CITY OF ISANTI

MINOR DEVELOPMENT AGREEMENT

THIS AGREEMENT (the "Agreement"), is made and entered into this ____ day of September 2021 between the **City of Isanti**, a Minnesota municipal corporation (the "City") and Isanti Family Dental P.L.LC.**,** a Minnesota limited liability company (the "Developer").

RECITALS

WHEREAS, Developer seeks to construct a 4,500 square foot building with a 2,700 square foot dental clinic and an 1,800 square foot commercial tenant space in a freestanding building (the Development) on the property located at 401 Cherrywood Street NE., PID 16.126.0020. Isanti MN, Isanti County Minnesota (the Property); and

WHEREAS, the Property is zoned B-2, General Business District, and the Property is to be developed in accordance with the zoning requirements of that District, subject to the terms and conditions of this Agreement; and

WHEREAS, it is the policy of the City to enter into development contracts as contemplated in Minnesota Statutes 462.358, subd. 2(a); and

WHEREAS, Developer agrees to comply with the requirements set forth by City Code, City Approvals and Approved plans as defined and enumerated as attached; and

WHEREAS, the City and Developer desire to set forth their respective rights and obligations in this Agreement.

NOW, THEREFORE, in consideration of the Recitals, the premises and of the mutual promises and conditions contained herein, it is agreed by the City and the Developer as follows:

1. **Development Agreement Provisions.** Subject to such changes as may be agreed between the City and the Developer(s), development of the Property shall adhere to the provisions set forth herein.

2. **Escrow for City Costs and Fees.** Developer shall, contemporaneously with execution of this Agreement, deposit with the City an escrow of $5,000 to cover

the cost of legal fees, engineering fees, administrative expenses and other costs related to the Development. Any funds remaining in the escrow account(s) after the completion of the Development shall be refunded to the Developer. In the event the escrow account is depleted, the Developer shall post additional sums of money to replenish the account to a maximum of $5,000 to cover projected City costs as determined by the City. The escrow account shall always have a balance of no less than $1,000.00. The Developer shall be entitled, upon request, to an itemized statement of all costs and fees charged against the Developer's escrow account.

3. **Developer Installed Municipal Improvements.** The Developer shall construct the following described municipal improvements for the Development, which are hereinafter collectively called "Developer Installed Municipal Improvements." The Developer Installed Municipal Improvements shall be constructed at the Developer's expense and in accordance with City requirements and specifications, unless otherwise stated. The Developer shall engage at its own expense a registered professional civil engineer to prepare plans and specifications for the Developer Installed Municipal Improvements. These plans shall be submitted to the City for review and be approved by the City Engineer. The Developer agrees to City inspection of all Developer Installed Municipal Improvements and payment for said inspection services.

    a. The Developer shall reconstruct the sidewalk and create ped ramps onto and across the proposed parking lot entrance, pursuant to the City width, thickness, and design standards and meet all current ADA requirements.

        i. Replace existing sidewalk with minimum 6-inch thick sidewalk through driveways and ped ramps, all other sidewalk can be 4-inch thick.

b. Remove existing curb & gutter & replace with valley gutter or full B618 as needed per City detail provided.

c. All utilities, including electricity, telephone, cable and natural gas, shall be installed underground within platted utility easements or road rights-of-way.

d. Install water service lines, as needed, that pass testing for pressure and bacteria per City and MDH standards.

e. Install sanitary sewer service lines, as needed, that meet City minimum slope and size requirements to provide gravity service to the proposed building.

4. **Erosion Control.** Soil stabilization shall be employed to ensure the integrity of the soils and prevent erosion onto City streets, alley and neighboring parcels.

5. **Lighting.** The Developer shall be financially responsible for the cost of lighting for the Development.

6. **Warranty of Improvements.** The Developer represents and warrants that all the Developer Installed Municipal Improvements made shall be guaranteed to be properly functioning as designed for a period of two years following acceptance by the City of the Developer Installed Municipal Improvements ("Warranty Period"). In the case of any material or labor that is supplied and that is reasonably rejected by the City as defective or unsuitable, then the rejected materials shall be removed and replaced with approved material, and the rejected labor shall be done anew to the reasonable satisfaction and approval of the City at the sole cost and expense of the Developer. In any event, none of the Warranty Periods identified herein shall begin to run until all the Developer Installed Municipal Improvements have been approved and accepted by the City. If the Developer does not proceed to correct or repair improvements under this section once notified by the City, it shall be considered

an Event of Default under the Development Agreement.

7. **Signs and Markings.** All costs associated with markings and signs are to be borne by the Developer. Placement of City signage shall be as directed by the City Engineer. Business signage shall be approved by sign permit.

8. **Miscellaneous Provisions.** The Developer specifically understands that approval for this development is given subject to the following requirements:

   a. Exterior lighting or advertising activities on the site shall comply with City ordinance regarding same.

   b. The Developer shall permit access to the land herein for periodic inspection to assure conformance with the conditions herein.

   c. The Developer shall remove all temporary soil stabilization and erosion control devices, such as silt fencing, before the escrow held by the City is returned to the Developer.

9. **Special Provisions.** The following shall apply:

   a. **Liquidated Damages.** The Developer agrees to pay liquidated damages to the City in the amount of $500.00 if the Developer encroaches upon any City road right-of-way or utility easement without first obtaining a written permit from the City expressly authorizing said encroachment. The City shall be authorized to retain an appropriate percentage of the financial guarantee referred to above as security for payment of any liquidated damages owed to the City.

   b. **Sodding and Seeding Requirements.** Prior to issuance of a certificate of occupancy, it shall be the responsibility of the Developer to install sodding in all lot front yards, side yards, and back yards per City Zoning Ordinance. Said sodding shall be complete, established and growing within sixty (60) days of issuance of a Certificate of Occupancy, except that, if the Certificate of Occupancy is issued between the dates of October 1 and May 1, then the sodding required herein shall be complete,

established and growing no later than July 1 of the following year with the appropriate escrow established for the lot.

10. **Warranty of Title.** The Developer warrants and represents to the City that it is the fee owner of the land described in the Plat and that it has authority to execute this Agreement and agree to the conditions hereof.

11. **Lien Waivers.** Copies of signed and recorded lien waivers are required from each of the Developer's Contractors and Subcontractors involved in constructing the sidewalks. The Lien Waivers shall be submitted to and approved by the City Engineer prior to accepting the sidewalks and starting the warranty period.

12. **Restrictions on Transfer/Indemnification.**

    a. **Indemnification.** The Developer agrees to defend and hold the City, and its officials, employees and agents, harmless against any and all claims, demands, lawsuits, judgments, damages, penalties, costs and expenses, including reasonable attorney's fees, arising out of actions or omissions by the Developer, its employees and agents, in connection with the Development.

    b. **Enforcement by City; Damages.** The Developer acknowledges the right of the City to enforce the terms of the Development Agreement against the Developer, by action for specific performance or damages, or both, and by any other legally authorized means. The Developer also acknowledges that its failure to perform any or all of its obligations under the Development Agreement may result in substantial damages to the City; that in the event of default by the Developer, the City may commence legal action to recover all damages, losses and expenses sustained by the City; and that such expenses may include, but are not limited to, the reasonable fees of legal counsel employed with respect to the enforcement of the Development Agreement.

13. **Hold Harmless Agreement.** The Developer acknowledges that its failure to control erosion in accordance with the plans and exhibits as contained herein

may cause flooding and/or damage to adjoining property owners. In such event, the Developer agrees to hold the City harmless and indemnify the City from claims of all third parties or the Developer for damages arising out of such flooding and/or damages. Further, in the event the City undertakes any corrective actions to prevent or minimize any such flooding and/or damage, the Developer agrees to hold the City harmless and indemnify the City from claims of all third parties for damages arising out of said corrective action by the City, and agrees to reimburse the City for all out of pocket expenses incurred by the City arising out of the corrective action including, but not limited to, any cost necessary to re-landscape disrupted soils located within the Development.

14. **Events of Default.**

a. **Events of Default Defined.** The following shall be "Events of Default" under the Development Agreement and the term "Event of Default" shall mean, whenever it is used in the Development Agreement, any one or more of the following events:

i. Subject to unavoidable delays, failure by the Developer to commence and complete construction of the Developer Installed Municipal Improvements pursuant to the terms, conditions and limitations of the Development Agreement. For purposes of this Agreement, "unavoidable delays" means delays which are the direct result of acts of God, unforeseen adverse weather conditions, strikes, other labor troubles, fire or other casualty to the Municipal Improvements, litigation commenced by third parties which, by injunction or other similar judicial action, directly results in delays, or acts of any federal, state or local governmental unit, and which directly results in delays.

ii. Failure by the Developer to observe or perform any covenant, condition, obligation or agreement on its part to be observed or performed under the Development Agreement.

b. **Remedies on Default.** Whenever any Event of Default occurs, the City may undertake any one or more of the following:

i. The City may suspend its performance under the Development Agreement until it receives assurances from the Developer, deemed adequate by the City, that the Developer will cure its default and continue its performance under the Development Agreement. Suspension of performance includes the right of the City to withhold permits including, but not limited to, building permits.

ii. The City may initiate such action, including legal, equitable or administrative action, as is necessary for the City to secure performance of any provision of the Development Agreement or recover any amounts due under the Development Agreement from the Developer, or immediately draw on the financial guarantees provided by the Developer pursuant to the Development Agreement.

iii. The City may draw upon any escrow or financial guarantee established pursuant to this Agreement.

iv. The Developer agrees that if the escrow or financial guarantee is insufficient or terminates, the City has the right to use the special assessment process under Minnesota Statutes chapter 429 to construct and pay for uncompleted Developer Installed Municipal Improvements or to correct and repair any improvements under warranty. This constitutes a petition to undertake such public improvements under Minnesota Statutes chapter 429, and waiver of any and all rights to notices, hearings and appeal under said chapter.

15. **Notice and Demands.** A notice, demand or other communication under this Agreement by either party to the other shall be sufficiently given or delivered if

it is dispatched by registered or certified mail, postage prepaid, return receipt requested, or delivered personally; to the addresses as follows:

a. Developer: Isanti Family Dental P.L.L.C
401 Cherrywood Street NE
Isanti MN 55040

b. City: City of Isanti
City Administrator
P.O. Box 428
Isanti, MN 55040

Either party may designate an additional or another address upon giving notice to the other party pursuant to this paragraph.

16. **Disclaimer of Relationship.** Nothing contained in this Agreement or any Development Agreement nor any act by the City or the Developer shall be deemed or construed by any person to create any relationship of a third-party beneficiary, principal and agent, limited or general partner, or joint venture among the City, the Developer, and/or any third party.

17. **Receipt Acknowledgment.** The City shall acknowledge receipt of the funds received at the time the Development Agreement is signed.

18. **Other Provisions.**

a. **Modifications.** The Development Agreement may be modified solely through written amendments hereto executed by the Developer and the City.

b. **Counterparts.** The Development Agreement may be executed in any number of counterparts, each one of which shall constitute one and the same instrument.

c. **Judicial Interpretation.** Should any provision of the Development Agreement require judicial interpretation, the court interpreting or construing the same shall not apply a presumption that the terms hereof shall be more strictly construed against one party by reason of the rule of construction that a document is to be construed more strictly against the party who itself of through its agent or attorney prepared the same, it being agreed that the agents and attorneys of both parties have participated in the preparation thereof.

d. **Governing Law.** The Development Agreement shall be construed under the laws of the State of Minnesota.

e. **Severable Provisions.** If any word, phrase, clause or part of this Agreement is found unenforceable, the balance of the Agreement shall remain in full force and effect.

The Remainder of this page is left intentionally blank.

IN WITNESS WHEREOF, the City and Developer have caused this Agreement to be duly executed on the day and year first above written.

RESOLUTION 2021-XXX

CANCELLING DEFERRED SPECIAL ASSESSEMENT

WHEREAS, the City of Isanti approved, by Resolution 90-34, certain improvement projects pursuant to Minnesota Statutes; and,

WHEREAS, the City of Isanti did construct various improvement projects as hereinafter identified and assessed the benefitted properties by Resolution 91-28; and,

WHEREAS, the assessment for the real property with PID 16.031.0200 ("the Property") was deferred; and,

WHEREAS, the utility service connections that would have activated the deferred assessment were never constructed;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota as follows**:**

1. The deferred assessment on the Property in the amount of $7,863.26 for improvements made in 1990/1991 and first levied in 1992 is cancelled.
2. City staff is directed to record documentation as necessary with the Isanti County Recorder to memorialize the cancellation.

This Resolution is hereby approved by the Isanti City Council this 21st day of September 2021.

RESOLUTION 2021-XXX

F.1.

RECOGNIZING NATIONAL PREGNANCY AND INFANT LOSS REMEMBRANCE DAY

WHEREAS, Infants Remembered In Silence, Inc. (IRIS) and many other nonprofit organizations work with thousands of parents all over Minnesota and across the United States who have experienced the death of a child during pregnancy through early childhood; and,

WHEREAS, many of these parents live in, deliver in, have a child die in, or bury a child in our community; and,

WHEREAS, Infants Remembered In Silence (IRIS) a 501(c)(3) nonprofit organization was founded in 1987, 33 years ago, to offer support for parents whose child/children died from miscarriage, ectopic pregnancy, molar pregnancy, stillbirth, neo-natal death, birth defects, sudden unexplained death of a child (SUDC), sudden infant death syndrome (SIDS), illness, accidents and all other types of infants and early childhood death; and,

WHEREAS, Bereaved parents around the world remember their children annually on October 15 with a candle lighting at 7 p.m. Some will remember their child/children in their homes while others will remember them in small gatherings around the state, across the nation and around the world; and this would unify these parents in tribute to their children; and,

WHEREAS, In 1988 President Ronald Reagan proclaimed October as National Pregnancy and Infant Loss Awareness month;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, In honor of the thousands of children that die each year in Minnesota, Infants Remembered In Silence, Inc. (IRIS) respectfully requests that October 15th, 2021 be recognized as Pregnancy and Infant Loss Remembrance Day.

This resolution was duly adopted by the Isanti City Council this 5th day of October 2021.

I. Council Committee Reports

Mayor Johnson shared that he attended the last Fire District meeting as the City representative in Councilor Lundeen's absence. Finance Director Mike Betker shared that Fire District is funding for the budget for next year and looking at adding funding for capital improvements. The Fire District has an aging fleet and the overall revenue that they would need to disperse between the City's and Township's would be about 22% and the overall consensus of the board is to keep it 9.99% or less as an increase. The City has already budgeted for most of the increase.

Mayor Johnson stated that it is roughly $2.00 a month and $40.00 a year.

Mayor Johnson further shared that it was also discussed at the Fire District meeting that the Joint Powers Agreement is potentially exhausted and therefore looking for cities to pass a resolution to give them authorization to bill on the City's behalf.

E. Committee Meeting Items

1. Public Works Updates

- The 2021 Pavement Management Project has begun with spot curb replacement and crack filling being complete. The sealcoating and the pavement overlay will be completed in the coming weeks.
- A crosswalk was added to 3rd Avenue at Eagle Street and Bluebird Ct. The painting and signs for the crosswalk will be completed soon.
- Street painting has been completed.
- Public Works have been fogging for mosquitos and will continue through September.
- The 2021 Storm System Management Project is now completed.
- Annual maintenance of the air release valves have been completed for the third time this year.
- Sewer jetting has begun and this year crews will be jetting mainly gravity areas out to the main lift station.
- The Minnesota Department of Natural Resources continues to have the area in a moderate drought phase and are asking communities to conserve water. Over the last 3 months the City has averaged 1,089,000 gallons per day.

- Well 2 was sounding phase fail alarms after the rehab work was completed last Spring. Connexus Energy was called and they replaced the Transformer for the Wellhouse.
- Curious Creatures has been attended well this past Summer.
- The Compost Site is open and has been picking up with the cooler weather. The Sunday hours will begin October 25th with the compost site closing on November 8th for the season.
- The Farmer's Market is open through September 25 and has also been very well attended.
- The Isantian has been completed and posted on the City's website.
- The VFW declined the equipment in the VFW Park. Public Works will be notifying residents by letter and removing that equipment this fall.
- The pine tree out front at City Hall was removed and a Rose Garden was added in its place with a plaque. The plaque describes how fires in 1916 left employ lots with debris until the Isanti Community Club came together and planted a Rose Garden in its place. At the time the Rose Garden was one of two in the state.

2. Holiday Lights Event

- Concepts were shared with the Committee in regards to the holiday lights event.
- **Concept one includes:** Free public event that focuses on market-style activities such as vendor booths, ice skating, and photos with Santa with limited focus on light displays. This concept would utilize the grass area to the South of the BMX Arena with a groomed path to the Pleasure Rink. This event would be a standard community festival that would likely draw in Isanti County residents and would run for one weekend (Friday – Sunday) in December. Attendance would be free with an option to charge a minimal fee for parking. This style of event allows attendees to come and go as they please, and has the potential for return visits with increased sales for vendors. Production costs are minimal and would include setup/tear down, overnight security, onsite utilities and storage. Partner opportunities would range from trade/donations to a top tier at $2,500.

  This event style would incur the least display and production costs, but also has the lowest potential for revenue and attendance.

Estimated Costs		**Yr. 2**	
10 Light Displays	$21,000	Addtl Light Displays	$ 3,000
Production Costs	$17,000	Production Costs	$17,000
(Labor, security, power, storage, etc)		*(Labor, security, power, storage, etc)*	
Concept 1 Initial Expenses	**$38,000**	**Annual Expenses**	**$20,000**
Estimated Revenue	$17,000	Estimated Revenue	$17,000
Net Cost	**$21,000**	**Net Cost**	**$ 3,000**

- **Concept two includes:** Ticketed walk-through experience that focuses on one-sided light displays and includes market-style activities such as vendor booths and photo opportunities. This event would be similar to Bentleyville with wire display

lighting and would likely draw an audience from neighboring counties, as well as partner opportunities at the county level. This concept would utilize the grass area to the South of the BMX Arena, but would be fully enclosed to secure features. Increased production costs would include fencing, overnight security, storage, operations staff (ticketing, greeters, etc.), and general event utilities. Recommended timeline would be to host this style event for one full week (Saturday – Saturday) in December. Ticket fees, paid parking and partner revenue would help offset costs. Partner opportunities would range from trade/donations to a top tier at $5,000.

Estimated Costs		**Yr. 2**	
13 Light Displays	$ 57,000	Addtl Light Displays	$ 8,000
Production Costs	$50,000	Production Costs	$50,000
(Labor, security, power, storage, etc)		*(Labor, security, power, storage, etc)*	
Concept 2 Initial Expenses	**$107,000**	**Annual Expenses**	**$ 58,000**
Estimated Revenue	$84,000	Estimated Revenue	$84,000
Net Cost	**$ 23,000**	**Potential Profit**	**$26,000**

Estimated Costs		**Yr. 2**	
15 Light Displays	$100,000	Addtl Light Displays	$10,000
Production Costs	$54,000	Production Costs	$54,000
(Labor, security, power, storage, etc)		*(Labor, security, power, storage, etc)*	

- Recommendation from Committee is for the location of the light display to be on the Amphitheater side of Bluebird Park and bring to City Council for vote whether or not to incorporate into the 2022 budget

3. Sewer and Water Oversizing Policy Discussion
- Currently, the Fairway Greens South development is required to oversize their pipes for future development to the Northeast of their subject site.
- In policy right now it says that the City can provide a credit to someone that oversize's the pipe up to 10% which would equate to approximately $1000.00.
- For Fairway Greens South to oversize the pipe it is approximately $23,000.00 to $30,000.00. Typically done in the surrounding cities is that if the City does require oversizing the pipe for future development, they City participates in the cost by either giving a better credit or pay the entire difference.
- Consensus from Committee is for Community Development Director Sheila Sellman and City Engineer Jason Cook to rewrite Sewer and Water policy and then work with applicant to calculate numbers specifically for this project.

4. Digital Agenda Packets for All Boards and Committees Discussion
- Currently, City Council and Committee of the Whole receive agenda packets digitally via email.
- The Parks, Recreation and Culture Board, Economic Development Authority and Planning Commission members at large receive paper copies of the agenda packet delivered to their residence.

- Consensus from Committee is for all boards and committees to receive agenda packets via email and provide paper copies of agenda packets at the board or committee members seated location only if requested.

5. Anti-Mask Mandate Discussion *(Councilmember Bergley)*
- Two resolutions were shared with the Committee in regards to objecting to any future mask mandate.
- Resolution 5.A. is Councilmember Bergley's draft and Resolution 5.B. is Attorney Joe Langel's draft.
- Recommendation from Committee is to bring Resolution 5.B. to City Council for consideration.

6. VFW Park Fence Discussion
- Upon approval to remove the playground and park equipment at the VFW Park, the VFW has requested to keep the fence that surrounds the property intact as a donation. The VFW is looking to use the renewed space for recreational opportunities, such as volleyball court or bean bag area and would keep the space enclosed.
- The fence is approximately 365 ft along the perimeter of the park. The estimated cost to the VFW to replace the fence if it was removed would be approximately $3000.00 (including materials and labor.)
- The fence line also encloses multiple residential properties. Keeping the fence intact would eliminate the burden on those residents to have to replace the fencing to enclose their properties.
- Due to the age of the fence, there is little to no value to the City.
- Recommendation from Committee it to leave the fence for the VFW.

7. Water Meter Replacement Update
- Water meters are scheduled to be replaced in 2022. The City will be split into 12 zones with each zone representing one month.
- Each zone will average about 185 meters. Residents in each zone will be notified by letter 2 months in advance to schedule their appointment.
- Residents will be given the option to call or email Utility Billing to schedule appointment.
- If residents do not call to schedule their appointment, they will receive a door posting stating City Code and that they must comply with the meter replacement. The door posting will be drafted at a later date.
- Staff is requesting a 2-hour window between 8:00 a.m. and 2:00 p.m. for each appointment. The meter replacement should not take more than 30 minutes to complete.
- Public Works will be performing the standard 5/8"-3/4" residential meter replacement but that leaves about 100 meters that are 1" and larger that staff is considering contracting out. They may take more plumbing to be completed because of their size.
- The water meter replacement project will be completed in 2022.

8. Gravel Road Maintenance Discussion

- City of Isanti and Isanti Township had a joint jurisdiction road agreement on Polk Street, South of South Passage, 3rd Avenue and 299th. The agreement was for what maintenance to be done on what roads because half is owned by the Township and half is owned by the City.
- Public Works has been maintaining Polk and the Township has been maintaining the gravel roads.
- 299th needs gravel and staff will continue to work with the Township on budgeting for gravel for future years.

9. Bandshell Naming and Celebration Discussion

- Construction has begun on the bandshell in Bluebird Park and should be completed by the end of September. When the construction is complete the bandshell will need an official name to be used across marketing materials and in rental applications.
- Staff collected some name suggestions from the Parks, Recreation and Culture Board, Mayor Johnson and area schools to help guide the discussion.
- The Parks, Recreation and Culture Board has also suggested that a grand opening celebration be used to officially open the bandshell and announce its name.
- Staff shared that the Lions Club was interested in donating to the amphitheater.
- Recommendation from Committee is to have a grand opening held on a weekend with a school band and for the Lions Club to partake in the naming of the bandshell along with a substantial donation.

10. Park Lease Update- Mattson Park

- Staff looked into Mattson Park and how the City acquired the land. The land was obtained in lieu of park fees for park dedication. It was an out lot; part of the plat and it was given to the City so those fees did not get paid as part of that development when it was established.
- If the City was to vacate the land, the property would go back to the original owner or successor. Therefore, it is not able to be leased and the City Attorney recommended that the City not vacate the land.
- Staff recommended that the resident partake in our Adopt a Park program as an alternative.
- There was no recommendation from the Committee for Staff to look into this further.

11. BMX/ Bluebird Park Bathrooms Vandalism

- The bathrooms have been vandalized numerous times. The vandals are doing a significant amount of damage which is costing the City money.
- Staff also shared concern for the amphitheater once it is built and recommended that the City install cameras.
- Recommendation from Committee is for staff to look into purchasing cameras for the Bluebird Park as well as exterior for City Hall.

   - B. Pledge of Allegiance
   - C. Roll Call: Members present: Jeff Johnson, Steve Lundeen, Jimmy Gordan, Paul Bergley, Dan Collison, Arissya Simon, Alexander Collins.
     Members Absent: None
     Staff present: Community Development Director Sheila Sellman, Community Development Specialist Ryan Saltis, City Engineer Jason Cook
   - D. Agenda Modifications: None
   - E. Adopt the Agenda
     Motion to adopt the agenda by Lundeen, second by Collison motion passes 7-0.

2. **Meeting Minutes**
   - A. Approval of Minutes from the July 20, 2021 Planning Commission Meeting motion by Lundeen, second by Collison motion passes 7-0.

3. **Public Hearing**

   A. Request by Thunder Brothers Brewery for approval of a Conditional Use Permit under City Ordinance 445, Section 21, Article 2, said request is for a Microbrewery in the General Business District, Highway 65 Overlay located at 801 Highway 65 NE. Saltis explained the Conditional Use Permit request to allow for a Microbrewery in the B-2 General Business zoning district. Thunder Brothers is planning to move all of their brewing operations into a leased-out space in the building located at 801 Highway 65 NE owned by the CBD Joint. The change of use for the building will require the applicants to apply for any building permits related to the new use, subject to review by City Staff. Representatives from Thunder Brothers Brewery were present at the meeting and available for questions. The Planning Commission asked why they are planning to move locations for the brewery. The representatives of Thunder Brothers said that they will move into the new space to gain more square footage and provide visibility from Highway 65. There was no one else from the public present at the public hearing to speak on the topic. Motion for approval of the Microbrewery with conditions by Lundeen, second by Gordon, motion passed 7-0.

   B. Request by BA Development, LLC for approval of Site Plans under City Ordinance 445 Section 18, said request is for a Dental Clinic and Commercial Tenant building located at 401 Cherrywood St NE. Saltis presented the Site Plans for a proposed dental clinic and commercial tenant building located on a vacant parcel at 401

Cherrywood St NE. The plans included a drive thru lane for the commercial tenant side of the building in which the applicants would have to apply for a Conditional Use Permit in the General Business District. Conditions for approval listed in the Staff Report included identifying on the site plans where there will be lighting, the configuration of the outdoor patio area, a new trash enclosure location, a widened drive aisle on the west of the building, and City Engineer's comments. A representative from Isanti Dental was present for the meeting and available for questioning. The Planning Commission asked if the conditions for approval were reasonable and could be met. The representative said that she is able to meet all of the conditions for approval. There was no one else from the public present at the public hearing to speak on this item. Motion to approve the site plans with conditions listed in the staff report and City Engineer's Memo dated 7-29-2021 by Lundeen, 2nd by Collison, motion passes 7-0.

C. Request by City of Isanti for Preliminary and Final Plat under City Ordinance 536, to create two lots located at 10 6th Ave SE. Sellman presented the proposed subdivision of the liquor store site into two parcels. The current site is five acres in size and is looking to be split with Lot 1 consisting of 3.96 acres and Lot 2 consisting of .67 acres. Lot 1 is the liquor store site; Lot 2 would be a buildable lot for a future business which may need a shared parking agreement with the liquor store. The planning commission asked the potential size of a building on lot 2 in which Jason Cook responded by saying that there would be room for a building roughly 1,500 to 2,000 square feet, depending on what is configured around the ponding. There was no one from the public present at the public hearing to speak on this item. Motion to approve the Preliminary and Final Plat to create two lots by Collision, 2nd by Collins, motion passes 7-0.

5. **Other Business:** None
6. **Discussion Items:** None
7. **Adjournment:** Motion by Bergley, 2nd by Collison to adjourn, motion passed 7-0 meeting adjourned at 8:45 p.m.

CITY OF ISANTI
PARKS, RECREATION, AND CULTURE BOARD MEETING MINUTES
August 24,2021

Call to Order: Aaron Zdon called the meeting to order at 6:00 p.m.

Roll Call: Members Present: Aaron Zdon, Zachary Gahm, Dan HinnenKamp and Mayor Jeff Johnson
Staff Present: Alyssa Olson, Parks, Recreation & Events Coordinator

Agenda/Modifications: None

2. Meeting Minutes: Motion by Gahm; second by HinnenKamp to approve meeting Minutes from July 27, 2021. Motion passed 4-0.

3. Movie Nights Plan: Olson shared the list of movies and dates that have been selected and secured for the 2021/2022 City Movie Night calendar. Olson requested the Board's ideas on how to improve attendance at these events after poor attendance and multiple cancellations in the last season. Zdon mentioned reaching out to previous organizations that have 'hosted' nights in the past to see if they would be interested in doing so again. Gahm recommended reaching out to the local area schools and putting a flyer in kids' bags to promote the events. Olson will be reaching out to both groups to garner interest.

4. Amphitheater Naming: Olson shared that the new bandshell in Bluebird Park will not be ready for the September 11 Street Dance as anticipated. Board members recommended creating a Fall-style festival as a grand opening celebration that would prelude a potential larger Fall event next year. Notes were made to include vendors and a possible performance and dedication. Olson noted that any dollars spent would need to come from current budget. On naming, Johnson suggested a name in recognition of Council member Lundeen's efforts to forward this project. Zdon mentioned requesting the schools enter names for the Council to approve, similar to how the resting areas in Legacy Park were named. Names would be gathered in September and brought to the next Board meeting to discuss. Olson will reach out to the area schools for name suggestions and will bring all options back to the Board and Council for consideration in September.

5. Eagle Park Updates: Olson shared an update on the Main Street Improvement project that impacts Eagle Park, expanding the park footprint. Olson noted additions like removing mulch perimeter, adding another seating area, adding perennial plants and flower beds and adding permanent game elements. Olson mentioned any upgrades should be minimal cost and minimal maintenance. HinnenKamp mentioned creating a "Railroad Viewing Park" that would include a viewing platform and schedule for trains. Board agreed that would be an interesting idea and would be unique to our area. HinnenKamp noted a similar location he visited attracted a lot of visitors. Olson and HinnenKamp will research this idea to see if it would be a viable option and bring value to the community.

6. Tree Plan: Olson shared that a number of trees have been removed from both Bluebird and Mattson Parks that need to be replaced. There are also a number of vacant areas throughout the City's parks that need shade cover or beautification. Olson will be putting together a tree plan in the Fall for next year and requested direction on types of trees or styles the Board would like to see included. Olson also noted that any trees not on the current zoning approval list would just need approval from the Council. Zdon recommended looking at the past tree plan to view previous placement suggestions. Johnson mentioned we applied for a state grant and Olson shared details of what that would allow us to accomplish, should we be approved. The funding would allow for 15-20 trees to be added in the next 3 years under that program. Of the list provided, the Board identified 6 trees – Cedar, Eastern Red; Hickory, Bitternut; Ironwood; Japanese Lilac Tree; Serviceberry, Allegheny; and Linden, American – that would be preferred to include in future tree plans. Gahm mentioned Bluebird needing large shade trees for coverage and the CISC complex is in need of shade coverage as well and should be considered as the tree plan develops.

7. Department Updates: Olson shared updates on August events, including Curious Creatures, Farmers Market and Street Dance. The Street Dance having a celebration for Grace McCallum went well despite morning rain. Gahm noted he really enjoyed the event and the band. Olson mentioned the band is on the short list for next year as they had the best crowd response yet. Olson shared the event was picked up by

both local, state and inter/national media. Olson shared she is working on incorporating a 9/11 tribute at the September event. Johnson requested the fire truck from the Fire District. Gahm suggested connecting with the Cambridge recruiting center. Olson noted she has requested presence and ideas from local first responder and veteran groups to enhance a tribute. HinnenKamp recommended asking vendors to incorporate a patriotic element to their offerings. Zdon mentioned having the VFW present the flag or the National Anthem with their color guard.

Olson shared the Farmers Market vendors are still hit or miss on satisfaction. Olson noted the new vendors are doing very well, whereas some of the returning vendors have not done as well this year, especially the ones selling soaps, jams/jellies and salsas. Specialty products and produce appear to be doing the best onsite. Olson shared the goal is to move the Farmers Market to the new liquor store location and she will be looking at the feasibility of that and those options in the coming months. Johnson suggested bringing food trucks onsite to which Olson noted that is an option she has looked at and will be looking to incorporate next year.

Holiday Lights event options will be presented to the City Council during Septembers COW meeting. Olson described briefly the 4 tiers of options that will be presented, from a free open festival to enclosed ticketed events. Suggestions to include local businesses and sponsors in the event were noted and Olson confirmed that each option would include sponsorship opportunities. HinnenKamp suggested that we pave our own path with a new event to eliminate some comparisons to other events. Gahm noted disliking the standard drive-thru option, which the Board agreed was not the ideal direction. He also mentioned people aren't likely going to want to attend if it's just a 5-minute drive-thru with nothing to do afterwards. HinnenKamp shared his hesitation to charge for a Christmas event, but that fees do hinder unfavorable attendees and offer opportunities to take cost burden off of taxpayers.

Olson shared that Family Day plans are underway. Zdon noted that two years ago attendance was good. Olson noted she has assumed the same from signup lists, but doesn't have any recorded attendance. Olson will work with the schools to give flyers to students as the event gets closer.

Adjournment: Motion by Johnson, second by Gahm to adjourn the August 24, 2021 meeting of the Parks, Recreation, and Culture Board. Motion passed 4-0, meeting adjourned at 7:13 p.m.

Respectfully Submitted

Request for City Council Action

To: Mayor Johnson and Members of City Council
From: Ryan Saltis, Community Development Specialist
Date: October 5, 2021
Subject: Resolution 2021-XXX approving a Comprehensive Land Use Plan Amendment to change the designation from General Commercial to Low Density Single Family Residential for PID's 16.134.0030, 16.134.0040, 16.134.0050, 16.134.0060

Overview/Background:
A Comprehensive Land Use Plan Amendment has been requested to change the designation of four parcels from General Commercial to Low Density Single Family Residential. This item was discussed at the September 21, 2021 Planning Commission Meeting. It was addressed that the concept plan for the site layout will not be reviewed at this stage of the process, but was shown to the Planning Commission to explain the ultimate goal of the site and why a comprehensive land use plan amendment is needed. The applicant, Kevin Johnson was present at the meeting and available for questions. The Planning Commission asked the applicant how many lots he intended on developing out of the parcels. Kevin responded and said that the concept plan shows 38 lots in total but is subject to change due to engineering comments. It was reiterated that the only item in question is to change the parcels designation in the Comprehensive Plan from General Commercial to Low Density Residential. A surrounding property owner, John Landsom was present at the public hearing and expressed that he is in favor of the comprehensive land use plan amendment and that he would rather have houses surrounding his property rather than commercial buildings. The Planning Commission made a motion to approve the Comprehensive Land Use Plan Amendment, the motion passed 6-0.

Request:
Approval of a Comprehensive Land Use Plan Amendment to change the designation from General Commercial to Low Density Single Family Residential for PID's 16.134.0030, 16.134.0040, 16.134.0050, 16.134.0060.

RESOLUTION 2021-XXX

APPROVING A COMPREHENSIVE LAND USE PLAN AMENDMENT FOR PROPERTIES WITH PID 16.134.0030, 16.134.0040, 16.134.0050, AND 16.134.0060, FROM GENERAL COMMERCIAL TO LOW DENSITY RESIDENTIAL

WHEREAS, Kevin Johnson (applicant) has requested approval for a Comprehensive Land Use Plan Amendment for properties with PID 16.134.0030, 16.134.0040, 16.134.0050, and 16.134.0060; and,

WHEREAS, PID 16.134.0030, 16.134.0040, 16.134.0050, and 16.134.0060 are currently guided in the Comprehensive Land Use Plan as General Commercial; and,

WHEREAS, the designation of these parcels shall be changed to be guided for Low Density Residential; and,

WHEREAS, under Isanti Zoning Code Section 21, Article 1 a Comprehensive Land Use Amendment is required to obtain approval of the Planning Commission and City Council; and,

WHEREAS, the Planning Commission and City Council have considered possible adverse effects of the proposed amendment and the judgement of the Planning Commission and City Council with regard to the application shall been based upon, but is not limited to the following factors:

1. The proposed action has been considered in relation to the specific policies and provisions of and has been found to be consistent with the City Comprehensive Plan, including public facilities and capital improvement plans.
2. The proposed action meets the purpose and intent of this Ordinance or in the case of a map amendment; it meets the purpose and intent of the individual district.
3. There is adequate infrastructure available to service the proposed action.
4. There is an adequate buffer or transition provided between potentially incompatible districts.

WHEREAS, the City of Isanti Planning Commission recommended approval of the Comprehensive Land Use Plan Amendment on September 21, 2021; and,

WHEREAS, the City of Isanti City Council reviewed the requested Comprehensive Land Use Plan Amendment at its regularly scheduled meeting on October 5, 2021;

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Isanti, that it adopts the Comprehensive Land Use Plan Amendment.

This Resolution is hereby approved by the Isanti City Council this 5th day of October 2021

MEMORANDUM

TO: Planning Commission

FROM: Ryan Saltis, Community Development Specialist

DATE: September 21, 2021

SUBJECT: Request by Kevin Johnson for a Comprehensive Land Use Plan Amendment, said request is to change the designation from General Commercial to Low Density Single Family Residential for PID's 16.134.0030, 16.134.0040, 16.134.0050, 16.134.0060.

Overview/Background
The applicant, Kevin Johnson is requesting to change the Comprehensive Land Use Plan designation of four parcels from General Commercial to Low Density Single Family Residential. The applicant is proposing to develop these sites as residential and would need the Comprehensive Land Use Plan designation to be changed in order to do so. If the Comprehensive Land Use Plan is amended, they would then need to rezone the site. Vacant land and single-family houses are located to the south of the site. Prairie Senior Cottages is located to the west of the proposed site and Krayola Kids daycare is to the northeast of the site.

The Planning Commission shall hold a public hearing and consider possible adverse effects of the proposed Comprehensive Land Use Plan Amendment. Comprehensive Plan Amendments require a 2/3 majority vote by City Council for approval (4 out of 5 members approving).

Analysis
Purpose of Comprehensive Land Use Plan:
A comprehensive plan is an expression of the community's vision for the future and a strategic map to reach that vision. Comprehensive planning is an important tool for cities to guide future development of land to ensure a safe, pleasant, and economical environment for residential, commercial, industrial, and public activities. In addition, planning can help:

- Preserve important natural resources, agricultural land, and other open lands.
- Create the opportunity for residents to participate in guiding a community's future.
- Identify issues, stay ahead of trends, and accommodate change.
- Ensure that growth makes the community better, not just bigger.
- Foster sustainable economic development.
- Provide an opportunity to consider future implications of today's decisions.
- Protect property rights and values.

- Enable other public and private agencies to plan their activities in harmony with the municipality's plans.

The judgment of the Planning Commission with regard to the application shall be based upon, but is not limited to, the following factors:

1. The proposed action has been considered in relation to the specific policies and provisions of and has been found to be consistent with the City Comprehensive Land Use Plan, including public facilities and capital improvement plans.

2. The proposed action meets the purpose and intent of this Ordinance or in the case of a map amendment; it meets the purpose and intent of the individual district.

3. There is adequate infrastructure available to service the proposed action.

4. There is an adequate buffer or transition provided between potentially incompatible districts.

Natural Resources: Isanti's Comprehensive Land Use Plan recognizes the need to preserve and protect the natural resources of the area including watercourses, wetlands, woodlands and sensitive environmental assets. These parcels that are in review of the Comprehensive Land Use Amendment are located in an area designated for preservation of woodlands. Trees that are removed from the parcel in potential future development will need to follow the tree preservation and planting regulations.

Housing Needs: Isanti's Comprehensive Land Use Plan addresses a need for housing on the east side of the city. The applicant is proposing low density single family lots on the proposed parcels. Any future development in this area will need to provide buffers to surrounding land uses that are inconsistent in land uses.

Low Density Residential Standards: The applicant is proposing to develop the parcels as low-density residential housing. This category identifies both existing and potential future low-density residential development within the timeframe of this comprehensive plan update. Low density single family residential land use will take up the majority of new land acreage added to the city. Housing density in this classification is 0-3 units per acre. This is in conformance with the 2007 comprehensive plan and a density of 3 units per acre would allow reasonable retention of natural systems as land is developed for this purpose. Allowances for greater density by planned unit developments should be considered to maximize the amount of land that could be left in natural state. This is also beneficial when the need for storm water retention or flood plain systems (along existing creeks/waterways) is required.

The concept plan shows a density of 2.4 units/acre which is consistent with the Low-Density designation. The future lots shall have to follow the regulations set forth by either the R-1, R-2, R-

3A, Zoning Districts. A rezoning application will be needed at the time of preliminary plat submittal to designate which zoning district the desired lots will follow.

Roadways: According to the Comprehensive Land Use Plan Transportation Maps, there are plans to extend 7th Avenue NE to the south. Rough sketches provided by the applicant show housing lots over this potential road extension. The roadways are not considered at the time of a Comprehensive Land Use Plan Amendment but should be addressed at the time of Rezoning and Preliminary Plat Submittal.

Staff Recommendation: The Comprehensive Land Use Plan housing goals identifies the east side of Highway 65 for residential development. The recent plats approved on that side of Highway 65 have been for low density single family traditional development and one plat was developed with detached townhome similar to this concept plan. If this designation changes to residential a buffer to the commercial developments should be required as part of the development. Staff recommends approval of the amendment and will review the merits of the development when rezoning and plat applications are made.

This is a request for a change in zoning from commercial to residential on the following parcels:

The attached layout is for a preliminary discussion and can be modified with any agreed upon changes made thereto by city personnel or from engineering firms etc. If the zoning change is granted the owner will replat the entire property to accomplish the layout.

Owner moved back to the Isanti area in 1986 at which time the only properties on 65 within the city limits would have been the two gas stations and the burger top. In 35 years it appears that less than half of the property zoned commercial as set forth in the cities comprehensive plan has been developed.

It appears that the majority of the recent building in the commercial zone has highway 65 exposure, None of the proposed property is located on highway 65. This fact seriously impacts the ability of the owner to sell or otherwise develop this area. From what the owner has been able to develop, the present cost of commercial construction and the potential rents derived therefrom would not make for a bankable loan due to a short fall of cash flow.

If approved it does not appear that the owner will request any variances as to lot size and set back however that may change based on the results of engineering issues that may arise.

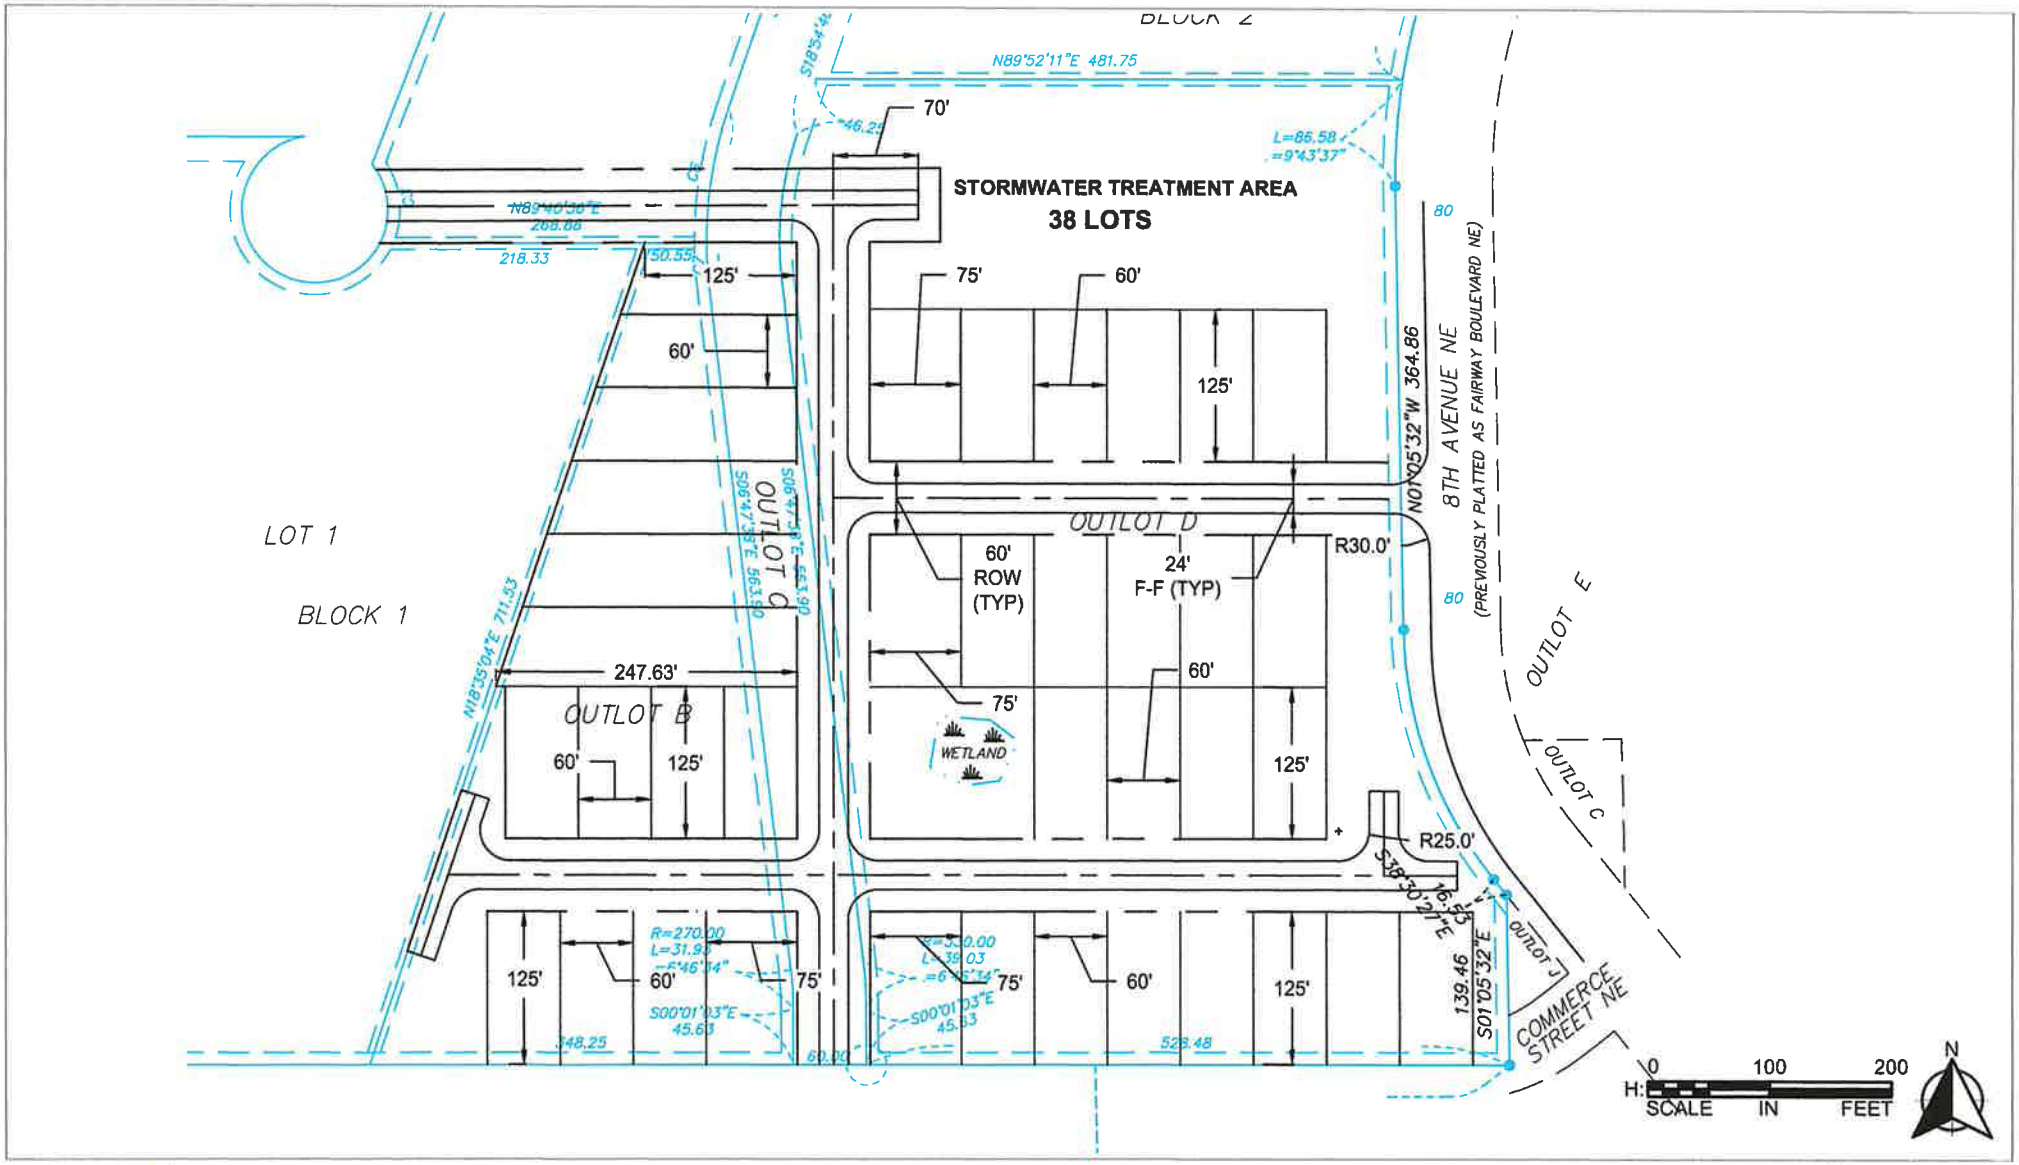
Reasons to approve the request

With the increased cost of lot development the proposed change is able to utilize the cities present infrastructure and thus insure a successful project. It has yet to be determined what associated costs may be attributed to this development due to use and sizing of the infrastructure. The lot costs in the area are only able to garner a certain price based on competition from the surrounding municipalities.

This is not considered spot zoning as there is housing stock to the south and east of the property and potentially to the north.

An association would be formed for this development which would result in consistent management of the outside appearance of the homes and what might be stored outside on the property.

Meets the needs of the City of Isanti 10 year housing plan.



Provides for much needed lots and housing for what most likelihood will be seniors or empty nest individuals.

The sample housing foot print would be an improvement over the housing stock that was built slab on grade by the school on highway 5.

A perm or other blockage would be a part of the western boundary providing a noise barrier for the residences. The perm would be located where the pipeline is presently located.

The proposed layout illustrates that this development will have an access to the south similar to what is on the present plat.

There is presently a storm water pond on the property which can be expanded and create a natural separation from this development and the day care.

Request for City Council Action

To: Mayor Johnson and Members of City Council
From: Sheila Sellman, Community Development Director
Date: October 5, 2021
Subject: Purchase Agreement and Development and subsidy with Rockstad and Co. Relics & Wares to purchase 102 Dahlin Avenue NE PID 16.047.0120

Background:
Community Development Director Sellman has been working with the owner of Rockstad and Co. Relics & Wares that is currently located at 401 East Dual Blvd who has been looking to relocate. In 2016 the city received the subject site by donation and demolished the building. The demolition cost was $25,950. The site is 6,750 square feet and zoned B-1 downtown overlay. General retail is a permitted use. Based on the proposed use this location and lot size are a great location.

The owner proposes to build a multi-tenant space with her retail and DIY in one portion and lease out the other spaces. The owner hosts classes/workshops, popup boutiques and other events. This would be a great continuation of the shops downtown and add more events and traffic to the area. Offering this lot for $1 will keep this business in the community.

Request: Consider approving the purchase agreement and business subsidy agreement

This letter serves as a proposal to purchase by Amy Rockstad, for the real property as noted above(the "Property") from the City of Isanti.

1. Total purchase price: One dollar($1.00)
2. The intent for the building will be a retail brick & mortar with a DIY studio.
3. Building to include 2-4 rental spaces.
4. 4-8 employees, currently employing 3 people.
5. Timeline will need to be flexible, will build once cost of lumber comes down. Ideal timeline to be open summer 2022.

I currently own and operate Rockstad and Co Relics & Wares located at 401 E. Dual Blvd Isanti. I also have a DIY workshop where I provide the community with various classes, workshops, pop up boutiques and events. My intention for this lot would be to create a charming place for the community to do some shopping along with the opportunity to learn something new.

Thank you for your consideration.

This Agreement is entered into by and between the **City of Isanti** , a Minnesota municipal corporation ("Seller"), and **Rockstad and Co. Relics & Wares**, a corporation under the laws of Minnesota ("Buyer").

1. **EFFECTIVE DATE.** The effective date of this Agreement is September 21, 2021 (the "Effective Date").

2. **SALE OF PROPERTY.** Seller agrees to sell to Buyer, and Buyer agrees to buy from Seller the Property legally described as follows:

   Lot 006, Block 003, Lindbergs Addition, County of Isanti, State of Minnesota
   Isanti County PID Number: 16.047.0120

   Property Address: 102 Dahlin Ave N.E., Isanti, MN 55040

3. **PURCHASE PRICE.** The purchase price for the Property is $1.00 (the "Purchase Price").

4. **EARNEST MONEY.** None.

5. **SURVEY.** Buyer may, at Buyer's expense, obtain a survey (the "Survey") from a duly licensed surveyor. If so obtained, a copy shall be provided to Seller within 30 days of receipt by Buyer.

6. **TITLE COMMITMENT.**

   a. Seller makes no representations or warranties with respect to the status of title to the Property. Within 30 business days after the Effective Date, Buyer may, at Buyer's expense, obtain a commitment from Escrow Agent to issue an owner's policy of title insurance insuring Buyer's title to the Property (the "Title Commitment") and deliver the Title Commitment and copies of or internet access to copies of all recorded documents referenced in the Title Commitment to Buyer.

   b. Buyer shall have until the date 30 days after the receipt of the Title Commitment to review Title and to give Seller written notice of (i) any defects in the marketability of Seller title to the Property or any encumbrances on Seller's title to the Property that are objectionable to Buyer, and (ii) the specific actions Buyer requests that Seller take with respect to each such defect or encumbrance (a "**Title Objection Notice**"). Any

CITY OF ISANTI

DEVELOPMENT AND SUBSIDYAGREEMENT FOR ROCKSTAD AND CO. RELICS & WARES

This Agreement (hereinafter the "Agreement") is entered into this 21st day of September, 2021 by and between the **City of Isanti**, a Minnesota municipal corporation (the "**City**") and **Rockstad and Co. Relics & Wares**, a corporation under the laws of Minnesota (the "**Developer**").

1. Subject Property. Developer is, or will be, the owner of the Subject Property legally described as Lot 6, Block 3, Lindbergs Addition, County of Isanti, State of Minnesota, PID Number 16.047.0120, located at 102 Dahlin Ave. N.E., Isanti, MN 55040. Sale of the Subject Property by the City to Developer at a price below market value is the subsidy contemplated by this Agreement.

2. Conditions of Approval. The City has approved development of the Subject Property, as subsidized by the City, subject to satisfaction of the following conditions:

   a. The Developer's Execution of this Agreement. That the Developer enter into this Agreement.

   b. Marketable Title. That the Developer obtain, and retain, title to the Subject Property**.**

   c. Proof of Authority. That the Developer provide proof that its governing board authorized the Developer's execution of this Agreement. This proof of authority may be satisfied by providing the City with a certified copy of the minutes of the governing board.

   d. Site Plan. That Developer's site plans, as required by the Isanti City Code, be completed by Developer and reviewed and approved by the City.

3. The Plans. The term "Plans" as used in this Agreement means the Site Plans prepared by Developer. The Plans are subject to: (a) Planning Commission review; (b) approval of the City Council; and (c) such further revisions as the Developer may propose and the City approves. The Plans shall not be attached to this Agreement but are in the City's files.

4. Required Private Improvements. The private improvements the Developer will construct or install are as follows:

   a. Sanitary sewer
   b. Water
   c. Storm drainage facilities
   d. Stormwater maintenance
   e. Parking lot
   f. Concrete curb and gutter
   g. Lot grading
   h. Landscaping

5. Payment of Development Fees. Developer shall, contemporaneously with execution of this Agreement, deposit with the City an escrow of $5,000 to cover the cost of legal fees, engineering fees, administrative expenses and other costs related to the Development. Any funds remaining in the escrow account(s) after the completion of the Development shall be refunded to the Developer. In the event the escrow account balance is reduced to $1,000 or less, the Developer shall post additional sums of money to replenish the account to a maximum of $2,000 to cover projected City costs as determined by the City. The escrow account shall always have a balance of no less than $1,000.00. The Developer shall be entitled, upon request, to an itemized statement of all costs and fees charged against the Developer's escrow account. Sanitary Sewer Connection (Trunk) Fees, Water Connection (Trunk) Fees are collected at the time the building permit is issued.

6. Developer Defaults. If the Developer defaults in the performance of one or more of the Developer's obligations under this Contract, i) the City gives the Developer 30 days' written notice of the default and ii) the Developer fails to cure the default within said 30 days, then the City may pursue any and all remedies available at law or in equity including, but not limited to, the following:

   a. The City may, at its option, perform or engage one or more third parties to perform the Developer's obligations. If, in the reasonable judgment of the City's staff, the Developer's default creates an immediate risk to public health or safety, the City may perform or engage one or more third parties to perform the work before the City provides the notice described in the initial paragraph of this Section, but the City must use commercially reasonable efforts to notify the Developer as promptly as possible that the City is undertaking to perform the Developer's obligation or obligations. If the City performs one or more obligations of the Developer, the Developer

must reimburse the City for any costs or expenses the City incurs, including costs and expenses for City staff time, to perform the work within 30 days after the City notifies the Developer, in writing, of the costs and expenses the City incurred to perform the work. If the Developer does not reimburse the City within said 30 day period, the City may pursue any remedies available to the City either at law or in equity or, in the alternative, the City may draw on the financial guaranty the Developer has provided to the City pursuant to this Agreement to reimburse itself for the expenses the City incurs to perform the work. This Agreement is a license for the City to act, and it shall not be necessary for the City to seek a Court Order for permission to enter the Developer Property. As an alternative to seeking recovery from the Developer or the financial guaranty, the City may levy special assessments against the Developer Property in accordance with Minnesota Statutes Section 429, and the Developer, for itself and its successors in title, hereby expressly waives any and all substantive and procedural objections or defenses the Developer may have to such special assessments;

b. The City may commence an action in Isanti County District Court to pursue any remedy available to the City at law or in equity including, but not limited to, injunctive relief;

c. The City may refuse to grant building permits for improvements to be constructed on the Subject Property until the Developer has cured all of its defaults; and

d. The City may draw upon all or any portion of the financial guaranty the Developer has provided to the City and (i) use all or any portion of the proceeds from the financial guaranty to reimburse the City pursuant to subsection (a) above; (ii) use all or any portion of the proceeds from the financial guaranty to satisfy any judgment the City obtains against the Developer pursuant to subsection (b) above; (iii) use all or any portion of the proceeds to reimburse the City pursuant to Section 11 (j) below; and (iv) hold all or any portion of the proceeds for a reasonable time for the future application as described in subsections (i), (ii) and (iii) of this paragraph.

7. Business Subsidy. As a condition of developing the Subject Property, Developer and City agree to the following terms:

a. Subsidy. Developer acknowledges and agrees that it received a business subsidy from the City in the form of a reduced purchase price for the Subject Property. The Subject Property is valued at $18,900. The City sold the Subject Property to Developer for $1. The value of the subsidy is the difference between the appraisal value and the purchase price.

b. Public Purpose. The public purposes for granting the subsidy are to create jobs within the City of Isanti and to increase the City's tax base.

c. Subsidy Goals. Developer shall create a minimum of 5 full-time, or full-time equivalent, jobs within two years of the date of this Agreement. All jobs shall meet or exceed State minimum wage requirements. Developer shall continue to meet or exceed said employment goals for at least five years after the date of this Agreement. In the event these requirements are not met, Developer shall pay the City the amount of the subsidy in a single lump sum payment or as otherwise agreed to in writing by the parties.

d. Statement of Need. Developer represents that without the business subsidy contemplated by this Agreement, Developer would not relocate its existing business to the City.

e. Reporting. Developer shall provide reports to the City as required by Minnesota Statutes section 116J.994, subdivision 7, on forms provided by the City.

8. Miscellaneous.

a. Invalidity of Any Section. If any portion, section, subsection, sentence, clause, paragraph or phrase of this Agreement is for any reason invalid, such decision shall not affect the validity of the remaining portion of this Agreement.

b. Written Amendments Only. The action or inaction of the City or the Developer shall not constitute a waiver or amendment to the provisions of this Agreement. To be binding, amendments or waivers shall be in writing, signed by the parties, and approved by a resolution of the City Council. The City's or the Developer's failure to promptly take legal action to enforce this Agreement shall not be a waiver or release.

c. Compliance with Laws and Regulations. The Developer represents to the City that the Site Plan complies with all City, County, State, and Federal laws and regulations, including but not limited to: subdivision ordinances, zoning ordinances and environmental regulations. If the City determines that the site plan does not comply, the City may, at its option, refuse to allow any construction or development work on the Subject Property until the Developer does comply. Upon the City's demand Developer shall cease work until there is compliance.

d. Mailbox Locations. If the Developer desires to construct a mailbox within the public right of way, the Developer agrees that the placement of a mailbox along public streets is subject to the approval by the Postmaster. Utility locates will be necessary.

e. Not applicable.

f. Construction, Hours and Entrance Signs. The City restricts construction and delivery hours to Monday through Friday 7:00 a.m. to 9:00 p.m., weekends and holidays, 8:00 a.m. to 8:00 p.m. The Developer is required to provide a sign at each entrance point stating delivery and construction operation hours. Said signs are not to exceed 80 square feet in size and must be clearly visible at all times during the construction period.

g. Construction Site Maintenance. The Developer shall adhere to all of the City ordinances relating to, but not limited to, dumping of garbage, site development, construction debris, open burning, etc. The City reserves the right to withhold permits, inspections, or certificates of occupancy to correct violations relating to construction site maintenance.

h. Estimated Cost. It is understood and agreed that cost amounts set forth in this Agreement as to the Required Private Improvements, unless qualified as fixed amounts, are estimated. The Developer agrees to pay the entire cost of said improvements including interest, engineering and legal fees related thereto.

i. Plat Approval Expenses. Not applicable.

j. Reimbursement to the City. The Developer agrees to reimburse the City for all costs incurred by the City in defense or enforcement of this Agreement, or any portion thereof, including court costs and reasonable engineering and attorney's fees.

k. Certificate of Occupancy. The term "Certificate of Occupancy" as used in this Agreement shall be defined as a document issued by the City's Building Official, which authorizes the structure to be used for its intended purposes.

l. Notices. Required notices shall be in writing, and shall be either hand delivered to the Parties, its employees or agents, or mailed to them by certified or registered mail at the following address:

PURCHASE AGREEMENT

This Agreement is entered into by and between the **City of Isanti** , a Minnesota municipal corporation ("Seller"), and **Rockstad and Co. Relics & Wares**, a corporation under the laws of Minnesota ("Buyer").

1. **EFFECTIVE DATE.** The effective date of this Agreement is September 21, 2021 (the "Effective Date").

2. **SALE OF PROPERTY.** Seller agrees to sell to Buyer, and Buyer agrees to buy from Seller the Property legally described as follows:

   Lot 006, Block 003, Lindbergs Addition, County of Isanti, State of Minnesota
   Isanti County PID Number: 16.047.0120

   Property Address: 102 Dahlin Ave N.E., Isanti, MN 55040

3. **PURCHASE PRICE.** The purchase price for the Property is $1.00 (the "Purchase Price").

4. **EARNEST MONEY.** None.

5. **SURVEY.** Buyer may, at Buyer's expense, obtain a survey (the "Survey") from a duly licensed surveyor. If so obtained, a copy shall be provided to Seller within 30 days of receipt by Buyer.

6. **TITLE COMMITMENT.**

   a. Seller makes no representations or warranties with respect to the status of title to the Property. Within 30 business days after the Effective Date, Buyer may, at Buyer's expense, obtain a commitment from Escrow Agent to issue an owner's policy of title insurance insuring Buyer's title to the Property (the "Title Commitment") and deliver the Title Commitment and copies of or internet access to copies of all recorded documents referenced in the Title Commitment to Buyer.

   b. Buyer shall have until the date 30 days after the receipt of the Title Commitment to review Title and to give Seller written notice of (i) any defects in the marketability of Seller title to the Property or any encumbrances on Seller's title to the Property that are objectionable to Buyer, and (ii) the specific actions Buyer requests that Seller take with respect to each such defect or encumbrance (a "**Title Objection Notice**"). Any

defects in or encumbrances on Seller's title that Buyer does not identify in a timely Title Objection Notice are each a "**Permitted Exception**." Within three business days after Seller's receipt of a Title Objection Notice from Buyer, Seller will notify Buyer, in writing, of the actions, if any, that Seller is willing to take with respect to each of the matters identified in the Title Objection Notice and the time frame in which Seller will take those actions ("**Seller's Title Notice**"). If Seller's Title Notice indicates that Seller unconditionally agrees to make Seller's title to the Property marketable on or before the closing date established pursuant to Section 10, the parties shall proceed to closing pursuant to the terms of this Agreement. If Seller's Title Notice indicates that Seller does not unconditionally agree to make Seller's Title to the Property marketable on or before the closing date established in Section 10, Buyer may, at any time with three business days after Buyer's receipt of Seller's Title Notice, terminate this Agreement by written notice to Buyer in which case this Agreement is terminated ("**Buyer's Title Termination Notice**"). If Buyer does not deliver a Buyer's Title Termination Notice to Seller within the three business days after Buyer's receipt of Seller's Title Notice, than Seller must perform in accordance with Seller's Title Notice, Buyer shall be deemed to have waived Buyer's objections to the extent Seller has not agreed to address them in Seller's Title Notice, the matters to which Buyer objected and Seller did not agree to resolve are deemed Permitted Exceptions, and the parties shall proceed to Closing in accordance with the terms of this Agreement and the terms of Seller's Title Notice.

7. **RIGHT OF ENTRY.** Buyer (and its employees, agents, and contractors) may enter the Property for the purpose of conducting soil tests, environmental tests and additional survey work, subject to the following conditions:

    a. Within one week after the termination of this Agreement, if either Seller or Buyer terminate this Agreement in accordance with the provisions hereof prior to Closing, Buyer must repair and or restore any damage Buyer or its employees, agents or contractors cause to the Property and remove any personal property, refuse or debris Buyer or its employees, agents or contractors brought onto or authorized third parties to bring onto the Property.

    b. Buyer must defend and indemnify Seller from and against and hold Seller harmless Seller from all "Claims," as defined in Section 10, arising out of, resulting from or relating to any loss of or damage to any property or business or out of any injury to or death of any person, if the loss, damage, injury, or death arises or is alleged to arise either directly or indirectly and either wholly or in part from: (a) any action or omission of Buyer or its employees, agents, or contractors, while on the Property pursuant to this Section; or (b) actions or omissions of Buyer or Buyer's employees, agents, or contractors that cause or result in the release of any Hazardous Substance onto the Property or onto other property.

    c. Buyer must comply with and shall cause it employees, agents, and contractors to comply with all applicable laws, while on the Property.

d. Other than a standard Phase 1 environmental assessment, Buyer may not commence any environmental testing on the Property until Buyer submits a work plan for such testing to Seller and Seller approves the work plan, in writing. Seller may not unreasonably withhold, condition or delay Seller's approval of a work plan.

e. Buyer must, promptly and without demand from Seller, provide Seller with true and complete copies of all draft and final reports relating to Buyer's geotechnical and environmental investigations and testing of the Property including, without limitation, any reports relating to any Phase I Environmental Site Assessment of the Property.

f. The cost of any test or additional survey work will be borne solely by Buyer.

8. PROPERTY SOLD AS IS. Subject to Buyer's right to terminate this Agreement pursuant to Section 9, Buyer agrees to accept the Property in its current condition, including, without limitation, its current environmental and geological condition, and in an "AS-IS" and with "ALL FAULTS" condition. Buyer's payment of the Purchase Price at Closing constitutes Buyer's acknowledgment and agreement that:

a. Seller has not made any written or oral representations or warranties of any kind with respect to the Property (including without limitation express or implied warranties of title, merchantability, or fitness for a particular purpose);

b. Buyer has not relied on any written or oral representation or warranty made by Seller, its agents or employees with respect to the condition or value of the Property;

c. Buyer has had an adequate opportunity to inspect the condition of the Property, including without limitation any environmental testing, and to inspect documents applicable thereto, and Buyer is relying solely on such inspection and testing; and

d. The condition of the Property is fit for Buyer's intended use.

e. Buyer accepts all risk of Claims (including without limitation all Claims under any Environmental Law and all Claims arising at common law, in equity or under a federal, state or local statute, rule or regulation) whether past, present or future, existing or contingent, known or unknown, arising out of, resulting from or relating to the condition of the Property, known or unknown, contemplated or uncontemplated, suspected or unsuspected, including without limitation the presence of any Hazardous Substance on the Property, whether such Hazardous Substance is located on or under the Property, or has migrated from or to the Property.

9. INSPECTION PERIOD.

a. Except as otherwise provided in Section 6, Buyer shall have **90 days from the Effective Date** (the "**Inspection Period**") to investigate the Property and determine, in Buyer's sole judgment, whether (i) the condition of the Property is suitable to Buyer's intended use; and (ii) Buyer will be able to obtain all governmental approvals (including, but not limited to, approvals necessary to subdivide and re-plat the Property, if applicable) and utilities necessary for Buyer's intended use of the Property. Buyer acknowledges and agrees that Seller has not made any covenants, representations or warranties regarding Buyer's ability to obtain governmental approvals from the City of Isanti or any other governmental entity. The City of Isanti will review, consider and act on any applications Buyer submits to the City for governmental approvals in accordance with City Code.

b. Buyer may, at any time on or before 5:00 p.m. on the last day of the Inspection Period, terminate the Agreement by written notice to Seller based on Buyer's determination, in Buyer's sole and absolute discretion, that the condition of the Property is not suitable for Buyer's intended use or that Buyer may not be able to obtain all governmental approvals and utilities necessary for Buyer's intended use of the Property. In addition, this Agreement automatically terminates at 5:00 p.m. on the last day of the Inspection Period unless, prior to that time Buyer delivers a written notice of Buyer's intention to proceed (a "**Notice to Proceed**") to Seller.

10. DEFINITIONS. As used in this Agreement:

"**Claim**" or "**Claims**" means any and all liabilities, suits, claims, counterclaims, causes of action, demands, penalties, debts, obligations, promises, acts, fines, judgments, damages, consequential damages, losses, costs, and expenses of every kind (including without limitation any attorney's fees, consultant's fees, costs, remedial action costs, cleanup costs and expenses which may be related to any claims).

"**Environmental Law**" means the Comprehensive Environmental Response, Compensation and Liability Act ("CERCLA"), 42 U.S.C. § 9601 et seq., the Resource Conservation and Recovery Act, 42 U.S.C. § 6901 et seq., the Federal Water Pollution Control Act (the Clean Water Act), 33 U.S.C. § 1251 et seq. the Clean Air Act, 42 U.S.C. § 7401 et seq., and the Toxic Substances Control Act, 15 U.S.C. § 2601 et seq., all as amended from time to time, and any other federal, state, local or other governmental statute, regulation, rule, law or ordinance dealing with the protection of human health, safety, natural resources or the environment now existing or hereafter enacted.

"**Hazardous Substance**" or "**Hazardous Substances**" means any pollutant, contaminant, hazardous substance or waste, solid waste, petroleum product, distillate, or fraction, radioactive material, chemical known to cause cancer or reproductive toxicity, polychlorinated biphenyl or any other chemical, substance or material listed or identified in or regulated by any Environmental Law.

11. **RELEASE.** By accepting the deed to the Property, Buyer, for itself, its directors, officers, stockholders, divisions, agents, affiliates, subsidiaries, predecessors, successors, and assigns and anyone acting on its behalf or their behalf hereby fully releases and forever discharges Seller from any and all Claims (including without limitation all Claims arising under any Environmental Law and all Claims arising at common law, in equity or under a federal, state or local statute, rule or regulation), past, present and future, known and unknown, existing and contingent, arising out of, resulting from, or relating to the condition of the Property, and Buyer hereby waives any and all causes of action (including without limitation any right of contribution) Buyer had, has or may have against Seller and anyone acting on its behalf with respect to the condition of the Property, whether arising at common law, in equity or under a federal, state or local statute, rule or regulation. The foregoing shall apply to any condition of the Property, known or unknown, contemplated or uncontemplated, suspected or unsuspected, including without limitation the presence of any Hazardous Substance on the Property, whether such Hazardous Substance is located on or under the Property, or has migrated from or to the Property.

12. **NOTICES.** Notices permitted or required by this Agreement must be in writing and shall be deemed given when delivered in legible form to the party to whom addressed. Notices may be sent by certified mail or e-mail. Notices are effective two business days after they are mailed via certified mail, return receipt requested or, if sent by email, upon email transmission (provided that any email transmission that occurs after 5:00 pm Pacific Time will be deemed provided on the following day). If delivered at the Closing, a notice shall be deemed given when hand-delivered to the party's representative at the Closing. The business addresses of the parties are as follows:

Seller: Josi Wood
City Administrator
City of Isanti
110 1st Ave. N.W.
Isanti, MN 55040
Email: jwood@cityofisanti.us

Buyer: Amy Rockstad
22215 Cedar Dr NW
Oak Grove MN 55011

Email:relicsandwares@gmail.com

Notices not given in the manner or within the time limits set forth in this Agreement are of no effect and may be disregarded by the party to whom they are directed.

13. **CLOSING.** This transaction shall close within 30 days after Buyer delivers a Notice to Proceed to Seller or on such earlier date as Seller and Buyer may establish by mutual, written agreement. The Closing shall take place at City offices or at some other place as the parties may mutually agree prior to such date. At the option of either Party, the

executed closing documents, Purchase Price and closing costs may be deposited with the City to avoid the necessity for a Closing at which the Parties are present.

a. **Seller's Obligations at Closing.** At Closing, Seller must deliver to Escrow Agent, for delivery to Buyer:

    i. A limited warranty deed, duly executed and acknowledged on behalf of the City, conveying title to the Property, subject to (A) Building, Subdivision and Zoning Ordinances; (B) Matters that would be disclosed by an accurate survey of the Property; and (C) matters that constitute Permitted Exceptions pursuant to Section 6.

    ii. A certified copy of a duly adopted Resolution authorizing Seller's sale of the Property to Buyer; and

    iii. Seller's affidavits, well disclosure certificate (if required), settlement statement approved by Seller and Buyer, and any other documents required by the Escrow Agent.

b. **Buyer's Obligations at Closing.** At Closing, Buyer must:

    i. Provide the Purchase Price; and

    ii. File or cause Escrow Agent to file an Electronic Certificate of Real Estate Value, if required and necessary.

c. **Closing Costs.**

    i. At Closing, the following Seller closing costs and expenses must be paid from the Purchaser Price or, if the Purchase Price is not sufficient, paid by Seller:

        1. Seller's own attorney's fees.
        2. The cost of real estate broker commission fees as prescribed in Section 14, if any.

    ii. At Closing Buyer must pay the Purchase Price to Seller and the following costs and expenses:

        1. Property taxes payable 2020, if any.
        2. Buyer's own attorney's fees.
        3. All closing fees.
        4. Documentary and recording fees for the deed(s).
        5. State deed tax.
        6. The cost of the title commitment.

7. The cost of the owner's title insurance policy, if Buyer elects to purchase an Owner's title insurance policy.

d. **Possession.** Seller must deliver possession of the Property to Buyer at Closing.

14. REAL ESTATE BROKERS. Seller and Buyer represent and warrant to each other that they have dealt with no brokers, real estate agents, finders or the like in connection with this transaction. Seller and Buyer agree to indemnify each other and to hold each other harmless against all claims, damages, costs or expenses of or for any broker's fees or commissions resulting for their actions or agreements regarding the execution or performance of this Agreement, other than the fees payable to Seller's Broker, and will pay all costs of defending any action or lawsuit brought to recover any such fees or commissions incurred by the other party, including reasonable attorney's fees.

15. ASSIGNMENT. This Agreement may not be assigned without the written consent of the non-assigning Party.

16. THIRD PARTY BENEFICIARY. There are no third-party beneficiaries of this Agreement, intended or otherwise.

17. JOINT VENTURE. Seller and Buyer, by entering into this Agreement and completing the transactions described herein, shall not be considered joint ventures or partners.

18. CAPTIONS. The paragraph headings or captions appearing in this Agreement are for convenience only, are not a part of this Agreement, and are not to be considered in interpreting this Agreement.

19. ENTIRE AGREEMENT / MODIFICATION. This written Agreement constitutes the complete agreement between the parties and supersedes any prior oral or written agreements between the parties regarding the Property. There are no verbal agreements that change this Agreement and no waiver or modification of any of its terms will be effective unless in writing executed by the parties.

20. BINDING EFFECT. This Agreement binds and benefits the Parties and their successors and assigns.

21. CONTROLLING LAW. This Agreement is made under the laws of the State of Minnesota and such laws will control its interpretation.

22. REMEDIES.

a. If Buyer fails to perform any of the terms or conditions of this Agreement within the specified time limits, Seller may declare this Agreement terminated pursuant to Minnesota Statutes section 559.21. Seller's sole remedy in the event of Buyer's default is retention of the Earnest Money, if any, unless Buyer defaults under Section 7 or 11 of this Agreement, in which case Seller may retain the Earnest money or suspend the performance of its obligations under this Agreement and commence an action in Isanti County District Court to recover its actual damages arising from the default.

b. If Seller fails to perform any of the terms or conditions of this Agreement within the specified time limits, Buyer may, as its sole remedy, declare this Agreement terminated, or, in the alternative, Buyer may have this Agreement specifically enforced and recover any incidental damages. Buyer waives all claims for consequential damages against Seller based on Seller's breach or alleged default hereunder.

23. WAIVER. Failure of Seller or Buyer to insist upon the performance of any of the covenants, agreements and/or conditions of this Agreement or to exercise any right or privilege herein shall not be deemed a waiver of any such covenant, condition or right.

24. SURVIVAL OF TERMS AND CONDITIONS. The terms and conditions of this Agreement shall survive and be in full force and effect after the delivery of the deed and shall not be deemed to have merged therein.

25. SEVERABILITY. Each provision of this Agreement shall apply to the extent permitted by applicable law and is intended to be severable. If any provision is illegal or invalid for any reason whatsoever, such illegality or invalidity shall not affect the legality or validity of the remainder of the Agreement.

26. CONSTRUCTION. The Parties acknowledge that this Agreement was initially prepared by Seller solely as a convenience and that all Parties and their counsel hereto have read and full negotiated all the language used in this Agreement. The Parties acknowledge that because all Parties and their counsel participated in negotiating and drafting this Agreement, no rule of construction shall apply to this Agreement to construe ambiguous or unclear language in favor of or against any Party.

27. COUNTERPARTS; DIGITAL COPIES. This Agreement may be executed in any number of counterparts and the signature pages of the separate counterparts combined into a single copy of this Agreement which will then constitute a fully executed version of this Agreement. A facsimile, .pdf file or digital copy of a signed counterpart or of an assemblage of counterparts of this Agreement shall be deemed to be an original thereof.

28. CONSTRUCTION DEADLINE. Buyer shall devote the Property to its intended use (retail store) or begin work on the improvements to the Property to devote it to that use,

within two years after closing. In the event the above deadline is not met, Seller may cancel the sale and title shall return to Seller. Title to the Property may not be transferred by Buyer within one year of purchase without consent of Seller.

29. **TIME PERIODS.** The time for performance of any obligation or taking any action under this Agreement shall be deemed to expire at 5:00 p.m. Central Time on the last day of the applicable time period provided for in this Agreement. If the time for the performance of any obligation or taking any action under this Agreement expires on a Saturday, Sunday or legal holiday, the time for performance or taking such action shall be extended to the next succeeding day which is not a Saturday, Sunday or legal holiday.

Request for City Council Action

To: Mayor Johnson and Members of City Council
From: Sheila Sellman, Community Development Director
Date: October 5, 2021
Subject: Purchase Agreement with Nick & Drew Enterprises, LLC for the sale of 400 West Dual Blvd NE PID 16.053.0070

Background: At the September 7, 2021 City Council meeting the Council directed staff to list the current liquor store (400 West Dual Blvd) for sale. On September 14, 2021 an offer came in for Nick and Drew's Discount Food grocery store. The offer is for $400,000 for the building and land, not including any items currently in the store (the appraisal has the land and building valued at $400,000). Staff has worked out a purchase agreement that is before you for consideration. The sale is contingent on the city securing a new location for the police department, with an anticipated close date of December 17, 2021. As proposed the city will be responsible for obtaining a Title Commitment and split the cost of a survey. It is advantageous to have a survey as there is development potential on the greenspace that his being sold.

If the sale is accepted and the buyer wants to buy some of the items currently in the liquor store a different agreement will be worked out.

Nick and Drew are brothers and grew up in the Isanti area and graduated from Cambridge Isanti High School. In 2017 they opened their first Discount Food Store in Lindstrom MN which has been a huge success so they are looking to expand and Isanti is where they want to be.

PURCHASE AGREEMENT

THIS PURCHASE AGREEMENT (this "Agreement") is made and entered effective as of the date upon which this Agreement is signed by all parties hereto (the "Acceptance Date"), by and between **CITY OF ISANTI**, a Minnesota municipal corporation ("Seller"), and **NICK & DREW ENTERPRISES, LLC**, a Minnesota limited liability company or its assigns ("Purchaser"). Seller or Purchaser may be individually referred to herein as a "party" or collectively as the "parties."

RECITALS

A. Capitalized terms not otherwise defined in this Agreement shall have the meaning ascribed to them in Exhibit A.

B. Seller is the owner of the real property located at 400 West Dual Boulevard Northeast, Isanti, Isanti County, Minnesota 55040, legally described as set forth on Exhibit B (the "Real Property") and includes the following, if in Seller's possession: (a) plans and specifications, as well as all other drawings and specifications for all improvements located on the Real Property; (b) all governmental consents, authorizations, variances, waivers, licenses, approvals and permits relating to the Property to the extent assignable; and (c) all warranties owned or obtained by Seller with respect to any improvements to the Real Property (collectively, the "Property").

C. Seller desires to sell and Purchaser desires to purchase the Property on the terms set forth herein.

AGREEMENTS

The parties, intending to be legally bound, hereby agree as follows:

1. Purchase and Sale. Subject to the terms and conditions hereinafter set forth, Seller agrees to sell, assign, convey and transfer to Purchaser, and Purchaser agrees to purchase and accept the Property, free and clear of all Liens, except for the Permitted Exceptions.

2. Purchase Price, Manner of Payment and Pro-rations.

   2.1. Purchase Price and Manner of Payment. The Purchase Price for the Property shall be Four Hundred Thousand United States Dollars ($400,000.00). The Purchase Price, subject to pro-rations and adjustments (as provided for in this Agreement) will be paid as follows:

      2.1.1. Twenty-Five hundred United States Dollars ($2,500.00) shall be payable within five (5) days of execution of this Agreement as an earnest money deposit (the "Earnest Money"), to be held in escrow by the Title Company pending Closing. The Earnest Money will be refundable to Purchaser if Purchaser terminates this Agreement pursuant to the terms hereof, or payable to Seller as liquidated damages in the event of a default by Purchaser as set forth in this Agreement.

2.1.2. At Closing, Purchaser shall pay to Seller, in immediately available funds, the Purchase Price minus the Earnest Money (the "Purchaser Closing Payment"), subject to pro-rations, credits, confirmations and adjustments provided for in this Agreement.

2.2. Pro-rations and Credits.

2.2.1. General. Seller and Purchaser will make the pro-rations set forth in this Agreement as a credit or debit to the Purchase Price. For purposes of calculating pro-rations, Purchaser shall be deemed to be in title to the Property for the entire Closing Date. All pro-rations shall be made on the basis of the actual number of days of the year and month that shall have elapsed prior to the Closing Date.

2.2.2. Real Estate Taxes and Special Assessments. The parties shall prorate all real estate taxes due and payable for the Property in the year in which the Closing occurs as of the Closing Date, utilizing actual final tax bills, if available prior to Closing. If final real estate tax bills are not available, the parties shall pro-rate real estate taxes on the basis of the projected real estate taxes if a projection is available from the applicable taxing authority or, if a projection is not available, on the basis of the most recent final real estate tax bills. Seller shall pay all real estate taxes due prior to the Closing Date (including any fines, interest or penalties thereon due to non- payment). Seller shall pay all levied Special Assessments.

2.2.3. Utilities. The Seller and Purchaser will use commercially reasonable efforts to obtain final readings of any water, gas, electric or other utility meters for utilities serving the Property as of the Closing Date and to transfer all utility accounts to Purchaser as of the Closing Date. Thereafter, Seller and Purchaser shall pay all invoices related to such party's period of ownership directly to the applicable utility provider. If any such readings cannot be obtained as of the Closing Date, charges for unread utilities shall be prorated at Closing based upon a per diem charge, using the most recent period for which such readings are available.

2.2.4. Corrections. In the event any pro-rations made pursuant hereto prove to be incorrect for any reason whatsoever, or in the event the pro-rations set forth above are estimated on the most currently available (rather than based on the actual final) bills, either party shall be entitled to an adjustment to correct the same provided that it makes written demand on the other by December 31, 2021.

2.3. Pro-ration Statement. As soon as reasonably possible prior to Closing, Seller and Purchaser shall prepare a joint statement of the pro-rations required by this

subsection ("Pro-ration Statement"), and shall deliver the Pro-ration Statement to Title Company for use in preparing the final settlement statements.

