Jason W Cook, P.E.
Phone: 763-433-2851
Jason.Cook@bolton-menk.com

Project Updates:

The City website will post project updates at the following location:
<https://www.cityofisanti.us>

Project Summary

BNSF Railroad has initiated a project to replace the concrete planking along their tracks at the South Passage crossing. The City has contracted with ATECH Corp. to perform the street and trail patching that will be needed once BNSF Railroad complete their planking replacement work.

Project Schedule

You can anticipate the following workflow for this project:

- 1) Beginning Monday June 1, 2026, South Passage will be closed at the BNSF railroad crossing. See detour route on the back of this notice.
- 2) Once the closure is in place, construction will take place over the following 1-2 weeks.

Please note that construction schedules and operations are controlled by **BNSF Railroad** and are subject to change based on weather and construction progress.

Thank you for your cooperation during this construction project. If you have any questions or concerns during the project, City Engineer Jason Cook will be able to assist you at the phone number or email listed.
