MEMORANDUM

Date: August 8, 2018

To: Honorable Mayor Wimmer and Members of the City Council

From: Bradley C. DeWolf, P.E.
City Engineer

Jason W. Cook, P.E.
Assistant City Engineer

Subject: Project Status Report
Isanti, MN
Project No.: R13.115547

Please find listed below a status report of the current projects in the City of Isanti:

1) MS4 Phase 2 & 3 Implementation

We will continue to assemble documents to assist the City in meeting the requirements of the MS4 permit for Phase 2 and Phase 3 of the implementation schedule.

2) Cajima Street/TH 65 Signal Study

We will continue with discussions with MnDOT regarding funding and layout.

3) 2018 Street & Utility Improvements

9 bids were received for this project on July 31, 2018. A recommendation of award is on the August 8, 2018 Council agenda.

4) 2018 Storm System Maintenance Project

The bid opening for this project is scheduled for August 14, 2018. We will schedule meeting times with each resident with fence conflicts individually.

5) 2018 Pavement Maintenance Project

Striping is scheduled the week of August 13th and the project will be completed this month.

6) 10-Year Capital Improvement Plan Update

We have completed the update to the 10-year Capital Improvement Plan and will bring it to the August 9, 2018 Finance Committee for review.

7) Clarifier Rehab Project

This project is scheduled to be completed this fall.

In addition to the current projects listed above we have completed and accepted 48 private developments and 61 city contracts since being selected as your City Engineer in 2008.

Please contact me if you have any questions.

Bolton & Menk is an equal opportunity employer.

3.	City Council Meeting	Tuesday, September 4, 2018 @ 7:00 p.m.
4.	EDA Meeting	Tuesday, September 4, 2018 *(Immediately following the City Council Meeting)*

H. Council Committee Reports

Mayor Wimmer explained that he had called a Special Planning Commission Meeting for the second Tuesday in September to review the Legacy Pines Development to add one hundred and seventy plus platted residential lots.

Bergley added that he had went to the fire district meeting and that the budgets were coming out and there is responsibility that goes with it and we will see it soon. Mayor Wimmer also added that with all the sections that are being pulled out by Bradford Township, a couple other townships may be looking into doing so as well and that will add upward pressure to the Fire District Budget and impact on the City budget. However, Mayor Wimmer shared that we should be okay for the first cycle through next year. Also, it sounded like it was about half of Bradford Township that was being pulled out. Lundeen added that it was exactly fifty percent and that they are going to lose ISO ratings and medical on that property. Mayor Wimmer added that is what somewhere between the $30,000 and $40,000 difference in what they would be paying but we will have to wait and see what the numbers actually end up being. There was further discussion on fire runs and property valuation and their effect on the fire budget.

I. Public Hearings

J. Business Items

<u>City Administrator Don Lorsung</u>

1. Ordinance No. 695 City Code Amendments: Water and Sewer Service Line Placement

Mayor Wimmer explained that it is to reduce costs for repairs by not placing water and sewer service lines under driveways. Bergley questioned what the ordinance change we regarding responsibility for water meters and horns. Mayor Wimmer further discussed the ordinance changes. Lundeen added that this is very common for most cities to put in place.

Motion by Bergley, second by Lundeen to approve the request. Motion carried.

<u>Economic Development Director Sean Sullivan</u>

2. Resolution 2018 – 193 Accepting Donation of Real Property

Mayor Wimmer shared that this is the property along the railroad and it has went through a phase one environmental review and potentially it might have a phase two review if it were to be sold. It is intended that it will become a parking lot so it will help the commercial development there. Economic Development Director Sean Sullivan shared that it is $119.12 for the property taxes on the parcels.

Motion by Lorinser, second by Collison. Motion carried.

K. Approve Consent Agenda

1. Consider Accounts Payable in the amount of $402,352.37 and Payroll in the amount of $100,039.29
2. Final Meeting Minutes for the July 3, 2018 Economic Development Authority Meeting
3. Final Meeting Minutes for the July 17, 2018 Planning Commission Meeting
4. Contractor Pay Request No. 1- 2018 Pavement Management Project in the Amount of $181,230.24
5. Resolution 2018-194 Approving Acceptance of a 2019 Public Works Vehicle
6. Resolution 2018-195 Approving Snow Plowing Policy and Resolution 2018-196 Approving Exempt Sidewalks from Snow Removal

7. Resolution 2018-197 Reducing the Speed Limit on Designated Streets from 30 MPH to 20 MPH in School Zones
8. Resolution 2018-198 Authorization and Execution of Repayment Agreement for Lot 1, Block 3, Sun Prairie First Addition with J Robinson Construction, Inc.

Motion by Lorinser, second by Bergley to approve request.

A Community For Generations.

Isanti

Request for City Council Action- MEMO

To: **Mayor Wimmer and Members of City Council**

From: Katie Brooks, Human Resources/City Clerk

Date: September 4, 2018

Subject: Consider Resolution to Appoint Candidate to Fill a Vacant Planning Commission (PC) Seat 2018-XXX

Background:
Currently, there are two seats vacant on the Planning Commission. The City is required to make certain official appointments to City Boards. Advertisements were placed to seek interested candidates for the vacant seat on the Planning Commission. One application and Interest Disclosure form was received from Arissya Simon. The applicant lives within City limits.

Request:
It is requested that City Council interview candidates Arissya Simon to appoint him for the Planning Commission.

Attachment:

- Resolution 2018-XXX

A Community For Generations.

Isanti

Planning Commission

For consideration, please fill out the below information along with the attached conflict of interest statement signed and stated by you. Please submit all the information to:
Human Resources/City Clerk Katie Brooks. PO Box 428, Isanti, MN 55040 or
kbrooks@cityofisanti.us 763-444-5512

Name: Arissoya Simon E-mail:

Address:

Phone Number:

For Consideration on the Board you must circle at least one:

(City of Isanti Resident) Non-Resident of Isanti

State:

Education and / or Knowledge that will be useful to the Commission:
I am a Human Resource Professional for a plastics manufacturer & specialize in Strategic Planning and development, workforce planning & employment, employee relations and market analysis, all which would be useful & transferrable to a position on the planning commission.

Why you are interested on being on the Commission?
I want to learn more about our city and its inner workings, while having the opportunity to contribute its growth and help to create the buy-in from residents for the things that our city needs to continue building a great community.

What is your vision of Isanti?
The biggest problem I see is residents being upset about things happening in our city simply due to lack of understanding why it needs to happen, not because its a bad idea. I'd like to I'd love to see Isanti continue to grow—not into some giant urban suburb, but into a city that all residents can love & be proud of. Businesses and people that benefit our community, maintain economic stability, still keep its charm, help further that.

Any other pertinent information that might to be taken into consideration. You may attach additional pages.
Continued from Education/Knowledge Section: Combining my professional background with my degree in Psychology and communications, as well as being representative of Isanti's largest demographic puts me in a unique position to bring fresh ideas and perspective to the commission and would allow me to advocate for the needs of Isanti residents while understanding the logistics of our growth.

DISCLOSURE FORM

Public Officials of the City of Isanti listed by title in the Resolution are required to complete and file this Disclosure Form with the City Administrator in accordance with the provisions of the Conflicts of Interest Policy.

Request for City Council Action

To: Mayor Wimmer
Members of the City Council
From: Josi Wood
Public Services Director/ Assist. City Admin.
Date: September 4th, 2018
Subject: Consider Resolution Approving the Purchase of a Replacement Generation RIO H4 Miox Chlorination Unit for the Water Treatment Plant

---

Background

Miox staff including Mr. Kevin Hoeschen were on-site to inspect the City's chlorination unit August 6-8th, 2018. The full report and findings are attached. Overall, the unit is aged and the cell is showing signs of leakage as well as voltage changes. Mr. Hoeschen was able to start the unit once he manipulated the voltage of the modules within the cell. Mr. Hoeschen is uncertain how long the unit will continue to run with the cell past the age of usual replacement. Staff has started the unit each day since Mr. Hoeschen's visit and it has continued to start.

Miox staff, Mr. Tom Muilenberg, was also on-site to provide helpful information as well as send us a proposal. Staff believes the most cost effective option for the City to consider is Option 2. This would be a new H4 unit which has significant upgrades since the original installed unit in 2009 and would include a 1 year service agreement at no charge. Option 1 would be to replace the cell, however, the technology is obsolete and further failures could continue to cost the City more money to find parts. Option 3 would be to replace the system with a different type of chemical regeneration system which Staff does not recommend persuing.

This item was unbodgeted and funds would need to be allocated from the Fund Balance through a budget amendment.

Finance Recommendation

The Finance Committee recommends to replace the MIOX unit with the latest Generation RIO H4 in the amount of $76,700.00 plus costs to install the new unit

Request

Staff is seeking direction on this item.

Attachments:

- Resolution 2018-XXX
- Miox On-site Report
- Miox Proposal

RESOLUTION NO. 2018-XXX

RESOLUTION APPROVING THE PURCHASE OF A REPLACEMENT GENERATION RIO H4 MIOX CHLORINATION UNIT FOR THE WATER TREATMENT PLANT

WHEREAS, the water treatment plant's equipment for its main chlorination supply is a Miox Chlorine Regeneration System; and,

WHEREAS, the current unit was installed in 2009 and the electrical cell is beyond the life expectancy and in need of replacement; and,

WHEREAS, it is in the City's best interest to replace the unit in full due to the current model is obsolete and new technology is available at a reduced cost; and,

WHEREAS, the cost for the replacement Generation RIO H4 is $76,700.00 plus freight; and,

WHEREAS, contracted services for plumbing, electrical and integration will be in addition to the unit cost in the amount of $1,710.00; and,

WHEREAS, this item is unbudgeted and funding will come from a budget amendment from the Fund Balance; and;

WHEREAS, Finance Committee recommends approval for replacement of the Miox Chlorination unit;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota

1. Hereby approves the purchase of a Generation RIO H4 Miox unit in the amount of $76,700.00 plus freight.
2. Hereby approves the plumbing, electrical and integration of the new unit in the amount of $1,710.00.
3. Funding source identified as a budget amendment to Water (601-49400-500) from the Fund Balance.
4. Authorize the Public Services Director to sign the required documentation for the purchase of unit.
5. Authorize payment, if needed, at time of delivery, prior to inclusion on Accounts Payable listing.

This Resolution was duly adopted by the Isanti City Council the 4th day of September, 2018.

A. FOLLOWUP ACTION ITEMS

a. Customer to closely monitor system for any abnormalities – specifically for any leaks from the electrolytic cell – see highlighted remarks concerning this in section D of this report.

b. Customer to sample outlet of water softener for hardness on a weekly basis to ensure the softener is still working – see highlighted remarks concerning this in section D of this report.

c. Periodically measure the output of the 24 VDC control power supply as there might be a potential issue with this power supply – see highlighted remarks concerning this in section D of this report.

B. SUMMARY

a. A system clean/inspect was conducted.
b. Training of plant personnel was conducted
c. System was started to observe operating parameters. Small adjustments were made to operating parameters.

C. BACKGROUND

a. Customer was experiencing numerous faults on their system, a RIO H4 that was installed in August of 2009. They requested a service visit to their plant to evaluate the system and its operation.

b. A service trip was scheduled for the week of August 06, 2018

D. ACTION/OBSERVATIONS

a. Inlet water supply to the water softener was sampled – results approximately 19 grains per gallon.

b. The water out of the water softener was sampled – results 1 grain per gallon or less.

c. The water softener was forced into a regeneration cycle to observe its operation. No issues were observed.

d. A number 5 metering disk is installed in the water softener head. This should adequately protect the system and provide soft water to the OSG and to both brine silos.

e. The Kinetico water softener resin is approximately 9 years old. Kinetico states that the resin beads should last somewhere between 7 and 10 years. As the resin beads are near their expected life, MIOX Corporation recommends increasing the sampling frequency of the water softener outlet – measuring for calcium hardness. Sample weekly to ensure it is still

working. We also recommend replacing the resin beads within the next year. Contact a Kinetico service representative when you are ready to make this happen.

f. The pressure gauge on the brine boost system has a range of 1-100 psi. The range of this gauge should be 0-30 to allow operators to adequately monitor brine supply pressure to the OSG. This pressure should be maintained at approximately 10 psi.

g. The pressure gauge inside the OSG plumbing compartment is not reading correctly and should be replaced. This is an important gauge as it shows the operating pressure of the cell. As flow channels start to get fouled, the pressure indicated on this gauge will increase.

h. The fuse on the signal line to the contactor coil has recently blown. The fuse that blew and its replacement fuse were both 5-amp fuses. This fuse should be a 10-damp fuse. A 10-amp fuse has provided to the customer and installed.

i. The side cover of the OSG was removed providing better visibility to components in the plumbing compartment and allowing better access for maintenance. This cover has been left off.

j. Attempts were made to completely remove the plumbing compartment tray for cleaning. The connectors on the cables for the inputs/outputs in the plumbing compartment were oxidized to a point where they could not be easily removed – they were left connected for fear of causing more issues. Electronic cleaning spray could be used to clean these connectors and allow removal if desired.

   Note: There was enough slack in the cabling that still allowed cleanup of the plumbing tray.

k. The adapter fitting feeding the brine pump discharge check valve was leaking. Inspection showed that the collet was broken. The adapter fitting was replaced.

l. The fan guard for the transformer blower was removed for cleaning and re-installed.

m. During diagnostic testing, the safety relay appeared to have failed. All connections to the safety relay were removed and re-installed. This exercise worked to clean oxidized pins and sockets in the connections Oxidized connection will sometime cause inputs/outputs to fail. In addition to the connectors on the relay itself, the connections from the interface board to the safety relay were also reseated. The safety relay worked from that point on.

n. During diagnostic testing, the contactor failed to shut even though the safety relay appeared to be working. Troubleshooting indicated that the control power supply output voltage (should be 24 VDC) was low. Our reading was 19 VDC. The power supply output voltage was adjusted to 24.5 VDC. The contactor output function was tested again several times – all successful. I would highly recommend keeping an eye on the power supply voltage measure it periodically. At this point I do not know why the power supply output voltage dropped to 19 VDC

o. The PLC program is version 2.0.2

p. The HMI program is version 2.0.3.

q. The system was started to monitor operating parameters – specifically the cell currents as the customer has had issues with cell current variation in the past. The current in the front module of the cell was running a little bit higher than expected. The current through the middle two modules of the cell were running closer to the current you would expect. The current in rear module of the cell was running with current slightly lower than you would expect. Slight adjustments (affecting indicated current bay 5 amps) were made to the scaling factors to balance indicated cell current.

r. The system was run first with a brine boost pump and then without a brine boost pump. It ran well in both cases with only a slight difference in the brine pump speed control voltage – approximately 0.3 VDC. Without a brine boost pump, the brine pump speed control voltage was less than 2.2 VDC. With the brine boost pumps running, brine pump speed control voltage was approximately 1.9 VDC. Just as a note, brine pump speed control voltage 9 years ago at startup was 1.89 VDC with a brine boost pump running.

s. Since the brine boost system has two pumps associated with it (only one used at a time), isolated the pump that is not being used by closing its suctions and discharge valves.

t. There is a significant amount of condensation on most horizontal surfaces in the room when the OSG is installed. The high humidity, high temperatures and moisture can adversely affect electronic components and connections. Currently, there is no air conditioning supplying the room. Consideration should be given to fix the de-humidifier and/or supply the room with refrigerated air conditioning.

u. In addition to the original brine silo, Isanti Water installed a second brine silo shortly after the system startup – they now have twin silos to more easily allow delivery of a complete

load of salt. One silo did not have enough room for a 25-ton load of salt. Two silos provide more than enough.

v. The liquid level in the brine silos was being maintained at a higher level than we are normally used to seeing. The level controller normally controls liquid level between 5.5 feet and 6.0 feet. I checked the programming and adjusted the setpoints accordingly. Both level controller had both been programmed for a higher level.

w. Measured the cell washer plates (supports below the cell perimeter bolts) for induced voltage. The potential on these washer plates should be very low – one or two volts max. If there is a significant reading, it is a sign showing the cell is starting into a failure more. This indication is usually followed by leaks in the cell.

The results of my measurements showed a voltage potential on these plates – 3 out of the 4 washer plates had a potential of greater than 30 VDC. I did not however see any signs of leakage when operating the system.

If you are going to operate the system with this cell, you must be vigilant of any leaks. Take the covers off the cell compartment on a weekly basis to check for leaks. Wipe your hand across the surfaces of the cell – sides, bottom and top. If there are signs of leakage, do not operate.

E. DISCUSSION

a. Although the system's cell is in operation, it is showing signs of age – cell current is shifting, current is not being shared properly by the modules and there is voltage on the cell's washer plates.

b. **Exercise care and caution when operating the system with this cell. If there is any visible signs of leakage, stop operations.**

F. Data

Operating Parameters	August 15, 2009	August 8, 2018
Displayed Cell Amps	892.1	899

MIOX ON-DEMAND CHEMISTRY

July 24, 2018

City of Isanti
110 1st Ave NW
Isanti, MN 55040

Attn: Ms. Josi Wood
Re: Quotation for Replacement Cell or Generator Upgrade

Dear Josi:

MIOX Corporation would like to thank you for allowing us the opportunity to provide you with the following proposal. The City of Isanti is an important customer, and we want to provide a couple of options to get your system back up and running consistently. To this end, we would like to provide several options for your consideration.

Overview

MIOX is proposing three options for your consideration as follows:

Option 1 – Cell Replacement:

MIOX is proposing to provide a new RIO H4 Cell. This would provide the following:

- A brand-new cell with full 5 year warrantee.
- Service visit to install the cell and restart system.

Option 2 – Latest Generation Generator:

MIOX would supply a new, current generation RIO H4 Generator at a steeply discounted price. In addition, we would include a quarterly service contract. This would provide the following:

- A brand-new generator with full 5 year cell warrantee and 2 year warrantee on all other parts of the generator.
- New features and benefits that are included with the new generator including:
  - Automatic water flow control – eliminates nuisance alarms due to changing water pressure.
  - Upgraded PLC – provides more reliable control.
  - External CIP connections – eliminates the need to open the cabinet to perform acid washing.
- Service visit to install the cell and restart system.

5601 Balloon Fiesta Parkway, NW Albuquerque, NM 87113 | 505-343-0090 | Fax 505-343-0093

- Provide a service contract free of charge. This would include service visits every 3 months for 1 year (quarterly service) to check system, conduct any cleaning needed, adjust operation, provide training and make any operational recommendations.

Option 3 – Mixed Oxidant Upgrade:

MIOX would upgrade the system to the latest, current generation Mixed Oxidant RIO M5 Generator at the same price as the RIO H4. In addition, we would include a quarterly service contract. This would provide the following:

- A brand-new generator with full 5 year cell warrantee and 2 year warrantee on all other parts of the generator.
- The generator would be MIOX Model RIO M5 which would provide 300 lbs/day of Mixed Oxidants. As discussed, Mixed Oxidants would provide:
  - Enhanced biofilm control.
  - Better breakpoint chlorination of ammonia.
  - Better control of chlorinous odors.
- New features and benefits that are included with the new generator including:
  - Patented self-cleaning via reverse polarization of the cells – reduces reliance on acid washing as it performs an automatic clean periodicially.
  - Automatic water flow control – eliminates nuisance alarms due to changing water pressure.
  - Upgraded PLC – provides more reliable control.
  - External CIP connections – eliminates the need to open the cabinet to perform acid washing.
- Service visit to install the cell and restart system.
- Provide a service contract free of charge. This would include service visits every 3 months for 1 year (quarterly service) to check system, conduct any cleaning needed, adjust operation, provide training and make any operational recommendations.

More details of the service offering are as follows:

MIOX Service

MIOX field service personnel will be onsite quarterly to conduct PM (preventive maintenance) tasks outlines in the attached MIOX service checklist. Initial service visit will be to install new cell(s) and calibrate your system in accordance to MIOX specifications. Subsequent visits will be performed quarterly by a MIOX qualified and fully-trained service technician. This will be to ensure your system is still performing per MIOX specifications. Any additional parts need that are not covered under warranty will be quoted at standard cost minus a 15% loyalty discount. Any additional service visits can be arranged at standard cost.

MIOX ON-DEMAND CHEMISTRY

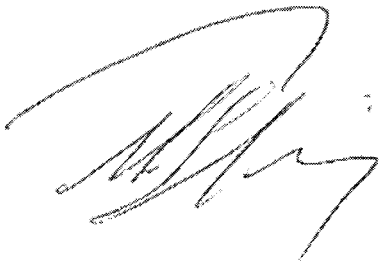
Should the City wish to extend the service and maintenance contract, they may choose to do so at the end of the year.

MIOX Corporation looks forward to long and healthy relationship with you, your team and community.

The City can reach our service department between the hours of 7am and 5pm mountain standard time at 1-866-646-9457 option #2 or contact@mioxservice.com. After hours, your call will be routed to a qualified service person to assist.

Thank you for your business!

Sincerely,



Thomas Muilenberg
Director of Commercial Operations, MIOX

Service Contract Details

MIOX Service Checklist	Cell Installation Service	Quarterly MIOX Service
Visual Inspection of System	X	X
Visual System Leak Check	X	X
FAC Test	X	X
Filter Check and Change	X	X
System Shutdown and Restart	X	X
Check System Diagnostics	X	X
Site Training (if applicable)	X	X
Electrical Evaluation - Power	X	X
Electrical Evaluation - Cell	X	X
Auxiliary Equipment Evaluation	X	X
Cell Inspection/Cell Clean	X	X
Cell Lead Inspection, Cleaning and Tightening	X	X
GF++ Check (if applicable)	X	X
Brine Tank Assessment	X	X
Oxidant Tank Assessment	X	X
Written Report of Site Assessment	X	X

The cost for this service agreement consisting of a service visit to install the cell(s) and ensure that the system is performing to MIOX specifications. In addition, we will train all personal needing to maintain the MIOX system. Additional service visits will be provided on a quarterly basis to perform the tasks outline in the above table.

Option 1: RIO H4 Cell Replacement

Item	List Price (if applicable)	Discounted Price
New H4 Cell (includes 5 year warranty)	$69,300	$51,700
TOTAL		**$51,700**

Option 2: Upgrade to Latest Generation RIO H4

Item	List Price (if applicable)	Discounted Price
New RIO H4 Generator	$91,120	$76,700
Service Agreement (includes all T&E)	$15,800	$0
TOTAL		**$76,700**

Option 3: Upgrade to Mixed Oxidants – RIO M5 (300 lbs/day)

Item	List Price (if applicable)	Discounted Price
New RIO H5 Generator	$101,850	$76,700
Service Agreement (includes all T&E)	$15,800	$0
TOTAL		**$76,700**

MIOX recommends a minimal site maintenance regime to visually inspect the equipment. Beyond this, the proposed quarterly maintenance program covers comprehensive preventative maintenance tasks eliminating most operational tasks associated with owning MIOX equipment. Additional parts are not included and will be quoted as needed.

Please Selection Desired Option:

Option	Description	Price	Selected Y/N
Option 1	RIO H4 Cell Only	$51,700	
Option 2	Newest RIO H4 Generator and Service Contract	$76,700	
Option 3	Mixed Oxidant RIO H5 Generator and Service Contract	$76,700

MEMORANDUM

Date: August 28, 2018

To: Honorable Mayor Wimmer and Members of the City Council

From: Bradley C. DeWolf, P.E.
City Engineer

Jason W. Cook, P.E.
Assistant City Engineer

Subject: 2018-2029 Capital Improvement Plan
City of Isanti, MN
Project No.: R13.115871

The current 10-year Capital Improvement Plan (CIP) was created in 2010 and includes recommended improvements through the year 2020. The majority of the items identified in the 2010 CIP have been completed or are in need of a revised project schedule. To continue to proactively look forward this plan was due for an update to extend the projected improvements out to 2028. The Pavement Management Plan and the Storm Water Apron & Pond Inventory Report were both completed since the 2010 CIP and need to be included in the Capital Improvement Plan as well.

In addition to the previously identified projects, the City has requested estimated project costs to complete the extension of sanitary sewer and watermain to the parcels that are going through the annexation process. These areas were also evaluated for street and storm sewer improvements as requested.

Attached is the 2019-2028 Capital Improvement Plan, showing anticipated projects and scheduled maintenance programs through 2028.

Finance Committee reviewed this plan at the August 23, 2018 Finance Committee Meeting and recommend adoption of the 2018-2029 Capital Improvement Plan.

Jason will present the report at the September 4, 2018 City Council Meeting.

Please contact me if you have any questions prior to the meeting.

Bolton & Menk is an equal opportunity employer

RESOLUTION NO. 2018-xxx

RESOLUTION ADOPTING CAPITAL IMPROVEMENT PLAN 2018-2029

WHEREAS, the City of Isanti adopted the 2008 Comprehensive Plan on November 20th, 2007 (Resolution No. 2007-272) and the Capital Improvement Plan 2010-2020 (Resolution No. 2010-064); and

WHEREAS, the Comprehensive Plan identified a Capital Improvement Program (CIP) as a necessary planning tool for the scheduling and prioritizing of public improvement projects; and

WHEREAS, a Capital Improvement Program will allow the City of Isanti to identify critical public improvements, yet stay within budget restraints; as all projects outlined within the CIP are reviewed, priorities are assigned, cost estimates are prepared, and potential funding sources are identified; and

WHEREAS, the City Council authorized the development of an updated CIP in 2018; and

WHEREAS, the City Engineer has prepared an update of the previous CIP regarding city improvements and facilities that extends from 2018-2029; and

WHEREAS, the City of Isanti is granted through Minnesota State Statues the right to prepare, adopt, and amend a Capital Improvement Plan and the Finance Committee has reviewed the plan and recommends its adoption:

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City Of Isanti, Minnesota to hereby adopt the Capital Improvement Plan 2018-2029 as prepared by Bolton & Menk dated July 2018 for the City of Isanti.

This resolution was duly adopted by the Isanti City Council this 4th day of September 2018.

I. PROJECT INTRODUCTION

The goal of the Capital Improvement Plan is to establish a ten year maintenance and improvement plan to allow for the City of Isanti to properly prepare for improvements required in the future. The plan addresses existing facility and equipment upgrades as well as plans for future needs. The CIP gives the City of Isanti a vision of the future and will allow project priorities to change along with future needs. We have identified capital improvement needs for projects in four separate areas. The four areas include:

A. Multi Modal and Transportation Corridor Enhancements
B. Street System Management
C. Sanitary Sewer Collection and Treatment System
D. Water Supply and Distribution System

This CIP includes input from the City Council and City Staff to help ensure that projects meet the community needs and follow plans that were previously adopted by the City Council. These Council-adopted plans help prioritize areas of focus, and the CIP is a commitment toward implementation of the plans' goals and objectives.

II. CAPITAL IMPROVEMENTS

Capital improvements have been divided into four separate areas. The classification has been determined based on the primary need or goal of the project.

A. Multi Modal and Transportation Corridor Enhancements

The following list included the previously approved Multi-Modal elements that have been identified as needs throughout the City of Isanti. All improvements described below are identified in Figure No. 1 located in the appendix.

1. Eagle Park Parking Improvements

The parking improvements consist of reconstructing the existing Eagle Park parking lot located north of Broadway Street SW and west of the rail road to provide a new surface and layout to accommodate additional downtown parking.

2. Heritage Boulevard Walk Improvements

This project would involve the completion of the trail and sidewalk along Heritage Boulevard (CSAH 5). The project involves the construction of a sidewalk along the north side of CR 5 from Hillock Court NW to 3rd Avenue NW.

© Bolton & Menk, Inc. 2018, All Rights Reserved

3. **Realign Credit Union Drive and Installation of a Signal System**

   This improvement would establish a new 4 way intersection at the current 3 way intersection of Heritage Boulevard and East Dual Boulevard NE. The existing intersection of Credit Union Dr NE and Heritage Boulevard would be removed. This project would also include a designated crosswalk and the installation of a traffic signal system.

4. **Pedestrian Bridge/Tunnel**

   This project included the installation of a grade separated pedestrian crossing of Trunk Highway 65. The bridge/tunnel and associated access ramps will serve as an alternative crossing to the existing at grade crossing located at the intersection of Trunk Highway 65 and Heritage Boulevard.

5. **Pedestrian Bridge/Tunnel Collector Trail Improvements**

   This project would connect the Pedestrian Bridge/Tunnel to the existing walk at 8th Avenue SE near the Isanti Intermediate School and the walk located along Main Street at Credit Union Drive NE. The trail would be extended along the north side of Main Street then along the east side of the proposed 4th Avenue between Main Street and Broadway Street SE. This project will allow the pedestrian bridge/tunnel to be connected to the trail and sidewalk network already in place on the east and west side of Trunk Highway 65.

6. **Transit Station Improvements**

   An area has been identified for the future addition of a transit station in downtown Isanti. This has been included to identify the general area that the station would be located.

7. **West Frontage Road Improvements from Golden Way to Heritage Boulevard**

   This project would consist of construction of a 40-foot wide frontage road system between Cajima Street NE and Heritage Boulevard. It is planned that this street segment would include sidewalks on both sides of the corridor to further expand the existing sidewalk network. The improvements will also include new public utilities along the entire length of the project to serve the adjacent properties.

8. **Wendover Street NE/ 6th Avenue NE Improvements**

   This improvement has already received preliminary approval of its conceptual layout for street and utilities. This project will supplement and provide an additional link in the existing transportation and utility systems on the east side of TH 65.

© Bolton & Menk, Inc. 2018, All Rights Reserved

9. **West Collector Road Improvements from Cajima to 301st Avenue**

This project would include the installation a 40-foot wide frontage road system from Cajima Street to 301st Avenue. It is planned that this street segment would include sidewalks on both sides of the corridor to further expand the existing sidewalk network. The improvements will also include new public utilities along the entire length of the project to serve the adjacent properties.

10. **East Collector Road Improvements from 8th Avenue to CSAH 5**

This project would include the installation a 40-foot wide collector roadway to further expand the transportation system on the east side of TH 65. It is planned that this street segment would include a trail along one side of the roadway to allow for extension further east into Isanti County in the future. The improvements will also include new public utilities along the entire length of the project to serve the adjacent properties.

B. Street System Management Plan

The following is a list of street rehabilitation and enhancement projects that have been included for completion over the life of the plan. A visual inspection and rating of the street segments in the City was completed in the preparation of this plan. The street segments were evaluated based on their condition and the age and condition of the underlying utilities. The following projects, which are identified in Figure No. 2 in the appendix, are recommended to effectively preserve and enhance the existing street system:

1. **Street Surface Rehabilitation in Brookview South 1-4 Additions**

This project would include the repaving of the streets in the Brookview South 1-4 Additions. The condition of the pavement on these streets is in need of more than a conventional seal coat to preserve the life of the improvements.

2. **6th Avenue SW Rehabilitation**

This project would include the repaving of 6th Avenue from South Brookview Lane SW to 200 feet south of Dogwood Street SW. The condition of the pavement on this street is in need of more than a conventional seal coat to preserve the life of the improvements.

3. **Main Street W Reconstruction**

This project would include the reconstruction of Main Street W from South 4th Avenue to Whiskey Road. The condition of the pavement on this street is in need of more than a conventional seal coat to preserve the life of the improvements. The side walk and curb & gutter are in need of repair as well.

© Bolton & Menk, Inc. 2018, All Rights Reserved

4. **Street Surface Rehabilitation in Isanti Hills Phase 1, 3 & 4**

   This project would include the repaving of the streets in the Isanti Hills Phases 1, 3 & 4. The condition of the pavement on these streets is in need of more than a conventional seal coat to preserve the life of the improvements.

5. **Railroad Avenue SE Reconstruction**

   This project would include the reconstruction of Railroad Avenue SE from Palomino Road SE to Main Street E. The condition of the pavement on this street is in need of more than a conventional seal coat to preserve the life of the improvements. The east curb line would be shifted west to add a concrete sidewalk along the east side of the roadway.

6. **Mill and Overlay East Dual Blvd from Heritage Blvd to WTF Entrance**

   Edge mill and overlay this segment to establish a more consistent crown to the roadway.

7. **Towns Edge Road SE Reconstruction**

   This project would include the reconstruction of the rural roadway from Railroad Avenue to TH 65. Sanitary sewer and watermain would also be extended into this area to provide service to the parcels along this roadway. A lift station would be constructed near the Pond Street & Railroad Avenue intersection, with a discharge forcemain running north along Railroad Avenue to the existing sanitary sewer located at Palomino Road.

8. **Traffic Sign Evaluation and Replacement**

   This project includes evaluating and replacing traffic signs throughout the City to meet new State retroreflectivity requirements. This rule requires that all signs within the City be evaluated for effective retroreflectivity. A 5 year inspection rotation is recommended to maintain retroreflectivity standards. Those signs that do not have the proper reflective sheeting material should be replaced as discovered.

9. **Railroad Crossing at 301st Avenue**

   This improvement would be considered in part with the construction of the Rail Road Industrial Park.

10. **Yearly Pavement Maintenance**

    This annual project would consist of performing the pavement maintenance program on a 7-year rotation as laid out in the City Pavement Maintenance Program. Figure No. 4 identifies the current plan that is in place.

© Bolton & Menk, Inc. 2018, All Rights Reserved

11. Yearly Storm System Maintenance

This annual project would have yearly maintenance performed on stormwater ponds, outlets and waterways following the storm sewer and pond maintenance plan shown in Figure No. 5. This maintenance would include dredging of ponding and waterway areas, cleaning of outlets, cutting of vegetation, repairing washouts and establishing vegetation.

12. Traffic System Upgrade at TH 65 and Cajima Street NE

This project would include the installation of a Reduced Conflict Intersection (RCI) at the intersection of TH 65 and Cajima Street NE. MnDOT is installing RCIs along the Highway 65 Corridor as part of their master planning. MnDOT will install three RCIs in 2018 and four more are scheduled for 2019.

13. Traffic Signal System Upgrade at Heritage Boulevard and 8th Avenue NE

This project would include the installation of a traffic signal system at the intersection of Heritage Boulevard and 8th Avenue NE. This project would be initiated when traffic warrants for the signal system have been reached.

14. Traffic Signal System Upgrade at Heritage Boulevard and 3th Avenue NW

This project would include the installation of a traffic signal system at the intersection of Heritage Boulevard and 3rdAvenue NW. This project would be initiated when traffic warrants for the signal system have been reached.

15. Tyler Street SE Reconstruction

This project would include the construction of a new paved, curb & gutter urban street section from South Passage to Railroad Avenue including the extension of sewer and water services to the adjacent parcels. Land acquisition or a permanent easement would be needed for a storm sewer infiltration basin. The gravity sanitary sewer would run south to South Passage and then west to the existing lift station at Deerhaven Drive. Multiple homes may require grinder pumps to lift their sewer service up to the depth of the new sewer main. The watermain would be looped along Tyler Street to connect into Railroad Avenue and South Passage.

16. 4th Avenue SW Reconstruction

This project would include the construction of a new paved, curb & gutter urban street section from South Passage to the south including the extension of sewer and water services to the adjacent parcels. Land acquisition or a permanent easement would be needed for a storm sewer infiltration basin. The gravity sanitary sewer would run north to South Passage where a new lift station would pump the sewer into the existing system in South Passage. The watermain would be extended to the south with a ultimate future loop planned to connect back to Carson Drive SW.

© Bolton & Menk, Inc. 2018, All Rights Reserved

17. **Pave Elim Lane and Viola Street**

    This project would include paving the existing gravel roadways.

18. **Pave Gravel Alleys**

    This project would include paving the existing gravel alleys

19. **Pond Street Reconstruction**

    This project would include the construction of a new paved, curb & gutter urban street section from Railroad Avenue to the west where the existing gravel ends. This project would include the extension of sewer and water services to the adjacent parcels as well. The gravity sanitary sewer would run east to the lift station proposed with the Towns Edge Road Reconstruction project. The watermain would be extended to the west. No storm sewer is anticipated for this project.

C. Sanitary Sewer Collection and Treatment System

The following is a list of sanitary sewer collection, treatment, rehabilitation and enhancement projects that have been included for completion over the life of the plan. Properties currently on private septic systems will not be forced to hook up to the City sanitary sewer system until the septic system is found to be out of compliance or scheduled for replacement.

The following projects, which are identified in Figure No. 3 in the appendix, are recommended to effectively preserve and enhance the existing sanitary sewer system:

1. **Add Sanitary Sewer Service Along Heritage Boulevard**

   This improvement would be constructed to allow for sanitary sewer service to un-sewered properties along Heritage Boulevard between the Elementary School and Hillock Court.

2. **Clarifier Rehabilitation**

   This improvement would include the full rebuilding of the existing clarifier.

3. **Convert the WWTF to a Full Mechanical Plant**

   This improvement would be considered in part with the construction of the Rail Road Industrial Park.

4. **Towns Edge Road Sanitary Sewer and Railroad Avenue Forcemain**

   This improvement would be constructed to allow for sanitary sewer service to un-sewered properties along Towns Edge Road. A lift station would be constructed near the Pond Street & Railroad Avenue intersection, with a discharge forcemain running

© Bolton & Menk, Inc. 2018, All Rights Reserved

north along Railroad Avenue to the existing sanitary sewer located at Palomino Road. This work is included in the Towns Edge Road street improvement project cost.

5. **Tyler Street Sanitary Sewer**

This improvement would include the construction of a new sanitary sewer main to provide service to the parcels along this road segment. The gravity sanitary sewer would run south to South Passage and then west to the existing lift station at Deerhaven Drive. Multiple homes may require grinder pumps to lift their sewer service up to the depth of the new sewer main. This work is included in the Tyler Street Reconstruction project cost.

6. **4th Avenue Sanitary Sewer**

This improvement would include the construction of a new sanitary sewer along 4th Avenue south of South Passage to provide service to the parcels along this road segment. A lift station would be constructed near south passage to provide the required depth to service the existing homes. This work is included in the 4th Avenue Street Reconstruction project cost.

7. **Pond Street Sanitary Sewer**

This improvement would include the construction of sanitary sewer along Pond Street to provide service to the parcels along this road segment. This project would require the lift station and forcemain proposed with the Towns Edge Road project to be completed in advance to provide a discharge point. This work is included in the Pond Street Reconstruction project cost.

D. Water Supply and Distribution System

The following is a list of water supply and distribution system improvements projects that have been included for completion over the life of the plan. Properties currently on private wells will not be forced to hook up to the City water system until the well is found to be out of compliance or scheduled for replacement.

The following projects, which are identified in Figure No. 3 in the appendix, are recommended to effectively preserve and enhance the existing system:

1. **Filter Rehabilitation**

This improvement would include the full rebuilding of the four existing filters.

2. **Water Tower Coating Rehabilitation**

This improvement would include the rehabilitation of the coatings on the water tower. The existing coatings are beginning to peel off of the surfaces and should be redone to preserve the life of the equipment.

© Bolton & Menk, Inc. 2018, All Rights Reserved

3. Towns Edge Road Watermain

This improvement would include the construction of a new watermain along Towns Edge Road to provide service to the parcels along this road segment. This work is included in the Towns Edge Road street reconstruction project cost.

4. Tyler Street Watermain Loop

This improvement would include the construction of a new watermain to provide service to the parcels along this road segment. The watermain would be looped along Tyler Street to connect into Railroad Avenue and South Passage. This work is included in the Tyler Street Reconstruction project cost.

5. 4th Avenue Watermain

This improvement would include the construction of a new watermain along 4th Avenue to provide service to the parcels along this road segment. This work is included in the 4th Avenue Street Reconstruction project cost.

6. Pond Street Watermain

This improvement would include the construction of watermain along Pond Street to provide service to the parcels along this road segment. This work is included in the Pond Street Reconstruction project cost.

III. ESTIMATED COSTS AND SCHEDULE

The costs shown below are estimated project costs based on 2018 construction prices with an inflation factor of 3% per year to the year it is planned to be constructed.

A. Multi Modal and Transportation Corridor Enhancements

Project	Estimated Project Cost (with 3% Inflation)	Year to be Completed*
1 Downtown Parking Improvements - Eagle Park	$93,000	2020
2 Heritage Boulevard Walk Improvements - Hillock Ct - 3rd Ave NW	$121,000	2021
3 Realign Credit Union Drive and Installation of a Signal System	$820,000	2023
4 Pedestrian Bridge	$3,860,000	Developer Initiated
5 Pedestrian Bridge Collector Trail Improvements	$503,000	Developer Initiated
6 Transit Station Improvements	Funded by Others	As Required
7 West Frontage Road Improvements - Golden Way to Heritage Blvd	Developer Initiated	As Required
8 Wendover Street NE/ 6th Avenue NE Improvements	Developer Initiated	As Required
9 West Collector Road Improvements - Cajima to 301st Avenue	Developer Initiated	As Required
10 East Collector Road Improvements - 8th Avenue to Heritage Blvd	Developer Initiated	As Required
Total:	**$5,397,000**	

© Bolton & Menk, Inc. 2018, All Rights Reserved

B. Street System Improvements

Project	Estimated Project Cost (with 3% Inflation)	Year to be Completed*
1 Street Surface Rehabilitation in Brookview South 1-4 Additions	$620,000	2020
2 6th Avenue Rehabilitation	$311,000	2020
3 Main Street Reconstruction	$699,000	2021
4 Street Surface Rehabilitation in Isanti Hills	$856,000	2022
5 Railroad Avenue Reconstruction	$463,000	2023
6 Mill and Overlay East Dual Boulevard from Heritage Blvd to WTF Entrance	$204,000	2024
7 Towns Edge Road SE Reconstruction	$1,189,000	2025
8 Traffic Sign Evaluation and Replacement	$241,000	2026
9 Railroad Crossing at 301st Avenue	Developer Initiated	As Warranted
10 Yearly Pavement Maintenance	$3,209,000	2019 - 2028
11 Yearly Pond Maintenance	$770,000	2019 - 2028
12 Traffic Signal System upgrade at TH 65 and Cajima Street NE	$750,000	2019
13 Traffic Signal System upgrade at Heritage Blvd and 8th Avenue NE	$373,000	As Warranted
14 Traffic Signal System upgrade at Heritage Blvd and 3th Avenue NW	$373,000	As Warranted
15 Tyler Street SE Reconstruction	$1,296,000	2027
16 4th Avenue SW Reconstruction	$1,372,000	2028
17 Pave Elim Lane and Viola Street	$171,000	2026
18 Pave Gravel Alleys	$185,000	2026
19 Pond Street Reconstruction	$170,000	2026
Total:	**$13,252,000**	

C. Sanitary Sewer Collection and Treatment System

Project	Estimated Project Cost (with 3% Inflation)	Year to be Completed*
1 Add Sanitary Sewer Service Along Heritage Boulevard	$126,000	2023
2 Clarifier Rehabilitation	$615,000	2025
3 Convert the WWTF to a full Mechanical Plant	MPCA/Development Initiated	As Required
Total:	**$741,000**	

D. Water Supply and Distribution System

Project	Estimated Project Cost (with 3% Inflation)	Year to be Completed*
1 Filter Rehabilitation	$1,375,000	2021 - 2024
2 Water Tower Coating Rehabilitation	$700,000	2024
Total:	**$2,075,000**	

*Year to be completed are estimated dates and may be revised as the City deems necessary.

© Bolton & Menk, Inc. 2018, All Rights Reserved

IV. FINANCIAL PLAN

The total costs from various funds have been summarized in the following table based on the expenditures for the entire plan. The costs include an inflation factor for the year the improvement is to be completed. A detailed financial plan is included in the Appendix.

Proposed Funding Source	Total Fund Expendature
Street General	$6,964,000
TIF	$93,000
Special Assessments	$1,084,000
Signal	$940,000
Water	$2,372,000
Sanitary Sewer	$2,024,000
Storm Sewer	$1,102,000
Park Dedication	$1,619,000
State Aid	$1,852,000
State & County	$871,000
Federal	$2,544,000
Total Plan	$21,465,000

Include in the appendix of this Plan is the detailed breakdown of all costs and associated funding sources for all improvements detailed above.

V. APPROVAL

This Capital Improvement plan has been completed with input from City Staff and various planning committees. It includes all anticipated projects for a 10-year period. This plan has been reviewed and recommended for approval by the Isanti Finance Committee.

MEMORANDUM

Date: August 27, 2018

To: Honorable Mayor Wimmer and Members of the City Council

From: Bradley C. DeWolf, P.E.
City Engineer

Jason W. Cook, P.E.
Assistant City Engineer

Subject: Bid Recommendation
2018 Storm System Maintenance
City of Isanti, MN
BMI Project No.: R13.115874

One bid was received on the 2018 Storm System Maintenance project on August 14, 2018. The bid was checked and tabulated and the final result is summarized as follows:

Bidder	Bid
Penn Contracting Inc.	$175,670.00
Engineer's Estimate	*$137,700.00*

Penn Contracting's bid is $37,970 or 27.6% over the engineer's estimate and above the anticipated budget. The low bidder interest and high bid amount may be due to the existing workload of contractors, the difficulty of the project, and the time of year bids were received.

We recommend the City reject the bid as submitted by Penn Contracting. This project could go out for quotes this fall or be rebid this winter for the 2019 construction season.

Jason will be at the September 4, 2018 City Council meeting to respond to any questions you have concerning the bid.

Please contact me with any questions or if you would like any additional information prior to the meeting as well.

Bolton & Menk is an equal opportunity employer

RESOLUTION NO. 2018-xxx

A RESOLUTION REJECTING THE 2018 STORM SYSTEM MAINTENANCE PROJECT BID

WHEREAS, pursuant to an advertisement for bids for the 2018 Storm System Maintenance Project, one bid was received, opened, and tabulated according to law. The following bid was received complying with the advertisement:

Penn Contracting Inc.	$175,670.00

WHEREAS, the City did not receive other bids, and the City Engineer has determined that the bid received is high, and;

WHEREAS, the City Engineer is recommending that the bid be rejected:

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of Isanti, Minnesota, that;

1. The bid from Penn Contracting is rejected due to high project costs.

Adopted by the City Council this 4th day of September, 2018.

MEMO

To: **Mayor Wimmer & City Council Members**

From: Finance Director Betker

Date: September 4, 2018

Subject: 2019 Preliminary Budget and Levy Adoption

Background:

The proposed preliminary property tax levy is $2,762,777 and reflects an increase in the preliminary taxable market value for 2019 of 10.86%. The city will receive updated property tax values from the County in December.

The proposed preliminary property tax rate is 72.00%. A decrease of 9.55% from 2018.

As discussed in prior work sessions, other non-levy General Fund revenue sources have been adjusted to reflect prior year trends, rates per the fee schedule, and known agreements and trends.

General Fund expenditures have been adjusted based on prior year actual costs, current year expenditures thru June, actual maintenance agreements and contracted costs. All wages include a 3% COLA for 2019 and include the necessary step increases, where applicable. Dental Insurance, Worker's Compensation, Property/Liability/Volunteer Insurance, and Life/AD&D Insurance have all been adjusted to reflect premiums paid in 2018 and any necessary inflationary factor was applied. Health Insurance has increased 15.8%. The following is a summary of changes made to the budget since the last budget work session:

- Health Insurance Renewal Rate changed to 15.8% increase up from prior 10% assumption.
- Modify Maintenance Tech II position health insurance coverage election.
- Correct steps for Planner from compensation steps 1 & 2 in 2019 to steps 2 & 3.
- Adjust transfer to EDA based on change in health insurance costs.
- Increase building permit revenue from 200k to 300k to better reflect recent trends.

RESOLUTION NO. 2018-xxx

RESOLUTION SETTING THE 2019 FINAL BUDGET AND LEVY MEETING

WHEREAS, before September 30, 2018, at the regularly scheduled meeting at which the City Council adopts a proposed tax levy, the City Council must also announce the time and place of the council meeting at which the budget and levy will be discussed and a final budget and levy will be determined;

WHEREAS, the time and place of the meeting that allows for citizen input and deals with the budget and levy must be included in the minutes;

WHEREAS, the following information must be provided to the county auditor:

- Time and place of one regular council meeting at which the budget and levy will be discussed and at which a final budget and levy will be determined
- Phone number that city taxpayers may call if they have questions related to the auditor's property tax notice.
- Address where comments will be received by mail.

NOW THEREFORE BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ISANTI, MINNESOTA AS FOLLOWS:

1. That the City Council has set the following meeting date at which the budget and levy will be discussed, and the final budget and levy will be determined.

   Tuesday, December 4, 2018 at 7:00 p.m.

2. That the City Clerk is hereby instructed to transmit a certified copy of this resolution to the County Auditor of Isanti County, Minnesota and provide the following information:

   a. Phone Number – Isanti City Hall, (763) 444-5512
   b. Mailing Address – Isanti City Hall, PO Box 428, Isanti, MN 55040

This resolution is duly adopted by the Isanti City Council this 4th day of September 2018.

CITY OF ISANTI
PLANNING COMMISSION
JULY 17, 2018

1. Meeting Opening.

A. Call to Order.

Chairman Wimmer called the meeting to order at 7:20 p.m.

B. Pledge of Allegiance.

The Pledge of Allegiance was recited.

C. Roll Call.

Members Present: George Wimmer, Steve Lundeen, Dan Collison, Ross Lorinser, Paul Bergley.

Members Absent: Joey Lemay, excused.

Staff Present: Ryan Kernosky, Community Development Director.

1D. Agenda Modifications.

Motion by Lundeen, seconded by Collison to adopted the agenda, approved unanimously.

2. Approval of the Minutes from the July 3, 2018 Planning Commission

Motion by Collison, seconded by Lundeen to approve the minutes from the July 3, 2018 Special Planning Commission meeting, approved unanimously.

3. Public Hearings

A. Request from La Crosse Sign Co. on behalf of Kwik Trip Inc. for a Conditional Use Permit to install dynamic signage at 400 E Dual Blvd NE (Legally Described as Lot 1, Block 1, Kwik Trip 1019)

Chairman Wimmer opened the public hearing at 7:21 p.m.

No one spoke during the public hearing.

Chairman Wimmer closed the public hearing at 7:22 p.m.

Motion by Lundeen, seconded by Collison to recommend approval of the Conditional Use Permit for La Crosse Sign Co. for the installation of dynamic signage at 400 E Dual Blvd NE (legally described as Lot 1, Block 1, Kwik Trip 1019). Motion passed unanimously.

4. Discussion Items

A. No discussion items.

5. Adjournment

Motion by Bergley, second by to Lundeen to adjourn the July 17, 2018 meeting of the Planning Commission. Motion was unanimously approved.

The meeting adjourned at 7:22 p.m.

Dated at Isanti, Minnesota this 20th day of July, 2018.

Respectfully submitted,

Ryan Kernosky
Community Development Director

CITY OF ISANTI
PARKS, RECREATION, AND CULTURE BOARD
MEETING MINUTES
July 24, 2018
City Council Chambers

1. Meeting Opening.

A. Call to Order.
Zdon called the meeting to order at 6:00 p.m.

B. Pledge of Allegiance.
Everyone stood for the Pledge of Allegiance.

C. Roll Call.
Members Present: Jennifer Garvey, Jeff Johnson, James Witte, Aaron Zdon, and Mayor Wimmer
Staff Present: Katie Everett, Parks, Recreation, and Culture Manager

D. Agenda Modifications.
Zdon asked if there were any agenda modifications; there were none. Motion by Garvey, second by Wimmer to approve the agenda for the July 24, 2018 Parks, Recreation, and Culture Board Meeting.

2. Approval of Minutes from June 26, 2018 Parks, Recreation, and Culture Board Meeting

Motion by Johnson; second by Witte. Minutes were unanimously approved.

3. Activity Stencils – Academy Park

Everett explained reminded the Board what the stencils look like. A while back we had found that we couldn't get the same hopscotch for Bluebird and the Park Board decided to get the activity stencils in place of those. Public Work will be putting them out at Bluebird. There are two places where the trail comes up to the playground, so we're going to do a circuit out of the playground, onto the trail, and back into the playground. They'll do that in the next couple of weeks. We're wondering, so we get enough paint, if we should do something similar at Academy Park. Everett went out with Erickson, the summer intern, and found that it will take use the area from the curve around the playground. If the Board is interested in doing that, we will do that. Garvey said that she thinks it's a great addition. Zdon said that now that we have them it's just paint and staff time, so it's a pretty affordable thing to add in. Everett added that we should be able to reuse the stencils many times to touch them up in the future as well. Johnson asked what the stencils say. Everett said that there is one that says tightrope, one that is stones so it says step, another is log and that says jump, there's a snake that says tiptoe, one is a crab crawl, and there are ants that say march. Everett will let Public Works know to put the stencils at Academy Park as well. They will use street paint, so we'll have blue, white, and yellow paint. Some of the stencils need two colors to look right.

4. Fir Street Parcel Planning Timeline

Everett stated that she provided a second page with scale for a shelter included. She added that those pictures are just meant to give visuals for what existing things in that space would be. The stage the Board is in now, is for them to choose options for Everett to look into further. She will then come back with those ideas mostly as an information piece until future planning allows for the project to move forward. A basketball court fills up most of the distance from front to back, and then there's some extra space on the sides which could give a buffer for those houses. Or if we put in a shelter, there's an idea in the picture of what space we have to work with. Witte said he thinks a basketball court or exercise equipment. He's not sure if a shelter or grill would be used. He doesn't see people using the charcoal grills as often. Garvey and Zdon agreed, and Zdon mentioned that people probably have their own grills at home. Zdon stated that he likes the idea of exercise equipment and/or a shelter. There's a basketball court around the corner not too far from there, that actually does get used. He mentioned that his son goes there, but he's not sure how many other people are

using it. Zdon said that some outdoor exercise equipment would be good, that stuff is pretty cool. Mayor Wimmer added that we'd be looking at exercise equipment for the trails on the other side of 65, so maybe there's something that could tie together doing that at the same time as this one. Zdon said maybe there could be some savings if we bought two of each instead of one of each. Witte asked if we'd still send out a survey to the neighborhood. Everett clarified that at some point in the future we can send out a survey that says "These are the options that the City has found feasible, and we want your feedback before moving forward." That's kind of what we're looking at. Garvey said that it's hard to predict the future because there's going to be another great idea down the road that we don't know about yet, but bocce ball is an area that other cities are getting into with permanent courts. Everett added that the casual yard game idea is coming around right now. Garvey said that there are concrete cornhole or bean bag games too, since horseshoes are kind of on their way out. She said she doesn't necessarily want to put in concrete ones because it might be obsolete in ten years, but that type of thing. She said there are also special bocce "courts." Wimmer said that the biggest suggestion we get is pickleball. Cambridge has done that, and they've actually started teaching that in school. If we're looking at different type of court that we get a lot of requests on, that would be it. Zdon said it wouldn't have to be centered, it could be to one side and you'd still have room for a shelter and some exercise equipment or something depending on the budget. Garvey said that if we get into a basketball court, or a court like this, it increases the cost significantly; but whereas we have more of a passive type of activity, the cost might not be as high. She agrees that pickleball and basketball are huge right now. The board commented that pickleball might just be a trend. Garvey said that maybe we do a surface that could be multipurpose. It could be something with different stripes for a multipurpose structure. She said she knows we're in the very beginning stages, but those different ideas to start getting cost ideas. Johnson mentioned that there are lot of little kids in that area, from 4 to 12 years of ages. He doesn't know if we can focus on something for them; we're kind of focusing on adult activities more than kids. He's been through there and there a ton of little kids. Zdon said that their nearest playground is what used to be the Tot Lot; Wimmer added that Rum River is close too. Wimmer stated that what we have run into with the play parks is that yeah, they're there now, but 3 years from now they have no interest in doing it. That's why we've tried to mix up with just active space kind of stuff. Everett stated that in her outdoor education experience, if you give kids outdoor space and tell them to entertain themselves, they will. Sometimes just an open space is kind of the best thing, and then people can use it the way they want to instead of being restricted. Garvey said that a lot of the lots around there are smaller where the kids don't have that space they need. It'd be two or three yards wide that they'd need to get a kickball game going or something, so she likes the idea of open space. She mentioned that playground equipment really ups the cost too. Johnson asked if those are the exact measurements. Everett said that they're not; they're just as close as she could get on GIS, but the property lines are not exact in that program. Johnson said it's a pretty large area, there's just the light post and electrical box. Everett stated that to get exact dimensions we'd have to get a survey done and that costs money. This gives us an idea. She said for now, she'll look into options for a multiuse court, maybe there's a cool version of a yard game set up – more of a passive thing, and exercise equipment that could maybe be incorporated into both places. Witte said that he assumes there's exercise equipment for children too. Everett said that there definitely is, and there are some really fun kind of ninja warrior things out now too. Some of those have kid versions up to adult elements in them.

Everett stated that this will come back in the fall; she'll put together some mock-ups for the board. Then we'll just kind of leave it there for now. We're working on doing some comp plan stuff in the next couple of years, so if it makes sense maybe we can do it with some of that. But we don't really want to get it out there until we have money to do it.

5. Parks Updates

Everett said that we're in the thick of things. Passport to Parks is still open. She's hoping to get a lot more of those in. There are a lot out in circulation, and she's had people tell her they're working them. We are planning to split the Grand Prize into three drawings this year. The first 100 people still get their prize when they turn them in. They're due August 3rd.

The July street dance went well. Jonah and the Whales are great to work with. They commented that they love coming here and our crowd is always awesome. She has actually gotten that comment from our food vendors and other bands that they love coming to Isanti because people here are really respectful and everyone is having a good time. It's great to hear that about our community.

Everett provided the schedule for Celebrate Isanti in the agenda. If the board knows of any groups that want to be involved to let her know. She just got the soccer club's registration so they will be there. BMX is planning to be open during the kids festival so people can at least see inside the arena. Public Works has some really cool things going on this year too. They're bringing over all the plow blades for us, and people will get to see the plow. They have a semi trailer with a simulator in it that people will be able to go in and kind of test drive some of the equipment that Public Works uses. That was a partnership with the union, so they're trying to get more people involved with labor jobs as well, but it's at no cost to us. It's a cool chance for people to see what Public Works does for the City. The race is being chip-timed this year. We're still looking for more registrations, but we're getting there. The link is on website. There's a whole page on the website with the detailed event information, so people can be directed there if they have questions, or they can contact Everett. The Street Dance is Bad Girlfriends. The car show is expecting a really good turnout; there used to be a car show in Oak Grove that they're not doing this year. Staff ordered some sunglasses for the event as well.

The farmers market is going really well this year. As of this week, we are almost $200 over our total vendor revenue from last year. And we are 9 out of 19 weeks through the season. It's hard to compare just vendor numbers because we have more new vendors that signed up for full seasons or half seasons this year. It's not a great comparison since we had many vendors just come once or twice last year. As far as how many booths have been full, we're well ahead of last year.

Everett stated that the cedar tree revetment was approved by City Council. The tentative schedule is for that work to be done in October. They will probably deliver the trees the week before. Everett will give an update on that as it gets closer.

Everett had sent out park project emails with updates. VFW park is complete and they're working on Mattson Park this week. We are going to hold off on Bluebird; it has taken longer than anticipated to get more mulch so we want to make sure the park looks good for Celebrate Isanti.

6. Adjournment

Motion by Witte, second by Johnson to adjourn the July 24, 2018 meeting of the Parks, Recreation, and Culture Board. Motion was approved.

The meeting adjourned at 6:24 p.m.

Dated at Isanti, Minnesota this 24th day of July, 2018.

MINNESOTA LAWFUL GAMBLING

LG220 Application for Exempt Permit

An exempt permit may be issued to a nonprofit organization that:

- conducts lawful gambling on five or fewer days, and
- awards less than $50,000 in prizes during a calendar year.

If total raffle prize value for the calendar year will be $1,500 or less, contact the Licensing Specialist assigned to your county by calling 651-539-1900.

Application Fee (non-refundable)

Applications are processed in the order received. If the application is postmarked or received 30 days or more before the event, the application fee is **$100**; otherwise the fee is **$150**.

Due to the high volume of exempt applications, payment of additional fees prior to 30 days before your event will not expedite service, nor are telephone requests for expedited service accepted.

RESOLUTION NO. 2018- XXX

A RESOLUTION APPROVING APPLICATION FOR AN EXEMPT GAMBLING PERMIT FOR NORTH BRANCH AREA EDUCATION FOUNDATION

WHEREAS, the City has received an application for an exempt gambling permit from North Branch Area Education Foundation to hold a fundraiser event on October 13th, 2018 at the Spirit River Community Center, 1320 County Road 5 NE; and

WHEREAS, the applicant estimates the value of prizes to be awarded is $3,000; and

WHEREAS, the City of Isanti has no objection to the conduct of lawful gambling by the applicant, in accordance with law, at the designated location.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota that the North Branch Area Education Foundation application for an exempt gambling permit is approved for the following date:

Saturday, October 13th, 2018
At the Spirit River Community Center; and

BE IT FURTHER RESOLVED, that approval is subject to:

a. A successful background check has been revived from the Police Department.
b. The approval for such permits under the laws of the State of Minnesota and their compliance with all laws.

This Resolution is hereby approved by the Isanti City Council this 4th day of September 2018.

DATE: August 24, 2018

RE: Warning Siren Maintenance Contract

Our existing siren maintenance agreement with Ready Watt Electric expires at the end of this year. Ready Watt has provided a new proposal for a 4 year maintenance agreement. Staff also contacted Granite Electronics, but they did not provide a proposal. The proposal from Ready Watt has the same pricing as the current agreement ($2140.00 per year). As per the past contract the batteries in the sirens will be replaced on a rotating basis.

The Finance Committee has reviewed the proposal from Ready Watt and is recommending approval. A resolution for your consideration is attached, as well as a copy of Ready Watt's proposal.

RESOLUTION NO. 2018-xxx

RESOLUTION APPROVING A CONTRACT FOR MAINTENANCE OF THE CITY'S OUTDOOR WARNING SIRENS

WHEREAS, the City has previously entered into a contract for maintenance of the city's outdoor warning sirens; and

WHEREAS, the current provider Ready Watt Electric has provided a new proposal for a contract for $2,140.00 per year for maintenance on the City's outdoor sirens, which includes annual maintenance service to the sirens, batteries and minor parts (if needed) for four years (2019 through 2022); and

WHEREAS, the Finance Committee has reviewed the proposal, including services by an alternate service provider and recommends entering into a four year contract with Ready Watt Electric.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota as follows: approves entering into a four year contract with for siren maintenance with Ready Watt Electric.

This resolution was duly adopted by the Isanti City Council this 4th day of September, 2018.

Attest: Mayor George A. Wimmer

Katie Brooks, Human Resources/City Clerk

Name / Address	Project
City of Isanti 100 Isanti Pkwy Po Box 428 Isanti, MN 55040-0428 Attention: Don Lorsung	19-22 Civil Defense Siren Maintenance

Description

A. Specifications:
Our company will provide preventive maintenance services for 4 year contract period on (4) civil defense sirens. This contract will include service calls per year for sirens; however, in the event of a radio problem, we will work with the radio repair facility for on site or shop repairs. However, any costs sustained in making radio repairs will not be part of this contract.

B. Costs:

RE: Sunday Liquor Store Hours

The Finance Committee requested review of Sunday Liquor Store hours, as we have passed the 1 year mark since Sunday sales were instituted. During the first year, Sunday hours were set at 11 a.m. to 6 p.m. After a review of customer counts per hour during various times of the year, the Finance Committee is recommending amending Sunday store hours to 11 a.m. to 4 p.m. for the months of November through March. For the remainder of the year store hours will be 11 a.m. to 6 p.m.

A resolution amending Sunday sales hours as proposed is attached for your consideration.

110-1st Avenue NW • P.O. Box 428 • Isanti, MN 55040-0428
Phone: (763) 444-5512 • Web Site: www.cityofisanti.us • Fax: (763) 444-5560

RESOLUTION NO. 2018-XXX

RESOLUTION AMENDING THE HOLIDAY POLICY AS IT RELATES TO THE LIQUOR STORE POLICIES

WHEREAS, State law on the off-sale of liquor on Sundays has changed and effective July 2, 2017, pursuant to state law off-sale of liquor in licensed premises will be allowed from the hours of 11:00 a.m. and 6:00 p.m.; and

WHEREAS, the City Council set Sunday Liquor Store hours in City Resolution 2017-143, to implement Sunday sales effective July 2, 2017; and

WHEREAS, it has been over a year since Sunday Sales were implemented. The Finance Committee has since reviewed Sunday sales and has made a recommendation that the Holiday Policy is amended as per Attachment A:

NOW THEREFORE, BE IT RESOLVED by the City Council of the City of Isanti, Minnesota:

1) To hereby amend the Isanti Liquor Policy for Holidays regarding Sundays that the Liquor Store will be open, as per Attachment A, Holidays.

This resolution was duly adopted by the Isanti City Council this 4th day of September, 2018.

HOLIDAYS

POLICY

Isanti Liquors is statutorily required to close the holidays of Thanksgiving and Christmas. In addition, Isanti Liquors remains closed the holiday of New Year's Day.

Regular hours of business on Sundays are: 11 a.m. to 6:00 p.m. from March through October and 11 a.m. to 4:00 p.m. from November through March.

Regular hours of business occur on the following holidays:

Martin Luther King's Birthday (third Monday in January)
Washington's and Lincoln's Birthday (third Monday in February)
Memorial Day (Last Monday in May)
Labor Day (first Monday in September)
Veterans Day (November 11)

Revised hours of business occur on the following days:

Independence Day (Monday – Thursday open until 8:00 p.m.), (Friday – Saturday open until 9:00 p.m.) and (Sunday open from 11:00 a.m.-6:00 p.m.)
Wednesday prior to Thanksgiving (open until 9:00 p.m.)
Christmas Eve (Monday – Saturday open 9:00 a.m. – 6:00 p.m.) and (Sunday open from 11:00 a.m.-4:00 p.m.)
New Year's Eve (Monday – Thursday open until 8:00 p.m.), (Friday – Saturday open until 9:00 p.m.) and (Sunday open from 11:00 a.m. – 4:00 p.m.)
Easter (Store closed)

The weekend or days leading up to a major holiday are the busiest, thus requiring more staff on duty. All employees not restricted by another employer are required to work the major holidays with no exceptions. Store management reserves the right to reject any requests for time off one week prior to a major holiday.

Holiday pay is not provided for permanent part-time (less than 30 hours) employees.

Subject: Resolution Opposing the Sale of Strong Beer, Spirits, and Wine for Grocery and Convenience Stores

---

Background:

Because of the negative impact that it would have on control and accountability, over 130 municipal governments in Minnesota have passed resolutions to prevent convenience stores and grocery stores from selling strong alcohol for off premise consumption.

Increased competition also has the potential to decrease profits generated by municipal liquor sales, which would decrease the amount of money available to the City of Isanti to reduce property taxes and fund special projects.

RESOLUTION 2018-XXX

A RESOLUTION OPPOSING THE SALE OF STRONG BEER, SPIRITS AND WINE IN GROCERY OR CONVENIENCE STORES

WHEREAS, the sale of strong beer, spirits and wine has long been regulated to preserve public health and minimize public safety concerns; and

WHEREAS, to promote public safety and public health, cities have an interest in preventing youth and at risk adults from obtaining alcohol; and

WHEREAS, increased alcohol availability is associated with increased alcohol related problems in youth, at risk adults, and the general public; and

WHEREAS, the public health risks of increasing youth access to alcohol and increased alcohol related motor vehicle accidents among youth caused by sale of strong beer, spirits, and wine in grocery and convenience stores are preventable; and

WHEREAS, the public supports existing regulations controlling the sale of alcohol to minimize the risk to youth, at risk adults, and the general public; and

WHEREAS, the public health risks of increasing youth access to alcohol and increased alcohol-related motor vehicle accidents among youth outweigh any convenience to the public of relaxing present regulations and allowing the sale of strong beer, spirits and wine in grocery stores and convenience stores:

NOW, THEREFORE, BE IT RESOLVED that the City Council of the City of Isanti, Minnesota, hereby opposes the sale of strong beer, spirits and wine in grocery and convenience stores.

This resolution was duly adopted by the Isanti City Council this 4th day of September 2018.

Request for City Council Action- MEMO

To. **Mayor Wimmer and Members of City Council**

From: **Josi Wood, Public Services Director/Asst. City Admin.**

Date: September 4th, 2018

Subject: Consider Resolution to Declare Metal as Scrap and Authorize Its' Disposal

---

Public Works has accumulated miscellaneous items that need to be disposed of. These items are as follows:

Scrap

Iron and Steel leftover from repairs
Old Signs
Old Sign Posts
Old Meter Bodies

Per policy, Resolution 2009-078, based on current pricing, Public Services Director obtained quotes and recommends taking the scrap metal to Northern Metal Recycling in St. Cloud for the best prices on scrap metals. Any items that cannot be taken as scrap will be disposed of.

Request:
It is requested that City Council review and take action on this item.

Attachment:

- Resolution 2018-XXX – Resolution to Declare Metal as Scrap and Authorize Its' Disposal

RESOLUTION NO. 2018-XXX

A RESOLUTION TO DECLARE METAL AS SCRAP AND AUTHORIZE ITS' DISPOSAL

WHEREAS, it has been determined that the Public Works Department has scrap metal that is of no use to the City; and,

WHEREAS, Resolution No. 2009-078 provides guidelines for the disposal of scrap metal; and,

WHEREAS, among solicited quotations, current pricing yields highest with Northern Metal Recycling in St. Cloud;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City of Isanti, Minnesota, to hereby authorize the following:

1. To declare scrap metal which includes but not limited to: old iron from repairs, aluminum signs, steel signs and old meter parts, located at the Public Works Facility as surplus property and authorize for its disposal.
2. The Public Services Director shall have the authority to sign all necessary paperwork to allow for the process for the disposal of scrap metal identified per this Resolution.

This Resolution was duly adopted by the Isanti City Council the 4th day of September, 2018.

MEMORANDUM

TO: Mayor Wimmer
Members of the Isanti City Council

FROM: Ryan Kernosky, Community Development Director

DATE: September 4, 2018

SUBJECT: **CONSTRUCTION HOURS FOR KWIK TRIP**

Kwik Trip has provided a letter asking for permission to perform construction between the hours 6:00 AM and 9:00 PM. Per Ch. 216-4(B)(m):

Construction activities. No person shall engage in or permit construction activities involving the use of any kind of electric, diesel, or gas-powered machine or other power equipment, manual tools, movement of equipment, and other activities except between the hours of 7:00 a.m. and 9:00 p.m. on any weekday or between the hours of 8:00 a.m. and 8:00 p.m. on any weekend or holiday.

Within Ch. 216-5(b): *Approved work. Upon timely application being made and the necessity therefor being established, the City Council may suspend the operation of this subsection for a specific purpose at a specific location and for a specific length of time by Council action and by giving public notice of the nature and limits of the suspension. The City Engineer may also authorize an exception for dewatering, mass grading, road construction, and other activities for Council approved projects.*

DOAC has reviewed the request and believes that, because the area is commercial and industrial, that this request be approved.

I've enclosed a letter asking for the exception and have put together a resolution. If approved, I will publish the notice in the paper.

RE: Kwik Trip 1019 – 400 E Dual BLVD NE – City Code Chapter 216-4 B.(4)(m)

Mr. Kernosky

This letter is in regards to City Code Chapter 216-4 Public nuisances affecting peace, safety and general welfare, subsection B. (4) item (m) Construction Activities.

Kwik Trip is requesting an alteration to this Code that prohibits working hours from 9:00PM – 7:00AM.

With the intensity of our construction schedule, Kwik Trip would like to propose these prohibited working hours be revised to 9:00PM – 6:00AM.

Activities occurring before 7:00AM would consist of; daily set-up, material lay-out, tool box talks, etc. High decibel activities would commence during the current City Code time frame.

Please let me know if you have any other questions or concerns regarding this request.

Thank you,

Steven Lowe

To serve our customers and community more effectively than anyone else by treating our customers, co-workers and suppliers as we, personally, would like to be treated, and to make a difference in someone's life.

RESOLUTION NO. 2018-XXX

A RESOLUTION APPROVING EXTENDED CONSTRUCTION ACTIVITY HOURS FOR KWIK TRIP, INC.

WHEREAS, Kwik Trip, Inc. has submitted a written request for extended construction hours to allow construction activities between 6:00 a.m. and 9:00 p.m.; and,

WHEREAS, Chapter 216-4(B)(m) states that no person shall engage in or permit construction activities involving the use of electric, diesel, or gas-powered machines or other power equipment, manual tools, movement of equipment, and other activities except between the hours of 7:00 a.m. and 9:00 p.m. on any weekday; and,

WHEREAS, Chapter 216-5(b) states that upon timely application being made and the necessity therefor being established, the City Council may suspend the operation of this subsection for a specific purpose at a specific location and for a specific length of time by Council action and by giving public notice of the nature and limits of the suspension; and,

WHEREAS, the Development and Operations Advisory Committee reviewed the request on August 23, 2018 and has recommended granting Kwik Trip's request; and,

NOW, THEREFORE, BE IT RESOLVED that the City Council of the City of Isanti hereby approves the request from Kwik Trip to extend working construction hours from 6:00 a.m. to 9:00 p.m. weekdays for the property at 400 E Dual Blvd NE commencing on September 6th, 2018 and concluding February 8th, 2019. **BE IT FURTHER RESOLVED** that the City Council of the City of Isanti hereby directs the Community Development Director to publish a public notice of the extended construction hours in the *Isanti County News.*

This Resolution is hereby approved by the Isanti City Council this 4th day of September, 2018.

Request for City Council Action

To: **Mayor Wimmer and City Council Members**

From: Chief Gene C. Hill **MEMO**

Date: August 29, 2018

Subject: Criminal Justice Data Agreement with Isanti County Sheriff's Office

---

Background:

The Police Department is not considered a 24 hour CJDN (Criminal Justice Data Network) agency with regards to receiving requests for confirming items that have been entered into the NCIC (National Criminal Information Center). All of our warrants, stolen items, missing persons, some criminal histories and so forth are entered / requested by the Isanti County Sheriff's Office on behalf of the Isanti Police Department because Isanti County Sheriff's Office is the 24 hour answering point in Isanti County.

The Police Department does have these capabilities; however, they are not monitored 24/7 as required by the MnBCA and the F.B.I. The Cities of Braham and Cambridge also fall into this category. This is common practice for most local municipal Minnesota Police Departments because they do not have their own dispatch center.

Isanti County Auditor's Office is requesting updated agreements with current signatures from Chief Law Enforcement Officers from each of the three Police Department's in the County.

Action:

For the City Council to review and approve its Chief of Police to have the authority to enter into and sign an agreement that allows criminal justice information sharing between the Isanti Police Department and the Isanti County Sheriff's Office as outlined in the standardized agreement attached.

Respectfully,

Chief Gene C. Hill

RESOLUTION NO. 2018-XXX

A RESOLUTION AUTHORIZING TO ENTER INTO AN AGREEMENT BETWEEN THE CITY OF ISANTI POLICE DEPARTMENT AND THE ISANTI DEPUTY SHERIFF'S OFFICE TO SHARE CRIMINAL JUSTICE INFORMATION

WHEREAS, the Isanti Police Department is not a 24/7 public answering point with continually monitored access to the National Criminal Information Center (NCIC) and the Minnesota Criminal Justice Data Network (CJDN), and;

WHEREAS, the Isanti County Sheriff's Office is the 24/7 public answering point for all of the law enforcement entities in Isanti County, and;

WHEREAS, an agreement is required by the Minnesota Bureau of Criminal Justice (MnBCA) and the Federal Bureau of Investigations (FBI) for its police department to receive and share information with the Isanti County Sheriff's Office on its behalf, and;

WHEREAS, this agreement meets the requirements of the MnBCA, FBI and the Isanti County Auditor's Office to allow this criminal information to be shared, and;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota as follows:

1. To grant authority to allow its Chief of Police to enter into and sign this agreement with Isanti County Sheriff's Office to share criminal justice data/information in accordance to the rules and regulations that are required by the MnBCA and FBI.

Adopted by the Isanti City Council this 4th day of September, 2018.

Attest:

Mayor George A. Wimmer

Human Resources/City Clerk

AGREEMENT

Between

Isanti Police Department and Isanti County Sheriff's Office

relating to

NATIONAL CRIME INFORMATION CENTER TELECOMMUNICATIONS

WHEREAS, Isanti Police Department has access to certain Criminal Justice Data Network (CJDN) data based including Wanted Persons, Missing Persons and Stolen Property records, and;

WHEREAS, it is in the public interest for Isanti County to perform certain categories of CJDN telecommunication messages for the Isanti Police Department, and;

WHEREAS, it is required by National Crime Information Center (NCIC) rules and regulations to enter into the following Agreement setting forth the responsibilities and rights assumed by the parties to this agreement relating to the telecommunication of CJDN data.

