and
- awards less than $50,000 in prizes during a calendar year.

If total raffle prize value for the calendar year will be $1,500 or less, contact the Licensing Specialist assigned to your county by calling 651-539-1900.

Application Fee (non-refundable)

Applications are processed in the order received. If the application is postmarked or received 30 days or more before the event, the application fee is **$100**; otherwise the fee is **$150**.

Due to the high volume of exempt applications, payment of additional fees prior to 30 days before your event will not expedite service, nor are telephone requests for expedited service accepted.

GAMBLING PREMISES INFORMATION

Name of premises where the gambling event will be conducted (for raffles, list the site where the drawing will take place): Spirit River Center

Physical Address (do not use P.O. box): 1321 Heritage Blvd NE

Check one:

☐ City: Isanti Zip: 55040 County: Isanti

☐ Township: _____ Zip: _____ County: _____

Date(s) of activity (for raffles, indicate the date of the drawing): Sat 9/8/2018

Check each type of gambling activity that your organization will conduct:

☐ Bingo ☐ Paddlewheels ☐ Pull-Tabs ☐ Tipboards ☒ Raffle

Gambling equipment for bingo paper, bingo boards, raffle boards, paddlewheels, pull-tabs, and tipboards must be obtained from a distributor licensed by the Minnesota Gambling Control Board. EXCEPTION: Bingo hard cards and bingo ball selection devices may be borrowed from another organization authorized to conduct bingo. To find a licensed distributor, go to ***www.mn.gov/gcb*** and click on ***Distributors*** under the ***List of Licensees*** tab, or call 651-539-1900.

LG220 Application for Exempt Permit

LOCAL UNIT OF GOVERNMENT ACKNOWLEDGMENT (required before submitting application to the Minnesota Gambling Control Board)

CITY APPROVAL
for a gambling premises located within city limits

- ☐ The application is acknowledged with no waiting period.
- ☐ The application is acknowledged with a 30-day waiting period, and allows the Board to issue a permit after 30 days (60 days for a 1st class city).
- ☐ The application is denied.

Print City Name: _____

Signature of City Personnel:

_____

Title: _____ Date: _____

The city or county must sign before submitting application to the Gambling Control Board.

COUNTY APPROVAL
for a gambling premises located in a township

- ☐ The application is acknowledged with no waiting period.
- ☐ The application is acknowledged with a 30-day waiting period, and allows the Board to issue a permit after 30 days.
- ☐ The application is denied.

Print County Name: _____

Signature of County Personnel:

_____

Title: _____ Date: _____

TOWNSHIP (if required by the county)
On behalf of the township, I acknowledge that the organization is applying for exempted gambling activity within the township limits. (A township has no statutory authority to approve or deny an application, per Minn. Statutes, section 349.213.)

Print Township Name: _____

Signature of Township Officer: _____

Title: _____ Date: _____

CHIEF EXECUTIVE OFFICER'S SIGNATURE (required)

The information provided in this application is complete and accurate to the best of my knowledge. I acknowledge that the financial report will be completed and returned to the Board within 30 days of the event date.

Chief Executive Officer's Signature: _____ Date: 6-21-18
(Signature must be CEO's signature; designee may not sign)

Print Name: BARRY LEE LILLION

REQUIREMENTS

Complete a separate application for:
- all gambling conducted on two or more consecutive days; or
- all gambling conducted on one day.

Only one application is required if one or more raffle drawings are conducted on the same day.

Financial report to be completed within 30 days after the gambling activity is done:
A financial report form will be mailed with your permit. Complete and return the financial report form to the Gambling Control Board.

Your organization must keep all exempt records and reports for 3-1/2 years (Minn. Statutes, section 349.166, subd. 2(f)).

MAIL APPLICATION AND ATTACHMENTS

Mail application with:

____ a copy of your proof of nonprofit status; and

____ application fee (non-refundable). If the application is postmarked or received 30 days or more before the event, the application fee is **$100**; otherwise the fee is **$150**. Make check payable to **State of Minnesota**.

Isanti

MEMO

To: Mayor Wimmer and City Council

From: Don Lorsung, City Administrator

Date: June 13, 2018

Subject: Acceptance of MMBA Funds and Designation of Use

As a part of the MMBA Customer Service Award, the City received a $250.00 grant for a community project. The Development and Operations Committee reviewed this matter and is recommending that the funds be used for a bicycle rack at City Hall. Staff has received a quote from Parkitect for a Sonic Wave 3 Hoop bicycle rack (with Isanti Logo) for $303.24. Additional funding for this project will come from the Municipal Building fund. Attached for your consideration are the resolution, quotation for the bike rack, and a rendering of the proposed bike rack.

RESOLUTION NO. 2018-xxx

RESOLUTION ACCEPTING FUNDS FROM THE MINNESOTA MUNCIPICAL BEVERAGE ASSOCIATION AND DESIGNATING USE OF FUNDS

WHEREAS, the Minnesota Municipal Beverage Association (MMBA) presented the 2018 MMBA Customer Service Award to the City of Isanti Municipal Liquor Store; and

WHEREAS, as a part of this Award, there is a $250.00 grant that is given by the MMBA to the City of Isanti to be used on a community project; and

WHEREAS, DOAC has reviewed this matter and recommends that the funds be used for a bicycle rack at City Hall:

NOW, THEREFORE, IT IS HEREBY RESOLVED BY THE CITY COUNCIL of the City of Isanti, Minnesota to:

1. Accept the grant in the amount of $250.00 from the MMBA to be used to purchase a bicycle rack.

2. That a proposal from Parkitect for a Sonic Wave 3 Hoop bicycle rack with Isanti logos for $303.24 is accepted. Additional funding will come from the Municipal Building Fund, 210 Supplies.

This resolution was duly adopted by the Isanti City Council this 3rd day of July 2018.

Attest:

Mayor George A. Wimmer

Katie Brooks
Human Resources/City Clerk

CITY OF ISANTI
PARKS, RECREATION, AND CULTURE BOARD
MEETING MINUTES
June 26, 2018
City Council Chambers

1. Meeting Opening.

A. Call to Order.
Garvey called the meeting to order at 6:00 p.m.

B. Pledge of Allegiance.
Everyone stood for the Pledge of Allegiance.

C. Roll Call.

Members Present:	Jennifer Garvey, Jeff Johnson, James Witte, and Mayor Wimmer
Members Absent:	Aaron Zdon
Staff Present:	Katie Everett, Parks, Recreation, and Culture Manager
	Ryan Kernosky, Community Development Director

D. Agenda Modifications.
Garvey asked if there were any agenda modifications; there were none. Motion by Witte, second by Johnson to approve the agenda for the May 22, 2018 Parks, Recreation, and Culture Board Meeting.

2. Approval of Minutes from May 22, 2018 Parks, Recreation, and Culture Board Meeting

Motion by Johnson; second by Witte. Minutes were unanimously approved.

3. Gap Analysis, Sect I & II of Bike and Pedestrian Plan

Kernosky (Community Development Director) explained that the board had previously received maps to provide input on areas in the City where there are gaps in sidewalks and bike routes. He stated that he is still working on the bike routes, but the sidewalk gap map is included in the packet. We are trying to create connectivity, so we look for where sidewalks and trails end, and where they should be picked up to connect to another portion. Kernosky identified areas A through L and with internal staff and ranked them in priority. It's important to note that just because it's high in priority doesn't mean it's going to get done in the next year. A lot of times when you apply for cycling or trail grants, they want a plan that identifies areas that are a priority. In terms of this, what he's looking for from the board now is any comments or modifications on the gap analysis. Garvey asked if the County roads take precedence over the City roads. Kernosky said that they do not, those are the County's. However, the sidewalks on Heritage are the City's sidewalks, but the curb and road are the County's; the same with Whiskey Road.

Hearing no further comment, Kernosky moved on to the rough draft of Sections I and II of the bike and pedestrian plan. The first section is mainly background information; we talk about the plan, existing policies, and identify areas in those that could be changed to be more consistent throughout the City's Code. Goal 1A: codify existing policies – amend specific ordinances and chapters of the code to make sure there's more consistency. Goal 1B is to provide reasonable alternatives to trail locations, and Goal 1C is to enforce current construction standards on both new and replacement sidewalk and trails. It's straightforward background information so someone down the road can pick it up and understand why we created the plan. It also includes the 2017 trail plan for Isanti County and the prohibited bike rules we have downtown between normal business hours. Section II identifies existing facilities and community assets. It's a true inventory of our current sidewalk, trails, and bike lanes and identifies those in the maps. That helps with future planning to see where they are and where they need to go in the future. Community assets would include parks and recreation facilities, other municipal locations like City Hall and Police Station. We also looked at employment concentrations centers including Downtown, the Industrial Park, and commercial developments.

They're all put into one map, so when we start to look at future sidewalks, trails, and bike paths we can have a clear idea of where they're going and what their purpose serves. Witte asked if as houses are continued to be built on Whiskey approaching the S-curve if the sidewalk will be continued. Kernosky stated that Maplewood Ave will be extended eventually to loop around onto Rum River Drive, and it's included in the Code that sidewalk needs to be part of that. There is no sidewalk on the west side of Whiskey Road passed South Passage, it's just a dirt trail that snowmobiles use. Wimmer added that there is no City right-of-way there, it's just the County. He stated that on the east side of Whiskey there is sidewalk in the newly developed area, but through the last 40 years or so during development there was no solid policy in place about it. In those areas you'll see things like two blocks with sidewalk then two blocks without, and it was really just what the Council at the time thought. In 2005 or 2007 we did a number of things to try to change that, and then updated it in 2008/2009. The Council can at any point change that, but it makes it a little more difficult. That's why there's no sidewalk on the east side of Whiskey. We've talked to those homeowners and some want it and some don't. You'd in essence have to force them to give it up, which is not something we wanted to do there. The County has no right-of-way in there, and from a zoning standpoint it's meets and bounds, so it's kind of a hodgepodge.

Kernosky stated that he hopes to have the future sidewalk and trail map for the board, and there can be further discussion on that. Garvey asked if Kernosky just put the master plan together or if it was in place. Kernosky said it is a new document. It is part of the Comprehensive Plan update which is coming; that plan will have a non-motorized transportation component to it. Instead of having a two or three page portion of it, we might as well have a nice plan that we can follow for the next couple of years. Garvey told Kernosky he's done a great job putting it together.

4. Unity Parking Lot

Everett stated that the board had talked briefly about the wooden posts out at Unity after the park visits, and then Public Services Director/Assistant City Administrator Wood had been out doing some other work. They noticed that the remaining posts are really wobbly, and we're worried that if someone leans on one the wrong way we might run into some problems. The board hadn't decided what we wanted to replace them with, but we'd like to get the go ahead to take out what's there. If the board wants to have discussion about whether we need to have a replacement and what that would be, we can do that too. Garvey asked if we know the history of why they were put in in the first place. Everett said that she thought it was probably to keep cars off the grass, but they've been there for a long time. She said that we could do concrete bumpers if we're concerned about people leaving the lot, or we could wait to see it's a problem before we do something. Garvey stated that she doesn't like the concrete bumpers because it's more of a pain for maintenance to have to go around it, especially for plowing. If we're not plowing it's not a big deal. Everett stated that we did find an agreement and it is being plowed. Wimmer stated that he believed with the parking lot code we have to have some kind of buffer or inevitably you'll have people going there. If we take the wood posts out probably have to have something to put back in, but we can check with Kernosky to know for sure. Garvey agreed that we should probably have something, and the concrete bumpers are probably the cheapest alternative versus putting something similar back in. That would be something to come back with is alternatives and what the cost would be. Maybe we don't need as many bollards in place, or maybe there's another item we can't think of too. We could also strategize some areas that we'd need them in too. Witte asked if the posts are on the west side of the lot. Everett stated that they're between the lot and field. Wimmer stated that he thought there some on the school side too. Everett stated that she doesn't think there's anything between the lot and the street. Witte said that he was there Tuesday night playing church softball and people were parking on the grass between the lot and the school. Everett stated that she isn't sure if it's just our preference or if there's something in code stating that we need to stop that. Garvey stated that she'd like to see it come back with staff recommendation and some cost analysis of the options. Everett asked that if she does find out that we don't have anything stating that we have to have something, are we okay to take these out before we have a replacements? Or is the board's preference still to have a replacement as soon as those come out. Garvey stated that if it's a safety issue she thinks they should come out, and err on the side the safety aspect and at least try to get something in by next summer. Everett stated that she'd look into what the code says and would send an update out if something happens before the next meeting.

5. Fir Street Parcel Planning Timeline

Everett stated that she put together what the Board had discussed in a more concrete timeline. The board mentioned that it would be helpful to talk with the people that would be living around that future park to know what it is they want. Everett plugged in that for July she'd like to get a list of options that the board wants her to spend more time researching. We don't have any decisions that we need to make at this meeting, but in July we can kind of narrow those down into a few options that Everett can prices for and that kind of thing. That will give her time before the September meeting to present the costs for each of those and a draft site plan. Then from those options, the board will pick maybe up to 3 that we'd invite the public to choose from. In October, it would be on the regular meeting at the beginning. She included a 750 radius map that she adjusted a little bit to include the whole neighborhood. This gives an idea of who could be included in those invitations, but it can be adjusted however they see fit. Garvey stated that she thinks it's a good timeline and she thinks it's a good range. Witte asked if the board should pick three ideas. Everett said at the July meeting we can throw out all of the ideas and pick 4 or 5 or whatever, and then at the September meeting we will parse that down to what we really want the public to be choosing from. We may find during that process that there are two options that really make sense, it will just take some research. She included the options that were brought up previously including a basketball court or more of a picnic area with a shelter and grills and tables, and maybe a circuit exercise area. Wimmer stated that this won't be in next year's budget, so if we're rolling this out to the public a year and half before anything were to happen, that needs to be taken into consideration. Once you go down that path, people might want to start seeing things happen quicker what would possibly happen. Everett stated that part of this timeline is because of the application that stated that we intended to do something in 3 years, so this is our doing something. Wimmer stated that he is saying that we're going a lot farther down the field that you really need to fulfil that obligation, so if that's the only reason. He's just saying that if you're going to roll it out that way you'll need to have something that the Council has talked about and has planned to do because this isn't in any budget discussions at all. He just wants to make sure that this board knows that as well. Everett stated that we talked about that at the last meeting that it wasn't going to be a 2019 project. She stated that if Wimmer thinks it needs to go out farther, she is fine with that too. Wimmer stated that the planning needs to happen, but the rolling it out to the public with the reduced options is something that might wait. If it is rolled out they need to be made aware that it might a ways out, it'd be important to do that. Everett asked what the Board preferred: to go as far as picking options and then putting it on hold for future comp plan and that kind of thing. Witte agreed that if we show something to the public they're probably going to want to see it within the year. Garvey clarified that the first two items would be done and the third with the public would be down the road, and once we have an idea getting timeline. Then we have at least done the due-diligence of the planning and getting that process started. Witte stated that by that time the parcel might be filled with houses too.

6. Parks Updates

Everett stated that the scavenger hunt has started. Staff handed out a bunch of passports at the street dance, and there are some at BMX. She will bring some over to Allina for them to distribute too. There's at least one sitting at her desk that is already finished. They are open through August 3rd and 4:30. There are a couple of new things for the Grand Prize. Great Clips has donated a hair cut and some kid hair products. And Mississippi Biological has offered to do some butterfly kits. It's cool to get some business interest. Mississippi Biological does things like supplying caterpillars to science classrooms and things, there's an interesting business to have in town. Wimmer added that they're the largest supplier in the Midwest, and had been in St. Paul, and he is a great corporate citizen. Everett stated that last year we received comments that people wanted multiple drawings, so we will compile what we have. Wimmer stated that we'll do three prizes so it will be an escalating third, second, first. Again it's by drawing. All three will be worthwhile, but the top will still be significant. Everett shared that the first 100 are still getting a prize as well.

Everett stated that the first street dance went really well. We had a huge turnout for Hitchville. They were able to pull a lot of strings and get that show together in less than two weeks. Considering that we book all of our bands in January, that was a monumental task for them, so it was great that they were able to work with us to get that done. They also put on an awesome show that people really enjoyed. We have more food

vendors that we typically have, and everyone was still busy all night. Retail Meats was open for most of the event too. It's cool to see some downtown business involvement.

The next Curious Creatures is coming up July 10th and we still need more registrations. If there are other places we can advertise that, Everett is looking for suggestions. She has done Facebook ads and sent it out to the County daycare licenser, and all kinds of things that she can think of.

The community garden is growing very fast. Since the School for All Seasons didn't come back, the summer intern, Bree Erickson, was able to get some things planted. Everett believes that we did watermelon, cantaloupe and some kind of squash. The Grow Your Own program has planted some things and are planning to continue with the program through the season. As more produce starts coming in we'll start collecting for senior dining too.

The pollinator workshop had four adults and two children come. Everett has found that a lot of adults are interested in pollinators and they want to know what the whole deal is. It was a fun day, and Everett thinks everyone came away with something.

Before the next meeting is the July Street Dance. Jonah and the Whales is back on the 14th.

The parade is next Thursday, July 5th and Kids' Day is that Saturday. The rodeo is Friday, Saturday, and Sunday.

The farmers' market is also doing really well. Last week and this week, all of our booth spaces have been filled. There are a couple of new vendors joining this week, and more are asking questions each week too.

Everett stated that Soil and Water is also interested in doing some more cedar tree revetments at River Bluff. As long as we get official Council approval to spend that money, we'll do 150 more feet at the park. Garvey asked if they just keep us in mind for it. Everett said that this year they didn't have to start from the beginning with us. They work with a lot of private landowners too, so they visited all of the sites they have applications for and they knew we have a lot of area that can be done. They figured out how much funding they had remaining after their visits. Wimmer stated that it has been an excellent collaboration working with them.

7. Adjournment

Motion by Johnson, second by Witte to adjourn the June 26, 2018 meeting of the Parks, Recreation, and Culture Board. Motion was approved.

The meeting adjourned at 6:32 p.m.

Dated at Isanti, Minnesota this 26th day of June, 2018.

Respectfully submitted,

Katie Everett

Katie Everett
Parks, Recreation, and Culture Manager

CITY OF ISANTI
CITY COUNCIL MEETING
TUESDAY, JULY 3, 2018 – 7:00 P.M.
CITY HALL

I. Citizens Input

None.

II. Agenda

Mayor Wimmer called the meeting to order at 7:00 p.m.

The Pledge of Allegiance was recited.

Members Present: Mayor George Wimmer, Council Members: Dan Collison, Steve Lundeen, Paul Bergley, and Ross Lorinser

Members Absent: None.

Staff Present: City Administrator Don Lorsung, Human Resources / City Clerk Katie Brooks, City Attorney Clark Joslin, Police Lieutenant Travis Muyres, Economic Development Director Sean Sullivan, Community Development Director Ryan Kernosky, and Assistant City Engineer Jason Cook

Others Present: Isanti County Commissioner Mike Warring, Tony Golden, Carla Golden, Chris Mirschman, Sarah Kangas, Billy Ross, Rod Barrows, Maggie Penland, Angela Kersting, Abby Anderson, Nicole Muri, Patty Erickson

D. Adopt Agenda

Motion by Lorinser, second by Lundeen to approve the Agenda as presented. Motion carried.

E. Proclamations/Commendations/Certificate Awards

1. Presentation of Isanti GreenStep City Step Four Award

Mayor Wimmer explained that the Minnesota GreenStep Program is under the auspices of the MPCA. The program encourages communities to put more thought into their practices that would have beneficial economic and environmental impacts on the City. The City of Isanti was recently awarded the 4th Step and is by far the smallest community to receive recognition for that. Mayor Wimmer acknowledged Community Development Director Ryan Kernosky and Public Services Director/Assistant City Administrator Josi Wood as doing most of the work to make this happen.

F. Approve City Council Minutes

1. June 19, 2018 – Regular Meeting of the City Council

Motion by Lundeen, second by Lorinser to approve minutes as presented. Motion carried.

G. Announcements

1. **CITY OFFICES CLOSED**	Wednesday, July 4, 2018 *(In observance of Independence Day)*
2. City Council Meeting	Tuesday, July 17, 2018 at 7:00 p.m.
3. Planning Commission Meeting	Tuesday, July 17, 2018 at 7:00 p.m. *(Immediately following City Council Meeting)*
4. Park, Recreation, and Culture Board Meeting	Tuesday, July 24, 2018 at 6:00 p.m.

H. Council Committee Reports

Mayor Wimmer shared that there is a new hockey team that will be hosted at the ice arena in town. This had been worked on for quite some time and received approval through the David C. Johnson Board about a month ago and have had try-outs since then. They are the Rum River Mallards and will have their first game in September with a season running from September to March with several home dates, primarily on Saturdays, during the first year. It should be a fun and entertaining addition to the City.

I. Public Hearings

None.

J. Business Items

1. Discussion Regarding Hiring William (Billy) Ross III for Maintenance Technician II Position
    a. **Resolution 2018-157** Offering the Position of FT PW Maintenance Technician II to William (Billy) Ross III.

This had gone through Personnel Committee, but it was decided that it should be a Council discussion after no unanimous vote on the Personnel Committee was reached. The discussion was regarding an incident that occurred quite some time ago. During the discussion the Mayor addressed his concerns. Councilmember Bergley felt that based on the information Council had received all the necessary steps seemed to have been taken to resolve the issue.

Motion by Collison, second by Bergley to approve offering the position to the applicant. Motion carried 4-1, with Mayor Wimmer voting nay.

Assistant City Engineer- Jason Cook

2. **Resolution 2018-158** Approving Plans and Authorizing the Advertisement for Bids for 2018 Street and Utility Improvement Project

Motion by Collison, second by Bergley to approve the request. Motion carried.

K. Approve Consent Agenda

1. Consider Accounts Payable in the Amount of $221,063.57 and Payroll in the Amount of $97,248.86 and Second Quarter Payroll for Council, Boards and Commissions in the amount of $11,054.87
2. Final Meeting Minutes for the May 15, 2018 Planning Commission Meeting
3. Final Minutes of the May 22, 2018 Park, Recreation and Culture Board Meeting

Subject: A Resolution Approving a Special Event Permit Application for 2018 Minnesota State Series Qualifier Race

---

Background

Rum River BMX Association will be hosting the MN State Series qualifying race on August 5, 2018 from 9:00 am to 5:00 pm. The estimated number of individuals in attendance is 700-800. Parking for the event will take place on in Isanti Indoor Arena lot, with overflow at Bluebird Park at the northeast and south parking lots. Pop-up canopies may be set up east and south of the Indoor Arena; Rum River BMX will be responsible for any damages to grass or the irrigation system.

Restroom facilities will be provided by the Association for the event through Absolute Portables. The Association will be responsible for upkeep of all restroom facilities over the course of the event, including those on the south end of the Isanti Indoor Arena. The Association will be responsible for clean-up of the outside areas; the $100 clean up deposit is on file, and should Public Works need to clean the grounds for any reason, this check may be cashed. The standard public addressing system will be used throughout the event.

Special Event Permit application materials, including an event map, have been included for Council review.

Staff Request

City staff are requesting City Council's approval of the Special Event Permit application for the 2018 Minnesota State Series Qualifier Race.

RESOLUTION NO. 2018-XXX

RESOLUTION APPROVING A SPECIAL EVENT PERMIT APPLICATION FOR 2018 MINNESOTA STATE SERIES QUALIFYING RACE

WHEREAS, Rum River BMX Association submitted a Special Event application requesting approval to host the 2018 MN State Series Qualifying Race; and,

WHEREAS, the event is scheduled to take place on Sunday, August 5, 2018 from 9:00 a.m. to 5:00 p.m. at the Isanti Indoor Arena located at 101 Isanti Parkway NW; and,

WHEREAS, the estimated number of people to be in attendance is 700-800; and,

WHEREAS, the applicant would be required to provide additional portable restroom facilities for the event, in which the applicant will be contacting its current supplier to do so prior to the event; and,

WHEREAS, parking for volunteers, spectators, and participants will be at the Isanti Indoor Arena parking lot with overflow at Bluebird Park parking lots.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City Of Isanti, Minnesota to approve the special event request for the August 5, 2018 Minnesota State Series Qualifying Race event with the following conditions:

- No signage shall be posted for the event, unless allowed under Zoning Ordinance section 16, or a Temporary Sign Permit Application and fee are submitted.
- City staff recommend that tent stakes not be allowed in the irrigated area east of the Indoor Arena; if any irrigation lines are used, Rum River BMX Association will be billed for their repair.
- No vehicle parking will be allowed on the grass for this event.

AND FURTHERMORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota that this Resolution is hereby the "Permit" for the above stated Special Event.

This resolution was duly adopted by the Isanti City Council this 17th day of July, 2018.

-EVENT SPONSOR-
RELEASE AND INDEMNIFICATION AGREEMENT

City of Isanti

THIS IS A RELEASE OF LIABILITY INDEMNIFICATION AGREEMENT. SPECIAL EVENTS HOLDER MUST READ CAREFULLY BEFORE SIGNING.

In consideration for being permitted to engage in the following special event activities on property owned by the City of Isanti:
MINNESOTA BMX STATE QUALIFER AUGUST 5th 2018

Special Events Holder hereby acknowledges, represents, and agrees as follows:

A. We understand that the above described activities are or may be dangerous and do or may involve risks of injury, loss, or damage to us and/or third parties. We further acknowledge that such risks may include but not be limited to bodily injury, personal injury, sickness, disease, death, and property loss or damage, arising from the following circumstances, among others:
BMX PEDAL BIKE RACING

(Special Events Holder Initials Here) JM

B. If required by this paragraph, we agree to require each participant to our special event to execute a **RELEASE AND INDEMNIFICATION AGREEMENT** for ourselves and for the City of Isanti, on a form approved by the City of Isanti.

Participant Release and Indemnification required? YES ☑ NO ☐

(Special Events Holder Initials Here) JM

C. We agree to procure, keep in force, and pay for special event insurance coverage, from an insurer acceptable to the City of Isanti, for the duration of the above described activities.

(Special Events Holder Initials Here) _____

D. By signing this **RELEASE AND INDEMNIFICATION AGREEMENT,** we hereby expressly assume all such risks of injury, loss, or damage to us or any related third party, arising out of or in any way related to the above described activities,

whether or not caused by the act, omission, negligence, or other fault of the City of Isanti, its officers, its employees, or by any other cause.

(Special Event Holder Initials Here) _____

E. By signing this **RELEASE AND INDEMNIFICATION AGREEMENT,** we further hereby exempt, release and discharge the City of Isanti, its officers, and its employees from any and all claims, demands, and actions for such injury, loss or damage to us or to any third party, arising out of or in any way related to the above described activities, whether or not caused by the act, omission, negligence, or other fault of the City of Isanti, its officers, its employees, or by any other cause.

(Special Event Holder Initials Here) _____

F. We further agree to defend, indemnify and hold harmless the City of Isanti, its officers, employees, insurers, and self insurance pool, from and against all liability, claims, and demands, court costs and attorney fees, including those arising from any third party claim asserted against the City of Isanti, its officers, employees, insurers or self insurance pool, on account of injury, loss or damage, including without limitation claims arising from bodily injury, personal injury, sickness, disease, death, property damage or loss, or any other loss of any kind whatsoever, which arise out of or are in any way related to the above described activities, whether or not caused by our act, omission, negligence, or other fault of the City of Isanti, its officers, its employees, or by any other cause.

(Special Event Holder Initials Here) _____

G. By signing this **RELEASE AND INDEMNIFICATION AGREEMENT,** we hereby acknowledge and agree that said Agreement extends to all acts omissions, negligence, or other fault of the City of Isanti, its officers, and/or its employees, and that said Agreement is intended to be as broad and inclusive as is permitted by the laws of the State of Minnesota. If any portion thereof is held invalid, it is further agreed that the balance shall, notwithstanding, continue in full legal force and effect.

(Special Event Holder Initials Here) _____

H. We understand and agree that this **RELEASE AND INDEMNIFICATION AGREEMENT** shall be governed by the laws of the State of Minnesota and that jurisdiction and venue for any suit or cause of action under this agreement shall lie in the courts.

(Special Event Holder Initials Here) _____

I. This **RELEASE AND INDEMNIFICATION AGREEMENT** shall be effective as of the date or dates of the applicable special event, shall continue in full force until our responsibilities hereunder are fully discharged, and shall be binding upon us, or successors, representatives, heirs, executors, assigns, and transferees.

(Special Event Holder Initials Here) _____

IN WITNESS THEREOF, THIS RELEASE AND INDEMNIFICATION AGREEMENT is executed by the special event holder, acting by and through the undersigned, who represents that he or she is property authorized to bind the Special Events Holder hereto.

Subject: A Resolution Approving Additional Cedar Tree Revetment at River Bluff Preserve

---

Background

City of Isanti staff have worked with the Isanti Soil and Water Conservation District (SWCD) and Anoka SWCD on a cedar tree revetment project at River Bluff Preserve. Cedar tree revetments involve securing cedar trees to the river bank and planting trees within the project area. The cedar trees slow down the river current and collect sediment to rebuild the riverbank, slowing down and correcting erosion. The trees grown in the area will then stabilize the bank well into the future.

The City of Isanti's partnership with the Soil and Water Conservation Districts to put the revetments in place will be made possible through grants from the Outdoor Heritage Fund and Conservation Corps of Minnesota. The City's responsibilities will be to contribute 10% of the material and installation costs (estimated $746.01, not to exceed $820.61), and to agree to leave the revetment in place for 10 years. The revetment may require cedar trees to be removed from the portion of River Bluff Preserve.

The cedar tree revetments are not budgeted in 2018; however, the 2018 PRC-500 budget has adequate funding to cover the City's 10% contribution to the project.

Staff Request

It is requested that City Council consider approving the grants obtained through partnership with the Isanti Soil and Water Conservation District, approving the contract for construction and maintenance of the erosion control, and authorizing the unbudgeted amount, not to exceed $820.61, as required for the 10% contribution toward the grant for the project.

- Resolution No. 2018-XXX
    - Appendix A: Partnership Agreement for the Construction and Maintenance of Riverbank Erosion Control

RESOLUTION 2018-XXX

A RESOLUTION APPROVING ADDITIONAL CEDAR TREE REVETMENT AT RIVER BLUFF PRESERVE

WHEREAS, the City of Isanti, through a partnership with Isanti Soil and Water Conservation District (SWCD) had the opportunity to participate in a cedar tree revetment program to control erosion and rebuild the river bank at River Bluff Preserve in 2017; and,

WHEREAS, additional project areas to be completed in 2018 have been identified by Isanti SWCD; and,

WHEREAS, the project is made possible through grants from the Outdoor Heritage Fund and Conservation Corps of Minnesota; and,

WHEREAS, the grants require a 10% contribution toward construction costs by the City of Isanti, which will not exceed $820.61; and,

WHEREAS, the Finance committee discussed the project at its June 28, 2018 meeting and identified 101-45300-500 (PRC-Capital Outlay) as the appropriate funding source with adequate funds available; and,

WHEREAS, the City of Isanti will agree to keep the revetment in place over its effective lifetime (approximately 10 years); and,

WHEREAS, cedar trees are required for the construction and Isanti SWCD has identified trees appropriate for the project on the upper portion of River Bluff Preserve.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, to approve cedar tree revetment at River Bluff Preserve, including the following:

- Funding the previously unbudgeted 10% contribution, not to exceed $820.61 through 101- 45300-500
- Approving the Partnership Agreement for the Construction and Maintenance of Riverbank Erosion Control (attached as Appendix A)
- Removal and use of cedar trees from the upper portion of River Bluff Preserve in the revetment

This Resolution is hereby approved by the Isanti City Council this 17th day of July, 2018.

Attest:

Mayor George A. Wimmer

Katie Brooks
Human Resources/City Clerk

PARTNERSHIP AGREEMENT FOR THE CONSTRUCTION AND MAINTENACE OF RIVERBANK EROSION CONTROL

THIS AGREEMENT is made on this July 5, 2018 (Effective Date), by City of Isanti, (Owner) of the property located at River Bluff Preserve (Property), and Anoka Conservation District (ACD)

WHEREAS, ACD in cooperation with the Isanti Soil and Water Conservation District (Isanti SWCD) has initiated an erosion control program for the improvement of water quality and habitat creation along the Rum River, located in Isanti County, Minnesota, and

WHEREAS, in cooperation with the Owner, ACD intends to install a cedar tree revetment and willow stakes along approximately 150 feet of riverbank at the Property as shown on the attached **Exhibit A** (Project). This Project will benefit water quality in the Rum River and will benefit Owner's Property by providing stabilization, and

WHEREAS, ACD will coordinate construction of the Project, and

WHEREAS, Owner desires to maintain the Project to ensure Project success.

BE IT RESOLVED THAT, in consideration of mutual promises set forth herein and other good and valuable consideration, ACD and Owner agree as follows:

1) ACD will be responsible for coordination and installation of the Project.
2) ACD and Owner each agree that financial responsibility for construction of this Project shall be as shown in **Table 1** below:

Table 1. Financial Responsibility for Project

RESPONSIBLE PARTY	COST ($)	% OF TOTAL
Owner*	$746.01	10%
OHF/CCM** Grants	$7460.12	90%
TOTAL PROJECT COST	$8,206.14	100%

*The total Owner contribution cost will not exceed the amount shown, plus 10%, and will be based on actual materials and labor used.
**OHF= Outdoor Heritage Fund, CCM= Conservation Corps of Minnesota.

1. Under no circumstances will ACD be responsible for the on-going physical performance of the Project, or for any repairs, changes or alterations to the same and cost thereof.

Operation & Maintenance

2. The Owner agrees, at Owner's expense and at no cost to ACD, to:
   1) Maintain the project by not removing it.
   2) Check the cedar tree revetment for areas of continued erosion or trees lost to natural forces. Inform the ACD of any such issues. The ACD is under no obligation to incur costs for such corrective actions, but must advise the Owner of recommended actions.

3. The Owner assumes the full and sole responsibility for the maintenance of the Project over the effective life, a minimum of ten (10) years. Should the owner fail to maintain the Project or remove the during its effective life, the Owner is liable to ACD for up to 100% of the amount of financial and technical assistance provided, as identified in **Table 1**.

   The Owner is not liable to ACD for financial assistance provided to the Project if:
   1) ACD determines that the Project's failure was caused by reasons beyond the Owner's control,
   2) The Owner replaces the project in whole or part with measures of equal or better erosion control performance and ecological benefit, as determined by ACD. Note: A permit from the MN DNR and others is likely needed for any such work.
   3) The Owner has conveyed title to the Property, provided that the Owner notifies ACD at least 30 days prior to conveyance of the Property and facilitates communication between ACD and the new owner regarding continued maintenance of the Project, or

4. The Owner agrees to indemnify, defend, and hold harmless ACD and the Isanti SWCD from all present and future claims that may arise from the construction, maintenance and performance of the Project located on the Property.

5. The Owner shall allow ACD or Isanti SWCD staff to inspect the project, at reasonable times and with prior notice to the Owner. This paragraph does not create any right of public entry onto the Owner's property except as coordinated with Owner and accompanied by a representative of ACD or Isanti SWCD.

6. This agreement will remain in effect for ten (10) years after the Effective Date. Any modification or cancellation of this agreement shall be in writing and signed by both parties.

7. Any notice provided under this Agreement will be sent by certified mail, return receipt requested, or by personal service at the following addresses:

STAFF REPORT

TO: Mayor Wimmer
Members of the Isanti City Council

FROM: Ryan Kernosky, Community Development Director

DATE: July 17, 2018

SUBJECT: **PLANNING COMMISSION RECOMMENDATION FOR SEMLER CONSTRUCTION INC. TO OPERATE A TEMPORARY REAL ESTATE OFFICE AT 1302 MAPLEWOOD AVE SW**

Introduction
Semler Construction, Inc. has submitted an application for an Interim Use Permit to operate a Temporary Real Estate Office at 1302 Maplewood Ave SW. Under Section 6, Article 1, Subd. 5(B) Temporary Real Estate Offices are a permitted interim use, as long as they meet the requirements set forth in Section 13 of the Zoning Code.

Planning Commission Public Hearing
On July 3, 2018 the Planning Commission held a public hearing on this request. Members of the public spoke against the request from Semler Construction, citing several concerns that included traffic, safety of the children in the neighborhood, and home values.

Semler Construction representatives stated during the meeting that 3-4 vehicles would be on site, and that site leads would arrive in the morning, receive their assignments, and go to the job site. One or two individuals would be working during the normal businesses hours at the property.

Members of the Planning Commission questioned whether or not this use would be a *temporary real estate office* or more of a *contractor's shop.* For the Council's information, I have included the definition of contractor's shop below:

Contractor's Shop – "An establishment used for the indoor repair, maintenance or storage of a contractor's vehicles, equipment or materials, **and may include the contractor's business office.** This term includes, but is not limited to heating, air conditioning, painting, plumbing, roofing, electric and building."

I have also included the draft meeting minutes as part of the information packet.

Planning Commission Recommendation
The City Planning Commission has recommended denial due to the following reasons:

1) This use would change the characteristics of the neighborhood from Residential to Commercial.
2) As explained by the applicant, this would be a contractor's shop and not a temporary real estate office.

Findings of Fact and the resolution of denial are included in this packet.

CITY OF ISANTI
PLANNING COMMISSION
JULY 3, 2018

1. Meeting Opening.

A. Call to Order.

Chairman Wimmer called the meeting to order at 7:18 p.m.

B. Pledge of Allegiance.

The Pledge of Allegiance was recited.

C. Roll Call.

Members Present: George Wimmer, Steve Lundeen, Dan Collison, Ross Lorinser, Paul Bergley.

Members Absent: None.

Staff Present: Ryan Kernosky, Community Development Director.

1D. Agenda Modifications.

Director Kernosky stated that there is an addendum to the agenda, item #3 will now be "Oath of Office for New Planning Commissioner – Joey Lemay" all subsequent items will be renumbered accordingly.

Motion by Lundeen, seconded by Lorinser to adopted the modified agenda, approved unanimously.

2. Approval of the Minutes from the May 15, 2018 Planning Commission

Motion by Lundeen, seconded by Bergley to approve the minutes from the May 15, 2018 Planning Commission, approved unanimously.

3. Oath of Office for New Planning Commissioner – Joey Lemay

Joey Lemay recited the Oath of Office for Planning Commissioner. Subsequent to the Oath, Commissioner Lemay took his seat on the Planning Commission.

4. Public Hearings

A. Request from Semler Construction, Inc. for an Interim Use Permit to operate a Temporary Real Estate Office at 1302 Maplewood Ave SW (PID 161110200)

Chairman Wimmer opened the public hearing at 7:20 p.m.

Rick Parkos, 1200 Maplewood Ave SW – Mr. Parkos stated that the neighborhood was against the real estate office. He stated that there's a lot of kids in the neighborhood, a bus stop at the end of the street, and a park down the street. Mr. Parkos stated that he is worried about home values as a result in the increase in traffic, and again reiterated his concerns about the safety of the children in the area. Mr. Parkos presented a petition of twenty names and addresses of individuals in the neighborhood that were opposed to the use.

Patti Erickson, representing Semler Construction, Inc. – Ms. Erickson stated that this would be a construction office, which would include 3-4 vehicles. Individuals would come in the office in the morning, get their job assignments, and leave to go to their jobs sites. After that point, there would be one or two employees at the property during the day. Ms. Erickson stated that there will be no more activity around the home than what's existing with new home construction.

Commissioner Collison asked if Ms. Erickson had any pictures of the home or the site.

Ms. Erickson stated that the home is a single-family home, slab on grade. She stated that the exterior will remain the same, and that she will have her office in the living room.

Commissioner Collison inquired about potential signage.

Ms. Erickson stated that there would only be a sign on the door, and not in the front yard.

Commissioner Bergley stated he thought it was intended to be a model home to show the development.

Chairman Wimmer stated that the Commission should take more public hearing before further discussion occurs.

Abigail Anderson, 1101 South Passage SW – Ms. Anderson questioned whether or not this use would impact their property values.

Chairman Wimmer stated that the City wouldn't know but would discuss it after the public hearing.

Seeing no further public comment, Chairman Wimmer closed the public hearing at 7:27 p.m.

Chairman Wimmer stated that there's a few things to consider. The City does allow a home occupancy and has recently approved one, but the difference was that the individual lived at the home in which they had their business. Chairman Wimmer stated that this is a residential neighborhood and that people purchase homes in the neighborhood for that reason. The Chairman stated that the Commission should consider whether or not this use could be somewhere else in the City, outside of the residential neighborhood. Finally, the Chairman stated that he understood why Semler Homes would want to use this space, however because of the proposed use of the property, he has concerns about approving this use.

Commissioner Lorinser stated that this use was different from what the City has seen in the past. Historically, he stated, the developer may have a few model homes with an office set up for marketing their development. Commissioner Lorinser stated that he felt this was setting up an office in a residential area, not a commercial area, and that he was worried about setting precedent for other developers and businesses to request the same use.

Commissioner Collison asked about what the definition of "temporary" meant.

Director Kernosky stated that interim uses are designed to be temporary in nature. He stated that the City's Zoning Ordinance allows for temporary real estate office as an interim use permit until 85 percent of the development is completed, or when the City places a sunset clause on the interim use permit. Kernosky stated that staff conditioned that this use would sunset on June 30, 2020.

Commissioner Lorinser stated that the Commission was just told that this use is not consistent with a temporary real estate office by Semler Homes, but rather a construction office.

Commissioner Collision asked if anyone would be living in the home.

Ms. Erickson stated that no one would be living in the home. She stated that the building they are currently in sold and that Semler Construction needs to be out of the property by August 1st. She stated that this would be temporary until they would be able to find a commercial office building.

Chairman Wimmer asked how long they intend to stay at the subject property.

Ms. Erickson stated until June 30, 2020 and will be marketed for sale after that point.

Commissioner Bergley asked about whether or not the concern about children and traffic has been studied.

Chairman Wimmer stated that the City has not had a study on this, and wasn't necessarily concerned about traffic, but rather the character of the neighborhood and the precedent of allow businesses within residential zoning districts.

Commissioner Lorinser stated that some of the other home occupations bring in more traffic but reiterated his concerns about setting precedent of allowing this use in residential zoning districts.

Chairman Wimmer stated that Semler Construction should have reached out to the neighborhood, but even if they would have, he would still have concerns about the characteristics of the neighborhood and precedent setting. He also stated that the final recommendation will be sent to City Council

Commissioner Collison asked whether or not Semler Construction reached out to anyone at City Hall for potential leads on commercial real estate.

Ms. Erickson stated that they are working with a realtor. She also asked whether or not Semler Construction would fit within the requirements of an interim use permit.

