MINUTES
CITY OF ISANTI
SPECIAL MEETING CITY COUNCIL
Monday, December 28, 2020 -9:00 a.m.
CITY HALL

This meeting was held virtually via Zoom.

Mayor Johnson called the meeting to order at 9:00 a.m.

The Pledge of Allegiance was recited.

Members Present: Mayor Jeff Johnson, Councilors: Jimmy Gordon, Paul Bergley and Steve Lundeen

Member Absent: Dan Collison

Staff Present: City Administrator Josi Wood, Human Resources/ City Clerk Katie Brooks and Deputy City Clerk/ Human Resources Jaden Strand

D. Public Comment
None

E. Adopt Agenda
Motion by Lundeen, second by Gordon to approve agenda as presented. Motion passed 4-0. Motion carried.

F. Business Items

1. Resolution 2020-222 Adopting the 2021 Final Budget

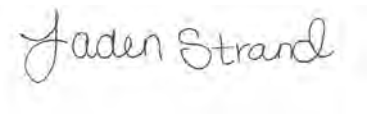
City Administrator Josi Wood shared that the Resolutions approved at the December 1, 2020 City Council meeting had an error in the levy amount. The Resolutions passed at this December 28, 2020 meeting is to correct the error and recertify the correct levy amount. Wood continued to share that the adopted levy cannot exceed the adopted preliminary levy that was approved in September. Therefore, being the reason, the special meeting needed to be called upon for the documentation to be submitted to the County by the end of the day. The Final levy presented on December 1st proposed a final levy of $29,566 more than the adopted preliminary levy. This will result in a 1% reduction in the tax rate compared to 2020.

Councilor Jimmy Gordon shared his concerns regarding the bathrooms, splashpad and amphitheater as he did at the December 1st meeting.

Councilor Paul Bergley stated that even though it is in the budget it will still need to discussed prior to approval.

Wood stated that the Capital Improvement Fund where the money is set aside for the bathrooms and the amphitheater is in fund 920. Which is the General Fund so it is basically the same thing.

A motion was made by Lundeen, second by Bergley to approve resolution as presented. Motion passed 3-1 with Gordon voting nay.



2. **Resolution 2020-223** Adopting Final 2020 Tax Levy, Collectable 2021

A motion was made by Lundeen, seconded by Bergley to approve resolution as presented. Motion passed 3-1 with Gordon voting nay.

G. Adjournment

Motion by Lundeen, second by Bergley to adjourn. Motion passed 4-0. Motion carried.

Meeting adjourned at 9:18 a.m.
Respectfully Submitted,

Jaden Strand
Deputy City Clerk/ Human Resources

J. Public Hearings
None

K. Business Items

City Administrator Josi Wood

1. City Council and Commission Meeting Dates for 2021
City Administrator Josi Wood shared that the meeting dates follow suit with the first and third Tuesdays of each month for City Council meetings, third Tuesday of each month at 5:00 p.m. for Committee of the Whole meetings, third Tuesday of each month for Planning Commission, the first Tuesday of each month for EDA meetings and Parks, Recreation and Culture Board meetings the fourth Tuesday of each month except no meeting in December. Wood further shared that there is one shift to Wednesday in August to observe National Night Out (Night to Unite.) The City Council and EDA meetings will be on Wednesday, August 4th.

Motion by Lundeen, second by Collison to approve dates as presented. Motion passed 5-0. Motion carried.

2. Ordinance-746 Amending City Code, Chapter 160, Fees
City Administrator Josi Wood shared that this Ordinance is the fee schedule that is updated annually to reflect any changes proposed by City Council, staff and to accurately reflect costs incurred. This was reviewed by Committee of the Whole and nothing has changed except for reduced fees at the athletic facilities and park shelters to 50% fee for non-profits.

Motion by Lundeen, second by Collison to approve Ordinance as presented. Motion passed 5-0. Motion carried.

3. Ordinance-747 Amending City Code Chapter 262, Sewer and Water Service Charges
City Administrator Josi Wood shared that as discussed at Committee of the Whole it was to keep sewer and water rates flat or have a reduction which have been reflected in this Ordinance.

Motion by Lundeen, second by Bergley. Motion passed 5-0. Motion carried.

Community Development Director Sheila Sellman

4. Ordinance-748 Amending the City Zoning Ordinance, Section 2: Definitions and Section 15: Fencing, Screening, and Landscaping
Community Development Director Sheila Sellman stated that this was shared at the Planning Commission's November meeting and that it is to update section 2 and a landscaping definition to take out the specific standard that MNDOT puts for the soil and leave it say "MNDOT specifications" because the number could change and the Ordinance would have to be amended every year. Sellman further shared that Zoning Administrator was removed and replaced with Community Development Director or his or her designee.

Motion by Lundeen, second by Gordon to approve Ordinance as presented. Motion passed 5-0. Motion carried.

5. Subsidy Agreement for Light the Lamp LED
   Community Development Director Sheila Sellman shared that this is the Subsidy Agreement to sell Light the Lamp/LED Wolf River Electric two parcels for a $1 each. The 15-acre parcel is being split into 3 parcels and the City is selling Light the Lamp LED two parcels. This went to EDA and there was a Public Hearing on it as well.

   Motion by Collison, second by Bergley to approve agreement as presented. Motion passed 5-0. Motion carried.

City Engineer Jason Cook

6. **Resolution 2020-215** Authorizing 2021 Pavement Management Engineering Services
   City Engineer Jason Cook shared that this is to stay on schedule with the Pavement Management Engineering Plan that is in the Capital Improvement Plan in the budget. This year will be central and northern parts of the City including all of Bluebird Park parking lots and trails as well as Credit Union Drive area and Main Street.

   Motion by Lundeen, second by Gordon to approve as presented. Motion passed 5-0. Motion carried.

7. **Resolution 2020-216** Authorizing 2021 Storm System Maintenance Engineering Services
   City Engineer Jason Cook shared that this is to wrap up the program that has been in place for 5 years now. Cook continued to share that last year was switched with the 2021 maintenance area to allow more time to coordinate work along the Whiskey Road County ditch. This year, it is now proposed to complete the 2020 maintenance area work.

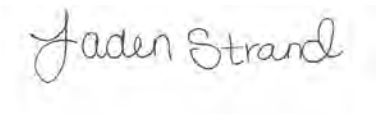
   Motion by Lundeen, second by Collison to approve resolution as presented. Motion passed 5-0. Motion carried.

L. Approve Consent Agenda

1. Consider Accounts Payable in the Amount of $303,970.06 Payroll in the Amount of $146,165.83
2. Development Agreement Amendment Legacy Pines
3. **Resolution 2020-217** Removing Part-Time Peace Officers from Roster
4. **Resolution 2020-218** Finalizing the Payment for the 2020 Pavement Management Project
5. **Resolution 2020-219** Authorization to Terminate an Employee
6. **Resolution 2020-220** 6th Avenue Rehabilitation Partial Payment No. 2
7. **Resolution 2020-221** Amendment to the 2020 Budget

   Motion by Lundeen, second by Collison to approve consent agenda as presented. Motion passed 5-0. Motion carried.

M. Other Communications



1. November Police Department Reports
2. November Code Enforcement Officer Report
3. November Building Inspector Report
4. December Engineering Project Status Report

5. Draft Minutes from the November 24th, 2020 Parks, Recreation and Culture Board Meeting

Adjournment
Motion by Bergley, second by Lundeen to adjourn. Motion passed 5-0. Motion carried.

Meeting adjourned at 7:21 p.m.

Respectfully Submitted,

Jaden Strand
Deputy City Clerk/ Human Resources

MINUTES
CITY OF ISANTI

The Pledge of Allegiance was recited.

Members Present: Mayor Jeff Johnson, Councilors: Jimmy Gordon, Paul Bergley, Steve Lundeen and Dan Collison

Member Absent: None

Staff Present: City Administrator Josi Wood, Human Resources/ City Clerk Katie Brooks, Community Development Director Sheila Sellman, Finance Director Mike Betker, City Engineer Jason Cook, Chief of Police Travis Muyres, Liquor Store Manager John Jacobi and Public Services Director Matt Sylvester

D. Public Comment
None

E. Committee Meeting Items

1. Public Works updates

- Public Works has been posting doors for tree trimming in Right of Way areas as well as in Parks and City owned facilities. This will likely continue through the winter as time allows.
- Staff has been out to do pothole patching.
- Staff has been preparing equipment for winter storage as well as prepping equipment that is used for winter snow removal.
- Fall cleanup of leaves and debris from streets has been completed.
- Annual maintenance of the Air release valves have been completed for the year.
- Annual jetting was completed. This year each lift station was jetted.
- Generators have been set and are up and running with the exception of Rum River lift station, Isanti Community Center, and Well 1/ Police Department/ Fire Department as well as the transfer switch at City Hall which should be completed in the next few weeks.
- The clarifiers were shut down and cleaned at the WasteWater Treatment Facility in early November. They will remain down until Spring. This is normal winter operations at the facility.
- Staff worked through some issues at the WTP on the MIOX machine. This was a great opportunity for some of our new staff to trouble shoot and cross train on the Miox machine.
- The Sledding Hill has been completed and has seen a lot of attention with the very little snow that has been received. The Grand Opening is scheduled for December 16th.
- The Compost Site was closed on November 8th and had another successful year with a lot of positive feedback from residents.
- Santa Day was scheduled for December 11th with the Candy Cane Hunt to follow on December 13th.
- Fall cleanup for leaves in the parks was completed for now and there will be some cleanup in the Spring.

- The Winter Isantian has been completed and sent out.
- The Farmers Market ended on September 25th.
- Recommendation from Committee is to postpone the Sledding Hill Grand Opening to a date later determined.

2. Chapter 227 Parking and Storage Discussion
- Previous Committee of the Whole meeting, it was requested that there be consideration of trailers being permitted to park on the grass during the winter restriction months, November to March 31.
- If permitted, staff requested consensus of where parking and storage would be allowed and if units such as snowmobiles or other motorized units will be permitted to be on a trailer.
- Consensus from Committee is to allow for trailers on a non-impervious surface and within 10 feet of the driveway from November 1st to March 31st.
- Recommendation from Committee is to post Ordinance for the required 10 days with the recommended changes listed above.

3. Isantian Newsletter Options Discussion
- In the past the City of Isanti has sent the Isantian Newsletter out to be printed and mailed to residents quarterly. That contract has been with Minuteman Press and expires on 12/31/2020.
- In the year 2020 it cost the City $11,616.61 for the service.
- Another option would be to have the Isantian go digital. The City would then have the ability of posting it on Facebook and also the City website. Isantian could be mailed to a resident if requested.
- The Isantian is prepared in-house so this option would require no additional staff time.
- Recommendation from Committee is to print Isantian in-house for new residents as well as whoever may want one otherwise make the publication digital to save the money.

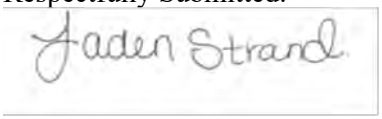
4. Intersection Control at Heritage/ East Dual Update
- City Administrator Josi Wood updated the Committee that she had spoke with the President of Minnco Credit Union, Doug Halverson, and asked if the Minnco Credit Union Board was willing to sell the piece of land as well as if it included the remodel. Halvorson was not sure but heard that the County Commissioners had been talking with some of the members of the Minnco Credit Union Board.
- City Administrator Josi Wood requested Doug Hallstrom talk to the Minnco Credit Union Board again and ask if they are interested in selling the property to make a 4-way intersection and Doug Hallstrom said he would.

5. Liquor Store Architect Discussion (6:00 p.m.)
- Committee and Liquor Store Manager John Jacobi shared their requests for the new liquor store with Mike Angland and Tim Houle from Widseth Engineering.
- Requests for the new liquor store included a pitched roof, 12-14-foot ceilings, shelving and racking against the back walls.
- Mike Angland shared that he expected to have a proposal ready for review by the following week for review at the next City Council meeting.
- Recommendation from Committee is to review Widseth proposal at the next Council meeting and to ask Brunton if they would like to submit a revised proposal.

6. Metal Detecting on City Property
- Mayor Johnson has received phone calls inquiring medal detecting on City property.

- The recent individual inquiring is interested in medal detecting the old house where the new liquor store is proposed to go. The individual is not looking for anything of value to keep and will give the City anything he may find.
- Recommendation from Committee is for staff to research policies allowing for this but does result in a liability for the City and bring back to Committee of the Whole for discussion.

7. Fire District Purchase Update
- The parcel has been split and recorded with the County. It will take some time before Beacon is updated.
- A revised purchase agreement will be sent to Fire Chief Al Jankovich with included language that the generator will be the City's sole responsibility.
- Recommendation from Committee is for the Fire District to keep the billboard sign when they purchase the building instead of moving the sign to the new police department.



8. Liquor License Fee Discussion
- Mayor Johnson shared that he is receiving phone calls about waiving liquor fees as Cambridge has recently waived theirs for 2021.
- Recommendation from Committee is if a business paid for a 2020 license, their fee will be waived for 2021. This would apply to liquor and pawn shop renewal fees. If a business is looking to obtain a new license, the waived fee will not pertain to them.

9. Open Minnesota
- Councilmember Bergley shared that there is a group called "Re-Open Minnesota" where there are approximately 150 businesses that plan to open against Governor Walz's order.
- Isanti declared themselves business-friendly in June.
- The City Attorney recommended in the past that not following the Governors Order may put liability on the City if encouraging businesses to open.

F. Adjournment

Meeting was adjourned at 6:53 p.m.

Respectfully Submitted.

Jaden Strand
Deputy City Clerk/ Human Resources

CITY OF ISANTI
PLANNING COMMISSION MEETING
TUESDAY, November 17, 2020
ZOOM meeting

1. Meeting Opening

A. **Call to Order**: Chair Johnson called the meeting to order at 7:45pm
B. **Pledge of Allegiance**
C. **Roll Call**: Commissioners present: Jeff Johnson, Paul Bergley, Jimmy Gordon, Steve Lundeen, Dan Collision, Arissya Simon. Staff present: Sheila Sellman Community Development Director. Absent: Commissioner Alexander Collins
D. **Agenda Modifications**: None

2. Meeting Minutes

A. Approval of Minutes from October 20, 2020 Planning Commission Meeting: Motion by Lundeen, second by Bergley to approve, motion passed 6-0.

3. Public Hearing

A. Ordinance Amending the City Zoning Code, Ordinance 445 Section 2: Definitions and Section 15: Fencing, Screening and Landscaping: Sellman gave the presentation regarding soil and sod requirements, this amendment is more of a housekeeping that removes MNDOT specification numbers and just references MNDOT Specs rather than a specific number. No one from the public spoke on this item. Motion by Lundeen, second by Bergley to approve the amendment. Motion passed 6-0.

4. Other Business

A. Sign Consideration for Best Western: Sellman explained that Best Western applied for a free-standing sign permit and was denied by past administration because it did not have a brick base. The hotel is located in the HWY 65 overlay and should be held to higher development standards however the sign code does not specify what that is. The hotel proposed a freestanding sign with a solid base but not of brick. The Planning Commission discussed the base and agreed it should be solid and should be similar to what the other businesses in that district have done (Coborn's, O'Reilly etc.) The Commission agreed to what the hotel proposed with the addition of a small brick base with landscaping around it. The Commission directed staff to draft an ordinance amendment for the HWY 65 overlay sign requirements. Motion by Dan to approve the sign as presented with the addition of a 2-3-layer brick base with landscape around it, second by Lundeen, motion passed 4-2. Bergley and Gordon voted no against the extra requirements, what they proposed is fine.

5. Discussion Item

Commissioner Collins request of absence: Commissioner Collins requested a leave of absence from the Planning Commission and has missed a few meetings prior to the request. He said he should be back in December. Complications with COVID has kept him out of the country. Motion by Lundeen, second by Gordon/Collison to allow the leave of absence and revisit in January. Motion passed 6-0.

6. Adjournment: Motion to adjourn by Bergley, second by Collison to adjourn, motion approved 6-0, meeting adjourned at 8:33pm.

Respectfully submitted Sheila Sellman Community Development Director

A Community For Generations.

Isanti

City of Isanti Board Member Application

For consideration, please fill out the below information along with the attached conflict of interest statement signed and dated by you. Please submit all the information to:
Human Resources/City Clerk Katie Brooks. PO Box 428, Isanti, MN 55040 or
kbrooks@cityofisanti.us, 763-444-5512

Name: John Farris E-mail: _____

Address: _____

Phone Number: _____

Board Seat for which you are applying for:

Parks, Recreation, and Culture Board

Economic Development Authority

Planning Commission

For Consideration on the Board you must circle at least one:

City of Isanti Resident

Non-Resident of Isanti

State:

Education and/or Knowledge that will be useful to the Board:

- Licensed Real Estate Agent.
- Bachelor's degree in Accounting; Master's degree w/ emphasis on organizational leadership.
- Experienced with property management - commercial, residential, high-rise buildings
- Professional experience managing $4.5+ million in budgets; capital projects; and vendor contracts
- Have chaired and served on previous boards (churches and homeowner associations)

Why you are interested on being on the Board?

I have lived in Isanti for 2 years now. We're raising our family here for at least the next 15-20 years. I would love to see our city grow and develop at a faster rate than Cambridge.

As a realtor I help clients move into new homes. A city's businesses, parks, schools, etc, all effect the desirability of the community. As a member of this board I would like to help work towards bringing in businesses and amenities that will bring value to the community.

What is your vision of Isanti?

I would like to see more businesses come into the community that would be a benefit to residents but also provide more tax revenue. The competitive side of me would like to see Isanti grow at a quicker pace than Cambridge. I think Isanti is better positioned along 65 and could make use of the traffic that comes from Cambridge.

Any other pertinent information that might to be taken into consideration. You may attach additional pages.

Feel free to view my LinkedIn profile for more details on my professional experience. I can provide a resume if needed.

Name: Luke Merrill E-mail: _____

Address: _____

Phone Number: _____

Board Seat for which you are applying for:

Parks, Recreation, and Culture Board XEconomic Development Authority X

Planning Commission

For Consideration on the Board you must circle at least one:

X City of Isanti Resident Non-Resident of Isanti

State:
Education and/or Knowledge that will be useful to the Board:

Honors B.A.S. in Economics from University of Minnesota
Honors B.A. in Psychology from University of Minnesota
Economics Club President at UofM 2013-2014
Omicron Delta Epsilon Economics Honor Society
County Park Board Commissioner 2016-Current
Isanti Planning Commission Experience
Lifelong Resident of Isanti

Why you are interested on being on the Board?

I think it's important to be involved and be the voice of citizens. Using my educational background, the EDA is my best means of doing so.

What is your vision of Isanti?

Small town, with modern ammenities and business opportunities. But not overgrown or overly retail developed in a way that makes the city unpleasant to live in.

Request for City Council Action

To: **Mayor Johnson and Members City Council**
From: Jaden Strand, Deputy City Clerk/ Human Resources
Date: January 5, 2021
Subject: Resolution 2021-XXX Designating Official Newspaper, Appointing Depositories and Professional Services

---

Background:

Newspaper Bids, Appointment of Depositories and Professional Services

Bids for the 2021 official city newspaper have been received from County News Review and Isanti-Chisago County Star.

County News Review	**$1.99 per column inch (11 lines/inch)** **215 distributions within the City of Isanti**
Isanti-Chisago County Star	**$2.05 per column inch (9 lines/inch)** **1885 distributions within the City of Isanti**

Attached is a Resolution designating the official City Newspaper, designation of depositories and appointment of professional services for the year 2021.

Request:
Staff is recommending to designate Isanti-Chisago County Star as the City's official newspaper for 2021 as they provide the highest number of distributions within the City of Isanti.

Attachments:

- Resolution 2021-XXX Designating an Official City Newspaper, Depositories, Appointment of City Attorney, City Engineer, City Auditor and Professional Services

RESOLUTION 2021-XXX

DESIGNATING AN OFFICIAL CITY NEWSPAPER, DEPOSITORIES, APPOINTMENT OF CITY ATTORNEY, CITY ENGINEER, CITY AUDITOR AND PROFESSIONAL SERVICES

WHEREAS, the City is required to make certain official appointments at the beginning of each year; and,

WHEREAS, the City requested and received bids for the designation of the official city newspaper for 2021; and,

WHEREAS, the following bids and distribution numbers were received by the City:
County News Review $1.99 per column inch (11 lines/inch) 215 distributions in the City of Isanti
Isanti-Chisago County Star $2.05 per column inch; (9 lines/inch) 1885 distributions in the City of Isanti;

NOW THEREFORE BE IT RESOLVED by the City Council of the City of Isanti, Minnesota as follows:

1. That the City accepts and designates the _____as the official newspaper for 2021 at a rate $____ per column inch, at ___ lines/inch.

2. That the following institutions and organizations are designated as follows:

Depositories: Falcon National Bank
RBC Wealth Management

City Attorney: Ratwik Roszak & Maloney, P.A

City Engineer: Bolton & Menk, Inc.
City Auditor: Abdo, Eick & Meyers, LLP
Financial Advisor: Northland Securities, Inc.
Bond Counsel: Briggs & Morgan

This resolution was duly adopted by the Isanti City Council this 5th day of January 2021.

RESOLUTION 2021-XXX

WAIVING RENEWAL FEE FOR ANNUAL LIQUOR AND PAWNSHOP LICENSES FOR 2021

WHEREAS, the City Council declared Isanti, MN a business-friendly community on June 2, 2020 and encouraged the Governor to reopen MN due to struggling businesses; and,

WHEREAS, restaurants have been closed to in-person dining and are limited to carry out only due to the COVID 19 pandemic; and,

WHEREAS, restaurants that have on-sale liquor licenses are not permitted to conduct liquor sales and are unable to capture revenue from those sales; and,

WHEREAS, the City Council gave aid to qualifying businesses through the COVID Relief Grant Program and desires to do more to help Isanti businesses through waiving certain license renewal fees; and,

WHEREAS, the following businesses hold a Liquor license or Pawnshop license with cost associated:

Sanbrook Golf Course $250	Wintergreens Golf & Grill $2,700
Thunder Brothers Brewery $1,010	Junction Bowl $2,700
VFW $2,700	Northern Pawn $1,500

NOW THEREFORE BE IT RESOLVED by the City Council of the City of Isanti, Minnesota that fees are waived for Liquor and Pawnshop annual renewal licenses.

This Resolution is hereby approved by the Isanti City Council this 5th day of January 2021.

Memo for Council Action

To: **Mayor Johnson and Members of the City Council**
From: Josi Wood, City Administrator
Date: January 5, 2021
Subject: Resolution Accepting Proposal for Architecture Services for Liquor Store

---

Committee of the Whole held multiple discussions regarding finding the best architectural firm for the City's new liquor store project.

Two firms, Widseth and Brunton, have submitted proposals which are attached to this memo.

Request:
Staff is requesting discussion and action on this item.

Attachments:

RESOLUTION 2021-XXX

ACCEPTING THE ARCHITECTURAL PROPOSAL FOR THE ISANTI LIQUOR STORE

WHEREAS, State Statute requires that the City have an architect for the planned design and construction of the new liquor store; and,

WHEREAS, proposals for the project were received from Widseth and Brunton and are attached as Exhibits to this Resolution;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, as follows:

1. That the City accepts the proposal for architectural services for the project from _____ in the amount of $_____.

2. The City Administrator is authorized to enter into and sign an agreement for such services.

This resolution was duly approved by the Isanti City Council this 5th day of January 2021.

Re: Isanti Liquor Store Widseth Design Proposal

Dear Ms. Wood:

Thank you for the opportunity to provide professional services for your upcoming liquor store project located in Isanti, Minnesota. Based on the discussions during our phone conversation on December 9, 2020 and the city council Zoom Meeting on December 15, 2020, Widseth has a clear understanding of this project. The building will be a 12,000 s.f. liquor store based on the floor plan that you've provided and other information that identifies the needs, wants and other design criteria for the project. Widseth anticipates the construction cost to be within $175 - $200/s.f., which equates to a 2 - 2.5 million dollar construction cost. This construction cost figure is preliminary and will need to be reviewed, analyzed and confirmed with the City of Isanti within the context of a comprehensive project cost review. The anticipated opening of this facility is Thanksgiving of 2021, which presents the owner, design team and contractor with a tight time frame for the completion of this project. This schedule will require the entire project team to operate in an efficient and timely manner as it relates to design phases, project milestones and construction sequencing.

As mentioned during the Zoom Meeting, we as designers rarely work on a project where the client is as organized and prepared for the design of a new building, which is very beneficial in this case as it relates to the anticipated schedule for this project. Our typical design process includes multiple design phases which allow us to work with clients to determine the types of spaces, locations of spaces within the building and quantifying the overall footprint of the building. This preliminary information is then used to generate a preliminary floor plan that provides a general concept of the building and occurs during the Preliminary Design and Schematic Design Phases. However, with your project it appears that these phases will not be necessary due to your hard work and collaborative efforts. The remaining design phases will consist of Design Development, Construction Document & Bidding and Construction Administration Phases.

The objective is clear, and that is that Widseth architects and engineers join your team and begin working with you to develop and complete bid documents that reflect your goals and expectations for this facility. You have generated momentum for this project, and Widseth has staff available to begin working with you immediately on this project. Widseth proposes to provide architectural and engineering services as follows noting that the fee may fluctuate depending on the scope of the project:

Preliminary Design Phase (Not Required)

Schematic Design Phase (Not Required)

Design Development Phase ($39,690.00)

- *Programming* – As mentioned, the programming for this project has been completed by the City of Isanti and is evident within the preliminary information that you have provided. This preliminary information has been attached to this proposal as Exhibit A for reference.

- *Concept Floor Plan, Exterior Elevations & Site Plan* – Widseth will develop a floor plan, exterior elevations and a site plan in order to establish a baseline for the design concept. The goal during Design Development will be to provide the following:

    - City of Isanti Zoning Ordinance Review
        - Identify and incorporate zoning ordinance requirements that will impact the site development and exterior design for this project.
            - This will include site access, minimum parking spaces, maximum impervious, greenspace and landscape requirements, exterior signage, allowable exterior materials, maximum height for the building and other information that will impact the overall design for this building.
            - Site access and overall traffic flow will be critical in order to align with the anticipated goal of 12% market share that has been mentioned by the City of Isanti. Widseth architects will work along with the City of Isanti city engineers during this process.
    - Building Code Review
        - Identify and incorporate building code requirements that will identify the occupancy for this building, building construction type, exiting, minimum restroom and plumbing fixture counts and other items that will impact the overall design of the building.
    - Construction Type
        - Propose a construction type that aligns with the expectations of the City of Isanti.
    - M&E
        - Mechanical
            - Discuss expectations for HVAC systems, HVAC controls and plumbing fixtures.
            - Review anticipated demand for walk-in coolers and rail coolers.
            - Identify opportunities for rebates that may be available from utility provider.
        - Electrical
            - Discuss expectations for electrical systems, light fixtures, panel layouts and circuitry and fire alarm systems.
            - Review anticipated demand for walk-in coolers and rail coolers.
            - Identify opportunities for rebates that may be available from utility provider.
    - Project Cost
        - Widseth will work with the City of Isanti to establish an overall Project Cost for this project. As discussed during the Zoom Meeting, Widseth will work with local contractors in an attempt to incorporate current and relevant pricing for construction, that reflects local labor availability, material pricing and availability and other key factors that are applicable to your area.
        - This Project Cost will provide the City of Isanti with a comprehensive analysis of all costs for the project, which include the following:
            - Soft Costs
                - Permits, A/E fees, Insurance, Etc.
            - Construction Costs
            - FF&E
                - This typically is owner provided items that may be purchased by the City of Isanti and outside of the construction contract.
            - Contingency

  - Project Schedule
    - Widseth and the City of Isanti will review the anticipated project schedule, identify key milestones and discuss opportunities to expedite construction in an attempt to open by Thanksgiving of 2021.

- *Deliverables* – The deliverables during the Design Development phase will consist of the following:

  - Site/Survey
    - City of Isanti zoning review.
    - Concept site plans.
  - Building
    - Concept floor plans.
    - Concept elevations.
    - Building code review.
  - Mechanical and Electrical
    - Initial discussions regarding mechanical & electrical systems that identify design criteria and expectations for thermal comfort, energy performance and ongoing maintenance expectations.

Construction Documents Phase ($70,560.00)

- *Construction Documents* - Upon approval from you on the final design, Widseth will prepare Construction Documents to be distributed to multiple contractors to be competitively bid and to the applicable agencies for plan review and permitting. Construction Documents will consist of the following drawings and specifications:

  - Architectural
    - Code review, floor plans, exterior elevations, building sections, details, door & window schedules, room finish schedules and interior elevations.
  - Mechanical Engineering
    - Plumbing and HVAC plans.
  - Electrical Engineering
    - Power, data and lighting plans.
  - Structural Engineering
    - Foundation & framing plans and details.

- *Deliverables* – The deliverables during the Construction Document Phase will consist of the following:

  - Drawings and specifications.
    - Hard copies and electronic files.
  - City of Isanti
    - Plan review and building permit applications.
  - State of Minnesota
    - MN Dept. of Labor & Industry Plumbing permit application and documents.

Bidding & Construction Administration Phases (Hourly)

- *Bidding* – During the bidding process, Widseth will address questions from bidders and issue addenda to provide clarification if needed. Widseth will also assist in reviewing bids and issuing construction contracts to the successful bidder

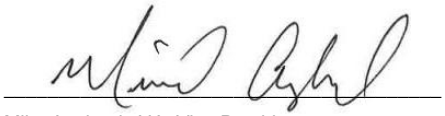
- *Construction Administration* - Throughout construction, Widseth will answer contractor questions and will make site visits, at intervals appropriate to the stage of construction to observe construction work and verify it is in conformance with the contract documents. Shop drawings will also be submitted to Widseth for review to ensure all materials, equipment, structural components and fixtures are in compliance with specified products. Widseth will also review pay applications submitted for payment certifying that the quantity requested is consistent with the work completed on site. Toward the end of the project, Widseth will issue a certificate of substantial completion with a final punch list identifying work to be completed or corrected as well as the associated cost for completion. Widseth will review and forward all closeout documentation including warranties for your records. Upon satisfactory completion of all close out items we will authorize final payment to the contractor.

- *Shop Drawing Review* – The Bid Documents will specify information pertaining to the products and execution for construction. Shop drawings of construction materials, equipment, structural components and fixtures will be submitted to Widseth for review for conformance with the design intent.

- *Deliverables* – The deliverables during the Construction Administration phase will consist of the following:
    - Shop Drawing Review
        - Architectural
        - Mechanical
        - Electrical
        - Structural
    - General Contractor pay application review.
    - Scheduled monthly site visits.
    - Project closeout documents.

Widseth is excited for the opportunity to work with the City of Isanti and discuss this proposal with you at the January 5, 2021 city council meeting. If you find this proposal acceptable, please sign below, return one copy of this proposal to our office and we'll get started right away!

Sincerely,



Michael Angland, AIA, LEED AP, Vice President

Memo for City Council

To: Mayor Johnson and Members of the City Council
From: Josi Wood, City Administrator
Date: January 5, 2021
Subject: Ordinance XXX Parking and Storage, Repeal and Replacement of Chapter 227

Background:

Staff has drafted changes within Chapters of City Code that need to be reviewed to be consistent with League recommended language, State Statute and policies that were previously adopted by Resolution.

Significant changes to Chapter 227, Parking and Storage included in the draft are as follows:

- Updated definitions to match Statute language
- Inclusion of all no parking areas within the City
- Included "No motorized vehicle is permitted to stay stationary on a street, roadway or in a municipal parking lot for more than seven (7) consecutive days without prior written approval from the City Administrator or Police Chief and/ or designee."
- The table that was referenced in the Chapter as Exhibit A was placed into writing in the respective section(s)
- Included "The improved surface area shall be no smaller than the entire footprint of the vehicle or unit."
- Included the zoning district R1-A regulations
- Included "Non-motorized trailers used to haul snowmobiles, ATVs or other recreational units, including the units, or fishhouses are permitted on all surfaces if placed a maximum of 10' from the driveway during the time frame of November 1 – March 31 only. The total GVWR is not to exceed 10,000 pounds."

The Ordinance draft has been reviewed by Committee of the Whole and been posted for the required 10 – day notice period.

Request:
Staff is requesting action on this item.

Attachment:

- ORD XXX

ORDINANCE NO. XXX

AN ORDINANCE AMENDING ORDINANCE NO. 122, ADOPTED ON AUGUST 21, 1984 AND ORDINANCE NO. 397, ADOPTED ON MAY 1, 2007 AND ORDINANCE NO. 600, ADOPTED ON APRIL 7, 2015 AND ORDINANCE NO. 603, ADOPTED ON APRIL 21, 2015 AND ORDINANCE NO. 614, ADOPTED ON JULY 21, 2015 AND ORDINANCE NO. 634, ADOPTED ON MARCH 15, 2016 AND ORDINANCE NO. 640, ADOPTED ON APRIL 19, 2016 AND ORDINANCE NO. 656, ADOPTED ON OCTOBER 18, 2016 AND ORDINANCE NO. 674, ADOPTED ON JUNE 6, 2017 AND ORDINANCE NO. 679, ADOPTED ON SEPTEMBER 19, 2017 AND ORDINANCE NO. 703, ADOPTED ON JUNE 4, 2019 AND TITLED PARKING AND STORAGE

THE CITY COUNCIL OF ISANTI DOES ORDAIN:

Section 1 – Repealer. Ordinance 122, 397, 600, 603, 614, 634, 640, Ordinance 656, 674, 679, and 703, title Parking and Storage, codified in Chapter 227 of the City Code, are hereby repealed in their entirety and replaced with the ordinance set forth below.

Section 2 – Ordinance. The following Chapter 227 is hereby adopted:

Chapter 227

PARKING AND STORAGE

ARTICLE I
General Provision

§227-1. Definitions.

ARTICLE II
General Parking Regulations

§227-2. Parking regulations.

§227-3. U-turns.
§227-4. Winter parking; snow emergency parking.
§227-5. Enforcement.
§227-6. Violations and penalties.

ARTICLE III
Parking and Storage of Vehicles and Other Equipment

§227-7. Purpose.
§227-8. Storage and parking restrictions.
§227-9. Prohibited vehicles.
§227-10. Commercial vehicles allowed in a residential zone or residentially Zoned district.
§227-11. Grandfather clause.
§227-12. Violations and penalties.

ARTICLE I
General Provisions

§227-1. Definitions.

The following words, terms and phrases, when used in this chapter, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

ALLEYWAY - A private or public passage or way and which (1) is less than the usual width of a street, (2) may be open to but is not designed primarily for general vehicular traffic, (3) intersects or opens to a street, and (4) is primarily used for the ingress and egress or other convenience of two or more owners of abutting real properties.

AUTHORIZED EMERGENCY VEHICLE - Any of the following vehicles when equipped and identified according to law: (1) a vehicle of a fire department; (2) a publicly owned police vehicle or a privately owned vehicle used by a police officer for police work under agreement, express or implied, with the local authority to which the officer is responsible; (3) a vehicle of a licensed land emergency ambulance service, whether publicly or privately owned; (4) an emergency vehicle of a municipal department or a public service corporation, approved by the commissioner of public safety or the chief of police of a municipality; (5) any volunteer rescue squad operating pursuant to Laws 1959, chapter 53; (6) a vehicle designated as an authorized emergency vehicle upon a finding by the commissioner of public safety that designation of that vehicle is necessary to the preservation of life or property or to the execution of emergency governmental functions.

BUS - Every motor vehicle designed for carrying more than 15 passengers including the driver and used for the transportation of persons.

COMMERCIAL EQUIPMENT - Equipment not normally associated with residential uses or purposes, including but not limited to cement mixers, snowplows, wood chippers, stump grinders, earth-moving equipment or heavy-duty compressors.

COMMERCIAL MOTOR VEHICLE - A motor vehicle or combination of motor vehicles used to transport passengers or property if the motor vehicle:

(1) has a gross vehicle weight of more than 26,000 pounds;

(2) has a towed unit with a gross vehicle weight of more than 10,000 pounds and the combination of vehicles has a combined gross vehicle weight of more than 26,000 pounds;

(3) is a bus;

(4) is of any size and is used in the transportation of hazardous materials that are required to be placarded under Code of Federal Regulations, title 49, parts 100-185; or

(5) is outwardly equipped and identified as a school bus

(6) a commercial motor vehicle does not include a farm truck or an authorized emergency vehicle

COMPANY VEHICLE - Those vehicles that have been issued a license decal less than "H" or otherwise weigh less than 15,000 pounds' GVWR and are used for a business.

CROSSWALK - (1) that portion of a roadway ordinarily included with the prolongation or connection of the lateral lines of sidewalks at intersections; (2) any portion of a roadway distinctly indicated for pedestrian crossing by lines or other markings on the surface.

CURB - The edge of a street, adjacent to a roadway.

DRIVEWAY - The improved or unimproved place on private property that a vehicle would have to travel over in a direct path in order to enter a garage or carport, or to enter an exterior or interior side yard immediately adjacent to a garage or carport, from a designated entry/exit point on a public right-of-way.

GRAVEL - Gravel shall mean crushed limestone or other aggregate containing fine materials often referred to as “Class 5 Gravel,” “Class 2 Buff Limestone,” “Class 2 Red Limestone,” or other typical road base materials.

GROSS VEHICLE WEIGHT RATING (GVWR) - The greater of:

(1) the unloaded weight of a vehicle or the unloaded weight of a truck-tractor and semitrailer combination, plus the weight of the load; or

(2) the value specified by the manufacturer as the maximum gross weight or gross vehicle weight rating.

IMPERVIOUS SURFACE - Areas where water, air, or roots cannot readily penetrate the soil. Examples include concrete; asphalt; bituminous; and driveway paver systems with a minimum thickness of 60 mm, 2 3/8 inches and with gaps not to exceed 1/4 of an inch.

IMPROVED SURFACE - Areas consisting of pavers or patio block less than 60 mm, 2 3/8 inches, thick and with gaps exceeding 1/4 of an inch, or large (minimum 1.5 inches) crushed rock, gravel, or Class 5 to a depth of not less than six inches.

INTERSECTION - The area embraced within the prolongation or connection of the lateral curb lines or, if none, then the lateral boundary lines of roadways or tow roadways which join one another at or approximately at right angles or the area within which vehicles traveling up a different roadway joining at another angle may come in conflict.

MOTOR VEHICLE - Every vehicle which is self-propelled and every vehicle which is propelled by electric power obtained from overhead trolley wires. Motor vehicle does not include an electric personal assistive mobility device or a vehicle moved solely by human power.

NONCOMMERCIAL VEHICLE - a one-ton pickup truck with a 15,000 pounds or less gross vehicle weight rating and for which the owner has made a declaration that the vehicle will be operated exclusively for personal use. The declaration must be based on one or more of the following:

(1) a change of vehicle use;

(2) registration of a new vehicle;

(3) transfer of vehicle ownership; or

(4) registration renewal.

OWNER - A person who holds the legal title of a vehicle, or in the event a vehicle is the subject of an agreement for the conditional sale or lease thereof with the right of purchase upon performance of the conditions stated in the agreement and with an immediate right of possession vested in the conditional vendee or lessee, or in the event a mortgagor of a vehicle is entitled to possession, then such conditional vendee or lessee or mortgagor shall be deemed the owner for the purpose of this chapter.

PASSENGER AUTOMOBILE –

(1) Any motor vehicle designed and used for carrying not more than 15 individuals, including the driver.

(2) "Passenger automobile" does not include motorcycles, motor scooters, buses, school buses, or commuter vans.

(3) "Passenger automobile" includes, but is not limited to:

(a) a vehicle that is a pickup truck or a;

(b) neighborhood electric vehicles; and

(c) medium-speed electric vehicles.

PARKING AREA - Extension of the existing driveway or area abutting the existing garage or accessory structure.

PERSON - An individual, firm, corporation, association, limited liability company, partnership, limited liability partnership, and other business organizations.

PERSONAL VEHICLE - Any motor vehicle (as defined under the provisions of Minnesota law), other than a recreational vehicle or authorized emergency vehicle, which is currently licensed, weighs under 15,000 pounds' GVWR and is in road-legal condition.

PODS - Portable outdoor storage containers commonly used for moving and storage of personal property.

PEACE OFFICER - Every officer authorized to direct or regulate traffic or to make arrests for violations of traffic rules. A person who is licensed as a peace officer, and who serves as police officer.

PRIMARY STRUCTURE - The house and attached garage.

PUBLIC PROPERTY - Any property except streets, roads, or bridges owned by any subdivision of government, including but not limited to, the property of school districts

however organized, towns, cities, municipalities, counties, and any board or commission of any thereof, and public corporations created by the laws of this state.

RECREATIONAL VEHICLE (RV) - Class of vehicles that are not for commercial use, but intended for recreational use, which can be towed, hauled, or driven and is primarily designed as a temporary living accommodation for camping or for travel or recreational use, including but not limited to travel trailers (including those which telescope or fold down), chassis-mounted campers, tent trailers, slide-in campers, converted buses or converted vans, motor homes and boats, whether or not self-propelled. The term "recreational vehicle" also includes snowmobiles, personal watercraft, and all-terrain vehicles (ATVs) of any description.

RESIDENTIAL ZONE or RESIDENTIALLY ZONED DISTRICT - Real estate, whether public or private, located within the R-1, R-1A, R-2, R-3A, R-3B or R-4 Zoning District or those residential uses located within the PUD, CBT, B-1, B-2, or B-3 Zoning District as designated under the provisions of the Zoning Ordinance of the City of Isanti.

RIGHT-OF-WAY - The entire right-of-way of an alley, City street or a county, county state-aid, or trunk highway, including the traveled portions, boulevard, banks, ditches, shoulders, and medians.

ROAD-LEGAL - Currently licensed and in an operable condition such that the vehicle can be legally operated on any public street, County road or highway.

ROADWAY - That portion of a highway improved, designed, or ordinarily used for vehicular travel, exclusive of the sidewalk or shoulder. In the event a highway includes two or more separate roadways, the term "roadway" as used herein shall refer to any such roadway separately but not to all such roadways collectively.

SEMI-TRAILER - A vehicle of the trailer type so designed and used in conjunction with a truck-tractor that a considerable part of its own weight or that of its load rests upon and is carried by the truck-tractor and includes a trailer drawn by a truck-tractor semitrailer combination.

SIDEWALK - Portion of a street between the curb lines, or the lateral lines of a roadway, and the adjacent property lines intended for the use of pedestrians.

STREET or HIGHWAY - The entire width between the boundary lines of any way or place when any part thereof is open to the use of the public as a matter of right for the purposes of vehicular traffic.

TRAFFIC CONTROL SIGNAL - Any device, whether manually, electrically or mechanically operated, by which traffic is alternately directed to stop and permitted to proceed.

TRAILER - Any vehicle designed for carrying property or passengers on its own structure and for being drawn by a motor vehicle but does not include a trailer drawn by a truck-tractor semitrailer combination or an auxiliary axle on a motor vehicle which

carries a portion of the weight of the motor vehicle to which it is attached. All trailers shall be measured from end to end.

TRUCK-TRACTOR –

(1) A motor vehicle designed and used primarily for drawing other vehicles and not constructed to carry a load other than a part of the weight of the vehicle and load drawn; and

(2) A motor vehicle designed and used primarily for drawing other vehicles used exclusively for transporting motor vehicles or boats and capable of carrying motor vehicles or boats on its own structure.

UNIMPROVED SURFACE - Any non-impervious surface or non-improved surface, such as bare ground or lawn area (grass).

UNIT - Any item mentioned and subject to this chapter.

VEHICLE - Every device in, upon or by which any person or property is or may be transported or drawn upon a highway, excepting devices used exclusively upon stationary rails or tracks.

YARD(S) - "Front yard", "side yard" and "rear yard" shall be defined as provided within City of Isanti Ordinance No. 445, Zoning.

ARTICLE II.
General Parking Regulations

§227-2. Parking Regulations.

A. Angle and parallel parking.

(1) Angle parking shall be required on First Avenue NW between Main Street W and the first alley north of Main Street W. on the west side of First Avenue NW only. Every vehicle parked in this zone shall be parked with the front of the vehicle facing the curb or outside edge of the street at an angle of approximately 70°.

(2) On all other streets, cars shall be parked parallel to the curb or edge of the roadway in accordance with the law.

B. Time-limit parking zones. In designated park areas, no vehicle shall be allowed to park between the hours of 10:00 p.m. and 7:00 a.m., unless authorized by the City Council or Police Department. All vehicles must abide by the time limit posted in designated areas unless they have received and posted a special exception notice from City Staff. If a vehicle is ticketed for violation of this subsection (Isanti City Code § 227-2B) twice within a thirty-day period, whether or not said violations occur during consecutive periods of 10:00 p.m. to 7:00 a.m., the Police Department may order the vehicle towed at the owner's expense.

C. Parking, stopping, and standing provisions.

(1) Upon any City street, no person shall stop, park, or leave standing any vehicle, whether attended or unattended, upon the main traveled part of the street when it is practical to stop, park, or so leave such vehicle off such part of said street.

(2) No person shall stop, stand, or park a vehicle, except when necessary to avoid conflict with other traffic or in compliance with the directions of a peace officer or traffic control signal, in any of the following places:

(a) On a sidewalk.

(b) In front of a public or private driveway.

(c) Within an intersection.

(d) On a crosswalk.

(e) On the roadway side of any vehicle stopped or parked at the edge or curb of a street.

(f) At any place where official traffic control devices are erected or where the curb or outside edge of the street is painted yellow, prohibiting parking.

(g) In front of or within 10 feet of a fire hydrant.

(h) Upon any alleyway or any part thereof.

(3) No person shall leave or park any recreational vehicle or trailer on any street or within the right-of-way for longer than twenty-four hours.

(4) No vehicle shall be parked on any street or highway for the purpose of displaying it for sale.

(5) No parking is allowed on any of the following streets or highways:

(a) Along either side of Third Avenue NW beginning at its intersection with Isanti Parkway NW to the point at which the City of Isanti corporate boundary ends and Isanti Township begins (Jackson St NW).

(b) Along either side of Railroad Ave SW beginning at its intersection with Palomino Road SE to its intersection with Towns Edge Road SE.

(c) Along either side of Heritage Blvd beginning at its intersection with Trunk Highway 65 heading west to its intersection with Whiskey Road NW.

(d) Along either side of Fourth Avenue SW from its intersection with Main Street W heading south to its intersection with Elizabeth Street SW.

(e) Along either side of Elizabeth Street SW from its intersection with Fifth Avenue SW heading east to its intersection with Second Avenue SW.

(f) Along either side of Fifth Avenue SW from its intersection with Elizabeth Street SW heading south to its intersection with S Brookview Lane SW.

(g) Along either side of Second Avenue SW from its intersection with Main Street W heading south to its intersection with Elizabeth Street SW.

(h) Along either side of Isanti Parkway NW, from Third Avenue NW to East Dual Boulevard NE.

(i) Along either side of Broadway Street SE, from Highway 65 NE to 6th Avenue NE.

(j) Along either side of 6th Avenue NE, from Broadway Street SE to Heritage Boulevard NE.

(k) Along the west side of Centennial Drive NW, from Heritage Boulevard NW extending South 905 feet except for the bus staging area where bus parking is allowed from 2:30-4:30 pm.

(l) Along the south side of Palomino Road SE, from Railroad Avenue SE to Trunk Highway 65.

(m) Along the south side of Main Street East, east of the Elim Street NE intersection to Highway 65 NE.

(n) Along the west side of Dahlin Avenue NE, from Heritage Boulevard NE to Main Street E.

(o) Along the East side of 9th Ave from 8th Ave NE extending south 500' (feet).

(p) Along both sides of 8th Ave NE extending South from Heritage Blvd NE to the intersection of 8th Ave NE and 9th Ave NE.

(q) Along both sides of 8th Ave NE extending 300' (feet) Southwest from the intersection of 9th.

(r) Along the west side of 3rd Ave NW extending 170' (feet) North from Heritage Blvd NW continuing along the west side of 3rd Ave NW 550' (feet) north between the hours of 3:15 and 4:15 Monday thru Friday.

(s) Along the East side of 6th Avenue SW from South Brookview Lane SW to Edgewood Street SW.

(6) Commercial motor vehicles and other commercial delivery vehicles engaged in normal deliveries or the receiving of goods within any business or industrial zoning district are exempt from Subsection C(2)(e) of this § 227-2 for not to exceed 15 minutes. All authorized emergency vehicles engaged in their normal duties are exempt from this section.

(7) Any peace officer may remove a vehicle from a street to a tow yard or other place of safety when the vehicle is left unattended and constitutes an obstruction to traffic or hinders snow removal or street improvements or maintenance operations per Minn. Stat. § 168B.035, as amended. Such vehicle shall not be released until the fees for towing and storage are paid in addition to any fine imposed for violation of this chapter.

(8) The presence of any motor vehicle on any street, when standing or parking in violation of this chapter, is prima facie evidence that the registered owner of the vehicle committed or authorized the commission of the violation.

(9) Loading zones. The City Council may, by resolution, establish loading zones to be used for the specific purpose of loading or unloading from a commercial vehicle being utilized in the transport of merchandise or people. Such loading zones shall be installed by order of the City Council where in its judgment a commercial loading zone is justified. The resolution shall specify the days of the week, and hours of the day when the designation shall be enforced. Signage shall be posted for designated loading zones.

(10) No motorized vehicle is permitted to stay stationary on a street, roadway or in a municipal parking lot for more than seven (7) consecutive days without prior written approval from the City Administrator or Police Chief and/ or designee.

§ 227-3. U-turns.

No person shall turn a vehicle so as to reverse its direction on Main Street W and E from Dahlin Avenue NE to Second Avenue NW, to include the intersections of Main Street E and Dahlin Ave NE/SE, Main Street E and Railroad Avenue SE, Main Street W and First Avenue NW/SW, Main Street W and Second Avenue NW/SW, and all access or approaches.

§ 227-4. Winter parking; snow emergency parking.

A. Snow emergency routes.

(1) Purpose. Snow emergency routes are designated City streets that in extreme snowfalls shall be plowed to maintain the driving lanes in a passable condition until normal snowplowing activities resume.

(2) Designation of routes. Snow emergency routes shall be designated by resolution of the City Council.

(3) On each street so designated, the Public Services Director or his/her designee shall erect appropriate signs at intervals not exceeding 1,500 feet. The signs shall bear the words "Snow Emergency Route," shall be distinctive and uniform in appearance, and shall be visible to persons traveling along the route.

B. Winter parking. Unless permitted by the City Council or Police Department, no person shall stop, stand, or park any vehicle or permit it to stand on any City street, including the snow emergency routes, from November 1 through March 31 of each year, between the hours of 1:00 a.m. and 8:00 a.m. Parking will be permitted on the streets between the hours of 6:00 a.m. and 8:00 a.m., provided that the snow removal has been completed for the full width of the street or in the absence of snow. Parking will not be permitted in the City's downtown municipal parking lot or City facility parking lots between the hours of 1:00 a.m. and 5:00 a.m. The Police Department may order the vehicle towed at the owner's expense.

C. The snowplowing policy shall be set by resolution of the City Council.

§ 227-5. Enforcement.

A. The Police Department shall enforce the provisions of this chapter and the state traffic laws. peace officers are authorized to direct all traffic within the City, either in person or by means of visible and audible signal, in conformity with this chapter and the state traffic laws. During a fire or other emergency or to expedite traffic or safeguard pedestrians, officers of the Police Department may direct traffic as conditions require notwithstanding the provisions of this chapter and the state traffic laws. Officers of the Fire Department may direct or assist the police in directing traffic at the scene of a fire or in the immediate vicinity.

B. In the event there is not a peace officer on duty, the Public Services Director or authorized personnel as appointed within the Public Works Department shall have the authority to order the towing of any or all vehicles that are in violation of § 227-4 of this chapter.

C. In the event a motor or recreational vehicle is found to be in violation of this chapter, and if, upon issuance of a citation from an officer(s) of the Police Department, the violation remains within 72 hours after the issuance of a citation and the motor or recreational vehicle continues to be in violation of these provisions, a peace officer or other authorized personnel shall tow the vehicle at the owner's expense.

§ 227-6. Violations and penalties.

Any person convicted of violating any provision of this article is guilty of a petty misdemeanor and shall be punished by a fine of not to exceed $300. An administrative fine for violation of the parking provisions of this article is hereby established and shall be in the amount set forth in the Fee Schedule of City Code.

ARTICLE III.
Parking and Storage of Vehicles and Other Equipment

§ 227-7. Purpose.

A. The purpose of this article is to regulate outdoor parking and/or storage within the City of Isanti of vehicles of all types, including: personal vehicles, company vehicles, commercial vehicles, recreational vehicles, trailers, PODs, roll-off bins and fish houses, by specifying the appropriate location, type of surface, length of time, unit size, condition, screening, and number of such units allowed in the residential zone.

B. The City recognizes that property owners may own or store personal vehicles, recreational vehicles, trailers, PODs, roll-off bins, and fish houses for their personal use.

C. The City also recognizes that property owners may own a business or work for a business that allows them to bring a company vehicle home. Therefore, this article also regulates the types of company vehicles that a resident can park or store in a residential zone.

D. The City further recognizes that the presence of excessively large commercial vehicles or equipment in residential areas has detrimental and blighting impacts upon the residential quality and character of such neighborhoods. The City finds that these vehicles and equipment intrude upon the aesthetics and visual peace and quiet of a residential neighborhood. Such vehicles can impair the free flow of traffic on residential streets and by their size are detrimental to residential traffic safety, often create excessive noise for such surroundings, their presence tends to encourage and effectuate the expansion of uses that are inconsistent with or inappropriate in residentially zoned areas, and that their presence therefor is likely to have a negative impact upon residential property values. Therefore, the City Council finds that the prohibition of the parking and storage of such vehicles and equipment, due to their excessive size, design, type, or characteristics, is appropriate in residentially zoned districts.

§ 227-8. Storage and parking restrictions.

A. All motor vehicles and all units referred to in this chapter which are parked or stored outdoors in any residentially zoned district shall be currently licensed.

B. Personal vehicles, company vehicles, recreational vehicles, trailers, and fish houses may be parked or stored outdoors in a residentially zoned district only on the

property of the owner, resident or authorized user of such unit and in accordance with the provisions of this section:

(1) All motorized vehicles and units shall be parked or stored on an impervious surface. The impervious surface area shall be no smaller than the entire footprint of the vehicle or unit.

(2) All non-motorized vehicles and units shall be parked or stored on an improved surface with the exception of § 227-8 B. (13). The improved surface area shall be no smaller than the entire footprint of the vehicle or unit.

(3) The lot area covered by impervious surface must not exceed the maximum allowed within the applicable zoning district.

(4) Recreational vehicles shall be mobile and shall not be permanently affixed upon any foundation nor upon or in the ground in any manner that would prevent portability.

(5) A screening fence must be provided when the unit is visible from the adjacent properties and/or the street when located in the side or rear yard. Exceptions may be provided when the fence would limit legal access to a street. Screening fences shall meet all requirements as set forth in Ordinance No. 445, Zoning. When a screening fence is used, the entire length of the unit, 50% of the height of the unit, up to 6', and at least three sides of the unit must be screened at ground view from any neighboring property or the right-of-way. All fencing must be maintained on a property.

(6) An area under a deck located within the rear yard may be utilized to store units identified in this article, provided they fit entirely under the deck and meet the appropriate surfacing requirements. Screening fence requirements must be met; however, the fence shall not create an entirely enclosed area. One side of the area below the deck must remain open to allow air flow.

(7) Only one trailer or recreational vehicle shall be permitted at any time on the driveway. Boats, snowmobiles, ATVs or personal watercraft stored on a single trailer will count as one unit. The maximum number of trailers and/or recreational vehicle units permitted on a property is 2 with the exception of zoning district R1-A.

(8) Trailers and/or recreational units in the front yard shall be 10 feet from the curb line or sidewalk. Units in the side yard shall be on an extension of the driveway or on a pad abutting the garage and no closer than 5 feet from the property line. Units in the rear yard shall be no closer than 5 feet from the property line.

(9) The maximum length of a trailer and/or recreational unit shall be less than the primary structure of which side the unit is parked and a maximum height of 15 feet.

(10) A Company vehicle, limit 1, may be parked in the front or side yard on an impervious surface of a driveway or extension of a driveway with a maximum of 15,000 pounds GVWR. Shall be 10 feet from the curb line or sidewalk.

(11) Personal vehicles shall be parked on an impervious surface which can include: driveway, extension of the driveway, pad abutting the garage, or driveway abutting a detached accessory structure if no garage; unless the property meets Section 227-11 of this Chapter. The maximum number of personal vehicles permitted on a property is 4 unless zoned R1-A.

(12) Maximum number of all vehicles/units permitted on a property is 5, provided the requirements of this Chapter can be met with the exception of zoning district R1-A which is permitted to have 7 units in total.

(13) Non-motorized trailers used to haul snowmobiles, ATVs or other recreational units, including the units, or fish houses are permitted on all surfaces if placed a maximum of 10' from the driveway during the time frame of November 1 – March 31 only. The total GVWR is not to exceed 10,000 pounds.

C. PODs and roll-off bins may be parked or stored outdoors in a residentially zoned district, providing the following provisions are met:

(1) The units must be stored on the property of the owner, resident, or authorized user.

(2) The units must be placed on an impervious or improved driveway surface, parking pad or extension of the driveway. An alternative location may be allowed, subject to prior City approval.

(3) No more than one unit shall be permitted at a time and for no more than three consecutive months in a calendar year.

(4) The name of the collector and contact information must be displayed on the unit.

(5) If the unit must be placed within the right-of-way, prior approval must be granted by the City Administrator or designee. Such unit shall not be located within the right-of-way for longer than seven consecutive days in a calendar year.

(6) The unit must not be placed within ten feet of a water hydrant.

(7) The maximum length is 20 feet and maximum height is 10 feet.

D. No units except personal vehicles, or commercial vehicles in the process of making a delivery or a service call, shall be parked or stored in the right-of-way.

E. Guest parking of recreational vehicles is permitted, providing that the vehicle is parked on a driveway on the premises.

§ 227-9. Prohibited vehicles.

Except as allowed under the provisions of § 227-10, the following vehicles/units shall not be permitted to be stored or parked in a residential zone or residentially zoned district with the exception of district R1-A:

A. Licensed vehicles, other than recreational vehicles, in excess of 15,000 pounds, GVWR. Examples are cargo (step) vans, buses, boom trucks, dump trucks, tank trucks, construction equipment, semi-trailers, semi-tractor-trailer combinations, and any other similar vehicles/units.

B. Unlicensed commercial vehicles or units, such as race cars, farm implements, backhoes, skid loaders, drilling and/or landscaping equipment, and any other such similar vehicles or units.

§ 227-10. Commercial vehicles allowed in a residential zone or residentially zoned district.

The following vehicles or units may be parked in a residential zone or residentially zoned district in accordance with the following:

A. Commercial vehicles or units are allowed if parked or stored in a completely enclosed building.

B. Any licensed vehicle with a license decal greater than "H" or in excess of 15,000 pounds' GVWR being used in conjunction with a legitimate service being provided to a residential property which will be removed upon completion of a project, for a maximum of six consecutive months in conjunction with a permit issued by the City.

§ 227-11. Grandfather clause.

A. Any residentially zoned property served by an unimproved or improved driveway which was obviously visible on the ground as of May 1, 2007, shall be allowed to maintain its existing driveway or parking areas for any vehicles or units otherwise allowed under the provisions of this article upon said currently existing driveway. In the case of an improved driveway or parking area, the driveway and parking area shall be maintained so as to meet the requirements of an improved surface as defined within this chapter.

B. In the event of new construction, reconstruction, addition to, or enlargement of any dwelling unit, garage or other accessory structure served by an existing unimproved or improved driveway, the driveway shall be brought into compliance with the provisions of the City's Zoning Ordinance, which, under the provisions of the Zoning Ordinance, would require installation of an impervious driveway. Any

additions or alterations to the existing driveway or parking areas shall also cause the entire driveway and parking area to comply with current standards of the Zoning Ordinance.

§ 227-12. Violations and penalties.

Violation of any section of this article is punishable as a misdemeanor as defined in Minn. Stat. § 609.02, Subd. 3, and any amendments thereto, as applicable at the time of occurrence of such violation, by a maximum fine of $1,000 or a term of imprisonment of not to exceed 90 days, or both, plus costs of prosecution in either case.

Section 3 – Effective Date.

This ordinance shall take effect upon its passage and publication in the official City newspaper.

Adopted by the City Council this 5th day of January, 2021.

Memo for Council Action

To: Mayor Johnson and Members of the City Council
From: Travis Muyres, Police Chief
Date: January 5th, 2021
Subject: Ordinance XXX Snowmobiles and Special Vehicles, amending Chapter 270

Background:
Council requested staff to bring current city code chapter 270 to Committee of the Whole to discuss if there is a need for change on November 17th 2020. Committee discussed options and directed staff to bring proposed revisions back for approval.

Revision allows snowmobiles may be operated on direct route to and from Grant and Aid State Trails on road surface.

Request:
Staff is requesting action on this item.

Attachment:
- ORD XXX

ORDINANCE NO. XXX

AN ORDINANCE AMENDING ORDINANCE NO. 199, ADOPTED ON FEBRUARY 4TH 1997 AND TITLED REGULATING THE OPERATION OF SNOWMOBILES WITHIN THE CITY

THE CITY COUNCIL OF ISANTI DOES ORDAIN:

Section 1 – Amendment. Ordinance 199 titled Regulating the Operation of Snowmobiles within the City Limits of the City of Isanti codified in Chapter 270 of the City Code, is hereby amended as follows:

§ 270-1 **Provisions of state law adopted.**
The provisions of Minn. Stat. § 84.81 et seq. relating to the operation of snowmobiles are hereby adopted by reference as a part of this chapter.

§ 270-2 **Use.**
Except as otherwise prohibited, snowmobiles may be operated on direct route to and from Grant and Aid State Trails.

§ 270-3 **Prohibited use.**
Except as otherwise specifically permitted and authorized, it is unlawful for any person to operate a snowmobile within the corporate boundaries of the City of Isanti in the following locations:

A. On private property without express permission from the owner or lessee.

B. On public school grounds, municipal parks, or any other publicly owned property without express permission from the proper public authority.

C. On any public sidewalk or walkway.

D. On non-paved portion of municipal road right of way.

§ 270-4 **Operation restrictions.**
Where permitted, snowmobiles shall not be operated as follows:

A. At a speed greater than deemed reasonable for conditions; on or across any street within the City at a speed in excess of 20 miles per hour, nor at a speed greater than deemed reasonable for conditions.

B. Between the hours of 11:00 p.m. and 6:00 a.m., except for emergency purposes or when returning to the operator's residence in the most direct route lawfully permitted.

C. In a careless, reckless or negligent manner or heedlessly in disregard of the right or safety of others, or in a manner so as to endanger or be likely to endanger or cause injury or damage

to any person or property.

D. In a manner which, due to faulty equipment or careless operation, produces excessive noise and/or smoke which unreasonably annoys or disturbs members of the public.

E. Along the inside bank of any trunk, county state aid and/or county highway where such highways are located within the corporate limits. (Operation upon the ditch bottom or outside bank is permitted by Minnesota statutes.)

F. By a person under 18 years of age, except when in full compliance with Minn. Stat. Chapter 84.

§ 270-5 **Unattended snowmobiles.**
No person shall leave a snowmobile unattended in a public place without first locking the ignition, removing and taking the key.

§ 270-6 **Violations and penalties.**
A person violating any provisions of this chapter shall be guilty of a misdemeanor, punishable by a maximum fine of $1,000 or imprisonment for a term not to exceed 90 days, or both, plus costs of prosecution in either case.

Section 2 – Effective Date.
This ordinance shall take effect upon its passage and publication in the official City newspaper.

Adopted by the City Council this 5th day of January, 2021.

A Community For Generations.
Isanti

Request for City Council Action

To: Mayor Johnson and Members of City Council
From: Sheila Sellman, Community Development Director
Date: January 5, 2021
Subject: Ordinance Amendment – Section 16 Signs

Background:
Highway 65 provides the main entrance into Isanti from the north and south. It is the purpose of this district to enhance the first impression of Isanti through development of a corridor that is inviting, visually appealing and a place that community members want to visit and passersby want to stop. This district is designed and intended to promote the development of an attractive view of the community from Highway 65 through architectural and signage controls, landscaping, screening, building orientation and other features. However, the sign code does not provide design specifics. The code allows a 200 square foot freestanding sign with a maximum height of 45 feet. Based on the purpose of this district it makes sense to hold the signage to a higher standard. Past administration has required freestanding signage along the corridor to have a brick base or brick pole cover. At the November Planning Commission meeting the Commission considered a freestanding sign for Best Western and at that meeting the Commission directed staff to come back with a draft ordinance amendment that would create design standards for freestanding signs in the highway 65 overlay district.
Landscaping around the base is already a sign code requirement for freestanding signs, staff is not recommending any changes to that. Staff suggests adding the following language to Subdivision 5 C Development Standards, Freestanding signs:
5. Trunk Highway 65 Overlay District additional Freestanding sign Standards:
a. The base of the sign shall be enclosed with brick or a material that matches the main building on which the sign is for. If the sign has a double pole structure a minimum four-foot brick (or established material) base is required.

The Planning Commission held a public hearing at their December 15, 2020 meeting, no one from the public spoke on this item. Commissioner Gordon and Bergley were opposed to the amendment. The Planning Commission recommends approval on a 3-2 vote.

Request:
Amend the sign code to set parameters for freestanding signs in the HWY 65 Overlay District.

Attachment:
- Ordinance XXX

ORDINANCE NO. XXX
ORDINANCE AMENDING THE CITY ZONING CODE, ORDINANCE 445, SECTION 16 SIGNS.

THE CITY COUNCIL OF ISANTI DOES ORDAIN:

Section 1 – Amendment. Ordinance 445 Subdivision 5: Development Standards, C. Freestanding Signs is hereby amended to add the following:

5. Trunk Highway 65 Overlay District additional Freestanding Sign Standards:
a. The base of the sign shall be enclosed with brick or a material that matches the main building on which the sign is for. If the sign has a double pole structure a minimum four-foot brick (or established material) base is required.

Section 2 – Effective Date.

Request for City Council Action

To: Mayor Johnson and Members of City Council
From: Sheila Sellman, Community Development Director
Date: January 5, 2021
Subject: Ordinance Amendment – Section 6 Residential Districts

---

Background:
Currently the R-3A district allows Public buildings as a conditional use, according to the definition fire stations are a public building or use. Per the sale of the fire station, it was agreed the ordinance would be amended to include fire station as a permitted use. Having Public building or use, as a conditional use will remain in the ordinance but it will specifically list Fire Station as a permitted use.

The Planning Commission held a public hearing at their December 15, 2020 meeting, no one from the public spoke on this item. The Planning Commission recommends approval.

Request:
Amend the R-3A district to allow Fire Station as a permitted use

Attachment:

Katie Brooks
Human Resources/City Clerk

RESOLUTION 2021-XXX

DECLARING THE OFFICIAL INTENT OF THE CITY OF ISANTI TO REIMBURSE CERTAIN EXPENDITURES FROM THE PROCEEDS OF BONDS TO BE ISSUED BY THE CITY

WHEREAS, the Internal Revenue Service has issued Treas. Reg. § 1.150-2 (the "Reimbursement Regulations") providing that proceeds of tax-exempt bonds used to reimburse prior expenditures will not be deemed spent unless certain requirements are met; and,

WHEREAS, the City expects to incur certain expenditures that may be financed temporarily from sources other than bonds, and reimbursed from the proceeds of a tax-exempt bond; and,

WHEREAS, the City has determined to make this declaration of official intent ("Declaration") to reimburse certain costs from proceeds of bonds in accordance with the Reimbursement Regulations,

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ISANTI AS FOLLOWS:

1. The City proposes to undertake the following projects (the "Projects"):

_____

2. The City reasonably expects to reimburse the expenditures made for certain costs of the Projects from the proceeds of bonds in an estimated maximum principal amount of the following:

	20__-20__ Budget
_____	$_____

The City may declare other separate statements of reimbursement intent in connection with specific public improvement projects as they are initiated under Minnesota Statutes, Chapters 475, 429 and 444, or for other capital projects, with the understanding that such additional declarations of reimbursement intent will supplement this resolution. All reimbursed expenditures will be capital expenditures, costs of issuance of the bonds, or other expenditures eligible for reimbursement under Section 1.150-2(d)(3) of the Reimbursement Regulations.

3. This Declaration has been made not later than 60 days after payment of any original expenditure to be subject to a reimbursement allocation with respect to the proceeds of bonds, except or the following expenditures: (a) costs of issuance of bonds; (b) costs in an amount not in excess of $100,000 or 5 percent of the proceeds of an issue; or (c) "preliminary expenditures" up to an amount not in excess of 20 percent of the aggregate issue price of the issue or issues that finance or are reasonably expected by the City to finance the project for which the preliminary expenditures were incurred. The term "preliminary expenditures" includes architectural, engineering, surveying, bond issuance, and similar costs that are incurred prior to commencement of acquisition, construction or rehabilitation of a project, other than land acquisition, site preparation, and similar costs incident to commencement of construction.

4. This Declaration is an expression of the reasonable expectations of the City, based on the facts and circumstances known to the City as of the date hereof. The anticipated original expenditures for the Projects and the principal amount of the bonds described in paragraph 2 are consistent with the City's budgetary and financial circumstances. No sources other than proceeds of bonds to be issued by the City are, or are reasonably expected to be, reserved, allocated on a long-term basis, or otherwise set aside pursuant to the City's budget or financial policies to pay such Project expenditures.

5. This Declaration is intended to constitute a declaration of official intent for purposes of the Reimbursement Regulations.

This Resolution is hereby approved by the Isanti City Council this 5th day of January 2021

RESOLUTION 2021-XXX

DESIGNATING THE DATA PRACTICES RESPONSIBLE AUTHORITY AND DESIGNEE FOR THE CITY OF ISANTI

WHEREAS, the City Council has adopted Data Practices Procedures/Policies and Data Inventory for the City of Isanti; and,

WHEREAS, this policy specifically identifies and designates the Data Practices Responsible Authority and Data Practices Designee. This individual serves as City Clerk for the City of Isanti; and,

WHEREAS, upon change in the Human Resources/City Clerk position, the new official must be designated by the City Council;

NOW THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota that:

1) Jaden Strand, City Clerk, is designated as the Data Practices Responsible Authority and Data Practices Designee for the City of Isanti, pursuant to Data Practices Policies, adopted by Resolution 2017-175.

This Resolution was duly adopted by the Isanti City Council this 5th day of January, 2021.

Memo for City Council

To: Mayor Johnson and Members of the City Council
From: Katie Brooks, Human Resources Director
Date: January 5, 2021
Subject: Employee Personnel Policy- Annual Update

Background:

Annually staff update the Employee Personnel Policy. Changes and clarifications are cross-referenced with the City Attorney and League of MN Cities reference guide to remain current with Federal and State guidelines.

Significant changes to Personnel Policy are as follows:

- Updated: Tobacco Use- to reflect age 21 on pg. 15
- New: Improper Deduction and Overpayment Policy p. 24
- Clarified: Sick Leave Reimbursement pg. 31
- Updated: Vacation Accrual – 480-hour limit; removed the additional 48 over annual accrual language. Pg. 32
- Updated: Workers Compensation- vacation and sick will stop accruing after 6 months if not working. Pg. 35
- Clarified: Severance Pay-outs- pg. 39
- Updated: City Driving Policy-pg. 46
- Updated: Cellular Phone Use- pg. 51

Request:
Staff is requesting action on this item.

SECTION 1. INTRODUCTION

1.01 Purpose

The purpose of these policies is to establish a uniform and equitable system of personnel administration for employees of the City of Isanti. They should not be construed as contract terms for any City employees. Nothing in this Personnel Policy, or in any other City policies which may be communicated to the employee, constitutes a contract or employment for any City employee. Contracts, collective bargaining agreements or individual employment contracts will supersede this Personnel Policy. This Personnel Policy is not intended to cover every situation that might arise and can be amended at any time at the sole discretion of the City. These policies supersede all previous Personnel Policies. As an employee, you are responsible for complying with current City policy at all times. The policies are not intended to cover every situation that might arise . This Personnel Policy replaces, revokes, and supersedes any previous Personnel Policies, interpretations, and practices. This Personnel Policy is only valid until amended or replaced by the City Council. The City reserves the rights to modify, revoke, suspend, or change the language of this Personnel Policy, in whole or in part, at any time, with or without notice, at the City Council's sole discretion.

1.02 Acknowledgement

All employees of the City of Isanti will sign and acknowledge that they have read and understood this personnel policy. The City will furnish all employees with a copy of revisions or changes in this policy as they occur. It is the employee's responsibility to sign and acknowledge that they have read and understand these revisions and changes.

Except as provided by a collective bargaining agreement or otherwise prohibited by law, all employment with the City of Isanti is "at-will" employment. The City of Isanti has the right to terminate any employee at any time for any or no reason. Employees may similarly terminate employment at any time for any reason.

1.03 Scope

These policies apply to all employees of the City. Except where specifically noted, these policies do not apply to:

1. Elected Officials
2. City Attorney
3. City Engineer
4. Members of City Boards, Commissions and Committees
5. Consultants and Contractors
6. Volunteers

If any specific provisions of this Personnel Policy conflicts with any current union agreement, the union agreement will prevail. Union employees are encouraged to consult their collective bargaining agreement first for information about their employment conditions. Any policy or portion thereof that does not conflict with a labor agreement will remain in full force and effect and will continue to govern the actions of all covered employees. Nothing in these policies is intended to modify or supersede any applicable provision of state or federal law.

Departments may have special work rules deemed necessary by the Department Head and approved by the City Administrator for the achievement of objectives of that department. Each employee will be given a copy of such work rules by the department upon hiring and such rules will be further explained and enforcement discussed with the employee by the immediate supervisor.

1.04 EEO Policy Statement

The City of Isanti is committed to providing equal opportunity in all areas of employment, including but not limited to hiring, demotion, promotion, transfer, recruitment, selection, lay-off, disciplinary action, termination, compensation, and selection for training. The City of Isanti will not discriminate against any employee or job applicant on the basis of race, color, creed, religion, national origin, ancestry, sex, sexual orientation, disability, age, marital status, genetic information, status with regard to public assistance, veteran status, familial status, or membership on a local human rights commission or lawful participation in the Minnesota Medical Cannabis Patient Registry.

1.05 Data Practices Advisory

In accordance with the Minnesota Government Data Practices Act, the City is required to inform employees of their rights as they pertain to any private information that the City collects from them. During the course of City employment, an employee will likely be asked to provide information which is classified by state law as either private or confidential. Private data is information which generally cannot be given to the pubic but can be given to the subject of the data. Confidential data is information which generally cannot be given to either the public or the subject of the data. Much of the data the City has about individual employees, however, is classified as public according to Minnesota Statutes, section 13.43, subdivisions 2 and 3. All public data is available for inspection and copying by members of the public, with or without the employee's consent.

Information about employees requested by the City may be used for the following purposes: (1) to process payroll, including accounting for wages and fringe benefits and to justify any reimbursed expenses; (2) enroll in benefit programs and pension plans; (3) evaluate the employee's job performance, eligibility and abilities; (4) distinguish the employee from other applicants and employees and identify the employee in the correct personnel file; (5) determine the employee's eligibility for employment or promotion, and make employment decisions about the employee's performance; (6) contact the employee or other significant persons in case of an emergency; (7) compile equal opportunity and any affirmative action reports required by applicable law; (8) make decisions regarding the employee's eligibility for sick leave, family and medical leave, parenting leave, and other available leave; (9) make decisions regarding the employee's eligibility for workplace accommodations, including accommodations for disabilities; (10) comply with workers compensation requirements in the event of an injury; and (11) provide information during workplace investigations. Such information may also be used and disclosed for other purposes consistent with applicable law. The information provided by the employee may be used in performance evaluations, determinations regarding merit pay, applications for different employment positions, and other matters which involve a review of the employee's personnel file and past performance.

Unless the employee is told otherwise, the employee is required to provide this information. If the employee refuses to supply the information, the employee may face disciplinary action. Any information which the employee is required to provide cannot be used against the employee in a criminal proceeding. Even if the employee is not required to provide information, it is generally to the employee's best interest to provide it. Without the requested information, the City may not be able to determine the employee's eligibility for employment opportunities, compute wages, or grant the employee other benefits. The employee's refusal to provide information during an employment investigation may also necessitate that the investigation be completed without his or her input.

Federal law permits government agencies to require individuals to provide their social security number for the administration of any tax. Please be aware that when an employee is asked to give his or her social security number on revenue forms, this collection is mandated by law. This information will be

shared with the Minnesota Department of Revenue, the Internal Revenue Services, and security tax programs. In most other cases, the disclosure of an employee's social security number is voluntary.

Any information an employee is asked to provide may be shared with individuals within the City whose job duties reasonably require access, as well as individuals outside of the City whose duties require access, such as insurance vendors, consultants, attorneys, and retirement plan employees. Information may also be shared with other agencies authorized by law to receive specific data.

If litigation arises, the information may be provided in documents filed with the court which are available to any member of the public. If it is reasonably necessary to discuss the information at a City Council meeting, it will be available to members of the public. To the extent that some or all of the information is part of the basis for a final decision on disciplinary action, that information is available to any member of the public.

1.06 News Releases

Except for routine events and basic information readily available to the public, all requests for interviews or information from the media are to be routed through the City Administrator. No city employee is authorized to speak on behalf of the city without prior authorization from the City Administrator or his/her designee. Media requests include anything intended to be published or viewable to others in some form such as television, radio, newspapers, newsletters, social media postings, and websites. When responding to media requests, employees should follow these steps:

1. If the request is for routine or public information (such as a meeting time or agenda), provide the information and notify the city administrator of the request.
2. If the request is regarding information about city personnel, potential litigation, controversial issues, an opinion on a city matter, or if an employee is unsure if the request is a "routine" question, forward the request to the city administrator. An appropriate response would be, "I'm sorry, I don't have the full information regarding that issue. Let me take some basic information and submit your request to the appropriate person, who will get back to you as soon as he/she can." Then ask the media representative's name, questions, deadline, and contact information.

All news releases concerning city personnel will be the responsibility of the City Administrator.

When/if the City Administrator authorizes a staff person to communicate on behalf of the city in interviews, publications, news releases, on social media sites, and related communications, employees must:

- Identify themselves as representing the city. Account names on social media sites must be clearly connected to the city and approved by the City Administrator.
- Be respectful, professional, and truthful when providing information. In most cases, only factual information (not opinions or editorial comments) should be provided: "The city finished street cleaning on 16 streets in the northwest corner of the city this past week" instead of "The city is doing a great job with street cleaning this year!" Corrections must be issued when needed.
- Generally, should not include personal opinions in official city statements. One exception is communications related to promoting a city service. For example, an employee could post the following on the city's Facebook page: "My family visited Hill Park this weekend and really enjoyed the new band shelter." Employees who have been approved to use social media sites on behalf of the city should seek assistance from the City Administrator on this topic.
- Notify the City Administrator if they will be using their personal technology (cell phones, home computer, cameras, etc.) for city business. Employees should be aware that data transmitted or stored may be subject to the Minnesota Government Data Practices Act.

1.07 Personal Communications and Use of Social Media

It is important for City employees to remember that the personal communications of employees may reflect on the City, especially if employees are commenting on City business or commenting on issues that implicate their City employment. As City representatives, employees share in the responsibility of earning and preserving the public's trust in the City. An employee's own personal communications, such as on social media, can have a significant impact on the public's belief that all City staff will carry out City functions faithfully and without regard to factors such as race, sex, religion, national origin, disability, sexual orientation, or other protected categories. Nonpersonal communications (performed within one's job duties) to members of the public must be professional at all times. The following guidelines apply to personal communications, including various forms such as social media (Facebook, Twitter, blogs, YouTube, etc.), letters to the editor of newspapers, and personal endorsements:

- Do not share any private or confidential information you have access to as a result of your City position.
- Any personal communications made on a matter of public concern must not disrupt the efficiency of the city's operation, including by negatively affecting morale. Put another way, such public comments must not undermine any City department's ability to effectively serve the public. Disruptive personal communications can include liking or republishing (sharing/retweeting) a social media post of another individual or entity. The City can act on the personal communication that violates this policy without waiting for the actual disruption.
- Remember, what you write or post cannot easily be undone. It may also be spread to larger audience than you intended. Use common sense when using email or social media sites. It is a good idea to refrain from sending or posting information or photos you would not want your boss or other employees to read, or you would be embarrassed to see in the newspaper. Keep in mind harassment, bullying, threats of violence, discrimination, or retaliation concerning a co-worker or between co-workers that would not be permissible in the workplace is not permissible online, even if it is done after hours, from home and on home computers.
- The City of Isanti expects its employees to be fair, courteous, and respectful to supervisors, co-workers, citizens, customers, and other persons associated with the City. Avoid using statements, photographs, video or audio that reasonably may be viewed as malicious, obscene, threatening or intimidating, disparaging, or might constitute harassment or bullying. Examples of such conduct might include offensive posts meant to intentionally harm someone's reputation or posts that could contribute to a hostile work environment on the basis of sex, race, national origin, age, color, creed, religion, disability, marital status, familial status, veteran status, sexual orientation, gender identity, or gender expression, status with regard to public assistance or membership or activity in a local human rights commission.
- If you publish something related to city business and there is liable to be confusion whether you are speaking on behalf of the city, it would be best to identify yourself and use a disclaimer such as, "These are my own opinions and do not represent those of the City of Isanti."
- City resources, working time, or official City positions cannot be used for personal profit or business interests, or to participate in personal political activity. Some examples: a building inspector could not use the City's logo, email, or working time to promote his/her side business as a plumber; a parks employee should not access a park after hours even though he or she may have a key; a clerk, while working at City Hall, should not campaign for a friend who is running for City Council.
- Personal social media account name or email names should not be tied to the city (e.g., @IsantiCop).

SECTION 2. CITYWIDE WORK RULES & CODE OF CONDUCT

2.01 Conduct as a City Employee

In accepting City employment, employees become representatives of the City and are responsible for assisting and serving the citizens for whom they work. An employee's primary responsibility is to serve the residents of the City of Isanti. Employees should exhibit conduct that is ethical, professional, responsive, and of standards becoming of a City employee. To achieve this goal, employees must adhere to established policies, rules, and procedures and follow the instructions of their supervisors.

The following are job requirements for every position at the City of Isanti. All employees are expected to:

- Perform assigned duties to the best of their ability at all times.
- Render prompt and courteous service to the public at all times.
- Read, understand and comply with the rules and regulations as set forth in these Personnel Policies as well as those of their departments.
- Conduct themselves with decorum toward both residents and staff and respond to inquiries and information requests with patience and courtesy.
- Report any and all unsafe conditions to the immediate supervisor.
- Maintain good attendance while meeting the goals set by an employee's supervisor.

2.02 Attendance & Absence

The operations and standards of service in the City of Isanti require that employees be at work unless valid reasons warrant absence. In order for a team to function efficiently and effectively, employees must be on the job. Attendance is an essential function of every City position.

Employees who are going to be absent from work are required to notify their supervisor/ designee as soon as possible in advance of the absence by making said request on the 'Request for Leave' form and submitting the form to the employee's supervisor. In the event of an unexpected absence, employees should call their supervisor before the scheduled start time and keep in mind the following procedures:

- If the supervisor is not available at the time, the employee should leave a message that includes a telephone number where he/she can be reached and/or contact any other individual who was designated by the supervisor.
- Failure to use established reporting process will be grounds for disciplinary action.
- The employee must call the supervisor on each day of an absence extending beyond one (1) day unless arrangements otherwise have been made with the supervisor.
- Employees who are absent for three (3) days or more and who do not report the absence in accordance with this policy will be considered to have voluntarily resigned not in good standing. The City may waive this rule if extenuating circumstances warrant such behavior.

This policy does not preclude the City from administering discipline for unexcused absences of less than three (3) days. Individual departments may establish more specific reporting procedures. For budgetary and confidentiality reasons, non-exempt employees (eligible for overtime pay) are not authorized to take work home or work through lunch without prior approval from their supervisor.

2.03 Access to and Use of City Property

Any employee who has authorized possession of keys, tools, cell phones, or other City-owned equipment must register his/her name and the serial number (if applicable) or identifying information about the equipment with his/her supervisor and Human Resources. All such equipment must be turned in and accounted for by any employee leaving employment with the City in order to resign in good standing.

Employees are responsible for the safekeeping and care of all such equipment. The duplication of keys owned by the City is prohibited unless authorized by the City Administrator/designee. Any employee found having an unauthorized duplicate key will be subject to disciplinary action.

Use of public resources by City employees for personal gain and/or private use including, but not limited to, outside employment or political campaign purposes, is prohibited and subject to disciplinary action which may include termination and/or criminal prosecution, depending on the circumstances. Incidental and occasional personal use may be permitted with the consent of a Supervisor. Examples include: Asking Public Works employees to fix a personal vehicle. Printing documents that are not work related.

2.04 Appearance

Departments may establish dress codes for employees as part of departmental rules. Personal appearance should be appropriate to the nature of the work and contacts with other people and should present a positive image to the public. Clothing, jewelry or other items that could present a safety hazard are not acceptable in the workplace. Please refer to the Personal Appearance and Dress Policy **(APPENDIX)**.

2.05 Conflict of Interest

City employees are to remove themselves from situations in which they would have to take action or make a decision where that action or decision could be a perceived or actual conflict of interest or could result in a personal benefit to themselves or a family member. If an employee has any question about whether such a conflict exists, the employee should consult with the City Administrator.

The Councilmembers, board members and all employees are required to disclose any conflict of interest by completing and submitting the 'Conflict of Interest' form upon hire or on an annual basis. The City Administrator may request any employee to disclose a conflict of interest. Please refer to the Conflict-of-Interest Policy. (**APPENDIX**)

2.06 Falsification of Records

Any employee who makes false statement or commits, or attempts to commit, fraud in an effort to prevent the impartial application of these policies, will be subject to immediate disciplinary action up to and including termination and potential criminal prosecution.

2.07 Personal Telephone Calls / Cell Phones

Personal telephone calls are to be made or received only when truly necessary (e.g., family or medical emergency). They are not to interfere with City work and are to be completed as quickly as possible. Please refer to the Cell Phone and Computer Use Policies **(APPENDIX).**

2.08 Computer Use Policy

The Internet and the public and private telephone systems have become a de facto standard for communication between governmental entities, commercial organizations, and private citizens. Communications traffic may cross multiple and different networks prior to reaching the client destination. The public has a high reliance on the integrity and accuracy of data shared from the City of Isanti. Therefore, each City of Isanti employee should consider themselves to be responsible for adhering to the guidelines and polices regarding the use of these system; to protect the accuracy, integrity and dependability of the City's electronic systems and information. Please refer to the Computer Use Policy **(APPENDIX).**

2.09 Political Activity

City employees have the right to express their views and to pursue legitimate involvement in the political system. However, no City employee will directly or indirectly, during hours of employment, solicit or receive funds for political purposes. Further, any political activity in the workplace must be pre-approved by the City to avoid any conflict of interest or perception of bias such as using authority or political influence to compel another employee to apply for or become a member in a political organization. Please refer to the Political Activities of City Employees Policy **(APPENDIX)**.

2.10 Tobacco Use

The City of Isanti observes and supports the Minnesota Clean Indoor Air Act. All City buildings and vehicles, in their entirety, are designated as tobacco free, meaning that smoking in any form (through the use of tobacco products such as pipes, cigars, and cigarettes) and form of "vaping" with e-cigarettes (without regard to the presence of nicotine) is prohibited while in any City facility, vehicle, or while using or operating City equipment.

Smoking of any kind, including pipes, cigars, e-cigs/vape devices (without regard to the presence of nicotine) and cigarettes, and the use of chewing tobacco is prohibited for employees while on duty. Employees age 21 and over are allowed to use tobacco only during their breaks and lunch, and only in areas designated for that purpose and a minimum of fifteen (15) feet from any municipal building entry area.

SECTION 3. DEFINITIONS

For purposes of these policies, the following definitions will apply:

3.01 Authorized Hours

The number of hours an employee was hired to work. Actual hours worked during any given pay period may be different than authorized hours, depending on workload demands or other factors, and upon approval of the employee's supervisor.

3.02 Benefits

Privileges granted to qualified employees. Examples of which include paid leave and/or insurance coverage.

3.03 Benefit Earning Employees

Full-time employees and employees who are eligible for at least a pro-rated portion of City provided benefits. Such employees must be year-round employees who work at least thirty (30) hours per week on a regular basis.

3.04 Core Hours

The core hours for all City Hall employees (exempt and non-exempt) are expected to work are 9:00 a.m. to 3:30 p.m., Monday through Friday unless away from the work site for a work-related activity, on approved leave, or on an approved temporary flexible work schedule. Police, liquor store, and public works employees do not have core hours and work the schedules established by their supervisors or as provided within their union contracts. The City Administrator may approve permanent flexible work scheduling outside of these core hours for employees on a case-by-case basis.

3.05 Demotion

The movement of an employee from one job class to another within the City, where the maximum salary for the new position is lower than that of the employee's former position.

3.06 Direct Deposit

As permitted by state law, all City employees are required to participate in direct deposit.

3.07 Employee

An individual who has successfully completed all stages of the selection process including the training period.

3.08 Exempt Employee

Employees who are not covered by the overtime provisions of the federal or state Fair Labor Standards Act.

3.09 FICA (Federal Insurance Contributions Act)

FICA is the federal requirement that a certain amount be automatically withheld from employees' earnings. Specifically, FICA requires an employee contribution for Social Security and for Medicare. The city contributes a percentage match on behalf of each employee. Certain employees are exempt or partially exempt from these withholdings (e.g., police officers). These amounts may change if required by law.

3.10 Fiscal Year

The period from January 1 to December 31.

3.11 Full-time Employee

Employees who are required to work forty (40) or more hours per week, year-round, in a permanent position. In accordance with federal health care reform laws and regulations, the City shall offer health insurance benefits to eligible employees and their dependents that work on average or are expected to work thirty (30) or more hours per week or the equivalent of one hundred thirty (130) hours or more per month. In order to comply with health care reform law while avoiding penalties, part-time employees will be scheduled with business needs and in a manner that ensures positions retain part-time status as intended.

3.12 Hours of Operation

City Hall's regular hours of operation are Monday through Friday and closed Saturday and Sunday:

Monday	8:00 a.m.- 4:30 p.m.
Tuesday	7:00 a.m.- 5:30 p.m.
Wednesday	8:00 a.m.- 4:30 p.m.
Thursday	7:00 a.m.- 5:30 p.m.
Friday	8:00 a.m.- 4:30 p.m.

3.13 Management Employee

An employee who is responsible for managing a department or division of the City.

3.14 Non-exempt Employee

Employees who are covered by the federal or state Fair Labor Standards Act. Such employees are normally eligible for overtime at 1.5 times their regular hourly wage for all hours worked over forty (40) in any given workweek.

3.15 Part-time Employee

Employees who are required to work less than thirty (30) hours per week year-round in a permanent position. Part-time employees do not earn benefits or credit for seniority.

3.16 Pay Period

A fourteen (14) day period beginning at 12:00 a.m. (midnight) on Sunday through 11:59 p.m. on Saturday, fourteen (14) days later.

3.17 PERA (Public Employees Retirement Association)

Statewide pension program in which all City employees meeting program requirements must participate in accordance with Minnesota law. The City and the employee each contribute to the employee's retirement account.

3.18 Promotion

Movement of an employee from one job class to another within the City, where the maximum salary for the new position is higher than that of the employee's former position.

3.19 Reclassify

Movement of a job from one classification to another classification because of a significant change in the position's duties and responsibilities.

3.20 Seasonal Employee

Employees who work only part of the year (100 days or less) to conduct seasonal work. Seasonal employees may be assigned to work a full-time or part-time schedule. Seasonal employees do not earn benefits or credit for seniority. In order to comply with health care reform law while avoiding penalties, part-time employees will be scheduled with business needs and in a manner that ensures positions retain part-time status as intended or, in some rare instances, may be offered health insurance.

3.21 Seniority

The ranking of an employee based on the longevity of service or higher rank of a position of another employee.

3.22 Service Credit

Time worked for the City. All employees begin earning service credit on the first day worked for the City. Some forms of leave will create a break in service.

3.23 Temporary/ Interim Employee

Employees who work in temporary positions. Temporary positions might have a defined start and end date or may be for the duration of a specific project. Temporary employees may be assigned to work a full-time or part-time schedule. Temporary employees do not earn benefits or credit for seniority. In order to comply with health care reform law while avoiding penalties, part-time employees will be scheduled with business needs and in a manner that ensures positions retain part-time status as intended or, in some rare instances, may be offered health insurance.

3.24 Training/Probationary Period

A six (6) month period at the start of employment with the City (or at the beginning of a promotion, reassignment or transfer) that is designated as a period within which to learn the job. The training period is the last part of the selection process.

Police Department employees require a twelve (12) month period at the start of employment with the City (or at the beginning of a promotion, reassignment or transfer) that is designated as a period within which to learn the job. The training period is the last part of the selection process.

For part-time employees scheduled to work less than thirty (30) hours per week, the training period is not to exceed five hundred twenty (520) hours. The training period is the last part of the selection process.

An employee serving his/her initial probationary period may be disciplined at the sole discretion of the City, up to and including dismissal. An employee so disciplined, including dismissal, will not have any grievance rights.

Nothing in this Personnel Policy shall be construed to imply that, after completion of the probationary period, an employee has any vested interest or property right to continued City employment.

Time served in temporary, seasonal, volunteer, or interim positions are not considered part of the probationary period. If an emergency arises during an employee's probationary period which requires a leave of absence, such time off, if granted, will not be considered as time worked, and the probationary period will be extended by the length of time taken.

3.25 Transfer

Movement of an employee from one City position to another of equivalent pay.

3.26 Weapons

Weapons are defined to include all legal or illegal firearms, switchblades knives, or any other object that has been modified to serve as a weapon or that has the primary purpose of serving as a weapon.

3.27 Workweek

A workweek is seven (7) consecutive twenty-four (24)-hour periods. For most employees the workweek will run from Sunday through the following Saturday. With the approval of the City Administrator, departments may establish a different workweek based on coverage and service delivery needs.

SECTION 4. EMPLOYEE RECRUITMENT & SELECTION

4.01 Scope

The City Administrator/designee will manage the hiring process for positions within the City. While the hiring process may be coordinated by staff, the City Council is responsible for the final hiring decision and must approve all hires to City employment. All hires will be made according to merit and fitness related to the position being filled.

When an employee elects to resign from his/her position and the position is a budgeted position within the City of Isanti, the City Administrator, is authorized to direct Human Resources to proceed forward with all necessary steps in which to fill the vacant position. All letters of resignation must be approved by the City Council; however, the selection process to fill the position may start prior to approval of resignation.

4.02 Features of the Recruitment System

When a vacancy occurs, the Department Head must notify the City Administrator and the City Administrator will determine proper budgeting authorization. The City Administrator will determine if a vacancy will be filled through an open recruitment or by promotion, transfer or some other method. This determination will be made on a case-by-case basis. Vacancies may be filled by promotion of an employee working on a

regular basis for the City who meets the qualifications necessary to perform the duties of the position. The majority of position vacancies will be filled through an open recruitment process.

4.03 Employment of Spouses, Relatives or Significant Others (Anti-Nepotism)

An applicant related to an elected or appointed official will not be considered for employment. An applicant related to an employee will not be considered for employment in a department or work situation where the relative would also be employed and if it would result in the influential hiring or supervision of a relative. The words "related" or "relative" for the purpose of this policy will mean: spouse, parent, partner, child, and sibling, step-parent, step-child, and half-siblings, mother-in-law, father-in-law, brother-in-law, sister-in-law, daughter-in-law, and son-in-law; grandparent, and grandchild; nephew, and niece.

In addition, those having a significant relationship to any elected or appointed official or employee such as significant others, roommates, and anyone else whose relationship to such elected or appointed official or employee could reasonably be perceived as causing a conflict of interest will not be considered for employment in a department or work situation where such conflict may result.

4.04 Conflict of interest means:

- Where one employee would supervise or have the authority to appoint, remove or discipline a relative.
- Where one relative would be responsible for auditing the work of another relative.
- Where circumstances exist, which would place a relative in a situation or actual or foreseeable conflict between the City's interests and the relative's interest.
- Where the employment of a relative of a policy-level employee of an organization with whom the City deals would give the appearance of improper influence or favor.
- Where a relative of a policy level employee, appointed or elected official could be perceived as benefitting from decisions made regarding job benefits or compensation.

4.05 Advertisement

The City Administrator/designee will post position vacancy postings on the City website and other advertisement outlets. The posting will specify the title, pay range or rate, nature of work to be performed, qualifications desirable, place and manner of making application and the closing date for receiving the application if so designated. If necessary, other appropriate means of publicizing job openings will be utilized. These include preparation and publication of newspaper advertisement, advertising in professional or trade journals, contacting other organizations and other accepted recruitment methods.

Application for employment will be made on forms provided by the City online and at the front desk at City Hall. Supplemental questionnaires may be required in certain situations. All candidates must complete and submit the required application materials by the posted deadline, in order to be considered for the position. The deadline for application may be extended by the City Administrator and Human Resources. Unsolicited applications will not be kept on file.

Position vacancies may be filled on an "interim" or "acting" basis as needed. The City Council may approve interim or acting appointments and temporary pay rate adjustments, if any.

4.06 Testing and Examinations

Applicant qualifications will be evaluated in one or more of the following ways: training and experience rating; written test; oral test or interview; performance or demonstrative test; physical agility test, or other appropriate job-related exams.

Internal recruitments will be open to any City employee who: (1) has successfully completed the initial training period; (2) meets the minimum qualifications for the vacant position; and (3) currently is and for the past year has been in good standing with the City.

The City Administrator will recommend to the City Council minimum qualifications for each position. To be eligible to participate in the selection process, a candidate must meet the minimum qualifications.

Rehiring past employees will be evaluated on a case-by-case basis by the City Administrator. Certain positions may not require certain pre-employment evaluations if re-hired within 2 months.

All candidates for positions of City employment will be based on merit and qualifications of the applicants for the position to be filled. To evaluate the merit and qualifications of the applicants, a criterion will be established for each such position. The criteria established must be capable of being reduced to a 100-point rating system. A 100-point system may be applied to all positions of City employment except for those positions specifically exempted from the Veterans' Preference Act.

4.07 Pre-Employment Medical Exams

The City Administrator or designee may determine that a pre-employment medical examination, which may include a psychological evaluation, is necessary to determine fitness to perform the essential functions of any City position. Pre-employment medical examinations are required for the hire of Police Officers and Public Works Technicians and other positions if determined by the City Administrator. Where a medical examination is required, an offer of employment is contingent upon successful completion of the medical exam.

When a pre-employment medical exam is required, it will be required of all candidates who are finalists and/or who are offered employment for a given job class. Information obtained from the medical exam will be treated as confidential medical records.

When required, the medical exam will be conducted by a licensed physician designated by the City with the cost of the exam paid by the City. (Psychological/psychiatric exams will be conducted by a licensed psychologist or psychiatrist.) The physician will notify the City Administrator/designee that a candidate either is or isn't medically able to perform the essential functions of the job, with or without accommodations and whether the candidate passed a drug test, if applicable. If the candidate requires accommodation to perform one or more of the essential functions of the job, the City Administrator or designee will confer with the physician and candidate regarding reasonable and acceptable accommodations. If a candidate is rejected for employment based on the results of the medical exam, he/she will be notified of this determination.

4.08 Selection Process

The selection process will be a cooperative effort between the City Administrator/Human Resources and the Department Head, subject to final hiring approval of the City Council. Any, all, or none of the candidates may be interviewed. Selected candidate(s) for a position will be finalized by resolution indicating the title, anticipated start date, salary and other applicable details.

The process for hiring seasonal and temporary employees may be delegated to the appropriate supervisor with each hire subject to final City Council approval. Except where prohibited by law, seasonable and temporary employees may be terminated by the supervisor at any time, subject to City Council approval.

The City has the right to make the final hiring decision based on qualifications, abilities, experience, and the City of Isanti’s needs.

4.09 Background Checks

All finalists for employment with the City will be subject to a background check to confirm information submitted as part of application materials and to assist in determining the candidate's suitability for the position. Except where already defined by state law, the City Administrator will determine the level of background check to be conducted based on the position being filled. Job offers are all contingent on successfully passing a background check.

4.10 Notification

Human Resources or designee will notify in writing by letter or email to the candidate selected. The notification will include the employment date, title, salary and listing of benefits. Human Resources or designee will notify in writing, letter or email those not selected.

4.11 Training/ Probation

The training / probation period is an integral part of the selection process and will be used for the purpose of observing the employee's work and for training the employee in work expectations. Training periods apply to new hires, transfers, promotions and rehires. Training periods are six (6) months (or 1040 hours) in duration with the exception of Police Officers whose training period is one (1) year. The training / probation period will be used to observe the employee's work for securing the most effective adjustment of the employee to the position and for rejecting any employee whose performance does not meet the required work standards. Upon recommendation by the Department Head and approval by the City Administrator, the training/probation period for employees not covered by a collective bargaining agreement may be extended up to an additional six (6) months' time period. The training/probation period may also be extended by, for example, an unpaid leave of absence.

4.12 Training/ Probationary Termination

The City Administrator may recommend to City Council to terminate or demote a probationary employee at any time during the probation period. Upon request, the employee terminated will be notified in writing of the reasons for the termination. Unless required by law or under the terms of a collective bargaining agreement, the employee terminated and will not have the right to appeal.

SECTION 5. ORGANIZATION

5.1 Job Descriptions

The City will maintain job descriptions for each position. New positions will be developed as needed, but must be approved by the City Council prior to the position being filled.

Each job description will include: position title, department, supervisor's title, FLSA status (exempt or non-exempt), primary objective of the position, essential functions of the position, examples of performance criteria, minimum requirements, desirable training and experience, supervisory responsibilities (if any), and extent of supervisory direction or guidance provided to position. In addition, job descriptions may also describe the benefits offered and potential career path opportunities as a means to entice a qualified pool of applicants. Good attendance and compliance with work rules and policies are essential functions of all city positions.

Prior to posting a vacant position the existing job description will be reviewed by the City Administrator/designee and the hiring supervisor to ensure the job description is an accurate reflection of the position and the stated job qualifications do not present artificial barriers to employment. A current job description is provided to each new employee. Department Heads are responsible for recommending

revisions of job descriptions as necessary to ensure that the position's duties and responsibilities are accurately reflected. All revisions are reviewed and must be approved by the City Administrator.

5.2 Assigning and Scheduling Work

Assignment of work duties and scheduling work is the responsibility of the supervisor subject to the approval of the City Administrator.

5.3 Layoff

In the event it becomes necessary to reduce personnel, temporary employees and those serving a probationary period in affected job classes will be terminated from employment with the City before other employees in those job classes. Within these groups, the selection of employees to be retained will be based on merit and ability as determined by the City Administrator, subject to approval of the City Council. When all other considerations are equal, the principle of seniority will apply in layoffs and recall from layoffs.

5.4 Recall

An employee who is recalled to work in the same position after a layoff of less than 365 days will resume work with all of their seniority intact. For purposes of accumulating vacation, sick leave, and other similar benefits, the employee will be considered to have not been working during their layoff. If an employee is recalled to work after a layoff of more than 365 days or re-hired for a new position, they can and will be considered a new employee.

SECTION 6. HOURS OF WORK

6.1 Work Hours

Work schedules for employees will be determined by the department head and approved by the City Administrator. For most employees, the workweek begins at midnight on Sunday and runs until the following Saturday night at 11:59 p.m. The regular workweek for employees is five eight-hour days in addition to a lunch period, Monday through Friday, except as otherwise approved by the City Administrator in accordance with the customs and needs of the individual departments.

6.2 Core Hours

To ensure employee availability and accountability to the public the City serves, the normal City business hours are from 8:00 a.m. to 4:30 p.m. Monday, Wednesday, Friday and 7:00 a.m. to 5:30 p.m. Tuesday and Thursday for City Hall Offices (with core hours being from 9:00 a.m. to 3:30 p.m.). The City may allow flexible scheduling of work hours to accommodate eight (8) or ten (10) hour days; however, flexible hours must be approved by the Department Head and the City Administrator, to work a minimum of 40 hours per week for full time staff.

6.3 Meal Breaks and Rest Periods

A paid fifteen (15) minute break is allowed within each four (4) consecutive hours of work. An unpaid thirty (30) minute lunch period is provided when an employee works eight (8) or more consecutive hours. Employees are expected to use these breaks as intended and will not be permitted to adjust work start time, end time or lunch time by saving these breaks without prior approval by the department head and City Administrator on a case-by-case basis, not to be abused.

Employees working in City buildings will normally take their break at the place provided for that purpose in each building. Employees working out-of-doors will normally take their break at the location of their work. Employees whose duties involve traveling throughout the City may stop along the assigned route at

a restaurant or other public accommodation for their fifteen (15) minute break. Exceptions must be approved by the Department Head and City Administrator.

6.4 Work from Home

Employees who perform work at home must first be pre-authorized by the City Administrator.

6.5 Adverse Weather Conditions

City facilities will generally be open during adverse weather. Due to individual circumstances, each employee will have to evaluate the weather and road conditions in deciding to report to work (or leave early). Employees will be allowed to use accrued vacation time or compensatory time; or with supervisor approval may modify the work schedule or make other reasonable schedule adjustments.

Sworn police officers and public works maintenance employees will generally be required to report to work regardless of conditions.

Decisions to cancel departmental programs (special events, recreation programs, etc.) will be made by the respective supervisor or the City Administrator. Please refer to the Inclement Weather Procedure **(APPENDIX)**

SECTION 7. COMPENSATION

Full-time employees of the city will be compensated according to schedules adopted by the City Council. Unless approved by the Council, employees will not receive any amount from the City in addition to the pay authorized for the positions to which they have been appointed. Expense reimbursement or travel expenses may be authorized in addition to regular pay.

7.1 Amount

Employees may receive a cost-of-living adjustment (COLA) to their wage on January 1st of each year if the COLA has been approved by resolution of the City Council for the given budget year. All step increases based on the wage schedule may be given to the employee if the step increases have been approved by resolution of the City Council and subject to the following:

1. All employees hired prior to September 1, 2007 will receive a step increase on July 1 of each given year
2. Employees hired on or after September 1, 2007 will receive a step increase on their anniversary date, successful completion of 2080 worked hours.
3. Part-time employees who are promoted to a new position and receive a new wage scale will accumulate hours for step increases based on the date the employee begins the new position.
4. Compensation for seasonal and temporary employees will be set by the City Council at the time of hire, or on an annual basis.

Under the Minnesota Wage Disclosure Protection Law, employees have the right to tell any person the amount of their own wages. While the Minnesota Government Data Practices Act (Minn. Stat. §13.43), specifically lists an employee's actual gross salary and salary range as public personnel data, Minnesota law also requires wage disclosure protection rights and remedies to be included in employer personnel handbooks. To that end, and in accordance with Minn. Stat. §181.172, employers may not:

- Require nondisclosure by an employee of his or her wages as a condition of employment.
- Require an employee to sign a waiver or other document which purports to deny an employee the right to disclose the employee's wages.

- Take any adverse employment action against an employee for disclosing the employee's own wages or discussing another employee's wages which have been disclosed voluntarily.
- Retaliate against an employee for asserting rights or remedies under Minn. Stat. §181.172, subd. 3.

The city cannot retaliate against an employee for disclosing his/her own wages. An employee's remedies under the Wage Disclosure Protection Law are to bring a civil action against the city and/or file a complaint with the Minnesota Department of Labor and Industry at (651) 284-5070 or (800) 342-5354.

7.2 Paychecks

Paychecks are issued every two weeks. Distribution of paychecks to City employees is to be accomplished in a timely manner using accurate, consistent procedures. When paydays fall on a holiday, checks are normally issued the day before the holiday.

Paychecks will not be given to anyone other than the person for whom they were prepared, unless the person has a note signed by the employee authorizing the City to give the other person the check. Checks will be given to the spouse, or another appropriate immediate family member, in the case of a deceased employee.

Employees are responsible for notifying the Human Resources or the Finance Department of any change in status including changes in address, phone number, names of beneficiaries, marital status, etc.

7.3 Paydays

Employees will be paid bi-weekly on alternate Fridays. When a pay day falls on a holiday, employees will receive their pay the preceding work day.

7.4 Direct Deposit

As provided for in Minnesota law, all new employees are required participate in direct deposit effective January 1, 2020. Employees, including returning seasonal employees, who receive a paper check prior to January 2020, may continue to receive them as "grandfathered in." Employees are responsible for notifying the Human Resources or the Finance Director of any change in status including changes in address, phone number, names of beneficiaries, marital status, etc.

7.5 Improper Deduction and Overpayment Policy

If an employee believes that an improper deduction, overpayment, or another type of error has occurred, he/she should immediately contact his/her supervisor. If the City determines they had made an improper deduction from a paycheck, the employee will be reimbursed for the improper amount deducted and take good faith measures to prevent improper deductions from being made in the future.

In cases of improper overpayments, employees are required to promptly repay the City in the amount of the overpayment. The employee can write a personal check or authorize a reduction in pay to cover the repayment. The City will not reduce an employee's pay without written authorization by the employee. Once the overpayment has been recovered in full, the employee's year to date earnings and taxes will be adjusted (so that the year's Form W-2 is correct) and the paying department will receive the corresponding credit. When an overpayment occurs, the repayment must be made within the same tax year.

In the exceptional situation where the overpayment occurs in one tax year and is not discovered until the next year, the overpayment must be repaid in the year it is discovered, but there will be additional steps and paperwork required. Any overpayments not repaid in full within the calendar year of the overpayment

are considered “prior year overpayments” and the employee must repay not only for the net amount of the overpayment, but also the federal and state taxes the City has paid on their behalf. The City is able to recover the overpaid Social Security and Medicare taxes. Accordingly, the City will not require the employee to repay those taxes provided the employee provides a written statement that he/she will not request a refund of the taxes. The overpayment amount will remain taxable in the year of the overpayment since the employee had access to the funds. The employee is not entitled to file an amended tax return for the year but may be entitled to a deduction or credit with respect to the repayment in the year of repayment. Employees should contact their tax advisors for additional information.

7.6 Time Reporting

Full-time, non-exempt employees are expected to work forty (40) hours per workweek and will be paid according to the time reported on their time sheets. To comply with the provisions of the federal and state Fair Labor Standards Acts, hours worked and any leave time used by non-exempt employees are to be recorded daily and submitted to payroll on a biweekly basis. Each time reporting form must include the signature of the immediate supervisor. The Department Head/designee will submit all time sheets to the Finance Department for payroll. Reporting false information on a time sheet may be cause for immediate termination.

7.7 Overtime / Compensatory Time

The City of Isanti has established this overtime policy to comply with applicable state and federal laws governing accrual and use of overtime. The City Administrator will determine whether each employee is designated as “exempt” or “non-exempt” from earning overtime. In general, employees in executive, administrative, and professional job classes are exempt; all others are non-exempt.

All employees, in all departments, are required to work overtime as necessary, requested by their supervisors as a condition of continued employment. Refusal to work overtime may result in disciplinary action. Department Heads will make reasonable efforts to balance the personal needs of their employees when assigning overtime work. The Department Head must approve overtime hours in advance. An employee who works overtime without prior approval may be subject to disciplinary action.

7.8 Non-Exempt (Overtime-eligible) Employees:

All overtime-eligible employees will be compensated at the rate of time and one-half for all hours worked over forty (40) in one workweek. Vacation, sick leave and paid holidays do not count toward “hours worked”. Compensation will take the form of either time-and-one-half pay or compensatory time. Compensatory time is paid time out at the rate of one-and one-half hours (1 ½) for each hour of overtime worked.

A non-exempt employee may accrue compensatory time to a maximum of eighty (80) hours or receive overtime pay. Once a non-exempt employee has earned the maximum amount of compensatory time, no further compensatory time may accrue in that calendar year. All further overtime will be paid. Employees may request and use compensatory time in the same manner as other leave requests. All compensatory time will be marked as such on official timesheets, both when it is earned and when it is used. The Finance Department will maintain compensatory time records.

All accrued compensatory time for non-exempt staff will be paid out when the employee leaves city employment at the hourly pay rate the employee is earning at that time or when someone moves to an exempt position within the City. Total payout is based on total number of hours at straight time. The 80-hour max is a combination of 1 and 1.5 banked.

All compensatory time will be marked as such on official time sheets, both when it is earned and when it is used.

*Police Officers to whom the Federal Fair Labor Standards Act (FLSA) applies to will be compensated for overtime work at one and one-half (1 ½) times their regular rate of pay to be given only in compensatory time except where precluded by law or policy. Unless defined in a contract, overtime hours are calculated on the basis of eighty (80) hours worked in a two (2) week pay period with the two (2) week period established from Sunday at 12:00 a.m. for a period of fourteen (14) days and ending on a Saturday at 11:59 p.m.

7.9 Exempt (not-overtime-eligible) Employees:

Exempt employees are expected to work the hours necessary to meet the performance expectations outlined by their supervisors. Generally, to meet these expectations, and for reasons of public accountability, an exempt employee will need to work forty (40) or more hours per week. Exempt employees do not receive extra pay for the hours worked over forty (40) in one workweek.

Exempt employees are paid on a salary basis. This means that they receive a predetermined amount of pay each pay period and are not paid by the hour. Their pay does not vary based on the quality or quantity of work performed, and they receive their full weekly salary for any week in which any work is performed.

Exempt employees are eligible for compensatory time at straight time for hours worked in excess of forty (40) hours in a work week or over 8/10-hour a day depending on schedule. However, exempt employees forfeit any compensatory time accrued in excess of eighty (80) hours, unless a different amount is established by the City Administrator, measured pay period to pay period. Upon termination/ resignation from employment, either voluntarily or involuntarily, exempt employees forfeit any accumulated compensatory time without payment. Exempt employees may request and use compensatory time off in 15-minute increments, in the same manner as other leave requests.

The City of Isanti will only make deductions from the weekly salary of an exempt employee in the following situations:

- The employee is in a position that does not earn vacation or personal leave and is absent for a day or more for personal reasons other than sickness or accident.
- The employee is in a position that earns sick leave, receives a short-term disability benefit or workers' compensation wage loss benefits, and is absent for a full day due to sickness or disability, but he/she is either not yet qualified to use the paid leave or he/she has exhausted all of his/her paid leave.
- The employee is absent for a full workweek and, for whatever reason, the absence is not charged to paid leave (for example, a situation where the employee has exhausted all of his/her paid leave or a situation where the employee does not earn paid leave).
- The very first workweek or the very last workweek of employment with the city in which the employee does not work a full week. In this case, the city will prorate the employee's salary based on the time actually worked.
- The employee is in a position that earns paid leave and is absent for a partial day due to personal reasons, illness, or injury, but:
    - Paid leave has not been requested or has been denied.
    - Paid leave is exhausted.
    - The employee has specifically requested unpaid leave.
- The employee is suspended without pay for a full day or more for disciplinary reasons for violations of any written policy that is applied to all employees.

- The employee takes unpaid leave under the FMLA after all other leave banks have been exhausted.
- The City of Isanti may for budgetary reasons implement a voluntary or involuntary unpaid leave program and, under this program, make deductions from the weekly salary of an exempt employee. In this case, the employee will be treated as non-exempt for any workweek in which the budget-related deductions are made.

The City of Isanti will not make deductions from pay due to exempt employees being absent for jury duty or attendance as a witness but will require the employee to pay back to the City any amounts received by the employee as jury fees or witness fees.

If the City inadvertently makes an improper deduction to the weekly salary of an exempt employee, the City will reimburse the employee and make appropriate changes to comply in the future.

All employees, in all departments, are required to work overtime as requested by their supervisors as a condition of continued employment. Refusal to work overtime may result in disciplinary action. Supervisors will make reasonable efforts to balance the personal needs of their employees when assigning overtime work.

7.10 Leave Policy for Exempt Employees

Exempt employees are required to work the number of hours necessary to fulfill their responsibilities including evening meetings and/or on-call hours. Exempt employees are required to use paid leave when on personal business or away from the office for two (2) hours or more, on a given day. Absences of less than two (2) hours do not require use of paid leave as it is presumed that the staff member regularly puts in work hours above and beyond the normal work schedule Monday through Friday requirement. Exempt employees must receive prior approval for their absence to the City Administrator or his/her designee.

If one of the above employees is regularly absent from work under this policy and it is found that there is excessive time away from work which is not justified, the situation will be handled as a performance issue. If it appears that less than forty (40) hours per week is needed to fulfill the position's responsibilities, the position will be reviewed to determine whether a part-time position will meet the needs of the City. Flexible scheduling and combining leave with lunch is subject to prior approval by the City Administrator for specific situations as determined necessary. Additional notification and approval requirements may be adopted by the City Administrator for specific situations as determined necessary.

SECTION 8. PERFORMANCE REVIEWS

An objective performance review system will be established by the City Administrator or Human Resources for the purpose of periodically evaluating the performance of City employees. The quality of an employee's past performance will be considered in personnel decisions such as promotions, transfers, demotions, terminations and, where applicable, salary adjustments.

Performance reviews will be discussed with the employee. While certain components of a performance evaluation, such as disputed facts reported to be incomplete or inaccurate are challengeable using the City's grievance process, other performance evaluation data, including subjective assessments, are not. For those parts of the performance evaluation system deemed not challengeable, an employee may submit a written response, which will be attached to the performance review. Performance reviews are to be scheduled on a regular basis, at least annually. The form, with all required signatures, will be retained as part of the employee's personnel file.

During the training/probationary period, informal performance meetings should occur frequently between the supervisor and the employee. Conducting these informal performance meetings provides both the supervisor and the employee the opportunity to discuss what is expected, what is going well and not so well.

Signing of the performance review document by the employee acknowledges the review has been discussed with the supervisor and does not necessarily constitute agreement. Failure or refusal to sign the review by the employee will not invalidate the form nor will it delay processing.

SECTION 9. BENEFITS

9.1 Insurance Benefits

The City will contribute a monthly amount toward group health, dental and life insurance benefits for each eligible employee and his/her dependents. Eligible employees are full time employees and employees working thirty (30) hours per week or the equivalent of 130 hours or more a month. The amount to be contributed will be determined annually by the City Council.

Insurance coverage is effective the 1st day of the first full month of employment for all eligible employees.

- The City pays the full cost of the health insurance premium for single coverage.
  - If the plan includes an HSA, the City will annually review the amount contributed to employees based on IRS guidelines.
- The City pays the full cost of Dental for the employee and dependents.
- The City pays the full cost of Life Insurance and AD&D for the employee in the amount of $25,000

The City may provide elective benefits, outlined within the Flexible Benefit Plan/Cafeteria 125 summary plan document.

Cash Reimbursement is outlined in the summary plan document as an elected benefit to eligible employees who "opt out" of the City benefits.

For information about flexible benefits, including coverage and eligibility requirements, employees should refer to the summary plan description for the Flexible Benefit Plan/Cafeteria 125 plan and the various certificates of coverage for the insurance benefits. You may also contact Human Resources.

9.2 Retirement /PERA

The City participates in the Public Employees Retirement Fund (PERA) to provide pension benefits for its eligible employees. Participation in PERA is mandatory for most employees, and contributions to PERA begin immediately. This City and the employee contribute to PERA each pay period as determined by state law. Most employees are also required to contribute a portion of each pay check for Social Security and Medicare (the City matches the employee's Social Security and Medicare withholding for many employees.

Employees may also be eligible to participate in deferred compensation programs offered through the City. Options may include participation in the ICMA RC and MN Deferred Compensation plans. Contributions to these plans are at the employee's cost. For information about PERA eligibility, contribution requirements, and the deferred compensation programs, contact Human Resources.

SECTION 10. HOLIDAYS

The City observes the following official holidays for full-time and part-time thirty (30) hours employees:

New Year's Day	Columbus Day
Martin Luther King, Jr.	Veteran's Day
President's Day	Thanksgiving Day
Good Friday	Friday after Thanksgiving
Memorial Day	Christmas Eve
Independence Day	Christmas Day
Labor Day	

Official holidays commence at the beginning of the first shift of the day on which the holiday is observed and continue for twenty-four (24) hours thereafter.

When a holiday falls on a Sunday, the following Monday will be the "observed" holiday and when a holiday falls on a Saturday, the preceding Friday will be the "observed" holiday for City operations/facilities that are closed on holidays.

Employees will receive holiday pay for City-observed holidays. Employees wanting to observe holidays other than those officially observed by the City may request either vacation leave, compensatory time, or unpaid leave for such time off. Any employee on a leave of absence without pay from the City is not eligible for holiday pay.

Full-time nonexempt employees who do not work a holiday will receive 8 hours holiday pay for official holidays at their normal straight time rates, provided they are on paid status on the last scheduled day prior to the holiday and first scheduled day immediately after the holiday.

Part-time thirty (30) hour employees who do not work a holiday will receive pro-rated holiday pay based on the number of hours normally scheduled provided they are on paid status on the last scheduled day prior to the holiday and first scheduled day immediately after the holiday.

Non-exempt employees who work on a holiday will receive pay at one and one-half (1 ½) for the hours worked and will be given at straight time. Pay at one and one- half (1 ½) will be on regular base hourly wage not to be pyramided with any other premium. Pay of one and one-half (1 ½) times the regular hourly wage for employees required to work on a listed holiday will be for the hours worked on the "actual" holiday as opposed to the "observed" holiday.

SECTION 11. LEAVES

11.1 Taking Leave

Depending upon an employee's situation, more than one form of leave may apply during the same period of time (e.g., the Family and Medical Leave Act is likely to apply during a workers' compensation absence). An employee will need to meet the requirements of each form of leave separately. Leave requests will be evaluated on a case-by-case basis.

Except as otherwise stated, all paid time off, taken under any of the City's leave programs, must be taken consecutively, with no intervening unpaid leave. The City will provide employees with time away from

work as required by state or federal statutes, if there are requirements for such time off that are not described in the personnel policies.

11.2 Sick Leave

Sick leave is authorized absence from work with pay, granted to qualified full-time and part-time thirty (30) hour employees. Sick leave is a privilege, not a right. Employees are to use this paid leave only when they are unable to work for medical reasons and under the conditions explained below. Sick leave does not accrue during an unpaid leave of absence. Full-time employees will accumulate sick leave at a rate of eight (8) hours per month.

- Part-time employees regularly scheduled to work at least 30 hours per week will accrue sick leave on a pro-rated basis of the full-time employee schedule.
- Part-time employees regularly scheduled to work fewer than 30 hours per week will not earn or accrue sick leave.
- Temporary and seasonal employees will not earn or accrue sick leave.
- Sick leave may be used only for days when the employee would otherwise have been at work. It cannot be used for scheduled days off.

Sick leave may be used as follows:

- When an employee is unable to perform work duties due to illness or disability (including pregnancy).
- In increments as small as 15 minutes.
- An employee who is drawing worker's compensation will be allowed to use accumulated sick leave as necessary to ensure a full monthly paycheck, providing that employee shows documentation to the Employer.
- For medical, dental or other care provider appointments.
- When an employee has been exposed to a contagious disease of such a nature that his/her presence at the work place could endanger the health of others.
- To care for the employee's injured or ill children, including stepchildren or foster children, for such reasonable periods as the employee's attendance with the child may be necessary.
- To take children, or other family members to a medical, dental or other care provider appointment.
- To care for an ill spouse, father, mother, sister or brother.
- Safety leave: Employees are authorized to use sick leave for reasonable absences for themselves or relatives (employee's adult child, spouse, sibling, parent, mother-in-law, father-in-law, grandchild, grandparent, or stepparent) who are providing or receiving assistance because they, or a relative, is a victim of sexual assault, domestic abuse, or stalking. Safety leave for those listed, other than the employee and the employee's child, is limited to 160 hours in any 12-month period.

Pursuant to Minn. Stat. §181.9413, eligible employees may use up to 160 hours of sick leave in any 12-month rolling period for absences due to an illness or injury to the employee's adult child, spouse, sibling, parent, grandparent, stepparent, parent-in-law (mother-in-law and father-in-law), and grandchild (includes step-grandchild, biological, adopted, or foster grandchild).

After accrued sick leave has been exhausted, vacation leave or other leaves may be used upon approval of the City Administrator, to the extent the employee is entitled to such leave.

To be eligible for sick leave pay, the employee will:

- Communicate with his/her immediate supervisor, as soon as possible after the scheduled start of the work day, for each and every day absent;

- Keep his/her Department Head/ Human Resources informed of the status of the illness/injury or the condition of the ill family member;
- Submit a physician's statement upon request.

11.3 Returning to Work After Medical Absence

After a medical absence beyond five (5) working days, a physician's statement may be required on the employee's first day back to work, indicating the nature of the illness or medical condition and attesting to the employees' ability to return to work and safely perform the essential functions of the job with or without reasonable accommodation.

Any work restrictions must be stated clearly on a return-to-work or workability form. Employees who have been asked to provide such a statement may not be allowed to return to work until they comply with this provision. Sick leave may be denied for any employee required to provide a doctor's statement until such a statement is provided.

The City has the right to obtain a second medical opinion to determine the validity of an employee's worker's compensation or sick leave claim, or to obtain information related to restrictions or an employee's ability to work. The City will arrange and pay for an appropriate medical evaluation when it is required by the City.

Any employee who makes a false claim for sick leave will be subject to discipline up to and including termination.

Sick leave will normally not be approved after an employee gives notice that he or she will be terminating employment. Exceptions must be approved by the City Administrator.

11.4 Reimbursement of Accrued Sick Hours

Employees will not be reimbursed for unused sick leave except in the manner as described in this section. Upon accrual of four hundred eighty (480) hours, the City will, on an annual basis, reimburse unused sick leave at the rate of one-half of the employee's current rate of pay on a maximum accrual of ninety-six (96) hours over the four hundred eighty (480) hours.

Hours will be paid out on the first pay date in December of each year.

Upon termination of an employee in good standing and with five years consecutive employment, the employee will be reimbursed one-half pay for sick days not used to a maximum of four hundred eighty (480) accumulated plus the current year number of hours at the employee's current rate of pay.

11.5 Vacation Leave

Vacation will accrue at the following rates per the anniversary year employed:

Years of Service	Annual Accrual
First (1) year:	6 days (48 hrs.)
Second (2) year	12 days (96 hrs.)
Sixth (6) year	18 days (144 hrs.)
Tenth (10) year	24 days (192 hrs.)
Fifteenth (15) year	27 days (216 hrs.)

11.6 Eligibility

Full-time employees will earn vacation leave in accordance with the above schedule.

Part-time employees who work at least thirty (30) hours per week on a regular basis will accrue vacation leave on a prorated basis of the full-time employee schedule.

Part-time employees who are scheduled to work less than thirty (30) hours on a regular basis, temporary and seasonal employees will not earn or accrue vacation leave.

11.7 Accrual Rate

For the purpose of determining an employee's vacation accrual rate, years of service will include continuous time that the employee has worked at the city (including authorized unpaid leave). Employees who are rehired after terminating city employment will not receive credit for their prior service unless specifically negotiated at the time of hire.

11.8 Use

All employees, including those who are in training/on probation, may use vacation leave as it is earned. Approved leaves are subject to approval by the employee's Department Head or City Administrator.

*Every full-time and part-time thirty (30) hour plus employee hired prior to March 1, 2007 will have July 1 as their anniversary date for purposes of earned vacation. Vacation earned from the date of employment to July 1 will be credited to the employee and will be taken as provided. Every full-time and part-time thirty (30) hour plus employee hired after March 1, 2007 will have their date of hire as their anniversary date for purposes of earned vacation.

An employee will not earn any vacation leave for any pay period unless he/she is employed by the City on the last scheduled work day of the pay period. Requests for vacation should be received at least forty-eight (48) hours in advance of the requested time off. This notice may be waived at the discretion of the Department Head and/or City Administrator. Vacation can be requested in increments as small as 15 minutes.

Employees may carry accrued vacation leave up to a maximum of 480 hours. Accrued hours in excess of the allowed amount will be forfeited by the employee unless obtaining approval of the City Council to carry the excess of the allowed amount. Vacation hours will be audited on an annual basis by the Finance Department, but it is the responsibility of the employees to track maximum accrual. Vacation leave cannot be converted into cash payments except at when meeting criteria of resigning in good standing referenced in section: *Separation from Service*.

Vacation leave will generally not be approved once an employee has submitted a resignation notice unless approved by the City Administrator.

Vacation leave requests greater than 14 days must be approved by the City Administrator.

11.9 Vacation Donation

An employee may voluntarily donate their accumulated vacation hours, up to a max of 24 hours, to other employees annually. More than 24 hours must be approved by the City Administrator. Donated time will be banked to the recipient at the recipient's regular rate of pay on an hour per hour basis, and there will be no consideration for differences in wage rates applied to the transfer.

11.10 Funeral Leave

Employees will be permitted to use up to three (3) working days, with pay, as funeral leave upon the death of an immediate family member. This paid leave will not be deducted from the employee's vacation or sick leave balance.

The actual amount of time off, and funeral leave approved, will be determined by the Department Head or City Administrator depending on individual circumstances (such as the closeness of the relative, arrangements to be made, distance to the funeral, etc.)

11.11 Military Leave

State and federal laws provide protections and benefits to City employees who are called to military service, whether in the reserves or on active duty. Such employees are entitled to a leave of absence without loss of pay, seniority status, efficiency rating, or benefits for the time the employee is engaged in training or active service not exceeding a total of 15 days in any calendar year.

The leave of absence is only in the event the employee returns to employment with the City as required upon being relieved from service, or is prevented from returning by physical or mental disability or other cause not the fault of the employee, or is required by the proper authority to continue in military or naval service beyond the fifteen (15) day paid leave of absence. Employees on extended unpaid military leave will receive fifteen (15) days paid leave of absence in each calendar year, not to exceed five years.

Where possible, notice is to be provided to the City at least ten (10) working days in advance of the requested leave. If an employee has not yet used his/her fifteen (15) days of paid leave when called to active duty, any unused paid time will be allowed for the active-duty time, prior to the unpaid leave of absence.

Employees returning from military service will be reemployed in the job that they would have attained had they not been absent for military service and with the same seniority, status and pay, as well as other rights and benefits determined by seniority. Unpaid military leave will be considered hours worked for the purpose of vacation leave and sick leave accruals.

Eligibility for continuation of insurance coverage for employees on military leave beyond fifteen (15) days will follow the same procedures as for any employee on an unpaid leave of absence.

Employees will be granted up to ten (10) working days of unpaid leave whose immediate family member is a member of the United States armed forces who has been injured or killed while engaged in active service. The ten (10) days may be reduced if an employee elects to use appropriate accrued paid leave.

Unless the leave would unduly disrupt the operations of the City, employees whose immediate family member, as a member of the United States armed forces has been ordered into active service in support of a war or other national emergency, will be granted an unpaid leave of absence, not to exceed one (1) day's duration in any calendar year, to attend a send-off or homecoming ceremony for the mobilized service member.

11.12 Jury Duty

Regular full-time and part-time employees will be granted paid leaves of absence for required jury duty. Such employees will be required to turn over any compensation they receive for jury duty, minus mileage reimbursement, to the City in order to receive their regular wages for the period. Time spent on jury duty will not be counted as time worked in computing overtime.

Employees excused or released from jury duty during their regular working hours will report to their regular work duties as soon as reasonably possible or will take accrued vacation or compensatory time to make up the difference.

Employees are required to notify their supervisor as soon as possible after receiving notice to report for jury duty. The employee will be responsible for ensuring that a report of time spent on jury duty and pay form is completed by the clerk of court so the city will be able to determine the amount of compensation due for the period involved.

Temporary and seasonal employees are generally not eligible for compensation for absences due to jury duty, but can take a leave without pay subject to department head approval. However, if a temporary or seasonal employee is classified as exempt, he/she will receive compensation for the jury duty time.

11.13 Court Appearances

Employees will be paid their regular wage to testify in court for City-related business. Any compensation received for court appearances (e.g., subpoena fees) arising out of or in connection with City employment, minus mileage reimbursement, must be turned over to the City.

11.14 Victim or Witness Leave

An employer must allow a victim or witness, who is subpoenaed or requested by the prosecutor to attend court for the purpose of giving testimony, or is the spouse or immediate family member (immediate family member includes parent, spouse, child or sibling of the employee) of such victim, reasonable time off from work to attend criminal proceedings related to the victim's case. [See Safety Leave under the Sick Leave Policy for additional information on leave benefits available to employees and certain family members].

11.15 Job Related Injury or Illness

All employees are required to report any job-related illnesses or injuries to their supervisor immediately (no matter how minor) and a First Report of Injury (FROI) form must be filled out and submitted to Human Resources. If a supervisor is not available and the nature of injury or illness requires immediate treatment, the employee is to go to the nearest available medical facility for treatment and, as soon as possible, notify his/her supervisor of the action taken. In the case of a serious emergency, 911 should be called.

If the injury is not of an emergency nature, but requires medical attention, the employee will report it to the supervisor and make arrangements for a medical appointment.

Worker's compensation benefits and procedures to return to work will be applied according to applicable state and federal laws.

11.16 Workers Compensation

An employee injured on the job will receive compensation from the City's Worker's Compensation Insurance provider after a three (3) day initial waiting period. The three (3) days waiting period will be charged to the Employee's sick leave account. Should the employee receive workers compensation for a period of ten (10) days or more, workers compensation will pay for the initial three (3) days and the employee's sick leave account will be credited the initial waiting period. Because the compensation provided by the insurance may be less than the normal salary, the city may use leave pay (sick, personal, or vacation) to provide the difference between the employee's regular net pay (irrespective of all deductions required by State and Federal Law) and the worker's compensation amount. In the event that

all leave pay available to an employee is exhausted, the employee would be paid exclusively through the worker's compensation plan.

11.17 Workers Compensation: Leave Accrual and Holidays

During the period in which an employee is out on workers compensation leave, the employee will continue to accrue leave hours (sick and vacation) as if they were working, for up to six (6) months. After six (6) months, and during such time as the employee continues on workers compensation leave the employee will not continue to accrue leave hours (sick and vacation pay). Employees who are working with reduced hours will earn prorated vacation and sick leave. Holiday pay will also be given for this time period as long as the employee retains employment status with the City. There will be no further leave accrual or holiday pay after employment with the City of Isanti is terminated.

At the time the employee returns to work, the employee will begin to accrue leave based on the number of hours the employee works.

11.18 Pension

To the extent permissible under PERA guidelines, and provided the employee so chooses to pay the employee's share, the City will pay the amount of the employer paid pension that was lost during the worker's compensation leave to help restore the portion of the employee's pension attributable to City leave funds paid to the employee.

11.19 Insurance Benefits

1. During the worker's compensation period in which an employee is being partially compensated by the City (with the use of available leave hours), the employee will continue to receive insurance benefits applicable to the position held at the time of the injury. Applicable insurance benefits will continue for a period of no more than six (6) months from the time that an employee's leave hours are exhausted and partial City compensation has discontinued. The employee will continue to be responsible for the employee portion of insurance payments, if any; and any other personal deductions the employee may have. If the City is not providing a portion of the employee's wage adequate to withhold the employee portion of premiums, with the use of available leave, the employee must provide such payment to the city on a timely basis in order to maintain insurance coverage.

2. Upon an employee's return to their original position, or to a work hardening program which schedules return to their original position, the employee will receive insurance benefits applicable to that position.

3. If it has been determined by medical evaluation and the City's Worker's Compensation Insurance provider that as the result of a job related injury, a regular full-time employee is unable to return to work full time (forty (40) hours per week), and if a regular part-time position is available that would accommodate all work restrictions and for which the employee would otherwise qualify and is accepted by the employee, insurance benefits would be continued at the original full-time rate for the remainder of the six (6) month period after which time lapses, insurance benefits would be prorated based on the new position.

4. The wage paid to the retuning employee by the city would be consistent with the wage established for the new position. In the event the new wage is less than the wage for the original position, the City's Worker's Compensation Insurance provider would be responsible for the payment of any wage difference for such period as determined by the insurance provider and consistent with State law.

5. If it has been determined by medical evaluation and the City's Worker's Compensation Insurance provider that as a result of a job related injury, a regular full-time employee is unable to return to the employee's original position as the result of physical restrictions, and if there is a position available that would accommodate those restrictions and for which the employee would otherwise qualify, the individual accepting the new position would also be subject to the benefit and wage stipulations as stated above.

6. If it has been determined by medical evaluation and the City's Worker's Compensation Insurance provider that an employee had reached maximum potential recovery from a work related injury and that a permanent disability exists that would preclude the employee from returning to their former position and that no other position is available that would accommodate the employee's work restrictions and for which the employee was otherwise qualified, the City's Worker's Compensation Insurance provider would be fully responsible for the monetary settlement with the employee and the employee would be terminated from their position with the City. The employee would be allowed to continue insurance coverage as provided in state and/or federal law and would be responsible for payment of insurance premiums.

11.20 Family and Medical Leave (FMLA)

The Family and Medical Leave Act (29 CFR Part 825) provides certain employees with up to 12 workweeks of unpaid, job-protected leave in any 12-month period, and requires group health benefits to be maintained during the leave as if employees continued to work instead of taking leave. **(APPENDIX)**

To be eligible for FMLA leave, an employee must work for a covered employer and:

- have worked for that employer for at least 12 months; and
- have worked at least 1,250 hours during the 12 months prior to the start of the FMLA leave; and
- work at a location where at least 50 employees are employed at the location or within 75 miles of the location.

11.21 Pregnancy and Parenting Leave

Employees who work twenty (20) hours or more per week and have been employed more than one year are entitled to take an unpaid leave of absence under the Pregnancy and Parenting Leave Act of Minnesota. Female employees for prenatal care, or incapacity due to pregnancy, childbirth, or related health conditions as well as a biological or adoptive parent in conjunction with after the birth or adoption of a child as eligible for up to 12 weeks of unpaid leave and must begin within twelve (12) months of the birth or adoption of the child. In the case where the child must remain in the hospital longer than the mother, the leave must begin within 12 months after the child leaves the hospital. Employee should provide reasonable notice, which is at least 10 days. If the leave must be taken in less than three days, the employee should give as much notice as practicable.

Employees are required to use accrued leave (i.e., sick leave, vacation leave, etc.) during Parenting Leave if the employee has any FMLA eligibility remaining at the time this leave commences, this leave will also count as FMLA leave. The two leaves will run concurrently. The employee is entitled to return to work in the same position and at the same rate of pay the employee was receiving prior to commencement of the leave. Group insurance coverage will remain available while the employee is on leave pursuant to the Pregnancy and Parenting Leave Act, but the employee will be responsible for the entire premium unless otherwise provided in this policy (i.e., where leave is also FMLA qualifying). For employees on an FMLA absence as well, the employer contributions toward insurance benefits will continue during the FMLA leave absence.

11.22 Reasonable Unpaid Work Time for Nursing Mothers

Nursing mothers will be provided reasonable unpaid break time for nursing mothers to express milk for nursing her child for one year after the child's birth. The City will provide a room (other than a bathroom) as close as possible to the employee's work area, that is shielded from view and free from intrusion from coworkers and the public and includes access to an electrical outlet, where the nursing mother can express milk in private.

11.23 Reasonable Accommodations to an Employee for Health Conditions Relating to Pregnancy

The city will attempt to provide a female employee who requests reasonable accommodation with the following for her health conditions related to her pregnancy or childbirth:

- More frequent restroom, food, and water breaks;
- Seating;
- Limits on lifting over 20 pounds; and/or
- Temporary transfer to a less strenuous or hazardous position, should one be available.

Unless such accommodations impose an undue hardship on the city, the city will engage in an interactive process with respect to an employee's request for a reasonable accommodation.

11.24 Adoptive Parents

Adoptive parents will be given the same opportunities for leave as biological parents (see provisions for Parenting Leave). The leave must be for the purpose of arranging the child's placement or caring for the child after placement. Such leave must begin before or at the time of the child's placement in the adoptive home.

11.25 Administrative Leave

Under special circumstances, an employee may be placed on an administrative leave pending the outcome of an internal or external investigation. The leave may be paid or unpaid, depending on the circumstances, as determined by the City Administrator. Unpaid leaves will be approved by the City Council.

11.26 School Conference Leave

Any employee who has worked half-time or more for at least twelve (12) months preceding the request may take unpaid leave for up to a total of sixteen (16) hours during any 12-month period to attend school conferences or classroom activities related to the employee's child (under 18 or under 20 and still attending secondary school), provided the conference or classroom activities cannot be scheduled during non-work hours. When the leave cannot be scheduled during non-work hours and the need for the leave is foreseeable, the employee must provide reasonable prior notice of the leave and make a reasonable effort to schedule the leave so as not to disrupt unduly the operations of the City. Employees may choose to use vacation leave hours for this absence, but are not required to do so.

11.27 Bone Marrow/ Organ Donation Leave

Employees working an average of 20 or more hours per week may take paid leave, not to exceed 40 hours, unless agreed to by the City, to undergo medical procedures to donate bone marrow or an organ. The 40 hours is over and above the amount of accrued time the employee has earned.

The City may require a physician's verification of the purpose and length of the leave requested to donate bone marrow or an organ. If there is a medical determination that the employee does not qualify as a bone marrow or organ donor, the paid leave of absence granted to the employee prior to that medical determination is not forfeited.

11.28 Elections / Voting

An employee volunteering to serve as an election judge pursuant to Minnesota law will be allowed time off without pay for purposes of serving as an election judge, provided that the employee gives the City at least twenty (20) days written notice. An employee appointed to serve as an election judge for the purpose of administering a local general election will receive their regular rate of pay.

All employees eligible to vote at a State general election, at an election to fill a vacancy in the office of United States Senator or Representative, or in a Presidential primary, will be allowed time off with pay to vote during the morning of election day. Employees wanting to take advantage of such leave are required to work with their supervisors to avoid coverage issues.

11.29 Regular Leave without Pay

The City Administrator may authorize leave without pay for up to thirty (30) days. Leave without pay for greater periods may be granted by the City Council.

Normally employee benefits will not be earned by an employee while on leave without pay. However, the City's contribution toward health, dental, and life insurance may be continued, if approved by the City Council, for leaves of up to ninety (90) days when the leave is for medical reasons and FMLA has been exhausted.

If an employee is on a regular leave without pay and is not working any hours, the employee will not accrue (or be paid for) holidays, sick leave, or vacation leave. Employees who are working reduced hours while on this type of leave will receive holiday pay on a prorated basis and will accrue sick leave and vacation leave based on actual hours worked.

Leave without pay hours will not count toward seniority and all accrued vacation, sick and compensatory time must be used before an unpaid leave of absence will be approved.

To qualify for leave without pay, an employee need not have used all sick leave earned unless the leave is for medical reasons. Leave without pay for purposes other than medical leave or work-related injuries will be at the convenience of the City.

Employees returning from a leave without pay for a reason other than a qualified Parenting Leave or FMLA, will be guaranteed return to the original position only for absences of thirty (30) calendar days or less.

Employees receiving leave without pay in excess of thirty (30) calendar days, for reasons other than qualified Parenting Leave or FMLA, are not guaranteed return to their original position. If their original position or a position of similar or lesser status is available, it may be offered at the discretion of the City Administrator subject to approval of the City Council.

11.30 Light Duty/Modified Duty Assignment

This policy is to establish guidelines for temporary assignment of work to temporarily disabled employees who are medically unable to perform their regular work duties. Light duty is evaluated by the City Administrator on a case-by-case basis. This policy does not guarantee assignment to light duty.

