## **PURCHASE AGREEMENT**

This Agreement is entered into by and between the **City of Isanti**, a Minnesota municipal corporation (“Seller”), and **Special Tools, Inc.**, a corporation under the laws of Minnesota (“Buyer”).

- 1. EFFECTIVE DATE.** The effective date of this Agreement is \_\_\_\_\_, 2021 (the “Effective Date”).
- 2. SALE OF PROPERTY.** Seller agrees to sell to Buyer, and Buyer agrees to buy from Seller the Property legally described as follows:

Lot 00A of Isanti Centennial Complex 3<sup>rd</sup> Rearrangement, County of Isanti, State of Minnesota

Isanti County PID Number: 16.125.0020

- 3. PURCHASE PRICE.** The purchase price for the Property is \$1.00 (the “Purchase Price”).
- 4. EARNEST MONEY.** None.
- 5. SURVEY.** Buyer may, at Buyer’s expense, obtain a survey (the “Survey”) from a duly licensed surveyor. If so obtained, a copy shall be provided to Seller within 30 days of receipt by Buyer.
- 6. TITLE COMMITMENT.**
  - a. Seller makes no representations or warranties with respect to the status of title to the Property. Within 30 business days after the Effective Date, Buyer may, at Buyer’s expense, obtain a commitment from Escrow Agent to issue an owner’s policy of title insurance insuring Buyer’s title to the Property (the “Title Commitment”) and deliver the Title Commitment and copies of or internet access to copies of all recorded documents referenced in the Title Commitment to Buyer.
  - b. Buyer shall have until the date 30 days after the receipt of the Title Commitment to review Title and to give Seller written notice of (i) any defects in the marketability of Seller title to the Property or any encumbrances on Seller’s title to the Property that are objectionable to Buyer, and (ii) the specific actions Buyer requests that Seller take with respect to each such defect or encumbrance (a “**Title Objection Notice**”). Any defects in or encumbrances on Seller’s title that Buyer does not identify in a timely

Title Objection Notice are each a “**Permitted Exception**.” Within three business days after Seller’s receipt of a Title Objection Notice from Buyer, Seller will notify Buyer, in writing, of the actions, if any, that Seller is willing to take with respect to each of the matters identified in the Title Objection Notice and the time frame in which Seller will take those actions (“**Seller’s Title Notice**”). If Seller’s Title Notice indicates that Seller unconditionally agrees to make Seller’s title to the Property marketable on or before the closing date established pursuant to Section 10, the parties shall proceed to closing pursuant to the terms of this Agreement. If Seller’s Title Notice indicates that Seller does not unconditionally agree to make Seller’s Title to the Property marketable on or before the closing date established in Section 10, Buyer may, at any time with three business days after Buyer’s receipt of Seller’s Title Notice, terminate this Agreement by written notice to Buyer in which case this Agreement is terminated (“**Buyer’s Title Termination Notice**”). If Buyer does not deliver a Buyer’s Title Termination Notice to Seller within the three business days after Buyer’s receipt of Seller’s Title Notice, than Seller must perform in accordance with Seller’s Title Notice, Buyer shall be deemed to have waived Buyer’s objections to the extent Seller has not agreed to address them in Seller’s Title Notice, the matters to which Buyer objected and Seller did not agree to resolve are deemed Permitted Exceptions, and the parties shall proceed to Closing in accordance with the terms of this Agreement and the terms of Seller’s Title Notice.

**7. RIGHT OF ENTRY.** Buyer (and its employees, agents, and contractors) may enter the Property for the purpose of conducting soil tests, environmental tests and additional survey work, subject to the following conditions:

- a. Within one week after the termination of this Agreement, if either Seller or Buyer terminate this Agreement in accordance with the provisions hereof prior to Closing, Buyer must repair and or restore any damage Buyer or its employees, agents or contractors cause to the Property and remove any personal property, refuse or debris Buyer or its employees, agents or contractors brought onto or authorized third parties to bring onto the Property.
- b. Buyer must defend and indemnify Seller from and against and hold Seller harmless Seller from all “Claims,” as defined in Section 10, arising out of, resulting from or relating to any loss of or damage to any property or business or out of any injury to or death of any person, if the loss, damage, injury, or death arises or is alleged to arise either directly or indirectly and either wholly or in part from: (a) any action or omission of Buyer or its employees, agents, or contractors, while on the Property pursuant to this Section; or (b) actions or omissions of Buyer or Buyer’s employees, agents, or contractors that cause or result in the release of any Hazardous Substance onto the Property or onto other property.
- c. Buyer must comply with and shall cause it employees, agents, and contractors to comply with all applicable laws, while on the Property.