Director Kernosky stated that staff, working with Semler Construction, was under the impression that one individual would be operating out of this home and that the home would be used as a model home for potential buyers. Because of that, his interpretation was that this would be sufficient to meet the terms of a temporary real estate office within the zoning code. Mr. Kernosky stated that the Commission may impose conditions similar to a conditional use permit. Mr. Kernosky stated that the original understanding that one person at the subject property along with the model home component would fit within the zoning code.

Chairman Wimmer stated that he disagreed with staff, and that how the use was presented tonight is not consistent with the zoning code.

Ms. Erickson stated that she would generally be the only person at the property throughout the day, minus the two or three people who would show up in the morning for their assignments. She also stated that they have a realtor on staff, but the home wouldn't be actively on the market while they use the property as an office.

Commissioner Bergley encouraged the applicant to approach the neighbors to address their concerns.

Commissioner Collison stated he was confused as to why there was specific office hours, and how would the public know when those were.

Ms. Erickson stated that they may have a meeting with a potential home owner at the property during those hours.

Commissioner Lorinser stated that if the property was used as a temporary model home and real estate office, he would be supportive. However, because the use is more intense than previously

thought and within a residential zone, and because of the length of time of the use, he had concern about the request.

Motion by Lorinser, second by Bergley to recommend denial of the request for an interim use permit by Semler Construction for the property at 1302 Maplewood Ave SW for the following reasons:

1) It would change the neighborhood character.
2) It would be a construction office, and not a temporary real estate office.

Motion passed unanimously.

5. Adjournment

Motion by Lundeen, second by to Bergley to adjourn the July 3, 2018 meeting of the Planning Commission. Motion was unanimously approved.

The meeting adjourned at 7:44 p.m.

Dated at Isanti, Minnesota this 10th day of July, 2018.

Respectfully submitted,

Ryan Kernosky
Community Development Director

RESOLUTION NO. 2018-XXX

A RESOLUTION DENYING AN INTERIM USE PERMIT FOR THE OPERATION OF A TEMPORARY REAL ESTATE OFFICE FOR SEMLER CONSTRUCTION, INC. FOR THE PROPERTY LOCATED AT 1302 MAPLEWOOD AVE SW (PID 161110200)

WHEREAS, Semler Construction, Inc (applicant) has applied for an Interim Use Permit to operate a Temporary Real Estate Office on the property at 1302 Maplewood Ave SW (PID 161110200); and,

WHEREAS, the subject property is legally described as Lot 6, Block 4, Rum River Meadows 2nd Addition; and,

WHEREAS, the subject property is located within the R-1 Single Family Residential District and an Interim Use Permit for Temporary Real Estate Offices is required under Section 6, Article 1, Subd. 5(B); and,

WHEREAS, pursuant to Section 21, Article 3, Subd. 4, a public hearing was conducted during a special City Planning Commission meeting on July 3, 2018, and all property owners within 350' of the subject parcel were notified via US Mail about the public hearing, and the legal posting of the public hearing was published on June 21, 2018 in the *Isanti County News*; and,

WHEREAS, the City of Isanti Planning Commission has recommended denial of the request, and upon the information found in the Facts and Conclusion; and,

WHEREAS, the City of Isanti City Council reviewed the requested Interim Use Permit at its regularly scheduled meeting on July 17, 2018.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota that it denies the request for an interim use permit from Semler Construction Inc. to operate a temporary real estate office at 1302 Maplewood Ave SW, legally described as Lot 6, Block 4, Rum River Meadows 2nd Addition; and,

BE IT FURTHER RESOLVED by the City Council of the City of Isanti, Minnesota that it adopts the Findings of Fact and Conclusion related to the denial of the aforementioned request.

This Resolution is hereby approved by the Isanti City Council this 17th day of July, 2018.

_____
Mayor George A. Wimmer

City Clerk/Human Resources

FINDINGS OF FACT AND CONCLUSION

Request
Request from Semler Construction for an Interim Use Permit to operate a Temporary Real Estate Office at 1302 Maplewood Ave SW, legally described as Lot 6, Block 4, Rum River Meadows 2nd Addition.

Findings of Fact

1. The petitioner, Selmer Construction Inc, owns the property on which the applicant to proposing to operate a temporary real estate office at the subject property.
2. The property, 1302 Maplewood Ave SW is legally described as Lot 6, Block 4, Rum River Meadows 2nd Addition.
3. The property is zoned "R-1" Single Family Residential District, in which Temporary Real Estate Offices are considered a permitted Interim Use and regulated by Section 13 of the City of Isanti Zoning Code.
4. The petitioner submitted a complete Interim Use Permit Application on June 8, 2018. Pursuant to Minnesota State Statute, the City must act on this request by August 9, 2018 (60-day rule).
5. A public hearing date before the Planning Commission was scheduled for Tuesday July 3, 2018 at 7:00 pm at City Hall within the City Council Chambers.
6. Notice of the Interim Use Permit was published within the *Isanti County News* on Thursday June 21, 2018. Notices were sent to all property owners located within 350 feet of the subject property.
7. Section 21, Article 3, Subd. 5 of the Isanti Zoning Code establishes criteria in which the judgement of the Planning Commission and City Council shall be based upon when reviewing an Interim Use Permit.

Conclusions

1. After taking testimony from the applicant and the public, the City Planning Commission has deemed that the proposed use is not consistent with the definition of "Temporary Real Estate Office" for the following reasons:
    a. The applicant stated three to four vehicles may be at the subject property, and that site superintendents would be on site in the mornings for job assignments before leaving. This would no longer be considered a "Real Estate Office" and instead would be considered a "Contractor's Shop" which is prohibited in the R-1 Zoning District.

Decision
The Planning Commission reviewed the request in a public hearing on **July 3, 2018.** After the public hearing, the Planning Commission has recommended denial for the following reasons:

1) The use would change the residential characteristics of the neighborhood by allowing a business to operate out of an unoccupied home.
2) The use does not comply with the definition of 'Temporary Real Estate Office'

MEMORANDUM

Date: June 26, 2018

To: Mike Betker, Finance Director

From: Bradley C. DeWolf, P.E.
City Engineer

Jason W. Cook, P.E.
Assistant City Engineer

Subject: Dogwood Street Pond Maintenance
City of Isanti, MN

Bolton & Menk, Inc. completed a survey of the ponding area north of Dogwood Street. This survey was used to determine the extents of the needed pond maintenance to restore the pond to its original intended function.

Attached is a figure depicting the limits of this work. Items that fall within the proposed disturbance limit include:

1. Wood plank channel
2. Four landscaping areas
3. Three planted shrubs and trees
4. 6-inch wood plank retaining wall
5. 4 residential chain-link fences

The restoration would include the following:

1. Removal of the above items (if not completed by the resident)
2. Access site off Cottonwood Street SW
3. Excavate up to 1-foot deep to restore original ponding area
4. Restore site with topsoil and sod, including access route
5. Restore property corners where any pins are removed.

The estimated project cost for the above work, (excluding costs to remove and replace fencing and landscaping) is estimated at $20,000. This includes engineering services Bolton & Menk would complete for a fee of $5,000 in addition to the fees council approved for the 2018 Pond Maintenance Improvements that have not been constructed.

The storm water maintenance plan budget included $3,000 to access this site and clean out the existing box channel that is full of sediment as originally directed when the maintenance plan report was drafted.

City staff have historically accessed this site every 3-5 years to clear out the existing channel, if the above restoration is not completed, the City would need to budget for $3,000 every 3 years to clear the channel. Once the restoration is completed, it is anticipated maintenance work to restore the pond grades again would not be needed again for approximately 20 years.

Please contact me at (612) 756-1032 if you have any questions or need additional information.

2018 STORM SYSTEM MAINTENANCE
DOGWOOD POND RESTORATION LIMITS MAP

FIGURE 1 OF 1

RESOLUTION 2018-

A RESOLUTION AUTHORIZING ENGINEERING SERVICES AND WORK FOR DOGWOOD STREET POND MAINTENANCE

WHEREAS, the City has adopted a 5 Year Storm Water System Maintenance plan to inspect, perform maintenance and restore the discharge points and ponds per compliance as a Municipal Separate Storm Sewer System community; and,

WHEREAS, a further evaluation was completed, including a survey, of the Dogwood Street Storm Water Pond; and,

WHEREAS, it was determined that the Dogwood Street Storm Water Pond was in need of more restoration versus a cleanout of an existing channel as was previously included in the Storm Water Pond Maintenance Plan; and,

WHEREAS, Bolton and Menk, Inc. has provided a proposal for the Dogwood Street Pond Maintenance in the amount of $15,000.00 and Engineering, not to exceed, $5,000.00 for a total of $20,000.00; and,

WHEREAS, the approved Maintenance Plan budgeted $3,000.00 for the original work leaving $17,000.00 to be funded by Storm – Engineering (303) for $5,000.00 and a budget adjustment to reduce Storm – Engineering (303) and increasing Storm – Capital Outlay (500) for remaining project costs; and,

WHEREAS, the Finance Committee recommends approval of the work and services by Bolton and Menk, Inc. as determined per this Resolution;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to hereby accept the proposal by Bolton and Menk, Inc. for the Dogwood Street Pond Maintenance work in the amount of $20,000.00.

This Resolution is hereby approved by the Isanti City Council this 17th day of July, 2018.

MEMORANDUM

Date: July 10, 2018

To: Honorable Mayor Wimmer and Members of the City Council

From: Bradley C. DeWolf, P.E.
City Engineer

Jason W. Cook, P.E.
Assistant City Engineer

Subject: Approval of Plans and Authorization to Advertise for Bids
2018 Storm System Maintenance
City of Isanti, MN
BMI Project No.: R13.115874

We request that the City Council approve the plans and specifications, entitled "2018 Storm System Maintenance", and authorize advertisement for bids.

Following is the schedule for the 2018 Storm System Maintenance project:

Approve Plans & Specs, Authorize Advertisement for Bids	July 17, 2018
Open Bids	August 14, 2018
Commence Construction	August 21, 2018
Substantial Completion of Construction	March 1, 2019

We are requesting that the City Council approve plans and specifications and authorize advertisement for bids.

Jason will be at the July 17, 2018 City Council meeting to respond to any questions you have concerning the approval of plans and specifications or the authorization to advertise for bids.

Please contact me with any questions or if you would like any additional information prior to the meeting as well.

Bolton & Menk is an equal opportunity employer.

RESOLUTION 2018-

RESOLUTION AUTHORIZING ADVERTISEMENT FOR BIDS FOR THE 2018 STORM SYSTEM MAINTENANCE PROJECT

WHEREAS, the City has adopted a 5 Year Storm Water System Maintenance plan to inspect, perform maintenance and restore the discharge points and ponds per compliance as a Municipal Separate Storm Sewer System community; and,

WHEREAS, the City has planned this year's maintenance in accordance with year's one and two of the Storm System Maintenance Schedule including restoring Dogwood Street Pond to its original intended function; and,

WHEREAS, the plans and specifications have been completed for these improvements in accordance with direction from City staff and the Finance Committee;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota as follows:

1) That the City shall approve the plans and specifications entitled "2018 Storm System Maintenance" as completed by Bolton & Menk, Inc.

2) That the City shall authorize the advertisement for bids.

This Resolution is hereby approved by the Isanti City Council this 17th day of July, 2018.

City of Isanti
Economic Development Authority
Regular Meeting Minutes of
June 5, 2018
Isanti City Hall

1. Call To Order

The meeting was called to order by President George Wimmer at 7:21 p.m.

a. Pledge of Allegiance

b. Roll Call

Members Present:	Tara Hallberg, Steve Lundeen, Ross Lorinser, Dan Collison, Jill Reller and George Wimmer
Members Absent:	Paul Bergley
Staff Present:	Economic Development Director Sean Sullivan

c. Agenda Modifications

2. Approval of Agenda

Motion by Commissioner Lundeen, seconded by Comissioner Collison to approve agenda as presented. Motion carried unanimously.

3. Approve Minutes of May 1, 2018 Regular Economic Development Meeting

Motion by Commissioner Collison seconded by Commissioner Lundeen to approve the minutes for May 1, 2018. Motion carried unanimously.

4. Consider Change to City Promo Bag Program

Economic Development Director Sullivan presented the staff memo. He indicated that MYAS changed their system for this year's qualifiers. The Isanti Complex will not be hosting the event this year. Events will be held throughout the state rather than at central locations.

President Wimmer stated the Promo Bag program has been very successful and participation by businesses has been good. He agreed with the change in schedule.

Motion by Commissioner Lundeen seconded by Commissioner Collison to adopt revised event distribution schedule that includes July 6-7 Rodeo – 350, August 11 Celebrate Isanti- 100 and August 24-25 State BMX Finals – 350 Motion carried unanimously.

5. Hotel Update

Economic Development Director Sullivan stated that the formal groundbreaking occurred on June 5, 2018 and was well attended. It is a project that has been worked on for a long time and will be the catalyst for the City redevelopment project. Included in this project will be the construction of Richard Street SE and the Extension of 5th Avenue NE. Penny Lane SE is no longer open.

President Wimmer stated that this project would also allow the City to loop the utilities which is important to the City system.

6. Other Business / Updates

Economic Development Director Sullivan highlighted the Staff Memo. Sullivan updated the information on housing starts to 40 new permits pulled with 6 in process.

President Wimmer was happen with the response rate of the new resident surveys.

Commissioner Lundeen asked when the Hotel would be completed.

President Wimmer indicated the build time would be between 7 to 9 months based on discussion with developer.

Commissioner Collison asked what was going on with Pat's Small Engine's

Economic Development Director Sullivan stated that were building a new building in East Bethel and that they would be phasing the move to that location when complete.

MEMO

To: Mayor Wimmer and City Council

From: Don Lorsung, City Administrator

Date: June 29, 2018

Subject: Official Newspaper

This Isanti County News (ICN) has switched from a delivery to subscription based mailed distribution system. The most recent numbers (as of 6/21/18) was 1564 requesters (55040 zip code). They also distribute 225 copies at various locations in Isanti. ICN has made a proposal to reduce the cost from $4.77 per column inch (11 lines per inch) to $2.50 per column inch. The 2018 quote from the County Star was $2.50 per column inch (9 lines per inch), with 1710 distributions in City of Isanti. Finance Director Mike Betker has calculated that the rate change will save approximately $1,652.00 in publishing costs over the remainder of the year.

DOAC has reviewed this matter and is recommending approval of the revised rate from ICN. Attached is a proposed resolution for your consideration.

RESOLUTION 2018-xxx

RESOLUTION ACCEPTING OFFICIAL CITY NEWSPAPER RATE CHANGE

WHEREAS, the City is required to make certain official appointments at the beginning of each year; and,

WHEREAS, the City requested and received bids and designated the Isanti County News as the official city newspaper for 2018; and,

WHEREAS, the Isanti County News has changed from a delivery to mailed subscription distribution system. This has resulted in initial lower newspaper distribution for the newspaper in the City of Isanti; and,

WHEREAS, the Development and Operations Advisory Committee has reviewed this matter and due to this situation is recommending acceptance of a reduced rate for City of Isanti publications in the Isanti County News:

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota as follows:

1. That the City accepts the Isanti County News proposal for a new rate of $ 2.50 per column inch, at 11 lines/inch, 6 point type.

This Resolution is hereby approved by the Isanti City Council this 17th day of July, 2018.

Attest:

Mayor George A. Wimmer

Katie Brooks
Human Resources/City Clerk

MEMO

To: Mayor Wimmer and City Council

From: Don Lorsung, City Administrator

Date: July 3, 2018

Subject: Updated Credit Card Policy

The Finance Committee has reviewed the use of City credit cards. After the review, staff has prepared updates to the current City Credit Card Policy. These include: 1) Update and clarification of staff who may use the City Credit Card for general purchasing, 2) New language regarding use of the City Credit Card for lodging (training only), 3) Update and clarification on use of fleet fuel cards and, 4) Update of consequences for misuse of the City Credit Card. The updated policy has been reviewed by the City Attorney.

Attached is a proposed Resolution with the updated policy and forms.

RESOLUTION 2018-XXX

A RESOLUTION ADOPTING AN UPDATED CREDIT CARD USE POLICY

WHEREAS, pursuant to MN Statute 471.382, the Isanti City Council may authorize the use of a credit card by any City officer or employee otherwise authorized to make a purchase on behalf of the City; and,

WHEREAS, the City Council had adopted Resolution 2005-011, a Credit Card Policy, in 2005 to provide guidance and instructions regarding use of the City credit and fuel cards; and,

WHEREAS, the policy has been reviewed and updated to reflect changes in staff authorization and use of City credit and fuel cards.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota that the attached updated City of Isanti Credit Card Use Policy is hereby approved.

This Resolution is hereby approved by the Isanti City Council this 17th day of July, 2018.

Attest:

Mayor George A. Wimmer

Katie Brooks
Human Resources/City Clerk

CITY OF ISANTI CREDIT CARD USE POLICY

As per MN Statute 471.382, the Isanti City Council may authorize the use of a credit card by any City officer or employee otherwise authorized to make a purchase on behalf of the City. If a City officer or employee makes or directs a purchase by credit card that is not approved by the City Council, the officer or employee is personally liable for the amount of the purchase. All purchases by credit card must otherwise comply with all statutes, rules and policies applicable to City purchases. The City Council shall approve the establishment of all credit card accounts.

MN Stat 412.271 Subd 2 MN Stat 471.38 Subd 1	Bills from credit card companies do not contain the detail necessary to satisfy the requirement that claims presented to the City for payment must be in writing and itemized. Therefore, invoices and receipts for all items charged must be retained. A list of all credit card charges will be included with monthly expenditures for council review and approval.
MN Stat Ch 475	Credit card use must also comply with laws concerning borrowing. Credit cards will not be used for carrying debt. The entire card balance shall be paid in full each month.

Purpose

This policy is designed to provide guidance and instructions to the people involved in the use of credit cards. It sets forth the authority and responsibility of those participating in the system. It establishes policies, procedures and regulations.

Guidelines

Credit cards are for efficiency in purchasing items through the Internet, securing hotel and travel reservations, and purchases of goods and services for the City of Isanti where the use of the credit card is the most efficient and expedient mean of purchase. Credit cards are not to be used for daily purchases of fuel, services, or supplies. Any purchase over $1,000.00 to be made by credit card is to be pre-approved by the Finance Director or City Administrator. Credit cards will have a limited credit line.

Employees authorized to use the City of Isanti's credit card(s) include all positions at the Department Head or Manager level. Other positions may be authorized usage upon approval by the City Finance Committee. Authorized persons will receive, sign and file an acknowledgment form regarding credit card use (see attached).

Other City personnel, as authorized by the Finance Director may utilize the credit card for lodging expenses for training purposes only. City Personnel utilizing a credit card for lodging expenses for training purposes shall sign a Credit Card Authorization form prior to issuance of the City credit card.

Employees authorized to use the City of Isanti's fuel credit card(s) include those employees who are assigned and/or authorized to operate City vehicles and motorized equipment for work purposes. Purchases shall be for vehicle fuel, oil and other items related to the operation of the vehicle for that department. Each employee will sign the sales slip and indicate the vehicle and department that the purchase applies to.

No employee will intentionally use a City credit card for personal purchases. Unauthorized use or abuse of a City credit card may result in disciplinary action, up to and including termination of employment.

Supporting documents and/or invoices will be submitted to the Finance Department to be reconciled with the credit card statement and attached to the claim for payment processing. Department Heads shall review all credit card purchases made on behalf of their department and recommend or deny approval for payment. The Finance Department shall keep a record of all persons issued a credit card or having authorization to use a City credit card.

CITY OF ISANTI
CREDIT CARD POLICY
ACKNOWLEDGMENT

The City of Isanti is authorizing you to use one of its credit cards on its behalf. It is important that you understand the rules regarding its use. If the rules are not followed the City may cancel the card and you may be personally liable for any misuse.

- ☐ Credit cards may only be used for appropriate City business. Personal use may be grounds for discipline, up to and including termination.

- ☐ The credit card shall not be used to obtain a cash advance.

- ☐ The credit card must be protected from theft or unauthorized use.

- ☐ The Finance Department must be notified immediately if the card is lost, stolen or if you suspect unauthorized use.

- ☐ The credit card must be returned to the Finance Department after the purchase is transacted. If a credit card is issued for travel lodging expense, it must be returned once travel for work has been completed and the employee returns to work. A Credit Card Authorization form must be completed for any credit card issued for travel.

- ☐ Department Heads must be sure there are budgeted funds available to pay for credit card purchases.

- ☐ All purchases made using a credit card must have the approval of the Department Head and Finance Department.

- ☐ All charges shall be documented by receipts, and any charges not documented are unauthorized and shall be the responsibility of the card user. If the user fails to reimburse the City, the amount owed will be withheld from the employee's paycheck.

- ☐ Receipts or invoices for each credit card use must be signed and submitted in a timely manner to the Finance Department for processing.

- ☐ The user (not the city) will be responsible for interest charges accrued due to delayed submission of receipts and payment requests.

- ☐ I have read the above statements and the attached Credit Card Use Policy and agree to abide by same.

Signature Date

Credit Card Use Authorization (Lodging)

By signing this document and taking possession of this City Credit Card, I understand and agree to the following:

1) This card is to be used to secure and expedite lodging accommodations as detailed in the approved training/travel request form on file at City Hall.

2) This card is not to be used for any other purpose.

3) Using this card for any purpose other than the intended and declared use; as noted above, may result in disciplinary action up to and including termination of employment.

4) This card will be returned to the Finance Director immediately upon returning to work.

5) If more than one City Staff is traveling and both will use this card, the highest ranking City official in attendance will maintain possession of this card at all times.

6) Use of this card is not required for securing lodging accommodations and staff may choose to forgo use of this card.

I, _____ have read this document, understand the potential implications and consequences of using this card and agree to abide by the above detailed terms of use.

RESOLUTION 2018-XXX

A RESOLUTION APPROVING EXEMPT GAMBLING PERMITS TO THE RUM RIVER BMX ASSOCIATION

WHEREAS, the Rum River BMX Association has applied for three Exempt Gambling Permits for 50/50 raffle events to be held at the upcoming BMX Races on August 5th, 2018, August 25th, 2018, and August 26th, 2018 at the Isanti Indoor Arena, 101 Isanti Parkway NW, Isanti, MN 55040; and,

WHEREAS, the value of prizes for each raffle will be less than $1,500; and,

WHEREAS, the Association's proceeds are to be used for normal operating expenses; and,

WHEREAS, the City of Isanti has no objection to the conduct of lawful gambling by the applicant, in accordance with law, at the designated location; and,

WHEREAS, the applicant, Sean Wilson, successfully passed a background check by the Isanti Police Department.

NOW THEREFORE BE IT RESOLVED by the City Council of the City of Isanti, Minnesota to approve an Exempt Gambling Permit to the Rum River BMX Association for the upcoming BMX Races on August 5th, 2018, August 25th, 2018, and August 26th, 2018 at Isanti Indoor Arena, 101 Isanti Parkway NW, Isanti, MN 55040.

This Resolution is hereby approved by the Isanti City Council this 17th day of July, 2018.

RESOLUTION 2018-XXX

RESOLUTION AUTHORIZING CHIEF GENE HILL TO CARRY OVER EXCESS VACATION HOURS

WHEREAS, the City has a vacation use policy where employees must use their vacation, as provided, and on the employee's anniversary date employees are allowed to only carry over a maximum of their annual accrual rate plus forty-eight hours - all other hours in excess of the allowed amount is forfeited by the employee - unless City Council approval is obtained to carry over the excess amount; and,

WHEREAS, On July 1, 2018 Chief Hill reached his anniversary date and will lose 16.25 hours of vacation since he was unable to take vacation before his anniversary date; and,

WHEREAS, the Personnel Committee has recommended on June 28, 2018 to allow Chief Hill to carry over his vacation for an additional month effective July 1, 2018 and is expected to use his excess vacation hours by July 31, 2018; and,

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota as follows:

1. Chief Gene Hill shall be allowed to carry over his excess vacation hours of 16.25 until July 31, 2018.

This Resolution is hereby approved by the Isanti City Council this 17th day of July, 2018.

Attest:

Mayor George A. Wimmer

Katie Brooks
Human Resources/City Clerk

City of Isanti
Economic Development Authority
Regular Meeting Minutes of
July 3, 2018
Isanti City Hall

1. Call To Order

The meeting was called to order by President George Wimmer at 7:11 p.m.

a. Pledge of Allegiance

b. Roll Call

Members Present:	Paul Bergley, Steve Lundeen, Ross Lorinser, Dan Collison, Jill Reller and George Wimmer
Members Absent:	Tara Hallberg (Excused)
Staff Present:	Economic Development Director Sean Sullivan

c. Agenda Modifications

2. Approval of Agenda

Motion by Commissioner Lundeen, seconded by Comissioner Collison to approve agenda as presented. Motion carried unanimously.

3. Approve Minutes of June 5, 2018 Regular Economic Development Meeting

Motion by Commissioner Collison seconded by Commissioner Bergley to approve the minutes for June 5, 2018. Motion carried unanimously.

4. Consider Resolutions 2018-2 and 2018-3 Awarding Quote for Lease of City of Isanti EDA Owned Crop Land

Economic Development Director Sullivan read aloud the bids received for Parcel A (82.7 acres "more or less") and Parcel B (4 acres "More or less"). The bids received were as follows:

Parcel A

Wayne Calander, Calander Farms	$5,561.00
Craig Bjorklund, Bjorlund Farms	$2,915.00

Parcel B

Craig Bjorklund, Bjorklund Farms	$141.00 / year contingent on access from "Johnson Property"

Sullivan asked the EDA to consider adoption of Resolution 2018-2 awarding the lease to Wayne, Calander, Calander Farms for $5,561.00 and Resolution 2018-3 awarding lease to Craig Bjorklund, Bjorklund Farms for $141.00.

Commissioner Lorinser asked if the City has had issues recently with farmers.

President Wimmer stated that the City has not had any issues recently with farmers.

Motion by Commissioner Lundeen seconded by Commissioner Collison to adopt Resolution 2018-2 and Resolution 2018-3 and to direct Staff to execute crop leases. Motion carried unanimously.

5. Other Business / Updates

Economic Development Director Sullivan highlighted the Staff Memo. He stated that there were two new businesses not listed on the Staff memo. They included: Rum River Mallards (USPHL Hockey Team) and CMK Financial Services LLC (Tax preparation). Sullivan updated the information on housing starts to 48 new permits pulled with 6 more in process which is ahead of last year's pace.

a. Business Prospects

e. 2018 New Resident Survey
f. Welcome Brochure
g. Housing Starts in 2018
h. Business Arrivals and Departures in Isanti 2018

6. Adjournment

Motion by Commissioner Lundeen, seconded by Commissioner Collison to adjourn at 7:16 pm. Motion carried unanimously.

Dated at Isanti, Minnesota, this 3rd day of July, 2018.

Respectively Submitted,

_____

Sean M. Sullivan, Economic Development Director

CITY OF ISANTI
PLANNING COMMISSION
JULY 3, 2018

1. Meeting Opening.
A. Call to Order.
Chairman Wimmer called the meeting to order at 7:18 p.m.

B. Pledge of Allegiance.
The Pledge of Allegiance was recited.

C. Roll Call.
Members Present: George Wimmer, Steve Lundeen, Dan Collison, Ross Lorinser, Paul Bergley.

Members Absent: None.

Staff Present: Ryan Kernosky, Community Development Director.

1D. Agenda Modifications.
Director Kernosky stated that there is an addendum to the agenda, item #3 will now be "Oath of Office for New Planning Commissioner – Joey Lemay" all subsequent items will be renumbered accordingly.

Motion by Lundeen, seconded by Lorinser to adopted the modified agenda, approved unanimously.

2. Approval of the Minutes from the May 15, 2018 Planning Commission
Motion by Lundeen, seconded by Bergley to approve the minutes from the May 15, 2018 Planning Commission, approved unanimously.

3. Oath of Office for New Planning Commissioner – Joey Lemay
Joey Lemay recited the Oath of Office for Planning Commissioner. Subsequent to the Oath, Commissioner Lemay took his seat on the Planning Commission.

4. Public Hearings

A. Request from Semler Construction, Inc. for an Interim Use Permit to operate a Temporary Real Estate Office at 1302 Maplewood Ave SW (PID 161110200)

Chairman Wimmer opened the public hearing at 7:20 p.m.

Rick Parkos, 1200 Maplewood Ave SW – Mr. Parkos stated that the neighborhood was against the real estate office. He stated that there's a lot of kids in the neighborhood, a bus stop at the end of the street, and a park down the street. Mr. Parkos stated that he is worried about home values as a result in the increase in traffic, and again reiterated his concerns about the safety of the children in the area. Mr. Parkos presented a petition of twenty names and addresses of individuals in the neighborhood that were opposed to the use.

Patti Erickson, representing Semler Construction, Inc. – Ms. Erickson stated that this would be a construction office, which would include 3-4 vehicles. Individuals would come in the office in the morning, get their job assignments, and leave to go to their jobs sites. After that point, there would be one or two employees at the property during the day. Ms. Erickson stated that there will be no more activity around the home than what's existing with new home construction.

Commissioner Collison asked if Ms. Erickson had any pictures of the home or the site.

Ms. Erickson stated that the home is a single-family home, slab on grade. She stated that the exterior will remain the same, and that she will have her office in the living room.

Commissioner Collison inquired about potential signage.

Ms. Erickson stated that there would only be a sign on the door, and not in the front yard.

Commissioner Bergley stated he thought it was intended to be a model home to show the development.

Chairman Wimmer stated that the Commission should take more public hearing before further discussion occurs.

Abigail Anderson, 1101 South Passage SW – Ms. Anderson questioned whether or not this use would impact their property values.

Chairman Wimmer stated that the City wouldn't know but would discuss it after the public hearing.

Seeing no further public comment, Chairman Wimmer closed the public hearing at 7:27 p.m.

Chairman Wimmer stated that there's a few things to consider. The City does allow a home occupancy and has recently approved one, but the difference was that the individual lived at the home in which they had their business. Chairman Wimmer stated that this is a residential neighborhood and that people purchase homes in the neighborhood for that reason. The Chairman stated that the Commission should consider whether or not this use could be somewhere else in the City, outside of the residential neighborhood. Finally, the Chairman stated that he understood why Semler Homes would want to use this space, however because of the proposed use of the property, he has concerns about approving this use.

Commissioner Lorinser stated that this use was different from what the City has seen in the past. Historically, he stated, the developer may have a few model homes with an office set up for marketing their development. Commissioner Lorinser stated that he felt this was setting up an office in a residential area, not a commercial area, and that he was worried about setting precedent for other developers and businesses to request the same use.

Commissioner Collison asked about what the definition of "temporary" meant.

Director Kernosky stated that interim uses are designed to be temporary in nature. He stated that the City's Zoning Ordinance allows for temporary real estate office as an interim use permit until 85 percent of the development is completed, or when the City places a sunset clause on the interim use permit. Kernosky stated that staff conditioned that this use would sunset on June 30, 2020.

Commissioner Lorinser stated that the Commission was just told that this use is not consistent with a temporary real estate office by Semler Homes, but rather a construction office.

Commissioner Collision asked if anyone would be living in the home.

Ms. Erickson stated that no one would be living in the home. She stated that the building they are currently in sold and that Semler Construction needs to be out of the property by August 1st. She stated that this would be temporary until they would be able to find a commercial office building.

Chairman Wimmer asked how long they intend to stay at the subject property.

Ms. Erickson stated until June 30, 2020 and will be marketed for sale after that point.

Commissioner Bergley asked about whether or not the concern about children and traffic has been studied.

Chairman Wimmer stated that the City has not had a study on this, and wasn't necessarily concerned about traffic, but rather the character of the neighborhood and the precedent of allow businesses within residential zoning districts.

Commissioner Lorinser stated that some of the other home occupations bring in more traffic but reiterated his concerns about setting precedent of allowing this use in residential zoning districts.

Chairman Wimmer stated that Semler Construction should have reached out to the neighborhood, but even if they would have, he would still have concerns about the characteristics of the neighborhood and precedent setting. He also stated that the final recommendation will be sent to City Council

Commissioner Collison asked whether or not Semler Construction reached out to anyone at City Hall for potential leads on commercial real estate.

Ms. Erickson stated that they are working with a realtor. She also asked whether or not Semler Construction would fit within the requirements of an interim use permit.

Director Kernosky stated that staff, working with Semler Construction, was under the impression that one individual would be operating out of this home and that the home would be used as a model home for potential buyers. Because of that, his interpretation was that this would be sufficient to meet the terms of a temporary real estate office within the zoning code. Mr. Kernosky stated that the Commission may impose conditions similar to a conditional use permit. Mr. Kernosky stated that the original understanding that one person at the subject property along with the model home component would fit within the zoning code.

Chairman Wimmer stated that he disagreed with staff, and that how the use was presented tonight is not consistent with the zoning code.

Ms. Erickson stated that she would generally be the only person at the property throughout the day, minus the two or three people who would show up in the morning for their assignments. She also stated that they have a realtor on staff, but the home wouldn't be actively on the market while they use the property as an office.

Commissioner Bergley encouraged the applicant to approach the neighbors to address their concerns.

Commissioner Collison stated he was confused as to why there was specific office hours, and how would the public know when those were.

Ms. Erickson stated that they may have a meeting with a potential home owner at the property during those hours.

Commissioner Lorinser stated that if the property was used as a temporary model home and real estate office, he would be supportive. However, because the use is more intense than previously

thought and within a residential zone, and because of the length of time of the use, he had concern about the request.

Motion by Lorinser, second by Bergley to recommend denial of the request for an interim use permit by Semler Construction for the property at 1302 Maplewood Ave SW for the following reasons:

1) It would change the neighborhood character.
2) It would be a construction office, and not a temporary real estate office.

Motion passed unanimously.

5. Adjournment

Motion by Lundeen, second by to Bergley to adjourn the July 3, 2018 meeting of the Planning Commission. Motion was unanimously approved.

The meeting adjourned at 7:44 p.m.

Dated at Isanti, Minnesota this 10th day of July, 2018.

Respectfully submitted,

Ryan Kernosky
Community Development Director

A Community For Generations.

MEMORANDUM

Date: July 11, 2018

To: Honorable Mayor Wimmer and Members of the City Council

From: Bradley C. DeWolf, P.E.
City Engineer

Jason W. Cook, P.E.
Assistant City Engineer

Subject: Project Status Report
Isanti, MN
Project No.: R13.115547

Please find listed below a status report of the current projects in the City of Isanti:

1) 2017 Palomino Road Improvements

This project is complete.

2) Arts & Science Addition

This project is complete.

3) MS4 Phase 2 & 3 Implementation

We will continue to assemble documents to assist the City in meeting the requirements of the MS4 permit for Phase 2 and Phase 3 of the implementation schedule.

4) Cajima Street/TH 65 Signal Study

We will continue with discussions with MnDOT regarding funding and layout.

5) 2018 Street & Utility Improvements

The bid opening for this project is scheduled for July 31, 2018.

6) 2018 Storm System Maintenance Project

This project is scheduled to be completed this fall. We will meet with affected residents this month.

7) 2018 Pavement Maintenance Project

The sealcoat work is schedule to be completed in July, 2018.

8) Clarifier Rehab Project

This project is scheduled to be completed this fall.

In addition to the current projects listed above we have completed and accepted 48 private developments and 61 city contracts since being selected as your City Engineer in 2008.

Please contact me if you have any questions.

Bolton & Menk is an equal opportunity employer.

Subject: Review 2019 General Fund Revenue Projections

General Fund Revenue

- The Property Tax Levy (includes Debt Service Levy and EDA Levy) has been increased from $2,759,314 in 2018 to $2,762,777 in 2019; an increase of just 0.11%. Preliminary taxable market values for 2019 have increased 10.86%.

- The target preliminary tax rate for 2019 is estimated at 72.000%. A 9.55% decrease from the final certified rate of 79.599% in 2018.

- Business Licenses, Police State Aid, Fines & Forfeits, Grants & Aids, Municipal State Aid – Streets, Charges for Services, Community Center Charges, Rental Fees, have been adjusted to reflect prior year trends, rates per the fee schedule and known agreements.

- School District Resource Officer revenues have been adjusted to reflect the current progress in negotiations of a new SRO contract with the Cambridge-Isanti School District.

- While Isanti Indoor Arena Lease Revenue continues to rise at 3% per year, 1/3 of those revenues have been allocated to the newly created special revenue fund; Fund 226.

- The transfer from the Liquor Store has been budgeted at $350,000; unchanged from 2018.

- Interest on investments has increased from the 2018 budgeted amount to reflect a rising interest rate climate and a new banking services agreement with a floating interest rate.

- LGA will increase $3,645 from $631,808 in 2018 to $635,456 in 2019

- The proposed 2018 budget would reduce fund balance in the General Fund by 229,057. City Fund Balance Policy requires that Fund Balance in excess of 50% be used to reduce taxes.

- Total Preliminary 2018 Budgeted Revenues, including Debt Service, are $4,668,515. This represents a $361,861 increase over 2018, or 8.40%.

MEMO

To: **Mayor Wimmer & City Council Members**

From: Mike Betker, Finance Director

Date: July 17, 2018

Subject: Review 2019 Preliminary Department Budget Expenditures

---

Expenditures – All Departments

- All wages include a 3% COLA for 2019 and include the necessary step increases, where applicable. A COLA of 3% results in an estimated $48,056 impact to the general fund.
- Health Insurance is based on 2018 premiums plus 10%. An increase of 10% results in an estimated $31,400 impact to the general fund.
- Worker's compensation rates are based on 2018 rates and include a 5% inflationary factor. An increase of 5% results in a $3,000 impact to the general fund.
- Property, liability, and volunteer insurance premiums are based on 2018 rates and include a 7% inflationary factor. An increase of 7% results in a $4,000 impact to the general fund.
- Dental Insurance is based on 2018 premiums, plus 5%.
- Life/AD&D Insurance rates for 2019 are the same as 2018.
- Managed expenses throughout the general fund budget have been adjusted based on prior year actual costs, current year expenditures through June, actual maintenance agreements and contracted costs.
- Total Preliminary 2018 Budgeted Expenditures, including Debt Service, are $4,610,456.

Mayor and Council

- Budgeted expenditures have increased slightly by $333 from 41,323 in 2018 to 41,656.

Elections

- Total budgeted Election expenditures has decreased $14,210 from 2018, as 2019 is not an election year.

Finance and Administration

- Communications (320) decreased $4,750 as an alternative to running fiber optic cable to City Hall has been identified.
- Professional Services (300) decreased by $7,744 as a 2018 FMLA provision of $9,638 has been dropped for the 2019 budget.

Special Projects

- Special Projects (-41501) is new to the 2019 Budget. This budget category will provide funding for an updated Comprehensive Plan, review of City Code as well as City Policies.

Parks, Rec & Culture

- PT Wages & Salaries (101) includes $4,500 for an intern for 15 weeks at 30 hours per week.
- Operating Supplies (210) has been decreased as observed actuals have consistently fallen below budgeted amounts for several years.
- Small Tools & Minor Equipment (240) has decreased by $2,200 as one time purchases in the 2018 budget have been removed.
- Ground Maintenance (400) has returned to its 2017 budget level after $6,000 budgeted in 2018 to allow for base mulch at various parks was removed.
- Maint & Repairs – Bldgs (401) has been reduced by more than $4,000.
- Repairs/Maint Mach/Equip (404) has been reduced to bring the budget more in line prior year actuals.

Planning / Zoning

- PT Wages & Salaries (101) includes $6,300 for an intern for 15 weeks at 30 hours per week.
- Annexation Payments (310) are currently estimated at $41,187. Staff will review that estimate as more information is available from Isanti County.

EDA

- Total Budgeted EDA Expenditures for 2019 are $185,403. The total budgeted transfer from the General Fund is $87,288 reflecting the addition of an EDA levy in the amount of 62,565. The EDA Levy is limited to .01813% of the estimated market value.

Building Inspection

- Wages & Salaries (100) has been reduced by more than $30,000. While 50% of wages for the newly created fulltime Planner are now coded here; there is no longer an expense for a building official creating a net reduction in budgeted expenditures.
- Contracted Services (112) includes $140,000 in estimated payments for MNSpect for building inspection services. This amount is 70% of budgeted permit fees.

Police

- Auto Expense (335) was reduced in 2018 and has been further reduced as one Police Vehicle is currently proposed to be replaced in 2019 and will reduce repair expenses.

Code Enforcement

- Wages & Salaries (100) has increased to account for the creation of the fulltime Planner position.
- Professional Services (300) has been reduced to better reflect observed actuals.

Streets

- Overall budget increase of just under $9,000 as many expense accounts remained relatively unchanged or decreased slightly.

Sanitation

- PT Salaries & Wages (101) includes $6,730 for 88 days (585.2 hours) of operation at the compost site.

Fire Protection

- Public Safety Expense (390) accounts for a 3% increase over current 2018 rates.

Miscellaneous and Transfers

- Operating transfers to Water and Sewer Funds for Deer Haven and 3rd Avenue Projects.
- Operating transfers to Water, Sewer and Liquor Funds for costs related to the Hotel Project.

Debt Service

- Only General Obligation bonds are included.
- The 2019 bond payments are in accordance with the bond schedules.
- The 2019 debt service levy is proposed at $534,212.

4. Economic Development Authority	Wednesday, August 8, 2018 (*Immediately following EDA Meeting*)

H. Council Committee Reports
None.

I. Public Hearings

None.

J. Business Items

1. **Resolution 2018-162** Approving a Special Event Permit Application for 2018 Minnesota State Series Qualifier Race

Larry Merchlewitz, of the Rum River BMX Association, said the state qualifying race is coming up during the first weekend in August and the City of Isanti is stop number 9 of 11 in Minnesota. The riders are trying to achieve a qualifying position to eventually get a state plate. There is an estimated 800 people that should be attending the Qualifiers with a hopeful 300 of those being riders. Mr. Merchlewitz shared that the Isanti track is always going to have riders as it is an indoor track and weather is not a factor. A lot of people are expected to show up for the event with an anticipated 100 motos.

Motion by Lundeen, second by Bergley to approve the request as presented. Motion carried.

2. **Resolution 2018-163** Approving Cedar Tree Revetment at River Bluff Preserve

This is similar to last year with the program being run through Isanti Soil and Water Conservation District (SWCD) which works with Anoka County SWCD and the Conservation Corp.

Motion by Lorinser, second by Collison to approve the request as presented. Motion carried.

City Administrator Don Lorsung

3. **Resolution 2018-164** Denying an Interim Use Permit for the Operation of a Temporary Real Estate Office for Semler Construction, Inc.

A public hearing regarding the permit was held at the Special Planning Commission Meeting. A negative recommendation was given by the Planning Commission with findings in the Agenda Packet.

Motion by Bergley, second by Lorinser to approve the denial of the Interim Use Permit. Motion carried.