Such assignments are for short-term, temporary disability-type purposes; assignment of light duty is at the discretion of the City Administrator. The City Administrator reserves the right to determine when and if light duty work will be assigned. The circumstances of each disabled employee performing light duty

work will be reviewed regularly. Any light duty/modified work assignment may be discontinued at any time

If the City offers a light duty assignment to an employee who is out on worker's compensation leave, the employee may be subject to penalties if he/she refuses such work.

It is at the discretion of the City Administrator whether or not to assign light duty work to the employee. This policy is handled on a case-by-case basis. The City may require a medical exam conducted by a physician selected by the City to verify the diagnosis, current treatment, expected length of temporary disability, and work restrictions.

When an employee is unable to perform the essential requirements of his/her job due to a temporary disability, he/she will notify the supervisor in writing as to the nature and extent of the disability and the reason why he/she is unable to perform the essential functions, duties, and requirements of the position. This notice **must** be accompanied by a physician's report containing a diagnosis, current treatment, and any work restrictions related to the temporary disability. The notice must include the expected time frame regarding return to work with no restrictions, meeting all essential requirements and functions of the city's job description along with a written request for light duty. Upon receipt of the written request, the supervisor is to forward a copy of the report to the City Administrator. The City may require a medical exam conducted by a physician selected by the City to verify the diagnosis, current treatment, expected length of temporary disability, and work restrictions.

SECTION 12. SEPARATION FROM SERVICE

12.1 Resignation or Retirement

Non-exempt employees wishing to leave the City service in "good standing" must provide a written resignation notice to their supervisor, at least fourteen (14) calendar days before leaving and fulfilling the regular scheduled hours. Exempt employees must give thirty (30) calendar days written notice, unless otherwise stated in their contract.

Employees leaving the city in "good standing" will receive 100 percent of their vacation leave balance as compensation (applicable taxes will be withheld). Employees have the option of directing those dollars into a 457 deferred compensation plan (subject to IRS maximum deferral regulations and Minnesota law).

Unauthorized absences from work for a period of three (3) consecutive work days may be considered as resignation without proper notice.

The written resignation must state the effective date of the employee's resignation. Failure to comply with this procedure may be cause for denying the employee's severance pay and any future employment with the City. Employees who are terminated by the City will not qualify for vacation or sick leave payouts.

12.2 Severance Pay-outs

Employees who leave the City in "good standing" will receive pay for:

- All unused accrued vacation leave
- Employee who has five (5) years of consecutive employment will be reimbursed for unused sick days to a maximum of four hundred eighty (480) accumulated hours at the rate of one-half (1/2) of the employee's hourly rate plus the current year accrual.
- Non-exempt employees will receive all unused accrued compensatory time.
- Exempt employees will not receive any unused accrued compensatory time.

- Exempt employees will receive severance pay per their employment contract if applicable.
- * For employees covered by a Collective Bargaining Agreement other severance options may be applicable.

Employees who do not leave in "good standing" will only receive pay for:

- Non-exempt employees will receive all unused accrued compensatory time only.

SECTION 13. DISCIPLINE

13.1 General Policy

All Employees are responsible for maintaining compliance with City standards of employee conduct. The objective of this policy is to establish a standard disciplinary process for employees of the City of Isanti. City employees will be subject to disciplinary action for failure to fulfill their duties and responsibilities at the level required, including observance of work rules and standards of conduct and applicable City policies.

Discipline will be administered in a non-discriminatory manner. An employee who believes that discipline applied was either unjust or disproportionate to the offense committed may pursue a remedy through Human Resources. City Administrator/designee will investigate any allegation on which disciplinary action might be based before any disciplinary action is taken.

13.2 No Contract Language Established

This policy is not to be construed as contractual terms and is intended to serve only as a guide for employment discipline.

13.3 Process

The City may elect, but shall not be required, to use progressive discipline with any employee. There may be circumstances that warrant deviation from the suggested order or where progressive discipline is not appropriate. Nothing in these personnel policies implies that any City employee has a right or guarantee to the job he/she performs.

Documentation of disciplinary action taken will be placed in the employee's personnel file with a copy provided to the employee.

The following are descriptions of the types of disciplinary actions:

13.4 Oral Reprimand

This measure will be used when informal discussions between the employee's supervisor or Department Head and the employee have not resolved a matter. All Department Heads have the ability to issue oral reprimands without prior approval.

Oral reprimands are normally given for first infractions on minor offenses to clarify expectations and put the employee on notice that the performance or behavior needs to change, and what the change must entail. The Department Head will document the discussion including date(s) and a summary of discussion and corrective action needed. Human Resources will place this summary in the employee's personnel file.

13.5 Written Reprimand

A written reprimand is more serious and may follow an oral reprimand when the problem is not corrected or the behavior has not consistently improved in a reasonable period of time. Serious infractions may require skipping either the oral or written reprimand, or both. Written reprimands are issued by the Department Head with prior approval from the City Administrator/designee.

A written reprimand will: (1) state what did happen; (2) state what should have happened; (3) identify the policy, directive or performance expectation that was not followed; (4) provide history, if any, on the issue; (5) state any goals, including timetables, and expectations for the future; and (6) indicate consequences of recurrence.

Employees will be given a copy of the reprimand to sign acknowledging its receipt. Employees' signatures do not mean that they agree with the reprimand. Human Resources will place this in the employee's personnel file.

13.6 Suspension With or Without Pay

The City Administrator may suspend an employee with or without pay for disciplinary reasons. Suspension without pay may be followed with immediate dismissal as deemed appropriate by the City Council, except in the case of veterans. Qualified veterans, who have completed their initial probationary period, will not be suspended without pay in conjunction with a termination.

The employee will be notified in writing of the reason for the suspension either prior to the suspension or shortly thereafter. A copy of the letter of suspension will be placed in the employee's personnel file.

An employee may be suspended or placed on involuntary leave of absence pending an investigation of an allegation involving that employee. The leave may be with or without pay depending on a number of factors including the nature of the allegations. If the allegation is proven false after the investigation, the relevant written documents will be removed from the employee's personnel file and the employee will receive any compensation and benefits due had the suspension not taken place.

13.7 Demotion and/or Transfer

An employee may be demoted or transferred if an attempt at resolving an issue have failed and the City Administrator determines a demotion or transfer to be the best solution to the problem. The employee must be qualified for the position to which they are being demoted or transferred. The City Council must approve this action.

13.8 Dismissal/Termination

The City Administrator, with the approval of the City Council, may dismiss/terminate an employee for substandard work performance, serious misconduct, or behavior not in keeping with City standards.

If the disciplinary action involves the removal of a qualified veteran, who has completed his/her initial probationary period, the appropriate hearing notice will be provided and all rights will be afforded the veteran in accordance with Minnesota law.

13.9 Salary

An employee's salary step increase may be withheld or the salary may be decreased due to performance deficiencies.

13.10 Benefits

Vacation leave and sick leave accruals will not be applied when on unpaid suspension if the unpaid suspension exceeds five (5) working days.

SECTION 14. EMPLOYEE EDUCATION & TRAINING

14.1 Purpose

The City promotes staff development as an essential, ongoing function needed to maintain and improve cost effective quality service to residents. The purposes for staff development are to ensure that employees develop and maintain the knowledge and skills necessary for effective job performance and to provide employees with an opportunity for job enrichment and mobility. The City permits and encourages attendance at various education seminars, conferences, and training sessions as approved and budgeted.

14.2 Policy

The City will pay for the costs of an employee's participation in training and attendance at professional conferences, seminars, and training sessions, provided that attendance is approved in advance and approved by the Department Head and City Administrator under the following criteria and procedures:

14.3 Job-Related Training & Conferences

The subject matter of the training session or conference is directly job-related and relevant to the performance of the employee's work responsibilities. Responsibilities outlined in the job description, annual work program requirements, and training goals and objectives that have been developed for the employee will be considered in determining if the request is job-related.

CLE or similar courses taken by an employee in order to maintain licensing or other professional accreditation will not be eligible for payment under this policy unless specified in an employment contract or the subject matter relates directly to the employee's duties, even though the employee may be required to maintain such licensing or accreditation as a condition of employment with the City.

The Department Head and the City Administrator are responsible for determining job-relatedness and approving or disapproving training and conference attendance.

14.4 Job-Related Meetings

Attendance at regular professional meetings, costing $100 or less, that an employee has an involvement in and are directly related to the performance of the employee's work responsibilities, do not require the approval of the City Administrator or training and travel paperwork. Advance Department Head approval is required to ensure adequate department coverage and budgetary impacts.

14.5 Request for Participation in Training & Conferences

All training/conferences by City employees must be in accordance with the City's adopted budget. Requests for participating in training or conferences must be submitted in writing to the employee's supervisor on the appropriate form. Training and travel requests are required to be signed by the City Administrator, Department Head and Human Resources for approval.

All requests must include an estimate of the total cost (training session, travel, meals, etc.) and a statement of how the education or training is related to the performance of the employee's work responsibilities with the City. All training request forms should be submitted to the City Administrator as early as possible to the departure date.

Registration fees, meals, hotel/motel accommodations, public transportation, and other legitimate expenses are reimbursable as follows:

a. Expenses will be reimbursed for employees only. If spouses or guests attend the training sessions, they may do so at no expense to the City.
b. All registration fees for the training session will be paid by the City, provided that attendance at said sessions was approved and budgeted.
d. Lodging for the night before the commencement of a conference, seminar, or meeting may be requested only if the following criteria are met:
    1. The conference begins that evening or prior to 8:00 a.m. the next day.
e. Lodging for a multiple day conference considered to be within driving distance may be requested if one or more of the following criteria are met:
    1. Scheduled events end at 7 p.m. or later
    2. Following day travel to the event would start before 6 a.m.
f. In the event there are extenuating circumstances where lodging is seen as necessary, but does not fall under the outlined criteria above, those instances will be dealt with on a case-by-case basis by the City Administrator.
g. The registrant must provide itemized receipts for all of the above expenditures and attach them to the expense report form.

All requests must be approved by the Department Head and the City Administrator.

14.6 Out of State Travel

Attendance at training or conferences out of state is approved only if the training or conference is not available locally or if the training/conference is in an employee's employment contract. All requests for out of state travel are reviewed for approval/disapproval by the City Administrator.

14.7 Compensation for Travel & Training Time

Time spent traveling to and from, as well as time spent attending a training session or conference, will be compensated in accordance with the Federal Fair Labor Standards Act.

Travel and other related training expenses will be reimbursed subject to the employee providing necessary itemized receipts and appropriate documentation.

14.8 Travel & Meal Allowance

If employees are required to travel outside of the area in performance of their duties as a City employee, they will receive reimbursement of expenses for meals, lodging, and necessary expenses incurred. In no case will City funds be used to pay for, or reimburse, for events sponsored by or affiliated with political parties. The City will not reimburse employees for meals connected with training or meetings within City limits, unless the training or meeting is held as a breakfast, lunch or dinner meeting. The City will also not reimburse employees for the costs for travel of family members.

City vehicles should be used for travel by City employees. However, if circumstances make it impractical to use a City vehicle, and advance approval is given by the City Administrator prior to attendance, the City of Isanti will reimburse employees for the use of their private vehicles while on official City business at the current rate provided by the IRS mileage limit during the year. An employee approved to use their personal vehicle will not be reimbursed for mileage that the employee would have driven to and from their place of work on the days of training and travel; only those miles in excess of their regular miles that

would have been driven to and from work will be reimbursed. Mileage from the employee's home to city offices in the conduct of employment will not be subject to reimbursement.

City vehicles will only be used for transportation related to the event being attended.

Private vehicle mileage for use unrelated to the event will not be reimbursed.

Reimbursement will not be provided for any meals which are included as part of registration, tuition, or fees unless approved. Itemized receipts are required for meals and must clearly indicate the date. Reimbursement for meals while on authorized travel will include only actual expenditures including tax and 15% tip as outlined:

Individual Meals	$ 10.00 Breakfasts
	$ 15.00 Lunches
	$ 25.00 Dinners

Costs for meals which are a scheduled activity of an authorized conference or meeting which are not included in the registration fee will be fully reimbursed, not to exceed federal guidelines. Costs for alcoholic beverages will not be reimbursed.

14.9 Reimbursement Procedures

All requests for reimbursement will be made on the standard expense report form or claim request form, and will be submitted to the Department Head for approval; the Department Head will forward to the City Administrator or Human Resources for final approval.

Itemized receipts must be attached to the expense report form for any expenses not paid in advance by the City including; registration, lodging, meals, (other legitimate expenses where a receipt is not available, i.e. parking).

No advance reimbursement for an approved training session is permitted. Registration and lodging reservation will be made subject to the employee's travel request form. The Finance Department will process and provide a check made payable to the lodging entity or the City credit card will be used to reserve the lodging.

14.10 Internal Training

The City of Isanti finds it to be in the best public interest to conduct formal and informal internal training sessions as follows:

a. Holding regular staff meetings at the Department Head level and frequent staff meetings at the employee level.
b. Conduct in-service training seminars on such subjects as safety, etc.
c. Meet and confer with elected and appointed personnel of nearby municipalities or other units of government for the purpose of exchanging ideas which are of mutual benefit.

There will be no claims approved for personal expenses incurred under this Section.

14.11 Team/Department Training

The City of Isanti supports team/department training to enhance the cohesiveness and skills/abilities of a department or work team as a whole. Training objectives, costs, location, back-up for any staffing needs and hours away from work for the training of teams/departments must be reviewed by the supervisor for approval. Costs for team/department training must be approved by the City Administrator.

14.12 Memberships and Dues

The purpose of memberships to various professional organizations must be directly related to the betterment of the services of the City. Normally, one City membership per agency, as determined by the City Administrator, is allowed, providing funds are available. Such memberships will be approved by the City Administrator.

Upon separation of employment, individual memberships can and will remain with the City and in that case, are transferred to another employee by the supervisor.

SECTION 15. OUTSIDE EMPLOYMENT

The potential for conflicts of interest is lessened when full time employees at the City of Isanti regard the City as their primary employment responsibility. All outside employment is to be reported to the employee's immediate supervisor. If a potential conflict exists based on this policy or any other consideration, the Department Head will consult with the City Administrator. All outside employment, unless part of an employment contract, must be approved by the City Administrator. A form must be completed by the employee and submitted to the City Administrator. Any City employee accepting employment in an outside position that is determined by the City Administrator to be in conflict with the employee's City job will be required to resign from the outside employment or may be subject to discipline up to and including termination.

For the purpose of this policy, outside employment refers to any non-City employment or consulting work for which an employee receives compensation, except for compensation received in conjunction with military service or holding a political office or an appointment to a government board or commission that is compatible with City employment. The following is to be considered when determining if outside employment is acceptable:

- Outside employment must not interfere with a full-time employee's availability during the City's regular hours of operation or with a part-time employee's regular work schedule.
- Outside employment must not interfere with the employee's ability to fulfill the essential requirements of his/her position.
- The employee must not use City equipment, resources, or staff in the course of the outside employment.
- The employee must not violate any City personnel policies as a result of outside employment.
- The employee must not receive compensation from another individual or employer for services performed during hours for which he/she is also being compensated by the City. Work performed for others while on approved vacation or compensatory time is not a violation of policy unless that work creates the appearance of a conflict of interest.
- No employee will work for another employer, or for his/her own business, while using paid sick leave from the City for those same hours.
- Departments may establish more specific policies as appropriate, subject to the approval of the City Administrator.
- Outside employment opportunities with private or public entities where the employee already serves that entity with specified duties through a Joint Powers Agreement or Service Contract will be reviewed by the City Administer prior to acceptance of the employment opportunity. The review is to ensure that there is no conflict of interest with or use of City time or resources for the employment opportunity. Continued employment by the employee in this capacity will be reviewed by the City Administrator.

City employees are not permitted to accept outside employment that creates either the appearance of or the potential for a conflict with the development, administration or implementation of policies, programs, services or any other operational aspect of the City.

SECTION 16. DRUG FREE WORKPLACE

In accordance with Federal Law, the City of Isanti has adopted the following policy on drugs in the workplace:

a. Employees are expected and required to report to work on time and in appropriate mental and physical condition. It is the City's intent and obligation to provide a drug-free, safe and secure work environment.

b. The unlawful manufacture distribution, possession, or use of a controlled substance on City property or while conducting City business is absolutely prohibited. Violations of this policy will result in disciplinary action, up to and including termination, and may have legal consequences.

c. The City recognizes drug abuse as a potential health, safety, and security problem. Employees needing help in dealing with such problems are encouraged to use their health insurance plan, as appropriate.

c. Employees must, as a condition of employment, abide by the terms of this policy and must report any conviction under a criminal drug statute for violations occurring on or off work premises while conducting City business. A report of the conviction must be made within five (5) days after the conviction as required by the Drug-Free Workplace Act of 1988.

SECTION 17. APPENDIX and POLICIES

- 17.1 City Driving
- 17.2 Computer Use
- 17.3 Cellular Phone Use
- 17.4 Conflict of Interest
- 17.5 Service on Boards and Committees
- 17.6 Employee Recognition
- 17.7 Ethics Policy
- 17.8 Inclement Weather
- 17.9 Personal Appearance and Dress
- 17.10 Political Activity of Employees
- 17.11 Respectful Workplace
- 17.12 Safety
- 17.13 Social Media
- 17.14 Media Relations
- 17.15 FMLA

17.01 CITY DRIVING POLICY

This policy applies to all employees who drive a vehicle on City business. Whether driving a City-owned vehicle or their own personal vehicle the employee is responsible for carrying valid insurance. It also applies to employees who drive less frequently, but whose ability to drive is essential to their job due to

the emergency nature of the job. The City expects all employees who are required to drive as part of their job to drive safely and legally while on City business and to maintain a good driving record.

Employees who lose their driver's license or receive restrictions on their license are required to notify their immediate supervisor on the first work day after any temporary, pending or permanent action is taken on their license and to keep their supervisor informed of any changes thereafter. Employees who chose to drive their own vehicle for City business will not be reimbursed mileage unless prior approval from City Administrator.

City vehicles are equipped with "hands-free" devices to hold cell phones while driving. There are not exceptions to State Laws while operating city vehicles and employees are expected to uphold the law and the consequences associated with any violations.

No City vehicle will be allowed to be driven home by an employee unless deemed appropriate and approved by an employment contract or by the City Administrator which would occur infrequently and be evaluated on a case-by-case basis.

17.02 COMPUTER USE POLICY

General Information

This policy serves to protect the security and integrity of the City's electronic communication and information systems by educating employees about appropriate and safe use of available technology resources.

Computers and related equipment used by City employees are property of the City. The City reserves the right to inspect, without notice, all data, emails, files, settings, or any other aspect of a City-owned computer or related system, including personal information created or maintained by an employee. The City may conduct inspections on an as-needed basis as determined by the City Administrator or designee.

Beyond this policy, the city's System Administrator may distribute information regarding precautions and actions needed to protect City systems; all employees are responsible for reading and following the guidance and directives in these communications.

No Privacy

Users have no expectation of privacy in using the City's electronic communication and information systems. No communication using these systems should be considered private or personal. Since records retention policies may apply to electronic communications, users should assume that even deleted messages are retrievable at a later date.

Personal Use

The City recognizes that some personal use of City-owned computers and related equipment has and will continue to occur. Some controls are necessary, however, to protect the City's equipment and computer network and to prevent abuse of this privilege.

Reasonable, incidental personal use of City computers and software (e.g., word processing, spreadsheets, email, Internet, etc.) is allowed but should never preempt or interfere with work. All use of City computers and software, including personal use, must adhere to provisions in this policy, including the following:

- Employees shall not connect personal peripheral tools or equipment (such as printers, digital cameras, disks, USB drives, or flash cards) to City-owned systems, without prior approval from the System

Administrator. If permission to connect these tools/peripherals is granted, the employee must follow provided directions for protecting the City's computer network.

- Personal files should not be stored on City computer equipment. This also applies to personal media files, including but not limited to mp3 files, wav files, movie files, iTunes files, or any other file created by copying a music CD, DVD, or files from the Internet. City Technology Office staff will delete these types of files if found on the network, computers, or other City-owned equipment. Exceptions would be recordings for which the City has created, owns, purchased, or has a license.
- City equipment or technology shall not be used for personal business interests, for-profit ventures, political activities, or other uses deemed by the City Administrator to be inconsistent with City activities. If there is any question about whether a use is appropriate, it should be forwarded to the City Administrator for a determination.

Hardware
In general, the City will provide the hardware required for an employee to perform his or her job duties. Requests for new or different equipment should be made to your supervisor, who will forward the request to the System Administrator.

The City will not supply laptop computers based solely on the desire of employees to work offsite. A laptop request form will be required for each laptop deployment, and must be signed off by the employee's supervisor and department head. Laptops will only be issued to employees who: travel frequently and require the use of a full computer while traveling; regularly use their laptop offsite; require a laptop for access to special software or systems; and/or have a documented business need for a laptop.

Only City staff may use City computer equipment. Use of City equipment by family members, friends, or others is strictly prohibited.

Employees are responsible for the proper use and care of City-owned computer equipment. City computer equipment must be secured while off City premises; do not leave computer equipment in an unlocked vehicle or unattended at any offsite facility. Computer equipment should not be exposed to extreme temperature or humidity. If a computer is exposed to extreme heat, cold, or humidity, it should be allowed to achieve normal room temperature and humidity before being turned on.

Software
In general, the City will provide the software required for an employee to perform his or her job duties. Requests for new or different software should be made to your supervisor, who will forward the request to the System Administrator.

Employees shall not download or install any software on their computer without the prior approval of the System Administrator. Exceptions to this include updates to software approved by Information Technology such as Microsoft updates, or other productivity software updates. The System Administrator may, without notice, remove any unauthorized programs or software, equipment, downloads, or other resources.

Electronic Mail: The City provides employees with an email address for work-related use. Some personal use of the City email system by employees is allowed, provided it does not interfere with an employee's work and is consistent with all City policies.

Employee emails (including those that are personal in nature) may be considered public data for both e-discovery and information requests and may not be protected by privacy laws. Email may also be monitored as directed by the City authorized staff and without notice to the employee.

Employees must adhere to these email guidelines:

- Never transmit an email that you would not want your supervisor, other employees, members, city officials, or the media to read or publish (e.g., avoid gossip, personal information, swearing, etc.).
- Use caution or avoid corresponding by email on confidential communications (e.g., letters of reprimand, correspondence with attorneys, medical information).
- Do not open email attachments or links from an unknown sender. Delete junk or "spam" email without opening it if possible. Do not respond to unknown senders.
- Do not use harassing language (including sexually harassing language) or any other remarks, including insensitive language or derogatory, offensive, or insulting comments or jokes.

Electronic Calendars: A shared calendar environment is provided as part of the City's email software program. All employees are required to keep their electronic calendar up to date and, at a minimum, must grant all staff the ability to view their calendar.

Instant Messaging: Due to data retention concerns, Instant Messaging (IM) is only allowed for transitory discussions and should be deleted after use. The City only allows IM via (insert designated product here). Employees are not allowed to use IM as a mechanism for personal communication through the City's computer network or when using City equipment, and are not allowed to download or install any other IM software package on their City computer.

Personal Devices: Employees may choose to use their own equipment to read or compose email or other City data as governed in this policy. Employees understand that by connecting their personal equipment to the City's email server, their personal devices could be searched during an e-discovery or other court-ordered scenarios, and agree to grant access to their personal devices should such a situation arise.

Security

Passwords: Employees are responsible for maintaining computer/network passwords and must adhere to these guidelines:

- Passwords must be at least eight characters long and include at least three of the following: lowercase character; uppercase character; and a number or non-alpha-numeric character (e.g., *, &, %, etc.). (Example: J0yfu11y!) Password requirements may be changed as necessary, as determined by the System Administrator.
- Passwords should not be shared or told to other staff. If it is necessary to access an employee's computer when he or she is absent, contact your supervisor or the System Administrator; The System Administrator will not provide access to staff accounts without approval of the City Administrator.
- Passwords should not be stored in any location on or near the computer, or stored electronically such as in a cell phone or other mobile device.
- Employees must change passwords every 60 days when prompted, or on another schedule as determined by the System Administrator.

Network access: Non-City-owned computer equipment used in the City's building should only use the wireless connection to the Internet. Under no circumstances should any non-City-owned equipment be connected to the City's computer network via a network cable. Exceptions may be granted by the System Administrator.

Personal computer equipment may not be connected to the City's network without prior approval of the System Administrator. Personal equipment may be subject to password requirements or other electronic security measures as determined by the System Administrator.

Remote Access to the Network: Examples of remote access include, but are not limited to: Outlook Web Access (web mail), virtual private network (VPN), Windows Remote Desktop, and Windows Terminal Server connections. While connected to City computer resources remotely, all aspects of the City's Computer Use Policy will apply, including the following:

- Remote access to the City's network requires a request from a supervisor and approval from the System Administrator. Remote access privileges may be revoked at any time by an employee's supervisor.
- If remote access is from a non-City-owned computer, updated anti-virus software must be installed and operational on the computer equipment, and all critical operating system updates must be installed prior to connecting to the City network remotely. Failure to comply could result in the termination of remote access privileges.
- Recreational use of remote connections to the City's network is strictly forbidden. An example of this would be a family member utilizing the City's cellular connection to visit websites.
- Private or confidential data should not be transmitted over an unsecured wireless connection. Wireless connections are not secure and could pose a security risk if used to transmit City passwords or private data while connecting to City resources. Wireless connections include those over cellular networks and wireless access points, regardless of the technology used to connect.

Internet

The following considerations apply to all uses of the Internet:

- Information found on the Internet and used for City work must be verified to be accurate and factually correct.
- Reasonable personal use of the Internet is permitted. Employees may not at any time access inappropriate sites. Some examples of inappropriate sites include but are not limited to adult entertainment, sexually explicit material, or material advocating intolerance of other people, races, or religions. If you are unsure whether a site may include inappropriate information, you should not visit it.
- If an employee's use of the Internet is compromising the integrity of the City's network, City Technology Office staff may temporarily restrict that employee's access to the Internet. If City Technology Office staff does restrict access, they will notify the employee, HR, and the employee's manager as soon as possible, and work with the employee and manager to rectify the situation.
- The City may monitor or restrict any employee's use of the Internet without prior notice, as deemed appropriate by the employee's Department Head.

Responsibility for Information User

City authorized users should logout of computer terminals or systems if they are going to leave the computer terminal or system unattended. City employees should be alert about their computer or terminal status and take care that unauthorized individuals cannot read or modify data through a valid system login or session. When a user prints sensitive, proprietary or otherwise controlled information, that user should retrieve the printed material in a timely manner to ensure that it is not available for unauthorized use. City employees should not make extra copies of any City or client information beyond what is required to perform official duties.

Reporting Problems (and Maintenance of Confidentiality)

If a City employee has knowledge of, or suspicion of a compromise or attempted compromise of City of Isanti information systems, or access controls, that employee is expected to report that knowledge or suspicion immediately upon becoming aware of the potential security problem to their supervisor or to the System Administrator.

Data Retention
Electronic data should be stored and retained in accordance with the City's records retention schedule.

Storing and Transferring Files: If you are unsure whether an email or other file is a government record for purposes of records retention laws or whether it is considered protected or private, check with your supervisor. If you are unsure how to create an appropriate file structure for saving and storing electronic information, contact the System Administrator.

Employees must adhere to these guidelines when transferring and storing electronic files:

- All electronic files must be stored on identified network drives and folder locations. The City will not back up documents stored on local computer hard drives, and holds no responsibility for recovery of documents on local computer hard drives should they fail. Files may be temporarily stored on a laptop hard drive when an employee is traveling/offsite; however, the files should be copied to network as soon as possible.
- Electronic files, including emails and business-related materials created on an employee's home or personal computer for City business, must be transferred to and stored in designated locations on the City's network. City-related files should not be stored on an employee's personal computer, unless otherwise defined in this policy.
- All removable storage media (e.g., CD-ROM, flash or USB drive, or other storage media) must be verified to be virus-free before being connected to City equipment.
- Email that constitutes an official record of City business must be kept in accordance with all records retention requirements for the department and should be copied to the network for storage.
- Email that is simple correspondence and not an official record of City business should be deleted (from both the "Inbox" and the "Deleted" box) as soon as possible and should not be retained by employees for more than three months. The City will not retain emails longer than one year on the network or in network back-ups.
- Electronic files or emails that may be classified as protected or private information should be stored in a location on the City's network that is properly secured.
- Any files considered private or confidential should not be stored anywhere other than the City's network. If there is a need to take confidential information offsite, it must be stored on encrypted media; the System Administrator can assist in the encryption of media.

17.03 CELLULAR PHONE USE POLICY

This policy is intended to define acceptable and unacceptable uses of cellular telephones. Its application is to ensure that cellular phone usage is consistent with the best interests of the City without unnecessary restriction of employees in the conduct of their duties. This policy will be implemented to prevent the improper use or abuse of cellular phones and to ensure that City employees exercise the highest standards of propriety in their use.

General Policy
Cellular telephones are intended for the use of City employees in the conduct of their work for the City. Supervisors are responsible for the cellular telephones assigned to their employees and will exercise discretion in their use. Nothing in this policy will limit supervisor discretion to allow reasonable and prudent personal use of such telephones or equipment provided that:

- Its use in no way limits the conduct of work of the employee or other employees.
- No personal profit is gained or outside employment is served.
- All employees are expected to follow applicable local, state, and federal laws and regulations regarding the use of cellular phones at all times. Employees whose job responsibilities include regular or occasional driving and who are issued a cellphone for business use are expected to

refrain from using their phone while driving. Safety must come before all other concerns. Regardless of the circumstances and in accordance with Minnesota law, employees are required to use hands-free operations or pull off into a parking lot and safety stop the vehicle before placing or accepting a call. Employees are encouraged to refrain from discussion of complicated or emotional matters and to keep their eyes on the road while driving at all times. Special care should be taken in situations where there is traffic or inclement weather, or the employee is driving in an unfamiliar area. Hands-free equipment will be provided with City-issued phones to facilitate the provisions of this policy.

- Reading/sending text messages, making or receiving phone calls, emailing, video calling, scrolling/typing, accessing a webpage, or using non-navigation applications while driving is strictly prohibited.
  In accordance with State law, there is an exception to hands free cellphone operations to obtain emergency assistance to report a traffic accident, medical emergency, or serious traffic hazard or prevent a crime from being committed. There is also a State law exception for authorized emergency vehicles while in the performance of official duties.
- Employees who are charged with traffic violations resulting from the use of their phone while driving will be solely responsible for all liabilities that result from such actions. See above "City Driving Policy" for more information on reporting driver's license restrictions.

Supervisors may also prohibit employees from carrying their own personal cell phones during working hours if it interferes with the performance of their job duties. City issued cellular phones are property of the City and can be removed at any time. City phones are not intended to be a supplement to personal phones as employees should only use them for City business.

Personal calls and text messaging will be made or received only when absolutely necessary. Such calls/messaging must not interfere with working operations and are to be completed as quickly as possible. Excessive or inappropriate use of cellular phones while an employee is working may result in discipline or a request for the employee to remove the phone from their work area by the Supervisor.

Responsibility
The City Administrator/designee, will have primary responsibility for implementation and coordination of this policy. All Department Heads will be responsible for enforcement within their departments.

All cell phones must be left at the work place at the end of the employees shift with the following exceptions:

a. The employee is 'on-call'.

b. The employee has been authorized or directed by his/her Supervisor the cell phone may be taken home.

Cell phones provided to employees remain the property of the City and must be returned to the City upon termination of employment in order for the employee to be considered to be terminating employment in good standing.

Violations of this policy may result in disciplinary action as provided within the Personnel Policy and/or Labor Contract.

Also see Computer Use Policy and City Driving Policy

17.04 CONFLICT OF INTEREST POLICY

Purpose
The City Council of the City of Isanti confirms its determination that ethical standards by the employees of the City (Public Officials) are essential to the proper conduct of City affairs. By eliminating conflicts of interest and providing a guide for conduct in City matters, the City Council strives to promote the faith and confidence of the citizens of the City in their government. The following standards of conduct are intended to serve as a guideline for Public Officials in carrying out their responsibilities. This Policy is in addition to any statutory requirements, Attorney General opinions or court rulings, which prescribe allowable actions for Public Officials.

Definition
Public Officials will be defined as follows:

- All employees of the City of Isanti
- Police Reserves

Standards of Conduct

1. Public Officials:
    a. Must not use their positions to secure special privileges or exemptions for themselves or others to intentionally jeopardize the position of employment of others;
    b. Must not engage in, solicit, negotiate for, or promise to accept private employment nor will they render services for private interests or conduct a private business when such employment, service, or business creates a conflict with or impairs the proper discharge of their official duties;
    c. Must not participate in deliberations in any matter before the Council, Board or Commission, which affects that Public Official's, Public Official's spouse or minor child's financial interests directly or indirectly or those of a business, profession or occupation with which the Public Official is associated. Whenever such conflict is recognized, the affected Public Officials must disclose in writing such interest prior to any discussion or vote and disqualify themselves from any further involvement pertaining to the issue;
    d. Must not act as agent or attorney for another in any matter before the Council or any Board or Commission or before any court or administrative board in any matter in which the City is a party;
    e. Must not directly or indirectly receive, or agree to receive, any compensation, gift or reward or gratuity as an inducement to support or influence any matter or proceeding connected with, or related to, the duties of the office; The following types of gifts are permitted under exceptions to the law:
        1. Lawful campaign contributions.
        2. Services to assist an official in the performance of official duties.
        3. Services of insignificant monetary value.
        4. A plaque or similar item.
        5. A trinket or item of insignificant monetary value.
        6. Informational material of unexceptional value.
        7. Food or beverage given at a reception, meal, or meeting by an organization before whom the recipient makes a speech or answers questions as part of a program (this exception is only available if the location of the reception, meal, or meeting is away from the recipient's place of work).
        8. Gifts given because of the recipient's membership in a group.
        9. Gifts between family members.
    f. Must not participate in drawings or raffles at events, conferences, or seminars while attending as a City employee where financial participation is required.

g. Must not disclose to others or use to further their personal interest confidential information acquired by them in the course of their official duties.

2. Any Public Official who is an officer, director, partner, agent, proprietor or employee of any firm or has a proprietary interest of 10 percent (10%) or more in any company, business, enterprise or corporation, partnership, labor union or association doing business with the City will make known that interest in writing as provided in the disclosure section of this Policy.
3. No Public Official nor business entity that the Public Official has a financial interest in, in excess of 10 percent (10%), will enter into any contract with the City unless otherwise authorized by law.
4. Public Officials must disclose to the governing body any relationship to another person or entity in any instance where there is a conflict of interest or could be the appearance of a conflict of interest.
5. Public Officials will not have a personal financial interest in any sales, lease, or contract that they are authorized to make in their official capacities.
6. A Public Official will not hold two positions if the positions' functions are incompatible with one another.

Disclosures

Public Officials, elected or appointed, must, no later than thirty (30) days following election or appointment to office and each year thereafter by February 1, complete the Disclosure Form and return it to the City Clerk. All subsequent applicants for appointment on Boards and Commissions will file a completed Disclosure Form together with the application form. Within thirty (30) days after the acquisition or sale of any property, each Public Official will file as a public record with the City Administrator, a list of all real property in the City owned by such person, that person's spouse, or minor child, or in which the Public Official has a beneficial interest, disclosing each individual item held, and by whom. Homestead will be excluded from the above disclosure. Each Public Official must disclose all positions as officer, director, partner, agent, proprietor or employee of any firm in which such Public Official has a proprietary interest of ten percent (10%) or more in any company, business, enterprise, corporation, partnership, labor union or association doing business with the City, and indicate with respect to each such relationship whether services are gratuitous or for compensation.

Disclosure Form

The disclosure information required by this Policy will be set forth on a form made available by the City Clerk or designee.

Discipline

Upon a signed written complaint of any person questioning adherence to this Policy or on the Council's own volition, the Council will refer the matter to the City Attorney for investigation and the City Attorney will report the results of the investigation to the Council within forty-five (45) days thereafter. A copy of such report will be furnished to the person complained against. Such person may request a hearing on this matter before the Council which request will be filed with the City Administrator not later than ten (10) days following receipt by such person of the City Attorney's report.

Upon receipt of the City Attorney's report and at the conclusion of any hearing on the matter, the Council by majority vote may dismiss the complaint as having no merit, may adopt a resolution of censure, or with respect to members of Boards and Commissions, the Council may remove a member from such Board or Commission. In the event the complaint is against a member of the Council, such member will not participate in the Council's deliberations or vote on the issue.

Violations

Any Public Official who violates the Conflict-of-Interest Law can be found guilty of a gross misdemeanor, be fined up to $3,000, and imprisoned for up to one year. Any contract that has been made illegally is void.

17.05 SERVICE ON BOARDS AND COMMITTEES

Employees that desire to serve on the Boards or Committees of Professional or other Organizations of which the City and/or the employee is a member, where their service is or may reasonably be perceived to represent the City of Isanti, will receive approval for such service by the City Council prior to committing to serve in any such capacity.

No employee, nor any employee's immediate family member, will receive any salary, per diem, compensation, or item of substantial value from their service other than the following:

1) Reasonable reimbursement for their personal expenses for such service. This includes meals, lodging and mileage for attending Board or Committee events.

2) Scholarships for seminars, short courses or educational benefits the employee could receive that would benefit the City of Isanti, as prior approved by the City Council.

17.06 EMPLOYEE RECOGNITION POLICY

Employee Service Credit Recognition
Employees who have obtained service credit for five (5), ten (10), fifteen (15), twenty (20), and additional year in increments of five will be recognized by receiving a 'Certificate of Recognition' at the last regular City Council meeting of the given year.

Employee Resignation or Retirement
Employee recognition for meritorious service to the City of Isanti will be given to full time employees in good standing that have completed three (3) or more years of service. Recognition will be given at the time that employment with the City has ended. Recognition will be presented a recognition plaque by the Mayor at a regular City Council meeting, closest to the date that the employee's service to the City has ended.

17.07 ETHICS POLICY – Non-Retaliation

Purpose
The City of Isanti conducts its business fairly, impartially, in an ethical and proper manner, and in compliance with all laws and regulations.

1. The City of Isanti is committed to conducting its governmental business with integrity underlying all relationships, including those with citizens, customers, suppliers and communities, and among employees. The highest standards of ethical business conduct are required of the City of Isanti employees in performance of their responsibilities. Employees will not engage in conduct or activity that may raise questions as to the City's honesty, impartiality or reputation or otherwise cause embarrassment to the City. Employees will avoid any action, whether or not specifically prohibited in the personnel policies, which might result in or reasonably be expected to create an appearance of:
    - Using public office or public position for private gain.
    - Giving preferential treatment to any person or entity.
    - Losing impartiality.

• Adversely affecting the confidence of the public in the integrity of the City.

2. Every employee has the responsibility to ask questions, seek guidance, report suspected violations and express concerns regarding compliance with this policy. The City of Isanti will not tolerate retaliation against any employee who in good faith reports or provides information about an incident of alleged harassment in the workplace. If you believe you or someone else has been retaliated against, you must report it as soon as possible to one of the following:
    - Your Supervisor or the Department Head
    - To Human Resources
    - The City Administrator

The Human Resource Department will serve as the contact for employees that have concerns or questions regarding this policy.

17.08 INCLEMENT WEATHER PROCEDURE

Policy
Minnesota is known for extreme changes in weather conditions. Our primary concern is of the safety of all employees and the public should the weather turn dangerous.

In the event of severe weather, the following steps should be taken:

Tornado Watch
1. A **watch** means that conditions are present for severe weather, such as a tornado to occur.
2. Continue normal routine; be alert for changing weather conditions, tune into commercial radio or television for updates.

Tornado Warning
1. A **warning** means a funnel cloud has been spotted, or a tornado has touched the ground, or winds in excess of 70 mph have been recorded. Outdoor sirens may be sounded.
2. Updated information will be provided by WCCO 830 AM radio and the public safety communications network.

Tornado Warning General Procedures
1. Notify Department Heads.
2. Conduct sweeps of assigned areas and take shelter. Direct other employees and escort visitors to take shelter in the same manner.
3. The Department Head/designee will take roll call of staff. If employees are unaccounted for, the Department Head/designee will notify the City Administrator/designee.

Employees will remain at the recommended shelter area until permission is granted by the Department Head/designee to return to work or be released for the rest of the day. Any employee leaving without prior authorization will be subject to disciplinary action.

Department Procedures
City Hall
- If possible, the front receptionist window should be closed.
- All doors should be locked and all personnel and the public should be directed to the safest location of the building. (Employee Restrooms)

Police Department

- If possible, the front receptionist window should be closed.
- All doors should be locked and all personnel and the public should be directed to the safest location of the building. (Restrooms)

Public Works

- All doors should be locked and all personnel and the public should be directed to the safest location of the building. (Restrooms)

Liquor Store

- If possible, registers should be logged off.
- All doors should be locked and all personnel and the public should be directed to the safest location of the building. (Restrooms)

Closing of City Hall: Blizzard Conditions

1. Only the following people are authorized to direct the closing of City Hall in the event of severe winter weather conditions.
    a. Mayor
    b. City Administrator
2. The City Administrator/designee will notify City Hall staff directly and inform them of the procedures to be taken.
3. Document time and reason of closure.
4. Follow through with regular closing procedures before exiting the building.

Closing of Liquor Store

1. Only the following people are authorized to direct the closing of a store in the event of severe winter weather conditions.
    a. Mayor
    b. City Administrator
2. The Liquor Store Manager will notify the store directly and inform them of the procedures to be taken. In the event that the Store Manager is unavailable, it is then the responsibility of the immediate Store Supervisor to provide directions for the store closure.
3. Document time and reason of closure on an incident report form.
4. Follow through with regular closing procedures before exiting the building.

When it is necessary to close operations due to adverse weather conditions, employees will not be paid for the hours closed unless payment is approved at the discretion of the City Administrator. Employees may use accrued vacation or compensatory time to make up for any lost time.

In extreme emergency situations, the City Administrator may authorize staff to stay at a local lodging establishment paid for by the City if requested by the City Administrator to ensure safety and order. Examples include natural disasters, blizzards, train derailment, etc.

17.09 PERSONAL APPEARANCE AND DRESS POLICY

It is the policy of the City that each employee's dress, grooming, and personal hygiene should be appropriate to the work situation.

The City places a high priority on appearance and dress in the workplace and the image we project to our customers. The dress and appearance of City employees is a direct reflection on the professionalism of

our services. City employees meet with the public everyday as part of the regular workday. A neat, well-groomed employee will present a positive image of the City and demonstrate the pride of our City employees.

The City hereby adopts "casual business wear" as the dress standard for office staff for Monday through Thursday and permits employees to "dress down" on Fridays. Listed below is a general overview of acceptable casual business wear as well as listing of some of the more common items that are not appropriate for office attire. Neither group is intended to be all-inclusive.

- Casual business wear options for men include: sport coats/blazers, dress slacks, khakis, dress shirts, sport shirts, knit shirts, vests, sweaters, and dress shoes. Socks are mandatory. Shirttails are to be tucked in at all times.

- Casual business wear options for women include: sport coats/blazers, dress slacks, khakis, dresses, skirts less than 3" above the knee, blouses, sport shirts, knit shirts, vests, sweaters, dress shoes, and dress sandals.

Employees are expected to present a neat appearance and are not permitted to wear clothing overly worn, faded, in disrepair or unkempt clothing, athletic wear, or similarly inappropriate clothing. Additional inappropriate clothing are jeans of any color, overalls, spandex or form-fitting, sweatpants, sweatshirts, jogging/warm-up suits, leisure pants, shorts more than 3" above the knee, tank or halter tops, T-shirts, and shirts with inappropriate slogans, sundresses without jackets, athletic shoes, sneakers, or slippers.

- Friday's dress code permits jeans (with the exception of those with faded, holes, frays, tattered/torn, etc.) and tennis shoes. Approved T-shirts and Sweatshirts (those that do not have inappropriate slogans). All attire must be in good form and appearance.

The City recognizes that special job assignments or special duties of a particular job may require an employee to wear non-business casual clothing. Approval must be received from your department head for non-business casual clothing.

Uniforms are provided to some City employees. Uniforms bearing City identification should not be worn during off-duty hours. Uniforms must be worn while at work unless an exception is made by the supervisor.

Certain employees may be required to meet special dress, grooming, and hygiene standards, such as wearing uniforms or business attire depending on the nature of their job. Employees who are expected to have contact with customers, prospects, and the public must dress appropriately. Clothes should be clean, pressed, and properly fitting. Hair should be clean, combed and neatly trimmed or arranged. Shaggy, unkempt hair is not permissible. Sideburns, moustaches, and beards should be neatly trimmed. Employees should use perfume or cologne sparingly or not at all, many individuals are sensitive to the various scents.

The City of Isanti reserves the right to ask employees to dress appropriately. If a supervisor has a concern regarding personal appearance, he/she will discuss the concern with the employee. The supervisor should address repeated violations, and may issue a verbal or written warning. Further, a supervisor can ask an employee to leave the workplace without pay until suitably attired.

Employees should be aware that poor hygiene could disrupt the work of other employees. Supervisors will address these problems in private with the employee.

17.10 POLITICAL ACTIVITIES OF EMPLOYEES

Purpose
The purpose of this policy is to establish guidelines and procedure relating to political activities of city employees.

This policy will apply to Employees of the City of Isanti.

a. During working hours, no employee will engage in any form of political activity, nor can any political activity impair an employee's effectiveness in his/her position.
b. Outside of working hours, an employee may belong to a political party and engage in activities associated with this affiliation, be a member of an established organization or political club and may attend political meetings and enjoy complete freedom in voting, and may seek election or appointment to public office.
c. If an employee is elected or appointed to a City of Isanti public office, the employee must resign his/her position with the City.
d. Bumper stickers and posters may be displayed on private vehicles parked in employee parking areas, however, these materials may not otherwise be displayed on City property including but not limited to city vehicles wherever located.
e. No employee will use his/her position to gain benefit and/or seek favors from an elected official.

17.11 RESPECTFUL WORKPLACE POLICY

The intent of this policy is to provide general guidelines about the conduct that is and is not appropriate in the workplace. The City acknowledges that this policy cannot possibly predict all situations that might arise, and also recognizes that some employees are exposed to disrespectful behavior, and even violence, by the very nature of their jobs.

Applicability
Maintaining a respectful work environment is a shared responsibility. This policy is applicable to all City personnel including regular and temporary employees, volunteers, firefighters, members of boards and commissions, and City Council members.

Abusive Customer Behavior
While the City has a strong commitment to customer service, the City does not expect that employees accept verbal abuse from any customer. An employee may request that a supervisor intervene when a customer is abusive, or they may defuse the situation themselves, including professionally ending the contact.

If there is a concern over the possibility of physical violence, the individual should use his/her discretion to call 911, and as soon as feasible, a supervisor. Employees should leave the area immediately when violence is imminent unless their duties require them to remain (such as police officers). Employees must notify their supervisor about the incident as soon as possible.

Types of Disrespectful Behavior
The following types of are unacceptable and therefore prohibited, even if not unlawful in and of themselves:

Violent behavior includes the use of physical force, harassment, bullying, or intimidation.

Discriminatory behavior includes inappropriate remarks about or conduct related to a person's race, color, creed, religion, national origin, disability, sex, pregnancy, gender-biased statements, such as stereotypes about women or men, marital status, age, sexual orientation, familial status, or status with regard to public assistance.

Offensive behavior may include such actions as: rudeness, gossip, slander, angry outbursts, inappropriate humor/topics, vulgar obscenities, name calling, disrespectful language, or any other behavior regarded as offensive to a reasonable person based upon violent or discriminatory behavior as listed above. It is not possible to anticipate in this policy every example of offensive behavior. Accordingly, employees are encouraged to discuss with their fellow employees and supervisor what is regarded as offensive, taking into account the sensibilities of employees and the possibility of public reaction. Although the standard for how employees treat each other and the general public will be the same throughout the City, there may be differences between work groups about what is appropriate in other circumstances unique to a work group. If an employee is unsure whether a particular behavior is appropriate, the employee should request clarification from their Supervisor or the City Administrator.

Sexual harassment can consist of a wide range of unwanted and unwelcome sexually directed behavior such as unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when:

a. Submitting to the conduct is made either explicitly or implicitly a term or condition of an individual's employment; or
b. Submitting to or rejecting the conduct is used as the basis for an employment decision affecting an individual's employment; or
c. Such conduct has the purpose or result of unreasonably interfering with an individual's work performance or creating an intimidating, hostile or offensive work environment.

Sexual harassment includes, but is not limited to, the following:

a. Unwelcome or unwanted sexual advances. This means stalking, patting, pinching, brushing up against, hugging, cornering, kissing, fondling or any other similar physical contact considered unacceptable by another individual.
b. Verbal or written abuse, kidding, or comments that are sexually-oriented and considered unacceptable by another individual. This includes comments about an individual's body or appearance where such comments go beyond mere courtesy, telling "dirty jokes" or any other tasteless, sexually oriented comments, innuendos or actions that offend others. The harassment policy applies to social media posts, tweets, etc. that are about or may be seen by employees, customers, etc.
c. Requests or demands for sexual favors. This includes subtle or obvious expectations, pressures, or requests for any type of sexual favor, along with an implied or specific promise of favorable treatment (or negative consequence) concerning one's current or future job.

Employee Response to Disrespectful Workplace Behavior

All employees should feel comfortable calling their supervisor or another manager to request assistance should they not feel comfortable with a situation. If situations involve violent behavior call the police or ask the individual to leave the area.

If employees see or overhear a violation of this policy, employees should advise a supervisor, the City Administrator, or the City Attorney promptly.

Employees who believe that disrespectful behavior is occurring are encouraged to deal with the situation in one of the ways listed below. If there is a concern about the possibility of violence the individual should use his/her discretion to call 911, and as soon as feasible, a supervisor.

Step 1(a). If you feel comfortable doing so, professionally, but firmly, tell whoever is engaging in the disrespectful behavior how you feel about their actions. Politely request the person to stop the behavior because you feel intimidated, offended, or uncomfortable. If practical, bring a witness with you for this discussion.

Step 1(b). If you fear adverse consequences could result from telling the offender or if the matter is not resolved by direct contact, go to your supervisor or City Administrator. The person to whom you speak is responsible for documenting the issues and for giving you a status report on the.

In some situations, with an offender from the public it is preferable to avoid one-on-one interactions. Talk to your supervisor about available options to ensure there are others available to help with transactions with the offender.

Step 1(c). The City urges conduct which is viewed as offensive be reported immediately to allow for corrective action to be taken through education and immediate counseling, if appropriate. It is vitally important you notify a supervisor, the City Administrator, the Mayor, or a Councilmember promptly of your concerns. Any employee who observes sexual harassment or discriminatory behavior, or receives any reliable information about such conduct, must report it within two business days to a supervisor or the City Administrator.

Step 2. If, after what is considered to be a reasonable length of time (for example, 30 days), you believe inadequate action is being taken to resolve your complaint/concern, the next step is to report the incident to the City Administrator or the Mayor.

Supervisor's Response to Allegations of Disrespectful Workplace Behavior
Employees who have a complaint of disrespectful workplace behavior will be taken seriously.

In the case of sexual harassment or discriminatory behavior, a supervisor must report the allegations within two business days to the City Administrator, who will determine whether an investigation is warranted. A supervisor must act upon such a report even if requested otherwise by the victim. In situations other than sexual harassment and discriminatory behavior, supervisors will use the following guidelines when an allegation is reported:

Step 1(a). If the nature of the allegations and the wishes of the victim warrant a simple intervention, the supervisor may choose to handle the matter informally. The supervisor may conduct a coaching session with the offender, explaining the impact of his/her actions and requiring that the conduct not reoccur. This approach is particularly appropriate when there is some ambiguity about whether the conduct was disrespectful.

Step 1(b). Supervisors, when talking with the reporting employee, will be encouraged to ask them what he or she wants to happen next. When an employee comes forward with a disrespectful workplace complaint, it is important to note the City cannot promise complete confidentiality, due to the need to investigate the issue properly. However, any investigation process will be handled as confidentially as practical and related information will only be shared on a need-to-know basis and in accordance with the Minnesota Government Data Practices Act.

Step 2**.** If a formal investigation is warranted, the individual alleging a violation of this policy will be interviewed to discuss the nature of the allegations. The investigator will obtain the following description of the incident, including date, time and place:

- Corroborating evidence.
- A list of witnesses.
- Identification of the offender.

Step 3**.** The Department Head must notify the City Administrator about the allegations (assuming the allegations do not involve the City Administrator).

Step 4**.** In most cases, as soon as practical after receiving the written or verbal complaint, the alleged policy violator will be informed of the allegations, and the alleged violator will have the opportunity to answer questions and respond to the allegations. The City will follow any other applicable policies or laws in the investigatory process.

Step 5**.** After adequate investigation and consultation with the appropriate person(s), a decision will be made regarding whether or not disciplinary action will be taken.

Step 6**.** The alleged violator and complainant will be advised of the findings and conclusions as soon as practicable and to the extent permitted by the Minnesota Government Data Practices Act.

Special Reporting Requirements
When the supervisor is perceived to be the cause of a disrespectful workplace behavior incident, a report will be made to the City Administrator who will determine how to proceed in addressing the complaint as well as appropriate discipline.

If the City Administrator is perceived to be the cause of a disrespectful workplace behavior incident, a report will be made to the City Attorney who will confer with the Mayor and City Council regarding appropriate investigation and action.

If a the Mayor or a Council/Board/Commission Member is perceived to be the cause of a disrespectful workplace behavior incident involving City staff, the report will be made to the City Administrator and referred to the City Attorney who will undertake the necessary investigation. The City Attorney will report his/her findings to the City Council, which will take the action it deems appropriate.

Pending completion of the investigation, the City Administrator may at his/her discretion take appropriate action to protect the alleged victim, other employees, or citizens.

If an elected or appointed City official (e.g., Council/Board/Commissioner member) is the victim of disrespectful workplace behavior, the City Attorney will be consulted as to the appropriate course of action.

Confidentiality
A person reporting or witnessing a violation of this policy cannot be guaranteed anonymity. The person's name and statements may have to be provided to the alleged offender. All complaints and investigative materials will be contained in a file separate from the involved employees' personnel files. If disciplinary action does result from the investigation, the results of the disciplinary action will then become a part of the employee(s) personnel file(s).

Retaliation
Consistent with the terms of applicable statutes and City personnel policies the City may discipline any individual who retaliates against any person who reports alleged violations of this policy. The City may also discipline any individual who retaliates against any participant in an investigation, proceeding, or

hearing relating to the report of alleged violations. Retaliation includes, but is not limited to, any form of intimidation, reprisal, or harassment.

17.12 SAFETY

The health and safety of each employee of the City and the prevention of occupational injuries and illnesses are of primary importance to the City. To the greatest degree possible, management will maintain an environment free from unnecessary hazards and will establish safety policies and procedures for each department. Adherence to these policies is the responsibility of each employee. Overall administration of this policy is the responsibility of each supervisor.

Reporting Accidents and Illnesses
Both Minnesota Worker's Compensation laws and the State and Federal Occupational Safety and Health Acts require that all on the job injuries and illnesses be reported as soon as possible by the employee, or on behalf of the injured or ill employee, to his/her supervisor. The employee's immediate supervisor is required to complete a First Report of Injury (FROI) and any other forms that may be necessary related to an injury or illness on the job.

Safety Equipment/Gear
Where safety equipment is required by federal, state, or local rules and regulations, it is a condition of employment that such equipment be worn by the employee.

Unsafe Behavior
Supervisors are authorized to send an employee home immediately for the remainder of the employee's shift when the employee's behavior violates the City's personnel policies, department policies, or creates a potential health or safety issue for the employee or others. The City will not compensate the employee for the time he/she loses; however, the employee may use accrued compensatory or vacation time for the time he/she loses.

POSSESSION AND USE OF DANGEROUS WEAPONS

Possession or use of a dangerous weapon (see attached definitions) is prohibited on City property, in City vehicles, or in any personal vehicle, which is being used for City business. This includes employees with valid permits to carry firearms.

The following exceptions to the dangerous weapons prohibition are as follows:

a. Employees legally in possession of a firearm for which the employee holds a valid permit, if required, and said firearm is secured within an attended personal vehicle or concealed from view within a locked unattended personal vehicle while that person is working on City property.
b. A person who is showing or transferring the weapon or firearm to a police officer as part of an investigation.
c. Police officers and employees who are in possession of a weapon or firearm in the scope of their official duties.

17.13 SOCIAL MEDIA POLICY

Purpose
Social networking in government serves two primary functions: to communicate and deliver messages directly to citizens and to encourage citizen involvement, interaction, and feedback. Information which is distributed via social networking must be accurate, consistent, and timely and meet the information needs

of the City's customers. Since social media is used for social networking, this policy seeks to ensure proper use of the City of Isanti's social media sites by its representatives.

The City of Isanti wishes to establish a positive and informative social media presence. City representatives have the responsibility to use the City's social media resources in an efficient, effective, ethical and lawful manner pursuant to all existing City and departmental policies. This policy also provides guidelines and standards for City representatives regarding the use of social media for communication with residents, colleagues and all other followers.

Policy
The City of Isanti will determine, at its discretion, how its web-based social media resources will be designed, implemented and managed as part of its overall communication and information sharing strategy. City social media sites may be modified or removed by the City at any time and without notice, as described in this document.

City of Isanti social media accounts are considered a City asset and administrator access to these accounts must be securely administered in accordance with the City's Computer Use policy. The City reserves the right to shut down any of its social media sites or accounts for any reason without notice.

All social media web sites created and utilized during the course and scope of an employee's performance of his/her job duties will be identified as belonging to the City of Isanti, including a link to the City's official web site.

Scope
This policy applies to any existing or proposed social media web sites sponsored, established, registered or authorized by the City of Isanti. This policy also covers the private use of the City's social media accounts by all City representatives, including its employees and agents, Councilmembers, appointed board or commission members, and all public safety volunteers to the extent it affects the City. Questions regarding the scope of this policy should be directed to the Human Resources or the City Administrator.

Definition
Social media are internet and mobile-based applications, websites, and functions, other than email, for sharing and discussing information, where users can post photos, video, comments, and links to other information to create content on any imaginable topic. This may be referred to as "user-generated content" or "consumer-generated media."

Social media includes, but is not limited to:

- Social networking sites such as Facebook, LinkedIn, Twitter, Instagram, and online dating services/mobile apps
- Blogs, Wikis, or shared encyclopedias such as Wikipedia
- Social news sites such as Reddit and Buzzfeed
- Video and photo sharing sites such as YouTube, Instagram, SnapChat, and Flickr, Facebook
- An ever-emerging list of new web-based platforms generally regarded as social media or having many of the same functions as those listed above

As used in this policy, "employees and agents" means all City representatives, including its employees and other agents of the City, such as independent contractors or Council members.

Rules of Use
City employees, as assigned in their respective City Departments, or designated Agents with administrator access, are responsible for managing social media websites. Facilities or departments wishing to have a new social media presence must initially submit a request to the City Administrator in order to ensure social media accounts are kept to a sustainable number and policies are followed. All social media sites/use must be approved by Resolution of the City Council. All approved sites will be clearly marked as the City of Isanti site and will be linked with the official City website (www.cityofisanti.us). No one may establish social media accounts or websites on behalf of the City unless authorized in accordance with this policy

Administration of all social media web sites must comply with applicable laws, regulations, and policies as well as proper business etiquette.

City social media accounts accessed and utilized during the course and scope of an employee's performance of his/her job duties may not be used for private or personal purposes or for the purpose of expressing private or personal views on personal, political, or policy issues or to express personal views or concerns pertaining to City employment relations matters.

No social media website may be used by the City or any City employee or agent to disclose private or confidential information. No social media web site should be used to disclose sensitive information; if there is any question as to whether information is private, confidential or sensitive, contact Human Resources or the City Administrator.

When using social media sites as a representative of the City, employees and agents will act in a professional manner. Examples include but are not limited to:

- Adhere to all City personnel and Computer Use policies
- Use only appropriate language

Be aware that content will not only reflect on the writer but also on the City of Isanti as a whole, including elected officials and other City employees and agents. Make sure information is accurate and free of grammatical errors.

- Not providing private or confidential information, including names, or using such material as part of any content added to a site.
- Not negatively commenting on community partners or their services, or using such material as part of any content added to a site.
- Not providing information related to pending decisions that would compromise negotiations.
- Be aware that all content added to a site is subject to open records/right to know laws and discovery in legal cases.
- Always keep in mind the appropriateness of content.
- Comply with any existing code of ethical behavior established by the City.

Where moderation of comments is an available option, comments from the public will be reviewed by City staff, with administrative rights, before posting. It is the City's discretion to allow any comments or posts on City social media sites. Where moderation prior to posting is not an option, sites will be regularly monitored by City staff.

City of Isanti's staff with administrative rights will not edit any posted comments. However, comments posted by members of the public may not be posted or will be removed if they are abusive, obscene,

defamatory, in violation of the copyright, trademark right, or other intellectual property right of any third party, or otherwise inappropriate or incorrect. The following are examples of content that may be removed by City staff before or shortly after being published:

- Potentially libelous comments
- Obscene or racist comments
- Personal attacks, insults, or threatening language
- Plagiarized material
- Private, personal information published without consent
- Comments totally unrelated to the topic of the forum
- Commercial promotions or spam
- Hyperlinks to material that is not directly related to the discussion

Personal Social Media Use
The City of Isanti respects employees and agents' rights to post and maintain personal websites, blogs and social media pages and to use and enjoy social media on their own personal devices during non-work hours. The City requires employees and agents to act in a prudent manner with regard to website and internet postings that reference the City of Isanti, its personnel, its operation, or its property. Employees and agents and others affiliated with the City may not use a City brand, logo, or other City identifiers on their personal sites, nor post information that purports to be the position of the City without prior authorization.

City employees and agents are discouraged from identifying themselves as City employees when responding to or commenting on blogs with personal opinions or views. If an employee chooses to identify him or herself as a City of Isanti employee, and posts a statement on a matter related to City business, a disclaimer similar to the following must be used:

> "These are my own opinions and do not represent those of the City."

Occasional access to personal social media websites during work hours is permitted, but employees and agents must adhere to the guidelines outlined in the City's Computer Use policy and the City's Respectful Workplace Policy. Employees and agents should also review the Data Ownership section of this policy (below).

There may be times when personal use of social media (even if it is off-duty or using the employee's own equipment) may spill over into the workplace and become the basis for employee coaching or discipline. Examples of situations where this might occur include:

- Friendships, dating, or romance between co-workers
- Cyber-bullying, stalking, or harassment
- Release of confidential or private data; if there are questions about what constitute confidential or private data, contact Human Resources or the City Administrator.
- Unlawful activities
- Misuse of City-owned social media
- Inappropriate use of the city's name, logo, or the employee's position or title
- Using City-owned equipment or City-time for extensive personal social media use

Each situation will be evaluated on a case-by-case basis because the laws in this area are complex. If you have any questions about what types of activities might result in discipline, please discuss the type of usage with Human Resources or the City Administrator.

Data Ownership
All social media communications or messages composed, sent, or received on City equipment in an official capacity is the property of the City and will be subject to the Minnesota Government Data Practices Act. This law classifies certain information as available to the public upon request. The City of Isanti also maintains the sole property rights to any image, video, or audio captured while a City employee is representing the City in any capacity.

The City retains the right to monitor employee's social media use on city equipment and will exercise its right as necessary. Users should have no expectation of privacy. Social media is not a secure means of communication.

Policy Violations
Violations of the Policy will subject the employee to disciplinary action up to and including discharge from employment.

17.14 MEDIA RELATIONS

The Mayor is designated as the City Public Information Officer or City PIO and will be responsible for the implementation of this policy. Authorized City spokespersons as the Acting City PIO are designated as the City Administrator and City Chief of Police who is also the Emergency Management Director. With the exception of routine events and basic information that is readily available to the public, all requests for interviews or information from the media are to be routed through the Mayor, City Administrator or Chief of Police, whomever is deemed appropriate given the request.

City employees who are not designated spokespersons are not authorized to make statements to the media and / or in public discussion on behalf of the City. City staff who are not designated spokespersons and who are contacted by a news media representative will be courteous, professional and route their requests to the City Administrator, Chief of Police or City PIO.

All news releases concerning city personnel will be the responsibility of the City Administrator.

When information is requested by the City PIO or authorized spokesperson for information, all Department Directors will immediately provide the City PIO or authorized spokesperson with the most accurate and complete information available for the response. Any employee who identifies a mistake in reporting should bring the error to the City Administrator or his/her designee. Regardless of the communications in the employee's official city role or in a personal capacity, employees must comply with all laws related to trademark, copyright, software use, etc.

17.15 FAMILY AND MEDICAL LEAVE (FMLA)

ELIGIBILITY
To qualify to take FMLA leave under this policy, an employee must meet all the following conditions:

- Have worked for the City for 12 months (or 52 weeks) prior to the date the leave is to commence. The 12 months or 52 weeks need not have been consecutive; however, the City will not consider any service 7 years prior to the employee's most recent hire date.
- Have worked at least 1,250 hours during the 12-month period prior to the date when the leave is requested to commence. The principles established under the Fair Labor Standards Act ("FLSA") determine the number of hours worked by an employee. Vacation and other leaves are not included

TYPES OF LEAVE COVERED BY FMLA
Leave will be granted to all eligible employees for any of the following reasons:

- The birth of a child, including prenatal care, or placement of a child with the employee for adoption or foster care;
- To care for a spouse, child, or parent who has a serious health condition;
- Due to a serious health condition that makes the employee unable to perform the essential functions of the position;
- A covered military member's active duty or call to duty or to care for a covered military member (Military Caregiver and Qualified Exigency Leave) (described below).

DEFINITIONS

- **"Spouse"** does not include domestic partners or common-law spouses.
- **"Caring for"** a covered family member includes psychological as well as physical care. It also includes acquiring care and sharing care duties. An eligible **"child,"** with some exceptions, is under 18 years of age.
- An eligible **"parent"** includes a biological parent or a person who stood in the place of a parent.
- **"Serious Health Condition"** means an illness, injury, impairment, or physical or mental condition that involves one of the following:
    - **Hospital Care**: Any period of incapacity or treatment connected with inpatient care (i.e., an overnight stay) in a hospital, hospice, or residential medical care facility;
    - **Pregnancy**: Any period of incapacity due to pregnancy, prenatal medical care or child birth;
    - **Absence Plus Treatment:** A period of incapacity of more than three consecutive calendar days that also involves continuing treatment by or under the supervision of a health care provider.
    - **Chronic Conditions Requiring Treatments**: An incapacity from a chronic condition which requires periodic visits for treatment by a health care provider, continues over an extended period of time, and may cause episodic rather than a continuing period of incapacity;
    - **Permanent/Long-Term Conditions Requiring Supervision**
    - **Multiple Treatments:** Any period of absence to receive multiple treatments (including any period of recovery therefrom) by a health care provider or by a provider of health care services under orders of, or on referral by, a health care provider.

LENGTH AND AMOUNT OF LEAVE
The length of FMLA leave is not to exceed twelve (12) weeks in any twelve (12) month period. The leave year is calculated based on day the leave began.

The entitlement to FMLA leave for the birth or placement of a child for adoption expires twelve (12) months after the birth or placement of that child.

HOW LEAVE MAY BE TAKEN
FMLA leave may be taken for 12 (or less) consecutive weeks, may be used intermittently (a day periodically when needed), or may be used to reduce the workweek or workday, resulting in a reduced hour schedule. In all cases, the leave may not exceed a total of 12 workweeks. Employees are required to use all vacation, sick and compensatory time during FMLA. Unpaid leave will not be permitted unless all leaves banks have been exhausted.

Intermittent leave may be taken when medically necessary for the employee's serious health condition or to care for a seriously ill family member. Intermittent leave must be documented in the medical certification form as medically necessary.

If an employee is taking intermittent leave or leave on a reduced schedule for planned medical treatment, the employee must make a reasonable effort to schedule the treatment so as to not disrupt the City's business.

In instances when intermittent or reduced schedule leave for the employee or employee's family member is foreseeable or is for planned medical treatment, including recovery from a serious health condition, the City may temporarily transfer an employee to an available alternative position with equivalent pay and benefits if the alternative position would better accommodate the intermittent or reduced schedule.

Intermittent/reduced scheduled leave may be taken to care for a newborn or newly placed adopted or foster care child only with the City's approval.

PROCEDURE FOR REQUESTING LEAVE AND NOTICE
Employees requesting FMLA leave must provide written or verbal notice of the need for the leave to Human Resources or the City Administrator along with a *Medical Certification.*

When the need for the leave is foreseeable, the employee must give verbal or written notice to his/her supervisor at least thirty (30) days prior to the date on which leave is to begin.

If thirty (30) days' notice cannot be given, the employee is required to give as much notice as practicable, including following required call-in procedures.

The City requires an employee on FMLA leave to report periodically on the employee's status and intent to return to work.

CERTIFICATION AND DOCUMENTATION REQUIREMENTS
For leave due to an employee's serious health condition or that of an employee's family member, the City will require the completion of a Medical Certification form by the attending physician or practitioner. The form must be submitted by the employee to the City Administrator within fifteen (15) calendar days after leave is requested. If the form is not submitted in a timely fashion, the employee must provide a reasonable explanation for the delay. Failure to provide medical certification may result in a denial or delay of the leave.

When leave is due to an employee's own serious health condition, a fitness for duty certification (FFD) will be required before an employee can return to work. Failure to timely provide such certification may eliminate or delay an employee's right to reinstatement under the FMLA.

If an employee is using intermittent leave and reasonable safety concerns exist regarding the employee's ability to perform his or her duties, a FFD certificate may be required as frequently as every 30 days during periods when the employee has used intermittent leave.

Recertification of leave may be required if the employee requests an extension of the original length approved by the City or if the circumstances regarding the leave have changed. Recertification may also be required if there is a question as to the validity of the certification or if the employee is unable to return to work due to the serious health condition.

*The City may require an employee obtain a second opinion from a provider which the City selects. If necessary, to resolve a conflict between the original certification and the second opinion, the City may require the opinion of a third doctor. This third opinion will be considered final. An employee will be provisionally entitled to leave and benefits under the FMLA pending the second and/or third opinion.

ANNUAL MEDICAL CERTIFICATION AND RECERTIFICATION

Where the employee's need for leave due to the employee's own serious health condition lasts beyond a single leave year, the City will require employees to provide a new medical certification in each subsequent leave year. Such new medical certifications are subject to the provisions for authentication and clarification and second and third opinions.

REINSTATEMENT

Employees returning from Family and Medical Leave will be reinstated in the same position or a position equivalent in pay, benefits, and other terms and conditions of employment.

GROUP HEALTH INSURANCE AND OTHER BENEFITS, CONCURRENT LEAVE AND SUBSTITUTION OF PAID LEAVE

An employee granted leave under this policy will continue to be covered under the City's group health and dental insurance plan under the same conditions and at the same level of City contribution as would have been provided had the employee been continuously employed during the leave period. The employee will be required to continue payment of the employee portion of group insurance coverage while on leave. Arrangements for payment of the employee's portion of premiums must be made by the employee with the City.

If there are changes in the City's contribution levels while the employee is on leave, those changes will take place as if the employee were still on the job.

Rights to additional continued benefits will depend on whether leave is paid or unpaid.

Any paid disability leave benefits (Short Term Disability or Long-Term Disability), sick leave, Paid Time Off (PTO) or compensatory time off available to employees for a covered reason (an employee's serious health condition or a covered family member's serious health condition, including worker's compensation leave and Minnesota State Parenting Leave) will run concurrently with FMLA.

*The City's FMLA policy with Minnesota Parenting Leave and all forms of paid time off (sick leave, disability leave, workers' comp leave, vacation, PTO and compensatory time off) run concurrently with FMLA. By way of example, a Minnesota Parenting Leave policy -- which permits employees who have worked for the company for at least twelve (12) months and have worked at least 1,040 hours – should clearly state that Minnesota Parental leave will run concurrently with any other applicable leave, such as FMLA, STD, paid parental leave, sick leave, or accrued vacation and that paid leave cannot be utilized to extend FMLA or parental leave beyond twelve weeks.

FAILURE TO RETURN TO WORK AFTER FMLA

Under certain circumstances, if the employee does not return to work at the end of the FMLA leave for at least 30 calendar days, the City may require the employee to repay the portion of the monthly cost paid by the City for group health plan benefits. The City may also require the employee to repay any amounts the City paid on the employee's behalf to maintain benefits other than group health plan benefits.

*If an employee does not return to work following 12 weeks of FMLA leave, the employee may be subject to COBRA continuation.

If the employee fails to pay the City a portion of the premiums for which he or she is responsible during the FMLA leave and the employee fails to return to work, coverage may end. Loss of coverage for failure to pay premiums is not a qualifying event for purposes of continuation coverage under COBRA.

If the employee does not return from the FMLA leave and coverage ended sometime during the FMLA leave due to lack of payment, there is no COBRA election available. For COBRA to apply, the employee must have been covered on the day before the qualifying event. In this situation, the qualifying event would occur at the time the employee did not return from the leave.

ACTIVITIES PROHIBITED DURING FMLA
While on leave, an employee may not engage in activities (including employment) which have the same or similar requirements and essential functions of an employee's current position.

While on leave, an employee may not engage in any activity that conflicts with the best interests of the City. Such conduct may result in disciplinary action up to and including termination of employment.

FMLA – QUALIFIED EXIGENCY AND MILITARY CAREGIVER LEAVE

Qualified Exigency
Eligible employees (described above) whose spouse, son, daughter, or parent either has been notified of an impending call or order to covered active military duty or who is already on covered active duty may take up to 12 weeks of leave for reasons related to or affected by the family member's call-up or service.

The qualifying exigency must be one of the following: (1) short-notice deployment; (2) military events and activities; (3) childcare and school activities; (3) financial and legal arrangements; (5) counseling; (6) rest and recuperation; (7) post-deployment activities; (8) parental care; or (9) additional activities that arise out of active duty, provided that the employer and employee agree, including agreement on timing and duration of the leave.

Military Caregiver Leave
An employee eligible for FMLA leave (described above) who is the spouse, son, daughter, parent, or next of kin of a covered servicemember may take up to 26 weeks in a single 12-month period to care for that servicemember.

The family member must be a current member of the Armed Forces (including a member of the National Guard or Reserves), who has a serious injury or illness incurred in the line of duty on active duty for which he or she is undergoing medical treatment, recuperation, or therapy, or otherwise is on outpatient status or on the temporary disability retired list. Eligible employees may not take leave under this provision to care for former members of the Armed Forces, former members of the National Guard and Reserves, or members on the permanent disability retired list.

DEFINITIONS

- A **"son or daughter of a covered servicemember**" means the covered servicemember's biological, adopted, or foster child, stepchild, legal ward, or a child for whom the covered servicemember stood in loco parentis, and who is of any age.

- A "**parent of a covered servicemember**" means a covered servicemember's biological, adoptive, step, or foster father or mother, or any other individual who stood in loco parentis to the covered servicemember. This term does not include parents "in law."

- The "**next of kin of a covered servicemember**" is the nearest blood relative, other than the covered servicemember's spouse, parent, son, or daughter, in the following order of priority: blood relatives who have been granted legal custody of the servicemember by court decree or statutory provisions, brothers and sisters, grandparents, aunts and uncles, and first cousins, unless the covered servicemember has specifically designated in writing another blood relative as his or her nearest blood relative for purposes of military caregiver leave under the FMLA. When no such designation is made, and there are multiple family members with the same level of relationship to the covered servicemember, all such family members shall be considered the covered servicemember's next of kin and may take FMLA leave to provide care to the covered servicemember, either consecutively or simultaneously. When such designation has been made, the designated individual shall be deemed to be the covered servicemember's only next of kin.

- **"Covered active duty"** means:
    - "Covered active duty" for members of a regular component of the Armed Forces means duty during deployment of the member with the Armed Forces to a foreign country.
    - "Covered active duty" for members of the reserve components of the Armed Forces (members of the U.S. National Guard and Reserves) means duty during deployment of the member with the Armed Forces to a foreign country under a call or order to active duty in a contingency operation as defined in section 101(a)(13)(B) of Title 10 of the United States Code.

- **"Covered servicemember"** means:
    - An Armed Forces member (including the National Guard or Reserves) undergoing medical treatment, recuperation, or therapy or otherwise in outpatient status or on the temporary disability retired list, for a serious injury or illness"; or
    - A veteran who is undergoing medical treatment, recuperation, or therapy, for a serious injury or illness and who was a member of the Armed Forces (including a member of the National Guard or Reserves) at any time during the period of 5 years preceding the date on which the veteran undergoes that medical treatment, recuperation, or therapy.

- **"Serious injury or illness"** means:
    - In the case of a member of the Armed Forces (including a member of the National Guard or Reserves), means an injury or illness that was incurred by the member in line of duty on active duty in the Armed Forces (or existed before the beginning of the member's active duty and was aggravated by service in line of duty on active duty in the Armed Forces) and that may render the member medically unfit to perform the duties of the member's office, grade, rank, or rating; and
    - In the case of a veteran who was a member of the Armed Forces (including a member of the National Guard or Reserves) at any time during a period when the person was a covered servicemember, means a qualifying (as defined by the Secretary of Labor) injury or illness incurred by a covered servicemember in the line of duty on active duty that may render the servicemember medically unfit to perform the duties of his or her office, grade, rank or rating.

AMOUNT OF LEAVE – QUALIFIED EXIGENCY
An eligible employee can take up to 12 weeks of leave for a qualified exigency.

AMOUNT OF LEAVE – MILITARY CAREGIVER
An eligible employee taking military caregiver leave is entitled to 26 workweeks of leave during a "single 12-month period." The "single 12-month period" begins on the first day the eligible employee takes FMLA leave to care for a covered servicemember and ends 12 months after that date.

All leave taken for any FMLA reason counts towards the 26-week entitlement. If an employee does not take all 26 workweeks of leave to care for a covered servicemember during this "single 12-month period," the remaining part of the 26 workweeks of leave entitlement to care for the covered servicemember is forfeited. 29 C.F.R. § 825.127(e)(1) (2017).

CERTIFICATION OF QUALIFYING EXIGENCY FOR MILITARY FAMILY LEAVE
The City will require certification of the qualifying exigency for military family leave. The employee must respond to such a request within 15 days of the request or provide a reasonable explanation for the delay. Failure to provide certification may result in a denial of continuation of leave. This certification will be provided using the DOL Certification of Qualifying Exigency for Military Family Leave.

CERTIFICATION FOR SERIOUS INJURY OR ILLNESS OF COVERED SERVICEMEMBER FOR MILITARY FAMILY LEAVE
The City will require certification for the serious injury or illness of the covered servicemember. The employee must respond to such a request within 15 days of the request or provide a reasonable explanation for the delay. Failure to provide certification may result in a denial of continuation of leave. This certification will be provided using the DOL Certification for Serious Injury or Illness of Covered Servicemember.

All other provisions of the FMLA policy, including Use of Paid Leave, Employee Status and Benefits During Leave, Procedure for Requesting Leave, and Benefits During Leave and Reinstatement, are outlined above in the FMLA policy.

RESOLUTION 2021-XXX

ACCEPTING PARKS, RECREATION AND CULTURE MANAGER JENNIFER GARVEY LETTER OF RESIGNATION

WHEREAS, Parks, Recreation, and Culture Manager, Jennifer Garvey has submitted a letter of resignation to the City of Isanti and presented this to Human Resources Katie Brooks; and,

WHEREAS, the effective date of this resignation is December 29, 2020 as a final day of employment; and,

WHEREAS, the time period between the letter of resignation and the effective resignation date is in compliance with the personnel policy; and,

WHEREAS, Jennifer Garvey is leaving employment in good standing;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, to hereby approve as follows:

1. That the resignation of Parks, Recreation and Culture Manager Jennifer Garvey is hereby effective December 29, 2020 as the final day of work with the City of Isanti.

2. That the Human Resources Director and the City Administrator are hereby directed to fill the position immediately.

This Resolution is hereby approved by the Isanti City Council this 5th day of January, 2021.

Attest: Mayor Jeff Johnson

Katie Brooks
Human Resources/City Clerk

Request for City Council Action

To: Mayor Johnson and Members of City Council
From: Jaden Strand, Deputy City Clerk/ Human Resources
Date: January 5, 2021
Subject: Annual Administrator Review Summary

"The Council reviewed the performance of City Administrator Josi Wood at its December 1, 2020, meeting. The Council assessed Ms. Wood in the following areas and concluded that she met or exceeded expectations in all of them: commitment to service, communication, personnel management, oversight and planning, public relations and overall performance. The Council appreciates Ms. Wood's hard work and dedication."

-Statement prepared by City Attorney Joseph Langel

BREAKAGE AND ADJUSTMENTS

PROCESS

Breakage Adjustments:

When a product is broken, clean up all broken glass, mop remaining liquid, and place the broken package into the designated credit area. Inform the Manager or Manager on duty of the breakage.

Adjustments:

Adjustments to the inventory are to be recorded whenever one package size is split and disbursed into another package size (e.g. 4 pack of wine coolers is split to be sold as four individual wine coolers). The following steps must be completed by management or designated staff:

1. Adjust inventory by entering a receiving invoice showing the inventory adjustment.

2. Verify that the product scans correctly.

3. Print and file the invoice showing the inventory adjustment.

CASH DRAWER VARIANCES

PROCESS

1. Accurate handling of daily receipts, cash and/or deposits is a very important task. All employees are expected to pay close attention to detail when handling money, receipts and deposits.

2. Variances are recorded by the opening Manager or Clerk on a daily basis; accumulated overages or shortages of money exceeding five dollars ($5.00) over a period of three (3) months may result in discipline or termination subject to approval by the department head/ City Administrator, following guidelines within the current personnel policy.

3. In the event of an overage/shortage, the drawer will be re-counted by management or designee to ensure accuracy and to help identify any issue(s) that may have caused the over/short.

CHECK ACCEPTANCE

PROCESS

The Isanti Municipal Liquor Store does not accept checks.

CUSTOMER IDENTIFICATION

PROCESS

Isanti Liquor's primary objective is to sell alcohol and tobacco products legally and responsibly. Every individual who desires to purchase any item at Isanti Liquor must produce a valid photo identification (ID) when asked. Isanti Liquor will not sell any products to anyone who is not of the legal drinking age (21 years of age) and in possession of a valid ID. All individuals within a group of people must present identification when requested by an employee when one person is purchasing. Selling alcoholic beverages and/or tobacco to an underage individual is punishable by law under Minnesota State Statute 340A.503 and 609.685 sub 1.a. Disciplinary action for selling to a minor may include suspension and/or termination.

If staff observe or suspect a purchase is for an underage person(s) inside or outside of the store, staff can require the alleged recipient of the purchase to provide ID to verify that they are of legal age. If they refuse to provide a valid ID, staff can and will refuse to make the sale. This includes customers that are picking up kegs. Customers should be told ahead of time that if they have anyone under the drinking age with them when they come to pick up the keg, staff can and will refuse the sale.

Card everyone who looks under the age of 40

Forms of Identification Accepted:

Isanti Liquor staff will accept only the following forms of identification:

1. Minnesota Driver's License
   - Must be valid. To be valid, it cannot be expired and must include a picture of the licensee.
   - Paper license application must accompany all voided driver's licenses. Paper licenses have to include a picture of the licensee and cannot be expired.

2. State Identification Card
   - Must include date of birth and a picture of the licensee.

3. Driver's License from another state
   - Must be valid. To be valid, it cannot be expired and must include a picture of the licensee. If you are unsure about the validity of the license, ask a co-worker or manager.

4. Tribal Identification
   - To be valid, it cannot be expired and must include a picture of the licensee.

5. Military Identification
   - To be valid, it cannot be expired and must include a picture of the licensee.

6. Passport
   - Issued by the United States cannot be expired and must include a picture of the licensee.

7. In the case of a foreign national,
   - Issued valid passport that cannot be expired.

Notes Regarding Identification:

*If you are unsure, ask the person to sign a piece of paper and compare to the signature on the identification.

*Never ask another staff member to vouch for a customer's age. Once you have requested identification it must be provided.

*If you have any doubts, ask the store Manager or manager on duty for assistance before making the sale.

Identification Verification:

Once identification has been provided, all details of the document must be verified ensuring that identification matches the person in possession of it, and that the identification has not been altered in any manner. In the event that you discover what you believe is a false or altered identification, or if a minor is attempting to purchase complete the following process:

1. Withhold the identification from the customer.

2. Call and notify the police ***763-444-4761***, inform the dispatcher whether the person is waiting or has left the premise.

3. If the customer agrees, have them wait for police verification. Do not ever place yourself or others in jeopardy by attempting to detain the customer.

4. If the customer flees the building, document the following information to an Incident Report immediately:
   a. Vehicle make, model and description
   b. Vehicle license number
   c. Description of the suspect
   d. Direction the suspect headed

5. Provide identification to the responding officer.

6. Document all information on an Incident Report (see appendices).

Isanti Liquor staff will not sell any products-- including non-alcoholic products-- such as pop, tobacco, or ice, to anyone who is not of legal drinking age (21 years of age).

COMPLIANCE CHECKS

PROCESS

To ensure that all tobacco and alcoholic beverage license holders within the City of Isanti are adhering to all state regulations in regards to tobacco and alcohol beverage serving, the Isanti Police Department or Isanti County Sheriff's department will periodically conduct random alcohol and/or tobacco compliance checks. Once a compliance check has been conducted, you will be notified by a police officer as to whether you have passed or failed. Employees will be provided all necessary training required to pass a compliance check.

DO NOT hesitate to ask for an ID.
DO NOT be afraid to ask a co-worker for assistance if you are unsure about the validity of the ID.

If someone has a valid ID, they normally will not get upset about when providing proof.
However, if someone doesn't have a valid ID, they may get upset.

Management will always support your decision to refuse sale due to a potential invalid ID.

Employee Responsibilities:

1. Ensure that all individuals provide proper identification prior to making a sale. When an individual looks under the age of 40 or if you are unsure, ask for identification (ID).

2. Employee should validate identification by verifying that the individual's height, weight, eye color, hair color and date of birth listed on their valid ID accurately describe the individual presenting it as best as possible. Staff must also verify that the ID has not expired.

Employees must possess full knowledge of the City of Isanti's ID Verification process. During employee orientation, employees sign the training sheet, acknowledging that they have been thoroughly informed of all processes involving the City of Isanti's ID Verification process.

Management's Responsibilities:

1. Provide full orientation on age verification policies and procedures before employee is allowed to sell product in the point-of-sale system.

2. Once orientation is complete, discuss the topic again with the employee ensuring that any questions that they may have are clarified and that an acknowledgment of training statement is signed and placed into the employee's records.

3. All employees must receive BAT (Beverage Alcohol Training) on an annual basis. Training is to be conducted at a scheduled employee meeting outside of regular business hours. A copy of both the pre-test and post-test must be placed into the employee's file in Human Resources. All employees will sign a form at the training meeting to record their attendance. Any employees absent from the meeting must review the BAT server training with management staff, and complete a pre-test and post-test, which will be placed into their employee file.

4. Purchasing Alcohol on 21st Birthday
    a. In order to purchase or consume alcohol, a person is not considered 21-years-old until 8 a.m. on the day of that person's 21st birthday under Minnesota law.

Disciplinary Actions for Failing a Compliance Check:

Failing a compliance check will result in the following:

1. The Liquor Store Manager will notify the City Administrator/ Human Resources of the failed compliance check within 24 hours. Failed compliance checks may result in discipline or termination subject to approval by the City Administrator or City Council, following guidelines within the Personnel Policy in Section 12.

    a. In addition to termination, employee is subject to criminal penalties according to Minnesota State Statute 340A.503 and 340A.702.

CONTACTING THE POLICE DEPARTMENT

PROCESS

Isanti Liquor works directly with the Isanti Police Department in a number of different circumstances including, but not limited to incidents involving shoplifting, underage attempts to purchase, intoxicated individuals, and suspicious individuals or vehicles.

- Isanti Police non-emergency: 763-444-4761
- Isanti Police emergency: 911 (goes to County Dispatcher)

1. Document the incident on paper as soon as possible. All staff involved should record their version of the incident separately. Document accurate descriptions to help dispatch:

    a. Vehicle make, model and description
    b. Vehicle license number
    c. Description of the suspect
    d. Direction the suspect headed

2. The dispatcher will ask a lot of questions. Keep in mind that these questions are designed for the safety of the responding officer(s) and to help ensure a quick capture of the suspect(s).

3. It is best to stay on the phone with the dispatcher until they let you go. You may feel like there are other things you should be doing to help in the store, but it is essential that you remain on the phone.

4. Remain as calm as possible to accurately relay any information the dispatcher may ask for.

In the event of a robbery, or any other life-threatening event, press the silent alarm button (see below) when it is safe to do so, or call the police from a safe location.

Non-life-threatening emergencies should be reported by calling the police, not using the silent alarm.

SILENT ALARM

Isanti Liquor has 4 (four) silent alarms that each employee will be trained on at the beginning of employment.

ROBBERY OR THEFT

PROCESS

Good customer service skills, working the sales floor and greeting customers can often deter a robbery or theft. Ensuring the safety and well-being of our employees and customers is extremely important. Staff are expected to familiarize themselves with the best way to react to a worst-case scenario and to know where and how to activate the silent alarm.

Training is also provided by the Isanti Police Department annually to help mitigate potential risks.

In the event of a holdup, the following procedures are to be followed:

1. Press or trigger the silent alarm only if you can access it without alarming the perpetrator. Do not risk allowing the perpetrator to see you trip the alarm. If needed, wait until the perpetrator leaves.

2. Allow the perpetrator to direct your moves, answer the telephone only if instructed, move slowly and remain calm. Repeat the instructions back to the perpetrator and do exactly as you are told, no more or no less.

3. Assume that any weapon, displayed or not, is real.

4. Observe the perpetrator – look at him or her, but do not stare. Glance casually at one detail at a time:

    - Eyes, nose, teeth, hair color, height, weight, and other features
    - Clothing
    - Mannerisms and speech
    - Peculiarities and unusual features such as scars or tattoos
    - Weapon - - what kind and in what hand
    - Items carried - - briefcase, bag, etc.
    - Items worn - - eyeglasses, jewelry, hairpiece

- Look through disguises
- Vehicle, make, model, year, color, direction heading
- To help determine the height of the suspect, pick a point on the wall behind them that is even with the top of their head when you look at them.

5. Provide the perpetrator everything he or she requests. The goal is to have them leave the store with everyone safe. Once the suspect leaves, if you have not yet activated the silent alarm do so now.

6. Lock the doors, do not go outside.

7. Retain any evidence, demand notice, or articles of clothing.

8. Preserve the crime scene; don't touch anything.

9. Attempt to identify witnesses, isolate them and record names, addresses and telephone numbers. Provide them paper and writing tool to record their observations but do not let them converse or share records.

10. Record all of the details, suspect description, vehicle identification (if possible) and method and direction of escape. Complete an Incident Report and notify management.

Remember the most important countermeasure to the threat of a robbery is prevention.

If an accidental trip of the silent alarm occurs, notify the police department immediately (a police officer will still come to the location to verify the security of the personnel). Notify management so they may notify the alarm monitoring service and reset the alarm.

COUPONS, RECEIPTS, & DISCOUNTS

PROCESS

Coupons:

Isanti Liquor accepts coupons for cases of beer and wine that is at least $9.99. Coupons cannot be applied to items that are on sale and cannot be used in conjunction with any other discounts.

The following coupons are circulated on the back of receipts from a local grocery store:

- "$1.00 OFF CASE OF BEER"
- "$1.50 OFF A BOTTLE OF WINE"

Multiple coupons can be used when customers are purchasing multiple qualifying items.

To redeem a coupon:

1. Scan all items

2. If redeeming a "Beer Coupon", type "100" and press Enter
   a. The $1.00 off should be reflected on the purchase screen

3. If redeeming a "Wine Coupon", type, "150" and press Enter
   a. The $1.50 off should be reflected on the purchase screen

4. Print a detailed receipt and submit the used coupon and receipt with end of shift paperwork

Detailed Receipts:

Detailed receipts show more details than the receipt that prints automatically. Detailed receipts are required when customers are redeeming vendor rebates and/or participating in other vendor reward programs.

Detailed receipts are also required to show redeemed coupons, redeemed gift certificates, and keg sales.

To print a detailed receipt, complete the following:

1. After the purchase is completed, press the "RCPT COPY" button

Discounts:

Isanti Liquor offers case discount, senior citizen, and Veteran discounts on certain purchases. Senior citizen and Veterans only receive a discount on purchases made on Tuesdays. Veterans also receive a discount for purchases on Veteran's Day. Purchases must meet qualifications as listed below.

Case Discounts:

1. 5% off any ½ case of liquor or wine not currently on sale
2. 10% off a full case of liquor or wine not currently on sale
3. Ten cases of beer or more qualify for a 10% case discount
4. Case discounts cannot be applied in conjunction with senior citizen or Veteran discounts
5. Case discounts are valid any day of the week

Senior Citizen & Veterans Discounts:

1. 10% off all items, except tobacco products, that are not currently on sale.
2. Available Tuesdays for customers 62 years of age or older.
3. Available Tuesdays and on Veteran's Day for active duty or former military personnel with a valid military ID.

CUSTOMER PRODUCT REQUESTS

PROCESS

Isanti Liquor is committed to providing superior customer service and selection. All attempts will be made to satisfy customers' needs. When a customer requests a product that Isanti Liquor does not carry, the following steps should be taken:

1. Complete a Customer Product Request Form in its entirety and submit the form to management staff.
    - See Appendices on page 37 for sample
2. Management staff will acquire availability and cost, and notify customer of availability and price.

CUSTOMER SATISFACTION

PROCESS

In today's retail environment, the customer is more knowledgeable than ever before. They expect prompt, professional service with extensive follow through as to their needs and requests. As a member of the Isanti Liquor staff, it is our responsibility to ensure that all customers are shown the courtesy and service expected.

Isanti Liquor Staff are expected to maintain the highest possible level of professionalism and service to our customers. The following guidelines have been established to assist us in achieving this. Greet customers as they enter the store. This conveys attentiveness to customers while also deterring potential shoplifters.

1. The first priority should always be attending to customers and putting them first. This means that if someone walks in the store while you're stocking shelves, you immediately stop stocking so that you can ring the person up or answer any questions that they may have. If you are working with another employee, communicate with them to ensure that someone is always ready to cover the front register.

2. Use a pleasant tone of voice; how you sound can often be as important as what you say.

3. Listen; extremely important role in positive communication.

4. Address the customer by name (if known).

5. Inform customers of all the services Isanti Liquor has to offer (e.g. case discounts, tasting events, rebates, senior discount, veteran discount, current sales, etc._

6. Ensure that all customers are provided any applicable discounts.

7. Complete customer request forms as applicable. If Isanti Liquor does not have a product that a customer wants, go farther than saying "No, we don't have that." Use the Customer Product Request Form to get contact information and product information. (See Appendices)

8. Assist customers to the best of your ability. If you are unable to answer their questions, seek assistance from a more experienced employee, or look for the answer online.

9. Always thank customers for shopping at Isanti Liquor.

10. Offer prompt and courteous carry out service as applicable.

REFUSING THE SALE

PROCESS

When a customer attempts to purchase alcohol, but are visibly intoxicated to the point of impairment, Staff should refuse the sale. The following signs should be used to determine if someone is too impaired to make a purchase:

1. Speech
   - Slurred speech is often a sign of impairment.

2. Coordination
   - The inability to stand up straight without swaying, poor coordination, and slow movements are all signs of impairment.

3. Actions
   - Difficulty processing thoughts and responding to questions are a sign of impairment.

4. Behavior
   - Extremely rude behavior consisting of swearing, yelling, and disrespecting others is an often sign of impairment.

Intoxication is NOT the only reason that staff should refuse a sale. If a customer is sober, but demonstrating any of the above, or they do not have a valid ID, staff have the right to refuse the sale as well.

All incidents of refusing a sale must be documented on an Incident Report form.

DRESS CODE

Per Section 1 of the Personnel Policy, departments may establish dress codes for employees as part of departmental rules. Personal appearance should be appropriate to the nature of the work and contacts with other people and should present a positive image to the public. Clothing, jewelry or other items that could present a safety hazard are not acceptable in the workplace.

The City places a high priority on appearance in the workplace and the image that staff project to our customers. The dress and appearance of Isanti Liquor employees is a direct reflection on the professionalism of our services. City employees meet with the public everyday as part of the regular workday. A neat, well-groomed employee will present a positive image of the City and demonstrate the pride of City employees.

Each employee receives a free Isanti Liquor logo'd shirt after successfully completing their first 90 days of employment. After that, shirts are orderable through store management. Staff are encouraged to wear the logo'd attire, but not required.

The City of Isanti reserves the right to ask employees to dress appropriately. If management has a concern regarding personal appearance, he/she will discuss the concern with the employee. The supervisor or Human Resources will address repeated violations, and could result in discipline action according to the current Personnel Policy. An employee may be asked to leave the workplace without pay until suitably attired.

Listed below is a general overview of acceptable and unacceptable dress attire. Neither group is intended to be all-inclusive and will be at the discretion of management.

All Staff:

Appropriate clothing includes:

Jeans, khakis or slacks in good condition and appropriate fit. Shorts and skirts (less than 3" above the knee). T-shirts, polo shirts, sweaters, and sweatshirts (no offensive logos, images, words). Tank tops must be thick strapped or cover most of the shoulder. Closed toe shoes and socks are mandatory.

Inappropriate clothing includes:

Overalls, jumpers, spandex or yoga pants, sweatpants, jogging/warm-up suits, thin strap tank or halter tops (straps must cover shoulders), and shirts with inappropriate slogans, dresses, or slippers, flip flops, sandals.

Employees are expected to present a professional appearance and are not permitted to wear clothing overly worn, faded, in disrepair or unkempt clothing, athletic wear, or similarly inappropriate clothing.

Personal Hygiene:

Be considerate of co-workers and customers. Good personal hygiene is required including washing, brushing and maintaining hair. Staff with facial hair must maintain a trimmed and clean presentation.

The use of perfume and cologne should be minimal and considerate of the potential sensitivity (allergies, illness) of others. Employees should be aware that poor hygiene could disrupt the work of other employees and be offensive to customers. Management will address these concerns in private with the employee if a problem occurs.

DROP SAFE

PROCESS

Drop bags are located at all counter locations to ensure the security of the money and the safety of the employees. The purpose of a drop bag is to eliminate large amounts of cash from the register drawers during business hours.

DROP PROCEDURE:

1. Always make a "drop" when there are few customers in the store.

2. Pull all large bills and ask management or key holder staff on duty to place in the safe.

3. ***Do not get sidetracked!*** Once the money has been pulled from the drawer you should follow through with no interruptions until the money has been secured into the locked safe.

EMPLOYEE BREAKS

Meal Breaks and Rest Periods:

A paid fifteen (15) minute break is allowed within each four (4) consecutive hours of work.

An unpaid thirty (30) minute lunch break is provided when an employee works eight (8) or more consecutive hours.

Employees are expected to use these breaks as intended and will not be permitted to adjust work start time, end time, or lunch time by saving these breaks without prior approval by the Store Manager on a case-by-case basis, not to be abused.

Multiple short breaks are not permitted to be used to equal a 15- or 30- minute break.

EMPLOYEE COMMUNICATION

PROCESS

Verbal and written communication are an essential tool in any organization. Staff at Isanti Liquor have many options in which to communicate daily happenings, needs, requests and information to coworkers and management.

Logbooks:

1. Logbooks are maintained at the store location as follows:
    a. Staff Read & Sign Book
    b. Customer Incident Logbook
        i. Examples – Refusal to sell because of intoxication, refusal to sell because of invalid ID, suspected theft, actual theft, etc.

2. The Read & Sign Book will be continuously updated by management to ensure adequate communication with all staff members.

3. All "Refuse the Sale" incidents need to be documented in the Customer Incident Logbook as soon as possible following the event.

Employee Phone List and Scheduling Software:

1. Employee Phone List:
    a. Employees are given a list with everyone's preferred contact info that they may use to call or text other staff, including management, in the case of a situation where they are unable to work, or a situation arises that calls for management's advice.
    b. Employee Phone Lists are considered private information and should only be used to contact fellow employees regarding work. They should not ever be used to give a fellow employee's phone number to anyone.

2. OpenSimSim Scheduling Software:
    a. OpenSimSim allows employees to access and view their schedule at any time from their smartphone or PC. It also allows employees to communicate time off requests and shift change requests. When sending a shift change request, employees are expected to send the request to everyone, including management.

All communication, both verbally and in written form, should remain professional and factual.

TIME OFF REQUESTS

PROCESS

In order to adequately provide prompt, efficient customer service, Isanti Liquor must assure sufficient staffing at all times.

1. All employees shall communicate days and hours of availability for scheduling.

2. All requests for time off must be submitted before the next month's schedule is completed.

3. Submitting a request for time off does not guarantee that the time off will be granted.

4. Once the schedule has been posted for the month, it is the responsibility of all employees to work their scheduled hours. In the event an employee cannot work the scheduled hours, it shall be their responsibility to find a replacement or trade hours with another employee.

5. Management personnel retains the authority to post dates blocked from further requests for time off due to holidays, upcoming events, and staff availability.

REQUESTING TIME OFF

Time off requests should be submitted in writing, or by using the OpenSimSim scheduling software.

All time off requests need to be made by the 15th of the previous month. Schedules will be posted on OpenSimSim and a paper copy will be posted in the office.

EMPLOYEE MEETINGS

PROCESS

1. Employee meetings may be conducted for the purpose of increasing product and industry knowledge, reviewing policies and procedures, and to discuss promotions, suggestions and other ideas or topics.

2. Meeting attendance is mandatory, unless the employee's immediate supervisor has approved an excused absence. Failure to attend employee meetings may result in disciplinary action.

3. Employees are paid their regular hourly rate for the length of the meeting.

4. Scheduled meetings will be posted in advance as soon as possible.

5. If a meeting is missed, it is the employee's responsibility to discuss the meeting topics with the Store Manager.

EMPLOYEE PARKING

PROCESS

All employees are required to park in management's designated area of the parking lot. Other parking spaces should be solely used by customers.

EMPLOYEE PURCHASES

PROCESS

1. Purchases by Isanti Liquor Staff while on duty are limited to pop, juice, water and tobacco products.

2. Employees must make all purchase of alcoholic products when off duty. Employees working the evening shift are allowed to make their purchases at the end of their shift, but prior to closing.

3. All employee purchases must be completed by another staff member.

4. The selling clerk must initial and attach the receipt to the package.

5. There are no employee discounts.

Any deviation from this process may result in disciplinary actions and/or termination.

GIFT CERTIFICATES

PROCESS

Isanti Liquor offers gift certificates to customers that can be redeemed at a later date. Gift Certificates can be purchased in any amount. Gift Certificates can be used for purchases only. They cannot be redeemed for cash and there will be no cash back given if the full amount was not used.

When a customer wants to purchase a Gift Certificate, the following steps will be taken:

1. Fill out the Gift Certificate (which can be found in the Gift Certificate binder)
    a. Amount
    b. Issued to
    c. Date

2. Record the Gift Certificate in the Gift Certificate Log

3. To ring up the Gift Certificate:
    a. Type in the Gift Certificate number and select the GC Sale button
    b. Enter the dollar amount to be put on the Gift Certificate
    c. Print two receipts
        i. Attach one to the Gift Certificate duplicate
        ii. Give one to the customer

When a customer wants to redeem a Gift Certificate, the following steps will be taken:

1. Ring all items up

2. Press the "Tender" button

3. Enter the Gift Certificate number and press the "Gift Certificate Redeem" button
    a. The Gift Certificate will then be used towards the purchase.
    b. There should never be a situation where customers receive cash back when redeeming a gift certificate.

4. Print a detailed receipt for the customer.
    a. Any amount remaining on the Gift Certificate will be shown on the receipt.
    b. There should never be a situation where customers receive cash back when redeeming a gift certificate.

5. When a Gift Certificate is completely redeemed, staple a detailed receipt to the Certificate and submit with end of shift paperwork.

HOLIDAYS

Isanti Liquor is closed on the following holidays:

New Year's Day
Easter
Thanksgiving
Christmas Day

Isanti Liquor is open on the following holidays:

Martin Luther King Jr. Day	Presidents Day
Good Friday	Memorial Day
Independence Day	Labor Day
Columbus Day	Veterans Day
Day after Thanksgiving	Christmas Eve

Revised hours of business occur on the following days *hours, days are subject to change

- July 3rd (close at 8:00 p.m. if on a Monday – Thursday) and (close at 9:00 p.m. if on a Friday - Saturday)
- Wednesday prior to Thanksgiving (open until 9:00 p.m.)
- Christmas Eve (9:00 a.m. – 4:00 p.m.)
- New Year's Eve (Close at 8:00 p.m. if on a Monday – Thursday) and (close at 9:00 p.m. if on a Friday - Saturday)

*Holiday pay and shift differentials are per the current Policy passed by Resolution.

The days leading up to a major holiday are busier, thus requiring more staff on duty. Consideration will be given to employees based on employee availably and any previously worked holidays. Store management reserves the right to reject any requests for time off.

INCIDENT REPORTS

PROCESS

Incident reports are used to document any occurrences that may jeopardize the safety, security, or the integrity of the City of Isanti, Isanti Liquor, or its staff.

Incident reports must be completed immediately following any circumstances involving refusal of sale, shoplifting, theft, underage attempts to purchase, suspicious individuals or vehicles, and any circumstance in which the police department has been notified.

Incident reports should be written in a clear, professional manner and should include the following information:

1. Date
2. Time of occurrence
3. Full names of all employees on duty at the time of the incident
4. Responding police officer's name or badge identification (if applicable)
5. Vehicle description and license plate number
6. Suspect description
7. Brief but precise description of the incident
8. Signature of primary staff member involved

All incidents should be recorded in the Incident Logbook, which is located in the drawer next to Register 2 or at a location designated by management.

INCLEMENT WEATHER PROCEDURE

PROCESS

Minnesota is known for extreme changes in weather conditions. Our primary concern is for the safety of all employees and customers should the weather turn dangerous.

In the event of severe weather, the following steps should be taken:

TORNADO WARNING

1. All doors should be locked and all personnel and customers should be directed to safest location in the building that is designated and posted as a tornado safe location.

2. After the emergency or threat is over, assess the situation and notify management of any power outages, damage, or injuries.

3. Document the inclement weather event on an Incident Report.

BLIZZARD/EXTREME WINTER CONDITIONS

1. The following people are authorized to direct the closing of the store in the event of severe winter weather conditions.
   a. Mayor
   b. City Administrator

2. The Liquor Store Manager will notify the store directly and inform them of the procedures to be taken. In the event that the Store Manager is unavailable, it is then the responsibility of the immediate store Supervisor to provide directions for the store closure upon the City Administrator's request.

3. Document time and reason of closure on an Incident Report.

4. Follow through with regular closing procedures before exiting the building.

POWER OUTAGE PROCEDURE

PROCESS

In the event of a power outage, the primary concern is to ensure the safety of employees and customers, as well as maintaining security of the operation.

The liquor store is equipped with emergency lighting. In the event of a power outage the following steps should be taken:

1. No further sales are to be made once the power goes out.

2. Request that all customers come to the front of the store and escort them out of the building.

3. Lock all doors.

4. Post a sign that the store is closed (state reason).

5. Call management and notify them of the situation.

6. Management will advise employees of the procedures to be taken.

Document time and procedures taken during the power outage on an Incident Report form.

IN-STORE TASTINGS

PROCESS

In-store tastings are used as an effective marketing tool, allowing the customer the opportunity to sample new and unique products prior to purchasing.

1. Tasting events will be advertised in store and through social media.

2. Tasting events will be staffed through the vendor sponsoring the event.

3. Employees are not allowed to open or provide samples of products without management permission.

4. According to Minnesota State Statute 340A.510; samples of malt liquor, wine, liqueurs, cordials, and distilled spirits may be dispensed at no charge to the customers in a quantity of less than 100 milliliters of malt liquor per variety per customer, 50 milliliters of wine per variety per customer, 25 milliliters of liqueur or cordial and 15 milliliters of distilled spirits per variety per customer.

5. Customers who appear to be under the age of 40 must provide valid identification prior to sampling.

6. Samples will not be dispensed to any customer who appears to be intoxicated.

7. For educational purposes, employees are allowed to sample the products in accordance with Minnesota State Statute 340A.510. Employee abuse of this privilege may result in a written warning or termination.

8. At the completion of the tasting, any remaining product should be discarded and the bottles or containers should be marked "Sample" – with the date and employee's initials and placed in the credit department.

KEG SALES

PROCESS

As a service to our customers, Isanti Liquor continues to offer a wide variety of eight- and sixteen-gallon beer and root beer kegs.

KEG RESERVATION

1. When a customer requests to reserve a keg, please fill out the slip in the keg reservation book. Include the following:

    a. Customer Name and Phone Number

    b. Brand and Size of keg

    c. Tapper or No Tapper

    d. Date of keg pick up

    e. Make the customer aware that keg will not arrive until next beer delivery, so plan ahead.

    f. The keg does not need to be paid for during reservation

    g. Price may change slightly from what is in the POS system

2. When the keg is purchased and picked up, cross out the keg reservation.

KEG REGISTRATION & DEPOSITS

PROCESS

Keg registration serves as an effective means of control, and is utilized as a monitoring device to ensure that alcoholic beverages are being procured and accessed by only those individuals who are of legal drinking age. It is the responsibility of each staff member to ensure that all keg registration requirements are completed each time a keg is sold.

As kegs are sold, the following steps must be completed:

KEG REGISTRATION / IDENTIFICATION:

1. Record all information required on the keg registration form. Also record which deposits and fees were paid.
   a. Keg Deposits - **$30**
   b. Tap Deposits - **$50**
   c. Tapper Usage Fee - **$4**

2. Once all information has been recorded, have the customer read, sign, and date the keg registration form.

3. Registration form must then be placed in the keg reservation book.

4. Affix keg identification sticker to the keg.

Note: Once keg and tap have been returned and all applicable deposits refunded to the customer, keg registration forms are to be maintained for a minimum of 90 days.

A keg identification tag is not required on root beer kegs, but a keg registration form must be completed.

All information recorded on the keg registration forms must be completed by an Isanti Liquor staff member and not by the customer.

Upon return of the keg, the keg identification tag must be removed and stapled to the keg registration form.

KEGMEISTERS

PROCESS

"Kegmeisters" are customers that purchase a keg on a somewhat regular basis. Instead of paying a deposit every time that they purchase a keg, a deposit is kept on file at the store. Kegmeisters can return an empty keg and purchase a new keg without doing anything with their deposit on file. Kegmeister information and forms can be found in the Kegmeister binder. At the time that a customer becomes a Kegmeister, they are given a keg registration sticker that they are told to keep as proof of their deposit being on file.

To register a Kegmeister:

1. Fill out a Keg Registration Form (Appendices)

2. Customer is required to pay keg deposit. (Kegmeisters have their own tappers, so they won't need to pay a tapper deposit.)

3. Record Kegmeister ID number

4. Place completed Keg Registration Form in the Kegmeister binder.

When a Kegmeister purchases a keg, a detailed receipt of the transaction should be placed with their Kegmeister registration form.

Kegmeister kegs will not have the gold keg registration sticker put on them.

Kegmeisters must return an empty keg when purchasing a new one.

When a customer decides to leave the Kegmeister Program, they will receive their deposit back when returning the last keg they purchased.

KEG AND TAP DEPOSIT REFUNDS

PROCESS

To complete a keg or tap deposit refund the following steps must be completed.

1. Customer must return keg with identification tag attached in order to obtain refund of keg deposit.

2. Keg must be empty to receive a deposit refund.

3. If the customer is returning a tapper, verify the tapper is in working order.

4. Review keg registration form to verify deposit amounts.

5. On the register screen, press "Refund", and then "Keg Return". Enter the amount of the deposit to be returned, and press Enter.

6. Deposits will be returned in the same way that they were paid.
   a. Cash deposits will be returned as cash.
   b. Credit Card deposits will be returned to the original credit card they paid with.

7. Refund the customer the applicable amount owed, and print two detailed receipts. Have the customer sign the keg registration form.

8. Give one receipt to the customer and staple the other to the keg registration form.

9. Remove the keg identification sticker and attach it to the keg registration form. Turn the completed Keg Registration form in with daily paperwork.

There are no refunds on unused kegs or kegs that are not empty.

Any prepaid kegs that have not left the store can receive a full refund.
- Refund the amount of the keg, as well as any deposits paid.

All taps, upon return, should be cleaned with **cold** water prior to putting them away. Do not use hot water, as that will cause O-rings to weather and crack prematurely.

KEG SALE PROCESS

-Step by Step-

PROCESS

1. Verify the correct keg is in stock and that it is not reserved.

2. On the register screen, press "Keg Lookup" and select the correct keg.

3. Press "Keg Deposit" and enter dollar amount of deposit:
   - Keg only - $30
   - Keg and Tapper - $80
   - If customer is a Kegmeister, no deposit is required. (See Kegmeister section for more information)

4. Select "Tapper Usage Fee" if a tapper is going out with the keg.

5. Complete the Keg Registration Form.

6. After sale is made, print a detailed receipt for the customer. Inform the customer that the keg registration tag must remain intact with no defacement in order to obtain keg deposit refund.

7. Print one more receipt. Staple it to the keg registration form and place the form in the Keg Form binder.

Note:

See "Kegmeisters" section for customers that purchase a keg on a somewhat regular basis and have a deposit on file.

Liquor store employees are not allowed to load kegs. Customers are to be notified at the time of ordering that they must provide their own carry out service for kegs.

Verify with the customer that all taps are in good working order before they are issued to the customer, and that the tap is compatible with the keg sold.

When selling a keg, as with all other products, use suggestive selling techniques (ice, beer cups, etc.).

LIFTING PROCEDURES

PROCESS

1. All employees are encouraged to use two-wheeled dolly's when moving or transferring merchandise.

2. Employees are to use safe lifting practices when lifting or stacking product.

MERCHANDISE RECEIVING

PROCESS

The proper receiving of merchandise is extremely important in maintaining the accuracy and integrity of our physical inventory. To receive product merchandise, the following procedures must be followed:

1. All product is to be received through the back-delivery entrance. No deliveries are to be accepted through the front door, with the exception of some small vendors.

2. All beer merchandise is checked in as it is unloaded from the truck, prior to the product being brought into the building. All liquor and wine merchandise are brought into the building and is then checked in. Once all product is in the building, the back doors should be shut and secured.

3. Verify that the product received matches the product listed on the invoice. Pay particular attention to quantity, size and description.

4. As product is checked in, place a small check mark near the product quantity to note that it has been verified and received (invoice must remain legible).

5. If a correction in the quantity received is necessary, record and circle the actual amount received, management will make the necessary changes.

6. Once the product has been received, sign the invoice and be sure to have the vendor print two copies.

MERCHANDISE RETURNS

PROCESS

1. No merchandise returns without receipt, unless directed by the Store Manager.

2. All returns must be approved by manager "on-duty".

3. No EXCEPTIONS.

**** Follow keg deposit/return procedure for keg deposit returns.**

PHONE ETIQUETTE

PROCESS

Phone etiquette is extremely important for current and potential customers. The person at the other end of the call forms their opinion of Isanti Liquor according to their customer service experience.

When answering the phone:

1. Always put a smile in your voice, sound happy.

2. Your greeting should state "Thank you for calling Isanti Liquor. How may I help you?"

3. When taking messages, always write down all information clearly and concisely.

4. If the customer is calling to communicate a complaint; forward his/her telephone call immediately to store management, or the Liquor Store Manager. If there is no management available, write down all pertinent information and assure the customer that someone will be contacting them as quickly as possible.

5. Do not make people wait on the phone any longer than absolutely necessary.

SMART PHONES AND COMPANY PHONES

All employees are asked to make personal calls and texts only during breaks and meal periods unless it is urgent or an emergency.

Isanti Liquor will not be liable for the loss of personal cell phones brought into the workplace.

Personal calls or texts during the work hours, regardless of the phone used can interfere with employee productivity and be distracting to others. Personal calls on liquor store telephones are not permitted unless it is an emergency.

*You may use your personal phone to look up drink recipes or to research specific questions regarding alcohol to help a customer.

MANAGEMENT ONLY PROCESSES

PROCESS

The following activities are to be performed by management staff only:

1. Review store cameras if there is cause for suspicion or concern
2. Set staff schedule
3. Isanti Municipal Liquor online presence activities
    a. Web Page
    b. Social Media Information

VIOLATIONS OF ANY PROCESSES IN THIS MANUAL CAN AND WILL BE CONSIDERED GROUNDS FOR DISCIPLINE OR TERMINATION ACCORDING TO CURRENT PERSONNEL POLICY. ASK MANAGEMENT OR HUMAN RESOURCES IF YOU WOULD LIKE TO REQUEST A COPY.

Request for City Council Action- MEMO

To: **Mayor Johnson and Members of the City Council**

From: Matt Sylvester- Public Services Director

Date: January 5, 2021

Subject: Resolution to Extend Site Use Agreement Between the City of Isanti and Catholic Charities

---

Background:

Catholic Charities wishes to continue operating Senior Dining out of the Isanti Community Center in 2021. Per Resolution 2018-285, there is to be a 3% annual increase to the monthly fee for this use. Therefore, the 2021 rate will be $118.17 per month.

Staff recommends approving all other terms of the contract as presented.

Staff Request:

Staff requests City Council approval of the Site Use Agreement with Catholic Charities with the amendment to the monthly rate.

Attachment:

- Resolution 2021- XXX
    - Catholic Charities Senior Dining Program Site Use Agreement

RESOLUTION 2021- XXX

TO EXTEND SITE USE AGREEMENT BETWEEN THE CITY OF ISANTI AND CATHOLIC CHARITIES

WHEREAS, Catholic Charities requests the City enter into a 2021 Site Use Agreement; and,

WHEREAS, the agreement allows Catholic Charities Senior Dining Program to partner with the City to provide meals for seniors in Isanti and the surrounding communities; and,

WHEREAS, the Isanti Community Center is the site location for the service; and,

WHEREAS, the hours of operation for the service are Monday – Friday from 10:30 a.m. to 1:30 p.m.; and,

WHEREAS, due to increased costs associated with the operations of the facility, the City of Isanti will require a 3% annual increase in the monthly fee to Senior Dining; and,

WHEREAS, the 2021 monthly rate will be $118.17;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, to approve entering into the 2021 Site Use Agreement with Catholic Charities, attached to this resolution as 'Exhibit A.'

This Resolution is hereby approved by the Isanti City Council this 5th day of January, 2021.

Attest: Mayor Jeff Johnson

Katie Brooks
Human Resources/City Clerk

CATHOLIC CHARITIES SENIOR DINING PROGRAM
SITE USE AGREEMENT

This site use agreement has been prepared for the purpose of defining the rules of the agencies involved in the development and operation of the Senior Dining Program in Isanti, Minnesota.

This agreement made this 1st day of January, 2021 by and between Isanti Community Center, 110 1st Ave, N, PO Box 428, Isanti, MN 55040 hereafter referred to as the Company and the Catholic Charities Senior Dining Program, 157 Roosevelt Road, Suite 200, City of St. Cloud and the State of Minnesota, hereafter called Senior Dining, in consideration of costs, covenants and agreements herein reserved and contained, do hereby agree each with the other as follows:

I. TERM OF AGREEMENT: The term of this agreement shall be in effect January 1, 2021 and continuing until either party deems it necessary to change specifications stated in the agreement. The agreement may be changed by either party upon 60 days written notice thereof to the other.

II. The Senior Dining Program agrees to pay **$118.17** per month to help offset the costs of the operation.

III. All correspondence regarding this agreement will be between the Senior Dining Program Director and City of Isanti City of Isanti Community Events and Parks Coordinator. Any issues/concerns regarding this contract can be referred to Ruth Hunstiger, Director of Community Services, at 320-229-4592.

IV. Senior Dining agrees and shall abide, conform to and comply with all the laws of the United States and the State of Minnesota, and all of the ordinances of the City of Isanti
Minnesota, together with all the rules and requirements of the Police and Fire Department of the City of Isanti, Minnesota. In addition, all rules and regulations by the Minnesota Department of Health will be complied with. A restaurant license, if required, will be procured yearly by Senior Dining.

V. Senior Dining usually observes the following holidays: New Year's Day, Good Friday, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day, and Christmas Day. Other days of closing will be determined by Senior Dining and the Company. Other dates Senior Dining will not occupy the facility are: February 18th, Blood Drive, April 15th Blood Drive, May 1-31st for ICC maintenance, June 16th Mayor's Employers Celebration Day, June 10th Blood Drive, August 19th Blood Drive, October 21st Blood Drive, December 23th Blood Drive and December 11-19th Isanti Lion's Christmas Project.

VI. Senior Dining agrees to restore the used facilities to ordinary cleanliness after use. Ordinary cleanliness is defined as leaving

facilities in the same condition as they were prior to entering. Basic custodial services such as floor maintenance, window washing, cleaning of restrooms, washing and/or painting of walls, and snow removal are the responsibility of the Company. Senior Dining will be responsible for daily set up of the facility according to its preference.

VII. Senior Dining shall at it's own expense procure and maintain comprehensive general combined single limit liability coverage of One Million Dollars ($1,000,000.00) and Workers Compensation Insurance on all staff relating to the site mentioned above. Senior Dining shall hold the building owner harmless for damages or injury occurring on the rented premises for which Senior Dining is found liable.

VIII. The Company agrees to assume sole financial responsibility for the facility due to mechanical and electrical problems and to repair damage as a result of the above. Maintenance and repair costs of equipment owned by the Company will be the responsibility of the Company.

IX. In the event Senior Dining or the Company must cancel all or part of the terms of this agreement, both parties will provide the other agency sixty (60) days notice in writing. Upon written receipt by the Company from Catholic Charities Senior Dining, this agreement is subject to immediate termination by Senior Dining should federal, state or local dollars be reduced or withdrawn.

X. Senior Dining may use the kitchen and dining room during the hours of 10:30 a.m. to 1:30 p.m. Monday through Friday.

XI. The Company agrees to furnish Senior Dining information about insurance coverage and dollar value of each type of coverage carried which relates to the facility and persons using the facility.

I. Council Committee Reports
Councilor Dan Collison shared that Rum River BMX began holding practices again the night before.

J. Public Hearings
None

K. Business Items

1. Interview Applicant for Vacant Economic Development Authority Seat
Two applications were received for the vacant Economic Development Authority seat. The applicants were Luke Merrill and John Farris. They were both asked questions specific to the Board.

A motion was made by Lundeen, seconded by Collison to appoint Luke Merrill to the open EDA seat. Motion passed 5-0. Motion carried.

   a. **Resolution 2021-001** Designating Committees and Representatives for City Commissions and Advisory Boards for 2021

A motion was made by Lundeen for representatives of City Commissions, Advisory Boards and Mayor Pro-Tem to remain the same as the previous year, seconded by Gordon. Motion passed 5-0. Motion carried.

2. **Resolution 2021-002** Designating an Official Newspaper, Appointing Depositories and Professional Services
City Administrator Josi Wood shared that the current newspaper for the City of Isanti is Isanti-Chisago County Star. Bids were received from Isanti-Chisago County Star and County News Review. County News Review had previously gone to a subscription-based newspaper and they do not meet statute requirements to be an official newspaper for the City due to low distribution in the corporal limits. Staff is recommending the City remain with Isanti-Chisago County Star for its official newspaper.

A motion was made by Lundeen for Isanti-Chisago County Star to be the City's official newspaper, the motion was seconded by Collison. Motion passed 5-0. Motion carried.

<u>City Administrator Josi Wood</u>

3. **Resolution 2021-003** Waiving Renewal Fee for Annual Liquor and Pawnshop Licenses for 2021
City Administrator Josi Wood shared that discussion regarding waiving liquor and pawnshop fees for 2021 occurred at the December Committee of the Whole meeting. This has been done in other cities and Council also wanted to do what they could as well.

A motion was made by Lundeen, seconded by Gordon to approve resolution as presented. Motion passed 5-0. Motion carried.

4. Liquor Store Architect Proposal Review and **Resolution 2021-004 Accepting Proposal**
   a. Widseth Proposal
   b. Brunton Proposals

Discussion was held on both proposals.

Councilor Bergley left the meeting prior to vote.

A motion was made by Lundeen to accept Widseth's proposal, seconded by Gordon. Motion passed 4-0. Motion carried.

5. **Ordinance-749** An Ordinance Amending Chapter 227; Parking and Storage
City Administrator Josi Wood shared this was discussed at Committee of the Whole to repeal and replace Chapter 227 due to significant amount of modifications and revisions to definitions meeting state statute. The table was also removed that was an exhibit at the end and put into text format. Also, modifications included adding the language, "Non-motorized trailers used to haul snowmobiles, ATV's or other recreational units,

including the units, or fish houses are permitted on all surfaces if placed a maximum of 10' from the driveway during the time frame of November 1- March 31 only. The total GVWR is not to exceed 10,000 pounds."

A motion was made by Lundeen, seconded by Gordon to approve the Ordinance as presented. Motion passed 4-0. Motion carried.

6. Heritage/East Dual Intersection Control Update and Discussion
City Administrator Josi Wood shared that this had been previously discussed with Council as well as at the County Board level. The update at the last meeting included recommendation from the County Board to reach back out to Minnco Credit Union to see if there is any interest in selling the land. Wood updated the Council that she had reached out to Minnco Credit Union's President Doug Hallstrom. Peggy from Minnco Credit Union responded that Minnco would be seeking $8 a square foot for the right-of-way which would be needed to make a 4-way intersection. Wood further shared that she had inquired to see if Minnco wanted the City to purchase the entire parcel or just the section needed for the right-of-way. Wood stated she has not received a response yet. Direction was given for staff to look into this further regarding total cost.

Chief of Police Travis Muyres

7. **Ordinance-750** An Ordinance Amending Ordinance No.199, Adopted on February 4th 1997 and Titled Regulating the Operation of Snowmobiles Within the City
Chief of Police Travis Muyres shared that this was discussed November 17th. Current Ordinance did not allow for snowmobiles to be operated within the City. Revision allows snowmobiles to be operated on direct route to and from Grant Aid State Trails on road surface.

Councilor Collison stated that he did not agree with the operation restrictions between 11:00 p.m. and 6:00 a.m. as snowmobiles are quieter than a motorcycle and there is no curfew for them.

A motion was made by Lundeen to approve Ordinance as presented with the removal of operation restrictions of 11:00 p.m. to 6:00 a.m., seconded by Gordon. Motion passed 3-1 with Mayor Johnson voting nay.

Community Development Director Sheila Sellman

8. **Ordinance-751** An Ordinance Amending the City Zoning Code, Ordinance 445, Section 16 Signs
Community Development Director Sheila Sellman shared that this is to amend the sign code setting perimeters for freestanding signs in the Highway 65 Overlay District. This amendment only applies to the Overlay District on Highway 65. The Planning Commission held a public hearing at the December 15, 2020 meeting, no one from the public spoke on this item. Planning Commission recommends approval on a 3-2 vote.
A motion was made by Lundeen, seconded by Collison to approve Ordinance as presented. Motion passed 3-1 with Gordon voting nay. Motion carried.

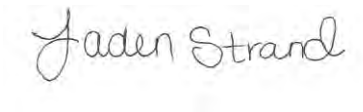
9. **Ordinance-752** An Ordinance Amending the City Zoning Code, Ordinance 445, Section 6 Residential Districts
Community Development Director Sheila Sellman shared that the current R-3A district allows Public buildings as a conditional use, according to the definition fire stations are a public building or use. Per the sale of the fire station, it was agreed the Ordinance would be amended to include fire station as a permitted use. Having Public building or use, as a conditional use will remain in the Ordinance but it will specifically list Fire Station as a permitted use. Sellman further shared that the Planning Commission held a public hearing at their December 15, 2020 meeting, no one from the public spoke on this item. The Planning Commission recommends approval.

A motion was made by Lundeen, seconded by Gordon to approve Ordinance as presented. Motion passed 4-0. Motion carried.

L. Approve Consent Agenda

1. Fourth Quarter Payroll for Council/ Boards/ Commissions in the Amount of $9,224.82, Payroll in the Amount of $119,582.83 and Accounts Payable in the Amount of $1,391,356.69
2. **Resolution 2021-005** Designating Fire Code Official
3. **Resolution 2021-006** Designating Official City Clerk and Deputy City Clerk
4. **Resolution 2021-007** Declaring the Official Intent of the City of Isanti to Reimburse Certain Expenditures
5. **Resolution 2021-008** Designating the Data Practices Responsible Authority and Designee for the City of Isanti
6. **Resolution 2021-009** Accepting Resignation for Liquor Store Clerk Cory Hed
7. Personnel Policy Updates
8. **Resolution 2021-010** Accepting Parks, Recreation and Culture Manager Letter of Resignation
9. Annual City Administrator Review Summary
10. Liquor Store Process Manual
11. **Resolution 2021-011** To Extend Site Use Agreement Between the City of Isanti and Catholic Charities

A motion was made by Lundeen, seconded by Gordon to approve the Consent Agenda as presented. Motion passed 4-0. Motion carried.



M. Other Communications

None

Adjournment

A motion was made by Lundeen, seconded by Gordon to adjourn. Motion passed 4-0. Motion carried.

Meeting adjourned at 9:07 p.m.
Respectfully Submitted,

Jaden Strand
City Clerk

Economic Development Authority
December 1, 2020
Meeting Minutes
VIA Zoom

1. **Call to Order**: The meeting was called to order at 9:57pm
    a. **Pledge of Allegiance**
    b. **Roll Call:** Members present: Jeff Johnson, Jimmy Gordon, Paul Bergley, Dan Collison, Steve Lundeen, Justin Nielson, Luke Merrill. Staff present: Community Development Director Sheila Sellman, City Administrator Josi Wood.
    c. **Agenda Modifications:** None

2. **Approval of the Agenda:** Motion by Lundeen, second by Merrill, motion passed 7-0.
3. **Approve minutes of November 4, 2020 regular meeting**: Motion by Lundeen, second by Bergley to approve, motion passed 7-0.

4. **Public Hearing**
    a. Sale and Subdivision of Shovel Ready site PID 16.124.0020: No one from the public was present for this item. Motion by Lundeen, second by Bergley to approve, motion passed 6-0 with Nielson abstaining.

5. **Business Items**

    a. Commercial land discussion: The EDA continued the discussion on buying commercial land for redevelopment/developments. Gordon reiterated he is against the city owning more land. Sellman explained there is no cash available to purchase. At the last meeting the EDA asked staff to provide an estimate on the cost to make a site shovel ready. Sellman reported with the survey work and application process it would cost around $15,000. No action was taken.

6. **Other Business/Updates/ Communications:** Sellman asked if one of the EDA members wanted to attend the Retail Academy as there is an open spot. The member will need to do this on their own time. Merrill expressed interest. Motion by Bergley to approve Merrill to attend the academy, second by Gordon, motion passed 7-0.
Sellman mentioned the annual Chamber of Commerce membership is due, the membership fee for 2021 is $503. The EDA discussed the Chamber before it merged with Cambridge and that they liked it better when the City had their own. It seems like Isanti has lost their identity in this group. Merrill mentioned being a member is good marketing for the city. The EDA would like Sellman to continue to attend the meetings and get more involved, the board will reevaluate the membership next year. Motion by Merrill to renew the membership, second by Bergley, motion passed 5-2. No: Johnson and Gordon.

7. **Adjournment:** Motion by Bergley, second by Lundeen to adjourn, motion passed 7-0 meeting adjourned at 10:14pm.

Respectfully Submitted – Sheila Sellman Community Development Director/EDA Secretary

Memo for Council Action

To: **Mayor Johnson and Members of the City Council**
From: Josi Wood, City Administrator
Date: January 19, 2021
Subject: Resolution 2021-XXX Metal Detecting Policy and Waiver

---

Council requested Staff to draft a policy on metal detecting on City Property. Staff has drafted a policy that outlines rules and also a liability waiver.

Staff requests direction on who will review and approve the requests and also if there are specific areas that it will not be permitted.

Request:
Staff is requesting discussion and possible action on this item.

RESOLUTION 2021-XXX

A POLICY ON METAL DETECTING ON CITY PROPERTY

WHEREAS, the Council permits the public to metal detect on city property under certain rules and regulations; and,

WHEREAS, the policy is attached as 'Exhibit A'; and,

WHEREAS, the form will be reviewed and approved by the _____;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota that metal detecting be permitted on city property in accordance with the attached policy and waiver liability form.

This Resolution is hereby approved by the Isanti City Council this 19th day of January 2021.

Attest: _____
Mayor Jeff Johnson

_____
Jaden Strand
City Clerk

City of Isanti, Minnesota
Metal Detecting Policy and
Waiver and Release

Please read carefully before signing.

1. I seek permission from the City of Isanti, Minnesota (the "City") to metal detect on the property at _____ (the "Activity") on _____(date(s)).

2. My participation in the Activity is voluntary. I know and am aware of all the dangers associated with my participation in this Activity. Said risks may include injury or accident to person (including death) or property or other loss, and I freely, voluntarily, and with such knowledge assume any and all such risks while performing the Activity.

3. I agree to remove any and all trash found in connection with metal detecting this property and to not leave any areas disturbed due to this Activity.

4. I agree to follow all State and Federals laws including but not limited to not detecting on or near any sacred area or area having archaeological importance.

5. Items of historical or monetary significance will be given to the City.

6. I understand and agree that neither the City nor any person acting on behalf of the City, may be held liable in any way for any event which occurs in connection with this Activity which may result in harm, death, injury or other damage to me. This waiver of liability does not waive liability for any injuries that I obtain as the result of willful, wanton or intentional misconduct by the City or any person acting on behalf of the City.

7. I agree to defend, indemnify and hold harmless the City for any expense or liability the City may incur as a result of my conduct, actions or omissions while performing the Activity.

8. I have read the above and understand the legal significance of signing this document.

Memo for Council Action

To: **Mayor Johnson and Members of the City Council**
From: Matt Sylvester- Public Services Director
Date: January 19, 2021
Subject: Resolution 2021-XXX Approving a Special Event Request for the 2021 Downtown Street Dances

Background

City staff has submitted a special event permit application to host four downtown street dances. The first street dance will be held Saturday, June 19 from featuring ***Bad Jack***. The second is on Saturday, July 17 featuring ***The Farmer's Daughters.*** The third dance is on Saturday, August 7 featuring ***Skitzo Fonic***. A fourth dance is being added to the 2021 line up for Saturday, September 11 from featuring ***Good for Gary***. All four street dances will be from 7:00 to 11:00 pm.

The dances will be held at the intersection of 1st Avenue and Main Street. The estimated number of people to be in attendance is 500 - 1000 people per dance. A beer wagon, food vendors, and non-food vendors will be present at each dance. Alcohol sales will be monitored through the use of wristbands and law enforcement presence. The event will be free to the public. A 15' x 35' stage will be set-up in the right-of-way on the north intersection of 1st Avenue and Main Street. Parking for the event will be located at City Hall, the public parking lot along Short Street, Eagle Park, and some street parking.

Given that the events are street dances, some roadways will be closed for the event. Main Street from the Railroad tracks to 2nd Ave NW as well as 1st Ave NW from the alley south of City Hall to the alley south of the Qwest building will be closed for the event. The city contracted portable restrooms company will provide restroom facilities for the event. Portables will be placed on 1st Ave south of Main Street and on the grass lot east of Isanti Retail Meats (pending approval from Retail Meats). Additional trash and recycling receptacles will be brought in for the events; City staff will clean up after the event. There will be a public addressing system and sound amplification provided outside by the band on stage. Both Public Works and the Police Department will be providing assistance with the event.

Should the weather not cooperate for any of the events, the event will be cancelled. Any cancellations will be posted to the City's website and the City of Isanti Facebook page as early as possible.

The attached site plan shows the location of components for the event on Main Street. Copies of letters that will be sent to surrounding property owners have also been attached for Council review. The complete application as well as departmental review are attached.

Staff Request

City staff is requesting approval of the Street Dance Special Event Permit application and attachments.

RESOLUTION 2021-XXX

APPROVING THE SPECIAL EVENT APPLICATION FOR THE 2021 DOWNTOWN STREET DANCES

WHEREAS, the City of Isanti will be hosting Downtown Street Dances to be held at the intersection of 1st Avenue and Main Street within downtown Isanti on June 19, July 17, August 7, and September 11, 2021; and,

WHEREAS, the street dances be will be held from 7:00-11:00 p.m.; and,

WHEREAS, the events are free and open to the public; and,

WHEREAS, the City of Isanti will require assistance from both the Police Department and the Public Works Department for the events; and,

WHEREAS, City staff are requesting that the $100.00 clean up deposit fee and the $50.00 temporary sign permit fee be waived for this event;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, to hereby waive the $100.00 clean up deposit and $50.00 temporary sign permit fee and approve assistance and authority in the areas as provided below for the Street Dances to be held on Saturday, June 19, Saturday, July 17, Saturday, August 7, and September 11, 2021:

1. Assistance from both Public Works and the Police Department for the event when necessary.
2. Closure of a portion of Main Street W beginning at the Railroad tracks to 2nd Ave as well as the 1st Ave from the Alley south of City Hall to the alley south of the Qwest building.
3. Placement of a stage within City Right-of-Way located between Isanti Retail Meats and the old Creamery building.
4. Parking to be provided at City Hall, public parking lot off of Short Street, Eagle Park, and on City streets.
5. Ability to serve alcohol from a beer wagon and have designated food and non-food vendors present and located as shown on the site plan.
6. Allow a public address system and sound amplification for the bands.
7. No back up locations will be booked.
8. Placement of temporary directional signs on City property and private property (with property owner permission) to direct individuals to the event and parking areas.

AND FURTHERMORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota that this Resolution is hereby the 'Permit' for the above stated Special Events.

This Resolution hereby approved by the Isanti City Council this 19th day of January 2021.

SPECIAL EVENT PERMIT APPLICATION
City of Isanti
110 First Avenue NW • PO Box 428
Isanti, MN 55040
Phone: 763.444.5512 • Fax: 763.444.5560
www.cityofisanti.us

If you are a planning an event that requires a Special Event Permit, please complete the application and any required supplemental forms. To ensure your application is processed quickly, be specific and complete in all responses.

Special Event Permit Guideline: Please see city code section 278 "Special Events" for more detailed information.

Applications must be submitted at least 30 days prior to the event to be considered.

ITEMS TO ACCOMPANY THE APPLICATION

Required with all applications

- ☒ Complete Application Form
- ☐ Cleanup Deposit Fee - $100
- ☐ Proof of Insurance or Certificate of Insurance
- ☒ Site Map
- ☒ Approval Letter from the Property Owner
- ☒ Proof of written notification to property owners within 350 feet of the special event

Check all that apply:

- ☒ Signs will be posted for event:
  - ☐ Temporary Sign Permit Application required
  - ☐ $50 fee
- ☒ Alcohol will be served and/or sold at event:
  - ☐ Licenses (may take up to 60 days to process)
  - ☐ Fees apply, amounts vary by license type.
- ☒ Vendors will be present:
  - ☐ Peddler's Permit (background check required) submitted by event organizer only
  - ☐ $25 fee for one-day applications
  - ☐ Vendor List
- ☒ Event will occur on City Property:
  - ☐ Release and Indemnification Agreement

Supplemental information may be required by City staff.
Additional forms can be found on the City of Isanti website or requested at Isanti City Hall. Please note that additional required permits or licenses may take additional time to process.

Proposed Location of the Event (be specific, site map also required):

Downtown Isanti: the stage will be located on 1st Ave, on the north side of Main St (at the corner)

Estimated Number of People in Attendance (includes staff, participants, and spectators):

500-1000 per event

Parking Impact – Describe in detail:

Parking is available at City Hall, the public parking lot off of Short St, Eagle Park and street parking.

Tents, equipment, amusement rides, etc.

Type: Stage and pop up tent

Size: Stage (15'x35') and pop up tent (10'x10')

Location: Intersection of 1st Ave and Main St

Are Fire Prevention or EMS needed? Please specify and if being provided, please identify the name or entity providing these services:

NA

Are you requesting any street closures? If yes, list streets:

1st Ave from the alley south of city hall to alley south of Qwest building; Main St from public parking lot entrance just west of railroad tracks to 2nd Ave N.

These sections of closure will begin between 1:00 and 2:00pm the day of the event for June 19, July 17, August 7 and Sept 11 events.

Restrooms (Portable) – Name or entity providing these services; and number of facilities to be provided. When other restroom facilities are not provided on-site or are limited; the applicant will need to pay for additional restroom facilities. For those events exceeding 75 persons, one (1) additional restroom shall be provided; for events exceeding 150 persons, two (2) additional restrooms shall be provided. For events exceeding 250; the Planning for Special Events-Usage Chart shall be used.

City contracted portable restrooms will be available and staff will assess prior to each event.

Security Plans – Name or entity providing these services. (A Police Officer is required if alcohol is being served or at the discretion of the Police Chief).

Alcohol sales will be monitored with use of wrist bands and law enforcement presence.

Clean-up Plans – Describe in detail:

Public works and city staff will clean up after each event - collect trash, move picnic tables out of the way, remove stage and re-open streets.

Isanti

January 6, 2021

Dear Isanti Resident:

The City of Isanti will be hosting street dances throughout Summer 2021 on Saturday **June 19**, (*Bad Jack*), Saturday **July 17** (*The Farmers Daughters*), Saturday **August 7** (*Skitzo Fonik*) and Saturday September 11 *(Good For Gary)*, Bands will begin playing at 7:00 pm and finish at 11:00 pm. The featured band will perform on an outdoor stage at the corner of 1st Avenue and Main Street, between Isanti Retail Meats and the old Creamery Crossing building.

If you live close to the intersection of Main Street and 1st Avenue you may be able to hear the music from your home. The band will be playing from 7:00 -11:00 pm with sound check beginning as early as 4:00 pm. Please be advised that music will be played at levels within City approved regulations.

The street dance will require street closures for participant safety. Main Street will be closed from just west of the railroad tracks to 2nd Avenue. 1st Avenue will be closed from the alley south of Main Street to the alley north of Main Street before City Hall. The road closures will begin between 1:00 and 2:00 pm on the day of each event. Please make plans for this in advance of the event. **No Parking will be allowed on the closed portion of Main Street from 2:00 pm the day of the event until 12:00 am the next day.** We appreciate your cooperation.

We hope you will attend the street dance event and enjoy the concert, beer wagon, and food vendors that will be present.

If you have any questions or concerns, please contact Matt Sylvester at 763-444-5512 or isantiparks@cityofisanti.us.

Sincerely,

Matt Sylvester
Public Services Director

January 6, 2021

Dear Isanti Business Owner:

The City of Isanti will be hosting street dances throughout Summer 2021 on Saturday **June 19**, (*Bad Jack*), Saturday **July 17** (*The Farmers Daughters*), Saturday **August 7** (*Skitzo Fonik*), and Saturday September11. (*Good For Gary).* Bands will begin playing at 7:00 pm and finish at 11:00 pm. The featured band will perform on an outdoor stage at the corner of 1st Avenue and Main Street, between Isanti Retail Meats and the old Creamery Crossing building.

These events will require street closures for participant safety.

- Main Street will be closed from just west of the railroad tracks to 2nd Avenue.
- 1st Avenue will be closed from the alley south of Main Street to the alley north of Main Street.
- The road closures will begin as early as 1:00 pm the day of each event.
- Please make plans for this in advance of the event.

No Parking will be allowed on the closed portion of Main Street from 2:00 pm the day of the event – 12:00 am the next day. We appreciate your cooperation.

We hope you will take advantage of the heightened foot traffic that will be in the Downtown Isanti area during the time of these events. You are welcome to hand out information to promote your business such as coupons to redeem at a later date or a discount offered for this day. We hope that these events prove advantageous for your business.

If you have any questions, please call me at 763-444-5512 or email me at isantiparks@cityofisanti.us.