NOW, THEREFORE, in consideration of the mutual covenants contained herein, the parties herein agree as follows:

1. All CJDN communications on behalf of the Isanti Police Department utilizing the Isanti Sheriff's ORI shall be relayed through the Isanti Sheriff's dispatch center terminals within a reasonable time after requests therefore are received from the Isanti Police Department.

2. All NCIC communications entered into the CJDN by the Isanti County Sheriff on behalf of the Isanti Police Department shall utilize the ORI for the Isanti County sheriff and shall note the Isanti Police Department in the miscellaneous field of the entry.

3. The Isanti Police Department remains responsible for the accuracy of the law enforcement data provided to the Isanti County Sheriff and remains responsible for modification and cancellation in a timely manner of all law enforcement messages which it has introduced into the CJDN through the Isanti County Sheriff.

4. The Isanti Police Department agrees to maintain all original law enforcement records as required by NCIC regulations, and applicable data practices statutes, rules, and regulations and remains responsible for completing all CJDN validation reports.

5. The Isanti County Sheriff agrees to modify or cancel the messages described in this agreement pursuant to the authority of the Isanti Police Department within a reasonable time after receipt of requests therefore from the Isanti Police Department.

6. Isanti Sheriff's liability will be limited to the timely and accurate transmission of the Isanti Police Department's messages, records and data described in this Agreement.

7. The Isanti Sheriff agrees to respond within 10 minutes to all the hit confirmation records marked "urgent" and one hour on all requests marked "routine" on records the Isanti County Sheriff enters in the CJDN for the Isanti Police Department. Isanti County Sheriff's response shall indicate a positive or negative confirmation, or a notice of the estimated amount of time necessary to confirm or reject the record confirmation.

8. The entire Agreement of the parties is contained herein and this Agreement supersedes all oral Agreements and negotiations had between the parties relating to the subject matter hereof.

9. Any alterations, amendments, deletions, or waivers of the provisions of this Agreement shall be valid only when reduced to writing and duly signed by the parties herein.

10. The term of the Agreement is from the date of the last signature hereto and shall continue until terminated as provided herein.

11. This Agreement may be terminated by either party at any time with or without cause, upon sixty (60) days written notice delivered to the address of the parties specified above.

12. This Agreement will automatically be terminated sixty (60) days from the date that the Isanti Police Department becomes a terminal agency having direct access to the CJDN. At the earliest practicable date, the Isanti Police Department will notify the Isanti County Sheriff in writing delivered to the Isanti Sheriff that the Isanti Police Department will or has become a terminal agency.

PLANNING COMMISSION
AUGUST 21, 2018

1. Meeting Opening.
A. Call to Order.
Chairman Wimmer called the meeting to order at 7:17 p.m.

B. Pledge of Allegiance.
The Pledge of Allegiance was recited.

C. Roll Call.
Members Present: George Wimmer, Steve Lundeen, Dan Collison, Ross Lorinser, Paul Bergley, Joey Lemay.

Members Absent: None.

Staff Present: Ryan Kernosky, Community Development Director.

1D. Agenda Modifications.
Motion by Lundeen, seconded by Lorinser to adopted the agenda, approved unanimously.

2. Approval of the Minutes from the July 17, 2018 Planning Commission
Motion by Lorinser, seconded by Lundeen to approve the minutes from the July 17, 2018 Planning Commission meeting, approved unanimously.

3. Public Hearings
A. None

4. Discussion Items
A. 2018 Quarter 2 Community Development Director's Report

Community Development Director Kernosky provided his 2nd quarter Community Development Report. Mayor Wimmer asked Director Kernosky to discuss what the MS4 Technician will be, and why we need it. Director Kernosky stated that the MPCA designated the City of Isanti to become an MS4 (Municipal Separate Storm Sewer System) community, and this unfunded mandate requires we rigorously enforce State standards to prevent illicit discharge from entering into our storm sewer system. Due to the large amount of new construction, the City budget for a part-time MS4 Technician to assist with enforcement and reporting.

5. Adjournment

Motion by Lundeen, second by to Lorinser to adjourn the August 21, 2018 meeting of the Planning Commission. Motion was unanimously approved.

The meeting adjourned at 7:22 p.m.

Dated at Isanti, Minnesota this 22nd day of August, 2018.

Respectfully submitted,

Ryan Kernosky
Community Development Director

CITY OF ISANTI
PARKS, RECREATION, AND CULTURE BOARD
MEETING MINUTES
August 28, 2018
City Council Chambers

1. Meeting Opening.

A. Call to Order.
Garvey called the meeting to order at 6:00 p.m.

B. Pledge of Allegiance.
Everyone stood for the Pledge of Allegiance.

C. Roll Call.

Members Present:	Jennifer Garvey, Jeff Johnson, and Mayor Wimmer
Members Absent:	James Witte and Aaron Zdon
Staff Present:	Katie Everett, Parks, Recreation, and Culture Manager Ryan Kernosky, Community Development Director

D. Agenda Modifications.
Garvey asked if there were any agenda modifications; there were none. Motion by Wimmer, second by Johnson to approve the agenda for the August 28, 2018 Parks, Recreation, and Culture Board Meeting.

2. Approval of Minutes from July 24, 2018 Parks, Recreation, and Culture Board Meeting

Motion by Wimmer; second by Johnson. Minutes were unanimously approved.

3. Bike and Pedestrian Plan Update (Ryan Kernosky, Community Development Director)

Kernosky explained that the what is included in the packet is the visualization of the future Bicycle and Pedestrian Plan. It was taken from comments by this body and members of staff. You'll notice there are lot of extensions of sidewalks and multimodal paths, things of that nature. What I've also done is considered future road planning in the community – future collector streets and major and minor arterials – then ran multimodal paths next to those future streets. The numbers of the maps are associated within the other part of the document with what needs to occur, who is responsible for that, and then kind of a general timeline. A lot of them are going to be as the property develops as the developer's responsibility. That would include sidewalk extensions and some multimodal transportation extensions. There are future options for bridges, and that was something that came up with the submitted documents from this board, that we need to have something that identifies possible future extensions for a pedestrian and bike bridge and/or tunnel to go under 65 to connect the west side to the east side. Kernosky asked the board for questions or feedback. Everett stated that Zdon provided comment ahead of the meeting that Isanti Parkway by Bluebird Park and BMX was a top priority as well as along County Road 5. Kernosky stated that the portion along Isanti Parkway is a future extension of the multimodal path and the City controls all of the frontage, so when the City would decide to do that extension it would be much easier than some other parts. County Road 5 is a challenge because the City has no jurisdiction over that road, but we would look forward to working with the County to ensure bike lanes, sidewalks, or multimodal paths are installed to enhance the safety of that corridor. Wimmer added that the issue with that is that the County has stated repeatedly that they don't have right-of-way in that area as we've tried to work with Safe Routes to School grants. The issue comes in adding to the north side, those homes have very small frontages so they've been less than excited about wanting to have a sidewalk or trail in that area as well. We did try a couple of years ago to have discussion of having a bike lane through there (doesn't do anything for pedestrian traffic), but the County did adopt last year incorporating bike routes on County highways. That may help move that along. Everett asked if we get any sort of notice when the County is planning to do a construction project so we can provide the input that these things are important. Wimmer said that if it's through the City, yes it goes to the Engineering staff. We are not involved in design and things along that line. That's why it was important to get the bike portion in their overall planning so when they look at redoing County highways they're looking at doing that. Their board has changed their direction on that, starting last year.

DRAFT

Everett asked if in the Isanti Hills area where there are no sidewalks if there is enough space to add sidewalks the next time the roads are done. Kernosky stated that those streets do have a 60 foot right-of-way, so it could be just like with Palomino with the addition of a sidewalk and a 4- or 5-foot tree boulevard. It is all 60 or 66 foot right-of-way depending on the street in that neighborhood.

Garvey thanked Kernosky for his work on the document. Kernosky added that he is aiming to present the final document at the September meeting.

4. Community Garden Discussion

Everett stated that board has images of what the garden looks like, and explained that we actually have four raised beds and have removed the table options. The areas on the north side of the garden were left open on purpose when we designed the garden so that we could expand in a way that made sense based on the kind of participation we got with the garden. Both of those spaces have taken a lot of time for maintenance because weeds grow very fast out there. Essentially we have room for 33 more plots if follow the same 10'x10' model on the north section. The maps give an idea if we do one side or the other. A couple of things to consider: we can turn it all into plots and tell the school and the Master Gardeners that they can reserve actual plot spaces instead of having an open space that they have to maintain everything. That may be easier for them to handle, and then we might get more participation out of them as well. This kind of thing then, Public Works can just till and it goes a lot faster, even if next year an entire row were to not be used, the maintenance of doing something like that goes a lot faster. Everett has not heard yet from School For All Seasons if they're considering incorporating that into their curriculum this year, but this year they did not participate and previous couple of years it was really a struggle for them to maintain the big space over the summer. This year, the Master Gardeners have kept up pretty well, but Everett thinks it was more space than they really needed too. She hasn't gotten a report from them yet on how many families were involved with that. Everett said that there would be some cost associated with mulch to make the paths, but nothing too considerable since we have to buy mulch for playgrounds every year anyway. Wimmer asked if we were just about full this year. Everett confirmed that all 60 plots were reserved this year and all 4 raised beds, but we do have 2 more raised beds that we can add if they are reserved. Everett explained she spoke with a gardener at the pot luck whose wife is in a wheelchair, and he said they have a couple of those tables at home. So it may be that most people have space for that size table at home, so that might be why they weren't rented from us. It's good to be able to accommodate people, so maybe there's a different way we can do that to make it more worth someone's while. Everett stated that she doesn't know that we'll get more than 50% more reservations, so if we do all of it at once we may have some empty plots again in 2019.

Wimmer stated that he thinks we should look at doing at least a 10% increase in plots for next year, so that's just adding 6 more plots. Garvey asked if it would make sense to keep going in the straight row format so we as we add more in the future it keeps going that way. Wimmer thought it would, especially sense most people out there with more than one plot have them in the same row. We have a fair amount of people that have more than one plot, so that would make it consistent. Garvey asked if it would be an option if we opened up one of the lines [on the west side], knowing the rest is still future plots, to keep the pollinator plants. She asked if the pollinator plants perennials or annuals. Everett explained that they're most perennial. In that section right now there were some plugs that we planted and many of them now have been eaten by rabbits. Last year and this year, we planted some wildflower seed to cover the area and this year we planted more plants. We do have a row of some Black Eyed Susans, coneflowers, and hyssop that came back really well this year. Potentially some of that will want to come back next year, and we can move the bigger plants if we decide we want to use that space for plots. Garvey said she would like to see the pollinator garden continued if that's a possibility. Everett said that the community gardeners have been really interested in pollinators too, and many of them plant flowers too. At the point that the whole garden is plots, we potentially could plant some of those pollinator plants around the garden sign or somewhere in the area too. It would still be beneficial to the garden. Garvey added that she thought if we provided plots for the school and Master Gardeners, that would be a better option because it is more manageable on their side of it, and then it fits in more with what we're offering at the garden too. Whether it's that we don't sell out the new plots and we let them use those, we can always work at it each year a little differently.

Everett summarized that we are going to leave the educational plot area as-is for next year, but do the farthest left row – does that feel too disconnected from the rest of the garden? Wimmer said we could do the interior line,

since the ones on the outside are the ones that get the most visitors. Garvey agreed that it would make sense to do the row closest to the raised beds and then expand outside.

5. Parks Updates

Everett gave a summary of summer events. She said that she got great feedback about Celebrate Isanti. Lots of families with young kids came out to the Kids' Festival, and they all loved the simulator. It was super cool for the kids to get to try out that equipment. The Union said that it was a good event for them too, and we hope that they want to come back. Wimmer said that in talking with them, it sounds like once we get them a date they'll get it scheduled. Everett said that it sounded like the car show went pretty well; she didn't get final numbers but when she talked to the organizer at the event it sounded like there were at least 150 cars. The street dance went really well. Bad Girlfriends was a good band and they said they had a good time and are interested in coming back. BMX was open that day, and they said they had a good handful of people sign up for activities after the event so it was worth their time to be open. Wimmer said he talked to them and they got a lot of new riders out of it.

Everett explained that Curious Creatures went really well. The only time we've been able to hold those is at Mattson Park because there's a person who does home daycare and she brings her kids over. This time we had a bunch of unrelated people come too, so hopefully we can get them to come back and maybe come to some of the other parks too. The next one is at River Bluff and it is a harvest theme.

Everett stated that the Farmers' Market goes through the end of September so there are 5 weeks left. She is still continuing to get new vendors. At next month's meeting she will give a full report about how the season went, but it's looking like overall it went really well.

Everett added that there was a potluck out at the Community Garden and there were about 8 people there. They were the people that usually come out for things, and they have a lot of good feedback about what's growing out there and how to help each other out. They did mention that the picnic the Cambridge community garden does has some awards for people's plots. That could be something fun to think about doing as well. They have the Master Gardeners go around and decide on the best the plot, most creative, and it sounds like there's one for something like the weediest plot too. That kind of idea is interesting because it might hold people more accountable when they know that people are looking at what they're doing. Everett will look into doing something like that next year. This year it was just really casual and we asked people to bring something to share that was made with something from the garden. The garden is open through mid-October.

Everett gave an update on fall programs as well. Movie Nights start in October, and the volunteer groups we've had in the past have been emailed the sign up form. If the board has ideas of local youth organizations that might want to take over concessions for a night to let her know. Hopefully we get all of the dates filled again. New this fall is family day at Legacy Park on October 6. It will include fun fall things, and a lot of people go out there to take family photos so we'll have options for families to do that too. We haven't done anything like this one before, so we'll see how it goes.

6. Adjournment

Motion by Johnson, second by Wimmer to adjourn the August 28, 2018 meeting of the Parks, Recreation, and Culture Board. Motion was approved.

The meeting adjourned at 6:27 p.m.

Dated at Isanti, Minnesota this 28th day of August, 2018.

Respectfully submitted,

Katie Everett

Katie Everett
Parks, Recreation, and Culture Manager

Proclamation

Whereas: Manufacturing is a dynamic and robust industry, crucial to the health and strength of Minnesota's diverse economy; and

Whereas: The manufacturing industry contributed $49.2 billion to Minnesota's economy in 2017, and at 16 percent, is the largest sector contributing to the state's private gross domestic product; and

Whereas: In 2017, workers took home $21 billion in wages from Minnesota manufacturing jobs, the second-highest amount among the state's business sectors; and

Whereas: Manufactured exports brought $19 billion into the Minnesota economy in 2017; and

Whereas: Manufacturing provides 319,000 highly skilled, well-paying jobs, which significantly contribute to Minnesota's high standard of living and economic vitality; and

Whereas: Manufacturing in Minnesota pays an average annual wage of $65,728, which is 16 percent higher than the state's overall average wage.

Now, therefore, I, George A. Wimmer, Mayor of the City of Isanti, do hereby proclaim that the week of October 1 to October 7, 2018 shall be observed as:

MINNESOTA MANUFACTURING WEEK

in the City of Isanti, Minnesota on this 18th day of September, Two Thousand and Eighteen.

_____

Mayor George A. Wimmer

AGENDA
CITY OF ISANTI
CITY COUNCIL MEETING
TUESDAY, SEPTEMBER 4, 2018 – 7:00 P.M.
CITY HALL

F.1.

I. Citizens Input
None.

II. Agenda
Mayor Wimmer called the meeting to order at 7:00 p.m.

The Pledge of Allegiance was recited.

Members Present: Mayor George Wimmer, Council Members: Paul Bergley, Dan Collison, Steve Lundeen, and Ross Lorinser

Members Absent: None.

Staff Present: Community Development Director Ryan Kernosky, Assistant City Engineer Jason Cook, Human Resources/ City Clerk Katie Brooks, City Administrator Don Lorsung, Finance Director Mike Betker, and City Attorney Clark Joslin

Others Present: Isanti County Commissioner Mike Warring, Jeff Johnson, Lisa Johnson, Arissya Simon, George Heman, Elizabeth Anderson and Jared Charles

D. Adopt Agenda
Motion by Lorinser, second by Lundeen to approve the Agenda as presented. Motion carried.

E. Proclamations/Commendations/Certificate Awards
None.

F. Approve City Council Minutes
1. August 21, 2018 – Regular Meeting of the City Council

Motion by Lundeen, second by Bergley to approve minutes as presented. Motion carried.

G. Announcements

1. Special City Planning Meeting	Tuesday, September 11, 2018 at 7:00 p.m.
2. City Council Meeting	Tuesday, September 18, 2018 at 7:00 p.m.
3. Planning Commission Meeting	Tuesday, September 18, 2018 at 7:00 p.m. *(Immediately following City Council Meeting)*
4. Park, Recreation, and Culture Board Meeting	Tuesday, September 25, 2018 at 6:00 p.m.

H. Council Committee Reports
None.

I. Public Hearings
None.

J. Business Items
1. Interview Applicant for the Vacant Term Seat Planning Commission Board (*Mayor Wimmer*)
    a. **Resolution 2018-199** to Appoint Candidate to Fill Vacant Planning Commission Board Seat

Applicant Arissya Simon was interviewed by Mayor Wimmer for the open Planning Commission seat. Ms. Simon was asked questions specific to the Planning Commission.
Motion by Lorinser, second by Collison to approve and appoint the applicant to the seat. Motion carried.

City Administrator Don Lorsung

2. **Resolution 2018-200** Approving the Purchase of a Replacement Generation RIO H4 Miox Chlorination Unit for the Water Treatment Plant

Assistant City Engineer Jason Cook shared the price comparison for repairs to the existing Chlorination system and the cost of replacing with a new Chlorination system.
Mayor Wimmer added that replacing a portion of the system now may lead to the system needing repairs in the future and potentially be more costly than replacing the Chlorination system as a whole.
Motion by Lorinser, second by Collison to approve the request as presented. Motion carried.

Assistant City Engineer Jason Cook

3. **Resolution 2018- 201** 2018-2029 Capital Improvement Plan

Assistant City Engineer Jason Cook explained that 2010 was the last Capital Improvement Plan.
Assistant City Engineer Jason Cook clarified the current plan will expire in two years; with the need for updates. Assistant City Engineer Jason Cook also noted that the updates included a 10-year Payment Management Plan 2014, 5-year Storm Water Management plan, 2017 Water Tower evaluation, and 2018 for a Service Area Extension. Council Member Bergley asked if the City is responsible for $4.163 Million.
Motion by Lorinser, second by Collison to approve request as presented. Motion carried.

4. **Resolution 2018- 202** 2018 Storm System Maintenance Bid

Assistant City Engineer Jason Cook explains that the City only received one bid for $175,675 which was over the engineers estimate. It was recommended to reject the bid and receive another bid in the winter.
Council Member Collison asked what type of maintenance is needed and wondered if Public Works was able to do the work. Assistant City Engineer Jason Cook responded affirmatively that it includes simple tasks. However, others are more extensive.
Motion by Collison, second by Bergley to reject the bid and have the Public Works Committee review the scope of the work. Motion carried

Finance Director Mike Betker

5. 2019 Preliminary Budget and Levy Adoption
    a. **Resolution 2018-203** Setting the 2019 Final Budget and Levy Meeting
    b. **Resolution 2018-204** Approving the 2019 Preliminary Budget for the City of Isanti
    c. **Resolution 2018-205** Adopting the Proposed 2018 Tax Levy Collectible in 2019 for the City of Isanti

Finance Director Mike Betker shared that the proposed property tax rate is 72%, a 10% decrease from the 2018 Budget and the Health Insurance renewal rate is 15.8% where previously previous assumption had been only 10%. Mayor Wimmer added that there is an 11% increase in the Market Value for the City for 2018.
Motion by Lundeen, second by Collison to approve Preliminary Budget and Levy Adoption. Motion carried.

K. Approve Consent Agenda

1. Consider Accounts Payable in the Amount of $243,168.76 and Payroll in the amount of $97,095.48
2. Final Minutes of the July 17, 2018 Planning Commission Meeting
3. Final Minutes of the July 24, 2018 Park, Recreation and Culture Board Meeting
4. **Resolution 2018-206** Approving Exempt Gambling Permit for North Branch Area Education Foundation
5. **Resolution 2018-207** Approving a Contract for Maintenance of the City's Outdoor Warning Siren

6. **Resolution 2018-208** Amending the Holiday Policy as it Relates to the Liquor Store Policies
7. **Resolution 2018-209** Opposing the Sale of Strong Beer, Spirits and Wine in Grocery and Convenience Stores
8. **Resolution 2018-210** to Declare Metal as Scrap and Authorize Its' Disposal
9. **Resolution 2018-211** Approving Extended Construction Activity Hours for Kwik Trip, Inc.
10. **Resolution 2018-212** Accepting Resignation of Liquor Store Employee Brandy Anker
11. **Resolution 2018-213** A Resolution Authorizing to Enter into an Agreement Between the City of Isanti Police Department and the Isanti County Deputy Sheriff's Office to Share Criminal Justice Information

Motion by Bergley, second by Collison to approve Consent Agenda. Motion carried.

L. Other Communications

1. Draft Minutes of the August 21, 2018 Planning Commission Meeting
2. Draft Minutes of the August 28, 2018 Meeting of the Park, Recreation and Culture Board

Adjournment

Motion to adjourn by Lundeen, second by Bergley. Motion carried. The meeting was adjourned at 7:31 p.m.

Date: September 18, 2018

Subject: A Resolution Approving a Special Event Permit Application for BMC Open House and Stiff Upper Lip Car Show

---

Background

The City received a special event application from BMC British Auto which will be hosting an open house and car show on their premises at 444 East Dual Blvd on Saturday, October 13, 2018 from 10:00 am to 3:00 pm. Organizers are expecting about 70 people for the event. Show cars will be parked on the premises; spectators will park along both sides of East Dual Blvd. Organizers may also use the Metal Coatings property with permission from the owners to use their property for additional show car parking; proof of permission will be submitted to the City if applicable. Event organizers anticipate their onsite restrooms to be adequate for the event. Their staff and volunteers will clean up after the event; the $100 clean up deposit is due prior to the event. Organizers have notified area businesses of the event as well.

A copy of the application and department approval has been attached for City Council review.

Staff Request

City staff is requesting action on this item.

RESOLUTION 2018-

A RESOLUTION APPROVING A SPECIAL EVENT PERMIT APPLICATION FOR THE BMC OPEN HOUSE AND STIFF UPPER LIP CAR SHOW

WHEREAS, BMC British Auto will be hosting an open house and car show on Saturday, October 13, 2018 from 10:00 am to 3:00 pm on their premises at 444 East Dual Blvd in Isanti; and,

WHEREAS, the estimated number of participants 70; and,

WHEREAS, show cars will be parked on BMC premises spectator parking will occur on the street; and,

WHEREAS, event staff and volunteers will clean-up after the event, and the organizers will submit the $100 clean up deposit;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, to hereby approve the application for the BMC British Auto Open House and Stiff Upper Lip Car Show to be held on October 13, 2018 with the following conditions:

- Property owner approval for overflow use at Metal Coatings property.
- Submittal of the $100 clean up deposit prior to the event.

BE IT FURTHER RESOLVED by the City Council of the City of Isanti, Minnesota that this Resolution is hereby the 'Permit' for the above stated Special Event.

This Resolution hereby approved by the Isanti City Council this 18th day of September, 2018.

Attest: _____

This letter is to inform you of our intention to hold a car show and an open house at our place of business on Saturday, October 13th 2018. The show is scheduled to run from 10AM until 3PM. We invite you to come over and visit the show. The show has an emphasis on Classic British Cars but all classic Foreign and American autos are invited to come.

There is no charge to place a car in the show and no registration for the show is needed. If you don't have a car to show, we would encourage you to just stop over and visit the shop and see the cars on display.

If you have any questions, feel free to contact us at 651-400-0145 and ask for John or Brian

MEMO

To: Mayor Wimmer and City Council

From: Don Lorsung, City Administrator

Date: September 12, 2018

Subject: City Code Amendments – Chapter 325, Water – Addition of Water Conservation Restrictions and Critical Water Deficiency

---

Public Services Director / Assistant City Administrator Josi Wood is preparing a required update of the Water Supply Plan. As a part of this plan, the City needs to adopt city code language regarding water conservation restrictions in the event of a critical water shortage. Staff has prepared an amendment of Article I of City Code Chapter 325, that includes the required language. Attached is the proposed ordinance with the new language titled as 325-1 Water Conservation Restrictions, Critical Water Deficiency.

The City Attorney's Office has reviewed the draft ordinance and the Development, Operations and Advisory Committee recommends its consideration.

ORDINANCE NO. xxx

AN ORDINANCE AMENDING CHAPTER 325, ARTICLE I, LAWN SPRINKLING, WATERING AND IRRIGATION

THE CITY COUNCIL OF THE CITY OF ISANTI DOES ORDAIN:

Article I, Lawn Sprinkling, Watering and Irrigation of Chapter 325 of the Code of the City of Isanti is hereby deleted in its entirety and replaced with the following title and language:

ARTICLE I
Water Conservation Restrictions, Critical Water Deficiency, Lawn Sprinkling, Watering and Irrigation

This article establishes water conservation restrictions; and the plan will be in effect at any time the Governor, and/or Mayor, declares by executive order a critical water deficiency, pursuant to Minnesota Statutes section 103G.291. This article also regulates lawn sprinkling and irrigation to conserve water resources and prevent harmful and wasteful effects on water resources by limiting lawn sprinkling, lawn watering and irrigation during mid-day hours.

325-1 Water Conservation Restrictions, Critical Water Deficiency

Definitions.
As used in this article, unless the context otherwise requires, the following terms shall have the meanings intended:
City Administrator - in statutory cities means the person or his/her designee assigned duties pursuant to Minn. Stat. § 412.111.
Department - means the city water department.
Emergency - means the declaration of a critical water deficiency by the Governor, and/or Mayor.
Irrigation - means the watering of shrubs, trees, sod, seeded areas, gardens, lawns, or any other outdoor vegetation, except outdoor vegetation utilized for agricultural purposes.
Notification to public - means notification through local media and city website, including interviews and issuance of news releases.
Public water supplier - means the city or other entity that owns, manages, or operates a public water supply, as defined in Minn. Stat. § 144.382, subdivision 4.
Reclaimed water - means water collected from rooftops, paved surfaces, or other collection devices and all water utilized more than once before re-entering the natural water cycle.
Water recirculation system - means any system which enables a user to reuse water at least once prior to returning the water to the natural water cycle.

A. APPLICATION.
(1) This ordinance applies to all customers of public water suppliers who own or control water use on any premises.
(2) No person shall make, cause, use, or permit the use of water received from a public water supply for residential, commercial, industrial, governmental, or any other purpose in any manner contrary to any provision in this ordinance.

(3) Mandatory emergency conservation measures shall be implemented based upon the declaration of a critical water emergency by the Governor, and/or Mayor.

B. DECLARATION OF CRITICAL WATER DEFICIENCY.

Upon the declaration of a critical water deficiency by the Governor, and/ or Mayor, the public water supplier shall immediately post notice of the emergency declaration at the usual meeting place of the city council, or the official city bulletin board. The city shall provide notification to the public as quickly as possible or through established water supply plans, emergency response plans, or procedures.

C. MANDATORY EMERGENCY WATER CONSERVATION MEASURES.

Upon declaration of a water emergency and notification to the public, the following mandatory restrictions upon nonessential water use shall be enforced:

(1) Outdoor irrigation of yards, gardens, golf courses, parklands, and other non-agricultural land, except for those areas irrigated with reclaimed water, is prohibited.

(2) Washing or spraying of sidewalks, driveways, parking areas, tennis courts, patios, or other paved areas with water from any pressurized source, including garden hoses, except to alleviate immediate health or safety hazards, is prohibited.

(3) The outdoor use of any water-based play apparatus connected to a pressurized source prohibited.

(4) Restaurants and other food service establishments are prohibited from serving water to their customers, unless water is specifically requested by the customer.

(5) Operation of outdoor misting systems used to cool public areas is prohibited.

(6) The filling of swimming pools, fountains, spas, or other exterior water features is prohibited.

(7) The washing of automobiles, trucks, trailers, and other types of mobile equipment is prohibited, except at facilities equipped with wash water recirculation systems, and for vehicles requiring frequent washing to protect public health, safety, and welfare.

D. VARIANCES.

The City Administrator, or his/her designee, is authorized to grant variances to this ordinance where strict application of its provisions would result in serious hardship to a customer. A variance may be granted only for reasons involving health or safety. An applicant may appeal the denial of a variance within five (5) days of the decision by submitting a written appeal to the City Administrator. The City Council shall hear the appeal at the next City Council meeting. The decision of the City Council is final.

E. VIOLATIONS.

(1) Violations shall be determined and cited by the City Administrator or his/her designee.

(2) Upon discovery of a first violation, the violator shall be issued, either personally or by mail, a warning letter that sets forth the violation and shall describe the remedy and fines for future violations.

(3) Upon subsequent violations at the same location, the violator shall be issued, either personally or by mail, an administrative citation that sets forth the violation and shall describe the remedy. The City reserves the right to charge the violation as a misdemeanor violation, as per Section 325-2, Paragraph D of this article.

(4) A violator may appeal the citation within five (5) days of its issuance by submitting a written appeal to the City. The City Council shall hear the appeal at the next City Council meeting. The decision of the City Council is final. Violators may be granted an administrative waiver if evidence is provided that equipment failure was the cause of the violation. A letter from a qualified vendor or invoice for equipment repair will be required to show proof of equipment failure.

F. SEVERABILITY.
If any provision of this ordinance or the application of any provision to a particular situation is held to be invalid by a court of competent jurisdiction, the remaining portions of the ordinance and the application of the ordinance to any other situation shall not be invalidated.

325-2 Lawn Sprinkling, Watering and Irrigation

A. USE AND REGULATION.
The use of the municipal water system or any private well or other source of water for lawn sprinkling, lawn watering or lawn irrigation purposes shall be regulated as provided in this article. In the event the City Administrator, determines that a water shortage exists, the City Administrator, is authorized to restrict the sprinkling, watering or irrigation of lawns within the City by posting a notice at City Hall setting forth the restrictions. Such restrictions may include a limitation as to which days of the week, dates of the months, or hours of the day during which lawn sprinkling, lawn watering and lawn irrigation is prohibited. In addition, the City Administrator may declare a total lawn sprinkling, lawn watering and lawn irrigation ban if the City Administrator determines that a water shortage of such magnitude as to threaten the public health or safety exists or will likely exist if such ban is not imposed.

B. USE OF PRIVATE WELLS.
The use of any private well or source of water other than the City's water system, for lawn sprinkling, lawn watering, or lawn irrigation purposes, shall be exempt from any restrictions imposed pursuant to Section 325-1. A. of this chapter and from the annual watering restrictions imposed pursuant to Section 325-2 of this chapter if the water user has registered the private well or other source of water to be used for such purposes with the Public Works Department of the City of Isanti, obtained a water appropriation permit, if required under any applicable State or Federal law or regulation, and posted a sign provided by the Public Works Department that clearly informs the public of the alternative water source. If any person or entity claims the privilege of exemption from the restrictions otherwise applicable under Section 325-1 or Section 325-2, a representative of the City may inspect the subject property during reasonable times to ensure that there is compliance with this provision.

C. ANNUAL RESTRICTIONS.
During the period from May 1 through September 1 annually, all lawns on all property with addresses that end with an odd number may be sprinkled, watered or irrigated only on odd-numbered days, and all lawns on property with addresses that end with an even number may be sprinkled, watered or irrigated only on even-numbered days, provided, however, that during this time period, no lawn sprinkling,

lawn watering nor lawn irrigation shall be allowed from 12:00 p.m. to 6:00 p.m. each day. This provision shall automatically apply unless superseded by action of the City Administrator as provided in Section 325-1 above imposing more restrictive measures. Notwithstanding the provisions of this Section, the City Administrator or his/her designee, may, upon request of a property owner, authorize daily sprinkling, watering or irrigation of newly seeded or sodded lawn areas provided that such permission will not increase the risk of a water shortage of such magnitude as to threaten the public health or safety.

D. VIOLATIONS AND PENALTIES

A person violating any provision of this article shall be subject to a usage charge for the first, second and third violation occurring within a 12 month period. The usage charge shall be as set by resolution of the City Council and specified in City Code Chapter A344, Fee Schedule. The usage charge shall be added to the monthly water bill. Any unpaid charges shall become a lien on the property, as per Section 7, Article II of this Chapter. Any violation thereafter shall be a misdemeanor violation punishable by a fine of not to exceed $1,000 or imprisonment for a period not to exceed 90 days, or both, plus costs of prosecution in either case.

EFFECTIVE DATE

This Ordinance takes effect upon its passage and publication in the official newspaper of the City of Isanti.

Adopted by the City Council this 18th day of September, 2018.

A Community For Generations.

Isanti

MEMORANDUM

TO: Mayor George Wimmer
Members of the City of Isanti City Council

FROM: Ryan Kernosky, Community Development Director

DATE: September 18, 2018

SUBJECT: **REQUEST FROM ODYSSEY HOMES, INC FOR APPROVAL OF A PRELIMINARY PLAT OF LEGACY PINES SUBDIVISION FOR THE LAND LEGALLY DESCRIBED AS OUTLOT B, VILLAGES ON THE RUM THIRD ADDITION 2ND REPLAT PARK ADDITION, ISANTI COUNTY, ISANTI, MINNESOTA**

Background
Odyssey Homes, Inc (applicant) has submitted a completed application and paid applicable fees for a preliminary plat known as "Legacy Pines" for the property legally described as Outlot B of Villages on the Rum Third Addition, 2nd Replat Park Addition. In June 2003, the City entered into a Development Agreement with the previous developer, Ferraro and Iverson, LLC. This original development agreement included the original Planned Unit Development (PUD) for the Villages on the Rum Development. During the 2008 economic recession, the original developer lost the property and until recently, it was owned by Premier Bank.

Premier Bank requested an amended to the PUD, which was approved in 2010 via Resolution No. 2010-111. The 2010 amendment included several items, some of which dedicated Legacy Park to the City along with a lot for a future park entrance/parking area, specific home and garage sizes to be constructed, and a required tree preservation plan. Due to various economic challenges following the economic recession of 2008, Premier Bank never acted upon the approved amendment.

In June of 2018, Premier Bank sold the property to Odyssey Homes, Inc for the future development of the property. The aforementioned development agreements and PUD requirements remain with the property.

Request
The applicant has submitted a preliminary plat for a phased approach development, Planning Commissioners will notice that the applicant has submitted a conceptual plan for the remaining portions of the property that will be developed at later phases. Phase I includes extending Bellaire

Blvd NW to service a proposed 23 additional lots and extending Moline Loop NW to service a proposed 21 lots. Once complete, the development may include 177 lots.

Development and Operations Advisory Committee Recommendation
DOAC met on August 23, 2018 and September 6, 2018 to review the preliminary plat, and has recommended approval.

Planning Commission
The Planning Commission held a public hearing at a Special meeting on September 11, 2018. Concerns about additional access points to 3rd Ave NW with the proposed expansion of Moline Loop were discussed extensively. Planning Commission advised the developer to address the issue for the September 18, 2018 City Council meeting. Staff believes that the neighborhood has valid concern, and advises the City Council and developer to pursue additional access.

Staff Comments
General Comments –Overall, the proposed phase I of the subdivision is consistent with the overall design of the development, and the 2010 PUD Amendment.

City staff has requested that water is looped from Bellaire Blvd NW to Whiskey Rd NW as part of phase I, and that future right-of-way is dedicated to the City and various outlots are created for future phases.

Comprehensive Plan – This proposal is consistent with the City's 2008 Comprehensive Plan Future Land-Use Map, which identifies this parcel as low and medium density residential for future development.

Public Hearing Notice – Notice of this hearing was published in the *Isanti County News* on August 30, 2018, property owners within 350' of the subject site were provided written notification as required by City Code.

Public Comments – Staff has received written comment from a few citizens, those providing comment stated that they were saddened to see the open space become developed, and hoped that the existing ponds (storm water retention ponds) would be retained.

During the public hearing held by the Planning Commission on September 11, 2018, concerns about additional access points to 3rd Ave NW with the proposed expansion of Moline Loop were discussed extensively. Planning Commission advised the developer to address the issue for the September 18, 2018 City Council meeting.

Certificate of Taxes Paid - As of September 4, 2018, ½ of the property's taxes have been paid. Per City Code and County policy, the applicant will need to pay the remaining balance by the time the final plat is recorded.

Deadline for City Council Action – The City of Isanti received a complete application for this request on August 21, 2018. Per State Statute, the City Council must act upon this by December 20, 2018.

City Engineers Recommendation
City Engineer Brad DeWolf and Jason Cook reviewed the document, their recommendations are outlined in Exhibit A, attached to this document.

Staff Recommendation
I am recommending approval of the preliminary plat with the following conditions:

1. The developer must enter into a Development Agreement with the City of Isanti, which will outline the general terms for the remainder of the development. Subsequent developments will require additional Development Agreements as the property is built out. Development fees will be charged to the developer at the time of each development agreement and based upon the City Fee Schedule.

2. The developer shall be responsible for any and all permits and approvals that may be necessary from other applicable governmental agencies. These permits and approvals shall be submitted to the City of Isanti and/or other governmental jurisdictions that may require said permits prior to development.

3. The developer shall dedicate City Right-of-Way for the extension of Bellaire Blvd NW to Whiskey Rd NW to allow for the installation of a water main extension at the developers cost.

4. Any and all costs associated with the recording and processing of each subsequent Final Plat for additional phases shall be assumed by the developer.

5. The home sizes shall be consistent with Resolution No. 2010-111, amending the original PUD.

6. The setback requirements are as follows:

Front yard setback:	Thirty (30) feet; however, when adjoining principal buildings existing at the time of construction on a vacant lot, the required front yard setback for the new structure shall not be greater than the average front yard setbacks of the building on either side of the vacant lot.
Side yard setback:	Ten (10) feet
Street side yard setback:	Twenty (20) feet
Rear yard setback:	Thirty (30) feet

7. A tree preservation plan shall be prepared by the developer and submitted tot eh City of Isanti for those portions of the development site that have significant tree stands. Such plans shall show the locations of homes and grading for these lots, so as to protect as many of these trees as possible.

8. Installation of a temporary bituminous cul-de-sac at the end of Phase I roads, built to meet City Standards.

9. Dedication of a temporary cul-de-sac easement to the City of Isanti.

10. City of Isanti will need to vacate portions of an existing utility and access easements within the property.

11. Dedication, if required, of utility and access easements are granted to the City of Isanti.

12. The developer, at their cost must install sidewalks consistent with City Codes and Ordinances.

13. Address items of importance identified in the Memorandum from City Engineers Brad DeWolf and Jason Cook dated August 28, 2018 to CD Director Ryan Kernosky.

14. Dedicate 33' of Right of Way along 3rd Ave NW to the City of Isanti.

15. Extension of Moline Loop NW to connect to Third Avenue NW for additional access during Phase One Shall be required.

Options & Proposed Motion Language

1. Recommend Approval with No Conditions: Motion to recommend approval of the request from Odyssey Homes, Inc, for Preliminary Plat Approval of Legacy Pines, Outlot B, Villages on the Rum Third Addition 2nd Replat Park Addition, Isanti County, Isanti, Minnesota.
2. Recommend Approval with Conditions: Motion to recommend approval of the request from Odyssey Homes, Inc, for Preliminary Plat Approval of Legacy Pines, Outlot B, Villages on the Rum Third Addition 2nd Replat Park Addition, Isanti County, Isanti, Minnesota. with the following conditions……
3. Recommend Denial: Motion to recommend denial of the request from Odyssey Homes, Inc, for Preliminary Plat Approval of Legacy Pines, Outlot B, Villages on the Rum Third Addition 2nd Replat Park Addition, Isanti County, Isanti, Minnesota. for the following reasons……
4. Table: Motion to table the request from Odyssey Homes, Inc, for Preliminary Plat Approval of Legacy Pines, Outlot B, Villages on the Rum Third Addition 2nd Replat Park Addition, Isanti County, Isanti, Minnesota. (a specific reason and information request should be included in the motion to table).

MEMORANDUM

Date: August 28, 2018

To: Ryan Kernosky, Community Development Director

From: Bradley C. DeWolf, P.E.
City Engineer

Jason W. Cook, P.E.
Assistant City Engineer

Subject: Legacy Pines - Preliminary Plat Review
City of Isanti, MN
Project No.: R13.113062

We have reviewed the Preliminary Plat and supporting documents entitled "Legacy Pines" received on August 21, 2018 with a signature date of 8/10/2018.

The preliminary plat includes the construction of 177 single family lots, extension of city streets and utilities and site and storm water pond grading.

Also submitted were a stormwater management plan, a stormwater pollution prevention plan, wetland delineation report, geotechnical exploration, and the site development and phase 1 construction plans.

We have reviewed the submitted documents and have the following comments:

Preliminary Plat:

1. Block numbers are not clearly labeled.
2. Show drainage & utility easements where pond grading extends onto parcels (ex. PP-1).
    a. Final plat will require drainage and utility easements over the existing storm sewer pipes in the outlot, all proposed utilities in the outlot, and a drainage easement over the Phase 1 ditch and any ponds that are constructed.

Stormwater Management Plan:

3. Atlas-14 storm event modeling is required.
4. Subcatchments for each CB needs to be shown.
5. Submit spread calculations at each catch basin.
6. Submit pipe sizing calculations for all storm pipes.

Storm Water Pollution Prevention Plan:

7. Submit a soils map showing the existing soil types within the construction limits
8. Submit a one-mile boundary figure of the proposed project and identify all receiving waters within that boundary as well as noting if they are a special or impaired water.

Ramsey, MN 55303-5119

Ph: (763) 433-2851
Fax: (763) 427-0833
Bolton-Menk.com

Wetland Delineation Report:

9. Submit report to LGU and possibly the Corps of Engineers for review and approval prior to performing any excavations in the identified areas.

Geotechnical Evaluation:

10. Organic soils shall be removed from below the proposed roadway sections. The City will not accept additional risk of failure as noted in the report.

Site Development and Phase 1 Construction Plans:

11. Make the work to be performed in Phase 1 clearer throughout planset.
    a. Show sewer, water, and storm as future where not included in phase 1.
12. Grading for PP-1 is not shown in phase 1 construction on sheet 20A. The trench does not have a point of discharge.
13. The pavement section shall be:
    a. 1.5-inches of bituminous wear course
    b. 2-inches of bituminous non-wear course
    c. 8-inches of aggregate base class 5
14. Vertical curve lengths shall be 90' minimum (30 mph minimum design).
15. Sewer & water services shall be placed near property corners, not center of lots.
16. Proposed contours do not connect at the end of each block.
17. Show proposed flow arrows in erosion control plan.
18. Show emergency overflow locations and stabilization for all pond EOFs.
19. Show riprap at all apron outlets.
20. Low points shown at the back of multiple building pads. Back yards need to have positive drainage away from building pads.
21. Need signing and striping plan.
    a. Include signage at the end of the temporary cul-de-sacs as shown in detail.
    b. Include advisory speed and curve signs where horizontal curve is under 300' (30 mph design)
22. Convert storm manhole to catch basin at approximate STA 1+40
23. Note tree protection areas. Show tree protection fencing where needed.
24. Show street lighting plan.

Permits (To be completed prior to construction):

25. NPDES - Construction Storm Water General Permit

Bolton-Menk.com

26. LGU and Army Corps of Engineers – Wetland Delineation
27. Minnesota Department of Health - Watermain Extension Permit
28. MPCA – Sanitary Sewer Extension Permit
29. DNR Dewatering Permit and Water Appropriations Permit – if planning to withdraw more than 10,000 gal water per day or 1 million gal water per year.
30. City Grading Permit
31. Army Corps of Engineers Section 404 Permit – if filling existing wetlands.

We recommend approval of the preliminary plat once the above items are addressed.

Please contact me if you have any questions.

RESOLUTION NO. 2018-XXX

A RESOLUTION APPROVING THE PRELIMINARY PLAT OF LEGACY PINES

WHEREAS, Odyssey Homes, Inc, has made application for Preliminary Plat Approval for Legacy Pines; which is legally described as Outlot B, Villages on the Rum Third Addition 2nd Replat Park Addition, Isanti County, Isanti, Minnesota; and,

WHEREAS, the Isanti Planning Commission conducted a public hearing on the Preliminary Plat on September 11, 2018 during a Special Meeting of the City Planning Commission; and,

WHEREAS, all required public notices regarding the public hearing were posted and sent; and,

WHEREAS, the Isanti Planning Commission had recommended approval of the requested Preliminary Plat based upon the Findings of Fact and Conclusion as presented; and,

WHEREAS, the City Council reviewed the Preliminary Plat request at its meeting on September 18, 2018; and,

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, that it adopts the Findings of Fact and Conclusion related to the requested Preliminary Plat of Legacy Pines. **BE IT FURTHER RESOLVED** that the requested Preliminary Plat Approval from Odyssey Homes, Inc, be approved with the following conditions:

1. The developer must enter into a Development Agreement with the City of Isanti, which will outline the general terms for the remainder of the development. Subsequent developments will require additional Development Agreements as the property is built out. Development fees will be charged to the developer at the time of each development agreement and based upon the City Fee Schedule.

2. The developer shall be responsible for any and all permits and approvals that may be necessary from other applicable governmental agencies. These permits and approvals shall be submitted to the City of Isanti and/or other governmental jurisdictions that may require said permits prior to development.

3. The developer shall dedicate City Right-of-Way for the extension of Bellaire Blvd NW to Whiskey Rd NW to allow for the installation of a water main extension at the developers cost.

4. Any and all costs associated with the recording and processing of each subsequent Final Plat for additional phases shall be assumed by the developer.

5. The home sizes shall be consistent with Resolution No. 2010-111, amending the original PUD.

6. The setback requirements are as follows:

Front yard setback:	Thirty (30) feet; however, when adjoining principal buildings existing at the time of construction on a vacant lot, the required front yard setback for the new structure shall not be greater than the average front yard setbacks of the building on either side of the vacant lot.
Side yard setback:	Ten (10) feet
Street side yard setback:	Twenty (20) feet
Rear yard setback:	Thirty (30) feet

7. A tree preservation plan shall be prepared by the developer and submitted tot eh City of Isanti for those portions of the development site that have significant tree stands. Such plans shall show the locations of homes and grading for these lots, so as to protect as many of these trees as possible.

8. Installation of a temporary bituminous cul-de-sac at the end of Phase I roads, built to meet City Standards.

9. Dedication of a temporary cul-de-sac easement to the City of Isanti.

10. City of Isanti will need to vacate portions of an existing utility and access easements within the property.

11. Dedication, if required, of utility and access easements are granted to the City of Isanti.

12. The developer, at their cost must install sidewalks consistent with City Codes and Ordinances.

13. Address items of importance identified in the Memorandum from City Engineers Brad DeWolf and Jason Cook dated August 28, 2018 to CD Director Ryan Kernosky, as marked as Exhibit A in this document.

14. Dedicate 33' of Right of Way along 3rd Ave NW to the City of Isanti.

15. Extension of Moline Loop NW to connect to Third Avenue NW for additional access during Phase One Shall be required

Adopted by the Isanti City Council on this 18th day of September, 2018.

Attest: _____ Mayor George A. Wimmer

FINDINGS OF FACT AND CONCLUSION

Request

Request from Odyssey Homes, Inc, for Preliminary Plat Approval of Legacy Pines, legally described as Outlot B of Villages on the Rum Third Addition 2nd Replat Park Addition, Isanti County, Isanti, Minnesota.

Findings of Fact

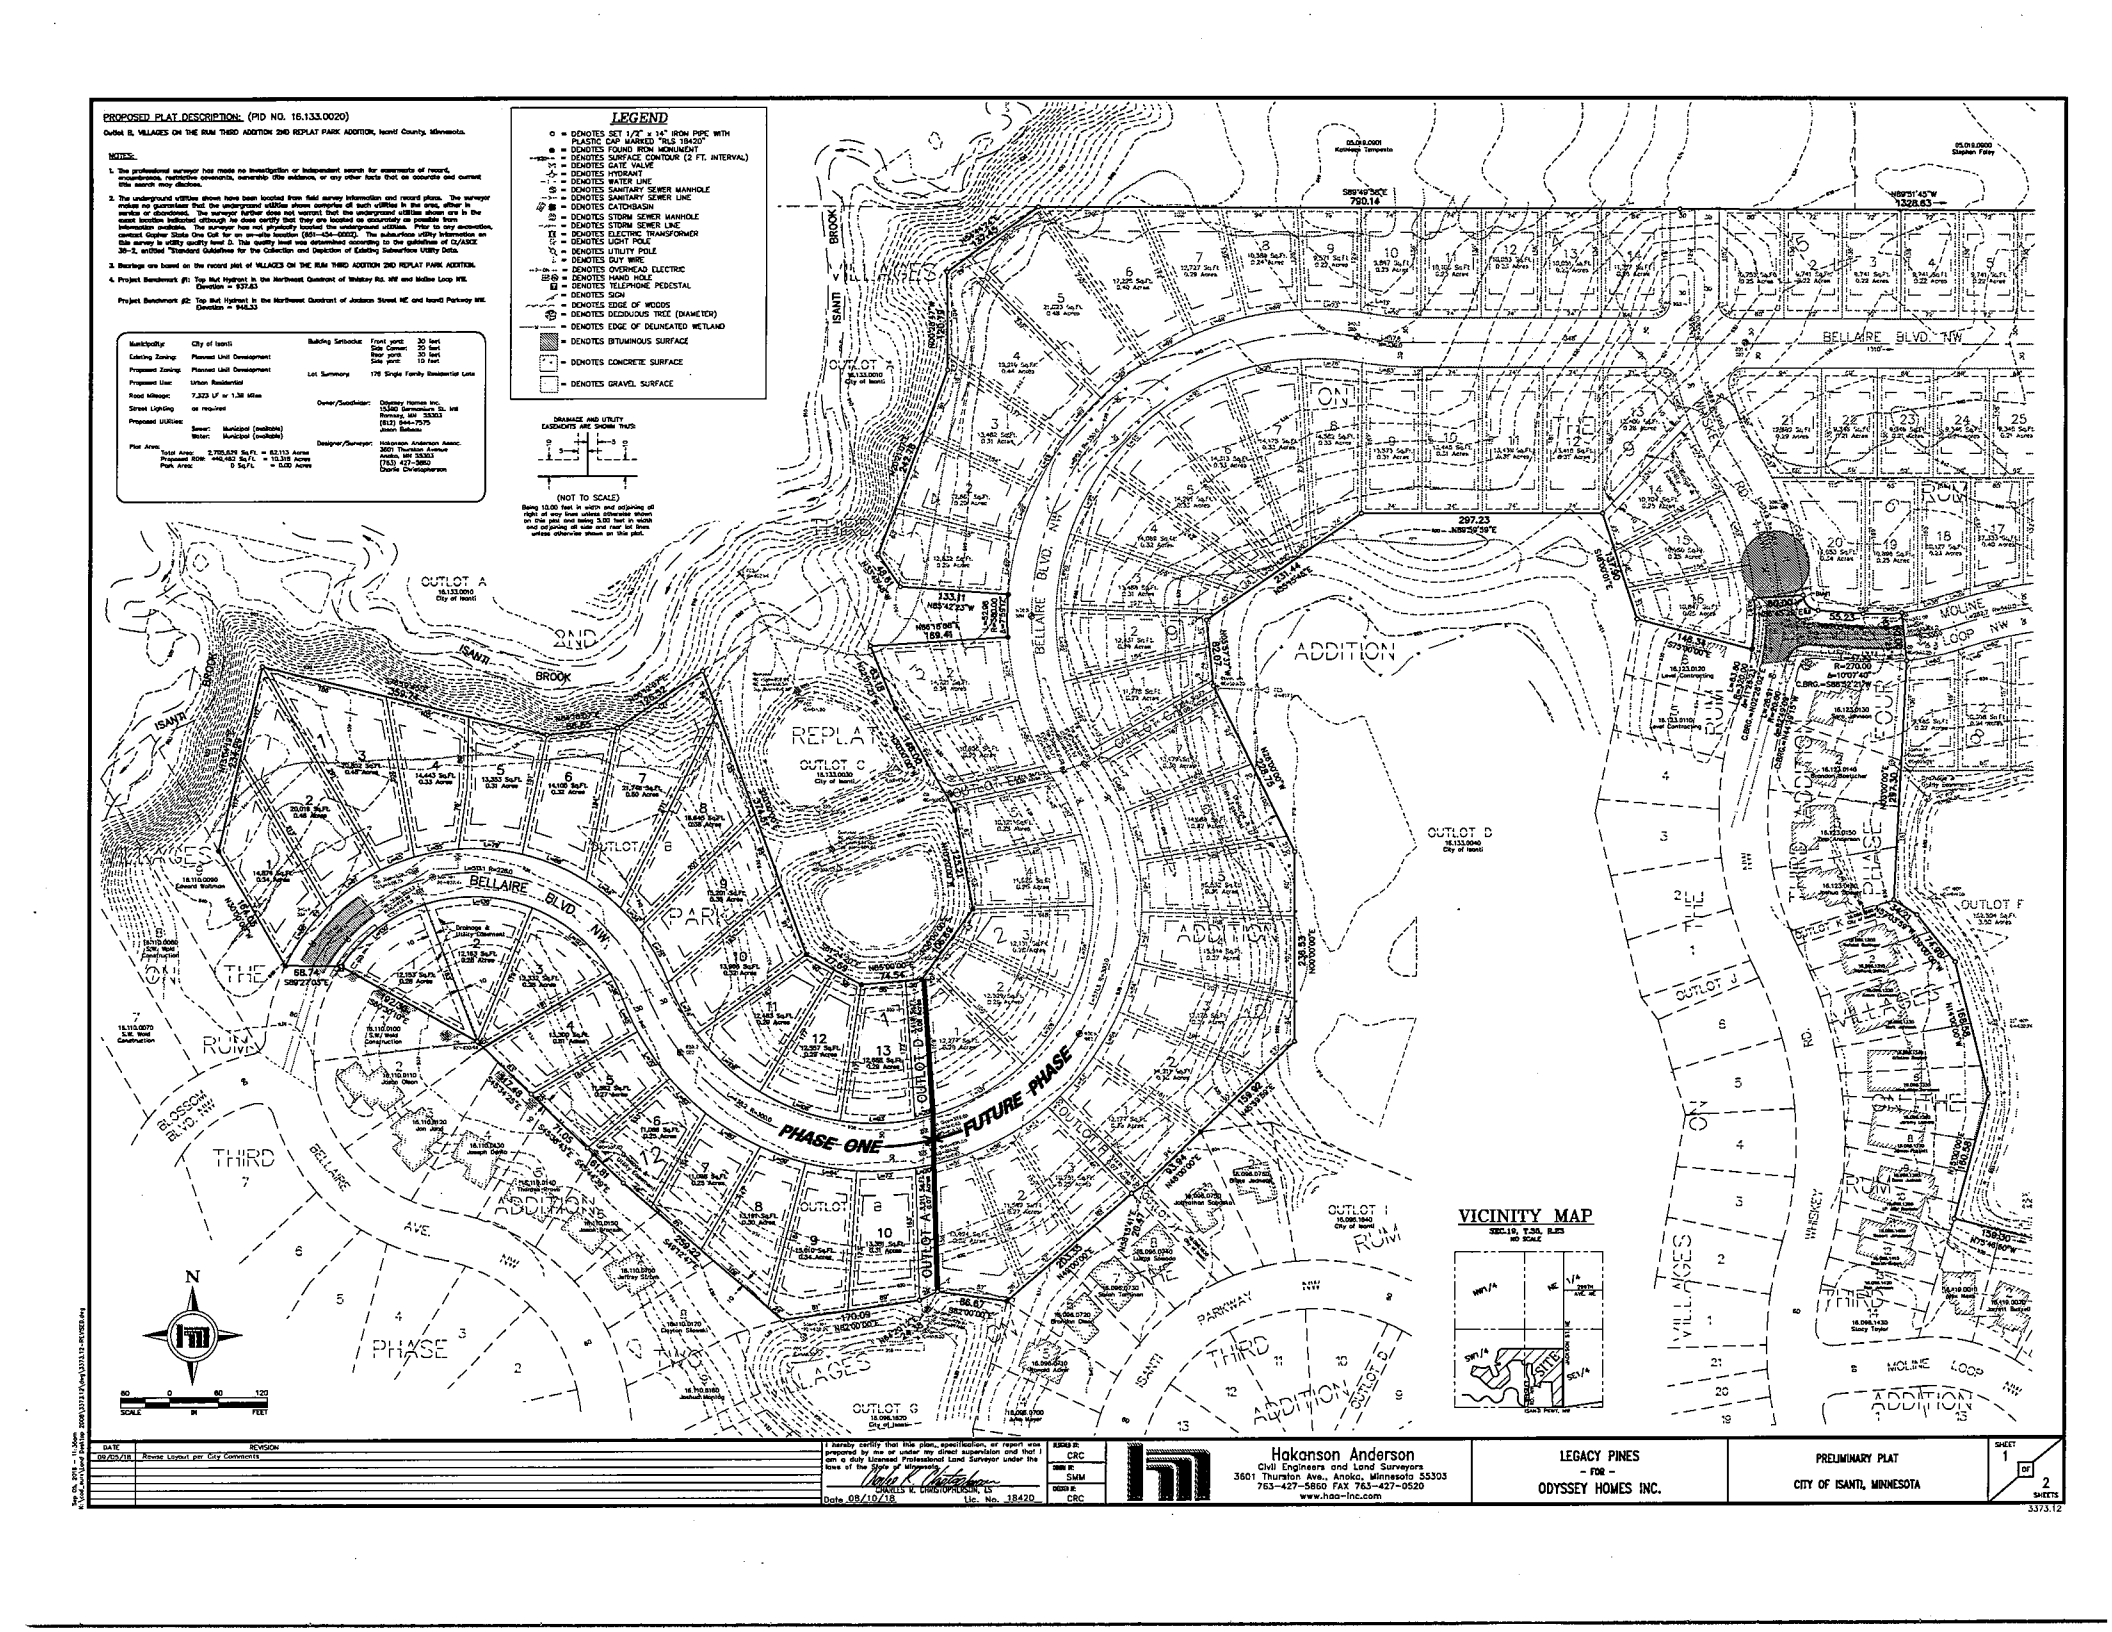
1. The applicant, Odyssey Homes, Inc ('the applicant'), has made application for Preliminary Plat Approval of Legacy Pines, Isanti County, Minnesota.
2. The property is legally described as Outlot B of Villages on the Rum Third Addition 2nd Replat Park Addition, Isanti County, Isanti, Minnesota.
3. The Applicant is requesting Preliminary Plat Approval in an effort to create 44 lots in the first phase of the development.
4. The property is zoned both "R-1" Single-Family Residential and "R-3A" Low Density Multi-Family Residential District.
5. A preliminary plat is considered a major change requiring a public hearing and notification of all property owners within 350'; and final approval by the City Council.
6. The Applicant submitted an application for Preliminary Plat Approval on August 21, 2018. It was deemed complete on August 21, 2018.
7. A public hearing date before the Planning Commission was scheduled for Tuesday, September 11, 2018 at 7:00 p.m.at City Hall within the Council Chambers.
8. Notices were sent to all property owners located within the development and within 350 feet of the subject property.

Conclusions

1. The platting of the property would appear to meet the lot requirements and setback requirements as provided within the zoning ordinance for properties located within the "R-1" Single-Family Residential and "R-3A" Low Density Multi-Family Residential District.
2. The platting is consistent with the 2003 Development Agreement and Planned Unit Development (PUD) for this property, and is consistent with the 2010 PUD Amendment
3. The platting of the property would appear to meet the Design Standards as required by Ordinance No. 536.

Decision

Motioned by Bergley seconded by Lorinser to recommend approval of the preliminary plat, with questions regarding the traffic and access brought up during the public hearing is addressed by the applicant. Motion passed unanimously.



PROPOSED PLAT DESCRIPTION: (PID NO. 16.133.0020)
Outlot B, VILLAGES ON THE RUN THIRD ADDITION 2ND REPLAT PARK ADDITION, Isanti County, Minnesota.
NOTES:
1. The professional surveyor has made no investigation or independent search for easements of record, encumbrances, restrictive covenants, ownership title evidence, or any other facts that an accurate and current title search may disclose.
2. The underground utilities shown have been located from field survey information and record plans. The surveyor makes no guarantees that the underground utilities shown comprise all such utilities in the area, either in service or abandoned. The surveyor further does not warrant that the underground utilities shown are in the exact location indicated although he does certify that they are located as accurately as possible from information available. The surveyor has not physically located the underground utilities. Prior to any excavation, contact Gopher State One Call for an on-site location (651-454-0002). The subsurface utility information on this survey is widely quality level D. This quality level was determined according to the guidelines of CI/ASCE 38-2, entitled "Standard Guidelines for the Collection and Depiction of Existing Subsurface Utility Data.

MEMORANDUM

Date: September 4, 2018

To: Honorable Mayor Wimmer and Members of the City Council

From: Bradley C. DeWolf, P.E.

Bryan Nemeth, P.E., PTOE

Subject: TH 65 at Cajima Street NE Intersection Control Evaluation (ICE) Report Summary

As directed by the City Council, Bolton & Menk has completed an Intersection Control Evaluation (ICE) Report for the intersection of Trunk Highway (TH) 65 and Cajima Street. The ICE report includes a detailed review of the intersection location and the existing and forecasted conditions to understand if the location is a viable candidate for a change in traffic control.

Background:

- The intersection of TH 65 and Cajima Street NE is located 3/4 miles north of the signalized intersection of TH 65 and Heritage Blvd (CSAH 5).
- Ten crashes were recorded at this intersection from 2013 to 2015. There were zero observed fatal & serious injury crashes over the time period.
- The intersection currently operates acceptably overall except the side-street left turns onto TH 65 operate at poor levels during the AM and PM peak hours.
- Traffic counts were collected throughout the City to determine traffic flows and volumes.
- The intersection was found to meet traffic signal warrant volume requirements for 5 hours.

Study Findings:

Traffic Signal:

- The intersection does not meet the MnMUTCD 8-hour volume criteria to warrant the construction of a traffic signal.
- The future 20-year traffic projections do not warrant a traffic signal.

Right In Right Out (RIRO):

- The intersection does meet the MnMUTCD 4-hour volume criteria to warrant the construction of a Right In Right Out intersection.
- A RIRO would block traffic movements and force vehicles to divert to adjacent intersections, increasing travel time causing a worse condition that currently exists.

Restricted Crossing U-Turn (RCUT):

- The intersection currently meets the MnMUTCD 4-hour warrant to consider an RCUT.
    - The future 20 year projection may warrant the addition of signals on the RCUT.
- MnDOT is currently installing RCUT's on TH 65 south of Isanti County. Seven RCUTs will be installed on Highway 65 from 187th to 143rd by the end of 2019.
- The estimated project cost of the RCUT is $759,000.
    - MnDOT supports an RCUT at this location and is willing to provide $450,000 through the Local Initiative Project program to help fund the project. (The City would commit $309,000)
- Attached is a layout depicting the RCUT.

Bolton & Menk is an equal opportunity employer.

At the August 9, 2018 Finance Committee Meeting we were directed to contact area businesses to discuss their opinions regarding the possible installation of the RCUT.

Sean Sullivan and Jason Cook met with UPS, Metal Coatings, and Knife River on August 16, 2018.

Attached are the questionnaires from each of the meetings.

In summary, all three businesses felt, if funding was available from MnDOT, it made sense to construct the project to improve safety. They did not think the installation of an RCUT would negatively impact their business.

If the City should elect to accept the ICE report and request the $450,000 in funds to construct the RCUT, we will submit the attached report and letter of commitment to the MnDOT Traffic Engineer for approval.

Jason will be at the September 18, 2018 Council Meeting to answer any questions you may have.

Please contact me at (612) 756-1032 if you have any questions or need additional information prior to the meeting.

CITY OF ISANTI, MINNESOTA
INTERSECTION STUDY
R-CUT INTERSECTION

FIGURE 1

J Turn Questionnaire for Knife River 8/16/18 @ City Hall

Present: Jerry Lang (Knife River), Jason Cook, Sean Sullivan

Do you think the proposed J Turn at the intersection of Hwy 65 and Cajima Street will impact your business?

Not Severely. Went on to say that it would be minimal and didn't have any major concerns.

Will the proposed J Turn change the traffic flow of your business? If so, how?

No

Approximately how many of your trucks currently use the Hwy 65 / Cajima Intersection?

89 trips – Includes both Cement trucks (54) and delivery of aggregate and flyash trucks (35)

Due to the timing there is a great opportunity for the City to leverage funds to this project that may not be available in the future. Should the City do this project or should the City just leave the intersection as is?

Makes sense to move forward if fund are there now to reduce the cost for the City and to make intersection safer.

Additional Comments and / or concerns.

Knife River wants to be sure that a median will not be installed West of 65 on Cajima. Jason told him there would not be a median and that the graphic only showed the striping. The y would be able to continue making left and right turns onto Cajima from their existing plant. Jerry Lang was satisfied with answer.

J Turn Questionnaire for Metal Coatings 8/16/18 @ Metal Coatings

Present: Jason Polzin (Metal Coatings), Jason Cook, Sean Sullivan

Do you think the proposed J Turn at the intersection of Hwy 65 and Cajima Street will impact your business?

No. We do not see any negative impact.

Will the proposed J Turn change the traffic flow of your business? If so, how?

Yes, would help it out at times. Might use Cajima St intersection more due to busy E Dual Blvd NE intersection and waits to get on to Heritage Blvd NE at times.

Approximately how many of your trucks currently use the Hwy 65 / Cajima Intersection?

About 15% of our trucks use the Cajima / Hwy 65 intersection currently. That number could increase.

Due to the timing there is a great opportunity for the City to leverage funds to this project that may not be available in the future. Should the City do this project or should the City just leave the intersection as is?

Do it, but don't raise taxes.

Additional Comments and / or concerns.

Jason indicated that there is a lot of stacking of vehicles of parents dropping of their kids at the Arts and Science Academy exiting northbound on 65 to Cajima St. He thinks there is potential for accidents based on current traffic flow volumes.

Randy Polzin was not at meeting but ED Director Sullivan spoke with him on the phone. Randy indicated he felt that this installation of J Turns at Cajima and Hwy 65 intersection would not have any negative impact on Metal Coatings.

J Turn Questionnaire for UPS 8/16/18 @ UPS

Present: Eric Lindell (UPS), Jason Cook, Sean Sullivan

Do you think the proposed J Turn at the intersection of Hwy 65 and Cajima Street will impact your business?

Yes. It will increase miles for routes. However it could create some efficiencies relating to Hwy 65 Access during busy times.

Will the proposed J Turn change the traffic flow of your business? If so, how?

Will depend on Kwik Trip and its impact on Heritage Blvd NE and E Dual Blvd NE intersection. This could ultimately push more traffic to J turn if it jams on E Dual Blvd NE. The J Turn could ultimately be a time saver for UPS if the traffic does actually jam up at E Dual Blvd NE

Approximately how many of your trucks currently use the Hwy 65 / Cajima Intersection?

15 trucks a day currently use the Hwy 65 / Cajima St Access daily. If J Turn installed, 3 tractor trailers would likely be routed that way upping the daily total to 18. As mentioned before, if E Dual jams up due to Kwik Trip there could be more UPS traffic sent to Cajima / Hwy 65 intersection.

Due to the timing there is a great opportunity for the City to leverage funds to this project that may not be available in the future. Should the City do this project or should the City just leave the intersection as is?

UPS doesn't see any negative impact on their business for installation of the J Turn. Seems like right thing to do especially if there is more money to help with cost.

Additional Comments and / or concerns.

There is a concern relating to potential stacking at stoplight during busy time in the morning (8:45 AM). It might be difficult to get access on Hwy 65 from Cajima and cross two lanes of traffic to head north. Will see how this actually plays out. Jason indicated that it should be no worse than it is right now with the potential installation of the J turn.

RESOLUTION 2018-xxx

A RESOLUTION ACCEPTING INTERSECTION CONTROL EVALUATION REPORT

WHEREAS, the City Council authorized City Engineers, Bolton & Menk, Inc. to prepare an evaluation of the Intersection of Cajima Street NE and Trunk Highway 65; and,

WHEREAS, Bolton & Menk has prepared the report and have had it reviewed by MnDOT:

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to accept the Intersection Control Evaluation Report prepared by Bolton and Menk, Inc.

This Resolution is hereby approved by the Isanti City Council this 18th day of September, 2018.

Attest:

Mayor George A. Wimmer

Katie Brooks
Human Resources/City Clerk

I. INTRODUCTION

The intersection of Cajima Street NE at Trunk Highway (TH) 65 is located in Isanti, Isanti County, Minnesota. The intersection itself is located approximately 3/4 mile north of County State-Aid Highway (CSAH) 5 (Heritage Blvd). (See **Figure 1, Project Location Map**). The US Census Bureau 2010 Population Estimate for the City of Isanti is 5,251.

II. EXISTING CONDITIONS

Physical Attributes

TH 65 is currently a four lane divided north-south highway through Isanti. It is functionally classified as a minor arterial and has a posted speed limit of 65 mph. TH 65 is also identified as a MAP-21 National Highway System (NHS) Principal Arterial. TH 65 currently has left turn lanes and right turn lanes in both directions at the intersection with Cajima Street NE. The 2014 Annual Average Daily Traffic (AADT) on TH 65 is 18,100.

Cajima Street NE is currently a two lane undivided east-west urban street at the project location. At the intersection with TH 65, the eastbound direction has a single lane of approach with a left turn lane, and the westbound direction has a single lane of approach with both left turn and right turn lanes. The posted speed limit on Cajima Street NE is 30 mph and the AADT (2012) is 2,100 west of TH 65. There is no historical AADT to the east of the intersection.

The Minnesota Department of Transportation (MnDOT) Access Management Category Assignments defines the section north of the intersection as 3A (rural principal/minor arterials), and south of the intersection as 3B (urban/urbanizing principal/minor arterials). According to MnDOT's Access Management Manual, the recommended public street spacing from a primary full-movement intersection of category 3A/3B is between 1/2 mile to 1 mile, and the recommended signal spacing of category 3A/3B is 1/2 mile or less. The intersection location is in compliance with public street spacing and signal spacing on TH 65 in relation to the signal at CSAH 5 (Heritage Blvd).

Traffic Volumes

Traffic counts were collected at the TH 65 and Cajima Street NE intersection on Wednesday, January 18th, 2017. The AM peak hour was determined to be 7:30 a.m. to 8:30 a.m. and the PM peak hour was determined to be 4:15 p.m. to 5:15 p.m. (See **Appendix A**). This data was used for the analysis and to develop peak hour traffic projections.

Based on MnDOT's historical AADT, a traffic growth rate was projected to be 1% on TH 65, and 1.7% on Cajima Street NE. Existing peak hour turning movement counts are shown in **Figure 2**.

Safety Analysis

A crash analysis was completed using data obtained from the Minnesota Crash Mapping Analysis Tool (MnCMAT) from 2013 to 2015. Crash rates were determined using MnDOT's 2014 AADTs. An observed crash/severity critical index over one indicates that the intersection operates outside the expected, normal range for similar intersections statewide.

Ten crashes were recorded at this intersection from 2013 to 2015, five crashes occurred in 2014 and another five crashes occurred in 2015. Over this period, the intersection had a crash rate of 0.50, resulting in a critical crash index of 0.86. Based on similar statewide intersections, an additional 2 crashes over the three-year study period would indicate this intersection operates outside the normal range. There were zero observed fatal & serious injury crashes over the time period, which indicates the intersection operates within the normal range. (See **Appendix B**, and **Figure 3**).

Five of the crashes were classified as right angle crashes, where vehicles on the minor approach failed to yield. Two of the five crashes included drivers that were determined to be traveling over

the speed limit (65mph) on TH 65. The remaining three crashes were classified as sideswipe, rear end, and run off road. (See **Appendix B**).

Warrant Analysis

The intersection volumes were evaluated with respect to the warrants outlined in the (MnMUTCD) Minnesota Manual of Uniform Traffic Control Devices. The signal warrant analysis allows a reduction in the traffic volumes when the population of the community is less than 10,000 people but was not applied as the corridor is identified as MAP-21 NHS PA.

While the intersection currently meets MnMUTCD signal warrant 2 (4-Hour Volume) to consider a traffic signal (See **Appendix C**), MnDOT typically requires that a signal on their system meet Warrant 1 (8-Hour Volume). Warrant 1 is not met at the intersection with existing traffic volume. (See **Table 1**).

Table 1: Existing Volume Warrant Analysis

Intersection	Warrant 1A Hours Met	Warrant 1B Hours Met	Hours Required to Meet Warrants
TH 65 & Cajima Street NE	0	5	8

The existing traffic counts is less than 20 vehicles per hour for three additional hours from meeting warrant 1B. A traffic redistribution was completed to investigate the need for a traffic signal with current traffic volume. (See **Appendix C** and **Table 2**). Redistribution was made based on the investigation of TH 65/CR 5 eastbound turning movements. Approximately 40% of total eastbound movements are eastbound left turns, which means approximately 40% of southbound left turns from Whiskey Rd NW/CR 5, 3rd Ave NW/CR 5 and E Dual Blvd NE/CR 5 intersections will make left turns at the TH 65/CR 5 intersection. It is estimated that half of those southbound left turns (20% of left turns) may be redistributed to the TH 65/Cajima St NE intersection if signalized, while the remaining half of the traffic would still make eastbound left turns at the TH 65/CR 5 intersection.

Table 2: Existing Volume Warrant Analysis (Redistribution)

Intersection	Warrant 1A Hours Met	Warrant 1B Hours Met	Hours Required to Meet Warrants
TH 65 & Cajima Street NE - Eastbound Left Turn Redistribution	0	8	8

Based on the potential redistribution, warrant 1B is met. If the warrant threshold for volume is not reduced based on the speed of the roads, zero (0) hours would meet the warrant.

Operations Analysis

Analysis was completed for both the AM and PM peak hours using the turning movement counts collected in 2017. The analysis was performed using the methodology of the 2010 Highway Capacity Manual through Synchro/SimTraffic, a traffic analysis software program by Trafficware, for existing conditions as well as the signal, and roundabout alternatives. To measure level of service and delay for the roundabout, the Highway Capacity Manual roundabout delay equation was used. This equation compares entering volumes to conflicting circulating volumes to determine effective capacity.

Results of the analysis are displayed as measures of effectiveness. Measures of effectiveness display quantitative information about the performance of an intersection or network of intersections. The primary measures that are used in this study are level of service and delay.

Level of Service

The operational analysis results are described as a Level of Service (LOS) ranging from A to F. These letters serve to describe a range of operating conditions for different types of facilities. Levels of Service are calculated based on the 2010 Highway Capacity Manual, which base the level

of service on control delay. Control delay is the delay experienced by vehicles slowing down as they are approaching the intersection, the wait time at the intersection, and the time for the vehicle to speed up through the intersection and enter into the traffic stream. The average intersection control delay is a volume weighted average of delay experienced by all motorists entering the intersection on all intersection approaches for signalized and roundabout intersections. Based on the area Level of Service C is taken as an acceptable design year LOS. The level of service and its associated intersection delay for a signalized and unsignalized intersection is presented below. The delay threshold for unsignalized intersections is lower for each LOS compared to signalized intersections.

Table 3: Level of Service Criteria

	Signalized Intersection	*Unsignalized Intersection*
LOS	**Control Delay per Vehicle (sec.)**	**Control Delay per Vehicle (sec.)**
A	≤ 10	≤ 10
B	>10 and ≤ 20	>10 and ≤ 15
C	>20 and ≤ 35	>15 and ≤ 25
D	>35 and ≤ 55	>25 and ≤ 35
E	>55 and ≤ 80	>35 and ≤ 50
F	>80	>50

Existing operations are acceptable on TH 65 and unacceptable on the Cajima Street NE approaches. (See **Table 4**).

Table 4: 2017 Traffic Operations at TH 65 and Cajima Street NE

Traffic Control Scenario	Peak Hour	Intersection Delay* - LOS		Worst Movement	Worst Movement Delay - LOS	
Existing Conditions	AM	9	A	WBL	90	F
	PM	8	A	WBL	73	F

III. FUTURE CONDITIONS

Future development growth has been reviewed for this area, including a proposed school, potential commercial and single family homes in the northeast quadrant of TH 65/Cajima Street NE intersection. Furthermore, potential residential development expansion is anticipated on the west side of the study area. (See **Figure 4**). The additional trips generated by the potential developments would be anticipated to increase the delay and degrade the LOS if a two way stop condition remains in place. Trip forecasts for the developments are estimated based on trip ratios in the ITE Trip Generation Manual. (See **Appendix D**). 2038 traffic forecasts are shown in **Figure 5**.