Assistant City Engineer- Jason Cook

4. **Resolution 2018-165** Authorizing Engineering Services and Work for Dogwood Street Pond Maintenance

Notices for a Public Meeting were sent out to all affected property owners for this project with one person showing up to the meeting. That individual had a positive response to the project.

Motion by Lorinser, second by Lundeen to approve the request as presented. Motion carried.

5. **Resolution 2018-166** Authorizing the Advertisement for Bids for the 2018 Storm System Maintenance Project

Motion by Lorinser, second by Bergley to approve the request as presented. Motion carried.

K. Approve Consent Agenda

1. Consider Accounts Payable in the Amount of $190,987.98 and Payroll in the amount of $103,313.84
2. Final Meeting Minutes for the June 5, 2018 Economic Development Authority Meeting
3. **Resolution 2018-167** Accepting Official City Newspaper Rate Change
4. **Resolution 2018-168** Adopting an Updated Credit Card Use Policy
5. **Resolution 2018-169** Approving Gambling Permit for Rum River BMX
6. **Resolution 2018-170** Approving Vacation Carry Over for Chief Hill
7. **Resolution 2018-171** Approving Adoption of Transfer/ Donation of Parcel in Redevelopment TIF District No. 9 to City of Isanti and Authorization to Conduct Environmental Testing

MINUTES
CITY OF ISANTI
CITY COUNCIL BUDGET WORK SESSION
TUESDAY JULY 17, 2018
CITY HALL

Mayor Wimmer called the meeting to order at 7:09 p.m.

Members Present: Mayor George Wimmer, Council Members: Paul Bergley, Dan Collison, Ross Lorinser and Steve Lundeen

Members Absent: None

Staff Present: City Administrator Don Lorsung, Human Resources / City Clerk Katie Brooks, City Attorney Clark Joslin, Police Chief Gene Hill, Finance Director Mike Betker, Community Development Director Ryan Kernosky, and Assistant City Engineer Jason Cook

C. Work Session Items

1. 2019 Budget Review Schedule

The 2019 Budget Review Schedule was included in all agenda packets but was not verbally reviewed during the work session.

2. Review 2019 General Fund Revenue Projections

Mayor Wimmer began by explaining the Finance Director would go through some of the highlights of the budget and all councilmembers had received a budget and all accompanying documents.

Finance Director Mike Betker started by saying the preliminary budget would be reviewed and he would touch on the key points of the Budget.

Local Government Aid (LGA) will increase a little over $3,500, from $631,808 in 2018 to $635,456 in 2019.

The proposed transfer from the Liquor Store has been budgeted at $350,000; unchanged from 2018. The Liquor Store has been great for helping to keep taxes low in the past and continues to do so.

The proposed 2019 budget would reduce the fund balance in the General Fund by $229,057. City Fund Balance Policy requires that Fund Balance in excess of 50% be used to reduce taxes in the coming year. This budget meets the Fund Balance Policy requirements. Essentially, the City is using $229,057 of excess revenue from 2017 to reduce taxes in 2019.

Mayor Wimmer added that the City does not receive final numbers from the County until after the levy is set on what the actual tax base is going to be. The County always under-projects those numbers from what they will be. This will not be finalized until March. Guidelines from the State is that the City shall have 35-50% of the Fund in cash with everything over that being set by the Council. Anything in excess of that is put towards property taxes.

Mr. Betker continued by saying after a lot of conversations with the County, the preliminary taxable market values for 2019 have increased 10.86%. With that in mind, the combined General Fund and Debt Service Levy is proposed to decrease by 0.12% despite the fact that market rates will increase.

The EDA Levy is proposed at $62,565 for 2019. The big point for this budget is that the target preliminary tax rate for 2019 is estimated at 72% even, which is a 9.55% decrease from the final certified rate in 2018.

Councilmember Collison asked Mr. Betker to explain the tax rate.

Mr. Betker replied that the tax rate is arrived at when the levy is divided by the taxable market value. If a property value were to remain the same year after year, the taxes would only increase or decrease if the tax rate went up or down.

Mayor Wimmer explained that it takes a year or two for the full impact of the tax base to be felt. When a new home is built, it is generally only a few hundred for the lot, but it increases after a home is built.

Councilman Bergley asked about the process to appeal the property tax value. Mayor Wimmer responded by saying as soon as the assessment is received it needs to be appealed right away with the County Assessor and it cannot wait. They will then reassess the property. The assessments can be challenged later, but it is then a court process so it is best to do it right away.

Councilman Collison interjected by saying there always seems to be anomalies you hear of that have the property tax value increase substantially with no improvements to the property, which the City has no control over.

Councilman Bergley asked for clarification that homeowners who disagree with their tax assessments need to call the County Assessor. Mayor Wimmer agreed and said all the information is on the assessment homeowners receive from the County.

Adjournment
Motion by Lundeen, second by Lorinser to adjourn. Motion carried unanimously. The Budget Work Session adjourned at 7:18 p.m.

Respectfully Submitted,

Request for City Council Action - MEMO

To: **Mayor Wimmer and Members of City Council**

From: Katie Everett, Parks, Recreation, and Culture Manager

Date: August 8, 2018

Subject: **A Resolution Approving a Special Event Permit Application for the 2018 Bluejacket 5K**

Background

The City received a special event application from the Isanti Intermediate School and School for All Seasons to host a the Bluejacket 5K & 1 Mile Run/Walk on Saturday, October 13, 2018. The event will take place from 7:30 a.m. to 11:30 a.m. There will be a 5k as well as a 1 mile walk/run, which is open to participants of all ages. Those participants under 18 must have signed parent permission. All 1 mile and 5k participants pay a fee. The money that is raised from the event will help cover the costs of the race as well as create a scholarship fund for graduating Cambridge-Isanti High School Students.

Some music will be provided by a DJ for the event, but will not be playing loudly. Parking for the event will be in the parking lot located at the Intermediate School. Restroom facilities will be located within the school. The estimated number of people in attendance is 150-200.

Maps have been provided, which show the routes to be used for the events. The group has requested assistance from Isanti Fire District and Isanti Police Department. They have not requested a road closure, but have requested that the police are present to assist with crossing runners on Heritage Blvd NE and 8th Ave NE from about 9:00 a.m. to 10:20 a.m. City staff have approved the route with the condition that vehicle access is maintained from the south to the neighborhood around the school during the event. Volunteers and school staff will aid with clean-up after the event is completed. The applicant is requesting the clean-up fee waived. A signed Release and Indemnification form is required before issuance of the permit.

A copy of the application and department approval has been attached for City Council review.

Staff Request

City staff is requesting action on this item.

RESOLUTION 2018-

A RESOLUTION APPROVING A SPECIAL EVENT PERMIT APPLICATION FOR THE 2018 BLUEJACKET 5K

WHEREAS, the Isanti Intermediate School / School for All Seasons (the 'applicant') will be holding the Bluejacket 5K and 1 Mile Run/Walk on Saturday, October 13, 2018; and,

WHEREAS, the applicant is requesting assistance from Isanti Police Department and Isanti Fire District to help runners/walkers cross County Road 5 and 8th Ave from approximately 9:00 am to 10:20 am; and,

WHEREAS, the estimated number of participants 150-200; and,

WHEREAS, parking for the event will be within the parking lots at the Isanti Intermediate School and restroom facilities will be located within the school; and,

WHEREAS, volunteers and school staff will clean-up after the event; and,

WHEREAS, a DJ will all be located on school property for the event with music and announcements; and,

WHEREAS, the application submittal does require a $100 clean-up deposit fee, which would need to be waived by the City Council; and,

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, to hereby approve the Cambridge-Isanti Intermediate School for the event to be held on October 13, 2018 with the following conditions:

- City provide assistance in the areas as provided below the day of the event:
  - Police assistance for crossing at the intersection of Heritage Blvd NE and 8th Ave NE.
- City waive the clean-up deposit fee.
- A signed Release and Indemnification form is submitted prior to the event

BE IT FURTHER RESOLVED by the City Council of the City of Isanti, Minnesota that this Resolution is hereby the 'Permit' for the above stated Special Event.

This Resolution hereby approved by the Isanti City Council this 8th day of August, 2018.

Thank you,

To property owners along 8th Ave, 9th Ave, & Marion St. SE:

On Saturday, October 13th Isanti Intermediate School and School for All Seasons (IIS/SFAS) will be hosting a running and walking event. Participants in this event will use the sidewalk and possibly some of the road near your property. Music and a P.A. system will also be used during this event. The race begins at 9AM and the entrance of 8th Ave to this neighborhood will be congested with runners and walkers for the duration of the race (about 1 hour). If you are driving during this time please consider exiting on the south end of the neighborhood. This event could have people in the school area from 8AM to 11:30AM. If you have any questions about the Bluejacket Run/Walk please contact Jesse (763-245-6159) the event coordinator or Mark (763-552-8801) building administrator. Thank you for your cooperation with the seventh annual Bluejacket Run/Walk!

Request for City Council Action

To: Mayor Wimmer and City Council Members

From: Mike Betker, Finance Director

Date: July 25, 2018

Subject: Consider Resolution Approving a Memorandum of Understanding (MOU) Between the City of Isanti and Cambridge-Isanti School District #911 for School Resource Officer Program

---

Background:
The current MOU between the City of Isanti and ISD #911 provided for services thru the 2017-2018 school year. Updates have been made to the MOU throughout the document. Most of the updates were technical or legal in nature. The single biggest change to the MOU, from the City's perspective, is a change in how the reimbursement from the School District to the City of Isanti will be calculated. Rather than identify specific dollar amounts to be reimbursed in future years based on assumptions at the time the MOU is agreed to; and both parties have now agreed to a percent reimbursement of total compensation based on the number of school/service days and hours worked per day.

The Finance Committee has reviewed and approved the attached MOU.

The Cambridge Isanti School Board approved the attached MOU at its July 19, 2018 meeting.

Current Action:
Consider Resolution Approving a Memorandum of Understanding (MOU) Between the City of Isanti and Cambridge-Isanti School District #911 for the School Resource Officer Program

Attachments:

- Resolution Approving a Memorandum of Understanding (MOU) Between the City of Isanti and Cambridge-Isanti School District #911 for the School Resource Officer Program
- Memorandum of Understanding

RESOLUTION 2018-XXX

RESOLUTION APPROVING MEMORANDUM OF UNDERSTANDING (MOU) BETWEEN THE CITY OF ISANTI AND CAMBRIDGE-ISANTI SCHOOL DISTRICT #911 FOR THE SCHOOL RESOURCE OFFICER PROGRAM

WHEREAS, the City of Isanti has had a Memorandum of Understanding (MOU) with the Cambridge-Isanti School District #911 for several years that provides guidelines for the employment and assignment of a School Resource Officer for the Isanti Middle School, Intermediate School, and Primary School; and,

WHEREAS, the MOU provides for funding for the 2018-2019, 2019-2020 and 2020-2021 school years; and,

WHEREAS, the Finance Committee has reviewed the MOU between the City of Isanti and Cambridge-Isanti School District #911and recommended its approval; and,

WHEREAS, the Cambridge-Isanti School District #911approved the MOU at its July 19th 2018 Board meeting; and,

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to hereby approve the Memorandum of Understanding as amended and attached as 'Exhibit A'; and,

BE IT FURTHER RESOLVED by the City Council of the City of Isanti, Minnesota that the Mayor, City Administrator, and Police Chief be hereby authorized to execute the document.

This Resolution is hereby approved by the Isanti City Council this 8th day of August, 2018.

Attest:

Mayor George A. Wimmer

Katie Brooks
Human Resources/City Clerk

MEMORANDUM OF UNDERSTANDING

Between the
City of Isanti and Cambridge-Isanti Schools, District 911
Regarding the School Resource Officer Program

This agreement made and entered into this _____ day of _____, 2018, by and between the City of Isanti and Cambridge-Isanti Schools, District 911. For purposes of this agreement, all references to a school resource officer refers to the acting school resource officer (SRO).

A. Goals and Objectives

1. Establish a positive working relationship in a cooperative effort to prevent juvenile delinquency and assist in student development.

2. Maintain a safe and secure environment at all Cambridge-Isanti schools, creating an atmosphere conducive to learning.

3. Prevent juvenile delinquency through education and enforcement.

4. Assist in student development by providing learning opportunities and presentations.

5. Assist in district Positive Behavioral Intervention Strategies (PBIS) structures in our schools to support a positive school environment.

6. Promote positive attitudes regarding the police role in society and to inform students of their rights and responsibilities as lawful citizens.

B. Employment and Assignment of School Resource Officer (SRO)

1. The Isanti Police Department agrees to provide a School Resource Officer to the following schools:

   a. Isanti Middle School
   b. Isanti Intermediate School
   c. Isanti Primary School

2. The Isanti Police Department shall select the School Resource Officer and assign the officer as appropriate.

3. In the event the SRO is absent from work, the SRO shall notify his supervisor at the police department and the principal at the school to which he is assigned. The Isanti Police Chief will make reasonable attempts to fill those hours with another available officer at the Chief's discretion. In the event that no replacement is available the District will still be obligated to pay costs associated with those hours.

4. The School Resource Officer shall remain an employee of the City of Isanti and is not an employee of the Cambridge-Isanti School District. The School District and the City of Isanti acknowledge that the School Resource Officer must remain responsive to both entities.

C. Hours and SpecialEvents

1. The SRO is assigned to the school on an hourly basis based on the funding agreed to in section R of the document. During regular school hours, the SRO may be off campus performing such tasks as may be required by his/her assignment.

2. When school is not in session due to holidays, workshops, snow days or other events, the SRO will be expected to report for uniformed patrol duty at the police department unless otherwise directed by the Chief of Police.

3. The assignment of police personnel for all school sponsored off-duty events shall be the responsibility of the Isanti Police Department upon written request by a Cambridge-Isanti Schools administrator (Superintendent, Director, Principal, or Assistant Principal). All overtime compensation shall be paid by the requesting entity.

4. The School Resource Officer shall wear his/her uniform and carry his/her duty weapon while at school unless an alternative uniform or clothing is approved by the Chief of Police.

D. Duties of the School Resource Officer (SRO)

I. The SRO shall assist the principal in developing plans and strategies to prevent and/or minimize dangerous situations that may occur on campus.

2. The SRO shall present programs on various topics to students. Subjects shall include a basic understanding of law, the role of law enforcement, drug awareness, anger management, and the mission of law enforcement.

3. The SRO is encouraged to interact with students on an individual basis and in small groups.

4. The SRO shall make themselves available for conferences involving teachers, parents, and faculty.

5. The SRO shall be familiar with agencies and resources that offer assistance to youth and their families and make referrals to agencies when necessary.

6. The SRO shall take law enforcement action when necessary.

7. The SRO shall contact the principal of the school about his/her actions to make them aware of arrest or crime situations.

8. The SRO shall notify the principal or his designee before removing a student from school.

9. At the Principal's request the SRO may take law enforcement action against intruders and unwanted guests who appear on school property. This includes the utilization of the building security monitoring system.

10. The SRO shall conduct investigations of crimes, which occur at his/her assigned schools and use other resources if needed for follow-up investigations.

11. The SRO **shall not** be used as a school disciplinarian. If the principal believes an incident is a violation of the law, they may contact the SRO to see if law enforcement action is needed.

12. The SRO may be present when a principal or other school administrator conducts a search if requested or if school personnel fear for their safety.

13. The SRO cannot enforce school rules and policies.

14. The SRO shall follow the policies of the Isanti Police Department when confiscating drugs from a student on school property.

15. The SRO shall conduct all investigations, interviews, and searches in accordance with the policies of the Isanti Police Department and the laws of the State of Minnesota.

16. Reference attached SRO Position Description.

17. The SRO shall investigate and coordinate mandatory reporting investigations involving child abuse in cooperation with school and county social workers.

18. The SRO shall work closely with school administration, counselors, chemical health advisors, human rights officers, student assistance teams and others as appropriate to assist in the identification of pre-delinquent children, and attempt to eliminate delinquency-producing factors. Accept assignments and follow-up referrals requested by school staff members.

19. The SRO shall attend school staff meetings, when requested by the administration, as a resource person in developing and adopting procedures that will contribute to the prevention of juvenile delinquency.

20. The SRO must have knowledge of the practices and philosophy of the school district and the police department concerning the handling of troubled youth.

21. The SRO is to consult, on a regular basis, with the School Administrators in order to determine any special concerns or needs.

22. The SRO shall maintain regular communications with building administrators and follow appropriate chain of command for school-related issues.

E. **Assignment of School Resource Officers.** The City will assign one full-time licensed SRO to perform SRO duties on a full-time basis during each scheduled school day (see section R for determining scheduled days). Although stationed at a particular school, the SRO is expected to perform SRO duties at the District's other schools, as needed.

1. **Absences.** Ifthe SRO is absent for more than 10 consecutive school days, the City will undertake reasonable efforts to assign another licensed peace officer to serve as a temporary replacement and perform the regular SRO's duties during any additional absences.

2. **Vehicles, Equipment, and Training.** The City is responsible for providing the SRO with a vehicle and all necessary law enforcement equipment, including any necessary electronic devices except as outlined in section P. The City is also responsible for providing training and education to provide services pursuant to this Agreement.

3. **Objections to Personnel.** A District representative will sit on the interview panel that interviews peace officers who apply for a SRO assignment. Although the final hiring decision lies with the City, the City will undertake reasonable efforts to assign school resource officers who are acceptable to the District. The District will notify the Isanti Chief of Police of any concerns related to the performance of a SRO. Ifthe concern relates to the officer's performance,

the District will notify the Isanti Chief of Police. Any request for reassignment of a SRO that is based on work-related concerns must be made in writing to the Isanti Chief of Police. The City will have thirty (30) calendar days to demonstrate to the District's satisfaction that the concern has been addressed.

F. **Relationship of the Parties.** Nothing in this Agreement may be construed to create a partnership or joint venture between the District and the City. Neither party has any authority or power to take any unilateral action that could legally bind the other party. For purposes of the Minnesota Government Data Practices Act, each party is considered to be an independent contractor relative to the other party.

G. **Liability and Indemnification.** Each party is solely responsible for the act(s) and omission(s) of its own officers, employees, officials, agents, and representatives. To the extent permitted by law, each party agrees to indemnify the other party from any and all damages, liability, judgments, claims, expenses, attorney fees, and costs resulting from any act or omission of any of its officers, employees, officials, agents, or representatives. Each party's liability, if any, is limited under Minnesota Statutes Chapter 466, and nothing in this Agreement may be deemed to constitute a waiver of those limits.

H. **Prohibited Actions.** In the absence of exigent circumstances, a school resource officer who is employed by the City may not interview a student on school property about criminal activity or potential criminal activity unless: (a) the officer is conducting a maltreatment of minor investigation; or (b) the crime has occurred, is alleged to have occurred, may have occurred, is occurring, or is reasonably expected to occur in the near future on school property or at a school sponsored event or activity; or (c) the officer has obtained permission from the building principal and from the student's parent or guardian if feasible and/or practical and would not jeopardize the investigation or put the student in any further harm if parent permission was obtained prior to interviewing them; or the student, if the student is eighteen (18) years of age or older. In addition, a school resource officer may not participate in recommending or determining student discipline or in investigating incidents of student discipline which do not involve potential criminal activity.

I. **Execution of Arrest Warrants.** When executing an arrest warrant for a student on school property, a school resource officer must make reasonable efforts to protect other students and staff members who are present and to avoid undue embarrassment to the student who is being arrested. This paragraph is not intended to prevent an officer from taking immediate action to arrest a student who is fleeing or who presents an imminent and substantial risk of harm to self, others, or property.

J. **Data Practices.** All government data that are collected, created, received, or maintained as a result of this Agreement will be handled in accordance with all applicable federal and state laws, including, but not limited to, the Minnesota Government Data Practices Act ("MGDPA"). The parties recognize that educational data maintained by the District are protected under the MGDPA and under the Family Educational Rights Privacy Act ("FERPA"), including its implementing regulations at 34 C.F.R. part 99. The parties acknowledge that unless a statutory exception applies, the District may not disclose private educational data to a SRO without the written consent of the student's parent or guardian (or the written consent of the student if the student is eighteen (18) years of age or older); a lawfully issued subpoena; or a court order. Nothing in this Agreement may be construed to modify the responsibilities of either party under the MGDPA or the District's responsibilities under FERPA

K. **No Unlawful Discrimination.** The District and the City each agree to provide equal employment opportunities to all employees and applicants for employment in accordance with all applicable federal, state, and local laws. No person may be excluded from full employment rights in, participation in, be denied the benefits of, or be otherwise subjected to discrimination in any program, service, or activity based on race, color, religion, age, sex, disability, marital status, sexual preference, HIV status, public assistance status, creed, or national origin. In addition, the District and the City each specifically agree

not to discriminate unlawfully against any student in any program, service, activity, or decision based on race, color, religion, age, sex, disability, marital status, sexual preference, HIV status, public assistance status, creed, or national origin.

L. **Waiver and Enforcement.** The failure to insist on compliance with any term, covenant, or condition contained in this Agreement must not be deemed to be a waiver of that term, covenant, or condition, nor will any waiver or relinquishment of any right or power contained in this Agreement at any time be deemed to be a waiver or relinquishment of any right or power at any other time. Each party is to be responsible for its own costs, expenses, and any attorneys' fees associated with this Agreement and any related matters, including enforcement of this Agreement.

M. **Equal Drafting.** In the event that either party asserts that a provision of this Agreement is ambiguous, this Agreement must be construed to have been drafted equally by the Parties.

N. **Choice of Law, Forum and Severability.** This Agreement is governed by the laws of the State of Minnesota. The parties agree that the Minnesota state and federal courts will have exclusive jurisdiction over any dispute arising out of this Agreement. If a court determines that any part of this Agreement is unlawful or unenforceable, the remaining portions of the Agreement will remain in full force and effect.

O. **Entire Agreement, Changes, and Effect.** This Agreement constitutes the entire agreement between the District and the City regarding SRO duties and additional services. This Agreement supersedes any inconsistent statements or promises made by either party. This Agreement also supersedes and terminates any prior or existing agreements or contracts regarding the same or any similar subject matter. Neither party has relied upon any statements, promises, agreements, or representations that are not stated in this Agreement. No changes to this Agreement are valid unless they are in writing and signed by both parties. A copy of this Agreement has the same legal effect as the original.

P. **Rights and Duties of the School Board.** The school board shall provide the following materials and facilities which are deemed necessary to perform the duties of the SRO:

1. Access to an air conditioned and properly lighted private office containing a telephone line to be used for general business purposes.

2. A desk with drawers, a chair, and a filing cabinet which can be locked and secured.

3. Access to a computer terminal or computer hookup.

4. Provide the SRO with a cell phone with a voice and data plan and pay the actual costs associated with such service. The will allow for immediate access and enhanced communications between school officials, the SRO and the police department and will allow the SRO to be part of the district's alert system.

Q. **Termination of Contract.** Either party may end this agreement within 30 days after reasonable attempts have been made to resolve any disputes. The 30 day timeline will begin upon receipt of written notification of such intent. Attempts to resolve disputes should occur within that 30 day period.

R. **SRO Funding.**

Reimbursement by the Cambridge-Isanti School District to the City of Isanti for the 2018-2019, 2019-2020, and 2020-2021 school years will be calculated as follows:

District will pay a percentage of total annual SRO compensation based on the following calculation:

(School/Service Days X Hours Per Day) / 2080 = Percent of Total Compensation

Total Compensation = salary + all employee benefits

Mutual agreement on the number of School/Service days will be made prior to the start of each school year, with consideration to the Year Round and Traditional school calendars. The School District will be invoiced quarterly, with payroll detail, and agrees to reimburse the City within 20 days of the invoice date. The School District will be invoiced for the actual cost of the School Resource Officer's actual days worked during the quarter being invoiced.

Hours of service for each scheduled day shall not exceed 8 hours and scheduled days per year shall not exceed 179 (172 student days, 2 days to attend meetings prior to the first day of school, and 5 days to attend the year-round programs once a week prior to the traditional calendar start). The School District will also cover the cost of half of the School Resource Officer's vacation time, not to exceed 15 days. If vacation time is taken during the scheduled days, that time will be included in that quarterly invoice. If not all school district covered vacation days are taken during the scheduled days, the remainder of vacation days will be billed on the last quarter of the school year invoice. Hours of service for each school year are thirty (30) minutes prior to the start of school and thirty (30) minutes after the school's dismissal for scheduled school days. Funding and hours of service are subject to annual review upon request by either the City of Isanti or the School District.

S. Duration

This Memorandum of Understanding is effective for the 2018-2019, 2019-2020, and 2020-2021 school years. This Memorandum of Understanding may be reviewed upon request by the City of Isanti and the Cambridge-Isanti School District.

Request for City Council Action

To: **Mayor Wimmer and City Council Members**

From: Chief Gene C. Hill **MEMO**

Date: April 12, 2018

Subject: October 01, 2018 – September 30, 2019 Safe and Sober Grant

Background:

The City of Isanti has allowed its Police Department to participate in the Safe and Sober Grants that are sponsored by the Minnesota Department of Public Safety – Office of Traffic Safety for the past many years. Through this program the City is given grant money to offset expenses for Peace Officer's to provide enhanced enforcement of traffic laws specifically DWI, seatbelt, and speed enforcement.

Also, the Safe and Sober Grant has provided many free items to the City of Isanti such as: several paid driving school tuitions, portable breath test machines, flashlights, metal detectors, light bars, squad video camera, radar, stationary speed sign, and window-tint meters which reduces the tax burden to the City.

The grant process requirements have changed drastically over the years as well as our grant partners. This year we are required to have a countywide grant. This grant would be Isanti PD as the lead agency and grant fiscal managers. Participating grant members we be Braham and Cambridge PD and Isanti County Sheriff's Office.

Action:

I request that the City Council take action by reviewing and considering a resolution to allow a joint venture with the Minnesota Department of Public Safety – Office of Traffic Safety to participate in the Safe and Sober Grant Program with the grant partners of Braham and Cambridge PD along with Isanti County Sheriff's Office.

Respectfully,

Chief Gene C. Hill

RESOLUTION 2018-XXX

A RESOLUTION AUTHORIZING THE APPLICATION TO ENTER INTO AN AGREEMENT WITH THE MINNESOTA OFFICE OF TRAFFIC SAFETY GRANT FOR SAFE AND SOBER HIGH VISIBILTY ENFORCEMNT

WHEREAS, the Minnesota Office of Traffic Safety offers an enhanced traffic enforcement grant to promote roadway and driver safety awareness and education; and,

WHEREAS, the Isanti Police Department has participated in this grant for ten plus years and is partnering with Cambridge PD, Braham PD and Isanti County Sheriff's Office to provide high visibility enforcement; and,

WHEREAS, receives full compensation for the officers' wages and benefits for hours worked; and,

WHEREAS, is eligible for free large equipment for department use which saves tax dollars.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota as follows:

1. Be it resolved that Isanti Police Department enter into a grant agreement with the Minnesota Department of Public Safety, Office of Traffic Safety for Traffic Safety Enforcement projects during the period from October 1, 2018 through September 30, 2019.

2. That the Chief of Police or designee is hereby authorized to execute such agreements and amendments as are necessary to implement the project on behalf of the City of Isanti and Isanti Police Department; and that the fiscal agent of the grant will be the City of Isanti.

This Resolution is hereby approved by the Isanti City Council this 8th day of August, 2018.

To: **Mayor Wimmer and Members of City Council**

From: Katie Everett, Parks, Recreation, and Culture Manager

Date: August 8, 2018

Subject: **Resolution Amending the Lease Agreement with Rum River BMX to Include Exhibit G – Special Event Paid Parking Agreement**

Background:
Rum River BMX Association has requested to use the open grass space south of the Isanti Indoor Arena for Special Event parking and overnight camping. A Special Event Paid Parking Agreement has been drafted and reviewed by City of Isanti staff, City Attorney Joslin, and the Rum River BMX Association for the use of this space.

All future events for which the Association wishes to use the open space from the paved trail south of the parking lot south to First Avenue NW, and from the tree line east to the storm pond, a parking fee will be charged for vehicles as described in the agreement. Rum River BMX Association will request this use in the Special Event Permit application, and will indicate the amount of the fees to be charged. The City of Isanti will receive 75% of the revenue from each event, the amount of which will be invoiced to Rum River BMX Association following the receipt of unused parking passes.

Staff Request:
Staff is requesting that Council approve the amendment of the Lease Agreement with Rum River BMX Association.

Attachments:
- Resolution 2018-XXX
    - Appendix I – Special Event Paid Parking Agreement (Exhibit G to the Rum River BMX Association Lease Agreement)

RESOLUTION NO. 2018-XXX

RESOLUTION AMENDING THE LEASE AGREEMENT WITH RUM RIVER BMX ASSOCIATION TO INCLUDE EXHIBIT G – SPECIAL EVENT PAID PARKING AGREEMENT

WHEREAS, the Tenant, Rum River BMX Association, and the City of Isanti entered into a Lease Agreement dated as of October 27, 2014 (the "Lease"); and,

WHEREAS, the Tenant and the City desire to modify the Lease Agreement to include Exhibit G – Special Event Paid Parking Agreement; and,

WHEREAS, city staff and attorney have drafted the Special Event Paid Parking Agreement to address future use of the open space south of the Isanti Indoor Arena from the paved trail south of the parking lot south to First Avenue NW, and from the tree line east to the storm pond for future events; and,

WHEREAS, according to the terms of the lease amendment, Rum River BMX must request use of this space through a Special Event Permit application and will charge parking fees, the amount of which will be stated in the permit application; and,

WHEREAS, the City of Isanti will issue pre-numbered parking passes to Rum River BMX Association prior to Special Event; and,

WHEREAS, the City of Isanti will invoice Rum River BMX Association following an event for 75% of the revenue of all tickets not returned, based on the fees indicated in the Special Event Permit Application; and,

WHEREAS, Exhibit G – Special Event Paid Parking Agreement will be reviewed every two years, the start date of which is August 1, 2018; and,

WHEREAS, the Lease Agreement in its entirety with Exhibit G shall supersede all previous versions,

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to approve the amendment to the Rum River BMX Lease Agreement, Exhibit G – Special Event Paid Parking Agreement as attached as 'Appendix I.'

This resolution was duly adopted by the Isanti City Council this 8th day of August, 2018.

Human Resources / City Clerk

Appendix I

EXHIBIT G
Special Event Paid Parking Agreement

Intent
It is the intent of this Special Event Paid Parking Agreement for the City of Isanti and the Rum River BMX Association to establish an understanding of both the City's and the Association's respective responsibilities with regards to use of the overflow parking space at the Isanti Indoor Arena (see attached map), including associated parking fees. This agreement may be amended from time to time by agreement of both parties, and may be terminated at anytime with or without cause by not less than 6 months written notice to the other party. So long as this agreement is in place it shall be reviewed every two (2) years, the start date of which is August 1, 2018. The City of Isanti shall make its best efforts to notify the Rum River BMX Association whenever this policy is discussed in the future.

Purpose
The purpose of this Special Event Paid Parking agreement is to ensure that City of Isanti does not incur costs associated with maintenance of the affected property due to uses beyond those normally associated with public open spaces.

Description of Affected Premises
This agreement shall apply to use of the open space, hereafter referred to as "Overflowing Parking," south of Isanti Indoor Arena (101 Isanti Parkway NW, Isanti, MN 55040) in Bluebird Park (201 Isanti Parkway NW, Isanti, MN 55040) from the paved trail south of the parking lot south to First Avenue NW, and from the tree line east to the storm pond. A map of the Overflow Parking area is attached to this agreement as Appendix I.

Use of Overflow Parking
Parking on the grass in the Overflow Parking area shall only be allowed through the filing and approval of a Special Event Permit application by Rum River BMX Association to City of Isanti. Such application is required no later than thirty (30) days prior to the event start date. Passenger vehicles and recreation vehicles (RVs) may be parked on the grass for the duration of an event, including overnight camping, as long as such use is requested in the Special Event Permit application.

It shall be noted that all other Special Event parking must take place on paved areas. All event parking on City of Isanti paved parking areas will be free of charge. Any parking that takes place on unpaved surfaces other than described above is a violation of City Code, and vehicles may be ticketed. Rum River BMX Association may be permitted to use the paved lot west of Isanti Indoor Arena for team canopies and event activities other than parking, as long as this use is clearly indicated in the Special Event Permit application.

Overflow Parking Fees
In such instances when overflow parking has been granted, Rum River BMX Association will be responsible for collecting user fees, the amounts of which will be identified within the Special Event Permit application.

An RV fee will be assessed to a truck and trailer or self-propelled recreational vehicle; the parking permit of which will remain with the "engine." Recreational towed vehicles will be assessed the same fee as a car or truck. There will be no fees charged for cargo trailers. Car and/or tent camping will be allowed and vehicles will be assessed the car/truck fee.

Rum River BMX Association will be responsible for including in their Special Event Permit application which fee structure from the above options is applicable to each event.

The City of Isanti will receive 75% of the parking revenue from each event and the Rum River BMX Association will keep 25% of the parking revenue. The City of Isanti will issue numbered parking passes to the Rum River BMX Association prior to approved events. Parking passes will be brightly colored and should be displayed on paid vehicle dashes. The colors for the passes will be on a pre-determined rotation, and will be day and/or event specific as needed to prevent repeated uses of tickets at future events. Rum River BMX will be responsible for returning all unused passes, and will be invoiced for 75% of the revenue for *all* passes not returned. Passes must be returned to the City of Isanti within ten (10) businesses days after the end of each event. The City of Isanti will invoice the Rum River BMX Association within thirty (30) days of receipt of the returned parking passes.

Request for City Council Action - MEMO

To: **Mayor Wimmer and Members of City Council**

From: Katie Everett, Parks, Recreation, and Culture Manager

Date: August 8, 2018

Subject: **A Resolution Approving a Special Event Permit Application for the 2018 MN State Series Finals Race**

Background

Rum River BMX Association will be hosting the MN State Series Finals Race on August 25, 2018 from 9:00 am to 6:00 pm and August 26, 2017 from 7:00 am – 4:00 pm. The estimated number of individuals in attendance is 1,800-2,100. The Association is requesting that overnight camping be allowed for the event, and expect about 30-40 campers. Parking for the event will take place on the grass to the south of the Isanti Indoor Arena, pending the approval by both parties of the Special Event Paid Parking Agreement. Rum River BMX will charge $5/day for cars and trucks and $25/weekend for RVs for the State Finals event. Overflow parking will take place in the Bluebird Park lots (the south lot, the asphalt pad, and the spaces not designated as one-hour in the north lot) – there is never any fee to park in these lots. The applicant has also indicated that the lot at the Civic Arena may be used for overflow; a letter of permission from the property owner will need to be submitted for this use. The main lot at the Isanti Indoor Arena will be reserved for team canopies and event activities.

The organizers have asked that Isanti Parkway be closed in front of the Indoor Arena on Saturday between 10:00 am and 5:00 pm and on Sunday between 8:00 am and 3:00 pm. Public Works will provide barricades for the closure; Rum River BMX will be responsible for closing and opening the street at the times listed.

Restroom facilities will be provided by the Association for the event through Absolute Portables. The Association will be responsible for upkeep of all restroom facilities over the course of the event, including those on the south end of the Isanti Indoor Arena. The Association will be responsible for clean-up of the outside areas; the $100 clean up deposit is on file, and should Public Works need to clean the grounds for any reason, this check may be cashed. The standard public addressing system will be used throughout the event.

Special Event Permit application materials, including an event map, have been included for Council review.

Staff Request

City staff are requesting City Council's approval of the Special Event Permit application for the 2018 State Finals Race.

RESOLUTION NO. 2018-XXX

RESOLUTION APPROVING A SPECIAL EVENT PERMIT APPLICATION FOR THE 2018 MN STATE SERIES FINALS RACE

WHEREAS, the Rum River BMX Association submitted a Special Event Permit application requesting approval to host the MN State Series Finals Race; and,

WHEREAS, the event is scheduled to take place on Saturday, August 25, 2018 from 9:00 a.m. to 6:00 p.m. and Sunday, August 26, 2018 from 7:00 am to 4:00 pm at the Isanti Indoor Arena located at 101 Isanti Parkway NW; and,

WHEREAS, the estimated number of people to be in attendance is 1,800-2,100; and,

WHEREAS, the applicant would be required to provide additional portable restroom facilities for the event, in which the applicant will be contacting its current supplier to do so prior to the event; and,

WHEREAS, event parking will occur on the grass south of the Isanti Indoor Arena, per the Special Event Paid Parking Agreement, and the fees for this event will be $5/day for cars and trucks and $25/weekend for RVs; and,

WHEREAS, overflow parking will occur in the paved lots at Bluebird Park, and there will be no fees for this use; and,

WHEREAS, the main lot at Isanti Indoor Arena will be reserved for team canopies and event activities; and,

WHEREAS, Isanti Parkway will be closed in front of the Arena (east of 1st Avenue and west of the compost site) on Saturday from 10:00 am to 5:00 pm and Sunday from 8:00 am to 3:00 pm.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City Of Isanti, Minnesota to approve the Special Event Permit request for the 2018 MN State Series Finals Race event with the following conditions:

- No signage shall be posted for the event, unless allowed under Zoning Ordinance section 16, or a Temporary Sign Permit Application and fee are submitted.
- If the parking lot at David C. Johnson Civic Arena is to be used for overflow parking, a letter of permission from the property owner must be submitted prior to the event.

AND FURTHERMORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota that this Resolution is hereby the "Permit" for the above stated Special Event.

This resolution was duly adopted by the Isanti City Council this 8th day of August, 2018.

Will any other public addressing system or sound amplification be used? If so, describe:
Only sound audio system that will be used is the current system indoors.

If the event will be held on public property, please provide the following information: (1) Will tickets be sold for the event? (2) Is a donation of any kind required? (3) What is the purpose of the money that is collected?
Race fees are collected for riders on the track only to cover the cost of the event.

Depending upon the type of special event, some items may not be required or may be waived as part of the review process. Larger events may require additional information, in order to properly process the request.

-EVENT SPONSOR-
RELEASE AND INDEMNIFICATION AGREEMENT

City of Isanti

THIS IS A RELEASE OF LIABILITY INDEMNIFICATION AGREEMENT. SPECIAL EVENTS HOLDER MUST READ CAREFULLY BEFORE SIGNING.

In consideration for being permitted to engage in the following special event activities on property owned by the City of Isanti:
MINNESOTA BMX STATE FINALS AUGUST 25th AND 26th 2018

Special Events Holder hereby acknowledges, represents, and agrees as follows:

A. We understand that the above described activities are or may be dangerous and do or may involve risks of injury, loss, or damage to us and/or third parties. We further acknowledge that such risks may include but not be limited to bodily injury, personal injury, sickness, disease, death, and property loss or damage, arising from the following circumstances, among others:
BMX PEDAL BIKE RACING

(Special Events Holder Initials Here) LM

B. If required by this paragraph, we agree to require each participant to our special event to execute a **RELEASE AND INDEMNIFICATION AGREEMENT** for ourselves and for the City of Isanti, on a form approved by the City of Isanti.

Participant Release and Indemnification required? YES ☒ NO ☐

(Special Events Holder Initials Here) LM

C. We agree to procure, keep in force, and pay for special event insurance coverage, from an insurer acceptable to the City of Isanti, for the duration of the above described activities.

(Special Events Holder Initials Here) _____

D. By signing this **RELEASE AND INDEMNIFICATION AGREEMENT,** we hereby expressly assume all such risks of injury, loss, or damage to us or any related third party, arising out of or in any way related to the above described activities,

whether or not caused by the act, omission, negligence, or other fault of the City of Isanti, its officers, its employees, or by any other cause.

(Special Event Holder Initials Here) _____

E. By signing this **RELEASE AND INDEMNIFICATION AGREEMENT,** we further hereby exempt, release and discharge the City of Isanti, its officers, and its employees from any and all claims, demands, and actions for such injury, loss or damage to us or to any third party, arising out of or in any way related to the above described activities, whether or not caused by the act, omission, negligence, or other fault of the City of Isanti, its officers, its employees, or by any other cause.

(Special Event Holder Initials Here) _____

F. We further agree to defend, indemnify and hold harmless the City of Isanti, its officers, employees, insurers, and self insurance pool, from and against all liability, claims, and demands, court costs and attorney fees, including those arising from any third party claim asserted against the City of Isanti, its officers, employees, insurers or self insurance pool, on account of injury, loss or damage, including without limitation claims arising from bodily injury, personal injury, sickness, disease, death, property damage or loss, or any other loss of any kind whatsoever, which arise out of or are in any way related to the above described activities, whether or not caused by our act, omission, negligence, or other fault of the City of Isanti, its officers, its employees, or by any other cause.

(Special Event Holder Initials Here) _____

G. By signing this **RELEASE AND INDEMNIFICATION AGREEMENT,** we hereby acknowledge and agree that said Agreement extends to all acts omissions, negligence, or other fault of the City of Isanti, its officers, and/or its employees, and that said Agreement is intended to be as broad and inclusive as is permitted by the laws of the State of Minnesota. If any portion thereof is held invalid, it is further agreed that the balance shall, notwithstanding, continue in full legal force and effect.

(Special Event Holder Initials Here) _____

H. We understand and agree that this **RELEASE AND INDEMNIFICATION AGREEMENT** shall be governed by the laws of the State of Minnesota and that jurisdiction and venue for any suit or cause of action under this agreement shall lie in the courts.

(Special Event Holder Initials Here) LM

I. This **RELEASE AND INDEMNIFICATION AGREEMENT** shall be effective as of the date or dates of the applicable special event, shall continue in full force until our responsibilities hereunder are fully discharged, and shall be binding upon us, or successors, representatives, heirs, executors, assigns, and transferees.

(Special Event Holder Initials Here) LM

IN WITNESS THEREOF, THIS RELEASE AND INDEMNIFICATION AGREEMENT is executed by the special event holder, acting by and through the undersigned, who represents that he or she is property authorized to bind the Special Events Holder hereto.

Request for City Council Action - MEMO

To: **Mayor Wimmer and Members of City Council**

From: Katie Everett, Parks, Recreation, and Culture Manager

Date: August 8, 2018

Subject: **A Resolution Approving a Special Event Permit Application for the 2018 Summer Spectacular Car Show**

Background

The City of Isanti received a special event application from Rum River Rods to host the Summer Spectacular classic car show on August 11th from 10:00 am – 3:00 pm on Main Street in downtown Isanti. Attendance for this event is estimated at 250-500 people. Parking will be along City streets and within city owned parking lots the evenings of the events. Because the event is running in conjunction with Celebrate Isanti, Rum River Rods will not provide separate portable restrooms for their event.

A section of Main Street will need to be closed from the railroad tracks to its intersection with 3rd Avenue, as well as 1st and 2nd Avenues north and south of Main Street to the alleys. The applicant will make arrangements to close off the road with barricades. The classic cars will be parked on Main Street and in the grass lot across from Faith Lutheran Church if needed. Volunteers from the car club will assist with clean-up after the show.