3. Purchaser's Due Diligence and Contingencies; Seller's Contingencies. Purchaser will be allowed to conduct the following Due Diligence at Purchaser's sole cost and expense:

3.1.1. Review the Deliverables. Within five (5) days following the Acceptance Date, Seller will deliver to Purchaser the Deliverables. If this Purchase Agreement is terminated for any reason, Purchaser agrees to return all hard copies of the Deliverables and such other documentation to Seller within forty-eight (48) hours of such termination;

3.1.2. Perform physical inspections of the Property (including the roof, the electrical, mechanical and structural elements, the HVAC system and all other building systems) including the right to enter the Property at reasonable times;

3.1.3. Perform Phase I environmental review of the Property;

3.1.4. Perform such other inspections and investigations with respect to the Property as the Purchaser deems necessary or appropriate;

3.1.5. Obtain all approvals Purchaser deems necessary; and

3.1.6. To decide, in Purchaser's sole and absolute discretion, whether the Property is satisfactory.

3.2. During the pendency of this Agreement, Purchaser or its designated representatives shall, at reasonable times, have access to the Property and other due diligence materials to conduct, at Purchaser's sole cost and expense, its Due Diligence with respect to the Property; provided, however, that Purchaser: (i) will promptly repair any damage resulting from any such inspections and restore the Property to its condition prior to such inspections; and (ii) will not permit any inspections, investigations or other due diligence activities to result in any Liens being filed against the Property and will, at its sole cost and expense, promptly discharge of record any such Liens that are so filed or recorded. Purchaser's liabilities under this Section survive Closing or earlier termination of this Agreement.

3.3. On or before the expiration of the Review Period, ending November 1, 2021, Purchaser, in its sole and absolute discretion, has the right to terminate this Agreement.

3.4. The Agreement can be canceled by either party if a financing commitment cannot be obtained within 30 days of acceptance of this Agreement. Following the Acceptance Date, Purchaser shall make timely application for financing.

3.5. The Purchaser, in its sole and absolute discretion, has the right to terminate this Agreement at any time prior to the Closing Date if Purchaser or an affiliate of the Purchaser has not received such approvals as may be necessary for Purchaser or an affiliate of Purchaser to operate a food store at the Property.

3.6. If Purchaser notifies Seller of the termination of this Agreement pursuant to Sections 3.3, 3.4 or 3.5 above, this Agreement shall terminate upon the date of Purchaser's notification to Seller, Purchaser shall be entitled to the return of the Earnest Money and neither party will have any further rights against the other.

3.7 Sale of the Property is contingent on Seller entering into a purchase agreement prior to the Closing Date for the site of the City's new Police Station.

4. Title

4.1. Title Commitment. Seller, at its cost and expense, shall:

4.1.1. Obtain a commitment for the Title Policy (the "Title Commitment") to be issued by Title Company, and shall provide a copy of the Title Commitment, together with copies of all title exception documents or electronic access thereto, to Purchaser within ten (10) days of the Acceptance Date;

4.1.2. Obtain and deliver to Purchaser within ten (10) days of the Acceptance Date, the results of a judgment and lien search conducted on Seller; and

4.1.3. Obtain and provide to purchaser and Title Company the survey of the real property by November 1, 2021. If a survey is not avialble the Seller and Purchaser shall each pay for one-half of the cost of the survey.

4.2. Review Period. No later than the end of the Review Period (the "Title Review Period"), Purchaser will deliver to Seller, in writing, any objections to the Title Commitment ("Objections"). Should Purchaser fail to timely notify Seller of any Objections, Purchaser will be deemed to have waived any such Objections, except any Required Removal Items.

4.3. Response. If Purchaser notifies Seller within the Title Review Period of Objections, then within ten (10) days after Seller's receipt of Purchaser's notice ("Seller's Title Response Period"), Seller will notify Purchaser in writing ("Seller's Title Response Notice") of the Objections which Seller agrees to satisfy on or prior to the Closing, at Seller's sole cost and expense, and of the Objections that Seller cannot or will not satisfy. Notwithstanding the foregoing sentence, Seller will, in any event, be obligated to cure all: (i) Liens against the Property or (ii) Liens that have been voluntarily placed against the Property by Seller after the Acceptance Date and that will not otherwise be satisfied on or before the Closing ((i) and (ii) collectively, the "Required Removal Items"). If Seller chooses not to satisfy all or any of the

Objections that Seller is not obligated to satisfy and to which Purchaser was entitled to object, Purchaser has the option of either: (i) terminating this Agreement by giving written notice of termination to Seller, whereupon Purchaser will be entitled to the return of the Earnest Money and this Agreement will be terminated without any obligations surviving hereunder, except those expressly stated to survive termination; or (ii) elect to close, in which case Purchaser will be deemed to have waived such Objections and such Objections will become "Permitted Exceptions."

5. Representations, Warranties and Covenants

5.1. Representations and Warranties. Seller, City of Isanti hereby represents and warrants for benefit of Purchaser as of the date hereof and as of the Closing as follows:

5.1.1. Seller is a municipal corporation duly organized, validly existing and in good standing under the laws of the State of Minnesota.

5.1.2. All documents executed by Seller which are to be delivered to Purchaser at the Closing are duly authorized, executed, and delivered by Seller, are legal, valid, and binding obligations of Seller, are sufficient to convey title, and do not violate any provisions of any agreement to which Seller is a party or to which it is subject.

5.1.3. The execution of this Agreement by Seller, the consummation of the transactions herein contemplated, and the execution and delivery of all documents to be executed and delivered by Seller, have been duly authorized by all requisite action on the part of Seller.

5.1.4. Neither the execution of this Agreement nor the carrying out of the transactions contemplated herein will result in any violation of the instruments pursuant to which Seller was organized and/or operates; and no consent or approval of any governmental agency, body or officer or third party is required for the execution of this Agreement or the carrying out of the transactions contemplated herein.

5.1.5. Seller is not a foreign person (as defined in Section 1445 of the Internal Revenue Code of 1986, as amended, and the Regulations promulgated thereunder) and Seller is a "United States Person" as such term is defined in Section 7701(a)(30) of the Internal Revenue Code of 1986, as amended.

5.1.6. There is no contract or agreement in effect relating to the Property (whether for management, leasing, operations, goods, services or otherwise) for which Purchaser will be bound or that will encumber the Property following the Closing that cannot be terminated without penalty upon thirty (30) days' notice.

5.1.7. There are no claims, demands, damages, litigation, actions, causes of action or claims of third parties that have been asserted, nor is there any pending or, to

their knowledge, threatened litigation or other proceeding against Seller or the Property or any part thereof.

5.1.8. There are no options, rights of first refusal, outstanding leases, options or rights to lease, occupancy agreements, rights of first refusal to lease, letters of intent to lease or rental agreements with respect to the use and or occupancy of the Property.

5.1.9. Seller has fee title to the Real Property free and clear of all Liens, except for the Permitted Exceptions.

5.1.10. Seller has received no notice from any governmental authority or other person regarding any condemnation or eminent domain proceeding with regard to the Real Property.

5.1.11. To the best of Seller's knowledge, Seller is in full compliance with, and is not in violation of or liable under, any Environmental Law. Seller has received no citation, directive, inquiry, notice, order, summons, warning or other communication that relates to Hazardous Substances, or any alleged, actual, or potential violation or failure to comply with any Environmental Law, or of any alleged, actual, or potential obligation to undertake or bear the cost of any liability with respect to the environmental condition of the Real Property.

5.1.12. Seller has received no notice of or otherwise has no knowledge of any claims, encumbrances, or other restrictions of any nature arising under or pursuant to any Environmental Law with respect to or affecting the Real Property.

5.1.13. To Seller's actual knowledge, there are no Hazardous Substances present on or in the Real Property, including any Hazardous Substances contained in barrels, above- ground or underground storage tanks, landfills, land deposits, dumps, equipment (whether movable or fixed) or other containers, either temporary or permanent, and deposited or located in land, water, sumps, or any other part of the Real Property, with the exception of substances used on the Property in connection with cleaning and maintenance in the ordinary course of business.

5.1.14. To the best of Seller's knowledge, there has been no release of a Hazardous Substance at or from the Real Property.

5.1.15. Seller has received no notice of, nor are they aware of, any actual or threatened reduction or curtailment of any utility service now supplied to the Real Property.

5.1.16. Seller has received no notice of, nor to the best of its knowledge, there are no actual or threatened cancellations or suspensions of any certificates of occupancy for all or any portion of the Real Property.

5.1.17. Seller has received no notice of, nor are they aware of, any actual or pending special assessments or reassessments of the Real Property.

5.1.18. Seller has not executed any other contracts for the sale of the Property, and Seller has not granted any rights of first refusal or options to purchase the Property or any other rights that might prevent the consummation of this Agreement.

5.1.19. To the best of their knowledge, there are no "wells" on the Property within the meaning of Minnesota Statutes § 103I.235. This statement is intended to satisfy the requirements of Minnesota Statutes § 103I.235.

5.1.20. To the best of their knowledge, no methamphetamine production has occurred on the Property. This statement is intended to satisfy the requirements of Minnesota Statutes § 152.0275 Subd. 2(m).

5.1.21. To the best of their knowledge, no aboveground or underground tanks are located in or about the Property, or have been located under, in or about the Property or have subsequently been removed or filled.

5.1.22. Solely for the purposes of satisfying any applicable requirements of Minn. Stat. § 115.55, Seller discloses and certifies that:

5.1.23.1. Sewage generated on the Property goes to a facility permitted by the Minnesota Pollution Control Agency; and

5.1.23.2. Seller has no knowledge of the existence of an abandoned individual sewage treatment system on the Property.

5.1.23. Each and every warranty and representation set forth above will be true as of the date of this Agreement and as of the Closing Date. At Closing, Seller will execute and deliver to Purchaser a certificate (the "Bring Down Certificate") restating and updating through Closing the warranties and representations set forth above, and acknowledging that the same will survive Closing. No statement contained in this Agreement or in any certificate, schedule, list, exhibit, document, agreement or other instrument furnished by Seller to Purchaser in connection with this Agreement or the transactions contemplated hereby contains or will contain any untrue statement of any material fact or fails or will fail to state a material fact necessary in order to make the statements contained herein or therein not false or misleading. The Deliverables provided to Purchaser by Seller are true and correct copies of those documents in possession of Seller.

5.1.24. To the extent allowed by law, Seller, City of Isanti, agrees, to indemnify Purchaser its successors and assigns, against, and will hold Purchaser, its

successors and assigns, harmless from, any losses, expenses or damages, including reasonable attorneys' fees, that Purchaser incurs if any of the above representations and warranties is discovered to have been untrue or inaccurate as of the Closing Date.

EXCEPT AS EXPRESSLY SET FORTH IN THIS AGREEMENT OR IN SELLER'S DOCUMENTS, SELLER MAKES NO WARRANTY OR REPRESENTATION, EXPRESSED OR IMPLIED OR ARISING OUT OF OPERATION OF LAW, INCLUDING WITHOUT LIMITATION, ANY WARRANTY OR CONDITION, HABITABILITY, MERCHANTABILITY, OR FITNESS FOR A PARTICULAR PURUPOSE OF THE PROPERTY. EXCEPT AS HEREIN EXPRESSLY STATED, PURCHASER IS PURCHASING THE PROPERTY BASED UPON ITS OWN KNOWLEDGE, INVESTIGATION AND INQUIRY AND IS NOT RELYING ON ANY REPRESENTATION OF SELLER OR ANY OTHER PERSON AND IS AGREEING TO ACCEPT THE PURCHASE OF THE PROPERTY "AS-IS", "WHERE-IS", "WITH ALL FAULTS", AND, UPON CLOSING, PURCHASER SHALL ASSUME RESPONSIBILITY FOR THE PHYSICAL CONDITION OF THE PROPERTY, SUBJECT TO THE EXPRESS REPRESENTATIONS HEREIN CONTAINED.

5.2. Covenants.

5.2.1. Seller will continue to maintain the Property in good working order, condition and repair.

5.2.2. Seller will not enter into any service, maintenance or management agreements with respect to the Property other than in the ordinary course of business provided that any such contract shall be terminable upon thirty (30) days' notice, without penalty, by Purchaser.

5.2.3. On or before the Closing Date, Seller shall pay all contractors, subcontractors, laborers and material suppliers that have performed work upon the Property.

5.2.4. Seller will deliver to Purchaser good and marketable fee title, free and clear of all Liens to the Property, subject only to the Permitted Exceptions, at the Closing.

5.2.5. Each and every covenant of Seller set forth in this Section 5.2 will be satisfied as of the Closing Date.

6. Closing Costs. The parties will bear the following costs:

6.1. Seller will pay: (i) all real estate transfer fees and deed taxes in connection with the transfer of the Real Property; (ii) all costs and expenses incurred in connection with the removal of Liens, the curing of title defects and problems, and other such similar matters; (iii) one-half (1/2) of any closing and/or escrow fees of the Title Company; and (iv) all other costs and expenses that are allocated to Seller under the other provisions of this Agreement.

6.2. Except as specifically set forth in this Agreement, Purchaser will pay: (i) all costs and expenses in connection Purchaser's Due Diligence; (ii) the premiums for the Mortgagee's and Owner's Title Policy; (iii) one-half (1/2) of any closing and/or escrow fees of the Title Company, and (iv) all other costs and expenses that are allocated to Purchaser under the other provisions of this Agreement.

7. Closing.

7.1. Closing Conditions. The Closing will occur on the Closing Date, at which time possession of the Property shall be immediately delivered to Purchaser. The Closing will not occur hereunder unless and until all of the following conditions precedent are satisfied (or, as to the negative covenants, continue to be true and correct), and/or waived by Purchaser in its sole and absolute discretion, in writing:

7.1.1. The representations and warranties of Seller made herein will be true and correct, Seller will have performed all covenants and agreements made herein and Seller will have delivered to Purchaser all of the Seller Closing Documents required pursuant to Section 7.2.1 hereof;

7.1.2. As of the Closing Date, no litigation, proceedings, governmental investigations or inquiries, or other such legal or administrative proceedings of any kind or nature shall have been commenced, or shall be pending, with regard to the Property, and/or with regard to Seller (if the same would materially impact Seller's ability to close the sale of the Property to Purchaser on the terms specified in this Agreement, and/or otherwise adversely affect Purchaser as the successor owner of the Property);

7.1.3. Seller shall convey good and marketable fee simple title to the Property free and clear of all Liens and subject only to the Permitted Exceptions.

7.2. Closing Procedures. The Closing will be held on the Closing Date at 10:00 a.m. Minneapolis time at the offices of the Title Company or at such other place as the parties may agree. Title Company will close the transaction in accordance with the provisions of this Agreement. Both parties will pay their respective costs by wire transfer or other immediately available funds to the Title Company. At Closing, the following will occur:

7.2.1. Seller will execute and deliver, or cause to be executed and delivered (as the case may be) to Purchaser the following documents all in form acceptable to Purchaser and its counsel (collectively, the "Seller Closing Documents"):

7.2.1.1. Evidence of Seller's authority to perform its obligations under this Agreement;

7.2.1.2. The Deed;

7.2.1.3. The Bring Down Certificate;

7.2.1.4. Seller's signed counterpart to a General Assignment in form attached hereto as Exhibit C;

7.2.1.5. A non-foreign affidavit or a qualifying statement sufficient in form and substance to relieve Purchaser of any and all obligations to deduct, withhold or pay any amount of tax pursuant to Section 1445 of the Code, or a statement from Seller authorizing Purchaser to deduct and withhold taxes as required by Section 1445 of the Code;

7.2.1.6. Any and all other documentation reasonably required by the Title Company, to close the transaction contemplated hereunder and to cause the Title Policy to be issued and delivered to Purchaser; and

7.2.1.7. Seller's signed counterpart to the closing statements in customary form together with such other documents as are reasonably necessary to consummate the Closing.

7.2.2. Purchaser will deliver the Purchaser Closing Payment to Title Company (subject to pro-rations and adjustments), and shall execute and/or deliver, or cause to be executed and delivered (as the case may be) to Seller the following documents (collectively, the "Purchaser Closing Documents"):

7.2.2.1. Any documentation reasonably required by Title Company, to close the transaction contemplated hereunder and to cause the Title Policy to be issued and delivered to Purchaser;

7.2.2.2. Purchaser's signed counterpart to a General Assignment in form attached hereto as Exhibit C;

7.2.2.3. Purchaser's signed counterpart to the closing statements in customary form together with such other documents as are reasonably necessary to consummate the Closing.

7.2.2.4. Purchaser shall deliver the Purchaser Closing Payment required by Section 2.1.2 hereof by wire transfer or other immediately available funds.

8. Brokers. The parties each represent and warrant to the other that there are no real estate brokers, salespersons or finders involved in this transaction.

9. Notices. All notices or other communications hereunder to either party shall be: (i) in writing and sent via email, with evidence of transmittal; (ii) overnight commercial courier service or United States Express Mail; or (iii) personal delivery, and in each case shall be deemed to be given on the earlier of actual receipt or one business day after sent and addressed:

10. Casualty and Condemnation.

10.1. If all or any part of the Property is substantially damaged ("substantially damaged" as used herein meaning the aggregate cost of repair or replacement is $50,000.00 or more) by fire, casualty, the elements or any other cause, Seller shall immediately give notice to Purchaser, and Purchaser shall have the right to terminate this Agreement, which right must be exercised by Purchaser within ten (10) days of the date that Purchaser is notified of the casualty event in writing by Seller. If Purchaser notifies Seller in writing of the termination of this Agreement pursuant to this Section 10.1, this Agreement shall terminate and in such event, except for obligations under this Agreement that expressly survive termination, neither party will have any further rights against the other and the Earnest Money shall be returned to Purchaser. In the event the Purchaser does not elect to terminate this Agreement, or fails to provide written notice to Seller of its intent to terminate within the ten (10) day period provided above, Purchaser will be deemed to have elected to proceed to Closing and Seller will assign to Purchaser, at the Closing, all of Seller's rights to insurance proceeds resulting from such casualty event and the Purchaser Closing Payment shall be reduced by any insurance deductible.

10.2. In the event proceedings to condemn the Property or any portion thereof are commenced before the Closing Date, Seller shall immediately give notice to Purchaser, and Purchaser shall have the right to terminate this Agreement, which

right must be exercised by Purchaser within ten (10) days of the date that Purchaser is notified of such condemnation proceedings by Seller. If Purchaser notifies Seller in writing of the termination of this Agreement pursuant to this Section 10.2, this Agreement shall terminate and in such event, except for obligations under this Agreement that expressly survive termination, neither party will have any further rights against the other and the Earnest Money shall be returned to Purchaser. In the event the Purchaser does not elect to terminate this Agreement, or fails to provide written notice to Seller of its intent to terminate within the ten (10) day period provided above, Purchaser will be deemed to have elected to proceed to Closing and Seller will assign to Purchaser, at the Closing, all of Seller's rights, title and interest in and to any condemnation proceeds payable with respect to the Property.

11. Purchaser's Representations and Warranties. Purchaser represents and warrants to Seller as follows:

11.1. Purchaser is a limited liability company duly organized, validly existing and in good standing under the laws of the State of Minnesota.

11.2. Purchaser has full power and right to enter into and perform its obligations under this Agreement and the other agreements contemplated herein to be executed and performed by it.

12. Remedies.

12.1. If Seller fails to perform any of the covenants of this Agreement, or Seller otherwise defaults hereunder, including a failure to close, Purchaser, following thirty (30) days written notice to Seller (a "Notice of Default") (if Seller has not cured the alleged default) shall have as its sole and exclusive remedies:

12.1.1. the right of specific performance of all provisions of this Agreement so long as an action therefore is served on Seller within sixty (60) days of the notice of default; or

12.1.2. the right to terminate this Agreement in which event (i) the Earnest Money shall be returned to Purchaser and (ii) Seller shall pay to Purchaser, upon demand, all actual out-of-pocket third party costs and expenses incurred by Purchaser in connection with this Agreement and in pursuit of the transaction contemplated by this Agreement including, without limitation, costs and expenses of consultants, contractors, agents, proposed lenders, attorneys and accountants; however, in no event shall the aggregate costs to be paid by Seller exceed Five Thousand Dollars ($5,000).

12.2. If Purchaser breaches any of its obligations hereunder or this Agreement prior to Closing, Seller may, following thirty (30) days' written notice if Purchaser has not

cured such breach, declare a forfeiture hereunder, terminate this Agreement and retain the Earnest Money as liquidated damages, unless Purchaser breaches Paragraph 3.2, in which case Seller may suspend performance of its obligations and commence an action to recover its actual damages plus costs and attorney's fees.

12.3. Notwithstanding the foregoing, with regard to any default by Seller or Purchaser of any obligation that explicitly survives Closing, the non-defaulting party will have the right to specifically enforce the subject terms and provisions of this Agreement and/or recover any damages to which it may be entitled at law (including, without limitation, reasonable attorneys' fees and the reasonable costs of investigation) and/or pursue any other remedy available at law or equity.

12.4. In the event of a termination of this Agreement for any reason, the parties shall execute a Purchase Agreement Cancellation Agreement and Purchaser shall execute and forward to Seller a Quit Claim Deed conveying any interest it may have acquired in the Real Property to Seller.

13. Miscellaneous.

13.1. Defined Terms. Any capitalized terms set forth in this Agreement or any Exhibit or Schedule attached hereto has the meaning set forth in Exhibit A to this Agreement or as otherwise defined in this Agreement or any Exhibit or Schedule hereto.

13.2. Governing Law. This Agreement will be construed, governed and enforced in accordance with laws of the State of Minnesota.

13.3. Savings Clause. If any provision of this Agreement or the application thereof to any person or circumstance are to any extent held void, invalid or unenforceable, then the remainder of this Agreement or the application of such provision to persons or circumstances other than those as to which it is held void or invalid or unenforceable will not be affected thereby and each and every other provision of this Agreement shall be valid and enforceable to the fullest extent permitted by law.

13.4. Pronouns and Plurals. Unless otherwise indicated to the contrary herein by context or use thereof: (i) the words "herein," "hereto," "hereof," and words of similar import refer to this Agreement as a whole and not to any paragraph or section hereof; (ii) the word "including" means "including, but not limited to"; (iii) masculine gender also includes the feminine and neutral genders and vice versa; and (iv) words importing the singular shall also include the plural, and vice versa.

13.5. Entire Agreement. This Agreement constitutes the entire Agreement between the parties with respect to the sale of the Property and supersedes any other previous agreement, oral or written, between the parties. This Agreement cannot be changed, modified, waived or terminated orally but only by an agreement in writing signed by the parties hereto. This Agreement will be binding upon the parties hereto and

their respective heirs, executors, personal representatives and permitted successors and assigns.

13.6. Time of the Essence. Time is of the essence in regards to this Agreement and each provision hereof; provided, however, that if any date herein set forth for the performance of any obligations by Seller or Purchaser or for the delivery of any instrument or notice as herein provided should not be on a business day, the compliance with such obligations or delivery shall be deemed acceptable on the next following business day.

13.7. Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original, but all of which when taken together shall constitute but one and the same instrument. Executed copies of the signature pages of this Agreement transmitted electronically in Portable Document Format ("PDF") shall be treated as originals, fully binding and with full legal force and effect, and the parties waive any rights they may have to object to such treatment.

13.8. Mutual Cooperation. Each of the parties agrees that upon request from the other party following the Closing and without further consideration, such party will do, execute, acknowledge and deliver or cause to be done, executed, acknowledged and delivered all such further acts or instruments as shall be reasonably requested by a party in order to effect or carryout the transactions contemplated herein provided the same do not impose any obligations or liabilities upon the party not contemplated in this Agreement.

13.9. Waiver. Failure of either parties to insist, in any one or more instances, upon strict performance of any term and condition of this Agreement, will not be construed as a waiver or relinquishment of such term, condition, or option in the future.

13.10. Assignment. Purchaser may, at any time, assign its rights under this Agreement without the consent of Seller. Any assignment by Seller is of its intent in this Agreement shall not relieve Seller of its obligations under this Agreement and to perform its terms as provided herein.

13.11. Seller's Knowledge. As used in this Agreement, the phrase "to Seller's knowledge" or "to the best of Seller's knowledge" (and any such similar language) shall mean information that is known by the Seller, the managers of the Seller or the Seller's agents involved in the management of the Property.

"Deed" means a General Warranty Deed conveying to Purchaser good, marketable and insurable fee simple title to the Real Property, free and clear of all Liens except the Permitted Exceptions.

"Deliverables" means any and all documents pertaining to the Property in Seller's possession or control, which Seller shall be obligated to deliver to Purchaser, to the extent not already delivered, within five (5) days of the Acceptance Date, including, without limitation, the following:

- A copy of any inspection reports related to the Property;
- A copy of any environmental or engineering reports related to the Property
- Any correspondence and notices relating to the Property from governmental bodies, including any notices involving use or restrictions on the Property;
- Copies of any applications or requests to governmental bodies relating to the Property;
- Any current contracts for goods and services provided to the Property;
- Any survey of the Property;
- Plans and Specifications for the Property;
- Copy of the Seller's most recent title insurance policy and any encumbrance documents for the Property; and
- A list of personal property owned by Seller used at the Property.

"Due Diligence" means Purchaser's inspection of the Property, title review and review of environmental matters, all as set forth in Sections 3 and 4 of this Agreement.

"Environmental Laws" means all laws, ordinances, statutes, codes, rules, regulations, agreements, judgments, orders or decrees, now or hereafter enacted, promulgated, or amended, of the United States of America, the states, the counties, the cities, or any other political subdivision in which the Real Property is located, and any other political subdivision, agency or instrumentality exercising jurisdiction over the Seller, the Real Property or the use of the Real Property, relating to pollution, the protection or regulation of human health, or the environment, or the emission, discharge, release or threatened release of pollutants, contaminants, chemicals or industrial, toxic or hazardous substances or waste Hazardous Materials into the environment, including without limitation, ambient air, surface water, ground water or land or soil, except as may have been generated during Seller's ordinary course of business.

"Hazardous Materials" means: (i) those substances included within the definitions of "hazardous substances," "hazardous materials," "toxic substances," or "solid waste" in the Comprehensive Environmental Response Compensation and Liability Act of 1980 (42 U.S.C. § 9601 et seq.) ("CERCLA"), as amended by Superfund Amendments and Reauthorization Act of 1986 (Pub. L. 99-499 100 Stat. 1613) ("SARA"), the Resource Conservation and Recovery Act of 1976 (42 U.S.C. § 6901 et seq.) ("RCRA"), and the Hazardous Materials Transportation Act (49 U.S.C. § 1801 et seq.), and in the regulations promulgated pursuant to said laws, all as amended; (ii) those substances listed in the United States Department of Transportation Table (49 CFR 172.101 and amendments thereto or by the Environmental Protection Agency (or any successor agency) as hazardous substances (40 CFR Part 302 and amendments thereto)); (iii) any material waste or substance which is: (A) designated as a "hazardous substance" pursuant to Section 311 of the Clean Water Act, 33 U.S.C. § 1251 et seq. (33 U.S.C. § 1321) or listed pursuant to Section 307 of the Clean Water Act (33 U.S.C. § 1317) or (B) radioactive materials; (iv) those substances included within the definitions of "hazardous substances", "hazardous materials", "toxic substances" or "solid waste" in the Hazardous Waste Management Act of 1978; (v) those substances identified as hazardous or toxic by the state of Minnesota or its agencies or quasi-agencies; and (vi) asbestos and asbestos containing materials in any form, whether friable or non-friable, polychlorinated biphenyls, radon gas; any of which substances described in clauses (i) through (vi) above is present in such quantities as to require reporting, investigation or remediation under any applicable Environmental Laws, causes or threatens to cause a nuisance on the Real Property or adjacent property or poses or threatens to pose a hazard to the health or safety of persons on the Real Property or adjacent property, or which, if it emanated or migrated from the Real Property could constitute trespass.

"Lien" means any interest in an asset securing an obligation owed to, or a claim by, any person other than the owner of the asset, whether such interest is based on the common law, statute, or contract, whether such interest is recorded or perfected, and whether such interest is contingent upon the occurrence of some future event or events or the existence of some future circumstance or circumstances, including the lien or security interest arising from a mortgage, deed of trust, encumbrance, pledge, hypothecation, assignment, collateral assignment, deposit arrangement, security agreement, conditional sale or trust receipt, or from a lease, consignment, or bailment for security purposes and also including encroachments.

"Permitted Exceptions" means any matters which Purchaser approves in writing or be deemed to have approved pursuant to the terms of this Agreement.

"Special Assessments" mean those assessments arising out of and required to be paid with respect to the Real Property.

"Survey" means a current ALTA/NSPS survey of the Property.

"Title Company" means Land Title, Inc., as agent for a title insurance company reasonably acceptable to Purchaser.

"Title Policy" means an ALTA 2006 Owner's Policy of Title Insurance in the amount of the Purchase Price, subject only to the Permitted Encumbrances, and including such endorsements as the Purchaser shall require in its sole and absolute discretion.

Memo for Council Action

To: **Mayor Johnson and Members of the City Council**
From: Alyssa Olson – Parks, Recreation and Events Coordinator
Date: October 5, 2021
Subject: 2022 Street Dance Location

Background

The Downtown Isanti Street Dances have traditionally taken place at Main Street and 1st Avenue. With the construction of the new amphitheater in Bluebird Park, the City has the opportunity to move the Street Dances to the Park for 2022, as has previously been discussed.

As part of the construction of the amphitheater, Isanti Electric is wiring electricity to the unit to power future events and will need to ensure enough power is available for associated event production, including for band and vendor needs. As such, the Council will need to determine if the Street Dance events will be moving to the Park in 2022 so that staff can allocate the necessary resources to appropriately plan for future production needs.

Request

City staff is requesting direction on this item.

Memo for Council Action

To: **Mayor Johnson and Members of the City Council**
From: Alyssa Olson - Parks, Recreation, and Events Coordinator
Date: September 21, 2021
Subject: Resolution 2021-XXX Approving a Special Event Permit Request for the Amphitheater Grand Opening Celebration

---

Background

The City has submitted a special event permit application to host a Grand Opening Celebration at the new amphitheater. The event will tentatively take place Saturday, October 23, 2021 from 1:00-3:00pm, pending construction completion.

No road closures are being requested and activities will take place on the grass near the amphitheater. Food trucks will be setup onsite. Speakers and a PA system will be used during the event. Event staff will be responsible for cleaning up waste on the property after the event.

The approximate attendance is 100 people. The event is free to attend.

The complete application along with departmental review are attached.

Staff Request

City staff is requesting approval of the Amphitheater Grand Opening Celebration Special Event Permit application and attachments.

Memo for Council

To: Mayor Johnson and Members of the City Council
From: Alyssa Olson, Parks, Recreation & Events Coordinator
Date: October 5, 2021
Subject: Resolution 2021-XXX Approving Isanti Light Display Event

---

Background:
Continuing the discussion on producing a holiday lighting event in Isanti. The enclosed proposal includes 2 concepts designed to appeal to different audiences and partners. Both concepts include vendor opportunities and Santa appearances, but differentiate on style and ticketing options. The location of the event would be in Bluebird Park surrounding the new amphitheater.

Concept 1:
Free public event that focuses on market-style activities such as vendor booths, ice skating, and photos with Santa with limited focus on light displays. This event would be a standard community festival that would likely draw in Isanti County residents and would run for one weekend (Friday – Sunday) in December. Attendance would be free with an option to charge a minimal fee for parking. This style of event allows attendees to come and go as they please, and has the potential for return visits with increased sales for vendors. Production costs are minimal and would include setup/tear down, overnight security, onsite utilities and storage. Partner opportunities would range from trade/donations to a top tier at $2,500.

Of the two concepts, this event style would incur the least display and production costs, but also has the lowest potential for revenue and attendance. The majority of the cost burden would be on taxpayers.

Estimated Costs		**Yr. 2**	
10 Light Displays	$21,000	Addtl Light Displays	$ 3,000
Production Costs	17,000	Production Costs	17,000
(Labor, security, power, storage, etc)		*(Labor, security, power, storage, etc)*	
Concept 1 Initial Expenses	**$38,000**	**Annual Expenses**	**$20,000**
Estimated Revenue	17,000	Estimated Revenue	17,000
Net Cost	**$21,000**	**Net Cost**	**$ 3,000**

Concept 2:
Ticketed walk-through experience that focuses on one-sided light displays and includes market-style activities such as vendor booths and photo opportunities. This event would be similar to Bentleyville with wire display lighting and would likely draw an audience from neighboring counties, as well as partner opportunities at the county level. This concept would be fully enclosed to secure features. Increased production costs would include fencing, overnight security, storage, operations staff (ticketing, greeters, etc), and general event utilities. Recommended timeline would be to host this style event for one full week (Saturday – Saturday) in December. Ticket fees, paid parking and partner revenue would help offset costs. Partner opportunities would range from trade/donations to a top tier at $5,000.

Estimated Costs		**Yr. 2**	
13 Light Displays	$ 57,000	Addtl Light Displays	$ 8,000
Production Costs	50,000	Production Costs	50,000
(Labor, security, power, storage, etc)		*(Labor, security, power, storage, etc)*	

Concept 2 Initial Expenses	**$107,000**	**Annual Expenses**	**$ 58,000**
Estimated Revenue	84,000	Estimated Revenue	84,000
Net Cost	**$ 23,000**	**Potential Profit**	**$ 26,000**

Considerations:

- The longer the timeline, the higher the production costs.
- If ticketed, event needs to be worth the price paid.
- Display costs are high upfront, but would decrease YOY.
- Grant opportunities also exist to help offset costs, but event would need to be budgeted ahead of application submission.
- Size of event and concept will determine how much time staff will need to allocate for event, both pre-planning and during.
- Would want to request BMX Arena not plan any events during event window.
- Weather conditions are not guaranteed and there is a risk the event could be cancelled due to severe weather.

Request:

Staff would like direction to move forward with a lighting event for December 2022 and which concept is preferred.

RESOLUTION 2021-XXX

APPROVING ISANTI LIGHT DISPLAY EVENT

WHEREAS, the City Council has identified a need and interest in developing a holiday light display event in Isanti to encourage community engagement in the winter and draw new visitors to the City; and,

WHEREAS, staff has developed plans to create a lighting event in Bluebird Park surrounding the amphitheater; and,

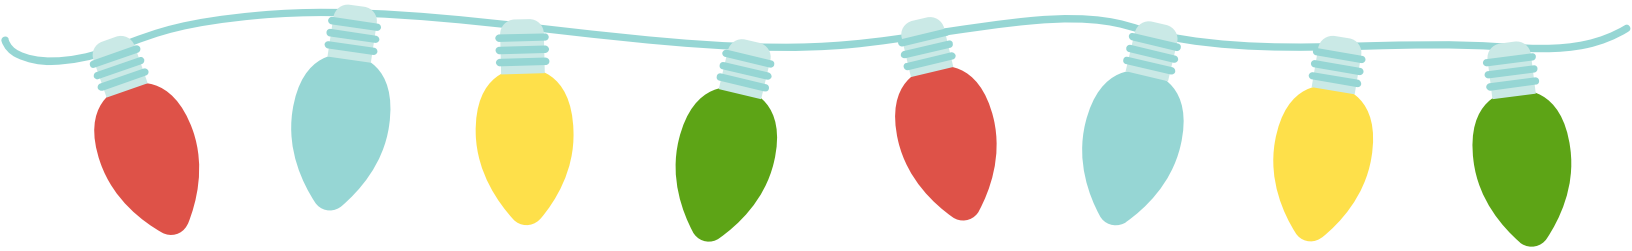
WHEREAS, staff will work with businesses and organizations to sell sponsorships, vendor opportunities, and create partnerships for the event; and,

WHEREAS, admission to the event will be _____; and,

WHEREAS, parking for the event will be _____; and,

WHEREAS, staff will create funding source Special Revenue Fund 227 for this event; and,

WHEREAS, staff has estimated costs for producing the event will not exceed _____;



NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Isanti, Minnesota to approve the creation of a holiday lighting event at Bluebird Park, to authorize staff to allocate in year 2022 _____ budget for the event, to authorize staff to purchase and rent necessary equipment and features to be included in the event, and to authorize the creation of Special Revenue Fund 227. Authorize the City Administrator to approve major purchases.

This resolution was duly adopted by the Isanti City Council this 5th day of October 2021.

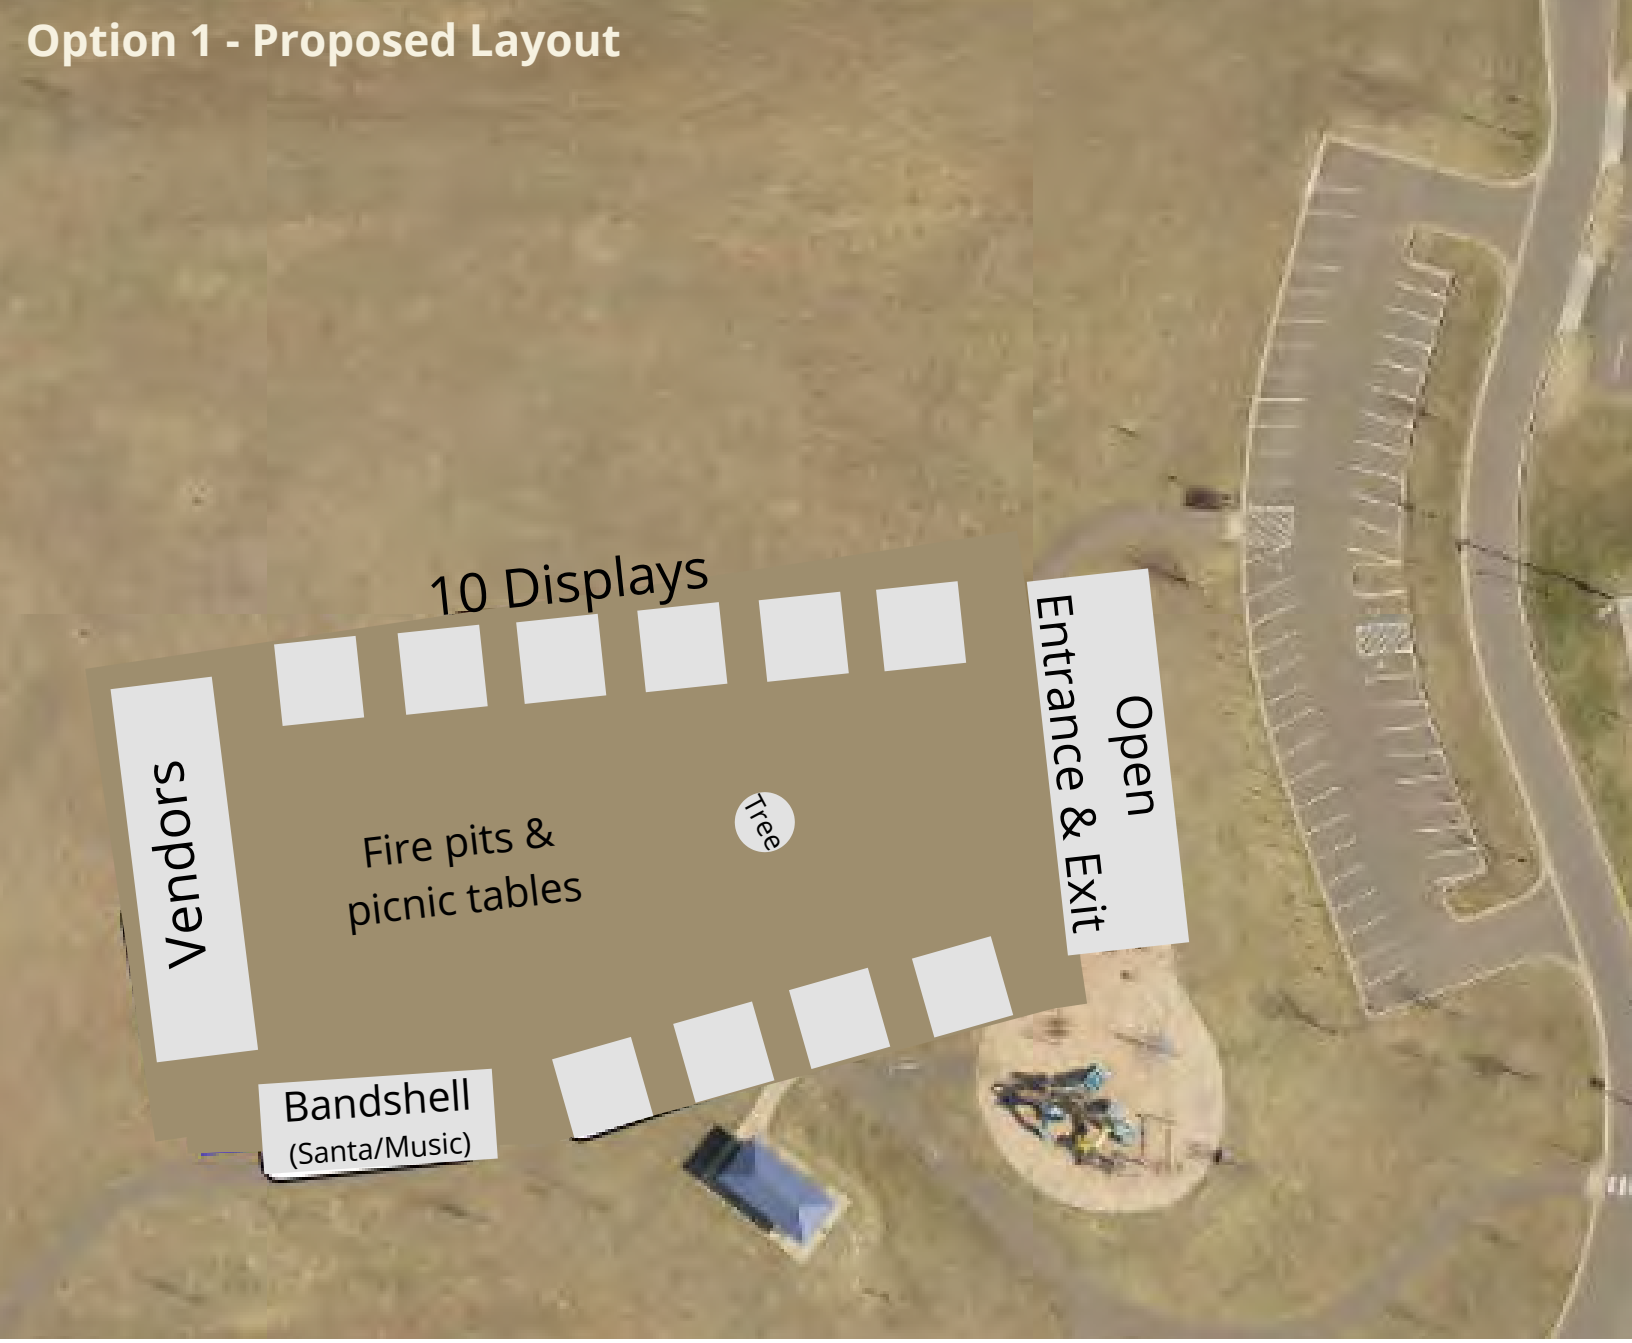
Isanti Lights Event Concepts

Concept #1

Community-focused come-as-you-wish festival open to the public.



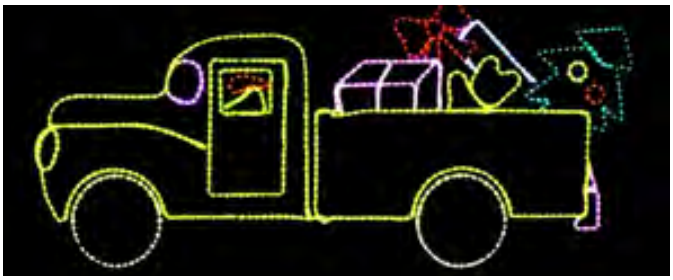
Would include local vendors & partners, a few light displays, and a heavier focus on market-like activities (such as vendors, photos with Santa, ice skating and fire pits).

Proposed Timeframe:
1 Weekend (Fri-Sun)

Price: Free Attendance
Possible paid parking

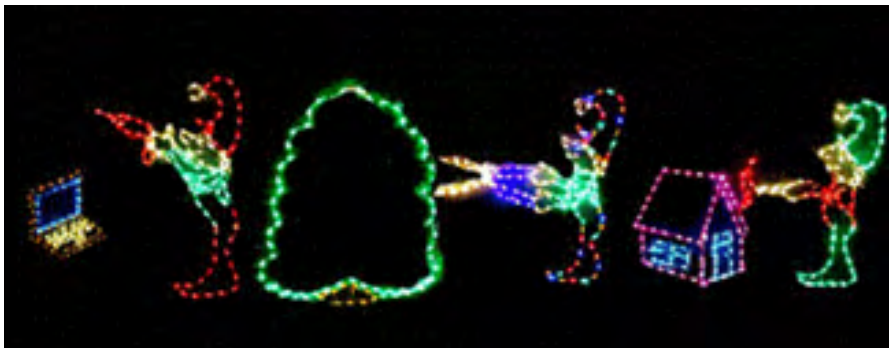
Est. Cost: $38,000
Est. Revenue: $17,000

Option 1 - Proposed Layout

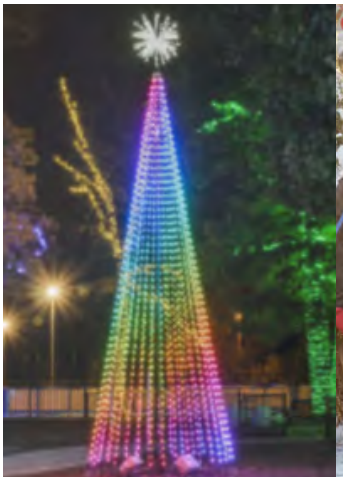


Concept Highlights:
- Non-ticketed event - allow attendees to come and go, return multiple times
- Can include Pleasure Rink/Park features
- Minimal displays needed, 10 plus small centerpiece tree would be appropriate start

Additional Considerations:
- Security would need to be hired to monitor event space after hours
- Opportunity for large sponsors is minimal
- Puts burden on taxpayers

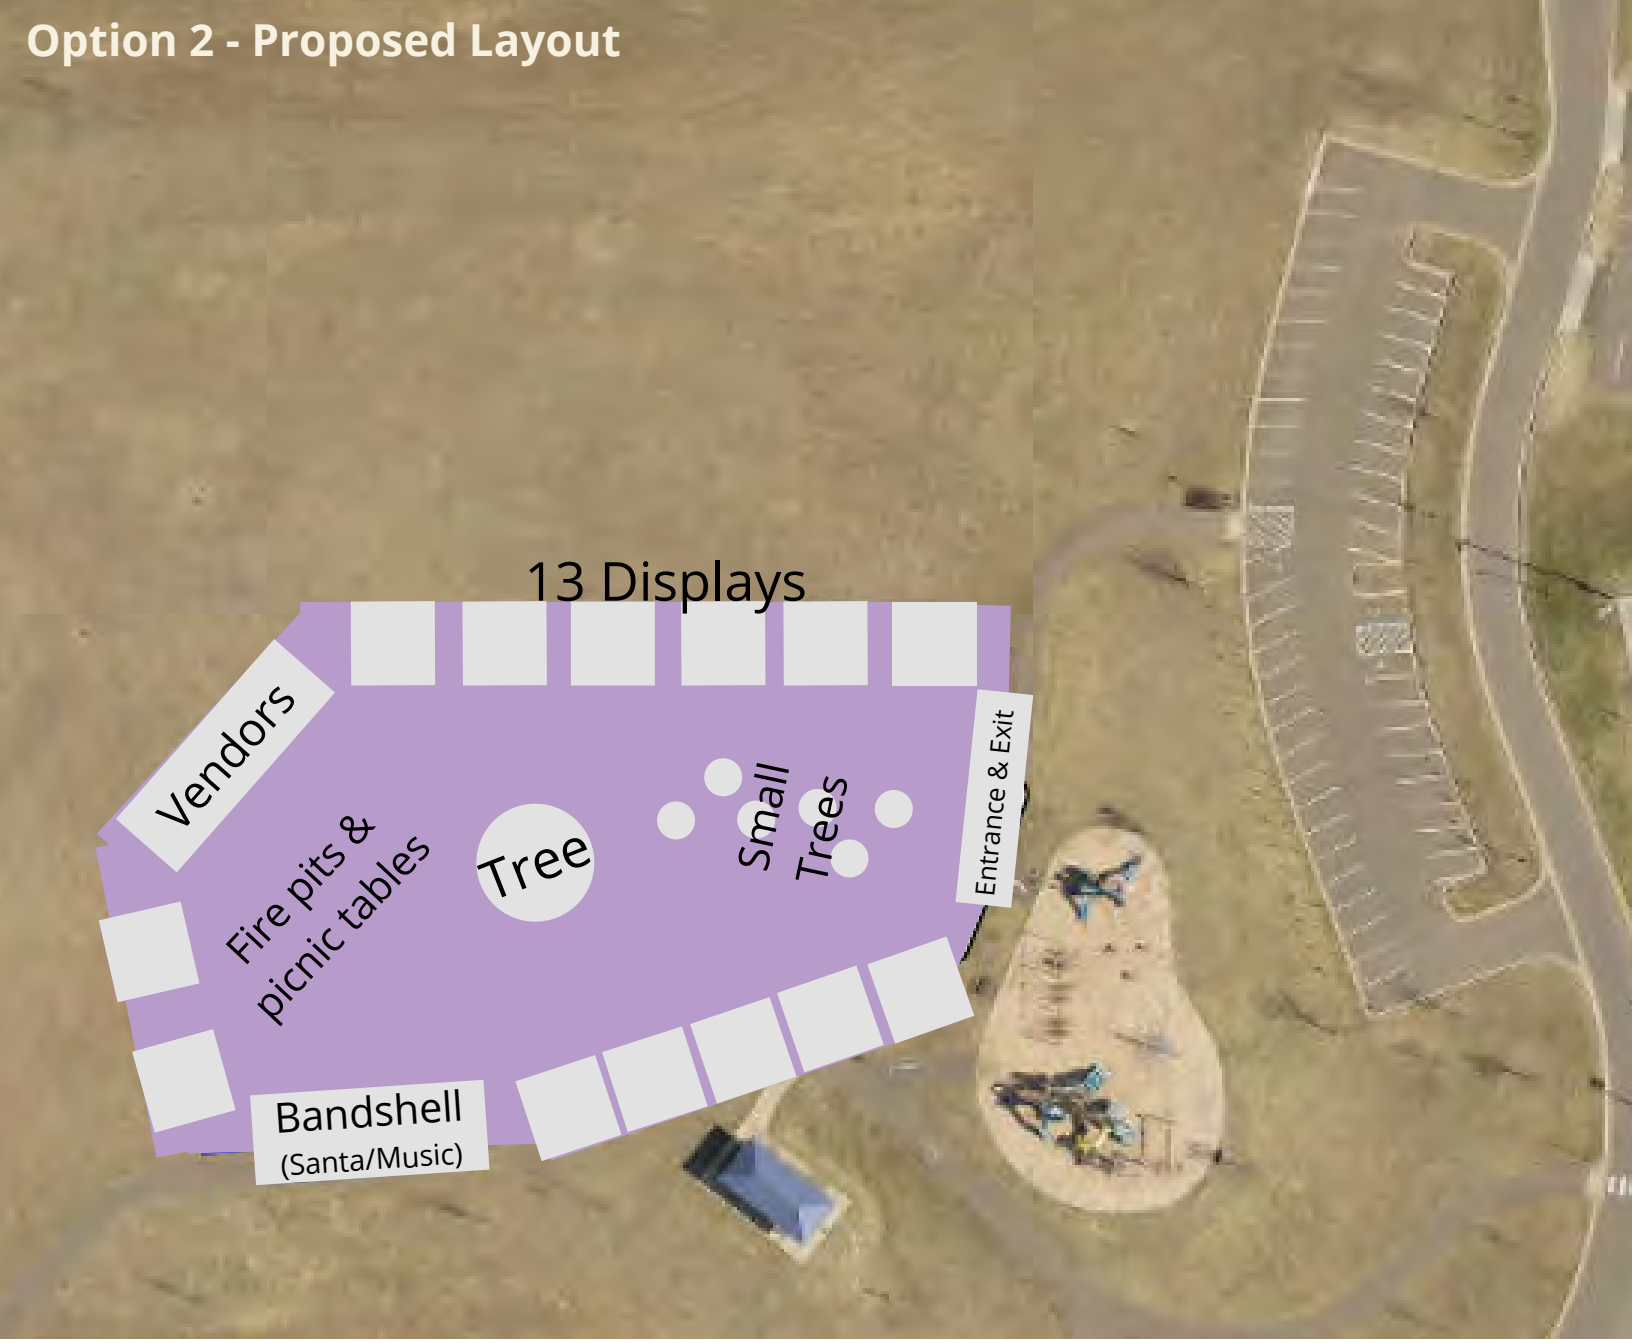


Option 1 - Display Aesthetic



Concept #2

Walk-through ticketed light experience designed to appeal to a broader County-wide audience.



Would include food & product vendors from across the state, local business partners, heavy focus on light displays and interactive activities (such as photos with Santa, photo stations, and fire pits).

Proposed Timeline: 1 Week (Sat-Sat)

Price: Fee to Attend
Paid Parking

Est. Cost: $107,000
Est. Revenue: $84,000

Option 2 - Proposed Layout

Event Highlights:
- Ticketed event
- Displays are 2D (1-sided) structures - Maximum of 13 displays along perimeter (would need to increase each year to fill space or decrease footprint) plus large tree centerpiece
- Vendor opportunities include food and non-food products

Additional Considerations:
- Security would need to be hired for after hours
- Need paid staff or volunteers for ticket taking & customer service
- Fencing or a barrier around perimeter would be needed to prevent free access
- Potential for county-wide audience and corporate sponsor involvement, but won't likely attract major sponsors

Option 2 - Display Aesthetic

Executive Summary

The following is a summary of the recommended terms for the issuance of approximately $1,510,000 General Obligation Tax Abatement Refunding Bonds, Series 2021A (the "Bonds"). Additional information on the proposed finance plan and issuing process can be found after the Executive Summary, in the Issue Overview and Attachment 4 – Related Considerations.

Purpose	Proceeds from the Bonds will be used to current refund the outstanding maturities of the City's General Obligation Tax Abatement Bonds, Series 2014A and to pay costs associated with the issuance of the Bonds.
Security	The Bonds will be a general obligation of the City. The City will pledge abatement levies and property tax levies for payment of the Bonds.
Repayment Term	The Bonds will mature annually each February 1 in the years 2023 through 2030. Interest on the Bonds will be payable on August 1, 2022 and semiannually thereafter on each February 1 and August 1.
Estimated Interest Rate	True interest cost (TIC): 0.99%
Prepayment Option	The City may decide to add a prepayment option such as the Bonds maturing on February 1, 2030 will be subject to redemption on February 1, 2029 and any day thereafter at a price of par plus accrued interest.
Rating	A rating will be requested from Standard & Poor's (S&P). The City's general obligation debt is currently rated "AA-"by S&P.
Tax Status	The Bonds will be qualified tax-exempt, bank qualified obligations.
Risk Factors	There are certain risks associated with all debt. Risk factors related to the Bonds are discussed in Attachment 6.
Type of Bond Sale	Competitive Sale
Proposals Received	Tuesday, November 16, 2021 at 10:00 a.m.
Council Consideration	Tuesday, November 16, 2021 at 7:00 p.m.

Issue Overview

Purpose

Proceeds from the Bonds will be used to current refund the February 1, 2023 through February 1, 2030 maturities of the City's General Obligation Tax Abatement Bonds, Series 2014A (the "Series 2014A Bonds") on February 1, 2022 (the "Call Date") and to pay costs associated with the issuance of the Bonds. The Bonds have been sized based on the proceeds needed to current refund the outstanding maturities of the Series 2014A Bonds. The table below contains the sources and uses of funds for the bond issue.

Sources Of Funds	
Par Amount of Bonds	$1,510,000.00
Additional required Equity contribution	29,510.00
Total Sources	**$1,539,510.00**

Uses Of Funds	
Deposit to Current Refunding Fund	1,475,000.00
Costs of Issuance	43,100.00
Total Underwriter's Discount (1.100%)	16,610.00
Rounding Amount	4,800.00
Total Uses	**$1,539,510.00**

The Series 2014A Bonds are eligible for prepayment on February 1, 2022. The 2023 through 2030 maturities will be called for prepayment on the Call Date. The City will need to wire a portion of the proceeds of the Bonds to Northland Trust Services, Inc., the Paying Agent on the Series 2014A Bonds prior to the Call Date to prepay the outstanding principal for the 2023 through 2030 maturities. The City will also make the regularly scheduled payment due on February 1, 2022 for payment of the 2022 maturity and accrued interest on the Series 2014A Bonds.

Based on current market conditions, we have estimated total combined savings of $99,170 with a present value of $95,410, for the refunding of the Series 2014A Bonds. The projected annual savings are shown in Attachment 1.

Qualified Private Activity Bonds

The BMX racing facility financed by the Series 2014A Bonds is operated by the 501(c)3 non-profit, Rum River BMX Association; therefore, the Bonds are considered "qualified" private activity bonds. A TEFRA hearing was held prior to the issuance of the Series 2014A Bonds and therefore will not be needed for issuance of the Bonds. Costs of issuance to be financed by proceeds of "qualified private activity bonds" are limited to 2% of the par amount of the bonds to be issued. Based on our current estimates, the City will be required to use approximately $29,510 in cash to cover the disallowed issuance costs.

Authority

The Bonds will be issued pursuant to the authority of Minnesota Statutes, Sections 469.1812 through 469.1815 and Chapter 475.

The hearing requirements of Sections 469.1812 through 469.1815 were met prior to the issuance of the Series 2014A Bonds.

State Law states the total abated taxes in any year cannot exceed the greater of (a) 10% of the City's net tax capacity for the taxes payable year to which the abatement applies, or (b) $200,000. Based on the City's 2021 net tax capacity, the City has authority to approve a total maximum annual amount of $494,769. The maximum amount of abated taxes to be approved for the Bonds is expected to be approximately $200,000, which is less than the total amount of abated taxes the

City may approve pursuant to State Law. The City does not currently have any other bonds secured by an abatement levy.

Structure

The Bonds have been structured to result in relatively level annual savings, preserving the original structure of the Refunded Bonds.

The proposed structure for the bond issue and preliminary debt service projections are illustrated in Attachment 2.

Security and Source of Repayment

The Bonds will be a general obligation of the City. The finance plan relies on the following assumptions for the revenues used to pay debt service, as provided by City staff:

- Tax Abatements. The total amount of the City taxes on the parcels to be included within the abatement area are sufficient to pay annual principal over the remaining 8-year term of the Bonds. When levied, tax abatements are spread over the City's entire general tax base (net tax capacity) the same as a general fund levy. Property within an abatement area pays the same amount of taxes as property outside of an abatement area. There is no different impact on individual property tax statements for property within a tax abatement area compared to other property within the City as a whole.
- Property Taxes. The remaining revenues needed to pay debt service on the Bonds are expected to come from property tax levies. The initial projections show an annual tax levy ranging from approximately $19,949 initially, declining to $11,595 in the final year, is needed to produce the statutory requirement of 105% of debt service, after accounting for abatement collections. The levy may be adjusted annually based on actual monies in the debt service fund. The initial tax levy will be made in 2021 for taxes payable in 2022.

Plan Rationale

The Finance Plan recommended in this report is based on a variety of factors and information provided by the City related to the financed project and City objectives, Northland's knowledge of the City and our experience in working with similar cities and projects. The issuance of General Obligation Tax Abatement Refunding Bonds provides the best means of achieving the City's objectives and cost-effective financing. The City has successfully issued and managed this type of debt for previous projects.

Issuing Process

Northland will receive bids to purchase the Bonds on Tuesday, November 16, 2021 at 10:00 A.M. Market conditions and the marketability of the Bonds support issuance through a competitive sale. This process has been chosen as it is intended to produce the lowest combination of interest expense and underwriting expense on the date and time set to receive bids. The calendar of events for the issuing process can be found in Attachment 5.

Attachment 4 – Related Considerations

Bank Qualified

We understand the City (in combination with any subordinate taxing jurisdictions or debt issued in the City's name by 501(c)3 corporations) anticipates issuing $10,000,000 or less in tax-exempt debt during this calendar year. Therefore, the Bonds will be designated as "bank qualified" obligations pursuant to Federal Tax Law.

Arbitrage Compliance

All tax-exempt bond issues are subject to federal rebate requirements which require all arbitrage earned to be rebated to the U.S. Treasury. A rebate exemption the City expects to qualify for is the "small issuer exemption."

Debt Service Fund. The City must maintain a bona fide debt service fund for the Bonds or be subject to yield restriction in the debt service fund. A bona fide debt service fund involves an equal matching of revenues to debt service expense with a balance forward permitted equal to the greater of the investment earnings in the fund during that year or 1/12 of the debt service of that year.

The City should become familiar with the various Arbitrage Compliance requirements for this bond issue. The Resolution for the Bonds prepared by Bond Counsel explains the requirements in greater detail.

Continuing Disclosure

Type: Full
Dissemination Agent: Northland Securities

The requirements for continuing disclosure are governed by SEC Rule 15c2-12. The primary requirements of Rule 15c2-12 actually fall on underwriters. The Rule sets forth due diligence needed prior to the underwriter's purchase of municipal securities. Part of this requirement is obtaining commitment from the issuer to provide continuing disclosure. The document describing the continuing disclosure commitments (the "Undertaking") is contained in the Official Statement that will be prepared to offer the Bonds to investors.

The City has more than $10,000,000 of outstanding debt and is required to undertake "full" continuing disclosure. Full disclosure requires annual posting of the audit and a separate continuing disclosure report, as well as the reporting of certain "material events." Material events set forth in the Rule, including, but not limited to, bond rating changes, call notices, and issuance of "financial obligations" (such as USDA loans, Public Finance Authority loans and lease agreements) must be reported within ten days of occurrence. The report contains annual financial information and operating data that "mirrors" material information presented in the Official Statement. The specific contents of the annual report will be described in the Undertaking that appears in the appendix of the Official Statement. Northland currently serves as dissemination agent for the City, assisting with the annual reporting. The information for the Bonds will be incorporated into our reporting.

Premiums

In the current market environment, it is likely that the proposed pricing will include premiums. A premium price occurs when the underwriter pays the City an amount in excess of the par amount of a maturity in exchange for a higher coupon (interest rate). The use of premiums reflects the underwriter's view on future market conditions, tax considerations for investors and other

factors. Ultimately, the true interest cost calculation ("TIC") will indicate the overall cost to the City, regardless of premium.

A premium price produces additional funds that can be used in several ways:

- The premium means that the City needs less bond proceeds and can reduce the size of the issue by the amount of the premium.
- The premium can be deposited in the Debt Service Fund and used to pay principal and interest.

Northland will work with City staff prior to the day of pricing to determine use of premium (if any).

Rating

A rating will be requested from Standard & Poor's (S&P). The City's general obligation debt is currently rated "AA-" by S&P. The City recently went through the rating process with S&P. It is anticipated that an update will be handled electronically via email correspondence; however, it is possible a short follow-up call will be requested by the rating analyst from S&P. Northland will assist City staff in preparing for and conducting the rating call, as needed.

Attachment 6 - Risk Factors

Property Taxes: Property tax levies shown in this Finance Plan are based on projected debt service and other revenues. Final levies will be set based on the results of sale. Levies should be reviewed annually and adjusted as needed. The debt service levy must be included in the preliminary levy for annual Truth in Taxation hearings. Future Legislative changes in the property tax system, including the imposition of levy limits and changes in calculation of property values, would affect plans for payment of debt service. Delinquent payment of property taxes would reduce revenues available to pay debt service.

Tax Abatement: The tax abatement levy needs to be calculated annually in accordance with the abatement resolution. The abatement levy must be included in the preliminary levy used for annual Truth in Taxation hearings. A tax abatement levy was authorized as a special levy (not subject to levy limits) under the most recent legislation. Levy limits are not currently enacted. The status of a tax abatement levy under future levy limitations (if any) cannot be predicted.

General: In addition to the risks described above, there are certain general risks associated with the issuance of bonds. These risks include, but are not limited to:

- Failure to comply with covenants in bond resolution.
- Failure to comply with Undertaking for continuing disclosure.
- Failure to comply with IRS regulations, including regulations related to use of the proceeds and arbitrage/rebate. The IRS regulations govern the ability of the City to issue its bonds as tax-exempt securities and failure to comply with the IRS regulations may lead to loss of tax-exemption.

MUNICIPAL ADVISORY SERVICE AGREEMENT
BY AND BETWEEN
THE CITY OF ISANTI, MINNESOTA
AND
NORTHLAND SECURITIES, INC.

This Agreement made and entered into by and between the City of Isanti, Minnesota (hereinafter "City") and Northland Securities, Inc., of Minneapolis, Minnesota (hereinafter "NSI").

WITNESSETH

WHEREAS, the City desires to have NSI provide it with advice on the structure, terms, timing and other matters related to the issuance of the General Obligation Tax Abatement Refunding Bonds, Series 2021A (the "Debt") serving in the role of municipal (financial) advisor, and

WHEREAS, NSI is a registered municipal advisor with both the Securities and Exchange Commission ("SEC") and the Municipal Securities Rulemaking Board ("MSRB") (registration # 866-00082-00), and

WHEREAS, NSI will act as municipal advisor in accordance with the duties and responsibilities of Rule G-42 of the MSRB, and

WHEREAS, the MSRB provides a municipal advisory client brochure on its website (www.msrb.org) that describes the protections that may be provided by the MSRB rules, including professional competency, fair dealing, duty of loyalty, remedies for disputes and how to file a complaint with an appropriate regulatory authority, and

WHEREAS, the City and NSI are entering into this Agreement to define the municipal advisory relationship at the earliest opportunity related to the inception of the municipal advisory relationship for the Debt, and

WHEREAS, NSI desires to furnish services to the City as hereinafter described,

NOW, THEREFORE, it is agreed by and between the parties as follows:

SERVICES TO BE PROVIDED BY NSI

NSI shall provide the City with services necessary to analyze, structure, offer for sale and close the Debt. The services will be tailored to meet the needs of this engagement and may include:

Planning and Development

1. Assist City officials to define the scope and the objectives for the Debt.
2. Investigate and consider reasonably feasible financing alternatives.
3. Assist the City in understanding the material risks, potential benefits, structure and other characteristics of the recommended plan for the Debt, including issue structure, estimated debt service payments, projected revenues, method of issuance, bond rating, sale timing, and call provisions.

4. Prepare a schedule of events related to the issuance process.
5. Coordinate with bond counsel any actions needed to authorize the issuance of the Debt.
6. Attend meetings of the City Council and other project and bond issue related meetings as needed and as requested.

Bond Sale

1. Assist the City with the preparation, review and approval of the preliminary official statement (POS).
2. Assist the City and bond counsel with preparing and publishing the Official Notice of Sale if required by law.
3. Prepare and submit application for bond rating(s) and assist the City with furnishing the rating agency(s) with any additional information required to conduct the rating review. Assist the City with preparing and conducting the rating call or other presentation.
4. Assist the City in receiving the bids, compute the accuracy of the bids received, and recommend to the City the most favorable bid for award.
5. Coordinate with bond counsel the preparation of required contracts and resolutions.

Post-Sale Support

1. Assist the City with the preparation of final official statement, distribution to the underwriter and posting on EMMA.
2. Coordinate the bond issue closing, including making all arrangements for bond printing, registration, and delivery.
3. Furnish to the City a complete transcript of the transaction, if not provided by bond counsel.

There are no specific limitations on the scope of this agreement.

COMPENSATION

For providing these services with respect to the Debt, NSI shall be paid a lump sum of $17,850. The fee due to NSI shall be payable by the City upon the closing of the Bonds.

NSI agrees to pay the following expenses from its fee:

- Out-of-pocket expenses such as travel, long distance phone, and copy costs.
- Production and distribution of material to rating agencies and/or bond insurance companies.
- Preparation of the bond transcript.

The City agrees to pay for all other expenses related to the processing of the bond issue(s) including, but not limited to, the following:

- Engineering and/or architectural fees.
- Publication of legal notices.
- Bond counsel and local attorney fees.
- Fees for various debt certificates.
- The cost of printing Official Statements, if any.
- City staff expenses.
- Airfare and lodging expenses of one NSI official and City officials when and if traveling for rating agency presentations.
- Rating agency fees, if any.
- Bond insurance fees, if any.
- Accounting and other related fees.

It is expressly understood that there is no obligation on the part of the City under the terms of this Agreement to issue the Debt. If the Debt is not issued, NSI agrees to pay its own expenses and receive no fee for any municipal advisory services it has rendered pursuant to this Agreement.

CONFLICTS OF INTEREST

NSI is not aware of any material conflicts of interest that could reasonably be anticipated to impair NSI's ability to provide advice to or on behalf of the City in accordance with the standards of conduct for municipal advisors.

The compensation for services provided in this Agreement is customary in the municipal securities market, but may pose a conflict of interest. Since the fee is payable at closing and only if the Debt is issued, NSI may have an incentive to encourage issuance. Compensation linked to the size of the transaction may provide incentive to increase the amount of the Debt. Compensation considerations will not impair NSI's ability to provide unbiased and competent advice or to fulfill its fiduciary duty to the City. In executing this Agreement, the City acknowledges and accepts the potential conflicts of interest posed by the compensation to NSI.

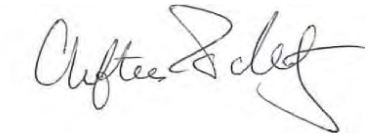
Northland Capital Holdings is the parent company of NSI. Another subsidiary of Northland Capital Holdings is Northland Trust, Inc. Northland Trust provides paying agent services to issuers of municipal bonds. The City is solely responsible for the decision on the source of paying agent services. Any engagement of Northland Trust is outside the scope of this Agreement. No compensation paid to Northland Trust is shared with NSI.

NSI does not provide executive search, organizational development, compensation systems or other management consulting services that may directly or indirectly affect City staff that recommend the engagement of municipal advisor services and may pose a conflict of interest.

LEGAL AND DISCIPLINARY ACTIONS

There are no legal or disciplinary events reported by the Securities and Exchange Commission contained in Form MA or Form MA-I. The City can find information about these forms and accessing information related to NSI at www.sec.gov/municipal/oms-edgar-links.

SUCCESSORS OR ASSIGNS



The terms and provisions of this Agreement are binding upon and inure to the benefit of the City and NSI and their successors or assigns.

TERM OF THIS AGREEMENT

This Agreement may be terminated by thirty (30) days written notice by either the City or NSI and it shall terminate sixty (60) days following the closing date related to the issuance of the Debt.

Dated this 5th day of October, 2021.

RESOLUTION 2021-XXX

UPDATING TRUNK OVERSIZING POLICY

WHEREAS, the City of Isanti finds it is in the best interest for the residents of the city to ensure infrastructure meets the needs for current and future growth of the city; and

WHEREAS, in 2006**,** the city adopted a policy for trunk sewer and water oversizing to enable a developer to recover excess costs incurred to install municipal utilities sized to serve properties not under the control of the developer; and,

WHEREAS, at the September 21, 2021 Committee of the Whole meeting the Committee reviewed the current policy and directed staff to update the policy;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota that the Policy on Oversizing is hereby approved and shall be attached as a part of this resolution.

This resolution is hereby approved by Isanti City Council this 5th day of October 2021.

Attest: _____
Mayor Jeff Johnson

_____
Jaden Strand
City Clerk

Intent:
The purpose of the trunk sewer and water oversizing policy is to enable a developer to recover excess costs incurred to install municipal utilities sized to serve properties not under the control of the developer. The "oversized" portion is the difference between the line size and depth required to serve the developer's property and the line size and depth required by the city to meet future growth demands.

This “oversizing” may also include the costs associated with any utility extensions required by the city that meet the following criteria:

1. The extension falls outside an existing, proposed, or future roadway.
2. The extension falls outside existing or proposed Right-of-Way.
3. The extension has no direct benefit to the developer and would not be needed as part of the project if not for the request of the city.

Utility Sizing:
The actual size of municipal utilities required shall be initially established by the Developer's Engineer in coordination with the City Engineer and follow City standard size and depth of each utility, at a minimum. Final design requirements shall be determined by the City Engineer. Criteria to be used for this determination shall include, but not be limited to the following:

1. Utility Master Plan.
2. Potential future demand on the water, wastewater, or stormwater system as related to the proposed development.
3. Hydraulic design criteria of the water, wastewater, or stormwater system.

City Participation in Oversizing Project:
The City of Isanti may require a developer to install oversized water or wastewater utilities.

1. If an oversizing is required, and the costs meet the definition of eligible project costs as given below, the City may participate in the project costs if the oversizing is required to provide service to the City's existing customers or future service areas.

2. If a Developer is not able or willing to oversize utilities per the City's established policy, the development will be deemed premature per the City's Subdivision Ordinance due to lack of adequate utilities.

Developer Reimbursement:
When the City requires a developer to oversize utilities, the city will pay the difference in costs associated with the oversizing as determined herein.

1. The Development Agreement shall include an estimate of the oversized project costs, prepared by a Professional Engineer and agreed to by the City Engineer.
2. The estimate shall be in the form of the bid tabulation to be used for competitive bidding purposes. The City Engineer’s Estimate shall be used if there is any discrepancy between

the submitted amount and the City Engineer's estimate. The cost estimate shall be attached to the agreement and shall be the maximum amount the City will participate in the project cost.

The final city cost participation shall be based on the lowest of the following costs as approved by the City Engineer:

1. The actual installation costs incurred,
2. The bid received for the oversizing costs,
3. The amount stated in the development agreement,

The developer's engineer shall submit to the City a summary of the final eligible project costs and a bid tabulation for all responding bidders to be reviewed and approved by the City Engineer. Unbalanced bids, as determined by the City Engineer, will not be used to determine oversizing costs. The City Engineer's oversizing cost estimate shall be used if the project was not publicly, competitively bid following State bidding requirements for Cities.

RESOLUTION 2021-XXX

APPROVING DONATION BOX AT LIQUOR STORE

WHEREAS, on June 2nd, 2009 City Council approved a donation box policy; and,

WHEREAS, Isanti Liquor is requesting use of a donation box at the liquor store in support of the "MMBA Food Supply Drive"; and,

WHEREAS, proceeds from the "MMBA Food Drive" will benefit Family Pathways Food Shelf;

NOW, THEREFORE, BE IT RESOLVED that the City Council of the City of Isanti, Minnesota hereby approves placement of a donation box for the "MMBA Food Supply Drive" at the Isanti Liquor Store from October 1st, 2021 through October 31st, 2021.

14th Annual MMBA Food Drive Promotes Community Value

In an effort to help members Promote the Community Value of their Municipal Liquor Operation, MMBA, in a new partnership with Miller Lite is coordinating the *Fourteenth Annual Municipal Liquor Food Drive* **benefiting your local food shelf.**

As in previous years, there will be two competition brackets, based on 2019 annual sales:

$1,000,000 and Above & Below $1,000,000

The individual facility (not city) in each category with the highest weight donated will earn a $1,000 donation to their local food shelf from Miller Lite and MMBA.

In addition:

Through a random drawing, ten $100 donations will be made to food shelves of participating facilities, other than the category winners. So, everyone has a chance to win!

Here are additional details:

- The food drive will run from October 1 – October 31, 2020.
- Each participating MMBA member will collect dry food, can goods & cash for donation to your local food shelf of choice. **Anything your food shelf will accept is eligible to be counted, including, but not limited to, field produce and canned / bottled water.**

NOTE:

Each $1 in cash donations will be counted as 3 pounds of food.

- At the end of the event (November 1), please take the collected food and cash to the food shelf to be weighed. (Contact the MMBA office if you need assistance locating your local food shelf.)

  A week or so after the conclusion of the event, send the MMBA office the information at: kaspszak@outlook.com.

- Coordinate signs with your Miller Lite Distributor.

- Here are some successful ideas to promote the event:

  - ✓ Facility product discount for those donating food
  - ✓ Stapling a flyer to carry-out bags
  - ✓ Displaying the food in the front of the store to catch customer eyes
  - ✓ Reference or total focus in advertising mediums
  - ✓ Miller wholesaler could build a platform of Miller Lite cases for the food to display on, or a wall of cases around an area where donations will be placed.
  - ✓ Local newspaper story
  - ✓ Collect contributions by participating in other community events

RESOLUTION 2021-XXX

OBJECTING TO ANY FUTURE MASK MANDATE

WHEREAS, on July 20, 2020, in response to the COVID-19 pandemic, Governor Tim Walz signed Emergency Executive Order 20-81, mandating the use of face coverings or masks at all indoor businesses and indoor public settings; and,

WHEREAS, While the latest executive order requiring masks expired on May 14, 2021, it is possible that the governor or any other governmental authority will attempt to impose another mask mandate in the future; and,

WHEREAS, The City Council supports individual freedoms and does not agree with government mandates forcing an individual to wear a face covering or mask.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, as follows:

The Isanti City Council does not support mask mandates or any other mandate that will infringe on the rights of the residents of Isanti, especially as such mandates are related to COVID-19.

This Resolution is hereby approved by the Isanti City Council this 5th day of October 2021.

CITY OF ISANTI
PARKS, RECREATION, AND CULTURE BOARD MEETING MINUTES
September 28,2021

Call to Order: Aaron Zdon called the meeting to order at 6:00 p.m.

Roll Call: Members Present: Aaron Zdon, Zachary Gahm, Dan HinnenKamp, Tressa Hunting, and Mayor Jeff Johnson
Staff Present: Matt Sylvester, Public Services Director

Agenda/Modifications: None

3. Meeting Minutes: Motion by Johnson; second by Gahm to approve meeting Minutes from August 24, 2021. Motion passed 5-0.

4. Department Updates: Sylvester shared updates on September events. Curious Creatures was cancelled in September and will likely be cancelled in October due to low attendance. Events are likely conflicting with the preschool schedules.
Final Street Dance was well-attended and included a tribute for the 20th anniversary of 9/11. There were some unfavorable events that took place during, from garbage to youth fights and graffiti that will be addressed in the future. The Mayor noted that many people stayed until the very end of the event. A conversation about moving the event to the park will need to be had in the future to determine if it will deter some of the poor behavior and if it's the right move for the event. Sylvester shared some insight into some of the vandalism occurring throughout the City, including at the BMX bathrooms at Bluebird Park. Hunting shared a desire to create a more inclusive environment at these events and include some songs that may recognize our Native American and non-American residents. An item to discuss inclusivity and equity at future events will be added to the October Board agenda.
The Farmers Market continued to be slow in September with a number of vendors pulling out or not showing. Ms. Olson is looking into options and new guidelines for vendors if the event location moves to the new liquor store site. Gahm mentioned moving the date to a Sunday instead of a Friday and/or changing the timing. Sylvester mentioned competing markets and noted that vendors at our market also attend nearby markets on other days. HinnenKamp noted Coborn's may have objections to moving the market next to their store.
The holiday lights event will be moving to Council for a vote on an option to move forward. The location will be at Bluebird Park at the bandshell. The Mayor suggested the conversation may be geared around whether or not to ticket the event and how much cost the City is willing to take on.
Bandshell construction is ongoing and should be completed in October. Isanti Lions Club are looking to submit a name for the feature along with a monetary contribution. Zdon asked if October 23 is a reasonable date for a grand opening celebration to which Sylvester noted we are hopeful the unit will be completed by then.
December Movie Night was moved due to a scheduling conflict and will now be combined with the Santa event. Gahm mentioned making sure that the schools get flyers with dates for the Movie Nights. HinnenKamp suggested next year it may be a good kickoff event for the holiday lights event.
Sylvester addressed the closing of the BMX restrooms due to vandalism. Ms. Olson is looking into security options to deter future vandalism. Zdon asked if the bathrooms were available still from the inside for the BMX use and Sylvester confirmed they are still open on that end. Although one of the vandals was caught, there have been 4-6 different incidents this year. Incidents are also occurring throughout Bluebird Park so any potential cameras or security measures would need to capture the broad area.
Sylvester also discussed Family Day at Legacy Park. Roughly 40 people attended throughout the day – and increase from previous years - and families were able to make s'mores, crafts and take photos. The event unexpectedly conflicted with the Vikings home opener, which will be taken into consideration for next year.
The grand opening celebration will tentatively take place on October 23 with food trucks, local school performers and entertainment. The Board noted that the date is over MEA weekend, which may impact schedules, but pushing back to Halloween weekend or into November are also not preferable.
HinnenKamp shared additional research on the Eagle Park railroad viewing options. HinnenKamp is interested in reaching out to BNSF and seeing if they would offer any community support for a project like this, as well as the Isanti Historical Society and Isanti County. Zdon suggested HinnenKamp continue to

gather some research and submit to Ms. Olson a week prior to the October meeting to add to the next agenda. Zdon suggested adding a mural on the side of the buildings bordering the tracks.

Adjournment: Motion by HinnenKamp, second by Johnson to adjourn the September 28, 2021 meeting of the Parks, Recreation, and Culture Board. Motion passed 5-0, meeting adjourned at 6:46 p.m.

Respectfully Submitted

Community Development Director Sheila Sellman discussed the Comprehensive Dand U Plan Amendment that was discussed at sept 21, 2021 Planning Commission Meeting to change the parcels from General Commercial to Low Density Single Family Residential. Applicant estimates 38 lots. No comments from surrounding cities came in after requesting feedback. A majority vote is required. Mayor Johnson offered discussion on the topic; no discussion took place.

Motion by Lundeen, seconded by Collison to approve. Motion passed 5-0. Motion carried.

3. Purchase Agreement and Development and Subsidy with Rockstad and Co. Relics and Wares to Purchase 102 Dahlin Ave NE, PID 16.047.0120

Community Development Director Sheila Sellman discussed Rockstad and Co Relics and Wares looking to relocate their business. She talked to them about staying in Isanti. They would like to purchase a property for one dollar. The City has about $25,950 in demolition cost into the building. It was donated to the City in 2016. They will have room for additional renters in the new building. Councilmember Lundeen mentioned they are currently renting so now they will be paying tax by owning the property.

Motion by Lundeen, seconded by Gordon to approve. Motion passed 5-0. Motion carried.

4. Purchase Agreement with Nick and Drew Enterprises, LLC for the Sale of 400 West Dual Blvd NE, PID 16.053.0070

Community Development Director Sheila Sellman was directed at the September 7, 2021 City Council meeting to list the current liquor store (400 West Dual Blvd) for sale. On September 14, 2021 and offer came in for Nick and Drews Discount Food grocery store. The offer of $400,000 for the building and land which was the listed appraisal price. Sellman mentioned the purchase agreement was before the City Council, she further stated how the building was a good fit for the grocery store. Any items kept inside the building will be a separate

agreement. Right now, the anticipated closing date will be December 17, 2021. Mayor Johnson asked if the purchase agreement was contingent on the purchase of a building for the Isanti Police Department. Sellman stated yes that was a part of the purchase agreement. Councilmember Bergley clarified about items from inside the building would be a separate agreement, Sellman confirmed and said the Liquor store manager and the potential buyers would have a list and do a walk through to go over items.

Motion by Lundeen, seconded by Bergley and Collision to approve. Motion passed 5-0. Motion carried.

Parks, Recreation and Events Coordinator Alyssa Olson

5. 2022 Street Dance Location Discussion

Park, Recreation and Events Coordinator Alyssa Olson discussed moving the Street Dances to the Blue Bird Park where the new Amphitheater is built. Isanti Electric needs to know if the Dances will be moving so they can install electricity for events and having enough power in 2022. Councilmember Lundeen asked if the Dances do not move if we would need the electricity anyways. Collision and Lundeen feel the power needs to be put in no matter what. They asked to discuss the Street Dance location at the next Committee of the Whole meeting in October. Chief Muyres gave his public safety opinion on having Street Dances in a more "open area." Lundeen asked about selling alcohol in our parks. Olson discussed amending our policy on liquor having a "single point entrance." Councilmember Lundeen suggested "corralling" off an area to make one entrance for a beer garden. Collison asked about how much power is needed for the bands, Olson stated she has asked that information and Isanti Electric will get that information when installing adequate electricity. Decision was to bring the Street Dance discussion to Committee of the Whole and move forward with installing enough electricity in Blue Bird Park for bands.

6. **Resolution 2021-208** Approving a Special Event Permit Application for the Amphitheater Grand Opening Celebration

Park, Recreation and Events Coordinator Alyssa Olsen discussed the Grand Opening Celebration at the new amphitheater tentatively on Saturday October 23, 2021 from 1:00-3:00 pm depending on construction competition.

Motion by Lunden, seconded by Collison to approve the special event permit application. Motion passed 5-0. Motion carried.

7. **Resolution 2021-207** Approving Isanti Light Display Event

Park, Recreation and Events Coordinator Alyssa Olson continued the discussion the Isanti Light Display Event by brining two options (concepts) to the Council for approval.

Option One: Free public event, market style with vendor booths, ice skating and photos with Santa and limited light display, Friday-Saturday in December. Estimated net cost first year $21,000, year two net cost $3,000.

Option Two: Ticketed walk-through event experience that focuses on one-sided light displays, market style activities including vendor booths and photo opportunities. More similar to Bentleyville. Saturday- Saturday (one week duration) in December. Estimated net cost first year $23,000, year two potential profit of $26,000.

The councilmembers discussed opinions and potential success of the event in Isanti compared to other holiday light shows in other cities. Finance Director Mike Betker mentioned Option One would come out of the General Fund and Option Two would come out of a separate revenue fund.

Motion by Lundeen, seconded by Collison and Johnson to move forward with Option Two. Motion passed 3-2 with Gordan and Berley voting nay. Motion carried.