Sincerely,

Matt Sylvester
Public Services Director

Good Afternoon-

I have attached the 2021 Special Event Permit for your review. Events will be on June 19, July 17, August 7, and September 11. Not much has changed from last years' events. We will again need Police assistance this year.

Please respond with comments and/or approval.

Thanks!

CITY COUNCIL MEMO

To: **Mayor Johnson and Members of City Council**
From: Matt Sylvester, Public Services Director
Date: January 19, 2021
Subject: Resolution 2021-XXX Approving Compost Facility Operation

---

Background:
The City Council has reviewed the compost facility hours of operation and the hiring of seasonal public works staff on an annual basis. Below are the proposed days/hours of operation for the 2021 season. The recommended season open date would be Tuesday, April 20th and season close date would be Sunday, November 7th with hours the same as the 2020 season.

2021 Proposed Compost Hours of Operation:
April 20th – November 7th
Saturday – Noon – 5:00pm
Monday – Closed
Tuesday – 1:00pm – 7:00pm *or sunset
Wednesday – Closed
Thursday – 1:00pm – 7:00pm *or sunset
Friday – Closed
Sunday – Open Noon -5:00pm -April 25th, May 2nd, May9th, Oct 24th, Oct 31st, and Nov 7th.

Closed in Observance of Holiday
- Saturday, July 3 – 4th of July

Seasonal Staff:
The 2021 budget has funds for three public works seasonal employees.

Requests:
Staff is seeking action on this item to post compost facility hours and approval to post for seasonal public works employees.

Attachments:
- Resolution 2021 – XXX

RESOLUTION 2021-XXX

APPROVING OPERATION OF THE COMPOST SITE

WHEREAS, the compost facility will be staffed by an attendant to monitor that only grass and leaves be accepted per our permit; and,

WHEREAS, the compost site will also be open the first 3 Sundays of the season from noon to 5:00 beginning on April 25th and the last 3 Sundays of the season beginning on October 24th; and

WHEREAS, the compost site will be open to the public for residential yard waste including grass clippings and leaves when the site is staffed Tuesdays and Thursdays 1:00 p.m. to 7:00 p.m. or sunset and Saturdays noon to 5:00 p.m. beginning April 20 and closing November 7;

WHEREAS, the compost site will be closed for the following day in observance of the Holiday: July 3rd;

NOW THEREFORE BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ISANTI, MINNESOTA AS FOLLOWS:

1. Staff may post the hours the compost site will be open when it is staffed Tuesdays and Thursdays 1:00 p.m. to 7:00 p.m. or sunset, Saturdays' noon to 5:00 p.m., and the first and last 3 Sundays of the season noon to 5:00p.m.
2. Staff may post the dates the site is open for the season; April 20th - November 7th.

This resolution was duly adopted by the Isanti City Council this 19th day of January, 2021.

Attest: Mayor Jeff Johnson

RESOLUTION 2021-XXX

DESIGNATING POLLING PLACES IN CITY OF ISANTI

WHEREAS, Minnesota Statutes § 204B.16 requires the governing body of each municipality to designate, by ordinance or resolution, a polling place for each election precinct; and,

WHEREAS, the City Council of the City of Isanti has created Precinct 1 (City Hall) and Precinct 2 (Isanti Community Center) with Official Polling Places, as adopted and designated in Resolution 2015-288; and,

WHEREAS, the City of Isanti Council re-designates a polling place location for each precinct in accordance with all state statutes;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, hereby designates the polling places for each precinct as follows:

1. The official Polling Place location for Election Precinct 1 is Isanti City Hall, 110 First Avenue NW, Isanti, Minnesota 55040.

2. The official Polling Place location for Election Precinct 2 is Isanti Community Center, 208.5 First Avenue NW, Isanti, Minnesota 55040.

This Resolution is hereby approved by the Isanti City Council this 19th day of January 2021.

Attest: Mayor Jeff Johnson

Jaden Strand
City Clerk

RESOLUTION 2021- XXX

AUTHORIZING THE APPLICATION TO ENTER INTO AN AGREEMENT WITH THE MINNESOTA OFFICE OF TRAFFIC SAFETY GRANT FOR SAFE AND SOBER HIGH VISIBILTY ENFORCEMENT

WHEREAS, the Minnesota Office of Traffic Safety offers an enhanced traffic enforcement grant to promote roadway and driver safety awareness and education, and;

WHEREAS, the Isanti Police Department has participated in this grant for ten plus years and is partnering with Cambridge PD, Braham PD and Isanti County Sheriff's Office to provide high visibility enforcement, and;

WHEREAS, receives compensation for the officer's wages and benefits for hours worked;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota as follows:

1. Be it resolved that Isanti Police Department enter into a grant agreement with the Minnesota Department of Public Safety, Office of Traffic Safety for Traffic Safety Enforcement projects during the period from October 1, 2020 through September 30, 2021.

2. That the Chief of Police or designee is hereby authorized to execute such agreements and amendments as are necessary to implement the project on behalf of the City of Isanti and Isanti Police Department; and that the fiscal agent of the grant will be the City of Isanti.

Adopted by the Isanti City Council this 19th day of January 2021.

RESOLUTION 2021 -XXX

APPROVING STAFF TO SUBMIT APPLICATIONS FOR GRANTS PERTAINING TO ACTIVITIES AND PROGRAMS IN POLICE DEPARTMENT FOR 2021

WHEREAS, City staff has been notified of eligible grant opportunities; and,

WHEREAS, the City of Isanti has been awarded grants for public safety projects in the past; and,

WHEREAS, each year, there are grants available specific to the types of activities conducted by the Police department through organizations like Toward Zero Deaths, the Department of Justice; and,

WHEREAS, City staff has approval for submission of applications to grants listed above and to future grant opportunities that pertain to public safety and the Police department. Submittal of grants that fit within the described areas will be based upon City staff's discretion and their ability to complete the background work to submit the application; and,

WHEREAS, if awarded funding through grant opportunities as outlined in this resolution, funds would be accepted through City Council and distributed through the appropriate Police Department fund;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, to hereby approve City staff to apply for grant opportunities that pertain to Public Safety and the Police department for 2021.

This Resolution hereby approved by the Isanti City Council this 19th day of January 2021.

Memo for Council Action

To: Mayor Johnson and Members of the City Council
From: Travis Muyres, Chief of Police
Date: January 19, 2021
Subject: Resolution 2021- XXX Authorizing Purchase of 2021 AWD Dodge Charger and Associated Equipment

---

Background:
The Isanti Police Department has a fleet plan to purchase patrol vehicle in 2021 in accordance to Capital Improvement Plan. The 2021 budget for Fund 920 has allocated $49,670 for this purchase.

Dodge Charger AWD	27055.00
Emergency Equip And setup	10176.14
Printer	499.00
Radar	2966.00
Graphics	740.00
Watchgaurd camera system	7850.00
Radio	3930.65
Toughbook computer	2158.00
TOTAL	55,374.79

Request:
Staff is requesting action on this item.

Action Required:
If the Council concurs, it should by motion, take the following actions:

1. Approve purchase of 2021 Dodge Charger AWD and associated equipment and authorize the Finance Director to amend the budget accordingly.

RESOLUTION 2021-XXX

AUTHORIZING PURCHASE OF 2021 DODGE CHARGER AWD AND EQUIPMENT

WHEREAS, the police department capital improvement plan approves purchase of police vehicle and equipment for 2021; and,

WHEREAS, the purchase quote for vehicle, radar, radio and camera system were utilized under state bid and/or HGA quotes to equip vehicle as follows:

Dodge Charger AWD	27055.00
Emergency Equip And setup	10176.14
Printer	499.00
Radar	2966.00
Graphics	740.00
Watchgaurd camera system	7850.00
Radio	3930.65
Toughbook computer	2158.00
TOTAL	**55,374.79**

WHEREAS, the total purchase amount of vehicle and equipment is $55,374.79; and,

WHEREAS, funding for purchase would be Capital Outlay 920-42110-500;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota hereby authorizes the following:

1. The purchase of a 2021 Dodge Charger AWD pursuit vehicle.
2. To purchase necessary emergency equipment and outfit said vehicle.
3. Authorize the Finance Director to make necessary budget adjustments based on actual final cost.
4. Authorize staff to sign required documentation for the purchase of vehicle and equipment.
5. Authorize payment, if needed at the time of delivery prior to inclusion on Accounts Payable listing.

This resolution was duly adopted by the Isanti City Council the 19th day of January 2021

MEMORANDUM

Date: January 13, 2021

To: Honorable Mayor Johnson and Members of the City Council
City of Isanti

From: Jason W Cook, P.E.
City Engineer

Subject: Engineering Services Proposal to Complete Liquor Store Site Design & Construction
City of Isanti, MN

Bolton & Menk, Inc. is pleased to present this proposal for engineering services for the site design of the proposed liquor store at 10 6th Avenue SE.

The proposed parking lot and storm water management will meet City zoning requirements. The building can generally be described as a 11,750 square foot building housing the proposed liquor store facilities.

Site Design & Construction:

We propose to perform the site design, project management, construction surveying and construction inspection needed to facilitate the completion of the proposed parking lot and utility extension for the new liquor store building.

We propose to complete the site design and specifications, through bidding, for an hourly, not to exceed, fee of $32,600.

We propose to complete site construction staking, project management, and site inspection services, for an hourly, not to exceed, fee of $28,400. This does not include building inspections.

The proposed total engineering fees are significantly lower than the budgeted amount for these services.

Please contact me at (763) 200-2444 if you have any questions or need additional information.

RESOLUTION 2021-XXX

AUTHORIZING ENGINEERING SERVICES FOR THE LIQUOR STORE SITE IMPROVEMENTS

WHEREAS, it is proposed to construct a new liquor store with parking lot and site improvements; and,

WHEREAS, Bolton & Menk, Inc. has submitted a fee proposal for Engineering Services to complete the site design including site layout, grading, utilities, landscaping and site permitting for an hourly, not to exceed, fee of $32,600; and,

WHEREAS, Bolton & Menk, Inc. has also submitted a fee proposal for Engineering and surveying services to complete the site inspection, testing, and site project management services for an hourly, not to exceed, fee of $28,400; and,

WHEREAS, these fees are significantly under the budgeted amount for this project;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota as follows:

1. Bolton & Menk, Inc., as the City Engineer, is hereby designated as the engineer for the site improvements and shall complete all engineering design services as outlined in the fee proposal memo for an hourly, not to exceed, fee of $32,600.

2. Bolton & Menk, Inc., as the City Engineer, is hereby designated as the engineer for the site survey, inspection, and site management and shall complete all engineering and surveying site services as outlined in the fee proposal memo for an hourly, not to exceed, fee of $28,400.

This resolution was duly adopted by the Isanti City Council this 19th day of January 2021.

MEMO

To: **Mayor Johnson and Members of the City Council**
From: Josi Wood, City Administrator
Date: January 19, 2021
Subject: Review Purpose of Goal Setting Session

Purpose:
It has been the City Council's practice to conduct an annual goal setting session to balance workload and demand with available resources. The purpose of our goal setting session is to develop consensus to determine top priorities for 2021, provide direction on the 2021-22 budget principles, and develop a work plan which provides direction to staff for a period of 12 months and beyond. To assist with the prioritization of 2021 projects, staff has assembled several attachments for City Council's review. Attachments for goal setting items reflects the best information available to staff and does not reflect any assumptions regarding the Council's priorities.

Annually, the City Council adopts a comprehensive budget to provide for regular on-going operations, investment in the City's capital assets and infrastructure, and funding for new projects or services prioritized by the City Council. The City includes 30 FT personnel, 20 PT personnel, use of contracted employees and many capital improvement plan (CIP) projects which are outlined below.

After review of the items for discussion, including any new items brought to the meeting, Council will be asked to determine top priorities and objectives.

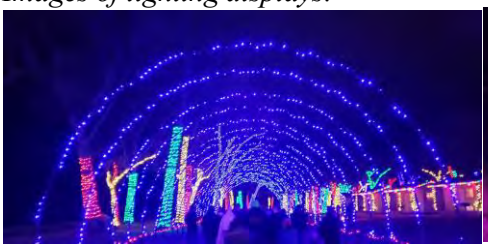
J.

MEMO

To: **Mayor Johnson and Members of the City Council**
From: Josi Wood, City Administrator
Date: January 19, 2021
Subject: 2021 Goal Setting Discussion Items



Below are discussion items to determine if the City would like to consider implementation?

1. Holiday Lighting Display and Community Involvement

Many cities have a holiday lighting display for people in the community to view. Bluebird Park could potentially make a great location for a drive-through display to be placed on both sides of 1st Avenue through the windy section of the road from the Basketball Court area to Isanti Parkway and/or also a walk-along display near the paved trail. This activity could be started by the City by allocating funds but also could involve area businesses and organizations to help grow the event through sponsorship and support. The cost varies widely on the size of each display. If the City was looking to start this on their own, it is recommended to allocate $10-15,000. There are very few outlets within the BB Park area. Cost to trench in new outlets would be approximately $500-1000 for each outlet depending on location.

There are also cities who have a Holiday decorating contest. This would be similar to when the City had the "Mayor's Great Yard Award" where there would be a 1st, 2nd, and 3rd place winner for best decorated house/business.

Images of lighting displays:

2. Veteran's Memorial on/near Bluebird Park Amphitheater

3. Lighting and Snow Making at the Sledding Hill

4. Speed Limits Reduced to 20 mph in Developments

5. Smart Irrigation Controller Reimbursement Program

The City of Burnsville implemented a smart irrigation controller reimbursement program. The smart controller is purchased by the homeowner (approximately $200-300) and uses Wifi and a weather app. It replaces the rain sensor and will monitor the weather and water when needed. The City of Burnsville have seen a reduction in water usage from the residents that have them installed. Burnsville has been doing the rebate program for 3 years. They reimburse up to $200. They have about 100 new people sign up for the program each year and they think they have between 300 and 400 people.

6. Workforce Housing

Over the last couple of months staff has been contacted by some multi-family housing developers. They are interested in building "workforce" housing in Isanti and are looking for incentives. Workforce housing is defined as housing affordable to households earning between 60% and 120% of the area medium income (AMI). According to the last US Census the AMI for Isanti County is $74,616. That means workforce housing is targeting people with incomes of $44,769 to $89,539 according to these numbers. While it appears affordable it may not be affordable to everyone. Low income is defined as those earning less than 50% of AMI, so workforce housing is not targeting this demographic.

To measure affordability in housing, we look at cost-burden households, the accepted standard for cost-burden household is a household that spends 35% or more of household income on housing costs. According to HHH Capstone East Central MN Housing Study "the city of Isanti has over 25% of households cost-burdened by their housing, which indicates a significant need for additional affordable housing."

Based on past conversations it seems the Council isn't interested in providing incentives for this type of housing. Staff would like to confirm this trend or discuss further with the council. According to HHH Capstone East Central MN Housing Study, "a growing population increases the demand for additional housing including mutli-family and senior".

7. Business Registration

In 2019 the EDA intern sent a letter to all businesses in the City requesting information on business information and contact information. We use this to update our business listings on the webpage and to keep an accurate employee count. Included on that form is a space for emergency contact information that the Police Department, Fire Department and Isanti Dispatch use (this information is not shared with the public). The return rate on these forms was rather disappointing. As stated, this information is valuable to many departments and for many reasons.

Staff would like to discuss the possibility of requiring something like this for businesses in Isanti. It would be a business registration (not a license) that we require of every business to fill out on an annual basis (if nothing changes, they don't have to fill out), when they first open or when changes occur. We would keep this as one form and Community Development would share the information with PD, FD, and Isanti Dispatch, that way there is only one form. This would also help staff get a better handle on when new businesses come to town. Right now, if new businesses come to town staff is not notified unless they need a permit or some other approvals. If they are permitted and are not doing any remodeling, they move in without staff even knowing about it. Implementing a program like this will take some staff time to notify existing businesses, realtors, management companies and property owners. If this becomes a requirement, we may want to put this into ordinance form so that it is enforceable and easy for people to find when they are looking for business requirements within the city.

K. Business Items

City Administrator Josi Wood

1. Resolution 2021-XXX A Policy on Metal Detecting on City Property

City Administrator Josi Wood shared that staff looked into what other cities had for a metal detecting policy and unfortunately the response was low but there was a city that provided a waiver. Wood stated that she had put together a policy and waiver for Council consideration.

A motion was made by Lundeen to postpone for further discussion at the February 2nd City Council meeting, seconded by Collison. Motion passed 5-0. Motion carried.

2. Resolution 2021-012 Approving the Special Event Application for the 2021 Downtown Street Dance

City Administrator Josi Wood shared that this is a Special Event Permit for the Street Dances. The bands included are Bad Jack, The Farmer's Daughters, Skitzo Fonic and Good for Gary which are slated to play from 7-11 p.m. Wood further shared that the street dances will follow suit from previous years with blocking off streets between noon and 2:00 p.m. to allow for stage setup. The only thing that may need consideration is if an amphitheater is built, amending this Special Event Permit to have something there.

Motion by Lundeen, second by Collison to approve resolution as presented. Motion passed 5-0. Motion carried.

Public Services Director

3. Resolution 2021-013 Approving Operation of the Compost Site

Public Services Director Matt Sylvester shared that the hours coincide with last year's dates with opening Tuesday, April 20th and closing Sunday, November 7th with the first three Sundays and last three Sundays be open as well as Saturdays throughout the Summer. The only holiday it would be closed for is July 3rd for the 4th of July holiday.

Motion by Lundeen, second by Gordon to approve resolution as presented. Motion passed 5-0. Motion carried.

L. Approve Consent Agenda

1. Payroll in the Amount of $116,649.26 and Accounts Payable in the Amount of $776,808.73
2. **Resolution 2021-014** Designating a Polling Place
3. **Resolution 2021-015** Authorizing the Application to Enter into an Agreement with the Minnesota Office of Traffic Safety Grant for Safe and Sober High Visibility Enforcement
4. **Resolution 2021-016** Approving Staff to Submit Applications for Grants Pertaining to Activities and Programs in Police Department for 2021
5. **Resolution 2021-017** Authorizing Purchase of 2021 AWD Dodge Charger and Associated Equipment
6. **Resolution 2021-018** Authorizing Engineering Services for the Liquor Store Site Improvements

Councilor Gordon asked if the cost of purchasing the charger went up because of inflation.

Chief of Police Travis Muyres stated the cost was due to inflation not adding in additional equipment.

Motion by Lundeen, second by Bergley to approve consent agenda as presented. Motion passed 5-0. Motion carried.

M. Other Communications

1. December and Annual Police Department Reports
2. December Code Enforcement Officer Report
3. December Building Inspector Report
4. January Engineering Project Status Report

City Administrator Josi Wood shared that the City had just received the owners and conference report for the property at 401 1st Ave which is the Police Department/ Fire District lot and she would be sending that to Fire Chief Al Jankovich to review in the morning so they can review for their board meeting that evening.

Adjournment

A motion was made by Lundeen, seconded by Bergley to adjourn. Motion passed 5-0. Motion carried.

Meeting adjourned at 7:16 p.m.
Respectfully Submitted,

Jaden Strand

MINUTES
CITY OF ISANTI
CITY COUNCIL COMMITTEE OF THE WHOLE MEETING
TUESDAY, JANUARY 19, 2021 – 5:00 P.M.
CITY HALL

Mayor Johnson called the meeting to order at 5:01 p.m.

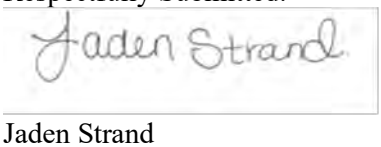
The Pledge of Allegiance was recited.

Members Present: Mayor Jeff Johnson, Councilors: Jimmy Gordon, Paul Bergley (arrived at 5:05 p.m.), Steve Lundeen and Dan Collison

Staff Present: City Administrator Josi Wood, City Clerk Jaden Strand, Community Development Director Sheila Sellman, City Engineer Jason Cook, Public Services Director Matt Sylvester, Finance Director Mike Betker, Liquor Store Manager John Jacobi, Chief of Police Travis Muyres and Human Resources Director Katie Brooks

Others Present: Attorney Tim Sullivan

D. Public Comment
None



E. Committee Meeting Items

1. Policy(s) Discussion

- Staff was looking for consensus for which positions are permitted to take a City vehicle home.
- Staff is also looking for consensus on parameters around such a policy.
- Lexipol Policy conflicts with City Policy.
- Staff is looking for consensus if Council would like all policies to come to Council for review or follow current process outlined by Personnel Policy.
- Consensus from Committee of the Whole is approval be sought by the City Administrator for staff to drive City vehicle home.
- Consensus from Committee of the Whole is that the individual does not live beyond the farthest point in the County however further discussions regarding mileage was requested.

F. Adjournment
Meeting was adjourned at 6:09 p.m.

Respectfully Submitted.

Jaden Strand
City Clerk

MINUTES
CITY OF ISANTI
CITY COUNCIL GOAL SETTING WORK SESSION
TUESDAY, JANUARY 19, 2021
5:30 PM
CITY HALL

Mayor Johnson called the meeting to order at 6:15 p.m.

The Pledge of Allegiance was recited.

Members Present: Mayor Jeff Johnson, Councilors: Jimmy Gordon, Paul Bergley, Steve Lundeen and Dan Collison.

Members Absent: None

Staff Present: City Administrator Josi Wood, City Clerk Jaden Strand, Community Development Director Sheila Sellman, City Engineer Jason Cook, Public Services Director Matt Sylvester, Finance Director Mike Betker, Liquor Store Manager John Jacobi, Human Resources Director Katie Brooks and Chief of Police Travis Muyres

D. Welcome and Review Purpose of Goal Setting Session
City Administrator Josi Wood shared that the purpose of a goal setting session is to develop consensus to determine top priorities for 2021, provide direction on the 2021-2022 budget principles, and develop a prioritization of 2021 projects. It also gives a workplan for staff that helps determine if there is other staff needed in areas.

E. Existing Council Approved/ On-going Plans
City Administrator Josi Wood shared that Memo E consisted of existing Council approved/ on-going plans.

F. 2020 Goals and Progress Summary
City Administrator Josi Wood shared that Memo F consisted of 2020 Goals and Progress Summary

G. 2021-2023 Budgeted Projects in CIP
City Administrator Josi Wood shared that Memo G are the top bucket items that are within the Capital Improvement Plan slated for years 2021, 2022 and 2023.

H. Current Staffing Plan
City Administrator Josi Wood shared that Memo H consisted of the current and future City Organizational Chart. Future changes include 1 Full-Time Utility Lead in 2023, 1 Full-Time Police Officer in 2024, Increase Community Services Officer to Full-Time in 2022 and 2 Part-Time Liquor Store Clerks in 2021.

I. 2005 – 2019 Established Council Goals for Reference

City Administrator Josi Wood shared that Memo I consisted of previous goals from year 2005-2019.

J. Goal Setting Discussion Items and Staff's Supporting Documentation

1. Holiday Lighting Display and Community Involvement
    - Recommendation from City Council is for staff to present options of funding sources to Committee of the Whole for further discussion.

2. Veteran's Memorial on/near Bluebird Park Amphitheater
    - Recommendation from City Council is for staff to reach out to VFW to see if they want to donate to put in a Veteran's Memorial and reach out to the City of Cambridge to see the cost for their Veteran's Memorial and bring to Committee of the Whole for further discussion.

3. Lighting and Snowing Making at the Sledding Hill
    - Recommendation from City Council is to bring back for further discussion.

4. Speed Limits Reduced to 20 mph in Developments
    - Recommendation from City Council to look into purchasing a flashing speed limit sign and brackets so the sign can move around town and for staff to bring speed data to Committee of the Whole for further discussion.

A motion was made by Bergley, seconded by Collison to postpone the remainder of the meeting to after the Planning Commission meeting later that evening. Motion passed 5-0. Motion carried.

Mayor Johnson reopened the meeting at 8:30 p.m.

5. Smart Irrigation Controller Reimbursement Program
    - Recommendation from City Council is for staff to look into the program and zoning requirement further and bring to Committee of the Whole for further discussion.

6. Workforce Housing
    - Consensus from City Council is there is no interest in providing incentives for workforce housing and there is potential interest in providing incentives for senior housing.

7. Business Registration
    - Consensus from City Council is to not require businesses to register.

8. *Other Items Added at Meeting*
    - Mayor Johnson stated he would like a car allowance for the City Administrator discussed at Committee of the Whole. City Administrator Wood stated she respectfully declines having the item for discussion.

K. Establish 2021 Goals
    - No further action was recommended.

L. Adjournment

Motion by Johnson, second by Bergley to adjourn. Motion passed 5-0. Motion carried. The meeting adjourned at 9:15 p.m.

Respectfully Submitted,

Jaden Strand

Jaden Strand
City Clerk

CITY OF ISANTI
PLANNING COMMISSION MEETING
TUESDAY, December 15, 2020
VIA ZOOM

1. Meeting Opening

A. **Call to Order**: Chair Johnson called the meeting to order at 7:40pm.
B. **Pledge of Allegiance**
C. **Roll Call:** Commissioners present: Jeff Johnson, Paul Bergley, Jimmy Gordon, Steve Lundeen, Dan Collison, Arissya Simon. Members absent: Alexander Collins.
Staff present: Community Development Director Sheila Sellman, City Administrator Josi Wood.
D. **Agenda Modifications:** None

2. Meeting Minutes

A. Approval of Minutes from November 17, 2020 Planning Commission Meeting. Motion by Collison to approve, second by Bergley, motion passes 5-0. We were unable to hear Commissioner Simon.

3. Public Hearing

A. Ordinance Amending the City Zoning Code, Ordinance 445 Section 16 signs: Sellman gave the staff report and explained this amendment was at the direction of the Planning Commission. The change is only for the Highway 65 Overlay District. No one from the public spoke on this item. Gordon stated we already require them to have landscaping around the sign and the business owner knows their business and should be able to have a sign that they think is best. There was discussion on how the Highway 65 corridor is the gateway to the city and it should be held to a higher standard. Motion by Lundeen to approve the ordinance amendment as presented, second by Collison, motion passed 3-2. Bergley and Gordon No. We were unable to hear Commissioner Simon.

B. Ordinance Amending the City Zoning Code, Ordinance 445, Section 6 Residential Districts: Sellman gave the staff report and explained that Fire Station is a Conditional Use in the R-3A district and as part of the sale to the Fire District we need to add Fire Station as a permitted use. No one from the public spoke on this item. Motion by Collison to approve, second by Lundeen, motion passed 5-0. We were unable to hear Commissioner Simon.

4. Other Business: None

5. Discussion Item

A. Concept Plan: Sellman gave the staff report on a housing concept plan for 80-acres north of Cajima adjacent to the golf course. The proposal includes a mix of single-family residential development of about 174 lots. The Commission would like to see some type of open space for this area, but is not interested in a city park. The site has some challenges with wetlands and the gas easement. Overall, the Planning Commission was in favor of the development. We were unable to hear Commissioner Simon.

6. Adjournment: Motion by Bergley, second by Lundeen to adjourn, motion passed 5-0 meeting adjourned at 8:18pm. We were unable to hear Commissioner Simon.

Respectfully Submitted by Sheila Sellman Community Development/Secretary.

A Community For Generations.

Request for City Council Action

To: **Mayor Johnson and Members City Council**
From: Jaden Strand, City Clerk
Date: February 2, 2021
Subject: Resolution 2021-XXX to Extend Partnership Agreement with ECRL

Background:
East Central Regional Library (ECRL) Assistant Director Rachel Garret Howell will be present to provide an update on the Library Outreach Stop, and request to extend the Partnership Agreement through the year 2021.

Request:
Staff is requesting action on this item.

Attachments:

- Partnership Agreement

RESOLUTION 2021-XXX

APPROVING PARTNERSHIP AGREEMENT BETWEEN THE CITY OF ISANTI AND THE EAST CENTRAL REGIONAL LIBRARY

WHEREAS, on December 7, 2010 the City Council approved Resolution No. 2010-274, a Resolution Extending the Original Partnership Agreements Between the City of Isanti and the East Central Regional Library (ECRL), relating to an ECRL Outreach Stop in Isanti City Hall; and,

WHEREAS, the ECRL and the City of Isanti have annually renewed the Partnership Agreements, providing ECRL services through the Outreach Stop at City Hall; and,

WHEREAS, the agreement with the ECRL for an Outreach Stop at the Isanti City Hall has been presented for 2021;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to approve the new Partnership Agreement with the East Central Regional Library Board through the year 2021; that are hereby attached as 'Exhibit A' and made a part of this resolution.

This resolution was duly adopted by the Isanti City Council this 2nd day of February 2021.

City Clerk

Exhibit A

East Central Regional Library
Outreach Stop
Partnership Agreement

In an effort to create more library service connections in communities across the six-county region served by the East Central Regional Library (ECRL) system, ECRL hereby agrees to continue to provide library outreach services in **Isanti** for the community of **Isanti** in **Isanti** County.

A selection of materials and services will be offered in the **Isanti City Hall** facility located at **110 1st Avenue Northwest** in the town of **Isanti**. The facility will be staffed by an ECRL staff member and open 4 hours per week one day a week, thus providing connectivity to reading materials and resources from ECRL.

In order to make this library service partnership successful, the representatives of the community of **Isanti** and the library staff of ECRL agree to accept the following responsibilities:

ECRL will provide:

- Staff to provide weekly service at the stop
- A minimum of 350 items of library materials and may be adjusted to serve the needs of the public as needed
- Insurance on equipment and materials owned by ECRL
- Weekly delivery service and rotation of collection with new items on a regular schedule
- Maintenance of checkout-dedicated computer, software, scanner and receipt printer

The Community will provide:

- An appropriate facility, handicapped-accessible, with a handicapped-accessible public restroom
- Insurance to protect property and community owned contents
- Insurance to protect against liability
- Internet connectivity to central library catalog and databases – line capacity to be a minimum of 1 MBS
- Maintenance of the book drop
- Parking to accommodate visitors to the outreach stop
- Shoveling of walkways
- Adequate space within that facility for a 14’ x 14’ minimum Outreach Stop area
- Signage to establish Outreach Stop for East Central Regional Library
- Shelving for a minimum of 350 books and other items
- Comfortable seating and reading tables for 5-8 customers at time
- Utilities for the facility

- Cleaning of the facility
- Security for library computer, equipment and materials when not in active use
- Maintenance of any community-provided computer equipment

The site will be evaluated once a year. If, at the end of each evaluation, the site is determined not viable for the regional library system, or not valuable to the community, ECRL or the community may terminate this agreement with 30 days' notice, without penalty or recrimination. If adequate funding is provided, if the ECRL Board approves and the outreach stop is determined to be viable and valuable to all parties, the agreement may be renewed annually.

Memo for Council Action

To: **Mayor Johnson and Members of the City Council**
From: Josi Wood, City Administrator
Date: February 2, 2021
Subject: Resolution 2021-XXX Metal Detecting Policy and Waiver

---

This item was postposed from the January 19th Council meeting to obtain more information from the resident requesting to metal detect on City property.

Council requested Staff to draft a policy on metal detecting on City Property. Staff has drafted a policy that outlines rules and also a liability waiver.

Staff requests direction on who will review and approve the requests and also if there are specific areas that it will not be permitted.

Request:
Staff is requesting discussion and possible action on this item.

Attachments:

Metal Detecting Policy and
Waiver and Release

Please read carefully before signing.

1. I seek permission from the City of Isanti, Minnesota (the "City") to metal detect on the property at _____ (the "Activity") on _____(date(s)).

2. My participation in the Activity is voluntary. I know and am aware of all the dangers associated with my participation in this Activity. Said risks may include injury or accident to person (including death) or property or other loss, and I freely, voluntarily, and with such knowledge assume any and all such risks while performing the Activity.

3. I agree to remove any and all trash found in connection with metal detecting this property and to not leave any areas disturbed due to this Activity.

4. I agree to follow all State and Federals laws including but not limited to not detecting on or near any sacred area or area having archaeological importance.

5. Items of historical or monetary significance will be given to the City.

6. I understand and agree that neither the City nor any person acting on behalf of the City, may be held liable in any way for any event which occurs in connection with this Activity which may result in harm, death, injury or other damage to me. This waiver of liability does not waive liability for any injuries that I obtain as the result of willful, wanton or intentional misconduct by the City or any person acting on behalf of the City.

7. I agree to defend, indemnify and hold harmless the City for any expense or liability the City may incur as a result of my conduct, actions or omissions while performing the Activity.

8. I have read the above and understand the legal significance of signing this document.

Request for City Council Action

To: Mayor Johnson and Members of City Council
From: Sheila Sellman, Community Development Director
Date: February 2, 2021
Subject: Request by Homepride, Inc for consideration of a Preliminary Subdivision and a Planned Unit Development called "Fairway Greens North" at PID's 16.020.1000 and 16.020.0803

Request: Request by Homepride, Inc for consideration of a Preliminary Subdivision and a Planned Unit Development called "Fairway Greens North" located north of Cajima and adjacent to the golf course.

Overview/Background: The developers, Homepride Inc, currently own the subject two parcels that are 40 acres each in size. These parcels are currently zoned R-1, Single Family Residential. The comp plan guides these parcels as low density residential. The preliminary plat consists of 167 single family lots that range in size from 9,600 square feet to as large as 2.52 acres. The developer has indicated there will be a mix of single-family housing types in this development. From slab on grade to two-story houses. The developer has designed this plat using the R-3 zoning district as a guide but is requesting reduced setbacks. This will be accomplished through a Planned Unit Development. The following table represents zoning districts and their minimum requirements.

Zoning Dist.	Lot Size	Lot width	Front Setback	Side Setback	Rear Setback
R-1	11,000 sq.ft.	80 ft.	30 ft.	10 ft.	30 ft.
R-2	9,000 sq. ft.	75 ft.	30 ft.	10 ft.	30 ft.
R-3A	7,500 sq. ft.	60 ft.	30 ft.	10 ft.	30 ft.
Proposed	9,600 sq. ft.	60 ft.	30 ft.	8 ft.	20 ft.

As proposed the average lot size is 16, 439 square feet. Density for this development is about 2 units/acre which is line with the low-density land use designation. It is not clear if the lots along the golf course will have reduced setbacks as on the plat they appear to be less. If these are patio homes it is typical to see a 5-10' setback around the entire dwelling.

Natural Areas/trees
This parcel is difficult to develop with the large number of wetlands and trees present. The developer is proposing to fill in some of the wetlands and purchase wetland credits. A wetland mitigation report will need to be submitted and approved before development can begin, this could be broken into phases as the lots are developed. A tree removal and replacement plan has been submitted. The maximum replacement required by code is 8 tree/acre. The plantable area (not including wetlands, forested areas, and stormwater ponds) is about 56.6 acres therefore requiring 453 replacement trees. The Landscape requirements for residential development is 2 trees per lot, the Council will need to

decide if they want to allow this requirement to be satisfied with the tree replacement plan or if they want to require this in addition to the replacement plan.

Parks and Trails
An existing bike trail extends north from 8th Ave NE and ends near the south parcel of the proposed development. This trail abruptly ends at the development's south portion and could be a possibility for extension. Sidewalks are shown throughout the development per city code requirements.
A 3.61-acre lot is shown on the preliminary plat as park space. This will be open space and will not be improved with equipment. The City Council will need to determine if they want to accept this park and provide a park dedication per city code. If the city does accept this space it should be platted as an outlot.

Streets
The main access to the development is from 7th Ave NE with one way in and one way out. The fire code requires that single family development with more than 30 units shall provide two separate and approved fire apparatus access roads. In addition, dead-end fire apparatus access roads in excess of 150 feet in length shall provide an approved area for turn arounds. A second access should be added, a suggestion is to create an additional access off 8th street and connect to the proposed cul-de-sac. This could be part of the phasing plan; the second access should be added once 80 lots are platted. The proposed streets are public and are subject to city code requirements.

Planning Commission:
The Planning Commission held a public hearing on this item at their January 19, 2021 meeting. No one from the public spoke on this item and the applicant was available for questions. The Commission discussed the access in great lengths and agreed that a second access is warranted and were satisfied with the future connections shown. The Commission did recommend that at the entrance of the site be limited to no parking on the north side of the street, this should alleviate the Fire Departments concern with access. City code requires two trees per residential lot, the developer is proposing to have the tree replacement count towards this landscape requirements. The board agreed but stated they should have at least 2 trees per lot in the front or in the back of the lot and it can include the replanted trees. The replanting of the trees is ultimately the responsibility of the developer. The Certificate of Occupancy will not be issued if the lot does not have two trees planted, do however he wants to work that out with the builders is up to him and the city will not be involved in that process. The Commission recommends the Council consider providing a credit in park dedication for the small park per city code.
The Planning Commission recommend approval with the conditions listed in the staff report and the addition of parking restrictions at the entrance. This has been reflected in the conditions list below.

Staff Recommendation:
Staff recommends approval of the Preliminary Plat with several conditions. The conditions with strikethrough are what the Planning Commission recommend removing and underlined is what they added.
Conditions of approval:

1. All comments and concerns in the City Engineers memo dated January 13, 2021 should be met.
2. ~~All comments and conditions of the Fire Chiefs memo dated January 14, 2021 should be met.~~
3. Minimum lot size shall be 9,600 square feet.
4. Setbacks for the principal structure shall be as follows: Front 30' Side 8' Rear 20'

5. Clarification on the lots along the golf course and what those setbacks will be.
6. A phasing plan shall be submitted.
7. Final Plat be submitted and approved
8. The developer must enter into a Development Agreement with the City of Isanti, which will outline the general terms for the remainder of the development. Subsequent developments will require additional Development Agreements as the property is built out. Development fees will be charged to the developer at the time of each development agreement and based upon the City Fee Schedule.
9. The developer shall be responsible for any and all permits and approvals that may be necessary from other applicable governmental agencies. These permits and approvals shall be submitted to the City of Isanti and/or other governmental jurisdictions that may require said permits prior to development.
10. Any and all costs associated with the recording and processing of each subsequent Final Plat for additional phases shall be assumed by the developer.
11. The developer, at their cost must install sidewalks consistent with City Codes and Ordinances.
12. Any conditions added by the Planning Commission
13. No parking at the entrance of the development on the north side of the road to the first intersection
14. Park dedication credit may be given for the park per City Code requirements

RESOLUTION 2021-XXX

APPROVING THE PRELIMINARY PLAT FOR FAIRWAY GREENS NORTH

WHEREAS, Homepride Inc**.** has made application for Preliminary Plat approval for Fairway Greens North, PID 16.020.0803 and 160.00.1000; and,

WHEREAS, the City of Isanti Planning Commission conducted a public hearing on the Preliminary Plat on January 19, 2021; and,

WHEREAS, all required notices regarding the public hearing were posted and sent to property owners within 350' of the subject parcels;

WHEREAS, the City Council reviewed the Preliminary Plat request at the February 2, 2021 meeting, and,

NOW, THEREFORE, BE IT RESOLVED by the City of Isanti, Minnesota that it hereby approves the requested Preliminary Plat approval for Fairway Greens North with the following conditions:

1. All comments and concerns in the City Engineers memo dated January 13, 2021 should be met.
2. ~~All comments and conditions of the Fire Chiefs memo dated January 14, 2021 should be met.~~
3. Minimum lot size shall be 9,600 square feet.
4. Setbacks for the principal structure shall be as follows: Front 30' Side 8' Rear 20'
5. Clarification on the lots along the golf course and what those setbacks will be.
6. A phasing plan shall be submitted.
7. Final Plat be submitted and approved
8. The developer must enter into a Development Agreement with the City of Isanti, which will outline the general terms for the remainder of the development. Subsequent developments will require additional Development Agreements as the property is built out. Development fees will be charged to the developer at the time of each development agreement and based upon the City Fee Schedule.
9. The developer shall be responsible for any and all permits and approvals that may be necessary from other applicable governmental agencies. These permits and approvals shall be submitted to the City of Isanti and/or other governmental jurisdictions that may require said permits prior to development.
10. Any and all costs associated with the recording and processing of each subsequent Final Plat for additional phases shall be assumed by the developer.
11. The developer, at their cost must install sidewalks consistent with City Codes and Ordinances.
12. Any conditions added by the Planning Commission
13. <u>No parking at the entrance of the development on the north side of the road to the first intersection</u>
14. <u>Park dedication credit may be given for the park per City Code requirements</u>

Adopted by the City of Isanti City Council this 2nd day of February 2021.

SHEET
C002

STORM WATER POLLUTION PREVENTION PLAN (SWPPP) NARRATIVE

1. GENERAL

THE MINNESOTA POLLUTION CONTROL AGENCY (MPCA) REGULATES STORMWATER DISCHARGES ASSOCIATED WITH CONSTRUCTION ACTIVITY DISTURBING LAND EQUAL TO OR GREATER THAN ONE ACRE THROUGH A GENERAL STORMWATER PERMIT (PERMIT NO. MN R100001) AUTHORIZING THE DISCHARGE OF STORMWATER ASSOCIATED WITH CONSTRUCTION ACTIVITY TO WATERS OF THE STATE IN COMPLIANCE WITH THE CLEAN WATER ACT AND THE NATIONAL POLLUTANT DISCHARGE ELIMINATION SYSTEM/STATE DISPOSAL SYSTEM (NPDES/SDS) PROGRAM. THE GENERAL PERMIT (PERMIT) REQUIRES THE DEVELOPMENT AND IMPLEMENTATION OF A STORM WATER POLLUTION PREVENTION PLAN (SWPPP). THE SWPPP IS A COMBINATION OF NARRATIVE, CALCULATIONS, PLANS SHEETS, AND STANDARD DETAIL SHEETS THAT ADDRESS THE FORESEEABLE CONDITIONS AT ANY STAGE IN THE CONSTRUCTION OR POST-CONSTRUCTION ACTIVITIES.

2. GENERAL AND ADMINISTRATIVE REQUIREMENTS

A. RESPONSIBLE PARTIES: THE OWNER AND GENERAL CONTRACTOR (OPERATOR)(CONTRACTOR) ARE CO-PERMITTEES OF THE PERMIT AND ARE JOINTLY RESPONSIBLE FOR COMPLIANCE WITH TERMS AND CONDITIONS OF THE PERMIT. OBTAIN AND REVIEW THE PERMIT AND COMPLY WITH PERMIT SECTIONS 3, 4, 6-24 (PERMIT PART 3.5). VERIFY THAT PERMIT REQUIREMENTS ARE SATISFIED AND COMPLETE THE BLANKS ON THIS SWPPP SHEET.

B. PERMIT APPLICATION (PERMIT ITEM 3.2): THE CONTRACTOR IS RESPONSIBLE FOR COORDINATING WITH THE OWNER, COMPLETING THE PERMIT APPLICATION ON-LINE, AND PAYING THE APPLICATION FEE. APPLY ON-LINE AT THE MPCA CONSTRUCTION STORM WATER WEBSITE: https://www.pca.state.mn.us/water/construction-stormwater.

C. PERMIT COVERAGE (PERMIT ITEMS 3.3, 3.4): FOR PROJECTS THAT DISTURB LESS THAN 50 ACRES AND DO NOT DISCHARGE STORMWATER WITHIN 1 MILE (AERIAL RADIUS MEASUREMENT FROM PROJECT BOUNDARIES) OF A SPECIAL OR IMPAIRED WATER, PERMIT COVERAGE TYPICALLY BECOMES EFFECTIVE UPON ON-LINE APPLICATION AND COMPLETION OF THE PAYMENT PROCESS.

FOR OTHER PROJECTS, THE COMPLETE SWPPP MUST BE SUBMITTED TO THE MPCA AT LEAST 30 DAYS BEFORE THE START OF CONSTRUCTION. CONSTRUCTION MAY BEGIN AFTER ON-LINE APPLICATION, COMPLETION OF THE PAYMENT PROCESS, AND, AFTER RECEIVING A DETERMINATION LETTER FROM THE MPCA THAT REVIEW OF THE SWPPP IS COMPLETE. IF THE MPCA FAILS TO CONTACT PERMITTEES WITHIN 30 DAYS OF APPLICATION RECEIPT, COVERAGE IS EFFECTIVE 30 DAYS AFTER COMPLETING THE PAYMENT PROCESS.

* DOES THE PROJECT DISTURB 50 ACRES OR MORE? NO
* DOES THE PROJECT DISCHARGE WITHIN 1-MILE OF A SPECIAL (PERMIT ITEM 23.3-23.6) OR IMPAIRED WATER (PERMIT ITEM 23.7)? NO

IF "YES" FOR EITHER OF THE ABOVE, SUBMIT THE ONLINE APPLICATION, PAYMENT, AND THE COMPLETE SWPPP (SWPPP AND PLAN SHEETS IT REFERENCES, STORMWATER REPORT, AND SITE ASSESSMENTS FOR GROUNDWATER AND SOIL CONTAMINATION), AT LEAST 30 DAYS BEFORE THE START OF CONSTRUCTION.

DO NOT BEGIN LAND DISTURBING CONSTRUCTION ACTIVITIES UNTIL PERMIT COVERAGE IS EFFECTIVE. THE START OF ANY LAND DISTURBING ACTIVITIES SIGNIFIES THAT THE CONTRACTOR IS ASSUMING RESPONSIBILITY FOR PERMIT COVERAGE AND HAS COMPLIED WITH PERMIT REQUIREMENTS.

D. NOTIFICATION OF COVERAGE (PERMIT ITEM 3.6): THE CONTRACTOR WILL RECEIVE A NOTIFICATION OF COVERAGE FROM THE MPCA (E.G., VIA EMAIL). KEEP OR POST A COPY OF THE NOTIFICATION OF COVERAGE WITH THE SWPPP AT THE PROJECT SITE. PROVIDE COPIES TO THE OWNER AND LHB.

E. CHANGE OF COVERAGE FOR NEW OWNER OR NEW OPERATOR (PERMIT ITEMS 3.7, 3.8): FOR A NEW OWNER OR OPERATOR, THE CURRENT OWNER, AND NEW OWNER OR OPERATOR, MUST SUBMIT A "NOTICE OF TERMINATION/PERMIT MODIFICATION FORM" PRIOR TO THE NEW OWNER OR OPERATOR COMMENCING CONSTRUCTION ACTIVITY, NO LATER THAN 30 DAYS AFTER PROPERTY OWNERSHIP TRANSITION. THIS FORM IS AVAILABLE AT THE ABOVE MPCA WEBSITE.

F. TERMINATION OF COVERAGE (PERMIT SECTION 4): THE CONTRACTOR IS RESPONSIBLE FOR COORDINATING WITH THE OWNER AND TERMINATING PERMIT COVERAGE BY COMPLETING AND SUBMITTING A "NOTICE OF TERMINATION/PERMIT MODIFICATION FORM" TO THE MPCA AFTER ALL OF THE CONDITIONS OF PERMIT ITEM 4.4 AND 4.5 ARE SATISFIED.

G. RECORD RETENTION AND AVAILABILITY (PERMIT SECTION 20): THE CONTRACTOR SHALL KEEP A COPY OF THE SWPPP, INCLUDING ALL CHANGES TO IT, AND INSPECTIONS AND MAINTENANCE RECORDS ON SITE DURING CONSTRUCTION PER PERMIT SECTION 20. THIS DOCUMENTATION MUST BE KEPT ON FILE FOR 3 YEARS AFTER SUBMITTAL OF THE NOTICE OF TERMINATION. COORDINATE TRANSFER OF THIS DOCUMENTATION TO THE OWNER AT PROJECT COMPLETION.

H. CHANGES (AMENDMENTS) TO SWPPP (PERMIT SECTION 6): UPDATE AND DOCUMENT CHANGES TO THE SWPPP DURING CONSTRUCTION PER PERMIT SECTION 6. KEEP DOCUMENTATION WITH THE SWPPP (E.G., "THE REASON INLET PROTECTION WAS REMOVED FROM INLET 23 WAS DUE TO STREET FLOODING/FREEZING CONCERNS, AS ALLOWED BY PERMIT ITEM 9.8.").

3. CONSTRUCTION ACTIVITY REQUIREMENTS

A. GENERAL: COMPLY WITH THE PERMIT AND SWPPP AND THE REQUIREMENTS OF THE PERMIT. THE BEST MANAGEMENT PRACTICES (BMPS) IDENTIFIED IN THE SWPPP AND PERMIT MUST BE SELECTED, INSTALLED, AND MAINTAINED IN AN APPROPRIATE AND FUNCTIONAL MANNER IN ACCORDANCE WITH THE CONSTRUCTION DOCUMENTS, MANUFACTURER RECOMMENDATIONS, AND ACCEPTED ENGINEERING PRACTICES.

B. EROSION PREVENTION PRACTICES (PERMIT SECTION 8): BEFORE WORK BEGINS, DELINEATE THE LOCATION OF AREAS NOT TO BE DISTURBED (E.G., BUFFERS).

WHEN STEEP SLOPES MUST BE DISTURBED, USE TECHNIQUES SUCH AS PHASING AND STABILIZATION PRACTICES DESIGNED FOR STEEP SLOPES (E.G., SLOPE DRAINING, TERRACING).

WHEN CONSTRUCTION ACTIVITY WILL NOT RESUME FOR A PERIOD EXCEEDING 14 CALENDAR DAYS, STABILIZE EXPOSED SOIL AREAS (INCLUDING STOCKPILES) IMMEDIATELY, AND COMPLETE THE STABILIZATION NO LATER THAN 7 DAYS AFTER CONSTRUCTION ACTIVITY HAS CEASED (FOR SPECIAL OR IMPAIRED WATERS AS DESCRIBED IN PERMIT SECTION 23). AMEND SWPPP BY INDICATING THE LOCATION OF AREAS WHERE CONSTRUCTION WILL BE PHASED TO MINIMIZE DURATION OF EXPOSED SOIL AREAS (E.G., STEEP SLOPE AREAS).

PLAN FOR AND IMPLEMENT CONSTRUCTION PRACTICES TO SATISFY THE ABOVE AND ALL CONDITIONS OF PERMIT SECTION 8.

C. SEDIMENT CONTROL PRACTICES & TEMPORARY SEDIMENT BASINS (PERMIT SECTIONS 9 AND 14): BEFORE ANY LAND DISTURBING ACTIVITY BEGINS, ESTABLISH SEDIMENT CONTROL BMPS ON ALL DOWNGRADIENT AREAS OF THE SITE THAT DRAIN TO ANY SURFACE WATERS, INCLUDING BUT NOT LIMITED TO, CURB AND GUTTER SYSTEMS, STORM SEWER INLETS, DITCHES. BMPS MUST BE LOCATED UPGRADIENT OF ANY BUFFER ZONES AND MUST REMAIN IN PLACE UNTIL PERMANENT COVER IS ESTABLISHED FOR THE AREA DRAINING TO IT.

AS APPROVED BY LHB, PROVIDE TEMPORARY SEDIMENTATION BASINS WHERE 5 OR MORE ACRES OF DISTURBED SOIL DRAIN TO A COMMON LOCATION (FOR SPECIAL OR IMPAIRED WATERS AS DESCRIBED IN PERMIT SECTION 23). IF TEMPORARY SEDIMENTATION BASINS ARE INFEASIBLE, DOCUMENT THIS DETERMINATION AND THE SUBSTITUTE BMPS IN THE SWPPP PER PERMIT PART 14.10.

FOR CONSTRUCTION AREAS THAT DRAIN TOWARDS ADJACENT SURFACE WATERS, PRESERVE A 100 FOOT NATURAL BUFFER (FOR SPECIAL OR IMPAIRED WATERS AS DESCRIBED IN PERMIT SECTION 23), OR PROVIDE REDUNDANT PERIMETER SEDIMENT CONTROLS. IF PRESERVING A BUFFER IS INFEASIBLE, DOCUMENT THIS DETERMINATION AND THE SUBSTITUTE BMPS IN THE SWPPP PER PERMIT ITEM 9.17.

PLAN FOR AND IMPLEMENT CONSTRUCTION PRACTICES TO SATISFY THE ABOVE AND ALL CONDITIONS OF PERMIT SECTION 9 AND 14.

D. DEWATERING AND BASIN DRAINING (PERMIT SECTION 10): COMPLY WITH SECTION 10 OF THE PERMIT.

E. INSPECTIONS AND MAINTENANCE (PERMIT SECTION 11): COMPLY WITH SECTION 11 OF THE PERMIT.

F. POLLUTION PREVENTION MANAGEMENT MEASURES (PERMIT SECTION 12): COMPLY WITH SECTION 12 OF THE PERMIT. AMEND SWPPP BY INDICATING THE LOCATION OF POTENTIAL POLLUTANT GENERATING ACTIVITIES ON SITE MAPS FOR THE DURATION OF CONSTRUCTION PER PERMIT SECTION 5.9.

4. SWPPP RESPONSIBILITIES/TRAINED INDIVIDUALS

A. THE FOLLOWING PERSON PREPARED THE SWPPP AND IS TRAINED IN SWPPP DESIGN (PERMIT ITEM2 5.20, 21.2.a):

NAME: **MELISSA WHITE, PE** / LHB, INC.

TRAINING DATE/INSTRUCTOR/ENTITY: CERTIFICATION **10-13-16** (EXPIRES **2020**)/**JOHN CHAPMAN, U OF M**

TRAINING CONTENT/HOURS: **DESIGN OF CONSTRUCTION SWPPP RECERTIFICATION / 8 HOUR**

B. THE CONTRACTOR WILL OVERSEE SWPPP IMPLEMENTATION, REVISE AND AMEND THE SWPPP, AND PERFORM INSPECTIONS. THE FOLLOWING CONTRACTOR REPRESENTATIVE IS TRAINED TO PERFORM THESE DUTIES AND WILL ASSUME THESE RESPONSIBILITIES (PERMIT ITEMS 5.20, 21.2.b):

NAME: _____

TRAINING DATE/INSTRUCTOR/ENTITY: _____

TRAINING CONTENT/HOURS: _____

C. THE CONTRACTOR WILL SUPERVISE THE INSTALLATION, MAINTENANCE AND REPAIR OF BMPS BEFORE AND DURING CONSTRUCTION. THE FOLLOWING CONTRACTOR REPRESENTATIVE IS TRAINED TO PERFORM THESE DUTIES AND WILL ASSUME THESE RESPONSIBILITIES (PERMIT ITEMS 5.20, 21.2.c):

NAME: _____

TRAINING DATE/INSTRUCTOR/ENTITY: _____

TRAINING CONTENT/HOURS: _____

D. PERSON KNOWLEDGEABLE AND EXPERIENCED IN THE APPLICATION OF EROSION PREVENTION AND SEDIMENT CONTROL BMPS WHO WILL COORDINATE WITH CONTRACTORS, SUBCONTRACTORS, AND OPERATORS ON-SITE TO OVERSEE IMPLEMENTATION OF THE SWPPP (PERMIT ITEM 5.21)(TYPICALLY GENERAL CONTRACTOR):

NAME/TITLE: _____

E. THE PERSON(S), ORGANIZATION, OR ENTITIES RESPONSIBLE FOR THE LONG-TERM OPERATION AND MAINTENANCE OF THE PERMANENT STORMWATER MANAGEMENT SYSTEMS (PERMIT ITEM 5.23):

NAME/TITLE: _____

MAINTENANCE PLAN: REFERENCE STORMWATER REPORT BY LHB.

F. CHAIN OF RESPONSIBILITY: THE GENERAL CONTRACTOR IS RESPONSIBLE FOR ALL SWPPP IMPLEMENTATION ON THE CONSTRUCTION SITE AND IS ACCOUNTABLE FOR SUBCONTRACTORS AND OTHER CONTRACTORS WORKING ON SITE AND THEIR COMPLIANCE WITH THE GENERAL STORMWATER PERMIT AND SWPPP REQUIREMENTS.

5. REGULATORY AGENCIES AND PERMITS

A. COMPLY WITH REQUIREMENTS OF ALL REGULATORY AGENCIES AND PERMITS HAVING JURISDICTION DURING CONSTRUCTION ACTIVITIES. THE FOLLOWING ADDITIONAL REGULATORS AND PERMITS ARE KNOWN TO HAVE SITE JURISDICTION:

1) CITY OF **NORTH BRANCH** (GRADING PERMIT)
2) CHISAGO COUNTY (PERMIT AUTHORITY DELEGATED TO CITY)

6. DESCRIPTION OF THE CONSTRUCTION ACTIVITY / SWPPP COMPONENTS

A. NARRATIVE/TIMING (PERMIT ITEM 5.4):

1) PROJECT SUMMARY: THE PROJECT INVOLVES THE DEVELOPMENT OF A RESIDENTIAL SUBDIVISION WITH 85 LOTS LOCATED IN NORTH BRANCH, MN ON A 32 ACRE PARCEL. SPECIFIC WORK INCLUDES:
   a. CONSTRUCTION OF UTILITIES (E.G., WATER MAIN AND SANITARY SEWER MAIN).
   b. STREETS, CURB AND GUTTER, AND SIDEWALK CONSTRUCTION.
   c. STORMWATER DETENTION BASINS, STORM SEWER, AND RELATED FACILITY CONSTRUCTION.

2) TIMING FOR INSTALLATION OF EROSION & SEDIMENTATION BMPS AND PERMANENT STORMWATER MANAGEMENT SYSTEMS, IN GENERAL SEQUENTIAL ORDER FROM FIRST TO LAST (PERMIT ITEM 5.4):
   a. INLET PROTECTION FOR EXISTING INLETS / SILT FENCE / DELINEATION AREAS NOT TO BE DISTURBED / ROCK CONSTRUCTION ENTRANCE / TEMPORARY SEDIMENTATION BASIN: PROVIDE PRIOR TO CONSTRUCTION; MAINTAIN DURING CONSTRUCTION.
   b. SILT FENCE AROUND STOCKPILES: PROVIDE DURING CONSTRUCTION.
   c. PORTABLE SEDIMENT CONTAINMENT SYSTEMS FOR TREATING WATER FROM DEWATERING OPERATIONS : PROVIDE DURING CONSTRUCTION.
   d. INLET PROTECTION FOR NEW INLETS: PROVIDE AS CONSTRUCTED.
   e. HARD SURFACING (E.G., PAVEMENTS)
   f. VEGETATIVE COVER / EROSION CONTROL BLANKETS: AFTER FINAL TOPSOIL PLACEMENT AND FINISH GRADING.
   f. STORMWATER BASINS
   g. REMOVAL OF TEMPORARY BMPS: AFTER FINAL STABILIZATION IS ESTABLISHED.

3) IMPERVIOUS SURFACE AREAS / WATER QUALITY VOLUME:
   a. PRE-CONSTRUCTION IMPERVIOUS (PERMIT ITEM 5.8): 0.0 ACRES
   b. POST-CONSTRUCTION IMPERVIOUS (PERMIT ITEM 5.8): 20.24 ACRES
      - ASSUMED IMPERVIOUS: 37% OF DISTURBED AREA TO ACCOUNT FOR FUTURE DEVELOPMENT.
   c. NET NEW IMPERVIOUS: 20.24 ACRES
   d. WATER QUALITY VOLUME: 73,508 CUBIC FEET
   e. ACTUAL WATER QUALITY VOLUME RETAINED ON-SITE / METHOD OF RETENTION: 73,524 CUBIC FEET / INFILTRATION
   f. THE REASON THE FULL WATER QUALITY VOLUME CANNOT BE INFILTRATED (PER PERMIT ITEM 5.15): NA
   g. REMAINDER OF WATER QUALITY VOLUME AND ALTERNATIVE TREATMENT METHOD: NA

4) CHEMICALS AND CHEMICAL TREATMENT SYSTEMS USED FOR ENHANCING THE ON-SITE SEDIMENTATION PROCESS AND HOW COMPLIANCE WILL BE ACHIEVED (PERMIT ITEM 5.22): NA

5) PER PERMIT ITEM 5.13, DOCUMENTATION OF INFEASIBILITY FOR:
   a. TEMPORARY SEDIMENT BASIN (PERMIT PART 14.10): NA
      ALTERNATIVE (PERMIT ITEM 5.14): NA
   b. OBTAINING RIGHT-OF-WAY FOR PERMANENT STORMWATER MANAGEMENT SYSTEMS OF LINEAR PROJECTS: NA
   c. BUFFER ZONES (PERMIT ITEMS 9.17 AND 23.11): NA

6) STORMWATER MITIGATION MEASURES IDENTIFIED IN ENVIRONMENTAL REVIEW OR OTHER REQUIRED REVIEW (PERMIT ITEM 5.16): REFERENCE STORMWATER REPORT BY LHB.

B. STORMWATER REPORT (PERMIT ITEM 5.6): A STORMWATER REPORT WAS PREPARED FOR THIS PROJECT BY LHB, INC. (LHB) DATED _____ AND CONTAINS CALCULATIONS AND OTHER INFORMATION REQUIRED BY THE PERMIT. CONTACT LHB FOR A COPY OF THIS REPORT, IF NEEDED.

C. SITE ASSESSMENTS FOR GROUNDWATER OR SOIL CONTAMINATION (PERMIT ITEM 5.25): NA.

D. PLAN SHEETS:

1) SWPPP (PERMIT ITEM 5.2): THIS SHEET, INCLUDING DOCUMENTATION DESCRIBED AND REFERENCED HEREIN.
2) TEMPORARY BMPS / ESTIMATED QUANTITIES (E.G., LINEAR FEET OF SILT FENCE, SQUARE FEET OF EROSION CONTROL BLANKET) / LOCATIONS OF AREAS NOT TO BE DISTURBED / SOIL TYPES (PERMIT ITEMS 5.3, 5.5, 5.7, 5.9): SEE SHEETS C103-C106 AND/OR STORMWATER REPORT.
3) PERMANENT BMPS (PERMIT ITEM 5.3, 5.5): SEE SHEETS C202-C205 AND/OR STORMWATER REPORT.
4) EXISTING GRADES, DRAINAGE BOUNDARIES AND FLOW DIRECTIONS, DISCHARGE POINTS WHERE STORMWATER LEAVES THE SITE OR ENTERS SURFACE WATERS, AREAS OF STEEP SLOPES (PERMIT ITEM 5.9): SEESTORMWATER REPORT.
5) FINAL GRADES, DRAINAGE BOUNDARIES AND FLOW DIRECTIONS, DISCHARGE POINTS WHERE STORMWATER LEAVES THE SITE OR ENTERS SURFACE WATERS, AREAS OF STEEP SLOPES (PERMIT ITEM 5.9): SEE SHEETS C202-C205 AND/OR STORMWATER REPORT.
6) IMPERVIOUS SURFACING / METHODS OF FINAL STABILIZATION (PERMANENT COVER)(PERMIT ITEM 5.17): SEE SHEETS C402-C405
7) MAP OF SURFACE WATERS, EXISTING WETLANDS AND STORMWATER PONDS/BASINS IDENTIFIABLE ON USGS 7.5 MIN. QUAD. MAPS, NWI MAP OR EQUIVALENT WITHIN 1 MILE OF SITE (AERIAL RADIUS MEASUREMENT FROM PROJECT BOUNDARIES) THAT RECEIVE RUNOFF FROM SITE DURING OR AFTER CONSTRUCTION (IDENTIFY SPECIAL AND IMPAIRED WATERS AND ANY APPROVED TMDLS)(PERMIT ITEMS 5.10, 5.19): SEE STORMWATER REPORT (SUNRISE RIVER, NORTH BRANCH)
8) FOR THE ABOVE SPECIAL OR IMPAIRED WATERS, DOCUMENTATION OF BMPS USED TO ADDRESS TMDL OR WLA REQUIREMENTS TO COMPLY WITH PERMIT SECTION 23: SEE STORMWATER REPORT
9) SITE MAP OF CONSTRUCTION ACTIVITY AREAS THAT ARE ADJACENT TO AND DRAIN TO MINNESOTA DEPARTMENT OF NATURAL RESOURCES (MDNR) PUBLIC WATERS PROMULGATED AS "WORK IN WATER RESTRICTIONS" DURING SPECIFIED FISH SPAWNING TIMES (PERMIT ITEM 5.11): NA
10) METHODS TO PRESERVE TOPSOIL AND TOPSOIL PRESERVATION AREAS (PERMIT ITEM 5.24): NA
11) METHODS TO MINIMIZE SOIL COMPACTION AND INFILTRATION AREAS TO BE PROTECTED FROM EXCESSIVE SOIL COMPACTION AND SEDIMENTATION (PERMIT ITEM 5.24): SEE SHEET C201
12) AREAS WHERE CONSTRUCTION WILL BE PHASED TO MINIMIZE THE DURATION OF EXPOSED SOILS (PERMIT ITEM 5.18): SEE SHEET C102
13) DELINEATION OF BUFFER ZONES (PERMIT ITEM 5.12): NA

E. STANDARD DETAIL SHEETS: SEE SHEETS C501-C507

F. MAINTENANCE PLAN: CONTAINED IN STORMWATER REPORT.

7. STANDARDS SPECIFICATIONS FOR CONSTRUCTION:

UNLESS NOTED OTHERWISE IN CONTRACT DOCUMENTS, MATERIAL AND CONSTRUCTION REQUIREMENTS FOR TEMPORARY SEDIMENT CONTROL AND EROSION PREVENTION SHALL BE IN ACCORDANCE WITH THE MINNESOTA DEPARTMENT OF TRANSPORTATION STANDARD SPECIFICATIONS FOR CONSTRUCTION, CURRENT EDITION.

8. CALCULATIONS AND OTHER INFORMATION USED FOR DESIGN OF TEMPORARY SEDIMENTATION BASINS AND PERMANENT STORMWATER TREATMENT SYSTEMS (PERMIT ITEM 5.6): SEE STORMWATER REPORT.

9. PROCEDURES TO ESTABLISH ADDITIONAL TEMPORARY BMPS, AS NECESSARY, DURING CONSTRUCTION (PERMIT ITEM 5.5):

A. IF REGULAR INSPECTIONS OR OTHER OBSERVATIONS INDICATE THE NEED FOR ADDITIONAL TEMPORARY BMPS TO PREVENT EROSION, THEN PROVIDE ADDITIONAL BMPS BEFORE THE NEXT RAIN EVENT.

B. MAINTAIN CLEAR AND UPDATED PLANS (MAPS) OF THE CURRENT TEMPORARY BMPS.

FAIRWAY GREENS NORTH OAK GROVE, MN

SHEET C101

SHEET NOTES

1. THE CONTRACTOR IS RESPONSIBLE FOR EROSION CONTROL ON THIS PROJECT. THE EROSION CONTROL DEVICES SHOWN IN THESE DRAWINGS ARE THE MINIMUM REQUIREMENTS. CONSTRUCT EROSION CONTROL DEVICES AS SHOWN AND AS NECESSARY TO PREVENT THE RUNOFF, TRACKING, OR LOSS OF SOIL MATERIALS FROM DISTURBED AREAS ON THE PROJECT SITE.
2. SEDIMENT AND EROSION CONTROL DEVISES SHALL BE FUNCTIONAL BEFORE ANY LAND IS OTHERWISE DISTURBED ON THE SITE.
3. REMOVE ALL TOPSOIL AND ORGANICS, BRUSH, SHRUBS AND TREES WITHIN THE CONSTRUCTION LIMITS PRIOR TO SUBGRADE PREPARATIONS UNLESS OTHERWISE NOTED IN THE DRAWINGS. TOPSOIL THICKNESS VARIES, REFER TO THE GEOTECHNICAL REPORT FOR ACTUAL TOPSOIL THICKNESS.
4. PAVEMENT REMOVAL
   a. SAW CUT AND REMOVE EXISTING PAVEMENT ALONG A NEAT LINE AS INDICATED IN THE DRAWINGS. DAMAGED PAVEMENT EDGES, DUE TO CONSTRUCTION ACTIVITIES, SHALL BE RE-SAW CUT ALONG A NET LINE PRIOR TO PAVEMENT INSTALLATION.
   b. REMOVE ALL CONCRETE PAVEMENT, CONCRETE CURB, AND CONCRETE CURB AND GUTTER TO THE NEAREST EXISTING JOINT. PARTIAL PANEL REPLACEMENT IS NOT PERMITTED. ANY PANEL DAMAGED DUE TO CONSTRUCTION ACTIVITIES SHALL BE FULLY REMOVED AND REPLACED AT NO ADDITIONAL COST TO THE OWNER.
   c. REMOVE PAVEMENT ONLY TO LIMITS SHOWN ON THE DRAWINGS. DISTURBANCE OF PAVEMENT OUTSIDE THE CONSTRUCTION LIMITS IS NOT PERMITTED.
   d. DISPOSE OF BITUMINOUS PAVEMENTS OFF SITE AT AN APPROVED DISPOSAL FACILITY.
5. PROVIDE ROCK CONSTRUCTION ENTRANCE IN ACCORDANCE WITH DETAIL 4 ON SHEET C506.
6. PROVIDE INLET PROTECTION IN ACCORDANCE WITH DETAIL ERO-003 ON SHEET C501.
7. PROVIDE SILT FENCE IN ACCORDANCE WITH DETAIL ERO-001 ON SHEET C501.

SHEET NOTES

1. PREVENT FROM DAMAGE ALL SURFACES OUTSIDE THE CONSTRUCTION LIMITS. RESTORE ALL DISTURBED AREAS DUE TO CONSTRUCTION ACTIVITIES TO PRECONSTRUCTION CONDITION UNLESS OTHERWISE NOTED IN THE DRAWINGS.
2. ADJUST ALL CASTINGS, VALVE BOXES AND JUNCTION BOXES TO FINISH GRADE.
3. PROVIDE BITUMINOUS TACK COAT BETWEEN PROPOSED BITUMINOUS PAVEMENTS AND ALL ADJACENT CONCRETE OR BITUMINOUS SURFACES.
4. PROVIDE BITUMINOUS TACK COAT BETWEEN THE WEARING AND NON-WEARING COURSES FOR ALL PROPOSED BITUMINOUS PAVEMENTS.
5. SAW CUT ALL EXISTING PAVEMENTS ADJACENT TO PROPOSED PAVEMENTS ALONG A NEAT LINE AND FULL DEPTH. SAW CUT ALL EXISTING CONCRETE PAVEMENTS, OR CURB AT THE NEAREST EXISTING JOINT.
6. UNLESS OTHERWISE NOTED, ALL DIMENSIONS ARE TO BACK OF CURB.
7. ONLY PLACE FILL MATERIALS ON COMPETENT, INSPECTED SUBGRADE.
8. PLACE EXPANSION JOINTS AT 60 FEET INTERVALS ALONG CONCRETE WALK.

MEMORANDUM

Date: January 13, 2021

To: Sheila Sellman, Community Development Director

From: Jason W Cook, P.E.
City Engineer

Subject: Fairway Greens North - Preliminary Plat Review
City of Isanti, MN
Project No.: 0R1.123130

We have reviewed the Preliminary Plat and supporting documents entitled "Fairway Greens North" with a revision date of January 8, 2021.

The preliminary plat includes the construction of 167 single family lots, extension of city streets and utilities and site and storm water pond grading.

Also submitted was a stormwater management plan dated December 18, 2020.

We have reviewed the submitted documents and have the following comments:

Preliminary Plat:

1. Show wider drainage & utility easements where pond grading, swales, and storm pipes extend outside currently shown easements.
2. Add access easement to ponds for future maintenance.
3. Add secondary road access branching off 8th Avenue NE connecting to proposed cul-de-sac. Make curve as large as possible coming off 8th Avenue.
    a. It appears additional lots could be added along the south side of the development if the road is connected turning Block 6 Lot 16 into 5 lots.
    b. This secondary access will be required once 80 lots are platted.
4. What is the intent with the square 2-acre box on the west side of the plat? This does not appear to be used for storm water per the plan. Will this be an outlot? Should it be removed from the plat?

Stormwater Management Plan:

5. Existing subcatchment areas are not defined by property lines. Include off site runoff draining onto the site. This cannot be blocked off and must be included in the modeling.
6. Model the existing wetland for 100-year high water elevation and show the proposed culverts will not restrict this flow and affect bounce elevation or drain the existing wetlands.
7. Verify ground water will be over 3-feet below the bottom of all proposed infiltration basins. Provide geotechnical report showing this and have percolation tests completed to determine infiltration rate. Revise model as needed.
8. Provide existing and proposed discharge rates at each discharge point on the site, not as one total runoff rate.

Bolton & Menk is an equal opportunity employer.

BOLTON & MENK

Ramsey, MN 55303-5119

Ph: (763) 433-2851
Fax: (763) 427-0833
Bolton-Menk.com

9. The West Pond needs to treat its individual required Water Quality Volume. It appears there is significantly more room in the outlot than is being used for this pond. It also appears a proposed swale is not within the proposed easements and outlot area.
10. Subcatchments for each CB needs to be determined and spread calculations submitted.
11. CB-02 will require a saffle baffle type structure at a minimum. All other locations that discharge directly to wetland also require treatment structure, and equivalent treatment area oversized in other ponds.
12. Submit pipe sizing calculations for all storm pipes.

Wetland Delineation Report:

13. Submit proposed wetland mitigation report to City, LGU and possibly the Corps of Engineers for review and approval prior to performing any excavations in the identified areas.

Geotechnical Evaluation:

14. A geotechnical report will be required to verify all unsuitable materials are removed from proposed street improvement areas.

Site Development:

15. Submit a proposed Phasing Plan.
16. Show proposed building Low opening is 2 feet above the 100-year event and 1 foot above the emergency overflow in each sub catchment area.
17. Vertical curve lengths shall be 90' minimum (30 mph minimum design).
18. Sewer & water services shall be placed approx. 5-10 feet from property corners, not center of lots.
19. Show emergency overflow locations and stabilization for all pond EOFs.
20. Revised swale and location of CBMH-64 to fit within easements or outlots.
21. Label existing contours.
22. Verify all grading over existing gas main will maintain required cover. For example, there appears to be a 5-foot cut over the gas line in block 4.
23. All storm pipe withing ROW shall be RCP.
24. Low points shown at the back of multiple building pads. Back yards need to have positive drainage away from building pads and no trapped water. (ex Block 6 Lot 41 and Block 3Lot 18.)
25. Sanitary sewer main should not be under 6 feet deep. Any sewer 6-feet to 8-feet deep should be insulated. Verify all 4-inch services can be installed at 1% minimum grade and still service all proposed building elevations.
26. Watermain shall be 7.5-feet deep at a minimum and will need to be extra depth where sanitary services are shallow.

Bolton & Menk is an equal opportunity employer.

BOLTON & MENK

Ramsey, MN 55303-5119

Ph: (763) 433-2851
Fax: (763) 427-0833
Bolton-Menk.com

27. Watermain will need to be looped to 8th Avenue along with the road looping discussed in the above preliminary plat section.
28. Are the road widths labeled at Face to Face or Back to Back?
29. Submit horizontal curve tables showing design speed.
30. Show all sidewalk at a minimum of 1' from ROW edge. Some intersections appear to need chamfered corners at pedramps.
31. The pavement section shall be determined by the geotechnical report, but at a minimum:
    a. 1.5-inches of bituminous wear course
    b. 2-inches of bituminous non-wear course
    c. 8-inches of aggregate base class 5
32. Show street lighting plan.

We recommend approval of the preliminary plat once the above items are addressed.

Please contact me if you have any questions.

Bolton & Menk is an equal opportunity employer.

City of Isanti
DRM Committee Sheila Sellman

FAIRWAY GREENS NORTH PLAN REVIEW

Isanti Fire District reviewed the proposed design of Fairway Greens North, in the City of Isanti. Any concerns are listed below with applicable Minnesota State Fire Code (MSFC) references.

1) Fire apparatus access is currently limited to one street.
    a. **D107.1 One- or two-family dwelling residential developments.**
    Developments of one- or two-family dwellings where the number of dwelling units exceeds 30 shall be provided with two separate and approved fire apparatus access roads, and shall meet the requirements of Section D104.3.
    b. **D104.3 Remoteness.**
    Where two fire apparatus access roads are required, they shall be placed a distance apart equal to not less than one half of the length of the maximum overall diagonal dimension of the lot or area to be served, measured in a straight line between accesses.
2) Dead end roads do not have ample cul-de-sac.
    a. **503.2.5 Dead ends.**
    Dead-end fire apparatus access roads in excess of 150 feet (45 720 mm) in length shall be provided with an *approved* area for turning around fire apparatus.

Thank you for your attention to these life safety concerns.

Alan Jankovich | Fire Chief
Isanti Fire District

A Community For Generations.

Isanti

Request for City Council Action

To: Mayor Johnson and Members of City Council
From: Sheila Sellman, Community Development Director
Date: February 2, 2021
Subject: Request by the City of Isanti for a Preliminary and Final Subdivision to subdivide PID 16.124.0020 into three five-acre lots

---

Request: Request by the City of Isanti for a Preliminary and Final Subdivision to subdivide 15 acres of a shovel ready site (PID 16.124.0020) into three five-acre lots.

Overview/Background: The City has entered into a purchase agreement with LTL, LLC to sell them two 5-acre lots from the shovel ready program. Currently the subject lot is 15 acres, once the subdivision occurs it will be split into three 5-acre parcels. LTL, LLC will be buying the northern two lots and the City will retain the southern lot for sale.

This parcel has multiple city ditches and an access to the city water tower. The access to the water tower did not have proper documentation therefore we created an outlot for this access.

As proposed all the lots meeting minimum standards in the Industrial Park.

The Planning Commission held a public hearing at their January 19, 2021 meeting. No one from the public spoke on this item. The Planning Commission recommends approval.

Staff Recommendation:
Staff recommends approval

Attachment:
- Resolution
- City Engineer Memo
- Preliminary and Final Plat

RESOLUTION 2021-XXX

APPROVING THE PRELIMINARY PLAT, FINAL PLAT ISANTI CENTENNIAL COMPLEX 7TH REARRANGEMENT

WHEREAS, The City of Isanti has applied for Preliminary and Final Plat for Isanti Centennial Complex 7th Rearrangement a 3-lot subdivision for the property legally described as Lot 00A of Isanti Centennial Comp 5th Rearrange, Isanti County, Isanti, Minnesota; and,

WHEREAS, two lots will be sold and developed with the third lot available for sale; and,

WHEREAS, the City of Isanti Planning Commission held a public hearing on the proposed Preliminary and Final Plat of Isanti Centennial Complex 7th Rearrangement during the regular Planning Commission meeting held on January 19,2021; and,

WHEREAS, the City of Isanti Planning Commission has recommended approval of the Preliminary and, Final Plat as presented;

NOW, THEREFORE, IT IS HEREBY RESOLVED, by the City Council of the City of Isanti, Minnesota, that it approves the Preliminary Plat and Final Plat of for Isanti Centennial Complex 7th Rearrangement.

Adopted by the City of Isanti City Council on this 2nd day of February 2021.

Attest: _____
Mayor Jeff Johnson

MEMORANDUM

Date: January 13, 2021

To: Sheila Sellman, Community Development Director

From: Jason W Cook, P.E.
City Engineer

Subject: Isanti Centennial Complex 7th Rearrangement - Plat Review
City of Isanti, MN
Project No.: 0R1.123322

We have reviewed the Preliminary and Final Plat and supporting documents entitled "Isanti Centennial Complex 7th Rearrangement" with a date of January 13, 2021.

The plat includes the subdivision of the 15.49 acre parcel owned by the EDA into 3 equal 5.01 acre lots and an Outlot.

The existing site has previously completed the "Shovel Ready" approval process where it went under rigorous reviews to determine these are buildable sites.

The 15.49 acre site has multiple City ditches and an access to the City water tower site on it. Some of these ditches were not in drainage and utility easements so new easements were written to cover the existing ditch system. The driveway to the water tower did not have a properly documented access so an Outlot was created to cover the water tower driveway and the utilities that are in it.

We recommend approval of the preliminary and final plats as submitted.

Please contact me if you have any questions.

Bolton & Menk is an equal opportunity employer.

OFFICIAL PLAT COPY

ISANTI CENTENNIAL COMPLEX 7TH REARRANGEMENT

SECTION 29, TWP. 35, RGE. 23
CITY OF ISANTI
ISANTI COUNTY, MINNESOTA

KNOW ALL PERSONS BY THESE PRESENTS: That the City of Isanti Economic Development Authority, a public body corporate under the laws of the State of Minnesota, fee owner of the following described property:

Outlot A, ISANTI CENTENNIAL COMPLEX 5TH REARRANGMENT, according to the plat thereof on file and of record in the Office of the County Recorder, Isanti County, Minnesota.

Has caused the same to be surveyed and platted as ISANTI CENTENNIAL COMPLEX 7TH REARRANGMENT and do hereby dedicate to the public for public use the drainage and utility easements as created by this plat.

In witness whereof said Economic Development Authority of the City of Isanti, a public body corporate under the laws of the State of Minnesota, have caused these presents to be signed by its proper officers this _____ day of _____ , 20_____ .

CITY OF ISANTI ECONOMIC DEVELOPMENT AUTHORITY

_____
Jeff Johnson, President of the City of Isanti Economic Development Authority

_____
Sheila Sellman, Secretary of the City of Isanti Economic Development Authority

STATE OF MINNESOTA

Request for City Council Action

To: **Mayor Johnson and Members City Council**
From: Matt Sylvester, Public Services Director
Date: February 2, 2021
Subject: Consider Resolution Authorizing the Repair of the Well II Pump

---

Background:
The Capital Improvement Plan (CIP) for 2021 has funds available to repair or replace the Well II Pump and components. The Well II pump motor was inspected and has excessive bearing vibration. The pump motor will need to be pulled out and taken off site and be rebuilt. While the pump motor is out, the casing will be cleaned, flushed, and televised to ensure that the well casing is in good enough shape to move forward with the pump rebuild. The CIP has a budgeted amount of $100,000.00 to complete the work. Staff reached out and was able to receive three quotes.

The three quotes were from:

- E.H. Renner - $35,580.00
- Traut Companies - $36,650.00
- Mineral Service Plus - $38,317.00

Recommendation:
Staff is recommending E.H. Renner to make the repairs to the Well II Pump,

Request:
Staff is requesting action on this item.

Attachments:
- Resolution 2021-XXX
- E.H. Renner Quote
- Traut Companies Quote
- Mineral Service Plus Quote

RESOLUTION 2021-XXX

AUTHORIZING THE REPAIR OF WELL II PUMP

WHEREAS, the Well II pump was inspected and found to have excessive vibration; and,

WHEREAS, the 2021 Capital Improvement Plan has $100,000.00 for the repair of the Well II Pump; and,

WHEREAS, staff reached out and received the following quotes to have the pump pulled and repaired; and,

Vendor	Quote
E.H. Renner	$35,580.00
Traut Companies	$36,650.00
Mineral Service Plus	$38,317.00

WHEREAS, the funding source would be Water 601-49400-500;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to approve the quote from E.H. Renner in the amount of $35,580.00 funding source identified as Water (500).

This resolution was duly adopted by the Isanti City Council this 2nd day of February 2021.

Isanti, MN 55040

RE: Well Pump #2- Maintenance Inspection

Mr. Matt Sylvester:

• Mobilize manpower and equipment, remove well pump motor and column pipe and transport to our shop	$2,300.00
• Clean up pump, column pipe, inspect and provide repair recommendation costs	$650.00
• Brush 18" casing from surface to 273 ft (4 hrs. @ $225.00/ hr.)	$900.00
• Flush casing with city water and video inspection	$2,200.00

We will deliver the motor to a certified motor rebuilder. They will inspect the motor and provide a cost for a basic rebearing , bake dip, reassemble, test and paint. With your approval we would give direction to proceed.

If you should have any questions, please do not hesitate to call us.

Sincerely,
Danny Nubbe

Request for City Council Action

To: **Mayor Johnson and Members City Council**
From: Matt Sylvester, Public Services Director
Date: February 2, 2021
Subject: Consider Resolution Authorizing the Replacement of the ICC Sprinkler System

---

Background:
The Capital Improvement Plan (CIP) for 2021 has funds available to replace the sprinkler system at the Isanti Community Center (ICC). The sprinkler system has developed small leaks and has reached its useful life. The work will take approximately 2-4 weeks to complete and will be done. During that time the City of Isanti will not be taking any reservations for the ICC. The CIP has a budgeted amount of $25,570.00 to complete the work. Staff reached out and was able to receive three quotes.

The three quotes were from:

- Summit Companies - $23,600.00
- Dynamic Fire Protection -$36,100.00
- Olsen Fire - $35,890.00

Recommendation:
Staff is recommending Summit Companies to complete the work.

Request:
Staff is requesting action on this item.

- Olsen Fire Quote

RESOLUTION 2021-XXX

AUTHORIZING THE REPLACEMENT OF THE ISANTI COMMUNITY CENTER SPRINKLER SYSTEM

WHEREAS, the Isanti Community Center (ICC) sprinkler system has reached its useful life and is in need of replacement; and,

WHEREAS, the ICC will be closed for 2-4 weeks for the repairs to be made; and,

WHEREAS, the 2021 Capital Improvement Plan has $25,750.00 for the replacement of the sprinkler system; and,

WHEREAS, staff reached out and received the following quotes to have the sprinkler system replaced at the ICC; and,

Vendor	Quote
Summit Companies	$23,600.00
Dynamic Fire Protection	$36,100.00
Olsen Fire	$35,890.00

WHEREAS, the funding source would 920-45186-500 (ICC);

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to approve the quote from Summit Companies in the amount of $23,600.00 with a total amount for the project not to exceed $25,750.00 with the funding source identified as 920-45186-500 (ICC).

This resolution was duly adopted by the Isanti City Council this 2nd day of February 2021.

Proposal and Contract

Summit Companies ("Summit") makes the following proposal (the "Proposal"):

Date of Proposal: January 7, 2021

Proposal Submitted To: City of Isanti
Address: 110 1st Avenue NW
Isanti, MN 55040

Attention: Josh Becker

Regarding: Fire Protection Proposal
Isanti Community Center Replace Piping

Specifications: The equipment to be provided by Summit as part of this Proposal, as well as design and installation services, are sometimes collectively referred to in this Proposal as the "Project". NFPA 13, together with the Specifications described in those certain plans dated _____.

SCOPE OF WORK
Summit Companies shall provide the necessary labor and materials to demo existing sprinkler piping to point just above valve assembly and replace with new sprinkler heads, pipe and fittings. Sprinkler pipes for dry system will be grooved SCH 10 black and threaded SCH 40 black. Work is to be performed during normal working hours and days. All work to be in accordance with NFPA 13 and the State of Minnesota.

EXCLUSIONS
- Valve assembly.
- Painting and patching.
- Overtime or after hours labor
- Electrical wiring (tamper switches, flow switches, horn/strobes, alarm, alarm panel, etc.).
- Fire alarm system or audible alarms.
- Central monitoring of sprinkler system(s).
- Power

Contract Price: Summit shall perform the above described work at the following price: **$23,600.00 Twenty Three Thousand Six Hundred Dollars** (the "Contract Price")

Completion of the Project: Summit offers to provide to Owner the equipment, supplies and materials, as well as the design and installation services and labor to complete the Project, as described in the Specifications. This Proposal shall be null and void, at Summit's option, if Summit does not receive a signed acceptance of this Proposal by Owner after 30 days. In order to guarantee pricing, Owner may be required to pay for materials at the time of acceptance of this Proposal.

General Conditions: The General Conditions attached to this Proposal are a part of this Proposal. Upon acceptance of this Proposal by Owner, the General Conditions will be a part of the contract between Summit and Owner.

Parties: Summit Companies is a d/b/a of Summit Fire Protection, a Minnesota corporation.

SUMMIT COMPANIES PROPOSAL AND CONTRACT GENERAL CONDITIONS

These General Conditions are attached to and made a part of the Summit Proposal and Contract to which they are attached (collectively, the "Contract") as if fully set forth on the front page of the Contract. As used in these General Conditions, "Summit," "Owner," "Project," and "Contract Price" shall have the same meanings as those terms have in the Contract.

1. Payment. Owner agrees to pay the Contract Price for the Project as and when required in the Contract. If Owner fails to pay the Contract Price, or any installment thereof, within ten (10) days after the date the same is due and payable, Owner shall automatically be assessed and shall pay a late charge equivalent to three percent (3%) of the amount of such late payment, together with interest on such late payment at the lower of the maximum rate allowed by applicable law or the rate of eighteen percent (18%) per annum.

2. Changes. Except for substitutions, as described below in this paragraph, any alteration or modification to the Project must be documented and approved by Summit and Owner by a written change order signed by Summit and Owner. Summit reserves the right to require Owner to pay for all change order items (labor, equipment and any other materials) at the time of signing the change order. In the event of discontinuations, changes or the unavailability of specific equipment or materials described in the Specifications, Summit will have the right to substitute equipment and materials with substantially similar quality and features; provided, however, that if the replacement items are more expensive, then Summit shall notify Owner and Owner may elect whether to pay the additional expense (as an increase to the Contract Price) or to modify the Proposal to include less expensive items, if available, that would not increase the Contract Price.

3. Limited Warranty. All materials and labor supplied by Summit will be warranted for one (1) year from the date of completion of the Project. Upon request, Summit will supply a signed warranty letter to Owner, which states the completion date of the Project and the warranty termination date. Certain equipment may include manufacturer's warranties. Summit provides no additional warranty on such equipment. Owner shall have the right to seek enforcement of any such manufacturer's warranty. Summit shall have no obligation to seek enforcement of any such manufacturer's warranty against the manufacturer. Any labor or other services requested by Owner of Summit in connection with Summit's warranty after the one (1) year warranty termination date shall be paid by Owner to Summit based on Summit's standard fees and charges at the time. No other express or implied warranties are made by Summit. Summit's warranty shall not apply with respect to misuse, abuse or any use that is not in conformity with all applicable specifications and instructions. Except as specifically set forth in this Contract, Summit, and/or its agents and representatives makes no warranty or representation, express or implied, with respect to use, construction standards, workmanship, materials, merchantability or fitness for a particular purpose.

4. Taxes. Any taxes or other governmental charges related to the Project shall be paid by Owner to Summit and shall be in addition to the Contract Price. In addition, if any fees or permits (such as one or more building permits) are required in connection with the Project, Owner shall secure and pay for any such fees and permits, the cost of which shall be in addition to the Contract Price

5. Unavoidable Delays. To the extent any time period for performance by Summit applies, Summit shall not be responsible for any delays due to federal, state or municipal actions or regulations, strikes or other labor shortages, equipment or other materials delays or shortages, acts or omissions of Owner, or any other events or causes beyond the control of Summit.

6. Access. Owner shall allow Summit to have reasonable access to the job site to allow the completion of the Project on the dates and at the times requested by Summit personnel.

7. Risk of Loss. Risk of loss shall pass to Owner at the time the equipment and other materials that are part of the Project are delivered to the job site. This means that, for example, in the event of damage or destruction due to casualty, or in the event of theft, Owner shall be responsible for payment for such equipment and materials even if the Project has not been completed. Title to the equipment and other materials shall be held by Summit until payment in full of the Contract Price, at which time title shall pass to Owner. Summit shall have the right to remove the equipment and other materials that are a part of the Project if payment of the full Contract Price is not made by Owner immediately upon completion of the Project. That right shall be in addition to, and not in limitation of, Summit other rights and remedies.

8. MECHANIC LIEN NOTICE. YOU ARE ENTITLED UNDER MINNESOTA LAW TO THE FOLLOWING NOTICE:
   (a) any person or company supplying labor or material for this improvement to your property may file a lien against your property if that person or company is not paid for their contributions.

   (b) under Minnesota law, you have the right to pay persons who supplied labor or materials for this improvements directly and deduct this amount from our contract price, or withhold the amounts due them from us until 120 days after completion of the improvements unless we give you a lien waiver signed by persons who supplied any labor or material for the improvement and who gave you timely notice."

9. Limitation of Liability and Remedies. The Project is not an insurance policy or a substitute for an insurance policy. In the event of any breach, default or negligence by Summit under this Contract, Owner agrees that the maximum liability of Summit shall not exceed an amount equal to the Contract Price. Owner expressly waives any right to make any claim in excess of that amount. Further, Owner waives any right to any claims for punitive, exemplary or consequential damages. Owner shall provide Summit with reasonable notice of any claim and a reasonable opportunity to cure the alleged breach or default. Owner shall indemnify, defend and hold Summit harmless from and against claims, actions, costs and expenses, including reasonable legal fees and costs, arising out of any injury, death or damage occurring on or about the job site unless caused by the gross negligence or willful misconduct of Summit.

10. Owner's Failure to Pay. If Owner fails to pay any amount due to Summit as and when required, Summit shall have the right, but not the obligation, to immediately stop work on the Project and Summit may pursue any and all available remedies, including the right to place a lien against the Project site. In addition, Owner shall be obligated to reimburse Summit for reasonable legal fees and costs incurred by Summit in the enforcement of this Contract.

11. Binding Arbitration Agreement. Except as otherwise set forth in Section 10 above, in the event of any dispute between Owner and Summit, whether during the performance of the work and services contemplated under this Contract or after, Owner and Summit agree to negotiate in good faith towards the resolution of the dispute. If Owner and Summit are unable to resolve the dispute within twenty (20) days after the date the dispute arises, then Owner and Summit agree to resolve the dispute through binding arbitration. All disputes arising out of or relating to this Contract including, without limitation, claims relating to the formation, performance or interpretation of this Contract, and claims of negligence, breach of contract and breach of warranty, which are not resolved either through direct negotiation as provided above, shall be resolved by binding arbitration under the Construction Industry Arbitration Rules of the American Arbitration Association then in effect. This arbitration agreement will be governed by the Federal Arbitration Act and the Minnesota Uniform Arbitration Act. Arbitration will be commenced by written demand for arbitration filed with the American Arbitration Association and the notice of filing, together with a copy of the written demand for arbitration, be provided to the other party in accordance with the notice provisions of this Contract. However, no arbitration or legal action will be commenced following expiration of the application statute of limitations or repose. Judgment on the arbitration award will be confirmed in any court with jurisdiction. Owner and Summit agree that any subcontractor, material supplier, or sub-subcontractor may be made a party to the arbitration proceeding. Venue for the arbitration will be Ramsey County, Minnesota. Summit expressly reserves all mechanics lien rights under Chapter 514 of the Minnesota Statutes and may take such other legal action as is needed to perfect such rights. The provisions contained in this paragraph will survive the completion of construction and termination of this Contract.

12. Miscellaneous. The headings used herein are for convenience only and are not to be used in interpreting this Contract. This Contract shall be construed, enforced and interpreted under the laws of the State of Minnesota. This Contract may not be modified, amended or changed orally, but only by an agreement in writing signed by the parties hereto. Neither party shall be deemed to have waived any rights under this Contract unless such waiver is given in writing and signed by such party. If any provision of this Contract is invalid or unenforceable, such provision shall be deemed to be modified to be within the limits of enforceability or validity, if feasible; however, if the offending provision cannot be so modified, it shall be stricken and all other provisions of this Contract in all other respects shall remain valid and enforceable. This Contract is not assignable by Owner. This Contract is the entire agreement between the parties regarding the subject matter of this Contract; any prior or simultaneous oral or written agreement regarding the subject matter hereof is superseded by this Contract.

DYNAMIC FIRE PROTECTION
11300 275th Street
Chisago City, MN 55013
www.dynamicfireprotection.net

Date of Proposal: **1/12/2021**

Proposal To:	City of Isanti 110 1st Avenue Northwest Isanti, Mn 55040	Address:	Isanti Community Center 208 1/2 1st Avenue Northwest Isanti, MN 55040

Fire Protection Scope of Work:

Dynamic Fire Protection is pleased to propose Replacing the fire sprinkler pipe and fire sprinkler heads on the Dry System for the Isanti Community Center. Dynamic proposes the following fire sprinkler scope of work:

*** Demo all existing fire sprinkler piping and dispose of**
*** Re-run piping from dry valve to attic and floor area**
*** All piping 2" and smaller to be Schedule 40 piping**
*** All piping 2.5" and larger to be schedule 10 piping**
*** All pipe joining methods to be grooved or screwed**
*** Attic will be replaced with one line down the center of each peak with listed attic sprinklers.**
*** All heads and piping to be replaced in attic and floor area**
*** Add to base bid options below total cost section if options are taken**
*** Shop drawings and Calculations**
*** Permit with the city of Isanti**
*** 1 Year warranty upon completion**

All new layouts an installations will comply with state and local fire codes. All labor and material will be provided by Dynamic Fire Protection.

Material:

Associated pipe, fittings and hangers to complete scope of work
Sprinkler head in floor area to match existing heads

RE: Community Center

Dear Josh,

Thank you for this opportunity to bid on the above project. Please accept this letter as our proposal.

We propose to furnish the necessary materials and labor to install replace 1 dry pipe system of the automatic spray type sprinklers in the subject building as per the following specifications and in accordance with N.F.P.A. 13. This also includes applicable taxes and required permits.

WATER SUPPLY; Existing

WATER FLOW SWITCH; Existing

SYSTEM CONTROLS; Existing

ALARM BELL; Existing

FIRE DEPARTMENT CONNECTION; Existing

DRAINS
Provide and install drains for all pocketed piping. Main system drain to be discharged to atmosphere through building wall.

SYSTEM DESIGN; matches the existing design

OTHER ITEMS
High temperature heads as required.
Cabinet with 6 heads and wrench.
Signs, ceiling, floor and wall plates.
Tamper or supervisory switches as required.
Brass sprinklers in all exposed areas.

HANGERS
All hangers are to be in accordance with N.F.P.A. standards as required by building construction. Olsen Fire Protection, Inc. will not provide additional structural members or be responsible for building structure to support the system.

CUTTING AND PATCHING
All cutting of holes through walls, ceiling partitions and floors for passage of sprinkler piping and the patching of same where necessary is part of this contract. Others shall cut holes in ceiling tiles as required.

BENCH ROOM, MATERIALS STORAGE AND POWER SUPPLY
Owner shall provide sufficient inside bench room, storage space and power supply for sprinkler power tools.

WORKMEN
All work is to be completed in a workmanlike manner according to standard practices by thoroughly trained sprinkler mechanics.

OVERTIME
The contract price is based on all work being performed during regular working hours.

PLANS
Detailed working drawings of the entire installation are to be submitted to the City of _____ for their review and the installation is subject to their final inspection and rating when the work is completed.

ITEMS NOT INCLUDED IN THIS PROPOSAL
Electric wiring for alarms and supervisory service; painting of pipe, fittings or other devices. (The rehooking up of existing equipment is included).

OWNER RESPONSIBILITY
Any alteration or deviation from above specifications involving extra costs will be executed upon written orders and will be an extra charge over and above this estimate.

PAYMENT
We will submit monthly payment requests. They will be based on the percentage of material of on jobsite and labor expended, due and payable on the 10th of the month following date of the billing.

Proposer's price for the specified work is **$ 35,890.00** and will remain in effect for 60 days.

Expect the best,
Kevin R. Olsen
President
Olsen Fire Protection, Inc.
Kevin.olsen@olsenfire.com
(612) 331-3111

In the event that an AIA Document or another form of contract is used the proposals will become attached as an exhibit to the contract.

If electronic files are available, they will be provided at no additional cost.

PAYMENT to be made as the work progresses. The entire amount of the contract will be paid upon completion.
ACCEPTANCE OF PROPOSAL: OLSEN FIRE PROTECTION, INC (Contractor) IS HEREBY AUTHORIZED TO PERFORM THIS WORK AS SPECIFIED ABOVE AND THE UNDERSIGNED

("Customer") ACCEPTS THE TERMS AND CONIDTIONS FOUND ON PAGE 4 OF THIS FORM, WHICH ARE INCORPORATED BY THIS STATEMENT AND ARE AN INTEGRAL PART OF THIS AGREEMENT.

Date of Acceptance: _____ Signature: _____

TERMS AND CONDITIONS

The Proposal, together with these Terms and Conditions, constitute the entire agreement ("Agreement") of the parties.

1. This Agreement is for work performed on this Service Proposal only. If Customer wants Olsen Fire Protection, Inc. ("Company") to make any additional repairs, alterations or replacements as a result of the work performed, the Company will do so for additional compensation to be agreed upon in writing by the parties.

2. The Company does not know and does not represent whether the current fire protection system on the property of Customer ("Property") was originally designed and installed in such a way that the system will perform as originally intended or is suitable and sufficient for its intended purpose given the way in which the Property has been or will be used. In other words, the Property has been or may be used in ways such that the configuration of partition walls, the location of and types of materials (including the presence of hazardous materials) and other conditions of the Property's use are such that the fire protection system is inadequate, insufficient or unsuitable for the Property. The Company is NOT responsible for any damages due to: (1) incompatibility of materials within a CPVC piping system, or, (2) corrosion or deterioration of piping due to Customer's water supply, atmospheric conditions, soil quality, or any other condition at Customer's facility that adversely affects the integrity of the fire protection system. THIS AGREEMENT IS NOT A GUARANTEE OR WARRANTY THAT THE SYSTEM WILL IN ALL CASES (A) PROVIDE THE LEVEL OF PROTECTION FOR WHICH IT WAS ORIGINALLY INTENDED, (B) IS FREE OF ALL DEFECTS AND DEFICIENCIES, (C) AND IS IN COMPLIANCE WITH ALL APPLICABLE CODES. Customer agrees that it has not retained Company to make these assessments unless otherwise specifically indicated.

3. The Company will be permitted, at all reasonable times, to enter the Property to conduct the work as outlined in this Agreement.

4. **TO THE FULLEST EXTENT PERMITTED BY LAW, CUSTOMER AGREES TO DEFEND, INDEMNIFY AND HOLD HARMLESS COMPANY AND ITS OFFICERS, DIRECTORS, EMPLOYEES, AGENTS, PARENT COMPANY, SUBSIDIARIES AND AFFILIATES, (HEREINUNDER REFERRED TO AS "INDEMNIFIED PARTIES") FROM AND AGAINST ANY AND ALL CLAIMS, DEMANDS, LOSSES, EXPENSES OR LIABILITIES OF ANY KIND, INCLUDING ATTORNEY'S FEES, (HEREINUNDER REFERRED TO AS "DAMAGES"), ARISING OUT OF OR IN ANY WAY RELATING TO OR CONNECTED WITH THE WORK PERFORMED BY THE COMPANY UNDER THIS AGREEMENT (WHETHER ARISING DURING OR FOLLOWING THE PERFORMANCE OF THE WORK). THE FOREGOING OBLIGATIONS TO DEFEND, INDEMNIFY AND HOLD HARMLESS SHALL BE ENFORCEABLE REGARDLESS OF WHETHER SUCH "DAMAGES" ARE ACTUALLY OR ALLEGEDLY CAUSED BY THE NEGLIGENCE, PRODUCT LIABILITY, BREACH OF CONTRACT, BREACH OF WARRANTY, BREACH OR VIOLATION OF A STATUTE, ORDINANCE, GOVERNMENTAL REGULATION, STANDARD OR RULE OR OTHER FAULT OF ANY OF THE "INDEMNIFIED PARTIES", IT BEING THE EXPRESS INTENT OF CUSTOMER TO DEFEND INDEMNIFY AND HOLD HARMLESS THE "INDEMNIFIED PARTIES" FROM THE CONSEQUENCES OF THE "INDEMNIFIED PARTIES" OWN NEGLIGENCE, PRODUCT LIABILITY, BREACH OF CONTRACT, BREACH OF WARRANTY, BREACH OR VIOLATION OF A STATUTE, ORDINANCE, GOVERNMENTAL REGULATION, STANDARD OR RULE OR OTHER FAULT. SHOULD THE "DAMAGES" ASSERTED AGAINST THE "INDEMNIFIED PARTIES" ARISE OUT OF THE SOLE NEGLIGENCE OF THE "INDEMNIFIED PARTIES" CUSTOMER'S INDEMNIFICATION OBLIGATIONS HEREUNDER SHALL BE ONLY FOR THE AMOUNT OF THE "DAMAGES" THAT EXCEEDS THE LESSER OF $5,000 OR THE CONTRACT AMOUNT. CUSTOMER FURTHER AGREES TO INDEMNIFY THE "INDEMNIFIED PARTIES" FOR THEIR LEGAL FEES, COSTS AND DISBURSEMENTS PAID OR INCURRED TO ENFORCE THE PROVISIONS OF THIS PARAGRAPH AND TO OBTAIN, MAINTAIN AND PAY FOR SUCH INSURANCE COVERAGE AND ENDORSEMENTS, INCLUDING COMPLETED OPERATIONS COVERAGE, AS WILL INSURE THE PROVISIONS OF THIS PARAGRAPH, AND UPON REQUEST, SHALL PROVIDE COMPANY WITH EVIDENCE THEREOF.**

5. **IT IS UNDERSTOOD AND AGREED BY CUSTOMER THAT COMPANY IS NOT AN INSURER, THAT CUSTOMER SHALL OBTAIN THE TYPE AND AMOUNT OF INSURANCE COVERAGE WHICH IT DETERMINES NECESSARY, AND THAT THE AMOUNTS PAYABLE TO THE COMPANY HEREUNDER ARE BASED UPON THE VALUE OF THE SERVICES RENDERED AND ARE UNRELATED TO THE VALUE OF CUSTOMER'S PROPERTY, THE PROPERTY OF OTHERS LOCATED ON CUSTOMER'S PREMISES, OR ANY POTENTIAL LIABILITY OR DAMAGE TO CUSTOMER ARISING OUT OF THE WORK PERFORMED BY COMPANY. CUSTOMER ACCORDINGLY AGREES THAT THE LIABILITY OF COMPANY, ITS OFFICERS, DIRECTORS, EMPLOYEES, PARENT COMPANIES, SUBSIDIARIES, AFFILIATES AND AGENTS ARISING OUT OF OR IN ANY WAY RELATING TO OR CONNECTED WITH THE WORK PERFORMED BY THE COMPANY SHALL BE LIMITED TO THE LESSER OF $5,000 OR THE PRICE OF THE WORK PERFORMED BY THE COMPANY. THIS LIMITATION OF LIABILITY SHALL APPLY TO ALL CLAIMS, DEMANDS, LOSSES, EXPENSES OR LIABILITIES OF ANY KIND, INCLUDING ATTORNEY'S FEES, (HEREINAFTER REFERRED TO AS "DAMAGES"), SUSTAINED BY CUSTOMER OR ANY OTHER**

PARTY CLAIMING BY OR THROUGH CUSTOMER, AND SHALL APPLY REGARDLESS OF WHETHER SUCH "DAMAGES" ARE ACTUALLY OR ALLEGEDLY CAUSED BY THE NEGLIGENCE, PRODUCT LIABILITY, BREACH OF CONTRACT, BREACH OF WARRANTY, BREACH OR VIOLATION OF A STATUTE, ORDINANCE, GOVERNMENTAL REGULATION STANDARD OR RULE OR OTHER FAULT OF COMPANY, ITS OFFICERS, DIRECTORS, EMPLOYEES, AGENTS, PARENT COMPANIES, SUBSIDIARIES AND AFFILIATES.

6. **CUSTOMER AGREES TO REQUIRE ITS INSURANCE POLICIES TO BE ENDORSED SO AS TO WAIVE ALL RIGHTS OF SUBROGATION AGAINST COMPANY.**
7. While the Company will make every reasonable effort to prevent the discharge of water into or onto areas of landscaping, decorative pavement, etc., it is the Customer's responsibility to provide sufficient and readily accessible means to accept the full flow of water that may be required by tests as determined by the Proposal.
8. This Agreement may not be assigned by Customer without the written consent of the Company.
9. Neither party shall be liable to the other for indirect, incidental, consequential or punitive damages arising out of the work.
10. If payment for work provided in this Agreement is not received by the Company within 30 days from Customer's receipt of an invoice for the work, Customer shall pay interest at the rate of 3% per annum on all past due sums, together with all costs of collection, including attorney's fees.
11. This Agreement constitutes the entire agreement of the parties. If any provision hereof shall be invalid, the remaining provisions shall survive and be enforceable against the parties. The law of the state where the work is performed will govern. This Agreement supersedes all prior agreements. This Agreement may be modified only by a written instrument signed by both parties.

Date: January 25, 2021
To: Honorable Mayor Johnson and Members of the City Council
City of Isanti
From: Jason W Cook, P.E.
City Engineer
Subject: Resolution for Municipal State Aid Funds Advancement
Isanti, Minnesota
BMI Project No: R13.120122

In order for the Finance Department of the Mn/DOT Municipal State Aid System (MSAS) to release our previously approved use of MSAS funds, a resolution must be passed requesting the State-Aid advancement in each year funds are requested. It does not carry over from the previous year.

We requested $582,701.18 in advance funds last year and were reimbursed $557,374.12 of that amount in 2020. The remaining $25,327.06 will need to be requested again in 2021 as we cannot receive the funds until the project is closed out later this year.

In addition to this remaining original request, we have also incurred $12,801.28 of additional eligible State Aid costs on this project that have previously been approved by the City Council.

While the State Aid system is currently projecting that advance requests may not be authorized until 2022, we recommend requesting the amount now to be eligible for reimbursement this year if advancements are again authorized.

We recommend approval of the attached resolution requesting a total State Aid advancement of $38,128.34 in 2021.

If you have any questions concerning the proposed funding feel free to contact me prior to the meeting.

Bolton & Menk is an equal opportunity employer.

RESOLUTION 2021-XXX

REQUESTING ADVANCEMENT OF MUNICIPAL STATE AID FUNDS

WHEREAS, the City of Isanti has implemented Municipal State Aid Projects in 2020 which require State Aid funds in excess of those available in its Municipal Account; and,

WHEREAS, said City is prepared to pay for the construction of said projects through the use of an advance from the Municipal State Aid Construction Fund to supplement the available funds in their Municipal State-Aid Construction Account; and,

WHEREAS, said City has a remaining approved advance amount of $25,327.06 from the 2020 advance request; and,

WHEREAS, said City has incurred an additional eligible cost in the amount of $12,801.28 on the 2020 6th Avenue SW Rehabilitation project; and,

WHEREAS, the advance is based on the following determination of estimated expenditures:

	Total Project Cost	**State Aid Eligible**	**2020 State Aid Reimbursement**	**Total City Cost**
2020 6th Avenue SW Rehabilitation	**$677,340.38**	**$595,502.46**	**$557,374.12**	**$81,837.92**

Account Balance as of date 1/21/2021	($610,064.58)
Estimated Eligible Expenditures:	
Project #245-116-001– 2020 6th Avenue SW Rehabilitation	($595,502.46)
Total Amount Advanced in 2020	$557,374.12
Total Amount Currently Available for Advance	$497,600.42
Advance Amount Requested	$38,128.34

WHEREAS, repayment of the funds so advanced will be made in accordance with the provisions of Minnesota Statutes 162.08, Subd. 5 & 7 and Minnesota Rules, Chapter 8820;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City Of Isanti, Minnesota:

1. That the Commissioner of Transportation be and is hereby requested to approve this

advance for financing approved Municipal State Aid Highway Project(s) of the City of Isanti in an amount up to $38,128.34 in accordance with Minnesota Rules 8820.1500, Subp. 9.

2. The City Council authorizes repayments from subsequent accruals to the Municipal Account of said City from future year allocations until fully repaid.

This resolution was duly adopted by the Isanti City Council this 2nd day of February 2021.

RESOLUTION 2021-XXX

EXTENDING AGREEMENT WITH FALCON NATIONAL BANK FOR BANKING SERVICES

WHEREAS, the City of Isanti approved Resolution 2018-066 on March 20th 2018 entering into a three-year banking services agreement with Falcon National Bank; and,

WHEREAS, the agreement with Falcon National Bank waives all fees and provides a variable interest rate of 3.4% below the Prime Rate as reported in the Wall Street Journal with an interest rate floor of 0.25% on all deposit accounts; and,

WHEREAS, the City of Isanti has been well served by the existing agreement; and,

WHEREAS, the City of Isanti and Falcon National Bank have mutually agreed to extend the terms of the current agreement, set to expire March 31, 2021, by three years;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota as follows:

1. The City Council approves extending the existing banking services agreement with Falcon National Bank.

2. City Staff is hereby authorized to enter into an extended agreement with Falcon National Bank for banking services for the period of April 1, 2021 thru March 31, 2024.

This Resolution is hereby approved by the Isanti City Council this 2nd day of February 2021.

Banking Services Agreement

BANKING SERVICES AGREEMENT PROVISIONS FOR THE CITY OF ISANTI

The City of Isanti, Minnesota (hereinafter the "City") and Falcon National Bank, whose address is 905 6th Ave Ct NE, Isanti, MN 55040, (hereinafter the "Financial Institution) agree and contract as follows:

1. SERVICES BY FINANCIAL INSTITUTION
    a. The Financial Institution agrees to perform the services described in this proposal, which attachment is incorporated herein by reference.
    b. All services, and all duties incidental or necessary thereto, shall be conducted and performed diligently and completely and in accordance with professional standards of conduct and performance.
    c. Nothing herein will be construed as prohibiting the City from maintaining accounts at other banks; including but not limited to certificates of deposit and special accounts.
2. FEES AND CHARGES
    a. The Financial Institution agrees that no fees will be associated with City accounts; as no fees were explicitly identified within the attached proposal.
3. INTEREST
    a. The Financial Institution agrees to pay interest on all City deposit accounts at a rate 3.4% below the prime rate as published in the Wall Street Journal with an interest rate floor of 0.25%.
4. CONTRACT PERIOD
    a. The Banking Services Agreement will be effective April 1st of 2021 thru March 31st of 2024, with the option to extend the contract period for an additional two-year term.
5. TERMINATION OF AGREEMENT
    a. The City may cancel the contract upon a minimum of thirty (30) days written notice. The Financial Institution may not cancel the contract for any reason except failure of the City to fulfill its obligations.

RESOLUTION 2018-066

A RESOLUTION AUTHORIZING APPROVAL TO ENTER INTO AN AGREEMENT WITH COMMUNITY PRIDE BANK FOR BANKING SERVICES FROM APRIL 1, 2018 THROUGH MARCH 31, 2021

WHEREAS, the City of Isanti has determined that it is in the city's best interest to seek proposals from qualified institutions to provide the highest quality depository and banking services at a competitive price for a three year period with the potential of two year extension; and

WHEREAS, Request for Proposals for Banking Services bids were reviewed by Finance Committee on Thursday, March 8, 2018; and

WHEREAS, proposals were received from Community Pride Bank, Members Cooperative Credit Union, Flagship Bank and Minnco Credit Union; and

WHEREAS, the proposal from Community Pride Bank waives all fees and provides a variable interest rate of 3.4% below the Prime Rate as reported in the Wall Street Journal with an interest rate floor of 0.25% on all deposit accounts;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota as follows:

1. The City Council hereby awards banking services to **Community Pride Bank** as the most competitive bidder.

2. That the City Staff is hereby authorized to enter into an agreement with **Community Pride Bank** for banking services for the period of April 1, 2018 to March 31, 2021 according to the terms in the proposal submitted by **Community Pride Bank** dated March 2, 2018.

This Resolution is hereby approved by the Isanti City Council this 20th day of March, 2018.

BANKING SERVICES PROPOSAL FORM CITY OF ISANTI

Please indicate the cost per unit or complete your answer in the space provided. If more space is needed, additional pages may be attached as long as they are clearly identified. If there are any services you provide that are not specified in the proposal and you think they would benefit the City, please list them along with the charge per item (on a monthly basis at the end of the form). If a banking service cannot be met, then enter "no proposal" (this may result in the proposal's nonacceptance or a reduction in evaluation points).

SECTION I. BANK SERVICES

Types of Services and Information Required Related to Bank Processing:

1. Availability of Funds

What are bank cut off times and locations for same day clearing of items drawn on Isanti and Twin City Metropolitan Banks?

We offer same day clearing of items drawn on us, cash, electronic deposits. Our funds availability policy is to make funds available from your other check deposits on the first business day after the day we receive your deposit.

What are times and locations where a final daily deposit will be accepted?

Final deposit can be made at either of our bank locations in Isanti or Ham Lake by 4:00 p.m. on any business day. Deposits can be made in our lobby or through our convenient drive-through locations, to meet your depository needs.

Note: Effective March 5, 2018 final deposit can be made by 5:00 p.m. at either location on any business day and until 6:00 p.m. at our Ham Lake drive-through location)

Provide your funds availability schedule for electronic and paper transactions.

We offer same day clearing of items drawn on us, cash, and electronic deposits. Our funds availability policy is to make funds from your other check deposits available to you on the first business day after the day we receive your deposit. We do reserve the right to delay funds availability, but we would notify you of this at the time you make the deposit as well as when the funds would be made available.

2. Returned Check Processing

The City requires the bank to automatically process returned checks a second time. The City averages two returned items per month.

What fees are charged?

We will not charge a fee for this service.

3. Night Depository Services

The bank will provide a night depository services as needed by the City. It is required that the bank supply locking depository bags to the City. The bank will process these bags by: 1) removing under dual control all contents of the bag, 2) counting under dual control all cash and checks received, 3) notifying the appropriate City office of any errors, and 4) preparing a receipt and sending it to the appropriate City office.

What fees are charged?

We perform our night depository services as you have outlined above. We do not charge for this service.

4. Wire Transfer Services

The City electronically processes less than one outgoing wire per month and receives approximately one incoming wire per week.

What is the cost per incoming wire?

We will not charge for this service.

What is the cost per outgoing wire?

We will not charge for this service.

Do you have internet banking that would allow us to process our own outgoing wires and at what cost, if any?

Not at this time.

5. Internal Transfers

The City currently transfers funds from the Money Market account to the General Checking account via internet.

What is the cost of this service?

We do not charge for this service.

Is there a limit on the number of transfers per month? If yes, how many transfers are allowed?

Per Regulation D, six (6) per statement cycle.

Is there a dollar limit per transfer? If yes, what is the limit?

Transfers are only limited by the balance in the account.

6. Automated Clearing House

The proposer must have and maintain Automated Clearing House (ACH) originating bank capabilities. The proposer must conform to National Automated Clearing House Association (NACHA) and Uniform Commercial Code Article 4A (UCC4A) rules. Our ACH volume includes bi-weekly and quarterly payroll, monthly ACH for city services payments and ACH from other governmental entities.

Describe your ACH direct deposit payroll capabilities.

Our cash management product allows for the origination of ACH files, including direct deposit payroll files. We have sufficient staff highly trained in ACH, including a thorough understanding of the ACH rules required by NACHA. We are a member of the Upper Midwest Automated Clearing Association (UMACHA).

Through what media can you accept instructions for making ACH payments or originating ACH debits?

Through cash management, ACH transactions can be originated. We also offer a bill pay service through our internet banking product which offers the ability to set up electronic payments.

What are the ACH originated per item charge (debits and credits) and all related costs?

We will not charge for this service.

Describe the technical support available for this service.

We have staff members trained in both ACH and our internet banking product to provide support on-site or via telephone.

7. Collateral

The bank must be able to provide sufficient collateral pledges or surety bonding for the account. Collateral is subject to change depending upon the deposit levels of the account (see Minnesota Statutes 118A). Bank is to review collateral requirements monthly and provide report to Finance Director.

We are able to pledge sufficient collateral in accordance with Minnesota Statute guidelines. We currently execute pledging agreements on our bond portfolio through our correspondent bank, United Bankers' Bank and have the ability to issue letters of credit through our relationship with the Federal Home Loan Bank of Des Moines.

What are the fees charged?

We do not charge for this service.

8. Balance Information and Reporting

The City currently obtains balances via the internet. Ledger balance, available balance, and collected balance are reported as well as detailed information listing debit and credit items. The City requires that statements process at the end of the last business day of the month.

What are the methods available to obtain daily balances?

You may obtain balance information utilizing our internet banking product, our 24-hour telephone banking phone number, or contacting either of our offices during business hours.

Describe the detail of the information provided.

Our E-Banking product allows you to view the ledger, available, and the collected balance for all your deposit accounts at the bank as well as detailed current day activity including debit and credit items.

Transaction detail displayed with our E-Banking product includes the date the item cleared, check number, transaction description, and the dollar amount of the transaction. You can also access images of all paper source documents, including both the front and back of checks for your research purposes.

What hardware and software are needed to access the electronic reporting system?

A minimum of Windows 7 and Internet Explorer v.11 is required.

Is it possible to view images of checks and deposits online?

Yes.

What fees are charged?

We will not charge for our E-Banking; including bill pay service.

9. Vault Services

The City orders approximately $6,000.00 of currency and coin on a monthly basis for our liquor store operations.

Please explain the process for ordering coin and the cost attached to this service.

Currency and coin can be ordered by calling our office during lobby hours. Our teller staff will prepare the order and have it ready for pick-up within 15 minutes of your call.

We will not charge for this service.

What are the times and locations available for currency and coin ordering?

Currency and coins can be ordered and picked up during lobby hours; Monday through Friday 8:30 a.m. until 5:00 p.m. at both of our locations and Saturday 9:00 to 12:00 p.m. at our Ham Lake location and by appointment at our Isanti location.

9. Credit Card Payments

The City currently accepts payments from its municipal liquor operations, utility billing operations, and other misc payments.

What would be the cost for accepting credit card settlements into our account?

We will not charge for this service.

10. Interest

What is reserve requirement for each account and is the reserve requirement deducted from the available balance before the earnings credit rate is calculated?

There is no reserve requirement for any accounts.

We are proposing all interest bearing accounts with No service charges for the City of Isanti. Therefore, earnings credit is not applicable.

The City expects to have one checking account, one savings account and one to three additional savings accounts to be utilized when segregation of funds is required or desired by the City.

Interest on deposits will be calculated for the checking account and savings account(s) separately. The "Prime Rate" as reported in the Wall Street Journal should be the basis for determining interest on deposits.

Proposers should bid interest on deposits as a fixed percent below the benchmark rate. Bidders should also identify the floor, or lowest rate that the city will earn under any economic circumstances. For example if the benchmark is 3.25% and your institution bids 3% under the benchmark rate with a 0.10% floor you are agreeing to pay 0.25% on the identified deposits today and guarantee that no matter how low the benchmark goes the City will always receive at least 0.10% on the identified deposits. Bidders may bid different rates and floors for checking and savings accounts but are not required to do so.

We propose paying the City of Isanti interest based on Prime minus 3.40%, with a floor of 0.25%.

Currently, the Prime Rate as published in the Wall Street Journal is 4.50%.

As of today's date this means that we would pay interest of 1.10% on all deposit accounts.

11. Electronic Bank Statements

The City currently receives bank statements electronically.

What are the fees charged for this service?

We do not charge for this service.

12. City Credit Card

The City currently has a credit card with a limit of $5,000.

What are the fees charged for this service?

The bank does not issue credit cards. We do work through a third party partner, Elan Financial Services.

Fees may vary depending on the specific card program that is selected.

13. Other Charges

Please identify any other charges that may be applicable to our account.

We are proposing No service charges applicable to either account.

Summary of Per Unit Charge Information

Deposit Services	Average Units/Month	Cost per Unit
Account Service Fee	2	$0.00
Debit Items (ACH)	20	$0.00
Credit Items (ACH & Credit Card Receipts)	150	$0.00
Check Clearing (Vendor, Payroll & EFT)	250	$0.00
Deposits	90	$0.00
Wires Sent	1	$0.00
Wires Received	5	$0.00
Stop Payments	1	$0.00

SECTION II. OPTIONAL SERVICES

1. Automatic Sweep

Do you offer an automatic sweep product to transfer end-of-day collected balances into an overnight investment account?

We do offer an automatic sweep process. We would need to understand what functionality you desire to see if it will serve your needs.

If yes, describe your operation and any limitations of your sweep account, as well as the cost attached to this service.

Limitations: Money Market accounts are limited to six (6) debits per statement cycle.

We will not charge for this service.

SECTION III. ADDITIONAL INFORMATION REQUESTED

1. Resource Personnel

Identify primary resource personnel and bank officers designated for the City's account.

Memo for Council Action

To: Mayor Johnson and Members of the City Council
From: Travis Muyres, Police Chief
Date: February 2, 2021
Subject: Resolution 2021-XXX Authorizing Purchase of Radar Speed Sign

---

Background:

Isanti City council had directed staff to look into the purchase of a radar speed sign to collect speed data and be utilized for voluntary speed compliance on residential roadways.

Recommendation:
Staff is recommending approval for the purchase of Radar Speed sign from Radar sign. This product has the easiest mobility and most durable housing that other options. The purchase price of $3355.00 will be purchased as an unbudgeted item with the funding identified as 920-42110-500.

Action Required:
If the Council concurs, it should by motion, take the following actions:

1. Approve Resolution as written.

Attachments:

- Resolution 2021-XXX Authorizing Purchase of Radar Speed Sign
- Vendor Quotes

RESOLUTION 2021- XXX

AUTHORIZING PURCHASE OF RADAR SPEED SIGN

WHEREAS, the Isanti City Council requested staff to look at the purchase of a speed radar sign for the purpose of speed data collection and voluntary compliance; and,

WHEREAS, the purchase has been identified as an unbudgeted item with the funding identified as 920-42110-500; and,

WHEREAS, staff has determined residential speed awareness is a significant concern of the City Council and City residents;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City Of Isanti, Minnesota hereby authorizes the following:

1. The purchase of a radar speed sign, software and 3 mounting brackets form Radarsign not to exceed $3,355.
2. Funding source identified as 920-42110-500.
3. Authorize staff to sign required documentation for the purchase of equipment.
4. Authorize Finance Director to amend budget based on final cost
5. Authorize the Police Chief or designee to place the radar sign in various City of Isanti road right of ways to collect speed data and gain voluntary speed compliance.

This resolution was duly adopted by the Isanti City Council the 2nd day of February 2021.

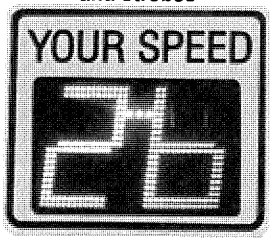
TC-400 Portable Radar Speed Sign

Reliable. Effective. Affordable



Display and Radar Specifications

TC-400 with speed alert

TC-400 with speed alert and strobes

YOUR SPEED Faceplate

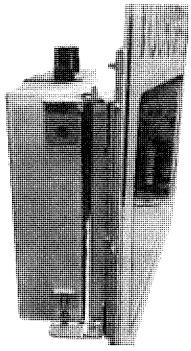
- 24"W x 21"H YOUR SPEED faceplate with 3" high lettering
- Ideal for roads with traffic speeds of 5-55 mph
- Manufactured with highest grade reflectivity backing
- Available in white, fluorescent yellow/green, safety orange, and yellow

Speed Violator Alert

- 2 speeds of flashing LEDS to notify drivers that are exceeding the speed limit: slow flash or fast flash of actual speed
- *Optional* strobe alert choices include alternating red/blue alert, all red alert, all blue alert, or white alert (can flash as a strobe, or simulate a camera flash)

LEDs

- 2 digits, 11" high super bright amber LEDs (life up to 100,000 hours)
- Easily readable up to 400 feet
- Display brightness control: Automatic intensity adjustment to ambient light conditions for maximum visibility



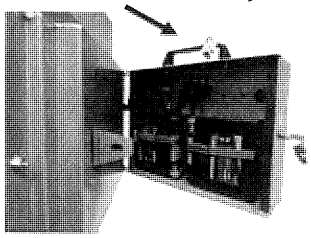
Radar

- Type: K Band, single direction Doppler radar, FCC part 15 compliant; no license required
- Sensor Range: Detects vehicles up to 1200 feet
- Beam Width: 12 degrees, +/- 2 degrees
- Operating Frequency: 24.125 GHz, +/- 50 MHz
- Accuracy: +/- 1.0 mph
- Speed Detection Range: 5 - 127 mph

Power Specifications

- Battery Powered: Dual 12-volt, 20 amp/hour, lithium iron battery packs with 3A charger
- Power Consumption: < 2.5 amps (24w) at maximum intensity; Idle mode < 1/2 watt
- Batteries have internal short circuit, over current, under and over voltage protection
- Field exchangeable battery packs; weight 7 lbs. per pack
- Runs for +/- 2 weeks on two fully charged battery packs; 10 hour recharge period
- Modular design allows the battery packs to be easily swapped in the field for the extended use of the sign in a location
- Battery Status: Check battery charge levels via Wi-Fi

Hinged Modular Housing



Housing Specifications

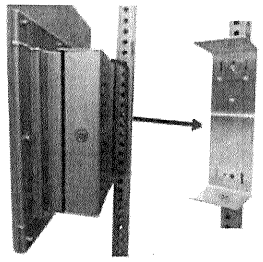
Radar Speed Sign Housing:

- Dimensions: 16.25"H x 22.75"W x 2.375"D
- Thickness: .185" thick aluminum with silver powder coat finish
- NEMA 3R level compliant; Humidity Maximum: 100%
- Detachable front and rear cabinet for maximum ease of use/portability; Allows sign to be locked to pole from inside the sign
- Provides maximum protection from the elements and vandalism

Easy Carry Handle for Ultimate Portability

Battery Housing

- 12.5"H x 17"W x 3.625"D
- .1875" thick powder-coated aluminum
- Holds up to two 12 volt battery packs (field exchangeable)



info@radarsign.com **radarsign.com** **678-965-4814**

Housing Specifications (continued)

Stainless Steel Universal Mounting Bracket

- 12.75"H x 4.5"W x 2.9"D
- Universal design allows strapping, banding, pipe clamps, or bolting to almost any size/style of pole
- When moving the TC-400 from one location to the next, with pre-installed brackets, NO TOOLS are required, and installation takes less than one minute.

Install in Minutes on Universal Mounting Bracket

Bashplate© with LED Cones

- Thick aluminum Bashplate© shields the LED display and protects electronic components from abuse and vandalism
- Directional beam technology: Individual holes for each LED focus and reflect light toward the road, providing the highest quality viewable display with minimum energy usage

Polycarbonate Display Cover

- .25" thick protective sheet covers entire display area
- Abrasion, graffiti and shatter resistant; UV protection

Weight and Operating Temperature

- Weight: Radar speed sign: 26 lbs. without batteries
- Operating Temperature: -40°F to +160°F

Standard Features

Standard Programming

- Setup functions: Easy to follow menu, no mechanical switches to operate
- Daily timers: Allow 4 on/off timer settings per day, also by day of week. Settings allow lower speed limits for school zone times and for late night display shutoff. (Optional Advanced Scheduler available with all models)
- Stealth mode: Display on-off feature allows traffic data collection continue even when the display is off
- "Possum Switch" activation feature allows the sign to "play dead" for 30 minutes if attacked with force
- Maximum speed cutoff: Prevents unwanted high speed displays; up to 99 mph; discourages "racing" of sign. Choice of flashing matrix, or LED display cutoff.

Wi-Fi Enabled

- No internet required. Manage your radar speed sign with smart phone, tablet, or laptop.
- Allows for quick and easy sign operation/data download from most web enabled devices
- WPA2 encrypted security; Password protection
- Connection range up to 300 feet from sign

OTA Software Updates (over-the-air)

- Allows the wireless delivery of software updates and upgrades directly to the radar speed sign

Warranty

- 2 year warranty on parts and labor, 1 year on battery packs. Exceptions: Does not cover malicious abuse, theft, or damage due to unauthorized modification. Optional third year warranty extension available.

Traffic Data Reporting Option

StreetSmart (optional)

- Traffic data reporting software to report, organize and analyze speed and traffic data. The information collected by the radar speed sign is loaded into Excel™ ready .csv files, and can generate 35 charts and graphs.

Traffic Data Storage Capacity:

- Stores data on up to 5 million vehicles; Retains data for retrieval for 12 months.

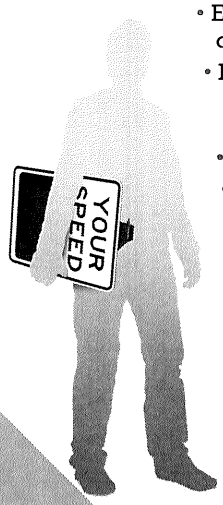
DRIVER FEEDBACK SIGNS

IQ1200 Portable Driver Feedback Sign

Part #: M75-12DFB-PK0x

The IQ1200 Series of Radar Driver Feedback Signs offers solutions for increasing driver speed awareness and road safety. The bright 12" characters can be seen from up to 600' away, and help increase driver speed awareness on neighborhood streets where so many small accidents occur every year. SafetyCalm data collection software allows you to gather hard data of traffic patterns and program the sign to help keep streets safer. The IQ1200 Portable Driver Feedback Sign offers multi-site versatility.

Temporarily deploy the lightweight sign to locations of your choice with the ease of our two-bolt mounting system. Individual mounting brackets are available as an accessory, and one is required per location.



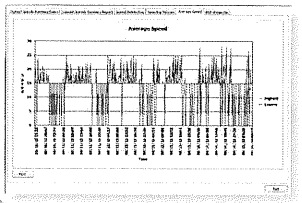
TraffiCalm™ Driver Feedback Signs are manufactured in the USA in an ISO 9001:2015 certified facility, meeting and exceeding industry standards and state testing requirements. TraffiCalm™ signs are unmatched in durability, accuracy, ease of use and affordability.

The IQ1200 Portable Sign is also available as a Variable Speed Limit sign with data logging and driver feedback (speed awareness) features. When ordering, select VSL.

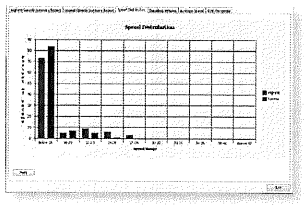
Features:

- Bluetooth wireless programming
- SafetyCalm Configuration and Traffic Data Collection software and Android App included free
- Emoticon display options to increase driver awareness
- Programmable full matrix display allows the sign to display speed numbers as well as messages like 'SLOW DOWN'.
- 100% MUTCD compliant
- Built in 30Ah battery pack and Smart AC charger for charging between deployments
- K-band (24.15GHz) radar, range 450+ feet.
- Unlimited tech support and customer service from our USA facility for the life of the sign
- Fast delivery- typically ships within 2 weeks of order
- 3 year limited warranty

Package Includes:



Driver Feedback sign, mounting bracket, Smart AC charger, SafetyCalm™ Configuration and Traffic Data Collection Software, installation and user manual.



Why TraffiCalm™?

- ISO 9001:2015 Certified USA based facility
- All signs 100% MUTCD compliant
- Vandal resistant designs
- Broadest range of sizes and options in the industry
- Industry leading turnaround from order to delivery
- Unlimited tech support and customer service from our USA facility
- Industry Pioneers in Enhanced Road Signage

SafetyCalm

SafetyCalm Configuration and Traffic Data Collection Software allows you to program your sign from your laptop and collect and graphically display traffic data

RESOLUTION 2021-XXX

APPROVING THE HIRE OF PART-TIME LIQUOR STORE CLERK II FOR EMILY NELSON

WHEREAS, the City Council of the City of Isanti is required to approve all new employees; and,

WHEREAS, the staff was directed to advertise and accept applications to fill a Liquor Store Part-Time Clerk II position; and,

WHEREAS, Emily Nelson was selected as the most qualified candidate for the open Part-Time Liquor Store Clerk position. The offer is contingent on successfully passing a background check and reference check. If any of the mentioned contingencies are not met, the offer can and will be rescinded;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, as follows:

1. Emily Nelson has been selected for the Part-Time Liquor Store Clerk II position.
2. Emily Nelson shall be eligible to start in the position on or after February 3rd, 2021.
3. That Emily Nelson shall start at Step 1 of the Wage Scale at $14.47 per hour.
4. This position is part time and not eligible for benefits.
5. That Human Resources is directed to complete all required documentation for the completion of the employment offer.
6. That Human Resources is directed to forward an executed copy of this resolution to the employee and place a copy in the employee's personnel file for future reference.

This Resolution is hereby approved by the Isanti City Council this 2nd day of February 2021.

Request for City Council Action

To: **Mayor Johnson and Members City Council**
From: Jaden Strand, City Clerk
Date: February 2, 2021
Subject: Conflict of Interest Policy Annual Review

Background:
The Conflict of Interest Policy is reviewed annually and all members of the City Council and Board Members are required to fill out the Conflict of Interest Disclosure Form provided by the City Clerk.

Request:
Staff is requesting City Council review this policy and then fill out the Conflict of Interest form.

Attachments:
- Conflict of Interest Policy

CITY OF ISANTI

CONFLICTS OF INTEREST POLICY

Purpose

The City Council of the City of Isanti confirms its determination that ethical standards among the Mayor and Council Members and members of the various Boards and Commissions and employees of the City (Public Officials) are essential to the proper conduct of City affairs. By eliminating conflicts of interest and providing a guide for conduct in City matters, the City Council strives to promote the faith and confidence of the citizens of the City in their government. The following standards of conduct are intended to serve as a guideline for Public Officials in carrying out their responsibilities. This Policy is in addition to any statutory requirements, Attorney General Opinions or court rulings, which prescribe allowable actions for Public Officials.

Definition

Public Officials shall be defined as follows:

Mayor
City Council
Planning Commission
Economic Development Authority
Parks, Recreation, and Culture Board
City Administrator
Human Resources / City Clerk
Finance Director / Treasurer
Economic Development Director
Community Development Director
Public Services Director / Assistant City Administrator
Chief of Police
Liquor Store Manager
Building Official
City Attorney
City Engineer
Other employees of the City of Isanti

Standards of Conduct

1. Public Officials, City employees, and Police Reserve members:

   a) Shall not use their positions to secure special privileges or exemptions for themselves or others to intentionally jeopardize the position of employment of others;

   b) Shall not engage in, solicit, negotiate for, or promise to accept private employment nor shall they render services for private interests or conduct a private business when such employment, service, or business creates a conflict with or impairs the proper discharge of their official duties;

   c) Shall not participate in deliberations in any matter before the Council, Board or Commission, which affects that Public Official's, Public Official's spouse or minor child's financial interests directly or indirectly or those of a business, profession or occupation with which the Public Official is associated. Whenever such conflict is recognized, the affected Public Officials shall disclose in writing such interest prior to any discussion or vote and disqualify themselves from any further involvement pertaining to the issue;

d) Shall not act as agent or attorney for another in any matter before the Council or any Board or Commission or before any court or administrative board in any matter in which the City is a party;

e) Shall not directly or indirectly receive, or agree to receive, any compensation, gift or reward or gratuity as an inducement to support or influence any matter or proceeding connected with, or related to, the duties of the office; The following types of gifts are permitted under exceptions to the law:

    1) Lawful campaign contributions.

    2) Services to assist an official in the performance of official duties.

    3) Services of insignificant monetary value.

    4) A plaque or similar item.

    5) A trinket or item of insignificant monetary value.

    6) Informational material of unexceptional value.

    7) Food or beverage given at a reception, meal, or meeting by an organization before whom the recipient makes a speech or answers questions as part of a program (this exception is only available if the location of the reception, meal, or meeting is away from the recipient's place of work).

    8) Gifts given because of the recipient's membership in a group.

    9) Gifts between family members.

f) Shall not disclose to others or use to further their personal interest confidential information acquired by them in the course of their official duties.

2. Any Public Official who is an officer, director, partner, agent, proprietor or employee of any firm or has a proprietary interest of 10 percent (10%) or more in any company, business, enterprise or corporation, partnership, labor union or association doing business with the City shall make known that interest in writing as provided in the disclosure section of this Policy.

3. No Public Official nor business entity that the Public Official has a financial interest in, in excess of 10 percent (10%), shall enter into any contract with the City unless otherwise authorized by law.

4. Public Officials shall disclose to the governing body any relationship to another person or entity in any instance where there is a conflict of interest or could be the appearance of a conflict of interest.

5. Public Officials shall not have a personal financial interest in any sales, lease, or contract that they are authorized to make in their official capacities.

6. A Public Official shall not hold two positions if the positions' functions are incompatible with one another.

Disclosures

Public Officials, elected or appointed and employees serving as Department Heads or Supervisors, shall, no later than thirty (30) days following election or appointment to office and each year thereafter by February 1, complete the Disclosure Form and return it to the City Administrator. All subsequent applicants for appointment on Boards and Commissions shall file a completed Disclosure Form together with the application form. Within thirty (30) days after the acquisition or sale of any property, each Public Official shall file as a public record with the City Administrator, a list of all real property in the City owned by such person, that person's spouse, or minor child, or in which the Public Official has a beneficial interest, disclosing each individual item held, and by whom. Homestead shall be excluded from the above disclosure. Each Public Official shall disclose all positions as officer, director, partner, agent, proprietor or employee of any firm in which such Public Official has a proprietary interest of ten percent (10%) or more in any company, business, enterprise, corporation, partnership, labor union or association doing business with the City, and indicate with respect to each such relationship whether services are gratuitous or for compensation.

Disclosure Form

The disclosure information required by this Policy shall be set forth on a form which shall be made available by the City Administrator and is part of this Policy.

Discipline

Upon a signed written complaint of any person questioning adherence to this Policy or on the Council's own volition, the Council shall refer the matter to the City Attorney for investigation and the City Attorney shall report the results of the investigation to the Council within forty-five (45) days thereafter. A copy of such report shall be furnished to the person complained against. Such person may request a hearing on this matter before the Council which request shall be filed with the City Administrator not later than ten (10) days following receipt by such person of the City Attorney's report.

Upon receipt of the City Attorney's report and at the conclusion of any hearing on the matter, the Council by majority vote may dismiss the complaint as having no merit, may adopt a resolution of censure, or with respect to members of Boards and Commissions, the Council may remove a member from such Board or Commission. In the event the complaint is against a member of the Council, such member shall not participate in the Council's deliberations or vote on the issue.

Violations

Any Public Official who violates the Conflict of Interest Law can be found guilty of a gross misdemeanor, be fined up to $3,000, and imprisoned for up to one year. Any contract that has been made illegally is void.

Adjournment

MINUTES
CITY OF ISANTI
CITY COUNCIL MEETING
TUESDAY, FEBRUARY 2, 2021 – 7:00 P.M.
CITY HALL

Mayor Johnson called the meeting to order at 7:00 p.m.

The Pledge of Allegiance was recited.

Members Present: Mayor Jeff Johnson, Councilors: Jimmy Gordon, Paul Bergley, Steve Lundeen and Dan Collison (via telephone)

Members Absent: None

Staff Present: City Administrator Josi Wood, City Clerk Jaden Strand, Community Development Director Sheila Sellman, City Engineer Jason Cook, Finance Director Mike Betker and Chief of Police Travis Muyres

D. Public Comment
Chris Page, owner of PJ's mobile food truck, shared his concerns regarding the fees for acquiring a mobile food truck license.

City Administrator Josi Wood stated that this is beyond public comment and her recommendation is to add this to the agenda for further discussion.

Mayor Johnson stated that this will be added to the agenda that evening as a business item under K.5 for further discussion.

E. Adopt Agenda
Revised Agenda:
Add K.5 Mobile Food Truck Fees

Motion by Bergley, second by Gordon to approve agenda with the modification listed above. Motion passed 5-0. Motion carried.

F. Proclamations/Commendations/Certificate Award
None

G. Approve City Council Minutes
1. January 19, 2021- Regular Meeting of the City Council
2. January 19, 2021- Committee of the Whole Meeting
3. January 19, 2021- Goal Setting Session
4. December 15, 2020- Planning Commission Meeting

Motion by Lundeen, second by Bergley to approve minutes as presented. Motion passed 5-0. Motion carried.

H. Announcements

1. CITY OFFICES CLOSED	Monday, February 15, 2021 *(In Observance of Presidents Day)*
2. Committee of the Whole	Tuesday, February 16, 2021 at 5:00 p.m.

3. City Council Meeting — Tuesday, February 16, 2021 at 7:00 p.m.
4. Planning Commission Meeting — **CANCELLED**

I. Council Committee Reports

Councilor Lundeen shared that he attended the Fire District meeting and there was discussion on the Fire Board about purchasing the City owned building that they are in. Lundeen further shared that there were a few clarifications that City Administrator Wood can elaborate on but in whole it is moving forward.

City Administrator Wood stated that all that is left is that the Fire District requested to have it be a recorded document so there needs to be some reformatting of the document but otherwise there were no modifications requested.