IV. ANALYSIS OF ALTERNATIVES

Intersection configurations and traffic control options are provided as alternatives to the current stop control.

Intersection Alternatives

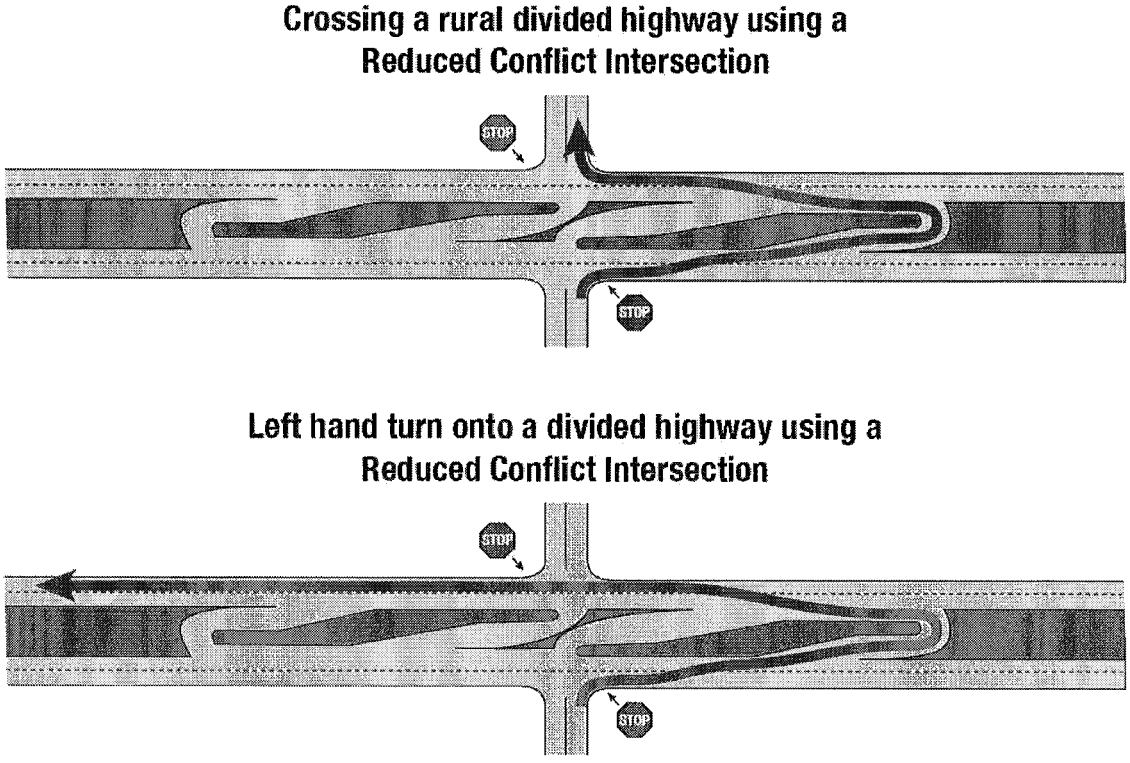
No-Build Alternative - the current two-way stop control at this intersection with the current geometry will act as the "Do-Nothing" or No-Build alternative.

Build Alternatives - the build alternatives includes the reconstruction of the TH65 and Cajima

Street NE intersection with four different options for intersection traffic control:

- Traffic Signal
    - Advantages: Provides an orderly flow of traffic. It may reduce the severity and frequency of right angle and left turn crashes.
    - Disadvantages: May increase the frequency of rear end crashes. It requires considerable maintenance, and it also increases mainline traffic delay and traffic queues.
- Restricted Crossing U-Turns (RCUTs) (See **Figure 6**)
    - Advantages: Provides safety improvements, especially for severe right-angle crashes. It has fewer conflict points than a traffic signal intersection and less delay for major street movements than a signal. It also shows significant savings on cost and time to implement versus a traditional interchange.
    - Disadvantages: Potential for longer travel distance and time for minor street movements. It requires a wider median, and it might be a difficult concept for the public to accept as a reasonable solution.
    - MnDOT is currently working with Anoka County to implement RCUTs on TH 65, south of Isanti County. An RCUT would be consistent with other locations on this corridor in the future.

Figure 6: Restricted Crossing U-Turns (RCUTs) Concept Drawings



- Signalized RCUTs
    - A signalized RCUT has similar geometrics to the unsignalized RCUT. Signalization can be added to an RCUT as needed. A potential strategy could include: signalize the U-turns in one stage; and signalize the left turns in a separated stage. A signalized RCUT would be anticipated to be implemented when

there is a traffic demand increase in the future.

- Advantages: A signalized RCUT would be anticipated to reduce the total delay at the intersection. It is possible to achieve a maximum amount of traffic progression in both directions along the major street.
- Disadvantages: Similar to the unsignalized RCUT.

- Right-in/Right-out (RIRO)
  - Minor street traffic can only make right turns, meanwhile major street traffic cannot make left turns at a RIRO intersection. All left turns together with minor street through movements are anticipated to be diverted to nearby intersections.
  - Advantages: RIRO improves safety compared with all other alternatives. It has fewer conflict points.
  - Disadvantages: RIRO has potentially the longest travel distance compared with all other alternatives. It also diverts the traffic demand to the nearby intersections.

Concept drawings are shown from **Figure 7 – 10**.

- **Figure 7** indicates the existing layout.
- **Figure 8** illustrates traffic signal alternative. In this option, channelized right turns on every leg are proposed.
- **Figure 9** indicates the RCUT alternative.
- **Figure 10** illustrates the RIRO alternative.

Operations Analysis

The five alternatives were evaluated for the intersection of TH 65 at Cajima Street NE: existing condition (Side Street Stop), traffic signal, RCUT (Restricted Crossing U-Turn) and RIRO (right-in/right-out). The traffic operations results are shown in **Table 5** below.

Table 5: Traffic Operations Analysis at TH 65 and Cajima Street NE

Traffic Control Scenario	Peak Hour	Intersection Delay* - LOS		Worst Movement	Worst Movement Delay - LOS	
Build Year 2018						
Two-Way Stop (existing)	AM	9	A	WBL	90	F
	PM	8	A	WBL	73	F
Traffic Signal	AM	10	A	NBL	39	D
	PM	9	A	WBT	37	D
RCUT (unsignalized) Stage 1	AM	2	A	SBL	7	A
	PM	1	A	SBL	8	A
RIRO	AM	4	A	NBR	10	A
	PM	5	A	NBR	10	B
Design Year 2038						
Two-Way Stop (existing)	AM	10	A	WBL	1155	F
	PM	9	A	WBL	1360	F
Traffic Signal	AM	19	B	SBL	54	D
	PM	18	B	SBL	38	D
RCUT (unsignalized) Stage 1	AM	8	A	WBR	34	C
	PM	3	A	SBL	18	B
RCUT (Signalized) Stage 2	AM	9	A	WBR	42	D
	PM	4	A	SBL	19	B
RCUT (Signalized) Stage 3	AM	7	A	WBR	23	C
	PM	5	A	SBL	12	B
RIRO	AM	5	A	NBR	11	B
	PM	6	A	NBR	12	B

* Delay in seconds per vehicle

- For all options, the intersection LOS is LOS B or better over the next 20 years.
- The westbound left delay is anticipated to increase from less than 90 seconds to over 1,100 seconds (18 minutes) over the next 20 years with the current stop control.
- All options are deemed acceptable based on operations except the existing stop control. The RCUT and Signalized RCUT would be anticipated to have greater capacity for traffic movements as indicated by better operations on the worst movements and lower delay levels overall.
- In design year 2038, signalized RCUT stage 2 indicates a worst movement delay LOS D on westbound right turns. With intersection signalized on RCUT stage 3, it improves the westbound right turns to LOS C.
- RIRO option has LOS B or better on all movements, but results in a negative impact on the TH 65/CR 5 intersection. (See **Table 6**)

Table 6: Traffic Operations Analysis at TH 65/CR 5

Traffic Control Scenario	Peak Hour	Intersection Delay* - LOS		Worst Movement	Worst Movement Delay - LOS	
Build Year 2018						
Traffic Signal (Existing)	AM	17	B	SBL	57	E
	PM	21	C	NBL	40	D
Traffic Signal (RIRO on TH 65/Cajima St)	AM	22	C	SBL	125	F
	PM	36	D	NBL	154	F
Design Year 2038						
Traffic Signal (Existing)	AM	32	C	EBL	65	E
	PM	26	C	SBL	53	D
Traffic Signal (RIRO on TH 65/Cajima St)	AM	116	F	SBL	446	F
	PM	73	E	SBL	322	F

* Delay in seconds per vehicle

- TH 65/CR 5 intersection has an overall LOS C or better over the next 20 years under existing traffic signal option. With the RIRO option implemented on TH 65/Cajima Street NE intersection, traffic diverts to the TH 65/CR 5 intersection. Under this diversion, the overall LOS is C or worse over the next 20 years. The worst movement has a failing LOS on both AM and PM peak hours over the next 20 years.

Travel Times Analysis

The eastbound left is the critical movement most impacted by the high delay and is the volume that meets the 8-hour signal warrant. A comparison of eastbound left turn travel time and travel distance table is shown in **Table 7** for each of the alternatives.

Table 7: TH 65 and Cajima Street NE Intersection Left Turn Comparison (Eastbound Left)

Traffic Control Scenario	Peak Hour	Total Travel Time (sec)	Intersection Delay Component (sec)						Travel Distance (miles)
Build Year 2018									
Two-Way Stop (existing)	AM	69	TH 65/Cajima St NE (EBL)				69		0
	PM	66	TH 65/Cajima St NE (EBL)				66		
Traffic Signal	AM	47	TH 65/Cajima St NE (EBL)				47		0
	PM	49	TH 65/Cajima St NE (EBL)				49		
RCUT	AM	41	TH 65/Cajima St NE (EBR)	1	TH 65/Cajima St NE (SBU)	12	-		0.5 (28 sec)
	PM	43		1		14			
Signalized RCUT	AM	37	TH 65/Cajima St NE (EBR)	1	TH 65/Cajima St NE (SBU)	8	-		0.5 (28 sec)
	PM	38		1		9			
RIRO	AM	237	Isanti Pkwy/E Dual Blvd (SBT)	2	E Dual Blvd/Heritage Blvd (SBL)	16	Heritage Blvd/TH 65 (EBL)	23	2.0 (196 sec)
	PM	267		5		46		20	
Design Year 2038									
Two-Way Stop (existing)	AM	1020	TH 65/Cajima St NE (EBL)				1020		0
	PM	933	TH 65/Cajima St NE (EBL)				933		
Traffic Signal	AM	58	TH 65/Cajima St NE (EBL)				58		0
	PM	66	TH 65/Cajima St NE (EBL)				66		
RCUT	AM	61	TH 65/Cajima St NE (EBR)	2	TH 65/Cajima St NE (SBU)	31	-		0.5 (28 sec)
	PM	60		2		31			
Signalized RCUT	AM	43	TH 65/Cajima St NE (EBR)	2	TH 65/Cajima St NE (SBU)	14	-		0.5 (28 sec)
	PM	44		2		15			
RIRO	AM	334	Isanti Pkwy/E Dual Blvd (SBT)	2	E Dual Blvd/Heritage Blvd (SBL)	24	Heritage Blvd/TH 65 (EBL)	112	2.0 (196 sec)
	PM	362		4		101		62	

- Under existing side street stop control, travel time is anticipated to increase for the eastbound left from less than 70 seconds to over 900 seconds over the next 20 years.
- The traffic signal option results in an eastbound left travel time less than 50 seconds per vehicle, in 2018 and less than 70 seconds per vehicle in 2038.
- The unsignalized RCUT results in a total travel time decrease compared to the two-way stop option and a relatively similar travel time compared to the traffic signal option in 2018. The unsignalized RCUT delay would also be similar to the signal in 2038. The travel distance is increased for eastbound left drivers due the southbound U-turn movement.
- In comparison with the unsignalized RCUT option, the signalized RCUT total travel time would be anticipated be less than a signal.
- The RIRO option results in the longest travel time for the eastbound left compared to the other alternatives. The eastbound left travel distance is two miles due to the rerouting of traffic to CSAH 5(Heritage Blvd) and using the signal at that intersection to complete a left movement.

Crash Analysis

An analysis was completed to determine the potential for reduction of crashes at the TH 65 & Cajima Street NE intersection for each traffic control alternative. Crash reduction factors were taken from the Crash Modification Factors (CMF) Clearinghouse and applied to the intersection. The potential crash reduction with the alternatives are summarized in **Table 8** below.

Table 8: Anticipated Crash Reduction

Alternative	Anticipated Crash Reduction	Safety Notes
RCUT	60% (all crashes) – decrease	Likely **reduction** in crashes
Traffic Signal	-58% (rear-end crashes) – increase 77% (right-angle crashes) – decrease	Likely **increase** in crashes (but fewer severe crashes)
Signalized RCUT	49% (all crashes) – decrease	Likely **reduction** in crashes

Based on the above data, there is anticipated to be a crash reduction for the Restricted Crossing U-turn (RCUT) traffic control alternatives. The RCUT alternative is anticipated to reduce 60% of the crashes, especially right angle type crashes. The traffic signal alternative is anticipated to reduce the right-angle crashes but likely increase the number of rear-end crashes.

By comparison, the signalized intersection of Heritage Ave/CSAH 5 to the south has had 31 rear-end crashes over the last 3 years, approximately 10 per year. There have been only 5 right-angle crashes over the same time period. Rear-end crashes account for 66% of the crashes at the Heritage Ave/CSAH 5 intersection. This indicates that as an intersection is signalized, the number of crashes may increase due to rear-end crashes. This is consistent with crash data throughout the state which indicates that signalized intersections have crash rates up to three times higher than unsignalized intersections.

While the above indicates a potential increase in crashes at a signal, there is potential for a signal to reduce right-angle crashes, which tend to be more severe. This may override the concern for the overall increase in crashes, especially as traffic volumes increase to a point that a signal may serve the intersection better due to capacity concerns. This is conveyed through traffic signal warrants.

Alternative Costs

A comparison of estimated construction cost of alternatives are summarized in **Table 9** below.

Table 9: Alternative Costs

Traffic Control Scenario	Estimated Construction Cost
Two-Way Stop (existing)	N/A
Traffic Signal	$800,000
Unsignalized RCUT	$759,000
Signalized RCUT (Stage 2)	TBD
Signalized RCUT (Stage 3)	TBD
Right-in/Right-out (RIRO)	*

** Cost not computed. Alternative does not meet the access needs of the area and removed from consideration*

V. SUMMARY

Safety analysis at this intersection has indicated that improvements may be needed to reduce crashes and help drivers on the minor approach maneuver the TH 65/Cajima Street NE intersection. The operations analysis suggests an RCUT, signalized RCUT and RIRO alternatives out performed TWSC and traffic signal alternatives. Left turn comparison indicates that the traffic signal and signalized RCUT alternatives greatly reduce the total travel time in peak periods. However, as the intersection is identified as a MAP-21 NHS PA, a traffic signal is not warranted under the current traffic volume.

Table 10 summarizes the results of the analyses presented above and includes cost estimates relative to each intersection modification alternative. MnDOT is currently working with Anoka County to implement Restricted Crossing U-Turns (RCUTs) on TH 65, south of Isanti County.

A long-term traffic control/intersection vision should be determined. The existing Two-Way Stop is not recommended for consideration as the final vision because it would operate at LOS F and the left-turn movement wait time is more than 15 minutes for the minor street. Additionally, the RIRO alternative is also not recommended because it would divert high traffic volume to TH 65/CR 5 intersection which makes the intersection operate at LOS F for the next 20 years.

Table 10: Summary Matrix

Traffic Control Scenario	2018 Worst Movement LOS (AM/PM)	2038 Worst Movement LOS (AM/PM)	Potential Crash Change	Estimated Construction Cost
Two-Way Stop (existing)	F/F	F/F	-	N/A
Traffic Signal	D/D	D/D	increase	$800,000
Unsignalized RCUT	A/A	C/B	decrease	$759,000
Signalized RCUT (Stage 2)	A/A	D/B	decrease	TBD
Signalized RCUT (Stage 3)	A/A	C/B	decrease	TBD
Right-in/Right-out (RIRO)	A/B	B/B	decrease	*

Based on the analysis, the primary alternative for consideration at the intersection is the RCUT.

RCUT:

- MnDOT is currently working with Anoka County to implement RCUTs on TH 65, south of Isanti County. An RCUT would be consistent with other locations on this corridor in the future.
- RCUT provides significant safety benefit.
- RCUT provides less delay for 95% of vehicles, other 5% have increased travel time but overall less stopped delay.
- Implement an unsignalized RCUT. Design the intersection with signals in mind. Signals implemented when determined to be needed by traffic.
- MnDOT would support an RCUT and would be willing to provide 50% of the funds for an RCUT.

A signal may be possible for future conditions.

Traffic Signal:

- Is not currently justified based on 8-hour signal warrants. MnDOT will require the intersection meet warrants before approval. MnDOT district policy indicates a reduction in warrant threshold volumes not be used due to roadway classification as TH 65 is a MAP-21 NHS PA. Therefore, zero (0) hours would meet the warrant today.
- Traffic signal provides for less delay on side streets.
- Likely would increase crashes overall, but less severe crashes.
- Traffic signal can be implemented for a lower cost than an RCUT.
- Implement a traffic signal at the location along with other intersection geometric improvements when volumes indicate that the warrants are met.

Either option will require approval from the Minnesota Department of Transportation as far as design and implementation. Ultimately, the RCUT could likely be implemented in a shorter time frame than the signal as the signal would require volume to increase before being warranted.

Appendix B: Intersection Crash Rate Calculation

Intersection Safety Screening

Intersection: Cajima Street NE and TH 65

Crash Data, 2013-2015.

Crashes by Crash Severity	
Fatal	0
Incapacitating Injury	0
Non-incapacitating Injury	1
Possible Injury	2
Property Damage	7
Total Crashes	10

Intersection Characteristics	
Entering Volume	18,100
Traffic Control	Thru / stop
Environment	Rural
Speed Limit	65 mph

Annual crash cost = $129,733

Statewide Comparison *Rural Thru / Stop*

Total Crash Rate	
Observed	0.50
Statewide Average	0.26
Critical Rate	0.58
Critical Index	**0.86**

Fatal & Serious Injury Crash Rate	
Observed	0.00
Statewide Average	1.06
Critical Rate	6.55
Critical Index	**0.00**

The observed crash rate is the number of crashes per million entering vehicles (MEV). The critical rate is a statistical comparison based on similar intersections statewide. An observed crash rate greater than the critical rate indicates that the intersection operates outside the expected, normal range. The critical index reports the magnitude of this difference.

The observed total crash rate for this period is 0.50 per MEV; this is 14% below the critical rate. Based on similar statewide intersections, an additional 2 crashes over the three years would indicate this intersection operaters outside the normal range.

The observed fatal and serious injury crash rate for this period is 0.00 per 100 MEV; this is 100% below the critical rate. The intersection operates within the normal range.

MEMORANDUM

Date: September 4, 2018

To: Mike Betker, Finance Director

From: Bradley C. DeWolf, P.E.
City Engineer

Jason W. Cook, P.E.
Assistant City Engineer

Subject: Restricted Crossing U-Turn (RCUT) – Engineering Services Fee Proposal
Hwy 65 & Cajima Street
City of Isanti, MN
Project No.: R13.115871

The Minnesota Department of Transportation (MnDOT) approved the installation of a Restricted Crossing U-Turn (RCUT) for the intersection of Cajima Street and Highway 65 based on the ICE report. These intersections are also commonly called J-Turns or Reduced Conflict Intersections (RCIs).

MnDOT has indicated that they would commit $450,000 of state funds to the project through the Local Initiative Project program. This program usually requires a application process where Cities submit formal applications requesting funding for projects 1-3 years in advance. MnDOT then reviews these applications and selects projects that qualify for the available funds. Due to changes in project scope, funds have become available for the City to request without going through the formal application process.

The City would be required to lead the overall project, develop the layout and plans, administer bidding, and perform construction inspection and administration.

This project would be substantially completed in 2019. The preliminary work would need to begin in September 2018 to meet this timeline. Bolton & Menk could prepare final plans this winter for a spring bid letting.

Once MnDOT authorizes the $450,000 in funds, Bolton & Menk will work to complete the approved layout, cooperative agreement, CATEX, final plans and specifications for an hourly, not to exceed fee of $101,000. Should the City receive acceptable bids, Bolton & Menk, Inc. will provide construction management and inspection services for an hourly, not to exceed fee of $55,000.

Construction Cost Estimate	$594,000
Engineering Fees	$156,000
Testing & Permits	$9,000
State Funds	($450,000)
Anticipated Total City Funds Required	**$309,000**

Jason will be at the September 6, 2018 Finance Committee Meeting if you have any questions.

Please contact me if you have any questions prior to the meeting.

Bolton & Menk is an equal opportunity employer.

CITY OF ISANTI

RESOLUTION NO. 2018 -

AUTHORIZE LOCAL INITIATIVE PROJECT FUNDING APPLICATION TO THE MINNESOTA DEPARTMENT OF TRANSPORTATION

WHEREAS, the City of Isanti has identified and supports the need to provide a safer, more efficient intersection at the intersection of Highway 65 and Cajima Street NE; and

WHEREAS, the City of Isanti has completed an Intersection Control Evaluation (ICE) Report, and

WHEREAS, the State of Minnesota Department of Transportation (MnDOT) has reviewed the ICE report and supports the construction of the recommended Restricted Crossing U-Turn (RCUT), and

WHEREAS, MnDOT is accepting funding applications for the Local Initiative Project program; and

WHEREAS, the total project cost is estimated at $759,000; and

WHEREAS, the City of Isanti requests MnDOT funding in the amount of $450,000; and

WHEREAS, should MnDOT provide the requested funding the City of Isanti is committed to provide the remaining funding and complete the project.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota as follows:

1) The City Council hereby supports the application to MnDOT for a Local Initiative Project funding application to facilitate the construction of the RCUT identified in the Intersection Control Evaluation Report.

2) Upon project approval and a funding commitment by MnDOT, the City Council accepts the Engineering Services Fee Proposal by Bolton & Menk for project design and construction management activities.

3) Funding for the City share of this project will come from the Signal Light Improvement Fund.

Motion by: _____

Seconded by: _____

All in favor: _____

Opposed: _____

Abstained: _____

This Resolution was duly approved by the City Council of the City of Isanti this 18th day of September, 2018.

Attest:

_____
Mayor George A. Wimmer

_____
Katie Brooks, Human Resources/City Clerk

City of Isanti, MN
Economic Development Authority
Regular Meeting Minutes of
September 4, 2018
Isanti City Hall

1. **Call to Order**
The meeting was called to order at 7:35 p.m. by President George Wimmer.

   a. **Pledge of Allegiance**
   b. **Roll Call**

   Present: Tara Hallberg, Steve Lundeen, Ross Lorinser, Dan Collison, Jill Reller, Paul Bergley, George Wimmer

   Absent: None

   Staff Present: Community Development Director Ryan Kernosky

   c. **Agenda Modifications**
   Secretary Kernosky stated that there were no agenda modifications

2. **Approval of the Agenda**
Motion by Lundeen, seconded by Collison to approve the September 4, 2018 EDA Agenda. Motion passed unanimously.

3. **Approve Minutes of the August 8, 2018 Regular Economic Development Authority Meeting**
Motion by Collison, seconded by Lundeen to approve the Minutes of the August 8, 2018 Regular EDA Minutes. Motion passed unanimously.

4. **Approval of EDA Resolution 2018-5, Appointing Ryan Kernosky as Secretary of the EDA**
Motion by Lundeen, seconded by Lorinser to approve EDA Resolution 2018-5. Motion passed unanimously.

5. **Promo Bag Program Report**
Director Kernosky stated that this was a discussion item for the EDA. Staff has provided bags for several events throughout the calendar year. Staff has seen a steady decline in the business that utilize the promotional bag program to get their information out to visitors and the general public coming to the City of Isanti. Staff was seeking comment and direction on how they wish to proceed with the program.

   President Wimmer stated that he's heard businesses do like having the program, and that trying to capture the visitors coming into the City is challenging without this program. Several businesses see benefits from having the program.

   Mr. Lundeen stated that Kwik Trip may contribute soon. He continued to point out the various events that utilize the programs, and that having these bags help local businesses. He stated that it was a good idea, but wasn't sure how we get more businesses to utilize it.

President Wimmer stated he liked doing the program for another year, after Kwik Trip and the Hotel are completed and that the City review the program after a year. Mr. Lundeen concurred with President Wimmer.

Mr. Lorinser asked how many businesses have stopped utilizing the program, President Wimmer stated that it ebbs and flows depending on the number of items the businesses may want to put into the program.

Mr. Collison stated that he was worried about the number of items in the bags, and that recently BMX handed out the promotional bags with very few items and expressed disappointment.

Mr. Lorinser stated that we may want to reconsider what events we provide these bags to. He concurred with President Wimmer that we should continue the program for another year. Mr. Lundeen stated he agreed to continue the program for another year.

Ms. Hallberg stated that the City could be more proactive in recruiting businesses. President Wimmer stated that we do provide them with a calendar.

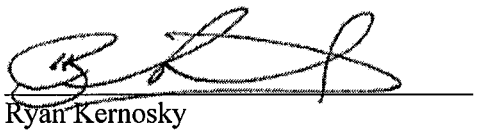
Motioned by Lundeen, seconded by Lorinser to continue the program for another year. Motion passed unanimously.

6. **Other Business/Updates/Communication**
   Director Kernosky recited portions of the staff memo provided. Kwik Trip and Best Western Plus are well underway. Staff has continued to reach out on Senior and Multi-family housing. Staff interviewed three individuals for the ED position, more on that as it becomes available. Kernosky stated that we are 5 homes ahead of last years count.

7. **Adjournment**
   Motion by Lundeen, seconded by Bergley to adjourn. Motion passed unanimously.

   The September 4, 2018 meeting of the EDA adjourned at 7:48 p.m.

Dated this 11th day of September, 2018.



Ryan Kernosky
Community Development Director

Request for City Council Action

To: **Mayor Wimmer and City Council Members**

From: Chief Gene C. Hill **MEMO**

Date: September 13, 2018

Subject: Letter of Resignation – Officer Steven Callahan

Background:

Officer Steven Callahan has put in his letter of resignation from the police department. His last day of employment would be September 16, 2018 which is the last day of his year's leave of absence.

Action:

I am requesting that City Council review and consider accepting the resignation of Officer Callahan who is leaving in good standing with the City of Isanti and to authorize the immediate posting to fill his vacancy created by his resignation.

Thank you for your time and consideration,

Chief Gene C. Hill

RESOLUTION 2018-XXX

RESOLUTION ACCEPTING THE LETTER OF RESIGNATION OF OFFICER STEVEN CALLAHAN

WHEREAS, Officer Callahan has been an employee of the City of Isanti Police Department since July 1st, 1998; and

WHEREAS, Officer Callahan has submitted a letter of resignation to the City of Isanti because his one year leave of absence is up on September 16th, 2018; and

WHEREAS, Officer Callahan is not able to return to work and is leaving is good standing with the City of Isanti Police Department; and

WHEREAS, to post and advertise to replace this vacant fulltime peace officers position; and

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Isanti, Minnesota to hereby approve the following:

1. To accept the resignation letter of Officer Steven Callahan to wit his last day of employment will be September 16th, 2018.
2. To post / advertise immediately to replace this full time peace officers position.

This Resolution is approved by the City of Isanti Council this 18th Day of September, 2018.

Memo

K.6.

To: **Mayor Wimmer and Members of the City Council**

From: Katie Everett, Parks, Recreation and Culture Manager

Date: September 18, 2018

Subject: **Resolution Approving Update to Landscaping of Community Sign at Isanti Police Department**

Background:
At its September 6, 2018 meeting, the Finance Committee discussed plans to update the landscaping around the community sign located at the Isanti Police Department. There is $2,247.11 remaining in Municipal Building – 500 upon completion of the City Hall landscaping project, and City staff anticipate that amount to be adequate to update the community sign landscaping. This project would include removing the existing landscaping block, installing rock to incorporate the newer sign panel, new plantings, and replacing the existing lighting with LED fixtures.

Requests:
Staff is requesting Council approval to use the funds remaining in Muni Building - 500 from the budgeted City Hall landscaping project to update the landscaping around the community sign located at the Police Department.

Attachments:
- Resolution 2018-XXX

RESOLUTION NO. 2018-XXX

RESOLUTION APPROVING UPDATE TO LANDSCAPING OF COMMUNITY SIGN AT ISANTI POLICE DEPARTMENT

WHEREAS, there were funds budgeted in 2018 to update the landscaping on the south side of City Hall; and,

WHEREAS, upon completion of the project, there is $2,247.11 remaining from the budgeted amount in Municipal Building – Capital Outlay (101-41941-500); and,

WHEREAS, City staff have drafted plans to update the landscaping around the community sign located at the Police Department using the remaining funds; and,

WHEREAS, at its September 6, 2018 meeting, the Finance Committee reviewed the plans and recommends approval of expenditure of the remaining funds in 101-41941-500 to complete this project;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to approve use of remaining funds in 101-41941-500, not to exceed $2,247.11, to update the landscaping of the community sign located at the Isanti Police Department.

This resolution was duly adopted by the Isanti City Council this 18th day of September, 2018.

Request for City Council Action

To: **Mayor Wimmer and City Council Members**

From: Chief Gene C. Hill

Date: August 30, 2018

Subject: Burning Permit Application

MEMO

Background:

A burning permit application for the Isanti Fire District. They are applying to burn a residence at 955 3rd Ave NW, which is old home that the land developer wants gone and the Fire District can get valuable training out of in a controlled setting; these are great rare opportunities. There are other permissions needed from the State the Fire Chief will obtain after this request have been reviewed.

Action:

For City Council to review and consider approving the permit for the Fire District.

Thank you for your consideration,

Chief Gene C. Hill

RESOLUTION NO. 2018-xxx

RESOLUTION TO APPROVE AN OPEN BURNING PERMIT FOR ISANTI FIRE DISTRICT

WHEREAS, the ISANTI FIRE DISTRICT has requested to conduct a fire training burn on a vacant residential structure located at 955 3rd Ave NW Isanti, MN; and,

WHEREAS, this is a rare opportunity to have live, hands-on, controlled fire training for the Firefighters; and,

WHEREAS, the Fire Chief and personnel are qualified for this type of activity and have the necessary means to control the fire; and,

WHEREAS, pursuant to City Code Chapter 119-4 Open Burning, Permit; proper application has been made and the Police Chief has reviewed the permit application and recommends issuance of the permit:

NOW THEREFORE BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ISANTI, MINNESOTA as follows:

1. To approve the burning permit for the Isanti Fire District conditioned on issuance of a fire training permit by the MPCA.

2. Adherence to City Code Chapter 119-4 (C) Issuance process and (D) Issuance standards.

This resolution was duly adopted by the Isanti City Council this 18th day of September, 2018.

RESOLUTION 2018-xxx

A RESOLUTION APPROVING EMERGENCY REPAIR OF THE FIRE ALARM PANEL AT CITY HALL

WHEREAS, a problem with the fire alarm system at City Hall was identified by city staff, and verified by the service vendor on August 28, 2018; and,

WHEREAS, it was determined that the fire alarm system panel needed to be replaced to ensure operability of the fire alarm system; which is a life safety matter necessitating immediate action; and,

WHEREAS, the service vendor, Johnson Controls, has provided a quotation of $4,652.15 for this work; and,

WHEREAS, the Finance Committee was informed of the emergency situation:

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota hereby:

1) Accepts the quotation from Johnson Controls for repair/replacement of the City Hall fire alarm system panel in the amount of $4,652.15 (see attached), and approves staff measures to address this situation.

2) Funding to be provided from Municipal Building (401) 90% and Building Inspection (401) 10%. The Finance Director is authorized to adjust the budget accordingly.

This Resolution is hereby approved by the Isanti City Council this 18th day of September, 2018.

Date: 09/11/2018

Johnson Controls is pleased to offer for your consideration this quotation for the above project.

QUANTITY	MODEL NUMBER	DESCRIPTION
	Fire Panel Material List	
1	4007-9102	4007ES HYBRID FACP, PLATINUM
1	4007-9806	SDACT MODULE
1	DPIM	INSTALLATION MATERIALS
1	DPFA	DP FIRE ALARM

Total net selling price, FOB shipping point, $4,652.15

Comments

Scope of Work: Fire Panel Replacement

SimplexGrinnell will replace the failing 4006 fire panel with the 4007ES Fire Alarm Control Panel which has the Monitoring Dialer built in. The 4007ES is backwards compatible and therefore the existing fire alarm devices will be used.

This bid includes shipping, wire and low voltage installation of equipment listed above, system programming and final test by a factory trained representative. Any Fire Marshal upgrades are not included. Painting, patching, troubleshooting or repairs to existing conditions are not included. All work under this proposal will be done during normal business hours (7am - 5pm Monday - Friday) excluding holidays. All AC Electrical work including any conduit that may be needed will need to be done by the Owners Electrician.

This quotation is valid for 30 days, based on acceptance of delivery within one year.

Tax is NOT included.

ADDITIONAL NOTES:
Please indicate your approval of this quotation by signing the last page and returning to my attention as noted below.

To: Mayor Wimmer and City Council Members

From: John Jacobi, Liquor Store Manager

Date: September 13, 2018

Subject: Donation Request for MMBA "Help Our Local Animals" Supplies Drive promotion in-store

---

Background:
Each year the MMBA supports many different organizations for the sole purpose of raising funds as well as supply donations to help support local animal shelters in our area. I am requesting that we promote this program in-store and customers can donate pet supply, food items or a cash donation in any amount they wish to help support this program. The dates of the donations are October 1st through October 31st 2018.

RESOLUTION NO. 2018- XXX

RESOLUTION APPROVING DONATION BOX AT LIQUOR STORE

WHEREAS, on September 18, 2018 City Council approved a donation box policy; and

WHEREAS, Isanti Liquor is requesting use of a donation box at the liquor store in support of the MMBA "Pet Food/Supplies Drive"; and

WHEREAS, the Liquor Committee has reviewed the request and recommended its approval.

NOW, THEREFORE, BE IT RESOLVED that the City Council of the City of Isanti, Minnesota hereby approves placement of a donation box for the Pet Food/ Supplies Drive at the Isanti Liquor Store from October 1, 2018 through October 31, 2018.

Adopted by the Isanti City Council this 18th day of September 2018.

5th Annual MMBA "Help Our Local Animals" Supplies Drive

In an effort to help members Promote the Community Value of their Municipal Liquor Operation, MMBA, in partnership with Miller Lite, is coordinating the *Fifth Annual Municipal "Help Our Local Animals" Supplies Drive* **benefiting your local animal shelter or other related animal cause.**

This is an effort to support animals in need. We'll be raising both supplies and funds. You in turn will donate everything to the local animal program of your choice.

Participating individual cities will be randomly drawn to win one of ten $200 donations to your local animal shelter from MillerCoors and MMBA.

So, everyone has a chance to win!

Here are additional details:

- The Supplies Drive will run from October 1 – October 31, 2018.
- Each participating MMBA member will collect pet supplies (food, blankets, leashes, kennels, etc & cash) for donation to your local shelter or animal cause of choice. Please reach out to your local animal causes and discuss items of need and anything they can do to help publicize this event
- At the end of the event (November 1), please take the collected supplies and cash to the recipient. (Contact the MMBA office if you need assistance locating your local cause.)

- Miller Lite POS to help Support the event

    - Signage from your Miller Distributor - One 3x5 banner - One 1x2 foot sign – Please contact them and discuss the info you would like on your custom sign.

    - 100 donation cards (with scannable UPC) will be created and provided by your Miller Lite distributor.

    - Bucket for collection of cash if you do not want to scan

    - Additional signage and donation cards can be obtained by contacting your Miller Lite Distributor. Get creative!

    - Materials will arrive the end of September.

Here are some successful ideas to promote the event:

- ✓ Product discount for those donating supplies
- ✓ Stapling a flyer to carry-out bags
- ✓ Photo's of animals from your local shelter / cause that need adoption or help
- ✓ Displaying the donated supplies in the front of the store to catch customer eyes
- ✓ Reference or total focus in advertising mediums
- ✓ Miller Lite wholesaler could build a platform of Miller Lite cases for the supplies to display on, or a wall of cases around an area where donations will be placed.
- ✓ Local newspaper story
- ✓ Collect contributions by participating in other community events

Any and all additional display/feature consideration for Miller Lite is greatly appreciated!

If you would like to participate in this event, contact the MMBA Office at:

Phone: 763-572-0222 or 866-938-3925
Email: kaspszak@visi.com

If you have questions about POS, please address with your local Miller Distributor.

If you have any issues contacting your local distributor, please contact Jon Chance

Phone: 612-718-6862
Jon.chance@millercoors.com

Thanks for your participation!!!!!

MEMORANDUM

TO: Mayor Wimmer
Members of the Isanti City Council

FROM: Ryan Kernosky, Community Development Director

DATE: September 18, 2018

SUBJECT: **RESOLUTION NO. 2018-XXX AUTHORIZING THE EXECUTION OF REPAYMENT AGREEMENT ON LOT 6 BLOCK 1, SUN PRAIRIE THIRD ADDITION WITH J ROBINSON CONSTRUCTION, INC**

Background

On December 19, 2017 the City Council amended and extended a SAC and WAC deferral program through Resolution 2017-304 to continue to spur development activity. J Robinson Construction, Inc. has requested that the City execute a Repayment Agreement for 832 Marion St SE, Isanti, MN legally described as Lot 6, Block 1, Sun Prairie Third Addition, for the construction of an approximate 1,396 sq ft single-family home. The business is in 'good standing' upon review of the MN Secretary of State Office as of September 18, 2018.

The form of the Repayment Agreement is consistent with the form approved by the City Council on December 19, 2017. The Repayment Agreement will be dated as of the date that the Building Permit is paid for by the Developer.

Staff Request

Staff is requesting that the City Council adopt the attached Resolution.

RESOLUTION NO. 2018-XXX

AUTHORIZATION AND EXECUTION OF REPAYMENT AGREEMENT ON LOT 6, BLOCK 1, SUN PRAIRIE THIRD ADDITION WITH J ROBINSON CONSTRUCTION, INC

WHEREAS, the City of Isanti adopted a SAC and WAC Deferral program on December 19, 2017 which is documented by Resolution 2017-304; and

WHEREAS, A boiler plate Repayment Agreement was drafted by City Development Attorney and the City Council directed Staff to utilize this agreement for parties interested in SAC and WAC Deferral for commercial or residential development; and

WHEREAS, J Robinson Construction, Inc (the "Developer") has asked the City of Isanti to enter into a Repayment Agreement for the property legally described as: Lot 6, Block 1, Sun Prairie Third Addition (the "Property") and has agreed to pay the recording fee associated with the filing of the Repayment Agreement; and

WHEREAS, the Developer has stated the it will be the owner of the Property at the time of execution of the Repayment Agreement; and

WHEREAS, the date of the Repayment Agreement will be when the Developer signs prior ot the payment of the building permit; and

WHEREAS, the Developer is registered, active and is in good standing with the Minnesota Secretary of State Office as of September 18, 2018.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota authorized the Mayor and City Administrator to execute the Repayment Agreement attached hereto contingent upon satisfactory proof of ownership witnessed in a recorded instrument of conveyance to the Developer.

This Resolution hereby approved by the Isanti City Council this 18th day of September, 2018

Attest:

Mayor George A. Wimmer

Katie Brooks
Human Resources / City Clerk

REPAYMENT AGREEMENT; STATUTORY SHORT FORM MORTGAGE; AND DEED RESTRICTIONS

THIS REPAYMENT AGREEMENT; STATUTORY SHORT FORM MORTGAGE; AND DEED RESTRICTIONS ("AGREEMENT"), made on or as of the ____ day of September, 2018, by and between the City of Isanti, Minnesota, a Minnesota municipal corporation (hereinafter referred to as the "City") having its principal office at 110 First Avenue N.W. PO Box 428, Isanti, Minnesota 55040, and J Robinson Construction, Inc. , a corporation under the laws of the State of Minnesota (hereinafter referred to as the "Developer"), having its principal office at 27178 Tamarack St NW, Isanti, MN 55040.

WITNESSETH:

WHEREAS, the Developer intends to construct a 1,396 square foot single family house (the "Improvements") on certain real property (the "Property") in the City; and

WHEREAS, in connection with the construction of the Improvements there are certain water and sanitary sewer charges that are payable by the Developer to the City; and

WHEREAS, the Developer has demonstrated to the satisfaction of the City that the Developer is unable to pay the full amount of the charges now and has asked the City to defer such charges and make them payable at a future point in time; and

WHEREAS, the City believes that the development of the Improvements by the Developer is in the best interests of the City and, therefore, it is willing to defer the charges if doing so will facilitate the development and viability of the Improvements.

NOW, THEREFORE, in consideration of the premises and the mutual obligations of the parties hereto, each of them does hereby covenant and agree with the other as follows:

ARTICLE I
Definitions

Section 1.1. Definitions. In this Agreement, unless a different meaning clearly appears from the context:

"Agreement" means this Agreement, as the same may be from time to time modified, amended, or supplemented.

"City" means the City of Isanti, Minnesota, its successors and assigns.

"County" means Isanti County, Minnesota.

"Deferred Charges" means the utility charges described in Section 3.1 of this Agreement being deferred by the City and which the Developer is obligated to pay in accordance with this Agreement.

"Developer" means J Robinson Construction, Inc, a Minnesota Corporation, its successors and assigns.

"Event of Default" means an action by the Developer listed in Article IV of this Agreement.

"Improvements" means the 1,396 square foot single family house to be constructed by the Developer on the Property.

"Property" means the real property described on the attached Schedule A to this Agreement.

"State" means the State of Minnesota.

ARTICLE II
Representations

Section 2.1. Representations by the City. The City makes the following representations as the basis for the undertaking on its part herein contained:

(a) The City is a statutory city duly organized and existing under the laws of the State. Under State law, the City has the power to enter into this Agreement and to perform its obligations hereunder.

Section 2.2. Representations by the Developer. The Developer represents that:

(a) The Developer is a corporation duly organized and authorized to transact business in the State, is not in violation of any provisions of its Bylaws or the laws of the State, has power to enter into this Agreement and has duly authorized the execution, delivery and performance of this Agreement by proper action of its Board of Directors.

ARTICLE III
Deferred Charges, Payment and Security

Section 3.1. Deferred Charges. The Developer owes to the City the sum of **$ 5722.00** in deferred utility charges ("Deferred Charges"). The Deferred Charges consist of **$ 2,537.00** in Water Availability Charges and **$ 3,185.00** in Sewer Availability Charges. The City has agreed to defer the payment of the Deferred Charges as described in this Agreement.

Section 3.2. Payment of the Deferred Charges. The Developer covenants and agrees that it will pay the Deferred Charges to the City on the earliest to occur of the following:

(a) on the date that is one hundred and twenty (120) days after the date of this Agreement;

(b) on the date that the Developer sells or transfers the Property or Improvements, or any portion thereof; or

(c) on the date that the City issues a certificate of occupancy for the Improvements.

Interest shall accrue on the Deferred Charges at the rate of zero percent (0%) from the date hereof and continuing until the Deferred Charges and all accrued interest have been paid in full.

Section 3.3. Payment of Costs.

(a) The Developer shall pay all costs for title work and recording of this Agreement.

(b) The Developer shall pay all costs incurred by the City in connection with the preparation and implementation of this Agreement and related documents, including, without limitation, fees of attorneys related the preparation of this Agreement and related documents, if the Developer fails to complete construction of the Improvements within one hundred and twenty (120) days after the date of this Agreement.

Section 3.4 Security. As security for Developer's obligation of repayment of the Deferred Charges and Costs identified in Sections 3.1 and 3.3, Developer hereby grants and the City shall and hereby does have, a lien on the Property in the full amount necessary to satisfy any repayment obligation of the fees and charges identified in Sections 3.1 and 3.3 under this Agreement and the cost including reasonable attorney's fees, of collecting the same.

Section 3.5 Notice. At least 10 days before the date of any sale, cash out refinance, transfer or other conveyance of the Property or, in the event of a sale by contract for deed, Developer or their heirs, executors or representatives, shall give the City notice thereof.

Section 3.6 Mortgage. To secure any such repayment of the Deferred Charges under Section 3.1 and 3.3 as may become due under the provisions of this Article, the Developer hereby

grants to the City a Statutory Short Form Mortgage pursuant to the provisions of Minnesota Statutes Section 507.15 (2016) as follows:

UNIFORM SHORT FORM MORTGAGE

This statutory mortgage, made this ___ day of September, 2018 between the City of Isanti, a Minnesota Municipal having its principal office at 110 First Avenue N.W. PO Box 428, Isanti, Minnesota 55040 (the "Mortgagor"), and J Robinson Construction, Inc., a corporation under the laws of the State of Minnesota having its principal office at 27178 Tamarack St NW, Isanti, MN 55040 (the "Mortgagee"),

Witnesseth, that to secure the payment of the Deferred Charges by the Mortgagee to the Mortgagor of $5,722.00 as described in Article 3 of this Agreement (the "Indebtedness") the Mortgagor, hereby mortgages to the mortgagee and grants a security interest in the real property located at 832 Marion St SE, in the City of Isanti, Isanti County, Minnesota, as legally described and set forth in "Schedule A" attached hereto and made a part hereof ("Property"), subject only to any liens or encumbrances of record thereon as of the date hereof.

And Mortgagor agrees and covenants with the Mortgagee the following statutory covenants;

1. To warrant the title to the Property, subject only to prior encumbrances of record as of the date hereof.
2. To pay the indebtedness as herein provided.
3. To pay all taxes.
4. To keep the buildings located on the Property insured against fire, windstorm and extended coverage for their full insurable value for the protection of the Mortgagee.
5. That the Property shall be kept in repair and no waste shall be committed.
6. That the whole of the principal sum shall become due after default, in the payment of any installment of principal or interest, or of any tax, or in the performance of any other covenant, at the option of the Mortgagee.

If default be made in any payment or covenant herein, the mortgagee shall have the statutory power of sale, and on foreclosure may retain statutory costs and attorney's fees.

Section 3.7. In the event Mortgagor or their heirs, executors or representatives shall fail or refuse to make a required repayment of the Indebtedness within the limited period set forth herein, the Mortgagee may, with or without notice to Mortgagor foreclose said lien in the same manner as provided pursuant an action for the foreclosure of mortgage upon said Property, as by statute provided, or may at its option proceed with foreclosure by advertisement pursuant to the statutory power of sale which the Mortgagor grants to the Mortgagee provided under this Mortgage, in accordance with applicable law. In the event of default by Mortgagor on any of Mortgagor's obligations under the terms of this Mortgage, Mortgagee shall also have the right to pursue any remedy available to it at law or in equity.

ARTICLE IV
Events of Default

Section 4.1. Events of Default Defined. The following shall be "Events of Default" under this Agreement and the term "Event of Default" shall mean, whenever it is used in this Agreement (unless the context otherwise provides), any one or more of the following events:

(a) Failure by the Developer to pay when due any payments required to be paid under this Agreement.

(b) The Developer of the following: (i) file any petition in bankruptcy or for any reorganization, arrangement, composition, readjustment, liquidation, dissolution, or similar relief under United States Bankruptcy Laws or any similar Federal or State Laws; or (ii) make an assignment for the benefit of its creditors; or (iii) admits, in writing, its inability to pay its debts generally as they become due; or (iv) be adjudicated, bankrupt or insolvent.

Section 4.2. City's Remedies on Default. Whenever any Event of Default by Developer referred to in Section 4.1 of this Agreement occurs, the City may take any one or more of the following actions after providing ten (10) days written notice to the Developer of the Event of Default, but only if the Event of Default has not been cured within said ten (10) days:

(a) Declare the entire outstanding balance of the Deferred Charges immediately due and payable;

(b) Terminate this Agreement;

(c) Deny issuance of certificates of occupancy or temporary certificates of occupancy;

(c) Take whatever action, including legal, equitable or administrative action, which may appear necessary or desirable to the City to collect any payments due under this Agreement, or to enforce performance and observance of any obligation, agreement, or covenant of the Developer under this Agreement, including the remedies provided under Article 3.

Section 4.3. No Remedy Exclusive. No remedy herein conferred upon or reserved to the City or Developer is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Agreement or now or hereafter existing at law or in equity or by statute. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the City or the Developer to exercise any remedy reserved to it, it shall not be necessary to give notice, other than such notice as may be required in this Article IV.

Section 4.4. No Additional Waiver Implied by One Waiver. In the event any agreement contained in this Agreement should be breached by either party and thereafter waived by the other

party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other concurrent, previous or subsequent breach hereunder.

Section 4.5. Costs of Enforcement. Whenever any Event of Default occurs and the City shall employ attorneys or incur other expenses for the collection of payments due or to become due or for the enforcement of performance or observance of any obligation or agreement on the part of the Developer under this Agreement, the Developer agrees that it shall, within ten (10) days of written demand by the City, pay to the City the reasonable fees of such attorneys and such other expenses so incurred by the City.

Section 4.6. Certificate of Occupancy. The City may deny a certificate of occupancy or temporary certificate of occupancy for the Property until all amounts owed to the City under the terms of this Agreement have been paid by Developer.

ARTICLE V
Additional Provisions

Section 5.1. Representatives Not Individually Liable. No member, official, or employee of the City shall be personally liable to the Developer, or any successor in interest, in the event of any default or breach or for any amount which may become due to Developer or successor in interest or on any obligations under the terms of this Agreement.

Section 5.2. Titles of Articles and Sections. Any titles of the several parts, Articles, and Sections of the Agreement are inserted for convenience of reference only and shall be disregarded in construing or interpreting any of its provisions.

Section 5.3. Notices and Demands. Except as otherwise expressly provided in this Agreement, a notice, demand, or other communication under the Agreement by either party to the other shall be sufficiently given or delivered if it is dispatched by registered or certified mail, postage prepaid, return receipt requested, or delivered personally; and

(a) in the case of the Developer, is addressed to or delivered personally to J Robinson Construction, Inc. 27178 Tamarack St NW, Isanti, MN 55040; and

(b) in the case of the City, is addressed to or delivered personally to the City at 110 First Avenue N.W., P.O. Box 428, Isanti, Minnesota 55040,

or at such other address with respect to either such party as that party may, from time to time, designate in writing and forward to the other as provided in this Section.

Section 5.4. Disclaimer of Relationships. The Developer acknowledges that nothing contained in this Agreement nor any act by the City or the Developer shall be deemed or construed by the Developer or by any third person to create any relationship of third-party beneficiary, principal and agent, limited or general partner, or joint venture between the City and the Developer or any third party.

Section 5.5. Release. Upon payment of all fees and charges under Article III in accordance with the provisions of this Agreement, the City will furnish Developer with a Release of Mortgage for the Property within a reasonable period of time following the request. Developer shall be responsible for recording the Release of Mortgage.

Section 5.6. Modifications. This Agreement may be modified solely through written amendments hereto executed by the Developer and the City.

Section 5.7. Counterparts. This Agreement may be executed in any number of counterparts, each of which shall constitute one and the same instrument.

Section 5.8. Judicial Interpretation. Should any provision of this Agreement require judicial interpretation, the court interpreting or construing the same shall not apply a presumption that the terms hereof shall be more strictly construed against one party by reason of the rule of construction that a document is to be construed more strictly against the party who itself or through its agent or attorney prepared the same, it being agreed that the agents and attorneys of both parties have participated in the preparation hereof.

Section 5.9. Run with the Land. This Agreement may be recorded against the Property and shall run with the aforesaid Property and shall inure to the benefit of and be binding upon the parties hereto and their respective heirs, executors, representatives, successors and assigns.

IN WITNESS WHEREOF, the City has caused this Agreement to be duly executed in its name and behalf and the Developer has caused this Agreement to be duly executed in its name and behalf on or as of the date first above written.

MEMORANDUM

TO: Mayor Wimmer
Members of the Isanti City Council

FROM: Ryan Kernosky, Community Development Director

DATE: September 18, 2018

SUBJECT: **RESOLUTION NO. 2018-XXX AUTHORIZING THE EXECUTION OF REPAYMENT AGREEMENT ON LOT 7 BLOCK 1, SUN PRAIRIE THIRD ADDITION WITH J ROBINSON CONSTRUCTION, INC**

Background
On December 19, 2017 the City Council amended and extended a SAC and WAC deferral program through Resolution 2017-304 to continue to spur development activity. J Robinson Construction, Inc. has requested that the City execute a Repayment Agreement for 844 Marion St SE, Isanti, MN legally described as Lot 7, Block 1, Sun Prairie Third Addition, for the construction of an approximate 1,396 sq ft single-family home. The business is in 'good standing' upon review of the MN Secretary of State Office as of September 18, 2018.

The form of the Repayment Agreement is consistent with the form approved by the City Council on December 19, 2017. The Repayment Agreement will be dated as of the date that the Building Permit is paid for by the Developer.

Staff Request
Staff is requesting that the City Council adopt the attached Resolution.

RESOLUTION NO. 2018-XXX

AUTHORIZATION AND EXECUTION OF REPAYMENT AGREEMENT ON LOT 7, BLOCK 1, SUN PRAIRIE THIRD ADDITION WITH J ROBINSON CONSTRUCTION, INC

WHEREAS, the City of Isanti adopted a SAC and WAC Deferral program on December 19, 2017 which is documented by Resolution 2017-304; and

WHEREAS, A boiler plate Repayment Agreement was drafted by City Development Attorney and the City Council directed Staff to utilize this agreement for parties interested in SAC and WAC Deferral for commercial or residential development; and

WHEREAS, J Robinson Construction, Inc (the "Developer") has asked the City of Isanti to enter into a Repayment Agreement for the property legally described as: Lot 7, Block 1, Sun Prairie Third Addition (the "Property") and has agreed to pay the recording fee associated with the filing of the Repayment Agreement; and

WHEREAS, the Developer has stated the it will be the owner of the Property at the time of execution of the Repayment Agreement; and

WHEREAS, the date of the Repayment Agreement will be when the Developer signs prior ot the payment of the building permit; and

WHEREAS, the Developer is registered, active and is in good standing with the Minnesota Secretary of State Office as of September 18, 2018.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota authorized the Mayor and City Administrator to execute the Repayment Agreement attached hereto contingent upon satisfactory proof of ownership witnessed in a recorded instrument of conveyance to the Developer.

This Resolution hereby approved by the Isanti City Council this 18th day of September, 2018

REPAYMENT AGREEMENT; STATUTORY SHORT FORM MORTGAGE; AND DEED RESTRICTIONS

THIS REPAYMENT AGREEMENT; STATUTORY SHORT FORM MORTGAGE; AND DEED RESTRICTIONS ("AGREEMENT"), made on or as of the ____ day of September, 2018, by and between the City of Isanti, Minnesota, a Minnesota municipal corporation (hereinafter referred to as the "City") having its principal office at 110 First Avenue N.W. PO Box 428, Isanti, Minnesota 55040, and J Robinson Construction, Inc. , a corporation under the laws of the State of Minnesota (hereinafter referred to as the "Developer"), having its principal office at 27178 Tamarack St NW, Isanti, MN 55040.

WITNESSETH:

WHEREAS, the Developer intends to construct a 1,396 square foot single family house (the "Improvements") on certain real property (the "Property") in the City; and

WHEREAS, in connection with the construction of the Improvements there are certain water and sanitary sewer charges that are payable by the Developer to the City; and

WHEREAS, the Developer has demonstrated to the satisfaction of the City that the Developer is unable to pay the full amount of the charges now and has asked the City to defer such charges and make them payable at a future point in time; and

WHEREAS, the City believes that the development of the Improvements by the Developer is in the best interests of the City and, therefore, it is willing to defer the charges if doing so will facilitate the development and viability of the Improvements.

NOW, THEREFORE, in consideration of the premises and the mutual obligations of the parties hereto, each of them does hereby covenant and agree with the other as follows:

ARTICLE I
Definitions

Section 1.1. Definitions. In this Agreement, unless a different meaning clearly appears from the context:

"Agreement" means this Agreement, as the same may be from time to time modified, amended, or supplemented.

"City" means the City of Isanti, Minnesota, its successors and assigns.

"County" means Isanti County, Minnesota.

"Deferred Charges" means the utility charges described in Section 3.1 of this Agreement being deferred by the City and which the Developer is obligated to pay in accordance with this Agreement.

"Developer" means J Robinson Construction, Inc, a Minnesota Corporation, its successors and assigns.

"Event of Default" means an action by the Developer listed in Article IV of this Agreement.

"Improvements" means the 1,396 square foot single family house to be constructed by the Developer on the Property.

"Property" means the real property described on the attached Schedule A to this Agreement.

"State" means the State of Minnesota.

ARTICLE II
Representations

Section 2.1. Representations by the City. The City makes the following representations as the basis for the undertaking on its part herein contained:

(a) The City is a statutory city duly organized and existing under the laws of the State. Under State law, the City has the power to enter into this Agreement and to perform its obligations hereunder.

Section 2.2. Representations by the Developer. The Developer represents that:

(a) The Developer is a corporation duly organized and authorized to transact business in the State, is not in violation of any provisions of its Bylaws or the laws of the State, has power to enter into this Agreement and has duly authorized the execution, delivery and performance of this Agreement by proper action of its Board of Directors.

ARTICLE III
Deferred Charges, Payment and Security

Section 3.1. Deferred Charges. The Developer owes to the City the sum of **$ 5722.00** in deferred utility charges ("Deferred Charges"). The Deferred Charges consist of **$ 2,537.00** in Water Availability Charges and **$ 3,185.00** in Sewer Availability Charges. The City has agreed to defer the payment of the Deferred Charges as described in this Agreement.

Section 3.2. Payment of the Deferred Charges. The Developer covenants and agrees that it will pay the Deferred Charges to the City on the earliest to occur of the following:

(a) on the date that is one hundred and twenty (120) days after the date of this Agreement;

(b) on the date that the Developer sells or transfers the Property or Improvements, or any portion thereof; or

(c) on the date that the City issues a certificate of occupancy for the Improvements.

Interest shall accrue on the Deferred Charges at the rate of zero percent (0%) from the date hereof and continuing until the Deferred Charges and all accrued interest have been paid in full.

Section 3.3. Payment of Costs.

(a) The Developer shall pay all costs for title work and recording of this Agreement.

(b) The Developer shall pay all costs incurred by the City in connection with the preparation and implementation of this Agreement and related documents, including, without limitation, fees of attorneys related the preparation of this Agreement and related documents, if the Developer fails to complete construction of the Improvements within one hundred and twenty (120) days after the date of this Agreement.

Section 3.4 Security. As security for Developer's obligation of repayment of the Deferred Charges and Costs identified in Sections 3.1 and 3.3, Developer hereby grants and the City shall and hereby does have, a lien on the Property in the full amount necessary to satisfy any repayment obligation of the fees and charges identified in Sections 3.1 and 3.3 under this Agreement and the cost including reasonable attorney's fees, of collecting the same.

Section 3.5 Notice. At least 10 days before the date of any sale, cash out refinance, transfer or other conveyance of the Property or, in the event of a sale by contract for deed, Developer or their heirs, executors or representatives, shall give the City notice thereof.

Section 3.6 Mortgage. To secure any such repayment of the Deferred Charges under Section 3.1 and 3.3 as may become due under the provisions of this Article, the Developer hereby

grants to the City a Statutory Short Form Mortgage pursuant to the provisions of Minnesota Statutes Section 507.15 (2016) as follows:

UNIFORM SHORT FORM MORTGAGE

This statutory mortgage, made this ___ day of September, 2018 between the City of Isanti, a Minnesota Municipal having its principal office at 110 First Avenue N.W. PO Box 428, Isanti, Minnesota 55040 (the "Mortgagor"), and J Robinson Construction, Inc., a corporation under the laws of the State of Minnesota having its principal office at 27178 Tamarack St NW, Isanti, MN 55040 (the "Mortgagee"),

Witnesseth, that to secure the payment of the Deferred Charges by the Mortgagee to the Mortgagor of $5,722.00 as described in Article 3 of this Agreement (the "Indebtedness") the Mortgagor, hereby mortgages to the mortgagee and grants a security interest in the real property located at 844 Marion St SE, in the City of Isanti, Isanti County, Minnesota, as legally described and set forth in "Schedule A" attached hereto and made a part hereof ("Property"), subject only to any liens or encumbrances of record thereon as of the date hereof.

And Mortgagor agrees and covenants with the Mortgagee the following statutory covenants;

1. To warrant the title to the Property, subject only to prior encumbrances of record as of the date hereof.
2. To pay the indebtedness as herein provided.
3. To pay all taxes.
4. To keep the buildings located on the Property insured against fire, windstorm and extended coverage for their full insurable value for the protection of the Mortgagee.
5. That the Property shall be kept in repair and no waste shall be committed.
6. That the whole of the principal sum shall become due after default, in the payment of any installment of principal or interest, or of any tax, or in the performance of any other covenant, at the option of the Mortgagee.

If default be made in any payment or covenant herein, the mortgagee shall have the statutory power of sale, and on foreclosure may retain statutory costs and attorney's fees.

Section 3.7. In the event Mortgagor or their heirs, executors or representatives shall fail or refuse to make a required repayment of the Indebtedness within the limited period set forth herein, the Mortgagee may, with or without notice to Mortgagor foreclose said lien in the same manner as provided pursuant an action for the foreclosure of mortgage upon said Property, as by statute provided, or may at its option proceed with foreclosure by advertisement pursuant to the statutory power of sale which the Mortgagor grants to the Mortgagee provided under this Mortgage, in accordance with applicable law. In the event of default by Mortgagor on any of Mortgagor's obligations under the terms of this Mortgage, Mortgagee shall also have the right to pursue any remedy available to it at law or in equity.

ARTICLE IV
Events of Default

Section 4.1. Events of Default Defined. The following shall be "Events of Default" under this Agreement and the term "Event of Default" shall mean, whenever it is used in this Agreement (unless the context otherwise provides), any one or more of the following events:

(a) Failure by the Developer to pay when due any payments required to be paid under this Agreement.

(b) The Developer of the following: (i) file any petition in bankruptcy or for any reorganization, arrangement, composition, readjustment, liquidation, dissolution, or similar relief under United States Bankruptcy Laws or any similar Federal or State Laws; or (ii) make an assignment for the benefit of its creditors; or (iii) admits, in writing, its inability to pay its debts generally as they become due; or (iv) be adjudicated, bankrupt or insolvent.

Section 4.2. City's Remedies on Default. Whenever any Event of Default by Developer referred to in Section 4.1 of this Agreement occurs, the City may take any one or more of the following actions after providing ten (10) days written notice to the Developer of the Event of Default, but only if the Event of Default has not been cured within said ten (10) days:

(a) Declare the entire outstanding balance of the Deferred Charges immediately due and payable;

(b) Terminate this Agreement;

(c) Deny issuance of certificates of occupancy or temporary certificates of occupancy;

(c) Take whatever action, including legal, equitable or administrative action, which may appear necessary or desirable to the City to collect any payments due under this Agreement, or to enforce performance and observance of any obligation, agreement, or covenant of the Developer under this Agreement, including the remedies provided under Article 3.

Section 4.3. No Remedy Exclusive. No remedy herein conferred upon or reserved to the City or Developer is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Agreement or now or hereafter existing at law or in equity or by statute. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the City or the Developer to exercise any remedy reserved to it, it shall not be necessary to give notice, other than such notice as may be required in this Article IV.

Section 4.4. No Additional Waiver Implied by One Waiver. In the event any agreement contained in this Agreement should be breached by either party and thereafter waived by the other

party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other concurrent, previous or subsequent breach hereunder.

Section 4.5. Costs of Enforcement. Whenever any Event of Default occurs and the City shall employ attorneys or incur other expenses for the collection of payments due or to become due or for the enforcement of performance or observance of any obligation or agreement on the part of the Developer under this Agreement, the Developer agrees that it shall, within ten (10) days of written demand by the City, pay to the City the reasonable fees of such attorneys and such other expenses so incurred by the City.

Section 4.6. Certificate of Occupancy. The City may deny a certificate of occupancy or temporary certificate of occupancy for the Property until all amounts owed to the City under the terms of this Agreement have been paid by Developer.

ARTICLE V
Additional Provisions

Section 5.1. Representatives Not Individually Liable. No member, official, or employee of the City shall be personally liable to the Developer, or any successor in interest, in the event of any default or breach or for any amount which may become due to Developer or successor in interest or on any obligations under the terms of this Agreement.

Section 5.2. Titles of Articles and Sections. Any titles of the several parts, Articles, and Sections of the Agreement are inserted for convenience of reference only and shall be disregarded in construing or interpreting any of its provisions.

Section 5.3. Notices and Demands. Except as otherwise expressly provided in this Agreement, a notice, demand, or other communication under the Agreement by either party to the other shall be sufficiently given or delivered if it is dispatched by registered or certified mail, postage prepaid, return receipt requested, or delivered personally; and

(a) in the case of the Developer, is addressed to or delivered personally to J Robinson Construction, Inc. 27178 Tamarack St NW, Isanti, MN 55040; and

(b) in the case of the City, is addressed to or delivered personally to the City at 110 First Avenue N.W., P.O. Box 428, Isanti, Minnesota 55040,

or at such other address with respect to either such party as that party may, from time to time, designate in writing and forward to the other as provided in this Section.

Section 5.4. Disclaimer of Relationships. The Developer acknowledges that nothing contained in this Agreement nor any act by the City or the Developer shall be deemed or construed by the Developer or by any third person to create any relationship of third-party beneficiary, principal and agent, limited or general partner, or joint venture between the City and the Developer or any third party.

Section 5.5. Release. Upon payment of all fees and charges under Article III in accordance with the provisions of this Agreement, the City will furnish Developer with a Release of Mortgage for the Property within a reasonable period of time following the request. Developer shall be responsible for recording the Release of Mortgage.

Section 5.6. Modifications. This Agreement may be modified solely through written amendments hereto executed by the Developer and the City.

Section 5.7. Counterparts. This Agreement may be executed in any number of counterparts, each of which shall constitute one and the same instrument.

Section 5.8. Judicial Interpretation. Should any provision of this Agreement require judicial interpretation, the court interpreting or construing the same shall not apply a presumption that the terms hereof shall be more strictly construed against one party by reason of the rule of construction that a document is to be construed more strictly against the party who itself or through its agent or attorney prepared the same, it being agreed that the agents and attorneys of both parties have participated in the preparation hereof.

Section 5.9. Run with the Land. This Agreement may be recorded against the Property and shall run with the aforesaid Property and shall inure to the benefit of and be binding upon the parties hereto and their respective heirs, executors, representatives, successors and assigns.

IN WITNESS WHEREOF, the City has caused this Agreement to be duly executed in its name and behalf and the Developer has caused this Agreement to be duly executed in its name and behalf on or as of the date first above written.

RESOLUTION 2018-XXX

RESOLUTION AUTHORIZING TEMPORARY COMPENSATION INCREASE TO COMMUNITY DEVELOPMENT DIRECTOR RYAN KERNOSKY IN THE INTERIM PERIOD OF THE VACANT POSITION OF AN ECONOMIC DEVELOPMENT DIRECTOR

WHEREAS, the City Council recognizes the additional duties and responsibilities incurred by Ryan Kernosky in the interim period of a vacant Economic Development Director position; and

WHEREAS, the City Council desires to compensate Community Development Director Ryan Kernosky for the additional duties, responsibilities, and time provided to the city in this interim period; and

NOW THEREFORE BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ISANTI, MINNESOTA AS FOLLOWS:

1. That Community Development Director Ryan Kernosky shall each receive additional compensation of $4.00 per hour (based on a 40-hour week).
2. That said compensation for Mr. Kernosky shall be retroactive to August 27, 2018 and shall terminate the first day an appointed Economic Development Director (or similar title) starts employment with the City of Isanti.
3. The Human Resources/City Clerk is directed to forward an executed copy of this resolution to the employee/s and place a copy in the respective personnel files for future reference.

This resolution was duly adopted by the Isanti City Council this 18th day of September, 2018.

Regular Meeting Minutes of
September 4, 2018
Isanti City Hall

1. **Call to Order**
The meeting was called to order at 7:35 p.m. by President George Wimmer.

   a. **Pledge of Allegiance**
   b. **Roll Call**

   Present: Tara Hallberg, Steve Lundeen, Ross Lorinser, Dan Collison, Jill Reller, Paul Bergley, George Wimmer

   Absent: None

   Staff Present: Community Development Director Ryan Kernosky

   c. **Agenda Modifications**
   Secretary Kernosky stated that there were no agenda modifications

2. **Approval of the Agenda**
Motion by Lundeen, seconded by Collison to approve the September 4, 2018 EDA Agenda. Motion passed unanimously.

3. **Approve Minutes of the August 8, 2018 Regular Economic Development Authority Meeting**
Motion by Collison, seconded by Lundeen to approve the Minutes of the August 8, 2018 Regular EDA Minutes. Motion passed unanimously.

4. **Approval of EDA Resolution 2018-5, Appointing Ryan Kernosky as Secretary of the EDA**
Motion by Lundeen, seconded by Lorinser to approve EDA Resolution 2018-5. Motion passed unanimously.

5. **Promo Bag Program Report**
Director Kernosky stated that this was a discussion item for the EDA. Staff has provided bags for several events throughout the calendar year. Staff has seen a steady decline in the business that utilize the promotional bag program to get their information out to visitors and the general public coming to the City of Isanti. Staff was seeking comment and direction on how they wish to proceed with the program.

   President Wimmer stated that he's heard businesses do like having the program, and that trying to capture the visitors coming into the City is challenging without this program. Several businesses see benefits from having the program.

   Mr. Lundeen stated that Kwik Trip may contribute soon. He continued to point out the various events that utilize the programs, and that having these bags help local businesses. He stated that it was a good idea, but wasn't sure how we get more businesses to utilize it.

President Wimmer stated he liked doing the program for another year, after Kwik Trip and the Hotel are completed and that the City review the program after a year. Mr. Lundeen concurred with President Wimmer.

Mr. Lorinser asked how many businesses have stopped utilizing the program, President Wimmer stated that it ebbs and flows depending on the number of items the businesses may want to put into the program.

Mr. Collison stated that he was worried about the number of items in the bags, and that recently BMX handed out the promotional bags with very few items and expressed disappointment.

Mr. Lorinser stated that we may want to reconsider what events we provide these bags to. He concurred with President Wimmer that we should continue the program for another year. Mr. Lundeen stated he agreed to continue the program for another year.

Ms. Hallberg stated that the City could be more proactive in recruiting businesses. President Wimmer stated that we do provide them with a calendar.

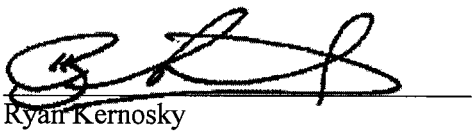
Motioned by Lundeen, seconded by Lorinser to continue the program for another year. Motion passed unanimously.

6. **Other Business/Updates/Communication**
   Director Kernosky recited portions of the staff memo provided. Kwik Trip and Best Western Plus are well underway. Staff has continued to reach out on Senior and Multi-family housing. Staff interviewed three individuals for the ED position, more on that as it becomes available. Kernosky stated that we are 5 homes ahead of last years count.

7. **Adjournment**
   Motion by Lundeen, seconded by Bergley to adjourn. Motion passed unanimously.

   The September 4, 2018 meeting of the EDA adjourned at 7:48 p.m.

Dated this 11th day of September, 2018.



Ryan Kernosky
Community Development Director

CITY OF ISANTI
SPECIAL PLANNING COMMISSION MINUTES
SEPTEMBER 11, 2018

1. Meeting Opening.
A. Call to Order.
Chairman Wimmer called the meeting to order at 7:00 p.m.

B. Pledge of Allegiance.
The Pledge of Allegiance was recited.

C. Roll Call.
Members Present: George Wimmer, Steve Lundeen, Dan Collison, Ross Lorinser, Paul Bergley, Joey Lemay.

Members Absent: None.

Staff Present: Ryan Kernosky, Community Development Director; Matt Lindholm, Planner.

1D. Agenda Modifications.
Director Kernosky stated that there were no agenda modifications

2. Approval of the Agenda
Motion by Collison, seconded by Lorinser to adopted the agenda, approved unanimously.

3. Approval of the Minutes from the August 21, 2018 Planning Commission
Motion by Collison, seconded by Bergley to approve the minutes from the August 21, 2018 Planning Commission meeting, approved unanimously.

4. Oath of Office for New Planning Commissioner – Arissya Simon
Arissya Simon recited the Oath of Office for Planning Commissioner. Subsequent to the Oath, Commissioner Simon took her seat on the Planning Commission.

5. Public Hearings
A. Request from Odyssey Homes, Inc for approval of the Preliminary Plat of Legacy Pines Subdivision for the land legally described as Outlot B, Villages on the Rum Third Addition 2nd Replat Park Addition, Isanti County, Isanti, Minnesota

Director Kernosky presented his staff memorandum on the proposed Preliminary Plat of Legacy Pines Subdivision. He stated that this is part of the original Villages on the Rum Development, and that the proposed subdivision is a phased approach with a different subdivision name. Kernosky continued to stated that the proposed phase one would extend Bellaire Blvd NW to service an additional 23 lots, and extending Moline Loop NW to service 21 lots. Kernosky advised that this project is part of the 2010 PUD amendment to Village on the Rum, and that this proposed phase one development is consistent with that PUD amendment. Kernosky stated that there were a number of conditions put on by City and engineering staff. Staff is recommending approval with those conditions.

Mayor Wimmer opened the public hearing at 7:02 p.m.

Maureen Williams, 913 Robin Rd NW – Ms. Williams stated that phase one will be in her back yard. She expressed concern about the traffic load that will result in phase one. Ms. Williams continued, and asked whether or not Moline Loop NW would connect to Third Ave NW during phase one.

Mayor Wimmer stated that eventually this will be connected up and around to Whiskey Rd and Third Ave.

Director Kernosky stated that Robin Rd NW is a cul-de-sac and that the Moline Loop NW portion of phase one will develop along the north-side of Robin Rd NW. Kernosky stated that Moline Loop NW will not open up to Third Ave NW until a later phase, with the installation of Blue Bird Way NW. Kernosky also stated that Bellaire Blvd NW will not connect to Whiskey Rd during phase one.

Ms. Williams questioned how many homes were completed on the north-end of Whiskey Rd NW during this year. Director Kernosky stated that 8 homes were completed or under construction this year along the north-end of Whiskey Rd NW. Ms. Williams inquired about the number of homes in phase one along Moline Loop NW, she also stated that with the additional personal vehicle traffic as a result of the phase one expansion, it will add additional load of traffic to the Whiskey Rd NW and Moline Loop NW intersection. She stated she was concerned about this. Mayor Wimmer stated that this will be built out and will work once complete.

Ms. Williams inquired whether or not her concerns about having additional access to the neighborhood can be discussed at this time.

Director Kernosky reminded the audience and Commission that it is within the purview of the Commission to add that condition, advising that the Commission may want to ask the developer if they would be interested in adding an additional access point during phase one.

Commissioner Leymay added that he lives near Ms. Williams and agrees that it would add additional traffic to the area, and that he has concern for the children due to blind spots on Moline Loop NW.

George Heman, 323 Palomino Rd SE – Mr. Heman asked about park land that would be set aside for the completed development, or if there's any open space plan.

Mayor Wimmer stated that Legacy Park was donated to the City to be part of this development. He also stated that there's park and recreation fees that the developer will have to pay for the creation of future parks.

Mr. Heman expressed concern that the current developer has put no finances towards the existing Legacy Park. Mayor Wimmer explained that the development agreement included dedicating park land to the City, and that this development was subject to that development agreement.

Director Kernosky stated that Legacy Park was donated to the City in 2010 during the first development attempt of this area by the Bank. Kernosky stated that because Legacy Park is a community park and that the Soccer Complex is close to the development, staff does not believe there's an additional need for park space.

Mr. Heman had a question pertaining to the access points for the development. Mayor Wimmer stated that there's going to be connection to Third Ave NW and Whiskey Rd NW. Mr. Heman asked about the number of phases and how many lots would be developed throughout the project and when. Mayor Wimmer and Director Kernosky stated that the future phases will occur when the market dictates demand.

Mr. Heman also asked what the price of the lots will be. Mayor Wimmer stated that the City does not get into that discussion and advised Mr. Heman to discuss it directly with the developer.

Mayor Wimmer declared the public hearing closed at 7:15 p.m.

Jason Bebeau of Odyssey Homes, Inc. approached the microphone. Mayor Wimmer inquired about the traffic and road access concerns. Mr. Bebeau stated that the additional access would most likely occur in the spring under phase two, but not during phase one.