Finance Director Mike Betker

8. 2014A Bond Refunding *(Jessica Green)*

Jessica Green presented a summary of the recommended terms for the issuance of approximately $1,510,000 General Obligation Tax Abatement Refunding Bonds, Series 2021A. Estimated interest rate of 0.99%. Bonds will mature annually 2023-2030 each February 1, payable August 1. Councilmember Bergley asked where the $99,000 will be realized. Mike Betker stated we have a separate debt service fund, 932, the saving will be realized by the projected levies to get smaller and debt service payments would get smaller.

Consensus was to move forward by the council. No motion needed.

     Members Absent: None
     Staff present: Community Development Director Sheila Sellman, Community Development Specialist Ryan Saltis, City Engineer Jason Cook
   - D. Agenda Modifications: None
   - E. Adopt the Agenda
     Motion to adopt the agenda by Lundeen, second by Collison motion passes 7-0.

2. **Meeting Minutes**
   - A. Approval of Minutes from the July 20, 2021 Planning Commission Meeting motion by Lundeen, second by Collison motion passes 7-0.

3. **Public Hearing**

   A. Request by Thunder Brothers Brewery for approval of a Conditional Use Permit under City Ordinance 445, Section 21, Article 2, said request is for a Microbrewery in the General Business District, Highway 65 Overlay located at 801 Highway 65 NE. Saltis explained the Conditional Use Permit request to allow for a Microbrewery in the B-2 General Business zoning district. Thunder Brothers is planning to move all of their brewing operations into a leased-out space in the building located at 801 Highway 65 NE owned by the CBD Joint. The change of use for the building will require the applicants to apply for any building permits related to the new use, subject to review by City Staff. Representatives from Thunder Brothers Brewery were present at the meeting and available for questions. The Planning Commission asked why they are planning to move locations for the brewery. The representatives of Thunder Brothers said that they will move into the new space to gain more square footage and provide visibility from Highway 65. There was no one else from the public present at the public hearing to speak on the topic. Motion for approval of the Microbrewery with conditions by Lundeen, second by Gordon, motion passed 7-0.

   B. Request by BA Development, LLC for approval of Site Plans under City Ordinance 445 Section 18, said request is for a Dental Clinic and Commercial Tenant building located at 401 Cherrywood St NE. Saltis presented the Site Plans for a proposed dental clinic and commercial tenant building located on a vacant parcel at 401

Cherrywood St NE. The plans included a drive thru lane for the commercial tenant side of the building in which the applicants would have to apply for a Conditional Use Permit in the General Business District. Conditions for approval listed in the Staff Report included identifying on the site plans where there will be lighting, the configuration of the outdoor patio area, a new trash enclosure location, a widened drive aisle on the west of the building, and City Engineer's comments. A representative from Isanti Dental was present for the meeting and available for questioning. The Planning Commission asked if the conditions for approval were reasonable and could be met. The representative said that she is able to meet all of the conditions for approval. There was no one else from the public present at the public hearing to speak on this item. Motion to approve the site plans with conditions listed in the staff report and City Engineer's Memo dated 7-29-2021 by Lundeen, 2nd by Collison, motion passes 7-0.

C. Request by City of Isanti for Preliminary and Final Plat under City Ordinance 536, to create two lots located at 10 6th Ave SE. Sellman presented the proposed subdivision of the liquor store site into two parcels. The current site is five acres in size and is looking to be split with Lot 1 consisting of 3.96 acres and Lot 2 consisting of .67 acres. Lot 1 is the liquor store site; Lot 2 would be a buildable lot for a future business which may need a shared parking agreement with the liquor store. The planning commission asked the potential size of a building on lot 2 in which Jason Cook responded by saying that there would be room for a building roughly 1,500 to 2,000 square feet, depending on what is configured around the ponding. There was no one from the public present at the public hearing to speak on this item. Motion to approve the Preliminary and Final Plat to create two lots by Collision, 2nd by Collins, motion passes 7-0.

5. **Other Business:** None
6. **Discussion Items:** None
7. **Adjournment:** Motion by Bergley, 2nd by Collison to adjourn, motion passed 7-0 meeting adjourned at 8:45 p.m.

MEMORANDUM

Date: October 12, 2021

To: Honorable Mayor Johnson and Members of the City Council

From: Jason W Cook, P.E.
City Engineer

Subject: Main Street Reconstruction Project
Declare Costs to be Assessed and Call for Hearing on Proposed Assessment
City of Isanti, MN
Project No.: 0R1.123865

The Main Street Reconstruction project has been publicly bid, awarded to the responsible low bidder, and has now been constructed to city standards.

The next step in the MS 429 assessment process is to declare the final costs to be assessed, order preparation of the proposed assessment and hold a public hearing on the assessment.

The final assessments are approximately 18.5% lower than discussed at the improvement hearing with the average assessment being reduced approximately $1,000.

The assessments would be payable through annual installments over a 10-year period at a 2.00% interest rate. This interest rate may be reduced if, at the time of the hearing, a lower rate is obtained.

The public hearing on the proposed assessment will be scheduled for November 16, 2021 at 7:00 pm during the regular City Council Meeting.

As required by the Minnesota State Statute Chapter 429 process, we are requesting that City Council approve the two attached resolutions to proceed with the assessment process.

We will submit a notice of the assessment hearing to the local paper to be published no less than 14 days prior to the hearing. We will also submit individual assessment letters to each property owner no less than 14 days prior to the hearing as well.

I will be at the October 19, 2021 Council meeting if you have any questions.

Bolton & Menk is an equal opportunity employer.

RESOLUTION 2021-XXX

DECLARING COST TO BE ASSESSED, AND ORDERING PREPARATION OF PROPOSED ASSESSMENT ON THE MAIN STREET RECONSTRUCTION PROJECT

WHEREAS, a contract has been let for the improvement of Main Street W from Whiskey Road to 4th Avenue NW and the contract price incurred for such improvement is $409,959.96, and the expenses incurred or to be incurred in the making of such improvement amount to $140,347.00 so that the total cost of the improvement will be $550,306.96.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota as follows:

1. The portion of the cost of such improvement to be paid by the city is hereby declared to be $416,634.47 and the portion of the cost to be assessed against benefited property owners is declared to be $133,672.49.

2. Assessments shall be payable in equal annual installments extending over a period of 10 years, the first of the installments to be payable on or before the first Monday in January 2022, and shall bear interest at the rate of 2.00% percent per annum from the date of the adoption of the assessment resolution.

3. The city administrator, with the assistance of the city engineer, shall forthwith calculate the proper amount to be specially assessed for such improvement against every assessable lot, piece or parcel of land within the district affected, without regard to cash valuation, as provided by law, and they shall file a copy of such proposed assessment in their office for public inspection.

4. The administrator shall upon the completion of such proposed assessment, notify the council thereof.

This resolution was duly adopted by the Isanti City Council this 19th day of October 2021.

RESOLUTION 2021-XXX

FOR HEARING ON PROPOSED ASSESSMENT
ON THE MAIN STREET RECONSTRUCTION PROJECT

WHEREAS, pursuant to Resolution 2021-XXX of the City Council adopted October 19, 2021, the City Engineer was directed to prepare a proposed assessment of the cost of the improvement of Main Street W from Whiskey Road to 4th Avenue NW. The improvement consisted of street reclamation & bituminous pavement, sidewalk reconstruction, and the replacement of curb & gutter, and

WHEREAS, the City Administrator has notified the council that such proposed assessment has been completed and filed in her office for public inspection.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota as follows:

1. A hearing shall be held at 7:00 p.m. on November 16, 2021, in the city hall located at 110 1st Avenue NW to pass upon such proposed assessment. All persons owning property affected by such improvement will be given an opportunity to be heard with reference to such assessment.

2. The city engineer is hereby directed to cause a notice of the hearing on the proposed assessment to be published once in the official newspaper at least two weeks prior to the hearing, and he shall state in the notice the total cost of the improvement. He shall also cause mailed notice to be given to the owner of each parcel described in the assessment roll not less than two weeks prior to the hearing.

3. The owner of any property so assessed may, at any time prior to certification of the assessment to the county auditor, pay the whole of the assessment on such property, with interest accrued to the date of payment, to the City Administrator, except that no interest shall be charged if the entire assessment is paid within 30 days from the adoption of the assessment. An owner may at any time thereafter, pay to the City Administrator the entire amount of the assessment remaining unpaid, with interest accrued to December 31 of the year in which such payment is made. Such payment must be made before November 15 or interest will be charged through December 31 of the succeeding year.

This resolution was duly adopted by the Isanti City Council this 19th day of October 2021.

AGREEMENT FOR CONSULTING SERVICES

This Agreement for Consulting Services ("Agreement") is entered into and dated October 6, 2021 by and between USI Consulting Group, Inc. (USICG - earlier as **Hildi Inc.**) USICG with offices located at 8000 Norman Center Drive, Suite 400, Bloomington, MN 55437 with headquarters at 95 Glastonbury Blvd., Suite 102, Glastonbury, CT 06033 (hereinafter referred to as the "Consultant") and City of Isanti with offices located at 110 1st Avenue NW, Isanti, MN 55040 (hereinafter referred to as the "Company"). Company and Consultant are jointly referred to as the "parties."

IN CONSIDERATION OF THE MUTUAL PROMISES CONTAINED HEREIN, AND FOR OTHER GOOD AND VALUABLE CONSIDERATION, THE SUFFICIENCY OF WHICH IS HEREBY ACCEPTED, THE PARTIES MUTUALLY AGREE AS FOLLOWS:

1. Description of Services. Consultant will perform certain services for Company upon terms and conditions specified herein and as such services are more particularly described in Exhibit(s), which are attached hereto and incorporated by this reference.

In Process

2. Prices and Payment. Company agrees to pay Consultant the fees set forth in the applicable Exhibit(s). Consultant anticipates invoicing the Company monthly for services provided. Payment will be due in full within fifteen (15) days of receipt of Consultant's invoice. Company agrees to pay interest on all overdue amounts at a rate of twelve percent (12%) per annum or the rate allowed by law, which ever is less, plus costs of collection, court costs, and reasonable attorney fees on all such amounts.

3. Travel Expenses. Company agrees to reimburse Consultant for its reasonable and necessary out-of-pocket lodging, transportation, and food incurred at the Company's request. Consultant agrees to provide reasonable expense documentation. Whenever possible, Consultant agrees to take advantage of travel discounts. All air travel by Consultant shall be on major national or regional airlines, and Consultant and its representatives may keep their frequent flier miles earned for their personal usage.

4. Ownership of Work Product. Ownership of, and all rights in, the work product which is the subject matter of this Agreement (the "Work"), including trademarks, patents and copyrights applicable to same, shall belong exclusively to Company. The parties expressly agree to consider as a "work made for hire" any Work ordered or commissioned by the Company which qualifies as such under the United States copyright laws. To the extent that the Work cannot be a "work made for hire" or where necessary for any other reason, Consultant will provide Company with all such assignments of rights, covenants and other assistance which may be required for Company, through trademark, patent or copyright applications or otherwise, to obtain the full benefit of the rights provided for herein. If the Work contains materials previously developed or copyrighted by

DocuSign Envelope ID: 08415CDB-A7C6-42D7-B979-8943DEB4E6FC

Consultant or others, Consultant grants and agrees to grant to Company, or obtain for Company, an unrestricted, royalty-free license to use and copy such materials. Any license so granted or obtained shall include the right for Company to grant an unrestricted, royalty-free license to any affiliate of Company. Consultant is allowed to retain one copy of the Work for archival purposes. Consultant shall place a copyright notice on the Work at Company's request. The Work shall be considered "Information" under the Section entitled "Nondisclosure."

5. Nondisclosure. Any technical or business information, including, but not limited to, computer programs, files, specifications, drawings, sketches, models, samples, tools, cost data, customer information, financial data, business or marketing plans or other data, whether oral, written or otherwise ("Information"), furnished or disclosed to Consultant hereunder or in contemplation hereof, shall remain Company's property. No license, express or implied, under any trademark, patent or copyright is granted by Company to Consultant by virtue of such disclosure. All such information in written, graphic or other tangible form shall be returned to the Company immediately upon request and copies shall be returned to the Company or, at Company's option, certified by Consultant as having been located and destroyed. Consultant shall be allowed to retain one copy of the Information for archival purposes. Unless such Information was previously known to Consultant free of any obligation to keep it confidential, is lawfully obtained by Consultant from any source other than Company or has been or is subsequently made public by Company or a nonparty to this Agreement, is approved for release by written authorization of the Company, or is required by law to be disclosed in response to a valid order of a court of competent jurisdiction or authorized governmental agency, provided the Company receives adequate notice to allow it to request a protective order and the Consultant reasonably cooperates with the Company's efforts to receive a protective order, it shall be kept confidential by Consultant for the benefit of Company, shall be used only in performing under this Agreement and shall not be used for other purposes except upon such terms as may be agreed upon by Company in writing. Consultant shall take reasonable steps to protect such Information to a similar extent that Consultant protects its own Information.

6. Liability. Consultant shall indemnify Company and its affiliates against, and shall hold Company and its affiliates harmless from, any loss, damage, expense or liability that may in any way arise out of or result from the performance of Consultant hereunder and caused by or resulting from the gross negligence or intentional misconduct of Consultant, including but not limited to any knowing infringement, or claim of infringement, of any patent, trademark, copyright, trade secret or other proprietary right of a third party or of Consultant or anyone claiming through Consultant who may be eligible to terminate any assignment or transfer made hereunder pursuant to the terms of the copyright laws up to the amount paid by the Company to the Consultant under a given applicable Exhibit(s). Consultant shall defend or settle, at its own expense, any action or suit against Company or its affiliates for which it is responsible hereunder.

DocuSign Envelope ID: 08415CDB-A7C6-42D7-B979-8943DEB4E6FC

Company shall notify Consultant of any such claim, action or suit and shall reasonably cooperate with the Consultant (at Consultant's expense) to facilitate the defense of any such claim.

7. Limitation. In no event shall company or consultant be liable, one to the other, for indirect, special, incidental, or consequential damages arising out of or in connection with the furnishing, performance or use of any products or services provided pursuant to this agreement.

8. Limited Warranties. Consultant warrants and represents that it has full authority to enter into this Agreement and to consummate the transactions contemplated hereby and that this Agreement is not in conflict with any other agreement to which Consultant is a party or by which it may be bound.

   Consultant warrants and represents that Consultant has the proper skill, training and background so as to be able to perform in a competent and professional manner and that all work will be performed in accordance with professional standards in the industry and/or field.

9. Headings. Section headings used in this Agreement are for convenience only, have no legal significance, and in no way change the construction or meaning of the terms hereof.

10. Insurance. Upon request by Company, Consultant shall provide to Company, copies of certificates of insurance evidencing the workers compensation, general liability and automobile insurance coverage that Consultant has in effect and Consultant shall maintain such insurance in effect through the duration of the Agreement.

11. Amendment and Waiver. No provision of this Agreement may be modified, waived, terminated or amended except by a written instrument executed by the parties. No waiver of a material breach of any provision of this Agreement shall constitute a waiver of any subsequent breach of the same or other provisions hereof.

12. Relationship. The Consultant shall be and act as an independent contractor hereunder, and neither Consultant nor any employee, agent, associate, representative or subcontractor shall be deemed to be employees of the Company for any purpose whatsoever.

13. Force Majeure. Neither party will be liable for any failure or delay in performance due to any cause beyond its reasonable control, including, but not limited to acts of nature, strikes, fire, flood, explosion, riots, or wars, provided that personnel changes, including unanticipated employee departures, shall not be considered to be an event or condition of force majeure.

DocuSign Envelope ID: 08415CDB-A7C6-42D7-B979-8943DEB4E6FC

14. Notices. All notices and other communications required or permitted under this Agreement shall be in writing, and hand delivered or sent by registered or certified mail, return-receipt requested, postage prepaid, or by overnight delivery service and shall be effective upon receipt at the following addresses or as either party shall have notified the other party:

15. Assignment. Consultant shall not assign this Agreement or delegate the services to be performed hereunder, in whole or in part, or any of its rights, interest, or obligations hereunder without Company's express written consent.

16. Law Government. This Agreement shall be governed by the laws of the State of Minnesota, without regard to or application of conflicts of law rules or principles.

17. Taxes. Consultant shall assume full responsibility for the payment of all taxes imposed by any federal, state, local taxes or foreign taxing authority and all contributions imposed or required under unemployment insurance, social security and income tax laws, with respect to performance of services for Company hereunder.

18. Termination. Any Exhibit(s) to this Agreement may be terminated by either party upon thirty (30) days written notice to the other party. This Agreement may be terminated by either party upon ninety (90) days written notice to the other party. Company agrees to pay for all services provided by Consultant and related travel expenses incurred by Consultant through the date of termination of the Exhibit(s) and/or the Agreement as applicable.

19. Entire Agreement. This constitutes the entire agreement between the parties regarding the subject matter hereof. This Agreement shall be binding on the affiliates, administrators, executors, heirs, successors in interest, or assigns of Consultant.

Exhibit 1 to
AGREEMENT FOR CONSULTING SERVICES
Consultant and Rate Schedule

Consultant Representative's Name	Title	Effective Start Date	Expected End Date
USICG (**Hildi Inc.**) Actuaries and Consultants	Consulting Actuaries	January 1, 2022	December 31, 2023

Base Fees

The approximate budget for USICG (Hildi Inc.) consulting services is as follows:

	2022 Fiscal Year	2023 Fiscal Year
GASB 75	$2,200	January 1, 2022 actuarial valuation to be used as base results. GASB 75 disclosures to be developed for the year ending December 31, 2023. Approximately $600

These Base Actuarial Fees include the following:

- An Actuarial Report including all information required by the GASB Statements. USICG (Hildi Inc.) will provide an electronic copy of the actuarial report. One to three hard copies of the report can be sent, too, if requested.
- A results meeting by conference call or video to discuss the results.
- Teleconferencing with the actuaries on pending or anticipated issues which may affect the actuarial valuation/report. If any work is needed based on one of the outcomes of a teleconference, a fee will be agreed upon before any work is initiated.
- Periodic memos and telephone calls to provide updates on developments that may affect future actuarial reports.

All quotes assume the plan provisions and assumptions remain unchanged from the last actuarial valuation or year-end disclosure. Additional charges may occur if there is out of scope work due to an OPEB Trust, changes in funding or investment policy for the OPEBs, changes in plan provisions or assumptions, or changes in the GASB disclosure requirements.

CONSUMER DISCLOSURE

From time to time, USI Holdings Corporation (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through your DocuSign, Inc. (DocuSign) Express user account. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to these terms and conditions, please confirm your agreement by clicking the 'I agree' button at the bottom of this document.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. For such copies, as long as you are an authorized user of the DocuSign system you will have the ability to download and print any documents we send to you through your DocuSign user account for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a $0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. To indicate to us that you are changing your mind, you must withdraw your consent using the DocuSign 'Withdraw Consent' form on the signing page of your DocuSign account. This will indicate to us that you have withdrawn your consent to receive required notices and disclosures electronically from us and you will no longer be able to use your DocuSign Express user account to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through your DocuSign user account all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

How to contact USI Holdings Corporation:
You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:
To contact us by email send messages to: michael.pomer@usi.biz

To advise USI Holdings Corporation of your new e-mail address
To let us know of a change in your e-mail address where we should send notices and disclosures electronically to you, you must send an email message to us at michael.pomer@usi.biz and in the body of such request you must state: your previous e-mail address, your new e-mail address. We do not require any other information from you to change your email address..
In addition, you must notify DocuSign, Inc to arrange for your new email address to be reflected in your DocuSign account by following the process for changing e-mail in DocuSign.

To request paper copies from USI Holdings Corporation
To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an e-mail to michael.pomer@usi.biz and in the body of such request you must state your e-mail address, full name, US Postal address, and telephone number. We will bill you for any fees at that time, if any.

To withdraw your consent with USI Holdings Corporation
To inform us that you no longer want to receive future notices and disclosures in electronic format you may:

i. decline to sign a document from within your DocuSign account, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;
ii. send us an e-mail to michael.pomer@usi.biz and in the body of such request you must state your e-mail, full name, IS Postal Address, telephone number, and account number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..

Committee Meeting Items

D. Committee Meeting Items

1. **Police Updates**
   Chief Travis Muyres discussed updates regarding staffing, officer wellness, officer retention and Isanti Police Core Principals for retention. Mayor Johnson brought up the wages in North Branch being significantly higher than Isanti for Police wages. To be discussed at next Goal Setting.
2. **Park Naming Policy**
   Park and Rec Coordinator Olson discussed the policy on Park Naming Policy. Council decided to move forward with adding a number to percent do determine what is "significant" to allow for council discretion. Move to approval at City Council meeting following Committee of the Whole 10.19.2021.
3. **Amphitheater Naming Discussion**
   Committee Members decided to name the new amphitheater Bluebird Amphitheater.
4. **Bow Hunting Regulations**
   Chief Muyres discussed having a minimum of 40 acres for Bow Hunting Regulations. It was also recommended that the Committee not be associated with a private entity for MN Deer Hunt/ Bow Hunt Inc. for regulations. The direction was to bring to City Council with changes.
5. **2022 Street Dance Location Discussion**
   Committee decided to have three (3) Street Dances at Main Street and one (1) at Bluebird Amphitheater. Committee also discussed the cost of putting concrete in front of the amphitheater.

6. **Finance Related Polices**
   Finance Director Betker has been reviewing Finance related policies. There are some policies that are no longer applicable, some that need to be updated with relatively minor language changes, some that need to be significantly updated and others that need to be written for the first time. Committee moved to have Finance Director Betker to update as needed.
7. **Resolutions to Repeal Policies**
   City Administrator Wood presented the review of all City Policies. There are a number of policies that are no longer applicable due to changes in state statute, superseded by City Code, new policies were written or subsequent policies were already included in the Personnel Policy, Policy Manual or Lexipol. Mayor Johnson questioned Administrator Wood about the purpose of these changes. Wood explained some policies were outdated or contradictory. The changes were to have policies not be contradicting.
8. **Police and Liquor Staffing Changes**
   Administrator Wood presented the staffing needs of the department has grown recently. The recent implementation of a part-time secretary position has assisted in the work load, however, has brought to light another position that needed to be reviewed. As the other PD staff office positions were reviewed, it was found that the full-time secretary position was doing the workload and tasks equivalent to a lead, specialist or manager position which warrants a higher point and grade level when input into the matrix for all City position.
   With the new store opening right around the corner and recruitment of part-time staff at an all-time low, Staff is recommending to hire one additional full-time Clerk to the staffing roster. The additional full-time clerk hours would replace part-time hours in the budget. Committee moved to change the position and wages of FT Police Secretary to Police Support Specialist as presented and to add a FT Liquor Store Clerk as presented and bring to City Council for approval.
9. **Storm Water Rate Study**
   The finance and Assistant Finance Director competed the Storm Water Rate Study. Betker presented the findings. It was presented that Finance Betker recommended to cut the rates by 20% in 2022, 15% in 2023, 10% in 2024. Committee all agreed to move forward with that recommendation.
10. **Ice Guards at New Liquor Store**
    Administrator Wood presented adding ice guards to block potential ice dams or ice sliding on to customers. The cost would be $17,693.00. Committee moved to purchase the ice guards.
11. **Beer Cave at Liquor Store**
    Administrator Wood was informed by Committee Member Lundeen the Polzin family would like the name “Bozo and LouElla Polzin Beer Cave” at the new Isanti Liquor Store. Committee moved to accept name and approve and City Council meeting and add a story 10.19.2021.

F. Adjournment

Meeting was adjourned at 6:38 p.m.

Respectfully Submitted.

CITY OF ISANTI
PARKS, RECREATION, AND CULTURE BOARD MEETING MINUTES
September 28,2021

Call to Order: Aaron Zdon called the meeting to order at 6:00 p.m.

Roll Call: Members Present: Aaron Zdon, Zachary Gahm, Dan HinnenKamp, Tressa Hunting, and Mayor Jeff Johnson
Staff Present: Matt Sylvester, Public Services Director

Agenda/Modifications: None

3. Meeting Minutes: Motion by Johnson; second by Gahm to approve meeting Minutes from August 24, 2021. Motion passed 5-0.

4. Department Updates: Sylvester shared updates on September events. Curious Creatures was cancelled in September and will likely be cancelled in October due to low attendance. Events are likely conflicting with the preschool schedules.
Final Street Dance was well-attended and included a tribute for the 20th anniversary of 9/11. There were some unfavorable events that took place during, from garbage to youth fights and graffiti that will be addressed in the future. The Mayor noted that many people stayed until the very end of the event. A conversation about moving the event to the park will need to be had in the future to determine if it will deter some of the poor behavior and if it's the right move for the event. Sylvester shared some insight into some of the vandalism occurring throughout the City, including at the BMX bathrooms at Bluebird Park. Hunting shared a desire to create a more inclusive environment at these events and include some songs that may recognize our Native American and non-American residents. An item to discuss inclusivity and equity at future events will be added to the October Board agenda.
The Farmers Market continued to be slow in September with a number of vendors pulling out or not showing. Ms. Olson is looking into options and new guidelines for vendors if the event location moves to the new liquor store site. Gahm mentioned moving the date to a Sunday instead of a Friday and/or changing the timing. Sylvester mentioned competing markets and noted that vendors at our market also attend nearby markets on other days. HinnenKamp noted Coborn's may have objections to moving the market next to their store.
The holiday lights event will be moving to Council for a vote on an option to move forward. The location will be at Bluebird Park at the bandshell. The Mayor suggested the conversation may be geared around whether or not to ticket the event and how much cost the City is willing to take on.
Bandshell construction is ongoing and should be completed in October. Isanti Lions Club are looking to submit a name for the feature along with a monetary contribution. Zdon asked if October 23 is a reasonable date for a grand opening celebration to which Sylvester noted we are hopeful the unit will be completed by then.
December Movie Night was moved due to a scheduling conflict and will now be combined with the Santa event. Gahm mentioned making sure that the schools get flyers with dates for the Movie Nights. HinnenKamp suggested next year it may be a good kickoff event for the holiday lights event.
Sylvester addressed the closing of the BMX restrooms due to vandalism. Ms. Olson is looking into security options to deter future vandalism. Zdon asked if the bathrooms were available still from the inside for the BMX use and Sylvester confirmed they are still open on that end. Although one of the vandals was caught, there have been 4-6 different incidents this year. Incidents are also occurring throughout Bluebird Park so any potential cameras or security measures would need to capture the broad area.
Sylvester also discussed Family Day at Legacy Park. Roughly 40 people attended throughout the day – and increase from previous years - and families were able to make s'mores, crafts and take photos. The event unexpectedly conflicted with the Vikings home opener, which will be taken into consideration for next year.
The grand opening celebration will tentatively take place on October 23 with food trucks, local school performers and entertainment. The Board noted that the date is over MEA weekend, which may impact schedules, but pushing back to Halloween weekend or into November are also not preferable.
HinnenKamp shared additional research on the Eagle Park railroad viewing options. HinnenKamp is interested in reaching out to BNSF and seeing if they would offer any community support for a project like this, as well as the Isanti Historical Society and Isanti County. Zdon suggested HinnenKamp continue to

gather some research and submit to Ms. Olson a week prior to the October meeting to add to the next agenda. Zdon suggested adding a mural on the side of the buildings bordering the tracks.

Adjournment: Motion by HinnenKamp, second by Johnson to adjourn the September 28, 2021 meeting of the Parks, Recreation, and Culture Board. Motion passed 5-0, meeting adjourned at 6:46 p.m.

Request for City Council Action

To: Mayor Johnson and Members of City Council
From: Sheila Sellman, Community Development Director
Date: November 2, 2021
Subject: Resolution 2021-XXX Approving Second Extension of Recording the Final Plat for Fairway Greens South

---

Background:
At the June 1, 2021 City Council meeting the Council approved the preliminary and final plat for Fairway Greens North. City code requires final plats to be recorded within 90 days. As part of the development agreement process the developer has requested a discussion on utility oversizing that we are requiring, resulting in the need to extend the recording. The City Code allows for two extensions. The developer is requesting a one-year extension to record the final plat.

Request:
Consider resolution 2021- XXX approving an extension of recording the final plat for Fairway Greens South for one year.

RESOLUTION 2021-XXX

APPROVING SECOND EXTENSION OF RECORDING THE FINAL PLAT FOR FAIRWAY GREENS SOUTH

WHEREAS, the developer has an approved final plat known as Fairway Greens South consisting of 45 residential lots; and,

WHEREAS, a 90-day extension was approved on September 7, 2021; and,

WHEREAS, Subdivision Ordinance 536, Article 6, Subdivision 1 (I) requires all plats shall be recorded with the County Recorder's Office within ninety days after the date of approval; and,

WHEREAS, due to the developer not being able to secure bids in time, a one-year extension has been requested;

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Isanti, Minnesota hereby approves the extension for one year to record the plat.

This Resolution hereby approved by the City Council of the City of Isanti this 2nd day of November 2021.

To: Mayor Johnson and Members of City Council
From: Sheila Sellman, Community Development Director
Date: November 2, 2021
Subject: Resolution 2021-XXX a resolution authorizing a reduction in the Letter of Credit for Fairway Greens North

---

Background:
The developer is requesting a reduction in the Letter of Credit (LOC) for Fairway Greens North for the installation of erosion control. Since the erosion control must remain in place until the project is complete staff suggests reducing the LOC by 80% of the cost for the erosion control install. The invoice provided by the developer is for $13,335.00 therefore the total reduction would be $10,688.00. The city Engineer has reviewed the request and recommends reducing the LOC by $10,688.00

AMENDMENTS TO REVOLVING LOAN FUND POLICY

WHEREAS, the City of Isanti approved a Revolving Loan Fund (RLF) Policy on October 5, 2010; and,

WHEREAS, the Economic Development Authority Board recommended amendments to the RLF policy that was voted on and approved January 7, 2020 referenced as 'Exhibit A'

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to approve the RLF policy referenced as 'Exhibit A' as recommended by the Economic Development Authority.

This Resolution is hereby approved by the Isanti City Council this 2nd day of November 2021.

Attest:

Mayor Jeff Johnson

City Clerk

Exhibit A

City of Isanti
Revolving Loan Fund Policy
Adopted October 5, 2010
Revised January 7, 2020

Purpose:

The purpose of this policy is for the City to have the opportunity to provide short-term financing to assist business in the form of a loan. The purpose of such financing is to provide gap financing where conventional funding sources are not sufficient to meet the business needs for new facilities, business retention, building purchase, renovation, expansion, landscaping, machinery and equipment. The objectives of the revolving loan fund are to create or retain permanent full-time jobs in the City; to improve the overall tax base of the City; to diversify the economy; and to enhance the quality of life within the community.

The revolving loan fund is intended to complement and not to compete with private lending institutions. All loans are subject to the availability of funds. All funding is limited to the corporate limits of the City of Isanti. In addition to the loan terms and conditions set forth in this policy, the City shall have the right to impose additional terms and conditions in its sole discretion.

Revolving Loan Fund Evaluation and Approval Criteria:

Prior to the approval of any economic assistance, the Finance Director shall review the application and any other documentation to ensure all necessary information has been provided. The City's Attorney should prepare, or if prepared by others, review all documents related to the public assistance. The cost incurred by the City for such review and preparation shall be paid by the applicant.

If requested, an appraisal shall be submitted establishing the value of all collateral that will be pledged as security for the loan with an analysis of the life and value of the assets. The Council has the right to accept or reject the appraisal. If an appraisal is provided to the City, the cost of the appraisal is the responsibility of the applicant. At no time is a loan to be granted that exceeds ninety percent of the collateral that is to be pledged as security.

Applicants must be in compliance with the City of Isanti zoning codes as well as all other local, state, and federal laws applicable to them.

All applicants shall pay the non-refundable application fee and non-refundable origination fee as established by the City Council. The commitment fees shall be retained for the administration of the loan.

Revolving Loan Fund Repayment and Default Information:

Applicant shall make all loan payments to the City electronically through the Automated Clearing House (ACH) system. Applicant shall provide the City with a fully completed and executed authorization as required by ACH.

The applicant agrees to promptly notify the City of any change in the location of the collateral and agrees not to sell, lease, offer to lease or transfer the collateral in any way without prior consent of the City. The applicant will keep the collateral insured at all times and safe from damage and theft

and will pay promptly taxes and/or any debt to which collateral is secured. The applicant will pay a delinquency and collection charge on each installment not paid within 10 days of due date in the amount of 5% of each installment in default, plus reasonable costs of collection including attorney's fees. An applicant will be considered in default under the agreement upon occurrence of any of the following events: (a) default in the payment of any obligation including payment of taxes and City utility bills, (b) giving false information to the City, (c) loss, theft, substantial damage, destruction, sale, or encumbrances to any of the collateral, (d) death, dissolution, termination of existence, insolvency, business failure, appointment of a receiver of any part of the property, or assignment for the benefit of creditors by applicant, (e) other conditions that may be imposed by the City.

Upon such default and anytime thereafter, the City has the option to declare all obligations immediately due and payable. Without limitation, the City has the right to take immediate and exclusive possession of the collateral. The City will give the applicant at least 10 days written notice before the sale or disposition of the collateral.

Immediate repayment of the entire outstanding balance of the loan will be made if the business relocates outside the corporate limits of the City.

Disbursement Process:

Applicant shall be solely responsible for all payments for eligible uses of funds. Loan proceeds shall be paid directly to applicants only after the work for which payment is requested has been performed or items purchased and inspected by the City, if applicable. Applicant will provide all invoices, certification and evidence in such form that the City may require, demonstrating work has been completed and Applicant has paid for the items eligible in the loan agreement. If periodic draws are requested, they will be limited to amounts equal to the values of materials furnished and/or services completed and shall be limited in number to three, including final payment. No payments shall be made without appropriate lien waivers being given.

Business Subsidy Reporting:

Memo for Council

To: Mayor Johnson and Members of the City Council
From: Finance Director Betker
Date: November 2nd 2021
Subject: Adopting Finance Related Policies

Background:
The attached policies are final drafts of those discussed at Committee of the Whole on October 19th 2021.

Request:
Consider Adoption of the following Policies:

- Tax Abatement Business Assistance Policy – Remove all language regarding a five year limit for assistance..
- Fund Balance Policy – Largely the same as prior version however enterprise funds are now included within the policy and the General Fund target Fund Balance would now be a range, between 30% and 70%.
- Investment Policy – Entirely rewritten but with many of the same features, much of which is based on state statute. Biggest change is that the new policy would give the Finance Director additional discretion to invest in a slightly broader portfolio of investments. Matches state statute with the exception of commercial paper, which is not included in this policy. Also clarifies that working with multiple brokers is acceptable and eliminates the need to use the RFP process to make that determination.
- Purchasing Policy – Update Committee reference language, revise dollar threshold limits for administrative approval, as well as the sealed bid threshold, which now matches State Statute. Also moved needed unbudgeted expenditures from Finance Committee oversight and authorization to City administrator authorization and oversight as well as other minor language changes.
- Single Audit Policy – Entirely new policy written at the recommendation of the City auditors.

Action Required:
Consider adoption by Resolution

Tax Abatement Business Assistance Policy

Adopted November 2, 2021
Supercedes Resolution 2008-083

Purpose:

The purpose of this policy is to provide a guide to be used in the processing and reviewing of requests from private businesses locating in or expanding in the City of Isanti for tax abatement business assistance. This policy was developed as a method to assist in business expansion, location and relocation within the City of Isanti. This policy is intended to be a guide only and the City has the right to depart from the guidelines set f01ih herein in its sole discretion.

Proposed Abatement Funding:

The City of Isanti will work to obtain tax abatement for a successful project, with the County of Isanti and the Cambridge - Isanti School District. We also believe this tool should be considered available in a modified format for Businesses that would provide significant development in our area, but that this outline is for the "normal" business attraction to our area.

Abatement Evaluation and Approval Criteria:

Upon a business submitting a request to City Staff; City Staff shall forward the request for evaluation to the City of Isanti Economic Development Authority (EDA). The project will be scored using the information provided by the business requesting a business subsidy. The scores will assist in making a decision if the project qualifies for tax abatement.

The EDA will forward a recommendation to the City Council with the score of the project. The City Council will make the final decision on what, if any, business assistance will be provided for a project. The information provided by the business requesting the assistance will be used in determining if the limited tax abatement shall be used on the project.

Some criteria, by their very nature, may be subjective. However, wherever possible "when the proposal may meet one or more "benchmark" criteria does not mean that it is entitled to funding under this policy. The determination to grant or not grant a subsidy for a business resides in the sole discretion of the City.

Eligibility of Businesses to Obtain Business Assistance:

The business assistance shall be provided with the applicable State legislative restrictions, State Auditor interpretation, debt limit guidelines, and other appropriate financial requirements and policies. The criteria for a business to obtain tax abatement business assistance is outlined in the tax abatement formula worksheet that is updated yearly by the City and stated below:

A) Eligibility to receive tax abatement business subsidy per all governmental laws and policies.

B) Proposals shall create jobs within Isanti or relocate jobs from anothercommunity.

C) Type of business requesting the assistance.

D) Increase the tax base of the City of Isanti.

E) Diversification of the tax base of the City ofIsanti.

F) To assist in redevelopment costs.

G) To determine consistency with the City of Isanti Comprehensive Plan and City Planning and Zoning Ordinances.

H) Environmental and City Service demands.

I) Job retention, increasing the local job base and diversification of the jobbase.

J) Evaluate the wages for the retained and/ or increased jobs.

K) Location of the project.

L) Priority of the project as determined by the EDA and City Council.

M) To not support speculative industrial, commercial and office projects.

N) To encourage additional unsubsidized private development in the area, either directly, or through secondary "spin-off' development.

O) Business assistance will not be used when the developer's credentials, in the judgment of the City, are inadequate due to past track record relating to: timeliness and quality level of completed projects, general reputation, bankruptcy, credit worthiness or other relevant considerations by the City.

P) Business assistance will not be used for projects that would generate significant environmental problems in the opinion of the local, state, or federal governmental entities.

Q) Business assistance may not be allocated due to the following factors: projects that fail to meet good public policy criteria as determined by the EDA and City Council, including, poor project quality; projects that are not in accordance with the comprehensive plan, zoning, redevelopment plans and city policies; projects that provide no benefit or improvement to surrounding land uses, the neighborhood, and/ or the City; projects that do not have significant new, or retained employment; projects that do not meet financial feasibility criteria established by the City; and projects that do not provide for the highest and best desired use for the property.

Statutory Limits:

The City of Isanti shall follow the statutory limits on the use of tax abatement as stated by State Statute. Any grant of $25,000+ or loan of $75,000+ shall have a business subsidy agreement and meet certain wage and job goals and stay in business for at least 5 years. (Per Minnesota Statute Sections 116J.993 to 116J.995). The business subsidy agreement and City Council resolution shall state the length of the business assistance.

Policy Review:

This policy shall be evaluated on a yearly basis to ensure its applicability and to establish priority economic development projects to the followingyear.

Fund Balance Policy

Adopted November 2nd 2021

PURPOSE

The purpose of this policy is to establish specific guidelines the City of Isanti will use to maintain an adequate level of fund balance to provide for cash flow requirements and contingency needs because major revenues, including property taxes and other government aids are received in the second half of the City's fiscal year.

The purpose of this policy is to also establish specific guidelines the City of Isanti will use to classify fund balances into categories based primarily on the extent to which the City is bound to honor constraints on the specific purposes for which amounts in these funds can be spent.

CLASSIFICATION OF FUND BALANCE/PROCEDURES

1. **Nonspendable**

- This category includes fund balance that cannot be spent because it is either (i) not in spendable form or (ii) is legally or contractually required to be maintained intact. Examples include inventories and prepaid amounts.

2. **Restricted**

- Fund balance should be reported as restricted when constraints placed on those resources are either (i) externally imposed by creditors, grantors, contributors, or laws or regulations of other governments or (ii) imposed by law through constitutional provisions or enabling legislation.

3. **Committed**

- Fund balance that can only be used for specific purposes pursuant to constraints imposed by formal action of the government's highest level of decision-making authority. The committed amounts cannot be used for any other purpose unless the government removes or changes the specified use by taking the same type of action it employed to commit those amounts.

- The City's highest level of decision-making authority (City Council) will annually or as deemed necessary commit specific revenue sources for specified purposes by resolution. This formal action must occur prior to the end of the reporting period, however, the amount to be subject to the constraint, may be determined in the subsequent period.

- To remove the constraint on specified use of committed resources the City Council shall pass a resolution

4. **Assigned**

- Amounts that are constrained by the government's intent to use for specified purposes, but are neither restricted nor committed. Assigned fund balance in the General fund includes amounts that are intended to be used for specific purposes.

- The City Council has delegated the authority to assign and remove assignments of fund balance amounts for specified purposes to the Finance Director or City Administrator.

5. Unassigned

- Unassigned fund balance represents the residual classification for the General fund. Includes amounts that have not been assigned to other funds and that have not been restricted, committed, or assigned to specific purposes within the General fund. The General fund should be the only fund that reports a positive unassigned fund balance amount.

  i. The City will seek to maintain a maximum unassigned fund balance in the General fund of 70% of the next year's budgeted expenditures of the General fund. This will assist in maintaining an adequate level of fund balance to provide for cash flow requirements and contingency needs because major revenues, including property taxes and other government aids are received in the second half of the City's fiscal year. Additionally this will assist in maintaining a stable tax rate even in times of significantly reduced taxable market value. Fund balance in excess of 70% shall be utilized to reduce the tax rate in the subsequent budget year(s). Use of fund balance to reduce the tax rate should be guided by the City's desire to avoid double digit increases or decreases in the tax rate, as measured by percent against the prior year's certified tax rate.

  ii. The City will seek to maintain a minimum unassigned fund balance in the General fund of 30% of the next year's budgeted expenditures of the General fund. In the event that fund balance falls below 30% the Council will determine a plan to restore the fund balance first to the minimum 30% threshold and then subsequently toward the 70% maximum threshold. Any such plan shall be guided by the City's desire to avoid double digit increases or decreases in the tax rate, as measured by percent against the prior year's certified tax rate.

STABILIZATION ARRANGEMENTS

Stabilization arrangements are defined as formally setting aside amounts for use in emergency situations or when revenue shortages or budgetary imbalances arise.

The City will set aside amounts by resolution as deemed necessary that can only be expended when certain specific circumstances exist. The resolution will identify and describe the specific circumstances under which a need for stabilization arises. The need for stabilization will only be utilized for situations that are not expected to occur routinely.

MONITORING AND REPORTING

The City Administrator and Finance Director shall annually prepare the status of fund balance in relation to this policy and present to the City Council in conjunction with the development of the annual budget.

When both restricted and unrestricted resources are available for use, it is the City's policy to first use restricted resources, and then use unrestricted resources as they are needed.

When committed, assigned or unassigned resources are available for use, it is the City's policy to use resources in the following order; 1.) committed 2.) assigned and 3.) unassigned.

A negative residual amount may not be reported for restricted, committed, or assigned fund balances in the General fund.

ENTERPRISE FUNDS

The City will seek to maintain cash balances sufficient to cover 6 months of operating expenses, the next year's debt service obligations as well as future identified capital outlay needs. In the event that cash balances fall below the above prescribed level, the Council will determine a plan to restore the deficient cash balance. Any such plan shall be guided by the City's desire to avoid double digit increases in service rates, as measured by percent against the prior year's service rate.

Investment Policy

Adopted November 2nd, 2021

PURPOSE

The purpose of this policy is to establish the specific guidelines for the investment of all public funds of City of Isanti. This policy is designed to ensure the prudent management of public funds, the availability of operating and capital funds when needed, and an investment return commensurate with the City's investment risk constraints and cash flow characteristics of the portfolio.

OBJECTIVES

The objective of this policy is to establish standards for governing the investment of the funds of the City. These funds will be invested in accordance with this policy and Minnesota Statute 118A. The City has determined that its funds shall be invested based on the following three objectives, listed in priority order:

- SAFETY OF PRINCIPAL – Safety of principal is the foremost objective of the City. Investments shall be undertaken in a manner that seeks to ensure preservation of capital in the overall portfolio. Avoiding capital losses shall be the primary objective of each investment transaction.
- MAINTENANCE OF ADEQUATE LIQUIDITY – The portfolio will remain sufficiently liquid to enable the City to meet all operating and capital requirements that might be reasonably anticipated. A portion of the portfolio may be placed in money market mutual funds or local government investment pools, which offer same-day liquidity.
- MAXIMIZATION OF RETURN ON INVESTMENT –Following the satisfaction of liquidity and maturity needs, the balance of the funds available for investment will be placed with institutions that offer the highest rate of return consistent with preservation of principal.

SCOPE

This policy applies to all financial assets of City of Isanti. While separate investment funds are created to accommodate reporting on certain bonded indebtedness, individual investments are purchased using a pooled approach for efficiency and maximum investment opportunity. The City's funds are defined in the City's *Comprehensive Annual Financial Report and include all Governmental, Enterprise, Internal Service and Agency funds* and any new funds created by the City, unless specifically exempted by the City Council through resolution.

POOLING OF FUNDS: Except for cash in certain restricted and special funds, the City will consolidate cash balances from all funds to maximize investment earnings. Investment income will be allocated to the various funds based on their respective participation and in accordance with generally accepted accounting principles.

STANDARDS OF CARE

1. PRUDENCE

The prudent person standard shall be applied to the management of the portfolio. This standard states: "Investments shall be made with judgement and care, under circumstances then prevailing, which persons of prudence, discretion and intelligence exercise in the management of their own affairs, not for speculation, but for investment, considering the probable safety of their capital as well as the expected income to be derived."

Investment officers acting in accordance with written procedures and this investment policy and exercising due diligence shall be relieved of personal responsibility for an individual security's credit risk or market price changes, provided deviations from expectations are reported in a timely fashion and the liquidity and the sale of securities are carried out in accordance with the terms of this policy.

2. ETHICS AND CONFLICTS OF INTEREST

Any city official involved in the investment process shall refrain from personal business activity that could conflict with proper execution of the investment program, or that could impair their ability to make impartial decisions. Investment officials shall disclose any material interests in financial institutions with which they conduct business. Employees and officers shall refrain from undertaking personal investment transactions with the same individual with which business is conducted on behalf of the City.

3. DELEGATION OF AUTHORITY

The Finance Director is designated as the Investment Officer of the City and is responsible for investment management decisions and activities. The Finance Director through assistance of staff and consultants shall develop and maintain written administrative procedures for the operation of the investment program, monitoring diversification and risk as well as a system of controls to regulate the activities of subordinate officials. Procedures should include references to: safekeeping, investment accounting, repurchase agreements, wire transfer agreements and collateral/depository agreements. No person may engage in an investment transaction except as provided under the terms of this policy and procedures established by the Investment Officer.

4. INTERNAL CONTROLS

The investment officer is responsible for establishing and maintaining an internal control structure designed to ensure that the assets of the City are protected from loss, theft or misuse. The internal control structure shall be designed to provide reasonable assurance that these objectives are met. The concept of reasonable assurance recognizes that (1) the cost of a control should not exceed the benefits likely to be derived and (2) the valuation of costs and benefits requires estimates and judgments by management.

Accordingly, the investment officer shall establish a process for an annual independent review by an external auditor to assure compliance with policies and procedures. The internal controls shall address the following points:

- Control of collusion
- Separation of transaction authority from accounting and record-keeping
- Safekeeping account
- Avoidance of physical delivery securities
- Clear delegation of authority to subordinate staff members
- Written confirmation of transactions for investments and wire transfers
- Development of a wire transfer agreement with the lead bank and third-party custodian

FINANCIAL INSTITUTIONS AND SAFEKEEPING

1. AUTHORIZED BROKER/DEALERS AND FINANCIAL INSTITUTIONS

The Finance Director is authorized, as allowed under State Statute, to designate depositories and broker-dealers for City Funds. The Finance Director will maintain a list of financial institutions authorized to provide investment services to the City. All broker/dealers who desire to become qualified bidders for investment transactions must supply the Finance Director or Designee with:

- Audited financial statements (a current audited financial statement is required to be on file for each financial institution)
- Proof of National Association of Security Dealers (NASD) certification,
- Proof of Minnesota registration
- Broker Notification and Certification form required by Minnesota Statutes 118A prior to any investment transactions with the City. The Broker Notification must be updated annually.
- The Official Broker/Dealer Questionnaire must be on file for each broker the City is currently doing business with.
- Authorized institutions must maintain an investment office within the Twin Cities metropolitan area and have other Minnesota local government clients.

The purchase of all investments must be from institutional brokers. An annual review of the financial condition and registration of qualified financial institutions and brokers/dealers will be conducted by the investment officer.

2. SAFEKEEPING

Investments shall be safe kept in the City's name. Certificates will be held at the financial institution in the City's name. All securities should be a risk category one according to the Governmental Accounting Standard No. 3.

SUITABLE AND AUTHORIZED INVESTMENTS

Consistent with Minnesota Statute 118A, the following investments will be permitted by this policy:

- U.S. Treasury Obligations (bills, notes, bonds);
- U.S. Government Agency and Federally Sponsored Agency Securities, excluding mortgage backed securities that fail the FFEIC test;
- General obligations of any state or local government with taxing powers which is rated "A" or better by a national bond rating service, or revenue obligation securities of any state or local government with taxing powers which is rated "AA" or better by a national bond rating service;
- Certificates of deposit with federally insured institutions that are collateralized or insured in excess of the amount provided by the Federal Deposit Insurance Corporation coverage limit;
- Bankers Acceptances that are eligible for purchase by the Federal Reserve;
- Repurchase Agreements which conform to the requirements stated in 118A.05, sub. 2 of the statutes;
- Guaranteed Investment Contracts that meet the requirements of M.S. 118A;
- Local government investment pools, either state-administered or through joint powers statutes and other intergovernmental agreement legislation;
- Shares of an investment company which is registered under the Federal Investment Company Act of 1940 and which holds itself out as a money market fund meeting the conditions of rule 2a-7 of the Securities and Exchange Commission and is rated in one of the two highest rating categories for money market funds by at least one nationally recognized statistical rating organization;

- Shares of an investment company which is registered under the Federal Investment Company Act of 1940, and whose shares are registered under the Federal Securities Act of 1933, as long as the investment company's fund receives the highest credit rating and is rated in one of the two highest risk rating categories by at least one nationally recognized statistical rating organization and is invested in financial instruments with a final maturity no longer than 13 months.

INVESTMENT PARAMETERS

1. DIVERSIFICATION

The investments shall be diversified by:

- Limiting investments to avoid overconcentration in securities from a specific issuer or business sector (excluding U.S. Treasury securities),
- Limiting investment in securities that have higher credit risks,
- Investing in securities with varying maturities, and
- Continuously investing a portion of the portfolio in readily available funds such as local government investment pools, money market funds or overnight repurchase agreements to ensure that appropriate liquidity is maintained in order to meet ongoing obligations.

2. MAXIMUM MATURITIES

To the extent possible, the City should attempt to match its investments with anticipated cash flow requirements. Unless matched to a specific cash flow, the City will not directly invest in securities maturing more than 10 years from the date of purchase.

REPORTING

1. METHODS

The Finance Director shall prepare an investment report at least quarterly to the City Administrator, including a management summary that provides an analysis of the status of the current investment portfolio and transactions made over the last quarter. This management summary will be prepared in a manner which will allow the City Administrator to ascertain whether investment activities during the reporting period have conformed to the investment policy. The report will include the following:

- Listing of individual securities held at the end of the reporting period,
- Realized and unrealized gains for losses resulting from appreciation or depreciation by listing the cost and market value of securities over one-year,
- Average yield to maturity of portfolio on investments as compared to applicable benchmarks,
- Listing of investment by maturity date,
- Percentage of the total portfolio which each type of investment represents.

2. PERFORMANCE STANDARDS

The investment portfolio will be managed in accordance with the parameters specified within this policy. The portfolio should seek to obtain a market average rate of return during an economic environment of stable interest rates.

3. MARKING TO MARKET

The market value of this portfolio shall be calculated at least quarterly and a statement of the market value of the portfolio shall be issued to the City Administrator at least quarterly. This will ensure that review of the investment portfolio, in terms of value and price volatility, has been performed consistent with the recommended practice.

POLICY CONSIDERATIONS

The City's investment policy shall be adopted by resolution by the City Council and will be reviewed on an annual basis. Any changes must be made in consultation with the Finance Director and approved by the City Council.

Any investment currently held that does not meet the guidelines of this policy shall be exempted from the requirements of this policy. At maturity or liquidation, such monies shall be reinvested only as provided by this policy.

STATUTORY AUTHORITY

Specific investment parameters for the investment of public funds by the City are found in Minnesota Statutes Chapters 118A. Copy attached to this policy.

118A.01 DEFINITIONS.

Subdivision 1.Application.

The definitions in this section apply to sections **118A.01** to **118A.06**.

Subd. 2.Government entity.

(a) "Government entity" means a county, city, town, school district, hospital district, public authority, public corporation, public commission, special district, any other political subdivision, except an entity whose investment authority is specified under chapter 11A or 356A.

(b) For the purposes of sections **118A.02** and **118A.03** only, the term includes an American Indian tribal government entity located within a federally recognized American Indian reservation.

Subd. 3.Financial institution.

"Financial institution" means a savings association, commercial bank, trust company, credit union, or industrial loan and thrift company.

Subd. 4.Public funds.

"Public funds" means all general, special, permanent, trust, and other funds, regardless of source or purpose, held or administered by a government entity, unless otherwise restricted.

History:

1996 c 399 art 1 s 2; 1999 c 151 s 39

118A.02 DEPOSITORIES; INVESTING: SALES, PROCEEDS, IMMUNITY.

Subdivision 1.Designation; delegation.

(a) The governing body of each government entity shall designate, as a depository of its funds, one or more financial institutions.

(b) The governing body may authorize the treasurer or chief financial officer to:

(1) designate depositories of the funds;

(2) make investments of funds under sections **118A.01** to **118A.06** or other applicable law; or

(3) both designate depositories and make investments as provided in this subdivision.

118A.02 DEPOSITORIES; INVESTING: SALES, PROCEEDS, IMMUNITY. (CONTINUED)

Subd. 2.Sale; proceeds; immunity, if loss.

(a) The treasurer or chief financial officer of a government entity may at any time sell obligations purchased pursuant to this section and the money received from such sale, and the interest and profits or loss on such investment shall be credited or charged, as the case may be, to the fund from which the investment was made.

(b) Neither such official nor government entity, nor any other official responsible for the custody of such funds, shall be personally liable for any loss sustained from the deposit or investment of funds in accordance with the provisions of sections **118A.04** and **118A.05**.

118A.03 WHEN AND WHAT COLLATERAL REQUIRED.

Subdivision 1.For deposits beyond insurance.

To the extent that funds on deposit at the close of the financial institution's banking day exceed available federal deposit insurance, the government entity shall require the financial institution to furnish collateral security or a corporate surety bond executed by a company authorized to do business in the state. For the purposes of this section, "banking day" has the meaning given in Federal Reserve Board Regulation CC, Code of Federal Regulations, title 12, section 229.2(f), and incorporates a financial institution's cutoff hour established under section **336.4-108**.

Subd. 2.In lieu of surety bond.

The following are the allowable forms of collateral in lieu of a corporate surety bond:

(1) United States government Treasury bills, Treasury notes, Treasury bonds;

(2) issues of United States government agencies and instrumentalities as quoted by a recognized industry quotation service available to the government entity;

(3) general obligation securities of any state or local government with taxing powers which is rated "A" or better by a national bond rating service, or revenue obligation securities of any state or local government with taxing powers which is rated "AA" or better by a national bond rating service;

(4) general obligation securities of a local government with taxing powers may be pledged as collateral against funds deposited by that same local government entity;

(5) irrevocable standby letters of credit issued by Federal Home Loan Banks to a municipality accompanied by written evidence that the bank's public debt is rated "AA" or better by Moody's Investors Service, Inc., or Standard & Poor's Corporation; and

(6) time deposits that are fully insured by any federal agency.

Subd. 3. Amount.

The total amount of the collateral computed at its market value shall be at least ten percent more than the amount on deposit at the close of the financial institution's banking day, except that where the collateral is irrevocable standby letters of credit issued by Federal Home Loan Banks, the amount of collateral shall be at least equal to the amount on deposit at the close of the financial institution's banking day. The financial institution may furnish both a surety bond and collateral aggregating the required amount.

Subd. 4.Assignment.

Any collateral pledged shall be accompanied by a written assignment to the government entity from the financial institution. The written assignment shall recite that, upon default, the financial institution shall release to the government entity on demand, free of exchange or any other charges, the collateral pledged. Interest earned on assigned collateral will be remitted to the financial institution so long as it is not in default. The government entity may sell the collateral to recover the amount due. Any surplus from the sale of the collateral shall be payable to the financial institution, its assigns, or both.

Subd. 5.Withdrawal of excess collateral.

A financial institution may withdraw excess collateral or substitute other collateral after giving written notice to the governmental entity and receiving confirmation. The authority to return any delivered and assigned collateral rests with the government entity.

Subd. 6.Default.

For purposes of this section, default on the part of the financial institution includes, but is not limited to, failure to make interest payments when due, failure to promptly deliver upon demand all money on deposit, less any early withdrawal penalty that may be required in connection with the withdrawal of a time deposit, or closure of the depository. If a financial institution closes, all deposits shall be immediately due and payable. It shall not be a default under this subdivision to require prior notice of withdrawal if such notice is required as a condition of withdrawal by applicable federal law or regulation.

Subd. 7.Safekeeping.

All collateral shall be placed in safekeeping in a restricted account at a Federal Reserve bank, or in an account at a trust department of a commercial bank or other financial institution that is not owned or controlled by the financial institution furnishing the collateral. The selection shall be approved by the government entity.

NOTE: The amendments made to subdivisions 1 and 3 by Laws 2004, chapter 151, sections 1 and 2, are effective retroactively from the beginning of a government entity's fiscal year 2003 and apply to each fiscal year thereafter. Laws 2004, chapter 151, section 3.

118A.04 INVESTMENTS.

Subdivision 1. **What may be invested.** Any public funds, not presently needed for other purposes or restricted for other purposes, may be invested in the manner and subject to the conditions provided for in this section.

Subd. 2. **United States securities.** Public funds may be invested in governmental bonds, notes, bills, mortgages (excluding high-risk mortgage-backed securities), and other securities, which are direct obligations or are guaranteed or insured issues of the United States, its agencies, its instrumentalities, or organizations created by an act of Congress.

Subd. 3. **State and local securities.** Funds may be invested in the following:

(1) any security which is a general obligation of any state or local government with taxing powers which is rated "A" or better by a national bond rating service;

(2) any security which is a revenue obligation of any state or local government which is rated "AA" or better by a national bond rating service;

(3) a general obligation of the Minnesota housing finance agency which is a moral obligation of the state of Minnesota and is rated "A" or better by a national bond rating agency; and

(4) any security which is an obligation of a school district with an original maturity not exceeding 13 months and (i) rated in the highest category by a national bond rating service or (ii) enrolled in the credit enhancement program pursuant to section 126C.55.

Subd. 4. **Commercial papers.** Funds may be invested in commercial paper issued by United States corporations or their Canadian subsidiaries that is rated in the highest quality category by at least two nationally recognized rating agencies and matures in 270 days or less.

Subd. 5. **Time deposits.** Funds may be invested in time deposits that are fully insured by the Federal Deposit Insurance Corporation or bankers acceptances of United States banks.

Subd. 6. **High-risk mortgage-backed securities.** For the purposes of this section and section 118A.05, "high-risk mortgage-backed securities" are:

(1) interest-only or principal-only mortgage-backed securities; and

(2) any mortgage derivative security that:

(i) has an expected average life greater than ten years;

(ii) has an expected average life that:

(A) will extend by more than four years as the result of an immediate and sustained parallel shift in the yield curve of plus 300 basis points; or

(B) will shorten by more than six years as the result of an immediate and sustained parallel shift in the yield curve of minus 300 basis points; or

(iii) will have an estimated change in price of more than 17 percent as mediate and sustained parallel shift in the yield curve of plus or minus 300 basis points.

118A.04 INVESTMENTS.

Subd. 7. **Temporary general obligation bonds.** Funds may be invested in general obligation temporary bonds of the same government entity issued under section 429.091, subdivision 7, 469.178, subdivision 5, or 475.61, subdivision 6.

Subd. 8. **Debt service funds.** Funds held in a debt service fund may be used to purchase any obligation, whether general or special, of an issue which is payable from the fund, at such price, which may include a premium, as shall be agreed to by the holder, or may be used to redeem any obligation of such an issue prior to maturity in accordance with its terms. The securities representing any such investment may be sold by the government entity at any time, but the money so received remains part of the fund until used for the purpose for which the fund was created. Any obligation held in a debt service fund from which it is payable may be canceled at any time unless otherwise provided in a resolution or other instrument securing obligations payable from the fund.

Subd. 9. **Broker; statement and receipt.** (a) For the purpose of this section and section 118A.05, the term "broker" means a broker-dealer, broker, or agent of a government entity, who transfers, purchases, sells, or obtains securities for, or on behalf of, a government entity.

(1) Prior to completing an initial transaction with a broker, a government entity shall provide annually to the broker a written statement of investment restrictions which shall include a provision that all future investments are to be made in accordance with Minnesota Statutes governing the investment of public funds.

(2) A broker must acknowledge annually receipt of the statement of investment restrictions in writing and agree to handle the government entity's account in accordance with these restrictions. A government entity may not enter into a transaction with a broker until the broker has provided this written agreement to the government entity.

(3) The state auditor shall prepare uniform notification forms which shall be used by the government entities and the brokers to meet the requirements of this subdivision.

118A.05 CONTRACTS AND AGREEMENTS.

Subdivision 1.May enter into.

In addition to other authority granted in sections **118A.01** to **118A.06**, government entities may enter into contracts and agreements as follows.

stat.118A.05.2

Subd. 2.Repurchase agreements.

Repurchase agreements consisting of collateral allowable in section **118A.04**, and reverse repurchase agreements may be entered into with any of the following entities:

(1) a financial institution qualified as a "depository" of public funds of the government entity;

(2) any other financial institution which is a member of the Federal Reserve System and whose combined capital and surplus equals or exceeds $10,000,000;

(3) a primary reporting dealer in United States government securities to the Federal Reserve Bank of New York; or

(4) a securities broker-dealer licensed pursuant to chapter 80A, or an affiliate of it, regulated by the Securities and Exchange Commission and maintaining a combined capital and surplus of $40,000,000 or more, exclusive of subordinated debt.

Reverse agreements may only be entered into for a period of 90 days or less and only to meet short-term cash flow needs. In no event may reverse repurchase agreements be entered into for the purpose of generating cash for investments, except as stated in subdivision 3.

stat.118A.05.3

Subd. 3.Securities lending agreements.

Securities lending agreements, including custody agreements, may be entered into with a financial institution meeting the qualifications of subdivision 2, clause (1) or (2), and having an office located in Minnesota. Securities lending transactions may be entered into with entities meeting the qualifications of subdivision 2 and the collateral for such transactions shall be restricted to the securities described in this section and section **118A.04**.

§

Subd. 4.Minnesota joint powers investment trust.

Government entities may enter into agreements or contracts for:

(1) shares of a Minnesota joint powers investment trust whose investments are restricted to securities described in this section, section **118A.04, and section 118A.07, subdivision 7**;

(2) units of a short-term investment fund established and administered pursuant to regulation 9 of the Office of the Comptroller of the Currency, in which investments are restricted to securities described in this section and section **118A.04**;

(3) shares of an investment company which is registered under the Federal Investment Company Act of 1940 and which holds itself out as a money market fund meeting the conditions of rule 2a-7 of the Securities and Exchange Commission and is rated in one of the two highest rating categories for money market funds by at least one nationally recognized statistical rating organization; or

(4) shares of an investment company which is registered under the Federal Investment Company Act of 1940, and whose shares are registered under the Federal Securities Act of 1933, as long as the investment company's fund receives the highest credit rating and is rated in one of the two highest risk rating categories by at least one nationally recognized statistical rating organization and is invested in financial instruments with a final maturity no longer than 13 months.

stat.118A.05.5

Subd. 5.Guaranteed investment contracts.

Agreements or contracts for guaranteed investment contracts may be entered into if they are issued or guaranteed by United States commercial banks, domestic branches of foreign banks, United States insurance companies, or their Canadian subsidiaries, or the domestic affiliates of any of the foregoing. The credit quality of the issuer's or guarantor's short- and long-term unsecured debt must be rated in one of the two highest categories by a nationally recognized rating agency. Agreements or contracts for guaranteed investment contracts with a term of 18 months or less may be entered into regardless of the credit quality of the issuer's or guarantor's long-term unsecured debt, provided that the credit quality of the issuer's short-term unsecured debt is rated in the highest category by a nationally recognized rating agency. Should the issuer's or guarantor's credit quality be downgraded below "A", the government entity must have withdrawal rights.

118A.06 SAFEKEEPING; ACKNOWLEDGEMENTS.

(a) Investments, contracts, and agreements may be held in safekeeping with:

(1) any Federal Reserve bank;

(2) any bank authorized under the laws of the United States or any state to exercise corporate trust powers, including, but not limited to, the bank from which the investment is purchased;

(3) a primary reporting dealer in United States government securities to the Federal Reserve Bank of New York; or

(4) a securities broker-dealer, or an affiliate of it, that meets the following requirements:

(i) it is registered as a broker-dealer under chapter 80A or is exempt from the registration requirements;

(ii) it is regulated by the Securities and Exchange Commission; and

(iii) it maintains insurance through the Securities Investor Protection Corporation or excess insurance coverage in an amount equal to or greater than the value of the securities held.

(b) The government entity's ownership of all securities under paragraph (a) must be evidenced by written acknowledgments identifying the securities by the names of the issuers, maturity dates, interest rates, CUSIP number, or other distinguishing marks.

118A.07 ADDITIONAL INVESTMENT AUTHORITY.

118A.07 ADDITIONAL INVESTMENT AUTHORITY.

stat.118A.07.1

Subdivision 1.Authority provided.

As used in this section, "governmental entity" means a city with a population in excess of 200,000, a county that contains a city of that size, or the Metropolitan Council. If a governmental entity meets the requirements of subdivisions 2 and 3, it may exercise additional investment authority under subdivisions 4, 5, and 6.

stat.118A.07.2

Subd. 2.Written policies and procedures.

Prior to exercising any additional authority under subdivisions 4, 5, and 6, the governmental entity must have written investment policies and procedures governing the following:

(1) the use of or limitation on mutual bond funds or other securities authorized or permitted investments under law;

(2) specifications for and limitations on the use of derivatives;

(3) the final maturity of any individual security;

(4) the maximum average weighted life of the portfolio;

(5) the use of and limitations on reverse repurchase agreements;

(6) credit standards for financial institutions with which the governmental entity deals; and

(7) credit standards for investments made by the governmental entity.

stat.118A.07.3

Subd. 3.Oversight process.

Prior to exercising any authority under subdivisions 4, 5, and 6, the governmental entity must establish an oversight process that provides for review of the governmental entity's investment strategy and the composition of the financial portfolio. This process shall include one or more of the following:
(1) audit reviews;
(2) internal or external investment committee reviews; and
(3) internal management control.
Additionally, the governing body of the governmental entity must, by resolution, authorize its treasurer to utilize the additional authorities under this section within their prescribed limits, and in conformance with the written limitations, policies, and procedures of the governmental entity.
If the governing body of a governmental entity exercises the authority provided in this section, the treasurer of the governmental entity must annually report to the governing body on the findings of the oversight process required under this subdivision. If the governing body intends to continue to exercise the authority provided in this section for the following calendar year, it must adopt a resolution affirming that intention by December 1.

stat.118A.07.4

Subd. 4.Repurchase agreements.

A governmental entity may enter into repurchase agreements as authorized under section **118A.05**, provided that the exclusion of mortgage-backed securities defined as "high-risk mortgage-backed securities" under section **118A.04, subdivision 6**, shall not apply to repurchase agreements under this authority if the margin requirement is 101 percent or more.

stat.118A.07.5

Subd. 5.Reverse repurchase agreements.

Notwithstanding the limitations contained in section **118A.05, subdivision 2**, the governmental entity may enter into reverse repurchase agreements to:
(1) meet cash flow needs; or
(2) generate cash for investments, provided that the total securities owned shall be limited to an amount not to exceed 130 percent of the annual daily average of general investable monies for the fiscal year as disclosed in the most recently available audited financial report. Excluded from this limit are:
(i) securities with maturities of one year or less; and
(ii) securities that have been reversed to maturity.
There shall be no limit on the term of a reverse repurchase agreement. Reverse repurchase agreements shall not be included in computing the net debt of the governmental entity, and may be made without an election or public sale, and the interest payable thereon shall not be subject to the limitation in section **475.55**. The interest shall not be deducted or excluded from gross income of the recipient for the purpose of state income, corporate franchise, or bank excise taxes, or if so provided by federal law, for the purpose of federal income tax.

stat.118A.07.6

Subd. 6.Options and futures.

A governmental entity may enter into futures contracts, options on futures contracts, and option agreements to buy or sell securities authorized under law as legal investments for governmental entities, but only with respect to securities owned by the governmental entity, including securities that are the subject of reverse repurchase agreements under this section that expire at or before the due date of the option agreement.

§

Subd. 7.Negotiable certificates of deposit.

A Minnesota joint powers investment trust may invest funds in negotiable certificates of deposit or other evidences of deposit, with a remaining maturity of three years or less, issued by a nationally or state-chartered bank, a federal or state savings and loan association, or a state-licensed branch of a foreign bank, except that for obligations with a maturity of one year or less, the debt obligations of the issuing institution or its parent are rated in the top short-term rating category by at least two nationally recognized statistical ratings organizations and for obligations with a maturity in excess of one year, the senior debt obligations of the issuing institution or its parent are rated at least A or its equivalent by at least two nationally recognized statistical ratings organizations. Investments in these instruments shall not be subject to the collateralization requirements of section **118A.03**.

History:

1996 c 399 art 1 s 8; **2014 c 292 s 5**

118A.08 NO SUPERSEDING EFFECT.

Except as provided in Laws 1996, chapter 399, article 1, section 11, sections **118A.01** to **118A.06** shall not supersede any general or special law relating to the deposit and investment of public funds.

Purchasing Policy
Amended January 6, 2009
Amended December 15, 2009
Amended August 16, 2011
Amended June 3, 2014
Amended March 15, 2016- Addendum
Amended January 17, 2017
Amended October 19, 2021
Adopted November 2, 2021 (supercedes)

PURPOSE

The City of Isanti will support a purchasing policy that provides quality goods and services that meet the need of the City. These goods and services will be acquired in a manner to maximize the value received for each tax dollar spent. Purchasing policies are designed to facilitate the effective delivery of municipal services while maintaining adequate financial controls.

All purchasing by local government units is regulated by State Law. Consequently, these laws will govern each employee's responsibility in all purchasing processes.

The primary basis for the City's system of internal control is the City's annual budget. The budget, as adopted by the City Council, serves as the basis for the City's spending for that year. All purchases must be within a department's annually adopted final operating or capital budget.

It will be the responsibility of each City employee to adhere to the purchasing process and procedures for the actual ordering/purchasing of goods and services, procedures for receiving and reporting purchases and procedures for payment of vendor invoices.

The City of Isanti encourages its staff to consider local purchasing when all factors are relatively equal.

GUIDELINES

It is the policy of the City of Isanti that the following ethical principles shall govern the conduct of every employee involved, directly or indirectly, in the City procurement process.

1. All purchases must be within a department's annually adopted final operating or capital budget.

2. Employees will avoid activities which would compromise or give the perception of compromising the best interests of the City of Isanti. Employees will not knowingly use confidential proprietary information for actual or anticipated personal gain.

3. Employees will follow guidelines outlined within the City's approved Fuel Card and Credit Card Use Program.

4. Employees will avoid any activity that would create a conflict between their personal

interest and the best interest of the City. Conflicts exist in any relationship where a person is not acting in the City's best interest and may be acting in their own interest or the interest of someone associated with them. Such conflicts of interest would include being involved in any procurement in which:

a. The employee or any member of the employee's family has a financial interest pertaining to the City procurement process.
b. A business or organization in which the employee, or any member of the employee's family, has a financial interest pertaining to the City procurement process.
c. Any other person, business, or organization with whom the employees or a member of the employee's family is negotiating or has an arrangement concerning prospective employment.

If such conflicts of interest exist, the employee will notify the City Administrator in writing and will remove him/herself from the City procurement process.

5. Employees will avoid the appearance of unethical or compromising practices in relationship, actions, and communications regarding the procurement process.

6. Employees will never solicit or accept money, loans, gifts, favors, or anything of value, from present or potential contractors which might influence or appear to influence a purchasing decision. If anyone is in doubt about whether a specific transaction complies with this policy, the person should disclose the transaction to the City Administrator for a determination of compliance.

7. The City of Isanti shall be environmentally conscious by encouraging the use of recycled products whenever reasonably practical and in the best interest of the City.

8. It is City policy not to endorse or in any way permit an employee's name, position or the City's name to be used and advertised as supporting a product or vendor. This does not apply to giving references for products or services used by the City.

9. No individual shall be allowed to make any purchases for personal use through the City.

10. Effective January 1, 2014, the City, with the exception of the Liquor Store, is exempt from paying sales tax on most goods and services. Reference Minnesota Statutes for current guidelines on Local Government Sales and Use Tax Exemptions.

PURCHASING PROCEDURES

These policies regulating the degree of formality are to be followed in the purchase of goods and services, depending on the costs of the items to be purchased. The splitting of purchases into smaller orders to avoid these requirements is strictly prohibited.

Purchase Level	**Quotes/Bids**	**Approving Authority**
$0 - $2,500	**Invoice**	**Department Head**

$2,500.01 - $10,000	**2 Written Quotes***	**Finance Director**
$10,000.01 - $20,000	**2 Written Quotes***	**City Administrator**
$20,000.01 - $100,000	**3 Written Quotes ***	**City Council**
Over $100,000	**Bids**	**City Council**

**Written quotes or a completed quote form is to be attached where there is more than one feasible source*

All purchases must be within a department's annually adopted final operating or capital budget.

Purchases Under $2,500. Department heads are authorized to purchase directly from vendors for any purchase under $2,500. It is the responsibility of each Department head to insure complete control over this segment of the purchasing process. It is recommended that equipment purchases under $2,500 should have two (2) quotations to confirm competitive pricing. Department heads should designate employees who will be allowed to make purchases and to provide internal control procedures to ensure that all purchases are for legitimate public purposes and all purchases accounted for.

Purchases from $2,500.01 to $10,000. Purchase requisitions for goods or services having a value of $2,500 to $10,000 must be submitted for approval by the City Finance Director prior to placing an order with a vendor. Before submitting a purchase requisition, Department heads must obtain two (2) or more written quotations for the goods or services required. The quotations may be in any written format and signed by an authorized representative of the vendor. The purchase requisition awarding the purchase to the lowest responsible bidder should then be forwarded to the City Finance Director who will check to ensure that the quotation form has been completed correctly and that funds are available in the appropriate budget. If Department heads are unable to secure two (2) quotations, a notation explaining why less than two (2) qualified vendors were available should be made on the quotation form, attached to the purchase order and forwarded to the City Finance Director. When seeking two (2) quotes, the practice of "auctioneering" should be avoided by refusing to disclose to a vendor the price quoted by competitors. Purchase requisition and quotation request form will be attached to the appropriate City Council bill list.

Purchases from $10,000.01 to $20,000 The same procedures apply as when purchasing from $2,500 to $10,000 except that once approved by the Finance Director further approval must be made by the City Administrator.

Purchases from $20,000.01 to $175,000 Prior to processing a purchase requisition to secure goods or services valued at $20,000 to $100,000, Department heads must obtain three (3) written quotations. For purchases over $25,000 the State of Minnesota's Cooperative Purchasing Venture (CPV) must be considered. If Department Heads are unable to secure three (3) written quotations a memo explaining why less than three (3) qualified vendors were available as well as the Quotation Request form should be attached to the purchase order and forwarded to the City Clerk/Assistant for placement on the City Council agenda. All purchases over $20,000 require City Council approval. The Quotation Request form requires appropriate planning to ensure that adequate lead time is available to satisfy the purchasing requirements.

Purchases over $175,000 Department heads anticipating the purchase of goods or services valued over $175,000 should prepare specifications based upon standards appropriate to meet the City's

needs. For local improvement contracts that are paid for with special assessments the purchases over $175,000 process must be used. Specifications should be forwarded to the City Clerk. The City Clerk will then direct the preparation of the necessary bid packet, public notices and advertisements to meet the City's purchasing policy and will also send invitations to bid to qualified vendors. Department heads should submit a list of such vendors along with the specifications. A bid packet containing an invitation to bid, specifications, and general bid documents will be sent to these vendors, as well as those that respond to the legal notice. Formal bids will be advertised for at least ten (10) business days prior to bid opening.

After the bids are opened, the bids will be referred to the Department head for review. The Department head will prepare a written tabulation of all bids and draft a memo to the City Clerk that will be placed on the next City Council Agenda, which will include the Department heads recommendation for the bid award. All purchases over $20,000 must be awarded by the City Council. The award will normally be made to the low bidder meeting specifications. If not, documentation should be made to list the reasons why other than the low bidder was selected in the best interest of the City. Performance bonds and payments bonds are required for all public work contracts over $75,000. Bid bonds may be requested. Workers compensation insurance and general insurance certificates may also be required with the City of Isanti named as an additional insured.

Independent Contractor Exemption Certificate (ICEC) Residential and commercial building construction or improvement service independent contractors carrying on a trade or business as a sole proprietor must present an ICEC when submitting a quote or bid. In accordance with state law if a sole proprietor does not have an ICEC the individual becomes an employee of the City of Isanti. Payments made to a sole proprietor are subject to 2% withholding for Minnesota income tax if the work was performed in the State of Minnesota and the total payments during the year exceed $600.

State of Minnesota Cooperative Purchasing Program All requirements of this policy are deemed to be met if purchases are made through this State Program. Depending upon purchase level of item appropriate approvals still apply. All purchases over $25,000 require consideration of the Cooperative Purchasing Venture (CPV).

Cumulative Purchases The same purchase level guidelines under PURCHASING GUIDELINES remain effective for the total amount purchased throughout the year, however purchases for the same product may be made by a department by obtaining quotes/bids once during the year. Example: Sand/salt purchases for public works.

Emergency Purchases An "emergency" is defined as an unforeseen combination of circumstances that calls for immediate action to prevent a "disaster" from developing or occurring. A "disaster" is defined as a situation that creates an actual or imminent serious threat to the health and safety of persons, or a situation that has resulted or is likely to result in catastrophic loss to property or the environment, and for which traditional sources of relief and assistance within the affected area are unable to repair or prevent the injury or loss.

A "public health emergency" means an occurrence or imminent threat of an illness or health condition in Minnesota where there is evidence that the cause of the illness or health condition is bioterrorism, or an airborne infectious agent or toxin and that the illness poses a high probability of a large number of deaths or disabilities or widespread exposure to an airborne infectious agent that poses a significant risk to a large number of people.

Unbudgeted Expenditures by Department Heads may be permitted with approval from the City Administrator in amounts up to $1,000 provided the expenditure is deemed necessary by the City Administrator and does not leave the Department's aggregate budget over the annually approved budget amount. If the latter occurs a budget amendment may be required at the direction of the Finance Director.

Professional Services are considered to be unique and are not subject to the bid law even though the contract amount may exceed $175,000. This group includes: architects, engineers, construction managers, attorneys, accountants, consultants, and other services requiring technical, scientific or professional training

Request For Proposal (RFP) can be prepared much the same way as specifications including requirements and minimum standards for the services to be provided. RFP's should be submitted to the city council for review and approval prior to distribution. When a RFP is approved, a limited number of qualified professionals will be invited to submit a proposal setting forth their interest, qualifications and how they can meet the City's needs. In securing professional services it is the primary goal of the City to obtain the services of a professional who has a proven record of providing in a professional way those services required. A contract will be negotiated with the professional deemed to best meet the City's needs.

Contracts Only the city council may make contracts on behalf of the city. Individual council members, council committees, and city administrative officers may not enter into these contracts.

The following purchases are exempt from this purchasing policy:

Utility invoices-telephone, electric, natural gas, gasoline, mileage, products purchased for resale, emergency purchases, maintenance and repairs, schools, conferences and meeting reimbursements.

Major capital repairs beyond normal maintenance are NOT exempt from the purchasing policy.

Environmental Sustainability is promoted by conserving natural resources, minimizing environmental impacts, such as pollution and supporting strong recycling markets. Increasing the use and availability of environmentally preferable products that protect the environment. Rewarding manufacturers and vendors that reduce environmental impacts in their production and distribution systems. Creating a model for successfully purchasing environmentally preferable products that encourages other purchasers in our community to adopt similar goals. Lowering overall costs by addressing full cost accounting (purchase, maintenance, disposal, staff time, and labor) and leveraging buying power.

The following guidelines are to be followed as practicable by the City of Isanti:

1. Recycled Paper Products and Recycled-Content Products. Per Minnesota Statute 16B.122 and per the Federal Environmental Protection Agency's (EPA) requirements, the City of Isanti will endeavor to purchase paper products containing the highest postconsumer content practicable, but no less than 30% recycled-content for copy paper (which is the minimum recycled content standard established by the EPA Comprehensive Procurement Guidelines: www.epa.gov). The City should purchase other products made with recycled material whenever possible and economically feasible.

2. Waste Minimization. The City should buy in bulk whenever practicable to reduce packaging. Packaging that is reusable, recyclable or compostable is preferred, when suitable uses and programs exist.

3. Energy Saving Products. All appliances and products purchased by the City, for which the US EPA Energy Star certification is available, will meet Energy Star certification, provided such products are available and financially feasible (www.energystar.gov). This would include lighting systems, exhaust fans, water heaters, computers, exit signs, and appliances, such as refrigerators, dishwashers, and microwave ovens.

4. Water Saving Products. Water saving products purchased by the City will meet the WaterSense certification when such products are available and financially feasible (www.epa.gov.) This includes, but is not limited to, high-performing fixtures, such as toilets, waterless urinals, low-flow faucets and aerators, and upgraded irrigation systems.

5. Cleaning Products. Cleaning products purchased by the City will meet Green Seal, EcoLogo, and/or U.S. EPA Design for the Environment cleaning product standards, if such products are practicable, available, and perform to an acceptable standard.

6. Lighting. The City should purchase and install LED lighting on any new construction, retrofits, remodels or replacement projects, including street lighting.

When purchasing products and services for the City, staff will:

1. Ensure that specifications support the use of reusable, recycled, or environmentally preferable products by following these guidelines.

2. Evaluate environmentally preferable products to determine the extent to which they may be used by the department and its contractors.

3. Facilitate data collection on purchases of designated environmentally preferable products by the department in order to determine the effectiveness of the products and services.

4. Use a standard of accepting a 10% increased cost for these items. Financial incentives should be taken into consideration in cost comparisons.

5. All City departments are responsible for implementation of this policy and to ensure their respective employees are fully aware and supportive of the City's policy to purchase environmentally preferable goods and services. City staff will implement environmental sustainability guidelines in conjunction with the city's normal purchasing procedure and with consideration of the above price differential

Federal Grants Administration Policy

Adopted November 2nd 2021

Goal

The goal of the City Council is to establish administrative requirements and cost principles for Federal grant awards received by the City of Isanti and the Economic Development Authority of the City of Isanti that comply with Key Policy Areas identified by the Office of Management and Budget.

Objective

The objective of the City Council in meeting this goal is to ensure compliance with OMB Uniform Grant Guidance:

a. Have effective controls in place to manage Federal awards and show compliance with Federal Statutes, regulations and terms and conditions of the award by identifying how compliance is evaluated and monitored.
b. Have reasonable procedures in place to protect personally identifiable information (PII) and other information identified as sensitive by Federal agency or pass-through entity.

Procedures

1. Segregation of Duties

a. Personally identifiable information (PII) and sensitive data as defined by a Federal Agency or pass-through entity shall be accessible only by employees who have been determined to have need for the information. The City Administrator and the Finance Director will determine which city staff members need access to personally identifiable information that may be acquired through various Federal grant processes.

b. Only those staff members who are required to access personally identifiable information will be authorized to access it when needed to produce accurate and complete financial data for reliable and timely financial and management reports.

c. The Department Head for the department receiving a Federal Grant Award shall be the primary responsible person to review and approve all costs associated with the Grant.

d. All required reports related to a Federal Grant shall be prepared by the responsible Department Head and reviewed and signed by the City Administrator and any other official as required in the Grant document.