J. Public Hearings

None

K. Business Items

1. **Resolution 2021-019** Approving Partnership Agreement Between the City of Isanti and the East Central Regional Library *(Rachel Howell)*

East Central Regional Library Assistant Director Rachel Howell shared that the library in City Hall is great for those patrons that cannot make the drive to Cambridge or any of their other locations. Howell further shared that even with the pandemic they were still able to provide services. When Covid-19 happened, all locations were closed by mid-March but by the end of that month they had started a remote phone service to be able to provide assistance to patrons throughout the region. Also, East Central Regional Library added online services including tutoring help and job assistance. By April the library began offering curb side pickup to provide service but to allow for social distancing requirements and that service was available in Isanti by June. As they were able to get back into their buildings to provide face to face services, they followed City, CDC and Health Organization guidelines and limited the number of people allowed in the library. When City Hall had to close again, services were again provided via curb side. Howell continued to share that despite all of that, the library statistics show that the usage was consistent with the previous year. East Central Regional Library was at Isanti City Hall for 38 days in 2020. This number is down about 11 days from the number of days in 2019. Howell thanked Isanti for allowing them to provide service for 10 years and she looks forward to another fruitful year.

Motion by Lundeen, second by Collison to approve the resolution as presented. Motion passed 5-0. Motion carried.

City Administrator Josi Wood

2. **Resolution 2021-020** A Policy on Metal Detecting on City Property

City Administrator Josi Wood shared that this was an item that was postponed from the last City Council meeting for further discussion. Wood further shared that a letter had been received from Nicole O'Connor in regards to metal detecting. O'Connor was unable to attend the meeting however; John Oliver was in attendance and read O'Connor's letter on her behalf.

O'Connor's letter explained her passion for metal detecting and the code of ethics from the Minnesota Metal Detecting group.

Wood suggested including in the policy that the City will have first right of refusal along with including that the individual doing the metal detecting must follow the Minnesota Metal Detecting Code of Ethics.

Collison stated that he was reached out to regarding concerns in areas with cultural importance especially Legacy Park.

Wood stated she would include that the City has the right to limit access to certain areas of City property.

Motion by Lundeen to approve resolution with including the language that "the individual doing the metal detecting activity must follow the Minnesota Metal Detecting Code of Ethics, "limit access to certain areas" as well as including language stating "the City will have first right of refusal for items of historical or monetary significance", motion was seconded by Collison. Motion passed 5-0. Motion carried.

Community Development Director Sheila Sellman

3. Resolution 2021-021 Approving the Preliminary Plat for Fairway Greens North

Community Development Director Sheila Sellman shared that this is a request by Hompride, Inc for consideration of a Preliminary Subdivision and a Planned Unit Development called "Fairway Greens North." Sellman continued to share that this is the 80 acres North of Cajima and adjacent to the golf course. They are proposing 167 single family lots that range in size from 9,600 square feet to as large as 2.52 acres. The developer has designed this plat using the R-3 zoning district as a guide but is requesting reduced setbacks. This will be accomplished through a Planned Unit Development. On January 19th the Planning Commission held a Public Hearing and no one was there to speak. Planning Commission and staff recommended approval.

Motion by Lundeen, second by Gordon to approve resolution as presented. Motion passed 5-0. Motion carried.

4. Resolution 2021-022 Approving the Preliminary Plat, Final Plat Isanti Centennial Complex 7th Rearrangement

Community Development Director Sheila Sellman shared that this is a request by the City of Isanti EDA for a Preliminary and Final subdivision to subdivide 15 acres of a shovel ready site into three 5-acre lots. This breaks down into three lots and selling two of them as there is a purchase agreement and the City will maintain the lot on the Southern end and it will have a little over three acres of buildable area to maintain as a shovel ready site.

Motion by Lundeen, second by Bergley to approve as presented. Motion passed 5-0. Motion carried.

5. Mobile Food Truck Fees

Mayor Johnson stated that this is the item that was added to the agenda.

Councilor Bergley asked why the background fee is $75.

City Administrator Josi Wood responded she did not know why the fee was set at $75 and that it has been $75 as long as she has been with the City. Wood further shared that when adding mobile food trucks to the ordinance, fees were discussed and the background check fee was never brought up and it has always been in the fee schedule at $75.

Bergley asked if there was a lot of staff involvement with a background check.

Wood responded that she did consult with Chief of Police Travis Muyres and the staff time is approximately 20 minutes from his administrative staff at the Police Department and 10 minutes of Chief Muyres' time. The math figured in with their salaries and all included staff costs is approximately $27.34.

Councilor Lundeen suggested changing the background fee to $30.

Recommendation from City Council is for staff look into cost of other cities and bring back to Committee of the Whole for further discussion.

L. Approve Consent Agenda

1. Payroll in the Amount of $113,930.76 Accounts Payable in the Amount of $395,182.73
2. **Resolution 2021-023** Authorizing the Repair of Well II Pump
3. **Resolution 2021-024** Authorizing the Replacement of the Isanti Community Center Sprinkler System
4. **Resolution 2021-025** Requesting Advancement of Municipal State Aid Funds
5. **Resolution 2021-026** Extending Agreement with Falcon National Bank for Banking Services
6. **Resolution 2021-027** Authorizing Purchase of Radar Speed Sign
7. **Resolution 2021-028** Approving the Hire of Part-Time Liquor Store Clerk II for Emily Nelson

Councilor Gordon asked if the leaks in the sprinkler system could be repaired instead of replacing it.

City Administrator Josi Wood responded that this is the overhead sprinkler system and is approximately 50 years old. It was inspected 2 years ago and was slated to get done last year but because of getting quotes and getting everything lined up and sufficient amount of time with no renters in there it had to be pushed back a year. Repairs have been done in the past on the rubber gaskets that dry out and cause the leaking. Wood went on to share that because it is a dry pressurized system, the integrity keeps there because if the pressure is dropped it floods the system and the facility which has happened in the past. Staff believes that all repairs have been done that can be made and it is time to replace the system.

Motion by Lundeen, second by Bergley to approve consent agenda as presented. Motion passed 5-0. Motion carried.

M. Other Communications

1. Review Conflict of Interest Policy

N. Closed Session

1. Closed Session for Discussions to Purchase Real Property PID 16.077.0020 Pursuant to Minnesota Statutes Section 13D.05 Subd3(c)

Mayor Johnson stated that the Council was going into closed session at 8:39 p.m. regarding discussion to purchase real property PID 16.077.0020 Pursuant to Minnesota Statutes Section 13D.05 Subd3(c).

Upon reopening of the meeting at 8:49 p.m., no further action was taken.

Adjournment

A motion was made by Lundeen, seconded by Bergley to adjourn. Motion passed 5-0. Motion carried.

Meeting adjourned at 8:50 p.m.
Respectfully Submitted,

Jaden Strand

Jaden Strand
City Clerk

Economic Development Authority
Meeting Minutes
January 5, 2021
VIA ZOOM

1. **Call to order:** Mayor Johnson called the meeting to order at 9:11pm.
    a. **Pledge of Allegiance**
    b. **Roll Call**: Members present: Jeff Johnson, Jimmy Gordon, Steve Lundeen, Dan Collison, Luke Merrill, Justin Nielson. Absent: Paul Bergley. Staff present: Community Development Director Sheila Sellman, City Administrator Josi Wood.
    c. **Agenda Modifications** – None

2. **Consider Adoption of Resolution Approving Organization of Advisory Body**. Luke Merrill was sworn in as a full time EDA member. Motion by Lundeen, Second by Gordon to keep the officers the same as 2020. President: Mayor Johnson, Vice President: Steve Lundeen, Secretary: Sheila Sellman, Treasurer: Mike Betker, motion passed 6-0.

3. **Approve minutes of December 1, 2020 regular Economic Development Authority meeting.** Motion to approve Lundeen, Second by Nielson. Motion passed 6-0.

4. **Public Hearing**
    a. First Amendment to the Purchase Agreement with LTL LED LLC. Sellman explained that the original purchase agreement indicated that the EDA would sell the southern two lots to LTL once subdivided, but upon further review LTL would like to buy the northern two parcels. This does not change the merits of the deal just the description of the land. No one from the public commented on this item. Motion by Lundeen, second by Merrill to approve the amendment, motion passed 5-0 with Nielson abstaining.

5. **Business Item**
    a. GPS:45:93 Membership: In 2020 the EDA directed Sellman to evaluate this membership and to bring this back for discussion when the membership for 2021 is due. Sellman indicated this organization has value to many of its members but there hasn't been significant value to the City of Isanti in the past few years. Sellman suggested opting out of this membership to explore other options. Motion by Lundeen, second by Gordon to not renew this membership, motion passed 6-0.

6. **Other Business/Updates/Communication:** Sellman gave an update that ECRDC still has COVID loan money available in loans up to $10,000. Sellman will be attending a webinar on the COVID-19 Relief Bill and will report back any pertinent information.

7. **Adjournment:** Lundeen moved to adjourn, second by Merrill, motion passed 6-0, meeting adjourned at 9:24pm.

Respectfully submitted – Sheila Sellman Community Development Director/EDA Secretary

Memo for City Council

To: Mayor Johnson and Members of the City Council
From: Josi Wood, City Administrator
Date: February 16, 2021
Subject: Ordinance 2021-XXX Parking and Storage, Amending Chapter 227

Background:

A repeal and replacement of Chapter 227 was approved in January, however, Staff found that there were a few minor language additions that are necessary for clarification of the intent on improved and impervious surface.

The Ordinance draft has been posted for the required 10 – day notice period.

Request:
Staff is requesting action on this item.

- ORD 2021-XXX Amendment

ORDINANCE NO. XXX

AN ORDINANCE AMENDING ORDINANCE NO. 749, ADOPTED ON JANURARY 5, 2021 AND AN ORDINANCE AMENDING ORDINANCE NO. 122, ADOPTED ON AUGUST 21, 1984 AND ORDINANCE NO. 397, ADOPTED ON MAY 1, 2007 AND ORDINANCE NO. 600, ADOPTED ON APRIL 7, 2015 AND ORDINANCE NO. 603, ADOPTED ON APRIL 21, 2015 AND ORDINANCE NO. 614, ADOPTED ON JULY 21, 2015 AND ORDINANCE NO. 634, ADOPTED ON MARCH 15, 2016 AND ORDINANCE NO. 640, ADOPTED ON APRIL 19, 2016 AND ORDINANCE NO. 656, ADOPTED ON OCTOBER 18, 2016 AND ORDINANCE NO. 674, ADOPTED ON JUNE 6, 2017 AND ORDINANCE NO. 679, ADOPTED ON SEPTEMBER 19, 2017 AND ORDINANCE NO. 703, ADOPTED ON JUNE 4, 2019 AND TITLED PARKING AND STORAGE

THE CITY COUNCIL OF ISANTI DOES ORDAIN AS FOLLOWS:

Section 1 – Amendment. Ordinance 749, Ordinance 122, Ordinance 397, Ordinance 600, Ordinance 603, Ordinance 614, Ordinance 634, Ordinance 640, Ordinance 656, Ordinance 674, Ordinance 679, Ordinance 703, Ordinance Codified in Chapter 227 of the City Code, are hereby amended as follows:

Chapter 227

PARKING AND STORAGE

§227-1. Definitions.
The following words, terms and phrases, when used in this chapter, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

IMPROVED SURFACE - Areas consisting of pavers or patio block less than 60 mm, 2 3/8 inches thick, and with gaps exceeding 1/4 of an inch (not to exceed one inch) or large (minimum 1.5 inches) crushed rock, gravel, or Class 5 to a depth of not less than six inches.

§ 227-8. Storage and parking restrictions.

B. Personal vehicles, company vehicles, recreational vehicles, trailers, and fish houses may be parked or stored outdoors in a residentially zoned district only on the property of the owner, resident or authorized user of such unit and in accordance with the provisions of this section:

(1) All motorized vehicles and units shall be parked or stored on an impervious surface. The impervious surface area shall be a continuous surface no smaller than the entire

footprint of the vehicle or unit.

(2) All non-motorized vehicles and units shall be parked or stored on an improved surface with the exception of § 227-8 B. (13). The improved surface area shall be a continuous surface no smaller than the entire footprint of the vehicle or unit.

Section 2 – Effective Date.

This ordinance shall take effect upon its passage and publication in the official City newspaper.

Adopted by the City Council this 16th day of February 2021.

MEMORANDUM

Date: February 3, 2021

To: Honorable Mayor Johnson and Members of the City Council
City of Isanti

From: Jason W Cook, P.E.
City Engineer

Subject: Engineering Proposal to create a Preliminary Engineering Report for the 2021 Main Street Reconstruction project
City of Isanti, MN

Bolton & Menk, Inc. is pleased to present this proposal for professional engineering services for the preliminary engineering evaluation and preparation of a Preliminary Engineering Report for the 2021 Main Street Reconstruction project.

The proposed project would reconstruct Main Street from Whiskey Road NW to 4th Avenue NW. This street segment is in poor condition and in need of surface rehabilitation. The 2019-2028 Capital Improvement Plan, adopted by the City, has this street segment scheduled for reconstruction in 2021.

This road segment is designated as a State Aid Route and the project is proposed to be funded through the Municipal State Aid program. Attached is an advance request resolution that is needed to be approved to lock in the use of the state aid funds.

This project is also proposed to be funded through the use of special assessments on the adjacent properties. This study is the first step in the required MS-429 assessment procedure.

Our scope of work will include the following:

- Survey the existing conditions
- Determine right-of-way limits
- Evaluate the type of rehabilitation needed on the street, sidewalk and curb & gutter.
- Evaluate the condition of the existing City utilities
- Evaluate the storm sewer issues at the intersection of Main Street & Whiskey Road.
- Create an Engineer's Estimate including testing and construction administration
- Prepare a Preliminary Engineering Report discussing our findings
- Create figures to supplement the report
- Provide a recommendation as to the feasibility of the project

We propose to complete the described scope of work for an hourly, not to exceed, fee of $18,400.

Thank you for the opportunity to present this proposal. Please contact me at (763) 200-2444 if you have any questions or need additional information.

Bolton & Menk is an equal opportunity employer.

RESOLUTION 2021-XXX

AUTHORIZING ENGINEERING SERVICES FOR THE MAIN STREET RECONSTRUCTION PRELIMINARY ENGINEERING REPORT

WHEREAS, it is proposed to reconstruct Main Street from Whiskey Road to 4th Avenue NW; and,

WHEREAS, the project is scheduled for construction in 2021 in the current Capital Improvement Plan; and,

WHEREAS, State Aid funds and Special Assessments are proposed to fund the majority of the project; and,

WHEREAS, A Preliminary Engineering Report is the first required step in the special assessment process; and,

WHEREAS, Bolton & Menk, Inc. has submitted a fee proposal for Engineering Services to complete the preliminary engineering report for an hourly, not to exceed, fee of $18,400;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota as follows:

1. Bolton & Menk, Inc., as the City Engineer, is hereby designated as the engineer for the proposed improvements and shall complete the preliminary engineering report as described in the supporting memo, for an hourly, not to exceed, fee of $18,400.

This resolution was duly adopted by the Isanti City Council this 16th day of February 2021.

RESOLUTION 2021-XXX

REQUESTING ADVANCEMENT OF MUNICIPAL STATE AID FUNDS

WHEREAS, the City of Isanti has implemented Municipal State Aid Projects in 2021 which require State Aid funds in excess of those available in its Municipal Account; and,

WHEREAS, said City is prepared to pay for the construction of said projects through the use of an advance from the Municipal State Aid Construction Fund to supplement the available funds in their Municipal State-Aid Construction Account; and,

WHEREAS, the advance is based on the following determination of estimated expenditures; and,

	Total Project Cost	**State Aid Eligible**	**Total City Cost**
2021 Main Street Reconstruction	**$636,837.42**	**$636,837.42**	**$0**

Account Balance as of date 2/2/2021	($402,247.58)
Estimated Eligible Expenditures:	
Project #245-116-001– 2021 Main Street Reconstruction	($636,837.42)
Total Amount Currently Available for Advance	$636,837.42
Advance Amount Requested	$636,837.42

WHEREAS, repayment of the funds so advanced will be made in accordance with the provisions of Minnesota Statutes 162.08, Subd. 5 & 7 and Minnesota Rules, Chapter 8820;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City Of Isanti, Minnesota:

1. That the Commissioner of Transportation be and is hereby requested to approve this advance for financing approved Municipal State Aid Highway Project(s) of the City of Isanti in an amount up to $636,837.42 in accordance with Minnesota Rules 8820.1500, Subp. 9.

2. The City Council authorizes repayments from subsequent accruals to the Municipal Account of said City from future year allocations until fully repaid.

This resolution was duly adopted by the Isanti City Council this 16th day of February 2021.

MEMORANDUM

Date: February 3, 2021

To: Honorable Mayor Johnson and Members of the City Council
City of Isanti

From: Jason W Cook, P.E.
City Engineer

Subject: Engineering Proposal for Survey, Design & Construction Services for:
- Eagle Park Parking Improvements
- Heritage Boulevard Walk Improvements

Bolton & Menk, Inc. is pleased to present this proposal for professional engineering services for the Eagle Park Parking Improvements project and the Heritage Boulevard Walk Improvements project.

Eagle Park Parking Improvements:

The proposed project would reconstruct Eagle Park parking lot. This parking lot is in poor condition and in need of reconstruction. The 2019-2028 Capital Improvement Plan, adopted by the City, had this parking lot for reconstruction in 2020 but was pushed back to this year's budget and construction season.

Heritage Boulevard Walk Improvements:

The proposed project would construct a new walkway from Hillock Court to the school parking lot along the north side of Heritage Boulevard. This will fill in some of the missing trail segments along the north side of Heritage Boulevard. The 2019-2028 Capital Improvement Plan, adopted by the City, has this project scheduled to be completed in 2021 and has been budgeted for in this year.

Our scope of work will include the following:

- Survey the existing conditions & Determine right-of-way limits.
- Evaluate the condition of the existing City utilities and any drainage issues.
- Create an Engineer's Estimate including testing and construction administration
- Prepare plans and specifications to be included with the 2021 Pavement Management project.

Once awarded the scope will also include:

- Construction staking and inspection, and
- Construction administration including shop drawing review, pay requests, contract management, and final project closeout.

We propose to complete the described scope of work for the Eagle Park Parking Improvements for an hourly, not to exceed, fee of $18,600.

We propose to complete the described scope of work for the Heritage Boulevard Walk Improvements for an hourly, not to exceed, fee of $27,200.

Thank you for the opportunity to present this proposal. Please contact me at (763) 200-2444 if you have any questions or need additional information.

Bolton & Menk is an equal opportunity employer.

RESOLUTION 2021-XXX

AUTHORIZING ENGINEERING SERVICES FOR THE EAGLE PARK PARKING IMPROVEMENTS & HERITAGE BOULEVARD WALK IMPROVEMENTS

WHEREAS, it is proposed to reconstruct the Eagle Park Parking Lot and construct a walkway along Heritage Boulevard from Hillock Court NW to the school parking lot; and,

WHEREAS, these projects are scheduled for construction in 2021 in the current Capital Improvement Plan; and,

WHEREAS, these projects are proposed to be added to the 2021 Pavement Management project bid package to receive the most competitive bids; and,

WHEREAS, Bolton & Menk, Inc. has submitted a fee proposal for Engineering Services to complete the survey, design, and construction services for the Eagle Park Parking Improvements for an hourly, not to exceed, fee of $18,600; and,

WHEREAS, Bolton & Menk, Inc. has submitted a fee proposal for Engineering Services to complete the survey, design, and construction services for the Heritage Boulevard Walk Improvements for an hourly, not to exceed, fee of $27,200;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota as follows:

1. Bolton & Menk, Inc., as the City Engineer, is hereby designated as the engineer for the proposed improvements and shall complete the Eagle Park Parking Improvements services as described in the supporting memo, for an hourly, not to exceed, fee of $18,600.

2. Bolton & Menk, Inc., as the City Engineer, is hereby designated as the engineer for the proposed improvements and shall complete the Heritage Boulevard Walk Improvements services as described in the supporting memo, for an hourly, not to exceed, fee of $27,200.

This resolution was duly adopted by the Isanti City Council this 16th day of February 2021.

RESOLUTION 2021-XXX
Amending Resolution 2021-008

DESIGNATING THE DATA PRACTICES RESPONSIBLE AUTHORITY AND DESIGNEE FOR THE CITY OF ISANTI

WHEREAS, the City Council has adopted Data Practices Procedures/Policies and Data Inventory for the City of Isanti; and,

WHEREAS, this policy specifically identifies and designates the Data Practices Responsible Authority and Data Practices Designee. This individual serves as City Clerk for the City of Isanti; and,

WHEREAS, the Police Department designee for law enforcement records will be designated by the Police Chief; and,

WHEREAS, upon change in the Human Resources/City Clerk position, the new official must be designated by the City Council;

NOW THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota that:

1) Jaden Strand, City Clerk, is designated as the Data Practices Responsible Authority and Data Practices Designee for the City of Isanti, pursuant to Data Practices Policies, adopted by Resolution 2017-175.
2) Police Department designee for law enforcement records will be designated by the Police Chief.

This Resolution was duly adopted by the Isanti City Council this 16th day of February 2021.

RESOLUTION 2021-XXX

RESOLUTION IN SUPPORT OF PAYING LOCAL GOVERNMENT AID IN FULL AND ON TIME

WHEREAS, Minnesota's cities are on the front lines of the COVID-19 response and need to be strong to provide services to support the economic recovery; and,

WHEREAS, Local Government Aid (LGA) is an essential aid program to Minnesota cities, helping to restrain local property taxes; and,

WHEREAS, LGA helps cities pay for critical needs and services such as public safety, street maintenance & repairs, libraries, parks and trails, economic development and housing; and,

WHEREAS, the $564 million LGA appropriation in 2021 represents just 2.2% of the state's general fund; and,

WHEREAS, our state (and nation) is facing one of the worst economic struggles in its history; and,

WHEREAS, our city has taken steps to support our residents and businesses, such as suspending municipal utility disconnections and associated late fees, distributed $77,377 in grants to local businesses, and reducing the city tax rate each of the last 4 years by a total of 29.7%; and,

WHEREAS, the most important thing the Minnesota Legislature can do this session to keep cities strong and healthy is to ensure that LGA is paid on time and in full; and,

WHEREAS, Isanti's ability to reduce the tax rate and continue to do so is heavily dependent on consistent funding and reliable receipt of Local Government Aid;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, as follows:

1. Urges through this Resolution to its lawmakers that the state resolve the state budget for 2022-2023 without reductions to Local Government Aid.
2. That this resolution be transmitted to Representative Brian Johnson, Senator Mark Koran, Speaker of the House Melissa Hortman, Senate Majority Leader Paul Gazelka, House Minority Leader Kurt Daudt, Senate Minority Leader Susan Kent, and Governor Tim Walz.

This Resolution is hereby approved by the Isanti City Council this 16th day of February 2021.

Memo for Council Action

To: Mayor Johnson and Members of the City Council
From: Travis Muyres, Police Chief
Date: February 16th, 2021
Subject: Data Access Agreement

Background:

The Isanti County Sheriff's Office utilizes a management system to monitor inmate communication. For past upgrades there has not been an agreed upon financing mechanism for funding. The Isanti County Sheriff's Office requested all users to enter into an agreement for data access. This agreement outlines the responsibility of Isanti Police Department in monitoring lawful data access and dissemination. The Isanti County Sheriff's Office does not foresee any costs to be incurred by the City of Isanti.

Action Required:

If the Council concurs, it should by motion, take the following actions:

1. Authorize staff to sign Data Access Agreement for Reliance System with Isanti County Sheriffs Office.

Attachments:

- Data Access User Agreement

Sheriff Christopher L. Caulk Chief Deputy Lisa Lovering

Dedicated To Serve All The People

DATA ACCESS AGREEMENT FOR RELIANCE SYSTEM

This Data Access Agreement for Reliance System ("Agreement") dated 1-29-2021, is by and between the Isanti County Sheriff's Office ("ICSO"), on behalf of itself and the County of Isanti, and the City of Isanti Police Department ("IPD"), on behalf of itself, its personnel, and the City of Isanti.

WHEREAS, the Reliance System is ICSO's record information system for jail calls and messages to and from inmates in the Isanti County Jail;

WHEREAS, pursuant to Minn. Stat. § 13.84, subd. 5, of the Minnesota Government Data Practices Act ("MGDPA"), any private or confidential corrections and detention data may be released to any law enforcement agency if necessary for law enforcement purposes; and

WHEREAS, IPD is a law enforcement agency that wishes to access data, information, and records in Reliance as necessary for law enforcement purposes.

NOW, THEREFORE, IPD understands that by signing this Agreement, IPD agrees to the following terms and condition so that IPD and its personnel may access Reliance:

1. IPD may access, collect, and use data, information, and records in Reliance when necessary for law enforcement purposes. IPD's access to Reliance is restricted to IPD personnel who need access for law enforcement purposes and performance of their job duties.

2. IPD and its personnel must not disclose or share any username, password, code, or other Reliance login information with anyone accept authorized IPD personnel to the extent that employee needs access to Reliance for law enforcement purposes.

3. IPD will not use any data, information, or records in Reliance for personal or non-law enforcement purposes. IPD is responsible for its and its employees' access to and use of Reliance and any consequences or results from such access and use of Reliance.

4. IPD understands that any improper use or dissemination of data, information, or records in Reliance by IPD or any of its personnel is a violation of this Agreement and state and federal law and will result in the immediate suspension or cancellation of its access to Reliance and could result in criminal or civil penalties.

5. IPD must immediately report to ICSO any confirmed or suspected misuse of Reliance by any of its personnel. If necessary, ICSO will report any misuse to the appropriate law enforcement, government, or other authority. IPD's failure to report confirmed or suspected misuse of Reliance may result in suspension or cancellation of IPD's access to Reliance.

6. IPD must ensure that any access to Reliance by its personnel is protected and secure and that any data, information, or records they obtain from Reliance is protected and securely stored.

7. IPD must pay any and all costs and fees associated with its access to and use of Reliance by the deadline provided on each bill it receives from Reliance or ICSO.

8. IPD must safely and securely destroy any and all data, information, or records from Reliance when no longer needed for law enforcement purposes and no longer subject to data retention policies or laws requiring preservation by IPD.

9. IPD is responsible for informing and training all of its personnel on the proper and legal use and dissemination of any data, information, or records in Reliance.

10. IPD must immediately terminate and disable access to Reliance by any individual when he or she is no longer employed by IPD or no longer needs access to Reliance.

11. IPD must allow ICSO to review and inspect any and all data, information, or records IPD collects, uses, or maintains from Reliance upon ICSO's request for the purpose of confirming compliance with this Agreement.

12. IPD will indemnify, save, and hold harmless Isanti County, ICSO, and their agents and employees from any and all damages, harm, injuries, claims, or causes of actions of any kind, including attorney's fees incurred by ICSO or Isanti County, arising from the performance of this Agreement by IPD or its personnel, including, but not limited to, the access and use of Reliance by IPD and its personnel and the access, use, collection, creation, maintenance, or dissemination of data, information, or records in Reliance by IPD or its personnel.

13. IPD must comply with the MGDPA and all other applicable state and federal laws that apply to the data accessed, created, collected, stored, used, maintained, or disseminated by IPD under this Agreement.

14. ICSO may terminate this Agreement at any time and for any reason, with or without cause, upon written notice to IPD.

IN WITNESS WHEREOF, ICSO and IPD have knowingly and voluntarily executed this Agreement as of the dates below.

RESOLUTION 2021-XXX

APPROVING STAFF TO AMEND POLICE DEPARTMENT BUDGET FOR 2021

WHEREAS, City staff has been notified of software upgrade to 6 Police Department computers in the amount of $1500; and,

WHEREAS, this item was not identified in the 2021 budget;

WHEREAS, the form will be reviewed and approved by the City Administrator or designee;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota amend budget to reduce expenditures in Police Auto Expense (101-42110-335) by $1,500 and increase expenditures in Police Technology (101-42110-305) by $1,500.

This Resolution is hereby approved by the Isanti City Council this 16th day of February 2021.

RESOLUTION 2021-XXX

OFFERING THE POSITION OF
PARKS, RECREATION AND EVENTS COORDINATOR
TO ALYSSA OLSON

WHEREAS, the City Council of the City of Isanti is required to approve hiring of all employees; and,

WHEREAS, the City Council has approved the Parks, Recreation and Events Coordinator position; and,

WHEREAS, the Interviewing Panel has selected Alyssa Olson as the most qualified candidate for the position; and,

WHEREAS, the offer is contingent upon successfully passing the background investigation and reference check;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, as follows:

1. Human Resource Director has offered the Parks, Recreation and Events Coordinator position to Alyssa Olson for the City of Isanti.
2. This position is full-time, non-exempt, and eligible for full benefits.
3. The expected start date in that position is March 8, 2021.
4. The wage will start at Step 5 of the wage scale at $31.31 and in 6 months with successfully demonstrated performance review and proficiency will receive Step 6 at $32.25 per hour.
5. That Alyssa Olson will receive 48 hours (6 days) of vacation to begin and accrue at the first-year rate.
6. Human Resources Director is to complete all required documentation for the completion of the employment offer and place a copy of this Resolution in the employee's personnel file for future reference.

This resolution is hereby approved by the Isanti City Council this 16th day of February 2021.

MEMORANDUM

Date: February 10, 2021

To: Honorable Mayor Johnson and Members of the City Council

From: Jason W Cook, P.E.
City Engineer

Subject: Project Status Report
Isanti, MN
Project No.: 0R1.123310

Please find listed below a status report of the current projects in the City of Isanti:

1) Liquor Store Site Design

We will complete the site design and site plan sheets this month.

2) Main Street Reconstruction

We will bring a services proposal to the February 16, 2021 council meeting to complete the Preliminary Engineering Report including survey, ditch evaluation, assessment evaluation, and funding sources.

3) Eagle Park Parking Lot Reconstruction

We will bring a services proposal to the February 16, 2021 council meeting to perform engineering services for this project.

4) Heritage Walk Improvements

We will bring a services proposal to the February 16, 2021 council meeting to perform engineering services for this project.

5) 2021 Pavement Management Project

We will complete the plan development this month.

6) 2021 Storm System Management Project

We will complete the plan development this month.

7) 6th Avenue Rehabilitation

Punchlist items will be completed this spring.

8) Legacy Pines 2nd & 3rd Additions

Punchlist items will be addressed in the spring on 2nd Addition. Sidewalks and final pavement surfaces will be completed in the spring on 3rd Addition Phases 1 & 2.

8) MS4 Implementation

We will continue to assist the City as requested to meet MS4 requirements.

Please contact me if you have any questions.

Bolton & Menk is an equal opportunity employer.

3.	EDA Meeting	Tuesday, March 2, 2021 *(Following the City Council Meeting)*

I. Council Committee Reports

None

J. Public Hearings

None

K. Business Items

City Administrator Josi Wood

1. Ordinance-753 Amending City Code, Chapter 227; Parking and Storage

City Administrator Josi Wood shared that a repeal and replace was approved in January, however, Staff found that there were a few minor language additions that are necessary for clarification of the intent on improve and impervious surface. The Ordinance has been posted for the required 10 days.

Motion by Lundeen, second by Gordon to approve Ordinance as presented. Motion passed 5-0. Motion carried.

City Engineer Jason Cook

2. Engineering Proposal to Create a Preliminary Report for the 2021 Main Street Reconstruction Project

- **a. Resolution 2021-029** Authorizing Engineering Services for the Main Street Reconstruction Preliminary Engineering Report
- **b. Resolution 2021-030** Requesting Advancement of Municipal State Aid Funds

City Engineer Jason Cook shared that this is for the Main Street Reconstruction from Whiskey Road to 4th Ave. Cook continued to share that this in the Budget and the Capital Improvement Plan to be done this year but is reliant on using State Aid Funds to cover almost the entire cost. Cook went on to share that with how the gas tax effected the State Aid Balance Sheets it was unclear if the money would be available however, as of a week and a half ago the City of Isanti is one of 12 Cities that was given the ok to get the State Aid Funds to cover the project as planned. This is also the type of project that applies special assessments and the proposal is to do the first step of special assessments to do the feasibility report and the report will lay out the timelines to go through the MS-429 process, schedules and estimated project cost.

Mayor Johnson asked if an open house will be held.

Cook confirmed an open house will be held.

Motion by Lundeen, second by Bergley to approve resolution 2021-029 and resolution 2021-030 as presented. Motion passed 5-0. Motion carried.

3. Engineering Proposal for Survey, Design & Construction for Services for: Eagle Park Parking Improvements & Heritage Boulevard Walk Improvements

- **a. Resolution 2021-031** Authorizing Engineering Services for the Eagle Parking Improvements & Heritage Boulevard Walk Improvements

City Engineer Jason Cook shared that this is two items combined for simplicity purposes. Eagle Park parking lot is in a failed condition and has been identified needing to be rehabbed for quite some time. It was scheduled to be done in 2020 but got pushed back to this year and has also been budgeted for this year. Cook recommended to add it to the bid package that will be done in the 2021 Street Maintenance Project to get a little bit better cost savings. Cook stated that this

would essentially be anticipated to be surveyed and verify property lines and that he expects it to be a reclaim and pavement type project.

Councilor Gordon asked if the area serves a purpose to where it needs to be a gravel parking lot.

Mayor Johnson stated to keep in mind that when the police department moves into the old liquor store the farmers market will likely not be held there anymore and will need a place to go.

Councilor Lundeen asked if it would be better off turned into a green space.

Lundeen further stated that the reason it is called Eagle Park is that Paul Nordstrom donated money years prior and his business was called Eagle Elevators.

City Administrator Josi Wood shared that previously there was not a lot of interest in spending money on the area which is why there is no sign because it is so small. Wood further shared that it is used for downtown parking as it comes off of Main Street. Parking is also used for events such as the street dances and vendor fairs along with use from the post office and meat market.

Gordon stated that its $18,000 for engineering fees and asked what the cost is for this type of project.

Finance Director Mike Betker stated that approximately $98,000-$99,000 is budgeted and is a project that was identified 10 years ago.

Councilor Bergley stated that to fully evaluate Eagle Park it should be done during the warmer months because you get the full feel of it.

Lundeen stated that he thinks the survey should be done because it needs to get done sooner or later. Even if Council decides to turn it into green space it needs to be surveyed.

A motion was made by Lundeen, seconded by Bergley to approve resolution as presented. Motion passed 5-0. Motion carried.

4. **Resolution 2021-032** Take Home Vehicle Use Policy
   Councilor Gordon asked if there will be any language added about GPS' on the squads.

City Administrator Josi Wood stated that it was not in the resolution as it was drafted for Committee of the Whole before GPS had been discussed but if the recommendation is that it should be on the two vehicles that are also driven by patrol which would be the Lieutenant and the Investigator. The cost would be $720 plus the cost of the two devices which would be unbudgeted and can be added to the resolution after the fact.

There was additional discussion held regarding GPS in the units.

Motion by Lundeen to approve 15-mile radius and GPS in two of the squad vehicles and no GPS in the Police Chief's vehicles, second by Collison. Motion passed 4-1 with Gordon voting nay.

L. Approve Consent Agenda

1. Consider Payroll in the Amount of $114,925.19 Accounts Payable in the Amount of $357,604.62
2. **Resolution 2021-033** (Amending Resolution 2021-008) Designating the Data Practices Responsible Authority and Designee for the City of Isanti
3. **Resolution 2021-034** Resolution in Support of Paying Local Government Aid in Full and On Time

4. Data Access Agreement
5. **Resolution 2021-035** Approving Staff to Amend Police Department Budget for 2021
6. **Resolution 2021-036** Offering the Position of Parks, Recreation and Events Coordinator to Alyssa Olson

Mayor Johnson asked what L.3 is.

Finance Director Mike Betker shared that it is a model resolution from the League of Minnesota Cities. The current situation of the budget for the state is the League is trying to make a play to the state legislature that it's important to continue to make those payments that LGA city's like Isanti keep tax rates down and it is noted in the resolution that it will be forwarded to the representatives that the City has done a good job keeping the tax rates down in large part because of LGA and the City does not want to see it reduced or delayed.

Motion by Lundeen, second by Collison to approve consent agenda as presented. Motion passed 5-0. Motion carried.

M. Other Communications

1. January Police Department Reports
2. January Code Enforcement Officer Report
3. January Building Inspector Report
4. February Engineering Project Status Report

Adjournment

A motion was made by Bergley, seconded by Collison to adjourn. Motion passed 5-0. Motion carried.

Meeting adjourned at 7:56 p.m.
Respectfully Submitted,

MINUTES
CITY OF ISANTI
CITY COUNCIL COMMITTEE OF THE WHOLE MEETING
TUESDAY, FEBRUARY 16, 2021 – 5:00 P.M.
CITY HALL

Mayor Johnson called the meeting to order at 5:00 p.m.

The Pledge of Allegiance was recited.

Members Present: Mayor Jeff Johnson, Councilors: Jimmy Gordon, Paul Bergley (arrived at 5:01 p.m.), Steve Lundeen and Dan Collison

Staff Present: City Administrator Josi Wood, City Clerk Jaden Strand, Community Development Director Sheila Sellman, City Engineer Jason Cook, Liquor Store Manager John Jacobi, Public Services Director Matt Sylvester, Finance Director Mike Betker and Chief of Police Travis Muyres

D. Public Comment

None

E. Committee Meeting Items

1. Police Updates

- Speed sign has been ordered and there is a 6-8-week turnaround.
- Police interviews are being held for the vacant police officer position and then the Police Department will be fully staffed.

2. Liquor Updates

- The liquor store changed to Zabinski Services for Firewall protection as the Liquor Store was using Phoenix Sentry which costs $660 a year. With Zabinski it costs $423 a year for a 3-year prescription.
- Every year credit card processing fees go up and switching to Card Connect saves the City $224-$248.67 per month.
- Staff has been weighing options for a website online ordering system for online orders and curbside.
- Product planning and replacement will be performed by vendors and approved my Liquor Store Manager John Jacobi prior to the new store opening.

3. Council Chamber Rental Policy

- This policy is from 2008 and was outdated.
- Changes to the policy include:
    - Requirements for Damage Deposit.
    - Updated tobacco use policy.
    - Removal of Library Room rental.
- Recommendation from Committee is to move forward and bring to City Council for consideration.

4. Veterans Memorial Discussion
   - Cost for memorial widely varies depending on materials used.
   - Recommendation from Committee is not to include this with the amphitheater and for Parks, Recreation and Events Coordinator reach out to the Lions Club, VFW, etc. to see if they would like to donate to the implementation of a Veterans Memorial site.

5. Lighting and Snow Maker for Sledding Hill
   - If lighting was added to the sledding hill now it would be approximately $5,104.00.
   - The other option is to wait until the amphitheater is constructed and install lighting at that time.
   - The cost to purchase a snow making machine would be approximately $2,500.
   - Recommendation from Committee is to wait to install lighting with the amphitheater and staff to reevaluate snow making machine purchasing in August.

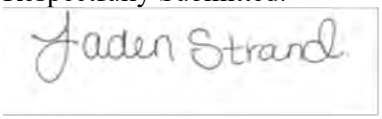
6. Irrigation Controller Program and Zoning Requirements
   - Consideration of an irrigation reimbursement program was discussed at Goal Setting in January to reduce water usage for residents thus paying less and reducing the cost to the City to treat the water.
   - It was discussed that this program could be similar to the raingarden incentive program where there would be a maximum amount allocated per year.
   - The current zoning requirements for irrigation of new homes was reviewed.
   - Recommendation from Committee is that the zoning requirements do not need to be amended as new homes are not required to put in irrigation, only the green spaces in development areas and further discuss irrigation controller program during budgeting.

7. Take Home Vehicle Use Policy
   - Take home vehicle use was discussed at the last COW meeting. It was decided that the Chief of Police and Police Lieutenant will the positions for consideration as to whether to be assigned a take home vehicle.
   - It was discussed that a maximum distance that the employee can drive to/from their home should be further considered.
   - Consensus from Committee is for the maximum distance be 15 radius miles and have added GPS and bring to City Council later that night for further consideration.

8. Lighting Infill
   - The Capital Improvement Plan (CIP) for the years 2021-2030 has funds available for lighting in-fill.
   - Staff was asked to provide locations and a timeframe on when these lights could be installed per CIP.
   - 22 locations have been identified that would need additional lighting.
   - Recommendation from Committee is to reach out to County to see if they would like to help the cost of lights on County Road 5 and Highway 65 and bring a formal schedule back to Council for further discussion.

9. Holiday Lighting Event

- This event would need public/private partnership.
- Proper course of action is establishing a budget for the partnership through the end of the year.
- Parks, Recreation and Events Coordinator talk with businesses to identify those willing to purchase displays through donation/sponsorship.
- Displays range from $270-$25,000.
- For those that donate a sign would go in front of the display of who donated it.
- Recommendation from Committee is for Parks, Recreation and Events Coordinator look into details of the event and if businesses want to donate displays.



10. Easter Egg Hunt Event
- At 2020 Goal Setting there was discussion on Isanti hosting an Easter Egg Hunt.
- Staff did not have enough time to put together an Easter egg hunt for 2020.
- The Isanti VFW does host an Easter egg hunt each Spring and will likely have one again this year. The VFW has not set a date yet on when that will be.
- Recommendation from Committee is to talk to VFW about joining efforts for an Easter egg hunt and not to host a City egg hunt independently.

11. Mobile Food Truck Chapter 160; Fees Discussion
- Recommendation from Committee is to change background investigation fee in Chapter 160 to $35.00, daily license fee of $10.00, monthly fee of $50.00 and yearly fee of $130.00 and post for 10 days and bring to City Council for consideration of approval.

F. Adjournment

Meeting was adjourned at 6:09 p.m.

Respectfully Submitted.

Memo for Council

To: Mayor Johnson and Members of the City Council
From: City Administrator Josi Wood
Date: March 2, 2021
Subject: Consideration of the Lease Purchase Agreement between the City of Isanti and IAJOFD

Background:
The City Council began negotiations on October 6, 2020 with the Isanti Area Joint Operating Fire District regarding the lease to purchase of City owned property identified as 16.040.1030 and 16.040.0960. The agreed upon total sale price is $600,000.00.

The attached Lease Purchase Agreement has been reviewed by the City Attorney and the Isanti Area Joint Operating Fire District Board.

Request:
Staff is requesting action on this item for the following:

1. Approve the Lease Purchase Agreement for the sale of the City owned land in the amount of $600,000.00 with terms to be paid over years 2021 – 2025.
2. Staff to record the document with Isanti County and pay associated fees.

Attachment:

- Lease Purchase Agreement

RECORDING COVER SHEET

This cover sheet is for the recording of the City of Isanti and Isanti Area Joint Operating Fire District Lease Purchase Agreement dated March 2, 2021.

This page is not intended to alter the document/ certified copy to which this sheet might be attached.

LEASE PURCHASE AGREEMENT

This Agreement is made as of _____, 2021, between the **City of Isanti**, a Minnesota municipal corporation ("Seller"), and the **Isanti Area Joint Operating Fire District**, a Minnesota joint powers entity created under Minnesota Statute section 471.59 ("Buyer").

Recitals

A. Seller and Buyer entered into the Isanti Fire Hall Lease Agreement on or about December 28, 2005, a copy of which is attached hereto as Exhibit B, in which Buyer, as Lessee, agreed to lease the Isanti Fire Hall from Seller. The lease includes the Fire Hall building and the surrounding grounds historically used and occupied by the Isanti Fire Department.

B. The building also houses the Isanti Police Department. The Isanti Fire Hall Lease Agreement does not include that portion of the building used and occupied by the Police Department.

C. The Isanti Fire Hall is located at 401 First Avenue N., Isanti, Minnesota, on the parcel with Property ID No. 16.040.1031. Adjacent to the Isanti Fire Hall parcel is the parcel with Property ID No. 16.040.0960, which contains a portion of the Fire Hall parking lot and is otherwise vacant. The Isanti Fire Hall Lease Agreement does not include the vacant parcel to the west, Property ID No. 16.040.0960.

D. The parcel at 401 First Avenue N. (Parcel ID No. 16.040.1031) is adjacent to the Seller's well house and emergency generator (Parcel ID No. 16.040.1032). The Isanti Fire Hall Lease Agreement does not include the well house and generator, or the property underlying or immediately surrounding them (the Well House Property). Likewise, this Lease Purchase Agreement does not include the Well House Property.

E. Through lease extensions, the Lease Agreement continues in place as of the date of this Lease Purchase Agreement.

F. Buyer seeks to continue leasing the Isanti Fire Hall from Seller for additional five years (calendar years 2021 through 2025), with the next five annual lease payments, as hereinafter set forth, being applied toward the purchase price of the Property (as defined below) at the end of the lease term.

1. SALE OF PROPERTY. Seller agrees to sell to Buyer, and Buyer agrees to buy from Seller the following legally described parcels (the Property):

See Exhibit A – Legal Description

Isanti County Property Identification: 16.040.1031 and 16.040.0960

An illustration of the Property is shown in Exhibit C.
An illustration of the Well House Property is shown in Exhibit D.

2. PURCHASE PRICE. The "Purchase Price" for the Property is $600,000.00.

3. AMENDMENT TO THE ISANTI FIRE HALL LEASE AGREEMENT. Notwithstanding any language in the Isanti Fire Hall Lease Agreement or its amendments to the contrary, the following terms shall apply:

a. The term is extended through December 31, 2025.
b. Beginning January 1, 2021, annual rent for each of the next five calendar years is $120,000.00, payable on or before April 1st of each year.
c. All other terms of the existing Lease Agreement will remain in effect except as otherwise modified by this Lease Purchase Agreement.

4. APPLICATION OF LEASE PAYMENTS. The base lease payments for the years 2021 through 2025, at $120,000.00 per year and totaling $600,000.00, shall be applied to the Purchase Price of the Property at Closing. All five base lease payments shall therefore be considered payments toward the Purchase Price. Any Additional Rent, as defined in the Isanti Fire Hall Lease Agreement, paid by Buyer to Seller or third parties during the extended term shall not be applied towards the Purchase Price.

5. CLOSING DATE. The purchase and sale of the Property shall close by January 31, 2026.

6. TITLE COMMITMENT.

a. Seller makes no representations or warranties with respect to the status of title to the Property. On or before October 1, 2025, Seller shall, at Seller's expense, obtain a commitment from a title company of Seller's choosing (the Title Company) to issue an owner's policy of title insurance insuring Buyer's title to the Property (the "Title Commitment") and deliver the Title Commitment and copies of or internet access to copies of all recorded documents referenced in the Title Commitment to Buyer.

b. Buyer shall have until the date 30 days after the receipt of the Title Commitment (Title) to review Title and to give Seller written notice of (i) any defects in the marketability of Seller's title to the Property or any encumbrances on Seller's title to the Property that are objectionable to Buyer, and (ii) the specific actions Buyer requests that Seller take with respect to each such defect or encumbrance (a Title Objection Notice). Any defects in or encumbrances on Seller's title that Buyer does not identify in a timely Title Objection Notice are each a Permitted Exception. Within three business days after Seller's receipt of a Title Objection Notice from Buyer, Seller will notify Buyer, in writing, of the actions, if any, that Seller is willing to take with respect to each of the matters identified in the Title Objection Notice and the time frame in which Seller will take those actions (Seller's Title Notice). If Seller's Title Notice indicates that Seller agrees to make Seller's title to the Property marketable on or before the closing date, the parties shall proceed to closing pursuant to the terms of this Agreement. If Seller's Title Notice indicates that Seller does not agree to make Seller's Title to the Property marketable on or before the closing date, Buyer may, at any time with three business days after Buyer's receipt of Seller's Title Notice, terminate this Agreement by written notice to Buyer in which case this Agreement

is terminated and Seller will refund as much of the Purchase Price as Buyer has paid, to Buyer (Buyer's Title Termination Notice). If Buyer does not deliver a Buyer's Title Termination Notice to Seller within the three business days after Buyer's receipt of Seller's Title Notice, then Seller must perform in accordance with Seller's Title Notice, Buyer shall be deemed to have waived Buyer's objections to the extent Seller has not agreed to address them in Seller's Title Notice, the matters to which Buyer objected and Seller did not agree to resolve are deemed Permitted Exceptions, and the parties shall proceed to Closing in accordance with the terms of this Agreement and the terms of Seller's Title Notice.

7. PROPERTY SOLD AS IS. Subject to Buyer's right to terminate this Agreement and receive a refund pursuant to the terms contained herein, Buyer agrees to accept the Property in its current condition, including, without limitation, its current environmental and geological condition, and in an "AS-IS" and with "ALL FAULTS" condition. Buyer's acceptance of title at Closing constitutes Buyer's acknowledgment and agreement that:

a. Seller has not made any written or oral representations or warranties of any kind with respect to the Property (including without limitation express or implied warranties of title, merchantability, or fitness for a particular purpose);

b. Buyer has not relied on any written or oral representation or warranty made by Seller, its agents or employees with respect to the condition or value of the Property;

c. Buyer has had an adequate opportunity to inspect the condition of the Property, including without limitation any environmental testing, and to inspect documents applicable thereto, and Buyer is relying solely on such inspection and testing; and

d. The condition of the Property is fit for Buyer's intended use.

e. Buyer accepts all risk of Claims (including without limitation all Claims under any Environmental Law and all Claims arising at common law, in equity or under a federal, state or local statute, rule or regulation) whether past, present or future, existing or contingent, known or unknown, arising out of, resulting from or relating to the condition of the Property, known or unknown, contemplated or uncontemplated, suspected or unsuspected, including without limitation the presence of any Hazardous Substance on the Property, whether such Hazardous Substance is located on or under the Property, or has migrated from or to the Property.

8. DEFINITIONS. As used in this Agreement:

"**Claim**" or "**Claims**" means any and all liabilities, suits, claims, counterclaims, causes of action, demands, penalties, debts, obligations, promises, acts, fines, judgments, damages, consequential damages, losses, costs, and expenses of every kind (including without limitation any attorney's fees, consultant's fees, costs, remedial action costs, cleanup costs and expenses which may be related to any claims).

"**Environmental Law**" means the Comprehensive Environmental Response, Compensation and

Liability Act ("CERCLA"), 42 U.S.C. § 9601 et seq., the Resource Conservation and Recovery Act, 42 U.S.C. § 6901 et seq., the Federal Water Pollution Control Act (the Clean Water Act), 33 U.S.C. § 1251 et seq. the Clean Air Act, 42 U.S.C. § 7401 et seq., and the Toxic Substances Control Act, 15 U.S.C. § 2601 et seq., all as amended from time to time, and any other federal, state, local or other governmental statute, regulation, rule, law or ordinance dealing with the protection of human health, safety, natural resources or the environment now existing or hereafter enacted.

"**Hazardous Substance**" or "**Hazardous Substances**" means any pollutant, contaminant, hazardous substance or waste, solid waste, petroleum product, distillate, or fraction, radioactive material, chemical known to cause cancer or reproductive toxicity, polychlorinated biphenyl or any other chemical, substance or material listed or identified in or regulated by any Environmental Law.

9. RELEASE. By accepting the deed to the Property, Buyer, for itself, its directors, officers, stockholders, divisions, agents, affiliates, subsidiaries, predecessors, successors, and assigns and anyone acting on its behalf or their behalf hereby fully releases and forever discharges Seller from any and all Claims (including without limitation all Claims arising under any Environmental Law and all Claims arising at common law, in equity or under a federal, state or local statute, rule or regulation), past, present and future, known and unknown, existing and contingent, arising out of, resulting from, or relating to the condition of the Property, and Buyer hereby waives any and all causes of action (including without limitation any right of contribution) Buyer had, has or may have against Seller and anyone acting on its behalf with respect to the condition of the Property, whether arising at common law, in equity or under a federal, state or local statute, rule or regulation. The foregoing shall apply to any condition of the Property, known or unknown, contemplated or uncontemplated, suspected or unsuspected, including without limitation the presence of any Hazardous Substance on the Property, whether such Hazardous Substance is located on or under the Property, or has migrated from or to the Property.

10. NOTICES. Notices permitted or required by this Agreement must be in writing and shall be deemed given when delivered in legible form to the party to whom addressed. Notices may be sent by certified mail or e-mail. Notices are effective two business days after they are mailed via certified mail, return receipt requested or, if sent by email, upon email transmission (provided that any email transmission that occurs after 5:00 pm Central Time will be deemed provided on the following day). If delivered at the Closing, a notice shall be deemed given when hand-delivered to the party's representative at the Closing. The business addresses of the parties are as follows:

Seller:
City Administrator City of Isanti
110 1st Avenue N.W.
P.O. Box 428 Isanti, MN 55040

Buyer:
Isanti Area Joint Operating Fire District
401 First Avenue North
P.O. Box 490 Isanti, MN 55040

With Copy To:
Peter Tiede
Tiede Grabarski PLLC
4770 White Bear Parkway Suite LL20
White Bear Lake, MN 55110

Notices not given in the manner or within the time limits set forth in this Agreement are of no

effect and may be disregarded by the party to whom they are directed.

11. CLOSING. The Closing shall take place at the offices of the Title Company, or at some other place as the parties may mutually agree. At the option of either Party, the executed closing documents, Purchase Price (to the extent not yet paid) and closing costs may be deposited with the Title Company and disbursed by the Title Company pursuant to avoid the necessity for a Closing at which the Parties are present.

a. **Seller's Obligations at Closing.** At Closing, Seller must deliver to Title Company, for delivery to Buyer:

i. A warranty deed, duly executed and acknowledged on behalf of the City, conveying title to the Property, subject to (A) matters that would be disclosed by an accurate survey of the Property; and (B) matters that constitute Permitted Exceptions;

ii. A certified copy of a duly adopted City Resolution authorizing Seller's sale of the Property to Buyer; and

iii. Seller's affidavits, settlement statement approved by Seller and Buyer, and any other documents required by the Title Company.

b. **Buyer's Obligations at Closing.** At Closing, Buyer must:

i. Provide a certified check in an amount equal to the amount of the Purchase Price adjusted to reflect Buyer's prior payment(s) and to reflect amounts Buyer must pay or will receive at Closing, to Title Company for disbursement to Seller and others pursuant to this Agreement and the Settlement Statement; and

ii. File or cause Title Company to file an Electronic Certificate of Real Estate Value, if required and necessary.

c. Closing Costs.

i. At Closing, the following Seller closing costs and expenses must be paid from the Purchase Price or, if the Purchase Price is not sufficient, paid by Seller:

1. Seller's portion of the prorated property taxes, if any.
2. One-half the cost of any closing fees.

ii. At Closing, Buyer must pay the following costs and expenses:

1. Buyer's portion of prorated property taxes, if any.
2. One-half the cost of any closing fees.
3. Documentary and recording fees for the deed(s).
4. The cost of the owner's title insurance policy, if Buyer elects to purchase an Owner's title insurance policy.
5. State deed tax.

d. **Possession.** Seller must deliver possession of the Property to Buyer at Closing.

12. REAL ESTATE BROKERS. Seller and Buyer represent and warrant to each other that they have dealt with no brokers, real estate agents, finders or the like in connection with this transaction.

13. ASSIGNMENT. This Agreement may not be assigned without the written consent of the non-assigning Party.

14. THIRD PARTY BENEFICIARY. There are no third party beneficiaries of this Agreement, intended or otherwise.

15. JOINT VENTURE. Seller and Buyer, by entering into this Agreement and completing the transactions described herein, shall not be considered joint venturers or partners.

16. CAPTIONS. The paragraph headings or captions appearing in this Agreement are for convenience only, are not a part of this Agreement, and are not to be considered in interpreting this Agreement.

17. ENTIRE AGREEMENT / MODIFICATION. This written Agreement constitutes the complete agreement between the parties and supersedes any prior oral or written agreements between the parties regarding the Property. There are no verbal agreements that change this Agreement and no waiver or modification of any of its terms will be effective unless in writing executed by the parties.

18. BINDING EFFECT. This Agreement binds and benefits the Parties and their successors and assigns.

19. CONTROLLING LAW. This Agreement is made under the laws of the State of Minnesota and such laws will control its interpretation.

20. REMEDIES.

a. If Buyer fails to perform any of the terms or conditions of this Agreement within the specified time limits, Seller may declare this Agreement terminated pursuant to Minnesota Statutes section 559.21. Seller may suspend the performance of its obligations under this Agreement and commence an action in Isanti County District Court to recover its actual damages arising from the default.

b. If Seller fails to perform any of the terms or conditions of this Agreement within the specified time limits, Buyer may elect to either have this Agreement specifically enforced and recover any incidental damages or terminate the Purchase Agreement in which case Seller shall refund the Purchase Price or so much of the same as has been paid to that date, to Buyer. Buyer waives all claims for consequential damages against Seller based on Seller's breach or alleged default hereunder.

21. WAIVER. Failure of Seller or Buyer to insist upon the performance of any of the covenants, agreements and/or conditions of this Agreement or to exercise any right or privilege herein shall not be deemed a waiver of any such covenant, condition or right.

22. SURVIVAL OF TERMS AND CONDITIONS. The terms and conditions of this Agreement shall survive and be in full force and effect after the delivery of the deed and shall not be deemed to have merged therein.

23. SEVERABILITY. Each provision of this Agreement shall apply to the extent permitted by applicable law and is intended to be severable. If any provision is illegal or invalid for any reason whatsoever, such illegality or invalidity shall not affect the legality or validity of the remainder of the Agreement.

24. CONSTRUCTION. The Parties acknowledge that this Agreement was initially prepared by Seller solely as a convenience and that all Parties and their counsel hereto have read and full negotiated all the language used in this Agreement. The Parties acknowledge that because all Parties and their counsel participated in negotiating and drafting this Agreement, no rule of construction shall apply to this Agreement to construe ambiguous or unclear language in favor of or against any Party.

25. COUNTERPARTS; DIGITAL COPIES. This Agreement may be executed in any number of counterparts and the signature pages of the separate counterparts combined into a single copy of this Agreement which will then constitute a fully executed version of this Agreement. A facsimile, .pdf file or digital copy of a signed counterpart or of an assemblage of counterparts of this Agreement shall be deemed to be an original thereof.

26. TIME PERIODS. The time for performance of any obligation or taking any action under this Agreement shall be deemed to expire at 5:00 p.m. Central Time on the last day of the applicable time period provided for in this Agreement. If the time for the performance of any obligation or taking any action under this Agreement expires on a Saturday, Sunday or legal holiday, the time for performance or taking such action shall be extended to the next succeeding day which is not a Saturday, Sunday or legal holiday.

27. EMERGENCY GENERATOR.

a. Equipment. For purposes of this Agreement, the "Generator Equipment" consists of the generator and related controls. Generator Equipment does not include the wiring from the generator to the Fire Hall or any transfer switches or other wiring on the Fire Hall Property beyond the switches to which the generator is connected.

b. Continued Connection. The generator is connected to the Isanti Fire Hall as of the date of this Agreement and provides emergency electrical service to the entire Isanti Fire Hall building. Said connection and use of the generator shall continue until this Agreement is terminated. Neither party shall interfere with or disturb the Generator Equipment except as required for maintenance or repair. In the event District personnel become aware of any defect with the Generator Equipment, the District shall notify the City of said defect within 24 hours.

c. Maintenance. The City shall undertake all maintenance and repair of the Generator Equipment; the District shall not modify, maintain, repair or otherwise interfere with the Generator Equipment without the City's express permission. The City shall undertake necessary routine maintenance, in its discretion, at its sole cost.

The Remainder of this page is left intentionally blank.

EXHIBIT A

LEGAL DESCRIPTION

That part of the Southeast Quarter of the Northeast Quarter of Section 30, Township 35, Range 23, Isanti County, Minnesota, described as follows:

Commencing at the southwest corner of said Southeast Quarter of the Northeast Quarter; thence on an assumed bearing of South 89 degrees 29 minutes 22 seconds East, along the south line of said Southeast quarter of the Northeast Quarter, a distance of 654.00 feet to the point of beginning; thence continue South 89 degrees 29 minutes 22 seconds East, a distance of 216.00 feet; thence North 01 degrees 08 minutes 08 seconds West, parallel with the west line of said Southeast Quarter of the Northeast Quarter, a distance of 242.97 feet; thence North 89 degrees 29 minutes 22 seconds West, a distance of 146.06 feet; thence North 01 degrees 08 minutes 08 seconds West, a distance of 80.03 feet; thence North 89 degrees 29 minutes 22 seconds West, a distance of 69.95 feet; thence South 01 degrees 08 minutes 08 seconds East, a distance of 323.00 feet to the point of beginning.

Subject to the existing County State Aid Highway No. 5 along the south line thereof and also subject to an easement for public street along the easterly 66.00 feet thereof as measured at right angles to the most easterly line of the above described tract.

SUBJECT TO

A perpetual easement for utility purposes over, under and across that part of the Southeast Quarter of the Northeast Quarter of Section 30, Township 35, Range 23, Isanti County, Minnesota, described as follows:

Commencing at the southwest corner of said Southeast Quarter of the Northeast Quarter; thence on an assumed bearing of South 89 degrees 29 minutes 22 seconds East, along the south line of said Southeast quarter of the Northeast Quarter, a distance of 870.00 feet; thence North 01 degrees 08 minutes 08 seconds West, parallel with the west line of said Southeast Quarter of the Northeast Quarter, a distance of 242.97 feet; thence North 89 degrees 29 minutes 22 seconds West, a distance of 70.06 feet; to the point of beginning; thence North 89 degrees 29 minutes 22 seconds West, a distance of 76.00 feet; thence North 01 degrees 08 minutes 08 seconds West, a distance of 62.61 feet; thence southwesterly, southerly, southeasterly, easterly and northeasterly a distance of 162.67 feet, along a non-tangential curve concave to the northeast, having a radius of 50.00 feet, a central angle of 186 degrees 24 minutes 29 seconds, a chord distance of 99.84 feet, and a chord bearing of South 50 degrees 40 minutes 31 seconds East, to the point of beginning.

AND

That part of the SE 1/4 of the NE 1/4 of Section 30, Township 35, Range 23, Isanti County, Minnesota, described as follows:

Commencing at the Southwest corner of the SE 1/4 of NE 1/4 of Section 30; thence northerly on an assumed azimuth of 358°31'50" along the West line of the SE 1/4 of NE 1/4 a distance of 323.01 feet; thence easterly on an azimuth of 90°10'40" parallel with the South line of the SE 1/4 of NE 1/4 a distance of 344 feet to the point of beginning of the parcel to be herein described; thence continuing easterly on the aforesaid line parallel with the South line of the SE 1/4 of NE 1/4 a distance of 310 feet; thence southerly parallel with the West line of said SE 1/4 of NE 1/4 a distance of 140 feet; thence westerly parallel with the South line of the SE 1/4 of NE 1/4 a distance of 230 feet; thence northerly parallel with the West line of the SE 1/4 of NE 1/4 a distance of 48 feet; thence westerly parallel with the south line of the SE 1/4 of NE 1/4 a distance of 80 feet; thence northerly parallel to the West line of the SE 1/4 of NE 1/4 a distance of 92 feet, more or less, to the point of beginning and there to terminate. Subject to easements, restrictions, and reservations of record, if any. The above-described tract is a part of what is also known as Lot 4
of Auditor's Subdivision No. 10.

EXHIBIT B

ISANTI FIRE HALL LEASE AGREEMENT

Dated December 28, 2005, as amended.

ISANTI AREA JOINT OPERATING FIRE DISTRICT

JOINT POWERS AGREEMENT

THIS AGREEMENT, made and entered into this 15th day of December, 2005, by and between the CITY OF ISANTI, Isanti County, Minnesota, (hereinafter referred to as the "City"), and the TOWNSHIPS OF ATHENS, BRADFORD, ISANTI, OXFORD, SPENCER BROOK AND STANFORD (hereinafter collectively referred to as the "Towns"), all located within Isanti County, Minnesota,

W I T N E S S E T H:

WHEREAS, the Towns and the City have previously been parties to the Isanti Area Joint Operating Fire Fund pursuant to a Joint Powers Agreement ("Fire Fund") executed on the 24th day October, 2002.

WHEREAS, the parties have found the Fire Fund to be a successful enterprise, benefiting the residents of all jurisdictions, now desire to expand the scope of the Fire Fund and to change the name thereof to the "Isanti Area Joint Operating Fire District";

WHEREAS, it has become apparent to the City and the Towns that in order for the level of service under the Isanti Fire Protection Contract to remain high and continue to improve, the construction of certain additional substations within the Townships may become necessary; and

WHEREAS, M.S.A. Section 471.59 authorizes two or more governmental units by agreement of their governing bodies to jointly or cooperatively exercise any power common to the contracting parties to provide for a Joint Board representing the parties to the Agreement, and

WHEREAS, M.S.A. Section 365.15 and Section 412.221, Subd. 17, authorize the Towns and City respectively, each individually, to establish a fire department, and

WHEREAS, the City and Towns, upon due consultation and discussion, have determined it advisable to execute this Joint Powers Agreement which will replace the existing Isanti Fire Protection Contract and which will further amend, replace and enhance the Fire Fund agreement;

NOW, THEREFORE, it is hereby agreed by and between the parties hereto as follows:

ARTICLE I.

GENERAL PURPOSE

The purpose of this Agreement shall be to create a joint powers entity that shall operate a fire department, own, operate and maintain such equipment as the joint powers entity shall deem necessarily expedient, may hire and retain such employees, contractors, advisers and consultants as shall be necessary for the operations of the fire department, manage the budgetary affairs of the fire department and purchase, rent or lease real estate, as the fire department may deem necessary, for its operations, and to borrow or bond for expenditures within the limits of Minnesota law. The entity shall be referred to as the Isanti Area Joint Operating Fire District. For purposes of this Agreement, said entity shall hereinafter be referred to as the "Fire District."

ARTICLE II.

OWNERSHIP OF EQUIPMENT AND STAFFING

A. The parties hereto recognize that with the exception of the existing City owned fire station in the City of Isanti, and the real estate referenced in Article IX hereof, all real property, trucks, firefighting equipment, and other property of the former fire department of the City of Isanti or of the Isanti Area Joint Operating Fire District shall hereafter be the property of the Fire District. All parties agree to execute any documents, including title transfers, necessary to effectuate the terms of this paragraph. The execution of this Agreement by all parties shall constitute full and sufficient authorization and power of attorney for an authorized designee of the Fire District to sign any document effectuating the terms of this paragraph, on behalf of any signatory thereto.

B. Any employees of the City of Isanti Fire Department shall hereafter be employees of the Fire District, under the same terms and conditions as the employer who was employed by the City of Isanti, providing the same level of benefits, etc., as that employee had been entitled to receive previously. The parties agree that none of them shall separately employ any firefighting employees, but all firefighting activities and employment shall take place through the Fire District.

ARTICLE III.

FIRE DISTRICT

A. On the first Tuesday of August, the Fire District shall consider budget recommendations of any one of the Towns, or the City, and shall approve a budget of the Fire District for the following year. The Fire District shall also appoint a Treasurer to manage the Isanti Area Fire District, which appointment shall be referred to as "Treasurer of the Isanti Area Joint Operating Fire District", as set forth below for the new calendar year.

B. The City and the Towns shall deposit in advance quarterly contributions with the Treasurer of the Fire District, who shall maintain a special fund to be known as the "Isanti Area Joint Operating Fire District." The amount of the quarterly contributions to the Fire District shall be as follows:

The following formula shall be applied to each participant to determine their contribution:

$$PYC \times \left(\frac{\#C1 + V1}{\#C2 + V2} \right) = CC$$

Where: CC is the current year cost of service.

PYC is the prior years cost of service, including the payment to Fire Relief Fund for the past year, less

1. Monies or property acquired by or given to the Fire District from grants, refunds, donations, pull tabs, and any other source, and

2. Property acquired for fire protection use only or for a mixed City/Fire Protection use, in which case an allocation of the uses shall be made, and

3. Money collected by the Fire District for individual service charges for fire calls from each participant, to be used in making each computation.

C1 is the total number of fire calls for the past 5 years

V1 is the total assessed valuation of the entire area served, including all tax-exempt property.

C2 is the number of fire calls made to a participant over the last 5 years

V2 is the assessed valuation of that participant, including all tax-exempt property.

The Treasurer of the Fire District shall prepare monthly financial reports reflecting all expenditures and all revenues of the Fire District, with such reports made available to all the Towns and the City within 5 days of preparation of the same.

The Treasurer of the Fire District shall provide the Fire District with an annual, complete accounting of all income and disbursements for the fire department operation by February 1 each year this contract is in effect.

The Fire District shall authorize and pay for an annual audit prepared to GAAP standards to be prepared by an independent and licensed auditor at the end of each calendar year and distributed to all the Towns and the City.

C. CAPITAL REPLACEMENT FUNDS

The Fire District shall have the authority to establish, maintain and budget for a capital replacement fund, to replace buildings and equipment as needed. Contributions to the capital replacement fund shall be made by the participants using the same formula set forth in Article III. B. above.

Any existing, and all future capital replacement funds, and all interest which they earn, shall be the property of the Fire District to be used solely for fire protection. The Treasurer of the Fire District shall provide the Fire District with an annual accounting of said funds.

In the event one or more of the participants gives notice of termination of its participation hereunder pursuant to Article XI hereof, said participant shall not be required to contribute to the capital replacement fund during the year following that party's notice of termination. No party hereto shall be entitled to refund of any capital replacement funds upon that party's termination of their participation. However, if all participants mutually agree to terminate the Fire District, each shall be entitled to a pro rata share of the capital replacement fund based on each party's most recent annual contribution to the fund.

ARTICLE IV.

LIABILITY - GOVERNMENTAL FUNCTIONS - PROTECTIVE CLAUSES/INSURANCE

A. In all of the joint agreements defined in this contract, the City and the Towns shall be deemed to be discharging their governmental functions so that none shall be liable to the others for any negligence of its officers, employees, firefighters or agents.

B. Insurance shall be procured by the Fire District. The Fire District shall carry insurance no less than any applicable tort limitations, and shall carry such additional amounts of insurance as are deemed necessary or desirable by the Fire District.

ARTICLE V.

TAX LEVY

The City Council shall annually raise by a tax levy or otherwise sufficient funds to pay all its obligations under this contract. The Town Boards shall individually annually recommend a levy to the voters at its annual meeting to raise by tax levy or otherwise sufficient funds to pay all of each of their obligations under this contract. In the event any party fails to approve or obtain funds to pay that party's obligations hereunder, said failure shall be deemed notice to the Fire District of that party's intent to terminate its interests, given as of the date of such failure, pursuant to Article XI.

ARTICLE VI.

JOINT OPERATING FIRE DISTRICT

A. Establishment.
The Fire District shall have only those powers specifically provided for in this contract. The Fire District may from time to time make recommendations to the City and Townships for amendments and supplements to this contract.

B. Voting Members.
"Voting Members" shall consist of one member of each of the Town Boards and one member of the City Council as appointed by each respective body. Appointments shall be for one year.

C. Ex-Officio (non-voting) Members.
Two members of the Fire Department, one of which will be the Fire Chief or his or her designee, shall provide advice to the Fire District but will have no voting power.

D. Alternate Members.
City Council and each Town Board shall name one (1) elected official to serve as an Alternate Member in case of absence of a Voting Member. The Alternate Member shall have the authority to vote in place of (but not in addition to) the Voting Member.

E. Additional Members.
No new members may be admitted to the Fire District except by unanimous consent of all members then constituting the Fire District. New members shall be admitted on terms to be determined and negotiated on a case-by-case basis and in the event new members are added, this agreement shall be modified, if necessary and as necessary to accommodate the terms of the addition of those members.

F. Meetings.
The Fire District shall hold monthly regular meetings at times and locations to be set by the Fire District, with notice given in accordance with Minnesota's Open Meeting Law and any other applicable notice statutes. The Fire District may, by resolution, determine to hold fewer or more meetings, or to change the location or time of the meetings.

G. Fire District Procedures.
The Fire District shall elect from among its Voting Members a Chair and a Vice-Chair. The Chair shall act as the presiding officer at Fire District meetings and the Vice-Chair shall act as the presiding officer at any meetings not attended by the Chair. The Fire District shall have authority to adopt by-laws establishing its own procedures.

H. Compensation.
Fire District members shall serve without compensation from the Fire District, but nothing herein shall be construed to prevent either party from compensating its members for service on the Fire District to the extent such compensation is otherwise authorized by law.

I. Board Quorum.
A majority of the Voting Members shall constitute a quorum for the purposes of all Fire District meetings.

J. Voting.
Each Voting Member shall have an equal vote. Voting by proxy is not allowed.

ARTICLE VII.

CONTRACT

A. This contract will remain in effect for five (5) years from the last date of execution as shown on the final page of the contract. Any party may withdraw from this contract upon one year's written notice consistent with Article XI.

B. Unless and until breached or terminated, this contract shall be deemed to be self-renewing for successive one year terms.

ARTICLE VIII.

ACQUISITION OF PROPERTY

A. The Fire District shall be empowered to acquire real property and buildings for the benefit of its members and for fire prevention service.

B. All property acquisitions or building construction must be approved by a majority vote of the Fire District as necessary or expedient to the provision of fire services. The Fire District shall be empowered to spend money, borrow funds, issue debts, and sign notes, upon proper resolution of its members, as may be necessary to accomplish acquisition or construction of new lands and buildings.

C. Whenever property or buildings are acquired or constructed, title to such property or buildings shall vest in the Fire District.

ARTICLE IX.

A. Existing Land and Building. The City owned fire station used by the Isanti Fire Department prior to this Agreement shall, beginning on _____, 2005, become the Fire Station for the Fire District. Ownership of the existing building and land of the Fire Station will remain with the City of Isanti. The Fire District shall pay the City of Isanti a fair market rent for the space used for the Fire Station pursuant to a lease. The rent shall be included in the budget. Any and all leasehold improvements to the existing building and land for the Fire Station shall remain the property of the City, and no compensation shall be paid to the Fire District for such leasehold improvements when and if the Fire District vacates the existing Fire Station.

In the event that the Fire District and the City cannot agree on the fair market rent for the space used for the Fire Station, either the City or the

Fire District may initiate an appraisal process by submitting written notice to the other party. Within thirty (30) days after the notice of the appraisal process has been issued, the City and the Fire District shall appoint appraisers who shall, in turn, select a third appraiser to determine the fair market rent for the space used for the Fire Station. The appraisers selected by the City and the Fire District shall produce reports with whatever supporting documentation they each see fit to provide and submit said appraisal reports to the third appraiser within sixty (60) days after the notice of appraisal has been issued. The third appraiser shall review the reports provided by the appraisers for the City and the Fire District and, if he or she determines it to be necessary, additional information relevant to determining fair market rent for the space to be used for the Fire Station. The third appraiser shall issue his or her decision within thirty (30) days after receiving the reports of the City's and Fire District's appraisers. The third appraiser's decision shall be final and binding on both the City and the Fire District. The Fire District and the City shall be responsible for the cost of the appraisers they appoint and shall equally divide the cost of the third appraiser.

B. New Land and Buildings. For any expansions that may occur at the existing fire station site in the City of Isanti, the land shall be under the ownership of the City. All new buildings on new lands shall be owned and, to the extent permitted by law, financed by the Fire District. The Fire District may lease buildings and lands, including those that may be owned by any party to this Agreement.

C. Purchase of Equipment. Purchase of equipment by the Fire District must be done in accordance with a capital equipment plan, which must include all physical items whose costs are anticipated to exceed $10,000.00, approved by the Fire District. All equipment purchased by the Fire District shall be solely the property of the Fire District. To the extent allowed by law, the Fire District may use debt instruments to make such purchases.

ARTICLE X.

PERSONNEL AND ADMINISTRATION

Fire Chief. The Fire Chief shall be responsible to the Fire District for the efficient and economical operation of the Fire District; the hiring, termination, supervision, discipline and the direction of Fire District personnel; the establishment of rules of conduct for those personnel; and carrying out the policies and procedure that have been adopted by the Fire District. The Fire Chief shall review and make recommendations regarding all policies and procedures before they are adopted by the Fire District.

The Chief and Assistant Chief shall be appointed by the Fire District, and shall serve at the pleasure of the Fire District. Other officers shall be appointed to two year terms by the Fire District and the Fire Chief. Openings shall be posted prior to September 1st of each odd calendar year on the Squad Room Board. Applicants for an officer position may file resumes with the Fire Chief prior to October 1. The Personnel Committee of the Fire District and the Chief will review resumes and training files of each applicant and determine the most qualified person to be appointed to the officer position for a two-year term.

Appointments shall be made prior to the Annual Fire Department Meeting in December.

Any grievance with an appointment can be brought to the Personnel Committee of the Fire Chief and the Fire District. If no satisfaction is reached with the committee, the grievance can be brought to the Fire District alone for further review and action. The Fire District shall be the final decision maker with regard to any such grievance.

District Positions: The Fire District may, from time to time, establish, eliminate or reconstitute other employee positions as it deems to be appropriate. The Fire District shall create new firefighter positions as needed and appoint persons to fill those positions.

Training: The Fire District shall at all times be in compliance with such equipment, personnel and training standards as may be required by the laws of the State of Minnesota and the Federal Government.

Membership in Firefighters' Relief Association: Firefighters with the Fire District shall be eligible for membership in the Isanti Firefighters' Relief Association or its successor fire relief association, in accordance to the Relief Association's By-Laws.

Continuation of Prior Policies, Plans, and Procedures: All Isanti Fire Department policies, plans, procedures and By-laws not superseded by this Agreement, in place on January 1, 2006, shall remain in effect unless approved by a majority vote of the Fire District's firefighters and approved by the Fire District.

The terms and provisions of this Agreement shall supersede any conflicting Isanti Fire Department policies, plans, procedures, and By-Laws in place at the time of the effective date of this Agreement.

ARTICLE XI.

DISPOSITION OF PROPERTY

A. If this Agreement is terminated by mutual agreement of all parties, then any real property or buildings owned by the Fire District shall become the sole property of the City or the Townships in which the property lies. The Treasurer of the Fire District shall, upon any such dissolution, be empowered and, by this Agreement, is required, to sign any deeds, contracts, conveyances, bills of sale, or other documents necessary to effectuate such transfer. The parties may by unanimous written agreement agree to any other disposition of the property owned by the Fire District as may be appropriate in their sole discretion at the time of any such mutual dissolution.

B. In the event any party or parties, but less than all parties desire to withdraw from this Agreement, and the remaining participants in this Agreement do not withdraw, then the party seeking to withdraw must give at least fifteen (15) months written notice of intent to withdraw effective on a future January 1.

1. If one or more, but not all parties, withdraws, that party shall have the indefinite right of first refusal to purchase any substations or other real property and improvements owned by the Fire District within that entity's borders, should the Fire District determine to sell such real property and improvements. The Fire District shall have no obligation to discontinue using such improvements, shall have no obligation to sell such improvements, and shall owe the withdrawing entity no compensation or payment for its contributions to any of the Fire District's budgets or purchases other than this right of first refusal in the event the Fire District determines to sell such real property.

2. In the event the Fire District determines to sell any such real property, the property shall be sold at the fair market value of the building / property as determined first by negotiation, and if no negotiated price can be reached, by a qualified Appraiser. In the event the parties cannot agree upon an Appraiser, each party shall appoint a third person, not a party to this Agreement, who shall be instructed to work with the other party's appointment to select the Appraiser. The Appraiser so selected shall be compensated by the Fire District, and shall be instructed to determine the fair market value of the property in issue. The parties agree to be bound by the price set by the Appraiser. Upon setting of the price, the withdrawing entity has sixty (60) days in which to close the transaction. If the transaction is not closed within sixty (60) days of

the setting of the price, then the withdrawing entity shall be deemed to have waived its option to purchase the interest of the Fire District. Funds paid by the withdrawing City or Town to the Fire District shall go into the general accounts of the Fire District and be credited to each member of the Fire District in proportion to that members contributions for acquisition of the property. Funds so deposited shall be treated by the Treasurer in the same manner as contributions from members of the Fire District.

ARTICLE XII

APPLICABLE LAW

A. A copy of this document shall be as valid as the original. This contract shall be construed in accordance with the laws of the State of Minnesota and jurisdiction for resolution of any dispute under this Agreement shall lie with the state and federal courts venued in the State of Minnesota.

ARTICLE XIII

LIABILITY

A. For the purposes of the Minnesota Municipal Tort Liability Act (Minn. Stat. 466), the employees and officers of the Fire District are deemed to be employees (as defined in Minn. Stat. 466.01, subdivision 6) of each of the Towns and the City.

B. Each Town and the City all agree to defend and indemnify each other against any claims brought or actions filed against any of them, or any officer, employee, or volunteer of Fire District for injury to, death of, or damage to the property of any third person or persons, arising from the performance and provision of assistance in responding to a fire call or otherwise performing the business of the Fire District.

C. Under no circumstances, however, shall a party be required to pay on behalf of itself and other parties, any amounts in excess of the limits on liability established in Minnesota Statutes Chapter 466 applicable to any one party. The limits of liability for some or all of the parties may not be added together to determine the maximum amount of liability for any party.

D. The intent of this subdivision is to impose on each Town and the City a limited duty to defend and indemnify the others for claims arising within the jurisdiction of the Towns or the City, subject to the limits of liability under Minnesota Statutes Chapter 466. The purpose of creating this duty to defend and indemnify is to simplify the defense of claims by eliminating

conflicts among defendants, and to permit liability claims against multiple defendants from a single occurrence to be defended by a single attorney.

E. No party to this agreement nor any officer of any party shall be liable to any other party or to any other person for failure of any party to furnish assistance to any other party, or for recalling assistance, both as described in this agreement.

ARTICLE XIV

CHANGES TO THE CONTRACT

Any party may at any time request in writing change or amendment to this contract related to cost sharing or other terms. All such changes must be made by unanimous written agreement. If mutually agreed upon, such changes may be adopted by execution by officials of all parties of an amendment to this contract. In the event that no agreement upon a proposed amendment can be reached, the parties agree to meet at least two times to try to resolve the matter.

IN TESTIMONY WHEREOF, the parties to this contract have hereunto set their hands this 28 Th day of December, 2005.

RE: Joint Powers Agreement Amendment

To: Clerks and Administrators of Isanti Fire District Supporting Entities

Enclosed please find your copy of our amendment to our Joint Powers Agreement.

Al Jankovich
Isanti Fire District
1st Assistant Chief

FIRST AMENDMENT

TO

ISANTI AREA JOINT OPERATING FIRE DISTRICT

JOINT POWERS AGREEMENT

THIS AGREEMENT, made and entered into this 21st day of September, 2011, by and between the CITY OF ISANTI, Isanti County, Minnesota (hereinafter referred to as the "City"), and the TOWNSHIPS OF ATHENS, BRADFORD, ISANTI, OXFORD, SPENCER BROOK AND STANFORD (hereinafter collectively referred to as the "Towns"), all located within Isanti County Minnesota,

WITNESSETH:

WHEREAS, the Towns and the City are parties to the Isanti Area Joint Operating Fire District pursuant to a Joint Powers Agreement dated on the 28th day December, 2005; and

WHEREAS, said Joint Power Agreement dated December 28, 2005 does not designate the method of statutory compliance to be followed by the Isanti Area Joint Operating Fire District as to municipal contracting law; and

WHEREAS, Minnesota Statute, Section 471.59 subdivision 3 requires the Joint Power Agreement to designate which requirements of a party shall control as to the contracts and purchases.

NOWTHEREFORE, it is unanimously agreed by and between the parties hereto that Article XII is hereby amended to read as follows:

ARTICLE XII

APPLICABLE LAW

A. A copy of this document shall be as valid as the original. This contract shall be construed in accordance with the laws of the State of Minnesota and jurisdiction for resolution of any dispute under this Agreement shall lie with the state and federal courts venued in the State of Minnesota.
B. For the purposes of uniform Municipal Contracting law the Isanti Area Joint Operating Fire District Joint Powers Agreement dated December 28, 2005 said District shall be governed by Minnesota Statute applicable to the requirements for Cities and not Townships.

All other terms and conditions of the Joint Power Agreement dated December 28, 2005 to remain the same.

IN TESTIMONY WHEREOF, the parties to this contract have hereunto set their hands this _____ day of _____, 2011.

SECOND AMENDMENT

TO

ISANTI AREA JOINT OPERATING FIRE DISTRICT

JOINT POWERS AGREEMENT

THIS AGREEMENT, made and entered into this 19 day of December, 2017, by and between the CITY OF ISANTI, Isanti County, Minnesota (hereinafter referred to as the "City"), and the TOWNSHIPS OF ATHENS, BRADFORD, ISANTI, OXFORD, SPENCER BROOK AND STANFORD (hereinafter collectively referred to as the "Towns"), all located within Isanti County Minnesota,

WITNESSETH:

WHEREAS, The Towns and the City are parties to the Isanti Area Joint Operating Fire District pursuant to a Joint Powers Agreement dated on the 28th day December, 2005; and

WHEREAS, said Joint Powers Agreement dated December, 2005 displays the formula for calculating each party's quarterly obligation incorrectly.

WHEREAS, on January 1, 2010 the Joint Operating Fire District Board hired a full time employee whose position includes maintaining the duties of Treasurer of the Joint Operating Fire District.

WHEREAS, on August 15, 2012 The Joint Operating Fire District Board agreed unanimously to determine annually during the December monthly meeting the following years regular monthly meeting schedule.

NOWTHEREFORE, it is unanimously agreed by and between the parties hereto that Article III read as follows:

ARTICLE III

A. Annually during the August monthly meeting, the Joint Operating Fire District Board shall consider budget recommendations from any of the Towns or City, and address

those details to the Treasurer for a following year budget proposal. This budget shall be calculated and disbursed among each party by the appointed Fire District Treasurer. The Joint Operating Fire District Board shall vote to approve the annual budget.

B. The City and the Towns shall deposit in advance quarterly contributions with the Treasurer of the Fire District, who shall maintain a special fund to be known as the "Isanti Area Joint Operating Fire District." The amount of the quarterly contributions to the Fire District shall be as follows:

The following formula shall be applied to each participant to determine their contribution:

$$S=C(U+V)/2$$

Where S= Cost of fire/rescue protection to the party for one quarter less

1. Monies or property acquired by or given to the Fire District from grants, refunds, donations, pull tabs, and any other source, and
2. Property acquired for fire protection use only or for a mixed City/Fire Protection use, in which case an allocation of the uses shall be made, and
3. Money collected by the Fire District for individual service charges for fire calls from each participant, to be used in making each computation.

Where C= Fire Districts quarterly operating budget.

Where U= Percentage of fire/rescue incidents responded to in each parties area compared to the total for the entire Fire District. This percentage will change annually to include the most recent 5 year period.

Where V= Percentage of valuation of each parties area as compared to the valuation of the total area serviced by the Fire District. These figures are obtained annually by the Isanti County Assessor's office.

The Treasurer of the Fire District shall prepare monthly financial reports reflecting all expenditures and all revenues of the Fire District, with such reports made available to all the Towns and the City within 5 days of the preparation of the same.

The Treasurer of the Fire District shall provide the Fire District with an annual, complete accounting of all income and disbursements for the fire department operation by February 1 each year this contract is in effect.

The Fire District shall authorize and pay for an annual audit prepared to GAAP standards to be prepared by an independent and licensed auditor at the end of each calendar year and distributed to all the Towns and the City.

C. CAPITAL REPLACEMENT FUNDS

The Fire District shall have the authority to establish, maintain and budget for a capital replacement fund, to replace buildings and equipment as needed. Contributions to the capital replacement fund shall be made by the participants using the same formula set forth in Article III. B. above.

Any existing, and all future capital replacement funds, and all interest which they earn, shall be the property of the Fire District to be used solely for fire protection. The Treasurer of the Fire District shall provide the Fire District with an annual accounting of said funds.

In the event one or more of the participants gives notice of termination of its participation hereunder pursuant to Article XI hereof, said participant shall not be required to contribute to the capital replacement fund during the year following that party's notice of termination. No party hereto shall be entitled to refund of any capital

replacement funds upon that party's termination of their participation. However, if all participants mutually agree to terminate the Fire District, each shall be entitled to a pro rata share of the capital replacement fund based on each party's most recent annual contribution to the fund.

All other terms and conditions of the Joint Power Agreement dated December 28, 2005, and the First Amendment dated September 21, 2011 to remain the same.

IN TESTIMONY WHEREOF, the parties to this contract have hereunto set their hands this 19 day of December, 2012.

RESOLUTION NO. 2014-265

A RESOLUTION APPROVING THE THIRD AMENDMENT TO THE ISANTI AREA JOINT OPERATING FIRE DISTRICT JOINT POWERS AGREEMENT

WHEREAS, the City of Isanti previously entered into a Joint Powers Agreement known as the "Isanti Area Joint Operating Fire District Joint Powers Agreement" with the Townships of Athens, Bradford, Isanti, Oxford, Spencer Brook, and Stanford dated December 28, 2005; and

WHEREAS, the City of Isanti and the Town Boards found it necessary to amend the Joint Powers Agreement to clarify the entity responsible for satisfying the obligations to the Firefighters' Relief Association established for the firefighters of the Fire District pursuant to Minnesota Statutes, Chapters 69 and 424A; and

WHEREAS, on November 18, 2014, such an amendment, known as the "Third Amendment to Isanti Area Joint Operating Fire District Joint Powers Agreement" ("Third Amendment") was presented to the City Council; and

WHEREAS, the City Council approves the Third Amendment;

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ISANTI, MINNESOTA, does adopt that Third Amendment and authorizes and instructs the Mayor and City Clerk to execute the same on behalf of the City Council and agrees in all respects to be bound by the terms of said Third Amendment.

Adopted by the Isanti City Council on this 18st day of November, 2014.

All those in favor:
Mayor George Wimmer
Council member Sue Larson
Council member Adam Johnson
Council member Steve Lundeen
Council member Dan Collison

All those opposed:

THIRD AMENDMENT
TO
ISANTI AREA JOINT OPERATING FIRE DISTRICT
JOINT POWERS AGREEMENT

THIS AGREEMENT, effective November 19, 2014, is by and between the CITY OF ISANTI, Isanti County, Minnesota, (hereinafter referred to as the "City"), and the TOWNSHIPS OF ATHENS, BRADFORD, ISANTI, OXFORD, SPENCER BROOK and STANFORD (hereinafter collectively referred to as the Towns), all located within Isanti County, Minnesota,

WITNESSETH:

WHEREAS, the Towns and the City are parties to the Isanti Area Joint Operating Fire District (the "Fire District") pursuant to a Joint Powers Agreement dated December 28, 2005, as amended by First Amendment dated September 21, 2011, and by Second Amendment dated December 19, 2012 (collectively, the "Joint Powers Agreement"); and

WHEREAS, the parties have found it necessary to amend the Joint Powers Agreement to clarify the entity responsible for satisfying the obligations to the Firefighters' Relief Association established for the firefighters of the Fire District pursuant to Minnesota Statutes, Chapters 69 and 424A.

NOW, THEREFORE, it is hereby agreed by and between the parties hereto that the Joint Powers Agreement is amended by adding the following Paragraph D to Article III of the Joint Powers Agreement:

D. The parties hereto recognize and agree that, for the purposes of Minnesota Statutes, Chapters 69 and 424A, and such other laws as may apply, the Fire District is the entity responsible for satisfying the minimum obligation for the Firefighters Relief Association established for the firefighters of the Fire District. The joint board established for the Fire District shall serve as the governing body for all purposes under Minnesota Statutes, Chapters 69 and 424A, including, but not limited to, receiving the certification of the financial requirements of the special fund as required by Minnesota Statutes, Section 424A.092, Subdivision 4, and considering and acting on requests for municipal ratification of By-Law amendments to the extent ratification is required by Minnesota Statutes, Section 424A.092, Subdivision 6, or by any other applicable law. No party to this Agreement shall in any way be individually responsible for any obligation to the Firefighters' Relief Association, beyond paying its respective share of the financial obligations of the Fire District as provided in the Joint Powers Agreement.

All of the other terms and condition of the Joint Powers Agreement shall remain the same.

IN TESTIMONY WHEREOF, the parties to this Agreement have hereunto set their hands on the dates set forth below.

Request for City Council Action- MEMO

To. **Mayor Johnson and Members of City Council**

From: Jaden Strand, City Clerk

Date: March 2, 2021

Subject: Liquor License and Pawnshop License Renewals

Background:
City Council approved waiving liquor and pawnshop renewal fees for the year 2021 for businesses that held a license in 2020 at the January 5th, 2021 City Council meeting.

Prior to being brought to City Council for consideration of a Liquor License renewal and Pawnshop renewal, all Liquor License and Pawnshop applications are reviewed for completeness, the license applicants undergo a background check by the Police Department, taxes and assessments are reviewed against the licensed property to make sure they are current; fees owed to the City are checked to ensure there are no delinquent fees. Staff has reviewed completed applications and each applicant has met the requirements outlined in City Code.

The following license holders have submitted complete applications, and through review, have been recommended to proceed forward to the City Council for consideration for renewal of their liquor license and pawnshop license at this time:

- Junction Bowl and Whistle Stop Bar and Grill
- Rum River VFW 2735
- Wintergreens Golf & Grill
- Thunder Brothers Brewery, Inc.
- Patlok Design, Inc DBA Sanbrook Golf Course
- Northern Pawn, Inc.

Request:
- Staff is requesting City Council action on this item.

RESOLUTION 2021-XXX

APPROVING THE ON-SALE AND SUNDAY LIQUOR LICENSE RENEWAL FOR JUNCTION BOWL AND WHISTLE STOP BAR AND GRILL

WHEREAS, Junction Bowl and Whistle Stop Bar and Grill's On-Sale and Sunday Liquor License will expire on March 31, 2021; and,

WHEREAS, the applicant has completed the renewal application from the State of Minnesota and submitted proof of liquor liability and workers' compensation insurance; and,

WHEREAS, all taxes and assessments against the property are current; and,

WHEREAS, the applicant has no delinquent City fees; and,

WHEREAS, the applicant has passed a police activity review; and,

WHEREAS, the Police Department has reviewed the renewal application and that the applicant has not been cited for any state/local liquor law violations;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, that:

1. Junction Bowl and Whistle Stop Bar and Grill's On-Sale and Sunday Liquor License Renewal is approved.
2. The effective date of the On-Sale and Sunday Liquor License shall be April 1, 2021 through March 31, 2022.
3. Staff shall forward all necessary information to the State of Minnesota to complete the liquor license process.

This Resolution is hereby approved by the Isanti City Council this 2nd day of March 2021.

Attest: Mayor Jeff Johnson

Jaden Strand
City Clerk

RESOLUTION 2021-XXX

APPROVING THE ON-SALE AND SUNDAY LIQUOR LICENSE RENEWAL FOR RUM RIVER VFW 2735

WHEREAS, Rum River's VFW Post 2735 On-Sale and Sunday Liquor License will expire on March 31, 2021; and,

WHEREAS, the applicant has completed the renewal application for the City of Isanti and for the State of Minnesota and provided proof of liquor liability and workers' compensation insurance; and,

WHEREAS, all tax assessments against the property are current; and,

WHEREAS, the applicant has no delinquent City fees; and,

WHEREAS, the applicant has passed a police activity review; and,

WHEREAS, the Police Department has reviewed the renewal application and that the applicant has not been cited for any state/local liquor law violations;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, that:

1. Rum River's VFW Post 2735 On-Sale and Sunday Liquor License Renewal is approved.
2. The effective date of the On-Sale and Sunday Liquor License shall be April 1, 2021 through March 31, 2022.
3. Staff shall forward all necessary information to the State of Minnesota to complete the liquor license process.

This Resolution is hereby approved by the Isanti City Council this 2nd day of March 2021.

RESOLUTION 2021-XXX

APPROVING THE PAWNSHOP LICENSE RENEWAL FOR NORTHERN PAWN, INC.

WHEREAS, the City has received an application for renewal of a Pawnshop License from Joe Niles, Northern Pawn, Inc. for the operation of a pawnshop at 303 Credit Union Drive Suite 9; and,

WHEREAS, all City fees are current and the required license fee and bond have been received; and,

WHEREAS, all taxes assessments against the property are current; and,

WHEREAS, the Isanti Police Department has conducted a background check on the applicant for the pawnshop license and found no reason to deny the renewal of the license; and,

WHEREAS, the City has not received any information to preclude the issuance of the pawnshop license to the applicant;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota as follows:

1. That the City hereby authorizes the issuance of a Pawnshop License to Joe Niles, Northern Pawn, Inc. to operate a pawnshop at 303 Credit Union Drive, Suite 9, Isanti MN 55040 for a license period from April 1, 2021 to March 31, 2022.
2. The transaction fee shall be subject to the current fee that is set by the City Council within the Fee Schedule.
3. The license shall be subject to all conditions as provided within City Code Chapter 233.
4. That the Mayor and City Clerk are hereby authorized to sign all required documents to provide for the issuance of the pawnshop license.

This Resolution is hereby approved by the Isanti City Council this 2nd day of March 2021.

MEMO for Council

To: **Mayor Johnson and Members of the City Council**
From: Josi Wood, City Administrator
Date: March 2, 2021
Subject: Resolution Approving Goals and Organizational Chart for 2021

Background:
It has been the City Council's practice to conduct an annual goal setting session to balance workload and demand with available resources. The purpose of a goal setting session is to develop consensus to determine top priorities for the year and beyond. Council held their annual goal setting meeting on January 19, 2021.

Staff has outlined goals shared by Council at that meeting, including further discussions on items at Committee of the Whole, and continued long-term goals.

Attachment:
- Resolution 2021-XXX

RESOLUTION 2021-XXX

APPROVING GOALS AND ORGANIZATIONAL CHART FOR 2021

WHEREAS, annually the City Council sets goals for the current year; and,

WHEREAS, City Council met on January 19, 2021 to establish goals for year 2021; and,

WHEREAS, goals for year 2021 were established and outlined per 'Exhibit A'; and,

WHEREAS, the organizational chart for current and future City Staff is outlined per 'Exhibit B';

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to approve 2021 goals per 'Exhibit A' and organizational chart per 'Exhibit B'.

This resolution was duly adopted by the Isanti City Council this 2nd day of March 2021.

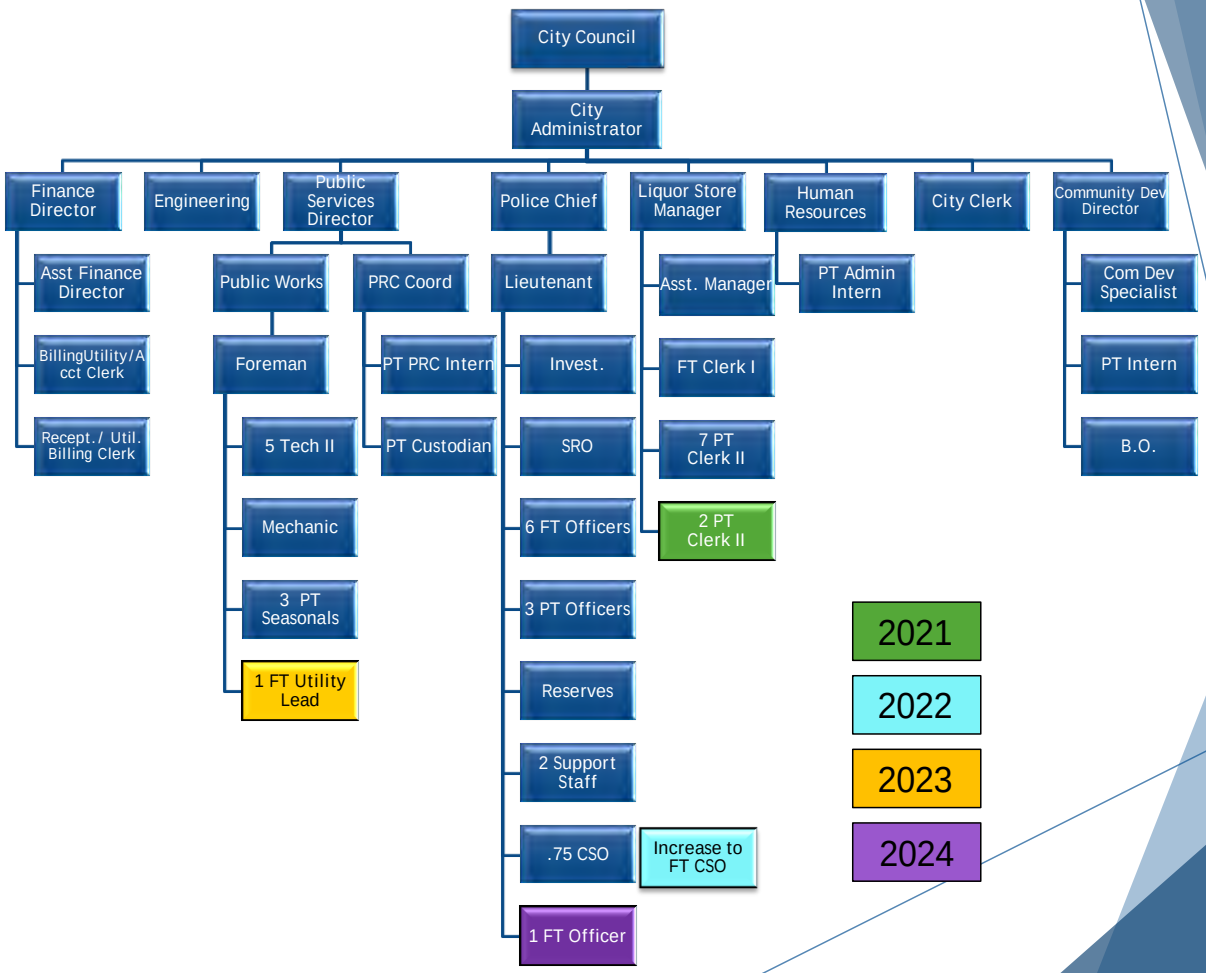
'EXHIBIT A'



2021 Isanti City Council Goals

- Community Involvement - Holiday Lighting Display and Lighting Awards
  - This item was further discussed at Committee of the Whole and will be reviewed for community participation through donation/sponsoring. It will be further discussed for implementation in 2022.
- Lighting and Snow Making at the Sledding Hill
  - Staff will look for options for a snow making device with current 2021 funds within PRC. Lighting will be addressed when the amphitheater is discussed.
- Speed Limit Reduction
  - Staff has purchased a speed sign to monitor speeds as well as collect data for future discussions.
- Smart Irrigation Reimbursement Program
  - This item will be discussed further at 2022 budget workshop(s).
- Senior Housing
  - Council is supportive of senior/ assisted living facilities to build and grow within the City. This includes being supportive of available business incentives.
- Heritage/ East Dual Intersection
  - Staff will continue to work with the County to achieve a controlled intersection.
- Reducing Overall Budget
  - Staff will continue to bring forwards options that have the least impact on the budget and work to minimize debt.
- Business Marketing/ Acquiring Businesses
  - Staff will continue to market the City of Isanti, strive for adding new businesses and retaining the fantastic businesses that are currently here.
- City Organizational Chart
  - Council supports the organizational structure of City Staff (Exhibit B).
- New Municipal Liquor Store
  - Planning, construction and scheduled opening for November, 2021.

Memo for Council

To: **Mayor Johnson and Members of the City Council**
From: Josi Wood, City Administrator
Date: March 2, 2021
Subject: Resolution Adopting Public Use of Chambers Conference Room Policy

---

Occasionally staff get contacted in regards to renting out space for gatherings, meetings and other miscellaneous purposes. It has been determined an updated Municipal Conference Room Policy was necessary, as Resolution 2008-012 was outdated.

Staff has included additional language including requirements for damage deposit and updated tobacco use to the policy.

The policy draft was reviewed by Committee of the Whole and was recommended for approval.

Request:
Staff is requesting discussion on this item.

Attachment:
- Resolution 2021-XXX Adopting Public Use of Municipal Conference Rooms Policy

RESOLUTION 2021 – XXX

ADOPTING PUBLIC USE OF COUNCIL CHAMBERS POLICY

WHEREAS, the City of Isanti finds it is in the best interest for the public to have a facility available to conduct public business; and,

WHEREAS, the City Council recognizes that a policy is necessary to promote orderly and appropriate use of this public facility space; and,

WHEREAS, this resolution revised and supersedes resolution 2008-012;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to adopt the policy that provides for the public use of the Council Chambers and procedures thereof that is hereby attached as 'Exhibit A' and made a part of this resolution.

This resolution was duly adopted by the Isanti City Council this 2nd day of March 2021.

_____
Mayor Jeff Johnson

Attest:

Jaden Strand
City Clerk

'Exhibit A'

CITY OF ISANTI

PUBLIC USE OF COUNCIL CHAMBERS MEETING ROOM
-POLICY AND PROCEDURES-

PURPOSE

The intent of this policy is to provide regulation on the use of the City Hall Chambers meeting room for public meeting purposes. Use of the room must largely consist of Isanti residents or whose purpose is to provide services to Isanti residents.

The City Hall Chamber's room cannot be used for commercial or political enterprise, religious organizations conducting activities, or any profit-making endeavors.

ROOM RESERVATION

City Council, official City Boards and Commissions, or other organizations whose meetings are conducted on behalf of the City will have priority use of the Chambers meeting room

Please note the City reserves the right to cancel/ deny any and all reservations without providing any other accommodations in the event the Chambers meeting room is needed for municipal government purposes. In the event of a change in availability, staff will make every effort to accommodate the organization by scheduling a different time or facility.

The City Hall Chambers room is available for meeting reservations Monday through Friday from 8:00 a.m. – 4:30 p.m. and not available on weekends or Holidays. The cost for reservations is of no charge. A $100 refundable damage deposit will be required when making a reservation.

Requests for Chamber reservations must be made in writing and received at least one (1) or more days prior to the meeting. The reservation is not confirmed unless a confirmation is received from the City Administrator or City Clerk. Scheduling of room reservations will be on a first-come first-serve basis. Staff can assist with the setup of City equipment in the Council Chambers if approved by the City Administrator.

Council Chambers
Max Capacity: 111 people

COUNCIL CHAMBERS MEETING ROOM RULES AND REGULATIONS

A. The City of Isanti observes and supports the Minnesota Clean Indoor Air Act. All City buildings, are designated as tobacco free, meaning that smoking in any form (through the use of tobacco products such as pipes, cigars, and cigarettes) and form of "vaping" with e-cigarettes (without regard to the presence of nicotine) is prohibited while inside City Hall.

B. The use of intoxicating liquor and non-intoxicating malt liquor beverages are prohibited.

C. The City assumes no liability for loss, damage, injury or illness incurred by the users of the facility.

D. Noise must be controlled to a limited area. Children must be under the direct supervision of an adult at all times.

E. Signs may not be pinned, taped, or otherwise affixed to the walls, ceiling or windows.

F. Approval from City Administrator is required for permitted use of food or drink in Council Chambers.

G. Approval from City Administrator is required for use of City's equipment. Staff will assist with the setup of City's equipment in the Council Chambers if granted permission.

H. The person/organization reserving the room is responsible for disposing of any garbage from the meeting and leaving the space in a clean and orderly fashion which may include vacuuming. If the room/surrounding area is left in uncleaned or in disarray, or damage occurs during use, the person/organization reserving the room can and will be held responsible for damages and will lose the privilege to use the meeting rooms. Costs incurred from any damage will be deducted from the damage deposit.

I. Chamber's room may be rearranged, but must be returned to original layout after use.

J. All persons/organizations must comply with the room reservations hours of 8:00 a.m. to 4:30 p.m. Meetings outside of these hours must be approved by City Council.

Date: March 2, 2021

Subject: Cleaning Services- Request for Proposals

Background:
The City's contract with its current cleaning service provider is expiring; to make sure the City is getting the best cost for services it is recommended to go out for proposals for cleaning services. Staff has prepared a request for proposals (RFP) for this service that outlines needs and specifications.

Request:
- Staff is requesting City Council action on this item.

Attachment:
- RFP for Cleaning Services

CITY OF ISANTI

REQUEST FOR PROPOSALS

CLEANING SERVICES

Proposals Due: **April 9th, 2021 at 4:30 p.m.**

I. INTRODUCTION

This request has been prepared by the City of Isanti to retain cleaning services from a qualified business. The awarded vendor is subject to a background investigation. Cleaning must take place in the evening after hours or on weekends.

The primary objective of requesting proposals is for the City to determine which parties can offer the highest quality of service at the most reasonable cost.

II. INSTRUCTIONS FOR PROPOSERS

A. The City will accept electronic or written proposals. Responses must clearly address all of the items listed in this request for proposal. Parties choosing to submit a written proposal please submit to:

Jaden Strand
City Clerk
City of Isanti
110 1st Ave NW P.O. Box 428
Isanti, MN 55040

Electronic proposal submissions are to be attached to an email with the subject line "Proposal for Cleaning Services" Questions or request for clarification may be directed to Jaden Strand, City Clerk by phone at (763) 762-5759 or via email at JStrand@cityofisanti.us.

B. **All proposals must be received no later than 4:30 pm on April 9th, 2021**. Any vendors submitting proposals after the date and time listed above are not guaranteed consideration. Proposals submitted should be clearly labelled "Proposal for Cleaning Services".

REQUEST FOR PROPOSALS FOR CLEANING SERVICES

The City of Isanti is accepting proposals for a two (2) year contract for cleaning services for City facilities. Specifications are available upon request from the City Clerk's Office at Isanti City Hall or online at www.cityofisanti.us. The City Council reserves the authority to waive irregularities, accept or reject any/or all proposals, and award in the best interest of the City. Proposals can be submitted via email to JStrand@cityofisanti.us or addressed to Jaden Strand at 110 - 1st Avenue NW, PO Box 428, Isanti MN 55040. All proposals submitted must be clearly marked as "Proposal for Cleaning Services" and will be accepted until 4:30 p.m. on April 9th, 2021.

Request for City Council Action

To: **Mayor Johnson and Members City Council**
From: John Jacobi, Liquor Store Manager
Date: March 2, 2021
Subject: Consider Resolution Approving Card Connect Payment Services Proposal for Credit Card Processing Services

---

Background:
On February 16th COW meeting options were presented regarding a change in processing credit cards (currently Heartland) switching to Card Connect. Saving the City anywhere between $248.67 per month to approximately $2,984.04 per year.

Fees break down as follows:

- Interchange fees paid to Visa/MasterCard/AmEx would remain unchanged as they are the same with both processors.
- Processing Fees would be 0.15% and .04 per transaction with Card Connect.
- The main difference is the elimination of PCI compliance fees of $125 and add on fees totaling an average of $123.67 (or $248.67) per month.
- Card Connect will also guarantee not to raise rates based on volume changes but will lower rates if volume increases to a sufficient predetermined threshold.
- Card Connect will swap out our current terminals for new ones at $450 each.
- Add two stand-alone terminals that work on standard phone line or internet wi-fi at $185 each.
- Using one terminal to process online orders before opening the new liquor store.
- No setup fees from new credit card processor and no cancellation fee.

- Resolution 2021-XXX Approving Card Connect Payment Services Proposal for Credit Card Processing Services
- Proposal

RESOLUTION 2021-XXX

APPROVING CARD CONNECT PAYMENT SERVICES PROPOSAL FOR CREDIT CARD PROCESSING SERVICES

WHEREAS, the current credit card processing service provider for the City of Isanti Municipal Liquor Store can no longer meet the needs of the City; and,

WHEREAS, Card Connect Payment Services has submitted a satisfactory proposal; and,

WHEREAS, Funding is identified within fund 609-49750-438 in the current budget;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota hereby accepts Card Connect Payment Services' proposal for credit card processing services and authorizes City staff to enter into an agreement with Card Connect Payment Services.

This Resolution is hereby approved by the Isanti City Council this 2nd day of March 2021.

Attest: Mayor Jeff Johnson

Jaden Strand
City Clerk

Isanti Liquor - Credit Card Processing Proposal

2 Lane 3000 card readers - $450.00 each

Or

2 Lane 5000 card readers - $550.00 each – Touch Screen

2 standalone terminals (work on phone or internet) - $185.00 each

No setup fees from credit card processor

No cancellation fee

Savings if average of $248.67 = $2984.04 for year.*

*(smaller months – smaller savings - larger volume months such as summer or December – larger savings for the month)

PCI Compliance – I can do for you after you install.
If it does not get done – you would pay $29.95 per month vs $125.00 per month you would pay with current company.

Marilyn Snyder
Card Connect

I. Council Committee Reports
Councilor Lundeen shared that the Fire Board went over the Lease Purchase Agreement at the last Fire District meeting and there has been a conclusion met and it is on the agenda for tonight.

J. Public Hearings
None

K. Business Items

1. Isanti Area Joint Fire District Annual Report Presentation *(Fire Chief Al Jankovich)*
Fire Chief Al Jankovich presented the annual report. Highlights of the presentation included an accumulative 187 years of service with an average of 7 years of service across all of the members, 468 total runs in the City of Isanti in 2020, new fire engine was received in August 2020 and the budget for 2020 was $632,785.00.

Councilor Lundeen stated that majority of the runs in the City are medical runs.

Lundeen asked how the Joint Powers Agreement is coming along.

Chief Jankovich stated that it is stuck where a large majority of the fire board is in favor of the Joint Powers Agreement Amendment (JPA) but there is contest and the way the JPA is written, a unanimous decision needs to be among all 7 entities in order to amend or change the agreement.

City Administrator Josi Wood

2. Consideration of the Lease Purchase Agreement Between the City of Isanti and IAJOFD
City Administrator Josi Wood shared discussions to sell the Police Department to the Fire District began in October. The Fire District voted to approve this agreement that is within the packet. It includes an agreed upon price to purchase the facility from the City of Isanti for $600,000 total to be paid in increments over the next 5 years beginning this year.

Councilor Lundeen asked if the Fire District is still paying a lease as well.

Wood stated that it will be coming to Committee of the Whole for discussion on what to do. Currently, the rental lease between the City and the Fire District had changed in 2016 or so from $1 for rent to a fair market value approximately $32,000. The Fire District was not billed that in 2020 because of the language in the Joint Powers Agreement that was being discussed with the other amendments. With the Joint Powers Agreement on hold, Wood recommended that she and Fire Chief Al Jankovich work together to draft a Joint Powers Agreement with the language change for rent to be $1.

Wood stated that the Lease Purchase Agreement is through 2025 and at that time or before the Police Department will have vacated the facility to move to a newly remodeled Police Department which is known right now as the Liquor Store.

Motion by Lundeen, second by Collison to approve Leave Agreement as presented. Motion passed 5-0. Motion carried.

3. **Ordinance-754** Amending City Code, Chapter 160; Fees
City Administrator Josi Wood shared that at the last Committee of the Whole meeting there was discussion on the background investigation fee and the cost for food trucks

within the City of Isanti. The recommendation from the Committee was to reduce the investigation fee to $35 and the food truck fees $10 per day, $50 per month and $130 yearly. Those changes are reflected in Chapter 160; Fees.

Motion by Lundeen, second by Gordon to approve Ordinance as presented. Motion passed 5-0. Motion carried.

4. Liquor License and Pawnshop Renewals
    a. **Resolution 2021-037** Approving the On-Sale and Sunday Liquor License Renewal for Junction Bowl and Whistle Stop Bar & Grill
    b. **Resolution 2021-038** Approving the On-Sale and Sunday Liquor License Renewal for Rum River VFW 2735
    c. **Resolution 2021-039** Approving the On-Sale and Sunday Liquor License Renewal for Wintergreen's Golf & Grill
    d. **Resolution 2021-040** Approving the Brewer Off-Sale and Tap Room On-Sale Sunday Renewal for Thunder Brothers Brewery, Inc.
    e. **Resolution 2021-041** Approving the On-Sale 3.2 Percent Malt Liquor License Renewal for Patlok Design, Inc. DBA Sanbrook Golf Course
    f. **Resolution 2021-042** Approving the Pawnshop License Renewal for Northern Pawn, Inc.

    City Administrator Josi Wood shared that as discussed at the January 5th City Council meeting, these are renewal licenses so the fees have been waived for all of them.

    Motion by Lundeen to approve K.4 a. through K.4 f, seconded by Collison. Motion passed 5-0. Motion carried.

5. **Resolution 2021-042** Approving Goals and Organizational Chart for 2021

    City Administrator Josi Wood shared that annually a goal setting session is held which outlines priorities and goals for City Council for the upcoming year and years beyond. It helps staff balance workload and demand of available resources. Those discussions from that meeting also carrying into Committee meetings. The Goals include:

    - Community Involvement-Holiday Lighting
    - Lighting and Snow Making at the Sledding Hill
    - Speed Limit Reduction
    - Smart Irrigation Reimbursement Program
    - Senior Housing
    - Heritage/ East Dual Intersection
    - Reducing Overall Budget
    - Business Marketing/ Acquiring Businesses
    - City Organizational Chart
    - New Municipal Liquor Store

    Motion by Lundeen, second by Collison to approve resolution as presented. Motion passed 5-0. Motion carried.

    Mayor Johnson asked City Engineer Jason Cook how the studies are going.

City Engineer Jason Cook shared that the studies are just getting underway. Survey for Main Street just finished and the report will be shared at the next council meeting. Cook further shared that the Eagle Park and Heritage Walk report will be shared at the following council meeting.

L. Approve Consent Agenda

1. Payroll in the Amount of $107,004.66 Accounts Payable in the Amount of $218,488.45
2. **Resolution 2021-043** Adopting Public Use of Chambers Conference Room Policy
3. Approving Request for Proposal for Cleaning Services
4. **Resolution 2021-044** Approving Card Connect Payment Services Proposal for Credit Card Processing Services

CITY OF ISANTI
PARKS, RECREATION, AND CULTURE BOARD MEETING MINUTES
November 24, 2020

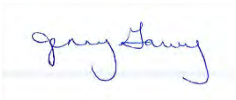
Call to Order: Aaron Zdon - Chair called the meeting to order at 6:00 p.m.

Roll Call: Members Present: James Witte, Aaron Zdon, Council Member Jimmy Gordon, Michael Becker
Staff Present: Jenny Garvey - Parks, Recreation and Culture Manager

Motion to approve the agenda motioned by Witte, seconded by Becker with no modifications. Motion passed 4-0

2. Meeting Minutes: Motion by Witte; second by Becker to approve meeting Minutes from October 27, 2020. Motion passed 4-0.

3. Public Hearing: None



4. Isanti Family Farmer's Market and Community Garden Updates – Garvey reviewed that the 2021 Isanti Family Farmer's Market rules and regulations, as well as the 2021 Community Garden rules and regulations is attached for their review and that staff has no changes for either of these items. Zdon asked if any members had anything to add. Witte reviewed that he had reviewed the documents and didn't have any changes to note. Becker added it looks good and Gordon added that we didn't have any complaints from the vendors. Garvey responded that the IFFM vendors were satisfied and that both IFFM and gardeners were very happy that we were able to continue with these areas for the 2020 season. Witte asked if there were any abandoned plots this year. Garvey noted that we had a couple that were not attended too and staff has had communicated with them. Motion to accept these two documents as is. Witte motioned; Becker seconded. Motion passed 4-0.

5. Department Purchases- Garvey explained that staff was able to purchase the following items for 2020 budget, inclusive swing for Rum River Meadows Park, additional replacement belt swings, a hopscotch stencil and a pressure washer for ICC and BMX bathrooms cleaning. The inclusive swing is in response to a resident request for an additional one.

6. Department Updates- Garvey reviewed the department has had to cancel several events due to the COVID 19 pandemic surrounding us, including some upcoming events. Curious Creatures was cancelled for November 10 and December 8. Movie Night for November 6 and December 11 along with the Santa event. The community center is temporarily closed, with the exception to Lions Christmas Project and Sr Dining, as these can continue under the new executive order. The Candy Cane Flashlight hunt for December 13 and the grand opening of the sledding hill for December 16 are on as planned. If things would change staff would alert the public, council and the board of any changes via Facebook or the city website. Public Works will continue to prep and prepare the pleasure rink for use this winter. The sledding hill will be able to remain open for use when we have snow. The rules sign was posted November 18th. Witte inquired about the time of the grand opening, which is at 3:30 for Dec 16th. Witte inquired about the Santa event and ideas of Santa reading or via zoom and maybe something for the future and not necessarily for this year. Garvey replied that she has been brainstorming ideas as well to see if this would be possible. Gordon notd that the Santa may be less expensive as this would be a different format that what was previously set. Garvey added that she has not got in touch with the contracted company as of yet to inquire

about the cancellation of the event and the perimeters within the contract, which may have to be that we postpone the Santa for next year. Zdon asked if there was anything further. Zdon noted that he has heard people are excited that the sledding hill is here and is it being utilized.

Adjournment: Motion by Witte, second by Becker to adjourn the November 24, 2020 meeting of the Parks, Recreation and Culture Board. Motion passed 4-0, meeting adjourned at 6:14 p.m.

Respectfully Submitted

Minnesota Board of Water & Soil Resources

CLEAN WATER LAND & LEGACY AMENDMENT

DEPARTMENT OF NATURAL RESOURCES

Minnesota Pollution Control Agency

MS4 Annual Report, 2020

- Due June 30, 2021
- Part of the MS4 Permit Requirement
- 5 Illicit Discharges in 2020

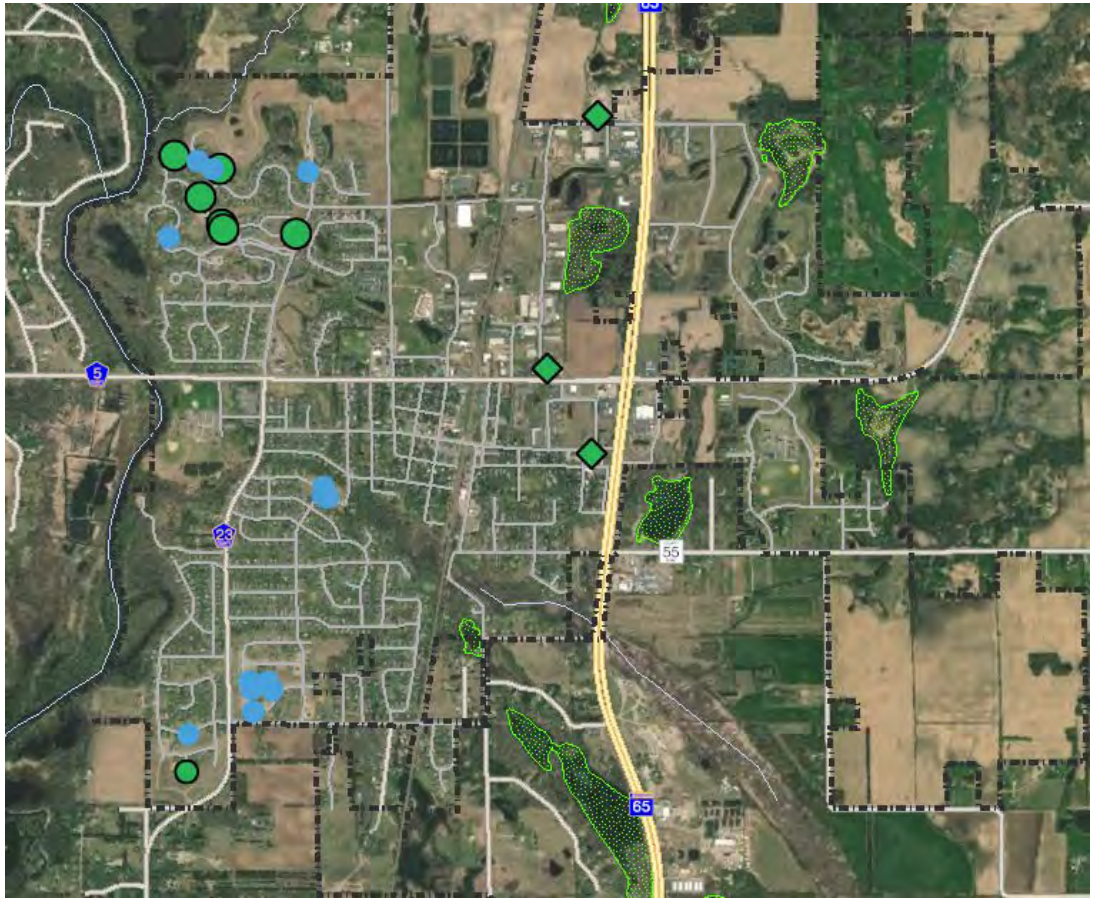
Minimum Control Measures (MCM)

Stormwater Pollution Prevention Plan (SWPPP) includes:

1. Public Education and Outreach
2. Public Participation
3. Elimination of illicit discharges to the storm sewer system
4. Construction-site runoff controls
5. Post Construction runoff controls
6. Pollution Prevention and municipal “good housekeeping”

Public Education and Participation (MCM 1&2)

- Rain Garden Incentive Program
  - Provides a 50% reimbursement, up to $500 of the cost to residents for rain garden projects.
  - Guidance and Education Provided by Isanti SWCD
  - Cooperation with Parks and Recreation
  - Isanti Indoor arena Rain Garden
- Isantian newsletter articles
- Resources on city website for municipal stormwater education



Elimination of illicit discharges to the storm sewer system (MCM 3)

- Illicit discharge Reporting for residents available on City of Isanti Website
- Illicit Discharge response procedure
- Covered under ordinance 670 – Storm Water

Construction Site Runoff Controls (MCM 4)

- Site Inspection Checklist
  - Developed and maintained by Community Development Specialist, minimum inspection period is every 7 days
  - Procedure and checklist developed
  - Priority site list procedure developed

Post-Construction Stormwater Management (MCM 5)

- Developed written procedures for site plan reviews prior to the start of construction activity
- Tracked and enforced erosion control procedures
- Civil Penalties for violation under developed
- Enforcement and Response Procedure (ERP) implemented

Pollution Prevention/Good Housekeeping (MCM 6)

- Prepare a Facilities Inventory
- Identify Current Stormwater Practices
- Implement a written good housekeeping procedure

Future Work

- Continue Implementation and improvement of SWPPP
  - Implementation of Enforcement Response Procedures Document (ERP)
- Sub watershed Assessment Grants for future City Projects
  - Partnering with Bolton-Menk and Isanti SWCD
- Partnership with Bolton – Menk
  - Legacy Pines
  - Heritage Estates
  - Fairway Greens
  - Consultation

Questions?

A Community For Generations.

Isanti

Request for City Council Action

To: Mayor Johnson and Members of City Council
From: Sheila Sellman, Community Development Director
Date: March 16, 2021
Subject: Resolution 2021-XXX approving the site plan for a liquor store located at 10 6th Avenue SE

Background:
The City is requesting site plan approval for a new 12,710 square foot liquor store at 10 6th Ave SE. The Planning Commission held a public hearing on March 2, 2021. No one from the public was present at the public hearing for this item. The Planning Commission recommends approval 6-0.

Analysis of Application: The site plan for the liquor store will be following the requirements for the B-2, General Business District.

Purpose
"This district is designed and intended to promote the development of commercial uses which are predominantly auto-oriented in nature. The district caters to highway-oriented businesses as well as to businesses that provide basic shopping and service needs to the community. When designing a commercial site within the General Business District, compatibility with adjacent uses and buildings is required within the district, as site design, building size and materials, and screening / landscaping are important when creating and maintaining a thriving commercial base".

Setbacks
The following minimum requirements shall be observed in the General Business District; subject to additional requirements, exceptions, and modifications as set forth within this Ordinance:

Setbacks and Height Restrictions – Principal Building.

Minimum Front Yard Setback	30 feet
Minimum Side Yard Setback	15 feet
Minimum Street Side Yard Setback	20 feet
Minimum Rear Yard Setback	15 feet
Maximum Building Height	Three (3) stories or forty-five (45) feet, whichever is less.

As proposed the building meets or exceeds the minimum setback requirements.

Exterior Building Materials
The exterior wall finishes on any building shall be comprised of one or more of the following materials:

1. Face brick.
2. Natural stone.
3. Glass.

4. Decorative concrete block as approved by the City Council.
5. Specifically designed pre-cast concrete units; if the surfaces have been integrally treated with an applied decorative material or texture.
6. Masonry stucco.
7. Other comparable or superior material as recommended by the Planning Commission and approved by the City Council.

The building is comprised of LP Smart Siding -Lap Siding, LP Smart Siding- Stucco Panel, Architectural block, Brick, Rock Face CMU, Composite Deck Board, and a standing seam metal roof. The building has combined materials to make a visually pleasing design. Two or more of the materials have been used that are required and other comparable materials are also used.

Parking and Driveways

Parking lots and drive aisles shall be setback a minimum of 10 feet from front, rear, and side yards. *As proposed the site plan meets this requirement.* Retail uses require a minimum of one parking space per 250 square feet of gross floor area. *The building is 12,710 square feet when removing storage and delivery areas, the floor area used to determine parking is 10,430 square feet; which requires 41 parking spaces. The site plan provides 26 regular parking stalls, 6 drive up stalls and 12 trailer parking stalls for a total of 44 parking stalls, 3 of which are accessible.*

Mechanical Equipment

Mechanical equipment shall be screened from the public right-of-way and from adjacent residential properties. Screening shall be compatible with the principal building. *Mechanical equipment will be on the east side of the building (back side) it will be screened from the public right-of-way. The property to the east is not developed but a fence along that side of the building will act as screening.*

Trash Dumpsters and Garbage Receptacles Required

Trash dumpsters and garbage receptacles shall be screened from all lot lines and public roadways. The screening devices shall be designed so that they are architecturally harmonious with the principal structures on the site. *The proposed trash enclosure matches the building and will be built with the same materials.*

Lighting

All uses shall comply with the following standards except as otherwise provided in this section:

1. Lighting fixtures shall be effectively shielded and arranged so as not to shine directly on any residential property. Lighting fixtures not of a cutoff type shall be subject to the following:
    a. Maximum initial lumens generated by each fixture shall not exceed two thousand (2,000) lumens (equivalent to a one hundred fifty (150) watt incandescent bulb).
    b. Mounting heights of such fixtures shall not exceed fifteen (15) feet.
2. Lighting shall not create a sensation of brightness that is substantially greater than ambient lighting conditions so as to create annoyance, discomfort, or decreased visual performance or visibility.
3. Lighting shall not directly or indirectly cause illumination or glare in excess of one-half (1/2) foot candle measured at the closest residential property line and five (5) foot-candles measured at the street curb line or non-residential property line nearest the light source.
4. Lighting shall not create a hazard for vehicular or pedestrian traffic.

5. Lighting of building facades or roofs shall be located, aimed, and shielded so that light is directed only onto the façade or roof.
6. Lighting shall be maintained stationary and constant in intensity and color, and not be of a flashing, moving, or intermittent type.
7. Business and industrial zoned property must light the trash enclosure areas for the safety of their employees.

The proposed lighting plan meets these requirements.

Landscape Requirements

All properties shall provide one tree per 5- feet of lot frontage. *The landscape plan provides 6 trees meeting the minimum planting size. The trees consist of three different species of shade trees.*
Sprinkler systems shall be provided as part of each new development for all landscaped areas, except those areas on the property that will be preserved in their natural state. *This requirement is met.*
All open areas of a lot which are not used or improved for required building areas, parking areas, building expansion areas, drives, sidewalks, storage, or similar hard surface materials shall be landscaped with a combination of sod, overstory trees, understory trees, shrubs, flowers, ground cover materials and/or other similar site design features or materials in a quantity acceptable to the City. *The landscape plan provides a mixture of trees, perennials, and ornamental grasses. Areas that are disturbed that are not landscaped will be either established lawn or maintained as natural areas.*

Staff Recommendation:
Staff recommends approval of the site plan with the following conditions:
1. Conditions in the City Engineer memo dated February 23, 2021 shall be met.

RESOLUTION 2021-XXX

APPROVING A SITE PLAN FOR A LIQUOR STORE AT 10 6TH AVE SE

WHEREAS, The City (applicant) has requested approval of site plans for a liquor store located at 10 6th Ave in the City of Isanti (PID 16.029.2100); and,

WHEREAS, the property is located within the "B-2" General Business District, retail is a permitted use; and,

WHEREAS, under Isanti Zoning Code Section 18, Subd. 2(A) the construction of a new building is required to obtain approval of the Site Plans/Building Appearance; and,

WHEREAS, the site plans meet the regulations set in Section 7, Article 2: "B-2 General Business District as; and,

WHEREAS, the proposed use for retail meets all of the General Performance Standards of the Zoning Ordinance; and,

WHEREAS, the City of Isanti Planning Commission conducted a public hearing on the proposed office building on March 2, 2021 and recommended approval; and,

WHEREAS, The Findings of Fact are included as Exhibit A of this resolution and are adopted upon approving this resolution; and,

WHEREAS, the City of Isanti City Council reviewed the requested Site Plans at its regularly scheduled meeting on March 16, 2021;

NOW, THEREFORE, IT IS HEREBY RESOLVED, by the City Council of the City of Isanti, Minnesota that the requested site plans for a liquor store located at 10 6th Ave SE, is hereby approved with the following conditions:

1) Conditions in the City Engineer memo dated February 23, 2021 shall be met.

This resolution was duly adopted by the Isanti City Council this 16th day of March 2021.

_____
Mayor Jeff Johnson

Attest:

_____
Jaden Strand
City Clerk

Exhibit A

FINDINGS OF FACT AND CONCLUSION

Request

Request from the City of Isanti for Site Plan Approval of a municipal liquor store located at 10 6th Ave SE PID 16.029.2100

Findings of Fact

1. The applicant City of Isanti, submitted an application for Site Plan Review of a liquor store located at 10 6th Ave SE, PID 16.029.2100
2. The property is zoned B-2, General Business District. In which, the use is permitted.
3. The proposed new use would meet the requirements as noted within the Zoning Ordinance for requiring site plan/building appearance approval prior to construction.
4. The applicant would appear to have met the requirements for approving the construction of a liquor store as stipulated in the zoning code.
5. A public hearing was held at the Planning Commission on March2, 2021.
6. Notice of the Site Plan Review request was published within the Isanti County News on February 18, 2021. Notices were sent to all property owners located within 350 feet of the subject property.

Conclusions

1. In review of the standards established in Section 18, Subdivision 7, the following conclusions have been made (*conclusions to each requirement are shown in underlined italics)*:
   - A. Consistency with the elements and objectives of the City's development guides, including the Comprehensive Plan.
     The proposal would appear to be consistent with the elements and objectives of the City's development guides and the Comprehensive Plan in that the space is adding retail space to a targeted area.
   - B. Consistency with City Codes.
     A review of the proposal against zoning ordinance requirement has been completed. The requirements would appear to have been met by the proposal as presented for the site plan review.
   - C. Preservation of the site in its natural state to the extent practicable by minimizing tree and soil removal and designing grade changes to be in keeping with the general appearance of neighboring developed or developing areas.
     The site will be preserved to the fullest extent possible. There are a minimal number of existing trees which are not significant or worth saving. However, trees will be added. The east side of the lot will remain in its natural state.
   - D. The amount and location of open space and landscaping.

The amount of landscaping will meet code and open space requirements will be met. Sod and irrigation are required on all disturbed areas of the lot, except where prairie/natural plantings are located.

E. Vehicular and pedestrian circulation, including walkways, interior drives, and parking in terms of location and number of access points to the public streets, width of interior drives and access points, general interior circulation, separation of pedestrian and vehicular traffic and arrangement and amount of parking.
Parking meets code requirements. In addition, some of the stalls are designed for trailer/boat parking which will complement the proposed use.

F. Protection of adjacent and neighboring properties through reasonable provision of surface water drainage, sound and light buffers, preservation of views, lights, and air and those aspects of design not adequately covered by other regulations which may have substantial effects on neighboring land uses.
The drainage/grading have been reviewed by the City Engineer. The proposed lighting meets code requirements and does not spill off of the property.

G. Consistency with the City's Engineering and Design standards as adopted by Resolution of the City Council.
The plans have been reviewed and approved by the City Engineer.

Decision

The Planning Commission reviewed the request in a public hearing on March 2, 2021. The meeting minutes, staff memo, and attachments shall be made a part of the Findings of Fact and Conclusion.

Planning Commission Recommendation:

Motion by Lundeen, second by Collison to recommend approval of the site plan as presented for a liquor store at 10 6th Ave SE, PID 16.029.2100 with the following conditions:

1. Conditions in the City Engineer memo dated February 23, 2021 shall be met

Motion carried unanimously 6-0.

MEMORANDUM

Date: February 23, 2021

To: Sheila Sellman, Community Development Director

From: Jason W. Cook, P.E.
City Engineer

Subject: Liquor Store Site Plan - Engineering Review
City of Isanti, MN
Project No.: 0R1.123019

We have reviewed the Site Plan entitled "Isanti Liquor Store" received on February 23, 2021 with a signature date of 2/23/2021. We have also reviewed the storm water analysis documents submitted with the site plan.

The project includes the construction of a new liquor store building, parking lot and storm water infiltration basin. The site plan includes 48 single car parking stalls, 12 trailer parking stalls, storm water treatment, sewer and water service extensions, a loading ramp, and site grading.

We have reviewed the submitted documents and have the following comments:

Site Plan:

1. No comments.

Storm Water Analysis:

2. No comments.

Permits (To be completed prior to construction):

1. NPDES - Construction Storm Water General Permit
    a. An erosion control permit will be needed prior to beginning construction.
2. Minnesota Department of Health - Watermain Extension Permit
    a. A watermain extension permit will be needed prior to beginning construction.
3. MPCA – Sanitary Sewer Extension Permit
    a. A sanitary sewer extension permit will be needed prior to beginning construction.

Permits shall be approved and in hand prior to beginning construction.

We recommend approval of the documents as submitted.

Bolton & Menk is an equal opportunity employer.

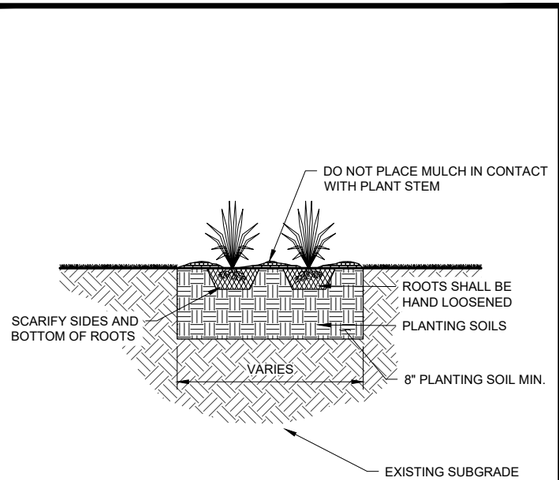
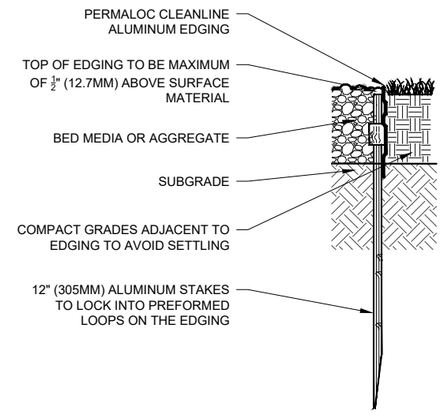
GENERAL NOTES



1. REMOVE ALL BURLAP FROM THE TOP OF ROOT BALL. REMOVE ALL GREEN TREATED BURLAP. REMOVE ALL PLANT IDENTIFICATION TAGS FROM ALL PLANT MATERIALS.
2. KEEP ALL PLANT MATERIALS MOIST AND SHADED UNTIL PLANTED.
3. FOR CONTAINER PLANTS: MAKE 4 TO 5 VERTICAL CUTS IN ROOT BALL AFTER PLANT HAS BEEN REMOVED. MAKE CUTS 1/2" DEEP. PLANT IMMEDIATELY.
4. SPREAD MULCH SO THAT IT IS NOT IN CONTACT WITH WOODY BASE OF PLANT.
5. MULCH AT BASE OF TREES 5'-0" DIAMETER RING WHERE TREES ARE LOCATED IN OPEN GRASS AREAS.
6. THESE NOTES ARE FOR GENERAL REFERENCE IN CONJUNCTION WITH DETAILS, ADDENDA AND CHANGE ORDERS ASSOCIATED WITH THE CONTRACT DOCUMENTS.
7. LANDSCAPE CONTRACTOR SHALL COORDINATE ALL WORK WITH OTHER TRADES PRIOR TO INSTALLATION.
8. LANDSCAPE CONTRACTOR SHALL BECOME FAMILIAR WITH THE LOCATION OF ALL EXISTING AND FUTURE UNDERGROUND SERVICES AND IMPROVEMENTS WHICH MAY CONFLICT WITH WORK TO BE DONE.
9. FINE GRADING AND EDGING SHALL BE APPROVED PRIOR TO PLANTING OPERATIONS.
10. PLANT MATERIAL SHALL NOT BE INSTALLED IN AN AREA WHICH WILL CAUSE HARM TO ADJACENT STRUCTURES. NOTIFY THE ARCHITECT SHOULD CONFLICTS ARISE.
11. UNLESS OTHERWISE NOTED, FINISH GRADE OF PLANTING AREAS SHALL BE 2" BELOW ADJACENT PAVING. TAPER 3" DEPTH MULCH TOP DRESSING TO 1/2" BELOW ADJACENT PAVING (1 1/2" DEPTH) WITHIN 2" OF PAVING.
12. ALL EXISTING TREES, SHRUBS, VINES AND GROUND COVERS TO REMAIN SHALL BE PROTECTED. ANY DAMAGE CAUSED BY CONTRACTOR'S WORK OR NEGLIGENCE SHALL BE REPLACED OR REPAIRED AT THE CONTRACTORS EXPENSE TO THE SATISFACTION OF THE OWNER.
13. LANDSCAPE CONTRACTOR SHALL ASSURE COMPLIANCE WITH APPLICABLE CODES AND REGULATIONS GOVERNING THE WORK AND MATERIALS SUPPLIED.
14. LANDSCAPE CONTRACTOR SHALL PROTECT EXISTING ROADS, CURB AND GUTTER, TRAILS, TREES, LAWNS AND SITE ELEMENTS DURING CONSTRUCTION. DAMAGE TO THESE ITEM SHALL BE REPAIRED AT NO COST TO OWNER.
15. UNDERGROUND SERVICES SHALL BE INSTALLED SO THAT TRENCHES DO NOT CUT THROUGH ROOT SYSTEMS OF EXISTING TREES TO REMAIN.
16. LANDSCAPE CONTRACTOR SHALL REVIEW THE SITE FOR DEFICIENCIES IN SITE CONDITIONS WHICH MIGHT NEGATIVELY AFFECT PLANT MATERIALS ESTABLISHMENT, SURVIVAL OR WARRANTY. UNDESIRABLE SITE CONDITIONS SHALL BE BROUGHT TO THE ATTENTION OF THE ARCHITECT PRIOR TO BEGINNING OF WORK.
17. LANDSCAPE CONTRACTOR IS RESPONSIBLE FOR ONGOING MAINTENANCE OF NEWLY INSTALLED MATERIALS UNTIL TIME OF SUBSTANTIAL COMPLETION. REPAIR OF ACTS OF VANDALISM OR DAMAGE WHICH MAY HAVE OCCURRED PRIOR TO SUBSTANTIAL COMPLETION SHALL BE THE RESPONSIBILITY OF THE CONTRACTOR.
18. EXISTING TREES OR SIGNIFICANT SHRUB MASSING FOUND ON SITE SHALL BE PROTECTED AND SAVED UNLESS NOTED TO BE REMOVED OR ARE LOCATED IN AN AREA TO BE GRADED. QUESTIONS REGARDING EXISTING PLANT MATERIALS SHALL BE BROUGHT TO THE ATTENTION OF THE ARCHITECT PRIOR TO REMOVAL.
19. EXISTING TREES TO REMAIN, UPON DIRECTION OF ARCHITECT, SHALL BE FERTILIZED AND PRUNED TO REMOVE DEAD WOOD, DAMAGED AND RUBBING BRANCHES.
20. SYMBOLS ON PLAN DRAWING TAKE PRECEDENCE OVER SCHEDULES IF DISCREPANCIES IN QUANTITIES EXIST. DETAILS TAKE PRECEDENCE OVER NOTES.
21. IT IS CONTRACTOR'S RESPONSIBILITY TO SALVAGE TREES INDICATED ON PLAN,VERIFY EXACT PLANT TYPE, KEEP MOIST AND IN GOOD CONDITION DURING CONSTRUCTION, AND REPLANT ACCORDING TO PLANTING PLAN.