Mayor Wimmer advised Mr. Bebeau that the City Council will need an idea of how much additional traffic will occur as a result of phase one. Commissioner Collison stated that this number will also depend on how many lots are sold and build in phase one.

Commissioner Lorinser stated that there were only four lots between the end of phase one and the proposed access to Third Ave NW. Lorisner asked if it would be excessive to get that road extension done during phase one.

Mayor Wimmer asked about the future phases. Mr. Bebeau stated that the market dictates when the rest of the phases will get completed, however, he hoped for forty lots at a time. Mr. Bebeau stated that there will

be between 174 and 177 total lots once complete. He also stated he hopes to get phase two in this up coming winter.

Commissioner Collison asked about access to Third Ave NW. Director Kernosky stated that a connection would occur about 200' south of the driveway into Isanti Soccer Complex.

Motioned by Bergley seconded by Lorinser to recommend approval of the preliminary plat, with questions regarding the traffic and access brought up during the public hearing is addressed by the applicant. Motion passed unanimously.

6. Discussion Items

None

7. Adjournment

Motion by Lorinser, second by to Collison to adjourn the September 11, 2018 meeting of the Planning Commission. Motion was unanimously approved.

The meeting adjourned at 7:21 p.m.

Dated at Isanti, Minnesota this 12th day of September, 2018.

Respectfully submitted,

Ryan Kernosky
Community Development Director

A Community For Generations.

MEMORANDUM

Date: September 12, 2018

To: Honorable Mayor Wimmer and Members of the City Council

From: Bradley C. DeWolf, P.E.
City Engineer

Jason W. Cook, P.E.
Assistant City Engineer

Subject: Project Status Report
Isanti, MN
Project No.: R13.115547

Please find listed below a status report of the current projects in the City of Isanti:

1) MS4 Phase 2 & 3 Implementation

We will continue to assemble documents to assist the City in meeting the requirements of the MS4 permit for Phase 2 and Phase 3 of the implementation schedule.

2) Cajima Street/TH 65 Signal Study

We will bring the ICE report, engineering services memo, and request for MnDOT funding to the September 18, 2018 council meeting.

3) 2018 Street & Utility Improvements

A preconstruction meeting was held Tuesday September 11, 2018. The contractor plans to begin utility installation the week of September 24, 2018 and complete the project by the end of October, 2018.

4) 2018 Storm System Maintenance Project

The Bid was rejected at the September 4, 2018 council meeting.

5) 2018 Pavement Maintenance Project

This project is complete.

6) Clarifier Rehab Project

This project is scheduled to be completed this fall.

In addition to the current projects listed above we have completed and accepted 48 private developments and 61 city contracts since being selected as your City Engineer in 2008.

Please contact me if you have any questions.

Bolton & Menk is an equal opportunity employer.

G. Announcements

1. Parks, Recreation and Culture Board Meeting	Tuesday, September 25, 2018 @ 6:00 p.m.
2. City Council Meeting	Tuesday, October 2, 2018 @ 7:00 p.m.
3. EDA Meeting	Tuesday, October 2, 2018

(Immediately following the City Council Meeting)

H. Council Committee Reports

Mayor Wimmer applauded Isanti Police Department, Isanti Fire Department and Public Works Department for their response to the lightning strike that produced a gas line fire on Eighth Avenue North East.

I. Public Hearings

None.

J. Business Items

Community Events and Parks Coordinator Katie Everett

1. Resolution 2018-214 Approving a Special Event Permit Application for BMC Open House and Stiff Upper Lip Car Show
   Brian McCullough, owner of BMC, a British Automotive Restoration business shared that this is an event open to the public on October 13th, 2018. Mayor Wimmer added that BMC is a great business and the event has a lot of great cars.

Motion by Lundeen, second by Lorinser to approve request. Motion carried.

City Administrator Don Lorsung

2. Ordinance 696 Amending Chapter 352, Article I, Lawn Sprinkling, Watering and Irrigation

City Administrator Don Lorsung explained that this ordinance is an addition to the Water Conservation Restrictions and is a state requirement in the event of a water shortage.

Motion by Lundeen, second my Lorinser to approve the request. Motion carried.

Community Development Director Ryan Kernosky

3. Resolution 2018-215 Approving the Preliminary Plat for Legacy Pines Subdivision

Mayor Wimmer introduced the resolution and stated that the communication from the developer regarding the connection of Moline Loop NW to 3rd Ave NW in phase one was not acceptable. Mayor Wimmer continued and stated that Planning Commission was very clear in their discussion that there was a need for an additional outlet in phase one. Jason Bebeau, from Odyssey Homes, Inc, stated that they intend to bring on phase two immediately after phase one is approved, and that the connection would occur in phase two. Mr. Bebeau stated he would guarantee that the connection would occur by June 30, 2019 and he would be willing to enter into a development agreement to require that. Mayor Wimmer stated that the City has been through this before, and that it hasn't worked out in the City's best interest in the past. Mayor Wimmer asked Director Kernosky about the communication received on September 18, 2018 regarding this item. Kernosky stated that staff and the Planning Commission had expressed concern about not having that connection in phase one, and that staff has been in contact with the developer regarding this proposal. Kernosky stated that there are ways to require the extension by the proposed deadline. Kernosky advised that the City Council may want to consider approval of the Bellaire Blvd NW extension first, and address staff to work with the developer on the preliminary plat for the Moline Loop NW expansion.

Bob Machacek, a member of Odyssey Homes, Inc. stated that the developer is trying to be reasonable and bring on a few homes at a time instead of flooding the market. He stated they are interested in entering into a development agreement. Mayor Wimmer stated he would prefer an escrow. Councilmen Lorinser and Lundeen expressed their understanding of the developer's position, but reiterated that they wanted to protect the City.

Charlie Christopherson, Hakkanson Anderson Engineering, stated that the extension would push approvals from State-permitting out another several weeks and would prevent the development from occurring this fall. Mayor Wimmer stated he wants a full escrow for this development.

Councilman Lorinser stated that he is unwilling to approve the Moline Loop NW portion of the development without the road connecting to 3rd Ave NW.

Motion to approve the preliminary plat of "Legacy Pines" with the stipulation that Moline Loop NW is extended connect to 3rd Ave NW. If the developer chooses not to extend Moline Loop NW to connect to 3rd Ave NW, then the developer may continue the development with only the Bellaire Blvd NW extension. Motioned by Lorinser, second by Lundeen. Motion carried.

Assistant City Engineer Jason Cook

4. Intersection Control Evaluation Report
    a. Resolution 2018-XXX Accepting Intersection Control Evaluation Report
    b. Resolution 2018-XXX Authorize Local Initiative Project Funding Application to the Minnesota Department of Transportation

Assistant City Engineer Jason Cook presented the Intersection Control Evaluation Report and explained that the intersection of Trunk Highway 65 and Cajima Street NW does not meet requirements for a traffic signal or a Right in Right Out intersection as it does not encounter an 8-hour traffic volume or 4-hour traffic volume. However, Jason Cook added that the intersection does meet the requirements for a Restricted Crossing U-Turn and explained how Restricted Crossing U-Turns work. Jason also shared that he and City staff visited with three businesses in the Industrial Park and they all supported the Restricted Crossing U-Turn concept. MnDOT has a substantial share of funding available and would also be willing to pay a share of the engineering fees. A resolution requesting such funding is before the City Council for consideration. Questions were addressed by Jason and the City Council further discussed the matter.
Motion by Lundeen, second by Bergley to accept the Intersection Control Evaluation Report and authorize the funding request for MnDOT. Motion carried.

K. Approve Consent Agenda

1. Consider Accounts Payable in the amount of $275,674.78 and Payroll in the amount of $111,882.05
2. Final Meeting Minutes for the September 4, 2018 Economic Development Authority Meeting
3. Contractor's Final Pay Request No. 2 for Pavement Management in the Amount of $22,324.13
4. Contractor's Final Pay Request No. 5 for 2017 Palomino Road Improvements in the Amount of $29,290.81
5. Resolution 2018-218 Resolution Accepting the Letter of Resignation of Officer Steven Callahan
6. Resolution 2018- 219 Approving Update to Landscaping of Community Sign at Isanti Police Department
7. Resolution 2018- 220 Approving an Open Burning Permit for Isanti Fire District
8. Resolution 2018- 221 Approving Community Center Monthly Renter Reservation Form"
9. Resolution 2018-222 Approving Emergency Repair of the Fire Alarm Panel at City Hall
10. Resolution 2018-223 Approving 5th Annual MMBA Animal Drive
11. Resolution 2018-224 Authorizing and Execution of Repayment Agreement on Lot 6, Block 1, Sun Prairie Third Addition with J Robinson Construction, Inc
12. Resolution 2018-225 Authorizing and Execution of Repayment Agreement of Lot 7, Block 1, Sun Prairie Third Addition with J Robinson Construction
13. Resolution 2018-226 Authorizing Compensation to Community Development Director Ryan Kernosky in the Interim Period of a Vacant Economic Development Director position

Motion by Lundeen, second by Bergley to approve Consent Agenda as presented. Motion carried.

L. Other Communications

1. Draft Minutes of the September 4, 2018 Economic Development Authority Meeting

2. Draft Minutes of the September 11, 2018 Special Planning Commission Meeting
3. August Police Department Report

5. August Building Inspector Report
6. September Engineering Report

Adjournment
Motion to adjourn by Bergley, second by Lorinser. Motion carried. The meeting was adjourned at 7:59 p.m.

Respectfully Submitted,

Jaden Moore
Administrative Data Clerk

A Community For Generations.
Isanti

MEMORANDUM

TO: Mayor George Wimmer
Members of the Isanti City Council

FROM: Ryan Kernosky, Community Development Director

DATE: October 2, 2018

SUBJECT: **REQUEST FROM FIRST FRUITS LAND DEVELOPMENT, LLC FOR PRELIMINARY PLAT APPROVAL OF "SUN PRAIRIE FOURTH ADDITION" FOR THE PROPERTY LEGALLY DESCRIBED AS OUTLOT G, SUN PRAIRIE FIRST ADDITION, ISANTI COUNTY, ISANTI, MINNESOTA**

Background
First Fruits Land Development, LLC (applicant) has submitted a completed application and paid applicable fees for a Preliminary Plat known as "Sun Prairie Fourth Addition" for the property legally described as Outlot G, Sun Prairie First Addition, Isanti County, Isanti, Minnesota. This development is part of the Sun Prairie Subdivision development done in 2005. This development has existing infrastructure and is covered by the original development agreement for the Sun Prairie First Addition. As such, the signal light fees have been paid at the time of the platting.

The following fees are due at the time of the final platting:

Park Dedication Fee: 9 lots at $1,500 = $13,500
Trunk Sewer Charge: 9 lots at $1,000 = $9,000

Request
The applicant is requesting the subdivision of one Outlot into 9 parcels abutting 9th Ave SE. The applicant had previous preliminary plat approval to develop this property, however, did not act upon it within the required timeline. The parcels range in size from 11,056 sq ft to 12,319 sq ft, homes in the R-1 Zoning District must meet the following requirements:

Lot Requirements:
Size: Minimum 11,000 sq ft
Width: Corner – 95 ft, other – 80 feet
Depth: 137 ft

Home Requirements:
Home Size: Minimum 1,200 sq ft
Garage Size: Minimum 720 sq ft

Development and Operations Advisory Committee Recommendation
DOAC met to discuss this item on August 23, 2018, and has recommended approval.

City Planning Commission Recommendation
On September 18, 2018, the City Planning Commission recommended approval as presented.

Staff Comments
Comprehensive Plan – This proposed development is consistent with the City 2008 Comprehensive Plan and development plan of this area.

Public Hearing Notice – Notice of this hearing was published in the *Isanti County News* on September 6, 2018, property owners within 350' of the subject site were provided written notification dated September 7, 2018 per City Code.

Public Comments – At the writing of this staff report, no public comment has been received.

Certificate of Taxes Paid – Per Isanti County, taxes on this property have been paid in full.

Deadline for City Council Action – A complete application was submitted on August 16, 2018. As such, the City Council has until December 17, 2018 to take action on this item.

City Engineer Recommendation
City Engineer Brad DeWolf and Jason Cook reviewed the application and have recommended approval.

Staff Recommendation
Staff recommends approval as presented.

RESOLUTION NO. 2018-XXX

A RESOLUTION APPROVING THE PRELIMINARY PLAT FOR SUN PRAIRIE FOURTH ADDITIONI

WHEREAS, First Fruits Land Development, LLC has made application for Preliminary Plat Approval for Sun Prairie Fourth Addition, legally described as Outlot H, Sun Prairie First Addition, Isanti County, Isanti, Minnesota; and,

WHEREAS, the Isanti Planning Commission conducted a public hearing on the Preliminary Plat on September 18, 2018; and,

WHEREAS, all required public notices regarding the public hearing were posted and sent to property owners within 350' of the subject parcel; and,

WHEREAS, the City Council reviewed the Preliminary Plat request at the October 2nd, 2018 meeting.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Isanti, Minnesota that it hereby adopts the Findings of Fact and Conclusion related to the requested Preliminary Plat and **BE IT FURTHER RESOLVED** that the requested Preliminary Plat Approval for Sun Prairie Fourth Addition from First Fruits Land Development, LLC be approved.

Adopted by the Isanti City Council this 2nd day of October, 2018.

_____
Mayor George A. Wimmer

ATTEST:

_____
Katie Brooks
City Clerk/Human Resources

FINDINGS OF FACT AND CONCLUSION

Request

Request from First Fruits Land Development LLC for Preliminary Plat approval of the Plat of Sun Prairie Fourth Addition, legally described as Outlots H, Sun Prairie First Addition, Isanti County, Isanti, Minnesota.

Findings of Fact

1. The applicant, First Fruits Land Development LLC ('the applicant'), has made application for Preliminary Plat Approval of Sun Prairie Fourth Addition, Isanti County, Minnesota.
2. The property is legally described as Outlot H, Sun Prairie First Addition, Isanti County, Minnesota.
3. The Applicant is requesting Preliminary Plat Approval in an effort to create 9 single-family lots.
4. The property is zoned "R-1" Single-Family Residential District.
5. A preliminary plat is considered a major change requiring a public hearing and notification of all property owners within 350'; and final approval by the City Council.
6. The Applicant submitted an application for Preliminary Plat Approval on August 16, 2018.
7. A public hearing date before the Planning Commission was scheduled for Tuesday, September 18, 2018 at 7:00 p.m. at City Hall within the Council Chambers.
8. Notices were sent to all property owners located within the development and within 350 feet of the subject property.

Conclusions

1. The platting of the property would appear to meet the lot requirements and setback requirements as provided within the zoning ordinance for properties located within the "R-1" Single-Family Residential Districts.
2. The platting of the property would appear to meet the Design Standards as required by Ordinance No. 536.

Decision

The Planning Commission held a public hearing on the item at the **September 18, 2018** meeting. The meeting minutes, staff memo and exhibits will be made part of the Findings of Facts and Conclusions.

Planning Commission Recommendation:

Motioned by Lundeen, seconded by Bergley to recommend approval of the Preliminary Plat as presented. Motion passed unanimously.

MEMORANDUM

Date: September 5, 2018

To: Ryan Kernosky, Community Development Director

From: Bradley C. DeWolf, P.E.
City Engineer

Jason W. Cook, P.E.
Assistant City Engineer

Subject: Sun Prairie Fourth Addition, Preliminary Plat Review
City of Isanti, MN

We have reviewed the Preliminary Plat for the proposed Sun Prairie Fourth Addition created by LHB with a signature date of June 20, 2018 that was re-submitted to the City on August 23, 2018.

The preliminary plat includes 9 residential lots with proposed building pads, drainage and utility easements, building setback lines, and parcel lines.

We have reviewed the submitted preliminary plat and have no additional comments.

We recommend approval of the preliminary plat as submitted.

Please contact me if you have any questions.

Bolton & Menk is an equal opportunity employer.

CITY OF ISANTI
PARKS, RECREATION, AND CULTURE BOARD
MEETING MINUTES
August 28, 2018
City Council Chambers

1. Meeting Opening.

A. Call to Order.
Garvey called the meeting to order at 6:00 p.m.

B. Pledge of Allegiance.
Everyone stood for the Pledge of Allegiance.

C. Roll Call.

Members Present:	Jennifer Garvey, Jeff Johnson, and Mayor Wimmer
Members Absent:	James Witte and Aaron Zdon
Staff Present:	Katie Everett, Parks, Recreation, and Culture Manager
	Ryan Kernosky, Community Development Director

D. Agenda Modifications.
Garvey asked if there were any agenda modifications; there were none. Motion by Wimmer, second by Johnson to approve the agenda for the August 28, 2018 Parks, Recreation, and Culture Board Meeting.

2. Approval of Minutes from July 24, 2018 Parks, Recreation, and Culture Board Meeting

Motion by Wimmer; second by Johnson. Minutes were unanimously approved.

3. Bike and Pedestrian Plan Update (Ryan Kernosky, Community Development Director)

Kernosky explained that the what is included in the packet is the visualization of the future Bicycle and Pedestrian Plan. It was taken from comments by this body and members of staff. You'll notice there are lot of extensions of sidewalks and multimodal paths, things of that nature. What I've also done is considered future road planning in the community – future collector streets and major and minor arterials – then ran multimodal paths next to those future streets. The numbers of the maps are associated within the other part of the document with what needs to occur, who is responsible for that, and then kind of a general timeline. A lot of them are going to be as the property develops as the developer's responsibility. That would include sidewalk extensions and some multimodal transportation extensions. There are future options for bridges, and that was something that came up with the submitted documents from this board, that we need to have something that identifies possible future extensions for a pedestrian and bike bridge and/or tunnel to go under 65 to connect the west side to the east side. Kernosky asked the board for questions or feedback. Everett stated that Zdon provided comment ahead of the meeting that Isanti Parkway by Bluebird Park and BMX was a top priority as well as along County Road 5. Kernosky stated that the portion along Isanti Parkway is a future extension of the multimodal path and the City controls all of the frontage, so when the City would decide to do that extension it would be much easier than some other parts. County Road 5 is a challenge because the City has no jurisdiction over that road, but we would look forward to working with the County to ensure bike lanes, sidewalks, or multimodal paths are installed to enhance the safety of that corridor. Wimmer added that the issue with that is that the County has stated repeatedly that they don't have right-of-way in that area as we've tried to work with Safe Routes to School grants. The issue comes in adding to the north side, those homes have very small frontages so they've been less than excited about wanting to have a sidewalk or trail in that area as well. We did try a couple of years ago to have discussion of having a bike lane through there (doesn't do anything for pedestrian traffic), but the County did adopt last year incorporating bike routes on County highways. That may help move that along. Everett asked if we get any sort of notice when the County is planning to do a construction project so we can provide the input that these things are important. Wimmer said that if it's through the City, yes it goes to the Engineering staff. We are not involved in design and things along that line. That's why it was important to get the bike portion in their overall planning so when they look at redoing County highways they're looking at doing that. Their board has changed their direction on that, starting last year.

Everett asked if in the Isanti Hills area where there are no sidewalks if there is enough space to add sidewalks the next time the roads are done. Kernosky stated that those streets do have a 60 foot right-of-way, so it could be just like with Palomino with the addition of a sidewalk and a 4- or 5-foot tree boulevard. It is all 60 or 66 foot right-of-way depending on the street in that neighborhood.

Garvey thanked Kernosky for his work on the document. Kernosky added that he is aiming to present the final document at the September meeting.

4. Community Garden Discussion

Everett stated that board has images of what the garden looks like, and explained that we actually have four raised beds and have removed the table options. The areas on the north side of the garden were left open on purpose when we designed the garden so that we could expand in a way that made sense based on the kind of participation we got with the garden. Both of those spaces have taken a lot of time for maintenance because weeds grow very fast out there. Essentially we have room for 33 more plots if follow the same 10'x10' model on the north section. The maps give an idea if we do one side or the other. A couple of things to consider: we can turn it all into plots and tell the school and the Master Gardeners that they can reserve actual plot spaces instead of having an open space that they have to maintain everything. That may be easier for them to handle, and then we might get more participation out of them as well. This kind of thing then, Public Works can just till and it goes a lot faster, even if next year an entire row were to not be used, the maintenance of doing something like that goes a lot faster. Everett has not heard yet from School For All Seasons if they're considering incorporating that into their curriculum this year, but this year they did not participate and previous couple of years it was really a struggle for them to maintain the big space over the summer. This year, the Master Gardeners have kept up pretty well, but Everett thinks it was more space than they really needed too. She hasn't gotten a report from them yet on how many families were involved with that. Everett said that there would be some cost associated with mulch to make the paths, but nothing too considerable since we have to buy mulch for playgrounds every year anyway. Wimmer asked if we were just about full this year. Everett confirmed that all 60 plots were reserved this year and all 4 raised beds, but we do have 2 more raised beds that we can add if they are reserved. Everett explained she spoke with a gardener at the pot luck whose wife is in a wheelchair, and he said they have a couple of those tables at home. So it may be that most people have space for that size table at home, so that might be why they weren't rented from us. It's good to be able to accommodate people, so maybe there's a different way we can do that to make it more worth someone's while. Everett stated that she doesn't know that we'll get more than 50% more reservations, so if we do all of it at once we may have some empty plots again in 2019.

Wimmer stated that he thinks we should look at doing at least a 10% increase in plots for next year, so that's just adding 6 more plots. Garvey asked if it would make sense to keep going in the straight row format so we as we add more in the future it keeps going that way. Wimmer thought it would, especially sense most people out there with more than one plot have them in the same row. We have a fair amount of people that have more than one plot, so that would make it consistent. Garvey asked if it would be an option if we opened up one of the lines [on the west side], knowing the rest is still future plots, to keep the pollinator plants. She asked if the pollinator plants perennials or annuals. Everett explained that they're most perennial. In that section right now there were some plugs that we planted and many of them now have been eaten by rabbits. Last year and this year, we planted some wildflower seed to cover the area and this year we planted more plants. We do have a row of some Black Eyed Susans, coneflowers, and hyssop that came back really well this year. Potentially some of that will want to come back next year, and we can move the bigger plants if we decide we want to use that space for plots. Garvey said she would like to see the pollinator garden continued if that's a possibility. Everett said that the community gardeners have been really interested in pollinators too, and many of them plant flowers too. At the point that the whole garden is plots, we potentially could plant some of those pollinator plants around the garden sign or somewhere in the area too. It would still be beneficial to the garden. Garvey added that she thought if we provided plots for the school and Master Gardeners, that would be a better option because it is more manageable on their side of it, and then it fits in more with what we're offering at the garden too. Whether it's that we don't sell out the new plots and we let them use those, we can always work at it each year a little differently.

Everett summarized that we are going to leave the educational plot area as-is for next year, but do the farthest left row – does that feel too disconnected from the rest of the garden? Wimmer said we could do the interior line,

since the ones on the outside are the ones that get the most visitors. Garvey agreed that it would make sense to do the row closest to the raised beds and then expand outside.

5. Parks Updates

Everett gave a summary of summer events. She said that she got great feedback about Celebrate Isanti. Lots of families with young kids came out to the Kids' Festival, and they all loved the simulator. It was super cool for the kids to get to try out that equipment. The Union said that it was a good event for them too, and we hope that they want to come back. Wimmer said that in talking with them, it sounds like once we get them a date they'll get it scheduled. Everett said that it sounded like the car show went pretty well; she didn't get final numbers but when she talked to the organizer at the event it sounded like there were at least 150 cars. The street dance went really well. Bad Girlfriends was a good band and they said they had a good time and are interested in coming back. BMX was open that day, and they said they had a good handful of people sign up for activities after the event so it was worth their time to be open. Wimmer said he talked to them and they got a lot of new riders out of it.

Everett explained that Curious Creatures went really well. The only time we've been able to hold those is at Mattson Park because there's a person who does home daycare and she brings her kids over. This time we had a bunch of unrelated people come too, so hopefully we can get them to come back and maybe come to some of the other parks too. The next one is at River Bluff and it is a harvest theme.

Everett stated that the Farmers' Market goes through the end of September so there are 5 weeks left. She is still continuing to get new vendors. At next month's meeting she will give a full report about how the season went, but it's looking like overall it went really well.

Everett added that there was a potluck out at the Community Garden and there were about 8 people there. They were the people that usually come out for things, and they have a lot of good feedback about what's growing out there and how to help each other out. They did mention that the picnic the Cambridge community garden does has some awards for people's plots. That could be something fun to think about doing as well. They have the Master Gardeners go around and decide on the best the plot, most creative, and it sounds like there's one for something like the weediest plot too. That kind of idea is interesting because it might hold people more accountable when they know that people are looking at what they're doing. Everett will look into doing something like that next year. This year it was just really casual and we asked people to bring something to share that was made with something from the garden. The garden is open through mid-October.

Everett gave an update on fall programs as well. Movie Nights start in October, and the volunteer groups we've had in the past have been emailed the sign up form. If the board has ideas of local youth organizations that might want to take over concessions for a night to let her know. Hopefully we get all of the dates filled again. New this fall is family day at Legacy Park on October 6. It will include fun fall things, and a lot of people go out there to take family photos so we'll have options for families to do that too. We haven't done anything like this one before, so we'll see how it goes.

6. Adjournment

Motion by Johnson, second by Wimmer to adjourn the August 28, 2018 meeting of the Parks, Recreation, and Culture Board. Motion was approved.

The meeting adjourned at 6:27 p.m.

Dated at Isanti, Minnesota this 28th day of August, 2018.

Respectfully submitted,

Katie Everett

RESOLUTION 2018-XXX

RESOLUTION OFFERING THE POSITION OF PART-TIME LIQUOR STORE CLERK TO DANYETTE PHELPS

WHEREAS, the City Council of the City of Isanti is required to approve all new employees; and,

WHEREAS, the Personnel Committee approved to advertise and accept applications to fill a Liquor Store Part-Time Clerk position; and,

WHEREAS, the Interviewing Panel selected Danyette Phelps as the most qualified candidate for the open Part-Time Liquor Store Clerk position. Offers are contingent on successfully passing a background check and reference check. If any of the mentioned contingencies are not met, the offer can and will be rescinded.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, as follows:

1. That Human Resources is hereby directed to offer the Part-Time Liquor Store Clerk position to Danyette Phelps for the City of Isanti and that he shall be eligible to start in that position on or after October 3rd, 2018.
2. That Danyette Phelps shall start at Step 1 of the Wage Scale at $11.21 per hour.
3. That Danyette Phelps shall be on probationary status per the Personnel Policy in the position of the Part-Time Clerk position.
4. That Human Resources is directed to complete all required documentation for the completion of the employment offer as her start date is set for October 3rd, 2018.
5. That Human Resources is directed to forward an executed copy of this resolution to the employee and place a copy in the employee's personnel file for future reference.

This Resolution is hereby approved by the Isanti City Council this 2nd day of October, 2018.

4. Public Hearings

A. Request from First Fruits Land Development, LLC for Preliminary Plat Approval of "Sun Prairie Fourth Addition" for the property legally described as Outlot G, Sun Prairie First Addition, Isanti County, Isanti, Minnesota.

Director Kernosky presented his staff memorandum on the proposed Preliminary Plat.

Mayor Wimmer opened the public hearing at 8:03 p.m.

No one spoke at the public hearing.

Mayor Wimmer declared the public hearing closed at 8:03 p.m.

Motioned by Lundeen seconded by Bergley to recommend approval of the preliminary plat. Motion passed unanimously.

5. Discussion Items

None

6. Adjournment

Motion by Bergley, second by to Lundeen to adjourn the September 18, 2018 meeting of the Planning Commission. Motion was unanimously approved.

The meeting adjourned at 8:04 p.m.

Dated at Isanti, Minnesota this 25th day of September, 2018.

Respectfully submitted,

Ryan Kernosky
Community Development Director

CITY OF ISANTI
PARKS, RECREATION, AND CULTURE BOARD
MEETING MINUTES
September 25, 2018
City Council Chambers

1. Meeting Opening.

A. Call to Order.
Zdon called the meeting to order at 6:00 p.m.

B. Pledge of Allegiance.
Everyone stood for the Pledge of Allegiance.

C. Roll Call.

Members Present:	Jennifer Garvey, Jeff Johnson, James Witte, Aaron Zdon, and Mayor Wimmer
Staff Present:	Katie Everett, Parks, Recreation, and Culture Manager
Others Present:	Jennifer Hawks, Lisa Johnson

D. Agenda Modifications.
Zdon asked if there were any agenda modifications; there were none. Motion by Witte, second by Johnson to approve the agenda for the September 25, 2018 Parks, Recreation, and Culture Board Meeting.

2. Approval of Minutes from August 28, 2018 Parks, Recreation, and Culture Board Meeting

Motion by Johnson; second by Witte. Minutes were unanimously approved.

3. Fir Street Parcel Options

Everett explained that she put together ideas for the parks might look like that the board discussed previously. The cost estimates are meant as a general guideline for how things compare. The board had talked about doing exercise equipment that we could potentially do at the same time as Academy Park. This option includes circuit training equipment, and there are obstacle course types of options. The set of equipment shown was about $30,000, freight ends up costing almost as much as the equipment, and then installation as well. It is slightly cheaper than playground equipment, but there are still moving pieces. Depending on how many pieces of equipment chosen, there would be a lot of variability on how that might actually turn out. Everett included a couple of options for types of pavilions. The community garden has a mesh fabric for shade instead of a metal or shingled roof. Those are getting to be really popular; they look really nice and provide shade with some protection from rain. There are options to get really fancy with the exercise equipment – you could pave trails between them and that kind of thing.

Everett made a couple of options for a multiuse court because there are a couple of different ways people were doing that. The first one you just make a bigger slab and have separate courts, and in the second one you make a slab big enough for a basketball court and tennis court fits on top of it, then you would stripe them in different colors. In that option, Everett recommends putting a fence around the sport court to keep the balls in the play area. The other park options might not need a fence at all. There is space for a pavilion with those options as well, if we decided we wanted that.

Everett stated that the last option is the casual-use, sort of a gathering space type of park. Included in this option is a bocce court that could be super simple. We could have Public Works make something, there are lots of tutorials out there. You can also get expensive, specific to bocce, surfacing if you want it. The bag toss that is included would be concrete. When Everett was researching she found lots of cool concrete ping pong tables and things. On the ping pong tables, instead of a fabric net, they have a metal piece that is stamped out with shapes. All of those options have very different prices as well.

At the memo, Everett included some other things that could be considered for any of the options. We would probably plant trees at any of the options, but based on the use you might plant different types or more or less trees. There is irrigation at Rum River Meadows, so in some of these options with bigger open spaces, that might be really important to do. If we're going to put a big court on it, there's probably not really a reason to irrigate the grass around it. Park signs are also included as a reminder that there are always other miscellaneous costs that come up. Right now, these are kind of just informative. Everett asked the board for comments.

Witte asked if with Option C (bag toss and bocce ball) patrons would have to provide their own. Everett stated that she saw a couple of options for that; what we could potential do is get a set of bean bags and as soon as they're gone, we don't replace them. There was one example Everett saw that they posted a "bring your own bags" sign, so that could also be an option.

Zdon said that they're all really awesome, and he thinks C could be really cool. Maybe we add another element too, he doesn't know if it would be ping pong or what it is. Everett stated that the board had also talked about having open space for pick up football and things too. Zdon said agreed, and said that if was laid out right we could even stripe something like 10 yard lines for fun. He added that it's feasible that you could put a lock box out there with bags, but then you're dealing with having to give out a code. Garvey agreed that she liked Option C with the green space and the shade structure. Zdon added that he thinks we would definitely want irrigation with the green space. Everett asked if with that type of we would want some type of fence on the boundary. Garvey said she doesn't like the idea of fencing. More of a natural fencing with trees and bushes would be preferred.

Witte said that he is torn between B1 [large court] and C, just because of the request for pickleball. Everett stated that there are lot of places that are striping tennis courts with pickleball lines. If we determine at some point that we need to have pickleball, that could be a way to do that too. Zdon added that we could also convert Whisper Ridge, and that's not that far from there either. We'd have to advertise it as a new pickleball court. Garvey agreed that she would rather see it go there. She added that down the road, since it's in a higher residential area than our current courts, we could get complaints of the balls bouncing at any hour could be an issue too. Witte asked if this park would be lighted. Everett stated that she thinks there's an electrical box out there, so we could potentially get lights. We don't have lights at most of our parks; which also helps the neighbors not have more light, and hopefully keeps people out of the park when it's dark too.

Everett stated that we'll just hold on to these for the file. At the point that we are ready to move forward with something, we can take a look and see if anything new has come up and narrow the prices in as well.

4. Legacy Park Update

Everett informed the board about planned development around Legacy Park. The map in the memo shows the park boundary which is really all that the City owns, however many residents think that the whole area is part of the park. The City is working with a developer who is looking at starting to develop that open space. Everett stated that she and Public Services Director/Assistant City Administrator Wood have already gotten calls from people curious about what was going on when there were people out doing surveys. Legacy Park is protected and not effected by what is going on. If all of the plans are approved, we will start to see things happen back there soon. Zdon added that it's going to be a great neighborhood, especially along the park side. Everett asked the board members to direct people to City Hall if they have questions. Zdon asked if there is any timeline. Wimmer stated that they are planning to put the road in on Phase 1, and he just called a special meeting because they're now going to put the road in on the eastern edge to connect up to 3rd by the soccer fields. That meeting will be October 2nd. They're look at Phase 2 being up to the area where our parking lot will be, and doing that in the spring. Garvey asked if there are specific markers designating where that parking lot is. Everett said that we'd have to get it surveyed and there isn't anything up there now. Wimmer stated when the road gets paved up to that point, the parking lot will get paved and it will be a defined lot. Garvey asked if in the interim it would be helpful to have some type of markers to help guide people. Wimmer said that we'll be able to answer that in the spring. If they won't be up that far, then yes, we would want to have a defined route. If they follow their plan, it will be there. Everett stated that it might be worth noting that on the park maps we are currently directing people from the south side of the ponds into the park, but that really is just an access easement and is not meant to be a trail. Zdon asked if this is considered a new development or if it's part of an old one – will there be Park Dedication funds? Wimmer said that there will be as each phase is approved there will be a development agreement. Right now

we're putting together the master development agreement, and then it will be completed in phases. The 21 acres for Legacy Park was part of the original agreement. When that land went into foreclosure, we worked with the bank to get that land to the City. We also worked with the development agreement so there's a mix of R3, higher density, closer to the soccer fields and R1 in the development.

5. Parks Updates

Everett stated that Farmers' Market season is done on Friday. She is making dinner for the last day and will get their feedback about what they thought about the season and what they think for next year. Early comments that she's gotten are that they wondering how to get more of them in, because they want more vendors. Part of that discussion needs to be if there is demand for that. If we invite more people in, is everyone still successful. Growing responsibly is important too. For the most part, things are going really well. Vendor numbers are up since we moved. It seems like we have had pretty consistent customers, and weather is always a factor.

Family Day at Legacy Park is coming up on October 6th. The Ambassadors are going to come out that day to help too. There will be a scavenger hunt, a s'mores station, and some areas where families can take pictures as well. It is a drop in event, and open to the public. It's the first time we're doing it, so we're trying to get the word out.

Movies start on October 19th. We are still looking for volunteer groups.

Curious Creatures is starting to kick off. In August we had a big turnout at Mattson Park and many of them came back for September at River Bluff. The next one is October 9th, and that's the first one that we'll be able, hopefully, to run at Bluebird. That's one of those places where people just happen to be a lot, so more people might see it and catch on. Wimmer added that at the one in September, the parents said that somebody had come and told them to come to the next one. It's good to see people pulling each other in. Everett agreed that word of mouth is kind of our best tool.

Everett stated that the last item are the tentative dates for 2019. The rodeo is a week later next year, so that kind of shifts us back a little bit. These will get confirmed once we get the budget set.

6. Adjournment

Motion by Witte, second by Garvey to adjourn the September 25, 2018 meeting of the Parks, Recreation, and Culture Board. Motion was approved.

The meeting adjourned at 6:23 p.m.

Dated at Isanti, Minnesota this 25th day of September, 2018.

Respectfully submitted,

Katie Everett

Katie Everett
Parks, Recreation, and Culture Manager

City of Isanti Recognized for Outstanding Work in Conservation

Congratulations to the City of Isanti, recipients of the 2018 Isanti Soil and Water Conservation District's Outstanding Conservationist Award. The City will be recognized at the Outstanding Conservationist luncheon held in conjunction with the MN Association of Soil and Water Conservation Districts (MASWCD) 2018 Annual Convention on Tuesday December 4th. Each year the Isanti SWCD recognizes individuals and/or organizations for outstanding accomplishments in implementing conservation practices and improving Minnesota's natural resources.

"We're proud of The City of Isanti for what they've done for conserving the natural resources in Isanti County," said Wayne Calander, board chair of the Isanti Soil and Water Conservation District. "It's great to be able to recognize the work that they have done locally" Calander said.

The relationship between the SWCD and Isanti began in 2011 following the completion of a Stormwater Retrofit Study that identified locations to cost effectively improve treatment of stormwater from portions of the City that discharge to the Rum River. The results of the study led to a $120,000 Clean Water Fund grant to install the top-rated pollution reduction project—a Stormwater Outfall pond located on RR Ave. The City provided the $38,750 match for the project via their Stormwater Utility fee.

The initial partnership led to subsequent joint conservation projects including:

- Erosion control on the Rum River: Isanti has installed 300 linear feet of cedar tree revetments to control erosion on the Rum River in River Bluff Park;
- City-Wide Rain Garden Program: The City has developed a City-wide raingarden incentive program that includes FREE SWCD technical assistance to landowners; and
- Groundwater Conservation: The City has elected to take part in a groundwater use audit at both the City Hall and Community Center. This audit will identify current water usage and cost-effective ways to reduce the amount of water they are using.

Isanti SWCD thanks the City of Isanti for being leaders in conservation!

AGENDA
CITY OF ISANTI
CITY COUNCIL MEETING
TUESDAY, OCTOBER 2, 2018 – 7:00 P.M.
CITY HALL

F.1.

I. Citizens Input
None.

II. Agenda

Mayor Wimmer called the meeting to order at 7:00 p.m.

The Pledge of Allegiance was recited.

Members Present: Mayor George Wimmer, Council Members: Paul Bergley, Dan Collison and Ross Lorinser.

Members Absent: Steve Lundeen

Staff Present: Community Development Director Ryan Kernosky, Assistant City Engineer Jason Cook, Human Resources/City Clerk Katie Brooks, City Administrator Don Lorsung, Police Chief Gene Hill, Public Services Director/ Assistant City Administrator Josi Wood and City Attorney Clark Joslin

Others Present: Isanti County Commissioner Mike Warring, George Heman, Elizabeth Anderson, Jeff Johnson, Lisa Johnson, Charlie Christopherson, Jason Bebeau, Joey LeMay, Jill Reller and Arissya Simon

D. Adopt Agenda
Motion by Lorinser, second by Collison to approve Agenda as presented. Motion carried.

E. Proclamations/Commendations/Certificate Awards
None

F. Approve City Council Minutes
1. September 18, 2018 – Regular Meeting of the City Council
   Motion by Lorinser, second by Bergley to approve minutes as presented. Motion carried.

G. Announcements

1. City Council Meeting	Tuesday, October 16, 2018 at 7:00 p.m.
2. Planning Commission Meeting	Tuesday, October 16, 2018 at 7:00 p.m. *(Immediately following City Council Meeting)*
3. Park, Recreation, and Culture Board Meeting	Tuesday, October 23, 2018 at 6:00 p.m.

H. Council Committee Reports
Councilor Collison stated that the Public Works Committee Meeting Discussed Storm Pond Maintenance with Public Works doing the task of brush removal to reduce the cost of contracted work. To have staff do this would include the cost of acquiring brush removal equipment. Assistant City Engineer Jason Cook added that a rebid can be completed without the brushing element to see how much it decreases the cost.

Councilor Paul Bergley reported on the recent Isanti Fire District Board meeting and that the Fire Chief expressed concerns regarding support by Fire District Members of the firefighters and organization. The Council discussed the concerns. Mayor Wimmer was very concerned as the City has expressed strong

support of the firefighters and District. Mayor Wimmer will follow up on this with the Fire Chief. Councilor Lorinser expressed sincere appreciation for recent incidents where the firefighters provided excellent response and service to the City.

I. Public Hearings

None.

J. Business Items

Community Development Director Ryan Kernosky

1. Resolution No. 2018-227 for Preliminary Plat Approval for Sun Prairie Fourth Addition

Community Development Director Ryan Kernosky explained that this is a preliminary plat for 9 lots that abut 9th Ave S and that this is the final development portion for Sun Prairie First Addition.

Motion by Lorinser, second by Bergley to approve the request. Motion carried.

K. Approve Consent Agenda

1. Consider Accounts Payable in the Amount of $136,934.66 and Payroll in the amount of $93,505.18 and Third Quarter Payroll for Council, Boards and Commissions in the amount of $10,812.67
2. Approve Final Minutes for the August 28, 2018 Parks, Recreation and Culture Board Meeting
3. Resolution 2018-228 Approving Exempt Gambling Permit for Rum River BMX Halloween Spooktacular Event
4. Resolution 2018-229 Approving Exempt Gambling Permit for Rum River BMX Fire and Ice Series Event
5. Resolution 2018-230 Appointing Election Judges for the 2018 General Election
6. Resolution 2018-231 Enter into Agreement with MnDOT to Construct the TH 65 and Cajima Street Intersection Improvement Project
7. Resolution 2018-232 Approving Exempt Gambling Permit for St. Elizabeth Ann Seton Church Hall
8. Resolution 2018-233 Offering the Position of Part-time Liquor Store Clerk to Danyette Phelps

Motion by Lorinser, second by Bergley to approve Consent Agenda as presented. Motion carried.

L. Other Communications

1. Draft Minutes of the September 18, 2018 Planning Commission Meeting
2. Draft Minutes of the September 25, 2018 Meeting of the Park, Recreation and Culture Board

Adjournment

Motion to adjourn by Lorinser, second by Bergley. Motion carried. The meeting was adjourned at 7:07 p.m.

A Community For Generations.
Isanti

MEMORANDUM

TO: Mayor George Wimmer
Members of the Isanti City Council

FROM: Ryan Kernosky, Community Development Director

DATE: October 16, 2018

SUBJECT: **COMPREHENSIVE ECONOMIC DEVELOPMENT STRATEGY (CEDS) RESOLUTION TO EAST CENTRAL REGIONAL DEVELOPMENT COMMISSION**

Background:
Please find the 2018 CEDS Survey Update completed by City Staff. Updates were made to the demographic information and narratives. The projects identified for the 2018 CEDS include:

1) Rail Served Industrial Park,
2) Downtown Redevelopment,
3) Mechanical Sewer Treatment Plant Upgrade
4) Implementation of Economic Development District No. 1.

The purpose of the CEDS Survey is to identify Economic Development priorities that could qualify for EDA funding and it also serves as an internal planning document. If there are additional projects that the EDA feels should be added, or order changed, Staff would welcome suggestions.

City of Isanti EDA Recommendation:
Motion to recommend to the City Council the submittal of attached 2018 CEDS document.

Attachments:
1) 2018 CEDS Document and cover letter

RESOLUTION 2018-___

AUTHORIZING SUBMITTAL OF 2018 COMPREHENSIVE ECONOMIC DEVELOPMENT STRATEGY (CEDS) TO EAST CENTRAL REGIONAL DEVELOPMENT COMMISSION (ECRDC)

WHEREAS, CEDS is a survey submitted to cities in the region to identify priority projects; and

WHEREAS, projects not identified in the CEDS survey are not eligible to apply for federal EDA funds; and

WHEREAS, a 1) Rail Served Industrial Park, 2) Downtown Redevelopment, 3) Mechanized Sewer Treatment Plant Upgrade and 4) Economic Development District No. 1 have been identified as economic development priorities by the City Council and Isanti EDA; and

WHEREAS, the deadline for submittal of the 2018 CEDS survey is October 23, 2018.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota authorize City staff to submit the 2018 CEDS survey attached hereto to the ECRDC.

This Resolution hereby approved by the Isanti City Council this 16th day of October 2018.

Attest: _____ Mayor George A. Wimmer

_____
Katie Brooks
Human Resources/City Clerk

East Central Regional Development Commission
100 Park Street South

Website: www.cityofisanti.us

Person completing survey: Ryan Kernosky, Community Development Director

DRAFT

I. Project Description:

Please provide a description of each of your projects prioritized below, with Project 1 being the highest priority project, and Project 5 being lowest. Please be as specific as you can with your description, including how projects will benefit your community, the region, labor force, etc. Please also include who the major beneficiaries of the project are, the estimated cost, where you are at in the planning process, and any other information you would deem beneficial when advocating for the project.

Project 1:

City of Isanti Rail Served Industrial Park/Rail Siding/Spur

The City of Isanti began its work on developing a rail served industrial park in 2006. The City of Isanti and the City of Cambridge discussed a joint rail park between the two communities and funded a consultant to advise the communities on rail locations. The study was completed and passed on to Isanti County. Isanti County contracted consultants Janna King and Michelle Keller to assist with identifying locations of a potential rail park within Isanti County. Based on initial consultations with King and Keller, it was determined that an industry expert be hired to conduct a formal feasibility / market study. The City of Isanti site was one of the three sites identified. Charles McSwain Consulting was contracted by Isanti County to further research the feasibility of rail sites within Isanti County. The results of the research identified the site in the City of Isanti as the most financially feasible site in Isanti County. Current market conditions don't warrant the construction of the site in preparation of imminent development; however, the

improving economic conditions may eventually drive its construction. In the event a catalyst project was to come forth, incremental development of the park would be economically viable. The main costs associated with the Rail Industrial Park are the switches, siding, and spurs necessary.

Ever Cat Fuels constructed a bio-diesel manufacturing plant within Isanti and desires to have the ability to receive and ship its products by rail in the future. This project was opened in 2008 and serves as a model for bio-diesel fuel production in the country. Ever Cat Fuels would be a beneficiary of the rail served industrial park and may contribute financially to its development. A regional industrial rail park has the potential to bring in new businesses, industry, and well-paying jobs to the City of Isanti, which would benefit the entire region.

A rail served industrial park will assist businesses with costs associated with shipping and receiving via rail. The impact of a rail served industrial park is believed to extend beyond the Region 7E boundaries as businesses in adjoining counties use the spur to decrease their shipping costs.

The City of Isanti owns the 137 acre parcel proposed for the rail served industrial park. There is the potential for acquisition of adjacent land to expand the proposed rail served industrial park site. BNSF has confirmed that the proposed site in the City of Isanti is large enough for a rail siding and the preliminary design has been approved by BNSF. The City Engineer has developed preliminary design concepts for the park and associated infrastructure. More work needs to be completed and these concepts need to be further refined and developed to achieve maximum efficiency. The City is seeking funding for engineering and environmental studies of the park, spur, rail switches, rail lines and interior roads to access the park.

Isanti City and County residents have long commute times to their jobs outside of the community. According to the US Census, the average Isanti commute is 33.2 minutes, which is 10 minutes longer than the average commute in Minnesota. Many workers from Isanti are commuting farther in order to find well-paying jobs to support their families. The time and cost of the commute takes away from the family and the community. Reducing commute times and creating well-paying jobs within the City of Isanti and Isanti County is important to the strength of the region. The rails served industrial park would greatly assist with job development in the City of Isanti and Isanti County.

Project 2:

City of Isanti Downtown Redevelopment.

A successful historic downtown is important to the success of the entire City of Isanti. The City has upgraded Main Street with new pavement, infrastructure, lighting and banners. The Isanti City Hall was constructed in Historic Downtown Isanti as a way to energize the area and to provide some connectivity to other commercial development on Heritage Boulevard (CSAH 5). There is still redevelopment work to be done including the revitalization of existing buildings, and redevelopment of underutilized properties.

Main Street was the signature place to shop and have a business. The intent is to keep this area viable as a successful business district. The City has explored senior housing, market rate

housing, and business expansions and relocations to spur downtown growth and redevelopment. In 2012, the City of Isanti partnered with the private sector to construct a downtown directional sign to help generate commerce and the sign has been updated in 2016 to reflect changes businesses downtown. In 2017, there were no vacant buildings on historic Main Street, a statistic we are excited about. The City acquired 100 Dahlin Avenue NE, razed the structure, prepped the lot and is marketing that property for development.

The City has incorporated a Transit Multi-Modal Facility into the comprehensive plan and is noted as an important tool for the growth of the downtown and to assist our citizens in their daily long commutes to their jobs. Passenger rail, light rail, commuter rail and park & ride facilities have been a focus of discussion in Isanti County. The City of Isanti supports a rail stop within our community but understands that station locations are limited. It was determined that Isanti could support a commuter bus. To begin bus service the annual cost would be approximately $50,000 based on estimated ridership.

In 2013, the City of Isanti re-established a number of events and meetings to get more focus and involvement in historical downtown Isanti and they continue to be successful. The City EDA opened and operated a successful Farmer's Market at Eagle Park in downtown Isanti in 2013 and hosted two street dances. The City now has three street dances annually as they have proven to be very popular and great community building events. A full time Park and Events Manager position was created in 2014 to manage these events and to staff the Park and Recreation and Culture Board activities. Area businesses and City Officials plan to meet to discuss issues pertinent to downtown Isanti and the community as a whole. The Isanti and Cambridge Area Chambers of Commerce have merged and the organization now is called the North 65 Chamber of Commerce. The office is located at 2 Enterprise Avenue NE in the City of Isanti.

The City, East Central Regional Library System, and the Friends of the Library have combined resources and opened a "Library Outreach Stop" at Isanti City Hall, as a step to providing local library services. This serves as another key draw to the downtown and City Hall.

Project 3:

Mechanized Sewer Treatment Plant Upgrade

The City of Isanti is a young and vibrant community with a 2017 population estimated to be 5,786 according to State Demographer information from 2017 and recent housing permits pulled. Over the past 3 years the City has seen 229 single family housing permits pulled. The average age of City of Isanti residents is 31.5 years and the median household income is $64,592. Isanti is also home to over 177 businesses and 1,857 employees. The City owns 24 Minnesota Shovel Ready Certified acres (4 lots) in the Isanti Industrial Complex Industrial Park and has an additional 137 acres of land set aside for more industrial development (Rail Served Industrial Park) and 32 developable acres just north of the existing industrial park. Prior to the Great Recession, Isanti County was the second fastest growing county in the nation based on growth percentage and the increase of housing starts is promising. Single family housing starts for the following years 2016-63, 2017-91 and 2018-75 (as of end of September 2018) show this positive trend. Currently there are 87 platted single family residential lots and 105 multi-family residential lots ready for development.

Although it cannot be assumed Isanti will grow at the levels it did during the mid-2000's it a fairly safe assumption that it will continue to grow at a fairly rapid rate. As of September 24, 2018 there were 192 platted lots (87-SFR, 105 Multi-Family) with infrastructure in place ready for immediate development. In order to keep up with future capacity and more stringent state environmental standards relating to water quality and additional nutrient removal, the City plans to make facility upgrades to make the current sewer treatment plant a fully mechanical facility within seven years. The capacity of the current system is 657,000 gallons per day. The estimated capacity of the new system is 850,000 plus gallons per day and will be constructed with a projected growth period of 20 years. Although the need is not immediate, it is imminent. Planning for the construction and identifying potential funding for this structure that will not overburden the taxpayer is important. Preliminary project estimates for the new plant are $15 million dollars, which includes reuse equipment the City already owns. In order to continue to grow smartly, maintain its place as a center of commerce, serve as a regional center for events, and be a great place for people to live, a new Mechanical Sewer Treatment Plant will need to be constructed.

Project 4:

Implementation of Economic Development District No. 1.

In 2017, the City of Isanti established Economic Development District No. 1 ("District") and adopted a redevelopment plan of the surrounding area as a result of the 60-unit Best Western Plus development. The City is considering the Hotel as a catalyst economic development/redevelopment project that will result in spin-off development opportunities in the immediate area. The construction of Richard Street from Broadway to Main Street and the extension of 5th Avenue NE to Main Street is all part of the Redevelopment Plan adopted by the EDA and the City Council. The redevelopment of this area will build synergy with the existing historic downtown highlighted in Project two above.

The realignment of the roadways, establishment of the district, and the expected early 2019 completion of the hotel will have a major impact on the future development of this area. Multi-family and senior housing, restaurants, and other commercial enterprises have already been in contact with City officials to expand their businesses within this redevelopment area. As a result, this will bring in new jobs, provide for expanded restaurant options for residents and visitors, and create a higher quality of life for residents in the City of Isanti.

II. Based on the projects you listed, please answer the following project benefits: (place a check for primary project benefits)

Project No.	#1	#2	#3	#4
Job Creation	X	X	X	X
Job Retention		X		
Livable Wages	X	X		X
Public Facilities	X		X	
Housing		X	X	
Social / Recreational		X	X	X
Downtown Revitalization / Renovation		X		
Other	X	X		

If other, please explain:

Rail: Diversification of industrial businesses.

Transportation alternative for industrial businesses to transport materials and goods to and from their location.

Downtown: Redevelopment of our downtown to bring additional business and services to our community.

Economic Growth Corridor for possible commuter rail / light rail / passenger rail / park & ride depot location.

III. Population to Benefit:

Project No.	**#1**	**#2**	**#3**	**#4**
1-5 jobs			X	
6-10 jobs				X
11-20 jobs		X		
More than 20 jobs				

VI. Job Creation:

Project No.	**#1**	**#3**	**#4**	**#5**
1-5 jobs			X	
6-10 jobs				
11-20 jobs		X		X
21-49 jobs				
More than 50 jobs	X			

VII. Project Readiness (planned start date):

Project No.	**#1**	**#2**	**#3**	**#4**
Within 1 year		X		X
Within 2 years				

Within 3 years (or more)	X	X

Note: That with a rail industrial park, actual construction could not begin until all applicable environmental studies have been completed. The above schedule assumes that an EIS would be needed in order to begin. If a catalyst project committed to the City of Isanti the project could commence in shortly over 1 year.

Anticipated timing for the need to upgrade to fully mechanized sewer treatment facility is 7 years but capacity issues could move that up sooner.

Who are your community's go-to persons for economic development/business rapid response?

1) Community Development Director Ryan Kernosky
   Phone: 763.444.5512 Ext. 115, rkernosky@cityofisanti.us

2) Don Lorsung, City Administrator

Phone: 763.444.5512 Ext. 117, dlorsung@cityofisanti.us

3) Development Advisory Committee (Current Members – Annual Appointment)

Mayor George Wimmer
Phone: 763.442.8749, George@GeorgeWimmer.com

Councilmember Ross Lorinser
Phone: 763.587.3841, ross.lorinser@gmail.com

Industrial Parks

Name of industrial park and location:

Centennial Industrial Park. North side of the City of Isanti. East of the BNSF railroad tracks. West of TH 65. South of Cajima St (road in Isanti).

Size of industrial park: 62.00 acres approximate buildable

Acres available in industrial park: 24.00 acres approximate buildable

Asking price for industrial park land (per acre): $1 (if they meet City requirements)

Infrastructure in place at industrial park (please check all that apply):

Roads:	X	Water:	X	Sewer:	X
Storm Sewer:	X	Telecom.	X	Fiber Optics:	X

Are there any plans for expansion of the existing industrial park or create a new industrial park?

Yes: X No:

Please explain: A rail served industrial park, which would expand our current industrial park, is the City's number one CEDS request and the parcel is 137 acres north of City Public Services Campus. In addition, there are 32 acres adjacent and to the north of the existing industrial park that could serve for expansion of the existing park. There is no timetable for either project.

Total daily water capacity: 1,584,000 gallons. Available daily water capacity: 1,584,000 gallons

Total daily sewer capacity: 576,000 gallons. Available daily sewer capacity: 576,000 gallons

Loan Funds

City Revolving Loan Fund – Yes

Asset Base - $114,217 Available October 2017

Source – City Funds and State MIF Loan Repayment (20%)

Average Loan Size - $22,000

X. Other Information Requested:
What do you believe is the greatest obstacle to the Economic Development of the community or area served by your organization?

Rank from 1 to 5 with 1 being the greatest obstacle.

Adequate housing	____
Inadequate Infrastructure	____
Inadequately trained labor force	2
Inadequacy of broadband internet	____
Lack of agency staff	____
Lack of capital	1
Lack of equity funding resources	____
Lack of development plan	____
Lack of labor force	4
Lack of sites for development	____
Lack of transportation	3
Other	5

If other, please explain: The foreclosure crisis and uncertainty for costs for transportation, energy and goods and services. Isanti has fully recovered from the foreclosure crisis of 2009-2013. However, there are still some reservations as to re-investing in Isanti as many past investors were hurt financially by the sudden decline in economic activity in Isanti due to the Great Recession. Fuel costs have been trending lower, but historically they have been rather volatile. Gas prices are averaging $2.79 in the area now but the days of $4.00 gas are not out of recent memories for people and businesses looking to move to Isanti. Until we have some stability for an extended period of time there will be reservations by potential investors in Isanti. In addition, the cost of construction of new buildings far exceeds the price of acquiring exiting buildings. Vacant Building inventory continues to decline in Isanti and regionally but this serves as a barrier to new building construction in the industrial sector.

J.2.

A Community For Generations.

Isanti

MEMORANDUM

TO: Mayor George Wimmer
Members of the Isanti City Council

FROM: Ryan Kernosky, Community Development Director

DATE: October 16, 2018

SUBJECT: **REQUEST FROM ODYSSEY HOMES, INC FOR APPROVAL OF A FINAL PLAT OF LEGACY PINES SUBDIVISION FOR THE LAND LEGALLY DESCRIBED AS OUTLOT B, VILLAGES ON THE RUM THIRD ADDITION 2ND REPLAT PARK ADDITION, ISANTI COUNTY, ISANTI, MINNESOTA**

Background

Odyssey Homes, Inc (applicant) has submitted a completed application and paid applicable fees for a final plat known as "Legacy Pines" for the property legally described as Outlot B of Villages on the Rum Third Addition, 2nd Replat Park Addition. In June 2003, the City entered into a Development Agreement with the previous developer, Ferraro and Iverson, LLC. This original development agreement included the original Planned Unit Development (PUD) for the Villages on the Rum Development. During the 2008 economic recession, the original developer lost the property and until recently, it was owned by Premier Bank.

Premier Bank requested an amended to the PUD, which was approved in 2010 via Resolution No. 2010-111. The 2010 amendment included several items, some of which dedicated Legacy Park to the City along with a lot for a future park entrance/parking area, specific home and garage sizes to be constructed, and a required tree preservation plan. Due to various economic challenges following the economic recession of 2008, Premier Bank never acted upon the approved amendment.

In June of 2018, Premier Bank sold the property to Odyssey Homes, Inc for the future development of the property. The aforementioned development agreements and PUD requirements remain with the property.

Request

The applicant has submitted a final plat for a phased approach development. Phase I includes extending Bellaire Blvd NW to service a proposed 23 additional lots and extending Moline Loop NW to service a proposed 26 lots. Once complete, the development may include 177 lots.

Changes from Preliminary Plat Approval
At the request of the City Planning Commission and the City Council, the applicant has extended Moline Loop NW to connect to Third Ave NW. This will include 5 additional lots that will be brought in during phase one. Bellaire Blvd NW is consistent with the Preliminary Plat.

Staff Comments
General Comments – The proposed phase I of the subdivision is consistent with the overall design of the development, and the 2010 PUD Amendment.

City staff has requested that water is looped from Bellaire Blvd NW to Whiskey Rd NW as part of phase one. The developer has also provided access and utility easements for access to the future legacy park parking lot and temporary cul-de-sac easements.

Staff is pleased that the developer was able to work the extension to Third Ave NW with Moline Loop NW in phase one.

Comprehensive Plan – This proposal is consistent with the City's 2008 Comprehensive Plan Future Land-Use Map, which identifies this parcel as low and medium density residential for future development.

Public Comments – Staff has received written comment from a few citizens, those providing comment stated that they were saddened to see the open space become developed, and hoped that the existing ponds (storm water retention ponds) would be retained. A few members of the public spoke during the preliminary plat public hearing on September 11, 2018, and cited concerns about why the extension of Moline Loop NW did not connect to Third Ave NW, a concern that the developer has addressed.

Certificate of Taxes Paid - As of October 11, 2018, half of the property taxes have been paid. Per City Code and County policy, the applicant will need to pay the remaining balance by the time the final plat is recorded.

Deadline for City Council Action – The City of Isanti received a complete application for this request on August 21, 2018. Per State Statute, the City Council must act upon this by December 20, 2018.

City Engineers Recommendation
City Engineer Brad DeWolf and Jason Cook reviewed the document, their recommendations are outlined in Exhibit A, attached to this document.

Staff Recommendation
I am recommending approval of the preliminary plat with the following conditions:

1. The developer must enter into a Development Agreement with the City of Isanti, which will outline the general terms for the remainder of the development. Subsequent developments will require additional Development Agreements as the property is built out.

Development fees will be charged to the developer at the time of each development agreement and based upon the City Fee Schedule.

2. The developer shall be responsible for any and all permits and approvals that may be necessary from other applicable governmental agencies. These permits and approvals shall be submitted to the City of Isanti and/or other governmental jurisdictions that may require said permits prior to development.

3. The developer shall provide utility and access easements to the public for access to the park facilities and for the extension of sewer and/or water.

4. Any and all costs associated with the recording and processing of each subsequent Final Plat for additional phases shall be assumed by the developer.

5. The home sizes shall be consistent with Resolution No. 2010-111, amending the original PUD.

6. The setback requirements are as follows:

Front yard setback:	Thirty (30) feet; however, when adjoining principal buildings existing at the time of construction on a vacant lot, the required front yard setback for the new structure shall not be greater than the average front yard setbacks of the building on either side of the vacant lot.
Side yard setback:	Ten (10) feet
Street side yard setback:	Twenty (20) feet
Rear yard setback:	Thirty (30) feet

7. A tree preservation plan shall be prepared by the developer and submitted to the City of Isanti for those portions of the development site that have significant tree stands. Such plans shall show the locations of homes and grading for these lots, so as to protect as many of these trees as possible.

8. Installation of a temporary bituminous cul-de-sac at the end of Phase I roads, built to meet City Standards.

9. Dedication of a temporary cul-de-sac easement to the City of Isanti.

10. Dedication, if required, of utility and access easements are granted to the City of Isanti.

11. The developer, at their cost must install sidewalks consistent with City Codes and Ordinances.

12. Address items of importance identified in the Memorandum from City Engineers Brad DeWolf and Jason Cook dated September 27,2018 to CD Director Ryan Kernosky.

13. The applicant provides an escrow of $36,600.00 for stabilization costs associated with the grading permit, to be paid back when the development agreement for Legacy Pines is signed.

Options & Proposed Motion Language

1. Recommend Approval with No Conditions: Motion to recommend approval of the request from Odyssey Homes, Inc, for Final Plat Approval of Legacy Pines, Outlot B, Villages on the Rum Third Addition 2nd Replat Park Addition, Isanti County, Isanti, Minnesota.
2. Recommend Approval with Conditions: Motion to recommend approval of the request from Odyssey Homes, Inc, for Final Plat Approval of Legacy Pines, Outlot B, Villages on the Rum Third Addition 2nd Replat Park Addition, Isanti County, Isanti, Minnesota. with the following conditions……
3. Recommend Denial: Motion to recommend denial of the request from Odyssey Homes, Inc, for Final Plat Approval of Legacy Pines, Outlot B, Villages on the Rum Third Addition 2nd Replat Park Addition, Isanti County, Isanti, Minnesota. for the following reasons……
4. Table: Motion to table the request from Odyssey Homes, Inc, for Final Plat Approval of Legacy Pines, Outlot B, Villages on the Rum Third Addition 2nd Replat Park Addition, Isanti County, Isanti, Minnesota. (a specific reason and information request should be included in the motion to table).

RESOLUTION NO. 2018-XXX

A RESOLUTION APPROVING THE FINAL PLAT FOR LEGACY PINES

WHEREAS, Odyssey Homes, Inc, has applied for Final Plat approval for Legacy Pines, a 49-lot residential subdivision for the property legally described as Outlot B, Villages on the Rum Third Addition 2nd Replat Park Addition, Isanti County, Isanti, Minnesota; and,

WHEREAS, the City of Isanti Planning Commission held a public hearing and took testimony from members of the public on the proposed preliminary plat of Legacy Pines during a special Planning Commission meeting held on September 11, 2018; and,

WHEREAS, the City of Isanti City Council has approved the Preliminary Plat of Legacy Pines through Resolution No. 2018-215 with conditions; and,

WHEREAS, conditions of the Preliminary Plat Resolution for Legacy Pines have been addressed by Odyssey Homes, Inc; and,

WHEREAS, the City of Isanti Planning Commission reviewed the Final Plat of Legacy Pines during the Special Meeting of the Planning Commission on October 2, 2018; and,

WHEREAS, the City of Isanti Planning Commission has recommended approval of the Final Plat of Legacy Pines based upon the Findings of Fact and Conclusion as presented; and,

WHEREAS, the City of Isanti City Council reviewed the Final Plat during the regularly scheduled meeting on October 16, 2018.

NOW, THEREFORE, IT IS HEREBY RESOLVED, by the City Council of the City of Isanti, Minnesota, that it adopts the Findings of Fact and Conclusion related to the requested Final Plat of Legacy Pines and **BE IT FURTHER RESOLVED** that the requested Final Plat of Legacy Pines be approved with the following conditions:

1. The developer must enter into a Development Agreement with the City of Isanti, which will outline the general terms for the remainder of the development. Subsequent developments will require additional Development Agreements as the property is built out. Development fees will be charged to the developer at the time of each development agreement and based upon the City Fee Schedule.
2. The developer shall be responsible for any and all permits and approvals that may be necessary from other applicable governmental agencies. These permits and approvals shall be submitted to the City of Isanti and/or other governmental jurisdictions that mayrequire said permits prior to development.
3. The developer shall provide utility and access easements to the public for access to the park facilities and for the extension of sewer and/or water.
4. Any and all costs associated with the recording and processing of each subsequent Final Plat for additional phases shall be assumed by the developer.

5. The home sizes shall be consistent with Resolution No. 2010-111, amending the original PUD.
6. The setback requirements are as follows:

Front yard setback:	Thirty (30) feet; however, when adjoining principal buildings existing at the time of construction on a vacant lot, the required front yard setback for the new structure shall not be greater than the average front yard setbacks of the building on either side of the vacant lot.
Side yard setback:	Ten (10) feet
Street side yard setback:	Twenty (20) feet
Rear yard setback:	Thirty (30) feet

7. A tree preservation plan shall be prepared by the developer and submitted to the City of Isanti for those portions of the development site that have significant tree stands. Such plans shall show the locations of homes and grading for these lots, so as to protect as many of these trees as possible.
8. Installation of a temporary bituminous cul-de-sac at the end of Phase I roads, built to meet City Standards.
9. Dedication of a temporary cul-de-sac easement to the City of Isanti.
10. Dedication, if required, of utility and access easements are granted to the City of Isanti.
11. The developer, at their cost must install sidewalks consistent with City Codes and Ordinances.
12. Address items of importance identified in the Memorandum from City Engineers Brad DeWolf and Jason Cook dated September 27,2018 to CD Director Ryan Kernosky.
13. The applicant shall immediately upon approval, furnish the City Administrator or his/her designee with three full size mylar transparencies of the Final Plat, two for the County and one for the City. Three additional 11"x17" mylar transparencies shall be given to the Community Development Director, City Clerk, and Isanti County.

IT IS FINALLY RESOLVED that the City Council of the City of Isanti hereby authorizes City staff to issue an early grading permit for the Final Plat with the following condition:

1. The applicant provides an escrow of $36,600.00 for stabilization costs associated with the grading permit, to be paid back when the development agreement for Legacy Pines is signed.

Adopted by the City of Isanti City Council on this 16th day of October, 2018.

ATTEST:

Mayor George A. Wimmer

Katie Brooks
City Clerk/Human Resources

FINDINGS OF FACT AND CONCLUSION

Request

Request from Odyssey Homes, Inc, for Final Plat Approval of Legacy Pines, legally described as Outlot B of Villages on the Rum Third Addition 2nd Replat Park Addition, Isanti County, Isanti, Minnesota.

Findings of Fact

1. The applicant, Odyssey Homes, Inc ('the applicant'), had made an application for Preliminary Plat Approval of Legacy Pines, Isanti County, Minnesota. Said Preliminary Plat was approved through City of Isanti City Council Resolution No. 2018-251.
2. The applicant has made an application for a Final Plat Approval of Legacy Pines, Isanti County, Minnesota.
3. The property is legally described as Outlot B of Villages on the Rum Third Addition 2nd Replat Park Addition, Isanti County, Isanti, Minnesota.
4. The Applicant is requesting Final Plat Approval in an effort to create 49 lots in the first phase of the development.
5. The property is zoned both "R-1" Single-Family Residential and "R-3A" Low Density Multi-Family Residential District.
6. The Applicant submitted an application for Final Plat Approval on September 25, 2018. It was deemed complete on September 25, 2018.
7. A public hearing of the Preliminary Plat took place before the Planning Commission on Tuesday, September 11, 2018 at 7:00 p.m.at City Hall within the Council Chambers.
8. The applicant has addressed or is in the process of addressing the conditions imposed by the City during the Preliminary Plat review.

Conclusions

1. The platting of the property would appear to meet the lot requirements and setback requirements as provided within the zoning ordinance for properties located within the "R-1" Single-Family Residential and "R-3A" Low Density Multi-Family Residential District.
2. The platting is consistent with the 2003 Development Agreement and Planned Unit Development (PUD) for this property, and is consistent with the 2010 PUD Amendment
3. The platting of the property would appear to meet the Design Standards as required by Ordinance No. 536.

Decision

Planning Commission Recommendation:

The Planning Commission has considered this item during their Special Meeting scheduled on October 2, 2018. The meeting minutes, staff memo and exhibits will be made part of the Findings of Facts and Conclusions. Motioned by Lorinser, seconded by Collison to approve with staff conditions. Motion passed unanimously.

MEMORANDUM

Date: September 27, 2018

To: Ryan Kernosky, Community Development Director

From: Bradley C. DeWolf, P.E.
City Engineer

Jason W. Cook, P.E.
Assistant City Engineer

Subject: Legacy Pines – Final Plat – Submittal Review
City of Isanti, MN
Project No.: R13.113062

We have reviewed the Final Plat and supporting documents entitled "Legacy Pines" received on September 25, 2018. The supporting documents have a signature date of 8/10/2018 and a revision date of 9/19/2018.

The preliminary plat includes the construction of 177 single family lots, extension of city streets and utilities and site and storm water pond grading. The Final Plat includes 49 parcels and 4 outlots. Temporary easements were also submitted for a temporary cul-de-sac and sewer and watermain construction in the outlots.

Also submitted were a stormwater management plan, a stormwater pollution prevention plan, the site development and phase 1 construction plans, as well as the construction specifications.

We have reviewed the submitted documents and have the following comments:

Final Plat, Preliminary Plat, and Easements:

1. No Comment

Stormwater Management Plan:

1. No Comment

Storm Water Pollution Prevention Plan:

1. No Comment

Wetland Delineation Report:

1. Pending LGU site review and approval prior to performing grading or utility work.

Site Development and Phase 1 Construction Plans:

1. Revise valves and fittings as shown in the attached marked up plan sheets.

We recommend approval of the submitted documents once the above items are addressed.

Please contact me if you have any questions.

Bolton & Menk is an equal opportunity employer.

MEMORANDUM

TO: Mayor Wimmer
Members of the Isanti City Council

FROM: Ryan Kernosky, Community Development Director

DATE: October 16, 2018

SUBJECT: **RESOLUTION ACCEPTING THE TEMPORARY EASEMENT LIMITED WARRANTY DEED FOR LEGACY PINES SUBDIVISION**

Background
When Legacy Park was donated to the City, we were also granted a 10-foot wide temporary easement for ingress/egress that followed the proposed future right-of-way of Bellaire Blvd NW for access to Legacy Park. Because phase one of the Legacy Pines development will not extend up to the planned future entrance to the park, the City and the developer have agreed to allow for a 60-foot temporary ingress/egress easement. There are long-term plans to extend Bellaire Blvd NW to the planned future entrance, and as that extension occurs, this easement will terminate when and permanent easements or right-of-way is provided to the City.

The developer of this parcel, Odyssey Homes, Inc., has also agreed to extend sewer and water from Bellaire Blvd NW to connect to Whiskey Rd NW to loop the system. This extension will be within the temporary easement area described within this document.

Finally, the Bellaire Blvd NW extension will temporarily terminate past storm water Outlots B and C, and for public safety and public works turn arounds, a temporary cul-de-sac will be installed with a temporary cul-de-sac easement.

Request
Staff is requesting approval of the Limited Warranty Deed for Legacy Pines Subdivision.

- Resolution No. 2018-XXX
- Limited Warranty Deed

RESOLUTION NO. 2018-XXX

A RESOLUTION ACCEPTING THE TEMPORARY EASEMENT LIMITED WARRANTY DEED FOR THE LEGACY PINES SUBDIVISION

WHEREAS, Odyssey Homes, Inc. has received Final Plat approval of Legacy Pines, a 49-lot subdivision that will extend Bellaire Blvd NW and Moline Loop NW; and,

WHEREAS, the City of Isanti, through Resolution No. 2012-100 was granted a temporary 10-foot wide easement for access to Legacy Park; and,

WHEREAS, the City of Isanti seeks to retain, and the property owner is willing to provide, access to Legacy Park through a 60-foot wide ingress/egress easement that outlines a future Right-of-Way extension for Bellaire Blvd NW; and,

WHEREAS, as part of the Legacy Pines development, Odyssey Homes, Inc. will be extending City sewer and water from Bellaire Blvd NW and connecting to Whiskey Rd NW; and,

WHEREAS, as part of the Legacy Pines development, Odyssey Homes, Inc. will be providing a temporary cul-de-sac at the termination of Bellaire Blvd NW for public use; and,

WHEREAS, City staff has coordinated a Temporary Easement Limited Warranty Deed with Odyssey Homes, Inc.; and,

WHEREAS, said temporary easements are within, under, and over Outlot A, Legacy Pines, Isanti County, Minnesota.

NOW, THEREFORE, BE IT RESOLVED, by the City Council of the City of Isanti, Minnesota hereby Approves and Accepts the Temporary Easement Limited Warranty Deed and authorizes City staff to record such document with the Isanti County Recorder's Office.

This Resolution was duly adopted by the City of Isanti City Council this 16th day of October, 2018.

TEMPORARY EASEMENT LIMITED WARRANTY DEED

DEED TAX DUE: Exempt pursuant to Minn.Stat. Sec. 287.22 (13)

DATE: _____, 20_____

FOR VALUABLE CONSIDERATION, Odyssey Homes, Inc., a Minnesota corporation, Grantor, hereby conveys and quitclaims to City of Isanti, a municipal corporation under the laws of the State of Minnesota, Grantee, real property in Isanti County, Minnesota, described as follows:

> A temporary non-exclusive easement for ingress, egress, street, drainage, utility and maintenance purposes, over, under, upon and across that part of Outlot A, Legacy Pines, as depicted and legally described in Exhibits A, B and C attached hereto and made a part hereof. Said easement is for the purpose of public access, utility placement and maintenance, temporary cul-de-sac placement and usage, and stormwater drainage purposes, all under the control and regulation of the City of Isanti, as well as for the purpose of providing the City of Isanti for the benefit of the public with ingress, egress, drainage and utility access to Outlot A, Villages on the Rum Third Addition, 2nd Replat Park Addition via said easement, and for use as deemed necessary and convenient by the City of Isanti for said purposes upon and within the easement areas described in said Exhibits A, B and C attached hereto and made a part hereof, within Outlot A, Legacy Pines, Isanti County, Minnesota

This temporary non-exclusive easement shall terminate when replaced by permanent easement(s), right(s)-of-way or dedication(s) providing equivalent or greater rights to the City of Isanti over, under and across Outlot A, Legacy Pines.

This Deed conveys after-acquired title. Grantor warrants that Grantor has not done or suffered anything to encumber the property. EXCEPT: subject to easements, restrictions and reservations now of record, if any.

Grantee acknowledges and agrees that Grantor, its successors and assigns shall not be obligated to mow or otherwise maintain any part of the 60-foot wide easement area described in Exhibit A during the duration of the easement herein granted, it being understood and agreed that any and all mowing or maintenance of said easement area during the period this easement is in effect shall be the responsibility of the City of Isanti.