2. Accounting Controls

a. The financial accounting system must identify all federal awards in all accounts that are received and expended by:
    i. CFDA number and title

ii. Federal award ID and year
iii. Name of federal awarding agency
iv. Pass-through entity's name

b. The payment process shall follow the accounting procedures for Accounts Payable.

c. The Department Head assigned responsibility for a federal grant shall review and approve all requests for payment under the federal grant in accordance with Subpart E Cost Principles as well as the terms and conditions of the federal grant award.

d. Federal grant payments received shall be disbursed according to the terms and conditions of the federal grant award. If grant disbursement guidelines are not included the grant proceeds shall be disbursed within 30 days of receipt.

e. Payments to sub recipients are:
   i. Not required to be maintained in separate depository accounts for federal awarded funds.
   ii. Required to be accounted for by receipt, obligation and expenditure of federal funds.

f. Travel costs must be consistent with Section 905 of the City of Isanti Personnel Policy.

g. Personnel compensation from Federal grant awards shall follow the accounting procedures for Payroll to ensure accurate recording of an employee's time activities associated with a federal award.

h. Complete payroll documentation must be maintained for all employees whose salaries are paid in full or in part by a federal award (200.430 (i) (1); and used in meeting cost sharing or matching requirements on Federal awards (200.430 (i) (4).

i. Contracts using Federal grant funds shall be with responsible contractors that can perform successfully meeting the requirements and terms and conditions of contract award based on:
   i. Contractor integrity
   ii. Compliance with public policy
   iii. Record of past performance
   iv. Financial and technical resources

j. Conflict of interest disclosure:
   i. Conflict of Interest forms shall be reviewed to determine if any conflict of interest exists in regard to a Federal Grant Award.
   ii. Any potential conflict of interest that an employee may have relating to a Federal Grant Award must be disclosed in writing to the City Administrator and the Grant issuing Federal Agency.
   iii. Any violation of Federal criminal law that involves fraud, bribery or gratuities that could affect a Federal Grant Award must be disclosed in writing to the City Administrator and Grant issuing Federal Agency.
   iv. Any contractual or administrative issues, which may include disputes, protests and source evaluations, must be referred to the office of the City

Attorney who must provide guidance and facilitate a legal solution to the issue.

k. Procurement of items to be purchased using Federal grant funds shall follow the Purchasing Policy contained in this manual and shall follow all state and federal rules and regulations.
   i. Reasonable effort must be made to avoid purchasing unnecessary or duplicative items.
   ii. Records must be maintained with sufficient detail to provide a historical or audit trail for the procurement.
   iii. Employees who have a conflict of interest relating to the selection of a contractor who will be paid from Federal Grant funds must disclose such conflict of interest to the City Administrator who shall name another employee to select an appropriate contractor.

l. Performance reporting will require:
   i. Financial data to be related to performance of accomplishments.
   ii. Oversight and monitoring must cover each program or activity.
   iii. Quantifiable data when available.
   iv. Trend data or data analysis
   v. Explanation of reasons why goals were not met or explanation of any cost overruns.

m. Prior written approval must be received from the Federal Grant Award Agency for indirect costs or the incurrence of special or unusual costs and the Federal Agency approval should include timeframe or written agreement.

n. Report Certification for the Authorizing Official for any Federal Grant Award must sign a certification on the annual and final fiscal report or voucher requesting payments that includes the following language:

"By signing this report, I certify to the best of my knowledge and belief that the report is true, complete, and accurate, and the expenditures, disbursements and cash receipts are for the purposes and objective set forth in the terms and conditions of the Federal award. I am aware that any false, fictitious, or fraudulent information, or the omission of any material fact, may subject me to criminal, civil or administrative penalties for fraud, false statements, false claims or otherwise. (U.S. Code Title 18, Section 1001 and Title 31, Sections 3729-32730 and 3801-3812)."

RESOLUTION 2021-XXX

ADOPTING THE COMMECIAL DOT DRUG AND ALCOHOL TESTING POLICY

WHEREAS, the City of Isanti preforms random, reasonable suspicion and at hire drug and alcohol testing on DOT staff; and,

WHEREAS, cities must test any employees whose jobs require them to have a commercial driver's license; and,

WHEREAS, the Omnibus Transportation Employee Testing Act of 1991 requires drug and alcohol testing of employees who drive motor vehicles in safety-sensitive functions; and,

WHEREAS, this policy supersedes Resolution 2007-157 to be added to the Personnel Policy;

NOW THEREFORE BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ISANTI, MINNESOTA to adopt the Transportation Employee Drug and Alcohol Policy as attached as 'Exhibit A'.

This Resolution is hereby approved by the Isanti City Council this 2nd day of November 2021.

Attest: Mayor Jeff Johnson

Jaden Strand
City Clerk

CITY OF ISANTI
COMMERICAL DRIVER'S LICENSE
DRUG AND ALCOHOL POLICY

POLICY STATEMENT

The City of Isanti (City) recognizes applicants and employees who are required to hold a Commercial Driver's License (CDL) to perform safety-sensitive functions are subject to the drug and alcohol testing provisions mandated by the Omnibus Transportation Employee Testing Act of 1991. The City has established this policy on the use of drugs and alcohol, including testing for drugs and alcohol as mandated by Title 49 C.F.R. Part 382. Work performance and safety suffers when employees use or abuse drugs and/or alcohol. The City wishes to provide a safe workplace for our employees, customers, and the general public by maintaining a drug and alcohol free workplace.

To the extent federal statute or regulations change, the policy shall be construed as consistent with those changes. Because changes in applicable law and the City's practices and procedures may occur from time to time, this policy may change in the future, and nothing in this policy is intended to be a contract, promise, or guarantee the City will follow any particular course of action, disciplinary, rehabilitative or otherwise, except as required by law.

COVERAGE AND APPLICABILITY

In response to regulations issued by United States Department of Transportation ("DOT"), the City has adopted this Policy on Alcohol and Controlled Substances for employees who hold a commercial driver's license (CDL) to perform their duties.

All applicants, including persons currently employed by the City, that apply for a position where job duties include operating commercial motor vehicles, will be required to submit to a pre-employment drug test if a job offer is made.

Given the significant dangers of alcohol and controlled substance use, each applicant and driver must abide by this policy as a term and condition of hiring and continued employment. Moreover, the City is required by federal law to implement and maintain a policy which addresses certain requirements related to drug and alcohol use and associated testing for its CDL drivers.

PROCEDURE

To ensure this policy is clearly communicated to all drivers and applicants, and in order to comply with applicable federal law, drivers and applicants are required to review this policy, sign the "CDL Driver Acknowledgement of DOT Drug and Alcohol Policy" form [see Appendix A], and return this documentation to the Human Resources Department.

DEFINITIONS

The following definitions shall define the terms as used in this policy. In the event any conflict should arise between the definitions of terms herein and the definitions of those terms in DOT rules, regulations, interpretations or guidance, the definitions herein shall be deemed superseded and the DOT rules, regulations, interpretations or guidance shall control.

Accident means an occurrence involving a CMV operating on a public road which results in:

1. A fatality; or
2 Bodily injury to a person who, as a result of the injury, immediately receives medical treatment away from the scene of the accident; or
3. One or more motor vehicles incurring disabling damage as a result of the accident, requiring the motor vehicle(s) to be transported away from the scene by a tow truck or other motor vehicle.

Actual knowledge means actual knowledge by an employer that a driver has used alcohol or controlled substances based on the employer's direct observation of the driver, information provided by the driver's previous employer(s), a traffic citation for driving a CMV while under the influence of alcohol or a controlled substance, or a driver's admission of alcohol or controlled substance use under the provisions of Sec. 382.121. Direct observation as used in this definition means observation of alcohol or controlled substance use and does not include observation of driver behavior or physical characteristics sufficient to warrant reasonable suspicion testing under Sec. 382.307. As used in this definition, "traffic citation" means a ticket, complaint, or other document charging driving a CMV while under the influence of alcohol or controlled substances.

Adulterated Specimen means a specimen that has been altered, as evidenced by test results showing either a substance that is not a normal constituent for that type of specimen or showing an abnormal concentration of an endogenous substance.

Alcohol means the intoxicating agent in beverage alcohol, ethyl alcohol or other low molecular weight alcohol including methyl or isopropyl alcohol.

Alcohol Concentration means the alcohol in a volume of breath expressed in terms of grams of alcohol per 210 liters of breath as indicated by an alcohol test conducted under 49 C.F.R. Part 40.

Alcohol Confirmation Test means a subsequent test using an Evidential Breath Testing Device (EBT), following a screening test with a result of 0.02 or greater, that provides quantitative data about the alcohol concentration.

Alcohol Screening Devise (ASD) means a breath or saliva device, other than an EBT, that is approved by the National Highway Traffic Safety Administration and appears on the Office of Drug and Alcohol Policy and Compliance's (ODAPC) Web page for "Approved Screening Devices to Measure Alcohol in Bodily Fluids" because it conforms to the model specifications of National Highway Traffic Safety Administration (NHTSA).

Alcohol Screening Test means an analytic procedure to determine whether an employee may have a prohibited concentration of alcohol in a breath or saliva specimen.

Alcohol Use means the drinking or swallowing of any beverage, liquid mixture or preparation (including any medication) containing alcohol.

Breath Alcohol Technician (BAT) means a person who instructs and assists employees in the alcohol testing process and operates an EBT.

Chain of Custody means a procedure used to document the handling of the urine specimen from the time the employee gives the specimen to the collector until the specimen is destroyed. This procedure uses the Federal Drug Testing Custody and Control Form (CCF).

Collection site means a place designated by the City, where individuals present themselves for the purpose of providing a urine specimen for a drug test.

Commercial Driver's License Drug and Alcohol Clearinghouse (Clearinghouse) means the FMCSA database that 49 C.F.R. Part 382, Subpart G requires employers and service agents to report information to and to query regarding drivers who are subject to the DOT controlled substance and alcohol testing regulations.

Commercial Motor Vehicle (CMV) means a motor vehicle or combination of motor vehicles used to transport passengers or property if the vehicle:

1. Has a gross combination weight rating (GCWR) of 26,001 or more pounds inclusive of a towed unit with a gross vehicle weight rating of more than 10,000 pounds; or
2. Has a gross vehicle weight rating (GVWR) of 26,001 or more pounds, or
3. Is designed to transport 16 or more passengers including the driver; or
4. Is of any size and is used in the transportation of materials found to be hazardous for the purposes of the Hazardous Materials Transportation Act, (49 U.S.C. 5103(b)) and which requires the motor vehicle to be placarded under the Hazardous Materials Regulations (49 C.F.R. Part 172, Subpart F).

Confirmation (or confirmatory) drug test means a second analytical procedure performed on a different aliquot of the original specimen to identify and quantify the presence of a specific drug or drug metabolite.

DHHS is the Department of Health and Human Services or any designee of the Secretary of the Department of Health and Human Services.

Dilute Specimen means a specimen with creatinine and specific gravity values that are lower than expected for human urine.

Disabling Damages means damage which precludes departure of a motor vehicle from the scene of the accident in its usual manner in daylight after simple repairs.

1. *Inclusions.* Damage to motor vehicles that could have been driven, but would have been further damaged if so driven.
2. *Exclusions.*

a) Damage which can be remedied temporarily at the scene of the accident without special tools or parts.
b) Tire disablement without other damage even if no spare tire is available.
c) Headlight or taillight damage.
d) Damage to turn signals, horn or windshield wipers which make them inoperative

Driver means any person who operates a commercial motor vehicle. This includes, but is not limited to: Full time, regularly employed drivers; casual, intermittent or occasional drivers; leased drivers and independent owner-operator contractors. All "drivers" are "employees" for purpose of this policy.

Drugs (or Controlled Substances) means the substance for which laboratories are required to test for under 49 C.F.R. Part 40 and FMCSA regulations as each may be amended from time to time.

Employee means any person who is designated in a DOT Agency regulation as subject to drug testing and/or alcohol testing. For purposes of drug testing, the term employee has the same meaning as the term "donor" does in connection with Custody and Control Forms and Department of Health and Human Service regulations and guidance.

Evidential Breath Testing Device (EBT) means a device that is approved by the NHTSA for the evidential testing of breath at the .02 and .04 alcohol concentration, and appears on ODAPC's Web page for "Approved Evidential Breath Measurement Devices" because it conforms with the model specifications available from NHTSA.

FMCSA is the Federal Motor Carrier Safety Administration.

Initial Drug Test (also known as a screening drug test) means the test used to differentiate a negative specimen from one that requires further testing for drugs or drug metabolite.

Laboratory means any US laboratory certified by DHHS under the National Laboratory Certification Program as meeting the minimum standards of Subpart C of DHHS Mandatory Guidelines for Federal Workplace Drug Testing Programs; or in the case of foreign laboratories, a laboratory approved for participation by DOT under this part.

Licensed medical practitioner means a person who is licensed, certified, and/or registered, in accordance with applicable federal, state, local, or foreign laws and regulations, to prescribe controlled substances and other drugs.

Medical Review Officer (MRO) means a person who is a licensed physician and who is responsible for receiving and reviewing laboratory results generated by an employer's drug testing program and evaluating medical explanations for certain drug test results.

Negative return-to-duty test result means a return-to-duty test with a negative drug test result and/or and alcohol test with an alcohol concentration of less than 0.02 as described in 49 C.F.R. Part 40.305.

Prescription Medications means the use (by a driver) of legally prescribed medications issued by a licensed health care professional familiar with the driver's work related responsibilities.

Random selection means a mechanism for selection of employees for testing where each employee has an equal chance of being selected each time selection are made.

Reasonable suspicion means that the employer believes the appearance, behavior, speech, etc. of an employee are indicative of the use of a drugs or alcohol based on the observation of at least one (1) supervisor or official who has received training in the identification of behaviors indicative of drug and/or alcohol use.

Safety-sensitive function means all time from the time a driver begins to work or is required to be in readiness to work until the time the driver is relieved from work and all responsibility for performing work. Safety-sensitive functions shall include:

1. All time at an employer or shipper plant, terminal, facility, or other property, or on any public property, waiting to be dispatched, unless the driver has been relieved from duty by the employer;
2. All time inspecting equipment as required by the Federal Motor Carrier Safety Regulations, or otherwise inspecting servicing, or conditioning any CMV at any time;
3. All time spent at the driving controls of a CMV in operation;
4. All time, other than driving time, in or upon any CMV except time spent resting in a sleeper berth;
5. All time loading or unloading a vehicle, supervising, or assisting in the loading or unloading, attending a vehicle being loaded or unloaded, remaining in readiness to operate the vehicle, or in giving or receiving receipts for shipments loaded or unloaded;
6. All time repairing, obtaining assistance, or remaining in attendance upon a disabled vehicle;

Screening Test Technician (STT) means anyone meeting the requirements for a BAT that may act as a SST, provided that the individual has demonstrated proficiency in the operation of a non-evidential screening device.

Service Agent or Third Party Administrator means any person or entity, other than an employee of the employer, who provides

services specified under this part to employers and/or employees in connection with DOT drug and alcohol testing requirements.

Substance Abuse Professional (SAP) means a person who evaluates employees who have violated a DOT alcohol and drug regulation and makes recommendations concerning education, treatment, follow-up testing, and aftercare.

Substituted Specimen means a specimen with creatinine and specific gravity values that are so diminished that they are not consistent with human urine.

RESPONSIBILITIES

All employees are strictly prohibited from using, possessing, selling, transferring, transporting, or being under the influence of drugs or alcohol while working, performing job duties, while on the employer's premises, or while operating the employer's vehicles or equipment.

It is the City's responsibility to provide testing for drivers that is in compliance with all federal and state laws and regulations, and within the provisions of this policy. The City will retain all records related to this testing. The City's designated person(s) to retain records, monitor, facilitate, and answer questions pertaining to these procedures is the City Human Resources Director or designee(s).

The supervisor(s) of drivers is responsible to be able to make reasonable suspicion observations to determine if the driver is impaired in some way, and be prepared to implement the requirements of this policy if necessary.

The driver is responsible for complying with the requirements set forth in this policy. The driver will not use, have possession of, abuse, or have the presence of alcohol or any controlled substance in excess of regulation-established threshold levels while on duty. The driver will not use alcohol within 4 hours prior to performing a safety-sensitive function, while performing a safety-sensitive function, immediately after performing a safety-sensitive function, or as required under post-accident testing.

The driver must submit to alcohol and controlled substances tests administered under Part 382.

The driver is responsible to inform their supervisor of any prescription medication use prior to performing a safety-sensitive function which may have an effect on their driving ability. The driver may be required to present written evidence from a health care professional which describes the effects such medications may have on the driver's ability to perform safety-sensitive functions. The City reserves the right to seek additional opinions from qualified medical personnel concerning the potential effects of the prescribed medication on a driver's ability to perform safety-sensitive functions, and to prohibit a driver from performing safety-sensitive functions while they are taking prescription medications. Any such prohibition will be without prejudice and the driver will be allowed to return to duty upon ceasing to use the medication or when the City determines safety-sensitive functions will not be affected upon review of sufficient information, provided by a qualified medical personnel.

PROHIBITED DRUG AND ALCOHOL RELATED CONDUCT

The following alcohol and drug related activities are prohibited by the FMCSA for operators of CMV(s):

1. Reporting for duty or remaining on duty to perform safety-sensitive functions while having an alcohol concentration of 0.04 or greater.
2. Being on duty or operating a CMV while possessing alcohol, unless that alcohol is manifested as a part of a shipment. This includes the possession of medicines containing alcohol (prescription or over the counter), unless the package seal is unbroken.
3. Using alcohol while performing safety-sensitive functions.
4. Performing safety-sensitive functions within four (4) hours after using alcohol.
5. When required to submit a post-accident test, using alcohol within eight (8) hours following the accident or prior to undergoing a post-accident alcohol test, whichever comes first.
6. Refusing to submit to an alcohol or drug test required by post-accident, random, reasonable cause, return to duty, or follow up testing requirements.
7. Reporting for duty or remaining on duty, requiring the performance of safety-sensitive functions, when the driver uses any drug, except when instructed to by a licensed medical practitioner who has advised the driver that the substances do not adversely affect the driver's ability to operate a CMV.
8. Reporting for duty, remaining on duty, or performing a safety-sensitive function after testing positive for drugs.

OTHER ALCOHOL RELATED CONDUCT

FMCSA rules require that in the event of an alcohol test result equal or greater than 0.02 BAC, but less than 0.04 BAC the employee will not be permitted to perform safety-sensitive duties for a minimum of 24 hours.

TYPE OF TESTING REQUIRED

PRE-EMPLOYMENT TESTING (Sec. 382.301): All applicants, including employees currently employed by the employer, applying for a job where duties include operating a CMV, are required to submit to pre-employment testing for controlled substances, if a job offer is made. The offer is contingent upon all of the following:

1. A negative result of the drug test.
a) Diluted specimens: A Positive diluted specimen verified and reported by the MRO will be treated as a verified positive test. A Negative diluted specimen verified and reported by the MRO will be directed to immediately take another test. The test of any second test conducted shall be the final test result.
2. The applicant's written agreement authorizing all former employers to release to the Employer all information about the applicant concerning the following items within the last three (3) years:
a) alcohol tests with result of 0.04 BAC or greater,
b) positive test results for drugs,
c) refusals to be tested,
d) any SAP referrals or evaluations
3. The receipt of acknowledgements from all former employers in a manner satisfactory to the Employer indicating that none of the items referenced in paragraph 2 above have occurred with respect to the applicant.
4. Verification that applicant has submitted electronic consent through the Clearinghouse granting access to the applicant's Clearinghouse records to determine whether the Driver:
a) Has a verified positive, adulterated, or substituted controlled substances test result;
b) Has an alcohol confirmation test with a concentration of 0.04 or higher;
c) Has refused to submit to a test in violation of §382.211;
d) That an employer has reported actual knowledge, as defined at §382.107;
e) That the driver used alcohol on duty in violation of §382.205;
f) That the driver used alcohol before duty in violation of §382.207;
g) That the driver used alcohol following an accident in violation of §382.209;
h) That the driver used controlled substance in violation of §382.213.
5. Completion of a successful query of the Clearinghouse indicating that none of the items referenced in paragraph 4 above have occurred with respect to the applicant.

An applicant who submits a specimen which the MRO verifies and reports to be an adulterated or substituted specimen will be deemed to have refused to submit to testing.

The employer will not consider an applicant for employment who received a verified positive test result.

An applicant who refuses to submit to a controlled substance test shall be disqualified from further consideration for the conditionally offered position.

POST-ACCIDENT TESTING (Sec. 382.303): If a driver is involved in an accident, the driver shall immediately notify their supervisor. The driver is subject to post-accident testing if the accident involved:

1. a fatality,
2. bodily injury with immediate medical treatment away from the scene,
3. disabling damage to any motor vehicle requiring tow away, or
4. the driver receiving a citation.

The driver may also be subject to post-accident testing at the discretion of the supervisor without the meeting the above listed reasons, including, but not limited to, involvement in an accident resulting in $500.00 or more in damage to one or more motor vehicle(s) as estimated by the supervisor.

The driver will be tested for drugs and alcohol as soon as possible following the accident. The driver must remain readily available for testing. If the driver isn't readily available for alcohol and drug testing, the driver may be deemed as refusing to submit to testing. A driver involved in an accident may not consume alcohol for eight (8) hours or until testing is completed.

If the alcohol test is not administered within two (2) hours following the accident the Designated Employer Representative (DER) or designee(s) will prepare a report and maintain a record stating why the test was not administered within two (2) hours.

If the alcohol test is not administered within eight (8) hours following the accident, all attempts to administer the test will cease. The DER or designee(s) will prepare a report and maintain a record stating why the test was not administered within eight (8) hours.

The drug test must be administered within thirty-two (32) hours of the accident. If the test could not be administered within thirty-two (32) hours, all attempts to test the driver will cease. The DER or designee(s) will prepare and maintain a record stating the reasons why the test was not administered within thirty-two (32) hours.

RANDOM TESTING (Sec 382.305): Random testing will be spread reasonably throughout the calendar year. All random alcohol and drug tests will be unannounced, with each driver having an equal chance of being tested each time selections are made. The selection of drivers for random alcohol and controlled substances testing will be made by a scientifically valid method as described in Sec. 382.305(i). At least the minimum percent of the average number of driver positions as required by FMCSA will be tested for each year.

A driver may be tested for alcohol while performing a safety-sensitive function, just before performing a safety-sensitive function, or just after completing a safety-sensitive function.

The driver must proceed immediately to the assigned collection site when notified of being randomly selected for testing.

REASONABLE SUSPICION TESTING (Sec. 382.307): If the driver's supervisor or another official designated to supervise drivers believes a driver is under the influence of alcohol or drugs, the driver will be required to undergo a drug and/or alcohol test. Reasonable suspicion alcohol testing is only authorized if the observations are made during, just preceding, or after the driver is performing a safety-sensitive function.

The basis for requiring testing will be specific, contemporaneous, articulable observations concerning the appearance, behavior, speech, or body odors of the driver. In the case of controlled substance, the observations may include indications of the chronic and withdrawal effects of a controlled substance A written record of the observations leading to an alcohol or controlled substance reasonable suspicion test, signed by the supervisor or official who made the observation, will be completed within twenty-four (24) hours of the observed behavior or before the results of the alcohol or controlled substances test are released, whichever is first.

The driver's supervisor or another official will immediately remove the driver from any and all safety-sensitive functions and take the driver or make arrangements for the driver to be taken to a testing facility.

If an alcohol test is not administered within two (2) hours following a reasonable suspicion determination, the DER or designee(s) will prepare and maintain a record stating the reasons why the test was not administered within two (2) hours. If the test was not administered within eight (8) hours after a reasonable suspicion determination, all attempts to administer the test shall cease. A record of why the test was not administered must be prepared and maintained.

Notwithstanding the absence of a reasonable suspicion test, no driver may report for duty or remain on duty requiring the performance of safety-sensitive functions while the driver is under the influence of or impaired by alcohol, as shown by the behavioral, speech, and performance indicators of alcohol use, nor will the City permit the driver to perform or continue to perform safety-sensitive functions until (1) an alcohol test is administered and the driver's alcohol concentration is less than .02; or (2) twenty-four (24) hours have elapsed following the determination of reasonable suspicion.

RETURN-TO-DUTY TESTING (Sec 382.309): The City reserves the right to impose discipline against drivers who violate applicable FMCSA or DOT rules or this policy, subject to applicable personnel policy and collective bargaining agreements. Except as otherwise required by law, the City is not obligated to reinstate or requalify such drivers for a first positive test result.

Should the City consider reinstatement of a DOT covered driver, the driver must undergo a SAP evaluation and participate in any prescribed education/treatment, and successfully complete return-to-duty alcohol testing with a result indicating an alcohol concentration of less than 0.02 and/or a controlled substance test with a verified negative result, before the driver returns to duty requiring the performance of a safety-sensitive function. The SAP determines if the driver has completed the education/treatment as prescribed.

The employee is responsible for paying for all costs associated with the return-to-duty test. The controlled substance test will be conducted under direct observation.

FOLLOW-UP TESTING (Sec. 382.311): The City reserves the right to impose discipline against drivers who violate applicable FMCSA or DOT rules or this policy, subject to applicable personnel policies and collective bargaining agreements. Except as otherwise required by law, the City is not obligated to reinstate or requalify such drivers.

Should the City reinstate a driver following a determination by a SAP that the driver is in need of assistance in resolving problems associated with alcohol use and/or use of controlled substances, the City will ensure that the driver is subject to unannounced follow-up alcohol and/or controlled substance testing. The number and frequency of such follow-up testing will be directed by the SAP and will consist of at least six (6) tests in the first twelve (12) months following the driver's return to duty. Follow-up testing will not exceed sixty (60) months from the date of the driver's return to duty. The SAP may terminate the requirement for follow-

up testing at any time after the first six (6) tests have been administered, if the SAP determines that such testing is no longer necessary. The employee is responsible for paying for all costs associated with follow-up tests.

Follow-up testing will be conducted only when the driver is performing safety-sensitive functions, or immediately prior to or after performing safety-sensitive functions.

COST OF REQUIRED TESTING. The City will pay for the cost of pre-employment, post-accident, random, and reasonable suspicion controlled substance and alcohol testing requested or required of all job applicants and employees. The driver must pay for the cost of all requested confirmatory re-tests, return-to-duty, and follow-up testing.

TESTING PROCEDURES

All testing shall be conducted in accordance with 49 C.F.R. Part 40 and any published guidance, interpretation or amendments. If any conflict arises between the procedure described below and the currently effective provisions of 49 C.F.R. Part 40, the currently effective provision shall control.

DRUG TESTING PROCESS: Drug testing is conducted by analyzing an employee's urine specimen. Laboratory analysis of specimens consists of testing for the following classes of drugs at the cutoff levels determined by DOT:

1. Amphetamines/Methamphetamines
2. Cocaine
3. Opioids
4. Phencyclidine (PCP)
5. THC (marijuana, hashish, etc.)

In accordance with FMCSA regulations, the urine specimens will be collected using the split sample collection method. The employee will provide a urine sample at an employer designated collection site. The collection site personnel will then pour the sample into two sample bottles, labeled "primary" and "split", seal the specimen bottles, complete the CCF, and prepare the specimen bottles for shipment to the testing laboratory for analysis. The specimen preparation shall be conducted in sight of the employee.

Once the specimen is received by the testing laboratory, the laboratory will inspect the specimen bottles and the CCF for the presence of any fatal or correctable flaws. The laboratory will then conduct the initial testing on the specimen to determine if the specimen contains sufficient quantity of any drug to warrant further testing. The testing laboratory will also conduct validity testing on the specimen to determine whether certain adulterants or foreign interfering substances are present in the urine, if the urine was diluted, or if the specimen was substituted.

If the results of the initial drug test are negative, no further testing will be conducted. If the results of the initial drug test are positive, the laboratory will perform a confirmation testing on the specimen for each of the substances identified in the initial test. The results of any confirmation tests will be the laboratory's final test result.

Drug test results are reported directly to the MRO by the testing laboratory. The MRO reviews the laboratory results, verifies the results, then reports the results directly to the employer. If the laboratory results are negative, the MRO performs an administrative review only. If the laboratory's test result is confirmed positive, adulterated or substituted the MRO performs an administrative review and interviews the employee in order to provide an opportunity to explain the test result. The MRO will contact the employee directly, on a confidential basis, to determine whether the employee wishes to discuss the test result. The MRO will determine whether a legitimate medical explanation exists to explain the laboratory result. If no legitimate medical explanation is offered for the laboratory's test result the MRO shall verify the test results as positive for drugs, or as a refusal to test because of adulterated or substituted and report the results to the employer.

The MRO shall notify each employee that the employee has seventy-two (72) hours in which to request a test of the split specimen. If the employee requested an analysis of the split specimen within seventy-two (72) hours of having been informed of a verified positive test, the MRO shall direct the laboratory, in writing, to transfer the split specimen to another DHHS-Substance Abuse and Mental Health Services Administration (SAMHSA) certified laboratory for analysis. If the employee has not contacted the MRO within seventy-two (72) hours, the employee may present the MRO information documenting that serious illness, injury, inability to contact the MRO, lack of actual notice of the verified positive test, or other circumstances unavoidably prevented the employee from timely making contact. If the MRO concludes that there is a legitimate explanation for the employee's failure to contact him or her within seventy-two (72) hours, the MRO will direct the analysis of the split specimen.

If after making reasonable efforts and documenting those efforts, the MRO is unable to reach the employee directly, the MRO must contact the employer, who shall direct the employee to contact the MRO.

The MRO may verify a test positive without having communicated directly with the employee about the test results under the following circumstances:

1. The employee expressly declines the opportunity to discuss the test results.
2. Neither the MRO nor the employer is able to reach the employee within ten (10) days of the date on which the MRO received the test result from the laboratory.
3. The employee has not contacted the MRO within seventy-two (72) hours of being instructed to do so by the employer.

Special Urine Specimen Collection Situations

The Observed Collection

In most circumstances the employee will provide the urine specimen in a private enclosure. However, in limited situation the employee is required to be observed while providing the required urine specimen. A direct observation collection is required in the situations listed below:

1. For all Return-to-Duty Follow-up drug tests
2. It the collector observes materials brought to the collection site or if the employee's conduct clearly indicates an attempt to tamper with a specimen;
3. If the employee provides a specimen with a temperature out of range;
4. If the employee provides a specimen that appears to have been tampered with;
5. If the laboratory reported to the MRO that a specimen was invalid, and the MRO reported to the employer that there was not an adequate medical explanation for the result, the employee must submit a second specimen under direct observation;
6. If a positive, adulterated, or substituted test result had to be cancelled because the test of the split specimen could not be performed, then the employee must submit a second collection under direct observation; and
7. If the laboratory reported to the MRO that the specimen was negative-dilute with a creatinine concentration greater than or equal to 2mg/dL but less than or equal to 5 mg/dL, then the employee must submit to a second collection under direct observation.

In an observed collection, a person of the same gender will accompany the donor into the urination area to observe the urination process. The observer is required to direct the donor to raise his or her shirt, blouse, or dress/skirt, as appropriate, above the waist; and lower clothing and underpants to show the observer, by turning around, that the donor does not have a prosthetic device. The observer must then watch the donor urinate into the collection container. Specifically the observer must watch the urine go from the donor's body into the collection container.

Employee is unable to provide sufficient specimen

If the employee is unable to provide the appropriate quantity of urine, the collection site person will instruct the employee to drink up to forty (40) ounces of fluids distributed over a period of up to three hours or until the employee has provide a sufficient sample. If the employee is still unable to provide a complete sample, the test shall be discontinued and the employer notified. The employee will be instructed to obtain, within five (5) working days, an evaluation from a licensed physician acceptable to the MRO to determine if the employee's inability to provide a specimen is genuine or constitutes a refusal to test.

TESTING LABORATORY: All drug testing will be conducted by a laboratory certified by DHHS-SAMHSA to perform drug testing for DOT regulations. The laboratory shall be chosen by the employer or its service agent.

ALCOHOL TESTING PROCESS: The FMCSA alcohol test rules require alcohol screening tests to be administered by a BAT using an EBT or ASD; or by a STT using an ASD. The technician will first administer an alcohol screening test. Any result less than 0.02 alcohol concentration is considered a "negative" test. If the alcohol concentration is 0.02 or greater a second test, an alcohol confirmation test, must be performed. The alcohol confirmation test must be conducted on an EBT administered by a BAT. The test must be conducted within 15–30 minutes of the alcohol screening test. The results of the alcohol confirmation test will be the final test result. If the employee attempts and fails to provide an adequate amount of breath, the employer will direct the employee to obtain written evaluation from a licensed physician to determine if the employee's inability to provide a breath sample is genuine or constitutes a refusal to submit to testing. Alcohol test results are reported directly to the employer.

REFUSAL TO SUBMIT TO TESTING

An employee subject to this policy shall have refused to submit to testing when they:

1. Fails to appear for a test after being directed to do so by the employer;
2. Fails to remain at the test site until the test is completed;
3. Fails to provide a urine specimen for a required drug test or fails to attempt to provide a breath or saliva specimen for a

required alcohol test;
4. Fails to permit the direct observation or monitoring of the provision of their urine specimen for drug test when required by DOT regulations;
5. Fails to provide a sufficient amount of urine or breath for a drug or alcohol test and it has been determined through a medical evaluation that there was not adequate medical explanation for the failure;
6. Fails or declines to take a second test that the employer or collector has directed the employee to take;
7. Fails to undergo a medical examination as directed by the MRO as part of the result verification process or as directed by the employer as part of the DOT required insufficient specimen procedure;
8. Fails to sign the certification statement at Step 2 on the Alcohol Testing Form (for an alcohol test);
9. Fails to cooperate with any part of the testing process (e.g. refuse to empty pockets when directed by the collector, behave in a confrontational way that disrupts the collection process, fails to wash hands after being directed to do so by the collector);
10. For an observed collection, fails to follow the observer's instructions to raise clothing above waist, lower clothing and underpants, and turn around to permit the observer to determine if the donor has any type of prosthetic or other device that could be used to interfere with the collection process;
11. Possesses or wears a prosthetic or other device that could be used to interfere with the collection process;
12. Admits to the collector or MRO that he/she adulterated or substituted the specimen;
13. Has a test result that is verified by the MRO as adulterated or substituted.
14. Engages in other conduct that clearly obstructs the test process.

CONSEQUENCES OF REFUSAL TO SUBMIT TO TESTING: An employee who refuses to submit to alcohol and/or controlled substance test required by this policy will not be permitted to perform safety-sensitive functions and will be considered insubordinate which will result in disciplinary action, up to and including immediate termination from employment. In accordance with the FMCSA's Clearinghouse reporting requirements, the City will report a driver's refusal to submit to a DOT test for controlled substance or alcohol use to the Clearinghouse within three (3) business days.

ADULTERATED/SUBSTITUTED SPECIMENS: An employee who submits a specimen which the MRO verifies and reports to be an adulterated or substituted specimen will have refused to submit to testing.

DILUTED SPECIMENS: Any specimen submitted by an employee which the MRO verifies and reports as a positive diluted specimen will be treated as a verified positive test.

Any employee who submits a specimen which the MRO verifies and reports as a negative diluted specimen will be directed to immediately take another test. The test of any second test conducted shall be the final test result.

EMPLOYEE/APPLICANT RIGHTS TO A SPLIT SAMPLE TEST

All applicants and employees subject to the drug testing provisions of this policy that receive a confirmed positive test result for the use of drugs, have the right to request, at employee or applicant expense, a confirming retest of the split urine sample.

If the confirming retest is negative, no adverse action will be taken against the employee, and an applicant will be considered for employment.

DISCIPLINE

Any employee found to be in violation of this policy is subject to disciplinary action, up to and including termination of employment. Nothing in this policy limits or restricts the right of the employer to discipline or discharge an employee for conduct which violates the employer's policies or rules. Except as otherwise required by law, the City is not obligated to reinstate or requalify such drivers for a first positive test result.

FMCSA CONSEQUENCES TO EMPLOYEES ENGAGING IN PROHIBITED CONDUCT

Employees who have engaged in prohibited conduct are subject to the following consequences according to FMCSA rules:

1. The employee will be immediately removed from safety-sensitive functions;
2. The employee will not be permitted to perform safety-sensitive functions;
3. The employees will be referred to a SAP and advised by the employer of the resources available to him/her in evaluating and resolving problems associated with the misuse of alcohol and/or the use of drugs;
4. If the employer retains the employee, the employee must complete an initial evaluation by a SAP who will determine what assistance the employee needs in resolving problems associated with alcohol misuse and/or drug use;
5. The SAP will make a recommendation for education or treatment and refer the employee to an appropriate educational or treatment program;
6. The employee must complete a follow-up evaluation with the SAP to determine if the employee has successfully carried

out the SAP's educational or treatment recommendations;
7. If the SAP believes any ongoing services are needed to assist an employee to maintain sobriety or abstinence from drug use after the employee resumes the performance of safety-sensitive duty, the employee must comply with these recommendations and the employer or its agent may monitor and document the employee's participation in the recommended services;
8. Before the employee will be allowed to return to performing of safety-sensitive functions, they must undergo a return-to-duty testing. If the conduct involved the use of alcohol, the employee must submit to an alcohol test with a result indicating breath alcohol level of less than 0.02. If the conduct involved the use of drugs, the employee must submit to a drug test with a verified negative test result received; and
9. The employee shall also be subject to unannounced follow-up alcohol and/or drug testing.

LOSS OF CDL LICENSE FOR TRAFFIC VIOLATIONS IN COMMERCIAL AND PERSONAL VEHICLES

Effective August 1, 2005, the FMCSA established strict rules impacting when CDL license holders can lose their CDL for certain traffic offenses in a commercial or personal vehicle. Employees are required to notify their supervisor immediately if their CDL changes in any way (Sec. 391.11-391.15).

CONFIDENTIALITY/RECORDKEEPING

All driver alcohol and controlled substance test records are considered confidential (Sec. 382.401). For the purpose of this policy/procedure, confidential recordkeeping is defined as records maintained in a secure location with controlled access.

Driver alcohol and controlled substance test records will only be released in the following situations (Sec. 382.405):

1. to the driver, upon his/her written request;
2. upon request of a DOT agency with regulatory authority over the City;
3. upon request of state or local officials with regulatory authority over the City;
4. upon request by the United States Secretary of Transportation;
5. upon request by the National Transportation Safety Board (NTSB) as part of a crash investigation;
6. upon request by subsequent employers upon receipt of a written request by a covered driver;
7. to the decision maker in a lawsuit, grievance, or administrative proceeding initiated by or on behalf of the individual, and arising from a positive DOT drug or alcohol test or a refusal to test (including, but not limited to, adulterated or substituted test results) of this part (including, but not limited to, a worker's compensation, unemployment compensation, or other proceeding relating to a benefit sought by the driver). Additionally, an employer may disclose information in criminal or civil actions in accordance with 49 C.F.R. § 40.323(a)(2).
8. upon written consent by the driver authorizing the release to a specified individual.

In the event of a post-accident test, the drug and/or alcohol test result(s) may also be provided to the worker's compensation insurance carrier.

COMMERCIAL DRIVER'S LICENSE DRUG AND ALCOHOL CLEARINGHOUSE REPORTING REQUREMENT

The City is required to query and report to the Clearinghouse prior to hiring new drivers, conduct annual checks of existing CDL drivers, and, as required by 49 C.F.R. Part 382, Subpart G, the following information will be reported to the Clearinghouse:

1. A verified positive, adulterated, or substituted drug test result;
2. An alcohol confirmation test with a concentration of 0.04 or higher;
3. A refusal to submit to a drug or alcohol test;
4. An employer's report of actual knowledge of, as defined at 49 C.F.R. §382.107:
a) On duty alcohol use pursuant to 49 C.F.R. §382.205;
b) Pre-duty alcohol use pursuant to 49 C.F.R. §382.207;
c) Alcohol use following an accident pursuant to 49 CFR §382.209;
d) Drug use pursuant to 49 C.F.R. §382.213;

5. A SAP's report of the successful completion of the return-to-duty process;
6. A negative return-to-duty test; and
7. An employer's report of completion of follow-up testing.

[See APPENDIX B- Driver Consent for Limited Queries of the Clearinghouse]

In addition, a driver is entitled, upon written request, to obtain copies of any records pertaining to the driver's use of alcohol or a controlled substance, including any records pertaining to his or her alcohol or controlled substance tests.

TRAINING AND ASSISTANCE

Driver Education and Training (Sec. 382.601): All drivers will be given information regarding the requirements of Part 382 and this policy by Human Resources or their supervisor.

Training for Supervisors (Sec. 382.603): The City shall ensure all persons designated to supervise drivers receive at least sixty (60) minutes of training on alcohol misuse and receive at least an additional sixty (60) minutes of training on controlled substances use. The training will be used by the supervisors to determine whether reasonable suspicion exists to require a driver to undergo testing under § 382.307. The training shall include the physical, behavioral, speech, and performance indicators of probable alcohol misuse and use of controlled substances. Recurrent training for supervisory personnel is not required.

Referral, Evaluation, and Treatment (Sec. 382.605): A list of substance abuse professionals will be provided to all drivers who fail an alcohol test or test positive for drugs. According to FMCSA regulations, prior to returning to duty, a driver must be evaluated by a SAP and must complete the treatment recommended by the SAP. Successful completion of a return to duty test and all follow-up tests is mandatory. All cost associated with referral, evaluation, and treatment is the sole responsibility of the driver/employee.

DESIGNATED EMPLOYER REPRESENTIVE (DER)

The DER will coordinate the implementation, direction, and administration of the alcohol and drug testing policy for the employer. The DER is the individual(s) employed by the Employer who is identified by the employer as able to receive communications and test results from service agent and who is authorized to take immediate actions to remove employees from safety-sensitive duties and to make required decisions in the testing and evaluation process. Employee questions concerning this policy should be directed to the DER.

Our DER(s) are:

MEMO for CITY COUNCIL

To: **Mayor Johnson and Members of the City Council**
From: Alyssa Olson, Parks, Recreation & Events Coordinator
Date: November 2, 2021
Subject: Resolution 2021-XXX Approving BMX Lighting Upgrade

Background:
Rum River BMX has outlined a plan to upgrade current lighting inside of the Isanti Indoor Arena with LED fixtures that would enhance the lighting while saving money on utilities. The project will include the following:

- Replace 16 fluorescent fixtures in ceiling with 29 LED fixtures.
- Remove existing track lighting that are on poles.
- Upgrade all other arena fluorescent fixtures to LED using existing fixtures.

All work will be completed by a licensed electrician with permits and inspections and is anticipated to begin this month. Rum River BMX will be covering all costs associated with this project and the new lighting plan will increase the average foot candle reading to between 20-25 from 6-11.

Attachment:
1. Resolution 2021-XXX Approving BMX Lighting Upgrade

RESOLUTION 2021-XXX

APPROVING BMX LIGHTING UPGRADE

WHEREAS, the Rum River BMX has outlined a plan to upgrade the current lighting system in the Isanti Indoor Arena; and,

WHEREAS, Rum River BMX is proposing the following changes:

- Replace 16 fluorescent fixtures in ceiling with 29 LED fixtures
- Remove existing track lighting on poles
- Upgrade all other fluorescent fixtures to LED using existing fixtures; and,

WHEREAS, Rum River BMX is responsible for all costs associated with this project; and,

WHEREAS, Rum River BMX will work with a licensed electrician to complete the work and acquire all necessary permits and inspection approval;

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Isanti, Minnesota to hereby approve the BMX lighting upgrade.

This resolution was duly adopted by the Isanti City Council this 2nd day of November 2021.

CITY OF ISANTI
PARKS, RECREATION, AND CULTURE BOARD MEETING MINUTES
October 26,2021

Call to Order: Aaron Zdon called the meeting to order at 6:00 p.m.

Roll Call: Members Present: Aaron Zdon, Zachary Gahm, Dan HinnenKamp, Tressa Hunting, and Mayor Jeff Johnson
Staff Present: Alyssa Olson, Parks, Recreation & Events Coordinator

Agenda/Modifications: None; Motion by Gahm, second by HinnenKamp

3. Meeting Minutes: Motion by HinnenKamp; second by Johnson to approve meeting Minutes from September 28, 2021. Motion passed 5-0.

4. Little Free Library / Sports Library: Ms. Olson shared plans for adding a Little Free Sports Library to one of the parks in 2022 and requested the Board's insights on which park. The Board recommended either Bluebird Park or Mattson Park. Olson also shared that a local Eagle Scout is interested in adding a Little Free Library to one or more of our parks as part of his final service project. The Board recommended Bluebird Park, Mattson Park or Eagle Park for the standard library. Mr. Zdon noted that any unit placed should be anchored and/or placed on a concrete slab to secure the item for wind or vandalism. Olson will provide the recommendations to the Eagle Scout and report back to the Board with an update on timeline and location(s) associated with the project.

4. Department Updates: Olson shared an update on Curious Creatures and an intent to begin finding more toddler-friendly activities as most of the attendees this fall appear to be 2-3 year olds.
The holiday lighting event in December 2022 will be concept #2 from the event concept packet, which a ticketed walk-through experience. Olson is working on building out the event plan and sponsor opportunities. She requested the Board think about names for the event. Gahm wondered if the name is being over-considered, to which Olson noted that choosing a flashy name may give the appearance that the event is more than just a community festival and, thus, draw in more sponsors and attendees from outside of the County.
Eagle Park plan is to add some bushes and landscaping, and add a few more seating areas in the Spring while we wait for more information on the railroad park idea.
Bluebird Amphitheater has been named by the City Council and the build is nearly complete with doors and trim arriving earlier that day. The donation from the Lions Club is pending their decision on whether or not they want to provide a seating area. The ribbon cutting ceremony went well and the band sounded great with the amphitheater's acoustics.
Council has opted to have three of the Street Dances remain at Main Street in 2022 and one will move over to Bluebird Park. It may take on a different form in order to shift mentality on the event itself and to create a bigger show at the park. Olson is looking at the September 2022 dance moving over to Bluebird and being amplified with a carnival or expanded event. HinnenKamp asked if the events would still be called a 'street dance' if moved to the park and Olson noted that will be part of the Council's discussion next year on if they should take a new shape. It was also noted that the Street Dances do not necessarily have a long history in the city, but they are beloved and known as is.
Olson is working to update the Adopt-A-Park Policy to allow residents to request an addition or modification to an adopted park. The request was made by two local residents to utilize an area of Mattson Park that borders their properties as a flower garden. The application and agreement would designate the process for request approval and maintenance.
Olson shared that Northern Elements All Stars have selected to host the November and December movie nights. They will retain the profits from concession sales for both of those events. Olson is working on adding crafts and activities for the Santa event ahead of the December movie night. She is also working on the Candy Cane Flashlight Hunt on December 12.

5. Open Discussion: Johnson mentioned security camera plans for Bluebird Park. Olson is working on getting quotes for adding cameras to the amphitheater, as well as at the warming house at the BMX Arena. Johnson requested thoughts on adding cameras throughout the park to have a visual on the full area. The

Board was in agreement that we will need additional security as we continue adding to Bluebird and it would make some sense to cover the full park for liability. Olson will be reviewing quotes and options and moving to Council with potential options, as needed.
Johnson also mentioned he was approached by the Redbirds about the City painting the backside of the fence around Sportsman's Field, which is visible to Bluebird Park. It was noted that the City owns that property, but the Redbirds lease the field and maintain their own revenue, in addition to maintaining the field. Olson mentioned arts grants that are available that could be sought out for painting a mural on the back of the fence to make it more appealing and add some art to the park. Gahm mentioned using the County corrections services to paint the fence for us, using paint supplied by the City. Johnson will share the Sherriff's contact information with Olson so she can get insight into that process. Hunting mentioned that both of these options could fall under Arts & Culture and be applicable for a number of different grant programs.
Hunting circled back to discussions from the September Board meeting about inclusivity in City events. As part of those initiatives, Hunting found a handful of grants and organizations that can help and finance future events and programs that can assist in creating a more culturally diverse community. Olson summarized that we should consider looking to 2022 and beyond through a multi-cultural lens that will help us ensure our events and programs are appealing to the full community. Hunting also recommended including groups like United Nations from the local high school or Play Inc. and other community organizations that do build culturally diverse programs. Olson noted that it could look like turning Celebrate Isanti into a vendor fair that includes and showcases cultural groups from the region and truly celebrates all of the diversity in the area. Gahm mentioned using a similar event layout to the holiday lights event for future beer or food festivals. HinnenKamp noted the Farmers Market potentially moving to Bluebird as well. Olson noted that visibility is difficult at Bluebird due to its topography and the current plan is still to look at the new liquor store. Johnson mentioned bringing back a tree lighting ceremony with the new holiday event as something to consider with future planning.
Zdon confirmed that we will not have a December meeting, so the November meeting will be the final meeting of the year.

Adjournment: Motion by Johnson, second by HinnenKamp to adjourn the October 26, 2021 meeting of the Parks, Recreation, and Culture Board. Motion passed 5-0, meeting adjourned at 7:05 p.m.

Respectfully Submitted

Committee Meeting Items

D. Committee Meeting Items

1. **Police Updates**
   Chief Travis Muyres discussed updates regarding staffing, officer wellness, officer retention and Isanti Police Core Principals for retention. Mayor Johnson brought up the wages in North Branch being significantly higher than Isanti for Police wages. To be discussed at next Goal Setting.
2. **Park Naming Policy**
   Park and Rec Coordinator Olson discussed the policy on Park Naming Policy. Council decided to move forward with adding a number to percent do determine what is "significant" to allow for council discretion. Move to approval at City Council meeting following Committee of the Whole 10.19.2021.
3. **Amphitheater Naming Discussion**
   Committee Members decided to name the new amphitheater Bluebird Amphitheater.
4. **Bow Hunting Regulations**
   Chief Muyres discussed having a minimum of 40 acres for Bow Hunting Regulations. It was also recommended that the Committee not be associated with a private entity for MN Deer Hunt/ Bow Hunt Inc. for regulations. The direction was to bring to City Council with changes.
5. **2022 Street Dance Location Discussion**
   Committee decided to have three (3) Street Dances at Main Street and one (1) at Bluebird Amphitheater. Committee also discussed the cost of putting concrete in front of the amphitheater.

6. **Finance Related Polices**
   Finance Director Betker has been reviewing Finance related policies. There are some policies that are no longer applicable, some that need to be updated with relatively minor language changes, some that need to be significantly updated and others that need to be written for the first time. Committee moved to have Finance Director Betker to update as needed.
7. **Resolutions to Repeal Policies**
   City Administrator Wood presented the review of all City Policies. There are a number of policies that are no longer applicable due to changes in state statute, superseded by City Code, new policies were written or subsequent policies were already included in the Personnel Policy, Policy Manual or Lexipol. Mayor Johnson questioned Administrator Wood about the purpose of these changes. Wood explained some policies were outdated or contradictory. The changes were to have policies not be contradicting.
8. **Police and Liquor Staffing Changes**
   Administrator Wood presented the staffing needs of the department has grown recently. The recent implementation of a part-time secretary position has assisted in the work load, however, has brought to light another position that needed to be reviewed. As the other PD staff office positions were reviewed, it was found that the full-time secretary position was doing the workload and tasks equivalent to a lead, specialist or manager position which warrants a higher point and grade level when input into the matrix for all City position.
   With the new store opening right around the corner and recruitment of part-time staff at an all-time low, Staff is recommending to hire one additional full-time Clerk to the staffing roster. The additional full-time clerk hours would replace part-time hours in the budget. Committee moved to change the position and wages of FT Police Secretary to Police Support Specialist as presented and to add a FT Liquor Store Clerk as presented and bring to City Council for approval.
9. **Storm Water Rate Study**
   The finance and Assistant Finance Director competed the Storm Water Rate Study. Betker presented the findings. It was presented that Finance Betker recommended to cut the rates by 20% in 2022, 15% in 2023, 10% in 2024. Committee all agreed to move forward with that recommendation.
10. **Ice Guards at New Liquor Store**
    Administrator Wood presented adding ice guards to block potential ice dams or ice sliding on to customers. The cost would be $17,693.00. Committee moved to purchase the ice guards.
11. **Beer Cave at Liquor Store**
    Administrator Wood was informed by Committee Member Lundeen the Polzin family would like the name “Bozo and LouElla Polzin Beer Cave” at the new Isanti Liquor Store. Committee moved to accept name and approve and City Council meeting and add a story 10.19.2021.

CITY OF ISANTI
PARKS, RECREATION, AND CULTURE BOARD MEETING MINUTES
September 28,2021

Call to Order: Aaron Zdon called the meeting to order at 6:00 p.m.

Roll Call: Members Present: Aaron Zdon, Zachary Gahm, Dan HinnenKamp, Tressa Hunting, and Mayor Jeff Johnson
Staff Present: Matt Sylvester, Public Services Director

Agenda/Modifications: None

3. Meeting Minutes: Motion by Johnson; second by Gahm to approve meeting Minutes from August 24, 2021. Motion passed 5-0.

4. Department Updates: Sylvester shared updates on September events. Curious Creatures was cancelled in September and will likely be cancelled in October due to low attendance. Events are likely conflicting with the preschool schedules.
Final Street Dance was well-attended and included a tribute for the 20th anniversary of 9/11. There were some unfavorable events that took place during, from garbage to youth fights and graffiti that will be addressed in the future. The Mayor noted that many people stayed until the very end of the event. A conversation about moving the event to the park will need to be had in the future to determine if it will deter some of the poor behavior and if it's the right move for the event. Sylvester shared some insight into some of the vandalism occurring throughout the City, including at the BMX bathrooms at Bluebird Park. Hunting shared a desire to create a more inclusive environment at these events and include some songs that may recognize our Native American and non-American residents. An item to discuss inclusivity and equity at future events will be added to the October Board agenda.
The Farmers Market continued to be slow in September with a number of vendors pulling out or not showing. Ms. Olson is looking into options and new guidelines for vendors if the event location moves to the new liquor store site. Gahm mentioned moving the date to a Sunday instead of a Friday and/or changing the timing. Sylvester mentioned competing markets and noted that vendors at our market also attend nearby markets on other days. HinnenKamp noted Coborn's may have objections to moving the market next to their store.
The holiday lights event will be moving to Council for a vote on an option to move forward. The location will be at Bluebird Park at the bandshell. The Mayor suggested the conversation may be geared around whether or not to ticket the event and how much cost the City is willing to take on.
Bandshell construction is ongoing and should be completed in October. Isanti Lions Club are looking to submit a name for the feature along with a monetary contribution. Zdon asked if October 23 is a reasonable date for a grand opening celebration to which Sylvester noted we are hopeful the unit will be completed by then.
December Movie Night was moved due to a scheduling conflict and will now be combined with the Santa event. Gahm mentioned making sure that the schools get flyers with dates for the Movie Nights. HinnenKamp suggested next year it may be a good kickoff event for the holiday lights event.
Sylvester addressed the closing of the BMX restrooms due to vandalism. Ms. Olson is looking into security options to deter future vandalism. Zdon asked if the bathrooms were available still from the inside for the BMX use and Sylvester confirmed they are still open on that end. Although one of the vandals was caught, there have been 4-6 different incidents this year. Incidents are also occurring throughout Bluebird Park so any potential cameras or security measures would need to capture the broad area.
Sylvester also discussed Family Day at Legacy Park. Roughly 40 people attended throughout the day – and increase from previous years - and families were able to make s'mores, crafts and take photos. The event unexpectedly conflicted with the Vikings home opener, which will be taken into consideration for next year.
The grand opening celebration will tentatively take place on October 23 with food trucks, local school performers and entertainment. The Board noted that the date is over MEA weekend, which may impact schedules, but pushing back to Halloween weekend or into November are also not preferable.
HinnenKamp shared additional research on the Eagle Park railroad viewing options. HinnenKamp is interested in reaching out to BNSF and seeing if they would offer any community support for a project like this, as well as the Isanti Historical Society and Isanti County. Zdon suggested HinnenKamp continue to

gather some research and submit to Ms. Olson a week prior to the October meeting to add to the next agenda. Zdon suggested adding a mural on the side of the buildings bordering the tracks.

Adjournment: Motion by HinnenKamp, second by Johnson to adjourn the September 28, 2021 meeting of the Parks, Recreation, and Culture Board. Motion passed 5-0, meeting adjourned at 6:46 p.m.

MEMORANDUM

Date: November 9, 2021

To: Honorable Mayor Johnson and Members of the City Council

From: Jason W Cook, P.E.
City Engineer

Subject: Main Street Reconstruction Project – Final Assessment Hearing
City of Isanti, MN
BMI Project No. 0R1.1123865

Attached is the final assessment roll for the Main Street Reconstruction project.

The assessments for this project are based on 25% of the assessable street cost in accordance with City code 276.

The final assessments, based on the amount bid and quantities constructed, is $52.23 per assessable front footage. This is an average of $4,608.85 per parcel. The preliminary engineering report had an estimated average assessment of $5,661.57 per parcel. The average assessment on this project is $1,052.72 ***less*** than presented at the improvement hearing.

It is proposed to do a 10-year payment schedule levied on the property taxes with a 2.00% interest rate. beginning in 2022. This comes out to an average parcel cost of approximately $513/year.

The total cost proposed to be assessed to benefiting properties is $133,656.57.

RESOLUTION NO. 2021-XXX

RESOLUTION ADOPTING ASSESSMENT FOR THE MAIN STREET RECONSTRUCTION PROJECT

WHEREAS, pursuant to proper notice duly given as required by law, the City Council has met, heard and considered any and all objections to the proposed assessment for the Main Street Reconstruction Project, consisting of the improvement of : Main Street, from the intersection of Whiskey Road to 4th Avenue. Said improvement consisted of the reconstruction of street, curb and gutter, and sidewalk. The proposed assessments are for the above described work.

NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF ISANTI, MINNESOTA:

1. Such proposed assessment, a copy of which is attached hereto and made a part hereof, is hereby accepted and shall constitute the special assessment against the lands named therein, and each tract of land therein included is hereby found to be benefited by the proposed improvement in the amount of the assessment levied against it.

2. Such assessment shall be payable in equal annual installments extending over a period of ten (10) years, the first of the installments to be payable on or before May 15, 2022, and shall bear interest at the rate of 2.00 percent per annum from the date of the adoption of the assessment resolution. To the first installment shall be added interest on the entire assessment from January 1, 2022 until December 31, 2022. To each subsequent installment when due shall be added interest for one year on all unpaid installments.

3. The owner of any property so assessed may, at any time prior to certification of the assessment to the County Auditor, pay the whole of the assessment on such property, with interest accrued to the date of payment, to the City Treasurer, except that no interest shall be charged if the entire assessment is paid within 30 days and may, at any time thereafter, pay to the County of Isanti the entire amount of the assessment remaining unpaid, with interest accrued to December 31 of the year in which such payment is made. Such payment must be made before November 15 or interest will be charged through December 31 of the next succeeding year.

4. The City Clerk shall forthwith transmit a certified duplicate of this assessment to the County Auditor to be extended on the property tax lists of the county. Such assessments shall be collected and paid over in the same manner as other municipal taxes.

This resolution is hereby adopted by the City Council of Isanti, Minnesota this 16th day of November, 2021.

RESOLUTION 2021-XXX

APPROVING CERTIFICATION OF DELINQUENT CHARGES FOR CITY SERVICES PAYABLE IN 2022

WHEREAS, pursuant to City Code § 262-7 B. and City Code § 281-5 B. (2), all accounts more than 30 days past due as of September 30, 2021, and the same having been properly billed to the owner or occupant of the premises served, may be certified by the City Clerk as unpaid and delinquent to the County Auditor; and

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, as follows:

1. That the list of delinquent charges for city services (Attachment 'A'), a copy of which is attached hereto and made a part hereof, identifies the amount of the delinquent water, sewer, and storm water charges that are to be levied against said properties for taxes payable year 2022.

2. The City Clerk shall forthwith transmit a certified duplicate of these listings (delinquent charges for city services) to the county auditor to be extended on the property tax lists of the county. Such assessments shall be collected and paid over in the same manner as other municipal taxes.

This resolution was duly adopted by the Isanti City Council this 16th day of November 2021.

RESOLUTION PROVIDING FOR THE ISSUANCE AND SALE OF $1,445,000 GENERAL OBLIGATION TAX ABATEMENT REFUNDING BONDS, SERIES 2021A, AND PLEDGING TAX ABATEMENTS AND LEVYING A TAX FOR THE SECURITY AND PAYMENT THEREOF

A. WHEREAS, the City of Isanti, Minnesota (the "City"), hereby determines and declares that it is necessary and expedient to provide moneys for a current refunding on February 1, 2022 (the "Call Date") of the City's outstanding $2,560,000 original principal amount of General Obligation Tax Abatement Bonds, Series 2014A, dated October 1, 2014 (the "Prior Bonds"), which mature or are subject to mandatory redemption on and after February 1, 2023, in the aggregate principal amount of $1,475,000 (the "Refunded Bonds"), at a price of par plus accrued interest, as provided in Resolution No. 2014-201 of the City Council, adopted on September 2, 2014 (the "Prior Resolution"); and

B. WHEREAS, the Prior Bonds were issued pursuant to Minnesota Statutes, Chapter 475, and Sections 469.1812 through 469.1815, particularly Section 469.1814, to finance the costs of the acquisition, construction and equipping of a sports facility for BMX racing (the "Project"); and

C. WHEREAS, the City has heretofore adopted a resolution on September 2, 2014 (the "Abatement Resolution"), providing for the abatement of property taxes on various properties described in the Abatement Resolution (the "Abatement Properties") for a period of fifteen years (the "Abatement Resolution"); and

D. WHEREAS, the amount of the property taxes abated are estimated to be at least equal to the principal amount of the Bonds and pursuant to the provisions of the Abatement Resolution, the Refunded Bonds were issued to provide money to pay for the Project; and

E. WHEREAS, the refunding of the Refunded Bonds on the Call Date is consistent with covenants made with the holders thereof, and is necessary and desirable for the reduction of debt service cost to the City; and

F. WHEREAS, the City Council hereby determines and declares that it is necessary and expedient to issue $1,445,000 General Obligation Tax Abatement Refunding Bonds, Series 2021A (the "Bonds" or, individually a "Bond"), pursuant to Minnesota Statutes, Chapter 475, to provide moneys for a current refunding of the Refunded Bonds; and

G. WHEREAS, the City has retained Northland Securities, Inc., in Minneapolis, Minnesota ("Northland"), as its municipal advisor for the sale of the Bonds and was therefore authorized to sell the Bonds by private negotiation in accordance with Minnesota Statutes, Section 475.60, Subdivision 2(9) and proposals to purchase the Bonds have been solicited by Northland; and

H. WHEREAS, the proposals set forth on Exhibit A attached hereto were received by the Finance Director, or designee, at the offices of Northland, at 10:00 a.m. this same day pursuant to the Preliminary Official Statement established for the Bonds, dated November 9, 2021; and

I. WHEREAS, it is in the best interests of the City that the Bonds be issued in book-entry form as hereinafter provided; and

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Isanti, Minnesota, as follows:

1. Acceptance of Proposal. The proposal of United Bankers' Bank (the "Purchaser"), to purchase the Bonds in accordance with the Notice of Sale, at the rates of interest hereinafter set forth, and to pay therefor the sum of $1,503,747.30, plus interest accrued to settlement, is hereby accepted and the Bonds are hereby awarded to the Purchaser.

2. Bond Terms.

(a) Original Issue Date; Denominations; Maturities; Term Bond Option. The Bonds shall be dated December 16, 2021, as the date of original issue and shall be issued forthwith on or after such date in fully registered form. The Bonds shall be numbered from R-1 upward in the denomination of $5,000 each or in any integral multiple thereof of a single maturity (the "Authorized Denominations"). The Bonds shall mature on February 1 in the years and amounts as follows:

Year	Amount
2023	$165,000
2024	175,000

2025	170,000
2026	175,000
2027	180,000
2028	195,000
2029	195,000
2030	190,000

As may be requested by the Purchaser, one or more term Bonds may be issued having mandatory sinking fund redemption and final maturity amounts conforming to the foregoing principal repayment schedule, and corresponding additions may be made to the provisions of the applicable Bond(s).

(b) Book Entry Only System. The Depository Trust Company, a limited purpose trust company organized under the laws of the State of New York or any of its successors or its successors to its functions hereunder (the "Depository") will act as securities depository for the Bonds, and to this end:

(i) The Bonds shall be initially issued and, so long as they remain in book entry form only (the "Book Entry Only Period"), shall at all times be in the form of a separate single fully registered Bond for each maturity of the Bonds; and for purposes of complying with this requirement under paragraphs 5 and 10 Authorized Denominations for any Bond shall be deemed to be limited during the Book Entry Only Period to the outstanding principal amount of that Bond.

(ii) Upon initial issuance, ownership of the Bonds shall be registered in a bond register maintained by the Bond Registrar (as hereinafter defined) in the name of CEDE & CO., as the nominee (it or any nominee of the existing or a successor Depository, the "Nominee").

(iii) With respect to the Bonds neither the City nor the Bond Registrar shall have any responsibility or obligation to any broker, dealer, bank, or any other financial institution for which the Depository holds Bonds as securities depository (the "Participant") or the person for which a Participant holds an interest in the Bonds shown on the books and records of the Participant (the "Beneficial Owner"). Without limiting the immediately preceding sentence, neither the City, nor the Bond Registrar, shall have any such responsibility or obligation with respect to (A) the accuracy of the records of the Depository, the Nominee or any Participant with respect to any ownership interest in the Bonds, or (B) the delivery to any Participant, any Owner or any other person, other than the Depository, of any notice with respect to the Bonds, including any notice of redemption, or (C) the payment to any Participant, any Beneficial Owner or any other person, other than the Depository, of any amount with respect to the principal of or premium, if any, or interest on the Bonds, or (D) the consent given or other action taken by the Depository as the Registered Holder of any Bonds (the "Holder"). For purposes of securing the vote or consent of any Holder under this Resolution, the City may, however, rely upon an omnibus proxy under which the Depository assigns its consenting or voting rights to certain Participants to whose accounts the Bonds

are credited on the record date identified in a listing attached to the omnibus proxy.

(iv) The City and the Bond Registrar may treat as and deem the Depository to be the absolute owner of the Bonds for the purpose of payment of the principal of and premium, if any, and interest on the Bonds, for the purpose of giving notices of redemption and other matters with respect to the Bonds, for the purpose of obtaining any consent or other action to be taken by Holders for the purpose of registering transfers with respect to such Bonds, and for all purpose whatsoever. The Bond Registrar, as paying agent hereunder, shall pay all principal of and premium, if any, and interest on the Bonds only to the Holder or the Holders of the Bonds as shown on the bond register, and all such payments shall be valid and effective to fully satisfy and discharge the City's obligations with respect to the principal of and premium, if any, and interest on the Bonds to the extent of the sum or sums so paid.

(v) Upon delivery by the Depository to the Bond Registrar of written notice to the effect that the Depository has determined to substitute a new Nominee in place of the existing Nominee, and subject to the transfer provisions in paragraph 10, references to the Nominee hereunder shall refer to such new Nominee.

(vi) So long as any Bond is registered in the name of a Nominee, all payments with respect to the principal of and premium, if any, and interest on such Bond and all notices with respect to such Bond shall be made and given, respectively, by the Bond Registrar or City, as the case may be, to the Depository as provided in the Letter of Representations to the Depository required by the Depository as a condition to its acting as book-entry Depository for the Bonds (said Letter of Representations, together with any replacement thereof or amendment or substitute thereto, including any standard procedures or policies referenced therein or applicable thereto respecting the procedures and other matters relating to the Depository's role as book-entry Depository for the Bonds, collectively hereinafter referred to as the "Letter of Representations").

(vii) All transfers of beneficial ownership interests in each Bond issued in book-entry form shall be limited in principal amount to Authorized Denominations and shall be effected by procedures by the Depository with the Participants for recording and transferring the ownership of beneficial interests in such Bonds.

(viii) In connection with any notice or other communication to be provided to the Holders pursuant to this Resolution by the City or Bond Registrar with respect to any consent or other action to be taken by Holders, the Depository shall consider the date of receipt of notice requesting such consent or other action as the record date for such consent or other action; provided, that the City or the Bond Registrar may establish a special record date for such consent or other action. The City or the Bond Registrar shall, to the extent possible, give the Depository notice of such special record date not less than fifteen calendar days in advance of such special record date to the extent possible.

(ix) Any successor Bond Registrar in its written acceptance of its duties under this Resolution and any paying agency/bond registrar agreement, shall agree to take any actions necessary from time to time to comply with the requirements of the Letter of Representations.

(x) In the case of a partial prepayment of a Bond, the Holder may, in lieu of surrendering the Bonds for a Bond of a lesser denomination as provided in paragraph 5, make a notation of the reduction in principal amount on the panel provided on the Bond stating the amount so redeemed.

(c) Termination of Book-Entry Only System. Discontinuance of a particular Depository's services and termination of the book-entry only system may be effected as follows:

(i) The Depository may determine to discontinue providing its services with respect to the Bonds at any time by giving written notice to the City and discharging its responsibilities with respect thereto under applicable law. The City may terminate the services of the Depository with respect to the Bond if it determines that the Depository is no longer able to carry out its functions as securities depository or the continuation of the system of book-entry transfers through the Depository is not in the best interests of the City or the Beneficial Owners.

(ii) Upon termination of the services of the Depository as provided in the preceding paragraph, and if no substitute securities depository is willing to undertake the functions of the Depository hereunder can be found which, in the opinion of the City, is willing and able to assume such functions upon reasonable or customary terms, or if the City determines that it is in the best interests of the City or the Beneficial Owners of the Bond that the Beneficial Owners be able to obtain certificates for the Bonds, the Bonds shall no longer be registered as being registered in the bond register in the name of the Nominee, but may be registered in whatever name or names the Holder of the Bonds shall designate at that time, in accordance with paragraph 10. To the extent that the Beneficial Owners are designated as the transferee by the Holders, in accordance with paragraph 10, the Bonds will be delivered to the Beneficial Owners.

(iii) Nothing in this subparagraph (c) shall limit or restrict the provisions of paragraph 10.

(d) Letter of Representations. The provisions in the Letter of Representations are incorporated herein by reference and made a part of the resolution, and if and to the extent any such provisions are inconsistent with the other provisions of this resolution, the provisions in the Letter of Representations shall control.

3. Purpose; Refunding Findings. The Bonds shall provide funds for a current refunding of the Refunded Bonds (the "Refunding"). It is hereby found, determined and declared that the Refunding is pursuant to Minnesota Statutes, Section 475.67, and shall result in a reduction of debt service cost to the City. The total amount of property taxes abated pursuant to

the Abatement Resolution (the "Tax Abatements") was not less than $3,370,000 which amount is not less than the principal amount of the Bonds.

4. Interest. The Bonds shall bear interest payable semiannually on February 1 and August 1 of each year (each, an "Interest Payment Date"), commencing August 1, 2022, calculated on the basis of a 360-day year of twelve 30-day months, at the respective rates per annum set forth opposite the maturity years as follows:

Maturity Year	Interest Rate
2023	2.00%
2024	2.00
2025	2.00
2026	2.00
2027	2.00
2028	2.00
2029	2.00
2030	2.00

5. Redemption. All Bonds maturing on February 1, 2030, and thereafter, shall be subject to redemption and prepayment at the option of the City on February 1, 2029, and on any date thereafter at a price of par plus accrued interest. Redemption may be in whole or in part of the Bonds subject to prepayment. If redemption is in part, the maturities and the principal amounts within each maturity to be redeemed shall be determined by the City; and if only part of the Bonds having a common maturity date are called for prepayment, the specific Bonds to be prepaid shall be chosen by lot by the Bond Registrar. Bonds or portions thereof called for redemption shall be due and payable on the redemption date, and interest thereon shall cease to accrue from and after the redemption date. Mailed notice of redemption shall be given to the paying agent and to each affected registered holder of the Bonds, not more than sixty (60) days and not fewer than thirty (30) days prior to the fixed date for redemption.

To effect a partial redemption of Bonds having a common maturity date, the Bond Registrar prior to giving notice of redemption shall assign to each Bond having a common maturity date a distinctive number for each $5,000 of the principal amount of such Bond. The Bond Registrar shall then select by lot, using such method of selection as it shall deem proper in its discretion, from the numbers so assigned to such Bonds, as many numbers as, at $5,000 for each number, shall equal the principal amount of such Bonds to be redeemed. The Bonds to be redeemed shall be the Bonds to which were assigned numbers so selected; provided, however, that only so much of the principal amount of each such Bond of a denomination of more than $5,000 shall be redeemed as shall equal $5,000 for each number assigned to it and so selected. If a Bond is to be redeemed only in part, it shall be surrendered to the Bond Registrar (with, if the City or Bond Registrar so requires, a written instrument of transfer in form satisfactory to the City and Bond Registrar duly executed by the Holder thereof or the Holder's attorney duly authorized in writing) and the City shall execute (if necessary) and the Bond Registrar shall authenticate and deliver to the Holder of the Bond, without service charge, a new Bond or Bonds having the same stated maturity and interest rate and of any Authorized Denomination or

Denominations, as requested by the Holder, in aggregate principal amount equal to and in exchange for the unredeemed portion of the principal of the Bond so surrendered.

6. Bond Registrar. Northland Trust Services, Inc., in Minneapolis, Minnesota, is appointed to act as bond registrar and transfer agent with respect to the Bonds (the "Bond Registrar"), and shall do so unless and until a successor Bond Registrar is duly appointed, all pursuant to any contract the City and Bond Registrar shall execute which is consistent herewith. The Bond Registrar shall also serve as paying agent unless and until a successor paying agent is duly appointed. Principal and interest on the Bonds shall be paid to the registered holders (or record holders) of the Bonds in the manner set forth in the form of Bond and paragraph 12.

7. Form of Bond. The Bonds, together with the Bond Registrar's Certificate of Authentication, the form of Assignment and the registration information thereon, shall be in substantially the following form:

UNITED STATES OF AMERICA
STATE OF MINNESOTA
ISANTI COUNTY
CITY OF ISANTI

R-_____ $_____

GENERAL OBLIGATION TAX ABATEMENT REFUNDING BOND, SERIES 2021A

Interest Rate	Maturity Date	Date of Original Issue	CUSIP
%	February 1,	December 16, 2021	

REGISTERED OWNER: CEDE & CO.

PRINCIPAL AMOUNT:

THE CITY OF ISANTI, ISANTI COUNTY, MINNESOTA (the "Issuer"), certifies that it is indebted and for value received promises to pay to the registered owner specified above, or registered assigns, in the manner hereinafter set forth, the principal amount specified above, on the maturity date specified above, unless called for earlier redemption, and to pay interest thereon semiannually on February 1 and August 1 of each year (each, an "Interest Payment Date"), commencing August 1, 2022, at the rate per annum specified above (calculated on the basis of a 360-day year of twelve 30-day months) until the principal sum is paid or has been provided for. This Bond will bear interest from the most recent Interest Payment Date to which interest has been paid or, if no interest has been paid, from the date of original issue hereof. The principal of and premium, if any, on this Bond are payable upon presentation and surrender hereof at the principal office of Northland Trust Services, Inc., in Minneapolis, Minnesota (the "Bond Registrar"), acting as paying agent, or any successor paying agent duly appointed by the Issuer. Interest on this Bond will be paid on each Interest Payment Date by check or draft mailed to the person in whose name this Bond is registered (the "Holder" or "Bondholder") on the registration books of the Issuer maintained by the Bond Registrar and at the address appearing thereon at the close of business on the fifteenth day of the calendar month next preceding such

Interest Payment Date (the "Regular Record Date"). Any interest not so timely paid shall cease to be payable to the person who is the Holder hereof as of the Regular Record Date, and shall be payable to the person who is the Holder hereof at the close of business on a date (the "Special Record Date") fixed by the Bond Registrar whenever money becomes available for payment of the defaulted interest. Notice of the Special Record Date shall be given to Bondholders not less than ten days prior to the Special Record Date. The principal of and premium, if any, and interest on this Bond are payable in lawful money of the United States of America. So long as this Bond is registered in the name of the Depository or its Nominee as provided in the Resolution hereinafter described, and as those terms are defined therein, payment of principal of, premium, if any, and interest on this Bond and notice with respect thereto shall be made as provided in the Letter of Representations, as defined in the Resolution, and surrender of this Bond shall not be required for payment of the redemption price upon a partial redemption of this Bond. Until termination of the book-entry only system pursuant to the Resolution, Bonds may only be registered in the name of the Depository or its Nominee.

Optional Redemption. The Bonds of this issue (the "Bonds") maturing on February 1, 2030, and thereafter, are subject to redemption and prepayment at the option of the Issuer on February 1, 2029, and on any date thereafter at a price of par plus accrued interest. Redemption may be in whole or in part of the Bonds subject to prepayment. If redemption is in part, the maturities and the principal amounts within each maturity to be redeemed shall be determined by the Issuer; and if only part of the Bonds having a common maturity date are called for prepayment, the specific Bonds to be prepaid shall be chosen by lot by the Bond Registrar. Bonds or portions thereof called for redemption shall be due and payable on the redemption date, and interest thereon shall cease to accrue from and after the redemption date. Mailed notice of redemption shall be given to the paying agent and to each affected registered holder of the Bonds not more than sixty (60) days and not fewer than thirty (30) days prior to the date fixed for redemption.

Prior to the date on which any Bond or Bonds are directed by the Issuer to be redeemed in advance of maturity, the Issuer will cause notice of the call thereof for redemption identifying the Bonds to be redeemed to be mailed to the Bond Registrar and all Bondholders, at the addresses shown on the Bond Register. All Bonds so called for redemption will cease to bear interest on the specified redemption date, provided funds for their redemption have been duly deposited.

Selection of Bonds for Redemption; Partial Redemption. To effect a partial redemption of Bonds having a common maturity date, the Bond Registrar shall assign to each Bond having a common maturity date a distinctive number for each $5,000 of the principal amount of such Bond. The Bond Registrar shall then select by lot, using such method of selection as it shall deem proper in its discretion, from the numbers assigned to the Bonds, as many numbers as, at $5,000 for each number, shall equal the principal amount of such Bonds to be redeemed. The Bonds to be redeemed shall be the Bonds to which were assigned numbers so selected; provided, however, that only so much of the principal amount of such Bond of a denomination of more than $5,000 shall be redeemed as shall equal $5,000 for each number assigned to it and so selected. If a Bond is to be redeemed only in part, it shall be surrendered to the Bond Registrar (with, if the Issuer or Bond Registrar so requires, a written instrument of transfer in form satisfactory to the Issuer and Bond Registrar duly executed by the Holder thereof or the Holder's

attorney duly authorized in writing) and the Issuer shall execute (if necessary) and the Bond Registrar shall authenticate and deliver to the Holder of the Bond, without service charge, a new Bond or Bonds having the same stated maturity and interest rate and of any Authorized Denomination or Denominations, as requested by the Holder, in aggregate principal amount equal to and in exchange for the unredeemed portion of the principal of the Bond so surrendered.

Issuance; Purpose; General Obligation. This Bond is one of an issue in the total principal amount of $1,445,000, all of like date of original issue and tenor, except as to number, maturity, interest rate, denomination and redemption privilege issued pursuant to and in full conformity with the Constitution and laws of the State of Minnesota pursuant to and a resolution adopted by the City Council of the Issuer on November 16, 2021 (the "Resolution"), for the purpose of providing funds for a current refunding of the Issuer's General Obligation Tax Abatement Bonds, Series 2014A, dated October 1, 2014 which mature or are subject to mandatory redemption on and after February 1, 2023. This Bond is payable out of the General Obligation Tax Abatement Refunding Bonds, Series 2021A Fund of the Issuer. This Bond constitutes a general obligation of the Issuer, and to provide moneys for the prompt and full payment of its principal, premium, if any, and interest when the same become due, the full faith and credit and taxing powers of the Issuer have been and are hereby irrevocably pledged.

Denominations; Exchange; Resolution. The Bonds are issuable solely in fully registered form in Authorized Denominations (as defined in the Resolution) and are exchangeable for fully registered Bonds of other Authorized Denominations in equal aggregate principal amounts at the principal office of the Bond Registrar, but only in the manner and subject to the limitations provided in the Resolution. Reference is hereby made to the Resolution for a description of the rights and duties of the Bond Registrar. Copies of the Resolution are on file in the principal office of the Bond Registrar.

Transfer. This Bond is transferable by the Holder in person or by the Holder's attorney duly authorized in writing at the principal office of the Bond Registrar upon presentation and surrender hereof to the Bond Registrar, all subject to the terms and conditions provided in the Resolution and to reasonable regulations of the Issuer contained in any agreement with the Bond Registrar. Thereupon the Issuer shall execute and the Bond Registrar shall authenticate and deliver, in exchange for this Bond, one or more new fully registered Bonds in the name of the transferee (but not registered in blank or to "bearer" or similar designation), of an Authorized Denomination or Denominations, in aggregate principal amount equal to the principal amount of this Bond, of the same maturity and bearing interest at the same rate.

Fees upon Transfer or Loss. The Bond Registrar may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection with the transfer or exchange of this Bond and any legal or unusual costs regarding transfers and lost Bonds.

Treatment of Registered Owners. The Issuer and Bond Registrar may treat the person in whose name this Bond is registered as the owner hereof for the purpose of receiving payment as herein provided (except as otherwise provided herein with respect to the Record Date) and for all other purposes, whether or not this Bond shall be overdue, and neither the Issuer nor the Bond Registrar shall be affected by notice to the contrary.

Authentication. This Bond shall not be valid or become obligatory for any purpose or be entitled to any security unless the Certificate of Authentication hereon shall have been executed by the Bond Registrar.

Qualified Tax-Exempt Obligation. This Bond has been designated by the Issuer as a "qualified tax-exempt obligation" for purposes of Section 265(b)(3) of the Internal Revenue Code of 1986, as amended.

IT IS HEREBY CERTIFIED AND RECITED that all acts, conditions and things required by the Constitution and laws of the State of Minnesota to be done, to happen and to be performed, precedent to and in the issuance of this Bond, have been done, have happened and have been performed, in regular and due form, time and manner as required by law, and that this Bond, together with all other debts of the Issuer outstanding on the date of original issue hereof and the date of its issuance and delivery to the original purchaser, does not exceed any constitutional or statutory limitation of indebtedness.

IN WITNESS WHEREOF, the City of Isanti, Isanti County, Minnesota, by its City Council has caused this Bond to be executed on its behalf by the facsimile signatures of its Mayor and its Administrator, the corporate seal of the Issuer having been intentionally omitted as permitted by law.

8. Execution. The Bonds shall be in typewritten form, shall be executed on behalf of the City by the signatures of its Mayor and Administrator and be sealed with the seal of the City; provided, as permitted by law, both signatures may be photocopied facsimiles and the corporate seal has been omitted. In the event of disability or resignation or other absence of either officer, the Bonds may be signed by the manual or facsimile signature of the officer who may act on behalf of the absent or disabled officer. In case either officer whose signature or facsimile of whose signature shall appear on the Bonds shall cease to be such officer before the delivery of the Bonds, the signature or facsimile shall nevertheless be valid and sufficient for all purposes, the same as if the officer had remained in office until delivery.

9. Authentication. No Bond shall be valid or obligatory for any purpose or be entitled to any security or benefit under this resolution unless a Certificate of Authentication on the Bond, substantially in the form hereinabove set forth, shall have been duly executed by an authorized representative of the Bond Registrar. Certificates of Authentication on different Bonds need not be signed by the same person. The Bond Registrar shall authenticate the signatures of officers of the City on each Bond by execution of the Certificate of Authentication on the Bond and by inserting as the date of registration in the space provided the date on which the Bond is authenticated, except that for purposes of delivering the original Bonds to the Purchaser, the Bond Registrar shall insert as a date of registration the date of original issue of December 16, 2021. The Certificate of Authentication so executed on each Bond shall be conclusive evidence that it has been authenticated and delivered under this resolution.

10. Registration; Transfer; Exchange. The City will cause to be kept at the principal office of the Bond Registrar a bond register in which, subject to such reasonable regulations as the Bond Registrar may prescribe, the Bond Registrar shall provide for the registration of Bonds and the registration of transfers of Bonds entitled to be registered or transferred as herein provided.

Upon surrender for transfer of any Bond at the principal office of the Bond Registrar, the City shall execute (if necessary), and the Bond Registrar shall authenticate, insert the date of registration (as provided in paragraph 9) of, and deliver, in the name of the designated transferee or transferees, one or more new Bonds of any Authorized Denomination or Denominations of a like aggregate principal amount, having the same stated maturity and interest rate, as requested by the transferor; provided, however, that no Bond may be registered in blank or in the name of "bearer" or similar designation.

At the option of the Holder, Bonds may be exchanged for Bonds of any Authorized Denomination or Denominations of a like aggregate principal amount and stated maturity, upon surrender of the Bonds to be exchanged at the principal office of the Bond Registrar. Whenever any Bonds are so surrendered for exchange, the City shall execute (if necessary), and the Bond Registrar shall authenticate, insert the date of registration of, and deliver the Bonds which the Holder making the exchange is entitled to receive.

All Bonds surrendered upon any exchange or transfer provided for in this resolution shall be promptly canceled by the Bond Registrar and thereafter disposed of as directed by the City.

All Bonds delivered in exchange for or upon transfer of Bonds shall be valid general obligations of the City evidencing the same debt, and entitled to the same benefits under this resolution, as the Bonds surrendered for such exchange or transfer.

Every Bond presented or surrendered for transfer or exchange shall be duly endorsed or be accompanied by a written instrument of transfer, in form satisfactory to the Bond Registrar, duly executed by the Holder thereof or the Holder's attorney duly authorized in writing.

The Bond Registrar may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection with the transfer or exchange of any Bond and any legal or unusual costs regarding transfers and lost Bonds.

Transfers shall also be subject to reasonable regulations of the City contained in any agreement with the Bond Registrar, including regulations which permit the Bond Registrar to close its transfer books between record dates and payment dates. The Finance Director is hereby authorized to negotiate and execute the terms of said agreement.

11. Rights Upon Transfer or Exchange. Each Bond delivered upon transfer of or in exchange for or in lieu of any other Bond shall carry all the rights to interest accrued and unpaid, and to accrue, which were carried by such other Bond.

12. Interest Payment; Record Date. Interest on any Bond shall be paid on each Interest Payment Date by check or draft mailed to the person in whose name the Bond is registered (the "Holder") on the registration books of the City maintained by the Bond Registrar and at the address appearing thereon at the close of business on the fifteenth day of the calendar month next preceding such Interest Payment Date (the "Regular Record Date"). Any such interest not so timely paid shall cease to be payable to the person who is the Holder thereof as of the Regular Record Date, and shall be payable to the person who is the Holder thereof at the close of business on a date (the "Special Record Date") fixed by the Bond Registrar whenever money becomes available for payment of the defaulted interest. Notice of the Special Record Date shall be given by the Bond Registrar to the Holders not less than ten days prior to the Special Record Date.