Pop-up canopies will be placed on Main Street and 1st Avenue. Rum River Rods will be responsible for moving picnic tables in place for the Street Dance following the car show. A public address system and music will be utilized during the events. The Summer Spectacular event will include a $10.00 participant registration fee; money collected will go toward covering expenses. Spectators are free.

A $100 clean-up deposit fee, proof of insurance, and signed Release and Indemnification Form are on file.

The August 12 Summer Spectacular will also include a vendor fair and swap meet. These activities require a Peddler's Permit and $25 fee, which have been submitted by the organizer.

A copy of the application, department review, permission for property use, event map, and event flyer have been attached for City Council review.

Staff Request

City staff is requesting action on this item.

RESOLUTION 2018-

RESOLUTION APPROVING A SPECIAL EVENT PERMIT APPLICATION FOR THE 2018 SUMMER SPECTACULAR CAR SHOW

WHEREAS, Rum River Rods has submitted a Special Event Permit application requesting approval to host the Summer Spectacular Car Show in Downtown Isanti; and,

WHEREAS, Summer Spectacular is scheduled for Saturday, August 11 from 10:00 am to 3:00 pm.; and,

WHEREAS, the estimated number of people to be in attendance is anticipated to be 250-500; and,

WHEREAS, parking for the event will be at the public lot north of Main Street (City Hall/Community Center) and along City streets where parking is allowed; and,

WHEREAS, a PA system will be used for announcements and music; and,

WHEREAS, barricades will be placed by the applicant on Main Street from the Railroad tracks to 3rd Avenue and to the alleys north and south of Main Street; and,

WHEREAS, the event will include a vendor fair and swap meet, and organizer has submitted the required Peddler's Permit and $25 fee; and,

WHEREAS, the Special Event Permit clean up deposit of $100 has also been submitted;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to hereby approve the 2018 Summer Spectacular Car Show to be held as specified above with the following conditions:

- Special Event Application submitted on behalf of the Rum River Rods, subject to the comments provided by City Staff Members; which include:
    - Rum River Rods will close the portions of Main Street needed for the event; City staff will reopen the portion from 3rd Ave to 2nd Ave after the Car Show.
    - Coordinate August 11 event details (electricity, vendors, stage placement and timing of placement, etc.) with the Parks, Recreation, and Culture Manager prior to the day of the event.
    - A complete list of vendors must be submitted prior to the event.
- Closure of Main Street from the Railroad tracks to 3rd Ave.
- Closure of 1st Ave and 2nd Ave for one block North and South of Main Street to the alleys on either side

BE IT FURTHER RESOLVED by the City Council of the City of Isanti, Minnesota that this Resolution is hereby the "Permit" for the above stated Special Event.

This resolution was duly adopted by the Isanti City Council this 8th day of August, 2018.

Attest:

George A. Wimmer
Mayor

Katie Brooks

Subject: Special Event Permit - Summer Spectacular Car Show

All,

I have attached the Special Event Permit application for the Rum River Rods Summer Spectacular Car Show. They are expecting more cars this year and have extended their request of the Main Street closure from 4th Ave to the tracks (it had been 3rd in the past), and one block north and south. From the map they included, it looks like they are asking to close up to the alleys. I wanted to check with all of you about whether or not this is allowable; I have attached a separate map which includes private driveways that would be within the closure according to the map they have provided. Please let me know if this closure is possible, and if is what Rum River Rods will need to do.

Thank you for your help!

Subject: Re: Car Show Closure

Hello Katie-

We will just close it to 3rd street, then use the grass area for parking cars.

Thanks,
Amy

On Thu, Jul 26, 2018 at 9:30 AM, Isanti Parks <IsantiParks@cityofisanti.us> wrote:

Good morning!

Due to needing to maintain access to the residences on 3rd Ave, that street will not be able to be closed for the car show on August 11. We'll still be able to close Main Street up to 4th from the tracks, and the other street closures are okay. I'd recommend planning to park cars on the grass across from Faith Lutheran, and if you

think it is going to be needed, to talk to them about using their parking lot for the show cars as well. With the change from the closure you requested, if you could just respond to this email with what your alternate plan will be, we should be set to get the Special Event permit finished up.

Thank you so much for the work you're doing putting the car show together, we're really looking forward to it!

Subject: Re: Car Show Closure

Hello Katie-

We will just close it to 3rd street, then use the grass area for parking cars.

Thanks,
Amy

On Thu, Jul 26, 2018 at 9:30 AM, Isanti Parks <IsantiParks@cityofisanti.us> wrote:

Good morning!

Due to needing to maintain access to the residences on 3rd Ave, that street will not be able to be closed for the car show on August 11. We'll still be able to close Main Street up to 4th from the tracks, and the other street closures are okay. I'd recommend planning to park cars on the grass across from Faith Lutheran, and if you think it is going to be needed, to talk to them about using their parking lot for the show cars as well. With the change from the closure you requested, if you could just respond to this email with what your alternate plan will be, we should be set to get the Special Event permit finished up.

Thank you so much for the work you're doing putting the car show together, we're really looking forward to it!

Good Afternoon Dan-

Thank you for talking with me last week about our Summer Spectacular Car Show on August 12th. Attached you will find our insurance and a map showing where the event will be held. Currently we have received a letter from the church giving us the ok to use their portion of the grass area at Main Street and 2nd Avenue. If you could please send back the ok for us to use your portion that would be wonderful. If you have any other questions please let me know.

Thanks,
Amy Campbell-Davis

Good Morning Katie-

Here is the ok from Dan to use his portion of the grass area for our swappers area. Currently i do not have anyone registered for the event, but will get you names once I have them. Also, have you heard from JerriAnne on vendors? I have tried to reach out to her a few times lately and have not heard back.

Thanks,
Amy

Hi Amy,

I'm ok with you using the lot as long as I can see Insurance coverage that protects me from liability issues.

Your first email did not have attachments....

Good Morning Dan-

Once again the Rum River Rods will be having our 8th Annual Summer Spectacular Car Show on August 11th. We were wondering if we could again use your portion of the grass area at Main Street and 2nd Avenue? We still have the same insurance as we did last year for the event.

Thanks,
Amy Campbell-Davis

Good Afternoon Dan-

Just following up to see if you received my email about using the grass portion at Main Street and 2nd Avenue again for our Summer Spectacular Car Show. I am working on getting all of the paperwork turned in to the city for approval. Please let me know if you have any questions, and once again, we do have insurance for all of our shows.

Thanks,
Amy Campbell-Davis

-EVENT SPONSOR-
RELEASE AND INDEMNIFICATION AGREEMENT

City of Isanti

THIS IS A RELEASE OF LIABILITY INDEMNIFICATION AGREEMENT. SPECIAL EVENTS HOLDER MUST READ CAREFULLY BEFORE SIGNING.

In consideration for being permitted to engage in the following special event activities on property owned by the City of Isanti:
Car show and Swap meet on Saturday August 11th along w/ vendors.

Special Events Holder hereby acknowledges, represents, and agrees as follows:

A. We understand that the above described activities are or may be dangerous and do or may involve risks of injury, loss, or damage to us and/or third parties. We further acknowledge that such risks may include but not be limited to bodily injury, personal injury, sickness, disease, death, and property loss or damage, arising from the following circumstances, among others:

(Special Events Holder Initials Here) ___

B. If required by this paragraph, we agree to require each participant to our special event to execute a **RELEASE AND INDEMNIFICATION AGREEMENT** for ourselves and for the City of Isanti, on a form approved by the City of Isanti.

Participant Release and Indemnification required? YES ___ NO X

(Special Events Holder Initials Here) ___

C. We agree to procure, keep in force, and pay for special event insurance coverage, from an insurer acceptable to the City of Isanti, for the duration of the above described activities.

(Special Events Holder Initials Here) _____

D. By signing this **RELEASE AND INDEMNIFICATION AGREEMENT,** we hereby expressly assume all such risks of injury, loss, or damage to us or any related third party, arising out of or in any way related to the above described activities,

whether or not caused by the act, omission, negligence, or other fault of the City of Isanti, its officers, its employees, or by any other cause.

(Special Event Holder Initials Here) _____

E. By signing this **RELEASE AND INDEMNIFICATION AGREEMENT,** we further hereby exempt, release and discharge the City of Isanti, its officers, and its employees from any and all claims, demands, and actions for such injury, loss or damage to us or to any third party, arising out of or in any way related to the above described activities, whether or not caused by the act, omission, negligence, or other fault of the City of Isanti, its officers, its employees, or by any other cause.

(Special Event Holder Initials Here) _____

F. We further agree to defend, indemnify and hold harmless the City of Isanti, its officers, employees, insurers, and self insurance pool, from and against all liability, claims, and demands, court costs and attorney fees, including those arising from any third party claim asserted against the City of Isanti, its officers, employees, insurers or self insurance pool, on account of injury, loss or damage, including without limitation claims arising from bodily injury, personal injury, sickness, disease, death, property damage or loss, or any other loss of any kind whatsoever, which arise out of or are in any way related to the above described activities, whether or not caused by our act, omission, negligence, or other fault of the City of Isanti, its officers, its employees, or by any other cause.

(Special Event Holder Initials Here) _____

G. By signing this **RELEASE AND INDEMNIFICATION AGREEMENT,** we hereby acknowledge and agree that said Agreement extends to all acts omissions, negligence, or other fault of the City of Isanti, its officers, and/or its employees, and that said Agreement is intended to be as broad and inclusive as is permitted by the laws of the State of Minnesota. If any portion thereof is held invalid, it is further agreed that the balance shall, notwithstanding, continue in full legal force and effect.

(Special Event Holder Initials Here) _____

H. We understand and agree that this **RELEASE AND INDEMNIFICATION AGREEMENT** shall be governed by the laws of the State of Minnesota and that jurisdiction and venue for any suit or cause of action under this agreement shall lie in the courts.

(Special Event Holder Initials Here) (R)

I. This **RELEASE AND INDEMNIFICATION AGREEMENT** shall be effective as of the date or dates of the applicable special event, shall continue in full force until our responsibilities hereunder are fully discharged, and shall be binding upon us, or successors, representatives, heirs, executors, assigns, and transferees.

(Special Event Holder Initials Here) (R)

IN WITNESS THEREOF, THIS RELEASE AND INDEMNIFICATION AGREEMENT is executed by the special event holder, acting by and through the undersigned, who represents that he or she is property authorized to bind the Special Events Holder hereto.

MEMO

To: Mayor Wimmer and City Council

From: Don Lorsung, City Administrator

Date: July 30, 2018

Subject: Right of Way Regulation – Ordinances / Resolutions

In response to action by the 2017 Minnesota Legislature, on September 5, 2017 the City Council adopted a moratorium on consideration of Wireless Telecommunication Facilities in Public Rights of Way. The moratorium was to allow time for the City to develop a formal Right of Way Ordinance to govern activities in City rights of way (ROW). These regulations include the installation of small cell wireless facilities.

Attached is a proposed ROW Ordinance that regulates all activities in City right of way. Also attached for your consideration is a resolution to approve a Small Wireless Facility Collocation Agreement for instances when a Small Cell Provider desires to place facilities on City structures in the right of way. Finally, as a part of implementation of these regulations for small cell deployment, staff has prepared an amended Fee Ordinance and Resolution. The fees are in line with State regulations.

The draft ordinances and documents are based on templates from the League of Minnesota Cities and have been reviewed by the City Attorney and City Engineer. The Development and Operations Committee is recommending approval of the ordinances, resolutions and documents.

Attached are the following for your consideration:

- Draft Ordinance to Enact a New Chapter of the City Code of Ordinances to Administer and Regulate the Public Rights of Way
- Draft Resolution approving a Proposed Small Wireless Facility Collocation Agreement Template
- Draft Ordinance to Amend City Code Chapter 160, Fees – Small Cell Fees
- Draft Amended Fee Resolution - Adopting Small Cell Fees

ORDINANCE NO. xxx

CITY OF ISANTI , MINNESOTA

AN ORDINANCE TO ENACT CHAPTER 257 OF THE CODE OF ORDINANCES TITLED RIGHT OF WAY MANAGEMENT, TO ADMINISTER AND REGULATE THE PUBLIC RIGHTS OF WAY IN THE PUBLIC INTEREST, AND TO PROVIDE FOR THE ISSUANCE AND REGULATION OF RIGHT OF WAY PERMITS.

THE CITY COUNCIL OF THE CITY OF ISANTI, MINNESOTA ORDAINS:

Chapter 1

Right of Way Management

Sec. 1.01. Findings, Purpose, and Intent.
To provide for the health, safety, and welfare of its Citizens, and to ensure the integrity of its streets and the appropriate use of the rights of way, the City of Isanti strives to keep its rights of way in a state of good repair and free from unnecessary encumbrances.

Accordingly, the City of Isanti hereby enacts this new chapter of this code relating to right of way permits and administration. This Chapter imposes reasonable regulation on the placement and maintenance of facilities and equipment currently within its rights of way or to be placed therein at some future time. It is intended to complement the regulatory roles of state and federal agencies. Under this Chapter, persons excavating and obstructing the rights of way will bear financial responsibility for their work. Finally, this Chapter provides for recovery of out-of-pocket and projected costs from persons using the public rights of way.

This Chapter shall be interpreted consistently with 1997 Session Laws, Chapter 123, substantially codified in Minnesota Statutes §§ 237.16, 237.162, 237.163, 237.79, 237.81, and 238.086 (the "Act") and 2017 Minnesota Laws, Chapter 94, article 9, amending the Act, and the other laws governing applicable rights of the City and users of the right of way. This Chapter shall also be interpreted consistent with Minnesota Rules 7819.0050–7819.9950 and Minnesota Rules, Chapter 7560 where possible. To the extent any provision of this chapter cannot be interpreted consistently with the Minnesota Rules, that interpretation most consistent with the Act and other applicable statutory and case law is intended. This Chapter shall not be interpreted to limit the regulatory and police powers of the City to adopt and enforce general ordinances necessary to protect the health, safety, and welfare of the public.

Sec. 1.02. Election to Manage the Public Rights of Way
Pursuant to the authority granted to the city under state and federal statutory, administrative and common law, the City hereby elects, pursuant to Minnesota Statute 237.163 Subd. 2(b), to manage rights of way within its jurisdiction.

Sec. 1.03. Definitions.
The following definitions apply in this Chapter. References hereafter to "Sections" are, unless otherwise specified, references to Sections in this Chapter. Defined terms remain defined terms, whether or not capitalized.

Abandoned Facility. A facility no longer in service or physically disconnected from a portion of the operating facility, or from any other facility, that is in use or still carries service. A facility is not abandoned unless declared so by the right of way user.

Applicant. Any person requesting permission to excavate or obstruct a right of way.

City. The city of Isanti, Minnesota. For purposes of Section 1.29, city also means the City's elected officials, officers, employees, and agents.

Collocate or Collocation. To install, mount, maintain, modify, operate, or replace a small wireless facility on, under, within, or adjacent to an existing wireless support structure or utility pole that is owned privately, or by the city or other governmental unit.

Commission. The State of Minnesota Public Utilities Commission.

Congested Right of Way. A crowded condition in the subsurface of the public right of way that occurs when the maximum lateral spacing between existing underground facilities does not allow for construction of new underground facilities without using hand digging to expose the existing lateral facilities in conformance with Minnesota Statutes § 216D.04, Subd. 3, over a continuous length in excess of 500 feet.

Construction Performance Bond. Any of the following forms of security provided at permittee's option and approved by the City:

- Individual project bond;
- Cash deposit;
- Security of a form listed or approved under Minnesota Statute § 15.73, Subd. 3;
- Letter of Credit, in a form acceptable to the city;
- Self-insurance, in a form acceptable to the city;
- A blanket bond for projects within the city, or other form of construction bond, for a time specified and in a form acceptable to the city.

Department. The Public Works Department of the City of Isanti

Director. The City Administrator, or her or his designee.

Delay Penalty. The penalty imposed as a result of unreasonable delays in right of way excavation, obstruction, patching, or restoration as established by permit.

Emergency. A condition that (1) poses a danger to life or health, or of a significant loss of property; or (2) requires immediate repair or replacement of facilities in order to restore service to a customer.

Equipment. Any tangible asset used to install, repair, or maintain facilities in any right of way.

Excavate. To dig into or in any way remove or physically disturb or penetrate any part of a right of way.

Excavation permit. The permit which, pursuant to this Chapter, must be obtained before a person may excavate in a right of way. An Excavation permit allows the holder to excavate that part of the right of way described in such permit.

Excavation Permit Fee. Money paid to the city by an applicant to cover the costs as provided in Section 1.13.

Facility or Facilities. Any tangible asset in the right of way required to provide Utility Service.

Five-Year Project Plan. Shows projects adopted by the city for construction within the next five years.

High Density Corridor. A designated portion of the public right of way within which telecommunications right of way users having multiple and competing facilities may be required to build and install facilities in a common conduit system or other common structure.

Hole. An excavation in the pavement, with the excavation having a length less than the width of the pavement.

Local Representative. A local person or persons, or designee of such person or persons, authorized by a registrant to accept service and to make decisions for that registrant regarding all matters within the scope of this chapter.

Management Costs. The actual costs the City incurs in managing its rights of way, including such costs, if incurred, as those associated with registering applicants; issuing, processing, and verifying right of way or small wireless facility permit applications; inspecting job sites and restoration projects; maintaining, supporting, protecting, or moving user facilities during right of way work; determining the adequacy of right of way restoration; restoring work inadequately performed after providing notice and the opportunity to correct the work; and revoking right of way or small wireless facility permits. Management costs do not include payment by a telecommunications right of way user for the use of the right of way, unreasonable fees of a third-party contractor used by the city including fees tied to or based on customer counts, access lines, or revenues generated by the right-of-way or for the city, the fees and cost of litigation relating to the interpretation of Minnesota Session Laws 1997, Chapter 123; Minnesota Statutes Chapter 237.162 or 237.163; or any Ordinance enacted under those sections, or the City fees and costs related to appeals taken pursuant to Section 1.31 of this chapter.

Obstruct. To place any tangible object in a right of way so as to hinder free and open passage over that or any part of the right of way.

Obstruction Permit. The permit which, pursuant to this chapter, must be obtained before a person may obstruct a right of way, allowing the holder to hinder free and open passage over the specified portion of that right of way, for the duration specified therein.

Obstruction Permit Fee. Money paid to the City by a permittee to cover the costs as provided in Section 1.13.

Patch or Patching. A method of pavement replacement that is temporary in nature. A patch consists of (1) the compaction of the subbase and aggregate base, and (2) the replacement, in kind, of the existing pavement for a minimum of two feet beyond the edges of the excavation in all directions. A patch is considered full restoration only when the pavement is included in the city's five-year project plan.

Pavement. Any type of improved surface that is within the public right of way and that is paved or otherwise constructed with bituminous, concrete, aggregate, or gravel.

Permit. Has the meaning given "right of way permit" in Minn. Statute § 237.162.

Permittee. Any person to whom a permit to excavate or obstruct a right of way has been granted by the City under this Chapter.

Person. An individual or entity subject to the laws and rules of this state, however organized, whether public or private, whether domestic or foreign, whether for profit or nonprofit, and whether natural, corporate, or political.

Probation. The status of a person that has not complied with the conditions of this chapter.

Probationary Period. One year from the date that a person has been notified in writing that they have been put on probation.

Registrant. Any person who (1) has or seeks to have its equipment or facilities located in any right of way, or (2) in any way occupies or uses, or seeks to occupy or use, the right of way or place its facilities or equipment in the right of way.

Restore or Restoration. The process by which an excavated right of way and surrounding area, including pavement and foundation, is returned to the same condition and life expectancy that existed before excavation.

Restoration Cost. The amount of money paid to the City by a permittee to achieve the level of restoration according to plates 1 to 13 of Minnesota Public Utilities Commission Rules.

Public Right of Way or Right of Way. The area on, below, or above a public roadway, highway, street, alley, bicycle path, or public sidewalk in which the city has an interest, including other dedicated rights of way for travel purposes and utility easements of the city. This includes all public grounds. A right of way does not include the airwaves above a right of way or public grounds with regard to cellular or other non-wire telecommunications or broadcast service.

Right of Way Permit. Either the excavation permit or the obstruction permit, or small wireless facility, depending on the context, required by this chapter.

Right of Way User. (1) A telecommunications right of way user as defined by Minnesota Statute, § 237.162, Subd. 4; or (2) a person owning or controlling a facility in the right of way that is used or intended to be used for providing utility service, and who has a right under law, franchise, or ordinance to use the public right of way.

Service or Utility Service. Includes (1) those services provided by a public utility as defined in Minnesota Statute 216B.02, Subdivision. 4 and 6; (2) services of a telecommunications right of way user, including transporting of voice or data information; (3) services of a cable communications systems as defined in Minnesota Statute Chapter. 238; (4) natural gas or electric energy or telecommunications services provided by the city; (5) services provided by a cooperative electric association organized under Minnesota Statute, Chapter 308A; and (6) water, and sewer, including service laterals, steam, cooling, or heating services.

Service Lateral. An underground facility that is used to transmit, distribute or furnish natural gas, electricity, communications, and water from a common source to an end-use customer. A service lateral is also an underground facility that is used in the removal of wastewater from a customer's premises.

Small Wireless Facility. A wireless facility that meets both of the following qualifications:

(i) each antenna is located inside an enclosure of no more than six cubic feet in volume or could fit within such an enclosure; and

(ii) all other wireless equipment associated with the small wireless facility provided such equipment is, in aggregate, no more than 28 cubic feet in volume, not including electric meters, concealment elements, telecommunications demarcation boxes, battery backup power systems, grounding equipment, power transfer switches, cutoff switches, cable, conduit, vertical cable runs for the connection of power and other services, and any equipment concealed from public view within or behind an existing structure or concealment.

Supplementary Application. An application made to excavate or obstruct more of the right of way than allowed in, or to extend, a permit that had already been issued.

Temporary Surface. The compaction of subbase and aggregate base and replacement, in kind, of the existing pavement only to the edges of the excavation. It is temporary in nature except when the replacement is of pavement included in the city's two-year plan, in which case it is considered full restoration.

Trench. An excavation in the pavement, with the excavation having a length equal to or greater than the width of the pavement.

Telecommunications Right of Way User. A person owning or controlling a facility in the right of way, or seeking to own or control a facility in the right of way that is used or is intended to be used for providing wireless service, or transporting telecommunication or other voice or data information. For purposes of this chapter, a cable communication system defined and regulated under Minnesota Statute Chapter 238, and telecommunication activities related to providing natural gas or electric energy services, a public utility as defined in Minnesota Statute Chapter 216B.02, a municipality, a municipal gas or power agency organized under Minnesota Statute Chapter 453 and 453A, or a cooperative electric association organized under Minnesota Statute Chapter 308A, are not telecommunications right of way users for purposes of this chapter except to the extent such entity is offering wireless service.

Two Year Project Plan. Shows projects adopted by the city for construction within the next two years.

Utility Pole. A pole that is used in whole or in part to facilitate telecommunications or electric service.

Wireless Facility. Equipment at a fixed location that enables the provision of wireless services between user equipment and a wireless service network, including equipment associated with wireless service, a radio transceiver, antenna, coaxial or fiber-optic cable, regular and backup power supplies, and a small wireless facility, but not including wireless support structures, wireline backhaul facilities, or cables between utility poles or wireless support structures, or not otherwise immediately adjacent to and directly associated with a specific antenna.

Wireless Service. Any service using licensed or unlicensed wireless spectrum, including the use of Wi-Fi, whether at a fixed location or by means of a mobile device, that is provided using wireless facilities. Wireless service does not include services regulated under Title VI of the Federal Communications Act of 1934, as amended, including cable service.

Wireless Support Structure. A new or existing structure in a right-of-way designed to support or capable of supporting small wireless facilities, as reasonably determined by the city.

Sec. 1.04 Administration.
The City Administrator or her/his designee is the principal city official responsible for the administration of the rights of way, right of way permits, and the ordinances related thereto. The City Administrator or her/his designee may delegate any or all of the duties hereunder.

Sec. 1.05. Registration and Right of Way Occupancy.

Subd. 1. ***Registration.*** Each person who occupies or uses, or seeks to occupy or use, the right of way or place any equipment or facilities in or on the right of way, including persons with installation and maintenance responsibilities by lease, sublease, or assignment, must register with the city. Registration will consist of providing application information.

Subd. 2. ***Registration Prior to Work.*** No person may construct, install, repair, remove, relocate, or perform any other work on, or use any facilities or any part thereof, in any right of way without first being registered with the City.

Subd. 3. ***Exceptions.*** Nothing herein shall be construed to repeal or amend the provisions of a City Code permitting persons to plant or maintain boulevard plantings or gardens in the area of the right of way between their property and the street curb, in conformance with the Zoning Ordinance. However, nothing herein relieves a person from complying with the provisions of the Minnesota Statute Chapter 216D, Gopher One Call Law.

Sec. 1.06. Registration Information.

Subd. 1. ***Information Required.*** The information provided to the city at the time of registration shall include, but not be limited to:

(a) Each registrant's name, Gopher One-Call registration certificate number, address and email address, if applicable, and telephone and facsimile numbers.

(b) The name, address, and email address, if applicable, and telephone and facsimile numbers of a local representative. The local representative or designee shall be available at all times. Current information regarding how to contact the local representative in an emergency shall be provided at the time of registration.

(c) A certificate of insurance or self-insurance:

(1) Verifying that an insurance policy has been issued to the registrant by an insurance company licensed to do business in the state of Minnesota, or a form of self-insurance acceptable to the city;

(2) Verifying that the registrant is insured against claims for personal injury, including death, as well as claims for property damage arising out of the (i) use and occupancy of the right of way by the registrant, its officers, agents, employees, and permittees, and (ii) placement and use of facilities and equipment in the right of way by the registrant, its officers, agents, employees, and permittees, including, but not limited to, protection against liability arising from completed operations, damage of underground facilities, and collapse of property;

(3) Naming the city as an additional insured as to whom the coverages required herein are in force and applicable and for whom defense will be provided as to all such coverages;

(4) Requiring that the city be notified thirty (30) days in advance of cancellation of the policy or material modification of a coverage term; and

(5) Indicating comprehensive liability coverage, automobile liability coverage, workers' compensation and umbrella coverage established by the city in amounts sufficient to protect the city and the public and to carry out the purposes and policies of this chapter.

(6) The City may require a copy of the actual insurance policies.

(7) If the person is a corporation, a copy of the certificate is required to be filed under Minnesota Statute Chapter 300.06 as recorded and certified to by the secretary of state.

(8) A copy of the person's order granting a certificate of authority from the Minnesota Public Utilities Commission or other authorization or approval from

the applicable state or federal agency to lawfully operate, where the person is lawfully required to have such authorization or approval from said commission or other state or federal agency.

Subd. 2. ***Notice of Changes.*** The registrant shall keep all of the information listed above current at all times by providing to the City information as to changes within fifteen (15) days following the date on which the registrant has knowledge of any change.

Sec. 1.07. Reporting Obligations.

Subd. 1. ***Operations***. Each registrant shall, at the time of registration and by December 1 of each year, file a construction and major maintenance plan for underground facilities with the City. Such plan shall be submitted using a format designated by the City and shall contain the information determined by the city to be necessary to facilitate the coordination and reduction in the frequency of excavations and obstructions of rights of way.

The plan shall include, but not be limited to, the following information:

(a) The locations and the estimated beginning and ending dates of all projects to be commenced during the next calendar year (in this section, a "next-year project"); and

(b) To the extent known, the tentative locations and estimated beginning and ending dates for all projects contemplated for the five years following the next calendar year (in this section, a "five-year project").

The term "project" in this section shall include both next-year projects and five-year projects.

By January 1 of each year, the City will have available for inspection in the city's office a composite list of all projects of which the city has been informed of the annual plans. All registrants are responsible for keeping themselves informed of the current status of this list.

Thereafter, by February 1, each registrant may change any project in its list of next-year projects, and must notify the City and all other registrants of all such changes in said list. Notwithstanding the foregoing, a registrant may at any time join in a next-year project of another registrant listed by the other registrant.

Subd. 2. ***Additional Next-Year Projects.*** Notwithstanding the foregoing, the City will not deny an application for a right of way permit for failure to include a project in a plan submitted to the city if the registrant has used commercially reasonable efforts to anticipate and plan for the project.

Sec. 1.08. Permit Requirement.

Subd. 1. ***Right of Way Work Permit Required.*** Except as otherwise provided in this code, no person may obstruct or excavate any right of way, or install or place facilities in the right of way, without first having obtained the appropriate right of way work permit from the City to do so. Right of way work permits cover the following activities:

(a) *Excavation.* A right of way permit is required by a registrant to excavate that part of the right of way described in such permit and to hinder free and open passage over the

specified portion of the right of way by placing facilities described therein, to the extent and for the duration specified therein.

(b) *Obstruction.* A right of way permit is required by a registrant to hinder free and open passage over the specified portion of right of way by placing equipment described therein on the right of way, to the extent and for the duration specified therein. An additional permit for obstruction is not required if a person already possesses a valid right of way permit for excavation with the same project.

(c) *Small Wireless Facility.* A right of way permit is required by a registrant to erect or install a wireless support structure, to collocate a small wireless facility, or to otherwise install a small wireless facility in the specified portion or the right of way, to the extent specified therein, provided that such permit shall remain in effect for the length of time the facility is in use, unless lawfully revoked.

Subd. 2. ***Permit Extensions.*** No person may excavate or obstruct the right of way beyond the date or dates specified in the permit unless (i) such person makes a supplementary application for another right of way permit before the expiration of the initial permit, and (ii) a new permit or permit extension is granted.

Subd. 3. ***Delay Penalty.*** In accordance with Minnesota Rule 7819.1000 Subpart 3 and notwithstanding subdivision 2 of this Section, the City shall establish and impose a delay penalty for unreasonable delays in right of way excavation, obstruction, patching, or restoration. The delay penalty shall be established from time to time by City Council resolution.

Subd. 4. ***Permit Display.*** Permits issued under this Chapter shall be conspicuously displayed or otherwise available at all times at the indicated work site and shall be available for inspection by the city.

Sec. 1.09. Permit Applications.

Application for a permit is made to the City. Right of way permit applications shall contain, and will be considered complete only upon compliance with, the requirements of the following provisions:

(a) Registration with the City pursuant to this chapter.

(b) Submission of a completed permit application form, including all required attachments, and scaled drawings showing the location and area of the proposed project and the location of all known existing and proposed facilities.

(c) Payment of money due the city for:
  (1) permit fees, estimated restoration costs, and other management costs;
  (2) prior obstructions or excavations;
  (3) any undisputed loss, damage, or expense suffered by the city because of applicant's prior excavations or obstructions of the rights of way or any emergency actions taken by the city;
  (4) franchise fees or other charges, if applicable.

(d) Payment of disputed amounts due to the City by posting security or depositing in an escrow account an amount equal to at least 110 percent of the amount owing.

(e) Posting an additional or larger construction performance bond for additional facilities when applicant requests an excavation permit to install additional facilities and the city deems the existing construction performance bond inadequate under applicable standards.

Sec. 1.10. Issuance of Permit; Conditions.

Subd. 1. ***Permit Issuance.*** If the applicant has satisfied the requirements of this chapter, the City shall issue a permit.

Subd. 2. ***Conditions.*** The City may impose reasonable conditions upon the issuance of the permit and the performance of the applicant thereunder to protect the health, safety, and welfare or when necessary to protect the right of way and its current use. In addition, a permittee shall comply with all requirements of local, state, and federal laws, including but not limited to Minn. Statute Chapter 216D.01 - .09 (Gopher One Call Excavation Notice System) and Minnesota Rules, Chapter 7560.

Subd. 3. ***Small Wireless Facility Conditions.*** In addition to Subdivision 2, the erection or installation of a wireless support structure, the collocation of a small wireless facility, or other installation of a small wireless facility in the right-of-way, shall be subject to the following conditions:

(a) A small wireless facility shall only be collocated on the particular wireless support structure, under those attachment specifications, and at the height indicated in the applicable permit application.

(b) No new wireless support structure installed within the right-of-way shall exceed 50 feet in height without the City's written authorization, provided that the City may impose a lower height limit in the applicable permit to protect the public health, safety and welfare or to protect the right-of-way and its current use, and further provided that a registrant may replace an existing wireless support structure exceeding 50 feet in height with a structure of the same height subject to such conditions or requirements as may be imposed in the applicable permit.

(c) No wireless facility may extend more than 10 feet above its wireless support structure.

(d) Where an applicant proposes to install a new wireless support structure in the right-of-way, the City may impose separation requirements between such structure and any existing wireless support structure or other facilities in and around the right-of-way.

(e) Where an applicant proposes collocation on a decorative wireless support structure, sign or other structure not intended to support small wireless facilities, the City may impose reasonable requirements to accommodate the particular design, appearance or intended purpose of such structure.

(f) Where an applicant proposes to replace a wireless support structure, the City may impose reasonable restocking, replacement, or relocation requirements on the replacement of such structure.

Subd. 4. ***Small Wireless Facility Agreement.*** A small wireless facility shall only be collocated on a small wireless support structure owned or controlled by the City, or any other City asset in the right-of-way, after the applicant has executed a standard small wireless facility collocation agreement with the city. The City shall collect rental, maintenance and electrical service fees as per the City Fee Resolution.

The standard collocation agreement shall be in addition to, and not in lieu of, the required small wireless facility permit, provided, however, that the applicant shall not be additionally required to obtain a license or franchise in order to collocate. Issuance of a small wireless facility permit does not supersede, alter or affect any then-existing agreement between the city and applicant,

Sec. 1.11 Action on Small Wireless Facility Permit Applications.
Subd. 1. ***Deadline for Action.*** The city shall approve or deny a small wireless facility permit application within 90 days after filing of such application. The small wireless facility permit, and any associated building permit application, shall be deemed approved if the City fails to approve or deny the application within the review periods established in this section.

Subd. 2. ***Consolidated Applications.*** An applicant may file a consolidated small wireless facility permit application addressing the proposed collocation of up to 15 small wireless facilities, or a greater number if agreed to by a local government unit, provided that all small wireless facilities in the application:

(a) are located within a two-mile radius;
(b) consist of substantially similar equipment; and
(c) are to be placed on similar types of wireless support structures.

In rendering a decision on a consolidated permit application, the City may approve some small wireless facilities and deny others, but may not use denial of one or more permits as a basis to deny all small wireless facilities in the application.

Subd. 3. ***Tolling of Deadline.*** The 90-day deadline for action on a small wireless facility permit application may be tolled if:

(a) The city receives applications from one or more applicants seeking approval of permits for more than 30 small wireless facilities within a seven-day period. In such case, the city may extend the deadline for all such applications by 30 days by informing the affected applicants in writing of such extension.
(b) The applicant fails to submit all required documents or information and the city provides written notice of incompleteness to the applicant within 30 days of receipt the application. Upon submission of additional documents or information, the city shall have ten days to notify the applicant in writing of any still-missing information.
(c) The city and a small wireless facility applicant agree in writing to toll the review period.

Sec. 1.12. Right of Way Work Permit Fees.

Subd. 1. ***Excavation.*** The City shall impose a right of way work permit fee in an amount sufficient to recover city management costs for excavations. The fee shall be per the City fee schedule.

Subd. 2. ***Obstruction.*** The City shall impose a right of way work permit fee in an amount sufficient to recover city management costs for obstructions (unless combined with a permit for excavations).

Subd 3. ***Small Wireless Facility.*** The City shall impose a right of way work permit fee for a small wireless facility in an amount sufficient to recover:

(a) management costs, and;

(b) city engineering, make-ready, and construction costs associated with collocation of small wireless facilities.

Subd. 4. ***Payment of Permit Fees.*** No excavation permit or obstruction permit shall be issued without payment of excavation or obstruction permit fees. The City may allow applicant to pay such fees within thirty (30) days of billing.

Subd. 5. ***Non Refundable.*** Permit fees that were paid for a permit that the City has revoked for a breach as stated in Section 1.23 are not refundable.

Subd. 6. ***Application to Franchises.*** Unless otherwise agreed to in a franchise, management costs may be charged separately from and in addition to the franchise fees imposed on a right of way user in the franchise.

Sec. 1.13. Right of Way Patching and Restoration.

Subd. 1. ***Timing.*** The work to be done under the excavation permit, and the patching and restoration of the right of way as required herein, must be completed within the dates specified in the permit, increased by as many days as work could not be done because of circumstances beyond the control of the permittee or when work was prohibited as unseasonal or unreasonable under Section 1.17.

Subd. 2. ***Patch and Restoration.*** Permittee shall patch its own work. The City may choose either to have the permittee restore the right of way or to restore the right of way itself.

(a) ***City Restoration.*** If the City restores the right of way, permittee shall pay the costs thereof within thirty (30) days of billing. If, following such restoration, the pavement settles due to permittee's improper backfilling, the permittee shall pay to the City, within thirty (30) days of billing, all costs associated with correcting the defective work.

(b) ***Permittee Restoration.*** If the permittee restores the right of way itself, it shall at the time of application for an excavation permit post a construction performance bond in accordance with the provisions of Minnesota Rule 7819.3000.

Subd. 3. ***Standards.*** The permittee shall perform excavation, backfilling, patching, and restoration according to the standards and with the materials specified by the City and shall comply with Minnesota Rules 7819.1100.

Subd. 4. ***Duty to Correct Defects.*** The permittee shall correct defects in patching or restoration performed by permittee or its agents. The permittee upon notification from the City, shall correct all restoration work to the extent necessary, using the method required by the City. Said work shall be completed within five (5) calendar days of the receipt of the notice from the City, not including days during which work cannot be done because of circumstances constituting force majeure or days when work is prohibited as unseasonable or unreasonable under Section 1.17.

Subd. 5. *Failure to Restore.* If the permittee fails to restore the right of way in the manner and to the condition required by the city, or fails to satisfactorily and timely complete all restoration required by the city, the city at its option may do such work. In that event the permittee shall pay to the City, within thirty (30) days of billing, the cost of restoring the right of way. If permittee fails to pay as required, the city may exercise its rights under the construction performance bond.

Sec. 1.14. Joint Applications.

Subd. 1. *Joint application.* Registrants may jointly apply for permits to excavate or obstruct the right of way at the same place and time.

Subd. 2. *Shared fees.* Registrants who apply for permits for the same obstruction or excavation, which the city does not perform, may share in the payment of the obstruction or excavation permit fee. In order to obtain a joint permit, registrants must agree among themselves as to the portion each will pay and indicate the same on their applications.

Subd. 3. *With city projects.* Registrants who join in a scheduled obstruction or excavation performed by the City, whether or not it is a joint application by two or more registrants or a single application, are not required to pay the excavation or obstruction and degradation portions of the permit fee, but a permit would still be required.

Sec. 1.15. Supplementary Applications.

Subd. *1. Limitation on Area.* A right of way permit is valid only for the area of the right of way specified in the permit. No permittee may do any work outside the area specified in the permit, except as provided herein. Any permittee which determines that an area greater than that specified in the permit must be obstructed or excavated must before working in that greater area (i) make application for a permit extension and pay any additional fees required thereby, and (ii) be granted a new permit or permit extension.

Subd. 2. *Limitation on Dates.* A right of way permit is valid only for the dates specified in the permit. No permittee may begin its work before the permit start date or, except as provided herein, continue working after the end date. If a permittee does not finish the work by the permit end date, it must apply for a new permit for the additional time it needs, and receive the new permit or an extension of the old permit before working after the end date of the previous permit. This supplementary application must be submitted before the permit end date.

Sec. 1.16. Other Obligations.

Subd. 1. *Compliance with Other Laws.* Obtaining a right of way permit does not relieve permittee of its duty to obtain all other necessary permits, licenses, and authority and to pay all fees required by the city or other applicable rule, law or regulation. A permittee shall comply with all requirements of local, state and federal laws, including but not limited to Minnesota Statute Chapter 216D.01-.09 (Gopher One Call Excavation Notice System) and Minnesota Rules, Chapter 7560. A permittee shall perform all work in conformance with all applicable codes and established rules and regulations, and is responsible for all work done in the right of way pursuant to its permit, regardless of who does the work.

Subd. 2. ***Prohibited Work.*** Except in an emergency, and with the approval of the City, no right of way obstruction or excavation may be done when seasonally prohibited or when conditions are unreasonable for such work.

Subd. 3. ***Interference with Right of Way.*** A permittee shall not so obstruct a right of way that the natural free and clear passage of water through the gutters or other waterways shall be interfered with. Private vehicles of those doing work in the right of way may not be parked within or next to a permit area, unless parked in conformance with city parking regulations. The loading or unloading of trucks must be done solely within the defined permit area unless specifically authorized by the permit.

Subd. 4. ***Trenchless excavation.*** As a condition of all applicable permits, permittees employing trenchless excavation methods, including but not limited to Horizontal Directional Drilling, shall follow all requirements set forth in Minnesota Statute Chapter 216D and Minnesota Rules Chapter 7560 and shall require potholing or open cutting over existing underground utilities before excavating, as determined by the director.

Sec. 1.17. Denial or Revocation of Permit.

Subd. 1. ***Reasons for Denial.*** The City may deny a permit for failure to meet the requirements and conditions of this chapter or if the City determines that the denial is necessary to protect the health, safety, and welfare of the public or when necessary to protect the right of way and its current use.

Subd. 2. ***Procedural Requirements.*** The denial or revocation of a permit must be made in writing and must document the basis for the denial. The City must notify the applicant or right-of-way user in writing within three business days of the decision to deny or revoke a permit. If an application is denied, the right-of-way user may address the reasons for denial identified by the City and resubmit its application. If the application is resubmitted within 30 days of receipt of the notice of denial, no additional application fee shall be imposed. The city must approve or deny the resubmitted application within 30 days after submission.

Sec. 1.18. Installation Requirements.

The excavation, backfilling, patching and restoration, and all other work performed in the right of way shall be done in conformance with Minnesota Rules 7819.1100 and 7819.5000 and other applicable local requirements, in so far as they are not inconsistent with the Minnesota Statutes Chapters 237.162 and 237.163. Installation of service laterals shall be performed in accordance with Minnesota Rules Chapter 7560 and these ordinances. Service lateral installation is further subject to those requirements and conditions set forth by the city in the applicable permits and/or agreements referenced in Section 1.23 Subd. 2 of this ordinance.

Sec. 1.19. Inspection.

Subd. 1. ***Notice of Completion.*** When the work under any permit hereunder is completed, the permittee shall furnish a completion certificate in accordance Minnesota Rules 7819.1300.

Subd. 2. ***Site Inspection.*** Permittee shall make the work site available to the city and to all others as authorized by law for inspection at all reasonable times during the execution of and upon completion of the work.