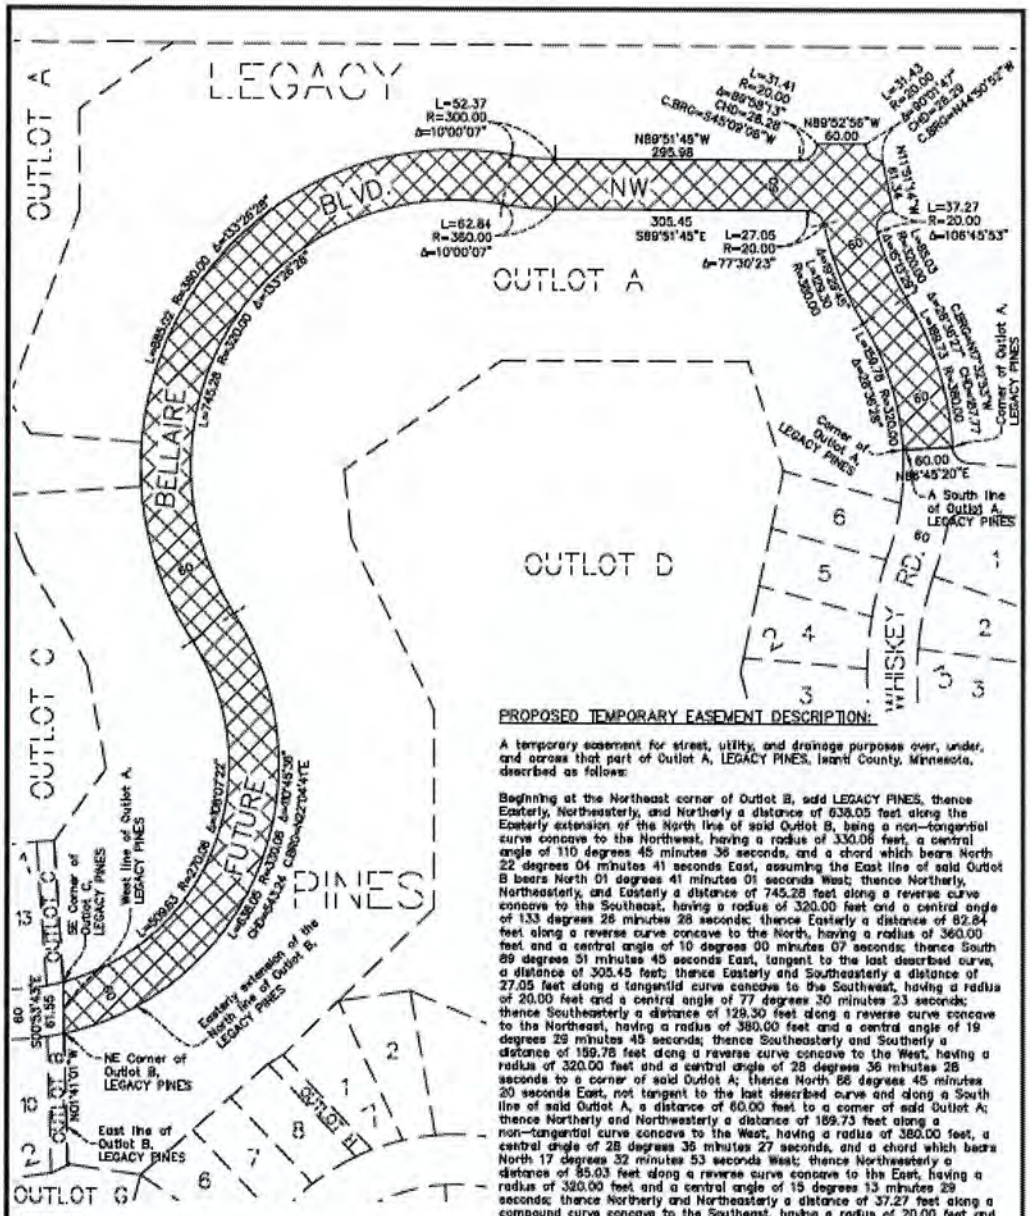
EXHIBIT A

A temporary easement for street, utility, and drainage purposes over, under, and across that part of Outlot A, LEGACY PINES, Isanti County, Minnesota, described as follows:

Beginning at the Northeast corner of Outlot B, said LEGACY PINES; thence Easterly, Northeasterly, and Northerly a distance of 638.05 feet along the Easterly extension of the North line of said Outlot B, being a non-tangential curve concave to the Northwest, having a radius of 330.06 feet, a central angle of 110 degrees 45 minutes 36 seconds, and a chord which bears North 22 degrees 04 minutes 41 seconds East, assuming the East line of said Outlot B bears North 01 degrees 41 minutes 01 seconds West; thence Northerly, Northeasterly, and Easterly a distance of 745.28 feet along a reverse curve concave to the Southeast, having a radius of 320.00 feet and a central angle of 133 degrees 26 minutes 28 seconds; thence Easterly a distance of 62.84 feet along a reverse curve concave to the North, having a radius of 360.00 feet and a central angle of 10 degrees 00 minutes 07 seconds; thence South 89 degrees 51 minutes 45 seconds East, tangent to the last described curve, a distance of 305.45 feet; thence Easterly and Southeasterly a distance of 27.05 feet along a tangential curve concave to the Southwest, having a radius of 20.00 feet and a central angle of 77 degrees 30 minutes 23 seconds; thence Southeasterly a distance of 129.30 feet along a reverse curve concave to the Northeast, having a radius of 380.00 feet and a central angle of 19 degrees 29 minutes 45 seconds; thence Southeasterly and Southerly a distance of 159.78 feet along a reverse curve concave to the West, having a radius of 320.00 feet and a central angle of 28 degrees 36 minutes 28 seconds to a corner of said Outlot A; thence North 86 degrees 45 minutes 20 seconds East, not tangent to the last described curve and along a South line of said Outlot A, a distance of 60.00 feet to a corner of said Outlot A; thence Northerly and Northwesterly a distance of 189.73 feet along a non-tangential curve concave to the West, having a radius of 380.00 feet, a central angle of 28 degrees 36 minutes 27 seconds, and a chord which bears North 17 degrees 32 minutes 53 seconds West; thence Northwesterly a distance of 85.03 feet along a reverse curve concave to the East, having a radius of 320.00 feet and a central angle of 15 degrees 13 minutes 29 seconds; thence Northerly and Northeasterly a distance of 37.27 feet along a compound curve concave to the Southeast, having a radius of 20.00 feet and a central angle of 106 degrees 45 minutes 53 seconds; thence North 11 degrees 51 minutes 14 seconds West, not tangent to the last described curve, a distance of 61.34 feet; thence Westerly and Northwesterly a distance of 31.43 feet along a non-tangential curve concave to the Northeast, having a radius of 20.00 feet, a central angle of 90 degrees 01 minutes 47 seconds, and a chord which bears North 44 degrees 50 minutes 52 seconds West; thence North 89 degrees 52 minutes 56 seconds West, not tangent to the last described curve, a distance of 60.00 feet; thence Southwesterly and Westerly a distance of 31.41 feet along a non-tangential curve concave to the Northwest, having a radius of 20.00 feet, a central angle of 89 degrees 58 minute 13 seconds, and a chord which bears South 45 degrees 09 minutes 08 seconds West; thence North 89 degrees 51 minutes 45 seconds West, tangent to the last described curve, a distance of 295.98 feet; thence Westerly a distance of 52.37 feet along a tangential curve concave to the North, having a radius of 300.00 feet and a central angle of 10 degrees 00 minutes 07 seconds; thence Westerly, Southwesterly, and Southerly a distance of 885.02 feet along a reverse curve concave to the Southeast, having a radius of 380.00 feet and a central angle of 133 degrees 26 minutes 28 seconds; thence Southerly, Southwesterly, and Westerly a distance of 509.63 feet along a reverse curve concave to the Northwest, having a radius of 270.06 feet and a central angle of 108 degrees 07 minutes 22 seconds to the Southeast corner of Outlot C, said LEGACY PINES; thence South 00 degrees 53 minutes 43 seconds East, not tangent to the last described curve and along the West line of said Outlot A, a distance of 61.55 feet to the point of beginning.



PROPOSED TEMPORARY EASEMENT DESCRIPTION:

A temporary easement for street, utility, and drainage purposes over, under, and across that part of Outlot A, LEGACY PINES, Isanti County, Minnesota, described as follows:

Beginning at the Northeast corner of Outlot B, said LEGACY PINES; thence Easterly, Northeasterly, and Northerly a distance of 638.05 feet along the Easterly extension of the North line of said Outlot B, being a non-tangential curve concave to the Northwest, having a radius of 330.06 feet, a central angle of 110 degrees 45 minutes 36 seconds, and a chord which bears North 22 degrees 04 minutes 41 seconds East, assuming the East line of said Outlot B bears North 01 degrees 41 minutes 01 seconds West; thence Northerly, Northeasterly, and Easterly a distance of 745.28 feet along a reverse curve concave to the Southeast, having a radius of 320.00 feet and a central angle of 133 degrees 26 minutes 28 seconds; thence Easterly a distance of 82.84 feet along a reverse curve concave to the North, having a radius of 360.00 feet and a central angle of 10 degrees 00 minutes 07 seconds; thence South 89 degrees 51 minutes 45 seconds East, tangent to the last described curve, a distance of 305.45 feet; thence Easterly and Southeasterly a distance of 27.05 feet along a tangential curve concave to the Southwest, having a radius of 20.00 feet and a central angle of 77 degrees 30 minutes 23 seconds; thence Southeasterly a distance of 129.30 feet along a reverse curve concave to the Northeast, having a radius of 320.00 feet and a central angle of 19 degrees 29 minutes 45 seconds; thence Southeasterly and Southerly a distance of 159.78 feet along a reverse curve concave to the West, having a radius of 320.00 feet and a central angle of 28 degrees 36 minutes 28 seconds to a corner of said Outlot A; thence North 88 degrees 45 minutes 20 seconds East, not tangent to the last described curve and along a South line of said Outlot A, a distance of 60.00 feet to a corner of said Outlot A; thence Northerly and Northwesterly a distance of 189.73 feet along a non-tangential curve concave to the West, having a radius of 380.00 feet, a central angle of 28 degrees 36 minutes 27 seconds, and a chord which bears North 17 degrees 32 minutes 53 seconds West; thence Northeasterly a distance of 85.03 feet along a reverse curve concave to the East, having a radius of 320.00 feet and a central angle of 15 degrees 13 minutes 29 seconds; thence Northerly and Northeasterly a distance of 37.27 feet along a compound curve concave to the Southeast, having a radius of 20.00 feet and a central angle of 106 degrees 45 minutes 53 seconds; thence North 11 degrees 51 minutes 14 seconds West, not tangent to the last described curve, a distance of 61.34 feet; thence Westerly and Northwesterly a distance of 31.43 feet along a non-tangential curve concave to the Northeast, having a radius of 20.00 feet, a central angle of 90 degrees 01 minutes 47 seconds, and a chord which bears North 44 degrees 50 minutes 52 seconds West; thence North 89 degrees 52 minutes 56 seconds West, not tangent to the last described curve, a distance of 60.00 feet; thence Southwesterly and Westerly a distance of 31.41 feet along a non-tangential curve concave to the Northwest, having a radius of 20.00 feet, a central angle of 89 degrees 58 minute 13 seconds, and a chord which bears South 45 degrees 09 minutes 08 seconds West; thence North 89 degrees 51 minutes 45 seconds West, tangent to the last described curve, a distance of 295.98 feet; thence Westerly a distance of 52.37 feet along a tangential curve concave to the North, having a radius of 300.00 feet and a central angle of 10 degrees 00 minutes 07 seconds; thence Westerly, Southwesterly, and Southerly a distance of 885.02 feet along a reverse curve concave to the Southeast, having a radius of 380.00 feet and a central angle of 133 degrees 26 minutes 28 seconds; thence Southerly, Southwesterly, and Westerly a distance of 509.63 feet along a reverse curve concave to the Northwest, having a radius of 270.05 feet and a central angle of 108 degrees 07 minutes 22 seconds to the Southeast corner of Outlot C, said LEGACY PINES; thence South 00 degrees 53 minutes 43 seconds East, not tangent to the last described curve and along the West line of said Outlot A, a distance of 61.55 feet to the point of beginning.

NOTES:

1. The professional surveyor has made no investigation/independent search for encumbrances, restrictive covenants, ownership title evidence, or any other facts that an accurate and current title search may disclose.
2. As of the date of this exhibit, the final plat of LEGACY PINES has not been recorded. The final plat MUST by recorded prior to the recording of the proposed temporary easement.
3. Said temporary easement is to be terminated upon recordation of plat or plats dedicating in its entirety Bellaire Blvd. and Whiskey Rd.

A temporary easement for street, utility, and drainage purposes over, under, and across that part of Outlot A, LEGACY PINES, Isanti County, Minnesota, described as follows:

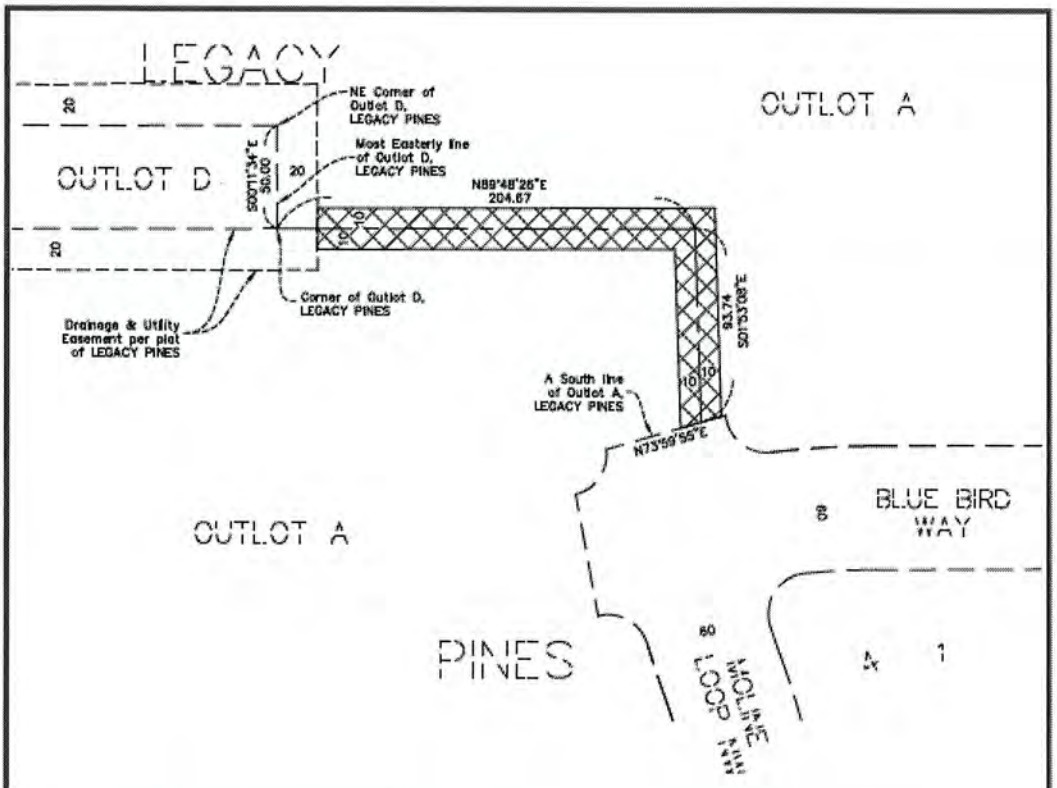
A 20.00 foot wide temporary easement for drainage and utility purposes over, under, and across that part of Outlot A, LEGACY PINES, Isanti County, Minnesota, the centerline of which is described as follows:

Commencing at the Northeast corner of Outlot D, said LEGACY PINES; thence South 00 degrees 11 minutes 34 seconds East, assumed bearing along the most Easterly line of said Outlot D, a distance of 50.00 feet to a corner of said Outlot D and the point of beginning of the centerline to be described; thence North 89 degrees 48 minutes 26 seconds East, a distance of 204.67 feet; thence South 01 degrees 53 minutes 08 seconds East, a distance of 93.74 feet to the intersection with a South line of said Outlot A and said centerline there terminating.

The sidelines of said 20.00 foot wide temporary easement are to be prolonged or shortened to terminate on a line drawn parallel with and distant 20.00 feet East of said most Easterly line of Outlot D and a line which bears North 73 degrees 59 minutes 55 seconds East and passes through said point of termination.



PROPOSED TEMPORARY EASEMENT DESCRIPTION:

A 20.00 foot wide temporary easement for drainage and utility purposes over, under, and across that part of Outlot A, LEGACY PINES, Isanti County, Minnesota, the centerline of which is described as follows:

Commencing at the Northeast corner of Outlot D, said LEGACY PINES; thence South 00 degrees 11 minutes 34 seconds East, assumed bearing along the most Easterly line of said Outlot D, a distance of 50.00 feet to a corner of said Outlot D and the point of beginning of the centerline to be described; thence North 89 degrees 48 minutes 26 seconds East, a distance of 204.67 feet; thence South 01 degrees 53 minutes 08 seconds East, a distance of 93.74 feet to the intersection with a South line of said Outlot A and said centerline there terminating.

The sidelines of said 20.00 foot wide temporary easement are to be prolonged or shortened to terminate on a line drawn parallel with and distant 20.00 feet East of said most Easterly line of Outlot D and a line which bears North 73 degrees 59 minutes 55 seconds East and passes through said point of termination.

NOTES:

1. The professional surveyor has made no investigation/independent search for encumbrances, restrictive covenants, ownership title evidence, or any other facts that an accurate and current title search may disclose.
2. As of the date of this exhibit, the final plat of LEGACY PINES has not been recorded. The final plat MUST by recorded prior to the recording of the proposed temporary easement.
3. Said temporary easement is to be terminated upon the extension of Wolfline Loop NW and the dedication of permanent drainage and utility easements.

City of Isanti, MN
Economic Development Authority
Regular Meeting Minutes of
September 4, 2018
Isanti City Hall

1. **Call to Order**
The meeting was called to order at 7:35 p.m. by President George Wimmer.

   a. **Pledge of Allegiance**
   b. **Roll Call**

      Present: Tara Hallberg, Steve Lundeen, Ross Lorinser, Dan Collison, Jill Reller, Paul Bergley, George Wimmer

      Absent: None

      Staff Present: Community Development Director Ryan Kernosky

   c. **Agenda Modifications**
   Secretary Kernosky stated that there were no agenda modifications

2. **Approval of the Agenda**
Motion by Lundeen, seconded by Collison to approve the September 4, 2018 EDA Agenda. Motion passed unanimously.

3. **Approve Minutes of the August 8, 2018 Regular Economic Development Authority Meeting**
Motion by Collison, seconded by Lundeen to approve the Minutes of the August 8, 2018 Regular EDA Minutes. Motion passed unanimously.

4. **Approval of EDA Resolution 2018-5, Appointing Ryan Kernosky as Secretary of the EDA**
Motion by Lundeen, seconded by Lorinser to approve EDA Resolution 2018-5. Motion passed unanimously.

5. **Promo Bag Program Report**
Director Kernosky stated that this was a discussion item for the EDA. Staff has provided bags for several events throughout the calendar year. Staff has seen a steady decline in the business that utilize the promotional bag program to get their information out to visitors and the general public coming to the City of Isanti. Staff was seeking comment and direction on how they wish to proceed with the program.

   President Wimmer stated that he's heard businesses do like having the program, and that trying to capture the visitors coming into the City is challenging without this program. Several businesses see benefits from having the program.

   Mr. Lundeen stated that Kwik Trip may contribute soon. He continued to point out the various events that utilize the programs, and that having these bags help local businesses. He stated that it was a good idea, but wasn't sure how we get more businesses to utilize it.

President Wimmer stated he liked doing the program for another year, after Kwik Trip and the Hotel are completed and that the City review the program after a year. Mr. Lundeen concurred with President Wimmer.

Mr. Lorinser asked how many businesses have stopped utilizing the program, President Wimmer stated that it ebbs and flows depending on the number of items the businesses may want to put into the program.

Mr. Collison stated that he was worried about the number of items in the bags, and that recently BMX handed out the promotional bags with very few items and expressed disappointment.

Mr. Lorinser stated that we may want to reconsider what events we provide these bags to. He concurred with President Wimmer that we should continue the program for another year. Mr. Lundeen stated he agreed to continue the program for another year.

Ms. Hallberg stated that the City could be more proactive in recruiting businesses. President Wimmer stated that we do provide them with a calendar.

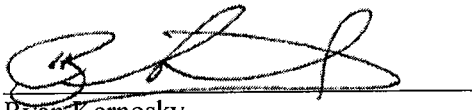
Motioned by Lundeen, seconded by Lorinser to continue the program for another year. Motion passed unanimously.

6. **Other Business/Updates/Communication**
   Director Kernosky recited portions of the staff memo provided. Kwik Trip and Best Western Plus are well underway. Staff has continued to reach out on Senior and Multi-family housing. Staff interviewed three individuals for the ED position, more on that as it becomes available. Kernosky stated that we are 5 homes ahead of last years count.

7. **Adjournment**
   Motion by Lundeen, seconded by Bergley to adjourn. Motion passed unanimously.

   The September 4, 2018 meeting of the EDA adjourned at 7:48 p.m.

Dated this 11th day of September, 2018.



Ryan Kernosky
Community Development Director

RESOLUTION NO. 2018-XXX **K.7.**

RESOLUTION OFFERING CITY ASSISTANCE TO NORTH 65 CHAMBER OF COMMERCE FOR HANGING AND REMOVAL OF WREATHS FOR THE HOLIDAY SEASON

WHEREAS, the North 65 Chamber of Commerce asked the City of Isanti to assist in the hanging and removal of eight wreaths in Historic Downtown Isanti for the holiday season; and,

WHEREAS, the equipment and materials necessary for the installation of the wreaths will be provided at no cost to City Staff; and,

WHEREAS, the North 65 Chamber of Commerce will be responsible for the maintenance and upkeep of the wreaths after installation; and,

WHEREAS, the wreaths will be hung from existing hooks on area businesses that have given consent; and,

WHEREAS, Public Services Director will coordinate with the North 65 Chamber of Commerce to install wreaths the week of October 29, 2018; and,

WHEREAS, the wreaths will be removed no later than January 31, 2018;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to approve Public Works assistance in the hanging and removal of wreaths for the holiday season utilizing equipment and materials provided by the North 65 Chamber of Commerce.

This Resolution hereby approved by the Isanti City Council this 16th day of October, 2018.

City of Isanti, MN
Economic Development Authority
Regular Meeting Minutes
October 2, 2018
Isanti City Hall

1. **Call to Order**
The meeting was called to order at 7:09 p.m. by President George Wimmer.

   a. **Pledge of Allegiance**
   b. **Roll Call**

      Present: Ross Lorinser, Dan Collison, Jill Reller, Paul Bergley, George Wimmer

      Absent: Tara Hallberg, Steve Lundeen

      Staff Present: Community Development Director Ryan Kernosky

   c. **Agenda Modifications**
      Secretary Kernosky stated that there were no agenda modifications

2. **Approval of the Agenda**
Motion by Lorinser, seconded by Collison to approve the October 2, 2018 EDA Agenda. Motion passed unanimously.

3. **Approve Minutes of the September 2, 2018 Regular Economic Development Authority Meeting**
Motion by Collison, seconded by Lorinser to approve the Minutes of the August 8, 2018 Regular EDA Minutes. Motion passed unanimously.

At 7:11 p.m. Authority Member Tara Hallburg was seated for the meeting.

4. **Consider Recommendation for Submittal of 2018 Comprehensive Economic Development Strategy (CEDS) Resolution to East Central Regional Development Commission**
Director Kernosky provided an overview of the proposed CEDS document to be submitted to the ECRDC. He noted that the City has identified the following:

   1. Rail Industrial Park
   2. Downtown Redevelopment
   3. Mechanical Sewer Treatment Plant
   4. Economic Development District No. 1

   Motioned by Lorinser, seconded by Collison to approve the submittal of the 2018 CEDS Resolution. Motion passed unanimously.

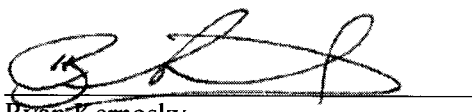
5. **Other Business/Updates/Communication**
Director Kernosky recited portions of the staff memo provided. Kwik Trip and Best Western Plus are well underway. Staff has continued to reach out on Senior and Multi-family housing. Kernosky noted that there's been a lot of interest in the Economic Development District since the hotel has

begun construction and the extension of Richard and 5th Avenues has commenced. Kernosky noted that the Economic Development Director position is open until October 5, 2018 and that staff would be presenting candidates to the personnel committee soon.

6. **Adjournment**
   Motion by Collison, seconded by Lorinser to adjourn. Motion passed unanimously.

   The October 2, 2018 meeting of the EDA adjourned at 7:13 p.m.

Dated this 5th day of October, 2018.



Ryan Kernosky
Community Development Director

CITY OF ISANTI
SPECIAL PLANNING COMMISSION MINUTES
OCTOBER 2, 2018

L.2.

1. Meeting Opening.

A. Call to Order.

Chairman Wimmer called the meeting to order at 7:15 p.m.

B. Pledge of Allegiance.

The Pledge of Allegiance was recited.

C. Roll Call.

Members Present: George Wimmer, Ross Lorinser, Paul Bergley, Dan Collison Joey Lemay, Arissa Simon.

Members Absent: Steve Lundeen.

Staff Present: Ryan Kernosky, Community Development Director; Clark Joslin, City Attorney

1D. Agenda Modifications.

Director Kernosky stated that there were no agenda modifications

2. Approval of the Agenda

Motion by Lorinser, seconded by Collison to adopted the agenda, approved unanimously.

3. Approval of the Minutes from the September 18, 2018 Planning Commission

Motion by Burgley, seconded by Lorinser to approve the minutes from the September 18, 2018 Planning Commission meeting, approved unanimously.

4. Consideration of: Request from Odyssey Homes, Inc for approval of the Final Plat of Legacy Pines Subdivision for the land legally described as Outlot B, Villages on the Rum Third Addition 2nd Replat Park Addition, Isanti County, Minnesota

Director Kernosky stated that this was the final plat approval of the Legacy Pines subdivision. He stated that the Planning Commission had expressed concerns regarding the connection of Moline Loop NW to Third Ave NW and that the applicant had made a change in the final plat and has added five additional lots to the final plat from the preliminary plat. Kernosky also stated that there was an amended resolution passed out to Commissioners regarding concern about early grading. Kernosky stated that the City is requiring a $36,600 stabilization escrow before any grading is done. Kernosky stated that the final plat meets the conditions stipulated in the preliminary plat resolution.

Motioned by Lorinser, seconded by Collision to approve with staff conditions. Motion passed unanimously.

5. Public Hearings

None

6. Discussion Items

None

7. Adjournment

Motion by Bergley, second by to Lorinser to adjourn the October 2, 2018 meeting of the Planning Commission. Motion was unanimously approved. The meeting adjourned at 7:18 p.m.

Dated at Isanti, Minnesota this 5th day of October, 2018.

Respectfully submitted,

Ryan Kernosky
Community Development Director

MEMORANDUM

Date: October 10, 2018

To: Honorable Mayor Wimmer and Members of the City Council

From: Bradley C. DeWolf, P.E.
City Engineer

Jason W. Cook, P.E.
Assistant City Engineer

Subject: Project Status Report
Isanti, MN
Project No.: R13.115547

Please find listed below a status report of the current projects in the City of Isanti:

1) MS4 Phase 2 & 3 Implementation

We will continue to assemble documents to assist the City in meeting the requirements of the MS4 permit for Phase 2 and Phase 3 of the implementation schedule.

2) Cajima Street/TH 65 Signal Study

We will complete the Level 1 Layout this month for submittal to MnDOT for review.

3) 2018 Street & Utility Improvements

This project is scheduled to be completed this month, weather dependent.

4) 2018 Storm System Maintenance Project

City staff are reviewing the project to determine what elements could be performed inhouse.

We met with the majority of impacted residents to discuss fence conflicts individually.

5) Clarifier Rehab Project

This project is scheduled to be completed this fall/winter.

In addition to the current projects listed above we have completed and accepted 48 private developments and 61 city contracts since being selected as your City Engineer in 2008.

Please contact me if you have any questions.

Bolton & Menk is an equal opportunity employer.

AGENDA
CITY OF ISANTI
CITY COUNCIL MEETING
TUESDAY, OCTOBER 16, 2018 – 7:00 P.M.
CITY HALL

I. Citizens Input
None.

II. Agenda
Mayor Wimmer called the meeting to order at 7:00 p.m.

The Pledge of Allegiance was recited.

Members Present: Mayor George Wimmer, Council Members: Paul Bergley, Dan Collison, Ross Lorinser and Steve Lundeen

Staff Present: Community Development Director Ryan Kernosky, Assistant City Engineer Jason Cook, City Administrator Don Lorsung, Deputy City Clerk/Human Resources Jaden Moore, Police Chief Gene Hill, Public Services Director/Assistant City Administrator Josi Wood, Parks, Recreation and Culture Manager Katie Everett and City Attorney Clark Joslin

Others Present: Tiffany Determan, Al Koczur, Rod Barrows, Rob Doohen, Melissa Bettendorf, George Hemen, Elizabeth Anderson, Jeff Johnson and Lisa Johnson

D. Adopt Agenda
Motion by Lorinser, second by Lundeen to approve Agenda as presented. Motion carried.

E. Proclamations/Commendations/Certificate Awards
Presentation of the Outstanding Conservationist Award (Tiffany Determan, Isanti Soil and Water Conservation District)
Isanti Soil and Water Conservation District Manager Tiffany Determan and Isanti Soil and Water Treasurer Al Koczur presented the City of Isanti with an award for the city's contribution with applying conservation practices and natural resources. Tiffany shared that Isanti Soil and Water Conservation District partners with Minnesota Soil and Water Conservation District where the partnership identifies one individual or organization for their accomplishments executing conservation practices and natural resources each year. Tiffany Determan continued to applaud the City of Isanti for being chosen unanimously as the recipient of the 2018 Outstanding Conservationist Award where the City will also be recognized at the Outstanding Conservationist Luncheon on December 11th, 2018 and the state annual convention. Tiffany shared that the affiliation between the City of Isanti and Isanti Soil and Water initiated with a Storm Water Retrofit study in 2011 that identified places to cost effectively improve storm water portions of the city that discharge into the Rum River. The outcome of the study led to a $120,000 clean water fund grant to install a pollution control project located on Railroad Ave. Tiffany further shared that the city provided a $39,000 match through a storm water utility fee where the partnership has led to sequential joint conservation projects such as erosion control on the Rum River at River Bluff Park and the City wide rain garden, and ground water conservation at the City Hall and the Community Center. Tiffany Determan personally recognized and commended Mayor Wimmer, Katie Everett and Josi Wood for their ongoing pursuit to conservation within the City of Isanti.

F. Approve City Council Minutes
1. October 2, 2018 – Regular Meeting of the City Council
Motion by Collison, second by Lorinser to approve minutes as presented. Motion carried.

G. Announcements

2.	General Election Day	Tuesday, November 6, 2018 7:00 am – 8:00 pm
3.	City Council Meeting	Wednesday, November 7, 2018 at 7:00 p.m.
4.	EDA Meeting	Wednesday, November 7, 2018 *(Immediately following the City Council Meeting)*

H. Council Committee Reports

None.

I. Public Hearings

None.

J. Business Items

Community Development Director Ryan Kernosky

1. Resolution 2018-234 Authorizing Submittal of 2018 Comprehensive Economic Development Strategy (CEDS) to East Central Regional Development Commission (ECRDC)
   Council Member Bergley questioned what was being voted on. Mayor Wimmer explained that it is for potential state and federal funding for Rail Served Industrial Park, Downtown Redevelopment, Mechanical Sewer Treatment Plant Upgrade and Implementation of Economic Development District No. 1.
   Motion by Lorinser, second by Collison to approve Resolution as presented. Motion carried.

2. Resolution 2018-235 Approval of Final Plat for Legacy Pines
   Economic Development Director Ryan Kernosky explained that this is the final plat for Legacy Pines. Ryan Kernosky shared that Legacy Pines is a development on the North East corner of the city and is along the extension of Bellaire Blvd and Moline Loop where it abuts Legacy Park. Ryan Kernosky further shared that the developer has addressed the concerns that city staff and Planning Commission have brought forward.
   Motion to approve with staff recommendations by Lorinser, second by Bergley. Motion carried.

3. Resolution 2018-236 Accepting the Temporary Easement Limited Warranty Deed for Legacy Pines Subdivision
   Economic Development Director Ryan Kernosky addresses that the current access easement runs along the proposed future right of way on Bellaire Blvd. Ryan Kernosky shared that this resolution is to accept a new temporary easement that would allow residents to accessibility to Legacy Park as well as a proposed extension of sewer and water utility easement and a temporary turn around at the termination of Bellaire Blvd. Ryan Kernosky concluded by sharing that these are temporary easements that will retire once the project is constructed in later phases.
   Motion by Lorinser, second by Collison to approve Resolution as presented. Motion carried.

K. Approve Consent Agenda

1. Consider Accounts Payable in the amount of $386,684.85 and Payroll in the amount of $95,032.73
2. Final Meeting Minutes for the September 4, 2018 Economic Development Authority Meeting
3. Contractor Pay Request No.1 for Street and Utility Improvements in the Amount of $91,914.91
4. Resolution 2018-237 MN APA Committee Membership Ryan Kernosky
5. Resolution 2018-238 Administrative Data Clerk Job Title Change
6. Resolution 2018-239 Appointing Election Judges for the 2018 General Election
7. Resolution 2018-240 Offering City Assistance to North 65 Chamber of Commerce for Hanging and Removal of Wreaths for the Holiday Season

   Motion by Collison, second by Lundeen to approve Consent Agenda as presented. Motion carried.

L. Other Communications

1. Draft Minutes of the October 2, 2018 Economic Development Authority Meeting
2. Draft Minutes of the October 2, 2018 Special Planning Commission Meeting

MEMORANDUM

TO: Mayor George Wimmer
Members of the Isanti City Council

FROM: Ryan Kernosky, Community Development Director

DATE: November 7, 2018

SUBJECT: **REQUEST FROM FIRST FRUITS LAND DEVELOPMENT, LLC FOR FINAL PLAT APPROVAL OF "SUN PRAIRIE FOURTH ADDITION" FOR THE PROPERTY LEGALLY DESCRIBED AS OUTLOT G, SUN PRAIRIE FIRST ADDITION, ISANTI COUNTY, ISANTI, MINNESOTA**

Background
First Fruits Land Development, LLC (applicant) has submitted a completed application and paid applicable fees for a Final Plat known as "Sun Prairie Fourth Addition" for the property legally described as Outlot G, Sun Prairie First Addition, Isanti County, Isanti, Minnesota. This development is part of the Sun Prairie Subdivision development done in 2005. This development has existing infrastructure and is covered by the original development agreement for the Sun Prairie First Addition. As such, the signal light fees have been paid at the time of the platting.

The following fees are due at the time of the final platting:

Park Dedication Fee: 9 lots at $1,500 = $13,500
Trunk Sewer Charge: 9 lots at $1,000 = $9,000

Request
The applicant is requesting the subdivision of one Outlot into 9 parcels abutting 9th Ave SE. The applicant had previous preliminary plat approval to develop this property, however, did not act upon it within the required timeline. The parcels range in size from 11,056 sq ft to 12,319 sq ft, homes in the R-1 Zoning District must meet the following requirements:

Lot Requirements:
Size: Minimum 11,000 sq ft
Width: Corner – 95 ft, other – 80 feet
Depth: 137 ft

Home Requirements:

Home Size: Minimum 1,200 sq ft
Garage Size: Minimum 720 sq ft

Development and Operations Advisory Committee Recommendation
DOAC met to discuss this item on August 23, 2018, and has recommended approval.

Planning Commission Recommendation
The City of Isanti Planning Commission met on October 16, 2018 and has recommended approval with staff conditions.

Staff Comments
Comprehensive Plan – This proposed development is consistent with the City 2008 Comprehensive Plan and development plan of this area.

Public Comments – At the writing of this staff report, no public comment has been received.

Certificate of Taxes Paid – Per Isanti County, taxes on this property have been paid in full.

Deadline for City Council Action – A complete application was submitted on August 16, 2018. As such, the City Council has until December 17, 2018 to take action on this item.

City Engineer Recommendation
City Engineer Brad DeWolf and Jason Cook reviewed the application and have recommended approval.

Staff Recommendation
Staff recommends approval as presented.

RESOLUTION NO. 2018-XXX

A RESOLUTION APPROVING THE FINAL PLAT FOR SUN PRAIRIE FOURTH ADDITION

WHEREAS, First Fruits Land Development, LLC has made application for Final Plat Approval for Sun Prairie Fourth Addition, legally described as Outlot G, Sun Prairie First Addition, Isanti County, Isanti, Minnesota; and,

WHEREAS, the City of Isanti City Council has reviewed the Preliminary Plat during the regularly scheduled meeting on October 2, 2018; and,

WHEREAS, the City Council reviewed the Final Plat request at the November 7, 2018 meeting.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Isanti, Minnesota that it hereby adopts the Findings of Fact and Conclusion related to the requested Final Plat and **BE IT FURTHER RESOLVED** that the requested Final Plat Approval for Sun Prairie Fourth Addition from First Fruits Land Development, LLC be approved.

Adopted by the Isanti City Council this 7th day of November, 2018.

_____
Mayor George A. Wimmer

ATTEST:

_____
Katie Brooks
City Clerk/Human Resources

FINDINGS OF FACT AND CONCLUSION

Request

Request from First Fruits Land Development LLC for Final Plat approval of the Plat of Sun Prairie Fourth Addition, legally described as Outlot G, Sun Prairie First Addition, Isanti County, Isanti, Minnesota.

Findings of Fact

1. The applicant, First Fruits Land Development LLC ('the applicant'), has made application for Final Plat Approval of Sun Prairie Fourth Addition, Isanti County, Minnesota.
2. The property is legally described as Outlot G, Sun Prairie First Addition, Isanti County, Minnesota.
3. The Applicant is requesting Final Plat Approval in an effort to create 9 single-family lots.
4. The property is zoned "R-1" Single-Family Residential District.
5. The City Council has reviewed and approved the Preliminary Plat of Sun Prairie Fourth Addition on October 2, 2018.
6. The Applicant submitted an application for Final Plat Approval on October 1, 2018.
7. Notices were sent to all property owners located within the development and within 350 feet of the subject property for the Preliminary Plat approval.
8. The Planning Commission has reviewed the Final Plat during the regular Planning Commission meeting on October 16, 2018 and has recommended approval as presented.

Conclusions

1. The platting of the property would appear to meet the lot requirements and setback requirements as provided within the zoning ordinance for properties located within the "R-1" Single-Family Residential Districts.
2. The platting of the property would appear to meet the Design Standards as required by Ordinance No. 536.

Decision

The City Council considered this item at the **November 7, 2018** meeting. The meeting minutes, staff memo and exhibits will be made part of the Findings of Facts and Conclusions.

Planning Commission Recommendation:

Motioned by Lundeen, seconded by Collison to approve. Motion passed unanimously.

SUN PRAIRIE FOURTH ADDITION

SEC. 28, TWP. 35, RNG. 23
CITY OF ISANTI
ISANTI COUNTY

MEMORANDUM

TO: Mayor George Wimmer
Members of the Isanti City Council

FROM: Ryan Kernosky, Community Development Director

DATE: November 7, 2018

SUBJECT: **RESOLUTION NO. 2018-XXX ACCEPTING LETTER OF CREDIT AND DEVELOPMENT AGREEMENT FOR LEGACY PINES SUBDIVISION PHASE ONE**

Background:
City staff has been working with the developers of Legacy Pines Phase I (extension of Moline Loop NW and Bellaire Blvd NW) to negotiate a development agreement for the property. The attached document is the final product of the negotiations, and is consistent with previous development agreements the City has had with other developers. We have also reviewed the Letter of Credit provided to the City and find it consistent with our financial requirements.

Staff Request:
I am requesting approval of the attached Resolution No. 2018-XXX. This resolution will be the formal approval of the development agreement and letter of credit, and will authorize staff and the Mayor to execute said agreement.

Attachments:
- Resolution No. 2018-XXX
- Legacy Pines Development Agreement
- Letter of Credit

RESOLUTION NO. 2018-XXX

A RESOLUTION APPROVING THE DEVELOPMENT AGREEMENT AND LETTER OF CREDIT FOR LEGACY PINES PHASE I SUBDIVISION

WHEREAS, Odyssey Homes, Inc. has an approved final plat known as Legacy Pines consisting of 40 single-family residential lots; and,

WHEREAS, the final plat of Legacy Pines is the first phase of development; and,

WHEREAS, a Development Agreement for Legacy Pines Phase I has been prepared for consideration by the City Council of the City of Isanti; and

WHEREAS, Odyssey Homes, Inc has submitted a Letter of Credit that meets the financial and timelines imposed by the City.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Isanti, Minnesota hereby approves this Resolution with the following conditions:

1) Said development agreement shall be signed by both the City of Isanti and Odyssey Homes, Inc.
2) At the time of signing of the development agreement any outstanding escrows and/or financial guarantees, as stated within the development agreement, shall be established and/or paid.

IT IS FINALLY RESOLVED, that the City Council of the City of Isanti, Minnesota hereby direct the Mayor and City staff to execute said development agreement.

This Resolution hereby approved by the City Council of the City of Isanti this 7th day of November, 2018.

City Clerk/Human Resources

CITY OF ISANTI
ISANTI COUNTY, MINNESOTA
DEVELOPMENT AGREEMENT
LEGACY PINES
(Phase 1)

THIS AGREEMENT (the "Agreement"), is made and entered into this ____ day of _____, 2018, between the **CITY OF ISANTI,** a Minnesota municipality organized under the laws of the State of Minnesota (hereinafter referred to as "City") and **Odyssey Homes, Inc.**, a Minnesota corporation (hereinafter referred to as "Developer").

RECITALS:

WHEREAS, the City Council of the City has, by Resolution No. 2018-215, on September 18, 2018 approved a revised Preliminary Plat, known as "Legacy Pines ("The Preliminary Plat"). As to the real property covered by the Preliminary Plat, this Development Agreement is in conformance with the Master Development Agreement, Villages on the Rum Third Addition, 2nd Replat, dated August 17, 2010, as filed with the County Recorder of Isanti County, Minnesota, as Document No. 410672 (the "Existing Agreement"). In cases where there is variance between the two Development Agreements, the terms of this agreement supersedes the Existing Agreement; and

WHEREAS, the Final Plat of Legacy Pines, which is the first phase of this development, contemplates development of approximately 17.12 acres of real property into 49 residential housing units ("Lots"); and

WHEREAS, the Final Plat of Legacy Pines included Outlot A of approximately 45 acres, said outlot is contemplated for future residential development phases of Legacy Pines, and Developer has agreed to and will provide such temporary easements for street, utility, drainage, cul-de-sac purposes upon, over and across said Outlot A containing such provisions as the City may request and require in order to access and service adjacent properties, in a form to be approved by the City; and

WHEREAS, it is the policy of the City to enter into development contracts as contemplated in Minnesota Statutes 462.358, Subd. 2(a); and

WHEREAS, the City and Developer desire to set forth their respective rights and obligations in this Agreement.

NOW, THEREFORE, in consideration of the Recitals, the premises and of the mutual promises and conditions contained herein, it is agreed by the City and the Developer as follows:

1. Development Agreement Provisions. Subject to such changes as may be agreed between the City and the Developer(s), the Preliminary Plat and all subsequent Final Plats to follow shall include the following provisions:

2. Escrow for City Costs and Fees. Developer shall, contemporaneously with execution of each Development Agreement, deposit with the City an escrow of $5,000.00 to cover the cost of legal fees, engineering fees, administrative expenses and other costs related to the Development. A separate escrow will be established with the Developer for each Final Plat. All fees and costs incurred by the City in connection with each Final Plat of the Development shall be charged against said escrow account which shall remain in effect until the completion of the Development Phase. Any funds remaining in the escrow account(s) after the completion of the applicable Final Plat shall be refunded to the Developer. During the final plat process, in the event that the escrow account is depleted, the Developer shall post additional sums of money to replenish the account to a

maximum of $5,000.00 to cover projected City costs as determined by the City. The escrow account shall always have a balance of no less than $1,000.00. The Developer shall be entitled, upon request, to an itemized statement of all costs and fees charged against the Developer's escrow account.

3. Road Dedication. Each Final Plat (each a "Plat" or a "Final Plat") shall dedicate to the City for roadway and utility purposes all land within the Development located within thirty (30) feet from the centerlines of the following roads in accordance with the Final Plat:

a. Bellaire Boulevard NW

b. Moline Loop NW

c. Bluebird Way NW

4. Developer Installed Municipal Improvements. The Developer shall construct the following described municipal improvements for the Development, which are hereinafter collectively called "Developer Installed Municipal Improvements." The Developer Installed Municipal Improvements shall be constructed at the Developer's expense and in accordance with City requirements and specifications. The Developer shall engage at its own expense a registered professional civil engineer to prepare plans and specifications for the Developer Installed Municipal Improvements. These plans shall be submitted to the City for review and be approved by the City Engineer. The Developer agrees to City inspection of all Developer Installed Municipal Improvements and payment for said inspection services.

a. The Developer shall construct and/or be responsible for the installation of sanitary sewer, water mains, storm sewer systems, and bituminous streets, with concrete curb and gutter, street lights, sidewalks and trails. Watermain systems shall be looped.

b. The Developer shall provide adequate off-street parking on all lots abutting on cul-de-sacs, or termination turnarounds, so that the City can prohibit on-street parking if necessary for safety and maintenance purposes.

c. Where grading is required, soils inspection and compaction testing shall be conducted by a registered professional engineer on all areas where soil has been disturbed. All grading shall be done in accordance with a Grading Plan approved by the City Engineer. A minimum of one (1) compaction test shall be obtained for every two (2) foot increment of fill that is placed. A summary of all inspections and compaction tests shall be provided to the City upon completion of the grading. The Developer shall provide a 79G, final compaction report for each lot that has more than two (2) feet of fill. It is recognized that the property may have been rough graded prior to the date of the Development Agreement.

d. All utilities, including electricity, telephone, cable and natural gas, shall be installed underground where possible within platted utility easements or roadway rights-of-way.

5. Erosion Control. Soil stabilization shall be employed throughout each Plat as required to insure the integrity of the soils. The Developer shall use topsoil, mulching, seeding, silt fence, and other such means as are approved by the City to prevent erosion of the soils. An erosion control plan shall be submitted by the Developer and approved by the City Engineer before a grading permit is issued for the Development. Before any grading is started on site, all erosion control measures, as shown on the erosion control plan approved by the City, shall be installed. The Developer shall be responsible for compliance with the approved erosion control plan. The Developer will be given a telephone notice when an unsatisfactory condition exists that is determined to be the Developer's responsibility. Work to correct said unsatisfactory condition shall commence within forty-eight (48) hours from the time of the telephone notice. If said work is not commenced within forty-eight (48) hours of said telephone notice, the City is hereby given the right to enter upon the property and to proceed to do the required work at the expense of the Developer. If it is determined that the unsatisfactory condition could result in degradation of downstream water quality, the Developer shall, upon telephone notice, immediately proceed to correct said unsatisfactory condition. If the Developer does not immediately respond to said unsatisfactory condition, the City is

hereby given the right to enter upon the property and correct said condition at the expense of the Developer. The City shall be entitled to all of its reasonable costs and expenses associated with correction work done under this paragraph, including, but not limited to legal, fiscal and engineering costs. The City may at its option invoice the said costs for direct payment from the Developer or proceed to draw on the Developer's escrow established under paragraph 7 or the financial guarantee provided under paragraph 19. The erosion control plan shall be in accordance with the Minnesota Pollution Control Agency's NPDES Phase II requirements.

6. Street Cleaning: The Developer shall contract with a street cleaning firm to provide street cleaning services within and immediately adjacent to the Development. A copy of said contract shall be submitted to and approved by the City, in its discretion, prior to the issuance of a grading permit. This contract shall be submitted to and approved by the City prior to the issuance of a grading permit. This contract shall name the City as an authorized agent to order street cleaning services, as the City deems necessary. The Developer shall pay for the cost of the street cleaning under the contract. During development of the Plat, the Developer shall keep the streets adjoining its Development free of dirt and debris caused by its Development. In the event dirt and/or debris has accumulated on streets within or adjacent to the Development, the City is hereby authorized to immediately commence street cleaning operations if the streets are not cleaned by the Developer by 3:30 p.m. the day after the day of the violation. If conditions are such that street cleaning operations are immediately necessary, the City may perform the necessary street cleaning. The City will then bill the Developer for all associated street cleaning costs. Failure to reimburse the City for street cleaning costs within ten (10) days of such billing will result in the City drawing funds from the Developer's escrow established under paragraph 2 or the financial guarantee provided under paragraph 14.

7. Stormwater: The Developer shall construct storm sewer, swales, and/or such other storm water drainage devices as shall be necessary to control drainage within the Plat. A storm water drainage plan must be submitted to the City and approved by the City and the

City's Engineer before any work is done within the Plat. Storm water systems shall be designed based on 100 year high water levels. No storm water retention or pond areas shall be constructed on residential lots. Drainage easements shall be given so as to cover storm water conveyance needs. The Developer shall construct any required drainage and retention ponds in Outlot areas and shall convey title to the Outlots upon which the ponds are constructed to the City. Said conveyance shall be free and clear of any taxes due and, if recorded after the county cut off period for converting property to tax exempt status, the Developer shall be responsible for all taxes the following year. The Developer shall maintain all drainage area easements on each Lot and no improvements, landscaping or grading shall be permitted in drainage area easements which would interfere with drainage.

8. Sidewalks/Trails: The Developer shall build all required sidewalks and trails located within the Development according to the approved plans associated with the Development.

9. Street Lights: Street lights shall be installed within the Plat according to a lighting plan, which will first be approved by the City Engineer. The Developer shall also submit a street lighting plan to Connexus Energy for its review, comment and approval. The installation of the street lights shall be coordinated with Connexus Energy so that the street light system is installed, constructed and operated in such a manner as will harmoniously exist with other street lights within the area. Lights shall be placed on Bellaire Boulevard NW, Moline Loop NW and Bluebird Way NW. Street lights must be installed prior to acceptance of the municipal improvements and the beginning of the warranty period.

10. Street Repair: It is anticipated that heavy construction equipment will be using City and County roads to access each Plat, including, but not limited to, Isanti Parkway NW, Bellaire Boulevard NW, Whiskey Road NW, Moline Loop NW and 3rd Avenue NW. The Developer shall be responsible for the reconstruction and/or repair of said street(s) identified as damaged by the City of Isanti following completion of construction within

the Plat. Said reconstruction shall return the street(s) to an equal or better condition than existed prior to commencement of the Development. Plans for such work shall be approved by the City Engineer prior to commencement of reconstruction or repair work. The Developer shall instruct all construction crews to ensure that the properties adjacent to this Plat have access to their property at all times during construction.

11. Schedule: All work for the Developer Installed Municipal Improvements, including street, sanitary sewer, storm sewer, and municipal water, shall be done subject to the approval of the City in accordance with City standards and requirements. All Developer Installed Municipal Improvements shall be fully completed to the reasonable satisfaction and approval of the City by the target date, which will be set for each Final Plat of the Development, subject to unavoidable delays. For the purposes of each Development Agreement, "unavoidable delays" means delays which are the direct result of acts of God, unforeseen adverse weather conditions, strikes, other labor troubles, fires or other casualty to the Developer Installed Municipal Improvements, litigation commenced by third parties which by injunction or other similar judicial action that directly results in delays, or acts of any Federal, State or local government unit that results in delays, or any unforeseen circumstances beyond the Developer's reasonable control.

12. Notice to Proceed: The Developer agrees not to commence any grading, utility or street work within the Development until first receiving a written "Notice to Proceed" from the City Engineer.

13. Warranty of Improvements: The Developer represents and warrants that all of the Developer Installed Municipal Improvements made shall be guaranteed to be properly functioning as designed for a period of two (2) years following acceptance by the City of the Developer Installed Municipal Improvements ("Warranty Period"). In the case of any material or labor that is supplied and that is reasonably rejected by the City as defective or unsuitable, then the rejected materials shall be removed and replaced with approved material, and the rejected labor shall be done anew to the reasonable satisfaction and approval of the City at the sole cost and expense of the Developer. In any event, none of

the Warranty Periods identified herein shall begin to run until all of the Developer Installed Municipal Improvements have been approved and accepted by the City. If the Developer does not proceed to correct or repair improvements under this section once notified by the City, it shall be considered an Event of Default under the Development Agreement. The Developer shall post a warranty bond to guarantee completion of warranty items.

14. Financial Guarantee: The Developer shall provide a financial guarantee to the City, in the form of a cash escrow, letter of credit or surety bond in the amount equal to one hundred twenty five percent (125%) of the estimated amount of the required Developer Installed Municipal Improvements to be completed in the Phase(s) of the Development. The form of such financial guarantee shall be at the option of the Developer subject to the City's approval of the documentation evidencing the guarantee. Any letter of credit shall be from a FDIC insured financial institution approved by the City. Any surety bonds shall be in a form and from an entity approved by the City. The City's Engineer shall calculate the estimated cost of completion of the Developer Installed Municipal Improvements for each Phase of the Development. One hundred twenty five percent of that amount will be required as a financial guarantee. Except as hereinafter provided, the City shall have the right to retain the financial guarantee until the Developer Installed Municipal Improvements have been completed to the satisfaction of the City. The Developer has a right to request reduction of the escrow, surety bond or letter of credit amount as work on the Developer Installed Municipal Improvements progresses. Specifically, the Developer shall send a written request to the City's Engineer for a specific reduction in the amount of the escrow, surety bond or letter of credit. The City Engineer shall review that request and make a recommendation to the City as to whether or not the escrow, surety bond or letter of credit should be reduced and if so, to what amount. The City shall then decide whether or not to reduce the escrow, surety bond or letter of credit. The City, however, will not reduce the escrow, surety bond or letter of credit, below 20% of the estimated cost of the Developer Installed Municipal Improvements until after submittal of record plan documents as required by paragraph 25, or below ten percent (10%) of the total construction cost of the Developer Installed

Municipal Improvements until two (2) years following acceptance of the Developer Installed Municipal Improvements. At that point, the escrow, surety bond or letter of credit shall be released or refunded, as the case may be, assuming no warranty work remains to be done.

15. Signs, Signals, & Markings. All costs associated with said markings, signs and signals are to be borne by the Developer. Placement of signage, whether on a temporary basis for construction, or on a permanent basis as part of the Development, shall be as directed by the City Engineer.

16. Lowest Floor Elevations. No building shall be constructed on any of the Lots herein unless the lowest floor elevation is at least two (2) feet above the 100-year flood elevation or two (2) feet above the high groundwater elevation, whichever is greater, for the subject property. Additionally, the lowest floor elevation shall be specifically referenced and designated, for each Lot, on a certificate of survey, which survey shall be provided to the City before any building permits are issued.

17. House Sizes and Locations. The house sizes and locations for those houses shall be in accordance with the Housing Size Location Plan. The following Lots/Blocks will be subject to and are approved for the following house and garage sizes:

a. Lots 1-13, Block 1 and Lots1-10 , Block 2 will be required to have a minimum of 1200 square feet of livable floor space above grade with a 600 square foot minimum floor area for the attached garage.

b. Lots 1-16, Block 4, Lots 1-10, Block 3 will be required to have a minimum of 960 square feet of livable floor space above grade with a 400 square foot minimum floor area for the attached garage.

18. Park Fee. The City has a policy to build up a capital account for future park acquisition and development by means of a park dedication fee. For each Final Plat of the Developer agrees to pay a park dedication fee based on the number of residential

units. Park Fees for Final Plats approved shall be as per the City Fee Schedule. Fees to be paid before the City signs the Final Plat.

19. Signal Light Fee: For each Phase of the Development, the Developer shall contribute a signal light fee based on the number of residential units (Lots). Signal Light fees for Final Plats approved after that date shall be as per the City Fee Schedule. Fees to be paid before the City signs the Final Plat.

20. Trunk Utility Charge: For each Phase of the Development, the Developer shall pay a utility trunk charge based on the number of residential units (Lots) as per the City Fee Schedule. Trunk Utility fees for Final Plats approved after that date shall be as per the City Fee Schedule. Fees to be paid before the City signs the Final Plat.

21. Agency Approval. The Developer agrees to submit the utility plans, or any portions thereof, to all appropriate federal, state, county or local governing agencies or bodies for their written approval.

22. Plat Conditions. All general and special conditions, plans, special provisions, proposals, specifications and contracts for the Plat shall be and hereby are made apart of this Agreement by reference as if fully set out herein in full.

23. Miscellaneous Provisions. The Developer specifically understands that approval for Legacy Pines, Phase 1 is given subject to the following requirements:

a. The Final Plat must be submitted by the Developer to the City for recording (and the Mylar "hard shells" must be fully executed) within one hundred twenty (120) days of the Council motion giving Final Plat approval or else said approval shall be null and void. The Developer will pay for all costs pertaining to Plat recording. The Developer shall also submit the Final Plat and "as constructed street and utility plans" in electronic format. The electronic format shall be the most current version of AUTOCAD in NAD 83 Isanti County Coordinates for mapping purposes.

b. Final Plat approval shall be contingent upon compliance with grading, storm water drainage, and utility plan approval by the City.

c. All applicable conditions of Plat approval must be met before any deeds are stamped for recording and prior to the recording of the Final Plat at the Isanti County Recorder's Office.

d. No building or other permits shall be issued, until the Final Plat has been recorded with the Isanti County Recorder; all street signs have been erected by the Developer (as determined by the City); and curb, gutter and the bituminous base course has been placed. This provision specifically requires that the surface water drainage system must be completed and functioning to the satisfaction of the City.

e. Each Single Family structure in future Phases shall meet the square footage requirements for the home and garage, and setback requirements per the Planned Unit Development and all applicable City Code and Ordinance requirements

f. The Developer shall pay all fees relating to this subdivision, including the cost of recording documents relating to Developer's responsibilities hereunder with Isanti County.

g. Exterior lighting or advertising activities on the site shall comply with City ordinance regarding same.

h. Drainage and erosion control methods for this development shall be completed prior to the City accepting the roadway or the Developer Installed Municipal Improvements. All work shall be inspected by the City to insure that it complies with City standards. The Developer is responsible for complying with the provisions of the MPCA's NPDES Stormwater Permit. Where the MPCA and City requirements differ, the more stringent or restrictive requirement shall govern.

i. The Developer shall permit access to the land herein for periodic inspection to assure conformance with the conditions herein.

j. The Developer shall remove all temporary soil stabilization and erosion control devices, such as silt fencing, before the escrow held by the City is returned to the Developer.

k. No material deviations from the approved Final Plat and or construction plans shall be allowed unless approved in writing by the City.

l. The Developer shall dedicate either street and utility easements or City street and utility right-of-way for the extension of Bellaire Blvd NW to Whiskey Rd NW, and install a water main at Developer's cost.

m. The Developer shall dedicate temporary cul-de-sac easements and install a temporary bituminous cul-de-sac at the end of Phase 1 paved roads, built to City standards.

n. The Developer shall provide the City with legal descriptions of all parcels of land that are to be subdivided as a part of this project.

o. A certificate of survey shall be provided by the builder to the Building Inspector for each Lot at the time a building permit is requested for that Lot. The Developer shall also provide to the City a certificate indicating that all Lots in the Development are graded as per the grading plan submitted.

p. The Developer shall provide on-site a sufficient number of portable outhouses to be available for the persons who will be working on-site.

q. During the installation of the Developer Installed Municipal Improvements, Developer shall remove all tree waste; junk, miscellaneous debris, junk vehicles, and any other personal property from land still owned by Developer pursuant to the City Code and shall seal wells as directed by the State of Minnesota.

r. Deed restriction shall advise owners of all lots of the requirements of this Development Agreement as follows: THE LAND WITHIN THIS PLAT, INCLUDING THE LAND CONVEYED HEREIN, IS BOUND BY RESTRICTIONS IN A DEVELOPMENT AGREEMENT. SAID DEVELOPMENT AGREEMENT IS ON FILE AT THE OFFICE OF THE ISANTI COUNTY RECORDER FILED AS DOCUMENT NO. _____.

s. The Developer is responsible for the installation of mailboxes according to the United Stated Postal Service regulations. The Developer shall work with the local Postmaster to identify mailbox locations. The mailboxes must be installed before a Certificate of Occupancy is issued.

24. Special Provisions. The following shall apply:

a. Tree Preservation Plan – A Tree Preservation Plan shall be prepared by the Developer and approved by the City for portions of the Development that have significant or specimen tree stands. Such plan shall show the location of homes and grading of those Lots, so as to protect as many of these trees as possible.

b. Planned Unit Development – The Development is approved by the City as a Planned Unit Development, in which the conditions of such approval, authorized in City Council Resolution 2010-111, shall apply.

c. The Developer agrees to pay liquidated damages to the City if any Lot, upon which a home has been built, has a real estate closing to an individual intending to use such home as a residence before a certificate of occupancy has been issued for that Lot and/or before all Developer Installed Municipal Improvements within the Plat are certified as being substantially completed by the City. Specifically, the Developer agrees to immediately pay to the City liquidated damages in the amount of one thousand dollars ($1000.00) for each such closing which occurs in violation of this paragraph. The City shall be authorized to retain an appropriate percentage of the financial guarantee referred to in paragraph 19 as security for payment of any liquidated damages owed to the City. The City reserves the right to not issue a Certificate of Occupancy in addition to liquidated damages until all Developer Installed Municipal Improvements are certified as being substantially complete.

d. The Developer agrees to pay liquidated damages to the City, in the amount of five hundred dollars ($500.00), if the Developer encroaches upon any City road right-of-way or utility easement without first obtaining a written permit from the City expressly authorizing said encroachment. The City shall be authorized to retain an appropriate percentage of the financial guarantee referred to above as security for payment of any liquidated damages owed to the City.

e. Sodding and Seeding Requirements. All boulevards, public areas, and storm water drainage areas shall be initially seeded and stabilized at completion of mass grading operation by the developer. Prior to issuance of a certificate of occupancy of a single-family residence, it shall be the responsibility of the builder or home

owner to install sodding in all lot front yards, side yards, and back yards per City Zoning Ordinance. Said sodding shall be complete, established and growing within sixty (60) days of issuance of a Certificate of Occupancy, except that, if the Certificate of Occupancy is issued between the dates of October 1 and May 1, then the sodding required herein shall be complete, established and growing no later than July 1 of the following year with the appropriate escrow established for the lot.

(1) All Lots shall receive four (4) inches of premium top soil (as defined by MNDOT, from a source approved by the City Engineer) prior to sodding, in accordance with City Ordinance 445, Zoning Ordinance.

(2) All seeded areas in the development shall be tilled to loosen compacted soils and receive 4 inches of topsoil. MNDOT #25 seed mix shall be used for all constructed storm water ponds and replacement areas.

25. Record Information Requirements. Following completion of all development activities, the Developer shall provide to the City "as-built" plans for all Developer Installed Municipal Improvements and land within the Plat. This information shall be provided to the City by two (2) printed copies, one (1) mylar "hardshell" and one (1) in an electronic GIS file format acceptable to the City Engineer. Such record drawings shall be submitted by the Developer and approved by the City Engineer, prior to the City accepting the Developer Installed Municipal Improvements and starting the warranty period. As-built information shall include:

a. Topography in two-foot contour intervals.

b. Water System facility information, including:

(1) Location, size and depth of all mains;

(2) Location and type of all valves; and,

(3) Location of all hydrants.

c. Sanitary sewer facilities information, including:

(1) Location, size and depth of all mains;

(2) Location and invert elevations of all manholes; and,

(3) Location, size and depth of all lift stations.

d. Storm sewer facilities information, including:

(1) Location, size and depth of all storm sewers;

(2) Location and invert elevations of all manholes; and,

(3) Location, type and outflow elevations of all storm water control structures.

e. Flood plain boundaries.

f. Ordinary high water elevation for all water bodies.

g. Location of all easements and restrictive covenants.

h. Location of all road rights-of-way.

i. Location of all streets, sidewalks and trails.

j. Location and description of all surveying monuments.

k. The Developer shall also provide such other information regarding the Plat as is reasonably requested by the City.

26. Warranty of Title. The Developer warrants and represents to the City that it is the fee owner of the land described in the Plat and that it has authority to execute the Development Agreement and agree to the conditions hereof. The Developer also represents and warrants that the use for which this Development is sought will not violate any restrictive covenants applying to the property.

27. Lien Waivers – Copies of signed and recorded lien waivers are required from each of the Developer's Contractors and Subcontractors. The Lien Waivers shall be submitted to and approved by the City Engineer prior to accepting the Developer Installed Municipal Improvements and starting the warranty period.

28. Binding Effect. This Agreement shall be deemed to be a restrictive covenant and the terms and conditions hereof shall run with the land described herein and be binding on and inure to the benefit of the heirs, representatives and assigns of the parties hereto, and shall be binding upon all future owners of all or any part of the subdivision, and shall be deemed covenants running with the land. Reference herein to the Developers, if there be more than one, shall mean each and all of them. This Agreement shall be placed of

record so as to give notice hereof to subsequent purchasers and successor owners. The cost of said recording shall be borne by the Owner.

29. Restrictions on Transfer/Indemnification.

a. Indemnification. The Developer agrees to defend and hold the City, and its officials, employees and agents, harmless against any and all claims, demands, lawsuits, judgments, damages, penalties, costs and expenses, including reasonable attorney's fees, arising out of actions or omissions by the Developer, its employees and agents, in connection with the Development.

b. Enforcement by City; Damages. The Developer acknowledges the right of the City to enforce the terms of the Development Agreement against the Developer, by action for specific performance or damages, or both, or by any other legally authorized means. The Developer also acknowledges that its failure to perform any or all of its obligations under the Development Agreement may result in substantial damages to the City; that in the event of default by the Developer, the City may commence legal action to recover all damages, losses and expenses sustained by the City; and that such expenses may include, but are not limited to, the reasonable fees of legal counsel employed with respect to the enforcement of the Development Agreement.

30. Hold Harmless Agreement. The Developer acknowledges that its failure to control erosion in accordance with the plans and exhibits as contained herein may cause flooding and/or damage to adjoining property owners. In such event, the Developer agrees to hold the City harmless and indemnify the City from claims of all third parties or the Developer for damages arising out of such flooding and/or damages.

Further, in the event the City undertakes any corrective actions to prevent or minimize any such flooding and/or damage, the Developer agrees to hold the City harmless and indemnify the City from claims of all third parties for damages arising out of said corrective action by the City, and agrees to reimburse the City for all out of pocket expenses incurred by the City arising out of the corrective action including, but not limited to, any cost necessary to re-landscape disrupted soils located within the Development.

31. Insurance. The Developer will provide and maintain or cause to be maintained at all times during the process of construction of the Developer Installed Municipal Improvements until six (6) months after acceptance of all Developer Installed Municipal Improvements and, from time to time at the request of the City, furnish with proof of payment of premiums on:

a. Comprehensive general liability insurance (including operations, contingent liability, operations of subcontractors, completed operations and contractual liability insurance) together with an Owner's Contractor's Policy with limits against bodily injury, including death, and property damage (to include, but not be limited to damages caused by erosion or flooding) which may arise out of the Developer's work or work of any of its subcontractors. Limits for bodily injury or death shall not be less than $500,000.00 for one person and $1,000,000.00 for each occurrence; limits for property damage shall not be less than $200,000.00 for each occurrence. The City, City Engineer, and Developer's Engineer shall be additional named insureds on said policy. The Developer shall file a copy of the insurance coverage with the City.

b. Worker's compensation insurance as required by statute.

32. Events of Default.

a. Events of Default Defined. The following shall be "Events of Default" under the Development Agreement and the term "Event of Default" shall mean, whenever it is used in the Development Agreement, any one or more of the following events:

(1) Subject to unavoidable delays, failure by the Developer to commence and complete construction of the Developer Installed Municipal Improvements pursuant to the terms, conditions and limitations of the Development Agreement. For purposes of this Agreement, "unavoidable delays" means delays which are the direct result of acts of God, unforeseen adverse weather conditions, strikes, other labor troubles, fire or other casualty to the Municipal Improvements, litigation commenced by

third parties which, by injunction or other similar judicial action, directly results in delays, or acts of any federal, state or local governmental unit, and which directly results in delays

(2) Failure by the Developer to observe or perform any covenant, condition, obligation or agreement on its part to be observed or performed under the Development Agreement.

b. Remedies on Default. Whenever any Event of Default occurs, the City may take any one or more of the following:

(1) The City may suspend its performance under the Development Agreement until it receives assurances from the Developer, deemed adequate by the City, that the Developer will cure its default and continue its performance under the Development Agreement. Suspension of performance includes the right of the City to withhold permits including, but not limited to, building permits.

(2) The City may initiate such action, including legal, equitable or administrative action, as is necessary for the City to secure performance of any provision of the Development Agreement or recover any amounts due under the Development Agreement from the Developer, or immediately draw on the financial guarantees provided by the Developer pursuant to the Development Agreement.

(3) The City may draw upon any escrow or financial guarantee established pursuant to this Agreement.

(4) The Developer agrees that if the escrow or financial guarantee is insufficient or terminates, the City has the right to use the special assessment process under Minnesota Statute, Chapter 429, to construct and pay for uncompleted Developer Installed Municipal Improvements or to correct and repair any improvements under warranty. This constitutes a petition to under take such public improvements under Minnesota Statutes, Chapter 429.

33. Notice and Demands. Except as otherwise expressly provided in the Development Agreement, a notice, demand or other communication under this Agreement by either party to the other shall be sufficiently given or delivered if it is dispatched by registered or certified mail, postage prepaid, return receipt requested, or delivered personally; to the addresses as follows:

a. Developer — Odyssey Homes, Inc.
15390 Germanium St. NW
Ramsey, MN 55303

b. City — City of Isanti
City Administrator
P.O. Box 428
Isanti, MN 55040

Either party may designate an additional or another address upon giving notice to the other party pursuant to this paragraph.

34. Disclaimer of Relationship. Nothing contained in this Agreement or any Development Agreement nor any act by the City or the Developer shall be deemed or construed by any person to create any relationship of a third-party beneficiary, principal and agent, limited or general partner, or joint venture among the City, the Developer, and/or any third party.

35. Receipt Acknowledgment. The City shall acknowledge receipt of the funds received at the time the Development Agreement is signed.

36. Other Provisions

a. Modifications. The Development Agreement may be modified solely through written amendments hereto executed by the Developer and the City.

b. Counterparts. The Development Agreement may be executed in any number of counterparts, each one of which shall constitute one and the same instrument.

c. Judicial Interpretation. Should any provision of the Development Agreement require judicial interpretation, the court interpreting or construing the same shall not apply a presumption that the terms hereof shall be more strictly construed against one party by reason of the rule of construction that a document is to be construed more strictly against the party who itself of through its agent or attorney prepared the same, it being agreed that the agents and attorneys of both parties have participated in the preparation thereof.

d. Governing Law. The Development Agreement shall be construed under the laws of the State of Minnesota.

e. Severable Provisions. If any word, phrase, clause or part of this Agreement is found unenforceable, the balance of the Agreement shall remain in full force and effect.

The Remainder of this page is left intentionally blank.

IN WITNESS WHEREOF, the City and Developer have caused this Agreement to be duly executed on the day and year first above written.

IRREVOCABLE STANDBY LETTER OF CREDIT NO. 2400

TO: CITY OF ISANTI
110 1st Avenue North, P.O. Box 428
Isanti MN 55040

RE: Legacy Pines Preliminary Plat ("Project")

Great Southern Bank, a Missouri State Chartered Trust Company ("Issuer") hereby issues this Irrevocable Standby Letter of Credit (this "Letter of Credit") in your favor payable by us from time to time for up to an aggregate amount of US $2,113,889.51 at the request of and for the account of Odyssey Homes, Inc., a Minnesota corporation ("Developer").

This Letter of Credit guarantees Developer's satisfactory and timely construction or completion, as reasonably determined by the City of Isanti ("City"), of the "Developer Installed Municipal Improvements" described in the Legacy Pines Development Agreement dated as of November 8, 2018 entered into by and between the City and the Developer (collectively, the "Improvement Obligations") required to be completed in connection with the Project.

Funds under this Letter of Credit are available to you against one or more of your sight drafts drawn on us stating on their face, "Drawn under Standby Letter of Credit No. 2400, dated November 8, 2018, issued by Great Southern Bank" if accompanied by a certificate signed by an authorized official of the City stating that (a) there has been a default in the performance of the Improvement Obligations, and such default has not been cured within thirty (30) days of City's notice to Developer of such default, (b) the amount drawn is required by the City to complete certain of the Improvement Obligations, and (c) the amount drawn will be used by the City for those purposes.

Presentation of such drafts and certificates must be made at Issuer's offices at 7685 Zachary Ln, Maple Grove, Minnesota 55369, to the attention of: Carl Brandt (or such other officer, department or address designated in writing by us to you at your address shown above), on or before 2:00 p.m. on any business day on or before the expiration date hereof.

Multiple drawings under this Letter of Credit are permitted. Each drawing honored by the Issuer will reduce the amount available under this Letter of Credit. This Letter of Credit is not assignable.

This Letter of Credit will expire on November 8, 2019, unless earlier released by the City, provided that this Letter of Credit shall be automatically extended, without amendment, for up to three (3) successive one (1) year periods from the present or any future

DRAFT

expiration date unless not less than sixty (60) days before the then current expiration date the Issuer gives the City Administrator written notice by certified mail, overnight mail, or express courier that the Issuer has elected not to extend this Letter of Credit for such additional period. Upon receipt of said notice, the City is entitled to draw at sight, by presentment of a draft or drafts prior to the date of expiration hereof, up to the full aggregate amount as set forth herein, less any reductions. In any event, this Letter of Credit will expire no later than November 8, 2022. Upon expiration of this Letter of Credit, it must be delivered to the Issuer for cancellation.

By accepting this Letter of Credit, the City agrees to periodically reduce the aggregate amount of this Letter of Credit following each City inspection of each item comprising the Improvement Obligations, based upon and to the extent of the City's written verification of the completion of each such item.

Except as otherwise expressly stated herein, this Letter of Credit is governed by and issued subject to the International Standby Practices 1998 International Chamber of Commerce Publication No. 590 ("ISP98"). This Letter of Credit shall also be governed by the laws of the State of Minnesota, including the Minnesota Uniform Commercial Code, Minnesota Statutes Chapter 336, to the extent not inconsistent with ISP98).

Issuer hereby agrees that each draft drawn in compliance with this Letter of Credit will be duly honored upon presentation.

DRAFT

A Community For Generations.

Isanti

Request for City Council Action- MEMO

To: **Mayor Wimmer and Members of the City Council**
From: Josi Wood, Public Services Director/ Assistant City Admin
Date: November 7, 2018
Subject: Consider Resolution to Enter into an Agreement with Advanced Power Systems Inc. for Annual Generator Service

---

Background:
The City currently has a generator service contract with Cummins which expires November 30th, 2018. Service includes an annual inspection, annual full service and 2-hour load bank to ensure the generators are operating in good performance.

Staff has procured quotes from Cummins as well as Advanced Power Systems, Inc. to compare service and pricing. Pricing can be seen in the table below. Staff is recommending to enter into an agreement for 5 years with Advanced Power Systems, Inc for annual generator service.

The current budgeted amount for such annual service is $5,000.00 within Water/Sewer (112).

Vendor	Service	Coolant Service	Service Rates
Cummins	Trailer – $8,368.04 WTP - $9,604.05 WWTP - $8,582.22 5 yr Total - $26,554.31	Trailer - $1394.18 WTP – $2,250.53 WWTP – $1,399.60	Normal hours - $140/ hr After hours - $229/ hr
Advanced Power Systems, Inc.	Trailer - $6,867.00 WTP - $7,921.00 WWTP - $6,902.00 5 yr Total - $21,690.00	Trailer - $790.00 WTP - $900.00 WWTP - $790.00	Normal hours - $92/ hr After hours - $115/ hr

Finance Committee Recommendation:
The Finance Committee has reviewed the services quotes and recommends awarding the contract to Advanced Power Systems, Inc.

Request:
Staff is requesting action on this item.