13. Treatment of Registered Owner. The City and Bond Registrar may treat the person in whose name any Bond is registered as the owner of such Bond for the purpose of receiving payment of principal of and premium, if any, and interest (subject to the payment provisions in paragraph 12) on, such Bond and for all other purposes whatsoever whether or not such Bond shall be overdue, and neither the City nor the Bond Registrar shall be affected by notice to the contrary.

14. Delivery; Application of Proceeds. The Bonds when so prepared and executed shall be delivered by the Finance Director to the Purchaser upon receipt of the purchase price, and the Purchaser shall not be obliged to see to the proper application thereof.

15. Fund and Accounts. For the convenience and proper administration of the moneys to be borrowed and repaid on the Bonds, and to make adequate and specific security to the Purchaser and holders from time to time of the Bonds, there is hereby created a special fund to be designated the "General Obligation Tax Abatement Refunding Bonds, Series 2021A Fund"

(the "Fund") to be administered and maintained by the Finance Director as a bookkeeping account separate and apart from all other funds maintained in the official financial records of the City. The Fund shall be maintained in the manner herein specified until the Bonds have been fully paid. There shall be maintained in the Fund the following separate accounts:

(a) Payment Account. The proceeds of the Bonds shall be deposited in the Payment Account. On or prior to the Call Date, the Finance Director shall transfer $1,475,000.00 of the proceeds of the Bonds from the Payment Account to the paying agent for the Prior Bonds. The sums are sufficient, together with other funds on deposit in debt service account for the Refunded Bonds, to pay the principal and interest due on the Refunded Bonds. The remainder of the monies in the Payment Account shall be used to pay a portion of the costs of issuance of the Bonds. Any monies remaining in the Payment Account after payment of all costs of issuance and payment of the Refunded Bonds shall be transferred to the Debt Service Account.

(b) Debt Service Account. To the Debt Service Account there is hereby pledged and irrevocable appropriated and there shall be credited: (i) Tax Abatements at the times and in the amounts sufficient to pay the principal then due on the Bonds; (ii) any balance remaining after the Call Date, in the Prior Bonds Debt Service Account created by the Prior Resolution; (iii) any collections of all taxes herein or hereafter levied for the payment of the Bonds and interest thereon; (iv) all investment earnings on funds held in the Debt Service Account; (v) all uncollected Tax Abatements and taxes levied in 2021 for the payment of the Prior Bonds; and (vi) any and all other moneys which are properly available and are appropriated by the governing body of the City to the Debt Service Account. The Debt Service Account shall be used solely to pay the principal and interest and any premiums for redemption of the Bonds and any other general obligation bonds of the City hereafter issued by the City and made payable from said account as provided by law.

No portion of the proceeds of the Bonds shall be used directly or indirectly to acquire higher yielding investments or to replace funds which were used directly or indirectly to acquire higher yielding investments, except (1) for a reasonable temporary period until such proceeds are needed for the purpose for which the Bonds were issued and (2) in addition to the above in an amount not greater than the lesser of five percent of the proceeds of the Bonds or $100,000. To this effect, any proceeds of the Bonds and any sums from time to time held in the Debt Service Account (or any other City account which will be used to pay principal or interest to become due on the bonds payable therefrom) in excess of amounts which under then-applicable federal arbitrage regulations may be invested without regard to yield shall not be invested at a yield in excess of the applicable yield restrictions imposed by the arbitrage regulations on such investments after taking into account any applicable "temporary periods" or "minor portion" made available under the federal arbitrage regulations. Money in the Fund shall not be invested in obligations or deposits issued by, guaranteed by or insured by the United States or any agency or instrumentality thereof if and to the extent that such investment would cause the Bonds to be "federally guaranteed" within the meaning of Section 149(b) of the Internal Revenue Code of 1986, as amended (the "Code").

16. Tax Abatements; Use of Tax Abatements. As provided in WHEREAS C hereof, the Council has adopted the Abatement Resolution and has thereby approved the Tax Abatements, including the pledge thereof to the payment of the Bonds. As provided in the

Abatement Resolution, the estimated total amount of Tax Abatements, if received as estimated for the full maximum term thereof, is $3,370,000, and therefore the principal amount of the Bonds does not exceed the maximum projected amount of the Tax Abatements. The Council hereby confirms the Abatement Resolution, which is hereby incorporated as though set forth herein.

17. Tax Levy; Coverage Test. To provide moneys for payment of the interest on the Bonds, there is hereby levied upon all of the taxable property in the City a direct annual ad valorem tax which shall be spread upon the tax rolls and collected with and as part of other general property taxes in the City for the years and in the amounts as follows:

Year of Tax Levy	Year of Tax Collection	Amount

See attached Exhibit B

The tax levies are such that if collected in full they, together with estimated collections of Tax Abatements, will produce at least five percent in excess of the amount needed to meet when due the principal and interest payments on the Bonds. The tax levies shall be irrepealable so long as any of the Bonds are outstanding and unpaid, provided that the City reserves the right and power to reduce the levies in the manner and to the extent permitted by Minnesota Statutes, Section 475.61, Subdivision 3.

Upon payment of the Refunded Bonds, the uncollected taxes levied for the years 2022 through 2028 shall be canceled.

18. General Obligation Pledge. For the prompt and full payment of the principal of and interest on the Bonds as the same respectively become due, the full faith, credit and taxing powers of the City shall be and are hereby irrevocably pledged. If the balance in the Debt Service Account is ever insufficient to pay all principal and interest then due on the Bonds and any other bonds payable therefrom, the deficiency shall be promptly paid out of any other funds of the City which are available for such purpose, and such other funds may be reimbursed with or without interest from the Debt Service Account when a sufficient balance is available therein.

19. Defeasance. When all Bonds have been discharged as provided in this paragraph, all pledges, covenants and other rights granted by this resolution to the registered holders of the Bonds shall, to the extent permitted by law, cease. The City may discharge its obligations with respect to any Bonds which are due on any date by irrevocably depositing with the Bond Registrar on or before that date a sum sufficient for the payment thereof in full; or if any Bond should not be paid when due, it may nevertheless be discharged by depositing with the Bond Registrar a sum sufficient for the payment thereof in full with interest accrued to the date of such deposit. The City may also discharge its obligations with respect to any prepayable Bonds called for redemption on any date when they are prepayable according to their terms, by depositing with the Bond Registrar on or before that date a sum sufficient for the payment thereof in full, provided that notice of redemption thereof has been duly given. The City may also at any time discharge its obligations with respect to any Bonds, subject to the provisions of law now or hereafter authorizing and regulating such action, by depositing irrevocably in escrow, with a suitable banking institution qualified by law as an escrow agent for this purpose, cash or

securities described in Minnesota Statutes, Section 475.67, Subdivision 8, bearing interest payable at such times and at such rates and maturing on such dates as shall be required, without regard to sale and/or reinvestment, to pay all amounts to become due thereon to maturity or, if notice of redemption as herein required has been duly provided for, to such earlier redemption date.

20. Prior Bonds; Security and Prepayment. Until retirement of the Prior Bonds, all provisions for the security thereof shall be observed by the City and all of its officers and agents. The Refunded Bonds shall be redeemed and prepaid on the Call Date in accordance with the terms and conditions set forth in the Notice of Call for Redemption attached hereto as Exhibit C, which terms and conditions are hereby approved and incorporated herein by reference.

21. Supplemental Resolution. The Prior Resolution authorizing the issuance of the Prior Bonds is hereby supplemented to the extent necessary to give effect to the provisions hereof.

22. Certificate of Registration. The City Administrator is hereby directed to file a certified copy of this resolution with the County Auditor of Isanti County, Minnesota, Minnesota, together with such other information as the as the County Auditor shall require, and to obtain the County Auditor's certificate that the Bonds have been entered in the County Auditor's Bond Register and that the tax levy required by law has been made.

23. Continuing Disclosure. The City is the sole obligated person with respect to the Bonds. The City hereby agrees, in accordance with the provisions of Rule 15c2-12 (the "Rule"), promulgated by the Securities and Exchange Commission (the "Commission") pursuant to the Securities Exchange Act of 1934, as amended, and a Continuing Disclosure Undertaking (the "Undertaking") hereinafter described to:

(a) Provide or cause to be provided to the Municipal Securities Rulemaking Board (the "MSRB") by filing at www.emma.msrb.org in accordance with the Rule, certain annual financial information and operating data in accordance with the Undertaking. The City reserves the right to modify from time to time the terms of the Undertaking as provided therein.

(b) Provide or cause to be provided to the MSRB notice of the occurrence of certain events with respect to the Bonds in not more than ten (10) business days after the occurrence of the event, in accordance with the Undertaking.

(c) Provide or cause to be provided to the MSRB notice of a failure by the City to provide the annual financial information with respect to the City described in the Undertaking, in not more than ten (10) business days following such occurrence.

(d) The City agrees that its covenants pursuant to the Rule set forth in this paragraph and in the Undertaking is intended to be for the benefit of the Holders of the Bonds and shall be enforceable on behalf of such Holders; provided that the right to enforce the provisions of these covenants shall be limited to a right to obtain specific enforcement of the City's obligations under the covenants.

The Mayor and Administrator of the City, or any other officer of the City authorized to act in their place (the "Officers") are hereby authorized and directed to execute on behalf of the City the Undertaking in substantially the form presented to the City Council subject to such modifications thereof or additions thereto as are (i) consistent with the requirements under the Rule, (ii) required by the Purchaser of the Bonds, and (iii) acceptable to the Officers.

24. Records and Certificates. The officers of the City are hereby authorized and directed to prepare and furnish to the Purchaser, and to the attorneys approving the legality of the issuance of the Bonds, certified copies of all proceedings and records of the City relating to the Bonds and to the financial condition and affairs of the City, and such other affidavits, certificates and information as are required to show the facts relating to the legality and marketability of the Bonds as the same appear from the books and records under their custody and control or as otherwise known to them, and all such certified copies, certificates and affidavits, including any heretofore furnished, shall be deemed representations of the City as to the facts recited therein.

25. Negative Covenant as to Use of Bond Proceeds and Project. The City hereby covenants not to use the proceeds of the Bonds or to use the improvements originally financed by the Prior Bonds (the "Project"), or to cause or permit them to be used, or to enter into any deferred payment arrangements for the cost of the Project, in such a manner as to cause the Bonds to be "private activity bonds" (other than qualified 501(c)(3) bonds) within the meaning of Sections 103 and 141 through 150 of the Code.

26. Tax-Exempt Status of the Bonds; Rebate. The City shall comply with requirements necessary under the Code to establish and maintain the exclusion from gross income under Section 103 of the Code of the interest on the Bonds, including without limitation (i) requirements relating to temporary periods for investments, (ii) limitations on amounts invested at a yield greater than the yield on the Bonds, and (iii) the rebate of excess investment earnings to the United States. The City expects to satisfy the six month expenditure exemption from gross proceeds of the Bonds as provided in Section 1.148-7(c) of the Regulations. The Mayor and or City Administrator are hereby authorized and directed to make such elections as to arbitrage and rebate matters relating to the Bonds as they deem necessary, appropriate or desirable in connection with the Bonds, and all such elections shall be, and shall be deemed and treated as, elections of the City.

27. Designation of Qualified Tax-Exempt Obligations. In order to qualify the Bonds as "qualified tax-exempt obligations" within the meaning of Section 265(b)(3) of the Code, the City hereby makes the following factual statements and representations:

(a) the Bonds are issued after August 7, 1986;

(b) the Bonds are not treated as "private activity bonds" as defined in Section 141 of the Code;

(c) the City hereby designates the Bonds as "qualified tax-exempt obligations" for purposes of Section 265(b)(3) of the Code;

(d) the reasonably anticipated amount of tax-exempt obligations (other than private activity bonds, treating qualified 501(c)(3) bonds as not being private activity bonds) which will

be issued by the City (and all entities treated as one issuer with the City, and all subordinate entities whose obligations are treated as issued by the City) during this calendar year 2021 will not exceed $10,000,000; and

(e) not more than $10,000,000 of obligations issued by the City during this calendar year 2021 have been designated for purposes of Section 265(b)(3) of the Code;

(f) the aggregate face amount of the Bonds do not exceed $10,000,000.

Furthermore:

(g) each of the Refunded Bonds was designated as a "qualified tax exempt obligation" for purposes of Section 265(b)(3) of the Code;

(h) the average maturity of the Bonds does not exceed the remaining average maturity of the Refunded Bonds;

(i) no part of the Bonds has a maturity date which is later than the date which is thirty years after the date the Refunded Bonds were issued; and

(j) the Bonds are issued to refund, and not to "advance refund" the Prior Bonds within the meaning of Section 149(d)(5) of the Code, and shall not be taken into account under the $10,000,000 issuance limit to the extent the Bonds do not exceed the outstanding amount of the Prior Bonds.

The City shall use its best efforts to comply with any federal procedural requirements which may apply in order to effectuate the designation made by this paragraph.

28. Tax Covenants. In order to ensure that the interest on the Bonds shall at all times be excluded from federal gross income, the City specifically represents, warrants and covenants with all holders of the Bonds, as follows:

(a) It will fulfill all conditions specified in Sections 103 and 141 through 150 of the Code and applicable Treasury Regulations as necessary to maintain the tax exempt status of the interest borne by the Bonds.

(b) All of the property refinanced by the net proceeds of the Bonds will be owned by the City and used by the general public or organizations described in Section 501(c)(3) of the Code.

(c) Less than five percent of the net proceeds of the Bonds will be used to refinance property used either (i) by an organization described in Section 501(c)(3) of the Code in an activity that constitutes an unrelated trade or business, or (ii) in a trade or business by a person other than an organization described in Section 501(c)(3) of the Code or a governmental unit (within the meaning of Section 141 of the Code).

(d) It shall make no use of the Project, including but not limited to entering into any agreement for the management of the Project or any similar agreement, the effect of which

would cause the Bonds not to constitute "qualified 501(c)(3) bonds," within the meaning of Section 145 and related Sections of the Code, and any service contract to be entered into with respect to the Project (unless entered into with an organization described in Section 501(c)(3) of the Code) shall constitute a "qualified management agreement" within the meaning of all pertinent provisions of law, including all relevant provisions of the Code and regulations, rulings and revenue procedures thereunder, including Revenue Procedure 97-13.

(e) Not more than two percent of the proceeds of the Bonds will be applied to the payment of costs of issuance of the Bonds and all costs of issuance in excess of that amount will be paid by the City from funds other than proceeds of the Bonds.

(f) It has not leased, sold, assigned, granted or conveyed and will not lease, sell, assign, grant or convey all or any portion of the facilities refinanced by the Bonds or any interest therein to the United States or any agency or instrumentality thereof within the meaning of Section 149(b) of the Code.

(g) No portion of the proceeds of the Bonds will be used to provide any of the following facilities or facilities related or incidental thereto: any airplane, skybox or other private luxury box, facility used primarily for gambling, or store the principal business of which is the sale of alcoholic beverages for consumption off premises.

(h) The City will not permit any person to become a "principal user" of the Project if such action would cause the interest on the Bonds to become includable in federal gross income in the hands of the holders thereof.

(i) The average maturity of the Bonds does not exceed one hundred twenty percent of the average reasonably expected economic life of the facilities refinanced by the Bonds as determined in accordance with Section 147(b) of the Code.

(j) No obligations have been or will be issued which are described in Section 141, 142, 143, 144 or 145 of the Code and that are sold at substantially the same time as the Bonds, pursuant to a common plan of marketing or otherwise have any common or pooled security for the payment of debt service thereon with the Bonds.

(k) It will not use the proceeds of the Bonds in such a manner as to cause the Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code and applicable Treasury Regulations.

(l) It will comply with and fulfill all other requirements and conditions of the Code and Treasury Regulations and rulings issued pursuant thereto relating to the acquisition, construction and operation of the facilities refinanced by the Bonds to the end that interest on the Bonds shall at all times be excludable from federal gross income.

(m) It will not use the proceeds of the Bonds in such a manner as to cause the Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code and applicable Treasury Regulations; and to this end, the City shall pay to the United States, as a rebate, an amount equal to the sum of (i) the excess of (I) the aggregate amount earned on all nonpurpose obligations (other than investments attributable to an excess described in this clause), over (II) the amount

which would have been earned if all nonpurpose obligations were invested at a rate equal to the yield on the Bonds plus (ii) any income attributable to the excess described in clause (i), at the times and in the amounts required by Section 148 of the Code, all within the meaning of Section 148 of the Code. The City shall maintain records of the interest rate borne by the Bonds and the investments of the Debt Service Account and earnings thereon in adequate detail to enable the City to calculate the amount of any rebate required to be made to the United States. The City shall pay the rebate to the United States at times and in installments which satisfy Section 148 of the Code and the regulations, at least once every five years and within sixty days after the day on which the last of the Bonds is redeemed. Calculations of the amount to be rebated shall be made at least every five years, by bond counsel or an independent accountant selected by the City. Such calculations shall be retained until six years after the retirement of the Bonds. The rebate shall be calculated as provided in the applicable Treasury Regulations, including taking into account the gain or loss on the disposition of nonpurpose investments.

29. Official Statement. The Official Statement relating to the Bonds prepared and distributed by Northland is hereby approved and the officers of the City are authorized in connection with the delivery of the Bonds to sign such certificates as may be necessary with respect to the completeness and accuracy of the Official Statement.

30. Severability. If any section, paragraph or provision of this resolution shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such section, paragraph or provision shall not affect any of the remaining provisions of this resolution.

31. Headings. Headings in this resolution are included for convenience of reference only and are not a part hereof, and shall not limit or define the meaning of any provision hereof.

The motion for the adoption of the foregoing resolution was duly seconded by member _____ and, after a full discussion thereof and upon a vote being taken thereon, the following voted in favor thereof:

PURPOSE: Proceeds from the Bonds will be used to current refund the outstanding maturities of the City's General Obligation Tax Abatement Bonds, Series 2014A and to pay costs associated with the issuance of the Bonds.

FINANCE PLAN: The Bonds have been structured to result in relatively level annual savings, preserving the original structure of the Refunded Bonds. Costs of issuance to be financed by proceeds of "qualified private activity bonds" are limited to 2% of the par amount of the bonds to be issued. Based on our current estimates, the City will be required to use $12,510.35 in cash to cover the disallowed issuance costs.

SECURITY: Tax abatement levy and ad valorem taxes.

RESULTS:

- Method of Sale: Negotiated. The City received 3 bids. The Bonds were underwritten by United Bankers' Bank, Bloomington, Minnesota.

MEMORANDUM

Date: November 9, 2021

To: Sheila Sellman, Community Development Director

From: Jason W Cook, P.E.
City Engineer

Subject: Fairway Greens North –Letter of Credit Adjustment
City of Isanti, MN
Project No.: 0R1.125451

The Developer of the Fairway Greens North subdivision has requested a reduction to the Letter of Credit (LOC) the City holds on the project.

The developer has established a system of payment to the Contractor where payment is only released once the City has authorized the reduction of the Letter of Credit to be used for payment. This is a different process than we have used in the past.

In order to maintain the agreed upon balances at the completion of the project and hold retainage to ensure work is finalized and accepted, we recommend following city standard retainage practices. On City led projects, 20% of the requested amounts of non-permanent items is held to ensure the temporary items are removed at the end of the project, and 5% of permanent items that have been installed is held until all tests are passed and the work is finalized. We recommend continuing to hold the 25% additional amount from the initial 125% of the construction cost LOC balance to cover possible overhead costs and the required balances at the end of the project for closeout and warranty (20% until all documents are closed out, and then 10% for the warranty period).

Attached are the invoices from the contractors for work completed to date.

The materials have been found to be in compliance with city standards and all tests have passed to date.

$17,000.00 of the requested amount is temporary erosion control measures, so, following city standard retainage practices, we recommend releasing 80% of these items in the amount of $13,600.00.

$439,861.18 of the requested amount are non-temporary measures, so, following city standard retainage practices, we recommend releasing 95% of these items in the amount of $417,868.12.

We recommend approving the reduction of the Letter of Credit in the amount of **$431,468.12** for materials incorporated into the project. This would hold $25,393.06 in retainage following standard City contract practices.

The remaining balance of the Letter of Credit is anticipated to be sufficient to complete the project as proposed while covering all incurred overhead costs including testing, inspection, and contract administration.

Please contact me if you have any questions.

Bolton & Menk is an equal opportunity employer.

Subject: Resolution 2021-XXX Approving Second Extension of Recording the Final Plat for Fairway Greens South

---

Background:
At the June 1, 2021 City Council meeting the Council approved the preliminary and final plat for Fairway Greens North. City code requires final plats to be recorded within 90 days. As part of the development agreement process the developer has requested a discussion on utility oversizing that we are requiring, resulting in the need to extend the recording. The City Code allows for two extensions. The developer is requesting a one-year extension to record the final plat.

Request:
Consider resolution 2021- XXX approving an extension of recording the final plat for Fairway Greens South for one year.

RESOLUTION 2021-XXX

APPROVING SECOND EXTENSION OF RECORDING THE FINAL PLAT FOR FAIRWAY GREENS SOUTH

WHEREAS, the developer has an approved final plat known as Fairway Greens South consisting of 45 residential lots; and,

WHEREAS, a 90-day extension was approved on September 7, 2021; and,

WHEREAS, Subdivision Ordinance 536, Article 6, Subdivision 1 (I) requires all plats shall be recorded with the County Recorder's Office within ninety days after the date of approval; and,

WHEREAS, due to the developer not being able to secure bids in time, a one-year extension has been requested;

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Isanti, Minnesota hereby approves the extension for one year to record the plat.

This Resolution hereby approved by the City Council of the City of Isanti this 16th day of November 2021.

RESOLUTION 2021-XXX

ADOPTING THE COMMECIAL DOT DRUG AND ALCOHOL TESTING POLICY

WHEREAS, the City of Isanti preforms random, reasonable suspicion and at hire drug and alcohol testing on DOT staff; and,

WHEREAS, cities must test any employees whose jobs require them to have a commercial driver's license; and,

WHEREAS, the Omnibus Transportation Employee Testing Act of 1991 requires drug and alcohol testing of employees who drive motor vehicles in safety-sensitive functions; and,

WHEREAS, this policy supersedes Resolution 2007-157 to be added to the Personnel Policy;

NOW THEREFORE BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ISANTI, MINNESOTA to adopt the Transportation Employee Drug and Alcohol Policy as attached as 'Exhibit A'.

This Resolution is hereby approved by the Isanti City Council this 16th day of November 2021.

CITY OF ISANTI
COMMERICAL DRIVER'S LICENSE
DRUG AND ALCOHOL POLICY

POLICY STATEMENT

The City of Isanti (City) recognizes applicants and employees who are required to hold a Commercial Driver's License (CDL) to perform safety-sensitive functions are subject to the drug and alcohol testing provisions mandated by the Omnibus Transportation Employee Testing Act of 1991. The City has established this policy on the use of drugs and alcohol, including testing for drugs and alcohol as mandated by Title 49 C.F.R. Part 382. Work performance and safety suffers when employees use or abuse drugs and/or alcohol. The City wishes to provide a safe workplace for our employees, customers, and the general public by maintaining a drug and alcohol free workplace.

To the extent federal statute or regulations change, the policy shall be construed as consistent with those changes. Because changes in applicable law and the City's practices and procedures may occur from time to time, this policy may change in the future, and nothing in this policy is intended to be a contract, promise, or guarantee the City will follow any particular course of action, disciplinary, rehabilitative or otherwise, except as required by law.

COVERAGE AND APPLICABILITY

In response to regulations issued by United States Department of Transportation ("DOT"), the City has adopted this Policy on Alcohol and Controlled Substances for employees who hold a commercial driver's license (CDL) to perform their duties.

All applicants, including persons currently employed by the City, that apply for a position where job duties include operating commercial motor vehicles, will be required to submit to a pre-employment drug test if a job offer is made.

Given the significant dangers of alcohol and controlled substance use, each applicant and driver must abide by this policy as a term and condition of hiring and continued employment. Moreover, the City is required by federal law to implement and maintain a policy which addresses certain requirements related to drug and alcohol use and associated testing for its CDL drivers.

PROCEDURE

To ensure this policy is clearly communicated to all drivers and applicants, and in order to comply with applicable federal law, drivers and applicants are required to review this policy, sign the "CDL Driver Acknowledgement of DOT Drug and Alcohol Policy" form [see Appendix A], and return this documentation to the Human Resources Department.

DEFINITIONS

The following definitions shall define the terms as used in this policy. In the event any conflict should arise between the definitions of terms herein and the definitions of those terms in DOT rules, regulations, interpretations or guidance, the definitions herein shall be deemed superseded and the DOT rules, regulations, interpretations or guidance shall control.

Accident means an occurrence involving a CMV operating on a public road which results in:

1. A fatality; or
2 Bodily injury to a person who, as a result of the injury, immediately receives medical treatment away from the scene of the accident; or
3. One or more motor vehicles incurring disabling damage as a result of the accident, requiring the motor vehicle(s) to be transported away from the scene by a tow truck or other motor vehicle.

Actual knowledge means actual knowledge by an employer that a driver has used alcohol or controlled substances based on the employer's direct observation of the driver, information provided by the driver's previous employer(s), a traffic citation for driving a CMV while under the influence of alcohol or a controlled substance, or a driver's admission of alcohol or controlled substance use under the provisions of Sec. 382.121. Direct observation as used in this definition means observation of alcohol or controlled substance use and does not include observation of driver behavior or physical characteristics sufficient to warrant reasonable suspicion testing under Sec. 382.307. As used in this definition, "traffic citation" means a ticket, complaint, or other document charging driving a CMV while under the influence of alcohol or controlled substances.

Adulterated Specimen means a specimen that has been altered, as evidenced by test results showing either a substance that is not a normal constituent for that type of specimen or showing an abnormal concentration of an endogenous substance.

Alcohol means the intoxicating agent in beverage alcohol, ethyl alcohol or other low molecular weight alcohol including methyl or isopropyl alcohol.

Alcohol Concentration means the alcohol in a volume of breath expressed in terms of grams of alcohol per 210 liters of breath as indicated by an alcohol test conducted under 49 C.F.R. Part 40.

Alcohol Confirmation Test means a subsequent test using an Evidential Breath Testing Device (EBT), following a screening test with a result of 0.02 or greater, that provides quantitative data about the alcohol concentration.

Alcohol Screening Devise (ASD) means a breath or saliva device, other than an EBT, that is approved by the National Highway Traffic Safety Administration and appears on the Office of Drug and Alcohol Policy and Compliance's (ODAPC) Web page for "Approved Screening Devices to Measure Alcohol in Bodily Fluids" because it conforms to the model specifications of National Highway Traffic Safety Administration (NHTSA).

Alcohol Screening Test means an analytic procedure to determine whether an employee may have a prohibited concentration of alcohol in a breath or saliva specimen.

Alcohol Use means the drinking or swallowing of any beverage, liquid mixture or preparation (including any medication) containing alcohol.

Breath Alcohol Technician (BAT) means a person who instructs and assists employees in the alcohol testing process and operates an EBT.

Chain of Custody means a procedure used to document the handling of the urine specimen from the time the employee gives the specimen to the collector until the specimen is destroyed. This procedure uses the Federal Drug Testing Custody and Control Form (CCF).

Collection site means a place designated by the City, where individuals present themselves for the purpose of providing a urine specimen for a drug test.

Commercial Driver's License Drug and Alcohol Clearinghouse (Clearinghouse) means the FMCSA database that 49 C.F.R. Part 382, Subpart G requires employers and service agents to report information to and to query regarding drivers who are subject to the DOT controlled substance and alcohol testing regulations.

Commercial Motor Vehicle (CMV) means a motor vehicle or combination of motor vehicles used to transport passengers or property if the vehicle:

1. Has a gross combination weight rating (GCWR) of 26,001 or more pounds inclusive of a towed unit with a gross vehicle weight rating of more than 10,000 pounds; or
2. Has a gross vehicle weight rating (GVWR) of 26,001 or more pounds, or
3. Is designed to transport 16 or more passengers including the driver; or
4. Is of any size and is used in the transportation of materials found to be hazardous for the purposes of the Hazardous Materials Transportation Act, (49 U.S.C. 5103(b)) and which requires the motor vehicle to be placarded under the Hazardous Materials Regulations (49 C.F.R. Part 172, Subpart F).

Confirmation (or confirmatory) drug test means a second analytical procedure performed on a different aliquot of the original specimen to identify and quantify the presence of a specific drug or drug metabolite.

DHHS is the Department of Health and Human Services or any designee of the Secretary of the Department of Health and Human Services.

Dilute Specimen means a specimen with creatinine and specific gravity values that are lower than expected for human urine.

Disabling Damages means damage which precludes departure of a motor vehicle from the scene of the accident in its usual manner in daylight after simple repairs.

1. *Inclusions.* Damage to motor vehicles that could have been driven, but would have been further damaged if so driven.
2. *Exclusions.*

a) Damage which can be remedied temporarily at the scene of the accident without special tools or parts.
b) Tire disablement without other damage even if no spare tire is available.
c) Headlight or taillight damage.
d) Damage to turn signals, horn or windshield wipers which make them inoperative

Driver means any person who operates a commercial motor vehicle. This includes, but is not limited to: Full time, regularly employed drivers; casual, intermittent or occasional drivers; leased drivers and independent owner-operator contractors. All "drivers" are "employees" for purpose of this policy.

Drugs (or Controlled Substances) means the substance for which laboratories are required to test for under 49 C.F.R. Part 40 and FMCSA regulations as each may be amended from time to time.

Employee means any person who is designated in a DOT Agency regulation as subject to drug testing and/or alcohol testing. For purposes of drug testing, the term employee has the same meaning as the term "donor" does in connection with Custody and Control Forms and Department of Health and Human Service regulations and guidance.

Evidential Breath Testing Device (EBT) means a device that is approved by the NHTSA for the evidential testing of breath at the .02 and .04 alcohol concentration, and appears on ODAPC's Web page for "Approved Evidential Breath Measurement Devices" because it conforms with the model specifications available from NHTSA.

FMCSA is the Federal Motor Carrier Safety Administration.

Initial Drug Test (also known as a screening drug test) means the test used to differentiate a negative specimen from one that requires further testing for drugs or drug metabolite.

Laboratory means any US laboratory certified by DHHS under the National Laboratory Certification Program as meeting the minimum standards of Subpart C of DHHS Mandatory Guidelines for Federal Workplace Drug Testing Programs; or in the case of foreign laboratories, a laboratory approved for participation by DOT under this part.

Licensed medical practitioner means a person who is licensed, certified, and/or registered, in accordance with applicable federal, state, local, or foreign laws and regulations, to prescribe controlled substances and other drugs.

Medical Review Officer (MRO) means a person who is a licensed physician and who is responsible for receiving and reviewing laboratory results generated by an employer's drug testing program and evaluating medical explanations for certain drug test results.

Negative return-to-duty test result means a return-to-duty test with a negative drug test result and/or and alcohol test with an alcohol concentration of less than 0.02 as described in 49 C.F.R. Part 40.305.

Prescription Medications means the use (by a driver) of legally prescribed medications issued by a licensed health care professional familiar with the driver's work related responsibilities.

Random selection means a mechanism for selection of employees for testing where each employee has an equal chance of being selected each time selection are made.

Reasonable suspicion means that the employer believes the appearance, behavior, speech, etc. of an employee are indicative of the use of a drugs or alcohol based on the observation of at least one (1) supervisor or official who has received training in the identification of behaviors indicative of drug and/or alcohol use.

Safety-sensitive function means all time from the time a driver begins to work or is required to be in readiness to work until the time the driver is relieved from work and all responsibility for performing work. Safety-sensitive functions shall include:

1. All time at an employer or shipper plant, terminal, facility, or other property, or on any public property, waiting to be dispatched, unless the driver has been relieved from duty by the employer;
2. All time inspecting equipment as required by the Federal Motor Carrier Safety Regulations, or otherwise inspecting servicing, or conditioning any CMV at any time;
3. All time spent at the driving controls of a CMV in operation;
4. All time, other than driving time, in or upon any CMV except time spent resting in a sleeper berth;
5. All time loading or unloading a vehicle, supervising, or assisting in the loading or unloading, attending a vehicle being loaded or unloaded, remaining in readiness to operate the vehicle, or in giving or receiving receipts for shipments loaded or unloaded;
6. All time repairing, obtaining assistance, or remaining in attendance upon a disabled vehicle;

Screening Test Technician (STT) means anyone meeting the requirements for a BAT that may act as a SST, provided that the individual has demonstrated proficiency in the operation of a non-evidential screening device.

Service Agent or Third Party Administrator means any person or entity, other than an employee of the employer, who provides

services specified under this part to employers and/or employees in connection with DOT drug and alcohol testing requirements.

Substance Abuse Professional (SAP) means a person who evaluates employees who have violated a DOT alcohol and drug regulation and makes recommendations concerning education, treatment, follow-up testing, and aftercare.

Substituted Specimen means a specimen with creatinine and specific gravity values that are so diminished that they are not consistent with human urine.

RESPONSIBILITIES

All employees are strictly prohibited from using, possessing, selling, transferring, transporting, or being under the influence of drugs or alcohol while working, performing job duties, while on the employer's premises, or while operating the employer's vehicles or equipment.

It is the City's responsibility to provide testing for drivers that is in compliance with all federal and state laws and regulations, and within the provisions of this policy. The City will retain all records related to this testing. The City's designated person(s) to retain records, monitor, facilitate, and answer questions pertaining to these procedures is the City Human Resources Director or designee(s).

The supervisor(s) of drivers is responsible to be able to make reasonable suspicion observations to determine if the driver is impaired in some way, and be prepared to implement the requirements of this policy if necessary.

The driver is responsible for complying with the requirements set forth in this policy. The driver will not use, have possession of, abuse, or have the presence of alcohol or any controlled substance in excess of regulation-established threshold levels while on duty. The driver will not use alcohol within 4 hours prior to performing a safety-sensitive function, while performing a safety-sensitive function, immediately after performing a safety-sensitive function, or as required under post-accident testing.

The driver must submit to alcohol and controlled substances tests administered under Part 382.

The driver is responsible to inform their supervisor of any prescription medication use prior to performing a safety-sensitive function which may have an effect on their driving ability. The driver may be required to present written evidence from a health care professional which describes the effects such medications may have on the driver's ability to perform safety-sensitive functions. The City reserves the right to seek additional opinions from qualified medical personnel concerning the potential effects of the prescribed medication on a driver's ability to perform safety-sensitive functions, and to prohibit a driver from performing safety-sensitive functions while they are taking prescription medications. Any such prohibition will be without prejudice and the driver will be allowed to return to duty upon ceasing to use the medication or when the City determines safety-sensitive functions will not be affected upon review of sufficient information, provided by a qualified medical personnel.

PROHIBITED DRUG AND ALCOHOL RELATED CONDUCT

The following alcohol and drug related activities are prohibited by the FMCSA for operators of CMV(s):

1. Reporting for duty or remaining on duty to perform safety-sensitive functions while having an alcohol concentration of 0.04 or greater.
2. Being on duty or operating a CMV while possessing alcohol, unless that alcohol is manifested as a part of a shipment. This includes the possession of medicines containing alcohol (prescription or over the counter), unless the package seal is unbroken.
3. Using alcohol while performing safety-sensitive functions.
4. Performing safety-sensitive functions within four (4) hours after using alcohol.
5. When required to submit a post-accident test, using alcohol within eight (8) hours following the accident or prior to undergoing a post-accident alcohol test, whichever comes first.
6. Refusing to submit to an alcohol or drug test required by post-accident, random, reasonable cause, return to duty, or follow up testing requirements.
7. Reporting for duty or remaining on duty, requiring the performance of safety-sensitive functions, when the driver uses any drug, except when instructed to by a licensed medical practitioner who has advised the driver that the substances do not adversely affect the driver's ability to operate a CMV.
8. Reporting for duty, remaining on duty, or performing a safety-sensitive function after testing positive for drugs.

OTHER ALCOHOL RELATED CONDUCT

FMCSA rules require that in the event of an alcohol test result equal or greater than 0.02 BAC, but less than 0.04 BAC the employee will not be permitted to perform safety-sensitive duties for a minimum of 24 hours.

TYPE OF TESTING REQUIRED

PRE-EMPLOYMENT TESTING (Sec. 382.301): All applicants, including employees currently employed by the employer, applying for a job where duties include operating a CMV, are required to submit to pre-employment testing for controlled substances, if a job offer is made. The offer is contingent upon all of the following:

1. A negative result of the drug test.
a) Diluted specimens: A Positive diluted specimen verified and reported by the MRO will be treated as a verified positive test. A Negative diluted specimen verified and reported by the MRO will be directed to immediately take another test. The test of any second test conducted shall be the final test result.
2. The applicant's written agreement authorizing all former employers to release to the Employer all information about the applicant concerning the following items within the last three (3) years:
a) alcohol tests with result of 0.04 BAC or greater,
b) positive test results for drugs,
c) refusals to be tested,
d) any SAP referrals or evaluations
3. The receipt of acknowledgements from all former employers in a manner satisfactory to the Employer indicating that none of the items referenced in paragraph 2 above have occurred with respect to the applicant.
4. Verification that applicant has submitted electronic consent through the Clearinghouse granting access to the applicant's Clearinghouse records to determine whether the Driver:
a) Has a verified positive, adulterated, or substituted controlled substances test result;
b) Has an alcohol confirmation test with a concentration of 0.04 or higher;
c) Has refused to submit to a test in violation of §382.211;
d) That an employer has reported actual knowledge, as defined at §382.107;
e) That the driver used alcohol on duty in violation of §382.205;
f) That the driver used alcohol before duty in violation of §382.207;
g) That the driver used alcohol following an accident in violation of §382.209;
h) That the driver used controlled substance in violation of §382.213.
5. Completion of a successful query of the Clearinghouse indicating that none of the items referenced in paragraph 4 above have occurred with respect to the applicant.

An applicant who submits a specimen which the MRO verifies and reports to be an adulterated or substituted specimen will be deemed to have refused to submit to testing.

The employer will not consider an applicant for employment who received a verified positive test result.

An applicant who refuses to submit to a controlled substance test shall be disqualified from further consideration for the conditionally offered position.

POST-ACCIDENT TESTING (Sec. 382.303): If a driver is involved in an accident, the driver shall immediately notify their supervisor. The driver is subject to post-accident testing if the accident involved:

1. a fatality,
2. bodily injury with immediate medical treatment away from the scene,
3. disabling damage to any motor vehicle requiring tow away, or
4. the driver receiving a citation.

The driver may also be subject to post-accident testing at the discretion of the supervisor without the meeting the above listed reasons, including, but not limited to, involvement in an accident resulting in $500.00 or more in damage to one or more motor vehicle(s) as estimated by the supervisor.

The driver will be tested for drugs and alcohol as soon as possible following the accident. The driver must remain readily available for testing. If the driver isn't readily available for alcohol and drug testing, the driver may be deemed as refusing to submit to testing. A driver involved in an accident may not consume alcohol for eight (8) hours or until testing is completed.

If the alcohol test is not administered within two (2) hours following the accident the Designated Employer Representative (DER) or designee(s) will prepare a report and maintain a record stating why the test was not administered within two (2) hours.

If the alcohol test is not administered within eight (8) hours following the accident, all attempts to administer the test will cease. The DER or designee(s) will prepare a report and maintain a record stating why the test was not administered within eight (8) hours.

The drug test must be administered within thirty-two (32) hours of the accident. If the test could not be administered within thirty-two (32) hours, all attempts to test the driver will cease. The DER or designee(s) will prepare and maintain a record stating the reasons why the test was not administered within thirty-two (32) hours.

RANDOM TESTING (Sec 382.305): Random testing will be spread reasonably throughout the calendar year. All random alcohol and drug tests will be unannounced, with each driver having an equal chance of being tested each time selections are made. The selection of drivers for random alcohol and controlled substances testing will be made by a scientifically valid method as described in Sec. 382.305(i). At least the minimum percent of the average number of driver positions as required by FMCSA will be tested for each year.

A driver may be tested for alcohol while performing a safety-sensitive function, just before performing a safety-sensitive function, or just after completing a safety-sensitive function.

The driver must proceed immediately to the assigned collection site when notified of being randomly selected for testing.

REASONABLE SUSPICION TESTING (Sec. 382.307): If the driver's supervisor or another official designated to supervise drivers believes a driver is under the influence of alcohol or drugs, the driver will be required to undergo a drug and/or alcohol test. Reasonable suspicion alcohol testing is only authorized if the observations are made during, just preceding, or after the driver is performing a safety-sensitive function.

The basis for requiring testing will be specific, contemporaneous, articulable observations concerning the appearance, behavior, speech, or body odors of the driver. In the case of controlled substance, the observations may include indications of the chronic and withdrawal effects of a controlled substance A written record of the observations leading to an alcohol or controlled substance reasonable suspicion test, signed by the supervisor or official who made the observation, will be completed within twenty-four (24) hours of the observed behavior or before the results of the alcohol or controlled substances test are released, whichever is first.

The driver's supervisor or another official will immediately remove the driver from any and all safety-sensitive functions and take the driver or make arrangements for the driver to be taken to a testing facility.

If an alcohol test is not administered within two (2) hours following a reasonable suspicion determination, the DER or designee(s) will prepare and maintain a record stating the reasons why the test was not administered within two (2) hours. If the test was not administered within eight (8) hours after a reasonable suspicion determination, all attempts to administer the test shall cease. A record of why the test was not administered must be prepared and maintained.

Notwithstanding the absence of a reasonable suspicion test, no driver may report for duty or remain on duty requiring the performance of safety-sensitive functions while the driver is under the influence of or impaired by alcohol, as shown by the behavioral, speech, and performance indicators of alcohol use, nor will the City permit the driver to perform or continue to perform safety-sensitive functions until (1) an alcohol test is administered and the driver's alcohol concentration is less than .02; or (2) twenty-four (24) hours have elapsed following the determination of reasonable suspicion.

RETURN-TO-DUTY TESTING (Sec 382.309): The City reserves the right to impose discipline against drivers who violate applicable FMCSA or DOT rules or this policy, subject to applicable personnel policy and collective bargaining agreements. Except as otherwise required by law, the City is not obligated to reinstate or requalify such drivers for a first positive test result.

Should the City consider reinstatement of a DOT covered driver, the driver must undergo a SAP evaluation and participate in any prescribed education/treatment, and successfully complete return-to-duty alcohol testing with a result indicating an alcohol concentration of less than 0.02 and/or a controlled substance test with a verified negative result, before the driver returns to duty requiring the performance of a safety-sensitive function. The SAP determines if the driver has completed the education/treatment as prescribed.

The employee is responsible for paying for all costs associated with the return-to-duty test. The controlled substance test will be conducted under direct observation.

FOLLOW-UP TESTING (Sec. 382.311): The City reserves the right to impose discipline against drivers who violate applicable FMCSA or DOT rules or this policy, subject to applicable personnel policies and collective bargaining agreements. Except as otherwise required by law, the City is not obligated to reinstate or requalify such drivers.

Should the City reinstate a driver following a determination by a SAP that the driver is in need of assistance in resolving problems associated with alcohol use and/or use of controlled substances, the City will ensure that the driver is subject to unannounced follow-up alcohol and/or controlled substance testing. The number and frequency of such follow-up testing will be directed by the SAP and will consist of at least six (6) tests in the first twelve (12) months following the driver's return to duty. Follow-up testing will not exceed sixty (60) months from the date of the driver's return to duty. The SAP may terminate the requirement for follow-

up testing at any time after the first six (6) tests have been administered, if the SAP determines that such testing is no longer necessary. The employee is responsible for paying for all costs associated with follow-up tests.

Follow-up testing will be conducted only when the driver is performing safety-sensitive functions, or immediately prior to or after performing safety-sensitive functions.

COST OF REQUIRED TESTING. The City will pay for the cost of pre-employment, post-accident, random, and reasonable suspicion controlled substance and alcohol testing requested or required of all job applicants and employees. The driver must pay for the cost of all requested confirmatory re-tests, return-to-duty, and follow-up testing.

TESTING PROCEDURES

All testing shall be conducted in accordance with 49 C.F.R. Part 40 and any published guidance, interpretation or amendments. If any conflict arises between the procedure described below and the currently effective provisions of 49 C.F.R. Part 40, the currently effective provision shall control.

DRUG TESTING PROCESS: Drug testing is conducted by analyzing an employee's urine specimen. Laboratory analysis of specimens consists of testing for the following classes of drugs at the cutoff levels determined by DOT:

1. Amphetamines/Methamphetamines
2. Cocaine
3. Opioids
4. Phencyclidine (PCP)
5. THC (marijuana, hashish, etc.)

In accordance with FMCSA regulations, the urine specimens will be collected using the split sample collection method. The employee will provide a urine sample at an employer designated collection site. The collection site personnel will then pour the sample into two sample bottles, labeled "primary" and "split", seal the specimen bottles, complete the CCF, and prepare the specimen bottles for shipment to the testing laboratory for analysis. The specimen preparation shall be conducted in sight of the employee.

Once the specimen is received by the testing laboratory, the laboratory will inspect the specimen bottles and the CCF for the presence of any fatal or correctable flaws. The laboratory will then conduct the initial testing on the specimen to determine if the specimen contains sufficient quantity of any drug to warrant further testing. The testing laboratory will also conduct validity testing on the specimen to determine whether certain adulterants or foreign interfering substances are present in the urine, if the urine was diluted, or if the specimen was substituted.

If the results of the initial drug test are negative, no further testing will be conducted. If the results of the initial drug test are positive, the laboratory will perform a confirmation testing on the specimen for each of the substances identified in the initial test. The results of any confirmation tests will be the laboratory's final test result.

Drug test results are reported directly to the MRO by the testing laboratory. The MRO reviews the laboratory results, verifies the results, then reports the results directly to the employer. If the laboratory results are negative, the MRO performs an administrative review only. If the laboratory's test result is confirmed positive, adulterated or substituted the MRO performs an administrative review and interviews the employee in order to provide an opportunity to explain the test result. The MRO will contact the employee directly, on a confidential basis, to determine whether the employee wishes to discuss the test result. The MRO will determine whether a legitimate medical explanation exists to explain the laboratory result. If no legitimate medical explanation is offered for the laboratory's test result the MRO shall verify the test results as positive for drugs, or as a refusal to test because of adulterated or substituted and report the results to the employer.

The MRO shall notify each employee that the employee has seventy-two (72) hours in which to request a test of the split specimen. If the employee requested an analysis of the split specimen within seventy-two (72) hours of having been informed of a verified positive test, the MRO shall direct the laboratory, in writing, to transfer the split specimen to another DHHS-Substance Abuse and Mental Health Services Administration (SAMHSA) certified laboratory for analysis. If the employee has not contacted the MRO within seventy-two (72) hours, the employee may present the MRO information documenting that serious illness, injury, inability to contact the MRO, lack of actual notice of the verified positive test, or other circumstances unavoidably prevented the employee from timely making contact. If the MRO concludes that there is a legitimate explanation for the employee's failure to contact him or her within seventy-two (72) hours, the MRO will direct the analysis of the split specimen.

If after making reasonable efforts and documenting those efforts, the MRO is unable to reach the employee directly, the MRO must contact the employer, who shall direct the employee to contact the MRO.

The MRO may verify a test positive without having communicated directly with the employee about the test results under the following circumstances:

1. The employee expressly declines the opportunity to discuss the test results.
2. Neither the MRO nor the employer is able to reach the employee within ten (10) days of the date on which the MRO received the test result from the laboratory.
3. The employee has not contacted the MRO within seventy-two (72) hours of being instructed to do so by the employer.

Special Urine Specimen Collection Situations

The Observed Collection

In most circumstances the employee will provide the urine specimen in a private enclosure. However, in limited situation the employee is required to be observed while providing the required urine specimen. A direct observation collection is required in the situations listed below:

1. For all Return-to-Duty Follow-up drug tests
2. It the collector observes materials brought to the collection site or if the employee's conduct clearly indicates an attempt to tamper with a specimen;
3. If the employee provides a specimen with a temperature out of range;
4. If the employee provides a specimen that appears to have been tampered with;
5. If the laboratory reported to the MRO that a specimen was invalid, and the MRO reported to the employer that there was not an adequate medical explanation for the result, the employee must submit a second specimen under direct observation;
6. If a positive, adulterated, or substituted test result had to be cancelled because the test of the split specimen could not be performed, then the employee must submit a second collection under direct observation; and
7. If the laboratory reported to the MRO that the specimen was negative-dilute with a creatinine concentration greater than or equal to 2mg/dL but less than or equal to 5 mg/dL, then the employee must submit to a second collection under direct observation.

In an observed collection, a person of the same gender will accompany the donor into the urination area to observe the urination process. The observer is required to direct the donor to raise his or her shirt, blouse, or dress/skirt, as appropriate, above the waist; and lower clothing and underpants to show the observer, by turning around, that the donor does not have a prosthetic device. The observer must then watch the donor urinate into the collection container. Specifically the observer must watch the urine go from the donor's body into the collection container.

Employee is unable to provide sufficient specimen

If the employee is unable to provide the appropriate quantity of urine, the collection site person will instruct the employee to drink up to forty (40) ounces of fluids distributed over a period of up to three hours or until the employee has provide a sufficient sample. If the employee is still unable to provide a complete sample, the test shall be discontinued and the employer notified. The employee will be instructed to obtain, within five (5) working days, an evaluation from a licensed physician acceptable to the MRO to determine if the employee's inability to provide a specimen is genuine or constitutes a refusal to test.

TESTING LABORATORY: All drug testing will be conducted by a laboratory certified by DHHS-SAMHSA to perform drug testing for DOT regulations. The laboratory shall be chosen by the employer or its service agent.

ALCOHOL TESTING PROCESS: The FMCSA alcohol test rules require alcohol screening tests to be administered by a BAT using an EBT or ASD; or by a STT using an ASD. The technician will first administer an alcohol screening test. Any result less than 0.02 alcohol concentration is considered a "negative" test. If the alcohol concentration is 0.02 or greater a second test, an alcohol confirmation test, must be performed. The alcohol confirmation test must be conducted on an EBT administered by a BAT. The test must be conducted within 15–30 minutes of the alcohol screening test. The results of the alcohol confirmation test will be the final test result. If the employee attempts and fails to provide an adequate amount of breath, the employer will direct the employee to obtain written evaluation from a licensed physician to determine if the employee's inability to provide a breath sample is genuine or constitutes a refusal to submit to testing. Alcohol test results are reported directly to the employer.

REFUSAL TO SUBMIT TO TESTING

An employee subject to this policy shall have refused to submit to testing when they:

1. Fails to appear for a test after being directed to do so by the employer;
2. Fails to remain at the test site until the test is completed;
3. Fails to provide a urine specimen for a required drug test or fails to attempt to provide a breath or saliva specimen for a

required alcohol test;
4. Fails to permit the direct observation or monitoring of the provision of their urine specimen for drug test when required by DOT regulations;
5. Fails to provide a sufficient amount of urine or breath for a drug or alcohol test and it has been determined through a medical evaluation that there was not adequate medical explanation for the failure;
6. Fails or declines to take a second test that the employer or collector has directed the employee to take;
7. Fails to undergo a medical examination as directed by the MRO as part of the result verification process or as directed by the employer as part of the DOT required insufficient specimen procedure;
8. Fails to sign the certification statement at Step 2 on the Alcohol Testing Form (for an alcohol test);
9. Fails to cooperate with any part of the testing process (e.g. refuse to empty pockets when directed by the collector, behave in a confrontational way that disrupts the collection process, fails to wash hands after being directed to do so by the collector);
10. For an observed collection, fails to follow the observer's instructions to raise clothing above waist, lower clothing and underpants, and turn around to permit the observer to determine if the donor has any type of prosthetic or other device that could be used to interfere with the collection process;
11. Possesses or wears a prosthetic or other device that could be used to interfere with the collection process;
12. Admits to the collector or MRO that he/she adulterated or substituted the specimen;
13. Has a test result that is verified by the MRO as adulterated or substituted.
14. Engages in other conduct that clearly obstructs the test process.

CONSEQUENCES OF REFUSAL TO SUBMIT TO TESTING: An employee who refuses to submit to alcohol and/or controlled substance test required by this policy will not be permitted to perform safety-sensitive functions and will be considered insubordinate which will result in disciplinary action, up to and including immediate termination from employment. In accordance with the FMCSA's Clearinghouse reporting requirements, the City will report a driver's refusal to submit to a DOT test for controlled substance or alcohol use to the Clearinghouse within three (3) business days.

ADULTERATED/SUBSTITUTED SPECIMENS: An employee who submits a specimen which the MRO verifies and reports to be an adulterated or substituted specimen will have refused to submit to testing.

DILUTED SPECIMENS: Any specimen submitted by an employee which the MRO verifies and reports as a positive diluted specimen will be treated as a verified positive test.

Any employee who submits a specimen which the MRO verifies and reports as a negative diluted specimen will be directed to immediately take another test. The test of any second test conducted shall be the final test result.

EMPLOYEE/APPLICANT RIGHTS TO A SPLIT SAMPLE TEST

All applicants and employees subject to the drug testing provisions of this policy that receive a confirmed positive test result for the use of drugs, have the right to request, at employee or applicant expense, a confirming retest of the split urine sample.

If the confirming retest is negative, no adverse action will be taken against the employee, and an applicant will be considered for employment.

DISCIPLINE

Any employee found to be in violation of this policy is subject to disciplinary action, up to and including termination of employment. Nothing in this policy limits or restricts the right of the employer to discipline or discharge an employee for conduct which violates the employer's policies or rules. Except as otherwise required by law, the City is not obligated to reinstate or requalify such drivers for a first positive test result.

FMCSA CONSEQUENCES TO EMPLOYEES ENGAGING IN PROHIBITED CONDUCT

Employees who have engaged in prohibited conduct are subject to the following consequences according to FMCSA rules:

1. The employee will be immediately removed from safety-sensitive functions;
2. The employee will not be permitted to perform safety-sensitive functions;
3. The employees will be referred to a SAP and advised by the employer of the resources available to him/her in evaluating and resolving problems associated with the misuse of alcohol and/or the use of drugs;
4. If the employer retains the employee, the employee must complete an initial evaluation by a SAP who will determine what assistance the employee needs in resolving problems associated with alcohol misuse and/or drug use;
5. The SAP will make a recommendation for education or treatment and refer the employee to an appropriate educational or treatment program;
6. The employee must complete a follow-up evaluation with the SAP to determine if the employee has successfully carried

out the SAP's educational or treatment recommendations;
7. If the SAP believes any ongoing services are needed to assist an employee to maintain sobriety or abstinence from drug use after the employee resumes the performance of safety-sensitive duty, the employee must comply with these recommendations and the employer or its agent may monitor and document the employee's participation in the recommended services;
8. Before the employee will be allowed to return to performing of safety-sensitive functions, they must undergo a return-to-duty testing. If the conduct involved the use of alcohol, the employee must submit to an alcohol test with a result indicating breath alcohol level of less than 0.02. If the conduct involved the use of drugs, the employee must submit to a drug test with a verified negative test result received; and
9. The employee shall also be subject to unannounced follow-up alcohol and/or drug testing.

LOSS OF CDL LICENSE FOR TRAFFIC VIOLATIONS IN COMMERCIAL AND PERSONAL VEHICLES

Effective August 1, 2005, the FMCSA established strict rules impacting when CDL license holders can lose their CDL for certain traffic offenses in a commercial or personal vehicle. Employees are required to notify their supervisor immediately if their CDL changes in any way (Sec. 391.11-391.15).

CONFIDENTIALITY/RECORDKEEPING

All driver alcohol and controlled substance test records are considered confidential (Sec. 382.401). For the purpose of this policy/procedure, confidential recordkeeping is defined as records maintained in a secure location with controlled access.

Driver alcohol and controlled substance test records will only be released in the following situations (Sec. 382.405):

1. to the driver, upon his/her written request;
2. upon request of a DOT agency with regulatory authority over the City;
3. upon request of state or local officials with regulatory authority over the City;
4. upon request by the United States Secretary of Transportation;
5. upon request by the National Transportation Safety Board (NTSB) as part of a crash investigation;
6. upon request by subsequent employers upon receipt of a written request by a covered driver;
7. to the decision maker in a lawsuit, grievance, or administrative proceeding initiated by or on behalf of the individual, and arising from a positive DOT drug or alcohol test or a refusal to test (including, but not limited to, adulterated or substituted test results) of this part (including, but not limited to, a worker's compensation, unemployment compensation, or other proceeding relating to a benefit sought by the driver). Additionally, an employer may disclose information in criminal or civil actions in accordance with 49 C.F.R. § 40.323(a)(2).
8. upon written consent by the driver authorizing the release to a specified individual.

In the event of a post-accident test, the drug and/or alcohol test result(s) may also be provided to the worker's compensation insurance carrier.

COMMERCIAL DRIVER'S LICENSE DRUG AND ALCOHOL CLEARINGHOUSE REPORTING REQUREMENT

The City is required to query and report to the Clearinghouse prior to hiring new drivers, conduct annual checks of existing CDL drivers, and, as required by 49 C.F.R. Part 382, Subpart G, the following information will be reported to the Clearinghouse:

1. A verified positive, adulterated, or substituted drug test result;
2. An alcohol confirmation test with a concentration of 0.04 or higher;
3. A refusal to submit to a drug or alcohol test;
4. An employer's report of actual knowledge of, as defined at 49 C.F.R. §382.107:
a) On duty alcohol use pursuant to 49 C.F.R. §382.205;
b) Pre-duty alcohol use pursuant to 49 C.F.R. §382.207;
c) Alcohol use following an accident pursuant to 49 CFR §382.209;
d) Drug use pursuant to 49 C.F.R. §382.213;

5. A SAP's report of the successful completion of the return-to-duty process;
6. A negative return-to-duty test; and
7. An employer's report of completion of follow-up testing.

[See APPENDIX B- Driver Consent for Limited Queries of the Clearinghouse]

In addition, a driver is entitled, upon written request, to obtain copies of any records pertaining to the driver's use of alcohol or a controlled substance, including any records pertaining to his or her alcohol or controlled substance tests.

TRAINING AND ASSISTANCE

Driver Education and Training (Sec. 382.601): All drivers will be given information regarding the requirements of Part 382 and this policy by Human Resources or their supervisor.

Training for Supervisors (Sec. 382.603): The City shall ensure all persons designated to supervise drivers receive at least sixty (60) minutes of training on alcohol misuse and receive at least an additional sixty (60) minutes of training on controlled substances use. The training will be used by the supervisors to determine whether reasonable suspicion exists to require a driver to undergo testing under § 382.307. The training shall include the physical, behavioral, speech, and performance indicators of probable alcohol misuse and use of controlled substances. Recurrent training for supervisory personnel is not required.

Referral, Evaluation, and Treatment (Sec. 382.605): A list of substance abuse professionals will be provided to all drivers who fail an alcohol test or test positive for drugs. According to FMCSA regulations, prior to returning to duty, a driver must be evaluated by a SAP and must complete the treatment recommended by the SAP. Successful completion of a return to duty test and all follow-up tests is mandatory. All cost associated with referral, evaluation, and treatment is the sole responsibility of the driver/employee.

DESIGNATED EMPLOYER REPRESENTIVE (DER)

The DER will coordinate the implementation, direction, and administration of the alcohol and drug testing policy for the employer. The DER is the individual(s) employed by the Employer who is identified by the employer as able to receive communications and test results from service agent and who is authorized to take immediate actions to remove employees from safety-sensitive duties and to make required decisions in the testing and evaluation process. Employee questions concerning this policy should be directed to the DER.

Our DER(s) are:

EMPLOYMENT AGREEMENT

THIS AGREEMENT made and entered into on November 16, 2021 by and between the City of Isanti, Minnesota, a municipal corporation, herein called EMPLOYER, and Stephanie Hillesheim, herein called EMPLOYEE. This Agreement shall become effective on the EMPLOYEE'S first day of employment of November 30, 20121.

EMPLOYER desires to employ the services of Stephanie Hillesheim as Community Development Director for the City of Isanti as provided by applicable Minnesota law and applicable ordinances of the City of Isanti, Minnesota.

It is the desire of the EMPLOYER to employ the EMPLOYEE and it is the EMPLOYEE's desire to accept employment from the EMPLOYER on the terms and conditions as set forth herein.

NOW THEREFORE IN CONSIDERATION OF THE MUTUAL COVENANTS HEREIN CONTAINED, THE EMPLOYER AND EMPLOYEE AGREE AS FOLLOWS:

1. Duties. As authorized pursuant to the provisions of Minnesota Statutes Section §412.111, the EMPLOYER hereby agrees to employ EMPLOYEE as Community Development Director of the City of Isanti to perform the functions and duties as specified in the job description for the position of Community Development Director of the City of Isanti, as approved by the City Council, and as the same may be amended from time to time.

2. Term. The EMPLOYEE's employment shall be for an indefinite term at the will of the EMPLOYER. The terms of this contract shall be applicable from November 30, 2021 and until termination of the employment relationship, or until amended by subsequent agreement approved by action of the City Council of the City of Isanti and signed by both EMPLOYER and EMPLOYEE.

3. Employment at Will. The EMPLOYEE is employed at the will of the EMPLOYER, and therefore may be terminated at any time with or without cause upon, except as hereinafter provided, not less than 30 days' written notice from EMPLOYER to EMPLOYEE. EMPLOYER may however, in EMPLOYER's sole discretion, terminate the EMPLOYEE without any prior notice for misconduct, defined as follows:

A. Conduct by the EMPLOYEE resulting in criminal charges against the EMPLOYEE (except for petty misdemeanor traffic violations); or

B. EMPLOYEE's refusal to obey a lawful directive of EMPLOYER; or

C. Acts by the EMPLOYEE intended to cause injury to the EMPLOYER.

The EMPLOYEES probationary period shall be six (6) months, unless extended for a specified period not to exceed six (6) additional months. Notwithstanding the provision for thirty (30) days' notice prior to termination, the EMPLOYER shall have the right to terminate employment with the EMPLOYEE with or without cause at any time during the EMPLOYEES probationary period without the requirement that said thirty (30) days' notice be given.

4. Salary. EMPLOYER agrees to pay EMPLOYEE for services rendered pursuant to this contract wages calculated on an annual base salary of $92,294.59 (step 3) payable in installments at the same time as other payroll employees of the EMPLOYER are paid. Subsequent annual step salary increases, as applicable, shall be contingent upon on a satisfactory annual performance review. Cost of living salary adjustments, if any, shall be subject to approval by the City Council.

5. Vacation, Sick Leave and Insurance Benefits. The EMPLOYEE shall be entitled to 40 hours of vacation banked. The EMPLOYEE shall be entitled to earn vacation at the accrual

rate of year (2) two or (12 days a year) per current personnel policy, with any additional adjustment based on years of service as prescribed by the EMPLOYER's personnel policy.

Sick leave shall be provided as prescribed by the EMPLOYER's personnel policy. Insurance and other employee benefits shall be provided as prescribed by the EMPLOYER's personnel policy.

6. Performance Appraisal. The City Administrator, or in absence of the City Administrator, the Mayor and Council shall review and evaluate the performance of EMPLOYEE at least once annually. Following completion of each such performance appraisal the EMPLOYEE shall be given a summary thereof. In the first year of employment the EMPLOYEE shall be subject to a probationary performance review after three and six months of employment as per the EMPLOYER's personnel policy.

7. Retirement Benefits. The EMPLOYEE shall be entitled to participate in the accrual of retirement benefit contributions as prescribed for public employees under PERA, and/or under any other retirement program, if any, which may now or hereafter be available pursuant to and consistent with any applicable state or federal laws and EMPLOYER's personnel policy.

8. Personnel Policy. Except where specifically abridged or modified by this Agreement, the EMPLOYEE shall be subject to all terms and provisions of the EMPLOYER's personnel policies as set forth in the EMPLOYER's personnel policy manual. If any provision of this manual conflicts with a provision in this contract, then the contractual provision shall prevail.

9. Professional Development. The EMPLOYER agrees, subject to annual budget approval and subject to preauthorization of the City Administrator and/or City Council, to pay all necessary and reasonable expenses of EMPLOYEE for short courses, institutes and seminars that are, in the opinion of both EMPLOYER and EMPLOYEE necessary for professional

development of EMPLOYEE. These shall include materials and coursework necessary for the EMPLOYEE to obtain their AICP certification. Once certified, these expenses include up to 40 credit hours per year of Continuing Professional Education as required for EMPLOYEE to maintain on a current basis their AICP certification. EMPLOYER shall pay for EMPLOYEE's attendance at the Minnesota Planning Association annual conference. The EMPLOYER will pay costs for training fees, travel and lodging, and meals, as per the EMPLOYER's personnel policy manual. The EMPLOYER shall pay for publications for the EMPLOYEE to assist in performance of their job duties. Such publications shall be approved by the EMPLOYER.

10. Professional Membership. During the term of employment, EMPLOYER will pay EMPLOYEE's annual regular membership dues for EMPLOYEE's ongoing membership in the AICP, APA, MNAPA, and Economic Development Association of MN as the same become due and payable.

11. Severability. Should any provision of this agreement be held unlawful by a Court of competent jurisdiction; all other provisions of this agreement shall remain in force for the duration of the agreement.

12. Notices. Notices pursuant to this agreement shall be given by deposit in the custody of the United States Postal Service, postage prepaid, and addressed as follows:

EMPLOYER	EMPLOYEE
Mayor of City of Isanti 110 First Ave. NW P.O. Box 428 Isanti, MN 55040	Stephanie Hillesheim 11078 Geneva Circle SE Becker, MN 55308

Alternatively, notices required pursuant to this agreement may be personally served as prescribed by the Minnesota Rules of Civil Procedure. Notice shall be deemed given as of the date of personal service or as of the date of deposit of such written notice in the United States mail.

13. Council Approval. This Employment Agreement is subject to approval by the City Council of the City of Isanti, Minnesota.

IN WITNESS WHEREOF, the EMPLOYER has caused this agreement to be signed and executed on its behalf by the Mayor and City Administrator, and the EMPLOYEE has signed and executed this agreement as of the day and year first above written.

AMENDMENTS TO REVOLVING LOAN FUND POLICY

WHEREAS, the City of Isanti approved a Revolving Loan Fund (RLF) Policy on October 5, 2010; and,

WHEREAS, the Economic Development Authority Board recommended amendments to the RLF policy that was voted on and approved January 7, 2020 referenced as 'Exhibit A'

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to approve the RLF policy referenced as 'Exhibit A' as recommended by the Economic Development Authority.

This Resolution is hereby approved by the Isanti City Council this 16th day of November 2021.

Attest: Mayor Jeff Johnson

Jaden Strand
City Clerk

Exhibit A

City of Isanti
Revolving Loan Fund Policy
Adopted October 5, 2010
Revised January 7, 2020

Purpose:

The purpose of this policy is for the City to have the opportunity to provide short-term financing to assist business in the form of a loan. The purpose of such financing is to provide gap financing where conventional funding sources are not sufficient to meet the business needs for new facilities, business retention, building purchase, renovation, expansion, landscaping, machinery and equipment. The objectives of the revolving loan fund are to create or retain permanent full-time jobs in the City; to improve the overall tax base of the City; to diversify the economy; and to enhance the quality of life within the community.

The revolving loan fund is intended to complement and not to compete with private lending institutions. All loans are subject to the availability of funds. All funding is limited to the corporate limits of the City of Isanti. In addition to the loan terms and conditions set forth in this policy, the City shall have the right to impose additional terms and conditions in its sole discretion.

Revolving Loan Fund Evaluation and Approval Criteria:

Prior to the approval of any economic assistance, the Finance Director shall review the application and any other documentation to ensure all necessary information has been provided. The City's Attorney should prepare, or if prepared by others, review all documents related to the public assistance. The cost incurred by the City for such review and preparation shall be paid by the applicant.

If requested, an appraisal shall be submitted establishing the value of all collateral that will be pledged as security for the loan with an analysis of the life and value of the assets. The Council has the right to accept or reject the appraisal. If an appraisal is provided to the City, the cost of the appraisal is the responsibility of the applicant. At no time is a loan to be granted that exceeds ninety percent of the collateral that is to be pledged as security.

Applicants must be in compliance with the City of Isanti zoning codes as well as all other local, state, and federal laws applicable to them.

All applicants shall pay the non-refundable application fee and non-refundable origination fee as established by the City Council. The commitment fees shall be retained for the administration of the loan.

Revolving Loan Fund Repayment and Default Information:

Applicant shall make all loan payments to the City electronically through the Automated Clearing House (ACH) system. Applicant shall provide the City with a fully completed and executed authorization as required by ACH.

The applicant agrees to promptly notify the City of any change in the location of the collateral and agrees not to sell, lease, offer to lease or transfer the collateral in any way without prior consent of the City. The applicant will keep the collateral insured at all times and safe from damage and theft

and will pay promptly taxes and/or any debt to which collateral is secured. The applicant will pay a delinquency and collection charge on each installment not paid within 10 days of due date in the amount of 5% of each installment in default, plus reasonable costs of collection including attorney's fees. An applicant will be considered in default under the agreement upon occurrence of any of the following events: (a) default in the payment of any obligation including payment of taxes and City utility bills, (b) giving false information to the City, (c) loss, theft, substantial damage, destruction, sale, or encumbrances to any of the collateral, (d) death, dissolution, termination of existence, insolvency, business failure, appointment of a receiver of any part of the property, or assignment for the benefit of creditors by applicant, (e) other conditions that may be imposed by the City.

Upon such default and anytime thereafter, the City has the option to declare all obligations immediately due and payable. Without limitation, the City has the right to take immediate and exclusive possession of the collateral. The City will give the applicant at least 10 days written notice before the sale or disposition of the collateral.

Immediate repayment of the entire outstanding balance of the loan will be made if the business relocates outside the corporate limits of the City.

Disbursement Process:

Applicant shall be solely responsible for all payments for eligible uses of funds. Loan proceeds shall be paid directly to applicants only after the work for which payment is requested has been performed or items purchased and inspected by the City, if applicable. Applicant will provide all invoices, certification and evidence in such form that the City may require, demonstrating work has been completed and Applicant has paid for the items eligible in the loan agreement. If periodic draws are requested, they will be limited to amounts equal to the values of materials furnished and/or services completed and shall be limited in number to three, including final payment. No payments shall be made without appropriate lien waivers being given.

Business Subsidy Reporting:

As required by Minnesota Subsidies Law, certain assistance provided to a business must be reported to the Department of Employment and Economic Development on forms provided by the State of Minnesota. The applicant must provide information regarding jobs created and wages paid.

Memo for Council

To: Mayor Johnson and Members of the City Council
From: Finance Director Betker
Date: November 16, 2021
Subject: Adopting Finance Related Policies

Background:
The attached policies are final drafts of those discussed at Committee of the Whole on October 19th 2021.

Request:
Consider Adoption of the following Policies:

- Tax Abatement Business Assistance Policy – Remove all language regarding a five year limit for assistance..
- Fund Balance Policy – Largely the same as prior version however enterprise funds are now included within the policy and the General Fund target Fund Balance would now be a range, between 30% and 70%.
- Investment Policy – Entirely rewritten but with many of the same features, much of which is based on state statute. Biggest change is that the new policy would give the Finance Director additional discretion to invest in a slightly broader portfolio of investments. Matches state statute with the exception of commercial paper, which is not included in this policy. Also clarifies that working with multiple brokers is acceptable and eliminates the need to use the RFP process to make that determination.
- Purchasing Policy – Update Committee reference language, revise dollar threshold limits for administrative approval, as well as the sealed bid threshold, which now matches State Statute. Also moved needed unbudgeted expenditures from Finance Committee oversight and authorization to City administrator authorization and oversight as well as other minor language changes.
- Single Audit Policy – Entirely new policy written at the recommendation of the City auditors.

Action Required:
Consider adoption by Resolution

RESOLUTION 2021-XXX

ADOPTING FINANCE RELATED POLICIES

WHEREAS, Staff has thoroughly reviewed the City's finance related policies and made recommended revisions in the best interest of the City; and,

WHEREAS, the policies have been reviewed by the Committee of the Whole on October 19, 2021 and they recommend adopting the following policies:

- Tax Abatement Business Assistance Policy ('Exhibit A')
- Fund Balance Policy ('Exhibit B')
- Investment Policy ('Exhibit C')
- Purchasing Policy ('Exhibit D')
- Federal Grants Administration (Single Audit) Policy ('Exhibit E'); and,

NOW, THEREFORE BE IT RESOLVED BY THE CITY COUNCIL of the City of Isanti, Minnesota, hereby approves the policies outlined per this Resolution and attached as 'Exhibit A', 'Exhibit B', 'Exhibit C', 'Exhibit D', 'Exhibit E'.

This Resolution hereby approved by the Isanti City Council this 16th day of November 2021.

'Exhibit A'

Tax Abatement Business Assistance Policy

Adopted November 16, 2021
Supercedes Resolution 2008-083

Purpose:

The purpose of this policy is to provide a guide to be used in the processing and reviewing of requests from private businesses locating in or expanding in the City of Isanti for tax abatement business assistance. This policy was developed as a method to assist in business expansion, location and relocation within the City of Isanti. This policy is intended to be a guide only and the City has the right to depart from the guidelines set f01ih herein in its sole discretion.

Proposed Abatement Funding:

The City of Isanti will work to obtain tax abatement for a successful project, with the County of Isanti and the Cambridge - Isanti School District. We also believe this tool should be considered available in a modified format for Businesses that would provide significant development in our area, but that this outline is for the "normal" business attraction to our area.

Abatement Evaluation and Approval Criteria:

Upon a business submitting a request to City Staff; City Staff shall forward the request for evaluation to the City of Isanti Economic Development Authority (EDA). The project will be scored using the information provided by the business requesting a business subsidy. The scores will assist in making a decision if the project qualifies for tax abatement.

The EDA will forward a recommendation to the City Council with the score of the project. The City Council will make the final decision on what, if any, business assistance will be provided for a project. The information provided by the business requesting the assistance will be used in determining if the limited tax abatement shall be used on the project.

Some criteria, by their very nature, may be subjective. However, wherever possible "when the proposal may meet one or more "benchmark" criteria does not mean that it is entitled to funding under this policy. The determination to grant or not grant a subsidy for a business resides in the sole discretion of the City.

Eligibility of Businesses to Obtain Business Assistance:

The business assistance shall be provided with the applicable State legislative restrictions, State Auditor interpretation, debt limit guidelines, and other appropriate financial requirements and policies. The criteria for a business to obtain tax abatement business assistance is outlined in the tax abatement formula worksheet that is updated yearly by the City and stated below:

A) Eligibility to receive tax abatement business subsidy per all governmental laws and policies.

B) Proposals shall create jobs within Isanti or relocate jobs from anothercommunity.

C) Type of business requesting the assistance.

D) Increase the tax base of the City of Isanti.

E) Diversification of the tax base of the City ofIsanti.

F) To assist in redevelopment costs.

G) To determine consistency with the City of Isanti Comprehensive Plan and City Planning and Zoning Ordinances.

H) Environmental and City Service demands.

I) Job retention, increasing the local job base and diversification of the jobbase.

J) Evaluate the wages for the retained and/ or increased jobs.

K) Location of the project.

L) Priority of the project as determined by the EDA and City Council.

M) To not support speculative industrial, commercial and office projects.

N) To encourage additional unsubsidized private development in the area, either directly, or through secondary "spin-off' development.

O) Business assistance will not be used when the developer's credentials, in the judgment of the City, are inadequate due to past track record relating to: timeliness and quality level of completed projects, general reputation, bankruptcy, credit worthiness or other relevant considerations by the City.

P) Business assistance will not be used for projects that would generate significant environmental problems in the opinion of the local, state, or federal governmental entities.

Q) Business assistance may not be allocated due to the following factors: projects that fail to meet good public policy criteria as determined by the EDA and City Council, including, poor project quality; projects that are not in accordance with the comprehensive plan, zoning, redevelopment plans and city policies; projects that provide no benefit or improvement to surrounding land uses, the neighborhood, and/ or the City; projects that do not have significant new, or retained employment; projects that do not meet financial feasibility criteria established by the City; and projects that do not provide for the highest and best desired use for the property.

Statutory Limits:

The City of Isanti shall follow the statutory limits on the use of tax abatement as stated by State Statute. Any grant of $25,000+ or loan of $75,000+ shall have a business subsidy agreement and meet certain wage and job goals and stay in business for at least 5 years. (Per Minnesota Statute Sections 116J.993 to 116J.995). The business subsidy agreement and City Council resolution shall state the length of the business assistance.

Policy Review:

This policy shall be evaluated on a yearly basis to ensure its applicability and to establish priority economic development projects to the followingyear.

Fund Balance Policy Adopted

November 16, 2021

PURPOSE

The purpose of this policy is to establish specific guidelines the City of Isanti will use to maintain an adequate level of fund balance to provide for cash flow requirements and contingency needs because major revenues, including property taxes and other government aids are received in the second half of the City's fiscal year.

The purpose of this policy is to also establish specific guidelines the City of Isanti will use to classify fund balances into categories based primarily on the extent to which the City is bound to honor constraints on the specific purposes for which amounts in these funds can be spent.

CLASSIFICATION OF FUND BALANCE/PROCEDURES

1. **Nonspendable**

- This category includes fund balance that cannot be spent because it is either (i) not in spendable form or (ii) is legally or contractually required to be maintained intact. Examples include inventories and prepaid amounts.

2. **Restricted**

- Fund balance should be reported as restricted when constraints placed on those resources are either (i) externally imposed by creditors, grantors, contributors, or laws or regulations of other governments or (ii) imposed by law through constitutional provisions or enabling legislation.

3. **Committed**

- Fund balance that can only be used for specific purposes pursuant to constraints imposed by formal action of the government's highest level of decision-making authority. The committed amounts cannot be used for any other purpose unless the government removes or changes the specified use by taking the same type of action it employed to commit those amounts.

- The City's highest level of decision-making authority (City Council) will annually or as deemed necessary commit specific revenue sources for specified purposes by resolution. This formal action must occur prior to the end of the reporting period, however, the amount to be subject to the constraint, may be determined in the subsequent period.

- To remove the constraint on specified use of committed resources the City Council shall pass a resolution

4. **Assigned**

- Amounts that are constrained by the government's intent to use for specified purposes, but are neither restricted nor committed. Assigned fund balance in the General fund includes amounts that are intended to be used for specific purposes.

- The City Council has delegated the authority to assign and remove assignments of fund balance amounts for specified purposes to the Finance Director or City Administrator.

5. Unassigned

- Unassigned fund balance represents the residual classification for the General fund. Includes amounts that have not been assigned to other funds and that have not been restricted, committed, or assigned to specific purposes within the General fund. The General fund should be the only fund that reports a positive unassigned fund balance amount.

  i. The City will seek to maintain a maximum unassigned fund balance in the General fund of 70% of the next year's budgeted expenditures of the General fund. This will assist in maintaining an adequate level of fund balance to provide for cash flow requirements and contingency needs because major revenues, including property taxes and other government aids are received in the second half of the City's fiscal year. Additionally this will assist in maintaining a stable tax rate even in times of significantly reduced taxable market value. Fund balance in excess of 70% shall be utilized to reduce the tax rate in the subsequent budget year(s). Use of fund balance to reduce the tax rate should be guided by the City's desire to avoid double digit increases or decreases in the tax rate, as measured by percent against the prior year's certified tax rate.

  ii. The City will seek to maintain a minimum unassigned fund balance in the General fund of 30% of the next year's budgeted expenditures of the General fund. In the event that fund balance falls below 30% the Council will determine a plan to restore the fund balance first to the minimum 30% threshold and then subsequently toward the 70% maximum threshold. Any such plan shall be guided by the City's desire to avoid double digit increases or decreases in the tax rate, as measured by percent against the prior year's certified tax rate.

STABILIZATION ARRANGEMENTS

Stabilization arrangements are defined as formally setting aside amounts for use in emergency situations or when revenue shortages or budgetary imbalances arise.

The City will set aside amounts by resolution as deemed necessary that can only be expended when certain specific circumstances exist. The resolution will identify and describe the specific circumstances under which a need for stabilization arises. The need for stabilization will only be utilized for situations that are not expected to occur routinely.

MONITORING AND REPORTING

The City Administrator and Finance Director shall annually prepare the status of fund balance in relation to this policy and present to the City Council in conjunction with the development of the annual budget.

When both restricted and unrestricted resources are available for use, it is the City's policy to first use restricted resources, and then use unrestricted resources as they are needed.

When committed, assigned or unassigned resources are available for use, it is the City's policy to use resources in the following order; 1.) committed 2.) assigned and 3.) unassigned.

A negative residual amount may not be reported for restricted, committed, or assigned fund balances in the General fund.

ENTERPRISE FUNDS

The City will seek to maintain cash balances sufficient to cover 6 months of operating expenses, the next year's debt service obligations as well as future identified capital outlay needs. In the event that cash balances fall below the above prescribed level, the Council will determine a plan to restore the deficient cash balance. Any such plan shall be guided by the City's desire to avoid double digit increases in service rates, as measured by percent against the prior year's service rate.

Investment Policy Adopted

November 16, 2021

PURPOSE

The purpose of this policy is to establish the specific guidelines for the investment of all public funds of City of Isanti. This policy is designed to ensure the prudent management of public funds, the availability of operating and capital funds when needed, and an investment return commensurate with the City's investment risk constraints and cash flow characteristics of the portfolio.

OBJECTIVES

The objective of this policy is to establish standards for governing the investment of the funds of the City. These funds will be invested in accordance with this policy and Minnesota Statute 118A. The City has determined that its funds shall be invested based on the following three objectives, listed in priority order:

- SAFETY OF PRINCIPAL – Safety of principal is the foremost objective of the City. Investments shall be undertaken in a manner that seeks to ensure preservation of capital in the overall portfolio. Avoiding capital losses shall be the primary objective of each investment transaction.
- MAINTENANCE OF ADEQUATE LIQUIDITY – The portfolio will remain sufficiently liquid to enable the City to meet all operating and capital requirements that might be reasonably anticipated. A portion of the portfolio may be placed in money market mutual funds or local government investment pools, which offer same-day liquidity.
- MAXIMIZATION OF RETURN ON INVESTMENT –Following the satisfaction of liquidity and maturity needs, the balance of the funds available for investment will be placed with institutions that offer the highest rate of return consistent with preservation of principal.

SCOPE

This policy applies to all financial assets of City of Isanti. While separate investment funds are created to accommodate reporting on certain bonded indebtedness, individual investments are purchased using a pooled approach for efficiency and maximum investment opportunity. The City's funds are defined in the City's *Comprehensive Annual Financial Report and include all Governmental, Enterprise, Internal Service and Agency funds* and any new funds created by the City, unless specifically exempted by the City Council through resolution.

POOLING OF FUNDS: Except for cash in certain restricted and special funds, the City will consolidate cash balances from all funds to maximize investment earnings. Investment income will be allocated to the various funds based on their respective participation and in accordance with generally accepted accounting principles.

STANDARDS OF CARE

1. PRUDENCE

The prudent person standard shall be applied to the management of the portfolio. This standard states: "Investments shall be made with judgement and care, under circumstances then prevailing, which persons of prudence, discretion and intelligence exercise in the management of their own affairs, not for speculation, but for investment, considering the probable safety of their capital as well as the expected income to be derived."

Investment officers acting in accordance with written procedures and this investment policy and exercising due diligence shall be relieved of personal responsibility for an individual security's credit risk or market price changes, provided deviations from expectations are reported in a timely fashion and the liquidity and the sale of securities are carried out in accordance with the terms of this policy.

2. ETHICS AND CONFLICTS OF INTEREST

Any city official involved in the investment process shall refrain from personal business activity that could conflict with proper execution of the investment program, or that could impair their ability to make impartial decisions. Investment officials shall disclose any material interests in financial institutions with which they conduct business. Employees and officers shall refrain from undertaking personal investment transactions with the same individual with which business is conducted on behalf of the City.

3. DELEGATION OF AUTHORITY

The Finance Director is designated as the Investment Officer of the City and is responsible for investment management decisions and activities. The Finance Director through assistance of staff and consultants shall develop and maintain written administrative procedures for the operation of the investment program, monitoring diversification and risk as well as a system of controls to regulate the activities of subordinate officials. Procedures should include references to: safekeeping, investment accounting, repurchase agreements, wire transfer agreements and collateral/depository agreements. No person may engage in an investment transaction except as provided under the terms of this policy and procedures established by the Investment Officer.

4. INTERNAL CONTROLS

The investment officer is responsible for establishing and maintaining an internal control structure designed to ensure that the assets of the City are protected from loss, theft or misuse. The internal control structure shall be designed to provide reasonable assurance that these objectives are met. The concept of reasonable assurance recognizes that (1) the cost of a control should not exceed the benefits likely to be derived and (2) the valuation of costs and benefits requires estimates and judgments by management.

Accordingly, the investment officer shall establish a process for an annual independent review by an external auditor to assure compliance with policies and procedures. The internal controls shall address the following points:

- Control of collusion
- Separation of transaction authority from accounting and record-keeping
- Safekeeping account
- Avoidance of physical delivery securities
- Clear delegation of authority to subordinate staff members
- Written confirmation of transactions for investments and wire transfers
- Development of a wire transfer agreement with the lead bank and third-party custodian

FINANCIAL INSTITUTIONS AND SAFEKEEPING

1. AUTHORIZED BROKER/DEALERS AND FINANCIAL INSTITUTIONS

The Finance Director is authorized, as allowed under State Statute, to designate depositories and broker-dealers for City Funds. The Finance Director will maintain a list of financial institutions authorized to provide investment services to the City. All broker/dealers who desire to become qualified bidders for investment transactions must supply the Finance Director or Designee with:

- Audited financial statements (a current audited financial statement is required to be on file for each financial institution)
- Proof of National Association of Security Dealers (NASD) certification,
- Proof of Minnesota registration
- Broker Notification and Certification form required by Minnesota Statutes 118A prior to any investment transactions with the City. The Broker Notification must be updated annually.
- The Official Broker/Dealer Questionnaire must be on file for each broker the City is currently doing business with.
- Authorized institutions must maintain an investment office within the Twin Cities metropolitan area and have other Minnesota local government clients.