Subd 3. ***Authority of Director.***

(a) At the time of inspection, the Director may order the immediate cessation of any work which poses a serious threat to the life, health, safety, or well-being of the public.

(b) The Director may issue an order to the permittee for any work that does not conform to the terms of the permit or other applicable standards, conditions, or codes. The order shall state that failure to correct the violation will be cause for revocation of the permit. Within ten (10) days after issuance of the order, the permittee shall present proof to the Director that the violation has been corrected. If such proof has not been presented within the required time, the director may revoke the permit pursuant to Section 1.23.

Sec. 1.20. Work Done Without a Permit.

Subd. 1. ***Emergency Situations.*** Each registrant shall immediately notify the director of any event regarding its facilities that it considers to be an emergency. The registrant may proceed to take whatever actions are necessary to respond to the emergency. Excavators' notification to Gopher State One Call regarding an emergency situation does not fulfill this requirement. Within two (2) business days after the occurrence of the emergency, the registrant shall apply for the necessary permits, pay the fees associated therewith, and fulfill the rest of the requirements necessary to bring itself into compliance with this chapter for the actions it took in response to the emergency.

If the City becomes aware of an emergency regarding a registrant's facilities, the City will attempt to contact the local representative of each registrant affected, or potentially affected, by the emergency. In any event, the City may take whatever action it deems necessary to respond to the emergency, the cost of which shall be borne by the registrant whose facilities occasioned the emergency.

Subd. 2. ***Non-Emergency Situations.*** Except in an emergency, any person who, without first having obtained the necessary permit, obstructs or excavates a right of way must subsequently obtain a permit and, as a penalty, pay double the normal fee for said permit, pay double all the other fees required by the City Code, deposit with the City the fees necessary to correct any damage to the right of way, and comply with all of the requirements of this chapter.

Sec. 1.21. Supplementary Notification.

If the obstruction or excavation of the right of way begins later or ends sooner than the date given on the permit, permittee shall notify the City of the accurate information as soon as this information is known.

Sec. 1.22. Revocation of Permits.

Subd. 1. ***Substantial Breach.*** The City reserves its right, as provided herein, to revoke any right of way permit without a fee refund, if there is a substantial breach of the terms and conditions of any statute, ordinance, rule or regulation, or any material condition of the permit. A substantial

breach by permittee shall include, but shall not be limited to, the following:

(a) The violation of any material provision of the right of way permit.
(b) An evasion or attempt to evade any material provision of the right of way permit, or the perpetration or attempt to perpetrate any fraud or deceit upon the City or its citizens.
(c) Any material misrepresentation of fact in the application for a right of way permit.
(d) The failure to complete the work in a timely manner, unless a permit extension is obtained or unless the failure to complete work is due to reasons beyond the permittee's control.
(e) The failure to correct, in a timely manner, work that does not conform to a condition indicated on an order issued pursuant to Sec. 1.20.

Subd. 2. ***Written Notice of Breach.*** If the City determines that the permittee has committed a substantial breach of a term or condition of any statute, ordinance, rule, regulation, or any condition of the permit, the City shall make a written demand upon the permittee to remedy such violation. The demand shall state that continued violations may be cause for revocation of the permit. A substantial breach, as stated above, will allow the City, at its discretion, to place additional or revised conditions on the permit to mitigate and remedy the breach.

Subd. ***3. Response to Notice of Breach.*** Within twenty-four (24) hours of receiving notification of the breach, permittee shall provide the City with a plan, acceptable to the City, that will cure the breach. Permittee's failure to so contact the city, or permittee's failure to timely submit an acceptable plan, or permittee's failure to reasonably implement the approved plan, shall be cause for immediate revocation of the permit. Further, permittee's failure to so contact the City, or permittee's failure to submit an acceptable plan, or permittee's failure to reasonably implement the approved plan, shall automatically place the permittee on probation for one (1) full year.

Subd. 4. ***Cause for Probation.*** From time to time, the City may establish a list of conditions of the permit, which if breached will automatically place the permittee on probation for one full year, such as, but not limited to, working out of the allotted time period or working on right of way grossly outside of the permit authorization.

Subd. ***5. Automatic Revocation.*** If a permittee, while on probation, commits a breach as outlined above, permittee's permit will automatically be revoked and permittee will not be allowed further permits for one full year, except for emergency repairs.

Subd. 6. ***Reimbursement of city costs.*** If a permit is revoked, the permittee shall also reimburse the City for the City's reasonable costs, including restoration costs and the costs of collection and reasonable attorneys' fees incurred in connection with such revocation.

Sec. 1.23. Mapping Data.
Subd. 1. ***Information Required.*** Each registrant and permittee shall provide mapping information required by the city in accordance with Minnesota Rules 7819.4000 and 7819.4100. Within ninety (90) days following completion of any work pursuant to a permit, the permittee shall provide the director accurate maps and drawings certifying the

"as-built" location of all equipment installed, owned, and maintained by the permittee. Such maps and drawings shall include the horizontal and vertical location of all facilities and equipment and shall be provided consistent with the city's electronic mapping system, when practical or as a condition imposed by the director. Failure to provide maps and drawings pursuant to this subsection shall be grounds for revoking the permit holder's registration.

Subd. 2. ***Service Laterals.*** All permits issued for the installation or repair of service laterals, other than minor repairs as defined in Minn. Rules 7560.0150, Subpart 2, shall require the permittee's use of appropriate means of establishing the horizontal locations of installed service laterals and the service lateral vertical locations in those cases where the Director reasonably requires it. Permittees or their subcontractors shall submit to the Director evidence satisfactory to the director of the installed service lateral locations. Compliance with this subdivision 2 and with applicable Gopher State One Call law and Minnesota Rules governing service laterals installed after Dec. 31, 2005, shall be a condition of any city approval necessary for:

a) Payments to contractors working on a public improvement project, including those under Minnesota Statute Chapter 429, and

b) City approval under development agreements or other subdivision or site plan approval under Minnesota Statute Chapter 462. The director shall reasonably determine the appropriate method of providing such information to the City. Failure to provide prompt and accurate information on the service laterals installed may result in the revocation of the permit issued for the work or future permits to the offending permittee or its subcontractors.

Sec. 1.24. Location and Relocation of Facilities.

Subd. 1. Placement, location, and relocation of facilities must comply with the Act, with other applicable law, and with Minn. Rules 7819.3100, 7819.5000, and 7819.5100, to the extent the rules do not limit authority otherwise available to the City.

Subd. 2. ***Corridors.*** The City may assign a specific area within the right of way, or any particular segment thereof as may be necessary, for each type of facility that is or, pursuant to current technology, the City expects will someday be located within the right of way. All excavation, obstruction, or other permits issued by the City involving the installation or replacement of facilities shall designate the proper corridor for the facilities at issue.

Any registrant who has facilities in the right of way in a position at variance with the corridors established by the City shall, no later than at the time of the next reconstruction or excavation of the area where the facilities are located, move the facilities to the assigned position within the right of way, unless this requirement is waived by the City for good cause shown, upon consideration of such factors as the remaining economic life of the facilities, public safety, customer service needs, and hardship to the registrant.

Subd. 3. ***Nuisance.*** One year after the passage of this chapter, any facilities found in a right of way that have not been registered shall be deemed to be a nuisance. The City may exercise any remedies or rights it has at law or in equity, including, but not limited to, abating the nuisance or taking possession of the facilities and restoring the right of way to a useable condition.

Subd. 4. ***Limitation of Space.*** To protect the health, safety, and welfare of the public, or when necessary to protect the right of way and its current use, the City shall have the power to prohibit or limit the placement of new or additional facilities within the right of way. In making such decisions, the City shall strive to the extent possible to accommodate all existing and potential users of the right of way, but shall be guided primarily by considerations of the public interest, the public's needs for the particular utility service, the condition of the right of way, the time of year with respect to essential utilities, the protection of existing facilities in the right of way, and future city plans for public improvements and development projects which have been determined to be in the public interest.

Sec. 1.25 Pre-Excavation Facilities Location.
In addition to complying with the requirements of Minnesota Statute Chapter 216D.01-.09 ("One Call Excavation Notice System") before the start date of any right of way excavation, each registrant who has facilities or equipment in the area to be excavated shall mark the horizontal and vertical placement of all said facilities. Any registrant whose facilities are less than twenty (20) inches below a concrete or asphalt surface shall notify and work closely with the excavation contractor to establish the exact location of its facilities and the best procedure for excavation.

Sec. 1.26. Damage to Other Facilities.
When the City does work in the right of way and finds it necessary to maintain, support, or move a registrant's facilities to protect it, the City shall notify the local representative as early as is reasonably possible. The costs associated therewith will be billed to that registrant and must be paid within thirty (30) days from the date of billing. Each registrant shall be responsible for the cost of repairing any facilities in the right of way which it or its facilities damage. Each registrant shall be responsible for the cost of repairing any damage to the facilities of another registrant caused during the City's response to an emergency occasioned by that registrant's facilities.

Sec. 1.27. Right of Way Vacation.
Reservation of right. If the City vacates a right of way that contains the facilities of a registrant, the registrant's rights in the vacated right of way are governed by Minnesota Rules 7819.3200.

Sec. 1.28. Indemnification and Liability
By registering with the City, or by accepting a permit under this Chapter, a registrant or permittee agrees to defend and indemnify the city in accordance with the provisions of Minnesota Rules 7819.1250.

Sec. 1.29. Abandoned and Unusable Facilities.
Subd. 1. ***Discontinued Operations.*** A registrant who has determined to discontinue all or a portion of its operations in the city must provide information satisfactory to the City that the registrant's obligations for its facilities in the right of way under this chapter have been lawfully assumed by another registrant.

Subd. 2. ***Removal.*** Any registrant who has abandoned facilities in any right of way shall remove it from that right of way if required in conjunction with other right of way repair, excavation, or construction, unless this requirement is waived by the City.

Sec. 1.30. Appeal.
A right of way user that: (1) has been denied registration; (2) has been denied a permit; (3) has had a permit revoked; (4) believes that the fees imposed are not in conformity with Minnesota Statutes Chapter 237.163, Subd. 6; or (5) disputes a determination of the director regarding Section 1.24, subd.2 of this ordinance may have the denial, revocation, fee imposition, or decision reviewed, upon written request, by the City Council. The City Council shall act on a timely written request at its next regularly scheduled meeting, provided the right of way user has submitted its appeal with sufficient time to include the appeal as a regular agenda item. A decision by the City Council affirming the denial, revocation, or fee imposition will be in writing and supported by written findings establishing the reasonableness of the decision.

Sec. 1.31 Reservation of Regulatory and Police Powers
A permittee's rights are subject to the regulatory and police powers of the City to adopt and enforce general ordinances as necessary to protect the health, safety, and welfare of the public.

Sec. 1.32. Severability.
If any portion of this chapter is for any reason held invalid by any court of competent jurisdiction, such portion shall be deemed a separate, distinct, and independent provision and such holding shall not affect the validity of the remaining portions thereof. Nothing in this Chapter precludes the City from requiring a franchise agreement with the applicant, as allowed by law, in addition to requirements set forth herein.

Passed by the Isanti City Council this 8th day of August, 2018.

RESOLUTION NO. 2018-xxx

A RESOLUTION APPROVING AN AGREEMENT TEMPLATE FOR SMALL WIRELESS FACILITY COLLOCATION

WHEREAS, an ordinance to regulate work in City right of ways has been developed; and

WHEREAS, the ordinance regulates deployment of small cell wireless facilities in City right of ways. This includes the ability of a small cell wireless provider to collocate their facilities on existing utility and other structures in the City right of way; and

WHEREAS, the City has utilities and structures in the right of way that a small cell wireless provider may desire to place facilities on; and

WHEREAS, anticipating this situation, a proposed collocation agreement template has been developed. This has been reviewed by the City Attorney and City Engineer. The proposed agreement has been reviewed by the Development and Operations Advisory Committee:

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Isanti, Minnesota as follows:

1. The City Council hereby approves the agreement template for small wireless facility collocation (Attachment A).

This Resolution was duly adopted by the Isanti City Council this 8th day of August 2018.

Attachment A

City of Isanti, Minnesota
Small Wireless Facility Collocation Agreement

This Small Wireless Facility Collocation Agreement (the "Agreement") is made this _____ day of _____, 20_____, between the City of Isanti , a Minnesota local government unit, with its principal offices located at 110 1st Avenue NW, P.O. Box 428, in Isanti, Minnesota 55040, ("Lessor) and _____, with its principal offices located at _____ in _____, _____ ("Lessee"). Lessor and Lessee are collectively referred to as the "Parties" or individually as a "Party."

WHEREAS, the Federal Communications Act of 1934, as amended, authorizes Lessor to manage and control access to and use of public rights-of-way within city limits; and

WHEREAS, Lessor has elected to manage its rights-of-way as authorized by Minnesota Statues, Sections 237.162-.163 and Lessor's municipal code of ordinances (the "Code"); and

WHEREAS, this Agreement shall apply to the collocation of Small Wireless Facilities (as hereinafter defined). "Collocate" or "collocation" means to install, mount, maintain, modify, operate, or replace a small wireless facility on, under, within, or adjacent to an existing Wireless Support Structure (as hereinafter defined) that is owned privately or by a local government unit; and

WHEREAS, a "Small Wireless Facility" means: (1) a wireless facility, as defined by Minnesota Statues, Section 237.162, Subdivision 13, that meets both of the following qualifications: (i) each antenna is located inside an enclosure of no more than six cubic feet in volume or, in the case of an antenna that has exposed elements, the antenna and all its exposed elements could fit within an enclosure of no more than six cubic feet; and (ii) all other wireless equipment associated with the small wireless facility, excluding electric meters, concealment elements, telecommunications demarcation boxes, battery backup power systems, grounding equipment, power transfer switches, cutoff switches, cable, conduit, vertical cable runs for the connection of power and other services, and any equipment concealed from public view within or behind an existing structure or concealment, is in aggregate no more than 28 cubic feet in volume; or (2) a micro wireless facility as defined by Minnesota Statues, Section 237.162, Subdivision 14; and

WHEREAS, Lessor owns or controls existing structures in the public right-of-way that are designed to support or determined by Lessor as capable of supporting a Small Wireless Facility ("Wireless Support Structure"), which are located within the geographic area of a license held by Lessee to provide wireless services; and

WHEREAS, Lessor has elected to set forth the terms and conditions of collocation on its Wireless Support Structures, and Lessee desires to install, maintain and operate Small Wireless Facilities on Lessor's Wireless Support Structures; and

WHEREAS, Lessor and Lessee desire to enter into this Agreement to define the general terms and conditions which will govern their relationship with respect to the particular sites at which Lessee will collocate its Small Wireless Facilities on Lessor's Wireless Support Structures; and

WHEREAS, Lessee shall compensate Lessor for the collocation of Small Wireless Facilities on Lessor's Wireless Support Structures. The fees imposed by Lessor are (1) based on the actual costs incurred by Lessor in managing the public rights-of-way; (2) based on an allocation among all users of the public rights-of-way, including Lessor, which shall reflect the proportionate costs imposed Lessor by each of the various types of uses of the public rights-of-way; (3) imposed on a competitively neutral basis; and (4) imposed in a manner so that above ground uses of public rights-of-way do not bear costs incurred by the local government unit to regulate underground uses of public rights-of-way; and

WHEREAS, Lessor and Lessee acknowledge that they will enter into an agreement supplement ("Supplement") in substantially the form attached hereto as Exhibit A, with respect to each particular Wireless Support Structure on which Lessee will collocate; and

WHEREAS, this Agreement is not exclusive and Lessor reserves the right to grant permission to other eligible and qualified entities to collocate Small Wireless Facilities in Lessor's rights-of-way.

NOW THEREFORE, in consideration of the mutual covenants contained herein, the Parties agree as follows:

1. PREMISES. Pursuant to all of the terms and conditions of this Agreement and the applicable Supplement, Lessor agrees to lease to Lessee certain space described in the applicable Supplement upon Lessor's Wireless Support Structure in the public right-of-way (Lessor's Wireless Support Structure, personal property, public right-of-way and surrounding real property are hereinafter sometimes collectively referred to as the "Property"), for the installation, operation and maintenance of Small Wireless Facilities; together with the non-exclusive right of ingress and egress from a public right-of-way, seven (7) days a week, twenty four (24) hours a day, over, under and through the Property to and from the Premises (as hereinafter defined) for the purpose of installation, operation and maintenance of Lessee's Small Wireless Facilities. The space leased by Lessor to Lessee described in the applicable Supplement is hereinafter

collectively referred to as the "Premises." The Premises may include, without limitation, certain space on the ground (the "Equipment Space") on the Property, and space on the Wireless Support Structure sufficient for the installation, operation and maintenance of antennas and other equipment (the "Antenna Space") as described in the Supplement. Notwithstanding anything in the Supplement to the contrary, the Premises under each Supplement shall include such additional space necessary for the installation, operation and maintenance of wires, cables, conduits, and pipes (the "Cabling Space") running between and among the various portions of the Premises and to all necessary electrical and telephone utility, cable, and fiber sources located within the Property. If there are not sufficient electric and telephone utility, cable, or fiber sources located on the Property, Lessor agrees to grant Lessee, or the local utility, or fiber or cable provider, upon Lessee's approval, the right to install any utilities, cable, and fiber on, through, over, and under other properties owned or controlled by Lessor necessary for Lessee to operate its communications facility, provided the location of those utilities, cable, and fiber shall be as reasonably designated by Lessor. Lessor's approval shall not be unreasonably withheld.

2. PLANS AND DRAWINGS. Before receiving approval from Lessor to install a Small Wireless Facility on Lessor's Wireless Support Structures in public rights-of-way, Lessee shall submit to the Director (City Administrator) or the Director's designee, detailed construction plans and drawings for each individual location, together with maps, showing specifically the Wireless Support Structures to be used, the number and character of the attachments to be placed on such Wireless Support Structures, equipment necessary for the use, proposed replacement of existing Wireless Support Structures, any additional Wireless Support Structures which may be required and any new installations for transmission conduit, pull boxes, and related appurtenances. The Director or the Director's designee shall determine whether to give Lessee permission to proceed with the work as proposed by Lessee. Lessee shall perform all work at its own expense and make attachments in such manner as to not interfere with the services of Lessor.

3. CONDITION OF PROPERTY; ENGINEERING STUDY. Any expenses necessary to make the Premises ready for Lessee's construction of its improvements shall be the responsibility of Lessee. Lessee must obtain and submit to Lessor a structural engineering study carried out by a qualified structural engineer showing the Wireless Support Structure and foundation is able to support the proposed Small Wireless Facility. Lessor makes no warranties or representations, express or implied, including warranties of merchantability or fitness for a particular use, except those expressly set forth in this Agreement.

4. USE OF PUBLIC RIGHTS-OF-WAY.

A. Lessor hereby grants to Lessee the right to use the municipal public right-of-way for the installation, maintenance and operation of Lessee's communications equipment in and on the Wireless Support Structure located within the public right-of-way.

B. All communications equipment shall be installed in accordance with applicable Laws (as hereinafter defined) and Lessee shall comply with all laws, ordinances, rules and regulations adopted by Lessor. Within the public rights-of-way, the

location of the communications equipment shall be subject to the reasonable and proper regulation, direction and control of the Lessor, or the official to whom such duties have been delegated by Lessor. Lessee shall have no ownership interest in any Wireless Support Structure owned by Lessor.

C. Lessee and its authorized contractors shall give Lessor reasonable notice of the dates, location, and nature of all work to be performed on its communications equipment within the public rights-of-way. This Agreement shall allow Lessee to perform all work on Lessee's communications equipment within the public rights-of-way, and to park vehicles in the streets and other public rights-of-way when necessary for the installation, replacement, abandonment, operation or maintenance of Lessee's communications equipment. Following completion of work in the public rights-of-way, Lessee shall repair any affected public rights-of-way as soon as possible, but no later than the time frame established in the applicable Supplement. No street, alley, highway, or public place shall be encumbered for a longer period than shall be reasonably necessary to execute the work authorized by the applicable Supplement and this Agreement.

D. Any damages to Lessor's Wireless Support Structures, equipment thereon or other infrastructure caused by Lessee's installation or operations shall be repaired or replaced at Lessee's sole cost and to Lessor's reasonable satisfaction.

5. STRUCTURE RECONDITIONING, REPAIR, REPLACEMENT.

A. From time to time, if Lessor paints, reconditions, or otherwise improves or repairs the Wireless Support Structure in a substantial way ("Reconditioning Work"), Lessor shall reasonably cooperate with Lessee to carry out Reconditioning Work activities in a manner that minimizes interference with Lessee's approved use of the Premises.

B. Prior to commencing Reconditioning Work, Lessor shall provide Lessee with not less than ninety (90) days' prior written notice. Upon receiving that notice, it shall be Lessee's sole responsibility to provide adequate measures to cover or otherwise protect Lessee's equipment from the consequences of the Reconditioning Work, including but not limited to paint and debris fallout. Lessor reserves the right to require Lessee to remove all of Lessee's equipment from the Wireless Support Structure and Premises during Reconditioning Work, provided the requirement to remove Lessee's equipment is contained in the written notice required by this Section.

C. During Lessor's Reconditioning Work, Lessee may maintain a temporary communications facility on the Property, or after approval by Lessor, on any land owned or controlled by Lessor in the vicinity of the Property. If the Property will not accommodate Lessee's temporary communications facility, or if the Parties cannot agree on a temporary location, the Lessee, at its sole option, shall have the right to terminate the applicable Supplement upon thirty (30) days written notice to Lessor.

D. Lessee may request a modification of Lessor's procedures for carrying out Reconditioning Work in order to reduce the interference with Lessee's use of the Premises. If Lessor agrees to the modification, Lessee shall be responsible for all reasonable incremental cost related to the modification.

E. If Lessor intends to replace a Wireless Support Structure ("Replacement Work"), Lessor shall provide Lessee with at least ninety (90) days' written notice to remove its equipment. Lessor shall also promptly notify Lessee when the Wireless Support Structure has been replaced and Lessee may re-install its equipment. During Lessor's Replacement Work, Lessee may maintain a temporary communications facility on the Property, or after approval by Lessor, on any land owned or controlled by Lessor in the vicinity of the Property. If the Property will not accommodate Lessee's temporary communications facility or if the Parties cannot agree on a temporary location, the Lessee, at its sole option, shall have the right to terminate the applicable Supplement upon thirty (30) days written notice to Lessor.

F. If Lessor intends to repair a Wireless Support Structure due to storm or other damage ("Repair Work"), Lessor shall notify Lessee to remove its equipment as soon as possible. In the event of an emergency, Lessor shall contact Lessee by telephone prior to removing Lessee's Equipment. Once the Wireless Support Structure has been replaced or repaired, Lessor will promptly notify Lessee it can reinstall its equipment. During Lessor's Repair Work, Lessee may maintain a temporary communications facility on the Property, or after approval by Lessor, on any land owned or controlled by Lessor in the vicinity of the Property. If the Property will not accommodate Lessee's temporary communications facility, or if the Parties cannot agree on a temporary location, or if the Pole(s) cannot be repaired or replaced within thirty (30) days, Lessee, at its sole discretion, shall have the right to terminate the applicable Supplement upon thirty (30) days' written notice to Lessor. However, at Lessee's sole option, within thirty (30) days after the casualty damage, Lessor must provide Lessee with a replacement Supplement to lease space at a new location upon which the Parties mutually agree. The monthly rental payable under the new replacement Supplement will not be greater than the monthly rental payable under the terminated Supplement.

G. If Lessee's installation requires a new Wireless Support Structure to be constructed or an existing Wireless Support Structure to be replaced by Lessee (the "Replacement Wireless Support Structure") then, any such Replacement Wireless Support Structure, shall be deemed to be a fixture on the Property and the Replacement Wireless Support Structure shall be and remain the property of the Lessor, without further consideration to or from Lessor. Upon completion of Lessee's installation, Lessor shall be responsible for any and all costs relating to the operation, maintenance, repair and disposal of the Replacement Wireless Support Structure, unless such costs are due to the improper or negligent installation by Lessee or contractor hired by Lessee. If the Replacement Wireless Support Structure replaces an existing structure, then also as part of Lessee's installation, Lessee shall remove, dispose, salvage and or discard the existing structure at Lessee's sole discretion.

6. TERM; RENTAL.

Each Supplement shall be effective as of the date of execution by both Parties (the "Effective Date"), at which time rental payments shall commence and be due at a total annual rental (the "Annual Rental"), as per the City Fee Resolution for rent to occupy space on a Wireless Support Structure and for maintenance associated with the space occupied on a wireless support structure. Consistent with Minnesota Statutes Sections 237.162-.163, the term of each Supplement shall be equal to the length of time that the Small Wireless Facility is in use (the "Term"), unless the Supplement is terminated pursuant to this Agreement. The annual rental for each Supplement shall be set forth in the Supplement and shall be paid in advance annually on each anniversary of the Effective Date, in advance, to the payee designated by Lessor in the Supplement, or to such other person, firm or place as Lessor may, from time to time, designate in writing. Upon agreement of the Parties, Lessee may pay rent by electronic funds transfer. Lessor hereby agrees to provide to Lessee the reasonable documentation required for Lessee to pay all rent payments due to Lessor.

7. ELECTRICAL.

Lessor shall, at all times during the Term of each Supplement, provide electrical service and telephone service access within the Premises. As provided by Minnesota Statutes Sections 237.162-.163, an monthly fee for electricity used to operate the Small Wireless Facility, if not purchased directly from a utility, shall be added to the annual rent due under each Supplement at the rate as per the City Fee Resolution. The amount of any such annual fee shall be set forth in each Supplement.

Lessee shall be permitted at any time during the Term of each Supplement, to install, maintain, and/or provide access to and use of, as necessary (during any power interruption at the Premises), a temporary power source and a temporary installation of any other services and equipment required to keep Lessee's communications facility operational, along with all related equipment and appurtenances within the Premises, or elsewhere on the Property in such locations as reasonably approved by Lessor. Lessee shall have the right to install conduits connecting the temporary power source, and the temporary installation of any other services and equipment required to keep Lessee's communications facility operational, and related appurtenances to the Premises.

Alternatively, Lessee may purchase electricity directly from a utility provider.

8. ENGINEERING COSTS. The Parties acknowledge and agree that, pursuant to Minnesota Statutes, Sections 237.162-.163, Lessor may charge the actual costs of the initial engineering and preparatory construction work associated with Lessee's collocation in the form of a onetime, nonrecurring, commercially reasonable, nondiscriminatory, and competitively neutral charge. Lessee shall pay such reasonable costs within sixty (60) days of receipt of an invoice that itemizes the costs.

9. USE. Lessee shall use the Premises for the purpose of constructing, maintaining, repairing and operating Small Wireless Facilities and uses incidental thereto. Lessee shall have the right, without any increase in rent, to replace or repair its utilities, fiber or cable, equipment, antennas and/or conduits or any portion thereof, and the frequencies over which the equipment operates. Any additions or material modifications shall require Lessor's approval and may be subject to an increase in rent if allowed by law.

10. GOVERMENTAL APPROVALS; PERMITS. It is understood and agreed that Lessee's ability to use the Premises is contingent upon Lessee obtaining all of the certificates, permits and other approvals (collectively the "Government Approvals") that may be required by any Federal, State or Local authorities, as well as a satisfactory structural analysis that will permit Lessee use of the Premises as set forth above. Lessor shall cooperate with Lessee in its effort to obtain the Governmental Approvals, and shall take no action which would adversely affect the status of the Property with respect to the proposed use thereof by Lessee. Lessee shall have the right to terminate the applicable Supplement if: (i) any of the applications for Governmental Approvals is finally rejected; (ii) any Governmental Approval issued to Lessee is canceled, expires, lapses, or is otherwise withdrawn or terminated by governmental authority; (iii) Lessee determines that the Governmental Approvals may not be obtained in a timely manner; (iv) Lessee determines that the Premises is no longer technically compatible for its use; or (v) Lessee, in its sole discretion, determines that the use of the Premises is obsolete or unnecessary. Notice of Lessee's exercise of its right to terminate shall be given to Lessor in accordance with the notice provisions set forth in Paragraph 20 and shall be effective upon the mailing of that notice by Lessee, or upon such later date as designated by Lessee. All rentals paid to the termination date shall be retained by Lessor. Upon such termination, the applicable Supplement shall be of no further force or effect except to the extent of the representations, warranties, and indemnities made by each Party to the other thereunder. Otherwise, the Lessee shall have no further obligations for the payment of rent to Lessor for the terminated Supplement.

11. INDEMNIFICATION. To the fullest extent permitted by law, Lessee agrees to defend, indemnify and hold harmless Lessor, and its employees, officials, and agents from and against all claims, actions, damages, losses and expenses, including reasonable attorney fees, arising out of Lessee's negligence, misconduct, or Lessee's failure to perform its obligations under this Agreement. Lessee's indemnification obligation shall apply to Lessee's contractors, subcontractors, or anyone directly or indirectly employed or hired by Lessee, or anyone for whose acts Lessee may be liable. Lessor will provide Lessee with prompt, written notice of any written claim covered by this indemnification provision; provided that any failure of Lessor to provide any such notice, or to provide it promptly, shall not relieve Lessee from its indemnification obligations in respect of such claim, except to the extent Lessee can establish actual prejudice and direct damages as a result thereof. Lessor will cooperate with Lessee in connection with Lessee's defense of such claim. Lessee shall not settle or compromise any such claim or consent to the entry of any judgment without the prior written consent of Lessor and without an unconditional release of all claims by each claimant or plaintiff in favor of Lessor. The indemnity obligation shall survive the completion or termination of this Agreement.

12. INSURANCE.

A. Waiver of Subrogation. To the extent allowed by law, Lessee hereby waives and releases any and all rights of action for negligence against Lessor which may hereafter arise on account of damage to Lessee's property, resulting from any fire, or other casualty of the kind covered by standard fire insurance policies with extended coverage, regardless of whether or not, or in what amounts, such insurance is now or hereafter carried by Lessee. This waiver and release shall apply between the Parties and shall also apply to any claim asserted as a right of subrogation. All such policies of insurance obtained by Lessee concerning its property shall waive the insurer's right of subrogation against Lessor.

B. General Liability. Lessee agrees that at its own cost and expense, it will maintain commercial general liability insurance with limits not less than $2,000,000 per occurrence; $4,000,000 annual aggregate, for bodily injury (including death) and for damage or destruction to property. The policy shall cover liability arising from premises, operations, products-completed operations, personal injury, advertising injury, and contractually assumed liability. Lessee shall add the Lessor as an additional insured.

C. Automobile Liability. Lessee shall maintain commercial automobile liability Insurance, including owned, hired, and non-owned automobiles, with a minimum combined single liability limit of $2,000,000 per occurrence.

D. Workers' Compensation. Lessee agrees to provide workers' compensation insurance for all its employees in accordance with the statutory requirements of the State of Minnesota. Lessor shall also carry employers' liability insurance with minimum limits as follows: $500,000 for bodily injury by disease per employee; $500,000 aggregate for bodily injury by disease; and $500,000 for bodily injury by accident.

E. Additional Insurance Conditions.

(i) Lessee shall deliver to Lessor a certificate of insurance as evidence that the above coverages are in full force and effect.

(ii) Lessee's policies shall be primary insurance and non-contributory to any other valid and collectible insurance available to Lessor with respect to any claim arising under this Agreement.

(iii) Lessee's policies and certificate of insurance shall contain a provision that coverage afforded under the policies shall not be cancelled without at least thirty (30) days' advanced written notice to Lessor, or ten (10) days' written notice for non-payment of premium.

13. LIMITATION OF LIABILITY. Except for indemnification obligations pursuant to Paragraph 11, neither Party shall be liable to the other, or any of their respective agents, representatives, employees for any lost revenue, lost profits, loss of technology, rights or services, incidental, punitive, indirect, special or consequential damages, loss of data, or interruption or loss of use of service, even if advised of the possibility of such damages, whether under theory of contract, tort (including negligence), strict liability or otherwise.

14. INTERFERENCE. Lessee shall obtain a radio frequency interference study carried out by an independent professional radio frequency engineer showing that Lessee's intended use will not interfere with any current communication facilities which are located on or near a Wireless Support Structure. Lessee shall not transmit or receive radio waves at the Premises until such evaluation has been satisfactorily completed and approved by lessor. Lessee agrees to install equipment of the type and frequency which will not cause harmful interference which is measurable in accordance with then existing industry standards to any equipment of Lessor or other tenants of the Property which existed on the Property prior to the date the applicable Supplement is executed by the Parties. In the event any after-installed Lessee's equipment causes such interference, and after Lessor has notified Lessee of such interference, Lessee will take all commercially reasonable steps necessary to correct and eliminate the interference, including but not limited to, at Lessee's option, powering down such interfering equipment and later powering up such interfering equipment for intermittent testing. If the interference continues for a period in excess of 48 hours following such notification, Lessor shall have the right to require Lessee to reduce power, and/or cease operations until such time Lessee can make repairs to the interfering equipment. In no event will Lessor be entitled to terminate a Supplement or relocate the Equipment as long as Lessee is making a good faith effort to remedy the interference issue. Lessor agrees that Lessor and/or any other users of the Property who currently have or in the future take possession of the Property will be permitted to install only such equipment that is of the type and frequency which will not cause harmful interference which is measurable in accordance with then existing industry standards to the then existing equipment of Lessee. If Lessee determines, in its reasonable discretion, that Lessor's equipment or any other user's equipment permitted by Lessor is causing interference, Lessor shall, upon written communication from Lessee to Lessor take all reasonable steps necessary to correct and eliminate the interference, including causing other users causing such interference to correct and eliminate the interference. If the interference continues for a period in excess of 48 hours following the notification, Lessor shall, or shall require any other user to, reduce power and/or cease operations until such time as Lessor, or the other user, can make repairs to the interfering equipment. The Parties acknowledge that there will not be an adequate remedy at law for noncompliance with the provisions of this Paragraph and therefore, either Party shall have the right to equitable remedies, such as, without limitation, injunctive relief and specific performance.

15. REMOVAL. Lessee shall, within sixty (60) days after expiration of the Term, or any earlier termination of a Supplement, or an abandonment of it facilities, remove its equipment, conduits, fixtures and all personal property and restore the Premises to its original condition, reasonable wear and tear excepted, at Lessee's sole cost and expense. Lessor agrees and acknowledges that all of the equipment, conduits, fixtures and personal property of Lessee shall

remain the personal property of Lessee and Lessee shall have the right to remove the same at any time during the Term, whether or not said items are considered fixtures and attachments to real property under applicable Laws. If the time for removal causes Lessee to remain on the Premises after termination of the Supplement, Lessee shall pay rent at the then-existing monthly rate, until such time as the removal of the equipment, fixtures and all personal property are completed. If Lessee fails to remove its facilities within the required time period, Lessor reserves the right to remove the facilities and charge Lessee for the full cost of the removal and storage charges.

16. RIGHTS UPON SALE. If, at any time during the Term of any Supplement, Lessor decides: (i) to sell or transfer all or any part of the Property or the Wireless Support Structure thereon to a purchaser other than Lessee, or (ii) to grant to a third party by easement or other legal instrument an interest in that portion of the Property occupied by Lessee, or a larger portion thereof, for the purpose of operating and maintaining communications facilities or the management thereof, that sale or grant of an easement or interest therein shall be subject to the Supplement, and any such purchaser or transferee must recognize Lessee's rights hereunder and under the terms of the affected Supplement(s). If Lessor completes any such sale, transfer, or grant described in this paragraph without executing an assignment of the Supplement in which the third party agrees in writing to assume all obligations of Lessor under the Supplement, then Lessor shall not be released from its obligations to Lessee under the Supplement, and Lessee shall have the right to look to Lessor and the third party for the full performance of the Supplement.

17. QUIET ENJOYMENT AND REPRESENTATIONS. Lessor covenants that Lessee, on paying the rent and performing the covenants herein and in a Supplement, shall peaceably and quietly have, hold and enjoy the Premises. Lessor represents and warrants to Lessee as of the execution date of each Supplement, and covenants during the Term, that Lessor is has good and sufficient title and interest to the Property, and has full authority to enter into and execute the Supplement. Lessor further covenants during the Term that there are no liens, judgments or impediments of title on the Property, or affecting Lessor's title to the same and that there are no covenants, easements or restrictions that prevent or adversely affect the use or occupancy of the Premises by Lessee as provided in this Agreement and in the applicable Supplement(s).

18. ASSIGNMENT. This Agreement and each Supplement under it may be sold, assigned or transferred by the Lessee without any approval or consent of the Lessor to the Lessee's principal, affiliates, subsidiaries of its principal, or to any entity which acquires all or substantially all of Lessee's assets in the market defined by the FCC in which the Property is located by reason of a merger, acquisition or other business reorganization. As to other parties, this Agreement and each Supplement may not be sold, assigned or transferred without the written consent of the Lessor, which consent will not be unreasonably withheld, delayed or conditioned.

19. NOTICES. All notices hereunder must be in writing and are validly given if sent by certified mail, return receipt requested, or by commercial courier, provided the courier's regular business is delivery service and provided further that it guarantees delivery to the addressee by the end of the next business day following the courier's receipt from the sender,

addressed as follows or to any other address that the Party to be notified may have designated:

Lessor: City of Isanti
Attention: City Administrator
110 1st Avenue NW
P.O. Box 428
Isanti, Minnesota 55040

Lessee: _____
_____
_____
_____

Notice shall be effective upon actual receipt or refusal as shown on the receipt obtained pursuant to the foregoing.

20. DEFAULT. If there is a breach by a Party with respect to any of the provisions of this Agreement, or under the provisions of an individual Supplement, the non-breaching Party shall give the breaching Party written notice of that breach. After receipt of the written notice, the breaching Party shall have thirty (30) days in which to cure the breach, provided the breaching Party shall have such extended period as may be required beyond the thirty (30) days if the breaching Party commences the cure within the thirty (30) day period and thereafter continuously and diligently pursues the cure to completion, but in no event more than ninety (90) calendar days after receipt of written notice. The non-breaching Party may not maintain any action or effect any remedies for default against the breaching Party unless and until the breaching Party has failed to cure the breach within the time periods provided in this Paragraph. Notwithstanding the foregoing to the contrary, it shall be a default under this Agreement, or under an individual Supplement if Lessor fails, within five (5) days after receipt of written notice of such breach, to perform an obligation required to be performed by Lessor, and if the failure to perform that obligation interferes with Lessee's ability to conduct its business in the Premises; provided, however, that if the nature of Lessor's obligation is such that more than five (5) days after notice is reasonably required for its performance, then it shall not be a default under this Agreement or the applicable Supplement if performance is commenced within such five (5) day period and thereafter diligently pursued to completion, but in no event more than fifteen (15) calendar days after receipt of written notice. Lessor and Lessee agree that a default under an individual Supplement does not constitute a default under this Agreement

21. DISPUTE RESOLUTION. Subject to the provisions of Paragraph 20, the Parties shall cooperate and use their best efforts to ensure that the various provisions of the Agreement are fulfilled. The Parties agree to act in good faith to undertake resolution of disputes, in an equitable and timely manner and in accordance with the provisions of this Agreement. If disputes cannot be resolved informally by the Parties, the following procedures shall be used:

A. Whenever there is a failure between the Parties to resolve a dispute on their own, the Parties shall first attempt to mediate the dispute. The parties shall agree upon a mediator, or if they cannot agree, shall obtain a list of court-approved mediators

from the Isanti County District Court Administrator and select a mediator by alternately striking names until one remains. Lessor shall strike the first name followed by Lessee, and shall continue in that order until one name remains.

B. If the dispute is not resolved within thirty (30) days after the end of mediation proceedings, the Parties may pursue any legal or equitable remedy.

22. CASUALTY. In the event of damage by fire or other casualty to the Property that cannot reasonably be expected to be repaired within forty-five (45) days following same or, if the Property is damaged by fire or other casualty so that such damage may reasonably be expected to disrupt Lessee's operations at the Premises for more than forty-five (45) days, then Lessee may, at any time following such fire or other casualty, provided Lessor has not completed the restoration required to permit Lessee to resume its operation at the Premises, terminate the Supplement upon fifteen (15) days' prior written notice to Lessor. Any such notice of termination shall cause the Supplement to expire with the same force and effect as though the date set forth in such notice were the date originally set as the expiration date of the Supplement and the Parties shall make an appropriate adjustment, as of such termination date, with respect to payments due under the Supplement. Notwithstanding the foregoing, the rent shall abate during the period of repair following such fire or other casualty in proportion to the degree to which Lessee's use of the Premises is impaired.

23. APPLICABLE LAWS. Laws means any and all laws, regulations, ordinances, resolutions, judicial decisions, rules, permits and approvals applicable to the subject of this Agreement or Lessee's use that are in force during the term of this Agreement, as lawfully amended including, without limitation, Lessor's city Code. Lessee and Lessor shall comply with all applicable Laws. This Agreement does not limit any rights Lessee may have in accordance with Laws to install its own poles in the right of way or to attach Lessee's equipment to third-party poles located in the right of way. This Agreement shall in no way limit or waive either party's present or future rights under Laws. If, after the date of this Agreement, the rights or obligations of either Party are materially altered, preempted, or superseded by changes in Laws, the parties agree to amend the Agreement and/or Supplement to reflect the change in Laws.

24. GOVERNMENT DATA. The Parties acknowledge and agree that this Agreement is considered public data not on individuals and is accessible to the public under Minnesota Statutes, Section 13.03. Lessee and Lessor agree to abide by the applicable provisions of the Minnesota Government Data Practice Act, Minnesota Statues, Chapter 13, and all other applicable state or federal rules, regulations or orders pertaining to privacy or confidentiality.

25. GENERAL PROVISIONS.

A. Entire Agreement. This Agreement supersedes any prior or contemporaneous representations or agreements, whether written or oral, between the Parties and contains the entire agreement.

B. Captions. Captions contained in this Agreement are for reference only, and therefore, have no effect in construing this Agreement.

C. Ambiguities. If any term of this Agreement is ambiguous, it shall not be construed for or against any Party on the basis that the Party did or did not write it.

D. Amendments. Any modification or amendment to this Agreement shall require a written agreement signed by both Parties.

E. Third Party Rights. This Agreement is not a third party beneficiary contract and shall not in any respect whatsoever create any rights on behalf of any person or entity not expressly a party to this Agreement.

F. Nondiscrimination. In the hiring of employees or contractors to perform work under this Agreement, Lessee shall not discriminate against any person by reason of any characteristic or classification protected by State or Federal law.

G. Governing Law. This Agreement shall be governed by and interpreted in accordance with the laws of the State of Minnesota. Any legal proceedings shall be initiated in Minnesota State District Court, Tenth District. The venue for all proceedings related to this Agreement shall be in Isanti County, Minnesota.