Attachment:
- Resolution 2018-XXX

RESOLUTION NO. 2018-XXX

A RESOLUTION ENTERING INTO AN AGREEMENT WITH ADVANCED POWER SYSTEMS INC FOR ANNUAL GENERATOR SERVICE

WHEREAS, the City of Isanti has determined that it is in the City's best interest to seek proposals from qualified vendors to provide annual generator inspection service for preventative maintenance and for the longevity and reliability of the City's three (3) generators for a five (5) year period; and,

WHEREAS, two (2) quotes were received:

Vendor	Service	Coolant Service	Service Rates
Cummins	Trailer – $8,368.04 WTP - $9,604.05 WWTP - $8,582.22 5 yr Total - $26,554.31	Trailer - $1394.18 WTP – $2,250.53 WWTP – $1,399.60	Normal hours - $140/ hr After hours - $229/ hr
Advanced Power Systems, Inc.	Trailer - $6,867.00 WTP - $7,921.00 WWTP - $6,902.00 5 yr Total - $21,690.00	Trailer - $790.00 WTP - $900.00 WWTP - $790.00	Normal hours - $92/ hr After hours - $115/ hr

WHEREAS, the Finance Committee recommends entering into an agreement with Advanced Power Systems, Inc. for the level of service the City is seeking and cost; and,

WHEREAS, this is an annually budgeted expense within the Water and Sewer Fund – Contracted Services (112);

NOW THEREFORE BE IT RESOLVED by the City Council of the City of Isanti, Minnesota as follows:

1. The City Council hereby awards Annual Generator Services to Advanced Power Systems, Inc. as the vendor that best meets the needs of the City.
2. That the Public Services Director is hereby authorized to enter into an agreement with Advanced Power Systems, Inc. for service of the generators from December 1, 2018 to November 30, 2023 and for staff to prepare and sign documents as needed to execute this contract.
3. Funding for this service will be Water/Sewer – Contracted Services (112) as identified within the annual budget.

This resolution was duly adopted by the Isanti City Council this 7th day of November, 2018.

Attest:

Mayor George A. Wimmer

Katie Brooks
Human Resources / City Clerk

CITY OF ISANTI
PARKS, RECREATION, AND CULTURE BOARD
MEETING MINUTES
September 25, 2018
City Council Chambers

1. Meeting Opening.

A. Call to Order.
Zdon called the meeting to order at 6:00 p.m.

B. Pledge of Allegiance.
Everyone stood for the Pledge of Allegiance.

C. Roll Call.

Members Present:	Jennifer Garvey, Jeff Johnson, James Witte, Aaron Zdon, and Mayor Wimmer
Staff Present:	Katie Everett, Parks, Recreation, and Culture Manager
Others Present:	Jennifer Hawks, Lisa Johnson

D. Agenda Modifications.
Zdon asked if there were any agenda modifications; there were none. Motion by Witte, second by Johnson to approve the agenda for the September 25, 2018 Parks, Recreation, and Culture Board Meeting.

2. Approval of Minutes from August 28, 2018 Parks, Recreation, and Culture Board Meeting

Motion by Johnson; second by Witte. Minutes were unanimously approved.

3. Fir Street Parcel Options

Everett explained that she put together ideas for the parks might look like that the board discussed previously. The cost estimates are meant as a general guideline for how things compare. The board had talked about doing exercise equipment that we could potentially do at the same time as Academy Park. This option includes circuit training equipment, and there are obstacle course types of options. The set of equipment shown was about $30,000, freight ends up costing almost as much as the equipment, and then installation as well. It is slightly cheaper than playground equipment, but there are still moving pieces. Depending on how many pieces of equipment chosen, there would be a lot of variability on how that might actually turn out. Everett included a couple of options for types of pavilions. The community garden has a mesh fabric for shade instead of a metal or shingled roof. Those are getting to be really popular; they look really nice and provide shade with some protection from rain. There are options to get really fancy with the exercise equipment – you could pave trails between them and that kind of thing.

Everett made a couple of options for a multiuse court because there are a couple of different ways people were doing that. The first one you just make a bigger slab and have separate courts, and in the second one you make a slab big enough for a basketball court and tennis court fits on top of it, then you would stripe them in different colors. In that option, Everett recommends putting a fence around the sport court to keep the balls in the play area. The other park options might not need a fence at all. There is space for a pavilion with those options as well, if we decided we wanted that.

Everett stated that the last option is the casual-use, sort of a gathering space type of park. Included in this option is a bocce court that could be super simple. We could have Public Works make something, there are lots of tutorials out there. You can also get expensive, specific to bocce, surfacing if you want it. The bag toss that is included would be concrete. When Everett was researching she found lots of cool concrete ping pong tables and things. On the ping pong tables, instead of a fabric net, they have a metal piece that is stamped out with shapes. All of those options have very different prices as well.

At the memo, Everett included some other things that could be considered for any of the options. We would probably plant trees at any of the options, but based on the use you might plant different types or more or less trees. There is irrigation at Rum River Meadows, so in some of these options with bigger open spaces, that might be really important to do. If we're going to put a big court on it, there's probably not really a reason to irrigate the grass around it. Park signs are also included as a reminder that there are always other miscellaneous costs that come up. Right now, these are kind of just informative. Everett asked the board for comments.

Witte asked if with Option C (bag toss and bocce ball) patrons would have to provide their own. Everett stated that she saw a couple of options for that; what we could potential do is get a set of bean bags and as soon as they're gone, we don't replace them. There was one example Everett saw that they posted a "bring your own bags" sign, so that could also be an option.

Zdon said that they're all really awesome, and he thinks C could be really cool. Maybe we add another element too, he doesn't know if it would be ping pong or what it is. Everett stated that the board had also talked about having open space for pick up football and things too. Zdon said agreed, and said that if was laid out right we could even stripe something like 10 yard lines for fun. He added that it's feasible that you could put a lock box out there with bags, but then you're dealing with having to give out a code. Garvey agreed that she liked Option C with the green space and the shade structure. Zdon added that he thinks we would definitely want irrigation with the green space. Everett asked if with that type of we would want some type of fence on the boundary. Garvey said she doesn't like the idea of fencing. More of a natural fencing with trees and bushes would be preferred.

Witte said that he is torn between B1 [large court] and C, just because of the request for pickleball. Everett stated that there are lot of places that are striping tennis courts with pickleball lines. If we determine at some point that we need to have pickleball, that could be a way to do that too. Zdon added that we could also convert Whisper Ridge, and that's not that far from there either. We'd have to advertise it as a new pickleball court. Garvey agreed that she would rather see it go there. She added that down the road, since it's in a higher residential area than our current courts, we could get complaints of the balls bouncing at any hour could be an issue too. Witte asked if this park would be lighted. Everett stated that she thinks there's an electrical box out there, so we could potentially get lights. We don't have lights at most of our parks; which also helps the neighbors not have more light, and hopefully keeps people out of the park when it's dark too.

Everett stated that we'll just hold on to these for the file. At the point that we are ready to move forward with something, we can take a look and see if anything new has come up and narrow the prices in as well.

4. Legacy Park Update

Everett informed the board about planned development around Legacy Park. The map in the memo shows the park boundary which is really all that the City owns, however many residents think that the whole area is part of the park. The City is working with a developer who is looking at starting to develop that open space. Everett stated that she and Public Services Director/Assistant City Administrator Wood have already gotten calls from people curious about what was going on when there were people out doing surveys. Legacy Park is protected and not effected by what is going on. If all of the plans are approved, we will start to see things happen back there soon. Zdon added that it's going to be a great neighborhood, especially along the park side. Everett asked the board members to direct people to City Hall if they have questions. Zdon asked if there is any timeline. Wimmer stated that they are planning to put the road in on Phase 1, and he just called a special meeting because they're now going to put the road in on the eastern edge to connect up to 3rd by the soccer fields. That meeting will be October 2nd. They're look at Phase 2 being up to the area where our parking lot will be, and doing that in the spring. Garvey asked if there are specific markers designating where that parking lot is. Everett said that we'd have to get it surveyed and there isn't anything up there now. Wimmer stated when the road gets paved up to that point, the parking lot will get paved and it will be a defined lot. Garvey asked if in the interim it would be helpful to have some type of markers to help guide people. Wimmer said that we'll be able to answer that in the spring. If they won't be up that far, then yes, we would want to have a defined route. If they follow their plan, it will be there. Everett stated that it might be worth noting that on the park maps we are currently directing people from the south side of the ponds into the park, but that really is just an access easement and is not meant to be a trail. Zdon asked if this is considered a new development or if it's part of an old one – will there be Park Dedication funds? Wimmer said that there will be as each phase is approved there will be a development agreement. Right now

we're putting together the master development agreement, and then it will be completed in phases. The 21 acres for Legacy Park was part of the original agreement. When that land went into foreclosure, we worked with the bank to get that land to the City. We also worked with the development agreement so there's a mix of R3, higher density, closer to the soccer fields and R1 in the development.

5. Parks Updates

Everett stated that Farmers' Market season is done on Friday. She is making dinner for the last day and will get their feedback about what they thought about the season and what they think for next year. Early comments that she's gotten are that they wondering how to get more of them in, because they want more vendors. Part of that discussion needs to be if there is demand for that. If we invite more people in, is everyone still successful. Growing responsibly is important too. For the most part, things are going really well. Vendor numbers are up since we moved. It seems like we have had pretty consistent customers, and weather is always a factor.

Family Day at Legacy Park is coming up on October 6th. The Ambassadors are going to come out that day to help too. There will be a scavenger hunt, a s'mores station, and some areas where families can take pictures as well. It is a drop in event, and open to the public. It's the first time we're doing it, so we're trying to get the word out.

Movies start on October 19th. We are still looking for volunteer groups.

Curious Creatures is starting to kick off. In August we had a big turnout at Mattson Park and many of them came back for September at River Bluff. The next one is October 9th, and that's the first one that we'll be able, hopefully, to run at Bluebird. That's one of those places where people just happen to be a lot, so more people might see it and catch on. Wimmer added that at the one in September, the parents said that somebody had come and told them to come to the next one. It's good to see people pulling each other in. Everett agreed that word of mouth is kind of our best tool.

Everett stated that the last item are the tentative dates for 2019. The rodeo is a week later next year, so that kind of shifts us back a little bit. These will get confirmed once we get the budget set.

6. Adjournment

Motion by Witte, second by Garvey to adjourn the September 25, 2018 meeting of the Parks, Recreation, and Culture Board. Motion was approved.

The meeting adjourned at 6:23 p.m.

Dated at Isanti, Minnesota this 25th day of September, 2018.

Respectfully submitted,

Katie Everett

Katie Everett
Parks, Recreation, and Culture Manager

CITY OF ISANTI
SPECIAL PLANNING COMMISSION MINUTES
OCTOBER 2, 2018

K.3.

1. Meeting Opening.

A. Call to Order.

Chairman Wimmer called the meeting to order at 7:15 p.m.

B. Pledge of Allegiance.

The Pledge of Allegiance was recited.

C. Roll Call.

Members Present: George Wimmer, Ross Lorinser, Paul Bergley, Dan Collison Joey Lemay, Arissya Simon.

Members Absent: Steve Lundeen.

Staff Present: Ryan Kernosky, Community Development Director; Clark Joslin, City Attorney

1D. Agenda Modifications.

Director Kernosky stated that there were no agenda modifications

2. Approval of the Agenda

Motion by Lorinser, seconded by Collison to adopted the agenda, approved unanimously.

3. Approval of the Minutes from the September 18, 2018 Planning Commission

Motion by Bergley, seconded by Lorinser to approve the minutes from the September 18, 2018 Planning Commission meeting, approved unanimously.

4. Consideration of: Request from Odyssey Homes, Inc for approval of the Final Plat of Legacy Pines Subdivision for the land legally described as Outlot B, Villages on the Rum Third Addition 2nd Replat Park Addition, Isanti County, Minnesota

Director Kernosky stated that this was the final plat approval of the Legacy Pines subdivision. He stated that the Planning Commission had expressed concerns regarding the connection of Moline Loop NW to Third Ave NW and that the applicant had made a change in the final plat and has added five additional lots to the final plat from the preliminary plat. Kernosky also stated that there was an amended resolution passed out to Commissioners regarding concern about early grading. Kernosky stated that the City is requiring a $36,600 stabilization escrow before any grading is done. Kernosky stated that the final plat meets the conditions stipulated in the preliminary plat resolution.

Motioned by Lorinser, seconded by Collision to approve with staff conditions. Motion passed unanimously.

5. Public Hearings

None

6. Discussion Items

None

7. Adjournment

Motion by Bergley, second by to Lorinser to adjourn the October 2, 2018 meeting of the Planning Commission. Motion was unanimously approved. The meeting adjourned at 7:18 p.m.

Dated at Isanti, Minnesota this 5th day of October, 2018.

Respectfully submitted,

Ryan Kernosky
Community Development Director

RESOLUTION NO. 2018-XXX

A RESOLUTION AUTHORIZING STAFF TO ENTER INTO AN AGREEMENT WITH CRAWFORD'S EQUIPMENT FOR THE EQUIPMENT BUYBACK PROGRAM

WHEREAS, the City of Isanti has determined that it is in the city's best interest to continue with the annual buyback of two skid steer units and enter into an agreement with Crawford's Equipment, Inc.; and,

WHEREAS, quotations were received from Crawford's Equipment, Inc. to trade-in the two Bobcat S550's; and,

WHEREAS, Finance Committee has reviewed the Equipment Buyback Program offered by Crawford's Equipment, Inc. and recommends the annual trade-in of the City's two Bobcat Skid Steer units; and,

WHEREAS, this resolution supersedes prior resolutions;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota that the City is hereby authorized to enter into an agreement with Crawford's Equipment, Inc. for the annual trade-in (buyback) of the two Skid Steer units at an annual cost of $5,400.00 from the City's General Fund Streets Operating Fund.

This resolution was duly adopted by the Isanti City Council this 7th day of November, 2018.

Request for City Council Action- MEMO

To. **Mayor Wimmer and Members of City Council**

From: Finance Director Betker

Date: November 7th 2018

Subject: Resolution Approving 2018 Audit Engagement Letter

Background:
Resolution 2016-298 designated Abdo, Eick & Meyers, LLP as the City's audit firm for 2018. The attached audit engagement letter documents and confirms the auditor's acceptance of the appointment, the objective and scope of the audit, the extent of the auditor's responsibilities to the client and the form of any reports.

Finance Director Betker has reviewed the engagement letter and is recommending acceptance.

Request:
Consider resolution approving engagement letter for 2018 audit.

Management, Honorable Mayor and City Council
City of Isanti
Isanti, Minnesota

We are pleased to confirm our understanding of the services we are to provide the City of Isanti (the City) for the year ended December 31, 2018. We will audit the financial statements of the governmental activities, the business-type activities, each major fund and the aggregate remaining fund information, including the related notes to the financial statements, which collectively comprise the basic financial statements of the City as of and for the year ended December 31, 2018. Accounting standards generally accepted in the United States of America provide for certain required supplementary information (RSI), such as management's discussion and analysis (MD&A), to supplement the City's basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. As part of our engagement, we will apply certain limited procedures to the City's RSI in accordance with auditing standards generally accepted in the United States of America. These limited procedures will consist of inquiries of management regarding the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We will not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance. The following RSI is required by generally accepted accounting principles and will be subjected to certain limited procedures, but will not be audited:

1) Management's Discussion and Analysis
2) Schedule of Funding Progress and Employer's Contributions
3) Schedule of Net OPEB Liability, Employer's Contributions and Investment Returns

We have also been engaged to report on supplementary information other than RSI that accompanies the City's financial statements. We will subject the following supplementary information to the auditing procedures applied in our audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America, and we will provide an opinion on it in relation to the financial statements as a whole, in a report combined with our auditor's report on the financial statements:

1) Combining and Individual Fund Financial Statements and Schedules
2) Summary Financial Report - Revenues and Expenditures for General Operations - Governmental Funds

The following other information accompanying the financial statements will not be subjected to the auditing procedures applied in our audit of the financial statements, and our auditor's report will not provide an opinion or any assurance on that other information.

1) Introductory Section

Audit Objectives

The objective of our audit is the expression of opinions as to whether your financial statements are fairly presented, in all material respects, in conformity with U.S. generally accepted accounting principles and to report on the fairness of the supplementary information referred to in the second paragraph when considered in relation to the financial statements as a whole. Our audit will be conducted in accordance with auditing standards generally accepted in the United States of America and the standards for financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, and will include tests of the accounting records of the City and other procedures we consider necessary to enable us to express such opinions. We will issue a written report upon completion of our audit of the City's financial statements. Our report will be addressed to the City Council of the City. We cannot provide assurance that unmodified opinions will be expressed. Circumstances may arise in which it is necessary for us to modify our opinions or add emphasis-of-matter or other-matter paragraphs. If our opinions are other than unmodified, we will discuss the reasons with you in advance. If, for any reason, we are unable to complete the audit or are unable to form or have not formed opinions, we may decline to express opinions or issue reports, or may withdraw from this engagement.

We will also provide a report (that does not include an opinion) on internal control related to the financial statements and compliance with the provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a material effect on the financial statements as required by *Government Auditing Standards*. The report on internal control and on compliance and other matters will include a paragraph that states (1) that the purpose of the report is solely to describe the scope of testing of internal control and compliance, and the results of that testing, and not to provide an opinion on the effectiveness of the City's internal control on compliance, and (2) that the report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City's internal control and compliance. The paragraph will also state that the report is not suitable for any other purpose. If during our audit we become aware that the City is subject to an audit requirement that is not encompassed in the terms of this engagement, we will communicate to management and those charged with governance that an audit in accordance with U.S. generally accepted auditing standards and the standards for financial audits contained in *Government Auditing Standards* may not satisfy the relevant legal, regulatory, or contractual requirements.

Audit Procedures - General

An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements; therefore, our audit will involve judgment about the number of transactions to be examined and the areas to be tested. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. We will plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations that are attributable to the government or to acts by management or employees acting on behalf of the government. Because the determination of abuse is subjective, *Government Auditing Standards* do not expect auditors to provide reasonable assurance of detecting abuse.

Because of the inherent limitations of an audit, combined with the inherent limitations of internal control, and because we will not perform a detailed examination of all transactions, there is a risk that material misstatements may exist and not be detected by us, even though the audit is properly planned and performed in accordance with U.S. generally accepted auditing standards and *Government Auditing Standards*. In addition, an audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the financial statements. However, we will inform the appropriate level of management of any material errors, fraudulent financial reporting, or misappropriation of assets that come to our attention. We will also inform the appropriate level of management of any violations of laws or governmental regulations that come to our attention, unless clearly inconsequential, and of any material abuse that comes to our attention. Our responsibility as auditors is limited to the period covered by our audit and does not extend to later periods for which we are not engaged as auditors.

Our procedures will include tests of documentary evidence supporting the transactions recorded in the accounts, and may include tests of the physical existence of inventories, and direct confirmation of receivables and certain other assets and liabilities by correspondence with selected individuals, funding sources, creditors, and financial institutions. We will request written representations from your attorneys as part of the engagement, and they may bill you for responding to this inquiry. At the conclusion of our audit, we will require certain written representations from you about your responsibilities for the financial statements; compliance with laws, regulations, contracts, and grant agreements; and other responsibilities required by generally accepted auditing standards.

Audit Procedures - Internal Control

Our audit will include obtaining an understanding of the government and its environment, including internal control, sufficient to assess the risks of material misstatement of the financial statements and to design the nature, timing, and extent of further audit procedures. Tests of controls may be performed to test the effectiveness of certain controls that we consider relevant to preventing and detecting errors and fraud that are material to the financial statements and to preventing and detecting misstatements resulting from illegal acts and other noncompliance matters that have a direct and material effect on the financial statements. Our tests, if performed, will be less in scope than would be necessary to render an opinion on internal control and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to *Government Auditing Standards*.

An audit is not designed to provide assurance on internal control or to identify significant deficiencies or material weaknesses. Accordingly, we will express no such opinion. However, during the audit, we will communicate to management and those charged with governance internal control related matters that are required to be communicated under AICPA professional standards and *Government Auditing Standards*.

Audit Procedures - Compliance

As part of obtaining reasonable assurance about whether the financial statements are free of material misstatement, we will perform tests of the City's compliance with the provisions of applicable laws, regulations, contracts, agreements, and grants. However, the objective of our audit will not be to provide an opinion on overall compliance and we will not express such an opinion in our report on compliance issued pursuant to *Government Auditing Standards*.

Other Services

We will prepare a general ledger trial balance for use during the audit. Our preparation of the trial balance will be limited to formatting information in the general ledger into a working trial balance. As part of the audit, we will assist with preparation of your financial statements and related notes. You will be required to acknowledge in the written representation letter our assistance with preparation of the financial statements and that you have reviewed and approved the financial statements and related notes prior to their issuance and have accepted responsibility for them. We will also use the financial statements to complete the Office of the State Auditors' Reporting Forms. We will also enter the current year capital asset transactions into our software based on information you provide. These nonaudit services do not constitute and audit under *Government Auditing Standards* and such services will not be conducted in accordance with *Government Auditing Standards*. We will perform the services in accordance with applicable professional standards. The other services are limited to the financial statement services previously defined. We, in our sole professional judgment, reserve the right to refuse to perform any procedure or take any action that could be construed as assuming management responsibilities.

Management Responsibilities

Management is responsible for designing, implementing, establishing and maintaining effective internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error, including evaluating and monitoring ongoing activities, to help ensure that appropriate goals and objectives are met; following laws and regulations; and ensuring that management and financial information is reliable and properly reported. Management is also responsible for implementing systems designed to achieve compliance with applicable laws, regulations, contracts, and grant agreements. You are also responsible for the selection and application of accounting principles, for the preparation and fair presentation of the financial statements and all accompanying information in conformity with U.S. generally accepted accounting principles, and for compliance with applicable laws and regulations and the provisions of contracts and grant agreements.

Management is also responsible for making all financial records and related information available to us and for the accuracy and completeness of that information. You are also responsible for providing us with (1) access to all information of which you are aware that is relevant to the preparation and fair presentation of the financial statements, (2) additional information that we may request for the purpose of the audit, and (3) unrestricted access to persons within the government from whom we determine it necessary to obtain audit evidence.

Your responsibilities include adjusting the financial statements to correct material misstatements and for confirming to us in the written representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements taken as a whole.

You are responsible for the design and implementation of programs and controls to prevent and detect fraud, and for informing us about all known or suspected fraud affecting the government involving (1) management, (2) employees who have significant roles in internal control, and (3) others where the fraud could have a material effect on the financial statements. Your responsibilities include informing us of your knowledge of any allegations of fraud or suspected fraud affecting the City received in communications from employees, former employees, grantors, regulators, or others. In addition, you are responsible for identifying and ensuring that the government complies with applicable laws, regulations, contracts, agreements, and grants and for taking timely and appropriate steps to remedy fraud and noncompliance with provisions of laws, regulations, contracts or grant agreements, or abuse that we report.

You are responsible for the preparation of the supplementary information, which we have been engaged to report on, in conformity with U.S. generally accepted accounting principles. You agree to include our report on the supplementary information in any document that contains and indicates that we have reported on the supplementary information. You also agree to include the audited financial statements with any presentation of the supplementary information that includes our report thereon. Your responsibilities include acknowledging to us in the written representation letter that (1) you are responsible for presentation of the supplementary information in accordance with GAAP; (2) you believe the supplementary information, including its form and content, is fairly presented in accordance with GAAP; (3) the methods of measurement or presentation have not changed from those used in the prior period (or, if they have changed, the reasons for such changes); and (4) you have disclosed to us any significant assumptions or interpretations underlying the measurement or presentation of the supplementary information.

Management is responsible for establishing and maintaining a process for tracking the status of audit findings and recommendations. Management is also responsible for identifying and providing report copies of previous financial audits, attestation engagements, performance audits or other studies related to the objectives discussed in the Audit Objectives section of this letter. This responsibility includes relaying to us corrective actions taken to address significant findings and recommendations resulting from those audits, attestation engagements, performance audits, or other studies. You are also responsible for providing management's views on our current findings, conclusions, and recommendations, as well as your planned corrective actions, for the report, and for the timing and format for providing that information. With regard to the electronic dissemination of audited financial statements, including financial statements published electronically on your website, you understand that electronic sites are a means to distribute information and, therefore, we are not required to read the information contained in these sites or to consider the consistency of other information in the electronic site with the original document.

You agree to assume all management responsibilities relating to the financial statements and related notes and any other nonaudit services we provide. You will be required to acknowledge in the management representation letter our assistance with preparation of the financial statements and related notes and that you have reviewed and approved the financial statements and related notes prior to their issuance and have accepted responsibility for them. Further, you agree to oversee the nonaudit services by designating an individual, preferably from senior management, with suitable skill, knowledge, or experience; evaluate the adequacy and results of those services; and accept responsibility for them.

Engagement Administration, Fees, and Other

We may from time to time, and depending on the circumstances, use third-party service providers in serving your account. We may share confidential information about you with these service providers, but remain committed to maintaining the confidentiality and security of your information. Accordingly, we maintain internal policies, procedures, and safeguards to protect the confidentiality of your personal information. In addition, we will secure confidentiality agreements with all service providers to maintain the confidentiality of your information and we will take reasonable precautions to determine that they have appropriate procedures in place to prevent the unauthorized release of your confidential information to others. In the event that we are unable to secure an appropriate confidentiality agreement, you will be asked to provide your consent prior to the sharing of your confidential information with the third-party service provider. Furthermore, we will remain responsible for the work provided by any such third-party service providers.

We understand that your employees will prepare all cash, accounts receivable, or other confirmations we request and will locate any documents selected by us for testing.

We will provide copies of our reports to the City; however, management is responsible for distribution of the reports and the financial statements. Unless restricted by law or regulation, or containing privileged and confidential information, copies of our reports are to be made available for public inspection.

The audit documentation for this engagement is the property of Abdo, Eick & Meyers, LLP and constitutes confidential information. However, subject to applicable laws and regulations, audit documentation and appropriate individuals will be made available upon request and in a timely manner to any Regulator or its designee, a federal agency providing direct or indirect funding, or the U.S. Government Accountability Office for purposes of a quality review of the audit, to resolve audit findings, or to carry out oversight responsibilities. We will notify you of any such request. If requested, access to such audit documentation will be provided under the supervision of Abdo, Eick & Meyers, LLP personnel. Furthermore, upon request, we may provide copies of selected audit documentation to the aforementioned parties. These parties may intend, or decide, to distribute the copies or information contained therein to others, including other governmental agencies.

The audit documentation for this engagement will be retained for a minimum of five years after the report release date or for any additional period requested by the Regulator. If we are aware that a federal awarding agency or auditee is contesting an audit finding, we will contact the party(ies) contesting the audit finding for guidance prior to destroying the audit documentation.

We expect to begin our audit in approximately February 2019 and to issue our reports no later than June 30, 2019. Steven R. McDonald, CPA is the engagement partner and is responsible for supervising the engagement and signing the reports or authorizing another individual to sign them.

Our fee for these services will be as follows:

Audit	$ 28,150
GASB 75 Implementation	1,000
2018 Office of the State Auditor's Reporting Form	700
Total	$ 29,850

You may also be billed for travel and other out-of-pocket costs such as report production, typing, postage, etc if not included in the fee listed above. The fee is based on anticipated cooperation from your personnel and the assumption that unexpected circumstances will not be encountered during the engagement. If significant additional time is necessary, we will discuss it with you and arrive at a new fee before we incur the additional costs. Our invoices for these fees will be rendered each month as work progresses and are payable on presentation. Amounts not paid within 30 days from the invoice date will be subject to a late payment charge of .66 percent per month (8 percent per year). If for any reason the account is turned over to collections, additional fees will be added to cover collections cost. In accordance with our Firm policies, work may be suspended if your account becomes 60 days or more overdue and will not be resumed until your account is paid in full. If we elect to terminate our services for nonpayment, our engagement will be deemed to have been completed upon written notification of termination, even if we have not completed your audit. You will be obligated to compensate us for all time expended and to reimburse us for all out-of-pocket expenditures through the date of termination.

Except in the event of your failure to make a payment when due, in the event of a dispute related in any way to our services, our Firm and you agree to discuss the dispute and, if necessary, to promptly mediate in a good faith effort to resolve. We will agree on a mediator, but if we cannot, either of us may apply to a court having personal jurisdiction over the parties for appointment of a mediator. We will share the mediator's fees and expenses equally, but otherwise will bear our own attorneys' fees and mediation cost. Participation in such mediation shall be a condition to either of us initiating litigation. In order to allow time for the mediation, any applicable statute of limitations shall be tolled for a period not to exceed 120 days from the date either of us first requests in writing to mediate the dispute. The mediation shall be confidential in all respects, as allowed or required by law, except our final settlement positions at mediation shall be admissible in litigation solely to determine the prevailing party's identify for purposes of the award of attorneys' fees. In the event you fail to make a payment for services or to reimburse for costs advanced by the Firm on your behalf, the Firm reserves the right to take all legally permissible action, including commencement of litigation in lieu of mediation, and shall have the right to collect its costs, including reasonable attorney's fees, incurred in any such collection or litigation activities.

Government Auditing Standards require that we provide you with a copy of our most recent external peer review report and any letter of comment, and any subsequent peer review reports and letters of comment received during the period of the contract. Our 2017 Peer Review Report accompanies this letter.

We appreciate the opportunity to be of service to the City and believe this letter accurately summarizes the significant terms of our engagement. If you have any questions, please let us know. If you agree with the terms of our engagement as described in this letter, please electronically sign this letter.

Sincerely,

Abdo Eick & Meyers, LLP

ABDO, EICK & MEYERS, LLP

Title:

BRADY MARTZ

CERTIFIED PUBLIC ACCOUNTANTS AND CONSULTANTS

REPORT ON THE FIRM'S SYSTEM OF QUALITY CONTROL

January 30, 2018

To the Partners of
Abdo, Eick and Meyers, LLP
and the Peer Review Committee of the Minnesota Society
of Certified Public Accountants

We have reviewed the system of quality control for the accounting and auditing practice of Abdo, Eick & Meyers, LLP (the firm) in effect for the year ended May 31, 2017. Our peer review was conducted in accordance with the Standards for Performing and Reporting on Peer Reviews established by the Peer Review Board of the American Institute of Certified Public Accountants (Standards).

A summary of the nature, objectives, scope, limitations of, and the procedures performed in a System Review as described in the Standards may be found at www.aicpa.org/prsummary. The summary also includes an explanation of how engagements identified as not performed or reported in conformity with applicable professional standards, if any, are evaluated by a peer reviewer to determine a peer review rating.

Firm's Responsibility

The firm is responsible for designing a system of quality control and complying with it to provide the firm with reasonable assurance of performing and reporting in conformity with applicable professional standards in all material respects. The firm is also responsible for evaluating actions to promptly remediate engagements deemed as not performed or reported in conformity with professional standards, when appropriate, and for remediating weaknesses in its system of quality control, if any.

Peer Reviewer's Responsibility

Our responsibility is to express an opinion on the design of the system of quality control and the firm's compliance therewith based on our review.

Required Selections and Considerations

Engagements selected for review included engagements performed under *Government Auditing Standards*, including a compliance audit under the Single Audit Act; audits of employee benefit plans, an audit performed under FDICIA and an examination of a SOC 2 service organization.

As a part of our peer review, we considered reviews by regulatory entities as communicated by the firm, if applicable, in determining the nature and extent of our procedures.

Opinion

In our opinion, the system of quality control for the accounting and auditing practice of Abdo, Eick & Meyers, LLP in effect for the year ended May 31, 2017, has been suitably designed and complied with to provide the firm with reasonable assurance of performing and reporting in conformity with applicable professional standards in all material respects. Firms can receive a rating of *pass*, *pass with deficiency(ies)* or *fail*. Abdo, Eick & Meyers, LLP has received a peer review rating of *pass*.

Subject: Woodland Development – Proposed Transfer of Outlot Ownership

---

The City has been contacted by Pam Westlund, CEO of Woodland Development to see if the City of Isanti is interested in obtaining ownership of Outlot C in Savannah Run (PID 161170420 - see attached map). The outlot is 7.79 acres in size and is being used for drainage purposes (adjoins wetlands) and has a stub for extension of Marion Street SE. The City had previously accepted the two other outlets in this subdivision (i.e. drainage purposes). Woodland Development is proposing to deed the property to the City. They will take care of current taxes on the parcel. The City would have the cost of preparing and recording the deed. The City Attorney has reviewed the parcel/title. DOAC is recommending City acceptance of the proposed land donation. A resolution has been prepared for your consideration (see attached).

RESOLUTION 2018-xxx

ACCEPTING DONATION OF REAL PROPERTY

WHEREAS, the City of Isanti is authorized to accept donations of real and personal property pursuant to Minnesota Statutes Section 465.03 for the benefit of its citizens, and is specifically authorized to accept gifts; and,

WHEREAS, Tax Identification Parcel No. 161170420, Outlot C (the "Property") is currently owned by Woodland Development Corporation (the "Owner") and is undeveloped with wetlands and provides drainage and green space for the eastern side of the Savannah Run Subdivision; and,

WHEREAS, the City was contacted by the Owner regarding the Property with the intent to donate the Property to the City of Isanti with no terms or conditions; and,

WHEREAS, the City Attorney has conducted a title check to verify that there are no encumbrances, outstanding liens or mortgages filed on the Property; and

WHEREAS, There are no outstanding special assessments and the Owner intends to pay the property taxes on the property prior to transfer of ownership to the City, and,

WHEREAS, the Development, Operations and Advisory Committee has reviewed this matter and finds that it is appropriate to recommend acceptance of the donation offered:

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to authorize acceptance of the donation of land with the following conditions and direction:

1) City Staff is directed to work with the City Attorney and Owner to complete the donation of the Property.
2) The City Attorney is authorized to prepare a quit claim deed for transfer of the property.
3) The deed will be filed after verification of payment of outstanding property taxes by Woodland Development Corporation. The City will pay the costs to file and record the deed.

This Resolution hereby approved by the Isanti City Council this 7th day of November, 2018.

From: Chief Gene C. Hill

Date: October 29, 2018

Subject: Reserve Officer Andrew Sammis Resignation

MEMO

Background:

I received a resignation letter from Reserve Officer Andrew Sammis. Mr. Sammis has become a licensed part-time deputy with Isanti County. His resignation letter is attached.

Action:

I ask that the City Council take action on accepting the resignation of Reserve Officer Andrew Sammis who is resigning in good standing and to authorize the Chief of Police to fill the vacancy.

Thank you for your consideration,

Chief Gene C. Hill

RESOLUTION NO. 2018-XXX

RESOLUTION ACCEPTING RESERVE OFFICER ANDREW SAMMIS LETTER OF RESIGNATION

WHEREAS, Reserve Officer Andrew Sammis has submitted a letter of resignation to the City of Isanti and was received by the Chief of Police Gene C. Hill on October 18, 2018; and,

WHEREAS, the effective date of this resignation is October 18, 2018; and,

WHEREAS, Mr. Sammis has left the Isanti Police Reserve unit in good standing; and,

NOW THEREFORE BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ISANTI, MINNESOTA as follows:

1. That the resignation of Reserve Officer Andrew Sammis is hereby accepted.
2. That the Chief of Police is authorized to fill the vacancy.

This resolution was duly adopted by the Isanti City Council this 7th day of November, 2018.

Subject: Vehicle Forfeiture ICR#18003692
2006 Hyundai Sonata VIN#5NPEU46F36H013169

Background:

The City of Isanti through its Police Department have lawfully seized and forfeited a 2006 Hyundai Sonata. The City of Isanti holds clear title on this vehicle.

Action:

The City Council through resolution has approved the sale of forfeited vehicles at Pikes Auction of Princeton, Mn. I am requesting the Council review and approve the sale of this vehicle at the next public auction held on December 8, 2017. Pikes Auction will advertise this vehicle.

The proceeds of this sale will be deposited into the Isanti Police Department Forfeiture Fund.

Thank you for your consideration,

Chief Gene C. Hill

RESOLUTION 2018- XXX

RESOLUTION APPROVING TO SELL THE FORFEITED 2006 HYUNDAI SONATA AT PUBLIC AUCTION

WHEREAS, the police department lawfully seized and forfeited a 2006 Hyundai Sonata because of DUI arrest; and

WHEREAS, state statute permits the sale of such vehicles under Mn. §169A.63; and

WHEREAS, the proceeds from such sale must be designated for limited use by the governmental authority to promote public safety; and

WHEREAS, the vehicle is not viable for use by the City of Isanti by any department; and

WHEREAS, the next public auction is December 8, 2018 at Wayne Pike Auction in Princeton, Mn.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Isanti, Minnesota, to hereby approve the sale of such vehicle at public auction and the proceeds to be deposited into the Isanti Police Department Forfeiture Fund.

This Resolution is approved by the City of Isanti Council this 7th Day of November, 2018.

Subject: Council Chamber Electrical Work – Lighting Controls

The Crestron electronic controls for the lighting in the City Council Chambers have required increased maintenance in the past two years. They are at the point now where they are not reliable and cannot be maintained in a cost-effective manner. With the urgency to have consistent lighting for the chambers, staff consulted with our contracted Electrician and obtained a quote of $1,000.00 for this work. The project was reviewed by the Finance Committee. With their recommendation and the need to have the system fixed, staff has proceeded to have the lighting controls changed to a standard hard-wired system. Attached is the resolution for this project.

RESOLUTION 2018-xxx

A RESOLUTION TO APPROVE ELECTRICAL WORK IN THE CITY COUNCIL CHAMBERS

WHEREAS, the electronic lighting system in the City Council Chambers has required increased maintenance as system controls have aged, provide unreliable service; and cannot be cost effectively serviced; and,

WHEREAS, staff is recommending changing the lighting system controls to a standard hard wired system; and,

WHEREAS, the electrical estimate from the City's contracted electrician, Isanti Electric Inc., for electrical upgrades in the amount of $1,000.00; and,

WHEREAS, the total estimate, including 5% contingency, is $1,050.00; and,

WHEREAS, the funding will be provided by budget amendment, decreasing budgeted expenditures to 101-41110-208 (Council; Training and Instruction) and increasing budgeted expenditures to 101-41110-305 (Council; Technology) in offsetting amounts; and,

WHEREAS, the Finance Committee has reviewed the proposed lighting system change and recommends approval as outlined per this Resolution;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to approve electrical work on the lighting system in the City Council Chambers and authorize the Finance Director to make the necessary budget adjustments based on actual final cost.

This Resolution is hereby approved by the Isanti City Council this 7th day of November, 2018.

Request for City Council Action

To: Mayor Wimmer and Members of City Council
From: Finance Director Betker
Date: November 7th, 2018
Subject: Certification of Delinquent Charges to be Payable in 2019

Background:
Unpaid delinquent charges for city services (Attachment A) and nuisance abatement (Attachment B) are listed as of November 1st 2018. Pursuant to City Code the attached delinquent charges may be certified as unpaid and delinquent to the County Auditor. Final assessment amounts are to include a $30 assessment fee per account per parcel.

Current Action:
Consider resolution certifying the delinquent amounts (Attachments A & B) to Isanti County to be collected with taxes paid in 2019.

RESOLUTION NO. 2018-XXX

RESOLUTION APPROVEING CERTIFICATION OF DELINQUENT CHARGES FOR CITY SERVICES AND UNPAID NUISANCE ABATEMENT CHARGES PAYABLE IN 2019

WHEREAS, pursuant to City Code § 260-10.B. and § 325-7.C., all accounts more than 30 days past due as of September 30, 2018, and the same having been properly billed to the owner or occupant of the premises served, may be certified by the City Clerk as unpaid and delinquent to the County Auditor; and

WHEREAS, pursuant to City Code § 216-7 Recovery of Cost, B. Assessment, all accounts past due for year 2018, and the same having been properly billed to the owner or occupant of the premises served, may be certified by the City Clerk as unpaid and delinquent to the County Auditor.

NOW THEREFORE BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ISANTI, MINNESOTA AS FOLLOWS:

1. That the list of delinquent charges for city services (Attachment 'A'), a copy of which is attached hereto and made a part hereof, identifies the amount of the delinquent water, sewer, and storm, snow removal and lawn abatement charges that are to be levied against said properties for taxes payable year 2019.

2. That the unpaid charges for nuisance abatement (Attachment 'B'), a copy of which is attached hereto and made a part hereof, identifies the amount of unpaid nuisance abatement charges that are to be levied against said properties for taxes payable year 2019.

3. The City Clerk shall forthwith transmit a certified duplicate of these listings (delinquent charges for city services and unpaid charges for nuisance abatement) to the county auditor to be extended on the property tax lists of the county. Such assessments shall be collected and paid over in the same manner as other municipal taxes.

This resolution was duly adopted by the Isanti City Council this 7th day of November 2018.

Community Development Director

CITY OF ISANTI
PARKS, RECREATION, AND CULTURE BOARD
MEETING MINUTES
October 23, 2018
City Council Chambers

1. Meeting Opening.

A. Call to Order.
Zdon called the meeting to order at 6:00 p.m.

B. Pledge of Allegiance.
Everyone stood for the Pledge of Allegiance.

C. Roll Call.

Members Present:	Jennifer Garvey, Jeff Johnson, James Witte, Aaron Zdon, and Mayor Wimmer
Staff Present:	Katie Everett, Parks, Recreation, and Culture Manager
Others Present:	Lisa Johnson

D. Agenda Modifications.
Zdon asked if there were any agenda modifications; there were none. Motion by Wimmer, second by Witte to approve the agenda for the October 23, 2018 Parks, Recreation, and Culture Board Meeting.

2. Approval of Minutes from September 25, 2018 Parks, Recreation, and Culture Board Meeting

Motion by Wimmer; second by Witte. Minutes were unanimously approved.

3. Family Day Recap

Everett stated that there are pictures included in the agenda packet, and the event went really well. Being the first time doing this event, we didn't know what to expect, but Everett's best guess is that we had about 100 people come through. The event included mostly self-guided activities. The Ambassadors were there to help guide people and take pictures at the photo booth. It sounded like most people had them take pictures with their phones, but we had our camera out there too for people that didn't have a phone or wanted a higher quality photo. Everett had about 15 families that she emailed pictures to afterward. The s'more station was the open space at the bottom of the stairs and there was a nature hike with scavenger hunt activity for kids. In casual crowd polls with people at the s'mores station, Everett would guess that at least half of the people had never been there, and many had never heard of the park before. It was really an all missions accomplished event. Zdon added that the s'mores station was great, and when he was there there had to be at least 20 people there. Everett said that for this year, the event was from 3:00-7:00 so it was around sunset for pictures, and after about 6:00 pm we didn't see a whole lot of people, but before that there were around 20 people at the s'mores station the whole time.

4. Parks Updates

Everett shared that the first movie night went really well and we had 55 people come. Some of them were there with Boy Scouts, but many were there on their own. We handed out schedules to everyone, so hopefully we see them all again. We still have volunteer opening for every night except for April. Everett has sent the information to the principals at all of the schools, and she is reconnecting with other groups who have done it before.

Everett also stated that the Legacy Pines development has been approved. We will do our best to make sure that while that's happening everyone can still get to the park. She reminded the board members to send people to City staff if they have questions as they start seeing construction. So far, all Everett had only seen some tree clearing in the development. When she drove by earlier she noticed the graders are out there, but they haven't done anything yet. Zdon asked if there's anything in the papers about it yet. Wimmer stated that it was covered when it was discussed at Council, and a number of people who live out there attended that meeting. Unfortunately, there are a lot of nonsensical rumors going around, but it has always been proposed as R1 on that side. Zdon added that he didn't know if maybe we could do an article in the paper stating that a development is going in and showing the

plat, because there's a lot of misinformation about the housing sizes and how people are going to get to the park. Everett added that she is also working on the Winter edition of the Isantian, so we can maybe put something in there too if there's space. Garvey added that she agrees with having more information, maybe even on the board that's out there, showing people how they can access the park during construction. Wimmer stated that per the agreement it will be accessible at all times, and agreed that it would be a good idea to put something out that shows what the development will look like and how to get through it.

Everett added some last notes about the season change over for parks: the dock is out at River Bluff and the community garden is tilled under. Public Works also tilled the mulch and we'll get new mulch next year, and they already added in the new row for next spring. Next month she will give an update about all of the projects that were completed this year.

5. Adjournment

Motion by Witte, second by Johnson to adjourn the October 23, 2018 meeting of the Parks, Recreation, and Culture Board. Motion was approved.

The meeting adjourned at 6:08 p.m.

Dated at Isanti, Minnesota this 23rd day of October, 2018.

Respectfully submitted,

Katie Everett

Katie Everett
Parks, Recreation, and Culture Manager

MEMO

To: Mayor Wimmer & City Council

From: Katie Brooks, Human Resources/City Clerk

Date: December 4th, 2018

Subject: Authorizing Police Department to Accept the Knights of Columbus Winter Coat Donation for Children of Need

---

Non- Profit Origination member, Rick Dassinger from Knights of Columbus, has offered annual donation of winter coats to be accepted by the Isanti Police Department for distribution to children in need for the Isanti School District. This benefit of coat donation is a significant benefit to the City of Isanti and provides service to those in need to stay warm over the winter. The identity of the recipients of families will be protected for confidentially.

The Isanti Police Department would like to allow the local newspaper to be present at the time of donation at the police station.

The resolution is attached for your consideration.

RESOLUTION 2018-XXX

AUTHORIZING POLICE DEPARTMENT TO ACCEPT THE KNIGHTS OF COLUMBUS WINTER COAT DONATION FOR CHILDREN OF NEED IN THE ISANTI SCHOOLS

WHEREAS, the Isanti Police Department has the opportunity to assist the Knights of Columbus of Isanti to provide winter jackets to children in need within the Isanti Schools; and

WHEREAS, the Police Department takes every opportunity to provide better service to the community; and

WHEREAS, the identity of the recipients will be protected; and,

WHEREAS, the City of Isanti Police Department would like to allow the local paper to be present at the Police Department when the jackets are donated.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, to authorize its Police Department to receive the donated jackets and distribute them to Isanti School children that are in need.

This Resolution is hereby approved by the Isanti City Council this 4th day of December, 2018.

RESOLUTION 2018-XXX

RESOLUTION ACCEPTING PART TIME LIQUOR STORE CLERK NICHOLAS HOVIK'S LETTER OF RESIGNATION

WHEREAS, Part Time Liquor Store Clerk Nicholas Hovik has submitted a letter of resignation to the City of Isanti and presented this to Liquor Store Manager John Jacobi on November 27, 2018; and,

WHEREAS, the effective date of this resignation is December 11th, 2018; and,

WHEREAS, Nicholas Hovik is leaving employment in good standing; and,

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, to hereby approve as follows:

1. That the resignation of Nicholas Hovik is hereby accepted effective December 11th, 2018.

2. That Human Resources/City Clerk and Liquor Store Manager John Jacobi are hereby directed to fill the position.

This Resolution is hereby approved by the Isanti City Council this 4th day of December, 2018.

RESOLUTION ACCEPTING COMMUNITY DEVELOPMENT DIRECTOR RYAN KERNOSKY'S LETTER OF RESIGNATION

WHEREAS, Community Development Director Ryan Kernosky has submitted a letter of resignation to the City of Isanti and presented this to Human Resources/City Clerk Katie Brooks on December 4, 2018; and,

WHEREAS, the effective date of this resignation is December 4, 2018, with a final date of work January 4, 2019; and,

WHEREAS, the time period between the letter of resignation and the effective resignation date is in compliance with the personnel policy and employment contract for the City of Isanti; and,

WHEREAS, Ryan Kernosky is leaving employment in good standing.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, to hereby approve as follows:

1. That the resignation of Community Development Director Ryan Kernosky is hereby accepted effective December 4, 2018. Mr. Kernosky's final day of work with the City will be January 4, 2019.

2. That the Human Resources/City Clerk and the City Administrator are hereby directed to fill the position immediately.

This Resolution is hereby approved by the Isanti City Council this 4th day of December, 2018.

PRESS RELEASE

The Minnesota Department of Health announced that the City of Isanti has been awarded a Water Fluoridation Quality Award from the U.S. Centers for Disease Control and Prevention (CDC). Fluoridation is the adjustment of fluoride in drinking water to a level that is effective for preventing tooth decay. This award recognizes those communities that achieved excellence in community water fluoridation by maintaining a consistent level of fluoride in drinking water throughout 2017.

For 2017, a total of 1,499 public water systems (PWSs) in 30 states received these awards, including 233 of 605 possible fluoridating PWSs in Minnesota.

"Water fluoridation is one of the best investments that a community can make in maintaining the oral health of its citizens. It is equally as effective in preventing cavities in children and adults," stated Casey Hannan, MPH, Acting Director, CDC Division of Oral Health. "Fluoridation is also highly cost effective. Studies continue to show that for every $1 a community invests in water fluoridation, $20 are saved in dental treatment costs."

Community water fluoridation has been recognized by CDC as one of 10 great public health achievements of the 20th Century. "Minnesota can be proud of its commitment to community water fluoridation. People of all ages and socioeconomic status have access to one of the most equitable ways to prevent tooth decay and improve overall health", says Prasida Khanal, MPH, BDS, State Oral Health Director with the Minnesota Department of Health Oral Health Program.

For questions about the award or the press release, contact either David Rindal, Senior Compliance Engineer, Minnesota Department of Health, Drinking Water Protection, at (651) 201-4660 and david.rindal@state.mn.us or Clare Larkin, Prevention Coordinator, Minnesota Department of Health, Oral Health Program, at (651) 201-4230 and clare.larkin@state.mn.us.

J. Business Items

City Administrator Don Lorsung

1. Resolution 2018-255 Council Committee Procedures
Mayor Wimmer discussed proposed changes to the City Council Committee procedures and the option of moving from Council Committee structure to a Committee of the Whole structure. The Council discussed this matter. A motion was made by Lundeen, seconded by Lorinser to end the current Council Committee system and move to a Committee of the Whole structure. The Council and staff had further discussion regarding this matter including: ending Committees now with any necessary business coming to the City Council, the Committee of the Whole concept, the current Committee system and open meeting law, and whether some Committees could be retained. After this discussion a vote was taken and the motion passed 4-1, with Collison voting nay.

Public Services Director/Assistant City Administrator Josi Wood

2. Storm Pond Maintenance Discussion
Public Services Director/Assistant City Administrator Josi Wood shared that the City Council requested an in-depth comparison of doing storm pond clearing work as proposed in the Storm Water Maintenance Plan with Public Works staff versus using contracted services. Josi Wood continued to share that after review of the safety requirements, equipment specifications, additional equipment costs, operator experience, and available operator hours for such additional work with the Finance Committee, there was not a substantial cost savings. She continued to share this is up for discussion but it is recommended that the storm pond work remain within the scope of the project work. After discussion, the Consensus of the Council was to move ahead with the project scope and get bids for this work.

Assistant City Engineer Jason Cook

3. Resolution 2018- 256 Engineering Proposal for the 2019 Pavement Management Project
Assistant City Engineer Jason Cook shared that this is for professional engineering services for the 2019 Pavement Management Project. Jason Cook continued to share that the area that has been selected for this year's project would be East of Highway 65 and South of Heritage Blvd.
Motion by Lorinser, second by Bergley to approve the resolution as presented. Motion carried.

Community Development Director Ryan Kernosky

4. Resolution 2018-257 Preliminary Plat Approval of Heritage Estates
Community Development Director Ryan Kernosky shared that this is the Preliminary Plat Approval for Heritage Estates; which is a proposed 50-unit single family development that will adjoin the existing Cherrywood Ln NE and 9th Ave SE Streets.
Motion by Collison, second by Bergley to approve the resolution as presented. Motion carried.

5. Resolution 2018-258 Conceptual Planned Unit Development- Heritage Estates
Community Development Director Ryan Kernosky shared that this resolution approves the PUD concept for the development and goes along with the previous approved resolution, and authorizes staff to setup the public hearing date in December.
Motion by Collison, second by Lorinser to approve the resolution as presented. Motion carried.

K. Approve Consent Agenda

1. Consider Accounts Payable in the amount of $247,328.10 and Payroll in the amount of $91,476.05
2. Final Meeting Minutes for the October 2nd, 2018 Economic Development Authority Meeting
3. Resolution 2018-259 Authorizing Appointment of Finance Director Betker to Serve on the Resource Training and Solutions CCOGA Insurance Advisory Committee
4. Resolution 2018-260 Increasing Debt Levy Requirements for General Obligation Improvement Bonds; 2010B
5. Resolution 2018-261 Reducing Debt Levy Requirements for General Obligation Improvement Bonds; 2011A
6. Resolution 2018-262 Designating an Additional Depository for Year 2018
7. Resolution 2018-263 Approving 2019-2020 Newsletter Quote Sheet
8. Resolution 2018-264 Authorization and Execution of Repayment Agreement on Lot 10, Block 4, Villages on the Rum with Black Dog Contracting and Preservation, LLC
9. Resolution 2018-265 Offering the Position of Part Time MS4 Technician to Corey Mueller

Motion by Lundeen, second by Collison to approve Consent Agenda as presented. Motion carried

M. Closed Session

1. City Administrator Performance Review
   At 7:23 p.m. the City Council went into a closed session.

O. Open Session

At 7:36 p.m. Council came out of closed session. Mayor Wimmer requested that City Attorney Clark Joslin provide a summary of the closed session. City Attorney Joslin said the Closed Session began at 7:23 p.m. for the annual performance review of City Administrator Don Lorsung. During the closed session, Council addressed Mr. Lorsung as to his job performance. It was the consensus of the Council that Mr. Lorsung has done, and continues to do, a fine job as City Administrator. Following discussion with Mr. Lorsung, closed session ended.

Adjournment

Motion to adjourn by Lundeen, second by Lorinser. Motion carried. The meeting was adjourned at 7:38 p.m.

Respectfully Submitted,

Jaden Moore

Deputy City Clerk/ Human Resources

J.1.

A Community For Generations.

Isanti

MEMORANDUM

TO: Mayor George Wimmer
Members of the Isanti City Council

FROM: Ryan Kernosky, Community Development Director

DATE: December 4, 2018

SUBJECT: **CONSIDERATION OF: Request from Knife River for I-1 Tier-1 Conditional Use Permit & Site Plan Approval of a Medium Manufacturing Facility for a Septic Tank Casting Facility on PID 050201803**

Request: Knife River (applicant) has submitted a complete application for a Conditional Use Permit and Site Plan Approval for the construction of a Medium Manufacturing Facility for a Septic Tank Casting Facility on PID 050201803.

Background: The subject parcel is not within the City of Isanti's corporate limits; however, the City has jurisdictional zoning over this property as it falls within the "I-1 Tier-1" extraterritorial zoning district. As such, all development approvals must go through the City's process.

Knife River has submitted plans for a Septic Tank Casting Facility. This is a proposed 9,000 sq ft facility 25' in height. There is one proposed entrance off of Cajima St NE. The applicant has designed this facility around the understanding that E Dual Blvd NE will be extended at some point in the future to service an addition to the Isanti Industrial Park. All setbacks, impervious surface coverages, and other zoning requirements are met with this project, or should be met with conditions called out in the attached Resolution.

Planning Commission Recommendation: Planning Commission held a public hearing on November 20th, 2018. The Planning Commission has recommended approval with staff conditions.

Staff Comments and Recommendations: This is an extension of the existing Knife River facility on the corner of TH-65 and Cajima St NE. This property is zoned Industrial, and as such, the use fits within that zoning district. **Staff is recommending approval with the following conditions:**

1. Adjust driveway entrance to alight with Junction Bowl western driveway.
2. Add additional Wainscoting along West-side of building for future E Dual Blvd NE extension
3. Enter into a Landbank Parking Agreement with the City of Isanti

4. Properly screen any recycling and trash receptacles per City Ordinance
5. Provide screening around outdoor storage area per City Ordinance
6. Identify future right of way for the E Dual Blvd NE extension
7. Obtain proper federal, state, county, and City permits for construction and operation of the facility
8. Address concerns identified in the November 8th, 2018 letter from the CDD Director

Conditional Use Permit Standards: Section 21, Subd. 4 provides minimum standards for granting a Conditional Use Permit.

A. The use and the site in question shall be served by a street of sufficient capacity to accommodate the type and volume of traffic which would be generated an adequate public right-of-way shall be provided.

Cajima St NE and E Dual Blvd NE are both built to industrial park standards, as such this standard is met.

B. The site design for access and parking shall minimize internal as well as external traffic conflicts and shall be in compliance with Section 17 of this Ordinance.

The applicant will shift the entrance off of Cajima St NE to align with the western access to Junction Bowl. It is intended that due to the proposed J-turn on TH-65 and the increased traffic at E Dual Blvd NE and Heritage Blvd due to new development, that Cajima St NE will be the main entrance and exit of the Isanti Industrial Park. This standard is met.

C. If applicable, a pedestrian circulation system shall be clearly defined and appropriate provisions made to protect such areas from encroachment by parked or moving vehicles.

Parking is proposed to be adjacent to the building with little pedestrian/vehicular traffic conflict. This standard is met.

D. Adequate off-street parking and off-street loading shall be provided in compliance with Section 17 of this Ordinance.

Off-street parking is met with the applicant entering into a landbank parking agreement with the City of Isanti. At any time in the future, the City may require additional parking. This standard is met.

E. Loading areas and drive-thru facilities shall be positioned so as to minimize internal site access problems and maneuvering conflicts, to avoid visual or noise impacts on any adjacent residential use or district, and provided in compliance with Section 17 of this Ordinance.

Loading areas will be on the west/east side of the building, and will offer plenty of room for maneuvering for truck traffic. There are no surrounding residential uses, only industrial and commercial. This standard is met.

F. Whenever a non-residential use is adjacent to a residential use or district, a buffer area with screening and landscaping shall be provided in accordance with the provisions of Section 15 of this Ordinance.

There are no residential uses surrounding this property. This standard is not applicable.

G. General site screening and landscaping shall be provided in compliance with Section 15 of this Ordinance.

The outdoor storage area will have a minimum 6' fence surrounding it. There are several mature red pine trees along Cajima St NE that offer additional screening. This standard is met.

H. All exterior lighting shall be directed so as not to cast glare toward or onto the public right-of-way or neighboring residential uses or districts, and shall be in compliance with Section 14 of this Ordinance.

As part of the resolution, all exterior lighting shall not cast glare toward public right of way. This standards is met.

I. The site drainage system shall be subject to the review and approval of the City Engineer.

The City Engineering Department has reviewed this plan and has provided comment as attached to this staff report. With minor changes, this standard is met.

J. The architectural appearance and functional design of the building and site shall not be so dissimilar to the existing and potential buildings and area so as to cause a blighting influence. All sides of the principal and accessory structures are to have essentially the same or coordinated, harmonious exterior finish materials and treatment.

The proposed building is 25' in height and has a proposed 8' wainscot at the base and a 17'white metal wall paneling. This design will be on the south, east, and west sides of the building. The north side will be all metal wall paneling. This standard is met.

K. Provisions shall be made for daily litter control, an interior location for recycling and trash handling and storage or an outdoor, enclosed receptacle area shall be provided in compliance with Section 14 of this Ordinance.

The applicant has indicated that they will be contracting trash services. It will be a condition that any recycling and trash receptacles will be property screened with compliance of our ordinances. This condition is met.

L. All signs and informational or visual communication devices shall be in compliance with Section 16 of this Ordinance.

The applicant has not submitted any signage. However, if they choose to do so, it must meet the requirements set forth in Section 16 of the ordinance. This condition is not applicable at this time.

M. The use and site shall be in compliance with any federal, state, or county laws or regulations that are applicable and any related permits shall be obtained and documented to the City.

The City requires any and all federal, state, and county laws and regulations for this development is obtained. This condition is met.

N. Any applicable business licenses mandated by City Code are approved and obtained.

There are no required business licenses mandated by City Code. This standard is not applicable.

O. The hours of operation may be restricted when there is judged to be an incompatibility with a residential use or district.

This use is not surrounded by a residential zoning district. This standard is not applicable.

P. The use complies with the applicable performance standards of the zoning district in which it is located and where applicable, any non-conformities shall be eliminated.

The performance standards are met. There appears to be no non-conformities. This standard is met.

Q. Additional Stipulations. All conditions pertaining to a specific site are subject to change when the City Council, upon investigation in relation to a formal request, finds that the general public health, safety, and welfare, can be served as well or better by modifying or expanding the conditions set forth herein.

This standard is met.

Site Plan Review Standards: Section 18, Subd. 7 provides standards in reviewing submitted site plans.

A. Consistency with the elements and objectives of the City's development guides, including the Comprehensive Plan.

The City has long-term plans to extend our industrial park further north with a future extension of E Dual Blvd NE. The City's 2008 Comprehensive Plan has this parcel split between future industrial (closer to the railroad) and future commercial (closer to TH-65).

B. Consistency with City Codes.

The proposed Medium Manufacturing facility meets minimum required setbacks, impervious surface coverage requirements, and outdoor storage requirements (as long as a fence is installed, as called out

in the attached resolution). The facility is 9,000 sq ft in size (60'x150'). The applicant has provided 9 vehicular parking stalls and 5 truck parking stalls. The applicant has also proposed providing 9 banked parking stalls for future use, if necessary. Per Section 17, Subd. 6(B) the City may permit a reduction in the number of parking stalls, as long as the applicant enters into a landbank parking agreement with the City. Per code, the applicant (without landbank parking agreement) would have to provide 18 vehicular parking stalls.

C. Preservation of the site in its natural state to the extent practicable by minimizing tree and soil removal and designing grade changes to be in keeping with the general appearance of neighboring developed or developing areas.

The proposed development is situated on 32 total acres. The disturbance area is in the southeast corner of the parcel, on roughly 201,877 sq ft or roughly 4.63 acres. The majority of the site will be undisturbed and will remain in agricultural use.

D. The amount and location of open space and landscaping.

The amount of open space and landscaping meets the requirements within our City Zoning Code.

E. Vehicular and pedestrian circulation, including walkways, interior drives, and parking in terms of location and number of access points to the public streets, width of interior drives and access points, general interior circulation, separation of pedestrian and vehicular traffic and arrangement and amount of parking.

The proposed parking area, pedestrian circulation, access points to the public streets, and all other requirements have been met or are being addressed.

F. Protection of adjacent and neighboring properties through reasonable provision of surface water drainage, sound and light buffers, preservation of views, lights, and air and those aspects of design not adequately covered by other regulations which may have substantial effects on neighboring land uses.

Surface drainage has been reviewed and approved by the City Engineer. There is not expected to be any other hindrances to surrounding property owners.

G. Consistency with the City's Engineering and Design standards as adopted by Resolution of the City Council.

Stormwater management plans have been reviewed and approved by the City Engineer.

RESOLUTION 2018-XXX

A RESOLUTION APPROVING A CONDITIONAL USE PERMIT AND SITE PLAN REVIEW FOR KNIFE RIVER ON PID 050201803

WHEREAS, Knife River (applicant) has submitted a Conditional Use Permit Application and a Site Plan Review Application to operate a Medium Manufacturing Facility on PID 05.020.1803; and,

WHERAS, PID 05.020.1803 is legally described as:

The North Half of the Southwest Quarter (N1/2 of SW1/4) of Section (20), Township Thirty-five (35), Range Twenty-three (23), Isanti County, Minnesota, lying East of Railroad Right of Way.

LESS AND EXCEPT
The South 826.61 feet of the East 948.25 thereof;

AND LESS AND EXCEPT
The North 500 feet of the East 300 feet thereof;

AND LESS AND EXCEPT
All that part of the Northeast Quarter of the Southwest Quarter (NE1/4 SW1/4) of Section (20), Township Thirty-five (35), Range Twenty-three (23), described as follows:

Commencing at the Northeast corner of said Northeast Quarter of the Southwest Quarter (NE1/4 SW1/4); thence West on the East-West Quarter line a distance of 300 feet to the point of beginning of the land to be described; thence South and parallel to the North-South Quarter Line a distance of 500 feet; thence West and parallel to the North line of said Northeast Quarter of the Southwest Quarter (NE1/4 SW1/4), a distance of 150 feet; thence North and parallel to the East line of said Northeast Quarter of the Southwest Quarter (NE1/4 SW1/4), a distance of 500 feet and to the North line thereof; thence East along said North line a distance of 150 feet to the point of beginning and there terminating, Isanti County, Minnesota.

WHEREAS, PID 05.020.1803 is within the "I-1 Tier-1" Extraterritorial Zoning jurisdiction of the City of Isanti and is subject to the zoning and building regulations set forth in the City of Isanti Zoning Ordinance; and,

WHEREAS, within City of Isanti Zoning Code Section 8, Article 1, Subd. 3(H) a Medium Manufacturing Facility is a conditional use in the Industrial Park Zoning District; and,

WHEREAS, the Isanti Planning Commission has recommended approval of the requested Conditional Use Permit and Site Plan Review based upon the Findings of Fact and Conclusion as presented with conditions; and,

WHEREAS, the City Council reviewed the requested Conditional Use Permit and Site Plan Review at the regularly scheduled meeting on December 4, 2018; and,

WHEREAS, the City Council of the City of Isanti has determined that the Conditional Use Permit and Site Plan Review meets the ordinance requirements necessary for granting approval.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota that it adopts the Findings of Fact and Conclusion related to the requested Conditional Use Permit and Site Plan Review, and hereby approves the Conditional Use Permit and Site Plan Review subject to the following conditions:

1. Adjust driveway entrance to alight with Junction Bowl western driveway.
2. Add additional Wainscoting along West-side of building for future E Dual Blvd NE extension
3. Enter into a Landbank Parking Agreement with the City of Isanti
4. Properly screen any recycling and trash receptacles per City Ordinance
5. Provide screening around outdoor storage area per City Ordinance
6. Identify future right of way for the E Dual Blvd NE extension
7. Obtain proper federal, state, county, and City permits for construction and operation of the facility
8. Address concerns identified in the November 8th, 2018 letter from the CDD Director

This Resolution is hereby approved by the Isanti City Council this 4th day of December, 2018.

Attest:

_____
Mayor George A. Wimmer

_____
Katie Brooks
Human Resources/City Clerk

FINDINGS OF FACT AND CONCLUSION

Request

Request from Knife River (applicant) for a Conditional Use Permit and Site Plan Review approval for the construction of a Medium Manufacturing Facility (Septic Tank Casting Facility) located on PID 05.020.1803 (subject property), legally described as:

The North Half of the Southwest Quarter (N1/2 of SW1/4) of Section (20), Township Thirty-five (35), Range Twenty-three (23), Isanti County, Minnesota, lying East of Railroad Right of Way.

LESS AND EXCEPT
The South 826.61 feet of the East 948.25 thereof;

AND LESS AND EXCEPT
The North 500 feet of the East 300 feet thereof;

AND LESS AND EXCEPT
All that part of the Northeast Quarter of the Southwest Quarter (NE1/4 SW1/4) of Section (20), Township Thirty-five (35), Range Twenty-three (23), described as follows:

Commencing at the Northeast corner of said Northeast Quarter of the Southwest Quarter (NE1/4 SW1/4); thence West on the East-West Quarter line a distance of 300 feet to the point of beginning of the land to be described; thence South and parallel to the North-South Quarter Line a distance of 500 feet; thence West and parallel to the North line of said Northeast Quarter of the Southwest Quarter (NE1/4 SW1/4), a distance of 150 feet; thence North and parallel to the East line of said Northeast Quarter of the Southwest Quarter (NE1/4 SW1/4), a distance of 500 feet and to the North line thereof; thence East along said North line a distance of 150 feet to the point of beginning and there terminating, Isanti County, Minnesota.

Findings of Fact

1. The applicant has submitted a complete application for a conditional use permit and site plan review for the construction of a septic tank casting facility located on the subject property.
2. City staff has determined that the proposed facility is consistent with the definition of 'Medium Manufacturing Facility' as outlined in Section 2 ("Definitions") of the City of Isanti Zoning Code.
3. The subject property is within the "I-1 Tier-1" Industrial Zoning District as adopted by the City of Isanti and the County of Isanti.
4. Said properties that fall within the "I-1 Tier-1" Industrial Zoning Districts are subject to City of Isanti Zoning and Building Regulations as stipulated in City Code and Ordinances.
5. Properties within the "I-1 Tier-1" Industrial Zoning District are subject to the same standards as properties zoned "I-1" Industrial Park District.
6. Medium Manufacturing Facilities are a conditional use in the "I-1" Industrial Park District.
7. All new developments within the "I-1" Industrial Park District are subject to Site Plan Review approval per City Ordinance.
8. A complete application was received on October 17, 2018 and a public hearing date before the Planning Commission was scheduled for Tuesday, November 20, 2018.

9. Notice of the Conditional Use Permit and Site Plan Review approval request was published within the Isanti County News. Notices were sent to all property owners located within 350 feet of the subject property.

Conclusions

Conditional Use Permit Standards: Section 21, Subd. 4 provides minimum standards for granting a Conditional Use Permit.

A. The use and the site in question shall be served by a street of sufficient capacity to accommodate the type and volume of traffic which would be generated an adequate public right-of-way shall be provided.

Cajima St NE and E Dual Blvd NE are both built to industrial park standards, as such this standard is met.

B. The site design for access and parking shall minimize internal as well as external traffic conflicts and shall be in compliance with Section 17 of this Ordinance.

The applicant will shift the entrance off of Cajima St NE to align with the western access to Junction Bowl. It is intended that due to the proposed J-turn on TH-65 and the increased traffic at E Dual Blvd NE and Heritage Blvd due to new development, that Cajima St NE will be the main entrance and exit of the Isanti Industrial Park. This standard is met.

C. If applicable, a pedestrian circulation system shall be clearly defined and appropriate provisions made to protect such areas from encroachment by parked or moving vehicles.

Parking is proposed to be adjacent to the building with little pedestrian/vehicular traffic conflict. This standard is met.

D. Adequate off-street parking and off-street loading shall be provided in compliance with Section 17 of this Ordinance.

Off-street parking is met with the applicant entering into a landbank parking agreement with the City of Isanti. At any time in the future, the City may require additional parking. This standard is met.

E. Loading areas and drive-thru facilities shall be positioned so as to minimize internal site access problems and maneuvering conflicts, to avoid visual or noise impacts on any adjacent residential use or district, and provided in compliance with Section 17 of this Ordinance.

Loading areas will be on the west/east side of the building, and will offer plenty of room for maneuvering for truck traffic. There are no surrounding residential uses, only industrial and commercial. This standard is met.

F. Whenever a non-residential use is adjacent to a residential use or district, a buffer area with screening and landscaping shall be provided in accordance with the provisions of Section 15 of this Ordinance.

There are no residential uses surrounding this property. This standard is not applicable.

G. General site screening and landscaping shall be provided in compliance with Section 15 of this Ordinance.

The outdoor storage area will have a minimum 6' fence surrounding it. There are several mature red pine trees along Cajima St NE that offer additional screening. This standard is met.

H. All exterior lighting shall be directed so as not to cast glare toward or onto the public right-of-way or neighboring residential uses or districts, and shall be in compliance with Section 14 of this Ordinance.

As part of the resolution, all exterior lighting shall not cast glare toward public right of way. This standards is met.

I. The site drainage system shall be subject to the review and approval of the City Engineer.

The City Engineering Department has reviewed this plan and has provided comment as attached to this staff report. With minor changes, this standard is met.

J. The architectural appearance and functional design of the building and site shall not be so dissimilar to the existing and potential buildings and area so as to cause a blighting influence. All sides of the principal and accessory structures are to have essentially the same or coordinated, harmonious exterior finish materials and treatment.

The proposed building is 25' in height and has a proposed 8' wainscot at the base and a 17'white metal wall paneling. This design will be on the south, east, and west sides of the building. The north side will be all metal wall paneling. This standard is met.

K. Provisions shall be made for daily litter control, an interior location for recycling and trash handling and storage or an outdoor, enclosed receptacle area shall be provided in compliance with Section 14 of this Ordinance.

The applicant has indicated that they will be contracting trash services. It will be a condition that any recycling and trash receptacles will be property screened with compliance of our ordinances. This condition is met.

L. All signs and informational or visual communication devices shall be in compliance with Section 16 of this Ordinance.

The applicant has not submitted any signage. However, if they choose to do so, it must meet the requirements set forth in Section 16 of the ordinance. This condition is not applicable at this time.

M. The use and site shall be in compliance with any federal, state, or county laws or regulations that are applicable and any related permits shall be obtained and documented to the City.

The City requires any and all federal, state, and county laws and regulations for this development is obtained. This condition is met.

N. Any applicable business licenses mandated by City Code are approved and obtained.

There are no required business licenses mandated by City Code. This standard is not applicable.

O. The hours of operation may be restricted when there is judged to be an incompatibility with a residential use or district.

This use is not surrounded by a residential zoning district. This standard is not applicable.

P. The use complies with the applicable performance standards of the zoning district in which it is located and where applicable, any non-conformities shall be eliminated.

The performance standards are met. There appears to be no non-conformities. This standard is met.

Q. Additional Stipulations. All conditions pertaining to a specific site are subject to change when the City Council, upon investigation in relation to a formal request, finds that the general public health, safety, and welfare, can be served as well or better by modifying or expanding the conditions set forth herein.

This standard is met.

Site Plan Review Standards: Section 18, Subd. 7 provides standards in reviewing submitted site plans.

A. Consistency with the elements and objectives of the City's development guides, including the Comprehensive Plan.

The City has long-term plans to extend our industrial park further north with a future extension of E Dual Blvd NE. The City's 2008 Comprehensive Plan has this parcel split between future industrial (closer to the railroad) and future commercial (closer to TH-65).

B. Consistency with City Codes.

The proposed Medium Manufacturing facility meets minimum required setbacks, impervious surface coverage requirements, and outdoor storage requirements (as long as a fence is installed, as called out in the attached resolution). The facility is 9,000 sq ft in size (60'x150'). The applicant has provided 9 vehicular parking stalls and 5 truck parking stalls. The applicant has also proposed providing 9 banked parking stalls for future use, if necessary. Per Section 17, Subd. 6(B) the City may permit a reduction in the number of parking stalls, as long as the applicant enters into a landbank parking agreement with the City. Per code, the applicant (without landbank parking agreement) would have to provide 18 vehicular parking stalls.

C. Preservation of the site in its natural state to the extent practicable by minimizing tree and soil removal and designing grade changes to be in keeping with the general appearance of neighboring developed or developing areas.

The proposed development is situated on 32 total acres. The disturbance area is in the southeast corner of the parcel, on roughly 201,877 sq ft or roughly 4.63 acres. The majority of the site will be undisturbed and will remain in agricultural use.

D. The amount and location of open space and landscaping.

The amount of open space and landscaping meets the requirements within our City Zoning Code.

E. Vehicular and pedestrian circulation, including walkways, interior drives, and parking in terms of location and number of access points to the public streets, width of interior drives and access points, general interior circulation, separation of pedestrian and vehicular traffic and arrangement and amount of parking.

The proposed parking area, pedestrian circulation, access points to the public streets, and all other requirements have been met or are being addressed.

F. Protection of adjacent and neighboring properties through reasonable provision of surface water drainage, sound and light buffers, preservation of views, lights, and air and those aspects of design not adequately covered by other regulations which may have substantial effects on neighboring land uses.

Surface drainage has been reviewed and approved by the City Engineer. There is not expected to be any other hindrances to surrounding property owners.

G. Consistency with the City's Engineering and Design standards as adopted by Resolution of the City Council.

Stormwater management plans have been reviewed and approved by the City Engineer.

Decision

The Planning Commission held a public hearing on the item at the **November 20, 2018** meeting. The Planning Commission has recommended approval with the conditions stipulated in the Resolution.

Conditions

1. Adjust driveway entrance to alight with Junction Bowl western driveway.
2. Add additional Wainscoting along West-side of building for future E Dual Blvd NE extension
3. Enter into a Landbank Parking Agreement with the City of Isanti
4. Properly screen any recycling and trash receptacles per City Ordinance
5. Provide screening around outdoor storage area per City Ordinance
6. Identify future right of way for the E Dual Blvd NE extension
7. Obtain proper federal, state, county, and City permits for construction and operation of the facility
8. Address concerns identified in the November 8th, 2018 letter from the CDD Director

Bogart, Pederson
& Associates, Inc.

LAND SURVEYING
CIVIL ENGINEERING
MAPPING

October 17, 2018

Mr. Ryan J. Kernosky, MPA
City of Isanti, Director of Community Development
110 1st Avenue NW
P.O. Box 428
Isanti, MN 55040

RE: Request for Review and Consideration of the Proposed Knife River Corporation Tank Casting Facility in the City of Isanti, Isanti County, Minnesota

Dear Mr. Kernosky:

We are writing to request your review and consideration for the proposed Knife River tank casting facility planned on property on Cajima Street NE.

The subject property (PID# 05.020.1803-address not currently assigned) includes approximately 32.43 acres of property situated on the north side of Cajima Street NE approximately 1000' west of Hwy 65 NE. The subject property has two zoning designations. The western portion of the property is zoned T1-I Tier 1Insustrial and the northeastern portion is zoned T1-B Tier 1 Business. The proposed improvements are located entirely within the T1-I district.