The purchase of all investments must be from institutional brokers. An annual review of the financial condition and registration of qualified financial institutions and brokers/dealers will be conducted by the investment officer.

2. SAFEKEEPING

Investments shall be safe kept in the City's name. Certificates will be held at the financial institution in the City's name. All securities should be a risk category one according to the Governmental Accounting Standard No. 3.

SUITABLE AND AUTHORIZED INVESTMENTS

Consistent with Minnesota Statute 118A, the following investments will be permitted by this policy:

- U.S. Treasury Obligations (bills, notes, bonds);
- U.S. Government Agency and Federally Sponsored Agency Securities, excluding mortgage backed securities that fail the FFEIC test;
- General obligations of any state or local government with taxing powers which is rated "A" or better by a national bond rating service, or revenue obligation securities of any state or local government with taxing powers which is rated "AA" or better by a national bond rating service;
- Certificates of deposit with federally insured institutions that are collateralized or insured in excess of the amount provided by the Federal Deposit Insurance Corporation coverage limit;
- Bankers Acceptances that are eligible for purchase by the Federal Reserve;
- Repurchase Agreements which conform to the requirements stated in 118A.05, sub. 2 of the statutes;
- Guaranteed Investment Contracts that meet the requirements of M.S. 118A;
- Local government investment pools, either state-administered or through joint powers statutes and other intergovernmental agreement legislation;
- Shares of an investment company which is registered under the Federal Investment Company Act of 1940 and which holds itself out as a money market fund meeting the conditions of rule 2a-7 of the Securities and Exchange Commission and is rated in one of the two highest rating categories for money market funds by at least one nationally recognized statistical rating organization;

- Shares of an investment company which is registered under the Federal Investment Company Act of 1940, and whose shares are registered under the Federal Securities Act of 1933, as long as the investment company's fund receives the highest credit rating and is rated in one of the two highest risk rating categories by at least one nationally recognized statistical rating organization and is invested in financial instruments with a final maturity no longer than 13 months.

INVESTMENT PARAMETERS

1. DIVERSIFICATION

The investments shall be diversified by:

- Limiting investments to avoid overconcentration in securities from a specific issuer or business sector (excluding U.S. Treasury securities),
- Limiting investment in securities that have higher credit risks,
- Investing in securities with varying maturities, and
- Continuously investing a portion of the portfolio in readily available funds such as local government investment pools, money market funds or overnight repurchase agreements to ensure that appropriate liquidity is maintained in order to meet ongoing obligations.

2. MAXIMUM MATURITIES

To the extent possible, the City should attempt to match its investments with anticipated cash flow requirements. Unless matched to a specific cash flow, the City will not directly invest in securities maturing more than 10 years from the date of purchase.

REPORTING

1. METHODS

The Finance Director shall prepare an investment report at least quarterly to the City Administrator, including a management summary that provides an analysis of the status of the current investment portfolio and transactions made over the last quarter. This management summary will be prepared in a manner which will allow the City Administrator to ascertain whether investment activities during the reporting period have conformed to the investment policy. The report will include the following:

- Listing of individual securities held at the end of the reporting period,
- Realized and unrealized gains for losses resulting from appreciation or depreciation by listing the cost and market value of securities over one-year,
- Average yield to maturity of portfolio on investments as compared to applicable benchmarks,
- Listing of investment by maturity date,
- Percentage of the total portfolio which each type of investment represents.

2. PERFORMANCE STANDARDS

The investment portfolio will be managed in accordance with the parameters specified within this policy. The portfolio should seek to obtain a market average rate of return during an economic environment of stable interest rates.

3. MARKING TO MARKET

The market value of this portfolio shall be calculated at least quarterly and a statement of the market value of the portfolio shall be issued to the City Administrator at least quarterly. This will ensure that review of the investment portfolio, in terms of value and price volatility, has been performed consistent with the recommended practice.

POLICY CONSIDERATIONS

The City's investment policy shall be adopted by resolution by the City Council and will be reviewed on an annual basis. Any changes must be made in consultation with the Finance Director and approved by the City Council.

Any investment currently held that does not meet the guidelines of this policy shall be exempted from the requirements of this policy. At maturity or liquidation, such monies shall be reinvested only as provided by this policy.

STATUTORY AUTHORITY

Specific investment parameters for the investment of public funds by the City are found in Minnesota Statutes Chapters 118A. Copy attached to this policy.

118A.01 DEFINITIONS.

Subdivision 1.Application.

The definitions in this section apply to sections **118A.01** to **118A.06**.

Subd. 2.Government entity.

(a) "Government entity" means a county, city, town, school district, hospital district, public authority, public corporation, public commission, special district, any other political subdivision, except an entity whose investment authority is specified under chapter 11A or 356A.

(b) For the purposes of sections **118A.02** and **118A.03** only, the term includes an American Indian tribal government entity located within a federally recognized American Indian reservation.

Subd. 3.Financial institution.

"Financial institution" means a savings association, commercial bank, trust company, credit union, or industrial loan and thrift company.

Subd. 4.Public funds.

"Public funds" means all general, special, permanent, trust, and other funds, regardless of source or purpose, held or administered by a government entity, unless otherwise restricted.

History:

1996 c 399 art 1 s 2; 1999 c 151 s 39

118A.02 DEPOSITORIES; INVESTING: SALES, PROCEEDS, IMMUNITY.

Subdivision 1.Designation; delegation.

(a) The governing body of each government entity shall designate, as a depository of its funds, one or more financial institutions.

(b) The governing body may authorize the treasurer or chief financial officer to:

(1) designate depositories of the funds;

(2) make investments of funds under sections **118A.01** to **118A.06** or other applicable law; or

(3) both designate depositories and make investments as provided in this subdivision.

118A.02 DEPOSITORIES; INVESTING: SALES, PROCEEDS, IMMUNITY. (CONTINUED)

Subd. 2.Sale; proceeds; immunity, if loss.

(a) The treasurer or chief financial officer of a government entity may at any time sell obligations purchased pursuant to this section and the money received from such sale, and the interest and profits or loss on such investment shall be credited or charged, as the case may be, to the fund from which the investment was made.

(b) Neither such official nor government entity, nor any other official responsible for the custody of such funds, shall be personally liable for any loss sustained from the deposit or investment of funds in accordance with the provisions of sections **118A.04** and **118A.05**.

History:

1996 c 399 art 1 s 3

118A.03 WHEN AND WHAT COLLATERAL REQUIRED.

Subdivision 1.For deposits beyond insurance.

To the extent that funds on deposit at the close of the financial institution's banking day exceed available federal deposit insurance, the government entity shall require the financial institution to furnish collateral security or a corporate surety bond executed by a company authorized to do business in the state. For the purposes of this section, "banking day" has the meaning given in Federal Reserve Board Regulation CC, Code of Federal Regulations, title 12, section 229.2(f), and incorporates a financial institution's cutoff hour established under section **336.4-108**.

Subd. 2.In lieu of surety bond.

The following are the allowable forms of collateral in lieu of a corporate surety bond:

(1) United States government Treasury bills, Treasury notes, Treasury bonds;

(2) issues of United States government agencies and instrumentalities as quoted by a recognized industry quotation service available to the government entity;

(3) general obligation securities of any state or local government with taxing powers which is rated "A" or better by a national bond rating service, or revenue obligation securities of any state or local government with taxing powers which is rated "AA" or better by a national bond rating service;

(4) general obligation securities of a local government with taxing powers may be pledged as collateral against funds deposited by that same local government entity;

(5) irrevocable standby letters of credit issued by Federal Home Loan Banks to a municipality accompanied by written evidence that the bank's public debt is rated "AA" or better by Moody's Investors Service, Inc., or Standard & Poor's Corporation; and

(6) time deposits that are fully insured by any federal agency.

Subd. 3. Amount.

The total amount of the collateral computed at its market value shall be at least ten percent more than the amount on deposit at the close of the financial institution's banking day, except that where the collateral is irrevocable standby letters of credit issued by Federal Home Loan Banks, the amount of collateral shall be at least equal to the amount on deposit at the close of the financial institution's banking day. The financial institution may furnish both a surety bond and collateral aggregating the required amount.

Subd. 4.Assignment.

Any collateral pledged shall be accompanied by a written assignment to the government entity from the financial institution. The written assignment shall recite that, upon default, the financial institution shall release to the government entity on demand, free of exchange or any other charges, the collateral pledged. Interest earned on assigned collateral will be remitted to the financial institution so long as it is not in default. The government entity may sell the collateral to recover the amount due. Any surplus from the sale of the collateral shall be payable to the financial institution, its assigns, or both.

Subd. 5.Withdrawal of excess collateral.

A financial institution may withdraw excess collateral or substitute other collateral after giving written notice to the governmental entity and receiving confirmation. The authority to return any delivered and assigned collateral rests with the government entity.

Subd. 6.Default.

For purposes of this section, default on the part of the financial institution includes, but is not limited to, failure to make interest payments when due, failure to promptly deliver upon demand all money on deposit, less any early withdrawal penalty that may be required in connection with the withdrawal of a time deposit, or closure of the depository. If a financial institution closes, all deposits shall be immediately due and payable. It shall not be a default under this subdivision to require prior notice of withdrawal if such notice is required as a condition of withdrawal by applicable federal law or regulation.

Subd. 7.Safekeeping.

All collateral shall be placed in safekeeping in a restricted account at a Federal Reserve bank, or in an account at a trust department of a commercial bank or other financial institution that is not owned or controlled by the financial institution furnishing the collateral. The selection shall be approved by the government entity.

NOTE: The amendments made to subdivisions 1 and 3 by Laws 2004, chapter 151, sections 1 and 2, are effective retroactively from the beginning of a government entity's fiscal year 2003 and apply to each fiscal year thereafter. Laws 2004, chapter 151, section 3.

118A.04 INVESTMENTS.

Subdivision 1. **What may be invested.** Any public funds, not presently needed for other purposes or restricted for other purposes, may be invested in the manner and subject to the conditions provided for in this section.

Subd. 2. **United States securities.** Public funds may be invested in governmental bonds, notes, bills, mortgages (excluding high-risk mortgage-backed securities), and other securities, which are direct obligations or are guaranteed or insured issues of the United States, its agencies, its instrumentalities, or organizations created by an act of Congress.

Subd. 3. **State and local securities.** Funds may be invested in the following:

(1) any security which is a general obligation of any state or local government with taxing powers which is rated "A" or better by a national bond rating service;

(2) any security which is a revenue obligation of any state or local government which is rated "AA" or better by a national bond rating service;

(3) a general obligation of the Minnesota housing finance agency which is a moral obligation of the state of Minnesota and is rated "A" or better by a national bond rating agency; and

(4) any security which is an obligation of a school district with an original maturity not exceeding 13 months and (i) rated in the highest category by a national bond rating service or (ii) enrolled in the credit enhancement program pursuant to section 126C.55.

Subd. 4. **Commercial papers.** Funds may be invested in commercial paper issued by United States corporations or their Canadian subsidiaries that is rated in the highest quality category by at least two nationally recognized rating agencies and matures in 270 days or less.

Subd. 5. **Time deposits.** Funds may be invested in time deposits that are fully insured by the Federal Deposit Insurance Corporation or bankers acceptances of United States banks.

Subd. 6. **High-risk mortgage-backed securities.** For the purposes of this section and section 118A.05, "high-risk mortgage-backed securities" are:

(1) interest-only or principal-only mortgage-backed securities; and

(2) any mortgage derivative security that:

(i) has an expected average life greater than ten years;

(ii) has an expected average life that:

(A) will extend by more than four years as the result of an immediate and sustained parallel shift in the yield curve of plus 300 basis points; or

(B) will shorten by more than six years as the result of an immediate and sustained parallel shift in the yield curve of minus 300 basis points; or

(iii) will have an estimated change in price of more than 17 percent as mediate and sustained parallel shift in the yield curve of plus or minus 300 basis points.

118A.04 INVESTMENTS.

Subd. 7. **Temporary general obligation bonds.** Funds may be invested in general obligation temporary bonds of the same government entity issued under section 429.091, subdivision 7, 469.178, subdivision 5, or 475.61, subdivision 6.

Subd. 8. **Debt service funds.** Funds held in a debt service fund may be used to purchase any obligation, whether general or special, of an issue which is payable from the fund, at such price, which may include a premium, as shall be agreed to by the holder, or may be used to redeem any obligation of such an issue prior to maturity in accordance with its terms. The securities representing any such investment may be sold by the government entity at any time, but the money so received remains part of the fund until used for the purpose for which the fund was created. Any obligation held in a debt service fund from which it is payable may be canceled at any time unless otherwise provided in a resolution or other instrument securing obligations payable from the fund.

Subd. 9. **Broker; statement and receipt.** (a) For the purpose of this section and section 118A.05, the term "broker" means a broker-dealer, broker, or agent of a government entity, who transfers, purchases, sells, or obtains securities for, or on behalf of, a government entity.

(1) Prior to completing an initial transaction with a broker, a government entity shall provide annually to the broker a written statement of investment restrictions which shall include a provision that all future investments are to be made in accordance with Minnesota Statutes governing the investment of public funds.

(2) A broker must acknowledge annually receipt of the statement of investment restrictions in writing and agree to handle the government entity's account in accordance with these restrictions. A government entity may not enter into a transaction with a broker until the broker has provided this written agreement to the government entity.

(3) The state auditor shall prepare uniform notification forms which shall be used by the government entities and the brokers to meet the requirements of this subdivision.

118A.05 CONTRACTS AND AGREEMENTS.

Subdivision 1.May enter into.

In addition to other authority granted in sections **118A.01** to **118A.06**, government entities may enter into contracts and agreements as follows.

stat.118A.05.2

Subd. 2.Repurchase agreements.

Repurchase agreements consisting of collateral allowable in section **118A.04**, and reverse repurchase agreements may be entered into with any of the following entities:

(1) a financial institution qualified as a "depository" of public funds of the government entity;

(2) any other financial institution which is a member of the Federal Reserve System and whose combined capital and surplus equals or exceeds $10,000,000;

(3) a primary reporting dealer in United States government securities to the Federal Reserve Bank of New York; or

(4) a securities broker-dealer licensed pursuant to chapter 80A, or an affiliate of it, regulated by the Securities and Exchange Commission and maintaining a combined capital and surplus of $40,000,000 or more, exclusive of subordinated debt.

Reverse agreements may only be entered into for a period of 90 days or less and only to meet short-term cash flow needs. In no event may reverse repurchase agreements be entered into for the purpose of generating cash for investments, except as stated in subdivision 3.

stat.118A.05.3

Subd. 3.Securities lending agreements.

Securities lending agreements, including custody agreements, may be entered into with a financial institution meeting the qualifications of subdivision 2, clause (1) or (2), and having an office located in Minnesota. Securities lending transactions may be entered into with entities meeting the qualifications of subdivision 2 and the collateral for such transactions shall be restricted to the securities described in this section and section **118A.04**.

§

Subd. 4.Minnesota joint powers investment trust.

Government entities may enter into agreements or contracts for:

(1) shares of a Minnesota joint powers investment trust whose investments are restricted to securities described in this section, section **118A.04, and section 118A.07, subdivision 7**;

(2) units of a short-term investment fund established and administered pursuant to regulation 9 of the Office of the Comptroller of the Currency, in which investments are restricted to securities described in this section and section **118A.04**;

(3) shares of an investment company which is registered under the Federal Investment Company Act of 1940 and which holds itself out as a money market fund meeting the conditions of rule 2a-7 of the Securities and Exchange Commission and is rated in one of the two highest rating categories for money market funds by at least one nationally recognized statistical rating organization; or

(4) shares of an investment company which is registered under the Federal Investment Company Act of 1940, and whose shares are registered under the Federal Securities Act of 1933, as long as the investment company's fund receives the highest credit rating and is rated in one of the two highest risk rating categories by at least one nationally recognized statistical rating organization and is invested in financial instruments with a final maturity no longer than 13 months.

stat.118A.05.5

Subd. 5.Guaranteed investment contracts.

Agreements or contracts for guaranteed investment contracts may be entered into if they are issued or guaranteed by United States commercial banks, domestic branches of foreign banks, United States insurance companies, or their Canadian subsidiaries, or the domestic affiliates of any of the foregoing. The credit quality of the issuer's or guarantor's short- and long-term unsecured debt must be rated in one of the two highest categories by a nationally recognized rating agency. Agreements or contracts for guaranteed investment contracts with a term of 18 months or less may be entered into regardless of the credit quality of the issuer's or guarantor's long-term unsecured debt, provided that the credit quality of the issuer's short-term unsecured debt is rated in the highest category by a nationally recognized rating agency. Should the issuer's or guarantor's credit quality be downgraded below "A", the government entity must have withdrawal rights.

118A.07 ADDITIONAL INVESTMENT AUTHORITY.

118A.07 ADDITIONAL INVESTMENT AUTHORITY.

stat.118A.07.1

Subdivision 1.Authority provided.

As used in this section, "governmental entity" means a city with a population in excess of 200,000, a county that contains a city of that size, or the Metropolitan Council. If a governmental entity meets the requirements of subdivisions 2 and 3, it may exercise additional investment authority under subdivisions 4, 5, and 6.

stat.118A.07.2

Subd. 2.Written policies and procedures.

Prior to exercising any additional authority under subdivisions 4, 5, and 6, the governmental entity must have written investment policies and procedures governing the following:

(1) the use of or limitation on mutual bond funds or other securities authorized or permitted investments under law;

(2) specifications for and limitations on the use of derivatives;

(3) the final maturity of any individual security;

(4) the maximum average weighted life of the portfolio;

(5) the use of and limitations on reverse repurchase agreements;

(6) credit standards for financial institutions with which the governmental entity deals; and

(7) credit standards for investments made by the governmental entity.

stat.118A.07.3

Subd. 3.Oversight process.

Prior to exercising any authority under subdivisions 4, 5, and 6, the governmental entity must establish an oversight process that provides for review of the governmental entity's investment strategy and the composition of the financial portfolio. This process shall include one or more of the following:
(1) audit reviews;
(2) internal or external investment committee reviews; and
(3) internal management control.
Additionally, the governing body of the governmental entity must, by resolution, authorize its treasurer to utilize the additional authorities under this section within their prescribed limits, and in conformance with the written limitations, policies, and procedures of the governmental entity.
If the governing body of a governmental entity exercises the authority provided in this section, the treasurer of the governmental entity must annually report to the governing body on the findings of the oversight process required under this subdivision. If the governing body intends to continue to exercise the authority provided in this section for the following calendar year, it must adopt a resolution affirming that intention by December 1.

stat.118A.07.4

Subd. 4.Repurchase agreements.

A governmental entity may enter into repurchase agreements as authorized under section **118A.05**, provided that the exclusion of mortgage-backed securities defined as "high-risk mortgage-backed securities" under section **118A.04, subdivision 6**, shall not apply to repurchase agreements under this authority if the margin requirement is 101 percent or more.

stat.118A.07.5

Subd. 5.Reverse repurchase agreements.

Notwithstanding the limitations contained in section **118A.05, subdivision 2**, the governmental entity may enter into reverse repurchase agreements to:
(1) meet cash flow needs; or
(2) generate cash for investments, provided that the total securities owned shall be limited to an amount not to exceed 130 percent of the annual daily average of general investable monies for the fiscal year as disclosed in the most recently available audited financial report. Excluded from this limit are:
(i) securities with maturities of one year or less; and
(ii) securities that have been reversed to maturity.
There shall be no limit on the term of a reverse repurchase agreement. Reverse repurchase agreements shall not be included in computing the net debt of the governmental entity, and may be made without an election or public sale, and the interest payable thereon shall not be subject to the limitation in section **475.55**. The interest shall not be deducted or excluded from gross income of the recipient for the purpose of state income, corporate franchise, or bank excise taxes, or if so provided by federal law, for the purpose of federal income tax.

stat.118A.07.6

Subd. 6.Options and futures.

A governmental entity may enter into futures contracts, options on futures contracts, and option agreements to buy or sell securities authorized under law as legal investments for governmental entities, but only with respect to securities owned by the governmental entity, including securities that are the subject of reverse repurchase agreements under this section that expire at or before the due date of the option agreement.

§

Subd. 7.Negotiable certificates of deposit.

A Minnesota joint powers investment trust may invest funds in negotiable certificates of deposit or other evidences of deposit, with a remaining maturity of three years or less, issued by a nationally or state-chartered bank, a federal or state savings and loan association, or a state-licensed branch of a foreign bank, except that for obligations with a maturity of one year or less, the debt obligations of the issuing institution or its parent are rated in the top short-term rating category by at least two nationally recognized statistical ratings organizations and for obligations with a maturity in excess of one year, the senior debt obligations of the issuing institution or its parent are rated at least A or its equivalent by at least two nationally recognized statistical ratings organizations. Investments in these instruments shall not be subject to the collateralization requirements of section **118A.03**.

History:

1996 c 399 art 1 s 8; **2014 c 292 s 5**

118A.08 NO SUPERSEDING EFFECT.

Except as provided in Laws 1996, chapter 399, article 1, section 11, sections **118A.01** to **118A.06** shall not supersede any general or special law relating to the deposit and investment of public funds.

PURPOSE

The City of Isanti will support a purchasing policy that provides quality goods and services that meet the need of the City. These goods and services will be acquired in a manner to maximize the value received for each tax dollar spent. Purchasing policies are designed to facilitate the effective delivery of municipal services while maintaining adequate financial controls.

All purchasing by local government units is regulated by State Law. Consequently, these laws will govern each employee's responsibility in all purchasing processes.

The primary basis for the City's system of internal control is the City's annual budget. The budget, as adopted by the City Council, serves as the basis for the City's spending for that year. All purchases must be within a department's annually adopted final operating or capital budget.

It will be the responsibility of each City employee to adhere to the purchasing process and procedures for the actual ordering/purchasing of goods and services, procedures for receiving and reporting purchases and procedures for payment of vendor invoices.

The City of Isanti encourages its staff to consider local purchasing when all factors are relatively equal.

GUIDELINES

It is the policy of the City of Isanti that the following ethical principles shall govern the conduct of every employee involved, directly or indirectly, in the City procurement process.

1. All purchases must be within a department's annually adopted final operating or capital budget.

2. Employees will avoid activities which would compromise or give the perception of compromising the best interests of the City of Isanti. Employees will not knowingly use confidential proprietary information for actual or anticipated personal gain.

3. Employees will follow guidelines outlined within the City's approved Fuel Card and Credit Card Use Program.

4. Employees will avoid any activity that would create a conflict between their personal

interest and the best interest of the City. Conflicts exist in any relationship where a person is not acting in the City's best interest and may be acting in their own interest or the interest of someone associated with them. Such conflicts of interest would include being involved in any procurement in which:

a. The employee or any member of the employee's family has a financial interest pertaining to the City procurement process.
b. A business or organization in which the employee, or any member of the employee's family, has a financial interest pertaining to the City procurement process.
c. Any other person, business, or organization with whom the employees or a member of the employee's family is negotiating or has an arrangement concerning prospective employment.

If such conflicts of interest exist, the employee will notify the City Administrator in writing and will remove him/herself from the City procurement process.

5. Employees will avoid the appearance of unethical or compromising practices in relationship, actions, and communications regarding the procurement process.

6. Employees will never solicit or accept money, loans, gifts, favors, or anything of value, from present or potential contractors which might influence or appear to influence a purchasing decision. If anyone is in doubt about whether a specific transaction complies with this policy, the person should disclose the transaction to the City Administrator for a determination of compliance.

7. The City of Isanti shall be environmentally conscious by encouraging the use of recycled products whenever reasonably practical and in the best interest of the City.

8. It is City policy not to endorse or in any way permit an employee's name, position or the City's name to be used and advertised as supporting a product or vendor. This does not apply to giving references for products or services used by the City.

9. No individual shall be allowed to make any purchases for personal use through the City.

10. Effective January 1, 2014, the City, with the exception of the Liquor Store, is exempt from paying sales tax on most goods and services. Reference Minnesota Statutes for current guidelines on Local Government Sales and Use Tax Exemptions.

PURCHASING PROCEDURES

These policies regulating the degree of formality are to be followed in the purchase of goods and services, depending on the costs of the items to be purchased. The splitting of purchases into smaller orders to avoid these requirements is strictly prohibited.

Purchase Level	**Quotes/Bids**	**Approving Authority**
$0 - $2,500	**Invoice**	**Department Head**

$2,500.01 - $10,000	**2 Written Quotes***	**Finance Director**
$10,000.01 - $20,000	**2 Written Quotes***	**City Administrator**
$20,000.01 - $100,000	**3 Written Quotes ***	**City Council**
Over $100,000	**Bids**	**City Council**

**Written quotes or a completed quote form is to be attached where there is more than one feasible source*

All purchases must be within a department's annually adopted final operating or capital budget.

Purchases Under $2,500. Department heads are authorized to purchase directly from vendors for any purchase under $2,500. It is the responsibility of each Department head to insure complete control over this segment of the purchasing process. It is recommended that equipment purchases under $2,500 should have two (2) quotations to confirm competitive pricing. Department heads should designate employees who will be allowed to make purchases and to provide internal control procedures to ensure that all purchases are for legitimate public purposes and all purchases accounted for.

Purchases from $2,500.01 to $10,000. Purchase requisitions for goods or services having a value of $2,500 to $10,000 must be submitted for approval by the City Finance Director prior to placing an order with a vendor. Before submitting a purchase requisition, Department heads must obtain two (2) or more written quotations for the goods or services required. The quotations may be in any written format and signed by an authorized representative of the vendor. The purchase requisition awarding the purchase to the lowest responsible bidder should then be forwarded to the City Finance Director who will check to ensure that the quotation form has been completed correctly and that funds are available in the appropriate budget. If Department heads are unable to secure two (2) quotations, a notation explaining why less than two (2) qualified vendors were available should be made on the quotation form, attached to the purchase order and forwarded to the City Finance Director. When seeking two (2) quotes, the practice of "auctioneering" should be avoided by refusing to disclose to a vendor the price quoted by competitors. Purchase requisition and quotation request form will be attached to the appropriate City Council bill list.

Purchases from $10,000.01 to $20,000 The same procedures apply as when purchasing from $2,500 to $10,000 except that once approved by the Finance Director further approval must be made by the City Administrator.

Purchases from $20,000.01 to $175,000 Prior to processing a purchase requisition to secure goods or services valued at $20,000 to $100,000, Department heads must obtain three (3) written quotations. For purchases over $25,000 the State of Minnesota's Cooperative Purchasing Venture (CPV) must be considered. If Department Heads are unable to secure three (3) written quotations a memo explaining why less than three (3) qualified vendors were available as well as the Quotation Request form should be attached to the purchase order and forwarded to the City Clerk/Assistant for placement on the City Council agenda. All purchases over $20,000 require City Council approval. The Quotation Request form requires appropriate planning to ensure that adequate lead time is available to satisfy the purchasing requirements.

Purchases over $175,000 Department heads anticipating the purchase of goods or services valued over $175,000 should prepare specifications based upon standards appropriate to meet the City's

needs. For local improvement contracts that are paid for with special assessments the purchases over $175,000 process must be used. Specifications should be forwarded to the City Clerk. The City Clerk will then direct the preparation of the necessary bid packet, public notices and advertisements to meet the City's purchasing policy and will also send invitations to bid to qualified vendors. Department heads should submit a list of such vendors along with the specifications. A bid packet containing an invitation to bid, specifications, and general bid documents will be sent to these vendors, as well as those that respond to the legal notice. Formal bids will be advertised for at least ten (10) business days prior to bid opening.

After the bids are opened, the bids will be referred to the Department head for review. The Department head will prepare a written tabulation of all bids and draft a memo to the City Clerk that will be placed on the next City Council Agenda, which will include the Department heads recommendation for the bid award. All purchases over $20,000 must be awarded by the City Council. The award will normally be made to the low bidder meeting specifications. If not, documentation should be made to list the reasons why other than the low bidder was selected in the best interest of the City. Performance bonds and payments bonds are required for all public work contracts over $75,000. Bid bonds may be requested. Workers compensation insurance and general insurance certificates may also be required with the City of Isanti named as an additional insured.

Independent Contractor Exemption Certificate (ICEC) Residential and commercial building construction or improvement service independent contractors carrying on a trade or business as a sole proprietor must present an ICEC when submitting a quote or bid. In accordance with state law if a sole proprietor does not have an ICEC the individual becomes an employee of the City of Isanti. Payments made to a sole proprietor are subject to 2% withholding for Minnesota income tax if the work was performed in the State of Minnesota and the total payments during the year exceed $600.

State of Minnesota Cooperative Purchasing Program All requirements of this policy are deemed to be met if purchases are made through this State Program. Depending upon purchase level of item appropriate approvals still apply. All purchases over $25,000 require consideration of the Cooperative Purchasing Venture (CPV).

Cumulative Purchases The same purchase level guidelines under PURCHASING GUIDELINES remain effective for the total amount purchased throughout the year, however purchases for the same product may be made by a department by obtaining quotes/bids once during the year. Example: Sand/salt purchases for public works.

Emergency Purchases An "emergency" is defined as an unforeseen combination of circumstances that calls for immediate action to prevent a "disaster" from developing or occurring. A "disaster" is defined as a situation that creates an actual or imminent serious threat to the health and safety of persons, or a situation that has resulted or is likely to result in catastrophic loss to property or the environment, and for which traditional sources of relief and assistance within the affected area are unable to repair or prevent the injury or loss.

A "public health emergency" means an occurrence or imminent threat of an illness or health condition in Minnesota where there is evidence that the cause of the illness or health condition is bioterrorism, or an airborne infectious agent or toxin and that the illness poses a high probability of a large number of deaths or disabilities or widespread exposure to an airborne infectious agent that poses a significant risk to a large number of people.

Unbudgeted Expenditures by Department Heads may be permitted with approval from the City Administrator in amounts up to $1,000 provided the expenditure is deemed necessary by the City Administrator and does not leave the Department's aggregate budget over the annually approved budget amount. If the latter occurs a budget amendment may be required at the direction of the Finance Director.

Professional Services are considered to be unique and are not subject to the bid law even though the contract amount may exceed $175,000. This group includes: architects, engineers, construction managers, attorneys, accountants, consultants, and other services requiring technical, scientific or professional training

Request For Proposal (RFP) can be prepared much the same way as specifications including requirements and minimum standards for the services to be provided. RFP's should be submitted to the city council for review and approval prior to distribution. When a RFP is approved, a limited number of qualified professionals will be invited to submit a proposal setting forth their interest, qualifications and how they can meet the City's needs. In securing professional services it is the primary goal of the City to obtain the services of a professional who has a proven record of providing in a professional way those services required. A contract will be negotiated with the professional deemed to best meet the City's needs.

Contracts Only the city council may make contracts on behalf of the city. Individual council members, council committees, and city administrative officers may not enter into these contracts.

The following purchases are exempt from this purchasing policy:

Utility invoices-telephone, electric, natural gas, gasoline, mileage, products purchased for resale, emergency purchases, maintenance and repairs, schools, conferences and meeting reimbursements.

Major capital repairs beyond normal maintenance are NOT exempt from the purchasing policy.

Environmental Sustainability is promoted by conserving natural resources, minimizing environmental impacts, such as pollution and supporting strong recycling markets. Increasing the use and availability of environmentally preferable products that protect the environment. Rewarding manufacturers and vendors that reduce environmental impacts in their production and distribution systems. Creating a model for successfully purchasing environmentally preferable products that encourages other purchasers in our community to adopt similar goals. Lowering overall costs by addressing full cost accounting (purchase, maintenance, disposal, staff time, and labor) and leveraging buying power.

The following guidelines are to be followed as practicable by the City of Isanti:

1. Recycled Paper Products and Recycled-Content Products. Per Minnesota Statute 16B.122 and per the Federal Environmental Protection Agency's (EPA) requirements, the City of Isanti will endeavor to purchase paper products containing the highest postconsumer content practicable, but no less than 30% recycled-content for copy paper (which is the minimum recycled content standard established by the EPA Comprehensive Procurement Guidelines: www.epa.gov). The City should purchase other products made with recycled material whenever possible and economically feasible.

2. Waste Minimization. The City should buy in bulk whenever practicable to reduce packaging. Packaging that is reusable, recyclable or compostable is preferred, when suitable uses and programs exist.

3. Energy Saving Products. All appliances and products purchased by the City, for which the US EPA Energy Star certification is available, will meet Energy Star certification, provided such products are available and financially feasible (www.energystar.gov). This would include lighting systems, exhaust fans, water heaters, computers, exit signs, and appliances, such as refrigerators, dishwashers, and microwave ovens.

4. Water Saving Products. Water saving products purchased by the City will meet the WaterSense certification when such products are available and financially feasible (www.epa.gov.) This includes, but is not limited to, high-performing fixtures, such as toilets, waterless urinals, low-flow faucets and aerators, and upgraded irrigation systems.

5. Cleaning Products. Cleaning products purchased by the City will meet Green Seal, EcoLogo, and/or U.S. EPA Design for the Environment cleaning product standards, if such products are practicable, available, and perform to an acceptable standard.

6. Lighting. The City should purchase and install LED lighting on any new construction, retrofits, remodels or replacement projects, including street lighting.

When purchasing products and services for the City, staff will:

1. Ensure that specifications support the use of reusable, recycled, or environmentally preferable products by following these guidelines.

2. Evaluate environmentally preferable products to determine the extent to which they may be used by the department and its contractors.

3. Facilitate data collection on purchases of designated environmentally preferable products by the department in order to determine the effectiveness of the products and services.

4. Use a standard of accepting a 10% increased cost for these items. Financial incentives should be taken into consideration in cost comparisons.

5. All City departments are responsible for implementation of this policy and to ensure their respective employees are fully aware and supportive of the City's policy to purchase environmentally preferable goods and services. City staff will implement environmental sustainability guidelines in conjunction with the city's normal purchasing procedure and with consideration of the above price differential

Federal Grants Administration Policy

Adopted November 16, 2021

Goal

The goal of the City Council is to establish administrative requirements and cost principles for Federal grant awards received by the City of Isanti and the Economic Development Authority of the City of Isanti that comply with Key Policy Areas identified by the Office of Management and Budget.

Objective

The objective of the City Council in meeting this goal is to ensure compliance with OMB Uniform Grant Guidance:

a. Have effective controls in place to manage Federal awards and show compliance with Federal Statutes, regulations and terms and conditions of the award by identifying how compliance is evaluated and monitored.
b. Have reasonable procedures in place to protect personally identifiable information (PII) and other information identified as sensitive by Federal agency or pass-through entity.

Procedures

1. Segregation of Duties

a. Personally identifiable information (PII) and sensitive data as defined by a Federal Agency or pass-through entity shall be accessible only by employees who have been determined to have need for the information. The City Administrator and the Finance Director will determine which city staff members need access to personally identifiable information that may be acquired through various Federal grant processes.

b. Only those staff members who are required to access personally identifiable information will be authorized to access it when needed to produce accurate and complete financial data for reliable and timely financial and management reports.

c. The Department Head for the department receiving a Federal Grant Award shall be the primary responsible person to review and approve all costs associated with the Grant.

d. All required reports related to a Federal Grant shall be prepared by the responsible Department Head and reviewed and signed by the City Administrator and any other official as required in the Grant document.

2. Accounting Controls

a. The financial accounting system must identify all federal awards in all accounts that are received and expended by:
    i. CFDA number and title

ii. Federal award ID and year
iii. Name of federal awarding agency
iv. Pass-through entity's name

b. The payment process shall follow the accounting procedures for Accounts Payable.

c. The Department Head assigned responsibility for a federal grant shall review and approve all requests for payment under the federal grant in accordance with Subpart E Cost Principles as well as the terms and conditions of the federal grant award.

d. Federal grant payments received shall be disbursed according to the terms and conditions of the federal grant award. If grant disbursement guidelines are not included the grant proceeds shall be disbursed within 30 days of receipt.

e. Payments to sub recipients are:
   i. Not required to be maintained in separate depository accounts for federal awarded funds.
   ii. Required to be accounted for by receipt, obligation and expenditure of federal funds.

f. Travel costs must be consistent with Section 905 of the City of Isanti Personnel Policy.

g. Personnel compensation from Federal grant awards shall follow the accounting procedures for Payroll to ensure accurate recording of an employee's time activities associated with a federal award.

h. Complete payroll documentation must be maintained for all employees whose salaries are paid in full or in part by a federal award (200.430 (i) (1); and used in meeting cost sharing or matching requirements on Federal awards (200.430 (i) (4).

i. Contracts using Federal grant funds shall be with responsible contractors that can perform successfully meeting the requirements and terms and conditions of contract award based on:
   i. Contractor integrity
   ii. Compliance with public policy
   iii. Record of past performance
   iv. Financial and technical resources

j. Conflict of interest disclosure:
   i. Conflict of Interest forms shall be reviewed to determine if any conflict of interest exists in regard to a Federal Grant Award.
   ii. Any potential conflict of interest that an employee may have relating to a Federal Grant Award must be disclosed in writing to the City Administrator and the Grant issuing Federal Agency.
   iii. Any violation of Federal criminal law that involves fraud, bribery or gratuities that could affect a Federal Grant Award must be disclosed in writing to the City Administrator and Grant issuing Federal Agency.
   iv. Any contractual or administrative issues, which may include disputes, protests and source evaluations, must be referred to the office of the City

Attorney who must provide guidance and facilitate a legal solution to the issue.

k. Procurement of items to be purchased using Federal grant funds shall follow the Purchasing Policy contained in this manual and shall follow all state and federal rules and regulations.
   i. Reasonable effort must be made to avoid purchasing unnecessary or duplicative items.
   ii. Records must be maintained with sufficient detail to provide a historical or audit trail for the procurement.
   iii. Employees who have a conflict of interest relating to the selection of a contractor who will be paid from Federal Grant funds must disclose such conflict of interest to the City Administrator who shall name another employee to select an appropriate contractor.

l. Performance reporting will require:
   i. Financial data to be related to performance of accomplishments.
   ii. Oversight and monitoring must cover each program or activity.
   iii. Quantifiable data when available.
   iv. Trend data or data analysis
   v. Explanation of reasons why goals were not met or explanation of any cost overruns.

m. Prior written approval must be received from the Federal Grant Award Agency for indirect costs or the incurrence of special or unusual costs and the Federal Agency approval should include timeframe or written agreement.

n. Report Certification for the Authorizing Official for any Federal Grant Award must sign a certification on the annual and final fiscal report or voucher requesting payments that includes the following language:

"By signing this report, I certify to the best of my knowledge and belief that the report is true, complete, and accurate, and the expenditures, disbursements and cash receipts are for the purposes and objective set forth in the terms and conditions of the Federal award. I am aware that any false, fictitious, or fraudulent information, or the omission of any material fact, may subject me to criminal, civil or administrative penalties for fraud, false statements, false claims or otherwise. (U.S. Code Title 18, Section 1001 and Title 31, Sections 3729-32730 and 3801-3812)."

Memo for Council Action

To: Mayor Johnson and Members of the City Council
From: Finance Director Betker
Date: November 16, 2021
Subject: Closing Debt Service Fund 929

Background:
Final payment on the 2010B General Obligation Improvement Refunding Bonds is due by December 1st 2021. That final payment is to be approved at this November 2nd 2021 Council meeting. Upon final payment the Debt Service Fund should be closed per accounting standards.

Recommendation:
Finance Director Betker is recommending that the cash balance remaining in fund 929 after the final debt payment has been made be transferred to the General Fund and that all remaining special assessments receivable be transferred to Fund 920. This fund closure and cash transfer has been previously discussed and accounted for within the previously presented preliminary 2022 Budget.

Request:
Staff is requesting approval of the attached Resolution.

RESOLUTION 2021-XXX

FORGIVING INTERFUND LOAN PAYABLE FROM GENERAL FUND TO WATER AND SEWER UTILITIES

WHEREAS, the Isanti City Council has annually approved budgeted repayment of funds advanced to the General Fund by the Water and Sewer Utilities; and

WHEREAS, the General Fund had been making transfers of $28,330 and $56,670 annually to the Water and Sewer Funds respectively, that began in budget year 2019 and were scheduled to conclude in the 2028 budget year; and

WHEREAS, the fiscal health of the Water and Sewer Utilities is such that the repayment of these obligations is no longer a financial imperative; and

WHEREAS, the Isanti City Council has determined that it is in the best interest of the City to end the repayment schedule effective with the 2021 budget and consider the obligation of the General Fund to be completed.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota as follows:

1. The City Council approves ending the aforementioned 10-year repayment schedule in budget year 2021.

2. The Finance Director is authorized to make the needed budget amendments within the 2021 Budget to conclude the repayment schedule with no transfers occurring in 2021.

This Resolution is hereby approved by the Isanti City Council this 16th day of November, 2021.

EXHIBIT A

1. Areas open for archery hunting of deer shall be single parcels larger than 40 contiguous acres.

2. Signed written permission from the property owner(s) of the tract that will be hunted. A map will be provided by the hunter to the City identifying the tracts, boundaries and closest residential structures. All hunting must be performed on those tracts.

3. Each 40 acre parcel is limited to two (2) archery hunting permits per each open bow season as set by the Minnesota Department of Natural Resources. If more than 2 hunters apply for permission from the City of Isanti to hunt in a designated area, a random drawing conducted by the City shall be used to select the hunter(s) for that area.

4. All hunting shall be conformance with regulations of the Minnesota Department of Natural Resources.

5. Hunting for deer is limited to utilization of an elevated tree stand. No still hunting or use of ground blinds shall be allowed. A map shall be provided to the City identifying the location of the elevated tree stand.

6. The hunter shall follow all State requirements for distance for discharge of a bow from residential dwellings, commercial structures and road right of ways.

7. No hunting shall take place within 500 feet of any Isanti City park boundary.

8. The City Administrator or Police Chief may suspend hunting activities in the event of emergency in the City of Isanti.

9. These hunting activities shall be administered by the Isanti Police Department.

MEMO for CITY COUNCIL

To: **Mayor Johnson and Members of the City Council**
From: Alyssa Olson, Parks, Recreation & Events Coordinator
Date: November 16, 2021
Subject: Resolution 2021-XXX Approving BMX Lighting Upgrade

Background:
Rum River BMX has outlined a plan to upgrade current lighting inside of the Isanti Indoor Arena with LED fixtures that would enhance the lighting while saving money on utilities. The project will include the following:

- Replace 16 fluorescent fixtures in ceiling with 29 LED fixtures.
- Remove existing track lighting that are on poles.
- Upgrade all other arena fluorescent fixtures to LED using existing fixtures.

All work will be completed by a licensed electrician with permits and inspections and is anticipated to begin this month. Rum River BMX will be covering all costs associated with this project and the new lighting plan will increase the average foot candle reading to between 20-25 from 6-11.

Attachment:
1. Resolution 2021-XXX Approving BMX Lighting Upgrade

RESOLUTION 2021-XXX

APPROVING BMX LIGHTING UPGRADE

WHEREAS, the Rum River BMX has outlined a plan to upgrade the current lighting system in the Isanti Indoor Arena; and,

WHEREAS, Rum River BMX is proposing the following changes:

- Replace 16 fluorescent fixtures in ceiling with 29 LED fixtures
- Remove existing track lighting on poles
- Upgrade all other fluorescent fixtures to LED using existing fixtures; and,

WHEREAS, Rum River BMX is responsible for all costs associated with this project; and,

WHEREAS, Rum River BMX will work with a licensed electrician to complete the work and acquire all necessary permits and inspection approval;

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Isanti, Minnesota to hereby approve the BMX lighting upgrade.

This resolution was duly adopted by the Isanti City Council this 16th day of November 2021.

CITY OF ISANTI
PARKS, RECREATION, AND CULTURE BOARD MEETING MINUTES
October 26,2021

Call to Order: Aaron Zdon called the meeting to order at 6:00 p.m.

Roll Call: Members Present: Aaron Zdon, Zachary Gahm, Dan HinnenKamp, Tressa Hunting, and Mayor Jeff Johnson
Staff Present: Alyssa Olson, Parks, Recreation & Events Coordinator

Agenda/Modifications: None; Motion by Gahm, second by HinnenKamp

3. Meeting Minutes: Motion by HinnenKamp; second by Johnson to approve meeting Minutes from September 28, 2021. Motion passed 5-0.

4. Little Free Library / Sports Library: Ms. Olson shared plans for adding a Little Free Sports Library to one of the parks in 2022 and requested the Board's insights on which park. The Board recommended either Bluebird Park or Mattson Park. Olson also shared that a local Eagle Scout is interested in adding a Little Free Library to one or more of our parks as part of his final service project. The Board recommended Bluebird Park, Mattson Park or Eagle Park for the standard library. Mr. Zdon noted that any unit placed should be anchored and/or placed on a concrete slab to secure the item for wind or vandalism. Olson will provide the recommendations to the Eagle Scout and report back to the Board with an update on timeline and location(s) associated with the project.

4. Department Updates: Olson shared an update on Curious Creatures and an intent to begin finding more toddler-friendly activities as most of the attendees this fall appear to be 2-3 year olds.
The holiday lighting event in December 2022 will be concept #2 from the event concept packet, which a ticketed walk-through experience. Olson is working on building out the event plan and sponsor opportunities. She requested the Board think about names for the event. Gahm wondered if the name is being over-considered, to which Olson noted that choosing a flashy name may give the appearance that the event is more than just a community festival and, thus, draw in more sponsors and attendees from outside of the County.
Eagle Park plan is to add some bushes and landscaping, and add a few more seating areas in the Spring while we wait for more information on the railroad park idea.
Bluebird Amphitheater has been named by the City Council and the build is nearly complete with doors and trim arriving earlier that day. The donation from the Lions Club is pending their decision on whether or not they want to provide a seating area. The ribbon cutting ceremony went well and the band sounded great with the amphitheater's acoustics.
Council has opted to have three of the Street Dances remain at Main Street in 2022 and one will move over to Bluebird Park. It may take on a different form in order to shift mentality on the event itself and to create a bigger show at the park. Olson is looking at the September 2022 dance moving over to Bluebird and being amplified with a carnival or expanded event. HinnenKamp asked if the events would still be called a 'street dance' if moved to the park and Olson noted that will be part of the Council's discussion next year on if they should take a new shape. It was also noted that the Street Dances do not necessarily have a long history in the city, but they are beloved and known as is.
Olson is working to update the Adopt-A-Park Policy to allow residents to request an addition or modification to an adopted park. The request was made by two local residents to utilize an area of Mattson Park that borders their properties as a flower garden. The application and agreement would designate the process for request approval and maintenance.
Olson shared that Northern Elements All Stars have selected to host the November and December movie nights. They will retain the profits from concession sales for both of those events. Olson is working on adding crafts and activities for the Santa event ahead of the December movie night. She is also working on the Candy Cane Flashlight Hunt on December 12.

5. Open Discussion: Johnson mentioned security camera plans for Bluebird Park. Olson is working on getting quotes for adding cameras to the amphitheater, as well as at the warming house at the BMX Arena. Johnson requested thoughts on adding cameras throughout the park to have a visual on the full area. The

Board was in agreement that we will need additional security as we continue adding to Bluebird and it would make some sense to cover the full park for liability. Olson will be reviewing quotes and options and moving to Council with potential options, as needed.
Johnson also mentioned he was approached by the Redbirds about the City painting the backside of the fence around Sportsman's Field, which is visible to Bluebird Park. It was noted that the City owns that property, but the Redbirds lease the field and maintain their own revenue, in addition to maintaining the field. Olson mentioned arts grants that are available that could be sought out for painting a mural on the back of the fence to make it more appealing and add some art to the park. Gahm mentioned using the County corrections services to paint the fence for us, using paint supplied by the City. Johnson will share the Sherriff's contact information with Olson so she can get insight into that process. Hunting mentioned that both of these options could fall under Arts & Culture and be applicable for a number of different grant programs.
Hunting circled back to discussions from the September Board meeting about inclusivity in City events. As part of those initiatives, Hunting found a handful of grants and organizations that can help and finance future events and programs that can assist in creating a more culturally diverse community. Olson summarized that we should consider looking to 2022 and beyond through a multi-cultural lens that will help us ensure our events and programs are appealing to the full community. Hunting also recommended including groups like United Nations from the local high school or Play Inc. and other community organizations that do build culturally diverse programs. Olson noted that it could look like turning Celebrate Isanti into a vendor fair that includes and showcases cultural groups from the region and truly celebrates all of the diversity in the area. Gahm mentioned using a similar event layout to the holiday lights event for future beer or food festivals. HinnenKamp noted the Farmers Market potentially moving to Bluebird as well. Olson noted that visibility is difficult at Bluebird due to its topography and the current plan is still to look at the new liquor store. Johnson mentioned bringing back a tree lighting ceremony with the new holiday event as something to consider with future planning.
Zdon confirmed that we will not have a December meeting, so the November meeting will be the final meeting of the year.

Adjournment: Motion by Johnson, second by HinnenKamp to adjourn the October 26, 2021 meeting of the Parks, Recreation, and Culture Board. Motion passed 5-0, meeting adjourned at 7:05 p.m.

Respectfully Submitted
Alyssa Olson
Parks, Recreation & Events Coordinator

Members Absent: None

Staff Present: City Administrator Josi Wood, Human Resources Director Katie Grotte, Finance Director Mike Betker, Parks, Recreation and Events Coordinator Alyssa Olson, City Engineer Jason Cook and Chief of Police Travis Muyres

D. Public Comment- None

E. Committee Meeting Items

1. Liquor Updates- presented by Liquor Store Manager Keith Lusk

- Sales YTD through September 30th total $2,986,609. That's up $34,834 from 2020
- Customer Count through September 30th is up 1,839 from 2020.
- The new store is being stocked and merchandised
- The "Bozo and LouElla Polzin Beer Cave" signage will be up in time for the Grand Opening.
- We've filled the Assistant Store Manager and the newly created full-time position.

2. Developer's Agreement Amendment Request (*Josh Savageau*)

Josh Savageau came to the meeting to discuss building model homes in lots that do not have a curb and bit installed. This is not permitted in other agreements in the past. If committee wants to allow this, it would be an amendment to the developer's agreement. Direction from the committee Staff to amend the developer's agreement at the next City Council meeting. Collision was okay with it as long inspector went out and made sure the road was passible/ accessible. Lundeen agreed with Collison and told Savageau he would be responsible for snow removal. No temporary CO's to be given until the curb and gutter are in place. Showings are permitted if the Building Official says it is okay.

3. County Road 5/ 8th Ave Intersection- Discussion

Accident involving 2 children being struck at intersection while crossing the road before school. The County Engineer reached out to Jason Cook to see if the City was seeking a specific intersection control by Wendover possibly adding flashing beacon lights. Committee agreed to put in center median and flashing lights. This will be discussed further by the County.

4. Office Space at City Hall

The mayor gave up his office in City Hall. Bergley and Gordon mentioned the keys and fob to be turned as well. Collison requested by Friday. Mayor agreed.

5. Park Alterations- Discussion

PRE Coordinator Alyssa Olsen presented an option for alterations be added to the Adopt-A-Park Program so that residents have an avenue to request changes or additions to the parks. This process would also inform Council of the costs involved with the project, in addition to costs the City might incur to restore or maintain the feature when the residents stop participating in the program. Committee members were supportive and agreed to move forward as presented.

6. Fee Schedule Review

Finance Director Mike Betker presented an annual of fees that should be changed.

Remove

G.25 & G.26 – Remove Signal Light Development Fees per City Attorney recommendation

B.18 – Remove Senior Building Official from hourly rate matrix, not applicable

I.14 – Remove Unpaid Water and Sewer Fee, already included in Chapter 262

Modify/Update

B.35 - Increase Residential Driveway Escrow from $2,000 to $3,000

B.33 - Modify to delineate Residential Re-Roof Permit (fee unchanged) and Commercial Re-Roof Permit which should be a valuation-based fee

B.34 - Modify to delineate Residential Re-Siding Permit (fee unchanged) and Commercial Re-Siding Permit which should be a valuation-based fee

I.2 - Update Meter Pricing to reflect 2022 prices, when available

Add

Fire Alarm Permit – $100 fee as limited plan review is needed prior to issuance

Solar Photovoltaic Permit - $100 fee as limited plan review is needed prior to issuance

Committee agreed with changes as presented for City Council approval.

7. Amphitheater Rental Fees

PRE Coordinator Alyssa Olsen presented Rental Fee Options for the new amphitheater in comparison with the Isanti Community Center and other similar venues. Collison mentioned the cost sounded a little high, but wants to give it year. Olsen said its actually lower than other venues. Committee agrees to move forward as the changes will be in a future ordinance amendment.

F. Adjournment

Meeting was adjourned at 6:05 p.m.

   - D. Agenda Modifications: None
   - E. Adopt the Agenda
     Motion to adopt the agenda by Lundeen, second by Collison motion passes 7-0.

2. **Meeting Minutes**
   - A. Approval of Minutes from the September 21, 2021 Planning Commission Meeting motion by Bergley, second by Collison motion passes 7-0.

3. **Public Hearing**

   A. Request by Kevin Johnson for approval of Rezoning PID's 16.134.0030, 16.134.0040, 16.134.0050, 16.134.0060 from B-2 General Commercial to R-3A Low Density Multiple-Family Residential.

   Saltis explained the request to rezone the subject parcels from B-2 General Commercial to R-3A Low Density Residential. It was explained that these parcels have previously gone through a Comprehensive Land Use Plan Amendment and the Planning Commission and City Council have approved this. The Comprehensive Land Use Amendment was the first step towards guiding the parcels designation, rezoning will allow for a variety of housing types available to build on these parcels. The Planning Commission was reminded that surrounding houses were in favor of the rezoning from commercial to residential as they would rather have houses surrounding their property than a business. There was nobody present at the public hearing to speak on this item. Motion for approval of the parcels rezoning from B-2 General Commercial to R-3A Low Density Multiple-Family Residential by Lundeen, second by Collison, motion passed 7-0.

   B. Request by Ever Cat Fuels for approval of a Conditional Use Permit Amendment under City Ordinance 445 Section 21, Article 2, Subdivision 5, said request is for site modifications and altered biodiesel distillation plans for Ever Cat Fuels located at 100 Isanti Pkwy NE, PID 16.128.0010.

DRAFT

Saltis presented the CUP Amendment request for Ever Cat Fuels. Collison asked whether outdoor storage is allowed in this zoning district. Saltis replied that outdoor storage is allowed in the Industrial District with a Conditional Use Permit, and that regulations for storage will be added to the existing CUP for the site. The location of Ever Cat Fuels was discussed in regards to the site modifications and outdoor storage, in that the equipment and storage will not have an impact on surrounding businesses. Planning Commission members requested a representative speak on the item. Andrew Johnson, a representative from Ever Cat Fuels further explained the concept plan for the site and described the storage container being a cheaper and easier option than a built shed. Saltis explained that the conditions suggested by city staff included that any storage on site would have to be reviewed by the City's Building Official to ensure that it meets state building codes. Other conditions were pointed out for fire safety and were requested by the Fire Chief. There was nobody else from the public present at the meeting to speak on this item. A motion was made to adopt the CUP Amendment with conditions listed in the November 16, 2021 staff report by Lundeen, second by Collison, motion passed 7-0.

5. **Other Business:** None
6. **Discussion Items:** None
7. **Adjournment:** Motion by Bergley, 2nd by Collison to adjourn, motion passed 7-0, meeting adjourned at 8:00 p.m.

CITY OF ISANTI
PARKS, RECREATION, AND CULTURE BOARD MEETING MINUTES
October 26,2021

Call to Order: Aaron Zdon called the meeting to order at 6:00 p.m.

Roll Call: Members Present: Aaron Zdon, Zachary Gahm, Dan HinnenKamp, Tressa Hunting, and Mayor Jeff Johnson
Staff Present: Alyssa Olson, Parks, Recreation & Events Coordinator

Agenda/Modifications: None; Motion by Gahm, second by HinnenKamp

3. Meeting Minutes: Motion by HinnenKamp; second by Johnson to approve meeting Minutes from September 28, 2021. Motion passed 5-0.

4. Little Free Library / Sports Library: Ms. Olson shared plans for adding a Little Free Sports Library to one of the parks in 2022 and requested the Board's insights on which park. The Board recommended either Bluebird Park or Mattson Park. Olson also shared that a local Eagle Scout is interested in adding a Little Free Library to one or more of our parks as part of his final service project. The Board recommended Bluebird Park, Mattson Park or Eagle Park for the standard library. Mr. Zdon noted that any unit placed should be anchored and/or placed on a concrete slab to secure the item for wind or vandalism. Olson will provide the recommendations to the Eagle Scout and report back to the Board with an update on timeline and location(s) associated with the project.

4. Department Updates: Olson shared an update on Curious Creatures and an intent to begin finding more toddler-friendly activities as most of the attendees this fall appear to be 2-3 year olds.
The holiday lighting event in December 2022 will be concept #2 from the event concept packet, which a ticketed walk-through experience. Olson is working on building out the event plan and sponsor opportunities. She requested the Board think about names for the event. Gahm wondered if the name is being over-considered, to which Olson noted that choosing a flashy name may give the appearance that the event is more than just a community festival and, thus, draw in more sponsors and attendees from outside of the County.
Eagle Park plan is to add some bushes and landscaping, and add a few more seating areas in the Spring while we wait for more information on the railroad park idea.
Bluebird Amphitheater has been named by the City Council and the build is nearly complete with doors and trim arriving earlier that day. The donation from the Lions Club is pending their decision on whether or not they want to provide a seating area. The ribbon cutting ceremony went well and the band sounded great with the amphitheater's acoustics.
Council has opted to have three of the Street Dances remain at Main Street in 2022 and one will move over to Bluebird Park. It may take on a different form in order to shift mentality on the event itself and to create a bigger show at the park. Olson is looking at the September 2022 dance moving over to Bluebird and being amplified with a carnival or expanded event. HinnenKamp asked if the events would still be called a 'street dance' if moved to the park and Olson noted that will be part of the Council's discussion next year on if they should take a new shape. It was also noted that the Street Dances do not necessarily have a long history in the city, but they are beloved and known as is.
Olson is working to update the Adopt-A-Park Policy to allow residents to request an addition or modification to an adopted park. The request was made by two local residents to utilize an area of Mattson Park that borders their properties as a flower garden. The application and agreement would designate the process for request approval and maintenance.
Olson shared that Northern Elements All Stars have selected to host the November and December movie nights. They will retain the profits from concession sales for both of those events. Olson is working on adding crafts and activities for the Santa event ahead of the December movie night. She is also working on the Candy Cane Flashlight Hunt on December 12.

5. Open Discussion: Johnson mentioned security camera plans for Bluebird Park. Olson is working on getting quotes for adding cameras to the amphitheater, as well as at the warming house at the BMX Arena. Johnson requested thoughts on adding cameras throughout the park to have a visual on the full area. The

Board was in agreement that we will need additional security as we continue adding to Bluebird and it would make some sense to cover the full park for liability. Olson will be reviewing quotes and options and moving to Council with potential options, as needed.
Johnson also mentioned he was approached by the Redbirds about the City painting the backside of the fence around Sportsman's Field, which is visible to Bluebird Park. It was noted that the City owns that property, but the Redbirds lease the field and maintain their own revenue, in addition to maintaining the field. Olson mentioned arts grants that are available that could be sought out for painting a mural on the back of the fence to make it more appealing and add some art to the park. Gahm mentioned using the County corrections services to paint the fence for us, using paint supplied by the City. Johnson will share the Sherriff's contact information with Olson so she can get insight into that process. Hunting mentioned that both of these options could fall under Arts & Culture and be applicable for a number of different grant programs.
Hunting circled back to discussions from the September Board meeting about inclusivity in City events. As part of those initiatives, Hunting found a handful of grants and organizations that can help and finance future events and programs that can assist in creating a more culturally diverse community. Olson summarized that we should consider looking to 2022 and beyond through a multi-cultural lens that will help us ensure our events and programs are appealing to the full community. Hunting also recommended including groups like United Nations from the local high school or Play Inc. and other community organizations that do build culturally diverse programs. Olson noted that it could look like turning Celebrate Isanti into a vendor fair that includes and showcases cultural groups from the region and truly celebrates all of the diversity in the area. Gahm mentioned using a similar event layout to the holiday lights event for future beer or food festivals. HinnenKamp noted the Farmers Market potentially moving to Bluebird as well. Olson noted that visibility is difficult at Bluebird due to its topography and the current plan is still to look at the new liquor store. Johnson mentioned bringing back a tree lighting ceremony with the new holiday event as something to consider with future planning.
Zdon confirmed that we will not have a December meeting, so the November meeting will be the final meeting of the year.

Adjournment: Motion by Johnson, second by HinnenKamp to adjourn the October 26, 2021 meeting of the Parks, Recreation, and Culture Board. Motion passed 5-0, meeting adjourned at 7:05 p.m.

Respectfully Submitted

MEMO

To: **Mayor Johnson & City Council Members**

From: Finance Director Betker

Date: December 7, 2021

Subject: 2022 Final Budget and Levy Adoption

Background:

The proposed final property tax levy is $3,281,851 and reflects an increase in the taxable market value for 2022 of 10.83%.

The proposed final property tax rate is 58.48%, a decrease of 3.17% from 2021 and a decrease of 26.53% from the 2018 tax rate of 79.60%. The 15-year average tax rate from 2007 thru 2021 is 67.08%

General Fund expenditures have been adjusted based on prior year actual costs, current year expenditures thru October, actual maintenance agreements and contracted costs. All wages include a 3% COLA for 2022 and include the necessary step increases, where applicable. Dental Insurance, Worker's Compensation, Property/Liability/Volunteer Insurance, and Life/AD&D Insurance have all been adjusted to reflect premiums paid in 2021 and any necessary inflationary factor was applied. Health Insurance premiums increased, depending on plan structure, between 8.8% and 11.5%.

PURCHASE AGREEMENT

THIS AGREEMENT is made as of _____, 2021 (the "Effective Date") between **Hobby Farms Plus Inc.**, ("Seller"), and the **City of Isanti**, a Minnesota municipal corporation ("Buyer").

RECITALS:

A. Seller is the fee owner of the parcel of property located in Isanti County, Minnesota ("Property"), the legal description of which is as follows:

See attached Exhibit A.

B. Seller wishes to convey, and Buyer wishes to purchase the Property, as illustrated in the attached Exhibit B, together with all rights, privileges, easements, and appurtenances belonging thereto.

AGREEMENT:

In consideration of the mutual covenants and agreements herein contained and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. Purchase of Property. Seller hereby agrees to sell and Buyer hereby agrees to purchase the Property including all easements and rights of every kind and nature benefiting or appurtenant to the Property, subject to the Permitted Encumbrances as provided herein.

2. Purchase Price and Manner of Payment. The total purchase price ("Purchase Price") to be paid by Buyer to Seller for the Property shall be $1,510,000.00), and shall be paid to Seller at closing, subject to the terms of this Agreement.

Earnest Money. Within 14 business days after the Effective Date, Buyer must deposit the sum of $10,000.00 (the "Earnest Money) with a title company of its choice ("Escrow Agent"). At Closing, Escrow Agent shall disburse to Seller the Earnest Money and Buyer shall receive a credit against the Purchase Price in an amount equal to the amount of the Earnest Money.

3. Buyer Contingencies. The obligations of Buyer under this Agreement are contingent upon each of the following:

a. Representation and Warranties. The representations and warranties of Seller contained in this Agreement must be accurate in all material respects now and on the Closing Date as if made on the Closing Date.

b. Title. Title shall have been found marketable, or been made marketable, in accordance with the requirements and terms of Section 6 below.

c. Performance of Seller's Obligations. Seller shall have performed all of the obligations required to be performed by Seller under this Agreement as and when required by this Agreement.

d. Inspection. Buyer shall have the right to enter the Property through December 16th 2021 (the "Due Diligence Period") and perform such surveys, tests and investigations as Buyer deems advisable, all at Buyer's sole expense. Buyer shall keep the Property free from mechanic's liens arising from such work. Buyer shall be responsible for any property damage or personal injury arising from such work. Buyer shall determine, in its sole judgment, whether the condition of the Property is suitable for Buyer's intended use, and may terminate this Agreement without liability through the end of the Due Diligence Period

If any contingency set forth above has not been satisfied on or before the Closing Date, then this Agreement may be terminated, at Buyer's option, by written notice from Buyer to Seller. Upon such termination, the Earnest Money shall be refunded to Buyer and neither party will have any further rights or obligations regarding this Agreement or the Property. All the contingencies set forth in this Section are for the sole and exclusive benefit of the Buyer and the Buyer shall have the right to waive any contingency by written notice to Seller.

4. Closing. The closing of the purchase and sale contemplated by this Agreement ("Closing") shall be held at such place as may be agreed upon by the parties, on or before, December 17th 2021 ("Closing Date"). At the Closing, Buyer shall pay the Purchase Price to Seller and the following closing documents shall be executed and delivered.

a. Seller shall deliver a warranty deed conveying the Property to Buyer, free and clear of all encumbrances, except the following "Permitted Encumbrances":

(1) Property taxes and special assessments to be paid in accordance with this Agreement; and

(2) Building codes and laws and ordinances relating to zoning and land use.

b. A title insurance policy, **or** a suitably marked-up commitment for title insurance initialed by the Title Company, in the form required by this Agreement. The title commitment is a document that states that a title company is willing to provide title insurance coverage. This document is provided to the purchaser prior to closing and lists all the potential exclusions, exceptions, and issues noted by the title company. This commitment does not guarantee that no issues will crop up in the future, but it will list potential issues that the title company sees with the property.

c. An Affidavit by Seller indicating no adverse matters.

d. A closing statement detailing the financial terms of the closing.

e. All other documents necessary to transfer the Property to Buyer free and clear of all encumbrances except the Permitted Encumbrances.

5. Costs and Prorations. Seller and Buyer agree to the following prorations and allocation of costs:

a. **Title Insurance and Closing Fee.** Seller will pay all costs of issuing the title insurance commitment. Buyer will pay all title insurance premiums and surcharges required for the issuance of any title insurance policy. Buyer and Seller will each pay one half of all reasonable and customary closing fees charged by the Title Insurer.

b. **Documentary Taxes.** Seller shall pay the state tax for the deed to be delivered by Seller under this Agreement.

c. **Real Estate Taxes and Levied and Pending Assessments.** General real estate taxes due and payable in 2021 shall be prorated by Seller and Buyer to the Closing Date based upon a calendar fiscal year. Any deferred property taxes or otherwise unpaid taxes, penalties and interest accrued prior to 2021 shall be paid by Seller. Buyer shall pay all special assessments levied or pending against the Property as of the date of this Agreement.

d. **Attorney's Fees.** Each party will pay its own attorney's fees, except that a party defaulting under this Agreement or any closing document will pay the reasonable attorney's fees and court costs incurred by the non-defaulting party to enforce its rights regarding such default.

6. Title.

a. **Quality of Title.** Seller shall convey good and marketable fee title to the Property to Buyer, subject to no liens, easements, encumbrances, conditions, reservations or restrictions other than the Permitted Encumbrances.

b. **Title Evidence.** Seller shall provide a Survey and obtain a Title Commitment for the most current form of ALTA owner's policy of insurance in the amount of the Purchase Price insuring title to the Property subject only to the Permitted Encumbrances. In the event a Survey, or any recertification thereof, shows any encroachments or any improvements upon, from, or onto the Property, or on or between any building setback line, lot line, or any easement, or other condition unacceptable to Buyer, in Buyer's sole discretion, said encroachment, easement, or other condition shall be treated in the same manner as Title Defect(s).

c. **Buyer's objections.** Within twenty days after receiving the last of the Title Evidence, Buyer shall make written objections ("Objections") to the form and or contents of the Title Evidence. Buyer's failure to make Objections within such time period will constitute waiver of Objections. Any matter

shown on such Title Evidence and not objected to by Buyer shall be deemed an additional "Permitted Encumbrance" hereunder. Seller shall have 30 days after receipt of the Objections to cure the objections, during which period the Closing will be postponed as necessary. Seller shall use its best efforts to correct any Objections. If the Objections are not cured within such 30-day period, Buyer will, in addition to any other remedy available at law or under this Agreement, have the option to do either of the following:

(1) Terminate this Agreement; or

(2) Waive the objections and proceed to close, in which case such matters shall be deemed Permitted Encumbrances hereunder.

d. **Title Policy.** Title Insurer shall deliver to Buyer at the closing a title policy issued pursuant to the commitment, or a suitably marked–up commitment initialed by the Title Insurer undertaking to issue such a title policy in the form required by the commitment as approved by Buyer.

7. **Representations and Warranties by Seller.** Seller represents and warrants to Buyer as follows:

a. **Authority.** Seller has the requisite power and authority to enter into and perform this Agreement.

b. **Title to Property.** Seller owns the Property and will deliver it free and clear of all encumbrances except the Permitted Encumbrances.

c. **Rights of Others to Purchase Property.** Seller has not entered into any other contracts for the sale of the Property.

d. **FIRPTA.** Seller is not a "foreign person," "foreign partnership," "foreign trust" or "foreign state" as those terms are defined in § 1445 of the Internal Revenue Code.

e. **Proceedings.** To the best knowledge of Seller, there is no action, litigation, investigation, condemnation or proceeding of any kind pending or threatened against Seller or the Property.

f. **Hazardous Materials.** To Seller's actual knowledge, without duty to investigate, no toxic or hazardous substances (including, with limitation, asbestos, urea foam formaldehyde, the group of organic compounds known as polychlorinated biphenyls, and any hazardous substance as defined in the

Comprehensive Environmental Response, Compensation and Liability Act of 1980 ("CERCLA"), 42 U.S.C. § 9601-9657, as amended) have been generated, treated, stored, released, or disposed of, or otherwise deposited in or located on the Property, including with limitation, the surface or subsurface waters of the Property, nor has any activity been undertaken on the Property which would cause (i) the Property to become a hazardous waste treatment, storage or disposal facility within the meaning of, or otherwise bring the Property within the ambit of the Resource Conservation and Recovery Act of 1976 ("RCRA"), 42 U.S.C. § 6901, et. seq., or any similar state law or local ordinance or any other environmental law; (ii) a release or threatened release of hazardous waste from the Property within the meaning of, or otherwise bring the Property within the ambit of CERCLA, or any similar state law or local ordinance, or any other environmental law; or (iii) the discharge of pollutants or effluents into any water source or system, or the discharge into the air or any emissions, which would require a permit under the Federal Water Pollution Control Act, 33 U.S.C. § 7401, et.seq., or any similar state law or local ordinance or any other environmental law. To the best of Seller's knowledge: (i) there are no substances or conditions in or on the Property which may support a claim or cause of action under RCRA, CERCLA, or any other federal, state, or local environmental statutes, regulations, ordinances, or other environmental regulatory requirements, and (ii) no underground deposits which cause hazardous wastes or underground storage tanks are located on the Property.

g. **Wells and Septic Systems.** Seller shall provide Buyer with a well disclosure statement and a septic system disclosure statement, which disclosure statements are incorporated in this Section by reference.

h. **Geothermal Heating & Cooling System.** Seller shall install component heat pumps, which have already been purchased and are currently onsite. Buyer shall be afforded opportunity to ensure proper installation and functioning of the completed upgrades prior to closing. Upon satisfactory completion of the improvements, Buyer shall give Seller written notice of acceptance.

Buyer shall be afforded opportunity to ensure proper installation and functioning of the completed upgrades prior to the end of the lease term, June 30th 2022. If the seller chooses to extend the lease thru either July 31st 2022 or August 31st 2022, the deadline to complete the geothermal improvements will be extended as well, coinciding with the final end date of the lease. If improvements by the Seller are not complete and accepted by the Buyer prior to Closing, $10,000 will held in escrow, to be released to

the seller, upon satisfactory completion of the improvements. Buyer shall provide Seller and Escrow Agent written notice of acceptance. Written notice of acceptance will function as authorization to release the contingent $10,000 held in escrow. Failure to complete the improvements will result in the escrow amount being released to the Buyer to fund completion of the improvements upon the completion of the lease term.

i. **Carpeting.** Seller shall complete installation of purchased carpet in stairwell and second level of office space. Installation is to include matching carpet or vinyl wall base. Upon satisfactory completion of the improvements, Buyer shall give Seller written notice of acceptance.

Each of the representations and warranties contained herein shall survive the Closing.

8. Representations and Warranties by Buyer. Buyer has the requisite power and authority to enter into and perform this Agreement. This Agreement is subject to formal approval of the Isanti City Council.

9. Control of Property. Subject to the provisions of this Agreement, until the Date of Closing, Seller shall have full responsibility and the entire liability for any and all damages or injuries of any kind whatsoever to the Property, to any and all persons, whether employees or otherwise, and to any other property from and connected to the Property, except liability arising from the negligence or willful acts of Buyer, its agents, contractors, or employees, and except as may otherwise be provided by separate agreement between the Parties.

10. Lease. Buyer agrees to lease the Property to Seller from the date of Closing until June 30, 2022. Seller will have an option to extend the lease for up to two additional months, on a month by month basis. Said lease will be consistent with the term sheet in Exhibit C. On or before termination of the Lease, Seller shall remove any and all debris, junk, vehicles, machinery and similar items on the Property.

11. Broker's Commission. Seller and Buyer represent and warrant to each other that they have dealt with no broker, finder or other person entitled to a commission, finder's fee or similar fee in connection with this transaction.

12. Assignment. Neither party may assign its rights under this Agreement without prior written consent of the other party. Any such assignment will not relieve such assigning party of its obligations under this Agreement.

13. Survival. All of the terms of this Agreement will survive and be enforceable after the Closing.

14. Notices. Any notice required or permitted to be given by any party to the other shall be given in writing, and shall be (i) hand delivered to the specified addressee, or (ii) mailed in a sealed wrapper by United States registered or certified mail, return receipt requested, postage prepaid, or (iii) properly deposited with a nationally recognized, reputable overnight courier, properly addressed as follows:

If to Seller: Hobby Farms Plus Inc.
PO Box 90
Bethel, MN 55005-0090

If to Buyer: Josi Wood
City of Isanti
110 1st Ave. N.W.
P.O. Box 428
Isanti, MN 55040

With copy to: Ratwik, Roszak & Maloney, P.A.
Attention: Joseph Langel
444 Cedar St., Suite 2100
St. Paul, MN 55101

Notices shall be deemed effective on the earlier of the date of receipt, or in the case of such deposit in the mail or with an overnight courier, on the first business day following such deposit. Any party may change its address for the service of notice by giving written notice of such change to the other party.

15. Entire Agreement. This written Agreement constitutes the complete agreement between the parties and supersedes any and all other oral or written agreements, negotiations, understandings and representations between the parties regarding the Property.

16. Amendment; Waiver. No amendment of this Agreement, and no waiver of any provision of this Agreement, shall be effective unless set forth in a writing expressing the intent to so amend or waive, and the exact nature of such amendment or waiver, and signed by both parties (in the case of amendment) or the waiving party (in the case of waiver). No waiver of a right in any one instance shall operate as a waiver of any other right, nor as a waiver of such right in a later or separate instance.

17. Governing Law. This Agreement is made and executed under and in all respects is to be governed and construed under the laws of the State of Minnesota.

18. Binding Effect. This Agreement binds and benefits the parties and their respective successors and assigns.

19. Remedies.

a. Default by Buyer. If Buyer defaults under this Agreement, Seller shall have the right to terminate this Agreement by giving a 30-day written notice to Buyer pursuant to Minnesota Statutes § 559.21. If Buyer fails to cure such default within 30 days of the date of such notice, this Agreement will terminate or Seller may sue for specific performance of this Agreement or actual damages caused by Buyer's default.

b. Default by Seller. If Seller defaults under this Agreement, Buyer may sue for specific performance of this Agreement or actual damages caused by Seller's default.

EXHIBIT C
TO PURCHASE AGREEMENT

COMMERCIAL LEASE AGREEMENT

THE PARTIES. This Lease Agreement is between:
The **Lessor,** a Minnesota municipal corporation known as City of Isanti with a mailing address of 110 1st Ave NW, Isanti, Minnesota, 55040,
AND
the **Lessee,** a Minnesota corporation known as Hobby Farms Plus Inc. with a mailing address of 901 E. Dual Blvd. N.E., Isanti, Minnesota 55040.
The Lessor and Lessee hereby agree as follows:
DESCRIPTION OF LEASED PREMISES. The Lessor agrees to lease to the Lessee the entire industrial space located at 901 E. Dual Blvd. N.E., Isanti, Minnesota, 55040, including land and building, hereinafter referred to as the "Premises".
USE OF LEASED PREMISES. The Lessor is leasing the Premises to the Lessee and the Lessee is hereby agreeing to lease the Premises for any legal use allowed in accordance with local, State, and Federal laws.
TERM OF LEASE. This Lease shall commence on December 17, 2021, and expire at 11:59 p.m. on June 30, 2022. December 17, 2021 thru December 31, 2021 shall be referred to as the "Proration Period". January 1, 2022 thru June 30, 2022 shall be referred to as the "Initial Term".
RENT AMOUNT. Payment shall be made by the Lessee to the Lessor in the amount of $2,000.00 per month for the Initial Term of this Lease Agreement hereinafter referred to as the "Rent."
RENT PAYMENT. The Rent shall be paid under the following instructions:
Rent shall be paid by the Lessee to the Lessor on a per month basis with payment due no later than the first of every month.
PRORATION PERIOD. The Rent shall be prorated on a daily basis starting on December 17, 2021, until the start of the Initial Term beginning on January 1, 2022, referred to as the "Proration Period." During said period, the Lessee shall be able to take possession of the Premises and be required to make payment in the amount of $967.80 (2000/31 = 64.52; 64.52*15 = 967.80) upon the execution of this Lease Agreement.
RETURNED CHECKS (NSF). If the Lessee attempts to pay Rent with a check that is not deemed valid by a financial institution due to non-sufficient funds, or any other reason for it to be returned, the Lessee will be subject to a fee of $30.00 in addition to any late fee.
LATE FEE. The Lessee shall be charged a late fee in the amount of $200.00 per occurrence if the rent is not paid after the 5th day payment is due.

OPTION TO RENEW. The Lessee shall have the right to renew this Agreement under the following conditions:
Lessee shall have the right to renew this Lease Agreement, along with any renewal period, and be required to exercise such renewal period(s) by giving written notice to the Lessor no less than 15 days prior to the expiration of the Initial Term or any subsequent renewal period. The Lessee shall have a total of two renewal periods which will continue to abide by the same covenants, conditions and provisions as provided in this Lease Agreement as described:
RENEWAL PERIODS
The first renewal period shall begin on July 1, 2022, and end on July 31, 2022 with the Rent to be paid per month in the amount of $2,000.00.
The second renewal period shall begin on August 1, 2022, and end on August 31, 2022, with the rent to be paid per month in the amount of $2,000.00.
The Lease will end, in all circumstances, no later than 11:59 p.m. August 31, 2022.
EXPENSES.
The Parties shall pay the following costs at their expense:
GENERAL MAINTENACE AREAS - The Lessee shall be responsible for all costs related to the snow removal, landscaping, trash removal, janitorial services, and security systems on the Premises. Utilization of the on-premise security system is not required but may be utilized at the Lessee's discretion and expense.
REAL ESTATE TAXES - Lessor shall pay, during the term of this Lease, the real estate taxes and special taxes and assessments (collectively, the "taxes") attributable to the premises and accruing during such term.
INSURANCE - The Lessor shall provide and maintain any personal liability and property damage insurance with no payment obligations by the Lessee. The Lessee shall provide certificate of insurance listing the Lessor as an additional insured at Lessee's expense.
UTILITIES. The Lessor shall be responsible for the following utilities on the Premises: Electricity, Water, Sewer and Stormwater
SECURITY DEPOSIT. A security deposit shall not be required in advance upon the signing of this Lease.
FURNISHINGS. The Lessor will not provide any furnishings to the Lessee under this Lease.
LEASEHOLD IMPROVEMENTS. The Lessee agrees that no leasehold improvements, alterations or changes of any nature, (except for those listed on any attached addenda) shall be made to the leasehold Premises or the exterior of the building without first obtaining the consent of the Lessor in writing, which consent shall not be unreasonably withheld, and thereafter, any and all leasehold improvements made to the Premises which become affixed or attached to the leasehold Premises shall remain the property of the Lessor at the expiration or termination of this Lease Agreement. Furthermore, any leasehold improvements shall be made only in accordance with applicable federal, state or local codes, ordinances or regulations, having due regard for the type of construction of the building housing the subject leasehold Premises. If the Lessee makes any improvements to the Premises the Lessee shall be responsible for payment.

Nothing in the Lease shall be construed to authorize the Lessee or any other person acting for the Lessee to encumber the rents of the Premises or the interest of the Lessee in the Premises or any person under and through whom the Lessee has acquired its interest in the Premises with a mechanic's lien or any other type of encumbrance. Under no circumstance shall the Lessee be construed to be the agent, employee or representative of Lessor. In the event a lien is placed against the Premises, through actions of the Lessee, Lessee will promptly pay the same or bond against the same and take steps immediately to have such lien removed. If the Lessee fails to have the Lien removed, the Lessor shall take steps to remove the lien and the Lessee shall pay Lessor for all expenses related to the Lien and removal thereof and shall be in default of this Lease.

LICENSES AND PERMITS. A copy of any and all local, state or federal permits acquired by the Lessee which are required for the use of the Premises shall be kept on-site at all times and shall be readily accessible and produced to the Lessor and/or their agents or any local, state, or federal officials upon demand.

MAINTENANCE. The Lessee shall be responsible for the replacement of light bulbs, cleaning of windows, cleaning of bathrooms, etc. The Lessee shall properly maintain the premises in a good, safe and clean condition and shall properly and promptly remove all rubbish and hazardous wastes and see that the same are properly disposed of according to all local, state or federal laws, rules regulations or ordinances.

In the event the Premises is damaged as a result of any neglect or negligence of Lessee, its employees, agents, business invitees, or any independent contractors serving the Lessee or in any way as a result of Lessee's use and occupancy of the premises, then the Lessee shall be responsible for seeing that the proper claims are placed with the Lessee's insurance company, or the damaging party's insurance company, and shall furthermore be responsible for seeing that the building is safeguarded with respect to said damage and that all proper notices with respect to said damage are made in a timely fashion, including notice to the Lessor and the party or parties causing said damage.

SALE OF PROPERTY. Lessee shall, in the event of the sale or assignment of Lessor's interest in the building of which the premises form a part, or in the event of any proceedings brought for the foreclosure of, or in the event of exercise of the power of sale under any mortgage made by Lessor covering the premises, attorn to the purchaser and recognize such purchaser as Lessor under this Lease.

INSURANCE. In the event Lessee shall fail to obtain insurance required hereunder and fails to maintain the same in force continuously during the term, Lessor may, but shall not be required to, obtain the same and charge the Lessee for same as additional rent. Furthermore, Lessee agrees not to keep upon the premises any articles or goods which may be prohibited by the standard form of fire insurance policy, and in the event the insurance rates applicable to fire and extended coverage covering the premises shall be increased by reason of any use of the premises made by Lessee, then Lessee shall pay to Lessor, upon demand, such increase in insurance premium as shall be caused by said use or Lessee's proportionate share of any such increase.

SUBLET/ASSIGNMENT. The Lessee may not transfer or assign this Lease, or any right or interest hereunder or sublet said leased premises or any part thereof.

DAMAGE TO LEASED PREMISES. In the event the building housing the leased premises shall be destroyed or damaged as a result of any fire or other casualty which is not the result of the intentional acts or neglect of Lessee and which precludes or adversely affects the Lessee's occupancy of the leased premises, then in every such cause, the rent herein set forth shall be abated or adjusted according to the extent to which the Premises have been rendered unfit for use and occupation by the Lessee and until the demised premises have been put in a condition at the expense of the Lessor, at least to the extent of the value and as nearly as possible to the condition of the premises existing immediately prior to such damage. It is understood, however, in the event of total or substantial destruction to the Premises that in no event shall the Lessor's obligation to restore, replace or rebuild exceed an amount equal to the sum of the insurance proceeds available for reconstruction with respect to said damage.

HAZARDOUS MATERIALS LAWS. Shall mean any and all federal, state, or local laws, ordinances, rules, decrees, orders, regulations, or court decisions relating to hazardous substances, hazardous materials, hazardous waste, toxic substances, environmental conditions on, under, or about the Premises, the Building, or the Property, or soil and ground water conditions, including, but not limited to, the Comprehensive Environmental Response, Compensation and Liability Act of 1980 (CERCLA), the Resource Conservation and Recovery Act (RCRA), the Hazardous Materials Transportation Act, any other law or legal requirement concerning hazardous or toxic substances, and any amendments to the foregoing.

LESSEE'S DEFAULT AND POSSESSION. In the event that the Lessee shall fail to pay said rent and expenses as set forth herein, or any part thereof, when the same are due and payable, or shall otherwise be in default of any other terms of said Lease for a period of more than 15 days, after receiving notice of said default, then the parties hereto expressly agree and covenant that the Lessor may declare the Lease terminated and may immediately re-enter said premises and take possession of the same together with any of Lessee's personal property, equipment or fixtures left on the premises which items may be held by the Lessor as security for the Lessee's eventual payment and/or satisfaction of rental defaults or other defaults of Lessee under the Lease. It is further agreed, that if the Lessee is in default, that the Lessor shall be entitled to take any and all action to protect its interest in the personal property and equipment, to prevent the unauthorized removal of said property or equipment which threatened action would be deemed to constitute irreparable harm and injury to the Lessor in violation of its security interest in said items of personal property. Furthermore, in the event of default, the Lessor may expressly undertake all reasonable preparations and efforts to release the Premises including, but not limited to, the removal of all inventory, equipment or leasehold improvements of the Lessee's, at the Lessee's expense, without the need to first procure an order of any court to do so, although obligated in the interim to undertake reasonable steps and procedures to safeguard the value of Lessee's property, including the storage of the same, under reasonable terms and conditions at Lessee's expense, and, in addition, it is understood that the Lessor may sue the Lessee for any damages or past rents due and owing and may undertake all and additional legal remedies then available.