- d. Other than a standard Phase 1 environmental assessment, Buyer may not commence any environmental testing on the Property until Buyer submits a work plan for such testing to Seller and Seller approves the work plan, in writing. Seller may not unreasonably withhold, condition or delay Seller's approval of a work plan.
- e. Buyer must, promptly and without demand from Seller, provide Seller with true and complete copies of all draft and final reports relating to Buyer's geotechnical and environmental investigations and testing of the Property including, without limitation, any reports relating to any Phase I Environmental Site Assessment of the Property.
- f. The cost of any test or additional survey work will be borne solely by Buyer.

**8. PROPERTY SOLD AS IS.** Subject to Buyer's right to terminate this Agreement pursuant to Section 9, Buyer agrees to accept the Property in its current condition, including, without limitation, its current environmental and geological condition, and in an "AS-IS" and with "ALL FAULTS" condition. Buyer's payment of the Purchase Price at Closing constitutes Buyer's acknowledgment and agreement that:

- a. Seller has not made any written or oral representations or warranties of any kind with respect to the Property (including without limitation express or implied warranties of title, merchantability, or fitness for a particular purpose);
- b. Buyer has not relied on any written or oral representation or warranty made by Seller, its agents or employees with respect to the condition or value of the Property;
- c. Buyer has had an adequate opportunity to inspect the condition of the Property, including without limitation any environmental testing, and to inspect documents applicable thereto, and Buyer is relying solely on such inspection and testing; and
- d. The condition of the Property is fit for Buyer's intended use.
- e. Buyer accepts all risk of Claims (including without limitation all Claims under any Environmental Law and all Claims arising at common law, in equity or under a federal, state or local statute, rule or regulation) whether past, present or future, existing or contingent, known or unknown, arising out of, resulting from or relating to the condition of the Property, known or unknown, contemplated or un contemplated, suspected or unsuspected, including without limitation the presence of any Hazardous Substance on the Property, whether such Hazardous Substance is located on or under the Property, or has migrated from or to the Property.

**9. INSPECTION PERIOD.**

- a. Except as otherwise provided in Section 6, Buyer shall have **90 days from the Effective Date** (the “**Inspection Period**”) to investigate the Property and determine, in Buyer’s sole judgment, whether (i) the condition of the Property is suitable to Buyer’s intended use; and (ii) Buyer will be able to obtain all governmental approvals (including, but not limited to, approvals necessary to subdivide and re-plat the Property, if applicable) and utilities necessary for Buyer’s intended use of the Property. Buyer acknowledges and agrees that Seller has not made any covenants, representations or warranties regarding Buyer’s ability to obtain governmental approvals from the City of Isanti or any other governmental entity. The City of Isanti will review, consider and act on any applications Buyer submits to the City for governmental approvals in accordance with City Code.
- b. Buyer may, at any time on or before 5:00 p.m. on the last day of the Inspection Period, terminate the Agreement by written notice to Seller based on Buyer’s determination, in Buyer’s sole and absolute discretion, that the condition of the Property is not suitable for Buyer’s intended use or that Buyer may not be able to obtain all governmental approvals and utilities necessary for Buyer’s intended use of the Property. In addition, this Agreement automatically terminates at 5:00 p.m. on the last day of the Inspection Period unless, prior to that time Buyer delivers a written notice of Buyer’s intention to proceed (a “**Notice to Proceed**”) to Seller.

## CITY OF ISANTI

### DEVELOPMENT AND SUBSIDY AGREEMENT FOR SPECIAL TOOLS, INC

This Agreement (hereinafter the “Agreement”) is entered into this 21st day of September, 2021 by and between the **City of Isanti**, a Minnesota municipal corporation (the “**City**”) and **Special Tools, Inc**, a corporation under the laws of Minnesota (the “**Developer**”).

