Subdivision 2: Zoning Map

The location and boundaries of the districts established by this Ordinance are hereby set forth on the zoning maps entitled the "City of Isanti Zoning Map", a copy of which is on file with the Zoning Administrator. Said maps and all of the notifications, references, and other information shown thereon shall have the same force and effect as if fully set forth herein and thereby made a part of this Ordinance by reference.

Subdivision 3: Zoning of Annexation or Detachment Areas

- A. In the event of changes to the City limits that remove territory from the City, district boundaries shall be constructed as to move with City limits.

- B. In the event of annexation of new areas to the City or in the event the City is given exclusive zoning jurisdiction of an area which is not annexed or within the City limits, such areas shall be considered to be in the "R-1" Single Family Residential District, unless the Ordinance annexing such property designates otherwise. If the area is not designated at the time of annexation, such "R-1" Single Family Residential Zoning shall be maintained, until such time as the property owner requests a rezoning of the property. A public hearing before the Planning Commission requesting a particular zoning designation shall be held upon proper application to the City with final approval granted by the City Council.

Subdivision 4: Zoning District Boundaries

- A. Boundaries indicated as approximately following the center lines of streets, highways, alleys, or railroad lines shall be construed to follow such center lines.
- B. Boundaries indicated as approximately following platted lot lines shall be construed as following such lot lines.
- C. Boundaries indicated as following shorelines shall be construed to follow such shore lines, and in the event of change in the shore line shall be construed as moving with the actual shore line; boundaries indicated as approximately following the center lines of streams, rivers, lakes, or other bodies of water shall be construed to follow such lines.
- D. Boundaries indicated as approximately following the city limits shall be construed as following such city limits.
- E. Where a zoning district boundary divides a lot, resulting in differing and non-uniform requirements (split-lot zoning) for two or more portions of the lot, each portion shall be subject to the regulations applicable to the specific zoning district shown for that portion of the lot.
- F. The exact location of all district boundaries shall be interpreted by the Zoning Administrator, subject to appeal as provided in Section 21 of this Ordinance.