LESSOR'S DEFAULT. The Lessee may send written notice to the Lessor stating duties or obligations that have not been fulfilled under the full performance of this Lease Agreement. If said duties or obligations have not been cured within 30 days from receiving such notice, unless the Lessor needs to more time to cure or remedy such issue in accordance with standard industry protocol, then the Lessor shall be in default of this Lease Agreement.
If the Lessor should be in default the Lessee shall have the option to terminate this Lease Agreement and be held harmless against any of its terms or obligations.
DISPUTES. If any dispute should arise in relation to this Lease Agreement the Lessor and Lessee shall first negotiate amongst themselves in "good faith." Afterwards, if the Lessor and Lessee fail to resolve the dispute through negotiation then the parties shall be allowed to submit their cases in accordance with the local court system.
BANKRUPTCY - INSOLVENCY. The Lessee agrees that in the event all or a substantial portion of the Lessee's assets are placed in the hands of a receiver or a Trustee, and such status continues for a period of 30 days, or should the Lessee make an assignment for the benefit of creditors or be adjudicated bankrupt, or should the Lessee institute any proceedings under the bankruptcy act or any amendment thereto, then such Lease or interest in and to the leased premises shall not become an asset in any such proceedings and, in such event, and in addition to any and all other remedies of the Lessor hereunder or by law provided, it shall be lawful for the Lessor to declare the term hereof ended and to re-enter the leased land and take possession thereof and all improvements thereon and to remove all persons therefrom and the Lessee shall have no further claim thereon.
SUBORDINATION AND ATTORNMENT. Lessee shall, in the event of the sale or assignment of Lessor's interest in the building of which the Premises form a part, or in the event of any proceedings brought for the foreclosure of, or in the event of exercise of the power of sale under any mortgage made by Lessor covering the Premises, attorn to the purchaser and recognize such purchaser as Lessor under this Lease.
USAGE BY LESSEE. Lessee shall comply with all rules, regulations and laws of any governmental authority with respect to use and occupancy. Lessee shall not conduct or permit to be conducted upon the premises any business or permit any act which is contrary to or in violation of any law, rules or regulations and requirements that may be imposed by any authority or any insurance company with which the premises is insured, nor will the Lessee allow the premises to be used in any way which will invalidate or be in conflict with any insurance policies applicable to the building. In no event shall explosives or extra hazardous materials be taken onto or retained on the premises.
PETS. No pets shall be allowed on the premises without the prior written permission of Lessor unless said pet is required for reasons of disability under the Americans with Disability Act.
CONDITION OF PREMISES/INSPECTION BY LESSEE. The Lessee acknowledges they have had the opportunity to inspect the Premises and acknowledges with its signature on this Lease that the Premises are in good condition and comply in all respects with the requirements of this Lease. The Lessor makes no representation or warranty with

respect to the condition of the premises or its fitness or availability for any particular use, and the Lessor shall not be liable for any latent or patent defect therein. The Lessee represents that Lessee has inspected the premises and is leasing and will take possession of the premises with all current fixtures present in their "as is" condition as of the date hereof.

AMERICANS WITH DISABILITY ACT. Per 42 U.S. Code § 12183 if the Lessee is using the Premises as a public accommodation (e.g. restaurants, shopping centers, office buildings) or there are more than 15 employees the Premises must provide accommodations and access to persons with disabilities that is equal or similar to that available to the general public. Owners, operators, lessors, and lessees of commercial properties are all responsible for ADA compliance. If the Premises is not in compliance with the Americans with Disability Act any modifications or construction will be the responsibility of the Lessee.

RIGHT OF ENTRY. It is agreed and understood that the Lessor and its agents shall have the complete and unencumbered right of entry to the Premises upon notice to and with Lessee present, for purposes of inspecting or showing the Premises and for the purpose of making any necessary repairs to the building or equipment as may be required of the Lessor under the terms of this Lease or as may be deemed necessary with respect to the inspection, maintenance or repair of the building. In accordance with State and local laws, the Lessor shall have the right to enter the Premises without the consent of the Lessee in the event of an emergency.

WAIVER. Waiver by Lessor of a default under this Lease shall not constitute a waiver of a subsequent default of any nature.

GOVERNING LAW. This Lease shall be governed by the laws of the State of Minnesota.

NOTICES. Notices shall be addressed to the following:

Lessor: City of Isanti
110 1st Ave. N.W., Isanti, MN 55040
Lessee: Hobby Farms Plus Inc.
901 E. Dual Blvd N.E., Isanti, Minnesota, 55040

AMENDMENT(S). No amendment of this Lease shall be effective unless reduced to writing and subscribed by the parties with all the formality of the original.

SEVERABILITY. If any term or provision of this Lease Agreement is illegal, invalid or unenforceable, such term shall be limited to the extent necessary to make it legal and enforceable, and, if necessary, severed from this Lease. All other terms and provisions of this Lease Agreement shall remain in full force and effect.

BINDING EFFECT. This Lease and any amendments thereto shall be binding upon the Lessor and the Lessees and/or their respective successors, heirs, assigns, executors and administrators.

Request for City Council Action

To: Mayor Johnson and Members of City Council
From: Ryan Saltis, Community Development Specialist
Date: December 7th, 2021
Subject: Request by Ever Cat Fuels, LLC for a Conditional Use Permit Amendment, said request is to modify site plans and operations for a biodiesel distillation system

---

Background: A presentation was given at the November 16, 2021 Planning Commission Meeting by the City's Community Development Specialist in regards to the Conditional Use Permit Amendment for Ever Cat Fuels, LLC. Ever Cat Fuels would like to modify their site plans with the intent of further distilling their product. Ever Cat would be relocating a thermal oxidizer, adding a concrete pad, installing a distillate tank, wastewater tank and residue tank as well as providing storage for the product. Outdoor Storage was discussed at the meeting and was determined that it is allowed in the Industrial District with a Conditional Use Permit and that regulations storage will be added to the existing CUP. A representative for Ever Cat Fuels presented at the meeting the concept plan of the site and answered questions related to the purpose of the site modifications and intent of storage. Fire safety conditions were also discussed and added to the existing CUP and were taken into consideration for the outdoor storage of materials.

At the November 16th Planning Commission Meeting, there was nobody present at the public hearing to speak on the CUP Amendment.

The City of Isanti Planning Commission approved the Conditional Use Permit Amendment at the November 16th Planning Commission Meeting. Motion of approval passed with a vote of 7-0.

FINDINGS OF FACT AND CONCLUSION
CONDITIONAL USE PERMIT AMENDMENT – EVER CAT FUELS

Request

Request by Ever Cat Fuels, LLC for a Conditional Use Permit Amendment for site plan modifications and operations for a biodiesel distillation system located at 100 Isanti Pkwy NE.

Findings of Fact

1. The applicant is requesting approval of a Conditional Use Permit Amendment for site plan modifications and operations for a biodiesel distillation system located at 100 Isanti Pkwy NE.
2. The Property is zoned I-1, Industrial Park District.
3. A public hearing on the matter was scheduled before the City of Isanti Planning Commission on November 16, 2021 at 7:00 p.m. at City Hall within the City Council Chambers.
4. Notice of the Conditional Use Permit Amendment application was published with the *County Star* on November 4, 2021. Notices were sent to all property owners located within 350 feet of the aforementioned address.
5. Section 21, Article 2, Subd. 3D of the Zoning Ordinance establishes factors that the judgement of the Planning Commission shall be based upon when reviewing a Conditional Use Permit Amendment request.
6. On October 16, 2007 the Isanti City Council approved a Conditional Use Permit for Ever Cat Fuels, LLC for a Bio-Diesel Plant to be located at 100 Isanti Pkwy NE through Resolution No. 2007-245.
7. On May 6th, 2014 the City Council passed a Conditional Use Permit Amendment to modify the terms of the original CUP to address odors and public safety through Resolution No. 2014-108.
8. On November 16th, 2021 the City of Isanti Planning Commission approved the Conditional Use Permit Amendment to modify site plans with conditions listed in the November 16th staff report and passed with a 7-0 vote.

Conclusions

In review of the standards established in Section 18, Subdivision 7; the following conclusions have been made (*conclusions to each requirement are shown in italics):*

1. The proposed action has been considered in relation to the specific policies and provisions of and has been found to be consistent with the goals and objectives of the Comprehensive Plan, including public facilities and capital improvement plans.
The proposed uses for the site would be consistent with the goals and objectives of the comprehensive plan.

2. The proposed action meets the purpose and intent of this Ordinance and the underlying zoning district.
The conditional use permit amendment meets the purpose and intent of this Ordinance and the Industrial Zoning District. The use of the site remains a bio-diesel plant and is permitted in the Industrial Zoning District with the Conditional Use Permit.

3. The establishment, maintenance or operation of the conditional use will promote and enhance the general public welfare and will not be detrimental or endanger the public health, safety, morals, or comfort.
The conditional use permit amendment does not appear to endanger the public health, safety, morals and comfort of the surrounding area or the community.

4. The conditional use will not be injurious to the use and enjoyment of other property within the immediate vicinity for the purposes already permitted; nor substantially diminish or impair property values within the neighborhood.
The intent of the conditional use amendment is to move existing equipment on site to make room for new equipment needed for the distillation process. The proposed site plans are not anticipated to diminish or impair property values of surrounding properties in the Industrial Park District.

5. The establishment of the conditional use will not impede the normal and orderly development and improvement of surrounding property for uses permitted in the district.
The Conditional Use Permit Amendment will not impact any surrounding properties in their development and improvements. The site modifications are within the property lines and follow setbacks according to the industrial zoning district.

6. Adequate public facilities and services are available or can be reasonably provided to accommodate the use which is proposed.
The additional distilling process of biofuel will not negatively impact the existing public facilities or services.

7. The conditional use shall, in all other respects, conform to the applicable regulations of the district in which it is located.
The requested conditional use permit appears to conform to the applicable regulations required for the district and the performance standards outlined within the zoning ordinance. Conditions of approval have been added to the CUP to ensure that the property is developed in accordance to ordinance requirements and the proposed plan provided by the applicant.

8. The conditional use complies with the general and specific performance standards as specified by within this Article.
The conditional use complies with the performance standards of the Industrial District as specified by within the article.

Decision

The City of Isanti Planning Commission reviewed the request in a public hearing that was held on November 16, 2021. The meeting minutes, staff memo, and attachments shall be made a part of the Findings of Fact and Conclusion.

Planning Commission Recommendation:
Motion by Lundeen, seconded by Collison to recommend approval of the Conditional Use Permit Amendment. Motion passed 7-0.

RESOLUTION 2021-XXX

A RESOLUTION APPROVING A CONDITIONAL USE PERMIT AMENDMENT, FOR SITE PLAN MODIFICATIONS AND OPERATIONS FOR A BIODIESEL DISTILLATION SYSTEM FOR EVER CAT FUELS LLC

WHEREAS, Ever Cat Fuels, LLC (applicant) has requested approval for a Conditional Use Permit Amendment for site plan modifications and operations for a biodiesel distillation system located at 100 Isanti Pkwy NE; and,

WHEREAS, the property is zoned I-1, Industrial Park District; and,

WHEREAS, the City Council of the City of Isanti approved a Conditional Use Permit and Site Plan Review for a bio-diesel plant on October 16th, 2007 through Resolution No. 2007-245; and,

WHEREAS, the City Council of the City of Isanti amended the Conditional Use Permit to modify the terms of the original CUP to address odors and public safety through Resolution No. 2014-108; and

WHEREAS, under Isanti Zoning Code Section 21, Article 2 Subdivision 5, a Conditional Use Permit Amendment is required to obtain approval of the Planning Commission and City Council; and,

WHEREAS, the City of Isanti Planning Commission held a public hearing to consider the proposed Amendment to the Conditional Use Permit set forth in Resolution No. 2007-245 and Resolution No. 2014-108 on November 16th, 2021 and pursuant to said hearing recommends approval of the proposed amendment to the conditional use permit to include the additional provisions set forth as conditions 14-16; and,

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Isanti, Minnesota that the Ever Cat Fuels, LLC request for a Conditional Use Permit and Site Plan Review for a Bio-Diesel Plant originally approved pursuant to Resolution No. 2007-245 and recently amended per Resolution 2014-108 be hereby amended to include all of the following conditions:

1. The number of 9,000 gallon tankers coming and leaving the site on a given day shall not exceed nine (9), which would accommodate the maximum amount indicated by the petitioner of 30,000,000 gallons per year of bio-diesel. If additional truck trips are necessary, the petitioner shall request an amendment to the Conditional Use Permit.
2. The petitioner shall submit drawings or specification sheets for the fencing that will surround the property for review and approval by City Staff prior to construction.
3. The petitioner shall meet the requirements of the City Engineer as outlined in the MFRA memo dated 9.28.2007. The petitioner shall receive approval of all engineering plans prior to construction.

4. The engineering drawings shall be signed by a licensed Civil Engineer prior to City Engineer approval.
5. The petitioner shall satisfy all MPCA requirements as stipulated within the e-mail dated September 21, 2007. The petitioner shall provide proof of compliance with all MPCA rules and regulations, such documentation shall be submitted to the City.
6. The petitioner shall meet any additional requirements as stipulated by the City Administrator, City Engineer, and the MPCA.
7. The petitioner shall comply with Isanti Ordinance Number 420 related to storm water management practices, including the prohibition on causing illegal discharges to the City stormwater system, and no product from the facility's manufacturing process shall be discharged to the City stormwater or ponding system.
8. The petitioner's discharge to the city sanitary sewer system shall be limited to domestic waste water, including wastewater from restrooms, laundry facilities, kitchen areas and housekeeping wash water. The petitioner shall implement housekeeping practices, including spill response practices as required by state law, to ensure that wash water from production areas does not include any avoidable amount of products used in the manufacturing process or the product of the manufacturing process.
9. All costs associated with maintenance/repair of city infrastructure due to violations of lsanti Ordinance Number 420 or the discharge of nondomestic wastewater, including products used in the manufacturing process or the product of the manufacturing process, that obstruct the flow in City sewers shall be paid by Ever Cat Fuels within 30 days of notice from the City.
10. All incidents (as defined herein), shall be reported to the City of lsanti's Mayor, City Administrator, Assistant City Administrator or Community Development Director or his or her designee within 12 hours of the knowledge of an occurrence.
11. Incidents shall be defined as: ·
    a. Discharge of illegal substances to the City stormwater system or any discharge to the City sanitary system of nondomestic wastewater, including products used in the manufacturing process or the product of the manufacturing process.
    b. Fires or explosions.
    c. Fugitive odors - i.e. the release of offensive or noxious odors into the atmosphere.
    d. Ongoing MPCA or other environmental agency investigations and/or citations.
12. Ever Cat Fuels LLC shall notify the City of Isanti's Mayor, City Administrator, Assistant City Administrator or Community Development Director or his or her designee at least 24 hours in advance of any predictable incidents via email or other written communication.
13. In accordance with Minnesota law, the breach of the conditions of the Conditional Use Permit may under certain circumstances be grounds for amendment or revocation of the Conditional Use Permit.
14. Outdoor storage of materials must follow City Ordinances Section 13, Article 2, Subd 15.
15. Any additional structure provided on site for the storage of materials must meet current State Building Code regulations and plans must be reviewed for approval by the City’s Building Official and Fire Chief.

16. Site must comply with the Minnesota State Fire Code Chapter 1: Uniform fire safety standards, Chapter 50: Hazardous materials, Chapter 57: Flammable and Combustible Liquids, and Chapter 104.7.2: Technical Assistance.

This Resolution is hereby approved by the Isanti City Council this 7th day of December, 2021

MEMORANDUM

TO: Planning Commission

FROM: Ryan Saltis, Community Development Specialist

DATE: November 16, 2021

SUBJECT: Request by Ever Cat Fuels, LLC for a Conditional Use Permit Amendment, said request is to modify site plans and operations for a biodiesel distillation system

---

Overview/Background

The applicant, Ever Cat Fuels, LLC is requesting to amend their Conditional Use Permit for their site at 100 Isanti Pkwy NE. Ever Cat Fuels is proposing to change their site plans and process of distilling biofuels as well as providing an outdoor storage structure to contain materials. The project was designed to further distill biodiesel produced by the plant but is not intended to change the total amount of biodiesel produced. In order to change the site plans and provide outdoor storage, a Conditional Use Permit Amendment is needed for review of city staff, the Planning Commission and City Council. The Conditional Use Permit has been amended in the past, the history of this is described below:

On October 16, 2007 the Isanti City Council approved a Conditional Use Permit (CUP) for Ever Cat Fuels, LLC for a Bio-Diesel Plant to be located on the property at 100 Isanti Parkway NE through Resolution No. 2007-245.

The City Council at their regularly scheduled meeting on April 1, 2014 had requested that the Planning Commission review and provide recommendations to the City Council on amendments to the CUP set forth in Resolution No. 2007-245 to address past complaints of fugitive odors coming from the Ever Cat premises. It has raised City Council concerns over public safety, environmental contamination and compliance with the terms of the CUP.

On May 6th, 2014, principals from Ever Cat Fuels, LLC and representatives from the City of Isanti met to discuss changes to the conditions set forth in Resolution No. 2007-245. The parties were able to reach a mutual agreement to modify the terms of the CUP to address odors and public safety.

Analysis

The applicants have submitted a project proposal for the distillation system, which included the current site plans and proposed site plans for the project:

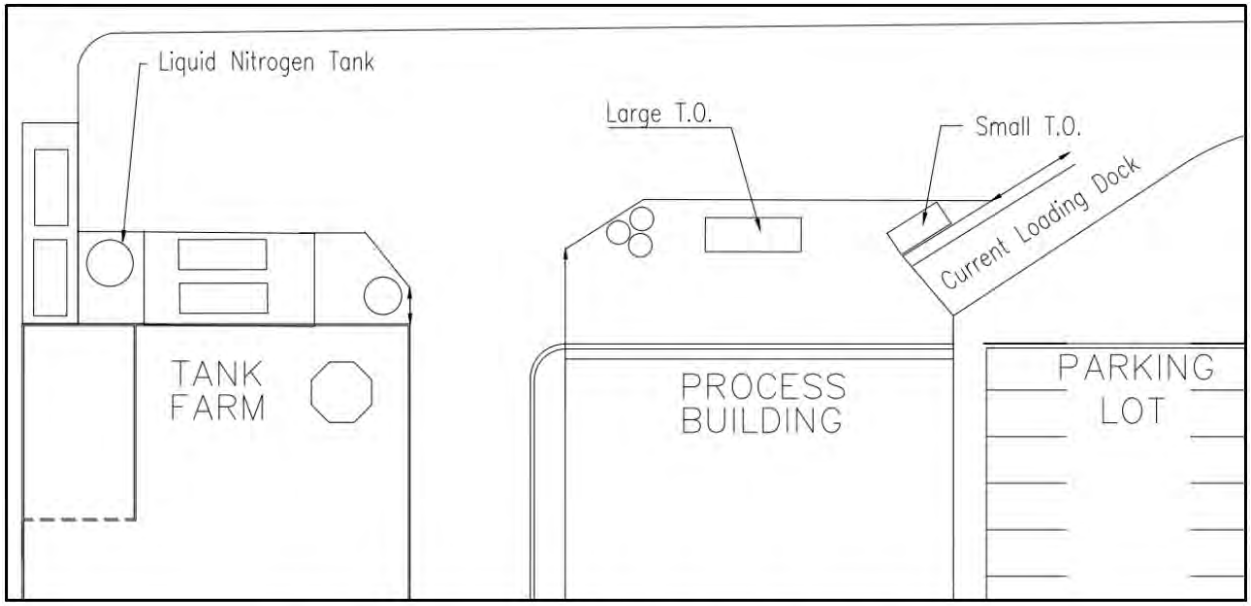

Figure 2: Current Site Plan of Cooling System at Ever Cat Fuels

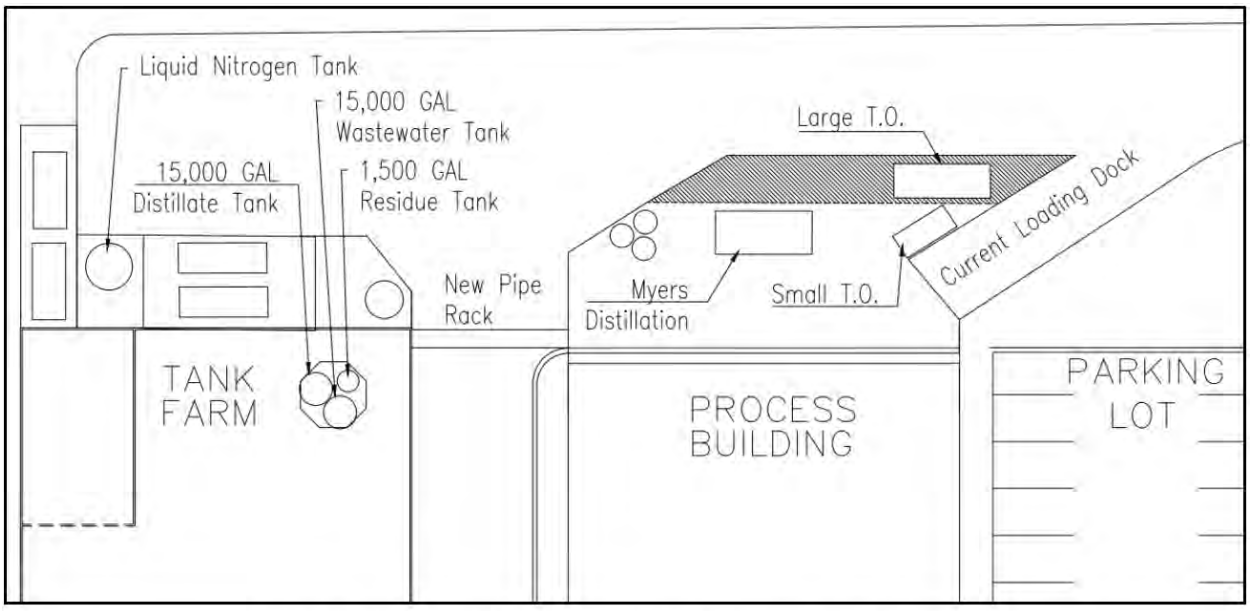

Figure 3: Proposed Site Plan for Distillation Systems at Ever Cat Fuels

The proposed site plans indicate an addition of the Myers Distillation System to the North of the Process Building, a new concrete pad for the relocation of the Large Thermal Oxidizer, as well as the addition of a distillate tank, wastewater tank, and residue tank to be placed on an existing octagonal concrete pad in the tank farm. This process will distill the biofuel to provide a product that is lighter in color and more desirable for consumers. City staff met on site with representatives of Ever Cat Fuels, LLC to understand the distillation process and site plan modifications. These site plan modifications will not alter traffic circulation for trucks entering and exiting the site.

After visiting the site, city staff would suggest adding the following conditions to the existing Conditional Use Permit:

- Outdoor storage of materials must follow City Ordinances Section 13, Article 2, Subd 15.

- Any additional structure provided on site for the storage of materials must meet current State Building Code regulations and plans must be reviewed for approval by the City's Building Official and Fire Chief.

- Site must comply with the Minnesota State Fire Code Chapter 1: Uniform fire safety standards, Chapter 50: Hazardous materials, Chapter 57: Flammable and Combustible Liquids, and Chapter 104.7.2: Technical Assistance.

The structure intended to be built on site shall follow the Outdoor Storage regulations set in City Ordinances Section 13, Article 2, Subd 15:

Subdivision 15: Outdoor Storage

A. Outside storage areas shall be surfaced with bituminous, concrete, or other surfaces, including but not limited to crushed rock, Class 5, or recycled materials; as recommended by the Planning Commission and approved by the City Council.
The storage container/shed will be located on a concrete surface.

B. Outside storage area shall not be placed within required parking or loading areas, which are deemed necessary to meet code requirements.
The location of the storage will not impact existing parking or loading areas of the bio-fuel trucks.

C. Outside storage areas shall be located within the rear yard; however, outdoor storage may be located within the side yard, providing the side yard is not adjacent to or across the street from any residentially zoned property.
The location of the storage will be on the north end of the site (in the rear yard) and will not be located near any residential zoned areas.

D. All outside storage areas shall be effectively screened year-round, by a wall, fence, or densely planted vegetation in accordance with Section 15 of this Ordinance.
The storage will be located in an area where it will be screened by existing equipment, fencing and vegetation and will not need any additional screening per the city's zoning ordinances.

E. Cars, vans, and pickup trucks parked outside and used by employees and/or visitors in the normal course of business operation will not be construed as outdoor storage. Further, outside parked trucks and semitrailers used in conjunction with normal business activities will not be construed to be outdoor storage provided (a) the total number of trucks and semi-trailers does not exceed the number of docks and/or bay doors; (b) such vehicles are currently licensed by the State of Minnesota and are in the process of delivering or picking up goods or materials, and (c) such use is not construed as an operation listed as a

conditional use in the industrial zone. All other vehicles and/or equipment associated with the business shall meet the fencing and screening requirements as stipulated within this ordinance.
Trucks on site are used for collecting product or waste and will not be used as permanent outdoor storage.

The current Conditional Use Permit includes the following conditions:

1. The number of 9,000-gallon tankers coming and leaving the site on a given day shall not exceed nine (9), which would accommodate the maximum amount indicated by the petitioner of 30,000,000 gallons per year of bio-diesel. If additional truck tips are necessary, the petitioner shall request an amendment to the Conditional Use Permit.
2. The petitioner shall submit drawings or specification sheets for the fencing that will surround the property for review and approval by City Staff prior to construction.
3. The petitioner shall meet the requirements of the City Engineer as outlined in the MFRA memo dated 9.28.2007. The petitioner shall receive approval of all engineering plans prior to construction.
4. The engineering drawings shall be signed by a licensed Civil Engineer prior to City Engineer approval.
5. The petitioner shall satisfy all MPCA requirements as stipulated within the e-mail dated September 21, 2007. The petitioner shall provide proof of compliance with all MPCA rules and regulations, such documentation shall be submitted to the City.
6. The petitioner shall meet any additional requirements as stipulated by the City Administrator, City Engineer, and the MPCA.
7. The petitioner shall comply with Isanti Ordinance Number 420 related to stormwater management practices, including the prohibition on causing illegal discharges to the City stormwater system, and no product from the facility's manufacturing process shall be discharged to the City stormwater or ponding system.
8. The petitioner's discharge to the city sanitary sewer system shall be limited to domestic waste water, including wastewater from restrooms, laundry facilities, kitchen areas and housekeeping wash water. The petitioner shall implement housekeeping practices, including spill response practices as required by state law, to ensure that wash water from production areas does not include any avoidable amount of products used in the manufacturing process or the product of the manufacturing process.
9. All costs associated with maintenance/repair of city infrastructure due to violations of Isanti Ordinance Number 420 or the discharge of nondomestic wastewater, including products used in the manufacturing process or the product of the manufacturing process, that obstruct the flow in City sewers shall be paid by Ever Cat Fuels within 30 days of notice from the city.
10. All incidents (as defined herein) shall be reported to the City of Isanti's Mayor, City Administrator, Assistant City Administrator or Community Development Director or his or her designee within 12 hours of the knowledge of an occurrence.
11. Incidents shall be defined as:
    a. Discharge of illegal substances to the City stormwater system or any discharge to the City sanitary system of nondomestic wastewater, including

products used in the manufacturing processor the product of the manufacturing process.
   b. Fires or explosions.
   c. Fugitive odors – i.e. the release of offensive or noxious odors into the atmosphere.
   d. Ongoing MPCA or other environmental agency investigations and/or citations.
12. Ever Cat Fuels LLC shall notify the City of Isanti's Mayor, City Administrator, Assistant City Administrator or Community Development Director or his or her designee at least 24 hours in advance of any predictable incidents via email or other written communication.
13. In accordance with Minnesota law, the breach of the conditions of the Conditional Use Permit may under certain circumstances be grounds for amendment or revocation of the Conditional Use Permit.

Staff Recommendation: After reviewing the modified site plans for the biofuel distillation system, staff believes that this process will benefit Ever Cat Fuels without risking the safety of the surrounding business or the public. Staff recommends approval of the Conditional Use Permit Amendment with the following conditions:

- Outdoor storage of materials must follow City Ordinances Section 13, Article 2, Subd 15.

- Any additional structure provided on site for the storage of materials must meet current State Building Code regulations and plans must be reviewed for approval by the City's Building Official.

- Site must comply with the Minnesota State Fire Code Chapter 1: Uniform fire safety standards, Chapter 50: Hazardous materials, Chapter 57: Flammable and Combustible Liquids, and Chapter 104.7.2: Technical Assistance.

Dear Ms. Sellman,

We are submitting the attached engineering proposal titled Biodiesel Distillation. This project was designed to further distill biodiesel produced by the plant. This project does not change the total amount of biodiesel produced by Ever Cat Fuels.

This proposal presents the engineering design for a biodiesel distillation system. This proposal includes operating conditions, required system cooling, and the site modification plan.

Please do not hesitate to contact us directly if you have any question regarding to the attached proposal.

1.0 Introduction

1.1 Facility Information

Ever Cat Fuels, LLC (Ever Cat) operates a 3.1 million gallon per year biodiesel production facility. Biodiesel at the facility is produced using the Mcgyan® Process. The patented process performs a catalytic conversion of waste vegetable oil into biodiesel by trans-esterification. Methanol is added to the process to achieve the appropriate reaction. Residual and unreacted methanol is recovered and recycled back into the process after purification through distillation.

1.2 Project Information

The goal of this proposal is to produce a fuel which is lighter in color. This will be done by adding a distillation system, which will further process and purify the biodiesel which is already produced at the facility. This project does not change the total amount of fuel produced per year by Ever Cat Fuels, LLC.

The proposed distillation method is the Myers Macro-36 Centrifugal Distillation System (Figure 1). This equipment works by injecting preheated biodiesel onto the center of a spinning, heated disk. The centrifugal force moves the fuel out towards the edge of the disk, resulting in a hot thin film. From there, the lighter biodiesel evaporates off the plate and condenses on the dome surface where it is then transferred to a storage tank. The biodiesel vapor is condensed using water/glycol heat transfer fluid using a cooling loop. The heavier phase fuel falls off the edge of the spinning disk and is transferred into a separate storage tank. The system operates at high vacuum range that is driven by the oil ejector pump and followed by the mechanical vacuum pump. All outlet vapors from the mechanical vacuum pump will be captured and incinerated using the existing thermal oxidizers located at the facility.

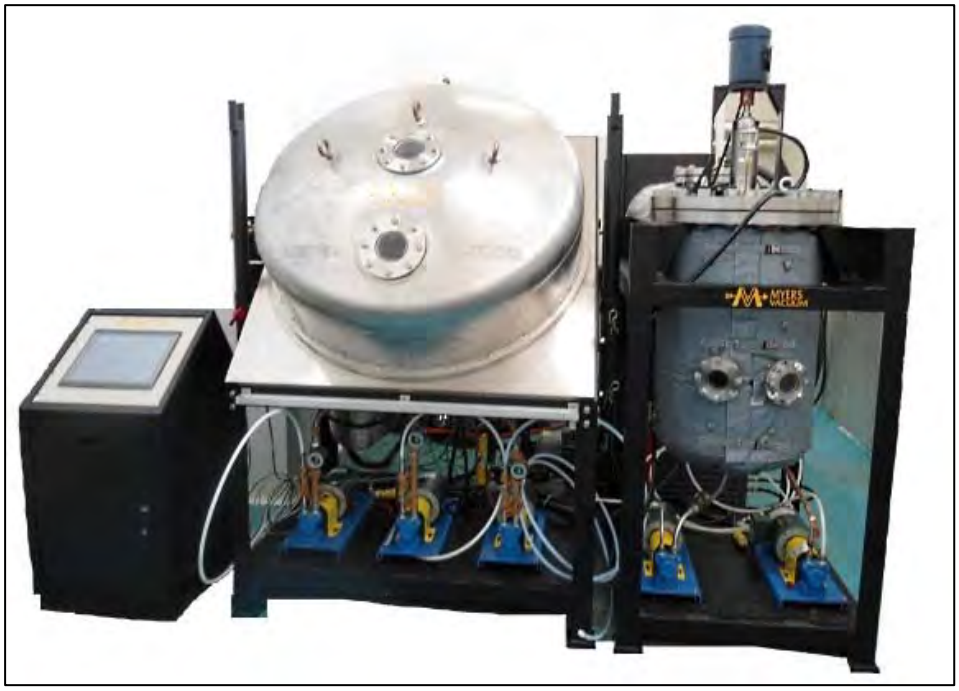

Figure 1: Myers Macro-36 Distillation System

2.0 Proposed Site Modifications

To achieve the goal of this project, some minor site modifications are required. The following plan describes the proposed site modifications. Figures 2 and 3 show the north side of the Ever Cat Fuels site before and after the project, respectively. Site modifications include the addition of one new concrete pad (hatched area in Figure 3) to be poured. The new pad dimensions are 66' x 11' x 13". The total surface area that will be poured is 720 ft^2 and will be located to the north of the existing pad as shown in Figure 3. Some of the existing asphalt (approximately 6" thick) will need to be removed before the pad is poured. A new 15,000-gallon wastewater tank will be added in the tank farm. Once the new pad is cured, the primary thermal oxidizer (large TO) will be relocated to that pad in an orientation as shown in Figure 3. The piping configurations for the two thermal oxidizers will remain the same. This modification leaves a space where the heated container will be installed to store the Myers distillation system. The container is a high cube type with external dimensions of 20' x 8' x 9'6".

In addition, modifications to the tank farm are proposed to install new biodiesel storage tanks for the Myers distillation system and a new wastewater tank. One biodiesel storage tank will be for biodiesel distillate product with a dimension of 11' x 21'. This tank and a tank for biodiesel residue with a dimension of 6' x 8' will share an existing cement pad with a new 11' x 21' wastewater tank as shown in Figure 3. The proposed pad is also shown in Section 5, Figure 6. The biodiesel distillate tank is designed to have a volume of 15,000 gallons. The residue tank is designed to have a volume of 2,500 gallons. A new pipe rack (22' x 14') is proposed to be installed across the truck driveway and it is designed to have three tiers that can hold either conduit or piping. The pipe rack is capable for future expansion and designed to have drilled holes for additional horizontal supports if needed. The wastewater currently being transferred from T-118 into the portable tanker trailer will now be transferred via the pipe rack to the new wastewater tank located in tank farm.

3.0 Timeline and Gantt chart

Table 1 below shows a gantt chart for the proposed project. The chart is separated into standard calendar quarters, i.e., the first quarter is January, February, and March. According to the plan, final project design should wrap up by December of 2021. Ordering and collection of the individual components will occur in the winter and early summer. Installation of the system will begin in the summer of 2022.

RE: Ever Cat Fuels, LLC Biodiesel 2021 Distillation Project

City of Isanti Planning Commissioners,

I have met with and reviewed the proposed Conditional Use Permit Amendment for Ever Cat Fuels distillation project.

Isanti Fire approves the amendment application, pending compliance with the following Minnesota State Fire Code(s), pursuant to City of Isanti Code111-13, Adoption of Minnesota State Fire Code.

1. MSFC Chapter 1 | Uniform fire safety standards shall apply to administrative, operational and maintenance of existing structures, facilities and conditions
2. MSFC Chapter 50 | Hazardous materials- General Provisions
3. MSFC Chapter 57 | Flammable and Combustible Liquids; scope and application
4. MSFC 104.7.2 | Technical Assistance. Owner to seek qualified engineer approval of the proposal, equipment and operation to ensure compliance with MSFC.

Sincerely,

Alan Jankovich | Fire Chief

Request for City Council Action

To: Mayor Johnson and Members of City Council
From: Ryan Saltis, Community Development Specialist
Date: December 7th, 2021
Subject: Rezoning PID's 16.134.0030, 16.134.0040, 16.134.0050, 16.134.0060 from B-2 General Commercial to R-3A Low Density Multiple-Family Residential.

Background: A presentation was given at the November 16, 2021 Planning Commission Meeting by the City's Community Development Specialist in regards to the rezoning of four parcels from B-2 General Commercial to R-3A Low Density Multiple-Family Residential. The applicant has previously gone through a Comprehensive Land Use Plan Amendment for these parcels, which was the first step towards guiding the parcels designation and will allow for a variety of housing types available to build on these parcels. The Comprehensive Land Use Plan Amendment was approved at the October 19th Planning Commission Meeting and November 2nd City Council Meeting. At these meetings it was discussed that surrounding residential property owners were in favor of the rezoning, as they would rather have houses next to them than a commercial business. At the November 16th Planning Commission Meeting, there was nobody present at the public hearing to speak on the rezoning of the parcels.

The City of Isanti Planning Commission approved the Rezoning of PID's 16.134.0030, 16.134.0040, 16.134.0050, and 16.134.0060 at the November 16, 2021 Planning Commission meeting. Motion for approval passed 7-0.

Request: Consider adopting the attached resolution

RESOLUTION 2021-XXX

A RESOLUTION APPROVING A REZONING FOR PROPERTIES WITH PID 16.134.0030, 16.134.0040, 16.134.0050, AND 16.134.0060, FROM B-2 GENERAL COMMERCIAL TO R-3A LOW DENSITY MULTIPLE FAMILY RESIDENTIAL

WHEREAS, Kevin Johnson (applicant) has requested approval for a Rezoning for properties with PID 16.134.0030, 16.134.0040, 16.134.0050, and 16.134.0060; and,

WHEREAS, PID 16.134.0030, 16.134.0040, 16.134.0050, and 16.134.0060 are currently guided in the Comprehensive Land Use Plan as General Commercial; and,

WHEREAS, the designation of these parcels was changed with a Comprehensive Land Use Plan Amendment to be guided for Low Density Residential at the October 5th City Council Meeting; and,

WHEREAS, under Isanti Zoning Code Section 21, Article 1 a Rezoning is required to obtain approval of the Planning Commission and City Council; and,

WHEREAS, the Planning Commission and City Council have considered possible adverse effects of the proposed rezoning and the judgement of the Planning Commission and City Council with regard to the application shall been based upon, but is not limited to the following factors:

1. The proposed action has been considered in relation to the specific policies and provisions of and has been found to be consistent with the City Comprehensive Plan, including public facilities and capital improvement plans.
2. The proposed action meets the purpose and intent of this Ordinance or in the case of a map amendment; it meets the purpose and intent of the individual district.
3. There is adequate infrastructure available to service the proposed action.
4. There is an adequate buffer or transition provided between potentially incompatible districts.

WHEREAS, the City of Isanti Planning Commission recommended approval of the Rezoning on November 16, 2021; and,

WHEREAS, the City of Isanti City Council reviewed the requested Rezoning at its regularly scheduled meeting on December 7, 2021;

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Isanti, that it approves the Rezoning from B-2 General Commercial to R-3A Low Density Multiple Family Residential for the following properties: PID 16.134.0030, 16.134.0040, 16.134.0050, and 16.134.0060.

MEMORANDUM

TO: Planning Commission

FROM: Ryan Saltis, Community Development Specialist

DATE: November 16, 2021

SUBJECT: Request by Kevin Johnson for a Rezoning, said request is to change the designation from B-2 General Commercial to R-3A Low Density Multiple Family Residential for PID's 16.134.0030, 16.134.0040, 16.134.0050, and 16.134.0060.

Overview/Background

The applicant, Kevin Johnson is requesting to change the zoning district designation of four parcels from B-2 General Commercial to R-3A Low Density Multiple Family Residential. The applicant is seeking to develop these sites as residential and would need the zoning district designation to be changed in order to do so. A comprehensive land use plan amendment for the four parcels was approved at the September 21st Planning Commission Meeting and the October 5th City Council Meeting. Rezoning the parcels is the next step in the process prior to the submittal of site plans.

Vacant land and single-family houses are located to the south of the site. Prairie Senior Cottages is located to the west of the proposed site and Krayola Kids daycare is to the northeast of the site.

Analysis

"R-3A" Low Density Multiple Family Residential Standards: The "R-3A" Low Density Multiple Family District is designed to provide for low density areas, which accommodate a variety of housing types, to include detached and attached single-family, two-family, duplexes, and attached and detached townhomes. These districts are intended to function as a transition area between the less intense single-family developments and the more intense multiple family districts. This district promotes more walkable neighborhoods with a variety of housing types.

The applicant is intending to develop the parcels as low-density multiple family residential housing, with the concept plan of the site showing a density of 2.4 units/acre. This would meet the maximum density in the Comprehensive Plan for low-density residential of 3 dwelling units per acre.

The future lots shall have to follow the regulations set forth by R-3A Zoning District:

Subdivision 7: Lot Requirements and Setbacks

A. Minimum Lot Size Requirements.

Detached Single family	7,500 square feet
Two-family	7,000 square feet per unit
Townhomes, Attached and Detached	6,000 square feet per unit

B. Minimum Lot Widths and Depths.

Lot Width

Single-family	60 feet
Two-family	60 feet per unit
Over two-family	None

Rezoning: The parcels are currently zoned B-2 General Commercial with all surrounding parcels being zoned commercial as well. There are parcels zoned R-1, R-2, and R-3A directly across 8th Ave NE. There are two single family houses located directly to the south of the parcels intended to be rezoned. At the September 21st Planning Commission Meeting, the homeowners of the property directly south were present and stated that they were in favor of rezoning the parcels and that they would rather have houses neighboring their property and not a commercial business. The applicant letter states that since these four parcels do not have Highway 65 access and exposure, that this impacts the ability of the owner to sell or develop the property.

Housing Needs: Isanti's Comprehensive Land Use Plan addresses a need for housing on the east side of the city. The applicant is proposing low density single family lots on the proposed parcels. Any future development in this area will need to provide buffers to surrounding land uses that are inconsistent in land uses.

Roadways: According to the Comprehensive Land Use Plan Transportation Maps, there are plans to extend 7th Avenue NE to the south. Rough sketches provided by the applicant show housing lots over this potential road extension. The roadways are not considered at the time of a Rezoning but should be addressed at the time of Preliminary Plat Submittal.

Staff Recommendation: The Comprehensive Land Use Plan housing goals identifies the east side of Highway 65 for residential development. The recent plats approved on that side of Highway 65 have been for low density single family traditional development and one plat was developed with detached townhome similar to this concept plan. If this designation changes to low density multiple family residential a buffer to the commercial developments and R-1 Zoning Districts shall be required as part of the development. Staff recommends approval of the rezoning and will review the merits of the development when plat applications are submitted. Approval of a rezoning shall require passage by a majority vote of the full City Council.

This is a request for a change in zoning from commercial to residential on the following parcels:

The attached layout is for a preliminary discussion and can be modified with any agreed upon changes made thereto by city personnel or from engineering firms etc. If the zoning change is granted the owner will replat the entire property to accomplish the layout.

Owner moved back to the Isanti area in 1986 at which time the only properties on 65 within the city limits would have been the two gas stations and the burger top. In 35 years it appears that less than half of the property zoned commercial as set forth in the cities comprehensive plan has been developed.

It appears that the majority of the recent building in the commercial zone has highway 65 exposure, None of the proposed property is located on highway 65. This fact seriously impacts the ability of the owner to sell or otherwise develop this area. From what the owner has been able to develop, the present cost of commercial construction and the potential rents derived therefrom would not make for a bankable loan due to a short fall of cash flow.

If approved it does not appear that the owner will request any variances as to lot size and set back however that may change based on the results of engineering issues that may arise.

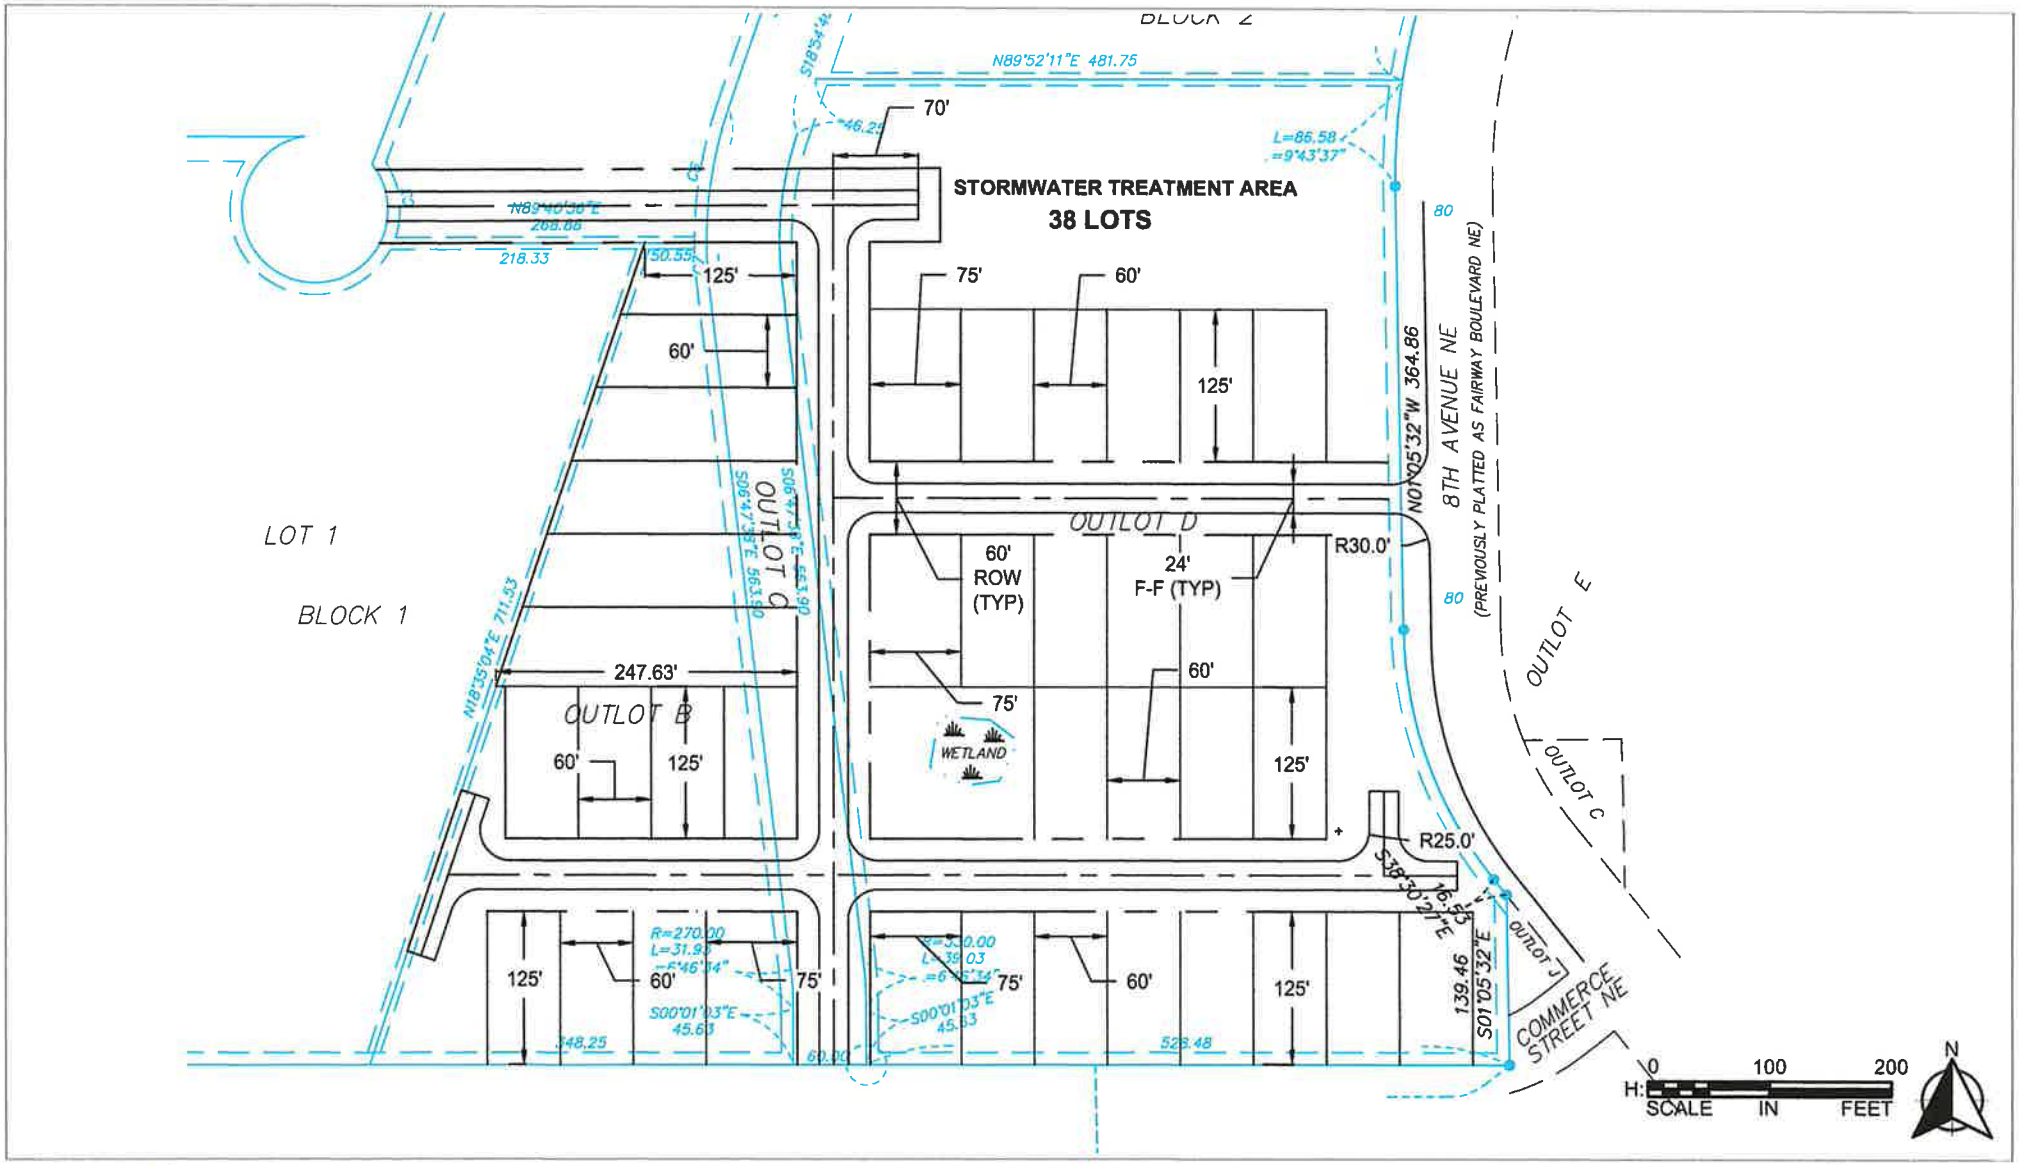
Reasons to approve the request

With the increased cost of lot development the proposed change is able to utilize the cities present infrastructure and thus insure a successful project. It has yet to be determined what associated costs may be attributed to this development due to use and sizing of the infrastructure. The lot costs in the area are only able to garner a certain price based on competition from the surrounding municipalities.

This is not considered spot zoning as there is housing stock to the south and east of the property and potentially to the north.

An association would be formed for this development which would result in consistent management of the outside appearance of the homes and what might be stored outside on the property.

Meets the needs of the City of Isanti 10 year housing plan.



Provides for much needed lots and housing for what most likelihood will be seniors or empty nest individuals.

The sample housing foot print would be an improvement over the housing stock that was built slab on grade by the school on highway 5.

A perm or other blockage would be a part of the western boundary providing a noise barrier for the residences. The perm would be located where the pipeline is presently located.

The proposed layout illustrates that this development will have an access to the south similar to what is on the present plat.

There is presently a storm water pond on the property which can be expanded and create a natural separation from this development and the day care.

MEMORANDUM

Date: December 1, 2021

To: Honorable Mayor Johnson and Members of the City Council

From: Jason W Cook, P.E.
City Engineer

Subject: Engineering Proposal for the South Brookview - Preliminary Engineering Report & the 2022 Pavement Management Project.
City of Isanti, MN

Bolton & Menk, Inc. is pleased to present these proposals for professional engineering services for the South Brookview - Preliminary Engineering Report and the 2022 Pavement Management Project.

South Brookview - Preliminary Engineering Report:

The proposed project would rehabilitate the existing pavement in the South Brookview 1-4 Additions depicted on the attached map. These street segments are in poor condition and in need of surface rehabilitation. The 2019-2028 Capital Improvement Plan, adopted by the City, had this area scheduled for rehabilitation in 2020 but the project was determined to be shifted back to 2022.

Our scope of work will include the following:

- Survey the existing conditions
- Evaluate the type of rehabilitation needed on the street and curb & gutter.
- Evaluate the condition of the existing City utilities
- Create an Engineer's Estimate including testing and construction administration
- Prepare a Preliminary Engineering Report discussing our findings and meeting the requirements of the MS-429 assessment process.
- Create figures to supplement the report

We propose to complete the described scope of work for an hourly, not to exceed, fee of $14,800.

2022 Pavement Management Project:

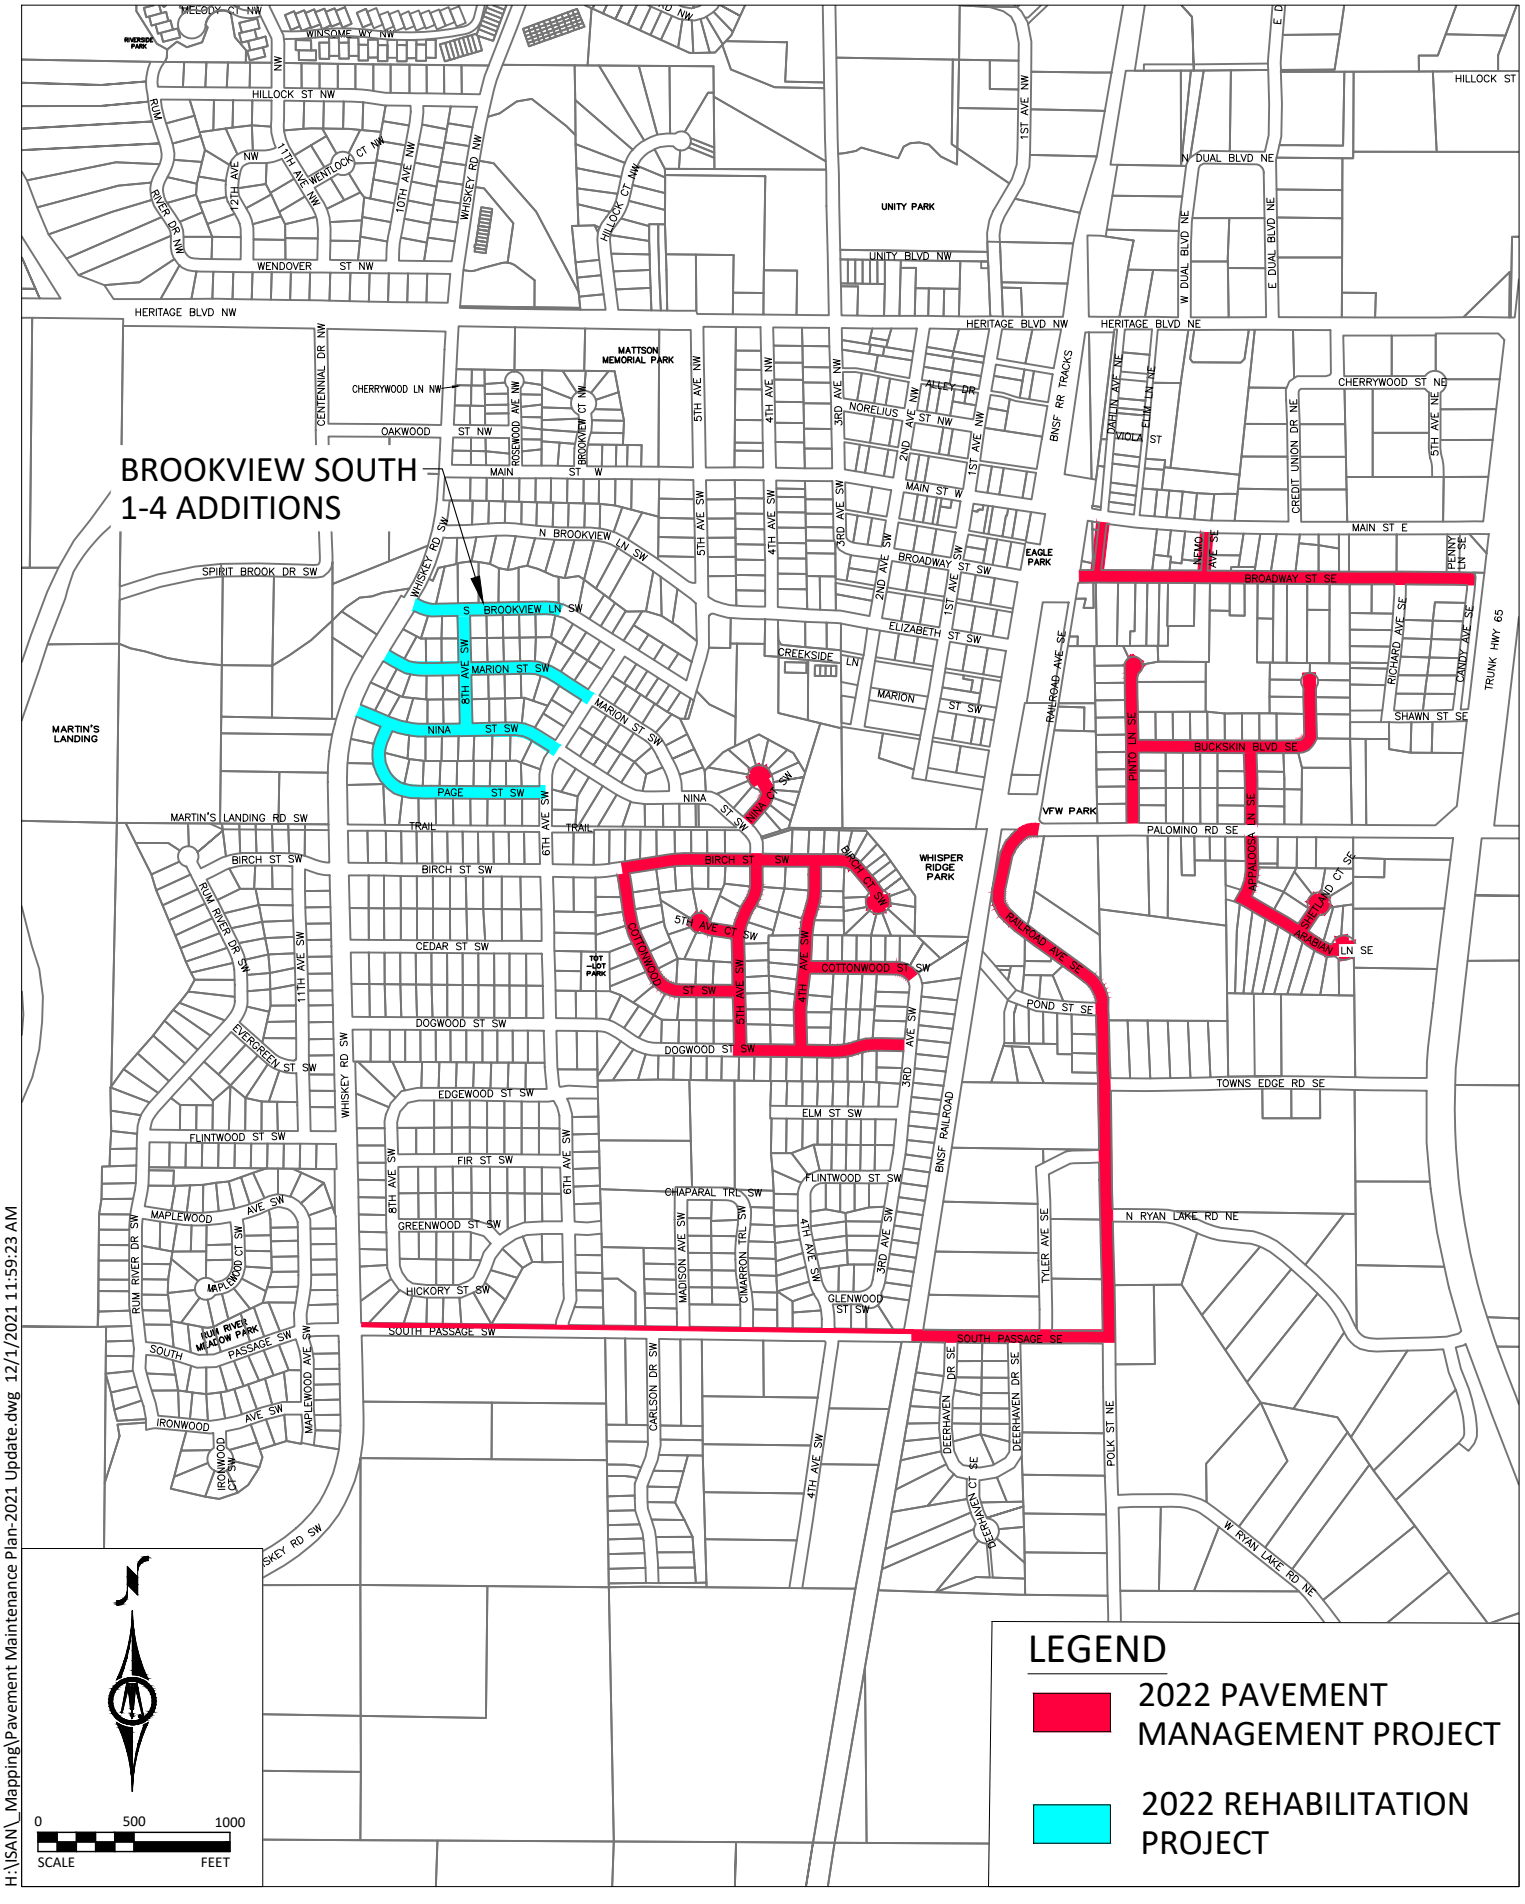
This project is the continuation of the City's pavement management program as identified in the 2019-2028 Capital Improvement Plan and as shown in the attached figure. This project also includes fog sealing the trail along South Passage, east of Whiskey Road.

Our scope of work will include the following:

- Evaluate need for seal-coat vs mill & overlay & curb replacement
- Prepare construction plans and specifications
- Establish a cost estimate for the proposed improvements & perform bidding services
- Perform construction inspection and construction administration.

We propose to complete the described scope of work for an hourly, not to exceed, fee of $49,700.

Thank you for the opportunity to present these proposals. Please contact me at (763) 200-2444 if you have any questions or need additional information.



Bolton & Menk is an equal opportunity employer.

RESOLUTION 2021 -XXX

APPROVING STATE OF MINNESOTA JOINT POWERS AGREEMENTS WITH THE CITY OF ISANTI ON BEHALF OF ITS CITY ATTORNEY AND POLICE DEPARTMENT

WHEREAS, the City of Isanti on behalf of its Prosecuting Attorney and Police Department desires to enter into Joint Powers Agreements with the State of Minnesota, Department of Public Safety, Bureau of Criminal Apprehension to use systems and tools available over the State's criminal justice data communications network for which the City is eligible. The Joint Powers Agreements further provide the City with the ability to add, modify and delete connectivity, systems and tools over the five year life of the agreement and obligates the City to pay the costs for the network connection;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota as follows:

1. That the State of Minnesota Joint Powers Agreements by and between the State of Minnesota acting through its Department of Public Safety, Bureau of Criminal Apprehension and the City of Isanti on behalf of its Prosecuting Attorney and Police Department, are hereby approved.

2. That the Police Chief, Travis Muyres or his or her successor, is designated the Authorized Representative for the Police Department. The Authorized Representative is also authorized to sign any subsequent amendment or agreement that may be required by the State of Minnesota to maintain the City's connection to the systems and tools offered by the State.

3. That Robb Olson, GDO Law, or his or her successor, is designated the Authorized Representative for the Prosecuting Attorney. The Authorized Representative is also authorized to sign any subsequent amendment or agreement that may be required by the State of Minnesota to maintain the City's connection to the systems and tools offered by the State.

4. That Jeff Johnson, the Mayor for the City of Isanti, and Jaden Strand, the City Clerk, are authorized to sign the State of Minnesota Joint Powers Agreements.

This Resolution hereby approved by the Isanti City Council this 7th day of December 2021.

State of Minnesota
Joint Powers Agreement

This Agreement is between the State of Minnesota, acting through its Department of Public Safety on behalf of the Bureau of Criminal Apprehension ("BCA"), and the City of Isanti on behalf of its Prosecuting Attorney ("Governmental Unit"). The BCA and the Governmental Unit may be referred to jointly as "Parties."

Recitals

Under Minn. Stat. § 471.59, the BCA and the Governmental Unit are empowered to engage in agreements that are necessary to exercise their powers. Under Minn. Stat. § 299C.46, the BCA must provide a criminal justice data communications network to benefit political subdivisions as defined under Minn. Stat. § 299C.46, subd. 2 and subd. 2(a). The Governmental Unit is authorized by law to utilize the criminal justice data communications network pursuant to the terms set out in this Agreement. In addition, BCA either maintains repositories of data or has access to repositories of data that benefit authorized political subdivisions in performing their duties. The Governmental Unit wants to access data in support of its official duties.

The purpose of this Agreement is to create a method by which the Governmental Unit has access to those systems and tools for which it has eligibility, and to memorialize the requirements to obtain access and the limitations on the access.

Agreement

1 Term of Agreement

1.1 Effective Date. This Agreement is effective on the date the BCA obtains all required signatures under Minn. Stat. § 16C.05, subdivision 2.

1.2 Expiration Date. This Agreement expires five years from the date it is effective.

2 Agreement Between the Parties

2.1 General Access. BCA agrees to provide Governmental Unit with access to the Minnesota Criminal Justice Data Communications Network (CJDN) and those systems and tools which the Governmental Unit is authorized by law to access via the CJDN for the purposes outlined in Minn. Stat. § 299C.46.

2.2 Methods of Access.

The BCA offers three (3) methods of access to its systems and tools. The methods of access are:

A. **Direct access** occurs when individual users at the Governmental Unit use the Governmental Unit's equipment to access the BCA's systems and tools. This is generally accomplished by an individual user entering a query into one of BCA's systems or tools.

B. **Indirect Access** occurs when individual users at the Governmental Unit go to another Governmental Unit to obtain data and information from BCA's systems and tools. This method of access generally results in the Governmental Unit with indirect access obtaining the needed data and information in a physical format like a paper report.

C. **Computer-to-Computer System Interface** occurs when the Governmental Unit's computer exchanges data and information with BCA's computer systems and tools using an interface. Without limitation, interface types include: state message switch, web services, enterprise service bus and message queuing.

For purposes of this Agreement, Governmental Unit employees or contractors may use any of these methods to use BCA's systems and tools as described in this Agreement. Governmental Unit will select a

method of access and can change the methodology following the process in Clause 2.10.

2.3 Federal Systems Access. In addition, pursuant to 28 CFR §20.30-38 and Minn. Stat. §299C.58, BCA may provide Governmental Unit with access to the Federal Bureau of Investigation (FBI) National Crime Information Center.

2.4 Governmental Unit Policies. Both the BCA and the FBI's Criminal Justice Information Systems (FBI-CJIS) have policies, regulations and laws on access, use, audit, dissemination, hit confirmation, logging, quality assurance, screening (pre-employment), security, timeliness, training, use of the system**,** and validation. Governmental Unit has created its own policies to ensure that Governmental Unit's employees and contractors comply with all applicable requirements. Governmental Unit ensures this compliance through appropriate enforcement. These BCA and FBI-CJIS policies and regulations, as amended and updated from time to time, are incorporated into this Agreement by reference. The policies are available at https://bcanextest.x.state.mn.us/launchpad/.

2.5 Governmental Unit Resources. To assist Governmental Unit in complying with the federal and state requirements on access to and use of the various systems and tools, information is available at https://sps.x.state.mn.us/sites/bcaservicecatalog/default.aspx. Additional information on appropriate use is found in the Minnesota Bureau of Criminal Apprehension Policy on Appropriate Use of Systems and Data available at https://bcanextest.x.state.mn.us/launchpad/cjisdocs/docs.cgi?cmd=FS&ID=795&TYPE=DOCS.

2.6 Access Granted.

A. Governmental Unit is granted permission to use all current and future BCA systems and tools for which Governmental Unit is eligible. Eligibility is dependent on Governmental Unit (i) satisfying all applicable federal or state statutory requirements; (ii) complying with the terms of this Agreement; and (iii) acceptance by BCA of Governmental Unit's written request for use of a specific system or tool.

B. To facilitate changes in systems and tools, Governmental Unit grants its Authorized Representative authority to make written requests for those systems and tools provided by BCA that the Governmental Unit needs to meet its criminal justice obligations and for which Governmental Unit is eligible.

2.7 Future Access. On written request from the Governmental Unit, BCA also may provide Governmental Unit with access to those systems or tools which may become available after the signing of this Agreement, to the extent that the access is authorized by applicable state and federal law. Governmental Unit agrees to be bound by the terms and conditions contained in this Agreement that when utilizing new systems or tools provided under this Agreement.

2.8 Limitations on Access. BCA agrees that it will comply with applicable state and federal laws when making information accessible. Governmental Unit agrees that it will comply with applicable state and federal laws when accessing, entering, using, disseminating, and storing data. Each party is responsible for its own compliance with the most current applicable state and federal laws.

2.9 Supersedes Prior Agreements. This Agreement supersedes any and all prior agreements between the BCA and the Governmental Unit regarding access to and use of systems and tools provided by BCA.

2.10 Requirement to Update Information. The parties agree that if there is a change to any of the information whether required by law or this Agreement, the party will send the new information to the other party in writing within 30 days of the change. This clause does not apply to changes in systems or tools provided under this Agreement.

This requirement to give notice additionally applies to changes in the individual or organization serving the Governmental Unit as its prosecutor. Any change in performance of the prosecutorial function must be provided to the BCA in writing by giving notice to the Service Desk, BCA.ServiceDesk@state.mn.us.

2.11 Transaction Record. The BCA creates and maintains a transaction record for each exchange of data utilizing its systems and tools. In order to meet FBI-CJIS requirements and to perform the audits described in Clause 7, there must be a method of identifying which individual users at the Governmental Unit conducted a

particular transaction.

If Governmental Unit uses either direct access as described in Clause 2.2A or indirect access as described in Clause 2.2B, BCA's transaction record meets FBI-CJIS requirements.

When Governmental Unit's method of access is a computer-to-computer interface as described in Clause 2.2C, the Governmental Unit must keep a transaction record sufficient to satisfy FBI-CJIS requirements and permit the audits described in Clause 7 to occur.

If a Governmental Unit accesses data from the Driver and Vehicle Services Division in the Minnesota Department of Public Safety and keeps a copy of the data, Governmental Unit must have a transaction record of all subsequent access to the data that are kept by the Governmental Unit. The transaction record must include the individual user who requested access, and the date, time and content of the request. The transaction record must also include the date, time and content of the response along with the destination to which the data were sent. The transaction record must be maintained for a minimum of six (6) years from the date the transaction occurred and must be made available to the BCA within one (1) business day of the BCA's request.

2.12 Court Information Access. Certain BCA systems and tools that include access to and/or submission of Court Records may only be utilized by the Governmental Unit if the Governmental Unit completes the Court Data Services Subscriber Amendment, which upon execution will be incorporated into this Agreement by reference. These BCA systems and tools are identified in the written request made by the Governmental Unit under Clause 2.6 above. The Court Data Services Subscriber Amendment provides important additional terms, including but not limited to privacy (see Clause 8.2, below), fees (see Clause 3 below), and transaction records or logs, that govern Governmental Unit's access to and/or submission of the Court Records delivered through the BCA systems and tools.

2.13 Vendor Personnel Screening. The BCA will conduct all vendor personnel screening on behalf of Governmental Unit as is required by the FBI CJIS Security Policy. The BCA will maintain records of the federal, fingerprint-based background check on each vendor employee as well as records of the completion of the security awareness training that may be relied on by the Governmental Unit.

3 Payment

The Governmental Unit currently accesses the criminal justice data communications network described in Minn. Stat. §299C.46. At the time this Agreement is signed, BCA understands that a third party will be responsible for the cost of access.

The Governmental Unit will identify the third party and provide the BCA with the contact information and its contact person for billing purposes so that billing can be established. The Governmental Unit will provide updated information to BCA's Authorized Representative within ten business days when this information changes.

If Governmental Unit chooses to execute the Court Data Services Subscriber Amendment referred to in Clause 2.12 in order to access and/or submit Court Records via BCA's systems, additional fees, if any, are addressed in that amendment.

4 Authorized Representatives

The BCA's Authorized Representative is the person below, or her successor:

Name: Dana Gotz, Deputy Superintendent

1430 Maryland Avenue

Saint Paul, MN 55106
Telephone: 651.793.1007
Email Address: Dana.Gotz@state.mn.us

The Governmental Unit's Authorized Representative is the person below, or his/her successor:

Name: Robb Olson, Attorney
Address: 4770 White Bear Pkwy, Ste 100
White Bear Lake, MN 55110
Telephone: 651.426.3249
Email Address: robbolson@gdolaw.com

5 Assignment, Amendments, Waiver, and Agreement Complete

5.1 Assignment. Neither party may assign nor transfer any rights or obligations under this Agreement.

5.2 Amendments. Any amendment to this Agreement, except those described in Clauses 2.6 and 2.7 above must be in writing and will not be effective until it has been signed and approved by the same parties who signed and approved the original agreement, their successors in office, or another individual duly authorized.

5.3 Waiver. If either party fails to enforce any provision of this Agreement, that failure does not waive the provision or the right to enforce it.

5.4 Agreement Complete. This Agreement contains all negotiations and agreements between the BCA and the Governmental Unit. No other understanding regarding this Agreement, whether written or oral, may be used to bind either party.

6 Liability

Each party will be responsible for its own acts and behavior and the results thereof and shall not be responsible or liable for the other party's actions and consequences of those actions. The Minnesota Torts Claims Act, Minn. Stat. § 3.736 and other applicable laws govern the BCA's liability. The Minnesota Municipal Tort Claims Act, Minn. Stat. Ch. 466 and other applicable laws, governs the Governmental Unit's liability.

7 Audits

7.1 Under Minn. Stat. § 16C.05, subd. 5, the Governmental Unit's books, records, documents, internal policies and accounting procedures and practices relevant to this Agreement are subject to examination by the BCA, the State Auditor or Legislative Auditor, as appropriate, for a minimum of six years from the end of this Agreement.

Under Minn. Stat. § 6.551, the State Auditor may examine the books, records, documents, and accounting procedures and practices of BCA. The examination shall be limited to the books, records, documents, and accounting procedures and practices that are relevant to this Agreement.

7.2 Under applicable state and federal law, the Governmental Unit's records are subject to examination by the BCA to ensure compliance with laws, regulations and policies about access, use, and dissemination of data.

7.3 If the Governmental Unit accesses federal databases, the Governmental Unit's records are subject to examination by the FBI and BCA; the Governmental Unit will cooperate with FBI and BCA auditors and make any requested data available for review and audit.

7.4 If the Governmental Unit accesses state databases, the Governmental Unit's records are subject to examination by the BCA: the Governmental Unit will cooperate with the BCA auditors and make any requested data available for review and audit.

7.5 To facilitate the audits required by state and federal law, Governmental Unit is required to have an inventory of the equipment used to access the data covered by this Agreement and the physical location of each.

8 Government Data Practices

8.1 BCA and Governmental Unit. The Governmental Unit and BCA must comply with the Minnesota Government Data Practices Act, Minn. Stat. Ch. 13, as it applies to all data accessible under this Agreement, and as it applies to all data created, collected, received, stored, used, maintained, or disseminated by the Governmental Unit under this Agreement. The remedies of Minn. Stat. §§ 13.08 and 13.09 apply to the release of the data referred to in this clause by either the Governmental Unit or the BCA.

8.2 Court Records. If Governmental Unit chooses to execute the Court Data Services Subscriber Amendment referred to in Clause 2.12 in order to access and/or submit Court Records via BCA's systems, the following provisions regarding data practices also apply. The Court is not subject to Minn. Stat. Ch. 13 but is subject to the *Rules of Public Access to Records of the Judicial Branch* promulgated by the Minnesota Supreme Court. All parties acknowledge and agree that Minn. Stat. § 13.03, subdivision 4(e) requires that the BCA and the Governmental Unit comply with the *Rules of Public Access* for those data received from Court under the Court Data Services Subscriber Amendment. All parties also acknowledge and agree that the use of, access to or submission of Court Records, as that term is defined in the Court Data Services Subscriber Amendment, may be restricted by rules promulgated by the Minnesota Supreme Court, applicable state statute or federal law. All parties acknowledge and agree that these applicable restrictions must be followed in the appropriate circumstances.

9 Investigation of Alleged Violations; Sanctions

For purposes of this clause, "Individual User" means an employee or contractor of Governmental Unit.

9.1 Investigation. The Governmental Unit and BCA agree to cooperate in the investigation and possible prosecution of suspected violations of federal and state law referenced in this Agreement. Governmental Unit and BCA agree to cooperate in the investigation of suspected violations of the policies and procedures referenced in this Agreement. When BCA becomes aware that a violation may have occurred, BCA will inform Governmental Unit of the suspected violation, subject to any restrictions in applicable law. When Governmental Unit becomes aware that a violation has occurred, Governmental Unit will inform BCA subject to any restrictions in applicable law.

9.2 Sanctions Involving Only BCA Systems and Tools.

The following provisions apply to BCA systems and tools not covered by the Court Data Services Subscriber Amendment. None of these provisions alter the Governmental Unit internal discipline processes, including those governed by a collective bargaining agreement.

9.2.1 For BCA systems and tools that are not covered by the Court Data Services Subscriber Amendment, Governmental Unit must determine if and when an involved Individual User's access to systems or tools is to be temporarily or permanently eliminated. The decision to suspend or terminate access may be made as soon as alleged violation is discovered, after notice of an alleged violation is received, or after an investigation has occurred. Governmental Unit must report the status of the Individual User's access to BCA without delay. BCA reserves the right to make a different determination concerning an Individual User's access to systems or tools than that made by Governmental Unit and BCA's determination controls.

9.2.2 If BCA determines that Governmental Unit has jeopardized the integrity of the systems or tools covered in this Clause 9.2, BCA may temporarily stop providing some or all the systems or tools under this Agreement until the failure is remedied to the BCA's satisfaction. If Governmental Unit's failure is continuing or repeated, Clause 11.1 does not apply and BCA may terminate this Agreement immediately.

9.3 Sanctions Involving Only Court Data Services

The following provisions apply to those systems and tools covered by the Court Data Services Subscriber Amendment, if it has been signed by Governmental Unit. As part of the agreement between the Court and the BCA for the delivery of the systems and tools that are covered by the Court Data Services Subscriber Amendment, BCA is required to suspend or terminate access to or use of the systems and tools either on its own initiative or when directed by the Court. The decision to suspend or terminate access may be made as soon as an alleged violation is discovered, after notice of an alleged violation is received, or after an investigation has occurred. The decision to suspend or terminate may also be made based on a request from the Authorized Representative of Governmental Unit. The agreement further provides that only the Court has the authority to reinstate access and use.

9.3.1 Governmental Unit understands that if it has signed the Court Data Services Subscriber Amendment and if Governmental Unit's Individual Users violate the provisions of that Amendment, access and use will be suspended by BCA or Court. Governmental Unit also understands that reinstatement is only at the direction of the Court.

9.3.2 Governmental Unit further agrees that if Governmental Unit believes that one or more of its Individual Users have violated the terms of the Amendment, it will notify BCA and Court so that an investigation as described in Clause 9.1 may occur.

10 Venue

Venue for all legal proceedings involving this Agreement, or its breach, must be in the appropriate state or federal court with competent jurisdiction in Ramsey County, Minnesota.

11 Termination

11.1 Termination. The BCA or the Governmental Unit may terminate this Agreement at any time, with or without cause, upon 30 days' written notice to the other party's Authorized Representative.

11.2 Termination for Insufficient Funding. Either party may immediately terminate this Agreement if it does not obtain funding from the Minnesota Legislature, or other funding source; or if funding cannot be continued at a level sufficient to allow for the payment of the services covered here. Termination must be by written notice to the other party's authorized representative. The Governmental Unit is not obligated to pay for any services that are provided after notice and effective date of termination. However, the BCA will be entitled to payment, determined on a pro rata basis, for services satisfactorily performed to the extent that funds are available. Neither party will be assessed any penalty if the agreement is terminated because of the decision of the Minnesota Legislature, or other funding source, not to appropriate funds. Notice of the lack of funding must be provided within a reasonable time of the affected party receiving that notice.

12 Continuing Obligations

The following clauses survive the expiration or cancellation of this Agreement: Liability; Audits; Government Data Practices; 9. Investigation of Alleged Violations; Sanctions; and Venue.

COURT DATA SERVICES SUBSCRIBER AMENDMENT TO CJDN SUBSCRIBER AGREEMENT

This Court Data Services Subscriber Amendment ("Subscriber Amendment") is entered into by the State of Minnesota, acting through its Department of Public Safety, Bureau of Criminal Apprehension, ("BCA") and the City of Isanti on behalf of its Prosecuting Attorney ("Agency"), and by and for the benefit of the State of Minnesota acting through its State Court Administrator's Office ("Court") who shall be entitled to enforce any provisions hereof through any legal action against any party.

Recitals

This Subscriber Amendment modifies and supplements the Agreement between the BCA and Agency, SWIFT Contract number 200587, of even or prior date, for Agency use of BCA systems and tools (referred to herein as "the CJDN Subscriber Agreement"). Certain BCA systems and tools that include access to and/or submission of Court Records may only be utilized by the Agency if the Agency completes this Subscriber Amendment. The Agency desires to use one or more BCA systems and tools to access and/or submit Court Records to assist the Agency in the efficient performance of its duties as required or authorized by law or court rule. Court desires to permit such access and/or submission. This Subscriber Amendment is intended to add Court as a party to the CJDN Subscriber Agreement and to create obligations by the Agency to the Court that can be enforced by the Court. It is also understood that, pursuant to the Master Joint Powers Agreement for Delivery of Court Data Services to CJDN Subscribers ("Master Authorization Agreement") between the Court and the BCA, the BCA is authorized to sign this Subscriber Amendment on behalf of Court. Upon execution the Subscriber Amendment will be incorporated into the CJDN Subscriber Agreement by reference. The BCA, the Agency and the Court desire to amend the CJDN Subscriber Agreement as stated below.

The CJDN Subscriber Agreement is amended by the addition of the following provisions:

1. **TERM; TERMINATION; ONGOING OBLIGATIONS.** This Subscriber Amendment shall be effective on the date finally executed by all parties and shall remain in effect until expiration or termination of the CJDN Subscriber Agreement unless terminated earlier as provided in this Subscriber Amendment. Any party may terminate this Subscriber Amendment with or without cause by giving written notice to all other parties. The effective date of the termination shall be thirty days after the other party's receipt of the notice of termination, unless a later date is specified in the notice. The provisions of sections 5 through 9, 12.b., 12.c., and 15 through 24 shall survive any termination of this Subscriber Amendment as shall any other provisions which by their nature are intended or expected to survive such termination. Upon termination, the Subscriber shall perform the responsibilities set forth in paragraph 7(f) hereof.

2. **Definitions**. Unless otherwise specifically defined, each term used herein shall have the meaning assigned to such term in the CJDN Subscriber Agreement.

a. **"Authorized Court Data Services"** means Court Data Services that have been authorized for delivery to CJDN Subscribers via BCA systems and tools pursuant to an Authorization Amendment to the Joint Powers Agreement for Delivery of Court Data Services to CJDN Subscribers ("Master Authorization Agreement") between the Court and the BCA.

b. **"Court Data Services"** means one or more of the services set forth on the Justice Agency Resource webpage of the Minnesota Judicial Branch website (for which the current address is www.courts.state.mn.us) or other location designated by the Court, as the same may be amended from time to time by the Court.

c. "**Court Records**" means all information in any form made available by the Court to Subscriber through the BCA for the purposes of carrying out this Subscriber Amendment, including:

i. "**Court Case Information**" means any information in the Court Records that conveys information about a particular case or controversy, including without limitation Court Confidential Case Information, as defined herein.

ii. "**Court Confidential Case Information**" means any information in the Court Records that is inaccessible to the public pursuant to the Rules of Public Access and that conveys information about a particular case or controversy.

iii. "**Court Confidential Security and Activation Information"** means any information in the Court Records that is inaccessible to the public pursuant to the Rules of Public Access and that explains how to use or gain access to Court Data Services, including but not limited to login account names, passwords, TCP/IP addresses, Court Data Services user manuals, Court Data Services Programs, Court Data Services Databases, and other technical information.

iv. "**Court Confidential Information**" means any information in the Court Records that is inaccessible to the public pursuant to the Rules of Public Access, including without limitation both i) Court Confidential Case Information; and ii) Court Confidential Security and Activation Information.

d. "**DCA**" shall mean the district courts of the state of Minnesota and their respective staff.

e. "**Policies & Notices**" means the policies and notices published by the Court in connection with each of its Court Data Services, on a website or other location designated by the Court, as the same may be amended from time to time by the Court. Policies & Notices for each Authorized Court Data Service identified in an approved request form under section 3, below, are hereby made part of this Subscriber Amendment by this reference and provide additional terms and conditions that govern Subscriber's use of Court Records accessed through such services, including but not limited to provisions on access and use limitations.

f. "**Rules of Public Access**" means the Rules of Public Access to Records of the Judicial Branch promulgated by the Minnesota Supreme Court, as the same may be amended from time to time, including without limitation lists or tables published from time to time by the Court entitled *Limits on Public Access to Case Records or Limits on Public Access to Administrative Records*, all of which by this reference are made a part of this Subscriber Amendment. It is the obligation of Subscriber to check from time to time for updated rules, lists, and tables and be familiar with the contents thereof. It is contemplated that such rules, lists, and tables will be posted on the Minnesota Judicial Branch website, for which the current address is www.courts.state.mn.us.

g. "**Court**" shall mean the State of Minnesota, State Court Administrator's Office.

h. **"Subscriber"** shall mean the Agency.

i. "**Subscriber Records**" means any information in any form made available by the Subscriber to the Court for the purposes of carrying out this Subscriber Amendment.