PLANTING NOTES



1. LANDSCAPE CONTRACTOR SHALL LAY OUT PLANT MATERIAL PER PLAN AND FACE TO GIVE BEST APPEARANCE OR RELATION TO ADJACENT PLANTS, STRUCTURES OR VIEWS. CONTRACTOR TO OBTAIN APPROVAL FROM ARCHITECT PRIOR TO INSTALLATION.
2. PLANT LOCATIONS ARE DIAGRAMMATIC AND MAY BE ADJUSTED IN THE FIELD AT THE ARCHITECT'S REQUEST PRIOR TO INSTALLATION. OBTAIN APPROVAL OF PLANT LAYOUT FROM ARCHITECT PRIOR TO PLANTING.
3. MULCH AREAS IDENTIFIED ARE TO RECEIVE 3" OF BLACK RUBBERIZED MULCH OVER 4 OZ. WEED FABRIC, DEWITT "WEED BARRIER' OR APPROVED EQUAL.
4. ALL NEWLY PLANTED MATERIAL SHALL BE THOROUGHLY SOAKED WITH WATER WITHIN 3 HOURS OF PLANTING.
5. THIRTY DAYS AFTER PLANTING, CONTRACTOR SHALL RE-STAKE AND STRAIGHTEN TREES AS NECESSARY.
6. LANDSCAPE CONTRACTOR SHALL THOROUGHLY LOOSEN ANY COMPACTED SUBGRADES PRIOR TO PLACING TOPSOIL, TO A MINIMUM DEPTH OF 10". ROLL SUBGRADES TO PREVENT SETTLING.
7. CONTRACTOR WILL RE-USE EXISTING TOPSOIL FROM SITE AND BRING TO FINISH GRADE WITH 4" OF TOPSOIL IN ALL LAWN AREAS, AND 12" OF TOPSOIL IN ALL PLANTING BED NOT ADJACENT TO BUILDING.
8. LANDSCAPE CONTRACTOR SHALL REMOVE SOD, CONTAMINATED SOILS, MISCELLANEOUS WASTE MATERIALS FROM AREAS TO BE PLANTED AND SEEDED. CONTRACTOR SHALL LOOSEN COMPACTED SUBSOILS BY TILLING AND IMPORT NEW TOPSOIL AS REQUIRED TO RESTORE GRADES AND MAINTAIN POSITIVE DRAINAGE AWAY FROM THE BUILDING. VERIFY FINAL LIMITS OF AREAS WITH ARCHITECT PRIOR TO COMMENCING. OPERATIONS.
9. KEEP ALL PLANT MATERIALS MOIST AND SHADED UNTIL PLANTED.
10. NO PLANT MATERIAL SUBSTITUTIONS WILL BE ACCEPTED UNLESS APPROVAL IS GRANTED BY THE ARCHITECT TO THE LANDSCAPE CONTRACTOR PRIOR TO THE SUBMISSION OF BID.
11. PLANT MATERIALS TO BE INSTALLED PER PLANT DETAILS.
12. PLANT MATERIALS SHALL BE FERTILIZED UPON INSTALLATION WITH DRIED BONE MEAL, OR OTHER APPROVED FERTILIZER MIXED IN WITH THE PLANTING SOIL PER THE MANUFACTURER'S INSTRUCTIONS OR MAY BE TREATED FOR SUMMER AND FALL INSTALLATION WITH AN APPLICATION OF GRANULAR 10-0-5 OF 10 OZ. PER 2.5" CALIPER TREE AND 6 OZ. PER SHRUB.
13. PLANTING AREAS RECEIVING PERENNIALS SHALL RECEIVE A MINIMUM OF 18" DEPTH OF PLANTING SOIL CONSISTING OF 45 PARTS TOPSOIL, 45 PARTS SCREENED COMPOST AND 10 PARTS SAND.
14. PERENNIAL AND SHRUB BEDS ARE TO RECEIVE APPLICATION OF PRE - EMERGENT HERBICIDE (PREEN OR APPROVED EQUAL) FOLLOWED BY 3" DEEP MULCH.
15. LANDSCAPE CONTRACTOR SHALL WARRANTY NEW PLANT MATERIAL THROUGH ONE CALENDAR YEARS FROM DATE OF SUBSTANTIAL COMPLETION.
16. CONTRACTOR SHALL HAVE SUFFICIENT WATERING EQUIPMENT AND/OR FORCES AVAILABLE TO COMPLETELY WATER ALL PLANT MATERIALS ONCE EACH WEEK THROUGH THE WARRANTY PERIOD. WATERING INTERVALS SHALL BE VARIED AND BASED ON PREVAILING MOISTURE AND WEATHER CONDITIONS.
17. NO SOIL IS TO BE PLACED ON TOP OF WEED BARRIER FABRIC.

Memo for City Council

To: **Mayor Johnson and Members City Council**
From: Matt Sylvester, Public Services Director
Date: March 16, 2021
Subject: Consider Resolution Authorizing the Street Lighting In-fill Plan as Provided

---

Background:
Staff put a lighting in-fill plan together and brought it to the March 16th COW meeting. At that time discussion was had about the lighting in-fill along Heritage Blvd. Staff was asked to reach out to Isanti County and ask if they would be willing to share in some of those costs for the street lighting along Heritage Blvd. Staff reached out to Isanti County and they are not willing to share in the costs for lighting in-fill as it is to primarily light the sidewalk which is a city sidewalk; they just provide the easement.

Request:
Staff is requesting action on to move forward with the street lighting in-fill as provided.

Attachments:
- Lighting in-fill spread sheet
- Resolution 2021-XXX Approval of Street lighting In-fill Plan
- Resolution 2021-XXX Approval of Street Lighting In-fill for 2021

RESOLUTION 2021-XXX

APPROVAL OF A TEN YEAR STREET LIGHTING IN-FILL PLAN

WHEREAS, the Capital Improvement Plan has $10,000.00 plus inflation allocated for the next ten (10) years for street lighting in-fill; and,

WHEREAS, staff developed a Street Lighting In-fill Plan and found that it would be in the City's best interest to add 22 more street lights at different locations to provide better lighting along streets, sidewalks and trails; and,

WHEREAS, the additional street lighting would be consistent with what is on the same street or development to maintain uniformity; and,

WHEREAS, staff reached out to Connexus Energy and East Central Energy to gain quotes for the street lighting in-fill; and,

WHEREAS, the funding source would be street lighting 920-43160-500;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to approve the Street Lighting In-fill plan as presented with a total of 22 street lights to be added over the next ten (10) years with the funding source identified as street lighting 920-43160-500.

This resolution was duly adopted by the Isanti City Council this 16th day of March 2021.

RESOLUTION 2021-XXX

APPROVAL OF STREET LIGHTING IN-FILL FOR 2021

WHEREAS, the Capital Improvement Plan has $10,000.00 for street lighting in-fill in 2021; and,

WHEREAS, the street lights to be added in 2021 is one at the intersection of Whisky Road and South Passage SW and one Heritage Blvd East of Whiskey Road; and,

WHEREAS, the additional street lighting would be consistent with what is on the same street or development to maintain uniformity; and,

WHEREAS, staff reached out to Connexus Energy and received a quote for $9,670.00 for the lighting in-fill; and,

WHEREAS, the funding source is identified as street lighting 920-43160-500;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to approve the Street Lighting In-fill for 2021 as presented with a total of 2 street lights to be added and to allow Connexus Energy to install the street lights for $9,670.00 with the funding source identified as street lighting 920-43160-500.

This resolution was duly adopted by the Isanti City Council this 16th day of March 2021.

Request for City Council Action

To: **Mayor Johnson and Members of the City Council**
From: Matt Sylvester, Public Services Director
Date: March 16, 2021
Subject: Resolution Authorizing Repair and Maintenance Work at Well House II

Background

EH Renner was awarded the work of pulling the Well II Pump and making the necessary repairs. During this process it was discovered that the well has filled in with sand. EH Renner initially drilled the well in 1991 and was drilled to a depth of 380' in the Mt Simon Aquifer. The well, when drilled, had 846 cubic yards of sand removed and was left with an open hole that was 107' deep. Sand has filled in and that open hole is now 37' deep. In 1996 the pump was rebuilt likely because it had pumped sand initially. In 1997 the pump had a VFD (Variable Frequency Drive) installed. The VFD would give the pump softer starts and less likely to draw sand in during normal well cycles. Currently the pump does show signs of sand wear and is likely pumping sand during long well cycles such as during water main flushing or during long well cycles in the summer. Currently the well is pumping at 80% of its capacity. If we needed the well to pump at full capacity we take the risk of pumping sand as well. It is recommended that the sand be removed to ensure the longevity of the well pump. It is also recommended that a door be installed on the west wall of the well for safety reasons during the sand removal process. This would be a 6' wide door and an opening in the block wall would need to be made.
The CIP has $109,270.00 for the well pump repairs. The total project cost is estimated at $109,402.00. The funding source identified as Water in the Capital Outlay – 500 from the Fund Balance.

Well Pump Repair:

- EH Renner $35,580.00

Sand Removal Estimate:

- EH Renner $56,735.00

VFD and Drawdown Sensor:

- Total Control $8,087.00

Door installation:

- Not to exceed $9,000.00

Recommendation:

Staff is recommending to move forward with the repairs as identified.

Request

Staff is requesting action on this item.

RESOLUTION 2021-XXX

AUTHORIZING REPAIR AND MAINTENANCE WORK AT WELL HOUSE II

WHEREAS, EH Renner Well Company originally drilled Well II in 1991 to a depth of 380'with an open hole depth of 107' and had 846 cubic yards of sand removed at that time; and,

WHEREAS, Well II pump was rebuilt in 1996 and in 1997 a VFD (Variable Frequency Drive) was installed; and,

WHEREAS, the Well II pump is in the process of being rebuilt again by EH Renner Well Company when it was discovered upon inspection that the open hole has filled in with sand to a depth of 37' deep; and

WHEREAS, the sand poses a risk to do damage to the well pump during long run cycles like during water main flushing as well as long run cycles during the summer; and

WHEREAS, the sand needs to be removed from the well to ensure the longevity of the well pump; and,

WHEREAS, EH Renner provided a quote to remove the sand from Well II to its original depth, the estimated cost would be $56,673.00; and,

WHEREAS, a new VFD and draw down sensor would also need to be installed by Total Control Systems at a cost of $8,087.00; and,

WHEREAS, a six foot wide door would need to be installed on the west side of the well house for safety reasons during the sand removal process, this work shall not exceed $9,000.00; and,

WHEREAS, the total project cost to include a 5% contingency; and,

WHEREAS, the CIP has $109,270.00 available for such repairs with the funding source identified as Water 601-49400-500;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, to accept the quote from EH Renner Well Company to remove the sand from Well II and also accept the quote from Total Control Systems to install a new VFD and drawdown sensor with a total project cost of $114,872.00 including a 5% contingency with a funding source identified as Water 601-49400-500. Authorize the City Administrator to sign for acceptance of quotes.

This resolution was duly adopted by the Isanti City Council this 16th day of March 2021.

To: Matt. Re: Isanti, MN. – Well 2.

Total Control Systems, Inc. (TCS) proposes the following equipment and services.

This quote is to supply Well 2 VFD and Level sensor for existing wellhouse.

Proposal includes:

ABB ACS580 100hp 480v VFD
ABB Bluetooth HIM
KPSI 320 Level Transmitter 110' cable
Installation, Start up, Calibration and Testing
Documentation

Price: **$ 8,087.00 Total**

Does Not Include

Sales Tax (exempt)
Any new wiring to replace existing power and signal

- Terms are Net 30 days from invoice date. No retainage allowed. A 1.5% charge per month added to any past due balance. Price may be dependent on past credit history.
- This quote/proposal valid for 60 days.
- Work to commence after receipt of an acceptable written purchase order acknowledging acceptance of our terms.
- F.O.B. **job-site**.
- Start-up service/training, documentation and equipment adjustment is included as specified.
- TCSI does not accept any liquidated damages.
- ALL PANELS FURNISHED BY TCS WILL HAVE A UL 508 SERIALIZED OR UL698A ENCLOSED INDUSTRIAL CONTROL PANEL RELATING TO HAZARDOUS LOCATIONS WITH INTRINSICALLY SAFE CIRCUIT EXTENSIONS LABEL, AS REQUIRED.

If you have any questions regarding our proposal, please contact our office. We look forward to working with you on this project.

Sincerely,

MEMORANDUM

Date: March 10, 2021

To: Mayor Johnson and Members of the City Council

From: Jason W Cook, P.E., City Engineer

Subject: Main Street Reconstruction
- Preliminary Engineering Report, Call for Public Hearing, Project Engineering Services
City of Isanti, MN, Project No.: 0R1.123865

Pursuant to your authorization, we have prepared a Preliminary Engineering Report (PER) for the Main Street Reconstruction. Included in the report are exhibits depicting the proposed improvements, estimated costs and discussion regarding funding and the Minnesota State Statute No. 429 (MS-429) assessment procedure.

Should the Mayor and City Council elect to move forward with the improvements, Bolton & Menk, Inc proposes to complete the following scope of services to enable the project to be completed:

- Prepare documents for an open house and the required public hearing
- Prepare Plans and Specifications
- Advertise for bids
- Prepare the recommendation to Council to award bid
- Perform construction administration, observation and surveying during the project
- Prepare the final assessment roll and conduct the final assessment hearing

We recommend the following schedule to keep the project on schedule to be constructed this summer:

1) March 16, 2021 Mayor and City Council accepts Report calls for Hearing on the Improvement and Authorizes Preparation of Plans and Specifications.
2) March 25, 2021 Hold Public Open House
3) April 20, 2021 Hold Public Hearing
4) April 20, 2021 Mayor and City Council approves plans and orders advertisement of bids
5) May 12, 2021 Open Bids
6) May 18, 2021 Mayor and City Council awards bid
7) June – October 2021 Project construction
8) November 2, 2020 Conduct final assessment hearing

We propose to assist the City in completing the scope of design services through bidding, for an hourly, not-to-exceed fee of $69,100.00. Should the project move forward to construction, we propose to complete the construction services for an hourly, not-to-exceed fee of $63,700.00. These fees were included in the estimated project costs in the Preliminary Engineering Report.

In order to proceed with this project and assessment process, we recommend the City Council pass a resolution accepting the feasibility report, call for a public hearing, and authorize development of the plans and specifications.

I will be at the March 16, 2021 City Council meeting to present this report and respond to any questions you have concerning this project. Feel free to contact me with any questions prior to the meeting.

Bolton & Menk is an equal opportunity employer.

Main Street Reconstruction Preliminary Engineering Report

I. PROJECT INTRODUCTION

This Preliminary Engineering Report prepared by Bolton & Menk, Inc., as authorized by the Isanti City Council, provides an initial analysis of the feasibility, cost-effectiveness, and necessity of proposed infrastructure improvements along Main Street W from Whiskey Road (CR 23) to 4th Avenue NW/SW. A portion of the improvement costs may be assessed to benefiting property owners. Public assessments applied to the properties described in this report are subject to the requirements of Minnesota State Statute, Chapter 429 (MS 429). This Preliminary Engineering Report is the first step in the special assessment process required by the MS 429 Statute if assessments are applied.

A. Background Information

Main Street W was recognized as needing infrastructure improvements in the City's Pavement Management Plan (PMP), where it received a rating of 4 out of 10 using the Pavement Surface Evaluation and Rating (PASER) rating system for asphalt roads. Main Street W is part of the Municipal State-Aid-System (MSAS) and these improvements are eligible for MSAS funding. This project has also been identified in the City Capital Improvement Plan as a full reconstruction project.

B. Scope

This report addresses the necessity for infrastructure improvements along Main Street West from Whiskey Road NW to 4th Avenue NW/SW. Included in this report is a description of proposed improvements, along with the estimated costs and assessments. The specific objectives of this report are to:

- Evaluate the need for the project.
- Determine the necessary infrastructure improvements.
- Prepare cost estimates for the proposed improvements.
- Determine the feasibility of the improvements.

II. MS 429 PROCESS AND PROPOSED SCHEDULE

As mentioned above, infrastructure improvements financed through the assessment of benefiting property owners are regulated by Minnesota Statute, Chapter 429 (MS 429). The process prescribed by MS Chapter 429 along with the proposed project schedule is described below.

The benefited parties submit a petition for the proposed improvements to the City Council or, as in this case; the improvement process was authorized by the City Council without a petition.

The City Council passed a Resolution ordering preparation of report on improvement and ordered a Preliminary Engineering Report (PER) for the proposed project.
This was passed on: February 16, 2021

After the City Council considers the Preliminary Engineering Report, the Council may pass a *Resolution Receiving Report and Calling Hearing on Improvement,* as well as a resolution ordering preparation of plans to indicate its plan to continue the process.
Estimated date: March 16, 2021

An optional public open house is proposed to be held to inform residents and receive input on proposed improvements.
Estimated date: March 25, 2021

A public hearing on the proposed improvements is held. **Estimated date: April 20, 2021**

After the City Council considers the presentation of the plans and specifications, it may pass a *Resolution Approving Plans and Specifications and Ordering an Advertisement for Bids*.
Estimated date: April 20, 2021

The advertisement for bids should be published in the official local newspaper and trade publication such as the "Construction Bulletin" at least three weeks prior to the bid opening date. **Estimated bid opening date: May 12, 2021**

If the City Council wishes to continue with the improvements after consideration of bids, the City Council may pass a *Resolution Accepting Bid*. This resolution would award the project to the lowest responsible bidder and construction may begin. **Estimated date: May 18, 2021**

Following completion of the proposed improvements, a public hearing is held to set the final assessment amounts. **Estimated date: November 2, 2021**

III. EXISTING CONDITIONS

The existing conditions are shown in Appendix B and described in detail below.

A. Main Street W

The existing street is approximately 40 feet wide back of curb to back of curb with a D418 surmountable curb & gutter. The roadway is located within an existing 66-foot right-of-way. Currently the bituminous pavement is rated as 4 of 10 according to the PASER rating system in 2020. A rating of 4 or below signifies the pavement condition is in a failed state and regular maintenance is not cost effective. The city has spent an extensive amount of time patching this roadway over the past few years to keep it in a functioning condition. The pavement shows a significant amount of major distress and needs reconstruction. Record drawings show that the existing pavement section consists of three and a half-inches (3.5") of bituminous pavement, and ten-inches (10") of aggregate base. The existing gravel road was paved and curb & gutter installed in 1992 as part of the Main Street project. The intersections with 4th Avenue NW/SW and 5th Avenue NW/SW were reconstructed in 2003 as part of an improvement project. The curb and gutter was replaced from Whiskey Road (CR23) to Rosewood Avenue NW in the 2006 Stormwater Improvement Project. From Rosewood Avenue NW to the East, the curb & gutter is generally found to be in poor condition with many areas in need of replacement. The Figures below show the existing condition of Main Street W in the proposed project area.

Figure 1: Curb Raveling

Figure 2: Typical Section from Main Street W to 5th Avenue NW/SW

Figure 3: Typical Section from 5th Avenue NW/SW to 4th Avenue NW/SW

B. Sidewalk

There is currently sidewalk on the north side of Main Street W for the length of the project limts. The walk from Whiskey Road (CR 23) to 5th Avenue NW/SW is generally 6' wide with no turf boulevard and was constructed between 1998 and 2004. The walk from Whiskey Road (CR 23) to Rosewood Avenue NW was reconstructed in 2006 as part of the stormwater improvement project. The walk from 5th Avenue NW/SW to 4th Avenue NW/SW is generally 5' wide with a 5' turf boulevard. Pedestrian ramps are not ADA compliant at Rosewood Avenue, Brookview Court, 5th Avenue NW/SW, and 4th Avenue NW/SW.

City sidewalk network connections are present with a north/south connection on the east side of Whiskey Road NW (CR 23), a north south connection on the west side of 5th Avenue NW/SW, and north connection on the east and west sides of 4th Avenue NW/SW.

The existing walk from Whiskey Road (CR 23) to Rosewood Avenue NW and 5th Avenue NW/SW to the east is generally in good condition and was reconstructed in 2006. The existing walk from Rosewood Avenue NW to 5th Avenue NW/SW is generally in poor condition as shown in Figure 4.

Figure 4: Sidewalk Failure

C. Stormwater Management

The existing storm sewer system catch basins at the intersections of Main Street W & 4th Avenue NW/SW and Main Street W & 5th Avenue NW/SW were constructed in 2003 and were connected to existing trunk line storm sewer. This trunk line carries stormwater west to a stormwater drainage ditch D-2. The existing catch basin leads range from 12-inch to 18-inch pipe size and capture Main Street W storm water from 3rd Avenue NW to 5th Avenue NW and a portion of the north and south legs of 4th Avenue NW/SW and 5th Avenue NW/SW. The trunk line ranges in size from 15-inch to 18-inch pipe size. These storm sewer pipes appear to be reinforced concrete with no history of sediment build up or failure.

Drainage ditch D-2 passes under Main Street W with a 60-inch corrugated metal pipe about 215-feet west of 5th Avenue NW/SW. There is a set of existing catch basins constructed in 1992 located 50-feet west of drainage ditch D-2. These catch basins capture Main Street W storm water from 5th Avenue NW/SW to the high point at Rosewood Avenue NW as well as some of Rosewood Avenue NW and Brookview Court NW. These catch basins discharge south to drainage ditch D-2 on the south side of Main Street W through 12-inch to 24-inch size pipe. These storm sewer pipes appear to be reinforced concrete with no history of sediment build up or failure.

The existing storm sewer system at the intersection of Main Street and Whiskey Road (CR 23) was constructed in 2006. It consists of two street catch basins and an apron in the

northeast quadrant of the intersection (Apron installation year unknown). These catch basins capture Main Street W storm water from Whiskey Road (CR 23) to the high point at Rosewood Avenue NW as well as some of Rosewood Avenue NW. The apron captures storm water from the ditch on the east side of Whiskey Road (CR 23) on the north side of Main Street W. This stormwater is discharged to a storm manhole and then to south side of Main Street W into the ditch on the east side of Whiskey Road (CR 23).

There are existing concrete valley gutters at Rosewood Avenue NW and Brookview Court NW that direct storm water flow to the east and west towards existing catch basins.

D. Whiskey Road (CR 23) & Main Street W Drainage

The existing storm sewer system in the east ditch of Whiskey Road (CR 23) consists of a 24-inch reinforced concrete pipe that discharges into a depression on the north end of the ditch. This discharge is unable to flow away from the apron until it reaches depths that cause a back-up into the existing storm sewer system. This results in blocked pipes during the winter freeze that prevents the drainage of runoff from the ditch on the north side of Main Street W in the spring. The city typically uses a steamer to open the pipe when drainage is blocked by ice.

There is an existing 6" corrugated plastic drain tile with three inlets along the length of the ditch. This was installed to mitigate the runoff issues from the blocked pipe but the drain tile is undersized and regularly plugs and may have collapsed segments.

On the north side of N Brookview Lane, a 24-inch reinforced concrete pipe receives surface flow from the north and discharges it to the west side of Whiskey Road (CR 23).

E. Sanitary Sewer

The sanitary sewer system along Main Street W, west of 5th Avenue NW/SW, is located approximately 18-feet behind the back of curb on the north side of the street. It was constructed in 1994 and consists of 8-inch PVC sanitary sewer main with service lines typically 4 to 6-inch in diameter. The sanitary sewer pipe is generally 8 to 15 feet deep.

The sanitary sewer interceptor line between Brookview Court NW & 5th Avenue NW/SW runs north/south, consists of 15-inch sanitary sewer main, and was constructed in 1992. The sanitary sewer pipe in the project area is generally 15 feet deep.

The sanitary sewer system on 5th Avenue NW/SW runs north/south and is located on the street centerline. It was constructed in 2002 and consists of 10-inch PVC sanitary sewer main with service lines typically 4 to 6-inch in diameter. The sanitary sewer pipe in the project area is generally 8 feet deep.

The sanitary sewer system on 4th Avenue NW/SW runs north/south and is located on the street centerline. It was constructed in 2003 and consists of 8-inch PVC sanitary sewer main with service lines typically 4 to 6-inch in diameter. The sanitary sewer pipe in the project area is generally 8 feet deep.

There have been no reported breaks and no reported significant sanitary sewer maintenance issues within the project limits.

F. Watermain

The watermain system on Main Street W from 140 feet west of 5th Avenue NW/SW to the east is located on the north side of the street and transitions to behind the curb towards the west. It was constructed in 1975/1976 and consists of 8-inch cast iron pipe.

The watermain system on Main Street W from 140 feet west of 5th Avenue NW/SW to the west is on the north side of the street generally behind the back of curb. It was constructed in

1992 and consists of 8-inch ductile iron pipe (DIP).

There are connections to watermain on Whiskey Road (CR 23) (8-inch, 1975/1976), Rosewood Avenue NW (8-inch DIP, 1994), Brookview Court NW (8-inch), 5th Avenue NW/SW (10-inch DIP, 2003), 4th Avenue NW/SW (6-inch, 1975/1976).

The watermain has generally been found to be in good condition without a significant number of reported maintenance issues and no reported breaks or frozen pipes.

IV. PROPOSED IMPROVEMENTS

The proposed street improvement includes a 12-inch full depth pavement reclamation of the roadway and replacement of most of the curb & gutter and sidewalk. Proposed utility work includes adding catch basins east of Brookview Court NW to improve drainage and reduce stormwater spread on the street. Drainage improvements in the east Whiskey Road (CR 23) ditch south of Main Street W are also proposed and could be included in the 2021 Storm System Management Project. No sanitary sewer or watermain work is proposed. The proposed improvements are shown in Appendix C and described in detail below.

Street Improvements –Full Reclamation, Sidewalk, and Curb & Gutter Replacement

The proposed street would remain in roughly the same footprint as it does now. Proposed curb and gutter replacement consists of Rosewood Avenue NW to the east on the north side of the road and 125-feet west of Rosewood Avenue NW to the east on the south side of the road. The existing D418 curb & gutter designated for replacement is proposed to be replaced with mountable curb & gutter. The proposed design speed would remain 30 mph. The proposed design width meets State Aid requirements providing for two 12-foot wide traffic lanes, and two 7-foot wide parking lanes. The proposed pavement section would consist of three and a half-inches (3.5”) of bituminous pavement and eight and a half-inches (8.5”) of reclaimed aggregate. Based on the existing road section, a 12-inch full depth reclamation will leave one and a half (1.5”) of existing aggregate base in place.

Alternate Typical Section Evaluation

An alternate typical section was evaluated where a grass boulevard would be created along the north side of the roadway between the reconstructed street and sidewalk. The roadway would be narrowed approximately 2.5-feet and the sidewalk would be narrowed 1-foot. These changes would keep the south curb line in place as well as the north sidewalk edge. This typical section would have a face of curb to face of curb width of 36-feet. The MSAS minimum allowable face of curb to face of curb width is 34-feet.

This revision was found to be cost prohibitive due to the cost to replace an additional block of curb and sidewalk between Whiskey Road and Rosewood Avenue, reconstructing two catch basins to shift their alignment to the narrowed curb location, as well as irrigation, topsoil, and sod on the new boulevard.

A. **Concrete Sidewalk**

The existing sidewalk on the north side of Main Street W is proposed to be replaced from Rosewood Avenue NW to 5th Avenue NW/SW. Some patch work is proposed on the sidewalk from Whiskey Road (CR 23) to Rosewood Avenue NW.

The existing walk on the north side of Main Street W from 5th Avenue NW/SW to the east is proposed to stay in place.

All pedestrian ramps in the project area are proposed to be reconstructed to bring them into compliance with ADA standards.

B. **Stormwater Management**

To help with street drainage and reduce storm water spread into the street, two catch basins (one on each side of the road) are proposed to be added on the east side of Brookview Court NW. These new catch basins will connect to the catch basins 300-feet to the east and the storm water will ultimately discharge into drainage ditch D-2.

Storm manhole and catch basin castings will be adjusted to fit the proposed surface as needed.

Best Management Practices (BMP's), as required by the Minnesota Pollution Control Agency (MPCA), will be utilized during construction to minimize erosion and sediment runoff from the construction site. These BMP's may include silt fence, stabilized construction exits, and storm water inlet protection.

C. **Sanitary Sewer**

Sanitary sewer within the project limits appears to be in adequate condition and is expected to last for the life expectancy of the proposed street improvements. Therefore, it is proposed the sanitary sewer system remain in-place, adjusting manhole castings as needed to fit the proposed surface.

D. **Watermain**

Watermain within the project limits appears to be in adequate condition and is expected to last for the life expectancy of the proposed street improvements. There have not been a significant number of reported maintenance issues and no reported breaks or frozen pipes. Therefore, it is proposed the watermain system remain in-place, adjusting valve boxes as needed to fit the proposed surface.

E. **Whiskey Road (CR 23) & Main Street W Drainage**

To improve drainage south of Main Street along Whiskey Road (CR 23) it is proposed to construct a new 24-inch storm sewer pipe and manhole structures along the ditch from Main Street to North Brookview. This system will eliminate the issue of the clogging, undersized, drain tile pipe, and be graded and sized appropriately to appropriately to handle the storm water while reducing back-up into the existing pipe network to the north. The existing grades and constraints on both ends of the ditch prevent a solution through ditch grading alone. This improvement is proposed to be included with the 2021 Storm System Management project as it does not need to be constructed with the Main Street improvements.

V. RIGHT-OF-WAY ACQUISITION

Additional Right-of-Way is not expected to be needed for the proposed Main Street Reconstruction. Coordination with Isanti County will be needed for the proposed storm sewer and ditch work along County Road 23 (Whiskey Road). The need for temporary construction easements will be evaluated during the final design process but are not anticipated.

VI. APPROVALS/PERMITS

Approvals and permits are required from various public agencies for the construction of this project. They include:

- Minnesota Department of Transportation (MnDOT) State Aid
- Isanti County Work Within ROW Permit

VII. PRELIMINARY COST ESTIMATES

The estimated project cost for the improvements is summarized in Table 1, and described in detail in Appendix H. The unit prices for the items of work have been estimated based on similar types of projects completed in the past. The costs shown are estimates that include construction, contingencies, and engineering costs. Actual construction cost would be determined through a competitive bidding process.

Table 1: Estimated Project Costs

Main Street Improvements	Estimated Cost
Construction Cost Estimate	$505,900
5% Contingency	$25,300
Engineering & Admin	
- Design & Bid	$69,100
- Construction	$63,700
Testing	$10,000
TOTAL PROJECT COST	$674,000

Whiskey Road Storm Water Improvements	Estimated Cost
Construction Cost Estimate	$43,000
10% Contingency	$4,300
Engineering & Admin	$11,800
TOTAL PROJECT COST	$59,100

VIII. FUNDING AND ASSESSMENTS

Funding for the project could come from a variety of sources and is broken down as shown in Table 2 and described in detail in Appendix H. Special assessments could be levied in accordance with City Resolution 2020-031– Special Assessment Policy which states up to 25% of the proposed reconstruction project can be assessed to adjacent landowners at a per front foot basis. Per the assessment policy of assessable road widths the assessment amount is reduced to the designated City standard road width of 34’ face of curb to face of curb.

MSAS funding allows an advance of up to five years of the City’s annual construction allotment of $207,817.00. After the 2021 allotment the City currently has an advance of $402,247.58 and would be eligible to request $636,837.42 in additional advanced funding. The portion of the project designated as Temporary Tax Revenues can be requested in the future using MSAS funding when it becomes available. The City finance department would need to determine how requesting the advance will affect budgeting and bonding.

Table 2: Funding Sources

Main Street Reconstruction

Funding Source	Amount
Eligible State Aid Cost	$674,000
- 2021 Available State Aid Funds	$637,000
- Temporary Tax Revenues	$37,000
Assessments	$164,000

Assessment Breakdown	Per Assessable Front Foot	Total Assessable Frontage
Assessment Subtotal	$ 65.83	
Standard Width Reduction	-$1.67	
Total Assessment	$64.16	2,559 ft

Average Assessment	$5,661.57
High Assessment	$11,548.80
Low Assessment	$3,721.28

Whiskey Road Storm Water Improvements

Funding Source	Amount	% of Total
Storm Water Utility	$59,100	100%
Total	$59,100	100%

IX. RECOMMENDATION

Main Street Reconstruction

Based on the findings presented in this report, the proposed street improvements are cost effective, necessary, and feasible from an engineering perspective. Should the City finance department determine these improvements are financially feasible we recommend that the City Council approve this report, call for a public hearing to follow the MS-429 process, and authorize the preparation of final plans and specifications.

Whiskey Road Storm Water Improvements

Based on the findings presented in this report, the proposed improvements are cost effective, necessary, and feasible from an engineering perspective. If the City would like to proceed with this improvement, it is recommended to be added to the 2021 Storm System Management Project.

RESOLUTION 2021-XXX

RECEIVING FEASIBILITY REPORT, AND CALLING HEARING ON THE MAIN STREET RECONSTRUCTION PROJECT

WHEREAS, pursuant to Resolution 2021-029 of the City Council adopted February 16, 2021, a report has been prepared by Bolton & Menk, Inc. with reference to the improvement of Main Street W from Whiskey Road to 4th Avenue NW. The improvement shall consist of street reclamation, sidewalk reconstruction, and the replacement of curb & gutter. This report was received by the Council on March 16, 2021, and,

WHEREAS, the report provides information regarding whether the proposed project is necessary, cost-effective, and feasible;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota as follows:

1. The Council will consider the proposed improvement in accordance with the report and the assessment of benefited property for all or a portion of the cost of the improvement pursuant to Minnesota Statutes, Chapter 429, at an estimated total cost of the improvement of $674,100.

2. A public hearing shall be held on such proposed improvement at approximately **7:00 p.m.** on the **20th** day of **April, 2021**, in the Council Chambers at Isanti City Hall, 110 1st Avenue NW, Isanti MN, and the City Clerk shall give mailed and published notice of such hearing and improvement as required by law.

This resolution was duly adopted by the Isanti City Council this 16th day of March 2021.

Motion: Seconded: Carried:

Attest: _____
Mayor Jeff Johnson

_____
Jaden Strand
City Clerk

RESOLUTION 2021-XXX

AUTHORIZING PREPARATION OF PLANS ON THE MAIN STREET RECONSTRUCTION PROJECT

WHEREAS, pursuant to Resolution 2021-029 of the City Council adopted February 16, 2021, a report has been prepared by Bolton & Menk, Inc. with reference to the improvement of Main Street W from Whiskey Road to 4th Avenue NW. The improvement shall consist of street reclamation, sidewalk reconstruction, and the replacement of curb & gutter. This report was received by the Council on March 16, 2021; and,

WHEREAS, as recommended in the Preliminary Engineering Report, in order to keep the proposed project on schedule for a May 2021 bid opening, it is recommended that development of plans and specifications begin in advance of the public hearing;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota as follows:

1. Bolton & Menk, Inc., as the City Engineer, is hereby designated as the engineer for this improvement and shall prepare plans and specifications for the making of such improvement at an hourly not to exceed fee of $69,100.00. These fees are included in the total cost of the project in the report.
2. Should the project be awarded and move into construction, Bolton & Menk, Inc, shall perform engineering construction services at an hourly not to exceed fee of $63,700.00 These fees are included in the total cost of the project in the report.

This resolution was duly adopted by the Isanti City Council this 16th day of March 2021.

Motion: Seconded: Carried:

_____
Attest: Mayor Jeff Johnson

_____
Jaden Strand
City Clerk

RESOLUTION 2021-XXX

AUTHORIZING ENGINEERING SERVICES FOR THE WHISKEY ROAD STORM WATER IMPROVEMENTS

WHEREAS, a drainage issue has been identified along Whiskey Road from Main Street to North Brookview Lane SW; and,

WHEREAS, a Preliminary Engineering Report was completed evaluating the drainage issue and has identified a recommended solution. it is proposed to construct a 24-inch storm pipe from Main Street to North Brookview Lane SW along the Whiskey Road ditch; and,

WHEREAS, this project is proposed to be added to the 2021 Storm Water Management Project bid package to receive the most competitive bids; and,

WHEREAS, funding would come from the Storm Water Utility Fund; and,

WHEREAS, Bolton & Menk, Inc. will complete the Engineering Services to complete the design, and construction services for these improvements for an hourly, not to exceed, fee of $11,800 as identified in the Preliminary Engineering Report;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota as follows:

1. Bolton & Menk, Inc., as the City Engineer, is hereby designated as the engineer for the proposed improvements and shall complete the Whiskey Road Storm Water Improvements services as described in the Preliminary Engineering Report, for an hourly, not to exceed, fee of $11,800.

This resolution was duly adopted by the Isanti City Council this 16th day of March 2021.

RESOLUTION 2021-XXX

AUTHORIZING THE CLOSING OF FUNDS 223 AND 224 TO THE GENERAL FUND

WHEREAS, the City Council of Isanti finds that it is important to review financing to eliminate deficits in certain funds and close funds with no recent activity or for projects that are materially complete; and,

WHEREAS, the City Council of Isanti finds that it is in the best interest of the community to close Youth Rec Ed Safety Fund 223 and Cambridge-Isanti Joint Event Fund 224 to the General Fund 101;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of Isanti, Minnesota, to:

Close Fund 223 and Fund 224 to the General Fund, effective December 31st 2020.

Adopted by the Isanti City Council this 16th day of March 2021.

MEMORANDUM

Date: March 10, 2021

To: Honorable Mayor Johnson and Members of the City Council

From: Jason W Cook, P.E.
City Engineer

Subject: Project Status Report
Project No.: 0R1.123310, Isanti, MN

Please find listed below a status report of the current projects in the City of Isanti:

1) Liquor Store Site Design

The site plan is complete and ready for bidding. Bids are scheduled to be received April 9, 2021.

2) Main Street Reconstruction

We will bring the Preliminary Engineering Report to the March 16, 2021 Council Meeting for consideration.

3) Eagle Park Parking Lot Reconstruction

The survey is complete. We will provide an update at the March 16, 2021 Council Meeting.

4) Heritage Walk Improvements

The survey is complete. We will provide an update at the March 16, 2021 Council Meeting.

5) 2021 Pavement Management Project

We will complete the plan development this month.

6) 2021 Storm System Management Project

We will complete the plan development this month.

7) 6th Avenue Rehabilitation

Punchlist items will be completed this spring.

8) Legacy Pines 2nd & 3rd Additions

Punchlist items will be addressed in the spring on 2nd Addition. Sidewalks and final pavement surfaces will be completed in the spring on 3rd Addition Phases 1 & 2. 3rd Addition Phase 3 is planned for construction this summer.

9) Fairway Greens North Development

A new development is proposed to extend to the NE along 7th Avenue from Cajima Street near the Arts & Science Academy. The first phase is planned for construction this summer.

10) MS4 Implementation

We will continue to assist the City as requested to meet MS4 requirements.

Please contact me if you have any questions.

Bolton & Menk is an equal opportunity employer.

CITY OF ISANTI
PARKS, RECREATION, AND CULTURE BOARD MEETING MINUTES
Febuary 23, 2021

Call to Order: Matt Sylvester – Public Services director called the meeting to order at 6:00 p.m.

Roll Call: Members Present: James Witte, Aaron Zdon, Council Member Jimmy Gordon and Mike Becker
Staff Present: Matt Sylvester: Public Services Director

Agenda/Modifications: Witte asked that discussion be had on the Sledding Hill. Sylvester added it too the Agenda.

2. Oath of Office: Zdon volunteered to be chair position if no one else was interested, Zdon accepted and motion passed 4-0. Witte volunteered to be vice chair, Zdon motioned to nominate Witte and seconded by Gordon. Motion passed 4-0. Secretary is assigned to city staff.

3. Meeting Minutes: Motion by Witte; second by Gordon to approve meeting Minutes from November 24, 2020. Motion passed 4-0.

4. Review of the Parks, Recreation and Culture Board meeting dates: Sylvester shared the 2021 dates along with the material submittal dates for 2021 and reminded the board members that if they have an item they would like added to an agenda these are the dates to have items in to staff by, motion by Witte second by Becker.

5. Overview of 2021 Projects
Sylvester shared that the Parks Brochure has been completed in the fall of 2020, along with items that are in the CIP plan for 2021, that the Isantian will be going digital, and also the many PRC Events and dates that will be happening this year. Discussion was also had on the Amphitheater design and the bathrooms that are in the CIP plan for 2021.Gordon shared that the bathrooms would be separate from the Amphitheater and that they would be in a more central location for a possible Splash Pad in the future. It was also shared by Sylvester that Curious Creatures has been canceled the last few months from a lack of interest and that the last movie night had zero in attendance.

6. Sledding Hill Agenda Modification:
Witte asked how the feedback for the Sledding Hill. Sylvester shared that a berm has been placed to prevent kids from sledding onto the street and that staff has not received any complaints about the hill. It was also shared that the Sledding Hill has had a number of people in attendance.

Adjournment: Motion by Witte, second by Gordon to adjourn the February 23, 2021 meeting of the Parks, Recreation, and Culture Board. Motion passed 4-0, meeting adjourned at 6:13 p.m.

Respectfully Submitted
Matt Sylvester
Public Services Director

MEMORANDUM

Date: March 17, 2021

To: Honorable Mayor Johnson and Members of the City Council

From: Mike Angland, AIA, LEED AP

Subject: Approval of Plans and Authorization to Advertise for Bids
Isanti Liquor Store
City of Isanti, MN
Widseth Project No.: 2021-10036

We request that the City Council approve the plans and specifications, entitled "Isanti Liquor Store", and authorize advertisement for bids.

The Isanti Liquor Store Project consists of a 12,604 s.f. building that will be located at 10 6th Avenue SE, Isanti, MN. The building will consist of 7,200 s.f. of retail space, 4,700 s.f. of rail cooler, beer cave, back-stock storage and delivery space, with the remaining space being dedicated to mechanical, restrooms, office and break room space. The building will be accompanied by a parking lot with regular sized parking stalls, pull through parking stalls for vehicles pulling trailers, dumptser enclosure and loading dock for deliveries. The building and site have been designed to provide the City of Isanti with a municipal liquor store that will meet their current and future needs.

Following is the schedule for the Isanti Liquor Store Project:

Approve Plans & Specs, Authorize Advertisement for Bids	March 19, 2021
Open Bids	April 09, 2021
Award Contract	April 13, 2021
Commence Construction	April 27, 2021
Final Completion of Construction	November 5, 2021

A resolution is attached to approve the plans and authorize the advertisement for bids.

I will be at the March 19, 2021 City Council meeting to respond to any questions you have concerning the approval of plans and specifications or the authorization to advertise for bids.

Please contact me with any questions or if you would like any additional information prior to the meeting as well.

Sincerely,

Mike Angland, AIA, LEED AP
Vice President

RESOLUTION 2021-XXX

APPROVING PLANS AND ORDERING ADVERTISEMENT FOR BIDS FOR THE MUNICIPAL LIQUOR STORE

WHEREAS, pursuant to Resolution 2021-004 passed by the Council, Widseth has prepared plans and specifications for the liquor store project.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota:

1. Such plans and specifications, copies of which are on file in the City Offices, are hereby approved.
2. Widseth shall prepare and cause to be inserted in the official paper and on QuestCDN an advertisement for bids upon the making of such improvement under such approved plans and specifications. The bids will be received by the City Administrator until 2:00 pm on April 9, 2021 at which time they will be publicly opened in the Council Chambers of the City Hall by the City Administrator, will then be tabulated, and will be considered by the council at approximately 7:00 p.m. on April 13th, 2021, in the Council Chambers of the City Hall. Any bidder whose responsibility is questioned during consideration of the bid will be given an opportunity to address the Council on the issue of responsibility. No bids will be considered unless sealed and filed with the City Administrator and accompanied by a bid bond payable to the City of Isanti for five percent (5%) of the amount of such bid.
3. Advertisement for bids are outlined in Exhibit A.

This resolution was duly adopted by the Isanti City Council this 19th day of March 2021.

Attest: _____ Mayor Jeff Johnson

_____
Jaden Strand
City Clerk

EXHIBIT A

SECTION 00 1113

ADVERTISEMENT FOR BIDS

ISANTI MUNICIPAL LIQUOR STORE

Contractor's sealed proposals for the construction of Isanti Municipal Liquor Store will be received by Owner in accordance with the plans and specifications prepared by:

ARCHITECT

Widseth Smith Nolting

7804 Industrial Park Road

Baxter, MN 56425

SITE VISIT INFORMATION

Bidders are encouraged to visit the construction site. There will not be a scheduled Pre-Bid Meeting.

BID DATE INFORMATION:	**04-09-2021**
Bid Time:	2:00 pm
Location:	Isanti City Hall Attn: Josi Wood, City Administrator 110 1st Avenue Northwest Isanti, MN

at which time they will be publicly opened and read aloud for the construction of the above named project. Envelopes containing bids must be sealed, clearly marked on the lower left-hand corner "Bid Enclosed for Isanti Municipal Liquor Store" and with the name and address of the bidder and the date and hour of the opening.

PROJECT DESCRIPTION: The project involves general, civil, mechanical and electrical work for construction of an approximate 12,600 total sf municipal liquor store. Construction will be poured concrete foundation and slab-on-grade floor, wood framed walls and partitions with wood truss roof structure. HVAC system to be gas-fired forced air. Water and sewer systems are to connect to city services. Electrical work will include lighting, power and communications material and installation.

Each bid must be accompanied with a cashier's check, bid bond, U.S. Government Bonds (at par value) or certified check equal to five percent (5%) of the amount of the proposal. Security is payable to the Owner as a guarantee of prompt execution of the contract in accordance with the proposal and Contract documents, along with furnishing Payment and Performance Bonds of One Hundred percent (100%) of the bid amount acceptable to the Owner.

Bids received after the deadline will be returned unopened. Bids are to be submitted on the Bid Form provided in the project manual. Bids not received on the Bid Form will be cause for rejection.

Complete digital project bidding documents are available at www.widseth.com by clicking on Bid Documents link or at www.questcdn.com by inputting Quest project #7641363 on the website's Project Search page. Please contact QuestCDN.com at (952) 233-1632 or info@questcdn.com for assistance in free membership registration, downloading and working with this digital project information. You may download the digital plan documents electronically for $30. An optional paper set of project documents is also available from Cadd/Engineering Supply (CES) 1701 James Circle N., Brooklyn Center, MN 55430. Please contact CES's Repro Dept at (763) 560-9098 or (800) 831-8587 for pricing and if you have any questions.

The successful bidder must be a "responsible contractor." The term "responsible contractor" means a contractor as defined in Minnesota Statutes Section 16C.285, subdivision 3. Any

prime contractor, subcontractor, or motor carrier that does not meet the minimum criteria or fails to comply with the verification requirements is not a responsible contractor and is not eligible to be awarded a construction contract for the project or to perform work on the project. A prime contractor, subcontractor, or motor carrier that makes a false statement under oath verifying compliance with the minimum criteria will be ineligible to be awarded a construction contract on the project and the submission of a false statement may result in termination of a contract awarded to a prime contractor, subcontractor, or motor carrier that submits the false statement. A prime contractor shall include in its verification of compliance a list of all of its first-tier subcontractors that it intends to retain for work on the project. Before execution of a construction contract, a prime contractor shall submit a supplemental verification under oath confirming that all subcontractors and motor carriers that the prime contractor intends to use to perform project work have verified to the prime contractor, through a signed statement under oath by an owner or officer, that they meet the minimum criteria for a responsible contractor.

Bids may not be withdrawn within forty-five (45) days after the scheduled closing time for receiving bids without consent of the Owner. The Owner reserves the right to reject any and all bids and rebid the project until a satisfactory bid is received.

No bid will be read or considered if the bid does not fully comply with the requirements of this invitation and/or other bidding and contract documents. Any deficient bid submitted will be resealed and returned to the bidder immediately.

By: Josi Wood, City Administrator
City of Isanti

Proclamation by Mayor Jeff Johnson

Week of the Young Child™

Whereas, many local organizations in conjunction with the National Association for the Education of Young Children, are celebrating the Week of the Young Child™, April 10th - April 16th; and,

Whereas, these organizations are working to improve early learning opportunities, including early literacy programs, that can provide a foundation of learning for children in Isanti, MN; and,

Whereas, teachers and others who make a difference in the lives of young children in Isanti, MN deserve thanks and recognition; and,

Whereas, public policies that support early learning for all young children are crucial to young children's futures.

I, Jeff Johnson, Mayor of the City of Isanti do hereby proclaim April 10th - April 16th, 2021 as the Week of the Young Child™ and encourage all citizens to work to make a good investment in early childhood in Isanti, MN.

_____

Mayor Jeff Johnson

MINUTES
CITY OF ISANTI
SPECIAL MEETING CITY COUNCIL
FRIDAY, MARCH 19, 2021 at 5:00 PM
CITY HALL

Mayor Johnson called the meeting to order at 5:00 p.m.

The Pledge of Allegiance was recited.

Members Present: Mayor Jeff Johnson, Councilors: Jimmy Gordon, Paul Bergley (via Zoom), Steve Lundeen and Dan Collison

Members Absent: None

Staff Present: City Administrator Josi Wood, City Clerk Jaden Strand, City Engineer Jason Cook, Chief of Police Travis Muyres and Finance Director Mike Betker

Others Present: Mike Angland (Widseth)

D. Public Comment
None

E. Adopt Agenda
Motion by Lundeen, second by Collison to approve agenda as presented. Motion passed 5-0. Motion carried.

Business Items

1. **Resolution 2021-054** Approving Plans and Ordering Advertisement for Bids for the Municipal Liquor Store

Mike Angland from Widseth thanked Council for their availability to have the special meeting. Angland continued to share that Widseth was not ready with plans as anticipated to make it to the regularly scheduled Council meeting. This resolution is to approve the plans and go out for bids for the proposed liquor store.

Councilor Collison asked if any of the plans had changed since the Planning Commission meeting.

City Administrator Josi Wood confirmed that there were no changes but it does have the interior layout and some additional items included. Additionally, it shows the bids and

alternate bids including seamless steel roof, asphalt and with and without the snowmelt for the concrete sidewalk.

Councilor Gordon asked if vinyl siding that looks like wood siding could be used and if there were any areas where money could be saved.

Angland responded that he has only used vinyl siding for residential projects and not commercial projects. LP Smart siding is an economical siding application for exterior.

Gordon asked if the bid would be line items or one lump bid amount.

Angland responded it will be a lump sum bid however, there is going to be some breakdown as it relates to woods, plastics or concrete. Typically, that happens when the bid is awarded to the successful bidder because sometimes the bidder may be a little hesitant to give that information.

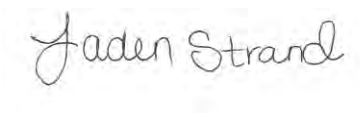
City Engineer Jason Cook stated that it would be after the bid is awarded. Any changes or reduction in things would be a change order after the fact but the bid would have already been awarded.

Administrator Wood stated that this would be the meeting if Council had specific things they wanted to get looked into. This would be the meeting to bring those items up for discussion. Wood continued to share that another item she wanted to bring up is that extra registers were excluded off the bat because there is enough counter space to add a 3rd register if needed. If whole counter units are needed, they will be added at that time.

Angland gave a brief overview of all the interior elements of the liquor store project. Highlights included: polished concrete, painted sheetrock walls, vinyl base, acoustical ceiling tiles, LED lighting throughout, wood doors, double impact door between the retail and backstock area, sealed concrete in breakroom and backstock area, 10'x10' overhead doors for deliveries, dock leveler and breakroom and restrooms is painted sheetrock.

Administrator Wood shared to keep the project on task with such a tight timeline. There is a special council meeting that will need to be called to award the contract on April 13th if council agrees.

Gordon asked if the time for the special meeting could be earlier.



Mayor Johnson asked the council if 5:00 p.m. on April 13th worked for holding a special meeting.

Motion by Lundeen, second by Bergley to approve resolution as presented and for a special city council meeting to be called on April 13th, 2021 at 5:00 p.m. Motion passed 5-0. Motion carried.

F. Adjournment

A motion was made by Lundeen, seconded by Collison to adjourn. Motion passed 5-0. Motion carried.

Meeting adjourned at 5:29 p.m.
Respectfully Submitted,

Jaden Strand

K. Business Items

Community Development Director Sheila Sellman

1. MS4 2020 Annual Report
Community Development Director Sheila Sellman shared a presentation in regards to Municipal Separate Storm Sewer System. Highlights of the presentation included: when the city became a MS4 city in 2016, partnerships, 5 illicit discharges in 2020, minimum control measures, construction site runoff controls and post-construction stormwater management.

2. Resolution 2021-046 Approving the Site Plan for a Liquor Store Located at 10 6th Avenue SE
Community Development Director Sheila Sellman shared that the Planning Commission held a public hearing at their last meeting and there was no public comment. The area is zoned B-2, General Business District. A drive up will be included with 6 stalls and 6 rv/boat trailer parking. The color of the building is maroon. The Planning Commission recommends approval 6-0.

Motion by Lundeen, second by Collison to approve resolution as presented. Motion passed 5-0. Motion carried.

Public Services Director Matt Sylvester

3. Street Lighting Infill Plan
- **a. Resolution 2021-047** Approval of a 10 Year Street Lighting In-Fill Plan
- **b. Resolution 2021-048** Approval of Street Lighting In-Fill for 2021

Public Services Director Matt Sylvester shared that at the last Committee of the Whole meeting he had received direction to see if Isanti County was willing to share the cost of lighting on Heritage Blvd. Sylvester stated that Isanti County is not willing to share any of the cost because it is primarily to light the city's sidewalk and they would provide the easement.

Motion by Lundeen to approve K.3 a. and K.3 b., seconded by Collison. Motion passed 5-0. Motion carried.

4. Resolution 2021-049 Authorizing Repair and Maintenance Work at Well House II
Public Services Director Matt Sylvester shared that EH Renner was awarded the work of pulling the Well II pump and making necessary repairs. During this process it was discovered that the well had filled in with sand. EH Renner who initially drilled the well in 1991, which was drilled to a depth of 380' deep. The well, when drilled, had 846 cubic yards of sand removed and was left with an open hole that was 107' deep. Sand has since filled in and that open hole is now 37' deep. When the pump was put in back in 1991 it was rebuilt in 1996 likely because it had pumped sand initially. Upon taking it apart the pump shows wear from sand. The CIP has $109,270.00 for well repairs. The total

project cost is estimated at $109,402.00. The funding sources identified as Water in the Capital Outlay- $500 from the Fund Balance.

Motion by Lundeen, second by Gordon to approve resolution as presented. Motion passed 5-0. Motion carried.

City Engineer Jason Cook

5. Main Street Construction-Preliminary Engineering Report
   - **a. Resolution 2021-050** Receiving Feasibility Report and Calling for Hearing on the Main Street Reconstruction Project
   - **b. Resolution 2021-051** Authorizing Preparation of Plans on the Main Street Reconstruction Project
   - **c. Resolution 2021-052** Authorizing Engineering Services for the Whiskey Road Storm Water Improvements

City Engineer Jason Cook shared that a preliminary engineering evaluation was performed of Main Street. Cook continued to share that a survey was completed and evaluated the most cost-effective options. The location of the project is from Main Street W from Whiskey Road (CR 23) to 4th Avenue NW/SW. The existing street is a state aid route so it is eligible for state aid funds. It was rated 4/10 in the last 2020 rating evaluation. The watermain was installed in 2-3 different phases with the first block and a half done on the East end in 1975/1976 and the rest of the watermain was installed in 1992. The sanitary sewer was installed in 1994 and the storm sewer was installed in 2006. Proposed improvements include: reclaiming existing street section, remove and replace curb and gutter, alternate street width evaluated, replace 6' concrete walk on North side of Main Street W from Rosewood Avenue NW to 5th Avenue NW/SW, pedestrian ramps reconstructed for ADA compliance, add catch basins East of Brookview Court NW to improve drainage and existing sewer and water to remain in place.

Motion by Lundeen to approve K.5 a, K.5 b. and K.5 c., seconded by Gordon. Motion passed 5-0. Motion carried.

L. Approve Consent Agenda

1. Payroll in the Amount of $113,265.89 Accounts Payable in the Amount of $228,801.66
2. **Resolution 2021-053** Authorizing the Closing of Funds 223 and 224 to the General Fund

Motion by Bergley, second by Collison to approve consent agenda as presented. Motion passed 5-0. Motion carried.

Mayor Johnson called the meeting to order at 5:00 p.m.

The Pledge of Allegiance was recited.

Members Present: Mayor Jeff Johnson, Councilors: Jimmy Gordon, Paul Bergley, Steve Lundeen and Dan Collison

Staff Present: City Administrator Josi Wood, City Clerk Jaden Strand, Community Development Director Sheila Sellman, Public Services Director Matt Sylvester, Finance Director Mike Betker, City Engineer Jason Cook and Chief of Police Travis Muyres

D. Public Comment
None

E. Committee Meeting Items

1. Liquor Store Bonding Options *(Jessica Green, Northland Securities 5-5:25 p.m.)*
- Financing options were shared with Committee of the Whole regarding the liquor store project. The options included:
  - Lease-Revenue Bonds
  - General Obligation Tax Abatement Bonds
- Methods of sale were shared with Committee regarding the liquor store project. The options included:
  - Competitive Sale
  - Negotiated Sale
- Majority consensus from Committee is to go with lease-revenue bond and negotiated sale options.

2. Public Works Updates
- Public Works had to haul snow out of many cul-de-sacs and intersections this winter to make room for the continuing snow events that took place.
- Doors were posted again in January for tree trimming. Tree trimming is something that Public Works does every year during the winter months.
- With the warm weather we have received lately staff has been out doing yard repairs from plow damage.
- Staff has been out filling potholes and will continue to monitor ad fill those as needed.
- Public Works took time to paint the breakroom and bathroom walls at the Public Works shop.
- Staff has also been out sweeping streets and will continue to sweep those weather permitting.

- Staff has been busy hauling brush out. Brush is taken to Central Landscaping in East Bethel.
- Annual maintenance of the air release valves has been started for this year.
- Annual maintenance was completed at the Wastewater Treatment Plant. The filters were shocked and put back online. The pond aeration pumps had new belts, air filters and an oil change completed.
- Annual maintenance was also completed at the Water Plant for the MIOX machine.
- Staff has created an alarm call-back log for SCADA alarms. This call-back log will help as a training tool for newer staff. There are several alarms that don't happen very often. This log will help staff as a training tool so that the On-call person has an idea as to how to fix the alarm.
- Annual water hardness test was completed. The city website has been updated with the results.
- Alyssa Olson was hired as our new Parks, Rec and Events Coordinator.
- Staff made some shelving at the ICC to store supplies. The items supply includes Christmas decorations and Curious Creatures supplies.
- Water Conservation Reports (MPARS and ESPARS) were completed.
- Solid Waste Report (ReTrac) was completed.

3. Water Shut-Off Policy Discussion
- Historically when utility billing is done, water shut-offs are not done in cold weather months which is October 15-April 15th.
- Cold water rule in Minnesota is for utilities that provide heat.
- Not shutting water off has been a courtesy but it is not written in policy.
- Consensus from Committee is to continue with not shutting water off in cold weather months and for staff to draft a policy by resolution.

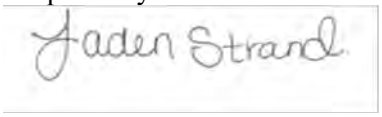
4. Address Changes by 911 Coordinator-Dispatcher
- The 911 Coordinator-Dispatcher has contacted Community Development Director wanting review of city addresses for discrepancies.
- There are some addresses on the North side of the road, East side of the road and West.
- Odd numbers should be assigned on the North side for the streets running East and West and vice versa.
- The 911 Coordinator-Dispatcher has provided discrepancies that he has pointed out.
- This does affect a lot of households and businesses.
- There is an ordinance in place that specifically states how addresses are numbered.
- Chief of Police Travis Muyres shared that it's not a public safety concern because changing any of the addresses with discrepancies is not going to change emergency response.
- Consensus from Committee is to leave addresses as is and address any conflicting street signs.

5. City Council Agenda Request *(Josh S, Homepride Inc.)*
- Josh S requested to have 5 model homes built without hooking up sewer and water.

- Community Development Director Sheila Sellman shared that the city does not typically allow development on a proposed subdivision until it has been recorded with the county, a development agreement and a letter of credit in place.
- Sellman suggested not allowing it because utilities would not be in place.
- Consensus from Committee is to bring back to Committee of the Whole for further discussion once the final plat is approved.

6. Bee Farming
- Residents have contacted Mayor Johnson wondering why there is not an Ordinance regarding bee farms in the city. Residents are requesting to allow bee farming within City limits.
- Consensus from Committee is for staff to look into specifics of potentially allowing bee farming and bring back to Committee of the Whole for further discussion.

7. Fire District Rent 2020 Update
- The City was waiting for the Joint Powers Agreement amendment to go through to clear up whether the rent is $1 or fair market value.
- After City Administrator Wood spoke with the City Attorney, a resolution would clearly explain that the City Council wishes to charge the Fire District $1 for rent payment for 2020.
- Going forward, the newly signed lease-purchase agreement makes the rent not an issue anymore.



8. Heritage Walk Improvements
- There is only an 8-foot boulevard to the right-of-way from back of curb so the trail option would not be able to be done.
- The only viable option is to do what is already done to most of Heritage which is a 6-foot wide concrete walk running along the back of curb.
- It is 10% under what was budgeted.
- Consensus from Committee is to move forward and get a plan set to get a price.

9. Eagle Park
- 12 stalls were deeded to the private property in 1993 and they are assigned that way.
- It was discussed to potentially reduce pavement area.
- The private property does not have an easement to the 12 parking stalls.
- The cost savings to making the area a greenspace is about $10,000.
- Consensus from Committee is for staff to look at possible cost of altering into greenspace and possible grant funding.

F. Adjournment

Meeting was adjourned at 6:57 p.m.

Respectfully Submitted.

Jaden Strand
City Clerk

CITY OF ISANTI

PLANNING COMMISSION MEETING

TUESDAY, January 19, 2021

Immediately following the 7:00 P.M City Council Meeting;

1. **Meeting Opening**
   - A. Call to Order: Chair Johnson called the meeting to order at 7:23 p.m.
   - B. Pledge of Allegiance
   - C. Roll Call: Members present: Jeff Johnson, Dan Collison, Steve Lundeen, Jimmy Gordan, Paul Bergley, Alexander Collins, Arissya Simon.
     Members Absent: None
     Staff present: Community Development Director Sheila Sellman, Community Development Specialist Ryan Saltis, City Administrator Josi Wood, City Engineer Jason Cook
   - D. Agenda Modifications: Remove Public Hearing Item 4.B

2. **Organization of Advisory Bodies as per the City Code of Ordinances Chapter 8**
   - A. Election of 2021 Chair
   - B. Election of 2021 Vice-Chair
   - C. Election of 2021 Secretary
   - D. Approval of Meeting Dates

   The Planning Commission approved the 2021 meeting calendar, and the positions of the Chair (Jeff Johnson), Vice-Chair (Steve Lundeen) and Secretary (Sheila Sellman or designee) will remain the same as the 2020 positions. Motion for approval by Lundeen, second by Collision, motion passes 7-0.

3. **Meeting Minutes**

   A. Approval of Minutes from December 15, 2020 Planning Commission Meeting motion by Collison, second by Simon motion passes 7-0.

4. **Public Hearing**

   A. Request by Homepride, Inc for consideration of a Preliminary Subdivision and a Planned Unit Development called "Fairway Greens North" at PID's 16.020.1000 and 16.020.0803. Sellman presented the preliminary plans for a proposed single family residential housing development called Fairway Greens North. Representatives of the applicant, Homepride Inc and engineer of LHB Inc, were at the meeting and available for questions. There was no one present from the public to speak at the public hearing. The Planning Commission discussed if having one entrance/exit into the development would be sufficient for traffic and circulation of emergency vehicles. It was noted that the fire chief recommends another entrance/exit for the development to allow for multiple access points. The

applicants explained that this request would be difficult due to the existing natural features on site such as wetlands and forested areas which are intended to be preserved. And they do provide two outlets, one on the north and one to the east, but those won't be used until the adjacent lands develop. The applicant explained the entrance road off Cajima is wider than a standard road, that the 40 ft width would have enough clearance for cars and emergency vehicles to pass through, given that a condition is in place where there is no parking on this road along the north side. The Planning Commission was in agreement to this condition.

The Planning Commission also discussed the tree removal/preservation plan and whether the number of trees dispersed across the site after the removal of the wooded areas would be sufficient or if the lots would need to add an additional 2 trees (from the landscaping ordinance) on top of the replacement amount from the removal. The applicants explained that they would be planting over 400 trees across the development due to taking out expansive wooded areas, and that this number would equal more than two trees planted per lot. The Planning Commission determined that the number of trees that would be replanted would be sufficient as long as they place at least two trees per lot. Park dedication was also discussed and the applicants agreed to pay the fees associated with designating park space of a little over three acres. Conditions for approval from the Planning Commission include no parking on the north side of the entrance, requiring at least two trees per lot, and the applicant pays park dedication fees. Motion for approval of the preliminary plans with conditions given by the Planning Commission, conditions listed in the City Engineer's Report dated January 13th, 2021 and conditions listed in the Community Development Director's report dated January 19, 2021 by Lundeen, 2nd by Collison, motion passes 7-0.

B. Request by the City of Isanti for a Preliminary and Final Subdivision to combine the current UPS parcel, PID 16.053.0151, with a city-owned vacant parcel to the east located at PID 16.029.1400 and 16.020.0803.

This agenda item was removed at the beginning of the Planning Commission meeting.

C. Request by the City of Isanti for a Preliminary and Final Subdivision to subdivide PID 16.124.0020 into three five-acre lots

The Planning Commission discussed splitting up the 15-acre parcel into three five-acre lots of the shovel ready site, in which LTL, LLC will be purchasing the northern two lots. The city will retain the southern lot for sale in the future. A representative from LTL, LLC was present for questioning. There was no one from the public who spoke at the public hearing. Motion for approval to subdivide the parcel by Bergley, 2nd by Collins, motion passes 7-0.

5. **Other Business:** None
6. **Discussion Item:** None
7. **Adjournment:** Motion by Bergley, 2nd by Lundeen to adjourn, motion passed 7-0 meeting adjourned at 8:19 p.m.

Respectfully submitted by Ryan Saltis, Community Development Specialist

SPECIAL PLANNING COMMISSION MEETING
TUESDAY, March 2, 2021

1. Meeting Opening

A. **Call to Order**: Chair Johnson called the meeting to order at 7:37pm
B. **Pledge of Allegiance**
C. **Roll Call:** Members present: Jeff Johnson, Steve Lundeen, Paul Bergley, Dan Collison, Alexander Collins, Jimmy Gordon.
Members absent: Arissya Simon.
Staff present: Community Development Director Sheila Sellman, City Administrator Josi Wood, City Engineer Jason Cook, Police Chief Travis Muyres, Widseth Project Team Mike Angland.
D. **Agenda Modifications:** None
E. **Adopt Agenda**: Motion by Lundeen, second by Collison to approve motion passes 6-0.

2. Public Hearing

A. Request by the City of Isanti for approval of a Site Plan as required under City Ordinance 445, Sect. 18. Said request is for a municipal liquor store located at 10 6th Ave SE PID 16.029.2100. Sellman gave a power point presentation on the proposed liquor store. She commented that as proposed all zoning requirements have been met. Collison had questions about building signage and commented that we should look into internally lit signage for the building. Lundeen responded that different signage alternatives will be presented and that detail will be worked out at the permit process. Sellman noted that she would bring any sign proposals to the Council for approval. Collison questioned if the parking lot medians are necessary along the trailer parking area, noted that makes it harder for the plow trucks. City Engineer Cook responded that is for separation and to provide a guide for winter parking. He noted that there is an outlet on the SE corner of the site for a plow truck. The public hearing was opened and no one from the public spoke on this item. Motion by Lundeen to approve the site plan as presented, second by Collison, motion passed 6-0.

3. Adjournment: Motion by Lundeen, second by Collison to adjourn, motion passed 6-0 meeting adjourned at 7:53pm.

Respectfully submitted by Sheila Sellman, Secretary/Community Development Director

CITY OF ISANTI
PARKS, RECREATION, AND CULTURE BOARD MEETING MINUTES
Febuary 23,2021

Call to Order: Matt Sylvester – Public Services Director called the meeting to order at 6:00 p.m.

Roll Call: Members Present: James Witte, Aaron Zdon, Council Member Jimmy Gordon and Mike Becker
Staff Present: Matt Sylvester: Public Services Director

Agenda/Modifications: Witte asked that discussion be had on the Sledding Hill. Sylvester added it too the Agenda.

2. Oath of Office: Zdon volunteered to be chair position if no one else was interested, Zdon accepted and motion passed 4-0. Witte volunteered to be vice chair, Zdon motioned to nominate Witte and seconded by Gordon. Motion passed 4-0. Secretary is assigned to city staff.

3. Meeting Minutes: Motion by Witte; second by Gordon to approve meeting Minutes from November 24, 2020. Motion passed 4-0.

4. Review of the Parks, Recreation and Culture Board meeting dates: Sylvester shared the 2021 dates along with the material submittal dates for 2021 and reminded the board members that if they have an item they would like added to an agenda these are the dates to have items in to staff by, motion by Witte second by Becker.

5. Overview of 2021 Projects
Sylvester shared that the Parks Brochure has been completed in the fall of 2020, along with items that are in the CIP plan for 2021, that the Isantian will be going digital, and also the many PRC Events and dates that will be happening this year. Discussion was also had on the Amphitheater design and the bathrooms that are in the CIP plan for 2021.Gordon shared that the bathrooms would be separate from the Amphitheater and that they would be in a more central location for a possible Splash Pad in the future. It was also shared by Sylvester that Curious Creatures has been canceled the last few months from a lack of interest and that the last movie night had zero in attendance.

6. Sledding Hill Agenda Modification:
Witte asked how the feedback for the Sledding Hill. Sylvester shared that a berm has been placed to prevent kids from sledding onto the street and that staff has not received any complaints about the hill. It was also shared that the Sledding Hill has had a number of people in attendance.

Adjournment: Motion by Witte, second by Gordon to adjourn the February 23, 2021 meeting of the Parks, Recreation, and Culture Board. Motion passed 4-0, meeting adjourned at 6:13 p.m.

Respectfully Submitted
Matt Sylvester
Public Services Director

DRAFT

Memo for Council Action

To: **Mayor Johnson and Members of the City Council**
From: Alyssa Olson - Parks, Recreation, and Events Coordinator
Date: April 6, 2021
Subject: Resolution 2021-XXX Approving a Special Event Permit Request for the Race for Life, DK Gold Cup Qualifier & MN State Qualifier

Background

Rum River BMX has submitted a special event permit application to host a three-day pedal bike racing event for the Race for Life, DK Gold Cup Qualifier and MN State Qualifiers. The event will take place Friday, April 23 through Sunday, April 25, 2021. The races will take place in the Isanti Indoor Arena, with some participant tents sized 12x12' to 24x24' being set up along the South and East sides of the building.

Event hours will begin with set-up on Thursday, April 22 from 4-8pm and the public event will run Friday from 6-9pm, Saturday from 10am-6pm, and Sunday from 7am-5pm.

The event map is attached with the desired layout for external elements. No road closures or parking restrictions are being requested. Rum River BMX and event volunteers will be responsible for cleaning up waste on the property after the event.

The approximate attendance in spectators is 800 per day. The spectators will have to follow the social distancing guidelines that are in place.

4 Portable restrooms will be brought in to accompany the existing restrooms; no outdoor audio system or live entertainment will be used. Race fees will be collected and a portion of fees will be donated to the Leukemia Cancer Society.

The complete application, along with the proposed site map, as well as departmental review are attached.

Staff Request

City staff is requesting approval of the Race for Life, DK Gold Cup Qualifier & MN State Qualifier Special Event Permit application and attachments.

RESOLUTION 2021-XXX

APPROVING A SPECIAL EVENT PERMIT APPLICATION FOR RACE FOR LIFE, DK GOLD CUP QUALIFIER & MN STATE QUALIFIER

WHEREAS, Rum River BMX has submitted a Special Event application requesting a permit to host the Race for Life, DK Gold Cup Qualifier & MN State Qualifier; and,

WHEREAS, a three-day pedal bike race event is scheduled to take place in the Isanti Indoor Arena from Friday, April 23 through Sunday, April 25; and,

WHEREAS, event set-up is scheduled for Thursday, April 22 from 4:00 pm to 8:00 pm; and,

WHEREAS, the estimated number of people to be in attendance each day is 800; and,

WHEREAS, the applicant will be required to provide additional restrooms for the event; and,

WHEREAS, parking during the event will be restricted to paved surfaces at the Isanti Indoor Arena, Bluebird Park parking lot or Skateboard Park, as per the venue agreement with the City of Isanti; and,

WHEREAS, the applicant has submitted a complete request with the application materials; and,

WHEREAS, public addressing systems and live entertainment will not be utilized during the event; and,

WHEREAS, the application submittal does not require a $100 clean-up deposit fee;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to hereby approve the special event permit request for Race for Life, DK Gold Cup Qualifier & MN State Qualifier;

AND FURTHERMORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota that this Resolution is hereby the "Permit" for the above stated Special Event.

This Resolution is hereby approved by the Isanti City Council this April 6 2021.

Attest: Mayor Jeff Johnson

Request for City Council Action

To: Mayor Johnson and Members of City Council
From: Ryan Saltis, Community Development Specialist
Date: April 6th, 2021
Subject: Site Plan Review and Conditional Use Permit for a Caribou Coffee with a drive-thru located at 260 5th Ave NE

Background: A presentation was given at the March 16, 2021 Planning Commission Meeting by the City's Community Development Specialist in regards to the site plans and conditional use permit for the proposed freestanding building located at 260 5th Ave NE. Discussion was had between Planning Commission Members regarding building appearance, drive-thru accessibility, fire safety measures, maneuverability of vehicles, site design and landscaping. The applicant, Jon Fahning of Coffee Holdings, LLC was present at the meeting and available for questions. Planning Commission members asked Jon about Fire Access to the building and drive-thru as well as other locations these coffee cabins are located. No one else from the public spoke at the public hearing.

The City of Isanti Planning Commission approved the Site Plans and Conditional Use Permit for a Caribou Coffee building with drive-thru facilities with conditions at the March 16, 2021 Planning Commission meeting. Motion for approval passed 7-0.

Request: Consider adopting the resolution and findings of fact.

RESOLUTION 2021-XXX

A RESOLUTION APPROVING THE SITE PLANS AND CONDITIONAL USE PERMIT FOR A CARIBOU COFFEE BUILDING WITH DRIVE-THRU FACILITIES LOCATED AT 260 5TH AVE NE

WHEREAS, Coffee Holdings, LLC (applicant) has requested approval for site plans of a Caribou Coffee Building and a Conditional Use Permit for Drive-Thru Facilities at 260 5th Ave NE in the City of Isanti (PID 16.029.0500); and,

WHEREAS, the property is located in the "B-2" General Business District and is subject to the additional requirements of the "H65" Highway 65 Corridor Overlay District, in both of the Zoning Districts a *Coffee house* is a permitted use; and,

WHEREAS, under Isanti Zoning Code Section 18, Subd.2(A) the construction of a new building is required to obtain approval of the Site Plan/Building Appearance; and,

WHEREAS, Section 21, Article 2: Conditional Use Permits, Subdivision 3(D) of the Zoning Ordinance establishes factors that the judgement of the Planning Commission shall be based upon when reviewing a Conditional Use Permit request as well as Section 21, Article 2: Conditional Use Permits, Subdivision 4 General Performance Standards of the Zoning Ordinance establishes additional general standards that shall be used to evaluate any proposed Conditional Use Permit request; and

WHEREAS, the proposed use for Drive-Thru Facilities meets all of the General Performance Standards of the Zoning Ordinance; and,

WHEREAS, the City of Isanti Planning Commission recommended approval of Site Plans and Conditional Use Permit for a Caribou Coffee Building with Drive-Thru Facilities on March 16, 2021; and,

WHEREAS, the City of Isanti City Council reviewed the requested Site Plans and Conditional Use Permit at its regularly scheduled meeting on April 6, 2021;

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Isanti, that it adopts the Findings of Fact and Conclusion related to the requested Site Plans and Conditional Use Permit for a Caribou Coffee Building with Drive-Thru Facilities;

BE IT FURTHER RESOLVED that the requested Site Plans and Conditional Use Permit be hereby APPROVED subject to the following conditions:

1. Lighting Designs shall follow requirements in Subdivision 5 Outdoor Lighting Standards of Section 14 of Isanti's City Zoning Ordinances.
2. Outdoor Patio design/layout of tables and seating shall be shown on site plan and approved by staff and as part of the development agreement.
3. Wall signs shall be altered to be within 1 foot from the side of the building.

4. All freestanding signs require a sign permit to determine dimensions and locations and are not approved as part of this site plan review.
5. Applicant shall apply for all permits associated with the building including a building permit, mechanical permit, plumbing permit, electrical permit, and sewer and water hookup.
6. All other conditions listed in the City Engineer's memo, dated 2/23/2021 shall be met.
7. A minor development agreement shall be executed and recorded prior to issuance of a building permit.

This Resolution is hereby approved by the Isanti City Council this 6th day of April, 2021.

FINDINGS OF FACT AND CONCLUSION

Request

Request by Coffee Holdings, LLC for a Conditional Use Permit for a Drive-Thru Window located at 260 5th Ave NE.

Findings of Fact

1. The applicant is requesting approval of a Conditional Use Permit for Drive-Thru Facilities for the property located at 260 5th Ave NE.
2. The Property is zoned B-2, General Business District within the Highway 65 Overlay.
3. A public hearing on the matter was scheduled before the City of Isanti Planning Commission on March 16, 2021 at 7:00 p.m. at City Hall within the City Council Chambers.
4. Notice of the Conditional Use Permit application was published with the *County Star* on March 5, 2021. Notices were sent to all property owners located within 350 feet of the aforementioned address.
5. Section 21, Article 2: Conditional Use Permits, Subdivision 3(D) of the Zoning Ordinance establishes factors that the judgement of the Planning Commission shall be based upon when reviewing a Conditional Use Permit request as well as Section 21, Article 2: Conditional Use Permits, Subdivision 4 General Performance Standards of the Zoning Ordinance establishes additional general standards that shall be used to evaluate any proposed Conditional Use Permit request.

Conclusions

1. In review of the standards established in Section 21, Article 2, Conditional Use (D); the following conclusions have been made (*conclusions to each requirement are shown in italics):*

   A. The proposed action has been considered in relation to the specific policies and provisions of and has been found to be consistent with the goals and objectives of the Comprehensive Plan, including public facilities and capital improvement plans. *The nature of the business and drive-thru service is consistent with the goals and objectives of Isanti's Comprehensive Plan. The subject property is serviced by city sewer and water.*

   B. The proposed action meets the purpose and intent of this Ordinance and the underlying zoning district. *Drive-Thru Facilities is a Conditional Use in the B-2 zoning district, applying for the CUP meets the purpose and intent.*

C. The establishment, maintenance or operation of the conditional use will promote and enhance the general public welfare and will not be detrimental or endanger the public health, safety, morals, or comfort. *The establishment will not be detrimental or endanger the public.*

D. The conditional use will not be injurious to the use and enjoyment of other property within the immediate vicinity for the purposes already permitted; nor substantially diminish or impair property values within the neighborhood. *The conditional use will not diminish or impair surrounding property values.*

E. The establishment of the conditional use will not impede the normal and orderly development and improvement of surrounding property for uses permitted in the district. *The conditional use will not impede on the normal and orderly development and improvement of surrounding property.*

F. Adequate public facilities and services are available or can be reasonably provided to accommodate the use which is proposed. *The site is served by City sewer and water, and will be able to reasonably accommodate the conditional use for the business' drive-thru facilities.*

G. The conditional use shall, in all other respects, conform to the applicable regulations of the district in which it is located. *The conditional use meets this requirement.*

H. The conditional use complies with the general and specific performance standards as specified by within this Article. *The conditional use meets this requirement.*

2. Section 21, Article 2, Subd. 4 addresses performance standards for Conditional Use Permit. The standards and staff responses *(italicized)* are below:

A. The use and the site in question shall be served by a street of sufficient capacity to accommodate the type and volume of traffic which would be generated an adequate public right-of-way shall be provided. *Staff believes that the existing street is of sufficient capacity to accommodate the type and volume of traffic as a result of the drive-thru facilities.*

B. The site design for access and parking shall minimize internal as well as external traffic conflicts and shall be in compliance with Section 17 of this Ordinance. *The proposed CUP for drive-thru facilities will have the capacity for 9 vehicles in the drive-thru lane, as well as two waiting stalls to prevent traffic conflicts. The drive-thru and by-pass lanes for the will not interfere with parking on site. All parking is met under Section 17 of this Ordinance.*

C. If applicable, a pedestrian circulation system shall be clearly defined and appropriate provisions made to protect such areas from encroachment by parked or moving vehicles. *Parking for this development does not impact pedestrian circulation.*

D. Adequate off-street parking and off-street loading shall be provided in compliance with Section 17 of this Ordinance. *Adequate off-street parking and off-street loading is provided in accordance with section 17 of this ordinance.*

E. Loading areas and drive-thru facilities shall be positioned so as to minimize internal site access problems and maneuvering conflicts, to avoid visual or noise impacts on any adjacent residential use or district, and provided in compliance with Section 17 of this Ordinance. *The drive-thru will be located in a position that is away from off-street parking areas on site. The site is not adjacent to a residential area.*

F. Whenever a non-residential use is adjacent to a residential use or district, a buffer area with screening and landscaping shall be provided in accordance with the provisions of Section 15 of this Ordinance. *The site is surrounded by other B-2 properties and Highway 65 and is not adjacent to a residential district.*

G. General site screening and landscaping shall be provided in compliance with Section 15 of this Ordinance. *The site is proposed to have plantings surrounding the entire drive-thru area and is in compliance with Section 15 of the City's Zoning Ordinance.*

H. All exterior lighting shall be directed so as not to cast glare toward or onto the public right-of-way or neighboring residential uses or districts, and shall be in compliance with Section 14 of this Ordinance. *Proposed lighting complies with the city's zoning code. This section is met.*

I. The site drainage system shall be subject to the review and approval of the City Engineer. *The site drainage has been reviewed by the City Engineer and has been approved.*

J. The architectural appearance and functional design of the building and site shall not be so dissimilar to the existing and potential buildings and area so as to cause a blighting influence. All sides of the principal and accessory structures are to have essentially the same or coordinated, harmonious exterior finish materials and treatment. *The building features 4-sided architecture with similar materials on all sides and is visually appealing.*

K. Provisions shall be made for daily litter control, an interior location for recycling and trash handling and storage or an outdoor, enclosed receptacle area shall be provided in compliance with Section 14 of this Ordinance. *A trash enclosure is proposed in the parking lot to the west of the building and outdoor trash and recycling is proposed in the outdoor patio seating area.*

L. All signs and informational or visual communication devices shall be in compliance with Section 16 of this Ordinance. *The applicant will need to submit a sign permit for review of the freestanding sign dimensions and location. Wall signage is included with the site plan review. All signage is intended to meet Section 16 of the City's Zoning Ordinances.*

M. The use and site shall be in compliance with any federal, state, or county laws or regulations that are applicable and any related permits shall be obtained and documented to the City. *The applicant will be required to obtain all proper licensing from the City, State, County, and Federal Governments as deemed necessary.*

N. Any applicable business licenses mandated by City Code are approved and obtained. *The applicant may be required to obtain proper licensing from the City, State, County, and Federal Government as deemed necessary.*

O. The hours of operation may be restricted when there is judged to be an incompatibility with a residential use or district. *The site is not adjacent to a residential district.*

P. The use complies with the applicable performance standards of the zoning district in which it is located and where applicable, any non-conformities shall be eliminated. *This use complies with the performance standards of the zoning district.*

Q. Additional Stipulations. All conditions pertaining to a specific site are subject to change when the City Council, upon investigation in relation to a formal request, finds that the general public health, safety, and welfare, can be served as well or better by modifying or expanding the conditions set forth herein. *Any additional stipulations will be included in the Conditional Use Permit approved by the City Council.*

Decision

The City of Isanti Planning Commission reviewed the request after a public hearing was held on March 16, 2021. The staff memo, and attachments shall be made part of the Findings of Fact and Conclusion.

Planning Commission Recommendation: Motion by Lundeen, seconded by Gordon to recommend approval of the Conditional Use Permit for Drive-Thru Facilities at 260 5th Ave NE.

A Community For Generations.

Isanti

MEMORANDUM

TO: Planning Commission

FROM: Ryan Saltis, Community Development Specialist

DATE: March 16, 2021

SUBJECT: Site Plan Review and Conditional Use Permit for a Caribou Coffee with a drive-thru located at 260 5th Ave NE

Request: The applicant, Coffee Holdings, LLC is requesting Site Plan and Conditional Use Permit (CUP) approval for a proposed building with a drive-thru located at 260 5th Ave NE for Caribou Coffee PID 16.029.0500.

Overview/Background: The applicant would like to construct a Caribou Coffee freestanding building on a 1.03-acre vacant lot located at the corner of Highway 65 and Main St E. A Caribou Cabin style building is proposed for the south side of the parcel while allowing room for future development on the remaining 0.46 acres of the north side of the parcel. This parcel is currently zoned B-2 General Business and is also within the Highway 65 Corridor Overlay District in which a "Coffee House" is a permitted use.

The building is intended to service drive-thru orders, walk up orders, along with order ahead requests to be delivered either curbside or via the pick-up window. The building is proposed to be 605 square feet and will be considered a "Caribou Cabin", a small-scale building without indoor seating that will only allow employees to enter. The interior of the building will accommodate the service equipment, a bathroom and office area. An outdoor patio of roughly 400 square feet is proposed for use during seasons that would allow for customers to sit outside. The site is designed to accommodate nine cars in the drive-thru area, with a designated bypass lane running parallel to the drive-thru lane. Fourteen Parking stalls are also displayed on the site plans, with two of these stalls designated as handicap accessible.

Analysis of Application: The site plan for the building shall comply with the following requirements for both the B-2 General Business District and the Highway 65 Corridor Overlay District:

Lot Requirements

- Lot Size 1 acre
- Minimum Building Size 15% of lot size

The area of the parcel is 44,902 square feet or roughly 1.03 acres in size. The proposed building is 605 square feet and will not meet the minimum building size requirement (15% of lot size) in the Highway 65 Overlay District. The area of the proposed building will be 1.3% of the total lot size. However, there will potentially be two buildings on this site, being flexible now will allow this to happen.

Setbacks and Height Restrictions – Principal Building

- Front Yard Setback 30 feet
- Side Yard Setback 15 feet
- Street Side Yard Setback 20 feet
- Rear Yard Setback 15 feet
- Highway 65 Setback 100 feet
- Maximum Building Height 3 Stories or 45 ft, whichever is less

The proposed building will be located roughly in the middle of the lot and will meet all required setbacks. The building will be single story and will not exceed the 45 feet height requirement.

Impervious Surface Coverage

Twenty-five (25) percent of the total lot area shall consist of green space. Five (5) percent of the total lot area shall be green space within the parking perimeter. (Ord. No. 618)

The proposed development will be roughly 0.57 acres on the south end of the site and the remaining 0.46 acres is intended to be developed in the future. The landscaping requirement of 25% of the total lot area as green space will be met for this phase of development.

Parking Lot Setbacks

- Front Yard Setback 10 feet
- Rear Yard Setback 10 feet
- Street Side Yard Setback 10 feet
- Side Yard Setback 10 feet

Parking areas on site will meet the required 10-foot setbacks from property lines.

Parking Standards

The following minimum number of off-street parking and loading spaces shall be provided and maintained:

Fast food, drive-thru restaurants	1 space for every 3 seats and 1 space for every employee on the peak shift, plus stacking space for 6 vehicles per service lane

This type of use will require at least 6 parking spaces in which one stall would need to be designated as handicap accessible. The site plans show 14 parking stalls, in which two parking stalls are designated as handicap accessible. The site plans meet the required number of parking spaces for the development.

TABLE 9: Parking Lot and Parking Stall Dimensions

Angle of Parking	Stall Width	Curb Length Per Car	Stall Length	Aisle Width One Way	Aisle Width Two Way
90 degrees	9 feet	9 feet	19 feet	26 feet	26 feet

The site features 90-degree parking stalls and will follow the required stall dimensions of 9 feet in width and 19 feet in length. The drive aisle widths are proposed at 26 feet and meet the requirement for two-way vehicle circulation. The entrance to the drive-thru lane is proposed at roughly 10 feet in width, MN State Fire Code states that this width shall be a minimum of 20 feet to allow fire apparatus access to the building and customer vehicles in the drive-thru. A minimum turning radius of 28 feet for access roads is also a regulation listed in the State Fire Code, and mentioned in the Fire Chief's memo. The applicant is requesting the ability to maintain the 12' width as they feel they are providing adequate access to the 605 square foot building via two other access points in an emergency situation as depicted on the site plan. The Planning Commission should discuss if they want to allow this request.

Bicycle Parking

Bicycle parking is required for all new construction commercial developments in the city and is determined by the number of required car parking stalls. Since this site requires less than 20 parking stalls, the development will only need 1 required bike parking space. The site plans show bicycle racks near the outdoor patio area and walk-up service window to the building. The bicycle racks are proposed in a convenient location less than 50 feet from the building and will comply with the City's Bicycle Parking standards.

Surfacing

All areas devoted for parking space and driveways shall be surfaced with asphalt, concrete, or other surface materials, as approved by the City Engineer, suitable to control dust and drainage. All parking areas shall be designed to control surface runoff to adjacent properties either with curbing or grading techniques.

The parking areas and drive-thru lanes are proposed to be surfaced with standard duty asphalt. Drive aprons around the site entrances, sidewalks and the outdoor seating patio will be surfaced with concrete.

Lighting

Any lighting used to illuminate off-street parking areas, signage, or buildings shall be directed away from residential properties and shall meet the standards as stipulated within Section 14 of this Ordinance.

Outdoor Lighting Standards

A. Prohibited Lighting: No use or structure shall be operated or occupied as to create light or glare in such an amount or to such a degree or intensity as to constitute a hazardous condition, or as to unreasonably interfere with the use and enjoyment of property with by any person or normal sensitivities, or otherwise as to create a public nuisance.

B. Minimum Standards: All uses shall comply with the following standards except as otherwise provided in this section:

1. Lighting fixtures shall be effectively shielded and arranged so as not to shine directly on any residential property. Lighting fixtures not of a cutoff type shall be subject to the following:

   a. Maximum initial lumens generated by each fixture shall not exceed two thousand (2,000) lumens (equivalent to a one hundred fifty (150) watt incandescent bulb).

   b. Mounting heights of such fixtures shall not exceed fifteen (15) feet.

2. Lighting shall not create a sensation of brightness that is substantially greater than ambient lighting conditions so as to create annoyance, discomfort, or decreased visual performance or visibility.

3. Lighting shall not directly or indirectly cause illumination or glare in excess of one-half (1/2) foot candle measured at the closest residential property line and five (5) foot-candles measured at the street curb line or non-residential property line nearest the light source.

4. Lighting shall not create a hazard for vehicular or pedestrian traffic.

5. Lighting of building facades or roofs shall be located, aimed, and shielded so that light is directed only onto the façade or roof.

6. Lighting shall be maintained stationary and constant in intensity and color, and not be of a flashing, moving, or intermittent type.

7. Business and industrial zoned property must light the trash enclosure areas for the safety of their employees.

A photometrics plan was submitted with foot candle readings and lighting types used on the site. Based on the foot candle readings on the photometrics plan these light sources will meet all criteria listed in Section 14 of the City Zoning Ordinance. Three downlit light poles are proposed to be placed around the drive-thru and bypass lanes and one light pole will be placed near the trash enclosure.

Curbing

Except for single-family dwellings, two-family dwellings, and townhouses, all parking areas located in the R-1, R-2, R-3, and R-4 as well as B-1, B-2, B-3, CBT, RC, I-1, or S-1 zoning districts must have curb and gutter around the perimeter of the parking lot.

Concrete curbing and gutters will extend around all parking areas and the drive-thru/by-pass lanes. The City Engineer's report addresses modifications to the curbing by replacing the existing curbing with B618 as needed.

Curb Cuts

The curb cuts proposed along 5th Avenue NE and Main St E are 26 feet in width and comply with City Standards.

Exterior Building Materials

These standards are intended to ensure coordinated design of building exteriors, additions and accessory structure exteriors in order to prevent visual disharmony, minimize adverse impacts on adjacent properties from buildings which are or may become unsightly, and buildings that detract from the character and appearance of the area. It is not the intent of this division of unduly restrict design freedom when reviewing and approving project architecture in relationship to the proposed land use, and site characteristics.

A. The exterior wall finishes on any building shall be comprised of one or more of the following materials:

1. Face brick.
2. Natural stone.
3. Glass.
4. Decorative concrete block as approved by the City Council.
5. Specifically designed pre-cast concrete units; if the surfaces have been integrally treated with an applied decorative material or texture.
6. Masonry stucco.
7. Other comparable or superior material as recommended by the Planning Commission and approved by the City Council.
8. No more than 75% of the building sides visible from Highway 65 may be constructed of decorative concrete block, pre-cast concrete or stucco.
9. The exterior of the building shall have varied and interesting detailing. Large unadorned walls shall be prohibited (50' or more). All large walls viewable from Highway 65 must be relieved by architectural detailing, such as change in materials, change in color, offsets, or other significant visual relief provided in a

manner or at intervals in keeping with the size, mass and scale of the wall and its views from the public right-of-way.

10. Exterior building material colors shall be complimentary of other buildings within the district.

11. Exterior elevations of all sides of a proposed building noting the material and color of each component, to include exterior building materials, awnings, mechanical screening material, fencing and the like, shall be submitted with the site plan for determination of compliance with the above requirements.

Exterior building materials include cultured/manufactured stone around the base of the entire building, Hardie Plank siding, trim board and metal roofing. Siding will be painted a teal color and the stone, trim and metal roofing are proposed to be varying brown colors. Exterior building material colors in the Highway 65 District are to be complimentary of other buildings within the district; the teal siding color does not match any surrounding buildings in the district but could be acceptable with flexibility and approval from the Planning Commission and City Council. The exterior of the building has varied detailing with materials and colors on all sides and visually appealing architectural detailing to resemble a "cabin feel" to the design.

B. Landscaping.

The site shall be landscaped in accordance with an approved landscape plan. All lots shall be sodded with four (4) inches of topsoil. One (1) tree shall be provided for every 10,000 square feet of lot or one (1) tree per fifty (50) feet of road frontage, whichever is greater.

The landscaping plan proposes to include 18 trees on site with 10 overstory trees planted along the perimeter of the site and 8 ornamental trees on the interior and north perimeter. The City Landscaping Ordinance requires that the site have at least 12 trees based on the lot frontage calculation (1 tree per 50 ft of lot frontage) and the proposed amount of 18 trees will meet this standard. The tree species and plantings proposed on the landscaping plan are consistent with the City Tree List and are permitted to be planted on site. Mulch will be placed around the perimeter of the site and sod will be laid on the interior of the site in between the drive-thru lane and the outdoor patio area.

Building Orientation

Building shall be oriented towards Highway 65 or, at a minimum, give the appearance of having a front facing Highway 65 (second front).

The building orientation is proposed to be four-sided architecture with all elevations proposing signage, stone base, plank siding and wall lamps. The west elevation will have a door for entering/exiting the building and the north, south, and east sides of the building will have windows.

Outdoor Seating Food service businesses, including, but not limited to, bakeries, delicatessens, coffee shops, and restaurants, may provide temporary outdoor seating as an accessory use for their patrons, provided the following requirements are met:

A. An administrative permit shall be reviewed and approved by the City Planner or his/her designee. If the proposed outdoor seating area abuts a residential district, then a Conditional Use Permit is required.
Site Plan Approval will suffice for this requirement and a separate administrative permit is not necessary.

B. Seating and furniture shall enhance the appearance of the business.

Furniture shall compliment the building and enhance the appearance of the business.

C. Seating areas shall be located in a controlled or cordoned area with at least one (1) opening to an acceptable pedestrian walk. When a liquor license is involved, an enclosure is required and the enclosure shall not be interrupted. Access to such area shall be through the principal building only. Signage shall be displayed that restricts the consumption of alcohol outside of the designated outdoor seating area. The proposed use is not selling alcohol and the patio is in a designated area with pedestrian access.

The outdoor seating area will have pedestrian access from the parking lot area and sidewalks allowing controlled pedestrian walkways. Alcohol will not be served on site and the patio area will not have to be enclosed.

D. Seating shall be located and designed so as not to interfere with pedestrian and vehicular circulation.

Outdoor patio design/plans shall be included on the site plan to display tables and seating areas to determine if these criteria are met for pedestrian access and flow. Such plans shall be submitted and approved by staff as part of the development agreement.

E. Seating areas shall be equipped with trash receptacles and shall be periodically reviewed for litter pick up.

Trash receptacles shall be located on site plans in the outdoor patio area to reduce litter by customers.

F. Seating areas shall not have loud speakers or audio equipment that is audible from adjacent property lines. All exterior sound equipment shall be shut off by ten (10) o'clock p.m.

Speakers or Audio Equipment are not shown on the exterior of building.

G. Lighting shall be permitted to the extent that it only illuminates the designated seating area.

Freestanding light poles are not shown on the photometrics plan to illuminate the seating area. Wall lamps are proposed on the side of the building as shown on the exterior elevation plans.

H. Seating areas shall not obstruct required accesses, entrances, and exits into the business establishment; but shall be located adjacent to the principal use.

The seating area is located in the middle of the site near the building and will not obstruct the access into the building.

I. Seating shall not be located in such a manner as to obstruct parking spaces. No additional parking is required for thirty (30) seats or less. Any additional seating over thirty (30) seats shall provide required parking based on one (1) space per three (3) seats.

Seating areas will not obstruct parking spaces. Seating layout shall be shown on site plans for staff to determine whether additional parking is needed.

J. Any proposed outdoor seating plan over fifty (50) seats shall be reviewed as a Conditional Use Permit.

If the applicant proposes an outdoor seating plan that exceeds 50 seats, they will need to apply for a Conditional Use Permit.

Refuse and Trash Receptacle Enclosures

A. Refuse. All lots within all zoning districts shall be maintained in a neat and orderly manner. No rubbish, salvage materials, junk, or miscellaneous refuse shall be openly stored or kept in the open when the same is construed by the City Council to be a menace or nuisance to the public health, safety, or general welfare of the City, or to have a depressing influence upon property in the area.

B. Trash Dumpsters and Garbage Receptacles Required: All new uses and buildings in all zoning districts, with the exception of the "R-1", "R-2", and "R-3A" Districts; shall have trash dumpsters or garbage receptacles provided on the parcel or lot and be adequately screened and enclosed. The location of trash dumpsters and garage receptacles shall be approved during the site plan approval process.

C. Standards for Trash Enclosures: Trash dumpsters and garbage receptacles shall be screened from all lot lines and public roadways, in accordance with the following provisions:

1. The screening devices shall be designed so that they are architecturally harmonious with the principal structures on the site and shall meet the requirements as specified in Section 15 of this Ordinance.

2. Trash enclosures shall be lit.

3. Trash enclosures shall be of an adequate size to accommodate all refuse and recyclables.

D. Enclosure and Receptacle Maintenance Required: Fencing and landscaping for trash dumpsters and garbage receptacles shall be maintained in good condition and shall be kept litter-free at all times.

The trash enclosure is proposed to be located in the parking area and will be screened with coniferous shrubs and a large overstory tree near the curb cut on 5th Ave NE. The colors of the enclosure and bollards is consistent with the principal building on site. The trash enclosure is proposed to be 7'8" in height and will open on two sides for access by latched gates. The trash enclosure is proposed to be illuminated with a light pole for safety of employees.

Mechanical Equipment

Mechanical equipment shall be screened from the public right-of-way and from adjacent residential properties. Screening shall be compatible with the principal building and shall be provided in accordance with the regulations as provided within Section 15, Subdivision 3 of this Ordinance.

The Mechanical Equipment Pad and Electrical Transformer Pad are located near the outdoor patio area and are screened from all roadways by coniferous shrubs and ornamental trees. Flagstone steppers allow accessibility to these pads from the patio area.

Drive-Thru Facilities

Permitted by a Conditional Use Permit only as an accessory use to a business or restaurant providing the following requirements are met:

A. No drive-thru window shall be adjacent to a public street.

The proposed drive-thru window will be located on the north side of the building and will not be adjacent to a public street.

B. Drive-thru facilities shall be limited to one (1) service window which is part of the principal structure and not more than two queuing lanes, unless approved along with additional landscaping, screening, or other pedestrian amenities such as fencing, seating, raised pedestrian crossings, etc.

The exterior building elevations display one drive-thru window and one designated queuing lane, with a bypass lane running parallel to the drive-thru lane.

C. There shall not be any additional curb cuts on a public right-of-way exclusively for the use of drive-thru queuing or exit lanes. Drive-thru traffic shall enter and exit from internal circulation drives.

The curb cuts will be located on 5th Ave NE and Main St E to access the site. These curb cuts will not be used exclusively to enter the drive-thru lanes.

D. Queuing space for at least four (4) cars or seventy (70) feet shall be provided per drive-thru service lane as measured from but, not including the first drive-thru window or teller station.

The drive-thru lane will be able to accommodate 9 cars, with 2 additional waiting stalls ahead of the drive-thru window.

E. Queuing space shall not interfere with parking spaces or traffic circulation with the parking lot or upon the public right-of-way.

Queuing space is located on the east side of the site and will wrap around the building, while the parking stalls are located on the west side of the parcel. Traffic circulation for cars entering into parking stalls will not be impacted by the drive-thru lane.

F. Alcoholic beverages shall not be served.

There will be no alcoholic beverages sold on site.

G. Exterior loud speakers shall be located a minimum of one hundred fifty (150) feet from any parcel containing a residential use and such speakers shall comply with the noise regulations as provided within Isanti City Code of Ordinances.

The site does not border a residential area.

H. A by-pass lane shall be provided, allowing autos to exit the drive-thru lane from the stacking lane.

A by-pass lane is provided that runs parallel to the drive thru lane, allowing vehicles to exit the drive-thru lane from the stacking lane.

I. Screening of automobile headlights must be provided. Screening shall be at least three (3) feet in height and fully opaque. Screening shall consist of a wall, fence, dense vegetation, berm or grade change or similar screening as determined to be acceptable by the City Council.

The landscaping plan displays trees and shrubs surrounding the drive-thru and by-pass lane to screen vehicle headlights from surrounding parcels and roadways.

Drive-Thru Facilities are a Conditional Use and must follow criteria prior to approval. The Planning Commission shall hold a public hearing and consider possible adverse effects of the proposed Conditional Use. The judgment of the Planning Commission shall be based upon, but is not limited to the following factors:

1. The proposed action has been considered in relation to the specific policies and provisions of and has been found to be consistent with the goals and objectives of the Comprehensive Plan, including public facilities and capital improvement plans.

The nature of the drive-thru service is consistent with the goals and objectives of Isanti's Comprehensive Plan. The subject property is serviced by city sewer and water.

2. The proposed action meets the purpose and intent of this Ordinance and the underlying zoning district.

   Drive-Thru Facilities is a Conditional Use in the B-2 zoning district and Highway 65 overlay district and is an accessory use to a business or restaurant. Applying for the CUP meets the purpose and intent.

3. The establishment, maintenance or operation of the conditional use will promote and enhance the general public welfare and will not be detrimental or endanger the public health, safety, morals, or comfort.
   The establishment will not be detrimental or endanger the public.

4. The conditional use will not be injurious to the use and enjoyment of other property within the immediate vicinity for the purposes already permitted; nor substantially diminish or impair property values within the neighborhood.
   The conditional use will not diminish or impair surrounding property values.

5. The establishment of the conditional use will not impede the normal and orderly development and improvement of surrounding property for uses permitted in the district.
   The conditional use will not impede on the normal and orderly development and improvement of surrounding property.

6. Adequate public facilities and services are available or can be reasonably provided to accommodate the use which is proposed.
   The site is served by City sewer and water, and will be able to reasonably accommodate the conditional use for Drive-Thru Facilities.

7. The conditional use shall, in all other respects, conform to the applicable regulations of the district in which it is located.
   The conditional use meets this requirement.

8. The conditional use complies with the general and specific performance standards as specified by within this Article.
   The use meets this requirement.

<u>Signs</u>

Wall signs.

1. Wall signs shall be located a minimum of one (1) foot from the side of the building or unit line.

   Signs located on the front and rear elevations show lettering that overlaps the side of the building and does not meet this requirement to be located a minimum of 1 foot from the side of the building. Sign plans shall be altered to meet this requirement.

2. The minimum sign area for each building or tenant shall be not less than twenty-five (25) square feet.

   The building is proposed to have signage on all sides and will not be less than 25 square feet in area.

3. The maximum wall sign area is to be no greater than three hundred (300) square feet per business or unit regardless of wall size.

   The building will not exceed 300 square feet in sign area.

4. One (1) wall sign per building or unit is permitted on the primary frontage. Additional wall signage may be permitted on the secondary frontage, which shall not exceed eighty (80) percent of the primary sign area allowance.

   Wall signs are proposed on all four sides of the building. The front and rear elevations will have similar wall size dimensions and both side elevations will have the same dimensions. Two wall signs are proposed on both sides of the building and will not meet this requirement. Planning Commission shall discuss the wall signage proposed on the building. What is your recommendation?

5. Wall signs shall not exceed the number of square feet for every lineal frontage of building or unit wall in which the sign is to be located, for the district in which it is located, as provided: Zoning District Square feet of Sign Area B-1 1 CBT, B-3, RC, POS 1.5 Heritage Blvd Overlay, I-1 1.75 B-2 2 TH 65 Overlay 2.5

   Wall signs in the Highway 65 Overlay District are allowed up to 2.5 square feet of sign area for every lineal frontage of the building. Based on the dimensions of the building and sign area proposed, the wall signs will meet this standard.

6. Wall signs shall not project more than eighteen (18) inches from the façade of the building.

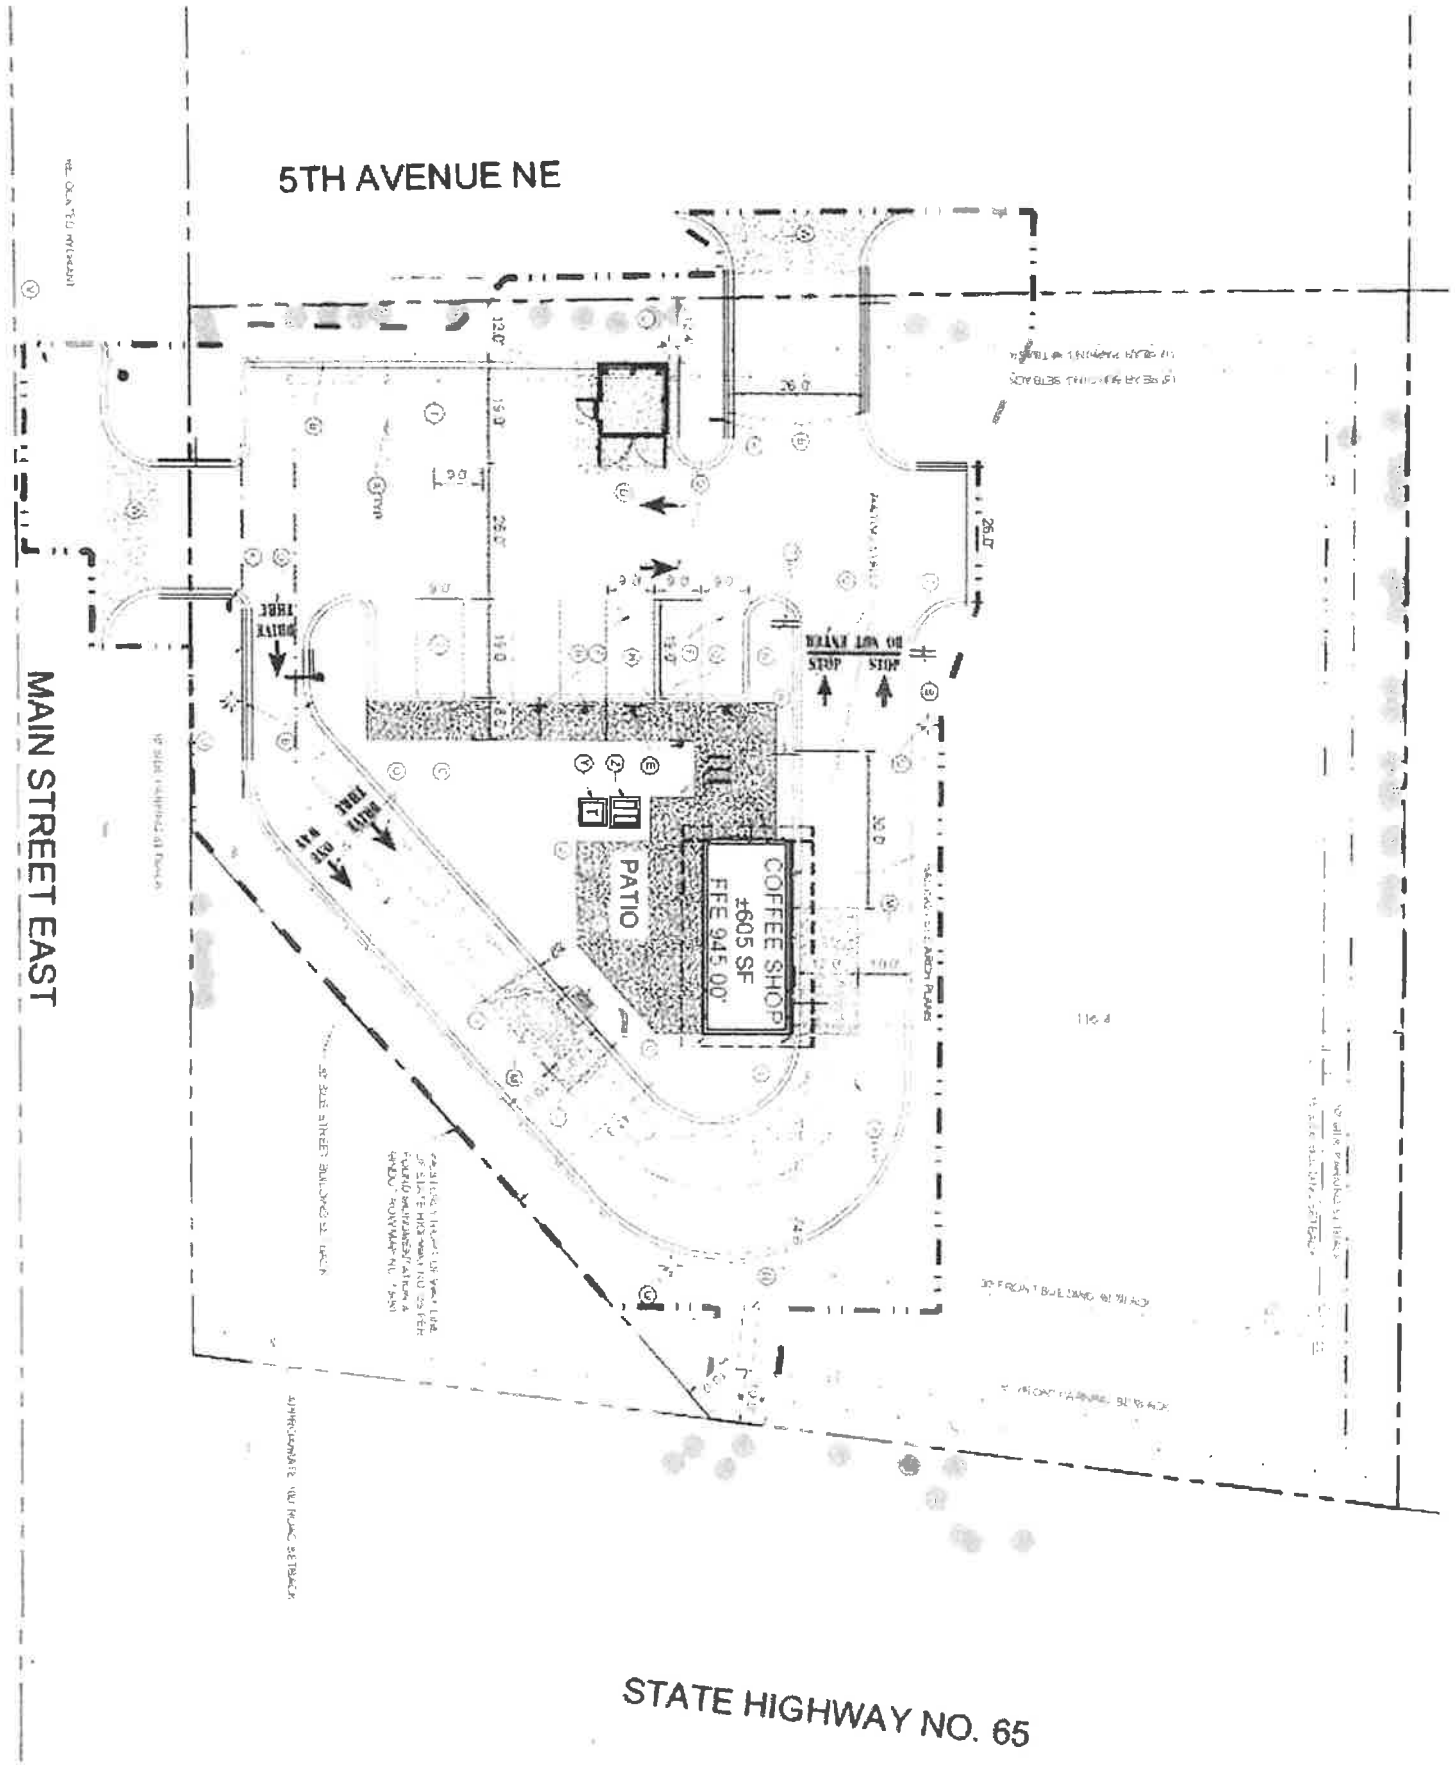
   Wall signs are proposed to project roughly 5 inches from the façade of the building.

7. On non-residential multiple story buildings, wall signs shall be located below the bottom of the second story; except that wall signs indicating the building name or the name of the primary occupant shall be permitted above the floor level of the highest floor in the building.

The building is proposed to be one story in height.

8. Illumination. The light source shall be either internal or shielded external to minimize glare and light spilling unto neighboring properties. The illumination of signs shall not interfere with surrounding uses.

   The proposed wall signs show a trim cap surrounding signage that will shield the light from glare. Illumination of these signs will not interfere with surrounding uses.



The site proposes wall signage on all four sides of the building, directional signs near the curb cuts on 5th Ave NE and Main St E. and one freestanding sign near Highway 65. The freestanding sign proposed near Highway 65 follows the requirement for 10 ft setbacks from property lines. Dimensions for the freestanding sign were not provided, therefor the sign will not be included with this site plan review. A sign permit for this freestanding sign shall be provided with dimensions, materials and location prior to approval. Menu boards for the drive-thru will not exceed the 60 square foot maximum requirement.

Staff Recommendation: Staff recommends approval of the Site Plan and Conditional Use Permit for the proposed Caribou Coffee free standing building located at 260 5th Ave NE with the following conditions:

1. Lighting Designs shall follow requirements in Subdivision 5 Outdoor Lighting Standards of Section 14 of Isanti's City Zoning Ordinances.
2. Outdoor Patio design/layout of tables and seating shall be shown on site plan and approved by staff and as part of the development agreement.
3. Wall signs shall be altered to be within 1 foot from the side of the building.
4. All freestanding signs require a sign permit to determine dimensions and locations and are not approved as part of this site plan review.
5. Applicant shall apply for all permits associated with the building including a building permit, mechanical permit, plumbing permit, electrical permit, and sewer and water hookup.
6. All other conditions listed in the City Engineer's memo, dated 2/23/2021 shall be met.
7. A minor development agreement shall be executed and recorded prior to issuance of a building permit.

MEMORANDUM

Date: February 23, 2021

To: Sheila Sellman, Community Development Director

From: Jason W. Cook, P.E.
City Engineer

Subject: Caribou Cabin Isanti - Plan Set - Engineering Review
City of Isanti, MN
Project No.: 0R1.123130

We have reviewed the Site Plan entitled "Caribou Cabin Isanti" received on February 22, 2021 with an "Issued for Review-Not for Construction" note and a revision date of 2/18/2021.

The project includes the construction of a new Caribou Cabin building and parking lot. The site plan includes 14 single car parking stalls (including 2 handicap stalls), a storm water collection system, sanitary sewer and water service extensions, a drive through with bypass lane, landscaping, and site grading.

We have reviewed the submitted documents and have the following comments:

General Comments:

1. Issue final plans that have a signature date.
2. Create removal plan depicting the following along with all other removal items needed:
    a. Show how many trees will be removed
    b. Remove the existing concrete driveway apron and curb cut onto Main Street. Replace curb with full B618 through old entrance.
    c. Remove sidewalk as needed along 5th Avenue.
    d. Remove existing curb & gutter & replace with valley gutter or full B618 as needed.

Site Plan Sheet:

1. Show patching the existing sidewalk at the storm sewer crossing and at the proposed 5th Avenue Driveway with ramps as needed for grade.
2. Extend new 5' wide sidewalk along Main Street from 5th Avenue Ped Ramp to Main Street driveway access.
3. Concrete valley gutters will be needed at both proposed entrances.
4. Depict where gutter out curb will be used.
5. See attached record drawing for pavement section in the street for patching. Show proposed pavement section in parking lot and on street patch.
6. Show B618 C&G required along city streets.
7. Monument sign placement is shown in MnDOT Right-of-Way. Written approval from MnDOT will need to be submitted to the City prior to approval of site plan and sign location.

Bolton & Menk is an equal opportunity employer.

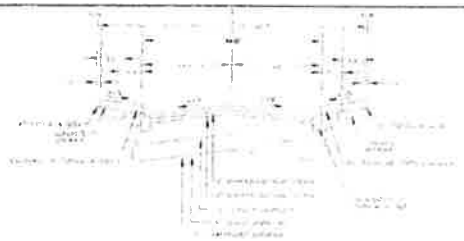
Ramsey, MN 55303-5119

Ph: (763) 433-2851
Fax: (763) 427-0833
Bolton-Menk.com

8. Label stop signs on plan.

Grading Plan Sheet:

1. 5th Avenue entrance cannot exceed 1.5% across sidewalk walkway. Show sidewalk ramps as needed to tie into entrance and joint concrete to delineate walkway.
2. Does the storm sewer pipe cross too close to the proposed light pole between STRM 105 & STRM 102?



Utility Plan Sheet:

1. See attached marked up record drawing for location of existing water service stub and alternate hydrant relocation. Remove street patch area from plans.

Landscaping Plan:

1. Verify all disturbed surfaces will receive landscaping or 4-inches of topsoil and sod. Seeding is not allowed. The General Notes include both seeding and sodding notes.
2. Submit irrigation plan.

We recommend approval of the plans once the above comments are addressed.

RE: Caribou Coffee Plan Review

Isanti Fire has reviewed the proposed Caribou Cabin on 5th Avenue NE in the City of Isanti, for Coffee Holdings, LLC. Listed below are noted concerns regarding fire safety, as well as applicable language from the 2015 MN State Fire Code.

1) Fire access (road) to south, and east facing building sides. To allow fire apparatus access to building and customer vehicles in the drive through, please ensure the access road maintains a minimum width of 20 feet and a minimum radius of 28 feet.

503.1.1 Buildings and facilities.
Approved fire apparatus access roads shall be provided for every facility, building, or portion of a building hereafter constructed or moved into or within the jurisdiction. The fire apparatus access road shall comply with the requirements of this section and shall extend to within 150 feet (45 720 mm) of all portions of the facility and all portions of the exterior walls of the first story of the building as measured by an approved route around the exterior of the building or facility.

503.2.1 Dimensions.
Fire apparatus access roads shall have an unobstructed width of not less than 20 feet (6096 mm), exclusive of shoulders, except for *approved* security gates in accordance with Section 503.6, and an unobstructed vertical clearance of not less than 13 feet 6 inches (4115 mm).

503.2.4 Turning radius.
The required turning radius of a fire apparatus access road shall be determined by the fire code official.

Sincerely,

Alan Jankovich | Fire Chief
Isanti Fire District

STATE OF MINNESOTA
COUNTY OF ISANTI
CITY OF ISANTI

ISANTI CITY COUNCIL
CONDITIONAL USE PROCEEDINGS

In the matter of Caribou Coffee Drive-Thru Facilities, 260 5th Ave NE, Isanti Minnesota

Request: A Conditional Use Permit for Drive-Thru Facilities in the B-2 Zoning District within the Highway 65 Corridor Overlay.

CONDITIONAL USE PERMIT

The above referenced application for a Conditional Use Permit was heard before the City of Isanti Planning Commission on March 16, 2021 and the Isanti City Council on April 6, 2021 pursuant the Isanti Zoning Ordinance, for the following described property:

LEGAL and ADDRESS 260 5th Ave NE PID: 16.029.0500

IT IS HEREBY approved that a Conditional Use Permit be granted at the above described property subject to the following conditions:

1. The Conditional Use Permit shall be recorded by the applicant and proof of recording submitted to the City.
2. Lighting Designs shall follow requirements in Subdivision 5 Outdoor Lighting Standards of Section 14 of Isanti's City Zoning Ordinances
3. Outdoor Patio design/layout of tables and seating shall be shown on site plans
4. All signs shall need a sign permit when applicable to determine dimensions and locations
5. Location of the freestanding sign along Highway 65 will need permission from MNDOT if placed in ROW
6. Applicant shall apply for all permits associated with the building including a building permit, mechanical permit, plumbing permit, electrical permit, and sewer and water hookup.
7. All other conditions listed in the City Engineer's memo, dated 2/23/2021.
8. A minor development agreement shall be executed and recorded prior to issuance of a building permit.

Request for City Council Action

To: Mayor Johnson and Members of City Council
From: Sheila Sellman, Community Development Director
Date: April 6, 2021
Subject: Resolution 2021-XXX Approving a Variance to the Rear Setback for 511 Bluebird Court

---

Background: A public hearing was held at the March 16, 2021 Planning Commission meeting. No one from the public spoke on this item. Staff gave the staff report and concluded that not all of the practical difficulties used in connection with granting a variance could be made; therefor recommended denial. Below is what was presented to the Planning Commission (full report attached):

A. The property owner proposes to use the property in a reasonable manner not permitted by the zoning ordinance. *A single-family dwelling is permitted by the zoning ordinance however the setback proposed does not. A single-family home is a reasonable use of the land and meeting the setback can be achieved if they reduce the side of the porch or reconfigure somehow.*

B. The plight of the landowner is due to circumstances unique to the property and has not been caused by the landowner. *This property is not unique and the circumstances are directly caused by the owners.*

C. A variance, if granted, will not alter the essential character of the locality. *Granting a variance for a rear yard setback does not alter the essential character of the locality.*

D. Practical difficulties include but are not limited to, inadequate access to direct sunlight for solar energy systems.
Not applicable.

E. Economic considerations alone do not constitute practical difficulties.
Economic considerations do not play a role in this situation

After the Planning Commission reviewed the above information, they recommended approval with a 6-1 vote and approved based on the following findings:

1. A single-family home is a reasonable use of the land and meeting the setback can be achieved if they reduce the side of the porch or reconfigure somehow.
2. Granting a variance for a rear yard setback does not alter the essential character of the locality.
3. Economic considerations do not play a role in this situation
4. A precedence has been set other variances like this have been approved
5. There is not a utility easement where the porch will be placed
6. The lot backs up to an outlot

Request: Consider adopting the resolution and findings of fact.

RESOLUTION 2021-XXX

A RESOLUTION APPROVING A VARIANCE TO THE REAR YARD SETBACK FOR 511 BLUEBIRD COURT

WHEREAS, Paradise Homes (applicant) has requested a variance to the 30-foot rear yard setback for property located at 511 Bluebird Court City of Isanti (PID 16.029.0500); and,

WHEREAS, the property is zoned R-1 PUD and is subject to the setbacks established in the PUD; and,

WHEREAS, Section 21, Article 5: Variances, Subdivision 4(D) of the Zoning Ordinance establishes criteria used in granted a variance; and,

WHEREAS, the City of Isanti Planning Commission held a public hearing on March 16, 2021 and recommended approval; and,

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Isanti, that it adopts the Findings of Fact and Conclusion related to the requested variance to the 30-foot setback, resulting in a 26-foot setback for a three-season porch;

BE IT FURTHER RESOLVED that the requested variance is hereby APPROVED subject to the following conditions:

1. The reduced setback applies only to the three-season porch shown on plans dated received February 17, 2021.

This Resolution is hereby approved by the Isanti City Council this 6th day of April, 2021.

_____

Mayor Jeff Johnson

Attest:

_____

Jaden Strand
City Clerk

FINDINGS OF FACT AND CONCLUSION

Request

Request from Paradise Homes for a variance to the rear yard setback to construct a 4-season porch within the 30-foot rear setback requirement of Legacy Pines Second Addition PUD located at 511 Bluebird Court PID 16.155.0080.

Findings of Fact

1. Paradise Homes (applicant) submitted an application for a variance to the rear yard setback resulting in a 4.68 encroachment into the 30-foot requirement.
2. The property is zoned R-1 PUD. In which, the use is permitted.
3. A public hearing was held at the Planning Commission on March 16, 2021.
4. Notice of the Site Plan Review request was published within the Isanti County News on March 4, 2021. Notices were sent to all property owners located within 350 feet of the subject property.

Conclusions

1. In review of the standards established in Section 25, Article 5, the following conclusions have been made (*conclusions to each requirement are shown in underlined italics)*:
   A. A single-family home is a reasonable use of the land and meeting the setback can be achieved if they reduce the side of the porch or reconfigure somehow.
   B. Granting a variance for a rear yard setback does not alter the essential character of the locality.
   C. Economic considerations do not play a role in this situation
   D. A precedence has been set other variances like this have been approved
   E. There is not a utility easement where the porch will be placed
   F. The lot backs up to an outlot

Decision

The Planning Commission reviewed the request in a public hearing on March 16, 2021. The meeting minutes, staff memo, and attachments shall be made a part of the Findings of Fact and Conclusion.

Planning Commission Recommendation:

Motion by Gordon, second by Simon to recommend approval of the variance as presented for a variance to the 30-foot setback for 511 Bluebird Court PID 16.155.0080.

Motion carried unanimously 6-1, Commissioner Johnson voted Nay.

A Community For Generations.

Isanti

MEMORANDUM

TO: Planning Commission

FROM: Sheila Sellman, Community Development Director

DATE: March 16, 2021

SUBJECT: Request by Paradise Homes for a Variance under City Ordinance 445, Section 21, Article 2, said request is to construct a four-season porch within the 30-foot rear setback requirement of Legacy Pines Second Addition PUD, located at 511 Blue Bird Ct, PID 16.155.0080.

Request: Paradise Homes is requesting a 4.68-foot variance to the 30-foot rear yard setback for construction of a 4-season porch.

Overview/Background: The subject site is vacant and legally described as Lot 8, Block 1, Legacy Pines 2nd Addition. This is a new residential development that is finishing building out the 2nd addition and the 3rd Addition is starting construction. The subject site has a rear yard setback of 30 feet and the applicant is requesting a variance to encroach on the required setback.

As stated previously the subject site is a vacant residential lot. The buyers of the lot are in the design phase and would like to build a 196 square foot 4-season porch with full basement on the back of the house. According to the applicant the building in the front is only 54 feet (to meet setbacks) so the home was designed to be narrow and long, which causes the setback encroachment. According to the applicant this is the best location for the porch as it is advantageous for energy savings, safety and mechanical issues.

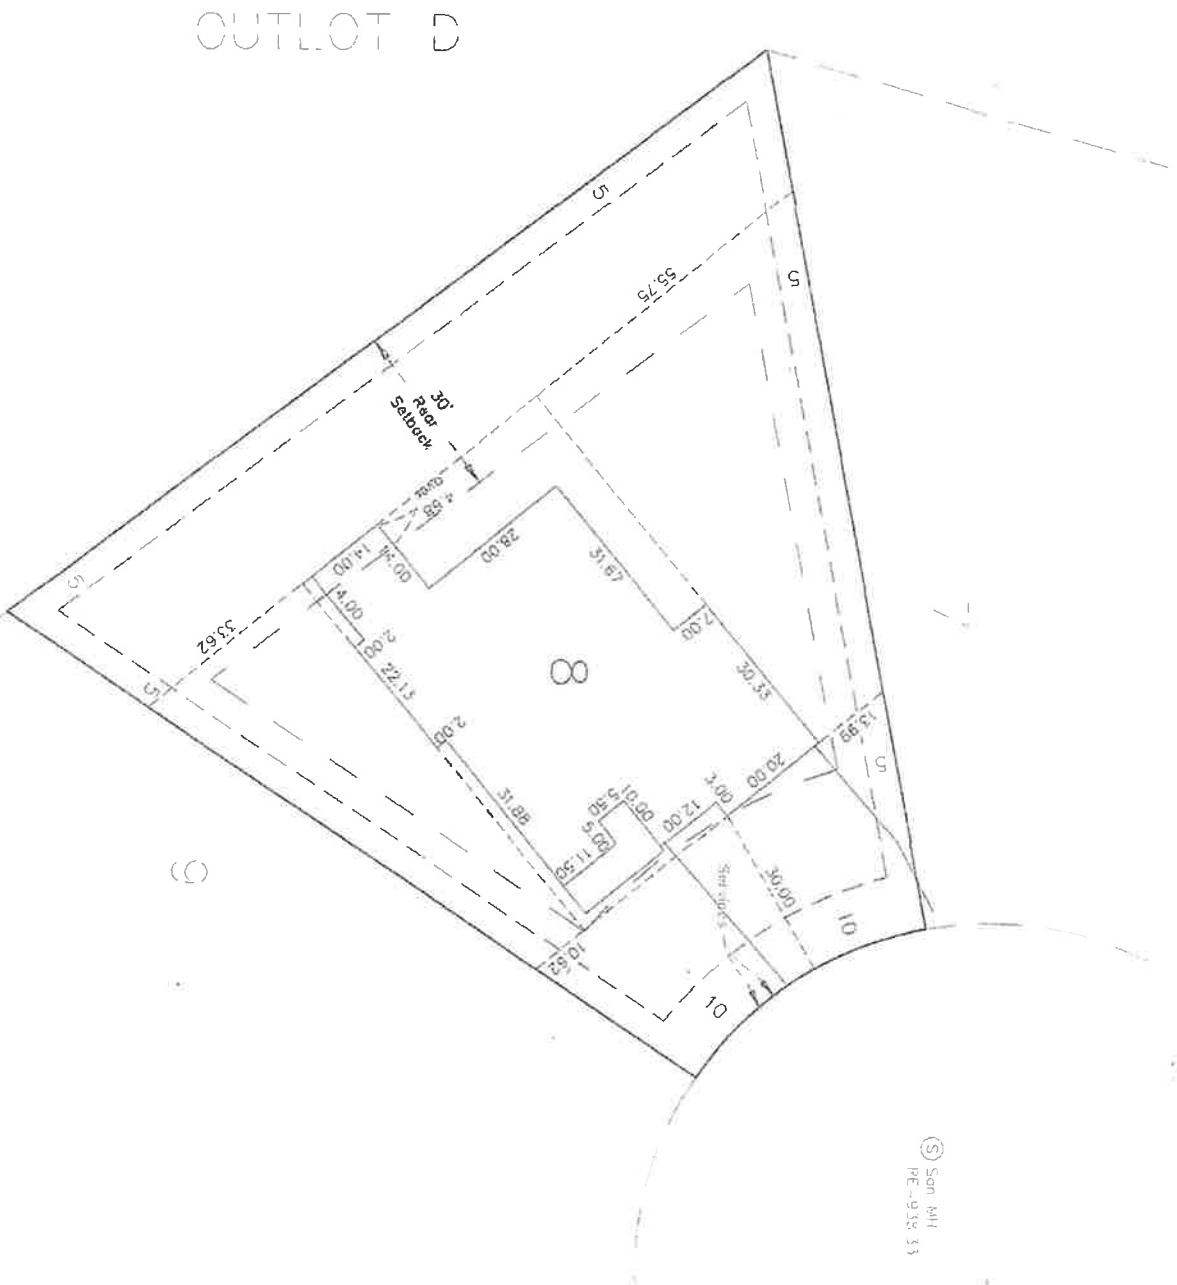
In review of the standards established within Section 21 Administration and Enforcement, Article 5 Variances, Subdivision 4 Procedures (D), the following conclusions have been made (*conclusions to each requirement are shown in italics)*:

An application for a variance shall not be approved unless the variance, if permitted, is in harmony with the general purposes and intent of the ordinance and is consistent with the Comprehensive Plan and findings are made that failure to grant the variance would result in practical difficulties on the applicant. Practical difficulties used in connection with the granting of a variance, means that the property owner meets all of the following criteria:

A. The property owner proposes to use the property in a reasonable manner not permitted by the zoning ordinance. *A single-family dwelling is permitted by the zoning ordinance however the setback proposed does not. A single-family home is a reasonable use of the land and meeting the setback can be achieved if they reduce the side of the porch or reconfigure somehow.*

B. The plight of the landowner is due to circumstances unique to the property and has not been caused by the landowner. *This property is not unique and the circumstances are directly caused by the owners.*

C. A variance, if granted, will not alter the essential character of the locality. *Granting a variance for a rear yard setback does not alter the essential character of the locality.*



D. Practical difficulties include but are not limited to, inadequate access to direct sunlight for solar energy systems.
Not applicable.

E. Economic considerations alone do not constitute practical difficulties.
Economic considerations do not play a role in this situation

Staff Recommendation:
The five criteria for granting a variance are listed above not all criteria are met. Staff has reservations about recommending approval of this variance. The site is vacant and the house can be designed to meet the setbacks that are required. If the house was existing the variance could be argued since there wouldn't be room for a 4-season porch with the proposed house design, but that is not the case there is no house built yet. Not all of practical difficulties are met, therefore staff recommends denial.

If the Planning Commission recommends approval, they will need to list why they are approving so that it can be reflected in the findings of fact for the Council to adopt.

Narrative for Lot Variance request

Paradise Homes Inc is requesting a Variance for a new home to be buildt on Lot 8 Block 1 Legacy Pines Second Addition.

This is a full bsmt walkout culdesac lot with the backyard facing S ,S-W.Adjoining the Backyard is Outlot D.

Outlot D slopes gently S, S-W to a Pond and Homes on Whiskey Rd. N.W.These homes back up to the west side of the pond.These Homes are about 300-400 feet away from Lot 8's backyard.

The Buyers would like to build a 4 season Porch on the rear of home with full bsmt,not posts, for not only added warmth and structural benefit but also to capture the S,S-W rolling pond view.

Because the building envelope in frt of lot is only 54 feet,the home was designed narrow but long about 75+ feet. The rear of the Home therefore encroaches the rear property by 4.68 feet causing our hardship.

The Home is designed w/garage on the right or the Northwest corner of lot.This acts as a buffer to Home from from winters bitter N.W. winds.The Home has 2 smaller windows on the North side of Home to be more energy efficient which is all important to the Senior aged buyers.

Also important are the new Homes Sewer and Water service locations on the south side of lot.Thus the rough ins come straight into the Homes mechanical Room when tieing in Utilities.Also important is not having to trench in 8 ft deep thru driveway location causing future settling issues.

Also important to the buyers,in the winter,is the Sun's radiation in helping to melt off the front stoop,walkway and driveway to help reduce ice and prevent unwanted slips and falls.

Important also is the lots natural water drainage flow.Walkout lots have about 8 ft of fall front to back.With the porch on the back of home theres no restriction of water drainage and danger of water intrusion into the Bsmt. Nobody wants water intrusion Especially with a finished Bsmt.

In summary we would like to build the home with the porch on the Back of Home.This will eliminate any elevation and water drainage Hardships.Its also advantageous for Energy Savings,Saftey and Mechanical issues and settling in building areas.We also feel the proposed home will blend in astetically with surrounding homes in the neighborhood and bring added value.The buyers and Paradise Homes Inc. thank you for your consideration.

A Community For Generations.

Request for City Council Action

To: Mayor Johnson and Members of City Council
From: Sheila Sellman, Community Development Director
Date: April 6, 2021
Subject: Resolution 2021-XXX Approving Final Plat for Fairway Greens North (Phase I)

Background:
At the January 19, 2021 City Council meeting, the Council approved the Preliminary Plat and Planned Unit Development for Fairway Greens North with conditions. The applicant Home Pride, Inc has applied for Final approvals. At this time only the final plat will be considered. The applicant and staff are still working on final plans for the development including a phasing layout and development agreement. This approval will be for final plat of the first addition and will contain 56 lots. The development agreement will be considered for approval at a different meeting once all plans and agreements are completed.

Request:
Consider resolution 2021- XXX approving Final Plat for Fairway Greens North First (Phase I).

Attachments:
- Resolution 2021-XXX
- Plat
- City Engineers Memo

RESOLUTION 2021-XXX
APPROVING THE FINAL PLAT FOR FAIRWAY GREENS NORTH (PHASE I)

WHEREAS, Home Pride Inc., has applied for Final Plat and PUD approval for phase I Fairway Greens North Addition, a 56-lot residential subdivision for 80 acres with PID 16.020.1000 and 16.020.0803, Isanti County, Isanti, Minnesota; and,

WHEREAS, the lots will be developed into phases/additions, each phase/addition will have their own development agreement; and,

WHEREAS, the City of Isanti Planning Commission held a public hearing on the proposed Preliminary Plat and PUD of Fairway Greens North Addition during the regular Planning Commission meeting held on January 19, 2021; and,

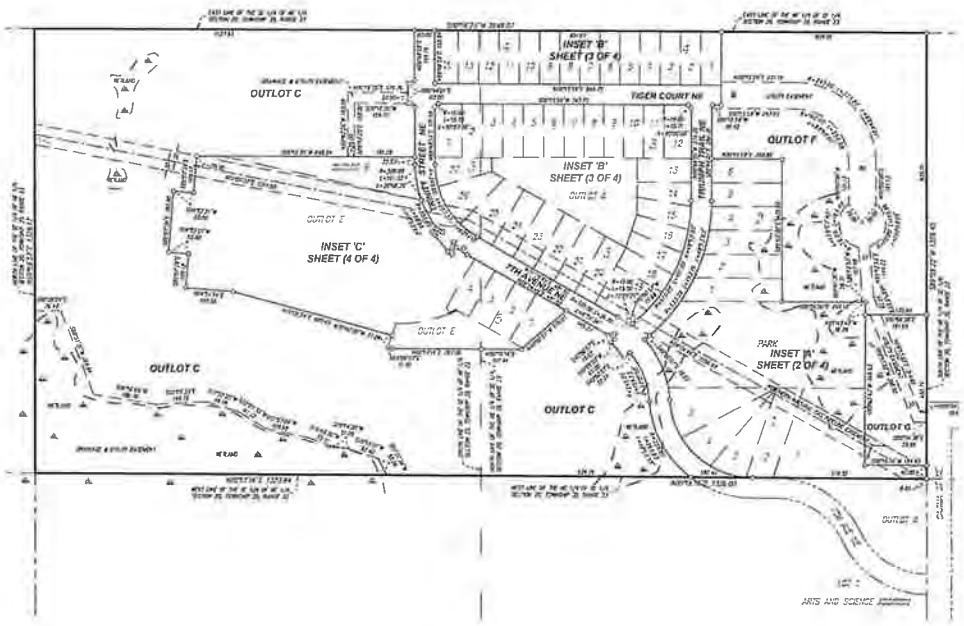
WHEREAS, the City of Isanti Planning Commission has recommended approval of the Preliminary Plat and PUD of Fairway Greens North with conditions; and,

WHEREAS, this approval is for the final plat of phase I, the approval of the PUD and Development Agreement will be considered at a later date once final plans have been reviewed;

NOW, THEREFORE, IT IS HEREBY RESOLVED, by the City Council of the City of Isanti, Minnesota, that the requested Final Plat of Fairway Greens North Addition be approved with the following conditions:

1. All comments and concerns in the City Engineers memo dated January 13, 2021 and March 25, 2021 should be met (minus second connection).
2. Minimum lot size shall be 9,600 square feet.
3. Setbacks for the principal structure shall be as follows: Front 30' Side 8' Rear 20'
4. Clarification on the lots along the golf course and what those setbacks will be.
5. A phasing plan shall be submitted.
6. Final Plat be submitted and approved for each addition.
7. The developer must enter into a Development Agreement with the City of Isanti, which will outline the general terms for the remainder of the development. Subsequent developments will require additional Development Agreements as the property is built out. Development fees will be charged to the developer at the time of each development agreement and based upon the City Fee Schedule.
8. The developer shall be responsible for any and all permits and approvals that may be necessary from other applicable governmental agencies. These permits and approvals shall be submitted to the City of Isanti and/or other governmental jurisdictions that may require said permits prior to development.
9. Any and all costs associated with the recording and processing of each subsequent Final Plat for additional phases shall be assumed by the developer.
10. The developer, at their cost must install sidewalks consistent with City Codes and Ordinances.
11. Any conditions added by the Planning Commission.

12. No parking at the entrance of the development on the north side of the road to the first intersection, this shall be signed by the developer.
13. Park dedication credit may be given for the park shown per City Code requirements.
14. Documentation from the gas company approving driveways and ROW over the gas easement.



This resolution is hereby approved by the Isanti City Council this 6th day of April 2021.

MEMORANDUM

Date: March 25, 2021

To: Sheila Sellman, Community Development Director

From: Jason W Cook, P.E.
City Engineer

Subject: Fairway Greens North 1st Addition – Site Plan & Final Plat Review
City of Isanti, MN
Project No.: 0R1.123130

We have reviewed the Site Plan and Final Plat including supporting documents entitled "Fairway Greens North 1st Addition" with a signature date of March 19, 2021.

The final plat includes the creation of 56 single family lots. The submitted "1st Addition" plan set includes the extension of city streets and utilities as well as site and storm water pond grading included in the 1st Addition final plat. They have also submitted a master plan set which includes the ultimate build out of the development including a total of 167 lots with the extension of city streets and utilities as well and is being considered the preliminary plat.

Also submitted was a concept sketch of a future layout of Outlot G, a response memo to previous City comments, a construction cost estimate, and technical specifications.

We have reviewed the submitted documents and have the following comments:

1st Addition - Final Plat:

1. Add a drainage & utility easement covering the EOF discharge to the NW of the west pond.
    a. The emergency overflow of Outlot E pond needs to be maintained at the designed 946.84. this can be accomplished through a graded swale in an easement, or though the designed storm pipe in an easement.
2. Add a drainage & utility easement covering the storm sewer discharge from the intersection of Trinity Street & Tiger Court to the Outlot B pond.
    a. Two CBs on Trinity Street have no outlet. Either complete the pipe installation to the Outlot B pond or create a swale to the pond. Either option will require easements over them.
3. Lot 1 Block 1 does not appear to have adequate street frontage for an approved lot. Revise lot layout or obtain access easement from the adjacent property owner.
4. Widen utility easement extending west from Tiger Court to provide 5-feet of easement from the future storm pipe to easement line.
5. Add Tiger Court cul-de-sac bulb as easement to cover sewer service extensions.
6. Enlarge D&U easements on Lots 17 & 18 Block 3 to cover flow way from pond to overflow apron.
7. Widen utility easement on Lot 19 Block 3 to 10 feet along the gas easement. The storm pipe needs to move to 5 feet off gas easement line.

