PARK CODE OF CONDUCT POLICY IN PUBLIC FACILITIES AND EVENTS

Policy

City of Isanti Code of Conduct for Public Facilities and Events

This Code of Conduct covers behavior of the interaction between members of the public and City officials and City staff in any private or public meeting, community event or private or public correspondence.

- **Be considerate.** City officials and staff look forward to hearing feedback from members of the community. It is important to remember to treat others how you would like to be treated. We are a community of well-mannered individuals, and we conduct ourselves as such. Be kind to others. Harassment and other exclusionary behavior are not acceptable. This includes, but is not limited to:
 - Violent threats or language directed against another person.
 - Verbal abuse or behavior that undermines the working relationship.
 - Discriminatory jokes and language.
 - Posting sexually explicit or violent material.
 - Posting (or threatening to post) other people's personally identifying information.
 - Personal insults, especially those using racist or sexist terms.
 - Advocating for, or encouraging, any of the above behavior.
 - Repeated harassment of others. In general, if someone asks you to stop, then stop.
- **Be respectful.** City officials, staff and members of the community shall treat one another with respect. Everyone can make a valuable contribution. We may not always agree, but disagreement is no excuse for poor behavior and poor manners.
- When unsure, ask for help. Asking questions avoids many problems down the road, and so questions are encouraged. Those who are asked questions should be responsive and helpful. However, when asking a question or making statements, care must be taken to do so in an appropriate forum.