H. Waiver. The failure of either Party to insist upon strict performance of any of the terms or conditions of this Agreement or the waiver by either Party of any breach or failure to comply with any provision of this Agreement by the other Party shall not be construed as, or constitute a continuing waiver of such provision or a waiver of any other breach of or failure to comply with any other provision of this Agreement.

I. Force Majeure. Except for payment of sums due, neither Party shall be liable to the other or deemed in default under this Agreement, if and to the extent that a Party's performance is prevented by reason of force majeure. "Force majeure" includes war, an act of terrorism, fire, earthquake, flood and other circumstances which are beyond the control and without the fault or negligence of the Party affected and which by the exercise of reasonable diligence the Party affected was unable to prevent.

J. Further Assurances. From and after the execution of this Agreement, the parties shall fully cooperate with each other and perform any further act(s) and execute and delivers any further documents which may be necessary in order to carry out the purposes and intentions of this Agreement.

K. Savings Clause. If any court finds any portion of this Agreement to be contrary to law, invalid, or unenforceable, the remainder of the Agreement will remain in full force and effect.

L. Counterparts. This Agreement may be signed in counterparts, each of which shall be deemed an original, and which taken together shall be deemed to be one and the same document.

IN WITNESS WHEREOF, the Parties, have caused this Agreement to be approved on the date above.

STAFF REPORT

TO: Mayor George Wimmer
Members of the Isanti City Council

FROM: Ryan Kernosky, Community Development Director

DATE: August 8, 2018

SUBJECT: **REQUEST FROM LA CROSSE SIGN CO. ON BEHALF OF KWIK TRIP INC. FOR A CONDITIONAL USE PERMIT TO INSTALL DYNAMIC SIGNAGE AT 400 E DUAL BLVD NE (LEGALLY DESCRIBED AS LOT 1, BLOCK 1, KWIK TRIP 1019)**

Introduction
La Crosse Sign Group (applicant) has submitted a Conditional Use Permit on behalf of Kwik Trip Inc. to install two dynamic signs at the proposed Kwik Trip, 400 E Dual Blvd NE. The property is zoned "B-2" General Business District and falls within the Heritage Blvd Sign Overlay District.

Per City Zoning Ordinance Section 16, Subd. 4, dynamic signage is a conditional use for properties within the B-2 Zoning District that is a part of the Heritage Blvd Sign Overlay District.

Request
The applicant has submitted two signs:

1) A 30' tall double-faced pylon sign with a total of 98.15 sq ft in size. Dynamic signage portion is 65 square feet, or 66% of the signage area. This sign will be along Heritage Blvd.

2) Gas Canopy Sign 42" by 60", or 17 sq ft with a small dynamic sign portion to display Diesel Exhaust Fluid pricing, this sign will be on the east-side of the diesel fuel canopy.

Public Hearing
Notice of Public Hearing was provided in the *Isanti County News* on July 5, 2018. Property owners within 350' of the subject property were also notified via USPS.

Public Comment
At the time of the creation of this document, no public comment has been received.

The Planning Commission shall hold a public hearing and consider possible adverse effects of the proposed Conditional Use. The judgment of the Planning Commission shall be based upon, but is not limited to the following factors (note: staff comments are *italicized*):

1. The proposed action has been considered in relation to the specific policies and provisions of and has been found to be consistent with the goals and objectives of the Comprehensive Plan, including public facilities and capital improvement plans.
   The future land use plan calls for this area to be developed as 'general commercial.' Given the high-quality finishes of the approved building and site layout, the signage is consistent with the design of the building.

2. The proposed action meets the purpose and intent of this Ordinance and the underlying zoning district.
   Dynamic signage is a conditional use in the B-2 Zoning Districts that are apart of the Heritage Blvd overlay zoning district.

3. The establishment, maintenance or operation of the conditional use will promote and enhance the general public welfare and will not be detrimental or endanger the public health, safety, morals, or comfort.
   The signage is designed to allow the highest possible visibility for vehicles near the intersection of N Duel Blvd NE and Heritage Blvd.

4. The conditional use will not be injurious to the use and enjoyment of other property within the immediate vicinity for the purposes already permitted; nor substantially diminish or impair property values within the neighborhood.
   The signage is consistent with the City's Sign Ordinance.

5. The establishment of the conditional use will not impede the normal and orderly development and improvement of surrounding property for uses permitted in the district.
   The property will be developed as a gas station and car wash. The signage is an incidental part of the development of the property.

6. Adequate public facilities and services are available or can be reasonably provided to accommodate the use which is proposed.
   Not applicable.

7. The conditional use shall, in all other respects, conform to the applicable regulations of the district in which it is located.
   The proposed signage is consistent with the City's Sign Ordinance.

8. The conditional use complies with the general and specific performance standards as specified by within this Article.
   Staff believes that this conditional use complies with the general and specific performance standards of the Zoning Ordinance.

Planning Commission Recommendation
The Planning Commission reviewed the request at the regularly scheduled meeting on July 17, 2018 following the public hearing. It was motioned by Lundeen, seconded by Collison to recommend approval of the Conditional Use Permit for La Crosse Sign Co. for the installation of dynamic signage at 400 E Dual Blvd NE (legally described as Lot 1, Block 1, Kwik Trip 1019). Motion was unanimously approved.

Development and Operations Advisory Committee
DOAC met and discussed this item during the June 28th, 2018 meeting and has recommended approval as presented.

Staff Recommendation
I am recommending approval as presented.

Condition Use Application for Kwik Trip # Kwik Trip #1019 at 400 Dual Blvd E:

A sign permit application was received by the city on 3/29/18 for the signs at this new proposed Kwik Trip site and since that time the pylon sign has been changed to conform to the required 30' height, 110' square foot maximum.

Kwik Trip is requesting consideration for a conditional use permit for the installation of dynamic display signs within their main ID pylon sign. They would like digital price signs as well as an electronic message center. These would be less than 80% of the overall sign.

They are likewise requesting a conditional use for the digital price sign on the side of the fuel canopy to display another type of fuel that will be sold on this site.

Please see the attached information regarding these signs.

Encl: $650 for CUP ($325 for digital signs on pylon, $325 for DEF canopy digital price sign)

We appreciate your time and consideration, please feel free to contact me with any concerns: Cindy Bluske at cindyb@lacrossesign.com or 608-781-1450.

Thank you,
Cindy Bluske

Properties within 350' to my knowledge. Per Ryan Kernosky, Director of Community Development, he will take care of the requirements of this portion.

Justification of the Proposed Conditional Use for the Electronic Message Center on Pylon:

The size and height of the pylon sign which houses the electronic message center meet the requirements of the B-2 General Business District the sign will be located in. The location of the pylon sign complies with the distance from property lines per city code. The sign will be compatible with the existing neighborhood and will not impede the normal and orderly development and improvement in the surrounding area.

It is not Kwik Trip's intention to use the sign in any way to be injurious to the public. The dynamic display will be programmed and updated by the Kwik Trip Marketing Department in La Crosse, WI to display messages per the city requirement, this information has been sent to this department: *"A dynamic display image, or any portion thereof, may not change more than once every twenty (20) seconds, except one for which changes are necessary to correct hour-and-minute, date, or temperature information. A display of time, date, or temperature must remain for at least twenty (20) seconds before changing to a different display, but the time, date, or temperature information itself may change not more often than once every three (3) seconds. Transition. If a dynamic display's image or any portion thereof changes, the change sequence must be instantaneous without any special effects of any kind.*
Prohibition of fluctuating or flashing illumination, video or audio. No portion of a dynamic display image may fluctuate in light intensity or use intermittent, strobe or moving light, or light that changes in intensity in sudden transitory bursts, streams, zooms, twinkles, sparkles or any other manner that creates the illusion of movement." The lighting on the sign can be controlled and will not be a disturbance to neighboring properties. The display has the capability to meet all other statements regarding the display. Please also see the attached letter from Daktronics, the manufacturer of the dynamic display for more information.

The message center is an informational sign that notifies potential customers of specials each day at the Kwik Trip store, convenient for quick purchases at the same time fuel is purchased.
The Kwik Trip site is also a resource for tourists which helps in promotion of tourism in the city.

Justification of the Proposed Conditional Use for the Digital Price Signs on Pylon:

Fuel prices are mandatory to display to the public and this type of digit is highly legible, one color, and has the ability to dim automatically. The price of fuel would change only once a day at the most so the sign would be static the great majority of the time. This type of sign is safer for employees rather than manually changing prices on a ladder, it can be changed remotely.

The signs will all be in compliance with Section 16 of the City of Isanti Ordinance.

Re: Manufacturer Certification – Dynamic Display proposed for Kwik Trip, Isanti, MN

To Whom This May Concern:

In compliance with the provisions of the City of Isanti, we provide the following information regarding the above referenced display:

- The display has the ability to be set not to exceed 5,000 nits during daylight hours and 500 nits between dusk to dawn. These levels can be protected from end user manipulation by password protected software.
- The sign comes equipped with automatic dimming technology to adjust the sign's brightness based on ambient light conditions. As the sun rises and sets, the display will automatically detect that change and adjust the level of brightness accordingly.
- The subject display comes equipped with the ability to hold messages static for a period of not less than twenty (20) seconds.
- The display comes equipped with the ability to change messages directly and immediately, without any special effects.
- The display has the ability to be set to prohibit light fluctuation, intermittent light, strobe or moving light that would change in intensity and give the appearance of bursts, streams, zooms, twinkles, sparkles, or other illusions of movement.
- The display has the ability to be set to prohibit video display: motion, pictorial imagery, depict action or a special effect to imitate movement, or display pictorials or graphics in a progression of frames that gives the illusion of motion of any kind.
- Lastly, the sign comes equipped with the ability to freeze the sign face in one position if a malfunction occurs.

RESOLUTION NO. 2018-XXX

A RESOLUTION APPROVING A CONDITIONAL USE PERMIT FOR LA CROSSE SIGN CO. ON BEHALF OF KWIK TRIP INC. FOR THE INSTALLTION OF DYNAMIC SIGNAGE AT 400 E DUEL BLVD NE

WHEREAS, La Crosse Sign Co., on behalf of Kwik Trip Inc. has submitted a conditional use permit for the installation of two dynamic signs at 400 E Dual Blvd NE; and,

WHEREAS, 400 E Dual Blvd NE is legally described as Lot 1, Block 1, Kwik Trip 1019; and,

WHEREAS, the property is within the "B-2" General Commercial Zoning District and is subject to the rules and regulations of the Heritage Blvd Sign Overlay District; and,

WHEREAS, dynamic signage is a conditional use for properties zoned "B-2" and within the Heritage Blvd Sign Overlay District; and,

WHEREAS, the applicant submitted proper materials and payment for the consideration of a conditional use permit to the Community Development Department; and,

WHEREAS, the City of Isanti Planning Commission conducted a public hearing on the proposed conditional use permit on July 17, 2018; and,

WHEREAS, the City of Isanti Planning Commission has recommended approval of the proposed conditional use permit as presented; and,

WHEREAS, the City Council of the City of Isanti reviewed the requested conditional use permit at its regularly scheduled meeting on August 8th, 2018.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ISANTI, MINNESOTA, that it adopts the Findings of Fact and Conclusion related to the requested conditional use permit and **BE IT FURTHER RESOLVED** that the requested conditional use permit for the installation of dynamic signage to be located at 400 E Dual Blvd NE be hereby approved as presented.

_____
Mayor George A. Wimmer

ATTEST:

_____
Katie Brooks
City Clerk/Human Resources

FINDINGS OF FACT AND CONCLUSION

Request

Request from La Crosse Sign Co on behalf of Kwik Trip Inc for a conditional use permit for the installation of dynamic signage at 400 E Dual Blvd NE in the City of Isanti.

Findings of Fact

1. The applicant is requesting a conditional use permit to install dynamic signage at 400 E Dual Blvd NE in the City of Isanti.
2. The property is zoned "B-2" General District and is within the Heritage Blvd Sign Overlay District.
3. A Conditional Use Permit is required for dynamic signage within the Heritage Blvd Sign Overlay District.
4. The petitioner submitted a Conditional Use Permit Application, the required application fee and associated materials on June 9, 2018. Staff had reviewed such application and deemed such application complete on June 9, 2018. Pursuant to Minnesota State Statute, the City must act on this request by August 8, 2018 (60-day rule).
5. A public hearing date before the Planning Commission was scheduled for Tuesday, July 17, 2018 at 7:00 p.m. at City Hall within the Council Chambers.
6. Notice of the Conditional Use Permit request was published within the Isanti- County News on Thursday July 5, 2018. Notices were sent to all property owners located within 350 feet of the subject property.
7. Section 21, Article 2: Conditional Use Permits, Subdivision 3 (D) of the Zoning Ordinance establishes factors that the judgment of the Planning Commission shall be based upon when reviewing a Conditional Use Permit.
8. The Planning Commission held a public hearing on the item on July 17, 2018; and all property owners within 350' of the subject property were invited to attend and provide public comment.

Conclusions

1. In review of the standards established in Section 21, Article 2 Conditional Use (D); the following conclusions have been made (*conclusions to each requirement are shown in italics)*:

   The Planning Commission shall hold a public hearing and consider possible adverse effects of the proposed Conditional Use. The judgment of the Planning Commission shall be based upon, but is not limited to the following factors:

   A. The proposed action has been considered in relation to the specific policies and provisions of and has been found to be consistent with the goals and objectives of the Comprehensive Plan, including public facilities and capital improvement plans.

      i. *The future land use plan calls for this area to be developed as 'general commercial.' Given the high-quality finishes of the approved building and site layout, the signage is consistent with the design of the building.*

   B. The proposed action meets the purpose and intent of this Ordinance and the underlying zoning district.

      i. *Dynamic signage is a conditional use in the B-2 Zoning Districts that are apart of the Heritage Blvd overlay zoning district.*

C. The establishment, maintenance or operation of the conditional use will promote and enhance the general public welfare and will not be detrimental or endanger the public health, safety, morals, or comfort.

i. The signage is designed to allow the highest possible visibility for vehicles near the intersection of N Duel Blvd NE and Heritage Blvd.

D. The conditional use will not be injurious to the use and enjoyment of other property within the immediate vicinity for the purposes already permitted; nor substantially diminish or impair property values within the neighborhood.

i. The signage is consistent with the City's Sign Ordinance.

E. The establishment of the conditional use will not impede the normal and orderly development and improvement of surrounding property for uses permitted in the district.

i. The property will be developed as a gas station and car wash. The signage is an incidental part of the development of the property.

F. Adequate public facilities and services are available or can be reasonably provided to accommodate the use which is proposed.

i. Not applicable.

G. The conditional use shall, in all other respects, conform to the applicable regulations of the district in which it is located.

i. *The proposed signage is consistent with the City's Sign Ordinance.*

H. The conditional use complies with the general and specific performance standards as specified by within this Article.

i. Staff believes that this conditional use complies with the general and specific performance standards of the Zoning Ordinance.

Decision

The Planning Commission held a public hearing on the item at the **July 17,2018** meeting. It was motioned by Lundeen, seconded by Collison to recommend approval of the Conditional Use Permit for La Crosse Sign Co. for the installation of dynamic signage at 400 E Dual Blvd NE (legally described as Lot 1, Block 1, Kwik Trip 1019). Motion was unanimously approved.

RESOLUTION NO. 2018-_____

RESOLUTION AWARDING THE BID FOR THE 2018 STREET & UTILITY IMPROVEMENT PROJECT

WHEREAS, the City had approved preparation of plans and specifications for the 2018 Street and Utility Improvement Project; and

WHEREAS, the plans and specifications have been completed and approved for these improvements; and

WHEREAS, a public bid opening was held on July 31, 2018; and

WHEREAS, Nine bids were received; and

WHEREAS, Dresel Contracting was the responsible low bidder with a bid of $283,225.26; and

WHEREAS, this bid price is within the anticipated budget for the project:

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, as follows:

1) That the City shall award the project entitled "2018 Street & Utility Improvement Project" to Dresel Contracting in the amount of $283,225.26.

2) Acceptance of this bid completes the Ordering of this Project as per City Resolution 2018-136. Funding for Street Improvements shall be through an interfund loan from the Liquor Fund. Funding for Utility Improvements shall be through their respective utility fund.

This resolution was duly approved by the Isanti City Council this 8th day of August, 2018.

CITY OF ISANTI
PLANNING COMMISSION
JULY 3, 2018

1. Meeting Opening.

A. Call to Order.

Chairman Wimmer called the meeting to order at 7:18 p.m.

B. Pledge of Allegiance.

The Pledge of Allegiance was recited.

C. Roll Call.

Members Present: George Wimmer, Steve Lundeen, Dan Collison, Ross Lorinser, Paul Bergley.

Members Absent: None.

Staff Present: Ryan Kernosky, Community Development Director.

1D. Agenda Modifications.

Director Kernosky stated that there is an addendum to the agenda, item #3 will now be "Oath of Office for New Planning Commissioner – Joey Lemay" all subsequent items will be renumbered accordingly.

Motion by Lundeen, seconded by Lorinser to adopted the modified agenda, approved unanimously.

2. Approval of the Minutes from the May 15, 2018 Planning Commission

Motion by Lundeen, seconded by Bergley to approve the minutes from the May 15, 2018 Planning Commission, approved unanimously.

3. Oath of Office for New Planning Commissioner – Joey Lemay

Joey Lemay recited the Oath of Office for Planning Commissioner. Subsequent to the Oath, Commissioner Lemay took his seat on the Planning Commission.

4. Public Hearings

A. Request from Semler Construction, Inc. for an Interim Use Permit to operate a Temporary Real Estate Office at 1302 Maplewood Ave SW (PID 161110200)

Chairman Wimmer opened the public hearing at 7:20 p.m.

Rick Parkos, 1200 Maplewood Ave SW – Mr. Parkos stated that the neighborhood was against the real estate office. He stated that there's a lot of kids in the neighborhood, a bus stop at the end of the street, and a park down the street. Mr. Parkos stated that he is worried about home values as a result in the increase in traffic, and again reiterated his concerns about the safety of the children in the area. Mr. Parkos presented a petition of twenty names and addresses of individuals in the neighborhood that were opposed to the use.

Patti Erickson, representing Semler Construction, Inc. – Ms. Erickson stated that this would be a construction office, which would include 3-4 vehicles. Individuals would come in the office in the morning, get their job assignments, and leave to go to their jobs sites. After that point, there would be one or two employees at the property during the day. Ms. Erickson stated that there will be no more activity around the home than what's existing with new home construction.

Commissioner Collison asked if Ms. Erickson had any pictures of the home or the site.

Ms. Erickson stated that the home is a single-family home, slab on grade. She stated that the exterior will remain the same, and that she will have her office in the living room.

Commissioner Collison inquired about potential signage.

Ms. Erickson stated that there would only be a sign on the door, and not in the front yard.

Commissioner Bergley stated he thought it was intended to be a model home to show the development.

Chairman Wimmer stated that the Commission should take more public hearing before further discussion occurs.

Abigail Anderson, 1101 South Passage SW – Ms. Anderson questioned whether or not this use would impact their property values.

Chairman Wimmer stated that the City wouldn't know but would discuss it after the public hearing.

Seeing no further public comment, Chairman Wimmer closed the public hearing at 7:27 p.m.

Chairman Wimmer stated that there's a few things to consider. The City does allow a home occupancy and has recently approved one, but the difference was that the individual lived at the home in which they had their business. Chairman Wimmer stated that this is a residential neighborhood and that people purchase homes in the neighborhood for that reason. The Chairman stated that the Commission should consider whether or not this use could be somewhere else in the City, outside of the residential neighborhood. Finally, the Chairman stated that he understood why Semler Homes would want to use this space, however because of the proposed use of the property, he has concerns about approving this use.

Commissioner Lorinser stated that this use was different from what the City has seen in the past. Historically, he stated, the developer may have a few model homes with an office set up for marketing their development. Commissioner Lorinser stated that he felt this was setting up an office in a residential area, not a commercial area, and that he was worried about setting precedent for other developers and businesses to request the same use.

Commissioner Collison asked about what the definition of "temporary" meant.

Director Kernosky stated that interim uses are designed to be temporary in nature. He stated that the City's Zoning Ordinance allows for temporary real estate office as an interim use permit until 85 percent of the development is completed, or when the City places a sunset clause on the interim use permit. Kernosky stated that staff conditioned that this use would sunset on June 30, 2020.

Commissioner Lorinser stated that the Commission was just told that this use is not consistent with a temporary real estate office by Semler Homes, but rather a construction office.

Commissioner Collision asked if anyone would be living in the home.

Ms. Erickson stated that no one would be living in the home. She stated that the building they are currently in sold and that Semler Construction needs to be out of the property by August 1st. She stated that this would be temporary until they would be able to find a commercial office building.

Chairman Wimmer asked how long they intend to stay at the subject property.

Ms. Erickson stated until June 30, 2020 and will be marketed for sale after that point.

Commissioner Bergley asked about whether or not the concern about children and traffic has been studied.

Chairman Wimmer stated that the City has not had a study on this, and wasn't necessarily concerned about traffic, but rather the character of the neighborhood and the precedent of allow businesses within residential zoning districts.

Commissioner Lorinser stated that some of the other home occupations bring in more traffic but reiterated his concerns about setting precedent of allowing this use in residential zoning districts.

Chairman Wimmer stated that Semler Construction should have reached out to the neighborhood, but even if they would have, he would still have concerns about the characteristics of the neighborhood and precedent setting. He also stated that the final recommendation will be sent to City Council

Commissioner Collison asked whether or not Semler Construction reached out to anyone at City Hall for potential leads on commercial real estate.

Ms. Erickson stated that they are working with a realtor. She also asked whether or not Semler Construction would fit within the requirements of an interim use permit.

Director Kernosky stated that staff, working with Semler Construction, was under the impression that one individual would be operating out of this home and that the home would be used as a model home for potential buyers. Because of that, his interpretation was that this would be sufficient to meet the terms of a temporary real estate office within the zoning code. Mr. Kernosky stated that the Commission may impose conditions similar to a conditional use permit. Mr. Kernosky stated that the original understanding that one person at the subject property along with the model home component would fit within the zoning code.

Chairman Wimmer stated that he disagreed with staff, and that how the use was presented tonight is not consistent with the zoning code.

Ms. Erickson stated that she would generally be the only person at the property throughout the day, minus the two or three people who would show up in the morning for their assignments. She also stated that they have a realtor on staff, but the home wouldn't be actively on the market while they use the property as an office.

Commissioner Bergley encouraged the applicant to approach the neighbors to address their concerns.

Commissioner Collison stated he was confused as to why there was specific office hours, and how would the public know when those were.

Ms. Erickson stated that they may have a meeting with a potential home owner at the property during those hours.

Commissioner Lorinser stated that if the property was used as a temporary model home and real estate office, he would be supportive. However, because the use is more intense than previously

thought and within a residential zone, and because of the length of time of the use, he had concern about the request.

Motion by Lorinser, second by Bergley to recommend denial of the request for an interim use permit by Semler Construction for the property at 1302 Maplewood Ave SW for the following reasons:

1) It would change the neighborhood character.
2) It would be a construction office, and not a temporary real estate office.

Motion passed unanimously.

5. Adjournment

Motion by Lundeen, second by to Bergley to adjourn the July 3, 2018 meeting of the Planning Commission. Motion was unanimously approved.

The meeting adjourned at 7:44 p.m.

Dated at Isanti, Minnesota this 10th day of July, 2018.

Respectfully submitted,

Ryan Kernosky
Community Development Director

CITY OF ISANTI
PARKS, RECREATION, AND CULTURE BOARD
MEETING MINUTES
June 26, 2018
City Council Chambers

1. Meeting Opening.

A. Call to Order.
Garvey called the meeting to order at 6:00 p.m.

B. Pledge of Allegiance.
Everyone stood for the Pledge of Allegiance.

C. Roll Call.

Members Present:	Jennifer Garvey, Jeff Johnson, James Witte, and Mayor Wimmer
Members Absent:	Aaron Zdon
Staff Present:	Katie Everett, Parks, Recreation, and Culture Manager
	Ryan Kernosky, Community Development Director

D. Agenda Modifications.
Garvey asked if there were any agenda modifications; there were none. Motion by Witte, second by Johnson to approve the agenda for the May 22, 2018 Parks, Recreation, and Culture Board Meeting.

2. Approval of Minutes from May 22, 2018 Parks, Recreation, and Culture Board Meeting

Motion by Johnson; second by Witte. Minutes were unanimously approved.

3. Gap Analysis, Sect I & II of Bike and Pedestrian Plan

Kernosky (Community Development Director) explained that the board had previously received maps to provide input on areas in the City where there are gaps in sidewalks and bike routes. He stated that he is still working on the bike routes, but the sidewalk gap map is included in the packet. We are trying to create connectivity, so we look for where sidewalks and trails end, and where they should be picked up to connect to another portion. Kernosky identified areas A through L and with internal staff and ranked them in priority. It's important to note that just because it's high in priority doesn't mean it's going to get done in the next year. A lot of times when you apply for cycling or trail grants, they want a plan that identifies areas that are a priority. In terms of this, what he's looking for from the board now is any comments or modifications on the gap analysis. Garvey asked if the County roads take precedence over the City roads. Kernosky said that they do not, those are the County's. However, the sidewalks on Heritage are the City's sidewalks, but the curb and road are the County's; the same with Whiskey Road.

Hearing no further comment, Kernosky moved on to the rough draft of Sections I and II of the bike and pedestrian plan. The first section is mainly background information; we talk about the plan, existing policies, and identify areas in those that could be changed to be more consistent throughout the City's Code. Goal 1A: codify existing policies – amend specific ordinances and chapters of the code to make sure there's more consistency. Goal 1B is to provide reasonable alternatives to trail locations, and Goal 1C is to enforce current construction standards on both new and replacement sidewalk and trails. It's straightforward background information so someone down the road can pick it up and understand why we created the plan. It also includes the 2017 trail plan for Isanti County and the prohibited bike rules we have downtown between normal business hours. Section II identifies existing facilities and community assets. It's a true inventory of our current sidewalk, trails, and bike lanes and identifies those in the maps. That helps with future planning to see where they are and where they need to go in the future. Community assets would include parks and recreation facilities, other municipal locations like City Hall and Police Station. We also looked at employment concentrations centers including Downtown, the Industrial Park, and commercial developments.

They're all put into one map, so when we start to look at future sidewalks, trails, and bike paths we can have a clear idea of where they're going and what their purpose serves. Witte asked if as houses are continued to be built on Whiskey approaching the S-curve if the sidewalk will be continued. Kernosky stated that Maplewood Ave will be extended eventually to loop around onto Rum River Drive, and it's included in the Code that sidewalk needs to be part of that. There is no sidewalk on the west side of Whiskey Road passed South Passage, it's just a dirt trail that snowmobiles use. Wimmer added that there is no City right-of-way there, it's just the County. He stated that on the east side of Whiskey there is sidewalk in the newly developed area, but through the last 40 years or so during development there was no solid policy in place about it. In those areas you'll see things like two blocks with sidewalk then two blocks without, and it was really just what the Council at the time thought. In 2005 or 2007 we did a number of things to try to change that, and then updated it in 2008/2009. The Council can at any point change that, but it makes it a little more difficult. That's why there's no sidewalk on the east side of Whiskey. We've talked to those homeowners and some want it and some don't. You'd in essence have to force them to give it up, which is not something we wanted to do there. The County has no right-of-way in there, and from a zoning standpoint it's meets and bounds, so it's kind of a hodgepodge.

Kernosky stated that he hopes to have the future sidewalk and trail map for the board, and there can be further discussion on that. Garvey asked if Kernosky just put the master plan together or if it was in place. Kernosky said it is a new document. It is part of the Comprehensive Plan update which is coming; that plan will have a non-motorized transportation component to it. Instead of having a two or three page portion of it, we might as well have a nice plan that we can follow for the next couple of years. Garvey told Kernosky he's done a great job putting it together.

4. Unity Parking Lot

Everett stated that the board had talked briefly about the wooden posts out at Unity after the park visits, and then Public Services Director/Assistant City Administrator Wood had been out doing some other work. They noticed that the remaining posts are really wobbly, and we're worried that if someone leans on one the wrong way we might run into some problems. The board hadn't decided what we wanted to replace them with, but we'd like to get the go ahead to take out what's there. If the board wants to have discussion about whether we need to have a replacement and what that would be, we can do that too. Garvey asked if we know the history of why they were put in in the first place. Everett said that she thought it was probably to keep cars off the grass, but they've been there for a long time. She said that we could do concrete bumpers if we're concerned about people leaving the lot, or we could wait to see it's a problem before we do something. Garvey stated that she doesn't like the concrete bumpers because it's more of a pain for maintenance to have to go around it, especially for plowing. If we're not plowing it's not a big deal. Everett stated that we did find an agreement and it is being plowed. Wimmer stated that he believed with the parking lot code we have to have some kind of buffer or inevitably you'll have people going there. If we take the wood posts out probably have to have something to put back in, but we can check with Kernosky to know for sure. Garvey agreed that we should probably have something, and the concrete bumpers are probably the cheapest alternative versus putting something similar back in. That would be something to come back with is alternatives and what the cost would be. Maybe we don't need as many bollards in place, or maybe there's another item we can't think of too. We could also strategize some areas that we'd need them in too. Witte asked if the posts are on the west side of the lot. Everett stated that they're between the lot and field. Wimmer stated that he thought there some on the school side too. Everett stated that she doesn't think there's anything between the lot and the street. Witte said that he was there Tuesday night playing church softball and people were parking on the grass between the lot and the school. Everett stated that she isn't sure if it's just our preference or if there's something in code stating that we need to stop that. Garvey stated that she'd like to see it come back with staff recommendation and some cost analysis of the options. Everett asked that if she does find out that we don't have anything stating that we have to have something, are we okay to take these out before we have a replacements? Or is the board's preference still to have a replacement as soon as those come out. Garvey stated that if it's a safety issue she thinks they should come out, and err on the side the safety aspect and at least try to get something in by next summer. Everett stated that she'd look into what the code says and would send an update out if something happens before the next meeting.

5. Fir Street Parcel Planning Timeline

Everett stated that she put together what the Board had discussed in a more concrete timeline. The board mentioned that it would be helpful to talk with the people that would be living around that future park to know what it is they want. Everett plugged in that for July she'd like to get a list of options that the board wants her to spend more time researching. We don't have any decisions that we need to make at this meeting, but in July we can kind of narrow those down into a few options that Everett can prices for and that kind of thing. That will give her time before the September meeting to present the costs for each of those and a draft site plan. Then from those options, the board will pick maybe up to 3 that we'd invite the public to choose from. In October, it would be on the regular meeting at the beginning. She included a 750 radius map that she adjusted a little bit to include the whole neighborhood. This gives an idea of who could be included in those invitations, but it can be adjusted however they see fit. Garvey stated that she thinks it's a good timeline and she thinks it's a good range. Witte asked if the board should pick three ideas. Everett said at the July meeting we can throw out all of the ideas and pick 4 or 5 or whatever, and then at the September meeting we will parse that down to what we really want the public to be choosing from. We may find during that process that there are two options that really make sense, it will just take some research. She included the options that were brought up previously including a basketball court or more of a picnic area with a shelter and grills and tables, and maybe a circuit exercise area. Wimmer stated that this won't be in next year's budget, so if we're rolling this out to the public a year and half before anything were to happen, that needs to be taken into consideration. Once you go down that path, people might want to start seeing things happen quicker what would possibly happen. Everett stated that part of this timeline is because of the application that stated that we intended to do something in 3 years, so this is our doing something. Wimmer stated that he is saying that we're going a lot farther down the field that you really need to fulfil that obligation, so if that's the only reason. He's just saying that if you're going to roll it out that way you'll need to have something that the Council has talked about and has planned to do because this isn't in any budget discussions at all. He just wants to make sure that this board knows that as well. Everett stated that we talked about that at the last meeting that it wasn't going to be a 2019 project. She stated that if Wimmer thinks it needs to go out farther, she is fine with that too. Wimmer stated that the planning needs to happen, but the rolling it out to the public with the reduced options is something that might wait. If it is rolled out they need to be made aware that it might a ways out, it'd be important to do that. Everett asked what the Board preferred: to go as far as picking options and then putting it on hold for future comp plan and that kind of thing. Witte agreed that if we show something to the public they're probably going to want to see it within the year. Garvey clarified that the first two items would be done and the third with the public would be down the road, and once we have an idea getting timeline. Then we have at least done the due-diligence of the planning and getting that process started. Witte stated that by that time the parcel might be filled with houses too.

6. Parks Updates

Everett stated that the scavenger hunt has started. Staff handed out a bunch of passports at the street dance, and there are some at BMX. She will bring some over to Allina for them to distribute too. There's at least one sitting at her desk that is already finished. They are open through August 3rd and 4:30. There are a couple of new things for the Grand Prize. Great Clips has donated a hair cut and some kid hair products. And Mississippi Biological has offered to do some butterfly kits. It's cool to get some business interest. Mississippi Biological does things like supplying caterpillars to science classrooms and things, there's an interesting business to have in town. Wimmer added that they're the largest supplier in the Midwest, and had been in St. Paul, and he is a great corporate citizen. Everett stated that last year we received comments that people wanted multiple drawings, so we will compile what we have. Wimmer stated that we'll do three prizes so it will be an escalating third, second, first. Again it's by drawing. All three will be worthwhile, but the top will still be significant. Everett shared that the first 100 are still getting a prize as well.

Everett stated that the first street dance went really well. We had a huge turnout for Hitchville. They were able to pull a lot of strings and get that show together in less than two weeks. Considering that we book all of our bands in January, that was a monumental task for them, so it was great that they were able to work with us to get that done. They also put on an awesome show that people really enjoyed. We have more food

vendors that we typically have, and everyone was still busy all night. Retail Meats was open for most of the event too. It's cool to see some downtown business involvement.

The next Curious Creatures is coming up July 10th and we still need more registrations. If there are other places we can advertise that, Everett is looking for suggestions. She has done Facebook ads and sent it out to the County daycare licenser, and all kinds of things that she can think of.

The community garden is growing very fast. Since the School for All Seasons didn't come back, the summer intern, Bree Erickson, was able to get some things planted. Everett believes that we did watermelon, cantaloupe and some kind of squash. The Grow Your Own program has planted some things and are planning to continue with the program through the season. As more produce starts coming in we'll start collecting for senior dining too.

The pollinator workshop had four adults and two children come. Everett has found that a lot of adults are interested in pollinators and they want to know what the whole deal is. It was a fun day, and Everett thinks everyone came away with something.

Before the next meeting is the July Street Dance. Jonah and the Whales is back on the 14th.

The parade is next Thursday, July 5th and Kids' Day is that Saturday. The rodeo is Friday, Saturday, and Sunday.

The farmers' market is also doing really well. Last week and this week, all of our booth spaces have been filled. There are a couple of new vendors joining this week, and more are asking questions each week too.

Everett stated that Soil and Water is also interested in doing some more cedar tree revetments at River Bluff. As long as we get official Council approval to spend that money, we'll do 150 more feet at the park. Garvey asked if they just keep us in mind for it. Everett said that this year they didn't have to start from the beginning with us. They work with a lot of private landowners too, so they visited all of the sites they have applications for and they knew we have a lot of area that can be done. They figured out how much funding they had remaining after their visits. Wimmer stated that it has been an excellent collaboration working with them.

7. Adjournment

Motion by Johnson, second by Witte to adjourn the June 26, 2018 meeting of the Parks, Recreation, and Culture Board. Motion was approved.

The meeting adjourned at 6:32 p.m.

Dated at Isanti, Minnesota this 26th day of June, 2018.

Respectfully submitted,

Katie Everett

Human Resources/City Clerk

CITY OF ISANTI
JOB DESCRIPTION

JOB TITLE:	MS4 Technician
DEPARTMENT:	Community Development
SUPERVISION:	Community Development Director
EFFECTIVE DATE:	7-18-2018
FLSA STATUS:	Non-Exempt
HOURS WORKED:	20 hours/week

DEFINITION:
The purpose of this position is to ensure the City's Municipal Separate Storm Sewer System (MS4) permit program comply with local, state and federal guidelines. The person in this position will act as a facilitator to develop and implement process and procedures to encourage and achieve compliance and all aspects of the MS4 program. Monitors and updates local ordinances to ensure compliance with mandates. Works with other department staff to assist with storm water projects, improvement plans and site inspections.

SUPERVISION RECEIVED:
Works under the supervision of the Community Development Director.

SUPERVISORY FUNCTIONS:
None.

EQUIPMENT/JOB LOCATION:
Works primarily from City Hall. Equipment used includes, but is not limited to, motor vehicle, telephone, computer, printer, copier, digital camera, GIS equipment and various software applications.

ESSENTIAL FUNCTIONS OF THE JOB:

1. Conducts activities in the field related to MS4 permit compliance, which includes, but not limited to inspection of storm water facilities, construction sites and illicit discharges.
2. Create a database/tracking system of information for any and all required documentation.
3. Performs other inspections as required.
4. Assist in public education and outreach activities as directed by supervisor.
5. Assist in the implementation of all required plans, demonstration projects, and mapping/GIS activities related to storm water and MS4 tracking.
6. Prepares reports as requested by supervisor.
7. Prepares MS4 permitting updates, reports and audits to be sent to the MPCA.
8. Assist Engineers and Community Development by conducting inspections of development projects.
9. Assist in responding to drainage, erosion and sedimentation control concerns and complaints.
10. Assist with meeting state and federal requirements and keeps up-to-date with changes of the mandates and regulations.

11. Coordinate and conduct field investigations and inspections of industrial and commercial operational compliance, and post construction maintenance.
12. Research full range of funding opportunities available to support the MS4 activities.
13. Respond and investigate illicit discharge complaints and properly document each occurrence. Follow up with other Departments and agencies for corrective action and maintains records and files of emergency response incidents.
14. Responds to questions from residents, contractors and developers, meeting with them as needed, regarding MS4 related issues.
15. Perform field SWPPP inspections for the City on construction projects and enforces construction site runoff control regulations.
16. Document inspections with photos, check lists, and forms in paper and electronic formats.
17. Attend meetings as needed regarding matters of MS4.

OTHER DUTIES AND RESPONSIBILITIES

Performs other related duties as assigned or apparent.

REQUIRED KNOWLEDGE, SKILLS AND ABILITIES:

1. Ability to read and interpret laws, ordinances, polices, department rules and municipal regulations.
2. Prepare and present, clear, concise and comprehensive verbal and written reports.
3. Inspect, investigate, and enforce codes and ordinances.
4. Analyze complex situations, problems and data, and use sound judgment in making decisions.
5. Ability to prepare, organize and maintain inspection field data, files and records;
6. Ability to utilize computer systems to track data and prepare reports.
7. Ability to analyze situations and information, formulate alternatives, and use sound judgment in drawing conclusions and making decisions.
8. Ability to develop a course of action and maintain momentum to reach successful conclusions to assignments within agreed upon time frames.
9. Ability to deal with very tight time frames, demanding schedules and workload,
10. Ability to establish and maintain effective working relationship with supervisors and other department employees.
11. Ability to maintain a positive image to the public.
12. Ability to work under stressful situations involving intense public contact.
13. Use effective interpersonal skills to interact and communicate clearly and concisely with a variety of citizens and the public when explaining City rules, regulations, policies, and ordinances.
14. Be able to attend applicable training as suggested by supervisor.
15. Work independently and schedule/coordinate own workload.
16. Ability to perform effectively as a member of a team.
17. Performs other essential job duties:
    a) Follows all safety procedures.
    b) Participates in required technical and safety training.
    c) Regular and timely work attendance.

PHYSICAL DEMANDS:

The physical demands described herein are representative of those that must be met by an employee to successfully perform the essential functions of this position.

1. The employee is frequently required to sit and talk or hear, use hands to finger, handle or feel objects, tools, or controls; and reach with hands and arms.
2. Considerable ability to use large motor skills which include standing, walking, and climbing stairs during the workday.
3. Considerable ability to use fine motor skills to manipulate objects requiring manual dexterity.
4. Walking on all types of surfaces, sometimes over slippery and/or uneven and rough terrain.
5. The employee will lift and/or move up to 50 pounds for tasks such as folding tables, desk furniture, setting up rooms for meetings, carrying supply boxes and file drawers.
6. Specific vision abilities required by this position include close vision, distance vision, peripheral vision and ability to focus as it relates to such tasks as reading, processing paperwork, overseeing public activities, computer deskwork, etc.

WORK ENVIRONMENT:

The work environment characteristics described here are representative of those an employee encounters while performing the essential functions of this job. While performing the essential functions of this job, the employee frequently works in outside weather conditions.

MINIMUM QUALIFICATIONS:

1. Degree, or in progress of obtaining a degree, in Environmental Science, Engineering, Environmental Engineering, Water Resource Management or closely related field.
2. Knowledge and understanding of plans for streets, storm sewers and storm water holding systems.
3. Valid driver's license and good driving record.

PREFERRED QUALIFICATIONS:

1. Bachelor's degree in Environmental Science, Engineering preferred.
2. 1 or more years' experience in field Administering and enforcing MS4 compliance
3. Knowledge of code enforcement and zoning principles, practices and methods as applicable to a municipal setting
4. Knowledge of Storm Water Best Management Practices.

NON-DISCRIMINATION STATEMENT

The City of Isanti will not discriminate against any employee or applicant for employment because of race, color, creed, religion, national origin, sex, disability, age, marital status, sexual orientation status with regard to public assistance, or any other legally protected class or status.

(The examples given above are intended only as illustrations of various types of work performed and are not necessarily all-inclusive. This position description is subject to change as the needs of the employer and requirements of the position change. The City of Isanti reserves the right to change and/or eliminate any and all job duties if needed).

Subject: Consider Resolution Approving Heartland Payment Systems as Credit Card Processor at Isanti Liquor

---

Background:

On April 23rd our Credit Card processor (Elavon) changed the way that they process daily batches. As a result of changes made by Elavon I can no longer tie out CC deposits because they come in random amounts spread over 2-4 days. The problem with that is that the amount we receive on any given day could be parts of as many as 4 days of transactions. I spoke to their representative on July 12th and reiterated my insistence on a new report that would allow me to properly reconcile the store's credit card transactions. I was told that they could not accommodate my request and was offered references for us to find a new processor.

On July 18th Liquor Store Manager Jacobi, City Administrator Lorsung and myself met with Marilyn Snyder from Heartland Payment Systems. She reviewed one of our recent statements and calculated a total fee rate of 1.7204% for the month of May. She expects that given the transactional volume at the Liquor store that Heartland will be about the same.