Ramsey, MN 55303-5119

Ph: (763) 433-2851
Fax: (763) 427-0833
Bolton-Menk.com

1st Addition Plan Set:

1. Show 1st Addition ROW and easements on all sheets. Gray out future plat linework.
2. Sanitary sewer service needs to cross a minimum of 1.5 feet above the watermain, verify crossings and lower watermain as needed. (check full plan, multiple locations are same depth) This does not appear to have been addressed nor responded to from the past review memo.
3. Move all sewer services to wye into sewer main, not directly into manholes.
4. Move all light poles to boulevard, not behind walk.
5. Sheet G001, Remove city approvals signature lines.
6. Sheet C002 table:
    a. Verify low opening elevation is at least 2-feet above the 100-year flood elevation. This does not appear to be met on multiple lots in Block 7. Check all.
    b. Verify low opening elevation is at least 1 foot above emergency overflow elevation. This does not appear to be met on multiple lots in Block 7. Check all
    c. List the wetland EOF on all lots that abut wetlands as the emergency overflow elevation in the table. Verify the low opening elevation of the home is 2 feet above the wetland EOF.
    d. Add a column in this table showing sewer service invert at right-of-way as previously requested. Also add a column of the lowest floor elevation of all homes. The City wants these in one place. All sewer services need to be installed at 1% minimum grade and able to service all proposed lowest building floor elevations not just low opening.
7. Sheet C202:
    a. Obtain easement for grading on adjacent property Outlot A at Lot 1 Block 1.
    b. Move storm pipe from FES 83 to PMH 82 to be 5 feet off gas easement line.
8. Sheet C203, where does the "Temporary EOF=944.45" go? It appears to be 3 feet below the ground. Need EOF to be 946.84 as designed, either create swale or install outlet pipe.
9. Sheet C206,
    a. Possible trapped water on north side of Trinity Street stub.
    b. Swale along back yards of Block 4 appears to be very flat. Increase grade on swale. Anything under 0.5% will leave trapped water in yards as people sod, mow and landscape.
10. Sheet C301:
    a. STA 309+25, possible sewer service conflict with watermain. Verify 1.5' separation at crossing. Check all sewer service crossings with watermain throughout plan.
    b. Show existing watermain as watermain line type, not sewer.
    c. Call out how to connect to existing sanitary manhole. Core & boot? Use existing invert? Is existing orientation of invert correct?

Ramsey, MN 55303-5119

Ph: (763) 433-2851
Fax: (763) 427-0833
Bolton-Menk.com

11. Sheet C302:
    a. Stub watermain past hydrant tee and plug.
    b. Sewers service conflicts at STA 314+75?
12. Sheet C303:
    a. Stub watermain past hydrant tee and plug.
    b. Sewers service conflicts at STA 317+50?
    c. Move water service from approx. STA 321+25 to 320+40 by sewer service.
13. Sheet C304:
    a. Lower sanitary main from SSMH 36 to SSMH45. 0.1' drop in 36 then minimum grade.
        i. Extend sewer stub to 10 feet from property line.
    b. Extend watermain to 10 feet from property line.
    c. Extend street and walk to 10 feet from property line.
14. Sheet C306, extend watermain and plug after hydrant at Woods Road.
15. Sheet C307:
    a. Grade backyard swale across back yards south side cul-de-sac lots to a minimum 0.5%, cut discharge to follow utility easement? Not to lot 15?
    b. Call out outside drop sanitary structures anywhere a drop of over 2 feet is designed in manhole.
16. Sheets C308 & C309, these sheets appear to be out of place. Delete.
17. 2nd Sheet C308:
    a. Extend easement for sewer services to in cul-de-sac.
    b. Sewer pipe grade under 0.4% not allowed, revise grades.
18. 2nd Sheet C309:
    a. Possible sewer service conflict at STA 107+50.
    b. Show 1st Addition Plat ROW limits, verify PCB 49 falls within ROW.
19. Sheet C310, Possible sewer service conflicts full sheet.

20. Sheet C311,
    a. Possible sewer service conflicts full sheet.
    b. Add temp hydrant on watermain stub to north. Can be placed on end of pipe.
    c. Storm Sewer from PCB 35 does not discharge. Construct full storm system to pond or grade swale to pond from pipe end and install apron.

Ramsey, MN 55303-5119

Ph: (763) 433-2851
Fax: (763) 427-0833
Bolton-Menk.com

21. Sheet C324, PCB 40 not in plan, pipe does not discharge.

Master Plan Set:

1. Apply above 1st Addition comments through entire master plan set.
    a. Verify all sewer services cross watermain with over 18" separation
    b. Verify all sewer services have grade to serve all lots with gravity.
    c. Verify all sewer services are wyed into sewer main and not connected to manholes.

Cost Estimate:

1. Verify the estimate is for 1st Addition only and includes all anticipated construction costs.
    a. Bit wear course price very low.

Concept Outlot G:

1. No comments.

Specifications:

1. All sanitary sewer and watermain shall have tracer wire installed following the Minnesota Rural Water Tracer Wire Specifications and Details.
2. All CBs shall be R-3067 type casting with 2X3 opening. Transition from surmountable to B618 at all CBs.
3. All HDPE storm sewer shall be Dual Wall HDPE. All storm sewer under roadway improvements shall be RCP.

We recommend approval of the 1st Addition plan set and final plat once the above items are addressed.

Please contact me if you have any questions.

MEMORANDUM

Date: January 13, 2021

To: Sheila Sellman, Community Development Director

From: Jason W Cook, P.E.
City Engineer

Subject: Fairway Greens North - Preliminary Plat Review
City of Isanti, MN
Project No.: 0R1.123130

We have reviewed the Preliminary Plat and supporting documents entitled "Fairway Greens North" with a revision date of January 8, 2021.

The preliminary plat includes the construction of 167 single family lots, extension of city streets and utilities and site and storm water pond grading.

Also submitted was a stormwater management plan dated December 18, 2020.

We have reviewed the submitted documents and have the following comments:

Preliminary Plat:

1. Show wider drainage & utility easements where pond grading, swales, and storm pipes extend outside currently shown easements.
2. Add access easement to ponds for future maintenance.
3. Add secondary road access branching off 8th Avenue NE connecting to proposed cul-de-sac. Make curve as large as possible coming off 8th Avenue.
    a. It appears additional lots could be added along the south side of the development if the road is connected turning Block 6 Lot 16 into 5 lots.
    b. This secondary access will be required once 80 lots are platted.
4. What is the intent with the square 2-acre box on the west side of the plat? This does not appear to be used for storm water per the plan. Will this be an outlot? Should it be removed from the plat?

Stormwater Management Plan:

5. Existing subcatchment areas are not defined by property lines. Include off site runoff draining onto the site. This cannot be blocked off and must be included in the modeling.
6. Model the existing wetland for 100-year high water elevation and show the proposed culverts will not restrict this flow and affect bounce elevation or drain the existing wetlands.
7. Verify ground water will be over 3-feet below the bottom of all proposed infiltration basins. Provide geotechnical report showing this and have percolation tests completed to determine infiltration rate. Revise model as needed.
8. Provide existing and proposed discharge rates at each discharge point on the site, not as one total runoff rate.

Bolton & Menk is an equal opportunity employer.

BOLTON & MENK
Real People. Real Solutions.

7533 Sunwood Drive NW
Suite 206
Ramsey, MN 55303-5119

Ph: (763) 433-2851
Fax: (763) 427-0833
Bolton-Menk.com

9. The West Pond needs to treat its individual required Water Quality Volume. It appears there is significantly more room in the outlot than is being used for this pond. It also appears a proposed swale is not within the proposed easements and outlot area.
10. Subcatchments for each CB needs to be determined and spread calculations submitted.
11. CB-02 will require a saffle baffle type structure at a minimum. All other locations that discharge directly to wetland also require treatment structure, and equivalent treatment area oversized in other ponds.
12. Submit pipe sizing calculations for all storm pipes.

Wetland Delineation Report:

13. Submit proposed wetland mitigation report to City, LGU and possibly the Corps of Engineers for review and approval prior to performing any excavations in the identified areas.

Geotechnical Evaluation:

14. A geotechnical report will be required to verify all unsuitable materials are removed from proposed street improvement areas.

Site Development:

15. Submit a proposed Phasing Plan.
16. Show proposed building Low opening is 2 feet above the 100-year event and 1 foot above the emergency overflow in each sub catchment area.
17. Vertical curve lengths shall be 90' minimum (30 mph minimum design).
18. Sewer & water services shall be placed approx. 5-10 feet from property corners, not center of lots.
19. Show emergency overflow locations and stabilization for all pond EOFs.
20. Revised swale and location of CBMH-64 to fit within easements or outlots.
21. Label existing contours.
22. Verify all grading over existing gas main will maintain required cover. For example, there appears to be a 5-foot cut over the gas line in block 4.
23. All storm pipe withing ROW shall be RCP.
24. Low points shown at the back of multiple building pads. Back yards need to have positive drainage away from building pads and no trapped water. (ex Block 6 Lot 41 and Block 3Lot 18.)
25. Sanitary sewer main should not be under 6 feet deep. Any sewer 6-feet to 8-feet deep should be insulated. Verify all 4-inch services can be installed at 1% minimum grade and still service all proposed building elevations.
26. Watermain shall be 7.5-feet deep at a minimum and will need to be extra depth where sanitary services are shallow.

Ramsey, MN 55303-5119

Ph: (763) 433-2851
Fax: (763) 427-0833
Bolton-Menk.com

27. Watermain will need to be looped to 8th Avenue along with the road looping discussed in the above preliminary plat section.
28. Are the road widths labeled at Face to Face or Back to Back?
29. Submit horizontal curve tables showing design speed.
30. Show all sidewalk at a minimum of 1' from ROW edge. Some intersections appear to need chamfered corners at pedramps.
31. The pavement section shall be determined by the geotechnical report, but at a minimum:
    a. 1.5-inches of bituminous wear course
    b. 2-inches of bituminous non-wear course
    c. 8-inches of aggregate base class 5
32. Show street lighting plan.

We recommend approval of the preliminary plat once the above items are addressed.

MEMORANDUM

Date: March 24, 2021

To: Honorable Mayor Johnson and Members of the City Council

From: Jason W. Cook, P.E.
City Engineer

Subject: Approval of Plans and Authorization to Request Quotes
2021 Storm System Maintenance Project
City of Isanti, MN
BMI Project No.: 0R13.123134

We request that the City Council approve the plans and specifications, entitled "2021 Storm System Maintenance" and authorize staff to request quotes from contractors.

Following is the schedule for the 2021 Storm System Maintenance Project:

Approve Plans & Specs, Authorize Advertisement for Bids	April 6, 2021
Quote Deadline	April 27, 2021
Award Project	May 4, 2021
Commence Construction	Summer 2021
Substantial Completion of Construction	December 31, 2021

We are requesting that the City Council approve plans and specifications and authorize staff to request quotes from contractors to perform the work.

I will be at the April 6, 2021 City Council meeting to respond to any questions you have concerning the approval of plans and specifications or the authorization to request quotes.

Please contact me with any questions or if you would like any additional information prior to the meeting.

Bolton & Menk is an equal opportunity employer.

RESOLUTION 2021-XXX

ACCEPTING PLANS AND SPECIFICATIONS AND AUTHORIZING REQUEST FOR QUOTE FOR THE 2021 STORM SYSTEM MAINTENANCE PROJECT

WHEREAS, the City has planned for the 2021 Storm System Maintenance Project in the Capital Improvement Plan; and,

WHEREAS, the plans and specifications have been completed for these improvements; and,

WHEREAS, the Engineer's Estimate is within the planned budget; and,

WHEREAS, a private request for quote is recommended to be released to receive competitive quotes to complete the construction project in the 2021 construction season;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, as follows:

1) That the City shall accept the plans and specifications as completed by Bolton & Menk, Inc.

2) That the City shall authorize staff to go out for quotes for this project with a quote deadline of April 27, 2021.

This resolution was duly approved by the Isanti City Council this 6th day of April 2020.

Attest: _____
Mayor Jeff Johnson

Memo for Council

To: Mayor Johnson and Members of the City Council
From: City Administrator Josi Wood
Date: April 6, 2021
Subject: Resolution Approving a Water Shutoff Policy for Non-Payment During Cold Weather Months

---

Background:

City Code Chapter 262 Sewer and Water Service Charges, Section 6 outlines the process for billing water and sewer services as well as discontinuing service, shutoffs, for non-payment. It has been the practice of Utility Billing to not disconnect water service for non-payment or delinquent accounts during October 15 – April 15. These dates coincide with the MN Cold Weather Rule however that rule does not apply to water utility services.

Council Committee of the Whole discussed and recommended on March 20th, 2021 to continue with no water shutoffs during October 15 – April 15 for delinquent accounts and to create a policy for such action.

Request:

Staff is requesting action on this item

Attachment:

- Resolution 2021-XXX

RESOLUTION 2021-XXX

APPROVING A WATER SHUTOFF POLICY FOR NON-PAYMENT DURING COLD WEATHER MONTHS

WHEREAS, City Code Chapter 262 Sewer and Water Service Charges, Section 6 outlines the process for billing water and sewer services as well as discontinuing service, shutoffs, for non-payment or delinquent accounts; and,

WHEREAS, Council Committee of the Whole discussed and recommended on March 20th, 2021 that no water shutoffs will occur between the period defined as Minnesota Cold Weather Rule, October 15 – April 15, for delinquent or non-payment of accounts; and,

WHEREAS, all other actions and enforcement stated within City Code Chapter 262 will be maintained;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota that this Resolution serves as the Policy for water shutoffs due to non-payment or delinquent accounts between October 15 - April 15.

This Resolution is hereby approved by the Isanti City Council this 6th day of April 2021.

RESOLUTION 2021-XXX

APPROVING IAJOFD LEASE PAYMENT FOR 2020

WHEREAS, the City and Isanti Area Joint Operating Fire District have an executed Joint Powers Agreement that was last amended in 2014 and Lease Agreement that was approved in 2005; and,

WHEREAS, the lease payment over the years has varied between being $1.00 and a fair market valuation; and,

WHEREAS, the City Council desires to make record that the IAJOFD will be invoiced for lease of the fire hall facility for 2020 at $1.00; and,

WHEREAS, future payments for the fire hall are addressed within the executed Lease Purchase Agreement dated March 2, 2021;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota that City Staff invoice the IAJOFD $1.00 for their lease payment for year 2020.

This Resolution is hereby approved by the Isanti City Council this 6th day of April 2021.

Request for City Council Action

To: **Mayor Johnson and Members of the City Council**
From: Matt Sylvester, Public Services Director
Date: April 6, 2021
Subject: Consider Resolution Amending the 2021 Sewer Budget

Background

The 8th Avenue Lift Station Pumps are plugging up and in need of replacement. The Sewer Budget 602-49450-500 would need to be increased to reflect those repairs in 2021 by $17,619.00 including a 5% contingency. The future 20 year Capital Improvement Plan will be updated to account for the shorter than expected useful life. Staff reached out and received two quotes for the replacement of both pumps.

Quotes received:

- Quality Flow- $21,780.00- $5,000.00 (trade in value) = $16,780.00
- General Repair- $24,813.58 – (No trade in value)

Recommendation:

Staff is recommending to move forward with Quality Flow replacing the pumps at the 8th Ave Lift Station.

Request

Staff is requesting action on this item.

Attachments:

RESOLUTION 2021-XXX

AMENDING THE 2021 SEWER BUDGET

WHEREAS, the 8th Avenue Lift Station Pumps are in need of replacement; and,

WHEREAS, the Sewer Budget 602-49450-500 would need to be increased by $17,619.00 including a 5% contingency to make those repairs; and,

WHEREAS, the 20 year Capital Improvement Plan would need to be adjusted to reflect the shorter than expected useful life; and,

WHEREAS, staff has received two quotes for the replacement of those pumps; and,

Vendor	**Quote**
General repair	$24,813.58
Quality Flow	$21,780.00 - $5,000 (trade-in)=$16,780.00

WHEREAS, the funding source would be Sewer 602-49450-500;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to approve the quote from Quality Flow and increase the 2021 CIP Plan by $17,619.00 which includes a 5% contingency, funding source identified as Sewer (500). Authorize the Finance Director to make the necessary adjustments to the 20-year Capital Improvement Plan to reflect the revised useful life and authorize the Finance Director to make the necessary budget adjustments based on actual final cost.

This resolution was duly adopted by the Isanti City Council this 6th day of April 2021.

Request for City Council Action

To: **Mayor Johnson and Members City Council**
From: Matt Sylvester, Public Services Director
Date: April 6, 2021
Subject: Consider Resolution Authorizing an Additional Generator Monitoring Alarm

---

Background:
The 2020 Capital Improvement Plan (CIP) had a total of $324,450.00 for the generator project. Currently there is a remaining balance of $14,083.85 for the project. Generators have been added to each Lift Station and at the Well I /PD/ FD site as well as the ICC.

It has come to staff's attention that when a power outage occurs Public Works, is no longer getting an alarm for that outage. This is because the transfer of power to generators is happening so fast that the Scada cannot recognize that an outage has occurred.

Staff reached out to vendors to add an additional generator monitoring alarm. The alarm is strictly a generator running alarm. Staff received two quotes for this alarm:

- Total Control Systems - $10,392.00
- Advanced Power Systems - $3,050.00 Annually

Recommendation:
Staff is recommending that we accept the quote from Total Control Systems.

Request:
Staff is requesting action on this item.

To: Josh/Matt Re: Isanti, Minnesota – Lift station panels generator monitoring.

Total Control Systems, Inc. (TCS) proposes to furnish equipment and services in accordance with the project plans and specifications that were received. This quote is for modifications to nine lift station and Well 1 RTU panels. Information for auto transfer switch position sent to SCADA master.

Including:

EMT conduit and fittings
PVC conduit and fittings Schedule 80
Flex conduit and fittings
Wire for signals THHN
Relays
Terminals
Install conduit and wire to ATS
Existing RTU panel modifications
Master alarm dialer programming
Master and RTU PLC program modifications
Existing SCADA modifications and screen additions
Startup, testing and commissioning
Training on equipment supplied
Documentation

Price for the Lift Sta. control panel modifications: **$ 10,392.00 total.**

Does not include:

Sales Tax (exempt if direct to City)8
Generators
Grounding materials
Underground warning tape
Permits
Demolition

- We acknowledge receipt of Addendum No. .
- Terms are Net 30 days from invoice date. No retainage allowed. A 1.5% charge per month added to any past due balance. Price may be dependent on past credit history.
- This quote/proposal valid for 60 days.
- Work to commence after receipt of an acceptable written purchase order acknowledging acceptance of our terms.
- F.O.B. job-site.
- Start-up service/training, documentation and equipment adjustment is included as specified.

- TCSI does not accept any liquidated damages.

- ALL PANELS FURNISHED BY TCS WILL HAVE A UL 508 SERIALIZED OR UL698A ENCLOSED INDUSTRIAL CONTROL PANEL RELATING TO HAZARDOUS LOCATIONS WITH INTRINSICALLY SAFE CIRCUIT EXTENSIONS LABEL, AS REQUIRED.

If you have any questions regarding our proposal, please contact our office. We look forward to working with you on this project.

RESOLUTION 2020-114

AUTHORIZING THE PURCHASE OF GENERATORS FOR CITY FACILITIES

WHEREAS, the 2020 Capital Improvement Plan has $324,450.00 for the purchase of generators for the Police Dept., PW Shop, ICC, and nine remaining Lift Stations; and,

WHEREAS, the generators are a necessity in an emergency situation where power is lost; and,

WHEREAS, City Hall would have a transfer switch installed so that the portable generator could be utilized; and

WHEREAS, staff solicited quotes and received one quote from Advanced Power Systems in the amount of $293.253.00; and,

WHEREAS, the quote received will utilize state bid pricing; and,

WHEREAS, Public Works will pour the concrete pads at a cost of $5,000.00; and,

WHEREAS, the total project cost will include a 5% contingency; and,

WHEREAS, funding sources would be Streets 920-43100-500, Municipal Building 920-41941-500, Police 920-42110-500, Sewer 602-49450-500, Water 601-49400-500;

WHEREAS, the budget shall be amended to reflect the shared use of the generator to be located near the Police Station and Well 1. The Budget shall be amended to reduce expenditures in 920-42110-500 by $19,050.00 and increase expenditures in 601-49400-500 by $19,050.00;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to accept the quote from Advanced Power Systems in the amount of $293,253.00 with a total project cost of $313,165.65 including the 5% contingency with the funding source identified as Streets, Police, Water, Municipal Building (500) and amend the budget. Authorize the City Administrator to sign for acceptance of quotes. Authorize staff to direct installation at the specified locations. Authorize staff to include the generators on the City's liability policy.

This resolution was duly adopted by the Isanti City Council this 16th day of June, 2020.

Mayor Jeff Johnson

RESOLUTION 2021-XXX

AUTHORIZING AN ADDITIONAL GENERATOR MONITORING ALARM

WHEREAS, Resolution 2020-114 has $324,450.00 for the purchase and installation of generators; and,

WHEREAS, the 2021 CIP has a remaining balance of $14,083.85 for the Generator installation project; and,

WHEREAS, an additional generator running alarm needs to be added to Scada to ensure that staff receives notice that the generator is running, and;

WHEREAS, staff reached out and received two quotes for the additional alarm; and,

Total Control Systems $10,392.00	Advanced Power Systems $3,050.00 Annually

WHEREAS, the Generator Monitoring Alarm would need to be added to each lift station and the Well 1/ PD/ FD site; and,

WHEREAS, funding sources would be 920-43100-500 (10.47%), 920-41941-500 (11.43%), 920-42110-500 (5.56%), 602-16600 (66.67%), 601-16600 (5.87%);

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to accept the quote from Total Control Systems in the amount of $10,392.00 for the installation of a Generator Monitoring Alarm at each lift station and the Well 1/PD/FD site.

Request for City Council Action

To: Mayor Johnson and Members of City Council
From: Katie Brooks, Human Resources Director
Date: April 6, 2021
Subject: Purchase of Employee Assistance Program (EAP)

The City of Isanti currently does not offer an Employee Assistance Program (EAP) for employees. Human Resources Director is seeking approval to purchase the SunLife Employee Assistant Program for all staff and their household members to benefit from confidential and discrete one-on-one sessions from professional clinicians in various topics including legal, financial, parenting, mental health and more. Funds will be allocated by individual departments to "Professional Services" account in the budget.

The implementation of the EAP will begin May 1, 2021.

The costs:

SunLife	$26 / month	$312/annually
AllOne Health	$71 /Month	$850/ annually

Request:

Staff is requesting discussion and action on this item.

PROPOSAL

Brighter under the sun

Created for:
City of Isanti

Sun Life Financial®

Producer licensing

All Sun Life companies require producers who use insurance quotes for the purpose of soliciting, selling, or negotiating insurance to be licensed both by the state where the prospective client is located and by any state where the solicitation, sale, or negotiation of insurance occurs, if different. This requirement pertains to all forms of solicitation, sale, or negotiation of insurance, including but not limited to solicitation, sale, or negotiation conducted in person or by telephone, by e-mail, by fax, or otherwise.

Producer compensation

We encourage brokers and their clients to discuss what commission or other compensation may be paid in connection with the purchase of products and services from Sun Life companies. All Sun Life companies may pay the selling broker, agency, or third party administrator for the promotion, sale, and renewal of the products and services offered in this proposal. In addition to our standard compensation arrangements, we may make additional cash payments or reimbursements to selling brokers in recognition of their marketing and distribution activities, persistency levels, and volume of business. For New York–issued cases, producers must comply with the specific compensation disclosure requirements of New York Regulation 194.

Plan and rates

This proposal may be based on employee census information provided by the employer. Acceptance of the group and final rates will be determined by Sun Life based on actual enrollment and case experience, if required. Terms and conditions of any coverage under the policy may be determined by all required final data and by underwriting rules, minimum participation requirements, and policy provisions in effect on the date coverage begins.

Underwriting companies

The Sun Life Financial group of companies operates under the "Sun Life Financial" name strictly as a marketing name, and no legal significance is expressed or implied. In the United States and elsewhere, insurance products are offered by members of the Sun Life Financial group that are insurance companies. Sun Life Financial Inc., the publicly traded holding company for the Sun Life Financial group of companies, is not an insurance company and does not guarantee the obligations of these insurance companies. Each insurance company relies on its own financial strength and claims-paying ability.

- **Health Risk Assessments:** Online access to a health risk assessment survey and a variety of health management tools and information.
- **Direct-to-Customer Reports:** Confidential utilization reports that help with trending, tracking, and identifying employee interest areas.
- **Employee Materials and Website:** Flyers, wallet cards, e-posters, and access to an award-winning website personalized with the customer's company name.

Footnote information is located in the General Disclosures section on the last page of this proposal.

General disclosures

1. For current financial ratings, please visit www.sunlife.com.

The Sun Life Financial group of companies operates under the "Sun Life Financial" name strictly as a marketing name, and no legal significance is expressed or implied. In the United States and elsewhere, insurance products are offered by members of the Sun Life Financial group that are insurance companies. Sun Life Financial Inc., the publicly traded holding company for the Sun Life Financial group of companies, is not an insurance company and does not guarantee the obligations of these insurance companies. Each insurance company relies on its own financial strength and claims-paying ability.

2. Value-added services are not insurance, are offered only on specific lines of coverage, and carry a separate charge, which is added to the cost of the insurance. The cost is included in the total amount billed. Emergency Travel Assistance is provided by Assist America®. Identity Theft Protection is provided by SecurAssist®, an Assist America program. ComPsych® is a registered trade mark of ComPsych Corporation. The entities that provide the value-added services are not subcontractors of Sun Life and Sun Life is not responsible or liable for the care, services, or advice provided by them. Sun Life reserves the right to discontinue any of the Services at any time. Employers who provide group insurance coverage and make available value added services within an I.R.C. Section 125 cafeteria plan should consult a tax professional to determine whether those services are Qualified Benefits for Section 125 plans.

Service guarantees: If we do not meet the terms of a guarantee, a policyholder may request in writing a service guarantee review. Sun Life will determine whether it failed to meet the guarantee and whether a payment is made. If the request is approved, payment will be made by check during the policy year, as long as the policy remains in force during this time. Sun Life's maximum liability under a guarantee for any policy year is limited to the lesser of 3% of the policyholder's annual premium or $5,000 for each line of coverage. The maximum payment for a breach of any one component of a guarantee is one-third of the maximum liability (lesser of 1% or $1,667). If a policyholder has more than one line of insurance coverage, the Overall Satisfaction component will be paid under the guarantee under which the service issue arises. Please note the Service Guarantees apply to Life, STD (including ASO), LTD and Dental (including ASO). For ASO contracts, service guarantee payments will be based on the annual service fee. Service Guarantees are not available for Stop Loss, Accident, Critical Illness, Cancer or Gap.

Group insurance policies are underwritten by Sun Life Assurance Company of Canada (Wellesley Hills, MA) in all states, except New York, under Policy Form Series 93P-LH, 15-GP-01, 98P-ADD, 07-SL REV 7-12, 07P-LH-PT/07C-LH-PT, 01P-ADD-PT/01C-ADD-PT, GP-A, GC-A, 12-GP-01, 16-DEN-C-01, 12-DI-C-01, 16-DI-C-01, 13-SD-C-01, 12-AC-C-01, 16-AC-C-01, 16-ACPort-C-01, 13-ADD-C-01, 15-ADD-C-01, 12-GPPort-P-01, 13-ADDPort-C-01, 12-STDPort-C-01, ACPort-C-01, 13-SDPort-C-01, 16-SD-C-01, 16-SDPort-C-01, 16-CAN-C-01, 16-CANPort-C-01, 15-LF-C-01, 15-LFPort-C-01, 16-VIS-C-01, TDBPOLICY-2006, and TDI-POLICY. In New York, group insurance policies are underwritten by Sun Life and Health Insurance Company (U.S.) (Lansing, MI) under Policy Form Series 15-GP-01, 13-GP-LF- 01, 13-LF-C-01, 13-GP-LH-01, 13-ADD-C-01, 12-DI-C-01, 13-LTD-C-01, 13-STD-C-01, 06P-NY-DBL, 06P-NY-DBL-R-PFL, 07-NYSL REV 7-12, GC-A, GP-A, 12-GP-SD-01, 13-SD-C-01, 12-GP-01, 12-AC-C-01, 12-GPPort-01, 13-LFPort-C-01, 13-ADDPort-C-01, 15-LF-GP-01, 15-SD-GP-01, 12-STDPort-C-01, 12-ACPort-C-01 and 13-SDPort-C-01. UTILIZATION REPORTING

Usage reports on your team's utilization of services so you know what is being used most. This data adds value in knowing which services to promote internally.

HOW OFTEN?

The Utilization Report is created and delivered in a timeframe decided upon by the Account Manager and the client POC with at least 1 report per year at contract or calendar year-end.

WHAT'S INCLUDED?

Click below to view a sample utilization report provided monthly.

» VIEW REPORT

WHY?

These reports mean different things to each of our clients. See below for just a few of the reasons our utilization reports add value.

DIRECT REPRESENTATION OF ROI

Your clients can see in real-time, and with real numbers how the Assistance Program is affecting their bottom line.

GAIN UNDERSTANDING

Utilization reports present data that will help you gain a better overall understanding of your employee population and the issues they face, in a completely confidential manner.

PROGRAM FLEXIBILITY

Reporting gives account clients the ability to see trends and allows for modifying services as needed to best meet the needs of the team.

SIMPLE. AFFORDABLE. PRICING.

Below are the specific program elements as requested.
Pricing is based on a **total annual premium** that covers the entire company and household dependents. Sessions are defined as per employee or household member, per issue, per year.

Pricing is based on **up to 30** total employees.

Pricing below is as of **03/10/2021** and is valid for **45** days from this date. The amount can be billed on a monthly, quarterly, or annual basis.

HOW TO GET STARTED

If you would like to learn more about offering this program to your employees, simply contact me, and a contract will be sent along for your review. We can have you and your organization up and running within a weeks time. We do this by assigning you a dedicated account manager who will help implement the program and do an orientation with your organization and employees.

AllOne Health believes that communication is key when implementing a new plan as nobody knows your organization and culture better than you. We have decades of experience setting up new groups but we also want to hear from you so we can collaborate and develop an effective communication plan.

We will make sure your employees know all about the program and feel comfortable with all of the new features available as well as how to access them. We look forward to providing you and your organization with the best EAP services in the industry!

RESOLUTION 2021-XXX

AUTHORIZING THE PURCHASE OF AN EMPLOYEE ASSISTANT PROGRAM (EAP)

WHEREAS, the City of Isanti currently does not offer an Employee Assistance Program (EAP) with our current health insurance program; and,

WHEREAS, the City of Isanti has received two quotes for EAP programs listed below from SunLife and AllOne Health; and,

WHEREAS, the City of Isanti plans to implement the EAP program beginning May 1st, 2021; and,

WHEREAS, the following quotes were received:

SunLife	AllOne Health
$312- annually	$850 - annually

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to accept the quote from SunLife to purchase the Employee Assistance Program allocated by department to Professional Services.

This resolution was duly adopted by the Isanti City Council this 6th day of April 2021.

Attest: _____
Mayor Jeff Johnson

Jaden Strand
City Clerk

RESOLUTION 2021-XXX

APPROVING THE HIRE OF PART-TIME LIQUOR STORE CLERK II FOR KALEE SPRINGER

WHEREAS, the City Council of the City of Isanti is required to approve all new employees; and,

WHEREAS, the staff was directed to advertise and accept applications to fill a Liquor Store Part-Time Clerk II position; and,

WHEREAS, Kalee Springer was selected as the most qualified candidate for the open Part-Time Liquor Store Clerk II position. The offer is contingent on successfully passing a background check and reference check. If any of the mentioned contingencies are not met, the offer can and will be rescinded;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, as follows:

1. Kalee Springer has been selected for the Part-Time Liquor Store Clerk II position.
2. Kalee Springer shall be eligible to start in the position on or after April 7th, 2021.
3. That Kalee Springer shall start at Step 1 of the Wage Scale at $14.47 per hour.
4. This position is part time and not eligible for benefits.
5. That Human Resources is directed to complete all required documentation for the completion of the employment offer.
6. That Human Resources is directed to forward an executed copy of this resolution to the employee and place a copy in the employee's personnel file for future reference.

This Resolution is hereby approved by the Isanti City Council this 6th day of April 2021.

CITY OF ISANTI
PARKS, RECREATION, AND CULTURE BOARD MEETING MINUTES
March 23,2021

Call to Order: Aaron Zdon called the meeting to order at 6:00 p.m.

Roll Call: Members Present: James Witte, Aaron Zdon and Council Member Jimmy Gordon
Staff Present: Matt Sylvester: Public Services Director

Agenda/Modifications: Zdon asked that February Minutes be added to the agenda. Sylvester added it to the Agenda with motion by Witte; second by Gordon.

2. Oath of Office: Aaron Zdon, James Witte, Jimmy Gordon completed their Oath of Office.

2b. Meeting Minutes: Motion by Witte; second by Gordon to approve meeting Minutes from February 23, 2021. Motion passed 3-0.

3. Designation of Park Visit Assignments: Sylvester reminded board members that previously members of the board would select parks to visit and review, then provide recommendations for upkeep. Zdon chose Academy Park, Whisper Ridge and Legacy Park. Witte chose Rum River Meadows, River Bluff Preserve, Isanti Hills Neighborhood Park, and Mattson Park. Gordon chose Bluebird Park, Riverside Park, Unity Park, and VFW. Board agreed to complete their reviews prior to April board meeting.

4. Department Updates
Sylvester shared that the final Movie Night of the season would be held Friday, March 26. The Easter Egg hunt for March 27 was canceled as the VFW had other plans for this year and would like to revisit in 2022. March Curious Creatures was canceled due to no registrations, but Sylvester noted he asked Alyssa to promote April event to garner more interest. Boy Scouts have reached out to volunteer on Earth Clean-Up Day. Community Garden is almost full with only 9 slots left. 8 vendors are registered for the Farmer's Market, with 1 being a new vendor. Sylvester discussed our strategy of accepting a variety of vendors. Sylvester asked if anybody had anything they would like Alyssa to look into ahead of the next board meeting and to email if they have ideas. Witte asked when the fishing bridge will go back in; Sylvester said as soon as the water goes back down. Sylvester also explained that the dock is left down by the river instead of storing at the shop to reduce damage and potential for injury in moving up and down the hill.

Adjournment: Motion by Witte, second by Gordon to adjourn the March 23, 2021 meeting of the Parks, Recreation, and Culture Board. Motion passed 3-0, meeting adjourned at 6:13 p.m.

Respectfully Submitted
Alyssa Olson
Parks, Recreation & Events Coordinator

Date:_____ Initial:_____

Warranty Statement

In all cases, unless otherwise noted, equipment manufacturer's warranties will apply and be honored by SCR and it is the customer's responsibility to be aware of warranty time periods and start dates. Food product is the customer's responsibility and is not covered under any warranty.

- New equipment:__90 days_____Labor__1 year_____Parts

Per manufacturer - typical 1 year parts

- Refurbished equipment:_____Labor_____Parts
- Existing and owner provided equipment - No warranty
- 90 day SCR warranty on LED labor, 5 yr. Innovative Lighting manufacturer's warranty on parts

Notes:

- Electrical information or plan is not an engineered design, it is provided in good faith and is for electrical contractor to design, not for bidding or building purposes
- Lost product/business due to any refrigeration malfunction is the owner"s responsibility as temp checks are owner's responsibility.
- Installation prices can vary depending upon what equipment is purchased.
- Any alteration or deviation from above specifications involving extra costs will be above the estimate.
- Installation is also dependent upon contractor being ready at job site upon our arrival. This correlates closely with electricians, plumbers, and carpenters.
- All work to be completed in a workmanlike manner according to standard practices.
- This agreement is contingent upon accidents or delays beyond our control.
- Owner is to carry necessary construction insurance.

All manufacturers have strict guidelines on how to operate and maintain their equipment. It is very important the owner/operator familiarizes themselves with the manufacturer's owner's manuals that are provided with the equipment when delivered. If the owner/operator need s additional information or is unclear on use of equipment SCR will assist with this or provide additional training. Manufacturer's warranties will be void if owner/operator use equipment in a manner that is inconsistent with operation manual. When dealing with equipment that is not serviced by SCR, it is up to the owner/operator to contact manufacturer to get an approved service agent for equipment in question. Warranty claims need to be handled between end user and manufacturer for proper coverage of warranty. SCR is not responsible for manufacturer warranty policies.

***All freight delivered to site must be checked in by owner or owner's representative. Any damage must be noted on the bill of lading. After receipt all equipment becomes the owner's full responsibility.**

***By accepting this proposal, owner accepts financial liability for engineering, drawings, cancellation fees and any other costs incurred in the project process.**

***Pricing is valid for 30 days from date of quote.**

Memo for Council Action

To: Mayor Johnson and Members of the City Council
From: Finance Director Betker
Date: April 20th 2021
Subject: Authorizing execution of subordination agreement

Background:
Resolution 2015-160 approved, among other items, a $400,000 State of Minnesota MIF Loan at 0% interest for the benefit of Sno-Bear to facilitate business development and job creation in Isanti. The original subordination agreement favored Falcon National Bank as the private sector partner in the construction project at that time. Sno-Bear is now seeking to refinance that package with Flagship Bank.
Flagship Bank has drafted the attached subordination agreement. The City Attorney and State Officials from the Department of Employment and Economic Development (DEED) have reviewed the document. The City Attorney has found it to be free of defect and the State is recommending its approval.
The loan payments that are made on this loan are received by the City but then forwarded on to DEED. The City does not keep any money on these transactions.

Recommendation:
Staff is recommending approval.

Action Required:
If the Council concurs, it should by motion, approve the attached resolution.

Attachments:
- Res 2021-XXX – Authorizing Execution of Subordination Agreement
- Subordination Agreement drafted by Flagship Bank

RESOLUTION 2021-XXX

AUTHORIZING EXECUTION OF SUBORDINATION AGREEMENT

WHEREAS, the City of Isanti approved a $400,000 State of Minnesota MIF Loan at 0% interest on July 7th 2015 by Resolution 2015-160; and

WHEREAS, Flagship Bank has requested an agreement be executed to solidify the lien positions of Flagship Bank; and

WHEREAS, the City Attorney and State Officials have reviewed the attached Subordination Agreement and agree that it protects the lien position and maintains the original loan terms.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to authorize the Mayor and City Administrator to execute the attached Subordination Agreement.

This Resolution is hereby approved by the Isanti City Council this 20th day of April, 2021.

Attest: Mayor Jeff Johnson

Jaden Strand
City Clerk

VFW "Buddy" ® Poppy

A PROCLAMATION

WHEREAS: The annual distribution of Buddy Poppies by the Veterans of Foreign Wars of the United States has been officially recognized and endorsed by governmental leaders since 1922; and,

WHEREAS: VFW Buddy Poppies are assembled by disabled veterans and the proceeds of this worthy fundraising campaign are used exclusively for the benefit of disabled and needy veterans and the widows and orphans of deceased veterans; and,

WHEREAS: The basic purpose of the annual distribution of Buddy Poppies by the Veterans of Foreign Wars is eloquently reflected in the desire to "Honor the Dead by Helping the Living," therefore;

I, Jeff Johnson, Mayor of the city of Isanti do hereby urge the citizens of this community to recognize the merits of this cause by contributing generously to its support through your donations for Buddy Poppies on the day set aside for the distribution of these symbols of appreciation for the sacrifices of our honored dead.

I urge all patriotic citizens to wear a Buddy Poppy as mute evidence of our gratitude to the menand women of this country who have risked their lives in defense of the freedoms which we continue to enjoy as American citizens.

5. Planning Commission Meeting — Tuesday, April 20, 2021 *(Immediately following the City Council Meeting)*

I. Council Committee Reports

Councilor Collison shared that BMX is back up and running as normal.

Councilor Gordon shared that restrooms were vandalized at Neighborhood Park and Bluebird Park and asked for city staff to be on the lookout for such activity.

J. Public Hearings

None

K. Business Items

City Administrator Josi Wood

1. Resolution 2021-055 Approving a Special Event Permit Request for the Race for Life, DK Gold Cup Qualifier & MN State Qualifier

City Administrator Josi Wood shared that an application has been received from Rum River BMX Association to hold Race for Life, DK Gold Cup Qualifier and MN State Qualifier events. Josh Robinson from Rum River BMX was in attendance if there were any questions. Wood further shared that Rum River BMX has submitted all the required information and staff is recommending approval of the event.

Motion by Lundeen, second by Collison to approve resolution as presented. Motion passed 5-0. Motion carried.

Robinson shared that the Race for Life is a charity event where all the proceeds go to the Leukemia and Lymphoma Society. A membership is not needed for that day so anyone that wants to try the sport has the ability. Robinson continued to share that the Gold Cup Qualifier is a regional series. A large turnout is expected as the Gold Cup Finals will be held in Minnesota near St. Cloud.

Community Development Director Sheila Sellman

2. Resolution 2021-056 Approving a Site Plan, Conditional Use Permit for a Caribou Coffee with a Drive-Thru Located at 260 5th Ave NE

Community Development Director Sheila Sellman shared that the Planning Commission held a public hearing on March 16th for the Conditional Use Permit for Caribou Coffee with drive-thru and Site Plan. The proposal that was presented to the Planning Commission meets city requirements. The Planning Commission recommended approval.

Motion by Lundeen, second by Collison to approve as presented. Motion passed 5-0. Motion carried.

3. Resolution 2021-057 Approving a Variance to the Rear Setback for 511 Blue Bird Court

Community Development Director Sheila Sellman shared that the Planning Commission held a public hearing on March 16th and no one from the public spoke. Staff gave the report and concluded that not all of the practical difficulties used in connection with granting a variance could be made; therefore, recommended denial. After the Planning Commission reviewed the report, they recommended approval with a 6-1 vote.

Motion by Bergley, second by Collison to approve resolution as presented. Motion passed 4-1 with Mayor Johnson voting nay. Motion carried.

4. **Resolution 2021-158** Approving the Final Plat for Fairway Greens

   Community Development Director Sheila Sellman shared that at the January 19, 2021 City Council meeting, the Council approved the Preliminary Plat and Planned Unit Development for Fairway Greens North with conditions. The applicant Home Pride, Inc has applied for Final approvals. At this time only the final plat will be considered. The applicant and staff are still working on final plans for the development including phasing layout and development agreement. This approval will be for the final plat of the first addition and will contain 56 lots. The development agreement will be considered for approval at a different meeting once all plans and agreements are completed.

   Motion by Lundeen, second by Bergley to approve resolution as presented. Motion passed 5-0. Motion carried.

City Engineer Jason Cook

5. **Resolution 2021-059** Accepting Plans and Specifications and Authorizing Request for Quote for the 2021 Storm System Maintenance Project

   City Engineer Jason Cook shared that this is to finalize the 2021 Storm System Maintenance Project. After the last round of the Main Street study, the storm sewer pipe has been added along Whiskey Road. Cook continued to share that he was recently in that location and the entire sidewalk is under water and this would resolve the problem. The estimated cost is below the requirement to go out for formal public bids, it is requested for direction to move forward with asking for quotes with a deadline by the end of the month to bring back to the May 4th meeting.

   Motion by Collison, second by Lundeen to approve resolution as presented. Motion passed 5-0. Motion carried.

L. Approve Consent Agenda

1. Payroll in the Amount of $116,440.85, Accounts Payable in the Amount of $488,771.14 and First Quarter Payroll for Council/ Boards/ Commissions in the Amount of $9,278.65
2. **Resolution 2021-060** Approving Application for Exempt Gambling Permit for Rum River BMX 50/50 Raffle
3. **Resolution 2021-061** Accepting Resignation for Liquor Store Clerk Emily Nelson
4. **Resolution 2021-062** Accepting Parks, Recreation and Culture Board Member Michael Becker's Resignation
5. **Resolution 2021-063** Approving a Water Shutoff Policy for Non-Payment During Cold Weather Months
6. **Resolution 2021-064** Approving IAJOFD Lease Payment for 2020
7. **Resolution 2021-065** Amending the 2021 Sewer Budget
8. **Resolution 2021-066** Authorizing an Additional Generator Monitoring Alarm
9. **Resolution 2021-067** Approving Donation Box at Liquor Store
10. **Resolution 2021-068** Approving the Re-Hire of Part-Time Public Works Seasonal Joel Bazey
11. **Resolution 2021-069** Approving the Re-Hire of Sarah Bjork for the Position of Administrative Assistant Internship
12. **Resolution 2021-070** Authorizing the Purchase of an Employee Assistant Program (EAP)

13. Resolution 2021-071 Approving the Hire of Part-Time Liquor Store Clerk II for Kalee Springer

Councilor Gordon asked for confirmation if the cost of $312 annually is for all employees or for each employee.

City Administrator Josi Wood confirmed it is for all employees.

Motion by Lundeen, second by Collison to approve consent agenda as presented. Motion passed 5-0. Motion carried.

M. Other Communications

1. Draft Minutes for the March 23, 2021 Parks, Recreation and Culture Board Meeting

Adjournment

A motion was made by Bergley, seconded by Lundeen to adjourn. Motion passed 5-0. Motion carried.

City Engineer

Subject: Main Street Reconstruction Project
Public Hearing, Project Authorization, Plan Approval and Authorization to Advertise for Bids
City of Isanti, MN
Project No.: 0R1.123865

An Informational Open House was conducted on March 25th, 2021. Eight individuals representing Six properties attended in person and approximately 5 individuals attended online via Zoom. There is a total of 27 non-City properties on the assessment roll. The majority of attendees agreed the roadway was in need of repair. Most questions were regarding individual assessment amounts, interest rates and the number of years to pay the assessment.

The next step in the MS 429 assessment process is to hold a public hearing on the improvement.

Following the Public Hearing input, should you decide to proceed with the project, a resolution ordering the improvement has been included in the Council packet as well as a resolution approving the plans and specifications and authorization to advertise for bids.

Following is a schedule for the project:

1) April 20, 2021 – Hold Public Hearing, Mayor and City Council order the improvements
2) April 20, 2021 – Mayor and City Council approves final plans and orders advertisement of bids
3) June 1, 2021 – Open bids
4) June 8, 2021 – Mayor and City Council awards bid
5) June 2021 – Commence construction
6) November, 2021 – Substantial construction completion
7) November, 2021 – Conduct final assessment hearing

As required by the Minnesota State Statute Chapter 429 process, we are requesting that City Council authorize the project, approve plans and specifications and authorize advertisement for bids.

A resolution is attached to authorize the project. A second resolution is attached to approve the plans and authorize the advertisement for bids.

I will be at the April 20, 2021 Council meeting to provide a condensed presentation on the project and assist with questions during the Public Hearing. Please contact me with any questions or comments.

Bolton & Menk is an equal opportunity employer.

RESOLUTION 2021-XXX

AUTHORIZING IMPROVEMENT
ON THE MAIN STREET RECONSTRUCTION PROJECT

WHEREAS, pursuant to Resolution 2021-049 of the City Council adopted March 16, 2021, fixed a date for a council hearing on the improvement of Main Street W from Whiskey Road to 4th Avenue NW. The improvement shall consist of street reconstruction and sidewalk reconstruction, and;

WHEREAS, ten days' mailed notice and two weeks' published notice of the hearing was given, and the hearing was held thereon on the 20th day of April, 2021, at which all persons desiring to be heard were given an opportunity to be heard thereon;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota as follows:

1. Such improvement is necessary, cost-effective, and feasible as detailed in the feasibility report.

2. Such improvement is hereby ordered as proposed.

This resolution was duly adopted by the Isanti City Council this 20th day of April 2021.

Motion: Seconded: Carried:

Attest: _____

City Clerk

RESOLUTION 2021-XXX

APPROVING PLANS AND ORDERING ADVERTISEMENT FOR BIDS FOR THE MAIN STREET RECONSTRUCTION PROJECT

WHEREAS, pursuant to Resolution No. 2021-050 passed by the Council, the City Engineer, Bolton & Menk, Inc. has prepared plans and specifications for the Main Street Reconstruction project. The improvements shall consist of in whole or a part in the above-mentioned improvement area: street reconstruction, sidewalk reconstruction, and curb & gutter reconstruction;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota:

1. Such plans and specifications, copies of which are on file in the City Offices, are hereby approved.
2. Bolton & Menk, Inc. shall prepare and cause to be inserted in the official paper and in Finance & Commerce and on QuestCDN an advertisement for bids upon the making of such improvement under such approved plans and specifications. The advertisement shall be published for 21 days, shall specify the work to be done, shall state that bids will be received by the Clerk until 2:00 pm on June 1, 2021 at which time they will be publicly opened in the Council Chambers of the City Hall by the City Engineer, will then be tabulated, and will be considered by the council at approximately 7:00 p.m. on June 8, 2021**,** in the Council Chambers of the City Hall. Any bidder whose responsibility is questioned during consideration of the bid will be given an opportunity to address the Council on the issue of responsibility. No bids will be considered unless sealed and filed with the Clerk and accompanied by a bid bond payable to the City of Isanti for five percent (5%) of the amount of such bid.

This resolution was duly adopted by the Isanti City Council this 20th day of April 2021.

Management, Honorable Mayor and City Council
City of Isanti, Minnesota

We have audited the financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund and the aggregate remaining fund information of the City of Isanti, Minnesota (the City) for the year ended December 31, 2020. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, *Government Auditing Standards*, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated October 30, 2020. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Findings

In planning and performing our audit of the financial statements, we considered the City's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, we do not express an opinion on the effectiveness of the City's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. As described below, we identified a deficiency that we consider to be a significant deficiency, finding 2020-001.

5201 Eden Avenue, Suite 250
Edina, MN 55436
952.835.9090 | Fax 952.835.3261

2020-001 **Preparation of Financial Statements**

Condition: As in prior years, we were requested to draft the audited financial statements and related footnote disclosures as part of our regular audit services. Recent auditing standards require auditors to communicate this situation to the City Council as an internal control deficiency. Ultimately, it is management's responsibility to provide for the preparation of your statements and footnotes, and the responsibility of the auditor to determine the fairness of presentation of those statements. It is our responsibility to inform you that this deficiency could result in a material misstatement to the financial statements that could have been prevented or detected by your management. Essentially, the auditors cannot be part of your internal control process.

Criteria: Internal controls should be in place to provide reasonable assurance over the reliability of financial records and reporting.

Cause: From a practical standpoint, we both prepare your statements and determine the fairness of that presentation at the same time in connection with our audit. This is not unusual for us to do with organizations of your size.

Effect: The effectiveness of the internal control system relies on enforcement by management. The effect of deficiencies in internal controls can result in undetected errors in financial reporting. We have instructed management to review a draft of the auditor prepared financials in detail for accuracy; we have answered any questions that management might have, and have encouraged research of any accounting guidance in connection with the adequacy and appropriateness of classification of disclosures in your statements. We are satisfied that the appropriate steps have been taken to provide you with the completed financial statements.

Recommendation: Under these circumstances, the most effective controls lie in management's knowledge of the City's financial operations. It is the responsibility of management and those charged with governance to make the decision whether to accept the degree of risk associated with this condition because of cost and other considerations. Regarding the specific situations listed above, we would offer the following specific recommendations: 1) Utilize a disclosure checklist to ensure all required disclosures are present and agree to work papers, and 2) Agree your accounting information from your accounting software to the amounts reported in the financial statements.

Management Response:

For now, the City accepts the degree of risk associated with this condition and thoroughly reviews a draft of the financial statements.

People + Process. Going Beyond the Numbers

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the City's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. While our audit provides a reasonable basis for our opinion, it does not provide a legal determination on the City's compliance with those requirements. As a result of our testing we noted no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards* or statutes set forth by the State of Minnesota.

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the City are described in Note 1 to the financial statements. No new accounting policies were adopted and the application of existing policies were not changed during the year ended December 31, 2020. We noted no transactions entered into by the City during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimates affecting the financial statements were depreciation on capital assets, allocation of payroll and compensated absences, liability for other post-employment benefit, and the liability of the City's pensions.

- Management's estimate of depreciation is based on estimated useful lives of the assets. Depreciation is calculated using the straight-line method.

- Allocations of gross wages and payroll benefits are approved by City Council within the City's budget and are derived from each employee's estimated time to be spent servicing the respective functions of the City. These allocations are also used in allocating accrued compensated absences payable.

- The City's liability for other post-employment benefits was estimated to be zero primarily based on the assumption that employees, whom participate in the health insurance plan, will retire after the age of 65 and not continue to participate in the plan following retirement.

- Management's estimate of its pension liability is based on several factors including, but not limited to, anticipated investment return rate, retirement age for active employees, life expectancy, salary increases and form of annuity payment upon retirement.

We evaluated the key factors and assumptions used to develop these estimates in determining that they are reasonable in relation to the financial statements taken as a whole. The disclosures in the financial statements are neutral, consistent, and clear. Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements. The following material misstatements detected as a result of audit procedures were corrected by management: Recognizing expense activity for business subsidy payments.

We assisted in preparing a number of year end accounting entries. These were necessary to adjust the City's records at year end to correct ending balances. The City should establish more detailed processes and procedures to reduce the total number of entries in each category. The City will receive better and timelier information if the preparation of year end entries is completed internally.

People + Process. Going Beyond the Numbers

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated April 14, 2021.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the City's financial statements or determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Matters

We applied certain limited procedures to the required supplementary information (RSI) (Management's Discussion and Analysis, the Schedules of Employer's Share of the Net Pension Liability, the Schedules of Employer's Contributions, and the Schedule of Changes in Net Pension Liability (Asset) and Related Ratios), Schedule of changes in the City's OPEB Liability and related ratios, which is information that supplements the basic financial statements. Our procedures consisted of inquiries of management regarding the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We did not audit the RSI and do not express an opinion or provide any assurance on the RSI.

We were engaged to report on the supplementary information (combining and individual fund financial statements and schedules and schedule of federal awards), which accompany the financial statements but are not RSI. With respect to this supplementary information, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with accounting principles generally accepted in the United States of America, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

We were not engaged to report on the introductory section, which accompanies the financial statements but is not RSI. We did not audit or perform other procedures on this other information and we do not express an opinion or provide any assurance on it.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the City's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

People + Process®
Going Beyond the Numbers

Future Accounting Standard Changes

The following Governmental Accounting Standards Board (GASB) Statements have been issued and may have an impact on future City financial statements: [1]

GASB Statement No. 87 - *Leases*

Summary

The objective of this Statement is to better meet the information needs of financial statement users by improving accounting and financial reporting for leases by governments. This Statement increases the usefulness of governments' financial statements by requiring recognition of certain lease assets and liabilities for leases that previously were classified as operating leases and recognized as inflows of resources or outflows of resources based on the payment provisions of the contract. It establishes a single model for lease accounting based on the foundational principle that leases are financings of the right to use an underlying asset. Under this Statement, a lessee is required to recognize a lease liability and an intangible right-to-use lease asset, and a lessor is required to recognize a lease receivable and a deferred inflow of resources, thereby enhancing the relevance and consistency of information about governments' leasing activities.

Effective Date and Transition

The requirements of this Statement are effective for reporting periods beginning after December 15, 2019. Earlier application is encouraged.

Leases should be recognized and measured using the facts and circumstances that exist at the beginning of the period of implementation (or, if applied to earlier periods, the beginning of the earliest period restated). However, lessors should not restate the assets underlying their existing sales-type or direct financing leases. Any residual assets for those leases become the carrying values of the underlying assets.

How the Changes in This Statement Will Improve Accounting and Financial Reporting

This Statement will increase the usefulness of governments' financial statements by requiring reporting of certain lease liabilities that currently are not reported. It will enhance comparability of financial statements among governments by requiring lessees and lessors to report leases under a single model. This Statement also will enhance the decision-usefulness of the information provided to financial statement users by requiring notes to financial statements related to the timing, significance, and purpose of a government's leasing arrangements.

GASB Statement No. 89 - *Accounting for Interest Cost Incurred before the End of a Construction Period*

Summary

The objectives of this Statement are (1) to enhance the relevance and comparability of information about capital assets and the cost of borrowing for a reporting period and (2) to simplify accounting for interest cost incurred before the end of a construction period.

This Statement establishes accounting requirements for interest cost incurred before the end of a construction period. Such interest cost includes all interest that previously was accounted for in accordance with the requirements of paragraphs 5–22 of Statement No. 62, Codification of Accounting and Financial Reporting Guidance Contained in Pre-November 30, 1989 FASB and AICPA Pronouncements, which are superseded by this Statement. This Statement requires that interest cost incurred before the end of a construction period be recognized as an expense in the period in which the cost is incurred for financial statements prepared using the economic resources measurement focus. As a result, interest cost incurred before the end of a construction period will not be included in the historical cost of a capital asset reported in a business-type activity or enterprise fund.

This Statement also reiterates that in financial statements prepared using the current financial resources measurement focus, interest cost incurred before the end of a construction period should be recognized as an expenditure on a basis consistent with governmental fund accounting principles.

People + Process. Going Beyond the Numbers

Future Accounting Standard Changes (Continued)

Effective Date and Transition

The requirements of this Statement are effective for reporting periods beginning after December 15, 2019. Earlier application is encouraged. The requirements of this Statement should be applied prospectively.

How the Changes in This Statement Will Improve Accounting and Financial Reporting

The requirements of this Statement will improve financial reporting by providing users of financial statements with more relevant information about capital assets and the cost of borrowing for a reporting period. The resulting information also will enhance the comparability of information about capital assets and the cost of borrowing for a reporting period for both governmental activities and business-type activities.

GASB Statement No. 91 - *Conduit Debt Obligations*

Summary

The primary objectives of this Statement are to provide a single method of reporting conduit debt obligations by issuers and eliminate diversity in practice associated with (1) commitments extended by issuers, (2) arrangements associated with conduit debt obligations, and (3) related note disclosures. This Statement achieves those objectives by clarifying the existing definition of a conduit debt obligation; establishing that a conduit debt obligation is not a liability of the issuer; establishing standards for accounting and financial reporting of additional commitments and voluntary commitments extended by issuers and arrangements associated with conduit debt obligations; and improving required note disclosures.

All conduit debt obligations involve the issuer making a limited commitment. Some issuers extend additional commitments or voluntary commitments to support debt service in the event the third party is, or will be, unable to do so.

An issuer should not recognize a conduit debt obligation as a liability. However, an issuer should recognize a liability associated with an additional commitment or a voluntary commitment to support debt service if certain recognition criteria are met. As long as a conduit debt obligation is outstanding, an issuer that has made an additional commitment should evaluate at least annually whether those criteria are met. An issuer that has made only a limited commitment should evaluate whether those criteria are met when an event occurs that causes the issuer to reevaluate its willingness or ability to support the obligor's debt service through a voluntary commitment.

This Statement also addresses arrangements - often characterized as leases - that are associated with conduit debt obligations. In those arrangements, capital assets are constructed or acquired with the proceeds of a conduit debt obligation and used by third-party obligors in the course of their activities. Payments from third-party obligors are intended to cover and coincide with debt service payments. During those arrangements, issuers retain the titles to the capital assets. Those titles may or may not pass to the obligors at the end of the arrangements.

This Statement requires issuers to disclose general information about their conduit debt obligations, organized by type of commitment, including the aggregate outstanding principal amount of the issuers' conduit debt obligations and a description of each type of commitment. Issuers that recognize liabilities related to supporting the debt service of conduit debt obligations also should disclose information about the amount recognized and how the liabilities changed during the reporting period.

Effective Date and Transition

The requirements of this Statement are effective for reporting periods beginning after December 15, 2020. Earlier application is encouraged.

People + Process. Going Beyond the Numbers

Future Accounting Standard Changes (Continued)

How the Changes in This Statement Will Improve Accounting and Financial Reporting

The requirements of this Statement will improve financial reporting by eliminating the existing option for issuers to report conduit debt obligations as their own liabilities, thereby ending significant diversity in practice. The clarified definition will resolve stakeholders' uncertainty as to whether a given financing is, in fact, a conduit debt obligation. Requiring issuers to recognize liabilities associated with additional commitments extended by issuers and to recognize assets and deferred inflows of resources related to certain arrangements associated with conduit debt obligations also will eliminate diversity, thereby improving comparability in reporting by issuers. Revised disclosure requirements will provide financial statement users with better information regarding the commitments issuers extend and the likelihood that they will fulfill those commitments. That information will inform users of the potential impact of such commitments on the financial resources of issuers and help users assess issuers' roles in conduit debt obligations.

GASB Statement No. 92 - *Omnibus 2020*

Summary

The objectives of this Statement are to enhance comparability in accounting and financial reporting and to improve the consistency of authoritative literature by addressing practice issues that have been identified during implementation and application of certain GASB Statements. This Statement addresses a variety of topics and includes specific provisions about the following:

- The effective date of Statement No. 87, Leases, and Implementation Guide No. 2019-3, Leases, for interim financial reports
- Reporting of intra-entity transfers of assets between a primary government employer and a component unit defined benefit pension plan or defined benefit other postemployment benefit (OPEB) plan
- The applicability of Statements No. 73, Accounting and Financial Reporting for Pensions and Related Assets That Are Not within the Scope of GASB Statement 68, and Amendments to Certain Provisions of GASB Statements 67 and 68, as amended, and No. 74, Financial Reporting for Postemployment Benefit Plans Other Than Pension Plans, as amended, to reporting assets accumulated for postemployment benefits
- The applicability of certain requirements of Statement No. 84, Fiduciary Activities, to postemployment benefit arrangements
- Measurement of liabilities (and assets, if any) related to asset retirement obligations (AROs) in a government acquisition
- Reporting by public entity risk pools for amounts that are recoverable from reinsurers or excess insurers
- Reference to nonrecurring fair value measurements of assets or liabilities in authoritative literature
- Terminology used to refer to derivative instruments.

People + Process. Going Beyond the Numbers

Future Accounting Standard Changes (Continued)

Effective Date and Transition

The requirements of this Statement are effective as follows:

- The requirements related to the effective date of Statement 87 and Implementation Guide 2019-3, reinsurance recoveries, and terminology used to refer to derivative instruments are effective upon issuance.

- The requirements related to intra-entity transfers of assets and those related to the applicability of Statements 73 and 74 are effective for fiscal years beginning after June 15, 2020.

- The requirements related to application of Statement 84 to postemployment benefit arrangements and those related to nonrecurring fair value measurements of assets or liabilities are effective for reporting periods beginning after June 15, 2020.

- The requirements related to the measurement of liabilities (and assets, if any) associated with AROs in a government acquisition are effective for government acquisitions occurring in reporting periods beginning after June 15, 2020.

Earlier application is encouraged and is permitted by topic.

How the Changes in This Statement Will Improve Accounting and Financial Reporting

The requirements of this Statement will enhance comparability in the application of accounting and financial reporting requirements and will improve the consistency of authoritative literature. More comparable reporting will improve the usefulness of information for users of state and local government financial statements.

GASB Statement No. 93 - *Replacement of Interbank Offered Rates*

Summary

The objective of this Statement is to address those and other accounting and financial reporting implications that result from the replacement of an IBOR. This Statement achieves that objective by:

- Providing exceptions for certain hedging derivative instruments to the hedge accounting termination provisions when an IBOR is replaced as the reference rate of the hedging derivative instrument's variable payment

- Clarifying the hedge accounting termination provisions when a hedged item is amended to replace the reference rate

- Clarifying that the uncertainty related to the continued availability of IBORs does not, by itself, affect the assessment of whether the occurrence of a hedged expected transaction is probable

- Removing LIBOR as an appropriate benchmark interest rate for the qualitative evaluation of the effectiveness of an interest rate swap

- Identifying a Secured Overnight Financing Rate and the Effective Federal Funds Rate as appropriate benchmark interest rates for the qualitative evaluation of the effectiveness of an interest rate swap

- Clarifying the definition of reference rate, as it is used in Statement 53, as amended

- Providing an exception to the lease modifications guidance in Statement 87, as amended, for certain lease contracts that are amended solely to replace an IBOR as the rate upon which variable payments depend

Future Accounting Standard Changes (Continued)

Effective Date and Transition

The removal of LIBOR as an appropriate benchmark interest rate is effective for reporting periods ending after December 31, 2021. All other requirements of this Statement are effective for reporting periods beginning after June 15, 2020. Earlier application is encouraged. The exceptions to the existing provisions for hedge accounting termination and lease modifications in this Statement will reduce the cost of the accounting and financial reporting ramifications of replacing IBORs with other reference rates. The reliability and relevance of reported information will be maintained by requiring that agreements that effectively maintain an existing hedging arrangement continue to be accounted for in the same manner as before the replacement of a reference rate. As a result, this Statement will preserve the consistency and comparability of reporting hedging derivative instruments and leases after governments amend or replace agreements to replace an IBOR.

How the Changes in This Statement Will Improve Accounting and Financial Reporting

The requirements of this Statement will enhance comparability in the application of accounting and financial reporting requirements and will improve the consistency of authoritative literature. More comparable reporting will improve the usefulness of information for users of state and local government financial statements.

GASB Statement No. 94 - *Public-Private and Public-Public Partnerships and Availability Payment Arrangements*

Summary

The primary objective of this Statement is to improve financial reporting by addressing issues related to public-private and public-public partnership arrangements (PPPs). As used in this Statement, a PPP is an arrangement in which a government (the transferor) contracts with an operator (a governmental or nongovernmental entity) to provide public services by conveying control of the right to operate or use a nonfinancial asset, such as infrastructure or other capital asset (the underlying PPP asset), for a period of time in an exchange or exchange-like transaction. Some PPPs meet the definition of a service concession arrangement (SCA), which the Board defines in this Statement as a PPP in which (1) the operator collects and is compensated by fees from third parties; (2) the transferor determines or has the ability to modify or approve which services the operator is required to provide, to whom the operator is required to provide the services, and the prices or rates that can be charged for the services; and (3) the transferor is entitled to significant residual interest in the service utility of the underlying PPP asset at the end of the arrangement.

This Statement also provides guidance for accounting and financial reporting for availability payment arrangements (APAs). As defined in this Statement, an APA is an arrangement in which a government compensates an operator for services that may include designing, constructing, financing, maintaining, or operating an underlying nonfinancial asset for a period of time in an exchange or exchange-like transaction.

Effective Date and Transition

The requirements of this Statement are effective for fiscal years beginning after June 15, 2022, and all reporting periods thereafter. Earlier application is encouraged.

PPPs should be recognized and measured using the facts and circumstances that exist at the beginning of the period of implementation (or if applicable to earlier periods, the beginning of the earliest period restated).

How the Changes in This Statement Will Improve Accounting and Financial Reporting

The requirements of this Statement will improve financial reporting by establishing the definitions of PPPs and APAs and providing uniform guidance on accounting and financial reporting for transactions that meet those definitions. That uniform guidance will provide more relevant and reliable information for financial statement users and create greater consistency in practice. This Statement will enhance the decision usefulness of a government's financial statements by requiring governments to report assets and liabilities related to PPPs consistently and disclose important information about PPP transactions. The required disclosures will allow users to understand the scale and important aspects of a government's PPPs and evaluate a government's future obligations and assets resulting from PPPs.

People + Process. Going Beyond the Numbers

Future Accounting Standard Changes (Continued)

GASB Statement No. 95 - *Postponement of the Effective Dates of Certain Authoritative Guidance*

Summary

The primary objective of this Statement is to provide temporary relief to governments and other stakeholders in light of the COVID-19 pandemic. That objective is accomplished by postponing the effective dates of certain provisions in Statements and Implementation Guides that first became effective or are scheduled to become effective for periods beginning after June 15, 2018, and later.

The effective dates of certain provisions contained in the following pronouncements are postponed by one year:

- Statement No. 83, Certain Asset Retirement Obligations
- Statement No. 84, Fiduciary Activities
- Statement No. 88, Certain Disclosures Related to Debt, including Direct Borrowings and Direct Placements
- Statement No. 89, Accounting for Interest Cost Incurred before the End of a Construction Period
- Statement No. 90, Majority Equity Interests
- Statement No. 91, Conduit Debt Obligations
- Statement No. 92, Omnibus 2020
- Statement No. 93, Replacement of Interbank Offered Rates
- Implementation Guide No. 2017-3, Accounting and Financial Reporting for Postemployment Benefits Other Than Pensions (and Certain Issues Related to OPEB Plan Reporting)
- Implementation Guide No. 2018-1, Implementation Guidance Update - 2018
- Implementation Guide No. 2019-1, Implementation Guidance Update - 2019
- Implementation Guide No. 2019-2, Fiduciary Activities.

The effective dates of the following pronouncements are postponed by 18 months:

- Statement No. 87, Leases
- Implementation Guide No. 2019-3, Leases.

Effective Date and Transition

The requirements of this Statement are effective immediately.

How the Changes in This Statement Will Improve Accounting and Financial Reporting

Providing governments with sufficient time to apply the authoritative guidance addressed in this Statement will help to safeguard the reliability of their financial statements, which in turn will benefit the users of those financial statements.

People + Process. Going Beyond the Numbers

Future Accounting Standard Changes (Continued)

GASB Statement No. 96 - *Subscription-Based Information Technology Arrangements*

Summary

This Statement provides guidance on the accounting and financial reporting for subscription-based information technology arrangements (SBITAs) for government end users (governments). This Statement (1) defines a SBITA; (2) establishes that a SBITA results in a right-to-use subscription asset - an intangible asset - and a corresponding subscription liability; (3) provides the capitalization criteria for outlays other than subscription payments, including implementation costs of a SBITA; and (4) requires note disclosures regarding a SBITA. To the extent relevant, the standards for SBITAs are based on the standards established in Statement No. 87, Leases, as amended.

Under this Statement, a government generally should recognize a right-to-use subscription asset - an intangible asset - and a corresponding subscription liability. A government should recognize the subscription liability at the commencement of the subscription term, - which is when the subscription asset is placed into service. The subscription liability should be initially measured at the present value of subscription payments expected to be made during the subscription term. Future subscription payments should be discounted using the interest rate the SBITA vendor charges the government, which may be implicit, or the government's incremental borrowing rate if the interest rate is not readily determinable. A government should recognize amortization of the discount on the subscription liability as an outflow of resources (for example, interest expense) in subsequent financial reporting periods.

This Statement provides an exception for short-term SBITAs. Short-term SBITAs have a maximum possible term under the SBITA contract of 12 months (or less), including any options to extend, regardless of their probability of being exercised. Subscription payments for short-term SBITAs should be recognized as outflows of resources.

This Statement requires a government to disclose descriptive information about its SBITAs other than short-term SBITAs, such as the amount of the subscription asset, accumulated amortization, other payments not included in the measurement of a subscription liability, principal and interest requirements for the subscription liability, and other essential information.

Effective Date and Transition

The requirements of this Statement are effective for fiscal years beginning after June 15, 2022, and all reporting periods thereafter. Earlier application is encouraged. Assets and liabilities resulting from SBITAs should be recognized and measured using the facts and circumstances that existed at the beginning of the fiscal year in which this Statement is implemented. Governments are permitted, but are not required, to include in the measurement of the subscription asset capitalizable outlays associated with the initial implementation stage and the operation and additional implementation stage incurred prior to the implementation of this Statement.

How the Changes in This Statement Will Improve Accounting and Financial Reporting

The requirements of this Statement will improve financial reporting by establishing a definition for SBITAs and providing uniform guidance for accounting and financial reporting for transactions that meet that definition. That definition and uniform guidance will result in greater consistency in practice. Establishing the capitalization criteria for implementation costs also will reduce diversity and improve comparability in financial reporting by governments. This Statement also will enhance the relevance and reliability of a government's financial statements by requiring a government to report a subscription asset and subscription liability for a SBITA and to disclose essential information about the arrangement. The disclosures will allow users to understand the scale and important aspects of a government's SBITA activities and evaluate a government's obligations and assets resulting from SBITAs.

People + Process. Going Beyond the Numbers

Future Accounting Standard Changes (Continued)

GASB Statement No. 97 - *Certain Component Unit Criteria, and Accounting and Financial Reporting for Internal Revenue Code Section 457 Deferred Compensation Plans - an amendment of GASB Statements No. 14 and No. 84, and a supersession of GASB Statement No. 32*

Summary

The primary objectives of this Statement are to (1) increase consistency and comparability related to the reporting of fiduciary component units in circumstances in which a potential component unit does not have a governing board and the primary government performs the duties that a governing board typically would perform; (2) mitigate costs associated with the reporting of certain defined contribution pension plans, defined contribution other postemployment benefit (OPEB) plans, and employee benefit plans other than pension plans or OPEB plans (other employee benefit plans) as fiduciary component units in fiduciary fund financial statements; and (3) enhance the relevance, consistency, and comparability of the accounting and financial reporting for Internal Revenue Code (IRC) Section 457 deferred compensation plans (Section 457 plans) that meet the definition of a pension plan and for benefits provided through those plans.

This Statement requires that for purposes of determining whether a primary government is financially accountable for a potential component unit, except for a potential component unit that is a defined contribution pension plan, a defined contribution OPEB plan, or another employee benefit plan (for example, certain Section 457 plans), the absence of a governing board should be treated the same as the appointment of a voting majority of a governing board if the primary government performs the duties that a governing board typically would perform.

This Statement also requires that the financial burden criterion in paragraph 7 of Statement No. 84, Fiduciary Activities, be applicable to only defined benefit pension plans and defined benefit OPEB plans that are administered through trusts that meet the criteria in paragraph 3 of Statement No. 67, Financial Reporting for Pension Plans, or paragraph 3 of Statement No. 74, Financial Reporting for Postemployment Benefit Plans Other Than Pension Plans, respectively.

This Statement (1) requires that a Section 457 plan be classified as either a pension plan or another employee benefit plan depending on whether the plan meets the definition of a pension plan and (2) clarifies that Statement 84, as amended, should be applied to all arrangements organized under IRC Section 457 to determine whether those arrangements should be reported as fiduciary activities.

This Statement supersedes the remaining provisions of Statement No. 32, Accounting and Financial Reporting for Internal Revenue Code Section 457 Deferred Compensation Plans, as amended, regarding investment valuation requirements for Section 457 plans. As a result, investments of all Section 457 plans should be measured as of the end of the plan's reporting period in all circumstances.

Effective Date and Transition

The requirements of this Statement that (1) exempt primary governments that perform the duties that a governing board typically performs from treating the absence of a governing board the same as the appointment of a voting majority of a governing board in determining whether they are financially accountable for defined contribution pension plans, defined contribution OPEB plans, or other employee benefit plans and (2) limit the applicability of the financial burden criterion in paragraph 7 of Statement 84 to defined benefit pension plans and defined benefit OPEB plans that are administered through trusts that meet the criteria in paragraph 3 of Statement 67 or paragraph 3 of Statement 74, respectively, are effective immediately.

The requirements of this Statement that are related to the accounting and financial reporting for Section 457 plans are effective for fiscal years beginning after June 15, 2021. For purposes of determining whether a primary government is financially accountable for a potential component unit, the requirements of this Statement that provide that for all other arrangements, the absence of a governing board be treated the same as the appointment of a voting majority of a governing board if the primary government performs the duties that a governing board typically would perform, are effective for reporting periods beginning after June 15, 2021. Earlier application of those requirements is encouraged and permitted by requirement as specified within this Statement.

The Board considered the effective dates for the requirements of this Statement in light of the COVID-19 pandemic and in concert with Statement No. 95, Postponement of the Effective Dates of Certain Authoritative Guidance.

People + Process. Going Beyond the Numbers

Future Accounting Standard Changes (Continued)

How the Changes in This Statement Will Improve Accounting and Financial Reporting

The requirements of this Statement will result in more consistent financial reporting of defined contribution pension plans, defined contribution OPEB plans, and other employee benefit plans, while mitigating the costs associated with reporting those plans. The requirements also will enhance the relevance, consistency, and comparability of (1) the information related to Section 457 plans that meet the definition of a pension plan and the benefits provided through those plans and (2) investment information for all Section 457 plans.

INDEPENDENT AUDITOR'S REPORT

Honorable Mayor and City Council
City of Isanti, Minnesota

Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities, the business-type activities, each major fund and the aggregate remaining fund information of the City of Isanti, Minnesota (the City), as of and for the year ended December 31, 2020, and the related notes to the financial statements, which collectively comprise the City's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the City's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, each major fund and the aggregate remaining fund information of the City as of December 31, 2020, and the respective changes in financial position and, where applicable, cash flows thereof and the respective budgetary comparison for the General fund for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the Management's Discussion and Analysis starting on page 17 and the Schedules of Employer's Share of the Net Pension Liability and the Schedules of Employer's Contributions, the related note disclosures, and the Schedule of Changes in the City's OPEB Liability and Related Ratios starting on page 82 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquires of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquires, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the City's basic financial statements. The introductory section and combining and individual fund financial statements and schedules are presented for purposes of additional analysis and are not a required part of the financial statements.

The combining and individual fund financial statements and schedules are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to basic the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining and individual fund financial statements and schedules are fairly stated in all material respects in relation to the basic financial statements as a whole.

The introductory section has not been subjected to the auditing procedures applied in the audit of the basic financial statements, and accordingly, we do not express an opinion or provide any assurance on it.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated April 14, 2021 on our consideration of the City's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City's internal control over financial reporting and compliance.

Management's Discussion and Analysis

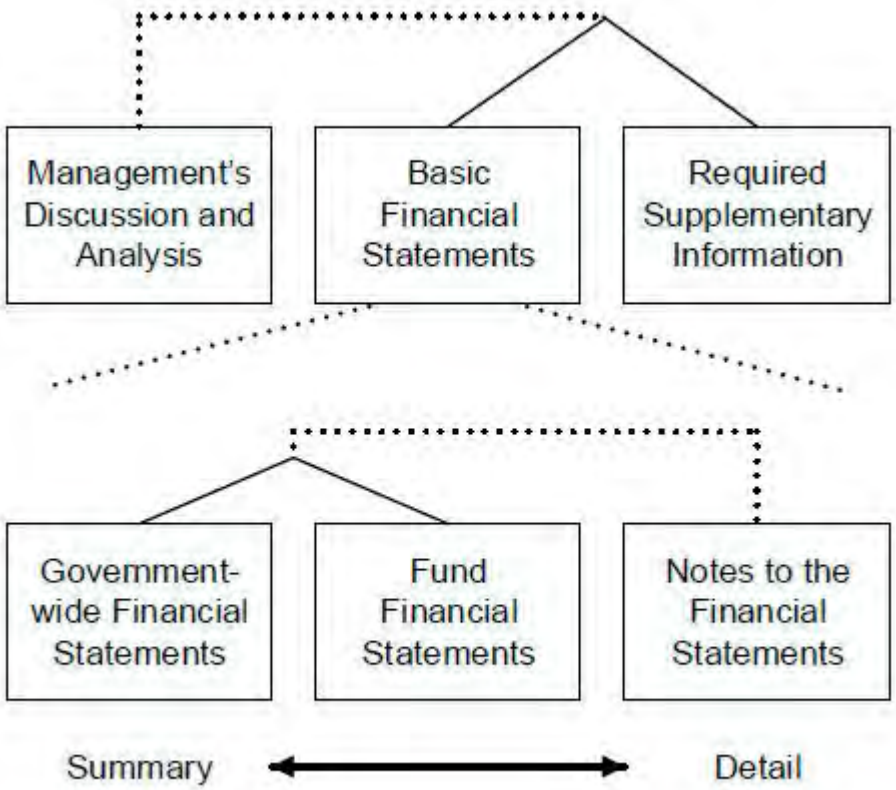
As management of the City of Isanti, Minnesota, (the City), we offer readers of the City's financial statements this narrative overview and analysis of the financial activities of the City for the fiscal year ended December 31, 2020.

Financial Highlights

- The assets and deferred outflows of the City exceeded its liabilities and deferred inflows of resources at the close of the most recent fiscal year by $49,994,492. Of this amount, $9,492,051 (unrestricted net position) may be used to meet the City's ongoing obligations to citizens and creditors.

- The City's total net position increased by $4,716,658. This was largely a result of operating income within business-type activities of $1,241,406 as well as capital contributions of $740,863 from connection fees.

- As of the close of the current fiscal year, the City's governmental funds reported combined ending fund balances of $4,064,200, a decrease of $482,176, in comparison with the prior year.



- At the end of the current fiscal year, unassigned fund balance for the General fund was $1,509,947, or 37.5 percent of 2020 expenditures and transfers out.

Overview of the Financial Statements

This discussion and analysis is intended to serve as an introduction to the City's basic financial statements. The City's basic financial statements comprise three components: 1) government-wide financial statements, 2) fund financial statements, and 3) notes to the financial statements. This report also contains other supplemental information in addition to the basic financial statements themselves.

The following chart shows how the required parts of this annual report are arranged and relate to one another. In addition to these required elements, we have included a section with combining and individual fund financial statements and schedules that provide details about nonmajor governmental funds, which are added together and presented in single columns in the basic financial statements.

Organization of the
City's Annual Financial Report

The following chart summarizes the major features of the City's financial statements, including the portion of the City's activities they cover and the types of information they contain. The remainder of this overview section of management's discussion and analysis explains the structure and contents of each of the statements.

Major Features of the Government-wide and Fund Financial Statements

		Fund Financial Statements		
	Government-wide Statements	**Governmental Funds**	**Proprietary Funds**	**Fiduciary Funds**
Scope	Entire City government (except fiduciary funds) and the City's component units	The activities of the City that are not proprietary or fiduciary, such as police, fire and parks	Activities the City operates similar to private businesses, such as the water and sewer system	Instances in which the City administers resources on behalf of someone else, such as developers
Required financial statements	• Statement of Net Position • Statement of Activities	• Balance Sheet • Statement of Revenues, Expenditures and Changes in Fund Balances	• Statements of Net Position • Statements of Revenues, Expenses and Changes in Fund Net Position • Statements of Cash Flows	• Statement of fiduciary net position
Accounting basis and measurement focus	Accrual accounting and economic resources focus	Modified accrual accounting and current financial resources focus	Accrual accounting and economic resources focus	Accrual accounting and economic resources focus
Type of asset/liability information	All assets and liabilities, both financial and capital, and short-term and long-term	Only assets expected to be used up and liabilities that come due during the year or soon thereafter; no capital assets included	All assets and liabilities, both financial and capital, and short-term and long-term	All assets and liabilities, both short-term and long-term; fund do not currently contain capital assets, although they can
Type of deferred outflows/inflows of resources information	All deferred outflows/inflows of resources, regardless of when cash is received or paid	Only deferred outflows of resources expected to be used up and deferred inflows of resources that come due during the year or soon thereafter; no capital assets included	All deferred outflows/inflows of resources, regardless of when cash is received or paid	
Type of inflow/out flow information	All revenues and expenses during year, regardless of when cash is received or paid	Revenues for which cash is received during or soon after the end of the year; expenditures when goods or services have been received and the related liability is due and payable	All revenues and expenses during the year, regardless of when cash is received or paid	All additions and deductions during the year, regardless of when cash is received or paid

Government-wide Financial Statements. The *government-wide financial statements* are designed to provide readers with a broad overview of the City's finances, in a manner similar to a private-sector business.

The *statement of net position* presents information on all of the City's assets and deferred inflows of resources and liabilities and deferred outflows of resources, with the difference reported as *net position*. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the City is improving or deteriorating.

The *statement of activities* presents information showing how the City's net position changed during the most recent fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, *regardless of the timing of related cash flows*. Thus, revenues and expenses are reported in this statement for some items that will only result in cash flows in future fiscal periods (e.g., uncollected taxes and earned but unused vacation leave).

Both of the government-wide financial statements distinguish functions of the City that are principally supported by taxes and intergovernmental revenue (*governmental activities*) from other functions that are intended to recover all or a significant portion of their costs through user fees and charges (*business-type activities*). The governmental activities of the City include general government, public safety, public works, culture and recreation, economic development and interest on long-term debt. The business-type activities of the City include water, sewer, storm water and a liquor store.

The government-wide financial statements start on page 31 of this report.

Fund Financial Statements. A *fund* is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The City, like other state and local governments, uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. All of the funds of the City can be divided into three categories: governmental funds, proprietary funds and the fiduciary fund.

Governmental Funds. *Governmental funds* are used to account for essentially the same functions reported as *governmental activities* in the government-wide financial statements. However, unlike the government-wide financial statements, governmental fund financial statements focus on *near-term inflows and outflows of spendable resources*, as well as on *balances of spendable resources* available at the end of the fiscal year. Such information may be useful in evaluating a City's near-term financing requirements.

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for *governmental funds* with similar information presented for *governmental activities* in the government-wide financial statements. By doing so, readers may better understand the long-term impact by the City's near-term financing decisions. Both the governmental fund balance sheet and the governmental fund statement of revenues, expenditures and changes in fund balances provide a reconciliation to facilitate this comparison between *governmental funds* and *governmental activities*.

The City maintains 35 individual governmental funds, 7 of which are Debt Service funds. Information is presented separately in the governmental fund balance sheet and in the governmental fund statement of revenues, expenditures and changes in fund balances for the General fund and Debt Service fund, both of which are considered to be major funds. Data from the other governmental funds are combined into a single, aggregated presentation. Individual fund data for each of these nonmajor governmental funds is provided in the form of *combining statements or schedules* elsewhere in this report.

The City adopts an annual appropriated budget for its General fund. A budgetary comparison statement has been provided for the General fund to demonstrate compliance with this budget.

The basic governmental fund financial statements start on page 36 of this report.

Proprietary Funds. The City maintains one type of proprietary fund*. Enterprise funds* are used to report the same functions presented as *business-type activities* in the government-wide financial statements. The City uses enterprise funds to account for its water, sewer, liquor store, and storm water.

Proprietary funds provide the same type of information as the government-wide financial statements, only in more detail. The proprietary fund financial statements provide separate information for each of the enterprise funds, all of which are considered to be major funds of the City.

The basic proprietary fund financial statements start on page 44 of this report.

Notes to the Financial Statements. The notes provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements. The notes to the financial statements start on page 51 of this report.

Other Information. In addition to the basic financial statements and accompanying notes, this report also presents *required supplementary information* concerning the City's progress in funding its obligation to provide pension benefits to its employees. Required supplementary information can be found starting on page 82 of this report.

The combining statements referred to earlier in connection with nonmajor governmental funds are presented following the notes to the financial statements. Combining and individual fund financial statements and schedules start on page 90 of this report.

Government-wide Financial Analysis

As noted earlier, net position may serve over time as a useful indicator of a government's financial position. In the case of the City, assets and deferred outflows exceeded liabilities and deferred inflows of resources by $49,994,492 at the close of the most recent fiscal year.

By far, the largest portion of the City's net position (78.0 percent) reflects its investment in capital assets (e.g., land, buildings, machinery and equipment); less any related debt used to acquire those assets that is still outstanding. The City uses these capital assets to provide services to citizens; consequently, these assets are not available for future spending. Although the City's investment in its capital assets is reported net of related debt, it should be noted that the resources needed to repay this debt must be provided from other sources, since the capital assets themselves cannot be used to liquidate these liabilities.

City of Isanti's Summary of Net Position

	Governmental Activities			Business-type Activities		
	2020	2019	Increase (Decrease)	2020	2019	Increase (Decrease)
Assets						
Current and other assets	$ 6,346,526	$ 6,631,435	$ (284,909)	$ 8,973,023	$ 8,017,400	$ 955,623

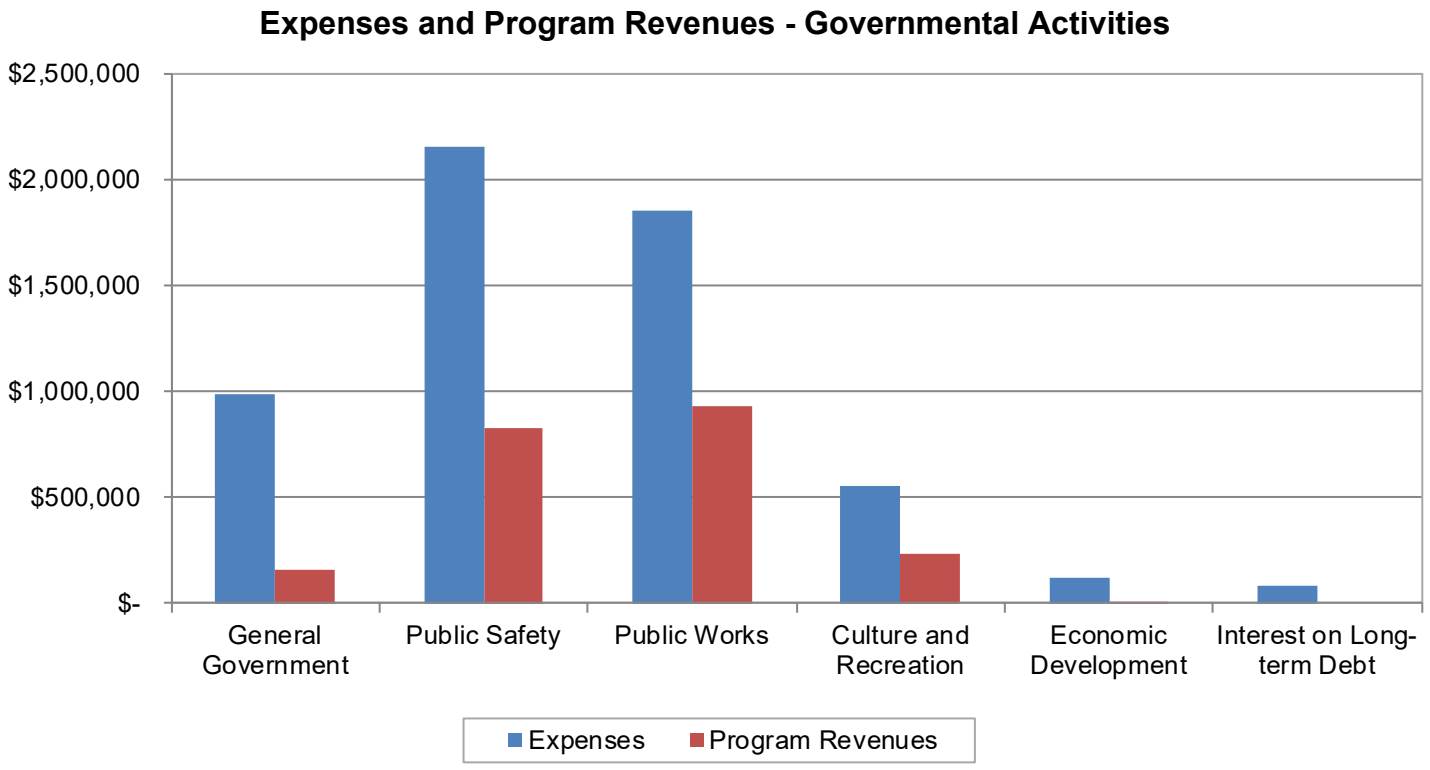
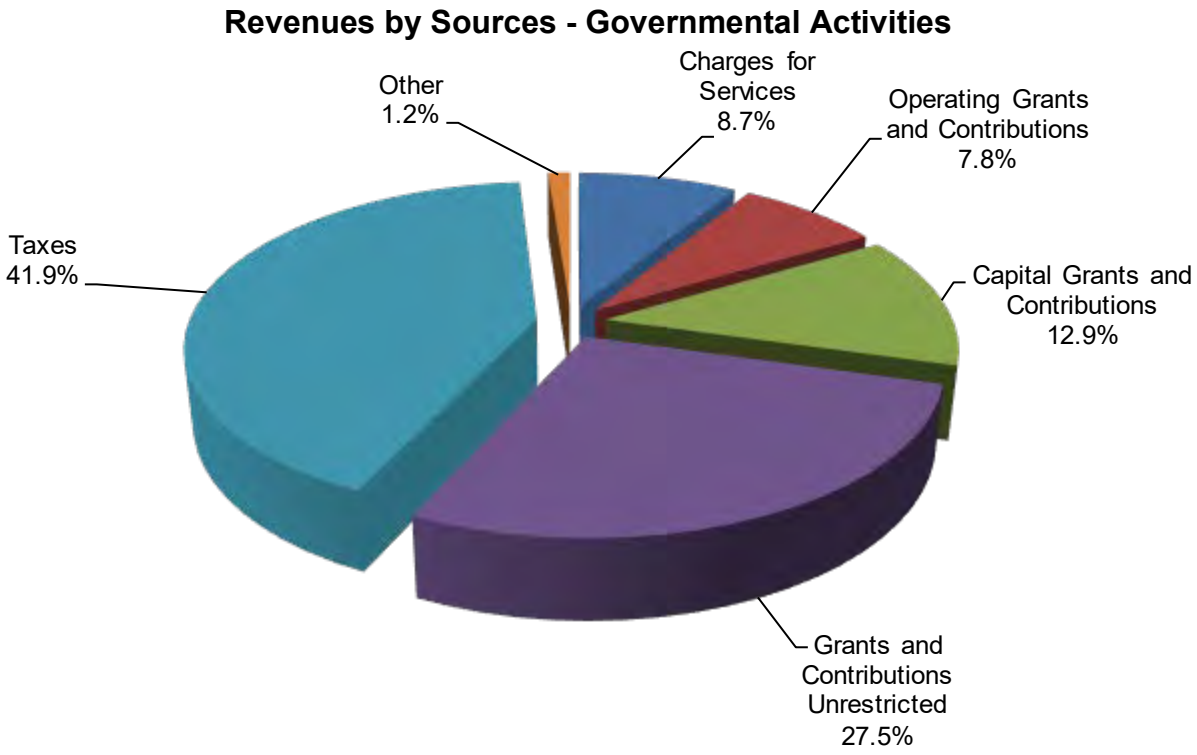
Deferred Outflows of Resources						
Deferred pension resource	733,127	1,067,006	(333,879)	65,181	46,583	18,598
Liabilities						
Noncurrent liabilities outstanding	2,728,826	3,398,898	(670,072)	6,588,906	7,354,545	(765,639)
Other liabilities	2,388,135	2,002,310	385,825	734,524	749,618	(15,094)
Total Liabilities	5,116,961	5,401,208	(284,247)	7,323,430	8,104,163	(780,733)
Deferred Inflows of Resources						
Resources received in advance	610,064	760,223	(150,159)	-	-	-
Deferred pension resource	872,205	1,545,974	(673,769)	46,136	108,148	(62,012)
Deferred pension resource	151,074	-	151,074	79,573	-	79,573
Total Deferred Inflows of Resources	1,633,343	2,306,197	(672,854)	125,709	108,148	17,561
Net Position						
Net investment in capital assets	16,143,144	13,819,212	2,323,932	22,850,232	21,105,692	1,744,540
Restricted	1,509,065	1,809,514	(300,449)	-	-	-
Unrestricted	1,387,439	1,407,179	(19,740)	8,104,612	7,136,237	968,375
Total Net Position	$ 19,039,648	$ 17,035,905	$ 2,003,743	$ 30,954,844	$ 28,241,929	$ 2,712,915

An additional portion of the City's net position (3.0 percent) represents resources that are subject to external restrictions on how they may be used. The remaining balance of *unrestricted net position,* $9,492,051, may be used to meet the City's ongoing obligations to citizens and creditors.

At the end of the current fiscal year, the City is able to report positive balances in all three categories of net position, both for the City as a whole, as well as for its separate governmental and business-type activities.



Governmental Activities. The City's net position increased $4,716,658 during the current fiscal year. Governmental activities increased the City's net position by $2,003,743. Significant changes from the prior year are noted below:



City of Isanti's Changes in Net Position

	Governmental Activities			Business-type Activities		
	2020	2019	Increase (Decrease)	2020	2019	Increase (Decrease)
Revenues						
Program Revenues						
Charges for services	$ 640,779	$ 667,789	$ (27,010)	$ 7,047,371	$ 5,916,616	$ 1,130,755

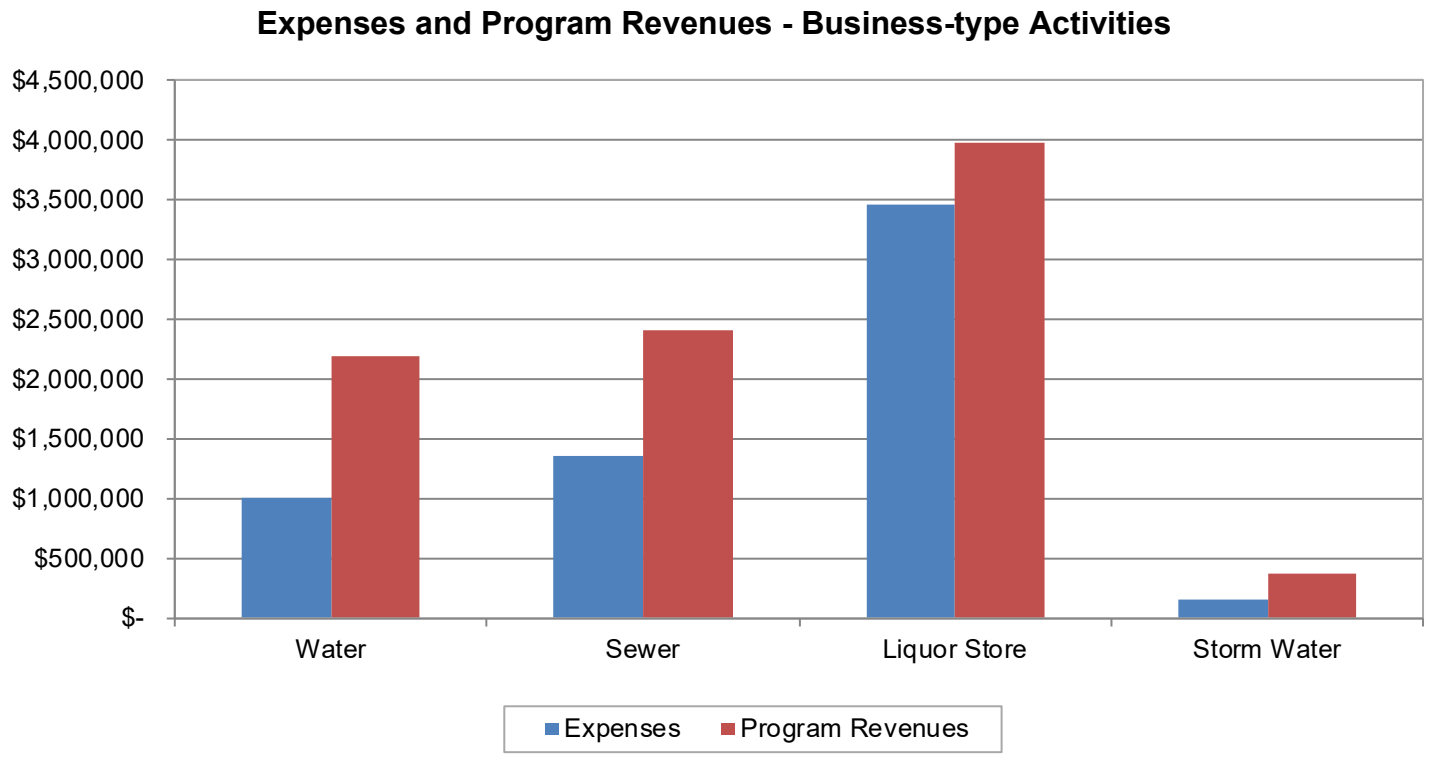
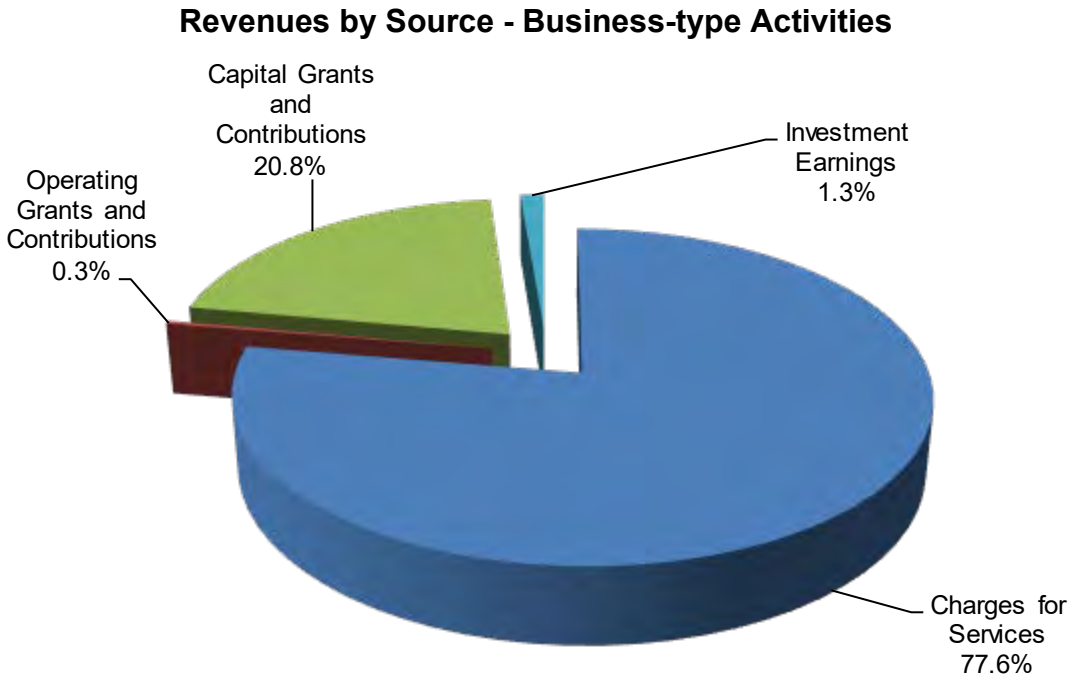
Changes in Net Position Before Transfers and Special Items	1,612,936	(842,283)	2,455,219	3,103,722	1,546,724	1,556,998
Transfers - Capital Assets	-	-	-	-	-	-
Transfers - Internal Activities	390,807	393,523	(2,716)	(390,807)	(393,523)	2,716
Change in Net Position	2,003,743	(448,760)	2,452,503	2,712,915	1,153,201	1,559,714
Net Position, January 1	17,035,905	17,484,665	(448,760)	28,241,929	27,088,728	1,153,201
Net Position, December 31	$ 19,039,648	$ 17,035,905	$ 2,003,743	$ 30,954,844	$ 28,241,929	$ 2,712,915



- Property taxes increased $383,354 from the prior year in line with the City's budget and capital improvement plan.
- Capital grants and contributions increased $614,184 due to grants received for street construction projects during the year.
- Economic development expenses increased $382,502 during the year due to additional expenditures related to the pandemic.



The following graph depicts various governmental activities and shows the revenues and expenses directly related to those activities.

Business-type Activities. Business-type activities increased the City's net position by $2,712,915. The main reason for the increase was charges for services increased $1,130,755 from the prior year. Additional information noted below:

Financial Analysis of the City's Funds

As noted earlier, the City uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements.

Governmental Funds. The focus of the City's *governmental funds* is to provide information on near-term inflows, outflows and balances of *spendable* resources. Such information is useful in assessing the City's financing requirements. In particular, *unassigned fund balance* may serve as a useful measure of a government's net resources available for spending at the end of the fiscal year.

As of the end of the current fiscal year, the City's governmental funds reported combined ending fund balances of $4,064,200, a decrease of $482,176 in comparison with the prior year. Of this total amount, 16.8 percent, or $683,527, constitutes unassigned fund balance, which is available for spending at the City's discretion. The remainder of fund balance of $3,380,673 is not available for new spending because it is either 1) nonspendable ($16,057), 2) restricted ($1,165,131), 3) Assigned ($1,470,920) or 4) committed ($728,565). For further classification, refer to Note 3F on page 70 of this report.

The General fund is the chief operating fund of the City. As a measure of the General fund's liquidity, it may be useful to compare fund balance to total fund expenditures and transfers out. Fund balance represents 37.6 percent of budgeted 2019 expenditures and transfers out. Of the fund balance, $1,509,947 is unassigned and will be used for cash flow for general operations and will be used to support operations until funds are received in June from the first tax settlement.

The Debt Service fund balance decreased $288,658 during the year mainly due to regularly scheduled principal and interest payments exceeding sources during the year.

The Street Construction fund had a decrease in fund balance of $512,162. The decrease is mainly due to expenditures exceeding revenues during the year. MSA funding will be recognized in future years when available.

The Highway 64 and Cajima fund decreased $354,345 during the year. The project expenses exceeded project revenues during the year. The project fund is expected to close in the future year.

The Capital Replacement fund has an increase in fund balance of $4,652 with an ending balance of $802,358.

Proprietary Funds. The City's proprietary funds provide the same type of information found in the government-wide financial statements, but in more detail. Unrestricted net position of the enterprise funds at the end of the year amounted to $8,104,612. Other factors concerning the finances of this fund have already been addressed in the discussion of the City's business-type activities.

General Fund Budgetary Highlights

The City's original General fund budget was amended during the year, increasing expenditures $49,725 with a budget to decrease fund balance by $49,725. Revenues were $345,552 over budget. This is primarily due intergovernmental revenue being more than budgeted by $390,822. Expenditures were over budget by $287,327. The largest variance in the General fund expenditures is due to economic development which was $462 over budget.

Capital Assets and Debt Administration

Capital Assets. The City's investment in capital assets for its governmental and business type activities as of December 31, 2020, amounts to $48,076,078 (net of accumulated depreciation). This investment in capital assets includes land, structures, improvements, machinery and equipment, park facilities, roads and highways.

Major capital asset events during the current fiscal year included the following:

- 2018 Street Improvements that were finished and capitalized in 2019.
- 2019 Stormwater Improvements
- SCADA System Upgrades
- Water Chlorination System
- A/V Equipment (Council Chambers)
- Squad Vehicles and Police Equipment.

City of Isanti's Capital Asset
(Net of Depreciation)

	Governmental Activities			Business-type Activities		
	2020	2019	Increase (Decrease)	2020	2019	Increase (Decrease)
Land	$ 2,414,179	$ 2,424,266	$ (10,087)	$ 94,237	$ 94,237	$ -
Construction in Progress	698,990	115,870	583,120	701,538	160,599	540,939

Buildings	3,365,761	3,507,705	(141,944)	3,301,846	3,401,123	(99,277)
Infrastructure	11,397,501	10,319,975	1,077,526	24,609,470	23,997,898	611,572
Machinery and Equipment	581,220	499,087	82,133	526,356	605,634	(79,278)
Vehicles	252,648	177,966	74,682	54,815	63,358	(8,543)
Total	$ 18,710,299	$ 17,044,869	$ 1,665,430	$ 29,365,779	$ 28,390,257	$ 975,522

Additional information on the City's capital assets can be found in Note 3D starting on page 64 of this report.

Long-term Debt. At the end of the current fiscal year, the City had total bonded debt outstanding of $8,997,056. While all of the City's bonds have revenue streams, they are all backed by the full faith and credit of the City. Total outstanding debt decreased $1,427,520 during the year due to regularly schedule debt service payments.

City of Isanti's Outstanding Debt

	Governmental Activities			Business-type Activities		
	2020	2019	Increase (Decrease)	2020	2019	Increase (Decrease)
G.O. Bonds	$ 1,985,000	$ 2,190,000	$ (205,000)	$ -	$ -	$ -
G.O. Improvement Bonds	550,000	1,000,000	(450,000)	300,000	335,000	(35,000)
G.O. Revenue Bonds	-	-	-	6,162,056	6,890,056	(728,000)
Bond Premium	32,155	35,657	(3,502)	53,491	59,509	(6,018)
Total	$ 2,567,155	$ 3,225,657	$ (658,502)	$ 6,515,547	$ 7,284,565	$ (769,018)

Minnesota statutes limit the amount of net general obligation debt a City may issue to three percent of the market value of taxable property within the City. Net debt is payable solely from ad valorem taxes and, therefore, excludes debt financed partially or entirely by special assessments, enterprise fund revenues, or tax increments. As of December 31, 2020, the City is under the legal debt margin.

Additional information on the City's long-term debt can be found in Note 3E starting on page 66 of this report.

Economic Factors and Next Year's Budgets and Rates

- Property tax valuations within the City increased in 2020 by 14.90% and have continued to increase for 2021 by 12.03%.

- The 2021 budget includes a property tax levy of $2,987,163 which is 9.78% higher than the 2020 levy but lowered the tax rate by 1.28%.

- The 2021 budget includes an amount for Local Government Aid in the amount of $780,176.

- Franchise fees were implemented in 2016 to offset capital improvements, specifically pavement management costs.

- Isanti County has an average unemployment rate for 2020 of 6.4%. This compares with unemployment rates of 6.2% for the State of Minnesota and 8.1% for the United States.

All of these factors were considered in preparing the City's budget for the 2021 fiscal year.

Requests for Information

This financial report is designed to provide a general overview of the City's finances for all those with an interest in the City's finances. Questions concerning any of the information provided in this report or requests for additional financial information should be addressed to the Finance Director, City of Isanti, 110 1st Avenue Northwest, PO Box 428, Isanti, Minnesota 55040.

City of Isanti, Minnesota
Reconciliation of the Balance Sheet
to the Statement of Net Position
Governmental Funds
December 31, 2020

Amounts reported for the governmental activities in the statement of net position are different because

Total Fund Balances - Governmental Funds	$ 4,064,200
Capital assets used in governmental activities are not financial resources and therefore are not reported as assets in governmental funds.	
Cost of capital assets	37,682,740
Less: accumulated depreciation	(18,972,441)
Noncurrent liabilities, including bonds payable, are not due and payable in the current period and therefore are not reported as liabilities in the funds.	
Noncurrent liabilities at year-end consist of	
Bond principal payable	(2,535,000)
Plus bond premium	(32,155)
Compensated absences payable	(161,671)
Other postemployment benefits payable	(45,579)
Net pension liability	(1,643,364)
Some receivables are not available soon enough to pay for the current period's expenditures, and therefore are reported as unavailable revenue in the funds.	
Taxes receivable	23,720
Special assessments receivable	956,370
Governmental funds do not report long-term amounts related to pensions.	
Deferred outflows of pension resources	733,127
Deferred inflows of pension resources	(1,023,279)
Governmental funds do not report a liability for accrued interest until due and payable.	(7,020)
Total Net Position - Governmental Activities	$ 19,039,648

The notes to the financial statements are an integral part of this statement.

City of Isanti, Minnesota

Reconciliation of the Statement of Revenues, Expenditures and
Changes in Fund Balances to the Statement of Activities
Governmental Funds
For the Year Ended December 31, 2020

Amounts reported for governmental activities in the statement of activities are different because

Total Net Change in Fund Balances - Governmental Funds	$ (482,176)
Capital outlays are reported in governmental funds as expenditures. However, in the statement of activities, the cost of those assets is allocated over the estimated useful lives as depreciation expense.	
Capital outlays	1,823,795
Depreciation expense	(1,408,628)
Governmental funds report a gain (loss) on sale of capital assets to the extent of cash exchanged, whereas the disposition of the assets book value is included in the total gain (loss) in the statement of activities.	
Gain on trade in	(10,087)
Revenues in the statement of activities that do not provide current financial resources are not reported as revenues in the funds.	
Contributed capital assets	1,260,350
The issuance of long-term debt provides current financial resources to governmental funds, while the repayment of principal of long-term debt consumes the current financial resources of governmental funds. Neither transaction, however, has any effect on net position.	
Principal repayments	655,000
Amortization of bond premium	3,502
Interest on long-term debt in the statement of activities differs from the amount reported in the governmental funds because interest is recognized as an expenditure in the funds when it is due, and thus requires the use of current financial resources. In the statement of activities, however, interest expense is recognized as the interest accrues, regardless of when it is due.	1,871
Long-term pension activity is not reported in governmental funds.	
Pension expense	93,172
Other post employment benefit expense	1,486
Pension other revenue	14,202
Certain revenues are recognized as soon as they are earned. Under the modified accrual basis of accounting, certain revenues cannot be recognized until they are available to liquidate liabilities of the current period.	
Property taxes	(3,884)
Special assessments	43,570
Some expenses reported in the statement of activities do not require the use of current financial resources and, therefore, are not reported as expenditures in the governmental funds.	
Compensated absences	11,570
Change in Net Position - Governmental Activities	$ 2,003,743

The notes to the financial statements are an integral part of this statement.

Note 1: Summary of Significant Accounting Policies

A. Reporting Entity

The City of Isanti, Minnesota (the City) operates under "Optional Plan A" form of government as defined in the State of Minnesota statutes. The City is governed by an elected Mayor and four-member City Council. The City Council exercises legislative authority and determines all matters of policy. The City Council appoints personnel responsible for the proper administration of all affairs relating to the City.

The City has considered all potential units for which it is financially accountable, and other organizations for which the nature and significance of their relationship with the City are such that exclusion would cause the City's financial statements to be misleading or incomplete. The Governmental Accounting Standards Board (GASB) has set forth criteria to be considered in determining financial accountability. These criteria include appointing a voting majority of an organization's governing body, and (1) the ability of the primary government to impose its will on that organization or (2) the potential for the organization to provide specific benefits to, or impose specific financial burdens on the primary government. The blended component units, although legally separate entities are, in substance, part of the City's operations and so data from these units are combined with data of the City. The City has the following component unit:

Blended Component Unit. The Economic Development Authority (EDA) of the City was created pursuant to Minnesota statutes 469.090 through 469.108 to carry out economic and industrial development and redevelopment consistent with policies established by the City Council. The City has the authority to approve and modify the EDA's budget, and the City Council has the ability to veto, overrule, or modify the decisions of the EDA Board of Commissioners. The EDA is governed by a total of seven commissioners, two of which are residents and five are City Council members. The EDA activities are blended and reported as a special revenue fund due to substantively the same governing board and due to the City having operation responsibility. Separate financial statements are not issued for this component unit.

B. Government-wide and Fund Financial Statements

The government-wide financial statements (i.e., the statement of net position and the statement of activities) report information on all of the nonfiduciary activities of the primary government. *Governmental activities,* which normally are supported by taxes and intergovernmental revenues, are reported separately from *business-type activities,* which rely to a significant extent on fees and charges for support.

The statement of activities demonstrates the degree to which the direct expenses of a given function or segment are offset by program revenues. *Direct expenses* are those that are clearly identifiable with a specific function or segment. Amounts reported as *program revenues* include 1) charges to customers or applicants who purchase, use, or directly benefit from goods, services, or privileges provided by a given function or segment and 2) grants and contributions that are restricted to meeting the operational or capital requirements of a particular function or segment. Taxes and other items not properly included among program revenues are reported instead as *general revenues.*

Separate financial statements are provided for governmental funds, proprietary funds, and the fiduciary fund, even though the latter are excluded from the government-wide financial statements. Major individual governmental funds and major individual enterprise funds are reported as separate columns in the fund financial statements.

C. Measurement Focus, Basis of Accounting and Financial Statement Presentation

The government-wide financial statements are reported using the *economic resources measurement focus* and the *accrual basis of accounting,* as are the proprietary fund financial statements. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Property taxes are recognized as revenues in the year for which they are levied. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

Note 1: Summary of Significant Accounting Policies (Continued)

Governmental fund financial statements are reported using the *current financial resources measurement focus* and the *modified accrual basis of accounting.* Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be *available* when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the City considers revenues to be available if they are collected within 60 days of the end of the current fiscal period. Expenditures generally are recorded when a liability is incurred, as under accrual accounting. However, debt service expenditures, as well as expenditures related to compensated absences, and claims and judgments, are recorded only when payment is due.

Property taxes, franchise taxes, licenses and interest associated with the current fiscal period are all considered to be susceptible to accrual and so have been recognized as revenues of the current fiscal period. Only the portion of special assessments receivable due within the current fiscal period is considered to be susceptible to accrual as revenue of the current period. All other revenue items are considered to be measurable and available only when cash is received by the City.

Revenue resulting from exchange transactions, in which each party gives and receives essentially equal value, is recorded on the accrual basis when the exchange takes place. On a modified accrual basis, revenue is recorded in the year in which the resources are measurable and become available.

Non-exchange transactions, in which the City receives value without directly giving equal value in return, include property taxes, grants, entitlement and donations. On an accrual basis, revenue from property taxes is recognized in the year for which the tax is levied. Revenue from grants, entitlements and donations is recognized in the year in which all eligibility requirements have been satisfied. Eligibility requirements include timing requirements, which specify the year when the resources are required to be used or the year when use is first permitted, matching requirements, in which the City must provide local resources to be used for a specified purpose, and expenditure requirements, in which the resources are provided to the City on a reimbursement basis. On a modified accrual basis, revenue from non-exchange transactions must also be available before it can be recognized.

Unearned revenue arises when assets are recognized before revenue recognition criteria have been satisfied. Grants and entitlements received before eligibility requirements are met are also recorded as unearned revenue.

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

The City reports the following major governmental funds:

The *General fund* is the City's primary operating fund. It accounts for all financial resources of the general government, except those required to be accounted for in another fund.

The *Debt Service funds* account for the accumulation of resources and payment of general obligation bond principal and interest from governmental resources and special assessment bond principal and interest from special assessment levies when the City is obligated in some manner for the payment.

The *Street Construction fund* is the City's road maintenance fund. It accounts for costs associated with street maintenance and other projects within the City.

The *Highway 64 and Cajima fund* accounts for costs and related resources associated with titled road project.

The *Capital Replacement fund* is the City's capital fund. It accounts for costs associated with capital projects within the City.

Note 1: Summary of Significant Accounting Policies (Continued)

The City reports the following major proprietary funds:

The *Water fund* accounts for the costs associated with the City's water system and ensure that user charges are sufficient to pay for those costs.

The *Sewer fund* accounts for the costs associated with the City's sewer system and ensure that user charges are sufficient to pay for those costs.

The *Liquor Store fund* accounts for the costs associated with the City's liquor operations.

As a general rule the effect of interfund activity has been eliminated from government-wide financial statements.

Proprietary funds distinguish *operating* revenues and expenses from *nonoperating* items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with a proprietary fund's principal ongoing operations. The principal operating revenues of the City's enterprise funds are charges to customers for sales and services. The City also recognizes as operating revenue the portion of tap fees intended to recover the cost of connecting new customers to the system. Operating expenses for enterprise funds include the cost of sales and services, administrative expenses, and depreciation on capital assets. All revenues and expenses not meeting this definition are reported as nonoperating revenues and expenses.

D. Assets, Deferred Outflows of Resources, Liabilities, Deferred Inflows of Resources and Net Position/Fund Balance

Deposits and Investments

The City's cash and cash equivalents are considered to be cash on hand, demand deposits and short-term investments with original maturities of three months or less from the date of acquisition. The proprietary funds' portion in the government-wide cash and temporary investments pool is considered to be cash and cash equivalents for purposes of the statement of cash flows.

Cash balances from all funds are pooled and invested, to the extent available, in certificates of deposit and other authorized investments. It is the City's policy to refrain from investing in banks, savings and loan associations or credit unions whose equity to asset ratio is less than 10 percent. Earnings from such investments are allocated on the basis of applicable participation by each of the funds.

The City categorizes its fair value measurements within the fair value hierarchy established by generally accepted accounting principles. The hierarchy is based on the valuation inputs used to measure the fair value of the asset. Level 1 inputs are quoted prices in active markets for identical assets; Level 2 inputs are significant other observable inputs; Level 3 inputs are significant unobservable inputs. The City's recurring fair value measurements are listed in detail on page 61.

The City has the following recurring fair value measurements as of December 31,2020:

- Negotiable certificates of deposit of $3,679,580 are valued using a matrix pricing model (Level 1 inputs)

Note 1: Summary of Significant Accounting Policies (Continued)

The City may invest idle funds as authorized by Minnesota statutes, as follows:

1. Direct obligations or obligations guaranteed by the United States or its agencies.

2. Shares of investment companies registered under the Federal Investment Company Act of 1940 and received the highest credit rating, rated in one of the two highest rating categories by a statistical rating agency, and have a final maturity of thirteen months or less.

3. General obligations of a state or local government with taxing powers rated “A” or better; revenue obligations rated “AA” or better.

4. General obligations of the Minnesota Housing Finance Agency rated “A” or better.

5. Obligation of a school district with an original maturity not exceeding 13 months and (i) rated in the highest category by a national bond rating service or (ii) enrolled in the credit enhancement program pursuant to statute section 126C.55.

6. Bankers’ acceptances of United States banks eligible for purchase by the Federal Reserve System.

7. Commercial paper issued by United States banks corporations or their Canadian subsidiaries, of highest quality category by at least two nationally recognized rating agencies, and maturing in 270 days or less.

8. Repurchase or reverse repurchase agreements and securities lending agreements with financial institutions qualified as a “depository” by the government entity, with banks that are members of the Federal Reserve System with capitalization exceeding $10,000,000, a primary reporting dealer in U.S. government securities to the Federal Reserve Bank of New York, or certain Minnesota securities broker-dealers.

9. Guaranteed investment contracts (GIC's) issued or guaranteed by a United States commercial bank, a domestic branch of a foreign bank, a United States insurance company, or its Canadian subsidiary, whose similar debt obligations were rated in one of the top two rating categories by a nationally recognized rating agency.

Investment Policy

The City’s investment policy incorporates Minnesota statutes as described above which reduces the City’s exposure to credit, custodial credit and interest rate risks. Specific risk information for the City is as follows:

- *Credit Risk* is the risk that an issuer or other counterparty to an investment will not fulfill its obligations. Ratings provided by various credit rating agencies where applicable indicate associated credit risk. The City’s investments in Government Agencies are fully backed by the U.S. Government and are rated AAA.

- *Custodial Credit Risk* for investments is the risk that, in the event of the failure of the counterparty to a transaction, a government will not be able to recover the value of investment or collateral securities that are in the possession of an outside party. The City limits its exposure to custodial credit risk by purchasing insured or registered investments. It is the City’s policy to refrain from investing in banks, savings and loan associations or credit unions whose equity to asset ratio is less than 10%.

- *Concentration of Credit Risk.* Concentration of credit risk is the risk of loss attributed to the magnitude of a government’s investment in a single issuer. The City’s investment policy does not address investments in any one institution greater than 5%.

- *Interest Rate Risk* is the risk that changes in interest rates will adversely affect the fair value of an investment. Using the segmented time distribution method, the interest rate risk of these investments ranges from less than 6 months to more than 3 years.

Note 1: Summary of Significant Accounting Policies (Continued)

Property Taxes

The City Council annually adopts a tax levy in December and certifies it to the County for collection in the following year. The County is responsible for collecting all property taxes for the City. These taxes attach an enforceable lien on taxable property within the City on January 1 and are payable by the property owners in two installments. The taxes are collected by the County Auditor and tax settlements are made to the City during January, July and December each year.

Delinquent taxes receivable include the past six years' uncollected taxes. Delinquent taxes have been offset by a deferred inflow of resources for taxes not received within 60 days after year end in the governmental fund financial statements.

Accounts Receivable

Accounts receivable include amounts billed for services provided before year end. Unbilled utility enterprise fund receivables are also included for services provided in 2020. The City annually certifies delinquent water and sewer accounts to the County for collection in the following year. Therefore, there has been no allowance for doubtful accounts established.

Special Assessments

Special assessments represent the financing for public improvements paid for by benefiting property owners. These assessments are recorded as receivables upon certification to the County. Special assessments are recognized as revenue when they are received in cash or within 60 days after year end. All special assessments receivable are offset by a deferred inflow of resources in the governmental fund financial statements.

Interfund Receivables and Payables

Activity between funds that are representative of lending/borrowing arrangements outstanding at the end of the fiscal year are referred to as either “due to/from other funds” (i.e., the current portion of interfund loans) or “advances to/from other funds” (i.e., the non-current portion of interfund loans). All other outstanding balances between funds are reported as “due to/from other funds.” Any residual balances outstanding between the governmental activities and business-type activities are reported in the government-wide financial statements as “internal balances.”

Inventories and Prepaid Items

Inventories are valued at lower of cost or market, using the first-in, first-out (FIFO) method. Inventories of governmental funds are recorded as expenditures when consumed rather than when purchased.

Certain payments to vendors reflect costs applicable to future accounting periods and are recorded as prepaid items in both government-wide and fund financial statements.

Land Held for Resale

Land held for resale is valued at the lower of the cost or the market value of the property.

Note 1: Summary of Significant Accounting Policies (Continued)

Capital Assets

Capital assets, which include property, plant, equipment and infrastructure assets (e.g., roads, bridges, sidewalks, and similar items) are reported in the applicable governmental or business-type activities columns in the government-wide financial statements. Capital assets are defined by the City as assets with an initial, individual cost of more than $5,000 (amount not rounded) and an estimated useful life in excess of one year.

In the case of initial capitalization of general infrastructure assets (i.e., those reported by governmental activities) the City chose to include items dating back to June 30, 1980. The City was able to estimate the historical cost for the initial reporting of these assets through backtrending (i.e., estimating the current replacement cost of the infrastructure to be capitalized and using an appropriate price-level index to deflate the cost to the acquisition year or estimated acquisition year). As the City constructs or acquires capital assets each period, including infrastructure assets, they are capitalized and reported at historical cost. The reported value excludes normal maintenance and repairs which are essentially amounts spent in relation to capital assets that do not increase the capacity or efficiency of the item or extend its useful life beyond the original estimate. In the case of donations the City values these capital assets at the acquisition value of the item at the date of its donation.

Property, plant and equipment are depreciated using the straight-line method over the following estimated useful lives:

Assets	Useful Lives in Years
Buildings and Structures	40
Infrastructure	10 to 50
Furniture and Equipment	3 to 20
Improvements other than Buildings	10 to 20

Deferred Outflows of Resources

In addition to assets, the statement of net position will sometimes report a separate section for deferred outflows of resources. This separate financial statement element, deferred outflows of resources, represents a consumption of net position that applies to a future period(s) and so will not be recognized as an outflow of resources (expense/expenditure) until then. The City has only one item that qualifies for reporting in this category. Accordingly, the item, deferred pension resources, is reported only in the statements of net position. This item results from actuarial calculations and current year pension contributions made subsequent to the measurement date.

Pensions

For purposes of measuring the net pension liability, deferred outflows/inflows of resources, and pension expense, information about the fiduciary net position of the Public Employees Retirement Association (PERA) and additions to/deductions from PERA's fiduciary net position have been determined on the same basis as they are reported by PERA except that PERA's fiscal year end is June 30. For this purpose, plan contributions are recognized as of employer payroll paid dates and benefit payments and refunds are recognized when due and payable in accordance with the benefit terms. Investments are reported at fair value. The General fund is typically used to liquidate the governmental net pension liability.

The total pension expense for the GERP and PEPFP was as follows:

	GERP	PEPFP	Total Pension Expense
Pension Expense	$ 181,147	$ 107,944	$ 289,091

Note 1: Summary of Significant Accounting Policies (Continued)

Compensated Absences

It is the City's policy to permit employees to accumulate a limited amount of earned but unused vacation, which is paid to the employee upon separation. A portion of unused sick leave may also be paid upon separation from City service. In governmental fund types the cost of these benefits is recognized when payments are made to the employees. The General fund is typically used to liquidate governmental compensated absences payable.

Postemployment Benefits other than Pensions

Under Minnesota statue 471.61, subdivision 2b., public employers must allow retirees and their dependents to continue coverage indefinitely in an employer-sponsored health care plan, under the following conditions: 1) Retirees must be receiving (or eligible to receive) an annuity from a Minnesota public pension plan, 2) Coverage must continue in a group plan until age 65, and retirees must pay no more than the group premium, and 3) Retirees may obtain dependent coverage immediately before retirement. All premiums are funded on a pay-as-you-go basis. The liability was actuarially determined, in accordance with GASB 75, at January 1, 2019. The General fund is typically used to liquidate governmental other postemployment benefits payable.

Long-term Obligations

In the government-wide financial statements, and proprietary fund types in the fund financial statements, long-term debt and other long-term obligations are reported as liabilities in the applicable governmental activities, business-type activities, or proprietary fund type statement of net position. The recognition of bond premiums and discounts are amortized over the life of the bonds using the straight-line method. Bonds payable are reported net of the applicable bond premium or discount. Bond issuance costs are reported as an expense in the period incurred.

In the fund financial statements, governmental fund types recognized bond premiums and discounts, as well as bond issuance costs, during the current period. The face amount of debt issued is reported as other financing sources. Premiums received on debt issuances are reported as other financing sources while discounts on debt issuances are reported as other financing uses. Issuance costs, whether or not withheld from the actual debt proceeds received, are reported as debt service expenditures.

Deferred Inflows of Resources

In addition to liabilities, the statement of net position and fund financial statements will sometimes report a separate section for deferred inflows of resources. This separate financial statement element, *deferred inflows of resources,* represents an acquisition of net position that applies to a future period(s) and so will not be recognized as an inflow of resources (revenue) until that time. The City has three types of items, *resources received in advance, deferred pension resources, and deferred OPEB resources.*

- *Unavailable revenue* arises only under a modified accrual basis of accounting that qualifies as needing to be reported in this category. Accordingly, the item, *unavailable revenue,* is reported only in the governmental funds balance sheet. The governmental funds report unavailable revenues from two sources: property taxes and special assessments. These amounts are deferred and recognized as an inflow of resources in the period that the amounts become available.

- *Resources received in advance* is reported in both the governmental fund financial statements and within the government-wide financial statements. This item is reported for amounts that have been received before time requirements are met, but after all other eligibility requirements have been met.

- *Deferred pension resources* is reported only in the statements of net position and results from actuarial calculations.

- *Deferred OPEB resources* is reported only in the statements of net position and results from actuarial calculations.

Note 1: Summary of Significant Accounting Policies (Continued)

The City has an additional item which qualifies for reporting in this category. The item, deferred pension resources, is reported only in the statements of net position and results from actuarial calculations.

Furthermore, the City has additional items which qualify for reporting in this category on the statement of net position. The items, deferred pension resources and deferred other postemployment benefit resources, are reported only in the statement of net position and results from actuarial calculations involving net differences between projected and actual earnings on plan investments and changes in proportions.

Fund Balance

In the fund financial statements, fund balance is divided into five classifications based primarily on the extent to which the City is bound to observe constraints imposed upon the use of resources reported in the governmental funds. These classifications are defined as follows:

Nonspendable - Amounts that cannot be spent because they are not in spendable form, such as prepaid items.

Restricted - Amounts related to externally imposed constraints established by creditors, grantors or contributors; or constraints imposed by state statutory provisions.

Committed - Amounts constrained for specific purposes that are internally imposed by formal action (resolution) of the City Council, which is the City's highest level of decision-making authority. Committed amounts cannot be used for any other purpose unless the City Council modifies or rescinds the commitment by resolution.

Assigned - Amounts constrained for specific purposes that are internally imposed. In governmental funds other than the General fund, assigned fund balance represents all remaining amounts that are not classified as nonspendable and are neither restricted nor committed. In the General fund, assigned amounts represent intended uses established by the City Council itself or by an official to which the governing body delegates the authority. The City Council has adopted a fund balance policy which delegates the authority to assign amounts for specific purposes to the Finance Committee.

Unassigned - The residual classification for the General fund and also negative residual amounts in other funds.

The City considers restricted amounts to be spent first when both restricted and unrestricted fund balance is available. Additionally, the City would first use committed, then assigned, and lastly unassigned amounts of unrestricted fund balance when expenditures are made. The City has formally adopted a fund balance policy for the General fund. The City's policy is to maintain a minimum unassigned fund balance of 50 percent of the following year's budgeted expenditures and transfers out.

Net Position

Net position represents the difference between assets and deferred outflows of resources and liabilities and deferred inflows of resources. Net position is displayed in three components:

a. Net investment in capital assets - Consists of capital assets, net of accumulated depreciation reduced by any outstanding debt attributable to acquire capital assets.

b. Restricted net position - Consists of net position balances restricted when there are limitations imposed on their use through external restrictions imposed by creditors, grantors, laws or regulations of other governments.

c. Unrestricted net position - All other net position balances that do not meet the definition of "restricted" or "net investment in capital assets".

When both restricted and unrestricted resources are available for use, it is the City's policy to use restricted resources first, then unrestricted resources as they are needed.

Note 2: Stewardship, Compliance and Accountability

A. Budgetary Information

Annual budgets are adopted on a basis consistent with accounting principles generally accepted in the United States of America for the General fund and Economic Development Authority. All annual appropriations lapse at year end. The City does not use encumbrance accounting.

In May of each year, all departments of the City submit requests for appropriations to the City Administrator so that a budget may be prepared. Before September 30, the proposed budget is presented to the City Council for review. The City Council holds public hearings and a final budget is prepared and adopted in early December.

The appropriated budget is prepared by fund, function and department. The City's department heads may make transfers of appropriations within a department. Transfers of appropriations between departments require the approval of the City Council. The legal level of budgetary control is the department level. The original budget was amended in 2020 increasing expenditures $49,725 for a total budgeted decrease in fund balance of $49,725.

B. Excess of Spending Over Appropriations

The following fund reported excess spending over appropriations:

Fund	Budget	Actual	Excess of Expenditures Over Appropriations
General	$ 3,739,938	$ 4,027,265	$ 287,327

The excess was funded with revenues in excess of budget.

C. Deficit Fund Equity

The following funds had deficit fund equity at December 31, 2020:

Fund	Amount
Major	
Street Construction	$ 527,490
Nonmajor	
Redbirds Maintenance	149
Isanti Indoor Arena	157,901
City Parking Improvements	74,687
2017 Palomino Road Southeast Improvements	66,193

These deficits will be eliminated with future state aid, franchise taxes and transfers from other funds.

Note 3: Detailed Notes on All Funds

A. Deposits and Investments

Deposits

Custodial credit risk for deposits and investments is the risk that in the event of a bank failure, the City's deposits and investments may not be returned or the City will not be able to recover collateral securities in the possession of an outside party. In accordance with Minnesota statutes and as authorized by the City Council, the City maintains deposits at those depository banks, all of which are members of the Federal Reserve System.

Minnesota statutes require that all City deposits be protected by insurance, surety bond or collateral. The market value of collateral pledged must equal 110 percent of the deposits not covered by insurance, bonds, or irrevocable standby letters of credit from Federal Home Loan Banks. Authorized collateral in lieu of a corporate surety bond includes:

- United States government Treasury bills, Treasury notes, Treasury bonds;
- Issues of United States government agencies and instrumentalities as quoted by a recognized industry quotation service available to the government entity;
- General obligation securities of any state or local government with taxing powers which is rated "A" or better by a national bond rating service, or revenue obligation securities of any state or local government with taxing powers which is rated "AA" or better by a national bond rating service;
- General obligation securities of a local government with taxing powers may be pledged as collateral against funds deposited by that same local government entity;
- Irrevocable standby letters of credit issued by Federal Home Loan Banks to a municipality accompanied by written evidence that the bank's public debt is rated "AA" or better by Moody's Investors Service, Inc., or Standard & Poor's Corporation; and
- Time deposits that are fully insured by any federal agency.

Minnesota statutes require that all collateral shall be placed in safekeeping in a restricted account at a Federal Reserve Bank, or in an account at a trust department of a commercial bank or other financial institution that is not owned or controlled by the financial institution furnishing the collateral. The selection should be approved by the City.

At year end, the City's carrying amount of deposits was $9,215,638 and the bank balance was $9,510,050. Of the bank balance, $500,000 was covered by Federal depository insurance and the remaining balance was collateral held in the City's name.

Note 3: Detailed Notes on All Funds (Continued)

At year end, the City's investment balances were as follows:

Types of Investments	Credit Quality/ Ratings (1)	Segmented Time Distribution (2)	Amount	Fair Value Measurement Using Level 1	Level 2	Level 3
Pooled Investments at Amortized Cost						
Broker Money Markets	N/A	Less than 1 year	$ 295,439	$ -	$ -	$ -
Non-pooled Investments at Fair Value						
Negotiable CDs	N/A	Less than 1 year	1,425,038	1,425,038	-	-
Negotiable CDs	N/A	1 to 5 years	2,254,542	2,254,542	-	-
Total Investments			$ 3,975,019	$ 3,679,580	$ -	$ -

(1) Ratings are provided by various credit rating agencies where applicable to indicate associated credit risk.
(2) Interest rate risk is disclosed using the segmented time distribution method.
N/A Indicates not applicable or available.

A reconciliation of cash and investments as shown on the statement of net position for the City follows:

Carrying Amount of Deposits	$ 9,215,638
Investments	3,975,019
Cash on Hand	3,225
Total	$ 13,193,882
Cash and Temporary Investments	
Unrestricted	$ 13,193,882

B. Loans Receivable

In 2011, the City's Revolving Loan fund loaned $50,000 to H.M. Chris, LLC for 10 years at 3 percent interest. The monthly payment is $529. As of December 31, 2020, the loan receivable was $3,145.

In 2013, the City's Revolving Loan fund loaned $25,000 to the Isanti Parkway Center for 7 years at 3 percent interest. The monthly payment is $331. The loan was paid in full in 2020.

In 2015, the City's Revolving Loan fund loaned $200,000 to Enterprise Avenue Properties LP for 21 years at 2 percent interest. The monthly payment is $833. As of December 31, 2020, the loan receivable was $159,167.

In 2016, the City's Revolving Loan fund loaned $15,000 to RPF, LLC for 7 years at 3 percent interest. The monthly payment is $199. As of December 31, 2020, the loan receivable was $5,733.

Note 3: Detailed Notes on All Funds (Continued)

C. Interfund Receivables, Payables and Transfers

Receivable Fund	Payable Fund	Purpose	Amount
Due from/to other Funds			
Business-type	Governmental		
Water	General fund	Finance project costs	$ 29,919
Sewer	General fund	Finance project costs	58,259
Liquor store	General fund	Finance project costs	25,765
Total Due from/to other Funds			113,943
Advances to/from other Funds			
Governmental	Governmental		
General fund	Nonmajor governmental	Demolition costs	25,060
Business-type	Governmental		
Water	General fund	Finance project costs	198,310
Sewer	General fund	Finance project costs	396,690
Liquor store	General fund	Finance project costs	206,121
Total Advances to/from Other Funds			826,181
Interfund Activity Eliminated from Government-wide Statements			(25,060)
Total Internal Balances Government-wide Statements			$ 915,064

In 2011, the Water and Sewer enterprise funds each loaned $15,897 to the General fund to cover the City portion of the Deer Haven Improvements. General fund property tax levies will be utilized to repay these advances. Repayments are interest free. The outstanding balance at December 31, 2020 is $3,179.

In 2016, the General fund loaned $25,060 to the TIF 9 nonmajor governmental fund to cover demolition costs. Future tax increment or land sale proceeds will be utilized to repay these advances. Repayments are interest free. The outstanding balance at December 31, 2020 is $25,060.

In 2017, the Liquor fund loaned $107,237 to the General fund to cover land purchase costs. Future land sale proceeds will be utilized to repay these advances. Repayments are interest free. The loan was paid in full in 2020.

In 2018, the Liquor fund loaned $257,652 to the General fund to cover the 2018 Street and Utility Improvement Project. The loan is expected to be paid back over a ten year period from future levy dollars. Repayments are interest free. The outstanding balance at December 31, 2020 is $231,886.

In 2018, the Water and Sewer funds loaned $283,300 and $566,700, respectively to the General fund for the business subsidy agreement relating to City development. The loan is expected to be paid back over a ten year period from future levy dollars. Repayments are interest free. The outstanding balance at December 31, 2020 is $680,000.

Note 3: Detailed Notes on All Funds (Continued)

Interfund Transfers

The following interfund transfers were made during 2020:

Fund	Transfer in: General	Transfer in: Debt Service	Transfer in: Total
Transfer Out			
Capital Replacement	$ 82,026	$ -	$ 82,026
Nonmajor Governmental	23,950	-	23,950
Water	-	4,534	4,534
Sewer	-	36,273	36,273
Liquor Store	350,000	-	350,000
Total Transfers In	$ 455,976	$ 40,807	$ 496,783

During the year ended December 31, 2020, the City made the following transfers.

- The General fund transferred $19,150 and $4,800 from the nonmajor governmental funds to the General fund to for operations and to close special revenue funds, respectively.
- The Capital Replacement fund transferred $82,026 to the General fund for operational expenses.
- The Water and Sewer funds transferred $4,435 and $36,273, respectively for portion of City bond payments.
- The Liquor Store transferred $350,000 to the General fund in line with the City's adopted budget.

Business-type Activities Capital Assets, Net	$ 28,390,257	$ 1,141,576	$ (166,054)	$ 29,365,779

Depreciation expense was charged to programs of the business-type activities as follows:

Water	$ 402,078
Sewer	571,025
Stormwater	62,905
Liquor Store	20,034
Total Depreciation Expense - Business-type Activities	$ 1,056,042

Note 3: Detailed Notes on All Funds (Continued)

E. Long-term Debt

General Obligation (G.O.) Bonds

The City issues G.O. bonds to provide funds for the acquisition and construction of major capital facilities. G.O. bonds have been issued for both general government and business-type activities. These bonds are reported in the proprietary funds if they are expected to be repaid from proprietary fund revenues. In addition, bonds have been issued to refund G.O. bonds.

G.O. bonds are direct obligations and pledge the full faith and credit of the government. G.O. bonds currently outstanding are as follows:

Description	Authorized and Issued	Interest Rate	Issue Date	Maturity Date	Balance at Year End
G.O. Tax Abatement Bonds, Series 2014A	$ 2,560,000	0.50 - 2.50 %	10/01/14	02/01/30	$ 1,805,000
G.O. Bonds, Series 2014B	1,420,000	0.50 - 2.50	10/01/14	02/01/24	180,000
Total G.O. Bonds					$ 1,985,000

Annual debt service requirements to maturity for the G.O. bonds are as follows:

Year Ending December 31,	Governmental Activities		
	Principal	Interest	Total
2021	$ 210,000	$ 51,319	$ 261,319
2022	210,000	47,220	257,220
2023	215,000	42,545	257,545
2024	220,000	37,243	257,243
2025	170,000	32,200	202,200
2026 - 2030	960,000	79,981	1,039,981
Total	$ 1,985,000	$ 290,508	$ 2,275,508

Note 3: Detailed Notes on All Funds (Continued)

G.O. Revenue Bonds

The following bonds were issued to finance capital improvements in the enterprise funds. They will be repaid from future net revenues pledged from the Water and Sewer funds and are backed by the taxing power of the City. Annual principal and interest payments on the bonds and enterprise G.O. improvement bonds are expected to require over 87 and 51 percent of net revenues from the Water and Sewer funds, respectively. Principal and interest paid for 2020 and total customer net revenues for the Water fund were $519,474 and $1,218,232, respectively. Principal and interest paid for 2020 and total customer net revenues for the Sewer fund were $422,010 and $1,485,563 respectively.

Description	Authorized and Issued	Interest Rate	Issue Date	Maturity Date	Balance at Year End
MPFA - Water Revenue Bonds, Series 2007A	$ 965,000	2.63 %	07/10/08	08/20/26	$ 360,000
MPFA - Water Revenue Bonds, Series 2008	5,064,256	3.04	10/07/08	08/20/28	2,428,056
G.O. Utility Revenue Bonds, Series 2010A	835,000	2.00 - 3.70	07/01/10	12/01/24	255,000
MPFA - Water Revenue Bonds, Series 2011	479,047	1.533	11/23/11	08/20/31	404,000
G.O. Utility Revenue Bonds, Series 2014B	1,030,000	0.50 - 2.50	10/01/14	02/01/25	545,000
MPFA - Sewer Revenue Bonds, Series 2016A	2,525,000	2.00	07/15/16	12/01/29	2,170,000
Total G.O. Revenue Bonds					$ 6,162,056

Annual debt service requirements to maturity for the G.O. revenue bonds are as follows:

Year Ending December 31,	Business-type Activities		
	Principal	Interest	Total
2021	$ 753,000	$ 152,684	$ 905,684
2022	774,000	133,922	907,922
2023	789,000	114,284	903,284
2024	805,000	93,949	898,949
2025	760,000	72,920	832,920
2026 - 2030	2,242,056	124,587	2,366,643
2031	39,000	598	39,598
Total	$ 6,162,056	$ 692,944	$ 6,855,000

Note 3: Detailed Notes on All Funds (Continued)

G.O. Improvement (Special Assessment) Bonds

The following bonds were issued to finance various improvements and will be repaid from special assessments levied on the properties benefiting from the improvements and/or ad valorem tax levies. All special assessment debt is backed by the full faith and credit of the City. Each year the combined assessment and tax levy equals 105 percent of the amount required for debt service. The excess of 5 percent is to cover any delinquencies in tax or assessment payments. The business-type bonds will be repaid from special assessments and future net revenues pledged from the Water and Sewer funds and are backed by the taxing power of the City.