The proposed site plan includes a new 9000 (60'x150') s.f. building on a parcel of land situated on the north side of Cajima Street NE, which includes approximately 32 acres of land (please refer to the Certificate of Survey enclosed for details). In addition, the proposed site improvements include an improved access drive (existing gravel driveway) located at the southeast corner of the property, concrete approaches on the east and west ends of the building, a new parking facility south of the new facility and a gravel surface north of the new facility to be utilized to stage concrete septic tanks and concrete lids while they cure.

The new facility will house concrete tank and lid forms. Concrete will be transported via a concrete tank truck from the concrete batch mixing plant east of the proposed facility. Concrete will be poured into the forms in the new facility, and the tanks will then be staged on the proposed gravel surface, north of the proposed building to cure.

Based on our review and understanding of the City Zoning Ordinance, the definition of the proposed use is medium industrial and the staging area to the north of the proposed building is defined as outdoor storage. In addition to tank staging, steel rebar will be stored north of the building, which will be utilized as reinforcement in the concrete tanks and tank lids.

The proposed facility is planned to occupy the southeast corner of the subject parcel, which is currently utilized for agriculture/crops. The proposed improvements will occupy approximately 4.6 acres of the overall 32.43+/- acre parcel (14%). The balance of the property will continue to be utilized for agriculture/crops.

Based don our recent discussions, the City's Comprehensive plan designates the subject property for expansion of the existing industrial park. As part of the comprehensive plan, East Dual Blvd. will likely be extended north to serve the future industrial uses. We incorporated a proposed right-of-way projected north, from the intersection of East Dual Blvd. to illustrate the approximate location of the proposed road right-way. In addition, we configured the proposed site layout to accommodate the future improvements.

The principal building setbacks in the T1-I zoning designation at: 67' front yard setbacks, 15' side setbacks and 30' rear yard setbacks. The building is situated with a 140' front yard setback and 160' side yard setback to the east property line. The setback to the west property line is over 600' and is over 1100' to the rear property line to the north.

The adjacent property zoning designations and uses are as follows:

	Zoning Designation	Existing Use
• West	T1-I Tier 1 Industrial	Railroad Right-of-Way
• East	T-1 Tier 1 Commercial	Knife River Redi-Mix Concrete
• South	I-1 & B-2	Various Industrial and Business Uses
• North	A/R Agricultural Residential	Farm/Crops

The uses surrounding the property include various industrial and business/manufacturing facilities with the exception to the property to the north, which is zoned and utilized for A/R Agricultural Residential and is occupied by one farm, which is surrounded by crops. According to the City Zoning Code, buffers are not required between similar business and industrial uses, but screening is required between residential and industrial uses. In addition, the outdoor staging area requires screening as part of the conditional use permit. We request that the screening requirement be waived considering the specific site conditions. There is a thick, mature stand of trees and brush along the south property line that screens the sight lines from Cajima Street and properties to the south. We provided a setback over 600' to the west to the railroad right-of-way and over 1100' setback to the north property line.

The existing surface drainage characteristics include relatively gently sloped surface, which falls gradually to the northeast. We prepared a grading plan to illustrate the proposed drainage characteristics, which mimic the existing surface drainage patterns. The proposed grading plan collect and route surface drainage easterly and then northerly toward a low area northeast of the proposed gravel surface area. The design incorporates slopes away from the proposed building, and collection of storm water in a storm water treatment and staging area. The proposed storm water treatment facility is sized to manage the peak discharge from a 2, 10, 100-year rainfall event and relies on infiltration in accordance with MPCA design requirements. Emergency overflow is directed north into the low-lying area, away from the existing and proposed facilities.

Public domestic watermain and sanitary sewer is located within the Cajima Street right-of-way, which within the City of Isanti. The subject property is currently located outside the City limits. We incorporated a 2500-gallon underground concrete holding tank outside the southeast corner of the building. Knife River Corporation will rely on the holding tank for wastewater collection and holding. Knife River Corporation will enter into a contract with a local waste water disposal company to provide waste water removal (pump& haul). We will provide a copy of the service contract for reference. A domestic water well is planned to be installed south of the proposed building to serve proposed building.

We request an estimate of the water access charge, sewer access charge, assessments due upon connection and any other related charges anticipated in the event Knife River Corporation elects to utilize the public utilities. We understand that, in the event connections are requested, a request to annex the subject property will be required prior to access to the utilities.

Certificate of Survey
for
Knife River Corporation
Part of Section 20, Township 35, Range 23
Township of Isanti, Isanti County, Minnesota

Surveyor's Notes:

1. This survey was performed without the benefit of a title report. No search for recorded or unrecorded easements or restrictions was made by the surveyor.
2. The existing description of the property (Doc. No. 358586) was not written to exactly conform with adjoiner descriptions. This causes gaps, overlaps and ambiguities with the adjoiners (please see detail). For the purpose of this survey, we have held with the adjoining descriptions as better evidence of intent of the deeds. Please bring this survey to an experienced title attorney to discuss your options on reforming your legal description to match those of your adjoiners.

Legal Description (Doc. No. 358586):

The North Half of the Southeast Quarter (N½ of SW¼) of Section (20), Township Thirty-five (35), Range Twenty-three (23), Isanti County, Minnesota, lying East of Railroad Right of Way.
LESS AND EXCEPT
The South 826.61 feet of the East 948.25 thereof;
AND LESS AND EXCEPT
The North 500 feet of the East 300 feet thereof;
AND LESS AND EXCEPT
All that part of the Northeast Quarter of the Southwest Quarter (NE¼ SW¼) of Section (20), Township Thirty-five (35), Range Twenty-three (23), described as follows:
Commencing at the Northeast corner of said Northeast Quarter of the Southwest Quarter (NE¼ SW¼); thence West on the East-West Quarter line a distance of 300 feet to the point of beginning of the land to be described; thence South and parallel to the North-South Quarter Line a distance of 500 feet; thence West and parallel to the North line of said Northeast Quarter of the Southwest Quarter (NE¼ SW¼), a distance of 150 feet; thence North and parallel to the East line of said Northeast Quarter of the Southwest Quarter (NE¼ SW¼), a distance of 500 feet and to the North line thereof; thence East along said North line a distance of 150 feet to the point of beginning and there terminating, Isanti County, Minnesota.

GRADING GENERAL NOTES

1. THE CONTRACTOR SHALL NOTE ANY DISCREPANCIES BETWEEN EXISTING CONDITIONS AS EXIST IN THE FIELD AND AS REPRESENTED WITHIN THE PLANS AS SHOWN AND ALERT THE ENGINEER BEFORE BIDDING THE PROJECT AND BEGINNING CONSTRUCTION.
2. CONTRACTOR SHALL LOCATE AND VERIFY ALL UTILITIES WHICH MAY AFFECT THIS WORK AND NOTIFY OWNER OF ANY CHANGES. CONTACT LOCAL UTILITY COMPANIES FOR EXACT LOCATIONS PRIOR TO BIDDING THE PROJECT AND COMMENCING WORK.
3. CONTRACTOR SHALL TAKE NECESSARY PRECAUTIONS TO PREVENT SILT AND DEBRIS RUN-OFF DURING GRADING OPERATIONS (I.E. SILT FENCE, STRAW BALES, ETC.).
4. CONTRACTOR SHALL VERIFY CRITICAL ELEVATIONS TO ENSURE CONFORMANCE WITH GRADING PLAN, PARTICULARLY WITH EXISTING STRUCTURES AND/OR PAVEMENTS TO REMAIN. MEET EXISTING GRADES ALONG STREETS, PROPERTY LINES AND DRIVEWAY ENTRANCES. RESTORE ALL PAVEMENTS THAT REMAIN TO THEIR ORIGINAL IF NOT BETTER CONDITION. NOTIFY OWNER OF ANY CONFLICTS PRIOR TO BIDDING THE PROJECT.
5. TURF ESTABLISHMENT AREAS SHALL RECEIVE MINIMUM OF 4" DEPTH AS MEASURED IN PLACE OF TOPSOIL. TOPSOIL FURNISHED AND INSTALLED BY CONTRACTOR. ALL GRADED SLOPES GREATER THEN OR EQUAL TO 5:1 SHALL BE HYDROSEEDED, EROSION CONTROL BLANKETED, OR MULCHED TO HELP STABILIZE THE SLOPES BY GENERAL CONTRACTOR.

GRADING AND EROSION CONTROL PLAN NOTES:

1. PROPOSED SPOT ELEVATIONS ARE TO TOP OF CURB UNLESS NOTED OTHERWISE. ELEVATIONS DENOTED WIT A (P) ARE TO PAVEMENT.

UTILITY GENERAL NOTES

1. CONTRACTOR SHALL BE RESPONSIBLE FOR COORDINATING ALL UTILITY RELOCATIONS.
2. CONTRACTOR SHALL LOCATE AND VERIFY ALL UTILITIES WHICH MAY AFFECT THIS WORK AND NOTIFY OWNER OF ANY CHANGES. CONTACT LOCAL UTILITY COMPANIES FOR EXACT LOCATIONS PRIOR TO BIDDING THE PROJECT AND COMMENCING WORK.
3. CONTRACTOR SHALL VERIFY CRITICAL ELEVATIONS TO ENSURE CONFORMANCE WITH GRADING PLAN AND EXISTING UTILITIES, PARTICULARLY WITH EXISTING STRUCTURES AND/OR PAVEMENTS TO REMAIN.
4. THE CONTRACTOR SHALL NOTE ANY DISCREPANCIES BETWEEN EXISTING CONDITIONS AS EXIST IN THE FIELD AND AS REPRESENTED WITHIN THE PLANS AS SHOWN AND ALERT THE ENGINEER BEFORE BIDDING THE PROJECT AND BEGINNING CONSTRUCTION.
5. CONTRACTOR SHALL LOCATE AND VERIFY ALL UTILITIES WHICH MAY AFFECT THIS WORK AND NOTIFY OWNER OF ANY CHANGES. CONTACT LOCAL UTILITY COMPANIES FOR EXACT LOCATIONS PRIOR TO BIDDING THE PROJECT AND COMMENCING WORK.
6. WATER LINE TO BE MINIMUM 8.0 FEET DEPTH.
7. VERIFY INVERT ELEVATIONS OF EXISTING SANITARY LINE AT POINT OF CONNECTION WITH NEW SANITARY LINE PRIOR TO INSTALLING ANY NEW UTILITIES.
8. ALL CROSSING ELEVATIONS OF NEW UTILITIES & SIZES OF EXISTING UTILITIES ARE BASED ON ASSUMED ELEVATIONS AND SIZES PROVIDED BY THE SURVEY.
9. ALL SANITARY SERVICE PIPE AND FITTINGS WILL BE PVC SDR 26.
10. ALL WATER PIPE AND FITTINGS WILL BE DIP CLASS 52.

Proposed Knife River Tank Casting Plant Project

Part of Section 20, Township 35, City of Isanti, Isanti County, Minnesota

Grading & Erosion Control Plan

SHEET NO. 4 / 7

STORM WATER POLLUTION PREVENTION PLAN NARRATIVE:

GENERAL INFORMATION

THIS STORMWATER POLLUTION PREVENTION PLAN IS PREPARED IN ACCORDANCE TO THE NATIONAL POLLUTANT DISCHARGE ELIMINATION SYSTEM PERMIT NO. MN R1000001 FOR STORMWATER DISCHARGES ASSOCIATED WITH CONSTRUCTION ACTIVITY.
PROJECT NAME: SEPTIC TANK CASTING FACILITY
LOCATION: CAJIMA ST. NE, P.I.D. 050201603
CITY: ISANTI, MN 56040
LAT/LONG: 45.505827/-93.240317

DESCRIPTION OF CONSTRUCTION ACTIVITY:

THE SEPTIC TANK CASTING FACILITY SITE IMPROVEMENT CONSISTS OF PAVING, GRADING, UTILITY INSTALLATION, AND TURF ESTABLISHMENT.

PROJECT CONTACTS

KNIFE RIVER CORPORATION AND THE CONTRACTOR ARE RESPONSIBLE FOR IMPLEMENTATION OF THE SWPPP AND THE INSTALLATION, INSPECTION, AND MAINTENANCE OF THE EROSION PREVENTION AND SEDIMENT CONTROL BMP'S BEFORE AND DURING CONSTRUCTION.

SWPPP PREPARATION:
SWPPP PREPARER: NICHOLAS A. ANDERSON-BOGART, PEDERSON & ASSOCIATES
TRAINING: ENGINEER AND SWPPP DESIGNER (EXP 2020)
ADDRESS: 13078 FIRST STREET BECKER, MN 55308-9322
TELEPHONE: (763) 262-8822
EMAIL: NANDERSON@BOGART-PEDERSON.COM

OWNER:
OWNER CONTACT: STEVE SEMRAU, KNIFE RIVER CORPORATION
ADDRESS: 4787 SHADOW WOOD DRIVE SAUK RAPIDS, MN 56379
TELEPHONE: 320-293-1988
EMAIL: STEVE.SEMRAU@KNIFERIVER.COM

CONTRACTOR (TO BE FILLED OUT BY THE CONTRACTOR):
BUSINESS NAME _____
OWNER NAME _____
MAILING ADDRESS _____
CITY _____
TELEPHONE _____
EMAIL _____
CONTACT NAME _____
MAILING ADDRESS _____
CITY _____
TELEPHONE _____
EMAIL _____

ESTIMATED DATES OF CONSTRUCTION:

START DATE ___/___/____ (TO BE FILLED IN BY CONTRACTOR)
COMPLETION DATE ___/___/____ (TO BE FILLED IN BY CONTRACTOR)

PERMANENT STORMWATER DESIGN CALCULATIONS:

SEE SITE PLAN FOR FUTURE STORMWATER DRAINAGE CALCULATIONS AND SOIL TYPES OVER THE SITE.

DESCRIPTION OF THE NATURE OF THE CONSTRUCTION ACTIVITY:

SITE IMPROVEMENT CONSISTS OF PAVING, GRADING, UTILITY INSTALLATION, AND TURF ESTABLISHMENT.

CUMULATIVE IMPERVIOUS SURFACES:

PRE-CONSTRUCTION IMPERVIOUS AREA: 0.00 ACRES
POST CONSTRUCTION IMPERVIOUS AREA: 1.13 ACRES
NEW IMPERVIOUS AREA: 1.13 ACRES

RECEIVING WATERS:

STORM WATER FROM THIS SITE WILL BE DISCHARGED INTO AN EXISTING CITY OF ISANTI STORMWATER SYSTEM.

PLANS AND SPECIFICATIONS

THE PLAN SHEETS OF THIS PLAN SET INDICATE THE FOLLOWING ITEMS:
- THE PROJECT LOCATION AND CONSTRUCTION LIMITS.
- LOCATIONS OF IMPERVIOUS SURFACES.
- LOCATIONS OF AREAS NOT TO BE DISTURBED (E.G., BUFFER ZONES, WETLANDS, ETC.).
- STEEP SLOPE LOCATIONS.
- LOCATIONS OF ALL TEMPORARY AND PERMANENT EROSION AND SEDIMENT CONTROL BMP'S TO BE INSTALLED ON THE PROJECT.
- THE DETAIL SHEETS INDICATE EROSION AND SEDIMENT CONTROL BMPS TO BE INSTALLED ON THE PROJECT.
- IF DEWATERING IS REQUIRED FOR THIS PROJECT, THE PUMP DISCHARGE SHALL BE TREATED PRIOR TO BEING DISCHARGED OFF-SITE OR INTO A SURFACE WATER. THE DISCHARGE SHALL BE VISUALLY CHECKED TO ENSURE THAT IT IS VISIBLY CLEAN WATER. NO DEWATERING IS EXPECTED FOR THIS SITE DUE TO SANDY SOIL CONDITIONS.

TEMPORARY SEDIMENT CONTROL PRACTICES

DOWN GRADIENT SILT FENCE AND SEDIMENT LOG INSTALLATIONS ARE TO BE INPLACE PRIOR TO THE COMMENCEMENT OF ANY EARTHWORK OPERATIONS.

TOPSOIL IS TO BE WINDROWED ALONG THE CONSTRUCTION LIMITS AND PLACED AS SLOPE DRESSING IMMEDIATELY FOLLOWING COMPLETION OF THE GRADING OPERATIONS, AS THE GRADING OPERATIONS PROCEED.

TOPSOIL PLACEMENT ALONG THE EMBANKMENT SLOPES THOUGH WETLAND AREA IS TO BE SPREAD BY A LOW IMPACT CRAWLER TRACTOR OPERATING UP AND DOWN THE SLOPES SO AS TO PROVIDE TRACK PRINTS PARALLEL WITH THE CONTOURS.

INSTALLATION OF MN/DOT CATEGORY 3 EROSION CONTROL BLANKET ALONG THE EMBANKMENT SLOPES ADJACENT THE WETLANDS AREA.

ALL TEMPORARY SOILS STOCKPILES WILL REQUIRE AN EFFECTIVE MEANS OF SEDIMENT CONTROL SUCH AS AN EROSION CONTROL BLANKET COVERING OR SILT FENCE INSTALLATION ALONG THE TOE OF SLOPE.

ALL COMPLETED SWALES SLOPES AND BOTTOMS NOT DRAINING TOWARDS WETLAND AREAS ARE TO BE STABILIZED WITHIN 7 DAYS.

TEMPORARY STABILIZATION WILL BE REQUIRED IN AREAS WHERE GRADING OPERATIONS ARE SUSPENDED OR CEASED FOR A PERIOD OF 7 DAYS OR GREATER.

A ROCK CONSTRUCTION ENTRANCE FOR SEDIMENT CONTROL IS TO BE PROVIDED AT THE PROJECT.

STREET SWEEPING OF THE PAVED SURFACES WILL BE REQUIRED AS DIRECTED BY THE ENGINEER.

TIMING OF EROSION CONTROL:

SILT FENCE AND SEDIMENT LOGS WILL BE INSTALLED PRIOR TO CONSTRUCTION.

RIPRAP AND FILTER BLANKET WILL BE PLACED AT THE OUTLETS WITHIN 24 HOURS OF THE OUTLET PLACEMENT.

THE CONTRACTOR MUST STABILIZE ALL EXPOSED SOIL AREAS IMMEDIATELY FOLLOWING CONSTRUCTION WHEREVER CONSTRUCTION WILL NOT OCCUR FOR A PERIOD GREATER THAN OR EQUAL TO 7 DAYS.

STABILIZATION WORK MUST BE COMPLETE WITHIN 7 CALENDAR DAYS AFTER THE CONSTRUCTION WORK IN THAT AREA HAS TEMPORARILY OR PERMANENTLY CEASED.

AREAS THAT ARE WITHIN 200 FT OF A PUBLIC WATER MUST BE STABILIZED WITHIN 24 HOURS OF COMPLETING CONSTRUCTION DURING PERIODS OF "WORK IN WATER RESTRICTIONS" FOR TIME PERIODS DECLARED BY THE DNR.

THE CONTRACTOR IS RESPONSIBLE TO MAINTAIN THE DISTURBED AREA UNTIL VEGETATION IN ESTABLISHED.

ONCE VEGETATION IS ESTABLISHED AND CONSTRUCTION IS COMPLETE, THE SILT FENCE AND ANY OTHER TEMPORARY EROSION CONTROL THAT IS NOT BIODEGRADABLE SHALL BE REMOVED.

STREET SWEEPING TO BE PROVIDED AS DIRECTED BY THE ENGINEER OR OWNER. THE CITY REQUIRES STREET SWEEPING TO OCCUR WITHIN 8 HOURS OF NOTICE FROM THE CITY.

APPLYING MULCH, HYDROMULCH, TACKIFIER, POLYACRYLAMIDE OR SIMILAR EROSION PREVENTION PRACTICES IS NOT ACCEPTABLE STABILIZATION IN ANY PART OF A TEMPORARY OR PERMANENT DRAINAGE DITCH OR SWALE. BLANKETS OR OTHER APPROVED, BY THE ENGINEER, METHOD SHALL BE USED.

INSPECTION AND MAINTENANCE ACTIVITIES

THE CONTRACTOR SHALL BE RESPONSIBLE FOR COORDINATING AND SCHEDULING THE WORK OF ALL OPERATIONS, INCLUDING SUBCONTRACTORS AND UTILITY COMPANIES, SUCH THAT EROSION AND SEDIMENT CONTROL MEASURES ARE FULLY EXECUTED FOR EACH OPERATION AND IN A TIMELY MANNER OVER THE DURATION OF THE PROJECT. OPERATORS HAVE DAILY ACCESS TO THE PROJECT SITE. THE CONTRACTOR SHALL BE FULLY RESPONSIBLE FOR THE SWPPP IMPLEMENTATION UNTIL THE ENTIRE SITE HAS UNDERGROONE FINAL STABILIZATION AND N.O.T HAS BEEN SUBMITTED TO THE MPCA.

THE CONTRACTOR IS TO PROVIDE A TRAINED INDIVIDUAL RESPONSIBLE FOR THE IMPLEMENTATION, INSPECTION AND MAINTENANCE OF THE EROSION AND SEDIMENT CONTROL BMPS ON THE PROJECT. THAT INDIVIDUAL IS TO BE IDENTIFIED AT THE PRE-CONSTRUCTION CONFERENCE AND LISTED IN THE MINUTES THEREOF.

THE APPOINTED INDIVIDUAL IS TO PERFORM A ROUTINE INSPECTION OF THE ENTIRE SITE AT LEAST ONCE EVERY SEVEN DAYS DURING CONSTRUCTION OPERATIONS AND WITHIN 24 HOURS AFTER A RAINFALL EVENT GREATER THAN 0.5 INCHES IN 24 HOURS.

A INSPECTION FORM WILL BE PROVIDED BY THE CONTRACTOR. ANY DEFICIENCIES IN THE EROSION AND SEDIMENT CONTROL BMPS ARE TO BE NOTED ON THE INSPECTION FORM AND CORRECTED BY THE END OF THE NEXT BUSINESS DAY.

PERIMETER CONTROL DEVICES ARE TO BE REPAIRED OR REPLACED WHEN THEY ARE NO LONGER EFFECTIVE OR WHEN THE SEDIMENT REACHES ONE-HALF THE HEIGHT OF THE DEVICE.

TRAINNING DOCUMENTATION:

POLLUTION PREVENTION

FERTILIZERS ARE TO BE APPLIED ONLY IN THE AMOUNTS AS SPECIFIED AND WORKED INTO THE SOIL TO MINIMIZE EXPOSURE TO STORMWATER RUNOFF.

ONSITE REFUELING OPERATIONS ARE TO BE CONDUCTED WITH CARE. ANY INADVERTENT SPILLAGE OF FUEL OR CHEMICALS IS TO BE IMMEDIATELY CLEANED UP, REMOVED FROM THE SITE AND DISPOSED OF IN ACCORDANCE TO STATE AND LOCAL REGULATIONS. MAJOR SPILLS ARE TO BE REPORTED TO THE MPCA 24 HOUR NOTIFICATION NETWORK AT 800 422 0798. ALL VEHICLES ON-SITE ARE TO BE MONITORED FOR LEAKS AND SUBJECT TO ROUTINE PREVENTIVE MAINTENANCE EFFORTS TO REDUCE THE LIKELIHOOD OF LEAKAGE AND OR SPILLS.

PORTABLE SANITARY WASTE FACILITIES ARE TO BE PROVIDED ONSITE AND EMPTIED ON A BI-WEEKLY BASIS.

CONCRETE BATCH TRUCKS WILL NOT BE ALLOWED TO DISCHARGE DRUM AND CHUTE WASHOUT DIRECTLY ON THE GROUND. A PORTABLE WASHOUT RECEPTACLE IS TO BE PROVIDED BY THE CONTRACTOR AT THE LOCATION AS PROVIDED BY THE OWNER.

FINAL STABILIZATION

FINAL STABILIZATION OCCURS WHEN 70 PERCENT OF THE PERVIOUS AREA IS COVERED WITH UNIFORM, PERMANENT VEGETATION.

ALL TEMPORARY EROSION AND SEDIMENT CONTROL FEATURES ARE TO BE REMOVED AND THE NPDES NOTICE OF TERMINATION IS TO BE PREPARED AND SUBMITTED TO THE MPCA.

ESTIMATED QUANTITIES:

THE FOLLOWING QUANTITIES IS AN ESTIMATED PRELIMINARY AMOUNT REQUIRED FOR SEDIMENT CONTROL BMP'S AT THE START OF THE PROJECT. THIS ESTIMATE IS PROVIDED AS REQUIRED BY THE MINNESOTA POLLUTION CONTROL AGENCY GENERAL STORMWATER PERMIT FOR CONSTRUCTION ACTIVITY. ANY ADDITIONAL AND/OR REPLACEMENT BMP'S QUANTITIES WILL BE FURNISHED AND INSTALLED BY THE CONTRACTOR AT NO ADDITIONAL COST TO THE OWNER.

ESTIMATED PERLIMINARY QUANTITIES AT START OF PROJECT:

ITEM	UNIT	ESTIMATED INITIAL QUANTITY
TEMPORARY CONSTRUCTION ENTRANCE	EA	1
TEMPORARY SEDIMENT FILTER-HIGH FLOW	EA	4
TEMPORARY CONCRETE WASHOUT	EA	1
TEMPORARY PUMP SEDIMENT CONTROL DEVICE	EA	1
TEMPORARY SILT FENCE	LF	1,685

TEMPORARY EROSION AND SEDIMENT CONTROL SPECIFICATIONS

PART 1 GENERAL

1.01 SECTION INCLUDES

A. Prevention of sedimentation of waterways, open drainage ways, and storm and sanitary sewers due to construction activities.

1.02 REFERENCE STANDARDS

A. General Permit Authorization to Discharge Storm Water Associated with Construction Activity Under the National Pollutant Discharge Elimination System. Minnesota Permit No: MN R100001.

1.03 PERFORMANCE REQUIREMENTS

A. Comply with all requirements of the Minnesota Pollution Control Agency for erosion and sediment control.

B. Do not begin clearing, grading, or other work involving disturbance of ground surface cover until applicable permits have been obtained; furnish all documentation required to obtain applicable permits.
1. Obtain and pay for permits required by authority having jurisdiction.

C. Timing: Put preventive measures in place prior to disturbance of surface cover and before precipitation occurs.

D. Erosion Off Site: Prevent erosion of soil and deposition of sediment on other properties caused by water leaving the project site due to construction activities for this project.
1. Prevent tracking of mud onto public roads outside site.
2. Prevent mud and sediment from flowing onto pavements.

E. Sedimentation of Waterways Off Site: Prevent sedimentation of waterways off the project site, including rivers, streams, lakes, ponds, open drainage ways, storm sewers, and sanitary sewers.
1. If sedimentation occurs, install or correct preventive measures immediately at no cost to Owner; remove deposited sediments; comply with requirements of authorities having jurisdiction.

F. Maintenance: Maintain temporary preventive measures until permanent measures have been established.

PART 2 PRODUCTS

2.01 MATERIALS

A. Temporary Silt Fence: Woven Polypropylene geotextile resistant to common soil chemicals, mildew, and insects; non-biodegradable; in longest lengths possible; fabric including seams with the following minimum average roll lengths:
1. Average Opening Size: 20 U.S. Std. Sieve, maximum, when tested in accordance with ASTM D4751.
2. Permittivity: 0.05 sec^{-1}, minimum, when tested in accordance with ASTM D4491.
3. Ultraviolet Resistance: Retaining at least 70 percent of tensile strength, when tested in accordance with ASTM D4355/D4355M after 500 hours exposure.
4. Tensile Strength: 100 lb-f, minimum, in cross-machine direction; 124 lb-f, minimum, in machine direction; when tested in accordance with ASTM D4632.
5. Elongation: 15 to 30 percent, when tested in accordance with ASTM D4632.
6. Tear Strength: 55 lb-f, minimum, when tested in accordance with ASTM D4533.
7. Color: Manufacturer's standard, with embedment and fastener lines preprinted.
8. Silt Fence Posts: One of the following, minimum 5 feet long:
a. Steel U- or T-section, with minimum mass of 1.33 lb per linear foot.
b. Softwood, 4 by 4 inches in cross section.
c. Hardwood, 2 by 2 inches in cross section.

B. Temporary Sediment Logs: Filter logs shall consist of type wood fiber blankets and the requirements of MNDOT Spec. 3897.
1. Shall be one of the following.
a. Shall be Siltsack perimeter control by Filtrexx, Inc., or equal.

C. Temporary Sediment Filter.
1. Shall be one of the following.
a. Drop-in Sediment Filter unit that inserts into the inlet.
1) Shall be Flexstorm Inlet Filter by ADS, Inc., or equal.
(a)Provide curb opening protection for existing inlets with curb openings.

D. Temporary Rock Construction Entrance.
1. Rock shall be clean 1 to 2 inch Washed Rock.

E. Temporary Slope Erosion Protection.
1. Shall be one of the following.
a. Erosion Control Blanket.
1) Shall consist of a uniform web of interlocking straw or wood fibers sandwiched between an attached top and bottom layer of net backing.
2) The netting shall be biodegradable containing sufficient UV stabilization for breakdown to occur within a normal growing season.
3) Staples used to anchor the blankets shall be U-shaped, 11 gauge or heavier steel wire having a wire width of 1 inch and a length of 8 inches or more from top to bottom after bending.
4) The erosion control blankets acceptable for use on this project include:
(a)Geo-Synthetics, Inc., - Landtek 32.
(b)North American Green - S150.
(c)or equal.
b. Bonded Fiber Matrix.
1) The fibers shall be composed of 100% wood or wood by-products. A minimum of 23% of the fibers shall average 10.16 mm (0.4 inches) in length and 50% or more shall be retained on a Clark Fiber Classifier 24 mesh screen. Fibers shall be colored with a water soluble, non-toxic dye, to aid in uniform application over the site.
2) The binder shall be a hydro colloid based (guar gum) with added slow-release and agricultural based fertilizers. The binder shall not dissolve or disperse upon rewetting.
3) The BFM slurry shall dry to form a crust approximately 3-6 mm (1/8 to 1/4 inches) thick adhering to the soil surface.
4) The moisture content of the matrix shall be 12% +/- 3% by weight.
5) The matrix shall consist of materials that are 100% biodegradable and 100% beneficial to plant life.
6) The matrix shall provide 100% continuous coverage and shall have no holes greater than 1mm in size.
7) The hydrated mixture density shall be approximated by a slump test prior to application.
8) The BFM mulch: water ratio shall be as manufacturer recommendations. The minimum BFM mulch to water ratio is 50lbs BFM mulch and 100 gallons water. The water rate will vary between 100 gallons and 125 gallons per 50lbs, depending on which of the products is used.
9) The Bonded Fiber Matrix mulch products acceptable for use on this project include.
(a)EcoAngle - Manufactured by CANFOR.
(b)Soil Guard - Manufactured by Mat, Inc.
(c)Conwed 3000 - Manufactured by Conwed Fibers, Inc.

F. Temporary Pumped Sediment Control Device.
1. Non-woven geotextile fabric sewn into a bag using a double needle machine and high strength thread.
a. Seams shall have an average width strength of 60lb/inch as per ASTM D4884 and meet or exceed the following.
1) Drab tensile of 205 lbs as per ASTM D 4632.
2) Puncture of 110 lbs as per ASTM D 4833.
3) Flow rate of 95 gal/min/sf as per ASTM D 4491.
4) Permittivity of 1.5 Sec^{-1} as per ASTM D 4491.
5) Mullen Burst Strength of 350 psi as per ASTM D 3786.
6) AOSX of 80X US Sieve as per ASTM D 4751.
2. Spout large enough to accommodate a 4 inch discharge hose with strap to tie unit closed.
3. Shall be one of the following.
a. DirtBag.
1) ACF Environmental, Inc., 2831 Cardinal Road, Richmond, Virginia 23234, 800-448-3636.
b. Dandy Dewatering Bag.
1) Dandy Products, Inc., P.O. Box 1980, Westerville, Ohio 43086, 800-591-2264.
c. or equal.

PART 3 EXECUTION

3.01 PREPARATION

A. Schedule work so that soil surfaces are left exposed for the minimum amount of time.

B. The Construction Site Operator shall follow all requirements of the Minnesota Stormwater Permit No. MN R100001.

C. The Contractor shall complete and sign the Notice of Intent, obtain the Owner's signature, and submit to the MPCA.
1. Provide a signed copy to the Owner.

3.02 SCOPE OF PREVENTIVE MEASURES

A. Natural vegetation shall be retained wherever feasible.

B. Land grading and excavating shall be kept at a minimum to reduce the possibility of creating runoff and erosion problems which require extensive control measures.

C. Land exposure shall be minimized in terms of area and time.

D. Temporary Silt Fence.
1. Provide along the downgrade perimeter edge of soil stockpiles.
2. Provide at locations shown on the Plans.
3. Provide at additional locations as necessary to meet the requirements under section 1.03 of this specification.

E. Temporary Sediment Logs.
1. Provide at locations shown on the Plans.
2. Provide at additional locations as necessary to meet the requirements under section 1.03 of this specification.

F. Temporary Sediment Filters.
1. Place immediately before land is disturbed adjacent to existing storm sewer manholes with open grates.
2. Place immediately after new storm sewer manholes with open grates are installed and immediately before land is disturbed adjacent to existing storm sewer manholes with open grates.

G. Temporary Rock Construction Entrance.
1. Provide beyond nonaggregate disturbed areas prior to the construction vehicles entering public paved roadways.

H. Temporary Concrete Washout.
1. Provide at a defined area on site or to an area designated for cement washout.
2. Shall be sufficient in size to contain the wash water and residual cement.

I. Temporary Pumped Sediment Control Device.
1. Device shall be used to control sediment discharge in any dewatering or pumped water application.

3.03 INSTALLATION

A. Temporary Rock Construction Entrance.
1. The rock area shall be a minimum of 8 inches deep, extend the full width of the egress area and shall be at least 50ft long, however, longer entrances may be required to adequately clean the tires.
2. Geotextile fabric may be used to prevent migration of mud from the underlying soil into the rock.

B. Temporary Silt Fences:
1. Store and handle fabric in accordance with ASTM D4873.
2. Use nominal 30 inch high barriers, minimum 60 inch long posts spaced at 8 feet maximum spacing.
3. Embed bottom of fabric in a trench on the upslope side of fence, with 6 inches of fabric laid flat on bottom of trench facing upslope; backfill trench and compact.
4. Minimum post embedment.
a. Steel post = 24 inches, minimum.
b. Wood post = 16 inches, minimum.
5. Do not splice fabric width; minimize splices in fabric length; splice at post only, overlapping at least 18 inches, with extra post.
6. Fasten fabric to wood posts using one of the following:
a. Four nails per post with 3/4 inch diameter flat or button head, 1 inch long, and 14 gage, 0.083 inch shank diameter.
b. Five staples per post with at least 17 gage, 0.0453 inch wire, 3/4 inch crown width and 1/2 inch long legs.
7. Fasten fabric to steel posts using wire, nylon cord, or integral pockets.

C. Temporary Sediment Logs:
1. Perimeter control should be installed parallel to the base of the slope or other disturbed area.
2. Stakes should be installed through the middle of the perimeter control on 10 ft centers, using 2 in by 2 in by
3 ft wooden stakes. In the event staking is not possible, i.e., when perimeter control is used on pavement, heavy concrete blocks shall be used behind the perimeter control to help stabilize during rain events.

D. Temporary Sediment Filters.
1. Drop-in Sediment Trap.
a. Place as recommended by the manufacturer.

E. Temporary Pumped Sediment Control Device.
1. Install as per Manufacturer's recommendations.

F. Temporary Slope Erosion Protection.
1. Place at any and all finish slopes that are steeper than 10H:1V.
2. Seed and fertilize per Specification 32 9219 prior to installing Temporary Slope Erosion Protection.
3. Bonded Fiber Matrix.
a. Install the BFM as per the manufacturer's instructions with the following minimum guidelines.
1) The BFM shall be applied with hydraulic spray equipment by a manufacturer's certified applicator.
2) Application shall be done at least 24 hours in advance of projected rainfall to allow the BFM mulch adequate time to dry.
3) The BFM mulch shall be applied in two stages (one-half rate) with ample time to dewater the first application.
4) The BFM mulch shall be applied from at least two alternate directions, preferably 90 degrees apart, if possible, to ensure all soil faces are covered.
5) The installation rate of the BFM mulch shall be 3500 lbs per acre, minimum and 100% coverage.
4. Erosion Control Blanket.
a. Install as per manufacturer's recommendations.

3.04 MAINTENANCE

A. Inspect preventive measures weekly, within 24 hours after the end of any storm that produces 0.5 inches or more rainfall at the project site, and daily during prolonged rainfall.

B. Repair deficiencies immediately.

C. Temporary Silt Fences:
1. Promptly replace fabric that deteriorates unless need for fence has passed.
2. Remove silt deposits that exceed one-third of the height of the fence.
3. Repair fences that are undercut by runoff or otherwise damaged, whether by runoff or other causes.

D. Temporary Construction Exit.
1. Periodic addition of rock, or removal and replacement of pad shall be provided as voids become filled with soil.

E. Temporary Pumped Sediment Control Device.
1. Replace the unit when 1/2 full of sediment or when sediment has reduced the flow rate of the pump discharge to an impractical rate.

F. Place sediment in appropriate locations on site; do not remove from site.

3.05 CLEAN UP

A. Remove temporary measure after permanent vegetation has been established.

B. Where removal of temporary measures would leave exposed soil, shape surface to an acceptable grade and finish to match adjacent ground surfaces.

NOTES:

1. INLET PROTECTION DEVICES SHALL BE MAINTAINED OR REPLACED AT THE DIRECTION OF THE ENGINEER. MANUFACTURED ALTERNATIVES APPROVED AND LISTED ON THE DEPARTMENTS EROSION CONTROL PRODUCT ACCEPTABILITY LIST MAY BE SUBSTITUTED. WHEN REMOVING OR MAINTAINING INLET PROTECTION, CARE SHALL BE TAKEN SO THAT THE SEDIMENT TRAPPED ON THE GEOTEXTILE FABRIC DOES NOT FALL IN THE INLET. ANY MATERIAL FALLING INTO THE INLET SHALL BE REMOVED IMMEDIATELY.
2. FINISHED SIZE, INCLUDING POCKETS WHERE REQUIRED, SHALL EXTEND A MINIMUM OF 10" AROUND THE PERIMETER TO FACILITATE MAINTENANCE OR REMOVAL.

FLAP POCKETS SHALL BE LARGE ENOUGH TO ACCEPT WOOD 2x4.

INSTALLATION NOTES:
DO NOT INSTALL PROTECTION IN INLETS SHALLOWER THAN 30", MEASURED FROM THE BOTTOM OF THE INLET TO THE TOP OF THE GRATE.

TRIM EXCESS FABRIC IN THE FLOW LINE TO WITHIN 3" OF THE GRATE.

THE INSTALLED BAG SHALL HAVE A MINIMUM SIDE CLEARANCE, BETWEEN THE INLET AND THE BAG, MEASURED AT THE BOTTOM OF THE OVERFLOW HOLES, OF 3". WHERE NECESSARY THE CONTRACTOR SHALL CLINCH THE BAG, USING PLASTIC ZIP TIES, TO ACHIEVE THE 3" CLEARANCE. THE TIES SHALL BE PLACED AT A MAXIMUM OF 4" FROM THE BOTTOM OF THE BAG.

J.2.

A Community For Generations.

Isanti

MEMORANDUM

TO: Mayor George Wimmer
Members of the Isanti City Council

FROM: Ryan Kernosky, Community Development Director

DATE: December 4, 2018

SUBJECT: **CONSIDER RESOLUTION EXTENDING SAC AND WAC DEFERRAL PROGRAM TO DECEMBER 31, 2019**

Background:

As of November 29, 2018, 85 new single-family housing permits have been pulled. Six of the 85 permits utilized the SAC and WAC deferral program implemented in 2015. The SAC and WAC Deferral program utilizes a standard Repayment Agreement form drafted by Development Attorney Deike and approved December 18, 2012 and updated in 2016. The 2019 SAC ($3,185) and WAC ($2,537) charges total $5,722 per REC. Commercial development has many different REC rates depending on the usage.

Under the current Repayment Agreement form the Developer would need to pay the City SAC and WAC fee ($5,722) for the shortest period of the following actions: 120 days from issuance of permit, sale of property, or issuance of Certificate of Occupancy.

Usage of this incentive is largely down from previous years:

2013: 12 NSFD, 9 Deferrals – 75% usage
2014: 37 NSFD, 10 Deferrals – 27% usage
2015: 39 NSFD, 13 Deferrals – 33% usage
2016: 62 NSFD, 12 Deferrals – 19% usage
2017: 91 NSFD, 10 Deferrals – 11% usage
2018: 85 NSFD, 6 Deferrals – 7% usage

This program does not require any extensive staff time other than filling out agreements and recording them.

Staff Request:

Staff is requesting that the City Council review this program and determine if you wish to continue to utilize it for 2019. If you wish to continue the program, it would be appropriate to pass the attached Resolution. If you wish to discontinue the program, take no action on the attached Resolution.

Attachment:

- Resolution No. 2018-XXX

RESOLUTION 2018-XXX

EXTENDING SAC AND WAC DEFERRAL PROGRAM TO DECEMBER 31, 2019

WHEREAS, the City of Isanti provides an opportunity to companies to defer the cost of SAC and WAC fees for the shorter of a period of 120 days from issuance of permit, sale of property, or issuance of Certificate of Occupancy; and

WHEREAS, the City of Isanti has a template for Repayment Agreement and Release of Mortgage updated by City Staff that serves as a guarantee that the City would receive the full SAC and WAC fees for each project that the City and Developer agree to defer the SAC and WAC Fees by 120 days; and

WHEREAS, the City Council would approve each agreement at a City Council Meeting with payment for the recording of the document to be provided Developer prior to execution of the agreement by the City.

WHEREAS, the City would provide an executed Release of Mortgage in a reasonable timeframe to the Developer upon receipt of the SAC and WAC payment.

NOW, THEREFORE, IT IS HEREBY RESOLVED, by the City Council of the City of Isanti, Minnesota amend and extend the SAC and WAC Deferral Program to December 31, 2019 and authorize City Staff to use it as an economic development tool to increase development within the City of Isanti.

BE IT FURTHER RESOLVED, by the City Council of the City of Isanti, Minnesota that City Staff and Officials will only process the Repayment Agreement when the Developer has provided payment for the recording fee associated with the filing of the Repayment Agreement at Isanti County and City Officials will record such document.

BE IT FURTHER RESOLVED, by the City Council of the City of Isanti, Minnesota authorize the Mayor and City Clerk to execute all Release of Mortgage documents associated with approved Repayment Agreements after the SAC and WAC payment is receipted and to provide an executed document to the Developer in a reasonable amount of time.

This Resolution hereby approved by the Isanti City Council this 4th day of December 2018.

Attest: _____ Mayor George A. Wimmer

_____
Katie Brooks
Human Resources/City Clerk

MEMORANDUM

Date: November 28, 2018

To: Honorable Mayor Wimmer and Members of the City Council

From: Bradley C. DeWolf, P.E., City Engineer

Jason W. Cook, P.E., Assistant City Engineer

Subject: 2019 Storm System Maintenance Fee Proposal
City of Isanti, MN

Bolton & Menk, Inc. is pleased to present this proposal to provide engineering services for the 2019 Storm System Maintenance Project.

It is our understanding the scope of work to be completed for the 2019 Storm System Maintenance project is as follows:

- Create Plans and Specifications for ponds and aprons designated for maintenance in the 2017, 2018, and 2019 years of the 5-year maintenance plan.
- Contact residents regarding private property access conflicts.
- Solicit bids from contractors and provide a recommendation to council.
- Provide a Resident Project Representative during all major work on site.
    - Work with the Contractor on site to ensure the project is completed as intended.
    - Coordinate access, construction schedule and restoration with residents.

Bolton & Menk proposes to complete the above engineering services for an hourly, not-to-exceed fee of $36,500.00 in addition to the fees council approved for the 2017 and 2018 Storm System Maintenance projects that have not been constructed.

Should the City elect to perform the site inspection and coordinate access with residents, or reduce the required on site time an inspector is required, the fee breakdown is as follows:

Research, Resident Coordination, Plans, Specifications and Bidding	$16,500
Construction Administration (+$2,200 approved from 2017 proposal & 2018 proposal)	$5,500
Field Resident Project Representative (+$8,000 approved from 2017 proposal & 2018 proposal)	$14,500

Attached is a figure showing the locations proposed work to be included in the 2019 Storm System Maintenance Project. The work includes the 2017, 2018 and 2019 maintenance years.

Finance Committee reviewed this proposal at the November 21, 2018 meeting and recommend approval.

Please contact me at (612) 756-1032 if you have any questions or need additional information.

Bolton & Menk is an equal opportunity employer.

RESOLUTION 2018-xxx

A RESOLUTION AUTHORIZING ENGINEERING SERVICES FOR THE 2019 STORM SYSTEM MAINTENANCE PROJECT

WHEREAS, the City of Isanti has adopted a 5 Year Storm Water Systems Maintenance plan to inspect, perform maintenance and restore the stormwater discharge point and ponds, in accordance with the requirements for a Municipal Separate Storm Sewer System community; and,

WHEREAS, Bolton and Menk, Inc. has provided a proposal for 2019 which includes new and prior scopes of work, creating specifications, public contact, solicitation of bids, and inspection in the amount, not to exceed, $46,700.00 (includes previously approved 2017 and 2018 project fees of $10,200); and,

WHEREAS, the Finance Committee recommends approval of engineering services by Bolton and Menk, Inc. as presented in this Resolution; and,

WHEREAS, funding has been approved in the 2019 City Budget, within Stormwater Fund 603:

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to hereby accept the proposal by Bolton and Menk, Inc. for engineering services for the 2019 Storm System Maintenance Project in the amount, not to exceed, $46,700.00.

This Resolution is hereby approved by the Isanti City Council this 4th day of December, 2018.

Attest:

Mayor George A. Wimmer

Dated at Isanti, Minnesota this 22nd day of October, 2018.

Respectfully submitted,

Ryan Kernosky
Community Development Director

CITY OF ISANTI
PARKS, RECREATION, AND CULTURE BOARD
MEETING MINUTES
October 23, 2018
City Council Chambers

1. Meeting Opening.

A. Call to Order.
Zdon called the meeting to order at 6:00 p.m.

B. Pledge of Allegiance.
Everyone stood for the Pledge of Allegiance.

C. Roll Call.

Members Present:	Jennifer Garvey, Jeff Johnson, James Witte, Aaron Zdon, and Mayor Wimmer
Staff Present:	Katie Everett, Parks, Recreation, and Culture Manager
Others Present:	Lisa Johnson

D. Agenda Modifications.
Zdon asked if there were any agenda modifications; there were none. Motion by Wimmer, second by Witte to approve the agenda for the October 23, 2018 Parks, Recreation, and Culture Board Meeting.

2. Approval of Minutes from September 25, 2018 Parks, Recreation, and Culture Board Meeting

Motion by Wimmer; second by Witte. Minutes were unanimously approved.

3. Family Day Recap

Everett stated that there are pictures included in the agenda packet, and the event went really well. Being the first time doing this event, we didn't know what to expect, but Everett's best guess is that we had about 100 people come through. The event included mostly self-guided activities. The Ambassadors were there to help guide people and take pictures at the photo booth. It sounded like most people had them take pictures with their phones, but we had our camera out there too for people that didn't have a phone or wanted a higher quality photo. Everett had about 15 families that she emailed pictures to afterward. The s'more station was the open space at the bottom of the stairs and there was a nature hike with scavenger hunt activity for kids. In casual crowd polls with people at the s'mores station, Everett would guess that at least half of the people had never been there, and many had never heard of the park before. It was really an all missions accomplished event. Zdon added that the s'mores station was great, and when he was there there had to be at least 20 people there. Everett said that for this year, the event was from 3:00-7:00 so it was around sunset for pictures, and after about 6:00 pm we didn't see a whole lot of people, but before that there were around 20 people at the s'mores station the whole time.

4. Parks Updates

Everett shared that the first movie night went really well and we had 55 people come. Some of them were there with Boy Scouts, but many were there on their own. We handed out schedules to everyone, so hopefully we see them all again. We still have volunteer opening for every night except for April. Everett has sent the information to the principals at all of the schools, and she is reconnecting with other groups who have done it before.

Everett also stated that the Legacy Pines development has been approved. We will do our best to make sure that while that's happening everyone can still get to the park. She reminded the board members to send people to City staff if they have questions as they start seeing construction. So far, all Everett had only seen some tree clearing in the development. When she drove by earlier she noticed the graders are out there, but they haven't done anything yet. Zdon asked if there's anything in the papers about it yet. Wimmer stated that it was covered when it was discussed at Council, and a number of people who live out there attended that meeting. Unfortunately, there are a lot of nonsensical rumors going around, but it has always been proposed as R1 on that side. Zdon added that he didn't know if maybe we could do an article in the paper stating that a development is going in and showing the

plat, because there's a lot of misinformation about the housing sizes and how people are going to get to the park. Everett added that she is also working on the Winter edition of the Isantian, so we can maybe put something in there too if there's space. Garvey added that she agrees with having more information, maybe even on the board that's out there, showing people how they can access the park during construction. Wimmer stated that per the agreement it will be accessible at all times, and agreed that it would be a good idea to put something out that shows what the development will look like and how to get through it.

Everett added some last notes about the season change over for parks: the dock is out at River Bluff and the community garden is tilled under. Public Works also tilled the mulch and we'll get new mulch next year, and they already added in the new row for next spring. Next month she will give an update about all of the projects that were completed this year.

5. Adjournment

Motion by Witte, second by Johnson to adjourn the October 23, 2018 meeting of the Parks, Recreation, and Culture Board. Motion was approved.

The meeting adjourned at 6:08 p.m.

Dated at Isanti, Minnesota this 23rd day of October, 2018.

Respectfully submitted,

Katie Everett

Request for City Council Action

To: **Mayor Wimmer and City Council Members**

From: Chief Gene C. Hill **MEMO**

Date: November 29, 2018

Subject: Policy – 171 Domestic Abuse Reporting Policy

Background:

The Minnesota Peace Officers Standards and Training (POST) Board has several model policies that each and every Minnesota law enforcement agency must adopt and have on file within their agency. As laws are updated and added by the Minnesota Legislature, these policies also must be updated. The POST Board has required that the following language be added to the required policy as is related to Domestic Abuse Reporting:

> *Qualified domestic violence-related offense (QDVRO) has the meaning given it in Minn. Stat. 609.02, subd. 16 and includes a violation of or an attempt to violate a domestic abuse order for protection; first or second degree murder; first through fifth degree assault; domestic assault; female genital mutilation; domestic assault by strangulation; first through fourth degree criminal sexual conduct; malicious punishment of a child; terroristic threats; violation of harassment restraining order; stalking; interference with an emergency call; nonconsensual dissemination of private sexual images; and violation of domestic abuse no contact order; and similar laws of other states, the United States, the District of Columbia, tribal lands, and United States territories. If a person arrested for a domestic crime has a prior QDVRO, the new offense may be chargeable as a higher-level crime.*

This language would be added to the current policy under the section of definitions.

Action:

I am requesting that the City Council review and approve the policy update as it relates to the language addition for the definition of a qualified domestic violence-related offense as it is written to meet the requirements as set by the POST Board.

RESOLUTION NO. 2018-XXXX

RESOLUTION AUTHORIZING THE WRITTEN POLICY LANGUAGE CHANGE AS IT RELATES TO THE DOMESTIC ABUSE POLICY WITHIN ITS POLICE DEPARTMENT

WHEREAS, the Minnesota Peace Officers Training and Standards (POST) Board requires all law enforcement to have model policies governing the handling of certain crimes; and

WHEREAS, the Minnesota Legislature adds and deletes statutory language requirements that affect these model policies; and

WHEREAS, added definitional language has been added and required to be in the POST Board model policy to be compliant with the model policy standards:

> *Qualified domestic violence-related offense (QDVRO) has the meaning given it in Minn. Stat. 609.02, subd. 16 and includes a violation of or an attempt to violate a domestic abuse order for protection; first or second degree murder; first through fifth degree assault; domestic assault; female genital mutilation; domestic assault by strangulation; first through fourth degree criminal sexual conduct; malicious punishment of a child; terroristic threats; violation of harassment restraining order; stalking; interference with an emergency call; nonconsensual dissemination of private sexual images; and violation of domestic abuse no contact order; and similar laws of other states, the United States, the District of Columbia, tribal lands, and United States territories. If a person arrested for a domestic crime has a prior QDVRO, the new offense may be chargeable as a higher-level crime*

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to authorize and accept the proposed written policy #171 change as it is written to be the Isanti Police Departments Domestic Abuse Policy governing it use within the department and in accordance to federal and state law.

This resolution was duly adopted by the Isanti City Council this 4th day of December, 2018.

ISANTI POLICE DEPARTMENT
DEPARTMENT MANUAL
Domestic Abuse

EFFECTIVE DATE:
DATE OF ISSUANCE:
GENERAL ORDER: No. 171
RE-EVALUATION DATE: April 16, 1999

INTRODUCTION AND PURPOSE OF POLICY

Introduction:

The Isanti County Law Enforcement Agencies (Isanti County Sheriffs Office, Braham Police Department, Cambridge Police Department, and Isanti Police Department) recognize domestic abuse as a serious problem in today's society. This agency's policy is to protect victims of domestic abuse by making an arrest whenever it is authorized and by insuring its peace officers' complete understanding of the law governing this area.

Peace officers will utilize this policy in response to calls where there may be domestic abuse. This policy prescribes courses of action peace officers should take in response to a domestic call. The agencies will aggressively enforce these laws without bias and prejudice based on race, marital status, sexual orientation, social class, age, disability, gender, religion, creed, or natural origin.

Purpose:

The principal purpose of this policy is to establish guidelines and procedures to be followed by peace officers in law enforcement's response to domestic abuse. Additionally, this policy intends:

1. To prevent future incidents of domestic abuse by establishing arrest rather than mediation as the preferred law enforcement response to domestic abuse.

2. To afford maximum protection and support to victims of domestic abuse through a coordinated program of law enforcement and victim assistance.

3. To ensure that the same law enforcement services are available in domestic abuse cases that are available in other criminal cases.

4. To reaffirm peace officers' authority and responsibility to make arrest decisions in accordance with established probable cause standards.

5. To promote peace officer safety by ensuring that they are as fully prepared as possible to respond to domestic calls.

6. To complement and coordinate efforts with the development of domestic abuse prosecution plans, so that law enforcement, prosecution and advocacy will be more efficient and successful.

7. To promote law enforcement's accountability to the public in responding to domestic abuse.

8. To document allegations of domestic abuse so there can be meaningful prosecution and delivery of victim services.

DEFINITIONS

For purposes of this policy, the words and phrases in this section have the meanings given to them, unless another intention clearly appears.

Domestic Abuse means (1) physical harm, bodily injury, assault, or the infliction of fear of imminent physical harm, bodily injury or assault, between family or household members; or (2) terroristic threats (M.S. 609.713, subd. 1) or criminal sexual conduct in the first through fourth degree, committed against a family or household member by a family or household member (M.S. 518B.01, subd. 2(a)).

Domestic Abuse Program means a public or private intervention project or advocacy program that provides support and assistance to the victims of domestic abuse.

Child means a person under the age of 18.

Family or Household Members means spouses, former spouses, parents and children, persons related by blood, and persons who are presently residing together or who have resided together in the past, and persons who have a child in common regardless of whether they have been married or have lived together at any time, and persons involved in a significant romantic or sexual relationship. It also includes a man and woman if the woman is pregnant and the man is alleged to be the father, regardless of whether they have been married or have lived together at any time.

Qualified domestic violence-related offense (QDVRO) has the meaning given it in Minn. Stat. 609.02, subd. 16 and includes a violation of or an attempt to violate a domestic abuse order for protection; first or second degree murder; first through fifth degree assault; domestic assault; female genital mutilation; domestic assault by strangulation; first through fourth degree criminal sexual conduct; malicious punishment of a child; terroristic threats; violation of harassment restraining order; stalking; interference with an emergency call; nonconsensual dissemination of private sexual images; and violation of domestic abuse no contact order; and similar laws of other states, the United States, the District of Columbia, tribal lands, and United States territories. If a person arrested for a domestic crime has a prior QDVRO, the new offense may be chargeable as a higher-level crime.

Domestic Call means a request for assistance to a law enforcement agency regarding domestic abuse or any other crime against a family or household member.

DISPATCHING THE CALLS

Receiving the Domestic Call:

Upon receiving a domestic call, the dispatcher will assign the call a high priority. The dispatcher should assign at least two officers to a domestic call. If only one officer is available, all reasonable attempts should be made to obtain another officer to assist the officer who is initially dispatched.

Information to be Obtained:

The dispatcher receiving a domestic call should attempt to elicit from the caller and should communicate to the responding peace officer as much of the following information as possible:

- The nature of the incident.
- The address of the incident, including apartment number, etc.
- The telephone number where the caller can be reached and all alternate telephone number.
- Whether weapons are involved or are present in the dwelling.
- Whether someone is injured and the nature of the injury.
- Information about the suspect including whether the suspect is present, description, direction of flight, mode of travel, etc.
- Relationship between the caller and the suspect.
- Whether there has been prior abuse or prior calls involving these individuals.
- Whether there is an order for protection.
- Whether children are present at the scene.
- Whether there are non-English speaking people or people with mobility impairments or hearing impairments at the scene.

If the caller is the victim, the dispatcher should attempt to keep the caller on the telephone as long as possible, should tell the caller that help is on the way, and inform the caller when the caller can expect the peace officers to arrive.

If the caller is a witness to an incident in progress, the dispatcher should attempt to keep the caller on the telephone and should relay ongoing information provided by the caller to the responding peace officer.

If the responding peace officers are some distance away, and the dispatcher cannot remain on the telephone with the caller/victim, the dispatcher should attempt to call back periodically to check on the progress of events and call again when the officers arrive at the scene. If the dispatcher finds that a caller/victim who was recently available suddenly cannot be reached by phone or there is a persistent busy signal, the dispatcher should relay that information to the responding officer.

RESPONDING TO THE CALLS

Driving to the Scene:

The peace officer should respond directly and without reasonable delay to the scene of a domestic call. The peace officer should take into consideration all information provided by dispatch in determining speed of travel.

Initial Contact with Occupants:

Upon arriving at the scene of a domestic call and being met, the responding peace officers should identify themselves as peace officers; explain their presence, and request entry into the home. The officers should ask to see the person who is the subject of the call. If the person who called the law enforcement agency is someone other than the subject of the call, the officers should not reveal the caller's name. The officers should check to make sure all of the occupants are safe.

Entry:

* Refused -- If refused entry, the officers should be persistent about seeing and speaking alone with the subject of the call. If access to the subject is refused, the officers should request the dispatcher to contact the caller.

* Forced Entry – If access is still refused and the officers have reason to believe that someone is in imminent danger, the officers are permitted to force entry.

* Search Warrant Entry -- If the officers are refused entry and have no legal grounds for forced entry and they have reasonable grounds to believe a crime has been committed, they should contact the supervisor and request permission to obtain a search warrant.

First Aid:

After securing the scene, the responding peace officers shall provide the necessary first aid.

ARREST DECISIONS

Making Arrests:

After securing the scene and providing any first aid, the peace officers will begin a criminal investigation to determine if there is evidence and probable cause to believe that a crime has been committed based on the evidence and not upon the victim's desire to make an arrest. The officers should collect relevant physical evidence, including weapons that may have been used, take photographs of the scene and any injuries, take damaged property into evidence if appropriate, and take statements from the involved parties and witnesses. Statements should be taken at the scene as close in time to the assault as possible. The victim's emotional state should be noted in the statement. Some of the evidence and statements include:

- Condition of clothing (if ripped take as evidence).
- Property damage (take photographs of any damage).

- Excited utterances of the victim and suspect.
- Demeanor of the victim and the suspect.
- Medical records including the victim's statement to paramedics, nurses and doctors and have the victim sign a medical release of information.
- Interviews of witnesses including the children who may have been present.
- Evidence of any prior domestic abuse – related convictions, including dates.
- Any existing orders for protection or no contact orders and the jurisdiction in which they were obtained.

Note: When determining probable cause, the peace officers should consider their observations and any statements by parties involved and any witnesses. Prior convictions may provide the basis for enhancement to a gross misdemeanor or even felony charges (see VI.B below).

Factors Not To Be Considered in Making the Arrest:

Arrests should be made without the consideration of:

- Marital status, sexual orientation, race, or cultural, social, political or professional position.
- Ownership, tenancy rights of either party, or the fact that the incident occurred in a private place.
- Belief that the victim will not cooperate with criminal prosecution or that the arrest may not lead to a conviction (assume the victim will not cooperate and gather as much evidence as possible).
- Verbal assurances that the abuse will stop.
- Disposition of previous police calls involving same victim or suspect.
- Denial by either party that the abuse occurred when there is evidence of domestic abuse.
- Lack of a court order restraining or restricting the suspect.
- Concern about reprisals against the victim.
- Adverse financial consequences that might result from the arrest.
- Chemical dependency or intoxication of the parties.

Primary Aggressor and Dual Arrests:

The agencies shall discourage dual arrest. Where there are allegations that each party assaulted the other, the peace officer shall determine whether there is sufficient evidence to conclude that one of the parties is the primary aggressor based on the following criteria and the officer's judgment:

- Comparative extent of any injuries inflicted.
- Fear of physical injury because of past or present threats.
- Actions take in self-defense or to protect oneself.
- The history of domestic abuse perpetrated by one party against the other.
- Existence or previous existence of orders for protection.

AUTHORITY AND TYPES OF ARREST

Warrantless Probable Cause Arrest for Fifth Degree Assault or Domestic Violence:

Although the general rule is that officers may not make probable cause arrests for misdemeanors unless the offense occurs in their presence (or a citizen who saw the crime so requests), domestic assault is an exception. M.S. 629.341 provides that " . . . a peace officer may arrest a person anywhere without a warrant, including at the person's residence, if the peace officer has probable cause to believe that the person within the preceding twelve hours has (committed the crime of domestic assault) . . ." However, the Minnesota Court of Appeals has ruled in State v. Anderson, 388 N.W.2d 784 (Minn. Ct. App. 1986) that absent consent, hot pursuit, medical or emergency aid, child welfare (M.S. 260.165) or exigent circumstances, a peace officer DOES NOT have a right under M.S. 629.341 to enter a suspect house for the sole purpose of effecting a domestic abuse arrest. As a general rule, any evidence obtained as a result of an unlawful house entry will be suppressed under the "fruit of the poisonous tree" doctrine.

Note: An arresting officer may not issue a citation in lieu of an arrest and detention to all individual charged with assaulting a spouse or other individual with whom the charged person resides. (M.S. 629.72)

Level of Arrest for Assault 5 and Domestic Assault: Misdemeanor. Gross Misdemeanor and Felony:

Assault in the Fifth Degree and Domestic Assault are typically misdemeanors. However, recent changes in the statute greatly increase the potential for arrests for these crimes at the gross misdemeanor and even felony level.

1. Gross Misdemeanors

   M.S. 609.224, subd. 2(a), Assault in the Fifth Degree, provides for an **enhancement to a gross misdemeanor** violation when the offense is against the **same victim** within five years of discharge from sentence for a previous conviction for assault, criminal sexual conduct in the first through fourth degree, or terroristic threats in Minnesota or any similar law of another state.

   If the charge is Domestic Assault (M.S. 609.2242), if the current victim is a family member or household member, and the crime occurs within five years of discharge from sentence for conviction of any of the above offenses against **any family or household member,** the same gross misdemeanor enhancement applies. The prior conviction need not be against a member of the **same** family or household.

   If there is a prior conviction for assault or terroristic threats against **any person** within two years, a gross misdemeanor may also be charged.

2. Felonies

As of August 1, 1993, if a person commits assault in the Fifth Degree within five years of discharge from sentence for the **first of two or more convictions** of assault, criminal sexual conduct in the first through fourth degree, or terroristic threats against the **same victim,** assault 5 becomes a felony. The same enhancement applies to assault 5 against any victim occurring within two years of the first of two or more of these convictions.

Domestic Assault (against a family or household member) is also enhanceable under the same circumstances except t11at the prior convictions may be against **any** family or household member.

The new language "within five years of discharge from sentence" in effect extends the reach back for predicate convictions to as much as 7 1/2 years. Example: Defendant arrested for assault 5 on 1/1/98, sentenced on 6/1/98 and placed on two years probation. This offense remains good for enhancement purposes until 6/1/05.

Harassment/Stalking (M.S. 609.749):

Effective July 1, 1993, Minnesota enacted a stalking statute that creates new crimes at both the felony and gross misdemeanor levels. The statute also supersedes and repeals certain misdemeanor offenses. M.S. 609.749 includes several provisions that are frequently applicable to domestic abuse situations even when no actual assault occurs.

The 1997 Legislature amended the stalking statute to clarify language that the Minnesota Supreme Court found ambiguous in the 1993 law but still maintained the basic structure of the 1993 law.

1. Gross Misdemeanors

Current law (effective. 5/7 /97) makes it a gross misdemeanor to harass another person by committing any of the following acts. A person who:

- Directly or indirectly manifests a purpose or intent to injure the person, property or rights of another by the commission of an unlawful act.
- Stalks, follows or pursues another.
- Returns to the property of another if the action is without claim of right to the property or consent of one with authority to consent.
- Repeatedly makes telephone calls or induces a victim to make telephone calls to the actor, whether or not conversation ensues.
- Makes or causes the telephone of another repeatedly or continuously to ring.
- Repeatedly uses the mail or delivers or causes the delivery of letters, telegrams, packages, or other objects.
- Engages in any other harassing conduct that interferes with another person or intrudes on the person's privacy or liberty.

M.S. 609.749, subd. 1 (as amended by the 1997 Legislature) defines "harass" as meaning, "To engage in intentional conduct which (1) the actor **knows or has reason to know** would cause the victim **under the circumstances** to feel frightened, threatened,

oppressed, persecuted, or intimidated; and (2) causes this reaction on the part of the victim."

The 1997 Legislature also specifically declared that in stalking/harassment prosecutions, the State does not have to prove the actor **intended** to cause the victim to feel frightened, threatened, oppressed, persecuted, or intimidated. M.S. 609.749, subd. 1 a.

2. Felony Enhancement

Any of the above gross misdemeanors is enhanceable to a felony if committed within 10 years of discharge from sentence for a prior conviction for harassment, assault (any degree), violation of an OFP, or harassment order or terroristic threats, OR if committed against a juvenile, OR if committed while possessing a dangerous weapon.

3. Pattern of Harassing Conduct

In addition, it is a felony to engage "in a pattern of harassing conduct with respect to a single victim or one or more members of a single household which the actor **knows or has reason to** know would cause a reasonable person under the circumstances to feel terrorized or to fear bodily harm and which does cause this reaction" in the victim. M.S. 609.749, subd. 5 (as amended by the 1997 Legislature). A "pattern of harassing conduct" means two or more acts (convictions are not necessary) within a five-year period that constitute any of the following offenses: harassment, terroristic threats, assault, violation of an order for protection or harassment order, trespass, harassing phone calls or mail or criminal defamation.

Note: The harassment statute makes it more important than ever to document not just the facts of the current police call but also the history of abuse or harassment.

4. Probable Cause Warrantless Arrest

The domestic abuse arrest statute (M.S. 629.72) has been amended to provide, as was already the case for domestic assault arrests, that the officer may **not** issue a citation in lieu of arrest in harassment/stalking cases. An officer may also make a warrantless probable cause arrest for harassment even if the offense did not occur in the officer's presence. M.S. 629.34, subd. 1(c)(5).

Probable Cause Felony Arrests for Other Crimes:

At a domestic call, peace officers shall consider whether other felonies have been committed including but not limited to: burglary, felony assault, terroristic threats, kidnapping, false imprisonment and witness tampering.

Note: An assault 5 may be chargeable as burglary in the first degree even if the home is also the offender's, if the entry is made without the consent of the victim and in violation of an OFP

barring the offender from the premises. Burglary can also be charged even if an assault does not occur. Specifically, if a defendant enters the victim's house without consent and violates the OFP, burglary may be charged.

Violation of Court Orders:

The peace officer shall verify whether any of the following orders exist before or during an arrest. Verification may be made by the peace officer or someone acting at the officer's direction. Methods of verification include personally seeing a copy of the order or reviewing an agency's file that indicates the existence of such an order. If the verification is made at the direction of the peace officer, the peace officer shall document the name of the person and the type of order verified. In a police report, the officer shall document actions taken to identify the specific court order (e.g. order for protection), the county of origin, the file number and the provision allegedly violated. The peace officer should make arrangements to get a copy of the order as part of the investigative process.

Note: Ex Parte Temporary Orders for Protection are valid for a fixed period of time, not to exceed 14 days from issuance unless extended by the court. Orders for protection (non-temporary) are valid for a fixed period of time, not to exceed one year except when the court determines a longer fixed period is appropriate.

1. Order for Protection

   A peace officer shall arrest and take into custody without a warrant a person who the peace officer has probable cause to believe has violated the restraint or exclusion provisions of an order for protection granted pursuant to M.S. 518B.0l, subds. 6, 7, or 9. Such an arrest shall be made even if the violation of the order did not take place in the presence of the peace officer, if the existence of the order can be verified by the officer.

Note: There are three key points related to the Order for Protection: 1) The law requires an arrest regardless of whether or not the excluded party was invited back to the residence. 2) There is no hour limitation for a warrantless arrest for a violation of an Order for Protection. 3) If there is evidence that an individual has violated another provision of an Order for Protection, other than the restraint or exclusion clauses, a police report should be submitted to the prosecutor indicating that the order was violated.

A violation of an Order for Protection is a misdemeanor but is enhanceable to a gross misdemeanor if the offense occurs within five years of discharge from sentence for conviction of violation of an OFP or (effective for crimes occurring on and after 8/1/94) for any conviction of assault, terroristic threats, violation of a harassment order or harassment/stalking. As of 8/1/97, it is enhanceable as a **felony.**

As of 1/5/98, a statewide law enforcement computer verification system for domestic abuse orders for protection will be on line including the phone number of the controlling agency (the law enforcement agency with a copy of the actual OFF). The new system will also make it possible to identify respondents against whom an OFP has been issued but not served and even, by obtaining a fax of the order, to make service of the order.

2. Harassment/Restraining Order

A peace officer shall arrest and take into custody a person who the peace officer has probable cause to believe has violated a harassment restraining order pursuant to M.S. 609.748, subds. 4 or 5, if the existence of the order can be verified by the officer.

Note: A person who violates a harassment restraining order is guilty of a misdemeanor if the violator knows of the order. This offense is enhanced to a **gross misdemeanor** if it occurs within five years of discharge from sentence for a previous conviction for violation of either a harassment order or an OFP or any assault, harassment/stalking, or terroristic threats conviction. As of 8/1/97, it is enhanced to a **felony** if it occurs within five years of discharge of the first of two or more such convictions.

3. No Contact Order

As of 8/1/93, an officer may arrest without a warrant any person who he has probable cause to believe has violated the provisions of a no contact or restraining order issued by a court. M.S. 629.34, subd. 1(6).

In many jurisdictions, pretrial no contact orders are routinely issued in crimes against person cases, including domestic assaults, and are valid until final disposition of the case (sentencing or dismissal).

The pre-trial order is frequently replaced at the time of sentencing with a new no contact order issued as a condition of probation. This no contact order may be valid for the full probationary period indicated in the order.

A no contact order can be rescinded by the court at any time. However, the production by the victim of a copy of an apparently valid court order, absent contrary evidence, provides prima facie basis for arrest whenever there is probable cause to believe a violation of the order has occurred.

Other Misdemeanors:

At a domestic call, the peace officer shall consider whether other crimes have been committed including but not limited to: trespassing, criminal damage to property, disorderly conduct, witness tampering, or assault.

ASSISTANCE, STAYING AT THE SCENE, VICTIM RIGHTS, AND SERVICES

Staying at the Scene:

If an arrest does not occur, peace officers should remain at the scene of the disturbance until they believe that the likelihood of further imminent abuse has been eliminated. If a domestic abuse intervention program is available, the peace officer should make contact for immediate intervention.

Note: M.S. 629.342 provides that when a peace officer does not make an arrest, the peace officer must provide immediate assistance to the victim, including obtaining necessary medical treatment and providing the victim with the notice of rights pursuant to M.S. 629.341, subd.3.

Assistance to Non-English Speaking Victims or Victims with Communication Disabilities:

The peace officer shall use the resource list established by the Isanti County Sheriffs Office, which includes International Language Services (number on file at Dispatch Center) and maintained in the Dispatch Center of the Sheriff's Office to contact a person to assist in those cases where the participants in the domestic call, including the witnesses, are non-English speaking, are hearing impaired, or have other communication disabilities. The officer should avoid the use of friends, family, or neighbors serving as the primary interpreter for the investigation.

Notice of Crime Victim Rights:

The peace officer shall supply the victim of a domestic call a copy of the agency's crime victim notification form.

Services:

The peace officer should contact the local domestic abuse program, The Refuge, if available, by phone or pager as soon as possible (preferably within one hour of the arrest) on all arrest situations. The peace officer will provide the name and address of the victims and a brief factual reconstruction of the events associated with the action.

If the victim requests, in writing, that their name not be released to victim services organizations, the peace officer will notify The Refuge that a Domestic Abuse arrest was made and will inform The Refuge that the victim has requested that their name not be released to victim services organizations. The peace officer will not release the victim's name under these circumstances.

This section shall not apply if prohibited by the Minnesota Government Data Practices Act (M.S. 13.82, subd. 10).

CHILDREN

Child Victims:

If a child is present at the scene of a domestic call or is the victim of domestic abuse, the peace officer should determine whether the child has been subjected to physical abuse, emotional abuse, sexual abuse, or neglect, and comply with the requirements of M.S. 626.556, Reporting of Maltreatment of Minor. The officer shall also attempt to verify whether there has been an Order for Protection (M.S. 260.133). If the child has been physical injured, the officer should escort the child to the nearest hospital for treatment.

Child Present and Care:

If the legal parent or guardian of a child can no longer provide care (for example, when the victim is hospitalized), the officer should consult with the legal guardian on determining the disposition of the child and should make a good faith attempt to follow the request of the legal guardian or parent.

If the peace officer reasonably believes that the child's immediate surroundings or conditions endanger the child's health and welfare, the officer may take the child into immediate custody pursuant to M.S. 260.165, subd. 1(c)(2).

REPORTS AND FORMS

Written Report:

Whether there is an arrest or not, peace officers shall make a report after responding to a domestic call. If the officer did not arrest or seek an arrest warrant even though arrest was authorized, a detailed explanation of the reasons for the officer's decision not to arrest must be documented. The report should include the following: detailed statements from the victim, suspect and witnesses; description of injuries; information about past abuse; description of the scene; primary aggressor; existence of language barriers; presence of elderly victims or those with disabilities; and documentation of evidence.

Department of Corrections, Domestic Abuse Case Law Enforcement Data Collection Form:

The law enforcement agency shall collect the data on the peace officer data collection form supplied by the Commission of Corrections when the victim is a woman. (6llA.36, subd. 2).

FURTHER INVESTIGATION

A domestic call shall be turned over to the appropriate investigator for further follow-up if appropriate. If there is an arrest, the investigator shall determine the defendant's criminal record, and if there is evidence of a previous conviction, the peace officer should advise the prosecutors of any enhanced criminal sanctions which may be available. Follow-up may also include taking photographs of the victim's injuries 2-3 days after the incident. Bruises that were not visible immediately following the incident may appear within a couple of days. In addition to pictures, all officers should document the extent of injuries on a body diagram. (See attachment.)

Notwithstanding the fact that the officer has decided not to arrest one of the participants in the domestic call, the peace officer shall thoroughly document all relevant information in the report and shall refer the report to the appropriate prosecutor for review and consideration of criminal charges.

K.9.

Memo

To: **Mayor Wimmer and Members of the City Council**

From: Katie Everett, Parks, Recreation and Culture Manager

Date: December 4, 2018

Subject: **Resolution Approving 2019 Farmers' Market Rules and Regulations and 2019 Vendor Application**

Background:
After two seasons in its new location, changes were needed to the Farmers' Market rules and regulations to improve safety, especially during market day set up, and to ensure market success into the future. The updated Rules and Regulations and 2019 vendor form are attached for Council review.

At its November 27, 2018 meeting, the Parks, Recreation, and Culture Board discussed the rule changes and recommends Council approval.

Staff Request:
Staff requests City Council approval of the 2019 Isanti Family Farmers' Market Rules and Regulations and Vendor Application.