3. REQUESTS FOR AUTHORIZED COURT DATA SERVICES. Following execution of this Subscriber Amendment by all parties, Subscriber may submit to the BCA one or more separate requests for Authorized Court Data Services. The BCA is authorized in the Master Authorization Agreement to process, credential and approve such requests on behalf of Court and all such requests approved by the BCA are adopted and incorporated herein by this reference the same as if set forth verbatim herein.

a. **Activation**. Activation of the requested Authorized Court Data Service(s) shall occur promptly following approval.

b. **Rejection**. Requests may be rejected for any reason, at the discretion of the BCA and/or the Court.

c. **Requests for Termination of One or More Authorized Court Data Services**. The Subscriber may request the termination of an Authorized Court Data Services previously requested by submitting a notice to Court with a copy to the BCA. Promptly upon receipt of a request for termination of an Authorized Court Data Service, the BCA will deactivate the service requested. The termination of one or more Authorized Court Data Services does not terminate this Subscriber Amendment. Provisions for termination of this Subscriber Amendment are set forth in section 1. Upon termination of Authorized Court Data Services, the Subscriber shall perform the responsibilities set forth in paragraph 7(f) hereof.

4. SCOPE OF ACCESS TO COURT RECORDS LIMITED. Subscriber's access to and/or submission of the Court Records shall be limited to Authorized Court Data Services identified in an approved request form under section 3, above, and other Court Records necessary for Subscriber to use Authorized Court Data Services. Authorized Court Data Services shall only be used according to the instructions provided in corresponding Policies & Notices or other materials and only as necessary to assist Subscriber in the efficient performance of Subscriber's duties

required or authorized by law or court rule in connection with any civil, criminal, administrative, or arbitral proceeding in any Federal, State, or local court or agency or before any self-regulatory body. Subscriber's access to the Court Records for personal or non-official use is prohibited. Subscriber will not use or attempt to use Authorized Court Data Services in any manner not set forth in this Subscriber Amendment, Policies & Notices, or other Authorized Court Data Services documentation, and upon any such unauthorized use or attempted use the Court may immediately terminate this Subscriber Amendment without prior notice to Subscriber.

5. GUARANTEES OF CONFIDENTIALITY. Subscriber agrees:

a. To not disclose Court Confidential Information to any third party except where necessary to carry out the Subscriber's duties as required or authorized by law or court rule in connection with any civil, criminal, administrative, or arbitral proceeding in any Federal, State, or local court or agency or before any self-regulatory body.

b. To take all appropriate action, whether by instruction, agreement, or otherwise, to insure the protection, confidentiality and security of Court Confidential Information and to satisfy Subscriber's obligations under this Subscriber Amendment.

c. To limit the use of and access to Court Confidential Information to Subscriber's bona fide personnel whose use or access is necessary to effect the purposes of this Subscriber Amendment, and to advise each individual who is permitted use of and/or access to any Court Confidential Information of the restrictions upon disclosure and use contained in this Subscriber Amendment, requiring each individual who is permitted use of and/or access to Court Confidential Information to acknowledge in writing that the individual has read and understands such restrictions. Subscriber shall keep such acknowledgements on file for one year following termination of the Subscriber Amendment and/or CJDN Subscriber Agreement, whichever is longer, and shall provide the Court with access to, and copies of, such acknowledgements upon request. For purposes of this Subscriber Amendment, Subscriber's bona fide personnel shall mean individuals who are employees of Subscriber or provide services to Subscriber either on a voluntary basis or as independent contractors with Subscriber.

d. That, without limiting section 1 of this Subscriber Amendment, the obligations of Subscriber and its bona fide personnel with respect to the confidentiality and security of Court Confidential Information shall survive the termination of this Subscriber Amendment and the CJDN Subscriber Agreement and the termination of their relationship with Subscriber.

e. That, notwithstanding any federal or state law applicable to the nondisclosure obligations of Subscriber and Subscriber's bona fide personnel under this Subscriber Amendment, such obligations of Subscriber and Subscriber's bona fide personnel are founded independently on the provisions of this Subscriber Amendment.

6. APPLICABILITY TO PREVIOUSLY DISCLOSED COURT RECORDS. Subscriber acknowledges and agrees that all Authorized Court Data Services and related Court Records disclosed to Subscriber prior to the effective date of this Subscriber Amendment shall be subject to the provisions of this Subscriber Amendment.

7. LICENSE AND PROTECTION OF PROPRIETARY RIGHTS. During the term of this Subscriber Amendment, subject to the terms and conditions hereof, the Court hereby grants to Subscriber a nonexclusive, nontransferable, limited license to use Court Data Services Programs and Court Data Services Databases to access or receive the Authorized Court Data Services identified in an approved request form under section 3, above, and related Court Records. Court reserves the right to make modifications to the Authorized Court Data Services, Court Data Services Programs, and Court Data Services Databases, and related materials without notice to Subscriber. These modifications shall be treated in all respects as their previous counterparts.

a. Court Data Services Programs. Court is the copyright owner and licensor of the Court Data Services Programs. The combination of ideas, procedures, processes, systems, logic, coherence and methods of operation embodied within the Court Data Services Programs, and all information contained in documentation pertaining to the Court Data Services Programs, including but not limited to manuals, user documentation, and passwords, are trade secret information of Court and its licensors.

b. Court Data Services Databases. Court is the copyright owner and licensor of the Court Data Services Databases and of all copyrightable aspects and components thereof. All specifications and information pertaining to the Court Data Services Databases and their structure, sequence and organization, including without limitation data schemas such as the Court XML Schema, are trade secret information of Court and its licensors.

c. Marks. Subscriber shall neither have nor claim any right, title, or interest in or use of any trademark used in connection with Authorized Court Data Services, including but not limited to the marks “MNCIS” and “Odyssey.”

d. Restrictions on Duplication, Disclosure, and Use. Trade secret information of Court and its licensors will be treated by Subscriber in the same manner as Court Confidential Information. In addition, Subscriber will not copy any part of the Court Data Services Programs or Court Data Services Databases, or reverse engineer or otherwise attempt to discern the source code of the Court Data Services Programs or Court Data Services Databases, or use any trademark of Court or its licensors, in any way or for any purpose not specifically and expressly authorized by this Subscriber Amendment. As used herein, "trade secret information of Court and its licensors" means any information possessed by Court which derives independent economic value from not being generally known to, and not being readily ascertainable by proper means by, other persons who can obtain economic value from its disclosure or use. "Trade secret information of Court and its licensors" does not, however, include information which was known to Subscriber prior to Subscriber’s receipt thereof, either directly or indirectly, from Court or its licensors, information which is independently developed by Subscriber without reference to or use of information received from Court or its licensors, or information which would not qualify as a trade secret under Minnesota law. It will not be a violation of this section 7, sub-section d, for Subscriber to make up to one copy of training materials and configuration documentation, if any, for each individual authorized to access, use, or configure Authorized Court Data Services, solely for its own use in connection with this Subscriber Amendment. Subscriber will take all steps reasonably necessary to protect the copyright, trade secret, and trademark rights of Court and its licensors and Subscriber will advise its bona fide personnel who are permitted access to any of the Court Data Services Programs and Court Data Services Databases, and trade secret information of Court and its licensors, of the restrictions upon duplication, disclosure and use contained in this Subscriber Amendment.

e. Proprietary Notices. Subscriber will not remove any copyright or proprietary notices included in and/or on the Court Data Services Programs or Court Data Services Databases, related documentation, or trade secret information of Court and its licensors, or any part thereof, made available by Court directly or through the BCA, if any, and Subscriber will include in and/or on any copy of the Court Data Services Programs or Court Data Services Databases, or trade secret information of Court and its licensors and any documents pertaining thereto, the same copyright and other proprietary notices as appear on the copies made available to Subscriber by Court directly or through the BCA, except that copyright notices shall be updated and other proprietary notices added as may be appropriate.

f. Title; Return. The Court Data Services Programs and Court Data Services Databases, and related documentation, including but not limited to training and configuration material, if any, and logon account information and passwords, if any, made available by the Court to Subscriber directly or through the BCA and all copies, including partial copies, thereof are and remain the property of the respective licensor. Except as expressly provided in section 12.b., within ten days of the effective date of termination of this Subscriber Amendment or the CJDN Subscriber Agreement or within ten days of a request for termination of Authorized Court Data Service as described in section 4, Subscriber shall either: (i) uninstall and return any and all copies of the applicable Court Data Services Programs and Court Data Services Databases, and related documentation, including but not limited to training and configuration materials, if any, and logon account information, if any; or (2) destroy the same and certify in writing to the Court that the same have been destroyed.

8. INJUNCTIVE RELIEF. Subscriber acknowledges that the Court, Court's licensors, and DCA will be irreparably harmed if Subscriber's obligations under this Subscriber Amendment are not specifically enforced and that the Court, Court's licensors, and DCA would not have an adequate remedy at law in the event of an actual or threatened violation by Subscriber of its obligations. Therefore, Subscriber agrees that the Court, Court's licensors, and DCA shall be entitled to an injunction or any appropriate decree of specific performance for any actual or threatened violations or breaches by Subscriber or its bona fide personnel without the necessity of the Court, Court's licensors, or DCA showing actual damages or that monetary damages would not afford an adequate remedy. Unless Subscriber is an office, officer, agency, department, division, or bureau of the state of Minnesota, Subscriber shall be liable to the Court, Court's licensors, and DCA for reasonable attorneys fees incurred by the Court, Court's licensors, and DCA in obtaining any relief pursuant to this Subscriber Amendment.

9. LIABILITY. Subscriber and the Court agree that, except as otherwise expressly provided herein, each party will be responsible for its own acts and the results thereof to the extent authorized by law and shall not be responsible for the acts of any others and the results thereof. Liability shall be governed by applicable law. Without limiting the foregoing, liability of the Court and any Subscriber that is an office, officer, agency, department, division, or bureau of the state of Minnesota shall be governed by the provisions of the Minnesota Tort Claims Act, Minnesota Statutes, section 3.376, and other applicable law. Without limiting the foregoing, if Subscriber is a political subdivision of the state of Minnesota, liability of the Subscriber shall be governed by the provisions of Minn. Stat. Ch. 466 (Tort Liability, Political Subdivisions) or other applicable law. Subscriber and Court further acknowledge that the liability, if any, of the BCA is governed by a separate agreement between the Court and the BCA dated December 13, 2010 with DPS-M -0958.

10. AVAILABILITY. Specific terms of availability shall be established by the Court and communicated to Subscriber by the Court and/or the BCA. The Court reserves the right to terminate this Subscriber Amendment immediately and/or temporarily suspend Subscriber's Authorized Court Data Services in the event the capacity of any host computer system or legislative appropriation of funds is determined solely by the Court to be insufficient to meet the computer needs of the courts served by the host computer system.

11. [reserved]

12. ADDITIONAL USER OBLIGATIONS. The obligations of the Subscriber set forth in this section are in addition to the other obligations of the Subscriber set forth elsewhere in this Subscriber Amendment.

a. Judicial Policy Statement. Subscriber agrees to comply with all policies identified in Policies & Notices applicable to Court Records accessed by Subscriber using Authorized Court Data Services. Upon failure of the Subscriber to comply with such policies, the Court shall have the option of immediately suspending the Subscriber's Authorized Court Data Services on a temporary basis and/or immediately terminating this Subscriber Amendment.

b. Access and Use; Log. Subscriber shall be responsible for all access to and use of Authorized Court Data Services and Court Records by Subscriber's bona fide personnel or by means of Subscriber's equipment or passwords, whether or not Subscriber has knowledge of or authorizes such access and use. Subscriber shall also maintain a log identifying all persons to whom Subscriber has disclosed its Court Confidential Security and Activation Information, such as user ID(s) and password(s), including the date of such disclosure. Subscriber shall maintain such logs for a minimum period of six years from the date of disclosure, and shall provide the Court with access to, and copies of, such logs upon request. The Court may conduct audits of Subscriber's logs and use of Authorized Court Data Services and Court Records from time to time. Upon Subscriber's failure to maintain such logs, to maintain accurate logs, or to promptly provide access by the Court to such logs, the Court may terminate this Subscriber Amendment without prior notice to Subscriber.

c. Personnel. Subscriber agrees to investigate, at the request of the Court and/or the BCA, allegations of misconduct pertaining to Subscriber's bona fide personnel having access to or use of Authorized Court Data Services, Court Confidential Information, or trade secret information of the Court and its licensors where such persons are alleged to have violated the provisions of this Subscriber Amendment, Policies & Notices, Judicial Branch policies, or other security requirements or laws regulating access to the Court Records.

d. Minnesota Data Practices Act Applicability. If Subscriber is a Minnesota Government entity that is subject to the Minnesota Government Data Practices Act, Minn. Stat. Ch. 13, Subscriber acknowledges and agrees that: (1) the Court is not subject to Minn. Stat. Ch. 13 (see section 13.90) but is subject to the Rules of Public Access and other rules promulgated by the Minnesota Supreme Court; (2) Minn. Stat. section 13.03, subdivision 4(e) requires that Subscriber comply with the Rules of Public Access and other rules promulgated by the Minnesota Supreme Court for access to Court Records provided via the

BCA systems and tools under this Subscriber Amendment; (3) the use of and access to Court Records may be restricted by rules promulgated by the Minnesota Supreme Court, applicable state statute or federal law; and (4) these applicable restrictions must be followed in the appropriate circumstances.

13. FEES; INVOICES. Unless the Subscriber is an office, officer, department, division, agency, or bureau of the state of Minnesota, Subscriber shall pay the fees, if any, set forth in applicable Policies & Notices, together with applicable sales, use or other taxes. Applicable monthly fees commence ten (10) days after notice of approval of the request pursuant to section 3 of this Subscriber Amendment or upon the initial Subscriber transaction as defined in the Policies & Notices, whichever occurs earlier. When fees apply, the Court shall invoice Subscriber on a monthly basis for charges incurred in the preceding month and applicable taxes, if any, and payment of all amounts shall be due upon receipt of invoice. If all amounts are not paid within 30 days of the date of the invoice, the Court may immediately cancel this Subscriber Amendment without notice to Subscriber and pursue all available legal remedies. Subscriber certifies that funds have been appropriated for the payment of charges under this Subscriber Amendment for the current fiscal year, if applicable.

14. MODIFICATION OF FEES. Court may modify the fees by amending the Policies & Notices as provided herein, and the modified fees shall be effective on the date specified in the Policies & Notices, which shall not be less than thirty days from the publication of the Policies & Notices. Subscriber shall have the option of accepting such changes or terminating this Subscriber Amendment as provided in section 1 hereof.

15. WARRANTY DISCLAIMERS.

a. WARRANTY EXCLUSIONS. EXCEPT AS SPECIFICALLY AND EXPRESSLY PROVIDED HEREIN, COURT, COURT'S LICENSORS, AND DCA MAKE NO REPRESENTATIONS OR WARRANTIES OF ANY KIND, INCLUDING BUT NOT LIMITED TO THE WARRANTIES OF FITNESS FOR A PARTICULAR PURPOSE OR MERCHANTABILITY, NOR ARE ANY WARRANTIES TO BE IMPLIED, WITH RESPECT TO THE INFORMATION, SERVICES OR COMPUTER PROGRAMS MADE AVAILABLE UNDER THIS AGREEMENT.

b. ACCURACY AND COMPLETENESS OF INFORMATION. WITHOUT LIMITING THE GENERALITY OF THE PRECEDING PARAGRAPH, COURT, COURT'S LICENSORS, AND DCA MAKE NO WARRANTIES AS TO THE ACCURACY OR COMPLETENESS OF THE INFORMATION CONTAINED IN THE COURT RECORDS.

16. RELATIONSHIP OF THE PARTIES. Subscriber is an independent contractor and shall not be deemed for any purpose to be an employee, partner, agent or franchisee of the Court, Court's licensors, or DCA. Neither Subscriber nor the Court, Court's licensors, or DCA shall have the right nor the authority to assume, create or incur any liability or obligation of any kind, express or implied, against or in the name of or on behalf of the other.

17. NOTICE. Except as provided in section 2 regarding notices of or modifications to Authorized Court Data Services and Policies & Notices, any notice to Court or Subscriber

hereunder shall be deemed to have been received when personally delivered in writing or seventy-two (72) hours after it has been deposited in the United States mail, first class, proper postage prepaid, addressed to the party to whom it is intended at the address set forth on page one of this Agreement or at such other address of which notice has been given in accordance herewith.

18. NON-WAIVER. The failure by any party at any time to enforce any of the provisions of this Subscriber Amendment or any right or remedy available hereunder or at law or in equity, or to exercise any option herein provided, shall not constitute a waiver of such provision, remedy or option or in any way affect the validity of this Subscriber Amendment. The waiver of any default by either Party shall not be deemed a continuing waiver, but shall apply solely to the instance to which such waiver is directed.

19. FORCE MAJEURE. Neither Subscriber nor Court shall be responsible for failure or delay in the performance of their respective obligations hereunder caused by acts beyond their reasonable control.

20. SEVERABILITY. Every provision of this Subscriber Amendment shall be construed, to the extent possible, so as to be valid and enforceable. If any provision of this Subscriber Amendment so construed is held by a court of competent jurisdiction to be invalid, illegal or otherwise unenforceable, such provision shall be deemed severed from this Subscriber Amendment, and all other provisions shall remain in full force and effect.

21. ASSIGNMENT AND BINDING EFFECT. Except as otherwise expressly permitted herein, neither Subscriber nor Court may assign, delegate and/or otherwise transfer this Subscriber Amendment or any of its rights or obligations hereunder without the prior written consent of the other. This Subscriber Amendment shall be binding upon and inure to the benefit of the Parties hereto and their respective successors and assigns, including any other legal entity into, by or with which Subscriber may be merged, acquired or consolidated.

22. GOVERNING LAW. This Subscriber Amendment shall in all respects be governed by and interpreted, construed and enforced in accordance with the laws of the United States and of the State of Minnesota.

23. VENUE AND JURISDICTION. Any action arising out of or relating to this Subscriber Amendment, its performance, enforcement or breach will be venued in a state or federal court situated within the State of Minnesota. Subscriber hereby irrevocably consents and submits itself to the personal jurisdiction of said courts for that purpose.

24. INTEGRATION. This Subscriber Amendment contains all negotiations and agreements between the parties. No other understanding regarding this Subscriber Amendment, whether written or oral, may be used to bind either party, provided that all terms and conditions of the CJDN Subscriber Agreement and all previous amendments remain in full force and effect except as supplemented or modified by this Subscriber Amendment.

IN WITNESS WHEREOF, the Parties have, by their duly authorized officers, executed this Subscriber Amendment in duplicate, intending to be bound thereby.

1. SUBSCRIBER (AGENCY)

Subscriber must attach written verification of authority to sign on behalf of and bind the entity, such as an opinion of counsel or resolution.

RESOLUTION NO. 2021-XXX

ACCEPTING THE REDISTRIBUTION OF UNREQUESTED CORONAVIRUS LOCAL FISCAL RECOVERY FUND ESTABLISHED UNDER THE AMERICAN RESCUE PLAN ACT

WHEREAS, Congress adopted the American Rescue Plan Act in March 2021 ("ARPA") which included $65 billion in recovery funds for cities across the country.

WHEREAS, ARPA funds are intended to provide support to state, local, and tribal governments in responding to the impact of COVID-19 and in their efforts to contain COVID-19 in their communities, residents, and businesses.

WHEREAS, The Fiscal Recovery Funds provides for $19.53 billion in payments to be made to States and territories which will distribute the funds to nonentitlement units of local government (NEUs).

WHEREAS, NEUs generally have populations below 50,000.

WHEREAS, The ARPA requires that States and territories allocate funding to NEUs in an amount that bears the same proportion as the population of the NEU bears to the total population of all NEUs in the State or territory.

WHEREAS, after the deadline of October 11, 2021, passed for NEUs to request ARPA funds, nearly $12 million of the $377 million available to Minnesota's NEUs remained unrequested.

WHEREAS, as allowed by the U.S. Treasury, the State of Minnesota has redistributed these remaining funds amongst eligible local governments who requested ARPA funds.

WHEREAS, the redistribution amount is approximately $3.47 per capita, capped at 75% of the most recent budget adopted as of January 27, 2020.

WHEREAS, $ 21,207.12 has been allocated to the City of Isanti ("City") pursuant to the ARPA (Redistribution).

WHEREAS, the Redistribution will be distributed in two tranches with half received in 2021 and the second half in 2022.

WHEREAS, the United States Department of Treasury has adopted guidance regarding the use of ARPA funds.

NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ISANTI, MINNESOTA AS FOLLOWS:

1. The City accepts the Redistribution of coronavirus local fiscal recovery fund established under the ARPA to be used in a manner consistent with guidance adopted by the United State Department of Treasury.

2. The City Clerk and Mayor are authorized to take actions to secure the Redistribution for the City, if necessary.

This resolution was duly adopted by the Isanti City Council this 7th day of December, 2021.

Memo

To: Mayor Johnson and Members of the City Council
From: Josi Wood, City Administrator
Date: December 7th, 2021
Subject: Development Agreement Amendment for Fairway Greens North Phase 1

Background:
The City Council approved a Development Agreement (DA) that was signed September 3rd, 2021. The Developer has requested an amendment to the DA to build on lots that have no curb or bituminous complete.

The DA section that references curb and bit is Section 21.a.:

a. No building or other permits shall be issued until the Final Plat has been recorded with the Isanti County Recorder; all street signs have been erected by the Developer (as determined by the City); and curb, gutter and the bituminous base course has been placed. This provision specifically requires that the surface water drainage system must be completed and functioning to the satisfaction of the City.

Recommendation:
The Committee of the Whole met to discuss this request on November 16th and recommends approval of the amendment with provisions as outlined in the attached Agreement Amendment.

Request:
Staff is requesting action on this item.

Attachment:
Development Agreement First Amendment.

CITY OF ISANTI

FIRST AMENDMENT TO THE

MASTER DEVELOPMENT AGREEMENT FOR

FAIRWAY GREENS NORTH (PHASE I)

This Amendment is by and between the City of Isanti, a Minnesota municipal corporation, and HomePride Inc, a Minnesota corporation (the "Developer"), and amends the Master Development Agreement dated September 3rd, 2021.

Recitals

A. Section 21. c. of the original Agreement prohibited the issuance of building permits and the construction of homes until the Developer installed curb, gutter and the bituminous base course.

B. Upon review at the November 16, 2021 Committee of the Whole meeting, the Council reached a consensus that it will allow permits to be pulled on certain lots with provisions.

Agreement

In consideration of the mutual promises set forth below, the parties agree as follows:

1. The restriction in Section 21. c. of the Master Development Agreement that states "no building or other permits shall be issued…and curb, gutter and the bituminous base course has been placed" shall not apply to the following lots:
   Block 2, Lot 3
   Block 3, Lot 16, Lots 22-27
   Block 5, Lots 2-4

2. The lots mentioned above shall not be issued a temporary certificate of occupancy until all requirements of the original section 21. c. are met.
3. The Developer is responsible to complete the roadway with a 6" depth of class 5 gravel surface to allow for construction and emergency vehicles, with a turnaround for such, prior to permits being issued.
4. The Developer is required to maintain said gravel roadway during winter to include snow removal.
5. This Amendment is effective _____ day of December, 2021.
6. All other terms of the Master Development Agreement not modified by this Amendment shall remain in effect as originally stated.

MEMORANDUM OF UNDERSTANDING
BETWEEN
THE CITY OF ISANTI
AND
LAW ENFORCEMENT LABOR SERVICES, INC. LOCAL #217

This Memorandum of Understanding ("MOU") is by and between the City of Isanti, Minnesota ("City") and Law Enforcement Labor Services, Inc., Local #217 ("Union"). The Union is the exclusive representative for the bargaining unit noted above. The City and the Union are collectively referred to herein as the parties.

WHEREAS, the City and the Union are parties to a collective bargaining agreement ("CBA") effective January 1, 2020 through December 31, 2022; and,

WHEREAS, the City acknowledges the Police Investigator position is currently not filled; and,

WHEREAS, the City desires to eliminate the Police Investigator as a permanent promotion position and to convert it to a work assignment; and

WHEREAS, Article 3.12 of the CBA states the following:

"PROMOTION; A permanent change of an employee from one position to another work classification to a position in another work classification within the bargaining unit with more responsibility or duties and higher compensation."; and,

WHEREAS, the City desires to fill the Police Investigator Position as an Investigator Assignment serving in the assignment role for a duration at the will of the Police Chief.

NOW THEREFORE, the parties agree as follows:

1. Notwithstanding the language of Article 3.12 or any other provision of the CBA, bargaining unit members may be appointed by assignment to the Police Investigator assignment at the will of the Police Chief.

2. Reassignment of a member from the Police Investigator position shall not be considered a demotion nor disciplinary action, for shall such reassignment be subject to the grievance procedures set forth in the CBA.

3. Seniority shall be determined by continuous length of service in all job classifications covered by this Agreement.

4. Compensation for members assigned to the Police Investigator assignment shall be compensated at the rate for Investigator Hourly Wages per CBA "APPENDIX A"

5. This MOU constitutes the entire agreement between the parties relating to the matters identified herein. No party has relied upon any oral statements or promises that are not set forth in this document. No changes to this MOU will be valid unless they are in writing and signed by the parties.

6. This MOU shall remain in effect indefinitely, or until addressed and agreed by both parties in CBA.

7. The parties agree that this MOU shall not be considered precedent setting, constitute a past practice, or be used as evidence in any proceeding involving the City and the Union other than for purposes of enforcement of this MOU.

8. This MOU shall for all purposes be deemed to have been mutually drafted.

IN WITNESS WHEREOF, the parties have caused this Memorandum of Understanding to be executed this _____ day of _____, 2021.

CITY OF ISANTI
PARKS, RECREATION, AND CULTURE BOARD MEETING MINUTES
November 23,2021

Call to Order: Aaron Zdon called the meeting to order at 6:01 p.m.

Roll Call: Members Present: Aaron Zdon, Zachary Gahm, Dan HinnenKamp
Absent: Tressa Hunting, Mayor Jeff Johnson
Staff Present: Alyssa Olson, Parks, Recreation & Events Coordinator

Agenda/Modifications: Mr. Gahm requested that printed copies of the agenda be provided at each meeting.

2. Meeting Minutes: Motion by HinnenKamp; second by Gahm to approve meeting Minutes from October 26, 2021. Motion passed 3-0.

3. Eagle Park Railroad Project: Mr. HinnenKamp provided an update on the potential railroad project at Eagle Park. He connected with BNSF and they are interested in discussing the project for 2023. The Isanti County Historical Society is also interested in working on the project. Both have the potential to offer financial contributions. Board discussed setting up the meeting with BNSF after the New Year to present a visual of what we would like to see in the space.

4. Department Updates: Ms. Olson shared an update on Curious Creatures and proposed a change in time and age range for the 2022 program, moving the age up to 3-5 year olds to get the most out of programming efforts. Board was in agreement with these changes.
Movie Night was a success with 60 attendees. The Northern Elements All Stars hosted concessions and Olson had to purchase more during the showing to keep up with demand. There was an issue with the speakers so sound was a little low, but Olson purchased a new cord to fix the issue for the December event.
Plans for the December Santa event and the Candy Cane Flashlight Hunt have also been finalized.
Olson will be working on the landscape plan for the bandshell and seating options with the Lions Club. The Council approved pricing for the rental and Olson will be working to get that application available after the New Year.
Cameras were placed at the bandshell and the BMX Arena. They fit into the bandshell budget and more can be added outside of this project scope as new features are added to Bluebird Park.
Sledding Hill lighting is up and ready for winter activities once snow is available. Public Works will begin making snow in December, once temperatures drop to below freezing.
Council approved an update to the Adopt-A-Park policy allowing adopters to recommend and maintain new features in the parks. The couple that originally requested the flower garden addition will be notified of the update and offered the opportunity to adopt Mattson Park for 2022 in order to add their garden.
Farmer's Market will be moving in 2022 now that the original plot has been sold. Olson is working to make sure the lot near the liquor store will be able to hold the vendors and traffic, otherwise there will need to be a Plan B for a new location. The guidelines will need to be updated to accommodate the new space.
Olson is working with Matt Sylvester on revamping the Community Garden, tilling the full space and recreating the plots. The school will be asked if they would like to continue having access to the space and if not, it will be turned into raised and elevated beds.

5. Open Discussion: HinnenKamp provided an update on carnival opportunities. He is connecting with multiple vendors, but they have a convention in January and won't likely commit to anything ahead of that meeting. In the meantime, we can work on logistics and land needs to see if a carnival is feasible at Bluebird Park. HinnenKamp noted the rodeo grounds would be the best space; we would need to connect with the IFRA on using the land for this use. HinnenKamp also noted the opportunity to get a monetary kickback from the carnival to help build revenue. Olson noted we would need to get the production approved by Council before moving forward, but would like more information on logistical needs as soon as able so we can start to look at viability. A carnival option would need to be a multi-day event with multiple days of entertainment attached to the ride component to make it valuable for all vendors. Gahm mentioned working with the Redbirds to host a game in their field during the weekend; rodeo could do the same; all options to increase traffic. Olson noted that we don't want to go too big upfront and that we'd want to differentiate from the County Fair.

Gahm requested an update on working with the corrections office on painting the Redbirds fence. Olson mentioned that if we took responsibility for the painting, the City would then take over ownership for the upkeep of it, which we don't generally want to provide. Zdon noted he didn't think the fence looked like it was in poor condition or necessary to get it painted right now.
Gahm asked what is on the plan for additional 2022 events in Bluebird Park. Olson mentioned having 2-3 new events in mind including cultural arts programming. Dates will need to remain open for rentals in order to obtain benefits from that program. Gahm mentioned again hosting a beer and food festival as a way to showcase that space. Olson mentioned that is not likely to occur in 2022 as bandwidth and budgets are mostly at capacity for the next year. Olson also shared that new park features, such as the restroom unit and splash pad, are planned to be approved next year for future construction and those will take significant effort to coordinate as well.
Olson noted the lighting event will take significant energy throughout the year so additional items will need to be minimal effort to not take away from other programs. Naming is still in discussion and a number of components will need to be thought out in the next couple months to get the event ready for production.

Adjournment: Motion by HinnenKamp, second by Gahm to adjourn the November 23, 2021 meeting of the Parks, Recreation, and Culture Board. Motion passed 3-0, meeting adjourned at 6:53 p.m.

4. **Resolution 2021-248** Approving a Cost of Living Adjustment (COLA) for Non-Union Employees

Finance Director Mike Betker shared a PowerPoint presentation in regards to the 2022 Budget. Highlights from the presentation include how property tax is calculated, the proposed Levy amount of $3,281,851.00, proposed tax rate for 2022 of 58.48% with a change of -3.17% from 2021. Betker continued to share the components of the municipal budget: Operating Revenue/ Expenditures, Intergovernmental Revenue/ Expenditures, Capital Projects and Capital Maintenance/ Replacement and an overview of the budget summary.

Mayor Johnson opened the meeting for public comment at 7:44 p.m.

No one from the public spoke.

A motion was made by Lundeen to approve K.1.-K.4, seconded by Bergley. Motion passed 4-0. Motion carried.

5. **Resolution 2021-249** Approving Purchase of Property Owned by Hobby Farms Inc.

Finance Director Mike Betker shared that after much negotiation this is the purchase agreement for $1.51 million. Inside the purchase agreement is a lease agreement that would start effective on the closing date and the City would be the owner of the property but the current owner would become the tenant. The lease is for $2,000.00 a month and would go through at least the end of June.

A motion was made by Lundeen, second by Bergley to approve resolution as presented. Motion passed 4-0. Motion carried

City Administrator Josi Wood

6. **Ordinance-764** Amending City Code Chapter 281, Stormwater Charges

City Administrator Josi Wood shared that staff has done a stormwater rate study in house. Per the evaluation the recommendation from the Finance Department is to lower the stormwater rates. 2021's rate is $8.12 per month per equivalent unit rate (eru) and will be lowered to $6.50 per month per eru in 2022, $5.52 per month per eru in 2023 and $4.97 per month per eru in 2021.This Ordinance has been posted for the required 10 days and recommended for approval.

A motion was made by Lundeen, seconded by Bergley to approve Ordinance as presented. Motion passed 4-0. Motion carried.

7. **Resolution 2021-250** Approving a Conditional Use Permit Amendment for Site Plan Operations for a Biodiesel Distillation System for Ever Cat Fuels LLC

City Administrator Josi Wood shared that a presentation was given at the November 16, 2021 Planning Commission Meeting in regards to the Conditional Use Permit Amendment for Ever Cat Fuels, LLC. Ever Cat Fuels would like to modify their site plans with the intent of further distilling their product. Ever Cat will be relocating a thermal oxidizer, adding a concrete pad, installing a distillate tank and

residue tank as well as providing storage for the product. Outdoor Storage was discussed at the meeting and was determined that it is allowed in the Industrial District with a Conditional Use Permit and that regulations storage will be added to the existing CUP. A representative for Ever Cat Fuels presented at the meeting the concept plan of the site and answered questions related to the purpose of the site modification and intent of storage. Fire safety conditions were also discussed and added to the exiting CUP and were taken into consideration for the outdoor storage of materials. No one from the public spoke at the public hearing in regards to the CUP Amendment. The Planning Commission approved the CUP Amendment with a vote of 7-0.

A motion was made by Bergley to approve resolution as presented, seconded by Gordon. Motion passed 4-0. Motion carried.

8. **Resolution 2021-251** Approving a Rezoning for Properties with PID 16.134.0030, 16.134.0040, 16.134.0050, 16.134.0060, From B-2 General Commercial to R-3A Low Density Multiple Family Residential

City Administrator Josi Wood shared that a presentation was given at the November 16, 2021 Planning Commission meeting in regards to the rezoning of four parcels from B-2 General Commercial to R-3A Low Density Multiple-Family Residential. The applicant has previously gone through a Comprehensive Land Use Plan Amendment for these parcels, which was the first step towards guiding the parcels designation and will allow for a variety of housing types available to build on these parcels. The Comprehensive Land Use Plan Amendment was approved at the October 19th Planning Commission meeting and the November 2nd City Council meeting. At these meetings it was discussed that surrounding residential property owners were in favor of the rezoning, as they would rather have houses next to them than a commercial business. At the November 16th Planning Commission meeting, no one from the public spoke in regards to the rezoning. The Planning Commission approved rezoning the parcels at the November 16th meeting with a vote of 7-0.

A motion was made by Lundeen to approve resolution as presented, seconded by Bergley. Motion passed 4-0. Motion carried.

City Engineer Jason Cook

9. South Brookview- Preliminary Engineering Report and 2022 Pavement Management Project
    a. **Resolution 2021-252** Authorizing Engineering Services for the South Brookview PER
    b. **Resolution 2021-253** Authorizing Engineering Services for the 2022 Pavement Management Project

City Engineer Jason Cook shared that the 2022 Pavement Management Project is the continuation of the City's Pavement Management Program as identified in the 2019-2028 Capital Improvement Plan. South Brookview has been identified for reclaiming and pavement replacement similar to what was done on 6th Ave and Main Street. This is specifically to start the assessment process for the project.

A motion was made by Lundeen to approve K.9 a. and K.9 b., seconded by Bergley. Motion passed 4-0. Motion carried.

TO: Honorable Mayor and Council

FROM: Stephanie Hillesheim, Community Development Director

DATE: December 21, 2021

SUBJECT: Resolution 2021-XXX Approving the Final Plat of PID 16.125.0020

Background:
The Planning Commission held a public hearing to consider a preliminary and final plat of Isanti Centennial Complex 3rd Rearrangement in 2007. The subject parcel was platted into Outlot A Isanti Centennial Complex 3rd Rearrangement. No changes are proposed to what was previously approved; the dimensions and intended use of the property will remain the same. The City Engineer surveyed the property, of which, upon approval, will be recorded as Lot 1 Block 1 Centennial Complex 8th Rearrangement.

The approval of the resolution will allow the EDA to sell the land for future industrial development as was originally intended.

Request: Consider adopting the resolution.

Adopt-A-Park Program

The goal of the Adopt-A-Park Program is to provide interested individuals, groups, or organizations with a public service opportunity that allows volunteers to help maintain the City of Isanti Park System. The program encourages and promotes community involvement, but also enables the City to further beautify and improve park areas. The Adopt-A-Park Program duties and responsibilities supplement the work of City staff; and by working together we hope to help area residents, businesses, and service organizations to become better connected to the community in which they live, work, and recreate.

Time Commitment

1. A commitment of a minimum of one year is required.
2. By adopting a park, the volunteer(s) or participant(s) can clean-up as frequently as they so choose. However, clean-up should occur at least three (3) times each year, preferably one time each in the spring, summer, and fall.
3. The adoption commitment period begins April 1st and concludes October 31st of each year.

Program Guidelines

1. All Adopt-A-Park projects should aim to benefit the majority of park users.
2. Participation in the Adopt-A-Park Program is on a first-come, first served basis. Applications are accepted throughout the year.
3. All participants under the age of 18 must have adult supervision and must submit a parental release form prior to performing any duties associated with the Adopt-A-Park Program.
4. All groups must have a designated supervisor who is able to meet the responsibilities noted for the position.
5. Adopt-A-Park activities should occur during the daylight hours of park open times (7:00 a.m. to 10:00 p.m.) and during good weather conditions.
6. Work responsibilities associated with Adopt-A-Park activities can be physically demanding. All participants should be in good physical condition and able to complete the tasks.
7. The group supervisor shall contact Isanti Parks, Recreation & Culture (PRC) at (763) 444-5512 or at isantiparks@cityofisanti.us at least one (1) week in advance of the date that the group will be performing tasks outlined in the Adopt-A-Park Program materials.
8. Participants may not modify or add to the existing landscape or site design without receiving prior authorization from the City Council.
9. The City may contact volunteer groups for special project assistance, when needed. Participation by group members is voluntary.
10. The city of Isanti will provide bags, gloves and safety vests to the assigned group to perform tasks assigned under the Adopt-A-Park Program. All items and materials can generally be picked up within 48 hours of the group's scheduled clean-up date. Borrowed and unused supplies must be returned to Isanti City Hall within the following week of clean up. The group shall report any vandalism or potential safety hazards to the PRC supervisor.

Safety Tips

Each participant in the Adopt-A-Park Program must review the information regarding the program as well as these safety guidelines before performing services at the adopted site and abide by them while performing such services/duties.

1. Participants must abide by all state and local laws, rules and regulations, all written and verbal guidelines, directions and instructions from city staff.
2. Work only during daylight hours and in appropriate weather conditions.
3. Stay away from areas that may have recently applied chemical pesticides.
4. Participants should be aware of extreme conditions, under which they may be working, to include but is not limited to heat, insects, sun, natural environments, etc. Participants should wear protective clothing and equipment including work gloves, durable shoes and long sleeve shirts/pants to prevent injury from sharp objects, insect stings/bites, sunburn, and poison ivy. Light colored clothing is recommended as it is most visible.
5. Do not overexert yourself. Take needed breaks and drink plenty of water.
6. Participants should never pick up any heavy, large, or hazardous materials, park equipment or operate/move park maintenance equipment. Notify the city staff for pick-up of these types of materials or items.
7. Use caution in areas where hazardous conditions may exist such as: along roadways, in parking lots, on bridges, near/on construction sites, near open water, and other areas where mowing, tree trimming, or pest control is in progress.
8. Be aware of your surroundings to ensure your safety and the safety of others (group members/park patrons). Be especially careful when using tools.
9. Do not wear earphones or headsets, engage in horseplay, or other types of conduct that may divert your attention from your work or impair your ability to perceive hazardous or dangerous situations.

Group Supervisor Responsibilities

1. Identify in writing to the PRC Department the projects to be completed and date of the proposed clean-up. Such information shall be provided at least one (1) week prior to the clean-up day.
2. If intended projects would result in modifications, changes, or additions to the park landscape or design; those shall be provided to PRC staff in advance using the Alteration Request Form, so as to be reviewed by the Parks, Recreation, and Culture Board and approved by the City Council.
3. Submit a complete roster with all group volunteers.
4. Return all completed and signed Adoption Registration Form and Adoption Agreement as well as Liability Waivers and/or Parental Release Forms for each participant.
5. Provide a first aid kit on the day of the event for participants and have emergency contact numbers available.

Adopt-A-Park Agreement Form

The City of Isanti, acting by and through its Parks, Recreation & Culture Department, Public Works Department, and _____ ("volunteer/participant") agree to the terms set forth in this Agreement which governs the services the Volunteer(s)/Participant(s) will perform at _____ (Park Location).

Recital

The City desires to provide interested persons and organizations with an opportunity for community involvement through voluntary participation in an Adopt-A-Park Program.

Agreement

1. The Participant(s) will provide the services designated on the possible tasks associated with the Adopt-A-Park Program. All services performed under this Agreement shall be performed on an uncompensated basis by Individual/Group volunteers. The Individual/Group will perform any activity which the City has previously approved and will not subcontract or hire others to perform services hereunder. The City may perform or cause others to perform the activities listed in the possible tasks associated with the Adopt-A-Park Program at its discretion.

2. The participant(s) will use only non-motorized hand tools to perform services under this Agreement and will take all reasonable precautions to protect its participating members and the public against injury and against damage to property.

3. The participant(s) shall abide by the Safety Tips. The representative ("group supervisor") who signs this Agreement, or his or her designee, shall ensure that each person to perform services under this Agreement will read and abide by the Safety Tips and will sign a Liability Waiver in the form accompanying this Agreement.

4. The participant(s) will not discriminate against any person desiring to perform services under this Agreement due to the person's race, color, creed, religion, national origin, disability, age, gender, affectional preference, marital status or status with regards to public assistance.

5. All participant(s) and any other persons who may perform any activities covered under this Agreement shall not be considered employees of the City. Accordingly, the City is not responsible or liable for any injury or any other claims, expenses, or losses sustained by such persons while engaged in any of the activities covered under this Agreement.

6. The participant(s) shall defend, indemnify and hold harmless the City of Isanti, its officials, employees and agents, from any and all claims, causes of action, lawsuits, damages, losses or expenses, including attorney fees, arising out of or resulting from the volunteer's (including volunteer, officials, agents or employees) performance of the duties required under this Agreement.

7. Either party may terminate this Agreement at any time upon written notice to the other party.

MEMO

To: **Mayor Johnson and Members of City Council**
From: Matt Sylvester, Public Services Director
Date: December 21, 2021
Subject: Resolution Approving Revision to Current Mowing Policy

---

Background:

Staff has reviewed the current areas that City of Isanti maintains per the mowing policy and recommends to revise the policy so that main corridor ROW areas entering the city are maintained in a more aesthetic manner. Per the mowing policy currently these main corridors are maintained by the city only if they have a sidewalk or trail. These areas without a sidewalk or trail are being maintained by the Isanti County Highway Department (ICHD). The ICHD will mow a maintenance strip once or twice a year but the grass does tend to get very tall between mowing's.

Staff currently maintains the ROW on the south side of South Passage from Whiskey Road SW to Railroad Ave and the low ground on the east side of Railroad Ave south of Palomino Rd.

Recommendation:

Staff is recommending to add the following Main Corridor ROW areas to the mowing policy by maintaining a maintenance strip of approximately 8 feet:

1. The north side of Heritage Blvd from Whiskey Rd extending west to the city limits.
2. The north side of Heritage Blvd from East Dual Blvd extending east to Highway 65.
3. The east side of Whiskey Rd from Birch St extending south to the existing sidewalk.
4. The east side of 3rd Ave from Isanti Parkway to city limits.

Staff is also recommending adding in the ROW areas which are currently being maintained by the city:

1. The south side of South Passage from Whiskey Rd to Railroad Ave.
2. The ROW of the low ground on the east side of Railroad Ave south of Palomino Rd.

**** A correction to the mowing map is to be made on Railroad Ave SE. We stop maintaining the ROW on the east side at 800 Railroad Ave SE and begin again at the intersection of Polk and South Passage. These changes will be made to the final version of the mowing map.***

Request:
Staff is requesting action on this item.

RESOLUTION APPROVING REVISION TO CURRENT MOWING POLICY

WHEREAS, staff has reviewed the areas that Isanti maintains per the mowing policy; and,

WHEREAS, staff is recommending changes to the current mowing policy to ensure areas are maintained in an aesthetic manner and that the Mowing Policy and map are current; and,

WHEREAS, main corridor ROW areas without a sidewalk or trail are being maintained by the Isanti County Highway Department (ICHD) on county roads; and,

WHEREAS, staff is recommending that the following main corridor ROW areas currently maintained by ICHD be added to the existing Mowing Policy as defined in 'Exhibit A';

1. The north side of Heritage Blvd from Whiskey Rd extending west to the city limits.
2. The north side of Heritage Blvd from East Dual Blvd extending east to Hwy 65.
3. The east side of Whiskey Rd from Birch St extending south to the existing sidewalk.
4. The east side of 3rd Ave from Isanti Parkway to city limits.

WHEREAS, staff currently maintains and is also recommending that the following ROW areas be added to the Mowing Policy as defined in "Exhibit A";

1. The ROW areas on the south side of South Passage from Whiskey Rd. to Railroad Ave
2. The ROW of the low ground on the east side of Railroad Ave south from Palomino Road.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota the addition of Main Corridor ROW areas and ROW areas on South Passage and Railroad Ave be added to the existing Mowing Policy as defined in Exhibit A'.

'Exhibit A'
City of Isanti
Mowing Policy

The City of Isanti will only mow along City sidewalks that are located on City property. Maintaining the area on both sides of a sidewalk to the curb adjacent to a property is the property owner's responsibility. The City will maintain a maintenance strip along designated bike/walking paths throughout the City as defined in this policy. The City will maintain mowing turf from the designated bike/walking paths of developed residential parcels to the curb on streets that are recognized as main corridors entering into the City as defined in this policy. The City will maintain a maintenance strip from the curb/pavement on main corridors entering the city as defined in this policy.

<u>The City of Isanti will only mow a maintenance strip* along the designated bike/walking paths identified below:</u>

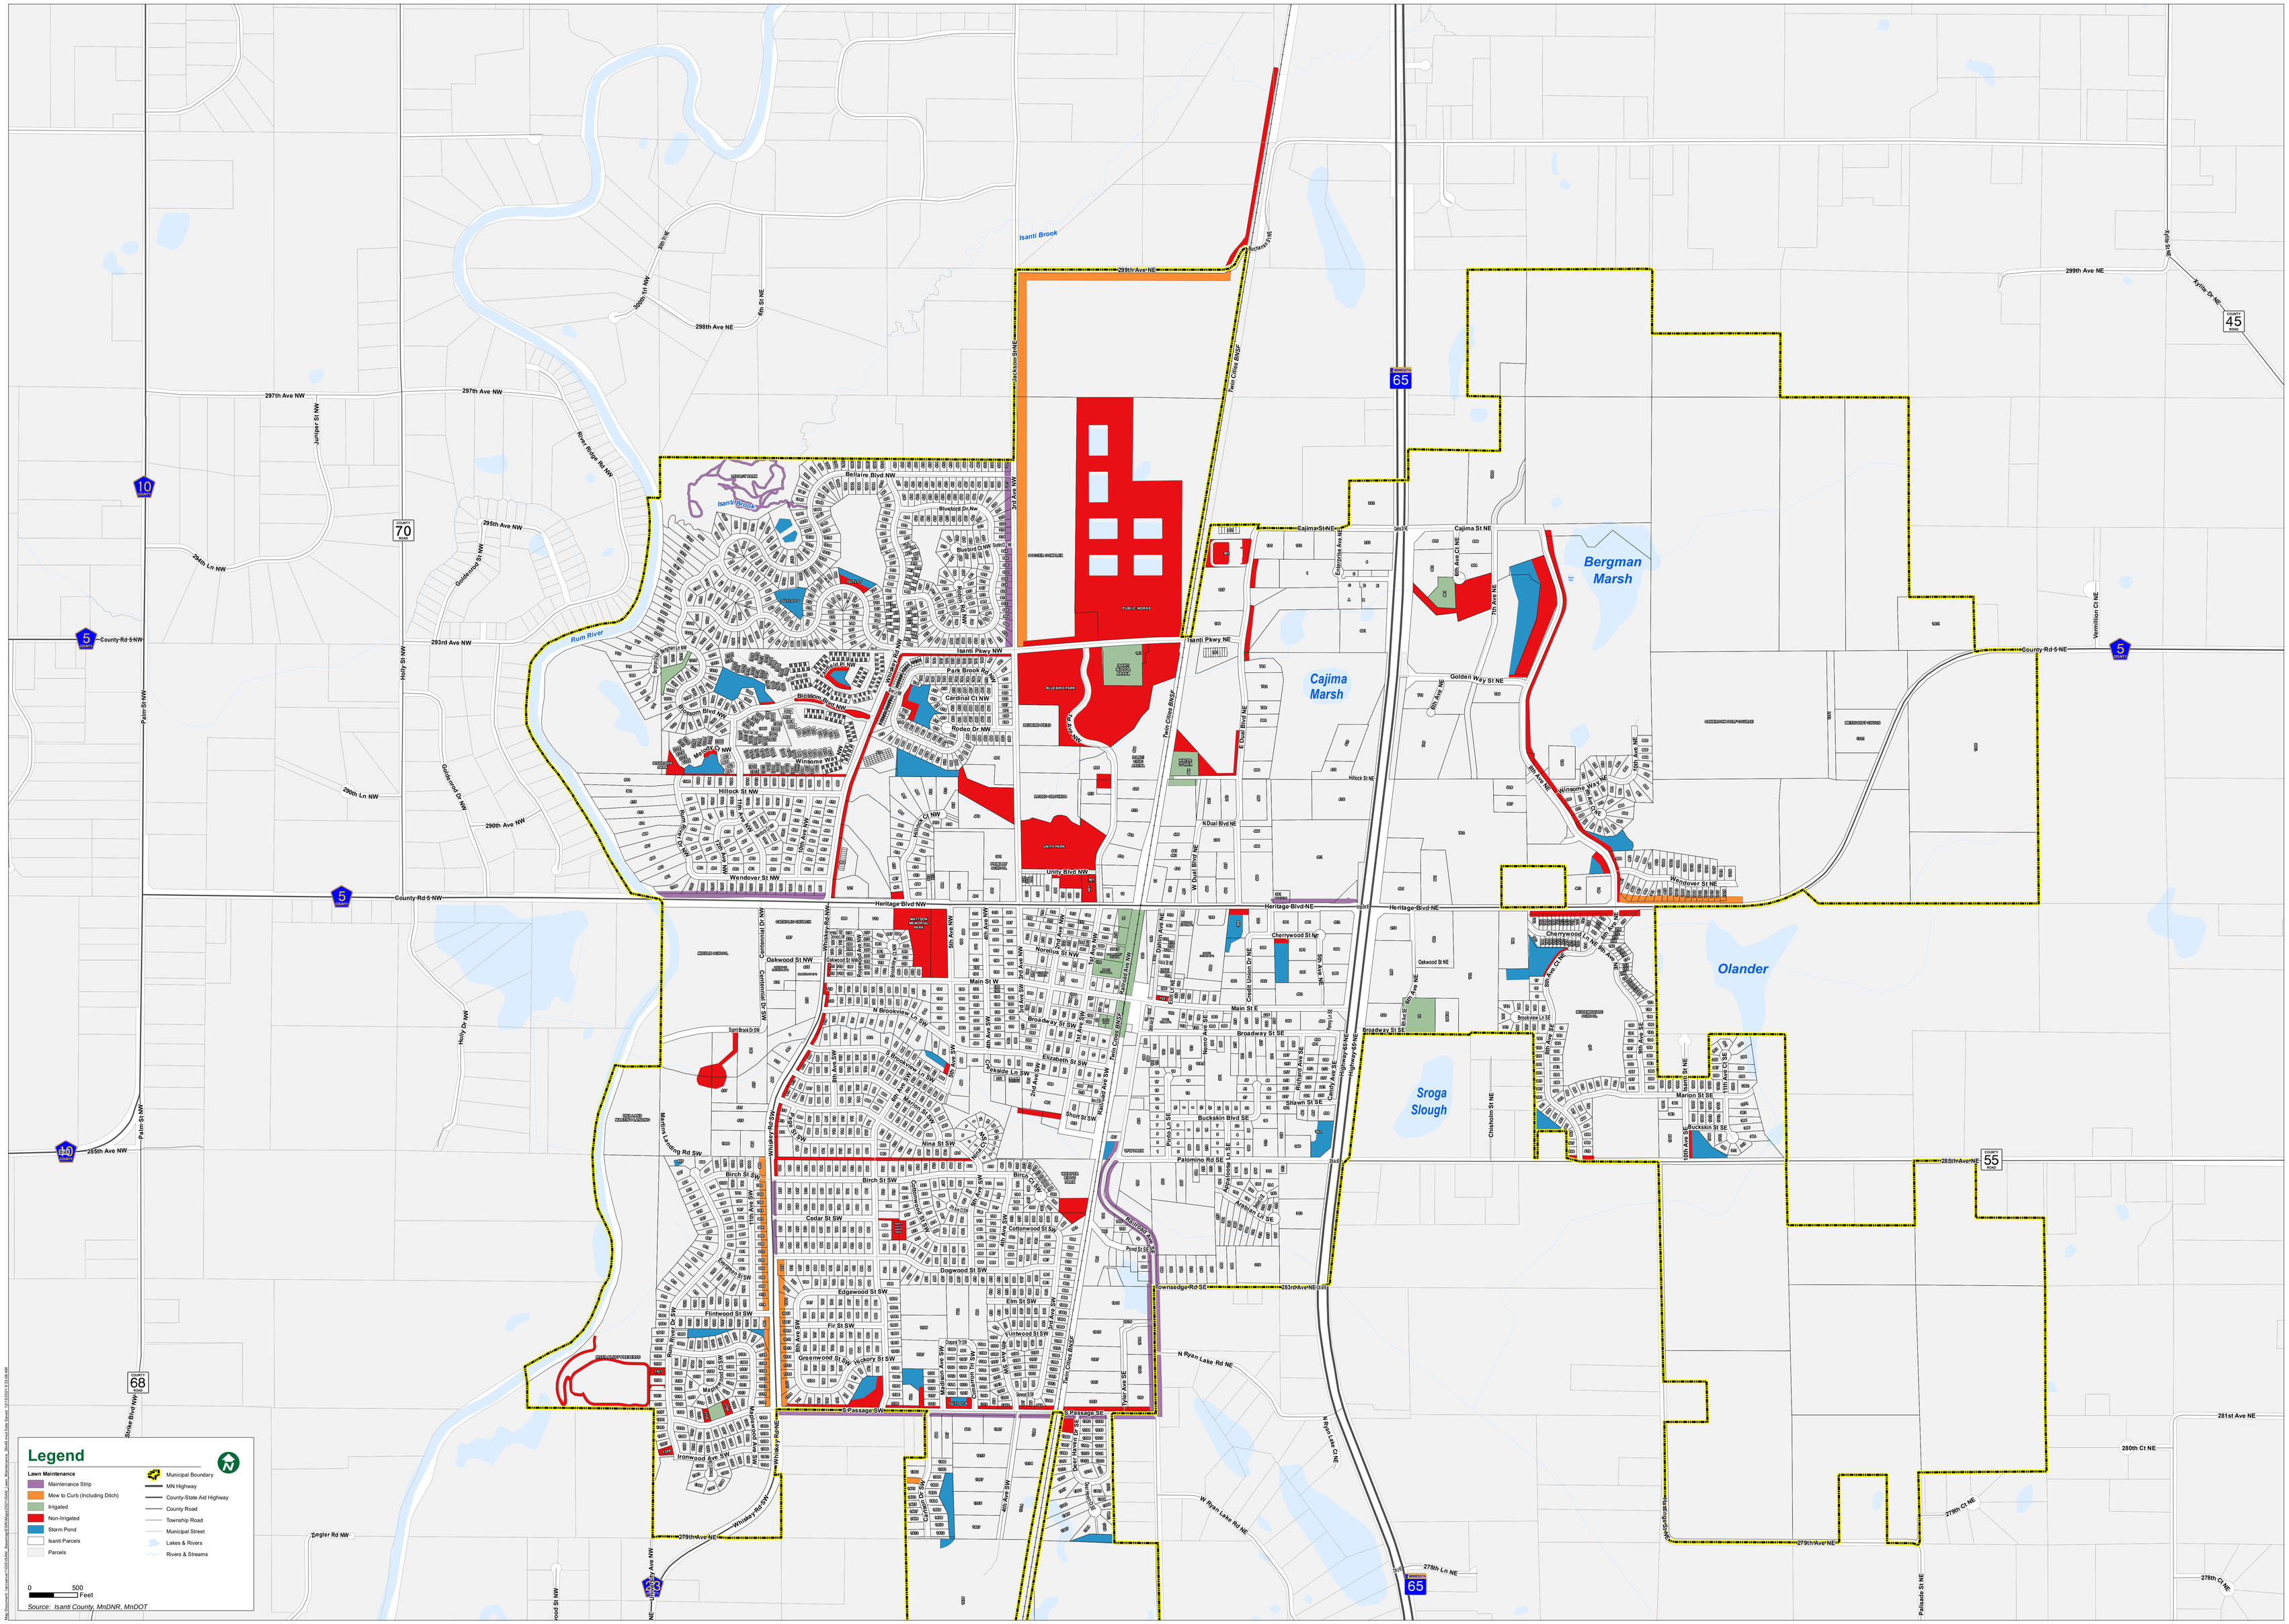
- The path extending from Whiskey Rd SW and terminating on Nina St SW.
- The path extending from Whiskey Rd NW to Rum River Drive NW.
- The path extending on Whiskey Rd NW from Heritage Blvd to Isanti Parkway on the east side.
- The path extending on Isanti Pkwy NW from Whiskey Rd NW to Third Ave on the South side.
- The path extending on South Passage SW from Whiskey Rd SW to Railroad Ave SE.
- The path extending on 8th Ave NE from Cajima St NE to Heritage Blvd NE on the east side.
- The path extending on Heritage Blvd NE to the west and east of 8th Ave SE on the south side.
- The path along outside city limit parcels extending on Railroad Ave SE from South Passage SE to Townsedge Rd SE on the west side.
- The path extending along 285th/CR 55 on either side of 8th Ave SE.
- The path extending along 8th Ave NE from Cajima St NE to Heritage Blvd NE.
- New paths developed by the City; or by Developers or property owners by written agreement and designated for public use.

*Maintenance strip is defined as one pass along each side of the path equivalent to approximately 4 feet.

The City may mow areas to the curb where the designated bike/walking path as outlined above is within 10 feet from the curb as is in the best interest of the City.

<u>The City of Isanti will mow from the designated bike/walking paths to the curb on main corridors into the city as identified below:</u>

- The path extending on Whiskey Rd SW from Heritage Blvd to South Passage SW on the east side where there is an adjacent sidewalk.
- The path extending on Whiskey Rd SW from Heritage Blvd to South Passage SW on the west side where there is an adjacent sidewalk.
- The path extending north along 3rd Ave NW to the northern most section of Cambridge Isanti Bike/Walk Trail that the City of Isanti has agreed to mow.
- The path extending on Heritage Blvd NE from 8th Ave NE to the end of the trail on the north side.



The City of Isanti will mow a maintenance strip** from the curb/pavement on main corridors entering the city as identified below:

- The north side of Heritage Blvd from Whiskey Rd extending west to the City Limits.
- The north side of Heritage Blvd from East Dual Blvd extending east to Highway 65.
- The east side of Whiskey Rd from Birch St extending south to the existing sidewalk.
- The west side of 3rd Ave from Isanti Parkway to City Limits.

**Maintenance strip is defined as two passes equivalent to approximately 8 feet.

The City of Isanti will mow other areas as identified below:

- The railroad property on the west side of the tracks located downtown from Heritage Blvd SW to Broadway St SW.
- The corner railroad property on the east side of the tracks located downtown at southwest intersection of Main St SE and Railroad Ave SE.
- The islands on Blossom Blvd NW.
- All park grounds (does not include grounds to be maintained by user organizations through written agreement or contract).
- All City building grounds and public parking lot areas.
- The south side of South Passage from Whiskey Road to Railroad Ave.
- The ROW of the low ground on the east side of Railroad Ave South of Palomino Rd.

Memo for Council Action

To: Mayor Johnson and Members of the City Council
From: Finance Director Betker
Date: December 21st 2021
Subject: City Enrollment in Utility Assistance Program

Background:
Staff has been contacted by the Energy Program Division of Lakes and Pines Community Action Council to inquire about the City's possible participation in a State funded utility assistance program. The program is intended to help Minnesota residents with Utility bills that are past due. This program has existed for many years but in the past has only provided assistance with primary heat. Covid funding has allowed the program to expand, at least on a temporary basis, to include delinquent water bills as well.
The commitment of the City would be relatively minimal, but not nothing. Staff will have additional duties verifying amounts due and communicating those details to Lakes and Pines, who work on behalf of the State to administer the program. The City would benefit to the extent that this program may help some residents pay past due amounts currently owed to the City.

Recommendation:
Staff is recommending that the Council approve participation in the program.

Action Required:
If the Council concurs, it should by motion, approve the attached Resolution

RESOLUTION 2021-XXX

APPROVING ENROLLMNT IN UTILITY ASSISTANCE PROGRAM

WHEREAS, the State of Minnesota has extended utility assistance beyond primary heat to include water; and,

WHEREAS, the Lakes and Pines Community Action Council has invited the City of Isanti to enroll in the utility assistance program that they administer on behalf of the State of Minnesota; and,

WHEREAS, the City Isanti recognizes the potential benefit to residents that currently have past due water bills;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, as follows:

1. Authorize staff to enroll the City of Isanti in the State funded utility assistance program.
2. Staff is instructed to maintain enrollment so long as the State continues to fund water utility assistance.

This Resolution is hereby approved by the Isanti City Council this 21st day of December 2021.

Chapter 18

Water Vendors

Water vendor participation is essential to efficient operation of the Low-Income Household Water Assistance Program (LIHWAP). LIHWAP is the water assistance component of the Energy Assistance Program (EAP).

Water vendors' roles include providing water and wastewater cost and billing information, applying payments, working with Service Providers and LIHWAP households in emergency situations, conducting outreach, and referring customers in need to the program. Water vendors establish agreements with LIHWAP Service Providers, develop communication processes, and use the web-based eHEAT system to perform these functions. The rules are guided by the LIHWAP regulations, the *EAP Policy Manual,* and related state regulations.

eHEAT (Electronic Household Energy Automated Technology) is web-based software centralizing program activity for Service Providers and water vendors. eHEAT has information about the household's program eligibility and payments. Water vendors use eHEAT to view or download payment information, verify customer's program participation, and initiate refunds. Water vendors register for eHEAT through the Service Provider or directly with the Department of Commerce.

Intention

Enable Service Providers and water vendors to work together to exchange information, make payments and ensure program resources are effectively reducing households' health and safety risks by preventing no water situations or restoring water service.

Chapter Contents

- Payment Requirements
- LIHWAP Benefits
- Agreement, Internal Controls, Registration & Participation Requirements
- Water Vendor Monitoring & Reporting Requirements
- Legal Requirements

Payment Requirements

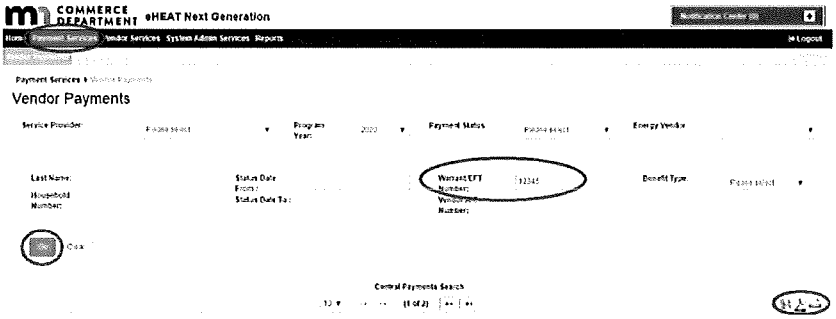
Service Providers authorize payments for water vendors on behalf of eligible households. Service Providers initiate payments in eHEAT. The payments are processed through Minnesota Management & Budget (MMB) by Electronic Fund Transfer (EFT) to the water vendor bank account or mailed as a warrant (check). Water vendors credit LIHWAP payments to the designated account.

Payment Notification

When payments are issued, both MMB and eHEAT send notifications to the water vendor.

MMB notification includes:

- Warrant or EFT number.
- Payment date.
- What agency and program the payment is made on behalf of.
- The total payment amount.



eHEAT notification includes:

- Warrant or EFT number.
- Payment date.

Finding Payment Information

Water vendors use eHEAT to get payment details. To search in eHEAT for payments received, follow the steps below:

1. Go to **'Payment Services'** menu > **'Vendor Payments'** tab
2. Enter the **'Warrant/EFT Number'** in that search field (do not fill in any other search criteria) and click "Go"
3. Results will display below and can be exported by clicking on file type icons  in the upper right corner of the results

Payment Questions

Search eHEAT for payments received following the instructions above. The search will specify the individual payments for each household's account.

If the total of all individual payments does not match the full payment amount you received from the State of Minnesota, please contact the State of Minnesota SWIFT help desk hotline at 651-201-8106 or efthelpline.mmb@state.mn.us. SWIFT handles payments for all State departments and can assist in identifying the full payment amount.

Direct all other questions regarding payments to the Service Provider. If the Service Provider cannot resolve your question, they may refer you to the Department of Commerce.

Assignment of Payments

Water vendors must apply LIHWAP payments only to the household accounts designated for payments by EAP/LIHWAP. Payments may only be used for the costs of home water and wastewater services, as required by federal law. EAP/LIHWAP payments cannot be used to pay for other items such as service contracts, electric, natural gas, garbage, cable, internet, telephone, or other merchandise. Water vendor EAP/LIHWAP payment records must match the Service Provider's payment records. Charges against credits must be verifiable. If non-EAP/LIHWAP credits exist on an account, the EAP/LIHWAP payment must be applied first. If the household account is active, EAP/LIHWAP benefits must remain on the household account, unless the household discontinues as a customer or the Service Provider requests a refund. In each case, refunds must be made to EAP/LIHWAP. (See **Refunds** section below)

Name on Energy Accounts

The name on the household water vendor account should match the name of a household member listed on the EAP/LIHWAP application. If the name on the household water account is not a household member's name, EAP/LIHWAP expects the Service Provider to get assurance the grant is going to intended recipients at the intended address. To get assurance, Service Providers will follow this procedure, and water vendors must assist the Service Provider as needed:

- Contact household and ask why the account is not in a household member's name.
- Ask the household to get a household name on the account. If there are barriers, the Service Provider assists the household to remove these barriers.
- If unable to get the account in a household member's name, the Service Provider verifies the reason the household names do not match and ensures the account is for the household's address (e.g., confirm with vendor or landlord).
- If the Service Provider cannot verify a match of the account address and the household address, the household may not receive EAP/LIHWAP benefits.
- The Service Provider makes notes in eHEAT.

Ownership of Assistance

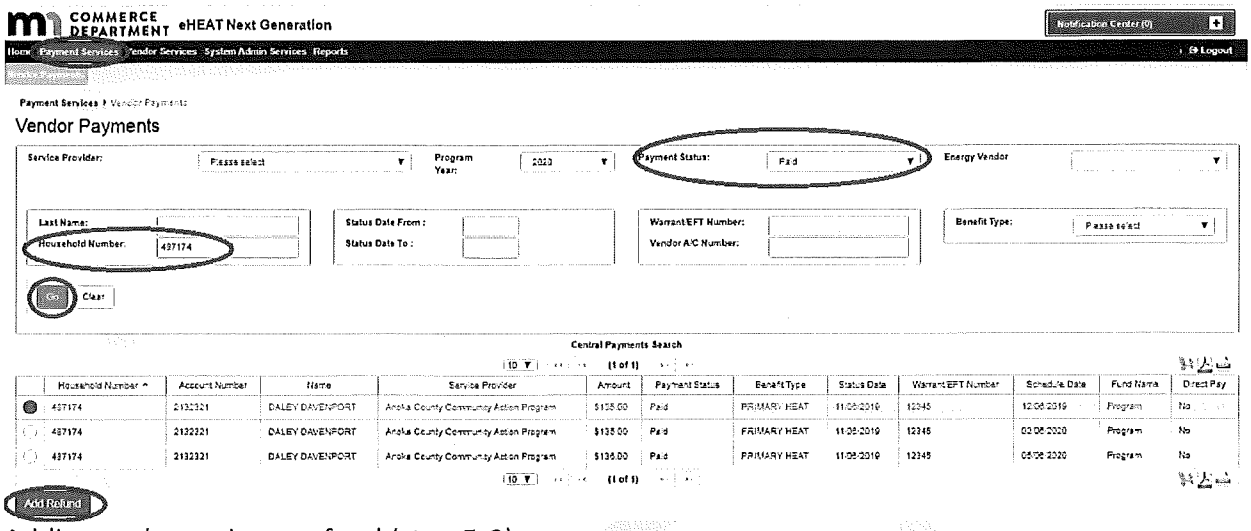
EAP/LIHWAP funds always belong to the program. The EAP/LIHWAP benefit is provided to the household to purchase water or wastewater services. At the end of the program year, any unspent EAP/LIHWAP benefits must remain on the household account for future water or wastewater costs. Households cannot request cash refunds.

If a household discontinues as a customer, the water vendor should follow refund policies to return any unused EAP/LIHWAP funds to the program. Water vendors should never use unclaimed property procedures for EAP/LIHWAP funds.

Refunds

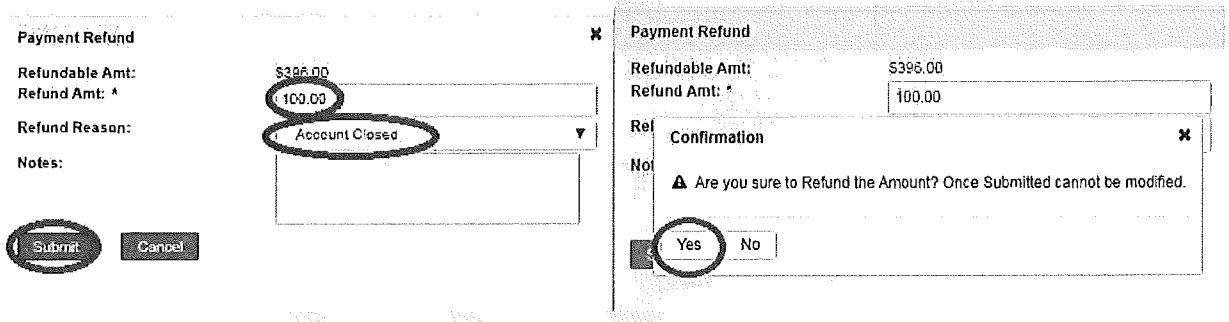
Water Vendors must refund unused EAP/LIHWAP payments back to the program if at any point the household discontinues as a customer or at the Service Provider's request. The refund must be made within 10 days of the water vendor's termination of the account or the Service Provider request.

Refunding Current Program Year Benefits



Current program year refunds should be entered in eHEAT if a water vendor is an eHEAT user. eHEAT reconciles the refund by deducting the refund amount from subsequent payments. If the water vendor does not receive a subsequent payment from EAP/LIHWAP, the water vendor may be required to send a check to reconcile accounts. Contact Commerce with questions regarding this process at 651-539-1869 or eheat.doc@state.mn.us.

Entering Refunds in eHEAT



After ensuring a refund meets the guidelines described above, the water vendor should follow the steps below to enter a refund in eHEAT and contact the Service Provider with any questions:

1. Go to 'Payment Services' menu > 'Vendor Payments' tab.
2. Enter the household number for the customer receiving the refund and the 'Payment Status' 'Paid' and click 'Go'.
3. Click the radio button next to the household number for any payments for that household.
4. Click the 'Add Refund' button. The 'Payment Refund' screen will appear.
5. Enter refund amount in 'Refund Amt' field and select the reason from 'Refund Reason' list.
6. Add any notes for the Service Provider in the 'Notes' field.
7. After all refund information is entered then select the 'Submit' button.
8. A message asks to confirm the refund, click 'Yes' to confirm.
9. A status message will show in the upper right corner 'Refunded Successfully'.

Finding a payment to refund (steps 1-4)

Adding and entering a refund (step 5-9)

Payments Made in Error

A water vendor suspecting a household received assistance in error must report the issue to the Service Provider. If the Service Provider determines a payment was made in error and that the action requires the water vendor to refund the payment, the water vendor must follow refund instructions to return the funds to EAP/LIHWAP.

LIHWAP Benefits

Eligibility Requirements

To receive an EAP/LIHWAP benefit, a household occupy the dwelling at the time the EAP/LIHWAP assistance is requested and the benefit is determined and must be in one of the following situations:

- Have water or wastewater service currently shut off.
- Have a current water or wastewater disconnection notice.
- Have a past due water or wastewater bill.

Amount of EAP/LIHWAP Benefit

The amount of the EAP/LIHWAP benefit is the current balance, including any fees, up to $1,200.

If the amount needed to resolve the emergency is less than the maximum crisis benefit, the payment amount is rounded up to the nearest dollar to ensure resolution of the emergency. For example: if the amount needed to resolve the emergency is $193.56 the correct payment amount is $194.00. EAP/LIHWAP payments must not result in a credit on the household's account. However, due to rounding as explained above, payments to water vendors may result in a small credit of less than $1.00. If a water vendor identifies an EAP/LIHWAP payment that creates a credit over $1.00, they should immediately report it to the local Service Provider.

EAP/LIHWAP Information Requirements

Water vendors must provide household account information upon Service Provider request. The Service Provider uses water vendor information to verify and document the household's situation to determine EAP/LIHWAP eligibility and benefits.

Water vendors may be asked to provide information such as:

- Water and wastewater account past due and current balance owed amounts.
- Fees not included in water and wastewater account balance owed, if any.
- Date the water or wastewater service was shut off.
- Scheduled disconnection date.
- Annual water and wastewater bill amounts.

Verifying EAP/LIHWAP Payments before applying to household's account

Water vendors help ensure accurate benefits are applied to household accounts. Before applying an EAP/LIHWAP payment to a household's account, the water vendor must ensure the Crisis payment will not generate a credit on the account of more than $1.00.

If a water vendor questions a household's eligibility for an EAP/LIHWAP payment, report it immediately to the Service Provider or, when appropriate, to the Department of Commerce.

Agreement, Internal Controls, Registration & Participation Requirements

Agreement Between Water Vendor and Service Provider

The *Agreement Between Water Vendor and Service Provider* specifies the requirements to receive EAP/LIHWAP payments to a water vendor's customer accounts. Signing the agreement

establishes formal expectations for both parties. The agreement details the roles of the program and water vendor including applying payments, communication, eHEAT security administration, data practices, and agreement to follow the policies outlined in the *EAP Policy Manual*. Every water vendor must sign an agreement to receive payments on behalf of a household. See the *Agreement Between Water Vendor and Service Provider*.

Water Vendor Internal Controls Responsibility

Service Providers, water vendors, and households are part of a Coordinated Responsibility Model where each party is responsible to ensure accuracy, effectiveness, efficiency, and integrity of EAP/LIHWAP services. Water vendors help ensure accurate benefits by providing household account and billing status information. Inaccurate account information can affect benefit accuracy and put program integrity at risk.

In addition, water vendors should conduct EAP/LIHWAP activity control measures to prevent and detect discrepancies, non-compliance, and other issues that may occur, by:

- Conducting control measures before applying a payment to a household's account to provide assurance that an accurate benefit is being provided.
- Conducting post-payment control measures to identify any issues not previously detected.

Water vendors should conduct routine control measures to identify situations and to ensure compliance:

- Account credits: Payments don't create a credit over $1.00 on a household's water or wastewater account.
- Account for an unoccupied dwelling: Payments are applied to only active accounts at occupied dwellings.
- Households that have discontinued as customers: Refunds to EAP/LIHWAP are within 10 days of the change.
- Questionable payments: Payments are questioned if they appear abnormal to EAP/LIHWAP practices.
- Two EAP/LIHWAP households' payments to one account: Only one EAP/LIHWAP household's payments are applied to one account.

Contact the Service Provider with questions or issues. Water vendors must report any known suspected fraud, error, or abuse. If a pattern of payments does not appear to comply with EAP/LIHWAP policies, please report concerns to Commerce at eap.mail@state.mn.us.

Water Vendor Registration and Change of Vendor Information

To receive payments on behalf of a household, a water vendor must be registered with Commerce and Minnesota Management & Budget (MMB). Water vendors register by submitting the completed *Vendor Registration for EAP Payments* form to their local Service Provider, which is then provided to Commerce to complete the registration process. Registration information must include:

- Full Legal Business Name (TIN Name).
- Common Name (DBA), if any.
- Business location address and mailing address.
- Business Phone Number.
- Contact name, phone number, and email address.
- Service Providers working with.
- Federal Tax Number.
- Completed and signed IRS Form W-9.
- State Identification Number (nine-digit number).
- If the Business is a Corporation, Partnership or Individual SSN.
- Minnesota Management & Budget (MMB) Vendor ID Number (if already an approved MMB Vendor): 11-digit number.

To receive payment, water vendors must have an MMB Vendor Registration Number (also referred to as a Vendor ID Number or a SWIFT ID Number). Commerce will register new water vendors with MMB as part of the eHEAT registration process.

Water vendors can submit changes in their registration information (e.g., change of business name, contact information, change in payment information, etc.) to their local EAP/LIHWAP Service Provider. The Service Provider will inform Commerce by emailing updated information to eheat.doc@state.mn.us. To change banking information, water vendors must contact MMB.

Implement and Maintain eHEAT Security Policies

Water vendors must have processes in place to manage eHEAT access to ensure only current, authorized users have eHEAT access. Users must only have access to eHEAT features necessary for their work assignments.

Off-Boarding Process

Water vendors are required to immediately deactivate users when needed. If the water vendor's eHEAT Administrator needs to be deactivated, email eheat.doc@state.mn.us. Water vendors must have off-boarding (staff leaving employment) procedures in place, for example an off-boarding checklist, that includes deactivating eHEAT access.

eHEAT Access Check

The water vendor eHEAT Security Administrator must conduct routine eHEAT access checks to ensure only the appropriate users are active in eHEAT. There are two user statuses in eHEAT:

- **Active**: user has eHEAT access.
- **Deactivated**: user does not have current eHEAT access due to inactivity for over 60 days or because they were deactivated by an eHEAT Administrator. User needs to be reactivated by an eHEAT Administrator to regain access. eHEAT continues to list every user that had eHEAT access.

The water vendor eHEAT Security Administrator's authorization includes:

- Limiting access to authorized personnel only.
- Ensuring each user is assigned a unique user ID.
- Ensuring email addresses associated with each user ID are current.
- Creating new user groups that combine features in eHEAT for staff positions.
- Editing existing users' user groups as new features are assigned or no longer performed.
- Immediately deactivating eHEAT users:
    - Upon permanently leaving a position requiring eHEAT access.
    - Upon administrative leave or suspension.
    - When no longer employed by the water vendor.
    - If on other leave, laid off, on an extended vacation, or reassigned to non-EAP/LIHWAP duties for 30 days or longer.
- Ensuring the private data provided by eHEAT features to employees is appropriate for their job and responsibilities.

Water Vendor Monitoring & Reporting Requirements

Monitoring water vendors is essential to ensure program quality and integrity. An EAP/LIHWAP water vendor is bound by the requirements of the Low-Income Household Water Assistance Program and the *Agreement Between Water Vendor and Service Provider*. Monitoring can also ensure water vendors follow these rules. Service Providers are required to monitor water vendors.

Water vendors must be able to reproduce the account balance information they provided for each household upon request. Monitoring helps ensure account information provided by the water vendor was accurate and true and payments were appropriately applied.

Access to Records

Water vendors must allow the Service Provider and Commerce access to their records for compliance monitoring. Monitoring includes verifying transactions between the water vendor and the Service Provider. This includes but is not limited to cost information, application of payments to household accounts, billing to eligible households, providing equal services to EAP/LIHWAP eligible households, and any or all other activities agreed to in the *Water Vendor Agreement*.

Legal Requirements

Water vendor participation is subject to federal and state statute and regulation. Federal, Commerce or Service Provider officials may audit water vendor records pertaining to EAP/LIHWAP. Audits may occur for program activity up to three years after the program year has closed and until action conducted during this period has ended.

Non-Discrimination

Water Vendors cannot penalize or discriminate against customers for participating in EAP/LIHWAP. The United States Department of Health & Human Services states that a LIHWAP-eligible household must not be treated adversely or differently from other households because of receiving water assistance and water vendors will not discriminate in services provided to the eligible household on whose behalf payments are made.

Services available to a water vendor's customers in general cannot be denied to a household solely because of the household's EAP/LIHWAP eligibility. These services may include:

- Availability of price and fee list.
- Deferred payments.
- Budget payment plans.
- Conditions of sale, credit, or price.
- Discounts for cash or prompt payment.
- Any service designed to benefit or assist the water vendor's customer.

It is not discrimination under the statute to provide additional benefits for households receiving EAP/LIHWAP services. Additional benefits, especially those that increase the buying power of EAP/LIHWAP grants, are desirable and encouraged.

Data Privacy

Water vendors must protect personally identifiable information (PII). EAP/LIHWAP information, including application and eligibility status of households, is classified as private data under the

Minnesota Government Data Practices Act (MGDPA), Minn. Stat. Ch. 13. Immediately report possible violations to Commerce.

When communicating with Service Providers about EAP/LIHWAP participants, water vendors should use EAP/LIHWAP household numbers instead of names, addresses or other PII. For example, use "HH 123456" instead of "John Doe." If it is necessary to use PII like names or addresses, water vendors must use a secure form of communication such as encrypted email.

Sharing EAP/LIHWAP Private Data with Water Vendors

Applicants sign the EAP/LIHWAP application to authorize use of their private data to determine eligibility and provide EAP/LIHWAP services. This authorization is documented in the household's file. New uses of the data contained in the EAP/LIHWAP application or the household's file require a new authorization from the data subject.

The household data collected by EAP/LIHWAP has restricted uses. Generally, an EAP/LIHWAP household's consent allows their data only to be used for determining and delivering EAP/LIHWAP services. Use of EAP/LIHWAP household private data details are in *Your Rights and Responsibilities Privacy Notice* (also known as the *Privacy Notice*) and the "Consent and Signature" Part of the *Minnesota Energy Programs Application* provided to the households.

EAP/LIHWAP only requests information necessary to provide services. This is as required by the Privacy Act of 1974, 5 U.S.C. § 552a and the MGDPA. Under the Privacy Acts, water vendor, Service Provider, and Commerce staff must only be provided the private data necessary to perform their duties for the purposes listed in the *Privacy Notice*. The MGDPA, under Minn. Stat. §13.055, subd.1. (d) states: "'Unauthorized person' means any person who accesses government data without a work assignment that reasonably requires access, or regardless of the person's work assignment, for a purpose not described in the procedures required by section 13.05, subdivision 5."

EAP/LIHWAP data provided to water vendors are limited to information necessary to obtain water vendor account information and to allow water vendors to apply EAP/LIHWAP benefits to customer accounts. The household data required are available to water vendors through the water vendor's access to eHEAT. The information is needed to verify the household's EAP/LIHWAP eligibility and the amount to apply to the household's account.

To illustrate, EAP/LIHWAP collects data on household income and household size, but these data are not required to apply EAP/LIHWAP payments to customer accounts. Therefore, these data are not provided to the water vendor.

The water vendor must obtain an *Informed Consent for Release of Data* signed by the household before requesting EAP/LIHWAP household data for any other use or program.

Additional information is available Chapter 11 - *Data Practices and Records* of the *EAP Policy Manual*.

Safe at Home Program

EAP/LIHWAP follows the guidelines of the Safe at Home (SAH) program, which helps survivors of domestic violence, sexual assault, stalking, or others who fear for their safety to establish a confidential address. SAH allows its participants to go about their lives without leaving traces of where they live to keep their abuser from locating them.

Participants use a SAH assigned address and the Secretary of State's office forwards their correspondence to their actual mailing address. SAH participants cannot be required to disclose their physical address. The SAH Program may be contacted at 1-866-723-3035 with questions or to confirm a SAH applicant's participation in SAH.

Water vendors must work with Service Providers to safeguard the identity and address of SAH participants if the address is known. Additional information about SAH is found in Chapter 2 - *Applications & Application Processing* of the *EAP Policy Manual*.

SAH is governed by Minn. Stat. § 5B and Minn. Rules § 8290.