1. Subject Property. Developer is, or will be, the owner of the Subject Property legally described as Lot OOA Isanti Centennial Complex 3<sup>rd</sup> Rearrange, County of Isanti, State of Minnesota, PID Number 16.125.0020. Sale of the Subject Property by the City to Developer at a price below market value is the subsidy contemplated by this Agreement.
2. Conditions of Approval. The City has approved development of the Subject Property, as subsidized by the City, subject to satisfaction of the following conditions:
  - a. The Developer’s Execution of this Agreement. That the Developer enter into this Agreement.
  - b. Marketable Title. That the Developer obtain, and retain, title to the Subject Property.
  - c. Proof of Authority. That the Developer provide proof that its governing board authorized the Developer’s execution of this Agreement. This proof of authority may be satisfied by providing the City with a certified copy of the minutes of the governing board.
  - d. Site Plan. That Developer’s site plans, as required by the Isanti City Code, be completed by Developer and reviewed and approved by the City.
3. The Plans. The term “Plans” as used in this Agreement means the Site Plans prepared by Developer. The Plans are subject to: (a) Planning Commission review;

(b) approval of the City Council; and (c) such further revisions as the Developer may propose and the City approves. The Plans shall not be attached to this Agreement but are in the City's files.

4. Required Private Improvements. The private improvements the Developer will construct or install are as follows:

- a. Sanitary sewer
- b. Water
- c. Storm drainage facilities
- d. Stormwater maintenance
- e. Parking lot
- f. Concrete curb and gutter
- g. Lot grading
- h. Landscaping

5. Payment of Development Fees. Developer shall, contemporaneously with execution of this Agreement, deposit with the City an escrow of \$5,000 to cover the cost of legal fees, engineering fees, administrative expenses and other costs related to the Development. Any funds remaining in the escrow account(s) after the completion of the Development shall be refunded to the Developer. In the event the escrow account balance is reduced to \$1,000 or less, the Developer shall post additional sums of money to replenish the account to a maximum of \$2,000 to cover projected City costs as determined by the City. The escrow account shall always have a balance of no less than \$1,000.00. The Developer shall be entitled, upon request, to an itemized statement of all costs and fees charged against the Developer's escrow account. Sanitary Sewer Connection (Trunk) Fees, Water Connection (Trunk) Fees are collected at the time the building permit is issued.

6. Developer Defaults. If the Developer defaults in the performance of one or more of the Developer's obligations under this Contract, i) the City gives the Developer 30 days' written notice of the default and ii) the Developer fails to cure the default within said 30 days, then the City may pursue any and all remedies available at law or in equity including, but not limited to, the following:

- a. The City may, at its option, perform or engage one or more third parties to perform the Developer's obligations. If, in the reasonable judgment of the City's staff, the Developer's default creates an immediate risk to public health or safety, the City may perform or engage one or more third parties to perform the work before the City provides the notice described in the initial paragraph of this Section, but the City must use commercially reasonable efforts to notify the Developer as promptly as possible that the City is undertaking to perform the Developer's obligation or obligations. If the City performs one or more obligations of the Developer, the Developer must reimburse the City for any costs or expenses the City incurs, including costs and expenses for City staff time, to perform the work within 30 days

after the City notifies the Developer, in writing, of the costs and expenses the City incurred to perform the work. If the Developer does not reimburse the City within said 30 day period, the City may pursue any remedies available to the City either at law or in equity or, in the alternative, the City may draw on the financial guaranty the Developer has provided to the City pursuant to this Agreement to reimburse itself for the expenses the City incurs to perform the work. This Agreement is a license for the City to act, and it shall not be necessary for the City to seek a Court Order for permission to enter the Developer Property. As an alternative to seeking recovery from the Developer or the financial guaranty, the City may levy special assessments against the Developer Property in accordance with Minnesota Statutes Section 429, and the Developer, for itself and its successors in title, hereby expressly waives any and all substantive and procedural objections or defenses the Developer may have to such special assessments;

- b. The City may commence an action in Isanti County District Court to pursue any remedy available to the City at law or in equity including, but not limited to, injunctive relief;
- c. The City may refuse to grant building permits for improvements to be constructed on the Subject Property until the Developer has cured all of its defaults; and
- d. The City may draw upon all or any portion of the financial guaranty the Developer has provided to the City and (i) use all or any portion of the proceeds from the financial guaranty to reimburse the City pursuant to subsection (a) above; (ii) use all or any portion of the proceeds from the financial guaranty to satisfy any judgment the City obtains against the Developer pursuant to subsection (b) above; (iii) use all or any portion of the proceeds to reimburse the City pursuant to Section 11 (j) below; and (iv) hold all or any portion of the proceeds for a reasonable time for the future application as described in subsections (i), (ii) and (iii) of this paragraph.