Attachment:
- Resolution 2018- XXX
  - Farmers' Market Rules and Regulations
  - Farmers' Market Vendor Application

RESOLUTION 2018 - XXX

RESOLUTION APPROVING 2019 FARMERS' MARKET RULES AND REGULATIONS AND 2019 VENDOR APPLICATION

WHEREAS, the Isanti Family Farmers Market Rules and Regulations are subject to review by the Parks, Recreation, and Culture Board; and,

WHEREAS, at its November 27, 2018 meeting the Parks, Recreation, and Culture Board discussed updates to the existing rules; and,

WHEREAS, the updated Isanti Family Farmers Market Rules and Regulations are attached to this resolution as "Exhibit A";

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to approve the updated Isanti Family Farmers Market Rules and Regulations as attached as "Exhibit A" and the 2019 Vendor Application as attached as "Exhibit B."

This Resolution is hereby approved by the Isanti City Council this 4th day of December, 2018.

Attest:

1. **Name: Isanti Family Farmer's Market (The "IFFM")**

   A. Shall be open to producers and vendors that live within a 50 mile radius of Isanti, MN or as approved by the Market Manager.
   B. A Farmers' Market consists of two or more producers, selling produce or food that they raised or created directly to individual customers at a defined location on a periodic basis.
   C. Definitions:
      i. A ***vendor*** is the retail seller at a stall, booth or tent. Both farmers and non-farmers selling at a farmers' market are vendors.
      ii. A ***producer*** refers to the farmer, grower, baker, maker of homemade foods, arranger of flowers, etc. selling at a farmers' market.
      iii. A ***member*** is a vendor who is an official market participant (member of the market's association of vendors).

2. **Mission Statement**

   The Isanti Family Farmers' Market serves as a community gathering place for consumers to purchase locally grown and handmade products that promote healthy lifestyles while sustaining local agriculture; to stimulate public interest and knowledge; to increase local consumption of local products; and to educate the next generation about food production. It is a market in which farmers, growers and producers sell their own products direct to the consumer, thereby creating a direct relationship. This market will emphasize quality, freshness, wholesomeness and creative marketing.

3. **Supporting Structure**

   A. Funding is provided by the City of Isanti Parks, Recreation, and Culture Department.

4. **Governance**

   A. IFFM is governed by the City of Isanti Parks, Recreation, and Culture Board and/or Market Manager.
   B. The City of Isanti Parks, Recreation, and Culture Board and/or Market Manager monitors the effectiveness, quality, efficiency, and financial stability of the farmer's market as a means of ensuring accountability to vendors, the community, and the vendor association.
   C. The City of Isanti Parks, Recreation, and Culture Board and/or Market Manager enforces the rules and regulations of the farmers' market.
   D. The IFFM will not discriminate against any person based on race, color, creed, national origin, sex, age, disability or sexual orientation.

5. **Purpose**

   A. This Vendor Rules & Regulation handout is intended to describe the organization and administration of the Isanti Family Farmer's Market. It details rules and regulations to be followed by the Market Manager, vendors and management of the IFFM. The City of Isanti Parks, Recreation, and Culture Board and/or Market Manager shall deal with any issue not covered in this handbook.

6. Use

A. The use of the IFFM is restricted to the sale of local products from within a 50 mile radius of Isanti, MN. Special exceptions may be allowed from time to time, upon the approval of the IFFM Market Manager in response to local supply and productivity.

7. Market Location & Season

A. Located at 400 West Dual Blvd, Isanti, MN 55040 – next to Isanti Liquor off Heritage Blvd.
B. Dates: Every Friday, beginning May 25, 2018 through September 28, 2018
C. Time: 2:00 – 6:00 pm
D. Mailing Address: 110 1st Avenue NW, PO Box 428, Isanti, MN 55040
Attn: Katie Everett OR Market Manager
E. Phone inquiries can be made: 763.444.5512 (Office) or 763-772-5856 (Manager's Cell)
F. Email: isantiparks@cityofisanti.us
G. Website: www.isantifamilyfarmersmarket.org

8. Membership

A. **Eligibility:** All Producers and Vendors are welcome upon receipt of approved application. The Market Manager has the right to refuse admittance if a Producer or Vendor does not follow market rules:
   i. Grower, Producer, Crafter, Local Business or Artisan residing within 50 mile radius of Isanti, MN or has permission from Market Manager.
   ii. Member has completed application and paid applicable fees at least seven (7) days prior to market day. Exceptions for pre-payment of booth fees may be made for vendors with demonstrated commitment to the market, through at least four attended markets, or as determined by the market manager.
      1. An application will not be considered complete until copies of all necessary state permits, licenses, and tax forms are acquired by the vendor and submitted to the Market Manager, as well as the annual member fee and booth fees. All application materials are required annually for new and returning members.
   iii. Full Season vendors attending each of the first four (4) consecutive Fridays of the market season will be given priority booth space for the remainder of the season.
   iv.
   v. Membership fees will not be refunded if expelled from the IFFM.
   vi. Vendors under 18 years of age are welcome but must have a responsible adult (18 years or older) present during market hours.

B. **Member Expectations:** The supporting members, as a whole, should feel free to comment to the City of Isanti Parks, Recreation, and Culture Board and/or IFFM Market Manager with respect to:

   i. The overall management, operation and administration of the market.
   ii. The improvement of the market, site, vendor layout, and other physical improvements.
   iii. The regulation of the market, including the hours of operation, designation of stall space, charging of market fees, sanitation, posting of signs and other matters of interest to the public or vendors.
   iv. The advocacy and support of the market and development of continuing advertising and promotional programs for the market.

9. Fee Structure

A. All applications will need to be reviewed prior to acceptance to the IFFM. Notification given for acceptance can be done the day of market, at Market Manager discretion, if all information is provided.
B. Payment of fees required with application submission.
C. Fees will be refunded if not accepted by Parks, Recreation, and Culture Board or Market Manager of IFFM.
D. Annual Membership Fee: $10, Annual Booth Fee $100, Half Season Booth Fee $60, Daily Booth Fee $10.
E. Vendor fees are NON-REFUNDABLE after May 24.

10. Vendor Agreement

A. **Application Process:** All applicants for membership must complete a signed Vendor Application. The Vendor Agreement also lists all the products (by category and sub-category) that are approved for sale at the market.
B. **Applicant:** The Applicant Vendor is the grower, producer, crafter, local business or artisan resident seeking admission to the membership. Vendors should list ALL other family members or production employees who are to participate in the booth/stall during the current season.
C. **Review & Jurying**: All applications will be evaluated for their potential to contribute to the IFFM Market Mission: *The Isanti Family Farmers' Market serves as a community gathering place for consumers to purchase locally grown and handmade products that promote healthy lifestyles while sustaining local agriculture; to stimulate public interest and knowledge; to increase local consumption of local products; and to educate the next generation about food production. It is a market in which farmers, growers and producers sell their own products direct to the consumer, thereby creating a direct relationship. This market will emphasize quality, freshness, wholesomeness and creative marketing.* Because space is limited, the IFFM Market Manager must evaluate applications according to value added to the market mission by providing high quality, in-demand products; and, the Market Manager reserves the right to refuse the acceptance of any applicant vendor or vendor product that is not in keeping with the rules, regulations, or standards of the market.
D. **Authority**: The IFFM Market Manager reserves the right to cancel any Vendor Application. Failure to comply with the aforementioned documents is grounds for termination of vendor membership and termination of the Vendor Application.
E. **Warnings**: The Market Manager will issue warnings to vendors not in compliance with these responsibilities. After a total of 3 such warnings have been recorded, the vendor will be asked to explain to the IFFM Market Manager and/or City of Isanti Parks, Recreation, and Culture Board why the Vendor Application should not be terminated.

11. Product Categories

A. Vendors who wish to participate in the IFFM must submit a Vendor Application packet including a product list by category to the best of their ability. It is the vendor's responsibility to ensure that all products in each category comply with current MDA and USDA regulations and are properly identified and labeled. This market is being established as an outlet for local agriculture, produce and craft products to help promote sustainable farming, rural enterprise and local commerce.

12. Booth/Stall Allocation & Requirements

A. Space is allocated by the market manager to paid-up, full-season vendors first. The priority for remaining space is given by preference to paid-up, half-season vendors secondly and then to new members thereafter.
B. Vendor space is limited to 10'x10' stalls. As space allows, vendors may request additional stall space; additional booth fees will be required.
C. Disputes over stall spaces will be settled by the Market Manager. All such decisions are subject to appeal to the City of Isanti Parks, Recreation, and Culture Board.
D. Customer parking will be clearly designated by conspicuous signs and arranged to ensure safety and market visibility.
E. Market vendors are encouraged to display their name or farm name at the front of the booth that identifies their farm or business.
F. Vendors are responsible for providing all display materials for their respective booth/stall, including but not limited to tables, racks, awnings, chairs, etc.
G. Vendors are responsible for setting up and tearing down all display materials.
H. The market manager may require that unsafe or unsightly materials be removed from the booth/stall area.
I. The IFFM accepts no responsibility for damage or loss to display materials.
J. All tent-type stalls/booths are required to be staked or weighted down with at least 40 pounds in case of wind or storms.
K. Vendors are required to keep their booth open for the entire market day and should not begin teardown before the designated market closing time unless approved by Market Manager.

13. Vendor Expectations

A. At least one vendor (under definitions above) as listed on the Vendor Application must be present to sell at a market day unless approved otherwise by Market Manager.
B. Vendors shall be open and ready for business at start of market and no later. Vendors arriving late will be assigned a stall by the market manager from the available vacant space, if any remains. The market manager may reassign any stall not occupied 30 min prior to opening of market. A vendor shall make every effort to notify the market manager as soon as possible if they are not going to be in attendance that week.
C. No vehicles will be allowed inside defined Farmers Market vendor area between **1:45 pm and 6:00 pm**. Vendors and vehicles will be allowed in the Market Area before and after the market is open for set-up and tear down of vendors. Any vendors arriving late to the market will be designated a booth space closest to the vehicle entrance, and may be denied drive up access for customer and vendor safety.
D. Vendors should load and unload in such a way as to avoid obstructing the flow of traffic and the work of other vendors. Booth items should be unloaded quickly and vehicles parked prior to set up.
E. Vendors (under definitions above) may employ or provide a salesperson that is hired solely for market sales in a booth/stall. All salespersons in a booth/stall must be accompanied by a vendor who is listed on the Vendor Application or approved by Market Manager.
F. Vendors are responsible for their own booths/stalls and will leave their site clean and in a condition suitable to the City and the property owners.
G. Hawking and false advertising is forbidden.
H. Sales must be conducted in an orderly and businesslike way. Each vendor is responsible for handling and safely keeping their cash box or other monetary container.
I. Vendors will not start selling products before the designated time of the market start. No presales or pre-bagging are allowed, as this is unfair practice for those customers that cannot come prior to Market start.
J. All items offered for sale must have pricing displayed clearly for each item or group of items. Pricing should be clear and legible.
K. Vendors are encouraged NOT to practice "distress pricing" for the express purpose of undercutting other vendors with same or similar products. When the market manager perceives "distress pricing" is occurring, the IFFM Board reserves the right to impose pricing ranges or to cancel any Vendor Application.
L. Each vendor is responsible for his/her sales tax collection, where applicable.
M. The City of Isanti, City of Isanti Parks, Recreation, and Culture Board and the IFFM Market Manager are not liable for any injury, illness, theft, loss, or damage of any kind to either the buyer,seller, seller's party, or their property, arising out of or pertaining to preparation for, participation in, or use or consumption of products bought, sold, or provided at the IFFM. By participating in the IFFM, seller further agrees to indemnify and hold the City of Isanti, City of Isanti Parks, Recreation, and Culture Board and the Market Manager harmless for and against any claims for such injury, illness, theft, loss or damage. Insurance coverage is the responsibility of the individual vendor. The IFFM bears no responsibility for any vendor's property at the market.
N. All vendors are strongly encouraged to carry their own general liability and product liability insurance, as the City of Isanti, City of Isanti Parks, Recreation, and Culture Board and Market Manager does not provide coverage.
O. IFFM Rules are subject to change. Changes to IFFM rules will be communicated to vendors in writing.

14. Market Miscellaneous

A. Walkways between vendor spaces must be kept open.
B. Selling is allowed only in designated areas.
C. No part of the market may be used for overnight storage.
D. No alcoholic beverages or unauthorized weapons are allowed in the market or on the market grounds.
E. No smoking in vendor booth areas per City Ordinance. Smoking areas off-site include the public parking areas. Please ask for other nearby locations. Vendors do reserve the right to ask customers to not smoke around their booth/stall.
F. At the end of the market day, all refuse must be placed in the bins provided. Garbage and recycling bins will be provided by the market manager and removed at the end of each market day. For produce and food vendors, it is especially critical to clean up scraps of any such refuse material from the ground due to the risk of encouraging vermin.
G. The only animals allowed in the farmer's market area of operation are police dogs or service animals, such as patrol or disability service dogs – per MN Department of Health.

15. Food Safety and Sales

A. All processed foods offered for sale must be protected from contamination.
B. Containers, wrappings and gloves must be single-use only where applicable.
C. It is the responsibility of vendors to be familiar with and adhere to state food safety and product sampling regulations. Portable handwashing stations are available for vendor use upon request to the market manager.
D. Review MDA, FDA, DHS and USDA requirements frequently if any questions remain.
E. The Minnesota Department of Health (MDH) contacts for Isanti County is Alex Hintz (alex.hintz@state.mn.us or 651-201-4259)

16. Community Booths

A. A community booth/stall is available to charity and non-profit organizations at no cost for promotional or educational purposes. Any group interested in using that stall shall contact the Market Manager at least one (1) week prior to the assigned day.
B. A Local Business of the Week Booth will be provided at no cost to a local business. Interested businesses should contact the Market Manager for scheduling. This booth will give a local business an opportunity to educate the public as to what products and services this business provides.
C. All IFFM rules and regulations apply to the vendor and persons residing in that stall.
D. Community Booths shall not be used for sales of any kind – groups wishing to hold a fundraiser must pay vendor fees, and will be subject to all applicable licensing requirements for IFFM vendors.

2019 FEE SCHEDULE:

Annual Membership Fee – annual fee to become a market member… $10

Stall Fee - Fee for space in the market. There are a number of options for stall space in the market; full season, half season, and daily rates. The full season rate covers all seventeen (17) market days, a half season covers eight (8) market days which can be any market days you choose, the daily rate can be any days you choose.

Full Season (17 days)… $100
Half Season (8 days)… $60
Daily (each day)… $10

For those vendors interested in single days but do not have dates selected, please submit only the application fee with your application. Check with the market manager to verify the space is available prior to the dates you wish to attend. Fee will be due before the market commences for that day.

For vendors interested in more than one stall please multiply the stall fee by the number of stalls desired. Every attempt will be made to accommodate additional stall requests. You will be contacted if we cannot offer all the stalls requested.

No refunds for market days cancelled due to inclement weather. Vendor fees are non-refundable after May 24.

Fee Calculation

Application Fee	$ 0
Annual Membership Fee	$ 10
Stall Fee	$ _____
Full Season (# of stalls x $100)	
Half Season (# of stalls x $60)	
Single Days (# of days x $10)	
Total Fees	$_____

Please make check out to City of Isanti.
Credit cards may be accepted, fees will apply. Call for details.

ACKNOWLEDGEMENTS

Please initial each item below to signify your understanding and acceptance of the terms of becoming a market member.

☐ I have reviewed a copy of and agree to abide by the Isanti Family Farmers' Market Rules and Regulations in force for the 2019 season.

☐ I understand that I am responsible for complying with any and all local, state, or federal regulations governing the products that I sell.

☐ I agree that the City of Isanti, City of Isanti Parks, Recreation, and Culture Board and the IFFM Market Manager are not liable for any injury, illness, theft, loss, or damage of any kind to either the buyer, or seller, seller's party, or their property, arising out of or pertaining to preparation for, participation in, or use or consumption of products bought, sold, or provided at the IFFM. By participating in the IFFM, seller further agrees to indemnify and hold the City of Isanti, City of Isanti Parks, Recreation, and Culture Board and the Market Manager harmless for and against any claims for such injury, illness, theft, loss or damage. Insurance coverage is the responsibility of the individual vendor. The IFFM bears no responsibility for any vendor's property at the market.

☐ I understand that it is recommended to carry my own general liability and product liability insurance as the City of Isanti does not provide this coverage.

ATTACHMENTS

Please attach the following items to this application:

☐ Copies of organic certifications, if any.

☐ Copies of Cottage Food producer registration/license

☐ Copies of any food related licenses, if any.

☐ Completed Minnesota Department of Revenue Form ST19.

☐ Completed application with fee calculation worksheet and check **(made out to City of Isanti)** for fees.

☐ Photo of your booth/product/display to be promoted. Can be emailed to isantiparks@cityofisanti.us

CITY OF ISANTI
PLANNING COMMISSION MINUTES
NOVEMBER 20, 2018

L.1.

1. Meeting Opening.

A. Call to Order.

Chairman Wimmer called the meeting to order at 7:40 p.m.

B. Pledge of Allegiance.

The Pledge of Allegiance was recited.

C. Roll Call.

Members Present: George Wimmer, Ross Lorinser, Paul Bergley, Dan Collison, Steve Lundeen, Arissa Simon.

Members Absent: Joey Lemay (excused).

Staff Present: Ryan Kernosky, Community Development Director.

1D. Agenda Modifications.

Director Kernosky stated that there were no agenda modifications

2. Approval of the Agenda

Motion by Lundeen, seconded by Bergley to adopted the agenda, approved unanimously.

3. Approval of the Minutes from the November 7, 2018 Special Planning Commission

Motion by Collison, seconded by Lundeen to approve the minutes from the November 7, 2018 Special Planning Commission meeting, approved unanimously.

4. Public Hearings

A. Request from Knife River for I-1 Tier-1 Conditional Use Permit & Site Plan Approval of a Medium Manufacturing Facility for a Septic Tank Casting Facility on PID 050201803.

Director Kernosky stated that Knife River has submitted a complete application for a conditional use permit and site plan approval of a medium manufacturing facility that will be utilized as a septic tank casting facility. Kernosky stated that the property is not within the City's immediate municipal jurisdiction, however it is zoned I-1 Tier 1, and as such we have the land use zoning authority over this project and the development of that site. Kernosky went over the staff conditions within the resolution.

Mayor Wimmer opened the public hearing at 7:44 pm.

No one spoke during the public hearing.

Mayor Wimmer closed the public hearing at 7:44 pm.

Commissioner Lundeen asked what Junction Bowl thought about the development.

County Commissioner Mike Warring and owner of Junction Bowl stated that he did not see any problems with the proposed development.

Commissioner Lorinser asked whether or not this property was within the TH-65 Overlay Zoning District. Director Kernosky stated that industrial-zoned properties are not subject to the TH-65 Overlay Zoning District. Lorinser continued to ask about possible annexation of this property instead of allowing the development without annexation. Kernosky stated that if the industrial park was to ever extend north into the future, the property would be annexed. Kernosky also stated that there are currently special assessments against the property due to the Cajima St NE reconstruction project and that those special assessments would be due at that time.

Commissioner Bergley inquired about the landbank parking agreement. Kernosky stated that part of the conditions is that Knife River enters into a landbank parking agreement with the City.

Commissioner Collison stated that he would like to see Knife River do a better job of sweeping the street to remove debris. Kernosky stated that because the City is now an MS4 community, we can require them to clean up the street and that we have the authority to issue fines if needed.

Motion by Lorinser, second by Bergley to approve the Conditional Use Permit and Site Plan Review for Knife River with Staff Conditions. Motion passed unanimously.

5. Discussion Items

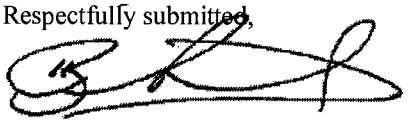
None

6. Adjournment

Motion by Lorinser, second by to Bergley to adjourn the November 7, 2018 meeting of the Planning Commission. Motion was unanimously approved. The meeting adjourned at 7:50 p.m.

Dated at Isanti, Minnesota this 28th day of November, 2018.

Respectfully submitted,



Ryan Kernosky
Community Development Director

CITY OF ISANTI
PARKS, RECREATION, AND CULTURE BOARD
MEETING MINUTES
November 27, 2018
City Council Chambers

1. Meeting Opening.

A. Call to Order.
Zdon called the meeting to order at 6:00 p.m.

B. Pledge of Allegiance.
Everyone stood for the Pledge of Allegiance.

C. Roll Call.
Members Present: Jennifer Garvey, Jeff Johnson, James Witte, Aaron Zdon, and Mayor Wimmer
Staff Present: Katie Everett, Parks, Recreation, and Culture Manager

D. Agenda Modifications.
Zdon asked if there were any agenda modifications; there were none. Motion by Johnson, second by Witte to approve the agenda for the November 27, 2018 Parks, Recreation, and Culture Board Meeting.

2. Approval of Minutes from October 23, 2018 Parks, Recreation, and Culture Board Meeting

Motion by Witte; second by Johnson. Minutes were unanimously approved.

3. Pleasure Rink Location Discussion (Jennifer Garvey)

Garvey said she wanted to bring up an idea for future years since it's too late for this year to think about moving the pleasure rink from the grass onto the south side of where the skate park is now. It will probably be about the same size as what it is now. Zdon asked if to clarify if she meant moving it to the concrete, and if that makes it easier to make ice. Garvey said she thinks it does. That we wouldn't have to worry about the ground freezing first and it's flatter. If it was on the concrete it would need some pieces of wood to contain the water. It is a little bit closer to the warming house too. Zdon said we had talked previously about moving it to where the wake park used to be, but there's not lighting there, and it would still be on dirt. Garvey agreed, and the concrete does have the lighting already because the rink used to be there. As a pleasure rink, she thinks it would be a sufficient size. Zdon said we can bring it back and look at it next year in the spring.

4. Unity Park Tree Planting Proposal

Everett reminded the board that there had been discussion about taking the wooden bollards out that have been falling down, and the board expressed interest in replacing them with something. She did some brief research on replacement permanent bollards, and because the parking lot is so long getting bollards for every four feet or so looked like it was going to be a pretty expensive venture. She also added that the aesthetics of what that would look like with Unity Park didn't make a lot of sense. Instead she looked into some landscaping options. She included a mock up in the packet of what it might look like with trees. She stated she doesn't think a whole lot of trees will be needed to make that distinction of park versus parking lot. Staff really hasn't noticed any damage from people parking where they shouldn't be, so it's not like we're combatting a serious issue over there. Trees are a reasonable solution. There are already two or three varieties of trees behind the ballfield already, so we might want to match those or maybe plant something different that will do well in that area. If the board is okay with it, staff will move forward with it. We'd want to get some substantial trees to make sure they survive. Witte asked what is the proposed spacing between the trees. Everett said 45 feet from trunk to trunk. Zdon added that it looked like about 30 foot trees once they're fully grown. Everett added she looked at a listing of trees that do well in Minnesota and most were 20 to 30 foot canopies, with some that are bigger. We'll also want to find something that isn't really messy. Zdon stated that it would look a lot better than the old bollards. Witte asked if there's any concern for people parking between trees. Zdon said that typically when people see that natural barrier they don't. There may be some that creep up a little bit though. Everett added that as it is, people could be parked there and

we haven't noticed them doing that. Garvey asked if this was the first summer that we've had the bollards out. Everett said they have been falling down for years and there hasn't been any real barrier there for a long time. Johnson asked if it was feasible within the budget. Everett stated that for the sake of time she put a placeholder in the budget for the project, and if the board decides not to spend that money that's okay too. Johnson asked if putting six or seven trees will be good enough. Everett said she thinks so. Johnson stated that he likes it. Zdon said he thinks it's way better than the bollards and will provide some shade. Johnson made a motion to approve the trees, Garvey approved. Motion to replace the bollards with trees as per the design in item four was unanimously approved.

5. Farmers' Market Rules Updates

Everett stated that she reviewed the rules after the season with having more vendors coming. One of the biggest issues with more vendors is during setting to make sure that everyone can get in and out on time and that it is safe. Everett highlighted the changes. The second point under Eligibility, she added that they need to have their applications in a week ahead of time so we know that people are coming ahead of time. If someone comes the day of, there is room in there to allow them in if there's space. There was also some redundancy in that section with the information about vendors finding their own licensing so that has been reordered. What is now number three in that section used to say that full season vendors have to attend the first four days. There's really no way to enforce that, and we're really not in a position to kick people out if they don't do that. Everett switched it out so there is an incentive instead; those who do come for the first four days will get a priority spot. The reason we have that rule at all is to establish the market early in the season, but some people just don't have anything to sell early on and aren't willing to sit there with nothing. Under number 10 vendor agreements, review and jurying, staff added language. Because we have vendors who have duplicate products and we have a limited space, we need to be able to say that we already have enough of something for sale and need to have room for something else. She checked with other markets and found that to be common practice. The rule now states that vendors need to be contributing to the mission as stated, and because the space is limited, the market manager has to evaluate applications according to value added to the market mission by providing high quality, in-demand products. That gives us some space to make sure the market is offering the best that we can for the community. That section was really brief before, and if people technically weren't breaking and rules they were in, so this helps to ensure the market's success. Another change is to 12B; some vendors want to have two booths. Again, as we get more vendors, eventually it might not make sense to allow people to have double booths, but this rule allows it as long as there is space and states that the full booth fee still applies.

The next change is under 13 – Vendor Expectations, which is where the safety piece really comes in. For 13B, the rule used to be that we could reassign their spot ten minutes before the market, but at point all of the vendors are already set up and wouldn't want to have to move. It now states that if they aren't there thirty minutes ahead of time, their booth will be reassigned. That helps the vendor look fuller so we don't end up with holes, but it also makes sure that people aren't coming in and out of the middle when customers are showing up. Most market days, there are people there by 1:45, and often by 1:30. We really need to control when cars are moving around in that tight space. The next point is it enforce when cars are arriving. If they're not there by 1:45, they won't be allowed to drive up at all. Vendor parking is still very close, so they'll just have to unload from their cars. It is a safety issue and is kind of non-negotiable. Johnson asked for clarification if that would pertain to the ice cream truck. Everett said they'll still be allowed because they're parked. Garvey asked if most booths are set up between 1:00 and 1:30. Everett said that about half of the booths probably are, but there have been a handful of vendors that are always late that are just going to have to adjust. Garvey wondered if 30 minutes was really a sufficient time. Everett stated that she thinks it is. The next rule is that what people really should be doing is driving up, dropping their stuff off, and then parking – in which case, half an hour is plenty of time. Most of vendors do several markets a week and set up very quickly. Everett did consider making the set up time longer, but for many vendors getting there earlier than 1:00 is really difficult. That said, there are a couple of vendors who set up early so they're out of the way, and she lets them do that. Garvey stated that the biggest point really is the safety with cars coming in and out with people walking around or waiting, so wanted to make sure there's ample time. Everett stated that customer traffic before 1:30 is pretty light, and those people are more aware that everyone is still setting up. Everett will plan to send out a letter to returning vendors informing them of this change, and will really take some enforcement the first couple of weeks.

Everett stated that there were a couple of other minor changes. Under 15 – Food Safety, she added that we have a hand washing station that people can request to use. There are people who give samples, and the state is very strict on how that should go. The market doesn't get shut down if someone is doing that wrong, their booth does. For us, we don't want that to happen, but it's ultimately their responsibility. Under Community Booths, Everett explained that there were groups that were doing fundraisers this year, but to her it makes sense that anyone selling anything should be paying the booth fee that everyone else. If they're just giving information, they fit under the community booth we already have. Zdon and Witte stated that they agreed. Garvey asked if vendors get information that the handwashing stations are available for them. Everett stated that they do, and she has done demonstrations for them at the preseason meeting as well. Garvey asked if there was a fee to do that. Everett said there is not, but she believes we got all of the equipment through a grant because there are labels on it. Zdon asked if a motion was needed. Everett said she didn't think so, but the rules and application will get approved by Council.

6. 2018 Parks Project Review

Everett stated that she provided the list that was created following the park visits in the spring. Public Works has done most of those things. She added that GameTime finally sent a little can of spray paint, but now it will have to wait. Everett also reviewed a list of the budgeted projects for 2018. Zdon stated that he'd like to discuss pet waste receptacles next year, especially with access to Legacy getting easier with the development, and maybe along the Bike/Walk Trail. Everett asked for clarification about where Zdon was thinking for the Bike/Walk Trail. Wimmer added that anything on the trail has to go through the Bike/Walk Trail Committee, and Everett added that they meet once a year in January. Zdon said that in that case, there may be not any on the trail in the next year, but we could discuss getting them in our parks. He said it would be a nice thing to have, and a lot of cities have them on their trails and in the parks. Garvey said the biggest things will be the cost and the upkeep. Zdon agreed, and said the upkeep will probably be even more than initial cost.

7. Parks Updates

Everett said that movie nights have been going really well, there were 64 people for November. The Boy Scouts came back to host. The December movie night is still open, and the Girl Scouts are looking into helping. If there are other groups interested, whoever gets their application in first will get to do it. She also included a note that the budget gets approved in December, and after that she'll start getting things moving for next year.

Everett added a quick reminder that there is no December meeting.

8. Adjournment

Motion by Johnson, second by Witte to adjourn the November 27, 2018 meeting of the Parks, Recreation, and Culture Board. Motion was approved.

The meeting adjourned at 6:25 p.m.

Dated at Isanti, Minnesota this 27th day of November, 2018.

Respectfully submitted,

Subject: Liquor Store Heartland Credit Card Processing Analysis

---

Update:

We switched credit card processing companies from Elavon to Heartland on Monday August 13th due to inconsistencies between recorded software totals and batch totals. At the time we switched to Heartland Payment Services without going thru a formal RFP process with the understanding that after 3 months staff would report to the Finance Committee about the fees and functionality of the new service provider. Thus far fees appear to be at or below that of our prior provider and functionality/service has met or exceeded the expectations of city staff.

Staff recommends continuing with Heartland Payments Services indefinitely. The Finance Committee considered this item at its November 21st 2018 meeting. Since the City has an approved contract with Heartland in place, the Committee recommended an informational update to the City Council. No further action is necessary.

1. November 20th, 2018 – Regular Meeting of the City Council
Motion by Lundeen, second by Lorinser to approve minutes as presented. Motion carried.

G. Announcements
1. City Council Meeting — Tuesday, December 18, 2018 at 7:00 p.m.
2. Planning Commission Meeting — Tuesday, December 18, 2018 at 7:00 p.m. *(Immediately following City Council Meeting)*

H. Council Committee Reports
None.

I. Public Hearings

None.

J. Business Items

1. Resolution 2018-266 Approval for Boxes of Coats for Kids-Donation to Police Department
Police Chief Gene Hill shared that with the help of Rick Dassinger and the Knights of Columbus from St. Elizabeth Seton church they were able to donate jackets to the school district for children in need of winter jackets. Rick Dassinger also shared that the program is worldwide and the coats are at discount prices from the manufacturer.
Motion by Lorinser, second by Lundeen to approve coat donation as presented. Motion carried.

Community Development Director Ryan Kernosky

2. Resolution No. 2018-267 Conditional Use Permit and Site Plan Approval for Knife River on PID 050201803
Community Development Director Ryan Kernosky shared that this property is just outside the City limits; however, the City has zoning jurisdiction. Ryan continued to share that staff concerns and conditions have been addressed.
Motion by Bergley, second by Lundeen to approve resolution with conditions as presented. Motion carried.
3. Resolution No. 2018-268 Extending Sac and Wac Deferral Program to December 31, 2019
Council discussed whether the program should be renewed for 2019. The use of the incentive program was down from previous years and was used by a limited number of builders. Concern over the need for the program as an incentive, as well as merit of keeping it in place was discussed.
Motion by Bergley, seconded by Lundeen to approve resolution extending the SAC and WAC Deferral Program for 2019. The motion passed, 3-1, with Lorinser voting nay.

Finance Director Mike Betker

4. Consider Resolutions Relating to the 2019 Budget
    a. Resolution No. 2018-269 Adopting the 2019 Final Budget
    b. Resolution No. 2018-270 Adopting the Final 2018 Tax Levy, Collectible 2019
    c. Resolution No. 2018-271 Adopting the Final 2019 Enterprise Fund Budgets
    d. Resolution No. 2018-272 Approving a Cost of Living Adjustment (COLA) for Non-Union Employees

Finance Director Mike Betker shared that there is a general decrease in Public Works and debt. He further shared there has been increases in Public Safety and Parks and Recreation. Mayor Wimmer added that in 2009 the City was not in charge of the Community Center resulting in a significant portion of the increase. Mike Betker continued to share notable expenditures for 2019 proposed budget such as a 3% Cost of Living Adjustment as well as a 15.8% increase to health insurance premiums, nearly $45,000 of funding to replace the 2006 Silverado squad car that was a forfeiture vehicle, nearly $138,000 for special projects to be completed by current City Administrator Don Lorsung such as a 10-year comprehensive plan. Finance Director Mike Betker continued to share that hiring an outside consultant can potentially exceed $100,000 and City staff doing a large share of work. Mayor Wimmer added that when the comprehensive plan was done in 2006 and finalized in 2009 it was almost $100,000 alone just for hiring outside support. Mike Betker continued to further share notable expenditures for 2019 including $30,000 for a new City website, and $30,000 for a new hot patch trailer. Mike also shared change in 2019 Revenues compared to 2018 is the use of excess fund balance, making up 6% of budgeted revenues. The City's Fund Balance policy states that excess cash above 50% of the next years budgeted expenditures must be used to reduce taxes. Mike continued to share that this is compliant with that policy. Mike Betker continued to share that the proposed tax levy totaled $2,649,852 a decrease of nearly $110,000 or 4% from the prior year. As a result, Mike shared that the City's property tax rate is projected to decrease by 13.24% and the Taxable Market Value increased by nearly 11% after increasing more than 14% for the

2018 budgeted year and the proposed Levy and budget will reduce the General Fund balance to 50% as prescribed by City policy.
Motion by Lorinser, second by Bergley to approve the resolutions relating to the 2019 Final Budget as presented. Motion carried.

Assistant City Engineer Jason Cook

5. Resolution No. 2018-273 2019 Storm System Maintenance Proposal
Assistant City Engineer Jason Cook shared that this is the storm system maintenance program that was put into place 2 years ago. Mayor Wimmer added that this is what was discussed previously with Councilmember Collison questioning if the work could be done in house. However, it was determined that it could not be done by Public Works because the cost for equipment did not save significant funds and would cut into Public Works' other duties.
Motion by Lundeen, second by Lorinser to approve resolution as presented. Motion carried.

K. Approve Consent Agenda

1. Consider Accounts Payable in the amount of $185,266.81 and Payroll in the amount of $94,074.50
2. Final Minutes of the October 16th, 2018 Planning Commission Meeting
3. Final Minutes of the October 23rd Park, Recreation and Culture Board Meeting
4. Contractor's Pay Request No. 3 for the 2018 Street and Utility Improvements Project in the Amount of $29,892.11
5. Resolution No. 2018-274 Resignation of Liquor Store Clerk Ryan VanderVenter
6. Resolution No. 2018-275 Declare Certain Property as Surplus and Authorize its Sale by Public Auction
7. Resolution No. 2018-276 Approving a Check Be Written to Isanti Scouts BSA Troop 523 for Volunteering at the Community Movie Night
8. Resolution No. 2018-277 Authorizing the Written Policy Language Change as it Relates to the Domestic Abuse Policy within its Police Department
9. Resolution No. 2018-278 Approving 2019 Farmer's Market Rules and Regulations and 2019 Vendor Form
10. Resolution No. 2018-279 Resignation of Liquor Store Clerk Nicholas Hovik
11. Resolution No. 2018-280 Resignation of Community Development Director Ryan Kernosky

Motion by Lorinser, second by Bergley to approve Consent Agenda as presented. Motion carried.

Request for City Council Action

To: Mayor Wimmer and City Council

From: Don Lorsung, City Administrator

Date: December 3, 2018

Subject: Library Outreach Stop Agreements Renewal

ECRL Director Carla Lydon will be present to provide an update on the City of Isanti Outreach Stop site, and is requesting renewal of the current Partnership Agreement with the City Council.

Attached for your consideration is a Resolution for Extension of the Library Outreach Stop Partnership Agreements with the ECRL and Isanti Friends of the Library for 2019.

RESOLUTION NO. 2018-xxx

RESOLUTION APPROVING PARTNERSHIP AGREEMENTS BETWEEN THE CITY OF ISANTI AND THE EAST CENTRAL REGIONAL LIBRARY AND THE ISANTI AREA FRIENDS OF THE LIBRARY

WHEREAS, on December 7, 2010 the City Council approved Resolution No. 2010-274, a Resolution Extending the Original Partnership Agreements Between the City of Isanti and the East Central Regional Library (ECRL) and the Isanti Area Friends of the Library, relating to a ECRL Outreach Stop (formerly Library Link Site) in Isanti City Hall; and;

WHEREAS, the ECRL and the Isanti Area Friends of the Library and the City of Isanti have annually renewed the Partnership Agreements, providing ECRL services through the Outreach Stop at City Hall; and

WHEREAS, the agreement with the ECRL for an Outreach Stop at the Isanti City Hall has been presented for 2019.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to approve the new Partnership Agreement with the East Central Regional Library Board and the Isanti Area Friends of the Library through the year 2019; that are hereby attached as 'Exhibit A' and 'Exhibit B' and made a part of this resolution.

This resolution was duly adopted by the Isanti City Council this 18th day of December 2018.

_____
Mayor George A. Wimmer

Attest:

Katie Brooks
Human Resources / City Clerk

Exhibit A

East Central Regional Library
Outreach Stop
Partnership Agreement

In an effort to create more library service connections in communities across the six-county region served by the East Central Regional Library (ECRL) system, ECRL hereby agrees to continue to provide library outreach services in **Isanti** for the community of **Isanti** in **Isanti** County.

A selection of materials and services will be offered in the **Isanti City Hall** facility located at **110 1st Avenue Northwest** in the town of **Isanti**. The facility will be staffed by an ECRL staff member and open 4 hours per week one day a week, thus providing connectivity to reading materials and resources from ECRL.

In order to make this library service partnership successful, the representatives of the community of **Isanti** and the library staff of ECRL agree to accept the following responsibilities:

ECRL will provide:

- Staff to open the outreach stop 4 hours a week once a week
- A minimum of 350 items of library materials and may be adjusted to serve the needs of the public as needed
- Insurance on equipment and materials owned by ECRL
- Weekly delivery service and rotation of collection with new items on a regular schedule
- Maintenance of checkout-dedicated computer, software, scanner and receipt printer

The Community will provide:

- An appropriate facility, handicapped-accessible, with a handicapped-accessible public restroom
- Insurance to protect property and community owned contents
- Insurance to protect against liability
- Internet connectivity to central library catalog and databases – line capacity to be a minimum of 1 MBS
- Maintenance of the book drop
- Parking to accommodate visitors to the outreach stop
- Shoveling of walkways
- Adequate space within that facility for a 14' x 14' minimum Outreach Stop area
- Signage to establish Outreach Stop for East Central Regional Library
- Shelving for a minimum of 350 books and other items
- Comfortable seating and reading tables for 5-8 customers at time
- Utilities for the facility
- Cleaning of the facility
- Security for library computer, equipment and materials when not in active use
- Maintenance of any community-provided computer equipment

The site will be evaluated once a year. If, at the end of each evaluation, the site is determined not viable for the regional library system, or not valuable to the community, ECRL or the community may terminate this agreement with 30 days' notice, without penalty or recrimination. If adequate funding is provided, if the ECRL Board approves and the outreach stop is determined to be viable and valuable to all parties, the agreement may be renewed annually.

Exhibit B

East Central Regional Library
OUTREACH STOP
PARTNERSHIP AGREEMENT between Friends of the Isanti Area Library, Inc. and the City of Isanti

In an effort to create more library service connections in communities across the six-county region served by the East Central Regional Library (ECRL) system, ECRL has agreed pursuant to a Partnership Agreement with the City of Isanti to establish an Outreach Stop for library outreach services in Isanti through a site provided by the City of Isanti. A copy of said agreement between the City of Isanti and ECRL is attached hereto as Exhibit A. As an integral part of the service provision, assistance will be provided by Friends of the Isanti Area Library, Inc., a Minnesota non-profit corporation.

A selection of library materials and services will be offered in Conference Room A, located at City Hall in the City of Isanti. The facility will be staffed by a combination of ECRL staff and community volunteers, with the goal of being open one day a week for 4 hours, serving as many customers from the area as possible, and providing computer connectivity to the reading materials and resource databases of ECRL.

In order to make this library service partnership successful, the representatives of the Friends of the Isanti Area Library and City of Isanti agree to accept the following responsibilities:

The Friends of the Isanti Area Library will provide:

- Internet Connectivity to central library catalog and databases – line capacity to be a minimum of 1 Mbs
- Maintenance of the book drop at the City Hall site;
- Signage to establish location as "Outreach Stop Site to East Central Regional Library"
- Free standing shelving for approximately 350-400 books and other items and any required installation;
- The Friends of the Isanti Area Library may, at their sole option, provide on site Computers for the public, to use for catalog searching, database browsing, Internet surfing. Printers for public use for a fee, with the Friends of the Isanti Area Library responsible for any funds/transactions regarding usage. If such Computer **Equipment is provided, it must meet ECRL minimum standards, and have content-filtering software.**
- Maintenance of any such community-provided computer equipment;
- Commitment to recruiting dependable volunteer staffing to work at site for open hours planned;
- Functional seating and worktable for volunteers;
- Comfortable seating and reading tables for 5-8 customers at a time;
- Identification and assistance in recruiting volunteer workers from the community as needed by the ECRL;

The City of Isanti will provide:

- An appropriate facility at Isanti City Hall, handicapped-accessible, with a handicapped-accessible public restroom;
- Insurance to protect property and community owned contents;
- Insurance to protect against liability;
- Parking to accommodate Link Site traffic;

- Shoveling of walkways into the Link Site as needed;
- Adequate space within that facility for a 14'x14' minimum Link Site service area;
- Cleaning of facility;
- A locked facility for library computer, equipment, and materials when not in active use;
- Allow use of City Hall during normal hours of operation. Typically Monday thru Friday from 8am to 4:30pm.
- Electricity for the Outreach Stop site
- Heat for the Outreach Stop site.
- Cooling for the Outreach Stop site.

Notwithstanding any other provision of this agreement, either party to this agreement may elect to terminate this agreement with or without cause at any time upon not less than 30 calendar day's written notice to the other party hereto. The site will be evaluated annually or more often if deemed appropriate by the Friends of the Isanti Area Library or the City of Isanti. If adequate funding and fulfillment of responsibilities by the Friends of the Isanti Area Library and City of Isanti is provided, and the Outreach Stop site is determined by all parties to continue to be feasible all parties, the agreement may be renewed annually.

MEMO

To: **Mayor Wimmer and City Council**

From: Don Lorsung, City Administrator

Date: December 12, 2018

Subject: Ordinance to Amend City Code Chapter 8, Adding Committee of the Whole

---

As per City Council direction, staff has prepared and posted a draft ordinance to amend City Code Chapter 8 to establish a City Council Committee of the Whole. It is envisioned that Committee of the Whole meetings will serve as an informal discussion between Council members, City staff, City consultants and invited guests on specific agenda items. Items to be discussed will be placed on an agenda that will be posted and distributed prior to the meeting. No official votes will be taken at this meeting and items moving forward will be placed on the agenda of an upcoming City Council meeting. The Committee of the Whole shall also review any items that formerly were to be reviewed by a Council Committee (per City Resolution, Code or Ordinance). The City Administrator or their designee will convene the meetings and introduce Committee agenda items. A Committee meeting schedule shall be adopted annually by the City Council. The draft ordinance has also been updated to remove the C-I Arena Board and TH 65 Board representatives, which are no longer applicable. The City Attorney has reviewed the proposed ordinance.

Attached for your consideration is the draft ordinance.

ORDINANCE NO. ____

AN ORDINANCE TO AMEND THE CODE FOR THE CITY OF ISANTI, CHAPTER 8 CITY COUNCIL, ARTICLE III, SECTION 8-18 COMMITTEES, ADDING COMMITTEE OF THE WHOLE AND ARTICLE II, SECTION 8-10 PER DIEM

THE CITY COUNCIL OF THE CITY OF ISANTI DOES ORDAIN:

Chapter 8, Article III, Section 8-18. Committees is hereby amended to read and include the following:

A. Committees designated.

~~(1) Council members shall be appointed to the following committees of the Council at the first regular Council meeting in January of each year:~~

~~(a) Development Advisory Committee~~
~~(b) Finance Committee~~
~~(c) Municipal Buildings Committee~~
~~(d) Personnel Committee~~
~~(e) Liquor Committee~~
~~(f) Police Committee~~
~~(g) Public Works Committee~~
~~(h) Public Works Labor Management Committee~~

(1) Committee of the Whole. All Councilmembers are appointed annually to the Committee of the Whole. Committee of the Whole meetings are a dialogue on matters placed on a meeting agenda, between Council members, City staff, City consultants and invited guests. No official action shall be taken at these meetings. Committee Agendas shall be prepared by the City Administrator or their designee and distributed in advance of Committee meetings and posted. The City Administrator or their designee shall convene and introduce Committee agenda items. Matters which pursuant to City Code or Resolution that reference a former Council Committee shall be brought to the Committee of the Whole. A Committee meeting schedule shall be adopted annually by the City Council.

(2) Other City and community boards and committees:

~~(a) City of Isanti Economic Development Authority~~
~~(b) City of Isanti Parks, Recreation and Culture Board~~
~~(c) City of Isanti Planning Commission~~
(a) ~~(d)~~ Rum River BMX Association Board
(b) ~~(e)~~ Community Education
~~(f) C-I Arena Board~~
(c) ~~(g)~~ Cable TV Liaison
(d) ~~(h)~~ Chamber of Commerce Liaison
(e) ~~(i)~~ Bike Isanti County Committee
(f) ~~(j)~~ Fire District
~~(k) North TH 65 Corridor Coalition~~
(g) ~~(l)~~ School Liaison
(h) ~~(m)~~ (Reserved)
(*i*) ~~(n)~~ ECRDC Transportation Advisory Committee

(j) (o) ICICLE
(k) (p) C-I Bike Walk Trail Committee
(l) (q) Public Works Labor Management Committee

Chapter 8, Article II, Section 8-10. Per diem fee for service on boards is hereby amended read and include the following:

Starting in 2015 and in successive years, in addition to their annual salaries, the Mayor and Council members shall receive a per diem of $50.00 for each City Council meeting, Council workshop and Canvass Board attended. Council members annually appointed to Committees listed below shall be authorized to receive a per diem for each meeting attended in the amount of $50.00 when serving on the following boards or committees:

~~A. Development Advisory Committee~~

~~B. Finance Committee~~

~~C. Municipal Buildings & Grounds Committee~~

~~D. Personnel Committee~~

~~E. Liquor Committee~~

Subject: Consider Amendments to City Code and 2019 Fee Schedule

---

The Finance Committee has reviewed the City Fee Schedule for additions/changes in terminology or fee amounts, as proposed by staff. Attached is the recommended updates in a draft Ordinance Amendment for City Code Chapter 160, Fees, and a proposed Resolution with the terminology additions/changes in fee amounts.

Changes are proposed in the following areas:

Building Inspections

- Demolition Permit – Replaced "greater of" with "minimum of"
- Fence Permit (Fences > 7') – Currently $80.00, Proposed "Per Valuation Fee Schedule"
- Add - Gas Line (with mechanical permit) - $12.50 per gas line, $25.00 minimum
- Add - Gas Line (without mechanical permit) - $50.00
- Add - Inspections Outside of Normal Business Hours - $75.00 (2 hr minimum plus mileage)
- Add - Inspections, Hourly Rates – Building Official - $125/hour
- Add - Inspections, Hourly Rates – Senior Building Official - $95/hour
- Add - Inspections, Hourly Rates – Fire Inspector - $90/hour
- Add - Inspections, Hourly Rates – Building Inspector - $75/hour
- Add - Inspections, Hourly Rates – Other Staff - $75/hour
- Add - Permit Renewal After 6 Months Expiration – 50% of original permit fee

- Add - Plan Review (Additional) - $75.00 (1/2 hour minimum)
- Add - Pre-Final Inspection Fee (Residential) - $60.00
- Additional Inspections – Currently $50.00, Proposed "Per Inspections Hourly Rate"
- Add - SEC – Residential - $20.00
- Add - SEC - Commercial/Industrial - $50.00
- Add - SAC/WAC Inspection Fee - $37.50

MEMORANDUM

TO: Mayor George Wimmer
Members of the Isanti City Council

FROM: Ryan Kernosky, Community Development Director

DATE: December 18, 2018

SUBJECT: **CONSIDERATION OF: PLANNED UNIT DEVELOPMENT FOR HERITAGE ESTATES SUBDIVISION**

Request:
City Council review the recommended approval of the proposed Planned Unit Development (PUD) for Heritage Estates subdivision submitted by Level Contracting, LLC.

What's a PUD?
In the most basic way, a PUD is a creative zoning district adopted just for specific projects and developments. PUDs allow the City and the developer greater freedoms, imagination, and flexibility of development by circumventing our traditional zoning code, which may cause undue hardships on development of parcels.

Often, when considering a PUD, the City Council should consider the following:

1) Density of Housing
2) Design & Layout of Development
3) Housing Styles
4) Preservation of Natural Resources
5) Reduction in Utility Costs
6) Consistency with the Comprehensive Plan

This list is not all inclusive, but rather a guiding point for the Planning Commission.

Background:
Heritage Estates was originally part of the Sun Prairie First Addition, this development included 60 units of attached townhomes in several buildings (3-4 units per building). Currently, the property is zoned R-3B "Medium Density Multiple-Family Residential". The developer has proposed 50 single-family homes (a mixture of detached townhomes and split-level homes).

The R-3B underlying district allows up to 10.89 units/acre the overall density of this project is 5.43 units/acre. Detached townhomes and single-family homes are not permitted uses in the R-3B zoning district; however, the City Council may allow them as part of the PUD. The other option may include rezoning the property to R-3A, which would be more restrictive in density and lot sizes.

Planning Commission Review:
The Planning Commission reviewed this conceptual plan during a Special meeting on November 7, 2018. They were supportive of the 50-unit development and recommended approval.

Planning Commission has held a public hearing on the proposed PUD and has recommended approval with conditions set forth in the Resolution.

City Council Action:
City Council reviewed the conceptual plan and authorized staff to being the public hearing process during the regular meeting on November 20, 2018. Tonight the Council is being asked to provided final approval.

Public Hearing Notice:
The Public Hearing notice was published in the November 22, 2018 issue of the *Isanti County News*. Property owners within 350' of the property were notified via USPS.

At the time of this staff report, no public comment has been provided to my office.

Staff Recommendation:
Approve the attached Resolution.

Attachments:
Resolution No. 2018-XXX

RESOLUTION NO. 2018-XXX

A RESOLUTION APPROVING THE PLANNED UNIT DEVELOPMENT FOR HERITAGE ESTATES

WHEREAS, Level Contracting, LLC, developer, has applied for a Planned Unit Development for Heritage Estates, a residential development located on Outlots A, B, & D, Sun Prairie First Addition, Isanti County, Minnesota; and,

WHEREAS, the City Planning Commission of the City of Isanti has reviewed and held a public hearing on the Preliminary Plat and reviewed the conceptual Planned Unit Development and has recommended approval to the City of Isanti City Council during a Special Meeting of the Planning Commission on November 7, 2018; and,

WHEREAS, the City Council of the City of Isanti reviewed and approved the Preliminary Plat and conceptual Planned Unit Development per City Council Resolution No. 2018-257 and 2018-258; and,

WHEREAS, the City Planning Commission of the City of Isanti held a public hearing on the Planned Unit Development during a Special Meeting of the Planning Commission on December 4, 2018 and has recommended approval with the conditions set forth in this Resolution; and,

WHEREAS, the City Council of the City of Isanti has reviewed the Planned Unit Development during the December 18, 2018 Regular Meeting of the City Council.

NOW, THEREFORE, IT IS HEREBY RESOLVED, by the City Council of the City of Isanti, Minnesota, that it adopts the Findings of Fact and Conclusion related to the requested Planned Unit Development for Heritage Estates and **BE IT FURTHER RESOLVED** that the requested Planned Unit Development of Heritage Estates be approved with the following conditions:

1. Planned Unit Development approval is for 50 single-family lots abutting Cherrywood Ln NE, 8th Avenue NE, and 9th Avenue NE.
2. Density of this Planned Unit Development shall not exceed 5.43 units/acre.
3. Direct driveway access to Heritage Blvd NE (CSAH 5) shall be prohibited, all driveway access shall be along said streets in condition #1.
4. Development Regulations:
    a. Single-family homes are a permitted use within this Planned Unit Development.
    b. Lots abutting Heritage Blvd NE (CSAH 5) shall have a minimum setback of 50' from the Heritage Blvd NE (CSAH 5) Right of Way.
    c. Block 1: Lots 1-14
        i. Street Yard Setbacks: 30'
        ii. Side Yard Setbacks: 5'
        iii. Rear Yard Setbacks: 50'

d. Block 1: Lots 15-18
    i. Street Yard Setbacks: 30'
    ii. Side Street Setbacks: 20'
    iii. Side Yard Setbacks: 5'
    iv. Rear Yard Setbacks: 30'

e. Block 2: Lots 3-8
    i. Street Yard Setbacks: 30'
    ii. Side Yard Setbacks: 5'
    iii. Rear Yard Setbacks: 15'

f. Block 2: Lots 1-2, 9-12
    i. Street Yard Setbacks: 30'
    ii. Side Street Setbacks: 20'
    iii. Side Yard Setbacks: 5'
    iv. Rear Yard Setbacks: 30'

g. Block 3: Lots 1-3
    i. Street Yard Setbacks: 30'
    ii. Side Yard Setbacks: 5'
    iii. Rear Yard Setbacks: 10'

h. Block 3: Lots 4-20
    i. Street Yard Setbacks: 30'
    ii. Side Yard Setbacks: 5'
    iii. Rear Yard Setbacks: 30'

5. Any other zoning regulations must be compliant with the underlying zoning district at the time of this adoption – R-3B "Medium Density Multiple-Family Residential"
6. This Planned Unit Development shall only be implemented after the Final Plat of Heritage Estates subdivision has been properly filed with the Isanti County Recorder and Auditor's office.
7. This Planned Unit Development shall only be implemented after the Developer and City have entered into a Development Agreement for the development of this subdivision.

Adopted this 18th Day of December, 2018.

Memo

To: **Mayor Wimmer and Members of the City Council**

From: Katie Everett, Parks, Recreation and Culture Manager

Date: December 18, 2018

Subject: **A Resolution to Extend Site Use Agreement Between the City of Isanti and Catholic Charities**

Background:
Catholic Charities wishes to continue operating Senior Dining out of the Isanti Community Center in 2019. Per Resolution 2017-318, there is to be a 3% annual increase to the monthly fee for this use. Therefore, the 2019 rate will be $111.39 per month. Item II. in the contract will need to be amended.

Staff recommends approving all other terms of the contract as presented.

Staff Request:
Staff requests City Council approval of the Site Use Agreement with Catholic Charities with the amendment to the monthly rate.

Attachment:
- Resolution 2018- XXX
    - Catholic Charities Senior Dining Program Site Use Agreement

RESOLUTION 2018 - XXX

A RESOLUTION TO EXTEND SITE USE AGREEMENT BETWEEN THE CITY OF ISANTI AND CATHOLIC CHARITIES

WHEREAS, Catholic Charities requests the City enter into a 2019 Site Use Agreement; and,

WHEREAS, the agreement allows Catholic Charities Senior Dining Program to partner with the City to provide meals for seniors in Isanti and the surrounding communities; and,

WHEREAS, the Isanti Community Center is the site location for the service; and,

WHEREAS, the hours of operation for the service are from 10:30 a.m. to 1:30 p.m.; and,

WHEREAS, due to increased costs associated with the operations of the facility, the City of Isanti will require a 3% annual increase in the monthly fee to Senior Dining; and,

WHEREAS, the 2019 monthly rate will be $111.39,

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, to approve entering into the 2019 Site Use Agreement with Catholic Charities, attached to this resolution as 'Exhibit A.'

This Resolution is hereby approved by the Isanti City Council this 18th day of December, 2018.

Exhibit A

CATHOLIC CHARITIES SENIOR DINING PROGRAM
SITE USE AGREEMENT

This site use agreement has been prepared for the purpose of defining the rules of the agencies involved in the development and operation of the Senior Dining Program in Isanti, Minnesota.

This agreement made this 1st day of January, 2019 by and between Isanti Community Center, 110 1st Ave, N, PO Box 428, Isanti, MN 55040 hereafter referred to as the Company and the Catholic Charities Senior Dining Program, 157 Roosevelt Road, Suite 200, City of St. Cloud and the State of Minnesota, hereafter called Senior Dining, in consideration of costs, covenants and agreements herein reserved and contained, do hereby agree each with the other as follows:

I. TERM OF AGREEMENT: The term of this agreement shall be in effect January 1, 2019 and continuing until either party deems it necessary to change specifications stated in the agreement. The agreement may be changed by either party upon 60 days written notice thereof to the other.

II. The Senior Dining Program agrees to pay $111.39 per month to help offset the costs of the operation.

III. All correspondence regarding this agreement will be between the Senior Dining Program Director and City of Isanti City of Isanti Community Events and Parks Coordinator. Any issues/concerns regarding this contract can be referred to Ruth Hunstiger, Director of Community Services, at 320-229-4592.

IV. Senior Dining agrees and shall abide, conform to and comply with all the laws of the United States and the State of Minnesota, and all of the ordinances of the City of Isanti Minnesota, together with all the rules and requirements of the Police and Fire Department of the City of Isanti, Minnesota. In addition, all rules and regulations by the Minnesota Department of Health will be complied with. A restaurant license, if required, will be procured yearly by Senior Dining.

V. Senior Dining usually observes the following holidays: New Year's Day, Good Friday, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day, and Christmas Day. Other days of closing will be determined by Senior Dining and the Company. Other dates Senior Dining will not occupy the facility are: February 21st, Blood Drive, **March 20th**, April 24th Blood Drive, June 18th Mayor's Employers Celebration Day, June 27th Blood Drive, August 22nd Blood Drive, October 24th Blood Drive, December 26th Blood Drive and December 16-20th Isanti Lion's Christmas Project.

VI. Senior Dining agrees to restore the used facilities to ordinary cleanliness after use. Ordinary cleanliness is defined as leaving facilities in the same condition as they were prior to entering. Basic custodial services such as floor maintenance, window washing, cleaning of restrooms, washing and/or painting of walls, and snow removal are the responsibility of the Company. Senior Dining will be responsible for daily set up of the facility according to its preference.

VII. Senior Dining shall at it's own expense procure and maintain comprehensive general combined single limit liability coverage of One Million Dollars ($1,000,000.00) and Workers Compensation Insurance on all staff relating to the site mentioned above. Senior Dining shall hold the building owner harmless for damages or injury occurring on the rented premises for which Senior Dining is found liable.

VIII. The Company agrees to assume sole financial responsibility for the facility due to mechanical and electrical problems and to repair damage as a result of the above. Maintenance and repair costs of equipment owned by the Company will be the responsibility of the Company.

IX. In the event Senior Dining or the Company must cancel all or part of the terms of this agreement, both parties will provide the other agency sixty (60) days notice in writing. Upon written receipt by the Company from Catholic Charities Senior Dining, this agreement is subject to immediate termination by Senior Dining should federal, state or local dollars be reduced or withdrawn.

X. Senior Dining may use the kitchen and dining room during the hours of 10:30 a.m. to 1:30 p.m. Monday through Friday.

XI. The Company agrees to furnish Senior Dining information about insurance coverage and dollar value of each type of coverage carried which relates to the facility and persons using the facility.

Memo

To: **Mayor Wimmer and Members of the City Council**

From: Katie Everett, Parks, Recreation and Culture Manager

Date: December 18, 2018

Subject: **A Resolution Accepting Quote for Publication of the City of Isanti Newsletter for Years 2019-2020**

Background:
At its November 20, 2018 meeting, the City Council approved the quote sheet for the upcoming quarterly newsletter contract period. Staff received the following quotes:

Vendor	Quarterly Publication	Special Edition Insert	Pocket Calendar
Minuteman Press	$1,865.00	$1,313.00	$599.00
ECM/APG	$2,796.40	$1,408.45	$1,260.00
Smartpress	Received after deadline, incomplete (calendar project not quoted)		

Completed quote sheets are attached to this memo.

Staff recommends accepting the quote from Minuteman Press for publication of the quarterly newsletter and production of the Parks pocket calendar.

Staff Request:
Staff requests Council approval of a quote for the publication of the quarterly newsletter. Additionally, staff requests authorization to enter into an agreement with the vendor for the period of January 1, 2019 – December 31, 2020.

Attachments:

NOTES

Pricing is based on supplied specifications as listed above. Any changes to components will require a new quotation. Postage and shipping charges are additional unless noted.

TERMS & CONDITIONS

This quotation (Quote) is valid for 30 days and cannot be amended by Purchaser's verbal proposals or counter-offers. Smartpress has the right to correct any typographical errors at any time. Smartpress is not obligated to perform the work in the Quote if factors beyond Smartpress' control, including but not limited to strikes, accidents, fires, and availability of materials, make performance at the price and terms impossible. Purchaser assumes all liability for patent and copyright infringement when goods are made to Purchaser's specifications. Purchaser is subject to all Terms and Conditions listed on Smartpress.com at time of purchase.

Cancellation: If Purchaser cancels an approved Quote or a PO, Purchaser is responsible for all time and materials used on order at the time of cancellation.

Taxes not included. Taxes applicable for Minnesota, California and New York businesses only. Direct Mail Projects: Full payment of postage is required prior to mailing and is non-refundable. Smartpress does not guarantee the accuracy of third party lists purchased and is not liable for damages of any kind arising from inaccuracies. Allow 7 to 14 business days for delivery of Standard Class mailings. First-Class mailings are generally delivered within 3 business days. Undeliverable First-Class mailings are returned to address printed on mail piece. There is no return service on Standard Class Postage. Smartpress does not guarantee USPS delivery times.

RESOLUTION 2018 - XXX

A RESOLUTION ACCEPTING QUOTE FOR PUBLICATION OF THE CITY OF ISANTI NEWSLETTER FOR YEARS 2019-2020

WHEREAS, the City of Isanti has determined that it is in the City's best interest to outsource the publication of the City Newsletter, the 'Isantian'; and,

WHEREAS, to outsource allows for a higher quality of paper and number of inks to be used that will be offset by the sale of advertisements in the publication to reduce the overall cost of the publication to the City; and,

WHEREAS, the following estimates were received:

Vendor	**Quarterly Publication**	**Special Edition Insert**	**Pocket Calendar**
Minuteman Press	$1,865.00	$1,313.00	$599.00
ECM/APG	$2,796.40	$1,408.45	$1,260.00
SmartPress	Received after deadline, incomplete (calendar project not quoted)		

WHEREAS, Minuteman Press provided the lowest responsible quote, staff recommends Council acceptance of Minuteman Press services for the quarterly publication and annual parks calendar; and,

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to hereby accept the quote as received from Minuteman Press for a quarterly publication cost to the City in the amount of $1,865.00, plus direct mail service estimated at $315.00, from January 1, 2019 through December 31, 2020;

BE IT FURTHER RESOLVED by the City Council of the City of Isanti, Minnesota to hereby authorize City staff to enter into an agreement, as provided in Exhibit A, with Minuteman Press for the publishing service.

This Resolution is hereby approved by the Isanti City Council this 18th day of December 2018.

Attest:

Mayor George A. Wimmer

Katie Brooks
Human Resources/City Clerk

EXHIBIT A

AGREEMENT FOR PUBLISHING SERVICES BY MINUTEMAN PRESS AND THE CITY OF ISANTI

This agreement is hereby entered into between the City of Isanti and Minuteman Press on this on this 3rd day of January, 2019 for provision of publication of the City newsletter, the 'Isantian'. This agreement will be effective through December 31, 2020.

Through this agreement, Minuteman Press agrees to provide printing, labeling, sealing, and transport services for the City of Isanti newsletter, "The Isantian." This will be done under direction of the City of Isanti and Katie Lawrence, representative of Minuteman Press.

The newsletter is scheduled to be published four times a year, with main ready copies to be delivered to the post office on dates designated by the City of Isanti in March, June, September, and December in all years of this contract. The newsletter will be a 12-page publication in full color, 11" x 17" folded to an 8 ½" x 11" finished piece. Minuteman Press is responsible for labeling, sealing, and transporting the newsletter to the post office and City offices each quarter.

The City of Isanti will provide a list of names and addresses in a file that is acceptable to the City of Isanti and Minuteman Press. The City of Isanti will provide the full newsletter copy to Minuteman Press for all newsletters. Minuteman Press will proof the provided newsletters to ensure print quality.

The Spring Isantian will include an insert of the annual Parks pocket calendar. The City of Isanti will provide all calendar design; Minuteman Press will provide a proof prior to printing and folding. The Spring Isantian and calendar will be inserted into a 9"x12" custom-printed envelope for direct mailing.

The quoted printing bid per quarterly publication is $1,625.00, the direct mail service is estimated at $315.00 (exact cost to be determined by number of items labeled), and Minuteman Press agrees to give a $75.00 credit per issue for advertising. The annual pocket calendar bid is $599.00, and the special edition newsletter inserting fee is $1,313.00.

Either party (Minuteman Press or the City of Isanti), may terminate this agreement at any time upon not less than 120 days written notice prior to the next publication date.

This Agreement was approved by the City Council of the City of Isanti on the 18th day of December, 2018.

Request for City Council Action

To: **Mayor Wimmer and City Council Members**

From: Chief Gene C. Hill **MEMO**

Date: December 12, 2018

Subject: **Replacement - 2011 Dodge Charger / Repairs**

Background:

The 2011 Dodge Charger is in need of some expensive repairs, the camshaft is out and needs replacement at a cost of approximately $4800.00. The vehicle currently has 140,000 miles on it and is on its second engine for the same reason. This car is not scheduled to be taken out of service until spring 2020. Since 2011 when the car was purchased, the cost of repairs in the last two years to keep this vehicle in the fleet has sky rocket. Since 2011, we have spent almost $20,000.00 to keep this car running. It is not advisable to put another $4800.00 into this car. I am advising to sell this vehicle at auction now while it is still running.

There was not a squad car purchased in 2018. Currently, there is a large amount of unspent money within the existing 2018 budget because of reduce staffing levels. I have spoken to Finance Director Betker and he has confirmed that there are sufficient funds to cover the cost of a new squad car plus the outfitting costs of that new vehicle. Some of the equipment in the charger will transfer to the new squad. I would like to purchase with 2018 funds a new squad not to exceed $49,000.00

Action:

I am requesting that the City Council review, consider and approve to allow its Chief of Police to purchase and outfit a new squad car using existing 2018 funds that remain within budget.

RESOLUTION NO. 2018-XXXX

RESOLUTION AUTHORIZING STAFF TO PURCHASE A NEW SQUAD VEHICLE AND TO OUTFIT THAT VEHICLE BY TRANSFERRING EXISTING UPSENT 2018 POLICE DEPARTMENT FUNDS

WHEREAS, the Isanti Police Department is in dire need to replace one of its existing marked squad cars that is in need of extensive repairs; and

WHEREAS, the Isanti Police Department budget has significant unspent funds within the 2018 budget that can be used to cover this expense; and

WHEREAS, the Chief of Police is authorized to purchase and equip the new squad car not to exceed $49,000.00; and

WHEREAS, the funding will be provided by budget amendment, decreasing budgeted expenditures to 101-42110-100 (Police; Wages and Salaries) and increasing budgeted expenditures to 101-42110-500 (Police; Capital Outlay) in offsetting amounts; and,

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City Of Isanti, Minnesota to approve the purchase and equipping of a new squad car not to exceed $49,000.00 and authorize the Finance Director to make the necessary budget adjustments based on actual final cost.

This resolution was duly adopted by the Isanti City Council this 18th day of December, 2018.

Attest: Mayor George A. Wimmer

Katie Brooks
City Clerk / Human Resources

Regular Meeting Minutes
November 7, 2018
Isanti City Hall

1. **Call to Order**
   The meeting was called to order at 7:06 p.m. by President George Wimmer.

   a. **Pledge of Allegiance**
   b. **Roll Call**

      Present: Ross Lorinser, Dan Collison, Jill Reller, Paul Bergley, George Wimmer, Steve Lundeen

      Absent: Tara Hallberg

      Staff Present: Community Development Director/EDA Secretary Ryan Kernosky

   c. **Agenda Modifications**
      Secretary Kernosky stated that there were no agenda modifications

2. **Approval of the Agenda**
   Motion by Lorinser, seconded by Lundeen to approve the November 7, 2018 EDA Agenda. Motion passed unanimously.

3. **Approve Minutes of the October 2, 2018 Regular Economic Development Authority Meeting**
   Motion by Lorinser, seconded by Bergley to approve the Minutes of the October 2, 2018 Regular EDA Minutes. Motion passed unanimously.

At 7:07 p.m. Authority Member Tara Hallburg was seated for the meeting.

4. **Other Business/Updates/Communication**
   Director Kernosky recited portions of the staff memo provided. Kwik Trip and Best Western Plus are well underway. Staff has continued to reach out on Senior and Multi-family housing. Kernosky noted that there's been a lot of interest in the Economic Development District since the hotel has begun construction and the extension of Richard and 5th Avenues has commenced.

5. **Adjournment**
   Motion by Bergley, seconded by Lundeen to adjourn. Motion passed unanimously.

   The October 2, 2018 meeting of the EDA adjourned at 7:08 p.m.

Dated this 15th day of November, 2018.

MEMO

To: **Mayor Wimmer and City Council**

From: Don Lorsung, City Administrator

Date: December 10, 2018

Subject: Resolution Designating Polling Places in City of Isanti

---

The 2017 Minnesota Legislature amended State Law to require that Cities designate their election polling places each year (whether there are scheduled elections or not). Therefore, the City needs to designate the polling places for 2019.

Attached is a Resolution for your consideration that designates our polling places, as previously established by the City Council.

RESOLUTION NO. 2018-xxx

A RESOLUTION DESIGNATING POLLING PLACES IN CITY OF ISANTI

WHEREAS, Minnesota Statues 204B.16 was amended in 2017 by the Legislature to require the governing body of each municipality to designate by ordinance or resolution a polling place for each election precinct by December 31st of each year. These polling places are designated for the following calendar year; and,

WHEREAS, the City Council of the City of Isanti has created Precinct 1 and Precinct 2 with Official Polling Places, as adopted and designated in Resolution 2015-288; and,

WHEREAS, due to State law the City Council finds it necessary to re-designate a polling place location for each precinct;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, to designate election polling places for each precinct for 2019 as follows:

1. The official Polling Place location for Election Precinct 1 is Isanti City Hall, 110 First Avenue NW, Isanti, Minnesota.

2. The official Polling Place location for Election Precinct 2 is Isanti Community Center, 208.5 First Avenue NW, Isanti, Minnesota.

This Resolution is hereby approved by the Isanti City Council this 18th day of December, 2018.

Date: December 12th 2018

Subject: Consider Resolution Closing Construction Funds

Background:
Below is listing of construction funds that did not have any activity in 2018 or are expected to have no further activity in 2019 and hence can be closed effective year-end 2018. Construction Funds with a negative cash balance would receive a transfer in. Construction Funds with a positive cash balance would transfer money out. Once cash in each of listed construction funds is at zero the accounts would be made inactive.

CONSTRUCTION FUND			TRANSFER FUND			
FUND	TITLE	CURRENT CASH	FUND	TITLE	CURRENT CASH	ACTION
432	RAILROAD AVE IMP.	$ 49,573.73	920	CAPITAL REPLACEMENT	$ 466,199.88	TRANSFER FUNDS IN 432 TO FUND 920
436	2014 PUBLIC WORKS SITE IMP.	$ (5,824.51)	932	2014B GO IMP BONDS	$ 30,895.75	TRANSFER FUNDS IN 932 TO FUND 436
437	2015 PAVEMENT MANAGEMENT	$ 31,290.14	920	CAPITAL REPLACEMENT	$ 466,199.88	TRANSFER FUNDS IN 437 TO FUND 920
439	2015 WWTP IMP.	$ (209,282.46)	602	SEWER	$ 2,840,319.95	TRANSFER FUNDS IN 602 TO FUND 439

The above listed actions were recommended and reviewed by the City's auditors.

Fund 432 would close to the capital fund associated with the General Fund.
Fund 436 would close by way of a transfer from its corresponding debt service fund, Fund 932.
Fund 437 would close to fund 920 as it was the source of the original transfer in funding Fund 437.
Fund 439 would close by way of a transfer in from the Sewer fund, Fund 602.

Request:
Consider resolution approving the closing of listed funds effective 12/31/2018

Attachment:
- Resolution 2018-XXX – Authorizing the Closing of Construction Funds for 2018

RESOLUTION NO. 2018-XXX

AUTHORIZING THE CLOSING OF CONSTRUCTION FUNDS FOR 2018

WHEREAS, the City Council of Isanti finds that it is important to review financing to eliminate deficits in certain funds and close funds with no recent activity or for projects that are materially complete; and

WHEREAS, the City Council of Isanti finds that it is in the best interests of the community that the City officially list each year the specific amounts reserved for the above purposes; and

WHEREAS, the City Council of Isanti finds that it is in the best interests of the community to make the following transfers for budget year ending 2018

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of Isanti, Minnesota, to:

1. Close Fund 432 – Railroad Avenue Improvement to Fund 920 – Capital Replacement Fund.
2. Close Fund 436 – 2014 Public Works Site Improvements & Equipment, with transfer from Fund 932 – 2014B GO Improvement Bonds.
3. Close Fund 437 – 2015 Pavement Management Improvement to Fund 920 – Capital Replacement (original source of funding transfer).
4. Close Fund 439 – 2015 WWTP Improvement, with transfer from Fund 602 – Sewer fund.

Adopted by the Isanti City Council this 18th day of December 2018.

From: Finance Director Betker

Date: December 12th 2018

Subject: Consider Resolution Amending 2018 Budget

Background:
After the 2018 budget was adopted, December 5th 2017, the Council accepted the resignation of Building Official Nick Henly. Resolution 2017-309 approved a contract with MNSpect LLC to provide building inspection services for the coming years.

Resolution 2018-091 approved the creation of a new full time Planner position.

Additionally a variety of uncontrollable circumstances have lead Police Chief Hill to heavily utilize part time officers well beyond the 2018 budgeted amounts as well as more overtime hours for full time officers than had been budgeted.

The 2018 budget should be amended to recognize these actions/circumstances so as to avoid the potential for a negative audit finding for fiscal year 2018.

Attached is a summary of the proposed changes that Finance Director Betker is recommending the Council consider. The net effect on General Fund cash is an improvement of $64,470.

Request:
Consider resolution approving 2018 budget amendments

Attachment:
- Resolution 2018-XXX – Authorizing the Closing of Construction Funds for 2018

RESOLUTION 2018-XXX

RESOLUTION APPROVING AMENDMENTS TO THE 2018 BUDGET

WHEREAS, on December 5, 2017 the City Council approved the City of Isanti 2018 Budget; and,

WHEREAS, the Isanti City Council approved a 5 year contract with MNSpect LLC by Resolution 2017-309; and,

WHEREAS, the Isanti City Council approved the creation of a full time planner position by Resolution 2018-091; and,

WHEREAS, the Isanti City Council acknowledges Police staffing configurations utilized in 2018 are not reflected in the budget adopted by Resolution 2017-289; and,

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to amend the 2018 budget as detailed in attached Exhibit A.

This Resolution is hereby approved by the Isanti City Council this 18th day of December, 2018.

MEMORANDUM

Date: December 12, 2018

To: Honorable Mayor Wimmer and Members of the City Council

From: Bradley C. DeWolf, P.E.
City Engineer

Jason W. Cook, P.E.
Assistant City Engineer

Subject: Project Status Report
Isanti, MN
Project No.: R13.115547

Please find listed below a status report of the current projects in the City of Isanti:

1) MS4 Phase 2 & 3 Implementation

We will continue to assemble documents to assist the City in meeting the requirements of the MS4 permit for Phase 2 and Phase 3 of the implementation schedule.

2) Cajima Street/TH 65 Signal Study

We will complete the 60% Plan Set this month for submittal to MnDOT for review.

3) 2018 Street & Utility Improvements

This project is complete. The final pay request is anticipated to be processed this month.

4) 2019 Storm System Maintenance Project

This month we will notify residents impacted by this project.

5) 2019 Pavement Management Project

We will begin creating the plan set this month.

6) Legacy Pines Subdivision

The Contractor has installed the sanitary sewer and watermain. All other work has been suspended for the winter.

7) Clarifier Rehab Project

This project is scheduled to be completed in a 3-week period this month.

In addition to the current projects listed above we have completed and accepted 48 private developments and 61 city contracts since being selected as your City Engineer in 2008.

Please contact me if you have any questions.