Description	Authorized and Issued	Interest Rate	Issue Date	Maturity Date	Balance at Year End
G.O. Improvement Refunding Bonds, Series 2010B	$ 1,825,000	2.00 - 3.20 %	12/01/10	12/01/21	$ 375,000
G.O. Improvement Bonds, Series 2011A	790,000	0.60 - 2.70	09/29/11	02/01/22	175,000
G.O. Refunding Bonds, Series 2013A	2,160,000	0.35 - 2.50	02/01/13	12/01/28	300,000
Total G.O. Improvement Bonds					$ 850,000

Annual debt service requirements to maturity for the G.O. improvement bonds are as follows:

Year Ending December 31,	Governmental Activities			Business-type Activities		
	Principal	Interest	Total	Principal	Interest	Total
2021	$ 460,000	$ 15,578	$ 475,578	$ 35,000	$ 6,430	$ 41,430
2022	90,000	1,215	91,215	35,000	5,870	40,870
2023	-	-	-	40,000	5,310	45,310
2024	-	-	-	35,000	4,470	39,470
2025	-	-	-	35,000	3,735	38,735
2026 - 2028	-	-	-	120,000	6,000	126,000
Total	$ 550,000	$ 16,793	$ 566,793	$ 300,000	$ 31,815	$ 331,815

Note 3: Detailed Notes on All Funds (Continued)

Changes in Long-term Liabilities

Long-term liability activity for the year ended December 31, 2020was as follows:

	Beginning Balance	Increases	Decreases	Ending Balance	Due Within One Year
Governmental Activities					
Bonds Payable					
General obligation bonds	$ 2,190,000	$ -	$ (205,000)	$ 1,985,000	$ 210,000
G.O. improvement bonds	1,000,000	-	(450,000)	550,000	460,000
Unamortized premium on bonds	35,657	-	(3,502)	32,155	-
Total Bonds Payable	3,225,657	-	(658,502)	2,567,155	670,000
Compensated Absences Payable	173,241	88,912	(100,482)	161,671	85,449
Governmental Activities Long-term Liabilities	$ 3,398,898	$ 88,912	$ (758,984)	$ 2,728,826	$ 755,449
Business-type Activities					
Bonds Payable					
G.O. revenue bonds	$ 6,890,056	$ -	$ (728,000)	$ 6,162,056	$ 753,000
G.O. improvement bonds	335,000	-	(35,000)	300,000	35,000
Unamortized premium on bonds	59,509	-	(6,018)	53,491

Note 3: Detailed Notes on All Funds (Continued)

F. Components of Fund Balance

At December 31, 2020, portions of the City's fund balance are not available for appropriation due to not being in spendable form (Nonspendable), legal restrictions (Restricted), City Council action (Committed), policy and/or intent (Assigned). The following is a summary of the components of fund balance:

	General	Debt Service	Street Construction	Highway 64 and Cajima	Capital Replacement	Other Governmental Funds	Total Governmental Funds
Nonspendable							
Prepaid items	$ 9,190	$ -	$ -	$ -	$ -	$ 6,867	$ 16,057
Restricted for							
Debt service	$ -	$ 937,703	$ -	$ -	$ -	$ -	$ 937,703
Public safety	-	-	-	-	-	7,115	7,115
Community center improvements	-	-	-	-	10,000	-	10,000
Economic development	-	-	-	-	-	210,313	210,313
Total Restricted	$ -	$ 937,703	$ -	$ -	$ 10,000	$ 217,428	$ 1,165,131
Committed to							
Culture and recreation	$ -	$ -	$ -	$ -	$ -	$ 245,870	$ 245,870
Economic development	-	-	-	-	-	476,871	476,871
City technology improvements	-	-	-	-	-	5,824	5,824
Total Committed	$ -	$ -	$ -	$ -	$ -	$ 728,565	$ 728,565
Assigned to							
Capital projects	$ -	$ -	$ -	$ 4,508	$ 792,358	$ 674,054	$ 1,470,920
Unassigned	$ 1,509,947	$ -	$ (527,490)	$ -	$ -	$ (298,930)	$ 683,527

Note 4: Defined Benefit Pension Plans - Statewide

A. Plan Description

The City participates in the following cost-sharing multiple-employer defined benefit pension plans administered by the Public Employees Retirement Association of Minnesota (PERA). PERA's defined benefit pension plans are established and administered in accordance with *Minnesota statutes*, chapters 353 and 356. PERA's defined benefit pension plans are tax qualified plans under Section 401(a) of the Internal Revenue Code.

General Employees Retirement Plan

All full-time and certain part-time employees of the City are covered by the General Employees Retirement Plan. General Employee Plan members belong to the Coordinated Plan. Coordinated Plan members are covered by Social Security.

Public Employees Police and Fire Plan

The Police and Fire Plan, originally established for police officers and firefighters not covered by a local relief association, now covers all police officers and firefighters hired since 1980. Effective July 1, 1999, the Police and Fire Plan also covers police officers and firefighters belonging to a local relief association that elected to merge with and transfer assets and administration to PERA.

B. Benefits Provided

PERA provides retirement, disability and death benefits. Benefit provisions are established by state statute and can only be modified by the state legislature. Vested, terminated employees who are entitled to benefits but are not receiving them yet are bound by the provisions in effect at the time they last terminated their public service.

General Employee Plan Benefits

General Employee Plan benefits are based on a member's highest average salary for any five successive years of allowable service, age, and years of credit at termination of service. Two methods are used to compute benefits for PERA's Coordinated Plan members. Members hired prior to July 1, 1989 receive the higher of Method 1 or Method 2 formulas. Only Method 2 is used for members hired after June 30, 1989. Under Method 1, the accrual rate for Coordinated members is 1.2 percent of average salary for each of the first 10 years of service and 1.7 percent of average salary for each additional year. Under Method 2, the accrual rate for Coordinated members is 1.7 percent for average salary for all years of service. For members hired prior to July 1, 1989 a full annuity is available when age plus years of service equal 90 and normal retirement age is 65. For members hired on or after July 1, 1989 normal retirement age is the age for unreduced Social Security benefits capped at 66.

Benefit increases are provided to benefit recipients each January. Increases are related to the funding ratio of the plan. If the General Employees Plan is at least 90 percent funded for two consecutive years, benefit recipients are given a 2.5 percent increase. If the plan has not exceeded 90 percent funded, or have fallen below 80 percent, benefit recipients are given a one percent increase. A benefit recipient who has been receiving a benefit for at least 12 full months as of June 30 will receive a full increase. Members receiving benefits for at least one month but less than 12 full months as of June 30 will receive a pro rata increase.

Note 4: Defined Benefit Pension Plans - Statewide (Continued)

Police and Fire Plan Benefits

Benefits for the Police and Fire Plan members first hired after June 30, 2010, but before July 1, 2014, vest on a prorated basis from 50 percent after five years up to 100 percent after ten years of credited service. Benefits for Police and Fire Plan members first hired after June 30, 2014 vest on a prorated basis from 50 percent after ten years up to 100 percent after twenty years of credited service. The annuity accrual rate is 3 percent of average salary for each year of service For Police and Fire Plan members who were first hired prior to July 1, 1989, a full annuity is available when age plus years of service equal at least 90.

Benefit increases are provided to benefit recipients each January. Beginning in 2019, the postretirement increase will be fixed at 1 percent. Recipients that have been receiving the annuity or benefit for at least 36 months as of the June 30 before the effective date of the increase will receive the full increase. For recipients receiving the annuity or benefit for at least 25 months but less than 36 months as of the June 30 before the effective date of the increase will receive a reduced prorated increase.

C. Contributions

Minnesota statutes chapter 353 sets the rates for employer and employee contributions. Contribution rates can only be modified by the state Legislature.

General Employees Fund Contributions

Coordinated Plan members were required to contribute 6.50 percent of their annual covered salary in fiscal year 2019 and the City was required to contribute 7.50 percent for Coordinated Plan members. The City's contributions to the General Employees Fund for the years ending December 31, 2020, 2019 and 2018 were $118,222, $112,189 and $108,556, respectively. The City's contributions were equal to the required contributions for each year as set by state statute.

Police and Fire Fund Contributions

Police and Fire member's contribution rates increased from 11.30 percent of pay to 11.80 percent and employer rates increased from 16.95 percent to 17.70 percent on January 1,2020. The City's contributions to the Police and Fire Fund for the years ending December 31, 2020, 2019 and 2018 were $128,590, $113,940 and $113,975, respectively. The City's contributions were equal to the required contributions for each year as set by state statute.

D. Pension Costs

General Employees Fund Pension Costs

At December 31, 2020, the City reported a liability of $1,307,010 for its proportionate share of the General Employees Fund's net pension liability. The City's net pension liability reflected a reduction due to the State of Minnesota's contribution of $16 million. The State of Minnesota is considered a non-employer contributing entity and the state's contribution meets the definition of a special funding situation. The State of Minnesota's proportionate share of the net pension liability associated with the City totaled $40,174. The net pension liability was measured as of June 30, 2020, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of that date. The City's proportionate share of the net pension liability was based on the City's contributions received by PERA during the measurement period for employer payroll paid dates from July 1, 2019 through June 30, 2020 relative to the total employer contributions received from all of PERA's participating employers. The City's proportionate share was 0.0218 percent which was an increase of 0.0014 percent from its proportion measured as of June 30, 2019.

For the year ended December 31, 2020, the City recognized pension expense of $177,651 for its proportionate share of General Employees Fund's pension expense. In addition, the City recognized an additional $3,496 as pension expense (and grant revenue) for its proportionate share of the State of Minnesota's contribution of $16 million to the General Employees Fund.

Note 4: Defined Benefit Pension Plans - Statewide (Continued)

At December 31, 2020, the City reported its proportionate share of General Employees Plan's deferred outflows of resources and deferred inflows of resources, related to pensions from the following sources:

	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences Between Expected and Actual Economic Experience	$ 17,138	$ 5,630
Changes in Actuarial Assumptions	2,909	50,088
Net Difference Between Projected and Actual Earnings on Plan Investments	19,272	-
Changes in Proportion	68,363	43,560
Contributions Paid to PERA Subsequent to the Measurement Date	59,196	-
Total	$ 166,878	$ 99,278

The $59,196 reported as deferred outflows of resources related to pensions resulting from the City's contributions subsequent to the measurement date will be recognized as a reduction of the net pension liability in the year ended December 31, 2021. Other amounts reported as deferred outflows and inflows of resources related to pensions will be recognized in pension expense as follows:

2021	$ (66,338)
2022	(3,275)
2023	46,439
2024	31,578

Police and Fire Fund Pension Costs

At December 31, 2020, the City reported a liability of $851,497 for its proportionate share of the Police and Fire Fund's net pension liability. The net pension liability was measured as of June 30, 2020, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of that date. The City's proportionate share of the net pension liability was based on the City's contributions received by PERA during the measurement period for employer payroll paid dates from July 1, 2019 through June 30, 2020 relative to the total employer contributions received from all of PERA's participating employers. The City's proportionate share was 0.0646 percent which was a decrease of 0.0010 percent from its proportionate share measured as of June 30, 2019.

The State of Minnesota also contributed $13.5 million to the Police and Fire Fund in the plan fiscal year ended June 30, 2020. The contribution consisted of $4.5 million in direct state aid that does meet the definition of a special funding situation and $9.0 million in fire state aid that does not meet the definition of a special funding situation. The $4.5 million direct state was paid on October 1, 2019. Thereafter, by October 1 of each year, the state will pay $9 million to the Police and Fire Fund until full funding is reached or July 1, 2048, whichever is earlier. The $9 million in fire state aid will continue until the fund is 90 percent funded, or until the State Patrol Plan (administered by the Minnesota State Retirement System) is 90 percent funded, whichever occurs later.

As a result, the State of Minnesota is included as a non-employer contributing entity in the Police and Fire Retirement Plan Schedule of Employer Allocations and Schedule of Pension Amounts by Employer, Current Reporting Period Only (pension allocation schedules) for the $4.5 million in direct state aid. Police and Fire Plan employers need to recognize their proportionate share of the State of Minnesota's pension expense (and grant revenue) under GASB 68 special funding situation accounting and financial reporting requirements. For the year ended December 31, 2020, the City recognized pension expense of $101,775 for its proportionate share of the Police and Fire Plan's pension expense.

Note 4: Defined Benefit Pension Plans - Statewide (Continued)

The State of Minnesota is not included as a non-employer contributing entity in the Police and Fire Pension Plan pension allocation schedules for the $9 million in fire state aid. The City also recognized $6,169 for the year ended December 31, 2020 as revenue and an offsetting reduction of net pension liability for its proportionate share of the State of Minnesota's on-behalf contributions to the Police and Fire Fund.

At December 31, 2020, the City reported its proportionate share of Police and Fire Plan's deferred outflows of resources and deferred inflows of resources from the following sources:

	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences Between Expected and Actual Economic Experience	$ 57,743	$ 56,307
Changes in Actuarial Assumptions	406,414	670,928
Net Difference Between Projected and Actual Earnings on Plan Investments	21,450	-
Changes in Proportion	76,246	91,828
Contributions Paid to PERA Subsequent to the Measurement Date	69,577	-
Total	$ 631,430	$ 819,063

The $69,577 reported as deferred outflows of resources related to pensions resulting from the City's contributions subsequent to the measurement date will be recognized as a reduction of the net pension liability in the year ended December 31, 2021. Other amounts reported as deferred outflows and inflows of resources related to pensions will be recognized in pension expense as follows:

2021	$ (57,151)
2022	(256,160)
2023	14,743
2024	45,087
2025	(3,729)

E. Actuarial Assumptions

The total pension liability in the June 30, 2020 actuarial valuation was determined using an individual entry-age normal actuarial cost method and the following actuarial assumptions:

Inflation	2.50% per year
Active Member Payroll Growth	3.25% per year
Investment Rate of Return	7.50%

Salary increases were based on a service-related table. Mortality rates for active members, retirees, survivors and disabilitants were based on RP-2014 tables for males or females, as appropriate, with slight adjustments to fit PERA's experience. Cost of living benefit increases for retirees are assumed to be 1.25 percent per year for General Employees Plan and 1.0 percent per year for Police and Fire Plan.

Note 4: Defined Benefit Pension Plans - Statewide (Continued)

Actuarial assumptions used in the June 30, 2020 valuation were based on the results of actuarial experience studies. The most recent four-year experience study in the General Employees Plan was completed in 2019. The assumption changes were adopted by the Board and become effective with the July 1, 2020 actuarial valuation. The most recent four-year experience study for the Police and Fire Plan was completed in 2020. The recommended assumptions for that plan were adopted by the Board and will be effective with the July 1, 2021 actuarial valuations if approved by the Legislature
The following changes in actuarial assumptions and plan provisions occurred in 2020:

General Employees Fund

Changes in Actuarial Assumptions

- The price inflation assumption was decreased from 2.50% to 2.25%.
- The payroll growth assumption was decreased from 3.25% to 3.00%.
- Assumed salary increase rates were changed as recommended in the June 30, 2019 experience study. The net effect is assumed rates that average 0.25% less than previous rates.
- Assumed rates of retirement were changed as recommended in the June 30, 2019 experience study. The changes result in more unreduced (normal) retirements and slightly fewer Rule of 90 and early retirements.
- Assumed rates of termination were changed as recommended in the June 30, 2019 experience study. The new rates are based on service and are generally lower than the previous rates for years 2-5 and slightly higher thereafter.
- Assumed rates of disability were changed as recommended in the June 30, 2019 experience study. The change results in fewer predicted disability retirements for males and females.
- The base mortality table for healthy annuitants and employees was changed from the RP-2014 table to the Pub-2010 General Mortality table, with adjustments. The base mortality table for disabled annuitants was changed from the RP-2014 disabled annuitant mortality table to the PUB-2010 General/Teacher disabled annuitant mortality table, with adjustments.
- The mortality improvement scale was changed from Scale MP-2018 to Scale MP-2019.
- The assumed spouse age difference was changed from two years older for females to one year older.
- The assumed number of married male new retirees electing the 100% Joint & Survivor option changed from 35% to 45%. The assumed number of married female new retirees electing the 100% Joint & Survivor option changed from 15% to 30%. The corresponding number of married new retirees electing the Life annuity option was adjusted accordingly.

Changes in Plan Provisions

- Augmentation for current privatized members was reduced to 2.0% for the period July 1, 2020 through December 31, 2023 and 0.0% after. Augmentation was eliminated for privatizations occurring after June 30, 2020.

Note 4: Defined Benefit Pension Plans - Statewide (Continued)

Police and Fire Fund

Changes in Actuarial Assumptions

- The mortality projection scale was changed from MP-2018 to MP-2019.

Changes in Plan Provisions

- There have been no changes since the prior valuation.

The State Board of Investment, which manages the investments of PERA, prepares an analysis of the reasonableness on a regular basis of the long-term expected rate of return using a building-block method in which best-estimate ranges of expected future rates of return are developed for each major asset class. These ranges are combined to produce an expected long-term rate of return by weighting the expected future rates of return by the target asset allocation percentages. The target allocation and best estimates of geometric real rates of return for each major asset class are summarized in the following table:

Asset Class	Target Allocation	Long-term Expected Real Rate of Return
Domestic Equity	35.5 %	5.10 %
Private Markets	25.0	5.30
Fixed Income	20.0	0.75
International Equity	17.5	5.90
Cash Equivalents	2.0	-
Total	100.00 %	

F. Discount Rate

The discount rate used to measure the total pension liability in 2020 was 7.50 percent. The projection of cash flows used to determine the discount rate assumed that contributions from plan members and employers will be made at rates set in Minnesota Statutes. Based on these assumptions, the fiduciary net position of the General Employees Fund and the Police and Fire Fund were projected to be available to make all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

G. Pension Liability Sensitivity

The following presents the City's proportionate share of the net pension liability for all plans it participates in, calculated using the discount rate disclosed in the preceding paragraph, as well as what the City's proportionate share of the net pension liability would be if it were calculated using a discount rate 1 percentage point lower or 1 percentage point higher than the current discount rate:

	1 Percent Decrease (6.50%)	Current (7.50%)	1 Percent Increase (8.50%)
General Employees Fund	$ 2,094,683	$ 1,307,010	$ 657,242
Police and Fire Fund	657,242	851,497	151,862

Note 4: Defined Benefit Pension Plans - Statewide (Continued)

H. Pension Plan Fiduciary Net Position

Detailed information about each pension plan's fiduciary net position is available in a separately-issued PERA financial report that includes financial statements and required supplementary information. That report may be obtained on the Internet at www.mnpera.org.

Note 5: Postemployment Benefits Other Than Pensions

A. Plan Description

The City operates a single-employer retiree benefit plan ("the Plan") that provides health, life and dental insurance to eligible employees and their families through the City's health insurance plan. The full cost of the benefits is covered by the plan. Benefit and eligibility provisions are established through negotiations between the City and various unions representing City employees and are renegotiated each two-year bargaining period. The Plan does not issue a publicly available report. At December 31, 2020, the 31 active plan members/employees were covered by the benefit terms.

B. Funding Policy

OPEB benefits have historically been funded on a pay-as-you-go basis (PAYGO). Plan sponsors may set up a trust and pre-fund the benefits. There is no requirement to pre-fund benefit. However, continuing on a PAYGO basis will create a Total OPEB Liability (TOL) on the balance sheet. Results throughout the report assume continued funding under PAYGO. The overall single discount rate is 3.30%.

C. Actuarial Methods and Assumptions

The City's total OPEB liability of $69,586 was measured as of December 31, 2020, and the total OPEB liability used to calculate the total OPEB liability was determined by an actuarial valuation as of January 1, 2020 Roll forward procedures were used to roll forward the total OPEB liability to the measurement date.

The total OPEB liability in the January 1, 2019 actuarial valuation was determined using the following actuarial assumptions, applied to all periods included in the measurement, unless otherwise specified:

Discount Rate	3.33%
20-Year Municipal Bond Yield	3.30%
Inflation Rate	2.50%
Salary Increases	3.00%
Medical Trend Rate	6.50% as of January 1, 2019 grading to 5.00% over 6 years

The discount rate is based on the estimated yield of 20-Year AA-rated municipal bonds. The overall single discount rate is 3.30%. Mortality rates were based on the RP-2014 White Collar Mortality Tables with MP-2017 Generational Improvement Scale. The actuarial assumptions used in the December 31, 2018 valuation were based on input from a variety of published sources of historical and projected future financial data. Each assumption was reviewed for reasonableness with the source information as well as for consistency with the other economic assumptions.

Note 5: Postemployment Benefits Other Than Pensions - Continued

D. Changes in the Total OPEB Liability

	Total OPEB Liability (a)
Balances at December 31, 2019	$ 313,352
Changes for the Year:	
Service cost	11,217
Interset	10,677
Changes in benefit terms	(2,063)
Investment Gain or Loss	(260,904)
Changes in assumptions or other inputs	(2,693)
Net Changes	(243,766)
Balances at December 31, 2020	$ 69,586

There are no assumption changes.

E. Sensitivity of the Total OPEB Liability

The following presents the total OPEB liability of the City, as well as what the City's total OPEB liability would be if it were calculated using a discount rate that is 1-percentage point lower (2.33 percent) or 1-percentage-point higher (4.33 percent) than the current discount rate:

1 Percent Decrease (2.33%)	Current (3.33%)	1 Percent Increase (4.33%)
$ 341,858	$ 69,586	$ 286,752

The following presents the total OPEB liability of the City, as well as what the City's total OPEB liability would be if it were calculated using a Healthcare Cost Trent Rates that is 1-percentage point lower (5.50 percent decreasing to 4.00 percent) or 1-percentage-point higher (7.50 percent increasing to 6.00 percent) than the current discount rate:

1 Percent Decrease (5.5% Decreasing to 4%)	Healthcare Cost Trend Rates (6.5% Decreasing to 5%)	1 Percent Increase (7.5% Decreasing to 6%)
$ 271,483	$ 313,352	$ 362,887

Note 5: Postemployment Benefits other than Pensions (Continued)

F. OPEB Expense and Deferred Outflows of Resources and Deferred Inflows of Resources Related to OPEB

For the year ended December 31, 2020, the City recognized OPEB expense of $38,983. At December 31, 2020, the City reported deferred outflows of resources and deferred inflows of resources related to OPEB from the following sources:

	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences Between Expected and Actual Experience	$ -	$ 228,291
Changes in Actuarial Assumptions	-	2,356
Total	$ -	$ 230,647

Deferred inflows of resources totaling $230,647 related differences in expected and actual and changes in assumptions. Other amounts reported as deferred outflows and inflows of resources related to OPEB will be recognized in OPEB expense as follows:

2021	$ (32,950)
2022	(32,950)
2023	(32,950)
2024	(32,950)
2025	(32,950)
Thereafter	(65,897)

Note 6: Other Information

A. Legal Debt Margin

In accordance with Minnesota statutes, the City may not incur or be subject to net debt in excess of three percent of the estimated market value of taxable property within the City. Net debt is payable solely from ad valorem taxes and, therefore, excludes debt financed partially or entirely by special assessments, enterprise fund revenues, or tax increments. As of December 31, 2020, the City is under the legal debt margin.

B. Risk Management

The City is exposed to various risks of loss related to torts; theft of, damage to and destruction of assets; errors and omissions; injuries to employees; and natural disasters for which the City carries insurance. The City obtains insurance through participation in the League of Minnesota Cities Insurance Trust (LMCIT), which is a risk sharing pool with approximately 800 other governmental units. The City pays an annual premium to LMCIT for its workers compensation and property and casualty insurance. The LMCIT is self-sustaining through member premiums and will reinsure for claims above a prescribed dollar amount for each insurance event. Settled claims have not exceeded the City's coverage in any of the past three fiscal years.

Liabilities are reported when it is probable that a loss has occurred and the amount of the loss can be reasonably estimated. Liabilities, if any, include an amount for claims that have been incurred but not reported (IBNRs). The City's management is not aware of any incurred but not reported claims.

Note 6: Other Information (Continued)

C. Isanti Area Joint Operating Fire Board District

In October of 2002, the City and the towns of Athens, Bradford, Isanti, Oxford, Spencer Brook and Stanford, entered a joint powers agreement to acquire and pay for new fire department substations in the townships. The City shall deposit in advance quarterly contributions with the treasurer of the Isanti Area Joint Operating Fire fund. The amount of the quarterly contributions to the fund shall be according to the proportions established in the fire protection contract. Upon termination of the agreement, any real property or buildings owned by the Board shall become the sole property of the City or Township in which the property lies. The City contributed $238,078 to the Board in 2020. The City's equity interest and its share of the net income (loss) of the District is not measurable and it is not explicit; therefore, no equity interest is reported in the government-wide financial statements.

Note 7: Commitments and Contingencies

Tax Increment Districts

The City's tax increment districts are subject to review by the State of Minnesota Office of the State Auditor (OSA). Any disallowed claims or misuse of tax increments could become a liability of the applicable fund. Management has indicated that they are not aware of any instances of noncompliance which would have a material effect on the financial statements.

Note 8: COVID-19

On January 30, 2020, the World Health Organization ("WHO") announced a global health emergency because of a new strain of coronavirus ("COVID-19") and the risks to the international community as virus spreads globally. On March 11, 2020, the WHO classified the COVID-19 outbreak as a pandemic, based on the rapid increase in exposure globally. In response to the pandemic, the State of Minnesota has issued stay-at-home orders and other measures aimed at slowing the spread of the coronavirus.

The full impact of the COVID-19 outbreak continues to evolve as of the date of this report. Due to the rapid development and fluidity of this situation, the City cannot determine the ultimate impact that the COVID-19 pandemic will have on its financial condition, liquidity, and future revenue collection, and therefore any prediction as to the ultimate impact on the City's financial condition, liquidity, and future results of its revenue collections is uncertain.

REQUIRED SUPPLEMENTARY INFORMATION

CITY OF ISANTI
ISANTI, MINNESOTA

FOR THE YEAR ENDED
DECEMBER 31, 2020

City of Isanti, Minnesota

Notes to the Required Supplementary Information - General Employee Fund

Changes in Actuarial Assumptions

2020 - The price inflation assumption was decreased from 2.50% to 2.25%. The payroll growth assumption was decreased from 3.25% to 3.00%. Assumed salary increase rates were changed as recommended in the June 30, 2019 experience study. The net effect is assumed rates that average 0.25% less than previous rates. Assumed rates of retirement were changed as recommended in the June 30, 2019 experience study. The changes result in more unreduced (normal) retirements and slightly fewer Rule of 90 and early retirements. Assumed rates of termination were changed as recommended in the June 30, 2019 experience study. The new rates are based on service and are generally lower than the previous rates for years 2-5 and slightly higher thereafter. Assumed rates of disability were changed as recommended in the June 30, 2019 experience study. The change results in fewer predicted disability retirements for males and females. The base mortality table for healthy annuitants and employees was changed from the RP-2014 table to the Pub-2010 General Mortality table, with adjustments. The base mortality table for disabled annuitants was changed from the RP-2014 disabled annuitant mortality table to the PUB-2010 General/Teacher disabled annuitant mortality table, with adjustments. The mortality improvement scale was changed from Scale MP-2018 to Scale MP-2019. The assumed spouse age difference was changed from two years older for females to one year older. The assumed number of married male new retirees electing the 100% Joint & Survivor option changed from 35% to 45%. The assumed number of married female new retirees electing the 100% Joint & Survivor option changed from 15% to 30%. The corresponding number of married new retirees electing the Life annuity option was adjusted accordingly.

2019 - The mortality projection scale was changed from MP-2017 to MP-2018.

2018 - The mortality projection scale was changed from MP-2015 to MP-2017. The assumed benefit increase was changed from 1.00 percent per year through 2044 and 2.50 percent per year thereafter to 1.25 percent per year.

2017 - The Combined Service Annuity (CSA) loads were changed from 0.8 percent for active members and 60 percent for vested and non-vested deferred members. The revised CSA loads are now 0.0 percent for active member liability, 15.0 percent for vested deferred member liability and 3.0 percent for non-vested deferred member liability. The assumed post-retirement benefit increase rate was changed from 1.0 percent per year for all years to 1.0 percent per year through 2044 and 2.5 percent per year thereafter.

2016 - The assumed post-retirement benefit increase rate was changed from 1.0 percent per year through 2035 and 2.5 percent per year thereafter to 1.0 percent per year for all future years. The assumed investment return was changed from 7.9 percent to 7.5 percent. The single discount rate was changed from 7.9 percent to 7.5 percent. Other assumptions were changed pursuant to the experience study dated June 30, 2015. The assumed future salary increases, payroll growth and inflation were decreased by 0.25 percent to 3.25 percent for payroll growth and 2.50 percent for inflation.

2015 - The assumed post-retirement benefit increase rate was changed from 1.0 percent per year through 2030 and 2.5 percent per year thereafter to 1.0 percent per year through 2035 and 2.5 percent per year thereafter.

Notes to the Required Supplementary Information - General Employee Fund (Continued)

Changes in Plan Provisions

2020 - Augmentation for current privatized members was reduced to 2.0% for the period July 1, 2020 through December 31, 2023 and 0.0% after. Augmentation was eliminated for privatizations occurring after June 30, 2020.

2019 - The employer supplemental contribution was changed prospectively, decreasing from $31.0 million to $21.0 million per year. The state's special funding contribution was changed prospectively, requiring $16.0 million due per year through 2031.

2018 - The augmentation adjustment in early retirement factors is eliminated over a five-year period starting July 1, 2019, resulting in actuarial equivalence after June 30, 2024. Interest credited on member contributions decreased from 4.00 percent to 3.00 percent, beginning July 1, 2018. Deferred augmentation was changed to 0.00 percent, effective January 1, 2019. Augmentation that has already accrued for deferred members will still apply. Contribution stabilizer provisions were repealed. Postretirement benefit increases were changed from 1.00 percent per year with a provision to increase to 2.50 percent upon attainment of 90.00 percent funding ratio to 50.00 percent of the Social Security Cost of Living Adjustment, not less than 1.00 percent and not more than 1.50 percent, beginning January 1, 2019. For retirements on or after January 1, 2024, the first benefit increase is delayed until the retiree reaches normal retirement age; does not apply to Rule of 90 retirees, disability benefit recipients, or survivors. Actuarial equivalent factors were updated to reflect revised mortality and interest assumptions.

2017 - The State's contribution for the Minneapolis Employees Retirement Fund equals $16,000,000 in 2017 and 2018, and $6,000,000 thereafter. The Employer Supplemental Contribution for the Minneapolis Employees Retirement Fund changed from $21,000,000 to $31,000,000 in calendar years 2019 to 2031. The state's contribution changed from $16,000,000 to $6,000,000 in calendar years 2019 to 2031.

2016 - No changes noted.

2015 - On January 1, 2015, the Minneapolis Employees Retirement Fund was merged into the General Employees Fund, which increased the total pension liability by $1.1 billion and increased the fiduciary plan net position by $892 million. Upon consolidation, state and employer contributions were revised.

Schedule of Employer's Share of PERA Net Pension Liability - Police and Fire Fund

Notes to the Required Supplementary Information - Police and Fire Fund

Changes in Actuarial Assumptions

2020 - The mortality projection scale was changed from MP-2018 to MP-2019.

2019 - The mortality projection scale was changed from MP-2017 to MP-2018.

2018 - The mortality projection scale was changed from MP-2016 to MP-2017.

2017 - Assumed salary increases were changed as recommended in the June 30, 2016 experience study. The net effect is proposed rates that average 0.34 percent lower than the previous rates. Assumed rates of retirement were changed, resulting in fewer retirements. The Combined Service Annuity (CSA) load was 30 percent for vested and non-vested deferred members. The CSA has been changed to 33 percent for vested members and 2 percent for non-vested members. The base mortality table for healthy annuitants was changed from the RP-2000 fully generational table to the RP-2014 fully generational table (with a base year of 2006), with male rates adjusted by a factor of 0.96. The mortality improvement scale was changed from Scale AA to Scale MP-2016. The base mortality table for disabled annuitants was changed from the RP-2000 disabled mortality table to the mortality tables assumed for healthy retirees. Assumed termination rates were decreased to 3.0 percent for the first three years of service. Rates beyond the select period of three years were adjusted, resulting in more expected terminations overall. Assumed percentage of married female members was decreased from 65 percent to 60 percent. Assumed age difference was changed from separate assumptions for male members (wives assumed to be three years younger) and female members (husbands assumed to be four years older) to the assumption that males are two years older than females. The assumed percentage of female members electing joint and survivor annuities was increased. The assumed post-retirement benefit increase rate was changed from 1.00 percent for all years to 1.00 percent per year through 2064 and 2.50 percent thereafter. The single discount rate was changed from 5.6 percent to 7.5 percent.

2016 - The assumed post-retirement benefit increase rate was changed from 1.0 percent per year through 2037 and 2.5 percent per year thereafter to 1.0 percent per year for all future years. The assumed investment return was changed from 7.9 percent to 7.5 percent. The single discount rate was changed from 7.9 percent to 5.6 percent. The assumed future salary increases, payroll growth and inflation were decreased by 0.25 percent to 3.25 percent for payroll growth and 2.50 percent for inflation.

2015 - The assumed post-retirement benefit increase rate was changed from 1.0 percent per year through 2030 and 2.5 percent per year thereafter to 1.0 percent per year through 2037 and 2.5 percent per year thereafter.

Notes to the Required Supplementary Information - Police and Fire Fund (Continued)

Changes in Plan Provisions

2020 - No changes noted

2019 - No changes noted

2018 - As set by statute, the assumed post-retirement benefit increase was changed from 1.0 percent per year through 2064 and 2.5 percent per year, thereafter, to 1.0 percent for all years, with no trigger. An end date of July 1, 2048 was added to the existing $9.0 million state contribution. New annual state aid will equal $4.5 million in fiscal years 2019 and 2020, and $9.0 million thereafter until the plan reaches 100 percent funding, or July 1, 2048, if earlier. Member contributions were changed from 10.80 percent to 11.30 percent of pay, effective January 1, 2019 and 11.80 percent of pay, effective January 1, 2020. Employer contributions were changed from 16.20 percent to 16.95 percent of pay, effective January 1, 2019 and 17.70 percent of pay, effective January 1, 2020. Interest credited on member contributions decreased from 4.00 percent to 3.00 percent, beginning July 1, 2018. Deferred augmentation was changed to 0.00 percent, effective January 1, 2019. Augmentation that has already accrued for deferred members will still apply. Actuarial equivalent factors were updated to reflect revised mortality and interest assumptions.

2017 - Assumed salary increases were changed as recommended in the June 30, 2016 experience study. The net effect is proposed rates that average 0.34 percent lower than the previous rates. Assumed rates of retirement were changed, resulting in fewer retirements. The combined service annuity (CSA) load was 30.00 percent for vested and non-vested, deferred members. The CSA has been changed to 33.00 percent for vested members and 2.00 percent for non-vested members. The base mortality table for healthy annuitants was changed from the RP-2000 fully generational table to the RP-2014 fully generational table (with a base year of 2006), with male rates adjusted by a factor of 0.96. The mortality improvement scale was changed from Scale AA to Scale MP-2016. The base mortality table for disabled annuitants was changed from the RP-2000 disabled mortality table to the mortality tables assumed for healthy retirees. Assumed termination rates were decreased to 3.00 percent for the first three years of service. Rates beyond the select period of three years were adjusted, resulting in more expected terminations overall. Assumed percentage of married female members was decreased from 65.00 percent to 60.00 percent. Assumed age difference was changed from separate assumptions for male members (wives assumed to be three years younger) and female members (husbands assumed to be four years older) to the assumption that males are two years older than females. The assumed percentage of female members electing joint and survivor annuities was increased. The assumed postretirement benefit increase rate was changed from 1.00 percent for all years to 1.00 percent per year through 2064 and 2.50 percent thereafter. The single discount rate was changed from 5.60 percent per annum to 7.50 percent per annum.

2016 - No changes noted

2015 - The post-retirement benefit increase to be paid after attainment of the 90 percent funding threshold was changed, from inflation up to 2.5 percent, to a fixed rate of 2.5 percent.

INDEPENDENT AUDITOR'S REPORT ON MINNESOTA LEGAL COMPLIANCE

Honorable Mayor and City Council
City of Isanti, Minnesota

We have audited, in accordance with auditing standards generally accepted in the United States of America, and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, each major fund and the aggregate remaining fund information of the City of Isanti, Minnesota (the City) as of and for the year ended December 31, 2020, and the related notes to the financial statements, and have issued our report thereon dated April 14, 2021.

In connection with our audit, nothing came to our attention that caused us to believe that the City of Isanti failed to comply with the provisions of the contracting and bidding, deposits and investments, conflicts of interest, public indebtedness, claims and disbursements, miscellaneous provisions, and tax increment financing sections of the *Minnesota Legal Compliance Audit Guide for Cities*, promulgated by the State Auditor pursuant to Minn. Stat. § 6.65, insofar as they relate to accounting matters. However, our audit was not directed primarily toward obtaining knowledge of such noncompliance. Accordingly, had we performed additional procedures, other matters may have come to our attention regarding the City's noncompliance with the above referenced provisions, insofar as they relate to accounting matters.

This report is intended solely for the information and use of those charged with governance and management of the City and the State Auditor and is not intended to be, and should not be, used by anyone other than these specified parties.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

Honorable Mayor and City Council
City of Isanti, Minnesota

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, each major fund and the aggregate remaining fund information of the City of Isanti, Minnesota (the City), as of and for the year ended December 31, 2020, and the related notes to the financial statements, which collectively comprise the City's basic financial statements and have issued our report thereon dated April 14, 2021.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the City's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, we do not express an opinion on the effectiveness of the City's internal control.

Our consideration of internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified However, as described in the accompanying Schedule of Finding and Response, we identified certain deficiencies in internal control that we consider to be a significant deficiency.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis.

A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance. We consider the deficiency described in the accompanying Schedule of Finding and Response as item 2020-001 to be a significant deficiency.

5201 Eden Avenue, Suite 250
Edina, MN 55436
952.835.9090 | Fax 952.835.3261

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the City's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of non-compliance and identified no other matters that are required to be reported under *Government Auditing Standards.*

The City's Response to the Finding

The City's response to the finding identified in our audit are described in the accompanying Schedule of Finding and Response. The City's response was not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on it.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the City's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

People + Process. Going Beyond the Numbers

THIS PAGE IS LEFT

BLANK INTENTIONALLY

City of Isanti, Minnesota
Schedule of Finding and Response
For the Year Ended December 31, 2020

Finding	Description
2020-001	**Preparation of Financial Statements**
Condition:	As in prior years, we were requested to draft the audited financial statements and related footnote disclosures as part of our regular audit services. Recent auditing standards require auditors to communicate this situation to the City Council as an internal control deficiency. Ultimately, it is management's responsibility to provide for the preparation of your statements and footnotes, and the responsibility of the auditor to determine the fairness of presentation of those statements. It is our responsibility to inform you that this deficiency could result in a material misstatement to the financial statements that could have been prevented or detected by your management. Essentially, the auditors cannot be part of your internal control process.
Criteria:	Internal controls should be in place to provide reasonable assurance over the reliability of financial records and reporting.
Cause:	From a practical standpoint, we both prepare your statements and determine the fairness of that presentation at the same time in connection with our audit. This is not unusual for us to do with organizations of your size.
Effect:	The effectiveness of the internal control system relies on enforcement by management. The effect of deficiencies in internal controls can result in undetected errors in financial reporting. We have instructed management to review a draft of the auditor prepared financials in detail for accuracy; we have answered any questions that management might have, and have encouraged research of any accounting guidance in connection with the adequacy and appropriateness of classification of disclosures in your statements. We are satisfied that the appropriate steps have been taken to provide you with the completed financial statements.
Recommendation:	Under these circumstances, the most effective controls lie in management's knowledge of the City's financial operations. It is the responsibility of management and those charged with governance to make the decision whether to accept the degree of risk associated with this condition because of cost and other considerations. Regarding the specific situations listed above, we would offer the following specific recommendations: 1) Utilize a disclosure checklist to ensure all required disclosures are present and agree to work papers, and 2) Agree your accounting information from your accounting software to the amounts reported in the financial statements.

Management Response:

For now, the City accepts the degree of risk associated with this condition and thoroughly reviews a draft of the financial statements.

Memo for Council Action

To: **Mayor Johnson and Members of the City Council**
From: Alyssa Olson - Parks, Recreation, and Events Coordinator
Date: April 20, 2021
Subject: Resolution 2021-XXX Approving a Special Event Permit Request for the Walk for Life

Background

The Pregnancy Resource Center of Cambridge has submitted a special event permit application to host a one-day walk to raise money for non-profit community services. The event, including setup and tear down, will take place Saturday, May 15, 2021 from 8am-1pm at Bluebird Park.

No road closures or parking restrictions are being requested and the path will follow the walking paths within the park. Event staff and volunteers will be responsible for cleaning up waste on the property after the event.

The approximate attendance is 25-40. The spectators will have to follow the social distancing guidelines that are in place.

No outdoor audio system or live entertainment will be used and no additional restrooms will be brought in. The event is free to attend and any donations collected will support the non-profit Pregnancy Resource Center of Cambridge/Lex Specialty Clinics.

The complete application along with departmental review are attached.

Staff Request

City staff is requesting approval of the Walk for Life Special Event Permit application and attachments.

RESOLUTION 2021-XXX

APPROVING A SPECIAL EVENT PERMIT APPLICATION FOR WALK FOR LIFE

WHEREAS, Pregnancy Resource Center of Cambridge has submitted a Special Event application requesting a permit to host the Walk for Life; and,

WHEREAS, a one-day walk event is scheduled to take place in Bluebird Park on Saturday, May 15; and,

WHEREAS, event set-up is scheduled for Friday, May 15 from 8:00 am to 1:00 pm; and,

WHEREAS, the estimated number of people to be in attendance each day is 25-40; and,

WHEREAS, the applicant will not be required to provide additional restrooms for the event; and,

WHEREAS, parking during the event will be restricted to Bluebird Park parking lots; and,

WHEREAS, the applicant has submitted a complete request with the application materials; and,

WHEREAS, public addressing systems and live entertainment will not be utilized during the event; and,

WHEREAS, a Park Shelter Reservation application has been completed; and,

WHEREAS, the sign permit fee has been waived;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to hereby approve the special event permit request for Walk for Life;

AND FURTHERMORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota that this Resolution is hereby the "Permit" for the above stated Special Event.

This Resolution is hereby approved by the Isanti City Council this 20th day of April 2021.

Attest: _____ Mayor Jeff Johnson

MEMORANDUM

Date: April 14, 2021

To: Honorable Mayor Johnson and Members of the City Council

From: Jason W. Cook, P.E.
City Engineer

Subject: Approval of Plans and Authorization to Advertise for Bids
2021 Pavement Management Project
City of Isanti, MN
BMI Project No.: 0R1.123133

We request that the City Council approve the plans and specifications, entitled "2021 Pavement Management Project" and authorize advertisement for bids.

Following is the schedule for the 2021 Pavement Management Project:

Approve Plans & Specs, Authorize Advertisement for Bids	April 20, 2021
Open Bids	June 1, 2021
Commence Construction	June, 2021
Substantial Completion of Construction	August 31, 2021

We are requesting that the City Council approve plans and specifications and authorize advertisement for bids.

I will be at the April 20, 2021 City Council meeting to respond to any questions you have concerning the approval of plans and specifications or the authorization to advertise for bids.

Please contact us with any questions or if you would like any additional information prior to the meeting as well.

Bolton & Menk is an equal opportunity employer.

RESOLUTION 2021-XXX

ACCEPTING PLANS AND SPECIFICATIONS AND AUTHORIZING ADVERTISEMENT FOR BID FOR THE 2021 PAVEMENT MANAGEMENT PROJECT

WHEREAS, the City has planned for the 2021 Pavement Management Project; and,

WHEREAS, the plans and specifications have been completed for these improvements; and,

WHEREAS, the Engineer's Estimate is within the planned budget; and,

WHEREAS, a public bid opening is recommended to be held on June 1, 2021 to receive competitive bids to complete the construction project in the 2021 construction season;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, as follows:

1) That the City shall accept the plans and specifications as completed by Bolton & Menk, Inc.

2) That the City shall authorize the advertisement for bids for this project with a bid opening date scheduled for June 1, 2021.

This resolution was duly approved by the Isanti City Council this 20th day of April 2021.

RESOLUTION 2021-XXX

APPROVING THE RE-HIRE OF PART-TIME PUBLIC WORKS SEASONAL ERIC JONES

WHEREAS, the City Council of the City of Isanti is required to approve all new employees; and,

WHEREAS, the City Council approved to advertise and accept applications to fill two Seasonal positions for part time employment; and,

WHEREAS, Eric Jones is selected as the most qualified candidate for the open Seasonal position. The offer is contingent on successfully passing a background check;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, as follows:

1. That Human Resources is hereby directed to offer the Public Works Seasonal position to Eric Jones for the City of Isanti and shall be eligible to start on or after April 7th, 2021.
2. Eric Jones shall start at the wage scale of $15.70 per hour.
3. Seasonal hires shall not work more than 100 days per the Union Contact in the position of the Public Works Seasonal position effective Spring through Fall 2021.
4. That Human Resources is directed to complete all required documentation for the completion of the employment offers.
5. That Human Resources is directed to forward an executed copy of this resolution to the employee and place a copy in the employee's personnel file for future reference.

This Resolution is hereby approved by the Isanti City Council this 20th day of April 2021.

Attest: Mayor Jeff Johnson

City Clerk

RESOLUTION 2021- XXX

ACCEPTING PART-TIME POLICE OFFICER LETTER OF RESIGNATION FOR ERIC BAUMGART

WHEREAS, Police Officer Eric Baumgart has submitted a letter of resignation to the City of Isanti on April 6, 2021; and,

WHEREAS, the effective date of this resignation is April 20, 2021; and,

WHEREAS, Officer Eric Baumgart is leaving employment in good standing;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, to hereby approve as follows:

1. The resignation of Eric Baumgart is hereby accepted effective April 20, 2021.

2. That Human Resources and Police Chief are hereby directed to fill the position as needed.

This Resolution is hereby approved by the Isanti City Council this 20th day of April 2021.

NOW THEREFORE BE IT RESOLVED by the City Council of the City of Isanti, Minnesota as follows:

1. The City Council hereby accepts the quote from Walz Enterprises LLC (includes window washing).

2. That the City Administrator is hereby authorized to enter into a contract with Walz Enterprises LLC for the provision of specified cleaning services for the Municipal Building, Police Department, Community Center, Liquor Store and New Liquor Store for the period from May 1st, 2021 to April 31st, 2023.

3. That a copy of said contract shall be attached to this resolution including the responsibilities of both parties for the service.

This resolution was duly adopted by the Isanti City Council this 20th day of April 2021.

Attest: Mayor Jeff Johnson

Jaden Strand
City Clerk

CONTRACT FOR CLEANING SERVICES

This agreement is hereby entered into between the City of Isanti and Walz Enterprises LLC for provision of specified cleaning services for City of Isanti municipal facilities that are named as follows:

City Hall
Police Department
Community Center
Liquor Store
New Liquor Store

It is understood that Walz Enterprises LLC is acting as an independent contractor and the relationship between the parties is merely contractual. Walz Enterprises will not be an employee of the City of Isanti.

For the Contractors part of this contract, Walz Enterprises LLC hereby agrees to accept the following responsibilities:

1. Provide cleaning services in full accordance with items on the attached Specifications form Part III.
2. Contact the City Clerk immediately to report any damage or other problems occurring as a result of contract cleaning work.
3. Provide all necessary cleaning supplies and equipment required for contractor's work.
4. Provide a certificate of liability insurance naming the City as an additional insured. General Liability limit $1,000,000 per occurrence, $2,000,000 Aggregate, $300,000 automobile liability.
5. Provide Evidence of Worker's Comp Coverage if applicable or provide Exclusion.
6. Cleaning will be done on Friday, Saturday or Sunday at all facilities.
7. Individual(s) providing cleaning services have successfully completed and passed background check.

For its part of this contract, the City of Isanti hereby agrees to accept the following responsibilities:

1. Provide supplies required for daily use of the building, i.e. garbage bags, toilet paper, paper towels, hand towels and light bulbs.

2. Provide **$569.00 to be paid each month** compensation for general cleaning and window washing service detailed in items 1-4 within the attached specification form Part III, payable within 30 days of receiving the contractor's invoice.

3. Provide **$0.90 per square foot** compensation for stripping and waxing the floor not to exceed $855.90 at the Community Center and not to exceed $450.00 at the Liquor Store detailed in part III, payable within 30 days of receiving the contractor's invoice.

TERMINATION

It is further agreed that in case of violation, breach or non-performance by Contractor of any of the agreements contained in this Contract, City shall have the right to declare this Contract immediately null and void upon written notice to Contractor. This Contract shall be in effect from the date entered into through April 31, 2023 unless either party gives to the other written notice of not less than ninety (90) days, said notice stating that this Agreement shall be terminated and the effective date of termination. No amendment or modification of this Contract shall be effective unless made in writing and signed by both the City and Contractor.

This contract for cleaning service is hereby entered into on _____, between Walz Enterprises LLC and the City of Isanti for the period from May 1, 2021 through April 31, 2023.

Request for City Council Action

To: Mayor Johnson and Members of City Council
From: Sheila Sellman, Community Development Director
Date: April 20, 2021
Subject: Resolution 2021-XXX Approving a Development Agreement for Caribou Coffee

---

Background:
On April 6th the City Council approved a site plan for a freestanding Caribou Coffee with drive-thru at 206 5th Ave NE. As part of the development process a minor development agreement is required. The applicant has reviewed the agreement and has no concerns or comments.

Request:
Approve development agreement for Caribou Coffee.

Attachments:
- Resolution 2021-XXX
- Development Agreement

RESOLUTION 2021-XXX

APPROVING THE DEVELOPMENT AGREEMENT FOR CARIBOU COFFEE

WHEREAS, Coffee Holdings LLC, (applicant) has an approved site plan for a Caribou Coffee at 260 5th Avenue NE PID 16.029.0500; and,

WHEREAS, a Development Agreement has been prepared and reviewed by the Developer and is ready for consideration by the City Council of the City of Isanti;

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Isanti, Minnesota hereby approves this Resolution with the following conditions:

1) Prior to the signing of the development agreement any outstanding escrows, fees and/or financial guarantees, as stated within the development agreement, shall be established and/or paid and any minor changes to the agreement can be done by the City Administrator.

IT IS FINALLY RESOLVED, that the City Council of the City of Isanti, Minnesota hereby direct the Mayor and City staff to execute said development agreement.

This Resolution hereby approved by the City Council of the City of Isanti this 20th day of April 2021.

_____
Mayor Jeff Johnson

Attest:

_____
Jaden Strand
City Clerk

CITY OF ISANTI

MINOR DEVELOPMENT AGREEMENT

THIS AGREEMENT (the "Agreement"), is made and entered into this _____ day of _____ 2021 between the **City of Isanti**, a Minnesota municipal corporation (the "City") Coffee Holdings LLC**,** a _____ limited liability company (the "Developer").

RECITALS

WHEREAS, Developer seeks to construct a 605 square foot Caribou Coffee freestanding building (the Development) on the property located at 260 5th Avenue NE., PID 16.029.0500.,Isanti MN, Isanti County Minnesota (the Property); and

WHEREAS, the Property is zoned B-2, General Business District and Highway 65 Overlay, and the Property is to be developed in accordance with the zoning requirements of that District, subject to the terms and conditions of this Agreement; and

WHEREAS, it is the policy of the City to enter into development contracts as contemplated in Minnesota Statutes 462.358, subd. 2(a); and

WHEREAS, Developer agrees to comply with the requirements set forth by City Code, City Approvals and Approved plans as defined and enumerated on attached Exhibit C and Exhibit D; and

WHEREAS, the City and Developer desire to set forth their respective rights and obligations in this Agreement.

NOW, THEREFORE, in consideration of the Recitals, the premises and of the mutual promises and conditions contained herein, it is agreed by the City and the Developer as follows:

1. **Development Agreement Provisions.** Subject to such changes as may be agreed between the City and the Developer(s), development of the Property shall adhere to the provisions set forth herein.

2. **Escrow for City Costs and Fees.** Developer shall, contemporaneously with

execution of this Agreement, deposit with the City an escrow of $5,000 to cover the cost of legal fees, engineering fees, administrative expenses and other costs related to the Development. Any funds remaining in the escrow account(s) after the completion of the Development shall be refunded to the Developer. In the event the escrow account is depleted, the Developer shall post additional sums of money to replenish the account to a maximum of $5,000 to cover projected City costs as determined by the City. The escrow account shall always have a balance of no less than $1,000.00. The Developer shall be entitled, upon request, to an itemized statement of all costs and fees charged against the Developer's escrow account.

3. **Developer Installed Municipal Improvements.** The Developer shall construct the following described municipal improvements for the Development, which are hereinafter collectively called "Developer Installed Municipal Improvements." The Developer Installed Municipal Improvements shall be constructed at the Developer's expense and in accordance with City requirements and specifications, unless otherwise stated. The Developer shall engage at its own expense a registered professional civil engineer to prepare plans and specifications for the Developer Installed Municipal Improvements. These plans shall be submitted to the City for review and be approved by the City Engineer. The Developer agrees to City inspection of all Developer Installed Municipal Improvements and payment for said inspection services.

    a. The Developer shall extend new 5-foot-wide sidewalk along Main Street from 5th Avenue Ped Ramp to Main Street driveway, pursuant to the conditions set forth in the February 23, 2021, memo from the City's engineer, Bolton & Menk.

    b. Remove existing curb & gutter & replace with valley gutter or full B618 as needed.

c. Remove the existing concrete driveway apron and curb cut onto Main Street. Replace curb with full B618 through old entrance.

d. Concrete valley gutters will be needed at both proposed entrances.

e. All utilities, including electricity, telephone, cable and natural gas, shall be installed underground within platted utility easements or road rights-of-way.

f. Replace existing sidewalk with 6-inch thick sidewalk through driveways and ped ramps, all other sidewalk can be 4-inch thick.

g. Relocate existing hydrant and pass testing for pressure and bacteria per City and MDH standards.

4. **Erosion Control.** Soil stabilization shall be employed to ensure the integrity of the soils and prevent erosion onto City streets, alley and neighboring parcels.

5. **Lighting.** The Developer shall be financially responsible for the cost of lighting for the Development.

6. **Warranty of Improvements.** The Developer represents and warrants that all the Developer Installed Municipal Improvements made shall be guaranteed to be properly functioning as designed for a period of two years following acceptance by the City of the Developer Installed Municipal Improvements ("Warranty Period"). In the case of any material or labor that is supplied and that is reasonably rejected by the City as defective or unsuitable, then the rejected materials shall be removed and replaced with approved material, and the rejected labor shall be done anew to the reasonable satisfaction and approval of the City at the sole cost and expense of the Developer. In any event, none of the Warranty Periods identified herein shall begin to run until all the Developer Installed Municipal Improvements have been approved and accepted by the City. If the Developer does not proceed to correct or repair improvements under this section once notified by the City, it shall be considered

an Event of Default under the Development Agreement.

7. **Signs and Markings.** All costs associated with markings and signs are to be borne by the Developer. Placement of City signage shall be as directed by the City Engineer. Business signage shall be approved by sign permit.

8. **Lowest Floor Elevation.** No building shall be constructed unless the lowest floor elevation is at least two feet above the 100-year flood elevation or two feet above the high groundwater elevation, whichever is greater. Additionally, the lowest floor elevation shall be specifically referenced and designated on a certificate of survey, which survey shall be provided to the City before any building permits are issued.

9. **Miscellaneous Provisions.** The Developer specifically understands that approval for this development is given subject to the following requirements:

   a. Exterior lighting or advertising activities on the site shall comply with City ordinance regarding same.

   b. The Developer shall permit access to the land herein for periodic inspection to assure conformance with the conditions herein.

   c. The Developer shall remove all temporary soil stabilization and erosion control devices, such as silt fencing, before the escrow held by the City is returned to the Developer.

10. **Special Provisions.** The following shall apply:

   a. **Liquidated Damages.** The Developer agrees to pay liquidated damages to the City in the amount of $500.00 if the Developer encroaches upon any City road right-of-way or utility easement without first obtaining a written permit from the City expressly authorizing said encroachment. The City shall be authorized to retain an appropriate percentage of the financial guarantee referred to above as security for payment of any liquidated damages owed to the City.

b. **Sodding and Seeding Requirements.** Prior to issuance of a certificate of occupancy, it shall be the responsibility of the Developer to install sodding in all lot front yards, side yards, and back yards per City Zoning Ordinance. Said sodding shall be complete, established and growing within sixty (60) days of issuance of a Certificate of Occupancy, except that, if the Certificate of Occupancy is issued between the dates of October 1 and May 1, then the sodding required herein shall be complete, established and growing no later than July 1 of the following year with the appropriate escrow established for the lot.

11. **Warranty of Title.** The Developer warrants and represents to the City that it is the fee owner of the land described in the Plat and that it has authority to execute this Agreement and agree to the conditions hereof.

12. **Lien Waivers.** Copies of signed and recorded lien waivers are required from each of the Developer's Contractors and Subcontractors involved in constructing the sidewalks. The Lien Waivers shall be submitted to and approved by the City Engineer prior to accepting the sidewalks and starting the warranty period.

13. **Restrictions on Transfer/Indemnification.**

a. **Indemnification.** The Developer agrees to defend and hold the City, and its officials, employees and agents, harmless against any and all claims, demands, lawsuits, judgments, damages, penalties, costs and expenses, including reasonable attorney's fees, arising out of actions or omissions by the Developer, its employees and agents, in connection with the Development.

b. **Enforcement by City; Damages.** The Developer acknowledges the right of the City to enforce the terms of the Development Agreement against the Developer, by action for specific performance or damages, or both, and by any other legally authorized means. The Developer also acknowledges that its failure to perform any or all of its obligations under the Development Agreement may result in substantial damages to the City; that in the event of default by the Developer, the City may

commence legal action to recover all damages, losses and expenses sustained by the City; and that such expenses may include, but are not limited to, the reasonable fees of legal counsel employed with respect to the enforcement of the Development Agreement.

14. **Hold Harmless Agreement.** The Developer acknowledges that its failure to control erosion in accordance with the plans and exhibits as contained herein may cause flooding and/or damage to adjoining property owners. In such event, the Developer agrees to hold the City harmless and indemnify the City from claims of all third parties or the Developer for damages arising out of such flooding and/or damages. Further, in the event the City undertakes any corrective actions to prevent or minimize any such flooding and/or damage, the Developer agrees to hold the City harmless and indemnify the City from claims of all third parties for damages arising out of said corrective action by the City, and agrees to reimburse the City for all out of pocket expenses incurred by the City arising out of the corrective action including, but not limited to, any cost necessary to re-landscape disrupted soils located within the Development.

15. **Events of Default.**

    a. **Events of Default Defined.** The following shall be "Events of Default" under the Development Agreement and the term "Event of Default" shall mean, whenever it is used in the Development Agreement, any one or more of the following events:

        i. Subject to unavoidable delays, failure by the Developer to commence and complete construction of the Developer Installed Municipal Improvements pursuant to the terms, conditions and limitations of the Development Agreement. For purposes of this Agreement, "unavoidable delays" means delays which are the direct result of acts of God, unforeseen adverse weather conditions, strikes, other labor troubles, fire or other casualty to the Municipal Improvements, litigation commenced by third parties which, by injunction or other similar judicial action,

directly results in delays, or acts of any federal, state or local governmental unit, and which directly results in delays.

ii. Failure by the Developer to observe or perform any covenant, condition, obligation or agreement on its part to be observed or performed under the Development Agreement.

b. **Remedies on Default.** Whenever any Event of Default occurs, the City may undertake any one or more of the following:

i. The City may suspend its performance under the Development Agreement until it receives assurances from the Developer, deemed adequate by the City, that the Developer will cure its default and continue its performance under the Development Agreement. Suspension of performance includes the right of the City to withhold permits including, but not limited to, building permits.

ii. The City may initiate such action, including legal, equitable or administrative action, as is necessary for the City to secure performance of any provision of the Development Agreement or recover any amounts due under the Development Agreement from the Developer, or immediately draw on the financial guarantees provided by the Developer pursuant to the Development Agreement.

iii. The City may draw upon any escrow or financial guarantee established pursuant to this Agreement.

iv. The Developer agrees that if the escrow or financial guarantee is insufficient or terminates, the City has the right to use the special assessment process under Minnesota Statutes chapter 429 to construct and pay for uncompleted Developer Installed Municipal Improvements or to correct and repair any improvements under warranty. This constitutes a petition to undertake such public

improvements under Minnesota Statutes chapter 429, and waiver of any all rights to notices, hearings and appeal under said chapter.

16. **Notice and Demands.** A notice, demand or other communication under this Agreement by either party to the other shall be sufficiently given or delivered if it is dispatched by registered or certified mail, postage prepaid, return receipt requested, or delivered personally; to the addresses as follows:

    a. Developer: Coffee Holdings, LLC
    530 South Front Street Suite 100
    Mankato MN 56001

    b. City: City of Isanti
    City Administrator
    P.O. Box 428
    Isanti, MN 55040

    Either party may designate an additional or another address upon giving notice to the other party pursuant to this paragraph.

17. **Disclaimer of Relationship.** Nothing contained in this Agreement or any Development Agreement nor any act by the City or the Developer shall be deemed or construed by any person to create any relationship of a third-party beneficiary, principal and agent, limited or general partner, or joint venture among the City, the Developer, and/or any third party.

18. **Receipt Acknowledgment.** The City shall acknowledge receipt of the funds received at the time the Development Agreement is signed.

19. **Other Provisions.**

a. **Modifications.** The Development Agreement may be modified solely through written amendments hereto executed by the Developer and the City.

b. **Counterparts.** The Development Agreement may be executed in any number of counterparts, each one of which shall constitute one and the same instrument.

c. **Judicial Interpretation.** Should any provision of the Development Agreement require judicial interpretation, the court interpreting or construing the same shall not apply a presumption that the terms hereof shall be more strictly construed against one party by reason of the rule of construction that a document is to be construed more strictly against the party who itself of through its agent or attorney prepared the same, it being agreed that the agents and attorneys of both parties have participated in the preparation thereof.

d. **Governing Law.** The Development Agreement shall be construed under the laws of the State of Minnesota.

e. **Severable Provisions.** If any word, phrase, clause or part of this Agreement is found unenforceable, the balance of the Agreement shall remain in full force and effect.

The Remainder of this page is left intentionally blank.

IN WITNESS WHEREOF, the City and Developer have caused this Agreement to be duly executed on the day and year first above written.

Subject: Electrical Maintenance Services- Request for Proposals

---

Background:
The City's contract with its current electrical service provider is expiring; to make sure the City is getting the best cost for services it is recommended to go out for proposals for electrical maintenance services. Staff has prepared a request for proposals (RFP) for this service that outlines needs and specifications.

Request:
- Staff is requesting City Council action on this item.

Attachment:
- RFP for Electrical Maintenance Services

CITY OF ISANTI

REQUEST FOR PROPOSALS

ELECTRICAL MAINTENANCE SERVICES

Proposals Due: May 5th, 2021

I. INTRODUCTION

This request has been prepared by the City of Isanti to retain electrical maintenance work from a qualified business.

The primary objective of requesting proposals is for the City to determine which proposer can offer the highest quality of service at the most reasonable cost.

II. INSTRUCTIONS FOR PROPOSERS

A. The City will accept electronic or written proposals. Responses must clearly address all of the items listed in this request for proposal. Parties choosing to submit a written proposal please submit to:

Jaden Strand
City Clerk
City of Isanti
110 1st Ave NW P.O. Box 428
Isanti, MN 55040

Electronic proposal submissions are to be attached to an email with the subject line "Electrical Maintenance Proposal" Questions or request for clarification may be directed to Jaden Strand, City Clerk by phone at (763) 762-5759 or via email at Jstrand@cityofisanti.us.

B. **All proposals must be received no later than 4:30 pm on Wednesday, May 5th, 2021**. Any vendors submitting proposals after the date and time listed above are not guaranteed consideration. Proposals submitted should be clearly labelled "Electrical Maintenance Proposal".

III. SCOPE OF WORK:

Specifications for Electrical Maintenance Service for Isanti Municipal Facilities is as follows:

1) The City is accepting proposals to perform electrical maintenance work on an "as-needed basis" for City building and facilities. The work may be indoor or outside. This work includes tasks ranging from maintenance of building lighting and electrical systems to small projects in City Parks to other electrical project needs for any/all City facilities. Work to be performed under direction of a state licensed Master Electrician. This proposer should list experience, examples of project work, list individual(s) to perform work, their qualifications and contractor references.

Acceptance of the proposal is for a "first call" basis, and if the contractor is not available or cannot respond in a timely manner, the City reserves the right to contact another vendor of their choosing. Specialty equipment in city utility and liquor store facilities is not covered under this contract.

IV. PROPOSAL EVALUATION AND CONTRACT AWARD

A. The City intends to award a contract to the proposer(s) evaluated to be best qualified to perform the work for the City, cost and other factors considered.

B. The City shall not be liable for any expenses incurred by the proposer including, but not limited to, expenses associated with the preparation of the proposal or final contract negotiations.

C. The City of Isanti reserves the right to reject any and all proposals or to request additional information from any or all proposers.

D. It is anticipated that the City will establish a contract with a selected business for a five (5) year term. A contract for this term will be prepared and entered into with the successful proposer.

E. The successful contractor must not have any delinquent accounts with the City of Isanti.

V. TERM OF CONTRACT AND INSURANCE:

The Contract Term shall be five (5) years; from June 1, 2021 to May 31, 2026. The approved contractor will need to provide to the City a Certificate of Insurance with General and Automobile Liability Insurance in the amount of $1,000,000 and Workers Compensation Insurance in the statutory amounts. The City of Isanti shall be listed on the Certificate as an additional insured.

Independent contractors carrying on a trade or business as sole proprietors must present Independent Contractor Exemption Certificate (ICEC) when submitting a quote for the above services.

CITY OF ISANTI REQUEST FOR PROPOSAL
ELECTRICAL MAINTENANCE SERVICES QUOTE WORKSHEET

All categories must be completed to be considered in the award of the quote per the attached specifications.

I (we) submit the following quote for electrical maintenance services for the City of Isanti.

	Cost for Service- Hourly Basis
Regular Rate (8 a.m. to 4:30 p.m.) Monday through Friday	$
After Hours	$
Weekends/ Holidays	$
Price Adjustment Over Term of Contract (If any)	$

You may attach any additional information to this worksheet to provide quotes for the Electrical Maintenance service.

To. **Mayor Johnson and Members of City Council**

From: Jaden Strand, City Clerk

Date: April 20, 2021

Subject: Resolution 2021-XXX Approving a Mutual Aid Agreement Between the City of Isanti and the City of Cambridge for the Sharing of Equipment and Personnel Resources

---

Background:
The Mutual Aid Agreement between the City of Isanti and the City of Cambridge has expired. The agreement would allow for the sharing of equipment, personnel and other resources between the two communities when there is a significant need such as an emergency. The Mutual Aid Agreement is a three-year agreement that shall expire on March 31, 2024.

Request:
- Staff is requesting City Council action on this item.

Attachment:
- Resolution 2021-XXX

RESOLUTION 2021-XXX

APPROVING A MUTUAL AID AGREEMENT BETWEEN THE CITY OF ISANTI AND THE CITY OF CAMBRIDGE FOR THE SHARING OF EQUIPMENT AND PERSONNEL RESOURCES

WHEREAS, an agreement has been developed pursuant to Minnesota Statutes 471.59 that authorizes the joint and cooperative exercise of powers common to contracting parties; and,

WHEREAS, the intent of the agreement is to make equipment, personnel and other resources available to a political subdivision from another political subdivision; said political subdivisions being the City of Isanti and the City of Cambridge;

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Isanti, Minnesota, as follows:

1. That the Mutual Aid Agreement Between the City of Isanti and the City of Cambridge attached as 'Exhibit A' is approved.

2. Mayor and City Administrator are hereby authorized to execute said document.

This resolution was duly adopted by the Isanti City Council this 20th day of April 2021.

Attest: Mayor Jeff Johnson

Jaden Strand
City Clerk

Exhibit A

City of Cambridge and City of Isanti, Minnesota
Mutual Aid Agreement

Purpose
This Agreement is made pursuant to Minnesota Statutes, Section 471.59 which authorizes the joint and cooperative exercise of powers common to contracting parties. The intent of this Agreement is to make equipment, personnel and other resources available to governmental units from other governmental units.

Definitions

"Party" means a governmental unit as defined by Minnesota Statues, Section 471.59, subd. 1.

"Parties" shall collectively mean more than one Party.

"Requesting Official" means the person designated by a Party who is responsible for requesting Assistance from other Parties.

"Requesting Party" means a Party that requests Assistance from other Parties.

"Responding Official" means the person designated by a Party who is responsible to determine whether and to what extent that Party should provide Assistance to a Requesting Party.

"Responding Party" means a Party that provides Assistance to a Requesting Party.

"Assistance" means (Check the type of assistance that will be provided):

- ✓Public works personnel and equipment:
- ✓Law enforcement personnel and equipment:
- ✓Utility personnel and equipment:
- ✓Other personnel and equipment as listed below:
  Building Inspectors, Administration, Finance, or Public Information Officer

Procedure

1. **Request for Assistance**. Whenever, in the opinion of a Requesting Official, there is a need for Assistance from other Parties, the Requesting Official may call upon the Responding Official of any other Party to furnish Assistance.

2. **Response to Request**. Upon the request for Assistance from a Requesting Party, the Responding Official may authorize and direct that Party's personnel to provide Assistance to the Requesting Party. This decision will be made after considering the needs of the Responding Party and the availability of resources.

3. **Recall of Assistance**. The Responding Official may at any time recall such Assistance when in his or her best judgment or by an order from the governing body of the Responding Party, it is considered to be in the best interests of the Responding Party to do so.

4. **Command of Scene.** The Requesting Party shall be in command of the mutual aid scene. The personnel and equipment of the Responding Party shall be under the direction and control of the Requesting Party until the Responding Official withdraws Assistance.

Workers' compensation
Each Party shall be responsible for injuries or death of its own personnel. Each Party will maintain workers' compensation insurance or self-insurance coverage, covering its own personnel while they are providing Assistance pursuant to this Agreement. Each Party waives the right to sue any other Party for any workers' compensation benefits paid to its own employees or volunteer or their dependents, even if the injuries were caused wholly or partially by the negligence of any other Party or its officers, employees, or volunteers.

Damage to equipment
Each Party shall be responsible for damages to or loss of its own equipment. Each Party waives the right to sue any other Party for any damages to or loss of its equipment, even if the damages or losses were caused wholly or partially by the negligence of any other Party or its officers, employees, or volunteers.

Liability
1. For the purposes of the Minnesota Municipal Tort Liability Act (Minn. Stat. Ch. 466), the employees and officers of the Responding Party are deemed to be employees (as defined in Minn. Stat. § 466.01, subd. 6) of the Requesting Party.

2. The Requesting Party agrees to defend and indemnify the Responding Party against any claims brought or actions filed against the Responding Party or any officer, employee, or volunteer of the Responding Party for injury to, death of, or damage to the property of any third person or persons, arising from the performance and provision of Assistance in responding to a request for Assistance by the Requesting Party pursuant to this Agreement.

3. For purposes of determining total liability for damages pursuant to Minn. Stat. § 471.59, subd. 1a(b), the Parties are considered a single governmental unit and the total liability of the Parties shall not exceed the limits on governmental liability for a single governmental unit as specified in Minn. Stat. § 466.04, subd. 1.

4. The intent of this subdivision is to impose on each Requesting Party a duty to defend and indemnify a Responding Party for claims arising within the Requesting Party's jurisdiction subject to the limits of liability under Minnesota Statutes, Chapter 466. The purpose of creating this duty to defend and indemnify is to simplify the defense of claims by eliminating conflicts among defendants, and to permit liability claims against multiple defendants from a single occurrence to be defended by a single attorney.

5. No party to this Agreement nor any officer of any Party shall be liable to any other Party or to any other person for failure of any Party to furnish Assistance to any other Party, or for recalling Assistance, both as described in this Agreement.

Charges to the Requesting Party
1. No charges will be levied by a Responding Party to this Agreement for Assistance rendered to a Requesting Party under the terms of this Agreement unless that Assistance continues for a period of more than 48 hours. If Assistance provided under this Agreement continues for more than 48 hours, the Responding Party will submit to the Requesting Party an itemized bill for the

actual cost of any Assistance provided after the initial 8-hour period, including salaries, overtime, materials and supplies and other necessary expenses. The Requesting Party will reimburse the Party providing the Assistance for that amount.

2. Such charges are not contingent upon the availability of federal or state government funds.

Duration
This Agreement will be in force for a period of three years from the date of execution. Any Party may withdraw from this Agreement upon thirty (30) days written notice to the other Party or Parties to the Agreement. (Expiration Date: March 31, 2024)

Execution
Each party hereto has read, agreed to and executed this Mutual Aid Agreement on the date indicated.

MEMORANDUM

Date: April 14, 2021

To: Honorable Mayor Johnson and Members of the City Council

From: Jason W Cook, P.E.
City Engineer

Subject: Project Status Report
Project No.: 0R1.123310, Isanti, MN

Please find listed below a status report of the current projects in the City of Isanti:

1) Liquor Store Site Design

8 bids were received on April 9, 2021 and the project was awarded at the April 13, 2021 Council Meeting. Contracts will begin being processed.

2) Main Street Reconstruction

We will hold the Improvement Hearing on April 20, 2021 and bring the plans to Council for authorization to bid the project.

3) Eagle Park Parking Lot Reconstruction

We have added this as an alternate to the Main Street Reconstruction bid package to be evaluated after bids are received.

4) Heritage Walk Improvements

We have added this as an alternate to the Main Street Reconstruction bid package to be evaluated after bids are received.

5) 2021 Pavement Management Project

We will bring the plans to the April 20, 2021 council meeting for authorization to bid the project.

6) 2021 Storm System Management Project

This project is out for quotes with a scheduled bid date of April 27, 2021.

7) 6th Avenue Rehabilitation

Punchlist items will be completed this spring. Sod will be maintained by the contractor through May 15, 2021.

8) Legacy Pines 2nd & 3rd Additions

Punchlist items will be addressed in the spring on 2nd Addition. Sidewalks and final pavement surfaces will be completed in the spring on 3rd Addition Phases 1 & 2. 3rd Addition Phase 3 is planned for construction this summer.

Bolton & Menk is an equal opportunity employer.

9) Fairway Greens North Development

A new development is proposed to extend to the NE along 7th Avenue from Cajima Street near the Arts & Science Academy. The first phase is planned for construction this summer.

10) MS4 Implementation

We assisted the City with completing the MS4 permit application and will continue to assist the City as requested to meet MS4 requirements.

Please contact me if you have any questions.

CERTIFICATE OF COMMENDATION

This Wastewater Treatment Facility Operational Award is presented to

Isanti WWTP

and its staff

in recognition of exceptional compliance with its Minnesota Pollution Control Agency NPDES/SDS wastewater permit during the 2020 review period.

Your dedication to protecting Minnesota's waters are duly recognized and appreciated by the state of Minnesota.

Laura Bishop, MPCA Commissioner

MINNESOTA POLLUTION CONTROL AGENCY

CITY OF ISANTI
PARKS, RECREATION, AND CULTURE BOARD MEETING MINUTES
March 23,2021

Call to Order: Aaron Zdon called the meeting to order at 6:00 p.m.

Roll Call: Members Present: James Witte, Aaron Zdon and Council Member Jimmy Gordon
Staff Present: Matt Sylvester: Public Services Director

Agenda/Modifications: Zdon asked that February Minutes be added to the agenda. Sylvester added it to the Agenda with motion by Witte; second by Gordon.

2. Oath of Office: Aaron Zdon, James Witte, Jimmy Gordon completed their Oath of Office.

2b. Meeting Minutes: Motion by Witte; second by Gordon to approve meeting Minutes from February 23, 2021. Motion passed 3-0.

3. Designation of Park Visit Assignments: Sylvester reminded board members that previously members of the board would select parks to visit and review, then provide recommendations for upkeep. Zdon chose Academy Park, Whisper Ridge and Legacy Park. Witte chose Rum River Meadows, River Bluff Preserve, Isanti Hills Neighborhood Park, and Mattson Park. Gordon chose Bluebird Park, Riverside Park, Unity Park, and VFW. Board agreed to complete their reviews prior to April board meeting.

4. Department Updates
Sylvester shared that the final Movie Night of the season would be held Friday, March 26. The Easter Egg hunt for March 27 was canceled as the VFW had other plans for this year and would like to revisit in 2022. March Curious Creatures was canceled due to no registrations, but Sylvester noted he asked Alyssa to promote April event to garner more interest. Boy Scouts have reached out to volunteer on Earth Clean-Up Day. Community Garden is almost full with only 9 slots left. 8 vendors are registered for the Farmer's Market, with 1 being a new vendor. Sylvester discussed our strategy of accepting a variety of vendors. Sylvester asked if anybody had anything they would like Alyssa to look into ahead of the next board meeting and to email if they have ideas. Witte asked when the fishing bridge will go back in; Sylvester said as soon as the water goes back down. Sylvester also explained that the dock is left down by the river instead of storing at the shop to reduce damage and potential for injury in moving up and down the hill.

Adjournment: Motion by Witte, second by Gordon to adjourn the March 23, 2021 meeting of the Parks, Recreation, and Culture Board. Motion passed 3-0, meeting adjourned at 6:13 p.m.

Respectfully Submitted
Alyssa Olson
Parks, Recreation & Events Coordinator

MINUTES
CITY OF ISANTI
SPECIAL MEETING CITY COUNCIL
TUESDAY, APRIL 13, 2021 - 5:00 PM
CITY HALL

Mayor Johnson called the meeting to order at 5:00 p.m.

The Pledge of Allegiance was recited.

Members Present: Mayor Jeff Johnson, Councilors: Jimmy Gordon (via Zoom), Paul Bergley (arrived via Zoom at 5:05 p.m.), Steve Lundeen and Dan Collison

Members Absent: None

Staff Present: City Administrator Josi Wood, City Clerk Jaden Strand, Community Development Director Sheila Sellman, City Engineer Jason Cook, Finance Director Mike Betker and Police Lieutenant John McCarty

Others Present: Mike Angland (Widseth), Corey Gerad (Alliance Building Corporation) and Bob Landsberger via Zoom (Alliance Building Corporation)

D. Public Comment
None

E. Adopt Agenda
F.2. Revision Resolution 2021-073 Accept Quotations for Liquor Store Refrigeration Systems

Motion by Lundeen, second by Collison to adopt the agenda with the revision listed above.

F. Business Items

1. Resolution 2021-072 Awarding the Bid for the Isanti Municipal Liquor Store

City Administrator Josi Wood shared that requests went out for bids for the municipal liquor store. There were many bidders and all below the architect and engineers estimate. Included in the packet is the bid abstract from the bids that came in. The lowest bid was Alliance Building Corporation. The base lump sum bid is for $1,918,900.00. All the bids have been

reviewed by staff and Mike Angland from Widseth with recommendation that Alliance is the responsible low bidder and the City should choose Alliance to build the liquor store.

Councilmember Lundeen stated that the cost of $1,918,900.00 includes the metal roof and snow melt in the price which is well below what was anticipated to start with.

Alliance Building Corporation's President Corey Gerad's and Project Manager Bob Landsberger introduced themselves.

Councilmember Collison asked if the tubing for the snow melt could be installed and could later be hooked up and utilized.

Wood stated that installing the tubing and not hooking it up now is possible but a change order would need to be done immediately to not have alternate two.

A motion was made by Lundeen to accept the bid without alternate one and alternate two.

Wood asked if Angland could share the cost of the change order for the snow melt tubing to be installed and hooked up at a later date.

Angland shared that roughing in the tubing and insulation for the snow melt would be approximately $30,000.00. Angland further shared that he has worked at a lot of Fleet Farms that have installed snow melt in front of the store to provide safety for customers and staff and his recommendation is that it is such a great thing to have.

Wood asked Gerad's if Alliance Building Corporation had an approximate estimate if just the tubing was installed

Gerad's responded that they do not have an estimate yet, but they were thinking in the range of $30,000.00 to $40,000.00 for only foam and tubing installed.

Gordon asked the advantage of a metal roof and does it cost more.

Lundeen stated benefits to the metal roof.

Wood responded that it costs more to have the metal roof. Asphalt shingles would subtract $100,300.00 from the lump sum bid. The advantage of the metal roof is that it is going to last

approximately 80 years and asphalt shingles would last approximately 25 years as a scheduled replacement timeline according to the Capital Improvement Plan.

A motion was made by Gordon to accept Alliance Building Corporation without the snowmelt. There was no second.

The initial motion made by Lundeen to accept bid from Alliance Building Corporation without alternate one and two was seconded by Collison. Motion passed 4-1 with Gordon voting nay.

2. Resolution 2021-073 Accept Quotations for Liquor Store Refrigeration Systems
City Administrator Josi Wood shared that this is for refrigeration system as a whole. The quote with the short handles is approximately $10,000.00 less from SCR in the amount of $143,871.00 which is the low bidder between the two bids received.

Councilmember Gordon asked if the plan is to use some of the refrigeration from the existing refrigeration at the current liquor store and is it incorporated into this bid or is this for brand new system.

Mike Angland (Widseth) responded that the bidders came onsite to review the condition of the existing refrigeration system and panels. After review, it was determined that it would be more expensive to use some of the existing refrigeration system. Angland continued to share that there would be down time where the system would need to be taken apart and moved to the new store.

Motion by Lundeen to accept quote from SCR, seconded by Collison. Motion passed 5-0. Motion carried.

3. Discussion Regarding Sale of the Northern Portion of Liquor Store Site
City Administrator shared that because of the setbacks and easements on the North and the West side and a storm pond, there is availability of a building that could be approximately 1100 square feet. The building could be potentially more if the storm pond was relocated.

Councilmember Collison asked the approximate cost of a shovel ready site at that size.

Wood responded that this site is not considered shovel ready.

Community Development Director Sheila Sellman shared to make the site shovel ready it would cost approximately $17,000.00 to $20,000.00. The sale price would be determined at fair market value.

Wood stated that this is the first discussion on this so an appraisal has not been done.

Councilmember Lundeen asked if the storm pond can be relocated.

City Engineer Jason Cook shared that the storm pond could be dug further East and then filled in where the existing areas is to be built on. Moving the storm pond would require some easements to be revised and the cost would be approximately in the $15,000.00 range. This would include running a new storm pipe and move the existing pond. Cook further

shared it would be approximately in the $3,000.00 range for an administrative subdivision to cut that parcel off.

Sellman shared that a minor subdivision would be done because of the easements that are out there, an administrative subdivision cannot be done so the cost would be more in the $10,000.00 range.

Collison stated that the site should be appraised before determining a sale price.

Gordon stated he agreed that it may be a good location for a business such as a pizza place and that the site should be appraised first because it may be worth more than anticipated.

Finance Director Mike Betker stated that an appraisal would need to be done in order to comply with state statute and auditor's office.

Motion by Lundeen to have the site appraised, seconded by Collison. Motion passed 5-0. Motion carried.

4. Discussion Regarding Relocating Police Department
Mayor Johnson shared that moving the Police Department to the old Hobby Farms building between Ever Cat Fuels and NHH may be a better fit for the Police Department instead of moving them into the current liquor store when the new one is built. The current liquor store is in a great location where a sit-down restaurant could potentially be located. Johnson further shared that minimal renovation would need to be done to the building as it has seven bays on each side, upstairs and downstairs office space and is a fairly new building.

A motion was made by Lundeen for staff to determine if the building would be available for purchase, seconded by Bergley. Motion passed 5-0. Motion carried.

G. Adjournment
A motion was made by Lundeen, seconded by Collison to adjourn. Motion passed 5-0. Motion carried.

Meeting adjourned at 5:57 p.m.
Respectfully Submitted,

Jaden Strand

Jaden Strand
City Clerk

CITY OF ISANTI
CITY COUNCIL MEETING
TUESDAY, APRIL 20, 2021 – 7:00 P.M.
CITY HALL

Mayor Johnson called the meeting to order at 7:00 p.m.

The Pledge of Allegiance was recited.

Members Present: Mayor Jeff Johnson, Councilors: Jimmy Gordon (via Zoom), Paul Bergley, Steve Lundeen and Dan Collison

Members Absent: None

Staff Present: City Administrator Josi Wood, City Clerk Jaden Strand, City Engineer Jason Cook, Finance Director Mike Betker and Chief of Police Travis Muyres

Others Present: Justin Nilson-Abdo Eick and Meyers (via Zoom), Melissa Asmussen

D. Public Comment
Melissa Asmussen, 405 Moline Loop NW, shared her concerns regarding Paradise Homes that built her house and advised others from using the builder if they can.

E. Adopt Agenda
ADDENDUM
ADD L.9 Resolution 2021-085 Authorizing Execution of Subordination Agreement

Motion by Lundeen, second by Collison to adopt the agenda with the modification listed above. Motion passed 5-0. Motion carried.

F. Proclamations/Commendations/Certificate Award
1. VFW "Buddy" Poppy
Mayor Johnson read the proclamation and encouraged all citizens to wear a Buddy Poppy as mute evidence of gratitude to the men and women of this country who have risked their lives in defense of the freedoms which we continue to enjoy as American citizens.

G. Approve City Council Minutes
1. April 6, 2021- Regular Meeting of the City Council
2. February 2, 2021 EDA Meeting Minutes
Motion by Lundeen, second by Bergley to approve minutes as presented. Motion passed 5-0. Motion carried.

H. Announcements

1.	Park, Recreation, & Culture Board Meeting	Tuesday, April 27, 2021 at 6:00 p.m.
2.	City Council Meeting	Tuesday, May 4, 2021 at 7:00 p.m.
3.	Economic Development Authority Meeting	Tuesday, May 4, 2021

I. Council Committee Reports

Councilmember Gordon stated that it was shared at the Community Education meeting that some activities are back up and running. Gordon further shared that they are hoping to get their classes sizes back up to normal capacity and full again.

J. Public Hearings

1. Main Street Reconstruction Project

City Engineer Jason Cook shared a presentation regarding the Main Street Reconstruction project. Cook further shared that an informational open house was held on March 25th, 2021. Eight individuals representing six properties attended in person and approximately five individuals attended online via Zoom. The majority of the attendees agreed the roadway was in need of repair. Most questions were regarding individual assessment amounts, interest rates and the number of years to pay the assessment. Cook continued on to share that the total project cost is $674,000.00 and next step in the Main Street 429 assessment process is to hold a public hearing on the improvement.

Mayor Johnson opened the public hearing at 7:27 p.m.

Melissa Bettendorf from North 65 Chamber shared concerns as the parade is scheduled for July 8th.

Mayor Johnson stated that there will be no interruption to the parade.

Cook shared that the road will be reclaimed so it will be gravel but no interruption.

Councilmember Bergley shared that he did not think a gravel road for a parade was ideal.

Discussion was held regarding a July 12th start date for construction to avoid any potential conflicts with the parade.

Mayor Johnson closed the public hearing at 7:35 p.m.

a. Resolution 2021-074 Authorizing Improvement on the Main Street Reconstruction Project

Motion by Lundeen, second by Collison to approve resolution with a construction start date of July 12th. Motion passed 5-0. Motion carried.

b. Resolution 2021-075 Approving Plans and Ordering Advertisement for Bids for the Main Street Reconstruction Project

Motion by Lundeen, second by Bergley to approve resolution as presented. Motion passed 5-0. Motion carried.

K. Business Items

1. Resolution 2021-076 Accepting the 2020 Annual Financial Report and Management Letter (Abdo, Eick and Meyers- *Justin Nilson*)

Justin Nilson from Abdo, Eick and Meyers shared a video presentation via Zoom regarding the 2020 Financial Audit as well as financial highlights for 2020. Nilson shared that there were no findings of any instances for noncompliance with testing. Nilson continued to

share there was one finding during the internal control finding that is consistent with previous years and also consistent with smaller cities, for having not prepared the year end financials.

Nilson shared that overall, the General Fund budgeted a decrease in fund balance of about $50,000.00. However, the General Fund Balance increased by about $250,000.00. Overall, it was a pretty good year. The main reason was a positive budget from variance in revenues from the Cares Act funding, grants and underspending. Nilson stated that there was nothing that really stood out in the expenditures which demonstrates good consistency in the General Fund.

Nilson continued to share that with the Special Revenue Fund Balances, it was a pretty good year for the park fund where there were some dedication fees received and not a lot of expenditures resulting in a good increase in the reserve level. Also, another positive thing was closing a couple small funds in 2020.

Nilson went on to share that in the City's Capital Project funds, the decrease is related to some of the street construction projects and the advance on MSA funding. The expenditures that did happen in 2020, expected revenues to be collected in future years for those MSA allotments.

Nilson further shared that one of the bonds from the Debt Service Funds drops off in 2020 which frees up some additional levies.

Nilson continued with the Enterprise Funds, which are made up of the water, sewer, storm water, and liquor funds. Nilson went on to share that both the water and sewer funds have healthy cash balances and good operating margins. Nilson continued to share that the storm water fund has a steady cash flow balance and is also on a steady increase. The liquor store fund for 2020 was a very good year with an operating income percentage is very strong at 13.3%. Even with the transfers out, the change in fund balance was positive at approximately $180,000.00.

Nilson went on to share that there was a decrease in the City's tax rate which is also getting more in line with cities that have a population of under 10,000 people. Also, taxes per capita presented a decrease and more aligned with cities in the County and other cities with less than 10,000 people. Current expenditures per capita show a little bit bigger year with the street projects and other things but the City is in line as well. Nilson further shared that Debt expenditures per capita are on a downward shift which is a positive outlook for the City.

Motion by Lundeen, second by Collison to approve resolution as presented. Motion passed 5-0. Motion carried.

City Administrator Josi Wood

2. **Resolution 2021-077** Approving a Special Event Permit Request for Walk for Life

City Administrator Josi Wood shared that the Pregnancy Resource Center of Cambridge has submitted a special event permit application to host a one-day walk to raise money for non-profit community services. The event, including setup and tear down, will take place Saturday, May 15, 2021 from 8:00 a.m. to 1:00 p.m. at Bluebird park. No road closures or parking restrictions are being requested and the path will follow the walking paths within

the park. The event is free to attend and any donations collected will support the non-profit Pregnancy Resource Center. Staff has reviewed and requested approval.

Motion by Collison, second by Lundeen to approve resolution as presented. Motion passed 5-0. Motion carried.

City Engineer Jason Cook

3. **Resolution 2021-078** Accepting Plans and Specifications and Authorizing Advertisement for Bid for the 2021 Pavement Management Project
   City Engineer Jason Cook shared that this is to accept plans and to authorize for bids on the 2021 Pavement Management Project. The schedule is as follows: bid opening June 1st, commence construction in June and expected construction completion is August 31st.

   Motion by Lundeen, second by Bergley to approve resolution as presented. Motion passed 5-0. Motion carried.

L. Approve Consent Agenda

1. Payroll in the Amount of $114,147.05 Accounts Payable in the Amount of $228,052.63
2. **Resolution 2021-079** Approval of New Hire Seasonal Eric Jones
3. **Resolution 2021-080** Accepting Resignation from PT Police Officer Eric Baumgart
4. **Resolution 2021-081** Accepting Quote for Cleaning Services and Authorizing Entering into a Contract for Cleaning Services
5. **Resolution 2021-082** Approving a Minor Development Agreement with Coffee Holdings LLC
6. **Resolution 2021-083** Setting Work Sessions for 2022 Budget
7. Approving Request for Proposal for Electrical Maintenance Services
8. **Resolution 2021-084** Approving a Mutual Aid Agreement Between the City of Isanti and the City of Cambridge for the Sharing of Equipment and Personnel Resources
9. **Resolution 2021-085** Authorizing Execution of Subordination Agreement
   Mayor Johnson asked the Chief of Police to thank Mr. Baumgart for his service.

   Johnson asked what the Mutual Aid is for the City of Isanti and the City of Cambridge.

   City Administrator Josi Wood responded that the City of Isanti has mutual aid agreements with Cambridge, Braham, Princeton, North Branch, East Bethel and Isanti County where if there was a state of emergency such as a tornado, the City would call upon its neighboring cities to help. It also allows to share equipment and personnel resources.

   Motion by Lundeen to approve consent agenda with L.9 added, second by Collison. Motion passed 5-0. Motion carried.

MINUTES
CITY OF ISANTI
CITY COUNCIL COMMITTEE OF THE WHOLE MEETING
TUESDAY, APRIL 20, 2021 – 5:00 P.M.
CITY HALL

Mayor Pro-Tem Steve Lundeen called the meeting to order at 5:03 p.m.

The Pledge of Allegiance was recited.

Members Present: Mayor Jeff Johnson (arrived at 5:08 p.m.), Councilors: Jimmy Gordon (via Zoom), Paul Bergley, Steve Lundeen and Dan Collison

D. Public Comment
None

E. Committee Meeting Items

1. Arts and Science Academy Conduit Request *(Clyde Boyer and Kevin Fitton)*

- On March 29th a formal request was made by the Arts & Science Academy (ASA) seeking affirmation of the City's intent to issue conduit debit ($5.6 million) to allow the ASA to buy out the leases on the two buildings they currently occupy realizing savings between the current lease payments and the projected debt service payment. The obligation would be assigned to First Bank & Trust at closing. At that point the City would have no role or obligation associated with the debt issue.
- The ASA has signed the escrow agreement but has not paid the minimum amount due. If there is a consensus by the Committee the request would move to the next Council meeting for consideration. Prior to Council consideration and per City policy, a minimum of $3,000.00 would need to be paid into escrow before proceeding.
- Staff recommends approval of the request and support for the ASA's request to use Kennedy & Graven as Bond Counsel on the condition that the City's Bond Counsel (Taft Stettinius & Hollister LLP) review the final documents prior to closing.
- Consensus from Committee of the Whole is to move forward and bring to City Council for consideration.

2. City Council Agenda Request *(Brandon Heaton)*

- Brandon Heaton has submitted an agenda request to discuss wind turbines in residential areas.
- Heaton was not present.
- The request is to specifically change Subdivision 21 of Section 13 to include low voltage turbines in residential areas.
- According to Heaton's request the motor is smaller than a football and this would be mounted to his roof.
- Current City Code does not permit Wind Energy Conversion Systems in residential areas.

- Consensus from Committee of the Whole is for staff to do more research and to review a video of a working turbine and bring back to Committee of the Whole for further discussion.

3. Bee Farming Discussion
- There is an interest in beekeeping by several members of the community and the City of Isanti currently does not regulate the activity of beekeeping. Adopting an Ordinance allowing for bees to be kept in certain residential districts will provide regulations that will let residents safely handle bees in an urban environment.
- Currently City Code lists regulations for chickens, racing pigeons, dogs and exotic animals. The city is considering the addition of bees to the list of regulated animals to make requirements for zoning districts allowed, hive location, apiary setbacks, flyway barriers, number of colonies and the size of the apiary.
- City staff has researched several cities directly surrounding Isanti as well as other suburban areas to determine what regulations are needed to safely keep bees in the community.
- Consensus from Committee is that the Ordinance shall include language that states regulation of honey bees specifically, City is not liable for hives when the City sprays for mosquitos and registration is required with adjacent neighbors signed consent.
- Consensus from Committee is to move forward and post Ordinance for the required 10 days and bring to City Council for consideration.

4. Richard Avenue Addressing
- The City has received a complaint from a resident about their address on Richard Ave SE. This resident went to renew their driver's license because the "system" had Richard Lane and Avenue did not exist. The Isanti Post Office also has these addresses as Richard Lane. The County, City, 911 dispatch and Google maps has this street as Richard Ave SE. The street sign also says Richard Avenue SE. The post office does not have documentation as to why they have Richard Lane in their system.
- Staff looked through old maps, resolutions and notices. In 2006, there was a street improvement for this area and the resolution for this improvement referenced Richard Avenue. In 2007, a notice of hearing on proposed assessments references Richard Avenue. In 2018, a resolution was approved for the extension of Richard Avenue SE from Broadway Street SE to Main Street E. Staff has not been able to find documentation of Richard Lane as the street name.
- Since the 2 main entities have this road as Richard Ave SE, staff suggests informing the post office that it is in fact Richard Ave SE and have them change it in their system. There may be issues with doing this as some residents have changed their street to Lane and some have not. There are 11 properties on Richard. These property owners will need to be notified if there is a change. A letter regarding the change and work with the post office to make sure it gets delivered to everyone.
- Consensus from Committee is to send a letter to residents and the post office notifying them that the street is Richard Ave SE.

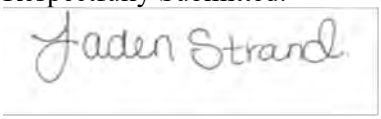
5. Vaccination Policy Discussion

- Other cities have implemented policies for their employees to obtain Covid 19 vaccinations if they desired and they do not have to use their leave banks to do so.
- Allina has reached out if the City would like them to come here to offer vaccinations to employees.
- Vaccinations would be voluntary.
- Consensus from Committee is to not implement a policy, ask Allina if they could come to the City to administer the vaccine if there is a cost to do so.

6. Bluebird Park Amphitheater Discussion

- In January 2020 the Council approved updated plans to continue moving forward with the Amphitheater/ Performance Center project in Bluebird Park. The estimated budget allocated for this project is $248,230.00.
- Staff recently received updated pricing on the preferred design by Cedar Forest Products labeled Band Shell #3 Kit. The unit would cost $139,430.00 to purchase with shipping. This cost does not include groundwork or construction. The estimate on Site Work and Structure Fabrication by Minnesota/ Wisconsin Playground is $106,632.00. Electrical Service, Inspection, Walk and Testing estimated costs are $20,500.00.
- Staff would also recommend updates to the pre-fabricated structure plans: install a window in one of the dressing rooms to utilize the space for a rentable meeting room at an estimated cost of $5,000.00 and install a centralized air unit to provide air conditioning and heat at an estimated cost of $1,500.00. The total estimated cost to build the Performance Center is $273,062.00.
- The proposed site plan was developed to include the Performance Center, Restrooms and the future Splash Pad for foresight into how all facilities will work together within the Bluebird Park footprint. Staff recommends the design of each of these facilities be considered to create a cohesive look in the park and would like to recommend installing a maroon-colored roof, painting the pavilion roof to match and ensuring all future facilities match as well.
- Lighting will also need to be installed at the Performance Center and at the Sledding Hill and would cost approximately $15,000.00. This would be by installing two lights: one on each side of the sledding hill to match the lighting already in place at Bluebird Park. The recommendation from Council in February 2021 was to wait to install lighting at the Sledding Hill until the Amphitheater was completed and both could be installed together.
- Majority recommendation from Committee is to move forward with recommended positioning of the amphitheater, with installing lighting, with maroon-colored roof, not include the window and wait to install a restroom facility.

7. Building Inspection Discussion



- The volume of permits is challenging and unrealistic for one person. The Building Official is in charge of plan review, issuing permits, inspections, re-inspections and scheduling inspections. When this position was contracted there was an entire admin staff just for scheduling inspections, there were 2-3 people doing plan review and a couple inspectors dedicated to Isanti.

- Staff recommended hiring a Part-Time Permit Technician to work 29 hours per week to assist in the heavy workflow.
- Consensus from Committee is to move forward and hire a Part-Time Permit Technician.

F. Adjournment

Meeting was adjourned at 6:37 p.m.

Respectfully Submitted.

Request for City Council Action

To: Mayor Johnson and Members of City Council
From: Ryan Saltis, Community Development Specialist
Date: May 4, 2021
Subject: Ordinance-XXX Amending City Code Chapter 87; Keeping of Certain Animals

---

Background:
At the April Committee of the Whole (COW) the Council reviewed a draft ordinance for beekeeping. The Committee directed staff to bring an ordinance amendment to the next council meeting. The attached ordinance reflects the changes suggested at COW.

Request: Consider adopting the Ordinance Amendment

Attachments
- Ordinance-XXX

ORDINANCE XXX

AN ORDINANCE AMENDING ORDINANCE NO. 70, ADOPTED APRIL 15, 1975 AND ORDINANCE NO. 506 ADOPTED APRIL 19, 2011 AND TITLED KEEPING OF CERTAIN ANIMALS

THE CITY COUNCIL OF ISANTI DOES ORDAIN:

Section 1 – Amendment. Ordinance 70 and 506, titled Keeping of Certain Animals, codified in Chapter 87 of the City Code, are hereby amended as follows:

§ 87-1.3 **Honeybees.**
The keeping of honeybees is permitted on residential properties within R1A, R-1, R-2, R-3A, and R-3B Zoning Districts, subject to the following requirements:

A. Apiaries shall:

(1) Be at least 20 feet from a side or rear property line.
(2) Be at least 30 feet from any residential dwelling on an adjacent property, public right-of-way or trail easement.
(3) Not be located in a front yard, drainage and utility easement, shoreland protection area or in a wetland setback area.

B. Beehives shall:

(1) Have removable frames with a frame depth not exceeding 9-5/8 inches.
(2) Not consist of more than a 10-frame structure.
(3) Not exceed six feet in height.
(4) Be removed within 30 days once colonies are gone.
(5) Have a water source within 10 feet of the beehive.

C. The maximum number of colonies on properties are as follows:

½ acre or less	2
½ acre to ¾ acre	4
¾ acre to 1 acre	6
1 acre or larger	8

D. Sale of Honey commercially is prohibited in residential districts.

E. Beekeeping equipment shall be maintained in good condition. Unused beekeeping equipment must be protected to prevent occupancy by swarming honeybees.

F. The City reserves the right to spray or otherwise treat for mosquitos and other potential insect disease vectors and is not liable for adverse effects on the health of honeybees that may result from such spray treatment.

G. Registration forms for Beekeeping must be completed through the City of Isanti Police Department.

Section 2 – Effective Date.

EFFECTIVE DATE:

This ordinance shall take effect upon its adoption and publication in the official city newspaper.

Adopted by the City Council this ___ day of ____, 2021.

RE: Award Recommendation – 2021 Storm System Maintenance
City of Isanti, Minnesota
BMI Project No. 0R1.123134

Honorable Mayor Johnson and Members of the City Council:

Four contractors were contacted to request a bid for the 2021 Storm System Maintenance project. Two contractors submitted a bid by the deadline of April 27, 2021. The bids were checked and tabulated and the final results are summarized as follows:

Bidder	Bid
Dirtworks Company	$112,544.95
Penn Contracting	$167,525.00
Engineer's Estimate	*$113,000.00*

Dirtworks Company's bid is within the anticipated budget. We recommend award of this project to Dirtworks Company. in the amount of $112,544.95.

If you have any questions, please contact me.

Sincerely,

BOLTON & MENK, INC.

Jason W Cook, P.E.
City Engineer

RESOLUTION 2021-XXX

AWARDING THE BID FOR THE 2021 STORM SYSTEM MAINTENANCE PROJECT

WHEREAS, the City has planned for the 2021 Storm System Maintenance project; and,

WHEREAS, the plans and specifications have been completed for these improvements; and,

WHEREAS, four Contractors were contacted requesting bids; and,

WHEREAS, a private bid opening was held on April 27, 2021; and,

WHEREAS, two bids were received; and,

WHEREAS, Dirtworks Company was the responsible low bidder with a bid of $112,544.95; and,

WHEREAS, this bid price is within the anticipated budget;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, as follows:

1) That the City shall award the project entitled "2021 Storm System Maintenance" to Dirtworks Company in the amount of $112,544.95.

2) Funding for the project shall come from the Storm Water Utility fund.

This resolution was duly approved by the Isanti City Council this 4th day of May 2021.

Request for City Council Action- MEMO

To.	**Mayor Johnson and Members of City Council**
From:	Jaden Strand, City Clerk
Date:	May 4, 2021
Subject:	Resolution 2021-XXX Approving a Mutual Aid Agreement Between the City of Isanti and Isanti County for the Sharing of Equipment and Personnel Resources

---

Background:
The Mutual Aid Agreement between the City of Isanti and Isanti County is set to expire on June 30th, 2021. The agreement would allow for the sharing of equipment, personnel and other resources between the two communities when there is a significant need such as an emergency. The Mutual Aid Agreement is a five-year agreement that shall expire on June 30th, 2026.

Request:
- Staff is requesting City Council action on this item.

Attachment:
- Resolution 2021-XXX

RESOLUTION 2021-XXX

APPROVING A MUTUAL AID AGREEMENT BETWEEN THE CITY OF ISANTI AND ISANTI COUNTY FOR THE SHARING OF EQUIPMENT AND PERSONNEL RESOURCES

WHEREAS, an agreement has been developed pursuant to Minnesota Statutes 471.59 that authorizes the joint and cooperative exercise of powers common to contracting parties; and,

WHEREAS, the intent of the agreement is to make equipment, personnel and other resources available to a political subdivision from another political subdivision; said political subdivisions being the City of Isanti and Isanti County;

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Isanti, Minnesota, as follows:

1. That the Mutual Aid Agreement Between the City of Isanti and Isanti County attached as 'Exhibit A' is approved.

2. Mayor and City Administrator are hereby authorized to execute said document.

This resolution was duly adopted by the Isanti City Council this 4th day of May 2021.

Attest: Mayor Jeff Johnson

Jaden Strand
City Clerk

Exhibit A

Isanti County and City of Isanti, Minnesota
Mutual Aid Agreement

Purpose
This Agreement is made pursuant to Minnesota Statutes, Section 471.59 which authorizes the joint and cooperative exercise of powers common to contracting parties. The intent of this Agreement is to make equipment, personnel and other resources available to governmental units from other governmental units.

Definitions

"Party" means a governmental unit as defined by Minnesota Statues, Section 471.59, subd. 1.

"Parties" shall collectively mean more than one Party.

"Requesting Official" means the person designated by a Party who is responsible for requesting Assistance from other Parties.

"Requesting Party" means a Party that requests Assistance from other Parties.

"Responding Official" means the person designated by a Party who is responsible to determine whether and to what extent that Party should provide Assistance to a Requesting Party.

"Responding Party" means a Party that provides Assistance to a Requesting Party.

"Assistance" means (Check the type of assistance that will be provided):

- ✓Public works personnel and equipment:
- ✓Law enforcement personnel and equipment:
- ✓Utility personnel and equipment:
- ✓Other personnel and equipment as may be needed to effectively respond to a natural disaster or other emergency.

Procedure

1. **Request for Assistance**. Whenever, in the opinion of a Requesting Official, there is a need for Assistance from other Parties, the Requesting Official may call upon the Responding Official of any other Party to furnish Assistance.

2. **Response to Request**. Upon the request for Assistance from a Requesting Party, the Responding Official may authorize and direct that Party's personnel to provide Assistance to the Requesting Party. This decision will be made after considering the needs of the Responding Party and the availability of resources.

3. **Recall of Assistance**. The Responding Official may at any time recall such Assistance when in his or her best judgment or by an order from the governing body of the Responding Party, it is considered to be in the best interests of the Responding Party to do so.

4. **Command of Scene.** The Requesting Party shall be in command of the mutual aid scene. The personnel and equipment of the Responding Party shall be under the direction and control of the Requesting Party until the Responding Official withdraws Assistance.

Workers' compensation

Each Party shall be responsible for injuries or death of its own personnel. Each Party will maintain workers' compensation insurance or self-insurance coverage, covering its own personnel while they are providing Assistance pursuant to this Agreement. Each Party waives the right to sue any other Party for any workers' compensation benefits paid to its own employees or volunteer or their dependents, even if the injuries were caused wholly or partially by the negligence of any other Party or its officers, employees, or volunteers.

Damage to equipment

Each Party shall be responsible for damages to or loss of its own equipment. Each Party waives the right to sue any other Party for any damages to or loss of its equipment, even if the damages or losses were caused wholly or partially by the negligence of any other Party or its officers, employees, or volunteers.

Liability

1. For the purposes of the Minnesota Municipal Tort Liability Act (Minn. Stat. Ch. 466), the employees and officers of the Responding Party are deemed to be employees (as defined in Minn. Stat. § 466.01, subd. 6) of the Requesting Party.

2. The Requesting Party agrees to defend and indemnify the Responding Party against any claims brought or actions filed against the Responding Party or any officer, employee, or volunteer of the Responding Party for injury to, death of, or damage to the property of any third person or persons, arising from the performance and provision of Assistance in responding to a request for Assistance by the Requesting Party pursuant to this Agreement.

3. For purposes of determining total liability for damages pursuant to Minn. Stat. § 471.59, subd. 1a(b), the Parties are considered a single governmental unit and the total liability of the Parties shall not exceed the limits on governmental liability for a single governmental unit as specified in Minn. Stat. § 466.04, subd. 1.

4. The intent of this subdivision is to impose on each Requesting Party a duty to defend and indemnify a Responding Party for claims arising within the Requesting Party's jurisdiction subject to the limits of liability under Minnesota Statutes, Chapter 466. The purpose of creating this duty to defend and indemnify is to simplify the defense of claims by eliminating conflicts among defendants, and to permit liability claims against multiple defendants from a single occurrence to be defended by a single attorney.

5. No party to this Agreement nor any officer of any Party shall be liable to any other Party or to any other person for failure of any Party to furnish Assistance to any other Party, or for recalling Assistance, both as described in this Agreement.

Charges to the Requesting Party

1. No charges will be levied by a Responding Party to this Agreement for Assistance rendered to a Requesting Party under the terms of this Agreement unless that Assistance continues for a period of more than 48 hours. If Assistance provided under this Agreement continues for more than 48 hours, the Responding Party will submit to the Requesting Party an itemized bill for the actual cost of any Assistance provided after the initial 8-hour period, including salaries, overtime, materials and supplies and other necessary expenses. The Requesting Party will reimburse the Party providing the Assistance for that amount.

2. Such charges are not contingent upon the availability of federal or state government funds.

Duration

This Agreement will be in force for a period of five years from the date of execution. Any Party may withdraw from this Agreement upon thirty (30) days written notice to the other Party or Parties to the Agreement. (Expiration Date: June 30, 2026)

Execution

Each party hereto has read, agreed to and executed this Mutual Aid Agreement on the date indicated.

RESOLUTION 2021-XXX

APPROVING TEMPORARY 3.2 ON-SALE MALT LIQUOR LICENSE FOR THE ISANTI LIONS CLUB FOR THE 2021 ISANTI STREET DANCES

WHEREAS, the City has received Temporary 3.2 On-Sale Malt Liquor License applications from the Isanti Lions Club for the 2021 Isanti Street Dances (dates listed below) which will be held on Main Street, adjacent to the intersection of Main Street and First Avenue; and,

WHEREAS, the applicant has paid the required application fees for Temporary 3.2 On-Sale Malt Liquor Licenses as set forth in the Fee Schedule; and,

WHEREAS, the Isanti Lions Club has provided a Certificate of Liquor Liability Insurance for this event; and,

WHEREAS, the Police Department has reviewed the application and made a recommendation for approval;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota as follows that the Isanti Lions Club application for a Temporary 3.2 On-Sale Malt Liquor Licenses for the Isanti Street Dances scheduled for June 19, 2021, July 17, 2021, August 7, 2021 and September 11, 2021 are approved.

This Resolution is hereby approved by the Isanti City Council this 4th day of May 2021.

Request for City Council Action

To: Mayor Johnson and Members of City Council
From: Sheila Sellman, Community Development Director
Date: May 4, 2021
Subject: Approval of Rights of First Refusal Agreement with UPS for City Owned Land PID 16.029.1400

Background:
In February UPS canceled their purchase agreement with the City and proposed entering into a Rights of First Refusal Agreement. The agreement will be for a five-year term. During the five-year period the City will not sell the land without first offering UPS the same terms and conditions as a bona fide third-party offer.

Request:
Consider approving the Rights of First Refusal Agreement for City owned land PID 16.029.1400

- Agreement

Agreement

This agreement (“Agreement”) is made and entered into as of the ____ day of _____, 2021, (the “Effective Date”) by the City of Isanti, a municipal corporation of the State of Minnesota (“City”), with an address at 110 1st Avenue NW, Isanti, Minnesota 55040, Attn: Ms. Sheila Sellman, emails: ssellman@cityofisanti.us and jjl@ratwiklaw.com (“Seller”), and BT Property, LLC, a Delaware limited liability company, having a business address at 55 Glenlake Parkway, NE, Atlanta, GA 30328, Attn: Real Estate Dept./Contract Administrator, emails: bharder@ups.com and rrubin@ups.com (“Buyer”).

Recitals:

WHEREAS, Seller, Buyer and the City of Isanti Economic Development Authority were previously parties to that certain Agreement for Purchase and Sale dated November 18, 2020 (the “Purchase Agreement”) concerning that certain land consisting of the EDA Parcel and the City Parcel, as described therein, for a total of 4.14+/- acres of land located near 500 East Dual Boulevard NE, in the City of Isanti, Isanti County, Minnesota; and

WHEREAS, the City subsequently acquired title to the EDA Parcel (“the Property”), which is more particularly described in Exhibit “A”; and

WHEREAS, Buyer terminated the Purchase Agreement on February 8th, 2021, and the City is actively marketing the Property; and

WHEREAS, Buyer may be interested in acquiring the Property in the future and Seller is still interested in selling the Property to Buyer in accordance with the terms and conditions set forth herein below.

NOW, THEREFORE, for and in consideration of the sum of Ten Dollars ($10.00) and other good and valuable considerations, the receipt and sufficiency of which are hereby acknowledged, the parties hereto hereby agree as follows:

(1) **Recitals; Definitions.** The Recitals above are incorporated herein as true and correct statements of fact and are binding on the parties. Except as otherwise defined in this Agreement, all capitalized terms shall have the meanings given them in the Purchase Agreement.

(2) **Right of First Refusal.** It is understood and agreed that for a period of five (5) years after the Effective Date, Seller will not sell the Property to any other party without first offering same to Buyer on the same terms and conditions as a bona fide third-party offer that Seller is willing to accept (the “Purchase Offer”). In the event that Seller receives such a Purchase Offer, Buyer then shall have thirty (30) days from the date of written notification by Seller, which notification must include a copy of the Purchase Offer, to accept or reject such Purchase Offer, with any failure by Buyer to respond being deemed a rejection. In the event that Buyer does reject any such Purchase Offer, and, thereafter, Seller fails to transfer the Property in accordance with the terms and conditions contained in the Purchase Offer delivered to Buyer, or on terms that are less favorable to a third-party buyer, then Buyer’s Right of First Refusal shall be automatically reinstated.

(3) **COMMISSIONS**. Seller and Buyer each represent and warrant to the other that no real estate

commission, broker's fee or other similar fee or commission is now or shall at any time be due with respect to this Agreement except for a brokerage fee due Jupiter Realty Services, LLC ("Buyer's Broker"), the commission of which will be paid for by Seller pursuant to a separate agreement. If any claims for such fees or commissions are made against any of the parties in connection with this transaction (other than the commission due Buyer's Broker), all such claims shall be handled and paid by the party whose actions or alleged commitments formed the basis of such claim, and such party further agrees to indemnify and hold harmless the other party from and against any and all such claims or demands to the extent allowed by law.

(4) **MISCELLANEOUS**. ***(a) Assignment of Agreement.*** Buyer may assign this Agreement to an entity owned in whole or in part by Buyer or an owner of Buyer without the prior written consent of Seller.

(b) Binding Effect. This Agreement shall run to the benefit of Buyer, its successors and assigns, and shall be binding upon Seller and Seller's successors and assigns. All representations, covenants and warranties herein shall survive the Closing and delivery of the Deed.

(c) Notices. All notices or other communications required or permitted hereunder shall be in writing and shall be effective upon receipt whether delivered by personal delivery, email or UPS Next Day Air® delivery or sent by United States registered or certified mail, return receipt requested, postage prepaid, addressed to the respective parties as follows:

If to Buyer:

-See address at top of Page 1-

AND:

If to Seller:

-See address at top of Page 1-

Notices shall be deemed received upon the (a) the date of delivery if personally delivered or delivered via UPS Next Day Air® delivery, or (b) when sent, as shown on the sent receipt, if sent by email, or (c) if mailed, upon the date of receipt as disclosed on the return receipt. Notice of change of address shall be given by written notice in the manner detailed in this paragraph. Rejection or other refusal to accept or the inability to deliver because of changed address of which no notice was given shall be deemed to constitute receipt of the notice, demand, request or communication sent.

(d) Headings. Descriptive headings herein are for convenience only and shall not control or affect the meaning or construction of any provision of this Agreement.

(e) Time of Essence. Time shall be of the essence with respect to the performance of all obligations of the parties hereunder.

(f) Governing Law. This Agreement shall be construed, interpreted and enforced in accordance with the laws of the State of Minnesota.

(g) Counterparts. This Agreement may be executed simultaneously in any number of counterparts, each of which shall be deemed an original, but all of which together shall constitute

one and the same instrument. .Pdf copies of the executed signature pages transmitted by email shall be effective and binding upon the parties as if such signatures were original signatures.

(h) Severability. If any part of this Agreement should be determined to be invalid, unenforceable, or contrary to law, that part shall be amended, if possible, to conform to law, and if amendment is not possible, that part shall be deleted and other parts of this Agreement shall remain fully effective, but only if, and to the extent, such modification or deletion would not materially and adversely frustrate the parties' essential objectives as expressed in this Agreement.

(i) Entire Agreement; Exhibits. This Agreement and all Exhibits attached hereto constitute the entire agreement among the parties as it relates to the subject matter hereof, and no amendment, alteration or modification of this Agreement shall be valid unless in each instance such amendment, alteration or modification is expressed in a written instrument duly executed by all of the parties to this Agreement. All Exhibits to this Agreement shall constitute part of this Agreement and shall be deemed to be incorporated in this Agreement by reference and made a part of this Agreement as if set out in full at the point where first mentioned.

(k) Waiver of Jury Trial. To the extent permitted by law, each of Seller and Buyer hereby expressly waives any right to trial by jury of any action, cause of action, claim, demand, or proceeding arising under or with respect to this Agreement, or in any way connected with, related to, or incidental to the dealings of Seller and Buyer with respect to this Agreement and in each case, whether or not existing or hereafter arising, and whether sounding in contract, tort or otherwise. To the extent permitted by law, each of Buyer and Seller hereby agrees that any such action, cause of action, claim, demand, or proceeding shall be decided by a court trial without jury and that Seller or Buyer may file a copy of this Agreement with any court other tribunal as written evidence of the consent of each of Seller and Tenant to the waiver of its right to trial by jury.

(l) Performance. When the last day prescribed for performance hereunder falls on Saturday, Sunday, or a legal holiday, the performance of such act shall be considered timely if it is performed on the next succeeding day which is not a Saturday, Sunday, or a legal holiday.

[SIGNATURES ON FOLLOWING PAGE]

IN WITNESS WHEREOF, the parties have entered into this Agreement as of the date first written above.

Request for City Council Action

To: Mayor Johnson and Members of City Council
From: Sheila Sellman, Community Development Director
Date: May 4, 2021
Subject: Resolution 2021-XXX Approving the dissolution of Joint and Cooperative Agreement Joint Planning Advisory Board with the City of Cambridge

---

Background:
In June 2015 the City entered into a of Joint and Cooperative Agreement Joint Planning Advisory Board with the City of Cambridge. The general purpose of this agreement was to establish a Joint Planning Advisory Board. The purpose of the board was to review and make recommendations on short- and long-range land use planning matters that are of mutual concern between the Cities of Cambridge and Isanti. This board was to meet on a quarterly basis and consist of the Mayor and Planning Commission Chair of each city. It is unclear if this board met, staff was unable to locate any meeting minutes or memos. At this time staff suggests dissolving this agreement for lack of interest or need.

If the need for such an agreement arises in the future staff will bring such a proposal forward.

Request: Consider adopting the resolution.

RESOLUTION 2021-XXX

APPROVING THE DISSOLUTION OF JOINT AND COOPERATIVE AGREEMENT FOR JOINT PLANNING ADVISORY BOARD

WHEREAS, in 2015 the City Council, entered into a Joint and Cooperative Agreement for Joint Planning Advisory Board; and,

WHEREAS, the board has not met in the last 5 years; and,

WHEREAS, there is lack of interest and/or need for this board at this time;

NOW THEREFORE BE IT RESOLVED by the City Council of the City of Isanti, Minnesota that the City Council dissolves the Joint and Cooperative Agreement for the Joint Planning Advisory Board.

This resolution was duly adopted by the Isanti City Council this 4th day of May 2021.

JOINT AND COOPERATIVE AGREEMENT

JOINT PLANNING ADVISORY BOARD

ADOPTED: June 2015

The parties to this agreement are governmental units of the State of Minnesota. This agreement is made pursuant to Minn. Stat. 471.59 and 462.372.

I.

PURPOSE

The general purpose of this agreement is to establish a Joint Planning Advisory Board. The City of Cambridge and City of Isanti are members of this Board. The purpose of this Board is to review and make recommendations on short and long range land use planning matters that are of mutual concern between the Cities of Cambridge and Isanti.

II.

NAME

The organization created by this agreement shall be known as the "Cambridge - Isanti Joint Planning Advisory Board" (hereinafter "Board").

III.

DEFINITIONS

For purposes of this agreement, the terms defined in this article shall have the meanings given to them.

Section I. "Board" means the organization created pursuant to this agreement.

Section II. "Staff" means the staff person(s) appointed by a member City Council to be its staff representative(s) on the Board.

Section III. "Member" means the City of Cambridge and City of Isanti.

Section IV. "Commissioner" means a person appointed by each City Council to serve on the Board.

IV.

MEMBERS

Section 1. Those eligible to enter this agreement are the following governmental entities: Cities of Cambridge and Isanti.

Section 2. Any governmental entity desiring to become a member shall execute a copy of this agreement and conform to all requirements herein.

V.

COMMISSIONERS

Section 1. **Qualification/Appointment**. Each Member shall appoint an equal number of Commissioners to the Board. It is the intent that each Member City shall appoint the Mayor and the Chair of the Planning Commission of that City to serve as Commissioners on the Board. Alternates shall also be appointed to the Board by their respective Member, to serve in the absence of a Commissioner. When the City Council of a Member City appoints its Commissioners, it shall give notice of their appointments to the Secretary of the Joint Planning Advisory Board. Notice of a successor Commissioner shall be given by the City to the Secretary of the Board. That notice shall include the name and mailing address of the appointee which shall be deemed to be the official name and address of that appointee for the purpose of giving any notice required under this agreement.

Section 2. **Term**. Each Commissioner shall serve for an annual term, except that the initial terms shall begin as of the effective date of this agreement and shall terminate at the end of the calendar year. A Commissioner shall serve at the pleasure of his or her City Council of their respective Member City. A Commissioner may be removed at any time by that City Council. A Commissioner shall be eligible for re-appointment to any number of successive terms.

Section 3. **Voting**. Each Commissioner shall have one vote. There shall be no voting by proxy, but all votes must be cast in person at Board meetings by the Commissioner or his or her alternate.

Section 4. **Compensation**. Commissioners shall serve without compensation from the Board, but this shall not prevent a Member from compensating its Commissioners if compensation by that City is otherwise authorized by law.

Section 5. **Vacancies**. A vacancy in the office of Commissioner shall exist for any of the reasons set forth in Minnesota Statues Section 351.02. The City Council of each Member City shall by appointment fill for the unexpired portion of the Term of said Commissioner or any vacancy. A suspected vacancy or a Commissioner's failure to attend three consecutive meetings shall be reported by the Secretary of the Commission to the appointing Member's governing board for action in replacing its Commissioner.

VI.

OFFICERS

Section 1. **Number/Election**. The officers of the Board shall consist of a Chair, a Vice Chair, and a Secretary all of whom shall be elected at the first meeting of the Board each year. New officers shall take office at the meeting of the Board at which they are elected. Officers shall serve one year terms.

Section 2. **Co-Chairs**. The Mayors of each Member City shall be Co-Chairs at the Board meetings. The Co-Chairs shall preside at all meetings of the Board and shall perform all duties incidental to the office of Chair, and such other duties as may be prescribed by the Commission. If one of the Co-Chairs of a Member City is missing from the meeting, their alternate shall attend and act in their capacity.

Section 3. **Secretary**. The Secretary shall be responsible for keeping a record of all the proceedings of the Board and giving notice of the meetings.

VII.
EFFECTIVE DATE, MEETINGS

Section 1. This agreement is effective on the date when the authorizing resolutions of the members' City Councils have been adopted.

Section 2. Within thirty (30) days after the effective date of this agreement, the Mayor of the City of Isanti, County of Isanti, Minnesota shall call the first meeting of the Board which shall be held no later than fifteen (15) days after such call.

Section 3. The first meeting of the Board shall be its organizational meeting. At the organizational meeting, the Board shall select from among the Commissioners a chair, a vice-chair, and a secretary, and may appoint any consultants or other staff, as provided by the Member City and as authorized by such City, to coordinate the activities of the Board and to draft any necessary Board documents.

Section 4. At the organizational meeting, or as soon thereafter as it may reasonably be done, the Board shall adopt meeting procedures that include: the time, place, notice for and frequency of its regular meetings, and such other matters as are required by this agreement.

Section 5. **Voting/Quorum**. No business shall be performed unless a quorum of the Commissioners present and voting at a Board meeting vote in the affirmative. A simple majority of the full number of Commissioners shall constitute a quorum for the purposes of conducting a meeting, and a simple majority of the quorum present and voting shall be sufficient for any official action of the Board.

VIII.
DUTIES OF BOARD

The powers, rights and duties of the Board shall include those set forth in this Article.

Section 1. **Purview.** The Board's purview is to review short and long range planning matters in the geographical area between the two cities, whether corporate or extra-territorial, or where the Cities may have a common corporate boundary at some point in the future, and make recommendations to their respective Planning Commissions and City Councils. The Board may also address other planning and land use matters as directed by the governing boards of each City. Initial

work will be on Comprehensive Plan Updates that each City will be undertaking in 2016. This will pertain to Comprehensive Planning in corporate and extraterritorial areas that are located between the two Cities. Other matters that the Board may undertake, at the joint direction of their respective City Councils, include: Annexation matters that jointly concern the two Cities, Exploration of joint planning within the statutory 2 mile extraterritorial areas located between the two Cities, and Long Range Planning for location of street and municipal utility systems, including work with private utility providers.

Section 2. **Consultants**. The Board may work with consultants that their respective Cities have hired to provide planning services. Such use shall be authorized by the City Council of the respective Member City.

Section 3. **Other Actions**. The Board shall take such action as it deems necessary and appropriate to accomplish the general purposes of the Board and it may exercise any other power necessary and incidental to the implementation of its powers and duties.

IX.

DISSOLUTION

Section 1. **Method**. The Board shall be dissolved upon an affirmative vote of the City of Cambridge or City of Isanti.

X.

INDEMNIFICATION

The Members shall provide liability insurance and shall indemnify and hold harmless any Commissioner for damages, including reasonable attorneys' fee, incurred as a result of any action brought against said Commissioner and resulting from the joined act or omission of the Board established herein.

XI.

EFFECTIVE DATE

Section 1. **Execution of Agreement**. A Member entering into this agreement shall do so by the duly authorized execution of a copy of this agreement by its proper officers. Thereafter, the Mayor and Clerk or other appropriate officer(s) of that Member shall file a duly executed copy of this agreement, together with a certified copy of the authorizing resolution with the Secretary of the Board.

Section 2. **Effective Date**. This agreement shall become effective when (a) it has been authorized by each member, and b) all appropriate documents have been filed as provided above.

XII.

DURATION

This agreement shall continue in effect from year to year until termination in accordance with the terms of this agreement.

IN WITNESS WHEREOF, the undersigned governmental unit has caused this agreement to signed and delivered on its behalf.

EXECUTED as of June 8, 2015.

Request for City Council Action

To: **Mayor Johnson and Members of the City Council**
From: Matt Sylvester, Public Services Director
Date: May 4, 2021
Subject: Resolution 2021-XXX Amending the 2021 CIP for the ICC

Background

In the 2021 Capital Improvement Plan (CIP) there is $7,745.00 for replacement of the dishwasher at the Isanti Community Center (ICC). The dishwasher belongs to the Lions therefore the repairs, maintenance or replacement would be there responsibility. The kitchen does have a Convection Oven that should be replaced and brought up to Code. Staff would like to amend the CIP by taking the funds available for the dishwasher and use those funds to replace the Convection Oven at the ICC. The CIP would need to be amended to reflect those changes.

Recommendation:

Staff is recommending to amend the 2021 CIP by removing the dishwasher and replacing it with the Convection Oven.

Request

Staff is requesting action on this item.

RESOLUTION 2021-XXX

AMENDING THE 2021 CAPITAL IMPROVEMENT PLAN FOR THE ISANTI COMMUNITY CENTER

WHEREAS, the Capital Improvement Plan (CIP) for the Isanti Community Center (ICC) has $7,745.00 to replace the dishwasher; and,

WHEREAS, the dishwasher belongs to the Lions therefore the maintenance, repairs, or replacement would be their responsibility; and,

WHEREAS, the kitchen at the ICC does have a Convection Oven that is not in the CIP but should be replaced and brought up to code; and,

WHEREAS, the CIP plan would need to be amended by removing the dishwasher and replacing it with the Convection Oven;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, Authorize the Finance Director to amend the 20-year Capital Improvement Plan by removing the dishwasher at the ICC and adding in the Convection Oven and make the necessary changes based on actual final cost.

This resolution was duly adopted by the Isanti City Council this 4th day of May 2021.

Memo for City Council

To: Mayor Johnson and Members of the City Council
From: Katie Brooks, Human Resources Director
Date: May 5, 2021
Subject: Resolution Approving New Position- PT Permit Technician

---

Background:

On April 20, 2021 at the Committee of the Whole meeting, Community Development Director Sheila Sellman discussed the need for hiring a part-time Permit Technician to help take on duties in the Community Development Department. The Building Official has an overwhelming number of inspections, plan review and administrative processes that warrant the need for a Permit Technician. The consensus was to move forward and make a new position for Council approval.

Request:
Staff is requesting action on this item.

Attachment:

- Resolution 2021-XXX
- Draft Job Description

RESOLUTION 2021-XXX

APPROVING NEW POSITION: PERMIT TECHNICIAN

WHEREAS, new positions must be approved by City Council per current Personnel Policy and adopted 2021 budget, and;

WHEREAS, the Committee of the Whole recommends the new position and amending the City's Organization Chart to include a Permit Technician within the Community Development Department, and;

WHEREAS, the draft job description is included in Attachment A;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota as follows:

The new position shall consist of the follow:

1) Part-time up to 29 hours per week
2) Not eligible for benefits
3) Non-union
4) Points range: Grade 10 (182-209)

$23.6282	$24.3389	$25.0702	$25.8221	$26.5946	$27.3877	$28.2117	$29.0563	$29.9318
Step 1								Step 9

This Resolution is hereby adopted by the Isanti City Council this 4th day of May, 2021.

City of Isanti
POSITION DESCRIPTION

PERMIT TECHNICIAN

DEPARTMENT: Community Development
FLSA CLASSIFICATION: Non-Exempt
REPORTS TO: Building Official
SUPERVISES: None

DEFINITION:

Performs technical and administrative work serving as the primary contact for building/ permit questions. Assist the public in answering specific and general inquiries regarding codes, procedures and policies. This role will process Building permit applications, issue and receipt permits. Provide clerical and counter support to Community Development Department. Responsibility for the performance of moderately complex clerical duties which require judgment based on knowledge gained through experience. Serves the public and other City employees by responding to various inquiries.

To perform this job successfully, an individual must be able to perform each duty satisfactorily. The requirements listed below are representative of the knowledge, skill and abilities required. The Essential functions listed below are intended as illustrations of the various types of work that may be performed. The omission of specific duties does not exclude them if the work is similar, related or a logical assignment to the position.

ESSENTIAL FUNCTIONS OF THE JOB:

- Provide public service activities including, but not limited to, greeting counter walk-ins, answering telephones, responding to requests for information, provide appropriate assistance by directing to the appropriate individual or department.
- Receive, log and review building permit applications and supporting documents to verify completeness and accuracy of information; assess scope of project and relevant permit requirements; educate customers regarding necessary permits and general code compliance of proposed projects.
- Process construction permit applications and route plans to other departments for review.
- Process, issue and receipt faxed, mailed and over-the-counter permit applications. Issue and receipt all other permits prepared by Building Official and/or Community Development Staff that are ready for issuance.
- verify state issued licenses.
- Research records and provide public with specialized site-specific property information such as approved building permits, construction plans, certificates of occupancy, zoning and surveys or site plans.
- Prepare general correspondence, reports, lists and records.
- Perform a variety of detailed clerical tasks such as compiling, calculating and preparing special reports, maintains records.

- Responsible for maintenance of building permit/inspection software database, including state contractors, permit payment information, new parcel information for all new developments or lot splits and updating of parcel information.
- Develop, create and implement department application forms and handouts.
- Organize, file and maintain department address files. Scan and store department records into Laserfiche.
- Send form letters for work with no permit as determined by Building Official.
- Answer general inquires in a pleasant and friendly manner from contractors and public both over the phone and for general walk-in traffic.
- Prepare monthly, quarterly and annual reports for various City, State, Federal and other agencies as required.
- Perform special projects as assigned by the Community Development Director and Building Official.
- Performs other related duties as assigned or apparent.

EQUIPMENT USED:

This position uses a variety of equipment typical to a traditional office setting. Such equipment may include, but is not limited to, personal computers, printers, telephones, fax machines and copy machines.

REQUIRED KNOWLEDGE AND ABILITIES:

- Ability to provide respectful, professional customer service to Council members, the public and coworkers.
- Ability to produce quality work, prioritize projects and take direction from the Supervisor.
- Ability to read and interpret laws, ordinances, polices, department rules and municipal regulations.
- Read and interpret maps, plats and site plans.
- Ability to read and interpret blueprints, maps, specifications and other construction related documents.
- Ability to use good judgment without requiring immediate supervision
- Ability to develop reports, spreadsheets and make presentations.
- Analyze complex situations, problems and data, and use sound judgment in making decisions.
- Ability to prepare, organize and maintain inspection field data, files and records.
- Ability to develop a course of action and maintain momentum to reach successful conclusions to assignments within agreed upon time frames.
- Ability to deal with very tight time frames, demanding schedules and workload, and with juggling a multitude of tasks while maintaining a cool, even-tempered disposition.
- Ability to establish and maintain effective working relationship with supervisors, and other department employees.
- Use effective interpersonal skills to interact and communicate clearly and concisely with a variety of citizens and the public when explaining City rules, regulations, policies, and ordinances.
- Work independently and schedule/coordinate own workload.
- Ability to be a team player, maintain confidentiality and professionalism at all times.
- Knowledge of computers including typing and use of Word, Office, Excel, Building Permit software, Laserfiche.

- Possess excellent communication and interpersonal skills as applied to interaction with coworkers, supervisor, the general public, etc. sufficient to exchange or convey information and to receive work direction.

MINIMUM QUALIFICATIONS:

- High School Diploma or equivalent.
- Experience in building permit application, issuance and review; OR an equivalent combination of training and experience.
- Experience in customer service.
- Must possess a valid MN Class D Driver's License.

PREFERRED QUALIFICATIONS:

- Permit Technician Certificate from the ICC
- Two (2) + years' experience as a Permit Technician and applicable administrative role
- Associates Degree in Building, Construction trades, or similar field.
- Experience with software; Laserfiche, GIS, Caselle Clarity, SharePoint, and Microsoft Office.

CONDITIONS OF EMPLOYMENT:

- Must possess a valid Minnesota Driver's License or the ability to obtain within thirty (30) days of employment.
- Must represent the City in a respectful, professional manner with positive interactions with the public.
- Must satisfactorily pass a criminal background examination.
- Must comply with organizational and departmental policies.

WORK SCHEDULE:

The typical work schedule for this position is full-time Monday-Friday, hours are subject to current personnel policy. Additional hours may be required for evening meetings.

WORK ENVIRONMENT/PHYSICAL DEMANDS:

The work environment characteristics described here are representative of those an employee encounters while performing the essential functions of this job.

This position requires the employee to work alone, with others, around others and have contact with the public. This position will work inside in an office and frequently work outside in various weather conditions for inspections.

Activities that will occur continuously, 5-8 hours: Sitting, walking, verbal communication, hearing, repetitive motions, handling, typing, light physical effort.
Activities that will occur frequently, 2-5 hours: problem solving, written communication, reaching, interpersonal skills, standing, pulling.

Activities that occur occasionally, up to 2 hours: reaching, hand/eye/foot coordination, balancing, temperature changes.
Activities that occur infrequently, less than 1 hour: lifting, bending, stooping, kneeling, reaching at, above, and below shoulder level with the right, left, and both shoulders, carrying, and lifting and carrying up to 24 pounds.

This position may require the ability to drive an automobile.

This job description does not constitute an employment agreement between the employer and employee and is subject to change by the employer as the needs of the employer and requirements of the job change.
The City of Isanti is an Equal Opportunity Employer. In compliance with the Americans with Disabilities Act, reasonable accommodations are offered to qualified individuals with disabilities. Prospective and current employees are encouraged to discuss potential accommodations with the employer.

ACKNOWLEDGEMENT:

I have read this job description and fully understand the requirements set forth herein. I understand that this is to be used as a guide and that I will be responsible for performing other duties as assigned. I further understand this job description does not constitute an employment contract with the City of Isanti.

RESOLUTION 2021-XXX

AUTHORIZING APPRAISAL OF PARCEL 16.090.0102

WHEREAS, the Isanti City Council had a consensus at its April 13, 2021 special meeting instructing staff to determine if parcel 16.090.0102 is potentially for sale; and,

WHEREAS, the owner of parcel 16.090.0102 has indicated a willingness to consider a sale and provided staff verbal consent to access the premises if needed to complete an appraisal; and,

WHEREAS, the low-cost appraisal shall be accepted in an amount not to exceed $3,500; and,

WHEREAS, staff will solicit quotes for the appraisal;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota as follows:

1) The City Council approves an appraisal for parcel 16.090.0102 not to exceed $3,500.
2) Approval is given to the City Administrator to administer and facilitate the appraisal.

Request for City Council Action

To: Mayor Johnson and Members of City Council
From: Sheila Sellman, Community Development Director
Date: May 4, 2021
Subject: RFP for Building Inspection Services

Background:
At the April 20, 2021 Committee of the Whole (COW) meeting the council discussed the need for backup services for the Building Official for when he/she is on vacation or out of the office. Backup services may also be necessary if there is a storm that causes a lot of damage and an influx of permits come in (i.e. hail storm).

In addition, the Building Official has resigned and staff is requesting approval to seek interim services. The interim services would be until the position is filled. The proposed RFP is for interim services and backup services. Because the City is required to have a Building Official designated the RFP requests that designation, which could be on an interim basis or long term.

Request:
Consider approving the RFP and a directing staff to advertise.

Attachments:
- Resolution 2021-XXX Approving Request for Proposals for Interim and Backup Building Inspection Services
- RFP

RESOLUTION 2021-XXX

APPROVING REQUEST FOR PROPOSALS FOR INTERIM AND BACKUP BUILDING INSPECTION SERVICES

WHEREAS, over time the City of Isanti has utilized contracted services provided by qualified professional firms as necessary; and,

WHEREAS, the City determined to hire an internal Building Official for beginning 2021; and,

WHEREAS, in the absence of a staff inspector interim building inspection services may be necessary; and,

WHEREAS, staff has prepared Request for Proposals to procure interim building inspection services; and,

WHEREAS, from time-to-time backup services may be needed;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota:

1. Approval of the Request for Proposals for interim and backup building inspection services, attached as Exhibit "A".

2. Direct staff to publish a Notice of the Request for Proposals and distribution to seek proposals for such services from qualified consultants and firms.

This Resolution is hereby approved by the Isanti City Council this 4th day of May 2021.

Attest: Mayor Jeff Johnson

REQUEST FOR PROPOSALS
INTERIM BUILDING INSPECTION SERVICES
AND
BACKUP SERVICES

CITY OF ISANTI

Isanti County
State of Minnesota

Response Deadline: Monday May 24, 2021

Contact: City of Isanti
Sheila Sellman, Community Development Director
110 1st Avenue NW
P.O. Box 428
Isanti, MN 55040
(763) 762-5761
(763) 444-5560- fax
Ssellman@cityofisanti.us

I. SUMMARY

A. The City of Isanti, Minnesota (the "City") is requesting proposals to provide interim building inspection, plan review, Building Official designation and related services to the City. These services are for both residential and commercial construction.

B. The City is also requesting proposals to provide building inspection, plan review and related services to the City on an as needed basis (back up, not primary). These services will be for both residential and commercial construction. In addition, please indicate if you can be designated as the Building Official if needed. **Proposals must be received by the City no later than 4:30 p.m. on Monday May 24, 2021 and should be sent to:**

City of Isanti
Attn: Sheila Sellman
110 1st Avenue NW
P.O. Box 428
Isanti, MN 55040
Ssellman@cityofisanti.us

Each consultant that desires to respond must submit two (2) copies of its proposal (if not submitted by e-mail). Each proposal submitted shall be valid for ninety (90) days.

II. GENERAL INFORMATION

The City is located in Isanti County and is a free-standing community with a population of approximately 6,000. Building permits issued in recent years are as follows:

	Total	New Homes
2021 (to March)	228	13
2020	1,042	92
2019	720	84

Overall, there is a healthy balance of residential and non-residential tax base within the City. Also, the City has a large inventory of residential and commercial lots ready for development and is well situated for continued growth as the economy improves.

III. GENERAL CONDITIONS

The City reserves the right to reject any or all proposals, to waive any irregularity in a proposal, to accept a proposal that is not the lowest proposal based on fees, and to accept or reject any item or a combination of items. The City further reserves the right to reject proposals that do not contain all elements and information requested in this document. The City shall not be liable for any losses incurred by any consultants submitting proposals. All services will be provided pursuant to a written contract between the City and the Consultant, which shall be negotiated and mutually acceptable to both parties.

IV. TERM OF CONTRACT

A. The initial term of the proposed contract for interim services, which may include Building Official designation, shall be for a negotiated time until the city hires a Building Official/Inspector, but not to exceed one (1) year.

B. The initial term for back up services and possible Building Official designation shall be for a period one (1) year. After that initial term, the contract may be extended for a time period(s) as agreed upon by the consultant and the City. Additionally, regardless of the term of the contract, the City will be allowed to terminate the contract in sixty (60) days if the consultant does not perform services in a satisfactory manner, loses its license to perform any of the services, becomes insolvent, and other similar reasons.

V. SCOPE OF SERVICES

The City wishes to contract with a consultant/firm to provide the following services:

Building Inspector/Official:
The City is interested in finding a qualified firm/consultant to provide a designated Building Official and/or building inspector and plans examiner.

Building Code:
The City may appoint the consultant as the City's Building Official. The consultant will be responsible for inspecting properties and enforcing the Minnesota State Building Code. The consultant, however, will not be responsible for enforcing the Electrical Code whereas the City will continue to use other inspectors to perform such inspections.

Plumbing Code:
The consultant shall be responsible for providing enforcement and administration of the currently adopted Minnesota State Plumbing Code and performing plumbing plan review services.