7. Business Subsidy. As a condition of developing the Subject Property, Developer and City agree to the following terms:

- a. Subsidy. Developer acknowledges and agrees that it received a business subsidy from the City in the form of a reduced purchase price for the Subject Property. The Subject Property is valued at \$81,700. The City sold the Subject Property to Developer for \$1. The value of the subsidy is the difference between the County Assessor's value and the purchase price.
- b. Public Purpose. The public purposes for granting the subsidy are to create jobs within the City of Isanti and to increase the City's tax base.

- c. Subsidy Goals. Developer shall create a minimum of 5 full-time, or full-time equivalent, jobs within two years of the date of this Agreement. All jobs shall meet or exceed State minimum wage requirements. Developer shall continue to meet or exceed said employment goals for at least five years after the date of this Agreement. In the event these requirements are not met, Developer shall pay the City the amount of the subsidy in a single lump sum payment or as otherwise agreed to in writing by the parties.
  - d. Statement of Need. Developer represents that without the business subsidy contemplated by this Agreement, Developer would not relocate its existing business to the City.
  - e. Reporting. Developer shall provide reports to the City as required by Minnesota Statutes section 116J.994, subdivision 7, on forms provided by the City.
8. Miscellaneous.
- a. Invalidity of Any Section. If any portion, section, subsection, sentence, clause, paragraph or phrase of this Agreement is for any reason invalid, such decision shall not affect the validity of the remaining portion of this Agreement.
  - b. Written Amendments Only. The action or inaction of the City or the Developer shall not constitute a waiver or amendment to the provisions of this Agreement. To be binding, amendments or waivers shall be in writing, signed by the parties, and approved by a resolution of the City Council. The City's or the Developer's failure to promptly take legal action to enforce this Agreement shall not be a waiver or release.
  - c. Compliance with Laws and Regulations. The Developer represents to the City that the Site Plan complies with all City, County, State, and Federal laws and regulations, including but not limited to: subdivision ordinances, zoning ordinances and environmental regulations. If the City determines that the site plan does not comply, the City may, at its option, refuse to allow any construction or development work on the Subject Property until the Developer does comply. Upon the City's demand Developer shall cease work until there is compliance.
  - d. Mailbox Locations. If the Developer desires to construct a mailbox within the public right of way, the Developer agrees that the placement of a mailbox along public streets is subject to the approval by the Postmaster. Utility locates will be necessary.
  - e. Not applicable.

- f. Construction, Hours and Entrance Signs. The City restricts construction and delivery hours to Monday through Friday 7:00 a.m. to 9:00 p.m., weekends and holidays, 8:00 a.m. to 8:00 p.m. The Developer is required to provide a sign at each entrance point stating delivery and construction operation hours. Said signs are not to exceed 80 square feet in size and must be clearly visible at all times during the construction period.
- g. Construction Site Maintenance. The Developer shall adhere to all of the City ordinances relating to, but not limited to, dumping of garbage, site development, construction debris, open burning, etc. The City reserves the right to withhold permits, inspections, or certificates of occupancy to correct violations relating to construction site maintenance.
- h. Estimated Cost. It is understood and agreed that cost amounts set forth in this Agreement as to the Required Private Improvements, unless qualified as fixed amounts, are estimated. The Developer agrees to pay the entire cost of said improvements including interest, engineering and legal fees related thereto.
- i. Plat Approval Expenses. Not applicable.
- j. Reimbursement to the City. The Developer agrees to reimburse the City for all costs incurred by the City in defense or enforcement of this Agreement, or any portion thereof, including court costs and reasonable engineering and attorney's fees.
- k. Certificate of Occupancy. The term "Certificate of Occupancy" as used in this Agreement shall be defined as a document issued by the City's Building Official, which authorizes the structure to be used for its intended purposes.