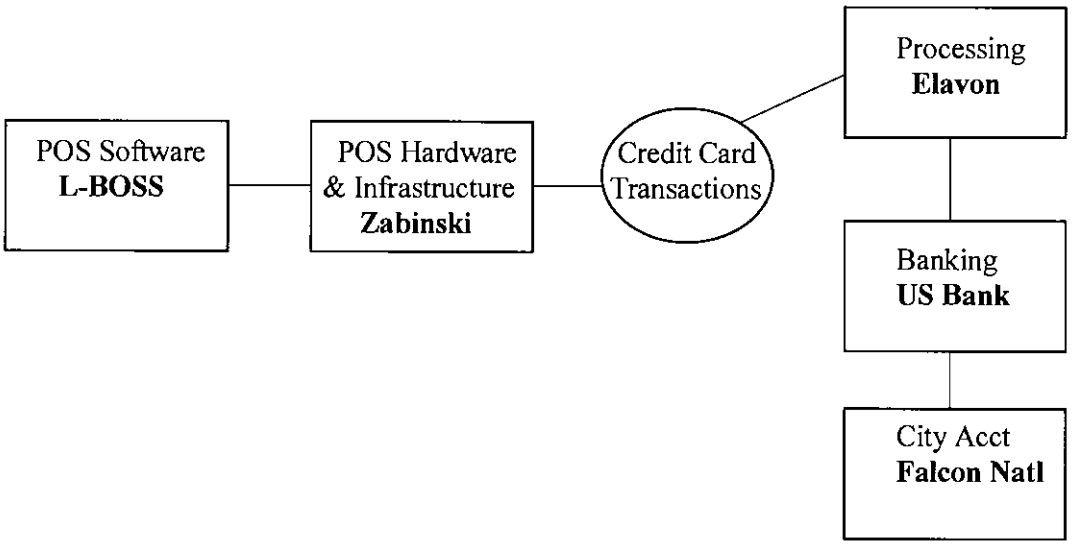
Fees break down as follows:
Interchange fees paid to Visa/MasterCard/AmEx would remain unchanged as those are the same with all processors. Processing Fees would be 0.15% and $0.04 per transaction with Heartland. Processing Fees with Elavon were at a variable % based on card type with an additional per item rate and $0.05 per transaction.

Heartland will also guarantee not to raise rates based on volume changes but will lower the rates if volume increases to a sufficient predetermined threshold.

Additionally Heartland will swap out our current terminals for new ones for just $50 each. New terminals are normally $550 each.

Heartland will also provide a new backup terminal for $229 that will be capable of using the current phone line to process payments during interruptions in internet service.

Furthermore, with Heartland we would also be able to accept AmEx at the same fee structure as other cards. Currently fees are so high that we have not accepted AmEx at the Liquor Store. Elavon then compounds the problem by charging $0.10 per swipe for denied AmEx transactions.



The Finance Committee is recommending moving forward with Heartland Payment Systems with the understanding that the fees and functionality of the service will be reviewed after 3 months to determine if there is a need to go thru a formal RFP process to identify a different payment processor.

If the agreement with Heartland Payment Services is cancelled by the City for any reason, the City will not be liable for any cancellation fees.

Request:
Consider Resolution Approving Heartland Payment Systems as Credit Card Processor at Isanti Liquor.

Attachment:

Travel Agencies / Travel Tour Operators (Required for American Express):

The following information is required to validate Travel Industry Bonding Organization / Authorized Airline Ticket Agent Memberships: ARC# / IATA#: _____

PCI Compliance

Is your business PCI Compliant: ☒ **Yes** ☐ **No**

Does your company utilize a Data Storage Entity or Merchant Servicer that has access to card member data (i.e., Payment gateway or data warehouse, etc.): ☐ **Yes** ☒ **No**

If yes, provide the name of the Data Storage Entity or Merchant Servicer being utilized:

PCI DSS and Card Network rules prohibit storage of sensitive authentication data after the transaction has been authorized (even if encrypted). If you or your POS system store, process, or transmit full cardholder's data, then you (merchant) must validate PCI DSS compliance. If you (merchant) utilize a payment application the POS software must be PA DSS (Payment Application Data Security Standards) validated where applicable. If you use a payment gateway, they must be PCI DSS Compliant.

As required under the Payment Card Industry Data Security Standard (PCI DSS), I do hereby declare and confirm the following:

Merchant will maintain full PCI DSS compliance at all times and will notify Heartland when it changes its point of sale software, system, application or vendor:
☒ Yes ☐ No ☐ N/A

Do your transactions process through any other Third Parties (i.e. web hosting companies, gateways, corporate office): ☐ Yes ☒ No ☐ N/A

Merchant utilizes the services of a PCI SSC Qualified Integrator Reseller (QIR) when POS payment applications are utilized: ☐ Yes ☒ No ☐ N/A

The signing merchant listed below has experienced an account data compromise.*: ☐ Yes ☒ No ☐ N/A ☐ I have never accepted payment cards.

If yes, what was the date of the compromise: (Copy of the completed forensic investigation is required with the app.)

The signing merchant listed below is storing Sensitive Authentication Data** (even if encrypted) after the transaction has been authorized:
☐ Yes ☒ No ☐ N/A ☐ I have never accepted payment cards.

Merchant utilizes an EMV enabled terminal: ☒ Yes ☐ No ☐ N/A

*An Account Data Compromise is any incident that results in unauthorized access to payment card data and/or Sensitive Authentication Data.

**Sensitive Authentication Data is security related information (Card Verification Values, complete Magnetic Stripe Data, PINs, and PIN blocks) that is used to authenticate cardholders.

Please note that if you have indicated that your organization has experienced an account data compromise in the past, a PCI DSS Level 1 Compliance Assessment may be required upon Heartlands request. A compromise of cardholder data from your location(s) may result in the issuance of fines and/or penalties by the card brand, for which you w be responsible under your Merchant Agreement, notwithstanding this Compliance Statement.

It is imperative that you notify Heartland immediately should the information on this Compliance Statement change.

OWNERS / OFFICERS

Is any owner, officer, director, employee, or agent a current or former senior official in the executive, legislative, administrative, military, or judicial branch of any government (elected or not); a senior official of a major political party; an executive of a government-owned commercial enterprise; a family member of any of the foregoing officials; or a close personal or professional associate of any of the foregoing officials? ☐ Yes ☑ No If "yes," please attach details.

Terms & Conditions Acknowledgement

"Merchant" acknowledges that Heartland Payment Systems, LLC. ("Heartland or HPS") has provided it with a copy of the Card Acceptance Policies, Procedures, Terms & Conditions (the "Terms and Conditions") and the Merchant Application, which together make up the entire agreement between the parties. Merchant has read, understands, and agrees to be bound by the Terms and Conditions, as may be amended from time to time. Merchant acknowledges that the Terms and Conditions are a fundamental part of the parties' agreement without which Heartland would not be able to enter into an agreement with the Merchant. The Terms and Conditions can be reviewed at any time by visiting the Heartland InfoCentral at https://infocentral.heartlandpaymentsystems.com. In addition, Merchant can request another copy of the Terms and Conditions at any time by sending a written request for a copy to Heartland at the following address:

Request for City Council Action

To: Mayor Wimmer
Members of the City Council
From: Josi Wood
Public Services Director/ Assist. City Admin.
Date: August 8, 2018
Subject: Consider Resolution Accepting Quote for Driveway Repair as a Result of a Water Line Leak at 808 Marion St SW

Staff was notified of water bubbling out of the driveway at 808 Marion St SE which is the residence of Mr. Ben Deggendorf. The leak appears to be the result of a failed waterline connection on the service line which was under the driveway. The driveway was compromised to complete the repair which was necessary.

Per current City Code, the City is responsible for such repair because it was between the main and the curbstop. Staff requested that the homeowner obtain three quotes for the City to review. The quotes received are as follows:

Contractor	Amount Quoted
Prefer Paving	$3,500.00
Czars of Tar, Inc	$3,672.00
Northern Asphalt, Inc	$3,950.00

The Finance Committee has reviewed the three quotes and recommends authorizing the work to be done between the homeowner and Prefer Paving in the amount of up to $3,500.00. Upon completion of work and receipt of a copy of the invoice, the City will reimburse the homeowner, Mr. Deggendorf, up to $3,500.00

Funding for this item will be Water - Contracted Services (112).

Request
Staff is seeking action on this item.

Attachment
- Res 2018-XXX

RESOLUTION NO. 2018-XXX

RESOLUTION ACCEPTING QUOTE FOR DRIVEWAY REPAIR AS A RESULT OF A WATER LINE LEAK AT 808 MARION ST SW

WHEREAS, Chapter 325-12 Section B states that the City is responsible for repairs of a service line leak between the water main up to and including the curb box; and,

WHEREAS, there was a leak along the service line at 808 Marion St SW between the main and the curb box; and,

WHEREAS, the service line was beneath the driveway and the driveway was compromised due to the necessary repair; and,

WHEREAS, the City is to reimburse the homeowner, Mr. Ben Deggendorf, for costs incurred to repair the driveway with an approved contractor per this Resolution; and,

WHEREAS, the homeowner obtained the following quotes to repair the driveway:

Contractor	Amount Quoted
Prefer Paving	$3,500.00
Czars of Tar, Inc	$3,672.00
Northern Asphalt, Inc	$3,950.00

WHEREAS, the Finance Committee reviewed the quotes and recommends to reimburse the property owner the quote amount from Prefer Paving for repair of the driveway;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota

1. Hereby approves to reimburse the homeowner at 808 Marion St SW, Mr. Ben Deggendorf, up to $3,500.00 upon completion of the work and a copy of an invoice from Prefer Paving is received by the City.
2. Any performance or warranty of repair work shall be between the homeowner and their contractor.
3. Funding source identified as Water – Contracted Services (112).

This Resolution was duly adopted by the Isanti City Council the 8th day of August, 2018.

WHEREAS, MN Statute 465.03 requires that cities accept donations for the benefit of its citizens in accordance with the terms prescribed by the donor; and,

WHEREAS, the City of Isanti is hosting a citywide scavenger hunt (Passport to Parks) with 3 prize drawings to be held August 11, 2018; and,

WHEREAS, the City has received the following donations for the drawings, which will divided as follows:

Drawing One

1. Coborn's Marketplace – Gift Card $25.00
2. Isanti Family Farmer's Market – Gift Certificate $10.00
3. Mississippi Biological – Butterfly Kit $10.00 value
4. Great Clips – Free Hair Cut & Hair Care Products $30.00 value
5. Allina Health – Bicycle Helmet $15.00 value
6. Dairy Queen – Gift Card $5.00

Drawing Two

1. Coborn's Marketplace – Gift Card $25.00
2. WillowBridge – Gift Certificate $25.00
3. Isanti Family Farmer's Market – Gift Certificate $10.00
4. Mississippi Biological – Butterfly Kit $10.00 value
5. Allina Health – Bicycle Helmet $15.00 value
6. Dairy Queen – Gift Card $5.00

Grand Prize Drawing

1. Anonymous – Visa Gift Card $100.00
2. Coborn's Marketplace – Gift Card $50.00
3. WillowBridge – Gift Certificate $25.00
4. Isanti Family Farmer's Market – Gift Certificate $15.00
5. Mississippi Biological – Butterfly Kit $10.00 value
6. Allina Health – Outdoor Activity Pack $20.00 value
7. Allina Health – Bicycle Helmet $15.00 value
8. Dairy Queen – Gift Card $15.00

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Isanti, Minnesota to accept the above donations in the total amount of $435.00 for the 2018 Passport to Parks prize drawings.

This Resolution hereby approved by the Isanti City Council this 8th day of August, 2018.

Attest: Mayor George A. Wimmer

Katie Brooks
Human Resources/City Clerk

CITY OF ISANTI
PLANNING COMMISSION
JULY 17, 2018

1. Meeting Opening.

A. Call to Order.

Chairman Wimmer called the meeting to order at 7:20 p.m.

B. Pledge of Allegiance.

The Pledge of Allegiance was recited.

C. Roll Call.

Members Present: George Wimmer, Steve Lundeen, Dan Collison, Ross Lorinser, Paul Bergley.

Members Absent: Joey Lemay, excused.

Staff Present: Ryan Kernosky, Community Development Director.

1D. Agenda Modifications.

Motion by Lundeen, seconded by Collison to adopted the agenda, approved unanimously.

2. Approval of the Minutes from the July 3, 2018 Planning Commission

Motion by Collison, seconded by Lundeen to approve the minutes from the July 3, 2018 Special Planning Commission meeting, approved unanimously.

3. Public Hearings

A. Request from La Crosse Sign Co. on behalf of Kwik Trip Inc. for a Conditional Use Permit to install dynamic signage at 400 E Dual Blvd NE (Legally Described as Lot 1, Block 1, Kwik Trip 1019)

Chairman Wimmer opened the public hearing at 7:21 p.m.

No one spoke during the public hearing.

Chairman Wimmer closed the public hearing at 7:22 p.m.

Motion by Lundeen, seconded by Collison to recommend approval of the Conditional Use Permit for La Crosse Sign Co. for the installation of dynamic signage at 400 E Dual Blvd NE (legally described as Lot 1, Block 1, Kwik Trip 1019). Motion passed unanimously.

4. Discussion Items

A. No discussion items.

5. Adjournment

Motion by Bergley, second by to Lundeen to adjourn the July 17, 2018 meeting of the Planning Commission. Motion was unanimously approved.

The meeting adjourned at 7:22 p.m.

Dated at Isanti, Minnesota this 20th day of July, 2018.

Respectfully submitted,

Ryan Kernosky
Community Development Director

CITY OF ISANTI
PARKS, RECREATION, AND CULTURE BOARD
MEETING MINUTES
July 24, 2018
City Council Chambers

1. Meeting Opening.

A. Call to Order.
Zdon called the meeting to order at 6:00 p.m.

B. Pledge of Allegiance.
Everyone stood for the Pledge of Allegiance.

C. Roll Call.
Members Present: Jennifer Garvey, Jeff Johnson, James Witte, Aaron Zdon, and Mayor Wimmer
Staff Present: Katie Everett, Parks, Recreation, and Culture Manager

D. Agenda Modifications.
Zdon asked if there were any agenda modifications; there were none. Motion by Garvey, second by Wimmer to approve the agenda for the July 24, 2018 Parks, Recreation, and Culture Board Meeting.

2. Approval of Minutes from June 26, 2018 Parks, Recreation, and Culture Board Meeting

Motion by Johnson; second by Witte. Minutes were unanimously approved.

3. Activity Stencils – Academy Park

Everett explained reminded the Board what the stencils look like. A while back we had found that we couldn't get the same hopscotch for Bluebird and the Park Board decided to get the activity stencils in place of those. Public Work will be putting them out at Bluebird. There are two places where the trail comes up to the playground, so we're going to do a circuit out of the playground, onto the trail, and back into the playground. They'll do that in the next couple of weeks. We're wondering, so we get enough paint, if we should do something similar at Academy Park. Everett went out with Erickson, the summer intern, and found that it will take use the area from the curve around the playground. If the Board is interested in doing that, we will do that. Garvey said that she thinks it's a great addition. Zdon said that now that we have them it's just paint and staff time, so it's a pretty affordable thing to add in. Everett added that we should be able to reuse the stencils many times to touch them up in the future as well. Johnson asked what the stencils say. Everett said that there is one that says tightrope, one that is stones so it says step, another is log and that says jump, there's a snake that says tiptoe, one is a crab crawl, and there are ants that say march. Everett will let Public Works know to put the stencils at Academy Park as well. They will use street paint, so we'll have blue, white, and yellow paint. Some of the stencils need two colors to look right.

4. Fir Street Parcel Planning Timeline

Everett stated that she provided a second page with scale for a shelter included. She added that those pictures are just meant to give visuals for what existing things in that space would be. The stage the Board is in now, is for them to choose options for Everett to look into further. She will then come back with those ideas mostly as an information piece until future planning allows for the project to move forward. A basketball court fills up most of the distance from front to back, and then there's some extra space on the sides which could give a buffer for those houses. Or if we put in a shelter, there's an idea in the picture of what space we have to work with. Witte said he thinks a basketball court or exercise equipment. He's not sure if a shelter or grill would be used. He doesn't see people using the charcoal grills as often. Garvey and Zdon agreed, and Zdon mentioned that people probably have their own grills at home. Zdon stated that he likes the idea of exercise equipment and/or a shelter. There's a basketball court around the corner not too far from there, that actually does get used. He mentioned that his son goes there, but he's not sure how many other people are

using it. Zdon said that some outdoor exercise equipment would be good, that stuff is pretty cool. Mayor Wimmer added that we'd be looking at exercise equipment for the trails on the other side of 65, so maybe there's something that could tie together doing that at the same time as this one. Zdon said maybe there could be some savings if we bought two of each instead of one of each. Witte asked if we'd still send out a survey to the neighborhood. Everett clarified that at some point in the future we can send out a survey that says "These are the options that the City has found feasible, and we want your feedback before moving forward." That's kind of what we're looking at. Garvey said that it's hard to predict the future because there's going to be another great idea down the road that we don't know about yet, but bocce ball is an area that other cities are getting into with permanent courts. Everett added that the casual yard game idea is coming around right now. Garvey said that there are concrete cornhole or bean bag games too, since horseshoes are kind of on their way out. She said she doesn't necessarily want to put in concrete ones because it might be obsolete in ten years, but that type of thing. She said there are also special bocce "courts." Wimmer said that the biggest suggestion we get is pickleball. Cambridge has done that, and they've actually started teaching that in school. If we're looking at different type of court that we get a lot of requests on, that would be it. Zdon said it wouldn't have to be centered, it could be to one side and you'd still have room for a shelter and some exercise equipment or something depending on the budget. Garvey said that if we get into a basketball court, or a court like this, it increases the cost significantly; but whereas we have more of a passive type of activity, the cost might not be as high. She agrees that pickleball and basketball are huge right now. The board commented that pickleball might just be a trend. Garvey said that maybe we do a surface that could be multipurpose. It could be something with different stripes for a multipurpose structure. She said she knows we're in the very beginning stages, but those different ideas to start getting cost ideas. Johnson mentioned that there are lot of little kids in that area, from 4 to 12 years of ages. He doesn't know if we can focus on something for them; we're kind of focusing on adult activities more than kids. He's been through there and there a ton of little kids. Zdon said that their nearest playground is what used to be the Tot Lot; Wimmer added that Rum River is close too. Wimmer stated that what we have run into with the play parks is that yeah, they're there now, but 3 years from now they have no interest in doing it. That's why we've tried to mix up with just active space kind of stuff. Everett stated that in her outdoor education experience, if you give kids outdoor space and tell them to entertain themselves, they will. Sometimes just an open space is kind of the best thing, and then people can use it the way they want to instead of being restricted. Garvey said that a lot of the lots around there are smaller where the kids don't have that space they need. It'd be two or three yards wide that they'd need to get a kickball game going or something, so she likes the idea of open space. She mentioned that playground equipment really ups the cost too. Johnson asked if those are the exact measurements. Everett said that they're not; they're just as close as she could get on GIS, but the property lines are not exact in that program. Johnson said it's a pretty large area, there's just the light post and electrical box. Everett stated that to get exact dimensions we'd have to get a survey done and that costs money. This gives us an idea. She said for now, she'll look into options for a multiuse court, maybe there's a cool version of a yard game set up – more of a passive thing, and exercise equipment that could maybe be incorporated into both places. Witte said that he assumes there's exercise equipment for children too. Everett said that there definitely is, and there are some really fun kind of ninja warrior things out now too. Some of those have kid versions up to adult elements in them.

Everett stated that this will come back in the fall; she'll put together some mock-ups for the board. Then we'll just kind of leave it there for now. We're working on doing some comp plan stuff in the next couple of years, so if it makes sense maybe we can do it with some of that. But we don't really want to get it out there until we have money to do it.

5. Parks Updates

Everett said that we're in the thick of things. Passport to Parks is still open. She's hoping to get a lot more of those in. There are a lot out in circulation, and she's had people tell her they're working them. We are planning to split the Grand Prize into three drawings this year. The first 100 people still get their prize when they turn them in. They're due August 3rd.

The July street dance went well. Jonah and the Whales are great to work with. They commented that they love coming here and our crowd is always awesome. She has actually gotten that comment from our food vendors and other bands that they love coming to Isanti because people here are really respectful and everyone is having a good time. It's great to hear that about our community.

Everett provided the schedule for Celebrate Isanti in the agenda. If the board knows of any groups that want to be involved to let her know. She just got the soccer club's registration so they will be there. BMX is planning to be open during the kids festival so people can at least see inside the arena. Public Works has some really cool things going on this year too. They're bringing over all the plow blades for us, and people will get to see the plow. They have a semi trailer with a simulator in it that people will be able to go in and kind of test drive some of the equipment that Public Works uses. That was a partnership with the union, so they're trying to get more people involved with labor jobs as well, but it's at no cost to us. It's a cool chance for people to see what Public Works does for the City. The race is being chip-timed this year. We're still looking for more registrations, but we're getting there. The link is on website. There's a whole page on the website with the detailed event information, so people can be directed there if they have questions, or they can contact Everett. The Street Dance is Bad Girlfriends. The car show is expecting a really good turnout; there used to be a car show in Oak Grove that they're not doing this year. Staff ordered some sunglasses for the event as well.

The farmers market is going really well this year. As of this week, we are almost $200 over our total vendor revenue from last year. And we are 9 out of 19 weeks through the season. It's hard to compare just vendor numbers because we have more new vendors that signed up for full seasons or half seasons this year. It's not a great comparison since we had many vendors just come once or twice last year. As far as how many booths have been full, we're well ahead of last year.

Everett stated that the cedar tree revetment was approved by City Council. The tentative schedule is for that work to be done in October. They will probably deliver the trees the week before. Everett will give an update on that as it gets closer.

Everett had sent out park project emails with updates. VFW park is complete and they're working on Mattson Park this week. We are going to hold off on Bluebird; it has taken longer than anticipated to get more mulch so we want to make sure the park looks good for Celebrate Isanti.

6. Adjournment

Motion by Witte, second by Johnson to adjourn the July 24, 2018 meeting of the Parks, Recreation, and Culture Board. Motion was approved.

The meeting adjourned at 6:24 p.m.

Dated at Isanti, Minnesota this 24th day of July, 2018.

Respectfully submitted,

Katie Everett

Katie Everett

AGENDA

CITY OF ISANTI
CITY COUNCIL BUDGET WORK SESSION
WEDNESDAY AUGUST 8, 2018 – 7:30 p.m.
(Immediately following the 7:00 p.m. City Council Meeting)
CITY HALL

A. Call to Order
B. Roll Call

C. Work Session Items
1. **General Fund Budget Updates**
2. **Review 2019 Preliminary Budgets – Enterprise Funds**
3. **Capital Outlay and Reserve for Replacement**
4. **Determine if Tuesday, August 21, 2018 Work Session is Necessary**

Adjournment

A Community For Generations.

Isanti

MEMO

To: **Mayor Wimmer & City Council Members**

From: Finance Director Betker

Date: July 30, 2018

Subject: General Fund Budget Updates

Revenues – General Fund

- Local Government Aid was revised downward by $21.00 after the Department of Revenue released final numbers on July 30th. Certified LGA amount for 2019 is $635,435.

Expenditures – Multiple Departments (Pages 46, 44, 50, 24)

- Total Preliminary 2019 Budgeted Expenditures have decreased $2,265 since the first Budget Work Session. This decrease reflects newly projected expenditures for the now filled Maintenance Tech II position approved by Resolution 2018-157. This decrease affects the Streets, General Maintenance, Sanitation, and Parks, Recreation and Culture departments within the General Fund.

Parks, Rec & Culture (Page 24)

- Total Preliminary Budgeted Expenditures have decreased $3,500 since the first Budget Work Session. This decrease reflects a reduction in the total number of linear feet of fencing to be installed at River Bluff Preserve

A Community For Generations.

Isanti

MEMO

To: **Mayor Wimmer & City Council Members**

From: Finance Director Betker

Date: July 30, 2018

Subject: Review 2019 Preliminary Budgets – Enterprise Funds

Expenditures – All Departments

- All wages include a 3% COLA for 2019 and include the necessary step increases, where applicable.
- Health Insurance is based on 2018 premiums plus 10%.
- Worker's compensation rates are based on 2018 rates and include a 5% inflationary factor.
- Property, liability, and volunteer insurance premiums are based on 2018 rates and include a 7% inflationary factor.
- Dental Insurance is based on 2017 premiums, plus 5%.
- Life/AD&D Insurance rates are unchanged from 2018.
- Managed expenses throughout the enterprise fund budgets have been adjusted based on prior year actual costs, current year expenditures through June, actual maintenance agreements and contracted costs.

Water (Pages 52-57)

- Water Meters (232) has increased 33% from $15,000 in 2018 to $20,000 in 2019 to account for an upward trend line in actual expenditures.
- Bond Payments (principal and interest) as well as fiscal agent fees have been adjusted to reflect payments per the bond schedule.
- Total budgeted expenditures for the Water Fund are $1,443,810. An increase of 4.43% which includes $55,716 in capital outlay expenditures.
- If capital outlay expenses were excluded from the 2018 and 2019 budgets. The year over year increase in expenditures would be 1.82%

Sewer (Pages 58-63)

- Public Facilities Authority Loan Forgiveness, which has been represented annually in the budget as offsetting revenues and expenditures in the amount of $173,893. The debt obligation was officially released earlier in 2018.

- Bond Payments (principal and interest) as well as fiscal agent fees and amortization have been adjusted to reflect payments per the bond schedule.
- Total budgeted expenditures for the Sewer Fund are $1,520,503. A decrease of 12.64% which includes $46,360 in capital outlay expenditures.
- If capital outlay expenses were excluded from the 2018 and 2019 budgets. The year over year decrease in expenditures would be 8.37%
- The above mentioned decreases are primarily due to the effects of the PFA loan that was forgiven in 2018 and is no longer represented in the annual budget.

Storm Water (Pages 64-67)

- Professional Services (300) has decreased by more than $27,000 from 2018. A reduction in costs associated with Bolton & Menk providing MS4 assistance, accounts for the entire reduction.
- Engineering Fees (303) have been reduced by $5,000 to better reflect observed actuals.
- Total budgeted expenditures for the Storm Water Fund are $350,396. A decrease of 2.25% from 2018, which includes $143,230 in capital outlay expenditures.
- If capital outlay expenses were excluded from the 2018 and 2019 budgets. The year over year decrease in expenditures would be 1.11%

Liquor Store (Pages 68-71)

- Expenditure items for re-sale are based on 2017 actuals, plus 2.5%.
- Total budgeted expenditures for the Liquor Store Fund are $2,945,083.
- The transfer from the Liquor Store has been budged at $350,000.
- Liquor Sales are based on 2017 actuals, plus 2.5%.

3.

A Community For Generations.

Isanti

MEMO

To: **Mayor Wimmer & City Council Members**

From: Finance Director Betker

Date: July 31, 2018

Subject: Capital Outlay and Reserve for Replacement

Capital Outlay and Reserve for Replacement (Pages 73-75)

- Included within the packet is a summary of 2019 Capital Outlay Requests that were submitted by Department Heads and currently included in the preliminary 2019 budget. The summary includes estimated project cost as well as identified funding sources.

- $15,000 will be transferred for development of a dog park. This will complete funding for the original request of $25,000 made during the 2018 budget process and allow for work in 2019.

- $14,000 will be transferred for the refurbishment of playground equipment at Bluebird Park. This will complete funding for the original request of $24,000 made during the 2018 budget process and allow for work in 2019.

- $7,500 is allocated for C-I Bike Walk Trail Capital Improvements.

H. Council Committee Reports

Mayor Wimmer shared that the City of Isanti was chosen as the recipient of the 2018 Conservation Award for preserving natural resources dating back to 2011.

I. Public Hearings

None.

J. Business Items

1. **Resolution 2018-172** Approving a Special Event Permit Application for the Bluejacket 5K
   Raises scholarships for students who graduate from Cambridge-Isanti High School. Mayor Wimmer added that it is a great event.

Motion by Lundeen, Second by Bergley to approve request. Motion carried.

2. **Resolution 2018-173** Approving MOU Between the City of Isanti and Cambridge-Isanti School District #911 for the School Resource Officer Program
   School Resource Officer to a Full-Time school year position.

Motion by Collison, Second by Bergley to approve request. Motion carried.

3. **Resolution 2018-174** Authorizing the Application to Enter into an Agreement with the Minnesota Office of Traffic Safety Grant for Safe and Sober High Visibility Enforcement

Motion by Lorinser, second by Collison to approve request. Motion carried.

4. **Resolution 2018-175** Amending the Lease Agreement with Rum River BMX to Include Exhibit G – Special Event Paid Parking Agreement
   Fee that can be charged for when parking is not in designated parking lot areas.

Motion by Bergley, second by Lorinser to approve request. Motion carried.

5. **A Resolution 2018-176** Approving a Special Event Permit Application for the 2018 MN State Series Finals Race (Larry Merchlewitz)
   This is part of the combination series that starts in May and is expected to bring people into the city. Mayor Wimmer added that it is usually several thousand people that come to the city to spectate and ride. Rum River BMX holds the number one track in the Country for the third year running. Additionally, Mayor Wimmer added that it is a great accomplishment to be the number one track in the Nation for a town much smaller than the competing tracks in the Nation.

Motion by Lorinser, second by Collison to approve request. Motion carried.

6. **Resolution 2018-177** Approving a Special Event Permit Application for the 2018 Summer Spectacular Car Show (Amy Campbell-Davis)
   Eighth Annual Summer Spectacular Car Show with an expectation of hundreds of spectators. Mayor Wimmer added that the Car Show is also part of the celebrate Isanti.

Motion by Lorinser, second by Bergley to approve request. Motion carried.

<u>City Administrator Don Lorsung</u>

7. Regulation of Public Right of Ways
   a. **Ordinance No. 693** to Enact City Code Chapter 257, Right of Way Management

City Administrator Don Lorsung reminded the council that last fall a moratorium was put in place on Right of Way and a new ordinance was put together and will accommodate small cell.

Mayor Wimmer added that this will help with it being regulated appropriately and communities that have not put forth this in place have run into issues.

   b. **Resolution 2018-178** Approving an Agreement Template for Small Wireless Facility Collocation
   c. **Ordinance No. 694** Amending City Code Chapter 160, Fees
   d. **Resolution 2018-179** Adopting Fees with the City of Isanti

Motion by Lorinser, second by Collison to approve request. Motion carried

8. **Resolution 2018-180** Request from La Cross Sign Co on Behalf of Kwik Trip Inc for a Conditional Use Permit to Install Dynamic Signage at 400 E Dual Blvd NE

Motion by Lundeen, second by Lorinser to approve request. Motion carried.

Assistant City Engineer Jason Cook

9. **Resolution 2018-181** Bid Award Recommendation- 2018 Street Utility & Improvement Project Received nine bids with the lowest bid from Dressel Contracting with below than the budgeted amount and slightly lower than the engineers estimated amount $283,225.26.

Motion by Lorinser, second by Collison. Motion carried

K. Approve Consent Agenda

1. Consider Accounts Payable in the Amount of $1,012,791.97 and Payroll in the amount of $95,841.05
2. Contractor Pay Request No. 4 - Palomino Road Improvements Project Payment to C & L Excavating in the Amount of $65,489.96
3. Final Minutes of the July 3, 2018 Planning Commission Meeting
4. Final Minutes of the June 26, 2018 Park, Recreation and Culture Board Meeting
5. **Resolution 2018-182** Approving the New Part-time Position of Municipal Separate Storm Sewer System Technician (MS4 Tech)
6. **Resolution 2018-183** Accepting Resignation of Part-Time Administrative Data Clerk Jeannifer Anderson
7. **Resolution 2018-184** Accepting Resignation of Full-Time Economic Development Director Sean Sullivan
8. **Resolution 2018-185** Accepting Resignation of Part-time Police Officer Jacob Isaacson
9. **Resolution 2018-186** Offering the Position of Part Time Administrative Data Clerk to Jaden Moore
10. **Resolution 2018-187** Accepting Donation for Isanti Redbirds and Authorizing Expenditure of Same
11. **Resolution 2018-188** Approving Heartland Payment Services Proposal for Credit Card Processing Services
12. **Resolution 2018-189** Approving Gambling Permit for FOSS- St. Scholastica
13. **Resolution 2018-190** Accepting Quote for Driveway Repairs as a result of a water line leak at 808 Marion St. SW
14. **Resolution 2018-191** Accepting Donations for the 2018 Passport to Parks Grand Prize Drawings

Motion by Lorinser, second by Collison. Motion carried

L. Other Communications

1. Draft Minutes of the July 17, 2018 Planning Commission Meeting
2. Draft Minutes of the July 24, 2018 Meeting of the Park, Recreation and Culture Board

Adjournment

Motion to adjourn by Lundeen, second by Lorinser. The meeting was adjourned at 7:14 p.m.

Respectfully Submitted,

Jaden Moore
Administrative Data Clerk

F.2.

AGENDA

CITY OF ISANTI

CITY COUNCIL WORK SESSION

WEDNESDAY, AUGUST 8, 2018

CITY HALL

Mayor Wimmer called the meeting to order at 7:15 p.m.

Members Present: Mayor George Wimmer, Council Members: Paul Bergley, Dan Collison, Ross Lorinser and Steve Lundeen

Members Absent: None

Staff Present: City Administrator Don Lorsung, Human Resources/City Clerk Katie Brooks, Finance Director Mike Betker, Public Service Director/Assistant City Administrator Josi Wood, Economic Development Director Sean Sullivan, City Attorney Clark Joslin

Finance Director Mike Betker began by saying if there are any questions about any aspect of the budget even if it is otherwise off topic please feel free to interrupt. He continued by saying in an effort to be respectful of the council's time, he wouldn't go through the budget line by line or read any of the memos that the Councilmembers had in front of them.

Regarding General Fund Budget Updates:

Mr. Betker said the only General Fund Budget updates related to the recently filled Maintenance Tech II position and a downward revision in the total number of linear feet of fencing to be installed at River Bluff Preserve.

Regarding Preliminary Budgets for the enterprise funds:

Mr. Betker continued by saying the base assumptions regarding wages and employer paid insurances are the same as those of the General Fund which we reviewed at the last budget workshop.

Mr. Betker added that within the Water Fund there are no major changes from the 2018 budget. The year over year increase in operating expenses is budgeted at 1.82%

Mr. Betker reported that within the Sewer Fund the most significant change is the end of a PFA forgivable loan. The loan obligation and the loan forgiveness were represented as both an expense and revenue in previous budgets. For 2019 both sides of that transaction have been eliminated. Leading to reduced revenues and expenditures in 2019 compared to 2018.

Mr. Betker explained that within the Storm Water Fund, year over year operating expenses are budgeted to decrease by 1.11%

Liquor fund again has budgeted transfer of 350k. This helps to reduce the tax levy.

Regarding Capital Outlay Requests:

Mr. Betker acknowledged that the proposed list of capital outlay expenditures is the result of many meetings with department heads and the Finance Committee. In addition to a 10% drop in the tax rate nearly every capital outlay request was funded.

Mr. Betker continued on Regarding Reserve funding we will be putting 29k aside in 2019. 15k for future dog park development and 14k for playground equipment improvements at Bluebird Park.

Mr. Betker concluded that the council had a complete copy of the 2019 Preliminary budget in your packet for your review. The Council may choose to make changes to the budget between now and December and the Preliminary Levy will be set at the Council's first meeting in September

With that, I would be happy to field any questions that you may have.

Mayor Wimmer added that the Tuesday, August 21st, 2018 Work Session meeting was not necessary.

Adjournment

Motion by Lorinser, second by Bergley to adjourn. Motion carried unanimously. The Budget Work Session adjourned at 7:19 p.m.

Respectfully submitted.

Jaden Moore

MEMO

To: Mayor Wimmer and City Council

From: Don Lorsung, City Administrator

Date: August 13, 2018

Subject: City Code Amendments – Water and Sewer Service Line Placement

---

As per direction of the Development and Advisory Committee, staff has prepared an Ordinance Amendment to City Code Chapters 325, Water and 260, Sewer, to no longer allow city service lines and water shut off valves (curb stops) to be placed under driveways. The amendment also addresses prior authorized placement of services and curb stops under driveways (per existing agreements). Per those agreements, responsibility for those service lines and curb stops remains with the property owner.

As a part of amendment of this City Code section, staff is also recommending deleting a line from the first paragraph of Section 325-12 regarding City responsibility for the water meter and horn. This conflicts with another portion of the Water Code, where it is intended that if meter equipment are damaged, it is the owner's responsibility to repair (see attached Section 325-8).

The Development and Advisory Committee recommends consideration of the proposed Ordinance revisions.

ORDINANCE NO. _____

AN ORDINANCE AMENDING CHAPTER 325, ARTICLE II, WATERLINE CONNECTIONS, SECTION 325-5, PLACEMENT OF WATER SHUTOFFS, CHAPTER 325-12, RESPONSIBILITY FOR REPAIRS, CHAPTER 260, ARTICLE II, 260-13 RESPONSIBILITY FOR REPAIRS

The City Council of the City of Isanti hereby ordains as follows:

The Code of the City of Isanti, Chapter 325, Article II, Waterline Connections, Section 325-5 and Responsibility for repairs, Section 325-12 are hereby amended to read as follows:

325-5. Waterline Connections.

A. Separate connection and location of water shutoff valve. Every premises served by a water hookup shall have a separate connection and separate meter. The outside water shutoff valve shall be located in boulevard areas accessible to be serviced if necessary~~. Unless as provided by agreement by the City and the owner, s~~ Shutoff valves shall not be placed in driveway or sidewalk areas. A setback of 10 feet shall be maintained from any improved driveway.

Except as provided herein, all remaining provisions of said Chapter 325-5 shall remain unchanged and in full force and effect.

325-12. Responsibility for repairs.

It is the responsibility of the owner to assure that the repairs are made and to maintain all plumbing service lines, systems and fixtures from the curb box/gate valve up to and through the building.~~, with the exception of the water meter and meter horn, which are the responsibility of the City.~~

C. Service Line Repair – Driveways – New service lines and shutoff valves shall not be placed under a driveway. If the service line was ~~is to be~~ previously extended under a driveway, and the owner ~~shall~~ entered into agreement with the City ~~and~~, the owner assumes all responsibility and costs for maintenance and repair of the service line from the watermain to the premises. This includes the water shut off valve (curb box/gate valve). This also includes all costs of restoration including driveway surfacing.

The Code of the City of Isanti, Chapter 260, Article II, Responsibility for Repairs, Chapter 260-13 is hereby amended to read as follows:

260-13 Responsibility for repairs

The cost of all repairs and replacement of any plumbing between the main sewer line and the curb stop, including the thawing of frozen lines, shall be borne entirely by the owner of the premise affected, and if such repair or replacement work is performed by the City, the cost of time and material shall be assessed against the owner of the affected premises. No service lines shall be extended under driveways. If the service line ~~is to be~~ was

extended under a driveway, and the owner ~~shall~~ entered into agreement with the City the Owner assumes all responsibility and costs for maintenance and repair of the service line from the main sewer line to the premises.

Effective Date. This Amending Ordinance shall become effective upon its adoption and publication in the City's official newspaper.

Adopted by the City Council of Isanti, Minnesota, this 21st day of August, 2018.

Mayor George A. Wimmer

Request for City Council Action - MEMO

To: **Mayor Wimmer and Members of City Council**

From: **Sean M. Sullivan, Economic Development Director**

Date: August 21, 2018

Subject: Consider Resolution 2018 – XXX Accepting Donation of Real Property

---

Background:

The City was donated the property at 100 Dahlin Avenue NE in 2016 and demolished the substandard structure. The City was approached by ownership of vacant Babinski Foundation property regarding its interest in accepting the donation of the property identified as Tax ID Parcels 16.040.0230 and 16.040.0240 (the "Property"). The City will be responsible for the cost of filing the transfer document which should be nominal. The Property is adjacent to 100 Dahlin Avenue NE. The item was reviewed at DOAC on June 7, 2018 and direction was given to work with the owner to see if terms of a deal could be agreed upon. On July 17, 2018 the City Council authorized Staff to continue working toward acquisition of the Property and to conduct a Phase One Environmental Investigation on the site. A few items relating to offsite releases and the existence of an onsite unsealed well were identified in the Phase One. The proposed use for the property is a future parking lot or green space. Based on the proposed use, the Phase One items reported were not of serious concern for the immediate use and City ownership. Staff has received an executed Quit Claim Deed from the Babinski Foundation for the donation of the Property and has prepared the attached Resolution for the City Council to consider.

It should be noted that if the City were to ultimately sell the property to a private party in the future a No-Association Letter should be obtained to protect the City from potential liability from offsite releases. Staff obtained a quote for conducting a Phase Two Environmental site investigation and obtaining a No Association Letter which is attached to this memo. The cost is approximately $5,000. Performing the Phase Two now would be the safest course of action but it could delay the acquisition and increase immediate project costs that are not budgeted. This could be done at a later date prior to a potential land sale and could be incorporated into the cost. Staff has not identified a funding source for this item but if the City Council does decide to move forward with a Phase Two Environmental it would suggest utilizing EDA funds.

DOAC Recommendation:

At the August 9th DOAC meeting a recommendation to move forward with the acceptance of the donation based on the identified use of a parking lot for the Property and not to conduct a Phase Two Environmental Investigation at this time.

Request for Action:

1) Consider Adoption of Resolution 2018 – XXX Accepting Donation of Real Property.

Or

2) Refer back to Finance Committee to identify a funding source for the Phase Two Environmental and to bring back to City Council for future consideration.

Attachments:

1) Map of Property
2) Resolution 2018 – XXX Accepting Donation of Real Property
3) Quote for Phase 2 Environmental Investigation

RESOLUTION 2018-XXX

ACCEPTING DONATION OF REAL PROPERTY

WHEREAS, the City of Isanti is authorized to accept donations of real and personal property pursuant to Minnesota Statutes Section 465.03 for the benefit of its citizens, and is specifically authorized to accept gifts; and,

WHEREAS, Tax Identification Parcel Nos. 16.040.0230 and 16.040.0240 (the "Property") are vacant parcels located in Redevelopment TIF District No. 9 adjacent to City of Isanti owned land; and,

WHEREAS, Staff has been in contact with legal counsel from the Babinski Foundation, the owner of the Property, has presented the City of Isanti with an executed Quit Claim Deed attached hereto as Exhibit **A** with the intent to donate the Property to the City of Isanti with no terms or conditions; and,

WHEREAS, the City of Isanti has conducted a Phase One Environmental Investigation of the Property and has determined that the proposed use of a future parking lot or green space would be acceptable; and,

WHEREAS, the City Attorney has conducted a tract check to verify that there are no outstanding liens or mortgages filed on the Property; and

WHEREAS, There are outstanding special assessments and property taxes on the property that must be paid or waived in order to file the deed of transfer, and,

WHEREAS, the City Council finds that it is appropriate to accept the donation offered; and,

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to authorize:

1) City Staff to work with the City Attorney and land owner to complete the donation and of the Property and to record the Quit Claim Deed attached hereto as Exhibit A at the Isanti County Recorder.
2) Authorize the waiver of all outstanding City of Isanti special assessments or the issuance of a check to pay the City of Isanti outstanding assessments for Tax ID Nos. 16.040.0230 and 16.040.0240 contingent on the transfer of the Property to the City of Isanti.