Rental Housing Ordinance:
The consultant shall be responsible for inspecting and enforcing the City's Rental Housing Ordinance for multi-family, including but not limited to inspecting rental dwellings for license renewal, responding to complaint inspections and performing administrative tasks associated with the enforcement of the Rental Housing Ordinance.

Fire Code:
The consultant shall be responsible for enforcement and administration of the City's currently adopted fire ordinance including the Minnesota State Fire Code. The consultant shall coordinate with the City's fire service provider as an authorized representative.

Additional Duties:
Work regarding the above referenced codes and ordinances involves responsibility for plan review, scheduling, and inspection of residential and commercial buildings and other structures in regard to conformity with code requirements and technical standards, any administrative work in support of those duties assigned herein and enforcement. Work involves determining building permit valuations. Work also includes sod/black dirt inspections, pre-

construction inspections, complaint investigations, hazardous building inspections and assistance with the prosecution of building code and hazardous building violations.

Summary of Expected Performance Standards:
This subsection provides a summary of the minimum expectations of the firm/consultant. Final provisions shall be determined during contract negotiations.

1. Qualified personnel shall perform all services and shall maintain all necessary certificates and licenses required to perform such services.
2. Except when, and if, the workload demands otherwise, all inspections shall be conducted within the normal business hours of 8:00 am to 4:30 pm, Monday through Friday.
3. The Building Official/inspector shall have, or in the case of the City acquire, an expert knowledge of, and shall comply with, City Code / Ordinances of the City of Isanti, and the laws and regulations of Isanti County, the State of Minnesota and its agencies relating to the enforcement of the Minnesota State Building Code and the Minnesota State Fire Code.
4. The firm/consultant will provide own transportation for inspections and office time.
5. The Building Official/inspector shall carry not less than the following insurance and shall provide verification to the City upon request:
   a. Auto Insurance: A Certificate of Insurance for owned, hired, and non-owned auto usage coverage for liability in the amounts of $100,000 per claim, $300,000 per occurrence coverage for personal injury and $25,000 per claim, and $50,000 per occurrence for property damage insurance.
   b. Professional Liability Insurance: Professional Liability Errors and Omissions Insurance in an amount of at least $1.5 Million single limit coverage, covering all personnel employed by the Building Official in the capacity of acting as an Agent of the municipality.
   c. General Liability Insurance: General Liability Insurance in an amount of at least $1.5 Million, single limit coverage, covering all personnel employed by the Building Official in the capacity of acting as an Agent of the municipality.

VI. CONTENT OF PROPOSAL

The purpose of this section is to identify the information that should be submitted:

A. Compensation and Service

The proposer should outline the basis for compensation including identification of all rates and reimbursable expenses. Please include the following information in your proposal:

1. Your hourly rate or percentage of Permit fee.
2. Your hourly rate or percentage of Plan Review fee.
3. Your hourly rate for inspections.
4. Do you provide services for non-permitted work (i.e., asbestos, lead, condemnation inspections, etc.?). If so, what are your charges?
5. What is your billing procedure (i.e., monthly, quarterly, etc.)?
6. What is your refund policy?

7. How do you establish the value of a building project?
8. What is the minimum time you require to process an application?
9. How many times per week would you be in the community if you were the Interim provider?
10. Would you require any special arrangements with the City (i.e., office area, telephone, computer, filing cabinet, etc.)?
11. Are you willing to use the City's permit applications, documents and handouts?
12. Describe your experience with online permitting and the ability to accept digital plans.
13. Describe your review process, average turnaround time on permits and inspections and, your ability to communicate with customers.
14. What is your minimum required notification time for inspection requests?
15. Will the inspector be available via telephone for questions, inspection scheduling, etc.?

B. Summary of Understanding of Proposed Services:

A prospective consultant should indicate an understanding of the requested services as described in Section V. Scope of Services, and describe how it proposes to service the City of Isanti in these aspects.

C. List of Qualified Inspectors:

A list of qualified individuals and their certifications that can fulfill the various services described in Section V. Scope of Services. The individual(s) designated as the "Building Official" shall be certified as a building official by the State of Minnesota.

D. References:

A list of all building inspection contracts current and held in the last five (5) years, and a municipal representative from each location that the City may contact.

E. Other Activities:

Please indicate if your firm is willing/able to provide any additional services.

F. Signed Statement of Understanding:

The proposal should contain the following statement and must be signed by the individual authorized to represent the firm:

We/I have read the City's Request for Proposal (RFP) for Building Inspection services and fully understand its intent. We/I certify that we have adequate personnel, equipment and facilities to provide the City's requested services. We/I have thoroughly examined the RFP requirements, and our proposed fees cover all the services that we have indicated we can provide.

VII. INQUIRIES

Inquiries into this proposal may be submitted by mail, e-mail, fax or telephone to:

Sheila Sellman, Community Development Director
City of Isanti
110 1st Avenue NW
Isanti, MN 55040
(763) 762-5761
(763) 444-5560- fax
Ssellman@cityofisanti.us

Please include a contact name and telephone number or e-mail address for the City to use in responding to questions.

Thank you for taking the time to consider a proposal to the City of Isanti

(3) Basement finishes/remodel permit: $300 (includes plan review).

(4) City utility services under driveway: $100.

(5) Commercial landscape escrow: $8,000 per site.

(6) Deck permit: $300 (includes plan review).

(7) Demolition permit: minimum of $100 or 1.27% of contract price.

(8) Right-of-way work permit.

(a) Single residential hookup: no fee.

(b) Base fee, up to 1,000 LF: $125.

(c) Fees in addition to base fee, work >1,000 LF: $65 per 1,000 LF.

(9) Street cut: $125 plus $5,000 in escrow.

(10) ROW unauthorized work: $250 plus up to double the permit fee.

(11) Fence permit (fences > 7'): Per Valuation Fee Schedule.

(12) Fire suppressant permit, commercial/multifamily: 1.5% of project value.

(13) Gas line (with mechanical permit): $12.50 per gas line, $25 minimum.

(14) Gas line (without mechanical permit): $50.

(15) Grade survey check:

(a) Commercial: $50.

(b) Residential: $50.

(16) Grading permit: $150.

(17) Inspections outside of normal business hours: $75 (two-hour minimum plus mileage).

(18) Inspections, hourly rates.

(a) Building Official: $125/hour.

(b) Senior Building Official: $95/hour.

(c) Fire Inspector: $90/hour.

(d) Building Inspector: $75/hour.

(e) Other staff: $75/hour.

(19) Investigative fee: 100% of permit fee.

(20) Lawn irrigation permit: $80.

(21) License verification fee: $5.

(22) Mechanical permit: $75 per unit.

(23) Mechanical permit, commercial/multifamily: 1.5% of project value.

(24) Minimum permit fee: $50.

(25) Permit renewal after six months of expiration: 50% of original permit fee.

(26) Plan check fee: 65% of calculated permit fee, when applicable.

(27) Plan check fee, duplicate plans: Duplicate plan fees reduced to 25% of Master Plan Review.

(28) Plan review (additional): $75 (1/2 hour minimum).

(29) Plumbing permit basic (up to four fixtures): $54.

(30) Plumbing permit, job valuation > $500 or more than four fixtures: $94.

(31) Plumbing permit, commercial/multifamily: 1.5% of project value.

(32) Pre-final inspection fee (residential): $60.

(33) Re-roof permit: $80.

(34) Re-siding permit: $80.

(35) Residential driveway escrow: $2,000.

(36) Residential landscape escrow: $6,000.

(37) Residential rental license fee:

(a) One unit: $150.

(b) Two to four units: $175.

(c) Five to 12 units: $225.

(d) Thirteen to 20 units: $240.

(e) Twenty-one to 50 units: $250.

(f) Fifty-one + units: $300.

(38) Rental additional inspections: per inspections hourly rate.

(39) Rental license late fee: 100% of rental license fee.

(40) S.E.C., residential: $20.

(41) S.E.C., commercial/industrial: $50.

(42) SAC/WAC inspection fee: $37.50.

(43) State surcharge: applied to all permits.

(44) Swimming pool permit: $80.

(45) Water/sewer line repair inspection fee: $80.

(46) Window/door replacement permit: $80.

RESOLUTION 2021-XXX

APPROVING THE OFFER OF FULL-TIME POLICE OFFICER TO JESSE ZAJAC

WHEREAS, the City Council of the City of Isanti is required to approve all new employees; and,

WHEREAS, the City Council approved to advertise and accept applications to fill a Full-Time Police Officer position; and,

WHEREAS, the Chief of Police and interview panel selected Jesse Zajac as the most qualified candidate for the open Full-Time Police Officer position; and,

WHEREAS, the candidate's offer is contingent on successfully completing and passing a Police Officer background investigation, medical evaluation, drug test and psychological evaluation;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, as follows:

1. That Human Resources has offered the Full-Time Police Officer position to Jesse Zajac for the City of Isanti and shall be eligible to start in that position after successfully meeting all conditions of pre-employment evaluations.
2. That Jesse Zajac shall start at Step 2 of the Wage Scale at $32.1453 per hour.
3. That Jesse Zajac shall be on probationary status per the Personnel Policy in the position of the Full-Time Police Officer position.
4. Jesse Zajac's start date is effective after May 4, 2021, and will be determined when all above conditions have been met and paperwork is completed.
5. That Human Resources is directed to complete all required documentation for the completion of the employment offer.
6. That Human Resources is directed to forward an executed copy of this resolution to the employee and place a copy in the employee's personnel file for future reference.

This Resolution is hereby approved by the Isanti City Council this 4th day of May 2021.

Memo for City Council

To: Mayor Johnson and Members of the City Council
From: Katie Brooks, Human Resources Director
Date: May 5, 2021
Subject: LELS #217 & #416 Memorandum of Understanding- Vacation Carry Over

---

Background:

Due to the Covid-19 pandemic, members of the LELS #217 & #416 bargaining units were not able to use their vacation accrual time. A Memorandum of Understanding (MOU) was drafted to acknowledge that the members will have 12 months from the effective date of the MOU to use their vacation so no vacation hours are lost to the members. The attached MOU outlines the agreed upon language from all parties.

Request:
Staff is requesting action on this item.

Attachment:

- Memorandum of Understanding for LELS #217 & #416

MEMORANDUM OF UNDERSTANDING
BETWEEN
THE CITY OF ISANTI
AND
LAW ENFORCEMENT LABOR SERVICES, INC. LOCAL #217

This Memorandum of Understanding ("MOU") is by and between the City of Isanti, Minnesota ("City") and Law Enforcement Labor Services, Inc., Local #217 ("Union"). The Union is the exclusive representative for the bargaining unit noted above. The City and the Union are collectively referred to herein as the parties.

WHEREAS, the City and the Union are parties to a collective bargaining agreement ("CBA") effective January 1, 2020 through December 31, 2022; and,

WHEREAS, the City acknowledges certain Union members have encountered difficulty using accrued vacation due to the COVID-19 Pandemic; and,

WHEREAS, Article 18.2 of the CBA states the following:

"48 hours of unused vacation and the Employee's annual accrual may be carried over from year to year"; and,

WHEREAS, the City is agreeable to allowing affected bargaining unit members to carry excess vacation hours for up to twelve (12) months past the effective date of this MOU;

NOW THEREFORE, the parties agree as follows:

1. Notwithstanding the language of Article 18.2 of the CBA, bargaining unit members shall be permitted to carry accrued and unused vacation in excess of the accrual cap set forth in Article 18.2 of the CBA for a period of twelve (12) after the execution of this MOA. Excess vacation not used within twelve (12) months after the execution of this MOA shall be forfeit.

2. This MOU constitutes the entire agreement between the parties relating to the matters identified herein. No party has relied upon any oral statements or promises that are not set forth in this document. No changes to this MOU will be valid unless they are in writing and signed by the parties.

3. This MOU shall remain in effect for a period of twelve (12) months after execution.

4. The parties agree that this MOU shall not be considered precedent setting, constitute a past practice, or be used as evidence in any proceeding involving the City and the Union other than for purposes of enforcement of this MOU.

5. This MOU shall for all purposes be deemed to have been mutually drafted.

IN WITNESS WHEREOF, the parties have caused this Memorandum of Understanding to be executed this _____ day of _____, 2021.

Memo for Council

To: Mayor Johnson and Members of the City Council
From: Finance Director Betker
Date: May 4th 2021
Subject: Request to Proceed with Issuance of Conduit Debt

Background:
On March 29th a formal request was made by the Arts & Science Academy (ASA) seeking affirmation of the City's intent to issue conduit debt (5.6 million) to allow the ASA to buy out the leases on the two buildings they currently occupy and realize savings between the current lease payments and the projected debt service payment. The obligation would be assigned to First Bank & Trust at closing. At that point the City would have no role or obligation associated with the debt issue.

Per City Policy "The entity wishing assistance must first request the Finance Committee of the City review their proposal and provide the information and deposit the fee detailed below. After the Finance Committee reviews the proposal, the applicant may then request that the City Council review their proposal and grant permission to move forward to the public hearing stage." However, in the absence of a Finance Committee, that role was filled by the Committee of the Whole.

The ASA has signed the escrow agreement (attached) and has paid the minimum amount due.

At its April 20th 2021 meeting the Committee of the Whole acknowledged support for the project and recommended Council consideration.

Recommendation:
Staff is recommending approval to proceed and approval of the ASA's request to use Kennedy & Graven as Bond Counsel on the condition that our Bond Counsel (Taft Stettinius & Hollister LLP) review the final documents for defect prior to closing.

Request:
The ASA, as ABC Building Services is seeking authorization to proceed with the issuance of conduit debt to allow the ABC Building Services to buy out their current leases and realize savings between the current lease payments and the projected debt service payment

Action Required:
The Council may affirm authorize the ASA as ABC Building Services to proceed with the issuance of Conduit Debt or recommend that the ASA pursue alternative funding.

RESOLUTION 2021-XXX

SUPPORT FOR AND AUTHORIZATION TO PROCEED WITH THE ISSUANCE OF CONDUIT DEBT

WHEREAS, Minnesota Statute allows municipalities to issue conduit debt for the benefit of designated and qualified private entities; and,

WHEREAS, the City of Isanti has received a proposal for conduit debt issuance from ABC Building Services; and,

WHEREAS, the Committee of the Whole of the City of Isanti has reviewed the proposal and recommended consideration by the City Council; and,

WHEREAS, the City of Isanti has received a signed escrow agreement and the minimum escrow required per the City's Conduit Debt Policy; and;

WHEREAS, ABC Building Services has retained the Kennedy & Graven as Bond Counsel; and;

WHEREAS, The City of Isanti's Bond Counsel (Taft Stettinius & Hollister LLP) shall review final documents prepared by Kennedy & Graven before closing;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, hereby acknowledges its support of the proposed project and authorizes ABC Building Services and their Bond Counsel, Kennedy & Graven to proceed with the Conduit Debt issuance process:

This Resolution is hereby approved by the Isanti City Council this 4th day of May 2021.

City Clerk

ABC BUILDING SERVICES (ABCBS) CONDUIT FINANCING PROPOSAL

OVERVIEW

ABC Building Services (ABCBS) is pleased to submit this conduit financing proposal to the City of Isanti. This provides an overview for the nature of the request and a primer on the financials of the project.

The Objective

- Complete a proposed acquisition of properties for the Art and Science Academy (ASA) school complex to meet the needs for an increased student population to include a 9-12 high school.
- To partner with the City of Isanti in a tax conduit bank financing issue to lower costs for the school to finance the acquisition or alternatively for the City of Isanti to provide host approval for another city to be the sponsor of the tax conduit issuance.

Location Analysis

Currently both properties of Art and Science Academy are owned by the Charter School Development Corporation (CSDC) but will shortly become properties of ABCBS. ABCBS will become the long-term owner and lease manager of the properties for Art and Science. The two current properties operate under a P&Z conditional use permit that is allowed for public schools to operate in various zoning areas. The school currently leases use of the Elementary building to Grace Gospel Church for Sunday services and the school also leases a portion of the unused property north of the Middle School to a local farmer. This provides additional income streams to pay against the lease cost to CDSC, the remainder of the balance is paid through lease aid through the state and general funding from the school.

The Cambridge-Isanti area is growing at a substantial rate which includes over 50 housing permits in Isanti just in the past year and a similar amount in Cambridge nearby. With this growth comes additional families to the area which will increase the educational needs of this area for the foreseeable future. ASA and ABCBS see this as potential for steady growth in the area without the need to compete with the local school district for enrollment. Currently, ASA serves Cambridge, Isanti, and the immediate surrounding area in grades K-8.

Development Plan

ASA and ABCBS would be working together to implement the following plan:

- Step 1: Formation of an affiliated building corporation as the legal instrument to operating a charter school buildings per MN law. – Complete.
- Step 2: Line up financing and contact CDSC for purchase price of existing buildings. – In Progress.
- Step 3: Acquire buildings. Conclude business with CDSC. – On Hold, pending Step 2.
- Step 4: Once school fund balance reaches level for financial bonding (approx. 2-4 years), start the process to bond for building expansion of the Middle School into a 5-12 combined building. Bonding would roll over conduit loan for the acquisition of buildings into the bonding price for a single payment of long-term debt.
- Step 5: Commence construction of high school expansion and open to the public for school services.

Conduit Revenue Bond and Process

ABCBS wants to pursue this option for purchasing the properties because of the lower rates associated with tax exempt bonds vs conventional financing. Schools work within tight margins, so any way to reduce costs translates

into more funds to be able to turn back into programs and opportunities for students. Since ABCBS is representing a charter school, they do not have access to some of the bonding options that traditional districts have access to such as referendum-based tax obligation which require tax levy authority. However, as a 501(c)3 non-profit that provides services to the community, we do qualify for opportunities like the tax conduit bank financing as being outlined in this proposal. To that end, we are seeking City of Isanti approval to move ahead with this proposal or alternatively for the city to provide host approval so that we can approach another city that has loan capacity remaining.

ABCBS retains Jay Squires of Rupp, Anderson, Squires & Waldspurger for the school's real estate counsel. Jay has substantial experience representing schools for real estate transactions and is a certified Real Property Specialist in MN. ABCBS is fine with working with Northland Securities as the city's bond counsel. Alternatively, Kennedy&Graven or Fryberger of Duluth are acceptable as replacement bond counsel if needed. We understand there are associated costs as outlined in the conduit bond policy of the city and have attached our escrow agreement to this proposal.

ABCBS understands that a tax conduit bank financing requires the non-profit to assume all the risk of the debt payments and that the city cannot be held liable or responsible if any debt is issued. We are confident there would be no issues with this requirement as the school has been on time with its payments for years and as of the most recent financial audit had no significant findings or material issues.

Financials

ABCBS was created specifically for this purpose as the legal entity for ownership of the school properties (per MN law regarding ownership of charter school buildings). As such ABCBS does not have a financial history. Instead, listed below are the basic financials of ASA, which would be the tenant of the properties and who would be paying the lease to cover the associated costs. For a charter school seven years into operations, ASA is within the normal range financially. Typically, it is recommended by non-profit industry standards that charter schools maintain a fund balance in the 20-30% range.

	2019-20	2020-21 (est)	2021-22 (est)	2022-23 (est)
Enrollment	382	347	357	370
Revenues	$4,957,804	$5,697,253	$4,882,691	$5,103,004
Expenditures	$4,515,393	$4,958,576	$5,028,709	$5,171,978
Fund Balance	$751,390	$1,490,067	$1,344,049	$1,275,075
Fund Balance %	16.6%	30.1%	26.7%	24.7%

The current financing plan would be as follows:

	Funding	Costs	Total
Acquisition Costs (est)		$6,378,976	
Conduit Financing (80%)	$5,103,180.80		
Secondary Financing (20%)	$1,275,795.20		
Total			$6,378,976

ASA pays on a yearly lease with CSDC of approximately $642k which includes a roughly 20% overhead for CSDC's costs. We anticipate that this overhead will make it essentially revenue/expenditure neutral in the new financing arrangement. Any additional costs beyond what is listed above would be paid for through school funds. The terms of the conduit financing would be looking at a ten-to-twenty-year term with the likelihood of it being rolled into a

long-term bond at approximately year six or seven. The bank ran an estimate on a 3% rate and came up with $447,617 per year for the 80% conduit portion. The remaining 20% portion would generate an approximately $111,904 yearly cost for a combined total of $559,521. This is well within the current lease payments.

Projected Timeline

Key project dates are outlined below. Dates are best-guess estimates and are subject to change until a contract is executed.

Description	Start Date	End Date	Duration
Project Start	2019	NA	Approx 3-7 years
Formation of ABC	2019	2020	Complete
Acquisition of Properties	2020	2021	In Progress
Fund Balance for Bonding	2021	2023 or 2024	Pending
Financing of Expansion and Design	2024	2025	Approx 1 yr
Construction	2024 or 2025	2025 or 2026	Approx 8-15 mths
Opening	2025 or 2026	NA	

EXPECTED RESULTS

We expect that our proposed development plan will produce the following benefits:

Financial Benefits

- Increased land value around the school due to land improvements.
- Increased opportunity for growth in the area due to increased educational opportunities.
- More visible development in the town to spark additional interest in the area, especially the north side of town.
- A stable return/low risk since funding comes from school enrollment/state funding.
- The sponsoring city usually collects a fee for approving a resolution for the bond which brings in additional revenue with no financial risk.
- Lower financial costs for the school which translates into more funds being able to be turned back into educational programs.

Social Benefits

- Increased educational opportunities for the community.
- Increased social programs for students in the community.
- Increased avenues for access to social services (meals programs, family services, etc)

CONCLUSION

We look forward to hearing feedback regarding this proposal.

If you have questions on this proposal, feel free to contact Kevin Fitton at your convenience by email at kevin.fitton@asa.k12.mn.us or by phone at 763-444-0342.

Thank you for your consideration,

Kevin Fitton

Executive Director - ASA

Attachment A

Escrow Agreement with the City of Isanti

This Escrow Agreement pertains to the project known as__***Art and Science Academy Building Acquisition***___.

The escrowed funds described below shall be applied toward the City's actual cost of legal fees, engineering fees, filing fees, administrative expenses and other costs related to this project and the applicant's request for the issuance of conduit revenue bond financing.

All fees and costs incurred by the City in connection with this agreement shall be charged against and drawn by the City from said escrow which shall remain in effect until the completion of the proposed project or for one year after the project is withdrawn or the fails to proceed. Any funds remaining in this escrow account after such date shall be refunded to the applicant.

The applicant shall deposit in escrow with the City as provided above, the amount of *one fourth of one percent (1/4%) of the proposed issuance amount with a minimum deposit of $3,000 and a maximum deposit of $25,000. For host approval a deposit of $3,000 is required.* In the event that the escrow amount is depleted, the applicant agrees to post additional sums of money to replenish the account to a minimum of $1,500 (one thousand five hundred dollars) to cover City projected costs. The applicant agrees that the escrow account shall always have a balance of no less than $1,500 for this portion of the project. If the account depletes to $1,500 or below dollars in the account, the City may suspend work authorized under a permit or an approved project for non-payment of project expenses or depletion of escrow monies.

The applicant, upon request, shall be entitled to a current itemized statement of all costs and fees charged against this escrow account.

The City of Isanti Finance Department shall send the applicant statements on a quarterly basis, or at such other intervals as the City deems appropriate, showing the current balance and escrow account activity since the previous statement. The applicant shall promptly pay to the City any amounts due the City pursuant to any such statements submitted by the City to the applicant which show a balance due.

Through the below signature, the applicant agrees to pay in accordance with the terms of this agreement all development costs and deposits as outlined above.

RELEVANT LINKS:

Note that bond investors have very little interest in how the proceeds are used, if the bonds are general obligations. Therefore, the classification by use of proceeds is mostly relevant from a standpoint of city policy and financial management.

IV. Bonds by user

The most commonly-issued bonds represent borrowing by a city to finance public assets—the city itself is the "user" of the proceeds. But Minnesota law authorizes cities to issue bonds where the proceeds are actually used by private parties. These bonds are referred to in most cases as "private activity bonds"—a name derived from federal tax law. Private activity bonds fall into two major categories, discussed in turn below.

See Section VIII-B *Governmental versus private activity.*

A. Conduit bonds

Minn. Stat. §§ 469.152 to 469.1651.
Minn. Stat. ch. 462C.

Unlike almost all other bonds, "conduit bonds" are initiated by and issued for the benefit of private entities. Under the state statutes that authorize these bonds, the city issues the bonds and loans the proceeds to the private entity. That private entity repays the loan in an amount sufficient to pay principal and interest on the bonds. As a practical matter, the loan is (normally) handled entirely by a separate bond trustee (usually the trust division of a bank). After the bonds are issued, the city has almost no role in payment or administration of the bonds.

The bonds are revenue bonds—the city does not pay debt service or any other cost related to the transaction. As such, the bonds have no effect on the issuing city's credit rating and are not counted against any statutory limitations on borrowing. When the bonds are sold, investors look only to the credit of the private borrower (and any related private security, such as mortgages and guarantees). While the city council must approve issuance of the bonds and all the bond documents, the transaction is largely handled by the private borrower and the underwriter that usually serves as the initial purchaser of the bonds. The bond counsel for conduit bonds may be the city's regular bond counsel or may be retained by the private entity (this is a matter of city policy and practice).

See Section X *Participants in a bond sale.*

The types of private activity bonds are governed primarily by federal tax law. Congress in effect created this kind of bond to provide tax-exempt (and therefore lower cost) borrowing to certain favored activities carried out by private entities.

Much of today's tax law regarding these bonds originated with the Tax Reform Act of 1986, which sharply narrowed the scope of permissible private activity bonds (previously known as "industrial development revenue bonds" or "IDR bonds").

RELEVANT LINKS:

The three most common conduit bonds in Minnesota are:

- *Qualified 501(c)(3) bonds*, where the user of bond proceeds is a nonprofit 501(c)(3) entity. Typical examples include nonprofits that own nursing homes, hospitals, senior and other affordable housing, and schools (from K-12 to college). But any nonprofit with 501(c)(3) status is eligible for this type of financing, so bonds have been issued for entities as diverse as the YMCA to Minnesota Public Radio.
- *Housing revenue bonds (exempt facilities)*, where the user of bond proceeds is a private for-profit entity that builds housing intended for occupancy by persons or families who meet specified low-income guidelines.
- *Small issue manufacturing bonds,* where the user of the proceeds is a manufacturing business that constructs manufacturing facilities that meet certain federal requirements.

There are other less common conduit bonds that cities may occasionally encounter, but the three listed above represent the bulk of this bond type.

B. Tax increment and abatement private activity bonds

Minn. Stat. § 469.178. Minn. Stat. § 469.1814.

See Handbook, *Community Development and Redevelopment*.

The other category of common private activity bonds are those issued in the context of economic development and redevelopment. Cities may issue bonds secured by tax increments (all the increased taxes in a TIF district or portion thereof) or abatements (the taxes imposed by a participating taxing jurisdiction, usually just the issuing city).

The city *may* be the "user" of these bonds, for example, when proceeds finance public streets or other public infrastructure needed for a private development project. But bond proceeds may be delivered to a private developer to finance aspects of the private development permitted under law—such as land acquisition, excavation, and other eligible private improvements. In those cases, the private developer becomes the "user."

In most cases, where the private developer is the user, the issuing city will also require the developer to provide additional security, such as an agreement to maintain a minimum value, or a guarantee to cover debt service if tax increments or abatements fall short of expectations. The result is that these bonds are treated as "private activity bonds," and must be issued as taxable bonds.

By contrast, conduit bonds are tax exempt despite the fact that they are issued for the benefit of, and secured by, a private entity—but only because the private entity accomplishes some public purpose identified by Congress in federal tax law.

RESOLUTION NO. 2009-216

A RESOLUTION APPROVING THE CONDUIT BOND POLICY

WHEREAS, the City of Isanti has placed economic development as a primary goal for year 2009; and,

WHEREAS, the Finance Committee is recommending City Council approval of a Conduit Bond Policy; and,

WHERAS, the Conduit Bond Policy is meant to clearly identify the City's roles in issuing the bonds for an entity; and,

WHEREAS, the City of Isanti believes that the Conduit Bond Policy is an important tool to bring additional businesses and / or entities to Isanti and to assist businesses expanding in Isanti.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of Isanti, Minnesota to approve the Conduit Bond Policy attached as 'Exhibit A'.

This Resolution was duly adopted by the Isanti City Council this 1st day of September 2009.

ATTEST: Mayor George A. Wimmer

Irene J. Bauer
Assistant City Administrator/City Clerk

(SEAL)

EXHIBIT A

City of Isanti, Minnesota
Terms and Conditions for the Issuance of Conduit Debt

Municipalities may be asked by not-for-profit agencies and other entities to issue pass-through, conduit debt. These issues are not projects of the governmental unit but of a separate corporation. In order to expedite the assistance that City of Isanti can offer and to avoid a resource drain on the City, the City of Isanti requires the following:

The entity wishing assistance must first request the Finance Committee of the City review their proposal and provide the information and deposit the fee detailed below. After the Finance Committee reviews the proposal the applicant may then request that the City Council review their proposal and grant permission to move forward to the public hearing stage.

The applicant must provide to the Finance Director documentation about the entity requesting the assistance, the project, and the proposed financing method. The City also requires that the applicant assume all of the costs incurred by the City in examining the legal and fiscal aspects of the project as well as ongoing monitoring and reporting of outstanding bonds once issued. *The applicant must make a deposit of one fourth of one percent (1/4%) of the proposed issuance amount with a minimum deposit of $3,000 and a maximum deposit of $25,000.* The applicant must sign the City of Isanti Escrow Agreement, please see Attachment A. These funds will be applied against the costs incurred by the City for staff time, its consultants, and any other expenses caused by the proposal. If the application is denied, the deposit amount in excess of these costs will be refunded to the applicant. If the application is approved, the full deposit will be retained to additionally cover costs of issuance and future monitoring. In the event the City's actual costs exceed the deposit amount, the applicant will be required to reimburse these additional amounts.

In addition, the applicant agrees to reimburse the City for any costs incurred related to the City's bonds having to be designated as non-bank qualified bonds as a result of the applicants borrowing. The amount shall not exceed the State of Minnesota's restrictions on the amount of funds that maybe be bonded.

The entity should be prepared to demonstrate to the City how the proposed project will benefit the community. The applicant may request to be placed on the Finance Committee's agenda for City Council recommendation by contacting the City of Isanti Finance Department or by submitting a letter outlining the request, and appearing before the City when the request is heard.

If permission is granted by the City, the City's bond attorney must be consulted to review used for the issuance. The bond attorney for the issue must:

> Provide to the City Council a written statement indicating that the documents have been appropriately prepared, all concerns of the City and points covered by this document have been addressed, and it is acceptable for the Council to adopt the

needed resolutions. No documents will be adopted by the Council or signed by Council members or staff without the attorney's statement.

Prepare a contract obligating the applicant requesting the debt (obligor) to repay to the City any interest margin for bank qualified bonds that the applicant uses and the City later needed on debt it issues for its own purposes.

Assure that any Official Statement or other offering document prominently displays in large, bold type that City of Isanti does not have any obligation to repay the debt and what the rating of the bond issue is, if any.

When the issue is complete and closed, provide two copies of the transcript and amortization schedules of the issue to the Finance Director on a timely basis.

The debt instrument issued must not place the City at risk in any way, financially or legally, in appearance or in fact. The Federal Government has also placed the burden of weighing the balance of "public purpose versus private benefit" upon the City Council for these conduit debt issues. The Council will consider risk, the public versus private benefit balance, and the recommendation of its staff. Because of the subjective nature of the issues it must weigh, the Council retains the right to refuse to authorize any issue at its sole discretion and without need to give cause. The obligor must indemnify the City against all future costs including but not limited to law suits, findings that the issue was not tax-exempt, or penalties of any kind. The documents must clearly reflect the indemnification of the City.

The City will not be responsible for any continuing disclosure or arbitrage calculations or rebate and the documents must clearly reflect that the obligor is responsible for these matters.

The applicant requesting the conduit debt and their advisors must arrange for the logistics of all document movement, timing, signature, publication, etc. It is very important to assure that the necessary individuals will be available for signatures on documents well in advance of needing the signatures. Signatures will be supplied at the convenience of the City.

City Administration places items on the Council agenda and obtains signed documents from the Council. The contact in that office is the Assistant City Administrator / City Clerk. It is the responsibility of the applicant to:

Inquire as to when Council meetings are scheduled (and to check again as necessary because meeting dates change without notice),

Inquire as to when documents must be delivered in order to be accepted for the agenda,

Provide the appropriate cover sheet (see sample attached) for the materials for inclusion in the Council agenda,

Arrange for copies which need to be signed and to provide the necessary envelopes and postage or other arrangements to move the documents when signed.

The documents are signed after the meeting at a time convenient to the Mayor, typically within a week after the meeting.

Arrange to move (envelopes/postage) any notices requiring publication to the appropriate newspaper, pay for the publication, and obtain any signed affidavits necessary (please contact City Staff as to the City's Official Newspaper).

Attend all necessary meetings, including, but not limited to Committee and City Council meetings to answer questions concerning the issue while the documents are being considered,

Arrange to have any other necessary documents delivered for signature by other City officials such as the City Attorney and the Finance Director and after signature have appropriate self addressed and stamped envelopes available for return. The officials should be notified in advance, by telephone, that documents are being sent for signature,

Arrange for all IRS and Federal or State filings and or fees,

Arrange to have all necessary professional fees paid directly to the professionals who did the work either out of bond proceeds or make other acceptable arrangement with the professionals doing the work.

The City will consider requests for tax exempt financing of projects in the City by other political subdivisions. In these cases the applicant must make a deposit of $3,000. The applicant must sign the City of Isanti Escrow Agreement, please see Attachment A. These funds will be applied against the costs incurred by the City for staff time, its consultants, and any other expenses caused by the proposal. If the application is denied, the deposit amount in excess of these costs will be refunded to the applicant. If the application is approved, the full deposit will be retained to additionally cover costs of issuance and future monitoring. In the event the City's actual costs exceed the deposit amount, the applicant will be required to reimburse these additional amounts.

Attachment A

Escrow Agreement with the City of Isanti

This Escrow Agreement pertains to the project known as_____.

The escrowed funds described below shall be applied toward the City's actual cost of legal fees, engineering fees, filing fees, administrative expenses and other costs related to this project and the applicant's request for the issuance of conduit revenue bond financing.

All fees and costs incurred by the City in connection with this agreement shall be charged against and drawn by the City from said escrow which shall remain in effect until the completion of the proposed project or for one year after the project is withdrawn or the fails to proceed. Any funds remaining in this escrow account after such date shall be refunded to the applicant.

The applicant shall deposit in escrow with the City as provided above, the amount of *one fourth of one percent (1/4%) of the proposed issuance amount with a minimum deposit of $3,000 and a maximum deposit of $25,000. For host approval a deposit of $3,000 is required.* In the event that the escrow amount is depleted, the applicant agrees to post additional sums of money to replenish the account to a minimum of $1,500 (one thousand five hundred dollars) to cover City projected costs. The applicant agrees that the escrow account shall always have a balance of no less than $1,500 for this portion of the project. If the account depletes to $1,500 or below dollars in the account, the City may suspend work authorized under a permit or an approved project for non-payment of project expenses or depletion of escrow monies.

The applicant, upon request, shall be entitled to a current itemized statement of all costs and fees charged against this escrow account.

The City of Isanti Finance Department shall send the applicant statements on a quarterly basis, or at such other intervals as the City deems appropriate, showing the current balance and escrow account activity since the previous statement. The applicant shall promptly pay to the City any amounts due the City pursuant to any such statements submitted by the City to the applicant which show a balance due.

Through the below signature, the applicant agrees to pay in accordance with the terms of this agreement all development costs and deposits as outlined above.

CITY OF ISANTI
PARKS, RECREATION, AND CULTURE BOARD MEETING MINUTES
April 27,2021

Call to Order: Aaron Zdon called the meeting to order at 6:02 p.m.

Roll Call: Members Present: James Witte, Aaron Zdon and Council Member Jimmy Gordon
Staff Present: Alyssa Olson, Parks, Recreation & Events Coordinator and Matt Sylvester, Public Services Director

Agenda/Modifications: Zdon asked that February Minutes be added to the agenda. Sylvester added it to the Agenda with motion by Witte; second by Gordon.

2. Meeting Minutes: Motion by Witte; second by Gordon to approve meeting Minutes from March 23, 2021. Motion passed 3-0.

3. Park Visit Summary: Zdon gave update on Legacy Park with notes of minor knife marks, but overall everything is nicely maintained. Recommended adding a dog waste station, to replace trail maps and set a note for future discussion on allowing bikes on the path. Whisper Ridge is in bad shape with large cracks in court surface. Recommended filling cracks and restriping, and discussing possibility for turning the court into a pickle ball court per resident requests and previous discussions. Mentioned it does get a lot of use, just needs to be better maintained. Zdon also noted that previous discussions suggested the future park at South Passage be turned into pickle ball courts. Olson to look at previous minutes on pickle ball discussion to assess viability. Academy Park in great condition with no visible safety issue. Recommended moving the portable so it is ADA accessible and connected to the trail instead of at the curb; then looking into connecting the trail to the cul de sac. Witte gave update on Rum River Meadows with notes of light graffiti and mulch throw; a lot of trash was onsite – Sylvester noted that Public Works had slowed down pick up to prepare for Earth Day Clean-Up but the crew would be picking back up on that maintenance this week. River Bluff Preserve had debris on trail – Sylvester noted that was likely due to the river water levels and would send crew through once the water level is down. Witte recommended expanding rock layer around Community Garden instead of stopping partially through. Isanti Hills Neighborhood Park was in okay condition as a park with presumed minimal use with some knife marks and wearing equipment. Mattson Park had light graffiti and limited trash as Earth Day Clean-up crew had cleaned the park that week. Gordon gave update on VFW park and noted it was in good shape, but the gate is chained up and looks like the park is closed although it isn't. Sylvester mentioned the gate could be opened consistently to minimize that perception. Gordon noted the bleachers at Unity Park need replacing – Olson noted new bleachers were recently purchased and will be replaced in the coming weeks. Witte noted the field contains a few bumps that could be dangerous for players. Bluebird Park is in great shape, but there remains to be a garbage issue at the skate park. Sylvester noted it's a consistent problem with the park users not using the receptacles and the Public Works crew knows to check that area frequently during their clean up. Noted the grass is starting to grow on the sledding hill and will hopefully cover in the next few weeks as it gets summer. Discussion was had on the hopscotch stencil with no confirmation if we own one or borrowed from Academy Park; Olson and Sylvester will look into to confirm. Riverside Park is well maintained, but the equipment appears to be dirty consistently. Zdon mentioned it may be because of the tree cover and may just need pressure washing. Mulch needs replacing under swings, but is otherwise well maintained.

Olson requested the Board's opinions on turning underused parks into green space or transitional park spaces. Witte noted the volleyball court doesn't appear to be used and could be moved to replace with more active recreation. Gordon would like to see us move towards replacing some parks with green space, but there's no rush to do so as long as they are being used and maintenance of equipment is not a burden. Zdon noted it doesn't make sense to spend resources to tear a park out while money is being spent to upkeep the area. Olson asked if there are any thoughts about transitioning elements of those parks as equipment needs replacing, but not all at the same time. Zdon mentioned liking the natural parks like Winona where dirt is used with slides and log structures built into the space, but noted they are likely expensive. Olson pondered if adding more recreation for adults would be useful, i.e. adding fitness structures or equipment that could be used by older residents. Witte noted it would be helpful to poll the community through a survey on how much they use the park and what they would like to see there. Olson will look into surveying options and put together a draft for the May Board meeting.

4. Department Updates

Olson shared updates from March events: Movie Night had 6 people attend and noted that the program should be reviewed as Fall programs are considered; April Curious Creatures had 10 kids attend that all seemed to enjoy the program and wish to return; Earth Day Clean-up had lighter support than previous years, but Olson noted is likely due to COVID impacting businesses that would have supported previously. Community Garden is full and will open on May 6; Farmers' Market vendors are filling space as well with each week having approx.. 12 vendors and more applying each day; Kids Day planning is ongoing and fireworks have been booked for Thursday night. Olson is working with North 65 Chamber to ensure proper cross-promotion and support of the event. Olson shared the approval to move forward with the Performance Center in Bluebird Park, pending Council final approval at end of May. Zdon requested to see the blueprint for the Performance Center and site plan, which will Olson will provide at the May meeting. Olson prompted the Board to send any ideas for events, parks, programs, etc. her way to research as needed for future potential.

Adjournment: Motion by Witte, second by Gordon to adjourn the April 27, 2021 meeting of the Parks, Recreation, and Culture Board. Motion passed 3-0, meeting adjourned at 6:43 p.m.

Respectfully Submitted
Alyssa Olson
Parks, Recreation & Events Coordinator

Mayor's Proclamation

City of Isanti

Whereas Employers and Employees are a dynamic part of the City of Isanti's and Minnesota's economy; and,

Whereas The promotion of our Employer's and their talented Staff showcase the strength and success which is an integral part of the City of Isanti's economic development strategy; and,

Whereas All Isanti employers located within the City of Isanti provide jobs which significantly contribute to the City of Isanti's standard of living and economic vitality; and,

Whereas The City of Isanti has approximately 1,930 people that are employed within its corporate limits; and,

Whereas Employees contribute to the economic success of Isanti businesses by buying local and supporting other Isanti businesses; and,

Whereas The City EDA is sponsoring an appreciation luncheon to the Employers and their Employees on June 16, 2021 highlighting certain businesses with milestone Isanti anniversaries.

Now, therefore, I, Jeff Johnson, Mayor of the City of Isanti, do hereby proclaim that the day of June 16, 2021 shall be observed as:

Mayor's Employer Celebration Day

in the City of Isanti on this 18th Day of May, Two Thousand Twenty-one.

_____

Jeff Johnson, Mayor

MINUTES
CITY OF ISANTI
CITY COUNCIL MEETING
TUESDAY, MAY 4, 2021 – 7:00 P.M.
CITY HALL

Mayor Johnson called the meeting to order at 7:00 p.m.

The Pledge of Allegiance was recited.

Members Present: Mayor Jeff Johnson, Councilors: Jimmy Gordon, Paul Bergley, Steve Lundeen and Dan Collison

Members Absent: None

Staff Present: City Administrator Josi Wood, Human Resources Director Katie Brooks, Finance Director Mike Betker, City Engineer Jason Cook, Community Development Director Sheila Sellman

D. Public Comment
None

E. Adopt Agenda
- Add Business K.3 Fire District Training Discussion
- Remove Consent: L.14 Approving the Offer of FT Police Officer for Jesse Zajac
- Add Consent: L.14 Accepting Received Quotation for Liquor Store Refrigeration Systems
- Add: Closed session pursuant to MN Statute 13D.05

Motion by Lundeen, second by Bergley to adopt the agenda with the revisions listed above. Motion passed 5-0. Motion carried.

F. Proclamations/Commendations/Certificate Award
1. 2020 Wastewater Treatment Award
Mayor Johnson shared that Isanti has been awarded the Waste Water Treatment award for a number of years and it is a testament of the great staff in the Public Works department.

G. Approve City Council Minutes
1. March 23, 2021- Parks, Recreation and Culture Board Meeting
2. April 13, 2021- Special City Council Meeting
3. April 20, 2021- Regular Meeting of the City Council
4. April 20, 2021- Committee of the Whole Meeting

Motion by Lundeen, second by Bergley to approve minutes as presented. Motion passed 5-0. Motion carried.

H. Announcements

1. Committee of the Whole	Tuesday, May 18, 2021 at 5:00 p.m.
2. City Council Meeting	Tuesday, May 18, 2021 at 7:00 p.m.
3. Planning Commission Meeting	Tuesday, May 18, 2021 *(Immediately following the City Council Meeting)*

I. Council Committee Reports

Mayor Johnson stated that he attended the Athens Township Board meeting where they shared Isanti is doing a great job.

J. Public Hearings

None

K. Business Items

Community Development Director Sheila Sellman

1. Ordinance-755 Amending City Code Chapter 87; Keeping of Certain Animals

Community Development Director Sheila Sellman shared that this is to add Honeybees to the Ordinance. The ordinance includes the changes directed at April's Committee of the Whole meeting with language that the City is not liable for hives when the City sprays for mosquitos and registration is required. The ordinance has been posted for the required 10 days.

Lundeen stated that he would like to draw the line about keeping of certain animals.

Motion by Lundeen, second by Bergley to approve ordinance as presented. Motion passed 5-0. Motion carried.

City Engineer Jason Cook

2. Resolution 2021-086 Awarding the Bid for the 2021 Storm System Maintenance Project

City Engineer Jason Cook shared that four contractors were contacted to request for a bid for the 2021 Storm System Maintenance Project. Two contractors submitted a bid by the deadline. Dirtworks is recommended to be awarded this project as the bid received is within the anticipated budget.

Motion by Lundeen, second by Collison to approve resolution as presented. Motion passed 5-0. Motion carried.

City Administrator Josi Wood

3. Resolution 2021-102 Council Acknowledgement and Support of Fire District Training Exercises

City Administrator Josi Wood shared that the Fire District plans to do a live burn training on Monday, May 10th. A prop will be brought it in the size of a skid load trailer made of metal, cardboard and wood in it to simulate a house fire where Firefighters will train putting it out. The training will use approximately 2,000 gallons of water and Fire Chief Al Jankovich has requested the fee for the water charges be waived for this training.

Councilmember Lundeen stated he did not see a reason to charge the water fee for the training as it betters the department for the City.

A motion was made by Lundeen to waive water fees for the training and any future training exercises for the Fire District as well as requests for training does not need to be approved by Council as long as no conflicts and proper notice to the City, seconded by Collison. Motion passed 5-0. Motion carried.

L. Approve Consent Agenda

1. Payroll in the Amount of $113,687.03 Accounts Payable in the Amount of $427,016.93
2. **Resolution 2021-087** Approving a Mutual Aid Agreement Between the City of Isanti and Isanti County for the Sharing of Equipment and Personnel Resources

3. **Resolution 2021-088** Approving a Temporary 3.2 On-Sale Malt Liquor License for the Isanti Lions Club for the 2021 Isanti Street Dances
4. Approval of Rights of First Refusal Agreement with UPS for City Owned Land PID 16.029.1400
5. **Resolution 2021-089** Approving the dissolution of Joint and Cooperative Agreement, Joint Planning Advisory Board, with the City of Cambridge
6. **Resolution 2021- 090** Approving the Offer for Park and Rec Internship for Maizy Burk
7. **Resolution 2021-091** Approving the Offer for Economic Development/ Marketing Intern Will Bucheger
8. **Resolution 2021- 092** Accepting Resignation for Building Official Steven Thorp
9. **Resolution 2021-093** Amending the 2021 Capital Improvement Plan for the Isanti Community Center
10. **Resolution 2021-094** Approving New Position- Permit Technician
11. **Resolution 2021-095** Accepting Donation for the Isanti Redbirds and Authorizing Expenditure of Same
12. **Resolution 2021-096** Authorizing Appraisal of Parcel 16.090.0102
13. **Resolution 2021-097** Approving Request for Proposals for Interim and Backup Building Inspection Services
14. **Resolution 2021-098** Accepting Revised Quotation for Liquor Store Refrigeration Systems
14. LELS #217 & #416 Memorandum of Understanding- Vacation Carry Over
15. **Resolution 2021-099** Support for and Authorization to Proceed with the Issuance Conduit Debt

Councilmember Gordon asked if the oven at the Community Center is a commercial oven.

City Administrator Josi Wood stated that it is a commercial convection oven and the benefit of having the convection oven over using the range is that the natural gas does not need to be turned on and the pilot lights be lit. Part of the cost is the purchase of a range hood to come into compliance as there currently is not one.

Motion by Bergley, second by Lundeen to approve the consent agenda as presented. Motion passed 5-0. Motion carried.

M. Other Communications

1. Draft Minutes for the April 27, 2021 Parks, Recreation and Culture Board Meeting

Mayor Johnson stated the Council was going into closed session pursuant to MN Statute 13D.05 at 7:23 p.m.

N. Closed Session

Motion made by Lundeen and seconded by Collison to move into Closed Session pursuant to Minnesota Statutes Section 13D.05, subdivisions 2(b) and 3(b) for preliminary consideration of charges or allegations against a City employee and pursuant to the attorney-client privilege to obtain advice regarding potential imminent legal action related to the City's allegations and defenses in an employment matter. Motion passed 5-0. Motion carried.

Meeting was closed at 7:24 p.m. and motion by Lundeen and seconded by Collison to recess the closed meeting and reopen at 8:11 p.m. Motion passed 5-0. Motion carried.

Upon reopening of the meeting, a motion was made by Lundeen to approve **Resolution 2021-100** Resolution Disciplining an Employee, seconded by Gordon. Motion passed 5-0. Motion carried.

A motion was made by Lundeen to approve **Resolution 2021-101** Authorizing Interim Compensation to Assistant Liquor Store Manager Keith Lusk and Clerk I Gregory Fauskee, seconded by Collison. Motion passed 5-0. Motion carried.

Adjournment
A motion was made by Lundeen, seconded by Collison to adjourn. Motion passed 5-0. Motion carried.

Meeting adjourned at 8:14 p.m.
Respectfully Submitted,

Jaden Strand
City Clerk

Economic Development

a. Pledge of Allegiance
b. **Roll Call:** members Present: Jeff Johnson, Jimmy Gordon, Paul Bergley, Steve Lundeen, Dan Collison, Justin Nielson (7:35pm) absent: Luke Merrill. Staff present: Sheila Sellman Community Development Director, and Josi Wood City Administrator.
c. Agenda Modifications: None
d. Adopt Agenda: Motion by Lundeen 2nd by Collison to adopt the agenda, motion passed 5-0.

2. **Approve Minutes of February 2, 2021 Regular Economic Development Authority Meeting:** Motion by Collison 2nd by Bergley to approve, motion passed 5-0.

3. **Business Items**
   A. Second Amendment to Purchase Agreement with LTL LED, LLC: The EDA entered into a purchase agreement with LTL LED, LLC to purchase two lots, LTL LED LLC needs to change their name on the purchase agreement to Wolf River Industries, LLC this is their affiliated entity. Motion by Lundeen, second by Collison to approved the second amendment, motion passed 5-0.
   B. Market Guide – Retail Academy: Sellman gave a summary of the Retail Academy. She explained the market guide and a list of targeted businesses. She asked the EDA to approve a membership to the ICSC (International Council of Shopping Centers) she explained this membership will provide contacts for site selectors and real estate contacts. Motion by Lundeen, Second by Bergley motion approved 6-0.

4. **Other Business / Updates / Communications**

5. **Adjournment:** Motion by Bergley second by Lundeen to adjourn, motion passed 6-0. Meeting adjourned at 7:49pm.

Respectfully submitted by Sheila Sellman Community Development Director/EDA Secretary

Economic Development Authority
Special Meeting Minutes
April 20, 2021

1. **Call to Order**: EDA President Jeff Johnson called the meeting to order at 6:33pm
a. Pledge of Allegiance
b. Roll Call: Members present: Jeff Johnson, Steve Lundeen, Dan Collison, Paul Bergley, Jimmy Gordon (via Zoom) and Justin Nielson. Members Absent: Luke Merrill. Staff Present: Sheila Sellman, Community Development Director, Josi Wood, City Administrator, Jaden Strand, City Clerk, Mike Betker, Finance Director, Jason Cook, City Engineer.
Others present: Jessica Green Northland Securities.
c. Agenda Modifications: None
d. **Adopt Agenda**: Motion by Lundeen 2nd by Bergley and Collison to adopt the agenda, motion passed 6-0.

2. **Resolution 2021-XX Establishing Economic Development District No. 2:** Finance Director Mike Betker introduced the resolution indicating this is the first step for the revenue bonds we are using to build the liquor store. Jessica Green with Northland Securities reviewed the resolution stating this resolution is for boundaries. Motion by Lundeen Second by Collison to approve the resolution, motion passed 6-0.

3. **Resolution 2021-XX Approving the Issuance of Public Project Lease Revenue Bonds, Series 2021A (City of Isanti, Minnesota Lease with Option to Purchase Project):** Green introduced the resolution. This resolution provides for the issuance and sale of lease revenue bonds for the liquor store project. The plan is to sell the bonds the morning of May 18, 2021 with some flexibility based on the market. She also reviewed the finance plan summary. Proceeds from the bonds will be issued to finance the construction of a new municipal store building. The bonds will mature annually each December 15 in the years 2022 through 2036. Interest on the bonds will be payable on June 15, 2022 and semiannually thereafter on each December 15 and June 15.
Motion by Lundeen to approve – Discussion on motion: Gordon had questions about why we are bonding for such a high amount. Betker explained it is an amount up to not to exceed amount. He further explained we are using the bonds to recoup the land purchase and a large escrow amount which is rolled into the bond so we don't have to tie up cash. Gordon asked if we used cash to purchase the land, and Betker confirmed that we did. Betker explained that was the plan to begin with is to pay ourselves back with the bond. Gordon asked if we could just bond for less since we already paid for the land with cash. Betker explained that its best to use the bonds to pay ourselves back so there is a cushion for the project. Gordon would like to see us be more aggressive to get the lower interest rate. *Motion seconded by Collison; Motion passed 5-1. Gordan NAY.*

4. **Adjournment:** Motion by Lundeen to adjourn, second by Collison motion passed 6-0 meeting adjourned at 6:52pm.

Respectfully submitted by Sheila Sellman, Community Development Director/Secretary

Memo for Council Action

To: **Mayor Johnson and Members of the City Council**
From: Alyssa Olson - Parks, Recreation, and Events Coordinator
Date: May 18, 2021
Subject: Resolution 2021-XXX Approving a Special Event Permit Request for the Rum River Rods 11th Annual Summer Spectacular Car Show

---

Background

The Rum River Rods have submitted a special event permit application to host their annual Summer Spectacular Car Show on Main Street. The event, including setup and tear down, will take place Saturday, August 7, 2021 from 8am-4pm.

Road closures are being requested along Main Street from the railroad tracks, west to 4th Avenue; 1 block North and South to 2nd Avenue and 1st Avenue. The event will precede the Downtown Isanti Street Dance and will utilize the same road blocks and restrooms. Speakers and a PA system will be used during the event. Event staff and volunteers will be responsible for cleaning up waste on the property after the event ahead of the Street Dance setup.

The approximate attendance is 300-500.

The event is free to attend and owners pay $10 per car to show. Money collected will support club expenses and event production.

The complete application along with departmental review are attached.

Staff Request

City staff is requesting approval of the Rum River Rods 11th Annual Summer Spectacular Car Show Special Event Permit application and attachments.

Memo for Council Action

To: **Mayor Johnson and Members of the City Council**
From: Alyssa Olson, Parks, Recreation & Events Coordinator
Date: May 18, 2021
Subject: Resolution 2021-XXX Approving a Special Event Permit Application for BMC British Auto Car Show

---

Background

The City received a special event application from BMC British Auto which will be hosting a car show on their premises at 444 East Dual Blvd on Saturday, June 5, 2021 from 10:00 am to 3:00 pm. Organizers are expecting 75 people for the event. Show cars will be parked on the premises; spectators will park along both sides of East Dual Blvd. Event organizers anticipate their onsite restrooms to be adequate for the event. Their staff and volunteers will clean up after the event; the $100 clean up deposit has been submitted.

Event organizers have indicated that they will be putting out ground signs the day of the event at the intersection of Heritage Blvd and East Dual Blvd and on their property; this use is allowed under City Code without a permit.

A copy of the application and department approval has been attached for City Council review.

Staff Request

City staff is requesting approval of the BMC British Auto Car Show Special Event Permit application and attachments.

Attachments

- Resolution 2021-XXX
- Special Event Permit Application

RESOLUTION 2021-XXX

APPROVING A SPECIAL EVENT PERMIT APPLICATION FOR BMC BRITISH AUTO CAR SHOW

WHEREAS, BMC British Auto will be hosting a car show on Saturday, June 5th, 2021 from 10:00 am to 3:00 pm on their premises at 444 East Dual Blvd in Isanti; and,

WHEREAS, the estimated number of participants 75; and,

WHEREAS, show cars will be parked on BMC premises with spectator parking on the street; and,

WHEREAS, event organizers have indicated they will put out signs which are allowed within City Code the day of the event and will remove them when the event has finished; and,

WHEREAS, event staff and volunteers will clean-up after the event, and the organizers have submitted the $100 clean up deposit;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to hereby approve the application for the BMC British Auto Car Show to be held on June 5, 2021;

AND FURTHERMORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota that this Resolution is hereby the 'Permit' for the above stated Special Event.

This Resolution hereby approved by the Isanti City Council this 18th day of May 2021.

-EVENT SPONSOR-
RELEASE AND INDEMNIFICATION AGREEMENT

City of Isanti

THIS IS A RELEASE OF LIABILITY INDEMNIFICATION AGREEMENT. SPECIAL EVENTS HOLDER MUST READ CAREFULLY BEFORE SIGNING.

In consideration for being permitted to engage in the following special event activities on property owned by the City of Isanti:
Not on City property

Special Events Holder hereby acknowledges, represents, and agrees as follows:

A. We understand that the above described activities are or may be dangerous and do or may involve risks of injury, loss, or damage to us and/or third parties. We further acknowledge that such risks may include but not be limited to bodily injury, personal injury, sickness, disease, death, and property loss or damage, arising from the following circumstances, among others:
Static CAr show No moving vehicles

(Special Events Holder Initials Here) BL

B. If required by this paragraph, we agree to require each participant to our special event to execute a **RELEASE AND INDEMNIFICATION AGREEMENT** for ourselves and for the City of Isanti, on a form approved by the City of Isanti.

Participant Release and Indemnification required? YES ☐ NO ☐

(Special Events Holder Initials Here) BL

C. We agree to procure, keep in force, and pay for special event insurance coverage, from an insurer acceptable to the City of Isanti, for the duration of the above described activities.

(Special Events Holder Initials Here) _____

D. By signing this **RELEASE AND INDEMNIFICATION AGREEMENT,** we hereby expressly assume all such risks of injury, loss, or damage to us or any related third party, arising out of or in any way related to the above described activities,

whether or not caused by the act, omission, negligence, or other fault of the City of Isanti, its officers, its employees, or by any other cause.

(Special Event Holder Initials Here) _____

E. By signing this **RELEASE AND INDEMNIFICATION AGREEMENT,** we further hereby exempt, release and discharge the City of Isanti, its officers, and its employees from any and all claims, demands, and actions for such injury, loss or damage to us or to any third party, arising out of or in any way related to the above described activities, whether or not caused by the act, omission, negligence, or other fault of the City of Isanti, its officers, its employees, or by any other cause.

(Special Event Holder Initials Here) _____

F. We further agree to defend, indemnify and hold harmless the City of Isanti, its officers, employees, insurers, and self insurance pool, from and against all liability, claims, and demands, court costs and attorney fees, including those arising from any third party claim asserted against the City of Isanti, its officers, employees, insurers or self insurance pool, on account of injury, loss or damage, including without limitation claims arising from bodily injury, personal injury, sickness, disease, death, property damage or loss, or any other loss of any kind whatsoever, which arise out of or are in any way related to the above described activities, whether or not caused by our act, omission, negligence, or other fault of the City of Isanti, its officers, its employees, or by any other cause.

(Special Event Holder Initials Here) _____

G. By signing this **RELEASE AND INDEMNIFICATION AGREEMENT,** we hereby acknowledge and agree that said Agreement extends to all acts omissions, negligence, or other fault of the City of Isanti, its officers, and/or its employees, and that said Agreement is intended to be as broad and inclusive as is permitted by the laws of the State of Minnesota. If any portion thereof is held invalid, it is further agreed that the balance shall, notwithstanding, continue in full legal force and effect.

(Special Event Holder Initials Here) _____

H. We understand and agree that this **RELEASE AND INDEMNIFICATION AGREEMENT** shall be governed by the laws of the State of Minnesota and that jurisdiction and venue for any suit or cause of action under this agreement shall lie in the courts.

EXTRACT OF MINUTES OF A MEETING OF THE
CITY COUNCIL OF THE CITY OF ISANTI, MINNESOTA

HELD: May 18, 2021

Pursuant to due call and notice thereof, a regular meeting of the City Council of the City of Isanti, Minnesota was duly called and held at the City Hall on May 18, 2021 at 7:00 o'clock P.M.

The following members were present:

and the following were absent:

Member _____ introduced the following resolution and moved its adoption:

RESOLUTION AUTHORIZING THE EXECUTION AND DELIVERY OF A GROUND LEASE AGREEMENT, LEASE AGREEMENT AND CONTINUING DISCLOSURE UNDERTAKING AND ALLOCATING SMALL ISSUER REBATE EXCEPTION AUTHORITY

WHEREAS, the City of Isanti, Minnesota (the "City"), is authorized, pursuant to Minnesota Statutes, Section 465.71, to enter into lease purchase agreements;

WHEREAS, the Economic Development Authority of the City of Isanti, Minnesota, a body corporate and politic (the "Authority") has agreed to enter into a Lease Agreement dated as of June 1, 2021 (the "Lease") with the City pursuant to which the Authority will provide for the acquisition and betterment of a municipal liquor store (the "Project") to be used by the City;

WHEREAS, in order to carry out the transaction, (1) the City will Ground Lease the land, upon which the Project is to be constructed, to the Authority pursuant to a Ground Lease Agreement executed by the City, dated as of June 1, 2021 (the "Ground Lease"), and (2) the Authority will lease the Land and the Project back to the City pursuant to the Lease;

WHEREAS, the Authority will issue its $3,280,000 Public Project Lease Revenue Bonds, Series 2021A (City of Isanti, Minnesota, Lease With Option to Purchase Project) (the "Bonds") to provide funds to finance the Project pursuant to an Indenture of Trust dated as of June 1, 2021 (the "Indenture") between the Authority and U.S. Bank National Association, as Trustee, setting forth the form and details of the Bonds and their issuance and pledging the rental payments derived from the Lease to the payment of the Bonds;

WHEREAS, the City is an obligated person under the provisions of Rule 15c2-12 (the "Rule") promulgated by the Securities and Exchange Commission pursuant to the Securities and Exchange Act of 1934, as amended, and is therefore subject to continuing disclosure requirements under the Rule and accordingly, the City will enter into a Continuing Disclosure Undertaking (the "Continuing Disclosure Undertaking") relating to the Bonds;

WHEREAS, unless an exception is available, bonds which are tax-exempt are subject to the federal arbitrage requirement of rebating earnings in excess of the bond yield on certain investments; ordinarily bonds are subject to rebate if issued by a governmental unit that lacks general taxing powers, such as Authority; and if the Authority issues bonds on behalf of a governmental unit with general taxing powers, such as the City, it will be treated as having general taxing powers if the bonds do not exceed the lesser of $5,000,000 or such amount of the $5,000,000 small issuer limitation as a governmental unit with general taxing powers may allocate to the Authority; and the City is a governmental unit with general taxing powers

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Isanti, Minnesota, as follows:

1. Authorization of Bonds; Documents Presented. The Authority proposes to issue its Bonds payable from rental payments to be made by the City under the Lease. The Bonds shall bear interest at the rates as are prescribed by the Indenture. Forms of the following documents (collectively, the "Bond Documents") relating to the Bonds and the Project have been submitted to the City Council and are now on file in the office of the Administrator:

(a) the Ground Lease;

(b) the Lease; and

(c) the Continuing Disclosure Undertaking.

2. Approval and Execution of Bond Documents. The Mayor and the Administrator are hereby authorized and directed to execute, and deliver, on behalf of the City the Bond Documents in substantially the forms on file with the Administrator. All of the provisions of the Bond Documents when executed and delivered as authorized herein shall be deemed to be a part of this resolution as fully and to the same extent as if incorporated herein and shall be in full force and effect from the date of execution and delivery thereof.

3. Approval of Indenture. The City hereby approves the Indenture and the Bonds described therein (collectively, the "Related Documents") in substantially the forms submitted to the City.

4. Authorized City Representative. The City Administrator is hereby designated and authorized to act on behalf of the City as the City Representative, as defined in the Indenture.

5. Furnishing of Certificates and Proceedings. The Mayor and Administrator and other officers of the City are authorized and directed to prepare and furnish to the purchaser of the Bonds and Bond Counsel, certified copies of all proceedings and records of the City relating to the Bonds, and such other affidavits and certificates as may be required to show the facts relating to the legality of the Bonds as such facts appear from the books and records in the officers' custody and control or as otherwise known to them; and all such certified copies, certificates and affidavits, including any heretofore furnished, shall constitute representations of the City as to the truth of all statements contained therein.

6. Continuing Disclosure. The City is the sole obligated person with respect to the Bonds. The City hereby agrees, in accordance with the provisions of Rule 15c2-12 (the "Rule"), promulgated by the Securities and Exchange Commission (the "Commission") pursuant to the Securities Exchange Act of 1934, as amended, and a Continuing Disclosure Undertaking (the "Undertaking") hereinafter described to:

(a) Provide or cause to be provided to the Municipal Securities Rulemaking Board (the "MSRB") by filing at www.emma.msrb.org in accordance with the Rule, certain annual financial information and operating data in accordance with the Undertaking. The City reserves the right to modify from time to time the terms of the Undertaking as provided therein.

(b) Provide or cause to be provided to the MSRB notice of the occurrence of certain events with respect to the Bonds in not more than ten (10) business days after the occurrence of the event, in accordance with the Undertaking.

(c) Provide or cause to be provided to the MSRB notice of a failure by the City to provide the annual financial information with respect to the City described in the Undertaking, in not more than ten (10) business days following such occurrence.

(d) The City agrees that its covenants pursuant to the Rule set forth in this paragraph and in the Undertaking is intended to be for the benefit of the Holders of the Bonds and shall be enforceable on behalf of such Holders; provided that the right to enforce the provisions of these covenants shall be limited to a right to obtain specific enforcement of the City's obligations under the covenants.

The Mayor and Administrator of the City, or any other officer of the City authorized to act in their place (the "Officers") are hereby authorized and directed to execute on behalf of the City the Undertaking in substantially the form presented to the City Council subject to such modifications thereof or additions thereto as are (i) consistent with the requirements under the Rule, (ii) required by the Purchaser of the Bonds, and (iii) acceptable to the Officers.

7. Finding. The City hereby finds, determines and declares that (1) the Authority is issuing its Bonds on behalf of the City within the meaning of Section 148(f)(4)(C)(iv) of the federal Internal Revenue Code of 1986, as amended (the "Code"), (2) the Authority is therefore treated as a subordinate entity of the City for purposes of such Section, and (3) the aggregate face amount of the Bonds does not exceed the lesser of $5,000,000 or the amount which, when added to the aggregate amount of other issues issued by the Authority in 2021, is allocated to the Authority in paragraph 8 of this resolution.

8. Allocation. The City hereby allocates to the Authority a $3,280,000 portion of the City's $5,000,000 limitation under Section 148(f)(4)(C)(i)(IV) of the Code on the aggregate face amount of tax-exempt bonds (other than private activity bonds) issued by the City during the calendar year 2021. Such allocation is made solely with respect to the Bonds, is irrevocable and is made before the issuance of the Bonds. Said $3,280,000 allocated to the Authority bears a reasonable relationship to the benefits received by the City from the Bonds issued by the Authority, because the Bonds finance the Project to be located in, leased to, and used by the City.

The Authority shall accept this allocation by issuing its Bonds and making a statement in its Nonarbitrage Certificate relating to the Bonds.

9. Aggregation. The City and Authority will be aggregated and treated as one issuer for purposes of said $5,000,000 limitation, and together will not issue in 2021 more than $5,000,000 aggregate face amount of all tax-exempt bonds (other than private activity bonds).

10. Modifications to Documents. The approval hereby given to the various Bond Documents and Related Documents referred to above includes approval of such additional details therein as may be necessary and appropriate and such modifications thereof, deletions therefrom and additions thereto as may be necessary and appropriate and approved by the City Attorney and the City officials authorized herein to execute said documents. Said City officials are hereby authorized to approve said changes on behalf of the City. The execution of any instrument by the appropriate officer or officers of the City herein authorized shall be conclusive evidence of the approval of such documents in accordance with the terms hereof. In the absence of the Mayor or Administrator, any of the documents authorized by this resolution to be executed on behalf of the City may be executed by the Acting Mayor or the Acting Administrator, respectively.

11. Severability. If any section, paragraph or provision of this resolution shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such section, paragraph or provision shall not affect any of the remaining provisions of this resolution.

12. Headings. Headings in this resolution are included for convenience of reference only and are not a part hereof, and shall not limit or define the meaning of any provision hereof.

The motion for the adoption of the foregoing resolution was duly seconded by member _____, and upon vote being taken thereon the following voted in favor thereof:

and the following voted against the same:

whereupon the resolution was declared duly passed and adopted.

Adopted by the City Council of the City of Isanti, Isanti County, Minnesota, on May 18, 2021.

_____
Mayor

EXHIBIT A - LEGAL DESCRIPTION OF LAND A-1

THIS GROUND LEASE AGREEMENT, made and entered into as of June 1, 2021 (the "Ground Lease"), by and between the CITY OF ISANTI, MINNESOTA, a municipal corporation and political subdivision duly organized and existing under the laws of the State of Minnesota, as Lessor (the "Lessor") and the ECONOMIC DEVELOPMENT AUTHORITY OF THE CITY OF ISANTI, MINNESOTA, a public body corporate and politic and duly organized and existing under the laws of the State of Minnesota, as Lessee (the "Lessee").

W I T N E S S E T H:

In consideration of the mutual covenants hereinafter set forth, the parties hereto agree as follows:

ARTICLE I

DEMISE OF LAND AND WARRANTIES

Section 1.01 Demise. Subject to and upon the terms, conditions, covenants and undertakings hereinafter set forth, Lessor hereby leases to Lessee, and Lessee hereby leases from Lessor, Lessor's interest in the real property legally described on Exhibit A attached here, located in Isanti County, Minnesota (hereinafter called the "Land").

Section 1.02 Warranties. Lessor covenants and warrants to Lessee:

(1) That Lessor has authority to enter into, execute and deliver this Ground Lease, and has duly authorized the execution and delivery of this Ground Lease;

(2) That Lessor has determined that the Land can best be made suitable and convenient for public purposes through Lessor's entering into this Ground Lease and the Lease (as hereinafter defined), and the completion of the transactions contemplated thereby;

(3) That the Land is not subject to any dedication, easement, right of way, reservation in patent, covenant, condition, restriction, lien or encumbrance which would prohibit or materially interfere with the construction of certain buildings (hereinafter called the "Improvements") on the Land, as contemplated by the Lease Agreement by and between Lessor and Lessee, of even date herewith (hereinafter called the "Lease");

(4) That all taxes, assessments or impositions of any kind with respect to the Land, except current taxes, have been paid in full;

(5) That the Land is properly zoned for the purpose of the Improvements; and

(6) That Lessor has authority to enter into, execute and deliver the Lease, and has duly authorized its execution and delivery.

Section 1.03 Lessee's Warranties. Lessee covenants and warrants to Lessor that Lessee has authority to enter into, execute and deliver this Ground Lease and the Lease, and has duly authorized the execution and delivery of this Ground Lease and the Lease.

ARTICLE II

TERM AND RENT

Section 2.01 Term. The term of this Ground Lease shall commence as of the day and year first above written, and shall end on December 15, 2046, subject to earlier termination as provided in the Lease.

Section 2.02 Rent. The rent shall be One Dollar ($1.00) payable in advance on the date hereof.

Section 2.03 Lease. In further consideration of the authorization, execution and delivery of this Ground Lease by each of the parties, the parties have entered into the Lease and have agreed to carry out and perform their obligations thereunder.

ARTICLE III

USE OF PREMISES; ADDITIONAL COVENANTS

Section 3.01 Use. Lessee shall not use or permit the use of the Land for any unlawful purpose.

Section 3.02 Quiet Enjoyment. Lessor covenants that upon Lessee's paying the rent reserved herein, and performing all conditions and covenants set forth in this Ground Lease and the Lease, Lessee shall and may peaceably have, hold and enjoy the Land for the term of this Ground Lease. Lessee covenants that upon expiration of this Ground Lease, either on the date specified in Section 2.01 or earlier pursuant to the terms of the Lease, it shall give Lessor peaceable possession of the Land, together with the Improvements constructed thereon pursuant to the Lease.

Section 3.03 Assignment and Subletting. Lessee shall have the right to assign or mortgage its interest in this Ground Lease and Land, and to sublet the Land in accordance with the Lease.

Section 3.04 Additional Covenants. In the event that any person or entity, however organized (other than Lessee or any assignee of Lessee), shall be determined to hold any interest that in any manner affects Lessor's good and merchantable title to the Land, Lessor shall use its best efforts to acquire the interest in the Land so held, such acquisition to be made at Lessor's sole cost and expense. Lessor hereby agrees to save and keep harmless Lessee, or any assignee of Lessee, from and against any and all liabilities, obligations, losses, damages, penalties, claims, actions, costs and expenses (including reasonable attorneys' fees) of whatever kind and nature, imposed on, incurred by or asserted against Lessee, or any assignee of Lessee, that in any way relate to or arise out of the assertion of any interest affecting Lessor's good and merchantable title

to the Land by any person or entity, however organized (other than Lessee or any assignee of Lessee).

Section 3.05 Environmental Matters. Lessor will hold Lessee harmless from and indemnify and defend Lessee against any claims brought by any party involving any environmental condition of the Land. The term "claim" shall include remediation costs, damage costs, fines, penalties, forfeitures, administrative costs, consent agreements and orders, attorneys' fees, consultant fees and laboratory fees.

Section 3.06 Release of Land. Lessee shall have the right to release Land from this Ground Lease as provided in Section 8.7 of the Lease.

ARTICLE IV

LESSEE'S DEFAULT; REMEDIES

Section 4.01 Lessee's Default. The following shall be an "event of default" or a "default" hereunder: if Lessee shall fail to (i) pay the rent provided herein, or (ii) observe or perform any of the obligations of Lessee otherwise provided herein.

Section 4.02 Lessor's Remedies. Upon the occurrence of an event of default by Lessee hereunder, which shall remain uncured for thirty days after receipt by Lessee of written notice of such event of default, Lessor may thereafter or any time subsequently during the existence of such breach or default; (i) enter into and upon the Land and repossess the same, expelling and removing therefrom all persons and property, and (ii) terminate this Ground Lease.

ARTICLE V

BINDING EFFECT; SUCCESSORS AND ASSIGNS

Section 5.01 Binding Effect. This Ground Lease shall be binding upon, and inure to the benefit of, the parties hereto, and their successors and assigns.

Section 5.02 Applicable Law. This Ground Lease shall be interpreted and enforced in accordance with the laws of the State of Minnesota.

IN WITNESS WHEREOF, the parties hereto have executed this Ground Lease Agreement as of the date first above written.

EXHIBIT A DESCRIPTION OF LAND, PROJECT IMPROVEMENTS AND PROJECT EQUIPMENT A-1
EXHIBIT B SCHEDULE OF RENTAL PAYMENTS B-1
EXHIBIT C DRAW REQUEST CERTIFICATE C-1

THIS LEASE AGREEMENT (the "Lease") is dated as of June 1, 2021, and is between the Economic Development Authority of the City of Isanti , Minnesota, a public body corporate and politic, as Landlord (the "Landlord"), whose address is City Hall, 110 1st Avenue NW, Isanti, Minnesota 55040-7372, and the City of Isanti, a municipal corporation and political subdivision of the State of Minnesota, as Tenant (the "Tenant"), whose address is City Hall, 110 1st Avenue NW, Isanti, Minnesota 55040-7372:

WITNESSETH:

WHEREAS, the Tenant is authorized by law to lease real and personal property as are needed to carry out its governmental functions; and

WHEREAS, Tenant has determined that it is necessary for it to lease from Landlord under this Lease certain real and personal property (the "Project") for purposes of financing the Project; and

WHEREAS, the Landlord is willing to finance the acquisition and betterment of the Project and to lease, or (in the case of the Land) sublease, the Project to Tenant, and the Tenant is willing to rent the same from Landlord, all pursuant to this Lease.

NOW, THEREFORE, in the joint and mutual exercise of their powers, and in consideration of the mutual covenants herein contained, the parties hereto recite and agree as follows:

ARTICLE I

DEFINITIONS AND EXHIBITS

Section 1.1. Definitions. Each term defined in the Indenture which is used but not otherwise defined herein shall have the same meaning in this Lease as is prescribed for that term in the Indenture. Unless the context otherwise clearly requires, the terms defined in this Section shall, for all purposes of this Lease, have the meanings herein specified.

Act: Collectively, the Landlord Powers Act and the Tenant Powers Act, as amended from time to time.

Additional Rental Payments: The same as defined in Section 5.3 hereof.

Bond Closing: The date the Bonds are issued and delivered to the original purchaser.

Bond Counsel: The firm of Taft Stettinius & Hollister LLP, in Minneapolis, Minnesota, or any other attorney or firm of attorneys nationally recognized as experienced in matters relating to the tax-exempt financing of projects within the City and acceptable to the Landlord and the Tenant.

Bond Fund: The Bond Fund created pursuant to Section 5.02 of the Indenture.

Bond Resolution: The resolution adopted by the Landlord's Board of Commissioners, its governing body, on May 18, 2021, authorizing issuance and sale of the Series 2021A Bonds, as the same may be amended, modified or supplemented by any amendments or modifications thereof.

Bonds: The Series 2021A Bonds and Additional Bonds.

Business Day: Any day other than a Saturday, Sunday, legal holiday or a day on which banking institutions in the city in which the principal corporate office of the Trustee is located are authorized by law or executive order to be closed.

City: The City of Isanti, Minnesota.

Code: The Internal Revenue Code of 1986, as amended and the regulations promulgated thereunder.

Completion Date: The date described in Section 3.5, evidencing completion of the Project.

Construction Fund: The Construction Fund created pursuant to Section 4.02 of the Indenture for the purpose of accounting for proceeds of the Bonds used to pay Project Costs.

Contractor: Any contractor from which Landlord has ordered or will order or with which Tenant has contracted or will contract for the acquisition, construction and installation of any portion of the Project.

County: Isanti County, Minnesota.

Date of Original Issuance: June 16, 2021.

Environmental Law: The Comprehensive Environmental Response, Compensation and Liability Act, 42 U.S.C. §9601 et seq.; the Resource Conservation and Recovery Act, 42 U.S.C. §6901 et seq.; the Hazardous Materials Transportation Act, 49 U.S.C. App. §1804 et seq., the Federal Water Pollution Control Act, 33 U.S.C. §1251 et seq., the Clean Water Act, 33 U.S.C. §1321 et seq. the Clean Air Act, 42 U.S.C. §7401 et seq., the Minnesota Environmental Response and Liability Act, Minnesota Statutes, Chapter 115B, the Minnesota Petroleum Tank Release Cleanup Act, Minnesota Statutes, Chapter 115C, and any other federal, state, county, municipal, local or other statute, law, ordinance or regulation which may relate to or deal with human health or the environment, all as may be from time to time amended.

Fiscal Year: The fiscal year of the Tenant, commencing January 1 of a given year and extending through December 31 of the same year.

Governmental Unit: A "governmental unit" within the meaning of Section 141 of the Code.

Ground Lease: The Ground Lease Agreement, dated as of June 1, 2021, between Tenant, as lessor and Landlord, as lessee, whereby Tenant leases the Land to Landlord.

Hazardous Substances: Asbestos, ureaformaldehyde, polychlorinated biphenyls ("PCBs"), nuclear fuel or material, chemical waste, radioactive material, explosives, known carcinogens, petroleum products and by-products and other dangerous, toxic or hazardous pollutants, contaminants, chemicals, materials or substances listed or identified in, or regulated by, any Environmental Law.

Holder(s): The registered owner(s) of Bonds on the bond register maintained by the Trustee pursuant to the Indenture.

Independent Counsel: An attorney duly admitted to the practice of law before the highest court of the State who is not a full-time employee of Landlord or Tenant.

Independent Engineer: An engineer or engineering firm or an architect or architectural firm qualified to practice the profession of engineering or architecture under the laws of the State and who is not a full-time employee of Tenant or Landlord.

Indenture: The Indenture of Trust, dated as of June 1, 2021, between the Landlord and U.S. Bank National Association, St. Paul, Minnesota, as initial Trustee thereunder, pursuant to which the Series 2021A Bonds are issued.

Interest Payment Date: For the Series 2021A Bonds, each December 15 and June 15, commencing June 15, 2022.

Land: The real property subleased to the Tenant under the Ground Lease and described in Exhibit A hereto.

Landlord: Economic Development Authority of the City of Isanti, Minnesota, a public body corporate and politic of the State, its successors and assigns.

Landlord Powers Act: Minnesota Statutes, Sections 469.090 through 469.1082 and all powers granted to the Landlord therein.

Landlord Representative: The Landlord Representative as defined in the Indenture.

Lease: This Lease Agreement and all amendments thereto.

Net Proceeds: Any property insurance proceeds or condemnation award paid with respect to the Project, net of the expenses incurred in the collection thereof.

Non-appropriation: The failure of the governing body of Tenant to appropriate money for any Fiscal Year of Tenant sufficient for the continued performance and discharge by the Tenant of its obligations under this Lease (including Tenant's obligations to make Rental Payments hereunder); provided, that such Non-appropriation shall only be deemed to exist and be effective hereunder if declared in and evidenced by the passage of a resolution of the City Council of the Tenant specifically stating Tenant will no longer appropriate any moneys to pay the Rental Payments due under this Lease for a designated upcoming Fiscal Year and all subsequent Fiscal Years.

Payment Date: Any date on which a Rental Payment is required to be paid as provided in Section 5.1 and as shown on the attached Exhibit B.

Permitted Encumbrances: As of any particular time: (i) liens for taxes and assessments not then delinquent, or which Tenant may, pursuant to provisions of Section 7.3, permit to remain unpaid, (ii) this Lease, the Ground Lease, the Indenture and amendments hereto or thereto, (iii) Landlord's interest in the Project, (iv) any mechanic's, laborer's, materialmen's, supplier's or vendor's lien or right not filed or perfected in the manner prescribed by law, and any such lien which Tenant may, pursuant to Article VIII, permit to remain unpaid, (v) utility, access, and other easements and rights-of-way, restrictions, and exceptions affecting the Land existing as of the date hereof, (vi) such minor defects, irregularities, encumbrances, easements, rights-of-way, and clouds on title as normally exist with respect to property similar in character to the Land and as do not in the aggregate materially impair the property affected thereby for the purposes for which it was acquired, and (vii) building, zoning, and subdivision laws.

Plans and Specifications: The plans and specifications for the Project as in existence on the date of issuance of the Bonds and approved by the Tenant, together with any additions thereto or modifications thereof approved by all such parties.

Principal Payment Date: For the Series 2021A Bonds, each December 15, commencing December 15, 2022.

Project: The Project Improvements, the Project Equipment and the Land which are being leased or, as to the Land, subleased to the Tenant pursuant to this Lease and which are more fully described in the attached Exhibit A.

Project Costs or Cost of the Project or Cost: All costs of purchase, construction and installation of the Project including the following:

(a) fees and expenses of surveyors and engineers for estimates, surveys, soil borings, environmental reports, and soil tests and other preliminary investigations and items necessary for the commencement of construction, preparation of plans, drawings and specifications and supervision of construction, as well as for the performance of all other duties of surveyors and engineers in relation to the acquisition, construction, furnishing or equipping of the Project or the making of this Lease;

(b) all costs and expenses of every nature incurred in constructing and furnishing the Project Improvements and purchasing and installing the Project Equipment, including the actual cost of labor, materials, machinery, furnishings and equipment as may be payable to contractors, builders and materialmen in connection with the construction, furnishing and equipping the Project;

(c) the cost of any insurance and performance and payment bonds maintained during the construction of the Project;

(d) expenses of administration, supervision and inspection properly chargeable to the Project; underwriting expenses, legal fees and expenses, fees and expenses of accountants and other consultants, publication and printing expenses and other fees and expenses which are necessary or incidental and to the making of this Lease and the issuance of the Bonds or to the acquisition, purchase, construction, installation, furnishing and equipping of the Project;

(e) all other items of expenses not elsewhere specified in this definition as may be necessary or incident to: (i) the making of the Ground Lease and this Lease; (ii) the construction, installation, equipping and furnishing of the Project; and (iii) the financing thereof;

(f) reimbursement to Tenant or Landlord or those acting for it for any of the above-enumerated costs and expenses incurred and paid by them before or after the execution of this Lease (subject to the compliance, if applicable, with the "reimbursement regulations," being Treasury Regulations, Section 1.150-2); and

(g) any other costs of the Project described in Section 3.3.

Project Equipment: All items of machinery, equipment, or other personal property installed or acquired or to be acquired for installation in the Project Improvements or elsewhere on the Land in accordance with the Plans and Specifications and paid for in whole or in part from the proceeds of the Bonds, and all replacements thereof and substitutions therefor made pursuant to Sections 6.6 or 8.5.

Project Improvements: The buildings, structures, improvements and fixtures located on or to be purchased, constructed, renovated, bettered, enlarged and otherwise improved on the Land in accordance with the Plans and Specifications, and all additions, alterations, modifications and improvements thereof made pursuant to Sections 6.6 or 8.5, to be used by the Tenant as an public works facility.

Purchase Option Price: The price at which the Tenant may purchase the Project as set forth in Article X.

Rental Payment: The payment due from Tenant to Landlord on each Payment Date during the Term of this Lease, as provided, for the Series 2021A Bonds, in Section 5.1 and shown on the attached Exhibit B (assuming no prepayment or acceleration of the Series 2021A Bonds), and exclusive of payments due under paragraph (e) of Section 5.1, and without giving effect to credits available under said section.

Reserve Fund: The Reserve Fund created pursuant to section 5.03 of the Indenture.

Reserve Requirement. The Reserve Requirement as defined in the Indenture.

Series 2021A Bonds: The $3,280,000 Public Project Lease Revenue Bonds, Series 2021A (City of Isanti, Minnesota, Lease With Option to Purchase Project), dated the Date of Original Issuance.

State: The State of Minnesota.

State and Federal Law or Laws: The Constitution and any law of the State and any rule or regulation of any agency or political subdivision of the State; and any law of the United States, and any rule or regulation of any federal agency.

Tenant: The City of Isanti, a municipal corporation and political subdivision of the State of Minnesota.

Tenant Powers Act: Minnesota Statutes, Section 465.71 and 469.041, as from time to time amended.

Tenant Representative: The City Representative as defined in the Indenture.

Term or Lease Term: The period commencing as of June 1, 2021, and ending on December 15, 2036, subject to earlier termination in accordance with the provisions of this Lease.

Trustee: The Trustee under the Indenture.

Section 1.2. Exhibits.

The following Exhibits are attached to and by reference made a part of this Lease:

Exhibit A: A description of the Land, Project Improvements and Project Equipment being leased by Tenant pursuant to this Lease.

Exhibit B: A schedule indicating the date and scheduled amount of each Rental Payment (respecting the Series 2021A Bonds) coming due during the Lease Term (assuming no optional prepayment or acceleration).

Exhibit C: Form of Draw Request.

ARTICLE II

REPRESENTATIONS, COVENANTS AND WARRANTIES

Section 2.1. Representations, Covenants and Warranties of Tenant. Tenant represents, covenants and warrants as follows:

(a) Tenant is a municipal corporation and political subdivision duly organized and existing under the Constitution and laws of the State.

(b) Tenant is authorized under the Constitution and laws of the State to execute and deliver this Lease and to perform all of its obligations provided hereunder and contemplated hereby.

(c) The officers of Tenant executing this Lease have been duly authorized to execute and deliver this Lease under the terms and provisions of a resolution of Tenant's governing body, or by other appropriate official action.

(d) In authorizing and executing this Lease, Tenant has complied with all open meeting, public bidding and other State and Federal Laws applicable to this Lease and the Tenant.

(e) Tenant will not pledge, mortgage or assign this Lease, or its duties and obligations hereunder to any other person, firm or corporation except as provided under the terms of this Lease.

(f) The Project will be used during the Term of this Lease only to carry out the governmental purposes of Tenant.

(g) During the Term of this Lease, Tenant will not take any action (or suffer any action to be taken or circumstance to exist which is within the power of Tenant to prevent) the effect of which would be (1) to cause the interest on the Bonds to become subject to federal income taxation, including, but not limited to, permitting any entity that is not a Governmental Unit to use, directly or indirectly, any portion of the Project in a trade or business so as to impair the tax-exempt status of the Bonds, all within the meaning of Section 141 of the Code, or (2) to cause the Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code.

(h) The Project will comply with all applicable land use, environmental control, building, subdivision, and zoning ordinances and regulations, if any, and will be constructed wholly within the boundaries of the Land.

(i) The execution and delivery hereof, the compliance with the terms and conditions hereof, and the consummation of the transactions contemplated hereby, do not and will not conflict with or result in a breach of the terms, conditions, and provisions of any restriction or any agreement or instrument to which the Tenant is now a party or by which the Tenant is bound, or constitute a default under any of the foregoing.

(j) There is no litigation, action, suit or proceeding pending (or to the best of Tenant's knowledge, threatened) before any court, administrative agency, arbitrator or governmental body that challenges (1) the authority of Tenant or its officers or its employees to enter into this Lease, the Bond Purchase Agreement, or the Ground Lease, (2) the proper authorization, approval and/or execution of this Lease and other documents contemplated hereby, (3) the ability of Tenant otherwise to perform its obligations under this Lease, the Bond Purchase Agreement or the Ground Lease and the transactions contemplated hereby, or (4) the issuance of the Series 2021A Bonds by the Landlord.

(k) The Tenant has reviewed the Indenture respecting the Series 2021A Bonds and hereby consents to the terms of the Indenture and agrees to be bound by and to discharge any obligations specifically imposed upon the Tenant pursuant to the terms of the Indenture.

(l) The Tenant covenants, notwithstanding any termination of this Lease (whether arising pursuant to an Event of Default, a Non-appropriation or otherwise), that it will use its best efforts to assist the Landlord and/or the Trustee in re-leasing and/or selling the Project.

(m) The Tenant certifies that this Lease is a "triple net" lease that requires the Tenant to pay all expenses, taxes, fees, insurance premiums, rebate payments, reserve deposits and costs associated with the Project and this Lease without the right of offset.

Section 2.2. Representations, Covenants and Warranties of Landlord. Landlord represents, covenants and warrants as follows:

(a) Landlord is a public body corporate and politic and a political subdivision, duly organized and existing under the laws of the State and has power to enter into this Lease and by proper action has duly authorized the execution of this Lease.

(b) The Project constitutes an authorized economic development project under the Act.

(c) The governing body of Landlord has determined that the Project will promote the public interest and welfare of the State of Minnesota and the City and the people thereof through the provision of public facilities required for the purpose of providing various services to the City residents within the City.

(d) The acquisition and construction of the Project, the issuance and sale of the Series 2021A Bonds, the execution and delivery of this Lease and the performance of all covenants and agreements of the Landlord contained in this Lease have been duly authorized by the Bond Resolution.

(e) Landlord has not made, done, executed or suffered and warrants that it will not make, do, execute or suffer any act or thing whereby its Landlord's interest in the Project shall or may be impaired or changed or encumbered, except as provided in the Indenture.

(f) To finance the Cost of the Project, Landlord proposes to issue the Series 2021A Bonds.

(g) There is no litigation pending or to the best of Landlord's knowledge threatened against Landlord relating to the Indenture, the Bond Purchase Agreement, the Ground Lease, the acquisition, equipping, installation, construction or financing of the Project or to the Series 2021A Bonds or to this Lease or questioning the organization, powers or authority of Landlord to perform its obligations hereunder.

(h) The execution and delivery of this Lease, the fulfillment of or compliance with the terms and conditions hereof, and the consummation of the transactions contemplated hereby do not conflict with or result in a breach of the terms, conditions or provisions of any restriction or any agreement or instrument to which Landlord is now a party or by which Landlord is bound or constitute a default under any of the foregoing, or result in the creation or imposition of any lien, charge or encumbrance whatsoever upon any of the property or assets of Landlord, or upon the Project, except Permitted Encumbrances.

ARTICLE III

ACQUISITION AND CONSTRUCTION OF PROJECT

Section 3.1. Agreement to Construct the Project. Subject to the provisions of Section 3.6, the Landlord shall (1) construct, equip, better, install and otherwise complete the Project, or causing the same to occur, and, subject to the terms and conditions of this Lease, which terms and conditions the Landlord determines to be necessary, desirable and proper, or (2) provide for and make all decisions with respect to such construction, equipping, installation and completion of the Project. The Landlord hereby agrees to act and do all things, to perform all acts and agreements hereinabove described in this section and to bring any actions or proceedings against any person as the Landlord shall deem proper; and the Landlord further agrees that it will, in accordance with the requirements set forth in this article, cause the construction, equipping, installation and completion of the Project to occur. The parties hereto agree that, as between the Landlord and the Tenant, the Landlord shall have the sole right of possession and use of the Project for the purpose of causing the construction, installation, completion, operation and maintenance of the Project.

Subject to the provisions in Section 12.2, and all authority hereby conferred, are granted and conferred irrevocably in connection with the construction, equipping, installation, operation and maintenance of the Project which shall not be terminated prior thereto by act of the Landlord or of the Tenant. The Tenant agrees that title to Tenant's interest in any equipment, fixtures or other personal property financed by the Bonds which are to be affixed to the Project to be acquired after issuance of Bonds shall pass to the Landlord at the time such equipment, fixtures or other personal property is delivered to the Project. All warranties and guarantees of all contractors, subcontractors, suppliers, architects and engineers for the furnishing of labor, materials or equipment or supervision or design in connection with the Project Costs and any rights or causes of action arising from or against any of the foregoing are assigned to the Landlord.

The Landlord agrees to cause the Project and all other facilities and equipment necessary in connection therewith to be substantially acquired, constructed and installed on or before _____.

Section 3.2. Agreement to Issue Bonds; Application of Bond Proceeds. In order to provide funds for payment of Project Costs, the Landlord will issue and deliver to the initial purchaser thereof the Series 2021A Bonds and the Landlord will deposit the proceeds of the Series 2021A Bonds in the Bond Fund, the Reserve Fund, and the Construction Fund as provided in the Indenture.

Section 3.3. Disbursements from the Construction Fund. The Landlord has, in the Indenture, authorized and directed the Trustee to use the moneys in the Construction Fund to pay, or to reimburse the Landlord, for payments made, for the following costs and for the following purposes:

(1) All Project Costs, including the costs of acquiring, constructing, and equipping the Project, including costs of labor and materials and other charges from architects, engineers,

contractors, builders and material suppliers in connection with the design, planning, acquisition, installation and construction of the Project, and including the reasonable expenses of any employees of the Landlord performing any such functions (provided said employee costs are properly chargeable as a capital cost of the Project);

(2) Interest accruing upon the Series 2021A Bonds prior to the Completion Date and not covered by proceeds of the Series 2021A Bonds and earnings thereon deposited in the Bond Fund, and any interest which has accrued for any interim financing obtained by the Landlord incident to the acquisition, installation and construction of the Project before the Series 2021A Bonds are delivered to the initial purchaser thereof;

(3) The cost of any indemnity and surety bonds obtained in connection with the Project, the fees and expenses of the Trustee during construction, taxes and other municipal governmental charges levied or assessed during construction upon the Project or any property acquired therefor, and the premiums for insurance, if any, in connection with the Project during construction;

(4) The cost of acquisition and installation of equipment for completion or operation of the Project;

(5) Fees and expenses of engineers and architects for surveys and estimates and other preliminary investigations, preparation of plans and specifications, and supervising acquisition, installation and construction, as well as for the performance of all other duties of engineers and architects, as are specifically required in relation to the acquisition, installation and construction of the Project or the issuance of Bonds therefor;

(6) Expenses of administration, supervision and inspection properly chargeable to the Project, any administrative fees of the Landlord, legal expenses and fees, fiscal consultant expenses and fees, financing charges, cost of audits and of preparing, offering and issuing the Bonds, and initial and transaction fees and any expenses of the Trustee, incident to the acquisition, installation, construction and financing of the Project; and also

(7) Any other obligation or expense heretofore or hereafter incurred by the Landlord or the Tenant in connection with the acquisition, installation, equipping and construction of the Project.

All moneys in the Construction Fund (including moneys earned pursuant to the provisions of Section 3.8) remaining after the Completion Date and payment in full of the items provided for in the preceding subsections (1) to (7), inclusive, of this section, then due and payable, shall be deposited in the Bond Fund, as provided in the Indenture, and credited against amounts of Rental Payments due or to become due; provided that amounts approved by the Landlord Representative, as to Project Costs, shall be retained by the Trustee in the Construction Fund for payment of Project Costs not then due and payable but reasonably foreseen.

Each of the payments referred to in this section shall be made only upon the written order of the Landlord Representative as to the Project Costs; provided, that interest accruing on the Bonds during construction may be paid without an order of the Landlord Representative.

Before any of the payments referred to in the preceding subsections of this section (other than (2)) may be made, the Landlord Representative, as to the Project Costs, shall certify to the Trustee with respect to each such payment by submitting the form of Draw Request attached hereto as Exhibit C: (a) that none of the items for which the payment is proposed to be made has theretofore been paid from the Construction Fund and (b) that each item for which the payment is proposed to be made is or was necessary in connection with the Project and is or was a Project Cost. In the case of any contract providing for the retention of a portion of the contract price, there shall be paid from the Construction Fund only the net amount remaining after deduction of any such portion.

Section 3.4. Obligation of the Parties to Cooperate in Furnishing Documents to Trustee. The Landlord agrees to cooperate in furnishing to the Trustee the documents referred to in Section 3.3 that are required to effect payments out of the Construction Fund and to cause such orders to be directed by the Landlord Representative, and to the Trustee as may be necessary to effect payments out of the Construction Fund in accordance with Section 3.3. Such obligation is subject to any provision of this Lease or the Indenture requiring additional documentation with respect to payments and shall not extend beyond the moneys in the Construction Fund available for payment under the terms of the Indenture.

Section 3.5. Establishment of Completion Date. The Completion Date shall be evidenced to the Trustee by a certificate signed by the Landlord Representative stating that construction of the Project has been completed in accordance with the Plans and Specifications and all labor, services, materials and supplies used in such construction, acquisition and installation have been paid for.

Section 3.6. Landlord Required to Pay Project Costs in Event Construction Fund Insufficient. In the event that, after the Series 2021A Bonds have been issued, the moneys in the Construction Fund available for payment of the Project Costs should not be sufficient to pay all costs required to complete the Project in accordance with the Plans and Specifications, the Landlord agrees, for the benefit of the Tenant and the Holders of the Series 2021A Bonds, to complete the Project and the Landlord shall pay the Costs thereof directly or by causing to be deposited in the Construction Fund such amounts as are necessary and sufficient for payment of the balance of the Project Costs, and to this end Landlord shall promptly perform its obligations. The Tenant does not make any representation or warranty, either express or implied, that the moneys which will be paid into the Construction Fund and which will be available for payment of the Project Costs will be sufficient to pay all such Costs. The Landlord agrees that if after exhaustion of the moneys of the Construction Fund the Landlord should pay any portion of the Project Costs pursuant to the provisions of this Section, Landlord shall not be entitled to any reimbursement therefor from the Tenant, the Trustee, or the Holders of any of the Series 2021A Bonds or be entitled to any diminution in or postponement of the amounts payable under Section 5.1 or 5.3.

Section 3.7. Remedies to be Pursued Against Contractors and Subcontractors and Their Sureties. In the event of default of any Contractor or subcontractor under any contract made by it in connection with the Project or in the event of breach of warranty with respect to any materials, workmanship, or performance guaranty, the Landlord will promptly proceed, either separately or in conjunction with others, to exhaust the remedies of the Tenant or the Landlord

against the Contractor or subcontractor so in default and against each such surety for the performance of such contract. The Landlord agrees to advise the Tenant of the steps it intends to take in connection with any such default. If the Landlord shall so notify the Tenant, the Landlord may, at its own expense and in its own name or in the name of the Tenant, prosecute or defend any action or proceedings or take any other action involving any such Contractor, subcontractor or surety which the Landlord deems reasonably necessary, and in such event the Tenant hereby agrees to cooperate fully with the Landlord and to take all action necessary to effect the substitution of the Landlord for the Tenant in any such action or proceeding. Any amounts recovered by way of damages, refunds, adjustments or otherwise in connection with the foregoing, after deduction of expenses incurred in such recovery, prior to the Completion Date shall be paid into the Construction Fund or, if recovered after the Completion Date and full disposition of the Construction Fund in accordance with Section 3.3, shall be paid into the Bond Fund.

Section 3.8. Investment of Construction Fund and Reserve Fund Moneys Permitted. Any moneys held as a part of the Construction Fund and Reserve Fund shall at the written request of the Landlord Representative as to the Construction Fund be invested or reinvested by the Trustee in Qualified Investments. The type, amount and maturity of such investments shall be as specified by the Landlord Representative as to the Construction Fund. The Trustee may make any and all investments permitted under this section through or from its own bond department or any of its affiliates. The Landlord covenants that the portion of the Construction Fund representing bond proceeds shall be directed to be invested and deposited only for a temporary period pending the need for expenditure to pay Project Costs, and it further covenants that said portion representing bond proceeds shall not be directed to be invested or used in such manner that any of the Series 2021A Bonds would be "arbitrage bonds" for purposes of Section 148 of the Internal Revenue Code and regulations thereunder. The Landlord and Tenant acknowledge that if the Landlord shall fail to provide written investment directions such amounts shall be held by the Trustee uninvested and the Trustee is relying on any such written investment direction as to the suitability and legality of such directed investment and its compliance with the requirements of Section 5.05 of the Indenture.

The Landlord and Tenant acknowledge that regulations of the Comptroller of the Currency grant the Landlord and Tenant the right to receive brokerage confirmations of the security transactions as they occur. The Landlord and Tenant specifically waive such notification to the extent permitted by law and will receive periodic cash transaction statements which will detail all investment transactions.

Section 3.9. Liens and Encumbrances. The Landlord shall pay, before delinquency, all costs for work done or caused to be done by the Landlord which could result in any lien or encumbrance on the Project or any part thereof, shall keep the title to the Project and every part thereof free and clear of any lien or encumbrance in respect of such work, and shall, to the extent permitted by law, indemnify and hold harmless the Tenant against any claim, loss, costs, demand and legal or other expense, whether in respect of any lien or otherwise, arising out of the supply of materials, services or labor for such work. The Landlord shall immediately notify the Tenant of any lien, claim or lien or other action which affects the title to the Project or any part thereof, and shall cause the same to be removed within five days (or such additional time as the Tenant may permit in writing), failing which the Tenant may take such action as the Tenant deems

necessary to remove the same and the entire costs thereof shall be immediately due and payable by the Landlord to the Tenant; provided, however, that the Landlord may in good faith contest any mechanic's lien by appropriate proceedings if (i) the contest does not involve the imminent threat of forfeiture, sale or disturbance of the Project or any part thereof and (ii) the Landlord provides such security as the Tenant or the Trustee, or both may reasonably request. The Tenant shall not, without Landlord's prior written consent, which consent may be withheld in the Landlord's absolute discretion, encumber its interest in the Project or any part thereof.

ARTICLE IV

TERM OF LEASE

Section 4.1. Lease Term. Landlord hereby leases the Project to Tenant, and Tenant hereby leases, or in the case of the Land, subleases the Project from Landlord upon the terms and conditions set forth in this Lease. This Lease shall be in effect for a Lease Term commencing upon the date of this Lease and ending on the date the last Rental Payment is due and payable as shown in Exhibit B unless terminated by Tenant at the end of any Fiscal Year of Tenant occurring prior thereto in accordance with Section 4.3, or unless terminated as provided in Section 4.6.

Section 4.2. Possession and Enjoyment. Landlord hereby covenants to provide Tenant during the Term of this Lease with the quiet use and enjoyment of the Project and Tenant shall during the Term of this Lease peaceably and quietly have and hold and enjoy the Project, without suit, trouble or hindrance from Landlord, except as expressly set forth herein. Landlord will, at the request of Tenant and at Tenant's cost, join in any legal action in which Tenant asserts its right to such possession and enjoyment to the extent Landlord lawfully may do so.

Section 4.3. Termination by Tenant. In the sole event of Non-appropriation, Tenant shall have the right to terminate this Lease, in whole but not in part, at the end of any Fiscal Year of Tenant, in the manner and subject to the terms specified in this section and in Sections 4.5 and 4.6. Tenant may effect such termination by giving Landlord and the Trustee a written notice of termination and by paying to Landlord any Rental Payments and any other amounts due pursuant to Section 4.5 which are due and have not been paid and any other amount due pursuant to Section 4.5 at or before the end of its then current Fiscal Year. Tenant shall give written notice to the Trustee and the Landlord of any such termination not less than ninety days prior to the end of such Fiscal Year. If the Landlord and the Trustee are not delivered a written notice of an event of Non-appropriation with a certified copy of a resolution of the City Council of the Tenant stating that Tenant will no longer appropriate any moneys to pay the Rental Payments due under this Lease, not less than ninety days prior to the end of a fiscal year then an event of Non-appropriation is deemed not to have occurred. In the event of termination of this Lease as provided in this section, Tenant shall convey to Landlord and release its interest under this Lease in the Project in accordance with Section 12.3 immediately after termination of this Lease.

Section 4.4. Intent to Continue Lease Term; Appropriations and Property Taxes. Tenant presently intends to continue this Lease for its entire Term and to pay all Rental Payments. The Tenant covenants that the chief financial official and/or other appropriate official of the Tenant will include in the officer's annual budget for each Fiscal Year and thereby request an appropriation by Tenant's City Council of an amount sufficient to meet Tenant's obligations under this Lease. To provide sufficient funds to pay the Rental Payments due hereunder, subject to the provisions in Section 4.3, Tenant shall include in each annual budget an appropriation sufficient, and shall levy such taxes as may be necessary, when combined with any other appropriated and available funds, to make the Rental Payments.

Section 4.5. Effect of Termination. Upon any termination of this Lease as described in Section 4.3, Tenant shall not be responsible for the payment of any additional Rental Payments

coming due with respect to succeeding Fiscal Years. If Tenant does not deliver possession of the Project to Landlord in accordance with Section 12.3 and convey to Landlord or release its interest under this Lease in the Project immediately upon the termination of this Lease, the termination shall nevertheless be effective, but Tenant shall be responsible for the payment of damages in an amount equal to the amount of the Rental Payments coming due which are attributable to the number of days after termination of this Lease during which Tenant fails to take such actions and for any other loss suffered by Landlord as a result of Tenant's failure to take such actions as required. Termination of this Lease for any reason shall not terminate Tenant's obligations under Sections 2.1, 6.5 or 6.6 or relieve Tenant from any liability for the nonperformance of any covenant in those sections or for any inaccuracy in the representations contained in Section 2.1.

Section 4.6. Termination of Lease Term. The Term of this Lease will terminate upon any termination hereof by Tenant described in Section 4.3, upon a default by Tenant and Landlord's election to terminate this Lease pursuant to Article XII, or upon the Tenant's exercise of its option to purchase the Project pursuant to Article X and Tenant's payment of the Purchase Option Price. Upon Tenant's purchase of the Project, this Lease and the Ground Lease shall terminate and the Tenant thereupon shall become entitled to the Project **AS IS, WITHOUT WARRANTIES, EXPRESS OR IMPLIED, INCLUDING WARRANTIES OF MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE OR FITNESS FOR THE USE CONTEMPLATED BY TENANT**, except that the Project shall not be subject to any lien or encumbrance created by or arising through Landlord, other than Permitted Encumbrances. To evidence the foregoing, the Landlord shall, at the request and expense of Tenant, execute such documents as the Tenant reasonably determines are required to convey and release to the Tenant, any and all of Landlord's remaining right, title and/or interest in and to the Project.

ARTICLE V

RENTAL PAYMENTS

Section 5.1. Rental Payments. Subject to Tenant's exercise of its option to purchase the Project or prepay in part Rental Payments pursuant to Article X, and payment of the Purchase Option Price, Tenant shall:

(a) On or before the date identified on Exhibit B pay the Rental Payments as set forth on Exhibit B.

(b) The Tenant shall have a credit against each Rental Payment to the extent of any investment earnings which are available and which are in excess of amounts otherwise required to pay principal of or interest on the Series 2021A Bonds or to cure any deficiency in the Reserve Fund.

(c) In the event the Tenant shall have paid Rental Payments with respect to a Rental Payment Date, but the funds on deposit in the Bond Fund are nevertheless insufficient to pay such principal, premium (if any) and interest on the Bonds then due or to become due on such Interest Payment Date, the Tenant will forthwith pay as Rental Payments the amount of the deficiency

(d) If, for any reason, the balance in the Reserve Fund is less than the Reserve Requirement, the Tenant shall, upon request of the Trustee made under Section 5.03(d) of the Indenture, immediately pay to the Trustee, for deposit in the Reserve Fund, an amount sufficient to restore the Reserve Fund to the Reserve Requirement. If sums are transferred from the Reserve Fund to the Bond Fund under Section 5.03(c) of the Indenture, the Tenant shall make a semiannual Rental Payment as described in Section 5.03(d) of the Indenture.

(e) The Tenant shall also have a credit against its Rental Payment obligations under this section to the extent of funds transferred from the Reserve Fund to the Bond Fund to make the last payments due on Outstanding Bonds, as described in Section 5.03(f) of the Indenture.

Section 5.2. Place of Payment of Rental Payments. The Rental Payments provided for in Section 5.1 shall be paid directly to the Trustee at its corporate trust office for the account of Tenant for deposit in the Bond Fund or Reserve Fund, as provided in the Indenture.

Section 5.3. Additional Rental Payments. The Tenant shall pay Additional Rental Payments as follows:

(a) To the Trustee, for itself or remittance to the paying agents, promptly after being billed, until the principal of and interest on the Bonds shall have been fully paid or provision for the payment thereof shall have been made in accordance with the provisions of the Indenture, (i) an amount equal to the annual fee of the Trustee as trustee, for the ordinary services of the Trustee rendered and its ordinary expenses incurred under the Indenture during the preceding billing period, (ii) the fees and charges of paying agents, authenticating agents, and registrars on the Bonds for acting as paying agent, authenticating agent, and registrar as provided in the Indenture, as and when the same become due, and (iii) the fees and charges of the Trustee for

necessary extraordinary services rendered by it and extraordinary expenses incurred by it under the Indenture, as and when the same become due, other than the fees and charges which were required by reason of the gross negligence or willful default of the Trustee under the Indenture; provided, that the Tenant may, without creating a default hereunder, contest in good faith the necessity for any such extraordinary services and extraordinary expenses and the reasonableness of any such fees, charges or expenses; and

(b) To the Trustee or Landlord, as the case may be, upon demand, any amounts advanced by the Trustee for the account of the Tenant or the Landlord under the Indenture or advanced by the Landlord under this Lease; and

(c) To the Treasurer of Isanti County, or other appropriate authority or official for the account of the Tenant and before the same become delinquent or any penalty attaches, all taxes, special assessments, or other governmental charges imposed on or with respect to the Project or any part thereof, subject to Section 7.3; and

(d) To the Landlord, all reasonable expenses incurred by the Landlord in connection with the transactions contemplated hereby which are not otherwise required to be paid by the Tenant under the terms of this Lease; and

(e) All other costs and expenses specifically required to be paid by the Tenant or Landlord under the terms of this Lease or the Indenture.

(f) To the Landlord, upon its request or the request of the Trustee, any amount of arbitrage profit required to be rebated to the United States under Section 6.07 of the Indenture.

Section 5.4. Rental Payments to be Unconditional. Except as provided in Section 4.3, the obligation of Tenant to make Rental Payments required hereunder, and to perform and observe all other covenants and agreements of Tenant contained herein, shall be absolute and unconditional in all events and the obligation to make such Rental Payments shall remain notwithstanding any dispute between Tenant and Landlord or any other person unless the Landlord shall violate the Tenant's right to quiet enjoyment of the Project to such a degree that Tenant no longer enjoys its right of possession to the Project. Tenant shall make all Rental Payments and other payments required hereunder when due and shall not withhold any Rental Payment or other payment pending final resolution of such dispute and Tenant shall not assert any right of setoff or counterclaim against its obligation to make such Rental Payments or other payments required under this Lease. Tenant shall have the right pursuant to Section 7.3 to in good faith contest taxes, special assessments, utility or other charges in accordance with the provisions of Section 7.3. However, nothing herein shall be construed to release Landlord from the performance of its obligations hereunder; and if Landlord should fail to perform any such obligation, Tenant may institute such legal action against Landlord as Tenant may deem necessary to compel the performance of such obligation or to recover damages therefor.

Section 5.5. Current Expense. The obligations of Tenant under this Lease, including its obligation to pay the Rental Payments due with respect to the Project, in any Fiscal Year for which this Lease is in effect, shall constitute a current expense of Tenant for such Fiscal Year. The Tenant's obligations hereunder shall be from year to year only and shall not constitute an

indebtedness, liability or mandatory payment obligation of Tenant in any ensuing Fiscal Year beyond the then current Fiscal Year. No provision herein shall be construed or interpreted as creating a general obligation or other indebtedness of the Tenant within the meaning of any constitutional or statutory debt limitation. Except for the lien herein created in the Project and the proceeds thereof, nothing herein shall be construed to pledge or to create a lien on any taxes or on any other class or source of money of the Tenant, nor shall any provision herein restrict the future issuance of any bonds of the Tenant or obligations payable from any class or source of Tenant moneys.

ARTICLE VI

INSURANCE AND INDEMNIFICATION

Section 6.1. Liability Insurance. The Tenant shall, at its own expense, cause comprehensive liability and property damage insurance to be carried and maintained with respect to the activities to be undertaken by and on behalf of the Tenant in connection with the use of the Project substantially the same as insurance carried by the Tenant with respect to other governmental activities.

Section 6.2. Property Insurance. The Tenant shall cause casualty and property damage insurance to be carried and maintained with respect to the Project in an amount at least equal to the replacement value of the Project with a deductible not to exceed the deductible carried by the Tenant with respect to other similar governmental buildings (except that during construction of the Project, builders risk insurance, full value of completed structure - all risk coverage, may be substituted for property insurance required for that portion of the Project). Such coverage must apply exclusively to the Project and must be available to repair/rebuild the Project under all circumstances after the occurrence of an insured peril. Full payment of insurance proceeds up to the required policy dollar limit in connection with damage to the Project shall, under no circumstances, be contingent on the degree of damage sustained at other facilities owned or leased by the Tenant. The policy must explicitly waive any co-insurance penalty.

Section 6.3. Worker's Compensation Insurance. If required by State law, Tenant shall carry Worker's Compensation Insurance covering all employees on, in, near or about the Project, and upon request, shall furnish to Landlord certificates evidencing such coverage throughout the Term of this Lease.

Section 6.4. Requirements For All Insurance. All insurance policies (or riders or endorsements to existing policies) required by this Article shall be taken out and maintained with responsible insurance companies organized under the laws of one of the states of the United States and qualified to do business in the State and rated A by Best or in the two highest categories of Standard and Poor's and Moody's and shall contain a provision that the insurer shall not cancel or revise coverage thereunder without giving written notice to the insured parties at least thirty days before the cancellation or revision becomes effective. All insurance policies or riders required by Sections 6.1 and 6.2 shall name Tenant, Landlord and Trustee as insured parties and, with respect to the property insurance, shall also name the Landlord and Trustee as loss payees. During the period of completion of the Project, the requirement that Landlord and Trustee be named as an insured party under the liability insurance may be satisfied by having Landlord and Trustee named as additional insureds under the liability insurance policy carried by the general Contractor. Tenant shall annually deposit with the Trustee a certificate of the Tenant stating that the insurance it carries for the Project is in full force and effect and complies with Article VI of this Lease. Before the expiration of any such policy (or rider), Tenant shall furnish to Landlord evidence that the policy has been renewed or replaced by another policy conforming to the provisions of this Article. The Trustee has no duty or obligations to determine the sufficiency of such insurance requirements.

Section 6.5. Indemnification; Hazardous Substance.

(1) Tenant assumes all risks and liabilities, whether or not covered by insurance, for loss or damage to the Project or any portion thereof and for injury to or death of any person or damage to any property, in any manner arising out of or incident to any possession, use, operation or condition of the Project or any portion thereof, whether such injury or death be with respect to agents or employees of Tenant or of third parties, and whether such property damage be to Tenant's property or the property of others. To the maximum extent permitted by law, Tenant hereby assumes responsibility for and agrees to indemnify, protect, save and keep harmless Landlord and the Trustee from and against any and all liabilities, obligations, losses, damages, penalties, claims, actions, costs and expenses (including reasonable attorney's fees) of whatsoever kind and nature, imposed on, incurred by or asserted against Landlord or the Trustee that in any way relate to or arise out of the possession, use, operation or condition of the Project or the financing related thereto, unless caused by Landlord, the Trustee or their agents.

(2) To the maximum extent permitted by law, the Tenant hereby agrees to defend, indemnify and hold harmless Landlord, the Trustee and their officers, employees, agents, successors and assigns (hereinafter collectively referred to as the "Indemnitees") from and against, and shall reimburse each such Indemnitees for, any and all loss, claim, liability, damage, judgment, penalty, injunctive relief, injury to person, property or natural resources, cost, expense, action or cause of action arising in connection with or as the result of any past, present or future existence, use, handling, storage, transportation, manufacture, release or disposal of any Hazardous Substance in, on or under the Land, whether foreseeable or unforeseeable, regardless of the source, the time of occurrence or the time of discovery (hereafter collectively referred to as "Loss"). The foregoing indemnification against Loss includes, without limitation, indemnification against all costs in law or in equity of removal, response, investigation, or remediation of any kind, and disposal of such Hazardous Substances, all costs of determining whether the Land is in compliance with, and of causing the Land to be in compliance with, all applicable Environmental Laws, all costs associated with claims for damages to persons, property, or natural resources, and the Indemnitees' reasonable attorneys' and consultants' fees, court costs and expenses incurred in connection with any thereof.

(3) The obligations of Tenant to indemnify the Indemnitees shall survive satisfaction and payment in full of the Bonds, and termination of this Lease or the Landlord or Trustee reacquiring possession of the Land under the Ground Lease. The rights of the Indemnitees hereunder shall be in addition to any other rights and remedies which the Indemnitees may have against the Land and the Tenant under this Lease or any other document or at law or in equity.

(4) Notwithstanding anything in this Lease to the contrary, if Landlord should, after subleasing the Land to the Tenant as provided herein, subsequently terminate this Lease and reacquire possession of the Land under the Ground Lease (the date on which this event occurs being the "Termination Date"), the indemnifications described in this section shall not apply to any Loss incurred by Landlord or the Trustee as a direct result of affirmative actions of the Landlord or the Trustee after Landlord or the Trustee has terminated this Lease and acquired possession of the Land under the Ground Lease if such affirmative actions of the Landlord or the Trustee are the sole and direct cause of the introduction and initial release of a Hazardous Substance in, on or under the Land; provided, however, that the Tenant shall bear the burden of

proof that the introduction and initial release of such Hazardous Substance (i) occurred subsequent to the Termination Date, (ii) did not occur as a result of any action of the Tenant, and (iii) did not occur as a result of a continuing migration or release of any Hazardous Substance introduced prior to the Termination Date in, on, under or near the Project.

(5) Except as expressly provided for in this section, the indemnifications provided herein shall remain in full force and effect, including, without limitation, with respect to Hazardous Substances which are discovered or released in, on or under the Land after the Termination Date, and with respect to the continuing migration or release of any Hazardous Substance previously introduced in, on, under or near the Land. The foregoing limitations shall not affect or impair any rights, remedies or claims the Landlord or the Trustee may have outside the scope of this indemnity, at law or in equity, with respect to the Tenant or others.

Section 6.6. Damage to or Destruction or Condemnation of Project. If after the execution of this Lease all or any part of the Project is lost, stolen, condemned, destroyed or damaged, or taken by condemnation, Tenant shall as soon as practicable after such event restore and/or replace (as in the case may be required), or cause to be restored and/or replaced, the same at Tenant's sole cost and expense such restoration or replacement to be of equal or greater value to the Project or the applicable portion thereof immediately prior to the time of the loss occurrence or condemnation, whereupon such restoration or replacement shall be substituted in this Lease by appropriate endorsement, if necessary. By way of example but not limitation, restoration shall include any demolition, clearance or other clean-up or safety measures reasonably required in connection with any casualty, destruction or other loss of any portion of the Project. The Net Proceeds payable with respect to the loss may be applied towards the costs of such replacement or restoration.

ARTICLE VII

OTHER OBLIGATIONS OF TENANT

Section 7.1. Use; Permits. Tenant shall exercise due care in the construction, use, operation and maintenance of the Project, and shall not install, use, operate or maintain the Project improperly, carelessly, in violation of any State and Federal Law or for a purpose or in a manner contrary to that contemplated by this Lease. Tenant shall obtain (or cause to be obtained) all permits and licenses necessary for the construction, operation, possession and use of the Project. Tenant shall comply with all State and Federal Laws applicable to the construction, use, possession and operation of the Project, and if compliance with any such State and Federal Law requires changes or additions to be made to the Project, such changes or additions shall be made by Tenant at its expense.

Section 7.2. Maintenance of Project by Tenant. Tenant shall, at its own expense, maintain, preserve and keep the Project in good repair, working order and condition and shall from time to time make all repairs and replacements necessary to keep the Project in such condition. Neither Landlord nor Trustee shall have any responsibility for any of these repairs or replacements.

Section 7.3. Taxes, Other Governmental Charges and Utility Charges. Except as expressly limited by this section, Tenant shall pay (or cause to be paid) all taxes and other charges of any kind which are at any time lawfully assessed or levied against or with respect to the Project, or which become due during the Term of this Lease, whether assessed against Tenant or Landlord. Tenant shall also pay (or cause to be paid) when due all gas, water, steam, electricity, heat, power, telephone, and other charges incurred in the operation, maintenance, use, occupancy and upkeep of the Project, and all special assessments and charges lawfully made by any governmental body for public improvements that may be secured by a lien on the Project; provided that with respect to special assessments or other governmental charges that may lawfully be paid in installments Tenant shall only be required to pay (or cause to be paid) such installments, during the Term of this Lease as and when the same become due.

Tenant may, at its own expense and in its own name, in good faith contest any such taxes, assessments, utility and other charges and shall notify the Landlord of such good faith contest and, in the event of any such contest, may permit the taxes, assessments, utility or other charges so contested to remain unpaid during the period of such contest and any appeal therefrom but only if (1) nonpayment of any such items will not materially endanger the interest of Landlord in the Project, nor subject to loss or forfeiture the Project or any part thereof, and (2) Tenant files with the Trustee an opinion of Independent Counsel stating in effect that neither event will occur. If both conditions are not satisfied Tenant shall promptly pay such taxes, assessments, utility or other charges or provide Landlord with full security against any loss which may result from nonpayment, in form satisfactory to Landlord.

Section 7.4. Advances. If Tenant shall fail to perform any of its obligations under this Article, Landlord may, but shall not be obligated to, take such action as may be necessary to cure such failure, including the advancement of money, and Tenant shall be obligated to repay all such advances on demand with interest from the date of the advance to the date of repayment.

The interest rate on the advance (1) the rate of interest at which the Landlord borrowed the money advanced or, (2) if the Landlord did not borrow the money, the rate of four percent (4%) per annum.

Section 7.5. Landlord Access to Project. Tenant agrees that Landlord shall have the right at all reasonable times upon reasonable notice to examine and inspect the Project. Tenant further agrees that Landlord shall have such rights of access to the Project as may be reasonably necessary to cause the proper maintenance of any portion of the Project in the event of failure by Tenant to perform its obligations hereunder.

Section 7.6. Transfer of Functions. The Tenant covenants that it will, at all times during the Term of this Lease, use the Project to the fullest extent possible in the governmental functions of the Tenant. The Tenant further covenants that, to the extent it may lawfully do so under the laws of the State of Minnesota, and to the extent it would not obviate the Tenant's right to terminate this Lease at the end of any Fiscal Year, it will not transfer any governmental functions from the Project to any other location during the Term of this Lease and will not otherwise eliminate or diminish the use of the Project by the Tenant in its governmental functions unless the Tenant promptly replaces such governmental functions with other functions or programs of the Tenant which will be substituted at the Project for the transferred functions for the remaining Term of this Lease.

ARTICLE VIII

TITLE

Section 8.1. Title. During the Term of this Lease title to the Project and any and all repairs, replacements, substitutions and modifications to it under Sections 6.6 or 8.5 shall be in the Landlord. Upon any termination of this Lease described in Section 4.3 or upon a default by Tenant and Landlord's election to terminate this Lease pursuant to Article XII, Tenant shall have no further interest in the Project under this Lease. In such event Tenant shall execute and deliver to Landlord such documents as Landlord may request to evidence the termination of this Lease; and upon request by Landlord, Tenant shall deliver possession of the Project to Landlord, in accordance with Section 12.3.

Section 8.2. Security Interest. The Tenant hereby grants to the Landlord a security interest in all portions of the Project that are deemed personal property or fixtures pursuant to applicable law, the proceeds thereof and all repairs, replacements, substitutions and modifications thereto or thereof made pursuant to Section 8.5 and a security interest in the proceeds of all insurance policies, in order to secure Tenant's payment of all Rental Payments due during the Term of this Lease and the performance of all other obligations herein to be performed by the Tenant. The Tenant will cause to be executed, filed and recorded all instruments, including financing statements and continuation statements, and will perform such acts as are required to establish and maintain a valid and perfected security interest in such portions of the Project.

Section 8.3. Liens. During the Term of this Lease, Tenant shall not, directly or indirectly, create, incur, assume or suffer to exist any mortgage, pledge, lien, charge, encumbrance or claim on or with respect to the Project, other than the respective rights of Landlord and Tenant as herein provided and Permitted Encumbrances. Except as expressly provided in Section 7.3 and this Article, Tenant shall promptly, at its own expense, take such action as may be necessary to duly discharge or remove any such mortgage, pledge, lien, charge, encumbrance or claim if the same shall arise at any time; provided that if any such lien for labor or materials is established against the Project and Tenant shall first notify Landlord of Tenant's intention to do so, Tenant may in good faith contest any such lien, and in such event may permit the lien so contested to remain undischarged and unsatisfied during the period of such contest and any appeal therefrom but only if (1) nonpayment of any such item will not materially endanger the interest of Landlord in the Project and will not subject to loss or forfeiture the Project or any part thereof, and (2) the Tenant files with the Landlord an opinion of Independent Counsel stating in effect that neither event will occur. Tenant shall reimburse Landlord for any expense incurred by Landlord in order to discharge or remove any such mortgage, pledge, lien, charge, encumbrance or claim.

Section 8.4. Installation of Tenant's Equipment. Tenant may at any time and from time to time, in its sole discretion and at its own expense, install items of fixtures, equipment and other personal property in or upon the Project. All such items shall remain the sole property of Tenant, in which Landlord shall have no interest, and may be modified or removed by Tenant at any time provided that Tenant shall repair and restore on a timely basis any and all damage to the Project resulting from the installation, modification or removal of any such items. Nothing in

this Lease shall prevent Tenant from purchasing items to be installed pursuant to this section under a conditional sale or lease-purchase contract, or subject to a vendor's lien or security agreement, as security for the unpaid portion of the purchase price thereof, or from entering into any other loan agreement secured by a lien or security interest in such property provided that no such lien or security interest shall attach to any part of the Project. Landlord and the Trustee shall, at the request and expense of Tenant, execute such releases and other documents as Tenant reasonably determines is necessary to facilitate such purchase or loan and as are consistent with the rights of the parties under this Lease; and as a condition to executing such documents, Landlord and the Trustee may require and in good faith conclusively rely upon a written statement of Tenant that the documents comply with the provisions of this section.

Section 8.5. Modification of Project. Subject to Tenant's rights under Section 8.4, Tenant shall, at its own expense, have the right to make repairs to the Project, and to make repairs, replacements, substitutions and modifications to all or any of the parts thereof. All such work and any part or component used or installed to make a repair or as a replacement, substitution or modification, shall thereafter comprise part of the Project and be subject to the provisions of this Lease. Such work shall not in any way damage the Project or cause it to be used for purposes other than those authorized under the provisions of State and Federal Law or those contemplated by this Lease; and the Project, upon completion of any such work shall be of value which is not less than the value of the Project prior to the commencement of such work. Any property for which a replacement or substitution is made pursuant to this section may be disposed of by Tenant in such manner and on such terms as are determined by Tenant. Landlord shall also at Tenant's expense execute such other releases from the provisions of this Lease for any replacement equipment as Tenant may reasonably request. For purposes of executing any such amendment or document, Landlord and Trustee may require and in good faith conclusively rely upon a written statement of Tenant that such amendment or document complies with the provisions of this section.

Section 8.6. Easements and Utility Access. Tenant may, at Tenant's expense, at any time and from time to time request Landlord to convey an easement affecting the Land to a corporate utility or public body, or any other person, upon written certification by an Independent Engineer that in its opinion the easement is necessary or desirable to provide road or other access or utility service for the Project or other property and will not impair the usefulness of the Project for the purposes contemplated in this Lease and will not destroy the means of ingress therefrom and egress therefrom. No such easement shall result in any abatement of rents or other sums payable by Tenant under this Lease. Landlord will execute the easement and will join in the execution of a supplement to this Lease and the Ground Lease, providing for the subordination of this Lease and the Ground Lease to any such easement; but the subordination shall not become effective until the following items are filed with, and/or where applicable, executed by, the Landlord:

(1) a copy of the easement (or if Section 8.7 is applicable, release) executed or to be executed by Landlord;

(2) a plat or survey of the Land prepared and certified by a registered Minnesota land surveyor, showing the land to be subjected to the easement as described in the easement (or if Section 8.7 is applicable, the land to be released) and the location in relation thereto of all

buildings, structures and permanently installed equipment on the land, and all other easements, roads, tracks and utility installations;

(3) evidence of the authority of the officers executing the lease supplement and easement (or, if Section 8.7 is applicable, the release) on behalf of Landlord and Tenant, including a certified copy of an authorizing resolution of the governing body of Landlord and of Tenant; and

(4) the certificate of the Independent Engineer.

Any money received by Tenant for the easement shall be remitted to the Landlord and credited to the Bond Fund. For purposes of executing the instruments described in this section, Landlord and Trustee may require and in good faith conclusively rely upon a written statement of Tenant that the provisions of this section have been fully satisfied.

Section 8.7. Release of Unimproved Land. Tenant may, at Tenant's expense, at any time and from time to time request Landlord to release from the provisions of this Lease and the Ground Lease any part of the Land on which no building, structure or permanently installed equipment is situated, upon written certification by an Independent Engineer stating that in their opinion the Land proposed to be released is not needed for the operation of the Project for the purposes stated in this Lease, and that the release will not impair the usefulness of the Project for these purposes and will not destroy the means of ingress thereto and egress therefrom. Landlord will join in the execution of a supplement to this Lease providing for the release thereof, subject to the following conditions:

(1) the release shall not become effective until the filing with the Landlord of the following items:

(A) the items described in paragraphs (1) to (4), inclusive, of Section 8.6; and

(B) an opinion of Independent Counsel stating that the above documents satisfy the requirements of this Section and that the release is in appropriate form for execution by the respective parties; and

(2) the Tenant shall not be entitled to any abatement, reduction, or diminution of any rents payable under this Lease.

Section 8.8. Covenant For the Benefit of the Bondholders. Tenant recognizes the authority of the Landlord to pledge all moneys receivable under this Lease, including any proceeds from the sale of all or a part of the Project, as security for the payment of the principal of and interest and redemption premiums, if any, on the Bonds. Each of the terms and provisions of this Lease is a covenant for the use and benefit of the Holders of the Bonds, so long as any thereof shall remain outstanding; and the Trustee shall be deemed, on behalf of the Bondholders, a third party beneficiary of said terms and conditions; but upon payment in full of the Bonds and of all fees and charges of the Trustee, all references in this Lease to the Bonds shall be ineffective, and no Holder of any of the Bonds shall thereafter have any rights hereunder, save and except those that shall have theretofore vested.

ARTICLE IX

PROJECT WARRANTIES

Section 9.1. Selection of Project. The Project and the Contractors have been and are to be selected by Landlord, and Tenant shall have no responsibility in connection therewith, or with respect to the suitability of the Project for the use intended by Landlord or any delay or failure by the Contractors to construct the Project for use by Tenant.

Section 9.2. Construction and Maintenance of Project. Landlord is obligated to construct, inspect or maintain the Project or any portion thereof under any circumstances, such actions shall not be the obligation of Tenant.

Section 9.3. Contractors' Warranties. For and during the Term of this Lease, all of its interest in all Contractors' warranties and guarantees, express or implied, issued on or applicable to the Project, are assigned to the Landlord and the customary services furnished in connection with such warranties and guarantees are to be obtained at Landlord's expense.

Section 9.4. Disclaimer of Warranties. THE PROJECT IS LEASED TO TENANT HEREUNDER AS IS, AND LANDLORD MAKES NO WARRANTY OR REPRESENTATION, EITHER EXPRESS OR IMPLIED, AS TO THE VALUE, DESIGN, CONDITION, MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE OR FITNESS FOR THE USE CONTEMPLATED BY TENANT OF THE PROJECT, OR ANY OTHER REPRESENTATION OR WARRANTY WITH RESPECT TO THE PROJECT.

ARTICLE X

PREPAYMENT

Section 10.1. When Available. Tenant shall have the option to purchase Landlord's interest in the Project on December 15, 2029, and any date thereafter, for a Purchase Option Price equal to the principal amount of the Bonds outstanding and accrued interest to the next day on which they may be called for redemption, plus past due Rental Payments, and only in the manner provided in this Article.

Section 10.2. Exercise of Purchase Option. Tenant shall give notice to Landlord and Trustee of its intention to exercise its purchase option not less than forty-five days prior to the date on which the option is to be exercised and shall deposit with the Trustee on the date of exercise an amount equal to all Rental Payments and any other amounts then due or past due and the applicable Purchase Option Price. The purchase shall be on the date on which the option is to be exercised at the office of Landlord.

Section 10.3. Release of Landlord's Interest. Upon exercise by Tenant of its option to purchase Landlord's interest in the Project and payment of the Purchase Option Price, this Lease and the Ground Lease shall terminate and Tenant thereupon shall become entitled to the Project AS IS, WITHOUT WARRANTIES, EXPRESS OR IMPLIED, INCLUDING WARRANTIES OF MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE OR FITNESS FOR THE USE CONTEMPLATED BY TENANT, except that the Project shall not be subject to any lien or encumbrance created by or arising through Landlord other than Permitted Encumbrances. To evidence the foregoing, Landlord and Trustee, as agent for and on behalf of the Bondholders, shall, at the request and expense of Tenant, execute such documents as Tenant reasonably determines are required to convey and release to Tenant, any and all of their remaining right, title and/or interest in and to the Project.

Section 10.4. Defeasance. Tenant shall have the option to provide for the payment of the Rental Payments (and, if applicable, the Purchase Option Price) by the deposit with the Trustee in escrow on behalf of the holders of the Bonds of cash or securities for which the full faith and credit of the United States are pledged for the payment of principal and interest or which are guaranteed as to payment of principal and interest by the United States, in an amount sufficient (together with interest earnings thereon) to provide for payment of said Rental Payments (and, if applicable, the Purchase Option Price) prior to their respective Payment Dates as provided in Section 5.1 through their final maturity date, or such earlier date upon which an option to purchase would have been exercisable by Tenant; provided that such earlier date is designated by Tenant as the date on which the applicable Purchase Option Price shall be paid; and provided further that Tenant files with Landlord and Trustee an opinion of Bond Counsel stating in effect that such defeasance will not impair the tax exempt status of the Bonds. Upon exercise by Tenant of this option, this Lease and the Ground Lease shall terminate and, at the request and expense of Tenant, Landlord and Trustee shall convey and release their interest in the Project as provided in Section 10.3. For purposes of executing such release both the Landlord and Trustee may in good faith conclusively rely upon a report of an independent certified public accountant stating in effect that the sums held in escrow satisfy the payment requirement set forth in this section.

Section 10.5. Partial Prepayment or Defeasance. Tenant shall have the option to prepay on December 15, 2029, or any date thereafter a portion of any Rental Payment selected by the Tenant and scheduled to become due under this Lease. The Tenant shall also have the option to provide for the payment or prepayment, in increments, of a portion of Rental Payments scheduled to become due under this Lease by depositing in escrow with the Trustee sufficient funds for that purpose, in the manner and subject to the conditions set forth in Section 10.4 as if (a) those Rental Payments to be paid or prepaid were the only Rental Payments then scheduled to become due under this Lease and (b) any of the Rental Payments to be prepaid were the Purchase Option Price.

Section 10.6. Exercise of Partial Prepayment or Defeasance Option. Tenant shall give notice to Landlord and Trustee of its intention to exercise its option to partially prepay Rental Payments or defease its Rental Payment obligations, in whole or part, as provided in Sections 10.4 and 10.5. Tenant shall give such notice not less than forty-five days prior to the date on which a portion of any Rental Payments are to be prepaid, in whole or part, or the Purchase Option Price is to be paid, and shall deposit with Trustee on the date of exercise the sum required to effect such prepayment or defeasance.

Section 10.7. Credit for Partial Prepayment or Defeasance. If Tenant partially prepays or defeases any Rental Payments under Section 10.5 and thereafter elects to acquire the Project as provided in this article, the Tenant shall be entitled to credit against the applicable Purchase Option Price an amount equal to a portion of the Rental Payments scheduled to come due after the date as of which the applicable Purchase Option Price is calculated and taken into account at the time such partial prepayment or defeasance occurred.

ARTICLE XI

ASSIGNMENT, SUBLEASING, MORTGAGING AND SELLING

Section 11.1. Assignment by Landlord. Except for Landlord's assignment of this Lease to the Trustee pursuant to the Indenture, Landlord shall not assign this Lease, in whole or in part, and no such purported assignment thereof shall be effective. The Landlord's sole obligation is to provide to the Tenant quiet enjoyment of the Project. Subject to the provisions of the Indenture, any and all of Landlord's rights, title and/or interest in and to this Lease, the Rental Payments and other amounts due hereunder and the Project may only be assigned and reassigned in whole to the Trustee without the consent of the Tenant.

Section 11.2. Assignment and Subleasing by Tenant. Neither this Lease nor Tenant's interest in the Project may be assigned or subleased by Tenant without the written consent of Landlord, and the Trustee and any such assignment or sublease shall not relieve Tenant from its obligations hereunder, including without limitation the obligation to make the Rental Payments hereunder; provided that Landlord's consent to any other sublease shall not be required if (1) the sublease provides that the sublessee will not take any action in derogation of Tenant's obligations hereunder, (2) a copy of the sublease is filed with Landlord and the Trustee, (3) the term of the sublease coincides with the term of this Lease, and (4) either (A) the sublease is to a Governmental Unit or (B) an opinion of Bond Counsel is first filed with the Landlord and the Trustee stating in effect that the sublease will not impair the tax-exempt status of the Bonds.

Section 11.3. Restriction on Mortgage or Sale of Project by Tenant. Tenant will not sell, transfer or convey its interest in the Project or any portion thereof during the Term of this Lease without the written consent of Landlord.

ARTICLE XII

EVENTS OF DEFAULT AND REMEDIES

Section 12.1. Events of Default Defined. The following shall be "events of default" under this Lease and the terms "events of default" and "default" shall mean, whenever they are used in this Lease, with respect to the Project, any one or more of the following events:

(i) Failure by Tenant to pay any Rental Payment or other payment required to be paid under this Lease at the time specified herein and, except in the case of a failure to pay when due any Rental Payment, the continuation of said failure for a period of seven days.

(i) Failure by Tenant to observe and perform any covenant, condition or agreement on its part to be observed or performed, other than as referred to in clause (i) of this section, for a period of thirty days after written notice specifying such failure and requesting that it be remedied has been given to Tenant by Landlord, unless Landlord shall agree in writing to an extension of such time prior to its expiration; provided, however, if the failure stated in the notice cannot be corrected within the applicable period, Landlord will not unreasonably withhold its consent to an extension of such time if corrective action is instituted by Tenant within the applicable period and diligently pursued until the default is corrected.

(i) The filing by Tenant of a voluntary petition in bankruptcy; or failure by Tenant promptly to lift any execution, garnishment or attachment of such consequence as would impair the ability of Tenant to carry on its governmental or proprietary function; or adjudication of Tenant as a bankrupt; or assignment by Tenant for the benefit of creditors, or the entry by Tenant into an agreement of composition with creditors; or the approval by a court of competent jurisdiction of a petition applicable to Tenant in any proceedings instituted under the provisions of federal bankruptcy laws, or any similar acts which may hereafter be enacted.

(i) The vacation or abandonment by the Tenant of the Project for a period of ninety consecutive days.

The provisions of this section and Section 12.2 are subject to the following limitation: if by reason of force majeure Tenant is unable in whole or in part to carry out its obligations under this Lease with respect to the Project, other than its obligation to pay Rental Payments with respect thereto, which shall be paid when due notwithstanding the provisions of this paragraph, Tenant shall not be deemed in default during the continuance of such inability. The term "force majeure" as used herein shall mean, without limitation, the following: acts of nature; strikes, lockouts or other labor disturbances; acts of public enemies; orders or restraints of any kind of the government of the United States of America or the State or their respective departments, agencies or officials, or any civil or military authority; insurrections; riots, landslides; earthquakes; fires; storms; droughts; floods; explosions; breakage or accident to machinery, transmission pipes or canals; or any other cause or event not reasonably within the control of Tenant and not resulting from its negligence. Tenant agrees, however, to remedy with all

reasonable dispatch the cause or causes preventing Tenant from carrying out its obligations under this Lease; provided that the settlement of strikes, lockouts and other labor disturbances shall be entirely within the discretion of Tenant and Tenant shall not be required to make settlement of strikes, lockouts and other labor disturbances by acceding to the demands of the opposing party or parties when such course is, in the reasonable judgment of Tenant, unfavorable to Tenant.

Section 12.2. Remedies on Default. Whenever any event of default referred to in Section 12.1 shall have happened and be continuing with respect to the Project, the Landlord, shall have the right, at its option and without any further demand or notice, to take one or any combination of the following remedial steps:

(i) Landlord, with or without terminating this Lease, may declare all Rental Payments due or to become due during the Term of the Lease to be immediately due and payable by Tenant, whereupon such Rental Payments shall be immediately due and payable. If Landlord has not terminated the Lease and has not declared all Rental Payments immediately due and payable and if Tenant has cured the event of default and has paid the late charge provided in Section 12.6, if applicable, the Tenant shall be restored to its former position before the event of default occurred.

(i) Landlord, with or without terminating this Lease, may repossess the Project or any portion thereof by giving Tenant written notice to vacate the Project, whereupon Tenant shall do so in the manner provided in Section 12.3; or in the event Tenant fails to do so within ten days after receipt of such notice, Landlord may enter upon the Project and take possession of the Project and charge Tenant for costs incurred in repossessing such portion of the Project, including reasonable attorneys' fees. Tenant hereby expressly waives any damages occasioned by such repossession.

(i) If the Landlord terminates this Lease and takes possession of the Project or any portion thereof, Landlord shall have the right to lease or sell the Landlord's interests in the Project or any portion thereof, subject to Tenant's fee simple title interest therein, in a commercially reasonable manner at public or private sale in accordance with applicable State laws, and the Tenant agrees to use its best efforts to assist the Landlord in so doing. Landlord shall apply the proceeds of such sale to pay the following items in the following order; (a) all costs incurred in securing possession of the Project and prepayment of the Bonds; (b) all expenses incurred in completing the sale; and (c) the balance of any accrued Rental Payments owed by Tenant.

(i) Landlord may take any other remedy available at law or in equity to require Tenant to perform any of its obligations hereunder.
