

Rain Garden Incentive Program

QUICK FACTS:

- STORMWATER CARRIES THINGS LIKE FERTILIZER, ROAD SALT, MOTOR OIL, AND OTHER POLLUTANTS INTO NATURAL WATER SOURCES, OFTEN UNTREATED.
- RAIN GARDENS:
 - CAPTURE STORMWATER AND NATURALLY REMOVE POLLUTANTS, PROTECTING CRITICAL FRESH WATER RESOURCES.
 - MEDiate EROSION ISSUES CAUSED BY LARGE VOLUMES OF STORMWATER.
 - PROVIDE HABITAT FOR POLLINATORS AND OTHER WILDLIFE.
 - ENHANCE RESIDENTIAL LANDSCAPES.

IT'S EASY TO MAKE A DIFFERENCE!

THE CITY OF ISANTI BELIEVES RAIN GARDENS ARE A GREAT WAY TO MANAGE STORMWATER, AND HAS A PROGRAM TO
HELP PROPERTY OWNERS WITH THE COSTS OF INSTALLATION!
QUALIFYING PROJECTS ARE ELIGIBLE FOR A 50% REIMBURSEMENT, UP TO \$500, AND PROPERTY OWNERS WILL RECEIVE
ASSISTANCE IN PLANNING AND DESIGN.

If you're interested in installing a rain garden on your property, complete the form below and we will contact you to schedule a site evaluation.

Property Owner Name: _____

Property Address: _____

Daytime Phone Number: _____

Email Address: _____

Please note, rain gardens are not recommended in wellhead protection areas and properties falling within these areas are not eligible. Reimbursements will be granted in the order eligible projects are received, until annual funding runs out. All installations must take place within the calendar year of application to receive reimbursement; reimbursements will not be given for any work or purchases made prior to program approval.

Contact the City's MS4 Technician at MS4@cityofisanti.us or 763-444-5512 for more information.