This Resolution hereby approved by the Isanti City Council this 21st day of August, 2018.

Re: Scope of Work and Cost Estimate
Limited Phase II Investigation
Babinski Lots
Isanti, MN

Dear Mr. Sullivan:

Carlson McCain, Inc. (Carlson McCain) is pleased to present to this Scope of Work and Cost Estimate to complete a Limited Phase II Investigation at the above referenced site (Property). The scope of work for the Limited Phase II Investigation is based on our knowledge of the Property from results of a recently completed Phase I Environmental Site Assessment (ESA). The Phase I ESA identified the following Recognized Environmental Conditions (RECs), as that term is defined by ASTM 1527-13, at the Property:

- The Isanti Oil Co. site located adjacent to the western Property boundary was considered a REC. The site was formerly used to store oil in several above-ground storage tanks (ASTs). According to the documentation, five monitoring wells and test holes were located on the site and surrounding area to the west and south. Groundwater contamination (benzene) is reported and the site is listed as closed. Based on the proximity of this site to the Property, there was a potential for migrating groundwater and/or soil vapor to impact the Property.
- The Isanti Farmers Creamery/Isanti Solvent Site was also considered a REC for the Property since it is listed as active and is in close proximity to the Property.
- According to the Minnesota Well Index, one registered well is located on the Property. It is listed as Anoka Electric Cooperation unique ID# 228377 and is listed as an active domestic well. No wells were identified during the site reconnaissance. If the well is present, it is required to be sealed in accordance with State Rules.

Scope of Work

The following section provides our recommendations and a brief description of the scope of work and estimated cost to complete the Limited Phase II Investigation.

- Completion of two direct push soil boring to a depth of up to 20 feet below ground for collection of soil and groundwater samples to identify if contamination is migrating onto the Property from

an off-site source. Samples will be analyzed for gasoline range organics (GRO), diesel range organics (DRO), volatile organic compounds (VOCs), and lead. The samples will be collected near the western boundary of the Property. If groundwater is not encountered, a second, deeper, soil sample will be collected.

- Soil vapor samples will be collected from two bore hole at an approximate depth of eight-feet below ground surface to assess the likelihood of vapor intrusion issues on the Property.
- Preparation of a Limited Phase II Investigation Letter Report.

Subsurface Drilling

Drilling activities will be completed using direct push technology. Soil samples will be continuously collected from the test holes using a MacroCore™ sampler and screened on-site with a photoionization detector (PID) for the presence of contamination. An attempt will be made to recover adequate groundwater from the test holes for analytical testing. If encountered, a groundwater sample will be collected through temporary groundwater monitoring well installed in the borehole; if groundwater is not encountered within 20 feet of the surface, drilling efforts will continue to a depth of 40 feet in an effort to obtain water and the second borehole will not be advanced.

Analytical samples will be submitted to a State of Minnesota certified laboratory using a 5-day turn-around time. The soil vapor samples will be collected and analyzed using EPA Method TO-15, for analysis of VOCs. Upon receipt of analytical data, the results of the investigation will be presented in a letter report. This report will include a brief discussion of the field investigation, summary of analytical results, and reference to Minnesota screening criteria and will provide our opinions and recommendations as to whether additional work is required at the Property.

**Enrollment into MPCA Voluntary Programs*

The MPCA established the Voluntary Brownfield Program (VBP) to assist voluntary parties in addressing environmental concerns and in exchange they can issue Letters of Assurance (such as a No Association Letter, No Further Action Letter, etc.). Assuming contamination is detected, we will assist you with preparation of the application for enrollment and required affidavits and proposed actions letters necessary to obtain liability protection. We anticipate requesting a No Association Determination for contaminants found in groundwater and soil vapor. Please note that MPCA VBP staff will bill you for their time at a rate of $125/hour and will submit invoices directly to you.

Cost Estimate

The following summarizes the Cost Estimate:

Limited Phase II Investigation

Scheduling and Coordination, HASP	$ 250
Drilling Oversight, Equipment and Expenses	$ 860
Drilling Contractor (Assuming a private locator is not necessary)	$ 720
Analytical Fees	$ 928
Letter Report	$ 985
Total Project Estimate	**$3,743**

*If needed, Enrollment into MPCA VIC Program $750 to 1,000

Closing

Once authorized, Carlson McCain would be able to initiate work as soon as next week depending driller availability and utility clearances. We appreciate the opportunity to submit this Scope of Work and Cost Estimate. If you have any questions about the project or our proposed scope of services, please feel free to call me at (763) 458-8339. Thank you for your time and consideration.

Sincerely,
Carlson McCain, Inc.

Jill Keefe

STANDARD TERMS AND CONDITIONS

1. **STANDARD OF CARE.** Services shall be performed by Carlson McCain, Inc. (hereinafter referred to as the Company) in accordance with the standard of professional practice ordinarily exercised by the applicable profession at the time and within the locality where the Services are performed. Professional Services are not subject to, and the Company can not provide, any warranty or guarantee, express or implied, including warranties or guarantees contained in any uniform commercial code. Any such warranties or guarantees contained in any purchase orders, requisitions or notices to proceed issued by a client are specifically objected to.

2. **CHANGE OF SCOPE.** The scope of Services set forth in this Agreement is based on facts known at the time of execution of this Agreement, including, if applicable, information supplied by Client. For some projects the scope may not be fully definable during the initial phases. As the Project progresses, facts discovered may indicate that scope must be redefined. The Company will promptly provide Client with an amendment to this Agreement to recognize such change, which shall be deemed approved if not objected to within 15 days of receipt by Client.

3. **SAFETY.** The Company has established and maintains corporate programs and procedures for the safety of its employees. Unless specifically included as a service to be provided as a service under this Agreement, the Company specifically disclaims any authority or responsibility for general job site safety and safety of persons other than the Company employees.

4. **DELAYS.** If events beyond the control of Client or the Company, including, but not limited to, fire, flood, explosion, riot, strike, war, process shutdown, acts of God or the public enemy, and act or regulation of any government agency, result in delay to any schedule established in this Agreement, such schedule shall be amended to the extent necessary to compensate for such delay. In the event such delay exceeds 90 days, the Company shall be entitled to an equitable adjustment in compensation.

   In the event that the project is delayed by Client and such delay exceeds 30 days, the Company shall be entitled to an extension of time equal to the delay and an equitable adjustment in compensation.

5. **TERMINATION / SUSPENSION.** Either party may terminate this Agreement upon 30 days written notice to the other party. Client shall pay the Company for all Services, including any expenses, incurred prior to termination.

   In the event that either party defaults in its obligations under this Agreement (including Clients obligation to make the payments required hereunder), the non-defaulting party may, after 7 days written notice stating its intention to suspend performance under the Agreement if cure of such default is not commenced and diligently continued, and failure of the defaulting party to commence cure within such time limit and diligently continue, suspend performance under this Agreement.

6. **OPINIONS OF CONSTRUCTION COST.** Any opinion of construction costs prepared by the Company is supplied for the general guidance of the Client only. Since the Company has no control over the competitive bidding or market conditions, the Company cannot guarantee the accuracy of such opinions as compared to contract bids or actual costs to client.

7. **RELATIONSHIP WITH CONTRACTORS.** The Company shall serve as Client's professional representative for the Services, and may make recommendations to Client concerning actions relating to Client's contractors, but the Company specifically disclaims any authority to direct or supervise the means, methods, techniques, sequences, or procedures or construction selected by Client's contractors.

8. **CONSTRUCTION/CONTRACTOR OVERSIGHT.** For projects involving construction or contractor oversight, Client acknowledges that under generally accepted professional practice, interpretations of construction documents or field plans in the field are normally required, and that performance of construction-related services by the design professional for the project permits errors or omissions to be identified and corrected at comparatively low cost. Client agrees to hold the Company harmless from any claims resulting from performance of construction-related or contractor oversight services by persons other than the Company.

9. **INSURANCE.** The Company will maintain insurance coverage for Comprehensive General, Automobile and Worker's Compensation in amounts in accordance with legal, and the Company's business requirements. Certificates evidencing such coverage will be provided to Client upon request.

10. **INDEMNITIES.** To the fullest extent permitted by law, the Company shall indemnify and save harmless Client from and against loss, liability, and damages sustained by Client, its agents, employees, and representatives by reason of injury or death to persons or damage to tangible property to the extent caused directly by the willful misconduct or failure to adhere to the standard of care described in Paragraph 1 above of the Company, its agent or employees.

    To the fullest extent permitted by law, Client shall defend, indemnify, and save harmless the Company, its agents, employees, and representatives from and against loss, liability, and damages (including reasonable litigation costs) arising from or relating to claims for injury or death to persons, damages to tangible property, or other losses, alleged to be caused by any of the following: (a) any substance, condition, element, or material or any combination of the foregoing (i) produced, emitted or released from Project (ii) tested by the Company under this Agreement, or (iii) used or incorporated by the Company in the Services; or (b) operation or management of the Project. Client also agrees to require its construction contractor, if any, to include the Company as an indemnitee under indemnification obligation to Client.

11. **LIMITATIONS OF LIABILITY.** No employee or agent of the Company shall have individual liability to Client. Client agrees that, to the fullest extent permitted by law, the Company's liability to Client for any and all injuries, claims, losses, expenses or damages whatsoever arising out of or in any way related to the Project or this Agreement from any causes including, but not limited to, the Company's negligence, errors, omissions, strict liability, or breach of contract shall not exceed the total compensation received by the Company under this Agreement. If Client desires a limit of liability greater than that provided above, Client and the Company shall include in Part III of this Agreement the amount of such limit and the additional compensation to be paid to the Company for assumption of such additional risk.

    IN NO EVENT AND UNDER NO CIRCUMSTANCES SHALL THE COMPANY BE LIABLE TO CLIENT FOR CONSEQUENTIAL, INCIDENTAL, INDIRECT, SPECIAL, OR PUNITIVE DAMAGES.

12. **ACCESS.** Client shall provide the Company safe access to any premises necessaty for the Company to provide services.

13. **REUSE OF PROJECT DELIVERABLES.** Reuse of any documents or other deliverables, including electronic media, pertaining to the Project by Client for any purpose other than that for which such documents or deliverables were originally prepared, or alteration of such documents or deliverables without written verification or adaptation by the Company for the specific purpose intended, shall be at the Client's risk. Client agrees to defend, indemnify, and hold harmless the Company from all claims, damages, and expenses (including reasonable litigation costs), arising out of such reuse or alteration by Client or others acting through Client.

14. **AMENDMENT.** This Agreement, upon execution by both parties hereto, can be amended only by a written instrument signed by both parties.

15. **ASSIGNMENT.** Except for assignments (a) to entities which control, or are controlled by, the parties hereto or (b) resulting from operation of law, the rights and obligations of this Agreement cannot be assigned by either party without written permission of the other party. This Agreement shall be binding upon and inure to the benefit of any permitted assigns.

16. **STATUTES OF LIMITATION.** To the fullest extent permitted by law, parties agree that, except for indemnification, the time period for bringing claims under this Agreement shall expire one year after Project completion.

17. **PREVAILING PARTY LITIGATION COSTS.** In the event any actions are brought to enforce this Agreement, the prevailing party shall be entitled to collect its litigation costs from the other party.

18. **NO WAIVER.** No waiver by either party of any default by the other party in the performance of any particular section of this Agreement shall invalidate any other section of this Agreement or operate as a waiver of any future default, whether like or different in character.

19. **NO THIRD-PARTY BENEFICIARY.** Nothing contained in this Agreement, nor the performance of the parties hereunder, is intended to benefit, nor shall inure to the benefit of, any third party, including Client's contractors, if any.

20. **SEVERABILITY.** The various terms, provisions and covenants herein contained shall be deemed to be separate and severable, and the invalidity or unenforceability of any of them shall not affect or impair the validity or enforceability of the remainder.

21. **AUTHORITY.** The persons signing this Agreement warrant that they have the authority to sign as, or on behalf of, the party for whom they are signing.

22. **LIEN RIGHTS.** The Company hereby gives notice that, pursuant to Minnesota Stature Chapter 514, and as stated in the contract, it retains the right to file a lien against real property in the event of non-payment of invoices for engineering, landscape architecture, surveying, planning or environmental services performed with respect to the subject property. The lien will be prepared and filed in accordance with pertinent laws of the State of Minnesota.

23. **CONSEQUENTIAL DAMAGES.** Neither the Company nor the Client will be liable for any indirect, incidental, special or consequential damages (including loss of anticipated profits, business interruption or good will of other economic or commercial loss) relating to the services rendered.

24. **RELATIONSHIP OF PARTIES.** The Company will act solely as an independent contractor of the Client and not as the Client agent for any purpose. Neither the Company nor the Client may enter into any agreement or assume any obligation for the other, and nothing herein may be construed to establish any partnership, joint venture or principal-agent relationship between the Company and the Client.

25. **SUCCESSORS AND ASSIGNS.** The Client and the Company each binds itself, its successors, assigns and legal representatives to the other party with respect to all provisions of the contract/agreement. Neither the Client nor the Company shall assign, set over or transfer his interest in rhe contract/agreement, in whole or in part, without the prior written consent of the other, and any act in derogation hereof, shall, at the option of the non-assigning party, render the written contract/agreement terminated.

26. **ARBITRATION.** All claims, disputes and other matters in question arising out of, or relating to, the contract/agreement or the breach thereof shall be decided by arbitration in accordance with the Construction Industry Arbitration Rules of the American Arbitration Association then obtaining, unless the parties mutually agree other wise in writing. This agreement to arbitrate shall be specifically enforceable under the prevailing arbitration law in the State of Minnesota. Notice of the demand for arbitration shall be filed in writing with the other party to the contract/agreement and with the American Arbitration Association. The demand shall be made within a reasonable time after the claim; dispute or other marter in question has arisen. In no event, shall the demand for arbitration be made after the date when institution of legal or equitable proceedings based on such claim, dispute or other matter in question would be barred by the applicable stature of limitation. Arbitration will not limit the Company's mechanic's lien rights. All arbitrations will be conducted in Hennepin County, Minnesota.

    The award rendered by the arbitrators shall be final and judgment may be entered upon it in accordance with applicable law in any court having jurisdiction thereof. Arbitration of claims arising from the contract/agreement shall not be consolidated with any other arbitration proceedings except by written consent of the parties.

27. **ENTIRE AGREEMENT.** The Client's engagement of the Company to perform work represents the Client's acceptance of the terms and conditions contained herein, which constitute the entire understanding between the Company and the Client and supersede any previous communication, representations or agreements by either party, whether oral or written. The terms and conditions contained herein take precedence over the Client's additional or different terms and conditions that may be

contained in any purchase order, work order, invoice, gate pass, acknowledgment form, manifest or other document forwarded by the Client to the Company to which notice of objection is hereby given. Unless otherwise agreed to in writing by an officer of the Company, the Client's engagement of the Company is limited to these terms and conditions. The Company's commencement of performance will not be deemed or constructed as acceptance of the Client's additional or different terms and conditions.

No change of any of the terms or conditions herein will be valid or binding on either party unless in writing and signed by an owner or an officer of the Client and by an officer of the Company. If any of the provisions hereof are invalid under any applicable statute or rule or law or law, such provisions re, to that extent, deemed omitted, but the remaining terms and conditions of the contract/agreement will remain otherwise in effect. There are no understandings, agreements representations or warranties, express or implied, that are not specified herein respecting the subject hereof.

28. **APPLICABLE LAW.** The contract/agreement shall be governed by the laws of the State of Minnesota.

29. **EEO/AA.** The Company is an Equal Employment Opportunity/Affirmative Action Employer.

City of Isanti
Economic Development Authority
Regular Meeting Minutes of
July 3, 2018
Isanti City Hall

1. Call To Order

The meeting was called to order by President George Wimmer at 7:11 p.m.

a. Pledge of Allegiance

b. Roll Call

Members Present:	Paul Bergley, Steve Lundeen, Ross Lorinser, Dan Collison, Jill Reller and George Wimmer
Members Absent:	Tara Hallberg (Excused)
Staff Present:	Economic Development Director Sean Sullivan

c. Agenda Modifications

2. Approval of Agenda

Motion by Commissioner Lundeen, seconded by Comissioner Collison to approve agenda as presented. Motion carried unanimously.

3. Approve Minutes of June 5, 2018 Regular Economic Development Meeting

Motion by Commissioner Collison seconded by Commissioner Bergley to approve the minutes for June 5, 2018. Motion carried unanimously.

4. Consider Resolutions 2018-2 and 2018-3 Awarding Quote for Lease of City of Isanti EDA Owned Crop Land

Economic Development Director Sullivan read aloud the bids received for Parcel A (82.7 acres "more or less") and Parcel B (4 acres "More or less"). The bids received were as follows:

Parcel A

Wayne Calander, Calander Farms	$5,561.00
Craig Bjorklund, Bjorlund Farms	$2,915.00

Parcel B

Craig Bjorklund, Bjorklund Farms	$141.00 / year contingent on access from "Johnson Property"

Sullivan asked the EDA to consider adoption of Resolution 2018-2 awarding the lease to Wayne, Calander, Calander Farms for $5,561.00 and Resolution 2018-3 awarding lease to Craig Bjorklund, Bjorklund Farms for $141.00.

Commissioner Lorinser asked if the City has had issues recently with farmers.

President Wimmer stated that the City has not had any issues recently with farmers.

Motion by Commissioner Lundeen seconded by Commissioner Collison to adopt Resolution 2018-2 and Resolution 2018-3 and to direct Staff to execute crop leases. Motion carried unanimously.

5. Other Business / Updates

Economic Development Director Sullivan highlighted the Staff Memo. He stated that there were two new businesses not listed on the Staff memo. They included: Rum River Mallards (USPHL Hockey Team) and CMK Financial Services LLC (Tax preparation). Sullivan updated the information on housing starts to 48 new permits pulled with 6 more in process which is ahead of last year's pace.

6. Adjournment

Motion by Commissioner Lundeen, seconded by Commissioner Collison to adjourn at 7:16 pm. Motion carried unanimously.

Dated at Isanti, Minnesota, this 3rd day of July, 2018.

Respectively Submitted,

Sean M. Sullivan, Economic Development Director

CITY OF ISANTI
PLANNING COMMISSION
JULY 17, 2018

1. Meeting Opening.

A. Call to Order.

Chairman Wimmer called the meeting to order at 7:20 p.m.

B. Pledge of Allegiance.

The Pledge of Allegiance was recited.

C. Roll Call.

Members Present: George Wimmer, Steve Lundeen, Dan Collison, Ross Lorinser, Paul Bergley.

Members Absent: Joey Lemay, excused.

Staff Present: Ryan Kernosky, Community Development Director.

1D. Agenda Modifications.

Motion by Lundeen, seconded by Collison to adopted the agenda, approved unanimously.

2. Approval of the Minutes from the July 3, 2018 Planning Commission

Motion by Collison, seconded by Lundeen to approve the minutes from the July 3, 2018 Special Planning Commission meeting, approved unanimously.

3. Public Hearings

A. Request from La Crosse Sign Co. on behalf of Kwik Trip Inc. for a Conditional Use Permit to install dynamic signage at 400 E Dual Blvd NE (Legally Described as Lot 1, Block 1, Kwik Trip 1019)

Chairman Wimmer opened the public hearing at 7:21 p.m.

No one spoke during the public hearing.

Chairman Wimmer closed the public hearing at 7:22 p.m.

Motion by Lundeen, seconded by Collison to recommend approval of the Conditional Use Permit for La Crosse Sign Co. for the installation of dynamic signage at 400 E Dual Blvd NE (legally described as Lot 1, Block 1, Kwik Trip 1019). Motion passed unanimously.

4. Discussion Items

A. No discussion items.

5. Adjournment

Motion by Bergley, second by to Lundeen to adjourn the July 17, 2018 meeting of the Planning Commission. Motion was unanimously approved.

The meeting adjourned at 7:22 p.m.

Dated at Isanti, Minnesota this 20th day of July, 2018.

Respectfully submitted,

Ryan Kernosky
Community Development Director

Request for City Council Action

To: Mayor Wimmer
Members of the City Council
From: Josi Wood
Public Services Director/ Assist. City Admin.
Date: August 21, 2018
Subject: Consider Resolution Approving Acceptance of a 2019 Public Works Vehicle

---

Background:
The City Council authorized the purchase of a Public Works Service Vehicle as was budgeted, Resolution 2018-038, in the amount of $27,563.06. The dealership ordered and sent a vehicle with incorrect specifications. The remedy to the situtation is to accept a 2019 double cab ¾ ton truck in place of the 2018 truck. The cost to the City will remain the same as the dealership will absorb the increase in cost.

Finance Committee Recommendation:
The Finance Committee recommends accepting the 2019 truck in place of the 2018 truck which was approved prior.

Request:
Staff is requesting action on this item.

Attachment:
- Resolution 2018-XXX

RESOLUTION NO. 2018-XXX

RESOLUTION APPROVING ACCEPTANCE OF A 2019 PUBLIC WORKS SERVICE VEHICLE

WHEREAS, the 2018 Budget included funds for replacement of a Public Works Service Vehicle and accessories; and,

WHEREAS, City Council approved such vehicle per Resolution 2018-038; and;

WHEREAS, Due to an error at the dealership, the City is to receive a 2019 Double Cab Chevrolet ¾ Ton truck instead of a 2018 at no extra cost to the City; and,

WHEREAS, Finance Committee recommends approval of receiving a 2019 truck;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota

1. Hereby accepts the State Bid for the purchase of the 2019 Chevy 3/4 ton 4x4 in the amount of $27,563.06, plus any applicable fees.
2. Funding source identified as ¼ PRC (500), Streets (500), Water (500) and Sewer (500).
3. Authorize the Public Services Director and City Clerk to sign the required documentation for the purchase of vehicle and accessories.
4. Authorize payment, if needed, at time of delivery, prior to inclusion on Accounts Payable listing.

This Resolution was duly adopted by the Isanti City Council the 21st day of August, 2018.

Isanti

Request for City Council Action

To: Mayor Wimmer
Members of the City Council
From: Josi Wood
Public Services Director/ Assist. City Admin.
Date: August 21st, 2018
Subject: Consider Resolution Approving Snow Plowing Policy and Resolution Approving Exempt Sidewalks from Snow Removal

---

The Public Works Committee has completed their annual review of the City of Isanti Snow Plowing Policy and Operational Guidelines, pursuant to Section V., Administration, City Council Resolution 2006-295, and also Exempt Sidewalks from Snow Removal pursuant to Resolution 2014-007.

Public Works Committee Recommendation:
The Public Works Committee Recommends no changes to the existing Exempt Sidewalks Policy and has the following underlined recommended changes for the Snow Plowing Policy:

Add Section F.

Snow Plowing Cul-de-Sacs

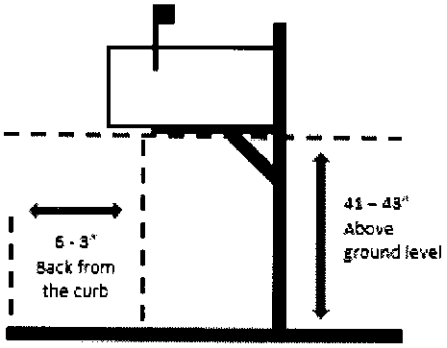
During snow events, the snowplow may complete only a portion of the cul-de-sacs during the first pass. The major portion of the cul-de-sacs shall be plowed during the usual time guidelines for snowplowing but specialized equipment will return for further clearing. Main city streets are cleared first with large snowplows before the smaller equipment begins clearing cul-de-sacs. There will be an effort made to distribute the snow evenly as the snowplow clears snow.

Add Language Section I. #1

Mailboxes – Where mailboxes are placed adjacent to the street it shall be the policy of the City that snow shall be plowed to the curb to allow for passage of traffic and mail delivery. It shall be the responsibility of the property owner to keep piled snow away from mailboxes so mail can be delivered.

Where damage to the mailbox occurs, such damage shall be investigated by the Public Services Director or Designee. If it is determined that the weight of the snow movement caused the damage, the City will not assume responsibility for repair of the mailbox. Per USPS guidelines, mailboxes, as well as any accessory paper boxes, must be mounted at a minimum height of 41 inches above the street level to reduce the possibility of damage during winter snowplowing operations. USPS guidelines also state the post be installed 6-8 inches behind the grass/concrete curb edge and the front of the mailbox should be installed behind the back edge of the concrete curb. If the mailbox was built according to these

USPS guidelines or as directed by the Post Master, and was struck directly by the plow, the City will repair or replace the mailbox in kind, not to exceed $100.00.



Add Language Section H. #2

Boulevard Damage – The City will repair physical damage to boulevard areas and may replace sod in extreme cases as determined by the Public Services Director. Typical repairs will be with dirt and seed. The City will not repair winter kill or salt damaged lawn areas. The City will not replace or repair sprinkler/ irrigation systems, landscaping or other structures in the boulevard or right-of-way area.

Add Language Section H. #5

Garbage Receptacles – Garbage receptacles are not to be placed in the street section, beyond the grass/concrete curb edge or on the sidewalk. The City is not responsible for damage of receptacles or clean-up of waste.

Request:

It is requested that City Council review and take action on this item.

Attachments:

- Res 2018-XXX – Resolution Approving Snow Plowing Policy and Operational Guidelines
- Res 2018-XXX – Resolution Approving Exempt Sidewalks From Snow Removal

RESOLUTION NO. 2018-XXX

A RESOLUTION APPROVING SNOW PLOWING POLICY AND OPERATIONAL GUIDELINES

I. PERSONNEL

All Department of Public Works personnel shall be available for all snow plowing operations, unless on approved leave or unable to respond due to a medical condition.

II. PROCEDURES

A. Alert and Call Out

During normal working hours, the Public Services Director or designee shall be responsible for monitoring street and weather conditions and initiation of snow and ice control procedures.
After hours, on weekends, and during holidays the Police Department shall notify the Public Works On-Call or designee when snow and ice conditions warrant crew alert. Snowplows will not be sent out in situations that may be hazardous due to severely restricted visibility.

B. Salting and Sanding

The City shall consider in order the following factors when establishing application rates and locations for application of salt and/or sand. The City shall use salt as the primary treatment. Sand may be used if there is a traction issue or if weather conditions deem it effective either combined with salt or as a separate treatment.

1) Safety of the Motoring Public
2) Environmental impact of salt usage
3) Cost

Salt or sand shall be applied to the street surface in such quantities so as to provide a level of skid resistance that is consistent with standards normally experienced on city streets throughout the State of Minnesota. It is recognized that a bare pavement policy is not possible at all times during winter.

Streets shall be spot salted (or sanded) to provide skid resistance and traction consistent with area standards in accordance with the following priorities:

1) All controlled intersections along Main Street, Heritage Blvd, County Road 23 and all curves.
2) School zones
3) Commercial and industrial streets
4) Residential – blanket sanding of general snow pack on residential streets will not be done.
5) In rare instances, when ice accumulation renders the streets unsafe to drive, the Public Services Director may authorize blanket sanding of city streets to restore vehicle traction.

C. Snow Plowing

The City will plow all storms of over 2 inches. During the season, snowfall of less than 2 inches may be removed depending on road conditions. Snow plowing shall normally begin when accumulation reaches a point where functional traffic flow is inhibited. Typical plow start time is 3:00 a.m. Plowing may start earlier in the prior evening, or delayed after 3:00 a.m., or may start during the daytime if conditions warrant. Plowing shall begin as close as practicable to the time snowfall ceases and will continue as visibility and operator safety permit. Work periods shall not exceed safe limits that operators can continue without rest.

Snow removal operations shall proceed as rapidly as possible in accordance with the following priorities:

1) Fire Hall Access Area
2) Police Department Access Area
3) Snow Emergency Routes - These routes (listed in this resolution) are typically first plowed. In extreme snowfalls, these routes shall be plowed to maintain the driving lanes in a passable condition until normal snow plowing activities resume.
4) 2" or more snow event, Downtown sidewalks from the Railroad Tracks on the east and traveling west to the intersection of Main and 2nd Avenue.
5) Sidewalk Routes to Schools – First day sidewalks listed in this resolution.
6) Residential Streets
7) City Downtown Parking Lot, City Hall Parking lot and Isanti Community Center Lot
8) Municipal Liquor Store Parking Lot
9) Alleys
10) Eagle Park Parking Lot
11) Isanti Indoor Arena
12) All Other Sidewalks – Second day sidewalks (except exempt sidewalks)
13) River Bluff Preserve and Bluebird Park Parking Lots
14) Ice Skating Rink

For a storm of roughly 6 to 10 inches, it shall be the goal of the City to have all streets plowed curb-to-curb within 12 hours after snowfall stops. Storms of larger magnitude or extremely wet snow will take longer depending on severity. Extreme snowfalls may warrant the opening of two lanes in the middle of the street initially with full width plowing to follow at a later time.

It shall be the policy of the City that the opening of driveways will not be the responsibility of the City. Property owners shall be responsible for clearing driveways, and walkways. For a 2"or more snow event, the City shall clean all sidewalks and trails that provide direct access to the Primary, Intermediate and Middle Schools.

D. **Snow Hauling**

Snow will be hauled from the following streets:

1) Main Street between 3rd Avenue and Elim Lane.

Late spring and early fall snowfalls may be left on roadways if melting is determined to be imminent or if substantial damage will be caused to the pavement structure. Clearing of intersection snow banks will be accomplished when needed on collector streets and near schools.
Snow hauling could begin as early as 3:00 a.m. or 1 hour following the beginning of snow removal operations. Hauling will continue for as many nights as is necessary. Snow pickup shall be accomplished using such personnel, equipment and methods appropriate to maintaining a reasonable and safe passage of vehicles and pedestrians at all times. Traffic may be restricted by the Police Chief or his designee as emergency conditions may dictate.

E. Snow Plowing Alleys

Alleys will be opened in the aforementioned priority to provide functional traffic movement.

F. Snow Plowing Cul-de-Sacs

During snow events, the snowplow may complete only a portion of the cul-de-sacs during the first pass. The major portion of the cul-de-sacs shall be plowed during the usual time guidelines for snowplowing but specialized equipment will return for further clearing. Main city streets are cleared first with large snowplows before the smaller equipment begins clearing cul-de-sacs. There will be an effort made to distribute the snow evenly as the snowplow clears snow.

G. Wingbacks

During planned City-wide wingbacks, resident notification will be made on the City Website and by News Blasts. The Public Services Director, Designee or route driver will determine that areas may need wingbacks more often due to drifting snow or other conditions at the time, in these instances notice may not be given.

The Public Works Department will try to minimize impact to driveways and sidewalks but some snow removal may be required by the homeowner.

H. Complaints

Complaints concerning snow and ice removal will be handled in the following manner:

1) All complaints shall be referred to the Public Services Director or designee.
2) Slippery Street and sidewalk complaints shall be listed and given to Public Works for investigation and possible action.
3) All other complaints shall be given to Administration for investigation and possible action.

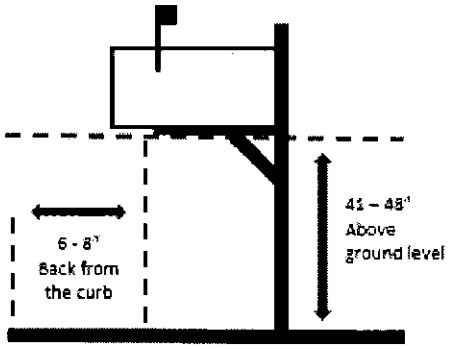
I. Property Damage

It is recognized by the City that on occasion private property is damaged during snow and ice control operations. Where this happens, it shall be the policy of the City to handle damages in the following manner:

1) **Mailboxes** – Where mailboxes are placed adjacent to the street it shall be the policy of the City that snow shall be plowed to the curb to allow for passage

of traffic and mail delivery. It shall be the responsibility of the property owner to keep piled snow away from mailboxes so mail can be delivered.

Where damage to the mailbox occurs, such damage shall be investigated by the Public Services Director or Designee. If it is determined that the weight of the snow movement caused the damage, the City will not assume responsibility for repair of the mailbox. Per USPS guidelines, mailboxes, as well as any accessory paper boxes, must be mounted at a minimum height of 41 inches above the street level to reduce the possibility of damage during winter snowplowing operations. USPS guidelines also state the post be installed 6-8 inches behind the grass/concrete curb edge and the front of the mailbox should be installed behind the back edge of the concrete curb. If the mailbox was built according to ~~Isanti County~~ these USPS ~~specifications~~guidelines or as directed by the Post Master, and was struck directly by the plow, the City will repair or replace the mailbox in kind, not to exceed $100.00.



2) **Boulevard Damage** – The City will repair physical damage to boulevard areas and may replace sod in extreme cases as determined by the Public Services Director. Typical repairs will be with dirt and seed. The City will not repair winter kill or salt damaged lawn areas. The City will not replace or repair sprinkler/ irrigation systems, landscaping or other structures in the boulevard or right-of-way area.

3) **Curbs** – Concrete curbs will not be replaced unless the curb back is broken.

4) **Driveway Ramps** – Damage caused to driveway ramps or fillets where mountable curb is in place will not be repaired by the City unless authorized by the Public Services Director.

5) **Garbage Receptacles** – Garbage receptacles are not to be placed in the street section or beyond the grass/concrete curb edge. The City is not responsible for damage of receptacles or clean-up of waste.

J. **Snow Emergency Routes**

The following routes are designated as Snow Emergency Routes and shall be marked by signage:

Cajima Street - T.H. 65 to 8th Ave NE

8th Ave NE - Cajima Street to Heritage Blvd

8th Ave SE Boulevard - Heritage Blvd to CSAH 55

Main Street East - Railroad Tracks to T.H. 65

Dahlin Avenue - Broadway to Heritage Blvd

Main Street West - Whiskey Road to Railroad Tracks

First Avenue NW. - Main Street to Heritage Blvd

Centennial Drive - Oakwood Street to Heritage Blvd

Oakwood Street - Whiskey Road to Centennial Drive

Whiskey Road - Heritage Blvd to Isanti Parkway West

Hillock Street NW - Whiskey Road to 11th Avenue NW

11th Avenue NW - Hillock Street NW to Blossom Boulevard

Blossom Boulevard - 11th Avenue NW to Isanti Parkway West

Isanti Parkway West - Blossom Boulevard to 3rd Avenue N.

3rd Avenue N - Heritage Blvd to Isanti Parkway

Isanti Parkway East - 3rd Avenue N to East Dual Boulevard

East Dual Boulevard - Heritage Blvd to Cajima

Cajima Street - East Dual Blvd. to T.H. 65

Railroad Avenue - Main St to South Passage

Palomino Road - Railroad Avenue to T.H. 65

Townsedge Road - Railroad Avenue to T.H. 65

South Passage - Railroad Avenue to Whiskey Rd

Sixth Avenue SW - South Passage to S Brookview Lane

Dogwood Street SW - Whiskey Rd to 3rd Avenue SW

South Passage - Whiskey Rd to Rum River Drive SW

Rum River Drive SW - South Passage to Birch Street SW

Birch Street SW - Rum River Drive SW to Whiskey Rd

K. <u>Sidewalk Routes to Schools</u>

Broadway Street - Railroad Avenue to Candy Avenue

Dahlin Avenue - Broadway Street to Main Street

Main Street West - Whiskey Rd to Dahlin Avenue

Oakwood Street - Whiskey Rd to Centennial Drive

Heritage Blvd - Whiskey Rd to 65

First Avenue N - Main Street to Heritage Blvd

Fifth Avenue N - Main Street to Heritage Blvd

Fifth Avenue S – Main Street to S Brookview Lane SW

Whiskey Road - South Passage to Heritage Blvd

Whiskey Road - Heritage Blvd to Isanti Parkway West

Wendover Street NW - Whiskey Road to Rum River Drive NW

Rum River Drive NW - Wendover Street NW to Hillock Street NW

Eleventh Ave – Winsome Way to Wendover St NW

Nemo – Broadway St SE to Main St E

Isanti Parkway NW – 3rd Ave NW to 701 Isanti Parkway NW

First Ave NW – Broadway St to Heritage Blvd

8th Ave SE – Marion St SE to Heritage

9th Ave SE – Marion St SE to 8th Ave SE

Marion St SE – 8th Ave SE to 9th Ave SE

7th Ave NE – North of Cajima Street

III. POST PLOWING OPERATIONS

Once plowing is completed from curb to curb, post plowing operations will begin in the following priority:

A. Fire Hydrants

Fire hydrants on public streets serving commercial/industrial areas, high density residential units and school facilities shall be plowed or shoveled out so as to be readily accessible for use.

B. Intersections

If in the discretion of staff, snow piles at busy intersections are of such height as to create unsafe conditions, the piles will be pushed back at those intersections on the following streets:

1) County Road 5
2) Main Street
3) County Road 23

IV. EMERGENCY ASSISTANCE

At the discretion of the City Administrator, the Public Services Department can hire either additional equipment or drivers for assistance with snow removal.

V. ADMINISTRATION

A. Council Review

The City Council's Public Works Committee shall annually review the City's Snow Removal Policy and Operational Guidelines, prior to the next year's snow season and make any recommendations for amendments to the City Council.

VI. REPEAL

This resolution repeals all previous snow plowing policies.

This Resolution was duly adopted by the Isanti City Council this 21st day of August, 2018.

RESOLUTION NO. 2018-XXX

A RESOLUTION APPROVING EXEMPT SIDEWALKS FROM SNOW REMOVAL

WHEREAS, Resolution 2014-007 states sidewalk routes shall be reviewed by the City Council's Public Works Committee on an annual basis, prior to the next year's snow season regarding School Routes to School and for sections of sidewalk that due to lack of development do not provide a connecting link between private and public facilities, residences and commercial/industrial businesses; and,

WHEREAS, those sections of sidewalk identified in the review and approved for exemption by the City Council, shall not be required to have snow removed that snow season; and,

WHEREAS, Public Works Committee met and are recommending that the following properties are exempt from the sidewalk snow removal requirement for the 2018-2019 snow season:

- Bellaire Blvd NW – Sidewalk section north of intersection with Blossom Blvd.
- 7th Avenue NE – Sidewalk section between Cajima St NE and Golden Way NE (no development on either side);

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City of Isanti, Minnesota, that the sidewalks listed above are exempt from snow removal for 2018-2019.

This Resolution was duly adopted by the Isanti City Council this 21st day of August, 2018.

Attest: _____ Mayor George A. Wimmer

_____

City of Isanti
Economic Development Authority
Regular Meeting Minutes of
August 8, 2018
Isanti City Hall

1. Call To Order

The meeting was called to order by President George Wimmer at 7:22 p.m.

a. Pledge of Allegiance

b. Roll Call

Members Present:	Paul Bergley, Steve Lundeen, Ross Lorinser, Dan Collison, Jill Reller, Tara Hallberg and George Wimmer
Members Absent:	None
Staff Present:	Economic Development Director Sean Sullivan, Economic Development / Marketing Intern Ben Hylen

c. Agenda Modifications

2. Approval of Agenda

Motion by Commissioner Lundeen, seconded by Comissioner Collison to approve agenda as presented. Motion carried unanimously.

3. Approve Minutes of July 3, 2018 Regular Economic Development Meeting

Motion by Commissioner Collison seconded by Commissioner Lundeen to approve the minutes for July 3, 2018. Motion carried unanimously.

4. Consider EDA Resolutions 2018-4 Awarding Contract for Printing of Welcome Brochure

Economic Development Director Sullivan presented the staff memo. Sullivan touched on the last iteration of this document done in 2014 and the need to get it updated now that the Hotel is under construction. He outlined the pros and cons of 500 or 1000 copies and indicated that he thought 500 was a better number as the info becomes dated rather quickly. This flyers would be used to market the community to all prospects and it isn't necessary designed for mass distribution at all city event types. He also indicated that if a lodging was implemented that proceeds from that could be used for additional marketing materials that might be better suited for mass distribution at city or community events.

President Wimmer asked what the EDA wanted to use this piece for. Will it be a global marketing piece to be mass distributed or will it be targeted? Wimmer indicated it could be used for both is desired.

Member Collison asked how many bags were left over from 2014.

ED Director Sullivan stated approximately 400 and they cannot be distributed anymore because they are inaccurate.

Discussion ensued.

Motion by Commissioner Bergley seconded by Commissioner Lorinser to adopt EDA Resolution 2018-4 Awarding Contract for the Printing of Welcome Brochure and to award Rapid Press the contract for the printing of 500 brochures for $617.67.

5. Presentation of New Resident Survey Report

Economic Development / Marketing Intern Ben Hylen presented the New Resident Survey Report. The survey was provided to 500 new residents that moved or relocated to the City of Isanti between the dates of 1/10/16 and 4/23/18. 107 surveys were returned and that represented a 21% participation rate which is statistically significant.

Hylen touched on the bell shaped curve peaking at the $180,000 to $200,000 sales price and that this information supported the availability of affordable housing opportunities for new Isanti residents. There were also many sales above and below this price point which supports options for all incomes. It should be noted that this data is from 2016-2018 so the values in the data could be trending lower that actuals now. The current median home sale value according to Minneapolis Association of Realtors is $220,000.

Hylen stated that survey information supported 85% of Isanti residents leaving the community for work. Although, employment opportunities are increasing inside the City there still is a significant number (58%) that are still commuting south and likely chasing higher wages. He indicated the proximity to the Twin Cities Metropolitan Area puts the City of Isanti in a good location for growth.

Home Cost, Small Time Feel, Don't like Big Cities, Proximity to the Metro and Less Traffic where the 5 highest selected reasons for choosing to move to Isanti. Cost of Home was the most common response and was nearly double the second highest answer; the Small Time Feel. This data seems to support the information relating to home costs shared earlier.

Hylen shared data and comments on the Age Profile on new home ownership, General comments and suggestions about how to improve the City Isanti and a brief City Internet Web Survey. Hylen stressed that although a lot of residents were satisfied with the current city web page it still needed more work and updates and this should still move forward. He indicated that there were a number of negative comments about the website as well. He indicated that this often was the first contact a new resident or business would have and that it needed to be great, not just adequate. The comments and suggestions should be considered when updating the website.

6. Other Business / Updates

Economic Development Director Sullivan highlighted the Staff Memo. Sullivan updated the information on housing starts to 58 new permits pulled with 7 more in process which is near last year's pace. New business arrivals are outpacing those leaving the community by a large margin. Sullivan indicated that this would be his last EDA meeting and will be starting a new position on August 27th. Sullivan has appreciated serving the City of Isanti and is excited at the progress that has been made.

The EDA members thanked Economic Development Director Sullivan for his service and wished him well.
